Compliments of The Illini Union

# SEPTEMBER 1956

SUN	MON	TUE	WED	THU	FRI	SAT
<b>ILLINI UNION</b> Funds for construction of the Illini Union were received from a federal grant, gifts from alumni and a private loan. The Union is not endowed, nor does it receive a state appropriation. It is self-supporting with the main source of income received from the fee of \$7.00 per semester paid by every student. The fee is used to pay for the operation of those areas and services of the building that do not produce any revenue, such as the lounges, meeting rooms, music room, student organization offices, check rooms, ticket selling and social programs. Thus, by payment of the fee at registration, all students automatically become "members" of the Union and are entitled to use all of its facilities and services and to participate in its activities.			<b>ILLINI UNION BOOKSTORE</b> The Illini Union Bookstore is owned and operated by the University of Illinois and is one of the benefits the students receive from the payment of the Illini Union service charge. Books and supplies are sold at a discount from established list prices—the discount for the 1956-57 school year will be approximately 4%. The store carries a complete line of textbooks and supplies.		<div>1</div> <b>MAIN DESK</b> Cigarettes, cigars, candy, gum, newspapers, magazines, postcards, and stamps are available at the Main Desk located at the east side of the North Entrance.
