MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 14, 1924

The July meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 12 o'clock noon on Monday, July 14, 1924.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Trimble.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of June 9-14, 1924.

On motion of Mr. Trees, the minutes were approved as printed on pages 493 to 590 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CHICAGO DEPARTMENTS

College of Dentistry, Second Year.....\$35.00

All other fees remain the same.

On motion of Mrs. Blake, these fees were approved.

SPECIAL APPROPRIATION FOR PHARMACY

(2) In order to provide for the increased number of students in Pharmacy there will be needed more chairs, lockers, desks, etc., and certain changes in partitions, as well as some additions to the staff. Dean Day has submitted the following list of necessary expenditures for this purpose:

Chairs.....	\$450
Lockers.....	263
Office furniture.....	300
Structural changes.....	100
Apparatus and kits.....	1,000
Laboratory supplies.....	1,700
Salaries.....	5,100

Total.....\$8,913

I recommend that the changes and provisions requested be authorized, and that an appropriation of \$9,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to meet the expenses indicated, the President being authorized as usual to make appointments of necessary new instructors and necessary changes in existing salaries for the purpose indicated within the limit of the amount assigned to salaries.

On motion of Mrs. Grigsby, this recommendation was approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

THE ELLS LAND

(3) A recommendation that the Executive Committee be authorized to purchase the Ells land, being 46½ acres, more or less, from the owners, at the price of \$850 an acre, to be paid directly to the owners, and that an appropriation of \$40,000, or so much thereof as may be necessary, be made from the legislative appropriation of \$60,000 for land, for the purpose of making the necessary payment: provided that the committee shall first secure a deed from Carrie M. Hodges, Marjorie Hodges, and Harry Ells, and their husbands and wives, if any, and provided, of course, that the usual formalities are complied with in the transaction.

On motion of Mrs. Blake, this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

CONTRACT FOR MILITARY UNIFORMS

(4) The Comptroller requests that he be authorized to make a contract for three hundred military uniforms, more or less, at \$30 each, the amount being the commutation allowed by the War Department. The amount is based on bids received.

On motion of Mrs. Evans, this purchase was authorized.

CONTRACT EXECUTED BY COMPTROLLER

(5) A report of a contract executed by the Comptroller since the last meeting, under general conditions regarding contracts.

<i>Name</i>	<i>Item</i>	<i>Tenure</i>	<i>Terms</i>
Jahn & Ollier Engraving Company	All University engraving (except emergency) to be done by this Company	6/22/24 6/21/25	Discount of 10% & 10% from Standard Photo Engraving Scale

This report was received for record.

STADIUM TORNADO INSURANCE

(6) Professor White, Superintendent of Business Operations, and the Director of Physical Welfare request an appropriation of \$1440 to secure tornado insurance on the Stadium on a valuation of \$750,000 for a period of five years.

1. I recommend approval of their request and ask an appropriation of that amount from the Reserve and Contingent fund for the purpose.

2. I further request that the Comptroller and Superintendent of Business Operations be authorized to place this insurance in accordance with this appropriation.

On motion of Mr. Armstrong these recommendations were approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

LOANS OF OUR TRUST FUND

(7) I submit the following for consideration:

Some time ago I suggested to you the advisability of investing our trust funds in loans on mortgages on real estate to members of the University staff under suitable conditions. I have since asked the Comptroller to look into the matter and give me his opinion.

He reports that he has discussed the matter with the University Treasurer and that that officer thinks we could place all available funds in loans to University employees, secured by mortgages on Champaign and Urbana properties, and that these loans would, if proper precaution were taken, be absolutely first class, with a probable rate of return of 6 per cent.

This report strengthens my opinion that this would be a wise method of investing our trust funds, and would at the same time assist some of the members of our staff. In conversation with Mr. Morey, he suggested, as he also did later in a letter, the necessity of a local committee whose business it would be to look after such investments in the sense that they would advise the Board as to opportunities for investment and amounts available as occasion offered.

It seems to me that the proper machinery is the following: that the Board refer the matter of investing trust funds to the Finance Committee of the Board; that the Finance Committee be authorized by the Board to appoint as an advisory committee to itself on this matter the University Treasurer, the Superintendent of Business Operations, and the Comptroller; that the advisory committee keep in close touch with the whole matter, and when occasion requires report to the Finance Committee advising investment; that the Finance Committee then report to the Board at its next meeting recommending action. I recommend that the whole matter be referred to the Finance Committee for report.

On motion of Mr. Trees, this matter was referred to the Finance Committee for consideration and report.

SALE OF McKINLEY SECURITIES

(8) A recommendation that the Treasurer and the Comptroller be authorized to dispose of securities donated to the University by Honorable W. B. McKinley at

par, or market, on best terms possible, as money is needed to meet anticipated payments on the McKinley hospital.

On motion of Mrs. Blake, this recommendation was concurred in.

APPROPRIATIONS FOR BOILER HOUSE, ETC.

(9) In accordance with action of the Board at its meetings of April 12 and June 14, 1924, I recommend that appropriations from the Reserve and Contingent Fund be made as follows:

1. For addition to the Boiler House supplementing appropriation of \$10,000 previously made (see minutes, June 14, 1924).....	\$10,000.00
2. For service extensions to McKinley Hospital.....	20,000.00
3. For service extensions to Dairy Manufactures Building.....	17,000.00
4. Additional payment on new wells, as per recommendation of Supervising Architect.....	5,000.00
5. For 500 kw. turbine.....	15,000.00
Total.....	<u>\$67,000.00</u>

On motion of Mr. Trimble, these appropriations were made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

PAVING AND DAIRY BARN APPROPRIATIONS

(10) A. In accordance with previous action of the Board, I recommend that an appropriation of \$50,000 be made from the Reserve and Contingent Fund for the paving of Fourth Street and approaches to the Stadium. (See minutes, April 12, June 14, 1924.)

B. Complying with a request of the Supervising Architect, I recommend that an appropriation of \$20,000 be made to supplement the \$50,000 assigned for the erection of a Dairy Barn.

On motion of Mr. Trees, these appropriations were made. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

INVESTMENT OF GREGORY SCHOLARSHIP FUND

(11) A suggestion from the Comptroller, concurred in by both Mr. Trimble and Mr. Burke, that the United States Treasury Bonds, of a value of \$3,000, bearing $4\frac{3}{4}$ per cent, and purchased at \$99.98, for the Gregory Scholarship Fund be sold; that the Treasurer be authorized to make this sale; and that the Treasurer be authorized to invest the proceeds in real estate mortgages and loans to members of the faculty, at 6 per cent interest, or in Joint Stock Land Bank bonds bearing $4\frac{3}{4}$ or 5 per cent, as they may be obtained.

I recommend approval.

This matter was referred to the Finance Committee for consideration and report.

STORAGE WAREHOUSE

(12) A recommendation that \$5,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund for the erection of a warehouse 30 feet by 80 feet, with steel frame, galvanized corrugated iron walls and roof, and a concrete floor, on a site near our present Physical Plant store house. This is in accordance with the recommendations of the Superintendent of Business Operations.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

CONTRACT FOR HEATING AND VENTILATING THE NEW GYMNASIUM

(13) Under authority given by you, Professor James M. White, Supervising Architect, received on June 30 bids for the heating and ventilating of the Men's Gymnasium, and the Executive Committee was authorized to award the contract. He submits them as given below, and asks (inasmuch as there has been no meeting of the Executive Committee) that you award the contract to the lowest bidder, namely, the Moline Heating and Construction Company.

SCHEDULE OF BIDS

<i>Bidder</i>	<i>Amount of Bid</i>
Moline Heating & Construction Company.....	\$23,293
Carstens Brothers—Ackley, Iowa.....	25,875
Hayes Brothers—Indianapolis.....	25,956
Mehring & Hanson Company—Chicago.....	26,826
Carson-Payson Company—Danville.....	26,852

On motion of Mr. Trees, this contract was awarded to the lowest bidder, the Moline Heating and Construction Company.

INSURANCE ON CHICAGO BUILDINGS

(14) A recommendation that an appropriation of \$851 be made from the Reserve and Contingent Fund to provide for \$80,000 additional insurance on the Chicago buildings.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

USE OF SEAL IN STATIONERY

(15) A request from a manufacturer of paper for permission to make and sell stationery containing a watermark of the University seal.

No action was taken on this matter.

APPROPRIATION FOR CLEANING MILITARY UNIFORMS

(16) The Commandant requests an appropriation of \$720 for the cleaning and renovating of 800 military overcoats which belong to the University. I recommend that this amount be assigned from the Reserve and Contingent fund for that purpose.

On motion of Mrs. Evans, this recommendation was approved. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

APPROPRIATION FOR INTEREST AND TAXES FOR 1924 TO 1925

(17) The Comptroller requests that an appropriation of \$2000 be made to cover the interest on unpaid balances of land purchases and taxes assumed on properties purchased for the year 1924-25.

I recommend that this amount be assigned from the Reserve and Contingent fund for that purpose.

On motion of Mrs. Blake, this recommendation was approved. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

EXTENSION OF SCHOLARSHIPS

(18) The scholarships granted by law (i.e., General Assembly, County, and Military) may, under the law, be extended in time by the President of the University, for a certain purpose.

The scholarships granted by the Board of Trustees (i. e., scholarships in Ceramics, Agriculture, and Household Science) do not provide for such extension.

It seems to me that we ought to have a uniform policy in the matter of administering these scholarships, and therefore I recommend that the regulations governing scholarships in Agriculture, Household Science, and Ceramics, be amended as follows:

"Any student holding a University scholarship, who shall make it appear to the satisfaction of the President of the University that he requires leave of absence for the purpose of earning funds to defray his expense while in attendance, may be granted such leave of absence, and may be allowed a period not to exceed six years to complete his course at the University."

On motion of Mr. Trimble, this amendment was adopted.

SPECIAL APPROPRIATIONS FOR EQUIPMENT

(19) A recommendation that the following appropriations from the Reserve and Contingent Fund be added to the list of special appropriations for colleges and departments in the regular budget (see page 573, June 9):

College of Law

For Binding of Books and Periodicals.....\$1500

Military

Sundry equipment.....\$1000

ADJUSTMENTS IN SALARY

(20) A recommendation that adjustments in salaries for 1924-25 be made as follows:

Anna C. Glover, Secretary of the Agricultural Experiment Station, \$2,750.

W. A. Ruth, Assistant Professor of Pomological Physiology, \$3,500.

O. G. Schaffer, Associate in Landscape Gardening (full time), \$3,250.

Dorothy E. Bonn, specialist in Farm Organization and Management, \$2,000.¹

E. R. Dillavou, Assistant Professor of Business Law, \$3,000.

F. A. Russell, Professor of Business Organization and Operation, \$5,000.

H. A. Berg, Assistant in Farm Organization and Management, \$1,200.

Anna L. Neuber, Chief Clerk in the Information Office, \$2,200.

Frank W. Scott, Professor of Journalism and Acting Chairman of the Department of English, \$4,500.

A. H. Daniels, Dean of the Graduate School, \$7,000.

Also a further recommendation that the item for wages in the expense and equipment budget of the office of the Dean of Women be made \$2,300 instead of \$2,000.

On motion of Mrs. Blake, these adjustments were approved.

CONTRACT FOR THE USE OF UNIVERSITY OWNED PATENTS

(21) I have a letter from the Superintendent of Business Operations enclosing a

¹\$200 from University funds; \$1,800 from Smith-Lever.

[July 14,

suggested contract with the General Electric Company of New York for the right, title, and interest in certain inventions assigned to the University by some of our staff. As Professor White writes, the matter is not in shape for action, but I think it is important to call your attention to the whole subject at the present time. I replied to Professor White that "Until a policy on this matter has been established by the Board of Trustees, of course they will not be likely to enter into a particular contract. I think the matter of policy must be settled first, and I am thinking that the best procedure would be for me to present this general question to the Board at its meeting on the 14th." I also wrote him that the large question "is not the contract, but whether the University can, or should, enter into a contract for the exclusive use of any of its patents by a corporation."

I recommend that this matter of policy be referred to the proper committee of the Board for consultation with the Legal Counsel of the University and for report at a future meeting.

On motion of Mrs. Blake, this matter was referred to a special committee consisting of Mr. Trimble, Mr. Armstrong, Mr. Trees, and Dr. Noble, for investigation and report.

REPORT OF THE TREASURER OF THE UNIVERSITY

(22) The following report of the Treasurer for the year ending June 30, 1924.

President David Kinley, University of Illinois

My dear President Kinley:

I transmit herewith the report of the Treasurer of the University for the year ending June 30, 1924, prepared in accordance with the by-laws of the Board of Trustees.

I have examined this report and I hereby certify that it is correct and in agreement with the accounts of my office, as shown by the attached reconciliation statement.

Very truly yours

A. M. BURKE
Treasurer
University of Illinois

-
- (1) Optional 1933
(2) Optional 1927
(3) Optional 1934
(4) Redeemable after May 1, 1932

This report was received for record.

OVERCOATS FOR THE BAND

- (23) A request from an alumnus for an appropriation to purchase overcoats for the band, with the expectation that the money would be refunded by subscriptions. No action was taken on this request.

FORESTRY INVESTIGATIONS

- (24) A recommendation that the following resolution be adopted.

RESOLVED, that the Board of Trustees of the University of Illinois, while recognizing the importance of the development of forestry in Illinois, and while unwilling that the expense of the duties imposed by the act cited above should be made a charge either now, or at any future time, upon the general University budget, or should in any way militate against appropriations to the University for the University's educational work, nevertheless approves and gives its endorsement to the proposal that a specific appropriation be made for the development of forestry in bills separate from those of the University, as the value and needs of the work shall appear from time to time.

On motion of Mrs. Evans, this resolution was adopted.

NURSE IN CHILDREN'S CLINIC

- (25) A request for authority to appoint a nurse in the Children's Clinic in the College of Dentistry, at a salary of \$1,500 for one year.

On motion of Mrs. Ickes, this appointment was authorized.

PAVING STADIUM APPROACHES

- (26) A recommendation that the Executive Committee be authorized to award contracts for the paving of Fourth street and the Stadium approaches, with the understanding that standard 36-foot pavement be substituted for the proposed 18-foot pavement with 9-foot shoulders.

On motion of Mr. Armstrong, this recommendation was adopted.

BUILDING PROGRAM FOR 1925-27

- (27) A statement concerning the proposed legislative budget for 1925-27 and the building program, and a recommendation that \$5,000 be appropriated from the Reserve and Contingent fund to the office of the Supervising Architect to enable him to make architectural studies of the following buildings:

- Library, second unit
- Architecture or Law building
- Armory facades
- Pharmacy building
- Men's gymnasium additions
- Old Library building

During the presentation of this item, Mrs. Grigsby withdrew.

On motion of Mr. Armstrong, this recommendation was approved, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Grigsby, Mr. Small.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

September 26, 1924

The September quarterly meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a. m. on Friday, September 26, 1924.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of July 14, 1924.

On motion of Mrs. Grigsby, the minutes were approved as printed on pages 1 to 18 above.

EXECUTIVE COMMITTEE MEETINGS

The Secretary presented for record the minutes of meetings of the Executive Committee held on July 22 and September 22, 1924.

MEETING OF JULY 22, 1924

Pursuant to authority given by the Board of Trustees at its meeting on July 14, 1924, the Executive Committee of the Board on July 22, 1924, awarded the contract for the paving of Fourth Street to E. F. Kent & Company. The bids were received on July 21, as follows:

R. P. Devine.....	\$14,500.00
E. F. Kent & Company.....	14,794.00
Sternberg-Powell.....	14,815.40
F. A. Somers.....	15,745.00

Because the low bidder was also low on the north end of Fourth Street and on Stadium Drive, it was felt that one contractor could not handle such a large amount of paving and get it done by the time the University required the work to be completed. Therefore the low bidder—R. P. Devine—was given an opportunity to withdraw his bid and the contract was awarded to the second low bidder—E. F. Kent & Company, for \$14,794.

MEETING OF SEPTEMBER 22, 1924

A meeting of the Executive Committee of the Board of Trustees was held in Chicago at ten o'clock a. m. Monday, September 22, 1924, to consider bids on the approach from Fourth Street to the Stadium.

Dr. W. L. Noble and Mr. M. J. Trees were present.

Bids were received as follows:

King & Petry.....	\$14,500
English Bros.....	14,890
E. F. Kent & Co.....	20,400
Ellis Brooks.....	21,073

King and Petry being the lowest bidders it was unanimously voted to award them the contract at FOURTEEN THOUSAND FIVE HUNDRED (14,500) DOLLARS on the basis of ten feet of concrete all the way around and the center field of asphalt, and in accordance with blue print prepared by the office of the Supervising Architect.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

SUPPLEMENTARY REPORT ON ESTABLISHING A GOAT HERD

(1) After the hearing of the petitions for the establishment of a goat herd at the University (see minutes, June 9, 1924, page 582) I requested the Committee of the faculty which had reported on the matter to consider the arguments advanced at the hearing (of which I had made notes which I sent to the Committee). I submit their supplementary report and ask final action on the request of the petitioners. I also suggest that the reports be printed in the minutes.

January 3, 1924

To the Board of Trustees of the University of Illinois

LADIES AND GENTLEMEN:

At the meeting of September 25, 1923, your Board referred to me for investigation and report the subject of the importance of milch goats and the desirability of establishing a herd at the University, with a view to the development of the goat industry and promoting the use of the milk of goats for children.

Accordingly, I requested Dean Mumford to appoint a committee to investigate and report on the matter. He appointed Dr. W. W. Yapp, (Ph.D.), Assistant Professor of Dairy Cattle, Chairman; Mr. W. G. Kammlade (M.S.), Assistant Professor of Sheep Husbandry; Dr. J. H. Beard (A. M., M.D.), Professor of Hygiene and University Health Officer; and Professor Henry B. Ward (Ph.D., D.Sc.), Professor of Zoology and former Dean of the Medical School of the University of Nebraska. I

requested Dean Mumford to instruct the committee to go into the matter as fully as possible. The Committee's report, submitted through Dean Mumford, was received by me December 19, 1923.

Accompanying the committee's report is a special report by Dr. J. H. Beard entitled "Goat's Milk versus Cow's Milk in Infant Feeding." This report is an exhaustive inquiry into the comparative value of the two kinds of milk for the purpose indicated. In addition to the comparison on the basis of chemical analysis, Dr. Beard adds testimonials from recognized authorities on the subject. He takes up in his discussion eight propositions or theses concerning goat's milk. He summarizes his conclusions by pointing out that goat's milk has no superiority to cow's milk in the artificial feeding of infants, and that cow's milk properly handled and tested is superior to goat's milk and safer, unless the latter is similarly produced and tested. There seems to be no sufficient foundation for the claim that goat's milk is of superior nourishing quality excepting for a small minority of cases.

The report of the committee discusses the present distribution of milch goats, their importance in relation to other farm animals, their acquisition and maintenance, and the probable cost thereof. The conclusions of the committee on the whole matter are that milch goats are not of sufficient economic importance to justify the abandonment of any established work of the Experiment Station, or to establish and maintain a herd and conduct investigations of goats and goat's milk.

It is the opinion of the committee that there would be few students attracted to such a course and that the present importance or probable development of milch goats in the Central States is so small, relatively speaking, as to make it inadvisable to establish breeding herds of these animals, either at the University or elsewhere in the State.

In discussing the cost of acquisition and maintenance, the committee points out that an accurate estimate is difficult because of the uncertainty of the requirements. We could not put up proper quarters for a herd of goats of the kind in mind for less than \$5,000, and that would be a wooden building. In addition, equipment would probably cost \$500 to \$1,000 more. A moderate-sized herd, according to the committee, would require an expenditure of \$1,500 to \$2,500. In other words, the initial or capital cost, if the project were properly established, would run from \$7,000 to \$8,500 or more. In addition, some land would be needed for grazing purposes. We do not at present have as much land for our agricultural purposes as we should like to have.

As to annual operation, it would probably cost for upkeep, heat, light, water, etc., \$500 to \$1,000 a year. In addition, there would be the wages of one or two employees, at least one of whom must be of high clerical grade. This would require probably \$2,700 more. Finally, the time of a research man of first grade to carry on or supervise research would cost from \$2,000 to \$5,000 or \$6,000, according to the salary of the man put on the work and the time he gave to it. The annual cost of keeping the herd up to standard in numbers and character would easily run to \$500. Therefore, we would have imposed upon us at once or soon a total operating charge for such a project of from \$5,700 to \$9,200 or \$10,000.

In view of the report of the committee, I cannot advise you that the University would be justified in undertaking this project as an addition to our present work, either from the point of view of its economic importance, or of its hygienic or public health importance. Nor would we be justified in substituting it for any established work.

Very truly yours,

DAVID KINLEY,
President

Questions which were given special consideration by the members of the committee in the preparation of this report.

1. Is there sufficient merit in the goat as a domestic animal to justify its introduction into the University of Illinois animal investigational program?
2. Are our agricultural students interested in studying the subject of goats and goat-milk productions?
3. In what department of the Agricultural College should goats be placed if introduced?
4. Is it desirable or possible with our program of experimentation as already outlined to undertake any extensive investigation with milch goats?

PRESENT DISTRIBUTION OF MILCH GOATS

In certain foreign countries,^{1,2} notably Switzerland, Germany, France, Italy, Spain, Norway, and Great Britain, milch goats are kept in considerable numbers and assume a place of economic importance. In these countries goats' milk forms a goodly portion of the general milk supply and to a certain extent is a factor in the commercial production of butter and cheese. Many of the goats, even in these countries, are kept by families unable to keep a cow, and for this reason these animals are frequently spoken of as "poor man's cow."

In the United States milch goats have not become generally popular.³ Except in the state of California, and to a lesser degree in some of the southwestern states, the milch goat industry is unimportant. In the suburbs of our larger cities individual animals and small herds are frequently kept. In such cases the milk from these animals is used to supply milk for the individual family. In most cases these families are of foreign birth and have been accustomed to goat's milk in their native land. More recently herds are being established adjacent to our larger cities to supply milk for infant and invalid feeding.

IMPORTANCE IN RELATION TO OTHER FARM ANIMALS

In Tables I and II will be found the comparative numbers and values of the common farm animals as given in the 1920 Census report of the United States.³

Illinois....	45,291	182,258,690	7,946,064	90,203,036	25,234,061

From the figures given in Table II, it may be calculated that in the United States the value of all goats, including those kept for meat and mohair as well as those kept for milk, is 1/208 as great as the value of all cattle, 1/23 as great as the value of sheep, 1/56 as great as swine, and 1/21 as great as poultry. In Illinois the ratio is 1 to 3,774, 1 to 164, 1 to 1,867 and 1 to 522 respectively.

Unfortunately no authoritative census report at hand lists milch goats separately from other goats. It is true, however, that 2,385 of the 12,362 goats listed in Illinois are reported as kept in cities. Probably the greater number of these are milch goats though some of them are undoubtedly pets.

MILK PRODUCTION

The yields credited to milch goats naturally vary widely. Dr. Kohlschmidt² gives the average production of 10 Swiss goats as 678.41 liters³ each (equivalent to approximately 1,490 pounds) per year. Dettweiler⁴ found the general production average to be about 500 liters (1,100 pounds) per year with a maximum production of 1,000 liters (2,200 pounds) annually. Weber⁵ in an investigation with milch goats covering several lactation periods of the same animals, found a variation of from 470 to 1,947 pounds for the yearly period. He further points out that the average doe is capable of producing about ten times her own weight in milk each year. In this country the average cow in our milk producing districts yields about 5 to 8 times her own weight annually, but many of our heavy milking animals are capable of producing from 14 to 18 times their own weight for that period. Voorhees⁶ reports a production in the case of the Toggenburg doe El Chivar's Geneva of 2158.0 pounds of milk in 312 days. Jordan and Smith⁷ report a yearly production for one pure-bred Saanen doe of 1845.2 pounds of milk and consider a 700-900 pounds production a fair average.

If we assume that the average production of milch goats is about 800 pounds of milk per lactation period, it would require from 7 to 10 goats to equal the production of one cow of a similar standard of quality.

SUITABILITY FOR INFANTS AND INVALIDS

Many statements have been made regarding the superiority of goat's milk over cow's milk for infant and invalid feeding. To bring out these points more clearly each statement is listed and discussed separately.

1. "Goat's milk is the nearer in chemical composition to that of mother's milk."

The following analyses of milks by Bosworth and Van Slyke¹ show that in reality there is so little difference between goat's and cow's milk that the advantages that either has over the other in its approach to human milk is too small to be of consequence in feeding the average infant.

When all the analyses from various sources as given above are taken into consideration it would seem that it is difficult to demonstrate any fundamental difference in chemical composition which could be regarded as favoring goat's milk over cow's milk for infant or invalid feeding.

2. "Goat's milk is alkaline in reaction and therefore of great value to persons with hyperacidity."

Fresh goat's milk is slightly more acid³ than fresh cow's milk and appreciably more acid than human milk.

*The real acidity*⁴ of goat's milk is considerably less than that of cow's milk. There is a marked difference between the acidity of the whole goat's milk and that of its serum. In normal goat's milk, which is nearly neutral, there is present in suspension di-calcium phosphate which, in the presence of the water in the milk, undergoes more or less decomposition, which, according to the work of Cameron and Hurst, dissolves more acid than base from the solid phase. The result of this action is that the insoluble portion of the milk becomes more basic than the whole milk, while the soluble portion becomes more acid. In determining the acidity of milk, it should be remembered that the presence of di-calcium phosphate furnished favorable conditions for the formation of acid phosphate and tri-calcium phosphate, resulting in an increased requirement of alkali for neutralization, and, apparently, a higher acidity if the milk is titrated directly.

3. "The curd (casein) of goat's milk is smaller and flocculent while that of cow's milk is larger and tough."

The casein of goat's milk¹ forms a series of compounds with bases in which the combining proportions are the same as in the case of casein prepared from cow's milk. Comparison of compounds of goat's milk, cow's milk, and human milk shows that the amount of salts and the number of different salts in human milk is less than in cow's or goat's milk. The amount of chlorides in goat's milk is larger than in either human or cow's milk. The phosphates in goat's milk are combined with more bases than in other milks.⁵

4. "The fat of goat's milk is more digestible than that of cow's milk, because the fat globules of goat's milk are smaller than those of cow's milk. It is, therefore, in better emulsion and offers a greater surface for the action of the digestive ferments."

The size of the fat globules of milk¹ is not necessarily a criterion of fat digestibility. Ninety-one percent of goat's milk fat globules are under four microns in diameter; 90% of the cow's milk fat globules are over four microns, while human milk fat globules attain a size of thirty-two microns in diameter. If size of globules were the great factor of milk-fat digestibility, goat's milk, from the standpoint of fat would be better than cow's milk, and both goat's and cow's milk would be superior to human milk in infant feeding.

Certain German observers² hold that the fat of goat's milk under action of digestive ferments splits more readily into the lower fatty acids than the fat of cow's milk. They believe that the absorption of these lower fatty acids in infant feeding causes destruction of the red blood cells and produces a rather severe anemia in children (Ziegenmilchanemie).

5. "As goats rarely have tuberculosis, the universal adoption of goat's milk in feeding infants and children would save approximately 11,000 lives and would prevent about 10% of all the tuberculosis occurring in the United States annually."

Standard methods of the production of cow's milk (use of the tuberculin test, sanitary handling, and pasteurization) make cow's milk as safe as goat's milk. The goat is subject to garget, Malta fever (fatal cases of which have been reported to a point as far north as Utah), and foot and mouth disease, all of which are milk borne. Unless the goat's milk were delivered on the hoof, as in certain European countries, it would be safe for human consumption only where handled in accordance with the standard methods used for cow's milk.

The tendency of goats to browse omnivorously makes their milk more likely to be toxic than that of the cow. A number of cases have been reported in which severe symptoms of poisoning have been produced in users of goat's milk without the goats showing any signs of illness.

6. "If goat's milk is properly produced and handled, there should not be any goaty odor."

There is a very strong prejudice among the majority of Americans against goats, their odors, and the flavor of their milk. The goaty odor of goat's milk comes from the hair and the dirt which fall into it from the body of the animal and by absorption when the doe is milked near the buck. If the doe is fed and milked under highly sanitary conditions, no disagreeable odor or flavor is found in goat's milk, altho its taste is distinctly different from cow's milk. This difference seriously reduces its desirability in the minds of the average Americans.

7. "Remarkable results in certain cases have followed artificial feeding of infants with goat's milk."

The truth of this claim is unquestioned. A few infants have an idiosyncrasy to cow's milk. It disagrees with them even when carefully produced and modified. This condition is probably due to anaphylaxis to cow's protein and is similar to asthma or hives (urticaria), caused by the inhalation or ingestion of protein to which the individual is peculiarly susceptible. In these rare cases goat's milk is useful, but as they occur only about once in 10,000 cases, they do not create a large market for goat's milk.

(8) "Goat's milk has been very efficacious in 'rheumatism.' "

Pharmacologists do not record that goat's milk contains any substance capable of producing a definite and characteristic effect valuable in the treatment of arthritis.

ECONOMY OF PRODUCTION

Jordan and Smith³ report a feed cost of production in the case of one Saanan goat of 1.27 cents per quart of milk. The average feed cost for all goats under their investi-

gations covering a period of three years was 3.4 cents per quart. They further report the average feed cost for 25 Jersey cows kept in the station herd as .92 cents per quart, or less than 1/3 the cost for goats.

It must be pointed out that the feed costs reported by Jordan and Smith can in no sense be regarded as applicable to present conditions. The cost of feed has advanced until it is two or three times higher than it was at the time the experiment mentioned above was conducted. However, these figures show the comparative cost of feeding goats and cows. Furthermore, feed cost by no means represents the total cost of production. In cost accounting investigations conducted by this Station on dairy farms in Illinois it was found that from the years 1918 to 1922, inclusive, the feed cost varied from 50 to 65 percent, of the total cost of production. The more complete results of this study are given in Table 8.

TABLE VIII

RELATION OF FEED COST TO TOTAL COST OF MILK PRODUCTION—ILLINOIS
DAIRY COST-ACCOUNTING INVESTIGATIONS

Year	1918	1919	1920	1921	1922
Number farms studied.....	23	21	17	18	26
Percentage feed cost bore to total cost.....	64.74	63.70	60.72	50.34	52.70

The above data agree with the findings of Voorhies. Voorhies¹ found that five goats showed an average feed cost of 6.4 cents per gallon of milk and in the case of 73 complete lactation periods for Jerseys, Holsteins, Guernseys, and Ayrshires for cows kept in the station herd the feed cost was 8.3 cents per gallon. In this case the feed cost of producing cow's milk was slightly more than that for goats.

A questionnaire sent out to leading breeders of registered milch goats brought replies from 57 different breeders. The average of the 31 replies which gave a production figure show a yield of 3.5 quarts per day. This undoubtedly refers to the production when does are at their heaviest flow.

It would appear when feed cost alone is considered, that there is very little difference between the cow or the goat in economy or efficiency of production. When labor is taken into account the balance is probably in favor of the cow.

NEEDS OF THE INDIVIDUAL FAMILY

A goodly number of milch goats are maintained to supply the needs of the individual family. In most cases these goats are kept in the suburbs of our larger cities and by our foreign-born population. The milch goat is very well adapted by nature for this kind of use, mainly because it is considered to be immune from tuberculosis. While it is possible to protect the general milk supply from germs of this disease, it is very probable that in districts where milch goats are most numerous, very few precautions, if any, would be taken by the individual family to protect the milk from contamination.

The kind of goats kept under the conditions mentioned are for the most part inexpensive and therefore well within the means of the poorer people. Furthermore, the goat is an omnivorous feeder, thrives fairly well on a scanty ration, is naturally cleanly, and can be kept on a very small area. It seems, therefore, that the milch goat is especially well adapted to this particular use and will probably become increasingly popular in supplying milk for the individual family. The demand for goats for this purpose, however, is necessarily limited and cannot be expected to be an important factor in our milk supply.

FOR CLASS ROOM INSTRUCTION

Agricultural students are generally attracted to courses that give training along lines with which they are familiar. They as a rule prefer courses which yield information that can be directly applied to agricultural practices in their own communities. In live-stock judging and management, the largest registration occurs in those courses which deal with a popular class of animals. In other words, the student registration

¹ Voorhies, E. C., *The Milch Goat in California*. California Station Bulletin No. 285. (1917)

in a given course tends to be in accord with the importance in the state of the particular class of live stock studied. In view of these facts, it is hardly likely that any considerable number of students in the College of Agriculture would elect a course in goat production were such a course to be offered.

EXPERIMENTATION

For certain purposes of investigation, milch goats have advantages over cows. Being smaller animals they can be kept at less expense, an item of importance in making inheritance studies, since large numbers are ordinarily required to make an analysis of Mendelian characters. Furthermore, goats are capable of more rapid reproduction, a characteristic of value where considerable numbers are used. It must be pointed out, however, that goats cannot always take the place of cows in making studies of Mendelian characters inasmuch as the finding in goats might not prove applicable to cattle.

In studying the physiology of milk production the goat furnishes a number of advantages. In the first place the small size of the animal as compared to the cow makes it more convenient to handle under laboratory conditions. Furthermore, the goat is tractable and learns readily items of importance in certain types of investigation. The mammary gland of the goat is simple (that is, it has two glands instead of four) and is more accessible than with the cow. When accidents occur which injure the animal, as is often the case in such investigations, the loss is less in the case of the goat than in the cow.

