MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 13, 1932

The July meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. (Chicago time) on Wednesday, July 13, 1932.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Williams.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of June 11, 1932.

On motion of Dr. Noble, the minutes were approved as printed on pages 603 to 644 above.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

THE BUDGET FOR 1932-1933

(1) A recommendation that the following budget for the fiscal year beginning July 1, 1932, and the academic year beginning September 1, 1932, be approved and that the President of the University be authorized to make such changes and adjustments as may be necessary, to make such additional appointments as are necessary, and to accept resignations offered in accordance with the needs of the University and the equitable interests involved. The operating budget represents a decrease of $747,000 under the fixed appropriations for 1931-32. There is included a reserve fund of $98,000 out of income for 1932-33, making the net decrease $649,000.

On motion of Mr. Barr, the following budget as submitted by the President of the University was adopted as a tentative budget, subject to modification by the Board at any time during the period covered by the budget, and authority was granted the President of the University to make such changes, adjustments, and additional appointments as may be necessary, and to accept resignations offered, in accordance with the needs of the University and the equitable interests involved. The budget was adopted by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Blair, Mr. Emmerson, Mrs. Hopkins.

On motion of Mr. Williams, the Finance Committee, the President of the University, and the Comptroller were directed to make a study of salaries and to report to the Board at the October meeting.

Explanatory Notes

Departmental appropriations are made under the captions "Salaries" and "Expense and Equipment." Unless otherwise indicated, no transfers may be made between these appropriation captions except with the approval of the President of the University.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1. All balances remaining at the end of the term indicated or at August 31, lapse on those dates.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against for services of employees temporarily engaged to do the work contemplated by the position. When appointments are made at salary rates less than the amounts provided in the budget, the unused balance will lapse at that time.

Appropriations for Expense and Equipment are available for one year beginning July 1 and ending June 30. These appropriations are based on an estimated distribution of expenditures according to the various budget classifications of "Wages, Office Expense, etc." Expenditures should be made in approximate accord with that distribution, material departure from which should be reported in advance to the Dean or Director or other officer concerned, and to the Comptroller. All unencumbered balances in these appropriations lapse June 30.

THE SALARY BUDGET

Explanatory Notes

Unless otherwise indicated in the Budget:

1. All appointments begin September 1, 1932.

2. C.S. (Civil Service) appointments are for one year. Appointees to stenographic and clerical positions are assigned to departments at the convenience of the University. The University reserves the right to change such assignments during the year if the needs of the University and of the departments require such action.

3. Salaries of positions of the rank of Associate and above are paid in twelve equal monthly installments; salaries of other ranks, in ten equal monthly installments.

4. The service required in all positions in experiment stations and bureaus of research, and in research positions in other departments, is for a full year of twelve months, with allowance of one month for vacations, and salaries are paid in twelve equal monthly installments.

5. The service required in all other positions—administrative, clerical, and service positions—is for a full year of twelve months, with allowance for vacations, and salaries are paid in twelve equal monthly installments.

Symbols

A—Indefinite
B—Two years from September 1, 1931

On motion of Mr. Williams, these depositories were approved.

REMODELING OF HOUSE ON SPRINGFIELD AVENUE

(13) A request from the Supervising Architect for authority to remodel the house at 1210 Springfield Avenue (now occupied by the Bureau of Educational Research, which will be moved to the Administration Building) so that it can be used as a cooperative house, the cost of the work, estimated to total $4,500, to be charged to the Residence Halls Reserve Fund.

On motion of Mrs. Grigsby, this authority was granted.

PUBLIC ROAD THROUGH WEST SALEM EXPERIMENT FIELD

(14) A request that the Board of Trustees join with the trustees for the original grantors of the West Salem Experiment Field in their dedication of a strip of this field for public road purposes.

On motion of Mr. Williams, this request was granted.

APPOINTMENT TO KATE NEAL KINLEY MEMORIAL FELLOWSHIP

(15) A recommendation from the Kate Neal Kinley Memorial Fellowship Committee that Miss Dorothy DeLancy, Instructor in Music on the University faculty, be awarded the first Kate Neal Kinley Memorial Fellowship.

This fellowship was awarded as recommended.

LITIGATION CONCERNING IMPORTATION OF MERCHANDISE BY THE UNIVERSITY DUTY FREE

(16) The University Counsel reports that the United States Court of Customs and Patents Appeals has handed down a 3-2 decision upholding the decision of the Customs Court in the case of the University of Illinois *vs.* United States in the matter of the importation of scientific apparatus and other merchandise duty free. The two dissenting judges accepted in toto the contention of the University, while the other three members of the Court who upheld the decision of the lower court did not do so on the same grounds.

I recommend that the University Counsel be authorized to file a petition for a re-hearing and to take the case to the United States Supreme Court if on petition for a re-hearing the majority of the Appellate Court adheres to its conclusions.

There is pending before the Congress of the United States a bill for an amendment of the Tariff Act of 1930 providing that books and all printed matters, scientific apparatus, and all materials of any character bought or acquired by the states or territories, or their governmental agencies, institutions,

[1]Bursar's Petty Cash Advance $10 000 00
Agronomy Fund 1 500 00
Smith-Lever Fund 2 500 00
Total $14 000 00

[2]The full amount of this fund is $1,200. It was formerly handled through the First National Bank of Champaign, and as settlement is received on the deposit in that bank, the fund will be increased to not more than $1,200 in the Trevett-Mattis Banking Company.

or instrumentalities, and brought into the United States to be used exclusively by the states or territories, or their agencies, institutions, and instrumentalities in the performance of governmental functions, shall be admitted duty free.

I recommend that the Board of Trustees formally endorse this proposed legislation and advise the representatives and senators from Illinois of its action.

On motion of Mr. Trees, these recommendations were approved.

REGISTRAR'S REPORT OF FEES ASSESSED FOR THE SECOND SEMESTER OF 1931-32

(17) A report from the Registrar of fees assessed for the second semester of 1931-32, and a recommendation that the action of the Board of Trustees of July 6, 1901, (Minutes, page 109), requiring these reports, be rescinded, as the necessary information is available through other accounting analyses.

On motion of Dr. Noble, this report was received for record, and the action of July 6, 1901, requiring these reports, was rescinded.

CHICAGO BOARD OF TRADE SCHOLARSHIP

(18) An offer from the Chicago Board of Trade of $400 annually, until terminated either by the Board or the University upon written notice in January or February preceding any academic year, to establish a four-year scholarship in the College of Agriculture for the payment of fees and other expenses of high-school graduates enrolled in Boys 4-H Grain Crops Club Work to be selected by the College of Agriculture. A memorandum of the proposal, signed by the Secretary of the Board of Trade, is submitted for the records of the Board.

On motion of Mr. Armstrong, this gift was accepted.

DAIRY AND ICE CREAM MACHINERY AND SUPPLIES ASSOCIATION RESEARCH ASSISTANTSHIP

(19) An offer from the Dairy and Ice Cream Machinery and Supplies Association of New York of $750 for a Special Research Assistantship in Dairy Husbandry for the year 1932-33.

On motion of Mr. Armstrong, this gift was accepted.

REPORT OF GIFTS

(20) The following report of gifts received by the University since the last report:

The American Otological Society, $3,500 for the continuation of research work in the field of animal hearing during the year beginning September 1, 1932. The Society made an original grant of $3,000 for this purpose last year (Minutes, July, 1931, page 388).

The Society of American Florists and Ornamental Horticulturists, the sum of $1,000 for research work by the Department of Horticulture.

Mrs. Hugh Mackay Fletcher of Pittsburgh, Pennsylvania, her late husband's library of books on economics and related subjects. There are 238 volumes in this collection and many of them are rare and have considerable value.

The National Research Council to Dr. J. T. Buchholz of the Department of Botany, a grant of $500 for the period of July 1, 1932, to June 30, 1933, in support of certain research work on plants.

The National Research Council, $120 for the employment of a draughtsman to assist Professor C. H. Crickmay of the Department of Geology in the mapping of the work he is doing on the geologic structure and stratigraphy of Mt. Jura.

Mr. C. E. Harsook of Maquon, Illinois, a patented individual hog house to the Department of Animal Husbandry.

Chicago Bridge and Iron Works for investigation of cylindrical shells as columns, $46.31; investigation of joints in wide plates, $43.69. (These funds supplement grants previously accepted for these investigations.)

University Alumni Association, $50, representing the proceeds from a bridge tournament conducted by the Association, as an addition to the Alumni University Fund Board's Student Emergency Loan Fund, accepted by the Board April 20, 1932.

On motion of Mr. Williams, this report was received for record.

APPROVAL OF VARIOUS PURCHASES

(21) A report of the approval of the following purchases, amounting to $1,000 or over, since the last report was made to the Board:

Chemicals needed for the General Chemical Storeroom to be distributed to the various laboratory departments as needed during the first semester of 1932-1933 from the firms listed below as follows:

Roessler and Hasslacher	19 50
E. H. Sargent and Company	188 92
Schaar and Company	52 00
W. M. Welch Manufacturing Company	197 42
	$2 969 23

The aggregate amount, $2,969.23, is to be charged to the revolving fund of the General Chemical Storeroom.

Straw for the various departments of the University for the next six months as follows:

Corray Brothers—300 tons of wheat straw	$1 101 00
Grover Craven—300 tons of wheat straw	1 089 00
Joe Lewis—90 tons of oat straw	337 50
Total	$2 527 50

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(22) The following report from the Comptroller of contracts and purchase orders executed since the last report:

CONTRACT EXECUTED BY THE COMPTROLLER—JUNE 6, 1932, TO JULY 8, 1932

Lease to the University executed under general regulations of the Board of Trustees:

Leased from	*Property*	*Rental to be paid by the University*	*Date*	*Tenure*
Charles A. Percival	40 acres south of swine plant	⅗ of the crops	June 17, 1932	Year, 1932

This report was received for record.

ACTING HEAD OF DEPARTMENT OF AGRICULTURAL ECONOMICS

(23) A recommendation that Dean H. W. Mumford be appointed Acting Head of the Department of Agricultural Economics, which was established by authority of the Board of Trustees on October 30, 1931 (Minutes, page 460), during so much of the two-year formative period as may be necessary to complete the organization of the department.

On motion of Mr. Trees, this appointment was made.

AUTHORITY TO CONFER DEGREES

(24) A request for authority to confer degrees at the end of the Summer Session in August on those candidates who have been recommended by the University Senate for degrees subject to the fulfillment of certain requirements.

On motion of Mr. Barr, this authority was granted.

NEW ROOF FOR MEN'S OLD GYMNASIUM

(25) A request from the Supervising Architect for authority to replace the roof

on the Men's Old Gymnasium at a cost of approximately $3,500, the expense to be charged to the appropriation made to the Physical Plant division for maintenance.

On motion of Mr. Barr, this authority was granted.

CREDITOR'S AGREEMENT SIGNED

(26) A report from Judge Johnson that Mr. Capron has executed the Creditor's Agreement in connection with the reorganization of the First National Bank of Champaign.

This report was received for record.

REPORT ON K. C. BABCOCK ENDOWMENT FUND SECURITIES

Mr. Trees, for the Finance Committee, presented the following report:

The Comptroller reports that $1,000 of Chicago and West Towns Railway bonds, Series A, 7 per cent, due July 1, 1932, which constitute part of the endowment established by the late Dean K. C. Babcock (Minutes, May 21, 1931, page 235) and which were presented for payment at maturity, have been returned unpaid. A plan of reorganization has been proposed whereby the maturing bonds will be exchanged for new first mortgage 5 per cent income bonds which will receive interest if earned, and which, in any event, are entitled to cumulative interest at the rate of 5 per cent annually. The new bonds will run for five years, and all excess earnings over and above the amount necessary to meet bond interest and similar charges will be used to provide a sinking fund to retire the income bonds. If a sufficient number of the bondholders accept the plan proposed, payment of the semi-annual interest, due July 1, 1932, will be made in full. The unfavorable bond market existing at the present time and the general disfavor in which traction securities are held, practically precludes any possibility of refunding the Chicago and West Towns Bonds.

On motion of Mr. Trees, the Comptroller was authorized to deposit this bond with the reorganization committee.

COMMITTEE ON ADMINISTRATIVE REORGANIZATION

Mr. Trees, for the special committee on administrative reorganization, reported that it was not possible to make any recommendation on this matter at the present time, and requested that the committee be discharged.

On motion of Mr. Barr, this report was accepted and the committee was discharged.

MRS. GRIGSBY CHAIRMAN OF COMMITTEE ON STUDENT WELFARE

President Barrett announced that he had appointed Mrs. Grigsby chairman of the standing committee on Student Welfare, in place of the late Mrs. Evans.

STATEMENT CONCERNING FINANCES

Mr. Morey made a statement concerning the year's financial operations, and the financial condition at the end of the fiscal year.

APPOINTMENT OF DR. ERNST GELLHORN AS PROFESSOR OF PHYSIOLOGY IN THE COLLEGE OF MEDICINE

(3) A report of the appointment of Dr. Ernst Gellhorn, formerly Professor of Physiology at the University of Oregon, as Professor of Physiology in the College of Medicine for one year beginning September 1, 1932, at a salary of $5,000.

On motion of Mr. Trees, this appointment was confirmed.

REPORT ON ACCIDENT OF J. A. MORROW AND S. E. GRIFFITH

(4) A report on the automobile accident on August 22, 1932, which resulted in the death of J. A. Morrow, Superintendent of Buildings and Grounds, and serious injuries to S. E. Griffith, Janitor Foreman:

The accident occurred at the intersection of State Routes Nos. 25 and 121 near Tuscola, Illinois, shortly before eleven o'clock in the morning of August 22, 1932. Mr. Morrow and Mr. Griffith were on their way to southern Illinois to purchase coal for the Power Plant. They were in a Chevrolet Sedan, 1931 model, owned by the University, with Mr. Griffith driving. They were driving south on Highway No. 25, which is a through highway (that is, traffic on east and west roads crossing it is required to stop at intersections), when a car

driven by Mr. James S. Huse, of Sioux City, Iowa, driving east on Highway No. 121, and which, according to witnesses, failed to stop at the crossing, struck the right front side of the University car, causing it to swerve to the left and strike an electric light pole. Both cars, according to witnesses, were traveling at a rate of between forty and forty-five miles an hour. There is a corn field west of No. 25 and north of No. 121, which, at the time of the accident, made it impossible for the driver of a car driving south on No. 25 to see the east bound traffic on No. 121 until he was within about fifty feet of the intersection; the same was true of cars driving east on No. 121 with respect to cars driven south on No. 25. The corn has been topped since the accident. The responsibility for the accident rests on the driver of the east-bound car because he failed to stop before crossing.

Mr. Morrow was killed almost instantly, Mr. Griffith suffered a scalp wound, minor face cuts, three broken ribs, and a fractured knee and is still confined to the hospital. The occupants of the car from Iowa were Mr. and Mrs. James S. Huse and their daughter, Doris. Mr. Huse and his daughter died from injuries and Mrs. Huse recovered. The University car was completely wrecked.

I recommend that the University Counsel be authorized and directed to take what steps he deems advisable to protect the University's interests in this matter and to institute such legal proceedings as may be necessary. The damages in which the University is interested are whatever amount it will be required to pay the estate of Mr. J. A. Morrow under the compensation law, compensation to Mr. Griffith for his injuries, and for property damage to the car. So far the University Counsel has not been able to determine the extent of the insurance coverage on the Iowa car.

On motion of Mr. Barr, this matter was referred to President Chase and Judge Johnson, with authority to take such steps as are necessary to protect the interests of the University.

On motion of Mr. Armstrong, the Comptroller was authorized to make payment of $2500 death benefit to the designated beneficiary of Mr. Morrow, in accordance with the rules of the Board and the terms of employment of the deceased. The appropriation from the Reserve and Contingent fund was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Emmerson.

On motion of Mr. Trees, the President of the Board was requested to appoint a special committee to consider the liability of the University in cases where both death benefits and workmen's compensation may be involved. President Barrett appointed Mr. Armstrong, Mr. Barr, and Mr. Williams to serve on this committee.

APPOINTMENT OF ACTING SUPERINTENDENT OF BUILDINGS

(5) A recommendation that Mr. T. J. Showers, Assistant Superintendent of Buildings, who was retired under the rules of the Board effective September 1, be continued in service for another year and that he be appointed Acting Superintendent of Buildings at a salary of $4200 a year, vice Mr. Joseph A. Morrow, deceased.

On motion of Mrs. Grigsby, this recommendation was approved.

DEATH BENEFIT OF DEAN CLARK

(6) As Dean Clark's death occurred shortly after the July meeting and as the Board was not to have another meeting until September, I authorized the Comptroller to make payment of the death benefit due in accordance with the rules of the Board and the terms of Dean Clark's employment, to avoid a two-months delay. I request that my action be confirmed and that an appropriation of $2,000 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Barr, this action was approved and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr.

Barr, Mr. Barrett, Mr. Blair, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Emmerson.

DEATH BENEFIT OF MRS. EMMA PORTER

(7) I recommend that $270 be appropriated from the Reserve and Contingent Fund to pay the death benefit of Mrs. Emma Porter, laborer in the Physical Plant, whose death occurred on August 15, 1932, and that the Comptroller be authorized to make payment to the designated beneficiary in accordance with the rules of the Board and the terms of employment of the deceased.

On motion of Mr. Trees, this payment was authorized and the appropriation was made as recommended by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Emmerson.

APPROPRIATION FOR HOSPITAL EQUIPMENT

(8) A report that the Comptroller was authorized to spend $2300 from the Reserve and Contingent Fund for the purchase of supplies and furniture replacements for the McKinley Hospital. These supplies and equipment had to be ordered in the summer so that they would be available for the opening of the Hospital in the fall. I request that this action be confirmed and that an appropriation of $2300 be made from the Reserve and Contingent Fund for this purpose.

On motion of Dr. Noble, the President's action was confirmed and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Emmerson.

SPECIAL APPROPRIATION FOR THE COLLEGE OF LAW

(9) A recommendation that $400 be appropriated from the Reserve and Contingent Fund to the College of Law, to provide for the use of space for student notes and comments in the journal of the Illinois Bar Association for the current year, contingent on the raising of a like amount by the College of Law from private sources.

On motion of Mr. Blair, this arrangement was authorized but without the condition requiring the raising of funds from outside sources, and an appropriation of $800 was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Emmerson.

LABORATORY FEE IN CHEMISTRY

(10) A recommendation that a laboratory fee of $6.00 be established in Chemistry 7, a new general survey course in chemistry, beginning September 1, 1932.

On motion of Mrs. Hopkins, this fee was authorized.

AUTOMOBILE PERMIT FEES

(11) A recommendation that a fee of $2.00 be charged each undergraduate filing an application for permission to drive an automobile. The purpose of the fee is to cover the cost of license plates, clerical help, and incidental expense in handling the applications for automobile permits.

On motion of Dr. Noble, this fee was authorized.

FEES FOR COURSES IN UNIVERSITY HIGH SCHOOL

(12) A recommendation that the following fee be established for students in the University who register for work in the University High School:

Students registered in the University who also register for work in the University High School shall pay, in addition to their regular fees in the University,

ten dollars for each half-unit of credit taken in the High School; provided, however, that the total additional charge for such instruction in the High School shall not exceed the regular fee of twenty-five dollars per semester charged regular students in the High School.

On motion of Mr. Armstrong, this recommendation was adopted.

REQUIREMENTS FOR GRADUATION IN AGRICULTURE AND EDUCATION

(13) The University Senate Committee on Educational Policy recommends that, effective September 1, 1932, the total number of semester hours required for graduation in the Colleges of Education and Agriculture be changed to 120 hours and the prescribed courses in military and physical education.

The first meeting of the Senate will be held on October 3 so that it was impossible to get action by that body before the Board meeting today. Since the recommendations involve no change from the newly established policy in this matter, I recommend that they be approved subject to similar action by the University Senate.

On motion of Mrs. Grigsby, this recommendation was adopted.

CHANGE OF HEADQUARTERS OF THE ALUMNI ASSOCIATION

(14) A request from the Executive Committee of the Alumni Association that it be authorized to change its headquarters from the present location on the third floor in the Administration Building to the Illinois Union Building, so that its offices will be more accessible to students and visiting alumni.

The Union has previously rented the space which the Alumni Association wishes to occupy for $2,000 a year. The Union owes the University about $6,500 for work done on its building by the University, which the Board of Trustees agreed to allow the Union to pay in installments (Minutes, July 23, 1930, p. 31). The Illinois Union proposes that instead of repaying this debt in cash it be permitted to repay it in terms of furnishing quarters for the Alumni Association, charging off $1,200 a year for this purpose (which is a reduction of $800 a year in the amount of rental derived by the Union for the same space before). Therefore an appropriation of funds by the University would not be necessary, since the annual rental charge would be written off for the next five years against the amount due the University from the Union.

On motion of Mr. Barr, this request was approved.

STAFF APPOINTMENTS IN RESEARCH AND EDUCATIONAL HOSPITALS

(15) In accordance with the terms of the agreement between the University and the State Department of Public Welfare (Minutes, April 20, 1932, page 565) the University is required to nominate a managing officer of the Research and Educational Hospitals, and also a Director of the Institute for Juvenile Research, and to join with the State Department of Public Welfare in the appointment of members of the staff of the Institute for Juvenile Research.

The Executive Committee of the College of Medicine by unanimous vote has recommended the name of Dr. Major H. Worthington as Managing Officer of the Research and Educational Hospitals. He has held this position since 1929, being appointed at that time by joint agreement of the Department and the University and his work in that position has been thoroughly satisfactory to the College of Medicine. The Executive Committee of the College of Medicine further recommends for appointment to the position of Director of the Institute for Juvenile Research Dr. Paul L. Schroeder, who has been Director of the Institute for the past two years, and serving for several years prior to that date as First Assistant in the Institute.

I recommend approval of these recommendations and request authority to concur in the appointment by the Department of Public Welfare of the present personnel of the Institute, as provided in the agreement, the complete list to be submitted to the Board for record.

On motion of Mr. Williams these recommendations were approved.

WOMAN'S ATHLETIC ASSOCIATION FUND

(16) The Woman's Athletic Association of the University of Illinois wishes to establish a loan fund of $200 per year, beginning in September, 1932, and continuing as long as the Association deems advisable, with the provision that the following special regulations, in addition to the general regulations of the Board of Trustees governing loan funds, shall apply:

1. This fund is to be lent only to women students for use during their senior year.

2. Applications are to be recommended for approval by a committee consisting of the Head of the Department of Physical Education for Women, as chairman, two members of the staff of the Department of Physical Education for Women, the President of the Woman's Athletic Association, and the Treasurer of the Woman's Athletic Association.

The source of this proposed annual payment of $200 is the income from bonds owned by the Association representing the investment of its earnings from May Fêtes covering a period of several years. The bonds will be retained by the Association, but the income amounting to approximately $200 a year will be turned over to the University to be used by it for the purposes indicated.

I recommend acceptance of this offer.

On motion of Mrs. Grigsby, this offer was accepted.

CLASS OF 1907 LOAN FUND

(17) The Class of 1907 desires that the loan fund which it presented to the University on June 11, 1932 (Minutes, page 611), be used for the making of loans to students under such general rules as may be prescribed from time to time by the Board of Trustees governing loan funds, with no restrictions except that the identity of the fund be preserved and that in making loans preference be shown to lineal descendants of members of the class.

On motion of Mrs. Hopkins, these conditions were accepted.

APPOINTMENTS TO E. A. WALLACE MEMORIAL SCHOLARSHIP

(18) A report that the Board of Education of Havana, Illinois, has appointed Messrs. Dale Huff and John Schulte to be the beneficiaries of the E. A. Wallace Memorial Scholarship for the year 1932-1933.

This report was received for record.

DRAINING OF LAND WEST OF STADIUM

(19) A report from the Supervising Architect of the following bids received on August 4 for the underdraining of the area between First Street and the Illinois Central tracks:

Kent & Co.	$1,923.72
Leonard Lindeman	2,478.67
Frank A. Somers & Co.	2,686.14
Christensen Bros.	2,759.60
Wm. O'Brien	3,040.16

The contract was awarded to the low bidder, Kent & Co., who agreed to put in the sub-tiling at cost, to provide work for his men. By having this area under-tiled it can be used to good advantage as a dumping ground for selected material and can gradually be built up to the desired grades. Funds were included in the budget for the cost of this work.

This report was received for record.

SALE OF NEVADA STREET HOUSE

(20) A report that the Noyes house on Nevada Street east of the Residence Halls was advertised for sale and sold to Mr. T. F. Henson of Urbana, the high bidder, for $150. Under the terms of the sale the buyer has removed the house from the premises.

This report was received for record.

LOAN OF EQUIPMENT TO THE DEPARTMENT OF PUBLIC WELFARE

(21) A request for authority to lend the Department of Public Welfare dental

chairs and equipment for use in the following state institutions under the jurisdiction of the Department: Chicago State Hospital, Lincoln State School and Colony, Dixon State Hospital, East Moline State Hospital, and Anna State Hospital. The expense of transportation, installation, and return of this equipment will be borne by the Department of Public Welfare. The College of Dentistry will appoint dental internes to work in these institutions who will use such equipment.

On motion of Dr. Noble, this authority was granted, on condition that the equipment will be returned to the University whenever required.

REPORT ON GOURDIER FARM HOUSE

(22) A report from the Comptroller that the house on the Gourdier Farm (200 acres in Champaign County south of Dewey), which was destroyed by fire, has been rebuilt at a cost of approximately $2500 from the insurance money received. The University holds a $10,000 mortgage on this property. At the meeting on April 20, 1932 (Minutes, page 568), authorization was given for the use of the insurance money to rebuild the house.

This report was received for record.

APPROVAL OF VARIOUS PURCHASES

(23) A report of the approval of the following purchases, amounting to $1,000 or over, since the last report was made to the Board:

Pyrex laboratory glassware, amounting to $2250, from Schaar and Company, Chicago. This is a non-competitive item, and the order was placed with this company because they give a maximum discount on established prices and because of the service they have rendered on previous orders. Funds have been provided in the Budget for 1932-1933 for this purpose.

Printing of soil maps of Vermilion, St. Clair, Wabash, and Pulaski counties —5,000 copies of each—from A. Hoen and Company, Baltimore, Maryland, the low bidder, at a price of $3100, f.o.b. Urbana. This concern has printed most of the other soil survey maps. Funds have been appropriated in the budget for this purpose.

A carload of chemically pure and commercial acids for the General Chemical Storeroom from Grasselli Chemical Company of Chicago, the low bidder, at a cost of $1,255.41, f.o.b. Urbana. (The transportation on the shipment and on the return of empty containers is approximately $130.)

This report was received for record.

PATENT ON SUPPRESSED WAVE RADIO CARRIER SYSTEMS

(24) On March 8, 1927 (Minutes, page 225), the Board of Trustees accepted an assignment from Mr. Hugh A. Brown, Assistant Professor of Electrical Engineering, of a patent on a non-continuous carrier wave radio telephone transmission. The Secretary of the Board reports that he has received the original United States Letters Patent No. 1872398, dated August 16, 1932, issued on application of Professor Brown entitled "Suppressed Wave Radio Carrier Systems."

This report was received for record.

GIFTS TO THE UNIVERSITY

(25) The following reports of gifts received by the University since the last report:

1. Mr. Roy M. Eilers, of St. Louis, a Cadillac motor for use in the University's Power Laboratory. (This is worth approximately $50.)

2. The Chicago Bridge and Iron Works, the following gifts under two contracts which that company has had with the University through its Engineering Experiment Station:

a. For the investigation of joints in wide plates they have contributed:

77,499 lbs. of metal valued at	$1,131.50
Shop Work	2,474.69
Freight	206.63
Plans	79.00

b. For the investigation of cylindrical shells as columns they have contributed:

12,857 lbs. of metal	$252.53
Shop Work	889.97
Freight	48.43
Plans	139.60

c. Also $90.00 in cash to cover small overdrafts in the accounts for these two investigations.

3. The Standard Oil Company, $500, for the use of the Department of Agronomy for certain tests with weed eradicators.

4. The American Medical Association, $200, for the use of Doctor Welker in a study of hematin and its relation to benzidin and other tests for blood.

5. The Universal Atlas Cement Company for use in connection with the investigation of concrete arches the following sums:

July, 1931	$364.50
January, 1932	85.30
May, 1932	203.28

6. The Illinois Steel Company, $861.42, for use in connection with the investigation of concrete arches.

7. Bauer and Black, of Chicago, $600, for a special research assistantship in Chemistry for 1932-1933.

8. Doctor J. Holinger, Assistant Professor of Otolaryngology in the College of Medicine, a large collection consisting of 118 bound volumes and journal files for the medical library.

On motion of Mr. Barr, this report was received for record.

ANNUAL REPORT OF THE TREASURER

(26) The following reports of Hazen S. Capron, former Treasurer of the University, for the year ended June 30, 1932, and Frank M. Gordon, Treasurer of the University, for the period February 6, 1932, to June 30, 1932, which the Comptroller has examined and certifies to be correct in accordance with his records.

September 7, 1932

President H. W. Chase,
355 Administration

DEAR PRESIDENT CHASE:

I transmit herewith the report of Hazen S. Capron, Treasurer of the University of Illinois, for the year ended June 30, 1932, and the report of Frank M. Gordon, Treasurer of the University of Illinois, for the period February 6, 1932, to June 30, 1932, as required by the by-laws of the Board of Trustees.

I have examined these reports and hereby certify that they are correct in accordance with my records. I attach a reconciliation between the balances as reported and the balances given in my Quarterly Report separately submitted.

Cordially yours,

LLOYD MOREY
Comptroller

QUARTERLY REPORT OF THE COMPTROLLER

(27) The following quarterly report of the Comptroller as at June 30, 1932:

July 18, 1932

To the Board of Trustees of the University of Illinois:

I transmit herewith the quarterly report required of me covering the financial transactions of the University for the quarter ended June 30, 1932.

Schedule A is a balance sheet of all assets for which the Board of Trustees is responsible and all commitments and obligations of the University as of June 30, 1932.

Schedule B is a statement of the Reserve and Contingent Fund or the working balance of general income for the quarter ended June 30, 1932. Due to our inability to realize on the full amount of state appropriations for current expenses of the year, it has been necessary to use the entire balance of the Reserve and Contingent Fund to meet necessary expenditures for the year. Consequently, no balance remained in this fund at the close of the year.

Schedule C is a summary of the receipts and disbursements of local and state funds for the year. On June 30, 1932, the balance of local funds amounted to $405,504.92. Of this amount the sum of $92,571.18 was in the hands of Hazen S. Capron, former Treasurer, and the sum of $312,933.74 in the hands of Frank M. Gordon, Treasurer. To secure the last named balance, U. S. Government securities of a market value of $513,750 have been deposited as collateral.

Schedule D is a summary of the income of the University for the year ended June 30, 1932. It is noted from this statement that from a state appropriation of $4,940,000 for current expenses, the expenditures and commitments for the year have amounted to only $4,396,478.24, leaving an unused balance of $543,521.76 as of the close of the year; that from a special appropriation of $15,000 for the Cook County Agricultural Experiment Station there was expended only $9,108.01, leaving an unexpended balance of $5,891.99 at the close of the year; that from an appropriation of $1,400,000 for an additional unit of the Medical and Dental laboratories there was expended only $34,861.77.

The budget estimate of student fees for the year was $1,125,000. The actual amount realized was $1,074,339.57.

Schedule E is a summary of all appropriations made by the Board for use during the fiscal year ended June 30, 1932. Of these appropriations the sum of $473,218.72 was allowed by the various departments of the University to lapse unused at the close of the year. This saving in expenditures made possible the unused balance in the state appropriation already referred to. The balance in the state appropriation remaining unused exceeded the unused balances in appropriations of the Board to various University departments by $76,195.03, the difference being represented by the expenditure of the unassigned balance of the Reserve and Contingent Fund.

Schedule F is a summary of transactions of stores and service accounts. The inventory of stock and general storerooms has been decreased $23,129.80 during the year.

Schedule G is a summary of endowment funds from private sources which, at the close of the year, amounted to $369,523.82, an increase of $18,933.08 during the year.

Schedule H is a summary of transactions of current restricted funds (expendable trust funds) for the year.

The figures contained in this report are cumulative for the fiscal year and, therefore, represent the financial operations of the University for the fiscal year ended June 30, 1932, and the financial condition of the University at that date. They will be presented in more complete form in the annual report of the Comptroller to be published at a later date.

This report is subject to audit by the public accounting firm employed by the Board for that purpose. The certificate of audit will be furnished as soon as that audit is completed.

Respectfully submitted,

LLOYD MOREY
Comptroller

REPORT OF AUDIT OF UNIVERSITY ACCOUNTS

(28) The following report from Arthur Young and Company, Accountants and Auditors, of their audit of the University's accounts for the quarter ending June 30, 1932; and also a report of their audit for the year ending June 30, 1932.

August 27, 1932

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRS,

We have audited the books of the University of Illinois for the quarter ended June 30, 1932, and submit the following summary of the work done and the result of the audit.

The cash receipts were verified by checking all cash receipts vouchers into the cash book and examining a substantial portion of the original departmental records. Cash received as recorded has been duly deposited with the University Treasurer. The warrants drawn on the University Treasurer and those certified to by the State Auditor were checked into the cash book and a substantial portion of the supporting vouchers was examined with respect to the authorization, object of expenditure and receipt of goods or services by the University. A number of payroll vouchers of non-appointees was checked against the original time report on file in the respective departments. Salaries paid to appointees were checked against the Secretary's letters of appointment. The footings of the cash book were proved.

The cash balances in the hands of the University Treasurer and the ex-Treasurer of the University at June 30, 1932, were verified by confirmation from the depositories, as follows:

Frank M. Gordon, Treasurer:		
Balance as confirmed by the First National Bank of Chicago	$366 496 34	
Add: June receipts deposited in July	11 478 96	
	$377 975 30	
Deduct: Outstanding warrants	65 041 56	
Balance per books		$312 933 74
Hazen S. Capron, ex-Treasurer:		
Balance as confirmed by the Receiver of the First National Bank, Champaign	$ 92 571 18	
Balance per books		92 571 18
		$405 504 92

The First National Bank, Champaign, closed its doors January 16, 1932, and is now in process of reorganization. It is expected that loss to depositors,

if any, will not be substantial; however, under the proposed plan of reorganization, a portion of the funds on deposit will not be available for some time, pending the sale of certain assets of the bank in a market more favorable than that at the present time. In connection with this account the University holds the personal bond of Mr. Hazen S. Capron and his Co-Sureties.

United States Fourth Liberty Bonds of a par value of $500,000 have been deposited by Frank M. Gordon, Treasurer, to secure his balance of $366,496.34. The deposit of this collateral has been confirmed to us by the Trustee.

Petty cash funds were verified by actual count and by confirmations received from the depositories. Of the total petty cash funds, $31,490.89, an amount of $15,572.16 is on deposit with the closed First National Bank, Champaign.

The securities as shown by the books of account were verified by actual inspection and by confirmation from the custodian. The following securities were in default at June 30, 1932:

Lois A. and John H. Boyden, real estate note	$ 6 440 46
Chicago and West Towns Railway Company, first mortgage gold bond	1 000 00
La Salle-Wacker Building Corporation, bond	2 000 00
W. B. and M. E. Martin, mortgage on land	7 500 00
	$16 940 46

Physical inventories taken by the several stores departments near the close of the fiscal year were re-calculated by us and adjusted to June 30, 1932, by taking into account receipts and issues from the date of the inventory to June 30. A selection of items was verified as to quantities by actual inspection of the material and as to prices by comparison with purchase records. Physical inventories were 6⅔% in excess of the control accounts due to the fact that the credits to the control accounts contain a margin of profit charged to departments upon issue of material.

The departmental accounts of work in process were examined and were found to agree with the controlling account in the general ledger.

Disbursement vouchers representing 62% of additions to fixed assets made during the year were examined and were found to cover proper capital expenditures. The accounts of land, buildings and equipment were checked against the detailed ledgers and card records and were found to agree therewith.

The income for the quarter under audit was verified by extensive detail checking and comparison with the report and files of the Registrar and the files of the various operating departments.

The accounts of the Chicago departments and of the Stadium Fund were audited along the lines indicated above and were found correct.

The records of the meetings of the Board of Trustees of April 20, May 11, and June 11, 1932, were examined and all actions affecting the finances of the University, in so far as they had been consummated at the time of our audit, were checked into the books of account. The records of previous meetings were likewise examined with respect to relative transactions recorded in the books during the quarter under audit.

The records of the purchasing division were inspected and a number of the larger purchase orders issued were compared with relative bids and quotations. Contracts and bids on file in the office of the Supervising Architect were checked against reports made to the Board of Trustees as shown in the minutes of the meetings of the Board.

We hereby certify that, so far as we have been able to ascertain by an extended detail examination,

All income which the University should have received during the quarter ended June 30, 1932, has been received and accounted for.

All disbursements have been made for University purposes and have been properly authorized and the expenditures have been correctly recorded in the books of account.

Subject to our comments on the University's funds at the First National Bank, Champaign, the cash and securities as shown by the books at June 30, 1932, are correct in amount and have been verified by actual inspection, count, or confirmation from the depository.

The report of the Comptroller to the Board of Trustees as at June 30, 1932, a copy of which is attached hereto, is in accordance with the books and, in our opinion, is correct.

The financial report of the Comptroller to the Governor of the State of Illinois for the period beginning July 1, 1931, and ending June 30, 1932, is in accordance with the books and, in our opinion, is correct.

Yours faithfully,
ARTHUR YOUNG & Co.

August 27, 1932

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRS,

We have audited the accounts of the University of Illinois for the year ended June 30, 1932, and we hereby certify that, so far as we have been able to ascertain by an extended detail examination,—

All income which the University should have received during the year has been received and accounted for.

All disbursements have been made for University purposes and have been properly authorized, and the expenditures have been correctly recorded in the books of account.

The cash and securities as shown by the books as at June 30, 1932, are correct in amount and have been verified by actual inspection, count or confirmation from the depositories.

The cash includes $108,143.34 on deposit in the First National Bank, Champaign, Illinois, which closed its doors January 16, 1932, and is now in process of reorganization. It is expected that there will be little or no loss to depositors but under the proposed plan of reorganization, a portion of the funds on deposit will not be available for some time, pending the sale of certain assets of the Bank in a market more favorable than that at the present time. In connection with this account, the University holds the personal bond of Mr. Hazen S. Capron, former Treasurer, and his Co-Sureties.

The report of the Comptroller for the year ended June 30, 1932, a copy of which is attached hereto, is in accordance with the books and, in our opinion, is correct.

Yours faithfully,
ARTHUR YOUNG & Co.

This report was received for record.

LINCOLN AVENUE DRAINAGE PROJECT

At this point, President Barrett stated that he had granted a request for a hearing to Mr. Victor Olander, Secretary of the Illinois Federation of Labor, and others who were interested in the Lincoln Avenue storm drain (Minutes, April 20, 1932, page 570). Mr. Olander, Mr. James Dunn, representing the Twin City Federation of Labor of Champaign and Urbana, Mr. F. T. Carson, representing the Urbana Association of Commerce, Mr. R. E. Winkelmann, Corporation Counsel of Urbana, and Mr. Godfrey Sperling, Champaign County Surveyor, were introduced. Mr. Olander, Mr. Dunn, and Mr. Carson addressed the Board and urged that the University accept the assessment immediately.

Action on this matter was deferred until the October meeting.

MARTIN MORTGAGE FORECLOSURE

Mr. Trees, for the Finance Committee, reported that the foreclosure proceedings against Mr. W. B. Martin, *et al.*, were now complete, and that title is now in the Board of Trustees of the University of Illinois. This property is described as follows:

The South one-half (S.½) of the Northeast Quarter (NE¼), and the Northwest one-fourth (NW¼) of the Northeast Quarter (NE¼), and the East one-half (E.½) of the Northwest Quarter (NW¼), and the Northeast one-fourth (NE¼) of the Southwest Quarter (SW¼);—all in Section Thirty-two (32), Township Six (6) South, Range Three (3) East of the Third Principal Meridian. Also the Southwest One-fourth (SW¼) of the Northwest Quarter

(NW¼) of Section Thirty-three (33), Township Six (6) South, Range Three (3) East of the Third Principal Meridian. Containing Two Hundred and eighty (280) acres more or less. Subject, however, to a prior conveyance of the coal, oil and gas, with certain surface and mining privileges, as shown on record in the Recorder's Office in Franklin County, Illinois.

This report was received for record.

BUDGET OF THE ATHLETIC ASSOCIATION

Mr. Trees, for the Finance Committee, presented also the budget of the Athletic Association for the current year.

On motion of Mr. Trees, the budget as submitted by the Athletic Association was adopted as a tentative budget, subject to modification by the Board at any time during the period covered by the budget.

PRELIMINARY SURVEY OF ACCOUNTS

Mr. Trees, for the Finance Committee, presented a request that Arthur Anderson and Company be authorized to make a preliminary survey of the accounts of the University (without expense to the University) in order that they might submit a proposal for the auditing of the accounts.

On motion of Mr. Trees, this authority was granted.

INVESTMENT OF TRUST FUNDS

Mr. Trees, for the Finance Committee, reported that there are uninvested trust funds amounting to $4500.

On motion of Mrs. Hopkins, the Finance Committee was authorized and instructed to invest these funds in proper securities.

DATE OF OCTOBER MEETING

On motion of Mr. Barr, the Board voted to hold the October meeting in Urbana, at one o'clock p.m. on Friday, October 14, 1932.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

October 21, 1932

The October meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Friday, October 21, 1932.

When the Board convened, the following members were present: President Barrett, Mrs. Hopkins, Mr. Trees, Mr. Williams.

President Chase was present; also the Comptroller, Professor Lloyd Morey.

A recess was taken until 1 p.m.

MEETING OF THE EXECUTIVE COMMITTEE

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10:30 a.m. on Friday, October 21, 1932. Mr. Edward E. Barrett, Chairman, and Mrs. Marjorie R. Hopkins, a member of the Committee, were present; also Mr. Merle J. Trees and Mr. Walter W. Williams, members of the Board, and President Chase and Professor Morey.

MATTERS PRESENTED BY PRESIDENT CHASE

The Executive Committee considered the following matters presented by President Chase.

SABBATICAL LEAVE OF ABSENCE FOR DR. R. F. PATON

(1) A request from Dr. R. F. Paton, Associate Professor of Physics, endorsed by the head of the department and the dean of the college, for sabbatical leave of absence on one-half pay for the year 1933-34 under the rules of the Board governing such leaves. This will involve no additional expense, as the department will carry Professor Paton's work on the other half of his salary.

On motion of Mrs. Hopkins, this leave was granted.

LEAVE OF ABSENCE FOR S. E. GRIFFITH

(2) A recommendation that S. E. Griffith, Janitor Foreman, who was seriously injured in an automobile accident on August 22, last, while engaged in University work, be given leave of absence with pay from that date until he is able to resume his work on the campus, which will probably be sometime during October. He has been looking after some of his responsibilities from the Burnham Hospital, where he is confined, using his room there as office headquarters.

On motion of Mrs. Hopkins, this leave was granted.

EXECUTIVE STAFF OF McKINLEY HOSPITAL

(3) A recommendation that Doctors J. H. Beard, V. A. Ross, and Maude L. Etheredge be reappointed as the executive staff of McKinley Hospital to serve from July 1, 1932, to July 1, 1933, in accordance with the policy adopted by the Board on April 8, 1925 (Minutes, page 196).

On motion of Mrs. Hopkins, this staff was appointed.

On motion of Mrs. Hopkins, this recommendation was concurred in.

FRANCES McCLUGHEN DEATH BENEFIT

(6) A recommendation that the Comptroller be authorized to pay the designated beneficiary of Mrs. Frances McClughen, a retired employee of the Physical Plant who died October 3, 1932, the sum of $225, which is the amount of death benefit due in accordance with the rules of the Board of Trustees and the terms of her employment, and to charge this amount against the provision in the Physical Plant budget for the current year for Mrs. McClughen's retiring allowance, so that no additional appropriation will be necessary.

On motion of Mrs. Hopkins, this recommendation was adopted.

At this point, Dr. Noble joined the group.

ASSIGNMENT FROM RESIDENCE HALL RESERVE FOR COOPERATIVE HOUSE

(7) At the meeting of the Board on July 13, the Supervising Architect was authorized to remodel the house at 1210 Springfield Avenue for use as a co-operative house, and $4,500 was assigned from the Residence Hall Reserve fund to cover the expense of this work. The cost has run about $500 beyond this estimate, and the Supervising Architect recommends that the sum of $5,000 be assigned from the Residence Hall Reserve for this purpose instead of $4,500.

On motion of Mrs. Hopkins, this assignment was authorized.

INVESTIGATION OF SWEET CORN AND OTHER VEGETABLE CROPS

(8) A report of the execution of an agreement with the Illinois Canning Company of Hoopeston, Illinois, for a cooperative investigation in the development of sweet corn and other vegetable crops to be carried out by the Agricultural Experiment Station. This agreement is for a period of one year beginning October 1, 1932, with provision for its extension, and the company has agreed to pay $3,000 per year to cover the expenses of the work.

This report was received for record.

INVESTIGATION OF ABSORPTION OF SOUND BY MATERIALS

(9) A request for the approval of an agreement with the United States Gypsum Company for a cooperative investigation of absorption of sound by materials. This agreement is for one year, beginning October 1, 1932, with provision for its extension, and the company agrees to pay the University the sum of $1,000 for the expenses of the investigation.

On motion of Mrs. Hopkins, this agreement was approved.

ASSIGNMENT OF PATENT FOR PROCESS OF CELLULOSE DIGESTION

(10) A report from the Secretary of the Board that he has received and deposited in the file of the Board documents United States Letters Patent No. 1880773 (United States Serial No. 386080), issued to the Board of Trustees of the University of Illinois covering the process of "cellulose digestion" invented by Messrs. Buswell and Boruff. This is a process for the manufacture of gas through the fermentation of cornstalks and other crop residues as a by-product of a process for the treatment of sewage for disposal. This process, originally assigned to the University, was released by the Board to Messrs. Buswell and Boruff in July, 1930 (Minutes, page 49), but later they reported that they did not wish to press their claim for the patent and would leave it in the hands of the Board.

This report was received for record.

UNIVERSITY FACULTY LOAN FUND FOR STUDENTS

(12) In November, 1931, the University Senate adopted a resolution suggesting that opportunity be offered the University faculty and staff to subscribe funds for unemployment relief in the state and local community. A committee of the Senate was appointed to solicit funds for this purpose, and in the Urbana Departments alone $25,452.59 was collected, exclusive of $10,912.52 subscribed for local Community Chest purposes.

There were four principal forms of relief provided: (1) local community relief and welfare work; (2) relief of other communities within the state; (3) student relief in the form of meal tickets (the closing of two local banks tied up for several months the funds of many students); (4) student relief in the form of loans to provide necessities. The last two needs developed after the fund was started, and subscribers gave their permission for such uses of a part of the fund.

These loans aggregated $2,733.50. The Senate Committee wishes this part of the faculty's contribution to be used to establish a loan fund for the relief of

needy students in the Urbana departments of the University. This fund will be handled in the simplest way possible. Loans will be made, upon the recommendation of the Dean of Men or the Dean of Women and approval of the Comptroller, for amounts not to exceed $50 to any individual, for a short period of time, upon the security of a note signed by the student in the form used by the University for other student loan funds. No interest is to be charged to maturity, and after maturity the interest rate will be six per cent. The Faculty Committee offers the Board of Trustees the notes in its possession which cover these loans.

I recommend acceptance of this offer and the establishment of a loan fund to be subject to the conditions indicated.

On motion of Mrs. Hopkins, this gift was accepted, and the recommendation concerning the administration of the fund was adopted.

JOHN PHILIP SOUSA MEMORIAL LIBRARY OF BAND MUSIC

(13) A report of the gift of the late John Philip Sousa's entire library of band music, received during the summer from John Philip Sousa, Jr., on behalf of the family of the world-famous band conductor and composer. This collection, comprising forty-two trunks of material, is the finest library of band music in the United States and perhaps in the world. It was the expressed wish of Mr. Sousa that upon his death his library should go to the University of Illinois Band. In view of the international fame of Mr. Sousa and his band, and considering the many requests for his library, it is a distinction and an honor to the University of Illinois to receive this library. The collection includes Mr. Sousa's conductor's stand, which will be a memorial feature of the library.

I recommend that in accepting this gift the Board designate the collection as the Sousa Memorial Library.

On motion of Mrs. Hopkins, this recommendation was adopted.

PHOTOGRAPHS OF MEMBERS OF THE FACULTY

(14) A report that the Library has received from Mr. J. O. Weber, of the Weber Studio, Champaign, a collection consisting of 219 large autographed photographs of members of the University Senate and faculty.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(15) The following report from the Comptroller of contracts and purchase orders executed since the last report:

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(16) The following quarterly report of the Comptroller to the Board of Trustees as of September 30, 1932.

TO THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS:

I submit herewith the quarterly report of the Comptroller for the quarter ended September 30, 1932.

Unappropriated Balance of General Income

No working balance or reserve of general income was carried forward from the preceding year since it was necessary to use the entire reserve in meeting the expenses of the preceding year due to the failure to realize the full appropriation from the State. The budget as adopted for the current year showed an unappropriated balance of $98,262 (page 3, Board Minutes, July 13, 1932). This balance was increased during the quarter by the realization of $9,343 on petty cash funds deposited in the First National Bank in Champaign, and by certain minor adjustments, and was decreased by appropriations made at subsequent meetings of the Board. The balance at the close of the quarter was, therefore, $103,947. The balance at the same date a year ago was $219,519.

This balance is a book balance based on the assumption that the income from all sources as estimated in the budget will be realized and that the appropriations made in the budget will be fully expended. The possibility of realizing the full amount from the State as indicated in the budget continues uncertain on account of the uncertainty and slowness of tax collections even though the amount included in the budget was only about 90% of the appropriation made by the General Assembly for this year. It also appears certain that the income from student fees will not equal the estimate on which the budget was based although that estimate allowed for a considerable falling-off. It now appears that the income from student fees will probably be $80,000 to $90,000 less than the estimate and this shrinkage must be deducted from the unappropriated reserve. This means that the unappropriated reserve is actually only about $14,000 at this date.

Cash Balances

The cash balances of all funds in the possession of the Board and deposited with its Treasurer or ex-Treasurer at the close of the quarter, allowing for outstanding checks, was $630,695. At the corresponding date a year ago the balance was $1,209,860. Of the present balance, $92,639 is in the hands of Hazen S. Capron, ex-Treasurer, subject to the conditions of the acceptance of his resignation and subsequent actions of the Board. The remainder of the current cash balance, amounting to $538,056 is in the hands of Frank M. Gordon, Treasurer, and is on deposit at the First National Bank in Chicago. U. S. securities of a market value of $932,625 have been deposited by that bank in trust with the First Union Trust and Savings Bank of Chicago to secure this balance.

The distribution of the total cash balance on September 30 was as follows:

General Funds	$114 292
Federal Funds	93 075
Residence Hall Funds	296 301
Deposit Funds	46 630
Trust Funds	80 397
Total	$630 695

[1]Renewal of lease reported to the Board of Trustees, September 25, 1931, (Minutes, page 441).

Realization of Income

The progress toward the realization of the budget estimate of general income at the end of the quarter may be summarized as follows:

	Estimate For Year	Per cent of Year's Estimate Realized: This Year	Per cent of Year's Estimate Realized: Same Date Last Year
State Appropriations for Operation (Per cent realized represents portion expended to September 30, 1932):			
Mill Tax Fund	$2 000 000	0.0	0.0
General Revenue Fund	2 400 000	32.3	46.6
Total State	(4 400 000)	(17.6)	(24.0)
Federal Funds	477 220	49.0	48.9
Student Fees	1 000 000	35.2	39.1
Agricultural Sales:			
Credited to Revolving Accounts	109 722	15.9	18.6
Credited to Budget Income	80 550	22.2	16.5
Miscellaneous Sales and Receipts	73 000	20.1	20.8
Total	$6 140 492	23.0	28.0

Comments have already been made on certain of these items. At the beginning of the quarter there were anticipation tax notes outstanding against the University mill tax fund in the amount of $392,746 after allowing for the balance on hand applicable to these notes. All receipts from taxes during the quarter, amounting to $287,919, were reserved to apply to these notes and interest, leaving the net amount of notes yet to be covered as of the end of the quarter $108,290.

