MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 17, 1940

**With Executive Committee Meeting of
July 17, 1940**

The July meeting of the Board of Trustees of the University of Illinois was held at the University Club, in Chicago, at 12 o'clock noon (Central Daylight Saving Time) on Wednesday, July 17, 1940. When the Board convened, the following members were present: President Pogue, Mr. Jensen, Mrs. Plumb, Mr. Wieland.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. Lloyd Morey, Comptroller, Judge Sveinbjorn Johnson, University Counsel; and Mr. H. E. Cunningham, Secretary.

The Board recessed until 12:30 p.m.

MEETING OF THE EXECUTIVE COMMITTEE

JULY 17, 1940

The Executive Committee of the Board of Trustees of the University of Illinois met at the University Club, in Chicago, at 12 o'clock noon on Wednesday, July 17, 1940, during a recess in the meeting of the Board. Mr. Harold Pogue, Chairman, and Mrs. Glenn E. Plumb, member of the Executive Committee, were present; also Mr. Frank A. Jensen and Mr. John A. Wieland, members of the Board, President Arthur C. Willard, and the officers enumerated above.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Executive Committee considered the following matters presented by the President of the University.

CONTRACT CHANGE ORDERS ON P.W.A. PROJECTS

(1) Pursuant to the authorization of the Board of Trustees I have approved the following contract change orders and request confirmation of such approval:

| <i>Total Additional Cost</i> | | \$641 10 |

This will replace a previous change order of the same number but in the amount of \$2,245.65. I recommend approval.

On motion of Mrs. Plumb, this change was authorized.

CHANGES IN GENERAL CONTRACT FOR ILLINI UNION BUILDING

(3) A recommendation from the Director of the Physical Plant Department that the following contract change orders be authorized:

Change Order No. 10 in contract with English Brothers for general work.

Omit suspended plaster ceilings over metal acoustical treatment where specified in ground story—Deduct..... \$992 64
Change Order No. 10 in contract with Phillips, Getschow Company for heating, ventilating, and air conditioning work.

| (5) For costs in third floor kitchen change indicated on Drawing No. 8—Add..... | 14 16 |

I recommend approval. Since these changes involve more than \$500, they are presented to the Board for approval in the first instance instead of for confirmation of the President's approval.

On motion of Mrs. Plumb, these changes were authorized.

APPOINTMENT OF ASSOCIATE PROFESSOR ALAN K. LAING

(4) To fill the vacancy created by the resignation of Professor G. E. Mylonas, I have approved the appointment of Professor Alan K. Laing, of the University of Cincinnati, as Associate Professor of History of Architecture for one year from September 1, 1940, at a salary of \$3,500 and request confirmation of my action.

On motion of Mrs. Plumb, this action was confirmed.

LEAVE OF ABSENCE FOR PROFESSOR F. S. SIEBERT

(5) Professor Fredrick S. Siebert of the School of Journalism has requested a leave of absence without pay for one year from September 1, 1940, to accept an appointment as Professor of Journalism at Northwestern University during that period.

Professor Siebert had previously submitted his resignation in order to accept that appointment. I asked him to reconsider it, which he has done, but he feels that his discussions with, and tentative commitments to, officials of Northwestern University obligate him to go there for at least one year. Under these circumstances he has withdrawn his resignation and has requested a leave of absence without pay for the academic year 1940-1941 with the expectation of returning to the faculty of the University of Illinois at the end of that leave.

On motion of Mrs. Plumb, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR JULIA P. OUTHOUSE

(6) On February 11, 1939, Professor Julia P. Outhouse was granted a leave of absence for June, July, and August, 1939, and June, July, and August, 1940. She planned to go abroad, but in view of present conditions this is out of the question. Under the circumstances she has requested that this leave be cancelled and that she be permitted to present an application for a leave at some future date without prejudice.

I recommend approval.

On motion of Mrs. Plumb, this leave was cancelled.

LEAVES OF ABSENCE

(7) A recommendation that leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

1. Gerhardt von Bonin, Professor of Anatomy in the College of Medicine, the month of October, 1940, with pay, so that he can spend that time at Yale University as a guest scientist in the laboratory of the late Dr. Dusser de Barenne in connection with his neurological researches. The Department of Anatomy will take care of his teaching without additional expense to the University.

2. H. L. Koeller, Assistant in Agricultural Economics (Extension), July 1 to August 31, 1940, inclusive, without pay, to enable him to accept temporary employment in the Bureau of Agricultural Economics of the United States Department of Agriculture. This experience will be of value to him in his University work.

On motion of Mrs. Plumb, these leaves were granted.

REPORT ON FEES AND SCHOLARSHIPS

(8) At the meeting of the Board on July 21, 1939, when the University's internal budget for 1939-1940 was under consideration, the question was raised concerning the adequacy of student fees charged by the University, and as a result of this discussion I asked the standing faculty committee on fees and scholarships to make a study of the incidental and tuition fees and scholarships, including summer session teacher scholarships, to determine if existing conditions warrant any changes in these fees and scholarships.

The Committee has submitted a full report with its recommendations, a copy of which has been sent each member of the Board. The recommendations in this report which relate to fees in the Chicago Colleges were presented to and were acted upon by the Board on June 28, since it was proposed to put most of these changes into effect September 1, 1940. So this section of the report requires no further consideration.

I recommend that the rest of this report be referred to a committee of the Board for consideration and recommendations.

On motion of Mrs. Plumb, this report was referred to a special committee, to be appointed by the President, and to include Mr. Jensen, for consideration and report.

President Pogue later appointed the following special committee: Mr. Jensen, Chairman, Mrs. Plumb, Mr. Cleary.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(9) A report of the approval of the following agreements for cooperative investigations:

1. Griffin Wheel Company, cooperative investigation by the Engineering Experiment Station to determine the endurance of chilled iron car wheels under long continued brake application. The agreement is drawn for a period of one year from July 1, 1940, and the Company agrees to pay the sum of \$750 for the support of this study.

2. Illinois State Horticultural Society, cooperative investigation by the Agricultural Experiment Station to study fruit juices. The agreement is drawn for a period of one year beginning July 1, 1940, and the Society is to contribute \$1,000 for the support of this study.

3. Standard Oil Company (Indiana), extension of an investigation of fly sprays for cattle by the Agricultural Experiment Station and the State Natural History Survey during the summer of 1940. No additional funds will be contributed, but there is an unexpended balance of \$154.47 in the original grant for this investigation which will cover the cost of the work to be done during the season of 1940.

4. National Apple Institute, cooperative investigation by the Agricultural Experiment Station (Department of Home Economics) to study the relation of indigestible residue of common foods to dental caries. This agreement is drawn for a period of two months beginning July 15, 1940, and the Institute has sent the University \$500 to cover the expenses of the study.

5. Monsanto Chemical Company, St. Louis, Missouri, extension of investigation of insecticides by the Agricultural Experiment Station and the State Natural History Survey. This extends the agreement to cover the fiscal year 1940-1941, and the Company has agreed to contribute an additional \$4,500, in semi-annual payments, to cover the expenses of the work.

6. U. S. Public Roads Administration, investigation of fatigue strength of welded joints for structural steel members, by the Engineering Experiment Station. This agreement is drawn for a period of one year from July 1, 1940, and the Administration agrees to contribute up to \$3,500 (or not to exceed 50 per cent of the total costs of this project if they are less than \$7,000) toward the expenses of this investigation. The balance of the cost of this project will come from funds contributed by other agencies interested in this investigation.

7. A. E. Staley Manufacturing Company, Decatur, a comparative study of the nutritive value for poultry of soybean oil meals prepared by different commercial processes, by the Agricultural Experiment Station. The agreement is drawn for a period of one year beginning September 1, 1940, with provision for its extension, and the Company has agreed to contribute \$1,000 for the expenses of this study.

8. Illinois Clay Products Company, investigation of the constitution and bonding and related properties for metallurgical use of clays, by the Engineering Experiment Station and the State Geological Survey. The agreement is drawn for a period of one year beginning September 1, 1940, with provisions for its extension, and the Company agrees to pay the University \$3,700 a year to cover the expenses of this work.

9. National Advisory Committee for Aeronautics, investigation of effect of range of stress and of special notches on the fatigue properties of aluminum alloys suitable for airplane propellers, by the Engineering Experiment Station. This agreement covers the personal services involved in this investigation; the Hamilton Standard Propellers Company has offered to supply all specimens of aluminum alloys to be used; the N.A.C.A. agrees to make available \$2,500 for the expenses of this investigation.

These agreements conform to the University Statutes and policies governing such cooperating research.

On motion of Mrs. Plumb, these agreements were approved.

PURCHASE RECOMMENDED

(10) A recommendation that the following purchase be authorized:

1. 400 cases (car load) of bleached paper towels for the Physical Plant stock, from the Decatur Paper House, the lowest bidder, at a cost of \$1,420 f.o.b. delivered.

On motion of Mrs. Plumb, this purchase was authorized.

PURCHASES AUTHORIZED

(11) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. China for the Illini Union Building Cafeteria and Fountain Room and First Floor Dining Room, from the Stearnes Company, Chicago, the lowest bidder (for the china for the Cafeteria and Fountain Room), at a price of \$1,593.33, and from E. A. Hinrichs & Company, Chicago, the lowest bidder (for the china for the First Floor Dining Room), at a price of \$334.18.

2. China for Illini Union Building Third Floor Dining Room, from E. A. Hinrichs & Company, Chicago, the lowest bidder, at a price of \$1,452.17.

On motion of Mrs. Plumb, this action was confirmed.

REPORT OF DEATH BENEFITS PAID

(12) A report that the Comptroller has been authorized to pay the death benefits to the beneficiaries of the following members of the staff, in accordance with the University Statutes and the terms of their employment:

1. Edward John Lake, Professor of Design, *Emeritus*—\$1,007.50. Professor Lake was in the active service of the University from September 1, 1894, until he retired on September 1, 1938. He died on July 1, 1940.

2. Edward Chauncey Baldwin, Professor of English, *Emeritus*—\$985.00. Professor Baldwin was in the active service of the University from September 1, 1901, until his retirement, September 1, 1938. He died July 9, 1940. He also served as Secretary of the University Senate from 1933 until his death.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(13) A report of contracts executed by the Comptroller.

**CONTRACTS EXECUTED BY THE COMPTROLLER

Clerk

HAROLD POGUE, *Chairman*
MRS. GLENN E. PLUMB

SECOND SESSION, JULY 17, 1940

When the Board convened after the recess on July 17, 1940, the following members were present: President Pogue, Mr. Cleary, Mr. Jensen, Mr. Mayer, Mrs. Plumb, Mr. Wieland, Mr. Williamson. President Willard was present; also Mr. Janata, Judge Johnson, Mr. Morey, Mr. Havens, Mr. Stouffer, Dean C. M. Thompson, President of the University of Illinois Foundation, and the Secretary.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

BIDS ON RESIDENCE HALL FOR MEN

(1) Bids received July 1 and 3 on the proposed Residence Hall for Men are in excess of funds available for this project, the aggregate of the lowest bids being \$843,000, against a building budget of \$600,000. Consequently all bids were rejected, and addenda to the original plans and specifications, reducing the amount of construction originally contemplated, were sent to all bidders with a request for revised bids on July 16, 1940, for consideration by the Board on July 17.

Director C. S. Havens of the Physical Plant Department has submitted a statement giving reasons why the bids are in excess of the estimated cost and discussing various alternatives which may be considered by the Board.

On motion of Mr. Cleary, the action of the President in rejecting the original bids and calling for revised bids was confirmed.

Director Havens presented schedules of bids and comparative budgets for the construction of the Men's Residence Hall.

Director Havens suggested that the increase of approximately \$100,000 in the cost of this building could be met by (a) the appropriation of the Women's Residence Hall reserve for two years (already authorized) and (b) the increase of the loan by \$50,000.

At this point, President Willard presented, and filed with the Secretary of the Board for record, a "Statement of indebtedness on account of building construction or purchase as at June 30, 1940."

At this point, Mr. Adams took his place with the Board.

Dean Thompson, who was present as President of the University of Illinois Foundation, commented on the program, as did Mr. Cleary, as a member of the Executive Committee of the Foundation.

On motion of Mrs. Plumb, the Board authorized the above program as presented, with the understanding that expenses should be reduced in every possible way on items not already contracted for, subject to an additional loan not to exceed \$50,000 to be secured by the University of Illinois Foundation.

On motion of Mr. Mayer, the following contracts were awarded to the lowest bidders for the construction of the Men's Residence Hall:

Dean Thompson reported that the Executive Committee of the Foundation had reviewed and approved the above awards and program.

REPORT OF FINANCE COMMITTEE

At this point, Mr. Mayer, for the Finance Committee, presented the following report.

Subsequent to the last meeting of the Board, \$15,000 par of Indianapolis Power & Light 3½% bonds were called for payment. At about the same time the finance committee had presented to it three real estate loans on good quality residential property in Champaign and Urbana. The committee, after full inquiry, approved all of these loans as investments of endowment funds and, since immediate action was necessary, authorized their completion as an emergency action. The loans are as follows: (1) 701 West Ohio Street, Urbana, \$4,000; (2) 924 West Armory Avenue, Champaign, \$4,500; (3) 705 South Elm Street, Champaign, \$4,500.

All loans are at 4% interest with 5% of the principal payable annually.

On motion of Mr. Mayer, this action of the Finance Committee was confirmed.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board resumed consideration of matters presented by President Willard.

BIDS ON LIGHTING FIXTURES FOR ILLINI UNION BUILDING

(2) The Director of the Physical Plant Department submits the following schedule of bids received for special interior lighting fixtures (the final drawings for which were presented for the information of the members of the Board of Trustees and the Directors of the University of Illinois Foundation who were present) for the Illini Union Building, based on drawings prepared by the Physical Plant Department and approved by the interior decorator:

| | |
|------------------------------------|-------------|
| Walter G. Warren & Company..... | \$14 147 00 |
| Wilmer S. Snow..... | 14 728 87 |
| Edward F. Caldwell & Co., Inc..... | 18 696 00 |

The Director recommends that the contract be awarded to Walter G. Warren & Company, the lowest bidder, in the amount of \$14,147.

On motion of Mr. Jensen, this contract was awarded as recommended.

GIFTS TO THE UNIVERSITY

(3) The following report of gifts received by the University since the last report:

1. Carnegie Corporation of New York, \$4,000 for research work in the College of Dentistry. This is a continuation of previous grants made by the Corporation for fellowships in dental research.

2. E. I. duPont de Nemours & Company, \$2,200 for research assistants and other expenses of an investigation by Professor H. F. Johnstone of new and improved methods of utilizing sulphur dioxide and sulphur trioxide in the production of inorganic chemicals.

3. Mead, Johnson and Company, Evansville, Indiana, \$2,000 for research conducted by Professor Isaac Schour on teeth structures. This is a renewal of a grant previously given by the Company in support of this program.

4. Carnegie Corporation of New York, \$1,500 to the College of Fine and Applied Arts for the purchase of a collection of prints (Carnegie Art Reference Set). This grant is made on condition that the University will contribute a like amount (an assignment was made by the Board of Trustees on December 18, 1939, Minutes, page 670).

5. Nutrition Research Laboratories, \$1,275 to be used in the research program being carried on in the Department of Physiology of the College of Medicine under the supervision of Dr. C. I. Reed. They have increased their grant from \$150 a month to \$325 a month. The above amount includes two \$150 and three \$325 payments.

6. American College of Dentists Research Board, \$1,000 for fellowship to Mr. William J. Furuts for graduate work in the College of Dentistry under Doctor Isaac Schour on histologic study of the effect of various mineral deficiencies on dental and oral structures in animals.

7. Middle West Soil Improvement Committee of the National Fertilizer Association, \$400 for a scholarship in agriculture. (See page 145.)

8. The Creamery Package Manufacturing Company, The Cherry Burrell Company, and the Manton Gaulin Company, \$100 each to assist with the research program of Professor F. R. Steggerda of the Physiology Department.

9. National Research Council, \$175 to support an investigation by Dr. T. W. Harrell of the Department of Psychology for the Civil Aeronautics Authority. (See page 145.)

10. American Potash Institute, Incorporated, Lafayette, Indiana, 1600 feet of 16 mm. educational film showing crop experimental work in southern Illinois. This has been deposited in the Visual Aids Service library for loan to schools, agricultural organizations, and other agencies interested in using it.

11. Ford Motor Company, one Model 01A motor, as a loan to the Department of Mechanical Engineering for educational purposes.

12. Williams Oil-O-Matic Heating Corporation, Bloomington, Illinois, one Ice-O-Matic milk cooling unit to the Department of Dairy Husbandry.

13. Mr. Robert Allerton, Monticello, oak panelling, bookcases, and stone fireplace and mantel from the hall of his home in Monticello.

14. Dr. W. G. Solheim of the University of Wyoming, two centuries of exsiccatae of Rocky Mountain plants; and Mrs. W. L. Nearthing of Oak Park, Illinois, a set of books and reprints from the personal library of Mabel Smallwood, for the Department of Botany.

15. Dr. P. J. Sarma, Associate Professor of Surgery, a copy of the book entitled "The Collected Works of Charaka"; F. A. Davis Company, "The Cyclopedia of Medicine, Surgery, and Specialties," 15 v., Philadelphia, 1939-1940, to the Library of the College of Medicine.

16. Dr. Charles Parker Howard and Mr. Hartwell Carver Howard, of Champaign, one East Indian shawl (hand embroidered) and a daguerreotype of their sister, to the Department of Home Economics.

17. Mr. John N. Chester, a lead plate which is a replica of a French leaden plate deposited during the Celeron journey to the Ohio in 1749; several framed portraits, one of Mr. Henry R. Worthington at the age of forty-eight, together with a history of the Worthington Pump Company from 1840 to 1940, and a framed autographed portrait of Mr. Julien Kennedy, a famous consulting metallurgist of Pittsburgh, Pennsylvania. The replica of the lead plate will be displayed in the Engineering Library, the framed portrait of Mr. Henry R. Worthington will be hung in the Arthur Newell Talbot Laboratory, and the portrait of Mr. Kennedy will be displayed in the Metallurgical Laboratory.

Comptroller's Report of Trust Funds Received

1. University of Illinois Foundation for Illini Union Building furnishings, \$90,000.
 2. United States Navy, Bureau of Supplies and Accounts, \$2,700 additional for tests of riveted joints, which is being carried on by the College of Engineering.
 3. General Foods Corporation, \$1,200 additional for research on white corn hybrids by the Agricultural Experiment Station.
 4. American Society of Heating and Ventilating Engineers, \$1,200 additional for summer cooling research.
 5. Independent Hybrid Producers of Illinois, Inc., \$1,100 additional for production and characteristics of hybrid corn research by the Agricultural Experiment Station.
 6. DeKalb Agricultural Association, \$600 additional for research on medium and long season hybrids by the Agricultural Experiment Station.
 7. Standard Brands, Inc., \$600 additional for research on the effects of yeast on the digestive tract by the College of Medicine.
 8. American Society of Heating and Ventilating Engineers, \$525 additional for air-conditioning research.
 9. New York University, \$200 for scholarships in short course in safety education.
 10. National Research Council, \$150 for research on correlation between physical examination and flying success. (See page 145.)
 11. American Legion Auxiliary of Illinois, \$50 for promotion of small bore rifle practice, and \$50 for award to student colonel.
 12. Ladies Auxiliary of Veterans of Foreign Wars, \$50 award to worthy R.O.T.C. student.
 13. National Auxiliary of United Spanish War Veterans, Department of Illinois, \$50 award to outstanding second-year basic course cadet.
 14. Illinois Society of Engineers, \$35 for Surveying Conference.
- On motion of Mr. Adams, these gifts were accepted.

APPOINTMENTS TO FACULTY OF THE SCHOOL OF JOURNALISM

(4) The following appointments to the faculty of the School of Journalism are recommended:

1. Leslie W. McClure, Assistant Professor, one year from September 1, 1940, at a salary of \$3,000.
2. Laurence R. Campbell, Assistant Professor, one year from September 1, 1940, at a salary of \$2,700.

On motion of Mr. Jensen, these appointments were made as recommended.

At this point, President Pogue, being called from the room, asked Mr. Cleary to preside.

PURCHASES RECOMMENDED—SUPPLEMENTARY

(5) A recommendation that the following purchases be authorized:

1. Eight bowling alleys and accessories for Illini Union Building, from the Brunswick-Balke-Collender Company, Chicago, at a cost of \$12,176.55.
2. Unloading from car, transporting, and assembling Cyclotron Magnet Frame being fabricated by American Rolling Mill Company, by the Dennis Trucking Company of Indianapolis, at a net price of \$1,054.

This is to replace a previous authorization by the Board (Minutes, June 28, 1940, page 997) that the contract for this work be given to English Brothers of Champaign at a price of \$1,330. This firm was the lowest bidder on the basis of quotations received at that time, but subsequently the Purchasing Agent learned that the Dennis Company had handled a similar project for another

institution and is more familiar with the work than any other concern. Since its proposal is so much lower than that of English Brothers the Purchasing Agent recommends, and the Comptroller concurs, that the order be given to the Dennis Trucking Company. No specific date was set for the receipt of quotations and no notice of the award of contract has been given to English Brothers.

3. Exterior lighting fixtures for the Illini Union Building according to sketches and specifications prepared by the Physical Plant Department, from Ralph Watkins Metalcrafts, the lowest bidder, at a price of \$1,000.

On motion of Mr. Adams, these purchases were authorized as recommended.

REQUEST FROM PHYSICAL PLANT EMPLOYEES FOR WAGE INCREASES

(6) The Director of the Physical Plant Department has received the following requests from employees of his Department for increases in wages:

1. Machinists—from 85¢ to \$1.25 an hour.
2. Window washers (Chicago)—from 65¢ an hour for 44 hours per week to \$1.10 an hour for a 40-hour week.

In addition, the Director has advised that electricians in Champaign-Urbana are seeking an increase from \$1.25 to \$1.50 an hour. If this increased rate is established, it would of course affect his Department, since it is the policy of the University to pay the wage rates prevailing in the local community.

These requests were submitted to the standing faculty Committee on Wages and I present its report. The Committee recommends that

1. No change in the wage scale of machinists be made at the present time but that consideration be given at the beginning of the next biennium.
2. The rate of pay for window washers in Chicago be increased from 65¢ to 72¢ an hour for 40 hours a week.

3. Since there have been no developments with respect to the wage rates of electricians locally, the Committee has not considered it necessary to make any report on this item.

On motion of Mr. Williamson, the recommendations of the Committee on Wages were adopted.

RETIREMENT OF FRANK IRVINE

(7) Mr. Frank Irvine, Grounds Foreman in the Physical Plant Department, has requested that he be retired from active service, effective September 1, 1940, under the provisions in the University Statutes that in exceptional cases and for substantial cause retirement may be permitted at any time after the age of 65. Mr. Irvine is 66 years old, has been employed in the Department for 43 years, and his physical condition is such that he should not do any manual work of any kind.

The retiring allowance due him under the Statutes is \$1,040 a year.

On motion of Mrs. Plumb, this retirement was authorized.

At this point, President Pogue returned.

GROUP INSURANCE OF MEMBERS OF MUTUAL BENEFIT HOSPITAL FUND

(8) For many years there has been in operation at the University a mutual benefit hospital fund (popularly known as the "Hospital Association") which provides hospital benefits for students and members of the faculty. Participation in the fund is on a voluntary basis. Recently changes were made in its formal organization, establishing a Trusteeship of the fund in the University and setting up a joint faculty and student board to determine policies. The Dean of Men is Manager of the fund, and it is now known as the University of Illinois Mutual Benefit Hospital Fund.

In the past two years overtures have been made to the University by insurance companies who are interested in writing group insurance policies, but these have not been given serious consideration because the companies could

not offer the same benefits and at the price offered by the Fund. More recently, representatives of the North American Accident Insurance Company have suggested a plan and have presented a proposal which deserves careful consideration. This Company's proposal includes the following features:

1. Will be available for students, faculty, and staff members, *and their dependents*. (In the Urbana Departments.) Our plan has been only for students, staff members, and faculty.

2. Will be available to these people, on the payment of membership fees, on a *twelve* months' basis, rather than the *nine* months' basis which our plan has followed. We have hoped to find some method to give twelve months' coverage, but to date had not felt that our Association was ready for this.

3. The cost for the memberships through the North American Company would be the same as the costs under our plan, namely, \$3.00 or \$5.00 per semester, depending on whether the individual chose the plan with the partial payment of the physician's charges. Proportionate charges would be made for the summer months.

4. The benefits under the North American plan would be increased as follows:

(a) Benefits would be paid up to thirty days for each illness. Our plan has limited the beneficiary to twenty-eight days benefit in each semester.

(b) \$5.00 would be allowed for medicine, dressings, X-ray, ambulance, and other fees. Our plan has allowed only \$1.00 for medicine or examinations.

(c) The payment to the physician under the \$5.00 plan would be the same as we have allowed, namely, \$2.00 per day of hospitalization to be paid to the physician.

5. The North American Company proposes that we handle the sale of individual memberships as we have in the past, at the prices indicated above, and that the University then purchase a group policy from the Company at the rates of \$2.50 for each \$3.00 membership, leaving \$.50 per member for our fund here, and \$4.50 for each \$5.00 membership, leaving \$.50 for our fund. The immediate effect of this would be to give the University fund approximately \$3,000 each semester, or \$6,000 a year, if the membership holds up as it has in the past. These retentions would not be permitted in the case of dependents' memberships, but the number of dependent memberships is not likely to be large at the outset.

The proposal is not in final form for action by the Board of Trustees at this meeting, but the Manager of the Mutual Benefit Hospital Fund requests authorization to continue negotiations with the North American Accident Insurance Company. If satisfactory arrangements can be made, and the form of contract is approved by the University Counsel, the Manager recommends that this plan be tried for one year from September, 1940. The sole purpose in presenting this proposal is to render a greater hospital and medical service insurance to students and faculty at no increase in cost. The tentative plan has the approval of the Hospital Fund Board.

On motion of Mr. Mayer, the Manager of the Hospital Fund was authorized to continue negotiations and to enter into a contract for one year, the terms of the contract being subject to the approval of the University Counsel.

ELECTRIC SERVICE AGREEMENT WITH THE ILLINOIS IOWA POWER COMPANY

(g) The University has an agreement with the Illinois Iowa Power Company for electric service as needed, which provides that it may be terminated on ninety days notice. The Director of the Physical Plant Department reports that one unit (one boiler and one 3,000 KW turbine) in the new power plant will be in service September 1 and another unit on October 15. Therefore, on his recommendation I have authorized him to notify the Company that the University will terminate its agreement effective October 15.

This report was received for record.

APPROPRIATION OF RESIDENCE HALLS RESERVE

(10) The Comptroller reports a balance in the Women's Residence Halls reserve of \$27,429, as of June 30, 1940, and recommends that this amount be now appropriated for the construction of the Men's Residence Hall.

On motion of Mrs. Plumb, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Mayer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Horner, Mr. Karraker, Dr. Meyer, Mr. Wieland.

CHANGE IN STATUS OF DIRECTOR LAWRENCE W. MURPHY

(11) Director and Professor Lawrence W. Murphy of the School of Journalism has requested that because of his health he be relieved of the directorship of the School of Journalism and continued as Professor of Journalism on indefinite tenure. During the past two years, his health has not been good and he feels the need of this change as well as a desire to devote more time to teaching and research. Hence he has submitted his formal resignation as Director as of June 25 and suggests that the change in administration of the School be made immediately. I recommend that:

1. Professor Murphy's resignation as Director be accepted effective July 1, 1940.
2. He be continued as Professor of Journalism on indefinite tenure at a salary of \$5,500 for the year 1940-1941.
3. The President of the University be authorized to appoint an "Administrative Committee" to administer the affairs of the School until the appointment of a new director.

In view of the informal discussion of this matter on June 28, I informed Director Murphy that he might, if he wished, appear before the Board today and make any statement he desired to make. Director Murphy expressed a wish to avail himself of this opportunity and accordingly he is here, and I request that he be heard.

President Pogue introduced Director Murphy, who stated that he appeared of his own volition, that he had offered his resignation in good faith and for a number of reasons, including his health.

On request of members of the Board, Director Murphy amplified his reasons for submitting his resignation, again stated that he had resigned in good faith, and that he left the matter in the hands of the Board, and withdrew.

After discussion, and on motion of Mr. Jensen, Director Murphy's resignation as Director of the School of Journalism was accepted, effective July 1, 1940, and he was continued as Professor of Journalism as recommended by the President.

The President advised the Board that unless there was objection the School would be administered as in item 3 above for the coming year.

SEPTEMBER 27, 1940

The Executive Committee of the Board of Trustees of the University of Illinois met in Urbana at 10 o'clock a.m. on Friday, September 27, 1940, during a recess in the meeting of the Board. Mr. Harold Pogue, Chairman, Mr. James M. Cleary, and Mrs. Glenn E. Plumb, members of the Executive Committee, were present; also Mr. Frank A. Jensen and Mr. Kenney E. Williamson, members of the Board, President A. C. Willard, Mr. A. J. Janata, and Mr. H. E. Cunningham.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Executive Committee considered the following matters presented by the President of the University.

ADJUSTMENTS IN BUDGET OF ATHLETIC ASSOCIATION

(1) The Board of Directors of the Athletic Association has made the following appropriations from unassigned income of the Association, which increase its operating budget for 1940-1941, subject to approval of the Board of Trustees:

1. Addition to "General Administration Wages"..... \$ 600

This is to provide additional salary for Mr. D. M. Bullock, Trainer. When the budget for 1940-1941 was set up, Mr. Bullock's salary was decreased by that amount because he had been relieved of all teaching work in the School of Physical Education. Subsequently he was assigned the supervision of all athletic equipment, in addition to his work as Athletic Trainer, which requires his services during the summer and other off-season periods. The Directors are of the opinion that the saving in loss of equipment and supervision of repairs will more than offset this additional pay. It is in effect a restoration of salary for additional duties replacing his former teaching work.

2. Salary of an additional stenographer..... 900

In cooperation with the School of Physical Education the Athletic Association is establishing a Placement Bureau to assist graduating seniors and graduates in finding coaching and teaching positions. This will require an addition to the office staff. This Bureau will be a restoration of a service formerly rendered by the Athletic Association.

3. Authority for the appointment of Louis Boudreau as Assistant Basketball and Baseball Coach, part time..... 800

Subject to the approval of the Board of Trustees, the Directors have appointed Mr. Boudreau as Assistant Basketball and Baseball Coach to serve from November 1 to March 1 of each year. Mr. Boudreau will assist Mr. Walter H. Roettger, who is Head Baseball Coach and Assistant Basketball Coach. During the first part of his contract period Mr. Boudreau will work with the freshman basketball team. When the baseball team is called for indoor drills he will take over the duties of coaching baseball until Mr. Roettger has finished his basketball duties. There is an overlapping of one month in the training seasons of these two sports. Mr. Boudreau will also be employed in public relations work. There is a large demand during the late fall and winter from high schools throughout the State for speakers from the University's coaching staff. Because of his prominence in professional baseball and his former record as a basketball player, the Athletic Board feels he would be very favorably received by the general public and the alumni.

4. Furnishings and equipment for trophies in the Illini Union Building..... 800

The Athletic Association has previously assigned, with the approval of the Board of Trustees, \$2,500 for cases and other equipment for displaying trophies and pictures of former athletic teams in the Illini Union Building. This was based on a preliminary estimate of the cost, and more detailed studies indicate the total amount required is \$3,300.

Total..... \$3 100

The Director of Athletics reports the Association is having the best advance ticket sale in several years. The advance predictions from other institutions where out-of-town football games will be played point to a successful season financially. The Bureau of Internal Revenue has offered to settle the Athletic Association's tax liability for a total of \$40,460.65, of which \$34,750 has already been paid, leaving a balance due of \$5,710.65. In view of this financial outlook the Directors feel that the above additions to the budget are fully justified.

On motion of Mrs. Plumb, these adjustments were approved, and the appointment of Mr. Boudreau was authorized for such portion of his time as may be available within the amount provided.

APPROPRIATION TO DEPARTMENT OF NEUROLOGY

(2) A recommendation that an appropriation of \$515 be made from the General Reserve Fund to the Department of Neurology for telephones for the Neuropsychiatric Institute. The cost of installation will be approximately \$60 and the rental of each of 13 new instruments will be \$5 a month. While this will mean an annual outlay of \$780 in future years (in addition to installation expense), the expense for the current year will be only \$515.

On motion of Mrs. Plumb, this appropriation was made, by the following vote: Aye, Mr. Pogue, Mr. Cleary, Mrs. Plumb.

APPROPRIATION TO THE DEPARTMENT OF PATHOLOGY, BACTERIOLOGY, AND PUBLIC HEALTH

(3) A recommendation that an assignment of \$300 be made from the General Reserve Fund to the Department of Pathology, Bacteriology, and Public Health in the College of Medicine, to supplement the wage item in its budget for 1940-1941.

On motion of Mr. Cleary, this appropriation was made, by the following vote: Aye, Mr. Pogue, Mr. Cleary, Mrs. Plumb.

The Executive Committee adjourned.

SECOND SESSION, SEPTEMBER 27, 1940

When the Board convened after the recess on September 27, 1940, the same members and officers were present as before; and also Dr. Karl A. Meyer, member of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of June 28 and July 17, 1940, and also, for record, the minutes of a meeting of the Executive Committee of July 17, 1940.

On motion of Mr. Williamson, the minutes were approved and received for record as printed on pages 969 to 1048 and 1 to 26 above.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

EXTENSION OF TIME ON CONSTRUCTION OF ILLINI UNION BUILDING

(1) At the meeting of the Board on June 28, 1940 (Minutes, page 986), a report was submitted from the Director of the Physical Plant Department on the progress of construction of the Illini Union Building. In accordance with the instructions of the Board the Secretary sent notice to all contractors and bonding companies that they will be held responsible for any loss caused the University for failure to complete the building by August 31, 1940, the official completion date set by the Federal Works Agency after having previously granted extensions of time.

Factors contributory to the delay are:

1. Uncertainty of delivery of materials because of (a) contracts undertaken by manufacturers for armaments, and (b) inability to get a progress schedule from the general contractor.

2. A strike in the plant of the sub-contractor furnishing elevator doors.

3. Delay in shipments of interior cabinet work due to (a) tie-up by strike of trucking out of Detroit, and (b) inability of sub-contractor to get more men, or to get his present staff to work overtime, on the fabrication of material.

This situation was reported to the Regional Director of the Federal Works Agency by the President of the University on August 5, 1940. In acknowledging receipt of this report, the Regional Director stated that he was transmitting it to the central office in Washington and that it would be necessary for the University to specify the exact date to which it desires to have the completion date extended. On the basis of information received by the Director of the Physical Plant Department from the various contractors, and on his advice, the Federal Works Agency was advised that an extension to November 30 is desirable under the circumstances. The Regional Director has recommended to the central office this extension but it will be necessary for the Board of Trustees to make the formal request. Accordingly I recommend adoption of the following resolution:

Whereas, the Illini Union Building (P.W.A. Project Ill. 1745-F) was not completed by August 31, 1940, the official completion date set by the Federal Works Agency, for the reasons stated above and previously reported to the Regional Director; and

Whereas, on the basis of the best information available, it appears that an additional three months should be allowed for the completion of this building;

Now, therefore, be it resolved, that the Board of Trustees of the University of Illinois requests the Federal Works Agency to extend the time for the completion of this project to November 30, 1940.

On motion of Mr. Jensen, this resolution was adopted, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

**EXTENSION OF TIME ON CONSTRUCTION OF
ILLINI UNION BUILDING**

(2) The Federal Works Agency has advised that the extension of the date for the completion of the Illini Union Building has been approved on the condition that the Board of Trustees of the University agrees to reimburse the Government for such expenses (including salaries) as field inspection and auditing incurred by the Government subsequent to the completion date last approved, August 31, 1940, as in the determination of the Commissioner of Public Works are reasonably chargeable to the project. The conditions further provide that no part of such amount to be reimbursed the Government will be included in the project costs on which the amount of the grant is computed.

If the Board of Trustees desires to accept this extension under the conditions stated it should adopt a formal resolution to that effect, and the following is offered:

**RESOLUTION ACCEPTING EXTENSION OF TIME FOR THE
COMPLETION OF THE ILLINI UNION BUILDING**

Whereas, the Federal Works Agency, Public Works Administration, has approved an extension to November 30, 1940, of the time for the completion of the Illini Union Building (Project Ill. 1745-F) as requested by the Board of Trustees of the University of Illinois for reasons heretofore reported to said Board and to the Federal Works Agency; and

Whereas, such extension is contingent on agreement of said Board of Trustees of the University of Illinois to reimburse the Government for such expenses (including salaries) for field inspection and auditing incurred by the Government after August 31, the project completion date theretofore last approved as, in the determination of the Commissioner of Public Works, are reasonably chargeable to the project;

Now, therefore, be it resolved, that the Board of Trustees of the University of Illinois accepts the extension of the project completion date under the conditions herein stated and according to the method of computing the expenses of the Government which are ultimately to be borne by the University as described in detail in Letter of Instructions No. 222, dated August 9, 1940, which reads as follows:

P.W. 2185

FEDERAL WORKS AGENCY
PUBLIC WORKS ADMINISTRATION
WASHINGTON

August 9, 1940

Letter of Instruction No. 222

SUBJECT: REIMBURSABLE EXPENSES

1. *Extensions Subject to Reimbursement.* All extensions of project completion dated beyond June 29, 1940, if approved subsequent to June 29, 1940, will be granted, in the absence of any extenuating circumstances, only upon the condition that the Applicant by appropriate action duly agrees to reimburse the Government for such expenses (including salaries) for field inspection and auditing incurred by the Government after the project completion date theretofore last approved as, in the determination of the Commissioner of Public Works, are reasonably chargeable to the project and upon the further condition that no part of such amount to be reimbursed the government shall be included in the project costs upon which the amount of the grant is computed.

2. *Evidence Required.* The appropriate action necessary to evidence an Applicant's agreement to reimburse the Government for the expenses aforesaid depends upon applicable State, Territorial or local law. In general, such agree-

ment should be evidenced by the adoption by the Applicant's governing body of an ordinance or resolution whereby the Applicant definitely agrees to reimburse the Government for such expenses. If under such law the fulfillment of special procedural requirements to make the Applicant's agreement enforceable is necessary, such requirement must be fulfilled. The Applicant must submit to the Public Works Administration two certified copies of any such ordinance or resolution and of the extracts from the minutes showing the adoption of such ordinance or resolution and two certified copies of such other documents, if any, as may be necessary to evidence the legal enforceability of the Applicant's agreement to reimburse the Government for such field inspection and auditing expenses. All such documents, when received either by a PWA field office or by the Central Office of PWA, shall be promptly transmitted, without review, to the General Counsel for appropriate action and disposition.

3. *Commissioner's Determination.* Expenses of the types and within the limitations hereinafter set forth are expenses reasonably chargeable to a project pursuant to an agreement on the part of the Applicant to reimburse the Government for the expenses as aforementioned. A project to which such an agreement pertains is hereinafter referred to as a "Reimbursing Project."

4. *Salaries.*

(a) The salary of any Inspector, Auditor, clerk or other worker employed and assigned by the Public Works Administration to a Reimbursing Project (hereinafter referred to as "Employee") to perform work on a full time basis in connection with the Government's field inspection or auditing for such Reimbursing Project will be charged on the basis of actual pay roll payments plus the cost of annual leave earned during the reimbursable period less a credit for any absence on annual leave. Where an Employee is absent because of illness, sick leave will be charged to the Reimbursing Project only to the extent that sick leave is earned during the reimbursable period.

(b) The time of an Employee assigned to two or more projects, one or more of which is a Reimbursing Project, will be prorated against each of such projects upon the basis of the time actually expended by such Employee on each project, and there will be charged against the Reimbursing Project the allocable portion of the salary of the Employee determined upon the basis of the prorated time expended on the Reimbursing Project. Appropriate adjustments will be made for annual leave earned or taken as provided in the preceding subparagraph.

(c) In case an Employee is assigned to a Reimbursing Project for only a brief period of time or where it is impracticable to charge for salary on any basis other than a per diem basis, the charge against the Reimbursing Project will be for the actual number of work days expended on the Reimbursing Project upon the basis of the daily salary rate determined by dividing the annual salary by 284 (i.e. the number of actual work days in a fiscal year). On this basis, 4 hours of Saturday work will be charged as 4/7th of a day, and no charge will be made for Sundays and for holidays granted Federal employees.

5. *Travel Expenses and Per Diem in Lieu of Subsistence.*

(a) Where an Employee travels to and from a Reimbursing Project in a Government-owned automobile, there will be charged against the Reimbursing Project, on the basis of an examination of the mileage report, an appropriate amount computed on a mileage basis at the rate of five cents per mile.

(b) Where an Employee travels to and from a Reimbursing Project in a privately-owned automobile, there will be charged against the Reimbursing Project an amount equal to the amount paid the Employee for the use of such privately-owned-automobile at the rate fixed in the order authorizing the travel (but not in excess of five cents per mile) to be determined upon an examination of the mileage report.

(c) Other travel expenses of an Employee, such as railroad fares, Pullman charges, taxi fares, etc., properly incurred in the performance of work on a Reimbursing Project will be charged against such Reimbursing Project to the extent that the Government is obligated for their payment.

(d) Where the Employee is required to remain away from his headquarters or temporary duty station and incurs reimbursable subsistence expenses,

per diem in lieu of subsistence will be charged against the Reimbursing Project, and such charge will be in an amount equal to the amount allowed by the Government to the Employee. Where an Employee travels from his headquarters or temporary duty station for the sole purpose of performing services in connection with field inspection or auditing on a Reimbursing Project, salary, travel expenses, and per diem in lieu of subsistence expenses will be charged against the Reimbursing Project from the time such Employee departs from his headquarters or temporary duty station until his return thereto.

(e) Travel expenses will not be charged against a Reimbursing Project where an Employee renders services in connection with field inspection or auditing work on such Reimbursing Project while en route on a regular tour of duty to another project or other projects. However, if the travel expenses of an Employee are directly related to and incurred specifically in the Employee's performance of work on the Reimbursing Project, such travel expenses will be charged against the Reimbursing Project. Furthermore, there will be charged against the Reimbursing Project the salary and per diem in lieu of subsistence of such Employee performing work on the Reimbursing Project for the actual time expended in the immediate locality wherein the work is performed.

6. *Expenses not Reimbursable.*

(a) No charge against a Reimbursing Project will be made for salaries, travel expenses or per diem of PWA Traveling Engineers, nor of Regional or Central Office employees or any other employee of the Public Works Administration not definitely assigned to the particular Reimbursing Project for the performance of work in connection with the Government's field inspection or auditing for the Reimbursing Project. Moreover, in no event will any charge be made for any expense which the Government is under no legal obligation to pay.

7. *Monthly Reports.*

(a) Each PWA Inspector assigned to any Reimbursing Project shall prepare and submit promptly, at the end of each month or at any time prior thereto that such assignment is terminated for any reason, one copy of PWA Form No. Admin. 204 (a copy of which is attached) to the particular PWA official having immediate supervisory jurisdiction over him, i.e., the Project Engineer, the Regional Director, or the Director, Engineering Division, as the case may be. Such Inspector shall record the time he has expended upon the Reimbursing Project and also such other data as may be required by such Form. In addition thereto, he shall record thereon the time expended upon the Reimbursing Project by any field, clerical or other employee of the Public Works Administration assigned to assist such Inspector and allocate, upon the prorata basis hereinbefore specified, the time of such clerical or other employee in the event such clerical or other employee has performed work or performs work on other projects in addition to a Reimbursing Project. Each PWA auditor assigned to a Reimbursing Project likewise shall submit to his immediate supervisor, i.e., the Project Auditor, the Regional Project Auditor, or the Chief Project Accountant, as the case may be, one copy of such Form upon his completion of an audit on a Reimbursing Project. A separate copy of such Form shall be submitted for each Reimbursing Project.

(b) The PWA official properly receiving such Form from an Employee shall signify his concurrence therein by his signature in the place indicated therefor and shall promptly transmit it to the Executive Officer, Public Works Administration.

(c) The statement of mileage or travel on the reverse side of the Form is similar to that required in support of travel expense accounts where travel is by privately-owned automobile, and where this mode of transportation is used the Form may be prepared as a carbon copy at the time the travel expense account is prepared. The same mileage statement shall be submitted where travel is by Government-owned automobile, and the Statement will be accepted in lieu of P.W. Form 100 ("Trip Record") heretofore required.

8. *Billing Applicant.*

The Executive Officer, Public Works Administration, shall compute, in accordance with the provisions hereof, the expenses incurred by the Government which, in his opinion, are chargeable against each Reimbursing Project. When

such computation has been made, a statement of such charges, upon approval by or on behalf of the Commissioner of Public Works, shall be transmitted by the Executive Officer to the Applicant with a request for the prompt reimbursement of such expenses to the Government by the Applicant.

9. Information for the Applicant.

In each case where an extension of the project completion date is approved subject to the reimbursable condition aforementioned, there shall be transmitted to the Applicant, *along with* the notification of the Government's approval of the extension, a copy of this Letter of Instructions. The letter of transmittal thereof shall call particular attention to the condition and to the Letter of Instructions and shall request a prompt specific written acknowledgment thereof.

A copy of such letter of transmittal and of such letter of acknowledgment shall be transmitted promptly to the General Counsel, Public Works Administration.

E. W. CLARK

Commissioner of Public Works

On motion of Mr. Williamson, this resolution was adopted, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

APPROPRIATION FOR BUILDING STUDIES

(3) The Special Building Committee of the University Council, which has been making studies of the building and other permanent improvement needs of the University in the preparation of the biennial budget for 1941-1943, has called on the Physical Plant Department for preliminary plans and cost estimates of proposed buildings and alterations of existing buildings. There are unexpended balances in appropriations previously made for various building studies as follows:

| | |
|------------------------------------|---------|
| Animal Pathology Building..... | \$ 668 |
| Meats Laboratory..... | 200 |
| Old Agriculture and Chemistry..... | 500 |
| Student Center..... | 850 |
| Woman's Building..... | 3 400 |
| <i>Total</i> | \$5 918 |

The Director of the Physical Plant Department reports that not all of these funds will be needed for the work originally contemplated and suggests that they be made available not only for these specific purposes but also for building studies incidental to the preparation of the capital budget for the biennium of 1941-1943. Building projects under consideration by the Special Building Committee are: Animal Pathology Building, Pure Bred Dairy Barn improvements, Band Building, rehousing of studio of Radio Station WILL, building for ROTC mounted training and Military Stables, First Unit of Building for Art Department, and remodeling and reconditioning of various buildings. Even though all of these projects are not included in the budget for the biennium of 1941-1943 they will continue to be under consideration by future committees, so that building studies made now will be useful.

I concur in the above recommendation. It does not require a supplementary appropriation but involves a change in the purpose of the original appropriations.

Director Havens commented on this matter.

On motion of Mr. Cleary, the use of these balances for building studies was approved as recommended, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

ILLINI UNION BUILDING TRUST AND LEASE

(4) The text of the Trust Agreement and Lease, for the Illini Union Building, and a resolution, prepared by the University Counsel, with a recommendation that the resolution be adopted.

Be it resolved that the President and Secretary of the Board of Trustees of the University of Illinois are hereby authorized, empowered, and directed to execute the following named documents in the form presented to this meeting, which form is hereby approved: a Trust Agreement creating the Illini Union Building Trust, in order to provide the Illini Union Building for the students of the University on the Champaign-Urbana campus, by and between the Board of Trustees of the University of Illinois and the University of Illinois Foundation as Trustee, actually made December 1, 1938, but executed on September 27, 1940; and a Lease by and between the University of Illinois Foundation as Trustee under the Illini Union Building Trust, Lessor, and the Board of Trustees of the University of Illinois, Lessee, made September 1, 1940, but executed on September 27, 1940.

Judge Johnson explained the provisions of the Trust Agreement and the Lease, article by article.

On motion of Mr. Jensen, the resolution was adopted as presented, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

CONTRACT FOR ADDITIONAL FURNITURE AND EQUIPMENT FOR GREGORY HALL

(5) The Director of the Physical Plant Department submits the following schedule of bids received for additional furniture and equipment for Gregory Hall:

| | |
|---|------------|
| W. B. Read & Co., Bloomington..... | \$2 089 18 |
| The J. N. Johnson Co., 111 N. 10th St., Mt. Vernon..... | 2 243 04 |
| Newton & Hoyt Furniture Co., 845 S. Wabash Ave., Chicago..... | 2 478 12 |
| Globe Furniture & Stationery Co., 168 W. Monroe St., Chicago..... | 2 526 32 |
| Business Furniture Co., 112 E. Maryland St., Indianapolis..... | 3 778 69 |

He recommends the award of contract to W. B. Read & Co., of Bloomington, the lowest bidder, for \$2,089.18.

I concur in this recommendation.

Since this is supplementary to a previous contract awarded to W. B. Read & Company for furniture and equipment for Gregory Hall, the Regional Director's office suggests that instead of awarding a second contract this be covered by a change order in the first. This award therefore becomes Gregory Hall Furniture and Equipment Contract Change Order No. 5, superseding previous Change Order No. 5.

On motion of Mr. Cleary, this change order was authorized.

BOARD OF TRUSTEES

[September 27

Since the lowest bids in each case were within the original estimates of cost and the budget for equipment and furnishings previously approved by the Board of Trustees, the President of the University authorized the awards of contracts to the following, the lowest bidders in each case:

1. Upright refrigerator boxes and undercounter refrigeration boxes, complete with cooling units, to Duparquet, Incorporated, Chicago, at a total of..... \$6 015

This was proposal No. 3, which included proposals Nos. 1 and 2, plus Alternate A-1, which provides stainless steel linings for certain units instead of porcelain enamel and porcelain enamel for two other units where galvanized steel was specified in base bids.

2. Three ice cream cabinets and one ice cube maker, electrically refrigerated, including installation, to R. Cooper, Jr. (Reliable Plumbing and Heating Company, Champaign, representatives)..... 900

3. Compressor units and shelving for built-in refrigerators installed as a part of the building construction, to the Mid-State Engineering Company, Champaign, at a net total of..... 5 188

This was proposal No. 8 (total \$5,300) which combined proposals Nos. 6 and 7, and the acceptance of alternates Nos. 82M and 82N, which involved substitution of blower cooling units instead of coils, a deduction of \$112.

4. Venetian blinds, the Mackin Venetian Blind Company..... 1 865
I request confirmation of my action.

On motion of Mr. Cleary, the action of the President of the University in making these awards was approved and confirmed.

**UNIT PRICES FOR PAINTING AND DECORATING WORK
IN ILLINI UNION BUILDING**

(7) A recommendation that the following unit prices included in the bid of G. H. Schanbacher & Son Company, contractors for painting and decorating in the Illini Union Building, be approved by the Board of Trustees:

- 1. Striping, per linear yard per color..... \$ 13
- 2. Glazing, highlight and surfacer on mouldings, per 100 sq. ft., based on face area..... 10 00
- 3. Final coat eggshell enamel on woodwork, per yard..... 23
- 4. Final coat semi-gloss enamel on woodwork, per yard..... 23
- 5. Final coat semi-gloss and stipple on plaster surface, per yard.... 17
- 6. Final coat washable flat and stippling on plastered surface, per yard..... 16
- 7. Final coat washable surfacer and stippling, per yard..... 16
- 8. Undercoaters, coating, and sanding, per yard..... 19
- 9. Stippling painted surfaces, per square yard.....03 to 07
- 10. Final coat of gloss enamel and rubbing, per yard..... 90
- 11. Painters cloth liner under wallpaper, including material, per yard.. 80

The regulations of the Federal Works Agency require such formal approval.

On motion of Mr. Cleary, these unit prices were approved as recommended, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

APPROVAL OF CONTRACT CHANGE ORDERS

(8) A report of approval of the following contract change orders by the Executive Committee of the Board:

Illini Union Building

Contract Change Order No. 2 with Duparquet, Incorporated, for Food Service Equipment.

- (A) Items #41 (\$132.00), #93 (\$70.00), #94 (\$178.00), and #96 (\$148.00) in the ground story, deducted under both 3a and 4 of Article 3 of the contract..... \$528 00

(B) Item #222 (\$602.00) in the second story deducted under both 3d and 5 of Article 3 of the contract..... 602 00
Total Additional \$1 130 00

This is to allow credit to the contractor for certain items deducted twice in preparing contract, first, as part of the general items, and second, as detail items.

Power Plant

Contract Change Order No. 2 with William A. Pope Company for piping system and erection of miscellaneous equipment.

APPLICATION FOR FEDERAL FUNDS FOR R.O.T.C. BUILDING

(10) The Professor of Military Science and Tactics (Commandant of the R.O.T.C. Brigade) has submitted a statement, with supporting data, that there is an urgent need for an Armory Annex for the training of mounted and mechanized R.O.T.C. units.

The Federal appropriation for work relief and relief for the fiscal year ending June 30, 1941, provides that W.P.A. projects which are directly related to the program of national defense are exempt from the customary requirement that the sponsor must supply one-fourth of the total cost and the limitation of \$100,000 as the maximum total cost of any one project. Thus senior units of the R.O.T.C. now established at colleges and universities may qualify for Federal funds for R.O.T.C. buildings, if they are certified by the Secretary of War as important to the national defense and it can be shown that the construction is necessary to the proper care and operation of such units. The War Department has adopted no general policy but has stated that each case will be considered on its merits.

It is recommended that the Board of Trustees authorize the application for a grant of funds from the Work Projects Administration sufficient to cover the full cost of construction and equipment of an Armory Annex at the University of Illinois pursuant to the provisions of the act of Congress (Public Resolution No. 88, 76th Congress, Chapter 432, 3rd Session) referred to herein.

The statement from the Professor of Military Science and Tactics in support of this recommendation is submitted herewith and a copy given to the Secretary of the Board for record.

In this connection it should be noted that the Board of Directors of the Athletic Association has requested that no assignments of land in the vicinity of the Stadium and George Huff Gymnasium which might be used for physical

education and athletic purposes be made before it has had a chance to discuss the matter with the Board of Trustees.

On motion of Dr. Meyer, the President of the University was authorized to make application to the Federal Government for funds to construct and equip an Armory Annex.

REQUEST OF GEOLOGICAL AND NATURAL HISTORY SURVEYS

(11) A request from the Geological and Natural History Surveys that immediate steps be taken to remove the Animal Pathology Laboratory and certain accessory facilities near the new Natural Resources Building.

On motion of Dr. Meyer, the President of the University was authorized to make a study of this problem with a view to making the necessary improvements when funds are available.

AWARD OF C. P. A. CERTIFICATES

(12) A recommendation that the following candidates, who have been certified by the Board of Examiners in Accountancy as having passed the C. P. A. examination in May, 1940, be awarded the Certificate of Certified Public Accountant:

On motion of Mr. Cleary, these certificates were awarded as recommended.

APPOINTMENTS TO PROFESSORIAL RANKS

(13) A report of the following new appointments of the rank of Assistant Professor and above to the faculty and a request for confirmation thereof:

1. Mr. Arne Rae, Executive Secretary of the National Editorial Associa-

tion, as Associate Professor of Journalism for the year 1940-1941, at a salary of \$3,600, to replace Professor Siebert, who will be on leave of absence.

2. Milton N. Nelson, Professor and Head of the Department of Economics at Oregon State College, as Visiting Professor of Economics for one year from September 1, 1940, at a salary of \$4,500. This appointment is to fill temporarily a position to which Professor Clifford L. James of Ohio State University was appointed by the Board on June 28, 1940, but which he was obliged to resign because of illness in his family. He hopes to be able to join the faculty of the University of Illinois in 1941, and the Department desires to hold the position open for him.

On motion of Dr. Meyer, these appointments were approved and confirmed.

REQUEST OF MABEL L. ARNESON

(14) Mr. William H. Browne, former Secretary of the College of Medicine and Business Manager of the Chicago Departments, now retired, requests that consideration be given to either the re-employment or the retirement on a pension of Miss Mabel L. Arneson, formerly in the service of the University.

A statement concerning Miss Arneson's services was presented by the President of the University and filed with the Secretary for record.

This matter was referred to Dr. Meyer and Mrs. Plumb for study and recommendation.

LEAVES OF ABSENCE

(15) A recommendation that leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

1. Dr. Glenn P. Haskell, Associate in English, sick leave for six months from September 1, 1940, without pay. Doctor Haskell was given sick leave with full pay during the year 1939-1940. He was in the active service of the University for seven years prior to being granted this leave.

2. Mrs. Jane Beagle, Stenographer in the President's Office, sick leave from August 21 to December 31, 1940, or so much thereof as may be necessary, without pay. This is in addition to vacation and sick leave with full pay from July 8 to August 20 granted under the rules of the Civil Service Commission and the Board of Trustees.

3. C. A. Webber, Bursar, sick leave for three months from September 1, 1940, with pay.

4. W. H. Severns, Professor of Mechanical Engineering, sick leave for two months from September 1, 1940, with pay.

5. Frederick B. Moorehead, Professor of Oral Surgery and Head of the Department, sick leave for six months from September 1, 1940, or so much thereof as may be necessary, with pay.

6. H. L. Koeller, Assistant in Agricultural Economics, leave without pay from September 1 through November 30, 1940, so that he may continue his services to the United States Bureau of Agricultural Economics. This is an extension of leave without pay from July 1 through August 31, authorized by the Board on July 17.

7. Arthur F. Deam, Professor of Architecture, sick leave for six months from September 1, 1940, or so much thereof as may be necessary, with pay, provided that if it is necessary for the Department to employ additional help during his absence the expense therefor will be deducted from his salary in accordance with the rules of the Board governing such cases.

8. Albert Bachem, Professor of Biophysics in the Department of Physiology of the College of Medicine, sick leave for six months from September 1, 1940, with full pay. His work will be distributed among other members of the Department so that no additional expense is involved.

9. Mrs. Nell C. B. Johnston, Assistant Professor of Education, sick leave with full pay during the first semester of 1940-1941, or September 1 to January 31, 1941. Her work will be carried by other members of the staff without additional expense to the University.

On motion of Dr. Meyer, these leaves were granted as recommended.

**STATUS OF MEMBERS OF THE UNIVERSITY STAFF CALLED INTO
MILITARY OR OTHER NATIONAL DEFENSE SERVICE**

(16) A recommendation that leave of absence without pay for one year beginning September 1, 1940, be granted to Dr. O. A. Dieter, Instructor in Speech, who has been called to service in the National Guard.

It is very likely that a number of members of the University staff, who are reserve officers of the United States Army or officers in the Illinois National Guard, may be called into active military service, not to mention any who may be conscripted. Some may be asked to go into other forms of service not of a military character but nevertheless just as important in the program of national defense. These cases will raise the question of whether the University will grant such individuals leaves of absence and hold their positions open for them upon their return, and it may therefore be desirable for the Board of Trustees to establish a definite policy.

On motion of Dr. Meyer, leave was granted to Dr. Dieter as recommended.

REPORT OF COMMITTEE ON FEES AND SCHOLARSHIPS

At this point, Mr. Jensen, for the special committee (Mr. Jensen, Mr. Cleary, Mrs. Plumb) appointed July 17 to consider the report of the faculty committee on student fees and scholarships (Minutes, July 17, 1940, page 5) presented the following recommendations:

TUITION FEES*

1. The "incidental fee" shall be named the "tuition fee."
2. The tuition fee for residents of Illinois shall be increased by \$5 a semester.
3. The resident tuition fee for the several undergraduate colleges and divisions on the Urbana campus shall remain uniform.
4. The resident tuition fee shall remain uniform for the four undergraduate years.
5. The resident tuition fee in the College of Law shall be increased \$5 a semester.
6. The resident tuition fee in the Graduate School shall be increased \$5 a semester.
7. The tuition fee for non-residents of Illinois in all undergraduate colleges and divisions on the Urbana campus shall be double the resident fee.
8. The tuition fee for non-residents of Illinois in all graduate colleges and divisions on the Urbana campus shall be increased \$7.50 a semester.
9. The tuition fee charged graduate students enrolled for not more than two units of work shall be \$10 a unit for residents of Illinois and \$20 a unit for non-residents, in all divisions of the Graduate School.

LABORATORY FEES

1. In the undergraduate classes in Urbana the present policy of charging course laboratory fees shall be continued. (The faculty committee will consider the problems involved and make definite recommendations on a uniform laboratory and library fee at a future time.)

2. For the next year, graduate laboratory fees shall be charged in the Urbana divisions as at present. (The faculty committee is not satisfied with this arrangement as a permanent procedure and recommends that further studies be made next year on this subject in cooperation with the Executive Faculty of the Graduate School. It proposes to explore the possibilities of substituting a higher tuition fee for graduate students and the elimination of all laboratory fees in graduate courses.)

SUMMER SESSION FEES*

(Effective June 1, 1941)

1. The resident tuition fee in all colleges and divisions on the Urbana campus shall be increased by \$5, making the general tuition fee \$25.
2. The non-resident tuition fee in all colleges and divisions on the Urbana campus shall be \$50.

*As amended January 22, 1941 (Minutes, page 169).

3. The single course fee shall be \$10 for a three-hour course for residents and \$20 for non-resident students.

4. The practice of giving scholarships in the Summer Session to teachers or persons under contract to teach shall be discontinued.

MISCELLANEOUS FEES

1. For every change slip issued after the Monday noon following registration, the fee shall be \$1.

2. Each student who has paid all his fees is entitled to receive without charge a transcript of his record. For each additional transcript the fee shall be 50 cents.

3. The regulations governing deposits shall be made applicable to the Summer Session as well as the regular session, effective in 1941.

CHICAGO

Action has already been taken by the Board on fees in the Chicago Colleges (Minutes, June 28, 1940, page 996).

UNDERGRADUATE SCHOLARSHIPS

Scholarships Created by Act of the General Assembly

1. The regulations for General Assembly scholarships should be changed to require that appointees shall come from the upper 50 per cent of their high-school graduating classes, or shall have achieved an average of fifteen points above the passing grade of any college or university in which they were enrolled; holders of these scholarships should be required to maintain a satisfactory scholastic standing in order to retain their scholarships.

2. The regulations for County scholarships should be changed to require an applicant to receive a grade of 70 or more in order to pass the examination and be entitled to a scholarship.

3. Steps should be taken to place the value of legislative scholarships on a uniform basis, exempting their holders from the payment of tuition fees as set for those colleges and schools of the University which admit students directly from the high schools; and that when a student holding one of these scholarships enters a division of the University which has fees higher than those set for the divisions specified, he shall be required to pay the difference.

Scholarships Created by the Board of Trustees

1. The number of scholarships in Agriculture and Home Economics offered in Cook and Lake counties shall be reduced from twenty to four, by offering one of each scholarship in each county, rather than one in each of the first ten Congressional districts.

2. The assignment of scholarships to candidates from other counties, when the county to which the scholarship belongs has no qualified candidate, shall be eliminated.

3. No change shall be made in the scholarships in Law and Music.

4. Ten scholarships to be known as "University Scholarships" shall be established.

5. Steps should be taken to increase the provision for scholarships by gift and endowment, as a method of meeting an urgent need for scholarships for needy but able students.

Mr. Cleary and Mrs. Plumb expressed themselves in favor of increasing the number of county scholarships from Cook County to provide for one or two from each Congressional district.

On motion of Mr. Cleary, this report was adopted, effective September 1, 1941, unless otherwise noted in the report; and the President of the University was authorized to take steps to secure the necessary legislation.

DEATH OF DR. WILLIAM ALLEN PUSEY

(18) A report of the death on August 29 of Dr. William Allen Pusey, Professor of Dermatology, *Emeritus*. Doctor Pusey was in the active service of the University on the Clinical Faculty of the College of Medicine from 1894 until his retirement in 1915.

On motion of Dr. Meyer, the Secretary was directed to send Mrs. Pusey an expression of the regret of the Board for the loss of Dr. Pusey.

REQUEST FROM NAVY DEPARTMENT FOR SERVICES OF PROFESSOR H. M. MOTT-SMITH

(19) Associate Professor H. M. Mott-Smith, of the Department of Physics, will be on sabbatical leave of absence on one-half pay during the academic year, 1940-1941. The Navy Department wants him to work on problems to do with magnetic mines, for which he will receive compensation. Professor Mott-Smith is well qualified for this type of work, and obviously it would be a contribution to the program of national defense to put his abilities and experience into such effective use.

The Head of the Department of Physics and the Dean of the College of Engineering recommend that the regulation of the Board of Trustees prohibiting professors on sabbatical leave to engage in professional work for remuneration be waived in this case, on the ground that the public interest justifies such an exception.

On motion of Mr. Cleary, this recommendation was adopted.

REFUNDS OF FEES TO STUDENTS CALLED INTO MILITARY SERVICE

(20) The recent military training act of Congress provides that students who are registered in a college or university prior to February 1, 1941, and who are conscripted will be permitted to defer their military service until after June 30, 1941. However, students who are reserve officers (this would apply chiefly to graduate students and those in the professional schools) and students enlisted in the National Guard may be called for duty before the end of the current academic year. These students will very likely ask that their fees be refunded in whole or in part.

Under existing regulations, in case a student in the Urbana Departments withdraws from the University during the first ten days of instruction the total amount of his fees, except the matriculation fee, is refunded. After ten days and before the middle of the semester the rebate is one-half the fees, except the matriculation fee, and after the middle of the semester no rebate is allowed. In the Chicago Departments if a student withdraws within ten days after the beginning of instruction, the total amount of his fees except the matriculation fee is refunded. After ten days and before the expiration of one month, a refund of three-fourths of the tuition and laboratory fees is made. After one month and before the expiration of two months, a refund of one-half of these fees is made. After two months and before the expiration of three months, a refund of one-fourth of these fees is made. After three months no rebate is allowed.

The Board may wish to consider establishing a policy on a more liberal basis in the case of students called into military service.

No action was taken on this matter.

ILLINI UNION BUILDING SERVICE CHARGE

(21) The Board of Trustees has established a service charge of \$5 a semester to be paid by all students for the use of the Illini Union Building beginning with the academic year 1940-1941. Since the building was not completed by the opening of the first semester and will not be available for the use of the student body all of the first semester, the Director of the Physical Plant Department recommended, and I concurred, that the service charge should be assessed proportionately. This recommendation was submitted to the Executive Committee of the Board which authorized a reduction of the service charge from \$5 to \$3 for the first semester of 1940-1941 only, and confirmation of this action is requested.

On motion of Mrs. Plumb, this charge was approved and confirmed.

CITIZENSHIP STATUS OF MEMBERS OF FACULTY

(22) On June 28, 1940 (Minutes, page 978), the Board adopted a policy concerning future appointments to the staff and the employment of individuals who are not citizens of the United States. The Board also authorized the sending of a questionnaire to all members of the staff on whose citizenship status the University did not have complete information in its records.

With the passage of the Alien Registration Act of Congress the Federal Government has asked that other governmental agencies refrain from any supplemental program by setting up local systems of alien registration. In view of this request I am bringing the matter again to the attention of the Board for further instructions.

On motion of Mr. Williamson, the President of the University was instructed to proceed in this matter as originally planned.

STUDENT SUPPLY STORE IN THE CHICAGO DEPARTMENTS

(23) On July 26, 1935 (Minutes, page 378), the Board of Trustees authorized the establishment of the Dental Supply Store for the purpose of supplying to students in the College of Dentistry materials required by them in their courses and not furnished by the University as laboratory materials. The Comptroller reports that this project has been quite satisfactory and successful.

During the past year there has been considerable demand for the extension of this service to medical students. With the moving of the College of Pharmacy into the Medical and Dental Building there will be opportunity for service to these students as well. This has also had consideration by the council of deans of the Chicago Colleges which recommends such expansion.

The Comptroller recommends that to meet the enlarged responsibilities of the store its name be changed from "Dental Supply Store" to "Student Supply Store, Chicago Colleges," and that the present plan of management be continued with the modification that the advice of all the Chicago colleges will be secured as to the materials required for their respective students instead of only the College of Dentistry.

On motion of Mrs. Plumb, this change was approved.

VETERINARY COLLEGE

(24) On November 10, 1937 (Minutes, page 567), the Board of Trustees was informed that the Executive Board of the Illinois State Veterinary Medical Association requested the establishment by the University of Illinois of a Veterinary College in connection with the College of Medicine in Chicago. Action on this matter was deferred.

Subsequently the Deans of Medicine and Agriculture were consulted, and on their advice a special committee representative of the sciences in veterinary medicine was appointed to make a thorough study of the proposal, including a survey of existing facilities for training for this profession. The full report of the committee is submitted herewith, and it recommends:

1. That a college of Veterinary Medicine in connection with the College of Medicine in Chicago not be established at the present time.

2. The initiation, as soon as feasible, of studies in cooperation with the Association of Land Grant Colleges and Universities or other suitable agency or agencies, looking toward a rational regionalization of veterinary education in the United States.

3. That, in view of the responsibilities of the University to the livestock industry of the state, consideration be given to expanding undergraduate and graduate teaching and research programs of the Division of Animal Pathology and Hygiene. Consideration should also be given to the needs for change in administrative status of this field of work in the University.

4. The Committee urges recognition of the growing importance of the relation of veterinary science to public health and the desirability of correlating overlapping phases of research in these two fields. To this end the committee recommends exchange between the Animal Pathology Laboratory and the College of Medicine, of outlines of proposed experimental projects.

I concur in these recommendations with the exception of the last sentence in item 3. In my opinion that is a secondary consideration which should be dealt with separately, and as an administrative question rather than one of broad educational and public policy.

On motion of Dr. Meyer, this report was accepted as recommended by the President of the University.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(25) A report of the approval of the following agreements for cooperative investigations:

1. Carnegie-Illinois Steel Corporation, renewal of an investigation of steel car wheels by the Engineering Experiment Station for one year from July 15, 1940. A previous agreement covering this study expired on July 15, 1939, and it is now proposed to renew the investigation, with an increase in the payment by the company from \$3,100 to \$6,200 for the year.

2. Agicide Laboratories, Inc., cooperative investigation by the Agricultural Experiment Station and the State Natural History Survey Division to study the control of chinch bugs with Agicide products. This agreement is drawn for a period of one year from July 1, 1940, and the company has sent the University \$200 to cover the expenses of the study.

3. Musher Foundation, Inc., extension of investigation to study the anti-oxidant properties of oat flour in the preservation of meat, by the Agricultural Experiment Station. This extends the agreement to cover a period of five months beginning September 1, 1940, and the Foundation is to contribute \$125 for the support of the study.

4. Dairy Industries Supply Association, Inc., to establish a research assistantship in the Agricultural Experiment Station for studies of problems relating to the dairy products industries. This agreement is drawn for a period of one year from September 1, 1940, with provisions for its extension, and the Association has agreed to contribute \$550 for the support of the study. An additional \$50 will be paid directly to the winner of the assistantship at the time he has completed his thesis and has prepared a condensed version of it for publication.

5. Quaker Oats Company, extension for one year from August 1, 1940, of an investigation previously authorized of the influence of vitamins B₁ and D, especially such as are contained in irradiated oats, on carbohydrate metabolism and the storage of glycogen, by the College of Medicine.

6. Enamel Utensil Manufacturers Council, a cooperative investigation of Enamel Standards, by the Engineering Experiment Station. This agreement is drawn for a period of ten months from September 1, 1940, with provisions for its extension, and the Council has agreed to contribute \$2,000 for the cost of the study.

7. Atlas Powder Company, extension of an investigation of Electrolytic Reductions, by the Engineering Experiment Station, for one year from July 1, 1940, with the provision that the annual contribution of the Company will be increased from \$3,000 to \$3,300.

8. Standard Agricultural Chemicals Company, Inc., amendment of a previously authorized research agreement to cover the payment of an additional \$200 by the Company in furtherance of the study of certain cresol compounds as insecticides, with special reference to their use as dormant sprays, by the State Natural History Survey and the Agricultural Experiment Station.

9. Kelco Company of New York, Chicago, and Los Angeles, agreement for the establishment of a fellowship for a study of the use of algin (Dariloid) in sherbets and ices in the Agricultural Experiment Station. The agreement is drawn for a period of one year from September 15, 1940, with provisions for its extension, and the Company has agreed to pay up to \$1,200 for the stipend of the fellow and other expenses of this investigation.

On motion of Mr. Cleary, the execution of these agreements was approved.

NATIONAL DEFENSE SERVICES

(26) Preliminary negotiations are now under way with the National Defense Research Committee of the Council of National Defense for research work by the University on problems of a confidential nature which are directly or indirectly related to the program of national defense. The Committee has submitted a tentative draft of a contract which it proposes to use to cover such research projects and has invited suggestions. The tentative draft of the contract has been studied by the University Counsel and the Comptroller, and their suggestions for certain changes therein have been passed on to the Committee. When the contract is in final form and the projects on which the University has been asked to work have been set up, it may be necessary to act promptly instead of waiting until a Board meeting to secure approval. Under the circumstances it is recommended that the Board authorize its President or the President of the University (or both) to conduct the necessary negotiations and take such action as in their judgment is appropriate in the public interest.

On motion of Dr. Meyer, the President of the University was given authority as recommended.

RELEASE OF PATENTS ON DISCOVERIES BY MEMBERS OF THE FACULTY

(27) The Faculty Committee on Patents on July 25, 1940, reported on the following discoveries by members of the faculty:

1. D. W. Kerst, Instructor in Physics, a magnetic electron accelerator, which produces high speed electrons of several million volts energy by increasing the magnetic flux within the orbit of an electron travelling in a magnetic field, an apparatus designed and built by him.

Doctor Kerst informed the Committee that with further development such an apparatus might produce an intensity of X-rays which could be used in therapy, in the production of radioactive substances for medical treatment, and for research. The apparatus has many other uses to physicists.

The Committee recommended that this discovery be released to Doctor Kerst because, while it may have real scientific value, the patent application would be too costly and complicated, and the commercial returns too insignificant to warrant the expense.

2. Professor Roger Adams of the Department of Chemistry has isolated a crystalline compound called cannabidiol from red oil extracted from hemp. The possible practical application of this is unknown, but the discovery is of great scientific interest.

In the judgment of the Committee this discovery while scientifically interesting does not warrant the expenditure of money involved in filing the required number of applications, and the scientific aspect was not such as to require protection of the public interests by the University. The Committee therefore recommended that this discovery be released to Professor Adams.

Since it was necessary to take action on this before the present meeting of the Board of Trustees, the report of the Faculty Committee was submitted to the Committee on Patents of the Board which recommended approval and to the Executive Committee which authorized the release of these discoveries.

On motion of Mr. Williamson, this action was approved and confirmed.

PURCHASE OF COAL FOR THE URBANA DEPARTMENTS

(28) The following schedule of bids secured by the Purchasing Agent for coal for the power plants for the heating season of 1940-1941:

All quotations are subject to code prices established by the National Bituminous Coal Commission, which at the present time has announced a schedule with a minimum price of \$1.75 per ton on all coal beginning October 1, 1940. Unless there is a change in that order that minimum will prevail.

SCHEDULE OF COAL BIDS

1940-1941

| <i>Tonn. Quoted</i> | <i>Firm</i> | <i>Shipping Point</i> | <i>Price f.o.b. Mine</i> | <i>Freight Rate</i> | <i>Delivered Price</i> | <i>Per cent Fines</i> |
|-------------------------|-----------------------|---------------------------|------------------------------|-------------------------|----------------------------|---------------------------|
| 2 000 | Bell and Zoller..... | Danville | \$1.01 | \$.60 | \$1.61 | 33 |
| 30 000 | Globe Coal Co..... | Danville | 1.01 | .60 | 1.61 | 35 |
| 30 000 | Peabody Coal Co..... | Westville | 1.25 | .60 | 1.85 | 33 |
| 30 000 | Peabody Coal Co..... | Westville | 1.35 | .60 | 1.95 | 30 |
| | Peabody Coal Co..... | Westville | 1.70 | .60 | 2.30 | 25 |
| 3 000 | Tilton Mining Co..... | Tilton | 1.15 | .60 | 1.75 | 40 |

ANALYSES AS RECEIVED

| <i>Tonn. Quoted</i> | <i>Firm</i> | <i>Moisture</i> | <i>Vol. Matter</i> | <i>Fixed Car.</i> | <i>Ash</i> | <i>Sulphur</i> | <i>B.T.U.</i> | <i>B.T.U. for 1¢ (raw scgs.)</i> | <i>B.T.U. for 1¢-Minimum code prices</i> |
|-------------------------|-----------------------|-----------------|------------------------|-----------------------|------------|----------------|---------------|--|--|
| 2 000 | Bell and Zoller..... | 13.76 | 32.64 | 38.50 | 15.10 | 3.27 | 10 152 | 120 785 | 111 499 |
| 30 000 | Globe Coal Co..... | 9.56 | 35.62 | 38.74 | 16.08 | 3.01 | 10 781 | 127 858 | 118 057 |
| 30 000 | Peabody Coal Co..... | 15.1 | 30.4 | 41.7 | 12.8 | 2.0 | 10 300 | 110 113 | 110 113 |
| 30 000 | Peabody Coal Co..... | 14.37 | 31.97 | 42.27 | 11.39 | 2.0 | 10 573 | | |
| | Peabody Coal Co..... | 14.40 | 33.14 | 42.85 | 9.61 | 1.59 | 10 882 | | |
| 3 000 | Tilton Mining Co..... | 11.0 | 36.04 | 40.06 | 12.9 | 3.8 | 10 900 | 124 571 | 124 571 |

In the schedule of bids the B.T.U. value per 1¢ has been calculated on raw screenings, using the bid prices and also using minimum code prices. The Globe Coal Company, one of the bidders, supplemented its bid with a proposal to refund the difference between the contract price and the price set by the National Bituminous Coal Commission should the code price be adjudicated unconstitutional or invalid during the life of the contract provided the contract is placed before the code price becomes effective.

The Purchasing Agent and the Director of the Physical Plant Department recommend award of contracts as follows:

| | Tons | Price f.o.b. Mine | Delivered Cost | Minimum price (plus freight) fixed by NBCC |
|----------------------------|--------|----------------------|-------------------|--|
| Globe Coal Company..... | 30 000 | \$1.01 | \$1.61 | \$1.75 |
| Tilton Mining Company..... | 2 000 | 1.15 | 1.75 | 1.75 |

It is necessary to divide the business because the Globe Coal Company's quotation is based on supplying 30,000 tons whereas the estimated need is 32,000 tons. The choice between the bids of Bell and Zoller and the Tilton Mining Company was based on the higher B.T.U. value of the latter's coal.

Corresponding prices for the season 1939-1940 were \$1.63 per ton for the bulk of the award and \$1.50 for a small portion.

On motion of Dr. Meyer, these awards were approved as recommended, subject to confirmation by the Governor.

PURCHASES RECOMMENDED

(29) A recommendation that the following purchases be authorized:

1. Parlor furniture (replacement of worn-out and unsatisfactory furniture) for the Mary E. Busey Residence Hall, as per detailed list which is submitted herewith and copy given to the Secretary of the Board for record, from C. A. Kiler, Champaign, the lowest bidder, at a price of \$1,762.56.

2. 107 cases Pyrex laboratory glassware for General Chemical Stores, from A. Daigger and Company, Chicago, at a cost of approximately \$1,540. This is a non-competitive item which is sold through jobbers at prices fixed by the manufacturer, the lowest price applying to orders for lots of 100 or more cases. It has been the practice to distribute this business among various dealers equipped to render the required service.

3. 45 feeder calves for the Agricultural Experiment Station from the Producers Live Stock Commission Association, National Stock Yards, Illinois, at a cost of approximately \$2,000. This is a non-competitive purchase as the price is determined by market conditions.

On motion of Mrs. Plumb, the purchase of items 2 and 3 was authorized; consideration of item 1 was deferred pending the receipt of additional information.

PURCHASES AUTHORIZED

(30) A report of the following purchases authorized by the President of the University or the Executive Committee of the Board in accordance with the University Statutes:

1. 632 steel folding chairs for the Illini Union Building from the Clarin Manufacturing Company, Chicago, at a cost of \$2,224.14.

2. One heavy duty Mack truck from the Mack Truck Company, the lowest bidder, at a net delivered price of \$3,490.56, after allowance for old Hug 19 D truck.

3. Lamps and lamp shades for the Illini Union Building, a total of 37 items, as per detailed list and specifications, which is hereby given to the Secretary of the Board for record, through Ernest C. von Ammon, Chicago, the interior decorator for the building, at a price of \$2,457.40 f.o.b. Urbana.

4. 97—32" x 72" x 29" high Fold-O-Leg banquet tables with black masonite tops, from the Mitchell Manufacturing Company, Milwaukee, Wisconsin, at a cost of \$2,119.45, f.o.b. Urbana.

5. Chain link fence to be erected around tennis courts at Wright Street and Springfield Avenue, from the Continental Steel Corporation, Kokomo, Indiana, the lowest bidder, at a price of \$1,790, including delivery and erection.

6. Miscellaneous lighting fixtures for the Illini Union Building, from the Graybar Electric Company, Chicago, the lowest bidder, at a price of \$1,323.80.

7. Recessed lighting fixtures for the Illini Union Building, from the Wadeford Electric Company, Chicago, the lowest bidder, at a price of \$2,817.30.

8. 109 short army overcoats, from Sigmund Eisner Company, Red Bank, New Jersey, one of the two lowest bidders (the other has withdrawn), at a cost of \$1,199, f.o.b. Urbana.

On motion of Dr. Meyer, the action of the President of the University in authorizing these purchases was approved and confirmed.

REPORT OF DEATH BENEFITS PAID

(31) A report that the Comptroller has been authorized to pay the death benefits to the beneficiaries of the following members of the staff, in accordance with the University Statutes and the terms of their employment:

1. C. Y. Freeman, laborer in the Physical Plant Department—\$296. Mr. Freeman was in the active service of the University from July 26, 1907, until he retired on September 1, 1933. He died on August 16, 1940.

2. Marie J. Boysen, Teacher in the University High School—\$860. Miss Boysen was in the active service of the University from September 1, 1929, until the date of her death on August 19, 1940.

3. Roy Phelps, laborer in the Department of Animal Husbandry—\$180. Mr. Phelps was in the active service of the University from December 15, 1936, until the date of his death on August 20, 1940.

4. H. Douglas Singer, Professor of Psychiatry and Head of the Department, and Director of the Psychiatric Institute—\$2,250. Dr. Singer was in the active service of the University from September 1, 1916, until the date of his death on August 28, 1940.

On motion of Mr. Jensen, this report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(32) A report of contracts executed by the Comptroller.

CONTRACTS EXECUTED BY THE COMPTROLLER

JULY 11 TO SEPTEMBER 17, 1940

Leases executed under general regulations of the Board of Trustees:

| <i>With Whom</i> | <i>Property</i> | <i>Tenure</i> | <i>Amount to be received by the University</i> | <i>Date</i> |
|--------------------------------|---|---------------------------------------|--|---------------|
| Mr. and Mrs. Maurice E. Dahmus | 1204 West Springfield Avenue, Urbana | September 1, 1940, to August 31, 1941 | \$650 | July 29, 1940 |
| H. Paul Lincicome | Portion of lot at Wright and University | August 1, 1940, to July 31, 1941 | \$ 72 | July 29, 1940 |

Minor contracts executed under general regulations of the Board of Trustees:

| <i>With Whom</i> | <i>For</i> | <i>Amount to be paid by the University</i> | <i>Date</i> |
|---|--|--|-----------------|
| Dennis Trucking Company | Hauling and erection of cyclotron magnet frame | \$1,054 | July 23, 1940 |
| Duparquet, Inc. | Refrigerators and compressors—Illini Union Building | \$6,015 | August 14, 1940 |
| Mackin Venetian Blind Company | Venetian blinds—Illini Union Building | \$1,865 | August 14, 1940 |
| United Military Stores | Uniforms for Advanced Course Students of the R.O.T.C. for 1940-1941 | \$36 per Uniform | July 15, 1940 |
| United States Department of Agriculture, Forest Service | Agreement for use of equipment on Dixon Springs demonstration projects | No payment | July 8, 1940 |
| Civil Aeronautics Authority | Pilot Training—Ground Instruction—Summer Session—Sixty students at \$50 each | \$3,000 to be received by the University | June 17, 1940 |

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(33) The quarterly report of the Comptroller to the Board of Trustees as at June 30, 1940. A copy of this has been sent to each member of the Board.

This report was referred to the Finance Committee.

FINE ARTS GALLERY

(34) At the meeting of the Board on May 28, 1940 (Minutes, page 946), the Board was advised of a proposal made by Mr. Percy H. Sloan of the Class of 1886 to secure funds for a Fine Arts Museum or Gallery for the University of Illinois as a memorial to the late Lorado Taft. This matter was referred to the President of the University for study.

Mr. Sloan was advised that the members of the Board were deeply appreciative of this fine and worthy project. Certain suggestions were also submitted for his consideration, including one made at the Board meeting, namely, that no fund-raising campaign contemplating general solicitation of alumni should be undertaken in the immediate future because it would conflict with the present campaign to raise funds for the Illini Union Building, and also because of the inadvisability of too frequent solicitations of alumni.

The Dean of the College of Fine and Applied Arts was asked to continue consultations with Mr. Sloan. As a result thereof he submits the following, representing the latter's proposal:

"(1) Although the University has no Fine Arts Building, it has already accepted and received paintings and statuary, and can obtain other valuable collections, provided that there is a suitable building in which to display and store these works of art. The proper use of collections owned and available cannot be made without such special buildings.

"(2) It is proposed, with the sanction of the University, to provide by private subscription, the necessary sum for an appropriate building to be dedicated as the repository of Art Collections, which will thus be of greatest use to the students of the University and to the public at large.

"(3) Based on present conditions the estimated cost of the proposed building is \$150,000. A single offer of a considerable sum has already been made, contingent on the securing of the entire amount needed.

"(4) For the execution of the project an association is to be formed; incorporated by individuals, serving without compensation, to be known as 'The Fine Arts Gallery Association at the University of Illinois,' a not-for-profit corporation. This Association undertakes the work of obtaining funds and of dealing with the University as may be necessary.

"(5) It is proposed that funds, as received, shall be deposited in escrow with the Northern Trust Company Bank of Chicago, until such time as the fund is completed and turned over to the University.

"(6) In the event that the project has to be abandoned by the Association it is proposed that subscribers shall have the option of refund, or other disposition to be determined at time such a situation develops, if ever.

"(7) To substantiate all this there should be some form of agreement between the University and the Association, in which the University agrees to accept and expend the money for the purpose specified, and in which the character of the building (i.e., as indicated by sketch plans to be submitted) and its location are designated."

The Dean calls attention to the following collections on hand or in process of becoming University property:

- (1) Lorado Taft Sculpture Collection.
- (2) The Trees Collection (Old and Modern Masters).
- (3) The College Collection (American Paintings).
- (4) The Lewis E. Myers Collection (Americana, furniture, etc.).
- (5) Sloan Collection (a collection of paintings by Junius R. Sloan, early Illinois painter of the Hudson River School, tentatively offered by Mr. Percy H. Sloan, son of the painter).

Mr. Sloan's proposal looks forward to housing the Taft, Trees, and Sloan Collections, since these are of the utmost and immediate educational value.

The Dean adds that "Such a building located just north of the present Architecture Building and connected thereto *should be eventually* about 60' x 150' x (basement and two stories high) 45' high. At fifty cents per cubic foot such a structure would cost \$232,875. We believe we could keep within this estimate in view of the fact that the Taft Gallery would be two stories high, thus eliminating one floor, be of most simple finish on the interior, and with no exterior adornment. The plan now proposed has been to build two units of the eventual structure to cost about \$152,580. This accounts for the figure named in Mr. Sloan's suggestions. If at all feasible we should seek an amount to build the whole structure, but it has been felt that since a part of the complete structure would need to be devoted to expansion for the Ricker Library, the State might well undertake this, and we might well make our present objective the raising of the \$150,000. There is, of course, no reason why the structure may not be built in units."

Mr. Sloan has himself agreed to subscribe \$25,000 for the building and \$5,000 for upkeep of the Sloan Collection.

I am submitting this proposal to the Board for its consideration and instruction as to further negotiations with Mr. Sloan.

On motion of Dr. Meyer, the organization of this association was authorized for the purposes proposed.

GIFTS TO THE UNIVERSITY

(35) A report of the following gifts received by the University since the last report:

1. Western Electric Company, equipment and material to the Department of Electrical Engineering during the academic year 1939-1940, valued at \$10,500.

2. E. I. duPont de Nemours & Company, \$2,000 for the continuation of a post-doctorate fellowship, and \$750 for the continuation of a postgraduate fellowship in Chemistry for the year 1940-1941.

3. Chicago Board of Education, \$2,500 to pay one-half of the salary of a teacher in Industrial Education and one-half of his necessary traveling expenses.

4. E. I. duPont de Nemours & Company, \$2,000 for the continuation of a fellowship for the purpose of enabling Dr. C. S. Marvel of the Department of Chemistry to employ an assistant for research work in the field of vinyl polymers.

5. Mead, Johnson and Company, Evansville, Indiana, \$1,800 for an investigation of the possible effectiveness of complete mixtures of amino acids in the regeneration of serum protein, by the Departments of Pediatrics and Surgery.

6. Rohm & Haas Company, two research assistantships, stipend \$650 each, for Professors R. C. Fuson and R. L. Shriner, Department of Chemistry, during the academic year 1940-1941.

7. Eastman Kodak Company, \$1,000 for a postgraduate fellowship in the field of organic chemistry.

8. New York Community Trust, on behalf of an anonymous donor, \$960 for the establishment of a graduate fellowship in Chemistry during the year 1940-1941. This will provide a stipend of \$750 and the balance of \$210 will cover tuition, laboratory, and other fees.

9. Monsanto Chemical Company, \$750 for the continuation of a fellowship in organic chemistry for the year 1940-1941 under the direction of Professor C. S. Marvel.

10. The Solvay Process Company, \$750 for a fellowship in Organic Chemistry for the year 1940-1941.

11. Eli Lilly and Company, \$750 for the renewal of a fellowship in Chemistry under Dr. R. L. Shriner for the year 1940-1941.

12. Continental Oil Company, \$750 for the continuation of a Special Research Assistantship in Chemistry for the academic year 1940-1941 to assist Professor George L. Clark in his researches.

13. Abbott Laboratories, \$650 for a graduate fellowship in Organic Chemistry for the year 1940-1941.
14. Henry Strong Foundation, \$600 for the renewal of a scholarship in Geology for the year 1940-1941.
15. Federal Cartridge Corporation of Minneapolis, \$500 for defraying expenses of boys, leaders, speakers, and general expenses connected with the Sixth State 4-H Conservation Camp.
16. Frederick Stearns & Company, \$475 for studies of anti-spasmodic drugs by the Department of Surgery.
17. Patients and their relatives, medical equipment for the Department of Psychiatry.
18. Dr. Julius H. Hess, Professor and Head of the Department of Pediatrics, a steel and glass instrument cabinet for the use of the Department of Pediatrics.
19. Mr. M. E. Powers of Chicago, a small collection of valuable old china that has belonged to his mother, Mrs. E. F. Powers, late of Champaign, to the College of Fine and Applied Arts.
20. Monsanto Chemical Company, 12 gallons of phosphoric acid to the Department of Dairy Husbandry.
21. Dole Refrigerating Company of St. Louis, a freezer locker unit for the use of the Meats Division and the Departments of Home Economics and Horticulture.
22. Dr. Francis Lederer, Professor and Head of the Department of Laryngology, Rhinology, and Otology, \$500 as the nucleus of a special otolaryngology fund to which he hopes other contributions will be made, and to be used for departmental purposes.
23. An anonymous donor, \$300 as a tuition-laboratory fee scholarship for a deserving first-year student in the College of Medicine to be selected by the Executive Dean of the Chicago Colleges.

This report was received for record.

MANIERRE BARLOW WARE SCHOLARSHIP

(36) Mrs. Charles Ware of Kenilworth, Illinois, has given the University \$10,000 to endow an undergraduate scholarship in memory of her son, the late Manierre Barlow Ware of the Class of 1917, who gave his life in France in the defense of his country during the last World War. He was a First Lieutenant serving with the 362nd Infantry, American Expeditionary Forces, and was killed in action in the Argonne on October 12, 1918.

Mrs. Ware's signed deed of gift is hereby turned over to the Secretary of the Board and reads as follows:

"I hereby offer the Board of Trustees of the University of Illinois a gift in the sum of \$10,000, to be held in trust for the following uses and purposes: The principal shall be invested according to the sound discretion of the Board of Trustees in securities of whatever type it may elect and the income thereof used to endow a scholarship in the University of Illinois, preferably in the College of Agriculture, such scholarship to be given to such male students annually as shall in the judgment of the appropriate University officials be most deserving thereof and not otherwise able to provide funds for their education. While I prefer that the beneficiaries be students in the College of Agriculture, nevertheless if more worthy and deserving students in the judgment of the University, be enrolled or seek to enroll in some other undergraduate division of the University, scholarships may be awarded to them.

"The scholarship shall be known as the Manierre Barlow Ware Scholarship."

This scholarship will be administered by the standing Committee on Special Undergraduate Scholarships.

I have accepted this gift and request confirmation of my action.

On motion of Dr. Meyer, the acceptance of this gift was approved and confirmed.

APPOINTMENT OF PROFESSOR M. J. DORSEY AS HEAD OF THE DEPARTMENT OF HORTICULTURE

(37) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommends that Dr. Maxwell J. Dorsey, Professor of Pomology in the College and Chief of Pomology in the Station, be appointed Head of the Department of Horticulture on indefinite tenure beginning October 1, 1940, at an annual salary of \$6,000. I concur in this recommendation.

On motion of Dr. Meyer, this appointment was made as recommended.

AERONAUTICAL TRAINING

(38) A year ago (Minutes, September 30, 1939, page 567) the Board of Trustees approved the offering of ground school instruction in a flight training program, pursuant to the Civilian Pilot Training Act of Congress of 1939 which authorized the Civil Aeronautics Authority to provide for the training of civilian pilots through educational institutions. The flying instruction was given at an airport near Champaign-Urbana by an operator selected by the University and the C.A.A.