The goat has some advantages over the cow in nutritional investigations. These occur principally in studies in metabolism. The solid excreta are firmer and less likely to be affected by the liquid than in the case of the cow, a condition which is especially desirable when animals are kept in metabolism crates without attendants.

ACQUISITION AND MAINTENANCE

To adequately house, at the University of Illinois, any considerable herd of goats would require the construction of a new building, or, in case some present building could be used, a considerable amount of remodeling and repairs would be necessary. The expense for housing is hard to estimate but it would probably be from \$5,000 to \$10,000 at a low estimate. Equipment for such building and other necessary material would add to this cost considerably.

The cost of the goats themselves secured through the regular channels would be a considerable item. In the questionnaire recently sent to breeders of pure-bred animals it was found that does range from \$75 to \$200 in price, the average being \$120. Buck kids from \$15 to \$100, or an average of \$55, and mature bucks are quoted at from \$50 to \$300, or an average of \$125. Grade does range from \$15 to \$75, or an average of \$38. Using these prices as a criterion, the purchase of breeding animals sufficient to establish a moderate sized herd, would require an expenditure of from \$1,500 to \$2,500.

It would require at least one, very probably two, employees to take care of milk, and keep records on a breeding herd. In addition, if any very extensive investigations were to be conducted it would require the entire time of some member of the staff to carry forward such investigation.

CONCLUSIONS AND RECOMMENDATIONS

1. That the establishment and maintenance of a herd of goats, either for teaching or investigational purposes would necessarily mean the curtailment of other well established lines of work.

2. That milch goats are not of sufficient economic importance to justify the withdrawal of funds from the regular animal investigational program.

3. That only in rare cases, would students in the University be attracted to courses in milch goat production.

4. That in light of the present importance or probable development of milch goats in the central states, when compared to other classes of live stock, it is inadvisable to establish breeding herds of these animals, either at the University or elsewhere in the state.

5. That should conditions arise which make it desirable to secure a limited number of goats for the investigation of certain problems in milk production, the same should be under the direction of the Department of Dairy Husbandry.

GOAT'S MILK VS. COW'S MILK IN INFANT FEEDING

(1) "Goat's milk is the nearer in chemical composition to that of mother's milk."

The following analyses show that in reality there is so little difference between goat's and cow's milk that the advantages that either has over the other in its approach to human milk is too small to be of consequence in feeding the average infant.

(2) "Goat's milk is alkaline in reaction and therefore of great value to persons with hyperacidity."

1. Fresh goat's milk is slightly more acid than fresh cow's milk and appreciably more acid than human milk.⁴

2. The real acidity of goat's milk is considerably less than that of cow's milk. There is a marked difference between the acidity of the whole goat's milk and that of its serum. In normal goat's milk which is nearly neutral there is present in suspension di-calcium phosphate which, in the presence of the water in the milk, undergoes more or less decomposition, which, according to the work of Cameron and Hurst, dissolves more acid than base from the solid phase. The result of this action is that the insoluble portion of the milk becomes more basic than the whole milk, while the soluble portion becomes more acid. In determining the acidity of milk, it should be remembered that the presence of di-calcium phosphate furnishes favorable conditions for the formation of acid phosphate and tri-calcium phosphate, resulting in an increased requirement of alkali for neutralization, and, apparently, a higher acidity if the milk is titrated directly.⁵

(3) "The curd (casein) of goat's milk is smaller and flocculent while that of cow's milk is larger and tough."

Possibly. However, the casein of goat's milk forms a series of compounds with bases in which the combining proportions are the same as in the case of casein prepared from cow's milk. Comparison of compounds of goat's milk, cow's milk, and human milk shows that the amount of salts and the number of different salts in human milk is less than in cow's or goat's milk. The amount of chlorides in goat's milk is larger than in either human or cow's milk. The phosphates in goat's milk are combined with more bases than in the other milks.⁶

(4) "The fat of goat's milk is more digestible than that of cow's milk, because the fat globules of goat's milk are smaller than those of cow's milk. It is, therefore, in better emulsion and offers a greater surface for the action of the digestive ferments."

1. The size of the fat globules of milk is not necessarily a criterion of fat digestibility. Ninety-one percent of goat's milk fat globules are under four microns in diameter; 90% of the cow's milk fat globules are over four microns, while human milk fat globules attain a size of thirty-two microns in diameter. If size of globules was the great factor of milk fat digestibility, goat's milk, from the fat view-point, would be better than cow's milk, and both goat's and cow's milk would be superior to human milk in infant feeding. Such a conclusion in the face of experience is absurd.¹

2. Certain German observers (notably W. Stoeltzner) hold that the fat of goat's milk under the action of digestive ferments splits more readily into the lower fatty acids than the fat of cow's milk. They believe that the absorption of these lower fatty acids in infant feeding causes destruction of the red blood cells and produces a rather severe anemia in children, *Milk Goat Anemia* (Ziegenmilchanemie).²

(5) "As goats rarely have tuberculosis the universal adoption of goat's milk in feeding infants and children would save approximately 11,000 lives and would prevent about 10% of all the tuberculosis occurring in the United States annually."

1. Standard methods of the production of cow's milk (use of the tuberculin test, sanitary handling, and pasteurization) make cow's milk as safe as goat's milk. The goat is subject to garget, Malta fever, and foot and mouth disease, all of which are milk borne. Unless the goat's milk was delivered on the hoof as in certain European countries, it would not be safe for human consumption unless handled in accordance with the standard methods used for cow's milk.

2. The tendency of goats to browse omnivorously makes their milk more likely to be toxic than that of cow's. A number of cases have been reported in which severe symptoms of poisoning have been produced in users of goat's milk without the goats showing any signs of illness.

(6) "If goat's milk is properly produced and handled, there should not be any goaty odor."

There is a very strong prejudice among the majority of Americans against goats, their odors, and the flavor of their milk. The goaty odor of goat's milk comes from the hair and dirt which fall into it from the body of the animal and by absorption when milking the doe near the buck. If the doe is fed and milked under highly sanitary conditions, no disagreeable odor or flavor is found in goat's milk, but its taste is distinctly different from cow's milk. This difference seriously reduces its desirability in the minds of the average Americans.

(7) "Remarkable results in certain cases have followed artificial feeding of infants with goat's milk."

The truth of this claim is unquestioned. A few infants have an idiosyncrasy to cow's milk. It disagrees with them when carefully produced and modified. This condition is probably due to anaphylaxis to cow's protein and is similar to asthma or hives (urticaria), caused by the inhalation or ingestion of protein to which the individual is peculiarly susceptible. In these rare cases goat's milk is useful, but as they occur only about once in 10,000 cases, it does not create a large market for goat's milk.

(8) "Goat's milk has been very efficacious in 'rheumatism'."

Pharmacologists do not record that goat's milk contains any substance capable of producing a definite and characteristic effect valuable in the treatment of arthritis.

SUMMARY

1. Except in those rare instances in which a child may have an idiosyncrasy or hypersensitiveness (anaphylaxis) to cow's milk, goat's milk has no superiority to cow's milk in the artificial feeding of infants.

2. Cow's milk from tuberculin tested herds, handled in accordance with standard methods of production, and pasteurized, is superior to and safer than goat's milk, unless similarly produced and treated.

3. The aversion of the average American to goats, their odors, and the flavor of their milk greatly limits the usefulness of goat's milk.

TESTIMONIALS FROM EXPERTS

"I have had no experience with goat's milk and, therefore, am unable to answer the question in your letter. My own baby was hypersensitive to cow's milk and could take goat's milk. Such cases in which the child is hypersensitive to cow's milk must be very rare."—E. A. PARK, *Professor of Pediatrics*, Yale University.

"Your letter received. I have successfully used goat's milk in cases in which the child has been sensitized to cow's milk. I feel that it has quite a field for usefulness in such children—all of which means there is very little market for goat's milk."—CHARLES GILMORE KERLEY, M.D., *Professor of Pediatrics*, College of Physicians, New York City, N.Y.

"I have had at my disposal, at the Mount Sinai Hospital, a herd of goats which furnished the milk for my nurslings in the hospital. In spite of all the literature which you have got on the subject of goat's milk, and which I grant is more or less true, the babies would not take this milk. We had it delivered fresh. It had a peculiar odor like the perspiration of a working man, and I think it is this that was objectionable to the babies, and the little scheme was a failure although we tried it conscientiously in cases of malnutrition, diarrhoea, and other diseases. This is the information which I have to give you concerning goat's milk. It is not a practical infant food."—HENRY KOPLIK, M.D., College of Physicians and Surgeons, New York City, N. Y.

"I have never found that goat's milk was of any advantage in infant feeding, notwithstanding the various claims which are put forth by those particularly interested in its sale.

"The only instance in which it is of any particular value is where the child has an anaphylactic reaction to cow's milk. In such cases, I have found it of considerable value, otherwise, it has no marked value over cow's milk which is certainly more easily controlled as to production and sale than the ordinary goat milk supply."—WILLIAM PALMER LUCAS, M.D., *Professor of Pediatrics*, University of California.

"I feel quite as you do that the literature on the subject of the superiority of goat's milk over cow's milk is quite insufficient to warrant the statements that are made by those interested in the production of goat's milk. I have had no personal experience, and therefore I hardly feel qualified to express my opinion. I do know that in certain instances in which the infant is susceptible to cow's milk, goat's milk has been very satisfactorily used. On the other hand, I feel that very few nutritional disturbances can be treated more satisfactorily with goat's milk than with cow's milk. I regret that I can not give you more definite information."—KENNETH D. BLACKFAN, M.D., *Professor of Pediatrics*, Harvard Medical School.

"The advantages of goat's milk that might be cited are that the goat produces more milk in proportion to the intake of food than does the cow and then the goat does not develop tuberculosis as readily as does the cow. The goat, however, is not immune to tuberculosis and inasmuch as pasteurization and boiling of cow's milk for other reasons is considered a necessity of safety, the relative freedom of the goat from tuberculosis really is of no practical value.

"In the *Jahrbuch für Kinderheilkunde* Band, 102, Heft 5, page 257 and also Heft 6, page 357, Dr. E. Brouwer of Holland reports the result of a rather extensive study of the role played of goat's milk in the production of an anemia. This author maintains that a very high percentage of children who are fed with goat's milk develop this anemia. The report of his work is to be completed in the next number of the *Jahrbuch*, but as far as he has gone, his conclusion regarding the value and necessity of goat's milk in the feeding of infants will unquestionably be adverse.

"In the *Zeitschrift für Untersuchung der Nahrungs und Genussmittel*, Volume 15, page 13, K. Fischer points out that goat's milk has a peculiar pallor which is also characteristic of butter made from goat's milk. He suggests that the food which the goats get is responsible for this. I imagine there is some truth in this statement because it is now well known that there is a difference between milk and milk, mainly depending upon the kind of food which the animal producing the milk receives from the products.

"You will find a detailed analysis of goat's milk in *Czerney-Keller*, Volume 1, page 446.

"In the *Münchener med. Wochenschrift*, 1922, page 4, W. Stoeltzner also writes an article regarding the anemia produced by feeding with goat's milk."—H. J. GERSTENBERGER, M.D., *Professor of Pediatrics*, Western Reserve University.

"The vital question is whether goat's milk possesses any great advantages over cow's milk for infant feeding. A year and a half ago a supply of goat's milk was furnished to the Babies' Hospital, of which I am physician-in-chief, by the New York Health Department. We had an opportunity to test its value in difficult feeding cases for nearly an entire year. As a result of this experience the opinion was a unanimous one in the minds of all the physicians who watched the cases that goat's milk possesses no advantages over cow's milk. The infants who did well on modifications of cow's milk did equally well on modifications of goat's milk, but there was no single instance of an infant who did badly on cow's milk who showed any definite improvement when changed to goat's milk. The infants were under close daily observation at the time the goat's milk was being used."—L. EMMETT HOLT, M.D., *Professor Diseases of Children*, New York City, N. Y.

"It is probably true that goats are less susceptible to tuberculosis than are cows, and that therefore goat's milk is less likely to transmit tuberculosis than is cow's milk when fed raw. Inasmuch as all cow's milk fed to babies is, or should be, pasteurized or boiled, and as this destroys any tubercle bacilli which may be present, the advantage of goat's milk over cow's milk in this particular is not an important one.

"There is an occasional infant who is sensitive to cow's milk and develops anaphylactic phenomena when given even the smallest amount. Such children have to be fed for a period on the milk of some other animal, and goat's milk is that usually selected. Cases of this type are extremely rare. Probably not more than one infant in ten thousand is sensitive to cow's milk. I know of no other advantage of goat's milk over cow's milk than those above mentioned. Every conceivable variety and modification of milk has been advocated for infant feeding, and each has its staunch advocates. There is often little or no scientific basis for the claims advanced and I feel that goat's milk is to be included in this category."—McKIM MARRIOTT, M.D., *Physician-in-Chief*, St. Louis Children's Hospital.

"Answering your letter regarding goat's milk, it has approximately the same composition as cow's milk and has no special advantage over cow's milk as an article of diet in the artificial feeding of infants, especially if the cow's milk is pasteurized; as goats are practically immune to tuberculosis, unpasteurized goat's milk is safer than milk from non-tuberculin tested cows. Some children who have an idiosyncrasy to cow's milk can handle goat's milk.

"Goat's milk has a smaller fat globule and the emulsion is more constant, the fat separating far less readily. This is of advantage in cases that do not handle the larger fat globule of cow's milk.

"Dr. Calvin, whose article is enclosed, is associated with me and I think you can obtain such references as desired from this literature.

"Also, from an economical standpoint, it would probably be cheaper for families with a small acreage to keep a goat than a cow, but aside from these advantages, goat's milk is not superior to cow's milk for infant feeding—except in a few specially selected cases."—JULIUS H. HESS, M.D., *Prof. Ped. and Clin. Ped.*, U. of Ill., Chicago, Illinois.

"It happens that I, myself, have a small herd of goats at my home and I have found that the milk is very easily digested as compared with cow's milk. In fact, I have always been one of those who has felt that cow's milk did not agree with me. To my very great surprise, goat's milk has never caused the slightest distress even though I have put it to very severe tests, such as drinking three very large glasses, one after another.

"Just a word in estimating the relative value of the two milks. When a child's digestion is badly deranged, it not infrequently happens that no milk unless fundamentally modified will act as a cure. Again, people class together the milk from all varieties of goats. The Nubian is said to give the richest milk and as there are many infants who have difficulty in digesting fat, they could easily be harmed by milk of this variety. Finally, goat's milk must be properly modified just as must the milk of the cow in the

artificial feeding of infants. Therefore, only the most carefully controlled experiments will be able to answer the question which you put in your letter."—ALBERT H. BYFIELD, M. D., *Professor of Pediatrics*, State University of Iowa.

"I do not believe that goat's milk is superior to cow's milk in any way for infant feeding. The analysis of goat's milk is no nearer that of human milk than is that of cow's milk. In order to be a suitable food for infants, it must be modified in some way, just as is cow's milk.

"It probably was true in the past, in those countries in which goat's milk was commonly fed, there was less danger of infection with tuberculosis from goat's milk than from cow's milk. In this country, however, where milk is properly produced and generally pasteurized, there is no more danger of infection with tuberculosis from cow's milk than from goat's milk.

"I have occasionally fed babies on goat's milk where people were so situated that it was more convenient for them to get and use goat's milk than cow's milk. Babies fed in this way have done as well, but no better, than babies fed on cow's milk."—JOHN LOVETT MORSE, M.D., *Professor of Pediatrics*, Harvard University.

"Your letter mailed October 19th just received. Goat's milk bears a slightly closer resemblance to human milk than does cow's milk, but in the feeding of goat's milk to infants the milk has to be modified just as the cow's milk has to be modified. In my experience, goat's milk in this country is very difficult to procure and it is also extremely difficult to obtain goat's milk that has been produced according to modern scientific methods as in the best dairies where cows furnish the milk.

"Before the war there was in Philadelphia one farm where they produced first-class goat's milk but I believe that this place has passed out of existence, as I have not heard anything about it during the last two or three years. In certain countries, as in Italy, goat's milk is very largely used.

"My personal opinion is that in this country where the cows are so carefully watched and tested and where the production of cow's milk has been standardized, that it is very much wiser and safer in the large majority of cases to feed babies on cow's milk.

"If, however, any individual or a number of individuals could develop farms where goat's milk could be supplied on the same standard as that now demanded by cow's milk, I believe it would be of advantage as it would give us an opportunity of using goat's milk and to more closely study goat's milk and it is also quite possible that we might find it advantageous in some of our very difficult feeding cases."—EDWIN E. GRAHAM, M.D., *Professor of Dis. Child.*, Jefferson Med. School, Philadelphia, Pennsylvania.

"In reply to your letter I beg to advise that there are no advantages in goat's milk over cow's milk produced in the same way. The goat is less susceptible to tuberculosis than is the cow. On the other hand the goat's milk is much stronger in odor than is cow's milk. With the laws requiring the tuberculin testing of cattle the question of the transmissibility of tuberculosis through cow's milk is practically nil, and as it is much more palatable than goat's milk there can be no advantage in a goat's milk over a cow's milk. In so far as the comparative digestibility is concerned the goat's milk has no advantage over the cow's milk. Personally, I have never seen an instance in which goat's milk could be given that cow's milk could not have been given if properly modified. I see no reason, however, why the milch goat industry could not also develop. I must insist that the goat's milk is not superior to cow's milk."—L. R. DE BURS, M.D., *Clin. Prof. Ped.*, University of Tulane, New Orleans, Louisiana.

"Analyses of goat's milk seem to show that it resembles human milk more closely than does cow's milk. Moreover, goats are not subject to tuberculosis and the cost of maintaining them seems to be less per liter of milk than in the case of cows. On the other hand, goats develop a disease which is transmitted to human beings through the milk and has been termed "malta fever." Furthermore, of late there have been reports of "goat milk disease" occurring in infants who were fed on this milk. The nature of this disorder has not been clearly defined and may well be associated with the particular diet of the goats. Indeed, it has seemed to me that the fact that goats show so little discretion in their diet, and can be maintained on fodder which is entirely inadequate, constitutes a danger in using their milk for infants, and renders it especially necessary

to supervise their dietary. We know that a great many of the valuable principals of milk are dependent upon the food and, therefore, we cannot generalize as to the milk of one animal being absolutely superior to that of another."—ALFRED F. HESS, M.D., *Clin. Prof. Ped.*, New York City, N. Y.

"There is no advantage in goat's milk over cow's milk unless it may be in cases of sensitization to cow's milk. There seems to be a business enterprise on foot to boost goat's milk. I think very few of the men are using it excepting as indicated."—DAVID MURRAY COWIE, M.D., *Assoc. Prof. Ped. and Inter. Med.*, Ann Arbor, Michigan.

"There are several things to be urged against goat's milk as an artificial food for infants. In the first place, there is entire lack of familiarity with the peculiarities of goat's milk on the part of the medical profession. This represents a very serious difficulty. If you will look in some recent issues of the *Jahrbuch für Kinderheilkunde* you will find a series of articles on anemia developing from the use of goat's milk. This anemia is apparently rather severe. So far as I know, goat's milk is not superior to cow's milk except that it seems to be more free from the danger of tubercle bacilli contamination. I feel that the effort on the part of certain interested individuals to develop goat's milk as a food for babies is entirely misplaced and may be even said to be a menace if carried too far."—CLIFFORD G. GRULEE, M.D., *Asst. Prof. Med.*, Rush Medical College, Chicago, Illinois.

"There is no great advantage in using goat's milk over that of cow's milk. As a rule, children who can take care of one will take care of the other. I do not believe that the goat lends itself so well for the commercial production of milk and probably for economic reasons the cow will continue to be the milk-producing animal.

"The advantages claimed for the use of goat's milk are:

"1. The goat is less susceptible to tuberculosis.

"2. In some respects the goat is cleaner. Her offal being small and dry, it consequently does not tend to contaminate the udder and the milk supply.

"I think it is also true that occasionally a child may be sensitive to cow's milk and show anaphylactic reactions, though the same does not apply to goat's milk.

"Goat's milk for babies is an age-old story and is revived at intervals, though it has always failed of universal adoption."—I. A. ABT, M.D., *Prof. of Ped.*, Chicago, Illinois.

"I do not know any evidence which shows that goat's milk is better than clean cow's milk. Goat's milk has been used a good deal in countries, like Spain and Cuba, where there is little ice, for the reason that the goats could be driven to the houses and milked there and the milk was, therefore, fresh. Without adequate sterilization and pasteurization goat's milk was also safer than cow's milk on account of the rarity of tuberculosis in goats. That goat's milk is better than clean cow's milk which has been pasteurized, seems to me unlikely, but, as I say, I have no specific knowledge regarding it, and I do not know whether there is any in literature.

"Czerny, the pediatrician, when he was in Breslau in charge of the Children's Department there, had a herd of goats for feeding some of the infants, but when I knew him in Strassburg, although plenty of money was available, he did not have any goats. I imagine that he was convinced there was no necessity for keeping a herd.

"I am sorry that this is all the information I can give you."—JOHN HOWLAND, M.D., *Pediatrician-in-chief, Prof. of Ped.*, The Johns Hopkins Hospital.

"Your letter of the 19th instant has just come to hand, in which you ask about the quality of goat's milk. From a chemical point of view, analyses would indicate that the two varieties of milk run so nearly similar that there is no particular advantage in one over the other. The slight excess of casein in goat's milk over cow's milk, according to the analysis in Richmond's *Dairy Chemistry*, perhaps accounts for its tendency to form a firmer clot. The difficulty in getting the goat's milk free from odor has also been a point against goat's milk. The freedom from tuberculosis, which I believe is claimed for goats (although I have no personal knowledge on this point), is an advantage, of course, if it is true. I do not myself see any reason at all to favor the employment of goat's milk in preference to that of the cow on the ground of any superiority. There are occasions, certainly, where it would be very helpful to be able to get goat's milk. I refer particularly to where the infant shows an anaphylactic inability

to take cow's milk prepared in any way. I have had these cases a number of times, and have wished that the obtaining of goat's milk in this vicinity were an easier matter. These cases are, however, rare."—J. P. CROZER GRIFFITH, M.D., *Prof. of Ped.*, U. of Pa. School of Medicine, Philadelphia, Penn.

"In reply to your letter concerning the use of goat's milk in infant feeding I would state that I have personally had a rather limited experience with it. As you know, its composition is not very different from that of cow's milk and it may be substituted for cow's milk in feeding both normal and sick infants. The cream rarely rises on goat's milk and on account of the extreme smallness of the fat globules, renders the food more digestible particularly for infants with weak digestive powers.

"The goat is rarely infected with tuberculosis so that it is a safe milk to use from the standpoint of this disease. It should be borne in mind, however, that the goat in certain regions is apt to be infected with *B. melitensis* and while it does not seem to harm the goat, the disease may be transmitted to man by drinking the unboiled milk. As far as I know there is little or no Mediterranean Fever in the United States so this would only apply to places where it existed.

"The chief use of goat's milk in infant feeding is in children who are sensitized to cow's milk and who cannot be fed on it. Goat's milk for these children is a wonderful food.

"There are some evaporated goat's milks on the market which are useful where fresh goat's milk cannot be obtained."—JOHN RUHRAH, M.D., *Prof. of Pediatrics*, U. of Maryland, Baltimore, Maryland.

"This question comes up perennially and is never kept up, so far as I can see, only by laymen and lay writers and by the Wideman people of California. I do not believe that there is one iota of evidence that goat's milk is better for babies than cow's milk, under similar circumstances. It is wholly unfair to compare condensed goat's milk with fresh cow's milk as is often done clinically. Of course, condensed goat's milk is easier to digest than fresh cow's milk, but condensed cow's milk is equally so. There is, to my knowledge no scientific evidence that goat's milk is superior *per se*."—JOS. BRENNEMANN, M.D., *Asst. Clin. Prof. Ped.*, Northwestern Med. School, Chicago, Illinois.

SUPPLEMENTARY REPORT

September 25, 1924

President David Kinley, 355 Administration Building
DEAR PRESIDENT KINLEY:

At your request I resubmitted to the Committee on Milch Goats the points raised in the Board of Trustees with reference to the conclusions of the former report of this committee, contained in your communications. I am transmitting herewith their supplementary report together with a letter from the chairman of the committee.

In the light of the facts presented by the committee, it is clear that their former report was justified and well within the facts. With the report of the committee in mind, I do not feel justified in recommending the establishment of a herd of milch goats at the University, knowing that it would need to be done at the expense or curtailment of important lines of work already established.

Very truly yours,

H. W. MUMFORD

September 25, 1924

Dean H. W. Mumford, 100 New Agricultural Bldg.
MY DEAR DEAN MUMFORD:

I am submitting herewith three copies of the supplementary report of the milch goat committee. After carefully weighing the facts regarding the various questions and notations your committee finds no new information bearing on the solution of the problem to cause it to in any way change the original conclusions and recommendations embodied in its previous report.

In a few instances additional facts are presented in an attempt to clarify some of the questions raised.

Professor Kammlade, though familiar with the report, left town before I obtained his signature.

Very truly yours,

W. W. YAPP

Your committee appointed to study milch goats with special reference to their addition to the herds and flocks of the University of Illinois has reconsidered its report as originally submitted, December 16, 1923. In the reconsideration of this report the committee has taken cognizance of certain questions, suggestions, and special literature handed to the committee at the time of the request for the reconsideration of the question.

After careful study of the facts at hand your committee does not wish to change or modify its report as originally presented. It does, however, wish to supplement the same to more fully answer certain of the questions and statements submitted.

The statements to which the committee has given special attention are:

1. Malta fever is not more likely to be contracted from goat's milk than from cow's milk.
2. The consumption of milk is too low. Should be increased.
3. Great need for increased milk supply and facilities for supplying same.
4. The distance is becoming too great between the consumer and source of his milk supply.
5. University promotes industries, why not promote this one?

I. Recent work by Alice C. Evans of the United States Public Health Service produces further evidence of the close similarity between Bang's *Bacillus abortus* which produces infectious abortion in cattle and the *Micrococcus melitensis* of Bruce which causes Malta Fever by infection of man through goat's milk. The *Bacillus abortus* has been found in a considerable percent of samples of cow's milk examined by numerous investigators. It seems an undisputed fact that this organism of cattle is, in certain instances, pathogenic for man. Circumstantial evidence points strongly to human infection with Malta Fever through cattle but the facts available are not such as to warrant the conclusion, at present, that cow's milk ingested raw and contaminated with the *Bacillus abortus* is as likely to be followed by Malta Fever as the drinking of milk from a goat infected with the *Micrococcus melitensis*. The same evidence that shows similarities between these infections in man points strongly to the conclusion that the bovine type produces a much milder infection than the caprine.

II. From a dietary standpoint there is little doubt but that a larger average consumption of milk per capita would react toward an improved nutritional condition. This is especially true of the younger generation, particularly the smaller children. It must remain a question, however, whether or not goat's milk would prove any considerable factor, either from a practical or economic standpoint, in alleviating this condition.

III. It can hardly be said that the limited consumption of milk is due to the lack of an actual or potential supply of fluid milk. Plate No. 1 taken from an unpublished manuscript of the Department of Dairy Husbandry graphically pictures the general territory which now supplies fluid milk to the city of Chicago. Aside from a considerable number of bottling plants just outside the can-shipping zone and a few bulk receiving stations still farther out, the great majority of Chicago's present milk supply comes from within the outer limits of the can-shipper zone.

The potential supply is clearly pictured in plate No. 2 which gives the production of milk by counties in the territory which could supply milk to the city, but a large portion of which is at present prevented from doing so because of the price offered. It can be readily seen from this chart that the potential supply is such that the total supply to the city could be very largely increased, in fact, almost doubled, if proper transportation facilities were offered and a price paid sufficiently high to attract the more distant producers.

The advent of tank cars so well insulated that they can retain a uniformly low temperature for several hours tends to solve the transportation problem. The demand will undoubtedly determine the supply.

It would appear from this study that the present available supply of cow's milk, at least so far as the Chicago territory is concerned, is adequate to meet the needs of the city even under conditions of a greatly increased demand.

IV. Since February 12, 1852, when Phineas H. Smith shipped his first can of milk to Old City Hall in Chicago, there has been a remarkable extension of the zone supplying whole milk to the city. There is little doubt but that the longer the interval between the time milk is produced and consumed, other factors remaining constant, the less desirable it becomes. It is also equally true that our improved methods of pro-

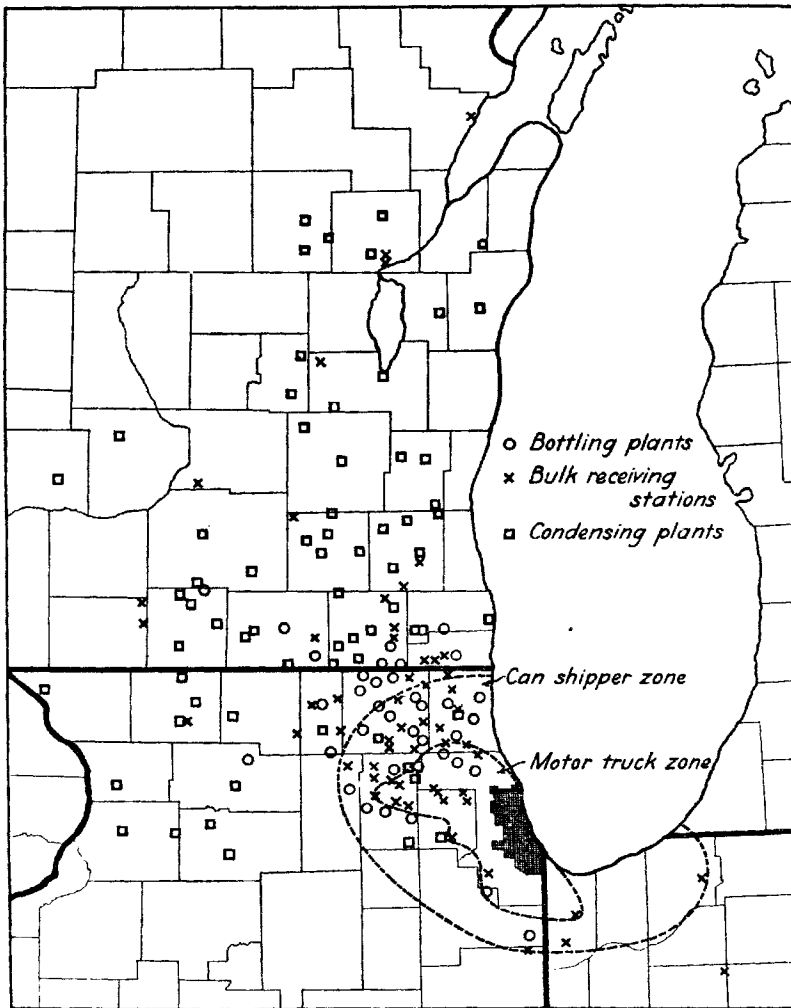

Plate I.

duction, transportation, pasteurization, etc., tend to reduce the importance of the above condition and make it possible to supply desirable and safe milk under present conditions of production.

While it is physically possible to maintain goats nearer the source of the consumption of their milk than cows it is a grave question as to whether or not it would prove either economical or safe to have an extensive production of milk under such conditions.

V. The important question which was uppermost in the minds of the members of your committee during the preparation of the original report was:

"Everything considered, is the milch goat an animal of sufficient economic importance to justify its addition to our already over-burdened investigational program?"

Plate II.

Figures in circles—number of gallons milk produced per sq. mile in 1919.
Table compiled from 1920 census report United States Department of Agriculture.

The same question confronts the members of your committee at the present time.

Your committee, in all fairness and in light of the information which it has been able to obtain after reconsideration of the entire problem, finds no occasion to differ from the original conclusions and recommendations embodied in its report of December 16, 1923.

Respectively submitted,

W. W. YAPP

On motion of Mrs. Blake, this report was accepted.

APPROPRIATION OF AGRICULTURAL BALANCES

(2) Dean Mumford requests the re-appropriation of a balance of last year's appropriation to the Department of Dairy Husbandry of \$8,985.28 and one of \$3,599.77 to the Department of Agronomy. The amounts have been carried in a separate ac-

count since lapsing until the need for them could be specifically determined. I recommend approval and ask that these re-appropriations be made.

On motion of Mrs. Evans, these appropriations were made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

APPOINTMENT OF DEAN D. LEWIS

(3) Dean Eycleshymer recommends to me, and I recommend to you, the appointment of Dr. Dean D. Lewis, former Professor of Surgery in the University of Chicago, to the position of Professor of Surgery and Director of Research in the Department of Surgery in the College of Medicine, on three-fourths time, at a salary of \$7,500 a year.

On motion of Mrs. Blake, this appointment was made.

APPOINTMENT OF PROFESSOR MARSHALL

(4) On recommendation of Dean Ketchum I have approved the appointment of Mr. Irvine Meredith Marshall as Assistant Professor of Mining Engineering for one year from September 1, 1924, at a salary of \$3,000, this appointment to fill the vacancy caused by the declination of Professor T. M. Bains to accept reappointment.

This report was received for record.

DESTRUCTION OF FARM BUILDING BY FIRE

(5) Early in the morning of August 20, 1924, a barn on the South Campus operated by the Horticultural Department was struck by lightning and the building and contents were totally destroyed by fire.