Budget Expenditures

Board appropriations to departments for the current fiscal year total $5,910,897, including salaries $4,197,957, and expense and equipment $1,712,940. Expenditures, including encumbrances unpaid, for the quarter amounted to $1,324,438, or 22.3% of the year's appropriation. On the corresponding date a year ago these appropriations were 22.9% expended or encumbered.

Expendable Trust Funds

Balances at the beginning of the year and receipts for the year on account of Expendable Trust and Special Funds arising from gifts and income from endowments totalled $109,213; disbursements were $38,539; encumbrances were $635; leaving an unencumbered balance at the end of the quarter of $70,039.

Endowment Funds

Endowment funds from private gifts for special purposes amounted, on September 30, 1932, to $369,632. Investments of these funds represented a book value of $364,966, leaving an uninvested cash balance as at the close of the quarter of $4,666.

Student Loan Funds

Student loan funds from private gifts as of September 30, 1932, totalled $210,973. Of this amount loans outstanding amounted to $205,210, leaving $5,763 available for loaning.

Financial Statements

The attached financial statements,[1] presenting in summary the operations of the quarter and a balance sheet of the University at the end of the quarter, are supported by detailed statements covering each item of income and each appropriation and fund on file in the Comptroller's Office.

Respectfully submitted,

LLOYD MOREY
Comptroller

This report was received for record.

OWNERSHIP OF LAND ON PENNSYLVANIA (MAPLE) AVENUE

(17) A report that the Chicago Title and Trust Company, after investigation, has reported that the claim of the University to the ownership of the land on Pennsylvania (or Maple) Avenue, west of Lincoln Avenue, including a strip of land in the Gallivan addition, is well founded.

The President of the University was asked to make a recommendation covering the steps the University should take to conserve its rights in this matter.

The Executive Committee adjourned.

Chairman

SECOND SESSION OF THE BOARD

When the Board convened after the recess on October 21, 1932, the following members were present: President Barrett, Mr. Barr, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams.

President Chase was present; also Professor Morey.

INVESTMENT OF TRUST FUNDS

Mr. Trees, for the Finance Committee, reported that $4500 of trust funds have been invested in Cudahy Packing Company five per cent bonds of 1946.

This report was received for record.

NALLY MORTGAGE

Mr. Trees, for the Finance Committee, reported also a recommendation that the Comptroller be authorized to proceed with respect to the Nally mortgage according to Mr. Morey's recommendation of October 6, to President Chase.

On motion of Mrs. Hopkins, this recommendation was approved.

HART MORTGAGE

Mr. Trees, for the Finance Committee, recommended that the matter of the Hart mortgage be referred to President Chase, Mr. Morey, and Mr. Williams, to be handled according to the plan outlined by the Finance Committee at its meeting of October 13, 1932.

On motion of Mr. Trees, this recommendation was adopted.

EMPLOYMENT OF ARTHUR ANDERSEN & CO.

Mr. Trees, for the Finance Committee, recommended also that Arthur Andersen & Co. be employed as auditors for one year, at an expense not to exceed $3000 for the four audits.

On motion of Mr. Trees, this recommendation was adopted.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

LINCOLN AVENUE DRAINAGE PROJECT

(1) A request from the Urbana Association of Commerce that the Board of Trustees of the University of Illinois accept immediately the assessment pre-

viously proposed by the City for the construction of the Lincoln Avenue Storm Sewer, not only as an improvement which will be of benefit to University and city property but as a project which will furnish needed employment to Urbana and Champaign labor during the fall and winter of 1932-33.

On motion of Mr. Barr, the Board voted to accept an assessment for this project not to exceed a total of $30,000, to be paid in three equal instalments on January 1, 1934, 1935, and 1936, or sooner if the finances of the University permit, without interest on deferred payments.

LEGISLATIVE BUDGET FOR 1933-35

(2) The State law requires that tentative budgets shall be submitted by all State departments and agencies, including the University of Illinois, by the first of November preceding a legislative session. It is the custom to regard such estimates, so far as the University is concerned, as tentative subject to modification when its bills are introduced in the General Assembly.

I recommend that the following be adopted as a tentative legislative budget for 1933-35 to be submitted to the State Department of Finance as required by law; and that this budget or any modification thereof which may hereinafter be adopted by the Board be introduced in the Legislature.

PROPOSED STATE APPROPRIATIONS, 1933-35

Item	*Annual*	*Biennium*
Salaries and Wages	$3 675 000	$7 350 000
Office Expense	120 000	240 000
Travel	30 000	60 000
Operation	500 000	1 000 000
Repairs Equipment Improvements	375 000	750 000
Total	$4 700 000	$9 400 000

SOURCES OF REVENUE FOR ABOVE APPROPRIATIONS

University Mill Tax	$2 200 000	$4 400 000
General Revenue Fund	2 500 000	5 000 000
Total	$4 700 000	$9 400 000

On motion of Mr. Trees, this recommendation was approved and the President of the University was authorized to submit this budget to the Department of Finance as a tentative budget in compliance with the law.

DATE OF NOVEMBER MEETING

On motion of Dr. Noble, it was voted to hold the November meeting at the University, in Urbana, at 9:30 a.m. on Saturday, November 19, 1932.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 19, 1932

The November meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 o'clock a.m. on Saturday, November 19, 1932.

The following members were present: President Barrett, Mr. Barr, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Williams.

President Chase was present.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of September 28, 1932, and October 21, 1932, and of the meeting of the Executive Committee of October 21, 1932.

On motion of Dr. Noble, the minutes of the meeting of September 28, 1932, were approved as printed on pages 99 to 126 above.

On motion of Mrs. Hopkins, the minutes of the meetings of the Board and of the Executive Committee of October 21, 1932, were approved and received for record as printed on pages 127 to 144 above.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

COMPENSATION OF WILLIAM BARBER

(1) A statement concerning the compensation of Mr. William Barber, who was injured while in the employ of the University on November 4, 1931.

On motion of Mr. Barr, the entire matter of the liability of the University under the Workmen's Compensation Act was referred to the special committee appointed September 28, 1932, (Mr. Armstrong, Mr. Barr, and Mr. Williams) for consideration and report to the Board.

ANDREW TORNQUIST DEATH BENEFIT

(2) A recommendation that the Comptroller be authorized to pay the designated beneficiary of Mr. Andrew Tornquist, a retired mechanician of the Department of Physics, who died October 24, 1932, the sum of $383, which is the amount of death benefit due in accordance with the rules of the Board of Trustees and the terms of his employment, and to charge this amount against the provision in the budget of the College of Engineering for the current year for Mr. Tornquist's retiring allowance, so that no additional appropriation will be necessary.

On motion of Mr. Barr, this payment was authorized.

THOMAS J. FAY DEATH BENEFIT

(3) A recommendation that the Comptroller be authorized to pay the designated beneficiary of Mr. Thomas J. Fay, University Fire Chief, who died suddenly on November 18, 1932, the sum of $1,140, which is the amount of death benefit due in accordance with the rules of the Board of Trustees and the terms of his employment, and to charge this amount against the provision in the budget of the Physical Plant for Mr. Fay's salary for the current fiscal year.

On motion of Mrs. Grigsby, this payment was authorized.

DEPOSIT OF ILLINOIS ORCHARD COMPANY BONDS

(4) A report of the action of the Finance Committee authorizing the withdrawal of $2,500 of Illinois Orchard Company bonds, which were acquired as a part of the Kendric C. Babcock Endowment Fund, from the First Union Trust and Savings Bank of Chicago, and the deposit of these bonds with the trustee, Mr. Newton M. Harris, for the purpose of foreclosure. The principal of the bonds has been in default since March 15, 1932. The trustee recommends that foreclosure proceedings be instituted for the protection of bondholders.

On motion of Mr. Barr, the action of the Finance Committee was approved.

WITHDRAWAL OF SECURITIES FROM FIRST UNION TRUST AND SAVINGS BANK

(5) A report of the action of the Finance Committee authorizing the withdrawal of the following securities from the First Union Trust and Savings Bank of Chicago:

500 shares, Urbana Coke Corporation, par value.....	$50 000 00
Real estate mortgage and contract of L. A. Boyden..	6 440 46
Vancouver Lumber Company bonds.....	300 00

and the deposit of the Urbana Coke Corporation stock and the Boyden mortgage in a safety deposit box in a vault to be rented by the Board of Trustees at Urbana-Champaign and to be placed under joint control of the Secretary of the Board and the Comptroller, and the Vancouver Lumber Company bonds to be deposited with the Secretary of the Board as a matter of record.

The Urbana Coke Corporation stock was received by the University when this corporation was organized to promote certain patented processes in the manufacture of coke worked out by the late Professor S. W. Parr. The stock has no definite value. The other securities were received as gifts. The Boyden mortgage is now of doubtful value and the Vancouver Lumber Company bonds, due to a reorganization, have no value. The First Union Trust and Savings Bank makes a flat charge for every item deposited with it. Since it can render

no service on these securities, a saving is effected by withdrawing them from its custody.

On motion of Mr. Barr, the action of the Finance Committee was approved.

LABORATORY FEE IN CHEMISTRY

(6) A recommendation that a fee of $2.50 per one-quarter unit be authorized for the laboratory section of Chemistry 123 (a graduate lecture course in qualitative analysis with laboratory work optional). This course was omitted from the schedule of laboratory fees for the current year adopted by the Board on July 13, 1932 (page 88).

On motion of Dr. Noble, this fee was authorized.

BEQUEST OF WENSEL MORAVA OF THE CLASS OF 1878

(7) A report that the late Mr. Wensel Morava of the Class of 1878 bequeathed to the University of Illinois $80,000 to be administered by the University for assisting students in accordance with the following provisions of his will:

1. The fund shall be invested and kept invested in income-producing securities, and only the income from the principal shall be used.

2. The fund shall be administered by the officers in charge of the Edward Snyder Loan Fund (all loan funds are now administered by Comptroller, Deans of Men and Women, the deans of the colleges of applicants; and loans are acted upon, after recommendation of these officers, by the Chairman of the Finance Committee of the Board).

3. Preference shall be given to at least one male student of Czecho-Slovakian descent on either side of his ancestry, to the extent that the University authorities shall use every reasonable effort to secure each year at least one student of such ancestry from a high school in Cook County, and failing that then elsewhere, who shall enter the University and shall receive assistance from the fund, the amount to be determined from time to time by the University.

4. In determining the eligibility of any student to receive benefits from the fund, particular significance shall be given to the following qualifications: good morals, 100%; cheerfulness, 100%; good health, 100%; good physique, 95-100%; application, or "stick-to-itiveness," 95-100%; good scholarship, 85-95%; membership in some church or Sunday school; knowledge of a trade or ability to use tools; orphan or half-orphan or a child of poor parents; one who is eager for a higher education and is willing to work for it.

5. The age limits of beneficiaries shall be 17 to 22, inclusive.

6. It shall be a condition of the receipt by any student of the benefit from this fund that he or she shall agree in writing not to become a member of any fraternity or sorority during the first two years of his or her college course. Violation of this agreement shall terminate the right of such student to the benefit of such fund.

7. Mr. Morava also expresses the hope that each student receiving benefit from the fund, after graduation and when established in business or having some good position, will make similar provisions for some other young student.

The hearing on the will is set for the latter part of December, and it is possible that the bequest may be paid within a reasonable time after that date, provided that it is accepted by the Board.

This report was received for record.

GIFTS TO THE UNIVERSITY

(8) The following report of gifts to the University received since the last report:

Carnegie Institution of Washington, sixty-one bound and unbound volumes of its publications, worth approximately $179, to the University Library.

Dr. Emma G. Jaeck, 113 bound volumes of general interest, 15 unbound volumes, and 18 pamphlets, to the University Library.

Midwest Canning Corporation of Rochelle, Illinois, $300 to cover the expenses involved in a study of fungi by the Department of Botany, which this corporation wishes the University to conduct.

This report was received for record.

PURCHASE OF GLASSWARE

(9) A report of the approval of a requisition for the following purchase:

From A. Daigger and Company of Chicago a supply of pyrex laboratory glassware for the General Chemical Stores amounting approximately to $2,350. (This is a non-competitive item, and the order was given this company because of the service they are able to render.)

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(10) The following report from the Comptroller of contracts executed since the last report:

CONTRACTS EXECUTED BY THE COMPTROLLER

OCTOBER 17, 1932 TO NOVEMBER 14, 1932

Cooperative research agreement executed in accordance with gift reported to the Board of Trustees in their meeting of October 21, 1932:

To Whom	*Instruction in*	*Date*	*Tenure*
Russell Nesbitt	College of Engineering	October 26, 1932	One year from September 20, 1932

This report was received for record.

RESOLUTIONS OF ILLINOIS PRESS ASSOCIATION

(11) A report of the Building Committee of the Illinois Press Association, with resolutions adopted by that body:

REPORT OF THE BUILDING COMMITTEE

To the Officers and Members of the Illinois Press Association:

Your committee on new building for the School of Journalism at the University of Illinois was originally appointed on November 22, 1930. It has had numerous meetings and has continued to function and has sought at all times to carry on under the commission given it by this Association.

An extended report of the acts and doings of the committee was made to the Association in October, 1931.

That report was approved, the committee was authorized to continue, and the president of the Association, the secretary, and the chairman of the Executive Committee, were added to, and made a part of, the committee.

Since then the members of the committee have met together from time to time. They have conferred with the University authorities, including President H. W. Chase and the architect, Professor James M. White. The special committee of the Trustees, as well as the other members of that body, have manifested interest in our appeal. We believed that the ground work was thoroughly laid for the incorporation of an adequate sum for a School of Journalism Building into the regular budget to be submitted by the University authorities at the 1933 session of the General Assembly.

But general economic conditions went from bad to worse. There was a growing belief among the members of your committee that possibly an appeal for an appropriation next January would be unwise. A meeting of the members of the committee was held in Springfield. The chairman of the committee also communicated with each member who found it impossible to attend that special session. We met together, we discussed the subject at length, we took into consideration the views of the absent ones, and then by unanimous vote we adopted the following resolution:

WHEREAS, this state and country are in the midst of a world-wide financial depression which is having its effect on every line of business, rendering it absolutely necessary, if these conditions are to be corrected, that the strictest economy be practiced, not only by individuals but by all activities of state and nation; and

WHEREAS, the Illinois Press Association has long felt the great necessity for an adequate and suitable building to house the School of Journalism at the University of Illinois, and that it should be so designed that it would meet the present demands as well as the future needs, and such a structure as would be a credit to the State of Illinois, and the men and women engaged in newspaper work in this State; and

WHEREAS, since definite, affirmative action has been taken by the Association looking to the ultimate construction of such a building, by the appointment of a Building Committee, which has been functioning now for two years, actively engaged in efforts to carry out the instructions of the Association, and since the time is near at hand when the University authorities must know what our wishes are;

THEREFORE, BE IT RESOLVED, by the members of the Building Committee of the Illinois Press Association, in special session convened in the city of Springfield, Illinois, on the 24th day of August, 1932, that we deem it unwise, in view of all the existing conditions, to ask the Board of Trustees to incorporate in their budget this year, for submission to the next session of the general assembly, a request for an appropriation for a School of Journalism building; and that the chairman of this committee transmit a copy of this Resolution to President H. W. Chase, and the Board of Trustees, of the University of Illinois.

RESOLVED FURTHER, that in reaching this conclusion, this committee desires to state that it is as firmly as ever of the opinion that there should be a School of Journalism building at the State University, and that we are suspending our efforts in that behalf for the present, simply and solely because, as individuals and publishers, we believe it is our duty in this crisis to practice the strictest economy in public affairs, as well as in private undertakings.

We believe further that the tax-paying public should not be asked in these times to assume financial obligations for anything except that which is positively an actual and immediate necessity.

It is in such spirit that this Resolution is offered, and with the definite understanding by the members of this committee that we, representing the Illinois Press Association, will renew our efforts to secure a building for the School of Journalism when, in our opinion, the economic situation in state and nation is such as to warrant it.

A copy was transmitted to President H. W. Chase, who replied as follows:

September 13, 1932

Mr. J. E. McClure, The Carlinville Democrat, Carlinville, Illinois

DEAR MR. MCCLURE:

Although Mr. Johnston has acknowledged your letter of August 26, I want to send you a personal word of appreciation of the resolution adopted by the Illinois Press Association with reference to a building for the School of Journalism here at the University. It surely is a fine expression of the public-spirited attitude of the Association. I know how much you people had your hearts set on securing this building for the University in the near future, and I know how much the Board of Trustees will appreciate the stand which your organization has taken in view of the financial situation which confronts all governmental bodies.

I shall be looking forward to seeing you and your colleagues at the meeting here in November, and if you have occasion to come here before that time I hope you will give me the pleasure of a visit.

With best wishes, I am,

Cordially yours,

H. W. CHASE
President

Your committee has used its best judgment in this matter. We submit our acts and doings as herein recited to you for your consideration. Our recommendation is that the committee be continued, and that it be directed to act in accordance with the spirit of the resolution adopted by the committee on August 24, 1932.

All of which is respectfully submitted:

J. E. McCLURE, *Chairman*
W. J. SMITH
FRED E. STERLING
M. F. WALSH
C. S. CONGER
H. U. BAILEY
JOHN W. SHEETS
G. D. SCOTT, *President*
S. P. PRESTON, *Chr. Executive Committee*
H. L. WILLIAMSON, *Secretary*

Dated this 10th day of November, A.D., 1932.

This report was received for record.

APPLICATION FOR PATENTS

Mr. Williams, for the Committee on Patents, presented a recommendation that Dr. H. F. Johnstone be authorized to apply for patents, to be assigned to the University, on the following discoveries:

1. A process of air dilution as applied to washing sulphur dioxide from stack gases.

2. A process for removing and recovering sulphur dioxide from waste gases.

On motion of Mr. Williams, this recommendation was adopted.

DATE OF DECEMBER MEETING

The Board voted to hold the December meeting at 10 o'clock a.m. on Wednesday, December 21, 1932, at the Blackstone Hotel, in Chicago.

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented for record a list of appointments made by the President of the University.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

December 21, 1932

The December meeting of the Board of Trustees of the University of Illinois was held at 10 o'clock a.m. on Wednesday, December 21, 1932, at the Blackstone Hotel, in Chicago.

The following members were present: Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams.

President Chase was present; also Professor Lloyd Morey, Comptroller.

On motion of Mr. Trees, Mrs. Grigsby was made chairman of the meeting.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 19, 1932. On motion of Mr. Barr, the minutes were approved as printed on pages 145 to 152 above.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

THE FINANCIAL SITUATION AND THE BUDGET

(1) A statement concerning the financial situation as it touches the legislative budget and the income of the University for the current year.

Mr. Morey made a statement concerning this matter. After discussion, it was voted, on motion of Mr. Trees, that the President of the University be authorized to submit to the General Assembly an appropriation bill carrying a total of $8,900,000 for operating expenses for the next biennium, as follows:

Salaries and wages	$6,850,000
Office expense	240,000
Travel	60,000
Operation	1,000,000
Repairs, Equipment, Improvements	750,000
Total	$8,900,000

On motion of Mr. Blair, the President of the University was asked to present at the January meeting his recommendations concerning the operating budget for the rest of the current fiscal year.

COMPENSATION OF S. E. BUNTING

(2) A statement concerning the compensation of Mr. S. E. Bunting, employed in the Department of Animal Husbandry, who was injured on November 14, 1929.

I recommend that compensation be authorized in accordance with previous policy governing such cases.

On motion of Mr. Trees, this matter was referred to the special committee on compensation for consideration and report at the January meeting.

REQUIREMENTS FOR ADMISSION

(3) A recommendation from the University Senate that the following requirements for admission to the undergraduate curricula be adopted, effective immediately, but that for a period of three years from September 1, 1932, students be admitted under this new plan or under the present requirements.

I recommend that this plan be adopted and that all conflicting actions of the Senate and the Board of Trustees dealing with requirements for admission be hereby rescinded.

ADMISSION

General Information

All requirements for admission must be met in full before the applicant may enter.

Students are permitted to enter the Colleges of Medicine, Dentistry, and Pharmacy (located in Chicago) only at the beginning of the first semester. They can enter the College of Engineering, the College of Law and the Library School to best advantage at the beginning of the first semester. In all other cases, they may enter at the beginning of either semester.

Official credentials should be sent to the Registrar as soon as possible after the close of the school year in June. Upon receipt of these credentials, the Registrar will communicate with the applicant regarding his admission. In cases where the application for admission has not been received until the week prior to the opening of the University, it may not always be possible for the Registrar to notify the applicant of his status prior to his arrival at the University. It is particularly important that candidates for admission to the pre-medical curriculum make early application by submitting their credentials immediately upon graduation from the secondary school.

The date of this application will determine the priority for transfer later to the College of Medicine.

Candidates for admission who come from foreign countries must bring complete official credentials. Certificates from Oriental and Slavic countries must be accompanied by certified translations. The University will not issue a permit to enter except on the basis of official detailed credentials filed in advance.

Scholarship Requirement for Non-Illinois Students

An applicant for admission to the University who is not a legal resident of Illinois is required to present with his application for admission to any of the colleges or schools of the University, except as an unclassified student, satisfactory evidence that he maintained at the school or college which he last attended, prior to seeking entrance to the University of Illinois, a full schedule of studies with a scholastic average at least ten per cent above the lowest passing grade of such school or college. In case of records which are not kept in numerical grades, but in literal or other systems of grading, this requirement will be interpreted to mean an average of one grade above the lowest passing grade; e.g., in a system of A, B, C, and D, with D as the lowest passing grade, the average must be C.

Physical Examinations

All students, except those entering only for summer sessions, who have not previously taken a physical examination at the University, must take such an examination. Before registration, a new student must secure an appointment with the University Health Service for his physical examination. The examination is given by the University at the time of appointment without cost to the student. If the student fails to take the examination at the appointed time and does not present an excuse from the Registrar, a fee of $5.00 is charged to provide for a special examination, or he will be required at his own expense to be examined outside the University in a manner meeting the requirements of the Health Service.

Candidates for admission to the School of Physical Education must pass special physical and medical examinations.

General Requirements for Admission to the University

An applicant for admission must meet the following general requirements:

1. *Age.*—An applicant must be at least sixteen years of age. The dean of the college concerned, however, may admit, on petition, a student fifteen years of age who meets all other requirements for admission and who is to reside, while attending the University, with his parents or guardian, or with someone selected by them.

2. *High School Graduation.*—An applicant for admission by certificate must be a graduate of an accredited secondary school. Conditions under which non-graduates may be admitted are given on page 158.

3. *Fifteen Units Required.*—Fifteen units of acceptable secondary school work are required, including the following:

a. Two majors and two minors, or three majors, selected from groups A, B, C, and D below. In either case one of the majors must be English. (See definitions of *Unit, Major,* and *Minor* below.)

b. A total of at least ten units from the fields of English, foreign language, mathematics, science, and social studies, including preparation amounting to a major or minor sequence in at least three different fields. (See Groups A, B, C, D, and E, page 156.)

c. All subjects prescribed for the curriculum which the applicant desires to enter. (See tabular statement on page 156.)

d. Five units from any of the high school subjects which are accepted by an accredited school toward its diploma and which meet the standards for accrediting as defined by the University of Illinois. *Fractional credits of the value of less than one-half unit will not be accepted. Not less than one unit of work will be accepted in a foreign language, elementary algebra, plane geometry, physics, chemistry, and biology.*

Definitions

Unit.—A *unit course of study* in the secondary school is a course covering an academic year and including not less than the equivalent of 120 sixty-minute hours

of classroom work. Two hours of work requiring little or no preparation outside the class are considered as equivalent to one hour of prepared classroom work.

Major.—A *major* consists of three unit courses in one field. (See special requirements for a major in each of the various fields as stated below.)

Minor.—A *minor* consists of two unit courses in one field. (See special requirements for a minor in each of the various fields as stated below.)

Majors and Minors

The required majors and minors must be selected from the following groups:

A. *English.*—(In all cases one major must be in English.) Only courses in history and appreciation of literature, composition, rhetoric, and grammar will count toward a major.

B. *Foreign Language.*—Three units in one language constitute a major. Two units in one language constitute a minor.

C. *Mathematics.*—Only courses in algebra, plane geometry, solid and spherical geometry, and trigonometry will be accepted toward a major or minor in this subject. (General mathematics may be accepted in lieu of algebra and geometry in cases where the content of the course is essentially the same as that ordinarily included in algebra and geometry.)

D. *Science.*—(Including physics; chemistry; biology, or botany and zoology; general science, or physiology and physiography; astronomy; and geology.) A major must include at least a total of two units chosen from one or more of the following subjects: physics, chemistry, botany, and zoology. Biology may be offered in place of botany and zoology. A minor must include at least one unit from the above subjects.

E. *Social Studies.*—(Including history, civics, economics, commercial or economic geography, sociology.) A major must include at least two units in history, and a minor at least one unit.

Special Requirements for Admission to the Various Curricula of the Undergraduate Colleges of the University

In the table (page 156) are presented the special subjects prescribed for admission to the various undergraduate curricula. These are the subjects which are considered essential preparation and without which the student may not be admitted. There are other high school courses which are highly recommended because they give most effective preparation for later work in college. In planning his high school work the prospective student should be guided by the recommendations given below.

The requirements in the table are stated in units of credit and not in terms of majors and minors. These prescribed subjects may be counted toward fulfilling the major and minor requirements.

Subjects Recommended for Admission

As a further aid to the high school student who is planning to enter the University, and who desires the most adequate preparation, the following recommendations are made as desirable additions to the minimum entrance requirements.

Mathematics is prescribed for admission to a number of the undergraduate curricula. It is recommended to the extent of at least a minor for all curricula.

1. *The College of Liberal Arts and Sciences*

For curricula in chemistry, chemical engineering, and home economics:—Physics, one year.

For the pre-medical curriculum:—Advanced algebra and at least a minor in science, including physics or chemistry.

For all other curricula:—A major in foreign language (instead of the minimum requirement of a minor); at least a minor in social studies; and at least a year of work in a laboratory science, which should be physics or chemistry if either of these subjects is to be included in the University curriculum.

2. *The College of Commerce and Business Administration*

For all curricula:—Advanced algebra; at least a minor in foreign languages; a minor in social studies.

3. *The College of Engineering*

For all curricula (stated in the order of preference):—At least a minor in (1) French or German, or Latin; (2) science; and (3) social studies.

4. *The College of Agriculture*

For all curricula:—A major in mathematics; a minor in science, including physics or chemistry. For the home economics curriculum physics is preferred.

5. *The College of Fine and Applied Arts*

For the curriculum in painting:—A major in foreign language (instead of the minimum requirement of a minor); a minor in social studies; a year of work in freehand drawing.

For the curricula in music:—A major in foreign language (instead of the minimum requirement of a minor); a minor in social studies; a year of work in a laboratory science; one or two years of work in music.

For the curriculum in landscape architecture:—A major in mathematics; at least a minor in social studies, including civics and economics; a year of work in botany and in freehand drawing.

For the curriculum in architecture:—A minor in science, including physics and chemistry; at least a minor in social studies, including economics; a year of work in freehand drawing.

GRADUATES WITH SUPERIOR SCHOLARSHIP RECORDS IN ACCREDITED SECONDARY SCHOOLS

The Registrar is authorized to admit, without adhering to the usual subject requirements, a student who is a graduate of an accredited secondary school and whose scholarship rank is in the upper ten per cent of his graduating class. Such graduates need present only those specific high school courses that are prerequisite to courses in the curricula which they desire to follow in the University. (See table above.)

GRADUATES OF UNACCREDITED SECONDARY SCHOOLS

Graduates of unaccredited secondary schools which offer four years of instruction are admitted by examination. The Registrar, however, is authorized to admit a student who is a graduate of such an unaccredited secondary school and whose general scholarship rank is in the upper twenty-five per cent of his graduating class, subject to his passing at the University in advance of admission:

1. A test in English composition and rhetoric.
2. Such other examinations and tests in high school subjects as may be necessary to complete the University entrance requirements and the special requirements of his chosen curriculum.

STUDENTS FROM ACCREDITED SECONDARY SCHOOLS WHO ARE NOT GRADUATES

An applicant who has attended, but who has not graduated from, an accredited school, must pass entrance examinations in the following subjects, amounting to five units:

English composition	1 unit
Additional subjects to be designated by the University authorities	4 units
Total	5 units

The remaining ten units necessary to make up the fifteen units required for admission may also be made in entrance examinations or may be offered by certificate from an accredited school.

GRADUATES OF THREE-YEAR SENIOR HIGH SCHOOLS

In the case of graduates of a school organized as a three-year senior high school, including grades 10, 11, and 12, at least twelve units must have been taken in the senior high school. At least eight of these units, including two majors and one minor, or one major and two minors, or four minors, must be from the fields of English, foreign language, mathematics, science, and social studies. (See groups A, B, C, D, and E on page 156.) Either a major or a minor must be from the field of English. (See page 156 for special requirements for majors and minors in the various fields.) The remaining four units may be selected from any of the senior high school subjects which are accepted by an accredited high school toward its diploma and which meet the standard for accrediting as defined by the University of Illinois. *Fractional credits of the value of less than one-half unit will not be accepted.*

On motion of Mr. Barr, this recommendation was adopted.

REQUIREMENTS FOR ADMISSION TO COLLEGE OF EDUCATION

(4) A recommendation from the University Senate for the following revision in the requirements for admission to the College of Education:

Admission to the curriculum in Industrial Education of the College of Education is granted on admission to the University. Candidates for admission to all other curricula of the College of Education must be able to matriculate in one of the undergraduate colleges and must offer, in addition, two years of undergraduate work, comprising not less than fifty-six semester hours of college credit exclusive of required courses in physical education and military science. Each applicant for admission to

a curriculum other than Industrial Education, whether from the University of Illinois or from another institution of recognized standing, must have attained grades of "C" or better in three-fourths of all undergraduate work (exclusive of required courses in physical education and military science) taken prior to the time admission is desired, provided, however, that in unusual cases deserving exceptional consideration applicants may be admitted on probation by consent of the Dean of the College of Education.

On motion of Dr. Noble, this revision was approved.

DEGREE OF CHEMICAL ENGINEER

(5) A recommendation from the University Senate that the professional degree of Chemical Engineer (Ch.E.) be established, to follow the degree of Bachelor of Science in Chemical Engineering and to be subject to the requirements governing other professional degrees in engineering.

On motion of Mr. Blair, this degree was established.

DEGREE OF BACHELOR OF FINE ARTS

(6) A recommendation from the University Senate that the following degrees be authorized in the College of Fine and Applied Arts:

1. Bachelor of Fine Arts in Painting, to be awarded on the completion of the curriculum in painting, effective immediately.

2. Bachelor of Fine Arts in Landscape Architecture, to be awarded on the completion of the curriculum in landscape architecture, including the option in city planning, effective September 1, 1933.

On motion of Mr. Blair, these degrees were authorized.

MODIFICATION OF METHOD OF AWARDING HONORS ON HONORS DAY

(7) A recommendation from the University Senate that paragraph five of the plan for the award of honors, adopted by the Board of Trustees on May 17, 1924 (Minutes, page 477), be revised to read as follows, the changes being indicated by brackets:

(a) Students in the upper ten per cent of each class [within the respective schools or colleges are awarded *Class Honors* and] are entitled to have their names printed on the Convocation program [in recognition of their high scholarship, provided that no student shall be included whose average is below "B."]

(b) Students in the upper three per cent of the sophomore, junior, and senior classes [within the respective schools and colleges are awarded *College Honors* in recognition of their superior scholarship and] are entitled to wear [the scholarship emblem.]

(c) Those seniors who are in the upper three per cent of their [University] class in both junior and senior years [are awarded *University Honors* in recognition of their sustained excellence in scholarship and] are entitled to have their names inscribed on a suitable tablet." . . . . (Balance of the paragraph unchanged.)

On motion of Mr. Williams, this revision was approved.

LEAVE OF ABSENCE FOR PROFESSOR F. P. SHEPARD

(8) A recommendation that Assistant Professor F. P. Shepard, of the Department of Geology, be granted a sabbatical leave of absence on half-salary for one year from September 1, 1933, under the rules of the Board. Professor Shepard came to the University in 1922 and has held professorial rank since 1927. The Department is prepared to make the necessary adjustments to take care of his work without additional expense.

On motion of Mrs. Hopkins, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR JAMES M. WHITE

(9) A recommendation that Professor James M. White, Supervising Architect and Superintendent of Business Operations, be given leave of absence with pay, on account of illness, from November 1, 1932, until such time within the current academic year as he is able to return to his duties. In the meantime his work will be taken care of by the members of his staff.

On motion of Mr. Trees, this leave was granted.

LEAVE OF ABSENCE FOR DR. V. A. ROSS

(10) A report that Dr. V. A. Ross, Assistant Health Officer and Senior Medical Adviser for Men, has been granted a leave of absence with pay, on account of illness, from November 24, 1932, to January 1, 1933. During his absence his work is being taken care of by other members of the Health Service Staff.

On motion of Mr. Blair, this leave was approved.

REPORT OF PURCHASES

(11) A report of the approval of the following purchases:

1. Laboratory apparatus and supplies for the Department of Chemistry for the second semester as follows:

Central Scientific Company	$ 67.35
A. Daigger and Company	1,717.58
Rascher and Betzold	592.69
E. H. Sargent and Company	1,003.07
Schaar and Company	21.00
W. M. Welch Scientific Company	76.22
Wilkens Anderson Company	45.07
Owens-Illinois Glass Company	10.85
B. F. Goodrich Rubber Company	384.66
Chase Brass and Copper Company	25.15
Total	$3,943.64

Orders were placed on the basis of quotations carefully considered by the Department and the Purchasing Agent, the awards being on the basis of the lowest price, quality and requirements taken into account. Funds were provided in the budget of the current year for this purpose.

2. From the Producers Commission Association, Kansas City, Missouri, 89 steers for feeding experiments, at a price of $2,535.06, on the basis of selections made by the head of the Department of Animal Husbandry. This stock will be sold when the experiments have been concluded. Funds were provided in the budget of the current year for this purpose.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(12) The following report from the Comptroller of contracts executed since the last report:

CONTRACTS EXECUTED BY THE COMPTROLLER

NOVEMBER 14, 1932, TO DECEMBER 15, 1932

Cooperative research contract executed in accordance with agreement approved by the Board of Trustees in its meeting of October 21, 1932 (Minutes, page 131):

William J. Gilliland	Liberal Arts and Sciences	December 10, 1932	One year from September 19, 1932

This report was received for record.

BOND COVERING PURCHASE OF ALCOHOL FOR RESEARCH AND EDUCATIONAL HOSPITALS

(13) A request from the Comptroller that the following resolution be adopted authorizing the Comptroller and Secretary of the Board to execute a bond in the amount of $1,000 required by the United States Treasury Department to insure compliance with federal law in the purchase of alcohol for use in the Dispensary of the Research and Educational Hospitals:

RESOLUTION

RESOLVED, that the Comptroller and the Secretary of the Board of Trustees be authorized and directed to execute in the name of the Board a surety bond to the United States of America in the sum of $1,000 with the American Surety Company of New York as surety, in the form prescribed by the Treasury Department, binding the Board of Trustees to comply with the provisions of the National Prohibition Act with respect to alcohol purchased for use in the Dispensary of the Research and Educational Hospitals, Chicago.

Approved as to legal form

SVEINBJORN JOHNSON
University Counsel

On motion of Mr. Trees, this resolution was adopted.

KATHERINE L. SHARP SCHOLARSHIP IN LIBRARY SCIENCE

(14) The University of Illinois Library School Association wishes to establish a scholarship to be named the Katherine L. Sharp Scholarship, in memory of a former Director of the Library School, open to graduate students in Library Science and carrying a minimum stipend of $200 a year. The alumni of the Library School are raising a permanent fund for the endowment of one or more scholarships of this nature. Until the permanent fund is acquired and turned over to the University, the stipend for each scholarship will be paid to the Comptroller each year.

The Executive Faculty has approved this plan, and I recommend that the scholarship be established and its holders exempt from the payment of fees, except diploma and matriculation fees (if the latter has not been previously paid), as is the practice in the case of other scholarships and fellowships in the Graduate School.

On motion of Mrs. Hopkins, this recommendation was adopted.

FEES TO BE CHARGED MEMBERS OF THE UNIVERSITY STAFF AND STAFFS OF ALLIED SURVEYS, LABORATORIES, AND HOSPITALS, AND TEACHERS IN PUBLIC SCHOOL SYSTEMS AND IN OTHER COLLEGES

(15) The following recommendations:

1. That the regulations of the Board of Trustees adopted on June 11, 1932 (Minutes, page 609), governing the payment of fees for undergraduate, professional, and graduate work by members of the University staff and of the staffs of allied surveys, laboratories, and hospitals, and by teachers in other institutions, be modified to read as follows, the changes being indicated by italics:

All persons on University appointment or on appointment in allied surveys and laboratories in Urbana and the research and educational hospitals in Chicago, eligible for admission to University work, may be permitted to attend University classes for credit, on condition that they register and pay either the regular incidental fees in the college in which they are registered, or, at their election, fees assessed as follows:

(a) For undergraduate and professional work in the colleges and schools at Urbana, $2.50 a credit hour;

(b) For undergraduate work in the Colleges of Medicine, Dentistry, and Pharmacy, such a proportion of the regular tuition fees as the work taken in any year of the curriculum bears to the total clock hours required for that year;

(c) For graduate work at Urbana or Chicago, at the rate of $10 a unit.

Provided, however, that persons on scholarship or fellowship appointment in the Graduate School, *or on University appointment at a salary of $1,600 a year or less who are registered in the Graduate School,* shall be exempt from the payment of such fees *in courses counting for graduate credit.*

All persons shall pay the matriculation fee, and the usual laboratory fees in courses in which there are such fees. Provided, however, that persons on scholarship or fellowship appointment in the Graduate School, *or on University appointment at a salary of $1,600 a year or less who are registered in the Graduate School, shall be exempt from the payment of laboratory fees in courses counting for graduate credit.*

The operation of the modification of the foregoing rules shall become effective in September, 1933.

Superintendents, principals, and teachers employed in the public school systems of this state and teachers and members of the staff in colleges and universities in this state (other than this University), when admitted to instruction in this University during the period of their employment, shall pay fees computed on the basis established for persons (other than those who are exempt) on appointment in the University of Illinois. *(This entire paragraph has been revised.)*

This provision shall go into effect immediately.

2. That the following action of the Board of Trustees of April 3, 1908 (Minutes, page 441), be hereby repealed:

That no tuition charge be made to scholars, fellows, assistants, or instructors for courses on their study lists approved by the heads of the departments and by the dean of the school as necessary or desirable for the proper completion of the student's work for the degree.

That no charges or deposits for laboratory materials be required from scholars, fellows, or from members of the corps of instruction.

On motion of Mr. Trees, these recommendations were adopted.

INVESTMENT OF TRUST FUNDS

Mr. Trees, for the Finance Committee, presented a recommendation that $2,200 of available trust funds be invested in U. S. Government bonds.

On motion of Mr. Armstrong, this recommendation was adopted.

DATE OF JANUARY MEETING

On motion of Mr. Trees, it was voted to hold the January meeting at 10 o'clock a.m. on Wednesday, January 25, 1933, at the Blackstone Hotel, in Chicago.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 25, 1933

The January meeting of the Board of Trustees of the University of Illinois was held at the Palmer House, in Chicago, at 10 o'clock a.m. on Wednesday, January 25, 1932.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams.

President Chase was present; also Judge Johnson, and Mr. Morey.

ACCIDENT COMPENSATION

On motion of Mr. Barr, the regular order of business was suspended and the report of the special committee on accident compensation was presented by Mr. Armstrong:

REPORT OF SPECIAL COMMITTEE ON ACCIDENT COMPENSATION

Your Special Committee on Accident Compensation unanimously recommends:

1. That Section II of the action taken by this Board in 1925, relating to Retiring Allowances and Death Benefits, be amended by adding thereto the following paragraph:

(*f*) When death occurs in circumstances making the same compensable under the State Workmen's Compensation Act.

2. Inasmuch as it appears that the Board has no legal authority to pay compensation in any form to employees who may be injured in its employ, that no compensation be paid hereafter to any such employee injured while employed by the University, and that such employees make their claims in accordance with the law.

J. W. ARMSTRONG, *Chairman*
GEORGE A. BARR
WALTER W. WILLIAMS

On motion of Mr. Armstrong, this report was accepted.

On motion of Mr. Barr, the University Statutes as printed in 1926 were amended by the addition of paragraph (*f*) to provision II of section 17 (page 11), as recommended above.

On motion of Mr. Trees, the University Statutes as printed in 1926 were amended by the omission of paragraph (*h*) of section 16 (page 9).

On motion of Mr. Armstrong, the policy recommended in paragraph 2 of the report of the special committee was adopted.

On motion of Mr. Trees, the consideration of the method of expediting the handling of claims for compensation for minor injuries was referred to the special committee for a recommendation.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of December 21, 1932. On motion of Dr. Noble, the minutes were approved as printed on pages 153 to 164 above.

PRESIDENT CHASE'S RESIGNATION

President Chase at this point presented the following letter of resignation:

January 25, 1933

To the Board of Trustees of the University of Illinois:

I herewith present to you my formal resignation as President of the University of Illinois, to take effect on July 1 of this year, or as soon thereafter as practicable. At that time I shall assume the duties of the chancellorship of New York University, to which position I was elected on January 23.

It is with the greatest reluctance that I have come to feel that I should accept the work at New York University. Its unique task and opportunity, its promise of rapidly growing usefulness in the years that lie ahead, in short, the whole picture presented by its life and work, are such that I have not been able to decline the opportunity offered me.

From your Board, as from the faculty, students, alumni, and friends of the University, I have always received the greatest measure of cooperation and understanding. I have valued your personal friendship and your unstinted loyalty to the University.

I have felt that the end of this year, with internal affairs in good shape, and finances stabilized for a two-year period, would be a favorable time for a change in the presidency.

It is an honor to have served the University of Illinois as its President. I shall always cherish the memory of my work here, and the many friendships I have formed.

The University of Illinois is a great institution. Secure in the esteem of the people of the state, and respected throughout the nation, it will, I am convinced, go steadily forward.

Respectfully submitted,
H. W. CHASE

On motion of Mr. Barr, the following resolutions were adopted:

WHEREAS, Harry Woodburn Chase, President of the University of Illinois, has today tendered his resignation as President of the University, to take effect July 1, 1933, in order to accept the position of Chancellor of New York University.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the University of Illinois that we accept the resignation of President Chase with reluctance and release him from his present position with genuine regret.

In accepting the resignation of President Chase the Board of Trustees of the University of Illinois deems it appropriate to couple with its avowal of regret an acknowledgment of its appreciation of the fine service he has rendered this body, the University, and the people of this state. He came to us three years ago with a constructive program of educational development, rationally progressive and feasible in essential principles, which he has carried towards completion with firm yet tactful vigor; he has approached the problems of the University with sympathetic insight and clear understanding; and he has demonstrated in character and conduct a capacity for cooperation with individuals and groups truly indicative of the highest executive ability. He has given the men and women of the State of Illinois, young and old, the type of leadership which we associate with the ideal university.

BE IT FURTHER RESOLVED that the Secretary deliver to President Chase a copy of this Resolution signed by every member of the Board, attested by the Secretary, and with the seal of this body affixed thereto.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

LEAVE OF ABSENCE FOR PROFESSOR ARTHUR F. DODGE

(1) A recommendation from the Dean of the College of Education that Assistant Professor Arthur F. Dodge be given sabbatical leave of absence on one-half pay under the rules, for one year beginning September 1, 1933. This will involve no additional expense to the University as his work will be carried on at a cost not to exceed the other one-half of his salary.

On motion of Mrs. Hopkins, this leave was granted.

APPOINTMENT OF RESEARCH ASSOCIATE IN ENGINEERING EXPERIMENT STATION AND SUPERVISING ENGINEER

(2) A request for authority to appoint a Research Associate in the Engineering Experiment Station and a Supervising Engineer of the Physical Plant at a salary of $5,000 a year. The Engineering Experiment Station duties will involve tests with Physical Plant equipment and experiments in Physical Plant operations. The salary for the position will be paid from Physical Plant appropriations since most of the duties will be in that division.

On motion of Mr. Armstrong, this appointment was authorized.

APPROPRIATION FOR VISIT OF LEGISLATURE

(3) A recommendation that an appropriation of $1,200, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for the expenses of the official biennial inspection of the members of the General Assembly of Illinois.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Blair, Mr. Horner.

APPROPRIATION FOR RADIO STATION

(4) A request from the Director of the University Radio Station for an appropriation of $1,500 to cover the cost of certain mechanical changes in the Station, and certain proceedings before the Federal Radio Commission to secure an increase in the power allocation to the Station so that it will be a more effective instrument of educational service to the people of the state.

On motion of Mr. Trees, this matter was referred to President Chase with power to act. The appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Grigsby, Mrs. Hopkins, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mr. Blair, Mr. Horner.

LABORATORY FEES IN URBANA DEPARTMENTS

(5) A recommendation that the following changes be made in the schedule of laboratory and special fees in the Urbana Departments beginning with the second semester, 1932-33:

On motion of Mr. Trees, these changes were approved.

THEODORE B. SACHS RESIDENCY IN TUBERCULOSIS

(6) On March 11, 1930 (Minutes, page 545), the Board accepted an offer from the Chicago Tuberculosis Institute of $2,500 to be paid annually for five years in support of a "Theodore B. Sachs Residency" in the field of tuberculosis. This amount has been paid for three years. Last year only $1,200 of the $2,500 paid in was used, and there is a balance of $1,300 in the fund. Because of a shortage of funds, the Institute

wishes to make the 1933 payment $1,200, which with the $1,300 on hand will make a total of $2,500 available for the work, with the understanding that the University will continue the work in tuberculosis during 1933 and 1934 along the original plans but in a more limited way.

The Dean of the College of Medicine recommends, and I concur, that this modification of the original plan be accepted by the Board.

On motion of Dr. Noble, this modification was accepted.

APPROVAL OF PURCHASES

(7) A report of the approval of the following purchases, amounting to $1,000 or over, since the last report was made to the Board:

A carload of Chemically Pure and Commercial Acids from the Grasselli Chemical Company, the low bidder, at a price of $1,326.11, f.o.b. Urbana, to be charged to the General Chemical Stores appropriation.

This report was received for record.

QUARTERLY REFORT OF THE COMPTROLLER

(8) The quarterly report of the Comptroller as of December 31, 1932. (Copies of this report have already been sent to the members of the Board.)

This report was received for record.

NATIONAL RESEARCH COUNCIL GRANTS TO MEMBERS OF THE FACULTY

(9) A report that the National Research Council has made the following assignments of funds to members of the faculty for research work:

To Professor J. T. Tykociner, of the Department of Electrical Engineering, and Professor Jacob Kunz, of the Department of Physics, jointly, a second grant for technical assistance and the purchase of supplies for use in connection with their work on the precise determination of the magnetic moment of hydrogen..... $450 00

To Professor Maurice B. Visscher, of the College of Medicine, for technical assistance and the purchase of chemical supplies for use in his investigations on the mechanical efficiency of heart muscle..... 250 00

To Professor Ernst Gellhorn, of the College of Medicine, for the purchase of supplies in connection with his study of the influence of metabolities and internal secretions on fatigue..... 500 00

This report was received for record.

GIFTS TO THE UNIVERSITY

(10) The following gifts have been received by the University since the last report:

From Dr. William Trelease, Professor of Botany, *Emeritus*, 51 volumes of the Encyclopedia of American Biography, a beautifully printed and bound set which contains biographical information which is often difficult to obtain elsewhere.

From Dr. C. W. Burrill, of Kansas City, Missouri, 17 volumes. Doctor Burrill is the only surviving brother of Dr. Thomas J. Burrill, former Vice-President of the University.

From Professor John A. Fairlie, 60 volumes of valuable publications, chiefly of the National Industrial Conference Board.

From Mead Johnson and Company, $2,000 in support of the investigations of Dr. C. I. Reed, Assistant Professor in the Department of Physiology, of the College of Medicine, on the physiological action of irradiated ergosterol of high potency. This is a continuation of work which has previously been financed by this company.

This report was received for record.

BEQUEST OF WENSEL MORAVA

(11) A report was presented to the Board at its meeting on November 19, 1932 (Minutes, page 147), of the bequest of the late Wensel Morava, of the Class of 1878. The hearing on the will was set for the latter part of December, and the University in the meantime executed an appearance. This report was received for record.

I now recommend that the Board accept the bequest under the conditions attached to the gift and that counsel for the Morava estate be notified of this action.

On motion of Mr. Barr, this bequest was accepted.

BUDGET OF THE ATHLETIC ASSOCIATION

(12) A statement concerning the financial plans of the Athletic Association.

It was the sense of the Board that the budget of the Athletic Association, not only for next year but also for the rest of the current year, should be reduced at least twenty-five per cent.

FINANCIAL SITUATION

(13) A report on the financial outlook for the rest of the year.

Mr. Morey made a statement concerning this matter. The report was received for record.

REPORTS OF THE FINANCE COMMITTEE

Mr. Trees, for the Finance Committee, reported on several matters as follows:

INVESTMENT OF MCKINLEY ENDOWMENT AND OTHER TRUST FUNDS

I. On December 21, 1932, the Board directed the reinvestment in United States Government securities of $2,200 of general endowment funds, the securities of which matured on January 1, 1933. On the same date $15,000 of investments representing the McKinley Professorship Endowment also matured. A majority of the members of the Finance Committee recommended that this money also be reinvested in United States Government securities.

The Comptroller reports that in accordance with the recommendation of the Committee, and on the advice of the Treasurer of the University, he has purchased $16,200 par value of United States Treasury 3¾% bonds due 1946-56 at 105$^{5}/_{32}$, or a total cost of $17,040.38 plus accrued interest, as reinvestments of the above funds. The sum of $14,300 par value of these bonds, representing the McKinley Professorship Endowment, has been deposited in escrow with the Trevett-Mattis Banking Company of Champaign in accordance with the deed of gift of this fund. The remaining $1,900, representing the investment of general endowment funds, has been deposited with the First Union Trust and Savings Bank of Chicago for safe keeping in accordance with the contract with that bank.

This matter was referred to the Finance Committee, with authority to transfer the investment to other securities if such action seems advisable.

NALLY MORTGAGE

II. A recommendation that the Comptroller be authorized to work out the solution of the problem of the mortgage on the Nally property (at Wright street and University avenue) in harmony with the discussion at this meeting, and to report his action at the next meeting.

On motion of Dr. Noble, this recommendation was approved.

HART MORTGAGE

III. A report that the makers of the Hart mortgage, covering property in Benton, have made a proposal involving the transfer of the land and other property to the University, and a recommendation that the Comptroller be authorized to take the necessary steps to effect a settlement.

On motion of Mr. Trees, this recommendation was approved.

CHICAGO AND WEST TOWNS RAILWAY BONDS

IV. On July 13, 1932 (Minutes, page 95), the Board authorized the deposit of $1,000 of Chicago and West Towns Railway bonds, representing an investment of the K. C. Babcock Endowment Fund, which were due July 1, 1932, with the Bondholders Protective Committee pending a refinancing of the Company.

The Comptroller reports that he has received from the Committee a bond for $1,000, due July 1, 1937, bearing interest at five per cent from the date of maturity of the former bond. The new bond has been deposited for safe keeping with the First Union Trust and Savings Bank of Chicago.

This report was received for record.

LA SALLE - WACKER BUILDING

V. A letter from the Comptroller:

January 20, 1933

Mr. Merle J. Trees, 37 West Van Buren Street, Chicago, Illinois

DEAR MR. TREES:

In September the Finance Committee authorized the deposit of $2,000 of 6% Series A first mortgage bonds of the La Salle-Wacker Building corporation received as an investment of the Babcock endowment fund and which are in default with a bondholders protective committee. These bonds were deposited with the committee in accordance with this action.

I am now in receipt of a communication from this committee which I am enclosing to you. The committee proposes to reorganize the company and to issue first mortgage 5% bonds, due 1957, for 50% of the principal of Series A bonds and gold debentures due 1962 for 60% of these bonds, the latter to cover 50% of the principal plus interest from the date of the last interest payment, December 1, 1930. Interest on the debentures will be payable only to the amount of net earnings after meeting interest on the first mortgage bonds but not exceeding 5%.

The plan is strongly recommended by the committee and it seems to be a satisfactory arrangement in view of the facts set forward. It is not necessary for us to formally accept the proposal and no action is necessary on our part unless we are unwilling to accept the committee proposal. I shall appreciate advice as to whether we should allow the plan of the protective committee to take its course.