During the academic year, 1939-1940, the University's quota of students to receive this training was limited to 50. A total of 118 applications were received and 50 were approved for flight training. Of this total 40 men and 1 woman received Pilot's Certificates for successful completion of the ground school and flight training program. The balance withdrew because of illness and other reasons. The program was offered as an "extracurricular" activity, in that no University credit was given for it, and applications were accepted only from students already registered in the University.

At the request of the C.A.A. the program was offered during the summer of 1940. Fifty-nine applicants were approved for flight training and 13 for ground school training only. The program has not yet been completed so that a final report thereon can not be made at this time.

The cost of this program was met by an assessment of a fee of \$40 per student, authorized by the C.A.A. and the Board of Trustees, and the payment by the C.A.A. to the University of \$20 for each student trained, so that this resulted in no expense to the University. In fact, there is a small balance (\$225) in the special fund set up for this purpose, which can be carried forward to 1940-1941.

The University has been asked to offer the training program for the year 1940-1941, and the Dean of the College of Engineering has been authorized to administer it, as heretofore. Two courses will be offered each semester, a preliminary course now known as the "Controlled Private Flying Course," and a secondary course to be known as the "Controlled Restricted Commercial Course." It is stated that completion of the two courses will be the equivalent of the Army Primary Course. The University has been given a quota of 50 trainees for the Controlled Private Flying Course and 10 for the Controlled Restricted Commercial Course for the first semester of 1940-1941.

The requirements, fees, and government payments have been changed for the Controlled Private Flying Course from the arrangements for last year. Each applicant must pass a comprehensive physical test given by the University Health Service. A Committee on Selection will then select the candidates who will be given a further physical examination by a designated Civil Aeronautics Medical Examiner. The applicants will be required to pay a fee of \$6 for this examination. In addition, each applicant admitted to the course will be required to pay a fee of \$10 to the University and \$9 for insurance coverage. The Government will pay the University \$20 for each student.

The requirements, fees, and payments by the Government in the Controlled Restricted Commercial Course have not yet been established but it is known that the University will be expected to provide 108 hours of ground school instruction.

While the fee to be assessed each student is less than that charged last year, the cost of the program has been correspondingly reduced. More of the ground training will be given at the Air Port, and the applicants will pay the fee for the medical examination by the C.A.M. examiner directly, whereas last year this was paid by the University out of fees collected from the applicants.

I recommend that the Board authorize:

- (1) The offering of these two programs of instruction;
- (2) The assessment of the prescribed fees (\$19.00 per student for the Controlled Private Flying Course and such fees as are permissible and required for the Controlled Restricted Commercial Course);
- (3) The placing of the income from fees in the special fund set up last year;
- (4) The payment of the expenses of the program from that fund;
- (5) The payment of honoraria, for the extra service involved, to members of the staff offering instruction in these courses.

On motion of Mr. Jensen, these recommendations were adopted.

COOPERATION IN VOCATIONAL EDUCATION FOR NATIONAL DEFENSE

(39) The Federal Government, working through state boards for vocational education and the public schools, has established programs of vocational education to offer shop and other forms of industrial training for national defense workers. During the past summer, July 15 to August 30, the University cooperated in this program by making its Machine Shop and Welding Laboratories and certain members of the staff available to the Champaign Public Schools, the Superintendent of which was in charge of the program locally.

The University has been asked to continue this cooperation in a new program which will run from October 1 to November 30, 1940. Salaries, supplies, repairs, power, light, and additional janitor service required for carrying out the program will be paid for by the United States Government through the agency of the Superintendent of the Champaign High School, upon the submission of statements of expense. The members of the staff who were in charge of the shop courses during the summer are willing to carry on in the new program. They will receive additional compensation for their services from the Federal Government. Instruction will be given in the evening outside of the time required of them under their University appointments and during hours when it will not interfere with the use of the laboratories for University instruction.

The Dean of the College of Engineering and Director of the Engineering Experiment Station recommends, and I concur, that the University continue to cooperate in this program under the same arrangements as were in effect during the summer.

On motion of Mr. Williamson, this recommendation was adopted.

RESOLUTION AUTHORIZING EXECUTION OF DOCUMENTS RELATING TO REMODELING OF PHARMACY BUILDING IN CHICAGO

(40) At the request of Charles K. Morris and Company, Investment Bankers, who are financing the remodeling of the Pharmacy Building into a union building for the Chicago Colleges, the following resolution is offered directing and authorizing the proper officers of the Board of Trustees to execute the documents described therein:

Whereas, the Executive Committee of the Board of Trustees of the University of Illinois did, on September 21, 1940, adopt the following Resolution:

Whereas, the University of Illinois Foundation, a non-profit corporation, organized under and pursuant to the laws of the State of Illinois, made a certain proposal to the Board of Trustees of the University of Illinois for the purchase of certain properties and for the construction, remodeling, and equipping of certain buildings on the Chicago campus to be thereafter used as a Student-Faculty Union Building for the use of the students and faculty in the

Chicago departments of the University of Illinois and for the furnishing of equipment to the Illini Union Building at Urbana, Illinois, but as a part of a general but single project to provide a student center for all students at the University of Illinois in all departments; and

Whereas, the Board of Trustees by resolution duly adopted by the unanimous vote of seven members of the Board of Trustees of the University of Illinois present at such meeting, which number constituted a quorum of the Board of Trustees, which consists of eleven members, accepted said proposal, directed the execution of a conveyance by a deed in trust to the University of Illinois Foundation of the property described in paragraph (1) of this resolution, and authorized and approved such program, including the construction, remodeling, and equipping for the purpose of making the same when constructed, remodeled, and equipped available to the students and faculty in the Chicago departments of the University of Illinois as a Student-Faculty Union Building and including the equipping to a certain and limited extent of the Illini Union Building at Urbana, Illinois; and

Whereas, in order to carry out said program of remodeling, reconstructing, and equipping, it is necessary to create a University of Illinois Student-Faculty Union Building Trust and to create a University of Illinois Student-Faculty Union Building Operating Trust and to authorize the proper officers of the University to execute and deliver the same;

Now, therefore, be it resolved, that the President and the Secretary of the Board of Trustees be and they are hereby empowered and directed to execute the following documents, and their execution thereof is hereby in all things approved and ratified:

(1) A deed in trust to the University of Illinois Foundation, as trustee under a trust agreement dated September 1, 1940, and known as the University of Illinois Student-Faculty Union Building Trust, in the form of deed presented to this meeting, which form is hereby approved and which conveys the following described property, to wit:

The North six (6) feet of lot six (6) and all of lots seven (7), eight (8), nine (9), ten (10), and eleven (11) and the South two (2) feet of lot twelve (12) in the Resubdivision of the West one-half ($\frac{1}{2}$) of block five (5) in the Assessor's Division of the East one-half ($\frac{1}{2}$) of the Southeast one-quarter ($\frac{1}{4}$) of Section eighteen (18), Township thirty-nine (39) North, Range fourteen (14), East of the Third Principal Meridian, located in the City of Chicago, in the County of Cook and State of Illinois, all pursuant to authorization by the Board of Trustees on September 30, 1939;

(2) An instrument creating the University of Illinois Student-Faculty Union Building Trust dated as of September 1, 1940, but actually executed on September 21, 1940, by and between the Board of Trustees of the University of Illinois, the University of Illinois Foundation, and Charles K. Morris and Company, Inc., a corporation duly organized and existing under the laws of the State of Illinois, the lender of the funds borrowed through a bond issue, or otherwise, by the University of Illinois Foundation, as aforesaid, substantially in the form of the agreement presented to this meeting, which form is hereby approved; pursuant to which the University of Illinois Foundation, as trustee, is given the power to issue its negotiable or nonnegotiable bonds for the purpose of financing the remodeling, constructing, and equipping of the properties hereinbefore referred to and containing provisions and stipulations necessary and proper in order to set up and establish said trust;

(3) An instrument creating the University of Illinois Student-Faculty Union Building Operating Trust dated as of September 1, 1940, but actually executed on September 21, 1940, by and between the Board of Trustees of the University of Illinois and the University of Illinois Foundation, as trustee under a trust agreement dated as of September 1, 1940, and known as the University of Illinois Student-Faculty Union Building Trust, in substantially the form of the agreement presented to this meeting, which form is hereby approved, and the execution thereof is hereby in all things ratified and approved, pursuant to which the Board of Trustees of the University of Illinois becomes an operating

trustee for the operation of the Student-Faculty Union Building, which operating trust agreement contains terms, covenants and stipulations relating to the use and operation of the said building and the charging of student center fees and rentals therefor as are deemed reasonably necessary in order to accomplish the objects and purpose hereinbefore described, and among other things, empower the University of Illinois Foundation, as trustee as aforesaid, to execute a trust indenture in order to secure the repayment of a loan, whether through a bond issue or otherwise, negotiated by said Foundation in order to remodel, construct, and equip the building aforesaid. Any change, alteration, or modification in either trust agreement approved by said officers executing the same is hereby ratified and confirmed, and the execution of the said trust agreements by the said officers shall be considered the act and deed of the Board of Trustees of the University of Illinois.

Be it further resolved, that all acts, proceedings, and transactions by the Board of Trustees of the University of Illinois by its Executive Committee or by other committees of said Board, or by its officers, agents, and representatives in connection with the remodeling, constructing, and equipping of the properties aforesaid and described in the instruments creating the University of Illinois Student-Faculty Union Building Trust and the University of Illinois Student-Faculty Union Building Operating Trust be and the same are in all things ratified and confirmed; and

Whereas, the Resolution aforesaid was adopted in pursuance of the plans and objectives therein described and previously approved and authorized by the Board of Trustees of the University of Illinois; and

Whereas, the documents and contracts in said Resolution described are now before this Board and have been seen and examined by it;

Now, therefore, be it resolved, that the Resolution aforesaid is hereby adopted as the action of this Board as of September 21, 1940, and the action of the Executive Committee in adopting said Resolution is in all things ratified and approved, as is also the action of the officers in executing such documents and contracts.

The Company also requests that the resolution be accompanied by the following certificate:

I, H. E. Cunningham, do hereby certify that I am the duly elected, qualified, and acting Secretary of the Board of Trustees of the University of Illinois, and that I am the officer of the Board of Trustees of the University of Illinois duly authorized by it to prepare and keep the minutes of the meetings of the Board of Trustees of the University of Illinois; that the foregoing is a true and exact copy of a resolution adopted by unanimous vote of the Board of Trustees of the University of Illinois at a regular meeting duly called by the President upon due and proper notice to each and all of the members of the Board of Trustees of the University of Illinois, in conformity with the constitution and by-laws of the Board of Trustees of the University of Illinois, and held September 27, 1940.

I further certify that there was a quorum present at said meeting, to wit, six duly elected members, which number is the number needed for a quorum under the by-laws.

On motion of Mr. Jensen, the above resolution was adopted, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

STATUS OF FINANCING OF UNION BUILDING FOR CHICAGO DEPARTMENTS

(41) On June 28, 1940 (Minutes, page 980), the Board accepted the bid of Charles K. Morris and Company to finance the remodeling of the Pharmacy Building for use as a union building in the Chicago Departments through a bond issue subject to an approving opinion by Chapman and Cutler, Attorneys.

The legal documents set up for this bond issue were modeled along those used in the Medical and Dental College Building Trust in Chicago, but a varia-

tion was necessary because it was felt that the bonds could not be marketed if a lease were employed. Instead of a lease an Operating Trust Agreement was prepared, which from the point of view of the Legal Counsel is a substitute for and an equivalent of the lease in all material respects.

An attempt has been made to sell the bonds without an opinion from Chapman and Cutler to the Northwestern Mutual Life Insurance Company of Milwaukee. Present indications are that this Company will take the entire issue. Should it decline to do so and should Charles K. Morris and Company fail to sell the bonds elsewhere, it may be necessary to accept the offer of the Connecticut Mutual Life Insurance Company to finance this construction through a loan. This method of financing would cost between \$5,000 and \$6,000 more than the offer of Charles K. Morris and Company.

This report was received for record.

DISABILITY COMPENSATION FOR F. A. LINDGREN

(42) F. A. Lindgren, Assistant in the Photographic Laboratory, was retired effective May 1, 1940, with an annual retiring allowance of \$517 on account of physical disability (loss of eyesight) under the rules of the Board.

The Committee on Accident Compensation has also been investigating this case to determine whether he is entitled to compensation due to loss of eyesight while in the employ of the University. The Committee has completed its investigation and submits a report which is summarized as follows:

1. Mr. Lindgren entered the service of the University in April, 1923. Not long thereafter he began to have trouble with his eyes which continued with increasing severity until in 1932 it was necessary to have one eye removed. At the time of his retirement he was reported by examining physicians to be "industrially blind."

2. Reports of the University Health Officer and attending physicians justify the conclusion that at least a part and perhaps all of this eyesight deficiency arose from the work which Mr. Lindgren was required to do and the conditions under which it was performed.

3. After reviewing these reports and carefully considering the case, the Committee on Accident Compensation concluded that Mr. Lindgren should be compensated for the complete loss of one eye. Under the provisions of the Workmen's Compensation Act, this would mean compensation at the rate of \$15 per week for not to exceed 120 weeks. This would be in addition to his retiring allowance.

4. Mr. Lindgren has expressed willingness to accept this settlement and to release the University and the State of Illinois from any further liability.

The Committee recommends, and I concur, that this compensation be authorized by the Board of Trustees effective May 1, 1940, when he was retired from active service, and to continue during his lifetime or until a period of 120 weeks has expired, subject to the execution of a release of the University and the State of Illinois from any further liability. These payments will be made from the provision in the budget for Injuries to Employees.

On motion of Mr. Cleary, this compensation was authorized under the conditions set forth in the President's recommendation.

APPROPRIATION FOR PARKING AREA AT LIBRARY

(43) As the Board has been advised on previous occasions there is a need for more automobile parking areas on the campus. There is an area immediately west of the Library which will provide parking facilities for approximately one hundred cars.

The Physical Plant Department estimates that the cost of surfacing it, using cinders with an asphalt top, and constructing curbs is \$2,600. This cost could be reduced by \$1,000 by the omission of the concrete curbs and substitution of a hedge planting to mark the boundary. This would probably result in less efficient use of this space, because it would not be possible to mark individual

spaces for cars, and if hedge planting did not sufficiently restrict operation of the cars it might be necessary to install concrete or wooden curbs later on.

I recommend that an appropriation of \$2,700, or so much thereof as may be necessary, be made from the General Reserve Fund for this improvement.

On motion of Mr. Cleary, this appropriation was made, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

CONTRACT CHANGE ORDERS ON P.W.A. PROJECTS—SUPPLEMENTARY

(44) Pursuant to the authorization of the Board of Trustees I have approved the following contract change orders and request confirmation of such approval:

Illini Union Building

Change Order No. 12, contract with English Brothers for general work.

This change order is to cover additional hardware (not covered by other change orders) necessary to complete the hardware installation for the building..... \$575 00

Change Order No. 10, contract with the Wadeford Electric Company for electrical work.

- (1) Relocate bracket lights in Room #40..... \$ 9 63
- (2) Relocate clock outlet in Room #39..... 3 80
- (3) Provide 8 additional baseplugs in Room #40 in accordance with quotation dated August 27, 1940.. 45 00
- (4) Furnish channels for supporting flush kitchen fixtures in ground story..... 75 00
- (5) Extra work involved in providing feeder for foul lights for bowling alley..... 22 00
- (6) Provide changes in light wiring for main kitchen including furnishing and hanging fixtures in accordance with quotation of September 3, 1940..... 609 70

Total Additional Cost..... \$765 13

On motion of Dr. Meyer, these change orders were approved, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

APPROPRIATION FOR REMODELING SMITH MEMORIAL HALL

(45) At the meeting of the Board on June 28 a number of recommendations were submitted from the Committee on Special Appropriations and Non-Recurring Expenditures, but action on them was deferred because of the small balance in the General Reserve Fund. One of these was an item of \$5,250 for remodeling in Smith Memorial Hall to provide much-needed offices and studios for members of the faculty. Since funds are now available I recommend that this appropriation be made.

On motion of Dr. Meyer, this appropriation was made, by the following vote: Aye, Mr. Cleary, Mr. Jensen, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Horner, Mr. Karraker, Mr. Mayer, Mr. Wieland.

**MANAGEMENT AND OPERATION OF RESEARCH AND
EDUCATIONAL HOSPITALS**

(46) A Joint Committee representing the Department of Public Welfare and the University has been studying the future management and operation of the Research and Educational Hospitals with a view to the transfer of these responsibilities from the Department to the University. Representatives of this Committee are:

Department of Public Welfare

Director A. L. BOWEN
 Doctor MAJOR H. WORTHINGTON
 Mr. CHARLES H. SCHWEPPE
 Mr. JOHN C. WEIGEL

University of Illinois

Dean R. B. ALLEN
 Judge SVEINBJORN JOHNSON
 Director C. S. HAVENS
 Mr. LLOYD MOREY

This Joint Committee submits a report of its first meeting held in Chicago on September 24. It is a report of progress rather than a statement of complete and final recommendations, but is submitted for the information of the Board of Trustees and for any instructions the Board may wish to give its representatives.

Copies of this report were sent to the special Board committee consisting of Dr. Karl A. Meyer, Mrs. Glenn E. Plumb, and Messrs. James M. Cleary and Oscar G. Mayer.

On motion of Dr. Meyer, this matter was made a special order of business for the next meeting of the Board.

**BIDS ON FOOD SERVICE EQUIPMENT FOR MEN'S RESIDENCE
HALL IN URBANA AND UNION BUILDING IN CHICAGO**

SECOND SESSION, OCTOBER 21, 1940

When the Board convened after the recess on October 21, 1940, the same members were present as before, and also Dr. Karl A. Meyer. The officers of the University enumerated above were present.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

PURCHASES RECOMMENDED

(1) A recommendation that the following purchases be authorized:

1. One car load Douglas fir and cypress lumber, from the Wm. C. Schreiber Lumber Company, Chicago, the lowest bidder, at a cost of \$1,504, f.o.b. Urbana.
2. 400 cases of paper towels from the Decatur Paper House, the lowest bidder, at a price of \$3.25 per case, and at a total cost of approximately \$1,450, f.o.b. Urbana.
3. Structural and reinforcing steel for remodeling the old Pharmacy Building (Baker Building) according to specifications and drawing submitted to bidders with request for quotation, from the New City Iron Works, the lowest bidder on a part of the work (alternate No. 1) at a price of \$2,358, and from the Ceco Steel Products Corporation, the lowest bidder on another part of the work (alternate No. 2) at a price of \$626. This is for remodeling the former College of Pharmacy Building for use as a Union Building.
4. Fire, lightning, and wind storm insurance for the Illini Union Building, through Cooper, Kanaley, and Company, in accordance with the following schedule:

| Amount | Company | Period Years | Cost per \$100 per policy period | |
|-----------|---|-----------------|-------------------------------------|---------|
| | | | Rate | Total |
| \$200 000 | Alliance Insurance Co. | 1 | \$.058 | \$116 |
| \$200 000 | Connecticut Fire Ins. Co. | 2 | .116 | 232 |
| \$200 000 | Equitable Fire & Marine Insurance Company | 3 | .174 | 348 |
| \$200 000 | Insurance Company of North America | 4 | .232 | 464 |
| \$200 000 | Phoenix Insurance Company | 5 | .29 | 580 |
| | | | | \$1,740 |

On motion of Mr. Jensen, these purchases were authorized as recommended.

APPROPRIATION FOR STUDY OF NEW SYSTEM OF RETIRING ALLOWANCES AND DEATH BENEFITS

(2) At the request of the Finance Committee, a special committee of the faculty has been working out a retirement and death benefits system to replace the present one with a funded plan. Last year the Board made an assignment of \$500 from the General Reserve Fund for the expenses of these studies. The Comptroller reports that the appropriation is practically exhausted and requests an additional \$500 for this work.

On motion of Mr. Williamson, this appropriation was made as recommended, by the following vote: Aye, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Cleary, Mr. Mayer, Mr. Stelle, Mr. Wieland.

ADJUSTMENTS IN BUDGET FOR 1940-1941

(3) In approving the budget for 1940-1941 the Board authorized the President of the University to make such changes and adjustments as are necessary.

Pursuant to this authorization the following adjustments were made in the operating budget during the fiscal quarter ending September 30, 1940:

| | |
|---|---------|
| Histology salaries (to provide for appointment of Fred Herzberg)..... | \$ 500 |
| Journalism equipment | 700 |
| Industrial Education salaries (to provide for appointment of J. H. Lambert) | 1 750 |
| Industrial Education travel..... | 625 |
| <i>Total</i> | \$3 575 |

On motion of Mr. Williamson, this appropriation was made from the General Reserve Fund, by the following vote: Aye, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Cleary, Mr. Mayer, Mr. Stelle, Mr. Wieland.

1941 SUMMER SESSION BUDGET

(4) That part of the 1941 summer session from July 1 on is in the next fiscal biennium. It will of course be necessary to appoint the summer session staff before the State appropriation for 1941-1943 has been passed and approved.

The Director of the Summer Session requests authorization to set up a total budget for 1941 of \$150,000, which is an increase of \$20,000 a year over the appropriations for the summer sessions of the current biennium. The biennial budget, as recommended to the Board, includes provision for such an increase. The Board has made certain changes in the schedule of fees and, it is estimated by the Director of the Summer Session, the increase of \$5 in the summer session fee will yield almost enough additional income to meet the increase proposed by the Director.

I recommend that the Board authorize at this time a total budget of \$150,000 for the summer session of 1941.

On motion of Dr. Meyer, this budget was authorized as recommended.

At this point, Mr. Mayer took his place with the Board.

EMPLOYMENT OF NON-CITIZENS

(5) The Board of Trustees at its meeting on June 28 adopted a policy that the University will not employ in any capacity individuals who are not citizens of the United States or who have not declared their intention of becoming naturalized. There is no indication in that action whether it shall be retroactive or apply only to future employment.

There are on the staff a few individuals who cannot become citizens under present naturalization laws. Some of these have been in service many years, and it is therefore recommended that the policy do not apply in such cases. There are also some foreign graduate students who have been employed part-time while working for masters' and doctors' degrees. The question is also raised whether persons who are not citizens of the United States are eligible for scholarships and fellowships in the Graduate School. A few such appointments have been given in recent years to outstanding graduates of Canadian universities.

I recommend:

1. That the policy apply to appointments and employment after July 1, 1940, and not be retroactive.

2. That permission be granted departments to continue the employment, on a strictly part-time and temporary basis, of foreign students who cannot become naturalized under existing laws, on condition that such employment shall be terminated at the expiration of the period when they would normally receive the advanced degrees for which they are studying.

3. That fellowships and scholarships be open to students from foreign countries who are otherwise eligible and qualified.

On motion of Mr. Williamson, these regulations were adopted as recommended.

LEAVES OF ABSENCE

(6) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

1. D. W. Kerst, Assistant Professor of Physics, leave without pay from October 1, 1940, to August 31, 1941, inclusive, for the purpose of developing an induction accelerator for the General Electric Company.

2. Emil J. Stein, Instructor in Anatomy and Surgery (Clinical Faculty), leave without pay for eight months from October 1, 1940 (the term of his appointment for the academic year 1940-1941), because he has been called for active duty as a medical officer in the Navy.

3. A. J. Holm, Assistant in Surgery (Clinical Faculty), leave without pay for eleven months from October 1, 1940, because he has been called for active duty as a medical officer in the Navy.

4. William H. Severns, Professor of Mechanical Engineering, additional sick leave from November 1, 1940, to February 1, 1941, with pay. The Department of Mechanical Engineering is carrying on his work without additional expense to the University.

On motion of Mr. Mayer, these leaves were granted as recommended.

At this point, Mr. Adams and Mr. Cleary took their places with the Board.

BIENNIAL BUDGET FOR 1941-1943

(7) I submit herewith the recommendations of the President of the University to the Board of Trustees for the biennial budget for 1941-1943 based on reports and recommendations from the University Council.

The Operating Budget

The total amount of increase in this budget is \$2,385,936 as compared with the actual operating budget of \$15,456,536 for the current biennium. Two years ago the Council proposed an operating budget of \$16,696,630, and the Board approved this amount together with a capital budget of \$2,375,000, making a grand total of \$19,071,630 for 1939-1941 as submitted to the State Department of Finance on October 24, 1938. It is now proposed to submit to the Department of Finance an operating budget of \$17,570,176¹ and a capital budget of \$885,000, a grand total of \$18,445,176 or \$626,454 less than the total budget submitted to the Department of Finance two years ago.

I am in complete accord with the recommendation of the Council as to the great importance of presenting to the Department of Finance on November 1, 1940, the essential needs of the University of Illinois for operation and maintenance as set forth item by item in the accompanying "Recommendations of the University Council to the President on the Biennial Budget for 1941-1943."

It will be seen by reference to Schedule A of the Council's recommendations that of the original requests received from the Deans and Directors \$529,652 has been postponed, and of the \$2,385,936 proposed increase covering eight general items of operation and maintenance, Item VII, which includes "New Educational Programs" and the new "Retirement System," amounts to \$593,576. No doubt this item requires most careful further consideration, involving as it does both new programs and a new policy.

Capital Items

The capital items and amounts as proposed by the Special Building Committee. (see Schedule C) totaling \$885,000 should be approved and considered an absolute minimum request. Supporting statements for each item appear in the Final Report of the Special Building Committee.

A brief review of the actual appropriations to the University of Illinois for

¹The fact that this item is less than the sum of the proposed operating increase (\$2,385,936) and the operating budget as approved by the Governor for the present biennium (\$15,456,536) is explained as follows: The increases recommended by the University Council are based on the educational budget for the year 1940-1941, which is less by \$15,428 than the corresponding budget for 1939-1940. There is also a decrease in the non-educational budget amounting to \$256,868. These two items account for the difference of \$272,296 which is analyzed in the reconciliation schedule at the end of this memorandum.

capital items during the past twenty years will also serve to support the need for a request of this amount. During the decade, 1920-1930, the General Assembly provided \$10,000,000 of State funds for capital purposes at the University of Illinois, or \$1,000,000 a year on the average. During the next decade, 1930-1940, the General Assembly, in the face of acute economic conditions, provided \$2,809,862 of State funds for capital purposes at the University of Illinois, or \$280,986 a year on the average. It should be noted that \$2,375,000 of the total amount appropriated since 1930 was largely for the replacement of two buildings (University Hall and the Old Power Plant) which had to be abandoned.

We are now entering on a third decade, and the proposed capital budget of \$885,000 for the next biennium is at the rate of \$442,500 a year, or less than half of the average annual capital budget during the decade 1920-1930. Only absolutely essential capital items have been included in the \$885,000 request for 1941-1943, after months of study by the Special Building Committee involving a list of urgent building needs totaling approximately \$10,000,000. This proposed capital budget is \$970,000 less than the *actual* capital budget of \$1,675,000 for the current biennium, and \$1,690,000 less than the capital budget of \$2,375,000 submitted to the Department of Finance two years ago by the Board of Trustees.

In conclusion, I wish to point out that, judging from my past experience over six years in preparing, presenting, and defending budgets for the University, it would be a serious mistake to eliminate any of the essential needs in submitting this budget to the Department of Finance.

Professor Morey presented the operating budget and commented on the detail. Professor Griffith commented on certain features.

Professor Huntington and Director Havens commented on the detail of the capital budget.

Mr. Mayer suggested that Item 3a in Schedule C should indicate that provision is included for improvement of the dairy plant.

After full discussion and on motion of Mr. Jensen, the budget for 1941-1943, as shown in Schedules A, B, and C below, was approved and the President of the University was authorized to file this budget with the State Department of Finance and to take charge of the matter from now on.

RESOLUTION ON THE DEATH OF GOVERNOR HORNER

At this point, Mr. Adams presented the following resolution.

The Board of Trustees records with profound sorrow the death on October 6, 1940, of the Honorable Henry Horner, Governor of Illinois and ex-officio a member of the Board since January 9, 1933.

Henry Horner became Governor of Illinois, after a long and dis-

tinguished career as Probate Judge of Cook County, at a time when the affairs of the State imposed unusually grave and complex responsibilities upon its Chief Executive. The State government was faced with new and trying problems which had never confronted it before. Governor Horner assumed these responsibilities with resoluteness and courage. In the discharge of his duties he displayed statesmanship of the highest order. His devotion to public affairs was not only exemplary but will become one of the State's traditions. He devoted his whole life to public affairs without regard for his personal health and welfare. No personal sacrifice was too great, and it can truly be said he gave his life in the service of the public.

In recording this tribute to the memory of Governor Horner, the Board of Trustees of the University of Illinois directs that copies of this resolution be sent to the late Governor's family and to his office.

This resolution was adopted unanimously, by a rising vote.

PLAN FOR FUTURE MANAGEMENT AND OPERATION OF RESEARCH AND EDUCATIONAL HOSPITALS

Dr. Meyer, for the special committee on the future management and operation of the Research and Educational Hospitals, reported as follows:

The special committee on the revision of the agreement with the State Department of Public Welfare relating to the management and operation of the Research and Educational Hospitals appointed by the Board on April 25 submits this report and recommendation.

The committee has held two meetings with representatives of the Department of Public Welfare, one on June 25 which was reported to the Board on June 28, and another on October 12, the record of which is now presented to the members of the Board. The joint committee of the Department and the University, representatives of which were appointed by the Director of Public Welfare and the President of the University, as requested by the Board committee, has also done a great deal of work on this subject.

As a result of these extended discussions and studies on this problem, your committee presents the following recommendations:

(1) Beginning with the biennium 1941-1943 the appropriations for the Research and Educational Hospitals, including the University Clinical Institute, the Illinois Surgical Institute for Children, the Division of Handicapped Children, the power and heating plant and distribution system, the nurses home, the laundry, the storerooms, and other necessary utilities, shall be made to the University.

(2) The University shall prepare in consultation with the Department of Public Welfare a separate bill to cover the appropriations requested for the 1941-1943 biennium and shall present this bill to the legislature for enactment. The Department of Public Welfare agrees to support said bill as a joint recommendation. Thereafter the University shall be responsible for the preparation and introduction of a bill to cover the cost of operating and maintaining the Research and Educational Hospitals.

(3) The responsibility and initiative for the further development of the physical plant of the Research Hospital shall rest with the University. The Department shall lend encouragement to University efforts to complete the hospital facilities for research and educational purposes.

(4) The Institute of Juvenile Research and the Neuropsychiatric Institute shall continue to be operated as provided in the present agreement. Physical Plant operation and maintenance expense of these buildings shall be supplied by the University, the Department to pay such expenses in a manner to be mutually agreed on.

It is further recommended that the following steps be taken as promptly as practicable for the purpose of carrying out the foregoing recommendations:

(a) The University Counsel to draft amendments to the present agreement or a new agreement, incorporating the changes necessary to these ends, this draft to be submitted to the Board of Trustees and to the Department of Public Welfare for their consideration.

(b) When this agreement has been approved by both parties, that the President and the Secretary of the Board of Trustees be authorized to execute it for the University, provided the Director of the Department of Public Welfare does the same.

(c) That a full statement of the reasons and legal background for the proposed changes be prepared and submitted to the present governor and the incoming governor and be available for presentation at the General Assembly.

(d) That budgets for the operation of the various units during the coming biennium be prepared by the officers of the University in consultation with the Department of Public Welfare based on the foregoing recommendations for the consideration of this Board and the Department of Public Welfare. After approval by this Board the budget should be filed with the Department of Finance.

(e) That the University Counsel be requested at the appropriate time, after the execution of the proposed amendment or agreement, to prepare suitable appropriation bills and also a suitable bill providing for the transfer of land and buildings of which the University now has or will have responsibility for the management and operation, from the Department of Public Welfare to the University.

Director Bowen of the Department of Public Welfare has expressed approval of these proposals and indicated his entire willingness to cooperate in carrying them out.

Respectfully submitted

Dr. KARL A. MEYER
Mrs. GLENN E. PLUMB
Mr. OSCAR G. MAYER
Mr. JAMES M. CLEARY

On motion of Mr. Jensen, this report was accepted and approved, and the President of the University was authorized to continue negotiations with state officials in order to bring the matter to a conclusion.

REPORT OF FINANCE COMMITTEE

Mr. Morey, for the Finance Committee, submitted the following report:

1. Endowment funds to the amount of \$11,000 accrued from gifts and other sources early in October. These funds are not subject to statutory investment restrictions.

The Finance Committee, on the advice of our investment counsel, invested these funds as follows:

| | |
|--|------------|
| 100 shares Commonwealth Edison Co., @ 30¼..... | \$3 025 00 |
| 50 shares J. C. Penney Co., @ 89½..... | 4 497 04 |
| 50 shares Union Carbide & Carbon, @ 72½..... | 3 650 75 |

2. The Comptroller reported that at least \$25,000 in deposit funds collected from students to cover breakage and shortage of equipment could be invested. Since these funds must be kept liquid, the Finance Committee, on advice of our investment counsel, has made the following purchase:

| | |
|--|-------------|
| \$25 000 par United States Treasury 3¼% of 1945 (optional 1943), @ 108 20/32..... | \$27 560 24 |
|--|-------------|

OSCAR G. MAYER, *Chairman*
KARL A. MEYER
O. M. KARRAKER

This report was received for record.

RESOLUTION, SIGNATURE OF CHECKS

Mr. Morey, for the Finance Committee, presented the following resolution:

Be it resolved that the President of the Board of Trustees of the University, or an agent duly deputized by him, be and he is hereby authorized to sign on behalf of the University, jointly with the designee of the University of Illinois Foundation, any and all checks or drafts, including drafts in informal or letter form, against any funds at any time standing to the credit of said Foundation in an account maintained by said Foundation, as Trustee, with The First National Bank of Chicago entitled "University of Illinois Foundation Construction Fund Account Student-Faculty Union Building"; the said bank account and the said joint signatures on withdrawals therefrom being covered by a certain Trust Indenture dated September 1, 1940, entitled "University of Illinois Foundation, not personally, but as Trustee under the University of Illinois Student-Faculty Union Building Trust" involving the remodeling, construction, and equipment of the University of Illinois Student-Faculty Union Building in Chicago, Illinois, and the equipping of the Illini Union Building at Urbana, Illinois.

On motion of Mr. Karraker, this resolution was adopted.

**AGREEMENT WITH ILLINOIS IOWA POWER COMPANY
FOR INTERCHANGE OF ELECTRICAL SERVICE**

Mr. Williamson, for the Committee on Buildings and Grounds presented the following report:

The Director of the Physical Plant Department recommends approval of an agreement with the Illinois Iowa Power Company for the interchange of electrical service at the New Heating and Power Plant. The University's share of the estimated cost of the installations necessary to set up this service is approximately \$12,000. Funds are available in the State appropriation for the New Heating and Power Plant to cover this cost.

This agreement, with supporting information, was submitted to the Committee on Buildings and Grounds for consideration in advance of this meeting and for its recommendation to the Board.

Director Havens commented on this matter.

On motion of Mr. Williamson, the execution of this agreement was authorized.

WAGES OF MACHINISTS

On motion of Mr. Adams, the request of the machinists' union for an increase in the hourly rate of wages was referred to the Committee on Buildings and Grounds for consideration and report.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board resumed consideration of matters presented by the President of the University.

STATE APPROPRIATION FOR AGRICULTURAL EXTENSION SERVICES

(8) The Federal acts under which the University of Illinois receives funds for its Agricultural and Home Economics Extension Services require that such grants be offset or matched by equivalent expenditures of State funds. The University receives no appropriation from the State for this purpose. The State Department of Agriculture receives biennially an appropriation to pay a part (i.e., the State's share) of the salaries of Farm Advisers and Home Bureau Advisers in the Counties which have organized Farm and Home Bureaus, and thus qualify for such aid. This has been used as the offset to match the Federal grants to the University of Illinois for the Extension Services.

Illinois is the only state in which the matching state funds are not appropriated directly to and disbursed by the institution to which the Extension

Service is attached. The present practice is not only wrong in principle but has practical disadvantages. The use of Federal funds for extension work is restricted. If the University received the State appropriation the latter could be used for certain educational services highly important to the extension program in general for which Federal funds may not be used. Heretofore the absence of a direct State appropriation for extension work has necessitated drawing entirely on Federal funds for administrative expenses, salaries of extension specialists, and travel, all of which makes the University's Federal fund expenditures for administration appear unduly large, thus creating an unfavorable impression in the United States Department of Agriculture.

It is therefore recommended that the Board of Trustees request the General Assembly of Illinois to make the appropriations for salaries of Farm and Home Bureau Advisers to the University of Illinois in the future, instead of to the State Department of Agriculture, as heretofore. The appropriation for 1939-1941 is \$306,160. Director H. P. Rusk recommends that an increase of \$125,000 (\$250,000 for the biennium) be requested. This appropriation should be in a separate bill and not a part of the University's biennial appropriation for 1941-1943.

I submit a memorandum prepared by the Director in support of his recommendation and giving more detailed information about this situation.

I concur in his recommendation.

On motion of Mr. Jensen, this recommendation was adopted.

DEPOSIT OF FEDERAL FUNDS

(9) On July 21, 1916, the Board of Trustees adopted a rule that all funds of the University shall be deposited in a single account with the University Treasurer and that the Comptroller shall maintain such accounts as are necessary to show at all times the distribution of these deposits by funds. This procedure has been followed by the officers concerned, and is the general practice of other universities and public bodies.

The University receives from the Federal government annual grants of funds under various acts of Congress. The acts specify the purposes for which the funds may be used and require an annual accounting in detail, but make no mention of the procedure to be followed in the deposit of moneys received under them.

In 1933 the Comptroller-General of the United States ruled that any interest accruing on these funds must be remitted to the United States, and recommended that, *for the purpose of computing such interest*, Federal funds be deposited in a separate bank account. The University of Illinois for many years has received no interest on its current deposits and consequently no steps were taken to segregate these funds in a separate bank account.

No question has been raised concerning this procedure until recently when a representative of the United States Department of Agriculture called on the University to place these funds in a separate bank account saying that this is required by the Comptroller-General. The Comptroller of the University of Illinois refused to do this after consultation with the Director of the Agricultural Experiment Station and the University Counsel, on the ground that this procedure is not required by Federal law and the Comptroller-General has no authority over the University's internal procedure. Furthermore, the statements of the Comptroller-General are recommendations only, not requirements. The Secretary of Agriculture has stated that his Department "has no choice other than to withhold the issuance of warrants for the Illinois Experiment Station to receive further quarterly allotments and the Federal-grant funds for research during the current fiscal year until this requirement of the Comptroller-General of the United States has been met."

The President of the University concurs in the action of the University Comptroller on this point and believes there is nothing to justify the Secretary of Agriculture in certifying that the University of Illinois is not "complying

with the provisions of the act," which it would be necessary for him to do in order to withhold payments to it.

If the Secretary of Agriculture takes this step, it is recommended that the President of the University be given authority, in behalf of the Board of Trustees, to appeal this issue, if necessary, to a Congressional committee as authorized by the various Congressional acts relating to the funds in question to the end that justification for the requirement and the action may be fully considered by such a committee.

A memorandum from the Comptroller discussing the question in detail is submitted herewith together with a draft of a proposed letter to the Secretary of Agriculture protesting his ruling.

Before any further steps are taken in this matter I feel the President and the Comptroller should consult the Board of Trustees.

The President of the University was authorized to arrange for conferences with the Comptroller-General and the Secretary of Agriculture on this matter.

At this point, Mr. Pogue, being called from the room, asked Mr. Cleary to take the chair. Mr. Cleary presided for the remainder of the meeting.

RETIRING ALLOWANCES AND DEATH BENEFITS FOR EMPLOYEES PAID FROM NON-STATE FUNDS

(10) At its meeting on July 17, in connection with the discussion of whether or not Farm Advisers are eligible to receive retiring allowances and death benefits, the Board directed that a survey be made of all cases of University employees whose salaries are paid in whole or in part from non-State funds with a view to fixing a policy. The Comptroller was asked to make such a survey and has prepared a report, with the assistance of the University Counsel and the Deans of the Colleges of Agriculture and Engineering and the Directors of the two Experiment Stations, since most of the individuals concerned are in those two divisions.

I submit herewith the report of this group and their recommendations which may be summarized as follows:

(1) Regular appointees or employees who are appointed by the Board of Trustees or employed by their authority, and whose compensation is fixed by the Board of Trustees, but paid out of special funds, shall be entitled to retirement and death benefits on the same basis as other members of the University staff. Until such time as the expense of these benefits can be charged to the funds concerned, these benefits should be provided out of general University funds.

(2) Persons who are employed solely for service on trust funds made available to the University for specific objects and purposes, and who are employed only for the duration of these funds, shall not be entitled to such benefits unless the expenses thereof can be charged to the funds concerned.

(3) Persons who are on the University staff and are temporarily paid from special funds, or whose salaries are temporarily paid in whole, or in part, by outside agencies, shall continue to receive, during the period of this arrangement, retirement and death benefits on the same basis as though their salaries were paid in full from general University funds. Until and unless the expense of such benefits can be charged to the special funds or assumed by the outside agencies, these benefits shall be paid from general University funds.

(4) Because of the difficulties involved in classifying all of the many persons concerned in these arrangements, it is recommended that in the future all recommendations for appointments to positions the salaries of which are to be charged to other than general University funds, shall include the recommendation of the officer concerned as to retirement and death benefits. In each case this recommendation will be checked against whatever general policies may be approved as a result of this study.

Action on this matter was deferred.

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(13) The quarterly report of the Comptroller to the Board of Trustees as at September 30, 1940. A copy of this report has been sent to each member of the Board.

This report was referred to the Finance Committee.

OFFER OF WAYNE S. PORTER

(14) Mr. Wayne S. Porter, of Champaign, has proposed a plan for the endowment of undergraduate scholarships in Engineering, the details of which are hereby filed with the Secretary of the Board for record.

On motion of Mr. Karraker, the Board expressed its willingness to accept these endowments.

MEMORIAL TO GOVERNOR ALTGELD

At this point, Mr. Adams stated that friends of the late Louis C. Moschel, who were of German descent, had requested that the University provide in some way for a memorial to Governor John P. Altgeld, whose interest in the University was conspicuous, and that the suggestion was made that the Law Building be named "Altgeld Hall."

This matter was referred to the Committee on General Policy for consideration and report.

**TRUST AGREEMENT AND OPERATING TRUST AGREEMENT,
MEN'S RESIDENCE HALL**

Judge Johnson presented the Trust Agreement and the Operating Trust Agreement for the men's residence hall, and requested that the following resolution be adopted.

On motion of Mr. Williamson, this resolution was adopted as read.

RESOLUTION

Be it resolved that the President and Secretary of the Board of Trustees of the University of Illinois are hereby authorized, empowered, and directed to execute the following documents in the form presented to this meeting, which form is hereby approved: a Trust Agreement creating the Men's Residence Hall Building Trust, in order to provide a men's residence hall for students of the University on the Champaign-Urbana campus, by and between the Board of Trustees of the University of Illinois and the University of Illinois Foundation as Trustee, and an Operating Trust Agreement, to provide for the operation and maintenance of the said men's residence hall, by and between the Board of Trustees of the University of Illinois as Operating Trustee and the University of Illinois Foundation as Trustee, both dated as of October 20, 1939, but executed on October 21, 1940.

COOPERATING TEACHERS

The Secretary presented for record the following list of cooperating teachers in the College of Education, for the first semester of the academic year 1940-1941, appointed by the President of the University on October 3, 1940.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 14, 1940

The November meeting of the Board of Trustees of the University of Illinois was held at the Governor's Mansion, in Springfield, at 12 o'clock noon on Thursday, November 14, 1940.

The following members were present: Governor Stelle, President Pogue, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Wieland, Mr. Williamson.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Professor Lloyd Morey, Comptroller, Judge Sveinbjorn Johnson, University Counsel, and Mr. H. E. Cunningham, Secretary.

RESEARCH AND EDUCATIONAL HOSPITALS

For a conference on the proposed changes in the management and operation of the Research and Educational Hospitals in Chicago, there were present, in addition to the members and officers enumerated above, for the Department of Public Welfare, Dr. G. W. Morrow, Director, Mr. C. E. Day, Fiscal Supervisor; for the Department of Public Health, Dr. R. E. Cross, Director; for the University, Dr. R. B. Allen, Executive Dean of the Chicago Departments.

President Willard made a statement on the proposal of the University that the present agreement with the Department of Public Welfare be modified so as to place the operation and management of the Research and Educational Hospitals under the control of the University, to avoid duplication of function and of responsibility and to promote education and research. Judge Johnson, Professor Morey, Dean Allen, and Dr. Meyer made statements on the various phases of the proposal from the standpoint of the University, and Dr. Morrow, Dr. Cross, and Mr. Day discussed the transfer from the standpoint of the Departments of Public Welfare and Public Health.

During the discussion, Dr. Meyer, for the special committee on the transfer, reported a recommendation that the Neuropsychiatric Institute be included in the transfer. On motion of Mrs. Plumb, this recommendation was approved and adopted.

It was the unanimous conclusion of the conference, that, as a result of intensive study of the existing organization and relationships of the University with the Department of Public Welfare and of other state university medical centers, the purposes which the agreement is to serve, namely, to promote the development of high standards of medical education and research, for the prevention and cure of disease, and thus to promote the general welfare of the State, can best be achieved by unified management of and responsibility for the Research and Educational Hospitals in the University. The changes recommended, therefore, should be interpreted as refinements of the existing relationships. The advantages of a working relationship with the Department of Public Welfare are fully recognized, and these proposals should not be interpreted as in any way divorcing the University from further interest in and concern regarding the development of educational and investigative programs which will help to relieve the State in the future of its great burdens due to physical and mental disability among its citizens.

The matter of drafting the necessary modification of the agreement with the Department of Public Welfare was referred to a conference committee to be composed of representatives of the Board and the Department.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

ADVANCE OF FUNDS FOR MEN'S RESIDENCE HALL

(1) The Executive Committee has authorized an advance of \$25,000 from the net income from the Women's Residence Halls during the fiscal year 1940-1941, and an advance of \$30,000 from the General Reserve Fund to meet contract

payments due on the new Men's Residence Hall. It has been necessary to make these advancements because of delays in meeting the legal requirements of the Connecticut Mutual Life Insurance Company before it makes available any part of the funds it has agreed to loan on this project. The assignment from the residence hall fund is in line with a policy previously authorized by the Board. The General Reserve Fund will be reimbursed when the proceeds from the loan are available.

I request confirmation of the Executive Committee's action.

On motion of Mr. Cleary, this action of the Executive Committee was approved and confirmed, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Wieland, Mr. Williamson; no, none; absent, Mr. Mayer, Mr. Stelle.

APPROPRIATION TO THE COLLEGE OF MEDICINE

(2) The installation of the new x-ray and radium equipment in the cancer unit of the Research and Educational Hospitals has been completed. It will be necessary for the University to provide for the operation of the radium emanation plant for the manufacture of radon. The Executive Dean requests, and I so recommend, that an appropriation of \$1,000 be made from the General Reserve Fund for this purpose. Provision for this operating expense will have to be made by the College of Medicine in whatever budget can be allowed that division for the biennium of 1941-1943.

On motion of Mr. Jensen, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Wieland, Mr. Williamson; no, none; absent, Mr. Mayer, Mr. Stelle.

APPROPRIATION TO THE PHYSICAL PLANT DEPARTMENT

(3) A recommendation that an appropriation of \$1,634 be made from the General Reserve Fund to the Physical Plant Department for walks and drives in the vicinity of the Illini Union Building. This represents that share of the cost of walks and drives chargeable to the regular operation and maintenance budget of the Physical Plant Department and not to a new building. The Physical Plant Department had fully expected to charge this against its operation and maintenance budget but failed to encumber the amount needed before June 30, 1940, when the unexpended balance in its appropriation lapsed.

On motion of Mr. Karraker, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Wieland, Mr. Williamson; no, none; absent, Mr. Mayer, Mr. Stelle.

APPROPRIATION FOR GRADUATE SCHOLARSHIPS AND FELLOWSHIPS

(4) A recommendation that an appropriation of \$45,000 be made for graduate scholarships and fellowships for the year 1941-1942. It is customary to make provision for these several months in advance of the approval of the budget for the succeeding year. Appointments to graduate scholarships and fellowships in colleges and universities of the United States are made in the spring, and it is necessary for the Graduate School to know shortly after January 1 of each year what funds will be available so that plans can be made accordingly.

This is the same amount as was appropriated for the current year 1940-1941.

On motion of Dr. Meyer, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Wieland, Mr. Williamson; no, none; absent, Mr. Mayer, Mr. Stelle.

ADJUSTMENT IN BUDGET OF THE ATHLETIC ASSOCIATION

(5) The Board of Directors of the Athletic Association has voted to assign \$500 from unappropriated income of the Association for the development of plans for reconstructing the press box in the Stadium and requests approval of this by the Board of Trustees.

I concur.

On motion of Mr. Cleary, this adjustment was authorized.

CONTRACT CHANGE ORDERS ON P.W.A. PROJECTS

(6) A recommendation for the approval of Change Order No. 3 in the contract with King and Petry for the construction of walks and drives in the area of the Illini Union Building:

| | |
|---|---------------|
| Omit walk west of Natural History Building, impossible to install until after construction sheds are removed— | |

| | <u>650 26</u> |
| Additional costs on relocating forms west of Natural History Building..... | 78 35 |
| <i>Net Credit</i> | \$571 91 |

On motion of Mr. Cleary, these changes were authorized, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Pogue, Mr. Wieland, Mr. Williamson; no, none; absent, Mr. Mayer, Mr. Stelle.

LEAVES OF ABSENCE

(9) A recommendation that leaves of absence be granted the following members of the staff for the reasons and periods and under the conditions indicated in each case:

Dr. Maynard K. Hine, Assistant Professor, Department of Dental Pathology and Therapeutics, and Dr. Frank F. Kanthak, Assistant Professor, Department of Oral Surgery and Oral Pathology—leave without pay November 1-30, 1940, to enable them to conduct a postgraduate seminar for dental practitioners under the auspices of the Tennessee State Dental Association and the Tennessee State Board of Health in that State.

Mr. C. R. Frederick, Director of Student Housing, one year from November 16, without pay, for military service. Mr. Frederick is a reserve officer in the United States Army and has been called into active service.

Dr. S. E. Glenn, Assistant Professor of English, sick leave from November 22, to December 31, 1940, with pay.

Dr. E. M. Lyman, Associate in Physics, Dr. N. F. Ramsey, Jr., Associate in Physics, and Dr. M. H. Kanner, Instructor in Physics—leaves without pay from November 7, 1940, to January 31, 1941, so that they may be released for important research work relating to the national defense which is being carried on at the Massachusetts Institute of Technology.

On motion of Mr. Adams, these leaves were granted as recommended.

RE-EMPLOYMENT OF MISS MABEL L. ARNESON

(10) At its meeting on September 27, 1940 (Minutes, page 43), the Board considered a request from Miss Mabel L. Arneson, formerly employed in the College of Medicine but who resigned in 1933, that she be re-employed in some appropriate capacity. This case was referred to Doctor Meyer and Mrs. Plumb for investigation.

Dean Allen has recommended that Miss Arneson be given employment on a probationary basis for six months with the understanding that if her services are not satisfactory her employment will be terminated and if they are she will be continued. The Department of Laryngology, Rhinology, and Otology has need for an attendant who would be called on to perform a variety of services including some clerical and stenographic work. The Head of this Department is willing to give Miss Arneson a trial.

It will be necessary to supplement the budget of the College of Medicine to provide for Miss Arneson's salary. On the basis of a salary not to exceed \$100 a month, this would amount to approximately \$600 for the probationary period, or \$1,000 for the balance of the current academic year, but thereafter, if she is continued in service, it would result in a permanent addition of \$1,200 a year.

On motion of Mrs. Plumb, the employment of Miss Arneson was authorized as recommended, and the appropriation of \$1,000 was made, by the following vote: Aye, Mr. Adams, Mr. Jensen, Mr. Karraker, Mrs. Plumb, Mr. Pogue, Mr. Wieland, Mr. Williamson; no, none; absent, Mr. Cleary, Mr. Mayer, Dr. Meyer, Mr. Stelle.

¹New appointment.

DEATH OF DR. CHARLES EDWARD HUMISTON

(11) A report of the death on November 4 of Dr. Charles Edward Humiston, Professor of Surgery, *Emeritus*. Doctor Humiston was in the active service of the University on the Clinical Faculty of the College of Medicine from 1902 until his retirement in 1935.

This report was received for record.

GRADUATE STUDY IN EDUCATION

(12) The University Senate recommends that the College of Education be authorized to sponsor a new program of work leading to the degrees of Master of Education (Ed.M.) and Doctor of Education (Ed.D.).

The program leading to the degree of Ph.D. will be continued for those graduate students who wish to prepare themselves primarily for research and college teaching. The new degrees are intended to meet the needs of that large group of school employees who have no responsibility and little opportunity for research but who should have broad, fundamental, and practical preparation and ability to utilize professionally the contributions of research and of philosophy.

Specifications for the new degrees as recommended by the College of Education, the Executive Faculty of the Graduate School, and the University Senate are:

Admission and degree requirements for the degree of Master of Education.—The degree of Master of Education (Ed.M.) is designed for teachers, supervisors, administrative officers, and others engaged in educational work demanding broad, fundamental, and practical preparation and the ability to utilize professionally the contributions of research and of philosophy.

A minimum of two years of approved professional experience and the completion of the requirements for the degree of Master of Arts or Master of Science, or the equivalent, shall be required for admission to the curriculum leading to the degree of Master of Education. In addition, the candidate must be recommended by the college committee on admissions and guidance as showing promise of superior professional competence. In case the first year of graduate study does not include a major in Education, the candidate shall be required to take such courses in Education as may be desirable for admission to the graduate courses specified in the following paragraph. In addition, the student's general education shall be reviewed, and appropriate courses may be required to correct any deficiencies.

A minimum of one year of graduate study (8 units) in addition to the requirements stated above shall be required for the Ed.M. degree. This year of graduate study shall be planned as a whole in consultation with the student's advisory committee and shall include the seminar in Education and the *Individual*,¹ the seminar in *The School and Society*,⁴ and a seminar in the field of specialization. The advisory committee, consisting of three members, including the student's adviser as chairman, shall be appointed by the head of the department of Education in consultation with the student's adviser. The student's electives, depending upon the field of specialization, may be chosen from offerings of departments other than Education. In addition to meeting other requirements, the candidate must pass a final examination administered by a college committee of at least three members.

Admission and degree requirements for the degree of Doctor of Education.—The purpose of the Doctor of Education (Ed.D.) degree is to continue the type of preparation indicated for the Master of Education (Ed.M.) degree and, in addition, to develop in the candidate further ability for scholarly study of professional problems. A candidate for the degree of Doctor of Education must have completed the requirements for the degree of Master of Education, or the equivalent. Toward the end of his second year or, by special permission, at the beginning of his third year of graduate study, a student who wishes to become a candidate for the degree of Doctor of Education must submit to preliminary examinations conducted by a committee appointed by the Dean of the Graduate School. The Graduate faculty of the college will advise a student not to attempt

¹These titles are descriptive only and are subject to final determination.

the preliminary examination if the evidence available to them does not indicate promise of outstanding professional competence.

The preliminary examinations shall include three examinations conducted by the college: (1) an examination intended to test the student's ability to think critically concerning professional problems and practices in the field of his specialization, (2) an examination in the general field of Education, (3) such other examinations as the student's advisory committee may wish to require, and an examination conducted by a committee appointed by the Dean of the Graduate School. A student who is not successful in his preliminary examinations shall not be recommended to the Dean of the Graduate School for candidacy for the degree of Doctor of Education.

The candidate for the degree of Doctor of Education, having completed the requirements for the degree of Master of Education, or the equivalent, and having passed the required preliminary examinations, must satisfy the residence requirements for the degree as stated below and must conduct a field study or other type of professional investigation, the report of which shall constitute the thesis for the degree. This study shall consist of a scholarly investigation of a significant professional problem.

The topic of the study, selected in consultation with the student's advisory committee, must be announced before the third year of graduate residence may begin. The study must have the approval of the graduate faculty of the College of Education and of the executive faculty of the Graduate School.

In a typical case, the candidate who is employed in professional work during the school year shall be required to devote a minimum of three summer sessions and two academic years to the field study or the professional investigation. He shall begin his residence by registering for an eight-week summer session. He shall be permitted to take no courses except a special seminar for candidates for the Doctor of Education degree, but he may be required or permitted by his adviser to attend one or more classes as an auditor. He shall, however, devote practically his entire time to reading directed toward preparation for his thesis study. At the close of this summer session, he shall be expected to present to his advisory committee in satisfactory form the plan to be followed in the first year of his study.

The candidate shall begin the first academic year of his study immediately after the completion of the first summer session. He shall register during both semesters in a special seminar for candidates for the degree of Doctor of Education. This seminar shall require a minimum of three days each semester at the University of Illinois. The candidate shall be expected to demonstrate continued progress in the organization, planning, and the execution of the study.

For the second year of the study the requirements shall be similar to those of the first year and shall include an eight-week summer session, devoted primarily to reading directed by the candidate's adviser and followed by work in the field during the succeeding academic year. The third summer session in residence shall be devoted primarily to the completion of the written report of the study which shall constitute the thesis for the degree of Doctor of Education.

The procedure which has been outlined is intended to represent the basic requirement for the degree. Additional residence or other requirements may be prescribed by the student's advisory committee whenever this is necessary to insure the adequacy and the maturity of the student's treatment of his special problem.

In general, the requirements for the degree of Doctor of Education shall include (1) graduate residence equivalent to two full years beyond the Master of Arts or Master of Science degree (one full year beyond the Master of Education degree), (2) a field study or other type of professional investigation. Throughout the conduct of the study the student shall be registered at the University of Illinois.

Candidates for the degree of Doctor of Education who already hold the degree of Ph.D. from a recognized university shall be regarded as special cases. They shall be required to take the prescribed seminars in Education and the Individual and in The School and Society and such other courses as the advisory

committee may require. They shall also take the preliminary examinations and conduct a field study or other type of professional investigation.

At least two weeks before the time when the degree is to be conferred, the candidate must submit to a final examination given by a committee appointed by the Dean of the Graduate School. This examination shall deal primarily with the report of the thesis study, but shall not be confined to that. It shall be so conducted as to determine whether the candidate has a thorough and mature understanding of the field of Education as a whole. The student may, in addition, be required to take any other examination, oral or written, that is thought proper by the various departments in which he has studied. The final examination may not be divided, but must be taken all at one time, even though this may require several sessions.

Two typewritten copies of the complete thesis in final form, the original on thesis paper and the first carbon on plain paper of approximately the same weight, must be deposited in the office of the Dean of the Graduate School for presentation to the examining committee not later than two weeks prior to the final examination and not less than four weeks before the time when the degree is to be conferred. With respect to form and to all other requirements, the regulations of the Graduate School covering theses for the Ph.D. degree shall apply also to the report of the study for the Ed.D. degree.

I recommend approval of this program to be inaugurated in the summer of 1941. If this program is approved it should be contingent on the condition (which has been accepted by the Dean of the College of Education) that the College of Education must face having to initiate this program within the limits of its present budget or whatever budget can finally be set up for that division for the years 1941-1942 and 1942-1943.

On motion of Mr. Jensen, this program was approved as recommended.

USE OF GYMNASIUM ON SUNDAY

(13) The Director of the School of Physical Education requests that the George Huff Gymnasium be open for use on Sunday afternoons for student recreational purposes. As he points out, recreational facilities during the late fall, winter, and early spring months are limited and opening Huff Gymnasium on Sunday afternoons will help meet that situation. Since the Skating Rink, tennis courts, and golf course are open on Sunday afternoons in season there appears to be no good reason why the Huff Gymnasium should not be open also for student use. I recommend approval on condition that adequate supervision will be given the recreational programs at all times.

On motion of Mr. Williamson, this recommendation was adopted.

PURCHASES AUTHORIZED

(14) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. Two Dee tanks for use in connection with the cyclotron from the Alpha Tank and Sheet Metal Manufacturing Company, the lowest bidder, at a maximum cost of \$1,479.25.

2. Acids for the General Chemical Stores as follows:

- 1250 pounds acetic acid, reagent
- 4800 pounds hydrochloric acid, reagent
- 3150 pounds nitric acid, reagent
- 6300 pounds sulfuric acid, reagent
- 1000 pounds ammonium hydroxide, reagent
- 1240 pounds hydrochloric acid, commercial
- 9000 pounds sulfuric acid, commercial

from Merck and Company, Rahway, New Jersey, the lowest bidder, at a cost of \$1,718.42, f.o.b. Urbana.

On motion of Mr. Wieland, the action of the President in authorizing these purchases was approved and confirmed.

REPORT OF DEATH BENEFITS PAID

(15) A report that the Comptroller has been authorized to pay the death benefits to the beneficiaries of the following members of the staff in accordance with the University Statutes and the terms of their employment:

E. A. Thompson, Laborer in the Department of Physical Education for Men—\$722.15. Mr. Thompson was in the active service of the University from October 28, 1922, until the date of his death, October 13, 1940.

A. V. Houghton, Assistant in Sociology—\$350. Mr. Houghton was in the active service of the University from February 5, 1930, until the date of his death, October 19, 1940.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(16) A report of minor contracts executed under general regulations of the Board of Trustees:

**CONTRACTS EXECUTED BY THE COMPTROLLER
SEPTEMBER 18 TO OCTOBER 14, 1940**

| <i>With Whom</i> | <i>For</i> | <i>Amount to be paid by the University</i> | <i>Date</i> |
|--------------------------------------|--|--|---------------|
| Illinois Central Railroad Company | Maintenance of track to New Power Plant | \$45 per year | June 21, 1940 |

This report was received for record.

DEPOSIT OF FEDERAL FUNDS

(17) On October 21, 1940 (Minutes, page 106), the Board was advised that the United States Department of Agriculture has called on the University to place Federal funds in a separate bank account on the ground that this is required by the Comptroller General. The President of the University was authorized to arrange for conferences with the Secretary of Agriculture and the Comptroller General on this matter.

The new Comptroller General has only recently taken office and therefore may not be inclined to make decisions on matters of this kind in the near future. Under the circumstances it seems advisable to defer securing a conference with him.¹

This report was received for record.

WAGES OF ELECTRICAL WORKERS

(18) The Director of the Physical Plant Department reports that his Department has been advised by the International Brotherhood of Electrical Workers, Local No. 601, that "all work figured after November 1, 1940, should be figured at \$1.50 an hour."

The rate now paid by the University is \$1.25 an hour. It is not known whether the increased rate has been accepted by the local contractors or otherwise has gone into effect. In accordance with the practice of local labor organizations, it is expected that in the event this increased rate goes into effect it will not be applicable to the University until the beginning of the next fiscal biennium, July 1, 1941.

Based on past expenditures for wages of electricians the additional cost to the University, if the rate is increased, will be approximately \$13,700 a year.

This report was received for record.

APPROPRIATION TO THE BUSINESS OFFICE

(19) The Comptroller has requested an addition to the budget of the Business Office to provide (1) additional personnel needed to take care of the increase in the routine work of that office, and (2) for additional service in the auditing division.

The additional auditing service (2) is needed to meet the following recommendation made by Arthur Andersen and Company in their audit report of the University's accounts for the fiscal year ended June 30, 1940:

¹As amended January 22, 1941 (Minutes, page 158).

"In our opinion the scope of the audit tests conducted by the internal auditors of the University is less extensive than it should be, due partly to inadequate staff and partly to the time required of the internal auditors in working on budget and other special matters. At present there is only one full time auditor, with two graduate students devoting part time to internal auditing and certain less competent student help. It is suggested that the internal auditing program be strengthened and the work set apart more completely from the other activities of the comptroller's department of the University under the supervision of an auditor reporting direct to the comptroller and not having other responsibilities. Special accounting matters should be taken care of in the accounting department or by the assistant comptroller."

The above will require the following additions to the budget of the Business Office:

- | | |
|---|-------------------------|
| (1) Additional personnel to provide for routine work of the Business Office: | |
| One stenographer on full time at..... | \$1 200 |
| One stenographer on half time at..... | 600 |
| | <u> </u> \$1 800 |
| (2) Additional auditing service: | |
| (a) Partial provision to meet recommendations of Arthur Andersen and Company: | |
| Accountant at..... | \$1 800 |
| Stenographer, one-half time, at..... | 600 |
| | <u> </u> 2 400 |
| | <u> </u> \$4 200 |
| (b) Future reorganization of auditing staff, additional (\$2 500 to \$4 000) | |

To provide for the immediate need of the Business Office, the Comptroller recommends an addition of \$4,200 to his budget as follows:

| | |
|---|-----------------------|
| From the General Reserve Fund..... | \$2 700 |
| From Student Loan Funds income (for services in administering these funds)..... | 1 500 |
| | <u> </u> 4 200 |

It should be noted that this makes only partial provision for the additional auditing service recommended and that ultimately it may be necessary to add from \$2,500 to \$4,000 more to the budget of the Business Office for this purpose. Until additional office space is available a complete reorganization is not practicable but the provisions recommended here will fit into any such future program.

On motion of Mr. Jensen, this appropriation was made as recommended, by the following vote: Aye, Mr. Jensen, Mr. Karraker, Mrs. Plumb, Mr. Pogue, Mr. Wieland, Mr. Williamson; no, none; absent, Mr. Adams, Mr. Cleary, Mr. Mayer, Dr. Meyer, Mr. Stelle.

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented for record a list of appointments made by the President of the University.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

December 5, 1940

**With Executive Committee Meeting of
December 5, 1940**

The December meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Thursday, December 5, 1940.

When the Board convened, the following members were present: President Pogue, Mr. Cleary, Mr. Davis, Mr. Jensen, Mrs. Plumb; also Mr. Kenney E. Williamson, retiring member, present on invitation of President Pogue to present a committee report.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Dr. R. B. Allen, Executive Dean of the Chicago Colleges, Professor Lloyd Morey, Comptroller, Mr. Charles S. Havens, Director of the Physical Plant Department, and Mr. H. E. Cunningham, Secretary.

President Pogue introduced Mr. Chester R. Davis, who was elected in November and commissioned as Trustee on November 29, 1940.

The Board recessed.

MEETING OF THE EXECUTIVE COMMITTEE

DECEMBER 5, 1940

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Thursday, December 5, 1940, during a recess in the meeting of the Board.

Mr. Harold Pogue, Chairman, and Mr. James M. Cleary and Mrs. Glenn E. Plumb, members of the Executive Committee, were present; also the members of the Board and the officers enumerated above.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Executive Committee considered the following matters presented by the President of the University.

APPROPRIATION FOR NEW EDITION OF THE CODE ON STUDENT AFFAIRS

(1) A recommendation that an appropriation of \$300 be made from the General Reserve Fund for the publication of a new edition of the Code on Student Affairs. This is a compilation of the regulations of the Committee on Student Affairs and should be made available to all students who desire such information. The last edition was published in 1937.

On motion of Mrs. Plumb, this appropriation was made as recommended, by unanimous vote of record.

ACTING DIRECTOR OF STUDENT HOUSING

(2) Mr. C. R. Frederick, Director of Student Housing, has been granted a leave of absence for one year without pay from November 16, 1940, for military service. Mr. S. E. Thompson, Assistant for Men's Housing, has been appointed Acting Director of Student Housing to serve during the absence of Mr. Frederick, or until further notice, at a salary of \$2,500 a year, effective November 16, 1940.

The Housing Division has been placed under the administration of the University Health Officer, who is also Chairman of the Advisory Committee on Student Housing. Director Frederick also served as Secretary of the Senate Committee on Student Discipline, and this responsibility has been assigned to Assistant Dean R. P. Hackett of the College of Commerce who has been authorized to combine it with his duties as Chairman of the Subcommittee on Student Discipline. The Acting Director of Student Housing has also been authorized to issue motor vehicle and bicycle permits (a function exercised by his predecessor) as the agent of the Senate Committee on Student Affairs and Student Discipline subject to their administrative regulations.

I request confirmation of this action.

On motion of Mr. Cleary, these actions were confirmed.

The Executive Committee adjourned.

H. E. CUNNINGHAM
Clerk

HAROLD POGUE, *Chairman*
JAMES M. CLEARY
Mrs. GLENN E. PLUMB

SECOND SESSION, DECEMBER 5, 1940

When the Board convened after the recess, the same members and officers were present as during the first session; and also Mr. Oscar G. Mayer, member of the Board.

APPOINTMENTS TO COMMITTEES

President Pogue appointed Mr. Chester R. Davis to the positions on standing committees held by Mr. Kenney E. Williamson.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

ILLINOIS HIGH SCHOOL TESTING SERVICE

(1) The Illinois High School Principals' Association requests that the University of Illinois take over the Illinois High School Testing Service, heretofore carried on for the past several years under the sponsorship of another institution of higher education in the state. The purpose of such a service is to secure a more adequate appraisal of the abilities and interests of high school students, particularly of those who intend to enter a college or university. The Director of the Bureau of Institutional Research and its Advisory Committee recommend that the University of Illinois take over and place this service on a state-wide basis.

It is proposed that this program be carried on in cooperation with the high schools, colleges, and universities of the State. There is a great demand for such a service. The University itself undertook to test all its incoming freshmen, and with the organization of the Personnel Bureau, further testing service for University students has been made available. Four years ago Knox College took the initiative of sponsoring these tests on a wider scale and worked out a program of tests available to as many high schools as wished to use them. The movement spread until well over half of the high schools outside of the Chicago area were participating. Because of this development, the cost of the service, which had been wholly assumed by Knox College, became too great, and the University of Illinois is now formally requested by the Illinois State Principals' Association to take over the sponsorship of the program, but with the aid of other colleges and universities to make it self-supporting, or as much so as possible. The colleges and universities have not yet been heard from, and inauguration of the testing service will be delayed until a satisfactory response is received.

The program would be partially inaugurated during December, 1940, and continued for the balance of this biennium. However, approval of the request involves the implication that the program will be continued next biennium and augmented by a test-construction and distributing service, which would concern objective tests of achievement in special types of subject matter.

There are two distinct services involved and *only one* starts this year, but it is proposed to operate *both* for the biennium of 1941-1943, and thereafter. The program for 1940-1941 requires an advance from University of Illinois funds of \$8,073, of which approximately \$1,260 will represent actual net cost to the University, and the balance will be recovered in fees from the high schools and colleges which have agreed to use and pay for the service. Provision has been included for this service in the 1941-1943 budget in the amount of \$37,500, of which \$30,600 is estimated as recoverable during the biennium, resulting in a net cost to the University of \$6,900.

Both projects will be handled as revolving funds, except as to an appropriation of \$1,260 from the current year's reserve, to cover the estimated net cost to the University, this item representing the prorated share of the cost of testing freshmen entering all institutions cooperating in the program, starting this year. Approval of the complete program for 1941-1943 is not requested at this time but will be requested at a later date if State appropriations approved for the 1941-1943 biennium are sufficient to provide for the full program.

I recommend:

1. Authorization of the sponsorship of this program by the University of Illinois.
2. An appropriation of \$1,260 from the current year's General Reserve Fund to the Registrar's Office for the purpose of meeting the University's estimated pro rata share of the cost of the Illinois High School Testing Service.

In further support of this recommendation are submitted the following:

1. Request from the President of the Illinois State Principals' Association dated November 19, 1940.
2. Budget Summary, Illinois High School Testing Service and Test Distributing Service, 1940-1941, 1941-1942, 1942-1943.
3. Budget of Gross Expenditures, 1940-1941, and Tentative Allocation of Budget Items, 1941-1943.
4. Memorandum on Participation of High Schools in the Proposed Illinois High School Testing Service.

Mr. Jensen commented on this service. After discussion and on motion of Mrs. Plumb, the recommendations were adopted and the appropriation made, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Mayer, Mrs. Plumb, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Karraker, Dr. Meyer, Mr. Stelle, Mr. Wieland.

LEAVES OF ABSENCE

(2) A recommendation that leaves of absence be granted the following members of the staff for the reasons and periods and under the conditions indicated in each case:

1. Dr. Roger G. Barker, Assistant Professor of Education, sick leave with pay from November 11, 1940, to February 1, 1941, or so much thereof as may be necessary.
2. Miss Sylvia H. Shaver, Order Assistant in the Library, sick leave with pay for one month from October 18, in addition to the 15 days' sick leave allowed by the Civil Service Commission.
3. Mr. John C. Miles, Instructor in Mechanical Engineering, sick leave with full pay from September 30 to November 4, 1940.
4. Mrs. Juanita Gates, Stenographer in the Public Information Office, sick leave with full pay from November 25, 1940, to January 6, 1941, or so much thereof as may be necessary, including the 15 days' sick leave allowed by the Civil Service Commission.
5. Mr. Adel B. Carson, Typist in the Business Office, one year from December 12, 1940, without pay, for military service.
6. Laborers in Physical Plant Department: Willard Land, November 6, 1940, to January 7, 1941; J. B. Jones, November 4 to December 7, 1940; Ray Goddard, October 15 to December 31, 1940, or as much thereof as may be necessary;—each with full pay. In each case the leave is in addition to vacation and sick leave allowances provided under Civil Service regulations.
7. James E. Branch, Associate in Architecture, one year from January 6, 1941, without pay, on account of military service. Mr. Branch is a captain in the National Guard and has been advised that his regiment will be called into service on January 6, 1941.

On motion of Mr. Cleary, these leaves were granted as recommended.

At this point, Dr. Meyer took his place with the Board.

BUDGET FOR RESEARCH AND EDUCATIONAL HOSPITALS AND NEUROPSYCHIATRIC INSTITUTE

(3) The Executive Dean of the Chicago Colleges submits the following budget for the Research and Educational Hospitals and Neuropsychiatric Institute for 1941-1943. This budget has been prepared after intensive study of the organization and operation of the existing units of the Research and Educational Hospitals and the antici-

pated needs of the new Neuropsychiatric Institute. The budget consists of two parts:

1. An operating budget totaling \$1,778,384, which represents an increase of \$592,962 over the appropriation of the Department of Public Welfare for the current biennium. Except for \$34,556, which represents increases for the maintenance of the Research and Educational Hospitals, the increase is due entirely to the cost of operating the Neuropsychiatric Institute, totaling \$558,406.

2. Capital improvement items totaling \$946,000. This represents a net decrease of \$89,354 in appropriations made for the current biennium of the Department of Public Welfare for capital improvements in the Research and Educational Hospitals, including the Neuropsychiatric Institute. The capital improvement items are based upon a study of the imperative needs of the Research and Educational Hospitals by Doctor William H. Walsh, consulting specialist on hospitals, under the auspices of the Executive Dean of the Chicago Colleges and in collaboration with a special faculty committee. The figures have been approved by the Physical Plant Department. The acquisition of land on Taylor Street fronting the Chicago Departments is included as an emergency need to prepare for future development and to clear up an unsanitary and unsightly area adjacent to the hospital system.

The grand total of the budget as recommended is \$2,724,384, representing a net increase of \$503,608. The budget is submitted in three schedules:

Schedule 1, a summary of the total budget.

Schedule 2, the breakdown by departments of the proposed operating budget of the Research and Educational Hospitals transferred from the Department of Public Welfare to the University.

Schedule 3, the operating budget, by departments, for the Neuropsychiatric Institute.

I recommend approval of this budget, on condition, and with the definite understanding, that it will be presented to the General Assembly in a separate bill and not as a part of the University's regular biennial budget.

Mr. Cleary requested that this matter be considered in connection with and after the presentation of the item on the modification of the agreement with the Department of Public Welfare. Accordingly, the next item was presented before discussion of items 3 and 4.

**AGREEMENT WITH DEPARTMENT OF PUBLIC WELFARE RELATING
 TO THE OPERATION OF THE RESEARCH AND
 EDUCATIONAL HOSPITALS**

(4) At its meeting on November 14, 1940 (Minutes, page 118), the Board of Trustees unanimously recommended to the Governor that the administration, operation, and maintenance of the Research and Educational Hospitals, now the joint responsibility of the University of Illinois and the Department of Public Welfare, be transferred to the University. The Governor stated that he would approve all necessary steps to effect this transfer.

It will be necessary to revise the existing agreement with the Department of Public Welfare and this revision is now under way. It is desirable that the revised agreement be executed by both parties as soon as possible. I therefore recommend that this agreement when revised be referred to the Committee on the Chicago Departments and that if the Committee approves the agreement the President and Secretary of the Board be hereby authorized to execute it for the University.

Dean Allen reported that he and President Willard had conferred with representatives of the State Department of Public Welfare, and presented the substance of the proposals covered by items 3 and 4, as planned during the conference on November 14, and that the representatives of the State Department had requested that the plan be drafted and presented to the Board and the Department for introduction into the General Assembly.

Final action on the budget was deferred. The President of the University, Dr. Allen, Dr. Meyer, and Mr. Davis were requested to confer with the Governor-elect before the introduction of bills or the conclusion of the agreement.

ILLINOIS EYE AND EAR INFIRMARY

(5) The Chief of the Illinois Eye and Ear Infirmary has requested that the University have introduced in the General Assembly of Illinois a bill which would permit the affiliation of the Infirmary with the University. The existing law specifically excludes the Infirmary from the provisions for the joint operation of the Research and Educational Hospitals and affiliated institutes by the University and the Department of Public Welfare.

On September 30, 1939 (Minutes, page 577), the Board approved a recommendation from the Committee on the Chicago Departments that the Governor be formally requested to include in his proclamation calling for a special session provision for this legislation, but there was no special session.

On motion of Mr. Mayer, the President of the University was authorized to secure the introduction of a bill to authorize this change, after conference with the Governor-elect.

CONTRACT CHANGE ORDERS ON P.W.A. PROJECTS

(6) A recommendation for the approval of Change Order No. 6 in the contract with W. B. Read & Company for furnishings in Gregory Hall as follows:

Provide 40 additional oak chairs without arms, as furnished under
Item L, at bid unit price of \$4.70—Add..... \$188

On motion of Mr. Jensen, this change order was approved, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Mayer, Dr. Meyer, Mrs. Plumb, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Karraker, Mr. Stelle, Mr. Wieland.

NAMES OF CAMPUS STREETS AND DRIVES

(7) The Director of the Physical Plant Department has called attention to the fact that the drive in front of the Architecture Building and the parallel drive south of it, in front of the Natural Resources Building, have no names. The University of Illinois Statutes provide that "campus drives and thoroughfares shall be named after ex-presidents of the University."

This matter has been referred to the Committee on General Policy for its consideration and instructions.

Mr. Cleary, for the Committee on General Policy, reported a recommendation that the drive in front of the Architecture Building be named Lorado Taft Drive and the drive in front of the Natural Resources Building be named Peabody Drive.

On motion of Mr. Cleary, these names were approved.

**EXTENSION OF TIME ON CONSTRUCTION OF
ILLINI UNION BUILDING**

(8) The official completion date for the Illini Union Building as last approved by the Federal Works Agency was November 30, 1940. Due to delays in deliveries of interior cabinet work and other materials the general contractor has requested an extension of six weeks for the completion of this building. The Physical Plant Department has carefully investigated the failure to complete the building by November 30, even to the extent of sending representatives to plants where materials were fabricated, and has found that the delay is due largely to factors beyond the control of the contractors. This has been reported by the Physical Plant Department to the Public Works Administration. Accordingly the following resolution is offered:

Whereas, the Illini Union Building (P.W.A. Project Ill. 1745-F) was not completed by November 30, 1940, the last official completion date set by the Federal Works Agency, for the following reasons:

1. Inability of the subcontractor in Detroit, Michigan, for cabinet work to hold plant workers against the increased wages offered by the war industries for pattern makers. This has also resulted in the delay of other contractors.

2. Inability of the subcontractor on Formica in Cleveland, Ohio, to obtain cabinet workers. This has also resulted in the delay of other contractors.

3. Inability to get sufficient carpenters locally to install either cabinet work or Formica to meet required progress schedule, due to the demand for such workmen on the construction under way in the United States Army Air Corps Technical School at Chanut Field, Rantoul, Illinois, which is approximately fifteen miles from Champaign-Urbana.

4. Errors in construction on built-in lighting fixtures, the correction of which has delayed the work of other contractors.

5. Failure to secure the delivery of finished hardware not only delayed this phase of the project but also the work of other contractors; and

Whereas, on the basis of the best information available, it appears that an additional six weeks should be allowed for the completion of this building;

Now, therefore, be it resolved, that the Board of Trustees of the University of Illinois requests the Federal Works Agency to extend the time for the completion of this project to January 13, 1941.

Director Havens commented on this matter.

On motion of Mrs. Plumb, this resolution was adopted, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Mayer, Dr. Meyer, Mrs. Plumb, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Karraker, Mr. Stelle, Mr. Wieland.

JOINT MEETING WITH BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(9) Several months ago the President of the Board of Directors of the Athletic Association suggested that it would be desirable to have a joint meeting with the Board of Trustees for the discussion of matters of mutual interest to the two bodies and that possibly December would be a convenient time for this.

Accordingly and on the authorization of the President of the Board of Trustees, the Board of Directors of the Athletic Association has been invited to meet with this body today at 12:30 o'clock.

All the members of the Board of Directors were introduced: Mr. M. M. Olander, President, Dean C. M. Thompson, Professors F. E. Richart, George W. Goble, and Wendell S. Wilson; Mr. Harry Hall, and Mr. Robert Z. Hickman; also Mr. C. E. Bowen, Secretary and Business Manager, and Professor S. C. Staley, Director of the School of Physical Education.

On request of President Pogue, Mr. Olander presented a long-time plan for the expansion of athletic and sports facilities for all students.

Professors Richart, Wilson, and Staley commented on several features of the program.

INVESTMENT OF ENDOWMENT FUNDS

At this point, Mr. Mayer, for the Finance Committee, reported that the Committee had authorized the purchase of \$3,000 Holly Sugar Company 1st Mortgage 4's of 1947, at 103½, and recommended additional purchases of this security up to \$10,000, as investment of endowment funds.

On motion of Mr. Mayer, this purchase was approved and authorized as recommended.

EMPLOYMENT OF ARTHUR ANDERSEN & CO.

Mr. Mayer reported also, for the Finance Committee, a recommendation that Arthur Andersen & Co. be employed to examine the ac-

counts of the University for the current fiscal year on the basis of the following schedule:

| | | |
|--|-----|-----|
| University accounts..... | \$3 | 300 |
| Athletic Association..... | | 275 |
| University of Illinois Foundation..... | | 500 |

On motion of Mr. Mayer, this recommendation was adopted.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board continued its consideration of matters presented by the President of the University.

MEMORIAL TO GOVERNOR JOHN P. ALTGELD

(10) At its meeting on October 21, 1940 (Minutes, page 109), the Board was requested to consider establishing a memorial to former Governor John P. Altgeld, and the suggestion was made that the College of Law building be named for him. This has been referred to the Committee on General Policy.

I submit herewith a letter from the Dean of the College of Law regarding this matter.

Mr. Cleary, for the Committee on General Policy, presented the following report:

The General Policy Committee of the Board of Trustees, of the University of Illinois, recommends to the Board that for the following reasons the building now occupied by the College of Law be named Altgeld Hall, and so marked by a suitable bronze plate:

1. John Peter Altgeld, as Governor of Illinois from 1893 to 1897, proved himself a man of outstanding ability, character, and courage. He was, and is, one of the great figures in the history of the state and of the nation.

2. The University of Illinois never had a more enthusiastic, a more intelligent, or a more effective friend than John Peter Altgeld. Throughout his four years as governor he fought aggressively to expand and to strengthen this University. The University of Illinois was twenty-six years old when Altgeld became governor. It then occupied four old buildings and had a faculty of forty-eight. At the end of Governor Altgeld's term, six new buildings had been provided, the faculty had been increased to one hundred and seventy, and \$722,700 had been appropriated by the state legislature in response to Altgeld's urgings compared with \$201,350 appropriated during the preceding four years.

In the words of Dr. Edmund J. James, former president of the University, Governor Altgeld "raised this institution from a comparatively insignificant country college to the rank of a great school of learning, the foundations of which are broad and deep. He marked an epoch in the educational life and interest in this commonwealth."

3. The first new building for which Governor Altgeld sought an appropriation was a library. He wanted not only a building to house books but also a structure of outstanding architectural merit. After obtaining the necessary appropriation, he caused several sets of plans to be rejected as not sufficiently beautiful and distinctive. The building finally erected was long recognized as the most beautiful on the campus, and as the finest example of Romanesque architecture west of the Atlantic seaboard. It is this building, now occupied by the College of Law, which we propose to name Altgeld Hall.

4. As soon as he became governor, Altgeld proposed the organization of schools of law and of medicine. Later in his term he was instrumental in the addition of a school of pharmacy. The Law School project was nearest to his heart but he was unable to induce the Legislature to appropriate the necessary money. He therefore worked out a plan with President Draper by which funds under University control, other than those derived from State appropriations, could be used to initiate instruction in law. The College of Law, therefore, owes its birth directly to the foresight and determination of Governor Altgeld.

The points briefly summarized above can be supported at great length from

Governor Altgeld's messages to the Legislature, his speeches and letters, as well as from the archives of the University.

President James proposed the erection of a statue to Altgeld on the campus at Urbana. The designation of the Library as the Altgeld Library would be justified. However, his fathering of our College of Law and his personal participation in obtaining the appropriation for (and in supervision of the design of) this building in which the College of Law is now housed, makes this particular form of memorial peculiarly fitting.

JAMES M. CLEARY, *Chairman*
OSCAR G. MAYER
KENNEY E. WILLIAMSON

After full discussion, on motion of Mr. Cleary, this report was adopted. Mr. Davis asked to be recorded as voting in the negative.

DEPARTMENT OF RADIOLOGY

(11) The Executive Dean of the Chicago Colleges recommends that the name of the Department of Roentgenology be changed to the "Department of Radiology." I concur in this recommendation.

On motion of Mr. Mayer, this change was authorized.

RETIRING ALLOWANCES AND DEATH BENEFITS FOR EMPLOYEES PAID FROM NON-STATE FUNDS

(12) At its meeting on July 17, 1940, in connection with the discussion of whether or not Farm Advisers are eligible to receive retiring allowances and death benefits, the Board directed that a survey be made of all cases of University employees whose salaries are paid in whole or in part from non-State funds with a view to fixing a policy. The Comptroller was asked to make such a survey and has prepared a report, with the assistance of the University Counsel and the Deans of the Colleges of Agriculture and Engineering and the Directors of the two Experiment Stations, since most of the individuals concerned are in those two divisions.

I submit herewith the report of this group and their recommendations, which may be summarized as follows:

1. Regular appointees or employees who are appointed by the Board of Trustees or employed by their authority, and whose compensation is fixed by the Board of Trustees, but paid out of special funds, shall be entitled to retirement and death benefits on the same basis as other members of the University staff. Until such time as the expense of these benefits can be charged to the funds concerned, these benefits should be provided out of general University funds.

2. Persons who are employed solely for service on trust funds made available to the University for specific objects and purposes, and who are employed only for the duration of these funds, shall not be entitled to such benefits unless the expenses thereof can be charged to the funds concerned.

3. Persons who are on the University staff and are temporarily paid from special funds, or whose salaries are temporarily paid in whole, or in part, by outside agencies, shall continue to receive, during the period of this arrangement, retirement and death benefits on the same basis as though their salaries were paid in full from general University funds. Until and unless the expense of such benefits can be charged to the special funds or assumed by the outside agencies, these benefits shall be paid from general University funds.

4. Because of the difficulties involved in classifying all of the many persons concerned in these arrangements, it is recommended that in the future all recommendations for appointments to positions the salaries of which are to be charged to other than general University funds, shall include the recommendation of the officer concerned as to the retirement and death benefits. In each case this recommendation will be checked against whatever general policies may be approved as a result of this study.

The above recommendations and supporting data were presented to the Board on October 21, 1940 (Minutes, page 107), and action thereon was deferred.

On motion of Mr. Cleary, these recommendations were approved and adopted.

**RESOLUTION AUTHORIZING WITHDRAWAL OF FUNDS FOR
CONSTRUCTION OF MEN'S RESIDENCE HALL**

(13) In connection with payments on contracts for the construction of the Men's Residence Hall it was necessary to supply the First National Bank of Chicago (the depository of the construction fund) with a resolution authorizing an officer of the University to sign checks jointly with an officer of the University of Illinois Foundation. The Executive Committee adopted the following resolution on November 20:

Be it resolved that the Comptroller of the University, or an agent duly deputized by him, be and he is hereby authorized to sign on behalf of the University, jointly with the designee of the University of Illinois Foundation any and all checks or drafts, including drafts in informal or letter form, against any funds at any time standing to the credit of said Foundation in an account with the First National Bank of Chicago entitled "University of Illinois Foundation Men's Residence Hall Construction Account"; the said bank account and the said joint signatures on withdrawals being covered by a certain Trust Agreement creating the University of Illinois Residence Hall Building Trust involving the construction and equipment of a residence hall at the University of Illinois in Champaign, Illinois.

On motion of Mr. Jensen, the adoption of this resolution was confirmed and made an action of the Board.

PURCHASE OF ELECTRON MICROSCOPE

(14) The Dean of the Graduate School and Chairman of the University Research Board has recommended the purchase of an electron microscope from the RCA Manufacturing Company, Camden, New Jersey, at a price of \$9,500 f.o.b. Camden. The shipping charges will be approximately \$50 and installation costs will not exceed \$100. This equipment is for the Department of Chemistry but will be available to investigators in several scientific fields. This is a non-competitive item and only a very few of these instruments have yet been manufactured. The Company is now working on several instruments for delivery next year.

It is further requested that the following payments be authorized: 25 per cent with the order; 25 per cent additional at the end of the fiscal year on June 30, 1941, or at the time of delivery if the instrument should be delivered earlier than June 30; the remaining 50 per cent and shipping charges on delivery of the instrument.

The cost of this equipment, the shipping and installation charges will be paid from the research fund of the Graduate School, so that no special appropriation is required.

I recommend authorization of this purchase.

On motion of Mr. Mayer, this purchase was authorized as recommended.

PURCHASES RECOMMENDED

(15) A recommendation that the following purchases be authorized:

1. Parlor furniture for the Mary E. Busey Residence Hall (to replace old worn-out furniture) from the Chicago Seating Company, the lowest bidder, at a total cost of \$1,713.65 f.o.b. Urbana. This includes 37 items: 20 chairs, 5 sofas, 10 end tables, one coffee table, and one magazine rack. Quotations were received from six bidders. Specifications indicated that bids on items equal to those specified would be accepted.

2. 372 floor lamps for student rooms in Men's Residence Hall from Morehouse and Wells Company, Decatur, Illinois, the lowest bidder, at a total cost of \$1,980.90 f.o.b. Champaign.

3. 180 dining room chairs for Busey Hall (to replace chairs that have been in use more than twenty years) from Chittenden and Eastman Company, the lowest bidder, at a total cost of \$1,224 f.o.b. Urbana.

4. Acids for the General Chemical Stores as follows:

- 10 500 pounds Hydrochloric, reagent
- 5 950 pounds Nitric, reagent
- 12 150 pounds Sulphuric, reagent
- 2 800 pounds Ammonium hydroxide, reagent
- 3 250 pounds Glacial acetic, reagent
- 26 carboys Hydrochloric, commercial
- 100 carboys Sulphuric, commercial
- 25 carboys Ammonia, commercial

from Merck and Company, Rahway, New Jersey, the lowest bidder, at a total cost of about \$3,800 f.o.b. Urbana.

5. 50,000 gallons (approximately) gasoline to be delivered in 8,000 gallon tank cars as required, for the Physical Plant Stock, from the Shell Oil Company, Inc., the lowest bidder, at a price of .097465 per gallon tax included, f.o.b. Urbana, or a total cost of approximately \$4,700.

On motion of Mr. Jensen, these purchases were authorized as recommended.

COMPTROLLER'S REPORT OF CONTRACTS

(16) The Comptroller's report of minor contracts executed under general regulations of the Board of Trustees:

CONTRACTS EXECUTED BY THE COMPTROLLER

OCTOBER 15 TO NOVEMBER 22, 1940

| <i>With Whom</i> | <i>For</i> | <i>Amount to be paid by the University</i> | <i>Date</i> |
|---------------------------------|---|--|-----------------|
| Illinois Bell Telephone Company | Additional private branch exchange equipment in Chicago department. | \$440 per year | October 8, 1940 |

This report was received for record.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(17) A report of the approval of the following agreements for cooperative investigations:

1. Dow Chemical Company of Midland, Michigan, a cooperative investigation of the effect of different grain fumigants on the germinating quality of different strains of hybrid corn, by the Agricultural Experiment Station and the State Natural History Survey. The agreement is drawn for a period of one year from September 15, 1940, and the Company has agreed to contribute \$200 for the support of this study.

2. Association of American Railroads and the Rail Manufacturers' Technical Committee, for cooperative investigation of the causes of failure of railroad rails in service, for one year from January 1, 1941. Each agency will contribute \$9,000 for the expense of the investigation.

On motion of Mr. Mayer, these agreements were approved.

GIFT OF MR. AND MRS. MERLE J. TREES

(18) Pursuant to the terms of the resolution of the Executive Committee adopted December 18, 1937 (Minutes, page 587), Mr. and Mrs. Merle J. Trees offer as their gift for the year 1940 a painting, "Madame de Piennes," by Francois Clouet, valued at \$18,000.

This is the painting which was purchased in 1939 (as reported to the Board of Trustees February 11, 1939 (Minutes, page 231) to be added to the "Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection" which was started by them in 1937.

On motion of Mr. Cleary, this gift was accepted, and the President of the University was requested to express to Mr. and Mrs. Trees the thanks of the University for this generous continuation of their gift of an important art collection to the University.

FUNDS FROM ROCKEFELLER FOUNDATION FOR NEUROPSYCHIATRIC INSTITUTE

(19) The Rockefeller Foundation has made a grant of \$8,000 to the University for the development of neurology and neurosurgery for the balance of the current academic year, ending August 31, 1941. Under the authority granted me by the

University Statutes I have accepted this grant. The Head of the Department of Neurology and Neurological Surgery reports that this grant is actually an unsolicited gift to help in getting the new Institute under way. From the visit of the Head of the Medical Division its officials knew the University was interested in obtaining a fund, but no formal application or detailed data had been submitted.