The Supervising Architect estimates the total loss to be in the neighborhood of \$1,000. The building itself had almost reached the limit of its period of usefulness.

This report was received for record.

ADDITIONAL INSTRUCTORS IN ECONOMICS

(6) The increased enrollment makes it necessary to provide additional instructors in Economics, and on request of the Dean of the College of Commerce I recommend that \$2,200 be assigned from the Reserve and Contingent fund to the department of Economics for additional instructors.

This appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

ACCIDENT COMPENSATION 1923-24

(7) The Board on July 11, 1923, appropriated two thousand dollars (\$2,000) to meet the claims for accident. The conduct of matters connected with accident compensation is in the hands of a committee appointed by me, consisting of Judge Harker, Mr. C. A. Petry (now replaced with Professor Gordon Watkins), and the Comptroller, Mr. Lloyd Morey. They have made the following report for the year 1923-24.

CONTRACT WITH ST. ANTHONY'S HOSPITAL

(8) On recommendation of the Dean of the College of Medicine, I request approval of the following contract for affiliation with St. Anthony's Hospital of Chicago.

AGREEMENT

(In Duplicate)

THIS INDENTURE, Entered into this 1st day of October, 1919, between the Board of Trustees of the University of Illinois, a corporation, hereinafter called "the University," and the Hospital St. Anthony de Padua Hospital of Chicago, Illinois, hereinafter called "the Hospital."

WITNESSETH: 1. *Clinical Clerks or Externes*: The hospital admits without fees and the University agrees to furnish as far as is consistent with its teaching activities a limited number of advanced students, who shall act as clinical clerks or externes and perform the duties devolving upon them as such. They shall take histories of cases and make all necessary physical and laboratory examinations under the direction and supervision of members of the hospital staff, who shall belong to the teaching staff of the University. They may also observe and assist as far as possible in operating on surgical cases and in the treatment and care of other cases under the constant supervision of the internes or staff members.

(2) *Internes*. The University will furnish to the Hospital as far as it is able to do so licensed internes in such numbers as the Hospital may desire.

(3) *Relation of Members of the Hospital Staff to the University*. The University agrees to appoint as members of its staff of Affiliated Hospitals, all physicians who are members of the Staff of the Hospital at the date of the beginning of this agreement. The Hospital agrees to appoint all new members of the Staff to fill vacancies or to fill new positions which may be created hereafter from candidates approved by the University.

(4) *Supervision of Internes and Externes*. The work of the Hospital internes furnished by the University shall be supervised by the members of the Hospital as shall be chosen by the University. Both internes and externes shall be done by such members of the staff of the Hospital as shall be chosen by the University. Both internes and externes shall conform to all rules of the Hospital. Records of efficiency of the internes and of the attendance and work of the externes shall be kept by such persons as shall be designated by members of the Hospital Staff in conference with the Hospital Staff of the University.

(5) *Hospital Nurses.* The University agrees to furnish opportunities for instruction in anatomy on the cadaver in its medical college building to the nurses of the Hospital St. Anthony de Padua Hospital Training School for Nurses to the extent required for schools for nurses by the Department of Education and Registration. Nurses graduating from the Hospital St. Anthony de Padua Hospital Training School may be given their diplomas at the commencement exercises of the College of Medicine.

(6) *Financial Responsibility of the University.* The University shall not be responsible for any hospital expenses.

(7) This agreement shall be in force for one year commencing with the 1st of October subject to continuance beyond that time by mutual agreement.

In Witness Whereof, the undersigned, authorized officers of the parties, hereto attach their signatures as official representatives and the corporate seals of the representative parties.

On motion of Mrs. Evans, this contract was authorized.

MEDICAL RESEARCH BUILDING

(9) In accordance with the request of the Supervising Architect, I request an appropriation of \$2,500 from the Reserve and Contingent Fund to meet certain incidental and unexpected expenditures in getting the Medical Research building ready for use, as explained by the Supervising Architect.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

COOK COUNTY EXPERIMENT STATION

(10) A recommendation that the \$25,000 appropriated by the last General Assembly for the Cook County Truck Garden Experiment Station be appropriated to the Agricultural Experiment Station for use in carrying out the work for which the money was appropriated by the General Assembly.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

ESTATE OF SAMUEL HARE

(11) The Board of Trustees of the University of Illinois was named heir at law and legatee in the will of the late Samuel Hare of Ford County. In accordance with the practice in such cases the Board of Trustees by its President, Dr. Noble, at my suggestion, entered its appearance and waived notice, and consented to the probate of the will of said Samuel Hare on August 11, 1924.

This report was received for record.

AUTOMOBILE TRAFFIC ON CAMPUS

(12) A request from the Supervising Architect for authority to install a semaphore system to prevent the movement of automobiles on the campus in the ten-minute intervals between classes.

This matter was fully discussed, and Professor White made a statement concerning it.

On motion of Mr. Trees, it was voted (1) to prohibit the parking of automobiles on the campus within hours and boundaries to be determined, and (2) to prohibit the movement of automobiles on the campus during the ten-minute intervals between classes and from 11:50 a. m. to 12 m. The use of a semaphore system for this purpose was approved.

RESEARCH GRADUATE ASSISTANTSHIPS IN CERAMIC ENGINEERING

(13) The Titanium Alloy Manufacturing Company of Niagra Falls, New York, has established a research graduate assistantship for two years from September 1, 1924, for certain investigations on a subject of great importance to the ceramic industry.

This report was received for record.

CONTRACTS EXECUTED BY THE COMPTROLLER SINCE JULY 9

SCHOLARSHIPS AND FELLOWSHIPS IN THE ECONOMICS OF PUBLIC UTILITIES (OTHER THAN STEAM RAILROADS)

(16) Seven Public Utility Companies of the State have jointly offered the University \$5,000 a year for five years, beginning September 1, 1924, for graduate scholarships and fellowships to be given to students nominated by the Dean of the College of Commerce and approved by the other regular authorities for the study of public utilities in the field of administration.

This gift has been made subject to the regulations of the University governing such matters and accords in all respects with our practice. Therefore, I have accepted it and am reporting the matter for record. The Comptroller has the checks.

This report was received for record.

APPROPRIATION FOR LAND PURCHASES

(17) The Superintendent of Business Operations asks an appropriation for \$312.50 to pay the commissions and other expenses connected with the purchase of the Lloyd and Martin houses and lots in College Place.

I recommend that the appropriation be made from the Reserve and Contingent Fund.

This appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

OPTION ON ALLEN PROPERTY

(18) The Superintendent of Business Operations, Professor James M. White, recommends that the University accept the following option for the purchase of the Allen property on the south side of Gregory Avenue in College Place. This is the only remaining piece of property which we have to acquire south of Gregory Avenue to complete our possession of the entire strip facing Gregory Avenue, between First and Fourth Streets. The option is as follows:

OPTION

KNOW ALL MEN BY THESE PRESENTS, That Olie Allen and Mollie Allen of the City of Champaign, County of Champaign, and State of Illinois, for and in consideration of the sum of One Dollar (\$1.00) in hand paid at or before the ensembling and delivery of these presents by the Board of Trustees of the University of Illinois, of the city of Urbana, County of Champaign, and State of Illinois, have agreed and do hereby agree to hold until the first day of November, 1924, at twelve o'clock noon, time being the essence and important part of this option, subject to the order of the Board of Trustees of the University of Illinois, and to contract to assign and transfer to the said Board of Trustees of the University of Illinois, or such person or persons as they may direct, at any time within the time above prescribed, the following described property: Lot One Hundred Sixty (160), College Place, Champaign, Illinois, for a consideration of Eight Thousand Seven Hundred Fifty and no/100 (\$8,750.00) Dollars, the cash to be paid to the grantors when the Board of Trustees of the University of Illinois is given possession of the property, which shall be prior to May 1, 1925.

The Board of Trustees of the University of Illinois agrees to pay the balance of the street lighting assessment of about Fifty Dollars (\$50.00) and to assume the 1924 taxes.

The grantors agree to furnish an abstract of title brought down to date of transfer showing merchantable title.

Dated at Champaign, Illinois, this 19th day of September, 1924.

OLIE ALLEN

MOLLIE ALLEN

The price, \$8,750, is reasonable for the house and lot. The Comptroller agrees with the Superintendent of Business Operations on this matter, as do I, myself. I recommend approval and authority for the Comptroller and Secretary of the Board to accept this option.

On motion of Mr. Evans, this option was accepted.

RADIO BROADCASTING LICENSE

(19) The American Telephone and Telegraph Company own certain patents used in radio broadcasting. In order to avoid infringement of those patents we should have a license from them. They offer us one for one dollar, which is a nominal sum in order to make the contract technically and legally complete. I have authorized Professor White, in conjunction with the Comptroller, to make the necessary arrangements.

This report was received for record.

UNIVERSITY EXHIBIT AT THE PRODUCTS EXPOSITION

(20) The Illinois Chamber of Commerce is to conduct an exhibit of Illinois products in Chicago beginning early in October. We have been asked to make an exhibit. This is similar to the exhibit formerly known as the Pageant of Progress, as I understand the matter, and I recommend that the University participate, and that an appropriation of \$1,000, or so much thereof as is needed, be assigned from Reserve and Contingent Fund to the Supervising Architect to meet the expense of this exhibit.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

BUILDING FOR BLACKSMITH SHOP

(21) The Supervising Architect informs me that we must move the barns and blacksmith shop just west of Fourth Street on the Stadium site. He states that the new buildings which we are creating for Agriculture will practically replace the barns, although he thinks that we shall have to leave a garage on the premises and build a shelter where cattle in quarantine can be kept on the south farm. He asks an appropriation of \$2,000 for the erection of the building for the purpose indicated and I recommend the appropriation from the Reserve and Contingent Fund.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

PURCHASE OF THE ELLS LAND

(22) A statement concerning the purchase of the Ells land (See minutes, July 9, 1924, page 5).

The Executive Committee made the following report on this matter.

The Board of Trustees, University of Illinois:

Your Executive Committee was authorized on July 14, 1924, to purchase what is known as the Ells land, at the price of \$850 an acre, on condition of securing a deed from Carrie M. Hodges, Marjorie Hodges, and Harry Ells, and their respective husbands and wives, if any.

We beg leave to report that we have been unable to conclude such purchase under the terms of the authorization for the reason that Harry Ells has not yet executed, or indicated his willingness to execute, such a deed.

Your committee represents that it has secured from Carrie M. Hodges and Marjorie Hodges an option for the purchase of said land, a copy of which is hereto attached. Your committee recommends that the option heretofore made be accepted and that the said land be purchased at the price of \$850 per acre, provided a satisfactory deed be executed and accompanied by an abstract showing the title to be perfect.

**OPTION FOR THE SALE OF REAL ESTATE
IN THE STATE OF ILLINOIS**

In consideration of One Dollar (\$1.00), receipt whereof is hereby acknowledged, we the undersigned, hereby agree to give to the Board of Trustees of the University of Illinois the option to buy the following described real estate in the County of Champaign, State of Illinois, to-wit:

All of the North half of the North East Quarter lying east of the Illinois Central Railroad, in Section twenty-four (24), Township nineteen (19) North Range eight (8) East of the 3rd P. M.

Said Board of Trustees of the University of Illinois shall have the right to close this option at any time within ninety (90) days from date, and we agree to execute to it, or any person named by it, a good warranty deed to said real estate and to furnish thereof an abstract of title, showing said title to be perfect, upon demand thereof.

Upon execution of said deed and abstract, we shall be paid the sum of Eight Hundred Fifty Dollars (\$850.00) per acre as full payment of the purchase price of said real estate.

WE FURTHER AGREE neither to sell nor incumber said real estate during said term of ninety (90) days.

Dated at Los Angeles, California, this twelfth day of July, nineteen hundred and twenty-four.

Attest:

O. A. HARKER

CARRIE M. HODGES (SEAL)

MARJORIE HODGES (SEAL)

On motion of Mrs. Busey, this report was accepted.

On motion of Mr. Trees, the option dated July 12, 1924, was accepted, and the Legal Counsel was instructed to proceed to close the purchase.

MOVING STEBBINS AND WALCOTT HOUSES

(23) A recommendation that \$13,000 be appropriated to meet the expense of moving the Stebbins and Walcott houses to the north end of the Forestry, of repairing the buildings, and of furnishing the Walcott house. These houses are to be used as residences for women students.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

LEGISLATIVE BUDGET, 1925-27

(24) A statement concerning the budget for 1925-27 to be presented to the next General Assembly.

Statements concerning college and departmental needs were made by Dean Eycleshymer (Medicine), Dean Day (Pharmacy), Dean Moorehead (Dentistry), Dean Chadsey (Education), Director Windsor (Library and Library School), Director Stiven (Music), Director Huff (Physical Welfare), Dean Harno (Law), Dean Ketchum (Engineering), Dean Mumford (Agriculture), Dean Thompson (Commerce), and Dean Babcock (Liberal Arts and Sciences).

GOLF CLUB

(25) A statement concerning the transfer of the University Golf Club to the department of Physical Education.

Mr. H. B. Ingalls, Secretary-Treasurer of the Golf Club, made a statement concerning this matter.

EAST TOWER OF UNIVERSITY HALL

(26) A statement from the Supervising Architect concerning the east tower of University Hall:

"On the 8th of August we had a heavy windstorm from the northwest which developed weaknesses in the masonry work of the east tower of University Hall. The supports under the south wall of this tower were poorly planned when the building was built and the southeast corner of the tower has always been weak. About fifteen years ago I did some shoring in the upper stories which relieved the situation, but due to the softness of the brick and the fact that the upper stories of the tower are open to the weather, a disintegration has been going on which has resulted in the present condition.

"I considered it an emergency situation and conferred with Professor Talbot about how best to make the structure safe as there was no doubt in my mind but that we ought to preserve the tower during the life of the building if it could possibly be done. A heavy steel column has been put up inside the southwest corner of the tower and we will immediately start transferring the loads from the upper floors on to this steel column. We will then cut into the wall and replace the defective masonry so as to make the structure safe.

"It is impossible to make an estimate on the cost of this work at the present time because I don't know how far we shall have to go, but it is going to be quite an extensive repair job. We may, however, be able to keep it within \$6,000. I am charging this work to our building maintenance appropriation. To have torn the upper part of the tower down and to have re-roofed it and made the lower walls safe, would have cost at least half of this amount.

This report was received for record.

VALIDATION OF BONDS FOR PAVING STADIUM APPROACHES

(27) On June 9, 1924, the Board of Trustees authorized the signing of a document to validate the bonds on our paving improvements and contemplated a single document covering the paving of Fourth Street, First Street, and Stadium Drive. This work was let in three separate contracts and becomes three separate improvements. The city attorney of Champaign therefore requests that the Board of Trustees now approve the executing of three separate documents—one for each improvement rather than combining them all under one validation.

The officers of the Board were authorized to execute three separate documents to validate the bonds for paving the approaches to the Stadium.

CONTRACTS FOR AGRICULTURAL BUILDINGS

(28) A letter from the Supervising Architect:

President David Kinley, 355 Administration Bldg.

DEAR PRESIDENT KINLEY:

I enclose a list of bids received yesterday on the Dairy Barn, Swine Plant, and the Horse Barn.

It so happens that there is a different bidder low on each job so that the percentage deductions for combinations do not have any effect.

I recommend that the general contract for the Dairy Barn be awarded to Sowers & Corkery on the basis of their bid accepting the deduction of \$12,000, for omitting the fourth wing, which makes their bid \$43,000. We have not contemplated building more than the three wings, but took the figures on the basis of the completed structure for our own information.

The bids on the Swine Plant and the Horse Barn overran the appropriations of \$20,000 each. It will therefore be impossible to award these contracts unless the Board approve the redistribution of the Agricultural College Building funds as recommended in the accompanying letter from Dean Mumford. If you will approve this redistribution (and I believe it is the wise thing to do), then I recommend the award of the general contract for the Swine Plant to Ellis Brooks for the sum of \$15,985.00 and for the Horse Barn to King & Petry for the sum of \$29,655.00.

The figure for the Horse Barn represents practically a completed structure, but the contracts for ventilation, lighting, plumbing, equipment, and fencing in connection with the Swine Plant will bring its total cost up above the present appropriation.

Yours truly,

JAMES WHITE

Supervising Architect

On motion of Mrs. Blake, the Contract for the Dairy Barn was awarded to Sowers & Corkery for \$43,000.

On motion of Mrs. Evans, the distribution of funds for agricultural buildings (minutes, December 3, 1923, page 369) was amended by assigning \$25,000 of the amount provided for beef cattle feeding plant to the amounts provided for the other buildings as may be necessary.

On motion of Mrs. Blake, the Contract for the Swine Plant was awarded to Ellis Brooks for \$15,985.

On motion of Mrs. Grigsby, the contract for the Horse Barn was awarded to King & Petry for \$29,655.

COMPTROLLER'S AND AUDITORS' REPORTS

The Secretary presented for record the report of the Comptroller for the quarter ending June 30, 1924, and of Arthur Young & Co., auditors.

August 25, 1924

President, Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIR:

We have audited the Cash Receipts and Disbursements of the University of Illinois for the year ending June 30, 1924, and certify that the Receipts and Disbursements for that period as embodied in the accounts of the Business Office hereto attached, are in accordance with the books and are correct.

We have further examined the report of the Comptroller presented herewith and have compared it with the books, and in our opinion, this report constitutes a correct statement of the affairs dealt with therein.

Yours faithfully,

ARTHUR YOUNG & COMPANY

PURCHASE OF ALLEN PROPERTY

(4) A recommendation that an appropriation of \$8,800 from the Reserve and Contingent Fund be made for the purchase of the Olie Allen property (Lot 160, College Place), and for payment of the lighting assessment thereon in accordance with the action of the Board of Trustees on September 26, 1924, and that the President of the Board, the Comptroller, and the Secretary of the Board be authorized to make the purchase in accordance with our usual procedure.

On motion of Mrs. Evans, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small, Mr. Trees.

At this point, Mr. Trees took his place with the Board.

AGRONOMY COTTAGE

(5) On February 14, 1924, the Board transferred the sum of \$6,000 from the special appropriation for equipment for the College of Agriculture for the erection of a cottage for the Department of Agronomy. Professor White now advises me that we have a house in College Place which is suitable for use by the Agronomy Department, and he recommends that we move this house instead of building the Cottage. The cost of moving this cottage and putting it on a permanent foundation, complete and ready for occupancy, will be about \$3,000. I recommend that this cottage be assigned for this purpose, moved, and put on its foundation, in accordance with Professor White's suggestion, and that the cost thereof be met from the appropriation of \$6,000 made on February 14, 1924, for an Agronomy Cottage.

On motion of Mrs. Grigsby, this recommendation was approved.

INVESTMENT OF WOMAN'S RESIDENCE HALL FUNDS

(6) The Comptroller calls attention to the fact that we have a Depreciation and Replacement Fund on account of the Woman's Residence Hall amounting to approximately \$76,000 which is being kept as a nucleus for another Residence Hall. The Comptroller recommends that we invest \$70,000 of this fund in interest bearing securities, the income therefrom to be returned to the fund. I concur in this recommendation.

On motion of Mrs. Evans, this recommendation was approved, and the Finance Committee was instructed to make the investment.

APPROPRIATION FOR WOMAN'S RESIDENCE HALL

(7) On request of the Supervising Architect I recommend that the legislative appropriation of \$250,000 for the erection of a Woman's Residence Hall be appropriated by the Board for the purpose for which the legislature made the appropriation.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

BIDS ON WOMAN'S RESIDENCE HALL

(8) A statement that the Supervising Architect, Professor James M. White, states that bids on the new residence hall are to be in on November 12 and that a few days later the contract should be awarded.

On motion of Mrs. Blake, it was voted to hold the November meeting of the Board at the Blackstone Hotel, in Chicago, at 10 o'clock a. m. on Saturday, November 15, 1924.

COLLEGE PLACE LAND

(9) There remains unpaid on our purchases of College Place lots during the past two or three years the sum of \$19,900. This may probably be paid off on sixty days' notice. The Comptroller recommends that an appropriation be made to discharge the entire indebtedness and I concur in the recommendation and ask that an appropriation of \$19,900 be made from the Reserve and Contingent Fund for this purpose, and that the Comptroller be authorized to discharge the indebtedness.

On motion of Mr. Armstrong, these recommendations were concurred in. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

SICK LEAVE FOR PROFESSOR VAN HORNE

(10) A recommendation that Professor John Van Horne be granted sick leave for September and October without reduction of salary, save for such amount as may be necessary to compensate an outside instructor.

On motion of Mrs. Blake, this recommendation was approved.

APPOINTMENT OF DR. CARROLL

(11) On nomination of Dean Mumford I recommend the appointment of Mr. William E. Carroll to the position of Professor of Swine Husbandry and Chief of Swine Husbandry in the College of Agriculture and the Agricultural Experiment Station, at a salary rate of \$4,000 a year from February 1, 1925.

On motion of Mrs. Blake, this appointment was made.

LEAVE OF ABSENCE FOR PROFESSOR LARSON

(12) A recommendation that Professor Laurence M. Larson be granted leave of absence on one-half pay for the year 1925-26, under the rules.

On motion of Mrs. Evans, this leave was granted.

ASSIGNMENT OF THE OLD LIBRARY BUILDING

(13) A recommendation that, beginning September, 1925, or as near that date as possible, the College of Law be transferred to the present Library Building, the space therein to be assigned to them to be the original Library, subject to such adjustments, especially on the first floor, as meet the approval of the Supervising Architect.

On motion of Mrs. Grigsby, this recommendation was adopted.

REMODELLING OLD LIBRARY BUILDING

(14) A recommendation that the sum of \$90,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to extend the brick portion of the present Library eastward a certain distance, to sheathe the whole in stone, and to meet the expense of other necessary changes.

On motion of Mrs. Evans, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

GRADING, TILING, AND SEEDING AROUND STADIUM

(15) On the land north of the Stadium and surrounding it, there is much to be done in grading, tiling, and putting into grass, in order that the land may be suitable for use. Professor White estimates that the ultimate cost will be \$20,000. He advises me that about half of the work can be done this fall. I therefore recommend an appropriation of \$10,000 from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

THE STADIUM FUND

(16) I submit for record the Quarterly Financial Report of the Stadium Fund as kept by the Comptroller, and also the report of Arthur Young and Company, Public Accountants, on the audit of the Stadium Fund for the year ending June 30, 1924, transmitted to me by Mr. Morey.

August 25, 1924

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRs,

We have audited the accounts of the Memorial Stadium Fund of the University of Illinois for the year ending June 30, 1924, and certify that the statements of the Fund appearing in the Comptroller's report for the quarter ending June 30, 1924, are correct.

BAKER PRIZE FUND SECURITIES

(17) A company, some of whose securities were included in the gift of Professor I. O. Baker to establish a prize fund for engineering students, is now in the hands of a receiver. The Comptroller, Mr. Morey, requests that the Comptroller and Secretary of the Board be authorized to enter into an agreement of stock-holders for and in behalf of the Board and to take other necessary steps in the premises.

I recommend that Mr. Morey's request be approved and that the authority requested be given him and the Secretary of the Board.

On motion of Mr. Trimble, this recommendation was approved.

EMPLOYMENT OF PATENT ATTORNEY

(18) A recommendation that the President of the University be empowered to instruct the Committee on Patents, of which Professor White is chairman, to secure the services of a patent attorney when needed, within the appropriation made for patents by the Board.

On motion of Mr. Trimble, this recommendation was adopted.

CONTRACT FOR LOT 86, COLLEGE PLACE

(19) According to the contract made between the University and Miss Fanny B. Sherfy for the purchase of lot 86, College Place, Champaign (see Minutes, March 13, 1924) the deed was to be given by Miss Sherfy on October 15, 1924. Miss Sherfy's attorney, Mr. Walter B. Riley, has written the Comptroller that Miss Sherfy will be unable to deliver the deed for something like twelve months because of a delay in beginning administrative proceedings on the estate of the other party who has an undivided half interest in the lot. I recommend that the contract be extended for one year, or such period of about that length, as may be necessary for the owner to perfect the title.

On motion of Mrs. Ickes, this recommendation was approved.

WITHDRAWAL OF PROPERTY BY WAR DEPARTMENT

(20) Some days ago Colonel W. T. Merry, Professor of Military Science and Tactics, informed me that he had received instructions, or a request, both from the Adjutant General of the State of Illinois and from the Commandant of the 6th Corps Area, to turn over to the National Guard certain of our motor vehicles assigned by the War Department to the University for purposes of its military work. I instructed Colonel Merry to decline to comply with the order or request until the matter had

been presented to the Board of Trustees, on the ground that, since the University had given heavy bond for the care of all the War Department property committed to it, the War Department was not justified in taking away any of that property without the permission of the University. I called your attention to this matter at the meeting in April last when a similar order had been issued directing that certain of the property under our care be sent to Taylorville for the summer.

I have written the Adjutant General of the state and the Commandant of the 6th Corps Area that I have directed Colonel Merry not to comply with their orders until the University has formally consented to the withdrawal of this property.

Of course we desire to facilitate the work of the War Department and the National Guard in every way that we can. All that I am insisting on is that no one can withdraw property for which the University has given bond without the University's consent, without invalidating the bond. I, therefore, ask authority to permit the withdrawal of this property now requested.

On motion of Mr. Trees, this authority was granted.

BALANCES IN TREASURER'S HANDS

(21) A report of the Comptroller showing the balances in the hands of the Treasurer of the University.

Action on this matter was deferred.

INFRINGEMENTS OF PATENTS

(22) A statement from Professor J. M. White concerning the policy of the University toward certain persons who were infringing on patents held by the University.

Action on this matter was deferred.

THE LEGISLATIVE BUDGET

(25) The approach to a budget for any biennium must be from the side of cost of operation, for the University must continue to serve the students. It is necessary, therefore, to decide first how much more money will be needed in the succeeding biennium than was needed in the present biennium for purposes of operation. In order to reach a conclusion on this matter I requested the various deans and directors months ago to submit their estimates of the probable increase of their needs for operation in the coming biennium. These have all been carefully considered. The conclusion as to the sum herewith recommended was reached after conference with these and other officers of the University.

There is no limit to what an institution like this may properly undertake to do from educational and scientific points of view. The limitation on this view is expense. In making up an operating budget, therefore, for an institution like this, the great difficulty and the constant struggle is to keep demands justifiable from an educational and scientific point of view within the limits of reasonable expenditure. What seems reasonable from the point of view of a single department or a single college may be very unreasonable from the point of view of the University as a whole, or from that of the tax payers.

It follows that any officer whose duty it is to keep within reasonable financial limits, to make an adjustment of proposed expenditures which will put things in their proper scale of relative values from the point of view of the University as a whole, and at the same time make allowance for expansion arising from an increased number of students or legitimate ambition of our staff, is likely to be regarded by the representatives of particular interests as hostile to them. But this is one of the consequences that he must face. Moreover, he is under constant pressure from outside interests to promote new enterprises. Some of the appeals on educational, or scientific, or public welfare grounds, are proper for the University to do if means to do them were provided. Others are not proper for the University to do under any circumstances. The University, that is, the Board of Trustees, acting on the best advice it can get, must be the final judge of what should be undertaken.

In the operating budget herewith recommended I have done my best to reconcile the various points of view, to make allowance for an income which will, in its total, make possible a proper recognition of relative educational and scientific values in the various divisions of the University, and at the same time to keep within financial limits that we can justify.

When we have decided on the amount necessary for operation in the next biennium we are face to face with our building needs. What is needed and what is available for this purpose? If we are to take the view that the appropriation from the state legislature for the next biennium is to be no larger than what we received two years ago, obviously the difference between what we propose for operation and

that total is what we shall have for building. That difference is two millions of dollars. By a noticeable coincidence this sum is the sum which, according to the financial plan which I submitted to the Board four years ago and two years ago, would be necessary for the second biennial building period. That fact strengthens my conviction that the general plan of proceeding on a ten million five hundred thousand dollar basis for two or three biennial periods will justify itself.

We could use more money than the ten million five hundred thousand dollars appropriated last time and which I am recommending that we ask for this time. Our need for service buildings to carry on the work of the University is such that we could legitimately and economically expend at least four millions of dollars in the next two years on our physical improvement and extension. But under the existing conditions of agriculture, industry, and trade, in view of the prolonged period of depression which the tax payers of the state have been going through, particularly the farmer, and in view of the fact that we can get along with what we are asking, altho not as comfortably or well as we could with a larger income, I think it inadvisable to ask the tax payers of the state to take on an additional burden for the University at the present time. The most valuable asset of the University is the confidence of the people and their representatives that we will try to be reasonable and fair in the amount of our requests for money. It is my opinion that the people of the state will support the University to the limit if they are convinced that the officers of the University are playing fair with them in requests for appropriations and are reasonable and careful in their expenditures. It is my belief that we have been following this policy and that we should continue to do so. It is a wrong theory of public finance and administration to ask for more than you expect to get; yet that method has been too often followed in seeking public appropriations. We are not following it. I am recommending what the University really needs and without which, in my judgment, it would be crippled.

The only basis on which I am willing to recommend a request for appropriations for new buildings is to meet needs for existing work or work that must be established in the immediate future. It frequently occurs in the history of institutions like this that there is space enough and equipment enough to carry on successfully certain lines of work, altho the buildings in which this work is carried on are not architecturally beautiful or in any way impressive to the eye. They may even be inconvenient in their interior arrangement, but so long as the work can be carried on without undue injury from the last mentioned factor, it is wrong, in my opinion, to replace these buildings with new ones at a considerable expense because they are architecturally more beautiful or for gratification to the ambition or pleasure of their users. Of course, even this view of the situation is limited by the educational or cultural value of beautiful surroundings. The point I would make is that a community, like an individual, must first supply itself with the necessities of life before it can hope to get the comforts, and with the comforts before it can hope to get the luxuries. Of course, when it is necessary to erect a new building—that is to say, when the space available becomes too limited or is such that the cost of using it is too great—then all proper attention should be given to the cultural value of architectural design.

There are many buildings actually needed now, or to be needed shortly, by the University, which for obvious reasons, we could not now get.

The following list is not exhaustive but will show my meaning.

LIST OF SERVICE BUILDINGS AND ADDITIONS TO SERVICE BUILDINGS
OF WHICH THE UNIVERSITY IS IN PRESSING NEED
IN THE NEXT FOUR TO SIX YEARS

1. The University Library
2. Completion of Armory
3. Extension of the new Gymnasium

4. Building for Architecture and allied subjects
5. Building for Pharmacy to provide room for about double the present number of students
6. Completion of Lincoln Hall
7. Completion of the present Library building for other uses
8. Engineering testing laboratories
9. Home Economics building
10. Electrical Engineering laboratory
11. Another unit addition to the Medical buildings
12. New Dental building
13. Administration building
14. Museum building
15. Shop laboratories
16. Mining laboratory addition
17. Addition to complete the Auditorium
18. Addition to complete Music building
19. Addition to complete Vivarium
20. Service buildings for agriculture and physical plant
21. Field Houses for intramural games in physical education, for women

The total amount of money necessary to erect all these buildings will depend, of course, on the time of their erection, their size, and architectural character. At present prices and with the plans that are at present in mind the amount would probably be in the neighborhood of nine millions of dollars.

In deciding upon the buildings to recommend, I feel very strongly that we must be guided primarily by our needs and not by our likes. I would like to see a beautiful campanile on our Campus; a beautiful little theater in which our students could study their dramatics; a separate Fine Arts Building; more dormitories for young women; and possibly dormitories for men, altho I am not yet convinced that their erection at an institution like this is good educational or public policy. There are many other fine things that it would be well for us to have. The time may come when public sentiment would support appropriations for such purposes. I do not believe that it would do so now, nor do I believe that we would be justified in making requests for such purposes now, either from the point of view of public willingness to grant them or public ability to pay for them.

These are, in general, the principles which have guided me in preparing the budget which I now recommend be presented to the Legislature.

Having determined on the total amount needed for operation I requested the Comptroller, Mr. Lloyd Morey, with whom, as well as with Professor White and the deans, I have been in conference on this whole matter, to distribute the total among the items prescribed by the state budget law in such proportions as our needs seem to demand, and the following assignment to the various items is in accordance with Mr. Morey's judgment as well as my own.

PROPOSED STATE APPROPRIATIONS FOR OPERATION, 1925-27

	<i>Per Annum</i>	<i>Total for Biennium</i>
Salaries and Wages.....	\$3 050 000	\$6 100 000
Office Expense.....	140 000	280 000
Travel.....	40 000	80 000
Operating.....	460 000	920 000
Repairs.....	150 000	300 000
Equipment.....	290 000	580 000
Improvements other than Buildings.....	120 000	240 000
Total.....	\$4 250 000	\$8 500 000

PROPOSED STATE APPROPRIATIONS FOR BUILDINGS, 1925-27

Of these the ones which, in my judgment, are at the present time most necessary and for which the sums of money indicated will be needed are as follows:

(1) Second unit of the Library.....	\$500,000
(2) Erection of the facade and addition at one end of the Armory ¹	425,000
(3) Architecture ²	500,000
(4) Pharmacy building addition to present building.....	350,000
(5) Erection of additional wing to new Gymnasium.....	225,000
	<hr/> \$2,000,000

I recommend that this budget be adopted as the one to be submitted to the Department of Finance and to the Legislature for the coming biennium, 1925-1927; and that the President be directed to prepare and secure the introduction of a bill for appropriations to the University from the State in accordance therewith, and to take charge of the matter from now on.