Cordially yours,

LLOYD MOREY
Comptroller

No action was taken on this matter.

UNIVERSITY FUNDS IN FIRST NATIONAL BANK OF CHAMPAIGN

VI. A report from the Comptroller that he has received from the trustees of the First National Bank of Champaign participation certificates covering 40 per cent of special University Funds on deposit in that bank, other than those deposited by H. S. Capron, University Treasurer at that time, as follows:

Certificate Number	*Fund*	*Amount*
485	Business Office Petty Cash Fund	$5 818 00
3302	Stadium Fund	57 46
3548	Creamery Petty Cash Fund	410 86

The nature of these documents and the fact that no service is needed in relation to their collection would seem to justify handling them in the same manner as approved by the Board for certain securities of a similar nature as per action of November 19, 1932 (Minutes, page 146). Consequently he has deposited the certificates above described in the safety-deposit box authorized by the Board at that time, to be under the joint control of the Secretary of the Board and the Comptroller.

This report was received for record.

INTEREST ON UNIVERSITY FUNDS

VII. On February 6, 1932 (Minutes, page 513), the Board authorized the Treasurer of the University to arrange with each depository selected by him for the safe keeping of the general funds of the University for the payment of interest on deposit funds at such rate as shall be agreed upon by the Treasurer and the depository, with the approval of the Board of Trustees, which interest shall accrue to the account upon which it is allowed. On March 8, 1932 (Minutes, page 545), the Treasurer informed

the Board that the First National Bank of Chicago will pay the University interest of one per cent to be credited monthly and the rate to remain in force until further notice. This was accepted by the Board.

The Comptroller reports that the Treasurer advised him that on December 26, 1932, the rate of interest on the University's account became one-half of one per cent, and effective January 25 the rate will be one-quarter of one per cent.

This report was received for record.

SELECTION OF PRESIDENT

On motion of Mr. Barr, consideration of the steps to be taken with reference to selecting a successor to President Chase was deferred until the next meeting of the Board.

DATE OF FEBRUARY MEETING

On motion of Dr. Noble, it was voted to hold the February meeting at 10 o'clock a.m. on Thursday, February 16, 1933, at the University, in Urbana.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

February 16, 1933

The February meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a.m. on Thursday, February 16, 1933.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Williams; also Mrs. Nellie V. Freeman, member-elect.

President Chase was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 25, 1933. On motion of Mrs. Grigsby, the minutes were approved as printed on pages 165 to 179 above.

SELECTION OF PRESIDENT

On motion of Mr. Trees, consideration of the steps to be taken with reference to selecting a successor to President Chase was deferred until the next meeting of the Board.

ACCIDENT COMPENSATION

On motion of Mr. Armstrong, the action of the Board on January 25, 1933, adopting section 2 of the report of the special committee on accident compensation (page 166), was reconsidered.

President Chase made a statement.

On motion of Mr. Armstrong, section 2 was amended to read as follows and was adopted in its amended form, effective as of January 25, 1933:

2. In as much as it appears doubtful whether the Board has the legal power to pay compensation in any form to employees who may be injured in its employ, that no compensation be paid to any such employee as may be hereafter injured while employed by the University, and that such employees make their claims in accordance with the law.

SPECIAL COMMITTEE ON JOURNALISM BUILDING

Mr. Armstrong, for the special committee to confer with the committee of the Illinois Press Association on the matter of providing a building for the School of Journalism, reported that the action of the Illinois Press Association, withdrawing for the present its request for a building, made the continuance of the committee unnecessary.

On motion of Mr. Barr, this report was accepted and the committee was discharged.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

JAMES M. WHITE DEATH BENEFIT

(1) A report of the death on February 6, 1933, of Professor James M. White, Supervising Architect, and a recommendation that an appropriation of $3,000 be made from the Reserve and Contingent Fund for the death benefit payable under the rules of the Board and the terms of his contract and that the Comptroller be authorized to make payment to the designated beneficiary.

On motion of Mrs. Grigsby, this recommendation was adopted, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mrs. Hopkins, Mr. Horner.

RESOLUTION ON THE DEATH OF PROFESSOR WHITE

On motion of Mr. Blair, the following resolution was adopted:

The Board of Trustees of the University of Illinois records with its deepest sorrow and sense of loss the death on February 6, 1933, of James McLaren White, Professor of Architectural Engineering, Supervising Architect, and Superintendent of Business Operations.

Professor White was one of the distinguished alumni of the University of Illinois and had given almost 43 years of devoted and outstanding service to his Alma Mater, first as a member of the faculty of the Department of Architecture, later as Dean of the College of Engineering, and for over 25 years as Supervising Architect; for the last 12 years he served also as Superintendent of Business Operations. Under his careful and far-sighted planning has been developed a physical plant adequate for the

University's needs and comprehensive plans for future campus development. His advice and counsel on campus planning and college buildings were sought by other institutions of higher education, and he was one of the country's authorities in this field. His passing is a great loss to the University, to his profession, and to the State of Illinois. In recording its sense of sorrow in his loss, the Board wishes to express its deepest sympathy to the members of his family and directs that this resolution be spread upon its minutes and a copy thereof be sent to them.

APPOINTMENT OF CHARLES S. HAVENS AS ACTING DIRECTOR OF BUILDINGS AND GROUNDS OPERATIONS

(2) A recommendation that Charles S. Havens, Chief Clerk in the Supervising Architect's Office, be appointed Acting Director of Buildings and Grounds Operations, effective February 16, 1933, with salary at the rate of $3,000 a year while acting in this capacity.

On motion of Dr. Noble, this appointment was made, subject to any general salary adjustments which may be made.

SPECIAL COMMITTEE ON BUSINESS ORGANIZATION

(3) A recommendation that the Board consider the business organization of the University.

On motion of Mr. Trees, the committee appointed to consider the business organization and administration of the University was discharged.

On motion of Mr. Williams, the President of the Board was requested to appoint a special committee of three members to consider the business organization of the University and to make recommendations to the Board. President Barrett later appointed Mr. Trees, Chairman, Mr. Armstrong, and Mr. Williams to serve on this committee.

HEARING OF MR. HENDERSON

(4) A request that a hearing be granted to Mr. H. L. Henderson, representing a firm of financial experts which is making a survey of state budget matters on behalf of Governor Horner.

Mr. Henderson was introduced. He made a statement concerning the general financial situation and its application to the University, and retired.

READJUSTMENT IN SALARIES

(5) A recommendation that effective March 1, 1933, the salaries or wages of active members of the University staff on Board appointment or in regular employment be reduced by 10 per cent of that amount of the annual or ten-months cash compensation above $1,000.

On motion of Mr. Armstrong, this recommendation was adopted.

SUMMER SESSION STAFF 1933

(6) A recommendation for the approval of the following appointments to the Summer Session staff for 1933, the positions and salaries being indicated in each case; and a request for authority to make such adjustments in the Summer Session budget and such additional appointments as may be necessary. Provision has been made in the budget for 1932-33 for the work of the 1933 Summer Session.

On motion of Mr. Trees, this budget was approved, and authority was granted as requested.

OPERATION OF UNIVERSITY HIGH SCHOOL DURING 1933 SUMMER SESSION

(7) The following recommendations from the Dean of the College of Education and the Director of the Summer Session:

1. That the University High School be authorized to offer high-school courses during the 1933 Summer Session of the University under the general direction of the Dean of the College of Education and the Director of the Summer Session.

2. That a fee of $15.00 be established for students taking one unit of work and of $8.00 for students taking half a unit of work. The maximum schedule for the Summer Session will be one unit.

3. That an appropriation of $1,000, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to supplement the budget of the Summer Session for this purpose. This expense will be met out of the anticipated income based on a maximum enrollment of 65 full-time students or their equivalent, if less than full schedules are taken. The work will not be offered unless it can be completely self-supporting.

This proposal is based on repeated requests from public school men of the State that such a venture be undertaken as a means of exemplifying the theory presented in summer session courses in education and on requests from students in the University High School and other high schools of the State for such work.

I recommend approval.

On motion of Mrs. Grigsby, this recommendation was adopted, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Grigsby, Dr. Noble, Mr. Trees, Mr. Williams; no, none; absent, Mrs. Hopkins, Mr. Horner.

C. P. A. CERTIFICATES

(8) A recommendation from the Committee on Accountancy that the certificate of Certified Public Accountant be awarded the following candidates who have been certified by the Board of Examiners in Accountancy as having passed the examination given in November, 1932.

HENRY BUEHLER	EDWARD JOSEPH MCADAMS
RAYMOND GOOCH EDSON	SEYMOUR ROSE
FRED FARKAS	PAUL DONALD SMITH
HENRY S. FECHHEIMER	CHESTER A. WRIGHT
WAYNE B. LINCOLN	DAVID ISRAEL WAXMAN

On motion of Mr. Blair, these certificates were awarded.

LEAVE OF ABSENCE FOR PROFESSOR GLENN R. MORROW

(9) A recommendation that sabbatical leave of absence be granted to Professor Glenn R. Morrow, of the Department of Philosophy, on half salary for the academic year 1933-34. This is a restoration of the leave which was granted him November 16, 1931 (Minutes, page 484), for the academic year 1932-33 but which was cancelled at his request because he was unable to carry out his plans. The Department can carry on his work without any increase in the budget.

On motion of Mr. Blair, this leave was granted.

LEAVE OF ABSENCE FOR JOSEPH ACKERMAN

(10) A report that Joseph Ackerman, Assistant in Farm Organization and Management, has been given a leave of absence without pay from February 1, 1933, until he

returns to service, to enable him to assist the recently appointed State Acting Director of Agriculture in his former work so that he could take over his State duties at once.

This report was received for record.

RETIREMENT OF PROFESSOR JAMES B. SHAW

(11) A request from Professor James B. Shaw, of the Department of Mathematics, that he be retired under the rules of the Board on September 1, 1933. He will be 67 years old on March 20, 1933, and will have been in the service of the University 23 years on September 1. The rules of the Board permit retirement at any time after a member of the staff reaches 65 years of age (provided he has been in University service for at least 15 years) in exceptional cases and for substantial cause. His retiring allowance will be $2,280, and the Department has agreed to provide for his work without an increase in its budget, at least until the time he would normally retire in 1934.

I recommend approval.

On motion of Mr. Trees, this request was granted.

INVESTIGATION OF REINFORCED BRICK MASONRY

(12) A report of the authorization of an agreement with the Reinforced Concrete Masonry Research Board for a cooperative investigation of reinforced brick masonry. This agreement is for one year, beginning February 1, 1933, with provision for its extension, and the Research Board agrees to pay the University the sum of $500 in one sum upon the execution of this agreement and to provide materials and additional funds, as needed, to the amount of $200 for the expenses of the investigation.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(13) The following report from the Comptroller of contracts executed since the last report:

CONTRACT EXECUTED BY THE COMPTROLLER

DECEMBER 15, 1932 TO FEBRUARY 10, 1933

The Illinois State Board for Vocational Education to pay regular fees to the University for instruction to be rendered as follows:

To Whom	*Instruction in*	*Date*	*Tenure*
John Sharp Loveless	Education	January 19, 1933	One semester from February 6, 1933

This report was received for record.

REPORT OF PURCHASES

(14) The following report of purchases authorized by the President since the last report:

A. Daigger and Company, Chicago, Pyrex Laboratory Glassware, approximately $2,300 for second semester laboratory requirements. This is a non-competitive item sold at established list prices subject to trade discounts on orders for 100 or more cases.

This report was received for record.

GIFTS TO THE UNIVERSITY

(15) The following report of gifts received by the University since the last report was made:

Volumes and journals to the College of Medicine from Dr. D. Kobak, Editor of the Archives of Physical Therapy, X-Ray, and Radium; Mrs. A. Besta, mother of the late Dr. C. J. Besta, an alumnus of the College of Medicine; and the Doctors Switzer, of Ludington, Michigan.

From the Council of Physical Therapy of the American Medical Association, $200 for research work in Ultra Violet and X-Ray in the College of Medicine.

From the Electrical Engineering Society (Student) through its Trustee, Professor E. B. Paine, $332.40 to be added to the Electrical Engineering Loan Fund established by the Society and accepted by the Board of Trustees, October 13, 1928.

From Gamma Sigma Delta, honorary society of agriculture, a bronze tablet (24 in. by 36 in.) to be placed in the Agricultural Library and on which will be recorded the names of students in the College of Agriculture who receive the scholarship award offered by the society.

This report was received for record.

FEBRUARY DEGREES

(16) A request for authority to confer degrees on the following list of candidates who were recommended by the University Senate at its meeting of February 13, 1933.

Authority to confer these degrees was granted.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

March 14, 1933

The annual meeting of the Board of Trustees of the University of Illinois was held at the Palmer House, in Chicago, at 10 o'clock a.m. on Tuesday, March 14, 1933. The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Dr. Meyer, Mr. Trees, Mr. Williams.

President Chase was present; also, during part of the day, Mr. Morey, Comptroller.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of February 16, 1933. On motion of Mr. Treees, the minutes were approved as printed on pages 181 to 198 above.

ELECTION OF OFFICERS

On motion of Mr. Barr, Mrs. Hopkins was appointed Chairman of the meeting for the election of the President of the Board.

MR. EDWARD E. BARRETT ELECTED PRESIDENT OF THE BOARD

Mr. Williams nominated Mr. Edward E. Barrett for the office of President of the Board for the ensuing year.

On motion of Mr. Williams, the nominations were closed, and the Secretary of the Board was instructed to cast the unanimous vote of the meeting for Mr. Barrett as President. The ballot was cast and Mr. Barrett was declared elected President of the Board.

MR. HARRISON E. CUNNINGHAM ELECTED SECRETARY

On motion of Mr. Blair, Mr. Harrison E. Cunningham was elected Secretary of the Board for one year.

MR. FRANK M. GORDON ELECTED TREASURER

On motion of Mr. Trees, Mr. Frank M. Gordon was elected Treasurer for two years, under the same conditions of collateral and bond as at present.

PROFESSOR LLOYD MOREY ELECTED COMPTROLLER

On motion of Mr. Armstrong, Professor Lloyd Morey was elected Comptroller for one year.

EXECUTIVE COMMITTEE ELECTED

Mr. Blair nominated Mr. Barr and Mrs. Hopkins to serve, with the President of the Board as Chairman, as members of the Executive Committee for the ensuing year.

On motion of Mr. Blair, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the Board for Mr. Barr and Mrs. Hopkins as members of the Executive Committee. The ballot was cast and Mr. Barr and Mrs. Hopkins were declared elected members of the Executive Committee.

TREASURER'S BOND

On motion of Mr. Barr, the Finance Committee was requested to see that the Treasurer provide a satisfactory bond and to report the same to the Board for approval.

AUTHORITY TO RECEIVE MONEY

On motion of Mr. Williams, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois

DELEGATION OF SIGNATURES

The following resolution was offered.

The President and the Secretary of the Board of Trustees are authorized to delegate the signing of their names as President and Secretary, respectively,

to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, Auditor, and to L. M. Dahlenburg, Accountant, authority to sign his name, as President of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer, covering vouchers approved in accordance with the regulations of the Board.

The Secretary of the Board of Trustees is authorized to delegate to H. B. Ingalls, Bursar, and to C. A. Webber, Assistant Bursar, authority to sign his name, as Secretary of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer, covering vouchers approved in accordance with the regulations of the Board.

The President and the Secretary of the Board of Trustees are authorized to delegate to Lloyd Morey, Comptroller, and to Arthur Lincicome, Assistant to the Comptroller, authority to sign the name of the President or of the Secretary of the Board of Trustees to vouchers against the State Auditor, and to warrants on the University Treasurer in case of emergency; provided that under no circumstances shall the Comptroller or the Assistant to the Comptroller sign the names of both the President and the Secretary to the same warrant or voucher.

On motion of Mr. Barr, the resolution was divided.

On motion of Mr. Barr, the President of the Board was authorized to delegate the signing of his name as provided in the resolution.

On motion of Mr. Barr, the Secretary of the Board was authorized to delegate the signing of his name as provided in the resolution. Mr. Blair asked to be recorded as voting "no" on this motion.

At this point, President Barrett took the chair and thanked the Board for the honor conferred on him.

CHARLES S. WILLIAMSON DEATH BENEFIT

(1) A report of the death on February 16, 1933, of Dr. Charles S. Williamson, Professor and Head of the Department of Internal Medicine of the College of Medicine, and a recommendation that an appropriation of $2,000 be made from the Reserve and Contingent Fund for the death benefit payable under the rules of the Board and the terms of his contract and that the Comptroller be authorized to make payment to the designated beneficiary.

On motion of Mrs. Hopkins, this recommendation was adopted The appropriation was made by the following vote: Aye, President Barrett, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Horner, Mr. Karraker.

UTILITIES RESEARCH COMMISSION INVESTIGATIONS

(2) A report that the agreements for the following investigations, which are being conducted by the Engineering Experiment Station, pursuant to authorization of the Board of Trustees, and which are being financed by the Utilities Research Commission, have been continued until December 31, 1933, the additional sums to be contributed being indicated in each case:

Case No. 23, Stretching of Lead Sheaths	$ 1 800
Case No. 31, Solubility of Boiler Waters	5 000
Case No. 34, Stack Gases	6 500
Total	$13 300

On motion of Mr. Armstrong, the extension of these agreements was approved.

GIFTS TO THE UNIVERSITY

(3) The following report of gifts to the University received since the last report:

From the American Medical Association, $460, to cover expenses involved in certain studies by the College of Medicine, $200 for Doctor Visscher's work on "cardiodynamics," and $260 for Doctor Zechel's work in anatomy having to do with tissue cultures.

On motion of Mr. Barr, these gifts were accepted.

COMPTROLLER'S REPORT OF CONTRACTS

(4) The following report from the Comptroller of contracts executed since the last report:

CONTRACTS EXECUTED BY THE COMPTROLLER

FEBRUARY 10, 1933 TO MARCH 7, 1933

Cooperative research agreement executed in accordance with gift reported to the Board of Trustees in their meeting of February 16, 1933.

Name	*Amount to be Received by the University*	*Date*	*Purpose*
Reinforced Brick Masonry Research Board	$700.00	February 4, 1933	Cooperative investigation of reinforced brick masonry

The Illinois State Board for Vocational Education to pay regular fees to the University for instruction to be rendered as follows:

To Whom	*Instruction in*	*Date*	*Tenure*
Albert Sanders	Commerce	February 9, 1933	One and one-half years from February 8, 1933

This report was received for record.

REPORT OF AUDIT OF UNIVERSITY ACCOUNTS

(5) The report from Arthur Andersen & Company, Accountants and Auditors, of their audit of the University's accounts for the quarter ended December 31, 1932.

This report was received for record.

CHARLES GOURDIER MORTGAGE

(6) A report from the Comptroller that Mrs. C. L. Steward, administratrix of the estate of Charles Gourdier, has requested a ninety-day extension on the payment of the interest, amounting to $275, which was due on March 1 on the farm mortgage of $10,000 given by Charles Gourdier and purchased by authority of the Board of Trustees on February 6, 1931. The trustee of the mortgage, Mr. H. S. Capron, has recommended that this request be granted. The mortgage is held in part as an investment of the Wallace Scholarship Fund, which must be invested in farm mortgages under the terms of the gift, and in part by our group investments.

On motion of Mr. Barr, this extension was authorized.

COMMITTEE ON PRESIDENCY

On motion of Mr. Blair, the President of the Board was requested to appoint a special committee of five members of the Board, to serve with himself, to consider the matter of selecting a successor to President Chase, and to make recommendations to the Board.

President Barrett later appointed the following members to serve with him on this committee: Mr. Williams, Mr. Barr, Mrs. Hopkins, Dr. Meyer, Mr. Trees.

FINANCIAL SITUATION AND BUDGET

The President of the University made a statement concerning the financial situation of the University.

On motion of Mr. Trees, the President of the Board was requested to appoint a special committee of three members of the Board, to study with President Chase the budget of the Chicago departments. President Barrett appointed the following members: Dr. Meyer, Mr. Barr, Mrs. Hopkins.

WOMAN'S RESIDENCE HALL FUND

On motion of Mr. Armstrong, the balance of the Woman's Residence Hall fund as of September 1, 1932, was transferred to the Reserve and Contingent fund.

C.P.A. FUND

On motion of Mr. Armstrong, the matter of the balance in the C.P.A. fund was referred to the Finance Committee for consideration and report at the next meeting of the Board.

APRIL MEETING

On motion of Mr. Armstrong, it was voted to hold the April meeting at the University, in Urbana, at 10 o'clock a.m. on Tuesday, April 11, 1933.

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented also for record a list of appointments made by the President of the University.

Brunner, Robbie Neeley, Anesthetist in the Dispensary, in the College of Medicine, for six months beginning March 1, 1933, at a cash compensation of one thousand seven hundred fifty dollars ($1,750). (February 27, 1933)[1]

Eder, Kurt, Microanalyst in the Department of Chemistry, for seven months beginning February 1, 1933, at a cash compensation at the rate of one hundred dollars ($100) a month. (February 27, 1933)

[1]The date in parenthesis is the date on which the appointment was made by the President of the University.

Klein, Reuben I., Instructor in Pathology and Bacteriology, in the College of Medicine, beginning February 15, 1933, and continuing until September 1, 1933, without salary. (February 24, 1933)

Lenoir, James J., Assistant in Political Science, on three-fourths time, beginning February 15, 1933, and continuing until June 30, 1933, at a cash compensation at the rate of one hundred twenty dollars ($120) a month (this supersedes his previous appointment). (February 24, 1933)

Metterhausen, Mrs. Alice K., Research Assistant in Home Economics, in the College of Agriculture, and in the Agricultural Experiment Station, on one-half time, beginning February 6, 1933, and continuing until June 30, 1933, at a cash compensation at the rate of sixty dollars ($60) a month. (February 24, 1933)

Olsen, Selma Marie, Assistant in Physiology, on one-fourth time, for four months beginning March 1, 1933, at a cash compensation at the rate of thirty dollars ($30) a month. (March 6, 1933)

Powell, Alden L., Assistant in Political Science, on one-half time, beginning February 15, 1933, and continuing until June 30, 1933, at a cash compensation at the rate of seventy dollars ($70) a month (this supersedes his previous appointment). (February 24, 1933)

Shellow, H., Assistant in Dermatology, in the College of Medicine, on one-twelfth time, for the second semester of the academic year 1932-33, at a cash compensation of one hundred twenty dollars ($120). (February 24, 1933)

Sullivan, Helen B., Clerk in the Department of Operative Dentistry, in the College of Dentistry, for seven months beginning February 1, 1933, subject to the rules of the Civil Service Commission, at a cash compensation at the rate of eighty dollars ($80) a month. (February 27, 1933)

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 11, 1933

The April meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a.m. on Tuesday, April 11, 1933. When the Board convened, the following members were present: President Barrett, Mr. Armstrong, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Dr. Meyer. Mr. Karraker and Mr. Williams came during the forenoon.

President Chase was present; also, during part of the day, Professor Morey, Judge Johnson, and Dean Mumford.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of March 14, 1933. On motion of Mr. Armstrong, the minutes were approved as printed on pages 199 to 204 above.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

ADMISSION TO COLLEGE OF DENTISTRY

(1) The University Senate recommends that, effective September 1, 1933, the requirements for admission to the College of Dentistry be changed to read as follows:

	Semester Hours
Chemistry (including organic chemistry, 4 semester hours)	12
Biology	6
Physics	6
English	6
Electives (exclusive of military, hygiene, and physical education)	30
Total	60

On motion of Dr. Meyer, this recommendation was adopted.

CHANGE IN REQUIREMENTS IN PHYSICAL EDUCATION

(2) The following recommendations from the University Senate:

1. That the present regulations requiring four semesters of training in Physical Education be modified by permitting students to gain credit in this subject by means of proficiency examinations.

2. That such examinations be given at the end of each semester and that they be so designed and administered as to result in a reduction each semester in the number enrolled in Physical Education equal to about one-fourth of the total number of students in the class until, at the end of their fourth semester in college, all of the members of any class who have done satisfactory work will have completed the requirements either by passing the regular courses or the proficiency examinations.

3. That an opportunity be given for students to complete all of the requirements in Physical Education by passing proficiency examinations given early in their first semester in college.

The Senate has repealed the regulation adopted by it on June 1, 1925, requiring additional work in physical education for students excused from military training on account of their physical defect.

It is understood that under these recommendations men students, except those assigned to corrective sections, will report for two one-hour periods each week and women students for three one-hour periods as at present. Men who are assigned to corrective sections will, in general, report for three one-hour periods per week instead of five as at present but, with the consent of any student affected, the number of periods for corrective work for individual students may be increased to either four or five per week if this arrangement seems desirable to secure the best results.

On motion of Mr. Blair, these recommendations were adopted.

LABORATORY FEES IN THE COLLEGE OF PHARMACY

(3) A recommendation from the Dean of the College of Pharmacy that the following laboratory fees be authorized for the junior year laboratory courses, effective September 1, 1933:

FIRST SEMESTER

Dispensing 33 (present Dispensing 7)	$10.00
Organic Chemistry 31	13.00
Physics 33	5.00
Pharmacognosy 31 (present Pharmacognosy 5)	8.00

SECOND SEMESTER

Organic Pharmaceutical Preparations 34 (present Organic Pharmaceutical Preparations 9)	$10.00
Quantitative Analysis 32 (present Quantitative Analysis 5 and 7)	9.00
Pharmacognosy 32 (present Pharmacognosy 7)	8.00
Total, for year	$63.00

I concur.

On motion of Dr. Meyer, these fees were authorized.

AGREEMENT WITH NATIONAL ALUMINATE CORPORATION FOR "SCALE STUDIES"

(4) The National Aluminate Corporation of Chicago has offered the University the sum of $5,000 to cover the expenses of a cooperative research project to be called "Scale Studies." It is estimated that the work will cover approximately twelve months and will be exploratory in character to determine whether the project warrants further investigation. Until then the Company does not wish to enter into a formal agreement as is used in such cases.

I recommend acceptance of this offer subject to the assent of the Company in a "memorandum of agreement" prepared by the University Counsel outlining the conditions under which the University will conduct this investigation, including also the provisions of its policy governing such work.

On motion of Mr. Blair, it was voted that such cooperative projects should be subject to the requirement that authorization of publication by the donor of funds should be given only by the Board on recommendation of the Executive Staff of the Engineering Experiment Station. It was the opinion of the Board that copies of all reports of progress of cooperative projects should be sent to the Board committee on patents at the same time they were sent to the donors.

On motion of Mrs. Hopkins, the gift of the National Aluminate Corporation was accepted.

COOPERATIVE INVESTIGATION OF METHODS OF CLEANING COAL

(5) A recommendation that an agreement with the Franklin County Coal Company, Inc., of Chicago, for a cooperative investigation of methods of cleaning coal, to be carried out by the mining division of the Engineering Experiment Station, be approved. This agreement is drawn for a period of one year, beginning April 1, 1933, with a provision that it may be extended for additional periods by mutual agreement under the same terms or other terms. The Company agrees to pay $500 for the expenses of this investigation.

On motion of Mr. Armstrong, this agreement was authorized.

At this point, Mr. Karraker took his place with the Board.

CONTRACT WITH ILLINOIS CANNING COMPANY TERMINATED

(6) On October 1, 1932, the University entered into an agreement with the Illinois Canning Company of Hoopeston, Illinois, for a cooperative investigation of sweet corn and other vegetable crops (Minutes, October 21, 1932, page 131). The agreement was for one year. The Company now requests that the contract be cancelled. The Company proposes to take over the services of the man who was employed as research assistant on this investigation. The Dean of the College of Agriculture recommends approval. I concur in the recommendation.

On motion of Mrs. Hopkins, the termination of this contract was ordered.

USE OF UNIVERSITY LAND BY CHAMPAIGN COUNTY EMERGENCY RELIEF COMMITTEE

(7) The Champaign County Emergency Relief Committee has requested the use of twenty acres of the tract lying between the Stadium and the Illinois Central Railway for quantity production of garden vegetables to care for the unemployed of the community. After conference with the President of the Board and with the Dean of the College of Agriculture, this request was granted for the growing season of 1933.

On motion of Mr. Blair, the action of the President of the University in granting this request was approved.

AUTOMOBILE INSURANCE

(8) A report that the Purchasing Agent has been authorized to place property damage and public liability insurance carried on the University's automobiles with the Indemnity Insurance Company of North America, through Burton and Trelease of Champaign, at a cost of $1,045.41 for one year beginning April 5, 1933. Bids were secured from various companies and representatives. There were two bids lower than the Indemnity Insurance Company of North America's, the lowest being $842, but they were from small and new companies. The insurance was placed as indicated with the approval of the Chairman of the Finance Committee, who was of the opinion that the University would be fully justified in paying the additional $203 in order to have this insurance in an older and stronger company. .

On motion of Dr. Meyer, this action was approved.

GIFTS TO THE UNIVERSITY

(9) The following report of gifts to the University received since the last report:

From Dr. Edwin L. Draper, of Urbana, two pieces of wood from the original rough box in which the casket containing the body of Abraham Lincoln was placed before its final interment.

From Mead, Johnson, and Company, an additional gift of $1,500 for further research work on the study of irradiated ergosterol and calcium metabolism, which is being carried on by the College of Medicine.

From the American Society for Testing Materials, the sum of $460, which represents the continuation of a grant previously accepted for investigation of cast iron pipe.

From Miss Alice S. Johnson, Class of 1907, Reference Librarian in the University Library, the medical library of her father, the late Dr. Charles B. Johnson, of Champaign. This collection of books numbers 686 volumes; about 50 of these are not in the library of our College of Medicine and will be placed in that division.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(10) The following report from the Comptroller of contracts executed since the last report:

CONTRACTS EXECUTED BY THE COMPTROLLER

MARCH 7, 1933, TO APRIL 4, 1933

The Illinois State Board for Vocational Education to pay regular fees to the University for instruction to be rendered as follows:

To Whom	*Instruction in*	*Date*	*Tenure*
Esther C. Brown	Fine and Applied Arts	March 1, 1933	One semester from February 6, 1933

Leases renewed under general regulations of the Board of Trustees:

Leased to	*Property*	*Rental*	*Date*	*Tenure*
Peter Scholl	Residence at 1207 West Stoughton Street, Urbana, Illinois	$20 per month	March 2, 1933	Six months from March 1, 1933

This report was received for record.

APPROPRIATION FOR AUDITS

(11) A recommendation that an appropriation of $900 be made from the Reserve and Contingent Fund to cover the expense of audits of University accounts during the present fiscal year. This is to supplement the assignment made in the budget for the current year, which was not sufficient to cover the services later required by the Board.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer; no, none; absent, Mr. Barr, Mr. Horner, Mr. Trees, Mr. Williams.

LEAVE OF ABSENCE FOR MISS JOSIE B. HOUCHENS

(12) A recommendation that Miss Josie B. Houchens, Binding Librarian, be given leave of absence without pay for one month during the summer to enable her to teach in the Summer Session of Columbia University.

On motion of Mrs. Freeman, this leave was granted.

PAYMENT RECEIVED FROM H. S. CAPRON, FORMER TREASURER

(13) A report from the Comptroller that he has received from H. S. Capron, former Treasurer of the University, the sum of $10,542.71 to apply on his account. This concludes the transfer to the Board of the money made available through the opening of the reorganized First National Bank in Champaign. There remains a balance of $37,028.47 due from Mr. Capron on his account as Treasurer, which balance is due him from the receiver of the old First National Bank of Champaign.

This report was received for record.

At this point, Mr. Williams took his place with the Board.

EXCHANGE OF LOTS IN ROSELAWN CEMETERY

(14) In 1930 the University purchased certain unsold lots in Roselawn Cemetery south of the University campus for the purpose of controlling the development of that cemetery (Minutes, June 10, 1930, page 607, and July 23, 1930, page 11). On November 17, 1932, it was discovered that one of the lots in the parcel was deeded to the University in error, and that one Philip Rising holds an unrecorded deed in favor of Sarah Rising, dated October 14, 1919, for the northeast quarter of Section 65 in Block "C" in New Mount Hope Cemetery (now called Roselawn Cemetery), the plat of which is recorded on page 67 of Book "C" of the Records of Plats of Champaign County, Illinois. This was discovered the day the Rising family desired to use the plot in question for burial. In the absence of the President of the University, the Provost, without committing the University in any other way, permitted the burial to take place, feeling that the University would be criticized if permission to proceed with the burial were not given. The Rising family was anxious to use this particular plot since they own the quarter section adjoining, in which burials have already been made. The agent for the former owners of the cemetery offers the University a warranty deed for the northeast quarter of Section 11, Block "A" in return for a quit claim deed to Philip Rising for the northeast quarter of Section 65 in Block "C" in order that the University may have title to the same number of lots deeded to it and at the same time give the Rising family title to the section which they were permitted to use last fall. If there is any choice as to the desirability of the two lots it is slightly in favor of the lot which is being offered in exchange. The agent has agreed to stand all the expense of recording the documents incidental to the transfer. I recommend that this offer be accepted with the understanding that all details of the transfer be approved by the University Counsel.

On motion of Mr. Blair, this recommendation was adopted.

RENTAL FOR OLD MEDICAL BUILDING

(15) A report from the Comptroller concerning the amount due the University from the Goodwill Industries for rental of the Old Medical Building.

This report was received for record.

QUARTERS FOR STATE DEPARTMENT OF PUBLIC HEALTH IN COLLEGE OF MEDICINE BUILDING

(16) A request from the Director of the State Department of Public Health for office space in the College of Medicine Building for his use in directing the activities of the Department while in Chicago. The arrangement will undoubtedly be of advantage to both parties, since the Department and the University have been cooperating in work on problems of mutual interest. The Dean of the College recommends approval.

On motion of Dr. Meyer, the President of the University and the Dean of the College of Medicine were authorized to make a temporary grant of space to the State Department of Public Health, terminable

on sixty days notice, and not to extend beyond January 1, 1934, unless renewed.

REVISED BUDGET ESTIMATE FOR THE BIENNIUM 1933-35

(General funds only, excluding all funds restricted as to use)

(17) At the meeting of last December, the Board approved a budget of state appropriation requests for the coming biennium amounting to a total of $8,900,000, or $4,450,000 a year. This budget was based on estimated total expenses of the various divisions of the University for the coming biennium amounting to $5,407,400 a year, this figure including income from student fees, certain Federal funds, and miscellaneous receipts as well as from state appropriations. The budget as approved at that time allowed for a reduction in salaries amounting to 10% on the amount of each salary above $1,000, which reduction was later made effective March 1, 1933.

In the past few weeks this budget has been carefully restudied in the light of present conditions and prospects of enrollment for the coming year. The total of the revised estimates of the various divisions and activities is $5,053,000, of which $973,000 will be available from student fees and other University income, leaving a total of $4,080,000 needed as an annual state appropriation to meet this revised budget.

The proposed budget would represent a reduction of 17.4% in the annual state appropriation for current expense for the present biennium. It would represent a reduction of 37.8% from the actual expenditures made from state funds in the year 1930-31, in which year the state paid out for the University the largest amount of any year in its history.

A further reduction of $175,000 a year, or $350,000 for the biennium, could be effected by an additional salary cut of 5% on salaries below $6000, and 6% on $6000 and above (applied to the original salaries as fixed in the budget of July, 1932). Under this plan, the total askings from the State would be $7,810,000 for the biennium.

On motion of Dr. Meyer, the President of the University was authorized to take steps to secure an appropriation from the General Assembly of $7,810,000 for the next biennium.

NEEDS OF THE COLLEGE OF AGRICULTURE

At this point, Dean Mumford made a statement concerning the needs of the College of Agriculture and the Agricultural Experiment Station.

DATE OF MAY MEETING

The May meeting was set for 10 o'clock a.m. Wednesday, May 24, 1933, at the Palmer House, in Chicago.

GRADUATE SCHOLARSHIPS AND FELLOWSHIPS

The Secretary presented for record the following list of graduate scholars and fellows in the Economics of Public Utilities appointed by the President of the University.

William H. Taylor	Fellowship	700
John J. Thornborrow	Fellowship	500
Merle C. Turney	Scholarship	300
Theodore L. Whitesel	Fellowship	500

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented also for record a list of appointments made by the President of the University.

Dorman, Henry P., Assistant in Medicine, in the Department of Internal Medicine, in the College of Medicine, for five months beginning April 1, 1933, without salary. (March 28, 1933)[1]

Downey, Evalynn, to give instruction in Physical Education in the Summer Session of 1933, on one-half time, beginning June 19 and ending August 12, 1933, at a cash compensation of one hundred eighty dollars ($180) for the session. (March 20, 1933)

Kaplan, Morris A., Assistant in Medicine, in the Department of Internal Medicine, in the College of Medicine, beginning March 15, 1933, and continuing until September 1, 1933, without salary. (March 16, 1933)

Shellow, H., Assistant in Dermatology, in the College of Medicine, on one-twelfth time, for seven months beginning February 1, 1933, at a cash compensation of two hundred forty dollars ($240) a year (this supersedes his previous appointment). (March 20, 1933)

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 20, 1933

A special meeting of the Board of Trustees of the University of Illinois was held in Springfield at four o'clock p.m. on Thursday, April 20, 1933, pursuant to the following notice which was sent out by the Secretary on April 14, 1933:

On the call of the President, Mr. Edward E. Barrett, a special meeting of the Board of Trustees of the University of Illinois will be held at 4 o'clock p.m. on Thursday, April 20, 1933, in the Governor's office, in the State House, in Springfield, to consider matters connected with the University State Budget.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Freeman, Governor Horner, Dr. Meyer, Mr. Williams. President Chase was present; also Professor Morey, Judge Johnson, and Mr. Janata, for the University; Senator Rollo M. Shaw, Chairman of the Senate Committee on Appropriations; Representatives John Devine, Gus Johnson, and David Shanahan, of the House Committee on Appropriations; Director Joseph J. Rice and Mr. William H. McLain, of the State Department of Finance; and Mr. H. L. Henderson.

SUMMARY OF BUDGET REQUIREMENTS

President Chase presented the following statement of the financial requirements of the University for the coming biennium:

The last Legislature appropriated to the University $11,280,000 aside from special restricted funds. Of this amount $1,400,000 was for the second unit of its medical and dental campus in Chicago, and the remainder—$9,880,000—for operating purposes for the biennium. The University made up its budget on that basis and operated on that basis from July to December. This is the amount, therefore, from which it has had to shrink. Its actual expenditures from these State appropriations during the biennium, however, will amount only to $8,480,631. In other words, it has not utilized the $1,400,000 for buildings and in addition has reduced its operating expenditures from State funds by $1,400,000 during the biennium, making a total of $2,800,000 not expended of its appropriation.

In its operations for the current biennium it has, furthermore, used up all surplus and contingent funds from non-State sources, including a contingent fund of $208,000 carried over from the fiscal year 1930-31 into the present biennium and a fund of a quarter of a million dollars which represents the accumulated earnings of its Residence Halls over a period of years. In the past these earnings have been used to build new units of the Residence Halls, but under present conditions the Board felt they should be released into general income. These surpluses, once used, are gone and the University goes into the next biennium with no surplus or contingent fund in its budget.

For the coming biennium, the University requests a State appropriation of $7,810,000, all for operating expenses. No appropriation for capital purposes is requested, although the need is still pressing for the completion of the Medical and Dental group in Chicago, for which an appropriation was made two years ago which has not been used. The present request represents a decrease of 31% from the total appropriation of the current biennium and 21% in the appropriation for current expenses. It is 8% less than the actual expenditures from State funds during the present biennium although these expenditures have been on a greatly reduced basis as compared with the preceding biennium.

In addition to the general appropriation, the State also appropriates to the University the amount received from the Federal Government for the support of the University, $50,000 per year. It must also appropriate $32,451 per year to cover the interest on the endowment fund from the U. S. Land Grant Act of 1862. In recent biennial periods, an appropriation has also been made at the behest of interested parties, for the maintenance of an Agricultural Experiment Station in Cook County, the amount for the current biennium being $30,000. The grand total of all of these appropriations for the current biennium is $11,475,000, while the total request for 1933-35 is $7,974,902. The latter figure does not include any provision for the Cook County Station, but a separate appropriation bill for $20,000 has been introduced by its sponsors.

The general operating expenses of the University are met not only by State appropriations but also in part by the income from student fees, sales of products, and miscellaneous income. These items together with the State appropriation just described make up the total operating budget of $5,078,000 per year for the coming biennium. The total estimate for *salaries and wages* is $4,100,000 per year, of which $800,000 is met from sources other than the general State appropriation, and $3,300,000 is requested from the State. The present State appropriation is $3,675,000 per year. A salary cut of 10% on the amount of each salary above $1000 was put into effect March 1, 1933. The proposed budget contemplates a reduction on the full salary of all members of the staff, effective July 1, 1933, based on a sliding scale of from five to fifteen per cent, under the original salary and wage basis.

Appropriations requested for items of *expense other than salaries and wages* are on the average 52% under the present appropriations.

The University also receives certain funds, the uses of which are specified by parties other than the State. Such funds include Federal appropriations for agricultural research and extension and gifts from private concerns or individuals for various purposes. In 1930-31 the University expended $8,663,568 for all purposes, both current and capital. For 1933-35 the estimated annual expenditures are $5,478,000, a decrease of 37%. In current expense alone the decrease from the high point of 1931-32 is 18%.

Two charts are appended showing the comparison of the proposed budget with the budgets for each year of the past decade. *Chart D* shows State appropriations during this period, and indicates that the proposed appropriation is on a basis lower than at any time since 1921. *Chart E* shows that the total operating budget is lower than at any time since 1922.

This budget is based on detailed estimates covering every department and activity of the University. In other words, it is a built-up budget and not merely a general estimate. The actual expense of the individual departments during the biennium may vary to some degree from the present estimates. Every possible economy which can be discovered will be taken advantage of. Considering the fact, however, that the budget contains no contingent fund and considering the great variety of the University's activities and the difficulty of forecasting the demands on the various departments for two years in advance, the present budget is on a most conservative basis as to total.

Professor Morey explained the schedules attached to President Chase's statement.

A general discussion followed, and the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

May 15, 1933

A special meeting of the Board of Trustees of the University of Illinois was held at 10 o'clock a. m. (Chicago time) on Monday, May 15, 1933, at the Palmer House, in Chicago, pursuant to the following notice which was sent out by the Secretary on May 8, 1933:

On the call of the President, Mr. Edward E. Barrett, a special meeting of the Board of Trustees of the University of Illinois will be held at the Palmer House, in Chicago, at 10 o'clock a. m. (Chicago time) on Monday, May 15, 1933, to consider budgetary matters and particularly the attitude of the Board to certain proposed legislation to require the payment of fees and other receipts of the University into the State Treasury.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Williams.

President Chase was present; also Judge Johnson and Professor Morey.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

HOUSE BILL 828 (DEPOSIT OF UNIVERSITY FUNDS IN STATE TREASURY)

(1) A statement concerning House Bill 828 presented by Representative Devine on May 2, 1933, and referred to the Revenue Committee.

On motion of Dr. Meyer, the following resolution was unanimously adopted.

WHEREAS, House Bill 828 will, if enacted into law, seriously affect the operations of the University of Illinois,

NOW, THEREFORE, BE IT RESOLVED: That the Revenue Committee of the House, to which House Bill 828 was referred, be requested, in connection with the consideration of the bill, to make full and complete inquiry into the methods adopted by the Board of Trustees of the University of Illinois for carrying on its business operations and for the safeguarding of funds in its custody, to the end that the action of the Revenue Committee on this Bill may be in accordance with the best interests of the state as a whole.

The Board hereby tenders the Revenue Committee complete access to its records bearing on the matter under consideration and offers full cooperation to the Committee so that all pertinent facts may be made available for its use.

HANDLING OF FINANCES

(2) The following statement:

MANAGEMENT OF UNIVERSITY FINANCES

Funds received by the University of Illinois come from various sources. There are State appropriations which make up by far the largest share of its revenue. These funds remain in the State Treasury and are paid out only on specific requisitions for definite stated purposes made by the Board of Trustees. Two items are included in the funds appropriated by the State which are paid to the University in lump sums. These are, first, the annual interest on the land-grant endowment of the University by the Federal Government, the principal of which was taken over by the State nearly forty years ago with the understanding that interest at five per cent should be paid to the University on this fund given the University by the Federal Government. This amounts to $32,451 annually. Second, there is an item of $50,000 assigned annually for the University by the Federal Government, which is appropriated by the Federal Government to the State on the understanding that it will be reappropriated to the University. These funds are all shown in the appropriation bill.

In addition to the above, the University has funds from the following sources: Receipts from student fees, from its experimental farms, its dairy, the cafeteria operated by the students in its Department of Home Economics, from room and board in its Residence Halls for Women; from gifts for specific purposes by individuals; and federal funds for specific purposes appropriated directly to the University by the Federal Government and amounting last year to $376,000. Excluding these federal funds, which are available only for specific purposes in accordance with acts of Congress, the funds available to the University from other sources than its State appropriation will, it is estimated, amount next year to approximately $1,100,000, of which about $800,000 will be in student fees. Detail of these receipts for 1931-32, the last complete fiscal year, is shown in Schedule A, attached.

The income available for general use is calculated by the University, and the State is asked to appropriate only the balance necessary to make up the

University budget after all such sources of revenue are taken into account. The income from the sources above referred to is not handled through the State Treasury, but by a treasurer selected by the Board of Trustees. The Board of Trustees of the University of Illinois is and always has been a corporation under the laws of the State with the usual corporate rights and responsibilities. Among the responsibilities imposed on it by its charter is that of selecting a treasurer for the custody of University funds other than those appropriated by the State.

The trustees have exercised the utmost care in the handling of these funds. The University has come through the disturbed banking conditions of the last few years without loss and with an item of only $37,006.87 temporarily tied up on account of the closing, in January, 1932, of the First National Bank of Champaign, in which it kept its funds. This amount is safeguarded in two ways: first, by the participation of the University in the payment of further dividends from the predecessor bank, and second, by the personal bond for $2,000,000, still in force, and executed by five responsible citizens. Furthermore, except for an item of $10,000 this amount is made up of trust funds which are on any interpretation the corporate property of the University itself.

In view of the disturbed financial conditions in recent years the Board has steadily sought to safeguard funds in the hands of its Treasurer by more and more stringent provisions. Prior to 1930 the Board followed the then prevailing practice of requiring a sufficient personal bond from thoroughly responsible people. When Mr. A. M. Burke was re-elected Treasurer in March, 1929, he tendered a personal surety bond of $1,500,000, signed by nine citizens of the community whose aggregate worth was more than five million dollars. Mr. Burke selected the Citizens State Bank of Champaign, of which he was an officer, as the depository of funds in the custody of the Board of Trustees.

In December, 1929, the Citizens State Bank of Champaign was taken over by the First National Bank of Champaign. Had this not been the case the Board would still have had what at that time was a thoroughly good personal bond for the entire amount on deposit with the Citizens Bank, and there is no reason to believe that the University would have suffered any loss.

Mr. Hazen S. Capron, Vice-President of the First National Bank of Champaign, was elected Treasurer to succeed Mr. Burke on December 12, 1929. He submitted bonds in the penal sum of two million dollars, executed by two responsible surety companies, insuring among other things that the Treasurer would account for all moneys and properties belonging to the Board which might come into his custody as Treasurer. Mr. Capron selected the First National Bank of Champaign as his depository. In March, 1931, on the occasion of Mr. Capron's re-election as Treasurer the following arrangement was made. The depository bank was required and did deposit as collateral Government bonds to cover the deposit, and in addition, a personal bond for $2,000,000 was taken, signed by five responsible residents of the community of Champaign-Urbana.

In January, 1932, the First National Bank of Champaign closed. The Government securities deposited as collateral were taken over by the Board and sold, the arrangement having been upheld by the Comptroller of the Currency. From this sale and from payments made by the reorganized bank was realized an amount sufficient to cover the entire deposit with the exception of the $37,006.87 above referred to, which as explained above, is still covered by personal bond and by segregated assets of the predecessor bank.

In February, 1932, Mr. Frank M. Gordon, Vice-President of the First National Bank of Chicago, was elected Treasurer of the University. The substance of the agreement between him and the Board protects the deposits of the University, first, by a bond in the sum of one million dollars, executed by a surety company, and, second, by the deposit of securities of the United States Government of the market value equivalent to the full amount of the University deposit in the bank. These securities are in the custody of the First Union Trust & Savings Bank of Chicago and are subject to the control of the University itself insofar as withdrawals of securities are concerned.

Operations carried on by the University are checked as follows:

Money collected in any department of the University, for any purpose, is turned in daily to the Bursar, of the Comptroller's Office. The Bursar is required to deposit his total receipts at once to the credit of the Treasurer in the depository bank selected as already described. The transactions of the Bursar and of all departments collecting money are subjected to continuous check by a separate division of the Comptroller's Office.

Money deposited to the credit of the Treasurer cannot be drawn against by the latter. It is disbursed by the bank on warrants drawn against the Treasurer payable at the bank. These warrants are issued only in payment of bills incurred in accordance with assignments of funds made by the Board of Trustees, and are signed by the President and the Secretary of the Board or responsible deputies. All employees who handle money or sign warrants are under bond. The account of the Treasurer is verified monthly by the Comptroller, and quarterly by independent public accountants reporting directly to the Board.

Securities representing the investment of permanent funds are deposited with a trust company for safekeeping. This company collects interest and principal and deposits the same at the depository bank in the same manner as other receipts. These matters are verified regularly in the same manner as are the accounts of the Treasurer. No security may be disposed of except as a result of action of the Board of Trustees and notice by it to the trust company.

Quarterly reports are made by the University Comptroller to the Governor under oath, showing the disposition of all funds, regardless of source, whether State appropriations or the above described general funds of the University.

SCHEDULE A	*Receipts for 1931-32*
Student fees	$1 074 340
Sales of products of experimental farms	109 531
Receipts of experimental dairy, and of cafeteria operated by Home Economics Department (both of these activities are self-supporting)	82 842
Receipts of Medical and Dental clinics	68 785
Federal Smith-Hughes Fund for vocational education	15 370
Miscellaneous sources	72 531
Total	$1 423 399

The Board of Trustees also receives and handles certain funds which may be used only for certain purposes designated by outside parties:

Federal grants for agricultural research and extension	$ 376 573
Gifts for research and other special purposes, and income on endowments for special purposes	203 660
Total restricted income	$ 580 233

In addition to the above, the University operates three residence halls housing about ten per cent of its women students. The income from these halls is applied mainly to their operation. A small hospital for students and faculty, built by private gift, is also maintained. The gross receipts from these activities for 1931-32 were $165,125.

Repayments of student loans created by private gift, together with interest from the same, and proceeds of sales or maturities of investments of endowment funds created by private gift, are also handled through the University treasury.

This statement was approved and adopted. It was the sense of the Board that a copy of this statement be sent to each member of the General Assembly.

PRESIDENT'S HOUSE

(3) The following statement:

THE PRESIDENT'S HOUSE

Historical

For many years it had been felt by the Board of Trustees of the University that there should be provided a house which would serve, not alone as a personal residence for the President, but as the official headquarters of the University for various public affairs. With its large faculty and student body and its many visitors from outside, it was felt that the University was in need of such a building, and for two or three years prior to the construction sums were set aside from unexpended balances from University income other than from State sources toward the cost of such a house.

At the January, 1928, meeting of the Board of Trustees the building of such a house was definitely agreed on as the result of the report of a special committee which had been studying the matter for some time. At that time a report was adopted stating that a President's House should be provided and that the University's Supervising Architect and Mr. Charles A. Platt should prepare preliminary plans for such a house. Mr. Platt was retained by the Board as a consulting architect in 1921 because he is one of the outstanding authorities on the type of architecture which the Board had selected for the new buildings which have been erected since that time. The President's House being a part of a campus group of buildings, it was of course desirable that it should harmonize architecturally with other University buildings.

Work was begun on the plans, and on the 15th of November, 1929, preliminary plans and sketches for the house were presented by the Supervising Architect. On March 11, 1930, revised plans were submitted and the Supervising Architect was authorized to take bids.

The location of the house, which was determined by the Board, was on the basis of the fact that the Department of Horticulture at the University has long been planning to develop a twenty-acre tract south of the Campus as a laboratory for landscape gardening, floriculture, etc., and it was felt that the house should be placed where it could have the advantage of being located in conjunction with such a landscaping development.

On September 17, 1930, the final detailed drawings were presented to the Board, developed without any material change—either in plan or design—from the studies formerly presented. In the meantime, in July, 1930, a Trustees' Committee on Furnishings for the building was appointed.