The grant will be paid in two installments—one when the University is ready to use it and the other as of April 1, 1941, and any unused balance as of August 31, 1941, will revert to the Foundation.

On motion of Mr. Jensen, the acceptance of this gift was confirmed.

GIFTS TO THE UNIVERSITY

(20) The following report of gifts to the University:

1. American Medical Association, Council on Physical Therapy, \$50 for research work on the physiological effects and the therapeutic possibilities of the red-infrared border rays in the Department of Physiology of the College of Medicine.
2. The Carnegie Institution at Cold Spring Harbor, Long Island, New York, \$45.50 to supplement previous grants from this and other agencies for the research work carried on during the summer by Professor John T. Buchholz, of the Department of Botany.
3. Atlas Powder Company, \$240 additional for the expenses of the cooperative investigation of "Electrolytic Reductions," by the Engineering Experiment Station.
4. G. Frederick Smith Chemical Company, \$750 for the renewal of a fellowship in Chemistry for the academic year 1940-1941.
5. American Dry Milk Institute, Inc., \$600 additional for the continuation of Professor F. R. Steggerda's research program.
6. National Lime Association of Washington, D. C., \$600 for an assistantship in the Department of Chemistry for X-ray studies of lime.
7. National Research Council, Division of Medical Sciences, \$300 for hormonal studies of bird behavior by the Department of Zoology.
8. American Dairies, Incorporated (American Butter Company), \$1,200 for two research assistantships for the purpose of continuing Professor F. L. Wynd's research program on the correlations between the various vitamins and other components in the plant, with specific reference to the bearing of these factors on animal metabolism. The Company will also contribute \$600 for library and stenographic help and \$500 for travel and conferences with other physiologists, biochemists, etc., but this money will be paid directly by the Company as needed.
9. M and R Dietetic Laboratories, Inc., of Columbus, Ohio, \$600 for the continuation of the research program on calcium utilization by the adult man, under the direction of Professors F. R. Steggerda and H. H. Mitchell.
10. Butler Manufacturing Company, \$200 for research work on temperatures and pressure in the storage of soybeans by the Department of Agricultural Engineering.
11. Mr. Felix Gehrman (brother of the late Dr. Adolph Gehrman, for many years a member of the faculty of the College of Medicine), \$500 for the establishment of a Gehrman Historical Book Fund. It is understood that this gift is a continuation of one made last year for the purpose of purchasing old medical books and for their care and "rejuvenating covers."
12. The American Medical Association, \$500 for research work by Dr. Percival Bailey, of the Department of Neurology and Neurological Surgery.
13. Champaign Business and Professional Women's Club, \$300 for a loan fund.
14. Dr. Edwin L. Draper, Urbana, a portrait of his father, Andrew Sloan Draper, former President of the University of Illinois.

Comptroller's Report of Gifts

1. Omega Beta Pi, \$50 for special books for the Natural History Library.
2. Electric Auto-Lite Company, \$825 for the continuation of the research assistantship in Chemistry.
3. Sears, Roebuck and Company, \$500 for the continuation of a graduate fellowship in Commerce.
4. Sears, Roebuck and Company, \$3,675 for the renewal of scholarships in Agriculture.
5. American Society of Heating and Ventilating Engineers, \$1,050 for additional research in air conditioning.

6. Nutrition Research Laboratories, \$930 for additional Vitamin D research by the Department of Physiology of the College of Medicine.

7. Aeration Processes, Inc., \$750 for the renewal of a fellowship in Chemistry for the academic year 1940-1941.

Correction of Report of Gifts

The following duplications have occurred in reports of gifts as recorded in the minutes of the Board:

1. The Middle West Soil Improvement Committee of the National Fertilizer Association, \$400 for an investigation of response of soybeans to soil treatment and fertilizer practices, reported as a cooperative investigation on May 28, 1940 (Minutes, page 946), and as a gift on July 17, 1940 (Minutes, page 13).

2. National Research Council, funds for an investigation by Dr. T. W. Harrell, of the Department of Psychology, for the Civil Aeronautics Authority. The total received for this purpose was \$200, but a grant of \$175 was reported on July 17, 1940 (Minutes, page 13), and a grant of \$150 was included in the Comptroller's Report of Trust Funds Received made at the same meeting (Minutes, page 14). Thus the record shows that \$325 was received, whereas the actual grant was \$200.

On motion of Mrs. Plumb, these gifts were accepted and the record was corrected as recommended.

FEES AND SCHOLARSHIPS

(21) On September 27, 1940 (Minutes, page 44), the Board approved certain changes in fees and scholarships on recommendation of a special committee, appointed on July 17, to which had been referred the report and recommendations of the Faculty Committee on Fees and Scholarships.

The Faculty Committee was informed of the changes made by the Board of Trustees and was asked if it desired to submit any further comments and statement in the light of these changes, with the view to presenting such additional statement to the Board for further consideration. The Faculty Committee has studied these changes and has submitted a supplementary report relating to the reduced fees for teachers and librarians attending the Summer Session. The Committee respectfully requests that the Board of Trustees reconsider its action eliminating the provision for reduced fees for students in those professions. The Committee's statement is submitted herewith.

The Director of the Summer Session and the Dean of the College of Education have asked for a hearing on the proposal to increase the Summer Session fees and to eliminate all Summer Session scholarships, and I respectfully request that this be granted. The Director of the Summer Session will represent both parties at this meeting and I have suggested that he appear at three o'clock.

Professor Robert B. Browne, Director of the Summer Session, was introduced. Director Browne asked that the privileges of the Summer Session be extended to Illinois teachers for one-half the regular fees, or that the assessment of full fees for such teachers be not applicable until 1944 for those who have already begun work in the University for their degrees.

FEES FOR GRADUATE STUDENTS

(22) Professor Roger Adams, Head of the Department of Chemistry, has called attention to the effect which the recent action of the Board of Trustees increasing tuition fees will have on the Graduate School of the University with particular reference to his Department. It seems to me the Board should receive his views at first hand, and I have therefore asked him to come to this meeting and present them for consideration.

Professor Adams was introduced. He made a statement to show the extent and the value of contributions of graduate students to the research program of the University, and questioned the wisdom of discrimination against out-of-state graduate students in the matter of fees.

The matter of fees in the Summer Session and the Graduate School was referred back to the special committee for review and further recommendation.

WAGES OF MACHINISTS

(23) At its meeting on July 17, 1940 (Minutes, page 15), the Board received a request for wage increases from machinists employed in the Urbana Departments and from window washers in the Chicago Departments. No change was made in the wage scale of machinists, but the Board indicated that consideration would be given to this request at the beginning of the next biennium.

At the meeting on October 21, 1940 (Minutes, page 105), the request of the machinists was referred to the Committee on Buildings and Grounds for consideration and report. The Chairman of that Committee suggested that the machinists be given a hearing before the Board at the next opportunity. Representatives of those employees will appear at the meeting this afternoon in support of their request.

Mr. D. T. Farr, of the International Association of Machinists, and Mr. William Adams, a representative of the machinists employed by the University, who are members of the union, were introduced. Mr. Farr made a statement supporting the request of the machinists for an increase of wages.

Mr. Williamson, for the Committee on Buildings and Grounds, stated that the Committee was of the opinion that to grant the request of the Union in advance of the adoption of their proposed scale by local employers would be a violation of the long-established policy of the University. The Secretary was instructed to notify the officials of the Union of this fact, and to express to them the Board's appreciation of their fine attitude in the matter, and its regret that it can not violate its long-established policy, particularly as in the present case the increase in wages would be deserved and just.

APPOINTMENT OF T. V. SMITH AS VISITING PROFESSOR OF PHILOSOPHY

(24) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor T. V. Smith of the University of Chicago as Visiting Professor of Philosophy for the second semester of 1940-1941 (February 1, 1941, to June 30, 1941), at a salary of \$3,000 for the period.

I concur in the recommendation.

On motion of Mrs. Plumb, this appointment was authorized.

CONTRACT WITH GEORGE BANTA PUBLISHING COMPANY FOR PRINTING UNIVERSITY PUBLICATIONS

(25) The Director of the University Press and the Purchasing Agent recommend that the University enter into a contract with the George Banta Publishing Company for printing the Journal of English and Germanic Philology and the Illinois Studies in Language and Literature for a period of one year, renewable from year to year thereafter, with the option of cancellation by either party on thirty days' notice prior to the end of any given year. The expenditures under this contract would be approximately \$3,500 a year.

This Company has been printing these publications for the University for more than twenty-five years under contracts which have been revised from time to time according to conditions and costs. The new contract proposed represents a revision of the scale of prices and methods of classification of work, which will result in a saving to the University.

I recommend approval of this contract.

On motion of Mr. Cleary, this contract was approved.

ADJUSTMENTS IN BUDGET OF THE ATHLETIC ASSOCIATION

(26) The Board of Directors of the Athletic Association on November 15 voted to make the following assignments from unappropriated income of the Association subject to the approval of the Board of Trustees:

| | |
|---|----------------|
| "I" Men's Directory..... | \$ 450 |
| Removal of cement foundation blocks from the old Illinois Field bleachers and regrading and seeding the surface..... | 600 |
| Recommended increase in salary of Harold Osborn..... | 300 |
| <i>Total</i> | <u>\$1 350</u> |

On motion of Mrs. Plumb, these adjustments were approved.

SECRETARY'S REPORT OF CONTRACTS

The Secretary presented for record the following report of contracts executed by the President and the Secretary of the Board and deposited with the Secretary since the last report.

| <i>Name</i> | <i>Date</i> | <i>Amount</i> | <i>Purpose</i> |
|-------------------------------|--------------------|---|--|
| Illinois Iowa Power Company | October 16, 1940 | \$.009 per kilowatt hour | Interchange Power Service |
| Duparquet, Incorporated | October 11, 1940 | \$19,193.42 | Kitchen Equipment for the Men's Residence Hall |
| Mid-State Engineering Company | October 11, 1940 | \$ 2,091.00 | Kitchen Equipment for the Men's Residence Hall |
| Tilton Mining Company | September 27, 1940 | \$1.15 per ton f.o.b. Tilton, Illinois | 2,000 tons coal |
| Globe Coal Company | September 27, 1940 | \$1.01 per ton f.o.b. cars at mine located at Grays, Illinois | 30,000 tons coal |

APPOINTMENTS MADE BY THE PRESIDENT

The Secretary presented also for record a list of appointments made by the President of the University.

ANELLIS, ABE, Special Research Assistant in Dairy Husbandry, in the Agricultural Experiment Station, on one-third time, beginning December 1, 1940, and continuing through January 31, 1941, at a cash compensation at the rate of fifty dollars (\$50) a month. (December 2, 1940)¹

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 22, 1941

**With Executive Committee Meeting of
January 22, 1941**

The January meeting of the Board of Trustees of the University of Illinois was held at the College of Medicine, in Chicago, at 10 o'clock a.m. on Wednesday, January 22, 1941. When the Board convened, the following members were present: President Pogue, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker. Mr. John R. Fornof, member-elect, sat with the Board during the morning.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Professor Lloyd Morey, Comptroller, Judge Sveinbjorn Johnson, University Counsel, Mr. Ernest L. Stouffer, Assistant Supervising Architect, and Mr. H. E. Cunningham, Secretary.

The Board recessed.

MEETING OF THE EXECUTIVE COMMITTEE

JANUARY 22, 1941

The Executive Committee of the Board of Trustees of the University of Illinois met at the Medical Building, in Chicago, at 10 o'clock a.m. on Wednesday, January 22, 1941, during a recess in the meeting of the Board. Mr. Harold Pogue, Chairman, and Mr. James M. Cleary, member of the Executive Committee, were present; also the members of the Board and officers named above.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Executive Committee considered the following matters presented by the President of the University.

CHANGE IN STATUS OF PROFESSOR A. E. MURPHY

(1) A recommendation that the status of Professor A. E. Murphy, Head of the Department of Philosophy, be changed to one-half time at a salary of \$1,625 for the second semester of 1940-1941, or for six months from February 1, 1941. Professor Murphy wishes to devote a part of his time during the second semester to the writing of a book. The teaching from which he will be relieved will be taken over by Dr. T. V. Smith, who has been appointed Visiting Professor of Philosophy.

On motion of Mr. Cleary, this recommendation was approved.

APPOINTMENT OF PROFESSOR FLORIAN ZNANIECKI

(2) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Dr. Florian Znaniecki, now Visiting Professor of Sociology, as Professor of Sociology, for one year from September 1, 1941, at a salary of \$5,000, with the understanding that this appointment may be renewed from year to year, but with the condition, agreed to by Professor Znaniecki, that he will not be eligible to participate in the present retirement system because of his age.

I concur in this recommendation.

On motion of Mr. Cleary, this appointment was made as recommended.

APPOINTMENT OF MISS IRENE PIERSON AS SOCIAL DIRECTOR OF THE ILLINI UNION BUILDING

(3) The Director of the Physical Plant Department recommends, and the Dean of Women concurs, that Miss Irene Pierson, now Assistant Dean of Women, be appointed Social Director of the Illini Union Building and Assistant Dean of Women from January 22 to August 31, 1941, at an annual salary rate of \$3,300.

I concur in this recommendation.

On motion of Mr. Cleary, this appointment was made as recommended.

RECALL TO ACTIVE SERVICE OF PROFESSOR B. SMITH HOPKINS

(4) Under the University Statutes, Professor B. Smith Hopkins, of the Department of Chemistry, is due to retire September 1, 1941. He has been in the service of the University twenty-eight years. The Statutes provide that members of the staff who are retired shall be subject to call by the Board of Trustees for the performance of such specific duties for the University as shall be assigned to them by the President of the University.

Professor Hopkins has been in charge of the organization of the course in Physical Science in the General Division of the College of Liberal Arts and Sciences. He is the best man in the Department of Chemistry to inaugurate this course; in fact, there is no one else in the department qualified to take it over. Under these circumstances the Dean of the College of Liberal Arts and Sciences has recommended that Professor Hopkins be continued in active service, on one-fourth time, for the specific purpose of carrying on the work of the newly

organized course in Physical Science in the General Division, and that he be paid a salary of \$1,375 (this represents one-fourth of his present salary) in addition to the retiring allowance of \$2,714 to which he will be entitled under the Statutes.

Accordingly I recommend that Professor Hopkins be recalled into active service for one year from September 1, 1941, for the purpose and under the conditions herein indicated.

On motion of Mr. Cleary, this recommendation was adopted.

The Executive Committee adjourned.

SECOND SESSION, JANUARY 22, 1941

When the Board convened after the recess on January 22, 1941, the same persons were present as before, and also Dr. Karl A. Meyer, member of the Board.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

SABBATICAL LEAVES OF ABSENCE DURING 1941-1942

(1) It is recommended that the following members of the staff be given sabbatical leaves of absence during the academic year 1941-1942 in accordance with the provisions of the University Statutes and on the terms and for the period indicated in each case:

I. *Leaves of absence for members of the extension staff:*

Grace B. Armstrong, Assistant Professor, Home Economics Extension, August 1, 1941, to February 1, 1942, on full pay. This leave is also subject to the approval of the United States Department of Agriculture.

II. *Leaves of absence on one-half pay:*

Dorothy E. Bowen, Assistant Professor of Music, one year from September 1, 1941, on one-half pay.

A. S. Daniels, Assistant Professor of Physical Education, first semester, 1941-1942, on one-half pay; second semester without pay. Professor Daniels' salary is paid jointly by the University and the Athletic Association, and this leave on one-half pay applies only to that portion (one-half) of salary paid by the University.

J. L. Doob, Assistant Professor of Mathematics, one year from September 1, 1941, on one-half pay.

M. Goldhaber, Assistant Professor of Physics, first semester, 1941-1942, on one-half pay; second semester without pay. This leave is recommended subject to cancellation by the President of the University on recommendation of the Head of the Department of Physics if conditions in that department (i.e., shortage of personnel and inability to find a satisfactory substitute) make it inadvisable for Professor Goldhaber to be away. The leave without pay for the second semester is requested, and is so recommended, conditional on the candidate's receiving a Guggenheim fellowship for which he has applied.

H. N. Hillebrand, Professor of English and Head of the Department, first semester, 1941-1942, on one-half pay.

J. G. Randall, Professor of History, second semester, 1941-1942, on one-half pay.

III. *Leaves of absence on full pay:*

H. J. Fuller, Assistant Professor of Botany, second semester, 1941-1942, on full pay.

M. H. Hunter, Professor of Economics and Head of the Department, second semester, 1941-1942, on full pay.

R. K. Hursh, Professor of Ceramic Engineering, second semester, 1941-1942, on full pay.

H. S. V. Jones, Professor of English, second semester, 1941-1942, on full pay.

S. F. Will, Professor of French, second semester, 1941-1942, on full pay.

Twelve applications for leaves during 1941-1942 were received and submitted to the University Research Board for its consideration and advice to the President on the program of study, research, or travel contemplated in each case—in accordance with the administrative procedure set up to study such requests. The full report of the Research Board, which includes an analysis of each application and the Board's conclusion, is available for presentation to the Board of Trustees, if information in such detail is desired.

The Research Board reported that it was able to recommend approval of all applications, which is the first time this has occurred. This is not due to any change in standards but rather to the fact that, in accordance with the standards heretofore established, all applications for 1941-1942 seemed to be justified. The applications submitted include two for the full year on one-half pay; six for one-half year on full pay; two for one-half year on one-half pay; and two for one-half year on one-half pay plus one-half year without pay. The total amount of the salaries during the period of leave of absence involved is \$20,600, of which \$1,500 is payable from Federal funds and \$19,100 from University funds. The number of leaves and the amount of salaries involved are materially less than in previous years—due, no doubt, to conditions abroad.

On motion of Mr. Jensen, these leaves were granted as recommended.

LEAVES OF ABSENCE

(2) A recommendation that leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

O. H. Sears, Professor of Soil Biology, sick leave with full pay from November 13, 1940, to January 6, 1941.

Miss Julia Ann Franklin, Assistant in Soil Survey Publications, leave of absence with full pay for four weeks from November 7 on account of being quarantined with a member of her family.

George P. Stephens, an employee in the Physical Plant Department, sick leave with pay from September 16 to 28, 1940, and from December 12, 1940, through January 23, 1941, in addition to sick leave and vacation allowed under the Civil Service regulations.

Dr. Robert B. Lewy, Assistant in Laryngology, Rhinology, and Otolaryngology, leave without pay from January 1 to August 31, 1941, for military service. Doctor Lewy is a Captain in the United States Army Medical Corps, Reserve.

Professor F. W. Loomis, Head of the Department of Physics, leave of absence on one-half pay from January 8 to August 31, 1941, to release him for work on an important research project of a confidential nature for the National Defense Research Committee at the Massachusetts Institute of Technology on condition that (1) Professor Loomis will keep in touch with the Department of Physics as much as possible, including occasional trips to Urbana when that is necessary, to supervise its educational and research program, and that (2) if he is able to return to full-time University service prior to August 31, this leave will be terminated and he will go back on full pay.

Dr. R. H. Bolt, Associate in Physics, leave of absence from January 1 to August 31, 1941, without pay, to work on a research project of a confidential nature for the National Defense Research Committee at the Massachusetts Institute of Technology. The Committee will pay all of Doctor Bolt's salary while he is engaged in this work.

Mr. James E. Branch, Associate in Architecture, and a reserve officer in the United States Army, was granted leave without pay for one year from January 6, 1941, to enter active military service. He now finds it possible to

remain and finish the work of the first semester, so that he is entitled to one-half of his salary for the current academic year. Accordingly, I recommend that his leave of absence be changed to leave without pay for one year from March 1, 1941. Being an Associate, he receives his salary in 12 monthly installments, although his services are required for only the two semesters of the regular academic year from September to June.

S. W. Armstrong, an employee in the Physical Plant Department, sick leave with pay from March 18 to April 13, 1940.

J. B. Jones, an employee in the Physical Plant Department, sick leave with pay from December 8, 1940, to February 8, 1941.

J. B. Corns, Assistant Professor of Vegetable Crops Extension, and a reserve officer in the United States Army, leave of absence without pay for one year from January 20, 1941, for military service.

On motion of Mr. Davis, these leaves were granted as recommended.

BALANCE IN GENERAL RESERVE FUND

At this point, the Comptroller reported that the collection of fees and other receipts had exceeded the budget estimates for the current fiscal year by \$30,000.

On motion of Mr. Davis, this excess was covered into the General Reserve Fund.

ADVANCE OF FUNDS FOR CONSTRUCTION OF ILLINI UNION BUILDING

(3) On January 12, 1941, payments were due contractors for work done on the Illini Union Building totaling approximately \$35,000, with no cash available in the Building Construction Account to meet them. There was at that time in process a requisition for \$42,000 of Federal funds representing that proportion of the cost of construction payable from the P.W.A. grant. There was in the Trust Account (i.e., funds raised by the University of Illinois Foundation) for furnishings in the building, a cash balance of \$27,000 which will not be needed until after February 1, 1941. To meet payments due contractors, so far as possible, the Executive Committee of the Board of Trustees on January 2 authorized an advance from the Trust Account for furnishings to the Building Construction Account of \$27,000, or so much thereof as may be necessary, pending receipt of P.W.A. funds, with the proviso that when the latter are received they shall be first applied in repayment of this advance.

Confirmation of the Executive Committee's action is requested.

On January 20, the Comptroller reported that approximately \$43,000, in addition to the advance of \$27,000 authorized by the Executive Committee, will be required to meet contractual obligations before any further funds are received from the grant or loan for this project.

On motion of Mr. Cleary, the action of the Executive Committee in authorizing an advance of \$27,000 from the Furnishings Account to the Building Construction Account was approved and confirmed, and an appropriation of \$27,000 from the General Reserve Fund to reimburse the Furnishings Account was made, with the proviso that this amount shall be restored to the General Reserve Fund from the proceeds of the P.W.A. grant or loan for the construction of the Illini Union Building when sufficient grant or loan funds are received, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mr. Mayer, Mrs. Plumb, Mr. Wieland.

On motion of Mr. Cleary, a further advance of \$43,000 for the construction of the Illini Union Building was made, with the proviso that this amount shall be restored to the General Reserve Fund from the proceeds of the P.W.A. grant or loan for the construction of the Illini

Union Building when sufficient grant or loan funds are received, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mr. Mayer, Mrs. Plumb, Mr. Wieland.

**APPROPRIATION FOR STUDY OF THE EFFECT OF THE
SELECTIVE TRAINING AND SERVICE ACT**

(4) The Selective Training and Service Act of 1940 and its attendant Regulations provide the legal basis for occupational deferment of an individual student when, in the judgment of the local draft board, such deferment is necessary for the national health, safety, or interest. Despite this fact, legislation has been introduced into Congress to amend the Act in order to provide for deferment of all college students. Whether or not such proposed legislation is wise or necessary will be determined to a large degree by the action of local draft boards in the classification of individual students.

The colleges and universities are the only sources of available data on this question, and only as sufficient data are accumulated can wise decisions be made. The Subcommittee on Military Affairs of the National Committee on Education and Defense (which represents the national organizations of institutions of higher education) has assumed the responsibility for securing these data, and the results of its study will be made available to appropriate governmental agencies and to the cooperating educational institutions.

The University of Illinois has been asked to participate in this national survey. This will require an officer of the University to ascertain the actions of the local draft boards dealing with students registered under the Selective Training and Service Act, and to submit periodical reports on how these students are classified. The most expedient and least expensive way of securing this information would be to circularize each student of draft age and ask him to advise the University promptly when he receives his classification from his local draft board and to supply the information needed for the survey. The estimated cost of this would be \$300 a year.

I recommend that an appropriation of \$300 be made from the General Reserve Fund to the Registrar's Office for this survey of University of Illinois students. This does not imply a commitment to continue this study beyond the current year. That question can be taken up and considered in the light of results obtained.

On motion of Mr. Cleary, this appropriation was made, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mr. Mayer, Mrs. Plumb, Mr. Wieland.

ADJUSTMENTS IN BUDGET FOR 1940-1941

(5) In approving the budget for 1940-1941 the Board authorized the President of the University to make such changes and adjustments as are necessary. Pursuant to this authorization the following adjustments were made in the operating budget during the fiscal quarter ending December 31, 1940:

Permanent addition to current budget:

Physics salaries (to provide for the appointment of D. W. Kerst, \$1,200, and C. E. Van Holland, \$250)..... \$1 450

Temporary additions to current budget (additions to staff due to increased enrollment):

| | |
|-----------------------------------|--------|
| Chemistry salaries..... | \$ 900 |
| English salaries..... | 3 250 |
| Mathematics salaries..... | 600 |
| Spanish and Italian salaries..... | 300 |
| Zoology salaries..... | 150 |

Total additions to staff due to increased enrollment..... 5 200

Total Additions to Budget..... \$6 650

On motion of Mr. Jensen, these adjustments were confirmed and an appropriation of \$6,650 was made from the General Reserve Fund to cover, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mr. Mayer, Mrs. Plumb, Mr. Wieland.

GRADUATE STUDENT DISCIPLINE

(6) The University of Illinois Statutes provide that the University Senate shall elect a Committee on Student Discipline which shall appoint one or more sub-committees with original jurisdiction to hear and render decisions in all disciplinary cases, except that students registered in the Graduate School shall be subject to discipline by the Dean of that School. There is no further provision in the Statutes with respect to graduate student discipline.

The Dean of the Graduate School recommends authorization of a committee on discipline for the Graduate School with the Dean as Chairman *ex officio* and with the Assistant Dean of the Graduate School and the Chairman of the Sub-Committee of the Senate Committee on Discipline (which committee deals with undergraduate cases) as members *ex officio*. I therefore recommend that the University of Illinois Statutes approved March 10, 1936, be amended by the addition of the following paragraph (e) to section 15, which deals with the organization of the Graduate School:

(e) There shall be a Committee on Discipline for the Graduate School with the Dean of the Graduate School as Chairman *ex officio* and the Assistant Dean of the Graduate School and the Chairman of the Sub-Committee of the Senate Committee on Student Discipline as members *ex officio*. The President of the University in consultation with the Dean of the Graduate School is authorized to appoint other members of the committee if it is deemed necessary.

On motion of Dr. Meyer, the Statutes were amended as recommended.

TRAINING COURSES FOR MUNICIPAL FINANCE OFFICERS

(7) The Illinois Municipal League has requested that the University establish a continuous program for training municipal finance officers in the best budgeting, accounting, and other fiscal practices. As an experimental project the League has offered the University \$3,500, with the understanding that the State Board for Vocational Education will contribute an equal amount, to set up the program for the first year. The contributions will come from the following sources:

| | |
|---|----------------|
| American Municipal Association..... | \$ 500 |
| Municipal Finance Officers Association..... | 1 000 |
| Illinois Chamber of Commerce..... | 1 000 |
| Illinois Municipal League..... | 1 000 |
| State Board for Vocational Education..... | 3 500 |
| <i>Total</i> | <u>\$7 000</u> |

This proposal has been considered by the members of the faculty concerned, including the Comptroller, representatives of the Departments of Business Organization and Operation, Economics, and Political Science, and the Director of University Extension, all of whom believe it represents a program of genuine significance and possibility. The University of Illinois has long been a leader in the promotion of improved public service, and particularly in the financial departments of governmental bodies, and this offers an opportunity to make such work more effective and practical.

I recommend:

1. That the offer of the Illinois Municipal League and associated agencies be accepted.

2. That the money contributed be placed in a special fund to be used for the organization of extramural non-credit short courses for municipal finance officers, including costs of instruction, travel of instructors, the preparation of materials, and all other expenses.

3. That the program be administered by the Division of University Extension with authority to call on the Departments of Business Organization and Operation, Economics, and Political Science for such advice and service as may be needed in carrying out this program.

4. That no commitments be made beyond the experimental period of one year. In connection with this it should be noted that the Illinois Municipal League requests that the Board of Trustees consider undertaking this training program on a permanent basis to provide a continuous service in this field.

The program will be offered during the summer months when members of the faculty who are needed to offer the instruction will be more available, and this will also permit time for the preparation of materials and for the promotion and organization of the classes.

On motion of Mr. Jensen, this program was authorized and the funds were applied as recommended.

SHORT COURSES

(8) The University has been requested to offer the following short courses during the second semester of 1940-1941. I recommend approval and authorization of the fee indicated in each case, the income to be placed in special accounts against which the expenses of the courses shall be charged, and any surplus remaining to go into general University funds:

| | <i>Fee</i> |
|---|------------|
| Short Course for Insurance Agents, March 21-22..... | \$3 00 |
| Short Course for Waterworks Operators, March 3-7..... | 7 50 |
| Short Course for Sewage Plant Operators, March 10-14..... | 7 50 |

On motion of Mr. Davis, these fees were approved and the proceeds assigned as recommended.

DEPOSIT OF FEDERAL FUNDS

(9) A recommendation that the Minutes of November 14, 1940, page 126, item 17, second paragraph, be amended to read as follows:

"The new Comptroller General has only recently taken office and therefore may not be inclined to make decisions on matters of this kind in the near future. Under the circumstances it seems advisable to defer securing a conference with him."

On motion of Mr. Jensen, the minutes were corrected as recommended.

ILLINI UNION BUILDING SERVICE CHARGE

(10) On September 27, 1940 (Minutes, page 47), the Board authorized a reduction in the Illini Union Building service charge from \$5 to \$3 for the first semester of 1940-1941 only, since the Union Building was not completed with the opening of the first semester and, therefore, would not be available for use by the student body during the whole of the term. At that time it was thought the building would be available for use before the end of the semester, but this is now out of the question.

The Advisory Committee on the Management and Operation of the Illini Union Building (to be known hereafter as the *Illini Union Board*) has been considering a refund of a part or all of the \$3 fee collected for the first semester. In fact, at one time, when it appeared that the building would be in use by the middle of January, the Committee considered recommending a refund of \$2 of the \$3 fee collected for the first semester, but the building is not now available and no portion of it will be before the opening of the second semester.

Under the circumstances, the Advisory Committee recommends that the \$3 service charge collected for the first semester of 1940-1941 be refunded in full, either as a credit on the fee to be collected for the second semester or in cash to those students who will not be registered. In the event the Board of Trustees does not approve such an advance, the Committee recommends a refund of \$2 of the \$3 fee collected for the first semester, either in cash or in credit.

On motion of Dr. Meyer, the full refund of this fee for the first semester was authorized as recommended.

REFUND OF SERVICE CHARGES

(11) When a student withdraws from the University during the first ten days of instruction his fees, with the exception of the matriculation fee, are refunded in full. After ten days partial refunds of fees (with the exception of the matriculation fee) are made.

The question arises whether, when the Illini Union Building at Urbana and the Union Building in Chicago are placed in operation, the service charges collected from students for the use of these buildings shall be refunded in accordance with the above provisions to students withdrawing from the University before the last date when any part of the fees are refundable. Under the Illini Union Building trust agreement the University is obligated to assess and collect a service charge. The agreement provides, however, a stipulation that "the power of the University to refund service charges, when a student withdraws shortly after registration, shall not be deemed in breach of this agreement or of the lease." This would imply that any provision to refund substantial portions of the service charge in cases of withdrawals might be considered a breach of the trust agreement and of the lease except when a student withdraws a few days after registration when it may be regarded as if he had not registered at all.

The University Counsel advises that this question should be considered from the financial rather than the legal standpoint. The lender, the Connecticut Mutual Life Insurance Company, and the lessor, the University of Illinois Foundation, would have an interest in the extent to which the service charge is refunded only in so far as such refunds would lessen the margin of safety in the operating income of the building, which should be maintained to insure payment of the rental regularly. The Registrar reports that the number of withdrawals during the first semester of the current year would have involved refunds of the Illini Union Building service charge amounting to less than \$400 had the building been in operation and the full charge assessed at the beginning of the semester. It would appear that under present conditions the total amount of the service charge refundable in accordance with the present schedule of refunding fees would not exceed \$1,000 a year.

I recommend that the Board authorize the refund of the service charges for the use of the Illini Union Building at Urbana and the Union Building in Chicago to students withdrawing from the University in accordance with the schedule of refunds applicable to other fees, provided that if at any time the total amount of refunds reduces the income below what is needed to meet all obligations the Board of Trustees will make up the difference by an assignment from the General Reserve Fund of the University.

On motion of Mr. Cleary, these refunds were authorized as recommended.

EXTENSION OF TIME ON CONSTRUCTION OF ILLINI UNION BUILDING

(12) The following resolution is offered.

Whereas, the Illini Union Building (P.W.A. Project Ill. 1745-F) was not completed by November 30, 1940, the last official completion date set by the Federal Works Agency, for the following reasons:

1. Inability of the subcontractor in Detroit, Michigan, for cabinet work to hold plant workers against the increased wages offered by the war industries for pattern makers. This has also resulted in the delay of other contractors.
2. Inability of the subcontractor on Formica in Cleveland, Ohio, to obtain cabinet workers. This has also resulted in the delay of other contractors.
3. Inability to get sufficient carpenters locally to install either cabinet work or Formica to meet required progress schedule, due to the demand for such workmen on the construction under way in the United States Army Air Corps Technical School at Chanute Field, Rantoul, Illinois, which is approximately fifteen miles from Champaign-Urbana.
4. Errors in construction on built-in lighting fixtures, the correction of which has delayed the work of other contractors.
5. Failure to secure the delivery of finished hardware not only delayed this phase of the project but also the work of other contractors.

And whereas, on the basis of the best information available, it appears that an additional two months should be allowed for the completion of this building;

Whereas, the Owner duly requested the Government, through the Public Works Administration, to consent to an extension of the time for the completion of the Project; and,

Whereas, the Public Works Administration has considered such request for an extension of the completion time for the Project and pursuant thereto has forwarded to the Owner a consent to the extension of the Project completion date which is in words and figures as follows:

WAIVER

Paragraph 3 of the said amended Offer, as modified by a Waiver dated November 14, 1940, permits the completion of the Project not later than November 30, 1940, but upon certain conditions therein stated.

Said Paragraph 3 is hereby further waived to the extent necessary to permit completion of the Project not later than January 31, 1941, but upon the conditions (1) that no further extension of time will be granted; (2) that in determining the cost of the Project for the purpose of computing the amount of the grant, the cost of any work done or performed subsequent to January 31, 1941, shall be excluded; (3) that the Applicant, by appropriate action, duly agrees to reimburse the Government for such expenses (including salaries) for field inspection and auditing, incurred by the Government after August 31, 1940, as, in the determination of the Commissioner, are reasonably chargeable to the Project; and (4) that no part of such amount to be reimbursed to the Government shall be included in the Project costs upon which the amount of the grant shall be computed.

UNITED STATES OF AMERICA
Federal Works Administrator

By: J. J. MADIGAN
Acting Commissioner of Public Works

Whereas, the owner has received a copy of Letter of Instructions No. 222, dated August 9, 1940, issued by the Commissioner of Public Works of the Public Works Administration, which indicates the nature of the field inspection and auditing expenses that may be incurred; and,

Whereas, said consent and said Letter of Instructions No. 222 have been duly read in open meeting and carefully considered; and,

Whereas, under the terms of such consent the extension of the completion date for the Project has been granted upon the condition that the Owner, by appropriate action, duly agrees to reimburse the Government for such expenses (including salaries) for field inspection and auditing incurred by the Government after August 31, 1940, as, in the determination of the said Commissioner of Public Works, are reasonably chargeable to said Project, and upon the further condition that no part of the amount to be reimbursed to the Government shall be included in the Project costs upon which the amount of the grant shall be computed; and,

Whereas, it is deemed desirable and for the best interests of the Owner to agree to reimburse the Government for such expenses in accordance with the provisions of such consent and to take such appropriate action as may be deemed necessary to carry out the provisions hereof;

Now, therefore, be it resolved, by the Board of Trustees of the University of Illinois as follows:

SECTION 1. That the above quoted consent is hereby deemed acceptable and satisfactory, and, pursuant to the conditions therein, it is hereby specifically covenanted, agreed, and directed that the Owner shall reimburse the Government for such expenses (including salaries) for field inspection and auditing, incurred by the United States of America after August 31, 1940, as in the determination of the said Commissioner of Public Works are reasonably chargeable to the Project.

SECTION 2. That the amount to be reimbursed to the United States of America pursuant to such consent and to the within resolution shall be considered as a cost to the Owner of constructing said Project but shall not be included in the Project costs upon which the amount of the grant payable to the Owner shall be computed by the Government.

SECTION 3. That such amount to be reimbursed to the United States of America as aforesaid shall be provided and made available.

SECTION 4. That the Secretary be and he is hereby authorized and directed forthwith to send to the Public Works Administration two certified copies of the proceedings of the Board of Trustees of the University of Illinois in connection with the adoption of this resolution (setting forth this resolution in full) and such further documents or proofs as may be necessary to evidence the legal enforceability of the Owner's agreement to reimburse the Government for the field inspection and auditing costs aforesaid, and such further documents as may be required by the Public Works Administration.

On motion of Mr. Jensen, this resolution was adopted, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mr. Mayer, Mrs. Plumb, Mr. Wieland.

REPORT OF PROGRESS ON CONSTRUCTION OF MEN'S RESIDENCE HALL

(13) The Director of the Physical Plant Department has been requested to submit periodically reports on the progress of construction of the Men's Residence Hall. The following reports the situation as of December 1:

"In the early stages of this project, the general contractor was attempting to get the three units so organized that crews could move from one unit to the other, permitting steady employment among the various trades, so that he could be assured of competent workers in sufficient number. I am sure you can appreciate the value of the latter in view of the demand for them at Chanute Field. The construction reached such a stage about a month ago, but since that time, his progress has not been at all satisfactory, a situation which he himself admits. The disturbing fact is that he is facing unfavorable weather for the next several months.

"We had another conference with him last Friday, at which time he stated that their principal trouble was the failure of the mortar to set up and the impossibility of adequately protecting the masonry walls from the weather. We agreed to his proposal to change the mortar mix and to get a softer back-up brick with a higher absorption. This, he believes, should eliminate their biggest problem. I do not know how successful they will be, but it is becoming more and more difficult for them to regain their lost time on the schedule, which was, at the best, difficult to maintain. There is always the possibility of additional shifts, but we have never been very successful in getting contractors to do this.

"In fairness to the contractor, we have found him a very pleasant and cooperative individual to work with, and one who, to date at least, has made no attempt to offer alibis or try to pass the responsibility for delays to someone else."

The Physical Plant Department also reports that the contractor has submitted a revised progress schedule, showing how he proposes to regain the time lost, and he is now actually ahead of the *new* schedule.

This report was received for record.

At this point, Mr. Pogue, being called from the room, asked Mr. Cleary to take the chair.

CONTRACT CHANGE ORDERS ON THE POWER PLANT

(14) A recommendation from the Director of the Physical Plant Department for the approval of the following changes in the contract with the William A. Pope Company, Chicago, for the piping system and miscellaneous equipment in the new Power and Heating Plant:

Contract Change Order No. 6

| | |
|---|------------|
| Omission of steam-driven stoker engine and mechanical drive— credit..... | \$1 977 00 |
| Additional piping on discharge of two turbine-driven boiler feed pump relief valves—extra..... | \$144 32 |
| Change in type of meters on condensate return—extra... | 220 35 |
| Alteration on Venturi meter—extra..... | 18 00 |
| Furnishing float gauge for Permutit system—extra..... | 118 62 |

| Additional anchors and supports for 12" exhaust headers near entrance to tunnel—extra..... | 136 85 |
| Revision of soot blower lines and drains—extra..... | 639 20 |
| Installation of city water piping to generators for fire protection—extra..... | 418 99 |
| <i>Total Extras</i> | <u>1 696 33</u> |
| <i>Net Credit</i> | \$ 280 67 |

On motion of Mr. Davis, these changes were authorized.

POWER PLANT CONTRACT CHANGE ORDER

(15) The Director of the Physical Plant Department recommends approval of Change Order No. 4 in the contract with the Allis-Chalmers Manufacturing Company for equipment for the new Power and Heating Plant, increasing the contract by \$3,754 for installation of one complete set of primary and control switchgear equipment (to complete unit No. 13) to provide for interchange of power service with the Illinois Iowa Power Company.

The Board of Trustees, on October 21, 1940 (Minutes, page 105), authorized an agreement for the interchange of electric service. The additional equipment to be purchased duplicates that which has already been furnished under an existing contract with the Allis-Chalmers Manufacturing Company.

On motion of Mr. Davis, this change was authorized.

CONTRACT CHANGE ORDERS ON P.W.A. PROJECTS

(16) A recommendation from the Director of the Physical Plant Department that the following contract change orders be authorized:

Illini Union Building

Contract Change Order No. 11 with the Wadeford Electric Company for electrical work.

- (1) Incidental changes in electrical connections to motors throughout the building in accordance with quotation dated November 4, 1940..... \$307 75

On motion of Mr. Davis, these changes were authorized as recommended, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mr. Mayer, Mrs. Plumb, Mr. Wieland.

PROPERTY ON GREEN STREET IN URBANA

(17) The Turner property at 1206 West Green Street, Urbana, has been offered for sale to the University at a price of \$10,000, of which \$1,000 shall be payable immediately and the balance on or before July 1, 1941, the owner to retain possession until that date and the University to assume all taxes for 1940 and due in 1941. There is a commercial structure in front of the house, which has been leased until September 1, 1941, so that the sale is necessarily subject to this lease.

If this property is not sold, the owners plan to improve it by removing the old residence and constructing on the lot an apartment building.

While the University has no *immediate* need for the property, it is part of the area which will be needed eventually for the orderly development of the plant of the College of Engineering. The Transportation, Ceramics, and the Locomotive Laboratory buildings are in this block. In fact, all the area from Wright Street on the west to Goodwin Avenue on the east, and from Green Street north to Springfield Avenue should eventually be available for the College of Engineering and the Physical Plant Department.

In view of these factors, it is desirable that the University acquire this property, if possible, in the interest of future development, and I so recommend.

On motion of Mr. Karraker, this purchase was authorized on the

terms offered, and an appropriation of \$1,000 was made from the General Reserve Fund for the first payment, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mr. Mayer, Mrs. Plumb, Mr. Wieland.

DURAND HOSPITAL AND THE McCORMICK INSTITUTE FOR INFECTIOUS DISEASES

(18) At the meeting of the Board on January 27, 1940 (Minutes, page 723), a report was made on the possibilities of acquiring the properties of the Durand Hospital and the McCormick Institute for Infectious Diseases in Chicago for use as a students' residence hall. The Board then referred the matter to the President of the University for further study.

A committee consisting of the Executive Dean of the Chicago Colleges, the Director of the Physical Plant Department, and the Comptroller, was appointed to study this proposal. I submit a report from this committee, a copy of which is hereby given to the Secretary of the Board for record. As this report indicates, the committee recommends that no attempt be made by the University to acquire these properties or secure their use at the present time.

On motion of Mr. Jensen, the recommendation of the special committee was adopted.

AMENDMENT OF STATE FISH AND GAME CODE

(19) The field instruction and scientific investigation conducted by certain biological departments, particularly the Department of Zoology, require instructors and students to secure specimens under circumstances which are violations of the State Fish and Game Code, except during the limited open seasons. The State Department of Conservation and the State Natural History Survey have extended to instructors and students in that department many courtesies (chiefly letters explaining the character of their work and requesting game wardens not to interfere with it), but such precautions are at best extra-legal. At one time the Department of Conservation deputized students registered in certain courses to permit them to carry on their field work, but when that arrangement expired it was not renewed, on the ground that it is not legal.

The Department has requested, therefore, that the University seek to have the State Fish and Game Code amended to include in the exemptions from its provisions members of the staff and students of the University of Illinois, when engaged in research and instruction in wild life. The Code now exempts members of the scientific staff of the State Natural History Survey when engaged in investigational work.

I recommend that the Board authorize the sponsorship of such an amendment by the University.

On motion of Mr. Cleary, the introduction of this legislation was authorized.

UNIVERSITY OF ILLINOIS LEGISLATION PROPOSED FOR INTRODUCTION IN THE 62ND GENERAL ASSEMBLY (1941)

(20) In view of the various proposals for University of Illinois legislation to be presented to the 62nd General Assembly in 1941, the Board may wish to consider the number of bills this will require and decide upon a policy or program. These proposals are:

1. The regular appropriation for the biennium, 1941-1943.
2. Appropriation for maintenance and operation of the Research and Educational Hospitals, if the plan now under consideration is approved by all parties concerned.
3. Appropriation for Agricultural and Home Economics Extension, heretofore made to the State Department of Agriculture.
4. An act authorizing the Board of Trustees to issue bonds for financing the construction of self-liquidating projects and for refinancing existing projects already under way.

5. Amendment of the law relating to General Assembly scholarships to provide that (a) a candidate for a General Assembly scholarship must be in the upper 50 per cent of his high school graduating class or must have achieved an average of 15 points above the passing grade of any college or university in which he was enrolled; (b) a holder of a scholarship must maintain a satisfactory scholastic standing to retain his scholarship; and (c) the holder shall be exempt from the payment of the incidental and tuition fees charged in the undergraduate colleges (i.e., those admitting students directly from high school); and when a scholarship is awarded to a candidate entering one of the professional schools, or having attended one of the undergraduate colleges and the holder transfers to a division of the University in which higher fees are charged, he shall be required to pay the difference.

6. Amendment of the law relating to County scholarships to provide that (a) a candidate must receive a grade of 70 or more in a competitive examination to be eligible for a scholarship; (b) the number of these scholarships in Cook County be increased to provide for one from each Congressional district in that area.

7. Amendment of act providing for joint operation of the Research and Educational Hospitals by the University and the Department of Public Welfare to include the Illinois Eye and Ear Infirmary.

The important item in this program is the biennial appropriation, and all others should be subordinate thereto. The more subjects of University legislation there are before the General Assembly, the more complicated becomes its general program. These items were reported to the Board at the meeting on December 5, but there was no opportunity for any extended discussion, and I would suggest that the Board give this program further consideration with a view to eliminating some of these items from the program.

Mr. Davis reported on conferences with the Governor and members of the General Assembly on the program for the operation of the hospitals.

This report was received for record. It was the judgment of the Board that the scholarship legislation should not be introduced in either house of the General Assembly until the appropriation bills have been disposed of in that house.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(21) A report of the approval of the following agreements for cooperative investigations:

1. Phenolphthalein Research, Incorporated, a continuation of investigations in the field of pharmacology (previously carried on under the direction of the late Dr. Bernard Fantus). These investigations have been going on for the past several years under an informal agreement in which Phenolphthalein Research, Incorporated, has agreed to all statutory conditions governing such investigations. The agency has offered to contribute \$12,000 for the continuation of these investigations under the same conditions for the year 1941.

2. Public Service Company of Northern Illinois, a cooperative investigation of the application of electric power to field operations in farming, to adapt electric power to drawbar equipment, to develop new equipment if necessary, and to test this electrically operated equipment in actual field operations, by the Agricultural Experiment Station. The agreement is drawn for a period of two years from January 1, 1941, with provisions for its extension upon mutual agreement. The Company agrees to pay the sum of \$2,500 during the first year and \$2,500, or so much thereof as may be needed, during the second year of this investigation.

On motion of Mr. Jensen, these agreements were approved.

RECOMMENDATIONS FROM THE FACULTY COMMITTEE ON PATENTS

(22) The Faculty Committee on Patents has submitted the following report and recommendations:

1. Dr. R. M. Stephan, Assistant in Operative Dentistry, has discovered a

chemical for the control of dental caries. The Committee recommends that Doctor Stephan be authorized to apply for a patent, the same to be assigned to the University. Dr. William H. Welker, Head of the Department of Physiological Chemistry, and Executive Dean Allen recommended that a patent application be filed.

2. Mr. Arthur Toy, a graduate student working under the direction of Dr. L. F. Audrieth, Associate Professor of Chemistry, has isolated a number of morpholine derivatives of alkyl and aryl phosphoric acids. It is possible that the properties of the new class of compounds are such as to have some slight commercial value. This is, however, uncertain, and at best so relatively insignificant that on the advice of Professor Roger Adams, Head of the Department, the Committee recommends that the discovery be released to Mr. Toy. It is extremely doubtful that the University will have any interest in the discovery.

3. Dr. H. E. Carter, Assistant Professor of Chemistry, has worked out certain improvements in the method of preparing one of the intermediates—*alpha*-hydroxy-*beta*-dimethyl-*gamma*-butyrolactone. The modified method is said to give better yields and to be more convenient than those previously reported. The Committee concluded that the discovery was of such doubtful value from every standpoint as not to justify the expenditure of University funds for filing an application for a patent. The Committee, therefore, recommends that the discovery be released to Doctor Carter.

On motion of Mr. Karraker, the application for patent by Dr. Stephan was authorized, and the release of rights to discoveries by Mr. Toy and Dr. Carter was made as recommended.

PATENT ON IRRADIATED PHENOLPHTHALEIN

(23) The Secretary of the Board of Trustees reports the receipt of United States Patent No. 2,225,756, issued December 24, 1940, to Ludwig Pincussen, assignor to the Board of Trustees of the University of Illinois, for "Methods for Making Irradiated Phenolphthalein"; and also the assignment of application for patent by Doctor Pincussen, which was recorded in Book X185, Page 324, on November 23, 1940.

This report was received for record.

PURCHASES RECOMMENDED

(24) A recommendation that the following purchases be authorized:

1. 222 cases pyrex laboratory glassware for the General Chemical Stores, from Wilkens-Anderson Company, Chicago, in the amount of \$1,782.70, and from E. H. Sargent and Company, Chicago, in the amount of \$1,773.30.

2. English finish book paper—935 reams 27½ x 38½—40 lb., for printing the University catalog, from the Newhouse Paper Company, Moline, Illinois, the lowest bidder, at a price of \$4.15 cwt., totaling approximately \$1,494.

3. 48 student microscopes for resale to medical and dental students, from A. S. Aloe Company, distributor, at a total price of \$5,796.48. List prices of such equipment and discounts are established by manufacturers and are uniform. The maximum discount is 20 per cent on 25 or more instruments of one make. The Aloe Company is the only dealer which will supply either Spencer or Bausch & Lomb microscopes, combining quantities for discount purposes.

4. 540 feet of four conductor lead covered power cable from the General Electric Supply Corporation, Chicago, Illinois, at a price of \$1,817.64 f.o.b. Urbana. Identical quotations were received on this cable from six bidders. The General Electric Supply Corporation is recommended because it can deliver earlier than the others.

5. Furniture for student rooms in Men's Residence Hall:

| | | |
|-----------------|-------------------|-----------------------|
| 253 single beds | 369 study chairs | 66 double chests |
| 58 double beds | 223 easy chairs | 67 single book cases |
| 369 study desks | 237 single chests | 151 double book cases |

from Chittenden and Eastman Company, Burlington, Iowa, the lowest bidder, at a cost of \$25,188.84 f.o.b. delivered and installed. Bids based on uniform specifications and drawings were secured from ten dealers and provisions were made for various alternates for additions or deductions. The Chittenden and Eastman Company was the lowest bidder on gross as well as net proposals.

On motion of Mr. Davis, these purchases were authorized as recommended.

PURCHASES AUTHORIZED

(25) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. Lumber for the Physical Plant Stock as follows:
 - 8000 feet 1 inch B & Better Genuine Northern White Pine
 - 2000 feet 1¼ inch B & Better Genuine Northern White Pine
 - 2000 feet 2 inch B & Better Genuine Northern White Pine
 from the White Pine Lumber Company, Chicago, the lowest bidder, at a total cost of \$1,426.00 f.o.b. Urbana.
2. Cast iron water main for auxiliary line to new Power Plant, from the American Cast Iron Pipe Company, Chicago, the lowest bidder, at a cost of \$2,292.74 f.o.b. freight allowed to Urbana.
3. One Hayes x-ray diffraction unit, complete with power plant, one copper target x-ray tube, and four flat cassettes—from the Hayes Scientific Appliances, Urbana, at a cost of \$1,700, less 2%, or \$1,666 f.o.b. Urbana, installation included.
4. 3200 feet of four conductor No. 4 A.W.G. lead covered cable for the new Power Plant from the Middle States Electric Company, the lowest bidder, at a price of \$2,438.40 f.o.b. Urbana, which includes \$100 for reels which are returnable for credit.

On motion of Mr. Jensen, the action of the President in authorizing these purchases was confirmed.

REPORT OF DEATH BENEFITS PAID

(26) A report that the Comptroller has been authorized to pay the death benefits to the beneficiaries of the following members of the staff in accordance with the University Statutes and the terms of their employment:

W. S. Goodspeed, University Mechanician—\$487. Mr. Goodspeed was in the active service of the University from July 1, 1905, to January 1, 1932, when he was retired. He died on December 11, 1940.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(27) The Comptroller's report of leases executed under general regulations of the Board of Trustees:

CONTRACTS EXECUTED BY THE COMPTROLLER NOVEMBER 23, 1940, TO JANUARY 14, 1941

| <i>With Whom</i> | <i>Property</i> | <i>Tenure</i> | <i>Amount to be received by University</i> | <i>Date</i> |
|------------------|-----------------|---------------------------------------|--|------------------|
| Clora Potter | Bradley Hall | December 9, 1940, to June 30, 1941 | \$1,073.55 | December 9, 1940 |

This report was received for record.

PAINTINGS BY VISITING PROFESSORS OF ART

(28) It is customary for each Carnegie Visiting Professor of Art to execute, while at the University, a painting of a subject of his own choosing and to present it to the institution. The following have been presented to the University by Carnegie Visiting Professors of Art and Resident Painters:

Mr. Dale Nichols, 1939-1940, "I Cultivate My Garden."

Mr. Robert Philipp, 1940-1941, a portrait of the President of the University.

On motion of Mr. Davis, these gifts were accepted with thanks.

EXEMPTION FROM FEES FOR MEMBERS OF STAFF

(29) Under the University of Illinois Statutes, members of the staff may register in University classes for credit at the rate of \$2.50 per credit hour for undergraduate and professional work and \$10.00 per unit for graduate work in Urbana and Chicago; but all individuals receiving a salary of \$1,600 per year or less, who are registered in the Graduate School, are exempt from the payment of any fees in courses for graduate credit.

The Executive Committee of the College of Medicine has recommended that this provision be changed so that members of the faculty of that College registering for pre-clinical courses (i.e., those offered during the first two years of the medical curriculum) be exempt from the payment of any tuition fees. This request was referred to the standing Faculty Committee on Fees and Scholarships for its consideration and advice, and that committee has recommended that members of the junior faculty (those departments offering instruction in the first two years of the medical curriculum) who have the degree of Doctor of Philosophy be permitted to enroll in pre-clinical courses in the College of Medicine without payment of tuition fees. The committee recommends that this be restricted to members of the faculty *who are now on the staff*.

I concur in this recommendation.

On motion of Dr. Meyer, this recommendation was approved.

PURCHASE OF DAIRY PRODUCTS FOR ILLINI UNION BUILDING

(30) The opening of the Illini Union Building will present an important problem with respect to securing the necessary dairy products for the food services to be operated in that building. It is obviously essential that only products of the highest quality, safety, and sanitary excellence be served. To that end, only dairy products of the highest quality obtainable should be served. Furthermore, it is the hope of the Food Service Manager of the building to be able to increase the consumption of milk products and thereby aid in maintaining and improving student health.

The Dairy Department is not in a position to supply all necessary products from University herds without suspending completely its retail deliveries. Such a step in the opinion of the Department is undesirable because a certain amount of retail trade is essential in maintaining a well-rounded instructional and research program. The Dairy Department however is in a position to secure from outside sources milk of a satisfactory sanitary standard, and to process this milk fully in its own plant. In this way all milk delivered to the Union Building would be of the highest sanitary standards. The same is true of other dairy products.

After considering this matter carefully with the University Health Officer, the Dean of the College of Agriculture, the Comptroller, and the Food Service Manager of the Union Building, it is recommended that the President of the University be given authority to arrange for procuring all milk products needed for the Union Food Services through the Dairy Department of the University.

The President of the University was authorized to proceed in accordance with this program.

ILLINI UNION BOARD

(31) On July 15, 1938 (Minutes, page 11), the Board authorized the establishment of an "Advisory Committee on Management and Operation of the Illini Union Building" consisting of the Director of the Physical Plant Department as Chairman, two members of the faculty to be appointed by the President of the University, the President of the Alumni Association or his representative, four students, two to be elected from the junior class for two-year terms by the Student Senate, and the Comptroller, who is also *ex officio* Treasurer of the University of Illinois Foundation.

The Advisory Committee recommends that its title be changed to "Illini Union Board" and that it be given the following general authority:

1. Determination of general policies as to rates and charges for the use of the facilities within, and incidental to the operation of, the Illini Union Building subject to final approval by the Board of Trustees of the same.
2. Determination of general policies governing operation of the following services within the building, including all food service, bowling alleys and other recreational areas, guest rooms, checking facilities, and ticket selling facilities; the building manager shall have the responsibility for the successful operation of these functions.
3. Jurisdiction over policies of space assignments to secure the most effective use of the building.
4. Determination of policies relating to the use of the building by graduate

students, faculty, alumni, and all non-student groups and organizations entitled to such privileges.

5. Activities of undergraduate student organizations carried on in the building shall be under the authority of the Senate Committee on Student Affairs. Student requests will be subject to final approval by the Social Director as the executive agent of the Committee for all activities in the building. The Illini Union Board will cooperate with the Committee in providing a broad student program in the building.

I recommend approval.

On motion of Mr. Cleary, these recommendations were approved.

USE OF ILLINI UNION BUILDING BY LOCAL ORGANIZATIONS IN CHAMPAIGN-URBANA

(32) Under the University Statutes, University buildings may be used by student and faculty organizations, and for meetings of a non-local character of public or educational significance.

The Director of the Physical Plant Department requests that the Board of Trustees authorize an exception to this provision, incidental to the opening of the Illini Union Building, by permitting certain local organizations in Champaign and Urbana (such as the service clubs and the associations of commerce) to hold one meeting each in the building to give them an opportunity to inspect it and to give University officials an opportunity to explain the policies governing its operation and use.

I recommend approval.

On motion of Mr. Jensen, this use of the Illini Union Building was authorized as recommended.

TUITION AND FEES

At this point, Mr. Jensen, for the special committee on fees and scholarships, presented a recommendation that the report presented September 27, 1940 (Minutes, page 44), be amended as follows:

Under the head "Tuition Fees," change section 7 to read as follows:

"7. The tuition fee for non-residents of Illinois in all undergraduate colleges and divisions on the Urbana campus shall be double the resident fee."

Add two sections, as follows:

"8. The tuition fee for non-residents of Illinois in all graduate colleges and divisions on the Urbana campus shall be increased \$7.50 a semester."

"9. The tuition fee charged graduate students enrolled for not more than two units of work shall be \$10 a unit for residents of Illinois and \$20 a unit for non-residents, in all divisions of the Graduate School."

Under the head "Summer Session Fees," change sections 1 and 3 to read as follows:

"1. The resident tuition fee in all colleges and divisions on the Urbana campus shall be increased \$5, making the general tuition fee \$25."

"3. The single course fee shall be \$10 for a three-hour course for residents and \$20 for non-resident students."

On motion of Mr. Jensen, these amendments were adopted as recommended, and the Secretary was authorized to correct the minutes of the meeting of September 27, 1940, accordingly.

BONDS OF EMPLOYEES

Mr. Karraker, for the Finance Committee, submitted a schedule of changes in the list of persons, members of the staff and employees of the University, who are under bond because they handle funds, make purchases, or sign the names of the President and the Secretary of the Board. Five names are deleted and sixteen added. With these changes, the bond now covers a total of 121 persons in amounts from \$1,000 to \$50,000, a total of \$342,000.

On motion of Mr. Karraker, these changes were approved and the list was filed with the Secretary of the Board.

STUDENT LOANS—PERSONS IN MILITARY SERVICE

Mr. Karraker, for the Finance Committee, recommended the adoption of the following statement of policy.

All members of the armed forces of the United States who are obligated to the University of Illinois student loan funds may, when necessary, have an adjustment made in their programs of payment to be effective during their periods of active duty. Individual cases will be decided on their merit, but in no cases will interest payments be suspended, and in only extremely needy cases will principal payments be reduced to as low as one dollar a month.

On motion of Mr. Karraker, this statement of policy was adopted. At this point, Mr. Mayer took his place with the Board.

RETIREMENT SYSTEM

Mr. Karraker also presented the following report.

The Finance Committee reports progress on the study of changes in the Retirement and Death Benefit System referred to it by the Board some time ago. It requests authority to engage Arthur S. Hansen, consulting actuary, to assist the faculty committee in its studies. Mr. Hansen is also assisting the Illinois Legislative Council in a study of a pension plan for State employees. It also requests an additional appropriation of \$1,500 to meet this and other expenses of the study.

On motion of Mr. Mayer, these recommendations were adopted, and the appropriation was made, by the following vote: Aye, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Karraker, Mr. Mayer, Dr. Meyer, Mr. Pogue; no, none; absent, Mr. Adams, Mr. Green, Mrs. Plumb, Mr. Wieland.

CARTER-PENNELL FARMS

Dr. Meyer, for the Committee on Agriculture, reported a recommendation that the report of the operation of the Carter-Pennell Farms for the year ending February 29, 1940, be approved, and that \$1,000 of the cash balance be transferred to the student loan fund in accordance with the wishes of Mr. and Mrs. Carter, a reserve of \$1,000 be carried in the operating account, and the remainder be used for replacements and repairs, as recommended in the report.

On motion of Dr. Meyer, these recommendations were approved.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board resumed consideration of matters presented by the President of the University.

FIRE PREVENTION ON URBANA CAMPUS

(33) The National Board of Fire Underwriters Committee on Fire Prevention and Engineering Standards has issued a report (Report No. 295) on the Cities of Champaign and Urbana, including the University of Illinois. Since the receipt of that report, the Physical Plant Department has been estimating the cost of the specific recommendations with the intention of submitting its comments and estimates on the proposal of the National Board. In the meantime, however, it has received a report from the Western Factory Insurance Association on the improvements necessary if fire insurance is carried on all University buildings. The inspection of University buildings by the Western Factory Insurance Association was made with University permission but at the suggestion of the Association.

The cost of meeting the recommendations of the National Board of Fire Underwriters and the Western Factory Insurance Association is so great that it raises again the question of whether or not the University should maintain an

independent fire station and carry its own risks, or purchase this protection from insurance companies. The Physical Plant Department is studying this problem.

On motion of Dr. Meyer, this matter was referred to the Committee on Buildings and Grounds for study and report.

W.P.A. MUSEUM EXTENSION PROJECT

(34) The Work Projects Administration has asked the University of Illinois to undertake the sponsorship of a state-wide museum extension project, calling for a total expenditure of \$2,295,695, of which \$616,842 would represent the contribution of the sponsor (the University and cooperating agencies).

The President of the University was asked to secure more information on this matter.

APPOINTMENT OF MISS JEAN SIMPSON AS ASSOCIATE PROFESSOR OF HOME ECONOMICS

(35) The Dean of the College of Agriculture recommends the appointment of Miss Jean Simpson, Assistant Professor of Household Science at the University of Toronto, as Associate Professor of Home Economics and Associate Chief in the College of Agriculture and the Agricultural Experiment Station for one year from September 1, 1941, at a salary of \$3,600.

I concur in this recommendation.

On motion of Mr. Jensen, this appointment was made as recommended.

APPROVAL OF THE MINUTES

The Secretary presented the minutes of the meetings of the Board of September 27, October 21, November 14, and December 5, 1940, and (for record) the minutes of meetings of the Executive Committee of September 27, October 21, and December 5, 1940.

On motion of Mr. Jensen, the minutes, as corrected above, were approved and received for record respectively as printed on pages 27 to 150 above.

VICE CONDITIONS IN UNIVERSITY COMMUNITY

(36) On June 8, 1939 (Minutes, page 352), the Board received a report from the President of the University on a plan for continuous measures to combat vice conditions in the University community. This report was approved, and the President was requested "to cooperate with the citizens of Champaign and Urbana in the elimination of vice, offering such assistance as the Board may properly and legally give."

I submit herewith a report on activities pursuant to these instructions and on the present status of conditions in the University community.

This report was received for record, and the Secretary was instructed to send to Director C. S. Havens of the Physical Plant Department an expression of its appreciation of the value and effectiveness of his work for the improvement of these conditions.

GENERAL UNIVERSITY ADVISORY COMMITTEE

(37) It is recommended that the Board of Trustees authorize the appointment, by the President of the University, of a permanent "General University Advisory Committee" on which he may call, from time to time, for aid in promoting the University's development and welfare, and for advice on questions of policy, particularly those affecting the University's public relations.

The committee in mind should consist of 60 or 75 prominent citizens with the following general qualifications: Men who are prominent in business or

professionally and thus are well known in their local communities, who are willing to work for the University's welfare as demonstrated by past performance, and who would serve on such a committee solely in the interests of the University and not for any faction or self-interest.

This is not to be a committee of the Alumni Association, and its members will not be asked to engage in activities of that organization or of the University of Illinois Foundation, except incidentally to their work for the University. Specifically, the committee will not be called upon for solicitation of funds. It will be a general University advisory committee appointed by the President of the University, with the knowledge and approval of the Board of Trustees, somewhat of the character of the Advisory Committees of the College of Agriculture, the College of Commerce, and other divisions.

The Board approved this program in principle.

AFFILIATION WITH PRESBYTERIAN HOSPITAL AND RUSH MEDICAL COLLEGE

(38) A report of progress on the negotiations with officers of Rush Medical College and the Presbyterian Hospital looking toward affiliation with the University of Illinois College of Medicine.

The question of the transfer of endowment assets which have been given to the University of Chicago for the support of certain activities in the Rush Medical College presents some complications. In the instance of some of these assets the gifts have been made to certain departments for specific purposes in the Rush Medical College. It is difficult, therefore, legally to make transfers to other agencies.

A suggestion is made that individuals now on the Rush faculty who are benefiting from income from existing endowments in their appointment to the University of Illinois faculty be named Rush professors of the field in question. This would carry forward the name of Rush and would possibly satisfy the legal requirements.

Dean Allen commented on this matter.

On motion of Mr. Cleary, Dean Allen was authorized to tell the officers of Rush Medical College and the Presbyterian Hospital that in the event the Rush charter is relinquished by the University of Chicago, the University of Illinois would agree to the continuation of the Rush trustees and faculty, and, to whatever extent the members of that faculty become members of the University of Illinois faculty, they should be known and designated as Rush professors.

RECOGNITION OF PROMINENT CITIZENS AND ALUMNI

(39) A statement concerning the desirability of establishing a definite and effective policy of recognition of prominent citizens and alumni.

On motion of Mr. Jensen, this matter was referred to the Committee on General Policy for study and report.

FIELD HOUSE ON CAMPUS

(40) A statement concerning the proposal to erect a field house for athletic and other events on the campus.

Director Havens was requested to confer with the Athletic Association and report to the Board.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

February 21, 1941

The February meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a.m. on Friday, February 21, 1941.

When the Board convened, the following members were present: President Pogue, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Mayer. Mr. Park Livingston, member-elect, was present during the day.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Professor Lloyd Morey, Comptroller, Judge Sveinbjorn Johnson, University Counsel, and Mr. H. E. Cunningham, Secretary. Director C. S. Havens of the Physical Plant Department was present during part of the day.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 22, 1941, and also, for record, the minutes of a meeting of the Executive Committee on January 22, 1941.

On motion of Mr. Jensen, the minutes were approved and received for record as printed on pages 151 to 178 above.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

BIENNIAL BUDGET FOR 1941-1943

(1) The following letter has been received from the Governor of Illinois:

January 28, 1941

Dr. Arthur C. Willard
President, University of Illinois
Urbana, Illinois

MY DEAR DOCTOR WILLARD:

Your budget estimates for the biennium beginning July 1, 1941, were submitted to the Department of Finance as required by law, and were incorporated in the Provisional Budget included in Governor Stelle's message to the General Assembly.

The statute provides that the Governor shall as soon as possible and not later than four weeks after the organization of the General Assembly submit a State budget embracing therein the amounts recommended by him to be appropriated to the respective departments, offices and institutions, and for all other public purposes, the estimated revenues from taxation, the estimated revenues from sources other than taxation, and an estimate of the amount required to be raised by taxation.

It is suggested that you review the itemized budget previously submitted, and discuss with me any revisions which you wish to recommend.

Sincerely yours,

DWIGHT H. GREEN

Governor

Subsequently the Governor's Secretary has advised that the Illinois Budgetary Commission will meet at the Executive Mansion on February 24 at 8:30 p.m. to discuss with representatives of the University questions involving its budget for 1941-1943, and that the Governor expects to be present at this meeting. I have replied that University representatives will meet with the Governor and the Commission at the appointed time.

In accordance with the Governor's request, the President of the University and his advisers have been reviewing the biennial budget for 1941-1943 as approved by the Board of Trustees on October 21, 1940 (Minutes, pages 100-102), and submitted to the State Department of Finance. A report of this review will be presented to the Board at this meeting for its instructions to the President in discussing the University budget with the Governor and the Budgetary Commission. When a biennial budget has been adopted by the Board of Trustees no officer of the institution has authority to make or agree to any changes therein except on specific instructions from the Board.

The University Council¹ at a meeting on February 18 was also asked to consider any revisions in the budget which, in its judgment, should be recommended to the Board of Trustees in the light of developments since its previous recommendations were submitted last fall. It was the unanimous opinion of the Council that the budget, as approved by the Board of Trustees on October 21, 1940, is not only a minimum budget but that it is now actually inadequate in the light of certain developments within recent months. These include such factors as higher salaries which must be paid in filling vacancies and in retaining personnel in the face of competition for their services by industries and the Federal Government, increased costs of supplies and materials, and the probability of an increase in enrollment during the next biennium. (This estimate of enrollment is based on significant increases in high school enrollments, which data were not available when the President and the University Council submitted their original recommendations to the Board of Trustees in October.)

¹The Council consists of the President, the Provost, the Deans of the Colleges, the Directors of the Schools, the Director of the Library, the Director of University Extension, and three representatives elected by the University Senate or general faculty. The Council acts in the capacity of advisor to the President and meets on his call. The President is required, under University Statutes, to secure the Council's recommendations, assisted by the Comptroller and the Director of the Physical Plant Department, in the preparation of annual and biennial budgets.

This report was received for record.

BUDGET FOR RESEARCH AND EDUCATIONAL HOSPITAL

(2) At the meeting of December 5, 1940 (Minutes, pages 134-137), the Board received a preliminary budget of the Research and Educational Hospital, including the new Neuropsychiatric Institute. This budget was based on the expectation that the University would operate the new Neuropsychiatric Institute in accordance with the action of the Board at its meeting November 14, 1940 (Minutes, page 118).

On December 5 the Board deferred action on the proposed budget, pending further discussion with the Department of Public Welfare. This discussion has been carried out recently with the new Director of the Department, Mr. Rodney Brandon. As a result the following recommendations are submitted:

1. That the Board of Trustees rescind the action of November 14, 1940, providing that the new Neuropsychiatric Institute be included in the transfer to the University, thus leaving the action relating to this transfer the same as that covered by the report of the special committee on future management and operation of the Research and Educational Hospital presented to and approved by the Board October 21, 1940 (Minutes, pages 103-104).

2. That the following budget for the Research and Educational Hospital, including the reimbursement for services to be rendered to the Department of Public Welfare by the University for the coming biennium, be approved, and the President of the University be authorized to introduce an appropriation bill covering this budget.

EXCHANGE OF PROFESSORS WITH THE UNIVERSITY OF FLORIDA

(4) Assistant Professor Paul M. Green, of the Department of Economics, has requested permission to exchange his position with Professor D. M. Beights, of the University of Florida, from February 1 to June 30, 1941. The Board of Trustees has recognized the advantages of such exchanges by including a provision in the University Statutes authorizing the necessary arrangements.

Since it was necessary to make this exchange effective at the beginning of the second semester, I have authorized a leave of absence for Professor Green without pay from February 1 to June 30, 1941, and the appointment of Professor Beights as Assistant Professor of Economics for five months from February 1, 1941, at a salary rate of \$3,500 a year, which is the same as received by Professor Green. Any salary adjustments to take care of the financial equities involved will be made directly between Professor Beights and Professor Green under a plan to which they have agreed.

I request confirmation of these actions.

On motion of Mr. Davis, these actions were confirmed.

**APPOINTMENT OF DR. PAUL C. BUCY AS ASSOCIATE PROFESSOR
IN THE DEPARTMENT OF NEUROLOGY AND
NEUROLOGICAL SURGERY**

(5) On a recommendation of the officers concerned, I have approved the appointment of Dr. Paul C. Bucy, of Chicago, as Associate Professor in the Department of Neurology and Neurological Surgery without salary from February 15 to August 31, 1941, and request confirmation of this action.

On motion of Mr. Davis, this action was confirmed.

LEAVES OF ABSENCE

(6) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

Dr. Edmund Whittaker, Associate Professor of Economics, sick leave on one-half pay for the second semester of the current academic year, or for six months from March 1, 1941.

Mr. Raymond Burke, University Assistant Pressman, sick leave with full pay for twelve weeks from December 19, 1940.

Mr. Walter Smith, Supply Attendant in the Department of Medicine Administration, sick leave with full pay from December 10 through December 31, 1940.

Mr. George P. Stephens, laborer in the Physical Plant Department, extension of sick leave from January 24 through February 27, 1941, with full pay.

Mr. John Henry, laborer in the Physical Plant Department, sick leave from December 7, 1940, through January 25, 1941, with full pay.

Dr. E. M. Lyman, Associate in Physics, Dr. N. F. Ramsey, Jr., Associate in Physics, and Dr. M. H. Kanner, Instructor in Physics—extension of leaves without pay through August 31, 1941, to continue the research work at another institution, for which they were previously granted leaves without pay.

Dr. Samuel Kaplan, Associate in Obstetrics and Gynecology, on the Clinical Staff (serving without salary), sick leave from February 1 through August 31, 1941.

Mr. Arthur F. Deam, Professor of Architecture, sick leave on one-half pay for six months from March 1, 1941. This is a continuation of sick leave granted Professor Deam on part pay for six months from September 1, 1940.

Miss Lucille N. Ellis, Secretary to the Dean of the College of Liberal Arts and Sciences, sick leave from February 20 to March 11, to which she is entitled under the regulations of the Civil Service Commission, and two weeks' disability leave from March 11 to March 25, with full pay.

Leaves of Absence for Military Service
(The leave in each case is without salary.)

*Dr. David H. Wagner, Instructor in Surgery, February 1, 1941, through January 31, 1942.

Mr. K. C. Shrader, Research Assistant for the Bureau of Institutional Research, one year from February 21, 1941.

Dr. L. L. McQuitty, Associate in Psychology and Counselor, Personnel Bureau, one year from February 1, 1941.

*Dr. E. E. P. Seidmon, Instructor in Bacteriology and Public Health, January 25 through August 31, 1941.

*Dr. Samson D. Entin, Assistant in Medicine, February 1 through August 31, 1941.

*Dr. Harry J. Yellen, Assistant in Medicine, February 1 through August 31, 1941.

*Dr. Zigmor Harris, Assistant in Medicine, January 26 through August 31, 1941.

Mr. John D. Amerman, Accountant in the Physical Plant Department, one year from February 17, 1941.

On motion of Mr. Jensen, these leaves were granted as recommended.

APPROPRIATION TO COLLEGE OF FINE AND APPLIED ARTS

(7) A recommendation that an assignment of \$300 be made from the General Reserve Fund to the College of Fine and Applied Arts for the expenses of art exhibits at the University during the current academic year.

On motion of Mr. Cleary, this appropriation was made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Mayer, Mr. Pogue; no, none; absent, Mr. Green, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Wieland.

EQUIPMENT FOR ILLINI UNION BUILDING

(8) Because of lack of funds it was necessary to reduce the budget for furnishings and equipment in the Illini Union Building and to leave certain areas of the building itself unfinished. In the short time the building has been in use the demands on its facilities for service have shown that some of this equipment which was omitted should be provided as soon as possible. Additional needs are:

| | |
|--|-----------------|
| Food service equipment..... | \$ 7 750 |
| Benches, chairs, and other furniture for second floor corridor..... | 700 |
| Folding chairs (400)..... | 1 410 |
| Checking equipment..... | 750 |
| Sound system..... | 1 200 |
| Furniture for South Terrace..... | 2 000 |
| <i>Total Estimate</i> | <u>\$13 900</u> |

The Director of the Physical Plant Department requests that an advance of \$13,900 be made from the General Reserve Fund for the purchase of the above equipment, with the understanding that this amount will be restored by the University of Illinois Foundation when it raises additional funds for furnishings and equipment. This is in addition to the \$18,022 previously advanced by the Board for furnishings and equipment pending receipt of additional funds from the Foundation. The Comptroller of the University (who is also Treasurer of the Foundation) reports that in view of subscriptions received to date this first advance will probably be refunded in the near future.

*Members of the Clinical Staff serving without salary.

On motion of Mr. Cleary, this appropriation was made from the General Reserve Fund, to be expended as funds are at hand, and to be repaid as receipts are available, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Mayer, Mr. Pogue; no, none; absent, Mr. Green, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Wieland.

CONTRACT CHANGE ORDERS ON P.W.A. PROJECTS

(9) Pursuant to the authorization of the Board of Trustees, I have approved the following contract change orders and request confirmation of such approval:

| (5) Changes in lounges incident to omission of bracket light fixtures..... | 23 20 |
| <i>Total Additional Cost.....</i> | <i>\$275 55</i> |

On motion of Mr. Jensen, these changes were authorized, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Mayer, Mr. Pogue; no, none; absent, Mr. Green, Mr. Karraker, Dr. Meyer, Mrs. Plumb, Mr. Wieland.

CONTRACT CHANGE ORDERS ON MEN'S RESIDENCE HALL

(10) The Director of the Physical Plant Department requests approval of the following changes in the contract with Fred White, Mattoon, for the plumbing and heating system in the Men's Residence Hall:

Change Order No. 1

- (1) This change order is to remove from the contract Alternate No. 8, originally accepted and included in the contract. Thus the system will retain all normal heating and ventilating controls except for the omission of the Johnson Service Company's zone control system. However, all provisions will be included, such as conduit raceways, for later installation of either the Johnson Service Company or the Dunham zone control systems—Deduct. \$2 768 00
- (2) Provide waste connection for installation of future refrigerator in kitchen in accordance with quotation dated December 9, 1940—Add 21 50
- Net Deduction*. \$2 746 50

On motion of Mr. Davis, these changes were approved.

REQUEST OF ATHLETIC ASSOCIATION FOR ALLOCATION OF LAND AREAS FOR INTERCOLLEGIATE AND INTRAMURAL SPORTS

(11) At a joint meeting of the Board of Trustees of the University and the Board of Directors of the Athletic Association in Chicago on December 5, 1940 (Minutes, page 139), the latter presented a general plan for the expansion and development of the facilities for physical education and intercollegiate and intramural sports. A request was made for the allocation of certain areas on the University campus for these purposes.

At a meeting on January 11 the Board of Directors of the Athletic Association voted to request specifically the allocation of the following areas for athletic purposes:

Areas already allocated, retention of which is requested:

- 1. Illinois Field.
- 2. The present drill field, with the exception of the portion now being used as a site for the Men's Dormitory.
- 3. The entire block of land surrounding Huff Gymnasium.
- 4. The present golf course.

Allocation of the following additional areas requested:

- 5. The area directly south of the new power plant and north of Stadium Drive, to be used as a future baseball and intramural field.
- 6. About 160 acres of land south of Stadium Drive and west of First Street, to be used for an 18-hole golf course.
- 7. A small area in the north end of the present forestry preserve, to be used as a recreational center.
- 8. The building site directly east of Huff Gymnasium, to be reserved for future sports building.
- 9. An area of about 12 acres directly south of the forestry and now used by the Horticulture Department. This area is intended for use as a field for intramural athletics, particularly for students who live in Urbana.
- 10. The Athletic Association requests that the present tennis courts in various parts of the campus be retained for that purpose and that these spots not be used as building sites.

The Association is submitting the list of areas at this time so that it can make plans for the utilization of these areas, since there is no object in making studies for the development of athletic facilities until there is assurance that the necessary land will be available.

Since the request of the Athletic Association involves other University interests, the Director of the Physical Plant Department and the Dean of the

College of Agriculture and Director of the Agricultural Experiment Station have been consulted. Copies of their letters commenting on this proposal are submitted herewith.

I recommend that this matter be referred to the Board Committee on Buildings and Grounds.

On motion of Mr. Mayer, this matter was referred to the Committee on Buildings and Grounds for study and report.

**MESSAGE FROM ILLINOIS EDUCATION ASSOCIATION
CONCERNING SUMMER SESSION FEES**

(12) The following letter has been received from the Illinois Education Association:

Springfield, Illinois
February 8, 1941

*President Arthur Cutts Willard
University of Illinois
Urbana, Illinois*

DEAR SIR:

The Board of Directors of the Illinois Education Association at its last meeting directed me to file with the University of Illinois Board of Trustees its objections to the recently authorized increase in summer tuition fees to be exacted from teachers attending your summer session.

It was the feeling of the Board that many teachers with low salaries, now obliged by a new school recognition system to gain additional college credits, would find it inconvenient if not impossible to pay the higher fees at the University of Illinois, and that they would therefore attend other institutions. Furthermore, it was felt that those already entered upon studies leading to higher degrees at the University of Illinois should not be called upon to meet higher tuition fees.

I respectfully request you to convey this message to your Board of Trustees.

Sincerely yours,

IRVING F. PEARSON
Executive Secretary, I.E.A.

This report was received for record.

SUMMER SESSION FEES

(13) The Dean of the College of Education recommends that the Board consider waiving the increase in Summer Session fees recently ordered, in the case of teachers in the public schools of Illinois who have already begun work towards either baccalaureate or advanced degrees by attending Summer Sessions at the University of Illinois, until the summer of 1945, unless requirements for the degree for which the student is registered are completed before that date and the candidate wishes to work for an advanced degree. A copy of his letter is hereby given to the Secretary of the Board for record.

This report was received for record.

At this point, Dr. Meyer took his place with the Board.

UNIVERSITY SCHOLARSHIPS

(14) On September 27, 1940 (Minutes, page 45), the Board adopted certain recommendations of its Special Committee on Fees and Scholarships, which included the following:

"4. Ten scholarships to be known as 'University Scholarships' shall be established."

This was based on a recommendation made by the Faculty Committee on Fees and Scholarships in its report previously submitted to the Board of Trustees, which included a statement of the conditions which the committee recommended govern the awarding of scholarships created by the Board of Trustees.

The action of the Board did not include any reference to the conditions of award. Accordingly, I recommend that the scholarships shall be awarded in accordance with the rules and regulations prescribed by the President of the University.

On motion of Mr. Cleary, this recommendation was adopted, with the provision that the scholarships are to be awarded to members of the sophomore or higher classes.

SCHOLARSHIPS FOR SOUTH AMERICAN STUDENTS

(15) As a part of its program of developing and improving relations between the United States and the countries of South and Central America, the Department of State, through its Division of Cultural Relations, desires to offer inducements to students from these countries to attend institutions of higher education in the United States. The Department will endeavor to provide funds for the traveling expenses of a limited number of selected students and has asked colleges and universities to assist in this program by offering scholarships to such students.

I recommend that the Board of Trustees authorize the establishment of ten scholarships to be awarded annually to students from Central and South American countries who wish to attend the University of Illinois under this program, such scholarships to entitle their holders to exemption from the payment of matriculation and tuition fees (but not laboratory fees or service charges) in any division of the University at Urbana for four years. I further recommend that the President of the University be authorized to prescribe the rules and procedures under which these scholarships shall be awarded. These scholarships shall be awarded only when and if the United States Department of State makes available funds for the traveling expenses of the students eligible to receive such scholarships.

On motion of Mr. Cleary, the award of these scholarships was authorized for one year.

CURRICULUM IN PHARMACY

(16) The University Senate recommends that the curriculum of the College of Pharmacy be modified: (1) by doing away with the one year of pre-pharmacy work, hitherto taken at any accredited college or university, and transferring that work to the College of Pharmacy; and (2) by setting up a number of professional options or curricula in place of the single curriculum that has obtained heretofore. These changes are based on recommendations from the faculty of the College of Pharmacy and a study of these proposals made by the Senate Committee on Educational Policy. The report of the Committee, as submitted to the Senate, including the full curricula recommended, is hereby given to the Secretary of the Board for record.

I recommend approval and request authorization to put this new curriculum into operation, effective September 1, 1941, to the extent that funds are available in the budget approved for the College of Pharmacy for 1941-1942 and subsequent years to meet the expenses of this new educational program.

On motion of Dr. Meyer, this curriculum was approved as recommended.

LEGISLATION RELATING TO THE USE OF PUBLIC BUILDINGS FOR COMMERCIAL PURPOSES

(17) Legislation has been introduced in the General Assembly of Illinois which might be construed as affecting the University, prohibiting the use of public buildings for commercial purposes.

On motion of Mr. Jensen, the Board authorized the President of the University to oppose the passage of any such legislation in a form which would interfere with, or otherwise restrict, its services to the students.

POST-GRADUATE COURSE FOR PHARMACISTS

(18) The College of Pharmacy requests authorization of a post-graduate short course for registered pharmacists to be offered annually. This year the course would be given April 15-17, inclusive. A fee of \$5 for each registrant is proposed to cover the expenses.

I recommend authorization of this program, as an annual service, and the collection of the fee proposed, the income therefrom to be placed in a special account against which the expenses of the course shall be charged, any unexpended balance in this account to go into the University's General Reserve Fund.

On motion of Mr. Davis, these recommendations were adopted.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(19) A report of the approval of the following agreements for cooperative investigations:

1. Association of American Railroads, a study of the fatigue strength of welded joints in structural members, by the Engineering Experiment Station. The agreement is drawn for a period of one year from February 1, 1941, with provisions for its extension. The Association agrees to pay the University \$5,000 for the expenses of this work.

2. Extension of agreement with the Utilities Research Commission, covering the cooperative investigations known as Case No. 31, Boiler Waters, and Case No. 34, Stack Gases, for one year beginning January 1, 1941; also, that the cooperative investigation known as Case No. 23, Stretching of Lead Sheathing, be discontinued and in its place a new cooperative investigation known as Case No. 75, Lead Sheath Materials, substituted under the same terms and conditions as in Case No. 23. The 1941 budget for the Utilities Research Commission includes the following appropriations: Case No. 31, Boiler Waters, \$8,500; Case No. 34, Stack Gases, \$7,000; and Case No. 75, Lead Sheath Materials, \$4,750.

3. National Warm Air Heating and Air Conditioning Association, extension of agreement for the cooperative investigation entitled "Warm Air Furnaces and Furnace Heating Systems" for one year from April 1, 1941. The Association agrees to provide \$6,000 for the expenses of this study, which is an increase of \$1,000 over last year.

4. Extension of agreement with the Kellogg Company for an investigation of the effect of bran upon the alimentary tract by the College of Medicine for two months from January 1, 1941. The Company agrees to contribute an additional \$1,300 to cover the cost of continuing this investigation.

5. American Society of Heating and Ventilating Engineers, extension of agreement for Heating and Ventilation investigation for one year from January 1, 1941. The Society will pay the University \$1,800 to cover the expenses of this investigation during this period.

6. American Potash Institute, agreement for study of the status of boron in Illinois soils to determine the possible need of boron additions for crop production for three years from February 1, 1941. The Institute has agreed to contribute \$3,000 for the expenses of this investigation.

On motion of Mr. Cleary, these agreements were approved.

PURCHASES RECOMMENDED

(20) A recommendation that the following purchases be authorized:

1. Caps and gowns to be rented for the use of members of the graduating class for the 1941 Commencement, from the Collegiate Cap & Gown Company, Champaign, the lowest bidder, at a total cost of approximately \$3,105.

2. 400 cases (carload) of paper towels from the Decatur Paper House, the lowest bidder, at a total cost of \$1,300 f.o.b. Urbana.

3. Automobile insurance, providing coverage of \$5,000 for property damage and \$25,000/\$50,000 for public liability on the University's fleet of 61 passenger cars and 52 trucks, for one year from April 4, 1941, from the American Automobile Insurance Company of St. Louis, Missouri, through its representative, Beers & Beers, Champaign, Illinois, the lowest bidder, at a premium of \$1,281.83.

4. One Anderson Model 34-C Filler and Capper (ice cream packaging machine) from the Anderson Bros. Manufacturing Company, Rockford, Illinois,

at a total cost of \$1,510.42 f.o.b. Rockford. This is a non-competitive item as it is the only machine available to meet the requirements of the Department of Dairy Husbandry.

On motion of Mr. Davis, the award of the contract for automobile insurance was deferred.

On motion of Mr. Mayer, the award of the other items was authorized as recommended.

PURCHASES AUTHORIZED

(21) A report of the following purchase authorized by the President of the University in accordance with the University Statutes:

Steel plates and shapes for use in constructing water tanks to be used on the Cyclotron Project, from the Jones and Laughlin Steel Corporation, Chicago, the lowest bidder, at a cost of approximately \$2,278 f.o.b. Urbana.

On motion of Dr. Meyer, this action was confirmed.

COMPTROLLER'S REPORT OF CONTRACTS

(22) The Comptroller's report of minor contracts executed under general regulations of the Board of Trustees:

CONTRACTS EXECUTED BY THE COMPTROLLER

JANUARY 15 TO FEBRUARY 13, 1941

| <i>With Whom</i> | <i>For</i> | <i>Amount to be paid by the University</i> | <i>Date</i> |
|---|---|--|------------------|
| R. Cooper, Jr. | Refrigerators and compressors for Illini Union Building | \$900 | January 20, 1941 |
| <i>With Whom</i> | <i>For</i> | <i>Amount to be received by the University</i> | <i>Date</i> |
| State of Illinois, Department of Registration and Education | Rooms for conducting examinations by the Department and storing equipment belonging to the Department in the Medical and Dental Building, Chicago | No charge—equipment to be used by the University when not being used by the Department | January 20, 1941 |

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(23) The quarterly report of the Comptroller to the Board of Trustees as at December 31, 1940. A copy of this report has been sent to each member of the Board.

This report was referred to the Finance Committee for study and comment.

STORAGE CENTER FOR UNIVERSITY LIBRARIES

(24) The presidents of thirteen mid-western universities (including the University of Illinois) have an informal organization for the consideration of common problems and particularly policies of cooperation to avoid unnecessary duplication of educational and research programs. One of the projects now in an advanced stage of consideration is a cooperative storage library or warehouse for housing little-used books and other library material.

A survey has been made of the institutions concerned to ascertain the extent to which they would use such a storage, and the report of this survey was discussed at length at a conference of the presidents on February 15. A majority of the institutions are definitely interested in acquiring space in this depository, provided funds for the ground and building are secured from private sources and a basis for storage charges can be worked out which will meet only maintenance and operating expenses, but no responsibility for any capital expense or its amortization.

The Board, on June 28, 1940 (Minutes, page 979), voted to "endorse in principle the proposal to establish such a storage center and that it hereby indicates its willingness to participate in such an enterprise in so far as it is

legally permitted so to do, on the understanding that no financial commitments are incurred by this action."

On motion of Mr. Jensen, this action was reaffirmed.

NATIONAL DEFENSE RESEARCH PROJECTS

(25) Pursuant to the authorization of the Board of Trustees (Minutes, September 27, 1940, page 50), I have authorized the execution by the Secretary and Comptroller of the Board of Trustees of contracts with the National Defense Research Committee covering four research projects to be carried on in the Department of Chemistry. The total amount of money which the Government has agreed to pay covering the cost of these investigations is \$26,100.

On motion of Mr. Mayer, this action was confirmed.

W.P.A. MUSEUM EXTENSION PROJECT

(26) At the meeting of the Board on January 22, 1940 (Minutes, page 171), a report was made that the Work Projects Administration had asked the University to sponsor a state-wide project covering museum assistance, museum extension, and visual education, in which relief workers will be employed for the accomplishment of educational objectives. The Board requested the President to secure further information on this matter.

Subsequently conferences have been held with representatives of the Work Projects Administration concerning this matter. The total cost of this project is estimated at \$2,295,695, of which \$616,842 would represent contributions in cash and services of the sponsor and cooperating agencies. It is estimated further that the minimum cost to the University of sponsoring this project would be \$2,500, which would have to be provided from University funds to pay the salaries of personnel required for the supervision. This contemplates operating with a three-man administrative or supervising committee, using men now on the staff with a chairman as the official agent to consider and pass upon requests from cooperating agencies for approval of their projects.

I also present a letter from the Work Projects Administration formally requesting the University to sponsor this project and explaining the public service aspects of the sponsorship of this program.

On motion of Mr. Mayer, the President of the University was authorized to undertake the sponsorship of this project, at an expense not to exceed \$2,500.

UNIVERSITY RETIREMENT PLAN

(27) For the past four years the Finance Committee of the Board of Trustees has had on its docket of business the question of revising the University's system of retiring allowances and death benefits to place it on a fund basis instead of the present practice of meeting these obligations out of current income. Shortly after this matter was referred by the Board to the Finance Committee, the latter requested the President of the University to appoint a special committee of the faculty to make the detailed and technical studies necessary for the consideration of the broader questions of public and financial policy involved.

The faculty committee presented a report to the University Council in June, 1940, for consideration along with the biennial budget for 1941-1943. At the request of the Council the committee placed this report before all University staff members and employees through executive committees of colleges and departments. The committee has continued its studies, taking into consideration the suggestions made and questions raised by various staff members concerning the proposed new retirement and death benefit plan. As a result of these further studies the committee has prepared a revised report and recommendations contemplating legislation by the General Assembly of Illinois providing for a retirement and death benefit plan for all state institutions of higher education and allied agencies (specifically, the State Scientific Surveys) concurrently with legislation providing pensions for other state employees. In the preparation of this report and the recommendations, the committee has been guided by the suggestions of advisory committees set up in various divisions of the University

and by the counsel of Mr. Arthur S. Hansen, Consulting Actuary, whose services were retained by authority of the Board of Trustees on recommendation of the Finance Committee (Minutes, January 22, 1941, page 170).

