# About This Calendar

The contents of this calendar were compiled from the UIPhotos project, by Kalev Leetaru.

All photos and text copyright 2006, Kalev Leetaru.

## ***UIPhotos Project***

<http://uiphotos.ncsa.uiuc.edu/>

The UIPhotos project is a collection of more than 60,000 images of the UIUC campus, taken by Kalev Leetaru. These images, which cover every building and space on campus, provide a uniquely powerful visual time capsule of campus in the early 21<sup>st</sup> century. Images on the site are free for personal download and non-commercial UI use. The site also features wallpapers, screen savers, eCards, calendars, and other UIUC-themed photo products for free download.

## ***UIHistories Project***

<http://uihistories.ncsa.uiuc.edu/>

The UIHistories project, which was Kalev Leetaru's senior undergraduate thesis, is the first comprehensive historical survey of the UIUC campus, covering the foundations of the University, offering insights into early student life, and providing historical biographies of all of the buildings, class gifts, memorials, and collections of campus.

## ***UITours Project***

<http://uitours.ncsa.uiuc.edu/>

The UITours project brings the UIPhotos and UIHistories projects together to lead visitors upon a visual and historical tour of campus. The site serves as an introspective looking glass onto campus, reflecting on all that makes up this incredible institution.