Financial

The total cost of the house was $152,176.22. Contracts were let to the lowest bidders and are a matter of record in the published minutes of the Board. The cost of all furnishings amounted to $43,324.36. In arranging for the furnishings, bids were received by the Trustees' Committee on Furnishings from numerous sources. The suggested lay-outs in each case were examined by the Committee and the contracts placed with regard to price, quality, and character of materials submitted. The total cost of the house and furnishings thus ran to $195,500.58. The cost of the furnishings is in normal proportion to the cost of the house. In the case of small private homes the proportion of the cost of the furnishings to the cost of the house is often larger than in the case of the President's House.

A total of $11,738.21 was also expended in developing that part of the horticultural tract just around the house as the beginnings of the development above referred to, which was the deciding factor in the location of the house. Funds would have been expended for this purpose, whether or not a house was built, since the horticultural interests need an arboretum for their teaching and research work. However, if the above charge is included in the expenditures of the house the total becomes $207,238.79.

The above figures include all architectural charges, both at Urbana and the charges of the Consulting Architect's Office, both amounting to a total of $17,557.79. It should be stated that the amounts allocated to the University's Super-

vising Architect's Office in this connection were not in addition to the salaries received by the men in this office, but that it has been the custom of the University during the years when its building program was going forward to distribute the salaries paid for architectural services rendered by that office among the costs of the projects under construction.

Uses of the House

The University has few facilities outside this house for special functions, and it was, first of all, the University's recognition of that fact and for the need of such facilities which led to the development of plans for the house. Since its occupancy the house has been used for the entertainment of distinguished official guests who have come to the University for one reason or another from California on the west to France and Germany on the east.

It has been open every Monday afternoon, and on these occasions have come week by week anywhere from thirty to one hundred and fifty or two hundred people, representing the faculty and community and near-by places, and including both men and women.

Faculty and student functions of many kinds have been held there. In addition, large groups, representing State-wide or more than local interests have been entertained, for example, Farm and Home Women, State Business and Professional Women, Rotary Clubs, Chambers of Commerce, etc. Attendance at some of these gatherings has run up to five hundred people. Furthermore, the house has from time to time been put at the disposal of special faculty, or faculty and community groups, who desired on some special occasion a place for a social meeting, the groups in such instances making their own arrangements and taking care of expenses.

Naturally the house would be too large and too expensive to maintain were it to be considered simply as a personal residence for the President. It is primarily in terms of official uses that the Board has always conceived it and that the attempt has been made to use it.

This statement was approved and adopted. It was the sense of the Board that a copy be sent to each member of the General Assembly.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

May 24, 1933

With Adjourned Sessions of May 31 and June 6, 1933

The May meeting of the Board of Trustees of the University of Illinois was held at the St. Nicholas Hotel, in Springfield, at 10 o'clock a.m. on Wednesday, May 24, 1933.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mr. Karraker, Mr. Williams.

President Chase was present; also Judge Johnson and Professor Morey.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of April 11, 1933, and April 20, 1933. On motion of Mr. Armstrong, the minutes were approved as printed on pages 205 to 215 above.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matter presented by the President of the University.

HEARING ON HOUSE BILL 828

(1) A statement that the Revenue Committee of the House of Representatives had set a hearing on House Bill 828 for 2 p.m. on this day.

This matter was discussed at length.

At 12:45 p.m. a recess was taken.

AFTERNOON SESSION, MAY 24, 1933

When the Board convened at the St. Nicholas Hotel, at 4:15 p.m. on Wednesday, May 24, 1933, the following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Freeman, Mr. Karraker, Mr. Williams.

President Chase was present; also Judge Johnson and Professor Morey.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by President Chase.

CONTRACT FOR R.O.T.C. UNIFORMS

(1) A recommendation from the Purchasing Agent and the Comptroller that the contract for uniforms for advanced R.O.T.C. students for 1933-34 be awarded to the Lilley-Ames Company of Columbus, Ohio, subject to the provision of an acceptable bond and contingent upon the continuance of payment of commutation for uniforms by the War Department. The price of uniforms is fixed by the War Department at $35 per outfit, so that competition is not based on price, but on the quality of the uniform and accessories furnished for that price. Nine out of ten manufacturers and outfitters which were invited to compete submitted garments and samples of all items, which were carefully examined and compared by officers of the Military Department and the Purchasing Agent. It is their opinion that the samples submitted by the Lilley-Ames Company are so far superior to the others that their proposal is the most advantageous.

On motion of Mr. Armstrong, this contract was awarded as recommended.

HEARINGS ON APPROPRIATION BILLS

(2) A statement that the House and Senate Committees on Appropriations had set May 31 and June 1, respectively, for hearings on the University appropriation bills.

This report was received for record.

The Board adjourned, to meet at the St. Nicholas Hotel, in Springfield, at 11 o'clock a.m. on Wednesday, May 31, 1933.

EXECUTIVE COMMITTEE MEETING, JUNE 6, 1933

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Palmer House, in Chicago, at 10 o'clock a.m. on Tuesday, June 6, 1933. Mr. Edward E. Barrett, Chairman, Mr. George A. Barr, and Mrs. Marjorie R. Hopkins, members of the Committee, were present; also Mrs. Nellie V. Freeman and Dr. Karl A. Meyer, members of the Board of Trustees, and President Chase and Professor Morey.

MATTERS PRESENTED BY PRESIDENT CHASE

The Executive Committee considered the following matters presented by the President of the University.

AUTHORITY TO CONFER DEGREES

(1) A request for authority to confer degrees at the Commencement Exercises—in the Chicago Departments on June 9 and in the Urbana Departments on June 12—on such candidates as may be duly qualified and recommended by the University Senate.

On motion of Mrs. Hopkins, this authority was granted.

SETTLEMENT FOR UNIVERSITY AUTOMOBILE

(2) The University Counsel reports that the company which carried insurance on the car owned by Mr. James S. Huse of Iowa, who drove into the University's automobile on August 22, 1932, in which Messrs. S. E. Griffith and J. A. Morrow were riding, as a result of which Mr. Morrow was killed and the University car was completely wrecked, has offered $200 in settlement of the claim for the destruction of the automobile. The car was a 1931 Chevrolet sedan which had been driven 31,801 miles. The book value of the car was $285. The Counsel recommends that, everything considered, the offer be accepted, because, if the Board is forced to sue in Sioux City, Iowa, it will cost more than can be recovered in excess of the amount offered.

On motion of Mr. Barr, this settlement was accepted.

TITLE TO PENNSYLVANIA (MAPLE) AVENUE

(3) On October 17, 1930 (Minutes, page 109), the Board instructed its Committee on Buildings and Grounds to have a survey made of the boundaries of the University property bordering on Pennsylvania, or Maple, Avenue. This was referred to the Chicago Title and Trust Company to determine whether title to Pennsylvania Avenue was in the University or in some other person. The Company has found that the title to Pennsylvania Avenue is in the Board of Trustees of the University of Illinois, and has issued a title guarantee policy (No. 1948392) against all loss or damage not exceeding $5,000 by reason of defects in title. The policy is in the files of the Secretary of the Board. One of the conditions of the policy is that the University shall immediately notify the Chicago Title and Trust Company of any action or proceedings against the property insured, and that in case such notice is not given to the company within ten days after summons or other process is served on the University, then all liability of the company shall cease. The description of the property covered by the policy, and the description of certain exceptions not covered, are given below:

SCHEDULE A

1. The estate or interest of the party guaranteed covered by this policy: *fee simple.*

2. Description of the real estate in respect of which this policy is issued:

Parcel No. 1. The North half of the South East quarter of Section eighteen (18), Township nineteen (19) North, Range nine (9) East of the Third Principal Meridian;

Parcel No. 2. Beginning at the North West corner of the South half of the South East quarter of Section eighteen (18), Township nineteen (19) North, Range nine (9) East of the Third Principal Meridian, running thence South twenty eight (28) rods; thence East one hundred twenty (120) rods; thence North twenty eight (28) rods; thence West one hundred twenty (120) rods to the place of beginning;

Parcel No. 3. Beginning at the North East corner of the South half of the South East quarter of Section eighteen (18), Township nineteen (19) North, Range nine (9) East of the Third Principal Meridian, running thence South twenty eight (28) rods; thence West forty (40) rods; thence North twenty eight (28) rods; thence East forty (40) rods to the place of beginning;

Parcel No. 4. Beginning at the North East corner of the South West quarter of Section eighteen (18), Township nineteen (19) North, Range nine (9) East of the Third Principal Meridian; thence West eighty (80) rods to the centre of the North and South Road known as the "Cemetery Road"; thence South along the centre of said road one hundred seven and thirty one hundredths (107.30) rods; thence East eighty (80) rods; thence North on the half Section line to the place of beginning, all situated in the South half of Section eighteen (18), Township nineteen (19) North, Range nine (9) East of the Third Principal Meridian, in the City of Urbana, all in Champaign County, Illinois.

SCHEDULE B

Showing estates, defects or objections to title, and liens, charges and incumbrances thereon, which do or may now exist, and against which the company does not guarantee:

1. Rights or claims of parties in possession and questions of survey.

2. Roads and highways.

3. Variations in measurements as disclosed by the subdivision of South West quarter of Section 18, Township 19 North, Range 9 East of the Third Principal

Meridian, in partition proceedings in the Circuit Court of Champaign County, Illinois, on October 18, 1854, and blue prints submitted on April 11, 1931, by the University of Illinois showing the location of Pennsylvania or Maple Avenue. Also shown in subdivision by Thomas B. Kyle on August 29, 1877, in book "A", page 44, and in letter from M. H. Kinch to Mayor Harmon dated April 15, 1930, as to change of name from Maple Avenue to Pennsylvania Avenue.

4. Rights, if any of the public, city of Urbana, adjoining property owners in Gallivan's Addition and Mount Hope Cemetery in and to Pennsylvania Avenue or Maple Avenue.

5. Special assessment roll for Southern Ornamental lighting District filed September 12, 1925, and confirmed March 29, 1926, for $648.21 on premises in question, payable in 10 installments, the first for $66.00 and the remaining 9 for $64.69 each, payable January 2, 1927, and annually thereafter with interest on deferred payments.

6. Special assessment roll for Mathews Avenue pavement, filed June 16, 1930, and $23,105.60 on premises in question, payable in 10 installments, the first for $2,351.69 and the remaining 9 for $2,305.99 each, payable January 2, 1931, and annually thereafter with interest on deferred payments.

This report was received for record.

INTEREST ON FEDERAL FUNDS

(4) A report from the University's Comptroller that the Comptroller General of the United States recently has ruled that all interest accruing on Federal funds turned over to such institutions as the University of Illinois is the property of the United States and must be set aside and paid into the United States Treasury by the respective institutions. This ruling means that the interest paid to the University of Illinois by the depository bank of its Treasurer which is applicable to balances on hand in Federal funds must be paid into the United States Treasury instead of being turned in as general income of the University which has been the case in the past.

The Land Grant College Association is preparing to protest, but until the ruling is changed the University must be prepared to turn over this interest.

This report was received for record. On motion of Mr. Barr, the Finance Committee was requested to study this matter.

ACCIDENT COMPENSATION FOR WILLIAM GENTRY

(5) A report of the approval of a recommendation from the Committee on Accident Compensation for Employees that William Gentry, formerly employed for irregular periods at the Agricultural Experiment Station at Toledo, Illinois, who was injured on September 30, 1932, while operating a roller, be paid $100 as compensation for his injury in consideration of a full release by him to the University and to the State from all further claims, in addition to payment of medical bill amounting to $10.75. He has indicated his willingness to accept this settlement. The accident occurred before the change in the method of dealing with these cases.

This report was received for record.

LEAVE OF ABSENCE FOR JOSE A. BALSEIRO

(6) A recommendation from the Head of the Department of Romance Languages and the Dean of the College of Liberal Arts and Sciences that Associate Professor Jose A. Balseiro be given leave of absence without pay, for one year from September 1, 1933, in order that he may serve as visiting professor at the University of Porto Rico.

On motion of Mrs. Hopkins, this leave was granted.

SICK LEAVE FOR MISS HONORA CARRIGAN

(7) A report that Miss Honora Carrigan, a nurse in the University's Dispensary, has been granted sick leave for six months without pay, beginning May 1, 1933.

This report was received for record.

PLYM FELLOWSHIP AND SCHOLARSHIP APPOINTMENTS

(8) The following appointments have been made to the Plym Fellowship and Plym Foreign Scholarship:

Kenneth Nels Lind, 805 South Lincoln Avenue, Urbana, to the Twentieth Plym

Fellowship in Architecture; and Trace Christenson, Jr., 1202 East Main Street, Stoughton, Wisconsin, as alternate.

E. Todd Wheeler, 265 Wood Court, Wilmette, Illinois, to the Tenth Plym Foreign Scholarship in Architectural Engineering; and Richart L. Troxell, 4443 Ellis Avenue, Chicago, as alternate.

This report was received for record.

APPOINTMENT OF DR. CHARLES ZELENY AS HEAD OF THE DEPARTMENT OF ZOOLOGY

(9) A recommendation that Professor Charles Zeleny be appointed Head of the Department of Zoology and Professor of Zoology on indefinite tenure beginning September 1, 1933, at a basic salary of $6,500 subject to the reduction in salaries adopted by the Board effective March 1, 1933, and to any subsequent reductions which may go into effect in the future.

On motion of Mr. Barr, this appointment was made.

APPOINTMENT OF EDWIN C. AUSTIN AS MEMBER OF BOARD OF EXAMINERS IN ACCOUNTANCY

(10) A recommendation from the Committee on Accountancy that Edwin C. Austin of the firm of Cutting, Moore, and Sidley, of Chicago, be appointed the law member of the Board of Examiners in Accountancy for three years beginning July 1, 1933, to succeed Mr. Stuart Templeton whose term expires this year.

On motion of Mr. Barr, this appointment was made.

UNIVERSITY CHORUS FEE

(11) A recommendation that the fees for membership in the University Chorus be reduced from $1.00 per semester to $.50, effective September 1, 1933.

On motion of Mrs. Hopkins, this recommendation was adopted.

COLLEGE OF DENTISTRY SUMMER SESSION FEES

(12) A recommendation that the following fees be authorized for the Summer Session in the College of Dentistry:

	Tuition Fee	*Infirmary Fee*	*Total*
Residents of Illinois	$12.50	$12.50	$25.00
Non-Residents of Illinois	22.50	12.50	35.00

The present fees, approved July 13, 1932, are $50.00 for residents and $75.00 for non-residents, each of these including $20.00 as an infirmary fee. Prior to last year the fees were $25.00 and $30.00, respectively, so that the present proposal is to put the fees back to approximately what they were prior to the increase in 1932.

I recommend approval.

On motion of Mr. Barr, these fees were approved.

CONTRACT WITH NATIONAL WARM AIR HEATING ASSOCIATION

(13) A request from the National Warm Air Heating Association that its cooperative agreement for investigations of warm air heating be extended for one year from April 16, 1933, with the provision that the Association will pay $3,500 instead of $5,000 toward the expenses of the investigation.

On motion of Mrs. Hopkins, this extension was authorized.

CHANGE IN TERMS OF AGREEMENT FOR INVESTIGATION OF HEATING AND VENTILATING

(14) The American Society of Heating and Ventilating Engineers requests that the terms of its contract (which was executed for a period of three years and is in force until April 1, 1934) for a cooperative investigation of heating and ventilating be modified to reduce the annual contribution of the Society for the year 1933 from $5,000 to $3,900. The Society finds it necessary to request this modification because of its own reduced financial resources.

I recommend approval.

On motion of Mr. Barr, this modification was approved.

LEASE OF LAND FROM MRS. ETTA L. PERCIVAL FOR DAIRY HUSBANDRY DEPARTMENT

(15) A report that the Comptroller and Secretary of the Board were authorized to execute an agreement with Mrs. Etta L. Percival for the lease of forty acres of her land south of the University farms during the growing season of 1933. Under the terms of the lease the University will give Mrs. Percival two-fifths of the crop in lieu of cash for the use of the land. It is necessary for the department either to raise feed for its stock or to purchase it, and this arrangement will save the University considerable money.

This report was received for record.

MEDICAL BUILDING

(16) A letter from Messrs. Granger and Bollenbacher, Architects for the new Medical building, suggesting that funds be borrowed from the Reconstruction Finance Corporation for the construction of the Medical and Dental Laboratories Building.

This report was received for record.

REPORT OF PURCHASES

(17) The following report of purchases authorized by the President since the last report:

Kalamazoo Railway Supply Company, a power car for standard guage track at a cost of $1,475 for use in a special cooperative research project paid for entirely from private funds.

Moser Paper Company, one car (18 tons) 25x38—60 lb. English finish book paper for publications of the Agricultural Extension Service at a cost of $5.15 cwt., f.o.b. Urbana, or approximately $1,850. (This item is chargeable to Federal funds and money is on hand to cover purchase.)

Producers Commission Association, Kansas City, Missouri, 42 head of shorthorn steers at approximately $1,800. (Paid out of Federal funds.)

E. H. Sargent and Company, Chicago, 121 cases Pyrex Laboratory Glassware, approximately $2,300, for Summer School laboratory requirements. This is a non-competitive item sold at established list prices subject to trade discounts on orders for 100 or more cases.

This report was received for record.

REPORT OF CARTER-PENNELL FARMS

(18) The report of the Carter-Pennell Farms for the period from March 1, 1932, to February 28, 1933.

On motion of Mr. Barr, this report was referred to the Committee on Agriculture.

QUARTERLY REPORT OF THE COMPTROLLER

(19) The quarterly report of the Comptroller as at March 31, 1933.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(20) The following report from the Comptroller of contracts executed since the last report:

CONTRACTS EXECUTED BY THE COMPTROLLER

APRIL 4, 1933 TO MAY 17, 1933

Cooperative research agreement executed in accordance with gift reported to the Board of Trustees in their meeting of April 11, 1933:

This report was received for record.

EMERGENCY LOAN FUND IN THE CHICAGO DEPARTMENTS

(21) Portions of the unemployment relief funds raised in the Colleges of Medicine, Dentistry, and Pharmacy have been used as loan funds to relieve students in serious distress, the following amounts having been assigned for this purpose: Medicine, $1,065.98; Dentistry, $465.33; Pharmacy, $185.00.

These funds are offered the Board of Trustees for use for emergency loans to students in these colleges on the recommendation of the dean of the college with the approval of the Comptroller. In the operation of this plan the Comptroller's representative in Chicago—the Business Agent for the Chicago Departments—is authorized to act for the Comptroller so that loans can be made expeditiously. These funds are similar to the loan fund established by the faculty in the Urbana Departments in connection with the fund it raised for unemployment relief. They are not, therefore, in the same class as regular loan funds, the loans in most cases being small amounts for short periods and for emergency purposes.

I recommend acceptance.

On motion of Mrs. Hopkins, these funds were accepted.

GIFTS TO THE UNIVERSITY

(22) The following report of gifts to the University received since the last report:

From the National Warm Air Heating Association, $1,000 as an additional grant to the Department of Mechanical Engineering to aid in the research project on "Summer Cooling," which that department is carrying on.

From the American Society of Mechanical Engineers, $500 for the study of the effect of repeated stresses on nickel-chromium steels under high temperature. (A continuation of the fund originally accepted by the Board of Trustees, October 30, 1931—Minutes, page 469).

From the Chicago Illinae Club, $55 as an addition to its loan fund. (Fund originally accepted by the Board of Trustees on June 26, 1931—Minutes, page 372).

From the Vogt Brothers Manufacturing Company, $100 in April and $75 in May for an investigation of devices for aeration of sewage. (Original contract approved by Board of Trustees October 17, 1930—Minutes, page 98).

From Mrs. A. H. Lybyer, wife of Professor Lybyer of the University's Department of History, marble copy of Venus de Medici to the College of Fine and Applied Arts.

From W. M. Wilson, $100, Lincoln Sand and Gravel Company, $25.30, and Universal Atlas Cement Company, $52—totaling $177.30—for research work in concrete arch investigation. (Fund originally accepted by Board on June 11, 1932—Minutes, page 611).

From Robert Allerton, of Monticello, $800 for the continuation of the American Traveling Scholarships in Architecture during the current year. (Fund originally accepted by Board on November 16, 1928—Minutes, page 81).

This report was received for record.

AGREEMENT WITH THE AMERICAN DRY MILK INSTITUTE, INC., FOR COOPERATIVE RESEARCH

(23) A proposal from the American Dry Milk Institute for a cooperative investigation to study the effect of high temperatures upon the nutritive value of dry skimmed

milk, to be carried on by the Agricultural Experiment Station. The agreement is for one year beginning July 1, 1933, with provision for its extension, and the Institute agrees to pay the sum of $1,300 in quarterly installments to pay the stipend of a special research assistant and for the purchase of any materials required in this investigation.

On motion of Mrs. Hopkins, this agreement was authorized.

REPORT OF AUDIT OF UNIVERSITY ACCOUNTS

(24) The report from Arthur Andersen & Company, Auditors and Accountants, of their audit of the University's accounts for the quarter ending March 31, 1933.

This report was received for record.

HART MORTGAGE

(25) A report of progress on the matter of the Hart Mortgage.

This report was received for record.

CURRICULUM IN APPLIED OPTICS DISCONTINUED

(26) A recommendation from the University Senate that the curriculum in applied optics in the College of Liberal Arts and Sciences be discontinued. This curriculum has attracted very few students.

On motion of Mr. Barr, this curriculum was discontinued.

The Executive Committee adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 16, 1933

With Emergency Meeting of June 27, 1933

The June meeting of the Board of Trustees of the University of Illinois was held at the Palmer House, in Chicago, at 10 o'clock a.m. on Friday, June 16, 1933.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams.

President Chase was present; also Judge Johnson and Professor Morey.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of May 15, 1933.

On motion of Mrs. Hopkins, the minutes were approved as printed on pages 217 to 222 above.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

APPROPRIATION FOR INJURIES TO EMPLOYEES

(1) A request from the Comptroller that an appropriation of $1,000, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to cover additional expenditures in the appropriation for injuries to employees.

I recommend that this appropriation be made.

On motion of Mrs. Hopkins, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Hopkins, Mr. Karraker, Mr. Williams; no, none; absent, Mr. Blair, Mrs. Freeman, Mr. Horner, Dr. Meyer, Mr. Trees.

At this point, Dr. Meyer and Mr. Trees took their places with the Board.

APPROPRIATION FOR McKINLEY HOSPITAL

(2) A recommendation from the Comptroller that an appropriation of $8,500, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to cover expenses of the McKinley Hospital for the year ending June 30, 1933, in excess of the income of the Hospital.

I concur in this recommendation.

On motion of Mr. Barr, this matter was referred to the Executive Committee, with power to act.

At this point, Mrs. Freeman took her place with the Board.

ACCIDENTS TO COOPERATIVE RESEARCH EMPLOYEES

(3) A recommendation from the Comptroller and the University Counsel that the Board of Trustees rescind its action of January 9, 1929 (Minutes, page 116), which provides that liability insurance shall be carried covering all persons engaged in cooperative research work, and that accident cases of such persons be dealt with in the same manner as accidents suffered by other employees of the University—through the State Court of Claims. This will make our practice in such cases consistent with the policy adopted by the Board of Trustees in discontinuing payment of compensation for accidents.

On motion of Mr. Barr, this recommendation was adopted.

GIFTS TO THE UNIVERSITY

(4) The following report of gifts to the University received since the last report:

Elizabeth Thompson Science Fund, $300 to be applied to the expense of feed and care of test animals used by Professor E. A. Culler of the Department of Psychology in his research work during the fiscal year beginning July 1, 1933. ($100, representing the initial payment of this grant, has already been received and deposited.)

Mrs. William Trelease, a painting of "Mount Cook at Eventide" to the College of Fine and Applied Arts. (Mrs. Trelease is the wife of Dr. William Trelease, Professor of Botany, *Emeritus,* on the University's faculty.)

Colonel Robert Isham Randolph, $100 for the Student Loan Fund of the University's College of Medicine.

This report was received for record.

DELEGATION OF SIGNATURES

(5) A recommendation from the Comptroller that the resolution adopted by the Board of Trustees on March 14, 1933 (Minutes, page 200), be amended by the substitution of the following for the third paragraph of said resolution:

"The Secretary of the Board of Trustees is authorized to delegate to H. C. Oesterling, and to Miss Anna L. Neuber, authority to sign his name as Secretary

of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer covering vouchers approved in accordance with the regulations of the Board."

On motion of Mr. Trees, this recommendation was adopted.

DEPOSIT OF UNIVERSITY FUNDS IN STATE TREASURY

(6) There are before the General Assembly of Illinois two bills providing that the gross amount of money received by the University of Illinois from whatever source be paid into the State Treasury, viz.

House Bill 828, the effect of which is to transfer all funds, trust and otherwise, to the State Treasury and to place University finances under the jurisdiction of the State Auditor of Public Accounts by making the University subject to "An Act in relation to the payment of the public money of the State into the state treasury," approved June 9, 1911, as amended.

House Bill 1062, which provides that the gross amount of money received from whatever source other than from endowment or trust or from federal aid, belonging to or for the use of the State, including amounts derived from tuition, student fees, operation of dormitories, farms and stores, shall be paid into the State treasury, and shall be placed in a special fund known as the "University of Illinois revolving fund." This bill provides that the General Assembly shall from time to time make appropriations from this fund for the support, operation, and improvement of the University. This bill amends "An Act in relation to State finance," approved June 10, 1919, as amended, but does not in any way subject the University to the control of any elected or appointed State official aside from the provisions, conditions, and limitations of the law which apply to all other State appropriations made to the University.

House Bill 828 was considered by the House Committee on Revenue on May 24, at which time representatives of the University explained the objections to the bill. The Committee reported the bill out with a recommendation that it do not pass, but the House of Representatives non-concurred in the Committee's recommendation and placed the bill upon the calendar. In order to clarify the situation the following proposals are being submitted:

1. *House Bill 828* will be stricken from the calendar and not allowed to pass.
2. *House Bill 1062* will be so amended as to leave a working cash fund with the University treasurer of not less than $100,000.
3. *Senate Bill 569*, the University's appropriation bill, will be amended by a section appropriating to the University the full amount of fees and other income which, under the provisions of House Bill 1062, the University will be required to deposit in the State Treasury.

The fundamental objections to House Bill 828 have been removed by these proposals and the only effect of such legislation will be to substitute the State treasury for the University treasurer as custodian of a part of the University's funds, and the control of the purposes for which such funds may be expended remains in the Board as heretofore.

On motion of Dr. Meyer, this arrangement was approved.

DEAN A. H. DANIELS ELECTED ACTING PRESIDENT

On motion of Mr. Trees, Dean Arthur Hill Daniels was elected Acting President of the University, to begin service when Dr. Chase shall relinquish the Presidency, and to continue, at the pleasure of the Board, until a President shall have been elected and is ready to take up the duties of the office.

On motion of Mr. Barr, President Barrett was requested to appoint a special committee of five members of the Board, of which the President of the Board should be chairman, to make a recommendation to the Board concerning the salary of the Acting President. President Barrett later appointed Mr. Barr, Mr. Williams, Mr. Trees, and Mrs. Hopkins to serve with him on this committee.

INVESTMENT OF TRUST FUNDS

Mr. Trees, for the Finance Committee, recommended that $500 of U. S. Treasury 3¾ per cent bonds, due 1946-1956, be purchased with available uninvested trust funds.

On motion of Mr. Barr, this recommendation was approved.

CONCESSION OF PRIORITY, PAINE, BROWN, TYKOCINER PATENT

On recommendation of the Patent Committee, and on motion of Mr. Williams, the Board approved the recommendation of the patent attorneys that a stipulation be entered into with Austin that the interference be dissolved immediately, it being understood that in consideration of the concession of priority by the University to Austin the assignee of Austin will give a license to the University, coupled with a right to grant licenses to others, to practice the Paine method; also that the University will grant a license to the Ohio Brass Company, assignee of Austin, to employ the method of the Paine invention; and all licenses to be without the payment of royalties.

Mr. Armstrong asked to be recorded as voting no on this motion.

DATE OF JULY MEETING

On motion of Mr. Trees, it was voted to hold the July meeting in Chicago, on the call of the President.

EMERGENCY MEETING OF JUNE 27, 1933

On the call of the President, Mr. Edward E. Barrett, an emergency meeting of the Board of Trustees was held at 11 o'clock a.m. on Tuesday, June 27, 1933, at the St. Nicholas Hotel, in Springfield.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mr. Karraker, Mr. Williams.

President Chase was present; also Mr. Janata, Professor Morey, and Judge Johnson.

STATUS OF APPROPRIATION BILL

President Chase made a statement concerning the status of the University appropriation bill. This matter was fully discussed. At 1:30 p.m. the Board took a recess, to meet in Governor Horner's office at 3:30 p.m.

AFTERNOON SESSION, JUNE 27, 1933

When the Board met with Governor Horner at the Governor's office in Springfield on the afternoon of Tuesday, June 27, 1933, the following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Freeman, Governor Horner, Mr. Karraker, Mr. Williams.

President Chase was present; also Mr. Janata, Professor Morey, and Judge Johnson.

APPROPRIATION BILL

Governor Horner stated that the financial situation of the State was so serious that he deemed it necessary to provide that $100,000 a year of the amount asked for the University be held back in a special contingency fund, to be released only with the Governor's approval. Governor Horner stated that this was an emergency measure; that he would insist that the bill in 1935 should not contain any such provision; and that he would release the funds on the request of the Board.

The Board agreed to the proposed amendment.

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 10, 1933

The July meeting of the Board of Trustees of the University of Illinois was held at the Palmer House, in Chicago, at 10 o'clock a.m. (Chicago time) on Monday, July 10, 1933.

The following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Freeman, Dr. Meyer, Mr. Trees, Mr. Williams.

President Chase was present; also Dean Daniels and Professor Morey.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of May 24, May 31, and June 6, 1933; also, for record, the minutes of a meeting of the Executive Committee held on June 6, 1933.

On motion of Mr. Armstrong, the minutes were approved and received for record as printed on pages 223 to 232 above.

AMENDMENT TO ARTICLE VI, SECTION 4, OF BY-LAWS OF THE BOARD

The Secretary presented the following draft of an amendment to the By-Laws of the Board.

Amend Section 4 of Article VI of the By-Laws of the Board of Trustees in the second paragraph, which reads:

"Such bond shall be in such amount as the Board may require from time to time, but not for less than one million dollars."

to read:

"Such bond shall be in such amount as the Board may require from time to time, but not for less than five hundred thousand dollars."

On motion of Mr. Barr, this amendment was adopted.

MATTERS PRESENTED BY PRESIDENT CHASE

The Board considered the following matters presented by the President of the University.

DEGREES TO BE CONFERRED IN AUGUST

(1) A recommendation that the Acting President be authorized to confer degrees in August at the end of the Summer Session on such candidates as may be duly qualified and have been recommended by the University Senate.

On motion of Mr. Barr, this authority was granted.

SENATE JOINT RESOLUTION NO. 36

(2) The following resolution, offered by Senator Harry C. Stuttle and adopted by the State Senate on June 29, 1933:

WHEREAS: The General Assembly of the State of Illinois has again enacted the biennial appropriation bill, providing for the maintenance and operation of the University of Illinois, without reduction in the amount requested by the Board of Trustees of the University of Illinois; and

WHEREAS: The Board of Trustees has fully and generously cooperated with this administration in its efforts to reduce public expenditure and requested and received an appropriation 31% less than the General Assembly made to it in 1931; now, therefore, be it

RESOLVED BY THE SENATE OF THE FIFTY-EIGHTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE CONCURRING HEREIN: That we express our appreciation of the record of the Board of Trustees of the University of Illinois as the elective agency charged with the duty of administering the State University, and commend it for its conscientious care in the preparation of its budgets and for the efficient manner in which the University is operated; and, be it further

RESOLVED, That the maintaining of high research and educational standards at the University of Illinois should be among the first concerns of our people and to this end we urge generous support in the future of this institution so that the reductions in salaries and operating costs, voluntarily made by the Board of Trustees because of the present economic emergency, may not result in lasting injury to the University and lessened opportunity to continue to serve the State; and be it further

RESOLVED, That this resolution be spread upon the journal of the Senate and House and a copy forwarded to the Secretary of the Board of Trustees of the University of Illinois.

This report was received for record. The matter of economy was discussed; and it was the conclusion of the Board that the University should continue its policy of effecting every possible economy.

STATE APPROPRIATION FOR 1933-1935

(3) The following is the text of the acts of the Fifty-Eighth General Assembly making appropriations to the University for the two years beginning July 1, 1933:

A BILL FOR AN ACT MAKING APPROPRIATIONS FOR THE UNIVERSITY OF ILLINOIS AND PROVIDING FOR THE EXPENDITURE THEREOF

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1: There is hereby appropriated to the University of Illinois for the two years beginning July 1, 1933, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of three million eight hundred and five thousand dollars ($3,805,000) per annum, payable as follows: Out of the University of Illinois Fund, one million nine hundred thousand dollars ($1,900,000) per annum; out of the general revenue fund, one million nine hundred five thousand dollars ($1,905,000) per annum; for the following objects and purposes:

For salaries and wages	$3,300,000	per annum
For office expenses, including printing and publications	60,000	per annum
For travel	10,000	per annum
For operation	300,000	per annum
For repairs, equipment, and minor improvements, including special assessments	135,000	per annum
Total	$3,805,000	per annum

Section 2. The appropriations made in section 1 of this Act shall be subject to all the provisions, conditions, and limitations of an Act entitled, "An Act in relation to State finance," approved June 10, 1919, in force July 1, 1919.

Section 3. Whenever there is not sufficient money in the University of Illinois Fund to meet the appropriations made in section 1 hereof out of the fund, the Auditor of Public Accounts and the Treasurer are hereby authorized to pay said appropriations out of the general revenue fund. Any amounts thus paid out of the general revenue fund shall be reimbursed to that fund from the University of Illinois Fund whenever money is received into the University of Illinois Fund.

Section 4. There is hereby appropriated to the University of Illinois for the two years beginning July 1, 1933, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, for the payment of interest on the endowment funds of said University as provided by section 2 of an Act entitled, "An Act to make appropriations for the University of Illinois, and providing for the management of the funds of said University and for the protecting of the interest of the State in connection therewith," approved and in force June 11, 1897, the sum of thirty-two thousand four hundred fifty one dollars ($32,451) per annum, or so much thereof as may be necessary under the terms of said Act.

Section 5. There is hereby appropriated to the University of Illinois the sum of fifty thousand dollars ($50,000) per annum, or so much thereof as shall accrue to the State of Illinois under the provisions of an Act of Congress entitled, "An Act to apply a portion of the proceeds of the public lands to the more complete endowment and support of the colleges for the benefit of agriculture and the mechanic arts, established under the provisions of an Act of Congress, approved July 2, 1862," approved August 30, 1890, and an Act of Congress entitled, "An Act making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1908," approved March 4, 1907, during the two years beginning July 1, 1933.

Whenever any portion of said sum shall be received by the State Treasurer from the United States, it shall immediately be due and payable into the treasury of the University of Illinois.

Section 6. Upon the order of the President of the Board of Trustees of the University of Illinois, countersigned by its secretary and with the corporate seal of said University attached thereto, the Auditor of Public Accounts is here-

with authorized and directed to draw his warrants on the State Treasurer for the sums appropriated in sections 4 and 5 of this Act.

Section 7. There is appropriated to the University of Illinois for support, salaries and wages, office expense, printing, operation, repair, equipment, and permanent improvements, until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of one million eight hundred thousand dollars ($1,800,000) per annum payable from the University of Illinois revolving fund, not exceeding in amount the sum collected by the University and transmitted to the State treasurer and credited to the University of Illinois revolving fund as provided by law.

The appropriations made in this section shall be subject to all the provisions, conditions, and limitations of an Act entitled, "An Act in relation to State finance," approved June 10, 1919, in force July 1, 1919.

Section 8. Inasmuch as the State is passing through an economic and financial emergency and inflation of all prices is imminent with consequent uncertainty concerning the anticipated and actual costs of materials and equipment, there is hereby appropriated to the University of Illinois from the general revenue fund in the State treasury for the two years, beginning July 1, 1933, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of two hundred thousand dollars ($200,000) for operation, repairs, equipment and minor improvements including special assessments, which amount shall be available for expenditure only after approval by the Governor. It is understood that this method is adopted solely because of the present economic and financial emergency.

The appropriation made in this section is subject to the provisions of "An Act in relation to State finance," approved June 10, 1919, as amended.

AN ACT MAKING AN APPROPRIATION TO THE UNIVERSITY OF ILLINOIS FOR THE AGRICULTURAL EXPERIMENT STATION IN COOK COUNTY

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. The sum of twenty thousand dollars ($20,000), or so much thereof as may be necessary, is appropriated to the University of Illinois for the biennium ending June 30, 1935, for the purpose of constructing buildings and maintaining the Agricultural Experimental Station in Cook County.

Section 2. This appropriation is subject to the provisions of "An Act in relation to State finance," approved June 10, 1919, as amended.

ARTHUR ROE
Speaker, House of Representatives

THOMAS F. DONOVAN
President of the Senate

Approved July 5, 1933
HENRY HORNER
Governor

APPROPRIATIONS FOR DEATH BENEFITS AND McKINLEY HOSPITAL

(4) A recommendation that items for death benefits and for the support of the McKinley Hospital be included in the budget. Death benefits have previously been paid from the Reserve and Contingent Fund. The McKinley Hospital deficit has been paid from surplus funds given by the trustee of the student Hospital Association, in accordance with the terms of membership. This year, the income of the Association was not sufficient to provide the necessary funds.

On motion of Mr. Barr, the inclusion of these items in the budget was approved.

On motion of Mr. Trees, the President of the Board, the Acting President of the University, and Mr. Barr were appointed a special committee to consider the advisability of making membership in the Hospital Association compulsory for all students.

CONDITION OF UNIVERSITY FINANCES AT THE CLOSE OF THE FISCAL YEAR 1932-33

(5) The state appropriation to the University for current expense for the year 1932-33 was $4,940,000. The budget as set up for the year in July, 1932, was based on the use of $4,400,000 of this appropriation. The amount actually used during the year has been $3,977,890, leaving $962,110 unused from $4,940,000 appropriated by the State.

In the year 1931-32 there was unused a balance of $543,522, making a grand total of $1,505,632 unused for the biennium. The law allows an additional 90 days for the payment of all outstanding bills, and it is estimated that approximately $40,770 will be required for this purpose from this appropriation, leaving an estimated balance of $1,464,862 to lapse unused from the state appropriation for current expense for the past biennium. To this is to be added the sum of $1,365,138 from the appropriation for the Medical and Dental building in Chicago, making a grand total of $2,830,000 unexpended.

To meet expenditures against appropriations from the University mill tax fund it has been necessary for the state officers to issue tax anticipation notes from time to time. On June 30 a balance of $180,000 of such notes remained outstanding to be met by future tax collections. On that date the taxes due this fund and not yet collected amounted to $1,325,000.

During the year the Board turned into the general funds of the University the sum of $234,877 representing the accumulated surplus as of September 1, 1932, from the operation of the woman's residence halls. Of this amount it has been necessary to use $146,847, leaving a cash balance of $88,030 as of June 30. There is also on hand approximately $60,000 representing balances of self-supporting activities including the residence hall balance from the past year's operations.

By a law passed by the last General Assembly, after July 1, 1933, all general income of the University, including the income from residence halls, is to be deposited in the State Treasury to the credit of the University of Illinois revolving fund and disbursed from appropriations from that fund. The law does not require that any balance on hand on June 30 be thus turned over. The question is as to whether this balance should be turned into the State Treasury and disbursed from there or whether it should be retained in the hands of the University Treasurer and disbursed for emergency purposes as the occasion may require. The only possible difficulty in turning the balance into the State Treasury would be that due to the fact that this is the first period of operation under the new provisions some situations might arise which are not covered by these provisions and which could be taken care of if such a balance were held in our own Treasury. Otherwise, there is no reason why this money should not be turned into the State Treasury where it will be available under the terms of the recent legislation.

This report was received for record.

APPROPRIATION FOR McKINLEY HOSPITAL DEFICIT

(6) A recommendation from the Comptroller that an appropriation of $8,500, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to cover expenses for the McKinley Hospital in excess of the income for the year ending June 30, 1933.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Freeman, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Blair, Mrs. Hopkins, Mr. Horner, Mr. Karraker.

REAPPROPRIATION OF UNEXPENDED BALANCES

(7) A recommendation that the following estimated, unexpended balances from the fiscal year 1932-33 be reappropriated as of July 1, 1933, to continue provisions for the work and purposes indicated which have not been completed and for which commitments have been made:

On motion of Mr. Armstrong, these balances were reappropriated, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Freeman, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Blair, Mrs. Hopkins, Mr. Horner, Mr. Karraker.

APPOINTMENT OF PROFESSOR M. T. McCLURE AS ACTING DEAN OF THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(8) A recommendation that Professor M. T. McClure, Head of the Department of Philosophy, be appointed Acting Dean of the College of Liberal Arts and Sciences, effective when Dean A. H. Daniels becomes Acting President of the University, and continuing until September 1, 1934, at a salary rate of $7,660 a year, or a basic salary, before applying the two salary reductions adopted by the Board, of $9,000.

On motion of Dr. Meyer, this appointment was made.

APPOINTMENT OF HARRIS F. FLETCHER AS ASSOCIATE DEAN OF LIBERAL ARTS AND SCIENCES

(9) A recommendation that Harris F. Fletcher, Assistant Dean of the College of Liberal Arts and Sciences and Associate Professor of English, be appointed Associate Dean of the College and Associate Professor of English, effective September 1, 1933.

On motion of Mr. Barr, this appointment was made.

APPOINTMENT OF PROFESSOR R. D. CARMICHAEL AS ACTING DEAN OF THE GRADUATE SCHOOL

(10) A recommendation that Professor R. D. Carmichael, Head of the Department of Mathematics, be appointed Acting Dean of the Graduate School, effective when Dean A. H. Daniels becomes Acting President of the University, and continuing until September 1, 1934, at a salary rate of $7,660 a year, or a basic salary, before applying the two salary reductions adopted by the Board, of $9,000.

On motion of Dr. Meyer, this appointment was made.

CHANGE IN STATUS OF DEAN M. S. KETCHUM

(11) A request from Dean M. S. Ketchum that on account of his health he be relieved of his duties as Dean of the College of Engineering and Director of the Engineering Experiment Station, effective September 1, 1933, and that he be given a professorship in civil engineering, the conditions of appointment to be the same as those under which he has held his present position, and the conditions of service to be the same as those which govern other professorships in the University.

On motion of Mr. Barr, Dean Ketchum's resignation was accepted, effective September 1, 1933.

On motion of Mr. Barr, Dean Ketchum was appointed Research Professor of Civil Engineering at a salary of $7,000 a year, beginning September 1, 1933.

APPOINTMENT OF ARTHUR CUTTS WILLARD AS ACTING DEAN OF THE COLLEGE OF ENGINEERING

(12) A recommendation that Professor Arthur Cutts Willard, Head of the Department of Mechanical Engineering, be appointed Acting Dean of the College of Engineering and Acting Director of the Engineering Experiment Station, for one year beginning September 1, 1933, at a salary of $7,660, based on the original rate of $9,000.

On motion of Mr. Williams, this appointment was made.

APPOINTMENT OF ACTING HEAD OF DEPARTMENT OF INTERNAL MEDICINE

(13) A recommendation that Dr. R. W. Keeton, Professor of Internal Medicine in the College of Medicine, be continued as Acting Head of the Department of Internal Medicine for the academic year 1933-34 at a total salary rate of $3,925 a year, based upon his original salary of $3,500 plus $1,000 of the basic amount provided for the headship of the department and reduced according to the two reductions adopted by the Board.

On motion of Dr. Meyer, this appointment was made.

FREDERICK WILLIAM SCHACHT, B.S., M.S., M.D., *Assistant* (1 year)

On motion of Mr. Trees, these appointments were made and authority was granted as recommended.

LEAVE OF ABSENCE FOR DR. ROSALIE PARR

(15) A recommendation from the Dean of the College of Liberal Arts and Sciences and the Head of the Department of Chemistry that Miss Rosalie Parr, Associate in Chemistry, be given leave of absence for one year beginning September 1, 1933, on half pay.

I recommend approval.

On motion of Mr. Armstrong, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR W. A. OLDFATHER

(16) A recommendation that Professor W. A. Oldfather of the Department of Classics be granted leave of absence for the second half of 1933-34 (six months from March 1, 1934), without pay, to enable him to accept an appointment to the Sather Lectureship at the University of California.

On motion of Mr. Trees, this leave was granted.

RETIREMENT OF PROFESSOR DONALD M. GALLIE

(17) A request from Dr. Donald M. Gallie, Professor of Clinical Operative Dentistry and Head of the Department of Operative Dentistry, that he be retired under the rules of the Board of Trustees on September 1, 1933. He is 67 years old and has been in the service of the University for 30 years. The rules of the Board permit retirement at any time after a member of the staff reaches the age of 65 years (providing he has been in the service of the University at least fifteen years) in exceptional cases and for substantial cause. Professor Gallie wishes to retire because of his health. His retiring allowance will be $600 a year and the Department has agreed to provide for his work without replacing him next year, after which he would automatically retire under the rules.

I recommend approval.

On motion of Mr. Barr, this recommendation was adopted.

CONTINUATION OF J. D. SMITH IN SERVICE

(18) A request from Mr. J. D. Smith, laborer in the Agronomy Department, who has reached the retiring age, that he be continued in service for one year from September 1, 1933. The Head of the Department and the Dean of the College recommend approval and I concur in their recommendation.

On motion of Mr. Williams, this recommendation was adopted.

EXTENSION WORK

(20) A recommendation that an item be included in the budget for the beginning of extension work.

On motion of Mr. Trees, this recommendation was adopted.

THE BUDGET FOR 1933-1934

(21) A recommendation that the following budget for the fiscal year beginning July 1, 1933, and the academic year beginning September 1, 1933, be approved and that the Acting President of the University be authorized to make such changes and adjustments as are needed, to make such additional appointments as are necessary, and to accept resignations offered, in accordance with the needs of the University and the equitable interests involved.

On motion of Mrs. Freeman, the budget was approved as presented and authority was granted as recommended, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Freeman, Mr. Trees, Mr. Williams; no, none; absent, Mr. Blair, Mrs. Hopkins, Mr. Horner, Mr. Karraker, Dr. Meyer.

Memorandum Concerning the Budget for 1933-1934

The estimated income available for the 1933-34 budget, excluding income which can be used only for restricted purposes, is $4,874,451. This sum is made up of the estimated income from student fees, departmental sales, certain federal aid for general purposes, and the state appropriation to the University for the year. Included in the latter figure is the sum of $100,000 which is available only with the approval of the Governor.

The budget of salaries and expense as prepared calls for the expenditure from general income of $4,859,523, thus leaving an unappropriated balance for reserve and contingencies of only $14,928. To this sum may be added a balance of about $75,000 in our general funds on June 30, making a total reserve of about $90,000. As compared with the budget for similar purposes for the year 1932-33, the present budget represents a decrease of $612,666 or 11.2%.

Salaries, with a few exceptions based on special reasons are reduced in accordance with the plan already adopted by the Board effective July 1, 1933. Provisions for wages of employees without formal appointments are also reduced in the same manner.

Provision is made in the budget for headships of the following departments which are now organized on a temporary basis in this respect: Physiology, Sociology, and Agricultural Economics. Nominations for these places will be submitted later if and when suitable candidates can be found.

An appropriation of $2,500 is provided for the initial expense incident to the inauguration of work in University extension.

The following items which in the past have been met out of the Reserve and Contingent Fund, are included in the budget:

Expense of McKinley Hospital in excess of receipts....$10 000
Death benefits based on the average cost of this item in past years..... 10 000

Provision is made, at a cost of approximately $3,000, for carrying on the survey started this spring of the curricula and teaching load of departments with a view to locating further opportunities for economy or improvement.

Savings will probably be made in some items in the salary budget, but it should be recognized that the expense and equipment budget is on a very close basis and may prove to be insufficient if prices advance materially, enrollment increases, or emergencies arise.

Explanatory Notes

Departmental appropriations are made under the captions "Salaries and Wages" and "Expense and Equipment." Unless otherwise indicated, no transfers may be made between these appropriation captions except with the approval of the President of the University, except that adjustments may be made between the "Wage" provisions and "Expense and Equipment" upon written request to the Comptroller.

Appropriations for salaries are available for the term indicated in each case but not for more than one year from September 1. All balances remaining at the end of the term indicated or at August 31, lapse on those dates.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against for services of employees temporarily engaged to do the work contemplated by the position. When appointments are made at salary rates less than the amounts provided in the budget, the unused balance will lapse at that time.

Appropriations for Expense and Equipment are available for one year beginning July 1 and ending June 30. These appropriations are based on an estimated distribution of expenditures according to the various budget classifications of "Office Expense, Travel, etc." Expenditures should be made in approximate accord with that distribution, material departure from which should be reported in advance to the Dean or Director or other officer concerned, and to the Comptroller. All unencumbered balances in these appropriations lapse June 30.

THE SALARY BUDGET

Explanatory Notes

Unless otherwise indicated in the Budget:

1. All appointments begin September 1, 1933.

2. C.S. (Civil Service) appointments are for one year. Appointees to stenographic and clerical positions are assigned to departments at the convenience of the University. The University reserves the right to change such assignments during the year if the needs of the University and of the departments require such action.

3. Salaries of positions of the rank of Associate and above are paid in twelve equal monthly installments; salaries of other ranks, in ten equal monthly installments.

4. The service required in all positions in experiment stations and bureaus of research, and in research positions in other departments, is for a full year of twelve months, with allowance of one month for vacations, and salaries are paid in twelve equal monthly installments.

5. The service required in all other positions—administrative, clerical, and service positions—is for a full year of twelve months, with allowance for vacations, and salaries are paid in twelve equal monthly installments.

[1]The State Appropriations for the fiscal year July 1, 1933—July 1, 1934, will be paid by the State Department of Agriculture on the salaries of the county farm and home advisers following monthly certification for salary by the Director of Extension.

[2]The $9,000 Farmers' Cooperative Demonstration Fund appropriated by the United States Department of Agriculture will be paid directly to the farm advisers through the Extension Service by the United States Treasury Office as follows:

29 farm advisers @ $300 a year	$8 700
An additional amount of $300 is available to cover the cost of penalty envelopes for the farm and home advisers and extension staff, which are purchased by the U.S. Department of Agriculture and shipped to Illinois for distribution	300
Total, Farmers' Cooperative Demonstration Fund 1933-1934	$9 000

[3]To be increased in June 1934 if any balances are available due to unused salaries accruing from vacancies in the Extension Service. (This does not mean any increase in the salaries of the farm advisers, but an increase in the amount of the adviser's salary paid from federal funds.)

[4]Permanently employed, but works temporarily in one county and then in another.

W. C. LAWRENCE
WALTER ALEXANDER MOGENSEN
BERT O. OLSON
ROY L. REIERSON
GWYNNE GARDNER RICHARDS
ROBERT BARTON RIORDON
ELMER J. SCHEER
HERBERT F. WALTON

On motion of Mr. Barr, these certificates were awarded.

BUDGET OF THE ATHLETIC ASSOCIATION

(24) The budget of the Athletic Association for the fiscal year beginning July 1, 1933.

On motion of Mr. Armstrong, this budget was referred to the Finance Committee for consideration and report.

DEPOSIT OF UNIVERSITY FUNDS IN STATE TREASURY

(25) In accordance with the provisions of an act passed by the Fifty-Eighth General Assembly and approved by the Governor, which amends Section 6 of "An Act in relation to State finance," approved June 10, 1919, as amended:

---

[1]Balance lapses into General University Income June 30, 1934.
[2]Balance lapses into General University Income September 1, 1934.

"The gross amount of money received by the University of Illinois from whatever source, other than from endowment or trust funds and from Federal aid, belonging to or for the use of the State, including amounts derived from tuition, student fees, operation of dormitories, farms and stores, shall be paid into the State treasury without delay not later in any event than ten days after the receipt of same, without any reduction whatever and shall be covered into a special fund to be known as "University of Illinois Revolving Fund." The General Assembly shall from time to time make appropriations payable from the University of Illinois Revolving Fund for the support, operation and improvement of the University of Illinois.