The question of revising or supplementing the present system of retiring allowances and death benefits, or replacing it with an entirely new plan, is a matter of business officially in the hands of the Finance Committee of the Board. The faculty committee's report will, therefore, be made to the Finance Committee for its consideration and final recommendations to the Board of Trustees. In the meantime, the report of the faculty committee has also been submitted to the University Council for its advice to the President of the University, and it is hereby presented to the Board of Trustees for its information in considering recommendations of the Finance Committee.

The University Council, on February 18, approved the new plan in principle, with the understanding that no final action will be taken committing the University to the form of legislation to be requested of the General Assembly of Illinois, pending further consultations by the Deans, Directors, and general administrative officers with their faculties and staffs.

Mr. Mayer, for the Finance Committee, reported as follows:

REPORT OF FINANCE AND GENERAL POLICY COMMITTEES

A joint meeting of the Finance Committee and the Committee on General Policy of the Board with the Faculty Committee on the Retirement and Death Benefit System was held at the Blackstone Hotel, in Chicago, at 6 p.m. on Thursday, February 20, 1941.

Present: Mr. Mayer, Mr. Pogue, Dr. Meyer, Mr. Cleary, Mr. Davis, Mr. Morey, Dean Harno, Judge Johnson, Professor Crathorne, Professor Dickinson, Mr. Hansen, and Mr. Cunningham.

Mr. Morey, for the faculty committee, presented an historical summary of the retirement system and of the recent discussions of the matter, together with a report issued by the faculty committee under date of February 11, 1941.

Mr. Hansen discussed the general situation in the State; Dean Harno the faculty point of view; Judge Johnson the legal aspects.

On motion of Mr. Davis, the Finance and General Policy Committees voted to approve in principle and to recommend to the Board the passage of a resolution substantially as follows:

Whereas, the Board of Trustees after long study and consideration of the present system of retiring allowances and death benefits has come to the conclusion that the system is unsatisfactory and moreover is now in jeopardy by reason of certain proposals for state-wide legislation which are now under consideration for presentation to the General Assembly; and

Whereas, the Board desires to secure and preserve for the members of the faculty and staff the fullest possible measure of benefits and security; therefore,

Be it resolved, that the Board requests the Finance Committee in consultation with the faculty committee working on this matter to proceed to develop a plan that is generally satisfactory to the faculty and staff along the lines presented by the recommendations submitted by the faculty committee under date of February 11, 1941, and that the present plan be modified accordingly, and that the President of the University be requested to prepare and submit for final consideration bills to enable the Board of Trustees to put a new program into effect which will preserve and increase the benefits of the present plan, eliminate its defects as far as possible, and secure the establishment of that program on a satisfactory basis.

On motion of Mr. Mayer, this resolution was adopted.

SHIVELY MORTGAGE

Mr. Mayer reported also a recommendation of the Finance Committee that a request of Mr. Frank Shively for an additional loan on farm land located three miles southwest of Mahomet (approximately 200 acres), on which the University now has a loan of \$3,300, be granted.

On motion of Mr. Mayer, the increase of this loan to \$5,000 at 4½

per cent was approved, subject to the payment of at least 5 per cent of the principal each year.

SALE AND PURCHASE OF SECURITIES

Mr. Mayer reported also for the Finance Committee a recommendation of the Investment Counsel that securities of the par value of \$66,000 be sold and that the proceeds and other uninvested endowment funds be used to purchase securities of the par value of \$75,000, according to the following schedules.

| SECURITIES RECOMMENDED FOR SALE | | |
|-------------------------------------|--|-------------------------------------|
| <i>Amount (par)</i> | <i>Bonds</i> | <i>Approximate Market price</i> |
| \$10 000 | Central Illinois Public Service 3¾%, 1968..... | 105½ |

| 15 000 | Nebraska Power 4½%, 1981..... | 108 |
| 20 000 | Minneapolis Gas and Light 4%, 1950..... | 107 |

On motion of Mr. Mayer, these sales and purchases were authorized.

REFUNDING OF MEDICAL AND DENTAL BUILDING BONDS

Mr. Mayer, also for the Finance Committee, presented a proposal of Charles K. Morris and Company, Incorporated, for the refunding at a lower rate of interest of the Medical and Dental Building bonds.

On motion of Mr. Mayer, this matter was referred to the Finance Committee for further negotiations and early report to the Board.

RESOLUTION ON DEATH OF GOVERNOR LOUIS L. EMMERSON

Mr. Mayer presented the following resolution.

The Board of Trustees records with profound sorrow the death on February 4 of the Honorable Louis Lincoln Emmerson, former Governor of Illinois and a former member of the Board of Trustees.

Governor Emmerson served as a member of this Board for four years, from 1929 to 1933, while he was Governor of the State. Prior thereto he served for twelve years, from 1917 to 1929, as Secretary of State of Illinois, having been elected to that office for three consecutive terms. During this period of sixteen years in high offices, Governor Emmerson served the people of Illinois with distinction and honor.

The Board of Trustees desires to record grateful appreciation of these services to the commonwealth and to the University as a member of its governing body. He took an interest in the affairs and welfare of the University, an interest which continued during the years following his retirement from public office.

The Board of Trustees directs that this resolution be spread on its minutes and that the Secretary send a copy to the family of Governor Emmerson as an expression of the Board's sympathy with them in the loss they have suffered.

On motion of Mr. Mayer, this resolution was adopted.

REMARKS BY MR. OSCAR G. MAYER

Mr. Mayer at this point presented the following statement.

MEMBERS OF THE BOARD OF TRUSTEES:

I cannot refrain at this my last meeting as a member of this Board of Trustees from addressing a few remarks to you. I have found my six years of service most interesting indeed. I have felt the significance of the work in which we were engaged, and have always noted and appreciated the splendid spirit of devotion and loyalty to the University displayed by all members of the Board. There were at times vigorous differences of opinion, but never any question of sincerity. I have tried to analyze the source of this unselfish attitude and come to the following conclusions:

It appears to me that our State University has greatly benefited from the wisdom of the framers of its founding statute in 1867, as amended in 1873. This statute set up a small Board of Trustees of nine people, to which were added the Governor of the State and Superintendent of Public Instruction, as members *ex-officio*. The smallness of the Board has, I feel, promoted frank, informal discussion and has at the same time permitted prompt, final action.

The term of six years is sufficiently long to permit the Board member to become thoroughly familiar with and interested in the University's work, needs, and problems. The process of electing three members of the Board every two years allows the experienced members to initiate the newcomers into the work of the Board, and works against impetuous changes in general policy. The fact that the members of the Board receive no compensation was a move of the greatest wisdom, for it insures the presence of men on the Board who are interested solely in the University and not in any personal emolument or reward.

Finally the most important feature concerning our University's Board is that its members are elected by the people of the State and are, therefore, responsible solely to them. While the University is an arm of the State, its work and responsibilities were recognized by the founding fathers to be such that it should be kept out of the maelstrom of current State business and politics; that it should be quietly governed by a Board which could operate without interference and under such conditions that the best purposes of the University could be served.

The Board as the final authority of the University has sole authority to appoint its executive staff—the President of the University, its Comptroller, Secretary, and Treasurer. The President runs the University for and is accountable to the Board. He brings to its attention practically all matters relating to the conduct of the University in all its phases.

The management practices which have been installed and maintained by the Trustees of the University and its administrative officers are so thoroughly sound and business-like that no business concern could ask for closer controls. All purchases which can be made on precise specifications and sealed bids are so made, the award going to the lowest responsible bidder. The University has for many years had a most thorough system of accounting—under one of the ablest comptrollers in the University field, and the Board of Trustees have had the benefit of the accuracy of his work and the clarity of his presentations. The budgetary work of the University has been extraordinarily detailed, precise, and dependable. A system of internal audit has been maintained under which the University itself continually monitors its activities and accounting practices. Finally, the books of the University have been audited periodically during the year and at the end of each year by a firm of certified public accountants of highest national reputation—at the moment, Arthur Andersen & Co.

Here is indeed an exemplary pattern of operation and control of which many private businesses could well be envious. To be able to report that a situation such as this exists in a great public institution within our State is indeed a source of deep satisfaction and a great tribute to the democratic process. I have been so impressed with the high standard and workableness of the governing and management set-up at the University of Illinois that I would like to see this trustee form of government become a model for many other governmental units within our state, cities, and nation.

How well the plan of 1867 has worked can be seen from the magnificent development of our University over many decades with never a breath of scandal nor doubt of its superb service to the people of the State. I express the ardent hope that this basic organization and the spirit surrounding it will always be preserved. This can be accomplished, in my estimation, only if the Trustees are ever mindful and watchful of their position as the sole governing body of this University, a body whose importance was considered great enough by the founders that the Governor was made a member of the Board in order that he might make his ideas felt within its councils.

The fact that our University is noted for the sound and sane spirit of its faculty and student body and is as free from subversive "isms" as any in the United States, stems to a large degree from the quiet independence of its Board of Trustees, as now constituted. An atmosphere of stability pervades the institution—in contrast to the nervousness which extraneous interference would surely bring.

The Board of Trustees of this University will, I know, always hold uppermost their constituted duty to represent and further the best interests of the University. May they always continue to present the University's case with fairness but with firmness. They may not, on account of other considerations, always be able to obtain what the University needs, but they will have been neglectful of their duty if they do not bring these needs to the attention of the governing authorities. They may always truly say that none of the people's money has ever been wasted on or by the University.

I leave this Board with a feeling of gratitude for the privilege of having had a place on it, and with a feeling of regret that I must break off the fine associations I have enjoyed, not only with my fellow Trustees but with our esteemed President—who is doing so much for the University—and with the members of the administrative staff and faculty whom I have come to know. There could in my estimation be no finer public service than to participate in the sound development of our nation's youth, to the end that they may, in learning to perceive the blessings and opportunities afforded by our free institutions, do their utmost to preserve them.

OSCAR G. MAYER

On motion of Mr. Cleary, this statement was ordered incorporated in the minutes and given to the press.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board continued consideration of matters presented by the President of the University.

PROCEDURE FOR BUDGETING AND REPORTING RETIRING ALLOWANCES

(28) The rules of the Board provide for the retirement of members of the staff under certain conditions, and for the payment of retiring allowances to persons so retired and also for the payment of death benefits in the case of deceased staff members. In the past, provision for retiring allowances of staff members has been made in the budgets of the respective departments to which members are attached. Provision for death benefits, however, is made in a lump sum appropriation treated as an item of general expense.

This procedure has involved numerous difficulties. It means that there is no one place from which it is possible to determine the total budget for retirement allowances or to see the list of individuals who are on retirement. It means that provision for retiring allowances must be made in the budgets of the respective departments at the time of retirement. These requirements vary greatly among different departments and in some cases represent a substantial portion of the total budget. At the time of death of a retired staff member the amount of retirement may be used by the department to supplement its budget unless it is recalled and lapsed into the General Reserve Fund.

It seems better to provide that, when a staff member retires, provision for that retiring allowance should be treated as a general budget obligation instead of an obligation of the budget of that department. In this way the salary of the

retired member would be available to make replacements and revisions in the staff and salaries of the department to the extent that may be required in each individual case. On the death of a retired staff member the amount of his retiring allowance would be available to provide for additions to the retiring allowance budget.

Such a change would be even more advantageous if a new plan for providing retirement and death benefits is adopted in which a fund is built up during active service to meet these obligations. This practice is followed in the budgets of most other institutions.

Accordingly, I recommend that, beginning with the internal budget for 1941-1942, all retiring allowances be consolidated into one budget with the item of death benefits, and carried as an item of general expense. For the purpose of indicating that persons on retirement are *emeritus* members of a particular department, names and titles will be shown in departmental budgets, but without provision for their retiring allowances.

On motion of Mr. Davis, this procedure was authorized.

SECRETARY'S REPORT OF CONTRACTS

The Secretary presented for record the following report of a contract executed by the President and the Secretary of the Board and deposited with the Secretary since the last report:

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

March 11, 1941

The annual meeting of the Board of Trustees of the University of Illinois was held at the Executive Mansion, in Springfield, at twelve o'clock noon on Tuesday, March 11, 1941.

When the Board convened, the following members were present: President Pogue, Mr. Adams, Mr. Cleary, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. Lloyd Morey, Comptroller, Judge Sveinbjorn Johnson, University Counsel, and Mr. H. E. Cunningham, Secretary.

President Pogue expressed his appreciation of the opportunity for service on the Board, and welcomed the new members.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of February 21, 1941.

On motion of Mr. Cleary, the minutes were approved as printed on pages 179 to 208 above.

MR. JAMES M. CLEARY ELECTED PRESIDENT OF THE BOARD

On motion of Mr. Adams, Mr. Jensen was made Chairman of the meeting for the election of a president.

Mr. Livingston nominated Mr. James M. Cleary, of Chicago, for the office of President of the Board for the ensuing year; Dr. Meyer seconded the nomination.

On motion of Mr. Fornof, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Cleary as President. The ballot was cast, and Mr. Cleary was declared elected President of the Board.

Mr. Cleary took the chair and expressed his appreciation of the honor.

APPRECIATION OF SERVICES OF RETIRING MEMBERS

On motion of Dr. Meyer, the Board made record of its appreciation of the diligent and public-spirited services to the University of Mr. Oscar G. Mayer, Mrs. Glenn E. Plumb, and Mr. Harold Pogue as members of the Board, and requested the President of the Board to communicate this expression to the retiring members.

MR. HARRISON E. CUNNINGHAM ELECTED SECRETARY

On motion of Mr. Wieland, seconded by Mrs. Grigsby, Mr. Harrison E. Cunningham, of Urbana, was elected Secretary of the Board for one year.

PROFESSOR LLOYD MOREY ELECTED COMPTROLLER

On motion of Dr. Meyer, Professor Lloyd Morey, of Urbana, was elected Comptroller for one year.

EXECUTIVE COMMITTEE ELECTED

Mr. Karraker nominated Mr. Chester R. Davis and Mr. Frank A. Jensen, to serve, with the President of the Board as Chairman, as members of the Executive Committee for the ensuing year.

On motion of Mrs. Grigsby, the nominations were closed and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Davis and Mr. Jensen as members of the Executive Committee. The ballot was cast, and Mr. Davis and Mr. Jensen were declared elected.

MR. FRANK M. GORDON ELECTED TREASURER

On motion of Dr. Meyer, Mr. Frank M. Gordon, of Chicago, was elected Treasurer for two years, under the same conditions of bond as at present.

TREASURER'S BOND

On motion of Mr. Adams, the amount of the Treasurer's bond was fixed at \$800,000, in an acceptable surety company.

On motion of Mr. Wieland, the Finance Committee was instructed to see that the Treasurer secure a satisfactory bond, and to report it to the Board for approval.

AUTHORITY TO RECEIVE MONEY

On motion of Mr. Wieland, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of

Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois.

DELEGATION OF SIGNATURES

On motion of Mr. Wieland, the following resolution was adopted:

Resolved, that the President and Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as president and secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions.

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, to L. M. Dahlenburg, and to C. C. DeLong, in Urbana, and to J. E. Millizen, to J. F. Knight, and to David Henze, in Chicago, authority to sign his name as President of the Board of Trustees to vouchers against the State Auditor; and to C. A. Webber, and to H. F. Thornes, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to H. C. Oesterling, to Anna L. Neuber, and to Maude Archdeacon, all in Urbana, authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board; and he is further authorized to delegate to G. R. Moon and Velma M. Davis, in Chicago, authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor. And be it further

Resolved, that the First National Bank of Chicago as a designated depository of Frank M. Gordon, Treasurer of this Corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of any two of the following: James M. Cleary, President, and H. E. Cunningham, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and the Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

AUTHORITY FOR JOINT SIGNATURES, UNIVERSITY AND FOUNDATION

On motion of Mr. Wieland, the following resolution was adopted:

Be it resolved, that the President of the Board of Trustees of the University, or an agent duly deputized by him, be and he is hereby authorized to sign on behalf of the University, jointly with the designee of the University of Illinois Foundation, any and all checks or drafts, including drafts in informal or letter form, against any funds at any time standing to the credit of said Foundation in an account maintained by said Foundation, as Trustee, with the First National Bank of Chicago entitled "University of Illinois Foundation Construction Fund Account Student-Faculty Union Building"; the said bank account and the said joint signatures on withdrawals therefrom being covered by a certain Trust Indenture dated September 1, 1940, entitled "University of Illinois Foundation, not personally, but as Trustee under the University of Illinois Student-Faculty Union Building Trust" involving the remodeling, con-

struction, and equipment of the University of Illinois Student-Faculty Union Building in Chicago, Illinois, and the equipping of the Illini Union Building at Urbana, Illinois.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

CONFERENCE WITH GOVERNOR AND BUDGETARY COMMISSION ON BIENNIAL BUDGET FOR 1941-1943

(1) Representatives of the University met with the Governor and the Illinois Budgetary Commission in Springfield on February 24 for a preliminary consideration of the University's biennial budget for 1941-1943. The following were present:

Illinois Budgetary Commission

Honorable DWIGHT H. GREEN
Representative REED F. CUTLER,
Chairman
Senator THOMAS P. GUNNING
Senator FRANK RYAN
Representative HUGH GREEN
Representative W. O. EDWARDS

Department of Finance

Director GEORGE B. MCKIBBON
W. H. McLAIN
J. W. HUSTON

Board of Trustees and University Officials

HAROLD POGUE, President of Board
O. M. KARRAKER, Member of Board
HOMER MAT ADAMS, Member of
Board
A. C. WILLARD, President
ALBERT J. HARNO, Provost
LLOYD MOREY, Comptroller
SVEINBJORN JOHNSON, University
Counsel
C. S. HAVENS, Director of Physical
Plant Department
A. J. JANATA, Assistant to the
President
H. A. HAZLETON, Assistant
Comptroller and Auditor

The Commission gave the University officials a full opportunity to discuss the budget as a whole and the various educational programs and other areas of the University's operations which this budget concerns. The chief subjects of discussion were the University's educational and research program, including new projects under consideration, comparisons of the University of Illinois and other universities with respect to distinction of departments and services rendered, the replacement of part-time assistants with full-time and more mature

staff members, scholarships,¹ the policy of the University in doing maintenance, repair, and construction work with its own labor versus doing it on contract, the proposed transfer (including funds therefor) of the management and operation of the Research and Educational Hospitals from the Department of Public Welfare to the University, and the proposed transfer of the State appropriation for salaries of farm and home advisers from the Department of Agriculture to the University.

The Commission was sympathetic with the needs of the University, and no particular items of the budget were questioned. The Director of Finance and members of the Commission stated that the total budgets of all State departments and other agencies as submitted would exceed the estimated income of the State and that adjustments in most, if not all, of these budgets would be necessary.

No action was taken, it being the judgment of the Commission that further consideration of the University's budget should be postponed until the Commission has had an opportunity to review all budgets and to study estimates of State revenues to determine what adjustments may be in order.

This report was received for record.

SUMMER SESSION BUDGET

(2) A recommendation for the approval of the following appointments to the Summer Session staff for 1941, the positions and salaries being indicated in each case; and a request that the President be authorized to make such adjustments in the Summer Session budget and such additional appointments as may be necessary. The work of teaching in the Summer Session is additional service not contemplated in the appointment of members of the teaching staff for service during the regular academic year, and it therefore necessitates additional compensation as shown in each case.

The Board of Trustees on October 21, 1940 (Minutes, page 99), authorized a total appropriation of \$150,000 for the 1941 Summer Session. The salaries of the appointments and positions recommended herein, excluding \$2,180 for salaries of administrative positions approved as a part of the budget for the current year, 1940-1941, total \$135,587.13. Other items are: expense and equipment, \$1,500; conferences, \$1,500; and lectures, \$2,500. The grand total is \$143,267, leaving a balance of \$6,733 for general expenses and such adjustments in the budget as conditions may require.

On motion of Dr. Meyer, this budget was approved and authority was granted the President as recommended.

THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(5) Pursuant to the by-laws of the Athletic Association, I submit the following nominations for its Board of Directors to serve until the next annual meeting of the Board of Trustees, or until their successors shall have been appointed:

Faculty

W. W. YAPP, Professor of Dairy Husbandry.
 F. E. RICHART, Research Professor of Engineering Materials, Faculty representative of the University in Western Intercollegiate Athletic Conference, and Chairman of the Committee on Athletics.
 GEORGE W. GOBLE, Professor of Law. Professor Goble is a member of the Athletic Council. He has also served as a member and Chairman of the Committee on Student Affairs.
 WENDELL S. WILSON, Director of Athletics, *Ex officio*.

Alumni

MILTON M. OLANDER, Class of 1922, Personnel Director of the Owens-Illinois Glass Company, Toledo, Ohio.
 ROBERT Z. HICKMAN, Class of 1929, Attorney at Law, Chicago.
 HARRY A. HALL, Class of 1926, Attorney at Law, Waukegan.

The change in the personnel of the Board is the replacement of Dean C. M. Thompson by Professor W. W. Yapp. This is in line with the policy decided on by the Board of Trustees more than two years ago to make periodical changes in the Board of Directors of the Athletic Association.

Professor Yapp is an alumnus, of the Class of 1911. He has been on the faculty of the University since September 1, 1913. He has served as a member of the Senate (General Faculty) Committee on Athletics (1935-1939) which gives him a background of valuable experience for service on the Board of Directors, and he also has a personal interest in intercollegiate athletics.

On motion of Mr. Jensen, these directors were appointed as recommended. Attention was called to the fact that Director Wilson's appointment was *ex officio* and for the term for which he may hold ap-

pointment as Director of Intercollegiate Athletics according to the constitution and by-laws of the Athletic Association.

**ADVISORY COMMITTEE FOR THE DEPARTMENT OF
CERAMIC ENGINEERING**

(6) A recommendation that the following appointments to the Advisory Committee for the Department of Ceramic Engineering be authorized, to serve for one year from January 1, 1941:

FRANK HODEK, JR., General Porcelain Enameling and Manufacturing Company, 2700 North Karlov Avenue, Chicago.

WILLIAM F. SCHLAKE, Illinois Brick Company, 228 North LaSalle Street, Chicago.

FRED L. STEINHOFF, Brick and Clay Record, 59 East Van Buren Street, Chicago.

E. H. VAN SCHOICK, Chicago Retort and Fire Brick Company, Ottawa.

FRITZ WAGNER, JR., American Terra Cotta Corporation, Builders Building, Chicago.

J. W. WRIGHT, Owens-Illinois Glass Company, Alton, Illinois.

On motion of Mr. Karraker, this committee was appointed as recommended.

RETIREMENT OF JAMES B. JONES

(7) The Director of the Physical Plant Department recommends that James B. Jones, janitor, be given a leave of absence without pay from February 28 to June 7, 1941, because of illness (he has already been given the maximum amount of sick leave to which he is entitled with pay), and that he be retired on June 7, 1941, with a retiring allowance of \$549 a year under the University Statutes.

Mr. Jones has been in the service of the University since January 21, 1926, a period of 15 years, one month, and seven days. On June 7 he will reach the age of 65, when optional retirement for sufficient cause is permitted under the present retirement system. The University Health Officer has advised that in view of his physical condition he should not be permitted to work and should be retired at the earliest possible time.

On motion of Mr. Jensen, this retirement was authorized as recommended.

LEAVES OF ABSENCE

(8) A recommendation that leaves of absence be granted the following members of the staff for the reasons and periods and under the conditions indicated in each case:

Mr. H. A. Brown, Professor of Electrical Engineering, sick leave with full pay from February 5 to March 3, 1941. His work has been carried on by other members of the Department without additional expense to the University.

Miss Margaret Bates, Assistant Librarian in the Chicago Departments, sick leave with full pay for one month from February 10 in addition to the two weeks' sick leave allowed under Civil Service regulations. Miss Bates's work will be taken care of by other staff members without additional expense to the University.

Mr. W. M. Wilson, Research Professor of Structural Engineering, leave with pay for a period of ten days from February 26 for the purpose of serving on a board of engineers to determine the possibilities of reconstructing the Tacoma, Washington, bridge.

Leaves of Absence for Military Service

R. R. Parks, Assistant Professor of Agricultural Engineering, leave without pay from March 13, 1941, to February 27, 1942.

R. H. Reed, Associate in Agricultural Engineering, leave without pay from March 10, 1941, to February 24, 1942.

Eugene L. Baker, Instructor in Surgery, leave without pay from March 5 through August 31, 1941.

Armand J. Mauzey, Assistant in Obstetrics and Gynecology, leave without pay from January 10 through August 31, 1941.

On motion of Mrs. Grigsby, these leaves were granted as recommended.

LOAN TO MR. L. N. HALL

Dr. Meyer, for the Finance Committee, presented a recommendation that a mortgage loan be made (from uninvested endowment funds) to Mr. L. N. Hall, of Champaign, of \$3,500, with interest at 4 per cent (five per cent of the principal payable annually with privileges of paying additional multiples of \$100 on any interest paying date). This loan is to be secured by a mortgage note on property at 512 West Healey Street, Champaign.

On motion of Dr. Meyer, this loan was authorized as recommended.

REFUNDING OF BONDS

Dr. Meyer presented also a report of progress on the refinancing of the Medical and Dental Building bonds.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board resumed consideration of matters presented by the President of the University.

LEAVE OF ABSENCE FOR DR. FREDERICK B. MOOREHEAD

(9) Dr. Frederick B. Moorehead, Professor of Oral Surgery and Head of the Department (on one-half time at a salary of \$4,500), was granted a leave of absence on full pay for six months from September 1, 1940. Under the rules of the Board of Trustees he would be entitled to an extension of this leave for the second half of the year, but on one-half of the regular salary instead of full pay. I submit herewith a letter from the Executive Dean of the Chicago Colleges, enclosing one from a group representing the Dental Alumni Association, with the request that an exception to the rules be made in Doctor Moorehead's case and that he be given an extension of his leave on full pay, i.e., under the same conditions as the leave granted for the first half of the current year.

On motion of Dr. Meyer, Dr. Moorehead's leave was extended, on full pay, as requested.

STATUS OF MEMBERS OF THE FACULTY ON LEAVE OF ABSENCE

(10) The following members of the faculty have been on sick leave with pay during a part or all of the first half of the academic year 1940-1941. It is recommended that their leaves be extended for the second half of the year as indicated in each case:

William H. Severns, Professor of Mechanical Engineering; in the service of the University twenty-one years; age, 53; present salary, \$4,300. Granted sick leave from September 1, 1940, to January 31, 1941. It is recommended that he be continued on full pay during the second half of the year with permission to carry a reduced schedule of work.

Arthur F. Deam, Professor of Architecture; in the service of the University ten years; age, 46; present salary, \$6,500. Granted sick leave with part pay for six months from September 1, 1940. It is recommended that his leave be extended during the second half of the year. A reduction of \$160 a month was made from his salary during the first half of the year and \$140 a month will be deducted from his salary during the second half of the year to pay the salary of an assistant who has been brought in to relieve other members of the department of their own duties so that they could take over Professor Deam's teaching at no additional expense to the University. Professor Deam will be permitted to carry a reduced schedule of work.

On motion of Mr. Fornof, leave was granted to Professor Severns as recommended.

On motion of Dr. Meyer, leave was granted to Professor Deam as recommended.

APPROPRIATION FOR PUBLIC FUNCTIONS

(11) A recommendation that an appropriation of \$1,000 be made from the General Reserve Fund for public functions.

On motion of Mr. Jensen, this appropriation was made as recommended, by the following vote: Aye, Mr. Cleary, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Adams, Mr. Davis, Mr. Green.

PUBLICATIONS OF THE STATE SCIENTIFIC SURVEYS

(12) At the meeting of the Board of Natural Resources and Conservation¹ held on February 11, 1941, consideration was given to a proposal that the University of Illinois Press print the scientific publications of the State Geological, Natural History, and Water Surveys on the ground that this would result in a saving to the State both of money and time and would be a great convenience to the staffs of these Surveys. No formal action was taken, but it was suggested that the proposal be presented to the Director of the Department of Registration and Education. Before this is done, however, I desire to submit the proposal to the Board of Trustees for its consideration.

I recommend authorization of this service subject to the approval of all other parties concerned.

On motion of Mr. Wieland, this service was authorized as recommended.

W.P.A. RECREATION PROJECT

(13) Last summer the State Supervisor of Recreation of the Work Projects Administration requested that the University of Illinois sponsor a state-wide W.P.A. recreation project under the supervision of the School of Physical Education. This project had previously been sponsored by the State Department of Public Welfare and the proposal to transfer the sponsorship to the University was made with the knowledge and approval of Director A. L. Bowen.

On receiving assurance that the project would involve no financial obligations whatsoever by the University and that the School of Physical Education could supervise it without any interference with its regular University program, I authorized acceptance of the sponsorship. It was recently approved as Project No. 50251 by the Work Projects Administration, and an allocation of \$5,141,526 was made for this recreational program in the State of Illinois. The Director of the School of Physical Education has been authorized and directed to assume all supervision and the responsibility which sponsorship of the project by the University involves. He has prepared a statement of the relationship of the School of Physical Education and the University of Illinois as official sponsor to the State W.P.A. Recreation Project which sets forth the objectives, policies, and supervisory procedure. The Work Projects Administration has supplied the supervisory personnel, whose salaries and other expenses will be paid from W.P.A. funds and who will work in office quarters provided by the University, and the Director of the School of Physical Education will serve as Consultant. Similar state-wide W.P.A. recreation projects are sponsored by the state universities of at least nine other states.

On motion of Mr. Jensen, this arrangement was approved.

¹The State Scientific Surveys are by law housed in University of Illinois buildings but are administered by the State Department of Registration and Education. The State Board of Natural Resources and Conservation, appointed by the Governor, acting through subcommittees composed of the Director of the Department of Registration and Education, the President of the University of Illinois or his representative, and one or more expert advisers especially qualified, decides all matters pertaining to these surveys, including research, investigational, and scientific work, selection and appointment of the members of the scientific staff, cooperation with the University in the use of scientific staff and equipment, and cooperation with allied divisions and departments of the government.

ACCEPTANCE OF ILLINI UNION BUILDING

(15) A recommendation that the Board adopt the following resolution accepting the Illini Union Building from the contractors:

RESOLUTION APPROVING ALL CONTRACTS IN CONNECTION WITH THE PROJECT No. ILL. 1745-F

Whereas, the following persons entered into signed contracts with the Board of Trustees of the University of Illinois as owners for various divisions of work entering into construction of the Illini Union Building on the University of Illinois campus in Urbana, to wit:

Contract

| 16..... | English Brothers..... | South Ground Floor Entrance |

and whereas, it now appears that these persons have completed the work required under their contracts;

Now, therefore, be it resolved, by the Board of Trustees of the University of Illinois, that the work called for under said contracts is completed and is hereby approved; provided, however, that the adoption of this resolution is not intended and shall not be construed to relieve or acquit the named contractors of their obligations as expressed in their contracts to remedy such defects, if any, in material or workmanship as may appear within the periods stated in said contracts, or to make good and perform fully any other responsibility or obligation which, in accordance with the true intent and meaning of their contracts, they should discharge or perform notwithstanding the formal acceptance of the work as completed.

On motion of Mr. Jensen, this resolution was adopted, by the following vote: Aye, Mr. Cleary, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Adams, Mr. Davis, Mr. Green.

VACCINE FOR EQUINE ENCEPHALOMYELITIS

(16) Dr. Robert Graham, Professor of Animal Pathology and Hygiene, has developed a pigeon brain tissue vaccine for the prevention of equine encephalomyelitis, which gives very satisfactory results. However, it would compete with a vaccine developed from chick embryos. Since the cost of the latter is only about one-fourth of the cost of the pigeon brain tissue vaccine, it would appear that the commercial value of the discovery at the present time and as far as can be foreseen is negligible.

It is the judgment of the Faculty Committee on Patents that the University should not expend money to apply for and secure a patent because it is not advisable from a commercial standpoint nor necessary on scientific grounds. It recommends, therefore, that the University do not apply for a patent and that the discovery be released to Professor Graham.

On motion of Mr. Karraker, these recommendations were adopted.

PURCHASES RECOMMENDED AND AUTHORIZED

(17) A recommendation that the following purchases be authorized:

1. 369—3' x 6'6" inner-spring mattresses from C. A. Kiler, Champaign, Illinois, the lowest bidder on mattresses which will meet our specifications, at a total cost of \$3,228.75.

2. One No. 1200 "Multilith" offset printing machine with accessories for the University Print Shop from the Multigraph Sales Agency, Peoria, Illinois, at a price of \$2,347.50 f.o.b. Cleveland, Ohio. This is a small offset press suitable for printing stationery and other small jobs. It is a non-competitive item.

That the action of the President in authorizing the following purchase as an emergency, in accordance with the University Statutes, be confirmed:

One x-ray diffraction unit with accessories from the General Electric X-ray Corporation, Chicago, the lowest bidder, at a total cost of \$2,130.30. This equipment is for one of the National Defense Research Committee projects which has been undertaken by the University pursuant to authorization of the Board of Trustees and will be paid for by the United States Government.

On motion of Mrs. Grigsby, these purchases were authorized and confirmed as recommended.

REPORT OF DEATH BENEFIT PAID

(18) A report that the Comptroller has been authorized to pay the death benefit to the beneficiary of the following member of the staff in accordance with the University Statutes and the terms of his employment:

Corum Ogles, Laborer in the Department of Horticulture—\$350. Mr. Ogles was in the active service of the University from April 28, 1925, until the date of his death, December 28, 1940.

This report was received for record.

OFFER OF FARM IN KNOX COUNTY

(19) Mr. Charles Booth, a farmer in Knox County, wishes to bequeath his farm to the University of Illinois, to be maintained and operated as a model or demonstration livestock farm and the net income used for scholarships or other forms of financial aid to worthy and needy students. The farm consists of 240 acres (described as the SW $\frac{1}{4}$ of sec. 25 and the S $\frac{1}{2}$ NE $\frac{1}{4}$ of sec. 26 all in TRIN, R1E (Galesburg Township), Knox County, Illinois). It has level, rolling, and rough land and seems better suited to livestock than to grain farming. It is in good condition, and the owner expects to keep on improving it. It is probably worth from \$125 to \$135 an acre at present prices, and Mr. Booth has been offered \$40,000 for it.

The Dean of the College of Agriculture recommends that the University arrange with Mr. Booth to accept his offer of this farm under certain conditions which are stated in the Dean's letter of March 3, a copy of which is hereby given to the Secretary of the Board for record.

On motion of Mr. Karraker, the acceptance of this gift was authorized under the conditions prescribed by Dean Rusk.

GIFTS TO THE UNIVERSITY

(20) The following report of gifts received by the University since the last report:

1. Carnegie Corporation, New York, \$2,000 for a study of the Library School.
2. Dow Chemical Company, Midland, Michigan, \$150 for continuing a study of the effect of different grain fumigants on the germinating quality of various strains of hybrid corn.
3. Department of Physiology (College of Medicine), \$34.67, accruing from the sale of laboratory outlines by that Department, as an addition to the Emergency Loan Fund of the College.
4. Mr. Percy H. Sloan, Class of 1892, two paintings executed by him of old University Hall, for the Illini Union Building.
5. Dean Charles M. Thompson of the College of Commerce and Business Administration, a plaque in the Commerce Building on which will be engraved annually the names of three seniors, three alumni, and two faculty members in recognition of outstanding services to the College of Commerce and to the University.
6. Mr. G. A. Morison, Vice President, the Bucyrus Erie Company, South Milwaukee, Wisconsin, ten folio volumes on bridges constructed under the direction of George S. Morison, to the Engineering Library.
7. Mr. Robert Allerton of Monticello, \$800 for the continuation of the Allerton American Traveling Scholarships in Architecture during the summer of 1941.
8. The Hillel Foundation of Champaign, a bronze finished plaster bust of Mendelssohn, to the School of Music.
9. Monsanto Chemical Company, an additional grant of \$40 for the completion of the investigation on the toxicity of pentachlorophenol to fish.
10. Illinois Clay Products Company, \$900 (supplementing funds previously offered during the current year) for the investigation of the properties of certain clay products by the Engineering Experiment Station and the Illinois State Geological Survey. The original agreement provided for a payment of \$3,700 for the year.
11. Hiram Walker & Sons, Inc., \$600 for a study of "the nutritive properties of dried distillers' solubles in swine nutrition," by the Agricultural Experiment Station.

12. Illinois Water Treatment Company, Rockford, Illinois, water softening equipment valued at \$350 for the Department of Ceramic Engineering.

13. Dean Maria Leonard, \$30.00 for three cash scholarship prizes to be awarded during the second semester, 1940-1941, to the young women having the highest all-University averages in (1) the Panhellenic senior group, (2) the Woman's Group System, and (3) the Resident Government System.

14. Standard Agricultural Chemicals, Inc., \$500 for an investigation of dinitro compounds by the Department of Horticulture.

15. Liberty Chemical Laboratories, Franklin Park, Illinois, \$300 for an investigation of greenhouse insecticides by the Agricultural Experiment Station and the State Natural History Survey.

16. A. E. Staley Manufacturing Company, Decatur, Illinois, \$1,500 for research work on the production of industrial oil from soybeans under the direction of Professor A. Garrell Deem of the Department of Chemistry.

17. Illinois Chapter of Sigma Xi, \$500 for the establishment of a Sigma Xi Fellowship in the Graduate School to be awarded biennially or as funds of the local chapter permit.

18. American Medical Association, \$300 to assist Dr. C. E. Cahn Bronner in research work on the oxygen requirement of bacteria under different nutrition.

19. Musher Foundation, Inc., \$125 (payable at the rate of \$25 a month) for research work on the anti-oxidant properties of oat flour in the preservation of meat and edible fats. This is to pay the expenses of the study for five months from February 1, 1941, under a cooperative research agreement previously authorized by the Board of Trustees.

Comptroller's Report of Gifts

1. University of Illinois Foundation, \$43,000 for Illini Union Building furnishings.

2. Arthur Andersen Research and Education Fund, \$500 for renewal of graduate scholarship in Accountancy or Economics.

3. United States Navy, Bureau of Supplies and Accounts, \$2,400 additional for tests of riveted joints by the College of Engineering.

4. Dow Chemical Company, \$750 for an assistantship in Chemistry for 1940-1941.

5. Ferro Enamel Corporation, \$1,000 for renewal of a graduate fellowship in Ceramic Engineering for research under the direction of Professor A. I. Andrews; \$750 is for salary and \$250 for other expenses.

6. Electric Auto-Lite Company, \$375 for a Research Assistantship in the Department of Chemistry.

7. Standard Brands, Inc., \$850 additional for research on the effects of yeasts on the digestive tract by the College of Medicine.

8. Nutrition Research Laboratories, Inc., \$597.12 additional for Vitamin D Research by the College of Medicine.

9. Charles A. Dennison Estate, \$400 to be added to the Dennison Memorial Fund for Purchase of Library Books.

On motion of Mr. Fornof, these gifts were accepted with thanks.

AUTOMOBILE INSURANCE

(21) At the meeting of the Board of Trustees on February 21 there was presented a recommendation that automobile insurance, providing coverage of \$5,000 for property damage, and \$25,000/50,000 for public liability on the University's fleet of 61 passenger cars and 52 trucks, for one year from April 4, 1941, be placed with the American Automobile Insurance Company of St. Louis, Missouri, through its representative, Beers & Beers, Champaign, Illinois, the lowest bidder, at a premium of \$1,281.83.

Action on this was deferred, pending the receipt of further information in answer to specific questions. These questions and the information in reply thereto are:

1. Why was not a bid submitted by the Continental Casualty Company, present insurer? The report of the Purchasing Agent, submitted herewith, indicates that a notice was sent to the agency representing that company, and no

bid was received on behalf of that company at the date of opening. Since the meeting of the Board at which the recommendation was presented, letters have been received, making a proposal on behalf of this company. These proposals of course were received subsequent to the time when bids were opened in accordance with the announcement submitted under date of January 29, 1941, which stated that quotations must be submitted on or before 10 a.m. February 10, 1941.

2. The question was raised as to coverage for fire, windstorm, and theft. This coverage can be secured at an annual cost of \$385.56, and is now recommended by the Director of the Physical Plant Department. Information is also given concerning collision coverage, but this is not recommended.

3. The question was raised as to increasing the range of public liability from \$25,000/50,000 to \$50,000/100,000. This could be done at an increased cost of \$36.77 a year. Based on previous experience, and on the status of the University, the Comptroller is not inclined to recommend this added coverage.

On motion of Mr. Adams, the bid of the American Automobile Insurance Company was accepted with the addition for fire, windstorm, and theft, as recommended.

PURCHASE OF EQUIPMENT FROM THE ILLINOIS UNION, INC.

(22) The Board of Trustees, on October 9, 1939 (Minutes, page 617), voted that "the University will reimburse any student organization whose activities are taken over and transferred to the Illini Union Building for its investment in stock or other physical assets which are acquired by the University in such transfer."

The Comptroller had previously been authorized to work out these details of settlement with the Illinois Union, and an agreement was reached on the value (fixed at \$6,388.80) of the equipment to be purchased by the University from the Union. Last year the officers of the Illinois Union agreed to the deferment of this settlement, but it should be made prior to May 1, 1941, when the Illinois Union will be dissolved and pass out of existence. An appropriation from the General Reserve Fund will be necessary for this purpose.

The Comptroller reports also that an agreement has been reached with the Illinois Union as to the value of its stock of books and supplies which was taken over by the Illini Union Bookstore. The amount agreed upon is \$6,376.04 and is based on an inventory of material taken at the time of transfer. The figure is concurred in both by the Union and by the Bookstore management and is verified by the auditing division. This may be paid from the operating receipts of the Bookstore, and I recommend approval.

On motion of Mr. Jensen, these agreements were approved.

AFFILIATION WITH RUSH MEDICAL COLLEGE

(23) The negotiations relating to the proposed affiliation with the officials of Presbyterian Hospital and Rush Medical College have reached a point where it is necessary to determine the future status of the junior class (next year's senior class) of the Rush Division of the University of Chicago. The plan proposed by the University of Chicago and Rush is that the Rush students be given a choice of securing their degrees from the University of Chicago or the University of Illinois. The University of Chicago is willing to grant the M.D. degree to students who have met the qualifications and have paid the required Rush College fees. It further agrees "to turn over to Rush Medical College all tuition payments received from students registering for Rush through the University for the academic year 1941-1942," and that Rush will see that "the necessary instruction is given such students for that period, presumably by the University of Illinois."

In the case of those students who would register at the University of Illinois it will be necessary for the University to provide the second year of clinical instruction. Such students would carry on with their classes under the same conditions as at Rush. They would be given advanced standing at the University of Illinois and granted the degree on satisfactory completion of the work at Rush.

The Executive Dean of the Chicago Colleges recommends that the officials of the Presbyterian Hospital and Rush Medical College be advised that in the interests of the students themselves the entire class should receive its degrees from the University of Chicago.

The officials of Presbyterian Hospital recommend a modification in the wording of the proposed agreement to provide that "the Executive Committee of the staff of the Hospital shall review all nominations of the University and forward them to the Board of Trustees of the Hospital, *with their recommendations.*" The Executive Dean recommends concurrence in this change.

On motion of Dr. Meyer, these recommendations were adopted.

INJURIES TO EMPLOYEES

(24) A recommendation from the Comptroller that an additional appropriation of \$1,000 be made for injuries to employees, for routine cases for the remainder of the year.

On motion of Mr. Karraker, this appropriation was made, by the following vote: Aye, Mr. Cleary, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Adams, Mr. Davis, Mr. Green.

REPORT OF PROGRESS ON RETIREMENT SYSTEM

(25) At the meeting of the Board on February 21, 1941 (Minutes, page 198), the Board instructed the Finance Committee and the President to proceed with the formulation of a new retirement plan which would be generally acceptable to the faculty, based on the recommendations of the faculty committee submitted through the Finance Committee to the Board under date of February 11, 1941, and when such a plan is evolved, to prepare a legislative bill covering the same for final consideration of the Board.

Since that meeting a canvass of the staff has been carried out on a large scale to secure an expression of opinion of the plan recommended by the faculty committee. The preliminary report of this canvass shows a strong sentiment in favor of the plan recently recommended by the faculty committee. This report is still to be reviewed by the University Council, and a final report will be made to the Board at the next meeting. In the meantime, work is going ahead on the drafting of a legislative bill for consideration.

This report was received for record.

PROGRESS OF CONSTRUCTION OF MEN'S RESIDENCE HALL

(26) The Director of the Physical Plant Department submits a report on the progress of construction of the Men's Residence Hall as of March 1, 1941, a copy of which is hereby given to the Secretary of the Board for record.

This report was received for record.

CIVIL SERVICE LEGISLATION

At the request of the President of the University, Mr. Morey presented a report on the progress of proposals in the General Assembly to modify the Civil Service laws.

On motion of Mr. Fornof, the President was requested to keep in touch with this matter in so far as it may affect the University.

SECRETARY'S REPORT OF CONTRACTS

The Secretary reported for record the following documents signed by the President and the Secretary of the Board and deposited with the Secretary since the last report:

1. Illini Union Building Trust Agreement with the University of Illinois Foundation, dated September 27, 1940.
2. Lease of the Illini Union Building from the University of Illinois Foundation, dated September 1, 1940.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 1 and 17, 1941

**With Adjourned Session of
April 28, 1941**

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 12 o'clock noon on Tuesday, April 1, 1941, pursuant to the following call issued by the Secretary on March 27, 1941.

On the call of the President, Mr. James M. Cleary, a special meeting of the Board of Trustees of the University of Illinois will be held at the Blackstone Hotel, in Chicago, at twelve o'clock noon on Tuesday, April 1, 1941, to consider the biennial budget.

The following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Livingston.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Dean A. J. Harno, Provost, Professor Lloyd Morey, Comptroller, Judge Sveinbjorn Johnson, University Counsel, Professor C. R. Griffith, Director of the Bureau of Institutional Research, Dr. R. B. Allen, Executive Dean of the Chicago Colleges, Mr. C. S. Havens, Director of the Physical Plant Department, and Mr. H. E. Cunningham, Secretary.

RESOLUTION—DEAN DAVENPORT

Eugene Davenport, full of years and of honors, has passed away. He served the University of Illinois well as Dean of the College of Agriculture, Director of the Agricultural Experiment Station, and Professor of Thremmatology from January 1, 1895, to his retirement on September 1, 1922. From 1920 to 1922, Dr. Davenport served as Vice-President of the University. He was always a leader, and the highest type of Christian citizen. In his retirement he was active as an author of books and in writing for farm journals, and as a practical farmer. From his retirement he was recalled to active service to assist the President of the University of Illinois for a period of several months in the year 1929. He was granted the honorary degree of Doctor of Laws by the University of Illinois in 1931; other institutions conferring this degree on him were Michigan State College and the University of Kentucky. Iowa State College gave him the degree of Doctor of Science.

In noting Dean Davenport's death on March 31, 1941, the Board of Trustees makes record of its sense of loss and of its appreciation of the value of his services to agriculture, education, and society, and directs its Secretary to send a copy of this resolution to Dean Davenport's family.

On motion of Mr. Jensen, this resolution was adopted unanimously by a rising vote.

BIENNIAL BUDGET

President Cleary, President Willard, and Mr. Morey reported on a conference with the State Budgetary Commission in Springfield on March 31, 1941, at which time the Commission indicated that the budget of the University must be reduced to a point allowing a total increase of seven per cent over the appropriations for the current biennium.

President Cleary read the following letter from Mr. George B. McKibbin, Director of Finance:

March 27, 1941

*Dr. Arthur C. Willard, President,
University of Illinois,
Urbana, Illinois.*

DEAR DR. WILLARD:

Confirming my telephone conversation with you, this is to advise you that the Budgetary Commission, at its executive session last night, agreed that it would recommend that the operating budget of the University of Illinois be increased by 7%, from \$11,256,536.00 to \$12,044,493.00. No change was made in the request for permanent improvements, and it was agreed to recommend the requested amount of \$885,000.00.

The request contained in your letter of March 10, for \$946,000 for the Research and Educational Hospital in Chicago, was considered and the cost of the purchase of the land and the remodeling, totalling \$379,000.00, was recommended and the addition, at a cost of \$567,000.00, not recommended. This, of course, is all conditioned upon the hospital being transferred to the University of Illinois.

In the event that you or anyone else representing the University of Illinois desires to discuss this matter further with the Budgetary Commission, a limited amount of time, say one-half hour to an hour, should be arranged for at the

executive session of the Budgetary Commission to be held next Monday evening, March 31. This will probably be the final meeting of the Commission.

Very truly yours,

GEORGE B. MCKIBBIN

Director of Finance

Mr. Morey presented the explanation of the budget as submitted to the State Department of Finance, and commented on the general financial features. Provost Harno presented at length the breakdown of increases as included in the budget, and Professor Griffith, Dean Allen, and Director Havens also made statements.

During the discussion, President Cleary announced that he had just had a telephone conversation with Director McKibbin, in which the Director stated that the Budgetary Commission had approved an increase in the operating budget of the University of ten per cent instead of seven as proposed in his letter. The effect of this would be to make the item for operation from the general funds of the State \$12,382,189 instead of \$12,044,493 as previously proposed by the Commission or of \$13,370,176 as requested by the University.

On motion of Mr. Fornof, the Board voted unanimously to reaffirm the budget as adopted for presentation to the Department of Finance (Minutes, October 21, 1940, page 100) as representing the minimum needs of the University for the coming biennium, and the President of the Board was requested to inform the Budgetary Commission of this action.

On motion of Mr. Davis, the President of the Board was requested to ask a further hearing before the Budgetary Commission and to seek opportunity to discuss the budget with the Governor and the Director of Finance.

AGREEMENT WITH DEPARTMENT OF PUBLIC WELFARE

Judge Johnson presented a modification of the agreement with the Department of Public Welfare to provide for the transfer to the University of the operation of the Research Hospitals in Chicago.

President Willard recommended the approval of this agreement.

On motion of Mrs. Grigsby, the Board concurred in this recommendation and authorized its President and Secretary to execute the agreement.

TREASURER'S BOND

On motion of Mr. Davis, the University Counsel was requested to prepare a suitable form of bond, with the following sureties, Edward Eagle Brown, Harold V. Amberg, and Bentley G. McCloud, with responsibility in the amount of \$800,000, to constitute on execution the bond of Mr. Frank M. Gordon, Treasurer.

AGREEMENT WITH PRESBYTERIAN HOSPITAL

Judge Johnson presented a modification of the proposed agreement with Presbyterian Hospital, to provide for the continuation of Rush Medical College to give graduate work only.

Dean Allen expressed his approval of this provision.

On motion of Mr. Davis, this modification was authorized.

STATE LEGISLATION AUTHORIZING BOND ISSUES

Judge Johnson stated that the program of legislation to be requested of the General Assembly of Illinois, approved by the Board at two previous meetings, includes a bill or bills authorizing the Board of Trustees of the University to issue bonds for new buildings and for refinancing of existing obligations.

Pursuant to this authorization two bills were introduced in the House of Representatives today, and the hearing set for Wednesday, April 2, 1941.

For an Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control, and manage student social centers, student residence halls, and buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition, or equipment of any such building or buildings, payable solely from the revenues derived from the operation thereof, and for the refunding of any such bonds.

For an Act to amend Section 6 of "An Act in relation to State finance," approved June 10, 1919, as amended, authorizing the University to retain in its treasury any funds derived from rentals, service charges, and laboratory and building service charges or other sources, assessed or obtained for or arising out of the operation of any building or buildings and pledged to discharge obligations created in order to acquire by purchase or otherwise, construct, equip, complete, or operate such building, or for the payment of revenue bonds issued under the previous act.

Since May 30, 1941, is the deadline for the calling of bonds issued for the construction of the second unit of the Medical and Dental Building, it is highly desirable that this legislation be passed and approved by that date to enable the University to refinance these bonds and save a year's difference in interest rates. Both bills have been approved by bond counsel.

This report was received for record.

DATE OF APRIL MEETING

The Board voted to hold the April meeting at the University, in Urbana, on Thursday, April 17, 1941.

The Board adjourned to meet, if necessary for further consideration of the budget, on call of the President.

H. E. CUNNINGHAM
Secretary

JAMES M. CLEARY
President

MEETING OF APRIL 17, 1941

The April meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, at the University, in Urbana, at 10 o'clock a.m. on Thursday, April 17, 1941.

The following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Professor Lloyd Morey, Comptroller, and Mr. H. E. Cunningham, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of March 11, 1941.

On motion of Mr. Karraker, the minutes were approved as printed on pages 209 to 234 above.

ADMISSION OF NEWSPAPER REPORTERS

President Cleary stated that three representatives of newspapers had asked to be admitted to the meetings of the Board of Trustees.

Mr. Livingston offered a motion that representatives of the press be admitted to the regular meetings of the Board.

Dr. Meyer moved as an amendment that the Board go into executive session to consider this matter. The amendment prevailed by unanimous vote.

The President of the Board requested all persons to withdraw except the members of the Board, the President of the University, and the Secretary.

After full discussion, and on motion of Mr. Fornof, this matter was referred to the Committee on General Policy for consideration and report at the May meeting.

At this point, President Cleary withdrew for a short time, after requesting Mr. Davis to take the chair.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Secretary reported that he had received from the members of the Board expressions of approval of the recommendations of the President of the University contained in the following items of the agenda, covered by memoranda sent to all the members of the Board in advance of the meeting.

On motion of Mr. Jensen, the following items numbered 1 to 7 were approved and the appropriations were made by unanimous vote of record.

APPOINTMENT OF DR. CARL G. HARTMAN AS PROFESSOR AND HEAD OF THE DEPARTMENTS OF ZOOLOGY AND PHYSIOLOGY

(1) The Dean of the College of Liberal Arts and Sciences recommends, and I concur therein, the appointment of Dr. Carl G. Hartman of the Carnegie Institution of Washington as Professor of Zoology and Head of the Departments of Zoology and Physiology on indefinite tenure beginning September 1, 1941, at an annual salary of \$7,500. This appointment is recommended on the condition, which will be expressly stated in Doctor Hartman's contract, that he will not be eligible to participate in the present system of retiring allowances. However, he would be under the new contributory system which is now under consideration if it is established.

LEAVE OF ABSENCE FOR PROFESSOR FRANCIS P. SHEPARD

(2) During the two academic years, 1939-1941, Professor Francis P. Shepard of the Department of Geology and Geography has been granted a leave of absence without pay for two semesters (from February, 1940, to February, 1941) for the purpose of conducting investigations in submarine geology on the Pacific Coast in which he has been interested and has been specializing for several years. He has been assisted in his researches by the Geological Society of America and by the Scripps Institution of Oceanography.

The Head of the Department of Geology and Geography, the Dean of the College of Liberal Arts and Sciences, and the Dean of the Graduate School all recommend continuation of this arrangement during the two years beginning September 1, 1941, specifically a leave of absence without pay for the second semester of 1941-1942 and the first semester of 1942-1943, or from February 1, 1942, to February 1, 1943. This plan has worked out satisfactorily in the past, since it has enabled him to teach all his advanced classes in the department, giving up only work in the elementary course for which temporary provision is made within the funds released by the unused half of his salary.

I concur in this recommendation.

LEAVES OF ABSENCE

(3) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

E. E. King, Professor of Railway Civil Engineering, sick leave with full pay for six months from March 1, 1941.

Sylvia Shaver, Library Assistant in the Order Department, two months' leave of absence, December, 1940, and January, 1941, without pay, because of illness. She was previously allowed a month's sick leave, in addition to the two weeks' sick leave allowed by the Civil Service Commission, with pay.

W. M. Wilson, Research Professor of Structural Engineering, leave with pay for a period of ten days from April 26. This is in connection with his services on the Board of Engineers which was appointed to determine the loss resulting from the failure of the suspension bridge over the Tacoma Narrows near Seattle.

C. R. Anderson, Associate Professor of English, sick leave with full pay for one month from April 2.

C. L. Metcalf, Professor of Entomology and Head of the Department, sick leave with full pay for one month from April 8, 1941.

Leaves of Absence for Military Service

(The leave in each case is without salary.)

Manning Seil, Associate in Journalism, one year from March 13, 1941.

Tell Nelson,* Associate in Medicine, March 15 through August 31, 1941.

Wesley E. Peltzer, First-Year Resident in Pediatrics, April 1 through June 30, 1941.

P. J. Sarma, Associate Professor of Surgery, one year from March 10, 1941.

Milton Tinsley, Instructor in Neurological Surgery, March 20 through August 31, 1941.

Joseph G. Schoolman,* Instructor in Laryngology, Rhinology, and Otology, March 15 through August 31, 1941.

Norman A. Wien, Instructor in Medicine, March 20 through August 31, 1941.

CURRICULUM IN VOCATIONAL AGRICULTURE

(4) The University Senate recommends approval of the following new curriculum in Vocational Agriculture.

Up to the present time students training for Vocational Agriculture have been enrolled in the General Agriculture curriculum. The results have not been entirely satisfactory because the curriculum is too general and too flexible. The large amount of elective freedom allowed in the curriculum has resulted in many prospective teachers concentrating in one field and neglecting other fields

*Member of the Clinical Staff serving without salary.

which they must teach when they are employed. The new curriculum has been worked out by the Division of Agricultural Education in the College of Education and the various departments of the College of Agriculture with the advice of members of the Federal Vocational Board. The new curriculum is almost entirely a rearrangement of present courses, there being only one new course involved.

This curriculum will not require any additions to the staff or to the budget, since the courses which make it up are already being offered. It is simply a rearrangement of existing courses to meet the needs of students seeking training in Vocational Agriculture.

I concur in this recommendation.

CURRICULUM IN VOCATIONAL AGRICULTURE

The selection and distribution of prescribed courses in technical agriculture is such as to insure a reasonable preparation in all the phases of agriculture which are commonly taught in the high school. In addition, the curriculum includes the necessary courses in educational theory and practice, including practice teaching, as well as a broad base of fundamental science and other general training believed to be essential for prospective high school teachers.

BRITISH PATENTS ON PHOTOELECTRIC CELL

(5) The Secretary of the Board reports the receipt of the following:

1. Original British patent No. 527,353, issued on Joseph Tykocinski Tykociner, Jakob Kunz, and Lloyd Preston Garner, British Application Serial No. 37,927/38, with memorandums of interest. In the memorandum it is noted that this patent extends for a period of sixteen years from December 30, 1938, the date of filing the application in Great Britain. The British patent is based on

¹Students who have had an acceptable shop course in high school should omit Agricultural Engineering 21.

²Students who have had livestock judging in high school will not be required to take Animal Husbandry 1.

United States Letters Patent No. 2,185,531, issued January 2, 1940, on Application Serial No. 183,460, filed on January 5, 1938.

2. British patent No. 527,484, issued on Joseph Tykocinski Tykociner, Jakob Kunz, and Lloyd Preston Garner, British Divisional Application Serial No. 12,614/40. The British patent is based on United States Letters Patent No. 2,237,242, which will issue April 1, 1941, on Application Serial No. 294,652, filed September 13, 1939.

ADJUSTMENTS IN BUDGET FOR 1940-1941

(7) In approving the budget for 1940-1941 the Board authorized the President of the University to make such changes and adjustments as are necessary. Pursuant to this authorization the following adjustments were made in the operating budget during the fiscal quarter ending March 31, 1941:

Permanent additions to current budget:

| | | |
|----------------------------------|--------|--------|
| University Counsel salaries..... | \$ 200 | |
| Registrar's Office salaries..... | 120 | |
| Library wages..... | 275 | |
| Library salaries..... | 280 | \$ 875 |

Temporary additions to current budget:

| | | |
|--|-------|---------|
| Chemistry salaries..... | 1 000 | |
| English salaries..... | 750 | |
| Spanish and Italian salaries..... | 1 950 | 3 700 |
| <i>Total Additions to Budget.</i> | | \$4 575 |

RECOMMENDATIONS OF PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

CHANGE IN ORGANIZATION OF DEPARTMENT OF POLITICAL SCIENCE

(1) The members of the Department of Political Science of professorial rank and the Dean of the College of Liberal Arts and Sciences recommend a change in the organization of the Department from a department organized with a head to a department with a chairman.

The University of Illinois Statutes provide for such changes.

I concur.

On motion of Mr. Adams, this change was approved.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(2) A report of the approval of the following agreements for cooperative investigations:

1. Renewal of agreement with the Public Roads Administration of the Federal Works Agency and the Division of Highways of the Department of Public Works and Buildings of Illinois, for a cooperative investigation of reinforced concrete slabs by the Engineering Experiment Station. This agreement is for one year from July 1, 1941, and the cooperating agencies will contribute up to \$20,000 (each contributing one-half of the costs) for the expenses of this investigation. The agreement conforms in all respects to the Statutes and policies of the University governing such investigations.

2. Extension of agreement with the Kellogg Company for an investigation of the effect of bran on the alimentary tract by the College of Medicine for one month from March 1, 1941. The Company agrees to contribute \$1,300 to cover the cost of continuing this investigation.

3. At its meeting on January 22, 1941 (Minutes, page 165), the Board approved an agreement with Phenolphthalein Research, Incorporated, for a continuation of researches in pharmacology during the calendar year 1941, the cooperating agency offering to contribute \$12,000 (\$1,000 per month) for the expenses of this program. Phenolphthalein Research, Incorporated, desires to modify this agreement to provide for monthly payments of \$675 from February 1 through June 30, 1941, due to the transfer of a portion of this work to another agency. The expenses of conducting the work during the month of January were paid from unexpended balances carried over from previous grants. The existing agreement will either be terminated July 1, 1941, or a new proposal submitted after that date.

4. American Potash Institute, Inc., renewal of agreement to study the interaction of soils with potassium salts added thereto and the availability to growing plants of the resulting forms of potassium. This renewal is to cover a period of three years beginning September 1, 1941, and the Institute agrees to contribute \$1,200 a year for the support of this study.

5. Division of Highways, Department of Public Works and Buildings of Illinois, extension of agreement for a cooperative investigation of earth pressures on rigid culverts, for one year from July 1, 1941, under the same terms as stipulated in present agreement. The Department will pay the actual cost incurred in the investigation, and it is estimated that the total amount will not exceed \$1,000.

On motion of Mr. Fornof, these agreements were approved.

ACCEPTANCE OF GREGORY HALL AND ADDITIONS TO MCKINLEY HOSPITAL AND LIBRARY

(3) A recommendation that the Board adopt the following resolution accepting Gregory Hall and the additions to McKinley Hospital and Library from the contractors:

RESOLUTION APPROVING ALL PROJECTS IN CONNECTION WITH P.W.A. PROJECT NO. ILL. 1962-F

Whereas, various contractors entered into signed contracts with the Board of Trustees of the University of Illinois as Owner for various divisions of the

work entering into the construction of Gregory Hall, First Addition to Mc-Kinley Hospital, and the Fifth Addition to the Library, and

Whereas, it now appears that these persons have completed the work required under their contracts;

Now, therefore, be it resolved, by the Board of Trustees of the University of Illinois:

That the work called for under said contracts is completed and is hereby approved; provided, however, that the adoption of this resolution is not intended and shall not be construed to relieve or acquit the contractors of their obligations as expressed in their contracts to remedy such defects, if any, in material or workmanship as may appear within the periods stated in said contracts, or to make good and perform fully any other responsibility or obligation which, in accordance with the true intent and meaning of their contracts, they should discharge or perform notwithstanding the formal acceptance of the work as completed.

On motion of Mr. Karraker, this resolution was adopted by unanimous vote of record.

PURCHASES RECOMMENDED AND AUTHORIZED

(4) A recommendation that the following purchases be authorized:

1. Galvanized pipe for Physical Plant stock from the Crane Company, Terre Haute, Indiana, the lowest bidder, at a cost of \$1,031.89 f.o.b. Urbana.

2. 150 yearling ewes or wethers for the Department of Animal Husbandry at a price of approximately \$1,500. This purchase requires inspection of several lots of animals before a selection can be made, and the price will depend on the market at the time of purchase. It is recommended that the Department of Animal Husbandry be authorized to inspect and select suitable animals and arrange for their purchase.

3. Two bookkeeping machines for the Business Office from the Underwood, Elliott, Fisher Company, the lowest bidder, at a price of \$1,718.81. A recommendation for a special appropriation for this equipment is pending, and the placing of the order is contingent on the appropriation being made.

That the action of the President in authorizing the following purchases as emergencies, in accordance with the University Statutes, be confirmed:

1. Granite stair treads for entrance to Noyes Chemical Laboratory, from the Illinois Cut Stone Company, the lowest bidder, at a price of \$1,547 delivered to the site.

2. 400 dozen bath towels, for the Department of Physical Education for Men, from Carson, Pirie, Scott, and Company, Chicago, the lowest bidder, at a total cost of \$1,068.06 f.o.b. Urbana.

3. 180 dozen sheets and 90 dozen pillow cases for the Men's Residence Hall from Carson, Pirie, Scott, and Company, the lowest bidder, at a total cost of \$2,189.70 f.o.b. Urbana.

4. One four-unit combine milking machine with accessories, for installation in milking parlor at Round Dairy Barn, from the DeLaval Separator Company at their price of \$2,052.75 f.o.b. Poughkeepsie, New York. Members of the Dairy Husbandry staff investigated types of equipment available and found only one product, that of the DeLaval Separator Company, suitable for their use.

On motion of Mr. Karraker, these purchases were authorized and the action of the President of the University was confirmed as requested.

LIGHTING FIXTURES FOR MEN'S RESIDENCE HALL

(5) The Director of the Physical Plant Department submits the following schedule of bids for lighting fixtures for the Men's Residence Hall.

| | <i>Proposal No. 1</i> (A-K inc.) | <i>Proposal No. 2</i> (L-V inc.) | <i>Proposal No. 3</i> (A-V inc.) |
|-----------------------------------|-------------------------------------|-------------------------------------|-------------------------------------|
| Beardslee Chandelier Mfg. Co..... | \$3 205 00 | \$2 095 00 | \$5 300 00 |
| Butler-Kohaus, Inc..... | 2 750 89 | 2 662 85 | 5 373 74 |
| Mutual Metal Mfg. Co..... | | | 4 100 00 |
| Porter, Glore, & Glass, Inc..... | 3 265 00 | | 5 437 00 |

He recommends the award of the contract to the Mutual Metal Manufacturing Company in the amount of \$4,100, on condition that a bond will be provided by the vendor, the premium on which will be paid by the University.

Previous bids on this installation were rejected because there were only two bids received, and several of the prospective bidders had indicated that they would have submitted bids if they had had more time and if separate bids had been requested on stock and special fixtures as well as combined bids. The Mutual Metal Manufacturing Company was the lowest bidder each time.

I concur in this recommendation.

On motion of Mr. Fornof, this award was made as recommended.

At this point, Mr. Cleary returned and took the chair.

BOILER AND MACHINERY INSURANCE

(6) The Comptroller submits the following schedule of bids received on boiler and machinery insurance for a period of three years beginning May 1, 1941.

| <i>Agent</i> | <i>Company</i> | <i>Amount</i> |
|--|---|---------------|
| C. F. Vaughan, Special Representative, Champaign, and Millers Mutual Fire Insurance Association, Alton | Lumbermens Mutual Casualty Co. Total cost . . . \$10 856 42 Less Dividend 2 714 11 Net Premium | \$8 142 31 |

| Frank Smith Agency First National Bank Bldg. Urbana | Travelers Indemnity Company | 10 856 42 |
| Burton and Trelease 703 South Wright St. Champaign | Hartford Steam Boiler Inspection and Insurance Company | 10 856 42 |

*The combination bid for Hartford and Lloyd's was withdrawn April 5, 1941.

The Comptroller recommends:

1. That the insurance be placed with the Lumbermens Mutual Casualty Company, whose net bid of \$8,142.31 is lowest. This company is the present carrier of this insurance and its services during the past three years have been satisfactory. The policy will be non-assessable.

2. That instead of full coverage as quoted, we carry \$500 deductible liability on all objects, which will effect a saving of approximately \$1,100. Under the deductible limits we would assume the loss for each accident up to \$500 and still have the same inspection service. Our loss during the past three years amounted to less than \$100.

The modification recommended in paragraph 2 is in accordance with the rules of the National Bureau of Casualty and Surety Underwriters and can be applied to any of the quotations.

The net cost for the three-year policy would be as follows:

| | |
|---|--------------------|
| Three year (full coverage) premium based on Bureau rates..... | \$10 856 42 |
| Credit for \$500 deductible liability limits..... | 1 111 79 |
| | <u>9 744 63</u> |
| Less 25% dividend by Lumbermens Mutual Casualty Co..... | 2 436 15 |
| | <u>\$ 7 308 48</u> |

I concur in these recommendations.

On motion of Mr. Karraker, the insurance was placed with the Lumbermens Mutual Casualty Company.

On motion of Mr. Davis, the Board requested the Director of the State Department of Insurance to have a survey made by his Department of the University's insurance and to submit a report with recommendations on forms of coverage and methods of placing insurance.

SPECIAL APPROPRIATIONS AND NON-RECURRING EXPENDITURES

(7) A recommendation that the following assignments be made from the General Reserve Fund:

| | |
|--|--------------------|
| (a) Installation and equipment of a cold laboratory in the Research and Educational Hospitals..... | \$ 5 000 |
| (b) Replacement of and addition to bookkeeping machine equipment in Business Office..... | 2 000 |
| (c) Changes in the Vivarium (Department of Zoology)..... | 3 000 |
| (d) Steam line from Library Building to Auditorium..... | 6 000 ¹ |
| (e) Administration of Selective Training and Service Act Regulations | 400 ² |
| <i>Total</i> | <u>\$16 400</u> |

On motion of Mr. Karraker, these appropriations were made, by the following vote: Aye, Mr. Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Green, Mr. Wieland.

¹As part of the extension of the service of the new power plant, there was constructed last year a new steam line from the Library to the Auditorium, at a cost of \$10,000, of which \$4,000 was charged to the State appropriation for the power plant, and \$6,000 is chargeable to Physical Plant operation and maintenance. The work is now finished, but in the meantime the \$6,000 earmarked in the Physical Plant Department's 1939-1940 budget for this lapsed into general University funds on June 30, 1940, at the end of the last fiscal year.

²The University has been asked to supply information to State and local draft boards on the occupational status of staff members and students who are subject to call for military service under the Selective Training and Service Act. To carry out the University's responsibility, Committees on Occupational Deferment of Military Service Under the Selective Training and Service Act have been set up in the Urbana and Chicago divisions. The work of these Committees will involve expenses for clerical service, printing, postage, etc.

**IMPROVEMENT IN POWER AND HEATING PLANT
AND DISTRIBUTION SYSTEM**

(8) The Director of the Physical Plant Department recommends the assignment of the balance in the State appropriation for the new Power and Heating Plant and distribution system for purchase of material and the installation of a 12-inch low pressure steam main from the new power plant to Sixth Street and Gregory Drive, to the extent that funds are available for this improvement, and requests authorization of the expenditures for this purpose.

The estimated cost of material, and of the labor to place it in the tunnel is \$19,600; the balance of the labor necessary to put the equipment into operating service is estimated at \$3,200, or a total of \$22,800. The following balances are now available or will be available for this improvement when the assignments and appropriations have been authorized:

| | |
|--|--------------------|
| 1. Present balance in Power and Heating Plant appropriation..... | \$ 7 500 |
| 2. Reduction of encumbrance on contract for services of Sargent & Lundy, resulting in a release of..... | 3 700 |
| 3. Reimbursement of Physical Plant Department budget from General Reserve fund for part of the cost of installation of a steam conduit south of the Auditorium (see separate recommendation for steam line, paragraph <i>d</i> of item 7, page 246)..... | 6 000 ¹ |
| 4. Reimbursement of the Physical Plant budget from General Reserve Fund for expenses of extending and improving electric distribution system to College of Engineering buildings (this appropriation to be made later)..... | 4 500 |
| <i>Total</i> | \$21 700 |

I recommend authorization of this improvement as here indicated.

On motion of Mr. Adams, this improvement was authorized as recommended.

PLAN FOR USE OF THE CAMPUS FOREST PLANTATIONS

(9) The following plan for the use of forest plantations on the campus of the University at Urbana, prepared by Professor J. Nelson Spaeth, Head of the Department of Forestry, and concurred in by the Dean of the College of Agriculture and the Director of the Physical Plant Department, is submitted to the Board with my recommendation that it be approved.

The Director of the School of Physical Education and the Director of Intercollegiate Athletics have advised that this plan would not interfere with the proposal for the use of a part of this area for the development of the program of athletics and physical education.

The Department of Forestry has completed a stand inventory of the forest plantation on the University of Illinois campus which is commonly referred to as "The Forestry." A technical report on the development and growth of the plantations is contemplated. These plantations, provided for by legislative action in 1869, were established in the early days of the University. The planting extended over a period of approximately thirty years. The oldest trees are seventy-one years from seed. Nowhere in the cornbelt is there a plantation on prairie soil comparable in age or variety of species. It represents a substantial investment for research, the major benefits of which still lie in the future if the area is properly maintained.

The original purpose of the experiment was to demonstrate the usefulness of tree planting on the prairie. In a report made to the Board of Trustees of the University by its Committee on Horticulture, November 18, 1868, the experiment was recommended for the following reasons: "To bring these useful trees within the bounds of culture and to utilize them is one of the objects of this industrial institution. To teach the people of the state how to add these

¹The total cost of this improvement was \$10,000, of which \$4,000 was paid from the new power plant appropriation, and \$6,000 is chargeable to the Physical Plant Department maintenance budget. The work was done last year but was not completed before June 30, 1940, the end of the last fiscal year, when the funds earmarked for this purpose in the Physical Plant appropriation for that year lapsed. Consequently an appropriation for this is necessary.

products of the forest to their other crops, and thus add millions of dollars annually to the wealth of the state, to give labor a wider range and a more comprehensive field for its employment, are objects worthy of such an institution." The language is quaint, but these are still worthy objectives. The need to utilize the land resources of the state to produce wealth and furnish employment was never greater than at present.

The development of these plantations has been a basis for planting recommendations for many years. A report on the establishment and early development of the area entitled, "The Forest Tree Plantation," was published as Bulletin 26 of the Illinois Agricultural Experiment Station in 1893. Results of measurements in this plantation were included in a United States Forest Service Bulletin on forest planting as early as 1907. The plantations have since been used as a field laboratory by many advanced students representing several departments in the University. They have been used by the Central States Forest Experiment Station in several studies of plantation growth and of the influence of planted trees upon the porosity of the soil. With the passing of the years, these plantations will become increasingly useful in teaching and research because of their accessibility for laboratory exercises on the measurement of trees and the study of many physiological and ecological principles of tree growth. They are of unique value and interest; half a century, at least, would be required to duplicate them.

In order to give the trees a good start, the young plantations were cultivated for several years after establishment. The areas were then permitted to develop naturally. Many woody species, trees and shrubs, and various herbs sprang up among or under the planted trees. If the area had been permitted to continue to develop a natural understory, ground cover and forest floor, and if the plantations had been thinned from time to time in accord with the best forestry practice, the area would now constitute an outstanding demonstration of forestry on prairie land. However, it was considered impractical on account of the location, the fire danger of the young coniferous growth, and other important factors to permit the natural development of this vegetation to continue. The removal of the undergrowth and intermittent mowing under the trees have created conditions unfavorable to the best development of the planted trees. Furthermore, no forest area can be self-perpetuating unless natural reproduction is allowed to become established and develop; the planted trees pass maturity and become decadent, and no others are present to take their places. This occurrence is hastened by mowing, which prevents the development of normal forest floor conditions. The area of green ash at the northeast corner of the forestry represents this condition: it has become decadent before the normal age of maturity. In its present condition it is of little value as a demonstration of forestry. The areas to the south are, in general, somewhat young and in a much more thrifty condition.

Recommendations

The campus forest plantations may be divided into four blocks for convenience in discussing possibilities of management (boundaries of the blocks are indicated on the map submitted with this report). Considering the present condition of the area and the inevitable restrictions which its location imposes, it is thought that the procedures proposed will best serve the purposes for which the plantations were established, the present and future needs of the Department of Forestry, and the instructional and investigative purposes of other biological departments. Recommendations for the various blocks are as follows:

1. An area comprising the southern half of the plantation, to be enclosed and protected by a non-climbable fence of attractive design set so as to permit the maintenance of an open protective strip between the fence and paths or roads. This area to be assigned to the Department of Forestry for use as a demonstration of intensive sustained-yield management to secure maximum growth and yield through selective cutting while maintaining the area continuously under forest cover. Such intensive management would eliminate dead, defective, diseased, and insect-infested trees, and utilize the merchantable product of all cuttings. The area would serve admirably for intensive studies of the

ecological relationships of well-managed plantations. The openings included within the block would serve as planting areas to test the suitability of various species to prairie soil and to establish an arboretum collection of species suitable for forest planting in Illinois.

II. An area of moderately dense and fairly thrifty timber growth, to be maintained in its present condition with judicious cutting to demonstrate the ages and sizes to which trees in even-aged forest plantations can be grown on prairie soil.

III. The stand in this area is deteriorating rapidly. As a demonstration it has no further usefulness in its present condition. The area affords an opportunity to demonstrate the possibility of replacing a decadent grove of over-mature trees by underplanting with long-lived, shade-enduring species to maintain a park-like forest. If the area is not in demand for purposes other than tree growth, the gradual replacement of the present stand should be begun.

IV. This area is of interest in that it shows what may be expected of a number of species on prairie soil. If the past practice of cutting only dead and dying trees is continued, satisfactory tree cover will probably exist for many decades. The area could at any time be assigned for some use other than tree growing without serious loss. The possibility that this area may become a recreational center is recognized.

Function of the Department of Forestry

As suggested in the recommendations, the Department of Forestry is prepared to take an active part in the future management of the campus forest plantations. The Department requests that area I be fenced and turned over to it for development and use as indicated in the recommendations. The Department requests the authority to govern the removal of live trees from areas II, III, and IV in consultation with the Superintendent of Grounds, with the understanding that he is at all times authorized to remove dead or dangerous trees. The Department of Forestry is prepared to cooperate in every way with the Physical Plant Department, or any other agencies concerned, in making detailed plans and carrying out the recommendations contained herein under any administrative provision the President may suggest.

On motion of Mr. Jensen, this plan was approved.

AGREEMENT WITH THE UNIVERSITY OF ILLINOIS FINE ARTS GALLERY ASSOCIATION

(10) The University of Illinois Fine Arts Gallery Association has been organized and incorporated for the purpose of obtaining funds for the construction of a Fine Arts Gallery Building as a memorial to the late Lorado Taft. This grows out of a proposal by Mr. Percy H. Sloan of the Class of 1886 to contribute funds of his own and to secure other funds for such a project.

The plan as approved by the Board contemplated that the funds received shall be deposited in escrow with the Northern Trust Company Bank of Chicago until such time as the fund is completed and turned over to the University. Pursuant thereto an agreement in the following form is to be entered into by the Association and the Northern Trust Company providing for the deposit of funds in escrow for this project. The agreement is submitted to the Board of Trustees for its approval.

Agreement

This agreement, executed this 31st day of March, 1941, between the University of Illinois Fine Arts Gallery Association, Inc., an Illinois corporation (not for pecuniary profit), known as the first party, and the Northern Trust Company of Chicago, an Illinois banking corporation, known as the second party, witnesseth:

1. The first party is about to undertake a campaign to raise money for the construction of a Fine Arts Gallery building, to be located on the campus of the University of Illinois, and is desirous of causing to be deposited in escrow the funds so raised until sufficient money shall be obtained to proceed with the erection of such building; and the second party is a trust company duly empowered to accept escrows and administer trusts.

2. The parties hereby agree that any money so raised may be deposited with the second party, to be held by it in escrow and disbursed according to the following conditions.

3. Funds so deposited shall remain with the second party until January 1, 1943, provided that they may be withdrawn prior thereto if, in the judgment of the first party, there is sufficient money on hand to proceed with one or more units of the proposed Gallery building. If there are insufficient funds on deposit on said date, the funds shall be returned to the several donors, on demand.

4. If and when the first party shall notify the second party that the construction of the building can be undertaken, the second party shall, upon the written order and direction of the first party, turn over to the University of Illinois Foundation, or such other organization or person as may properly proceed to carry out the construction work, such portion of the escrowed funds as may be designated by the first party.

5. The first party hereby agrees to indemnify and hold harmless the second party on account of any suit or proceeding or any costs, attorneys' fees or other expenses of whatever nature which the second party may incur or become liable for concerning the subject matter hereof, and agrees promptly to reimburse the second party as often as it may be notified thereof. No charge is to be made against the escrowed funds, which are to be held intact.

6. The second party shall not be obligated to inquire into the expediency or reasonableness of any act performed hereunder by the first party, or to see to the application of the escrowed funds (other than to pay them to such persons as it may be directed); but in all cases the written certificate, order or direction of the first party shall be deemed good and sufficient, and shall operate as a complete justification for any action taken by the second party hereunder.

In witness whereof, the parties have caused this agreement to be executed at Chicago, Illinois, the day and year first above written.

On motion of Dr. Meyer, the plan was approved, and the Board made record of its willingness to accept funds for such a building when presented.

INTERNSHIP REQUIREMENT FOR DEGREE OF DOCTOR OF MEDICINE

(11) On recommendation of the faculty of the College of Medicine, endorsed by the Executive Dean of the Chicago Colleges, the University Senate recommends that the requirement of the fifth, or interne, year be waived in the case of the present fourth-year class of the College of Medicine, thereby permitting the members of that class to receive the degree of Doctor of Medicine in June, provided that if prior to graduation medical students and internes are placed in a deferred classification under the Selective Training and Service Act this waiver will not be applied.

The waiving of the interne year as a part of the requirements for the degree of Doctor of Medicine is important for students in the present fourth-year class because under the present interpretation of the Selective Service Act medical students who have finished the course work in colleges of medicine are not eligible for the medical corps unless at that point they have received the M.D. degree. Many Class A medical colleges grant the M.D. degree in advance of the interne year. In fact at the present time there are only eleven Class A medical schools which do not grant the degree in advance of the interne year. Consequently our own students are at a considerable disadvantage in this regard.

I concur in this recommendation.

The Executive Faculty of the College of Medicine also is considering the question of doing away altogether with the requirement of the fifth year, or interne year, apart from the recommendation relating to the present senior class, and if this is recommended it will be brought to the Board for its consideration at a later date.

On motion of Dr. Meyer, the waiving of this requirement was authorized as recommended.

BIENNIAL BUDGET FOR 1941-1943

(12) The Governor has recommended to the General Assembly of Illinois a total budget of \$17,467,189, or a decrease of \$987,987 in the budget as recommended by the Board of Trustees to the Department of Finance. The difference is all in the operating budget, the Governor having recommended no decrease in the budget for permanent improvements recommended by the University and totaling \$885,000.

The President of the University has been authorized by the Board to secure the introduction of an appropriation bill in the General Assembly in accordance with the budget as approved by the Board on October 21, 1940, and submitted to the Department of Finance, and as reaffirmed by the Board on April 1, but before doing this I am bringing the matter again before the Board for its information and any further instructions it may have to give.

After full discussion, and on motion of Mr. Karraker, the biennial budget was referred to the President of the University for review to see what reductions can be made, and to report to the Board.

RETIREMENT SYSTEM

At this point, Mr. Karraker reported as follows:

The Finance Committee has reviewed the proposed bill for the University retirement system as prepared by the faculty committee of the University and sent to the Board of Trustees on April 3. Changes suggested by the actuary and by Judge Johnson, a digest of which is being handed to the members today, were also reviewed by the Finance Committee.

The Finance Committee recommends that the retirement bill as presented be approved and that the President of the University be authorized to arrange for its introduction in the present session of the General Assembly and to make such minor changes as may be found essential to secure its passage.

On motion of Mr. Karraker, this recommendation was adopted.

INVESTMENT OF ENDOWMENT FUNDS

Mr. Karraker also reported, for the Finance Committee:

We have not been able to purchase all the bonds approved by the Board on recommendation of the Finance Committee on February 21, and additional funds have been received, making it necessary to add to the list of authorized securities.

The Finance Committee, on advice of our investment counsel, has authorized the following investment as an emergency matter: \$15,000 Safe Harbor Water Power 4½% bonds, due 1979, at the current market, which is about 109.

The Committee also recommends approval of the following item, for use as funds are available, to a maximum of \$50,000: U. S. Treasury Savings bonds, 2½%, Series G. (These bonds will not be available until May 1).

On motion of Mr. Karraker, these investments were approved and authorized as recommended.

PROGRAM OF ATHLETIC ASSOCIATION

Mr. Adams, for the Committee on Buildings and Grounds, presented a recommendation that the Board of Directors of the Athletic Association be advised that the University can not make general assignments of space for their program in advance, but will act on specific requests as they may be presented, and will consult the Athletic Association before assigning any of the requested areas.

On motion of Mr. Adams, this recommendation was adopted.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board resumed consideration of matters presented by the President of the University.

BIDS FOR WEATHERSTRIPPING ADMINISTRATION BUILDING

(13) The Director of the Physical Plant Department submits the following schedule of bids received on weatherstripping of the Administration Building.

| <i>Bidders</i> | <i>Proposals (see description below)</i> | | | | |
|--|--|--------------|--------------|--------------|--------------|
| | <i>No. 1</i> | <i>No. 2</i> | <i>No. 3</i> | <i>No. 4</i> | <i>No. 5</i> |

| Sager Metal Weather Strip Co..... | 1 728 00 | 1 650 00 | 1 700 00 | 1 800 00 | |

Description of proposals:

- No. 1.—all-metal parting bead type of weather strip.
- No. 2.—combination wood and metal parting bead type.
- No. 3.—rib strip type.
- No. 4.—rib strip with metal liner.
- No. 5.—two-member self-adjusting type of weather strip with metal-to-metal contact.

He recommends the award of the contract to the Champaign Weather Strip Company, the lowest bidder, on the basis of its proposal No. 5 in the amount of \$1,232. The lowest bid on this work, also by the Champaign Weather Strip Company, is its proposal No. 3 in the amount of \$1,180.26, but it is believed that proposal No. 5 is the most practical installation (based on experience with similar strip in Gregory Hall) and is worth the difference. Funds are available in the Physical Plant Department budget for this installation.

I concur in this recommendation.

On motion of Mr. Adams, this contract was awarded as recommended.

BUDGET FOR RESEARCH AND EDUCATIONAL HOSPITALS

(14) The State budget for 1941-1943, as recommended by the Governor to the General Assembly of Illinois, does not include the item of \$567,000 for the construction of an addition to the Research and Educational Hospitals, which was in the biennial budget for these hospitals as recommended by the Board of Trustees and the Director of the Department of Public Welfare. The State Budgetary Commission recommended elimination of this item. The Director of the Department of Public Welfare, who joined with the Board of Trustees in sponsoring and recommending the budget, including this item, is of the opinion that it would be futile to try to secure reconsideration, except for any readjustment within the total of the budget for the Research and Educational Hospitals. Such an adjustment for so large an item is, of course, impossible. The other capital items, \$254,000 for remodeling and \$125,000 for purchase of land, and the operating budget of \$1,142,938, were recommended by the Governor without change.

This is being reported to the Board for its information and further instructions. It will be necessary to introduce the bill in the immediate future, and a decision will have to be made whether it should be introduced as approved by the Board of Trustees or modified in the light of the Budgetary Commission's and Governor's recommendation.

On motion of Mrs. Grigsby, the item for the addition to the hospitals was eliminated.

On motion of Mr. Davis, the President of the University was authorized to secure the introduction of the necessary bills and to take charge of the matter from now on.

**APPROPRIATION FOR EXTENSION SERVICE IN AGRICULTURE
AND HOME ECONOMICS**

(15) The Board of Trustees has previously approved the requesting of the General Assembly to make appropriations for the salaries of Farm and Home Bureau Advisers to the University of Illinois instead of to the State Department of Agriculture as heretofore.

The appropriation for the current biennium is \$306,160. The State Department of Agriculture recommended an increase of \$32,890, and the Dean of the College of Agriculture has recommended a further increase of \$250,000, or a total of \$589,050 for the biennium of 1941-1943.

The Director of the State Department of Agriculture concurs in the proposal to make this appropriation to the University beginning with the next biennium, but has not given his approval of the increase of \$250,000 recommended by the University. The Department of Finance was advised in December that the University would request the General Assembly to make an appropriation of \$589,050 for this purpose in a separate bill. Since this bill should be introduced as soon as possible, a decision should be made as to the amount and authorization given to secure its introduction.

On motion of Mr. Livingston, the President of the University was authorized to secure the introduction of the necessary bills, for a total of \$589,050, and to take charge of the matter from now on.

BEQUEST OF MARY S. PARSONS

(16) As previously reported to the Board (November 24, 1930, Minutes, page 662), the will of the late Mary S. Parsons, an alumna of the University with the class of 1878, bequeathed to the University an undivided one-half interest in 80 acres of land in Clay County, the proceeds to be used to establish "The Mr. and Mrs. C. G. Larned Scholarship." The other half of the property is owned by the Flora Orchard Company, a corporation.

The land was inspected by University officers shortly after the bequest became known. On their recommendation, the Board decided not to take title to this undivided half interest. The Executor was so advised. There remained the possibility that under the will the Executor might be able to sell this interest and set up the trust from the proceeds of the sale. This he was not able to do until March 27, the last day of the two-year period within which the trust was to be set up, when he made a sale to Roger F. Little of Urbana, for a consideration of \$1,000, to be paid by a note in that amount bearing 5% interest, payable in four installments of \$250 each, beginning in March, 1942. The note or notes will be made payable to the Executor of the estate, who proposes to endorse them without recourse and deliver them to the University. The University, if it accedes to this arrangement, will hold the notes, receive the payments thereon from Mr. Little and set up the fund under the title of "The Mr. and Mrs. C. G. Larned Scholarship."

I recommend acceptance of these notes, the proceeds to be used to set up a scholarship fund. The alternative would be to advise the Executor that the University will not accept such an arrangement, whereupon the trust will fail completely. The arrangement proposed does not obligate the University in any way beyond receiving the funds realized on the notes and making them available for scholarship purposes. In that way it would carry out, in part at least, the wishes of this testatrix.

On motion of Mrs. Grigsby, these notes were accepted, the proceeds to be set up as a fund for the Mr. and Mrs. C. G. Larned Scholarship as recommended.

RESOLUTION OF ILLINI CLUB OF ST. LOUIS

(17) The officers and directors of the Illini Club of St. Louis have adopted the following resolution.

"To the President and Board of Trustees of the University of Illinois:

"Whereas, the record of the University of Illinois football teams during the past twelve years, an analysis of which is attached hereto, and the record of

the track teams during the same period of time, is, in our opinion, far below the standard representative of an institution of the size and calibre of the University of Illinois;

"And whereas, this condition is detrimental to the interests of the University in general, the morale of the student body and the alumni;

"We, the Officers and Board of Directors of the Illini Club of St. Louis, respectfully recommend that the Board of Trustees of the University of Illinois make a thorough investigation of the situation in order to determine the responsibility for this record with a view toward making such corrections as are necessary to re-establish the athletic prestige of the University. We respectfully suggest that, pending the completion of this investigation, the renewal of any contract of the athletic personnel be held in abeyance."

In acknowledging the copy of the resolution which I received, I informed the Secretary of the Club that I would bring it to the attention of the Board of Trustees of the University and of the Board of Directors of the Athletic Association at the first opportunity.

On motion of Mr. Karraker, this resolution was referred to the Committee on Athletic Activities for consideration and report.

TRANSFER OF PROPERTIES OF UNIVERSITY OF ILLINOIS UNION, INC., TO UNIVERSITY OF ILLINOIS FOUNDATION

(18) The University has an agreement with the University of Illinois Union, Inc., for the lease and purchase of certain properties belonging to that organization. Since the Illinois Union as a student organization has gone out of existence, the only remaining function of the Union Corporation is the holding of title to these properties. Consideration should be given to the possibility of asking the Union to convey these properties to the University of Illinois Foundation so that the Union Corporation may wind up its affairs and go out of business.

A detailed statement concerning this problem, prepared by the Comptroller, is attached. The proposed program as set forth therein has been reviewed by all parties concerned and has been submitted informally to the Board of Directors of the Foundation. If the Board of Trustees feels that this change is desirable, action should be taken requesting the Board of Directors of the Foundation to accept conveyance of the property and requesting the University of Illinois Union, Inc., to make conveyance and assign the contracts with the University to the University of Illinois Foundation.

In the interest of simplification of procedure and consolidation of the holding of title to, and carrying of obligations on, properties in which the University is interested in one corporate organization, I recommend that action along these lines be taken.

On motion of Mr. Jensen, this recommendation was adopted.

FEE FOR SPECIAL COURSES IN PHYSICAL EDUCATION FOR MEN

(19) Colleges and universities throughout the country have been giving consideration to improving the physical condition of men going into military service.

The Department of Physical Education for Men at the University of Illinois proposes to offer "conditioning classes" for men who are called and accepted for military service under the Selective Training and Service Act. These classes would meet twice a week (in the evening) for two-hour periods and would be open to both University and non-University people.

I recommend: (1) that the Department of Physical Education for Men be authorized to conduct such classes, on a voluntary basis, open to all individuals approved for admission thereto by the Director of the School of Physical Education; (2) that the University Health Service be authorized to give medical examinations which will be required of all applicants for admission to this course; and (3) that a fee of \$1.00 be charged for the use of a locker, and a deposit of \$1.50 required to cover lock and towels issued.

On motion of Mrs. Grigsby, these recommendations were adopted.

**APPROPRIATION BY ATHLETIC ASSOCIATION
FOR SERVICE BUILDING**

(20) The Board of Directors of the Athletic Association has made an assignment of \$1,500, from unassigned surplus funds, for the construction of a service building on Illinois Field to provide toilet facilities, space for concessions, and storage for equipment, to replace old, unsightly buildings previously used for such purposes for many years, and requests the approval of the Board of Trustees of this adjustment in its budget.