On motion of Mr. Trimble, these recommendations were adopted.

COMMITTEE ON PATENTS

Mr. Trimble reported for the special committee to consider the policy of the University toward the issuing of licenses under patents held by the University (See minutes, July 9, 1924, page 9), particularly the Knipp-Brown and Kunz patents.

On motion of Mrs. Blake, the special committee was continued, with power to negotiate and contract in connection with the sale of rights to manufacture under the Knipp-Brown and Kunz patents, and to engage a patent attorney as may be necessary.

On motion of Mrs. Grigsby, \$2,500 was appropriated from the Reserve and Contingent Fund for the use of this committee. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

DEATH AND DISABILITY BENEFITS AND RETIRING ALLOWANCES

Mr. Trimble presented a report on the matter of death and disability benefits and retiring allowances.

Action on this report was deferred.

HONORARIUM FOR PROFESSOR CRATHORNE

On motion of Mr. Trimble, an honorarium of \$800 was granted to Professor A. R. Crathorne for actuarial work and other services to the committee on disability insurance and retiring allowances during the past three years. The appropriation was made from the Reserve and Contingent Fund by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

¹For class rooms, offices, equipment rooms, and similar needs.

²And such kindred fields of study as we can put into this building.

TRUST FUND INVESTMENTS

Mr. Trimble, for the Finance Committee, made the following report on the investment of trust funds.

Pursuant to your request, your Finance Committee respectfully reports concerning University Funds investments, as follows: Attached hereto is a statement of investments of the University Trust Funds, giving detail of the investments. Referring thereto by number we report as follows:

1. *Whalen Pulp and Paper Mills, Ltd.*, \$2000. 6%.

This company is being operated by a receiver, hence, no market for stock. We recommend depositing bonds with the Creditors Committee now organized under supervision of Peabody, Houghteling, & Company, and waiting results.

2. *Vancouver Lumber Company*, 1st Mortgage Gold Bonds, \$300. 7½%. Unlisted bonds mature 1937. Have written Vancouver for bid; am advised should be worth par, but no market there; would recommend selling at or near par, and reinvest under general policy.

3. *Federal Land Bank of Wichita*, \$2000 Bonds. 4½%. Retain.

4. *Federal Land Bank of Houston*, \$1000 Bonds. 4½%. Retain.

5. *Republic of Argentine Bonds*, \$14,495. 5%. These were selected and donated in kind by Robert F. Carr and should be retained in kind.

6. *United States Government Bonds, 1952*, \$3000. 4¼%. Present market about 106. Recommend selling and reinvesting under general policy.

7. *United States Government Bond, 2nd Liberty Loan*, \$600. Retain.

8. *Third Liberty Loan Bond*, \$400. 4¼%. Retain.

9. *Fourth Liberty Loan Bond*, \$50. 4¼%. Retain.

10. *United States Gold Note*, \$100. 4¾%. Retain.

11. *College of Physicians and Surgeons*, 1st Mortgage Gold Bonds, \$6,700. 6%. This is a University enterprise. Retain.

12. *Booth St. Louis Cold Storage Co.*, 1st Mortgage Gold Bond, due 1931, \$25,000. 6%. Retain until worth par, then sell and invest under general policy. This is part of a \$500,000 issue dated January 1, 1916, of which \$140,000 appear to have matured and have been paid, leaving \$360,000 outstanding. Bonds were issued by a Missouri corporation controlled by the Booth Fisheries Co. which endorsed the bonds. The latter company has not had a satisfactory earning record for several years, but year ending April 6, 1924, shows substantial improvement, but the latter company is not in a strong current position as its current liabilities exceed current assets; therefore uncertain how much the guarantee adds to the mortgage security. Market is quoted 82 bid for limited number of bonds paying on a 9½% interest yield basis. Mortgage covers cold storage plant at St. Louis; well located, near principal produce market, good railroad and loading facilities; building contains 2,000,000 cu. ft. cold storage space, and 500,000 cu. ft. ordinary storage space; 12 stories high in west end and 9 stories high in south end; well equipped refrigerator plant; and entire property kept in splendid condition. Value estimated at \$750,000. This value ought to be good security for the bonds, but low market shows no demand for them even at 9½% interest yield.

Rather than sell at 82 we think best to retain until maturity when they probably will be refunded at par. In the meantime would sell if can get from 95 to par therefor. These bonds were given to the University by Senator William B. McKinley for Hospital Fund; if necessary to sell same to provide funds for meeting Hospital contracts they must then be sold at the then market.

13. *Bank Acceptances*. 3¾%. Retain, as liquid investments for building McKinley Hospital.

14. *Public Service Company of Northern Illinois*, 1st Mortgage Gold Bonds, \$1,000. 5%. Due February 1, 1956; cost 89 in 1915; present market 89 to 90.

Bonds secured by first lien on portion of company's properties and preceded by underlying bonds on other portions. This can be sold now without loss. We think bond market rather high and recommend selling this and investing proceeds under general policy.

15. *Public Service Company of Northern Illinois*, 25 shares preferred capital stock, \$2500. 6%. Purchased in 1917 at 102; present market about 92. We are now offered "Rights" to purchase 5 shares 7% cumulative preferred stock of this company at par. We do not recommend the purchase of the rights. Excellent company serving territory around Chicago, under management of Samuel Insull and associates. This is not what would be called a "Trust Fund Investment." We recommend retaining the 25 shares we now hold until stocks recuperate a little. We would sell at 95 to 100 and reinvest proceeds under general policy.

16. *Southern Pacific Company*, 335 shares capital stock, \$33,500. 6%. Present market 100. Would sell at par or better, and reinvest proceeds under general policy.

17. *Central Illinois Public Service Company*, 3 shares preferred stock, \$300. 6%. This was purchased April 3, 1917, for \$255. Present market about 86. We recommend selling and reinvesting proceeds under general policy.

18. *Champaign County, Illinois, Highway Bond*, \$1000. 5%. Retain.

As a general policy for investment of the University Trust Funds, we suggest as follows, to-wit:

1. First choice. Farm loans secured by first trust deed on only A1 farms in vicinity of Urbana and Champaign; all loans subject to following conditions:

(a) Loans should not exceed 50% of conservative value of land without buildings.

(b) Loans should be secured by trust deeds running to "David Kinley, President, University of Illinois, or his successor, as Trustee."

(c) Notes secured by trust deeds should be payable to "Board of Trustees of the University of Illinois."

(d) Abstract must be submitted to University legal counsel and have his written opinion thereon that title is good and merchantable, and that loan applied for is a first lien, before loan is made.

(e) Trust Deed provides that grantors carry fire and tornado insurance on buildings in a good and standard fire insurance company for their reasonable insurable value, and that policies contain a clause in substance: "Loss, if any, payable to David Kinley, President, University of Illinois, or his successors, as Trustee, for the benefit of the holders of the notes secured hereby, as their interest may appear."

2. Second choice. Loans secured by first trust deeds on good residence properties in Urbana and Champaign, subject to the following conditions, to-wit:

(a) Location must be good, in advancing part of city.

(b) Abstract must be submitted to University legal counsel and have his written opinion thereon that title is good and merchantable before loan is made.

(c) Loan should not exceed 50% of conservative value; no loan to exceed \$6000.

(d) Loan should be secured by a trust deed running to "David Kinley, President, University of Illinois, or his successor, as Trustee."

(e) Notes secured by trust deed should be payable to "Board of Trustees, University of Illinois."

(f) Trust deed should require that grantors carry insurance on buildings for at least amount of loan, and insurance clause therein should provide in substance: "Loss, if any, payable to David Kinley, President, University of Illinois, or his successor, as Trustee, for the benefit of the holders of the notes secured hereby, as their interest may appear."

3. Third choice.

(a) Conservative municipal bonds issued by municipalities and not overburdened with debt, and in locations where industrial prosperity is usual.

(b) Federal Land Bank Bonds, or Joint Stock Land Bank Bonds, but only of Federal or Joint Stock Land Banks whose loans are confined to lands within the corn belt; and only the issues of those Banks which are investigated and generally believed to be well managed. These bonds are issued by these banks and are secured by real estate loans made by the banks; hence the integrity of the bonds is based upon the character and conservatism of the respective banks in making their loans; hence the management is important. These loans are not guaranteed by the Government.

4. We recommend that a committee be appointed by the Board, consisting of the President of the University, the Comptroller of the University, and the Superintendent of Business Operations of the University, and no loan or other investment should be made without the written approval of a majority of this Committee.

5. We further recommend that no investment of University Trust Funds be made without also the approval of the Chairman of the Finance Committee of the Board of Trustees.

Respectfully submitted,
 CAIRO A. TRIMBLE, *Chairman*
 MARY E. BUSEY
 JAMES W. ARMSTRONG
 HELEN S. GRIGSBY
 WILLIAM L. NOBLE

Finance Committee

On motion of Mr. Trimble, these recommendations were adopted.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

November 15, 1924

The November meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a. m. on Saturday, November 15, 1924.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Trimble.

President Kinley was present.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

DISCONTINUANCE OF VIENNA EXPERIMENT FIELD

(1) Dean H. W. Mumford, of the College of Agriculture, recommends, on the request of Doctor W. L. Burlison, of the Department of Agronomy, that the Vienna Experiment Field be discontinued.

I recommend that this experiment field be discontinued and that the land be sold.

On motion of Mr. Trees, these recommendations were adopted.

DISCONTINUANCE OF THE PANA SOIL EXPERIMENT FIELD

(2) On recommendation of Dean H. W. Mumford, of the College of Agriculture, at the request of Dr. W. L. Burlison, I recommend that the Pana Soil Experiment Field be discontinued and that the owners of the field be notified of the discontinuance.

On motion of Mr. Armstrong, these recommendations were adopted.

LEAVE OF ABSENCE FOR MISS JANE WATT

(3) A recommendation that Miss Jane Watt, instructor in Music, be granted sick leave from November 1 to December 31 without reduction of salary, save for such amount as may be necessary to compensate outside instructors, as recommended by the Director of the School of Music and approved by the President.

On motion of Mrs. Busey, this recommendation was adopted.

PURCHASE OF LOT 160 IN COLLEGE PLACE

(4) In accordance with the action of the Board of Trustees on September 26 and October 18, the Comptroller reports that he has purchased Lot 160 in College Place from Olie Allen for the sum of \$8,750, subject to general taxes for 1924 and unpaid lighting assessments.

This report was received for record.

HEATING AND WATER EQUIPMENT IN RESEARCH AND EDUCATIONAL HOSPITAL

(5) The Supervising Architect, Professor James M. White, informs me that the heating arrangements and the arrangements for the water supply in the Research Hospitals are inadequate. He states that the stack will develop only about half the capacity of which the boiler is capable so that it will be necessary either to put up a new stack or put in a fan providing induced draft. The cost of each improvement will be about \$700. As these improvements are needed at once, in order that our work may go forward, I recommend an appropriation of \$1400, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Blake, this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

REGULATIONS CONCERNING AUTOMOBILES

(6) A recommendation that the following regulations prepared by the Supervising Architect for the control of automobile traffic on the Campus be approved in accordance with the action of September 26, 1924:

1. That the four semaphores authorized be located as follows: One on Burrill Avenue, north of University Hall; one between University Hall and the Law Building; one just east of the Auditorium; and one on the east and west road just north of the new Agricultural building, the exact spot in each case to be determined by the Supervising Architect.

2. That no traffic be permitted on the Campus in the area prohibited to parking, except on the South Burrill Avenue-Wright Street Route, during the ten minute intervals between classes from 8 a. m. to 4 p. m. including the period from 11:50 to 12 noon, except on Saturday afternoons and Sundays, when the semaphores will be inoperative.

3. That no parking of automobiles shall be permitted on any day between 8 a. m. and 3:50 p. m. within the limits bounded by Green Street on the north; the east side of Mathews Avenue extended, on the east; the north side of the road south of the new Agricultural building, on the south; and Wright Street extended, on the west.

4. That the President of the University be given authority to waive these regulations on special occasions of importance, and also to issue permits to individual students or members of the faculty who, for reasons of physical disability, may need to ride to their class rooms in automobiles.

On motion of Mr. Armstrong, these regulations were approved and the President of the University was authorized to put them in operation.

On motion of Mr. Trimble, the President of the University was authorized to make such traffic regulations and such changes therein as conditions from time to time may warrant.

POLICY CONCERNING PATENTS

Mr. Trimble presented the following resolution prepared by the special committee on patents.

WHEREAS, from time to time, members of the University staff have made patentable discoveries and inventions on University time and using University equipment, and

WHEREAS, the policy of the University is that in such cases where it seems best to take out a patent the staff member concerned should assign said patent to the University, and

WHEREAS, it is the duty of the University to conserve and advance the interest of the public in the matter of discoveries and inventions made under its auspices, as in all matters; now, therefore

Be it Resolved, that the policy of the University in such matters shall be as follows:

1. The University will seek to insure the largest possible use of its patented discoveries and inventions. That is to say, it will endeavor in all cases to open up the use of such patents in whatever way will produce the widest and largest benefits to the public at large.

2. The largest and widest benefits to the public at large through the most extensive use of articles and discoveries thus patented are not always to be attained by the same procedure. If a discovery is simply made public, some corporation or individual may take out a patent and monopolize the invention or discovery. Therefore, simple publication of a notice of a discovery does not insure the largest use or the largest benefit to the public. Publishing the discovery or invention does not necessarily ensure giving its benefits to the public at large.

3. There are some discoveries of such a character that they should be published so that anyone who wishes to use them may do so, the University simply retaining the patent title, so as to prevent anybody else from taking out a patent and monopolizing the discovery or invention. An illustration of a discovery for which such treatment would be proper would be a fertilizer or a medicine that any manufacturer in these lines could make.

4. There are cases, however, such as the carbonization of coal or the manufacture of vacuum tubes for radio transmission, in which the article can be manufactured only by one or two establishments, because of the large amount of capital necessary, or because the use of the new discoveries depends upon the utilization of things already patented and owned by other people. In that case it is clear that the public interest will be most largely served by giving a license, even a monopoly license if necessary, for the manufacture of a patent or discovery on a royalty or cash basis.

Therefore, it is the judgment of the Board that the procedure to be followed depends upon the character of the patentable discovery or invention, and that each case must be decided on the basis of that character and a procedure adopted accordingly, in order to secure the largest benefits to the public.

On motion of Mr. Trimble, these resolutions were adopted.

BROWN-KNIPP PATENT

Mr. Trimble made a report on the negotiations for the sale of the Brown-Knipp patent.

On motion of Mrs. Blake, the special committee on patents was authorized to handle this matter, with power to act and to negotiate a contract.

DEATH AND DISABILITY BENEFITS AND RETIRING ALLOWANCES

Mr. Trimble presented a revised report on the matter of death and disability benefits and retiring allowances.

Action on this matter was deferred.

ADJOURNMENT TO NOVEMBER 22

On motion of Mr. Trees, the Board adjourned to meet again at 10:30 a. m. on Saturday, November 22, 1924, at the University.

This report was received for record.

COTTAGE FOR THE SHEEP HERDSMAN

(3) A recommendation by Professor White that the Allen house in College Place be moved to a location just east of the school house on South First Street, and used for the sheep herdsman. He requests that the \$3000 balance of the appropriation of \$6000 (See Minutes of February 14, 1924, and October 18, 1924) originally provided for an Agronomy cottage be made available for moving, foundation, and other work essential to make the house habitable in its new location. I recommend that this transfer be made.

On motion of Mrs. Grigsby, these recommendations were adopted.

PAVING ASSESSMENTS

(4) A recommendation by the Supervising Architect that \$5747 be appropriated to meet installments due on paving and lighting assessments as of January 1, 1925. I recommend this appropriation from the Reserve and Contingent Fund.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Blake, Mrs. Busey, Mr. Small, Mr. Trimble.

SOUTHERN PACIFIC STOCK

(5) A statement concerning a recommendation of the Finance Committee that certain Southern Pacific stock be sold (See Minutes, October 25, 1924, page 104).

On motion of Mr. Trees, the Finance Committee was requested to inform the Board as to the securities in which the proceeds from the sale of this stock would be invested.

ADDITIONAL PLUMBING IN MCKINLEY HOSPITAL

(6) Further consideration of the use of the new McKinley University Hospital has led the committee in charge to advise that we make provision to care for cases of mildly contagious diseases. This will necessitate additional plumbing so as to provide toilet facilities in separate rooms. The Supervising Architect states that \$2500 will be necessary for this purpose. I recommend an appropriation of \$2500 be made from the Reserve and Contingent Fund for additional plumbing in the hospital for these purposes.

On motion of Mrs. Grigsby, this appropriation was made, by Blake, Mrs. Busey, Mr. Small, Mr. Trimble.

the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs.

APPROPRIATION FOR SEEDING, GRADING, AND SODDING

(7) The seeding, grading, and sodding around the Stadium should be pushed as rapidly as possible. The Supervising Architect requests an appropriation of \$10,000 for this purpose. I recommend that the appropriation be made from the Reserve and Contingent Fund.

On motion of Mrs. Ickes, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby,

Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Blake, Mrs. Busey, Mr. Small, Mr. Trimble.

FENCING THE UNIVERSITY WOODS

(8) On recommendation of the Supervising Architect I request an appropriation of \$5000 from the Reserve and Contingent Fund, to put fencing around a certain portion of the so-called University woods.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Blake, Mrs. Busey, Mr. Small, Mr. Trimble.

TIME OF DECEMBER MEETING

On motion of Mr. Trees, it was voted to hold the December meeting at the Blackstone Hotel, in Chicago, at 9:30 a. m. on Saturday, December 13, 1924.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

December 13, 1924

The December meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9:30 a. m., on Saturday, December 13, 1924.

When the Board convened, the following members were present: Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Trimble. On motion of Mr. Trees, Mr. Trimble acted as Chairman until President Noble arrived.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 15, 1924, and of the adjourned session of November 22, 1924. The minutes were approved as printed on pages 113 to 120 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CONSOLIDATION OF PLYM FELLOWSHIP AND SCHOLARSHIP FUND

(1) A recommendation that the unused annual contributions of \$1000 for the Plym travelling fellowship in architecture together with the interest thereon be consolidated with the capital sum of the Southern Pacific Railway securities and carried as one fund, and that any residue of income after the traveling fellowships and scholarships have been provided for be disbursed each year as prizes for students in the Department of Architecture.

On motion of Mr. Trees, this recommendation was approved.

LEAVE OF ABSENCE FOR PROFESSOR MOODIE

(2) A recommendation that a request of Professor Roy L. Moodie for leave of absence for three weeks with pay beginning December 22 in order to continue his studies in Paleopathology at the San Diego Museum, be granted. Deans Eycleshymer and Daniels recommend approval.

On motion of Mr. Armstrong, this request was granted.

LEAVE OF ABSENCE FOR MISS DAVISSON

(3) Dean Thompson recommends, and I concur, that Miss Mary Robert Davisson, Assistant in the Bureau of Business Research, be given leave of absence for one month without pay from December 1, on account of illness.

On motion of Mrs. Evans, this request was granted.

LABORATORY FEE IN ANIMAL HUSBANDRY 41

(4) A recommendation that a laboratory fee of \$1.00 be charged in Animal Husbandry 41 (animal breeding).

This recommendation was approved.

RESIGNATION OF PROFESSOR HENRY BLUMBERG

(5) A recommendation that the resignation of Dr. Henry Blumberg, Assistant Professor of Mathematics, who is on leave this year without salary for the purpose of recovering his health, be accepted.

This recommendation was adopted.

REGISTRAR'S REPORT OF FEES

(6) The Registrar's report of fees for the second semester of 1923-24 and the summer session of 1924.

EMILY W. L. SCHOFIELD MEDICAL MISSIONARY SCHOLARSHIP

- (8) The following letter and suggested agreement from the Comptroller.

December 1, 1924

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I am sending you herewith a draft of a proposed agreement with the Northwestern Branch of the Woman's Foreign Missionary Society of the Methodist Episcopal Church

covering the Schofield Medical Missionary Scholarship Fund. This matter has long been pending. It was presented to the Board of Trustees on March 15, 1919, and was then referred to the President of the University with power to act. On January 24, 1921, you wrote me indicating the basis on which you desired a new contract drawn. The enclosed agreement covers the suggestions made in that letter.

The Officers of the Society have advised me that they are now ready to sign this agreement. I would, therefore, ask your authority to execute it for the Board of Trustees.

By way of explanation for the long delay, I may say that the parties most concerned were absent on a foreign trip for an extended time and it was impossible to get any action. After their return a long time has been consumed in negotiations and consideration by the Society. No appointments have been made during this period. The income simply accumulated in the fund. It is now sufficient to increase the permanent principle to \$2,500 which I suggested to the Society be done and which the Society has accepted. The original principal of the fund was \$2,000.

Cordially yours,

LLOYD MOREY,
Comptroller

AGREEMENT

THIS AGREEMENT, Made and entered into this.....day of1924, by and between the Board of Trustees of the University of Illinois, party of the first part, and the Northwestern Branch of the Woman's Foreign Missionary Society of the Methodist Episcopal Church, party of the second part.

WITNESSETH: The party of the first part, in consideration of the sum of Two Thousand Five Hundred (\$2,500) Dollars, paid to it by the party of the second part, the receipt of which is hereby acknowledged, agrees to establish a permanent fund to be known as the "Emily W. L. Schofield Medical Missionary Scholarship Fund," the income of which shall be used to provide one perpetual scholarship in the College of Medicine of the University of Illinois to be known and designated as the "Emily W. L. Schofield Scholarship of the Northwestern Branch of the Woman's Foreign Missionary Society of the Methodist Episcopal Church," the beneficiary of which shall be nominated by the party of the second part.

Said scholarship shall cover tuition in the said College of Medicine of the University of Illinois, in whatever grade or year the student may be qualified to receive instruction, including also matriculation, final examinations, material necessary for illustrative and practical work, and all college and hospital instruction such as may be given to other students of the same year and qualifications. Any student who has been a beneficiary of this scholarship for one or more years shall be entitled in any subsequent year to enter said College as a student on the same conditions as are required of a non-beneficiary student of the same yearly grade.

It is agreed that any student nominated as a beneficiary under said scholarship shall be subject to all the conditions required for admission and graduation, responsibility for the breakage of furniture and laboratory appliances, and to all other rules and regulations of the University of Illinois.

It is agreed that if the party of the first part should cease or fail to provide complete medical education for women, according to the standard required by other regular Schools of Medicine in good standing, that is shall repay to the party of the second part the amount paid to it by the party of the second part for the establishment of said scholarship.

It is agreed that, in case no beneficiary is nominated and appointed to this scholarship in any year or years, any surplus income accruing as a result thereof shall be paid to the party of the second part provided that the expense of all previous scholarships awarded shall have first been met in full.

It is further agreed that these covenants shall be binding upon both parties and their assigns or successors.

In witness whereof the parties hereto have caused this agreement to be signed by their officers and the corporate seals to be affixed on the day and year first above written.

After informal discussion of this matter with our Legal Counsel, I regret that I do not see my way clear to recommend the approval of this proposed agreement. My reason is as follows:

At best the income which we can get from the capital fund \$2,500 will be \$150 per year. This is \$15 to \$20 less than the fee per annum charged medical students who are residents of Illinois, and about \$50 less than the fee charged non-Illinois residents. To the extent that the income fails to meet the dues the University will be giving free tuition for sectarian religious purposes. This, it seems to me, it may not do. If your Board has power to give a year's tuition in the College of Medicine to a nominee of a religious society which pays towards the dues of said student a sum equal to the income of this fund, which is less than the established dues, then you would have power to do the same thing if the income were \$100 or \$1 instead of \$150. The Board of Trustees undoubtedly has the power to establish a class of scholarships in the Medical College or in any other department of the University free of tuition or with partial remission of tuition, but not for such a purpose as training foreign missionaries nor for nominees of sectarian religious bodies.

If the above view is correct we can lawfully accept this scholarship only on condition that the income shall apply to the dues and the holder of the scholarship shall make up the deficit.

On motion of Mr. Trimble, the President of the University was authorized to accept this endowment under the conditions that the stipend paid to the beneficiary shall not exceed the income from the fund, and that in case of a vacancy in any year the income shall be added to the capital fund.

APPOINTMENT OF DR. ALBERT BACHEM

(9) On recommendation of Dr. D. J. Davis and six other doctors of the staff of the College of Medicine, Dean Eycleshymer recommends the appointment of Dr. Albert Bachem, now X-ray and Radium expert at Mercy Hospital, to the position of Professor of Radiology and Director of Laboratory in the Dispensary at the College of Medicine at a salary of \$4,200 a year beginning December 1, 1924, and continuing until September 1, 1925. I recommend approval.

On motion of Mr. Trees, this appointment was made.

RETIRING ALLOWANCES AND DEATH BENEFITS

Mr. Trimble presented the following report and recommendations on the matter of death benefits and retiring allowances.

Whereas, It is believed by the Board of Trustees of the University of Illinois, that the stability and permanency of its faculty and educational, administrative, and mechanical staff is an essential factor in the success of the University; and that such stability and permanency cannot be acquired and maintained to its full extent unless reasonable provision is made for death benefits and retiring allowances for certain members of said faculty and staff, thus to induce them to remain with the University for long periods of time, and thereby develop their best work and zeal for its welfare;

THEREFORE, IT IS RESOLVED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, that from and after September 1, 1925, the compensation of all members of said faculty and staff and other employees of the University (except as hereinafter stated) shall be increased, and they shall be thereafter employed on contracts which shall provide, among other things, that compensation for their services shall be paid to them by the University as follows, to-wit:

1. Such part thereof in cash as the Board shall from time to time fix and determine, to be paid to them for such time only as they shall satisfactorily perform the services of their respective employments.

2. A part thereof in the value of death benefits to be provided or secured by the Board of Trustees for them, or their respective heirs, legal representatives, assigns, or designated beneficiaries, based on the cash portion of compensation agreed to be paid to them, respectively, for the academic year during which death shall occur, in the following amounts and under the following conditions, to-wit:

Death during first year of service, nothing.

Death during second year of service, 10% of cash portion of compensation.

Death during third year of service, 15% of cash portion of compensation.

Death during fourth year of service, 20% of cash portion of compensation.

Death during fifth year of service, 25% of cash portion of compensation.

Death during sixth year of service, 30% of cash portion of compensation.

Death during seventh year of service, 35% of cash portion of compensation.

Death during eighth year of service, 40% of cash portion of compensation.

Death during ninth year of service, 45% of cash portion of compensation.

Death during tenth or any succeeding year of service, 50% of cash portion of compensation.

EXCEPT AND PROVIDED, HOWEVER, that no death benefit shall be in excess of \$3,000.

Death benefits shall not be paid in following cases:

(a) If member commits suicide.

(b) If in the judgment of a majority of the members of the Board of Trustees, a member's death is caused or substantially contributed to by his use of intoxicating liquor, or by his violation of any law, the punishment for which is death or imprisonment. And the decision of said Board of Trustees shall be conclusive in this behalf.

(c) If a member has ceased active service for the University, except in case he has retired on a retiring allowance from the University.

(d) No member of the faculty or staff or employees shall be entitled to receive death benefits from the University, unless he has been in the continuous employ of the University for at least ten months. Members of the faculty employed in successive academic years shall be held to be in continuous employment even tho their cash compensation is paid in or for less than 12 months of any academic year.

(e) Cash compensation paid for summer session teaching or for any other extra services not covered by the regular annual salary for the academic year will not be included in the computation of death or disability benefits.

3. As to all members of the faculty, and educational, administrative, and mechanical staff who have been in the service of the University of Illinois for fifteen or more years, and who shall be in the employment of, and active service for the University at the time for retirement as hereinafter provided, a part of the compensation for their services shall be paid in the value of retiring allowances to be provided or secured for, or paid to, them by the Board of Trustees, in the following amounts and under the following conditions, to-wit:

(a) A member of said faculty or staff shall retire at the age of 68 years, unless upon his request and upon the recommendation of the President of the University, the Board of Trustees shall permit him to continue in active service. Such extension of the period of active service shall be for one year only, but may be renewed at the end of any extension. Retirement at the age of 68 shall in general mean retirement upon the first day of September following the 68th birthday anniversary. In exceptional cases and for substantial cause, retirement hereunder may be permitted by the Board at any time after a member reaches 65 years of age.

(b) Upon retirement there shall be paid to the member retiring, during his life, an amount equal to 25% of the average cash portion of compensation which has been paid to him during the last five years prior to retirement, together with 1% of such average amount additional for each year of his service at the University of Illinois; the maximum payment, however, not to exceed one-half of such average amount. Provided, however, that no retiring allowance shall be paid in excess of \$6,000 per year to a President of the University, \$4,000 to a dean, and \$3,000 to other members.

(c) All members of the staff retired hereunder shall be subject to call by the Board of Trustees for the performance of such specific duties for the University as shall be assigned to them by the President of the University.

4. As the additional compensation in death benefits and retiring allowances herein provided is to be paid to secure the stability and permanency of said faculty and staff; therefore, all rights and claims of any member of said faculty and staff in or to death and disability benefits and retiring allowances, are forfeited, and shall cease, with the termination of service of such member for the University, whether such termination is voluntary or otherwise.

5. The Board of Trustees reserves the right to alter, modify, or annul all or any part of the provisions for compensation to members, of the staff as provided herein, at the end of any academic year, without liability; all claims and rights of members hereunder shall be subject to such modifications, alterations, or termination.

On motion of Mrs. Blake, these recommendations were adopted.

BROWN-KNIPP PATENT

Mr. Trimble made a report of progress in the negotiations for the sale of the Brown-Knipp patent.

REPORTS OF BOARD FUND

On motion of Mrs. Blake, the Comptroller was asked to send to the members of the Board quarterly reports of the expenditures from the Board of Trustees expense and equipment fund.

INVESTMENT OF TRUST FUNDS

Mr. Trimble presented the following resolution, which was passed:

In order to clear any ambiguity in the report on the policy governing the investment of Trust funds, *be it resolved* that the report be construed to mean that the Committee named therein should recommend investments to the Board before committing themselves thereon.

Mr. Trimble reported, in the matter of the investment of the proceeds of the proposed sale of Southern Pacific stock (page 118), that in his opinion the general policy adopted on October 25, 1924, covers this case.

CONTRACT FOR ROOFING RESIDENCE HALL

On motion of Mr. Trimble, the Executive Committee was authorized to award the contract for roofing and sheet metal work on the West Residence Hall.

The Board continued the consideration of matters presented by the President of the University.

INVESTMENT OF TRUST FUNDS

(10) The Comptroller recommends that \$850 of Liberty Bonds held as partial investments of various funds as per the accompanying schedule be sold, and that the reinvestment of the proceeds be made in accordance with the policy for investment of University Trust Funds adopted by the Board on October 25, 1924 (pages 104 and 105). This schedule is as follows:

<i>Fund</i>	<i>Security¹</i>	<i>Par</i>	<i>Cost</i>	<i>Market</i>	<i>Total Value</i>
English Poetry Prize Second Liberty Bonds 4¼%.		\$ 350	90	101.16	354.00
Economics Thrift Prize Fourth Liberty Bonds 4¼%.....		50	100¼	102.09	50.50
Economics Thrift Prize Third Liberty Bonds 4¼%.....		200	100	101.19	202.00
Rea Scholarship Second Liberty Bonds 4¼%.....		150	100	101.00	151.50
Guild Memorial Second Liberty Bonds 4¼%.....		100	100	101.00	101.00
Gregory Scholarship U. S. Treasury Bonds—Sold.		3,000	100	105	3,174.60
<i>Total</i>					\$4,033.60

The Comptroller informs me that the treasurer thinks he can, in a short time, find a real estate mortgage in which the proceeds of the proposed sale can be invested at a better rate of interest. Accordingly I recommend that the Comptroller and treasurer be authorized and directed to sell these bonds at the best market price, but in no case less than par, and that the proper committee recommend to the Board a reinvestment of the proceeds.

On motion of Mr. Trimble, this recommendation was approved.
At this point, Mrs. Ickes withdrew.

REPORT ON THE COOK COUNTY EXPERIMENT STATION

(11) In accordance with instructions received from your President as shown below, I herewith submit a report on the progress thus far made in the establishment of the Cook County Experiment Station.

1. On December 1, 1924, I received the following letter from Dr. Noble, President of the Board:

November 30, 1924

Dr. David Kinley, President, University of Illinois, Urbana, Illinois

DEAR DOCTOR:

I am enclosing with this correspondence with Governor Small on the appropriation of \$25,000 for the establishment of a truck gardening experiment station for Northern Illinois. The correspondence is self explanatory and I wish you would have a report prepared for the next meeting of the Board of Trustees by Dean Mumford covering the work which the University has done to date.

Very truly yours,

W. L. NOBLE

President, Board of Trustees

P. S. I wish you would keep these in your files so that I may attach them to the Dean's report for future reference.

2. The correspondence referred to in Dr. Noble's letter above consists of: (a) letter dated November 21 from the Governor to Dr. Noble enclosing Mr. Schwake's letter; (b) acknowledgement of above by Dr. Noble dated November 30; (c) letter from Mr. Herman Schwake, President of the Cook County Farm Bureau, dated November 10 addressed to the Governor; (d) acknowledgement of the Governor to Mr. Schwake.

¹Represents only part of fund in each case; remainder is satisfactorily invested.