"*Provided* that the University of Illinois may retain a working cash fund of not more than $100,000 from which vouchers may be paid by it, which fund shall be reimbursed from time to time by the State Auditor by warrants against appropriations to the University of Illinois on the presentation of proper vouchers certified in the manner required for University of Illinois vouchers, with itemized receipted bills attached covering payments made from the working cash fund hereby created."

The appropriations made to the University by the Legislature for the next biennium provide that there is appropriated to the University of Illinois for support, salaries, and wages, office expense, printing, operation, repair, equipment, and permanent improvements, until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of one million eight hundred thousand dollars ($1,800,000) per annum payable from the University of Illinois Revolving Fund, not exceeding in amount the sum collected by the University and transmitted to the State Treasurer and credited to the University of Illinois Revolving Fund as provided by law.

On motion of Mr. Armstrong, this report was received for record.

TREASURER'S BOND

(26) A recommendation from the Comptroller that because the general income of the University in excess of $100,000 will be deposited in the State Treasury after July 1, 1933, which will greatly reduce the amount of funds on deposit with the University Treasurer, the Treasurer's bond be reduced to $500,000.

On motion of Mr. Barr, this recommendation was adopted.

LABORATORY FEES IN THE URBANA DEPARTMENTS

(27) A recommendation that the following schedule of laboratory fees for the various courses offered in the Departments at Urbana and Champaign for the year beginning September 1, 1933 be adopted.

(28) A recommendation that the fees charged for the rental of practice organs in the School of Music be reduced approximately twenty-five per cent as follows:

	Present Fee	*Proposed Fee*
Day Practice		
Small practice organs (one hour a day for one semester)	$20 00	$15 00
Practice pipe organs (one hour a day for one semester)	25 00	18 75
Recital Hall organs (one hour a week for one semester)	5 00	3 75
Evening Practice		
Practice pipe organs (one hour a week for one semester)	4 25	3 25

On motion of Mrs. Freeman, these fees were approved.

GRADUATION FEE

(29) A recommendation that a graduation fee of ten dollars, which shall include the cost of the diploma, be established effective September 1, 1933, and that the present diploma fee of ten dollars be discontinued.

On motion of Mr. Williams, this recommendation was adopted.

INDEMNITY BOND FOR SECURITIES LOST IN TRANSIT

(30) In December, 1932, a remittance sent by the Business Office to the First National Bank of Chicago was lost in connection with a mail robbery occurring on December 6. Included in this were coupons of the Appalachian Power Company amounting to $100. The Continental Illinois Bank is the paying agent for these coupons. To secure reimbursement it is necessary to secure a bond of double the amount from a surety company. The expense of the bond will be reimbursed under the insurance carried on such remittances. I recommend the adoption of a resolution authorizing the Comptroller and the Secretary to exe-

cute such a bond in the name of the Board of Trustees with the Fidelity and Deposit Company of Maryland.

On motion of Mr. Barr, the following resolution was adopted:

RESOLVED, that Lloyd Morey, Comptroller, and H. E. Cunningham, Secretary of the Board of Trustees of the University of Illinois, be and they hereby are authorized to execute an indemnity bond in the sum of $200 to the Continental National Bank and Trust Company of Chicago in connection with the loss of coupons due December 1, 1932, aggregating $100, detached from Appalachian Power Company 5% first mortgage sinking fund gold bonds, numbered M-2390, 2392, 4449, and 5289, which coupons were lost in transit on or about December 6, 1932.

ROOF OF MEDICAL AND DENTAL LABORATORIES BUILDING

(31) A report on the condition of the roof on the first unit of the Medical and Dental Laboratories Building in Chicago.

July 5, 1933

President H. W. Chase, 355 Administration Bldg.

DEAR PRESIDENT CHASE:

I wish to call your attention to the condition of the roof on the first unit of the Medical and Dental Laboratories. Several times since the completion of the building, the roofing contractor has returned to replace without charge tile which were removed by wind. After a recent storm, he was again called. On this occasion the contractor disclaimed responsibility for damage of this nature.

Mr. Fletcher, Superintendent of Buildings in Chicago, then took this problem direct to the architects, Granger & Bollenbacher. A report of a conference with them on June 8 is attached. It is reported that Mr. Bollenbacher stated that the damage resulted from "acts of God" and would therefore release the contractor.

Mr. Stouffer has examined this roof and reports the following: (1) that the tile is inadequately secured to the roof construction below; (2) that in his opinion the roof will never prove satisfactory until all tile on the roof are removed and relaid with greater provision for security and at an estimated cost of at least $2,000.

Mr. Stouffer is not willing to attribute wind damage of as frequent occurrence as in this case to "acts of God," particularly after examining the roof, but considers that responsibility still exists with those connected with the roof installation under the terms of the written guarantee, and certain articles of the specifications, copies of which are attached. He calls attention to two specific variations from the specifications: (1) Article No. 13 of the roofing and sheet metal specifications called for 2" nails, whereas 1¾" nails appear to have been used; (2) Article No. 26 of the same specifications called for tile to be "of . . . . detail . . . . to match tiles on present building." The tile referred to provided for two nails per tile, whereas the new tile provide for and are secured with but one nail each.

We would appreciate a suggestion as to how best to proceed in this matter.

Very truly yours,

OFFICE OF THE SUPERVISING ARCHITECT
By CHAS. S. HAVENS

On motion of Mr. Trees, this matter was referred to the Committee on Buildings and Grounds with full power to act, for a thorough investigation of the condition of the Medical Building and report to the Board.

DIRECTORS OF UNIVERSITY ATHLETIC ASSOCIATION

(32) A recommendation that the following be appointed as Directors of the University of Illinois Athletic Association to serve until March, 1934, or until their successors shall have been elected: Director George Huff, Champaign; Professor F. A. Russell, Urbana; Professor A. C. Callen, Urbana; Mr. J. P. Kratz, Monticello; and Senator W. E. C. Clifford, Champaign. The constitution of the Athletic Association provides that its directors shall be elected annually by the Board of Trustees of the University on recommendation of the President of the University.

On motion of Mr. Barr, these Directors were appointed.

STUDY OF TUITION FEES AND SCHOLARSHIPS

(33) A recommendation that the Board appoint a special committee to undertake a systematic study of tuition fees and scholarships at the University.

On motion of Mr. Trees, the President of the Board was requested to appoint a special committee of three members of the Board (including himself) to investigate this matter and report to the Board. President Barrett later appointed Mr. Armstrong and Mr. Trees to serve with him on this committee.

REPORT OF PURCHASES

(34) The following report of purchases authorized by the President since the last report:

From the Sullivan Chevrolet Company, three 1933 Standard Chevrolet coaches and six 1933 Standard Chevrolet coupes, to replace four-cylinder Ford cars of similar types which have been in service one year, at a cost of $14I0.00.

From George B. Limbert and Company, 23,240 ft. 1¼" black steel pipe, miscellaneous fittings for heating systems in Horticultural Green Houses, at a cost of $1,755.09.

From the Grasselli Chemical Company, one carload of chemically pure and commercial acids, for the Chemical Stores, at a price of $1,452.00 f.o.b. Urbana, including return transportation charges on empty containers amounting to about $150. This was the lowest quotation of four submitted by various manufacturers.

This report was received for record.

GIFTS TO THE UNIVERSITY

(35) The following reports of gifts received by the University since the last report:

From Mr. Charles M. Woodbury and Misses Flora, Lucy, and Mary Woodbury, Danville, Illinois, 362 bound volumes, 15 unbound volumes, and 68 pamphlets, to the University Library.

From the United States Gypsum Company, $1,000 for the continuation of the cooperative investigation of the sound absorption of materials for one year from October 1, 1933.

From Mrs. Walter J. Sweet, 603 South Lincoln, Urbana, 241 bound volumes, 4 unbound books, and 2 pamphlets, from the library of the late Dean Kendric C. Babcock, to the University Library.

From the National Research Council, to Professor J. T. Buchholz, of the Department of Botany, $885 for the period of July 1, 1933, to June 30, 1934, in support of his research work.

From the Bureau of Research of the American Otological Society, to Professor E. A. Culler, of the Department of Psychology, $3,150 for the period of September 1, 1933, to September 1, 1934, in support of his research work.

This report was received for record.

PURCHASE OF TREASURY BONDS

(36) A report from the Comptroller that pursuant to the action of the Board of Trustees on June 16, 1933, he has purchased $500 United States Treasury Bonds 3¾% due 1946/56 @ 104 28/32, as investment for trust funds.

This report was received for record.

CONTRACT FOR COAL

(37) A letter from the Comptroller:

President H. W. Chase, 355 Administration

DEAR PRESIDENT CHASE:

I transmit herewith a report from Mr. Edwards on bids secured by him for the contracting of a portion of our coal requirements for the coming year. You will note that the results of this inquiry were submitted to Mr. Barrett, President of the Board, who directed that a contract be made with the Penwell Coal Company, the low bidders. This company has been advised that its proposal has been accepted and a contract is in preparation. I presume that this report of what has been done in this respect should be submitted to the Board of Trustees.

This arrangement will put under contract approximately 60% of our coal requirements for the Urbana-Champaign plant for the coming season. The price is a favorable one, being approximately 10¢ per ton under the average delivery price of all coal purchased for that plant for the past three years. I have been in touch with the proceedings on this matter throughout and believe that the arrangement is a desirable one from every standpoint.

Cordially yours,

LLOYD MOREY
Comptroller

This report was received for record.

SALARY OF ACTING PRESIDENT DANIELS

President Barrett presented the following report:

As Chairman of the Special Committee appointed for the purpose of making a recommendation to the Board on the salary of Arthur H. Daniels as Acting President of the University, I wish to make the following report:

The Committee met at the Union League Club on Monday; those present being Mrs. Hopkins, Walter Williams, George Barr, and Edward E. Barrett. Dean Daniels also attended. After some discussion it was agreed to recommend to the Board that the salary of the Acting President be made $15,000 per year. Also, that the entertainment and incidental allowance in connection with the President's house be made as heretofore, $3,500.

EDWARD E. BARRETT
Chairman

On motion of Mr. Barr, this report was adopted.

FINANCIAL ORGANIZATION

On motion of Mr. Barr, the Finance Committee was discharged from consideration of the financial organization of the University, according to an action of the Board taken September 17, 1930.

COMPENSATION OF TREASURER

On motion of Mr. Armstrong, the Finance Committee was discharged from consideration of the compensation of the Treasurer, according to an action of the Board on September 29, 1931.

FINANCING RETIRING ALLOWANCES AND DEATH BENEFITS

The Finance Committee was discharged from consideration of a method of financing retiring allowances and death benefits.

REPORTS OF THE FINANCE COMMITTEE

Mr. Trees, for the Finance Committee, reported on three matters as follows:

ACCEPTANCE OF INCOME SCRIP OF BRITISH COLUMBIA PULP AND PAPER COMPANY BONDS

(1) The British Columbia Pulp and Paper Company proposes to issue income scrip for the years 1933 and 1934 for interest on its first mortgage 6% Sinking Fund bonds, due November 1, 1950, of which the University has $2,000 received as a gift in connection with the I. O. Baker Prize Fund endowment. Owners of bonds are asked to submit the bonds to the Montreal Trust Company for the purpose of making the necessary changes in coupons. The Committee recommends that these bonds be withdrawn for that purpose, the bonds to be returned to our depository after this change has been effected.

On motion of Mr. Barr, this recommendation was approved.

BONDS OF STAFF OF PURCHASING AGENT'S OFFICE

(2) The University auditors, Arthur Andersen & Co., have called attention to the fact that responsible members of the staff of the Purchasing Agent's office should be under bond. The Committee recommends that surety bonds be provided for certain members of the staff as follows:

Purchasing Agent	$10 000
Assistant Purchasing Agent	5 000
Chief Traffic Clerk	5 000

On motion of Mr. Trees, this recommendation was approved.

SALE OF U. S. TREASURY BONDS

(3) A recommendation that $16,700 par value of U. S. Treasury 3¼% bonds, due 1946-56, held as investments of endowment funds, be sold at the market.

On motion of Mr. Armstrong, this recommendation was approved.

COMMITTEE ON LANDSCAPING THE PRESIDENT'S HOUSE

On motion of Mr. Trees, the special committee on Landscaping the President's House was discharged, their duties having been completed.

COMMITTEE ON MEN'S DORMITORIES

The special committee on dormitories for men was discharged.

MARKERS TO ENTRANCES TO CAMPUS

Mr. Armstrong, for the Committee on Buildings and Grounds, presented a recommendation that the proper authorities of the University be instructed to erect suitable signs at the street entrances to the campus of the University.

On motion of Mr. Williams, this recommendation was adopted.

ACTING PRESIDENT DANIELS IN OFFICE

President Chase announced that he was giving over his official duties at the conclusion of the present meeting of the Board. Acting President Daniels was accordingly vested with the duties of the office as of July 11, 1933.

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented for record a list of appointments made by the President of the University.

Darling, Byron T., Scholar in Physics for ten months beginning September 1, 1933, without stipendium, but with exemption from tuition, incidental, and laboratory fees in the Graduate School, except matriculation or diploma fees. (June 28, 1933)[1]

Fairbanks, B. W., Assistant in Animal Nutrition, in the Agricultural Experiment Station, for one year beginning July 1, 1933, at a cash compensation of one thousand two hundred dollars ($1,200). (July 1, 1933)

Gibson, George Leroy, Special Research Assistant in Dairy Husbandry, in the Agricultural Experiment Station, for one year beginning September 1, 1933, at a cash compensation of seven hundred fifty dollars ($750). (July 1, 1933)

Habberton, William, Teacher in the University High School, in the Summer Session of 1933, on one-half time, beginning June 19 and ending August 12, 1933, at a cash compensation of forty-five dollars ($45) for the session. (July 1, 1933)

Hagan, Mrs. Mabel R., Teacher in the University High School, in the Summer Session of 1933, beginning June 19 and ending August 12, 1933, at a cash compensation of two hundred twenty-five dollars ($225) for the session. (July 1, 1933)

McHarry, Liesette J., Teacher in the University High School, in the Summer Session of 1933, on one-half time, beginning June 19 and ending August 12, 1933, at a cash compensation of one hundred five dollars ($105) for the session. (July 1, 1933)

Naylor, W. K., Professor of Military Science and Tactics, beginning July 1, 1933, and continuing until September 1, 1933, at a cash compensation at the rate of seventy-one dollars twenty-five cents ($71.25) a month. (June 30, 1933)

Taylor, S. Helen, Teacher in the University High School, in the Summer Session of 1933, beginning June 19 and ending August 12, 1933, at a cash compensation of one hundred twenty dollars ($120) for the session. (July 1, 1933)

Wilson, Mrs. Frances D., Teacher in the University High School, in the Summer Session of 1933, beginning June 19 and ending August 12, 1933, at a cash compensation of one hundred ten dollars ($110) for the session. (July 1, 1933)

The Board adjourned.

H. E. CUNNINGHAM
Secretary

EDWARD E. BARRETT
President

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

September 26, 1933

The September meeting of the Board of Trustees of the University of Illinois was held at the Palmer House, in Chicago, at 10 o'clock a.m. on Tuesday, September 26, 1933.

The following members were present: President Barrett, Mr. Barr, Mr. Blair, Mrs. Freeman, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams.

Acting President Daniels was present; also Judge Johnson and, during the morning, Mr. Frank M. Gordon, Treasurer.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of June 16 and July 10, 1933.

On motion of Mr. Barr, the minutes were approved as printed on pages 271 to 370 above.

MATTERS PRESENTED BY ACTING PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

RADIO STATION W-I-L-L

(1) A communication from the Director of Radio Station W-I-L-L concerning the application of the Station to the Federal Radio Commission for an increase in daytime power.

On motion of Mr. Barr, the Secretary was instructed to send a telegram concerning this matter to Judge E. O. Sykes, Chairman of the Federal Radio Commission.

APPOINTMENT OF DEAN H. W. MUMFORD AS DIRECTOR OF THE FEDERAL LAND BANK OF ST. LOUIS

(2) A report that Dean H. W. Mumford of the College of Agriculture and Director of the Agricultural Experiment Station has been appointed a Director of the Federal Land Bank of St. Louis. I have authorized him to accept this appointment and to be absent from the University to render the necessary service. There is no salary connected with this position, the reimbursement being confined to a per diem for attending Board meetings and necessary expenses.

On motion of Mr. Blair, this report was received for record and the action of the Acting President was confirmed.

LEAVE OF ABSENCE FOR ASSISTANT PROFESSOR L. J. NORTON

(3) A report that Dr. L. J. Norton, Assistant Professor of Agricultural Economics, has been given approximately four months' leave of absence without pay, beginning when he receives his official appointment and continuing until January 15, 1934, to enable him to do field work for the Federal Farm Credit Administration in some of the western states. Provision has been made for his University work so that there will be no loss in quality nor added expense.

On motion of Mr. Blair, this action was confirmed.

LEAVE OF ABSENCE FOR PROFESSOR H. A. RUEHE

(4) A report that Professor H. A. Ruehe, Head of the Department of Dairy Husbandry, has been absent from his office since August 7 because of illness and it is uncertain when he will be able to return to work. In the meantime his duties are being carried on by his colleagues without additional expense to the University. I recommend that he be given leave of absence with pay from August 7 until such time as he is able to return to his duties but not later than January 1, 1934. If any further action is necessary after this date the matter will be brought to your attention.

On motion of Mr. Williams, this leave was granted.

BUDGET OF AGRICULTURAL EXPERIMENT STATION

(5) At the time the budget for the College of Agriculture and the Agricultural Experiment Station was under consideration, it was decided that the sum of $2,000 should be added to cover the printing of the 1932-33 annual report of the Station. It will be printed in 1933-34. This report is required by State law. No definite provision has been made heretofore in the budget for this expense which has either been charged to contingent funds of the College and Experiment Station or provided for by special appropriation of the Board. Through a clerical oversight in the Business Office this item was not added to the budget of the Experiment Station. The working papers clearly indicate that this item was approved by President Chase. Accordingly I recommend that it be added to the 1933-34 budget.

On motion of Mrs. Freeman, this recommendation was adopted, and the appropriation was made, by the following vote: Aye, Mr.

Barr, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Armstrong, Mrs. Hopkins, Mr. Horner.

RETIRING ALLOWANCE—MRS. ALICE V. HAMILTON

(6) A recommendation that the retiring allowance of Mrs. Alice V. Hamilton, former secretary to the Assistant Dean of the College of Agriculture, be increased from $823, as reported to the Board on July 10, 1933 (Minutes, page 283), to $841, which is the amount to which she is entitled.

On motion of Mr. Barr, this recommendation was adopted.

DEATH BENEFIT—F. E. CRUMP

(7) A report of the death on August 7, 1933, of Mr. F. E. Crump, laborer in the physical plant division, who had been employed since July 15, 1914. The Comptroller has paid his designated beneficiary the sum of $848.43, which was the death benefit payable under the rules of the Board and the terms of his employment.

This report was received for record.

AUTOMOBILE PERMIT FEES

(8) A recommendation that the fee of $2.00 charged each undergraduate filing an application for permission to drive an automobile—authorized by the Board on September 28, 1932 (Minutes, page 102),—be changed to 50 cents. The purpose of the fee is to cover the cost of license plates, clerical help, and incidental expense in handling the applications for automobile permits.

On motion of Mr. Blair, this reduction was authorized.

FEES IN PHYSICAL EDUCATION

(9) A recommendation that fees for physical education courses in skating, for the use of the rink, be established as follows:

Physical Education for Women No. 43.....$3.00
Physical Education for Men No. 34..... 2.25

The difference in fees is due to the fact that women's classes will use the rink more than the men's.

On motion of Dr. Meyer, these fees were authorized.

FEE FOR SHORT COURSE IN CLAY WORKING AND CERAMICS

(10) A recommendation from the Head of the Department of Ceramic Engineering and the Dean of the College of Engineering that a fee of $7.00 a person be authorized for the short course in clay working and ceramics which will be offered in January by the Department.

On motion of Mr. Barr, this fee was authorized.

AGREEMENT WITH BALTIMORE AND OHIO RAILROAD COMPANY FOR RAIL TESTS

(11) A report of the execution during the late summer of an agreement with the Baltimore and Ohio Railroad Company for certain experiments and tests on the Company's line between Dayton and Lima, Ohio, in connection with the research work being conducted by the Engineering Experiment Station to discover means and methods for the detection of transverse fissures and other defects in rails. This agreement provided for the purchase of public liability, property damage, and employees' compensation insurance to protect the University fully against any claims for damages. This is not a new project and the agreement was simply with the Railroad Company for the use of its tracks. All of the costs of these tests are paid from funds provided for rail investigations by the American Railway Association and the American Railway Engineering Association.

On motion of Dr. Meyer, the execution of this agreement was approved.

COOPERATIVE INVESTIGATION OF ABSORPTION OF SOUND BY MATERIALS

(12) A recommendation for the approval of an agreement with the United States Gypsum Company for a cooperative investigation of absorption of sound by materials by the Engineering Experiment Station. This agreement is of the form and character of similar agreements heretofore approved by the Board. It is drawn for a period of one year beginning October 1, 1933, with a provision for its extension, and the Company agrees to pay the sum of $1,000 a year for the expenses of the investigation.

On motion of Mr. Barr, this agreement was approved.

ILLINOIS LAW REVIEW

(13) For several years the University has been in a partnership with the University of Chicago and Northwestern University for the publication of *The Illinois Law Review*—a journal devoted to the publication of articles by, and of interest to, law students and law faculties of the three institutions. It has required a subsidy from each institution. I report that this partnership has been dissolved and that the publication of the journal has been taken over by Northwestern University.

This report was received for record.

EXTENSION DIVISION

(14) The sum of $2,500 was provided in the budget for 1933-34 for the beginning of extension work. This action was taken subsequent to a report submitted informally to the Board in January, 1933, of the study of extension work and correspondence courses which had been under way for some time. The University Senate made certain specific recommendations which are now submitted to the Board for final approval:

1. A Director of University Extension shall be appointed by the Board of Trustees on recommendation of the President, and a Committee on University Extension shall be appointed by the President, in consultation with the Director. (It is assumed that the first appointment will be an acting Director on part time.)

2. Correspondence courses shall be established of such scope and character as may be agreed to by the Director and Committee on University Extension in cooperation with the departments concerned. In the organization of the material for a particular course, it is understood that the primary responsibility rests with the department concerned, subject to approval by the Director and Committee on University Extension. All questions of general educational policy connected with such courses shall be submitted to the Senate for approval.

3. As soon as possible, courses of a basic character shall be offered in the following subjects: rhetoric, English literature, Latin, German, French, Spanish, history, political science, economics, and mathematics. Similar courses in other subjects may also be offered if deemed practicable by the departments concerned and the Director and Committee on University Extension.

4. It shall be the duty of the Director of University Extension to organize and administer the correspondence instruction of the University, with the advice and consent of the Committee on University Extension.

5. The Director and Committee on University Extension shall prepare, for consideration and action by the Senate, general regulations for the conduct of such courses as may be offered, which shall include the conditions under which such courses may receive University credit.

6. It is the sense of the Senate that so far as practicable the fees charged shall be such as to make the extension program essentially self-sustaining.

I concur in the recommendations of the Senate and request authorization to proceed with the organization of an extension division and to work out the administrative details and procedure.

On motion of Mr. Trees, these recommendations were adopted and the Acting President was authorized to proceed with the organization of extension courses.

CAMPUS DRAINAGE

(15) A report from the Acting Director of Buildings and Grounds Operations that since the opening of Goodwin Avenue from Nevada Street to Gregory Drive there has been an increasing need for drainage of this area, extending as far west as the New Agriculture Building. The cost of this work has been estimated at approximately $5,700, which the Physical Plant Department felt it could not assume during the present biennium. The Champaign County Emergency Relief Committee has agreed to recommend to the Illinois Emergency Relief Commission that this work be done as a relief project provided that the University assumes the cost of material, supervision, and overhead. This would save the University the cost of the labor involved—approximately $3,500—and would cost approximately $2,200 for the rest.

He recommends that the University file an application with the Champaign County Emergency Relief Committee for the necessary labor involved to provide storm water drainage on Gregory Drive and Goodwin Avenue and that the material, supervision, and overhead cost be met by the University. Funds are available in the budget of the Physical Plant Department to meet the expenses which the University would be called upon to bear.

On motion of Mr. Williams, this recommendation was adopted.

PROPOSAL FROM ILLINOIS POWER AND LIGHT CORPORATION FOR GAS RATES

(16) A proposal from the Illinois Power and Light Corporation to offer gas to the University (Urbana Departments) at lower rates than have been charged heretofore. The University has been paying a domestic rate for gas. The Acting Director of Buildings and Grounds Operations has secured an industrial rate which he estimates will effect a considerable saving in the cost of gas service, and he recommends the acceptance of the proposal. The rates are as follows:

For the first 1,000 therms used in any month 8¢ per therm Net.
For the next 1,000 therms used in same month 4¢ per therm Net.
For all over 2,000 therms used in same month 3.5¢ per therm Net.

Note: The gas supplied through each of the metering stations will be billed separately each month on the above schedule.

On motion of Mr. Trees, the acceptance of the proposal submitted was authorized.

FIRE IN OLD MEDICAL BUILDING

(17) A report on a small fire which occurred in the old Medical Building on September 8, 1933. The amount of damage was estimated at $200, and it is being repaired. The loss was covered by insurance.

This report was received for record.

COMMUNICATION FROM STATE DEPARTMENT OF PUBLIC WORKS AND BUILDINGS CONCERNING ARCHITECTURAL SERVICES

(18) A letter from Honorable Robert Kingery, Acting Director of the State Department of Public Works and Buildings, suggesting that as an economy measure the State Architect serve the University in designing and supervising the construction of new buildings.

This report was received for record.

INTEREST ON FEDERAL FUNDS

(19) At the meeting of the Board on June 6, 1933 (Minutes, page 227), the report of a ruling by the Comptroller General of the United States, requiring interest on federal funds turned over to such institutions as the University of Illinois to be paid into the United States Treasury, was referred to the Finance Committee, but in view of the suspension of interest payments on all funds in the University's depository, no further action has been taken. Before the crediting of interest on funds was stopped, there accrued on federal funds, subsequently to the date at which the ruling of the Comptroller General went into effect, the sum of $220.52 which has been set aside pending decision as to its disposal. The University Comptroller reports that federal officers are now calling for this interest. There is a question in the mind of the University Counsel whether the federal ruling is correct, and it would appear desirable that a ruling from the Attorney General should be had before any interest is paid over.

On motion of Mr. Barr, the following resolution was adopted:

WHEREAS, The University of Illinois, as one of the Land Grant Colleges, has received funds from the Federal Government for a number of years to be expended for purposes specified in the various acts granting the same; and

WHEREAS, prior to 1933, the United States Government has never asserted a right to, or claim on, any interest paid on deposits of federal funds thus allotted to the University; and

WHEREAS, The Comptroller General of the United States has ruled that the institutions, including the University of Illinois, receiving funds from certain federal acts are legally obligated, under the acts granting the same, to refund to the United States Government any interest accruing and received on such funds; and

WHEREAS, the correctness of this interpretation of the federal acts is not wholly clear and has been questioned by beneficiary institutions and States elsewhere;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the University of Illinois that the University Counsel be instructed to prepare a memorandum upon the law and to transmit the same to the Secretary of Agriculture, Washington, D.C., with the request that the Secretary of Agriculture apply to the Attorney General of the United States for an opinion upon the question whether, under the various acts of Congress making appropriations of federal funds to the Land Grant Colleges, and particularly to the University of Illinois, the Board of Trustees is legally obligated to account to the United States Government for any interest received on such funds after the same have been paid to the University and deposited by the University in a bank or banks, pending expenditure thereof for the purposes designated in the applicable federal acts.

APPOINTMENT TO KATE NEAL KINLEY MEMORIAL FELLOWSHIP

(20) A recommendation from the Kate Neal Kinley Memorial Fellowship Committee that Mr. Arthur Bassin, 4613 North Kedzie Avenue, Chicago, be awarded the second Kate Neal Kinley Memorial Fellowship.

On motion of Mr. Trees, this award was made.

APPOINTMENTS TO E. A. WALLACE MEMORIAL SCHOLARSHIP

(21) A report that the Board of Education of Havana, Illinois, has reappointed Messrs. Dale Huff and John Schulte as beneficiaries of the E. A. Wallace Memorial Scholarship for 1933-34.

This report was received for record.

HARRY J. DIFFENBAUGH FUND FOR DESERVING STUDENTS

(22) A report that the Harry J. Diffenbaugh Fund for Deserving Students is now available and that Dean Fred H. Turner has been appointed agent of the University of Illinois in dealing with this matter, and applications and recommendations for the fund will be transmitted to the trustees through him.

On motion of Mr. Trees, this appointment was approved.

GIFTS TO THE UNIVERSITY

(23) The following report of gifts received by the University since the last report:

1. Continental Oil Company of Ponca City, Oklahoma, $750, for a research assistantship in chemistry for 1933-34.

2. Bauer and Black Division of the Kendall Company, Chicago, $300, for a research assistantship in chemistry for the first semester of 1933-34. This is a renewal of a research assistantship which the Company has maintained in the past.

3. Portland Cement Association, Chicago, $1,000, to cover the expenses of preparing plans for a cooperative investigation of reinforced concrete frames. The contract for the investigation itself is reported separately.

4. Brookings Institution of Washington, D.C., $770, to be paid quarterly for a fellowship, and a further allowance not to exceed $250 a year to cover the necessary travel and incidental expenses of the appointee for a study of the organization and operation of the Federal Agricultural Adjustment Act during the time the Act is in operation.

5. Eli Lilly and Company, $1100, for work in physiological chemistry under the direction of Dr. W. H. Welker of the College of Medicine.

6. E. I. DuPont De Nemours and Company, approximately $1500—$300 representing the first payment already being received—for research on the physiological effects of cuprous cyanide by the Department of Chemistry under the direction of Professor W. C. Rose.

7. Utilities Research Commission, $178.74, supplementing previous grants for the investigation of methods of testing high voltage cables.

8. American Society for Testing Materials, $200, supplementing previous grants made for the investigation of cast iron pipe.

REPORT OF PURCHASES

(24) The following report of purchases authorized by the President since the last report:

1. Public liability, property damage, and workmen's compensation insurance from the United States Fidelity and Guarantee Company and from the Industrial Commission of Ohio at a total cost of $1,746.36 to protect the University in the special rails tests project carried out on the Baltimore and Ohio Railroad Company's tracks in Ohio during the summer. The cost of this insurance was paid out of the trust funds for the rails investigations.

2. From the Cherry-Burrell Corporation, of Chicago, a 250-gallon viscolizer for the Department of Dairy Husbandry at a total cost of $1,302, which represents a reduction of $378 from the regular cost of such equipment.

3. From the York Company, of Chicago, a refrigerating unit for the York machine in the Women's Residence Hall at a total cost of $1,787. The cost of this was paid from the Residence Hall Fund.

4. Coal, in accordance with contracts submitted to the Board in July and supplementary contracts made with the advice and by direction of the President of the Board, as follows:

Urbana Departments

Penwell Coal Mining Company, 400 cars, more or less, to be supplied during the period September 1, 1933, to March 31, 1934, at a price of $.6885 F.O.B. Mine, with a current freight rate of $1.14.

Peabody Coal Company for 250 cars to be delivered from their Westville mine at a price of $1.071 F.O.B. Mine, with a current freight rate of $.86.

Chicago Departments

Western Fuel Company of Chicago for approximately 1,550 tons of Pocahontas Mine Run coal to be delivered during the year beginning September 1, 1933, at a cost of $5.60 a ton delivered.

5. Pyrex laboratory glass wear, 115 cases at a total cost of approximately $2,100, for the various University laboratories for the first semester of 1933-34, from A. Daigger & Company, Chicago. This is a non-competitive item, manufactured only by the Corning Glass Works of New York. Funds for this purchase are provided for in the budget.

This report was received for record.

Certificate of Trustee

HAZEN S. CAPRON, *as Treasurer*
Board of Trustees
University of Illinois

On motion of Mr. Williams, this report was referred to the Finance Committee for examination and report.

QUARTERLY REPORT OF THE COMPTROLLER

(27) The quarterly report of the Comptroller as of June 30, 1933.

Mr. Trees reported that this report had been examined by the Finance Committee, and that the Committee found no objections to the report.

This report was received for record.

BORROWING FROM PUBLIC WORKS FUND

(28) Letters from persons interested in having the University attempt to borrow money from the Public Works Fund for the construction of new buildings.

No action was taken on this matter.

MEALS FOR INDIGENT STUDENTS

(29) A report of a special committee on methods of relief for indigent students, including a proposal that the Home Economics Cafeteria serve meals for such students at cost.

This matter was referred to Acting President Daniels.

At this point, Dr. Meyer withdrew.

EXTENSION OF KAISER AND GOURDIER MORTGAGE INTEREST

Mr. Trees, for the Finance Committee, presented a recommendation that the time for payment of interest on the Kaiser mortgage be extended sixty days, and on the Gourdier mortgage thirty days.

On motion of Mr. Trees, these extensions were granted.

REPORT OF AUDITORS

Mr. Trees presented the report of Arthur Andersen & Co. on the examination of the accounts of the University for the fiscal year ending June 30, 1933, with a proposal that the accounts be examined semi-annually instead of quarterly.

On motion of Mr. Trees, this report was received for record and the proposal for a semi-annual audit was approved.

SALE OF SECURITIES EFFECTED

Mr. Trees reported that the sale of U. S. Treasury bonds ordered July 10, 1933 (page 369), had been completed.

This report was received for record.

ATHLETIC ASSOCIATION BUDGET

Mr. Trees presented a recommendation of the Finance Committee that the budget of the Athletic Association be approved as a tentative budget, and that final approval be withheld until after the football season.

On motion of Mr. Trees, this recommendation was adopted.

ROOF AND LIBRARY FURNITURE, MEDICAL BUILDING

Mr. Williams, for the Committee on Buildings and Grounds, presented the following report on the condition of the roof on the new Medical and Dental Laboratories Building, and on the furniture in the Medical Library.

A. The Committee, on September 25, 1933, made a personal inspection of the roof in company with Mr. E. L. Stouffer, Assistant Supervising Architect of the University, and Mr. E. C. Fletcher, Superintendent of Buildings of the Chicago Departments.

We found the roof in poor condition—a definite failure as to the tile covering of the building.

We found that the tile had been loosened and had fallen out of place at numerous points on the roof; at one point the ridge-roll for a distance of approximately 30 feet was gone and two flights of tile on each side of the ridge were entirely gone. At various other points from one to forty tile were missing. The falling away of the tile will undoubtedly go on at an increasing rate and will render the tile covering worthless.

The failure undoubtedly comes from a failure of the contractor to comply with the specifications as to the type and length of the copper nails used in attaching the tile to the nailing subsurface. The specification called for large-headed, solid barbed copper nails two inches in length. The nails used were only 1¾ inches in length and were not barbed, thus giving insufficient attachment to the nailing subsurface.

In addition to the failure as a protective covering, there is a definite hazard to those on or about the University premises and a liability for injury to any who are injured when rightfully on the premises and in the exercise of due care.

We recommend that an investigation be made by the Counsel for the University and that action be taken, if his investigation justifies it, against the proper parties to secure compliance with the terms of the contract under which the Medical unit was built, and if compliance can not be secured by agreement, that suit be filed for damages against said party or parties.

B. Your Committee investigated the indicated failure of the library chairs furnished under the contract for furnishing the new Medical Building unit, and found that there is a definite failure of approximately 28 arm chairs and 9 armless chairs; which have become unusable through breakage, because of unsuitable material and poor construction, and that many of those still in use are not satisfactory.

The failure apparently comes through the use of wood not well kiln-dried. This greenness of the wood has caused the arms of chairs to warp, and to contract at the point of the arms breaking the spindles supporting the arms and back and in some cases so contracting the arms that use of them is accompanied with loss of freedom in use and with actual physical discomfort.

We recommend investigation and action by the Legal Counsel as in the matter of the failure of the roof.

J. W. ARMSTRONG
NELLIE V. FREEMAN
EDWARD E. BARRETT
WALTER W. WILLIAMS

On motion of Mr. Trees, this report was approved and the President of the Board, in consultation with the University Counsel, was requested to take up the matter of replacement with the contractors.

BONDS OF EMPLOYEES

Mr. Trees reported that the Finance Committee had approved the renewal of the bond of employees who handle money, furnished by the Fidelity and Deposit Company at the same rates.

On motion of Mr. Blair, this action was approved.

At this point, Mr. Trees withdrew.

OPERATION OF McKINLEY HOSPITAL

Acting President Daniels presented a report of the operation of the McKinley Hospital for the year ending June 30, 1933.

This report was received for record.

TUITION FEES AND SCHOLARSHIPS

Acting President Daniels, on behalf of the special committee, presented a report of progress in the study of the matter of tuition fees and scholarships.

The report was accepted and the committee was continued.

ACCIDENT COMPENSATION

Judge Johnson made a report on the matter of compensation for injuries of employees.

No action was taken on this matter.

POWER PLANT OPERATION

Acting President Daniels presented a report showing the unit costs of power plant operation and the results of boiler tests of coal with a recommendation that the Board undertake a study of the power plant, water station, distribution service, and service buildings.

On motion of Mr. Barr, the Committee on Buildings and Grounds was requested to make a special study of this matter.

FINANCIAL REPORT, RESIDENCE HALLS

Acting President Daniels presented a report of the operation of the Woman's Residence Halls for the year ending June 30, 1933.

This report was received for record.

TIME OF OCTOBER MEETING

The Board voted to hold the October meeting at Urbana, on Friday, October 13, 1933.

On motion of Mr. Barr, these committees were appointed.

LEAVE OF ABSENCE FOR PROFESSOR M. L. HANSEN

(2) A recommendation from the Acting Dean of the College of Liberal Arts and Sciences and the Head of the Department of History that Professor M. L. Hansen of the Department of History be given sabbatical leave of absence on one-half pay under the rules for the year 1934-35. The Department will arrange to take care of his work without additional expense to the University.

On motion of Mrs. Hopkins, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR H. C. M. CASE

(3) A report that Dr. H. C. M. Case, Professor of Farm Organization and Management, has been given approximately four months leave of absence without pay, beginning when he receives his official appointment and continuing throughout the first semester, to enable him to direct a survey for the Federal Farm Credit Administration. Provision has been made for his University work so that this will involve no expense to the University.

On motion of Mr. Barr, this action was confirmed.

LEAVE OF ABSENCE FOR PROFESSOR W. H. RODEBUSH

(4) Dr. W. H. Rodebush, Professor of Physical Chemistry, has been invited to present a paper at the meeting of the Faraday Society to be held at Oxford University in England in April, 1934. Some of the work in physical chemistry done at the University of Illinois several years ago has attracted the attention of the President of the Society, and there is some work now under way which will also be suitable for presentation if it turns out as expected.

This invitation is such an institutional distinction as well as a professional tribute to Professor Rodebush that it warrants special consideration on its merits. It is neither requested nor expected that the University will pay his expenses to the meeting. It would be possible for him to attend if he were given leave of absence for the second semester with full pay, and arrangements would be made by the Department to take care of his work without additional cost. Professor Rodebush also agrees that if this leave is granted he will not request a sabbatical leave of absence for at least six years. In view of the unusual circumstances and subject to the conditions stipulated I recommend that this leave be granted.

On motion of Mr. Barr, this leave was granted. This action was taken in recognition of the special circumstances, and it was not intended to establish a precedent.

AGREEMENT FOR X-RAY STUDY OF INSULATING OILS

(5) A recommendation for the approval of an agreement with the Utilities Research Commission for a cooperative x-ray study of insulating oils by the Engineering Experiment Station. The agreement is drawn for a period of one year beginning October 1, 1933, with a provision for its extension, and the Commission agrees to pay the University $1,000 for the expenses of the investigation.

On motion of Mr. Armstrong, this agreement was authorized, subject to the insertion of a clause protecting the right of the University to any patents which may result from this investigation.

AGREEMENT WITH PORTLAND CEMENT ASSOCIATION FOR INVESTIGATION OF RIGID FRAME STRUCTURES

(6) A recommendation for the approval of an agreement with the Portland Cement Association for a cooperative investigation of rigid frame structures by the Engineering Experiment Station. The agreement is drawn for a period of two years from January 1, 1934, with provisions for its termination on three months notice, and extension if necessary, and the Association agrees to pay the University the sum of $15,000 for the expenses of the investigation.

On motion of Mr. Williams, this agreement was authorized, subject to the insertion of a clause protecting the right of the University to any patents.

CHEMISTRY EXHIBIT AT A CENTURY OF PROGRESS

(7) The Rosenwald Museum of Science and Industry has asked that the material for the periodic table of elements prepared by the Department of Chemistry for A Century of Progress International Exposition in Chicago be turned over to it at the end of the World's Fair. It is the opinion of Professor B. S. Hopkins, who prepared the material, that the Museum can house the collection adequately and give it a very fitting surrounding to enhance its educational value. An entire wing of the building is being planned for chemical displays and it is planned to make the periodic table a feature of this collection.

I recommend that the entire exhibit be housed in the Rosenwald Museum of Science and Industry with the understanding that the materials are a loan to the Museum and will remain the property of the University of Illinois to be recalled if at any time in the future such action is desirable.

On motion of Mr. Trees, this recommendation was adopted.

CONTRACT WITH ILLINOIS POWER AND LIGHT CORPORATION FOR ELECTRIC POWER

(8) The University's power contract with the Illinois Power and Light Corporation under which the corporation supplies the University with stand-by service, selling electric power when the University either is not generating its own or cannot generate enough to meet its peak load requirements, expires July 1, 1934. It is desirable that negotiations be started immediately to secure a new agreement. I recommend that the Acting Director of Buildings and Grounds Operations be authorized to enter into preliminary negotiations with the corporation, and to call on such members of the faculty as he deems necessary for advice. It is understood that these negotiations shall be for the purpose of determining what terms the University is able to get and that they will not involve any agreements as to rates or matters of policy without the approval of the Board.

On motion of Mr. Armstrong, this recommendation was adopted.

TREASURER'S BOND

(9) A report from the Comptroller that in accordance with the authorization of the Board of Trustees at its meeting on July 10, 1933, the Treasurer's bond has been reduced from one million dollars to five hundred thousand dollars by the Fidelity and Casualty Company of New York, which issued the bond. The reduction is effective July 11, 1933, and the bond at the reduced amount runs until the end of the present term of the Treasurer, March 11, 1935.

This report was received for record.

DEATH BENEFIT—PROFESSOR EMERITUS H. J. BARTON

(10) A report of the death on September 27, 1933, of Mr. H. J. Barton, Professor of Latin Language and Literature, *Emeritus*, and Secretary of the University Senate, who had been in the Service of the University over forty-two years when he retired on September 1, 1926. I have authorized the Comptroller to pay his estate the sum of $1,000, which was the death benefit payable under the rules of the Board and the terms of his employment.

On motion of Mr. Barr, this action was confirmed.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

BURKS PATENT—CHEMICAL TREATMENT OF WATER, CASE 1

(12) A report from Judge Johnson that the Patent Office has rejected the application for patent of Dana Burks, Jr., Chemical Treatment of Water, Case 1; with a recommendation that the University abandon further efforts to obtain a patent on this invention.

On motion of Mr. Barr, this recommendation was adopted.

FEES FOR EXTENSION WORK

(13) A recommendation that the basic fee for extension (correspondence) courses be fixed at $5 a semester credit hour; this action to be tentative and subject to final approval when the plans for the administration of this work are completed.

On motion of Mr. Barr, this recommendation was adopted.

MEETING OF AMERICAN HISTORICAL ASSOCIATION

(14) Two years ago President Chase invited the American Historical Association to hold one of its annual meetings, which are usually held the last week of December, at the University of Illinois. This invitation was renewed at the meeting of the Association in Toronto in 1932 and was accepted for the meeting in 1933. It has been customary for institutions at which such meetings are held to provide certain entertainment for the members, including a dinner and a reception. A committee of the faculty is working out plans to handle this meeting. I request authority to extend to the Association such institutional courtesies as are the common and recognized practice at other universities and colleges.

On motion of Mr. Barr, this authority was granted.

AUDIT REPORT OF THE ATHLETIC ASSOCIATION

(15) An audit report from Arthur Andersen and Company of the Athletic Association for the year ended June 30, 1933, and supplementary financial statements for the same period prepared by the Comptroller.

On motion of Mr. Barr, this report was referred to the Finance Committee for examination and report.

QUARTERLY REPORT OF THE COMPTROLLER

(16) The quarterly report of the Comptroller to the Board of Trustees as at September 30, 1933.

This report was referred to the Finance Committee for examination and report.

SPECIAL COMMITTEE ON RADIO STATION

On motion of Mr. Trees, the President of the Board was requested to appoint a special committee to investigate and to do what can be done to obtain permission for the University radio station to operate at its maximum capacity.

President Barrett appointed Mr. Karraker, Mrs. Freeman, and Mr. Williams to serve on this committee.

RENEWAL OF POPE MORTGAGE

Mr. Trees, for the Finance Committee, presented a report that the administrator of the estate of Mr. B. W. Pope proposes to pay approximately one-half of the principal sum ($5,000) of the farm mortgage loan held by the Board as one of its investments of trust funds and requests an extension of not more than $3,000 of the loan for three years, with the privilege of paying all or any part of the loan, with interest, at any time before maturity.

On motion of Mr. Trees, this extension was authorized.

TREASURER'S REPORT

Mr. Trees reported that the Finance Committee had examined the report of the Treasurer presented at the last meeting.

This report was received for record.

INVESTMENT OF TRUST FUNDS

Mr. Trees, for the Finance Committee, presented a report recommending that approximately $17,000 of trust funds be invested in the following securities, at the market price:

Issue	*Amount*
Illinois Bell Telephone Co., 5% 1956	$5 000
Duquesne Light Co., 4½% 1967	5 000
Commonwealth Edison Co., 5% 1953	7 000 more or less

On motion of Mr. Trees, these investments were authorized.

AUTOMOBILE TRAFFIC ON GREEN STREET

Mr. Armstrong reported that the Committee on Buildings and Grounds had investigated automobile traffic on Green Street where it crosses the campus, and that the Committee regarded the present conditions unsatisfactory and dangerous to students entering and leaving the campus.

On motion of Mr. Armstrong, the Acting President of the University was instructed to take whatever steps may be necessary to secure a change in State Route 10 so that it shall not go through the grounds of the University.

On motion of Mr. Barr, the Acting President was instructed to ask

the proper authorities to commission temporarily one of the employees of the University to act as traffic policeman at the corner of Green and Wright streets.

KUNZ PHOTO-ELECTRIC CELL

Mr. Williams requested that the Patent Committee be discharged from further consideration of the matter of infringements of the patent for the Kunz photo-electric cell.

On motion of Mr. Trees, this request was granted.

ALUMNI FOUNDATION

On motion of Mr. Armstrong, the special committee on the proposed Alumni Foundation was discharged from further consideration of the matter.

BRADLEY BEQUEST

The Secretary reported the receipt of notice from Mrs. Helen Byers Bradley, that the will of her husband, Colonel William Rogerson Bradley, who died in 1928, contained the following item:

"I give and bequeath to the Military Band Department of the School of Music of the University of Illinois the sum of five thousand dollars ($5,000), in cash or its equivalent, the same to be a perpetual trust fund to be created and known as the W. R. Bradley Banquet Fund, the principal thereof to be invested in legal securities of the State of Illinois and the income derived therefrom to be used for holding an annual banquet for the members of the said University band, of which Professor A. A. Harding at the date of the making of this will is the leader and director. This bequest is to be paid at the convenience of my legal representative within five years from the date of my death, and is to be paid without any deduction for any collateral inheritance tax, which taxes shall be paid out of my residuary estate first hereinafter mentioned."

On motion of Mr. Trees, this bequest was accepted, and the Acting President of the University was requested to send an expression of the appreciation of the Board to Mrs. Bradley.

DATE OF NOVEMBER MEETING

On motion of Mr. Trees, it was voted to hold the November meeting on Saturday, November 18, at the University.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 10, 1933

The November meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Friday, November 10, 1933.

When the Board convened, the following members were present: President Barrett, Mr. Armstrong, Mr. Barr, Mrs. Freeman, Dr. Meyer, Mr. Williams.

Acting President Daniels was present; also Judge Johnson, University Counsel.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of September 26, and October 13, 1933.

On motion of Mrs. Hopkins, the minutes were approved as printed on pages 371 to 408 above.

MATTERS PRESENTED BY ACTING PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

REGULATIONS GOVERNING CORRESPONDENCE STUDY

(1) The University Senate recommends adoption of the following regulations for the administration of courses by correspondence:

I. Correspondence courses are open to any applicants who can meet the University entrance requirements and also to persons 18 or more years of age whose applications are approved by the Director of the Division of University Extension. All persons desiring to enroll in correspondence courses are required to make application to the Director upon a form furnished for that purpose. If, in the opinion of the Director, there is not a reasonable expectation that the applicant can pursue with success such studies as he desires, the application will be rejected. If the application is approved, then the student can complete his enrollment by remittance of his fees to the Bursar. Applications from students who have been dropped from institutions of college grade will be considered only upon the recommendation of the proper authorities of the institution from which they have been dropped.

II. Students registered for courses in residence at the University of Illinois or at any other college or university will not be permitted to enroll in correspondence courses except upon the recommendation of the dean of their college and with the approval of the Director. If a student has enrolled for correspondence study and before completion registers for study in residence at this or at any other institution of college grade, he will be required to secure the consent of the dean of his college before continuing the correspondence studies for which he is enrolled.

III. No student is permitted to be registered for more than three correspondence courses at one time.

IV. Normally a course must be completed within twelve months and it may not be completed in less than six weeks. If a student fails to complete a course within twelve months from the date of enrollment, he may, upon the payment of an additional fee of five dollars, secure an extension of time for six months. Otherwise, a failure in the course will be recorded against him.

V. Final examinations proctored by some person approved by the Director are required in all courses.

VI. The normal tuition fee for each course is five dollars per semester hour credit. Additional charges are made in courses in which special materials are furnished.

VII. Fees are in part refunded under the following conditions:

1. When a request is made for withdrawal within six weeks from the time of enrollment by a student who has completed no more than five assignments, his tuition fee less five dollars will be refunded.
2. When a request is made for withdrawal after six weeks from the time of enrollment by a student who has completed no more than one-half of his assignments, and who has become clearly incapacitated from pursuing correspondence study, one-half the tuition fee will be refunded.

VIII. A maximum of sixty hours of credit earned by correspondence study in subjects in which the student has received grades of "C" or higher may be applied toward meeting the requirements for graduation at the University of Illinois when the following conditions are met:

1. The applicant must matriculate in the University.
2. He must complete at least thirty hours in residence at the University of Illinois.

Students who offer credit earned by correspondence study toward graduation are required to obtain grades of "C" or higher in at least three-fourths of the work done in residence.

On motion of Mr. Barr, these regulations were adopted.

APPROPRIATION FOR MEDICAL EQUIPMENT

(2) A recommendation that an appropriation of $700 be made from the Reserve and Contingent Fund to the College of Medicine for the purchase of a gas anaesthesia apparatus and a carbondioxide oxygen outfit to replace equipment which is worn out.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Freeman, Dr. Meyer, Mr. Williams; no, none; absent, Mr. Blair, Mrs. Hopkins, Mr. Horner, Mr. Karraker, Mr. Trees.

APPROPRIATION FOR RADIO STATION EQUIPMENT

(3) A recommendation that an appropriation of $1200, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to the Radio Station, for additional expenses which will be incurred during the year due to necessary mechanical changes in the equipment and slightly increased operating costs.

On motion of Dr. Meyer, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Freeman, Dr. Meyer, Mr. Williams; no, none; absent, Mr. Blair, Mrs. Hopkins, Mr. Horner, Mr. Karraker, Mr. Trees.

DEATH BENEFIT—PROFESSOR D. K. DODGE

(4) A report of the death on October 13, 1933, of Dr. D. K. Dodge, Professor of English, *Emeritus*, who served on the faculty of the University from September 1, 1892, to September 1, 1928, when he retired after thirty-six years of service. The Comptroller has paid his designated beneficiary the sum of $1,000, which was the death benefit payable under the rules of the Board and the terms of his employment.

This report was received for record.

LEAVE OF ABSENCE FOR ASSOCIATE PROFESSOR R. H. WILCOX

(5) A recommendation that sabbatical leave of absence be granted to Associate Professor R. H. Wilcox, of the Department of Agricultural Economics in the College of Agriculture, on half salary for the academic year 1934-35, under the rules of the Board governing such leaves. The Department can carry on his work without any increase in the budget.