On motion of Mr. Fornof, this adjustment was approved.

At this point, President Cleary withdrew for a short time, after asking Mr. Karraker to take the chair.

REMOVAL OF EQUIPMENT FROM OLD POWER PLANT

(21) The Director of the Physical Plant Department submits the following schedule of bids received for the removal of equipment from the old Power Plant.

| <i>Total</i> | <u>\$223 50</u> | |

SECTION VII.—REMOVAL OF STACKS:

| | | | |
|---|---|--------------------------------|----------------------------|
| | <i>Payment to be made by the University</i> | | |
| | Clonick Steel Co. | Advance Steel Salvage Corp. | Continental Chimney Co. |
| A. One 10-ft. stack..... | \$ 7 980 00 | \$ 7 650 00 | \$ 6 950 00 |
| B. One 13-ft. stack..... | 6 625 00 | 6 220 00 | 5 850 00 |
| BB. One 13-ft. stack, including foundation..... | 10 500 00 | 10 635 00 | 10 330 00 |

The best bids are as follows:

| <i>Section</i> | <i>Bidder</i> | <i>Payment to the University</i> | <i>Payment by the University</i> |
|-------------------------------|---------------------------------|--------------------------------------|--------------------------------------|
| I.—Boilers and Stokers..... | Advance Steel Salvage Corp. | \$6 994 50 | |
| II.—Fans..... | Advance Steel Salvage Corp. | 205 00 | |
| III.—Turbo-Generators..... | National Power Machinery Co. | 4 550 00 | |
| IV.—Motors..... | Advance Steel Salvage Corp. | 172 50 | |
| V.—Coal and Ash Conveyor... | Advance Steel Salvage Corp. | 250 00 | |
| VI.—Miscellaneous Equipment.. | Advance Steel Salvage Corp. | 223 50 | |
| VII.—Removal of Stacks..... | Continental Chimney Co. | | \$17 280 00 |
| <i>Total</i> | | <u>\$12 395 50</u> | <u>\$17 280 00</u> |

Thus the net additional funds required to remove this equipment would be \$4,884.50.

The Director recommends the award of the following contracts:

| <i>Section</i> | <i>Bidder</i> | <i>Payment to the University</i> | <i>Payment by the University</i> |
|---|---------------------------------|--------------------------------------|--------------------------------------|
| I.—Boilers and Stokers..... | Advance Steel Salvage Corp. | \$6 994 50 | |
| III.—Turbo-Generators..... | National Power Machinery Co. | 4 550 00 | |
| V.—Coal and Ash Conveyor... | Advance Steel Salvage Corp. | 250 00 | |
| VI.—A, B, C, and D only; feed water heater and water pumps..... | Advance Steel Salvage Corp. | 211 50 | |
| VII.—Removal of 10-ft. and 13-ft. stacks, but not including the foundation of the 13- ft. stack..... | Continental Chimney Co. | | \$12 800 00 |
| <i>Total</i> | | <u>\$12 006 00</u> | <u>\$12 800 00</u> |

No awards of contracts are recommended in Section II, Section IV, and items E, F, G, H, I, and J of Section VI, because the prices offered are so low, in proportion to the value, that the Director of the Physical Plant Department believes it would be advisable to keep the equipment for use later.

The net additional cost to the University of removing this equipment is \$794, and an appropriation of that amount will be required.

I concur in the recommendations of the Physical Plant Department and recommend an appropriation of \$794 from the General Reserve Fund to meet the net expense.

On motion of Mr. Livingston, these recommendations were adopted* and the appropriation was made as requested, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston; no, none; absent, Mr. Green, Dr. Meyer, Mr. Wieland.

SCHOOL OF JOURNALISM

(22) A recommendation concerning the Directorship of the School of Journalism. Action on this matter was deferred.

Description of alternates:

- A.—In the event fireplace and fireplace flue are omitted, deduct from proposal #1 or #5.
- B.—In the event the garage is omitted, deduct from proposal #1 or #5.
- C.—In the event all kitchen cabinets except sink enclosure are omitted, deduct from proposal #1 or #5.
- D.—In the event that coal-fired hot water heater and tank are omitted and electric water heater installed, add to proposal #2 or #5.
- E.—In the event that electric water heater is installed and electrical services extended and connected, add to proposal #3 or #5.
- F.—In the event that automatic draft controls are omitted and manual chain damper control is installed, deduct from proposal #4 or #5.

This is a tenant house to be erected southeast of the dairy barns on the extension of Lincoln Avenue, south, replacing a former old and unsightly shack which has been removed. It is a part of the South Farms Sanitary Improvements authorized by the Board on May 28, 1940 (Minutes, page 945). The Board appropriated \$9,225 for sanitary improvements, of which \$6,200 was earmarked for this cottage. This estimate of the cost was based on rough preliminary sketches, and obviously was too low. The low bid of \$7,152 does not include extension of electric service to the building which would cost \$185, and

*This action was rescinded and all bids rejected in the meeting of April 28, 1941, Minutes, page 266.

a margin of at least \$180 should be allowed for contingencies, making a total cost of \$7,500.

The other improvements in this general program have been completed. The cost of some of them exceeded the estimates; at the present time there is a balance of \$5,217.53 available in the original appropriation, and additional funds to the extent of \$2,300 would be required before the contract for the construction of the herdsman's cottage could be let. The College of Agriculture can release \$750 from its funds for this appropriation, reducing the additional appropriation necessary to \$1,550.

Due to the urgent need for this building, I recommend that the Board appropriate an additional \$1,550 for the general program of sanitary improvements on the South Farms, and award the contract for the construction to Thomas J. Corkery, the lowest bidder, on the basis of his proposal No. 5 at \$7,152.

On motion of Mr. Adams, these recommendations were adopted, and the appropriation was made as requested, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston; no, none; absent, Mr. Green, Dr. Meyer, Mr. Wieland.

SECRETARY'S REPORT OF CONTRACT

The Secretary reported for record the following document signed by the President and the Secretary of the Board and deposited with the Secretary since the last report.

1. Warranty Deed, dated September 1, 1940, to the University of Illinois Foundation, conveying the site of the Student Center Building in Chicago.

The Board adjourned, to meet on call of the President.

H. E. CUNNINGHAM
Secretary

JAMES M. CLEARY
President

ADJOURNED SESSION, APRIL 28, 1941

An adjourned session of the April meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 1 o'clock p.m. (Central Daylight Saving Time) on Monday, April 28, 1941.

When the Board convened, the following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Jensen, Mrs. Grigsby, Mr. Livingston, Dr. Meyer. During the discussion of the biennial budget, Dr. Meyer withdrew and Mr. Karraker took his place with the Board.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. Lloyd Morey, Comptroller, and Mr. H. E. Cunningham, Secretary. Judge Sveinbjorn Johnson, University Counsel, was present during part of the session.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

SALE OF EQUIPMENT, OLD POWER PLANT

(1) The Board at its meeting on April 17 approved the award of contracts for the removal of equipment in the Old Power Plant. The Director of the Physical Plant Department now recommends the rejection of all bids, for the following reasons:

1. Withdrawal of the best bid for the purchase of the turbo-generators. The specifications permitted the University to hold the bids for thirty days. The Board action was taken on the thirty-first day, and the bidder on that date wired his withdrawal. The next bid, if accepted, would add \$2,950 to the cost of this project.

2. By an error in interpreting the bid of one of the contractors, the amount received by the University through the sale of certain other pieces of equipment would be decreased by \$2,922.50.

The Director recommends the rejection of all bids and permission to re-advertise for additional bids.

On motion of Dr. Meyer, this recommendation was adopted.

**POSSIBLE REDUCTIONS IN BIENNIAL BUDGET AS ALREADY
APPROVED BY BOARD OF TRUSTEES ON
OCTOBER 21, 1940**

(2) In accordance with action of the Board on April 17, referring the biennial budget for 1941-1943 to the President of the University for review to see what reductions can be made, and to report to the Board, I submit the following recommendation and accompanying tentative proposals concerning possible reductions in that budget. These proposals are suggestive only and have been prepared by the Advisory Committee to the Bureau of Institutional Research, which also advised the Council of the University in preparing the original budget as submitted by the President of the University and approved by the Board. Should the Board decide to reduce the budget by any amount, it should be with the definite understanding that the Board is not approving, at this time, any of the suggested amounts as here indicated for these items of reduction but rather the total amount to be deducted. This will permit the President to make any reasonable and necessary adjustments of items within the total reduction for later consideration and approval by the Board when the 1941-1943 internal budget of the University is prepared.

I recommend that the budget of the University be submitted to the General Assembly as approved by the Board on October 21, 1940. This budget provides for an increase over the current biennium of \$2,113,640 in the operating and maintenance expenditures and a decrease of \$700,000 in the capital expenditures, making a net increase of \$1,323,640 from state tax funds.

In case the Board of Trustees believes some reduction from this net increase of \$1,323,640 should be made, I suggest consideration be given in the order shown to the following possibilities, the first three of which will definitely impair the growth and development of the University.

First, postpone a sufficient number of items now listed in the approved budget as of October 21, 1940, to total \$300,000 in operation and maintenance. (See Table of Possible Reductions dated April 24, 1941.)

Second, postpone another \$100,000 of items in operation and maintenance, making a total reduction of \$400,000.

Third, postpone still another \$100,000 of items in operation and maintenance, making a total reduction of \$500,000.

Fourth, make no change in any of the capital items totaling \$885,000 as now set forth in the budget as approved on October 21, 1940.

In addition to the Table of Possible Reductions, I submit two statements entitled, respectively: (1) List of arguments supporting the approval of the biennial budget as submitted by the President of the University; (2) Educational effects of possible reductions in the budget as approved by the Board on October 21, 1940, and reaffirmed on April 1, 1941.

The first statement applies to my recommendation to present the budget as already approved. The second statement discusses under several categories the harmful effects of postponing various items in totals of \$300,000, \$400,000, or \$500,000.

Mr. Adams offered a motion that the biennial budget as submitted to the Department of Finance be maintained without revision as the budget of the University, and that the President of the University be authorized to proceed on this basis.

This motion was lost.

Mr. Livingston offered a motion that the recommendation of the Budgetary Commission be accepted, and that the biennial budget be reduced by the amount of \$987,987, and that the President of the University be authorized to make the necessary changes to effect this reduction, and to secure the introduction into the General Assembly of the necessary bills, and to take charge of the matter from now on.

Mr. Karraker offered an amendment to the effect that the biennial

budget be reduced in the amount of \$500,000, and that authority be granted the President as proposed.

Mr. Adams offered a further amendment that the biennial budget be reduced in the amount of \$300,000. On roll call, this amendment was lost, by the following vote: Aye, Mr. Adams, Mr. Jensen; no, Mr. Cleary, Mr. Davis, Mrs. Grigsby, Mr. Karraker, Mr. Livingston; absent, Mr. Fornof, Mr. Green, Dr. Meyer, Mr. Wieland.

On roll call, the motion as amended by Mr. Karraker was adopted, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mrs. Grigsby, Mr. Jensen, Mr. Karraker; no, Mr. Davis, Mr. Livingston; absent, Mr. Fornof, Mr. Green, Dr. Meyer, Mr. Wieland.

APPOINTMENT OF PROFESSOR FREDRICK S. SIEBERT AS DIRECTOR OF THE SCHOOL OF JOURNALISM

(3) I recommend the appointment of Professor Fredrick S. Siebert, of the faculty of the School of Journalism (on leave of absence during the academic year 1940-1941 to serve as Professor at the Medill School of Journalism at Northwestern University) as Professor of Journalism on indefinite tenure and Director of the School of Journalism for two years, effective September 1, 1941, at an annual salary for the two positions of \$6,000.

Professor Siebert has been on the faculty since September 1, 1926.

On motion of Mrs. Grigsby, this appointment was made as recommended.

RESEARCH AND EDUCATIONAL HOSPITALS

(4) The Director of the Department of Public Welfare has requested a revision of Article IV, Section 4, of the agreement between the Department and the Board of Trustees of the University of Illinois relating to the future operation of the Research and Educational Hospitals, as approved by the Board on April 1, 1941, to read as follows:

"Section 4. All land, buildings, and equipment now held by the Department of Public Welfare in Chicago in the city block, bordered by Polk, Wood, Taylor, and Wolcott Streets, shall be transferred to the University when the approval of the General Assembly is secured, with the following exceptions: the Department shall retain the land, buildings, and equipment of the Institute for Juvenile Research and the Neuropsychiatric Institute.

"The University shall assume responsibility for the inventory of all properties and materials included in the transfer."

This revision was prepared in a conference between Mr. John C. Weigel, of the Department of Public Welfare, and the Comptroller of the University, Mr. Lloyd Morey, on April 23. At this same conference it was suggested, and the Director of the Department so proposes, that a bill be introduced in the General Assembly for an act dividing the land, buildings, and properties, and the grounds principally occupied by the Research and Educational Hospitals in Chicago, in accordance with the provisions of the above Section 4:

"The Department of Public Welfare to retain the land, buildings, and equipment of the Institute for Juvenile Research and the Neuropsychiatric Institute.

"The University to receive all other land, buildings, and equipment and appurtenances."

The Director has also advised that the following provision for "The Institute for Juvenile Research and Delinquency Prevention in the Metropolitan Area" and "The Alienist and Neuropsychiatric Institute" will be included in the appropriation bill for the Department of Public Welfare:

"The Department of Public Welfare may pay from any of the above standard accounts to the University of Illinois as reimbursement for salaries and wages, office expense, operation, repairs and equipment, and minor improvements furnished to the Department of Public Welfare by the University of Illinois on itemized statements submitted by the University of Illinois and audited and approved by the Department of Public Welfare."

The Director has further advised that the budget for the Research and Educational Hospitals will be included in the general appropriation bill for the Department of Public Welfare and that steps will be taken to transfer this item to the University later in the session of the General Assembly when other institutions and divisions are transferred from the Department of Public Welfare to the new Department of Public Safety, which the Governor has recommended be established.

I recommend:

1. That the Board of Trustees approve the revision of Article IV, Section 4, of the agreement.

2. That the University do not introduce an appropriation bill for the Research and Educational Hospitals but wait for the transfer of this budget from the Department of Public Welfare, in accordance with the proposal of the Director thereof, with the understanding that the transfer will include or provide for \$379,000 for permanent improvements and \$1,142,938 for operation.

On motion of Mr. Livingston, this revision was approved as recommended, and the President of the University was authorized to look after the interests of the University in the matter.

CIVIL SERVICE LEGISLATION

(5) It is recommended that the Board of Trustees authorize the introduction in the General Assembly of Illinois of a bill to amend the State Civil Service Law to provide a separate merit system and classifications of employees of the University of Illinois under rules and regulations to be prescribed by the Board. The effect of such legislation would be to exclude the University from the operation of the present law and set up a Civil Service System for the University. It would not disturb the tenure of any present incumbents of positions now under State Civil Service.

On motion of Mr. Adams, the President of the University was authorized to secure the introduction of legislation to make this change.

APPOINTMENT OF FREDERIC TAUBES AS CARNEGIE VISITING PROFESSOR OF ART

(6) The Dean of the College of Fine and Applied Arts recommends the appointment of Frederic Taubes as Carnegie Visiting Professor of Art for one year from September 1, 1941, at a salary of \$4,000.

I concur in this recommendation.

On motion of Mr. Livingston, this appointment was authorized.

APPOINTMENT OF DR. CHARLES E. HATCH AS PROFESSOR AND HEAD OF THE DEPARTMENT OF OPERATIVE DENTISTRY

(7) The Dean of the College of Dentistry and the Executive Dean of the Chicago Colleges recommend the appointment of Dr. Charles E. Hatch, now Professor of Operative Dentistry at Tufts College Dental School, as Professor of Operative Dentistry and Head of the Department on indefinite tenure beginning September 1, 1941, at an annual salary of \$6,000.

On motion of Mr. Jensen, this appointment was authorized.

PURCHASES RECOMMENDED

(8) A recommendation that the following purchases be authorized:

1. 52 one-sixth h. p. type OS2 Baldor dental lathes, each with 2 chucks, 8 No. 7 chucks and 6 No. 1 chucks, from the Central Dental Manufacturing Company, the lowest bidder, at a total cost of \$1,396.80.

2. 60 items of dental materials and supplies and one lot of dental burs as itemized on request for quotation No. 4342; the quotations have been analyzed and each item allocated to the firm quoting the lowest price on that item, with the following result:

| | |
|---|------------|
| 20 items to S. S. White Dental Manufacturing Co.... | \$2 704 72 |
| 40 items to L. D. Caulk Company..... | 3 942 18 |

3. 14 items of precious metals (dental gold) as listed on the request for quotation No. 4362; the quotations have been analyzed and each item allocated to the firm quoting the lowest price on that item, with the following result:

| | |
|--|------------|
| Thomas J. Dee & Company..... | \$1 927 43 |
| General Refineries, Inc..... | 878 15 |
| Goldsmith Brothers Smelting and Refining Company | 353 20 |

4. 50 No. L 460 ED dentoforms; 58 mink correlators; 54 sets upper and lower aluminol models; 56 aluminol dentoforms, upper jaw; 250 ivorine teeth;—from the Columbia Dentoform Corporation of New York, at a total cost of \$2,007. These items are non-competitive and are sold at established prices.

5. 300 dwts. Williams Special W20 Inlay Gold; 488 dwts. Williams Fortyniner Gold; 7 oz. Williams Technic Alloy No. 35;—from H. M. Dugan of Chicago, at a total cost of \$1,162.33. This material is non-competitive.

6. 65,000 gallons (approximately) gasoline from the Ohio Oil Company, the lowest bidder, at a total cost of approximately \$6,600.

7. 500 cases tissue towels from W. B. Read and Company, Bloomington, Illinois, the lowest bidder, at a total cost of \$1,600 f.o.b. Urbana.

On motion of Mr. Adams, these purchases were authorized as recommended.

PURCHASES AUTHORIZED

(9) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. A collection in the fields of economics and business administration, for the Library, from a brokerage firm retiring from business, at a cost of \$2,800 in addition to packing and shipping charges.

This report was received for record.

LEAVES OF ABSENCE

(10) A recommendation that leaves of absence be granted the following members of the staff for the reasons and periods and under the conditions indicated in each case:

Margaret Bates, Assistant Librarian in the Chicago Departments, two months' leave of absence from March 10, 1941, with pay. She was previously granted sick leave for four weeks from February 10.

J. L. Bisesi, Special Research Associate in the Engineering Experiment Station on the Cooperative Rails Investigation, leave of absence without pay for two months from April 23, 1941, for the purpose of engaging in some special work for the Waugh Equipment Company.

Josie B. Houchens, Binding Librarian, leave of absence without pay during the month of August, 1941 (in addition to her vacation allowance of one month), to enable her to teach in the summer session of the Columbia University Library School, which she has been doing for the past several years.

On motion of Mr. Adams, these leaves were granted as recommended.

CONTRACT CHANGE ORDER ON P.W.A. PROJECT

(11) A recommendation from the Director of the Physical Plant Department that the following contract change order be authorized:

Gregory Hall

Contract Change Order No. 8 with the W. B. Read & Company for Equipment Group E-2.

| | |

| Item B—Johnson No. 1720W posture chair, special light oak finish..... | \$10 00 |
| Item C—Chair No. 1519W Johnson, finish olive green enamel, to match sample..... | 4 10 |
| Item F-1—Costumer No. 81, olive green finish to match chair..... | 5 00 |
| Item F-2—Costumer No. 61, walnut finish..... | 10 50 |

Total Deduction..... \$29 60

On motion of Mr. Jensen, these changes were authorized, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston; no, none; absent, Mr. Fornof, Mr. Green, Dr. Meyer, Mr. Wieland.

REPORT OF DEATH BENEFITS PAID

(12) A report that the Comptroller has been authorized to pay the death benefit to the beneficiary of the following member of the staff in accordance with the University Statutes and the terms of his employment:

W. A. Foster, Associate Professor and Chief of Agricultural Engineering—\$2,000. Professor Foster was in the active service of the University from September 1, 1924, until his death on April 12, 1941.

This report was received for record.

PATENT ON PHOTOTUBES

(13) The Secretary of the Board of Trustees reports the receipt of the original U. S. Letters Patent No. 2,237,242, issued April 1, 1941, to Joseph Tykocinski Tykociner and Lloyd Preston Garner, and Jakob Kunz, deceased, by Anna Kunz, Executrix, assignors to the Board of Trustees of the University of Illinois, for Phototubes.

This report was received for record.

THE LYDIA E. PARKER BATES FUND FOR THE ADVANCEMENT OF FINE ARTS

(14) The will of the late Mrs. Lydia E. Bates, of Maroa, Illinois, who died on February 10, 1941, sets up a trust estate and directs the trustees to convert it into cash and, after all taxes, insurance, repairs, and other expenses and certain minor legacies have been paid, to transfer the bulk of it to the Board of Trustees of the University of Illinois to establish a fund to be known as the "Lydia E. Parker Bates Fund for the Advancement of Fine Arts." In the petition for the probate of her will it was stated that the maximum value of the personal property is \$30,000 and of the real property (two farms in Macon County aggregating between 600 and 700 acres), \$125,000. The fund and the income therefrom shall be used to aid deserving students of promise engaged in the study of one or more of the fine arts at the University of Illinois, or elsewhere if under the sponsorship of the University. The student or students to receive aid shall be selected by or under the direction of the Board of Trustees under their regulations. The Board is required to make a public report of the investments of this fund and of the income and expenditures therefrom in any appropriate bulletin or publication containing similar reports of other trust funds or endowments.

Should the teaching of fine arts at the University of Illinois be abandoned or if for other reasons it becomes impossible to carry out the provisions of this will, it provides that the fund may be transferred by court order to other trustees and administered for the benefit of students of fine arts of some other college or university, preferably in the State of Illinois.

A copy of the extract from Mrs. Bates' will is hereby given to the Secretary of the Board for record.

The University has already received the sum of \$1,351.20 from the Connecticut Mutual Life Insurance Company, the proceeds of one of the policies carried by Mrs. Bates.

This report was received for record.

BOND OF THE TREASURER

The Secretary reported for record the receipt of the bond of Mr. Frank M. Gordon, Treasurer, as printed below, and the formal termination as of April 18, 1941, of the bond executed by the Lumbermens Mutual Casualty Company.

Know all men by these presents, That we, FRANK M. GORDON, as Principal, and EDWARD E. BROWN, HAROLD V. AMBERG, and BENTLEY G. MCCLOUD of Chicago, Illinois, as Sureties, are held and firmly bound unto the BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, in the penal sum of *Eight Hundred Thousand Dollars* (\$800,000), lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our respective heirs, executors, administrators, and assigns, and each of them, by these presents.

The condition of the above obligation is such that

Whereas, the above bounden Frank M. Gordon was on the eleventh day of March, A.D. 1941 duly elected by the Board of Trustees of the University of Illinois to the Office of Treasurer of the University of Illinois for a term of two years:

Now, therefore, if the said Frank M. Gordon shall well and truly perform and faithfully discharge the duties of Treasurer of said University of Illinois, during his term of Office, and shall faithfully keep and truly account for all moneys, bonds, securities, or other property coming into his hands as such Treasurer, during his term of Office, and shall pay when properly drawn and presented to him all warrants, authorized by the Board of Trustees of the University of Illinois, drawn against funds in his hands belonging to the said University of Illinois, and at the expiration of his term of office, on due request to him, shall pay over and deliver to his successor in office, or to any other person duly authorized by the Board of Trustees of said University of Illinois to receive the same, all moneys, bonds, securities or any other property received by him as such Treasurer and not otherwise paid out or disposed of as aforesaid, and shall deliver to his successor in office, or any other person appointed to receive the same, the property, papers, and other things in his hands belonging to said office, and shall at the expiration of his term of office, or oftener, if thereunto requested by the Board of Trustees of the said University of Illinois, render a just and true account of his doings, as such Treasurer, then this obligation shall be null and void; otherwise to remain in full force and effect.

Witness our hands and seals this eleventh day of March, A.D. 1941.

FRANK M. GORDON, *Principal*
EDWARD E. BROWN, *Surety*
HAROLD V. AMBERG, *Surety*
BENTLEY G. MCCLOUD, *Surety*

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

May 15, 1941

With Adjourned Sessions and
Executive Committee Meeting of
May 27, 1941

The May meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, in Urbana, at 2 p.m. on Thursday, May 15, 1941.

The following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Kar-raker, Mr. Livingston, Dr. Meyer.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. Lloyd Morey, Comptroller, Mr. H. E. Cunningham, Secretary, Judge Sveinbjorn Johnson, University Counsel, and Mr. C. S. Havens, Director of the Physical Plant Department.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of April 1, 17, and 28, 1941.

On motion of Mrs. Grigsby, the minutes were approved as printed on pages 235 to 272 above.

ADMISSION OF THE PUBLIC TO MEETINGS

Mr. Jensen presented the following report of the Committee on General Policy.

Board of Trustees, University of Illinois

GENTLEMEN:

Your General Policy Committee was asked to report on the advisability of opening the meetings of the Board of Trustees to press and public. We considered the proposition from two standpoints: (1) the welfare of the University, and (2) our legal obligations.

The Welfare of the University

We are unanimously of the opinion that the policy of closed meetings pursued by this Board for more than seventy years has contributed to the healthful development of the University. We believe this policy has operated to protect the University, its faculty, and its students from hurtful publicity.

We believe that closed meetings have attracted to unpaid service as University Trustees a high type of citizens, who have earned for the University a reputation for sound, conservative, thrifty management. Closed meetings have promoted a uniformly large attendance at Board meetings with full, free, non-partisan discussion by all members of the Board. There have been no charges against the Board from any responsible source that the University has suffered in any way from the closed meetings held during the past seventy years.

The practice of the governing boards of neighboring state universities is as follows:

Closed Meetings

University of Michigan
Michigan State College
Ohio State University
Indiana University
Purdue University
University of Missouri

Open Meetings

Iowa State Board of Education
University of Minnesota
University of Wisconsin

In the case of the University of Wisconsin, open meetings are specifically required by state law, but executive sessions are specifically permitted. In the case of all three boards which hold open meetings, much of the deliberation and discussion is in executive sessions.

Legal Obligations

Our committee asked President Willard to inform us as to our legal rights or obligations. President Willard referred the matter to Judge Johnson, University Counsel, to be taken up with the Attorney General. The opinion of Attorney General Barrett is as follows:

"1. Does the Board of Trustees of the University of Illinois have a right to hold closed meetings for the purpose of transacting business of the University of Illinois?"

"2. Does the Executive Committee of the Board of Trustees have a right to hold closed meetings for the purpose of transacting business of the University of Illinois?"

"The Statutes of Illinois, entitled 'An Act to provide for the organization and maintenance of the University of Illinois' (Revised Statutes, chapter 144, paragraphs 22 to 70, inclusive), fail to make provision upon the manner of conducting board meetings or Executive Committee meetings with reference as to whether or not the same must be public or may be otherwise.

"The Trustees of the University have been given power not only of a special character provided by the above statutes but by paragraph 68 have been given general school powers. Paragraph 22 above provides that the trustees 'shall be a body corporate and politic to be styled "the board of trustees of the Illinois Industrial University".'

"Appropriations of State funds are made regularly to the University and many powers related to the State government are conferred to it by statute.

There is, therefore, no question but that the University is an agency of the State of Illinois and that its trustees and officers are answerable to all general laws and restrictions which apply generally to officers of State agencies and departments which may handle and disburse public money and transact business for the State.

"School boards generally must keep their records open for public inspection. That is the general rule of most municipal corporations and other public agencies.

"The Executive Committee is authorized by the statute to expend public moneys under certain conditions (paragraph 45) and by paragraph 43 of the Act the Committee is authorized, when the board of trustees is not in session to manage and control the University and do all acts and exercise all powers given by law to the trustees themselves except where they may be restricted by the board of trustees. Therefore, should it then be determined that the meetings of the board of trustees should be held public, the same reason would apply to the Executive Committee.

"There seems to be but one case in this country exactly in point with reference to public meetings of common councils, that being the case of *Acord v. Booth*, 33 Utah 79; 93 Pac. 734, in which the court held that public officers transacting public business and expending public taxes must sit with open doors.

"It is true that in Utah the statute provided that the council must sit with open doors, yet the court in the above case held that its committees on the whole must sit with open doors also and gave their reasons as follows:

"Did the city council have the right to exclude the public, including the plaintiff, from its sessions while sitting in the capacity of what, in parliamentary law, is termed the "committee of the whole"? It was held that it did not have such right, the court saying: "When the main body resolves itself into such committee, it does so for the purpose of escaping from the restraint that is placed upon its members under the rules governing the procedure of the main body. Debate and discussion are freer, and the secretary or clerk is relieved from recording all motions made and proceedings had, since all these are finally incorporated into the report which the presiding officer of the committee makes to the presiding officer of the main body. The report is addressed to the presiding officer of the main body, and is made to the same assembly and to the same members from whom it emanates. . . . The city council . . . , while sitting as a committee of the whole, still was the city council and conducting public business, which, we think, the public, including the plaintiff, had a legal right to hear. The statute would be robbed of nearly all of its force if it were construed to mean that the sessions of the city council should be open only so long as it transacted its business under the strict rules applicable to legislative bodies, but when it relaxed those rules so as to make debate and discussion freer it could close the doors against the public. . . . The purpose (of the statute) was not that the public might know how the vote stood, but the purpose evidently was that the public might know what the councilmen thought about the matters in case they expressed an opinion upon them. Moreover, the public has the right to know just what public business is being considered, and by whom and to what extent it is discussed. These discussions and deliberations could thus all be taken up in committee of the whole, and the public be excluded from the very proceedings which the statute intended should be conducted with open doors."

"The tremendous public interest of the affairs of the State University is not only reflected by the liberal powers conferred upon the board of trustees by statute but is also reflected in the fact that in addition to all other incomes of the University there has been appropriated by the legislature bi-annually vast sums out of the public revenue of the State to the end that the education program, for which the University was created, might not be stinted or limited in its functions. For the biennium succeeding the 1939 session of the General Assembly of Illinois there was appropriated out of the public revenue of the State the gigantic sum of \$17,831,536.00. [See note below.] This sum, together

NOTE.—The total amount appropriated by the General Assembly and approved by the Governor for the biennium 1939-1941 was \$17,131,536. This included, from State tax revenues, \$12,604,902; from Federal funds reappropriated to the University, \$326,634; from University income, fees, receipts, and other non-tax sources, \$4,200,000.—H.E.C.

with other incomes of the University is managed and controlled by the Board of Trustees and the Executive Committee, above referred to. It is public money to be used for a public purpose and to be handled by public officers and I am asked by your letter if the public and the taxpayers, upon whom the burden rests to furnish said sums of money, have the right to observe the manner by which these public servants are conducting the business affairs of the University. 'It is the policy of the law that, where a question arises as to the accounts of a public officer, it is to the public interest that no unnecessary obstacle should be placed in the way of making a proper investigation of such accounts.' 46 C.J. 1041, paragraph 320.

"Paragraphs 28 and 68 of the chapter above referred to, as well as many other sections contained in the Act, confer not only the general powers ordinarily exercised by like municipal corporations by the Board of Trustees, by paragraph 68 is declared to be endowed with the special powers provided by the Act 'in addition' to such general powers. This board or its Executive Committee is authorized to receive endowments, control and expend stupendous appropriations, negotiate for and receive grants from the Federal Government, issue bonds, create trusts and execute contracts as public officers by the authority of the State Legislature.

"The occasion might arise, however, that a public body, such as boards or State agencies, while transacting business for the public, might be justified in making rules for a secret meeting and exclude the public, on the grounds that the public would, in some manner, impede or obstruct the duties to be performed by that board or State agency at such meeting.

"It is, therefore, my opinion, subject to the above exceptions, that all boards or State agencies which transact the public business of spending public revenues of the State for State purposes, should keep the records of such proceedings open for inspection to the public during reasonable business hours. It is further my opinion that the meetings and deliberations of such boards or State agencies are of vital interest to the public and to the People of this State; that by reason of the public nature of the business transacted, all such meetings and deliberations should be open to such of the public who might desire to keep informed of the acts and doings of their public servants. I, therefore, conclude that not only should the meetings of the Board of Trustees of the University of Illinois be open to the public, but also that the meetings of the Executive Committee of such Board of Trustees should likewise be open to the public."

We also asked the opinion of Dr. F. S. Siebert, recently appointed Director of the School of Journalism. Doctor Siebert is not only a professor but also an attorney with the degree of doctor of jurisprudence and is recognized as one of the leading authorities in the United States on the law of the press. Doctor Siebert's opinion follows:

"In strict legal theory the press does not have the absolute right to attend the sessions of legislative, judicial, or administrative bodies. In practice, attendance has been permitted by judicial bodies and has been regulated by internal rules of procedure by legislative bodies. For instance, the Senate of the United States theoretically can exclude all or any member of the press. This general right has been modified by a rule of order permitting the press to attend and excluding such representatives only by a majority vote under certain specified conditions.

"In the field of administrative bodies the practice has been to permit press attendance especially where the administrative or executive body is acting in a quasi-judicial capacity. For instance, the National Labor Relations Board permits the press to attend its sessions and has never exerted its theoretical right to exclude such representatives.

"Most municipal bodies, including both city councils and independent boards, are governed by State statute or city charter. These almost universally require the council or board to hold open meetings at which the press has the right under the statute or charter provision to be present.

"From an analysis of the legal background of the problem, it is my opinion that the press cannot demand the right to attend sessions of the Board of Trustees of the University of Illinois unless this right is specifically granted by statute or by rules of order established by the Board. I have on file examples of situations where the press has been successfully excluded from such meetings as the hearings of the immigration authorities and of the Internal Revenue Bureau. In above situations, however, no appeal was made to the courts. I know of no case where the courts have forced an administrative board in either the Federal or the State government to admit the press. However, there are several decisions enforcing the right of the press to inspect the records including the minutes of such boards. *Nowack v. Fuller*, 243 Mich. 200 (1928), is the principal authority for the above proposition.

"My own personal conclusion is that the press cannot demand the right to attend the sessions of the University of Illinois Board of Trustees, but can demand the right to inspect the minutes of such proceedings. The above discussion is concerned solely with the legal problems involved and not with the policy question."

Conclusion and Recommendations

The opinion of the Attorney General does not state that the sessions of the Board *must* be open to the public. Nevertheless we recommend that the Board conform to the opinion of the Attorney General that our meetings "should" be open. We call attention, however, to the following paragraph in the Attorney General's opinion:

"The occasion might arise, however, that a public body, such as boards of State agencies, while transacting business for the public, might be justified in making rules for a secret meeting and exclude the public, on the grounds that the public would, in some manner, impede or obstruct the duties to be performed by that board or State agency at such meeting."

To provide for the contingency thus foreseen by the Attorney General, your Committee recommends that the following be adopted as Section 5 of Article III of the By-laws of the Board of Trustees:

"If any member of the Board shall feel that the presence of non-members in some manner impedes or obstructs the duties to be performed by the Board, he may ask for an executive session and the President of the Board shall thereupon order the room cleared of all such non-members. The Board shall remain in executive session until the member who has asked it has had full opportunity to express himself on the question at issue and until the Board by majority vote decides to resume open meeting."

Your Committee further recommends that if open meetings are now adopted, this policy be reviewed at some future time in the light of practical experience with both methods of operation.

COMMITTEE ON GENERAL POLICY

KARL A. MEYER
CHESTER R. DAVIS
FRANK A. JENSEN, *Chairman*

Mr. Jensen moved that the report be accepted and that the By-laws of the Board be amended by the addition of Article III, Section 5, as recommended by the Committee.

Mr. Livingston moved to amend the proposed amendment to the By-laws by inserting after the word "issue" the words "and have discussion" and to omit all after the word "discussion."

On roll call, the amendment failed by the following vote: Aye, Mr. Adams, Mr. Livingston; no, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Dr. Meyer; absent, Mr. Green, Mr. Wieland.

On roll call, Mr. Jensen's original motion was carried, and the amendment to the By-laws was adopted as presented, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Dr. Meyer; not voting, Mr. Livingston; absent, Mr. Green, Mr. Wieland.

MATTERS PRESENTED BY PRESIDENT WILLARD

On request of the President of the University, the Board considered the following matters in executive session.

APPOINTMENT OF PROFESSOR AND HEAD OF DEPARTMENT OF PSYCHIATRY

(1) Following the death last summer of Dr. H. Douglas Singer, Professor and Head of Department of Psychiatry, a special committee was appointed to make a canvass of prospective candidates and a recommendation for the appointment of a successor. In September, 1940, the committee began its work with a study of the problems involved in the educational and scientific program of the Department of Psychiatry and its obligations to the State of Illinois which naturally have a bearing on the type of individual selected for this position.

The committee submits the following recommendations:

1. The appointment, on indefinite tenure, of Dr. Francis J. Gerty, now Professor and Chairman of the Department of Neurology and Psychiatry at the Loyola University Medical School and Medical Director of the Cook County Psychopathic Hospital, as Professor and Head of the Department of Psychiatry, on one-half time at an annual salary of \$5,000 (on the basis of a full-time rate of \$10,000) beginning June 1, 1941.

2. The appointment, on indefinite tenure, of Dr. P. L. Schroeder, now Professor and Head of the Department of Criminology, Social Hygiene, and Medical Jurisprudence in the University of Illinois and Director of the Institute for Juvenile Research in the State Department of Public Welfare, as Professor of Psychiatry in charge of child psychiatry and of the children's ward in the Neuropsychiatric Institute, on one-half time beginning September 1, 1941, without salary on the clinical staff.

Doctor Schroeder has been recommended by the Director of the Department of Public Welfare to serve as State Alienist, a position formerly held by Doctor Singer. (The University of Illinois concurs in this and has so advised the Director.)

3. The appointment of a full-time associate professor of psychiatry who will be primarily interested in fundamental research at an annual salary of approximately \$5,000.

I recommend approval of the appointments of Doctors Gerty and Schroeder as recommended by the committee. I also concur in Recommendation No. 3 in principle, but final action on this should be deferred until the budget for 1941-1943 has been passed by the General Assembly and approved by the Governor, when the financial resources of the University for the next biennium will be known.

On motion of Dr. Meyer, these recommendations were adopted.

APPOINTMENT OF W. NORRIS WENTWORTH AS DIRECTOR OF RESIDENCE HALLS

(2) The Director of the Physical Plant Department recommends the appointment of W. Norris Wentworth as Director of Residence Halls, for one year from July 1, 1941, at a salary of \$3,000, plus meals in the halls. His salary will be paid from Residence Halls operating funds.

I concur in this recommendation.

On motion of Mrs. Grigsby, this appointment was made as recommended.

At this point, President Cleary announced that the meeting was open, and the representatives of several newspapers were admitted.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board continued its consideration of matters presented by the President of the University.

On motion of Mrs. Grigsby, the recommendations contained in the following items of the agenda, covered by memoranda sent to all the members of the Board in advance of the meeting, items numbered 3 to 11, were approved and adopted.

DEGREES TO BE CONFERRED IN JUNE

(3) A recommendation that the President of the University be authorized to confer degrees as recommended by the University Senate in June.

LEAVES OF ABSENCE

(4) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

Maurice J. Rose,* Instructor in Obstetrics and Gynecology, leave of absence without pay from May 1 through August 31, 1941. Doctor Rose finds it necessary to be away from the city of Chicago for several months and in view of his long service to the University, this leave is recommended.

Stanley G. Hall, Assistant Professor of General Engineering Drawing, sick leave with full pay from April 18 to July 1, 1941. His work is being carried on by other members of the Department without additional expense to the University.

Leaves of Absence for Military Service
(The leave in each case is without salary.)

Roy F. Teborek,* Assistant in the Department of Medicine, April 18 through August 31, 1941.

Thomas H. Malloy, employee in the Illini Union Bookstore, one year from April 18, 1941.

Harold E. Bell, Supervisor of Official Testing in the Department of Dairy Husbandry, May 9, 1941, to April 23, 1942.

Irwin R. Hoener, First Assistant in Soil Fertility in the Department of Agronomy, April 21, 1941, to March 31, 1942.

Stanfield Sykes Taylor, Assistant to the Dean of Men, April 24 through August 31, 1941.

T. W. Harrell, Assistant Professor in the Department of Psychology, extension of leave of absence from September 1, 1941, through August 31, 1942, in order that he may continue his work in the Personnel Testing Section, War Department, Washington, D. C. At the expiration of this extension, Professor Harrell is either to return to the service of the University or resign.

John William Davis, Instructor in the Department of Architecture, one year from September 1, 1941.

Leaves of Absence for Other National Defense Service

F. W. Loomis, Professor and Head of the Department of Physics, one year from September 1, 1941, on one-half pay.

H. M. Mott-Smith, Associate Professor of Physics, one year from September 1, 1941, without pay.

E. M. Lyman, Associate in the Department of Physics, one year from September 1, 1941, without pay.

Richard H. Bolt, Associate in the Department of Physics, one year from September 1, 1941, without pay.

Norman F. Ramsey, Associate in the Department of Physics, one year from September 1, 1941, without pay.

These members of the staff are engaged in very important and highly confidential research work on problems related to national defense for the United States Government at the Massachusetts Institute of Technology. They have previously been granted leaves of absence by the Board for this purpose, and

*Member of the Clinical Staff serving without salary.

the above extensions of leaves are recommended. In the case of Professor Loomis, leave on part pay is recommended because Federal regulations do not permit the National Defense Research Committee, under whom he is working, to pay him the equivalent of his University salary. In all of the other cases the individuals receive pay from the Government equivalent to at least the amount of the University salary.

ROOM RATES IN WOMEN'S RESIDENCE HALLS

(5) Last year the rates for the large double rooms in the Mary E. Busey and Laura B. Evans Halls were increased from \$350 to \$375 a year, resulting in a net increase in revenue of approximately \$2,000 a year.

The Director of the Physical Plant Department is of the opinion that this increase should not apply to the double rooms on the fourth floors of these halls and he, therefore, recommends that the rates on the following rooms be put back to \$350 a year. This will result in a net reduction in income of \$375.

Busey Hall—Rooms 400, 402, 403, 404, 405, 406, 407, 408, 410, 411.

Evans Hall—Rooms 400, 410, 411, 415, 416.

I concur in this recommendation.

LAUNDRY SERVICE FOR URBANA DEPARTMENTS

(6) Since July 1, 1939, the laundry service for the Urbana Departments of the University has been supplied under a joint contract with the Model Laundry Company and the White Line Laundry, Inc., of Champaign. The prices in this contract are unit prices for various types of service, all subject to a 10 per cent discount. The contract expires June 30, and the laundries have submitted a proposal for a new contract for two years on the same basis, except that the 10 per cent discount is to be eliminated because of increased costs of material and labor.

These are the only laundries in Champaign and Urbana equipped to give the University satisfactory service. Three or four years ago, when the contract was awarded to an out-of-town laundry on a competitive basis, the service proved so unsatisfactory that it was necessary to cancel the contract. When the present contract with the Model and White Line laundries was negotiated, the Purchasing Agent consulted a number of institutions and found that only two indicated their laundry prices were as low as those quoted by the local companies, and most of those replying were paying higher prices. The present contractors have given excellent service, and their work has been of high quality.

The Purchasing Agent and the Comptroller recommend acceptance of the proposal of the Model Laundry Company and the White Line Laundry, Inc., for renewal of the contract for two years from July 1, 1941, at the same unit price as at present, but without any discount.

I recommend approval.

PURCHASE OF MILITARY UNIFORMS

(7) The Purchasing Agent, the Professor of Military Science and Tactics, and the Comptroller recommend the purchase of military uniforms for the advanced-course students in the R.O.T.C. for the academic year 1941-1942 from the Associated Military Stores, at a price of \$36 an outfit, to consist of the following articles:

| <i>Group 1 (Mounted)</i> | <i>Group 2 (Unmounted)</i> |
|-----------------------------|----------------------------|
| Blouse.....\$18 40 | Blouse.....\$18 40 |
| Breeches..... 13 00 | Trousers..... 8 85 |
| Cap..... 2 50 | Cap..... 2 50 |
| Belt (Sam Browne)..... 2 10 | Belt (Sam Browne).... 2 10 |
| | Shoes..... 4 15 |
| <i>Total</i>\$36 00 | <i>Total</i>\$36 00 |

This order will include approximately 300 uniforms at a total expenditure of \$10,800. The University purchases the uniforms but is reimbursed for this by the United States Government.

I recommend approval.

**ELEVATOR AND DUMB-WAITER INSTALLATION,
CHICAGO UNION BUILDING**

(8) The Director of the Physical Plant Department submits the following schedule of bids received on the elevator and dumb-waiter installations in the Chicago Union Building.

He recommends award of the contract to the Trimon Elevator Company, Inc., the lowest bidder on the basis of its Bid No. 2 in the amount of \$2,024, covering the furnishing and installation of one dumb-waiter complete, and furnishing and installation of elevator entrance units only, for the elevator shaft. The installation of the elevator complete at this time is not being recommended, due to the building budget situation, but this can be completed later at no additional expense.

SCHEDULE OF BIDS FOR ELEVATORS—UNION BUILDING, CHICAGO

| <i>Bidders</i> | <i>Base Bid</i> | <i>Alternate</i> | <i>Alternate</i> | <i>Base Bid</i> |
|---|-----------------|------------------|------------------|-----------------|
| | <i># 1</i> | <i># 1</i> | <i># 2</i> | <i># 2</i> |
| Houghton Elevator Co. | \$5 190 | \$ 566 | \$1 150 | \$2 440 |
| Montgomery Elevator Co. | 5 558 | 490 | 779 | 2 843 |
| Otis Elevator Co. | 1 707* | 4 079* | 5 574 | 2 704 |
| Trimon Elevator Co., Inc. | 4 292 | 517 | 560 | 2 024 |
| Westinghouse Electric Elevator Co. | 5 621 | | | 2 561 |

Base Bid #1—For the installation of one elevator and one dumb-waiter complete, except that the owner's present machine is to be used.

Alternate #1—In the event that a new machine is furnished as specified, add to Base Bid #1.

Alternate #2—In the event that the elevator operation is changed from constant-pressure push-button operation to automatic push-button operation and automatic leveling, add to Base Bid #1.

Base Bid #2—For the furnishing and installing of one dumb-waiter complete and furnishing and installing of elevator entrance units including doors as specified without interlocks.

*Bids disqualified because not based on specifications.

PURCHASES AUTHORIZED

(9) A report of the following purchases authorized by the President of the University as emergencies, in accordance with the University Statutes:

1. Sulphite bond paper:

- 16000 Reams 8 3/8 x 10 7/8—16# No. 4 Mimeograph Bond
- 500 Reams 8 1/2 x 11—16# No. 4 Bond
- 432 Reams Canary and White No. 4 Bond

totaling approximately two carloads, from the Dwight Bros. Paper Company, Chicago, the lowest bidder, at a total cost of \$4,959.30, f.o.b. Urbana. This order is being placed for the Agricultural and Home Economics Extension Service and represents approximately a six months' supply.

2. Namelo Book Paper, 70#, 1,560 reams, 25 x 38 (54.6 tons) for Agricultural and Home Economics Extension Service publications, from Dwight Bros. Paper Company, Chicago, the lowest bidder, at a net price of \$7,506.13.

PURCHASES RECOMMENDED

(10) A recommendation that the following purchases be authorized:

1. Cass County Soil Map, 7,500 copies, from A. Hoen and Company, Baltimore, Maryland, the lowest bidder, at a price of \$1,192.00, f.o.b. Urbana. These maps are for the Soil Survey Reports published by the Agricultural Experiment Station.

2. Pyrex laboratory glassware:

- Schaar and Company, Chicago, 149 cases.....\$1 781 96
- Chicago Apparatus Company, Chicago, 104 cases..... 1 786 66

Pyrex laboratory glassware is sold only through jobbers at prices fixed by the manufacturer, the lowest price applying to orders for lots of 100 or more cases. The order is being divided between the above companies because of the service they can render.

3. One lot fabricated steel pipe supports and miscellaneous iron work for the Power Plant and Tunnel, from the Nechin Iron Works, Chicago, the lowest bidder, at a price of \$1,568.16, f.o.b. Urbana.

4. Seamless steel pipe, with fittings, 12 $\frac{3}{4}$ ", 163 pieces, for steam line from New Power Plant, from the Crane Company, Terre Haute, Indiana, the lowest bidder, at a price of \$6,667.75, f.o.b. Urbana. (This figure is approximate as the pipe will be furnished in random lengths at a unit price.)

5. Rugs and carpets for Men's Residence Hall, from F. K. Robeson, Campaign, the lowest bidder, at a price of \$1,457.59, f.o.b. installed.

6. Furniture for "Commons" (Lounge) in Men's Residence Hall, from Marshall Field and Company, Chicago, the lowest bidder, at a cost of \$3,583.60.

7. Lumber for the Physical Plant Stock, as follows:

- (a) Random widths 6" and wider—lengths 10' to 16'—kiln dried, rough—
 2000 board feet 1" clear heart red cypress
 4000 board feet 1 $\frac{1}{4}$ " red heart birch
 2000 board feet 2" plain red oak
 2500 board feet 1 $\frac{3}{4}$ " plain red oak
 1500 board feet 1" plain red oak
- (b) Clear all heart California redwood—S2S—kiln dried—
 3000 board feet 1" x 12" x 16'
 2000 board feet 1" x 12" x 12'
 2500 board feet 1" x 10" x 16'
 2000 board feet 1" x 10" x 12'
 1500 board feet 1" x 18" x 10' to 16'

from the lowest bidders, as follows:

| | |
|---|------------|
| (a) T. A. Foley Lumber Company, Paris, Illinois (cypress, oak, and birch)..... | \$1 457 50 |
| (b) Union Lumber Company, Chicago (redwood)..... | 1 047 75 |
| <i>Total</i> | \$2 505 25 |

8. Dental instruments for the Student Supply Store, in the Chicago Departments, for resale to students:

| | |
|---------------------|-------------------------|
| 40 sets elevators | 50 sets cleavers |
| 160 mirror handles | 50 straight edges |
| 120 handles | 130 spatulas |
| 52 dentimeters | 116 plastic instruments |
| 50 Krause file sets | 60 carvers |

from the Fara Manufacturing Company, Chicago, at a price of \$1,303.24 for the lot.

52 operative instrument sets, each set consisting of 56 instruments,

from the Fara Manufacturing Company, Chicago, at a price of \$2,166.93 for the lot.

These instruments have been designed according to the specifications of the College of Dentistry, and the Fara Manufacturing Company is the only manufacturer which will quote on them. This year's bid is 9% under the American Dental Trades Association prices on standard instruments.

9. One 16-mm. sound-recording unit for the Photographic Laboratory, from C. R. Skinner Manufacturing Company, San Francisco, the lowest bidder, at a cost of \$3,129.65, f.o.b. Urbana.

10. One heavy duty truck with dump body for the Physical Plant Department, from the Mack International Motor Truck Corporation, Peoria, Illinois, the lowest bidder, at a price of \$3,480.59, f.o.b. Urbana.

11. One 16-mm. sound projector with arc lamp and amplifiers and speakers for the Physical Plant Department, from Garland B. Fletcher, Urbana, Illinois, the lowest bidder on the basis of specifications, at a price of \$1,607.

12. Dining room furniture for Men's Residence Hall, from the Universal Equipment Company, Batesville, Indiana, the lowest bidder (on the basis of alternate proposal No. 1A providing for wood top tables), at a price of \$4,126.96, f.o.b. Urbana.

13. Rugs for the Chicago Union Building, from Carson, Pirie, Scott, & Co., Chicago, the lowest bidder, at a price of \$2,218.

| | |
|---|-------------------|
| 14. Furniture for the Chicago Union Building, from: | |
| Marshall Field and Company..... | \$4 199 20 |
| Mandel Brothers..... | 37 18 |
| Interior Contract Furnishing Company..... | 4 191 97 |
| <i>Total</i> | <u>\$8 428 35</u> |

This distribution will place the orders with the above companies for those items on which they were the lowest bidders.

QUARTERLY REPORT OF THE COMPTROLLER

(11) The Comptroller submits his quarterly report to the Board of Trustees, as of March 31, 1941, which I recommend be referred to the Finance Committee for its consideration and report to the Board.

APPOINTMENT OF KATHRINE E. NICKOLEY AS HOUSE MANAGER OF DAVENPORT HOUSE

(12) The Director of the Physical Plant Department recommends the appointment of Miss Kathrine E. Nickoley as House Manager of Davenport House (Residence Hall for Women), from September 1, 1941, to June 30, 1942, at a salary of \$900, plus maintenance. Her salary will be paid from Residence Halls operating funds.

I concur in this recommendation.

On motion of Mr. Adams, this appointment was made as recommended.

APPOINTMENT OF MILDRED BONNELL AS HOUSE MANAGER OF MEN'S RESIDENCE HALL AND ASSISTANT IN HOME ECONOMICS

(13) The Director of the Physical Plant Department recommends the appointment of Miss Mildred Bonnell, at present Assistant in Home Economics and House Manager of Davenport House, as House Manager of the Men's Residence Hall, from July 1, 1941, to June 30, 1942, at a salary of \$2,600, plus meals in the residence halls, to be paid from the Residence Halls operating funds. The Head of the Department of Home Economics and the Dean of the College of Agriculture also recommend, and the Director of the Physical Plant Department concurs, that Miss Bonnell be appointed Assistant in Home Economics on part time (13%) for the second semester of 1941-1942 (February 1 to June 30, 1942) at an additional salary of \$150. (Total salary, \$2,750.)

I concur in this recommendation.

On motion of Mrs. Grigsby, this appointment was made as recommended.

THE COLLEGE OF EDUCATION

(14) In view of questions which have been raised by some of the members of the Board of Trustees concerning the educational program and public relations policy of the College of Education, I have asked Dean T. E. Benner of that Division to appear before the Board today to discuss this subject. I respectfully request that he be given a hearing and an opportunity to answer any questions the members of the Board may have about the work of that College. A memorandum he has prepared was sent to members of the Board prior to this meeting.

Dean Benner was introduced and made a full statement concerning the educational and research programs and the public relations policy of the College of Education.

REFUNDING OF MEDICAL AND DENTAL BUILDING BONDS

(15) There is pending before the General Assembly of Illinois legislation which would authorize the Board of Trustees to issue bonds to refund the bonds and mortgages issued by the University of Illinois Foundation in financing existing building projects, including the Second Unit of the Medical and Dental College Laboratories Building. The bonds outstanding against this building may be

called on July 1, the next interest date, provided that thirty days written notice is given the holders and publication of such notice is made. Three days prior to the issuance of the notice there must be deposited with the trustees of the bond issue sufficient funds to retain the bonds and pay all interest and expenses to that date.

Consequently, steps should be taken by the Board to authorize officers of the University, acting on the advice of the Finance Committee, to prepare a new issue of bonds and negotiate their sale and to request the University of Illinois Foundation to take necessary steps to call the present issue for payment as of July 1, 1941.

Mr. Karraker, for the Finance Committee, presented the following report:

House Bill 471, which authorizes refunding of outstanding debt obligations on University properties, has been passed by the General Assembly. The Medical and Dental Building 4% bonds, in the amount of \$921,000, may be called as of July 1, 1941, providing immediate steps are taken to that end.

The investment firm of Charles K. Morris and Co., Chicago, who purchased these bonds and put them on the general market, have rendered valuable service in connection with the needed legislation as well as in other ways. Because of their familiarity with the Medical and Dental Building bonds, they are in a position to provide immediately the service needed by University and Foundation officials in marketing the new issue. It appears probable that a substantial saving in interest can be effected if the old bonds can be called on July 1.

The Finance Committee recommends:

1. That it be authorized to negotiate a settlement with Charles K. Morris & Co. for services rendered and expenses incurred to date, and report to the Board at a later date;

2. That Charles K. Morris & Co. be engaged to provide all legal and financial services and meet all expenses incident to the calling of the old and issuing of new bonds on the Medical and Dental Building, at a compensation of $\frac{1}{2}$ of 1% of the total issue, payable only in the event such refinancing is undertaken;

3. That the Finance Committee be authorized to consider and approve proposals for such refinancing and to accept the lowest responsible bid if thereby a satisfactory saving to the University may be effected;

4. That the proper officers of the Board be authorized to execute any and all documents including bonds which may be required to carry out the refinancing operation.

On motion of Mr. Karraker, these recommendations were adopted and authority was granted to the Finance Committee and the officers of the Board as recommended.

ADJUSTMENTS IN THE ATHLETIC ASSOCIATION BUDGET

(16) The Board of Directors of the Athletic Association, at a meeting on May 9, made the following assignments from its reserve fund, subject to the approval of the Board of Trustees:

| | |
|---|------------|
| 1. Service building and bleachers on Illinois Field..... | \$3 500 00 |
| 2. Installation of drinking fountains in the Skating Rink..... | 350 00 |
| This is two-thirds of the total cost, the other one-third to be paid by the Physical Plant Department on the basis of the policy of so dividing expenditures between the Athletic Association and the University. | |
| 3. Additional payment for the operating expense of the office of the Commissioner of Athletics of the Western Intercollegiate Conference..... | 349 25 |
| 4. Appropriation to the University of Illinois Band..... | 500 00 |
| 5. Certificates of award of "I" to all lettermen who have graduated since 1929..... | 800 00 |

On motion of Mr. Jensen, these adjustments were authorized.

SUMMER COURSES IN PHARMACY

(17) The Dean of the College of Pharmacy and the Executive Dean of the Chicago Colleges request authorization to offer the following courses for students in the College of Pharmacy during the summer of 1941, and to charge the fees indicated in each case:

| | <i>Fees</i> |
|---|-------------|
| Chemistry 43, Chemistry of Synthetic Drugs..... | \$15 |
| Chemistry 21, Qualitative Analysis..... | 29 |
| Chemistry 22, Qualitative Analysis..... | 34 |
| Chemistry 35, Organic Chemistry..... | 32 |
| Chemistry 36, Organic Chemistry..... | 32 |

The income from fees will be sufficient to carry the cost of this summer program.

On motion of Dr. Meyer, these courses and fees were authorized.

**CONTRACTS EXECUTED BY THE COMPTROLLER
APRIL 9, 1941, TO MAY 7, 1941**

(18) A report of contracts executed by the Comptroller.

Lease executed under general regulations of the Board of Trustees:

| <i>With Whom</i> | <i>Property</i> | <i>Tenure</i> | <i>Amount to be received by University</i> | <i>Date</i> |
|---------------------------------|--------------------------------------|----------------------------|--|------------------|
| Mr. and Mrs. J. Edwin Rimington | 1204 West Springfield Avenue, Urbana | April 1 to August 31, 1941 | \$195 | February 6, 1941 |

This report was received for record.

OPERATION OF THE ILLINI UNION BUILDING

(19) A report of certain suggestions for the clarification of the responsibilities for the operation of the Illini Union Building, with a recommendation that the President of the University be authorized to increase student membership on the Illini Union Board to six and to refer the report to the Committee on Affiliated Student Activities.

On motion of Mr. Jensen, this recommendation was adopted.

COUNTY SCHOLARSHIPS IN COOK COUNTY

At this point, Mr. Jensen presented the following report of the special committee on fees and scholarships.

In addition to the County Scholarships provided by law, the Board of Trustees hereby establishes sixteen four-year scholarships in Cook County to be awarded annually under the same conditions and regulations applicable by law and University rules to the competition for the county scholarship now provided by law.

One such scholarship shall be awarded annually to each of the candidates ranking second to seventeenth, inclusive, in the examination given by the County Superintendent of Schools on the first Saturday in June of each year (the first ranking candidate being awarded the scholarship provided by law). If any of the candidates awarded such scholarships fail to accept them, the same may be awarded, in the discretion of University authorities, to other candidates ranking below the first seventeen, provided that no candidate shall be assigned a scholarship under this plan who does not receive a grade of 70 per cent or better.

The President of the University is hereby authorized to prescribe such rules and procedures as may be necessary to carry out the purposes of this action.

On motion of Mr. Jensen, these scholarships were authorized as recommended.

RESOLUTIONS OF THE ST. LOUIS ILLINI CLUB

At this point, Mr. Adams inquired concerning the action of the Committee on Athletic Activities on the resolutions of the Illini Club of St. Louis (see page 253). Mr. Davis, Chairman of the Committee, stated that the committee was not ready to report.

SECRETARY'S REPORT OF CONTRACTS

The Secretary presented for record the following report of contracts executed by the President and the Secretary of the Board and deposited with the Secretary since the last report.

| <i>Name</i> | <i>Date</i> | <i>Amount</i> | <i>Purpose</i> |
|------------------------------------|----------------|---------------|--|
| T. J. Corkery | April 21, 1941 | \$7 152 | Herdsmen's Cottage, South Lincoln Avenue |
| Mutual Metal Manufacturing Company | April 21, 1941 | 4 100 | Lighting fixtures for Men's Residence Hall |

The Secretary also reported for record the receipt of the signed revised agreement, as printed below, from the Department of Public Welfare of the State of Illinois, for operation of the Research and Educational Hospitals, in Chicago.

REVISED AGREEMENT FOR OPERATION OF RESEARCH AND EDUCATIONAL HOSPITALS

Purpose. The purpose of this Agreement is to promote high standards of education and research in the professions of the medical sciences, and thus to improve the general welfare of the State. The University of Illinois and the Department of Public Welfare recognize that through cooperation they can most effectively bring about the development of educational and investigative programs calculated to lessen future burdens on the State, due to physical and mental disability among its citizens.

By authority granted the Department of Public Welfare and the Board of Trustees of the University of Illinois in an act of the Fifty-seventh General Assembly of the State of Illinois, approved July 3, 1931, relating to the founding and operation of the Research and Educational Hospitals of the State of Illinois, the Department and the University have entered into the following Agreement which revises and supplants that made in April, 1932.

ARTICLE I

DEFINITIONS

Research and Educational Hospitals

Section 1. "Department" as used herein means the Department of Public Welfare; "University" means the Board of Trustees of the University of Illinois; and "Research and Educational Hospitals" comprises the University Clinical Institute and the out-patient department of the University (the General Hospital), the Institute for Juvenile Research, the Illinois Surgical Institute for Children, the Neuropsychiatric Institute, and such other hospitals and institutes hereafter created, as may be added thereto by agreement of the Department and the University.

Constituent Units

Section 2. By the phrase "constituent unit" when used herein is meant one or more than one of the following: the University Clinical Institute and the out-patient department (the General Hospital), the Institute for Juvenile Research, the Illinois Surgical Institute for Children, the Division of Physically Handicapped Children, the Neuropsychiatric Institute, and such other hospitals and institutes as may be added hereto by agreement of the parties.

ARTICLE II

ADMINISTRATIVE AND EXECUTIVE DIRECTION

Section 1. The University shall have the administration and executive direction of the Research and Educational Hospitals except as hereinafter qualified with reference to the Neuropsychiatric Institute and the Institute for Juvenile Research, and including the Nurses' Home and the Power Plant. By this is

meant control of all business transactions in connection with the work of these hospitals, which includes the employment of all officers and employees; the purchase and issuance of supplies and equipment, assigning space in the buildings among different hospitals and divisions; the control of the admission, transfer and discharge of all resident patients except as hereinafter qualified; providing maintenance for nurses, residents, interns, and patients; and new building construction, including preparation of plans and specifications, letting of contracts, supervision of construction; Physical Plant operation and maintenance, including employment and supervision of staff and purchase of materials.

Section 2. The position of Managing Officer shall be abolished. The chief administrative and executive officer of the Research and Educational Hospitals shall be designated as Superintendent. He shall be appointed by the University. The Superintendent shall perform such duties as may be required of him by the University pursuant to this Agreement. The Department may appoint an Assistant Superintendent upon the nomination of the University who shall be responsible to the Superintendent but shall perform such duties with respect to constituent units under the direction of the Department as the latter may prescribe. The University agrees, on the request of the Department, to the appointment of the Superintendent by the latter as Superintendent of the constituent units under its direction.

Section 3. There shall be established a Joint Committee of four, two to be appointed by the Director of Public Welfare, and two by the President of the University, to which, at the request of the Superintendent of the Research and Educational Hospitals or any Dean or other University administrative officer, may be referred any matters upon which there may be doubt or difference of opinion. Matters upon which this committee cannot agree shall be referred for decision to the Director of the Department and the President of the University.

Section 4. The Joint Committee shall serve as an advisory committee to the Director of the Department of Public Welfare on medical service and medical personnel problems of the Department; it shall serve as a permanent medium for the exchange of information, suggestions, and proposals between the Department and the University and shall study and report upon all questions of a medical nature which the Department of Public Welfare wishes to bring to the attention of the University for solution. It is expressly understood that the Chicago Colleges of Medicine, Dentistry, and Pharmacy of the University shall endeavor to develop educational and research programs which will help to relieve the State in the future of its great burdens due to physical and mental disability among its citizens. Other facilities of the University which may be useful to the Chicago Colleges in developing new programs shall be coordinated in such studies.

Section 5. On the request of the Department, the Joint Committee shall prepare and conduct examinations for medical positions in the Department of Public Welfare and shall present a list of suitably qualified persons, from which list the Department will make appointments.

ARTICLE III

OPERATION: USE OF CONSTITUENT UNITS

Section 1. The University agrees to provide for the compensation of the medical and scientific staff from the University budget of the College of Medicine for the following units: the University Clinical Institute and the out-patient department (the General Hospital), and the Illinois Surgical Institute for Children.

Section 2. The University agrees to provide all equipment and supplies, laboratory apparatus, operating room equipment, libraries, and drugs, for treatment of patients and for educational and research purposes, and for the maintenance and operation of the Physical Plant; salaries of residents, nurses, laboratory workers, anaesthetists, physiotherapists, social service workers, business office personnel; and the maintenance of bed service, including medicine, food, and laundry, from the specific appropriations for the operation of the hospital.

Section 3. The Department agrees to fully equip and maintain a Neuropsychiatric Institute on the Chicago Campus of the University for teaching and research in the field of nervous, mental, and behavioral disorders. This Institute shall replace the existing Psychiatric Institute and shall be composed of two divisions: a Division of Psychiatry under the direction of the Department of Psychiatry of the University; and a Division of Neurology and Neurological Surgery under the direction of the Department of Neurology and Neurological Surgery of the University.

(a) It is agreed that in the operation of the psychiatric division the University shall provide, as a minimum, a Professor of Psychiatry, who shall act as the Director of the division, and such other scientific staff as may be agreed upon by the Department and the University, together with a secretary and three residents, and pay their salaries. It is agreed that in the activities of the psychiatric division of the Institute cooperation of other medical schools in Chicago, in addition to that of the University, will be sought.

(b) In the operation of the Division of Neurology and Neurological Surgery of this Institute it is agreed that appointment and compensation of the medical and scientific staff shall devolve entirely on the University.

(c) Patients for admission to the Neuropsychiatric Institute shall be selected by the University from any available source, including, with the approval of the Department, patients committed to State Hospitals under the control of the Department. The Department, on request of the Director of the psychiatric division of the Institute, shall arrange for transfer of patients in both directions between the Institute and the State Hospitals.

(d) The Department shall provide funds and reimburse the University therefrom for physical plant maintenance and operation of the building of the Neuropsychiatric Institute and for the maintenance of patients and resident and nursing personnel. The Department shall provide for all laboratory and scientific equipment and supplies, including physiotherapy apparatus, record files, and other necessary apparatus.

Section 4. The University shall supply the following services for the Neuropsychiatric Institute and also the Institute for Juvenile Research for which it shall be reimbursed by the Department in accordance with procedures for accounting and billing to be mutually agreed upon:

(a) Physical Plant services for operation, maintenance, and ordinary remodeling of buildings and equipment, including:

Utilities: electricity, gas, water, steam, and telephones;

Building service: janitor service; elevator service, window washing, and building maintenance;

Equipment: equipment for operation and maintenance, equipment for research or patient service, installation of such equipment, repairs of equipment as requisitioned by the Department;

Building changes and remodeling as requisitioned by the Department; and

(b) Patient service, including: food service, laundry, drugs, and medicines.

Section 5. The building of the Institute for Juvenile Research shall be provided by the Department. The Department shall provide funds and reimburse the University therefrom for physical plant operation and maintenance of this building. The Institute shall be operated jointly by the Department and the University. The entire personnel shall be appointed by agreement of the Department and the University. The Superintendent shall be appointed by the Department on the nomination of the University, and the Department agrees to remove him forthwith on the written request of the University.

ARTICLE IV

CONTROL OF BUILDINGS ERECTED BY THE UNIVERSITY AND THE DEPARTMENT

Maintenance and Supplies

Section 1. The buildings erected, or hereafter erected, by the University with state appropriations made to it, or with funds available from any source for such purposes, and designated for the use of the Colleges of Medicine,

Dentistry, and Pharmacy of the University of Illinois, shall be controlled, maintained, and operated by the University exclusively.

Section 2. Beginning with the biennium 1941-1943 the appropriations for the Research and Educational Hospitals, including the University Clinical Institute, the Illinois Surgical Institute for Children, the Division of Handicapped Children, the power and heating plant and distribution system, the nurses' home, the laundry, the storerooms, and other necessary services and utilities, shall be made to the University.

The University shall prepare, in consultation with the Department of Public Welfare, a separate bill to cover the appropriations requested for the 1941-1943 biennium and shall present this bill to the legislature for enactment. The Department of Public Welfare agrees to support said bill as a joint recommendation. Thereafter the University shall be responsible for the preparation and introduction of a bill to cover the cost of operating and maintaining the Research and Educational Hospitals.

The responsibility and initiative for the further development of the physical plant of the Research Hospitals shall rest with the University. The Department shall cooperate with the University in securing additions to the hospital facilities for research and educational purposes.

Section 3. The University may make general rules for the operation and maintenance of each constituent unit which, under this agreement, is not to be controlled or operated, in whole or in part, by the Department.

Section 4. All land, buildings, and equipment now held by the Department of Public Welfare in Chicago in the city block bordered by Polk, Wood, Taylor, and Wolcott Streets shall be transferred to the University when the approval of the General Assembly is secured, with the following exceptions: the Department shall retain the land, buildings, and equipment of the Institute for Juvenile Research and the Neuropsychiatric Institute.

The University shall assume responsibility for the inventory of all properties and materials included in the transfer.

ARTICLE V

MAINTENANCE OF PERSONNEL

Section 1. Maintenance shall be allowed only to officers and employees who are required to be residents of the Research and Educational Hospitals. Requirements for residence shall be determined by the Joint Committee.

ARTICLE VI

SCHOOL OF NURSING AND NURSING INSTRUCTION

Section 1. Should a school of nursing be established, during a legislative recess, and the nursing service of the Research and Educational Hospitals be then provided by such a school of nursing, it is agreed that such funds as may have been appropriated for nursing may be made available for the school of nursing so organized by the University until such time as funds are provided in the succeeding budget of the University.

ARTICLE VII

DIVISION OF PHYSICALLY HANDICAPPED CHILDREN

Section 1. The University agrees to undertake the administration of the Division of Handicapped Children, now supported by a grant from the Federal Government, through the Department of Labor and the Children's Bureau, subject to the provisions of existing applicable statutes concerning the powers and duties of the Commission for Physically Handicapped Children. The University will undertake a thorough study of the organization and services of this division and shall consult with the Commission on Physically Handicapped Children, the Department of Public Welfare, the State Department of Health, the Children's Bureau, and the Governor, as to the future support and development of this program.

ARTICLE VIII

AMENDMENTS

Amendments of this Agreement may be proposed in writing by either party, and shall take effect when approved by both parties.

ADJOURNED SESSION, MAY 27, 1941

An adjourned session of the May meeting of the Board of Trustees of the University of Illinois was held at the Abraham Lincoln Hotel, in Springfield, at two o'clock p.m. on Tuesday, May 27, 1941.

When the Board convened, the following members were present: President Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston. A little later Mr. Adams and Mr. Wieland took their places with the Board as shown in the record.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. Lloyd Morey, Comptroller, Mr. H. E. Cunningham, Secretary, Judge Sveinbjorn Johnson, Counsel, Mr. J. F. Wright, Director of Public Information, and representatives of newspapers. Mr. Charles K. Morris, of the firm of Charles K. Morris and Company, Inc., was present during part of the day.

HOUSE BILLS 471 AND 472 (REFINANCING)

On motion of Mr. Jensen, Mr. Karraker and Mr. Davis were appointed a special committee to call on Attorney General Barrett for his opinion on the constitutionality of House Bills 471 and 472, authorizing the refinancing of the Medical and Dental College Building bonds and of other obligations, and to take the opinion (if favorable) to Governor Green and request his signature to the bills.

REPORT OF FINANCE COMMITTEE ON NEW BOND ISSUE ON MEDICAL, DENTAL, AND PHARMACY BUILDING

Mr. Karraker presented the following report.

The Board on May 15 authorized the Finance Committee to do the following with respect to a new bond issue to take the place of the present 4% bonds of the University of Illinois Foundation on the Second Unit of the Medical and Dental Laboratory maturing serially to 1956: "to consider and approve proposals for such refinancing and to accept the lowest responsible bid if thereby a satisfactory saving to the University may be affected."

The Committee reports as follows:

1. The Committee met on May 20 and decided on the following conditions and procedure with respect to a new issue:

(a) That the bonds should mature serially, those maturing through 1949 to be non-callable, and those from 1950 on to be callable, in order to make the bonds as attractive as possible.

(b) That the same amount be applied to interest and amortization as is now provided in the budget, namely, \$86,000 per year, so that the issue can be paid off as rapidly as possible, thus making the largest possible saving in interest cost.

(c) That no interest rate should be specified, leaving the way open for bidders to make their own proposals as to interest rates.

(d) That the issue should be advertised for bids to be received Saturday, May 24, the award to be made on the basis of the lowest net interest cost.

2. The Committee received bids at the Medical, Dental, and Pharmacy Building in Chicago, as advertised, on Saturday, May 24, 1941, at 11 a.m. A schedule of bids received is attached. The Committee recommends:

(a) That the award be made to The Milwaukee Company and associates, on the basis of their alternate bid for bonds at 2¼% through 1949 and 2% thereafter, at a premium of \$1,100, making a net interest cost of 2.087% for the life of the issue. On this basis the interest expense will be reduced by \$167,834 under that which would have been paid on the former issue, and the bonds will have been paid off by May 1, 1954, instead of January 1, 1956.

(b) That the Board of Trustees adopt the necessary resolutions prepared by Messrs. Chapman and Cutler relating to this proceeding.

(c) That the Board of Trustees adopt a revised schedule of fees for the Chicago colleges, which will include special laboratory and building service charges sufficient to cover the operation and maintenance of the Medical, Dental, and Pharmacy Building, estimated at \$54,000 per year, and the debt service on the proposed issue, amounting to \$86,000 per year, which fees are to be pledged to these purposes. In this connection the Committee suggests that the tuition fee in the Chicago colleges be made uniform with that of the undergraduate colleges at Urbana.

(d) That the Board authorize Messrs. Chester R. Davis and Karl Meyer to sign the bonds to be issued, for the purpose of conforming to the provisions of the Statute that such bonds are to be signed by the President and two other members of the Board, and attested and sealed by the Secretary of the Board.

All bidders have been informed that these proceedings are subject to the approval by the Governor of House Bills Nos. 471 and 472 recently passed by the 62d General Assembly.

FINANCE COMMITTEE

CHESTER R. DAVIS

KARL MEYER

O. M. KARRAKER, *Chairman*

On motion of Mr. Karraker, this report was adopted.

FEEES IN COLLEGES OF MEDICINE, DENTISTRY, AND PHARMACY

The Board considered the following recommendation presented by the President of the University.

In refinancing the indebtedness on the Second Unit of the Medical and Dental College Laboratories Building through a new bond issue it is necessary for the Board of Trustees to levy a specific fee or fees to cover the debt service, or amortization of the bonds, and the cost of operating and maintaining this building. The total annual income from such fee or fees must be equal to, and be pledged for, these charges, and will be placed in a separate trust fund. This does not require an increase in the total fees now paid by students in the Colleges of Medicine, Dentistry, and Pharmacy, but a re-allocation of these fees for various purposes.

The University is authorized by previous acts of the General Assembly and by the legislation recently enacted and now pending before the Governor (House Bills 471 and 472) to levy whatever building or service charges are necessary for (1) building operation and maintenance, and (2) debt service or amortization of loans, in connection with bond issues for financing such buildings, in accordance with the provisions of these laws. Consequently, the Board has authority to levy specific fees or building service charges for the refinancing of the Medical and Dental Building.

The new bond issue will require \$86,000 a year for amortization, the same as the original issue; the estimated cost for building operation and maintenance is \$50,000 a year, making a total of \$136,000.

On previous occasions the standing faculty Committee on Fees and Scholarships and the Board of Trustees have considered the possibility of making the *tuition fees* in the Chicago Colleges, for residents of Illinois, uniform with those charged in the Urbana Colleges, but the laboratory fees would run considerably higher. I submit herewith schedules showing (1) the present fees charged in the Chicago Colleges, and (2) proposed fees to be effective September 1, 1941, prepared by the Comptroller. The plan of uniform tuition fees (\$80 a year for residents of Illinois and \$160 a year for non-residents, which is the new schedule of tuition fees recently established by the Board for the undergraduate colleges at Urbana) has been applied in setting up this new schedule, in accordance with the suggestion made by the Finance Committee of the Board.

After providing this amount of tuition and setting up the building service and laboratory charges necessary for the annual amortization charge, there remain in the present total of fees charged in each of the Chicago Colleges certain balances which have been set up as general laboratory fees. The total of fees in each college remains the same as at present, allowing for the proposed new schedule of fees for the first year in the new curriculum in the College of Pharmacy, recently recommended by the dean of that division.

On motion of Mr. Fornof, seconded by Mr. Jensen, the following resolution was adopted by the following vote: Aye, President Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston; no, none; absent, Mr. Adams, Mr. Green, Mrs. Grigsby, Dr. Meyer, Mr. Wieland.

Resolution establishing a charge or fee for the use of the Medical, Dental, and Pharmacy Building of the University of Illinois located at 808 South Wood Street, Chicago, Illinois.

Whereas, this Board of Trustees has heretofore by resolution adopted on May 27, 1941, provided for the issue of \$921,000 Medical, Dental, and Pharmacy Building Revenue Bonds for the purpose of terminating an existing trust and reacquiring the premises located at 808 South Wood Street, Chicago, Illinois, which premises are now used by said University for educational purposes, said bonds being authorized pursuant to the provisions of an Act entitled, "An Act to authorize the Board of Trustees of the University of Illinois to provide for the payment and termination of any trust created by and between the Board of Trustees and any person or corporation pursuant to any law involving any building used by said University for student social activities or educational purposes or for the acquiring or reacquiring of property or interest in property used by said University for student social activities or educational purposes, and conveyed in connection with the creation of such trust by said Board of Trustees pursuant to any existing law, levy and collect service charges, rates or rentals for the use thereof, to complete the construction of or equip any such building, defining the duties of said Board with respect to operation and maintenance and construction thereof, and providing for and authorizing the issue of bonds to defray the cost thereof payable solely from the revenues derived from the operation of any such building or buildings and for the refunding of any such bonds," enacted by the Sixty-second General Assembly of the State of Illinois, and effective on the 27th day of May, 1941; and

Whereas, pursuant to said Act of the Sixty-second General Assembly, hereinabove referred to, this Board of Trustees is required to establish a charge or fee for the use of said building, which shall be sufficient at all times to pay maintenance and operation costs, and principal of and interest on any revenue bonds issued under the provisions of said Act; and

Whereas, pursuant to the resolution authorizing the issuance of the bonds adopted by this Board of Trustees, said Board has covenanted and agreed to establish charges and fees for the use thereof, sufficient at all times to maintain and operate said building, and pay the principal of and interest upon all bonds issued by said University, which by their terms are payable solely from the revenues derived from the operation of the building;

Now, therefore, be it and it is hereby resolved, by the Board of Trustees of the University of Illinois, as follows:

Section 1. That pursuant to the covenants hereinbefore made by this Board of Trustees pursuant to the resolution authorizing the issuance of \$921,000 Medical, Dental, and Pharmacy Building Revenue Bonds, adopted by this Board of Trustees on May 27, 1941, there be and there is hereby established a charge or fee for the use of said building by the students registered in the medical, dental, and pharmacy departments of the said University, to wit:

Each resident student registered in the Medical or Dental College as a first or second year student shall pay a minimum charge or fee of \$150 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each resident student registered in the Medical College as a third or fourth year student shall pay a minimum charge or fee of \$180 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each resident student registered in the Dental College as a third or fourth year student shall pay a minimum charge or fee of \$150 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each resident student registered in the Pharmacy College as a first year student shall pay a minimum charge or fee of \$35 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each resident student registered in the Pharmacy College as a second year student shall pay a minimum charge or fee of \$65 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each resident student registered in the Pharmacy College as a third or fourth year student shall pay a minimum charge or fee of \$70 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each non-resident student registered in the Medical or Dental College as a first or second year student shall pay a minimum charge or fee of \$200 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each non-resident student registered in the Medical College as a third or fourth year student shall pay a minimum charge or fee of \$230 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each non-resident student registered in the Dental College as a third or fourth year student shall pay a minimum charge or fee of \$200 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each non-resident student registered in the Pharmacy College as a first year student shall pay a minimum charge or fee of \$50 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each non-resident student registered in the Pharmacy College as a second year student shall pay a minimum charge or fee of \$80 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Each non-resident student registered in the Pharmacy College as a third or fourth year student shall pay a minimum charge or fee of \$85 per scholastic year for the use of the Medical, Dental, and Pharmacy Building, including laboratories.

Section 2. That said charges or fees shall be payable in semi-annual installments, to be collected at the same time and in the same manner as all other fees of the University are collected, and payable on or before October 1 and April 1, respectively, of each school year.

Section 3. All such charges and fees shall be set aside as collected and be kept separate and apart from any and all other funds of said University, and shall be designated "Medical, Dental, and Pharmacy Building Fund," and shall be used only to pay the reasonable cost of maintenance and operation of said building, and to the payment of the principal of and interest upon the Medical, Dental, and Pharmacy Building Revenue Bonds of said University, authorized pursuant to the resolution adopted by this Board of Trustees on May 27, 1941, and to be administered in accordance with the covenants and provisions of said resolution and the Deposit Agreement entered into by and between this Board of Trustees and The First National Bank of Chicago, as authorized and directed pursuant to said resolution above mentioned.

Section 4. This resolution shall be in full force and effect immediately upon its passage.

At this point, Mr. Karraker and Mr. Davis withdrew, and the Board recessed.

MEETING OF THE EXECUTIVE COMMITTEE

MAY 27, 1941

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Abraham Lincoln Hotel, in Springfield, on Tuesday, May 27, 1941, during the recess in the session of the Board held on the same day.

Mr. James M. Cleary, Chairman, and Mr. Frank A. Jensen, member of the Executive Committee, were present; also Mr. Fornof and Mr. Livingston, members of the Board, and the officers, members of the staff, and other persons listed above (page 294).

MATTERS PRESENTED BY PRESIDENT WILLARD

The Executive Committee considered the following matters presented by the President of the University.

REMOVAL OF EQUIPMENT IN OLD POWER PLANT

(1) The Director of the Physical Plant Department submits the accompanying schedule of bids (page 300) received for the removal of equipment in the Old Power Plant.

The Director recommends:

1. That the bids in Sections II (for fans), IV (for motors), and VI-D (for centrifugal pump) be rejected because the prices offered are less than the value of this equipment to the University.

2. That contracts be awarded as follows:

To Advance Steel Salvage Corporation:

| | | |
|--|--------------|-------------------|
| Section I (for boilers and stokers)..... | \$3 225 00 | |
| Section V (for coal and ash conveyor)..... | | 760 00 |
| Section VI-A (for feed water heater)..... | \$37 50 | |
| Section VI-B (for duplex water pump)..... | 31 50 | |
| Section VI-C (for simplex water pump)..... | <u>21 50</u> | 90 50 |
| Section VIII (for two steel water tanks)..... | | <u>215 00</u> |
| <i>Payment to be made to the University.....</i> | | <i>\$4 290 50</i> |

To National Power Machinery Company:

| | | |
|---|---------------|-------------------|
| Section III-A (for one turbo-generator)..... | \$2 100 00 | |
| Section III-B (for one turbo-generator)..... | 2 250 00 | |
| Section III-D (for one G.E. voltage regulator)..... | 50 00 | |
| Section III-E (for one Ward-Leonard regulator)..... | 50 00 | |
| Section III-F (for spare parts)..... | <u>125 00</u> | 4 575 00 |
| <i>Total to be paid to the University.....</i> | | <i>\$8 865 50</i> |

To Fred L. Wright:

| | | |
|---|------------|-------------------|
| Section VII (for removal of two stacks—to be paid by the University)..... | \$4 800 00 | |
| <i>Net payment to the University.....</i> | | <i>\$4 065 50</i> |

3. That payment of the following estimated costs be made from the above proceeds:

| | | |
|---|---------------|-------------------|
| Bond—Section VII..... | \$ 75 00 | |
| Expense of preparation of specifications, supervision, etc..... | <u>425 00</u> | <u>500 00</u> |
| <i>Net proceeds to the University.....</i> | | <i>\$3 565 50</i> |

In each case the recommendation is for the award either to the highest bidder if equipment is being sold, or to the lowest bidder if the University is to pay for service.

I concur in these recommendations.

On motion of Mr. Jensen, these recommendations were adopted and awards authorized as recommended; and the appropriation of \$5,300 was made from the receipts for the sale of the equipment by the following vote: Aye, Mr. Cleary, Mr. Jensen; no, none; absent, Mr. Davis.

ADMINISTRATION OF SCHOLARSHIPS IN COOK COUNTY

(2) The action of the Board on May 15 (Minutes, page 285), establishing 16 additional four-year scholarships in Cook County, authorized the President of the University to prescribe such rules and procedures as may be necessary for the administration of the awards. I recommend approval of the following regulations:

1. A candidate successful in the examination who is awarded a scholarship, in order to qualify for it, must register in the University at the opening of the semester in which the scholarship first becomes effective.

2. The value of these scholarships is on a uniform basis exempting their holders from the payment of matriculation and tuition fees as set for those colleges of the University at Urbana which admit students directly from the high schools; when a student holding one of these scholarships enters a division of the University which has fees higher than those set for the colleges specified, he shall pay the difference.

3. The scholarship may be lapsed or forfeited at any time by action of the University Committee on Assignments to Undergraduate Scholarships if the holder fails to maintain a satisfactory record in the University. Satisfactory scholarship shall be determined by the Committee from all the circumstances in the individual case. The scholarship is forfeited if the scholarship holder is for any cause dismissed by action of University authorities. There shall be no assignment of lapsed or forfeited scholarships.

4. A scholarship may be extended by the Committee on Assignments to Special Undergraduate Scholarships to cover a period of absence of the holder not exceeding two years under the following conditions:

(a) The holder must show good cause, acceptable to the Committee; such good cause shall include the necessity of earning money to complete an education, or illness.

(b) All applications for an extension of the term of a scholarship must be made in writing to the Committee.

(c) The application for extension must be filed in advance of the time of leaving the University.

(d) The holder must have completed the work of at least two semesters after the award of the scholarship.

(e) The student's work for the time during which he has been at the University must have been at least of average grade. This is indicated by a grade of "C." No student whose average is below "C" may receive an extension of his scholarship.

5. If the legal residence of a scholarship holder is changed from Illinois to some other state, his scholarship is thereby forfeited.

During the presentation of this matter, Mr. Wieland took his place with the meeting.

On motion of Mr. Jensen, these regulations were approved.

AWARD OF C.P.A. CERTIFICATE TO MR. W. N. ANSPACH

(3) The University Committee on Accountancy recommends that Mr. W. N. Anspach be awarded the certificate of Certified Public Accountant as of May, 1940. He was originally reported as having failed in auditing and commercial law, but a review of his paper indicates that he is entitled to a passing grade.

On motion of Mr. Jensen, this award was made as recommended.

OPERATION OF THE MCKINLEY HOSPITAL

(4) The University Health Officer, who is also chairman of the Hospital Committee, submits the following recommendations for improvements in the operation of McKinley Hospital:

1. Operation of the Hospital on a twelve-month basis rather than during the two semesters of the academic year, (a) to provide hospitalization for those who join the Hospital Association for the summer months and may need hospital care, (b) to insure a nucleus of nurses when needed, (c) to reduce to a minimum the likelihood of the loss of the present technician, and (d) to provide

for any contingencies which may suddenly arise in connection with the materialization of some of the numerous proposals for training at the University associated with National Defense.

2. Creation of a Division of Dietetics within the Hospital organization, to be headed by an individual experienced in dietetics and thoroughly informed on latest developments in modern nutrition.

On motion of Mr. Jensen, these recommendations were approved and adopted.

The Executive Committee adjourned.

SECOND SESSION, MAY 27, 1941

When the Board convened after the recess in the meeting of May 27, 1941, the following members were present: President Cleary, Mr. Adams, Mr. Fornof, Mr. Jensen, Mr. Livingston, Mr. Wieland.

Officers of the Board and of the University staff were present as noted above (page 294).

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

COOPERATIVE INVESTIGATION OF WROUGHT STEEL CAR WHEELS

(1) The Director of the Engineering Experiment Station recommends approval of an agreement with the Technical Board of the Wrought Steel Wheel Industry¹ for an investigation of the causes and prevention of failures of wrought steel car wheels in railway service. The agreement is to replace one with the Carnegie-Illinois Steel Corporation for an investigation of steel car wheels. The agreement is drawn for a period of one year, beginning January 1, 1941, with provisions for its extension upon mutual agreement, and the cooperating agency agrees to advance \$6,200 to cover the estimated expenses of the year's work. No additional expenses beyond that amount will be incurred, except on advance approval by the agency.

The investigation is on a very important subject. Stopping modern high speed trains by means of brake shoes acting on the wheels develops very high temperatures in the wheels and causes very heavy internal stresses. As a result wheels sometimes burst and may cause derailment with attendant injuries to passengers and damage to property. The Engineering Experiment Station has recently rebuilt its testing equipment to subject wheels and brake shoes to tests of greatly increased severity demanded to simulate present day conditions.

This proposal differs from the standard form of such agreements in the following respects:

1. All of the manufacturers of wrought steel wheels for railway use are included in the Technical Board, so that commercial competition is reduced to a minimum.

2. The nature of the problem is such that it is extremely improbable patentable discoveries will result. The agreement does not obligate the University to

¹Composed of representatives of American Rolling Mill Company, Bethlehem Steel Company, Carnegie-Illinois Steel Company, Edgewater Steel Company, and Standard Steel Works.

apply for patents; but if there are patentable discoveries and the University receives patents thereon, the agreement provides that instead of giving the usual preferential consideration as a prospective licensee to the cooperating agency, the University shall execute all necessary assignments and licenses as are required by the cooperating agency, which shall not be required to pay any royalties or fees whatsoever, but that other users shall pay the University a royalty.

Since this represents a substantial departure from the form of contract usually employed by the University, I am submitting it to the Board for final action. It should be noted that the object of the investigation will be of benefit to the public through increased safety of railway travel. The University of Illinois Engineering Experiment Station has been engaged in research on car wheels and brake shoes for many years and unquestionably has better equipment and staff for such research than are available elsewhere.

On request of Mr. Livingston, action on this matter was deferred.

WAGES OF BUILDING SERVICE EMPLOYEES

(2) The University Committee on Wages has had pending before it a request from the building service employees (janitors) in the Urbana Departments for an increase in wages from the present rate of 61½ cents per hour, established in July, 1939, and additional vacation and sick leave benefits. The Committee has also had conferences with representatives of these employees and of their organization. As a result of its deliberations the Committee recommends an increase of 3½ cents an hour in the wages of the general labor groups in Urbana and Chicago, such as grounds, water station, heat, light and power, trucks, and building service employees, and farm laborers in Urbana, (including certain employees now on a monthly basis), effective July 1, 1941, for the biennium 1941-1943.

This adjustment is recommended to meet the prevailing local wage rates and in accordance with the practice of adjusting wage rates at the beginning of the biennium, and also in view of the fact that the Committee anticipates even further increases in comparable employments during the coming biennium due to increased cost of living and labor demand.

On motion of Mr. Livingston, this adjustment was authorized as recommended.

CONTRACT WITH ENGLISH BROTHERS FOR ILLINI UNION BUILDING

(3) A statement concerning damages sustained by the University by reason of the failure of English Brothers to complete their contract for the construction of the Illini Union Building within the specified time, and a request for authority to take the matter up with the Attorney General when it seems advisable.

Judge Johnson made a statement on this matter.

On motion of Mr. Wieland, authority was granted as requested.

REPORT OF FINANCE COMMITTEE ON INVESTMENT OF FUNDS

At this point, the following report of the Finance Committee was presented.

Included among the University's investments were \$15,000 of U. S. Treasury 3¼% bonds due August 1, 1941, at book value of 101⅔, present market 102½. On May 22 the Government proposed to exchange these bonds, par for par, at 2½%, but the First National Bank recommended the sale of these bonds and the proceeds invested in 2½% Series G, U. S. Savings bonds due 1956. The purchase of the latter bonds was authorized by the Board on April 17, 1941. Since immediate action was necessary, the advice of the Bank was followed, and the Finance Committee requests confirmation of this emergency action.

On motion of Mr. Fornof, this action of the Finance Committee was approved and confirmed.

On motion of Mr. Jensen, the Board recessed.

THIRD SESSION, MAY 27, 1941

When the Board convened after the second recess in the meeting of May 27, 1941, the following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston; also the officers listed above (page 294).

APPROVAL OF HOUSE BILLS 471 AND 472

Mr. Karraker, for the special committee, reported that the committee had visited the Attorney General and the Governor, that they had found both officials most friendly and cooperative, and that the Governor had signed the bills to authorize the refinancing of the Medical and Dental Building bonds, and other similar obligations, in their presence.

On motion of Mr. Karraker, the President of the Board was requested to send to Governor Green and Attorney General Barrett an expression of the Board's appreciation of the friendly cooperation of these officers of the State in this emergency.