November 21, 1924

MY DEAR DOCTOR NOBLE:

I am enclosing letter from Mr. Herman Schwake, President of the Cook County Farm Bureau and copy of my reply, which letters are self-explanatory.

With kindest personal regards, I am,

Yours very truly,

LEN SMALL

DOCTOR W. L. NOBLE,
31 North LaSalle Street,
Chicago, Illinois

November 30, 1924

His Excellency Governor Len Small, State House, Springfield, Illinois

DEAR GOVERNOR:

Yours of November 21st, 1924, enclosing a letter from the Cook County Farm Bureau (Mr. Herman Schwake) received. I will write Mr. Schwake and also bring the matter to the attention of the trustees of the University.

Trusting that everything is progressing favorably with you, I am,

Very truly yours,

W. L. NOBLE,

President Board of Trustees

November 10, 1924

The Honorable Governor of Illinois, Springfield, Illinois

DEAR SIR:

At the last session of the Illinois Legislature, the Cook County Farm Bureau and Truck Gardeners Association went before that body and secured the passage of a bill appropriating \$25,000 for a truck experiment station for northern Illinois. Recognizing the justice of the appeal of 10,000 truck farmers from the Chicago gardening district for experimental data upon their particular crops on their soils and in their climate, you graciously signed the bill, and it became a law.

We then felt sure that the old injustice of a section of the state paying roughly one-third of the taxes for the maintenance of the Agricultural College and Experiment Station, and receiving no recognition or attention to its particular gardening problems, would cease. Unfortunately, this has not been the case. For, while the appropriation has been available sixteen months and will, we understand, expire in eight months, the proposed station has not yet been located.

It is true that a certain amount of garden plot work has been carried on this past season by the Horticulture Department of the Agricultural College upon three farms in Cook County, but this work does not go far enough, for the land is only rented from season to season, and no degree of permanency attaches to it, such as the act of the Legislature clearly implies.

At the time the committee from the Cook County Farm Bureau appeared before the Appropriations Committees of the recent Legislature, two high officials of the University and Agricultural College came to Springfield to dissuade us in asking the appropriation, which they held was irregular. However, when they found we were not to be turned aside, they made no further comment. Knowing these facts, and seeing the delay in locating the Station, some of our farmers are wondering if the movement for a truck experiment station is to die through default, i.e., not using the appropriation for establishing a station, but for desultory truck experimental work.

Understand, Governor, that we do not charge willful evasion of duty, but we are merely pointing out the state of mind that is developing here as a result of tardiness in locating the Station. We believe that the whole movement is in jeopardy, and that, for the Agricultural College's own future in this section of the state, as well as for the good of the northern Illinois truck farmers, who grow each year \$20,000,000 worth of vegetables, prompt action is imperative.

We know that you can help in this matter. We have talked it over with John Collier, and he suggested we write you. We feel sure you will give the matter the required attention at your earliest convenience, and we want you to know that we appreciate your help in this, as well as in other matters. We tried to express our feeling

[December 13,

last Tuesday at the polls, and, as enough other people did the same thing, we are glad to be able to congratulate you.

Very truly yours,
HERMAN SCHWAKE
President

November 21, 1924

MY DEAR MR. SCHWAKE:

Replying to your favor of November 10, regarding the appropriation for \$25,000 to establish and maintain an agricultural experiment in northern Illinois, I find upon referring to the Session Laws that this appropriation was made to the University of Illinois for this purpose. I am taking the liberty of mailing your letter, together with a copy of my reply, to Doctor W. L. Noble, President of the Board of Trustees, 31 North State Street, Chicago. Personally, I am very much in favor of agricultural experiment stations. I believe that much good has been accomplished by them and that the work should be continued and extended where practical and feasible to do so.

Yours very truly,
LEN SMALL

MR. HERMAN SCHWAKE,
*President Cook County Farm Bureau
Arlington Heights, Illinois*

3. On December 1 I replied to Dr. Noble as follows:

Urbana, Illinois, December 1, 1914

Dr. W. L. Noble, 31 North State Street, Chicago

DEAR DR. NOBLE:

This is to acknowledge the receipt of yours with enclosures concerning Cook County Experiment Field. Dean Mumford is out of town today so that I shall not have an opportunity to get a report from him for some days. In the meantime, however, I am able to say that Mr. Schwake is mistaken on one or two things. One of these is my own personal interest in the matter. It is a dozen years or more since I first told our agricultural people that, in my judgment, they ought to go into the Cook County truck farming situation.

As to Mr. Schwake's statement about two high officers of the University trying to dissuade them from trying to secure a separate appropriation, it is correct. I was one of them. We had already come to an understanding to begin in a small way without asking for extra funds. But the Cook County representatives felt that they wanted to begin in a larger way and so introduced a bill for a separate appropriation. My objection to it was, and is, that it is a mistake for each separate county to get separate appropriations for such a purpose. However, I will get the data together for the Board Meeting. In the meantime, however, if you care to do so, you may assure Mr. Schwake that there is no lack of sympathy with the proposal.

As to whether the act of the legislature implies buying land, that is, of course, a question on which I could not express an opinion without looking carefully into the matter.

Sincerely yours,
DAVID KINLEY
President

4. The history of this matter is as follows: On February 6, 1923, Honorable Howard P. Castle, Member of the General Assembly, wrote me enclosing a letter received from the Cook County Farm Bureau on the matter of establishing a truck experiment farm. He enclosed a letter from Mr. L. L. Heller, Farm Adviser of the Cook County Farm Bureau. These letters, with a note of Dean Mumford's, and my own reply are attached as an Appendix marked I.

5. It will be seen from this correspondence that Mr. Heller suggested to Mr. Castle the desirability of pushing the proposal to establish a Cook County Experiment Station, that he suggested the probability of the University's being unable to meet the expense from its contemplated appropriations, and that it might be desirable to seek a separate appropriation.

6. In Dean Mumford's comments on the letters of Mr. Castle and Mr. Heller he remarked that the matter had been under consideration for more than a year, that

Professor Lloyd who had been investigating it was of the opinion that more Experiment Station work of this character was badly needed, and in short, that, in the opinion of our people, the project was a worthy one. Dean Mumford further stated that a suggestion was made by Mr. Castle that perhaps suitable experimental or demonstration plots might be secured without expense to the University.

7. In my letter to Mr. Castle, dated February 10 (Appendix I) I pointed out that we thought it not wise to establish independent sub-stations, and that the pressure on our space and our financial situation would limit our activities altho I thought we could put \$5,000 or \$6,000 into the project to begin with.

8. Soon after that I was informed that the Cook County representatives had introduced a bill asking for a separate appropriation to establish this experiment field. They asked my opinion of its advisability and I said I thought it was inadvisable but, of course, would not oppose it. I stated, however, that it would not be possible, in my opinion, for us to absorb this independent appropriation into the University budget for one or two succeeding sessions and that it would be necessary, therefore, for those interested to ask a separate appropriation at the next and possibly still third session. This I thought was understood by all and agreed to uniformly. Dean Mumford took the same position. We did not express our opinion to any other members of the Legislature. It is this incident which is referred to in Mr. Schwake's letter to the Governor. The appropriation was accordingly made, being \$25,000 for the two years.

9. It will be seen from the report submitted from Professor J. C. Blair through Dean Mumford and given below that our people have been studying the problem through a long period. It is a problem on which it was obviously necessary to put some study. One could not wisely start such a station with scientific purposes in mind without considerable investigation. The report shows that our people have been assiduous in the matter. After they had made some investigation they thought that perhaps some land in the Forest Preserve District of Cook County would be suitable and asked your authority to make arrangements for the use of such land for a year. This authority was given by your action at the meeting of June 9, 1924, whereby the Director of the Agricultural Experiment Station was authorized to enter into an arrangement with the Forest Preserve of Cook County for the use of twelve acres of land for experimental work in truck farming until December 31, 1924. This arrangement was duly made. In making the recommendation for the arrangement Dean Mumford pointed out that it was impossible to secure a permit to use this land for more than one year at a time altho he and his colleagues understood that the permit could be renewed annually. Having made all these preliminary arrangements, on September 26 last, on request of Dean Mumford you appropriated the whole \$25,000, appropriated by the last General Assembly, for the purposes of this Cook County Experiment Station.

10. The above is the history of this movement down to the time of receiving the letter from Dr. Noble enclosing the letters from Governor Small and Mr. Schwake. On receipt of these I asked Dean Mumford for a report in accordance with the instructions of the President of the Board. From this report it appears that Professor Blair and Dr. Lloyd made their first trip of inspection on this matter on July 27, 1923, and spent two days in conference with Mr. H. W. Day, Assistant Farm Adviser, and August Geweke, President of the Cook County Truck Growers Associations. On this trip they "covered all the main trucking areas in Cook County, met a large number of people, and looked at a great many farms." Since that time Professor Blair has made fifteen trips to different parts of Cook County following up this preliminary work and Dr. Lloyd has made eight. Professor Blair submits the dates of these trips in his report of December 8 to Dean Mumford. Moreover, Dr. R. S. Smith made an examination of certain farms in Cook County in connection with this matter on December 9, 1923. Professor Blair has consulted further at various times, Mr. Geweke and Mr. Day, Mr. Kennicott and Mr. O'Malley (both of the Forest Preserve Board), Mr. L. L. Heller, Mr. Frank B. Diekman and Mr. W. N. Rudd, Mr. C. E. Hall and Mr. Anton J. Cermak (the two last also being members of the Forest Preserve Board).

11. His report shows that on May 12, 1924, Mr. E. P. Lewis was put in charge of experimental work at three different points; one in the northern, one in the southern, and one in the central region of the area under consideration. Mr. Lewis, according to the report, inspected not less than forty farms in addition to those inspected by

Dr. Lloyd and Professor Blair. The report establishes, it seems to me, beyond any doubt, the fact that our people have been giving continual and careful consideration to this matter. They would have been justly subject to criticism if they had proceeded to expend the money without all this preliminary careful investigation. Professor Blair's report to Dean Mumford includes also a proposed budget of expenditure for the Cook County Experiment Station, a list of equipment needed, and a letter from Mr. Schwake, dated September 5 to Dean Mumford urging haste in the matter, and correspondence between Mr. Heller and Professor Blair and others relating to the matter. From that correspondence we may fairly conclude that some of the Cook County people have been inclined to want our people to go faster in the matter than in their judgment is wise. I attach this report of Professor Blair's to Dean Mumford, dated December 8, with copies of all correspondence sent me with reference thereto as Appendix II.

12. The recommendations of Professor Blair and Dean Mumford as to the next steps in this matter I present separately.

This report was received for record.

RECOMMENDATIONS CONCERNING COOK COUNTY EXPERIMENT FARM

Dean Mumford has sent me under date of December 9, recommendations from Professor J. C. Blair, head of the horticultural department, under date of December 2, concerning the purchase of land for the experiment fields in Cook County and a budget of operating expenses. Professor Blair's letter on the selection of a piece of land and the reasons therefor is as follows:

December 2, 1924

Dean H. W. Mumford, College of Agriculture

MY DEAR DEAN MUMFORD:

After very careful consideration of the various problems involved in the establishment of vegetable experimental fields in Cook County, I beg to recommend that the University purchase twenty (20) acres of land, one and one-half miles southwest of the village of Des Plaines, Cook County, Illinois.

The tract recommended for purchase is that of twenty acres owned by Louis Nebel, being the south half of the west forty (40) acres of the Northwest quarter of Section 29, Township 41 North, Range 12 East of 3 P. M. (Maine Township), Cook County, Illinois. This tract is a uniform black rich loam and quite typical of the best vegetable lands in the Des Plaines region. If purchased by January 20, 1925, Mr. Louis Nebel, the owner, says that he will be willing to sell this tract for experimental purposes at \$800 per acre, or \$16,000 for the entire tract. After investigation, we find this to be an exceptionally reasonable price for this territory, considering its location and character of soil.

For your information, I should add that this recommendation is made only after the most painstaking investigation by Dr. Lloyd and myself, extending over a period of more than a year, and after Mr. E. P. Lewis, Associate in Olericulture, had devoted all of his time for six months to a study of the vegetable problems in Cook County in addition to doing investigational work on three separate farms. It was our hope at the outset to be able to find suitable land on the Forest Preserve tract which possibly could be leased for a term of years for our work. The chief objections to the use of Forest Preserve land for vegetable experiments are:

1. Forest Preserve lands are for the most part timber lands adjacent to or in close proximity to the streams; usually of yellow-gray silt loam type, and not adapted for our experimental work.
 2. Pests, especially rabbits and pheasants, are so abundant in these protected areas as to cause great damage to growing crops. This was proved to our sorrow this year on the Belmont tract which we had leased, north of Maywood.
 3. Forest Preserve lands are public property, and on account of pilfering render accurate records impossible.
 4. The Forest Preserve Board leases its property for periods of but one year.
- With all these facts in mind, we were forced to abandon the idea of using Forest Preserve land.

Further investigations also showed that other tracts suitable for vegetable experiments were not obtainable because growers were using every available space and were not willing to relinquish, even on a short-time lease, a part of their farm for University experiments. We, therefore, turned our attention to the possibility of a purchase. Here again we experienced difficulty in finding land suitable to our purposes at prices under \$1,500 per acre. Indeed, the best lands for our work ranged uniformly around \$2,000 or \$2,500 per acre. It was our hope too that we might locate something for our work near the center of Cook County, in what is usually thought of as the Maywood region. The objections to this territory are:

1. Industrial plants, railroads, and numerous small suburbs make this anything but a farming section.
2. The rapid development of subdivisions makes this land too costly for our purposes.
3. The land for the most part is low and swampy and very little is tile-drained.
4. It would take several years to put in proper tillable condition for experimental work any tracts offered us in this section.

These conditions hold good even for several miles north or south of the Maywood region.

We were compelled, therefore, to look especially to the Holland or southern vegetable region, or to the Des Plaines or northern vegetable region, for a suitable location.

Our reasons for selecting the Des Plaines region for this work are:

1. Two-thirds of the vegetables produced in Cook County are produced in this northern trucking region.
2. As the vegetable industries are being pushed further away from Chicago, they are spreading in the northwest direction rather than to the south.
3. The land is more suitable for vegetable growing in this section, and there are more and better roads.

Our final recommendation, therefore, after a careful study of all the factors involved, is that the University purchase twenty (20) acres of the Louis Nebel farm above referred to.

I understand that some criticism has been made because of the length of time required to make a satisfactory selection. Dr. Lloyd, Mr. Lewis, and myself have been in many conferences at different times, and on many farms in Cook County, and our conclusions which are brought together in this recommendation are the outcome. We will have, of course, in a short time, a detailed report to present to you on the results of the experimental work conducted on the three leased fields during the year 1924.

Respectfully submitted,

J. C. BLAIR

Head of the Department of Horticulture

The budget proposed by Professor Blair and Dean Mumford is as follows:

Land.....	\$ 16,000
Salaries	
E. P. Lewis (to May 12, 1925).....	2,000
(to July 1, 1925).....	250
Wages of temporary employees, teams, and men.....	810
Office expense (including supplies, postage, telephone, and telegraph).....	125
Printing (including stationery, advertisements, signs, record blanks, etc.)....	75
Travel and Mileage.....	1,800
Supplies (including gas, fertilizers, sprays, seeds, plants, etc.).....	500
Equipment (including tools, permanent equipment, buildings, etc.).....	3,240
Miscellaneous (including laundry, freight, express, etc.).....	200
<i>Total</i>	<i>\$25,000</i>

I recommend:

1. That the Executive Committee of the Board be authorized and directed to examine the land which Professor Blair and Dean Mumford recommend and to purchase the same for the work of the Cook County Experiment Station if satisfied that it is suitable and that the terms of sale are fair and reasonable; that if the Committee concludes negotiations, the President and Secretary of the Board be authorized and directed to secure title to the land and direct the payment of the purchase price thereof,

it being understood, of course, that the proceedings shall follow our usual practice in the securing of an abstract, securing the approval of the title by our Legal Counsel, and such other steps as are necessary.

2. That the sum of \$16,000, or so much thereof as may be necessary, be appropriated from the \$25,000 appropriated by the Legislature for a Cook County Truck Experiment Farm, for the purchase of this land.

3. That the budget submitted above for the expenditure of the \$25,000 appropriated for this purpose be approved, the item of mileage being subject to the approval of the President of the University.

On motion of Mr. Trimble these recommendations were approved, and the Executive Committee was authorized and directed to examine this land and to order the purchase if they found it suitable. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

APPROPRIATION FOR TREES AND OTHER PLANTING

(13) Professor White states that it is desirable to plant trees around the Stadium and to do certain other planting at the north end of it as soon as possible. He states that \$4,000 will be necessary for this, and I recommend an appropriation of this amount for this purpose from the Reserve and Contingent Fund.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

REQUIREMENTS FOR GRADUATION IN PHARMACY

(14) The University Senate has approved a recommendation of the faculty of the School of Pharmacy, that, beginning with the entering class in the session of 1925-26, the minimum requirements for graduation from the University of Illinois School of Pharmacy shall be three years of instruction through thirty-two weeks in each year in accordance with a program of study given below. The Senate recommends this action for approval. Inasmuch as this action is in line with the general understanding that the Pharmacy program was to be changed in this way and since we are making provision therefor, I request approval as recommended with the understanding that, within the limits of the total educational requirement set forth in the curriculum, the faculty and Senate be at liberty to make such modifications from time to time as educational necessities require. The program follows:

DEPARTMENT OF MATERIA MEDICA AND BOTANY

FIRST YEAR

First Semester

1. *General Botany*.—2 lectures, 1 recitation, and 1 laboratory period of 1 hour each week. (3 semester hours, 4 clock hours).

2. *Plant Histology*.—1 laboratory period of 3 hours each week. (1 semester hour, 3 clock hours).

3. *Physiology and Hygiene*.—2 lectures, 1 recitation each week. (3 semester hours, 3 clock hours).

Second Semester

4. *Materia Medica*.—2 lectures and 1 recitation each week. (3 semester hours, 3 clock hours).

5. *Plant Histology*.—1 lecture or recitation and 1 laboratory period of 3 hours each week. (2 semester hours, 4 clock hours).

SECOND YEAR

First Semester

6. *Materia Medica*.—2 lectures and 1 recitation each week. (3 semester hours, 3 clock hours.)

7. *Pharmacognosy*.—1 recitation and 2 laboratory periods of 3 hours each week. (3 semester hours, 7 clock hours).

Second Semester

8. *Materia Medica*.—2 lectures and 1 recitation each week. (3 semester hours, 3 clock hours).

9. *Pharmacognosy*.—1 recitation and 2 laboratory periods of 3 hours each week. (3 semester hours, 7 clock hours.)

THIRD YEAR

First Semester

10. *Bacteriology*.—2 lectures and 1 recitation, and 3 laboratory periods of 3 hours each week. (7 semester hours, 12 clock hours).

Second Semester

11. *Bio-Assay*.—2 lectures and 1 recitation each week. (3 semester hours, 3 clock hours).

DEPARTMENT OF CHEMISTRY

FIRST YEAR

First Semester

SECOND YEAR

First Semester

5. *Quantitative Analysis*.—2 lectures, 2 laboratory periods; 1 of 3 hours, one of 4 hours, each week. (4 semester hours, 9 clock hours).

Second Semester

6. *General Organic Chemistry*.—4 lectures and recitations. (4 semester hours, 4 clock hours).

7. *Organic Preparations*.—1 lecture, 2 laboratory periods of 3 hours each week. (3 semester hours, 7 clock hours).

THIRD YEAR

First Semester

8. *General Organic Chemistry*.—4 lectures and recitations. (4 semester hours, 4 clock hours).

Second Semester

9. *Advanced Quantitative Analysis*.—2 lectures, and 2 laboratory periods of 4 hours each week. (4 semester hours, 10 clock hours).

10. *United States Pharmacopoeia*.—3 lectures or recitations of 1 hour each. (3 semester hours, 3 clock hours).

DEPARTMENT OF PHARMACY

FIRST YEAR

First Semester

1. *Theoretical Pharmacy*.—2 lectures and 1 recitation each week. (3 semester hours, 3 clock hours).

2. *Pharmaceutical Physics*.—1 laboratory period of 3 hours each week. (1 semester hour, 3 clock hours).

3. *Arithmetic of Pharmacy*.—1 lecture or recitation. (1 semester hour, 1 clock hour).

Second Semester

4. *Galenical Pharmacy*.—2 lectures and 1 recitation. (3 semester hours, 3 clock hours).

5. *Pharmaceutical Preparations*.—2 lectures or recitations, laboratory period of 3 hours each week. (3 semester hours, 5 clock hours).

SECOND YEAR

First Semester

6. *Galenical Pharmacy*.—2 lectures and 1 recitation. (3 semester hours, 3 clock hours).

7. *Pharmaceutical Preparations*.—1 lecture or recitation, 1 laboratory period of 2 hours each week. (2 semester hours, 3 clock hours).

8. *Dispensing*.—1 lecture or recitation, 1 laboratory period of 2 hours each week. (2 semester hours, 3 clock hours).

Second Semester

9. *Organic Pharmacy*.—3 lectures and recitations. (3 semester hours, 3 clock hours).

10. *Organic Pharmaceutical Preparations*.—1 lecture or recitation, 1 laboratory period of 2 hours each week. (2 semester hours, 3 clock hours).

11. *Dispensing*.—1 lecture or recitation, 1 laboratory period of 2 hours each week. (2 semester hours, 3 clock hours).

THIRD YEAR

First Semester

12. *Operative Pharmacy*.—1 lecture and 3 laboratory periods of 2 hours each week (4 semester hours, 7 clock hours).

13. *Seminar*.—1 recitation each week. (1 semester hour, 1 clock hour).

14. *Advanced Prescription Compounding*.—1 lecture or recitation, 1 laboratory period of 2 hours each week. (2 semester hours, 3 clock hours).

Second Semester

15. *Manufacturing Pharmacy*.—1 lecture or recitation, 1 laboratory period of 3 hours each week. (2 semester hours, 4 clock hours).

16. *Seminar*.—1 recitation each week. (1 semester hour, 1 clock hour).

17. *Advanced Dispensing*.—1 lecture or recitation, 1 laboratory period of 2 hours each week. (2 semester hours, 3 clock hours).

On motion of Mr. Trimble, these recommendations were approved.

REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF MEDICINE

(15) The University Senate recommends that the requirements for admission to the College of Medicine be modified so as to provide:

1. That 60 semester hours of academic work shall be required exclusive of military, hygiene, and physical education.

2. That Spanish and Italian shall be eliminated from the college requirement in foreign language preparatory to Medicine, thus limiting the acceptable languages to French or German.

The Senate further recommends that these changes become effective for students entering the College of Medicine in September, 1926, and thereafter.

These recommendations were adopted.

TIME OF THE JANUARY MEETING

On motion of Mr. Trees, the matter of fixing the time of the January meeting was referred to the President of the Board with power to act.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record the following list of appointments made by the President of the University.

Brandt, Thelma, Technician Clerk in the Department of Orthodontia and Children's Clinic, in the College of Dentistry, for nine months, beginning December 1, 1924, at a salary of ninety dollars (\$90) a month, subject to the rules of the Civil Service Commission. (December 4, 1924)¹

Burns, O. R. Assistant Technician in the Laboratory of Physiological Chemistry, in the College of Medicine, for ten months, beginning November 1, 1924, at a salary of seventy-five dollars (\$75) a month. (December 3, 1924)

Casberg, Mrs. Bertha Price, Assistant in History, on part-time, for two and one-half months, beginning November 15, 1924, at a salary of twenty dollars (\$20) a month. (December 1, 1924)

Kahn, Helen, Technician (Serologist) in the Department of Preventive Medicine, for nine months, beginning December 1, 1924, at a salary of one hundred twenty-five dollars (\$125) a month. (December 5, 1924)

¹The date in parenthesis is the date on which the appointment was made by President Kinley.

Moss, Jenny, Record Clerk in the Office of the College of Liberal Arts and Sciences, for nine months, beginning December 1, 1924, at a salary of eighty dollars (\$80) a month, subject to the rules of the Civil Service Commission. (November 24, 1924)

Roewade, A. G., Student Assistant in the Department of Military Science, for ten months, beginning September 1, 1924, at a salary of ten dollars (\$10) a month. (December 11, 1924)

Roosa, Mrs. Giannina B., Assistant in Romance Languages, on one-fourth time, for three months, beginning November 1, 1924, at a salary of thirty-five dollars (\$35) a month. (December 1, 1924)

Straub, F. G., Special Research Assistant in Chemical Engineering, in the Engineering Experiment Station, in the College of Engineering, beginning December 1, 1924, and continuing until further notice, at a salary of two hundred fifty dollars (\$250) a month. (December 1, 1924)

The Board adjourned.

EXECUTIVE COMMITTEE MEETING, DECEMBER 18, 1924

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at 1 p. m. on Thursday, December 18, 1924, at the Chicago Athletic Club. Dr. W. L. Noble, Mrs. Laura B. Evans, Mr. Merle J. Trees, and President David Kinley were present.

PURCHASE OF ELLS LAND

President Kinley presented the following communication.

At the meeting of July 14, 1924, a recommendation to purchase the Ells land at the price of \$850 per acre was approved by the Board, and an appropriation of \$40,000, or so much thereof as may be necessary, was made from the Legislative appropriation of \$60,000 for the purchase of land. The Executive Committee was authorized to make the purchase.

At the meeting of the Board, September 26, 1924, the Executive Committee made a report on this matter (see page 46 of minutes) and the Board accepted an option for the purchase of the land. The "Legal Counsel was instructed to proceed to close the purchase." The Legal Counsel now makes the following report to me under date of December 16.

December 16, 1924

President David Kinley, Administration Building

DEAR SIR:

IN RE Purchase of the Ells Land

In accordance with agreement made with Carrie M. Hodges, Margery Hodges, and Harry Ells, drafts for a deed to the Board of Trustees was forwarded to the grantors for acknowledgment. Same has been deposited in escrow at the First National Bank, Los Angeles, California, to be delivered on payment of the contract price (\$39,329.50) less the amount necessary for revenue stamps and \$80 to the Twin City Abstract Company for making abstract.

I have just received a telegram from the First National Bank of Los Angeles which says, "We hold deed from Carrie M. Hodges and others conveying certain property in Champaign County, Illinois, to Board of Trustees of University which has been inspected and approved by George M. Harker. On receipt your warrant for \$39,329.50 less \$39.50 for revenue stamps and less bill of title company of about \$80, bill to accompany warrant, we are instructed to forward deed to David Kinley."

Our proposal to have the deed put in escrow with the Trevitt-Mattis Banking Company was declined by Harry Ells, one of the grantors, who stated that he would consent to the deed when executed being put in escrow only with some bank or trust company in Los Angeles. It was then arranged that the deed when acknowledged and turned over to the First National Bank should be examined by George M. Harker, a practicing attorney of Los Angeles, for approval. George M. Harker holds duplicate copy of a draft of the deed with instructions that the deed so deposited is to be an exact copy of the duplicate.

I am of the opinion, therefore, that the Board of Trustees or the Executive Committee is authorized to direct the Comptroller to send a state warrant for \$39,210 to the First National Bank of Los Angeles to be delivered on the delivery of the deed to the grantee.

Very truly yours,

O. A. HARKER
Legal Counsel

I now lay the matter before the Executive Committee for action.

On motion of Mr. Trees, the Comptroller was authorized and directed to conclude this purchase at a total cost of \$39,329.50, including a warrant for \$39,210 to be sent to the First National Bank of Los Angeles, California, \$39.50 for revenue stamps, and \$80 for the abstract.

The Executive Committee adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

January 17, 1925

The January meeting of the Board of Trustees of the University of Illinois was held at 9:30 a. m. on Saturday, January 17, 1925, at the Blackstone Hotel, in Chicago.

When the Board convened, the following members were present: Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mr. Trees, Mr. Trimble.

President Kinley was present.

On motion of Mr. Trimble, Mr. Trees acted as chairman until President Noble arrived.

APPROVAL OF MINUTES

The Secretary presented the minutes of the meeting of December 13, 1924, and (for record) the minutes of a meeting of the Executive Committee held on December 18, 1924.

The minutes were approved and received for record as printed on pages 121-142 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CONTRACT FOR STONE WORK ON LIBRARY ADDITION

(1) The Supervising Architect requests approval of the award of a contract for the stone work on the addition to the present Library building to the William Penn Stone Company of Minneapolis, Minnesota, at a price of \$3.75 per cubic foot, delivered in Urbana ready for setting. Between 8,000 and 9,000 cubic feet of stone will be needed and the contract price is about \$30,000. As there is only one quarry from which the stone can be obtained there is no competition.

I recommend the award of this contract as requested by the Supervising Architect.

On motion of Mrs. Evans, this award was authorized.

At this point, President Noble arrived and took the chair.

INVESTMENT OF GREGORY AND PLYM FUNDS

(2) A recommendation from the Comptroller:

January 15, 1925

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

On October 25th the Board of Trustees authorized and directed the sale of \$3,000 of U. S. Treasury bonds of the Gregory Scholarship fund. This has been done, the proceeds amounting to \$3,175. On December 13th the Board authorized and directed the sale of \$850 of Liberty Bonds and asked for a recommendation regarding reinvestment of the proceeds. At that time it was thought that a real estate mortgage could be secured for all of this money. However, no satisfactory investment of this kind is in sight.

On December 13th the Board authorized the consolidation of Plym Fellowship funds with the result that there is now on hand of the endowment fund of the Plym Fellowship the sum of \$2,219 in cash which should be invested.

I enclose a letter from Mr. Burke suggesting investment in Monticello Joint Stock 5% bonds which seems to be the best thing available at the present time and is in accordance with the investment policy suggested by the Finance Committee on October 25th.

I recommend, therefore, that the sale of Liberty Bonds referred to above be postponed and that the amount on hand in the Gregory Scholarship and Plym Fellowship funds be invested in Monticello Joint Stock and Land Bank 5% bonds or in other similar bonds as per the recommendation of Mr. Burke. Before being presented to the Board of Trustees I believe this recommendation should be indorsed by yourself and Professor White as members of the Investment Committee, if you concur in the recommendation.

Very truly yours,

LLOYD MOREY

Comptroller

On motion of Mr. Trimble, the Treasurer was instructed to invest these funds in Monticello Joint Stock Land Bank five per cent bonds at par and accrued interest.

SALE OF SOUTHERN PACIFIC STOCK

(3) A recommendation that the following resolution be adopted.

RESOLUTION

Whereas, this Board of Trustees now holds by donation and assignment from Francis J. Plym some Three Hundred Thirty-five (335) shares of common stock of the Southern Pacific Company, and

Whereas, by the terms of such donation this Board is empowered to sell and transfer all or any part of said stock, and

Whereas, it is deemed advisable to sell said stock and reinvest the proceeds in other safe securities to be held for the purposes of such donation;

Therefore, Be It Resolved that the Comptroller and Treasurer of the University be and are hereby authorized to negotiate a sale of said stock of the Southern Pacific Company and that the President of the Board, William L. Noble, be authorized to assign to the purchaser thereof the certificates representing the stock so sold.

On motion of Mr. Trimble, this resolution was adopted.

On motion of Mr. Trimble, the above authorization was made effective only when the market price of this stock should reach 112.

At this point, Mrs. Grigsby took her place with the Board.

STATEMENT CONCERNING CERTAIN OPINIONS EXPRESSED BY MEMBERS OF THE MEDICAL FACULTY

(4) Several weeks ago I was waited on by two members of the clinical faculty of the College of Medicine who presented me, in their own behalf and that of certain others, the following communication:

To the President of the University of Illinois:

At a meeting of members of the executive faculty of the University of Illinois College of Medicine, after a full and free discussion, it unanimously agreed:

That the members of the staff of the State Hospital of the University of Illinois who are paid a salary should be full time teachers.

That in view of the fact that this hospital is to provide care for the sick and instruction to students, to this end the beds should be assigned to the clinical teachers of the faculty of the University of Illinois College of Medicine.

That all present and future professorial appointments to the Clinical Faculty should be indefinite as to time; conforming in this respect to the practice in the first two years in College of Medicine and in the University at Urbana.

That the administrative head of the teaching faculty of the clinical years (3rd and 4th) be a clinical medical man in practice, directly responsible to the President of the University.

Dr. H. E. Irish and Dr. J. R. Harger, of the Medical faculty, were introduced on request of President Kinley. On request of Dr. Irish, the Secretary read a paper presented by him, covering in slightly expanded form the points in the above communication, redrawn after a conference with the President of the University.

Dr. Irish and Dr. Harger made statements in answer to questions from members of the Board, and withdrew.

President Kinley made a statement concerning the communication.

On motion of Mrs. Blake, the following resolution was adopted:

The Board has heard and considered the statement made by members of the faculty concerning part-time appointments to the clinical staff on pay, appointment of clinical professors on indefinite tenure, the placing of complete control of the new research facilities in the hands of the present extramural clinical faculty, and the appointment of a dean for the clinical years. The suggestion of a change in the tenure of appointment seems reasonable and the Board will consider the matter of making such a change. On the matter of the appointment to the clinical staff of men on part-time with control of beds in the new hospitals, the Board does not see good reason for

departing from the policy which it has already established on this point. That policy is that men shall be appointed on part-time under pay to give their main strength and most of their time to educational and investigational work in lines for which these hospitals were erected. This policy does not involve the displacement of members of the present extramural clinical staff. The policy provides that members of the present extramural clinical staff may have control of beds in the new hospital in addition to those under control of new appointees with the expectation that the two will cordially cooperate.