On motion of Mrs. Freeman, this leave was granted.

LEAVE OF ABSENCE FOR MR. G. L. JORDAN

(6) A report that Mr. G. L. Jordan, Assistant to the Dean and Director of the College of Agriculture, Agricultural Experiment Station, and Agricultural Extension Service, has been given leave of absence without pay from October 26 to February 1, 1934, to assist the Federal Farm Credit Administration, under the direction of Professor H. C. M. Case, who is now on leave and is working for that organization.

This report was received for record.

LEAVE OF ABSENCE FOR MR. E. G. JOHNSON

(7) A report that Mr. E. G. Johnson, Extension Specialist in Agricultural Engineering, has been given leave of absence without pay for a minimum of thirty days and a maximum of ninety days from November 1, 1933, to assist the Federal Land Bank of St. Louis in some appraisal work.

This report was received for record.

At this point, Mrs. Hopkins took her place with the Board.

LEAVE OF ABSENCE FOR RUTH ROTHENBURGER

(8) A report that Miss Ruth Rothenburger, an assistant in the Library, has been given one month's sick leave with pay from October 1, 1933, and leave

without pay from November 1, until such time as she is able to return to her duties.

This report was received for record.

AGREEMENT WITH PORTLAND CEMENT ASSOCIATION FOR INVESTIGATION OF RIGID FRAME STRUCTURES

(9) A report that the period of the agreement with the Portland Cement Association for a cooperative investigation of rigid frame structures, authorized by the Board on October 13, 1933, has been changed from two years from January 1, 1934, to one year from January 1, 1934, and the total amount the Association will pay to cover the expenses of the investigation has been reduced from $15,000 to $8,000. The Association had not yet executed the agreement. It is anticipated that the Association will furnish additional funds to carry on the investigation and that the agreement will be extended after the expiration of one year in accordance with the provisions in it for such extension, but the Association wishes to be committed at this time to only one year.

This report was received for record.

CHANGE IN NAME OF VIVARIUM BUILDING

(10) A recommendation that the name of the "Vivarium Building" be changed to "Experimental Zoology Laboratory."

On motion of Mrs. Hopkins, this change was made.

PURCHASE OF SECURITIES FOR INVESTMENT OF TRUST FUNDS

(11) The Comptroller reports the purchase of the following securities for investment of trust or endowment funds made in accordance with the action of the Board at its meeting on October 13, 1933:

$5,000 Duquesne Light Company, First mortgage 4½% bonds
Series A, due April 1, 1967, at 104½.

$7,000 Commonwealth Edison Company, First collateral 5%
Series A, due July 1, 1953, at the following prices: $1,000 at 97, $4,000 at 97½, $2,000 at 97¾.

$5,000 Illinois Bell Telephone Company, First and refunding 5%
due June 1, 1956, at 107.

The first two items and $3,000 of Illinois Bell Telephone Company bonds have been deposited with Trevett-Mattis Banking Company of Champaign as a part of the McKinley Endowment Fund, and as required under the terms of gift of that fund. The remaining bonds have been deposited with the First Union Trust and Savings Bank of Chicago, our depository agent.

This report was received for record.

RENTAL OF NORTH CARTER-PENNELL FARM

(12) A report that the President and Secretary of the Board have executed an agreement for the rental of the north Carter-Pennell farm to John Wienken effective October 7, 1933. There is a change in the tenant of the farm, but otherwise the provisions in this agreement are similar to those in previous agreements.

This report was received for record.

GIFTS TO THE UNIVERSITY

(13) The following report of gifts received by the University since the last report:

The children of the late Professor Herbert J. Barton have presented to the University Library their father's own library consisting of 371 volumes, 15 pamphlets, and 97 stereoscopic photographs of Italy.

The DuPont Rayon Company, $250 in support of research work in chemistry on two problems involving the determination of moisture in colloidal materials and the determination of relative humidities.

Mr. E. R. Graham, Chicago architect, two handsomely bound volumes of the architectural work of Graham, Anderson, Probst, and White, and their predecessors, Daniel H. Burnham and Company, and Graham, Burnham, and

Company, to the Architectural Library. The edition was printed by Mr. Graham for private circulation and was limited to 300 copies.

Pyle National Company, a new turbo-generator locomotive headlight of modern design, in exchange for an old one presented by the company some time ago, for the use of the Department of Railway Engineering. The value of the new unit is approximately $200.

Standard Brands Incorporated, funds for continuation of research work previously supported by this company as follows: $2,250 representing half of a grant of $5,500 to Dr. Lloyd Arnold for his work on antiseptic properties of the skin; and $600 representing one-half of a $1,200 grant to Dr. Olaf Bergeim for his "Study of Effect of Yeast on Digestive Tract."

This report was received for record.

REPORT OF PURCHASES

(14) The following report of purchases authorized by the President since the last report:

From the Nelsen Concrete Culvert Company, concrete sewer pipe for storm-water drainage on Gregory Drive and Goodwin Avenue at a total cost of $1,316.37. This company makes the pipe in Champaign, and it may be inspected by our representative during manufacture to insure satisfactory pipe.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(15) The following report from the Comptroller of contracts executed since the last report:

At this point, Mr. Trees took his place with the Board.

BABBITT PATENT

(16) A statement concerning a discovery by Professor H. E. Babbitt, made during an investigation of the handling of sewage.

On motion of Mr. Trees, Professor Babbitt was authorized to apply for a patent on this discovery, to be assigned to the University.

RADIO STATION

(17) A report that the Federal Radio Commission has granted the request of the University for permission to operate on day-time schedule with a power of 1,000 watts.

On motion of Mr. Williams, this report was received for record, and the special committee appointed on October 13 to have charge of this matter was discharged.

AUTHORITY TO GIVE PUBLICITY TO RESULTS OF INVESTIGATIONS OF AUTOMATIC CONTROL SYSTEMS OF HEATING PLANTS

(18) A recommendation of the Executive Staff of the Engineering Experiment Station that Messrs. S. Konzo and A. F. Hubbard be permitted to present a paper at the annual meeting of the American Society of Heating & Ventilating Engineers, on their investigation of automatic control systems as applied to coal-fired, forced-air heating plants.

On motion of Mr. Barr, this recommendation was approved.

X-RAY STUDY OF INSULATING OILS

(19) A request from the Utilities Research Commission for a modification of the agreement for a proposed x-ray study of insulating oils by the Engineering Experiment Station.

On motion of Mr. Barr, this matter was referred to the Committee on Patents, with the President of the Board and the Acting President of the University, for consideration and report.

AUDIT OF ACCOUNTS OF ATHLETIC ASSOCIATION

Mr. Trees, for the Finance Committee, presented the report of the examination of the accounts of the Athletic Association, made by Arthur Andersen & Co.

On motion of Mr. Trees, the President of the Board was requested to appoint a special committee of three members (including the President of the Board) and the Acting President of the University to study the future relations of the University and the Athletic Association. President Barrett appointed Mr. Trees, Chairman, and Mr. Barr, to act with him on this committee.

COMPTROLLER'S QUARTERLY REPORT

Mr. Trees, for the Finance Committee, presented the financial report of the Comptroller for the quarter ending September 30, 1933.

This report was received for record.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

December 20, 1933

The December meeting of the Board of Trustees of the University of Illinois was held at the College of Medicine, in Chicago, at 10 o'clock a.m. on Wednesday, December 20, 1933.

The following members were present: Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees.

Acting President Daniels was present; also, during part of the day, Judge Johnson, University Counsel.

In the absence of President Barrett, Mr. Karraker was elected Chairman.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 10, 1933.

On motion of Mr. Armstrong, the minutes were approved as printed on pages 409 to 416 above.

MATTERS PRESENTED BY ACTING PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

DEGREE OF BACHELOR OF SCIENCE IN PUBLIC SCHOOL MUSIC

(1) A recommendation from the University Senate that the title of the degree in public school music be changed from Bachelor of Science in Public School Music Education to Bachelor of Science in Public School Music.

On motion of Mrs. Hopkins, this recommendation was adopted.

SPECIAL SCHOLARSHIP REQUIREMENT FOR NON-ILLINOIS STUDENTS

(2) A recommendation from the University Senate that the special scholarship requirement for non-Illinois students, adopted by the Board of Trustees on February 8, 1922 (Minutes, page 153), be discontinued.

The Acting President was requested to present further information on this matter at the next meeting of the Board.

PURCHASE OF KYMOGRAPHS

(3) A recommendation that an appropriation of $500 be made from the Reserve and Contingent Fund for the purchase of Kymographs for the Department of Physiology.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees; no, none; absent, Mr. Barrett, Mr. Horner, Dr. Meyer, Mr. Williams.

BIOGRAPHY OF PRESIDENT ANDREW SLOAN DRAPER

(4) Some years ago President Kinley suggested to Mr. Harlan H. Horner, Assistant Commissioner of Education of the State of New York, that he write a biography of former President Andrew Sloan Draper. On February 13, 1920 (Minutes, page 135), the Board approved the general policy of publishing biographies of former presidents of the University. Mr. Horner was on the staff of the University during President Draper's administration and served as his secretary for many years, both here and after he became Commissioner of Education of the State of New York. Mr. Horner has been working on this biography during his free time and recently spent a week at the University going through letter files and other documents of the Draper administration. He expects to finish the manuscript by January 1, 1934.

The Director of the University Press estimates that the manuscript will make a book of about three hundred pages and it will cost approximately $1,800 to print and distribute an edition of one thousand copies. Any receipts from the sale of this book will accrue to the general fund.

I recommend that publication of this biography be authorized and that an appropriation of $1,800, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Barr, this publication was authorized, the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees; no, none; absent, Mr. Barrett, Mr. Horner, Dr. Meyer, Mr. Williams.

APPROPRIATION FOR LIBRARY

(5) A recommendation that an appropriation of $5,000 be made from the Reserve and Contingent Fund to the University Library—$2,800 for the General Library and $2,200 for the College of Medicine Library—to meet an emergency situation. Many of the important periodicals which the University subscribes for regularly, and which the faculty find necessary to keep up in their scientific and scholarly work, are foreign publications. The fall in value of the United States dollar in terms of foreign exchange has increased the cost to the Library of many of these publications. Some of them have been dropped in an effort to keep within the budget, but unless additional funds are available it will be necessary to resort to further cancellations of subscriptions to foreign periodicals, particularly in the field of medicine, which the Library cannot afford to lose from the standpoint of its usefulness to scientific research and productive scholarship. This is an item which cannot be deferred in the interests of economy because it is always much more expensive, and sometimes very difficult, to secure back numbers of journals to complete sets than it is to keep up subscriptions.

On motion of Mr. Blair, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Trees; no, none; absent, Br. Barrett, Mr. Horner, Dr. Meyer, Mr. Williams.

DEATH BENEFIT—PROFESSOR N. A. WESTON

(6) A report of the death on November 29, 1933, of Dr. N. A. Weston, Professor of Economics, who has served on the faculty since September 1, 1893. The Comptroller has paid his designated beneficiary the sum of $2,780, which was the death benefit payable under the rules of the Board and the terms of his employment.

On motion of Mr. Barr, this action was approved.

ASSIGNMENT OF DR. DAVID KINLEY TO ACADEMIC DUTY

(7) A report that Dr. David Kinley, President and Professor of Economics, *Emeritus,* has been asked to return to active duty to the extent of conducting the graduate courses in economics formerly taught by the late Professor N. A. Weston, until the department can make other provision for such work. This arrangement was made in accordance with the rules of the Board which provide for the recall of retired members of the staff to active service, and I request confirmation of my action.

On motion of Mr. Armstrong, this action was confirmed.

LEAVE OF ABSENCE FOR PROFESSOR WALTER L. ROOSA

(8) A recommendation from the Dean of the College of Fine and Applied Arts and the Director of the School of Music that Assistant Professor Walter L. Roosa of the School of Music be given sabbatical leave of absence on one-half pay, under the rules, for one year beginning September 1, 1934. This will involve no additional expense to the University as his work will be carried on at a cost not to exceed the other one-half of his salary.

I concur in this recommendation.

On motion of Mrs. Hopkins, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR ALBERT BACHEM

(9) A recommendation from the Dean of the College of Medicine, that Dr. Albert Bachem, Professor of Bio-Physics, be given sabbatical leave of absence on one-half pay for six months beginning February 1, 1934. This will involve no additional expense to the University, as the department will arrange to

carry on his work during the second half of the year by using the other half of his salary during that period.

I recommend approval.

On motion of Mrs. Freeman, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR RUTH A. WARDALL

(10) A report that Professor Ruth A. Wardall, Head of the Department of Home Economics, has been given sick leave of absence with pay from November 27 until classes are resumed on January 3. In the meantime members of the department are looking after her work.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR H. C. M. CASE

(11) On October 13, 1933 (Minutes, page 396), a report was made that Professor H. C. M. Case of the Department of Farm Organization and Management was given approximately four months leave of absence without pay so that he might perform certain services for the Federal Farm Credit Administration. He has requested to have this leave extend to September 1, 1934, without pay, in order that he may continue. Arrangements can be made to carry on his teaching work and part of his research work in his absence by employing temporary assistance. This will involve no expense to the University since he will be on leave without pay.

I recommend that this leave be granted.

On motion of Mr. Barr, this extension of leave was granted.

BEQUEST OF WILLIAM ROGERSON BRADLEY

(12) A request from Mrs. Helen Byers Bradley, executrix of the will of William R. Bradley, who has bequeathed the sum of $5,000 to the University of Illinois Bands, for permission to defer the payment of the bequest, which will be due December 24, 1933, for a period not to exceed six months. To make the payment at this time would require liquidating a number of investments at a considerable loss to the estate, and she is hoping that within a few months it will be possible to dispose of them without a great loss.

On motion of Mr. Blair, this extension was granted.

URBANA-CHAMPAIGN SANITARY DISTRICT SEWER

(13) A report that the Urbana-Champaign Sanitary District was given permission to lay a ten-inch sanitary sewer on the University grounds bordering the east side of Wright street from Green Street to the main sewer north of the Boneyard. This sewer is an auxiliary to the sanitary sewer already on the campus, the laying of which was authorized by the Board of Trustees in 1924.

This report was received for record.

WHEAT ALLOTMENT CONTRACT WITH UNITED STATES DEPARTMENT OF AGRICULTURE

(14) A report that the University has entered into a wheat allotment contract with the United States Department of Agriculture covering land near Benton, Illinois, known as the Martin Farm and acquired by the University through foreclosure of a mortgage on that farm held as an investment.

This will involve a reduction of acreage, but an allowance will be received from the Government to offset in part or in full the reduced income. The contract covers the crop years of 1934 and 1935.

On motion of Mr. Barr, this action was confirmed.

AGREEMENT WITH J. C. VANCE FOR STRAWBERRY EXPERIMENTS

(15) A report of the approval of an agreement between the Agricultural Experiment Station and Mr. J. C. Vance, of Vermilion, Illinois, for the utilization

of land on his farm and his services to carry on strawberry experiments under the direction of the Department of Horticulture for a period of two years beginning January 1, 1934, at a cost not to exceed $250 a year.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS AND PURCHASE ORDERS

(16) The following report from the Comptroller of contracts and purchase orders executed since the last report:

HERMAN ELICH PRIZE IN CHEMISTRY

(18) A report that Mr. Leo L. Mrazek, of the Class of 1897 of the College of Pharmacy, has withdrawn his offer of an annual prize of $25 to the senior student who attained the highest average in chemistry, which he has been giving for a number of years; and that Mr. Herman Elich, of the Class of 1896 of the College of Pharmacy, has volunteered to offer it in his place.

This report was received for record.

GIFTS TO THE UNIVERSITY

(19) The following report of gifts received by the University since the last report:

Chicago Bridge and Iron Works, Hollup Corporation, and the Illinois Steel Company, jointly, approximately $500 in cash and test specimens having a value of approximately $1,000, for a preliminary study of welded joints for steel frames in large buildings, the fund to be known as the "Trust Fund for the Investigation of Welded Joints." The investigation is being planned in cooperation with the members of the Research Committee of the American Welding Society.

Utilities Research Commission, Inc., $1,000 received on November 23, 1933, and $500 received on June 15, 1933, a total of $1,500, to be used for the investigation of stack gases; these payments are contributions in excess of the stipulations of the original agreement.

Mr. Robert Allerton of Monticello, $800 for the continuation of the American Traveling Scholarships in Architecture during the current year.

American Society for Testing Materials, $250 for the continuation of the investigation of cast iron pipe.

Woman's Athletic Association, $200 for the Woman's Athletic Association Loan Fund. (Original gift accepted by the Board of Trustees on September 28, 1932, Minutes, page 104).

The American Society of Civil Engineers, $44.30 to supplement funds for the investigation of reinforced concrete arches.

The Cold Metal Process Company, of Youngstown, Ohio, x-ray equipment and other apparatus for research work in the Department of Chemistry:

One complete multiple diffraction unit with pinholes, slits, with Kelly-Koett transformer, control stand, and stabilizer	$2 500

One Wyckoff-Lagedin x-ray tube	75
One high temperature arc furnace	400
Total	$6 095

(Some of these items have been reported to the Board previously, but the above is a complete list of the equipment donated by this Company from time to time.)

This report was received for record.

CIVIL WORKS ADMINISTRATION PROJECTS

(20) A statement concerning the possibility of cooperation with the Civil Works Administration by providing projects for work on the grounds of the University.

Mr. E. L. Stouffer, Assistant Supervising Architect, made a statement concerning the work which could be done.

On motion of Mr. Trees, the Board approved as a general policy, that the President of the University should cooperate with the Civil Works Administration in carrying out their program, as far as possible, keeping in mind the desirability of providing employment for needy students.

SERVICE CHARGE ON DEFERRED FEES

(21) A recommendation from the Comptroller that there be authorized a service charge of ten per cent of the amount of all fees assessed and not paid at the time of registration, the maximum charge in any case not to exceed five dollars a semester, and the fee so paid not to be subject to refund.

On motion of Mr. Trees, this charge was authorized on condition that the service charge be refunded in case the total amount of fees assessed is paid within ten days of the time of registration and that no University officer shall have authority to waive the assessment of the service charge.

USE OF UNIVERSITY PREMISES AND FACILITIES

(22) A recommendation that the following regulations be adopted by the Board of Trustees to govern the use of University premises and facilities:

Subject to the approval of the proper University authorities, University premises and facilities may be used:

A. For meetings of student and faculty organizations recognized by the University—

1. In no case may an admission fee be charged for any meeting on University premises except by special permission of the office designated by the Board of Trustees as general custodian of buildings; said permission will be given only:
   (a) To student organizations when the proceeds from such gatherings go into the treasury of the organization concerned, the funds of which are expended according to University rules under the supervision and with the approval of the proper University authorities;
   (b) To other student organizations when the fee to be charged is for the sole purpose of paying the expenses of said meetings.
2. When an admission fee is collected for a meeting held on University premises, the University will charge a Physical Plant rental fee in accordance with the following schedule:

Architecture Building	$15
Auditorium	15[1]
Gymnasium, New:	
Concerts, dances until 12 p.m.	30
Dances continuing after 12 p.m.	50
Gymnasium Annex:	
Dances until 12 p.m.	20
Dances continuing after 12 p.m.	30
Smokers, mixers, etc.	10
Recital Hall	15[1]
Stock Pavilion	10
Skating Rink:	
Dances until 12 p.m.	25
Dances continuing after 12 p.m.	30
Lincoln Hall Theater	15[1]
Woman's Building:	
Dance	10

For the use of all other buildings the fee shall be determined by the general custodian of buildings and based upon the expense to the University.

B. For meetings of non-sectarian organizations whose activities are of an educational nature or of professional interest to the members of the staff or

[1]Includes one dress rehearsal; an additional charge of $1.50 each will be made for all other rehearsals.

the general student body; and for non-sectarian meetings of a non-local character of public or educational significance—

1. A University room shall not be granted to individuals or organizations for any purpose which, although in accord with the general purposes of the University, is of such a character or occurs at such a time or in such circumstances that it is likely to interfere with the work, either specific or general, of the University or any department of the University.
2. Reservations from outside organizations will not be approved until all major University events have been scheduled.
3. In no case may an admission fee be charged except upon permission previously obtained and then only to raise funds to offset expenses of said meeting.

C. Use of property of non-University organizations by the University must first be approved by the office designated as general custodian of buildings and then only when a fee is paid for such use.

D. The recreational facilities of the University are reserved for the use of students, members of the staff, and members of the staffs of organizations affiliated with the University or housed in University buildings. Permission for the use of recreational facilities by other individuals may be granted by the officer in charge upon prior authorization by the President on such terms and conditions as the President may prescribe, and subject to the regulations of the Board of Trustees. Permission for the use of University premises or recreational facilities shall not be granted in any case where interference with the use thereof for University purposes may result. Unauthorized use of University premises or facilities will be considered as trespass.

On motion of Mr. Trees, these regulations were adopted.

FEES FOR RECREATIONAL FACILITIES

(23) A report that on recommendation of the Director of the School of Physical Education and in accordance with the authority given the President of the University in such matters by action of the Board on April 20, 1932 (Minutes, page 566), the following fees have been established for the use of University recreational facilities by persons who are not officially connected with the University as students or members of the staff and who have received official permission to use such facilities:

Visitor's registration fee for use of gymnasium facilities and tennis courts, per semester	$ 7 50
Visitor's registration fee for same for the summer term (from the end of the second semester to the beginning of the first)	5 00
Locker fee and towel service per semester or summer term	1 00
Classes in physical education for women open to wives of members of the faculty, per semester	2 50
Locker fee (including locker, soap, towel, and tank suit), per semester	1 50

This report was received for record.

PROBLEMS ARISING FROM THE REPEAL OF THE EIGHTEENTH AMENDMENT

(24) In response to request, I have issued the following statement:

December 19, 1933

The University Committee on Student Discipline has expressed the wish that I make a public statement concerning the position of the University with respect to the use of intoxicating liquors by students while in attendance at the University. Neither the adoption nor the repeal of the Eighteenth Amendment made any change in the attitude of the University towards temperance and every type of misconduct growing out of the use of intoxicants. It has never

sanctioned and it does not now sanction the serving of alcoholic beverages in any form at fraternity and sorority houses, student dances, or student social functions. No official action has been taken by the University which would suggest either that there has been, or that there should be, the slightest relaxation of the University's attitude on this point.

On the basis of the philosophy that few things are inherently evil except as we choose to surrender our mastery over them, the University will continue to uphold the ideals of moderation and of self-control. We believe that the evils which may arise from the legality of traffic in alcoholic beverages can be most effectively resisted by the fundamental virtues of self-respect and self-control. Students guilty of disorderly conduct as a result of indulgence in alcoholic beverages must be prepared to accept the consequences, no matter how embarrassing to themselves or painful to their parents who make serious sacrifices to maintain them here. In no other way can the University keep its self-respect, retain the confidence of the people of the state, and preserve the traditional ideals of manhood and womanhood to which the institution has been devoted since its inception.

This report was received for record.

PIPE-JOINT COMPOUND

(25) A statement concerning the negotiations with the Berry Asphalt Company looking to the development of a discovery by Mr. Grant of a non-shrinking bituminous compound for sealing joints in iron pipe.

Judge Johnson outlined the stipulations to be covered in a contract.

Mr. Grant made a statement.

On motion of Mr. Armstrong, the University Counsel was authorized to negotiate and draft such a contract and to present it to the Board for approval.

PUBLICATION OF PAPER ON CERAMICS

(26) Dean Willard has requested the approval of the release for publication of a manuscript by Mr. W. R. Morgan presenting the results obtained under a cooperative research agreement with the Clay Products Association.

On motion of Mr. Blair, this publication was authorized.

HOCKENYOS PATENT ABANDONED

Judge Johnson reported that the Patent Office had rejected the claim of Mr. G. Hockenyos for a patent on a discovery of a means of processing dried blood albumen.

On motion of Mr. Armstrong, it was voted to discontinue the effort to obtain a patent on this discovery.

BABBITT PATENT ABANDONED

Judge Johnson reported on the status of the invention by Professor H. E. Babbitt of a method of handling sewage (Minutes, page 413).

On motion of Mr. Barr, it was voted to discontinue the effort to obtain a patent on this discovery.

INVESTMENT OF TRUST FUNDS

Mr. Trees, for the Finance Committee, reported a recommendation that $1,545 of trust funds be invested in Southwestern Bell Telephone Company first and refunding 5 per cent bonds due in 1954, at the market (approximately 105).

On motion of Mr. Trees, this purchase was authorized.

KAISER AND GOURDIER INTEREST PAID

Mr. Trees, for the Finance Committee, reported for record that the interest on the Kaiser and Gourdier mortgages (see page 381) was paid in November.

SHELTON NOTES

Mr. Trees made a statement concerning an offer to settle the Shelton notes, received as a part of the Babcock Trust.

On motion of Mr. Barr, the Finance Committee was authorized to make the best possible settlement for these notes.

RELATION OF UNIVERSITY TO ATHLETIC ASSOCIATION

Mr. Trees, for the special committee appointed to consider the relation of the University to the Athletic Association, made a report of progress.

BUSINESS ORGANIZATION

Mr. Trees, for the special committee on the business organization of the University, made a report of progress.

DATE OF JANUARY MEETING

On motion of Mr. Trees, it was voted to hold the January meeting in Chicago on January 23, 1934.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 26, 1934

The January meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Friday, January 26, 1934.

The following members were present: President Barrett, Mr. Armstrong, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams.

Acting President Daniels was present; also Judge Johnson, University Counsel.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of December 20, 1933.

On motion of Mr. Armstrong, the minutes were approved as printed on pages 417 to 428 above.

MATTERS PRESENTED BY ACTING PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

SPECIAL SCHOLARSHIP REQUIREMENT FOR NON-ILLINOIS STUDENTS

(1) The recommendation that the special scholarship requirement for non-Illinois students be rescinded (see page 418).

On motion of Mr. Karraker, this matter was laid on the table.

C. P. A. CERTIFICATES

(2) A recommendation from the Committee on Accountancy that the certificate of Certified Public Accountant be awarded the following candidates who have been certified by the Board of Examiners in Accountancy as having passed the examination given in November, 1933.

Rudolph William Bergner
Boris Harold Brail
John Philip Brown
Lester S. Davis
Edward Davitt
Harry D. Glick
William Gerhard Hessler
Herman Kaplan
Roy Shannon Lindgren
Leland S. Murchie
Edward Hjalmar Petersen
Theodore K. Riddiford
Adolph Theodore Samuelson
Richard Brewster Smith
Leroy Joseph Wallace

On motion of Dr. Meyer, these certificates were awarded as recommended.

APPROPRIATION FOR GRADUATE FELLOWSHIPS FOR 1934-1935

(3) A recommendation from the Dean of the Graduate School that an appropriation of $13,200 be made in the budget for 1934-1935 for graduate fellowships.

On motion of Mr. Armstrong, these fellowships were authorized.

APPROPRIATION FOR BUSINESS OFFICE

(4) A request from the Comptroller for a supplementary appropriation of $500 from the Reserve and Contingent Fund to the expense and equipment budget of the Business Office for the current fiscal year to provide for equipment and supplies needed in administering student loan funds, the cost of which has increased considerably in recent years.

I recommend approval.

On motion of Mr. Williams, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Barr, Mr. Blair, Mr. Horner.

APPROPRIATION FOR PHYSICAL PLANT EXTENSION

(5) A recommendation that an appropriation of $5,000 be made from the Reserve and Contingent Fund for physical plant extensions, to supplement the appropriation for such work made at the time the general University budget was adopted. Additional funds are needed to purchase the necessary material for two Civil Works projects which have been approved by the Federal Civil Works Administration of Illinois. Through this arrangement improvements will be made in the physical plant worth about $40,000 at a cost to the University of approximately $15,000.

According to its present schedule of operation the Physical Plant Division estimates a saving of approximately $5,000 in the operating budget by the end of the fiscal year to make up for this supplementary appropriation.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Williams; no, none; not voting, Mr. Trees; absent, Mr. Barr, Mr. Blair, Mr. Horner.

APPROPRIATION FOR UNIVERSITY BANDS

(6) A recommendation that an appropriation of $200 be made from the Reserve and Contingent Fund to the University Bands to supplement the appropriation made for expense and equipment for the current year.

On motion of Mrs. Hopkins, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Barr, Mr. Blair, Mr. Horner.

APPROPRIATION FOR PURCHASE OF LOCKS

(7) A recommendation from the Provost, the Director of the School of Physical Education, and the Comptroller, that the University purchase locks for the student lockers in the University gymnasia, and that each student who is issued a lock be required to deposit $1.00, which will be refunded when the lock is returned in good condition. Heretofore students have supplied their own locks, and this has proved unsatisfactory.

It is recommended that this plan be put into effect in September, 1934.

This will require an appropriation of $3,500 from the Reserve and Contingent Fund to purchase the locks. Aside from the practical advantage of the University furnishing the locks, there is ample justification for this expenditure because the University has had a *net* income from its locker and towel system which in the past three years has not been less than $4,000 a year, and previously was even higher.

On motion of Mr. Trees, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Barr, Mr. Blair, Mr. Horner.

DEATH BENEFIT—MRS. VIRGIL GILCHRIST WHEELER

(8) A report of the death on January 3, 1934 of Mrs. Virgil Gilchrist Wheeler, M.D., Associate in Hygiene and Medical Adviser at the University's Health Service Station, who served on the staff of the University since September 1, 1924. The Comptroller has paid her designated beneficiary the sum of $1,219, which was the death benefit payable under the rules of the Board and the terms of her employment.

On motion of Dr. Meyer, this action was confirmed.

LEAVE OF ABSENCE FOR PROFESSOR CHARLES M. KNEIER

(9) A recommendation from the Dean of the College of Liberal Arts and Sciences and the Head of the Department of Political Science that Dr. Charles M. Kneier, Associate Professor of Political Science, be granted a leave of absence during 1934-1935, without pay, in order that he may supplement his training in political science by the study of law, with the understanding that his position will be left open for him.

On motion of Mr. Williams, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR L. J. NORTON

(10) On September 26, 1933 (Minutes, page 372) a report was made that Dr. L. J. Norton, Assistant Professor of Agricultural Economics, was given approximately four months' leave of absence, without pay, so that he might perform certain services for the Federal Farm Credit Administration. He has requested to have this leave extended to September 1, 1934, without pay, in order that he may continue. Arrangements can be made to carry on his work in his absence by employing temporary assistance. This will involve no expense to the University since he will be on leave without pay.

On motion of Mrs. Hopkins, this extension of leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR HAROLD N. HILLEBRAND

(11) A recommendation from the Dean of the College of Liberal Arts and Sciences and the Head of the Department of English that Dr. Harold N. Hillebrand, Professor of English, be given sabbatical leave of absence for the first semester of the academic year 1934-1935, or for six months from August 1, 1934, to January 31, 1935, on one-half pay. This will involve no additional expense to the University as his work will be carried on at a cost not to exceed the other one-half of his salary.

On motion of Mrs. Freeman, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR MAX J. WASSERMAN

(12) A recommendation from the head of the Department of Economics and the Dean of the College of Commerce and Business Administration that Dr. Max J. Wasserman, Assistant Professor of Economics, be given leave of absence without pay for six months from February 1, 1934, to July 31, 1934, to enable him to accept a position with the Agricultural Adjustment Administration at Washington.

I concur in this recommendation.

On motion of Mr. Trees, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR R. H. MILES

(13) A recommendation from the Dean of the College of Fine and Applied Arts that Associate Professor Russell H. Miles of the School of Music be authorized to be absent from January 22 to February 7 (this is the final examination period plus the inter-semester recess), in order to make a concert tour through the East. His absence will involve no expense to the University as his work for the semester has been finished.

On motion of Dr. Meyer, this leave was granted.

LEAVE OF ABSENCE FOR DIRECTOR HUFF

(14) A recommendation that leave of absence with pay for one month (February or March) be granted to Director George A. Huff.

On motion of Mr. Trees, this leave was granted.

DIVISION OF BIOLOGICAL SCIENCES

(15) A recommendation from the faculty of the College of Liberal Arts and Sciences that the Departments of Bacteriology, Botany, Entomology, Physiology, and Zoology be organized into a Division of Biological Sciences.

On motion of Mrs. Freeman, this recommendation was adopted.

DEPARTMENT OF GEOLOGY AND GEOGRAPHY

(16) A recommendation from the College of Liberal Arts and Sciences that the name of the Department of Geology be changed to the Department of Geology and Geography.

On motion of Mrs. Hopkins, this recommendation was adopted.

SUMMER SESSION COURSES IN UNIVERSITY HIGH SCHOOL

(17) On February 16, 1933 (Minutes, page 188), the Board authorized the offering of courses in the University High School during the 1933 Summer Session under the general direction of the Dean of the College of Education and the Director of the Summer Session. Fees of $15 a unit and of $8 a half-unit of work were established.

I recommend that this plan be authorized as a permanent arrangement, provided that such courses will be offered only when it is clear that the work will be completely self-supporting. In future years funds to cover the cost of this work can be included in the budget for each Summer Session. For the summer of 1934 a supplementary appropriation will be necessary; and I recommend that $1,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to supplement the Summer Session budget for this purpose.

On motion of Dr. Meyer, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Barr, Mr. Blair, Mr. Horner.

AGREEMENT WITH UNITED STATES GYPSUM COMPANY FOR INVESTIGATION OF ABSORPTION OF SOUND BY MATERIALS

(18) On October 21, 1932 (Minutes, page 131), the Board approved an agreement with the United States Gypsum Company for a cooperative investigation of absorption of sound by materials. The agreement was for one year beginning October 1, 1932, with the provision that it might be extended under the same terms and conditions. Recently a new contract was submitted to the Company extending the old agreement, but the Company refused to sign because of the changes in the contract made in conformity with the practice established by the Board of Trustees at its meeting on October 13 concerning patent rights.

The University Counsel advises that in his opinion this practice should not apply to the extension of former agreements in view of the provisions for their extension on the same terms and conditions as the original contracts.

I recommend that this contract be extended under the original terms for one year.

On motion of Mr. Trees, this extension was authorized as recommended.

FEDERAL CIVIL WORKS PROJECTS AT THE UNIVERSITY

(19) A report that the University has applied to the Federal Civil Works Administration for approval of the following projects; all of the labor costs will be paid from federal funds, and some of the materials, equipment, and supplies will also be paid for from such funds. Funds are available in the budget for the current year for the expenses which the University will be called on to meet:

	Total Cost	*Cost to the University*
Extension of 16-inch heat main a distance of 1,100 feet on the University's campus	$20 848 92	$8 100 00

TRANSFER OF McKINLEY ENDOWMENT FUND SECURITIES

(22) The deed of gift executed by the late Senator W. B. McKinley creating an endowment fund for a chair in the economics of public utilities (Minutes, January 12, 1924, page 376) provides that for a period of ten years the securities originally constituting that fund and any securities purchased by the Board as a reinvestment of the fund should be deposited in escrow with the Trevett-Mattis Banking Company. This period having expired, the Trevett-Mattis Banking Company, at the direction of the Comptroller, has turned over to the First National Bank of Chicago, Trust Department, depository for the University, the following securities held by it in connection with this fund:

First farm mortgage, Mathew and Lucy L. Dunn	$ 1 600
First farm mortgage, M. H. Hart	14 000
First farm mortgage, B. W. Pope, et al	5 000
Appalachian Power Company, first mortgage bonds, 5%, due 1941	4 000
Chicago Union Station Company, first mortgage bonds, 4½%, due 1953	15 000
Commonwealth Edison Company, first collateral gold bonds, 5%, due 1953	7 100
Duquesne Light Company, First mortgage bond, 4½%, due 1967	5 000
Illinois Bell Telephone, first and refunding gold bonds, 5%, due 1956	3 000
Kansas City Terminal Railroad, first mortgage bonds, 4%, due 1960	20 000
Swift and Company, first mortgage, 5%, due 1944	10 500
Terminal Railroad Ass'n of St. Louis, first mortgage bond, 4½%, due 1939	1 000
West Pennsylvania Power Company, first mortgage bonds, 5%, due 1963	10 000

These securities have been fully accounted for, and the Comptroller has released the Trevett-Mattis Banking Company from further obligations under the escrow provisions of the deed of gift.

QUARTERLY REPORT OF COMPTROLLER

(27) The report of the Comptroller for the three months ending December 31, 1933.

This report was received for record.

REPORT OF PURCHASES

(28) The following report of purchases authorized by the President since the last report:

From E. H. Sargent and Company, of Chicago, 116 cases of Pyrex laboratory glassware for use in the chemical laboratories during the second semester

of the present academic year at a cost of approximately $2,750. This is a non-competitive item and this company was selected because of the service it can render.

This report was received for record.

TAXES ON CARTER-PENNELL FARMS

(29) A report from the Comptroller that the Vermilion County Court recently rendered a decision holding that the taxes on the Carter-Pennell farms, owned by the University, which have not been paid, but have been protested in every case, must be paid in full. Before the case can be appealed to the Supreme Court it will be necessary for the University, under the law, to deposit $3,610.91, representing the amount of unpaid taxes in cost.

The income which these farms have yielded from time to time has been transferred to the University's student loan funds in accordance with the terms of the gift of the late Mr. and Mrs. Joseph Carter when they deeded these farms to the University. There is on hand in the farm account the sum of $1,378.56; to date the aggregate amount transferred to loan funds from the farm account is $3,000. In order to provide funds necessary for the tax deposit required of payment of taxes in case the Supreme Court upholds the decision of the County Court, it is necessary that the sum of $2,300 be transferred back from the University's loan funds to the Carter-Pennell Farm Operating Fund. The loans made to students from this fund can be transferred to other loan funds in which money is available.

I recommend that this transfer be approved, that the Comptroller be authorized to deposit the sum of $3,610.91 on account of taxes on these farms for the purpose of taking an appeal to the Supreme Court, and that this appeal be also authorized.

On motion of Mr. Trees, these recommendations were adopted.

PATENT OF METHOD OF TESTING INSULATION AND CABLES

(30) A report that the Secretary has reported the receipt of original United States Letters Patent #1943391 and #1943392, Cases 1 and 2, respectively, Serial Nos. 504045 and 504046, for discoveries by E. B. Paine, J. T. Tykociner, and H. A. Brown, of methods of and means for testing insulation and cables.

This report was received for record.

CHAMPAIGN AND URBANA ORDINANCES FOR LIQUOR REGULATION

(31) The mayors of Champaign and Urbana have appointed committees to study and make recommendations concerning ordinances for the regulation and control of liquor in the two cities. At the invitation of the Mayor of Champaign, concurred in by the Mayor of Urbana, I appointed a committee of three to represent the University to serve jointly with the city committees in studying and making recommendations concerning this matter.

RESOLUTION FROM BLOOMINGTON PRESBYTERY CONCERNING MILITARY TRAINING

(32) A resolution adopted at a meeting of the Bloomington Presbytery of the Presbyterian Church in the United States held in Champaign January 9, 1934, urging that no conscientious objector shall be compelled to take military training in any school or be expelled from school because of his convictions in the matter, which this organization directed its clerk to bring to the attention of the Board of Trustees of the University of Illinois.

On motion of Dr. Meyer, this communication was referred to the Acting President of the University for reply.

FURNITURE IN MEDICAL AND DENTAL LABORATORIES BUILDING

(33) In July the Board referred to the Committee on Buildings and Grounds certain questions relating to contracts for the Medical and Dental Laboratories Building and equipment. One of the items had to do with the failure of some chairs supplied by the W. M. Welch Manufacturing Company to come up to requirements. The Business Agent for the Chicago Departments has reported through the Comptroller that all except five of the chairs in question have been satisfactorily repaired and returned by the contractors and that the contractors have given the University credit for the original five which were not returned. Since the University makes frequent purchases from the company it will not be difficult to take advantage of this credit in the near future.

This report was received for record.

MEMBERSHIP IN HOSPITAL ASSOCIATION

The Special Committee to consider the matter of requiring all students to become members of the Hospital Association reported that it did not seem advisable to make this requirement at the present time.

On motion of Mr. Trees, this report was received and the Special Committee was discharged.

PERMISSION TO PUBLISH

President Barrett reported for record that the Executive Committee had authorized the publication of a paper by Messrs. A. P. Kratz and S. Konzo on a Study of Summer Cooling in the Research Residence for the Summer of 1933.

NALLY MORTGAGE

Mr. Trees, for the Finance Committee, reported for record that the Nally property had been bid in by a member of the Comptroller's staff, representing the University, at a public sale, at a price of $4,678.89, covering the mortgage, accrued interest, taxes, and expenses of sale.

BERLIN CITY BONDS

Mr. Trees, for the Finance Committee, presented a statement concerning $5,000 Berlin (Germany) City Bonds, held as a trust-fund investment.

On motion of Mr. Williams, the Finance Committee was authorized to convert this investment to German Government 5½ per cent bonds at 65.

AMENDMENT TO BY-LAWS

On motion of Mr. Trees, Article IV, Section 6 of the By-Laws of the Board of Trustees was amended to read as follows:

Sec. 6. The following shall constitute the regular or standing committees of the Board, and the members thereof shall hold office for one year or until their successors are appointed: Five Board members—Buildings and Grounds. Three Board members each—Finance; Patents; Chicago Departments; Students' Welfare; Affiliated Student Activities; Alumni; Agriculture; General Policy.

(The amendment consists in the addition of the committee on General Policy; otherwise the section reads as before.)

PROPOSED CHANGE IN ROUTE 10

Mr. Armstrong, for the Committee on Buildings and Grounds, asked Mrs. Freeman to present the matter of the proposed change of Route

10. Mrs. Freeman reported that she had inspected the traffic on Green Street where it crosses the campus, and urged that action be taken to secure a change in the route so that it should not cross the campus.

ILLINOIS UNION BUILDING

At this point, Mr. Robert B. Browne was heard on the proposal to secure funds from the Public Works Administration to house the Illinois Union.

On motion of Mr. Trees, this matter was referred to the President of the Board, the President of the University, and the University Counsel.

POWER PLANT DEVELOPMENT

Mr. Armstrong, for the Committee on Buildings and Grounds, presented a report on the condition of the power plant.

On motion of Mr. Trees, President Daniels and Mr. Armstrong were requested to make a comprehensive study of the power plant and related activities and to report their recommendations to the Board.

DATE OF FEBRUARY MEETING

On motion of Mr. Armstrong, the Board voted to hold the February meeting at the University, in Urbana, at 10 o'clock a.m. on Saturday, February 24, 1934.

BEQUEST OF MARTHA BELLE BARRETT

The Secretary reported for record the receipt of a copy of the will of the late Martha Belle Barrett, containing the following item:

"The remaining $5,000.00 of said amount at the death of my said sister Evaleen B. Pratz shall go to the University of Illinois to establish a scholarship in American History to be known as The Martha Barrett Scholarship In American History. I request that the principal be retained intact by the University and that the income be used for a scholarship in American History according to rules and conditions prescribed by the University."

(Martha Belle Barrett of Kansas City, Missouri, died in April, 1930; by her will, the Fidelity National Bank and Trust Company of Kansas City was made trustee; this trustee having resigned, legal steps are in progress to make the Union National Bank in Kansas City the trustee.)

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

February 24, 1934

The February meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Saturday, February 24, 1934.

The following members were present: President Barrett, Mr. Armstrong, Mrs. Freeman, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams.

Acting President Daniels was present; also Judge Johnson, University Counsel.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 26, 1934.

On motion of Mr. Armstrong, the minutes were approved as printed on pages 429 to 444 above.

MATTERS PRESENTED BY ACTING PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

FEDERAL FUNDS FOR EMPLOYMENT OF STUDENTS

(1) Early in February word was received from the United States Commissioner of Education that all state emergency relief administrations have been authorized to make relief funds available for part-time employment of college students from February 2, 1934, to the end of the current academic year, but not including the Summer Session of 1934, under certain conditions. The University of Illinois promptly applied for funds and its application has been approved. Under the federal regulations the University may give employment to as many as 990 students (representing ten per cent of the full-time enrollment as of October 15, 1933) at an average of fifteen dollars per month per student. The maximum any student may receive is twenty dollars per month and the minimum is ten dollars. Under the federal regulations work may be given only to students whose financial status is such as to make impossible their attendance in college without aid, who are of good character, who possess such ability as to give assurance that they will do high-grade work at college, and the jobs must be allocated between men and women in proportion to the enrollment of each. A committee was appointed to administer the use of these funds, and the various departments of the University have submitted projects of various kinds which meet the federal requirements and on which students are being employed.

This report was received for record.

SUMMER SESSION STAFF 1934

(2) A recommendation for the approval of the following appointments to the Summer Session staff for 1934, the positions and salaries being indicated in each case; and a request for authority to make such adjustments in the Summer Session budget and such additional appointments as may be necessary. The work of teaching in the Summer Session is additional service not contemplated in the appointment of members of the teaching staff for service during the regular academic year, and it therefore necessitates additional compensation as shown in each case. Provision has been made in the budget for 1933-1934 for the work of the 1934 Summer Session.

On motion of Mr. Trees, this budget was approved, and authority was granted as requested.

APPOINTMENT OF PROFESSOR CHARLES ZELENY AS CHAIRMAN OF THE DIVISION OF BIOLOGICAL SCIENCES

(3) A report that Professor Charles Zeleny has been appointed Chairman of the Division of Biological Sciences in the College of Liberal Arts and Sciences, which includes the Departments of Bacteriology, Botany, Entomology, Physiology, and Zoology.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR ROBERT F. SEYBOLT

(4) A recommendation from the Dean of the College of Education that Professor Robert F. Seybolt of that college be given sabbatical leave of absence on one-half pay, under the rules, for one year beginning September 1, 1934. This will involve no additional expense to the University as his work will be carried on at a cost not to exceed the other one-half of his salary.

I concur in this recommendation.

On motion of Dr. Meyer, this leave was granted.

LEAVE OF ABSENCE FOR MRS. JOHNSTON

(5) A recommendation that Mrs. Nell C. B. Johnston, Assistant Professor of Education, be given sick leave, with pay, for the second semester of the current academic year.

On motion of Mr. Williams, this leave was granted.

LEAVE OF ABSENCE FOR MISS JOSIE B. HOUCHENS

(6) A recommendation from Director Windsor that Miss Josie B. Houchens be granted leave of absence, without pay, for one month during the summer of 1934, to enable her to teach in the summer session at Columbia University.

On motion of Mrs. Freeman, this leave was granted.

STATUS OF PROFESSOR W. C. HUNTINGTON

(7) Since November 20, 1933, Professor W. C. Huntington, Head of the Department of Civil Engineering, has been serving with the Illinois Civil Works Administration as a member of its engineering staff. During the first semester he continued carrying on his responsibilities as head of the department here and divided his time each week between Urbana and Chicago. It has been necessary to relieve him of his teaching duties, and, since the beginning of the second semester, of some of his responsibilities as head of the department. Therefore, I have authorized the following arrangements:

Professor W. H. Wilson has been authorized to act as head of the department during Professor Huntington's absence.

Mr. Ralph Kluge, formerly employed in one of the cooperative research investigations which has been terminated, has been appointed instructor in civil engineering at a salary of $200 a month, effective February 1 and continuing until further notice, but not longer than June 30, 1934. This appointment will involve an addition to the budget.

Professor Huntington has never been given formal leave of absence and is serving the Civil Works Administration without any compensation. I request confirmation of my action authorizing Professor Huntington to render this service and approval of the arrangements made to take care of his University work.

On motion of Mr. Williams, this action was confirmed.

ADMISSION FROM SENIOR HIGH SCHOOLS

(8) The University Senate recommends that the requirements for admission to the University from senior high schools be amended to read as follows:

"In the case of graduates of a school organized as a three-year senior high school, including grades ten, eleven, and twelve, at least twelve units must have been taken in the senior high school. At least eight of these units, including two majors and one minor, or four minors, must be taken from the fields of English, foreign language, mathematics, science, and social studies. Either a major or a minor must be from the field of English. One unit of foreign language and one unit of mathematics may be accepted from work completed in the ninth grade as a part of the majors and minors, provided at least eight units of senior high-school work have been completed in subjects included in the above enumerated fields. The remaining four units may be selected from any of the senior high-school subjects which are accepted by an accredited high school toward its diploma and which meet the standards for accrediting as defined by the University of Illinois.

"The transcript of credits certified by the senior high school must show any credit in mathematics or foreign language accepted from the ninth grade if these subjects have been continued in the senior high school. Fractional credits of the value of less than one-half unit will not be accepted. Not less than one unit of work will be accepted in a foreign language, elementary algebra, plane geometry, physics, chemistry, and biology."

On motion of Dr. Meyer, this recommendation was adopted.

REQUIREMENTS FOR GRADUATION IN COLLEGE OF ENGINEERING

(9) The University Senate recommends the following new general requirement for graduation in the College of Engineering:

"In order to receive the bachelor's degree in Engineering, a student must have secured as many grade points in the courses prescribed and elected for the degree and taken at the University of Illinois as the credit hours total in such courses, basic Military Drill and Physical Education excepted."

This regulation shall take effect for all students entering the College of Engineering after September 1, 1934. Students who entered before that date may receive their degrees, at their option, either under this new regulation or under the three-fourths "C" rule.

On motion of Mr. Karraker, this requirement was adopted.

EXTENSION OF AGREEMENT WITH BALTIMORE AND OHIO RAILROAD COMPANY

(10) A report that the agreement with the Baltimore and Ohio Railroad Company, entered into by the University on September 11, 1933, for certain experiments and tests on the line of the company between Dayton and Lima, Ohio, has been extended until March 1, 1934, in accordance with the provision in the original agreement for its extension under the same terms and conditions.

On motion of Mr. Armstrong, this action was confirmed.

AGREEMENT WITH THE REINFORCED BRICK MASONRY RESEARCH BOARD

(11) A report that the agreement with the Reinforced Brick Masonry Research Board for a cooperative investigation of reinforced brick masonry by the Engineering Experiment Station has been extended for one year from February 1, 1934, in accordance with the provisions in it for such extension, with the exception of the provision relating to payments. Since no salaries are involved in the extension of this agreement, regular payments at stated intervals are no longer necessary and future payments by the Research Board to the University will be made in such amounts and at such times as may be mutually agreed upon.

On motion of Mr. Armstrong, this action was approved.

COOPERATIVE INVESTIGATION OF INSECTICIDES

(12) A recommendation from the Director of the Agricultural Experiment Station for the approval of an agreement between the University and the State Natural History Survey, parties of the first part, and the Grasselli–R. & H. Chemicals Department, E. I. DuPont de Nemours & Company, party of the second part, for a cooperative investigation to study the evaluation of the toxicity of various insecticides to be carried on by the Agricultural Experiment Station and the Natural History Survey. This agreement is drawn for a period of one year beginning February 1, 1934, with provisions for its extension. The party of the second part agrees to pay the University a total of $4,500 in monthly installments of $375 beginning March 1 to cover the expenses of this investigation.

The agreement is of the form and character of similar agreements hitherto approved by the Board, including the provision recently adopted governing patentable discoveries with the exception that in this agreement provision is made for joint ownership in the University and the Natural History Survey of all patentable discoveries.

On motion of Mr. Williams, this agreement was authorized.

CORN-HOG REDUCTION CONTRACTS FOR CARTER-PENNELL FARMS

(13) The tenants on the Carter-Pennell farms wish to cooperate with the Federal Government by entering into corn-hog reduction contracts with the United States Department of Agriculture. These contracts provide that the owners must sign them with the tenants. The Dean of the College of Agriculture recommends that the University sign these contracts.

I concur and recommend adoption of the following resolution:

WHEREAS the tenants on the University of Illinois farms in Vermilion County, known as the Carter-Pennell farms, desire to cooperate with the Federal Government by entering into corn-hog reduction contracts with the United States Department of Agriculture; and

WHEREAS the regulations governing such contracts provide that "if a producer or landlord is a governmental body or agency, there shall be attached to the contract a certified copy of a resolution of the Board or other authority authorized by statute to lease and contract in regard to the land and personal property covered by the contract, authorizing the execution of such Corn-Hog Reduction Contract by the person executing the contract on its behalf";

NOW THEREFORE BE IT RESOLVED that the Board of Trustees hereby authorizes the Dean of the College of Agriculture and the Director of the Agricultural Experiment Station to sign the contracts;

AND BE IT FURTHER RESOLVED that the Secretary of the Board is instructed to prepare a certified copy of this resolution to be attached to the contracts.

On motion of Mr. Trees, this resolution was adopted.