HOUSE BILL 471

AN ACT to authorize the Board of Trustees of the University of Illinois to provide for the payment and termination of any trust created by and between the Board of Trustees and any person or corporation pursuant to any law involving any building used by said University for student social activities or educational purposes, or for the acquiring or reacquiring of property or interest in property used by said University for student social activities or educational purposes and conveyed in connection with the creation of such trust by said Board of Trustees pursuant to any existing law, levy and collect service charges, rates or rentals for the use thereof, to complete the construction of or equip any such buildings, defining the duties of said Board with respect to operation and maintenance and construction thereof, and providing for and authorizing the issue of bonds to defray the cost thereof payable solely from the revenues derived from the operation of any such building or buildings and for the refunding of any such bonds.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. The Board of Trustees of the University of Illinois is hereby authorized to:

(a) Provide for the payment and termination of any trust heretofore created by and between the Board of Trustees and any person, firm or corporation pursuant to any existing law, involving any building now used by said University for student social activities or educational purposes or for the reacquiring of any property or interest in property now used by said University for student social activities or educational purposes and heretofore conveyed in trust by said Board of Trustees pursuant to any existing law, and pledge the revenues thereof for any or all such purposes.

(b) Maintain and operate any such buildings, and to charge for the use thereof, and to carry on such activities in connection therewith as will produce a reasonable excess of income over maintenance and operation expenses.

(c) Hold in the treasury of the University of Illinois all funds derived from the operation of any such building or buildings and to apply the same toward the cost of and maintenance and operation thereof, and toward the retirement of any bonds issued in connection with the acquisition, completion, construction or equipment thereof.

(d) Enter into contracts touching in any manner any matter within the objects and purposes of this Act.

(e) To provide for the payment and termination of any trust heretofore created by and between the Board of Trustees and any person, firm or corporation pursuant to any existing law, involving any building now used by said University for student social activities or educational purposes or to reacquire any property or interest in property now used by said University for student social activities or educational purposes and heretofore conveyed in trust by said Board of Trustees, pursuant to any existing law, and to pledge the revenues thereof for the payment of any bonds issued for any or all of such purposes as provided in this Act.

(f) Borrow money and issue and sell bonds, at such price as the Board of Trustees may determine, for the purpose of completing, constructing, or equipping such buildings, or for the purpose of paying and terminating any trust created by and between the Board of Trustees or any person, firm or corporation pursuant to any existing law involving any building used by the University for student social activities, student residence halls or educational purposes, or for the purpose of reacquiring any property or interest in property used by said University for student social activities, student residence halls or educational purposes and conveyed in trust by said Board of Trustees pursuant to any existing law, and to refund or refinance, from time to time as often as it shall be advantageous and in the public interest to do so, any and all bonds issued and sold by the Board pursuant to this Act; provided that unless proceedings for the refunding or refinancing of any obligations existing at the time of the passage of this Act, or of any bonds issued by the Board pursuant to this Act, be commenced prior to June 30, 1943, no such refunding or refinancing shall be undertaken by the Board without the prior approval of the General Assembly; and provided that no bonds shall be issued and sold at a price which will yield to maturity, computed according to standard tables of bond values, a return at the interest rate specified therein in excess of six per cent per annum. Such bonds shall be payable solely and only from the revenues derived from the operation of any such building or buildings acquired, completed, constructed or equipped with the proceeds of such bonds, and shall be secured by a pledge of sufficient of the revenues of any such building or buildings so acquired, completed, constructed or equipped as herein provided.

Such bonds shall have all the qualities of negotiable instruments under the Law Merchant and the Negotiable Instruments Law.

Said Board of Trustees shall have power from time to time to execute and deliver trust agreements hereunder to a bank or trust company authorized by the laws of this State or of the United States of America, to accept and execute trusts in the State. Such trust agreements may contain any provision for the deposit with the Trustee thereunder and the disposition of the proceeds of the bonds issued under the provisions of this Act and secured thereby, and such provisions for the protection and the enforcement of the rights and remedies of said Trustee and the holders of such bonds as the Board of Trustees may approve.

Section 2. All such bonds shall be signed by the President and any two members of the Board of Trustees and shall have the seal of the University affixed thereto and attested by the Secretary of such Board of Trustees, and in case any officer or member of the Board of Trustees who shall have signed or attested any such bonds shall cease to be such officer, or member of the Board of Trustees, before such bonds shall have been actually issued by the Board of Trustees, such bonds may nevertheless be validly issued by said Board. Said Board of Trustees may provide for registration as to principal of any of such bonds. All interest coupons shall be authenticated by the facsimile signature of the Treasurer of the University of Illinois. Such bonds shall in no case be or become a charge or debt against the State of Illinois or the Board of Trustees of the University of Illinois, and such fact shall be plainly stated on the face of each bond.

Section 3. In the execution and determination of the objects and purposes herein set forth the Board of Trustees of the University of Illinois shall have power to adopt means and methods reasonably calculated to accomplish such objects and purposes.

Section 4. Upon the determination by the Board of Trustees to complete, construct, or equip any student social center, student residence hall or building or buildings, or to pay and terminate any trust created by and between the Board of Trustees and any person, firm or corporation pursuant to any existing law involving any building used by the University for student social activities, student residence halls, or educational purposes, or to reacquire any property or interest in property used by said University for student social activities, student residence halls or educational purposes and conveyed in trust by said Board of Trustees pursuant to any existing law, the Board of Trustees shall adopt a resolution describing in a general way the contemplated project, the estimated cost thereof, and fix the amount of bonds, the maturity or maturities, the interest rate, and all details in respect thereof. Such resolution shall contain such covenants and restrictions upon the issuance of additional bonds that may thereafter be issued payable from the rents, issues and profits derived from the operation of any building or buildings as may be deemed necessary or advisable for the assurance and payment of the bonds thereby authorized, and such resolution shall pledge for the maintenance and operation of any such building or buildings and for the payment of the principal of and interest upon such bonds, the revenues derived from the operation thereof.

Section 5. Whenever bonds are issued by the Board of Trustees, as provided in this Act, it shall be the duty of such Board to establish a charge or fee for the use of any such building or buildings sufficient at all times to pay maintenance and operation costs and principal of and interest on such bonds, and all revenues derived from the operation thereof shall be set aside in a separate account and fund which shall be used only in paying the cost of maintenance and operation, and paying the principal of and interest upon the bonds issued for the purpose or purposes set forth and described in the resolution authorizing the issue of said bonds, and such charges or fees shall be sufficient at all times for such purposes.

Section 6. Any holder of a bond, or any of the coupons of any such bonds, issued under this Act, may either in law or in equity, by suit, action, mandamus or other proceeding enforce and compel the performance of all duties required by this Act, including establishment of sufficient fees or charges for use of any such building or buildings and the application of the income and revenue thereof, and it shall be the duty of the Board of Trustees upon the issuance of any such bonds, to establish by resolution from time to time the fees or charges to be made for the use of any such building or buildings, which fees or charges shall be adjusted from time to time in order to always provide sufficient income for maintenance and operation and payment of the principal of and interest on such bonds issued as provided for in this Act.

Section 7. Nothing herein contained shall be construed as a limitation upon or restriction of the powers of the Board of Trustees of the University of Illinois under any law which is now in force, or which may hereafter be enacted.

Section 8. If any clause, sentence or provision in this Act shall be declared invalid, such invalidity shall not affect any other clause, sentence or provision of this Act, it being the intention of the legislature to enact such other clause, sentence or provision in any event.

Section 9. Because it is not possible to predict how long the present advantageous conditions for marketing issues of new securities will continue, and because the deadline for calling certain bond issues which may be refinanced under the provisions of this Act is May 31, 1941, therefore an emergency exists and this Act shall take effect immediately upon its passage.

HOUSE BILL 472

AN ACT to amend Section 6 of "An Act in relation to State finance," approved June 10, 1919, as amended.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Section 6 of "An Act in relation to State finance," approved June 10, 1919, as amended, is amended to read as follows:

Section 6. (1) The gross or total proceeds, receipts and income of all industrial operations at the several State institutions and divisions under the direction and supervision of the Department of Public Welfare of the State of Illinois shall be covered into the State treasury into a special fund to be known as "The Working Fund." "Industrial operations," as herein used, shall mean and include the operation of such State institutions producing, by the use of materials, supplies and labor, goods, or wares or merchandise to be sold.

(2) The gross amount of money received by the State Normal University, Eastern Illinois State Teachers' College, Western Illinois State Teachers' College, Northern Illinois State Teachers' College and the Southern Illinois State Normal University from whatever source belonging to or for the use of the State, including amounts derived from tuition, Federal aid, operation of dormitories, farms and stores, shall be paid into the State treasury without delay not later in any event than the following day, excluding holidays, after the receipt of the same, without any deduction whatever and shall be covered into a special fund to be known as "The Normal School Income Fund." The General Assembly shall from time to time make appropriations payable from the normal school income fund for the support and improvement of the several State normal schools, provided that each school may retain out of its own receipts the sum of \$100 to be used as a petty cash fund and handled in accordance with the interest system.

(3) The gross or total proceeds, receipts and income of all the several State institutions derived from the Veterans' Administration for the care and treatment of veterans of the World War who are patients or residents in the said State institutions shall be covered into the State treasury into a special fund to be known as "The United States Veterans' Bureau Fund."

(4) All fees and other money received by the Division of Highways of the Department of Public Works and Buildings shall, upon being paid into the State treasury, be placed in the road fund.

(5) The gross amount of money received by the University of Illinois from whatever source, belonging to or for the use of the State, other than from endowment or trust funds, and other than funds from Federal aid including amounts derived from tuition, student fees, operation of dormitories, farms and stores, shall be paid into the State treasury without delay not later in any event than ten days after the receipt of same, without any reduction whatever and shall be covered into a special fund to be known as the "University Income Fund." The General Assembly from time to time shall make appropriations payable from the University Income Fund for the support, operation and improvement of the University of Illinois.

Provided that the University of Illinois may retain a working cash fund of not more than \$100,000 from which vouchers may be paid by it, which fund shall be reimbursed from time to time by the State Auditor by warrants against appropriations to the University of Illinois on the presentation of proper vouchers certified in the manner required for University of Illinois vouchers, with itemized receipted bills attached covering payments made from the working cash fund hereby created.

Provided, further, that the University of Illinois may retain in its own treasury out of its own receipts and collections, such a sum not exceeding in the aggregate annually one hundred thousand dollars (\$100,000), as may be necessary in the performance of any contract or undertaking with the United States in connection with any grant, advance, loan or contract for the erection of a building or buildings under House Joint Resolution 117, making appropriations for relief purposes, approved by the President April 8, 1935, and pursuant

to authorization given the Board of Trustees of the University of Illinois by the General Assembly of this State, to enter into contracts with the United States for such purposes.

Provided, further, that the university may retain in its treasury, any funds derived from rentals, service charges and laboratory and building service charges or other sources, assessed or obtained for or arising out of the operation of any building or buildings and pledged to discharge obligations created in order to complete or operate such building, or for the payment of revenue bonds issued under the provisions of "An Act to authorize the Board of Trustees of the University of Illinois to provide for the payment and termination of any trust created by and between the Board of Trustees and any person or corporation pursuant to any law involving any building used by said University for student social activities or educational purposes, or for the acquiring or reacquiring of property or interest in property used by said University for student social activities or educational purposes and conveyed in connection with the creation of such trust by said Board of Trustees pursuant to any existing law, levy and collect service charges, rates or rentals for the use thereof, to complete the construction of or equip any such buildings, defining the duties of said Board with respect to operation and maintenance and construction thereof, and providing for and authorizing the issue of bonds to defray the cost thereof payable solely from the revenues derived from the operation of any such building or buildings and for the refunding of any such bonds," passed by the Sixty-second General Assembly of the State of Illinois, to be disbursed from time to time pursuant to the order and direction of the Board of Trustees of such University, and in accordance with any contracts, pledges, trusts or agreements heretofore or hereafter made by said Board of Trustees.

Section 2. Since it is not possible to predict how long the present advantageous conditions for marketing issues of new securities will continue and since this Act is necessary to make possible the refinancing of securities heretofore issued in connection with the construction of buildings at the University of Illinois, and since the deadline for calling certain bond issues for refinancing, which this amendment will effect is May 31, 1941, therefore an emergency exists and this Act shall take effect upon its passage.

REFINANCING OF BONDS

At this point, the Secretary presented a form of record of the actions of a meeting of the Board relative to the refinancing of the Medical and Dental College Building bonds, prepared by attorneys representing Charles K. Morris and Company, Inc., and Chapman and Cutler. All motions were made and seconded, votes taken, actions of officers authorized, and resolutions adopted as shown in this record.

Minutes of an adjourned regular meeting of the Board of Trustees of the University of Illinois, held at the Abraham Lincoln Hotel, in Springfield, Illinois, at two o'clock, p.m., on the 27th day of May, 1941.

The President called the meeting to order and directed the Secretary to call the roll.

Upon roll call the following Trustees answered present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston.

The following Trustees were absent from the meeting: Mr. Green, Mrs. Grigsby, Dr. Meyer, Mr. Wieland.

The Finance Committee presented their report on the result of the bidding for the proposed issue of Nine Hundred Twenty-one Thousand Dollars (\$921,000.00) Medical, Dental, and Pharmacy Building Revenue Bonds, which is as follows:

*To the Board of Trustees
University of Illinois*

GENTLEMEN:

The undersigned Finance Committee of the Board of Trustees of the University of Illinois, pursuant to the authorization granted to the Finance Committee by the Board of Trustees on May 15, 1941, to receive bids for the purchase of the above described bonds and bids received which are as follows:

The bid received from Harris, Hall, Inc. and associates for the above described bonds was as follows:

Price: par and accrued interest, and in addition a premium of Two Thousand Nine Hundred Twenty Dollars (\$2,920.00); Interest rate of two and one-half per cent ($2\frac{1}{2}\%$) per annum on bonds maturing from November 1, 1941, to November 1, 1949, inclusive. Interest rate of two and one-fourth per cent ($2\frac{1}{4}\%$) per annum on bonds maturing from May 1, 1950, to May 1, 1954; which produced a total net interest cost of One Hundred Forty-eight Thousand Three Hundred Ninety-four and $83/100$ Dollars (\$148,394.83), or an effective interest rate of 2.309103%.

The bids received from C. W. McNear & Co. and associates for the above described bonds were as follows:

Bid No. 1: Price: par and accrued interest, and in addition to premium of Twenty-six Dollars (\$26.00); Interest rate of two and three-fourths per cent ($2\frac{3}{4}\%$) per annum on bonds maturing from November 1, 1941, to November 1, 1949, inclusive. Interest rate of two and one-fourth per cent ($2\frac{1}{4}\%$) per annum on bonds maturing from May 1, 1950, to May 1, 1952, inclusive; Interest rate of two and one-half per cent ($2\frac{1}{2}\%$) per annum on bonds maturing from November 1, 1952, to May 1, 1954, inclusive; which produced a total net interest cost of One Hundred Sixty-two Thousand Three Hundred Ninety-two and $4/100$ Dollars (\$162,392.04), or an effective interest rate of 2.526916%.

Bid No. 2: Price: par and accrued interest, and in addition a premium of Three Thousand Four Hundred Sixty-nine Dollars (\$3,469.00); Interest rate of two and three-fourths per cent ($2\frac{3}{4}\%$) per annum on bonds maturing from November 1, 1941, to November 1, 1949, inclusive; Interest rate of two and one-half per cent ($2\frac{1}{2}\%$) per annum on bonds maturing from May 1, 1950, to May 1, 1954, inclusive; which produced a total net interest cost of One Hundred Sixty-three Thousand Nine Hundred Thirteen and $4/100$ Dollars (\$163,913.04) or an effective interest rate of 2.55056%.

The bids received from The Milwaukee Company and associates were as follows:

Bid No. 1: Price: par and accrued interest, and in addition a premium of Six Thousand One Hundred Dollars (\$6,100.00); Interest rate of two and one-fourth per cent ($2\frac{1}{4}\%$) per annum on the entire issue of bonds; which produced a total net interest cost of One Hundred Thirty-eight Thousand Four Hundred Ninety-two and $26/100$ Dollars (\$138,492.26) or an effective interest rate of 2.15507%.

Bid No. 2: Price: par and accrued interest, and in addition a premium of One Thousand One Hundred Dollars (\$1,100.00); Interest rate of two and one-fourth per cent ($2\frac{1}{4}\%$) per annum on bonds maturing from November 1, 1941, to November 1, 1949, inclusive; Interest rate of two per cent (2%) per annum on bonds maturing from May 1, 1950, to May 1, 1954, inclusive, which produced a total net interest cost of One Hundred Thirty-four Thousand One Hundred Forty-five and $31/100$ Dollars (\$134,145.31), or an effective interest rate of 2.087424%.

Upon consideration of the bids your Finance Committee finds that the bid of The Milwaukee Company, designated as The Milwaukee Company Bid No. 2, is the best bid and recommends the award of the bonds to The Milwaukee Company.

Respectfully submitted,

O. M. KARRAKER
DR. KARL A. MEYER
CHESTER R. DAVIS

Finance Committee

Trustee Karraker moved that the report of the Finance Committee be approved and that the Board award the said bonds to The Milwaukee Company, in accordance with their said Bid No. 2, that is to say:

Price: par and accrued interest, and in addition a premium of Eleven Hundred Dollars (\$1,100.00); Interest rate of two and one-fourth per cent ($2\frac{1}{4}\%$) per annum on bonds maturing from November 1, 1941, to November 1, 1949, inclusive; Interest rate of two per cent (2%) per annum on bonds maturing from May 1, 1950, to May 1, 1954, inclusive.

Trustee Davis seconded the motion. After due consideration the President directed the Secretary to call the roll and vote upon the motion, and upon roll call said resolution was adopted by the following aye and nay votes: ayes, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston; nays, none.

Whereupon it was declared that the motion was carried and the bonds awarded to The Milwaukee Company.

Trustee Livingston then offered and read a resolution entitled:

Resolution authorizing and providing for the termination of an existing trust between the University of Illinois Foundation, a corporation duly organized under the laws of the State of Illinois, and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Medical, Dental, and Pharmacy Building conveyed to said Foundation pursuant to said existing trust, and authorizing the issue of \$921,000 Medical, Dental, and Pharmacy Building Revenue Bonds for the purpose of defraying the cost of terminating said trust and reacquiring the interest in said property conveyed pursuant to said trust, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of said Medical, Dental, and Pharmacy Building for the purpose of paying the cost of maintenance and operation of said building, and payment of the principal of and interest on said revenue bonds.

After due consideration thereof, Trustee Livingston made a motion that said resolution be adopted, which motion was seconded by Trustee Fornof, and upon roll call said resolution was adopted by the following aye and nay votes: ayes, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston; nays, none.

Trustee Fornof then offered and read a resolution entitled:

Resolution establishing a charge or fee for the Medical, Dental, and Pharmacy Building and its facilities, located at 808 South Wood Street, Chicago, Illinois. [See page 297.]

After due consideration thereof Trustee Fornof made a motion that said resolution be adopted, which motion was seconded by Trustee Jensen, and upon roll call said resolution was adopted by the following aye and nay votes: ayes, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston; nays, none.

Trustee Jensen then offered and read the following resolution:

Resolved, that Trustees Chester R. Davis and Karl A. Meyer be and they are hereby designated and directed to execute the proposed Medical, Dental, and Pharmacy Building Revenue Bonds, together with the President and Secretary of the Board of Trustees of the University of Illinois, as required by the resolution heretofore adopted authorizing the issue of said bonds.

After due consideration thereof Trustee Jensen made a motion that said resolution be adopted, which said motion was seconded by Trustee Karraker, and upon roll call said resolution was adopted by the following aye and nay votes: ayes, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston; nays, none.

Trustee Fornof then offered and read the following resolution:

Resolved, that the President, Secretary, and Treasurer of the Board of Trustees of the University of Illinois be and they are each and all of them hereby authorized and directed to execute all instruments, papers, and documents necessary or convenient to accomplish the issuance of the \$921,000 Medical, Dental, and Pharmacy Building Revenue Bonds and the reacquiring and revesting of all of the trust property held by the University of Illinois Foundation, as Trustee under that certain Trust Agreement dated April 7, 1936, and known as the Medical and Dental College Building Trust, in the University of Illinois, and that the Treasurer is authorized and directed to deposit the proceeds of the sale of said bonds including premium in the Revenue Fund Account of the University of Illinois Foundation, as Trustee under the said Medical and Dental College Building Trust.

After due consideration thereof Trustee Fornof made a motion that said resolution be adopted, which motion was seconded by Trustee Jensen, and upon roll call said resolution was adopted by the following aye and nay votes: ayes, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston; nays, none.

Other business not pertinent to the issuance of the bonds.

Thereupon, there being no further business to be presented to the Board of Trustees of the University of Illinois, it was moved by Trustee Jensen and seconded by Trustee Fornof that the meeting be adjourned. Upon roll call, said motion was duly adopted, and the meeting declared adjourned.

STATUS OF APPROPRIATION BILLS FOR BIENNIAL BUDGET

At this point, President Willard reported that he had received a message to the effect that the Senate Committee on Appropriations, in considering the appropriations requested by the University, had sent a special committee to Governor Green to ask what action he would take if the bill were passed as introduced, carrying a total above that recommended by the Budgetary Commission, and that the Governor had informed the special committee that he would in that event veto sufficient items to reduce the appropriation to the amount recommended by the Budgetary Commission.

Mr. Livingston offered a motion that the Board approve an amendment of its appropriation bill to reduce the amount to that recommended by the Budgetary Commission.

During the discussion, President Cleary read letters from three former presidents of the Board of Trustees stating that in their opinion it was the duty and prerogative of the Board to request from the General Assembly such appropriations as in its opinion were necessary for the proper operation and maintenance of the University, and to support such requests to the best of its ability.

On roll call, Mr. Livingston's motion received the following vote: Aye, Mr. Davis, Mr. Livingston; no, Mr. Adams, Mr. Cleary, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Wieland; absent, Mr. Green, Mrs. Grigsby, Dr. Meyer. The Chair declared the motion lost.

The Board adjourned, to meet on call of the President.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 24, 1941

The June meeting of the Board of Trustees of the University of Illinois was held at the College of Medicine, in Chicago, at 11 o'clock a.m. (Central Daylight Saving Time) on Tuesday, June 24, 1941.

When the Board convened, the following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Livingston, Dr. Meyer. Mrs. Grigsby took her place with the Board during the forenoon.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Mr. H. A. Hazleton, Assistant Comptroller, Mr. J. F. Wright, Director of Public Information, and, during part of the day, Judge Sveinbjorn Johnson, University Counsel, and Mr. C. S. Havens, Director of the Physical Plant Department.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of May 15, 1941, with the adjourned sessions and the Executive Committee meeting of May 27, 1941.

On motion of Mr. Jensen, the minutes were approved and received for record as printed on pages 273 to 312 above.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

APPOINTMENT OF ROY ANDREA TO BOARD OF EXAMINERS IN ACCOUNTANCY

(1) The Committee on Accountancy recommends the appointment of Mr. Roy Andreae, of the firm of Price, Waterhouse & Company, Chicago, as a member of the Board of Examiners in Accountancy for three years beginning July 1, 1941, to succeed Mr. Charles W. Jones, whose term expires on June 30.

On motion of Mr. Davis, this appointment was made as recommended.

APPOINTMENT OF PROFESSOR J. M. MATHEWS AS CHAIRMAN OF THE DEPARTMENT OF POLITICAL SCIENCE

(2) With the retirement of Professor John A. Fairlie as Head of the Department of Political Science the Department has voted to change its organization to a department with a chairman. Under the University Statutes a department may be organized either with a chairman or with a head. The chairman is appointed biennially by the Board of Trustees on nomination presented by the President of the University after consultation with the dean of the college and the executive committee of the department concerned.

After conferring with the executive committee of the Department of Political Science, I recommend the appointment of Professor John M. Mathews as Chairman of the Department for two years from September 1, 1941.

On motion of Dr. Meyer, this appointment was made as recommended.

DEFERMENT OF SABBATICAL LEAVE GRANTED MISS GRACE B. ARMSTRONG

(3) At its meeting on January 22, 1941 (Minutes, page 153), the Board of Trustees granted to Miss Grace B. Armstrong, Assistant Professor, Home Economics Extension, a sabbatical leave of absence on full pay from August 1, 1941, to February 1, 1942. Miss Armstrong has requested that a part of her leave (namely four months) be deferred until the fall of 1942 with the understanding that when her plans for the four-month period have been worked out they shall be subject to the approval of the Dean of the College of Agriculture and the President of the University.

On motion of Mr. Jensen, this deferment was approved as recommended.

LEAVE OF ABSENCE FOR PROFESSOR W. M. WILSON

(4) The Head of the Department of Civil Engineering and the Dean of the College of Engineering recommend that Professor W. M. Wilson be authorized to continue his service on the Board of Engineers appointed to determine the loss resulting from the failure of the suspension bridge over the Tacoma Narrows near Seattle, Washington, and to be absent from the University from time to time as such service may require. Professor Wilson's service on this Board will involve no additional expense to the University, and it is to the interest of the University to permit him to continue in this capacity since this is a public service. This service will not interfere with proper supervision by Professor Wilson of his research programs now in progress.

I concur in this recommendation.

On motion of Dr. Meyer, this leave was granted as recommended.

LEAVES OF ABSENCE

(5) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

Charles Kovacic, part-time assistant in the Department of Physical Education for Men, sick leave with full pay from April 24 through June 30, 1941.

O. T. Bonnett, Assistant Professor of Plant Genetics, sick leave with full pay from May 5 to June 15, 1941.

Miss A. Marie Anderson, Associate in the Department of Art, sick leave with pay from May 6 until August 31, 1941.

Mrs. Elizabeth Beedle, Clerk in the Catalog Department of the Library, sick leave with pay from May 1 to June 1, 1941.

Dr. M. H. Worthington, Superintendent of the Dispensary, College of Medicine, sick leave with pay from April 25 to August 1, 1941.

Dr. D. W. Kerst, Assistant Professor of Physics, extension of leave, without pay, from September 1, 1941, to February 1, 1942, or for as much of this period as may be necessary, for the purpose of completing the induction accelerator which he is building at the General Electric Company as a part of his research program.

Leaves of Absence for Military Service
(The leave in each case is without salary.)

Dr. Ross H. Hurt, Associate in Animal Pathology and Hygiene, June 21, 1941, to June 20, 1942.

Floyd E. Richards, Machinist in the Physical Plant Department, one year from May 6, 1941, to engage in employment relating to the program of national defense.

John Ted Dixon, Laborer in the Department of Horticulture, June 5, 1941, to May 25, 1942.

A. A. Brielmaier, Associate in Civil Engineering, September 1, 1941, to September 1, 1942, to engage in defense projects in the U. S. Engineer Office, Denison, Texas.

Dr. Lloyd L. Matzkin, First-Year Resident in the Department of Laryngology, Rhinology, and Otology, June 8 to June 30, 1941.

Dr. Frank F. Kanthak, Assistant Professor of Oral and Plastic Surgery, and Head of the Medico-Dental Diagnostic Clinic, July 20, 1941, to June 19, 1942.

On motion of Mr. Jensen, these leaves were granted as recommended.

**APPROPRIATION TO ILLINI UNION BUILDING TO OFFSET
REFUND OF SERVICE CHARGE**

(6) On September 27, 1940 (Minutes, page 47), the Board of Trustees authorized a reduction in the Illini Union Building service charge from \$5.00 to \$3.00 after the first semester of 1940-1941, since the building was not ready for use at the beginning of the academic year, and on January 22, 1941 (Minutes, page 158), authorized the refund of the \$3.00 collected because the building was not completed and ready for use during the first semester. This was done in the expectation that the Board would appropriate from the General Reserve Fund an amount sufficient to offset this loss in income.

The maximum liability resulting from these refunds is \$15,755. However, the Director of the Physical Plant Department does not request the full amount, but an appropriation of \$14,200, which represents the deficit resulting from the loss of income from service charges.

I recommend that the amount of \$14,200 be appropriated from the General Reserve Fund to the Illini Union Building for this purpose.

On motion of Mr. Livingston, this appropriation was made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Green, Mrs. Grigsby, Mr. Karraker, Mr. Wieland.

**APPROPRIATION FOR BULLETIN BOARD IN THE
ILLINI UNION BUILDING**

(7) The University of Illinois Foundation has requested that a bulletin board be placed in the Illini Union Building for the purpose of displaying the names of those persons who contributed \$50 or more to the equipment fund. The estimated cost of such a bulletin board is \$500, and I recommend that this amount be appropriated from the General Reserve Fund for that purpose.

On motion of Mr. Davis, this appropriation was made as recom-

mended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Green, Mrs. Grigsby, Mr. Karraker, Mr. Wieland.

**APPROPRIATION FOR REIMBURSEMENT TO PUBLIC
WORKS ADMINISTRATION**

(8) A recommendation from the Director of the Physical Plant Department that the Board of Trustees make available a special appropriation in the amount of \$2,492.71 to pay the Public Works Administration for expense incurred by the Federal Government in connection with the Illini Union Building after August 31, 1940—the completion date—for field inspection and auditing. It will be necessary to make this payment before the balance of the funds from P.W.A. are obtained.

I concur in this recommendation.

On motion of Mr. Livingston, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Green, Mrs. Grigsby, Mr. Karraker, Mr. Wieland.

APPROPRIATION TO THE DEPARTMENT OF DAIRY HUSBANDRY

(9) The Dean of the College of Agriculture requests an appropriation of \$2,622.37 from the unappropriated income of the Department of Dairy Husbandry to the Department for expense and equipment to supplement its operating budget for the fiscal year 1941-1942. The Departmental expenditures will run approximately \$5,000 in excess of budgetary provisions, due mainly to wages and equipment purchases. For example, it was necessary to buy a new milking machine at a price of \$2,053, provision for which was not made in the original budget of the Department. The balance of the additional funds needed will be provided by transfer from Agricultural Experiment Station funds, so that this does not require an assignment from the General Reserve.

I concur in this recommendation.

On motion of Mr. Livingston, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Green, Mrs. Grigsby, Mr. Karraker, Mr. Wieland.

SPECIAL APPROPRIATIONS AND NON-RECURRING EXPENDITURES

(10) The Committee on Special Appropriations and Non-Recurring Expenditures has from time to time recommended assignments from the General Reserve Fund for various purposes, but these have not been presented to the Board because of lack of funds. This situation has been due partly to the necessity of making advances from the General Reserve for payments on contracts for the construction of the Illini Union Building pending receipt of the final installments of the grant and loan for this project. The receipt from the Federal Government of the major part of funds due on the grant enables the University to reimburse the General Reserve Fund for these advances and to consider making additional appropriations for needs heretofore deferred. Accordingly, I recommend that the Board make assignments from the General Reserve Fund for the following purposes:

Previous Commitments

1. Purchase of furniture and fixtures of Old Illinois Union, previously authorized by the Board but no appropriation made.. \$ 6 389 00
2. Purchase of property at 1206 West Green Street..... 9 109 08
(The purchase of this property was authorized by the Board January 22, 1941, at a price of \$10,000, plus the 1940 taxes, \$1,000 payable at that time and the balance July 1, 1941. An appropriation of \$1,000 was made at the time and it is now necessary to appropriate \$9,109.08 to pay the balance of the purchase price and the taxes.)

On motion of Mr. Davis, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Green, Mrs. Grigsby, Mr. Karraker, Mr. Wieland.

REAPPROPRIATION OF UNEXPENDED BALANCES

(11) A recommendation that the following unexpended balances estimated as of July 1, 1941, for various purposes be reappropriated for the purposes indicated in each case for the fiscal year beginning July 1, 1941, due to the fact that it has not been possible to complete the work or purchases contemplated for these purposes. Under the budget rules of the Board, these balances are lapsed on June 30, unless reappropriated. The total amount is \$133,300.

On motion of Dr. Meyer, these balances were appropriated as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Green, Mrs. Grigsby, Mr. Karraker, Mr. Wieland.

EXTENSION OF PERIOD OF SETTLEMENT ON BOND OF HAZEN S. CAPRON, FORMER TREASURER

(12) There is a balance of \$11,849.10 due from Mr. Hazen S. Capron, former Treasurer of the University, which is secured by a participating certificate in the assets of the old First National Bank of Champaign and a bond of Mr. Capron and other sureties, which has been extended from time to time by the Board of Trustees, the last extension being until June 11, 1941.

The Finance Committee of the Board recommends a further extension of time in the settlement of the account for an additional period of two years, with the provision that if during this period a final dividend is paid on deposits of the old First National Bank any balance on Mr. Capron's account as former Treasurer shall at once become due and payable.

On motion of Mr. Davis, this extension was granted as recommended.

CHANGE IN REQUIREMENTS FOR GRADUATION FROM THE COLLEGE OF AGRICULTURE

(13) A recommendation from the College of Agriculture, approved by the University Senate, that the number of hours required for graduation in that College be changed from 120 semester hours exclusive of basic military and physical education to 130 semester hours including these subjects, with the understanding that the new requirement will apply to all curricula in the College of Agriculture except Home Economics and will go into effect with the freshman class of 1941-1942. Home Economics is excepted because this subject may be taken in the College of Liberal Arts and Sciences and in Education, where the requirement of 120 hours is in effect.

The reasons for the suggested change are as follows:

1. This will equalize the requirements for graduation between transfer students who may now come at the junior level and escape required military and physical education courses, and those students who enter as freshmen. It is true also that certain students entering on the freshman level now escape the requirements in basic military and physical education because of higher age or physical disability. Under the new plan, all students would be required to earn the same number of hours for graduation.

2. The University Senate has recently increased from 8 to 12 the number of semester hours of credit given for the advanced R.O.T.C. course (the junior and senior years of military training which are optional). This makes it desirable to increase the total number of hours required for graduation in the case of those students taking the advanced R.O.T.C. work.

3. The present requirement seems relatively low, as evidenced by the fact that some students are able to complete the requirements for the degree in seven semesters.

On motion of Mr. Livingston, this recommendation was adopted.

STUDENTS' USE OF ENGLISH

(14) Last year as a result of discussions in meetings of the Board of Trustees the Senate Committee on Educational Policy was asked to make a study and to submit recommendations for improving the standard of English used by the undergraduate student body both in speaking and in writing. This Committee has been at work for practically a year, and at the last meeting of the University Senate (June 2) it submitted a report on the student use of English, and the Senate approved this report for transmission to the Board of Trustees with the following recommendations:

1. The Senate elect a standing Committee on Student English to consist of seven members. The duties of this Committee shall be to study the operation of the regulations relating to English and to bring in such further recommendations as may seem desirable for the improvement of the use of English by students.

2. During the years 1941-1942 and 1942-1943 all students whose rating in the freshman placement test is below passing be required to register in sections of Rhetoric 1 which meet four times a week instead of three. They shall receive, however, only the usual three credits.

3. For the same period all students receiving the grade of D in the first semester of Rhetoric 1, whether in the regular part of the course or in the four-hour part, be required to register in sections of Rhetoric 2 meeting four times a week. They shall likewise receive three credits.

4. After September 1, 1941, and continuing indefinitely thereafter all students who receive a grade of D in Rhetoric 2 be required to take an extra one-semester course carrying three credit hours.

5. All transfer students whose grade at another institution for their last semester in required rhetoric (equivalent to Rhetoric 2) is D (or the equivalent) be required to take the third semester course or pass a proficiency examination.

6. Beginning September 1, 1943, no student who fails to pass the placement test in rhetoric, given at the beginning of each semester, be allowed to register in Rhetoric 1. His schedule of courses shall be reduced by three credit hours in order to permit him to make up this deficiency, which may be removed by tutoring, correspondence study, or otherwise. A three-hour non-credit elective course shall be offered each semester in which students may register on payment of a \$10.00 fee, to prepare themselves to pass the placement test. A student who fails to pass the placement test by the beginning of his third semester must withdraw from the University until he does pass it.

The time of initiating the practice suggested in No. 6 is set two years hence in order to give ample warning to the high schools, and to provide them with full information about the standards in English which we expect from their graduates. It is believed that the cost of the course should be borne mainly by the students. To guard against possible mistakes in grading the placement test, provision should be made for transferring any properly qualified student from the non-credit course to Rhetoric 1 within three weeks after the beginning of the semester, and returning his fee. If Recommendation No. 6 is adopted, it is recommended that the procedures set up in Nos. 2 and 3 go out of effect on September 1, 1943.

7. All other procedures contained in the questionnaire sent to the faculty be referred to the Committee on Student English for study: specifically, general proficiency examinations, the establishment of upperclass remedial courses, the improvement of speech, the establishment of a writing clinic and a writing laboratory, the publication of a University manual of style, and the publication of a statement that a certain standard of English is required for graduation. It is not meant, however, that the Committee on Student English must confine itself to these procedures; it should consider the subject in the broadest way.

I concur in these recommendations.

On motion of Mr. Jensen, these recommendations were approved as presented.

PURCHASES RECOMMENDED

(15) A recommendation that the following purchases be authorized:

1. 41 cast steel and bronze valves, for Physical Plant stock, from Jenkins Bros., Chicago, the lowest bidder, at a price of \$1,291.47 f.o.b. Urbana.
2. One vacuum return line heating pump, for the Physical Plant Department, from C. A. Dunham Company, the lowest bidder, at a price of \$1,410.70 f.o.b. Michigan City, Indiana, freight allowed.

On motion of Dr. Meyer, these purchases were authorized as recommended.

PURCHASES AUTHORIZED

(16) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. Trimmings for draperies for Illini Union Building, Ernst C. von Ammon, Chicago, the lowest bidder, at a price of \$1,918.40.
2. Chemicals to be placed in stock in the General Chemical Storeroom for use of various departments, representing a year's supply of the items listed, from

| | |
|--|-------------------|
| A. Daigger & Company..... | \$ 116 55 |
| J. T. Baker Chemical Company..... | 562 73 |
| Coleman & Bell Company..... | I 361 01 |
| W. W. Welch Manufacturing Company..... | 157 50 |
| Central Scientific Company..... | 82 06 |

| Mallinckrodt Chemical Works..... | I 284 74 |
| A. S. Lapine & Company..... | I 103 13 |
| <i>Total</i> | <u>\$5 917 08</u> |

Quotations were secured from all of these companies and orders were placed on the basis of the lowest prices, quality considered. A list of these items is included in the recommendation of the Comptroller and the Purchasing Agent which is being filed with the Secretary of the Board for record.

3. 543 feet of 12" double thick pipe covering for the New Power Plant from the Union Asbestos & Rubber Company, the lowest bidder, at a price of \$1,157.68 f.o.b. Urbana.

4. Syracuse "Adobe Econorim" chinaware for Men's Residence Hall (approximately 523 dozen pieces) from E. A. Hinrichs & Company, Chicago, at a price of \$1,407. This is approximately \$75 over the lowest bid which was on Shenango china. After careful comparison of the Shenango and the Syracuse it was decided that the Syracuse would be preferable because of more satisfactory color, sizes, and designs of the various pieces.

5. 15 rolls (60 square yards each) Armstrong's Brown Linoleum 3/16" thick by 6'0" wide, for Physical Plant Department stock, from F. K. Robeson, Champaign, the lowest bidder, at a price of \$1.39 a square yard, or a total approximate cost of \$1,251 f.o.b. Urbana.

6. Bed linen for the residence halls—103½ dozen bed sheets, 63" x 108"; and 77½ dozen pillow cases to match sheets, 45" x 36"—from H. W. Baker Linen Company, New York City, the lowest bidder, at a total price of approximately \$1,534.50.

On motion of Mr. Fornof, the action of the President of the University in authorizing these purchases was approved and confirmed.

OPERATION OF COLLEGE OF MEDICINE ON A TWELVE-MONTH BASIS

(17) The Executive Council of the Association of American Medical Colleges has recommended that member institutions consider the following specific suggestions designed to increase the number of graduates from medical schools in order to meet more effectively the medical needs of the national emergency, without lowering the standards of medical education: (1) an increase in the

enrollment of the classes entering in 1941 by ten per cent; (2) continuation of the fourth year of the medical curriculum during the summer of 1941 in order to graduate at an early date as many students as possible; (3) revising instructional schedules to accelerate the output of graduates during the national emergency.

The Executive Dean of the Chicago Colleges recommends:

1. That the Board of Trustees of the University grant discretionary authority to the Committee on Admissions of the College of Medicine to admit up to 165 students in the 1941 entering class provided that the pending agreement with the Presbyterian Hospital can be consummated this summer.

2. That the University plan for the future on conducting the College of Medicine on a twelve-month basis, particularly for the third- and fourth-year students. (It is now too late for a program of study to be worked out for the summer for next year's fourth-year students.)

3. That the Committee on Admission be given discretionary authority to accept well-qualified third-year students—up to a total of 165 students in the whole junior class—who desire to transfer to the University of Illinois from other approved medical schools.

On motion of Dr. Meyer, these recommendations were approved.

FIRE PREVENTION ON URBANA CAMPUS

(18) At the meeting of the Board of Trustees on January 22, 1941 (Minutes, page 170), the question was raised whether or not the University should maintain an independent fire station and carry its own risks, or purchase insurance. This grew out of the discussion concerning the cost of meeting recommendations of the National Board of Fire Underwriters Committee on Fire Prevention and Engineering Standards and of the Western Factory Insurance Association. The matter was referred by the Board to the Committee on Buildings and Grounds for study and report.

The Director of the Physical Plant Department has made a thorough study of the situation and his conclusions are as follows:

A well-balanced program should contain provisions for improving both the University buildings (i.e., against hazards) and the fire-fighting facilities to a satisfactory level. He suggests as a criterion for building improvements those required to meet the standards for the Western Factory Insurance Association underwriting and for the National Board of Fire Underwriters Committee on Fire Prevention and Engineering Standards, which are:

I. Fire fighting facilities (Western Factory Insurance Association):

| | <i>Capital Cost</i> | <i>Annual Cost</i> |
|--|-------------------------|------------------------|
| 1 Motor-driven fire equipment..... | \$18 000 | \$14 400 |

| 32 Transformer vaults..... | 122 650 | |
| Insurance premium (excluding extended coverage).... | | 23 814 |
| <i>Total</i> | \$269 209 | \$58 214 |

¹Required if plant is insured by Western Factory Insurance Association under their proposal.

2. Physical plant improvements (National Board of Fire Underwriters):

| | | <i>Capital Cost</i> | <i>Annual Cost</i> |
|-----------------|-------------------------------|-------------------------|------------------------|
| 10 | Two new wells..... | \$42 000 | |
| 11 | Well discharge main..... | 1 252 | |
| 12 | Reserve electric circuit..... | 13 500 | |
| 13 | New pump room..... | 19 500 | |
| 14 | New water mains..... | 29 279 | |
| 15 | Additional hydrants..... | 3 420 | |
| 16 | Replace old hydrants..... | 5 670 | |
| 36 ² | Twelve new firemen..... | | \$21 600 |
| 37 ² | Ladder truck..... | 18 000 | |
| 38 | Hose truck..... | 3 000 | |
| 39 | Tools..... | 350 | |
| 40 | New fire station..... | 45 000 | |
| 48 ² | Fire alarm telegraph..... | 18 000 | |
| | <i>Total</i> | <u>\$198 971</u> | <u>\$21 600</u> |

Suggested, also, are such changes as are necessary to make working conditions and wage scales in the University Fire Department comparable with those in the fire departments of the two local communities.

In addition to remodeling the buildings to reduce fire hazards and improve the fire-fighting facilities, it may be desirable to carry insurance on buildings where the risk is very great, such as the Chemistry and Band Buildings. On such buildings where the University is required to do so by the lending agency (Men's Residence Hall, Student Center, Arcade, Illini Union, Medical and Dental College Laboratories, and Chicago Union Building), insurance will, of course, have to be continued. Except in such cases, it is believed that the University should carry its own fire risk for the following reasons:

1. During the past 20 years, with less adequate fire-fighting facilities, and a lower standard of building construction than the Physical Plant is recommending in this report, the loss by fire has been approximately \$850 a year. It is possible, however, for a large fire to occur at any time, which may affect the fire loss record unfavorably.

2. The plant valuation is large.

3. The buildings are distributed over a large area and, except in the Engineering group, it is not probable that there would be a conflagration spreading to other buildings.

4. Inspection and prevention are the best means of protection. With a fire station adequately manned and equipped, and with the cooperation of the faculty, such a program should reduce the fire risk to a minimum.

As to the order of urgency of the improvements recommended by the Western Factory Insurance Association and the National Board of Fire Underwriters, the recommendations of the Director of the Physical Plant Department are:

| | | <i>Capital Cost</i> | <i>Annual Cost</i> |
|----|--|-------------------------|------------------------|
| 1. | Replace firemen in receiving routine watchman and police calls (to provide adequate rest)..... | | \$3 000 |
| 2. | Appoint two additional officers and increase salary of present firemen to correspond to local prevailing wage..... | | 2 000 |
| 3. | Employ 4 additional firemen to raise the strength of the present engine company to 6 men on each platoon..... | | 7 260 |
| 4. | Alterations to present quarters to provide temporary quarters for additional men..... | \$5 000 | |
| 5. | Place pumper barrels on selected fire hydrants..... | 660 | |
| 6. | Purchase a 65-foot aerial ladder truck and equip with deluge set..... | 18 000 | |
| 7. | Noyes Chemical Laboratory fire doors..... | 13 280 | |
| 8. | Natural History light wells..... | 3 000 | |

²Deemed most important, and early adoption urged.

| | | |
|--|-----------|----------|
| 9. Modern fire alarm telegraph for Noyes Laboratory only . . . | 2 500 | |
| 10. Gasoline pump, electrical equipment | 500 | |
| 11. Wood Shop—enclose stairs | 2 500 | |
| 12. Wood Shop shaving collector | 3 000 | |
| 13. Collar for cupola stack | 750 | |
| 14. Employ 4 additional firemen for ladder truck | | 7 200 |
| 15. Sprinklers, Noyes Laboratory | 30 600 | |
| 16. Sprinklers, Old Agriculture | 19 200 | |
| 17. Sprinklers, Natural History | 22 800 | |
| <i>Total</i> | \$121 790 | \$19 460 |

For the next biennium, the Director of the Physical Plant Department believes that Items 1 through 6, above, involving a capital cost of \$23,660 and an annual operating expense of \$12,260, should be considered as a minimum. In the biennial budget as originally approved by the Board, there were included for fire protection an increase of \$20,000 in capital items and of \$3,240 a year for operation.

At this point, Mrs. Grigsby took her place with the Board.

On motion of Mr. Jensen, this matter was referred to the Committee on Buildings and Grounds for study and recommendation.

UNIVERSITY OUTDOOR RECREATION AREA

(19) The Senate Committee on Athletics has been considering various phases of the programs of physical education and intercollegiate and intramural athletics to determine ways and means of improving the physical fitness of students, which is important to the national defense. The committee recently learned that a tract of land which might be adapted to outdoor recreation use is available for sale, and a sub-committee was appointed to consider the advisability of purchasing this land as a possible site for a "University Outdoor Recreation Area." This tract of land, consisting of 412 acres, is known as the Catlin Lagoon Property, and is 30 miles east of Urbana and about 5 miles west of Danville. It is owned by the United Electric Coal Company of Chicago and is offered for sale at \$20 an acre, or a total of \$8,240. To a certain extent, the property can be used without development.

It is the firm conviction of the Committee that the property, if purchased and developed, would meet a long-felt need, and in the course of time would represent a major expansion of the University's program and services, appreciated by everyone associated with the institution—students, faculty, and alumni.

A second recommendation of the Committee concerns an appropriation for the development of the area. The cost of developing the area depends on (1) the extent and variety of facilities provided, (2) the quality of the facilities provided, and (3) the amount of Federal aid which might be secured.

I submit herewith the complete report of this committee and recommend that it be referred to an appropriate committee of the Board for consideration and advice. (This may be either the Committee on Buildings and Grounds or the Committee on Athletic Activities.)

On motion of Mr. Jensen, this matter was referred to the Committee on Buildings and Grounds for study and report.

ILLINOIS EYE AND EAR INFIRMARY

(20) An Act of the Sixty-second General Assembly (Senate Bill 170), amending a previous Act in relation to the founding and operation of the Research and Educational Hospitals of the State of Illinois to make possible the inclusion of the Illinois Eye and Ear Infirmary as one of the constituent units of the Research and Educational Hospitals group in any plan of joint operation and management by the Department of Public Welfare and the University of Illinois which these two agencies may agree upon, has been passed by the General Assembly and has become a law.

A certified copy of this bill has been given to the Secretary of the Board for official record. (See page 324.)

This report was received for record.

SENATE BILL 170

AN ACT to amend Section 1 of "An Act in relation to the founding and operation of Research and Educational Hospitals of the State of Illinois," approved July 3, 1931.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Section 1 of "An Act in relation to the founding and operation of Research and Educational Hospitals of the State of Illinois," approved July 3, 1931, is amended to read as follows:

Sec. 1. "Department" as used in this act means the Department of Public Welfare; "University" means the Board of Trustees of the University of Illinois; and "Research and Educational Hospitals" comprises the University Clinical Institute, the Out Patient Department of the University, the Institute for Juvenile Research, the Illinois Surgical Institute for Children, the Psychiatric Institute and such other hospitals, institutes and infirmaries as may be added thereto by agreement of the Department and the University. The Medical and Dental Colleges of the University of Illinois may be operated in conjunction therewith to such extent as may be deemed practicable and subject to agreement with the University.

HUGH W. CROSS
President of the Senate

ELMER J. SCHNACKENBERG
Speaker of the House

This bill having been presented to the Governor on May 14, 1941, and having remained in his hands ten days, Sundays excepted, the General Assembly being in session, it has thereby become a law.

Witness my hand this 27th day of May, A.D. 1941.

EDWARD J. HUGHES
Secretary of State

JAMES WILFORD GARNER MEMORIAL FUND

(21) Former students and colleagues of the late Professor James Wilford Garner, for many years Head of the Department of Political Science and one of the University's most distinguished men, have offered the University of Illinois approximately \$1,500 to establish the James Wilford Garner Memorial Fund to be used for loans to worthy students in political science. This gift could be administered under the general regulations and conditions governing student loan funds.

I recommend acceptance of this offer.

On motion of Mrs. Grigsby, this gift was accepted with appreciation.

GIFTS TO THE UNIVERSITY

(22) The following report of gifts received by the University since the last report:

1. The Kelco Company, San Diego, California, \$300, to cover a study on factors that alter calcium utilization.

2. The Estate of Lydia E. Parker Bates (late of Maroa, Illinois), \$1,351.20, for the establishment of the "Lydia E. Parker Bates Fund for the Advancement of Fine Arts" for the aid of deserving students of promise in the study of some one or more of the fine arts at the University of Illinois or elsewhere.

3. Nutrition Research Laboratories, Chicago, \$325 a month, beginning April 1, 1941, and continuing through March 31, 1942, to continue the research program being carried on in the Department of Physiology in the College of Medicine under the supervision of Dr. C. I. Reed.

4. The Farm Foundation, Chicago, \$100 for the honorarium of one of the speakers on the Farm and Home Week Program of the College of Agriculture.

5. University of Illinois Mothers' Association, \$223.46 for the purchase of a silver tea service for the Illini Union Building.
6. A. E. Staley Manufacturing Company, Decatur, Illinois, \$300, for the purpose of carrying on a study of "Sweetose" as used in various dairy products, to be carried on by the Department of Dairy Husbandry.
7. The American Medical Association, \$350, for a study of water soluble proteins by Dr. William H. Welker of the College of Medicine.
8. The American Dry Milk Institute, Inc., Chicago, \$500 for research work in the Department of Animal Husbandry on biological tests on "enriched bread."
9. Professor Herman B. Dorner, a gift of his valuable private collection of pressed plant specimens to the University Herbarium.
10. The Farmers Creamery Company, Bloomington, Illinois, \$300, for a study of a basis for a scale of wages for the employees of the company to be undertaken by the Department of Agricultural Economics.
11. Professor and Mrs. W. S. Robertson, three paintings from the early twentieth century period.
12. Professor *Emeritus* George T. Flom, a number of rare books and pamphlets for the Scandinavian collection of the Library.
13. The Prairie Farmer, Chicago, the first high compression gas tractor used in general farm work in Illinois, to the Department of Agricultural Engineering in recognition of its work in advancing the use of high-compression tractor engines.
14. Alumni and members of the faculty of the Department of Geology and Geography, oil portraits of Professor *Emeritus* William S. Bayley and Professor *Emeritus* Thomas E. Savage.
15. Mr. Henry Putzel, St. Louis, Missouri, engravings from the sixteenth and eighteenth century periods, prints of the seventeenth century, and several rare books for the Museum of European Culture.
16. Dr. Francis L. Lederer, Professor and Head of the Department of Laryngology, Rhinology, and Otology, and three other members of his staff, \$125, for the purchase of an improved type of microprojector for the Department.
17. The Student Senate, \$300, to provide an annual scholarship of \$100 for the next three years, to an undergraduate student.
18. The New York Community Trust, on behalf of an anonymous client, \$750 to pay the stipend of a graduate fellowship in Chemistry during the academic year 1941-1942. This is a continuation of a fellowship awarded during the current academic year.
19. Niagara Sprayer and Chemical Company, Inc., Middleport, New York, \$500, for a proposed project on the testing of lead arsenates.
20. The Oriental Institute of the University of Chicago, on behalf of an anonymous donor, \$75, to serve as a lecture fee for Professor John Garstang, famed excavator.
21. Vaughan's Seed Store, Chicago, \$300, for a study of the synergistic action of certain organic sulfur compounds when used in an agricultural insecticide.
22. 1940 Electrical Show, \$120, to the Department of Electrical Engineering, to be used in purchasing equipment.
23. Allied Chemical & Dye Corporation, New York City, \$1,500, for the establishment of two fellowships of \$750 each, to be awarded to outstanding graduate students in organic chemistry and to be known as Allied Chemical & Dye Corporation Fellowships.
24. The Velsicol Corporation, Chicago, \$760, for the support of certain researches on insecticides being conducted by Dr. Clyde W. Kearns of the Department of Entomology.
25. Standard Brands, Inc., of New York, \$1,450, for the renewal of their grant under the title of "Yeast Effect on the Digestive Tract," carried on in the Department of Physiological Chemistry, in the College of Medicine.
26. John and Mary R. Markle Foundation, New York City, \$6,250, to support Dr. Ernst Gellhorn's investigation of the physiological foundations of convulsions and of the treatment of dementia praecox, in the College of Medicine.

On motion of Mr. Jensen, these gifts were accepted with thanks.

**OPEN LETTER FROM "WE, THE MOTHERS, MOBILIZE
FOR AMERICA"**

(23) An open letter, dated June 6, 1941, from Mrs. Barbara Winthrop (Mrs. C. P. Dodge), President of "We, The Mothers, Mobilize for America, Inc.," 37 West Van Buren Street, Chicago. The letter is addressed to "The Hon. Dwight Green, Governor of the State of Illinois; Members of the Legislative Assembly of the State of Illinois; Trustees of the University of Illinois; Dr. A. C. Willard, President of the University of Illinois."

No action was taken on this matter.

EXECUTIVE SESSION

At this point, on request of Mr. Davis, the Board went into executive session as committee of the whole. The committee rose at the end of a two-hour session without having taken any action.

The Board continued, in open session, its consideration of matters presented by the President of the University.

RESOLUTION OF THE ILLINI CLUB OF KANSAS CITY, MISSOURI

(24) The following resolution was adopted at a meeting of the Illini Club of Kansas City, Missouri, on June 4, 1941:

"Whereas, it is well known that athletics at the University of Illinois has been strikingly and consistently free from commercialism at all times, and

"Whereas, Robert C. Zuppke, Coach of Football since 1913 has contributed to and exemplified the traditional spirit of amateur athletics at the University,

"Now, therefore, be it resolved, that the Illini Club of Kansas City hereby commends and congratulates the University for its steadfast refusal to commercialize athletics and for the high standard of sportsmanship now and heretofore maintained, and

"Be it further resolved, that the secretary of this organization be authorized and directed to forward a copy of this resolution to the President and Board of Trustees of the University."

This resolution was received for record.

BACHELOR'S DEGREE FOR EDMUND LOUIS DUBOIS

(25) A recommendation that the President of the University be authorized to confer the degree of Bachelor of Science in Civil Engineering as of October 15, 1941, on Edmund Louis DuBois, as recommended by the Dean of the College of Engineering and the University Registrar.

Mr. DuBois is a candidate for a commission in the United States Army through the Sixth Corps Area and was considered by that Area among a few outstanding candidates who were to be recommended to Washington as honor graduates. However, due to the fact that he failed to meet the requirements for his degree in June because of having failed one course the Sixth Corps Area Commander under date of June 10 substituted in his recommendation to Washington the name of the first alternate on the honor graduate list in place of Mr. DuBois, because at that time it could not be certified that Mr. DuBois had completed the requirements for his degree. Mr. DuBois has since taken and passed a special examination in Civil Engineering 65—the course in which he received a failing grade in the second semester and which, therefore, prevented his complying in full with all the requirements for the degree of Bachelor of Science in Civil Engineering. In spite of the fact that he did fail one course last semester Mr. DuBois has an outstanding record of 4.213 in the College of Engineering and was Student Colonel of the University R.O.T.C. units during his senior year. He still wishes to be considered for a commission in the army and if the Board is willing to pass on his candidacy for the degree at this time it may further his status for the commission.

On motion of Mr. Fornof, this degree was authorized as of June 24, 1941.

NATIONAL DEFENSE RESEARCH PROJECTS

(26) Pursuant to the authorization of the Board of Trustees, I have authorized the execution by the Secretary and Comptroller of the Board of Trustees of contracts with the National Defense Research Committee covering three research projects to be carried on in the Department of Chemistry. The total amount of money which the Government has agreed to pay covering the cost of these investigations is \$27,075.

This report was received for record.

**AMENDMENT TO UNIVERSITY STATUTES RELATING TO
RETIRING ALLOWANCES AND DEATH BENEFITS**

(27) The special committee of the faculty which has been studying the University's system of retirement and death benefits has recommended that the University Statutes relating to the present system be amended to equalize the difference between the retiring allowance paid under the present system of \$4,000 which may be paid to deans and other general administrative officers and a maximum of only \$3,000 which may be paid to other members of the staff.

When the present rules were devised in 1925, in general the salaries of deans and other administrative officers were higher than those of other staff members. This is no longer true. The Committee does not feel that a difference of \$1,000 in the present retiring allowance of these two groups can any longer be justified, particularly since the new system will require contributions by each member of the staff on the basis of total salary. If the differential is removed in full at once, however, it will mean that persons who retire within the next few years might be given an undue advantage over those recently retired. For that reason the committee feels that the maximum retiring allowances to persons other than administrative officers should be increased at the rate of \$100 a year beginning September 1, 1942, until the maximum for administrative officers is reached. Accordingly, the following resolution is offered:

Be it resolved, that paragraph 3 (b) of Section 30 of the University Statutes relating to the maximum retirement allowance to be granted to staff members be amended by adding the following:

"The maximum retirement allowance which may be granted to staff members other than the President, Deans, and other General Administrative Officers shall be increased at the rate of \$100 per year, the first such increase to be effective on retirement allowances granted as of September 1, 1942, until the maximum hereinbefore set for Deans and other General Administrative Officers is reached; provided that the amount of any retirement allowance shall be fixed at the time of retirement and shall not be subject to increase thereafter by reason of this amendment. The permanent status of the staff member shall be controlling as to the amount of the retiring allowance."

On motion of Mr. Jensen, this resolution was adopted.

RETAIL SALE OF MILK BY DEPARTMENT OF DAIRY HUSBANDRY

(28) In the exercise of the necessary control over the standards and quality of foods served in the Illini Union Building, the Home Economics Cafeteria, and the residence halls, the University has placed upon the Department of Dairy Husbandry the responsibility of supplying milk and other dairy products from those produced by the University itself or purchased and processed by the Department. With the opening of the Residence Hall for Men in the fall the amount of these products to be supplied through the Dairy Husbandry Department will increase materially. Heretofore it has been possible for the Department to supply the milk needed from the University's dairy herds, but in the future it will be necessary to either increase the herds or purchase milk from outside sources of such quality and in such quantity as to meet the increased demand. Under the circumstances the Dean of the College of Agriculture recommends that effective September 15, 1941, the University discontinue retail sales of milk and dairy products in Champaign and Urbana since the output of the Department will be needed for the various University food services.

This report was received for record.

APPOINTMENT OF CHICAGO COLLEGES UNION BOARD

(29) I submit the following nominations for membership on the Chicago Colleges Union Board, the appointees to serve for a term of one year beginning May 1, 1941:

2647 W. Potomac Avenue, Chicago
Senior in College of Pharmacy

ROBERT KENNETH ARMSTRONG
1804 W. Congress Street, Chicago
Senior in College of Dentistry

EDWARD HUGHES
Interne in College of Medicine

Faculty Representatives

Dr. C. A. JOHNSON
Associate in Physiological Chemistry

Professor H. M. EMIG
Assistant Professor of Pharmacy

Dr. MAYNARD K. HINE
Assistant Professor of Dental
Pathology and Therapeutics

Dr. M. H. STREICHER
Assistant Professor of Medicine

On motion of Mr. Adams, these appointments were authorized.

**ADMINISTRATION OF THE CHICAGO COLLEGES
UNION BUILDING**

(30) A recommendation that the following plan for the management, operation, and maintenance of the Chicago Colleges Union Building be approved:

I. Responsibility for the management, operation, and maintenance of the Union Building—

(a) The Physical Plant Department shall be responsible to the Executive Dean and the President of the University for the operation, maintenance, and management of the building. This responsibility shall include food service; supervision of game room and gymnasium; checking facilities; building and equipment operation and maintenance.

(b) The Union Board shall be responsible for the social, cultural, and recreational program within the building, including activities of undergraduate students, graduate students, faculty, and alumni, and shall act in an advisory capacity to the Physical Plant Department on the management and operation of the building.

(c) The Director of the Union Building shall be the executive agent of the Union Board and the Physical Plant Department in the operation and management of the building.

II. Relationship of the Union Board to the Faculty Committee on Student Affairs—

(a) The activities of the Union Board in administering its function on the student social, cultural, and recreational program within the building shall extend into the field of student activities, and in conducting such activities, the Union Board shall operate under the jurisdiction of the Faculty Committee on Student Affairs.

(b) As the Physical Plant Department is directly responsible to the President and the Board of Trustees for the financial success of the building, and as the budget of the building will bear the financial expense of the student program, the authority of the Faculty Committee on Student Affairs shall not extend to the student activities budget of the Union Board.

III. Membership of the Union Board—

(a) The Union Board shall consist of eight members, selected as follows:
(1) four students—one student elected by each of the three student councils and one elected by the internes and residents of the Research and Educational Hos-

pitals and other hospital groups as designated—and (2) four persons appointed by the President of the University from the faculty and alumni.

(b) The members of the Union Board shall serve for a period of one year.

(c) The members of the Union Board may elect one member to serve as chairman.

On motion of Mr. Adams, this matter was referred to the Committee on Affiliated Student Activities for study and report.

CONTRIBUTION TO ILLINI UNION BUILDING EQUIPMENT FUND

(31) The University of Illinois Foundation has been asked by the Illinois Union, Incorporated, to take over the latter's assets (including real estate properties and cash) and its liabilities amounting to approximately \$140,000, which are secured by the old Illinois Union (later known as the Student Center Building) and Arcade buildings, under the condition that the cash be applied to any project which the University designates.

If this plan is carried through, I recommend that the cash be accepted by the Board of Trustees and credited to the Illini Union Building equipment fund and immediately made available for the finishing and furnishing of the fourth floor rooms so that they may be ready for use in the fall.

On motion of Mr. Davis, the Board voted to accept these funds if turned over to it, for the purpose recommended.

VISUAL EDUCATION IN DEFENSE TRAINING

(32) The State Board for Vocational Education has asked the University to undertake the supervision, through its Visual Aids Service in the Division of University Extension, of a summer program (June 16-August 9, 1941) in visual education for the young men and women in defense training at the National Youth Administration Centers in Illinois. The State Board for Vocational Education will pay the entire cost of the program.

The plan is as follows: Four teachers familiar with visual materials are to be employed for 8 weeks—salary \$50 a week, plus travel allowance not to exceed \$25 a week. Each will be assigned a specific territory and will have charge of the work in visual education in the National Youth Administration Centers in his circuit, carrying with him films and equipment. The State Board for Vocational Education will purchase \$4,500 worth of films which will become the property of the Visual Aids Service at the conclusion of the program. An agreement will be executed to reimburse the University for all expense which might be incurred for salaries, travel, films, and supply purchases. The agreement will approximate \$9,000, and the claim could be presented for prompt payment on August 9, at the close of the program.

It was necessary that this program begin on June 16. In view of this emergency I authorized sponsorship of this by the Division of University Extension and request confirmation of my action.

On motion of Mr. Jensen, the action of the President of the University in authorizing this program was approved and confirmed.

SPECIAL APPROPRIATIONS AND NON-RECURRING EXPENDITURES (SUPPLEMENTARY)

(33) The Committee on Special Appropriations and Non-Recurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

| | | |
|--|----|--------|
| 1. Changes in southeast wing of Old Agriculture Building.. | \$ | 900 |
| 2. Tile partitions in Architecture Building..... | | 445 |
| 3. Alterations in Mechanical Engineering Laboratory (to minimize air movements)..... | | 500 |
| 4. Remodeling of offices, and equipment in Chicago Colleges | 7 | 600 |
| 5. Purchase of pianos for University Auditorium..... | 2 | 000 |
| 6. Extension of steam service to Stadium..... | 6 | 000 |
| <i>Total</i> | \$ | 17 445 |

On motion of Mr. Adams, this appropriation was made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Livingston; no, none; absent, Mr. Green, Mr. Karraker, Dr. Meyer, Mr. Wieland.

BINDING FOR THE UNIVERSITY LIBRARY

(34) For a number of years binding has been secured by the Director of the Library without formal contract. The work has been assigned to various binderies on the basis of the quality of their work and their facilities.

During the past year the Director of the Library and the Purchasing Agent have studied the problem jointly, and as a result are submitting a recommendation for a contract for this work for the coming biennium. Visits were made to a number of binderies and three concerns were selected who might be able to handle all or part of the University work. Specifications for the various types of work to be done were compiled by the Director and submitted to these binderies.

Bids on unit prices were received from Ernst Hertzberg & Sons, The Book Shop Bindery, and Burgmeier Book Bindery. The prices submitted by Ernst Hertzberg & Sons are lower in practically all instances than the other two concerns, and the aggregate cost of placing all binding with this concern would be materially the lowest. Furthermore, the prices secured are below those that are being charged the University at the present time on open orders. The total annual amount of binding is about \$30,000 and is provided for in the regular budget of the Library.

The Director of the Library, the Purchasing Agent, and the Comptroller recommend that a contract with Ernst Hertzberg & Sons for all binding of the University Library for two years beginning July 1, 1941, be authorized on the basis of unit prices received, the contract to be subject to renewal by mutual agreement for succeeding periods of two years each. The provision for renewals does not obligate the University to continue under the contract without securing new quotations unless that should be found as desirable. However, it does leave the way open to get the advantage of a continuation of prices now offered if no new conditions have arisen making new competition desirable or necessary. When the latter condition arises, it is proposed that procedure substantially similar to that followed on this occasion will again be followed.

I recommend approval of this procedure for an experimental period with the understanding that it will be subject to review and modification later in the light of experience.

On request of Mr. Adams, action on this matter was deferred.

QUIT CLAIM DEED TO PROPERTY BEQUEATHED TO THE UNIVERSITY BY THE LATE JAMES M. FOWLER

(35) As reported to the Board on November 24, 1939 (Minutes, page 662), the late James M. Fowler, formerly of Martinsville, Illinois, bequeathed to the University interest in 180 acres of land in Clark County for the use of the College of Agriculture. The College has examined this land carefully and has concluded in view of the quality thereof, its distance from the University, and all the circumstances, it would be inadvisable for the University to accept and administer this bequest. Consequently I recommend that the Board of Trustees, through a special quit claim deed with reservation of oil rights, authorize a transfer of the University's interest in this land to the heirs. Originally under the will the entire interest in the property was given to the University, but the widow renounced the will, thereby reducing the University's interest one-half and complicating the situation. Under the quit claim deed the University reserves the oil rights for a period of twenty years; otherwise the land would not be of any particular value to the University and it would be costly to carry out the plan of the testator.

On motion of Mr. Davis, this recommendation was adopted, and the President and the Secretary were authorized to execute the necessary documents.

KATE NEAL KINLEY MEMORIAL FELLOWSHIP

(36) The Kate Neal Kinley Memorial Fellowship Committee has recommended and I have approved the appointment of Mr. Paul Haller Jones, of Urbana, Illinois, as the Tenth Kate Neal Kinley Memorial Fellow, and of Miss Elsie Mae Bittinger, of Onarga, Illinois, as alternate in case Mr. Jones is unable to take advantage of this fellowship.

I request confirmation of my action.

On motion of Mrs. Grigsby, this action was confirmed.

**CONTRACTS EXECUTED BY THE COMPTROLLER

This report was received for record.

GIFTS TO THE UNIVERSITY

(38) The Comptroller's report of gifts received and not previously reported:

1. Illinois Society of Engineers, \$35 for a surveying conference.
2. Illinois Legislative Council, \$213 to cover the cost of a study on the regulation of the sale of milk.
3. American Dry Milk Institute, Inc., \$850 for research on calcium in foods.
4. American Foundrymen's Association, Inc., \$58 for a motor drive.
5. American Society of Heating and Ventilating Engineers, \$100 for research on summer cooling.
6. Lawyers Association of Rockford, \$200 for a Student Art Project.
7. Parke, Davis, and Company, \$2,000 for research on renal hypertension.
8. University of Illinois Foundation, \$12,400 for Illini Union Building furnishings.
9. University of Illinois Library School Association, \$300 for the Katharine L. Sharp Scholarship in Library Science.

10. American Legion Auxiliary, Department of Illinois, \$50 for an award for the promotion of small-bore rifle practice.

11. Illinois Congress of Parents and Teachers, \$400 for a scholarship.

12. Ladies Auxiliary of the Veterans of Foreign Wars, \$50 for an award to a worthy student in the R.O.T.C.

13. Tennessee Coal, Iron, and Railroad Company, \$1,450 for research on steel brake shoes.

14. J. W. Ruettinger, \$500 for the John C. Ruettinger Memorial Scholarship.

15. Mrs. Kittie B. Pierce, \$500 for the Phyllis Pierce Ruettinger Scholarship.

This report was received for record.

PURCHASES RECOMMENDED (SUPPLEMENTARY)

(39) A recommendation that the following purchases be authorized:

1. 7,500 diplomas from the W. M. Welch Manufacturing Company, the lowest bidder, at a total cost of \$2,325, f.o.b. Urbana. This represents a two-year supply. It is advisable to buy this quantity at the present time because of the possibility of discontinuance of importation of parchments.

2. One Miehle Vertical Printing Press for the Print Shop, from the Miehle Printing Press & Mfg. Co., Chicago, at a net price of \$2,603. This is not a competitive item as it is necessary to purchase the type of press best suited for University needs.

On motion of Mr. Davis, these purchases were authorized as recommended.

On motion of Mr. Davis, Mr. Fornof was appointed to study the printing facilities and to make such recommendations to the Board as seem to him wise.

PURCHASES AUTHORIZED (SUPPLEMENTARY)

(40) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. Drapes and curtains, including installation, as specified by the consulting Interior Decorator and approved by the Committee on Furnishing and Interior Decorating for the Union Building, Chicago, from Marshall Field and Company, the lowest bidder, at a cost of \$1,590.

2. Draperies for student rooms in the Men's Residence Hall, as specified by the Physical Plant Department, from W. Lewis and Company, Champaign, the lowest bidder, at a price of \$1,052.91 installed.

3. Four 34" x 74" flat-top table-type museum cases for displaying rare books in the corridors of the Library, from Remington Rand, Inc., the lowest bidder, at a cost of \$1,504.28, f.o.b. Urbana.

On motion of Mr. Adams, the action of the President of the University in authorizing these purchases was approved and confirmed.

TABLET FOR ALTGELD HALL

(41) The following statement for the tablet to be placed in Altgeld Hall is submitted for the consideration and approval of the Board of Trustees:

ALTGELD HALL

In Memory of

JOHN PETER ALTGELD

1847-1902

Governor of Illinois and a Trustee of the
University of Illinois, 1893-1897

Because of his insight into the essential relations between education and the state, his term as Governor and Trustee marks an epoch in the history of the University of Illinois. This building, in the planning of which he took an active part, originally housed the University Library. The College of Law, in the organization of which he was also deeply interested, has occupied it since 1927.

In recognition of his services to the University the Trustees of the University have named the building Altgeld Hall.

On motion of Mr. Davis, this statement was approved.

**SCHEDULE OF LABORATORY FEES FOR THE URBANA
DEPARTMENTS FOR 1941-1942**

(42) The following schedule of laboratory and other special fees for the Urbana Departments for the academic year 1941-1942 is submitted for the approval of the Board of Trustees.

This schedule has been prepared pursuant to the provisions of the University Statutes and has been approved by the Comptroller and the Provost.

I recommend approval of this schedule.

On motion of Mr. Fornof, these fees were authorized and established as recommended.

RE-ROOFING PHYSICS BUILDING AND MODERNIZING CERTAIN ELEVATORS

(43) The Physical Plant Department is receiving bids on the replacement of the Physics Building roof and the modernizing of the elevators in Mary E. Busey Hall and the Administration Building today.

In view of the difficulty in obtaining deliveries on material, particularly on the elevators, the Director of the Physical Plant Department requests authority from the Board of Trustees to award the contracts to the lowest bidders complying with the specifications. No special appropriation will be necessary.

On motion of Mrs. Grigsby, authority was granted as recommended.

DATE OF JULY MEETING

The date of the July meeting was set tentatively as Tuesday, July 15, 1941, at 11 a.m. at the College of Medicine in Chicago.

SECRETARY'S REPORT OF CONTRACTS

The Secretary presented for record the following documents signed by the President and the Secretary of the Board and deposited with the Secretary since the last report:

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 15, 1941

**With Adjourned Session of
July 22, 1941**

The July meeting of the Board of Trustees of the University of Illinois was held at the Medical Building, 1853 West Polk Street, Chicago, at 11 o'clock a.m. (Central Daylight Saving Time) on Tuesday, July 15, 1941.

The following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Professor Lloyd Morey, Comptroller, Professor J. F. Wright, Director of Public Information, Judge Sveinbjorn Johnson, University Counsel, Mr. C. S. Havens, Director of the Physical Plant Department, and Dr. R. B. Allen, Executive Dean of the Chicago Colleges.

The Board of Directors of the Athletic Association were present as follows: Mr. Milton M. Olander, President, Professor George W. Goble, Mr. Harry A. Hall, Mr. Robert Z. Hickman, Professor F. E. Richart, Director Wendell S. Wilson, and Professor William W. Yapp.

President Cleary read a letter from Governor Dwight H. Green's Secretary, Mr. John W. Chapman, expressing the Governor's regret that a previous engagement prevented his attendance at this meeting.

REPORT ON ATHLETIC SITUATION

President Olander reported that the Board of Directors of the Athletic Association had met on July 15 to consider the recommendations of President Willard on the athletic situation.

On request of President Cleary, President Willard read his recommendations.

July 7, 1941

Honorable Chester R. Davis, Chairman
Honorable Frank A. Jensen.....
Honorable John R. Fornof..... } *Committee on Athletic Activities*

GENTLEMEN:

Pursuant to the request of the Chairman of your Committee, I am submitting herewith the following statement, with my recommendations, relating to the intercollegiate athletic situation at the University of Illinois and the status of Messrs. W. S. Wilson, Director of Intercollegiate Athletics, and Robert C. Zuppke, Head Football Coach.

In 1913, almost 28 years ago, Robert C. Zuppke was appointed head football coach at the University of Illinois. In the intervening years, he made one of the most distinguished records for himself and for his teams ever achieved in intercollegiate sport. He developed many famous players, at least one of whom has never been equalled. He ably assisted the late Director of Athletics, George Huff, in securing nearly \$2,000,000 from alumni, students, faculty, and friends of the University for the Memorial Stadium. The success of this campaign was due largely to the personal efforts of Director Huff and Coach Zuppke, whose energy, popularity, and resourcefulness proved most effective in raising funds. It was a major accomplishment—one of the finest structures of its kind in America. Through all his years as head football coach he has served the University of Illinois loyally, conscientiously, and usually with conspicuous distinction in his field of intercollegiate competition. He not only stood with Director Huff for preserving and defending the amateur status of the game, but has also carried this tradition on even more vigorously since Mr. Huff's death. He has long since established his reputation as one of the greatest football coaches in the history of the sport. He is now 62 years of age.

Early in the fall of 1936, Wendell S. Wilson, a graduate of the University, Class of 1927, was appointed Acting Director of Intercollegiate Athletics and Assistant Professor of Physical Education for Men when Director Huff was granted a leave of absence on account of his health. Mr. Huff died on October 1, 1936. This appointment was made on recommendation of the Board of Directors of the Athletic Association in which I concurred, and was approved by the Board of Trustees. Mr. Huff as a member and as President of the Board of Directors of the Athletic Association had advised me that Mr. Wilson was the best available man for the directorship of intercollegiate athletics. He had been on the coaching and physical education staffs since 1927, advancing from assistant through instructor and associate to the rank of assistant professor. Mr. Huff suggested at the same time that the School of Physical Education, which he also headed, be placed under a separate director, which was done. On February 27, 1937, Mr. Wilson was appointed Director of Athletics and Associate Professor of Physical Education for Men. Director Wilson entered upon his duties with enthusiasm and great energy. He also advocated and pursued an aggressive policy in presenting Illinois as a great University to the high schools of the State. Director Wilson is now 36 years of age.

In the fall of 1938, following a conversation between Messrs. Zuppke and Wilson in which the former inquired of the latter about the University retirement system as applicable to himself, Director Wilson discussed the possibility of a retirement agreement with Coach Zuppke.

This retirement agreement in its final form was approved unanimously by the then Board of Directors of the Athletic Association, was signed by Director Wilson and Coach Zuppke and presented by Director Wilson to the Board of Trustees on November 29, 1938. In my opinion, the agreement was fair and

generous, *provided* Mr. Zuppke *wished to retire* from active coaching and become a consulting coach at Illinois. I advised both Boards that I would not approve such an agreement unless the Coach signed it freely and without any pressure. The Board of Trustees voted, with one member dissenting, not to approve the agreement. Later, the Athletic Board, Director Wilson, and Coach Zuppke appeared before the Board of Trustees and discussed all aspects of the matter.

Attempts during the intervening period to reconcile differences of opinion and compose the situation growing out of the nonapproval of this agreement have not been successful. The best interests of the University of Illinois demand that the Board of Trustees act immediately, and I recommend the following action by the Trustees:

1. That the Board of Trustees recommend to the Board of Directors of the Athletic Association that the By-Laws of the Association be at once amended so as to provide that the Director of Athletics shall not, after the effective date of such amendment, be a member of the Board of Directors.

Comment: The Director would then have a relation to the Board of Directors substantially analogous to that of the President of the University to the Board of Trustees.

2. That Director Wendell S. Wilson be reappointed

(a) Director of Intercollegiate Athletics for one year only, from September 1, 1941, at his present salary as Director, but on leave of absence subject to call by the President of the University for the performance of such duties as may be assigned to him, at the end of which period his services as Director shall terminate, this appointment to be subject to all provisions of the University of Illinois Statutes; and

(b) Associate Professor of Physical Education for Men for one year only, from September 1, 1941, at his present salary as Associate Professor, but on leave of absence subject to call by the President of the University for the performance of such duties as may be assigned to him, provided that he resigns as Associate Professor effective August 31, 1942, this appointment also to be subject to all provisions of the University of Illinois Statutes.

3. That Coach Robert C. Zuppke be reappointed for next year on condition that he retire and become Coach and Professor *Emeritus* at or before age 65, with the right to enjoy the benefits of the University retirement system then in force as the same may be applicable to full professors; it is agreed that Mr. Zuppke and the President of the University will confer sometime after February 1, but prior to March 1, 1942, and if it shall then appear to the satisfaction of both that because of circumstances and conditions then existing retirement would be advisable, Mr. Zuppke may retire as of September 1, 1942, with the right to enjoy the benefits of the University retirement system then in force as the same may apply to full professors.

Sincerely yours,

A. C. WILLARD, *President*

Mr. Olander reported further that the Board of Directors had unanimously approved recommendation 1 (Director Wilson not voting); and that the vote on recommendations 2 and 3 was as follows: for, Mr. Hall, Mr. Hickman, Mr. Olander; against, Mr. Goble, Mr. Richart, Mr. Yapp—Mr. Wilson not voting. The vote was discussed by the individual Directors, and Mr. Olander then stated that inasmuch as there was a deadlock, all the members of the Board of Directors of the Athletic Association submitted their resignations from the Board.

Mr. Elliot C. Hasan, an alumnus of the Class of 1929 and a coach, addressed the Board in favor of the retention of Mr. Zuppke as coach.

Mr. Davis, Chairman of the Committee on Athletic Activities, read the following report.

Your Committee feels that in submitting this report and recommendations on the athletic situation at the University of Illinois it would be helpful to the members of the Board of Trustees if it first submitted a brief summary of the background, history, and underlying reasons, as seen by the Committee, for the present controversy.

The Committee has examined and reviewed the By-Laws of the Board of Trustees of the University of Illinois, as revised in 1941, and the regulations and agreements governing the conduct of athletics of the Intercollegiate Conference of faculty representatives commonly known as "The Western Conference," "Big 10," or "Intercollegiate Conference," and received at its request an opinion from Judge Sveinbjorn Johnson, Counsel for the University, his written opinion under the date of June 19th, covering the administrative machinery for the control of intercollegiate athletics at the University, including the relationship and powers of the Athletic Association, the Faculty, the President, and the Board of Trustees.

There appears to be no question that the Trustees may take definite action on the present matter without infringing upon the rights of any of the individuals or bodies involved in the administration of athletics or impairing the athletic standing of the University of Illinois in the "Big 10 Conference."

From the statements reaching the Committee through the public press, interested parties, students, and alumni it would appear that there is a general and mistaken feeling that the present situation arises solely because of the differences in opinion between the present Athletic Director and the Football Coach on such questions as amateur athletic policy, proselyting or subsidizing of athletes, or the mere fact that Mr. Zupke as Coach has not produced winning teams in recent years and has lost his ability as a coach and strategist.

We have never heard anyone in authority advance any of these arguments, and we wish to put such rumors at rest by stating at this time that it is our opinion and recommendation that the present high standard of athletic amateur policy, as established by the University under the leadership of the late George Huff, as Director of Athletics, and subsequently maintained by Mr. Wendell Wilson, as Athletic Director, and Mr. Zupke as Football Coach, as well as other officials and Trustees of the University, be maintained.

We believe that the underlying difficulty is deeper than a mere conflict between individuals and has grown to such proportions that personalities must be disregarded and definite action taken by the Trustees without prejudice or malice in such a manner as may be for the best interest of the University. We have the highest regard for both Mr. Wilson and Mr. Zupke as to their character, motives, and sincerity.

We feel that the underlying difficulty, which gave rise to the present controversy, goes back to the action taken in 1936 with the death of Mr. George Huff. Prior to that time Mr. Huff had acted as Athletic Director and Head of the School of Physical Education which had been organized by him, and under his leadership became one of the outstanding schools in the United States.

There was no question about the ability and authority of Mr. Huff. The football coaches as well as other coaches and professors in the School of Physical Education recognized his authority, his ability, judgment, and tact, and cooperated fully with him at all times.

We are told that Mr. Huff had intended recommending Mr. Carl Lundgren, then Baseball Coach, as his successor upon his retirement. Unfortunately Mr. Lundgren predeceased Mr. Huff. Mr. Huff then sought a suitable successor, although then suffering from a lingering and fatal illness. He was unable to induce the two men whom he considered best qualified for the position to accept the appointment, and he therefore recommended that the duties and responsibilities of his office be divided, and recommended Professor Staley as Head of the School of Physical Education and Mr. Wendell Wilson as Athletic Director. Mr. Huff died on October 1, 1936, and the President and the Board of Trustees followed Mr. Huff's recommendations. The responsibility was divided. Mr. Staley was named Director of the School of Physical Education and Mr. Wilson appointed Athletic Director on February 27, 1937.

We believe that Mr. Wilson, as Director of Athletics, and the Board of Directors of the Athletic Association entered upon their duties with enthusiasm, honesty, and sincerity. We also feel that necessarily certain confusion developed

because of the split of authority which arose, and certainly a lack of cooperation between certain members of the coaching staff developed.

It is possible that Mr. Zuppke, because of his long and successful years of service as Football Coach of the University of Illinois, felt that he could ignore his former pupil who was later his Assistant Coach, but was now his superior, as Athletic Director. It is possible that he felt that he had enough alumni support and personal friendship with members of the Faculty, the President, and the Board of Trustees that he could ignore the constituted authority of the Athletic Director, the Board of Directors of the Athletic Association, and the Director of the School of Physical Education.

The probability is that neither his character nor intentional attitude changed, but that he continued to assert his well-known rugged personality and eccentricities, with which George Huff had been able to deal directing them for the benefit not only of the football team but the University as well.

Undoubtedly the fact that he had had winning football teams in the past had helped others to overlook these eccentricities, and that losing football teams made it more difficult for his superiors, the student body, and some alumni to overlook these characteristics.

The fact appears to be that Mr. Zuppke discontinued all activities except the actual coaching of the football team during spring practice and the fall season, particularly teaching in the summer session of the Coaching School and necessary public relations activities, such as appearing and speaking before alumni bodies and high school gatherings and other necessary and proper activities of a full-time employee of the Athletic Department.

We have no doubt as to the problem which confronted Mr. Wilson and the Directors of the Athletic Association, as then constituted, and their motives which prompted the suggested retirement of Mr. Zuppke in the fall of 1938.

We feel that the action of the Board of Trustees in refusing to ratify the plan of retirement then presented merely aggravated the situation and in no sense corrected it. The publicity given that action, and the resignation, with one exception of the then Directors of the Athletic Association, with a subsequent appointment of three alumni members, all of whom formerly played football under Mr. Zuppke, and with the continuance of the Athletic Director as a voting member of the Board of Directors of the Athletic Association, merely aggravated the problem.

The three alumni members have frankly admitted that their personal loyalty to Mr. Zuppke influences them in their recommendations, and we feel it is a mistake for any interested member, such as the Athletic Director, to be a voting member of the Board of Directors which recommends employment, salary, policies, and such matters as may affect him.

We are certain that the action taken by the Board of Trustees in 1938 in refusing to follow the recommendations of the Athletic Board and the Athletic Director resulted in worse confusion and more misunderstanding and independence of action than had previously existed.

Mr. Wilson as Athletic Director felt that the Trustees and the Athletic Board had taken the entire football situation out of his hands and Mr. Zuppke undoubtedly felt more strongly on the subject; subsequently neither Mr. Wilson nor Mr. Zuppke spent any appreciable time at the University during the summer vacation period and, in our opinion, each could have been devoting his efforts not only in teaching in the summer Coaching School but in constructive work for the benefit of the University, and particularly the Athletic Association.

Your Committee has met a number of times with the Board of Directors of the Athletic Association and the President of the University in an effort to reach some final and satisfactory solution to the problem without publicity and in a manner least injurious to the University and the individuals involved.

The deadlock vote taken at the meeting of the Board of Directors of the Athletic Association at its meeting on June 12, 1941, has previously been reported to this Board of Trustees.

Your Committee and this Board have several times discussed the situation with Athletic Director Wendell Wilson, but have had no such discussion with Mr. Robert Zuppke, and at the last meeting of this Board President Willard was requested to discuss the matter with Mr. Zuppke, and after such discussion

to present his recommendations, which he has done under the date of July 7th, and which are as follows:

1. That the Board of Trustees recommend to the Board of Directors of the Athletic Association that the By-Laws of the Association be at once amended so as to provide that the Director of Athletics shall not, after the effective date of such amendment, be a member of the Board of Directors.

Comment: The Director would then have a relation to the Board of Directors substantially analogous to that of the President of the University to the Board of Trustees.

2. That Director Wendell S. Wilson be reappointed

(a) Director of Intercollegiate Athletics for one year only, from September 1, 1941, at his present salary as Director, but on leave of absence subject to call by the President of the University for the performance of such duties as may be assigned to him, at the end of which period his services as Director shall terminate, this appointment to be subject to all provisions of the University of Illinois Statutes; and

(b) Associate Professor of Physical Education for Men for one year only, from September 1, 1941, at his present salary as Associate Professor, but on leave of absence subject to call by the President of the University for the performance of such duties as may be assigned him, provided that he resigns as Associate Professor effective August 31, 1942, this appointment also to be subject to all provisions of the University of Illinois Statutes.

3. That Coach Robert C. Zupke be reappointed for next year on condition that he retire and become Coach and Professor *Emeritus* at or before age 65, with the right to enjoy the benefits of the University retirement system then in force as the same may be applicable to full professors; it is agreed that Mr. Zupke and the President of the University will confer sometime after February 1, but prior to March 1, 1942, and if it shall then appear to the satisfaction of both that because of circumstances and conditions then existing retirement would be advisable, Mr. Zupke may retire as of September 1, 1942, with the right to enjoy the benefits of the University retirement system then in force as the same may apply to full professors.

Your Committee recommends action by the Board of Trustees as follows:

1. That Director Wendell S. Wilson be reappointed

(a) Director of Intercollegiate Athletics for one year only, from September 1, 1941, at his present salary as Director, but on leave of absence subject to call by the President of the University for the performance of such duties as may be assigned him, at the end of which period his services as Director shall terminate, this appointment to be subject to all provisions of the University of Illinois Statutes; and

(b) Associate Professor of Physical Education for Men for one year only, from September 1, 1941, at his present salary as Associate Professor, but on leave of absence subject to call by the President of the University for the performance of such duties as may be assigned him, provided that he resigns as Associate Professor effective August 31, 1942, this appointment also to be subject to all provisions of the University of Illinois Statutes.

2. That Coach Robert C. Zupke be reappointed for next year with the understanding that at a suitable date not later than March 1st, 1942, he confer with the Acting Athletic Director, the President of the University, and the Board of Directors of the Athletic Association with reference to his future employment or retirement, and that the Board of Trustees then take such action as may appear in the best interest of harmony, efficiency, and the good of the University.

3. That future alumni members of the Board of Directors of the Athletic Association shall not all be representatives of one sport, and that the Athletic Director shall not be a voting member of the Board of Directors of the Athletic Association.

4. That consideration be given to again placing the School of Physical Education under the Athletic Director to the end that there should be a close and understanding cooperation, that the Athletic Director and major coaches shall actively teach in the School of Physical Education, including summer

school sessions, and that coaches as well as the Athletic Director shall spend the major portion of each year, among other duties at the University, in closer contact with alumni, high school, and public bodies.

5. That the resignations of all members of the Board of Directors of the Athletic Association, as presented to the Board of Trustees by the Chairman, Mr. Milton M. Olander, be accepted by the President and Board of Trustees with a vote of appreciation for the conscientious services performed by them.

Respectfully submitted,

CHESTER R. DAVIS, *Chairman*
FRANK A. JENSEN
JOHN R. FORNOF
Committee on Athletic Activities

Mr. Davis moved that the report of the Committee be adopted; Mr. Fornof seconded the motion.

After full discussion (during which all members of the Board of Directors of the Athletic Association and all members of the Board of Trustees were heard), on roll-call, the report of the Committee was unanimously adopted.

EXECUTIVE SESSION

The Board considered the following matters in executive session.

REPORT ON UNIVERSITY LEGISLATION

A report of the President of the University that the 62nd General Assembly of Illinois has passed, and the Governor has approved, the following legislation:

1. Senate Bill No. 491, "A bill for an Act making appropriations for the University of Illinois and providing for the expenditure thereof." This is the biennial budget for 1941-1943.

2. Senate Bill No. 639, "A bill for an Act making appropriations to the University of Illinois for the Research and Educational Hospitals and Institute for Crippled Children in Chicago and providing for the expenditure thereof."

3. Senate Bill No. 640, "A bill for an Act conveying certain real property located in the City of Chicago, Illinois, to the Board of Trustees of the University of Illinois." This is the transfer of the title to the Research and Educational Hospitals from the Department of Public Welfare to the University.

These bills were all introduced at the request of the Board of Trustees. Certified copies have been given to the Secretary of the Board for record.

This report was received for record. (See Minutes, pages 428, 431, and 432.)

PURCHASE OF PROPERTY IN CHICAGO

Mr. Adams, for the Committee on Buildings and Grounds, reported on the proposed purchase of property in Chicago.

Mr. Havens commented on this matter.

On motion of Mr. Davis, Henry George Slavic was authorized to act as the agent of the Board in attempting to secure options on the property, on a form of contract to provide that the sellers shall furnish good evidence of title and shall pay all brokers commissions, and that options shall not be taken above the appraised valuations. An appropriation of \$5,600 was made to provide for options, to apply on the purchase price, and to be reimbursed from the State appropriations if the purchases are made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

BINDING FOR LIBRARY

Mr. Adams requested discussion of the proposals for binding for the Library (Minutes, June 24, 1941, page 330).

This matter was referred to the President of the University to check with the Director of the Library and to present at the next meeting. The President was requested also to consider the advisability of having this work done by the University.

SETTLEMENT WITH CHARLES K. MORRIS

Mr. Karraker, for the Finance Committee, presented the following report.

On May 15, 1941 (page 284) the Board of Trustees authorized the Finance Committee to negotiate a settlement with Charles K. Morris & Co. for services rendered and expenses incurred prior to that date in connection with legislation needed by the Board of Trustees to enable it to finance construction projects through direct obligations rather than through the University of Illinois Foundation. Such legislation was passed at the recent session of the General Assembly as the result of which the refinancing of Medical and Dental bonds was carried out at a substantial saving.