If in any division the Board is of the opinion that such cooperation is impracticable, it will give entire charge of the hospital beds in that division to one man, he to name a cooperator, and the President is hereby empowered to put this policy into effect in any division when in his judgment it is necessary.

With reference to the appointment of two deans the Board thinks it unnecessary to express itself at the present time.

The Board expresses its appreciation of the interest of the members of the clinical faculty in this matter and of their frankness in making their statements and feels sure that it can still rely on the continued loyalty and support of the distinguished men who make up that faculty.

LEAVE OF ABSENCE FOR DEAN EYCLESHYMER

(5) On account of illness Dean A. C. Eycleshymer requests a leave of absence for two months, beginning January 19.

Dean Eycleshymer has had no vacation for nine years, having spent his summers in developing summer work at the college. I recommend that this leave be granted on full pay.

On motion of Mrs. Blake, this leave was granted.

DR. D. J. DAVIS MADE ACTING DEAN

(6) A recommendation that Dr. D. J. Davis be appointed Acting Dean of the College of Medicine, to serve during the absence of Dean Eycleshymer; his salary for the period to be at the rate of \$8,000 a year.

On motion of Mrs. Busey, this appointment was made.

PURCHASE OF ELLS LAND CONCLUDED

(7) A report from the Comptroller that the purchase of the Ells land had been concluded and the deed received.

This report was received for record.

PURCHASE OF ORGAN

(8) A recommendation that \$25,000, or so much thereof as may be necessary, be appropriated for the purchase of an organ in Recital Hall of the Music Building, and that a committee of five members, including Professor Stiven, Professor White, and Professor Morey, be appointed to have charge of the purchase.

On motion of Mrs. Grigsby, these recommendations were approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

President Noble appointed Mrs. Grigsby and Mrs. Blake to serve with Professor Stiven, Professor White, and Professor Morey on the organ committee.

**PROXY FOR THE ANNUAL MEETING OF THE SOUTHERN
PACIFIC COMPANY**

(9) The Comptroller sends me proxy blanks for the annual meeting of stockholders of the Southern Pacific Company to be held April 8. He adds, "Authorization should be secured for some one, I would suggest the Secretary, to sign and seal this proxy for the Board of Trustees."

On motion of Mr. Armstrong, the Secretary was authorized to execute this proxy.

**FORM OF BEQUEST FROM THE ESTATE OF MRS. ALBERTINA
GEHRMANN**

(10) The attorney settling up this estate requests that the University accept the \$10,000 bequeathed to it in the form of six bonds of the College of Physicians and Surgeons (\$500 each) and \$7,000 in cash. I recommend that this request be granted.

On motion of Mr. Trimble, this resolution was adopted.

LEAVE OF ABSENCE FOR MISS KATHRYN G. VAN AKEN

(11) Dean Mumford and Miss Wardall recommend that Miss Kathryn G. Van Aken, Assistant Professor of Home Economics and State Leader of Home Economics Extension, be granted leave of absence without pay from February 1, 1925, to June 1, 1925, for the purpose of graduate study. I concur in the recommendation.

On motion of Mrs. Evans, this leave was granted.

SICK LEAVE OF MISS EMILY WILLIAMS

(12) On request of Dean Babcock, I recommend that Miss Emily Williams, Assistant in Physiology, be granted sick leave for two weeks from January 5 with pay.

On motion of Mrs. Evans, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR NOLAN

(13) On request of Dean Chadsey, I recommend that Associate Professor A. W. Nolan be granted leave of absence without salary for the second semester of the current year in order that he may accompany Mrs. Nolan, who must go away for the benefit of her health.

On motion of Mrs. Busey, this leave was granted.

APPOINTMENT OF E. D. DOXSEE

(14) Dean Chadsey recommends that Mr. E. D. Doxsee, Assistant Professor of Vocational Education at the University of Arizona, be appointed Acting Assistant Professor of Agricultural Education, vice Professor A. W. Nolan, for five months from February 1, 1925, at a total salary of \$1,650. I concur.

On motion of Mrs. Grigsby, this appointment was made.

REMODELING OF ATTIC OF PHYSICS BUILDING

(15) On account of the crowded condition of the Physics Building, the Supervising Architect recommends that we cut dormer windows into the roof and finish both wings so as to provide additional laboratory rooms. This would cost about \$15,000.

I recommend that this remodeling be authorized and that \$15,000 be assigned from the Reserve and Contingent fund for this work.

On motion of Mr. Armstrong, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

ADDITIONAL FUNDS FOR LIBRARY, COLLEGE OF MEDICINE

(16) The Library Committee of the College of Medicine requests that an additional \$8,000 be appropriated for completing the journal files and for purchasing new sets needed to round out the present collection. I recommend that \$8,000 be appropriated for this purpose from the Reserve and Contingent fund.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

PURCHASE OF McNEILL PROPERTY, LOT 23 COLLEGE PLACE

(18) A recommendation from the Supervising Architect that Lot 23 in College Place be acquired from Mr. T. F. McNeill by exchange, the University to give Mr. McNeill a lot measuring 60 feet on First Street and 137½ feet on Armory Avenue in the Athletic Association tract and a house from one of the lots in College Place.

On motion of Mrs. Grigsby, this exchange was approved and the proper officers of the Board were authorized to execute the necessary instruments.

PURCHASE OF WARNER PROPERTY, LOT 2 COLLEGE PLACE

(19) I concur in the recommendation of the Superintendent of Business Operations that the University purchase Lot 2 in College Place for \$2,150 with all assessments except paving paid to January 1, 1925, the University to assume taxes for 1924, all of the cost of the First Street paving, and seven installments of special assessments for lighting.

I further recommend that the sum of \$2,150 be assigned from the Reserve and Contingent fund for this purpose.

On motion of Mrs. Evans, these recommendations were approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

PURCHASE OF LOT 22, IN COLLEGE PLACE

(20) The Superintendent of Business Operations recommends that the University purchase from Mrs. Harriet Moore her residence property at 1115 Williamson Street in College Place, Lot 22, for \$8,925, the University to assume the 1924 taxes and the lighting assessment due January 1, which two items will not exceed \$75.

I concur in the recommendation, and further recommend that the sum of \$9,000 be appropriated from the Reserve and Contingent fund to make the purchase and pay the taxes.

On motion of Mrs. Blake, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

INVESTMENT OF TRUST FUNDS

On motion of Mr. Trimble, the statement of policy concerning the investment of trust funds (See Minutes, October 25, 1924, page 103) was revised.

Mr. Trimble was requested to prepare a revision of the statement of policy for printing in the minutes.

At this point, Mrs. Blake and Mr. Trimble withdrew.

COOK COUNTY TRUCK FARMING LAND

The Executive Committee made a report of progress on the purchase of a tract in Cook County for experimental work in truck farming.

ADDITIONAL HELP ON ACCOUNT OF RESEARCH AND EDUCATIONAL HOSPITALS

(21) A recommendation that the sum of \$606.52 be assigned from the Reserve and Contingent fund to the Supervising Architect to pay for the services of men employed as additional help for listing the equipment of the Research and Educational Hospitals.

On motion of Mrs. Evans, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Blake, Mrs. Ickes, Mr. Small, Mr. Trimble.

APPROPRIATION FOR SENDING THE AGRICULTURALIST TO HIGH SCHOOLS

(22) Dean Mumford asks an appropriation of \$850 for the purpose of sending THE AGRICULTURALIST to approximately six hundred high schools. I recommend that this amount be appropriated for this purpose from the Reserve and Contingent fund.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Blake, Mrs. Ickes, Mr. Small, Mr. Trimble.

APPROPRIATION FOR PHYSICAL EDUCATION FOR WOMEN

(23) Director Freer requests an additional appropriation to meet unexpectedly increased expenditure in her department. I recommend that \$1,100 be appropriated from the Reserve and Contingent fund to the expense budget of Physical Education for Women in addition to the present assignment, the President to approve its distribution.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Blake, Mrs. Ickes, Mr. Small, Mr. Trimble.

APPROPRIATION FOR GRADUATE SCHOLARSHIPS AND FELLOWSHIPS

(24) A recommendation that \$25,000 be appropriated in the budget for 1925-26 for graduate scholarships and fellowships.

On motion of Mrs. Evans, this recommendation was concurred in.

GIFT FROM AUSTIN MANUFACTURING COMPANY

(26) The Director of the Engineering Experiment Station informs me that the Austin Manufacturing Company, 400 North Michigan Avenue, Chicago, has informed the head of the Department of Civil Engineering that it will be willing to furnish \$1,200 a year for two years to pay the stipends of two research graduate assistants in the Engineering Experiment Station with the request that the investigations of these assistants be devoted to a study of the maintenance and construction of earth and gravel roads.

I have accepted this subject to the usual regulations governing the acceptance of contributions for carrying on research.

This report was received for record.

GIFT OF IRON MOUNTAIN COMPANY

(27) Dean Ketchum informs me that the Iron Mountain Company, by its President, Mr. L. A. Busby, has presented the Department of Mining Engineering with a Sullivan Drill, which has an approximate value of \$100.

This report was received for record.

GIFT OF COOPERATIVE FOUNDRY COMPANY OF ROCHESTER, NEW YORK

(28) Dean H. W. Mumford informs me that the Cooperative Foundry Company, of Rochester, New York, has donated to the University a pipeless furnace for use in an experimental corn drying plant on the South Farm.

This report was received for record.

MANUFACTURE OF CHEMICALS

(29) On August 28, 1917 (page 514 Board Minutes), the Board adopted a certain policy recommended by Dean K. C. Babcock to govern the manufacture of certain chemicals needed to meet the demands of our own laboratories and the sale of any surplus to other practical and scientific laboratories. A review of the circumstances incidental thereto and consultation with our legal counsel convinces me that it is necessary to change the action of the Board as recorded on this matter, since the University may not engage in the production of chemicals or anything else for market whose production is not primarily a laboratory or educational exercise. The phraseology of the action shows that we are intentionally setting out to manufacture for sale. Therefore, I recommend that the Board reconsider its action of August 28, 1917, and that it change the wording of paragraph "A" to read as follows:

"That the department of chemistry be authorized to continue the manufacture of a selected, diversified number of chemicals to meet the demands of our own laboratories, it being understood that any surplus not needed by our own laboratories may be sold as occasion offers as is done with laboratory products in other departments such as Floriculture, Dairy Husbandry, Animal Husbandry, and so forth."

On motion of Mrs. Grigsby, the action of August 28, 1917, was reconsidered.

On motion of Mrs. Grigsby, the regulation was amended as recommended.

**PURCHASE OF FRENCH PATENT ON COAL CARBONIZATION
BY PROFESSOR PARR**

(30) The following report from the Superintendent of Business Operations:

"I enclose copy of a letter from Professor Parr under date of November 13, explaining a difficulty which we are in, in connection with his patent because of the interference of the French patent issued in June, 1923.

"This French patent seems to be of no value in itself, but in the hands of others than ourselves might prove to be quite an obstacle to us. After rather extensive negotiations Professor Parr purchased it for \$500, and there are some incidental expenses in connection with the transfer for which a bill has not been received.

"Under date of December 31 Professor Parr advised me that he was now in possession of the original deed to this patent and was ready to assign it to the University. Your Patent Committee recommend that Professor Parr be paid \$500 in consideration of his reassigning this deed to the University of Illinois."

I concur in the recommendation of the Committee and recommend further that this payment be made from the Patents on Discoveries and Inventions fund.

On motion of Mrs. Evans, this recommendation was approved.

HOSPITAL EQUIPMENT

(31) In view of the delay in completing provisions for utilization of the new hospitals for the work of the College of Medicine, and in view of the fact that on that account we can spare for the rest of the year part of the appropriation made by you for the Medical College in the budget last June for our share in this new development, I recommend that the sum of \$60,000 be transferred from the \$130,000 assigned for the new clinical departments in such proportions as on the advice of the Dean may be spared from each of the three departments of obstetrics and gynecology, preventive medicine, and surgery, and assigned for necessary equipment and help in these departments in the new hospitals, on the understanding that the equipment thus bought shall remain the property of the University; and that the President of the University be and is hereby authorized to make this proposal to the Department of Public Welfare and to arrange with the Department all necessary details.

On motion of Mrs. Evans, these recommendations were adopted.

REPORT OF COMMITTEE ON ACCOUNTANCY

(32) I have received from the secretary of the Committee on Accountancy, Registrar G. P. Tuttle, the Report of the work of the Committee for the year ended June 30, 1924. I submit it herewith for record.

Dr. David Kinley, President

DEAR MR. PRESIDENT:

The University Committee on Accountancy respectfully submits, herewith, a report of its work for the year ended June 30, 1924.

PERSONNEL

The membership of the University Committee has been as follows: Professor M. H. Robinson, Chairman; Professor J. N. Pomeroy; Registrar G. P. Tuttle, Secretary, *ex-officio*. Mr. D. A. Grossman, Examiner in the Registrar's Office, has served again as Clerk of the Committee. Professor Pomeroy died in May, 1924, and his successor, Mr. W. E. Britton, was not appointed until September, 1924.

The University Committee recommended the appointment of Mr. Frederick B. Andrews, C.P.A., of Chicago to the Board of Examiners to succeed Mr. Edward E. Gore, C.P.A., whose term expired June 30, 1923. You presented his name to the Board of Trustees, the Board approved the appointment and Mr. Andrews accepted it. The organization of the Board has been as follows:

Mr. JAMES P. MCGREGOR, C.P.A., Chairman
Mr. FREDERICK B. ANDREWS, C.P.A., Secretary
Mr. HARRY J. DUNBAUGH, LL.B.

EXAMINATIONS

Two examinations have been held during the year, one on November 15, 16, 1923, and another on May 15, 16, 1924. The November examination was given in the City of Chicago. The May examination was given at Urbana and at Chicago.

One hundred thirty-eight candidates were examined in November and two hundred thirty-nine in May, making a total of three hundred seventy-seven for the year. This exceeds the number examined last year by seventy-nine. One hundred one of these candidates, or 26.8%, were successful and have been awarded the certificate as follows:

EXECUTIVE COMMITTEE MEETING, JANUARY 24, 1925

A meeting of the Executive Committee was held at the Chicago Athletic Association at one p. m., Saturday, January 24, to take action on the purchase of land for the Cook County Experiment Station in accordance with the authority given the Committee by action of the Board on December 13, 1924 (See minutes, December 13, 1924, pages 135-6).

There were present all three members of the Committee—President W. L. Noble, Mrs. Laura B. Evans, and Mr. Merle J. Trees. In addition, Mr. J. W. Armstrong, a member of the Board, was present, and Professors Blair and Lloyd of the University.

It was moved and unanimously carried that we purchase for a truck garden experimental farm, at a price not to exceed \$800 an acre, the twenty (20) acres of land owned by Louis W. Nebel, being the south half of the west forty (40) acres of the northwest quarter of Section 29, Township 41 North, Range 12, East of 3 P. M., (Maine Township), Cook County, Illinois. This farm is located about two and one-half miles south and west of Des Plaines, Illinois.

EXECUTIVE COMMITTEE MEETING, FEBRUARY 11, 1925

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at 10 o'clock a. m. on Wednesday, February 11, 1925, at the Blackstone Hotel, in Chicago.

The same persons were present as at the meeting of the Board on the same day.

PURCHASE OF ORGAN

Director Stiven for the committee on the purchase of an organ for the recital hall made a report of progress.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Executive Committee considered the following matters presented by the President of the University.

PURCHASE OF LOT 22, COLLEGE PLACE, COMPLETED

(1) The Comptroller reports the completion of the purchase of lot 22 in College Place for \$8925, subject to general taxes for 1924 and a special lighting assessment of \$47.04, which has been paid.

This report was received for record.

RELEASE DEED OF MORTGAGE ON MEDICAL BUILDING

(2) The Comptroller reports on this matter as follows:

January 30, 1925

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I take pleasure in advising you that I have at last been able to secure from Doctor Frank B. Earle, Trustee, a release deed of the mortgage on the Medical Building covering the bond issue outstanding against the building when the property was taken over by the University. These bonds were paid in the Fall of 1921 in accordance with the action of the Board of Trustees on October 12th of that year. It was never possible, however, to locate the interest coupons paid by the College of Physicians and Surgeons. The Trustee, therefore, hesitated to sign a release deed until now when all the missing coupons are outlawed.

I am having the release deed filed and the abstract to the property brought down to date, showing the title of the Board of Trustees free of encumbrance.

Very truly yours,

LLOYD MOREY

Comptroller

This report was received for record.

PURCHASE OF MITCHELL-WALCOTT PROPERTY COMPLETED

(3) The following report from the Comptroller:

February 2, 1925

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I beg to advise that all payments due on our contract for the purchase of the property at 1117 Nevada Street, Urbana, known as the Mitchell-Walcott property, have been completed and I have received from Mr. Walcott a Warranty Deed in accordance with the contract, which deed has been filed for record (see Minutes of the Board of Trustees, January 12, 1924, and February 14, 1924).

Cordially yours,

LLOYD MOREY

Comptroller

This report was received for record.

**AGREEMENT WITH ILLINOIS STATE ELECTRICAL ASSOCIATION
AND CENTRAL ILLINOIS PUBLIC SERVICE COMPANY
FOR CROP INVESTIGATION**

(4) I report for record my action in authorizing the Comptroller to make an agreement with the Illinois State Electrical Association and the Central Illinois Public Service Company for cooperative investigation in the practicability of the use of electricity in agriculture. This agreement is in accordance with our policy in such matters and has received the approval of the Legal Counsel.

This report was received for record.

USE OF ELLS LAND

(5) Through Professor J. M. White, Dean Mumford suggests that for the coming year the Ells land, recently bought, be assigned to the College of Agriculture to use. The Dean is of the opinion that they could plant the land to corn to be used in filling the silos. I recommend that the land be thus assigned.

On motion of Mrs. Evans, this land was assigned to the College of Agriculture for the coming year.

INSURANCE ON CARTER-PENNEL FARM BUILDINGS

(6) On request of Dean Mumford I recommend that the Committee on the Carter-Pennell Trust Farms be authorized to carry fire insurance to the extent of \$5,000 on the buildings on each of the farms, the expense to be charged to the income from the farms.

On motion of Mrs. Evans, this insurance was authorized.

APPROPRIATION FOR LIBRARY STACKS, COLLEGE OF MEDICINE

(7) I recommend that \$500 be appropriated from the Reserve and Contingent Fund to the Supervising Architect for library stacks at the College of Medicine.

On motion of Mrs. Evans, this appropriation was made.

APPROPRIATION TO REPAIR AUDITORIUM PIERS

(8) The Assistant Supervising Architect informs me that the brick piers which carry the first floor of the Auditorium are in bad condition and that it will cost two thousand (\$2000) dollars to put them in such condition that they will be absolutely safe. I therefore recommend that an appropriation of \$2000 be made, or so much thereof as may be necessary, from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Evans, this appropriation was made.

EXPENSE IN CLAIM OF TEMPLE BROTHERS

(9) Suit for damages was filed by George Temple and Arthur R. Temple of Champaign on account of alleged loss by them in the transaction of a purchase of hogs from the University. A hearing was duly held by the Attorney-General and two bills were presented by him to the University with the request that the University pay them. They are for \$60.20 to A. N. Tobias, court reporter, and \$20.50 to W. B. Riley for services rendered at the hearing.

The University has never before been called on to pay bills of this kind. Judge Harker has been in communication with the Attorney-General on the matter. But a conclusion has not been reached as to whether the Attorney-General can and will pay these bills. Therefore, I recommend that the President of the University be given authority to authorize the payment of these bills on advice of our Legal Counsel.

On motion of Mrs. Evans, the President of the University was authorized to order the payment of these bills.

COMMENCEMENT OF CHICAGO DEPARTMENTS AT URBANA

(10) Some years ago the University brought the members of the graduating classes of the Chicago Departments to Urbana for joint commencement exercises partly or wholly at University expense.

The question of a united commencement has been again raised. Our Legal Counsel writes me, "I am clearly of the opinion that the Board of Trustees can not lawfully appropriate from the funds of the University any sum to pay the expenses of the students graduating." This statement was made in reply to a question of mine addressed to him whether "the Board of Trustees may lawfully appropriate the sum of \$2500 or whatever may be necessary to meet the expenses of bringing the graduating classes of the Chicago Departments to Urbana to participate in commencement exercises here."

In view of the above opinion I recommend that it be made a matter of record that the University can not pay traveling expenses to bring students to commencement exercises.

This report was received for record.

DEGREE FOR MR. LENOX EDMOND TRICKLE

(12) On recommendation of the faculty of the College of Engineering, the Council of Administration recommends that the degree of Bachelor of Science in Railway Electrical Engineering be granted Mr. Lenox Edmond Trickle as of the class of 1918.

Mr. Trickle is one of the students who left before graduation to enter the Army. It has now been established that under the action of the University concerning such students he is entitled to his degree.

This degree was conferred.

THESIS REQUIREMENT OF GRADUATE SCHOOL

(13) I recommend approval of the following regulation on recommendation of the Executive Faculty of the Graduate School and the University Senate.

Thesis work on leave of absence.—Under proper conditions a student may be permitted to complete the last fourth of his work, if devoted to his thesis, under leave of absence for a period not to exceed the equivalent of two semesters. To get such permission the student must have secured credit for at least six units; must petition for the privilege; must submit to the Dean an outline of the proposed investigation, approved by the head of his major department; and must submit satisfactory evidence that adequate facilities are available to him at the place where he intends to do the proposed work. Approval on all these points must be obtained one collegiate year before the thesis is due. Immediately following approval the student may register and pay an incidental fee of \$20.

This regulation was adopted.

ABSENCE FOR F. F. ELLIOTT

(14) On request of Dean Mumford I recommend that Mr. F. F. Elliott, Associate in Farm Organization and Management, be permitted to be absent for two months without pay, from February 9, 1925, in order to assist the Bureau of Agricultural Economics at Washington in certain statistical studies.

This leave was granted.

SABBATICAL LEAVE OF PROFESSOR F. L. STEVENS

(15) In a letter dated January 22, 1925, Dean K. C. Babcock of the College of Liberal Arts and Sciences writes as follows : "I have just received a letter from Professor Stevens indicating his desire to return to the University for the second semester I recommend such action as may be necessary to permit him to resume his work with full salary from the date of his arrival with definite forfeiture of further sabbatical privileges until the expiration of another seven-year period following September 1, 1925."

In accordance with this letter I recommend that Professor Stevens be permitted to resume his work on full time and salary from the date of his return, on condition that he have no further rights to leave of absence under the so-called sabbatical privilege until the date above mentioned.

This recommendation was approved.

BEQUEST OF MRS. ALBERTINA GEHRMANN

(16) On advice of Judge Harker, I authorized the Comptroller to enter the consent of the Board of Trustees as a legatee of the will of Mrs. Albertina Gehrmann to the filing and approval of the final account of the executor.

This report was received for record.

ON PROPOSED TRANSFER OF COLLEGE OF LAW

(17) The following resolutions:

WHEREAS we are credibly informed that a bill has been introduced into the legislature proposing to transfer the College of Law from its present site at Urbana, in connection with the main University, to Springfield, and

WHEREAS the reason which we have been given for such transfer, namely, that the location of the College of Law in proximity to the state courts is, in the opinion of able educators of little importance

WHEREAS the disadvantages of separating the College of Law from sundry other departments of the University would be great and serious not only for the standards of the College of Law but for standards in other departments of the University; now therefore be it

RESOLVED that, in the opinion of the Board of Trustees of the University, the proposed removal of the College of Law would be disadvantageous to the College of Law and to the rest of the University educationally as well as administratively, and be it further

RESOLVED that the Board of Trustees does hereby respectfully protest against said removal of the College of Law from Urbana to Springfield, and be it further

RESOLVED that the President of the University is hereby directed to oppose the passage of said bill by all proper means and to present a copy of this resolution to the Houses of the legislature and particularly to the committees in charge of said bill and to petition the Houses of the legislature in the name and in behalf of the Board of Trustees against such removal of the College of Law.

The resolution was adopted and the President of the University was authorized and instructed to oppose the passage of this bill if introduced.

SUMMER SCHOOL OF LANDSCAPE GARDENING

(18) Dean Mumford requests an appropriation of \$3000 to meet the expenses of a summer school of landscape gardening to be held at Lake Forest.

I recommend that this appropriation be made from the Reserve and Contingent Fund, the expenditure to be subject in all its details to the approval of the President of the University.

This appropriation was made as recommended and the President of the University was authorized to institute this summer school if in his judgment it seemed wise.

BROWN-KNIPP PATENTS

Mr. Trimble made a report of progress on the negotiations for the sale of vacuum tube patents.

Mr. Trimble was requested to continue these negotiations on behalf of the University.

EXECUTIVE COMMITTEE MEETING, FEBRUARY 17, 1925

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 2 p. m. on Tuesday, February 17, 1925. Mrs. Evans was present; also President Kinley, Mr. G. E. Wright, Assistant Supervising Architect, and representatives of the bidders on the plumbing and electric wiring for the West Residence Hall.

Mrs. Evans presided.

President Kinley announced that the Chairman of the Executive Committee was unable to be present, and stated that it would be necessary to record the bids and communicate them to the Chairman by telephone, and get his vote, and asked whether there was any objection to this procedure. No objection was raised.

Bids were opened as follows:

4. Marrs-Tanner Electric Co.....	4,265
5. Newberry Electric Co.....	5,875

The Secretary of the Board communicated the bids to Dr. W. L. Noble, Chairman, by long-distance telephone, and secured his vote for the award of the contract for plumbing for the West Residence Hall to the Carson-Payson Company, the lowest bidders, on the basis of their bid of \$22,867 and for the award of the contract for electric wiring for the West Residence Hall to the Marrs-Tanner Electric Company, the lowest bidders, on the basis of their bid of \$4,265, and Mrs. Evans concurring, declared the awards made accordingly.

ELEVATOR CONTRACTS

President Kinley presented the following communication, and recommended that contracts be awarded accordingly.

February 17, 1925

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

I am enclosing a schedule of bids received on Friday, February 6th, for elevators and dumb waiter for all of our new buildings.

Upon checking up on these figures we find that the combined figure of the Otis Elevator Company minus the deduction of 3% is lower than any other combination which we can work out. I would, therefore, recommend that the contract for all of these elevators be awarded to the Otis Elevator Company without the addition for the automatic leveling device for the Hospital elevator.

Taking into consideration the 3% deduction on each figure, the contracts would be awarded on the basis of the following figures:

For the passenger elevator for the New Library.....	\$5,480.50
For the passenger elevator for the New Commerce Building..	7,088.76
The Sidewalk Elevator for the New Commerce Building....	1,338.60
The freight elevator for the Dairy Manufactures Building....	3,375.60
The passenger elevator for the McKinley University Hospital.	4,985.80
The Dumb Waiter for the McKinley University Hospital.....	2,256.22
The passenger elevator for the West Residence Hall.....	4,840.30

All of these figures come inside of the estimated amounts which we have allowed for this equipment in our building estimates.

Very truly yours,

GEORGE E. WRIGHT

Assistant Supervising Architect

SCHEDULE OF BIDS—ELEVATORS FOR NEW BUILDINGS

NOTIFICATION OF PRESIDENT KINLEY

The chair appointed Mrs. Ickes as special committee to notify President Kinley of his election and to escort him to the room.

Dr. Kinley came and expressed his appreciation of the action of the Board in electing him President.

PURCHASE OF ORGAN

Mrs. Grigsby reported as follows:

Your committee appointed to purchase an organ for the Recital Hall of the School of Music has investigated the situation thoroughly, has visited the manufactories of several companies, and recommends that a contract be made with the Skinner Organ Company of Boston, Massachusetts, for an organ to cost \$23,300.

On motion of Mrs. Evans, this report was approved and adopted.

On motion of Mr. Blair, the President and the Secretary of the Board were authorized to execute the contract for the organ.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CARTER-PENNELL TRUST

(1) A statement concerning the provisions of the Carter-Pennell trust deed with respect to the managing committee.

Mr. Carter, Mr. A. R. Hall, and Dean Mumford were present and discussed this matter. Mr. Hall presented the following resolution, which, on the recommendation of President Kinley and on motion of Mr. Blair, was adopted.

Mr. Carter in the presence of the Board signed the statement expressing his approval of the resolution.

RESOLUTION

WHEREAS, the Deed creating the Carter-Pennell Trust for Educational purposes, places the final responsibility for the direction, control and management of the Trust Estate in the Board of Trustees of the University of Illinois, and their successors in office; and

WHEREAS, said Trustees are authorized and directed to delegate to a Trust Committee, consisting of the President of the University of Illinois, the Dean or Head of the College of Agriculture of the University of Illinois, the Dean or Head of the College of Engineering of the University of Illinois, and the Dean or Head of the Department of Home Economics of the University of Illinois, the power to represent and to act for said Trustees in carrying out the provisions of said Carter-Pennell Trust; and

WHEREAS, said Trustees realize that the President of the University, in particular, will not be able to give his personal attention to the direction, control and management of the Farms of said Trust Estate; and

WHEREAS, it seems, from said Deed, that it was the real intent of the creators of said Trust that the virtual direction, control and management of said Trust Farms should be entrusted, in large measure, to the Dean of the College of Agriculture of the University, and that the other Members of said Trust Committee should act very largely in an advisory capacity to aid said Dean of said College of Agriculture in the carrying out of the powers and duties delegated to said Trust Committee by said Board of Trustees; therefore

BE IT RESOLVED, by the Board of Trustees of the University of Illinois that, in accepting the Trust created by said Deed, this Board of Trustees assumed complete responsibility for the carrying out in good faith of all the provisions of said Carter-Pennell Trust; that this Board of Trustees feels that it was not intended that the President of the University should give any more personal attention to the work of said Trust Committee than he gives to other administrative work which devolves upon him by virtue of his official position as President; that this Board of Trustees does hereby place the active direction, control and management of said Trust Farms in the charge of the Dean of the College of Agriculture of the University, or such other Member of said College of Agriculture as said Trust Committee may, at any time, select on the recommendation of said Dean of said College of Agriculture; and that all Members of said Trust Committee, except said Dean of said College of Agriculture, shall not be charged with the direct personal management of said Trust Farms, but such Members shall, from time to time, advise and counsel with said Dean of said College of Agriculture and keep this Board of Trustees informed as to the work of said Trust Committee and its representative and make such suggestions as said Mem-

bers of said Trust Committee may deem necessary or advisable in the carrying out of the provisions of said Carter-Pennell Trust.

This meets with my approval.

**INVESTMENT OF THE GEHRMANN MEMORIAL
MEDICAL LECTURESHIP FUND**

(6) The following report of the meeting of the Advisory Investment Committee which is recommended for your approval and action thereon:

The Committee met in the President's Office at the call of the Chairman, President Kinley. Present President Kinley, Professor White, Mr. Morey.

The Chairman presented a communication from the Comptroller calling attention to the sum of \$10,000 on hand in the Gehrman Medical Lectureship Fund for investment and transmitting a recommendation from Mr. A. M. Burke, Treasurer of the University, that the fund be invested in Illinois Central 5½'s of 1934, at the present market from 102.50 to 103.

The Committee voted unanimously to recommend to the Board that the Comptroller be directed to make this investment and to set up a reserve out of the income from this investment sufficient to amortize the premium by maturity.

LLOYD MOREY
Secretary

On motion of Mr. Blair, these recommendations were adopted.

COOK COUNTY EXPERIMENT STATION

(7) The Comptroller makes the following report concerning the purchase of land for the Cook County Experiment Station, in accordance with the action of the Board of Trustees on December 13, 1924, and the action of the Executive Committee on January 24, 1925.

February 23, 1925

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I beg to advise that in accordance with my memorandum of February 23, 1925, which you approved, and in accordance with the direction of the President and the Secretary of the Board of Trustees by action of the Board of Trustees on December 13, 1924, I have concluded the purchase of the South half of the West half of the West half of the North West quarter of Section 29, T. 41 N., R. 12, E. of 3rd P. M., consisting of 20 acres, in Cook County, Illinois, from Louis Nebel at a purchase price of \$16,000 paid from the State Appropriation for the Cook County Experiment Station.

I am having the deed filed for record, the abstract brought down to date showing title in the Board of Trustees and am taking steps to secure the exemption of this property from further levy of general property taxes.

Very truly yours,

LLOYD MOREY
Comptroller

This report was received for record.

At this point, Mr. Blair withdrew.

DIRECTORS OF THE ATHLETIC ASSOCIATION

(8) In accordance with the regulations of the Athletic Association which provide that the Board of Directors shall consist of five members to be elected annually by the Board of Trustees at their March meeting on recommendation of the President of the University, three from the faculty, one of them to be the Head of the Department of Physical Education, and two from the membership of the Alumni Association, I hereby recommend the appointment of the following as the Board of Directors of the Athletic Association for the ensuing year:

MR. GEORGE A. HUFF
PROFESSOR GEORGE A. GOODENOUGH
MR. EUGENE I. BURKE of Champaign
MR. JOHN H. POWERS of Decatur
JUDGE O. A. HARKER

On motion of Mr. Armstrong, these directors were appointed.