LITIGATION TO TEST ACCOUNTANCY ACT

(14) Suit has been brought in the Circuit Court of Cook County to restrain the University of Illinois from issuing any more certificates to certified public accountants, and to void all the certificates issued in the past. The object of this suit is, of course, to test the validity of the Accountancy Act of 1903 in view of another law passed in 1927 providing for the registration of public accountants by the State Department of Registration and Education. The defense of this suit is being handled under the direction of the Attorney General of Illinois.

This report was received for record.

LITIGATION CONCERNING WILL OF WENSEL MORAVA

(15) Suit has been commenced in the Circuit Court of Cook County to obtain a construction of the will of the late Wensel Morava, under which the sum of $80,000 was given in trust to the University of Illinois, the income from which is to be used for the benefit of worthy and indigent students, preferably of Czechoslovak descent. It is not clear whether, due to the election of the widow not to take under the will, the general legacies should be scaled down in order to take care of her interest. The University Counsel has prepared an answer to protect the legal rights of the University.

This report was received for record.

LITIGATION TO SET ASIDE TRUST CREATED BY L. CARDINAL QUINN

(16) A report from the University Counsel that he has received a summons in a proceeding of the Superior Court of Cook County in which John Quinn seeks to set aside a trust arrangement created by his father, L. Cardinal Quinn, of Chicago. The Board of Trustees is named among the defendants. The trust agreement is an elaborate affair and in one article there is set up the Cardinal Quinn Student Nurse Relief Fund in the sum of $4,000, the income of which is to be applied for the assistance of deserving student nurses in the American Hospital, 850 Irving Park Boulevard, Chicago, with a contingent provision that if this hospital shall cease to exist, the benefits of the fund shall accrue to medical students at the University of Illinois for a period of twenty-three years after the creation of the fund. In other words, the benefits of the fund will not accrue to medical students of the University of Illinois unless the American Hospital shall cease to exist before the period of twenty-three years has expired, and then only for a limited time.

The University's interest is wholly contingent and too remote to justify a defense; therefore, I recommend that the University do not formally interpose a defense in this case.

On motion of Mr. Trees, this recommendation was adopted.

VOLUNTARY CLASSES IN EQUITATION

(17) A report that the Military Department has been authorized to conduct voluntary classes in equitation for a limited number of women students and children of officers of the Military Department under the following conditions:

(a) Classes will be open to sophomore and junior women students in good scholastic standing whose applications have been approved by the Dean of Women and faculty advisers.

(b) One small class for children of officers of the Military Department, which will be held after the other classes. After trial this may be extended to include other members of the faculty and their children in limited numbers.

(c) *Fees.*—A fee of $3.00 per student for a course of ten lessons and of 10 cents per lesson for children will be charged for each individual enrolled. The fees will be payable to the Bursar of the University on registration in the classes, and a special fund will be set up from which the expenses of conducting the classes will be paid.

I request confirmation of my action.

On motion of Mr. Williams, this action was confirmed.

SEWAGE TREATMENT RESEARCH

(18) The Illinois Association of Sanitary Districts, through its executive committee, the Illinois Society of Engineers, and the Sewage Treatment Plant Operators of Illinois have adopted resolutions recommending the continuance of sewage treatment research by the Engineering Experiment Station, which was discontinued because of lack of sufficient funds. These resolutions are submitted herewith.

The resumption of this work will involve an expenditure of $3,500.

On motion of Dr. Meyer, the continuance of this work was authorized, and an appropriation of $3,500 for the purpose was made from the Reserve and Contingent Fund, by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Freeman, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Hopkins, Mr. Horner.

MESSAGE FROM THE CZECHOSLOVAK NATIONAL COUNCIL CONCERNING CHAIR OF SLAVONIC LANGUAGES

(19) The Czechoslovak National Council of America requests the University of Illinois to establish a chair of Slavonic languages and literatures. A memorandum from the Council concerning this proposal is submitted herewith.

This matter was referred to the President of the University for consideration and report.

K. C. BABCOCK ENDOWMENT SECURITIES

(20) A report from the Comptroller that in accordance with the action of the Board of Trustees at the last meeting, $5,000 par of Berlin City Electric Company 6½% bonds, due 1959, received as a part of the K. C. Babcock endowment, have been disposed of at a price of 60, realizing $3,000 and thus resulting in a reduction of $2,000 in the book value of this endowment. In their place, $5,000 par of German International 5½% bonds, due 1965, were purchased at a price of 62, the difference being temporarily advanced out of income until further changes in the investments of this fund are made through which the difference can be taken up in the principal account.

This report was received for record.

GIFTS TO THE UNIVERSITY

(21) The following report of gifts received by the University since the last report:

Western Electric Company, electrical condensers, coils, switches, and miscellaneous electrical equipment, totaling at least $500, to the Department of Electrical Engineering.

American Society for Testing Materials, $100 as a contribution to the investigation of cast-iron pipe which is being carried on in the Engineering Experiment Station.

This report was received for record.

AGREEMENT WITH CITY OF CHAMPAIGN FOR FIRE TELEPHONE SERVICE

(22) A report that the Comptroller and the Secretary have been authorized to execute an agreement with the City of Champaign for the installation of emergency fire telephone service, through the Illinois Bell Telephone Company, between the University Fire Station and the Champaign Fire Department, at a rental of $15.75 a month beginning March 1, 1934. The University leans heavily on the local fire departments for fire protection. Until the University has adequate fire protection of its own, these arrangements, and the expenses involved, are necessary.

This report was received for record.

On motion of Mr. Williams, the Committee on Buildings and Grounds was requested to study the matter of fire protection and report to the Board.

REPORT OF PURCHASES

(23) The following report of purchases authorized by the President since the last report:

From Edward Hines Lumber Company of Chicago, two cars of lumber consisting of maple, white pine, and birch for use by the Physical Plant Division on repair jobs at a cost of $2,934 f.o.b. Urbana.

From Lyon Metal Products, Incorporated, 2,925 combination padlocks for use on student lockers in the Men's Gymnasia at a cost of $2,193.75 (75 cents each).

From Scott Paper Company, 340 cases of paper towels at a cost of $1105 f.o.b. Urbana.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(24) The following report from the Comptroller of contracts executed since the last report:

PROPOSED CONSTRUCTION OF UNION BUILDING

(26) A report from the special committee appointed on January 26, 1934, to consider the advisability of attempting to secure federal funds for the construction of a building for the Illinois Union.

On motion of Mr. Karraker, this report was accepted. It was the opinion of the Board that the University should not take any action looking toward the construction of such a building at this time.

BURKS PATENT FOR SOFTENING WATER

(27) The Secretary reports the receipt of original United States Letters Patent No. 1947248, dated February 13, 1934, issued on application of Dana Burks, Jr., Methods of Regenerating and Washing a Zeolite Bed.

This report was received for record.

ARMORY ANNEX

(28) The Professor of Military Science and Tactics recommends that an application be made by the University for an allotment of Federal Public Works funds for the construction of an Armory Annex at the University, which would contain a drill hall to permit mounted work indoors, stables for animals, and space for parking field guns and other vehicles and permit gun drill, together with space for offices, repair shops, storage of feed for animals, and an observation gallery. This building would replace the present military stables, which are inadequate, of wood, and of such an age as to make up-keep costly.

If application for such funds is approved as a federal project on the ground that such a building would in time of emergency be immediately available to the Federal Government, the full cost would be paid by the Public Works Administration instead of the usual division of such financing between the Public Works Administration and state or local governments, if certain legislation proposed in Congress is enacted. It is estimated that a building of the type requested would cost at least $225,000, and possibly as much as $350,000; service connections, that is, extension of steam, water, and power lines on present sources of supply, would cost $25,000. The operating department estimates that the cost of operating and maintaining such a building would be approximately $8,000 per year. These estimates do not include provision for the relief of existing service lines which are now over-loaded.

No action was taken on this matter.

REPORT ON APPLICATIONS FOR APPROVAL OF CIVIL WORKS ADMINISTRATION PROJECTS

(29) At the January meeting of the Board (Minutes, page 433) a report was made that the University had applied to the Federal Civil Works Administration for the approval of certain projects, the labor costs for which were to be paid from federal funds. At this time only one of the projects has been approved, namely, the investigation of properties of certain clays. The University has been informed by the Champaign County Civil Works Administration that no local labor will be available for the extension of the 16-inch heat main and the water storage reservoir for which the Physical Plant Division had applied. These projects therefore cannot go forward. Information has been requested concerning the status of the others.

This report was received for record.

ACCIDENT COMPENSATION

(30) The following letter from the University Counsel.

February 20, 1934

President A. H. Daniels, 355 Administration Building

MY DEAR PRESIDENT DANIELS:

On Tuesday, February 6, I met with the Court of Claims at Springfield, and the Court very generously gave me more than an hour to present the legal status and situation of the University from the standpoint of the State Compensation Law. As a result of that discussion the Court will pass upon claims of members of the staff of the University for hospital or medical service and make findings on the subject whether the employee was engaged in an extra hazardous occupation at the time of the injury and therefore entitled to compensation, and as to the amount to which he is entitled for hospital and medical attention. In conformity with the understanding had with the Board and with the Governor sometime ago, the Board, if it can find the money, may then properly pay these items at once instead of requiring the staff member to wait for two years or so, until the Legislature makes an appropriation. Other cases, involving compensation for loss of time or permanent or partial disability, will have to take the regular course.

I am reporting this to you at this time so that if you deem it sufficiently important you may bring this to the attention of the Board at its next meeting.

Cordially yours,

SVEINBJÖRN JOHNSON

Counsel

This report was received for record.

CORNER OF GREEN STREET AND MATHEWS AVENUE

On motion of Mr. Trees, the matter of straightening the corner of Green street and Mathews avenue was referred to the Committee on Buildings and Grounds for consideration and report.

On motion of Mr. Armstrong, Mr. Blair was appointed Chairman of the meeting for the election of the President of the Board.

MR. WALTER W. WILLIAMS ELECTED PRESIDENT OF THE BOARD

Dr. Meyer nominated Mr. Walter W. Williams for the office of President of the Board for the ensuing year.

On motion of Mr. Barrett, the nominations were closed, and the Secretary of the Board was instructed to cast the unanimous vote of the meeting for Mr. Williams as President. The ballot was cast, and Mr. Williams was declared elected President of the Board.

MR. HARRISON E. CUNNINGHAM ELECTED SECRETARY

On motion of Mr. Barrett, Mr. Harrison E. Cunningham was elected Secretary of the Board for one year.

PROFESSOR LLOYD MOREY ELECTED COMPTROLLER

On motion of Mr. Barr, Professor Lloyd Morey was elected Comptroller for one year.

EXECUTIVE COMMITTEE ELECTED

Mr. Armstrong nominated Mr. Barrett, and Mr. Trees nominated Mrs. Hopkins to serve, with the President of the Board as Chairman, as members of the Executive Committee for the ensuing year.

On motion of Mr. Barr, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Barrett and Mrs. Hopkins as members of the Executive Committee. The ballot was cast, and Mr. Barrett and Mrs. Hopkins were declared elected members of the Executive Committee.

AUTHORITY TO RECEIVE MONEY

On motion of Mr. Trees, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or to the University of Illinois.

MATTERS PRESENTED BY PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

DELEGATION OF SIGNATURES

(1) The following resolution:

The President and the Secretary of the Board of Trustees are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, to L. M. Dahlenburg, to Lloyd Morey, and to Arthur Lincicome authority to sign his name, as President of the Board of Trustees, to vouchers against the State Auditor and to warrants on the University Treasurer, covering vouchers approved in accordance with the regulations of the Board.

The Secretary of the Board of Trustees is authorized to delegate to H. C. Oesterling and to Miss Anna L. Neuber authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer covering vouchers approved in accordance with the regulations of the Board.

On motion of Mr. Barr, this resolution was adopted.

STUDY OF POWER PLANT AND RELATED ACTIVITIES

(2) A request for authority to employ Mr. J. A. Polson, Professor of Steam Engineering, as director and consultant, and Mr. P. E. Mohn, Assistant Professor of Mechanical Engineering, as assistant in the comprehensive study of the power plant and related activities, which was requested by the Board at its meeting on January 26, 1934, (Minutes, page 438). This arrangement will require a change in the status and compensation of each of these men as the study will be in addition to their present teaching and research duties and will be performed outside of the time required of them under their present appointments, much of the work to be done during the summer vacation.

On motion of Mr. Barr, this authority was granted.

On motion of Mr. Trees, President Williams and Mr. Barr were appointed a special committee to study with Judge Johnson the form of contract of members of the staff of the University.

SETTLEMENT WITH TENANTS ON THE CARTER-PENNELL FARMS

(3) Recommendations from the Dean of the College of Agriculture and Director of the Experiment Station that

1. the Board of Trustees authorize their representative in the management of these farms to accept as full settlement of the 1933 cash rent owed by Mr. Harry Irvin, tenant on the South Carter-Pennell farm, $58.30 in cash and work required in grubbing out about 20 rods of old hedge in the middle of the farm, this in lieu of $265 he owes. The cash settlement recommended is the same proportion of the total cash rent that the value of the grain crop produced in 1933 was of a normal crop averaging 35 bushels per acre of corn and of oats;

2. the chattel mortgage of November 8, 1933, signed by Mr. John F. Hanson,

tenant on the North Carter-Pennell farm, in the amount of $940, upon which payments have been made from receipts from the sale of livestock and poultry and inventory adjustments until the unpaid balance now stands at $593.32, be released.

These recommendations are made in recognition of the general practice of farm owners in making concessions to their tenants because of serious chinch bug infestation and severe drought.

I concur in these recommendations.

On motion of Mr. Barrett, these recommendations were adopted.

APPROPRIATION OF RECEIPTS FROM COOK COUNTY EXPERIMENT STATION

(4) A recommendation that the unused surplus receipts of the Cook County Experiment Station, amounting to $1,935.86, be appropriated to the Department of Horticulture for the publication of manuscripts on the researches of the Agricultural Experiment Station.

On motion of Mr. Blair, the President of the Board, the President of the University, and the University Counsel were requested to study this matter further and report to the Board.

GIFTS TO THE UNIVERSITY

(5) The following report of gifts received by the University since the last report:

Eli Lilly and Company, $1,100 to the College of Medicine for Dr. W. H. Welker's serum proteins work. (This is a continuation of the work he has been doing for several years.)

The Monsanto Chemical Company of St. Louis, $1,000 for the establishment of a two-year research assistantship for the study of aerogels.

University of Illinois Library School Association, $300 for the Katherine L. Sharp Graduate School Scholarship fund. (Original gift accepted by the Board of Trustees, December 21, 1932—Minutes, page 161.)

The DuPont Rayon Company, $150 in support of research work in chemistry involving methods of determining humidity in colloidal materials. (This gift is a continuation of grants previously accepted; original gift accepted by the Board of Trustees, November 10, 1933—Minutes, page 412.)

Mrs. Angie G. Weston, 350 volumes, pamphlets, and periodicals from the library of the late Professor N. A. Weston.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(6) The following report from the Comptroller of contracts executed since the last report:

CONTRACTS EXECUTED BY THE COMPTROLLER

FEBRUARY 19, 1934, TO MARCH 7, 1934

Contract authorized by the Board of Trustees in meeting February 24, 1934:

Name	*Amount to be paid by the University*	*Date*	*Purpose*
City of Champaign	$15.75 per month	February 21, 1934	Emergency fire phone service beginning March 1, 1934

Lease renewal executed under general regulations of the Board of Trustees:

Leased to	*Property*	*Rental*	*Date*	*Tenure*
Illinois Bell Telephone Company	114 pairs of underground cables	$307.80 per year	February 13, 1934	One year from January 1, 1934

This report was received for record.

LEAVE OF ABSENCE FOR MISS EDNA E. WALLS

(7) A report that Miss Edna E. Walls, Specialist and Assistant Professor of Child Development (Home Economics Extension), has been given leave of absence beginning March 12 for three months, or so much of that time as may be necessary, to assist the Office of the State Superintendent of Public Instruction in cooperating in the development of a federal project in parental education now under way in Illinois. The work she is to do is of the same character as her regular extension duties and furnishes opportunity for wider usefulness and contacts. Most of her salary is paid from federal funds for extension work. She will be continued on her full salary during her absence, all to be paid from federal funds for extension work. That part of her salary paid from state funds and additional, unassigned federal funds will be available for the temporary employment of an assistant to take care of her regular work.

This report was received for record.

DIRECTORS OF ATHLETIC ASSOCIATION

(8) The constitution of the University of Illinois Athletic Association provides that its directors shall be elected at the annual meeting of the Board of Trustees of the University on nomination of the President of the University. I am not ready to make nominations at this time and I request permission to defer recommendations until a future meeting. The present directors were appointed to serve until March, 1934, or until their successors shall have been elected.

On motion of Mr. Blair, this request was granted.

PUBLICATION OF RESULTS OF STUDY OF ABSORPTION OF SULFUR DIOXIDE IN FLUE GASES

(9) A report from the President of the Board that he has approved on behalf of the Board a request from the Engineering Experiment Station for the release for presentation and publication of a manuscript exhibiting the results obtained under a cooperative research agreement with the Utilities Research Commission, Inc., for a study of the absorption of sulfur dioxide in flue gases.

On motion of Mr. Armstrong, this action was confirmed.

GRANT PIPE-JOINT FILLER

(10) A statement from the University Counsel concerning a proposed contract with the Berry Asphalt Company for the manufacture and marketing of the Grant pipe-joint filler compound.

President Williams presented a recommendation from the Committee on Patents that a contract be entered into with the Berry Asphalt Company.

On motion of Mr. Trees, this recommendation was adopted.

DENTAL ALUMNI ASSOCIATION LOAN FUND

(11) A statement concerning a proposal of the Alumni Association of the College of Dentistry to establish a fund for scholarships or loans for needy students.

This matter was referred to President Daniels for reply to the Dental Alumni Association.

MINERAL INDUSTRIES CONFERENCE ON HOME BUILDING

(12) A letter from Dr. M. M. Leighton, of the State Geological Survey, inviting the members of the Board to attend a dinner to be held in connection with the Conference on Home Building, March 15, 16, 17, 1934.

On motion of Mr. Trees, the President of the University was requested to express to Dr. Leighton the Board's appreciation of this invitation.

SPECIAL SCHOLARSHIP REQUIREMENT FOR NON-ILLINOIS STUDENTS

(13) A statement concerning the special scholarship requirement for non-Illinois students.

After discussion, Dr. Meyer offered a motion that this requirement be abrogated as recommended by the University Senate.

Mr. Barr offered a motion to amend Dr. Meyer's motion, to provide that non-Illinois students who enter as freshmen be required to present an average standing ten per cent above the required passing grades for students entering from Illinois.

After further discussion, on motion of Mr. Barr, action on the motion and the amendment was deferred until the next meeting of the Board.

PERMISSION TO USE FLINT FORMULA FOR OIL-DUST INSECTICIDE

Judge Johnson presented a request from the General Chemical Company of St. Louis for permission to use the Flint formula in the manufacture of oil-dust insecticide.

On motion of Mr. Armstrong, this request was granted, subject to the same terms as those extended to previous licensees for this process.

HART MORTGAGE

Mr. Trees asked Mr. Karraker to report on the status of the Hart mortgage. Mr. Karraker reported that the property was in bad shape and that it probably would not sell for more than sixty per cent of the indebtedness, and recommended that the University Counsel be authorized to institute proceedings for foreclosure and to secure a deficiency judgment to satisfy the full claim of the University for both principal and interest.

On motion of Mr. Barrett, this recommendation was adopted.

POPE MORTGAGE

Mr. Trees, for the Finance Committee, reported that the Pope mortgage had been reduced to $2,500.

TRUST FUND INVESTMENTS

On motion of Mr. Trees, it was voted to invest $8,900 of trust funds, when available, in Illinois bonds.

FIRE PROTECTION AND WATER SYSTEM

Mr. Armstrong, for the special committee to consider fire protection, reported a recommendation that a survey of the water system as it affects fire protection be made, and that an appropriation of $750, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Horner.

SURVEY OF GREEN STREET

Mr. Armstrong, for the Committee on Buildings and Grounds, reported a recommendation that a survey be made of that portion of the campus near Green Street and Mathews Avenue, to determine the exact bounds of that part of the University grounds.

On motion of Mr. Armstrong, this recommendation was adopted.

PROFESSOR ARTHUR CUTTS WILLARD ELECTED PRESIDENT

On motion of Mr. Armstrong, the Board resolved itself into a Committee of the Whole to consider the presidency in executive session. After full discussion, the Committee rose and announced that it recommended unanimously that Professor Arthur Cutts Willard be elected President of the University.

On motion of Mr. Blair, Professor Willard was unanimously elected President of the University.

On motion of Mr. Barrett, the salary of President Willard was fixed at $15,000 a year, his term of office to begin July 1, 1934, and to continue on indefinite tenure, at the pleasure of the Board, according to the laws of the State and the regulations of the University.

TIME OF APRIL MEETING

On motion of Mr. Armstrong, it was voted to hold the April meeting at Urbana, at 10 o'clock a.m. on Wednesday, April 11, 1934.

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented for record a list of appointments made by the Acting President of the University.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 11, 1934

The April meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a.m. on Wednesday, April 11, 1934.

The following members were present: President Williams, Mr. Armstrong, Mr. Barrett, Mrs. Freeman, Mr. Karraker.

Acting President Daniels was present.

PROFESSOR WILLARD'S ACCEPTANCE OF THE PRESIDENCY

President Williams presented for record a letter from Professor Arthur Cutts Willard, accepting the Presidency of the University.

April 6, 1934

Mr. Walter W. Williams, President, Board of Trustees

MY DEAR PRESIDENT WILLIAMS:

In addition to my recent verbal acceptance of the presidency of the University of Illinois, effective July 1, 1934, may I also express my deep appreciation of the action of the Board of Trustees in selecting me for this important post.

I realize that this selection is, in itself, a great honor, but I know that it also imposes great responsibilities. My success in discharging these responsibilities will depend in large measure upon the advice and counsel of the Board itself, and with that assistance I hope to justify, insofar as may be possible, your confidence in my ability to administer the office of President.

While it is neither feasible nor desirable, at this time, for me to formulate any statement of policy concerning the future development of the University, it may not be out of place to record briefly my present conception of the functions and objectives of the Institution.

"The University of Illinois was founded to serve the people and the industries of the State, and the record of its accomplishments is written largely in the lives of its alumni—the men and women who have been its students and then gone forth to make the world a better place to live in.

"The opportunity and the need of worth while service to the State is probably greater today than ever before in the history of the University. This opportunity will be met with all the resources which the faculty and scientific staffs of the University, both in Urbana-Champaign and in Chicago, can bring to bear on the educational, as well as the social and industrial, development of the State of Illinois."

With the assurance that I will devote my best efforts to the service of our University, and with sincere personal regards to yourself and the other members of the Board, I remain

Cordially yours,
A. C. WILLARD
Acting Dean and Director

For lack of a quorum, the Board adjourned.

EXECUTIVE COMMITTEE MEETING, APRIL 11, 1934

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, on Wednesday, April 11, 1934, immediately following the adjournment of the meeting of the Board on the same day.

Mr. Walter W. Williams, Chairman, and Mr. Edward E. Barrett, a member of the Committee, were present; also Mr. James W. Armstrong, Mrs. Nellie V. Freeman, and Mr. O. M. Karraker, members of the Board, Dr. Arthur H. Daniels, Acting President, and, during part of the day, Professor Arthur C. Willard, President elect.

MATTERS PRESENTED BY PRESIDENT DANIELS

The Executive Committee considered the following matters presented by the Acting President of the University.

CHANGE IN STATUS OF DEANS M. T. McCLURE AND R. D. CARMICHAEL

(1) A recommendation that Acting Dean M. T. McClure of the College of Liberal Arts and Sciences be appointed Dean of the College of Liberal Arts and Sciences and that Acting Dean R. D. Carmichael of the Graduate School be appointed Dean of the Graduate School, effective today. In accordance with the statutes these appointments are recommended for the present fiscal biennium.

On motion of Mr. Barrett, these recommendations were adopted.

APPOINTMENT OF PROFESSOR M. L. ENGER AS DEAN OF THE COLLEGE OF ENGINEERING AND DIRECTOR OF THE ENGINEERING EXPERIMENT STATION

(2) A recommendation that Professor Melvin L. Enger, Head of the Department of Theoretical and Applied Mechanics, be appointed Dean of the College of Engineering and Director of the Engineering Experiment Station beginning July 1, 1934, at his present salary rate of $6,400, subject to such adjustment, effective September 1, as may be decided on by the Board when the budget for 1934-35 is approved. This recommendation is made after consultation with the members of the Executive Committee of the college and is for the present fiscal biennium, as provided by the statutes of the University.

On motion of Mr. Barrett, these recommendations were adopted.

APPOINTMENT OF PROFESSOR FRED B. SEELY AS HEAD OF THE DEPARTMENT OF THEORETICAL AND APPLIED MECHANICS

(3) A recommendation that Professor Fred B. Seely be appointed Head of the Department of Theoretical and Applied Mechanics on indefinite tenure beginning July 1, 1934, at his present salary rate of $5,140, subject to such adjustment, effective September 1, as may be decided on by the Board when the budget for 1934-35 is approved. This recommendation is submitted after consultation with the Acting Dean of the College and with members of the Department of professorial rank, as provided by the University statutes.

On motion of Mr. Barrett, this appointment was made.

APPOINTMENT OF PROFESSOR O. A. LEUTWILER AS HEAD OF THE DEPARTMENT OF MECHANICAL ENGINEERING

(4) A recommendation that Professor O. A. Leutwiler be appointed Head of the Department of Mechanical Engineering on indefinite tenure beginning July 1, 1934, at his present salary rate of $5,560, subject to such adjustment, effective September 1, as may be decided on by the Board when the budget for 1934-35 is approved. This recommendation is submitted after consultation with the Acting Dean of the College and with members of the Department of professorial rank, as provided by the University statutes.

On motion of Mr. Barrett, this appointment was made.

APPROPRIATION FOR PHYSICAL EDUCATION FOR MEN

(5) A recommendation that an appropriation of $1,800 be made from the Reserve and Contingent Fund to the Department of Physical Education for Men to supplement the Expense and Equipment appropriation for the current year. This additional appropriation is needed because towels which were ordered at the end of last year, to be paid for from the appropriation for the last fiscal year, were not delivered until July 1 and were charged against this year's budget.

On motion of Mr. Barrett, this appropriation was made, by the following vote: Aye, Mr. Williams, Mr. Barrett; no, none; absent, Mrs. Hopkins.

APPROPRIATION FOR UNIVERSITY COUNSEL

(6) A recommendation that an appropriation of $500, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to the University Counsel to supplement his expense and equipment budget for the current fiscal year.

On motion of Mr. Barrett, this appropriation was made, by the following vote: Aye, Mr. Williams, Mr. Barrett; no, none; absent, Mrs. Hopkins.

COOK COUNTY EXPERIMENT STATION FUNDS

(7) A recommendation that $1,935.86 of unused receipts of the Cook County Experiment Station be re-appropriated to the Station for operation and maintenance for the current fiscal year.

On motion of Mr. Barrett, this appropriation was made, by the following vote: Aye, Mr. Williams, Mr. Barrett; no, none; absent, Mrs. Hopkins.

SERVICES OF PROFESSOR D. R. MITCHELL FOR ILLINOIS EMERGENCY RELIEF COMMISSION

(8) The Illinois Emergency Relief Commission has requested the services of Assistant Professor D. R. Mitchell of the Department of Mining Engineering in connection with its function of supplying relief coal throughout the State. This will involve his absence from the University for short periods from time to time from April 1 to June 1, 1934. I recommend that he be authorized to render this service and to be absent from his University duties at such times as the work may require.

On motion of Mr. Barrett, this recommendation was adopted.

SICK LEAVE FOR MISS SYBIL WOODRUFF

(9) A report that, on recommendation of the Dean of the College of Agriculture, Miss Sybil Woodruff, Associate Professor of Foods in the Department of Home Economics, was given a month's sick leave with pay from February 28, 1934. Her work was temporarily taken care of by her colleagues with no expense to the University.

This report was received for record.

COOPERATIVE INVESTIGATION OF INSECTICIDES

(10) On February 24, 1934 (Minutes, page 452) the Board authorized the approval of an agreement with the Grasselli-R & H Chemicals Department, E. I. DuPont de Nemours and Company, for research on insecticides. It was reported that the Company would pay a total of $4,500 in monthly installments of $375 to cover the expenses. In the meantime, the Directors of the Company, in acting on the matter before receiving the contract approved by the Board of Trustees of the University, and on the basis of a later estimate that $3,950 would be sufficient, approved the grant for this amount. This is satisfactory to the Agricultural Experiment Station and to the Natural History Survey, and I recommend that this change be accepted.

On motion of Mr. Barrett, this change was accepted.

AUTOMOBILE LIABILITY INSURANCE

(11) A report that property damage and public liability insurance on the University's automobile equipment, which expired April 5, 1934, has been placed with the General Accident Fire and Life Assurance Corporation at a cost of $1,023.69 for one year. This is in accordance with the policy of the Board to carry such insurance on the University's cars and trucks. Bids were secured from various companies. There was one lower bid of $928.50, but it was from the representative of a small company. The insurance was placed with the approval of the Chairman of the Finance Committee.

This report was received for record.

GRADUATE SCHOLARSHIPS AND FELLOWSHIPS

(12) The following appointments to scholarships and fellowships in the Graduate School for 1934-35.

Scholarships are recommended without stipends and carry exemption from incidental and laboratory fees. The holders pay the matriculation and graduation fees.

The fellowships are known as "University Service Fellowships" and are awarded "on the condition that their holders shall be available for teaching, research, and other University services of such character and amount, not to exceed one-quarter time in

each case, as the Dean of the Graduate School shall determine. A fellow may be assigned for service in any department by the Dean of the Graduate School."

The honorary fellowships carry neither stipends nor exemption from fees.

GIFTS TO THE UNIVERSITY

(13) The following report of gifts received by the University since the last report:

A crayon portrait of Senator John L. Tincher, Member of the General Assembly in 1867, who introduced the bill in the State Senate locating the University at Urbana, together with photographs of him and his home, from his daughter-in-law, Mrs. John L. Tincher.

This report was received for record.

REPORT OF PURCHASES

(14) The following report of purchases authorized by the President since the last report.

Pyrex laboratory glassware (239 cases—a six months supply) for the University Storerooms, including the Chicago Departments, from W. M. Welch Manufacturing Company, at a cost of $4,155.66. This is a non-competitive item and the order was given to this Company because of the service it can render.

Soil maps of Cumberland, Warren, Alexander, Shelby, and Stark Counties (5,000 each) from Jahn & Ollier Engraving Company, Chicago, at a cost of $3,500 f.o.b. Urbana.

Two chain-grate stokers for boilers in Power Plant, from the Laclede Stoker Company, St. Louis, Missouri, the lowest bidder, at a cost of $4,835 f.o.b. Urbana.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(15) The following report from the Comptroller of contracts executed since the last report:

The Illinois State Board for Vocational Education to pay regular fees to the University for instruction to be rendered as follows:

To whom	*Instruction in*	*Date*	*Tenure*
Harold Meisenheimer	College of Medicine	February 27, 1934	One year from October, 1933

This report was received for record.

INSURANCE ON POWER PLANT EQUIPMENT

(16) A recommendation from the Acting Director of Buildings and Grounds Operation that property damage and public liability insurance on the equipment in the Power Plant be placed with the Hartford Steam Boiler Inspection and Insurance Company at a cost of $2,947.25 for a three-year period. This insurance will provide the following:

1. Protection from property damage of $25,000 per accident;
2. Protection from public liability;
3. Protection for employees to the amount of $10,000 per person;
4. Inspection service by experts in all functions of the power plant.

Funds for this premium are available in the physical plant operating budget.

On motion of Mr. Barrett, this insurance was authorized.

ADMISSION TO THE COLLEGE OF MEDICINE

(17) A recommendation that the following procedure be authorized to govern admissions to the College of Medicine:

1. The order of admission to the College of Medicine of students who have had their premedical work at other institutions, that is, applicants not registered in the regular seven-year medical curriculum and who have not had at least the second premedical year at the University, shall be based upon their scholastic records, provided that the minimum scholastic average in all cases shall be equivalent to a 3.5 average in the University's grading system, as now required. The scholastic records of all such applicants shall be averaged on or about July 1 and the first-year class shall be filled by assigning to it applicants in the order of their scholastic standing, beginning with the highest ranking applicant; vacancies which may occur after all places in the class have been assigned may be filled from the remaining applicants in the order of their scholastic standing.

2. Places in the first-year class shall be assigned to applicants from the County of Cook and to applicants from Illinois outside of Cook County in the proportion which each area bears to the total population of the State according to the latest federal census; provided that if at any time the quota from either area is not filled the remaining places may be assigned to applicants from the other area. On this basis at the present time approximately fifty per cent of the places in the first-year class will be assigned to applicants from Chicago and Cook County and fifty per cent to applicants from downstate.

On motion of Mr. Barrett, this matter was referred to the Committee on Chicago Departments.

DEPOSITS FROM APPLICANTS FOR ADMISSION TO THE COLLEGE OF MEDICINE

(18) A recommendation that deposits be required of students assigned places in the College of Medicine under the following conditions:

1. An applicant for admission to the College of Medicine who is assigned a place is required to make a deposit of $15.00 within two weeks of the date of notification that he will be admitted. This deposit will be applied on fees, including laboratory fees, assessed against him during the first semester. Failure to pay this deposit within the specified time will subject the applicant to forfeiture of his place.

2. No deposit will be returned unless the applicant notifies the College of Medicine not later than September 1 that he will not be able to enter.

3. The Registrar is authorized to make refunds after September 1 when, in his judgment, the circumstances so justify.

On motion of Mr. Barrett, this recommendation was adopted.

SPRINGFIELD AVENUE PAVING

(19) A request from the Mayor of Champaign for a statement of the attitude of the Board of Trustees on the extension of the Springfield Avenue paving project to Wright Street. The Acting Director of Buildings and Grounds Operations is of the opinion that the University should cooperate to the fullest extent in order to divert inter-city as well as city traffic off Green Street. There is also a possibility that if the Highway Division of the State Department of Public Works and Buildings considers this extension it might consider also the continuation of this paving project through Urbana, or at any rate to Goodwin Avenue.

The President of the University was requested to inform the Mayor of Champaign, and the Highway Division, that the Executive Committee favors the extension of this new pavement through Urbana.

EXTENSION OF HEATING AND VENTILATING RESEARCH AGREEMENT

(20) A report that the agreement with the American Society of Heating and Ventilating Engineers for cooperative research work in heating and ventilating, which was approved by the Board on March 12, 1931 (Minutes, page 187), for a period of three years beginning April 1, 1931, has been extended to August 1, 1934, by mutual agree-

ment with provisions for its further extension. Funds are on hand in the special fund for this research to cover the cost of any new work done between now and that date.

This report was received for record.

COOPERATIVE INVESTIGATIONS OF CHILLED CAR WHEELS

(21) A recommendation for the approval of two agreements with the Association of Manufacturers of Chilled Car Wheels for cooperative investigations by the Engineering Experiment Station as follows:

1. Investigation of the strength of chilled car wheels. This agreement is drawn for a period of one year beginning April 1, 1934, and the Association agrees to pay $1,500 a year to cover the expenses.

2. Investigation of the resistance of the treads of chilled car wheels to heat checking and brake burning. This agreement is drawn for a period of one year beginning May 1, 1934, and the Association agrees to pay $500 a year to cover the expenses.

These agreements provide for their extension for additional periods by mutual consent and they conform with all the regulations of the Board of Trustees relating to such investigations.

On motion of Mr. Barrett, these agreements were authorized.

DEPARTMENT OF MINING AND METALLURGICAL ENGINEERING

(22) A recommendation from the Dean and Director of the College of Engineering and the Engineering Experiment Station that the name of the Department of Mining Engineering be changed to the Department of Mining and Metallurgical Engineering. I concur in this recommendation.

On motion of Mr. Barrett, this change was made.

KAISER MORTGAGE

(23) A report from the Comptroller that Simon Kaiser, who recently asked for the privilege of paying off a $6,500 farm mortgage given by him on his farm in Champaign County, which the University holds among its investments of trust funds, found that this mortgage could be paid off only in 3¼ per cent bonds of the Federal Farm Mortgage Corporation, which are fully and unconditionally guaranteed by the United States Government, which mature in thirty years, and which are callable after ten years. All members of the Finance Committee having concurred in this arrangement, the parties handling the mortgage were advised that the University would accept such bonds at par in payment of this mortgage, interest at six per cent on the mortgage to be paid to the date the bonds are delivered.

The Chairman of the Finance Committee recommends that the Federal Farm Mortgage Corporation bonds be sold and the proceeds reinvested in Illinois Highway four per cent bonds.

On motion of Mr. Barrett, these recommendations were adopted.

D. W. SHIVELY MORTGAGE

(24) On March 26 the Comptroller reported to the Finance Committee that Mrs. D. W. Shively requested an extension of five years from the due date of the balance of $3,300 of a farm mortgage given by her and acquired by the University as one of the investments of its trust funds, and she also requested a reduction of the interest from 5½ to 5 per cent. The original loan made in 1919 was for $10,000 and it matures May 1, 1934. The amount has been gradually reduced to the present balance. The loan is a first mortgage on two hundred acres of improved farm land about ten miles west of Champaign and is considered a high-class loan.

All of the members of the Finance Committee have approved the extension of this loan for five years from May 1, 1934, but at the present rate of 5½ per cent.

On motion of Mr. Barrett, this extension was granted.

INTEREST ON STUDENT LOANS

(25) A recommendation that Section 6 of the "General Regulations and Procedure for

Student Funds," adopted May 23, 1928 (Minutes, page 623), be amended to read as follows:

"All notes shall bear interest at five per cent from date until maturity and seven per cent after maturity, unless otherwise provided in the deed of gift of any Fund; provided that the Comptroller is authorized, with the advice and approval of the Finance Committee, to grant extensions on student loans in cases where, for good cause, the party is unable to make payment at maturity and that such extensions bear five per cent interest until they fall due; provided further that if payment is not made within the period of the extension the interest rate shall become seven per cent at the conclusion of that period."

On motion of Mr. Barrett, this recommendation was adopted.

MEDICAL AND DENTAL LABORATORIES BUILDING ROOF

(26) At the meeting of the Board on September 26, 1933 (Minutes, page 381), a report was made by the Committee on Buildings and Grounds on the condition of the roof on the new Medical and Dental Laboratories Building and on the furniture in the medical library. On its recommendation the Board directed the Acting President and the University Counsel to take up the matter of replacement with the contractors.

The Acting Director of Buildings and Grounds Operations reports that the relaying of the tile roofing has been completed in accordance with the instructions of the Board. A report was made to the Board on January 26, 1934 (Minutes, page 437), of the satisfactory correction of the defects in the furniture.

This report was received for record.

DATE OF MAY MEETING

On motion of Mr. Barrett, the date of the May meeting of the Board was set as Tuesday, May 22, 1934, at the Medical Building, in Chicago.

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented also for record a list of appointments made by the Acting President of the University.

Deere, Lora Lucile, Assistant to the Dean of Women, for six months beginning March 1, 1934, at a cash compensation at the rate of sixty-seven dollars ($67) a month (this is in addition to her appointment as Assistant in Political Science, on one-fourth time). (March 19, 1934)[1]

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

May 22, 1934

The May meeting of the Board of Trustees of the University of Illinois was held at the New Medical Building, in Chicago, at 10 o'clock a.m. (Chicago time) on Tuesday, May 22, 1934.

The following members were present: President Williams, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees.

Acting President Daniels was present; also Dean Willard, Judge Johnson, and Professor Morey.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of March 13, 1934, and April 11, 1934; also, for record, the minutes of the Executive Committee meeting of April 11, 1934.

On motion of Mr. Trees, the minutes of the meeting of March 13, 1934, were approved as printed on pages 467 to 474 above.

On motion of Mrs. Hopkins, the minutes of the meeting of April 11, 1934, were approved, and the minutes of the Executive Committee were received for record, as printed on pages 475 and 476, and 476 to 484, respectively.

EXECUTIVE COMMITTEE MEETING, APRIL 26, 1934

The Secretary presented for record the minutes of a meeting of the Executive Committee held April 26, 1934:

A meeting of the Executive Committee was held at the Blackstone Hotel, in Chicago, at 2 o'clock p.m. on Thursday, April 26, 1934.

Those present were: President Walter Williams, Edward E. Barrett; absent, Mrs. Hopkins.

Edward E. Barrett acted as Secretary of the meeting.

There were also present Mr. Armstrong, Acting President Daniels, and the University Counsel, Sveinbjorn Johnson.

GENERAL ASSEMBLY SCHOLARSHIPS

President Daniels presented to the Executive Committee recommendations for additions to the regulations governing the administration of the General Assembly Scholarship Law covering residence and registration. The new provisions are in addition to the administrative regulations adopted by the President of the University some years ago. The changes are indicated by italics. The complete regulations are as follows:

REGULATIONS GOVERNING GENERAL ASSEMBLY SCHOLARSHIPS

For the purpose of carrying out its responsibilities under the law, the Board of Trustees of the University of Illinois has adopted the following regulations to govern the administration of General Assembly Scholarships.

Time of Nomination

The nomination of a candidate must be filed with the President of the University on or before the first Monday in July, prior to the opening of the University year in which the candidate expects to enter the University, and the President is forbidden by the Statute to accept a nomination after this date.

In case the first nominee fails to accept the appointment, or, not being a graduate of an accredited school, fails to pass the required examination for admission, a second nomination, if made, must be filed with the President of the University not later than the second Monday in September, and the President is forbidden by the Statute to accept a second nomination after this date.

A nomination to an unused or unexpired scholarship becomes available at the opening of the semester or term of the University next following the date of appointment, except that no such nomination is available for the first semester of the University year if made later than the second Monday of September.

Residence

When a nomination is made by a member of the General Assembly the statement of the nominator with reference to the residence of the nominee will be accepted by the University, unless the official records of the University indicate an address for the nominee outside the district of the member of the General Assembly who makes the nomination. Where the residence of the nominee is thus in doubt, it is the duty of the University, before permitting the scholarship to become effective, to require satisfactory proof from the nominee that he resides within the district from which he seeks the scholarship.

For the purposes of these regulations the residence of the parents, or of one parent if the other be deceased, or of a guardian of the person, will be deemed the residence of all students who have not attained their legal majority. Parental agreement that a son or a daughter reside with a named person as a guardian will not be accepted as conclusive by the University in the absence of satisfactory evidence of residence in fact with such alleged guardian.

A student who gives a false address for the purpose of obtaining a scholarship is liable to dismissal from the University, or other disciplinary action, and forfeits the scholarship thus obtained.

Qualifications of Candidates

To qualify for appointment under this Act, a candidate must be—

1. At least 16 years old.

2. A graduate of a high school or other secondary school accredited by the University of Illinois and must present fifteen units of high school work in

acceptable subjects including certain subscribed subjects. A candidate who is not a graduate of an accredited high school may qualify for appointment to a scholarship by passing entrance examinations and thus qualify for admission to the University.

Registration

Having satisfied the entrance requirements, the appointee to a scholarship must register in the University at the opening of the semester in which the scholarship first becomes effective. *If an appointee to a new four-year scholarship fails to enter the University at the opening of the fall term or semester, he forfeits the scholarship. An appointee to an unused or unexpired scholarship may enter the University at any time during the unexpired period of the scholarship and be entitled to its privileges, but such a scholarship will go into effect at the beginning of the semester or term next following the date of appointment, as specified in the law, regardless of whether or not it is being used.*

Extension of Scholarships

The Act provides that a scholarship may be extended if an application for leave of absence is made to the President of the University *before* the holder leaves the University. It does not provide for an extension on application after the holder has left or is seeking to return to the University. Applications for extension should be made in advance to the President of the University in writing.

The term of any scholarship will be extended under the provision of Section 175 of the Statute, only if the holder has been in attendance at the University for at least the first year after he was awarded the scholarship, and if his average grade during the period of his attendance has been at least "C," exclusive of grades in military science and physical education.

A scholarship cannot be extended for any other cause than that specified in the Act, namely, absence from the University for the purpose of earning money to enable the student to continue his course.

Removal from State of Holders of Scholarships

These scholarships are awarded only to students whose legal residence is in the State of Illinois. If the legal residence of the holder of a scholarship is changed from Illinois to some other state, his scholarship is thereby forfeited.

After discussing at length the reasons for making these additions to the regulations, on motion of Mr. Barrett the recommendation was adopted—Williams and Barrett voting, Aye.

VACATION LEAVE FOR PRESIDENT DANIELS

Acting President Daniels, whose term of service does not expire until September 1, 1934, requested leave of absence for the months of July and August. On motion of Mr. Barrett and concurred in by Mr. Williams, this request was granted with full pay at the present rate as Acting President.

On motion the meeting adjourned.

WALTER W. WILLIAMS, *Chairman*
EDWARD E. BARRETT
MARJORIE R. HOPKINS

MATTERS PRESENTED BY PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

BUDGET FOR 1934-1935

(1) A recommendation that the following budget for the academic year beginning September 1, 1934, be approved and that the President of the University be authorized to make such changes and adjustments as are needed, to make such additional appointments as are necessary, and to accept resignations offered, in accordance with the needs of the University and the equitable interests involved.

On motion of Mr. Blair, the budget was approved as presented and authority was granted as recommended, by the following vote: Aye, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Armstrong, Mr. Horner.

Statement Concerning the Budget for 1934-1935

The estimated total of income available for general purposes for 1934-35, excluding income which can be used only for restricted purposes, is $4,904,451. This sum is made up of the estimated income of student fees, departmental sales, certain federal funds for general purposes, and one-half of the total state appropriation to the University for the biennium. These items are the same for the coming year as for the past year except an estimated increase of $45,000 in student fees.

The budget of salaries and current expense and equipment, as presented, calls for the expenditure of $4,892,998 from general income, leaving an unappropriated balance of $11,453 for contingencies. The total of the corresponding budget for the current year, including adjustments to the present date, is $4,864,096, so that the proposed budget represents a net increase of only $28,902.

In addition to the budget of proposed appropriations by the Board from general income, complete budgets are submitted for all special funds and self-supporting activities. The aggregate of these budgets is $816,479, making a grand total budget of $5,709,477.

The budget is distributed as follows:

Salaries and wages	$4,536,990
Expense and equipment	1,172,487
Total	$5,709,477

Explanatory Notes

Departmental appropriations are made under the captions "Salaries and Wages" and "Expense and Equipment." Unless otherwise indicated, no transfers may be made between these appropriation captions except with the approval of the President of the University, except that adjustments may be made between the "Wage" provisions and "Expense and Equipment" upon written request to the Comptroller.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1. All balances remaining at the end of the term indicated or at August 31, lapse on those dates.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against for services of employees temporarily engaged to do the work contemplated by the position. When appointments are made at salary rates less than the amounts provided in the budget, the unused balance will lapse at that time.

Appropriations for Expense and Equipment are available for one year beginning July 1 and ending June 30. These appropriations are based on an estimated distribution of expenditures according to the various budget classifications of "Office Expense, Travel, etc." Expenditures should be made in approximate accord with that distribution, material departure from which should be reported in advance to the Dean or Director or other officer concerned, and to the Comptroller. All unencumbered balances in these appropriations lapse June 30.

THE SALARY BUDGET

Explanatory Notes

Unless otherwise indicated in the Budget:

1. All appointments begin September 1, 1934.

2. C. S. (Civil Service) appointments are for one year unless otherwise specified. Appointees to stenographic and clerical positions are assigned to departments at the convenience of the University. The University reserves the right to change such assignments during the year if the needs of the University and of the departments require such action.

3. Salaries of positions of the rank of Associate and above are paid in twelve equal monthly installments; salaries of other ranks, in ten equal monthly installments.

4. The service required in all positions in experiment stations and bureaus of research, and in research positions in other departments, is for a full year of twelve months, with allowance of one month for vacations, and salaries are paid in twelve equal monthly installments.

5. The service required in all other positions—administrative, clerical, and service positions—is for a full year of twelve months, with allowance for vacations, and salaries are paid in twelve equal monthly installments.

Symbols

A—Indefinite tenure.
B—Two years from September 1, 1933.
D—One year.
E—Ten months.
F—Special tenure.
G—Part time; the number following this symbol indicates the fraction of time in per cent.
H—July 1 to June 30. (All wage items fall in this group).

[1]The State Appropriation for the fiscal year from July 1, 1934, to July 1, 1935, will be paid by the State Department of Agriculture on the salary of the county farm and home advisers following monthly certification for salary by the Director of Extension.

[2]To be increased in June, 1935, if any balances are available due to unused salaries accruing from vacancies in the Extension Service. (This does not mean any increase in the salaries of the farm advisers, but an increase in the amount of the advisers' salary paid from federal funds.)

CENTURY OF PROGRESS EXPOSITION, 1934

(3) A recommendation that an appropriation of $5200, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to meet the necessary expenses of the University's exhibit at the Century of Progress Exposition in Chicago.

On motion of Dr. Meyer, this appropriation was made, by the following vote: Aye, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Armstrong, Mr. Horner.

ADJUSTMENT IN BUSINESS OFFICE BUDGET

(4) A report that the Comptroller has been authorized to expend not to exceed $400 more than the present expense and equipment budget of the Business Office provides, between May 12 and September 1, for extra help in the Purchasing Office, which is necessary because of the heavy demands upon that division during the current year. The situation will be reviewed in September to determine whether it is necessary to make this relief permanent.

This report was received for record.

BUREAU OF COMMUNITY PLANNING

(5) A recommendation that there be established in the College of Fine and Applied Arts a Bureau of Community Planning which will have the following objectives:

1. To be a purely public service and educational agency designed to stimulate and promote public interest and intelligent procedure in community planning.

2. To carry on research (by the use of professors and qualified graduate students) in the field of community planning.

3. To gather data in this field and to make back-ground surveys pertinent to the intelligent planning and development of Illinois communities.

4. To summarize and bring to the attention of the people the results of such research.

5. To offer certain consultation service to communities that wish to organize planning agencies or facilities.

(It will not be the purpose of the Bureau to plan communities or to offer any technical service normally performed by professional architects, engineers, and planners.)

The staff of this Bureau will consist of: a director (preferably an existing administrative officer), a Community Planning Adviser (who need not be appointed for the present biennium), the Staff in Landscape Architecture, and cooperating from other Departments the following: a Geographer, a Geologist (familiar with Illinois problems), a Political Economist (versed in municipal problems), an Economist, an Accountant, a Sociologist (urban and rural), an Agriculturist (social and economic), a Lawyer, an Architect, a Statistician (occasional help), an Engineer (versed in municipal and planning problems).

This Bureau will not involve an increase in the budget of the University nor of the College for the year 1934-35.

On motion of Mr. Barr, this bureau was established as recommended.

PHYSICAL PLANT DEPARTMENT

(6) A recommendation that the name of the Supervising Architect's Office be changed to Physical Plant Department, said department to have general supervision of the operation and maintenance of the University's physical plant in Urbana and Chicago, and to be responsible for all functions heretofore assigned under the statutes of the Board of Trustees to the Supervising Architect's Office.

On motion of Mr. Barrett, this recommendation was approved.

DEPARTMENTAL CHANGES IN THE COLLEGE OF MEDICINE

(7) A report of the following changes in the organization of the College of Medicine:

1. The Department of Pathology, Bacteriology, and Public Health has been established in place of the former Department of Pathology and Bacteriology.

2. The Department of Orthopaedics, instead of the Department of Orthopedic Surgery.

3. The Department of Medicine, instead of the Department of Internal Medicine.

4. The Department of Neuropsychiatry, instead of the Department of Neurology and Psychiatry.

5. The Department of Pharmacology, Materia Medica, and Therapeutics, instead of the Department of Pharmacology and Therapeutics.

These are simply changes in the titles and do not involve the establishment of new lines of work.

On motion of Mrs. Freeman, these changes were approved.

DEPARTMENT OF ECONOMICS

(8) The Dean of the College of Commerce and Business Administration recommends that the Department of Public Utilities and Transportation be discontinued effective September 1, 1934, and the courses in that department be transferred to the Department of Economics.

On motion of Dr. Meyer, this change was authorized.

RETIREMENT OF PROFESSOR M. S. KETCHUM

(9) A recommendation that Professor Milo Smith Ketchum be retired from active service beginning September 1, 1934, with the rank of Dean of the College of Engineering and Director of the Engineering Experiment Station, *Emeritus*, with a retiring allowance of $4,000 a year.