Charles K. Morris & Co. rendered a bill for \$6,000 for these services. The Committee has conferred with Mr. Morris and discussed the matter with him at length, and has reached the conclusion that the sum of \$4,500 would represent satisfactory compensation for these services and would be reasonable from the standpoint of the University. Mr. Morris has indicated that he would accept this amount in full settlement of the claim.

The Finance Committee recommends that the payment of \$4,500 to Charles K. Morris & Co. be approved as final settlement of these services. Money is available to the extent of \$5,364 from the "Revenue Fund" of the old Medical and Dental bond issue and held by the University of Illinois Foundation subject to the order of the Board of Trustees, and it is recommended that this payment be made out of these funds. This balance remains after completing other expenses and payments made to date relating to the old issue.

On motion of Mr. Karraker, this settlement was authorized, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Dr. Meyer, Mr. Wieland; not voting, Mr. Livingston; absent, Mr. Green.

SECURITIES RECOMMENDED FOR INVESTMENT

Mr. Karraker presented a recommendation of the Finance Committee that the following items of investment for endowment funds for the purpose of taking care of the reinvestment of funds that may become available as the result of prepayments, maturities, or additional gifts, be approved and authorized.

| <i>Amount</i> | <i>Item</i> | <i>Approximate Price</i> |
|---------------|--|--------------------------|
| \$ 5 000 | Safe Harbor Water Power Company, First 4½%, 1979 (\$15,000 now held)..... | 109 |
| \$ 5 500 | Mississippi River Power Company, First 5%, 1951 (\$14,500 now held)..... | 111 |
| \$20 000 | Idaho Power Company, First 3¾%, 1967..... | 110¾ |
| \$20 000 | Niagara Lockport & Ontario Company, First 5%, 1955..... | 110¼ |

On motion of Mr. Karraker, these investments were authorized as recommended.

The Board resumed its open session.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

APPROPRIATION OF CAPITAL ITEMS

(1) A recommendation that the Board of Trustees assign the following funds, appropriated by the General Assembly of Illinois for 1941-1943, for the purpose indicated in each case. This action is necessary in order that the funds in the State Treasury can be drawn upon by the University.

| | |
|---|-----------|
| For partial fireproofing, ventilating, and reconditioning of Noyes Chemistry Laboratory..... | \$150 000 |
| For reconditioning and rearranging Morrow Hall and certain portions of the west unit of Old Agriculture Building to provide for Bacteriology, finishing certain portions of the fourth floor of New Agriculture Building for Dairy Husbandry, and remodeling of quarters in Noyes Chemistry Laboratory vacated by Bacteriology..... | 90 000 |
| For reconditioning and remodeling of Student Center, Arcade Building, Improvements in Dairy Plant, Mining Laboratory, Sewage Research Laboratory, College of Education small buildings..... | 125 000 |
| For paving replacement, new paving and walks including Green Street, Peabody Drive, East Broadwalk, and other walks and drives..... | 90 000 |
| For rewiring old buildings..... | 60 000 |
| For Band Building to replace present frame structure..... | 125 000 |
| For remodeling the Research and Educational Hospitals in Chicago and equipment..... | 254 000 |
| For purchase of land for future use for the development of the Research and Educational Hospitals and related activities in Chicago..... | 125 000 |

On motion of Mr. Jensen, these appropriations were made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston, Mr. Wieland; no, none; absent, Mr. Green, Mrs. Grigsby, Dr. Meyer.

APPROPRIATION OF RESEARCH AND EDUCATIONAL HOSPITAL FUNDS

(2) As a result of the approval of the appropriation to the University for operation and maintenance of the Research and Educational Hospitals, University officers took over this responsibility on July 1. The detailed budget for this enterprise will be included in the Internal Budget for 1941-1942 to be submitted at the next regular Board meeting. In the meantime it is necessary to meet payrolls and bills for the purchase of supplies and minor equipment. Payrolls for the two months of July and August are estimated at \$70,000 and supplies and equipment at \$30,000.

I recommend that an appropriation of \$100,000, or so much thereof as may be necessary, be made from the biennial state appropriation for the Research and Educational Hospitals, for the purpose of meeting payrolls of the staff of these hospitals transferred from the Department of Public Welfare on July 1, 1941, at their rates of pay as of June 30, 1941, and for the purchase of supplies and minor equipment for these hospitals.

On motion of Mr. Adams, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston, Mr. Wieland; no, none; absent, Mr. Green, Mrs. Grigsby, Dr. Meyer.

UNIVERSITY RETIREMENT SYSTEM

(3) The University retirement system established by an act of the General Assembly provides that it be administered by a board of five trustees, three selected from the Board of Trustees of the University of Illinois, one from the Teachers' College Board, and the Director of the Department of Registration and Education who is *ex officio* a member. The act does not specify the manner in which representatives from the Board of Trustees are to be named

nor the length of time they are to serve, and the Board is therefore free to establish its own rules.

I respectfully suggest that the Board of Trustees consider electing one from each of the three elected classes of its members, each to serve until the expiration of his term as a member of the Board of Trustees of the University of Illinois. This would make possible relatively long periods of service and a continuity of membership on the board of trustees of the University Retirement System. Under such a plan there would be elected representatives of the Board of Trustees as follows:

One to serve until March, 1943 (Mr. Homer Mat Adams, Mr. James M. Cleary, Mr. Chester R. Davis); one to serve until March, 1945 (Mr. Frank A. Jensen, Mr. O. M. Karraker, Dr. Karl A. Meyer); and one to serve until March, 1947 (Mr. John R. Fornof, Mrs. Helen M. Grigsby, Mr. Park Livingston).

On motion of Mr. Karraker, this matter was referred to the Committee on General Policy to recommend names for membership on this board.

PURCHASE OF COAL FOR URBANA DEPARTMENTS

(4) The Purchasing Agent, Comptroller, and Director of the Physical Plant Department recommend the award of contracts for the purchase of coal for the Urbana Departments for the year 1941-1942 as follows:

| Firm | Tons | Price f.o.b. | | Delivered Price |
|---|--------|--------------|---------|-----------------|
| | | Mine | Freight | |
| <i>Screenings</i> (For delivery, as required) | | | | |
| Globe Coal Company..... | 20 000 | \$1.49 | \$.60 | \$2.09 |
| Skelton Coal Company..... | 2 000 | 1.49 | .60 | 2.09 |
| Tilton Mining Company..... | 3 500 | 1.48 | .60 | 2.08 |
| <i>Egg Coal</i> (For storage for emergencies) | | | | |
| Globe Coal Company..... | 10 000 | 1.80 | .63 | 2.43 |

The award is to the lowest bidders for the maximum amount of coal which each can supply.

I concur in these recommendations.

In calling for bids, specifications were sent to operators in the Danville district only, because as a result of the low freight rate from that point mines in other districts of Illinois cannot compete and have not submitted bids in the past few years. Bids were solicited from the following firms: Bell & Zoller Coal Company, Chicago; Globe Coal Company, Chicago; Peabody Coal Company, Chicago; Skelton Coal Company, Danville; and Tilton Mining Company, Tilton. In addition the following advertisement was published in the *Danville Commercial News*, *Chicago Tribune*, and *Chicago Journal of Commerce*:

"Bids on 30,000 tons of screenings coal will be received by the University of Illinois until 2 p.m. June 25, 1941, and publicly opened.

"Specifications may be obtained from H. M. Edwards, Purchasing Agent, 101 Administration Building, Urbana, Illinois."

The total quantity covered by the original bids was 15,500 tons which is less than one-half the University's requirements for the year. After the bids were opened the Globe Coal Company was requested to increase its offerings; the other bidders had quoted on the maximum supply each could furnish. The Globe Coal Company has furnished most of the coal during the past two years. It revised its offer, agreeing to deliver 20,000 tons which will enable the University to contract for the 25,500 tons of screenings required.

There is uncertainty as to what will happen in the coal industry during the coming winter. A possible shortage of coal and of transportation facilities makes it imperative to have a stock on hand to meet emergencies which may arise. There is on hand about 5,000 tons of screenings which will be kept in stock for emergencies, but this is not sufficient. Consequently, bids were secured on egg coal, as follows:

1. The Globe Coal Company, which proposed to sell 10,000 tons of egg coal at \$1.80 a ton f.o.b. mine (freight on this coal is 63¢), which is the minimum code price, and subject to change if the code price is changed.

2. The Peabody Coal Company, 10,000 tons of egg coal at \$2.25 a ton.

Approval of the above recommendations would result in the following stock and contracts for future delivery:

| | | |
|-------------------------------|-------------|---------------|
| <i>Storage</i> | <i>Tons</i> | <i>Tons</i> |
| Now on hand (screenings)..... | 5 000 | |
| Globe Coal Co. (egg)..... | 10 000 | 15 000 |
| <i>Contracts</i> | | |
| Globe Coal Company..... | 20 000 | |
| Skelton Coal Company..... | 2 000 | |
| Tilton Mining Company..... | 3 500 | 25 500 |
| <i>Total</i> | | <u>40 500</u> |

On motion of Mr. Davis, contracts were awarded as recommended.

PURCHASES RECOMMENDED

(5) A recommendation that the following purchases be authorized:

- Five units (60 trays each) Library Catalog Card Cases, to match those now in the main Library, from Remington Rand, Inc., at a cost of \$1,452 f.o.b. Urbana.
- Seventy-five hundred diploma covers from W. M. Welch Diploma House, Chicago, at a price of \$5,700, or 76 cents a cover.

On motion of Mr. Fornof, these purchases were authorized as recommended.

PURCHASES AUTHORIZED

(6) A report of the following purchases authorized by the President of the University as emergencies, in accordance with the University Statutes:

- Approximately 550 tons of baled straw for the Departments of Animal Husbandry, Dairy Husbandry, and Horticulture from the three lowest bidders on the basis of the quantities which they indicated they could furnish:

| | | |
|---------------------|-----------------------------|--------|
| F. M. Wolf..... | Approximately 150 tons..... | \$ 825 |
| John Coleman..... | Approximately 200 tons..... | 1 190 |
| Ben F. Gardner..... | Approximately 200 tons..... | 1 200 |

- 100 per cent rag bond paper watermarked with University seal for Office Supply Store stock as follows:

| |
|-------------------------|
| 75 reams 22 x 34—40 lb. |
| 20 reams 22 x 34—32 lb. |
| 20 reams 22 x 34—26 lb. |
| 26 reams 22 x 34—48 lb. |

from J. W. Butler Paper Company, the lowest bidder, at a price of \$1,552.54 f.o.b. Urbana. This quantity represents about one year's supply.

- 800 cases of 11" x 13" bleached paper towels (Ft. Howard) from the Decatur Paper House, Decatur, Illinois, the lowest bidder, at a cost of \$2,620 f.o.b. Urbana.

- 196 automobile and truck tires for Physical Plant stock, from the following:

| | |
|---|-----------|
| Goodyear Tire and Rubber Company..... | \$ 756 58 |
| Sam's Tire Shop (General Tire)..... | 526 72 |
| Firestone Auto Supply & Service Stores..... | 2 343 12 |

On motion of Mrs. Grigsby, the action of the President of the University in authorizing these purchases was approved and confirmed.

REPLACEMENT OF ELEVATORS IN MARY E. BUSEY HALL AND ADMINISTRATION BUILDING

(7) The Director of the Physical Plant Department submits the following schedule of bids received for the replacement of elevators in the Mary E. Busey Hall and the Administration Building:

| <i>Bidders</i> | <i>Mary E. Busey Hall</i> | <i>Administration Building</i> | <i>Combined Bid</i> |
|---|-------------------------------|------------------------------------|-------------------------|
| Westinghouse Electric Elevator Company, 222 N. Bank Drive, Chicago..... | \$6 013 | \$7 818 | \$13 800 |
| Houghton Elevator Co., 507 S. Franklin, Chicago..... | 6 310 | 7 955 | 14 265 |
| Otis Elevator Company, Springfield | 6 670 | 9 300 | 15 920 |

He recommends that the contract be awarded to the Westinghouse Electric Elevator Company, the lowest bidder. Pursuant to the authorization of the Board at its meeting on June 24, I have approved his recommendation.

On motion of Mr. Jensen, this action was confirmed.

LEAVES OF ABSENCE

(8) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

Rose Phelps, Associate in the Library School, first semester, 1941-1942, without pay, to enable her to continue work on her doctoral dissertation.

Leaves of Absence for Military Service (The leave in each case is without salary.)

K. E. Harshbarger, Assistant in Dairy Production, August 1, 1941, to July 1, 1942.

Walter N. Brown, Associate in Vegetable Crops, July 9, 1941, to June 12, 1942.

Fred H. Stenstrom, Assistant in Floriculture, July 18, 1941, to June 19, 1942.

Arthur A. Halevy, Instructor in Surgery, June 15 to September 1, 1941.

Mitchell A. Spellberg,* Instructor in Medicine, June 15 through August 31, 1941.

C. W. Veach, Assistant in Agricultural Engineering, July 24, 1941, to June 27, 1942.

On motion of Dr. Meyer, these leaves were granted as recommended.

SERVICES OF PROFESSOR JOHN A. FAIRLIE

(9) A request from Professor John A. Fairlie, Professor of Political Science and Head of the Department, that on his retirement on September 1, 1941, he be permitted to accept a part-time position for the winter and spring quarters at Ohio State University. This position has formerly been filled by a member of the staff of Ohio State University who has been called into active military service and Professor Fairlie's acceptance would indirectly aid in the national defense program. Professor Fairlie has been asked to give one course during the winter quarter (January 6 to March 21) and two courses during the spring quarter (March 31 to June 15). His compensation is to be \$2,500 for the period of employment.

The Board has previously adopted a policy relating to members of the staff who have retired and who have subsequently been offered *full-time* positions with another institution or company, but no precedent has been established in cases where part-time employment only is involved.

On motion of Dr. Meyer, Professor Fairlie was authorized to accept this employment, subject to the possible needs of the University for his services.

RETIREMENT OF GEORGE P. STEPHENS

(10) A recommendation from the Director of the Physical Plant Department and the University Health Officer that Mr. George P. Stephens, a laborer in the Physical Plant Department, be retired from active duty effective February 28, 1941, because of permanent physical disability. Mr. Stephens is 62 years old. The annual retiring allowance in this case is \$469.

On motion of Mr. Wieland, this retirement was authorized as recommended.

REPORT ON CARTER-PENNELLS FARMS

(11) The eighteenth annual report of the Carter-Pennell Farms covering the farm year, March 1, 1940, to February 28, 1941. This report covers the operation of the two farms in Vermilion County held by the Board of Trustees of the University under a deed from the late Joseph Carter and Jane P. Carter, of Rankin, creating a trust for educational purposes (Minutes of March 13, 1923,

*Member of the Clinical Staff serving without salary.

page 149). The net proceeds from these trust farms are to be used as a loan fund to aid students.

The report indicates a net income of \$664.02 from the two farms, which is \$1,123.65 less than the net income for the preceding year and \$189.81 less than the average net income per year for the eighteen years that the University has operated the farms. Most of the reduced income was a result of low corn and soybean yields caused by drouth. The yields were reduced to about two-thirds of those obtained in 1939. Large amortization charges for improvements during the past few years also tended to reduce the net cash income. However, all the improvements were necessary in order to maintain an income, and some improvements, such as the spreading of limestone, will bring increased incomes in future years.

On motion of Mr. Wieland, this report was approved, and the President was authorized to make the improvements recommended.

SPECIAL APPROPRIATIONS AND NON-RECURRING EXPENDITURES

(12) A recommendation that the following assignments be made from the General Reserve Fund:

- | | |
|--|----------|
| 1. Remodeling and expanding of the Natural History Library..... | \$16 000 |
| 2. Purchase of special equipment for courses in Industrial Design and History of Art..... | I 125 |

On motion of Mr. Adams, these appropriations were made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

ADJUSTMENTS IN BUDGET FOR 1940-1941

(13) In approving the budget for 1940-1941 the Board authorized the President of the University to make such changes and adjustments as are necessary. Pursuant to this authorization the following adjustments were made in the operating budget during the fiscal quarter ending June 30, 1941:

Permanent additions to current budget:

- | | |
|--|------------------------|
| 1. Psychiatry salaries, to provide for the appointment of Francis J. Gerty..... | \$ 500 00 ¹ |
| 2. Journalism salaries, to provide increase in salary of R. R. Barlow, previously paid from balance available in Siebert position..... | 200 00 |
| 3. High School Visitor's Office expense..... | 500 00 |

Temporary additions to current budget:

- | | |
|--|--------|
| 4. Assignments to cover additional rental charges to Physical Education Department, for bowling, skating, and riding, necessitated by increase in fees of like amount..... | 597 50 |
| 5. Aids to vocational agricultural teachers, salaries, to provide for salary of H. J. Rucker on temporary appointment (offset by increase in income from State Board of Vocational Education)..... | 750 00 |
| 6. Equipment..... | 175 00 |

Total..... \$2 722 50

On motion of Dr. Meyer, these adjustments were approved and the appropriation was made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

¹Reported to Board of Trustees, but no appropriation made, at meeting of May 15, 1941, Minutes, page 278.

**AMENDMENT TO UNIVERSITY STATUTES RELATING
TO TERMS OF EMPLOYMENT**

(14) I recommend that the University of Illinois Statutes be amended by the following addition to Section 27 (page 10 of the March, 1936, edition):

“(j) The professional or instructional year for which members of the teaching staff are employed shall extend through two regular semesters beginning in September and ending in June. As a matter of convenience, salaries for the teaching done in the professional year may be paid in twelve monthly installments. Persons holding research positions on experiment station staffs or otherwise shall be responsible for service and paid during twelve months (with one month vacation) unless otherwise specified in their contracts.”

The purpose of this amendment is to simplify the contract forms to permit the use of the same form for both administrative and teaching positions.

If the bill creating a University Retirement System becomes a law all contracts will carry a provision that they are subject to its provisions as well as to the provisions of the present system of death benefits and retiring allowances up to September 1, 1941, insofar as these provisions are applicable to each case.

On motion of Mr. Wieland, this amendment was approved and adopted as recommended.

PURCHASES RECOMMENDED (SUPPLEMENTARY)

(15) A recommendation that the following purchases be authorized:

1. Four hundred to five hundred yearling ewes for the Department of Animal Husbandry at a price of approximately \$4,800. This purchase requires inspection of more than one lot of animals before a selection can be made. The price to be paid will depend on the market at the time of purchase.

On motion of Dr. Meyer, this purchase was authorized.

**AGREEMENTS FOR THE INTRODUCTION OF NEW
VARIETIES OF SWEET CORN**

(16) A report of the approval of agreements with the following companies to grow seeds of new varieties of sweet corn and introduce them to the public: Crookham Company, Caldwell, Idaho; Rogers Brothers Seed Company, Chicago, Illinois; Corneli Seed Company, Saint Louis, Missouri; Associated Seed Growers, New Haven, Connecticut.

The Department of Horticulture has originated by means of approved methods of breeding certain new varieties of sweet corn. It is to the public interest that this seed be made available to the various sweet corn growing areas in the country as soon as possible. The most effective way of doing this is to furnish these varieties to reputable seed houses, which will agree to grow these seeds and to introduce them to the general public by means of advertisements as approved in the seed trade. In return the companies agree to observe certain conditions specified by the Department of Horticulture and the Agricultural Experiment Station to protect the name of the seeds and their purity from mixture with other varieties.

On motion of Dr. Meyer, this agreement was approved.

**CONTRACTS EXECUTED BY THE COMPTROLLER
JUNE 16, 1941, TO JULY 7, 1941**

(17) A report of contracts executed by the Comptroller:

This report was received for record.

APPROPRIATION TO DEPARTMENT OF AGRONOMY

(18) The Dean of the College of Agriculture requests that \$1,048 of the unappropriated income of the Department of Agronomy be assigned to the Department for the purchase of equipment which is needed to carry on crop production research. I concur in this recommendation.

On motion of Mr. Jensen, this appropriation was made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

SPECIAL APPROPRIATIONS AND NON-RECURRING EXPENDITURES (SUPPLEMENTARY)

(19) A recommendation that the following assignments be made from the General Reserve Fund:

1. Transfer of the Metallurgical Staff from the Transportation Building to the Ceramics Building..... \$1 425
2. Purchase of a calculating machine for the Registrar's Office..... 565
3. Purchase of musical instruments for supervision and high school instruction..... 600
4. Purchase of special supplies and equipment for the College of Liberal Arts and Sciences..... 5 000

On motion of Mr. Wieland, these appropriations were made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland: no, none; absent, Mr. Green.

CAFETERIA FURNITURE FOR CHICAGO UNION

(20) A report of the results of bidding on cafeteria furniture for the student-faculty Union Building in Chicago, and a recommendation that orders be placed with the lowest bidders for tables and chairs.

| <i>Bidders</i> | <i>Chairs</i> | <i>Tables</i> | <i>Total</i> |
|----------------------------------|---------------|---------------|--------------|
| Marshall Field & Co..... | \$1 921 50 | \$1 260 20 | \$3 181 80 |
| Interior Contract Furnishers Co. | 2 024 44 | 1 323 57 | 3 348 01 |
| Mandel Brothers, Inc..... | 2 086 40 | 1 353 70 | 3 440 10 |
| Albert Pick Co., Inc..... | 2 071 92 | 1 181 72 | 3 253 64 |

That is, the Business Office recommends that the chairs be purchased from Marshall Field and Company and the tables from Albert Pick Company, Inc.

On motion of Mr. Wieland, these purchases from the lowest bidders were authorized as recommended.

The Board adjourned, to meet at the Medical Building, in Chicago, at 10 a.m., on Tuesday, July 22, 1941.

H. E. CUNNINGHAM
Secretary

JAMES M. CLEARY
President

ADJOURNED SESSION, JULY 22, 1941

When the Board convened, pursuant to adjournment, at the Medical Building, in Chicago, at 10 a.m. on Tuesday, July 22, 1941, the following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Jensen, Mr. Livingston, Dr. Meyer, Mr. Wieland.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Mr. C. S. Havens, Director of the Physical Plant Department, and Professor J. F. Wright, Director of Public Relations.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(1) The members of the Board of Directors of the Athletic Association of the University of Illinois submitted their resignations to the President of the University and the Board of Trustees on July 15 and the resignations have been accepted. The present By-Laws of the Association provide:

"The Board of Directors shall consist of seven members to be elected annually by the Board of Trustees of the University of Illinois at their annual March meeting upon recommendation of the President of the University, four from members of the faculty of the University of Illinois, one of whom shall be the Director of Intercollegiate Athletics and three from members of the Alumni Association of the University of Illinois.

"Any vacancy occurring in the Board of Directors shall be temporarily filled by the President of the University until the Board of Trustees at their next meeting shall elect the successor who shall serve the remainder of the term during which the vacancy occurs."

The Board of Trustees has recommended, in which recommendation the former Board of Directors of the Athletic Association unanimously concur, "That future alumni members of the Board of Directors of the Athletic Association shall not all be representatives of one sport, and that the Athletic Director shall not be a voting member of the Board of Directors of the Athletic Association."

There are seven vacancies to fill and I nominate the following for the unexpired terms of the former members of the Board of Directors, the term of service being until the next annual meeting of the Board of Trustees in March, 1942, or until their successors have been appointed:

Faculty

- R. B. BROWNE, Director of University Extension, Director of the Summer Session; Associate Professor of Education
 FRED B. SEELY, Professor of Theoretical and Applied Mechanics and Head of Department
 LESLIE E. CARD, Professor of Poultry Husbandry
 M. T. McCLURE, Dean of the College of Liberal Arts and Sciences, and Professor of Philosophy

Alumni

- WALDO B. AMES, Insurance Broker, firm of Case, Moore, Lyman and Hubbard, 175 West Jackson Boulevard, Chicago, Illinois
 C. W. VAIL, JR., Attorney, 1 North LaSalle Street, Chicago
 FRANK H. MCKELVEY, Banker and Trust Officer, First National Bank of Springfield, Illinois

President Cleary stated that he had requested the President of the University to communicate his nominations to the Chairman of the Committee on Athletic Activities.

Mr. Davis reported that the committee approved the nominations, and moved that the report be approved and the directors elected as recommended.

Mr. Adams raised as a point of order that the nominations should have come to the Board before going to the Committee on Athletic Activities.

President Cleary overruled the objection.

Mr. Livingston proposed that there should be on the Board of Directors one alumnus of a class since 1926.

After discussion, Mr. Davis' motion was adopted by the following vote: Aye, President Cleary, Mr. Davis, Mr. Jensen, Dr. Meyer, Mr. Wieland; no, Mr. Adams, Mr. Livingston; absent, Mr. Fornof, Mr. Green, Mrs. Grigsby, Mr. Karraker.

On motion of Mr. Jensen, the President of the University was requested to refer the action of the Board of Directors of the Athletic Association, if and when taken, to the Committee on Athletic Activities for consideration and recommendation to the Board.

ADMINISTRATION OF SCHOOL OF PHYSICAL EDUCATION AND INTERCOLLEGIATE ATHLETICS

(2) The report of the Committee on Athletic Activities, as approved by the Board of Trustees on July 15, includes the following recommendation:

"4. That consideration be given to again placing the School of Physical Education under the Athletic Director to the end that there should be a close and understanding cooperation, that the Athletic Director and major coaches shall actively teach in the School of Physical Education, including summer school sessions, and that coaches as well as the Athletic Director shall spend the major portion of each year, among other duties at the University, in closer contact with alumni, high-school, and public bodies."

The proposal to place the School of Physical Education under the Director of Athletics involves considerations of educational as well as of administrative policy. Consequently, before any such far-reaching change in organization and University policy is considered by the Board of Trustees the proposal and the entire complex of questions it presents should be referred to the University Senate—the general faculty—for study, so that this body may have the opportunity to exercise its statutory function of making recommendations touching matters of general educational policy.

The organization of the School of Physical Education and the Department of Intercollegiate Athletics under one administrative head is sound educationally and will be successful only if there be appointed to this position a man professionally qualified to administer (a) the educational program of an academic division of the University, (b) the program of intercollegiate athletics, and (c) the program of intramural sports. In other words, he must combine the qualifications of an athletic director and of an academic dean. The late Director George Huff was such a man for he was one of the pioneers in the development of intercollegiate sports and of professional training in the field of physical education and athletic coaching. Such men are indeed hard to find and not readily available. Consequently, I should be definitely opposed to the change in organization proposed unless an individual of such qualifications can be found and funds are available to establish a budget adequate for this purpose.

In any case, I wish to point out that this particular item in the Committee's recommendation is not a matter for consideration by the Board of Directors of the Athletic Association, and I recommend that it be referred to the University Senate for study and recommendations.

On motion of Dr. Meyer, this matter was referred to the University Senate for consideration and recommendation.

CARNEGIE MUSIC SET

(3) Last year the Carnegie Corporation of New York made a grant of \$570 for the purchase of a music set for the Illini Union Building. This includes a large reproducing machine and over six hundred records of instrumental, vocal, operatic, and orchestral classics. The grant was made on condition that the University contribute a similar amount.

This music set has been a splendid asset to the Illini Union Building. Daily music hours are a very significant feature of the social and cultural program which is carried on in this building. This set has far exceeded our anticipations in stimulating and developing a taste for good music on the part of the student body.

A similar music in the Union Building in Chicago will do fully as much for the students and faculty as it has for those using the Union Building in Urbana. In fact, it is needed even more in Chicago because there are fewer recreational facilities available to the students in the Colleges of Medicine, Dentistry, and Pharmacy. Application has been made to the Carnegie Corporation for funds for this set, and I recommend that the Board of Trustees appropriate \$700, or so much thereof as may be necessary, to pay the University's share of the cost of the equipment, if the grant is forthcoming.

On motion of Mr. Jensen, this appropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Jensen, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Fornof, Mr. Green, Mrs. Grigsby, Mr. Karraker.

TRUSTEES OF THE RETIREMENT SYSTEM

At this point, Mr. Jensen reported that the Committee on General Policy recommended the appointment of the following members of the Board to serve as members of the board of trustees of the University Retirement System: Mr. Chester R. Davis, to serve until March, 1943; Mr. O. M. Karraker, to serve until March, 1945; Mr. John R. Fornof, to serve until March, 1947. The Committee recommended also that future members of the Board to serve on the retirement board should be appointed by the President of the Board at the annual meeting in March of each odd-numbered year.

On motion of Mr. Jensen, these recommendations were adopted, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Jensen, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; not voting, Mr. Davis; absent, Mr. Fornof, Mr. Green, Mrs. Grigsby, Mr. Karraker.

LICENSE OF PATENT ON IRRADIATED PHENOLPHTHALEIN

(4) For a number of years the Department of Pharmacology, Materia Medica, and Therapeutics has been conducting laboratory and clinical research on phenolphthalein to determine therapeutic values, uses, and effects. Funds for this have been supplied by Phenolphthalein Research, Incorporated, 239 Broadway, New York City, under the usual form of agreement covering cooperative investigations of this sort.

As a result of these researches Dr. Ludwig Pincussen developed irradiated phenolphthalein on which a patent was secured and assigned to the University in accordance with the policy governing patentable discoveries.

There is a provision in the agreement with Phenolphthalein Research, Incorporated, that it shall be given preferential consideration as a licensee if any patentable discoveries resulting from this research work have commercial value. This organization has expressed an interest in securing such a license. The Faculty Committee on Patents has considered this proposal and recommends that Phenolphthalein Research, Incorporated, be given an exclusive license upon such terms as the Committee on Patents of the Board of Trustees deems advisable for a limited time subject to renewal by the Board of Trustees. The

limitation of time is suggested so that the University may be assured that a *bona fide* attempt is being made to develop the discovery in a way acceptable to the University as a public agency. If such development does not take place, the University would then be in a position to cancel at least the exclusive feature of the license, if not the license in its entirety, and to seek development through other sources.

In the event the patent yields commercial returns, consideration shall be given to compensating Doctor Pincussen for this discovery. In a few cases in the past where a commercial patent has yielded returns, the University has so recognized the contribution made by the discoverer.

I recommend that this matter be referred to the Committee on Patents of the Board of Trustees with power to act.

On motion of Mr. Jensen, this recommendation was adopted.

PATENT ON MACHINE FOR APPLYING INSECTICIDES

(5) Messrs. C. W. Veach, Assistant in Agricultural Engineering, and W. E. McCauley, Assistant Entomologist in the State Natural History Survey, have developed a machine for producing fog or smoke. It is adapted to the application of chemicals to large outdoor areas for insect control and eradication by rapidly converting liquids or solutions into vapor provided such liquids are of sufficiently low viscosity that they can be introduced into the dispersing machine. The fog or smoke dispersed by this machine remains suspended for some time and may be well adapted for the application of insecticides, chemicals which destroy by contact.

The Faculty Committee on Patents recommends that the Board authorize the University's Patent Attorneys to make a search in the Patent Office, and if no conflicting patents be found to prepare an application for a patent on this discovery with the understanding that the same will be assigned to the University.

On motion of Mr. Davis, this authority was given as recommended.

PURCHASES AUTHORIZED

(6) A report of the following purchases authorized by the President of the University as emergencies, in accordance with the University Statutes:

1. Pipe for steam line from Stadium to Power Plant, from the Crane Company, Terre Haute, Indiana, the lowest bidder, at a cost of \$2,053.05, f.o.b. Urbana.

2. Pipe casing for steam line to Stadium, 2,800 feet, from the American District Steam Company, Chicago, the lowest bidder, at a price of \$5,219 freight allowed.

On motion of Mr. Wieland, the action of the President of the University in authorizing these purchases was approved and confirmed.

LEAVES OF ABSENCE

(7) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

M. B. Singer, Jr., Assistant Mechanician in the Shop Laboratories, the months of July and August, without pay, in order that he may accept a temporary appointment in the N.Y.A. Program at Springfield, Illinois.

Leaves of Absence for Military Service (The leave in each case is without salary.)

Hyman H. Goldstein, Assistant in the Department of Neurology and Neurological Surgery, August 4 through August 31, 1941.

E. D. Luke, Instructor in Mechanical Engineering, one year from September 1, 1941.

Milton M. Mosko, Assistant in the Department of Medicine, September 1, 1941, through June 30, 1942.

On motion of Mr. Wieland, these leaves were granted as recommended.

CONTRACT FOR REPLACEMENT OF PHYSICS BUILDING ROOF

(8) The Director of the Physical Plant Department submits a schedule of bids for the replacement of the Physics Building roof.

BID SCHEDULE—RE-ROOFING PHYSICS BUILDING

| <i>Bidders</i> | <i>Base Bid</i> | <i>Alternate*</i> |
|---|-----------------|-------------------|
| Henry Reuter & Sons, 151-159 S. West Ave., Kankakee, Ill... | \$15 998 | \$550 |
| Industrial Roofing Co., 124 N. 15th St., Mattoon, Ill..... | 17 987 | 680 |
| C. F. Warning Co., Ceape at Court St., Oshkosh, Wis..... | 19 634 | 200 |

*Alternate—Deduction, in the event that present main gutter linings are re-used, the present linings reconditioned and reformed, expansion joints installed and connections made to new eaves flashings.

The Physics Building was erected in 1908-1909 and the present roof has been in service since then. The present slate is in such condition that for the past several years it has been increasingly difficult to keep water out of the building, with damage not only to the building but also to research equipment.

The cost of replacing the roof is such that considerable study has been given to various other alternatives such as the use of galvanized iron roof and an asphalt shingle. There is not much saving in cost in changing to galvanized iron due to the problem of making connection with the existing copper gutters and downspouts, and the difficulty of getting galvanized iron is such that it is not believed desirable to use this material.

The Director recommends the award of the contract to Henry Reuter & Sons, the lowest bidder, in the amount of \$15,448 which results from acceptance of the base bid of \$15,998 and of an alternate of \$550 which provides a reduction of that amount in the event present main gutter linings are re-used, the present linings reconditioned and reformed, expansion joints installed, and connections made to new eaves flashings.

On motion of Mr. Davis, this award was made as recommended.

RETIREMENT OF PROFESSOR E. N. GATHERCOAL

(9) Professor E. N. Gathercoal of the College of Pharmacy has requested that he be retired from active service as of September 1, 1941, on account of his health, under the provisions of the University of Illinois Statutes which provide that "in exceptional cases and for substantial cause, retirement may be permitted by the Board at any time after a member reaches 65 years of age."

Professor Gathercoal is 66 years old. He has been in the service of the University 31 years. The retiring allowance payable in his case will be \$2,383.

I recommend that Professor Gathercoal be retired as of September 1, 1941, as Professor of Pharmacognosy, *Emeritus*, with a retiring allowance of \$2,383.

On motion of Mr. Wieland, this recommendation was adopted.

OPERATION OF UNION BUILDINGS

Mr. Livingston, for the Committee on Affiliated Student Activities, presented the following regulations for the operation of the Illini Union Building and the Chicago Union Building.

OPERATION OF THE ILLINI UNION BUILDING*Introduction—*

It is recommended that the Illini Union Board, consisting of four students appointed by the Student Senate and five faculty members appointed by the President, be abolished at the end of the academic year, 1940-1941. This Board was established originally as the Union Advisory Committee during the period when the Illini Union Building was under construction, and its purpose was to plan the policies to be established in the new building. Its duties in this interim have been carried out, and with the completion of the building its work is practically finished.

For various reasons it now appears desirable to reorganize the Board and

to redefine its activities and functions. It is proposed, therefore, to increase the student membership to six and recognize service on the Board as a student activity subject to the rules and regulations of the Student Affairs Committee. No change is proposed in the five faculty and alumni components.

The Board will in no way take over the responsibilities of the Student Affairs Committee in connection with the various student activities which the Board approves for operation in the Illini Union. Such activities must first be recognized by the Student Affairs Committee and they must conform also to all the rules and regulations of the Student Affairs Committee. The Student Affairs Committee will have no jurisdiction over the activity budget of the Illini Union Board, which is dependent on the Illini Union Building budget as finally approved by the Board of Trustees. The budget for the building will be prepared by the Illini Union Board and submitted through the Director of the Physical Plant and the President of the University as is usual.

I. *Membership of the Illini Union Board—*

The membership of the Illini Union Board shall be as follows:

- (a) Six upperclass students, consisting of three men and three women.
- (b) Five faculty members or alumni, to include: one representative of the Physical Plant Department, one representative of the Business Office, one representative of the Alumni Association, and two representatives of the faculty at large.
- (c) The Manager and the Social Director of the Illini Union Building shall be ex-officio non-voting members of the Illini Union Board.

II. *Responsibility for the Management and Operation of the Building—*

- (a) The Director of the Physical Plant Department of the University shall have charge of, and be responsible to the President for, the operation and management of the Illini Union Building. This responsibility is to include the operation of the food service units, the bowling alleys, guest rooms, game room, checking facilities, and ticket-selling facilities.
- (b) The Illini Union Board shall determine and be responsible for the type of the social, cultural, and recreational programs conducted in the Illini Union Building, including such activities of undergraduate students, graduate students, faculty, and alumni; it shall also serve in an advisory capacity to the Director of the Physical Plant when requested by him as to the management and operation of the building.

III. *Selection of the Illini Union Board—*

- (a) The three men student members of the Board shall be selected by the Men's League Advisory Board, with the understanding that no one of their selections shall hold any major office in any other student activity. These nominations shall be transmitted to the President of the University for approval.
- (b) The three women student members of the Board shall be selected by the Woman's League Advisory Board, with the understanding that no one of their selections shall hold any major office in any other student activity. These nominations shall be transmitted to the President of the University for approval.
- (c) If either Men's League or Woman's League does not desire to make such selections, the student members shall be selected by the Illini Union Board from petitions from the general student body.
- (d) The representative from the Physical Plant Department, the representative from the Business Office, and the two faculty members shall be appointed by the President.
- (e) The representative of the Alumni Association shall be appointed by the President on nomination by the Alumni Association.

All appointments to the Illini Union Board shall be subject to approval by the Board of Trustees.

IV. *Terms of Office of the Illini Union Board—*

- (a) All student members shall be selected for a term of one year. They shall be selected by May 1, and shall serve until the next succeeding May 1, or until their successors are chosen.

(b) The members appointed by the President shall serve for a term of one year but may be reappointed.

V. Organization of the Illini Union Board—

(a) The officers of the Illini Union Board shall consist of a Chairman and a Vice-Chairman. The Chairman shall be appointed by the President, and the Vice-Chairman shall be a student selected by the student members of the Illini Union Board. It shall be the duty of the Chairman to preside at all meetings of the Illini Union Board as well as serve as an ex-officio member of all committees thereof. In the absence of the Chairman, the Vice-Chairman shall be the presiding officer.

VI. Regular Meetings of the Illini Union Board—

(a) The Illini Union Board shall meet regularly at least once each month. The various subcommittees of the Illini Union Board shall meet at the request of their respective chairmen, the Manager, or the Social Director.

VII. Powers of the Illini Union Board—

(a) The Illini Union Board shall act in an advisory capacity to the Director of the Physical Plant Department as to rates and charges for use of the facilities within, and incidental to the operation of, the Illini Union Building, subject to final approval of the Board of Trustees, and as to all matters within his jurisdiction under Section II (a) above.

(b) The Illini Union Board shall determine general policies of space assignment to individuals and groups in order to secure the most effective use of the building.

VIII. Direction of Student Activities within the Illini Union Building—

(a) Subject to the regulations of the Student Affairs Committee and the Illini Union Board, all recognized student organizations may use the facilities of the Illini Union Building for their activities and meetings, the attendance to which is limited to members of the organization.

(b) The Illini Union Board shall have general responsibility for directing and managing all events and programs held in the building that are open to the general student body (either all men or all women), subject to the provisions of paragraph (c) below.

(c) The supervision of the general student programs within the building shall be in charge of a subcommittee of the Illini Union Board, known as the Illini Union Activities Board which shall consist of the following members: the six student members of the Illini Union Board; one faculty member, to be selected by the Illini Union Board; the Social Director of the building; and the Manager of the building. The Vice-Chairman of the Illini Union Board shall serve as the Chairman of the Illini Union Activities Board.

(d) The Illini Union Activities Board may set up whatever subcommittees it may feel desirable for carrying out its duties and functions.

ADMINISTRATION OF THE UNION BUILDING, CHICAGO

I. Responsibility for the Management, Operation, and Maintenance of the Union Building—

(a) The Director of the Physical Plant Department shall be responsible to the Executive Dean and the President for the operation, maintenance, and management of the building. This responsibility shall include food service; supervision of game room and gymnasium; checking facilities; building and equipment operation and maintenance.

(b) The Union Board shall be responsible for the social, cultural, and recreational program within the building, including activities of undergraduate students, graduate students, faculty, and alumni, and shall act in an advisory capacity to the Director of the Physical Plant Department on the management and operation of the building.

(c) The Director of the Union Building shall be the executive agent of the Union Board and the Physical Plant Department in the operation and management of the building.

II. *Relationship of the Union Board to the Faculty Committee on Student Affairs—*

(a) The activities of the Union Board in administering its function on the student social, cultural, and recreational program within the building extend into the field of student activities, and in conducting such activities, the Union Board shall operate under the jurisdiction of the Faculty Committee on Student Affairs.

(b) As the Director of the Physical Plant Department is directly responsible to the President and the Board of Trustees for the financial success of the building, and as the budget of the building will bear the financial expense of the student program, the authority of the Faculty Committee on Student Affairs shall not extend to the student activities budget of the Union Board.

III. *Membership of the Union Board—*

(a) The Union Board shall consist of eight members, selected as follows: (1) four students—one student elected by each of the three student councils and one by the internes and residents of the Research and Educational Hospitals and other hospital groups as designated; and (2) four persons appointed by the President to represent the faculty, alumni, and graduate students.

(b) The members of the Union Board shall serve for a period of one year.

(c) The members of the Union Board may select one member to serve as Chairman.

On motion of Mr. Livingston, these regulations were approved and adopted, and all previous actions to the contrary were rescinded.

EXECUTIVE SESSION

At this point, the Board went into Executive Session as committee of the whole, to consider a recommendation of the President of the University.

After presentation and discussion of the matter, the committee rose and reported that it had authorized the President of the University to inform a prospective donor that the Board would favor the acceptance of a proposed bequest, and to express the thanks of the Board for such public-spirited generosity.

SECRETARY'S REPORT OF CONTRACTS

The Secretary presented for record the following documents signed by the President and the Secretary of the Board and deposited with the Secretary since the last report.

| <i>Name</i> | <i>Date</i> | <i>Amount</i> | <i>Purpose</i> |
|-----------------------------------|--------------|---------------|---|
| National Power Machinery Company | May 29, 1941 | \$4 575 00 | Sale and removal of Old Power Plant equipment to be retired from service. |
| Advance Steel Salvage Corporation | May 29, 1941 | 4 290 50 | Sale and removal of Old Power Plant equipment to be retired from service. |
| Fred L. Wright | May 29, 1941 | 4 800 00 | Sale and removal of Old Power Plant equipment to be retired from service. |

The Secretary also presented for record the receipt of the following documents:

1. Deed of Gift of the James Wilford Garner Memorial Fund, dated June 27, 1941, for scholarship and loan funds.

2. Release of Trust Indenture on Medical and Dental College Building, by First National Bank of Chicago, to the University of Illinois Foundation, dated May 28, 1941.

3. Deed in Trust conveying site of the Medical and Dental College Building, by the University of Illinois Foundation, to the University of Illinois, dated May 26, 1941.

The Secretary also reported the receipt of the following agreement with the Presbyterian Hospital of the City of Chicago.

AGREEMENT

Whereas, the Board of Trustees of the University of Illinois, hereinafter referred to as the University, and The Presbyterian Hospital of The City of Chicago, Illinois, hereinafter referred to as the Hospital, desire to bring about closer cooperation than now is possible in order to improve the standards of medical instruction and the treatment of patients;

Now, therefore, it is agreed:

1. Nothing in this agreement shall be construed to affect the independence or any function either of the University or the Hospital not expressly covered herein.

2. The University shall formulate a comprehensive coordinated program of undergraduate and graduate medical education and research which shall be designed to use jointly the facilities of the Hospital, the Colleges of Medicine, Dentistry, and Pharmacy of the University, and the Research and Educational Hospitals and Institutes of the University.

3. The University, upon request of the Hospital, will suggest a program of affiliation of the School of Nursing of the Hospital with or without incorporation therefore in the University educational system.

4. Appointments to the staff of the Hospital shall be made as hitherto by the Board of Managers thereof.

(a) Nominations for new appointments to the staff shall be made by the University after adequate consultation between appropriate administrative officers in the College of Medicine and in the staff of the Hospital.

(b) The University may nominate, after adequate consultation between the appropriate administrative officers of the College of Medicine and in the staff of the Hospital, a limited number of qualified members of its faculty of Medicine to the staff of the Hospital.

(c) The Executive Committee of the staff of the Hospital shall review all nominations of the University and forward them with its recommendations to the Board of Managers of the Hospital.

(d) The University will appoint to its clinical faculty of Medicine the members of the staff of the Hospital.

5. The Dean of the College of Medicine of the University, or a representative designated by him, shall be a member of the Executive Committee of the staff of the Hospital, but without the privilege to vote.

6. It is understood, subject to court approval, that the existing Rush Medical College facilities will be made available to the Hospital and that the Trustees of Rush Medical College, with its facilities and trust funds, will cooperate with the University and the Hospital in the above-mentioned program of medical education, and that the University, in order to provide continuity between the old and new organizations, will designate those members of the Rush faculty who become members of its College of Medicine as "Rush Professors."

7. In entering into and carrying out this agreement, neither party assumes any responsibility for the budgetary obligations of the other.

8. This agreement shall become effective on July 1, 1941, and may be terminated upon one year's notice given by either party to the other.

Dated, as of July 1, 1941.

THE UNIVERSITY BUDGET FOR 1941-1942

(1) The University budget for the fiscal year beginning July 1, 1941, and the academic year beginning September 1, 1941, is submitted herewith.

I recommend that this budget, covering the allocation of the University's income from all State appropriations (including the appropriation of the University Income Fund representing all general income) as well as Federal funds and trust funds, for wages, operation, equipment, plant repairs and replacements, and all other operating expense for the fiscal year beginning July 1, 1941, and salaries for the academic year beginning September 1, 1941, be approved; that the President of the University be authorized to make such changes and adjustments as are needed, to make such additional appointments as are necessary, and to accept resignations offered, in accordance with the needs of the University and the equitable interests involved, and within the total amount appropriated; and that the Executive Committee of the Board be hereby authorized to make appropriations from the General Reserve Fund and such other adjustments in the budget as may be needed from time to time whenever it is necessary to take such action in the absence of a quorum of the Board.

President Willard made a preliminary statement summarizing the budget, and requested Mr. Morey to discuss the summaries and the important features, which he did.

Mr. Karraker reported that the Finance Committee had considered the budget and recommended its approval.

On motion of Mr. Karraker, the budget was approved, the appropriations involved were made, and authority was granted as requested, by the following vote: Aye, President Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Adams, Mr. Green, Mr. Wieland.

(For the budget, see page 449.)

CHANGES IN DEPARTMENTAL ORGANIZATION

(2) The internal budget for 1941-1942 includes two changes in departmental organization, which I submit separately with the recommendation that they be authorized:

1. *Department of Animal Pathology and Hygiene*—a new department. Heretofore the instructional and research program in animal pathology and hygiene has been in the Department of Animal Husbandry. In the judgment of the Head of the Department of Animal Husbandry and the Dean of the College of Agriculture the character of this work and its growing importance to the livestock industry in the State warrant reorganizing it into a separate department. This recommendation is concurred in by the Provost of the University and the Dean of the Graduate School, both of whom believe that the work should be given sufficient recognition on a departmental rather than a divisional basis.

The total budget for the Division of Animal Pathology and Hygiene for 1940-1941 was \$28,220. The budget proposed for the new Department of Animal Pathology and Hygiene for 1941-1942 totals \$32,835, of which \$2,130 represents increases in salaries and wages, including one new one-half time assistantship at a salary of \$720; and \$2,485 represents increases in expense and equipment (\$485 increase in operating expenses; \$1,000 increase in equipment; and \$1,000 as a contingent item).

This increase in the budget is not due to the reorganization of the work in animal pathology and hygiene, as the adjustments which make up the increase

would be in order if the program were continued as a division of the Department of Animal Husbandry.

2. *Division of Anaesthesia*—The work in anaesthesia has been administered as an independent division of the College of Medicine. The Dean of the College and the Executive Dean recommend, and I concur, that the work in anaesthesia be placed in the Department of Surgery. This does not affect the budget.

On motion of Dr. Meyer, these changes were authorized as recommended.

NEW APPOINTMENTS OF PROFESSORIAL RANK

(3) A recommendation that the following appointments to the staff, effective September 1, 1941, be approved:

1. John Fred Bell, Professor of Economics, two years from September 1, 1941, at a salary of \$5,000 a year.
2. Warren Sturgis McCulloch, Associate Professor of Psychiatry, College of Medicine, one year from September 1, 1941, at a salary of \$5,000.
3. Deane G. Carter, Professor and Chief in Agricultural Engineering, two years from September 1, 1941, at a salary of \$4,800.
4. Kenneth Dean Benne, Assistant Professor of Education, one year from September 1, 1941, at a salary of \$4,000.
5. Ralph Lester Boyd, Auditor and Assistant Professor of Accountancy, one year from September 1, 1941, at a salary of \$3,600.
6. Thomas Kirk Cureton, Jr., Associate Professor of Physical Education for Men, one year from September 1, 1941, at a salary of \$3,600.
7. Arthur C. Forsyth, Assistant Professor of Metallurgical Engineering, one year from September 1, 1941, at a salary of \$3,000.
8. Veikko Oscar Hurme, Assistant Professor of Dentistry in the Department of Infirmary and Operative Dentistry, one year from September 1, 1941, at a salary of \$3,000.
9. Heinrich Gomperz, Visiting Professor of the Classics, first semester, 1941-1942, at a semester salary of \$2,500.

On motion of Mr. Jensen, these appointments were approved as recommended.

RETIREMENT OF MEMBERS OF THE STAFF

(4) A report that the following members of the staff will retire effective September 1, 1941, on the retiring allowance indicated in each case. Provisions for these retiring allowances have been included in the budget for 1941-1942.

| Name | Title | Retiring Allowance |
|------------------|---|-----------------------|
| J. A. Fairlie | Professor of Political Science, <i>Emeritus</i> | \$ 3 000 |
| W. S. Robertson | Professor of History, <i>Emeritus</i> | 2 814 |
| B. S. Hopkins | Professor of Chemistry, <i>Emeritus</i> | 2 714 |
| H. V. Canter | Professor of the Classics, <i>Emeritus</i> | 2 674 |
| E. N. Gathercoal | Professor of Pharmacognosy, <i>Emeritus</i> | 2 383 |
| G. B. Hassin | Professor of Neurology, <i>Emeritus</i> | 472 |
| I. B. Diamond | Assistant Professor of Neurology, <i>Emeritus</i> | 472 |
| Rosalie Parr | Associate in Chemistry, <i>Emerita</i> | 1 265 |

PHYSICAL PLANT EMPLOYEES

| | | |
|-----------------|-------------------------|-----|
| W. C. Robertson | Laborer, <i>Retired</i> | 676 |
| H. J. Langhoff | Laborer, <i>Retired</i> | 620 |
| J. G. Siems | Laborer, <i>Retired</i> | 554 |

HORTICULTURE EMPLOYEES

| | | |
|-------------|-------------------------|-----|
| Frank Leach | Laborer, <i>Retired</i> | 552 |
| J. W. Reece | Laborer, <i>Retired</i> | 421 |

Total..... \$18 145

On motion of Mr. Karraker, these retirements were approved.

CONTINUATION OF SERVICES OF MR. T. O. HENDERSON

(5) A request from the Director of the Physical Plant Department that Mr. T. O. Henderson, Assistant Superintendent of Buildings, be continued in active service on the University's staff beginning September 1, 1941, and continuing until further notice, or until Mr. John D. Amerman, Junior Accountant in the Physical Plant Department, returns in March, 1942.

On motion of Mr. Davis, this continuation was approved as recommended.

ALLOTMENT OF FUNDS FOR NON-RECURRING EXPENDITURES

(6) In the biennial budget approved by the Board of Trustees, prior to reductions, the sum of \$419,188 was included for non-recurring supplies and equipment, as recommended by the University Council on advice of the Advisory Committee of the Bureau of Institutional Research. As a result of the various reductions made in the budget it was necessary to reduce this item materially, with the result that the tentative sum of \$165,666 was retained to cover items considered by the Advisory Committee as essential for the coming biennium. This sum represents a biennial figure and, since the items which it covers are not items of operating expense, they should not be included in the annual internal budget.

At the Board meeting July 15 the following appropriations were made which are properly chargeable to this item:

| | |
|--|-----------------|
| Remodeling of Natural History Library..... | \$16 000 |
| Calculating machine for Registrar's Office..... | 565 |
| Musical instruments for High School..... | 600 |
| Special equipment for Liberal Arts and Sciences..... | 5 000 |
| <i>Total</i> | <u>\$22 165</u> |

In today's meeting recommendations are submitted for the following additional appropriations, also chargeable to this account:

| | |
|--|-----------------|
| Special equipment for Engineering..... | \$10 000 |
| Radiology equipment for College of Medicine..... | 45 000 |
| Pressure chambers for atmospheric environment studies... | 15 000 |
| Remodeling in the College of Dentistry..... | 10 700 |
| <i>Total</i> | <u>\$80 700</u> |

I recommend that the sum of \$165,666 be tentatively allotted from the biennial state appropriation, for non-recurring purposes, subject to appropriations made from it from time to time by the Board of Trustees. I further recommend that the foregoing list of appropriations totaling \$102,865 be charged to this allotment, leaving a balance of \$62,801 unappropriated by the Board.

On motion of Mr. Livingston, these appropriations were made as recommended, by the following vote: Aye, President Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Adams, Mr. Green, Mr. Wieland.

AMENDMENT OF BY-LAWS OF THE ATHLETIC ASSOCIATION

(7) The Board of Directors of the University of Illinois Athletic Association has amended Article V, Section I, of the by-laws of the Association to read as follows:

"The Board of Directors shall consist of seven members to be elected annually by the Board of Trustees of the University of Illinois at their annual March meeting on recommendation of the President of the University, four from members of the faculty of the University of Illinois and three from members of the Alumni Association of the University of Illinois."

This amendment was initiated by the Board of Directors of the Athletic Association on July 15 and confirmed at a subsequent meeting on July 25. Pursuant to the authorization of the Board of Trustees, I approved this amendment

so that it might go into effect immediately, and I am reporting it for record with the request that my action be confirmed.

On motion of Mr. Davis, the action of the President of the University in approving this amendment was confirmed.

BUDGET OF THE ATHLETIC ASSOCIATION

(8) I present herewith the budget of the Athletic Association for 1941-1942 as approved by its Board of Directors on July 25, 1941. This budget has been examined in detail by the Comptroller and reviewed by the President of the University.

It shows an estimate of income of \$267,905 as compared with an original estimate of \$256,425 for last year and actual income of \$268,543.71. Expenses are estimated at \$257,069.81 as compared with an original budget of \$246,120.34 for the previous year and actual expenditures of \$257,069.81. The proposed budget shows an estimated excess of income over expenses for the coming year of \$10,835.19.

Salaries which are paid jointly by the Association and the University agree with items which have been approved by the President of the University in making up the budget with the following exceptions, which I recommend be adjusted to conform to the University budget:

G. C. Law—Amount to be paid by University \$1,800 instead of \$1,850. Total salary \$2,350 instead of \$2,400.

J. M. Lindgren—Amount to be paid by Athletic Association \$1,900 instead of \$1,800. Total salary \$5,200 instead of \$5,100 (balance in Business Office budget).

Of the salaries paid in full by the Athletic Association the only change is the salary of a stenographer from \$1,200 to \$1,260, which I approve.

I recommend approval of the Athletic Association budget as submitted, subject to the above changes.

Purchases Authorized

Since the budget of the Athletic Association could not be acted upon until the meeting on August 5, the President of the University has authorized as an emergency measure the purchase of a pick-up truck in an amount not to exceed \$640, and two hundred feet of canvas at a cost not to exceed \$350. Both of these items are set up in the budget. It was necessary to purchase them in advance of the meeting because the truck was needed in August, and in the case of the canvas to insure delivery when it is needed.

On motion of Mr. Davis, this budget was approved and the action of the President of the University in authorizing these purchases was approved and confirmed.

APPOINTMENT OF ACTING DIRECTOR OF ATHLETICS

(9) The Board of Directors of the Athletic Association recommends, and I concur therein, the appointment of Douglas R. Mills, Associate in Physical Education for Men, Head Basketball Coach, and Assistant Football Coach, as Acting Director of Intercollegiate Athletics for one year from September 1, 1941. It is further recommended that he be paid a salary of \$500 by the Athletic Association for this service in addition to his salary as a member of the faculty of the School of Physical Education and as Coach.

Mr. Davis reported that the Committee on Athletic Activities had considered this recommendation and recommended approval.

On motion of Mr. Livingston, this appointment was approved as recommended. Mr. Davis was requested to communicate the action to Mr. Mills; which he did and reported that Mr. Mills had accepted.

LEGISLATION ON RETIREMENT SYSTEM AND CIVIL SERVICE

(10) The 62nd General Assembly has passed, and the Governor has approved, the following legislation:

House Bill 701, "An Act to provide for the creation, maintenance, and administration of a Retirement System for the benefit of the staff members and employees of the University of Illinois and of certain other state educational and scientific agencies."

Senate Bill 492, "An Act to amend Section 11 of 'An Act to regulate the civil service of the State of Illinois,' approved May 11, 1905, as amended." This bill transfers the administration of Civil Service, insofar as the University employees are concerned, from the State Civil Service Commission to the Board of Trustees of the University of Illinois. The Board is authorized and directed to establish within six months a system of classifications for non-academic positions and rules for the administration thereof.

Certified copies of these acts will be given to the Secretary of the Board for record.

These bills were received for record. (See pages 433 and 445.)

RETIRING ALLOWANCES AND DEATH BENEFITS

(11) A resolution terminating application of the present system of retiring allowances and death benefits to those members of the staff who will be subject to the new Retirement System and providing a revised plan for those not subject to the new law:

I

Be it resolved, by the Board of Trustees of the University of Illinois, that the Statute of the Board of Trustees providing for Retiring Allowances and Death Benefits enacted December 13, 1924, as amended to July 1, 1941, be repealed as of September 1, 1941, except as to persons who have retired, and who will retire, under its provisions, on that date, and as to such other persons now on the staff of the University whose situation for any reason may turn out to be such that it would be in their best interest, as well as in the interest of the University, to let them remain until and after retirement subject to the provisions of the Resolution of December 13, 1924, as amended. (The President of the University is requested to report the names of any such persons at or prior to the January, 1942, meeting of this Board.)

II

Be it further resolved, that

1. From and after September 1, 1941, all employees of the University who are not certified as Participating Employees under "An Act to provide for the creation, maintenance, and administration of a Retirement System for the benefit of the staff members and employees of the University of Illinois and of certain other state educational and scientific agencies," approved July 21, 1941, shall be employed under contracts which shall provide among other things that compensation for their services shall be paid to them by the University as follows, to wit:

A. Such part thereof in cash as the Board shall from time to time fix and determine, to be paid to them for such time only as they shall satisfactorily perform the services of their respective employments.

B. A part thereof in the value of death benefits to be provided or secured by the Board of Trustees for them, or their respective heirs, legal representatives, assigns, or designated beneficiaries, based on the cash portion of compensation agreed to be paid to them, respectively, (or which would have been paid to them, but for leave of absence) for the academic year during which death shall occur, in the following amounts and under the following conditions, to wit:

Death during first year of service, nothing.

Death during second year of service, 10% of cash portion of compensation.

Death during third year of service, 15% of cash portion of compensation.

Death during fourth year of service, 20% of cash portion of compensation.

Death during fifth year of service, 25% of cash portion of compensation.

Death during sixth year of service, 30% of cash portion of compensation.

Death during seventh year of service, 35% of cash portion of compensation.

Death during eighth year of service, 40% of cash portion of compensation.

Death during ninth year of service, 45% of cash portion of compensation.

Death during tenth or any succeeding year of service, 50% of cash portion of compensation.

Except and provided, however, that no death benefit shall be in excess of \$3,000.

No death benefit shall be paid in the following cases:

(a) If the employee has ceased active service for the University, except in case he has retired on a retiring allowance from the University, or is on leave of absence.

(b) If death occurs in circumstances making the same compensable under the State Workmen's Compensation Act.

Cash compensation paid for summer session teaching or for any other extra service not covered by the regular annual salary will not be included in the computation of death benefits.

C. A part thereof in the value of disability benefits. Any employee who has been in the service of the University for not less than five years who shall become permanently disabled or otherwise become physically unfit while in the employment of and the active service of the University may be retired with the approval of the Board of Trustees, and on retirement there shall be paid to him or her for a period of years equal to his years of service an amount equal to 25 per cent of the average cash portion of compensation which has been paid to him during the last five years prior to such retirement together with an additional one-half of one per cent of such average amount for each year of his service at the University of Illinois. For any employee who has been in the service of the University for a period of fifteen or more years the allowance shall be paid during the remainder of life. If the allowance as above calculated is less than \$25 per month, the amount granted shall be \$25 per month. No benefits payable under this paragraph shall exceed the amounts provided in Section 5.3 of "An Act to provide for the creation, maintenance, and administration of a Retirement System for the benefit of the staff members and employees of the University of Illinois and of certain other state educational and scientific agencies," approved July 21, 1941. The decision of the Board of Trustees in all such cases shall be final.

2. All rights and claims of any employee in or to death and disability benefits are forfeited, and shall cease, with the termination of service of such employee for the University, whether such termination is voluntary or otherwise.

3. The term "employee" as herein used shall include all members of the educational, administrative, secretarial, clerical, mechanical, and labor staffs who are on permanent and continuous employment. Members of the faculty employed in successive academic years shall be held to be in continuous employment even though their cash compensation is paid in or for less than 12 months of any academic year.

4. The Board of Trustees reserves the right to alter, modify, or annul all or any part of the provisions for compensation of employees as provided herein, at the end of any academic year, without liability, and all claims and rights of employees hereunder shall be subject to such modifications, alterations, or termination; nevertheless, all subject to the provisions and limitations of the State statute referred to in Section II of this resolution.

On motion of Mr. Karraker, this resolution was adopted, subject to review and confirmation by a special committee composed of the three members of this Board who are members of the Retirement Board.¹

EMPLOYEES OF UNIVERSITY RETIREMENT SYSTEM

(12) Now that the bill establishing the University Retirement System for the State institutions of higher education and the State scientific surveys has become a law, it is necessary to set up an administrative organization and to provide office quarters. This will be the responsibility of the Board of Trustees of the University Retirement System. Funds for such administrative expenses, how-

¹The Secretary received notice of such confirmation on August 9, 1941.

ever, have been provided in the appropriation of the University of Illinois for the biennium of 1941-1943.

Since at least 60 per cent of the individuals who will come under the new law are employees of the University, it is logical that the offices of the Retirement System be at Urbana. It will also be more economical for the Retirement System to make use of certain officers of the University of Illinois who are familiar with the plan and who have had experience in dealing with the sort of business which will have to be transacted, than to engage other individuals on full time for such service. The Retirement Board recommends the following budget.

On motion of Mr. Karraker, these recommendations were adopted, and the appropriations made, by the following vote: Aye, President Cleary, Mr. Davis, Mr. Forno, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer; no, none; absent, Mr. Adams, Mr. Green, Mr. Wieland.

UNIVERSITY ADVISORY COMMITTEE

(13) On January 22, 1941 (Minutes, page 171), the Board authorized the appointment by the President of the University of a standing University Advisory Committee. I now recommend approval of the following organization and general program; I recommend, further, that the President of the University be authorized to make such additional appointments as may be desirable to replace individuals who may decline initial appointments or later withdraw:

Name—

The Committee shall be known as "The University of Illinois General Advisory Committee."

Appointments and Tenure—

- (a) Appointments to this Committee shall be made by the Board of Trustees on the nomination of the President of the University.
- (b) Tenure of appointment shall be four years.
- (c) There shall be no fixed number of members, but in general it will be no fewer than fifty nor more than seventy-five.
- (d) Members shall serve without compensation.

Organization and Meetings—

(a) When at least fifty appointees have accepted membership and as soon thereafter as it is expedient, and on the call of the President of the University, the Committee shall meet at the University for the purpose of electing subcommittees and to organize a program of activities.

(b) There shall be no general chairman of the Committee, and the President of the University (or a representative designated to act for him in his absence) shall preside at all meetings.

(c) The Committee shall hold meetings on call of the President of the University. (In general, it is anticipated that one meeting of the entire Committee will be held each year.)

(d) The Committee shall elect an Executive Committee consisting of from five to seven members to act for the Committee when necessary between general meetings. The Executive Committee shall elect a chairman. The Secretary of the Board of Trustees shall be *ex officio* Secretary of the Committee, of its Executive Committee, and of subcommittees.

(e) The Committee shall have authority to appoint such standing subcommittees and special subcommittees as it may deem necessary for consideration and transaction of the business of the Committee.

Functions and Objectives—

The functions of the Committee shall be advisory only, as neither the Board of Trustees nor the President of the University, who is the Executive Agent of the Board, can legally delegate any of their responsibilities. It shall advise the President of the University on matters relating to the welfare of the University, its development and services to the State, and on questions of general public policy.

This matter was referred to the Committee on General Policy with power to act.

ADVISORY COMMITTEE TO COLLEGE OF PHARMACY

(14) A recommendation that the following Advisory Committee to the College of Pharmacy be appointed to serve for one year from July, 1941:

Otto J. Pelikan, *Chairman*, 918 Columbian Avenue, Oak Park.

Frank Canedy, 630 12th Road, Rock Island.

Ernest Denson, 1119 Northwest Street, Wheaton.

Otto D. Ehrlicher, Pekin.

Robert S. Johnson, 143 North Water Street, Decatur.

Leo L. Mrazek, Stevens Hotel, Chicago.

On motion of Mr. Jensen, this committee was appointed as recommended.

AGREEMENT FOR INVESTIGATION OF WROUGHT STEEL CAR WHEELS

(15) At the meeting of the Board of Trustees on May 27, 1941 (Minutes, page 302), I submitted a proposed agreement between the Technical Board of the Wrought Steel Wheel Industry¹ for a cooperative investigation of the causes of failure of wrought steel car wheels in service, together with their prevention, by the Engineering Experiment Station. There were some questions raised concerning the article in this agreement relating to patentable discoveries, and action was deferred. Subsequently the Director of the Engineering Experiment Station advised the Technical Board of the objection on the part of the Board of Trustees to the departure from the usual provisions, and the agreement has been rewritten. The article in question provides that if patentable discoveries grow out of the investigation and such discoveries have commercial value the Technical Board and its member companies shall have the right to full and unrestricted use of such patents without payment of royalties, but other users shall pay the University royalties. The original agreement provided that if any dis-

coveries growing out of this investigation were patented by the University said patents would be assigned by the University to the Technical Board.

The agreement is drawn for a period of one year from January 1, 1941, with provisions for its extension, and the Technical Board agrees to pay the University \$6,200 for the expenses of this investigation. The agreement provides that if this sum is not sufficient to cover the year's work, the University shall submit to the Board an estimate of the additional expenditure for the remainder of the year for advance approval by the Technical Board before such additional work is started.

In view of the interest in this particular investigation copies of the entire agreement and of a letter from the Director of the Engineering Experiment Station explaining the investigation were sent to the members of the Board of Trustees in advance of this meeting.

On motion of Mr. Davis, this agreement was authorized.

ILLINOIS MINING INSTITUTE SCHOLARSHIPS

(16) The Illinois Mining Institute has established an Illinois Mining Institute Scholarship at the University of Illinois. The plan is to make available one scholarship each year to an entering freshman, with provisions for annual extensions. The maximum number of scholarships in use at any one time would be four. The value of each scholarship will be \$100 annually, one half payable at the beginning of each semester. Scholarships will be awarded to entering freshmen by the University Committee on Special Undergraduate Scholarships from applications certified by the Illinois Mining Institute Committee on Scholarships, on the basis of experience, character, general ability, high school scholastic record, or competitive examination.

On behalf of the Board of Trustees, I have accepted this offer and have approved the outline of the conditions governing the award of these scholarships, and request confirmation of this action.

On motion of Mr. Karraker, this action was confirmed.

ADMINISTRATION OF RESIDENCE HALLS

(17) Heretofore the Women's Residence Halls have been administered jointly by the offices of the Dean of Women and the Physical Plant Department. With the completion of a Men's Residence Hall, which will go into service in September, 1941, and with the appointment of a Director of Residence Halls, it is desirable to reorganize the administration of all residence halls. This matter has been under study by various officers of the University who are directly concerned with the operation of the Residence Halls. On the basis of their advice I recommend that the following organization and procedure be authorized:

1. The responsibility for Residence Halls operation shall be assigned to the Physical Plant Department and the administrative authority placed under the Director of Residence Halls.

2. An advisory committee on Residence Halls policies shall be appointed by the President with representatives from the Business Office, Physical Plant Department, Office of the Dean of Men, Office of the Dean of Women, Housing Division, and two from the faculty.

3. The administration of all Residence Halls shall be centralized under the Director of Residence Halls whose responsibilities shall include:

(a) The selection and direction of all staff and employees in the Halls. Social directors and counselors shall be selected with the advice of the Dean of Women and the Dean of Men.

(b) Room assignments in all the Halls.

(c) Operation in accordance with the standards and policies of the University Housing Division.

(d) Preparation of bills and such assistance in the collection of bills as the Business Office may find necessary.

(e) General supervision of stocks and supplies. The purchase of all goods, dining hall and kitchen supplies will be centralized in the Purchasing Agent's office.

(f) Operation and maintenance of buildings, including repairs and replacement of equipment.

(g) Responsibility for financial management in accordance with an approved budget.

(h) Detailed bookkeeping and financial reporting, under systems approved by the Business Office.

On motion of Mrs. Grigsby, these recommendations were adopted.

CHANGE IN ROOM RATES FOR RESIDENCE HALLS

(18) The Physical Plant Department has received notice from the State Department of Finance that the Retailers' Occupational Tax law was amended by the 62nd General Assembly to include "schools which operate dining rooms or cafeterias" and "student fraternities or sororities who sell food to their members or outsiders."

This tax will affect food sold at the Union Buildings at Urbana and Chicago and also the Residence Halls. This addition to the cost can easily be taken care of in the Union Buildings because there is no fixed contract, and adjustments can be made in the daily prices of the meals served. However, the problem is serious in the Residence Halls because the University operates on the basis of annual contracts entered into at the beginning of the academic year.

The application of this tax of two per cent will result in an additional annual expense of approximately \$4,200 in the operation of the Residence Halls not contemplated when the financial program was approved for the construction of the Men's Residence Hall. In view of the increasing food prices and the possibility of reduced enrollments, with subsequent vacancies in the halls, the University cannot very well assume this expense.

The Director of the Physical Plant Department recommends, therefore, that the amount previously approved by the Board of Trustees for room and board in the Residence Halls be increased by the amount of the above tax, which will be approximately \$5.00 per occupant for the academic year. No contracts for the coming year have been executed to date and, therefore, this change may still be put into effect.

As the construction of the Men's Residence Hall is approaching completion, it is apparent that it will be impracticable to adhere to the two rates originally proposed, namely, \$426 for single rooms and \$376 for double rooms. The Director of the Physical Plant Department recommends that authority be granted to establish rates varying from \$373 to \$431, with the understanding that the total gross income will not be less than that previously estimated, with allowance made for the above adjustment for taxes.

I concur in these recommendations.

On motion of Mr. Fornof, these recommendations were approved.

REMOVAL OF IMPROVEMENTS ON PROPERTY AT 1206 WEST GREEN STREET, URBANA

(19) The University has recently acquired the property at 1206 West Green Street, Urbana, for future development of the campus. The Director of the Physical Plant Department recommends that in view of the condition of the dwelling on that property all improvements on the site be removed. The alternative would be to improve the property for renting, which the Director does not believe would be justified.

I concur in his recommendation.

On motion of Mr. Davis, this recommendation was approved.

REPORT OF FINANCE COMMITTEE

At this point, Mr. Karraker, for the Finance Committee, reported that the investment counsel for the University, the Trust Department of the First National Bank of Chicago, has recommended the following

sale and reinvestments. The Finance Committee recommends approval of these transactions:

Sell 72 shares of American General Corp. Preferred (received as gift of Babcock Fund)—at the market of approximately 27½.

Buy 23 shares of Standard Oil of New Jersey Common stock (in addition to 77 shares held)—approximate market 45.

Buy 20 shares of Inland Steel Common stock (in addition to 20 shares held)—approximate market 79.

On motion of Mr. Karraker, these transactions were authorized.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board resumed consideration of matters presented by the President of the University.

CHANGE IN CONTRACT FOR INSTALLATION OF ELEVATORS

(20) At the meetings of the Board on June 24 and July 15 (Minutes, pages 337 and 389), contracts were authorized for replacing the elevators in the Administration Building and Mary E. Busey Hall. The Director of the Physical Plant Department reports that he now finds it will be impossible to install the elevator in Busey Hall before the opening of the next academic year. In view of this and the questions raised at the last meeting of the Board concerning the need of such equipment in Busey Hall, he recommends approval of a change in the contract with the Westinghouse Electric Elevator Company providing for the omission of all work in Busey Hall, thus reducing the contract price from \$13,800 to \$7,818.

I concur in the above recommendation.

On motion of Mr. Jensen, this recommendation was approved.

CHANGE IN GENERAL CONTRACT FOR MEN'S RESIDENCE HALL

(21) The Director of the Physical Plant Department recommends authorization of the following change order No. 6 in the contract with J. P. Cullen & Son for general work on the Men's Residence Hall.

Paint ceilings in student room areas and kitchen, in accordance with quotation of F. L. Shadel & Son, dated July 17, 1941.—Add \$1,899.20.

On motion of Mr. Fornof, this change was authorized.

PURCHASES AUTHORIZED

(22) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. One car of fir lumber for Physical Plant stock, from the Thompson Lumber Company, Champaign, the low bidder, at a price of \$1,365.25, f.o.b. Champaign.

This report was received for record.

CONTRACTS EXECUTED BY THE COMPTROLLER JULY 7-29, 1941

(23) A report of contracts executed by the Comptroller:

Minor contracts executed under general regulations of the Board of Trustees:

| <i>With Whom</i> | <i>For</i> | <i>Amount to be paid to the University</i> | <i>Date</i> |
|---------------------------|---------------------------|--|---------------|
| Crookham Company | Improvement of sweet corn | None | June 7, 1941 |
| Rogers Bros. Seed Company | Improvement of sweet corn | None | June 7, 1941 |
| Corneli Seed Company | Improvement of sweet corn | None | June 7, 1941 |
| Associated Seed Growers | Improvement of sweet corn | None | June 7, 1941 |

This report was received for record.

TUITION FEES PAYABLE BY STUDENTS WHO ARE IN THE ARMY OR NAVY

(24) A number of the enlisted men stationed at the Air Corps Technical School at Chanute Field are registered in the University for part-time programs of instruction. The tuition fees charged for a part-time program of undergraduate work is the same for residents and non-residents of Illinois, up to eight semester hours. For schedules totaling more than eight hours the full tuition is charged—\$40 for residents and \$80 for non-residents of Illinois.

A number of the men from Chanute Field do not meet in all respects the University rules defining residence in Illinois. So long as they do not register for more than eight semester hours of work this makes no difference, but occasionally one of them desires to register for more than eight hours.

The Registrar requests authority to classify as a resident of Illinois any student who is in the active service of the United States Army, Navy, or Marine Corps, while stationed within the State.

I recommend approval.

On motion of Mr. Jensen, this recommendation was adopted.

UNIVERSITY CIVIL SERVICE APPOINTING OFFICERS

(25) As previously reported, the General Assembly of Illinois has passed, and the Governor has approved, an act providing that all employees of the University shall be exempt from the classified civil service of the State as heretofore provided, and the Board of Trustees is required to set up a classified civil service within the University for all non-academic positions with the exception of administrative, professional, and scientific positions.

The passage of this act means that the University is no longer subject to the supervision of the State Civil Service Commission. However, all persons employed heretofore under State Civil Service will constitute the classified civil service of the State in relation to the University of Illinois, and no appointments shall be made except in accordance with the regulations set up by the Board of Trustees. All employees of the University who were certified by the State Civil Service Commission on the date the act went into effect will receive certified status in the University. All individuals in non-academic positions who were on temporary employment as of that date or who may be employed subsequent to that date will be subject to such rules and regulations governing the classified civil service in the University of Illinois as may be approved by the Board of Trustees.

A considerable period of time will be required to work out details relating to the new procedure. An advisory committee of members of the faculty and administrative staff will be needed to draft classifications and rules for consideration by the Board of Trustees.

In the meantime it will be necessary to handle various civil service problems on a temporary or subject-to-examination basis, and it will also be necessary to use temporary forms for this purpose. To that end, some person should be authorized to act as a representative of the Board of Trustees to prepare and sign temporary forms and handle all procedure which may be required.

Until new rules, regulations, and classifications are devised and approved, the University should be guided by and should follow the rules and procedures of the State Civil Service Commission, insofar as this is practicable.

The Board of Trustees has previously appointed Mr. Lloyd Morey, Comptroller, and Mr. C. A. Webber, Bursar, to act as appointing officers for University positions under the State Civil Service. I recommend that pending a permanent organization of the University Civil Service System, these officers be authorized to continue to act as appointing officers for positions under the University Civil Service, and that they be authorized to act for the University in carrying out the provisions of the new law, including approval of appointments subject to examination, approval of all documents relating to appointments, transfers, and removals; provided that the acts of these officers shall at all times be subject to instructions from and review by the President of the University.

On motion of Mr. Karraker, these recommendations were adopted.

DEPOSIT OF FEDERAL FUNDS

(26) On October 21, 1940 (Minutes, page 106), the Board was advised that the United States Department of Agriculture had called on the University to deposit in separate bank accounts all money received under acts of Congress making grants for agricultural research and extension. Such a procedure would be contrary to the practice followed by the University for many years and the general practice in such matters, under which money received is deposited in a separate account with the Treasurer, the Comptroller maintaining such accounts as are necessary to show at all times the distribution of these deposits by funds. The Department of Agriculture based its demand on a requirement of the Comptroller General.

The Board authorized the President to continue discussions of this matter with the Comptroller General and the Secretary of Agriculture for the purpose of securing a modification of the ruling. This has been done. The University Counsel and the University Comptroller have worked diligently in preparing briefs and arguments to support the University's position. A complete outline of the procedure followed by the University was also prepared. These documents were submitted to the Secretary of Agriculture with the request that they be presented to the Comptroller General. This was done and we have received a ruling of the Comptroller General under date of July 25, 1941, giving approval to our method of procedure so far as that office is concerned. The conclusions of the Comptroller General are contained in the following extract from his ruling:

“ . . . the original requirement by this office that separate bank deposits be maintained was primarily for the purpose of safeguarding the rights of the Federal Government to any interest which might accrue on such deposits. It now appears from your submission that no interest is being paid on demand deposits of Federal funds, with one exception. Accordingly, the principal reason for the requirement—which is not a statutory one—of separate bank deposits has been eliminated.

“Accordingly, if it be administratively determined that the procedure recommended by the University of Illinois will enable your Department to ascertain whether the conditions of the respective grants have been fully complied with, and the interests of the Government otherwise are fully protected, this office will no longer require that separate bank deposit accounts be maintained for such funds when no question of interest thereon is involved.”

The Department of Agriculture, in submitting our request to the Comptroller General, indicated that so far as it was concerned “. . . the plan proposed by the University of Illinois appears feasible of operation.” Since the Department has based its requirement on a ruling of the Comptroller General, which has now been modified, it appears unlikely that the requirement will be further pressed.

On motion of Mr. Davis, this report was received for record and the Secretary was instructed to communicate to the University Counsel

and the Comptroller an expression of the appreciation of the Board of their excellent work in this matter.

QUARTERS FOR RADIO STATION

(27) For the past few years the University Radio Station WILL has been greatly handicapped because of inadequate studio facilities. Various solutions of this problem have been studied, including (1) an addition to the present station and studio building, (2) construction of a new building, (3) remodeling the Arcade Building, and (4) remodeling the Lower Gymnasium of the Woman's Building.

On motion of Mr. Davis, the Director of the Physical Plant Department was instructed to proceed with plans for the location of the Radio Station in the Woman's Building.

PATENTABLE DISCOVERIES IN THE DEPARTMENT OF CHEMISTRY

(28) The Faculty Committee on Patents has considered the following discoveries by members of the staff of the Department of Chemistry, and is submitting recommendations in each case.

1. Professor C. S. Marvel has developed a method of reducing the polymer of methyl isopropenyl ketone with hydrogen over Raney nickel catalyst to give a linear polymer containing about 13.5% of the original carbonyl groups as hydroxyl groups and the remaining 86.5% as cyclic ethers.

Neither Professor Marvel nor Professor Adams, Head of the Department of Chemistry, can suggest any prospect of worthwhile commercial exploitation. The process is relatively expensive, and the commercial possibilities of very doubtful value. The protection of a patent is not necessary for further scientific research.

It is the judgment of the Committee on Patents that the University would not be justified in expending funds to apply for a patent covering this discovery and that it should therefore be released to Professor Marvel.

2. Professor A. G. Deem has been carrying on researches in fuels and has made discoveries which, in his judgment, should have patent protection in the following described fields:

- Case 2, Polymerization of gaseous hydrocarbons
- Case 3, Improvement in the gasification of bituminous coal
- Case 4, Improvement in the liquefaction of coal
- Case 5, Polymerization of butadiene
- Case 6, Production of aliphatic aromatic ketones
- Case 7, Purification of fuel gas

In some of the foregoing cases several applications would be necessary to afford the protection suggested by Professor Deem.

In the judgment of the Committee on Patents, this research is not sufficiently advanced to warrant the expenditures required in filing and prosecuting applications. Moreover, it is very doubtful that if patents are procurable they would have any promise of commercial value. The Committee recommends that any patentable discoveries resulting from these researches be released to Professor Deem.

3. Robert Steinman, Assistant in Chemistry, has succeeded in preparing rutile titanium dioxide in small quantities by seeding titanyl hydroxide with a rutile type compound in the presence of amorphous silica. The discovery is of interest in the field of pigmentation, and in January this year the manufacturers of pigment announced production of commercial titanium dioxide pigment with rutile type structure. This material has an opacifying power about 35% greater than that of the previously prepared anatase modification.

In the judgment of the Committee, the University would not be justified in expending money to secure a patent on this discovery. There are already available and known methods by which rutile dioxide can be produced. The development of Mr. Steinman's process to a point where it would be of prac-

tical importance would require a long period of additional research. The Committee, therefore, recommends that the discovery be released to Mr. Steinman.

4. Professor R. L. Shriner has perfected some compounds which have certain local anaesthetic properties or values, and which he thinks should be protected by patents.

The Committee reports that in the field of anaesthetics there is a high degree of competition and a considerable perfection of the art. The protection through patents for Professor Shriner's compounds would involve a relatively high cost, thereby practically precluding the possibility of any special commercial value. The discovery is no doubt of scientific interest, but the Committee does not feel the University would be justified in expending funds for patents under the circumstances and therefore recommends that the discovery be released to Professor Shriner.

On motion of Mr. Karraker, these releases were granted as recommended.

CHANGE IN REGULATIONS GOVERNING MUTUAL BENEFIT HOSPITAL FUND

(29) On January 27, 1940 (Minutes, page 703), the Board of Trustees approved and adopted a set of regulations governing "The University of Illinois Mutual Benefit Hospital Fund" whose purpose is to provide hospitalization insurance for students and members of the faculty.

In the past there have been two classes of memberships, \$3 a semester, which covers hospitalization expenses only, and \$5 a semester which covers, in part, medical expenses. The Advisory Committee of the Mutual Benefit Hospital Fund recommends increasing the benefits under both plans to provide an allowance of \$5 for laboratory, special medicine, X-ray, or other services incidental to hospitalization. The \$3 membership plan would carry this additional benefit without requiring an increase in the fee; it would, however, be necessary to increase the \$5 membership plan to \$5.50 a semester, as experience has demonstrated that the present fee, covering medical services, would not be sufficient to cover the additional benefit for special services. Accordingly, the Advisory Committee recommends that the section on "Contributions to Fund and Benefits to Members" in the Regulations be amended to read as follows:

"There are two types of membership in the Fund. The amount of the contribution from each person per semester is \$3 for the regular membership and \$5.50 for the special benefit membership. Either type of membership entitles the beneficiary to 28 days ward hospital care in any one semester at the rate of \$3 a day. Under either type of membership, the beneficiary may receive as a part of the total benefit allowed a credit of \$5 for the semester, to be applied on laboratory, special medicine, X-ray, or any other hospital services in connection with hospitalization."

I recommend approval.

On motion of Mr. Jensen, these recommendations were adopted.

PURCHASES AUTHORIZED (SUPPLEMENTARY)

(30) A report of the following purchases authorized by the President of the University as emergencies, in accordance with the University Statutes:

1. 950 reams $24\frac{1}{2} \times 37\frac{1}{2}$ -39# "E" Grade English Finish Book Paper, for 1942 Annual Register, from Bradner Smith and Company, the lowest bidder, at a price of \$2,033.

2. Acids for the General Chemical Stores:

- 95 carboys sulphuric acid—commercial
- 25 carboys hydrochloric acid—commercial
- 40 cases acetic acid—reagent
- 20 cases nitric acid—reagent
- 50 cases ammonium hydroxide—reagent

from the General Chemical Company of Chicago, the lowest bidder, at a price of \$1,237.68, f.o.b. Urbana.

This report was received for record.

ORCHARD STREET STORM DRAIN IMPROVEMENT

(31) The Director of the Physical Plant Department reports approval by the majority of the property owners concerned of the proposed Orchard Street Storm Drain Improvement No. 200. This storm sewer will be laid from Florida Avenue north to Washington Street and will drain University property south of Florida Avenue.

The total estimated cost of the project is \$26,787, and the University's share has been estimated at \$3,154. Since the University will benefit from this improvement, and pursuant to the past policy of assuming its proportionate share of such public improvements, I recommend acceptance of this assessment when and if made. The project is still subject to approval by the Urbana City Council. Twenty-five per cent of the cost will be paid from motor fuel tax funds accruing to the City of Urbana.

On motion of Mr. Fornof, the Board expressed its willingness to accept its proper share of the cost of this improvement when assessed.

PURCHASE RECOMMENDED

(32) A recommendation that the following purchase be authorized:

1. Ten tons all-purpose soft-paste white lead, from the Sherwin-Williams Company, Champaign, the lowest bidder, at a price of \$1,732, f.o.b. Urbana.

On motion of Mr. Davis, this purchase was authorized.

AFFIDAVIT REQUIRED OF PERSONS PAID FROM FEDERAL FUNDS

(33) The Labor-Federal Security Appropriation Act of 1942 (Section 704) provides: "No part of any appropriation contained in this Act shall be used to pay the salary or wages of any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence; Provided, That for the purposes hereof an affidavit shall be considered prima facie evidence that the person making the affidavit does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence; Provided further, That any person who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force of violence and accepts employment the salary or wages for which are paid from any appropriation contained in this Act shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both; Provided further, That the above penalty clause shall be in addition to, and not in substitution for, any other provisions of existing law."

The U. S. Office of Education has been advised by the General Counsel's office of the Federal Security Agency that this Section of the Appropriation Act applies to every person who is paid, in whole or in part, from (1) funds sent to the Land Grant Colleges under the Bankhead-Jones Act, (2) funds made available to the States for Vocational Education, (3) funds made available to the States for Vocational Rehabilitation, (4) funds made available to the States for the Vocational Training of Defense Workers, (5) funds made available to the States for the instruction of youth employed on NYA work projects, and (6) funds made available to the Engineering Schools and Institutions participating in the Engineering, Science, and Management Defense Training Program.

In order to comply with the express instructions of Congress, it will be necessary that each and every person who is to be paid from any of the aforementioned funds, in whole or in part, for salary or wages, execute an affidavit which will be kept on file in the State offices or at the institution, in the same way that vouchers supporting expenditures are kept.

Following is a suggested form of affidavit which it will be necessary for each State office and institution to reproduce and use for this purpose:

"I do solemnly swear (or affirm) that I do not advocate the overthrow of the Government of the United States by force or violence; that I am not a member

of any political party or organization that advocates the overthrow of the Government of the United States by force or violence."

It should be made clear to each and every signer that the signing of this affidavit will be prima facie evidence that the signer does not advocate or is not a member of an organization that advocates the overthrow of the Government of the United States by force or violence.

I am submitting this for the information of the Board.

On motion of Mr. Davis, the Secretary was instructed to add to this oath an affirmative declaration of support of the government, and the matter of the extension of the oath to non-federal employees was referred to the Committee on General Policy for consideration and recommendation.

DURAND HOSPITAL AND McCORMICK INSTITUTE BUILDINGS

(34) At one time the Board of Trustees was interested in acquiring the buildings of the Durand Hospital and the McCormick Institute for Infectious Diseases, in Chicago, for use as a Men's Residence Hall. Later, negotiations for the acquisition of this property were discontinued because the Cook County Hospital was interested also in acquiring these buildings for its needs. More recently it was suggested that these buildings could be used as a home for nurses in the Neuropsychiatric Institute.

The Director of the Physical Plant Department reports that the McCormick estate has given both buildings, together with the apartment houses in the same block, to the University of Chicago.

This report was received for record.

ALUMNI AND PUBLIC RELATIONS OFFICER

(35) The following communication from the Alumni Association is submitted for consideration by the Board.

July 30, 1941

*President A. C. Willard
University of Illinois
Urbana, Illinois*

DEAR PRESIDENT WILLARD:

In accordance with our conversation of yesterday I am pleased to give you information of a tentative character with respect to the future plans of the University Alumni Association.

Sometime ago I was appointed Chairman of a committee by Dean Thompson to consider what might be done to revitalize the general Alumni Association. President Thompson and my office have been giving this matter considerable thought and it is our view that we should re-appraise our situation and make the Association a more effective agency for the University. Our committee has had a few meetings and we have made independent inquiry as to what might be done. While we are not at the present time prepared to give a formal report or outline we would, however, like to have your views and that of the Trustees with respect to our general idea and whether it appeals to you as having merit.

As you and the Trustees are fully aware, the Alumni Association has not been as effective as it should have been during the last few years. There are a variety of causes, and I might say all of them are not directly traceable to the officials of the Alumni Association itself. Suffice it to say we are not doing a good job and we recognize that to be the case. Having in mind that this is merely a preliminary suggestion that has not even secured the approval of our committee, much less the directors and officers of the Alumni Association, we submit the suggestions solely for the purpose of getting your views and those of the Trustees with respect thereto. We expect to be able to present concrete proposals on our program to you prior to the next meeting of the Board of Trustees.

Specifically, we propose that an outstanding Alumnus be appointed to direct the affairs of the Alumni Association and that he have complete power to re-

organize the entire set up subject of course to your approval and the Board of Trustees. Where the Alumni Association has been successful it has been because there has been a driving dynamic force controlling the affairs of the Association. Unfortunately, we do not have such a person in our set up and I do not believe that we shall ever get anywhere until this has been done. This probably will involve the expenditure of more money than is now called for in our budget and I address this communication to you with the hope that you and the Trustees will consider this possibility and perhaps give us additional help if and when we are prepared to move on this program.

In addition it may be necessary for us to expand field agents of the Alumni Association for the reason that it is obviously impossible for one person to do all the jobs now assigned to the field secretary. Some revision here is required for the reason that we should attempt to improve our local clubs, setting up new clubs where none now exists and generally follow a plan of organization which has been successfully adopted by such associations as Michigan. Here again there may be a need for the setting up of a larger budget to cover this type of effort.

Then too, we should consider the possibility of improving the make up of the *Alumni News*, setting up of a general plan of solicitation both for gifts to the University and to cover the expenses of the Association, divorcing of the records from the Association, and many other proposals which we may make in our formal report to you.

Much of our planning may depend upon what the Board of Trustees finally does with respect to the proposal that a Vice-President be created to handle public relations' matters. We think that this proposal should be adopted because we think there should be a general revision not only from the Alumni Association standpoint but from the University as well.

We think that the time has come for setting up of a constructive plan that will correct the weak spots and we trust that you and the Board will give serious consideration to our tentative proposals and that you may keep the door open for our concrete proposals which we expect to make at an early date.

Thanking you for the consideration you and the Board may feel like giving to these suggestions, I am,

Yours very truly,
DENEEN A. WATSON

This report was received for record.

PLANS FOR THE BAND BUILDING

(36) The Director of the Physical Plant Department presents sketches and preliminary plans for the Band Building, with a request for authority to prepare detailed plans and specifications and to ask for bids on the construction of the building.

On motion of Mr. Livingston, authority was granted as requested.

SEPTEMBER MEETING

The Board adjourned, to meet after the opening of the University in September, on the call of the President.

ACTS OF THE GENERAL ASSEMBLY

SENATE BILL 491

(Reported to the Board of Trustees July 15, 1941, Minutes, page 385)

AN ACT making appropriations for the University of Illinois and providing for the expenditure thereof.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. There is hereby appropriated to the University of Illinois for the two years beginning July 1, 1941, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, for the objects and purposes hereinafter set forth, the sum of twelve million, thirty-five thousand, six hundred fifty-three dollars (\$12,035,653) payable first out of the University of Illinois Fund to the extent of the amount actually available in that fund at the time of the presentation to the Auditor of Public Accounts of duly itemized, issued, and certified vouchers, except that the Auditor may permit a reasonable working balance to accumulate therein, but otherwise, when the amount actually available in the University of Illinois Fund in addition to such working balance is insufficient to pay such vouchers, as to the remainder of this appropriation, the same shall be payable from the General Revenue Fund:

| | |
|---|---------------------|
| For salaries and wages..... | \$ 9 359 603 |
| For office expenses, including printing and publications.. | 186 200 |
| For travel..... | 44 100 |
| For operation..... | 1 225 000 |
| For repairs, equipment, and minor improvements including special assessments..... | 1 220 750 |
| <i>Total</i> | <u>\$12 035 653</u> |

The intent of this section is that substantially the entire amount available in the University of Illinois Fund during the period covered by the appropriation herein made shall first be applied to the payment of vouchers chargeable thereto and the part of this appropriation payable from the General Revenue Fund shall equal the aggregate of vouchers for such period in excess of the total sum available in the University of Illinois Fund.