LEASE OF CARTER-PENNELLS TRUST FARM

(9) Dean H. W. Mumford recommends renewal, with certain modifications, of the lease of one of the Carter-Pennell Trust farms (about 104 acres of the N. E. $\frac{1}{4}$ section 11, and about 89 acres of the N. side of the N. W. $\frac{1}{4}$ section 12), which was approved by the Board of Trustees on March 11, 1924, page 429. I concur in this recommendation and recommend further that the Comptroller and Secretary of the Board sign the copies of the lease submitted herewith, and that they be authorized to sign leases of a similar character in the future.

On motion of Mr. Armstrong, these recommendations were adopted.

PROMOTION OF DR. H. N. HILLEBRAND

(10) A recommendation that Dr. H. N. Hillebrand be made Associate Professor of English for two years beginning September 1, 1925, at a salary of \$4000 a year.

On motion of Mrs. Grigsby this recommendation was concurred in.

ABSENCE OF PROFESSOR B. S. HOPKINS

(11) Dean Babcock recommends that Professor B. S. Hopkins of the Department of Chemistry be permitted to be absent from April 1 to April 30 for the purpose of studying the methods of teaching elementary chemistry at a number of eastern universities at University expense. The Easter recess falls in that period, and thereby he will miss only a little over three weeks of instructional work, which will be taken care of by his colleagues in his absence. I concur in this recommendation with the understanding that no traveling expenses be allowed for attendance at any scientific meetings which Professor Hopkins may include in his itinerary.

On motion of Mrs. Grigsby, this recommendation was adopted.

C. P. A. CERTIFICATES

(12) A recommendation that the following candidates who have passed the C. P. A. examinations be awarded certificates as Certified Public Accountants.

On motion of Mrs. Ickes, these certificates were awarded.

REPAIR OF AUDITORIUM PIERS

(13) The Assistant Supervising Architect, Mr. George E. Wright, reports that the work of reinforcing the piers in the basement of the Auditorium has been completed at a total cost of \$1,974.32. The appropriation made by the Board for this purpose at the February meeting was \$2,000.

This report was received for record.

PROXY FOR CENTRAL ILLINOIS PUBLIC SERVICE COMPANY ANNUAL MEETING

(14) On February 12, a notice was received from the Central Illinois Public Service Company, whose stock to the amount of three shares we hold as a trust fund investment, enclosing a proxy to be executed for the annual meeting held February 25, 1925.

I authorized the Secretary of the Board to sign and return the proxy.
This report was received for record.

LEAVE OF ABSENCE FOR DEAN T. A. CLARK

(15) Dean T. A. Clark requests permission to be absent from May 28 to September 7, in order to go abroad for the summer. It is eleven years since he has had any lengthy vacation. I recommend approval of his request.

On motion of Mrs. Evans, this request was granted.

APPROPRIATION FOR SENDING "AGRICULTURIST" TO HIGH SCHOOLS

(16) I recommend that the Board reconsider its action of January 17 whereby an appropriation of \$850 was made from the Reserve and Contingent Fund to send the *Illinois Agriculturist* to high schools and assign the expenditure to the Agricultural College Extension Fund.

On motion of Mrs. Ickes, this action was reconsidered, and the appropriation was cancelled. The President of the University was authorized to assign the expenditure to the appropriation for Agricultural College Extension.

RELEASE OF PANA SOIL EXPERIMENT FIELD

(17) On November 15, 1924, the Board voted to discontinue the Pana Soil Experiment Field. The deed for the field stipulated that should the University cease to use the land for experimental purposes the title should revert to the former owners. The attorney for the donor requests that the Board of Trustees adopt a resolution authorizing the officers of the Board to execute a Quit Claim deed. On recommendation of the Comptroller I recommend that the following resolution be adopted.

WHEREAS, the late John W. Kitchell and his wife, Mary F. Kitchell, of Pana, Christian County, Illinois, did on the 24th day of November, A. D., 1911, by their Warranty Deed, convey to the University of Illinois, the following described land, to-wit: Commencing in the north line of Section 15, T. 11 N. R. 1 E. 3rd. P. M., 1718 feet west of Northeast corner of Northwest Quarter of said Section 15; thence running easterly along said north line of said Section, 1652 feet; thence south 33 feet more or less to south line of said public highway; thence southerly on a line parallel with east line of said northwest quarter of said Section 740 feet; thence westerly on a line parallel with the said north line of said section 1652 feet more or less to the east line of the public highway laid out and dedicated to the public; thence north along the east line of said last mentioned highway 740 feet to the south line of said public highway along the north line of said section; thence north 33 feet more or less to the place of beginning, containing in all 29.31 acres more or less, situated in the County of Christian, and State of Illinois, which deed provided that when the grantee ceases to use the same for two years as an agriculture experiment station or whenever the grantee shall by proper method of renunciation or reconveyance declare the said premises are no longer desired for such purposes, then the title of the grantee unto the said premises shall thereupon forever cease and determine and shall revert to the grantors or the survivor, which deed was accepted by the said University of Illinois and recorded in the Recorder's office of Christian County, in Book 123 on page 538, and,

WHEREAS, the said University has completed all of the experiments which can profitably be made on this land and, therefore, said land ceases to be useful to the said University,

THEREFORE, BE IT RESOLVED by the Board of Trustees of the University of Illinois, in a meeting regularly assembled, that it renounce all title and rights derived through and under said deed and does hereby direct the President and the Secretary of this Board of Trustees to execute and deliver to Mary F. Kitchell, the survivor of said grantors, a Quit Claim Deed reconveying to her all rights in the said land, affixing the seal of the said University to the said deed and the officers and agents of the said University of Illinois are hereby directed to surrender up the possession of said land and forever abandon the same.

On motion of Mr. Wham, this resolution was adopted.

BROWN-KNIPP PATENT

On motion of Mr. Trees, the following resolution was adopted:

WHEREAS, the Honorable C. A. Trimble, while a member of this Board, conducted the negotiations for the sale of the Brown-Knipp patents, and

WHEREAS, such negotiations are still pending, and Mr. Trimble has indicated his willingness to serve the University by continuing the negotiations until a conclusion is reached, therefore be it

RESOLVED, that the Board of Trustees of the University of Illinois does hereby express its appreciation of the fine spirit shown by Mr. Trimble, and does accept gladly the services offered by Mr. Trimble in this matter.

INVESTMENT OF TRUST FUNDS

Mr. Trees presented a resolution concerning the policy with respect to the investment of trust funds.

This resolution was referred to the Finance Committee for consideration and report at the next meeting.

PROGRESS ON NEW BUILDINGS

Mr. R. E. English, contractor, appeared and stated that he expects to finish the general work on the new Gymnasium by June 15, and on the Library and Commerce Buildings by August 1, 1925.

TIME OF APRIL MEETING

On motion of Mr. Trees, it was voted to hold the April meeting at the Blackstone Hotel, in Chicago, on Wednesday, April 8, 1925.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 8, 1925

The April meeting of the Board of Trustees of the University of Illinois was held at 10 o'clock a. m. on Wednesday, April 8, 1925, at the Blackstone Hotel, in Chicago. The following members were present: President Noble, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Wham.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of March 10, 1925.

On motion of Mrs. Grigsby, the minutes were approved as printed on pages 183 to 194 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

PROGRESS ON BUILDINGS

- (1) A report of the progress on the buildings now under construction.

On motion of Mr. Trees, this report was received for record, and the President of the Board was requested to write the contractor concerning the serious lack of progress on the Library building.

APPROPRIATION FOR HONORS DAY

- (2) A request for an appropriation of \$1,000 from the Reserve and Contingent Fund to meet the necessary expenses of Honors Day.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

PRACTITIONERS IN THE UNIVERSITY HOSPITAL

- (3) With reference to the medical organization best constituted for the new McKinley University Hospital, I have consulted the Legal Counsel of the University and a number of my colleagues. After the best study I have been able to give the matter I submit the following as my view of the proper policy:

The Medical Practice Act of 1923 (see Harker's Annotated Statutes, Volume 3, Chapter 91, Section 5 and Laws of Illinois, Fifty-Third General Assembly, page 437-38) divides practitioners of medicine into two classes: (a) those who practice medicine and surgery in all their branches; (b) those who practice any system or method of treating human ailments without the use of drugs or medicine and without operative surgery.

Inasmuch as our experience shows that cases of illness going to our hospital are of great variety with all sorts of reactions to one another, with constant possibility of infection, from simple cases to very complex ones, it would appear that the interests of the students and faculty of the University who use the hospital require that physicians practicing therein shall be those who have licenses to practice medicine in all its branches; or, in other words, those in the first class described above.

I therefore recommend the appointment of an executive staff of three, to be nominated to you by the President of the University annually to serve from July 1 of each year.

I further recommend that this executive staff be authorized to appoint a staff of assistants on application from physicians licensed to practice medicine in Illinois in all its branches including surgery as described above.

I nominate as the executive staff to serve until July 1, 1925, Dr. J. H. Beard, Dr. M. L. Etheredge, and Dr. V. A. Ross.

On motion of Mrs. Grigsby, these recommendations were adopted and the Executive Staff was appointed.

INVESTMENT OF GEHRMANN AND PART OF PLYM AND GREGORY FUNDS

- (4) The following letter on this matter from the Comptroller:

April 4, 1925

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

The purchase of Illinois Central 5½% bonds for the Gehrmann Lectureship Fund has been concluded at a cost of \$102.65 per 100.

An additional \$300 of these bonds are available having been purchased by Treasurer Burke in connection with our order for the Gehrmann Fund. I would suggest that these be acquired to take care of small uninvested balances in other funds as follows:

Plym Fellowship Endowment \$200 (par value)

Gregory Scholarship Fund \$100 (par value)

If you concur in this suggestion, I suggest that you call the Investment Committee together for the purpose of making recommendations to the Board of Trustees at its meeting next week.

Cordially yours,
LLOYD MOREY
Comptroller

This matter was referred to the Finance Committee (see page 212).

LOT 23, COLLEGE PLACE

- (5) A recommendation that the following resolution be adopted:

WHEREAS, The Board of Trustees on January 17, 1925, in regular meeting authorized an exchange with Mr. T. F. McNeill of certain property at First Street and Armory Avenue, Champaign, for certain property in College Place, Champaign,

AND WHEREAS, the property to be conveyed to T. F. McNeill in accordance with this action is described as follows:

"A tract of land located at the Northeast Corner of Lot 1 of a subdivision of the South $\frac{1}{2}$ of Section 13, Township 19 North, Range 8 East of the 3rd P. M., described as follows: Beginning at the Northeast corner of said Lot and thence running West 137 $\frac{1}{2}$ feet, thence South 60 feet, thence East 137 $\frac{1}{2}$ feet, thence North 60 feet to place of beginning.

"Otherwise described as a tract of land located at the Southwest intersection of First Street and Armory Avenue in Champaign, Illinois, having a frontage of 60 feet on First Street and 137 $\frac{1}{2}$ feet on Armory Avenue."

NOW, THEREFORE, W. L. Noble, President, and H. E. Cunningham, Secretary of the Board of Trustees of the University of Illinois, are hereby authorized and directed to execute, acknowledge, and deliver in its name a good and sufficient warranty deed of the premises above described to Thomas F. McNeill and Nannie McNeill.

On motion of Mrs. Evans, this resolution was adopted.

REQUIREMENTS FOR ACCREDITING HIGH SCHOOLS

- (6) The University Senate recommends that the present standard for teachers in the high schools desiring to be accredited to the University; namely, that "only those who have had four years' work of college grade, or who have done work equivalent to the same, should be appointed as teachers of the ordinary high-school curriculum," be changed to read that teachers of academic subjects shall have "preparation amounting to graduation from a standard college requiring 120 semester hours, or a reasonable equivalent in terms of college preparation." Exceptions to this rule are provided for in the case of teachers of long experience. The other details of accrediture remain as hitherto.

On motion of Mr. Wham, this recommendation was adopted.

PURCHASE OF COLLEGE PLACE LOT

- (7) The Supervising Architect recommends the purchase of Lot 6 in College Place from H. A. Wedding for \$9,000 plus paving and lighting assessments. The lot is 51 $\frac{1}{2}$ x 114 feet and has a very excellent seven room house which the Supervising Architect proposes to use as a tenant house on the south farm. The Comptroller concurs in this recommendation and I recommend that the transaction be approved, the purchase made by the President and Secretary of the Board, and that the sum of \$9,000 be appropriated for this purpose from the Reserve and Contingent Fund.

On motion of Mr. Armstrong this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Trees.

WATER MAIN CROSSING CAMPUS

(8) A recommendation that the President and the Secretary of the Board be authorized to execute the following contract with the Champaign and Urbana Water Company.

AGREEMENT

THIS INDENTURE, entered into this — day of April, 1925, between the Board of Trustees of the University of Illinois, a corporation, hereinafter called the University, and the Champaign and Urbana Water Company, a corporation, hereinafter called the Company.

WITNESSETH,

1. That in consideration of the agreement of the Company herein contained the University grants to the Company permission to lay a ten inch (10") water main across the campus of the University from Wright Street to Mathews Avenue on a line to be approximately the extended line of the south line of Armory Avenue east.

2. In consideration of the permission to lay the main described in paragraph 1 the Company agrees in laying said main to be guided by the specifications and approval of the Supervising Architect of the University of Illinois; that it will at its own expense make all changes in and repairs to walks, drives, tunnels, sewers, and pipes necessitated by such construction work; and guarantees to put them in as good permanent condition as they were when the Company began operation, as required by the Supervising Architect; that it will replace all sod removed as shall be required by the Supervising Architect of the University, and that it will meet the same requirements in making any repairs in the future.

3. The Company further agrees that it will set a tee with valve at the point where the main described in paragraph 1 crosses the University water main so that the two mains may be connected all in accordance with the specifications and approval of the Supervising Architect of the University.

4. The Company further agrees that if at any time in the future the water main described in paragraph 1 is found to be an obstruction to any University development, it will, at its own expense, move said main to another location to be designated by the Supervising Architect of the University; or that upon six months' notice from the Board of Trustees of the University of Illinois, it will at its own expense remove the main entirely from the premises of the University. And if said Company fails on such notice to remove such main, then the Board of Trustees may themselves remove said main at the expense of said Company.

IN WITNESS WHEREOF, the parties hereto have hereunto set their official signatures and seals of the day and date first above written.

On motion of Mrs. Busey, this contract was authorized.

APPOINTMENT OF PROFESSOR MAXWELL JAY DORSEY

(9) On recommendation of Professor Blair and Dean Mumford I recommend the appointment of Professor Maxwell Jay Dorsey of Morgantown, West Virginia, as Professor of Pomology and Chief in Pomology in the Department of Horticulture, College of Agriculture, for a term of two years beginning September 1, 1925 (or July 1 at discretion of the President) at a salary of \$5000 a year.

On motion of Mrs. Grigsby, the President of the University was authorized to make this appointment.

APPOINTMENT OF DR. ADOLPH HARTUNG

(10) On recommendation of Acting Dean Davis I recommend the appointment of Dr. Adolph Hartung to the position of Professor of Radiology in the College of Medicine, on one-half time, at a salary rate of \$4200, or \$350 a month, effective immediately and continuing until September 1, 1925; the salary to be charged to the appropriation for the new medical organization in connection with the new hospital.

On motion of Mrs. Evans, this appointment was made.

TITLE OF PROFESSOR BACHEM

(11) A recommendation that the title of Dr. Albert Bachem be changed from Professor of Radiology to Professor of Bio-physics.

This recommendation was approved.

APPOINTMENT OF HILDA M. CROLL

(12) On recommendation of Professor Ruth Wardall and approval of Dean Mumford, I recommend that Miss Hilda M. Croll be appointed Assistant Professor of Home Economics at an annual salary of \$3,000 for two years, effective September 1, 1925.

On motion of Mr. Trees, this appointment was made.

SALARY BUDGET FOR SUMMER SESSION, 1925

On motion of Mr. Trees, the Summer Session budget was approved and the President of the University was authorized to make such adjustments as may be necessary.

DEGREES IN PHARMACY

(14) The University Senate recommends:

1. That the degree of Graduate in Pharmacy (Ph.G.) be discontinued after the end of the year 1925-26.

2. That the degree of Pharmaceutical Chemist (Ph.C.) be awarded to graduates in the newly approved three-year curriculum.

I recommend approval.

On the motion of Mr. Armstrong, these recommendations were adopted.

SUB-COLLEGIATE COURSES IN MUSIC

(15) The Senate recommends, on request of the faculty of the School of Music, that beginning September 1, 1925, all sub-collegiate courses of instruction in applied music be dropped.

On motion of Mrs. Grigsby, this recommendation was adopted.

COST OF NEW RESIDENCE HALL

(16) As you have already been informed by the Supervising Architect, the new Residence Hall will cost \$70,000, more or less, in addition to the State appropriation for that purpose. He requests that the fund which has been accumulated from the operation of the old Residence Hall to the amount of \$70,000 be made available for this purpose. After great hesitation, I recommend this.

On motion of Mr. Trees, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

CONTRACTS EXECUTED BY THE COMPTROLLER

(17) The Comptroller reports that the following contracts have been executed by him under regulations of the Board since the last report, and also submits the following report of purchases made by the Purchasing Agent during March, amounting to \$1,000 or more.

REGULATIONS FOR THE USE OF PRIVATE AUTOMOBILES IN UNIVERSITY WORK

(18) A recommendation that the following regulations be adopted:

The President of the University shall have authority to authorize reimbursement to members of the staff for the use of privately owned automobiles when the interests of the University will be best served by such an arrangement, in accordance with the following regulations:

1. Privately owned automobiles are to be used only after it has been ascertained that University automobiles are not available for the service required, and vouchers for payment must so certify. Use of private machines must be previously authorized by the head of the department and the dean or director, and reported to the President in each case.

2. Accurate record must be kept of the mileage of a car in the University service and the purpose for which it is used.

3. Reimbursement will be made only for the actual mileage in which the car is used in University service on vouchers approved by the department head and by the dean or director of the college or division concerned, and by the comptroller of the University.

4. The rate of reimbursement shall be determined by the President or some officer authorized by him but shall not exceed 10 cents per mile.

5. The University is not liable for any damage to a car or injury to its occupants or for damage or injury to other property or persons even though the car is being used for University work and the owner is to be reimbursed therefor.

On motion of Mr. Armstrong, these regulations were adopted.

ANNUAL REPORT ON CARTER-PENNELLS TRUST FARMS

(19) I submit the following report of the Carter-Pennell Trust Farms Committee for the year ending February 28, 1925:

SECOND ANNUAL REPORT ON CARTER-PENNELLS FARMS

March 9, 1925

Pursuant to the request of Mr. and Mrs. Carter that the Carter-Pennell Trust Farms be operated as an example of good husbandry, it has been deemed essential that certain improvement work be done which would provide for more efficient operation of the farms. Considering the low state of repair of farms and buildings, first attention has been given to these items.

Major repair work required on the barns of both farms raised a question of what amount of work could be done within a single year. More than average annual repairs were needed at once to preserve the improvements for greatest usefulness. It was thought advisable to do repair and remodeling work of relatively permanent character which could be most economically done at one time. The prorating of the expenses of repair work over the expected life of the improvements seemed justified under these conditions. Hence relatively large immediate expenditure of money was made but the annual cost on the basis of the prorating of permanent improvement expenses is relatively low annually as shown in the attached financial statement.

The major items of repair and replacement include the purchase of a carload of lumber at Camp Grant which represented about fifty per cent of the cost of new lumber, but for repairs it serves the place of new material. This represented an investment of \$444.00. In repairing the barn on the South Farm an addition was built to the barn at a cost of \$337.96 including the repair work on the old structure. In addition to this some of the lumber was used in the repair work. Considerable expense would have been required to re-side the old barn without making the added improvement. Also a new roof was included for a corn crib at a cost of about \$50.00. An expenditure of \$149.20 was made for new fencing materials since

the fencing on the farms was not adequate for livestock. The expenditures also included an expenditure of \$54.64 for a topographical survey of the farms which would serve as a basis for drainage improvement.

The income from the produce of the farms for 1924 can be given only approximately, as total sales have not yet been made. While all the produce has not been sold, the produce remaining on the farms has been inventoried as accurately as possible. The Carter-Pennell farms are located in a section of the state that suffered severely from a wet late spring and again at the close of the year due to early frosts. Both farms have areas that are poorly drained, and the crops were drowned out in low places. Flood water was bad on one farm. The income consequently was low compared with what might have been expected for the year.

Considering the needs in soil building and the adaptation of the North Farm, it was decided to encourage the tenant to handle more and better livestock by entering into a partnership livestock lease with him. Six high grade Holstein cows were purchased at the cost of \$838.93, and half interest in four pure bred Duroc Jersey brood sows at a cost of \$200.00. Money involved in such property which is productive of direct income is handled in a revolving fund and not as an expense of operation, at the suggestion of the Comptroller.

During the past year excellent clover seeding was secured on about seventy acres of land. It is believed that both farms have been put on a more productive basis. It seems advisable, however, to continue improvement work for the coming year. The work contemplated includes the purchase of two carloads of limestone at a cost of perhaps \$150.00; repair work on buildings to cost approximately \$300.00; the connection of city water on one farm for farm use at a cost of \$75.00; new fencing to cost approximately \$100.00, and repair of roofs \$90.00.

INVESTMENT OF TRUST FUNDS

On motion of Mr. Armstrong, the action of the Board in adopting certain regulations for the investment of trust funds (Minutes, October 25, 1924, pages 103-105) was reconsidered.

On motion of Mr. Armstrong, the following resolutions were adopted:

RESOLVED, that the portion of the Recommendation of the Finance Committee for the investment of Trust Funds of the University presented to the Board of Trustees at its meeting of October 25, 1924, which concerns a general policy for investment of University Trust Funds, and which same appears on pages 103, 104, and 105 of the Minutes of said meeting of the Board, to-wit: commencing with the words and figure "1. First choice" and ending with the words "Board of Trustees" under paragraph 5, be and the same is hereby revoked and rescinded.

And in lieu thereof the following is hereby adopted as and to be the general policy for the investment of University Funds, to-wit:

It shall be the duty of the Comptroller of the University to notify the President of the University whenever money belonging to any Trust Fund requires investment or when re-investment seems advisable.

The President shall report the matter to the Finance Committee and to the Board with information he may secure from those informed on such matters.

The Finance Committee shall then make a recommendation to the Board for the investment of said funds in accordance with the statutes of the State of Illinois for the investment of Trust Funds.

INVESTMENT OF PLYM AND GREGORY FUNDS

Mr. Armstrong recommended for the Finance Committee, that the recommendation of the President of the University concerning the investment of a part of the Plym and Gregory funds (see page 197) be adopted.

This recommendation was adopted.

QUARTERLY REPORT OF THE COMPTROLLER

(21) The following report from the Comptroller for the quarter ending March 31, 1925.

AUDITOR'S REPORT FOR DECEMBER 31, 1924

March 21, 1925.

President, Board of Trustees, University of Illinois

DEAR SIR:

We have audited the Cash Receipts and Disbursements of the University of Illinois for the quarter ending December 31, 1924, and certify that the Receipts and Disbursements as embodied in the report of the Comptroller for that period, are in accordance with the books and, in our opinion, are correct.

Yours faithfully,

ARTHUR YOUNG & COMPANY

*Overdraft.

This report was received for record.

At this point, President Noble, being called from the room for a short time, asked Mr. Trees to preside, and Mr. Trees acted as Chairman during the rest of the day.

PARR PATENT LITIGATION

(22) A statement concerning the expense of prosecuting the claims for the patent on the Parr process to date, with an estimate of the cost of pushing the matter to a conclusion.

On motion of Dr. Noble, this report was received for record, and the matter was referred, with power to act, to a special committee consisting of Mr. Armstrong, Chairman, Mr. Barr, and Professor J. M. White.

CHICAGO RESEARCH HOSPITALS

(23) A report of the progress in the matter of opening the research hospitals in Chicago.

This report was received for record.

CLEARANCE OF COLLEGE PLACE LOTS

(24) Professor James M. White, Supervising Architect, submits a plan for the acquirement of land remaining in College Place necessary to the completion of our plans for the new parade ground and other purposes. Professor White makes three suggestions but recommends the first. They are:

1. To receive bids on all the houses and plats which we own or will acquire in this project reserving, of course, the right to reject all bids.

2. The second plan would be to set a price on the separate lots on Armory Avenue, then to sell the houses and lots at private sale.

3. To sell all the houses at auction, giving the purchasers of the houses the privilege of buying lots south of Armory Avenue at figures established by us.

I recommend the adoption of plan No. 1 and that authority be given the Supervising Architect to advertise during the coming month so that bids may be opened not later than the May meeting of the Board of Trustees.

On motion of Dr. Noble, this recommendation was adopted, and plan No. 1 was approved.

CAMPUS DEVELOPMENT

(25) I have received the following letter on this matter from the Supervising Architect:

March 30, 1925

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

I am enclosing half a dozen copies of a plan dated March 26, 1925, entitled "Development of the Campus of the University of Illinois."

The purpose of this presentation is:

First, to show the location of the buildings for which appropriations are now being asked. The units of the Library and Gymnasium under construction are double cross-hatched, and the proposed additions thereto are single cross-hatched. The proposed site for the Architectural building is shown just west of the Commerce building.

Secondly, to show the areas which I have suggested we sell as sites for the houses which are to be moved from College Place; and

Third, to show the position of the south drive between the new Parade Ground and the Stadium site. This road is now graded from Fourth Street west to the board walk and the trees are planted on it clear through to First Street. I have not graded it clear through because I don't want it open as a public driveway without your approval.

I believe that Florida Avenue between Fourth and First Streets will be unnecessary as a thoroughfare if we open this proposed south drive and it will be an advantage to us in controlling traffic around the Stadium to have that as a private drive-way which we can open only on the occasion of big games. As we own the land on both sides, I believe that it will be perfectly possible for us to secure the consent of the highway commissioner to have it closed, providing we will open up the new south drive.

I would like authority to negotiate towards this end.

Yours truly,

JAMES M. WHITE

Supervising Architect

On recommendation of President Kinley, and on motion of Mrs. Grigsby, the following action was taken:

1. The new architecture building was located as shown in the plan.

2. The location of the road marked "South Drive" was approved.

3. The Supervising Architect was authorized to arrange for the closing of Florida Avenue between Fourth and First streets.

At this point, Mr. Barr withdrew.

BROWN-KNIPP PATENTS

(26) A report of the negotiations for the sale of the Brown-Knipp-Kunz patents.

Professor White made a statement concerning this matter.

The report was received for record.

At this point, Mrs. Busey withdrew.

RATES IN WOMEN'S RESIDENCE HALLS

(27) A request for authority to fix rates in the Women's residence halls, with the approval of the Committee on Students' Welfare.

On motion of Mr. Armstrong, this authority was granted.

LIABILITY INSURANCE ON X-RAY APPARATUS

(28) A statement concerning the matter of insuring the operators of the X-ray apparatus in the research hospital against liability for accidents.

This matter was referred to the President of the University for investigation and report.

RETIRING ALLOWANCES

(29) A request for a ruling in regard to the administration of the rules governing retiring allowances.

It was the opinion of the Board that the plan should be administered as adopted, without exceptions for the present.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

May 16, 1925

The May meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a. m. on Saturday, May 16, 1925. The following members were present: President Noble, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Wham.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of April 8, 1925. On motion of Mrs. Evans, the minutes were approved as printed on pages 195 to 224 above.

EXECUTIVE COMMITTEE MEETINGS, APRIL 17 AND 28, 1925

The Secretary presented the minutes of meetings of the Executive Committee held on April 17 and April 28, 1925.

MEETING OF APRIL 17, 1925

A meeting of the Executive Committee was called by the President of the Board in Chicago at 2 p. m., Friday, April 17, on request of the President of the University to consider certain emergency matters.

President Noble and Mr. Trees were present; absent, Mrs. Busey. President Kinley was also present.

The following matters were presented by the President of the University:

1. Offer of Radio Station by Mr. B. H. Sullivan.

The following telegram was received by me on Tuesday last:

On this the fifth anniversary of the death of my beloved father, Roger C. Sullivan, I respectfully tender to the University of Illinois the endowment of a radio broadcasting station to be used as a means of educational aid to boys and girls of the State of Illinois to which my father was so endeared. In the hope that appropriate action may be taken for the acceptance of this endowment by the institution of which you are the head I have already made plans for proper permit and call letters. Will you kindly initiate steps necessary for approval and advise me if possible to accept.

BOETIUS H. SULLIVAN

I replied as follows:

Your telegram offering University of Illinois endowment of radio broadcasting station gratefully received. It being impossible for me, owing to absence from town, to call on you tomorrow I am asking Mr. Merle Trees, member of our Board, to do so and learn details necessary for appropriate official action, which I will see is taken at earliest practicable date, probably a few days. Hope I myself may have pleasure of seeing you Thursday if you are well enough to receive callers. Meantime with personal expression of kindly remembrance of your father with whom I had some acquaintance, I thank you for the Trustees, faculty, and students of the University.

DAVID KINLEY

President, University of Illinois

Accordingly I have called on Mr. B. H. Sullivan and after discussing the matter he gave me the following:

DEED OF GIFT

KNOW ALL MEN BY THESE PRESENTS, That I, BOETIUS H. SULLIVAN, do hereby give to the Board of Trustees of the University of Illinois, a radio station with a fund for the operation, maintenance and improvement of said station so as to keep said station abreast of the art, so far as can now be determined by George Hull Porter, General Manager of the Western Electric Company.

I will build and equip a radio station with a maximum power of five thousand kilowatts under the direction of the Supervising Architect of the University of Illinois, on property of the University of Illinois, at Urbana, Illinois, in accordance with the best and most advanced specifications for radio station building and equipment.

I give this station to the Board of Trustees of the University of Illinois in complete ownership and control now and in the future.

This station shall be known as the Roger C. Sullivan Memorial Radio Station. Officially it shall be designated by the letters WILL.

I further hereby agree and promise that having built and equipped said radio station as described above, completely at my own expense, I will, not later than January 1st, 1926, transfer and give to the Board of Trustees of the University of Illinois, money or securities or other property sufficient to yield an income per year of as much money as may be necessary for the operation, maintenance and improvement of said station so as to keep said station abreast of the art, so far as can now be determined by George Hull Porter, General Manager of the Western Electric Company.

From the date of completion of station WILL until January 1st, 1926, I will pay all expense of upkeep, maintenance, operation and improvement of said station from month to month on presentation of statement of said monthly expense by the University of Illinois.

For the fulfillment of this promise and deed of gift and for the completion and carrying out of the purposes of this deed of gift, I hereby bind myself, my heirs and assigns to the extent and for the purposes above set forth, and hereby set my hand and seal in the City of Chicago, Illinois, this Fourteenth day of April, Nineteen Hundred Twenty-five.

BOETIUS H. SULLIVAN

Witness:

WALTER J. BROUDER

CARL O. HOLMES

I recommend that the Board of Trustees accept this gift.

Moved and voted to accept the splendid gift of Mr. Boetius H. Sullivan as described above and to instruct the President of the University to notify Mr. Sullivan of this acceptance and express appreciation and thanks of the Board for the same.

2. Dental Lecture Courses

I have received a request from Dean F. B. Moorehead of the College of Dentistry for permission to have the faculty of the College offer a series of lecture clinics to dental societies and study clubs, the traveling expenses to be met by the local society; and also to offer certain postgraduate courses at the College beginning June 1 and continuing four weeks, fees to be charged as follows:

Course in Ceramics—laboratory and clinic—fee.....	\$50
Course in Crown and Bridge Prosthesis—laboratory and clinic—fee.....	50
Course in Denture Prosthesis—laboratory and clinic—fee.....	50
Course in Histology—laboratory—fee.....	50
Course in Operative Dentistry—laboratory and clinic—fee.....	50
Course in Oral Surgery, including Local Anesthesia, General Principles, Laboratory Studies in Mouth Pathology, Clinical Diagnosis, Clinical Practice, and Hospital Clinics—fee	50

Voted to approve the above courses of study and to authorize the charging of fees as indicated above.

3. Erection of Shed, Cook County Experiment Field.

On request of the Comptroller, based on recommendation of Professor J. C. Blair and Dean Mumford, I recommend that a contract be signed with the DesPlaines Lumber and Coal Company, Des Plaines, Illinois, to erect and paint a shed which is to be 24 feet wide, 32 feet long, and 12 feet high. Specifications have all been checked by the Office of the Supervising Architect.

On motion of Mr. Trees it was voted to approve the contract for the above shed and to authorize the President and Secretary of the Board to enter into said contract.

4. Research in Athletics and Physical Education.

Mr. George Huff, Head of the Department of Physical Welfare, has submitted to me a proposal on which he asks immediate action for the establishment of research into the effects of Physical Training and athletics on the individuals who participate therein. Mr. Huff's proposal has the approval of the Board of Directors of the Athletic Association. After conference with Mr. Huff I appointed a committee consisting of Mr. Huff, Chairman, Deans Babcock, Daniels, Chadsey, and Professor White to consider and advise me on the matter. They have reported that they approve the proposal in principle and have made certain suggestions to me concerning procedure. It seems to me that Mr. Huff has hit upon an excellent and new idea. I recommend the acceptance in principle of Mr. Huff's proposal to conduct research into the effects of physical exercise and athletics wholly at the expense of the Athletic Association except that the University will provide necessary laboratory space in the new Gymnasium and that appointments of individuals to carry on this work be made under the rules of the University on recommendation of the President in the usual way.

Voted to approve the President's recommendation in this matter as above.
Adjourned.