On motion of Mr. Trees, this recommendation was adopted.

RETIREMENT OF HARRY L. GILL

(10) A report that the Athletic Association has entered into an agreement with Mr. Harry L. Gill, who for over thirty years has been Coach of the University Track Teams and has taught classes in Athletic Coaching, providing for his retirement beginning September 1, 1934. This arrangement is entirely between the Athletic Association and Mr. Gill and does not involve the University financially.

This report was received for record.

RETIREMENTS OF MEMBERS OF STAFF

(11) A report that the following members of the staff will retire under the rules of the Board, beginning September 1, 1934, on the retiring allowances indicated in each case:

ARTHUR H. DANIELS, Acting President and Professor of Philosophy, *Emeritus*	$4 954
T. E. SAVAGE, Professor of Geology, *Emeritus*	2 771
E. H. WALDO, Associate Professor of Electrical Engineering, *Emeritus*	1 693
METTA M. LOOMIS, Librarian, Chicago Departments, *Retired*	1 213

Physical Plant Employees

P. ADAMS, Laborer, *Retired*	1 023
J. DAVIS, Laborer, *Retired*	647
J. A. KLEIN, Laborer, *Retired*	590
C. CARLISLE, Laborer, *Retired*	636

This report was received for record.

J. D. SMITH AND M. D. ROSE CONTINUED IN SERVICE

(12) Dean H. W. Mumford, of the College of Agriculture, recommends that Messrs. J. D. Smith and M. D. Rose, laborers employed in the Departments of Agronomy and Agricultural Engineering, respectively, and paid from the wages item in those budgets, who will reach the retiring age on or before September 1, 1934, be continued in service for one year from that date. I concur.

The work of both men is satisfactory, and it is considered advisable to retain their services as a matter of economy.

On motion of Mrs. Hopkins, this recommendation was approved.

BUDGET OF THE ATHLETIC ASSOCIATION

(13) The budget of the Athletic Association showing the estimated income and estimated expenses for the fiscal year July 1, 1934, to June 30, 1935, and a financial statement (estimated) of the Association as of June 30, 1934.

On motion of Mr. Barr, this budget was referred to the Finance Committee for study and report.

AUTHORITY TO CONFER DEGREES

(14) A request for authority to confer degrees at the Commencement exercises—in the Chicago Departments on June 8, 1934, and the Urbana Departments on June 11, 1934—on such candidates as may be duly qualified and recommended by the University Senate.

On motion of Mr. Barr, this authority was granted.

DEGREE OF BACHELOR OF MEDICINE

(15) A recommendation from the University Senate that the degree of Bachelor of Medicine be awarded to such medical students as apply for it at the satisfactory completion of four years in the College of Medicine. This degree will be optional, and a student may receive either the Certificate of Medicine, as now awarded, or the degree of Bachelor of Medicine. I recommend further that a fee of ten dollars be charged each student applying for this degree, in addition to the fee of ten dollars which is now payable when the degree of Doctor of Medicine is awarded at the completion of the interne year.

On motion of Mr. Barrett, these recommendations were adopted.

LEAVE OF ABSENCE FOR MEMBERS OF THE STAFF

(16) In February, 1932, the University Senate made certain recommendations to the Board of Trustees for a change in the University Statutes providing for leaves of absence for members of the staff. This recommendation was one of several made by the Senate in its consideration of the educational and administrative organization of the University which was under way at that time. However, it was not presented to the Board of Trustees because conditions at that time did not seem to warrant such a change and further consideration was postponed. It would appear that the time is appropriate to take up this matter, and I therefore submit the following statement to the Board for consideration, with the recommendation that it be adopted and that it supersede existing statutes governing such leaves of absence.

Leave of Absence

On the recommendation of the head or chairman of a department, and with the approval of the dean, the President, and the Board of Trustees, a member of the faculty who has the rank of professor, associate professor, or assistant professor and who has served the University at least six years since his original appointment or since the termination of his last leave on salary, may be granted a leave of absence for one year with pay equal to one-half the annual salary which he is then receiving, for the purpose of study, research, or other pursuit the object of which is to enable him to increase his professional efficiency and usefulness to the University.

In lieu of this privilege, leave may be granted for a half year for the same purpose, at full salary, *provided*, that the department in which the applicant is teaching or

working undertakes to carry on, so far as is practicable, during his absence and without increase in the departmental budget, such part of his work as the interests of the department and of the University require to be continued without interruption during the period in which he is absent.

In cases where the interests of the department and the University would clearly be subserved thereby, leave may be granted for a half year at half pay, at the end of three years of consecutive service, *provided* that the granting of the leave does not involve expense to the University in excess of the portion of salary which is released in consequence of taking such leave.

Each person who has been on leave of absence shall, on the termination of his leave, make a report to the President concerning the nature of the studies, research, or other work undertaken by him during the period in which he was absent.

A member of the faculty to whom a leave of absence has been granted in pursuance of the above-mentioned rules shall agree to return to the University on the expiration of his leave and to remain in its service for at least one year thereafter, and the University, on its part, shall agree to retain him in its service for the period of one year after his return.

It is understood that leaves of absence granted in accordance with the foregoing rules, with the privileges appertaining thereto, are given to members of the faculty primarily for the purpose of enabling them to acquire additional knowledge and competency in their respective fields. No one to whom a leave of absence has been granted with pay shall be permitted while on such leave to accept remunerative employment or engage in professional practice or work for which he receives pecuniary compensation. This prohibition, however, shall not be construed to forbid a professor while on leave from giving a limited number of lectures or doing a limited amount of other work. But in such cases the approval of the President to the giving of the lectures or the doing of other work shall be required. Nor shall the prohibition be interpreted to forbid the acceptance by a professor, while on leave, of a scholarship or fellowship carrying a pecuniary stipend for the purpose of study, research, or scientific investigation, or the acceptance of a grant of money made for such purposes, provided the acceptance of the grant does not impose on the professor accepting it duties and obligations the performance of which would be incompatible with the pursuit of the general purpose for which leaves of absence are granted.

On motion of Mr. Blair, this recommendation was adopted.

LEAVE OF ABSENCE FOR PROFESSOR W. P. SANDFORD

(17) A request from Associate Professor W. P. Sandford of the Department of English (Speech) for a leave of absence without pay for the academic year 1934-35 for the purpose of experimentation and study in the commercial and professional use of speech. I recommend approval.

On motion of Mr. Barr, this leave was granted.

LEAVES OF ABSENCE FOR MEMBERS OF THE STAFF

(18) A report that short leaves of absence have been granted to the following members of the staff for the period and purpose indicated in each case:

1. Professor F. L. Stevens, of the Department of Botany, sick leave with pay during the second semester, 1933-34; his work is being taken care of by the Department.

2. Professor H. M. Westergaard of the Department of Theoretical and Applied Mechanics, sick leave with pay from May 7 to 23, inclusive; his work is being taken care of by the Department without expense to the University.

3. J. W. Kennedy, Associate in the Department of Art, sick leave with pay for six weeks from April 3; his work was taken care of without expense to the University.

4. J. A. Dorjahn, Instructor in the College of Pharmacy, sick leave with pay from March 1 to June 30, 1934; his work is being taken care of by other members of the staff without additional expense to the University.

5. Miss Bessie Packard, Secretary in the Department of Home Economics, sick leave with pay for 2 months from April 23 to June 23, 1934.

6. Miss Ruth Crum, Dispensary Clerk in the College of Medicine, six weeks sick leave, without pay, from May 12, 1934; she has already had two weeks sick leave and four weeks vacation with pay, to which she is entitled under the statutes of the Board.

7. Miss Cleo Fitzsimmons, Extension Specialist in Junior Club Work, one month without pay from August 1, in addition to her month's vacation, for the purpose of travel abroad.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR J. W. SWAIN

(19) A request from Associate Professor J. W. Swain, of the Department of History, for a sabbatical leave of absence during the second semester of the year 1934-35 on full pay, under the rules of the Board governing such leaves. The Department will take care of his work during his absence without additional expense to the University. I approve this recommendation.

On motion of Mrs. Hopkins, this leave was granted.

AMENDMENT OF C. P. A. REGULATION

(20) The Board of Examiners in Accountancy and the Committee on Accountancy recommend:

1. That Section 33 of the present University regulations "For the Conduct of Examinations for Certified Public Accountants" be amended to read as follows: (The changes in the present section are in italics.)

A candidate who passes in Theory of Accounts and Practical Accounting and fails in one or both of the other examination subjects (Law and Auditing), *with a grade not lower than 60 in either subject*, or a candidate who passes in Auditing and Law and fails in Theory of Accounts and Practical Accounting, *with a grade not lower than 60*, who presents himself for re-examination at either one of the next two examinations may be credited with the subject or subjects in which he has received passing grades in the previous examination and will be required to write only on the subject or subjects in which he previously failed, such re-examination to be without fee. Such a candidate who does not appear at either of the next two examinations or who having appeared, fails in the subject or subjects he is required to write, must, if he subsequently appears for examination, write on all of the prescribed subjects and pay the usual examination fee ($25.00).

A candidate for re-examination who fails to meet the provisions of the above paragraph must repeat the entire examination and pay the usual examination fee.

2. The adoption of the following supplementary new rule applying to candidates who fail and do not qualify under Section 33:

A candidate who fails in the examination so that he is not eligible for re-examination under rule 33, may not present himself for re-examination until at least one examination shall have intervened, and then only on his presentation of satisfactory evidence that he has made further preparation in the subjects in which he failed.

On motion of Mr. Barr, these rules were adopted.

JOHN CAMERON MASSON C. P. A. CERTIFICATE

(21) A recommendation that the certificate of Certified Public Accountant be awarded to John Cameron Masson as of May 22, 1934, who passed the May, 1932, C. P. A. examination.

On motion of Mr. Barrett, this certificate was awarded.

COOPERATIVE INVESTIGATION OF MONOLITHIC CONCRETE WALLS

(22) A recommendation for the approval of an agreement with the Portland Cement Association for a cooperative investigation of monolithic concrete walls by the Engineering Experiment Station. This agreement is drawn for a period of eight months beginning May 1, 1934, with provisions for its extension, and the Association agrees to pay the University $1,800 for the expenses of the investigation. This agreement is of

the form of similar agreements heretofore approved by the Board and complies fully with all requirements of the Board governing such investigations.

On motion of Mr. Trees, this agreement was authorized.

EXTENSION OF AGREEMENT WITH THE NATIONAL WARM AIR HEATING AND AIR CONDITIONING ASSOCIATION

(23) A report that the agreement with the National Warm Air Heating and Air Conditioning Association for the cooperative investigation of warm air furnace heating has been extended for another year from April 16, 1934, as provided by the terms of the agreement, and the Association agrees to provide not less than $3,500 during that period for the expenses of this investigation.

This report was received for record.

AGREEMENT WITH THE NATIONAL ALUMINATE CORPORATION

(24) A report that the arrangement with the National Aluminate Corporation for "Scale Studies" by the Engineering Experiment Station, which was approved by the Board on April 11, 1933 (Minutes, page 207), and which expired April 1, 1934, has been extended for one year.

This report was received for record.

COOPERATIVE STUDY OF MILK SUPPLY AND DEMAND IN ST. LOUIS MILK SHED

(25) A recommendation for approval of an agreement with Fred L. Shipley, Market Administrator in the St. Louis Milk Shed, for a study by the Agricultural Experiment Station to determine certain facts about present and potential sources of supply, seasonal variations, and potential demand for market milk, and its distribution. The Market Administrator has been assigned the duties of carrying out the provisions of the United States Milk License, effective in that area, and must interpret these provisions on the basis of available information. The object of the investigation is to make available information which can be used as a basis for making decisions by the Administrator relating to prices, transportation, production, and distribution of milk in the St. Louis area.

The agreement is drawn for a period of one year beginning June 1, 1934, with provisions for its extension, and is of the form of similar agreements heretofore approved by the Board. This study is to collect and analyze certain data, and no discoveries or inventions are contemplated, so that no question of patent rights is involved. The Administrator agrees to make available $4,000 to the University to cover the expenses of the study.

On motion of Mr. Barr, this agreement was approved.

LABORATORY FEES IN THE COLLEGE OF MEDICINE

(26) On December 15, 1931 (Minutes, page 107), the Board authorized the President of the University and the Dean of the College of Medicine to fix laboratory fees in that College from time to time according to the cost of laboratory materials, provided that such fees shall be within the total fees established by the Board of Trustees. A careful study has been made of all expenses which are involved in laboratory courses, and which may properly be set up as laboratory fees, and as a result a new schedule of fees has been authorized. Under the present schedule of laboratory fees for the various courses the aggregate for the four years is $132.50. The new schedule provides for total laboratory fees of $435.50 for the four years. This is a marked increase, but it represents, in the opinion of those who have been studying this matter, a proper charge for the materials and services used in the various courses. The increase does not affect the present schedule of total fees, including tuition and laboratory fees, which remains at $200 a year for residents of Illinois, and $300 a year for non-residents.

A statement of the new revised schedule of laboratory fees is submitted for filing with the Secretary of the Board for record.

On motion of Dr. Meyer, these fees were approved.

PLYM FELLOWSHIP AND SCHOLARSHIP APPOINTMENTS

(27) A report of the appointments of Charles G. Rummel, 6608 Bosworth Avenue, Chicago, to the twenty-first Plym Fellowship in Architecture, and Carl Ronald Bender, 906 North Lockwood Avenue, Chicago, as alternate; and of Richart L. Troxell, 4443 Ellis Avenue, Chicago, to the eleventh Plym Foreign Scholarship in Architectural Engineering, and Paul B. Holt, 111 Forest Avenue, Riverside, Illinois, as alternate.

This report was received for record.

HONORS PLAN

(28) A recommendation from the University Senate that Section (c) of the Honors Plan adopted by the Board on May 17, 1924 (Minutes, page 478), be amended to read as follows:

"Those seniors who are in the upper 3% of their class in both junior and senior years shall be entitled to have their names inscribed on a suitable tablet, *which shall be cast each year as part of the observance of Honors Day. These tablets shall be displayed in some appropriate building, the number of tablets to be displayed depending upon the amount of space available and the expense involved, provided that each year's tablet shall be displayed for at least four years. When a tablet is removed from display the names on it shall be inscribed in a book which shall be a permanent record of the University.*"

The changes are shown in italics. It is more advantageous to display these tablets in the central section of the first floor corridor of the Library, where they will be viewed by many more people, especially students, and it is also desirable not to limit the number of tablets to be displayed. The change recommended is general and elastic enough to permit such changes from time to time as may be desirable. Of course when the present plan was adopted the new Library had not been built and the University Auditorium seemed to be the best place for the display of the tablets.

On motion of Mr. Barr, this recommendation was adopted.

REQUEST OF CZECHOSLOVAK NATIONAL COUNCIL OF AMERICA

(29) Last February the Czechoslovak National Council of America sent each member of the Board a statement requesting the establishment of a chair of Slavonic languages at the University of Illinois. The same communication was sent to me.

I appointed a committee consisting of Director P. L. Windsor of the Library, Chairman, Professor Charles Zeleny, head of the Department of Zoology, and Professor Jacob Zeitlin, of the Department of English, to consider this proposal and submit to me its recommendations. This committee has reported as follows:

April 7, 1934

Acting President A. H. Daniels

DEAR PRESIDENT DANIELS:

Under date of February 27 you appointed the undersigned Committee to consider the establishment of a Chair of Slavonic Languages, and sent to us a memorandum relative to the establishment of such a Chair at the University of Illinois, prepared by the Czechoslovak National Council of America.

We have as individuals consulted with a number of members of the faculty, and at our meeting together voted to submit to you the following statement and recommendations.

Everyone is agreed that the study of the Slavonic languages and literatures is important, both culturally and practically. The importance of the scientific publications in these languages makes it desirable that training in them be available to our students.

Considerable doubt, however, exists as to the demand for the study of any one of these languages by any considerable number of our students. Our best opinion is that that demand would not justify offering, for example, one year of study for beginners, four hours a week, in the Russian language or in the Czech language or in the Polish language, that first year's study to be followed by a second year of work. Moreover, the cultural and practical advantages of the study of a foreign language are, in our opinion, rather slight if based on less than at least two years of study. For a student

to receive full value from his study, he should proceed farther even than these two years.

If two years' work is, as we believe, to be looked upon as a minimum of the work of the proposed new department, then the introduction of these courses would mean the employment of one full-time member of the faculty, probably of professorial rank, with the expectation that there would be enough students registered for the first year's work to warrant him in expecting a reasonable registration in his second year's course. The annual salary of such an instructor, at least $3,000 plus the annual expenditure of $500 for books, periodicals, journals, etc., in the Slavonic languages, together constitute the very minimum annual expense which the University would have to bear if the proposed Chair, or Department, is established.

In view of the straitened financial condition of the University, and the probability that our appropriations from the Legislature for a number of years will continue to be inadequate for the proper development of all of the educational and research activities now in our program, we can not recommend the establishment at the present time of a Chair or Department of Slavonic Languages. Any such new department, if established in these times, simply means that the financial support which ordinarily goes to the support of work already established, is lessened somewhat in order to care for the new undertaking.

In conclusion, then, our recommendation to you is that under present conditions, the University do not establish a Department of Slavonic Languages unless, indeed, the funds are provided from other than the Legislative appropriation.

We further recommend that as soon as times are better the University again take under consideration the establishment of this new department, the importance of which is generally conceded.

Yours very truly,
JACOB ZEITLIN
CHARLES ZELENY
P. L. WINDSOR, *Chairman*

The substance of this report has been communicated to Honorable Otto Kerner, Attorney General of Illinois and a member of the Czechoslovak National Council of America, who wrote to me and to members of the Board on behalf of the Council.

On motion of Mr. Barrett, this report was concurred in.

REPORT ON CARTER-PENNELL FARMS

(30) The annual report on the Carter-Pennell farms covering the period from March 1, 1933 to February 28, 1934.

On motion of Mr. Barr, this report was referred to the Committee on Agriculture for examination and report.

QUARTERLY REPORT OF THE COMPTROLLER

(31) The report of the Comptroller for the quarter ended March 31, 1934.

On motion of Mr. Barr, this report was referred to the Finance Committee for examination and report.

LEASE OF OLD MEDICAL BUILDING

(32) On June 11, 1932 (Minutes, page 604), the Board granted the Goodwill Industries, of Chicago, permission to use the old Medical Building without expense to the University. The lease extends to July 1, 1934, and "for such longer period of time as may thereafter be agreed upon, with the provision that the lessor may regain possession of the premises on July 1, 1934, or at any time thereafter upon giving three months' notice in writing." The Goodwill Industries requests extension of this lease for a period of three years. I recommend approval but on condition that there be included in the lease a provision that it may be terminated by either party upon giving the other six months' notice.

On motion of Dr. Meyer, this extension was authorized as recommended.

REPORT OF CONTRACTS

(33) The following report from the Comptroller of contracts executed by him since the last report.

Cooperative agreements executed as authorized by the Board of Trustees in its meeting of April 11, 1934 (Minutes, page 482):

Name	*Amount to be received by the University*	*Date*	*Purpose*
Association of Manufacturers of Chilled Car Wheels	$1 500	April 1, 1934	Investigation of strength of chilled car wheels. Effective April 1, 1934 for one year
Association of Manufacturers of Chilled Car Wheels	500	May 1, 1934	Investigation of the resistance of treads of chilled car wheels to heat checking. Effective May 1, 1934 for one year

Cooperative agreement executed as authorized by the Board of Trustees in its meetings of February 24, 1934 (Minutes, page 452) and April 11, 1934 (Minutes, page 478):

Name	*Amount to be received by the University*	*Date*	*Purpose*
The Grasselli-R & H Chemicals Department, E. I. DuPont de Nemours and Company	$3 950	February 28, 1934	Investigation to study the evaluation of toxicity of various insecticides. Effective Feb. 1, 1934 for one year

This report was received for record.

GIFTS TO THE UNIVERSITY

(34) The following report of gifts received by the University since the last report:

An etching of Robert Louis Stevenson made by the late Jacques Reich, from his wife, Mrs. Caroline Bellinger Reich, of Urbana, Illinois.

A contribution of $100 from the Clay Products Association for materials used in the "Clay Sewer Pipe" cooperative investigation.

This report was received for record.

REPORT OF PURCHASES

(35) The following report of purchases authorized by the President since the last report:

1. One Caterpillar Diesel 50 Tractor to replace tractor which has been in use since August, 1925, from the Central Illinois Tractor and Equipment Company of Bloomington, Illinois, at a cost of $4,545 less allowance for old tractor, making a total of $4,495.

2. One 2-ton truck with stake body to replace old truck, from the H. E. Daniels Company, of Champaign, at a net cost (after allowance for old truck) of $1,135.51.

3. Steam valves and traps from the C. A. Dunham Company, Chicago, at a cost of $1,072.44. This is a non-competitive item.

4. One car of steel pipe amounting to $1,442.01 from the Field and Shorb Company, of Decatur, Illinois, and one car from Hagerty Brothers Company, of Peoria, Illinois, amounting to $1,445.91. The total cost is $2,887.92 F.O.B., Urbana. Quotations secured from several firms were the same in accordance with the N.R.A. Code. The concerns who received the order were selected on the basis of reliability and service.

5. Ten automobiles (2 sedans, 1 coach, 6 coupes to replace present equipment, and 1 coupe as additional equipment)—the annual replacement of Federal Extension cars—from the E. V. Kirby Motor Company, the low bidder, at a cost of $2,571.15.

6. Two hundred boiler tubes, from the A. M. Castle and Company at a cost of $1,294.92, for the Physical Plant.

7. One car of gasoline from the Standard Oil Company, the low bidder, at a total cost of $1,000, for the Physical Plant stock.

8. Electric switchboard meters and charts, from the J. W. Murphy Company, of Indianapolis, the low bidder, at a cost of $1,229, F.O.B. Indianapolis, for recording the electrical load at the Power Plant and to be used in the study of the Power Plant which was authorized by the Board.

9. Sixty heifers for experimental feeding, from the Champaign County Live Stock Marketing Association, at a total cost of $1,489.64.

10. Carpets for the rooms, corridors, and stairs in the Women's Residence Halls, from Marshall Field and Company, the low bidder, at a total cost of $5,822.78; and vacuum cleaner equipment for the West Residence Hall, at a cost of approximately $900. The cost of these items will be charged to the Residence Halls funds. The furnishings and equipment were suggested by the Committee on Buildings and Grounds, and the purchase was authorized by the Chairman.

This report was received for record.

On motion of Mr. Barrett, it was voted that all expenditures made from general funds or from non-itemized appropriations should be submitted to the Board or to the Executive Committee, unless it is the opinion of the President of the University that an urgent necessity exists that requires immediate action.

DELEGATION OF SIGNATURES

(36) The following resolution providing for a change in the delegation of signatures approved by the Board at its meeting of March 13, 1934:

Resolved, that paragraph two of the resolution providing for "Delegation of Signatures" adopted by the Board of Trustees, March 13, 1934, be, and it hereby is, amended to read as follows:

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, to L. M. Dahlenburg, to Lloyd Morey, and to Arthur Lincicome, the signing of his name as President of the Board of Trustees to vouchers against the State Auditor; and to delegate to H. B. Ingalls, to C. A. Webber, to Lloyd Morey, and to Arthur Lincicome, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

On motion of Mr. Barr, this recommendation was adopted.

SHIVELY FARM MORTGAGE

(37) A report from the Comptroller that, in accordance with the authorization of the Executive Committee on April 11, 1934, the D. W. Shively farm mortgage, on which a balance of $3,300 remains unpaid, has been extended for a period of five years from May 1, 1934, at five and one-half per cent interest.

This report was received for record.

APPROPRIATION FOR ACCIDENT COMPENSATION

(38) A recommendation that an appropriation of $700, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to pay claims for accident compensation which have either been approved by the State Court of Claims or returned by the Court with authorization for the University to pass on these claims itself.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Armstrong, Mr. Horner.

RULING OF COURT OF CLAIMS ON ACCIDENT COMPENSATION CASES

(39) The following report from the University Counsel:

May 18, 1934

Acting President A. H. Daniels

MY DEAR PRESIDENT DANIELS:

I am reporting to you the action taken by the Court of Claims with respect to claims under the Workmen's Compensation Act of employees of the University for *medical and hospital* care on account of injuries arising out of their employment.

In an informal opinion rendered to me on April 30, the Court of Claims set out fully rules under which the various claims of employees of the University should be determined. Individual opinions, recommending or rejecting an award, were rendered in all cases submitted up to April 1. The Court indicates that the University can act upon further claims, with these opinions before it, without forwarding the individual claims to the Court.

In general, the opinion of the Court is as follows. The University is an employer, its employees are employees, and the University is engaged in an enterprise, within the meaning of the Act. The University consists of a number of different departments or schools which are practically complete in themselves, and each department or school must, therefore, be considered a separate business or enterprise, and the liability of the University in each case depends upon whether that particular school or department comes within any of the provisions of Section 3 of the Act, or is engaged in a business or enterprise which is extrahazardous in fact.

The University is not engaged in any enterprise which comes within paragraphs 1, 2, 3, 4, 5, 9, or 10 of Section 3 of the Act, for the reason that if the University is engaged in doing such work from time to time, such work is merely incidental to the general work of the University and not the business in which the University is engaged. Paragraph 1 has reference to the erection, maintaining, removing, remodeling, etc., of any structure; paragraph 2, construction, excavation, or electrical work; paragraph 3, carriage by land, water, or aerial service; paragraph 4, the operation of any warehouse; paragraph 5, mining, surface mining, or quarrying; paragraph 9, the laying out or improvement of subdivisions; paragraph 10, the treatment of cross-ties, etc.

The result is to exclude from the benefits of the Act all employees of the Physical Plant, except those who may be engaged in operating power-driven machinery.

The business or enterprise in which the several schools or departments of the University are engaged may come within the provisions of paragraphs 6, 7, 7½, or 8 of Section 3, but the question whether the University does come within the provisions of any such paragraphs is a question of fact to be determined by the evidence submitted in each particular case.

Paragraph 6 has reference to the manufacture, handling, or use of explosive materials in dangerous quantities; paragraph 7, the manufacture or use of any molten metal, or explosive or injurious gases or vapors, or inflammable vapors or fluids, or corrosive acids; paragraph 7½, the use of sharp-edged cutting tools, grinders, or implements; paragraph 8, any enterprise in which statutory or municipal ordinance regulations are or shall be imposed for the regulating, guarding, use, or placing of machinery or appliances or for the protection and safeguarding of the employees of the public therein.

All farm work done by farmers or others engaged in farming, tillage of the soil, or stock raising, and all work which is done on a farm or country place is specifically excepted by paragraph 8 of Section 3 from the provisions of the Workmen's Compensation Act. The result is to exclude all employees of the College of Agriculture.

The conclusion of the whole matter appears to be that the University may determine the question whether a given case is within the Act and then award compensation for hospital and medical services and pay the same out of its own funds if any funds be available therefor. As to payments out of our funds, I refer to our conversation with the Governor and his personal approval of such a procedure. The Court does not discuss or pass upon this point. I suppose this should be reported to the Board and the Board give at least informal advice whether the Compensation Committee should go ahead and act upon cases where claims are made for hospital or medical service. Where claims are made for loss of time or permanent disability they, of course, have to be made to the Court directly and to be paid in the usual course out of any State fund available for that purpose.

Cordially yours,

SVEINBJORN JOHNSON
Counsel

This report was received for record.

DAIRY CATTLE FOR MILK EXHIBIT AT A CENTURY OF PROGRESS

(40) A request from the Brook Hill Farm, Inc., for the loan of not more than six cows from the University's dairy herd, for show in connection with the Brook Hill Farm's certified milk exhibit at A Century of Progress. This will be the only exhibit of its kind at the Fair. The Dean of the College of Agriculture is not prepared at this time to make a recommendation on the request, as he needs to find out more definitely about the terms under which the cows would be loaned.

I recommend that this matter be referred to the President of the Board, or the President of the University, or both, with power to act in case a decision has to be made before the next meeting of the Board.

This matter was referred to the President of the Board and the President of the University, with power to act.

POWER SERVICE AGREEMENT WITH ILLINOIS POWER AND LIGHT CORPORATION

(41) A recommendation that the Board accept a new contract submitted by the Illinois Power and Light Corporation for supplying the electric energy to the University beginning July 1, 1934, to replace the present contract which expires on that date. The Acting Director of Buildings and Grounds also recommends the continuation of the "study of power plant and related activities" which was authorized by the Board on March 4, 1934, and which is now being conducted by Professor Polson of the Department of Mechanical Engineering.

On motion of Mr. Trees, this contract was accepted.

SPECIAL SCHOLARSHIP REQUIREMENT FOR NON-ILLINOIS STUDENTS

(42) A recommendation of the University Senate that the special scholarship requirement for non-Illinois students, adopted by the Board on February 8, 1932, be discontinued.

On motion of Dr. Meyer, this requirement was discontinued.

FEES, SECOND SEMESTER, 1933-34

(43) A report of the Comptroller on the fees assessed for the second semester of the current year.

This report was received for record.

ADMISSION TO THE COLLEGE OF MEDICINE

Dr. Meyer, for the Committee on Chicago Departments, made a report of progress on the matter of admission to the College of Medicine, and asked that the committee be given more time.

This request was granted.

REPORT OF AUDITORS

Mr. Trees, for the Finance Committee, presented the report of Arthur Andersen & Company of their audit of the accounts of the University for the current fiscal year, to April 9, 1934.

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

Mr. Trees, for the Finance Committee, presented a recommendation that the report of the Comptroller for the quarter ending March 31, 1934, be received for record as filed.

On motion of Mr. Trees, this recommendation was adopted.

RELATIONS WITH ATHLETIC ASSOCIATION

Mr. Trees, for the special committee to consider the relations of the University to the Athletic Association, made a report of progress, and asked for more time.

This request was granted.

At this point, Dr. Meyer and Mr. Trees withdrew.

WATER SUPPLY AND FIRE PROTECTION

Mr. Barrett presented a report from Alvord, Burdick, and Howson showing the results of their study of the water supply and fire protection of the University, with the following recommendations:

1. *Source of Supply.*—We recommend the immediate construction of one additional well of type similar to those now in use. We estimate the cost at $15,400.00, including pumping equipment, well house, and pipe connections.

2. *Distribution Arteries.*—We find that the pipe system distributing the water is inadequate to produce sufficient pressure during the hours of heaviest use and materially inadequate for good fire protection. We recommend for construction at this time a new 12" main artery extending substantially north and south through the pipe distribution system. We estimate the cost of this improvement at $32,500.00.

3. *Elevated Storage.*—The demand for water fluctuates widely, the peaks severely taxing all parts of the water supply system. This can be best corrected by the storage of water in an elevated tank, preferably in the southern part of the grounds where a suitable site is available. We recommend an elevated tank containing 500,000 gallons, or about one-half day's supply, at an estimated cost of $30,000.00.

4. *House for Well #9.*—This well has recently been drilled and is housed in a temporary wooden structure. We recommend that a permanent well house be built in keeping with the surrounding buildings at an estimated cost of $2,500.00.

5. *Fire Department.*—The fire department is equipped with an antiquated hose and ladder wagon. It carries no pumping equipment. We recommend the purchase of a so-called quadruple combination, a modern piece of automobile equipment with pumper, ladders and hose with apparatus especially adapted to coping with incipient fires, at an estimated cost of $15,000.00.

6. *Improved Well Houses.*—The pumping equipment for wells #7 and #8 are accommodated in concrete pits below ground, surmounted by unsightly derricks. These pits are objectionable on account of the possibility for polluting the water through drainage getting into the well. This has happened in the past. As soon as funds may be available, we recommend the construction of suitable well houses accommodating the pumps and motors above ground. The cost for thus housing the two wells is estimated at $5,000.00.

7. *Miscellaneous Improvements.*—We recommend that an accurate meter be installed upon the supply line from the wells and that certain additional valves be installed upon existing pipe line. Estimated cost $1,000.00.

8. *Water Softening.*—The water supply is very hard and as pumped from the wells contains an objectionable amount of iron. Facilities have already been provided to aerate and filter the water, thus removing the greater part of the iron; enough, however, is left to cause considerable nuisance at times. More than one-half the expenditure required to soften the water has already been made. We estimate the cost of the additional facilities necessary for water softening at $62,500.00. The operating expenses are estimated at $11,100.00 per year with the present pumpage. It is estimated that about one-half of the operating expenses would be recovered in savings due to the softened water, without regard to greater comfort and cleanliness, and the reduced labor required to keep the University clean.

On motion of Mr. Barrett, the construction of one additional well, of the twelve-inch main artery, and of the housing for wells 7, 8, and 9 was authorized, and an appropriation of $55,400, or so much thereof as may be necessary, was made for this purpose from unexpended

balances. The vote was as follows: Aye, Mr. Barr, Mr. Barrett, Mr. Blair, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Mr. Williams; no, none; absent, Mr. Armstrong, Mr. Horner, Dr. Meyer, Mr. Trees.

STATUTE ON PATENTS

Mr. Barrett, for the Committee on Patents, recommended that the Statutes of the Board, as printed in pamphlet form December, 1926, be amended as follows:

That sub-paragraph (d) of section 28, page 22, be amended to read as follows:

The Board of Trustees shall administer the rights under the patents in ways to suit the conditions, dedicating the patent to the public or licensing its use. In case of license, the license shall be made with provisions for the use of the patent, which will safeguard the public during the life of the patent from unreasonable restrictions or exorbitant royalties, for the use of later patents that may depend for their usefulness on a *preceding* patent *secured by the University.*

That sub-paragraph (f) of section 28, page 23, be amended to read as follows:

While the results of experimental work, including patentable discoveries, carried on under the direction of the scientific staff of the University, belong to the University and to the public, it is recognized that the party who originates a research problem, brings it to the University for solution, and pays the cost of the research has an equity in the fruits of that investigation: in the case of cooperative investigations, special agreements for preferential licensing may be made with the cooperating interests, with a view to compensating in part for the financial assistance rendered in the investigation. *It is recognized, also, that the University has an obligation to use its facilities to the best interest of industry as a whole and of the general public, and should, therefore, employ the most suitable and practical methods to have its laboratory discoveries made available as speedily as possible, safeguarding the public from undue exploitation while recognizing the interest of the originator and supporter of the research.*

On motion of Mr. Barrett, this recommendation was approved and the Statutes were amended accordingly.

PATENT CLAUSE IN COOPERATIVE AGREEMENTS

Mr. Barrett, for the Patent Committee of the Board, also recommended that hereafter all cooperative research agreements shall contain the following clause or its substantial equivalent:

It is agreed by the parties to this contract that all results of experimental work, including patentable discoveries, carried on under the direction of the scientific staff of the University, belong to the University and to the public and should be used and controlled so as to produce the greatest benefit to the public. It is understood and agreed that if patentable discoveries grow out of the investigation and such discoveries have commercial value, the party of the second part will receive preferential consideration as a prospective licensee, with a view to compensating the second party in part for the assistance rendered in the investigation.

On motion of Mr. Barrett, this recommendation was adopted.

ROYALTIES FROM GRANT AND BUSWELL PATENTS

Mr. Barrett, for the Committee on Patents, made a statement concerning the division of royalties which may be received from the use of the Grant patent on pipe-joint filler, and from the use of the Buswell process of treatment of sewage.

On motion of Mr. Barr, these matters were referred to the Committee on Patents, with power to act.

LICENSE FOR EMBRITTLEMENT PROCESS

Mr. Barrett, for the Committee on Patents, presented also a request from the Permutit Company for a non-exclusive license of the Parr-Straub process for the prevention of embrittlement.

On motion of Mrs. Hopkins, this matter was referred to the Committee on Patents, with power to act.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 15, 1934

The June meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m., on Friday, June 15, 1934.

The following members were present: President Williams, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees.

Acting President Daniels was present; also Dean Willard and Judge Johnson.

MATTERS PRESENTED BY PRESIDENT DANIELS

The Board considered the following matters presented by the Acting President of the University.

REAPPROPRIATION OF UNEXPENDED BALANCES

(1) A recommendation that the following balances which it is estimated will lapse on June 30, 1934, be reappropriated for the fiscal year beginning July 1, 1934:

Self-supporting Funds		
Accountancy Committee	$37 137	
Entrance Examinations	1 000	
Dairy Creamery	7 701	
Home Economics Cafeteria	956	
Purnell Revolving	1 308	
Extension Revolving	12 173	
Military Clothing and Equipment	3 532	
Military Overcoats and Gloves	4 330	
Visual Aid Service	70	
University Chorus	76	
Dental Graduate Orthodontia	582	$68 865
Special Appropriations for Uncompleted Activities		
Agricultural Industrial Research	2 386	
Sewage Research	2 530	4 916
Total		$73 781

On motion of Mrs. Freeman, these balances were reappropriated, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mr. Barrett, Mrs. Freeman, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Blair, Mr. Horner.

SUBSIDY FOR SYMPHONY CONCERTS

(2) A request from the University Concert and Entertainment Board for a subsidy of $1,000 for 1934-35 to enable it to offer two symphony orchestra concerts in place of one. Funds are available in the appropriation for Public Functions for this purpose if needed. If the concerts should be well enough patronized to make this subsidy unnecessary, the subsidy would not be used.

On motion of Mr. Trees, this subsidy was authorized.

RESIDENCE HALL FUNDS

(3) A recommendation from the Comptroller that hereafter any surplus from the operation of the women's residence halls, over and above current operation and maintenance expenses and a suitable reserve for maintenance and replacement, be carried to the general income account of the University.

On motion of Dr. Meyer, this recommendation was approved.

LEAVE OF ABSENCE FOR PROFESSOR OTTO F. KAMPMEIER

(4) A request from Professor Otto F. Kampmeier, Head of the Department of Anatomy in the College of Medicine, for a sabbatical leave of absence for one-half year on one-half pay during the second semester of 1934-35, under the statutes of the University. The Dean of the College of Medicine recommends approval and I concur. I recommend that this leave be for six months beginning March 1, 1935.

On motion of Mr. Armstrong, this leave was granted.

EXTENSION OF LEAVE OF ABSENCE FOR PROFESSOR M. J. WASSERMAN

(5) A request from Assistant Professor M. J. Wasserman, of the Department of Economics, who was given leave of absence without pay for six months from February 1, 1934, so that he might render service to the Agricultural Administration in Washington, for an extension of his leave, without pay, for one year from September 1, 1934. The Dean of the College and Head of the Department recommend approval. I concur.

On motion of Mr. Barr, this extension was granted.

ADMISSION TO THE COLLEGE OF MEDICINE

(6) The proposed changes in the requirements for admission to the College of Medicine.

On motion of Mr. Trees, this matter was referred to the Committee on Chicago Departments for further consideration and report.

At this point, Mr. Barr withdrew.

CHANGES IN SCHOLARSHIPS

(7) Certain data and recommendations have been submitted by a faculty committee on scholarships to the Board Committee on Scholarships. The changes recommended would involve amendment of the laws in certain respects, and it is therefore desirable that some decision be reached by the Board soon. If these recommendations are adopted the matter should be brought to the attention of the Governor with a view to having the laws amended accordingly.

The special committee on tuition fees and scholarships was requested to report on this matter at the July meeting of the Board.

LEAVE OF ABSENCE FOR PROFESSOR R. C. ASHBY

(8) A report that Associate Professor R. C. Ashby, of the Department of Agricultural Economics, has been given a month's leave of absence with pay, in addition to his vacation allowance of one month, on account of his health.

This report was received for record.

LEAVE OF ABSENCE FOR E. A. NORTON

(9) A recommendation that E. A. Norton, Assistant Chief in Soil Survey, be given an indeterminate leave of absence, but not to exceed one year, beginning June 10, 1934, without pay, in order that he may accept a temporary appointment as Project Director of Southern Illinois for the Land Policy Section of the Submarginal Land Committee of the Federal Surplus Relief Corporation.

On motion of Mr. Trees, this leave was granted.

DEATH BENEFIT—DR. CARL A. HEDBLOM

(10) A report of the death on June 6, 1934, of Dr. Carl A. Hedblom, Professor and Head of the Department of Surgery. The death benefit payable in this case, in accordance with the statutes of the University and with the terms of his contract, is $2,808. The Comptroller has been authorized to make this payment to Doctor Hedblom's designated beneficiary.

This report was received for record.

APPOINTMENT OF DR. ERIC OLDBERG AS ACTING HEAD OF THE DEPARTMENT OF SURGERY

(11) A report that because of the sudden death of Dr. Carl A. Hedblom, Professor and Head of the Department of Surgery, Dr. Eric Oldberg, Assistant Professor in that Department, has been appointed Acting Head until further notice.

On motion of Dr. Meyer, this action was approved.

APPOINTMENT OF DR. FRANCIS L. LEDERER AS HEAD OF THE DEPARTMENT OF LARYNGOLOGY, RHINOLOGY, AND OTOLOGY

(12) A recommendation that Dr. Francis L. Lederer, who has served as Acting Head of the Department of Laryngology, Rhinology, and Otology for the past two years, be appointed Head of the Department on indefinite tenure, effective immediately, at his present salary rate of $1,630 for half-time service.

On motion of Dr. Meyer, this appointment was made.

RETIREMENT OF DR. HAIM I. DAVIS

(13) A recommendation that Dr. Haim I. Davis, Professor of Psychiatry on the clinical faculty in the College of Medicine, be retired under the statutes of the University effective September 1, 1934, with the title of Professor of Psychiatry, *Emeritus*.

This recommendation was adopted.

APPOINTMENTS TO COLLEGE OF MEDICINE CLINICAL FACULTY

(14) A recommendation that the following appointments be made to the clinical faculty of the College of Medicine, for the academic year beginning September 1, 1934, and that the President of the University be authorized to make such changes in this list as may be necessary.

On motion of Mr. Barrett, these appointments were made, and authority was granted as requested.

APPOINTMENT OF HOMER L. MILLER TO BOARD OF EXAMINERS IN ACCOUNTANCY

(15) A recommendation that Mr. Homer L. Miller, C.P.A., resident partner and manager of the Chicago office of Lybrand, Ross Brothers, and Montgomery, be appointed to the Board of Examiners in Accountancy for a term of three years, beginning July 1, 1934, vice Mr. Lewis Ashman, whose term expires on that date.

On motion of Mr. Armstrong, this appointment was made.

ALLERTON AMERICAN TRAVELING SCHOLARSHIPS

(16) A report that Dean Farrar Hilfinger, Class of 1935, of Urbana, and James Marion Hunter, Class of 1935, of Urbana, of the Department of Architecture, are the junior students who ranked highest this year in the courses in the History of Architecture and have therefore been awarded the Allerton American Traveling Scholarships for 1934.

This report was received for record.

KATE NEAL KINLEY MEMORIAL FELLOWSHIP

(17) A report that Miss Evelyn Gladys Swarthout has been appointed to the Kate Neal Kinley Memorial Fellowship; and that Miss Miriam Buchholz has been appointed alternate.

This report was received for record.

E. A. WALLACE MEMORIAL SCHOLARSHIPS

(18) A report that J. A. C. Schulte and Wayne Munsch, of Havana, have been nominated by the Board of Education of Havana, Illinois, to hold the E. A. Wallace Memorial Scholarships for the academic year 1934-1935.

These appointments were confirmed.

WENSEL MORAVA LOAN FUND

(19) A report from the Comptroller that he has received from the First National Bank of Chicago, executor of the estate of Wensel Morava, the sum of $81,200 covering final settlement of the Wensel Morava bequest to the University. The sum of $80,000 represents the principal of the bequest which is to form an endowment for certain scholarships. The remainder represents interest at five per cent from December 2, 1933, the date designated by the Court from which interest would be paid on the bequest, less the sum of $800 already paid the University on this account.

This report was received for record.

ADVANCE DEPOSIT OF FEES IN UNIVERSITY HIGH SCHOOL

(20) A recommendation from the Principal of the University High School, the Dean of the College of Education, and the Comptroller that the following regulation be adopted:

"Students who wish to enter either the sub-freshman or special group freshman classes of the University High School will be examined by the Principal and those who are successful will be pre-registered by the Principal in the spring. Such students will be required to pay a deposit fee of $5.00 on or before a date in June to be fixed each year by the Comptroller and the Principal. This deposit will be refunded if the Principal is notified, on or before a date in August to be fixed each year by the Comptroller and the Principal, that the student cannot attend. Otherwise, it shall be applied as part payment of his fees for the first semester. In case he does not enter at that time, the deposit will be forfeited."

I concur in this recommendation. As it was necessary to put the plan into operation at once, if it is to be used this year, I authorized the Business Office to go ahead with the arrangements for this year.

On motion of Mr. Barrett, this regulation was adopted.

CONTRACT FOR DECORATING WORK IN THE CHICAGO DEPARTMENTS

(21) The Director of the Physical Plant Department of the University submits the following bids received by him for decorating work in the Chicago Departments:

	Franz Decorators	*Davis & Kreeger*	*Carr & Moore*	*Mark Maistrovich*
1. Interior Work (Including addenda)				
A. Pharmacy	$ 5 169	$ 4 500	$ 4 950	$ 4 147
B. Dental	4 637	4 893	5 200	4 490
C. Research	876	1 473	1 744	1 373
Sub-total	$10 682	$10 866	$11 894	$10 010
2. Exterior Work (Original bid only)				
A. Pharmacy	646	1 235	1 460	1 379
B. Dental	894	1 332	1 350	1 485
C. Research	84	98	95	85
Sub-total	$ 1 624	$ 2 665	$ 2 905	$ 2 949
Total	$12 306	$13 531	$14 799	$12 959

These bids have been carefully checked by the Director and the University Counsel, who recommend that a contract for this work be awarded to the Franz Decorators, the lowest bidders. This is the customary maintenance work for which funds are available in the budget of the Physical Plant Department.

I concur in the recommendation.

On motion of Dr. Meyer, this contract was awarded to the lowest bidders as recommended.

PURCHASES OF LUMBER AND COPPER AUTHORIZED

(22) A recommendation that the following purchases be authorized:

1 car mixed lumber, including white pine, fir, and cypress, from T. A. Foley Lumber Company, Paris, Illinois, at a cost of $2,969.75 F.O.B. Urbana. This is the lowest of competitive quotations received from various companies.

Soft copper, 400 pieces—30″ x 96″, 16 ounce—at a cost of approximately $1400. This is to replace the copper now on the west radius band of the Armory roof.

On motion of Mr. Trees, these purchases were authorized.

REPORT OF PURCHASES

(23) The following report of purchases authorized by the President of the University since the last report:

1. One 12 x 18 Kluge Automatic Unit printing press complete with motor equipment from Brandtjen and Kluge, Inc., Chicago, at a net cost of $1,780 F.O.B. Urbana. This includes an allowance for an old press. The equipment is for the use of the Print Shop and will be paid for from the surplus in the Print Shop revolving fund. This equipment is needed to replace an old press which is inefficient and unreasonably expensive to operate. In view of an impending rise in the price, an emergency existed and the immediate purchase of this equipment was authorized.

2. Two carloads of roofing slate—

(a) 77 squares black slate from L. F. Owens Company, Quarries, Chicago, at a price of $980.49 F.O.B. Urbana.

(b) 60 squares of colored slate from the F. C. Sheldon Slate Company, Granville, New York, at a price of $834.24 F.O.B. Urbana.

3. Trimming and doctoring of trees on the campus, under the direction of the Superintendent of Grounds, at a cost of 85¢ per man per hour, plus material at cost, by Hubert Hunsucker, landscape architect, of Champaign. The cost of this work will

be in excess of $1,000. Funds are available in the Physical Plant budget for the current year to cover the cost. None of this work was done last year.

4. One carload of roll felt, coal tar, concrete primer, and roof putty for the Physical Plant stock and particularly for use on the new steam line to the McKinley Hospital, from Roofing and Insulation Company of Champaign (Johns-Manville distributors), at a cost of $1,602.79 F.O.B. Urbana. As the materials will be needed in the work on the steam line for the week beginning June 18, an emergency existed and the purchase was therefore authorized.

This report was received for record.

PURCHASE OF PAPER FOR AGRICULTURAL PUBLICATIONS

(24) A recommendation that the purchase be authorized of paper for printing the publications of the Agricultural Experiment Station ($1146 to be paid out of special federal funds) and for Smith-Lever publications ($2556 to be paid out of Smith-Lever federal funds).

On motion of Mrs. Hopkins, these purchases were authorized.

LEASE OF ETTA L. PERCIVAL LAND

(25) A recommendation from the Dean of the College of Agriculture that the Department of Dairy Husbandry be authorized to lease 40 acres of land from Mrs. Etta L. Percival for which she is to receive two-fifths and the University three-fifths of the crop. This is the same tract of land leased by the department in previous years.

I recommend approval.

On motion of Mr. Karraker, this lease was authorized.

COMPTROLLER'S REPORT OF CONTRACTS

(26) The following report from the Comptroller of contracts executed since the last report:

CONTRACTS EXECUTED BY THE COMPTROLLER
MAY 16, 1934, TO JUNE 12, 1934

Cooperative agreement executed as authorized by the Board of Trustees in its meeting of May 22, 1934:

Name	*Amount to be received by the University*	*Date*	*Purpose*
Fred L. Shipley, Market Administrator	$4,000.00	May 22, 1934	Cooperative investigation to conduct a study of milk marketing in the St. Louis Dairy District

Leases executed under general regulations of the Board of Trustees:

Leased to	*Property*	*Rental*	*Date*	*Tenure*
Johnson-Randolph Company, Inc.	Storeroom at 609 E. University Avenue, Champaign	$15.00 per month	May 15, 1934	May 1, 1934 to April 30, 1935

This report was received for record.

MEMORIAL TO DOCTOR EDWARD LOUIS HEINTZ

(27) The Alumni Association of the College of Medicine wishes to present to the University a likeness of Dr. Edward Louis Heintz done in bronze as a memorial to him. The Committee in charge has engaged a sculptor and has been assured that the plaque will be well executed and handsome, and a memorial befitting Doctor Heintz. It is proposed to place this plaque somewhere at the College of Medicine, probably in the Library.

I recommend acceptance of this offer and authorization to hang this plaque in a suitable place in the College of Medicine.

On motion of Mr. Barrett, this gift was accepted and authority granted as requested.

GIFTS TO THE UNIVERSITY

(28) The following report of gifts received by the University since the last report:

The National Research Council, through the Committee on Grants-in-Aid:

(a) To Professor Victor E. Shelford for traveling expenses to Canada for research work during the summer, $130.

(b) To Professor Francis P. Shepard (on sabbatical leave and studying on the Pacific Coast) for small boats in connection with his study of submarine canyons off the California Coast, $200.

A collection of objects of art from the Public Works of Art Project in Chicago, including 9 oils, 3 water-colors, 1 charcoal, 1 brass repousse, and 5 woodblock prints. These will remain the property of the federal government but will be permanently lent to the University.

An addition of $277.50 to the Student Emergency Loan Fund from the Class of 1932.

An addition of $111.04 to the Chicago Illinae Club Loan Fund from that organization.

This report was received for record.

At this point, Mrs. Freeman withdrew.

CHARTS OF STEAM, WATER, AND SERVICE MAINS

(29) A report showing the charts of steam and water lines, electrical lines, and other service mains on the campus.

This report was received for record.

STOP LIGHTS ON GREEN STREET

(30) A recommendation that two stop lights be installed on Green Street, one at Wright Street and one at Mathews Avenue, to be in operation during the intermissions between classes, and that an appropriation of $1700, or so much thereof as may be necessary, be made for this purpose.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Freeman, Mr. Horner.

ATHLETIC ASSOCIATION BUDGET

Mr. Trees, for the Finance Committee, presented a recommendation that the budget of the Athletic Association be approved as a tentative budget, salaries and other items of expenditure to be subject to review after the income of the Association from the football season is known.

On motion of Mr. Trees, this recommendation was adopted.

WATER SUPPLY AND FIRE PROTECTION

Mr. Barrett recommended that $1000 be appropriated for the purchase of meters and valves for the new water main, to be paid from the emergency contingent appropriation on release from Governor Horner, and $1700, or so much thereof as may be necessary, for the service of engineers, on a 3 per cent basis, to write the specifications and to render other services in connection with the improvement of the water system, to be paid from the Reserve and Contingent Fund.

On motion of Mr. Barrett, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barrett, Mrs. Hopkins, Mr. Karraker, Dr. Meyer, Mr. Trees, Mr. Williams; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Freeman, Mr. Horner.

DATE OF JULY MEETING

On motion of Mr. Trees, the July meeting was set for Wednesday, July 11, 1934, at the Blackstone Hotel, in Chicago.