Sec. 2. There is hereby appropriated to the University of Illinois for the two years beginning July 1, 1941, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly:

(a) The sum of six hundred forty thousand dollars (\$640,000) payable out of the General Revenue Fund, for the following objects and purposes:

| | |
|--|------------------|
| For partial fireproofing, ventilating, and reconditioning of Chemistry Building..... | \$150 000 |
| For reconditioning and rearranging Morrow Hall and certain portions of the west unit of Old Agriculture Building to provide for Bacteriology, finishing certain portions of the fourth floor of New Agriculture Building for Dairy Husbandry and remodeling of quarters in Chemistry Building vacated by Bacteriology..... | 90 000 |
| For reconditioning and remodeling of Student Center, Arcade Building, Improvements in Dairy Plant, Mining Laboratory, Sewage Research Laboratory, College of Education small buildings, and other buildings.... | 125 000 |
| For paving replacement, new paving and walks including Green Street, Peabody Drive, East Broadwalk and other walks and drives..... | 90 000 |
| For rewiring old buildings..... | 60 000 |
| For Band Building to replace present frame structure.... | 125 000 |
| <i>Total</i> | <u>\$640 000</u> |

In the expending of the appropriations made in this section, the University shall not be limited to the amount specified for each item, but may transfer an

unused balance in any item to another item or other items or purposes enumerated herein. The Auditor of Public Accounts is authorized to make such a transfer from one item to another at the request of the University.

Sec. 3. The appropriations made in sections 1 and 2 of this Act shall be subject to all the provisions, conditions, and limitations of an Act entitled, "An Act in relation to State finance," approved June 10, 1919, in force July 1, 1919, as amended.

Sec. 4. There is hereby appropriated to the University of Illinois for the two years beginning July 1, 1941, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, for the payment of interest on the endowment funds of said University as provided in Section 2 of an Act entitled, "An Act to make appropriations for the University of Illinois, and providing for the management of the funds of said University and for the protecting of the interest of the State in connection therewith," approved and in force June 11, 1897, the sum of sixty-four thousand, nine hundred and two dollars (\$64,902) or so much thereof as may be necessary under the terms of said Act.

Sec. 5. There is hereby appropriated to the University of Illinois the sum of three hundred twenty-six thousand, six hundred thirty-four dollars (\$326,634) or so much thereof as shall accrue to the State of Illinois under the provisions of an Act of Congress entitled, "An Act to apply a portion of the proceeds of the public lands to the more complete endowment and support of the colleges for the benefit of agriculture and the mechanical arts, established under the provisions of an Act of Congress, approved July 2, 1862," approved August 30, 1890, an Act of Congress entitled, "An Act making appropriations for the Department of Agriculture for the fiscal year ending June 30, 1908," approved March 4, 1907, and an Act of Congress entitled, "An Act to provide for research into basic laws and principles relating to agriculture and to provide for the further development of cooperative agricultural extension work and the more complete endowment and support of land-grant colleges," approved June 29, 1935, during the two years beginning July 1, 1941.

Whenever any portion of said sums shall be received by the State Treasurer from the United States, it shall immediately be due and payable into the treasury of the University of Illinois.

Sec. 6. There is hereby appropriated for the two years beginning July 1, 1941, and until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of two hundred thousand dollars (\$200,000) from the University of Illinois Fund, for the purpose of paying benefits accruing under a Retirement and Death Benefit System for staff members and employees of the University of Illinois, and salaries and wages, office expense, travel, repairs and equipment, and other expenses incidental to the administration of said system.

Sec. 7. Upon the order of the President of the Board of Trustees of the University of Illinois, countersigned by its Secretary and with the corporate seal of said University attached thereto, the Auditor of Public Accounts is herewith authorized and directed to draw his warrants on the State Treasurer for the sums appropriated in sections 4, 5, and 6 of this Act.

Sec. 8. There is appropriated to the University of Illinois for the two years beginning July 1, 1941, for support, salaries and wages, office expense, printing, travel, operation, repairs, equipment, permanent improvements, pensions and death benefits, medical, surgical, and hospital service and compensation for disability under the provisions of the Workmen's Compensation Act in connection with accidents suffered by employees of the University of Illinois, and contingencies, until the expiration of the first fiscal quarter after the adjournment of the next General Assembly, the sum of four million, two hundred thousand dollars (\$4,200,000) payable from the University Income Fund (formerly known as the University of Illinois Revolving Fund), including but not exceeding in amount the aggregate of any unexpended balance in that fund at the end of the biennium and the sum collected by the University and transmitted to the State Treasurer during the ensuing biennium and credited to the University Income Fund as provided by law.

The appropriation made in this section shall be subject to all the provisions, conditions, and limitations of an Act entitled, "An Act in relation to State finance," approved June 10, 1919, in force July 1, 1919, as amended.

(l) Full and part-time deans, directors, administrative officers, and professors, not to exceed 10, at the annual full-time rate of not to exceed \$10,000 each.

(m) Nothing in this Act shall be construed to limit the power of the Board of Trustees of the University of Illinois to appoint a president of the University and to fix his compensation. Nor shall any provision of this Act be construed to prevent the employment of students or other help in emergencies on part-time, or of persons by special contract to teach in the summer session for compensation, when such services are not demandable under regular or existing contracts of employment of staff members. Compensation to the president of the University, emergency help and teachers in the summer session shall be payable from the appropriations made in sections 1 (a) and 8 of this Act. If, in the judgment of the Board of Trustees of the University of Illinois, an emergency exists so that in the best interests of the University it is necessary in order to keep, or to engage the services of additional deans, directors, administrative officers or professors under sub-section (l) hereof, the said Board may pay in such cases, not exceeding five in number, an amount in excess of the maximum annual rate stated in said sub-section.

Sec. 10. The appropriations for office expense, travel, operation, repairs, equipment, and minor improvements in sections 1 and 8 of this Act are to be expended for the following purposes and in accordance with the following conditions:

For office expenses including printing and publications, freight, express, drayage, office supplies, postage, telephone, telegraph, and miscellaneous.

For travel of Trustees, officers and staff members on official business, including agricultural and other research and inspection, official representation at educational and other meetings, extension work, and miscellaneous administrative travel.

For operation including farm and garden supplies, food, fuel, household, library, medical, hospital, laboratory, power plant and shop supplies, stock food, water, power, motor supplies and expenses, school supplies, and miscellaneous.

For repairs to buildings, furniture and furnishings, farm equipment, machinery, office equipment, automobiles and trucks, instruments and apparatus, household equipment, books and maps, museum specimens, tools, fire control apparatus, walks, roads, paving, fencing, plumbing, sewers, drains, water mains, tunnels, transmission lines, and miscellaneous equipment; for minor improvements including special assessments, grading and landscaping, and miscellaneous; for equipment including farm equipment, furniture and furnishings, livestock, machinery, office equipment, automobiles and trucks, instruments and apparatus, household equipment, books and maps, museum specimens, tools, fire control apparatus, and miscellaneous equipment.

HOUSE BILL 701

(Reported to the Board of Trustees August 5, 1941, Minutes, page 414)

AN ACT to provide for the creation, maintenance, and administration of a Retirement System for the benefit of the staff members and employees of the University of Illinois and of certain other state educational and scientific agencies.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

ARTICLE I. CREATION

Sec. 1.1 Authorization: A Retirement System to be administered in accordance with the provisions of this Act is hereby created.

Sec. 1.2 Purpose: The purpose of such System is to establish a sound and efficient means of providing retirement annuities and other benefits for the staff members and employees of the University of Illinois, the State Normal Universities and Teachers' Colleges, and the State Scientific Surveys; thereby enabling such staff members and employees to accumulate reserves for themselves and their dependents in case of old age, disability, death, and termination of employment, and thereby effecting economy and efficiency in the public service by furnishing an orderly method of retiring, without hardship and prejudice, staff members and employees who have become aged or otherwise incapacitated.

Sec. 1.3 Name: The System so created shall be known as the University Retirement System of Illinois. All the affairs and business of such system shall be transacted in such name.

Sec. 1.4 Effective Date: The System hereby created shall become effective as of September 1, 1941.

ARTICLE 2. DEFINITIONS

The following words and phrases as used herein, unless different meanings are plainly indicated by the context, shall have the following respective meanings:

Sec. 2.1 System: The University Retirement System of Illinois; the System created by this Act.

Sec. 2.2 Board: The Board of Trustees of the University Retirement System which shall consist of five (5) persons, three (3) of whom shall be members of the Board of Trustees of the University of Illinois, chosen by that Board, one (1) of whom shall be a member of the Normal School Board, chosen by that Board, and one (1) of whom shall be the Director of Registration and Education, ex-officio.

Sec. 2.3 Employer: The University of Illinois, the Normal School Board, the Illinois State Normal University, the Northern Illinois State Teachers' College, the Southern Illinois State Normal University, the Eastern Illinois State Teachers' College, the Western Illinois State Teachers' College, the State Geological Survey, the State Natural History Survey, the State Water Survey, and the Board of Trustees of the University Retirement System.

Sec. 2.4 Employee: Any member of the educational, administrative, secretarial, clerical, mechanical, labor or other staff of an Employer who is certified by the Employer as being on permanent and continuous employment and who receives, or except for leave of absence would be receiving, payment for the performance of personal services on a warrant issued pursuant to a payroll voucher certified by an Employer and drawn by the Auditor of Public Accounts upon the State Treasurer or by an Employer upon trust or federal funds.

Sec. 2.5 Eligible Employee: Any Employee except one who currently is receiving a Retirement Annuity from this System, or who is, or except for employment by an Employer would currently be receiving a retirement annuity from the Teachers Retirement System of the State of Illinois or the State Employees Retirement System of Illinois.

Sec. 2.6 Participant: Any person participating in this System as specified in Section 3.2.

Sec. 2.7 Participating Employee: Any Participant who at the time is in the employment of an Employer as an Eligible Employee.

Sec. 2.8 Salary: Salary or wages payable by (a) the State Treasurer upon a warrant of the Auditor of Public Accounts, out of any state, trust, or federal funds, (b) the Governor of the State through a disbursing officer of the State out of trust or federal funds, or (c) an Employer out of trust or federal funds, to any person for personal services currently performed.

Sec. 2.9 Earnings: An amount equal to the sum of (a) the total Salary paid to an Employee for the performance of personal services for an Employer as certified by such Employer on a regular payroll voucher, (b) the amount of the Employee contributions deducted from the Salary of such Employee, and (c) the value of any maintenance, board, living quarters, personal laundry, or other allowances provided by an Employer for such Employee in lieu of money; provided that if any Employer adopts a rule specifying that any extra compensation for summer teaching or other extra service not included in the regular annual Salary shall not be considered as Earnings, all amounts so specified shall be excluded.

Sec. 2.10 Final Rate of Earnings: The average Earnings during the period of the five (5) consecutive Fiscal Years in which the Earnings of an Employee were the highest, provided that Earnings prior to September 1, 1941, shall be considered to be equal to the average Earnings during the three (3) Fiscal Years immediately preceding September 1, 1941.

Sec. 2.11 Service: The period beginning on the first day upon which any person first became an Employee, whether such date is prior or subsequent to the enactment hereof, and ending on the date under consideration, excluding all the intervening periods during which such person was not in the employment of an Employer following resignation, dismissal, or expiration of any term of employment.

Sec. 2.12 Normal Contributions: The amounts required to be paid to this System by each Participating Employee as specified in Section 4.2.

Sec. 2.13 Additional Contributions: The amounts paid to this System by a Participating Employee which are in excess of the Normal Contributions as specified in Section 4.2.

Sec. 2.14 Accumulated Normal Contributions: The sum of all Normal Contributions received from a Participating Employee which are then credited to the account of such Employee, together with interest thereon at the Prescribed Rate for the respective years.

Sec. 2.15 Accumulated Additional Contributions: The sum of all Additional Contributions received from a Participating Employee which are then credited to the account of such Employee, together with interest thereon at the Prescribed Rate for the respective years.

Sec. 2.16 Accumulated Supplemental Credits: An amount equal to twice the accumulated value of the Normal Contributions which would have been made by an Employee during the entire period of Service prior to September 1, 1941, had this System been in effect all during such time, assuming (a) the earnings of such Employee to have been paid at a rate equal to the Final Rate of Earnings as of September 1, 1941, and, (b) all such contributions to have been accumulated with interest at the Prescribed Rate for the respective years.

Sec. 2.17 Annuity: A series of equal monthly payments payable at the end of each calendar month during the life of an Annuitant. The first payment shall be prorated for any fraction of a month elapsing at the end of the first month; but no payment shall be made for any fraction of a month elapsing at the time of death.

Sec. 2.18 Annuitant: A person receiving a Retirement, Reversionary, or Beneficiary Annuity from this System.

Sec. 2.19 Beneficiary: The widow of a Participant or of an Annuitant; or if no widow survives, the person or persons designated by the Participant or Annuitant in the last written designation on file with the Board; or if no person so designated survives, or if no designation is on file, the estate of the Participant or Annuitant.

Sec. 2.20 Normal Annuity: The portion of a Retirement Annuity arising out of the Accumulated Normal Contributions of the Participant as specified in Section 5.1.

Sec. 2.21 Additional Annuity: The portion of a Retirement Annuity arising out of the Accumulated Additional Contributions of the Participant as specified in Section 5.1.

Sec. 2.22 Current Annuity: The portion of a Retirement Annuity arising out of Employer Contributions for service after the establishment of this System as specified in Section 5.1.

Sec. 2.23 Supplemental Annuity: The portion of a Retirement Annuity arising out of the Accumulated Supplemental Credits of the Participant as specified in Section 5.1.

Sec. 2.24 Reversionary Annuity: The Annuity payable to a Beneficiary after the death of the Annuitant as specified in Section 5.2.

Sec. 2.25 Beneficiary Annuity: The Annuity payable to a Beneficiary after the death of a Participant or Annuitant as specified in Section 5.5.

Sec. 2.26 Actuarial Tables: Such tables as are adopted by the Board based upon the experience of the System, provided that for the purpose of determining the amounts of all Retirement Annuities, the Combined Annuity Table of Mortality for male lives shall be used until at least three (3) years of experience are available.

Sec. 2.27 Prescribed Rate of Interest: Three percent (3%) per annum compounded annually, or such other rate based on expected long term investment returns determined from the actual experience of the System over a period of not less than three (3) years, as shall subsequently be prescribed by the Board.

Sec. 2.28 Fiscal Year: The period beginning on September 1, in any year and ending on August 31, of the succeeding year.

ARTICLE 3. PARTICIPATION

Sec. 3.1 Employer: Each Employer as defined in Section 2.3 shall participate in and be subject to the provisions of this System beginning upon the Effective Date.

Sec. 3.2 Employee: Each person who is an Eligible Employee on September 1, 1941, and who then has attained age thirty (30) shall become a Participant in and be subject to the provisions of this System beginning on such date.

Each person who is an Eligible Employee on September 1, 1941, and who then has not attained age thirty (30) shall become a Participant in and be subject to the provisions of this System beginning on the first day of September immediately following the date upon which age thirty (30) is attained, unless prior to such date such person files with the Board a notice of election to participate, in which event participation shall begin on the first day of the payroll period immediately following receipt of such application.

Each person who becomes an Eligible Employee after September 1, 1941, who is then not a Participant, and who upon so becoming an Eligible Employee has attained age thirty (30) shall as a condition of employment become a Participant in and be subject to the provisions of this System beginning on the date such person becomes an Eligible Employee.

Each person who becomes an Eligible Employee after September 1, 1941, who is then not a Participant, and who upon so becoming an Eligible Employee has not attained age thirty (30), shall as a condition of employment become a Participant in and be subject to the provisions of this System beginning on the first day of September immediately following the date upon which age thirty (30) is attained, unless prior to such date such person files with the Board a notice of election to participate, in which event participation shall begin on the first day of the payroll period immediately following receipt of such application.

Participation of each such Eligible Employee shall continue until the date upon which such person becomes an Annuitant, dies, or accepts a Separation Benefit.

ARTICLE 4. REVENUE

Sec. 4.1 Employer Contributions: It is the intention of this Act that the State of Illinois will make contributions to this System by means of biennial appropriations of the amounts which together with the other contributions of Employers out of trust, federal, and other funds under their control, the Contributions of the Participating Employees, income from investments and other income of this System will be necessary to meet the costs of maintaining and administering this System in accordance with the provisions hereof:

(1) The total amount of the Employers Contribution for any fiscal year shall be the sum of the amounts estimated to be required, on the basis of the Actuarial Tables adopted by the Board and the Prescribed Rate of Interest to meet the Supplemental Annuities, Disability Benefits, Additional Death Benefits, and Expenses of Administration expected to be paid during the year and to result in the accumulation of assets at the end of the year equal to the sum of the following: (a) the liability for all Normal, Current, Additional, Reversionary, and Beneficiary Annuities expected to be paid to the then Annuitants, (b) the liability for all Accumulated Additional and Normal Contributions of the then Participants, (c) the single premium reserve required for all Current Annuities which have then accrued because of previous Earnings of the then Participants, (d) additional reserves which may reasonably be required because of variations in mortality, interest, and turnover experience, (e) an amount estimated to be necessary to meet the payments of Supplemental Annuities, Current Annuities, Disability Benefits, Additional Death Benefits, and Benefits in lieu thereof, and expenses for the succeeding year.

(2) The total Employer Contribution shall be apportioned among the various funds of the State and other Employers, whether trust, federal, or other funds, in accordance with actuarial procedures approved by the Board.

(3) Notwithstanding any of the foregoing provisions, the amount of contributions from Employers from funds other than trust and federal funds for any year shall not exceed an amount necessary to meet all payments of benefits payable during the year, and to make the assets of the System at the end of the year equal to the sum of the Accumulated Normal and Additional Contributions and the single premium reserve required for Normal and Additional Annuities or Benefits in lieu thereof, the liabilities arising out of Employer contributions from trust and federal funds, and the amounts provided for in (d) and (e) of paragraph (1) hereof.

Sec. 4.2 Employee Contributions: Each Participating Employee shall make Normal Contributions to this System of three and one-half percent (3½%) of each payment of Earnings applicable to employment on and after September 1, 1941.

Subject to such conditions and limitations as may be determined by rules prescribed by the Board, any Participating Employee may make Additional Contributions of such percentages of Earnings as such Employee shall elect in a written notice thereof received by the Board.

ARTICLE 5. BENEFITS

Sec. 5.1 Retirement Annuities: Any Participant whose employment by all Employers is terminated on or after the attainment of age 55, regardless of cause, shall be entitled to a Retirement Annuity beginning on the date specified by such participant, in a written application therefor, provided:

(a) The date upon which the Annuity begins is not prior to: the date of final termination of employment of such Participant, the date thirty (30) days preceding the receipt of such application by the Board, or September 1, 1942, in any event.

(b) The Participant has attained at least the age of sixty (60), or has attained at least the age of fifty-five (55) and has been certified by both the Employer and the Board as being entitled to a Retirement Annuity.

(c) The Participant is not receiving nor is entitled to receive at the time any regular compensation for personal services currently performed under continuous employment.

(d) The Participant would be entitled to an Annuity of at least Ten Dollars (\$10.00) per month on the date upon which the Annuity begins.

Each Participating Employee who has attained the age of sixty-eight (68) prior to September 1, 1942, shall be retired from employment by all Employers on such date and any Participating Employee attaining the age of sixty-eight (68) thereafter shall be retired no later than the first day of September immediately following the attainment of such age; provided that, upon the written request of the Employee and upon certification of the Employer, in exceptional cases and for substantial cause, such retirement shall be deferred for a period not to exceed one year at any one time; and provided that this paragraph shall not become applicable to any of the State Normal Universities or Teachers' Colleges until September 1, 1945.

The amount of the Retirement Annuity to which any Participant is entitled, shall be the sum of the following, all determined from credits applicable to such Participant in accordance with the Actuarial Tables and the Prescribed Rate of Interest in effect at the time:

(a) A Normal Annuity equal to the Annuity which can be provided from the Accumulated Normal Contributions on the date the Annuity begins,

(b) An Additional Annuity equal to the Annuity which can be provided from the Accumulated Additional Contributions, if any, on the date the Annuity begins,

(c) A Current Annuity equal to twice the Normal Annuity; provided that such Current Annuity shall not exceed the Current Annuity which would have been provided on the date the Participant attained age sixty-eight (68), and provided that such Current Annuity shall not exceed an amount which would

make the total of the Normal and Current Annuities exceed sixty percent (60%) of the Final Rate of Earnings of the Participant, and

(d) For a Participant who was an Eligible Employee at any time during the year immediately preceding September 1, 1941, who became a Participant on or before September 1, 1942, who has contributed to this System for a period of at least one year, and who has not previously accepted a Separation Benefit, a Supplemental Annuity equal to the Annuity which can be provided from the Accumulated Supplemental Credits of such Participant on the date the Annuity begins; provided that for any such Participant having fifteen (15) or more years of Service whose employment with all Employers is hereafter terminated on or after the attainment of age sixty-eight (68) regardless of cause, or, on or after the attainment of age sixty-five (65) in exceptional cases and for substantial cause at the request of the Employee and upon certification of the Employer, such Supplemental Annuity shall not be less than an amount which would make the total of the Normal, Current, and Supplemental Annuities equal to twenty-five percent (25%) plus one percent (1%) for each year of Service, of the Final Rate of Earnings of the Participant; and provided that in no event shall such Supplemental Annuity exceed an amount which would make the total of the Normal, Current, and Supplemental Annuities exceed fifty percent (50%) of the Final Rate of Earnings of the Participant, nor the maximum amounts fixed in any retirement plan in operation by any Employer at the time of the approval of this Act.

If any Participant elects to have a Reversionary Annuity paid in accordance with Section 5.2, the Retirement Annuity otherwise payable shall be reduced by the actuarial equivalent of the amount required to provide such Reversionary Annuity.

Notwithstanding the fact that Retirement Annuities are payable for life, if any person receiving a Retirement Annuity should receive or become entitled to receive any Salary for personal services currently performed under continuous employment at regular compensation, the Retirement Annuity shall cease during the period for which such Salary is payable. Such Annuity shall, however, be resumed again at the same rate when such Salary thereafter ceases to be payable. Nothing contained in this Act, however, shall prevent an Annuitant from concurrently receiving an annuity, pension, or retirement benefit from any other retirement system or systems, provided that if any such other annuity, pension, or retirement benefit is or has been provided either in whole or in part by contributions of the State, or of any agency thereof, the amount of the Current and Supplemental Annuity provided in this Act shall be reduced by the amount which is actuarially equivalent to the portion of such Current and Supplemental Annuity which arises out of all service considered in the determination of such other annuity, pension, or retirement benefit.

Sec. 5.2 Reversionary Annuities: Any Participant entitled to a Retirement Annuity may elect to provide a Reversionary Annuity for a Beneficiary who in the opinion of the Board is dependent upon the Participant at the time the Retirement Annuity begins, provided that (a) written notice thereof by the Participant is received by the Board together with or prior to the application of the Participant for a Retirement Annuity, (b) the Participant furnishes such evidence of good health as the Board may require at the time such election is made, and (c) the amount of the Reversionary Annuity specified in such notice is not less than Ten Dollars (\$10.00) per month, nor more than the amount of the reduced Retirement Annuity to which the Participant is entitled.

The amount of such Reversionary Annuity shall be that specified in the notice of election by the Participant to have such Annuity paid. Any such Reversionary Annuity shall begin on the day following the day upon which the last payment of the Retirement Annuity is payable because of death, provided the Beneficiary is alive at such time. If the Beneficiary does not survive the Annuitant, no Reversionary Annuity shall be payable but only the Death Benefit as provided in Section 5.4.

Sec. 5.3 Disability Benefits: Any Participating Employee who, because of mental or physical disability arising from any cause, becomes unable to perform the duties of any assigned position the Earnings of which would be at least

equal to the Disability Benefit payable hereunder, for any period exceeding sixty (60) days, shall be entitled to Disability Benefits; provided that in the case of an Employee of an Employer other than the State Scientific Surveys disability occurs on or after March 1, 1942, and in the case of an Employee of the State Scientific Surveys disability occurs on or after September 1, 1943.

Disability Benefits shall begin to accrue on the sixty-first (61st) day following the date upon which disability was incurred, unless a written application therefor is not received by the Board within thirty (30) days of such accrual date in which event benefits shall begin to accrue on the date thirty (30) days prior to the receipt of such application.

Disability Benefits shall continue until (a) disability ceases, (b) Earnings in excess of the payments of Disability Benefits again become payable, (c) refusal of the disabled Employee to submit to a reasonable physical examination by any physician approved by the Board, (d) refusal of the disabled Employee to accept any position, assigned in good faith by an Employer, the duties of which could reasonably be performed by the Employee and the Earnings of which would be at least equal to the Disability Benefit payable hereunder, (e) attainment of the age at which the Employee would immediately be entitled upon termination of employment to a Retirement Annuity of at least fifty percent (50%) of the rate of Earnings upon which the Disability Benefit is based, or (f) the total amount of Disability Benefits paid to any disabled Employee shall equal fifty percent (50%) of the total Earnings of such disabled Employee during the period of service credited under this System at the time.

A Participating Employee shall be considered disabled only during the period for which the Board shall have received (a) a written certificate by at least two (2) licensed and practicing physicians appointed by the Board indicating that the Employee is disabled and unable to reasonably perform the duties of the position assigned to such Employee by the Employer and (b) a written certificate by the Employer that such Employee is in the employment of the Employer and will be returned to active duty if and when the disability ceases, that such Employee is disabled and as a consequence is unable to perform the duties of any assigned position the Earnings of which are in excess of the Disability Benefits payable hereunder, and that the disability is not a result of a mental or physical condition of the Employee existing at the first date of participation of such Employee in this System.

The amount of any Disability Benefit shall be fifty percent (50%) of the Earnings which would have been paid to the Employee had such Employee continued in Service for the entire period during which Disability Benefits are payable upon the assumption that the rate of Earnings during this entire period is equal to the rate of Earnings of the Employee at the time disability occurred; provided that in no event shall such amount exceed the amount which would have been paid had the rate of payment been the maximum amount fixed for retirement applicable to the position held by such Employee in any retirement plan in operation by any Employer at the time of approval of this Act; and provided that if any Earnings, any Workmen's Compensation payments, or any Salary for services currently performed for the State or any agency thereof are received by the Employee during any period for which such Disability Benefits are payable, the amount payable by this System shall be reduced by the amount of such Earnings, Workmen's Compensation, or Salary payments.

All Disability Benefits shall be paid once a month as of the end of each calendar month during which such payments accrue. Payments for fractional parts of a month shall be determined by prorating the total amount payable for the full month on the basis of days elapsing during such month.

In addition to the Disability Benefits payable to any disabled Employee, an additional amount equal to the excess of the Normal Contributions which would have been made by such Employee during the period for which Disability Benefits are payable, on the basis of the rate of Earnings at the time disability occurred, over the actual Normal Contributions made by such Employee, if any, during such period, shall be credited to the account of such Employee as though such amount were a Normal Contribution of the Employee for such period.

Sec. 5.4 Death Benefits: The Beneficiary of any Participant, upon the death of such Participant, shall be entitled to a Death Benefit of an amount equal to the sum of the Accumulated Normal Contributions and the Accumulated Additional Contributions of the Participant on the date of death.

The Beneficiary of any Participating Employee, if such Beneficiary is in the opinion of the Board dependent upon the Employee at the time of death, upon the death of any such Employee shall be entitled to an Additional Death Benefit equal to the excess, if any, of an amount which is equivalent to an annual payment of Earnings at the Final Rate of Earnings applicable to such Employee but not less than Two Thousand Dollars (\$2000) nor more than Five Thousand Dollars (\$5000), over the amount of the Accumulated Normal Contributions on the date of death; provided that in the case of an Employee of an Employer other than the State Scientific Surveys death occurs on or after September 1, 1941, and in the case of an Employee of the State Scientific Surveys death occurs on or after September 1, 1943.

The Beneficiary of any Annuitant receiving a Retirement Annuity, upon the death of such Annuitant, shall be entitled to an Additional Death Benefit equal to whichever of the following is the greater: (a) the excess, if any, of the sum of the Accumulated Normal Contributions and the Accumulated Additional Contributions upon the date of retirement over the sum of all Annuity payments made prior to the date of death, (b) an amount equal to six times the monthly Supplemental Annuity payable to such deceased Annuitant, or (c) Five Hundred Dollars (\$500).

All Death Benefits shall be paid in the form of a single cash sum or in such other manner as the Beneficiary and the Board shall mutually agree, except where an Annuity is payable under Section 5.5. Whenever any Death Benefit is payable as a single cash sum, it shall be paid to the Beneficiary as soon as practicable after receipt by the Board of (a) a written application by the Beneficiary for such benefit and (b) such evidence of death and identification as the Board shall require.

Sec. 5.5 Beneficiary Annuities: If the Beneficiary is the widow; or if the Beneficiary is other than the widow and (a) the Beneficiary has specified in the application for the Death Benefit, or (b) the deceased has specified in a written notice on file with the Board prior to the date of death that the benefits shall be paid as an Annuity, or as a cash payment and an Annuity, provided that the Annuity is at least Ten Dollars (\$10.00) per month for the Beneficiary; the Death Benefit provided in Section 5.4 shall be paid in the form of a cash payment as specified, if any, plus an Annuity of such amount as can be provided from the amount of the Death Benefit on the date such Annuity begins which is in excess of the amount of such cash payment.

Whenever any Death Benefit is payable in the form of a Beneficiary Annuity, such Annuity shall begin on the day following the date of death of the Deceased provided the Board has received (a) a written application by the Beneficiary for such benefit and (b) such evidence of death and identification as the Board shall require.

Sec. 5.6 Separation Benefits: Any Participant whose employment with all Employers has been terminated, regardless of cause, shall be entitled to a Separation Benefit upon application therefor; provided that, on the date such application is received by the Board, such Participant (a) would not immediately be entitled upon application to a Retirement Annuity hereunder and (b) is not then receiving or is entitled to receive any Salary for personal services currently performed for the State or any agency thereof.

The amount of any Separation Benefit shall be the sum of the Accumulated Normal Contributions and the Accumulated Additional Contributions credited to the Employee on the date employment is terminated.

Upon acceptance of a Separation Benefit, all existing Accumulated Normal Contributions, Accumulated Additional Contributions, and Accumulated Supplemental Credits of the Participant shall be terminated and such credits shall not be reinstated upon subsequent participation of such Participant in this System, or for any other cause.

ARTICLE 6. ADMINISTRATION

Sec. 6.1 Board of Trustees: This System shall be construed to be a public Trust, the Board as trustee thereunder shall be separate and distinct from all other entities, and such trust shall be maintained for the purpose of securing payment of the benefits to the Participants, Annuitants, and their Beneficiaries as prescribed herein.

This System shall be administered by the Board of Trustees of the University Retirement System constituted as specified in Section 2.2. The Board shall be separate and distinct from all other entities and shall be deemed a public corporation of the State of Illinois with power to enter into contracts, accept and make transfers of property, real and personal, to conduct in its corporate name all proceedings at law or in equity which in the judgment of the members of the Board may be necessary to protect the interests of the State and of the intended beneficiaries under this Act, and generally to accomplish the objects and purposes thereof.

Each person whether appointed as a trustee or becoming a trustee ex-officio shall take an oath of office before a Notary Public of the State of Illinois and shall qualify as a trustee upon the presentation to the Board of a certified copy of such oath. The oath of office shall state that the person so taking such oath will diligently and honestly administer the affairs of this retirement system, and will not knowingly violate or wilfully permit to be violated any of the provisions of this Act.

All members of the Board shall serve without compensation but shall be reimbursed for any travelling expenses incurred in attending meetings of the Board.

Sec. 6.2 Powers and Duties of Board: The Board shall have, in addition to all other powers and duties arising out of this Act not otherwise specifically reserved or delegated to others, the following specific powers and duties, and is hereby authorized and directed to:

(a) Hold regular meetings at least quarterly in each year and such special meetings at such times as the President or a majority of the Board may deem necessary.

(b) Consider and pass on all applications for annuities and benefits, authorize the granting of all annuities and benefits, and limit or suspend any payment or payments, all in accordance with the provisions of this Act.

(c) Certify the Prescribed Rate of Interest, prescribe rules for the determination of the value of maintenance, board, living quarters and personal laundry, and other allowances to Employees in lieu of money, and adopt all necessary Actuarial Tables.

(d) Submit to the Governor of the State on or before November 1st, of each year prior to each regular session of the Legislature, an estimate of the amount of appropriation required from State funds for the purposes of this System for the following biennium, and certify to the Auditor of Public Accounts or Employer as the case may be from time to time by its President and Secretary with its seal attached the amounts payable to the Retirement System from the various funds.

(e) Be the custodian of all cash and securities belonging to the System, invest and reinvest all cash not required to meet current disbursements, in securities in accordance with Section 6.9.

(f) Require such information as shall be necessary for the proper operation of the System from any Participant or Beneficiary or from any Officer, Department Head, or other person or persons in authority, as the case may be, of any Employer.

(g) Elect Officers, appoint a Secretary and Treasurer, have a seal, employ such actuarial, legal, or medical services, or corporate trustee organized under the laws of the State of Illinois with a capital of not less than one million dollars (\$1,000,000), or investment counsel and other persons as shall be required for the efficient administration of the System, and determine and fix the rate of pay of such persons or agencies.

(h) Keep a permanent record of all proceedings of the Board, which record shall be available for examination by any Participant, Annuitant, or

Officer of the State of Illinois, a separate account for each individual Participant and Annuitant, adequate accounting records which shall at all times reflect the financial condition of the system, and such additional data as shall be necessary for required calculations and valuations.

(i) Receive all payments made to the System, make a record thereof, and cause them to be deposited immediately with the treasurer of the System.

(j) Provide for certification on its behalf by its President and Secretary of all warrants upon its treasurer in accordance with actions of the Board authorizing payments for benefits, expenses, and investments out of funds belonging to this System.

(k) Cause a general investigation to be made by a competent actuary during the first year of operation of the System, and at least once every three (3) years thereafter, of the retirement, disability, separation, mortality, interest, and employee earnings rates; recommend, as a result of each such investigation, the tables to be adopted for all required actuarial calculations; and cause an annual determination to be made by a competent actuary of the liabilities and reserves of the System and an annual determination of the amount and distribution of the required Employer Contributions.

(l) Cause an audit of the affairs of the System to be made annually by an independent Certified Public Accountant, and submit a copy thereof to the Governor of the State as soon as possible after the end of each fiscal year.

(m) Make available to the Participants and Annuitants a financial statement including a summary of the report of the Certified Public Accountant, and submit an individual statement indicating the amount of accumulations to the credit, as of the latest date practicable, of any Participant so requesting.

(n) Accept any gift, grant, or bequest of any money or securities for the purposes designated by the grantor, if such purpose is specified as providing cash benefits for some or all of the Participants or Annuitants of the System, or if no such purpose is designated, for the purpose of reducing the costs of the State.

(o) Establish by-laws, fix the number necessary for a quorum, set up an Executive Committee of its own members which shall have all the powers of the Board except as limited by the Board, establish such rules and regulations, not inconsistent with the provisions of this Act, as are deemed necessary and advisable for the efficient administration of the System, and generally carry on any other reasonable activities which are deemed necessary to accomplish the intent of this System in accordance with the provisions of this Act.

Sec. 6.3 Duties of the State Auditor of Public Accounts: The Auditor of Public Accounts in drawing warrants for items of salary on payroll vouchers certified after September 1, 1941, by Employers included in this Act shall draw such warrants to Participating Employees for the amount of salary or wages specified for the period less the Employee Contribution to be deducted therefrom as set forth in such payroll vouchers and shall draw a warrant for the total of the Employee Contributions so withheld from the Participating Employees on each such payroll voucher to this System. In lieu of one warrant for the total of the Employee Contributions to this System, the Auditor of Public Accounts may draw a separate warrant payable to each Employee for the amount of the required contribution of such Employee so that each Employee will receive the total salary or wages specified in the payroll voucher in two warrants, one for the total salary or wages less the required contribution and one for the amount of the required contribution. All warrants covering contributions to this System, together with the additional copy of the payroll supplied by the Employer shall be transmitted immediately to the Board.

The Auditor of Public Accounts of the State of Illinois is authorized and directed to draw warrants upon the State Treasurer payable from funds appropriated for the purposes specified in this Act upon the presentation of vouchers approved by the Board.

Sec. 6.4 Duties of Director of Finance: The Director of Finance, in considering all payroll vouchers which are required under the provisions of "An Act in relation to State Finance," approved June 10, 1919, as amended, to be approved by the Department of Finance before warrants are drawn by the Auditor of Public Accounts, shall not approve such payroll vouchers if they

are not prepared in accordance with Section 6.3 and shall not withhold approval of any payroll because it is prepared in accordance with Section 6.3.

Sec. 6.5 Civil Service Commission: The Civil Service Commission, in considering all payroll vouchers which are required under provisions of "An Act to regulate the Civil Service of the State of Illinois," approved May 11, 1905, as amended, to be approved by the Civil Service Commission before warrants are drawn by the Auditor of Public Accounts, shall not approve such payroll vouchers if they are not prepared in accordance with Section 6.3 and shall not withhold approval of any payroll because it is prepared in accordance with Section 6.3.

Sec. 6.6 Duties of Employers: Each Employer is hereby authorized and directed in the preparation of all payroll vouchers covering payments of salary to Participating Employees for employment on and after September 1, 1941, to indicate in addition to other things, (a) the amount of Employee Contributions specified in Section 4.2 which are to be deducted from the salary of each Participating Employee included in each such payroll voucher, (b) the net amount payable to each such Employee after the deduction of such contribution, and (c) the total of all Employee Contributions so deducted. An additional certified copy of each payroll certified by each such Employer, shall be prepared and forwarded along with the original payroll to the Director of Finance, Auditor of Public Accounts, or other officer receiving the original certified payroll for transmittal to the Board as herein provided.

Each Employer, in drawing warrants against trust or federal funds for items of salary on payroll vouchers certified by Employers included in this Act after September 1, 1941, shall draw such warrants to Participating Employees for the amount of salary or wages specified for the period less the Employee Contribution to be deducted therefrom as set forth in such payroll vouchers and shall draw a warrant for the total of the Employee Contributions so withheld from the Participating Employees on each such payroll voucher to this System. The warrant drawn to this System, together with the additional copy of the payroll supplied by the Employer shall be transmitted immediately to the Board.

Sec. 6.7 Special Funds: Each Employer having special trust or federal funds in its possession and control is hereby authorized and directed, to the extent not inconsistent with (a) the conditions of trust agreements governing any such trust funds and (b) the provisions of laws governing any such federal funds, to make Employer Contributions out of such funds to this System of the amounts certified in accordance with this Act.

Sec. 6.8 Investments of Assets: The cash assets of the System in excess of the amount required for current operations shall be invested and reinvested in the following types of securities:

(a) Obligations of the United States and obligations the interest and principal of which are unconditionally guaranteed by the United States.

(b) Obligations of any state, or of any political subdivision in Illinois, or of any county or city in any other state having a population as shown by last federal census of not less than 30,000 inhabitants provided that such political subdivision is not permitted by law to become indebted in excess of ten (10) percent of the assessed valuation of property therein and has not defaulted for a period longer than thirty (30) days in the payment of interest or principal on any of its general obligations or indebtedness during a period of ten (10) calendar years immediately preceding such investment.

(c) Notes or bonds, secured by first mortgage or trust deed of real estate in Illinois, whether constituting all or a part of the issue so secured where such issue outstanding and unsubordinated shall not exceed fifty percent of the value of such real estate at the time of purchase of the notes or bonds; provided, however, that where bonds or notes of less than the entire issue are purchased, all of such notes or bonds then outstanding and unsubordinated shall be on a parity one with another and the mortgage or trust deed securing the same shall provide that each owner of any such bond or note, in the event of default, may institute a legal or equitable action to collect upon such bond or note.

(d) First mortgage bonds of any corporation of any State or other obligations of any such corporation which has no outstanding mortgage liens upon a

substantial part of its property, which corporation shall not have defaulted in payment of interest or principal on any of its obligations outstanding in the hands of the public during the period of five years preceding the date of purchase.

The term "first mortgage bonds" shall include bonds issued in whole or at least fifty percent in part to refund first mortgage bonds eligible for investment hereunder at the time of refunding.

No investment shall be made in securities specified in paragraphs (c) and (d) of this Section which will make the then total book value of all assets invested in such securities exceed sixty (60) percent of the total book value of all assets of the System at the time, and no investments shall be made in the securities of any corporation engaged primarily in operating real estate.

Any limitations herein set forth shall be applicable only at the time of purchase and shall not require the liquidation of any investment at any time.

All investments shall be clearly marked to indicate ownership by the System and to the extent possible shall be registered in the name of the System.

All investments shall be carried at a book value such that the yield, computed as a uniform interest rate compounded annually or semiannually, as the case may be, will remain uniform to maturity. No adjustments shall be made in investment valuations for ordinary current market price fluctuations; but reserves may be provided for anticipated losses upon redemption as determined by the Board.

All additions to assets received as income, interest, and dividends from deposits and investments authorized by this Act shall be added to other assets and used to pay benefits in accordance with the provisions of this Act.

Except as otherwise herein provided, no member or employee of the Board shall have any direct interest in the income, gains, or profits of any investments made by the Board, nor shall any such person receive any pay or emolument for services in connection with any investment. No member or employee of the Board shall become an endorser or surety, or in any manner an obligor for money loaned or borrowed from the System. Proof that any such person shall have violated any of these restrictions shall make such person guilty of a misdemeanor or larceny as the case may be, and such person shall be punishable therefor as provided by law.

ARTICLE 7. MISCELLANEOUS

Sec. 7.1 Authorizations: Each Participating Employee shall, by virtue of the payment of the Normal Contributions required to be paid to this System, receive a vested interest in the Normal and Additional Annuities, Death Benefits excluding Additional Death Benefits, and Separation Benefits provided in Article 6, and each such Employee in consideration of such vested interest shall be deemed to have authorized and agreed to the deductions from the payments of salary of all contributions payable by such Employee to this System in accordance with this Act.

Payment of salary as prescribed by law or as contracted by an Employer less the amounts of contributions provided in this Act shall, together with the specified vested rights in the benefits provided by this System, be a full and complete discharge of all claims of payments for service rendered by an Employee during the period covered by any such payment, and payments of Employer Contributions to this System or of benefits from this System shall not be considered as a violation of Section 9 (3) of "An Act in relation to State Finance," approved June 10, 1919, as amended.

Sec. 7.2 Violation of Contract: The provisions of this Act, however, shall not apply to any person who on the Effective Date hereof has a contract of employment with an Employer which would be violated by the requirement of participation as specified in Section 3.2 unless such person elects to participate herein. Each such person who shall have had Contributions deducted under this System or who shall have been notified of the creation of this System, shall be deemed to have elected to participate unless such person files with the Board prior to December 1, 1941, a written notice of election not to participate. Any person so electing not to participate shall forever thereafter be precluded from participating in this System.

Sec. 7.3 Obligations of State: It is the intention that the payment of (a) the required State Contributions, (b) all benefits granted under the provisions of this System, and (c) all expenses in connection with the administration and operation thereof are made obligations of the State of Illinois to the extent specified in the provisions of this Act.

Sec. 7.4 Undivided Interest: The assets of the System shall be invested as one fund, and no particular person, group of persons or entity shall have any right in any specific security or property or in any item of cash, other than an undivided interest in the whole as specified in the provisions of this Act as it now exists or is subsequently amended.

Sec. 7.5 Assignments: All annuities and other benefits payable under the provisions of this Act and all accumulated credits of Employees in this System shall be unassignable and shall not be subject to execution, garnishment, or attachment.

Sec. 7.6 Fraud: Any person who shall knowingly make any false statement, or shall falsify or permit to be falsified any record or records of this System, in any attempt to defraud the System, shall be guilty of misdemeanor, and shall be punishable therefor under the laws of the State of Illinois.

Sec. 7.7 Reinsurance: The Board shall have the power at any time that it appears desirable and advantageous, to contract with any recognized and solvent legal reserve life insurance company for the payment of any benefits specified in this Act, provided such contract applies alike to all persons of the same class and does not cause any discrimination nor create conditions which will substantially limit or reduce the equity or security of any other Participant or Annuitant in the System at the time. In the event any such contracts are entered into, the Board shall have power to certify vouchers for the payment to any such contractor out of funds belonging to this System of the amounts to be paid under such contracts.

Sec. 7.8 Source of Employers Contributions and Authority to Expend: The contributions of the State of Illinois provided for herein shall be payable from appropriations made to the Employers subject to this Act which may be lawfully expended for such purposes. The Auditor of Public Accounts is hereby authorized and directed to draw warrants for such sums payable to the Treasurer of the System upon proper certification on behalf of each Employer in accordance with the Acts making such appropriations.

Sec. 7.9 Separability Provisions: If any section, paragraph, sentence, or clause of this Act is, regardless of cause, held to be invalid or unconstitutional, the remaining sections, paragraphs, sentences, and clauses shall continue in full force and effect and shall be construed thereafter as being the entire provisions of this Act.

SENATE BILL 492

(Reported to the Board of Trustees August 5, 1941, Minutes, page 414)

AN ACT to amend Section II of "An Act to regulate the civil service of the State of Illinois," approved May 11, 1905, as amended, and to add Section 36a thereto.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Section II of "An Act to regulate the civil service of the State of Illinois," approved May 11, 1905, as amended, is amended, and Section 36a is added thereto, the amended and added sections to read as follows:

Sec. 11. The following officers, positions, and places of employment shall be exempt from the classified civil service of the State:

- (1) All officers elected by the people.
- (2) All judges and officers appointed by judges of any court, clerks of court, all officers and employees of the General Assembly or either house thereof, and notaries public.
- (3) All offices, positions, and places of employment in the military service of the State.
- (4) All notaries public.
- (5) All officers appointed by the Governor by and with the advice and consent of the Senate.
- (6) One private secretary and one stenographer for each elective officer in the executive department, and one private secretary for each director of a department created by the Civil Administrative Code of Illinois and for the president of each State normal school.
- (7) All regular and special Assistants Attorneys General, all law clerks, special investigators and all special attorneys employed by the Attorney General, including the inheritance tax attorney of Cook County and assistant inheritance tax attorneys of Cook County.
- (8) All presidents, deans, principals, professors, instructors, scientific staff, and other teachers of the State normal schools, and of the State Scientific Surveys.
- (9) All employees at the executive mansion.
- (10) The superintendent and assistant superintendent of the Capitol building and grounds.
- (11) All bank examiners, examiners of building and loan associations, insurance actuaries, and examiners of insurance companies.
- (12) All superintendents, wardens, and chaplains in the State charitable, penal, and correctional institutions.
- (13) All regularly licensed veterinary surgeons employed by or under the supervision of the Department of Agriculture.
- (14) All clerks, watchmen, and policemen employed in the offices of the elective officers in the executive department and the office of the Clerk of the Supreme Court.
- (15) In the State normal schools, and in the State Scientific Surveys, students may be employed under the rules of the Civil Service Commission without examination or certification.
- (16) The President of the University of Illinois and all employees thereof shall be exempt from the classified civil service of the State as heretofore in this Act established but shall be subject to the provisions of Section 36a of this Act relating to the classified civil service of the University.

Section 36a. The Board of Trustees of the University of Illinois shall, as soon as possible, and within six months after the effective date of this amendatory act, and as often thereafter as may be necessary because of new positions, classify by rules adopted for that purpose all non-academic positions and employments in the University of Illinois, except the President of the University, the officers of the Board, administrative officers, and professional and scientific positions, with reference to the duties thereof for the purpose of establishing grades, salary scales, and standards of examinations therefor. Such positions and employments shall constitute the classified civil service of the State in relation to the University of Illinois, and no appointments shall be made except in accordance with the provisions of such rules.

All persons who are employees of the University of Illinois and subject to civil service regulations in force when this amendment goes into effect shall be classified by the Board of Trustees of the University of Illinois without additional examinations, and shall continue to be civil service employees of the University subject to rules and regulations lawfully adopted by said Board.

No officer or employee in the classified civil service under the provisions of this section shall be removed or discharged, except for just cause, upon written charges, and after an opportunity to be heard in his own defense. Such charges shall be investigated and heard by or before said Board. The finding

and decision of such Board shall be certified to the appointing officer and shall be forthwith enforced by such officer. In the course of an investigation of charges, each member of the Board and the Secretary shall have the power to administer oaths and shall have power to secure by subpoena both the attendance and testimony of witnesses and the production of books and papers relevant to such investigation.

The Board shall prescribe the duties of each employment or office and place it in the classified service under the provisions of this section, and designate by rule the grade of each position. The Board shall prescribe standards of efficiency for each grade and for examination of candidates for appointment thereto. For the purpose of establishing uniformity in the same grades, the Board shall prescribe the maximum and minimum pay for each grade and the title thereof. The Board shall standardize employment in each grade and make and keep a record of the relative efficiency of employees in the classified civil service. The Board shall make and publish rules, which it may change from time to time, to carry out the purpose of this section, and for examination, appointments, transfers, and removals, and for maintaining adequate records as herein required. Such rules shall be distributed by the Board, and it shall give notice of the places where such rules may be obtained by publication in one or more daily newspapers published in each of the seven largest cities in the State according to the last general census published by the United States. Copies of all said rules and of all changes therein certified by the Board shall be sent to the county clerk of each county in the State, where they shall be open to inspection by the public at all reasonable hours.

All applicants for the classified service under the provisions of this section shall be subjected to examination which shall be fair and competitive, open to all citizens resident in the State of Illinois who can qualify for this classified service, under the rules of the Board concerning residence, age, sex, health, personal habits and appearance, moral character, training, education, and qualifications to perform the duties of the positions to be filled. In examinations for technical positions residence may be waived. Such examinations shall be practical, relate to the classification for which the examination is given, and shall fairly test the relative capacities of the persons examined to discharge the duties of the positions to which they seek appointment. No question in any examination shall relate to political or religious affiliations or racial origins of the examinee.

The Board shall conduct such examinations and control the same, and may delegate the duty of preparing questions and grading answers to duly qualified and disinterested members of its faculty or staff, for which work no additional compensation shall be paid. Notice of the time and place of such examinations, with a statement of the scope thereof, shall be published at least two weeks before such examination in one or more daily newspapers of general circulation published in each one of the seven largest cities of the State according to the last general census published by the United States. Written or printed notice of every examination shall also be sent to the county clerk of every county in the State, who shall post the same promptly in a conspicuous place in the courthouse of each county.

From the results of such examinations, the Board shall prepare and keep a register for each class or grade of positions in the classified civil service under the provisions of this section, of those persons who have become eligible through such examinations for such positions, and such persons shall take rank upon said register in the order of their relative excellence as determined by said examinations.

The Board shall, by its rules, provide for promotions, whether to fill vacancies or otherwise, solely on the basis of ascertained merit. To that end it shall fix lines of promotion wherever practicable. Whenever a position in the classified civil service under the provisions of this section is to be filled the Board shall certify to the appointing officer the names and addresses of the three persons standing highest upon the register for the class or grade to which said position belongs. Sex shall be disregarded except when the nature of the position requires otherwise. Appointments shall be on probation for a period

of not more than six months, to be fixed by said rules, and persons so appointed may be discharged at any time during the period of probation, if, in the opinion of the Board, they have not shown sufficient aptitude to continue.

When there is no eligible list the Board may make temporary appointments to remain in force only until regular appointments under the provisions of this section can be made. Examination for such appointments must be given within six months from the date of such temporary appointments and an eligible list established within a reasonable time thereafter. For positions which are temporary or of an emergency nature the Board may make temporary appointments for a period not exceeding thirty days.

In all removal proceedings any member of the Board and its Secretary may administer oaths. When it is necessary to reduce the number of employees, persons last appointed shall be the first laid off, and their names shall be placed on a reinstatement list for reemployment in the order in which they were laid off, such reemployment to take precedence over any register of eligibles in existence at the time of the lay-off. All temporary employees shall be laid off first.

The prohibitions and penalties in Sections 19, 20, 21, 22, 23, 24, 25, 26, 32, and 33 of this Act shall apply to the Board, its members, officers, and employees, and to all persons in the classified civil service under the provisions of this section. All prosecutions hereunder shall be instituted and conducted by the state's attorney of the county where the offense occurred. In case of conviction under Section 33 of this Act, the office or position held by the person convicted shall become vacant.

¹To be increased during the last few months of the fiscal year ending June 30, 1942, if any balances are available due to unused salaries accruing from vacancies in the Extension Service. (This does not mean any increase in the salaries of the farm advisers, but an increase in the amount of the advisers' salaries paid from Smith-Lever funds, including Bankhead-Jones.)

²The State appropriation for the fiscal year July 1, 1941, to June 30, 1942, will be paid by the State Department of Agriculture on the salary of the county farm advisers following monthly certification for salary signed by the Director of Extension.

³The county farm advisers also receive additional salary from the local Farm Bureaus.

Allen, Executive Dean of the Chicago Departments, Judge Sveinbjorn Johnson, Counsel, Mr. C. S. Havens, Director of the Physical Plant Department, and Mr. J. F. Wright, Director of Public Information.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of August 5, 1941.

On motion of Mr. Davis, the minutes were approved as printed on pages 409 to 601 above.

MATTERS PRESENTED BY PRESIDENT WILLARD

The Board considered the following matters presented by the President of the University.

AWARD OF C. P. A. CERTIFICATES

NEW APPOINTMENTS OF PROFESSORIAL OR OTHER MAJOR RANKS

(2) A report of the following new appointments of professorial or other major ranks:

Dr. Henry George Homer Halvorson, formerly Reference Assistant at the Harvard College Library, to be Associate University Librarian for one year from September 1, 1941, at a salary of \$4,500.

Dr. Milward Baylis, formerly Instructor at Johns Hopkins School of Hygiene, to be Assistant Professor of Bacteriology and Public Health, in the College of Medicine, for two years from September 1, 1941, at a salary of \$3,000 a year.

On motion of Mr. Karraker, these appointments were approved.

CANCELLATION OF SABBATICAL LEAVE OF ABSENCE FOR PROFESSOR M. GOLDBABER

(3) On January 22, 1941 (Minutes, page 153), Assistant Professor M. Goldhaber of the Department of Physics was granted a sabbatical leave of absence for the first semester of 1941-1942 on one-half pay and for the second semester without pay. This leave was granted with the provision that it would be subject to cancellation by the President of the University if a shortage of personnel and inability to find a satisfactory substitute made it inadvisable for Professor Goldhaber to be away. On advice of the Head of the Department of

Physics that the absence of other members of the Department who are on leave for national defense work requires Professor Goldhaber's services to carry on the educational program of the Department, his leave has been cancelled and he will be in active service during the year 1941-1942.

On motion of Mr. Adams, this action was approved.

LEAVES OF ABSENCE

(4) A recommendation that the following leaves of absence be granted to members of the staff for the reasons and periods and under the conditions indicated in each case:

Homer A. McNabb, Maintenance and Repair Helper in the Physical Plant Department, leave of absence without pay for a period of sixty days from May 31, 1941, on account of personal business.

Thomas E. Campbell,¹ Laborer in the Physical Plant Department, leave of absence with pay for a period of nine weeks effective July 30, 1941, on account of physical disability.

A. Marie Anderson, Associate in the Department of Art, additional leave of absence from September 1 through November 5, 1941, with full pay less the expense of a substitute to carry on her work; and on one-half pay from November 6, 1941, to January 31, 1942, or for the first semester of the current academic year. Miss Anderson was previously granted leave with full pay from May 6 to August 31, 1941.

Ellen McNeill, Stenographer in the Library, College of Medicine, sick leave from August 11 through September 22, 1941, with full pay, and leave of absence without pay for one year from September 23, or for the balance of the academic year 1941-1942.

Mrs. Bertha Schroepfel, Cataloger in the Library, sick leave for a period of four weeks from September 2, 1941, or as much thereof as is necessary, with full pay, in addition to the regular 15 days granted members of the staff each year.

W. A. Hulvey, Laborer in the Physical Plant Department, leave of absence with pay from July 29 through September 1, 1941, on account of illness.

Leaves of Absence for Military Service

(The leave in each case is without salary.)

Fred Herzberg, Instructor in Dental Anatomy, from September 1, 1941, to August 1, 1942.

Joseph H. Jesser, Assistant in the Department of Surgery, August 1-31, 1941.

Lloyd B. Ritchey, Instructor in General Engineering Drawing, one year from September 1, 1941.

John J. Fee, Laborer in the Physical Plant Department, one year from July 27, 1941.

David Rest, Second-Year Resident in Psychiatry, September 3, 1941, through June 30, 1942.

Thomas G. Pearse, Jr., Assistant in the Department of Agronomy, one year from September 1, 1941.

D. H. Krans, Associate in Mechanical Engineering, one year from September 1, 1941.

Jerry J. Kearns, Assistant Professor of Pathology, one year from September 1, 1941.

L. A. Kenney, Assistant in the Engineering Library, one year from September 1, 1941.

Joseph Ehrlicher, Laborer in the Physical Plant Department, one year from September 15, 1941.

Extensions of Leaves of Absence

The following extensions of leaves of absence formerly granted members of the staff for military service, without pay, for the period indicated in each case:

D. H. Wagner, Instructor in Surgery, February 1, 1942, through August 31, 1942.

¹Mr. Campbell died September 22, 1941.

Joseph G. Schoolman, Instructor in Laryngology, Rhinology, and Otology, September 1, 1941, through August 31, 1942.

Robert B. Lewy, Assistant in Laryngology, Rhinology, and Otology, September 1, 1941, through August 31, 1942.

Arthur A. Halevy, Instructor in Surgery, September 1, 1941, through August 31, 1942.

A. J. Holm, Assistant in Urology in the Department of Surgery, September 1, 1941, through August 31, 1942.

On motion of Mr. Karraker, these leaves were granted as recommended.

CONTINUATION OF DR. GEORGE DE TARNOWSKY IN ACTIVE SERVICE

(5) Dr. George de Tarnowsky, Professor of Surgery on the Clinical Faculty of the College of Medicine, without salary, has reached the age of 68. At his request and on recommendation of the Head of the Department and the Dean of the College, I recommend that he be continued in active service on the Clinical Faculty for one year from September 1, 1941.

On motion of Dr. Meyer, this recommendation was approved.

RETIREMENT OF GEORGE VAUGHN

(6) Mr. George Vaughn, Laborer in the Department of Animal Husbandry, requests that he be retired as of September 1, 1941, under the provision of the former system of retirements (which, however, is applicable to all individuals retiring on September 1, 1941) that in exceptional cases and for substantial cause retirement may be permitted at any time after a staff member reaches 65 years of age.

Mr. Vaughn is requesting retirement on account of his health. He is 66 years old and has been in the service of the University for 15 years. The retiring allowance payable is \$441 a year.

On motion of Mr. Fornof, this recommendation was approved.

REAPPROPRIATION FOR CYCLOTRON HOUSING

(7) The Director of the Physical Plant Department recommends the reappropriation of the \$350 unexpended balance in funds assigned for the housing of the cyclotron, which lapsed June 30, 1941.

On motion of Mr. Jensen, this reappropriation was made as recommended, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

APPROPRIATION FOR BRONZE TABLETS FOR ALTGELD HALL

(8) The Director of the Physical Plant Department reports that the two bronze tablets for Altgeld Hall, the wording of which was approved by the Board of Trustees on June 24, 1941 (Minutes, page 332), will cost \$250 when installed. An appropriation of this amount from the General Reserve Fund is requested.

On motion of Mr. Adams, this appropriation was made as requested, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

SALE OF OLD BUILDINGS AT 1206 WEST GREEN STREET, URBANA

(9) During the last fiscal year the University purchased the property at 1206 West Green Street, Urbana, on which there is an old residence with a commercial shack in the front yard, both in a bad state of repair. The Board of Trustees at a previous meeting authorized the sale of these buildings to the highest bidder. The following bids were received: A. J. Hartle—\$135; Ray Wascher—\$106. The Executive Committee has authorized the sale of these old buildings to A. J. Hartle at his price of \$135.

This report was received for record.

PURCHASES RECOMMENDED

(10) A recommendation that the following purchases be authorized:

1. Twenty feeder steers, for the Department of Animal Husbandry, from the Chicago Producers Commission Association, at a price of approximately \$1,680.
2. Forty-five choice grade steer calves and seventeen choice yearling feeder steers, for the Department of Animal Husbandry, from the Producers Live Stock Commission Association, National Stock Yards, at a cost of approximately \$4,075.

On motion of Dr. Meyer, these purchases were authorized as recommended.

PURCHASES AUTHORIZED

(11) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. Two carloads of cypress and birch lumber, for the Physical Plant Department, from the Wm. C. Schreiber Lumber Company, Chicago, the low bidder, at a cost of approximately \$3,810 f.o.b. Urbana.
2. Band instruments and cases, from C. G. Conn, Ltd., Elkhart, Indiana, at a price of \$1,720.80 f.o.b. Elkhart.
3. Pyrex laboratory glassware, 629 cases, from E. H. Sargent and Company, Chicago, at a price of approximately \$8,600 f.o.b. Urbana.
4. Gasoline, approximately 65,000 gallons, to be delivered in 8,000-gallon cars as required by the Physical Plant Department, from the Shell Oil Company, at a price of 11.26 cents a gallon guaranteed until March, 1942. The total amount of money involved is approximately \$7,319.
5. Carpet runners for main lounge in the Illini Union Building at Urbana, to match present rugs—5 runners 6' x 19'4" and 1 runner 6' x 35'6"—from F. K. Robeson, Champaign (the firm which supplied the present rugs in the main lounge) at a price of \$1,414.80 installed.

On motion of Mr. Davis, this action was approved and confirmed.

COLLEGE OF MEDICINE CLINICAL FACULTY 1941-1942

(12) A recommendation that the following appointments be made in the College of Medicine for the academic year beginning September 1, 1941, without salary, and that the President of the University be authorized to make such additional appointments and other changes in this list as may be necessary.

The list is submitted in two parts: Section I comprises the regular clinical faculty of the College of Medicine; Section II includes appointments from the clinical faculty of Rush Medical College and the staff of the Presbyterian Hospital of Chicago.

The agreement entered into by the Board of Trustees of the University of Illinois and the Board of Managers of the Presbyterian Hospital (Minutes of July 22, 1941, page 402) provides that the University shall appoint to its clinical faculty the members of the staff of the Presbyterian Hospital of Chicago and the members of the faculty of Rush Medical College.

There is also submitted herewith certain collateral information: (1) a list of new appointments in Section I (that is, individuals who were not on the clinical faculty of 1940-1941); (2) a list of promotions in rank in Section I; and (3) a summary by departments of the number of appointments in each section with comparable figures for last year in the case of Section I.

The faculty of Rush Medical College has included approximately 310 individuals. As the summary shows, the recommendations for appointments from this group to the clinical faculty of the College of Medicine total 235 names (with a few more recommendations pending) and 3 in Oral Surgery in the College of Dentistry (page 619).

In these appointments the academic titles in most cases include the name "Rush" parenthetically after the rank, with the exception of the following cases where the name "Rush" appears before the rank as a mark of special recognition of distinction and administrative ability:

| <i>Name</i> | <i>Department</i> |
|--------------------------|--|
| O. S. Ormsby..... | Dermatology |
| G. E. Shambaugh, Jr..... | Laryngology, Rhinology, and Otolaryngology |
| E. E. Irons..... | Medicine |
| W. E. Post..... | Medicine |
| Peter Bassoe..... | Neurology and Neurological Surgery |
| N. S. Heaney..... | Obstetrics and Gynecology |
| Clifford Grulee..... | Pediatrics |
| V. C. David..... | Surgery |

The academic ranks in the entire Rush group are left the same as they were, with the following exceptions: Dr. C. W. Apfelbach, Associate Professor of Pathology, is recommended for promotion to Professor of Pathology (Rush); Dr. Fred Shapiro, Clinical Instructor in Surgery (Orthopaedics), is recommended as Instructor in Orthopaedics (Rush), since he has not yet passed the qualifying examination of the American Board of Orthopaedic Surgery.

The system of academic ranking in Rush Medical College has differed from that of the University of Illinois. From Assistant the next rank higher has been Associate, and then Instructor. Consequently, to conform to the system of academic ranking in the University of Illinois, all "Instructors" at Rush Medical College are recommended for the rank of "Associate" (except Shapiro mentioned above), and all "Associates" on the staff at Rush are recommended for the rank of "Instructor."

All the Rush appointments are recommended for one year from September 1, 1941, with the exception of *Emeritus* members, who are on indefinite tenure, and of Dr. E. V. L. Brown, Professor of Ophthalmology, and Dr. J. M. Donegan, Associate in Ophthalmology, who are both recommended for appointments for eight months beginning January 1, 1942, because they will be on the salaried staff of the University of Chicago until that date.

On motion of Dr. Meyer, the appointments to the Clinical Faculty were approved as recommended.

AGREEMENTS FOR COOPERATIVE INVESTIGATIONS

(13) A report of the execution of the following agreements for cooperative investigations:

Two proposed contracts with the National Advisory Committee for Aeronautics for the study of (a) the fatigue properties of aluminum alloys suitable for airplane propellers, for the expenses of which the Federal Government will

pay \$2,700; and (b) the load-resisting properties of plastics to determine the tensile, compressive, and torsional strengths, fatigue strength with several ranges of stress, impact strength, and to obtain complete stress-strain diagrams and creep characteristics, for the expenses of which the Federal Government will pay \$2,400. The research on these investigations has been designated as a confidential project, and as such the provisions of the National Advisory Committee for Aeronautics regarding the employment of aliens will apply. Partial payment in the amount of 50 per cent of the contract price will be made on completion of at least half of the work. The evidence of such completion shall be submitted in the form of a preliminary report. Final payment will be made on completion of all the work, including the submission of the complete report (in sextuplicate), together with original illustrations, and its acceptance by the Committee. The first contract is for the continuation of the research work carried on last year.

On motion of Mr. Livingston, this action was approved and confirmed, with the suggestion that appropriate information concerning these agreements be sent to the Committee on Patents.

PATENT ON MACHINE FOR APPLYING INSECTICIDES

(14) At the meeting of the Board of Trustees on July 22, 1941 (Minutes, page 397), the Board authorized the University's patent attorneys to prepare an application for a patent on the discovery of a machine for producing fog or smoke developed by Mr. C. W. Veach, Assistant in Agricultural Engineering, and Mr. W. E. McCauley, Assistant Entomologist in the State Natural History Survey Division. In asking for authorization from the State Natural History Survey Division to transfer his entire right and title to the invention described in the petition to the Board of Trustees and to the Natural History Survey Division, it has come to the attention of Mr. McCauley that in his assignment papers there is no mention of the Natural History Survey Division. The Chief of the Survey, therefore, has authorized Mr. McCauley to sign the papers as now drawn up, with the reservation that an equitable adjustment of any income resulting from this patent be made between the University of Illinois and the Natural History Survey Division. An adjustment whereby the University and the Survey would share equally any income accruing from this patent after deducting all costs would seem to be a fair arrangement.

The Chief of the State Natural History Survey Division has requested that the proposal as described above be approved by the Board of Trustees.

On motion of Mr. Livingston, this adjustment was authorized.

SUPPLEMENT TO A. F. KAESER STUDENT LOAN FUND

(15) Miss Marion A. Kaeser, Highland, Illinois, offers the University notes totaling \$7,975 which were a part of the assets of the estate of her late father, Dr. A. F. Kaeser. These represent loans made to two individuals while they were students, one of whom is now on the faculty of another university, and the other is a practicing physician. She wishes these notes to be added to the "A. F. Kaeser Student Loan Fund" established by her father (Minutes of September 30, 1939, page 555) and to be administered under the same procedure as this loan fund. These notes are now past due and she asks that the University make all possible efforts within a reasonable time to collect the principal in each case (the interest on the notes has previously been waived by the donor), but with a stipulation that one of the individuals be not called on to pay any part of his notes prior to January, 1944.

Miss Kaeser has endorsed these notes "Payable to the Board of Trustees of the University of Illinois without recourse" and has deposited them with the Bursar.

I recommend acceptance of this gift.

On motion of Mr. Fornof, this gift was accepted.

 Miss Melva Schreffler, Watseka.

Faculty Representatives

Professor A. B. Coble, Head of the Department of Mathematics.
 Professor G. W. Goble (Chairman), Professor of Law.

Representative of the Physical Plant Department

Director C. S. Havens.

Representative of the Business Office

Mr. Lloyd Morey.

Representative of the Alumni Association

Mr. Wallace Mulliken, 201 North Walnut Street, Champaign.

On motion of Mr. Livingston, these appointments were confirmed.

USE OF THE CHICAGO ILLINI UNION BUILDING

(17) The Chicago Illini Union Board submits the following recommendations governing the use of the Chicago Illini Union Building.

In view of service features in the Chicago Illini Union Building, such as Athletic Association Ticket Sales, ticket sales for All-University and All-Alumni functions, Information Desk, etc., it is recognized that the public must have access to the parts of the building where such services are offered. The use of the balance of the building (including all food, recreational, and lounge facilities) shall be limited as described hereafter: No person connected with the University or allied Institutes (Neuropsychiatric Institute and Institute for Juvenile Research), either student or staff member, may use the building without the payment of a service charge except as provided hereafter.

STUDENTS

1. All graduate, post graduate, and undergraduate students registered in the Chicago Departments will be assessed the semester service charge, except the following:

- (a) Graduate students taking one unit or less of graduate work and who are not otherwise officially classified as undergraduate students or staff members of the University of Illinois or its allied institutes (Neuropsychiatric Institute and Institute for Juvenile Research).
- (b) Post graduate students taking refresher courses for non-academic credit.

2. The semester service charge paid by a student during the school year shall entitle him to the privileges of the building during that semester only.

3. Summer Session students shall be assessed one-half the full semester service charge. All exceptions offered during the school year shall be in effect during the summer sessions.

4. A personal guest accompanied by a student member may use the facilities of the Union Building without the building service charge being paid for the guest.

ALUMNI, FACULTY, AND STAFF

1. All members of the University staff or allied Institutes (Neuropsychiatric Institute and Institute for Juvenile Research) will be asked officially to pay a semester and summer session service charge equal to that paid by the students. Included under the term University staff members are: (1) All persons holding appointments in the Chicago Departments, (2) graduate students on the staff, (3) holders of graduate fellowships and scholarships, (4) all secretaries, stenographers, clerks, technicians, librarians, hospital workers (attendants, internes, nurses, social workers, etc.), and laborers.

2. The courtesy of the use of the Chicago Illini Union Building will be extended to the following groups without payment of the building service charge:

- (a) Non-salaried internes in the Research and Educational Hospitals.
- (b) All alumni and former students, except those on the University staff and allied Institutes (Neuropsychiatric Institute and Institute for Juvenile Research).
- (c) Official visitors, members of the student body and staff in the Urbana Departments, and persons attending meetings or functions on the campus.
- (d) Personal guests accompanied by alumni, faculty, and staff members.

The above recommendations are in accordance with the policies already in effect for the use of the Illini Union Building at Urbana.

I recommend approval.

On motion of Mr. Adams, these regulations were approved.

**ADVISORY COMMITTEE FOR THE DEPARTMENT
OF ANIMAL PATHOLOGY AND HYGIENE**

(18) Each department of the College of Agriculture and the Agricultural Experiment Station has an advisory committee of prominent citizens of Illinois who are engaged in the field of work represented and are active in promoting its development in the interest of agriculture and the general public welfare. The establishment of a new Department of Animal Pathology and Hygiene makes it desirable to appoint a separate committee for that Department, and I nominate the following:

- Mr. John F. Harmon, Jr., Lebanon—Hereford breeder.
- Mr. L. J. Drake, Plano—Guernsey breeder.
- Dr. C. E. Dille, Cairo—Veterinarian.
- Dr. J. G. Blum, Normal—Veterinarian.
- Dr. C. Vanderwarf, Chicago Heights—Veterinarian.

On motion of Mr. Karraker, this committee was appointed as recommended.

**SCHEDULE OF FEES FOR PART-TIME STUDENTS
IN THE CHICAGO COLLEGES**

(19) The Registrar and the Comptroller recommend, and I concur, that the following schedule of fees for part-time students in the Colleges of Medicine, Dentistry, and Pharmacy be authorized:

1. Part-time students in the three colleges shall pay in full the regular laboratory and building service charges.

2. Part-time students who are residents of Illinois shall pay tuition fees of \$2.50 a semester hour in the College of Pharmacy and \$2.50 for twenty-five clock hours in the Colleges of Medicine and Dentistry. Those who are not residents of Illinois shall pay \$5 a semester hour in Pharmacy and \$5 for twenty-five clock hours in Medicine and Dentistry.

3. Part-time students who take one or more laboratory or dispensary courses in any of the three colleges shall be required to pay the full laboratory materials fees.

Dean Allen and Mr. Moon commented on this matter.

On motion of Mr. Jensen, these fees were authorized.

BUDGET FOR DIVISION OF PHYSICALLY HANDICAPPED CHILDREN

(20) Under the revised agreement with the State Department of Public Welfare (Minutes of May 15, 1941, page 286), the University agrees to undertake the administration of the Division of Handicapped Children, now supported by a grant from the Federal Government, through the Department of Labor and the Children's Bureau, subject to the provisions of existing applicable statutes concerning the powers and duties of the Commission for Physically Handicapped Children. The University will undertake a thorough study of the organization and services of this division and shall consult with the Commission on Physically Handicapped Children, the Department of Public Welfare, the State Department of Health, the Children's Bureau, and the Governor, as to the future support and development of this program.

The funds for the operation of this Division come entirely from the Children's Bureau of the United States Department of Labor. Authorization has been received from that Bureau indicating approval of the expenditure of Federal funds to a total of \$139,218.84.

The first allotment of funds covering the quarter ending September 30 has been received and in accordance with the ruling of the Attorney General has been deposited in the State Treasury as a trust fund to be drawn against on order of the Board of Trustees. The following detailed budget of salaries and other items has been prepared by the Acting Superintendent of the Division for the year beginning July 1, 1941 (the Federal funds are for that period), has been approved by the Executive Dean of the Chicago Colleges and reviewed by the Comptroller. It is now submitted to the Board of Trustees with my recommendation that it be approved. Such approval will constitute authority to draw against the trust fund in the State Treasury for the items of this budget.

On motion of Mr. Adams, this budget was approved, and the necessary appropriations were made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

**Division of Physically Handicapped Children
Budget for 1941-1942**

The appointment in each case is for one year from July 1, 1941.

REPAIR OF POWER PLANT STACK

(21) The Director of the Physical Plant Department secured bids on tuck pointing the stack and replacing lightning rod cables at the Chicago Departments Power Plant as follows:

| | |
|--|---------|
| Alphons Custodis Chimney Construction Company..... | \$2 270 |
| Continental Chimney Company, Inc..... | 2 562 |
| Heine Chimney & Construction Company..... | 2 575 |

In order that the work be completed as soon as possible, I authorized the acceptance of the proposal of the low bidder and request confirmation of this action.

On motion of Mr. Davis, this action was approved and confirmed.

WAGES OF LABORERS IN PHYSICAL PLANT DEPARTMENT

(22) The Director of the Physical Plant Department recommends that the wages of University police be increased from the basic rate of 65 cents an hour to 72 cents an hour, with the understanding that this rate shall be paid for all over-time, as well as for regular work, instead of the previous rate of time and one-half for over-time and double time for Sundays and holidays. This recommendation is made in recognition of the University policy of paying its employees the rate of wages in their respective crafts and classifications as prevail in the local community. Policemen in Champaign and Urbana are now paid \$150 a month, which is the minimum fixed by State Law. This minimum

was not established in both cities until recently, rates of \$135 and \$140 a month having been paid in Urbana. Since both cities now pay the minimum of \$150 a month, it is the prevailing local rate.

The University Wages Committee was asked to review this proposal, and it concurs in the recommendation of the Director of the Physical Plant Department that the wages of University police be increased to \$150 a month for 48 hours' service a week.

On motion of Dr. Meyer, this rate was authorized, effective October 1, 1941.

MEN'S RESIDENCE HALL LEASE AND OPERATING TRUST AGREEMENT

(23) The financing of the construction of the Men's Residence Hall through a loan secured by the University of Illinois Foundation from the Connecticut Mutual Life Insurance Company requires the Board of Trustees of the University of Illinois to enter into a lease and operating trust agreement with the Foundation. Title to the land on which the residence hall has been constructed is in the Foundation. The procedure contemplates the leasing of this property by the University from the Foundation at a rental sufficient to pay the annual amortization charges. In principle, and to some extent in actual language, the lease and operating trust agreement follow analogous documents executed by the Board of Trustees and the Foundation in the financing of the Illini Union Building in Urbana and the Chicago Illini Union Building.

I recommend execution of the lease and operating trust agreement.

Judge Johnson explained the details of these instruments.

On motion of Dr. Meyer, the President and the Secretary of the Board were authorized to execute these instruments; which they did forthwith.

PURCHASE RECOMMENDED (SUPPLEMENTARY)

(24) A recommendation that the following purchase be authorized:

One Fox pick-up cutter (forage harvester) from the Fox River Tractor Company, Appleton, Wisconsin, at a price of \$1,584, f.o.b. Appleton, with a five per cent discount for cash within ten days.

On motion of Mr. Wieland, this purchase was authorized.

CONTRACT FOR REMODELING BUILDINGS IN CHICAGO

(25) The Director of the Physical Plant Department recommends the award of the contract for the remodeling of the Business Office in the Chicago Departments and of space in the Neuropsychiatric Institute to provide office quarters for the Executive Officer of the Institute, to the L. J. Graf Construction Company, Chicago, on the basis of its bid totaling \$9,400. Although four contractors secured plans to figure on this job, two did not submit bids, and one offered to accept the contract on a cost-plus basis, leaving only the L. J. Graf Company which submitted a fixed price bid, as follows:

| | |
|--|---------|
| Remodeling of Business Office in the Chicago Departments.. | \$2 700 |
| Quarters for the Executive Officer of the Neuropsychiatric Institute | 6 700 |
| Total | \$9 400 |

I concur in the recommendation.

On motion of Mr. Davis, the contract was awarded as recommended.

APPROPRIATION FOR RENTAL FOR QUARTERS FOR DIVISION OF PHYSICALLY HANDICAPPED CHILDREN

(26) In taking over the Division of Physically Handicapped Children under the revised agreement with the State Department of Public Welfare, the University assumed the responsibility of providing quarters for the Division. This

agency has been occupying rented quarters in Springfield the rental on which prior to July 1, 1941, was paid by the Department of Public Welfare.

This amounts to \$100 a month, and while the University has executed no lease for these quarters it has not been found possible to move the Division into quarters here at Urbana. Since the space in Springfield has been occupied the University is under obligation to pay the rent which amounts to \$300, covering three months beginning July 1, 1941.

The Comptroller recommends that a special appropriation of \$300 be made from the General Reserve Fund for this purpose which will pay the rent to October 1. Arrangements have been made with the Federal Government to pay the rental beginning with October 1, 1941, but it has not been possible to secure authority to pay the rent out of Federal funds received for the support of the Division for the first three months of the present fiscal year.

On motion of Mr. Jensen, this appropriation was made, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

PURCHASE OF MUSIC EQUIPMENT FOR CHICAGO ILLINI UNION BUILDING

(27) On July 22, 1941 (Minutes, page 306), the Board of Trustees appropriated \$700 for approximately one-half the cost of a Carnegie music set (Capehart phonograph and collection of approximately 600 classical and semi-classical records) for the Chicago Illini Union Building. An application was made to the Carnegie Corporation for a grant of \$700 for the other half of the cost of this equipment. The Carnegie Corporation has been making such grants to colleges and universities to stimulate the study and appreciation of high class music.

The Physical Plant Department reports that it is not likely this grant will be forthcoming since the Corporation has previously made a grant to the University for the Illini Union Building at Urbana. The Director of the Physical Plant Department requests authority to use the \$700 already appropriated by the Board of Trustees for the purchase of a phonograph and collection of records. He reports that it will be possible to secure a suitable set and a sufficient collection of records to justify the expense for the amount available. Since the appropriation was made on a contingent basis it is necessary to secure this authority before going ahead.

On motion of Mr. Wieland, this purchase was authorized.

LEAVE OF ABSENCE FOR DR. LLOYD ARNOLD

(28) A request from Dr. Lloyd Arnold, Professor of Bacteriology and Public Health, in the College of Medicine, approved by the appropriate authorities of the Chicago Colleges, for leave of absence with one-half salary for one year beginning September 1, 1941.

I recommend approval.

On motion of Mr. Wieland, this leave was granted.

APPROPRIATION FOR RETIREMENT SYSTEM

(29) A request from the University Retirement System of Illinois, transmitted by the Comptroller, for an advance payment of \$5,000 to meet death claims, this amount to be deducted from the amount due from the University for expected death claims when that amount is determined by the Actuary.

On motion of Mr. Fornof, this appropriation was made as requested, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer, Mr. Wieland; no, none; absent, Mr. Green.

PURCHASE OF EQUIPMENT FOR RADIOLOGY

(30) A recommendation that equipment for the Department of Radiology be purchased in the following amounts from the firms named, in accordance with bids filed with the Secretary of the Board for record:

| | |
|---|--------------------|
| Standard X-Ray Company..... | \$11 411 33 |
| Buck X-Ograph Company..... | 1 562 82 |
| Picker X-Ray Corporation..... | 4 061 28 |
| Kelly-Koett Manufacturing Co..... | 11 851 14 |
| Westinghouse Electric & Manufacturing Co..... | 7 791 00 |
| General Electric X-Ray Corporation..... | 3 910 00 |
| <i>Total</i> | <u>\$40 587 57</u> |

Mr. Millizen commented on this matter.

On motion of Dr. Meyer, these purchases were authorized as recommended.

PURCHASE OF COAL FOR CHICAGO DEPARTMENTS

(31) A letter from the Purchasing Agent, transmitted by the Comptroller.

September 25, 1941

DEAR PRESIDENT WILLARD:

The purchase of coal for State institutions is made on the basis of bids received annually by the State Purchasing Agent, the awards being made by a Coal Committee appointed for the purpose. The law requires that "all contracts for coal purchases shall be let to secure as nearly as is practicable a fair distribution of employment to the miners employed throughout the State." This procedure has included the Research and Educational Hospital.

In June, 1941, the specifications were issued and bids received, including the usual requirements for the Research and Educational Hospital. The State Purchasing Agent, Colonel Edward Davis, was informed that as the University assumed control of the Hospital July 1, 1941, any contract for coal would be awarded by the Board of Trustees and he was asked to submit a summary of the bids for such action as we considered most favorable to the University.

The summary of bids was submitted as requested (copy attached). At the time the Physical Plant Department was conducting investigations to determine the proper coal for the equipment. As it appeared that it would be some time before we would have sufficient information to justify a recommendation we advised Colonel Davis that we desired to disregard the bids received and to call for new bids when our tests were completed. About September 1st Colonel Davis called and stated that the Coal Committee in making awards had included the Research and Educational Hospital and asked that we come to Springfield to discuss the matter. Accordingly, on September 11th, Mr. C. E. Markland and I conferred with Mr. Medill, Director of Mines, and Mr. Keeble (?), Fiscal Auditor, members of the Coal Committee, and they asked that we agree to their recommendation. We informed them that any award would have to be by the Board of Trustees and that we were conducting tests to determine the most economical coal for the plant. They stated that the task of making allotments to comply with the law was considerable and that if we did not accept their recommendation their work would have to be repeated. We asked them to put the request in written form and we received the enclosed letter from Colonel Davis.

Following are the recommendations made by the Coal Committee:

Original

| | |
|--|-------------|
| J. A. Ross and Company... 3,000 tons Vermilion Co. screenings @ \$3.98 | |
| Fleming Coal Company... 6,000 tons Franklin Co. screenings @ \$4.85 | |
| <i>Total</i> | \$41,040.00 |

Revised by phone 9/24/41

| | |
|--|-------------|
| J. A. Ross and Company... 3,000 tons Vermilion Co. screenings @ \$3.98 | |
| United Electric Coal Co.... 3,000 tons St. Clair Co. screenings @ \$4.05 | |
| Fleming Coal Company... 3,000 tons Franklin Co. screenings @ \$4.85 | |
| <i>Total</i> | \$38,640.00 |

While we have not received any bids on coal for this plant we have been advised informally by the Globe Coal Company that they will increase deliveries on their contract for coal for Urbana to take care of the Chicago requirements, the mine price being \$1.49. They further agree to make delivery arrangements which will result in a delivered cost of \$3.94 per ton. This is the same coal covered by the J. A. Ross and Company bid to the State. The Physical Plant Department finds it necessary to have on hand a better preparation of coal for use on the old grates and suggests dedusted screenings from the same mine. The Globe Coal Company agrees to supply this at an advance of 30¢ per ton, or \$4.24 per ton. On this basis the cost would be as follows:

| | |
|---|-------------|
| Globe Coal | |
| Company 7,000 tons Vermilion Co. screenings | @ \$3.94 |
| 2,000 tons Vermilion Co. screenings (dedusted) | @ \$4.24 |
| Total | \$36,060.00 |

This represents a total cost of \$2,580 less than the final recommendation of the Coal Committee. While it is true that the Franklin County Coal is of higher quality than the Vermilion County the Physical Plant Department advises that the higher cost is not justified by performance. The St. Clair County coal is about the same quality as Vermilion County.

In view of the lower cost which will result, I recommend:

1. That 7,000 tons be delivered to Chicago to apply against the contract with the Globe Coal Company at \$1.49 per ton f.o.b. mine. (Freight rate \$1.45 per ton)
2. That an order be placed with the Globe Coal Company for 2,000 tons dedusted screenings at \$1.79 per ton f.o.b. mine.
3. That arrangements be negotiated with Chicago coal yards for delivery of the above coal at a cost not to exceed \$1.00 per ton.

Very truly yours,
H. M. EDWARDS
Purchasing Agent

I concur in the above recommendation, except #2.—C. S. HAVENS, *Director, Physical Plant Department*

Mr. Morey commented on this matter.

On motion of Mr. Jensen, the Purchasing Agent was instructed to purchase coal for the Chicago Departments under the existing contract.

NAMING OF UNIVERSITY BUILDINGS

At this point, Mr. Jensen, for the Committee on General Policy, presented the following report.

On motion of Mr. Jensen, the report was adopted.

The Board of Trustees has directed its Committee on General Policy to study the question of naming University buildings and other facilities for individuals and to submit recommendations. The Committee has given careful consideration to this matter and submits the following partial report and recommendations:

MEN'S RESIDENCE HALL

There are five housing units in the three sections of this building, one unit in the center section and two units in each of the north and south wings. Your committee recommends that each of these houses be named for a distinguished individual formerly connected with the University, in recognition of his services as indicated below:

Center Section

Thomas Arkle Clark House.—The late Dean Thomas Arkle Clark was the University's first Dean of Men and served in that capacity, as well as Professor of Rhetoric, for many years.

North and South Wings

Willard C. Flagg House.—Willard Flagg was a member and Corresponding Secretary of the University's first Board of Trustees. He had much to do with its early development.

William Lincoln Noble House.—The late Doctor William L. Noble served as a member of the Board of Trustees from 1921 to 1933 and was also President of the Board during a part of that time. He strongly advocated the construction of men's residence halls.

Herbert Jewett Barton House.—Professor Barton served as Professor of Latin and Chairman of the Department of Classics for thirty-five years. He also served as Secretary of the University Senate or general faculty during most of that time.

Carl Leonard Lundgren House.—Carl Lundgren was Head Baseball Coach and Assistant Director of Athletics for a number of years.

POWER PLANT

William L. Abbott, a distinguished alumnus of the University, Class of 1884, has been identified with the power industry of Illinois for over fifty years. He served as a member of the Board of Trustees of the University for eighteen years and as President of the Board for sixteen years. Your committee recommends that the University's power plant at Urbana be named the *William Lamont Abbott Power Plant*.

ENTOMOLOGY BUILDING

This building formerly housed the College of Law, of which the late Judge Oliver A. Harker served as Dean for many years. Your committee recommends that this building be named the *Oliver Albert Harker Hall*.

Respectfully submitted,

KARL A. MEYER

CHESTER R. DAVIS

FRANK A. JENSEN, *Chairman*

PROPOSED AMENDMENT TO BY-LAWS

Mr. Jensen presented also a recommendation of the Committee on General Policy that Section 7 of Article IV of the By-Laws be amended to read as follows (new matter is printed in italics):

Sec. 7. Any matter proposed for consideration by the Board may, at the discretion of the President of the Board, be referred to a committee for study and report before being brought before the Board in open meeting. Committees shall consider all matters referred to them as soon as may be and carry out the orders of the Board in so far as they are empowered by the Board specifically to do so, and shall report their recommendations or action in writing as soon thereafter as may be.

Mr. Jensen offered a motion that this amendment be adopted.

On request of Mr. Livingston, action on this matter was deferred.

UNIVERSITY ADVISORY COMMITTEE

Mr. Jensen reported also that the Committee on General Policy had approved a list of prominent citizens from which the members of the University Advisory Committee were to be drawn (see Minutes, August 5, 1941, page 416).

This matter was discussed. Members of the Board were asked to submit additional names at their pleasure.

ORGANIZATION AND WORK OF THE "BIG TEN"

At this point, President Cleary stated that he had asked Professor F. E. Richart, University of Illinois representative on the "Intercol-

legiate Conference of Faculty Representatives," generally known as the "Big Ten," to address the Board concerning the conference.

Professor Richart explained the nature and method of work of the conference.

LYDIA E. PARKER BATES FUND FOR THE ADVANCEMENT OF FINE ARTS

At this point, Mr. Karraker presented the following report of the Finance Committee.

As was reported to the Board on April 28, 1941 (Minutes, page 271), the will of the late Mrs. Lydia E. Bates of Maroa, Illinois, who died on February 10, 1941, sets up a trust (the Citizens National Bank of Decatur is named as trustee) and directs the trustee to convert it into cash and, after all taxes, insurance, repairs, and other expenses and certain minor legacies have been paid, to transfer the bulk of it to the Board of Trustees of the University of Illinois to establish a fund to be known as the "Lydia E. Parker Bates Fund for the Advancement of Fine Arts."

Listed among the gifts received for record by the Board of Trustees at the meeting on June 24, 1941 (Minutes, page 324), was the sum of \$1,351.20 for the establishment of this Fund for the aid of deserving students of promise in the study of some one or more of the fine arts at the University of Illinois or elsewhere.

Under the terms of the trust created by Mrs. Bates' will the farms involved must be sold in any event not later than the spring of 1946. Thus, if the University decided to operate the land as long as it is permitted, it would have four more crop years to do so. Farm land is selling very well at the present time. It is recommended that farm No. 1 be sold for not less than \$165 per acre and farm No. 2 for at least \$175 per acre. On the basis of productivity and appearance a small outlay for paint and repairs would put both places in excellent condition for sale.

On the other hand these farms could be operated at a profit during the next four years, unless extremely adverse conditions prevail. There are not now any foreseeable repairs or improvements which would require a large outlay during that period.

The farms were inspected by representatives from the Department of Agronomy, the Department of Agricultural Economics, and the Office of the Dean of the College of Agriculture. It was the consensus of these gentlemen that in view of the fact that the land must be sold within five years in any event, the present favorable prices for farm land, the inability to forecast accurately its value five years hence, and the problems of management involved in the interim, that it would be best to sell the land now, provided it can be disposed of for a price in line with figures suggested above.

On motion of Mr. Karraker, this report was adopted, and the officers of the Board were authorized to negotiate a sale at the prices suggested, or better, and to execute all necessary documents, by the following vote: Aye, Mr. Adams, Mr. Cleary, Mr. Davis, Mr. Fornof, Mr. Jensen, Mr. Karraker, Mr. Livingston, Mr. Wieland; no, none; absent, Mr. Green, Mrs. Grigsby, Dr. Meyer.

EXECUTIVE SESSION

At this point, the Board went into executive session to consider in committee of the whole the following recommendation of the President of the University.

PURCHASE OF PROPERTY IN CHICAGO

At its meeting on July 15, 1941 (Minutes, page 385), the Board of Trustees authorized Mr. Henry George Slavik to act as the agent of the Board in

attempting to secure options for the purchase of the property fronting on Taylor Street between Polk Street and Wolcott Avenue, based on his appraisals of these parcels which total \$112,960. At the meeting of the Board on July 22 the Director of the Physical Plant Department discussed with members of the Buildings and Grounds Committee the advisability of securing another appraisal of this property, and subsequently the Chicago Real Estate Board was employed to do this at a very reasonable rate. Their appraisal has since been received, and the total appraised value is \$66,940, which is \$46,020 below the appraisal furnished by Mr. Slavik. The University has not entered into any contractual relationship with Mr. Slavik to act as agent in the purchase of the property, and it is the opinion of the Director of the Physical Plant Department that the difference between the two appraisals warrants the reconsideration of continuing this program through Mr. Slavik.

It is recommended, therefore, that the Board of Trustees rescind the action it took on July 15 in authorizing the employment of Mr. Slavik and instead authorize the Physical Plant Department to proceed with the acquisition of the property, taking such steps as may be necessary to obtain it at the lowest cost to the University but based on the appraisal of the Chicago Real Estate Board, allowing a reasonable variation therefrom. If the University negotiates directly for the purchase of this property it will then be possible to determine definitely the most practical and economical way to acquire it, and the authority from the Board should be sufficiently broad, therefore, to permit the Department to so proceed.

On motion of Mr. Adams, the action of July 15 authorizing the employment of Mr. Slavik was rescinded and the Physical Plant Department was authorized to proceed as recommended.