MEETING OF APRIL 28, 1925

A meeting of the Executive Committee of the Board was called by the President of the Board at the Chicago Athletic Association, Tuesday, April 28, at 2 p. m. There were present: Dr. W. L. Noble, Mrs. Mary Busey, and Mr. Merle Trees. President Kinley also was present.

The following matter was submitted by the President of the University:

At its meeting on February 14, 1924, the Board of Trustees assigned the whole appropriation from the legislature for the erection and equipment of the New Men's Gymnasium for the purposes for which the appropriation was made and authorized the Supervising Architect to make necessary expenditures "for the purchase of furnishings and equipment out of stock." Acting on this authority the Supervising Architect, through the Purchasing Agent, invited bids from four companies for the installation of seats in the balcony of the New Men's Gymnasium. Of the four companies invited to bid, two sent in bids as follows:

1. The American Seating Company—\$3.95 per seat, installed, total cost \$13,035.
2. The Heywood-Wakefield Company—\$3.82 per seat, installed, total cost \$12,606.

The business was transacted by the Purchasing Agent and at his request and that of the Supervising Architect and the Comptroller, I recommend that the bid of the Heywood-Wakefield Company for seats in the balcony of the New Men's Gymnasium be accepted and the contract awarded them for the seats and the installation of the same at the above price, \$12,606, and that the President and Secretary of the Board be, and are, hereby authorized to sign a contract accordingly.

On motion of Mr. Trees the above recommendation was unanimously approved. The meeting then adjourned.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

TREASURER'S BOND

- (1) The bond of the Treasurer, Mr. A. M. Burke.

This bond was referred to the Finance Committee for investigation and report.

RECOMMENDATIONS FROM THE SUPERVISING ARCHITECT

- (2) Recommendations from the Supervising Architect concerning the contracts for refrigeration in the Dairy Manufactures building, hardware for new buildings, the purchase of equipment for the Boiler House, and the sale of houses on the College Place lots, with the recommendation that these matters be referred to the Executive Committee for examination and report this afternoon.

On motion of Mr. Armstrong, this recommendation was concurred in (see page 238).

EXPENSE OF GENERAL ASSEMBLY VISIT

- (3) A recommendation that an appropriation of \$1,402.60 be made from the Reserve and Contingent fund to meet the expense of the visit of the General Assembly last February.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

GRADUATION "WITH HONORS"

(4) On May 17, 1924, the Board made a provision for the awarding of the bachelor's degree with "Honorable Mention" and with "High Honors."

The University Senate on April 6 recommended that the term "with Honors" be substituted for "Honorable Mention" in the diplomas.

On motion of Mr. Trees, this recommendation was adopted.

SOUTHERN PACIFIC STOCK

(5) At a meeting of the Board on January 17, 1925 (page 144) it was voted that the Southern Pacific Stock be sold when it reached 112. I recommend that this action be rescinded.

On motion of Mr. Barr, this recommendation was concurred in, and the action of January 17, 1925, fixing the sale-price of this stock at 112 was rescinded.

PLOTTING ATHLETIC ASSOCIATION TRACT

(6) Referring to the instructions of the Board (Minutes, July 12, 1922, page 8) to report on the proposal to plot the property acquired from the Athletic Association, I beg leave now to report that the scheme is that proposed and approved at the last meeting of the Board (Minutes, page 220) and ask that this statement may be accepted as a report.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR GORDON WATKINS

(7) A recommendation that Dr. Gordon Watkins, Associate Professor of Economics, be granted leave of absence for one year, beginning September 1, 1925, without salary.

On motion of Mrs. Grigsby, this leave was granted.

LETTER WITH REGARD TO THE UNIVERSITY HOSPITAL

(8) Following the April meeting of the Board, I notified the various osteopaths of Champaign who had asked for permission to practice in the University Hospital of the policy adopted by the Board. In reply I received the following letter:

205 Co-Op Bldg.,
Champaign, Ill., April 17, 1925

*Mr. David Kinley, President,
University of Illinois,
Urbana, Illinois*

DEAR SIR:

"Your letter of the 15th inst., was received. We also note the fact that I have been refused permission to enter the University Hospital to practice my profession. In view of that fact I wish to submit the following:

"I am a graduate of a four year course of study of the Chicago College of Osteopathy, an institution chartered by the State of Illinois. As a result of my course of study I have been admitted to examination by the State Board of this State. I took the regular examination of that board, passed it, and was admitted to practice my profession in this state. In addition to that I hold a license to practice in the States of Wisconsin, Michigan, and Missouri, all of which permit the use of antiseptics, germicides, anaesthetics and surgery.

"In my general practice here in the Twin Cities I have occasion to care for not only townspeople but students and faculty members as well. In our general practice we handle not only the cases which by popular opinion are peculiar to my profession but handle contagious and infectious cases as well. Our reports of quarantine and dismissal of cases from quarantine are accepted by the health officers of the Twin Cities as well as of the University of Illinois. Evidently we are able to determine what is within our field and are able to get our results in our way. We feel that we would be able to determine whether or not cases which we wish to take to the hospital are within our field just the same as a regular physician refers his cases to a general surgeon or a specialist in some line.

"We have, unsolicited, been invited by letter to bring our cases to the Burnham City Hospital. We are permitted to enter the Margaret Carle Sanitarium with our patients, and I have been personally informed by the Mercy Hospital that we may enter that institution with our patients. That comprises all of the hospitals in this vicinity.

"Now we are asking permission to enter the University Hospital which is an institution maintained for the benefit of students, faculty members, and employees of the institution. This institution is on University property, is tax exempt, has as its staff individuals who are paid out of tax money of the state of which I am a taxpayer. I see no reason why I should be denied the rights granted me by the Illinois State Board to practice my profession.

"There come under our care individuals who prefer our special kind of treatment, people who employ no other kind of treatment, but in case of illness necessitating their removal to a hospital for nursing care or isolation they are compelled to accept other treatment and are refused permission to call the doctor of their choice.

"I respectfully submit these facts to you for your consideration, and kindly request that these be submitted to the board of trustees for their further consideration."

Yours truly,

C. E. POLLARD, D.O.

I recommend that the Board of Trustees notify Dr. Pollard that it can not see its way clear to modify its policy.

On motion of Mr. Armstrong, this recommendation was adopted.

POLICY REGARDING CERTAIN KINDS OF RESEARCH PROBLEMS

(9) On September 14, 1920 (page 75, Minutes for 1920-22) the Board adopted a policy regarding cooperative research problems. I recommend that this policy be amended by the adoption of the following paragraph, to be No. 3 of the existing policy:

3. It is agreed by the outside party or parties that they will not under any circumstance use the name of the University of Illinois in any advertisement, whether with reference to the cooperative agreement or any other matter.

On motion of Mrs. Ickes, this amendment was adopted.

PRINTING BIENNIAL REPORT FOR 1924

(10) A recommendation that an appropriation of \$1880 be made from the Reserve and Contingent Fund to the Board of Trustees expense and equipment fund to meet the expense of printing and binding the biennial report of 1924.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

FOREIGN LANGUAGE REQUIREMENT IN CHEMISTRY AND CHEMICAL ENGINEERING

(11) The University Senate has approved the following recommendation of the faculty of the College of Liberal Arts and Sciences:

1. That the foreign language requirement for admission to the curricula in chemistry and chemical engineering be changed from—

French or German..... 2 units

to

Greek, Latin, French, German, or

Spanish..... 2 units (both in the same language)

2. That the total language requirement for graduation from these curricula including courses offered for entrance must be equivalent to two years of University work in German or French and must be completed before the senior year.

On motion of Mr. Wham, this recommendation was adopted.

APPOINTMENTS 1925-26

(12) In planning the work for next year it is necessary for the various departments of the University to request that new appointments be made in advance of the consideration of the University's budget. Therefore, I recommend that the following appointments in the department of Romance Languages for the year 1925-26 be made at the salaries indicated:

T. R. Palfrey, Instructor (10 mo.).....	\$2100
C. L. Rew, Assistant (10 mo.).....	1600
McKendree Petty, Assistant (10 mo.).....	1800
Stuart Cuthbertson, Assistant (10 mo.).....	1600
Angelina La Piana, Assistant (10 mo.).....	1500
Margarita De Mayo, Assistant (10 mo.).....	1700
Mrs. G. L. Miller, Assistant (10 mo.).....	1500

On motion of Mr. Barr, these appointments were made.

EXTENSION OF LEAVE OF ABSENCE FOR MR. F. F. ELLIOTT

(13) On February 11, the Board granted Mr. F. F. Elliott, Associate in Farm Organization and Management, permission to be absent for two months without pay from February 9, in order to assist the Bureau of Agricultural Economics at Washington in certain statistical studies. On request of Dean Mumford I recommend that this leave of absence be extended to September 1, 1925, without pay.

On motion of Mr. Trees, this extension was granted.

LEAVE OF ABSENCE FOR ASSOCIATE PROFESSOR SEYBOLT

(14) Dean Chadsey recommends that Associate Professor Seybolt be granted leave of absence without pay for the first semester of the year 1925-26, in order that he may accept a position as Visiting Professor of the History of Education for the same period at Harvard University.

On motion of Mrs. Grigsby, this matter was referred to the President of the University, with power to act.

GIFT OF THE CHEMICAL FOUNDATION

(15) I have accepted a gift of \$1,000 from the Chemical Foundation, to be used for research work in Sanitary Chemistry.

This report was received for record.

AWARD OF PLYM FELLOWSHIP

(16) The Plym Fellowship Committee has awarded first place in the competition to Earl Victor Gauger, of the Class of 1923, and recommends that he be appointed the twelfth Francis J. Plym Fellow in Architecture. I concur in this recommendation.

On motion of Mrs. Ickes, this award was made.

ABSENCE OF DEE SMALL

(17) On request of the Dean of the College of Agriculture, I recommend that Mr. Dee Small, Assistant in Farm Organization and Management, be given leave of absence without salary for two and one-half months from April 15 to July 1, 1925, in order to assist the Farm Adviser of Warren County, Illinois.

On motion of Mrs. Evans, this leave was granted.

SUMMER COURSES IN THE SCHOOL OF PHARMACY

(18) On request of Dean Day, I recommend that the School of Pharmacy be authorized to offer summer courses in pharmacognosy and bacteriology, for this year only, the work to begin June 22 and to end August 15. This work is to relieve the crowding that is likely to occur in the senior classes in these two subjects during the year 1925-26.

I recommend that the following summer appointments be made to carry on this work:

E. H. Wirth, Instructor.....	\$450.00
J. A. Dorjahn, Assistant.....	266.67
Esther Meyer, Assistant.....	200.00

I recommend further that the following schedule of fees be approved for this work with the understanding that the amounts be deducted from the fees charged during the winter session:

Tuition.....	\$15.00
Laboratory fee.....	10.00
Laboratory deposit.....	15.00

In making this recommendation it is understood that this does not establish a precedent for future summer work in the School of Pharmacy.

On motion of Mr. Wham, these recommendations were approved.

CONTRACTS EXECUTED BY THE COMPTROLLER

(19) The following report of contracts executed by the Comptroller since the last Board meeting and also a report on purchases made by the Purchasing agent amounting to \$1000 or more:

APPOINTMENT OF PROFESSOR APPLETON

(20) On recommendation of Dean Babcock, I recommend that Mr. John Bargate Appleton be appointed Assistant Professor of Geology for two years from September 1, 1925, at an annual salary of \$2500.

On motion of Mr. Trees, this appointment was made.

RESEARCH INVESTIGATION ON PLUMBING

(21) The Illinois Master Plumbers Association offers \$1800 for the purchase of equipment and for the payment of assistants in carrying on researches on plumbing. On request of Dean Ketchum I recommend that a cooperative agreement between the University and the Illinois Master Plumbers Association be approved, and that the contract be entered into.

On motion of Mr. Barr, this contract was authorized.

APPOINTMENT OF DR. OLIVE C. HAZLETT

(22) On request of Dean Babcock, I recommend that Dr. Olive C. Hazlett be appointed Assistant Professor of Mathematics for two years from September 1, 1925, at a salary of \$3000.

On motion of Mr. Barr, this appointment was made.

RESIGNATION OF DOCTOR DEAN D. LEWIS

(23) Doctor Dean D. Lewis has submitted his resignation as Professor of Surgery and Director of Research in the Department of Surgery to be effective when acted upon. Doctor Lewis has accepted a similar position at Johns Hopkins University. I recommend that his resignation be accepted effective at a date to be agreed on between Dr. Lewis and the President of the University.

On motion of Mr. Trees, this recommendation was adopted.

APPOINTMENT OF MISS E. EVELYN SMITH

(24) On request of Professor Ruth Wardall and Dean H. W. Mumford, I recommend that Miss E. Evelyn Smith be appointed Associate in Home Economics for one year from September 1, 1925, at a salary of \$2800.

On motion of Mrs. Grigsby, this appointment was made.

LEAVE OF ABSENCE FOR DR. ROY L. MOODIE

(25) Acting Dean Davis recommends that Dr. Roy L. Moodie, Professor of Anatomy, be granted leave of absence with pay from June 1 to September 1 in order to pursue his researches in California during the summer. I concur in this recommendation.

On motion of Mr. Wham, this leave was granted.

RETIRING ALLOWANCES

(27) A statement concerning the time at which members of the staff may be retired under the plan for retiring allowances and death benefits adopted December 13, 1924.

No action was taken in this matter.

MEMORIAL TO THE HOUSE OF REPRESENTATIVES

Mr. Armstrong presented the following memorial:

We, the Trustees of the University of Illinois, elected by the people of the State and entrusted with the care and administration of the University, have heard with astonishment the proposal of the House Appropriations Committee to cut from the University appropriation bill the sum of \$1,425,000.

The University appropriation bill passed the Senate more than a month ago without a dissenting vote. Its passage was also recommended by the subcommittee of the House Appropriations Committee.

If the proposed cuts in the appropriation bill are made it will seriously hamper the work of the University.

To omit the addition to the Armory building, on the plea that it is an Armory, is an evasion of the facts, for, as has been fully explained, the purpose of the Board of Trustees in asking for the addition to the Armory building is to provide needed room for class instruction, supply rooms, consulting offices, and equipment rooms. If this space is not provided it means that class rooms in other buildings will continue to be overcrowded to the detriment of proper instruction.

To omit the building for Architecture is to continue the intolerable overcrowding of the work of both students and faculty in this and other lines.

To leave the first unit of the Library standing as at present is to leave the project in such a state of incompleteness that neither the old Library building nor the new one will serve the purposes of the University.

We therefore respectfully request the members of the House of Representatives to give their careful consideration to this whole matter, keeping in mind the general policies of the University discussed in the past four years, in which discussions many of the Representatives have participated.

We make this appeal in the interests of the thousands of our fellow citizens who have children in this great institution. To handicap the University in the way proposed by the House Appropriations Committee will simply mean that not only will the work of the University be crippled in making further progress, but within a short period of time somebody's boy or girl must be told that the facilities at the University of Illinois are not adequate to take care of him.

We do not believe that the citizens of Illinois wish this to happen and therefore appeal to you to do everything within your power to prevent it by seeing to it that the items in the University bill which the House Committee on Appropriations recommended be cut out be restored.

On motion of Mr. Armstrong, this memorial was adopted, and the President and the Secretary of the Board were directed to send a copy to the Speaker of the House, with the request that it be read when the University bill comes up for action.

The Board resumed the consideration of matters presented by President Kinley.

CONTRACT FOR HARDWARE FOR NEW BUILDINGS

(28) The following letter from the Supervising Architect:¹

May 15, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I enclose a statement of the bids received today on the hardware for several of our new buildings.

I recommend that the contract be awarded on the basis of the low bid to the Holder Hardware Company of Bloomington, Ill., on the basis of their several bids as listed, less two percent, which makes their total net combined bid \$13,450.04.

We have been carrying estimates of \$14,700 to cover the hardware item.

Yours truly,

JAMES M. WHITE
Supervising Architect

¹Recommendations No. 28, 29, 30, 31 were presented earlier in the day and referred to the Executive Committee, but there being no time in the interim for a meeting of the Committee, the matters were considered by the full Board (without recommendation from the President of the University) and action was taken as indicated.

BIDS ON REFRIGERATION EQUIPMENT FOR DAIRY MANUFACTURES BUILDING

(29) The following letter from the Supervising Architect on this matter:

May 15, 1925

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

We have received two bids on the refrigeration equipment for the Dairy Manufactures building, as follows:

The Creamery Package Manufacturing Co.....\$11,300.00

The Westerlin & Campbell Co..... 11,750.00

The Frick Company was invited to bid but did not do so.

I recommend that the contract be awarded to the Westerlin & Campbell Company who appear to be the high bidders, but as explained in the accompanying letter from Professor Ruehe, they have included more equipment than their competitors which makes them the low bidder.

Yours truly,

JAMES M. WHITE
Supervising Architect

On motion of Mrs. Evans, this contract was awarded to the Westerlin & Campbell Co.

CONTRACT FOR EQUIPMENT TO BOILER HOUSE

(30) The following letter from the Supervising Architect:

May 13, 1925

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

As you will remember, we have a \$60,000 state appropriation for an addition to the Boiler House, which was supplemented by a University appropriation of \$20,000.

I recommend the award of the following contracts for equipment:

Two B & W boilers, 508 h. p. each, for \$25,120.00, with a deduction from the final payment of \$3,360.00 making a net price of \$21,760.00, erected on foundations furnished by us and ready for brick setting. This is not a competitive bid for we wanted to maintain uniformity in style of boilers and the price which they are making us is an exceedingly favorable one.

I also recommend that the contract for the extension of our present coal and ash conveyor be awarded to the Link-Belt Company of Chicago at a price of \$2,515.00. As this is their equipment, no other bidders are available, but the price is satisfactory and is a trifle less than we paid them in 1919.

We have three bidders on the chain grate stokers:

The Laclede Stoker Company, of St. Louis.

The Combustion Engineering Corporation of Chicago, and

[May 16]

The Stowe Stoker Company of St. Louis. I recommend that the contract be awarded to the Laclede Stoker Company, who are the low bidders, at their price of \$4,600.00. The schedule of bids is attached hereto.

This will make the new pair of boilers exact duplicates throughout of the two which we set in 1919.

The plans for the building are nearing completion and bids on the building itself will be ready for consideration at the June meeting of the Board.

Yours truly,
JAMES M. WHITE
Supervising Architect

On motion of Mr. Trees, the purchase of boilers was authorized, the contract for chain grate stokers was awarded to the Laclede Stoker Company, and the contract for the extension of the coal and ash conveyor was awarded to the Link-Belt Company.

CONTRACT FOR SALE OF PROPERTY ON COLLEGE PLACE

(31) The following letter from the Superintendent of Business Operations:

May 15, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I submit the bids received for the sale of the eleven houses in College Place upon which I was instructed to obtain offers.

I recommend that the bid of Ora E. Lasswell for houses numbered 1, 2, 3, 4, 7, and 10, amounting in total to \$6106.00, be accepted, and that the bid of Mrs. Ora C. Jones on house No. 9 of \$1251.50 be accepted providing the City Commissioners will permit it to be moved to the location she designates.

I recommend that all other bids be rejected and that if Mrs. Jones cannot move house No. 9 as contemplated in her bid, her certified check be returned.

Yours truly,
JAMES M. WHITE
Superintendent of Business Operations

SCHOFIELD MEDICAL MISSIONARY SCHOLARSHIP

(32) The Northwestern Branch of the Woman's Foreign Missionary Society wishes to withdraw the fund given for the Schofield Medical Missionary scholarship and to terminate the scholarship. The principal of the fund (\$2000) is invested in College of Physicians and Surgeons bonds and the accumulated income to date amounts to \$600 which is on hand in cash.

I, therefore, recommend that the University take over the bonds amounting to \$2000 and that an appropriation of that amount be made for this purpose from the Reserve and Contingent Fund.

I further recommend that the Comptroller be authorized to pay back to the Northwestern Branch of the Woman's Foreign Missionary Society the above amount of principal of the Schofield Scholarship fund and in addition the \$600 of the accumulated income thereon.

On motion of Mrs. Ickes, these recommendations were adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

COOPERATIVE INVESTIGATION WITH THE AMERICAN STEEL FOUNDRIES

(33) The American Steel Foundries offer the University \$2000 for cooperative investigation of the fatigue phenomena of steel castings. Articles of Agreement have been drawn up in accordance with the established regulations of the Board and have been approved by Judge Harker.

I recommend that this contract be entered into.

On motion of Mr. Trees, this agreement was authorized.

LEAVE OF ABSENCE FOR MISS DAISY L. BLAISDELL

(34) A request from Miss Blaisdell, Instructor in German, for leave of absence without salary for the academic year beginning September 1, 1925.

Although the rules for sabbatical leave do not provide for absence on the terms of sabbatical leave for members of the staff below professorial rank, Miss Blaisdell's long and successful service of twenty-five years deserves special consideration. Therefore, I recommend that she be given officially a leave of absence for one year without pay, her position to be open to her with such salary adjustments on her return as the circumstances may justify.

On motion of Mrs. Evans, this recommendation was adopted.

PARR PATENT

Mr. Armstrong made a report of progress for the special committee on the matter of the Parr process patent.

This report was received for record.

AUDIT REPORT

The Secretary presented for record the report of the Auditing Company for the quarter ending March 31, 1925.

April 27, 1925

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRs:

We have audited the accounts of the University of Illinois for the quarter ending March 31, 1925.

The Treasurer's Receipts and Disbursements embodied in the report of the Comptroller are in accordance with the books and are correctly stated.

We have verified all items of Cash, Investments and Receivables as shown in the Balance Sheet.

We have also verified in total all disbursements made on account of the University by the State Auditor.

In our opinion the statements contained in the Comptroller's report reflect the true financial condition of the University at March 31, 1925.

Yours faithfully,

ARTHUR YOUNG AND COMPANY

APPOINTMENTS IN WOMEN'S RESIDENCE HALLS

(2) I report for record that, owing to the need of immediate action, I have made the following appointments.

Mrs. Helen B. Bergen, Director of Social Activities in the new Residence Hall for a period of twelve months beginning September 1, 1925, at a salary of \$1030 with maintenance for the period.

Mrs. Kate McDonald, Director of Social Activities in the Woman's Residence Hall for a period of ten months beginning September 1, 1925, at a salary of \$900 with maintenance for the period.

Mrs. Ella Frantz Boyd, Director of Social Activities in the Woman's Residence Hall Annex for a period of ten months beginning September 1, 1925, at a salary of \$400 with maintenance for the period.

This report was received for record.

FORM OF APPOINTMENT

(3) I recommend the adoption of the following form of appointment for all positions on the educational, administrative, and scientific staff of the University, and that every member of the staff be reappointed under this form to take effect September 1, next.

BOARD OF TRUSTEES
UNIVERSITY OF ILLINOIS
URBANA

H. E. CUNNINGHAM, *Secretary*

The Board of Trustees of the University of Illinois has appointed you to the following position in the University:

at a cash compensation of \$.....(for the year) payable in monthly install-
ments, in addition to (a) death benefits and (b) retirement privileges according to
the schedule of retiring allowances and death benefits adopted by the Board of Trustees on December 13, 1924.

This appointment is made subject to the statutes of the University relating to the officers of instruction and administration and the scientific staff. It is expressly understood and is accepted as a condition of this appointment that no right of continuance is established by the contract or its fulfillment.

Please indicate on the duplicate sheet your action on this appointment, whether you accept or decline, and mail it to me at your earliest convenience. This appointment is not complete as a contract until the signed acceptance is filed in the office of the Secretary.

Sincerely yours,

Secretary

On motion of Mr. Barr, this recommendation was approved.

SALE OF VIENNA EXPERIMENT PLAT

(4) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommends the sale of the land near Vienna, Illinois, which has been used as an experimental plat for several years, the experiments now having been concluded, for the sum of \$500 to Mr. C. C. Simmons and that a deed be made to him accordingly.

I concur and recommend the adoption of the following resolution:

RESOLUTION

WHEREAS The Board of Trustees on November 15, 1924, in regular meeting authorized the sale of the Experiment Field located in Johnson County near Vienna,

AND WHEREAS it is now proposed to sell that field to C. C. Simmons,

AND WHEREAS the property to be sold is described as follows:

Beginning at a point 20 ft. E. of the N. W. corner of the N. W. $\frac{1}{4}$ of the N. E. $\frac{1}{4}$ of Sec. 9, run thence S. 350 ft., thence E. 1062 ft. to the R. R. right-of-way of the Cleveland, Cincinnati, Chicago & St. Louis Railway Company, thence run along said line of right-of-way in a northwesterly direction 1173 ft., thence run in a southwesterly direction in the S. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ of Sec. 868 ft. to the place of beginning, containing 16 acres more or less. All of said land is situated in Twp. 13 S. of the base line, R. 3 E. of the 3rd P. M.

NOW THEREFORE, W. L. Noble, President, and H. E. Cunningham, Secretary, of the Board of Trustees of the University of Illinois, are hereby authorized and directed to execute, acknowledge, and deliver in its name a good and sufficient warranty deed of the premises above described to C. C. Simmons.

Approved

O. A. HARKER

Legal Counsel

On motion of Mrs. Evans, this recommendation was adopted.

CONTRACT ON CABINET WORK—NEW LIBRARY

(5) The Supervising Architect reports that the following bids have been received by him on the cabinet work in the new Library, including all the wood finish in the delivery room, the stair hall, the large reading room on the second floor, which is all fumed oak, and also bookcases around the walls of the reading room:

<i>Bidder</i>	<i>Bid</i>
Baumann Poe Mfg. Co.....	\$48,043
Kaszab, Joseph.....	55,583
Matthews Brothers Mfg. Co.....	49,000
Schick-Johnson Co.....	63,733

He recommends that the contract be awarded to the lowest bidder, namely, the Baumann Poe Mfg. Co., at their bid of \$48,043.

On motion of Mr. Barr, this contract was awarded to the Baumann Poe Company.

PURCHASE OF PROPERTY OF C. S. DALE, COLLEGE PLACE

(6) The following letter from the Supervising Architect:

June 9, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

The only remaining house in College Place on our proposed parade ground is owned by Mr. C. S. Dale.

There is a house on lot 65 which comes in the line of the proposed street.

Mr. Dale values his property at \$18,000. He offers a trade on the following terms:

That he will take our four unsold houses in College Place and his own and the five lots numbered 10 to 14 inclusive, as shown on our plat of the Athletic Association tract, and \$7500 in cash.

The five lots will be described as follows:

Beginning at a point on the south side of Armory Avenue 150 feet west of the west line of First Street, extending 240 feet, more or less, to the east side of Locust Street extended, and for a depth of 160 feet south of the south line of Armory Avenue.

This area is figured from the west line of the property I have recommended that we sell to the Roland estate. Mr. Dale has an option on a lot in the north half of College Place at \$4,000 which option expires on the 15th of this month, and he would like a decision in time to enable him to purchase that lot on which to move his house.

I would summarize the proposed transaction as follows:

Cash.....	\$7,500
Dale's house.....	2,000
4 other houses.....	2,500
Land.....	4,000

\$16,000

figuring his property at \$16,000 instead of \$18,000.

I recommend the acceptance of Mr. Dale's proposal providing he will assume the unpaid paving and sewer assessments.

Yours truly,

JAMES M. WHITE

Superintendent of Business Operations

On motion of Mr. Barr, this purchase was authorized as recommended. The officers of the Board were authorized to execute the necessary papers, and the appropriation of \$7500 from the Reserve and Contingent fund was made by the following vote: Aye, Mr.

Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Noble, Mr. Small, Mr. Wham.

SALE OF LAND TO THE ROLAND ESTATE

(7) The following letter from the Supervising Architect:

June 11, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I recommend that we sell to the Roland estate a strip of land on the west side of First Street, being a part of what is known as the Athletic Association tract and described as follows:

Beginning at the southwest corner of Armory Avenue and First Street and extending south along the west side of First Street 403.4 feet, and 150 feet east and west, excepting the corner lot 60 x 137½ feet, which has already been deeded to Mr. McNeil, for the sum of Six Thousand Four Hundred Thirty-Six Dollars (\$6436), they to assume assessments.

Yours truly,

JAMES M. WHITE
Superintendent of Business Operations

I concur.

On motion of Mrs. Ickes, this sale was authorized, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Noble, Mr. Small, Mr. Wham.

At this point, Mr. Wham took his place with the Board.

PURCHASE FROM THE ROLAND ESTATE

(8) The Supervising Architect recommends that we purchase from the Roland estate the vacant acre and a quarter of land just across the street south from the West Military Stables paddock and fronting on Fourth Street, for a consideration of \$3000.

I concur and recommend that this purchase be made at the price named and that the amount be appropriated from the State appropriation of Sixty Thousand Dollars made by the Fifty-third General Assembly.

On motion of Mrs. Grigsby, this purchase was authorized. The appropriation was made by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Noble, Mr. Small.

SALE OF LOT 94, COLLEGE PLACE

(9) A recommendation from the Supervising Architect that we sell to A. W. Stoolman Lot 94 on Third Street, which is 54 x 114 feet; 16.1 feet off the north side of Lot 93; and 16.2 feet off the north side of Lot 80, making a total of 86.3 feet, for the sum of five thousand dollars (\$5,000).

On motion of Mrs. Evans, this sale was authorized, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Noble, Mr. Small.

PURCHASE OF LOT 7, COLLEGE PLACE

(10) The following recommendation from the Supervising Architect:

June 11, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I recommend that we buy from A. W. Stoolman Lot 7 (51½ x 114 feet), fronting on First Street in College Place, and 1.15 feet off of the south edge of Lot 8, for the sum of Twenty-five Hundred Dollars (\$2,500). One paving assessment has been made.

Yours truly,

JAMES M. WHITE

Superintendent of Business Operations

I recommend that this purchase be made from the legislative appropriation made two years ago for land.

On motion of Mr. Barr, this purchase was authorized, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Noble, Mr. Small.

LEAVE OF ABSENCE FOR PROFESSOR T. T. QUIRKE

(11) I recommend that Professor T. T. Quirke of the Department of Geology be given leave of absence for the summer of 1926 beginning May 1, 1926, to the end of the academic year, August 31, that he may go to Spain and participate in the proceedings of the International Geological Congress, which meets in Madrid in May, 1926.

On motion of Mrs. Ickes, this leave was granted.

APPOINTMENT OF PAUL N. LANDIS

(12) On recommendation of Professor Scott, Chairman of the Department of English, and Dean K. C. Babcock, I recommend the appointment of Paul Nissley Landis, to be Assistant Professor of English at a salary of \$3000 a year, for two years, beginning September 1, 1925.

On motion of Mr. Barr, this appointment was made.

APPOINTMENT OF ROBERT R. HUDELSON

(13) Dean Mumford recommends that Robert R. Hudelson be appointed Extension Specialist in Farm Organization and Management at a salary of \$3750 a year, for two years, beginning September 1, 1925.

I recommend approval.

On motion of Mrs. Evans, this appointment was made.

LEAVE OF ABSENCE FOR DR. WARREN A. RUTH

(14) On his request, approved by Professor Blair and Dean Mumford, I recommend that the vacation of Dr. Warren A. Ruth of the Department of Horticulture be extended one month this summer to enable him to make observations of certain experimental work in California, Oregon, and Washington.

On motion of Mrs. Busey, this leave was granted.

LOAN OF CERTAIN MILITARY EQUIPMENT

(15) The Adjutant General of the Sixth Corps Area, Colonel Charles C. Smith, recently requested the use of the White Reconnaissance Car and one Garford 1½ ton truck in the service of the War Department. In order to facilitate the work I notified the Colonel that he might have this equipment and ask approval of my action.

On motion of Mrs. Ickes, this action was approved.

APPOINTMENT TO COMMITTEE ON ACCOUNTANCY

(16) After conference with the University Committee on Accountancy and on their advice, I recommend the appointment of Mr. Charles William Jones, C. P. A., to be a member of the Board of Examiners in Accountancy for a term of three years beginning July 1, 1925, to replace Mr. James P. McGregor whose term expires.

On motion of Mr. Wham, this appointment was made.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

June 26, 1925

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 2 o'clock p. m. on Friday, June 26, 1925, pursuant to the following notice which was sent out by the Secretary:

On the call of the President, Dr. W. L. Noble, a special meeting of the Board of Trustees of the University of Illinois will be held at the Blackstone Hotel, in Chicago, on Friday, June 26, 1925, at 2 o'clock p. m. (Chicago time), to consider matters in connection with the College of Medicine.

When the Board convened, the following members were present: President Noble, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees.

President Kinley was present.

On motion of Mr. Trees, the Board took a recess.

EXECUTIVE COMMITTEE MEETING, JUNE 26, 1925

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Friday, June 26, 1925, during a recess in the meeting of the Board of the same date. All the members of the Committee were present; also Mr. Armstrong, Mr. Barr, Mrs. Evans, Mrs. Grigsby, and Mrs. Ickes, members of the Board, and President Kinley and Professor J. M. White.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Executive Committee considered the following matters presented by the President of the University.

CONTRACTS FOR MINOR BUILDINGS

(1) A schedule of bids for contracts on the boiler house addition, central poultry house, cattle feeding shed, and cattle feeding plant additions.

SCHEDULE OF BIDS

<i>Bidders</i>	<i>Boiler House</i>	<i>Poultry</i>	<i>Cattle Feeding</i>	<i>Silos</i>
Ellis Brooks.....		\$11,100	\$21,700	\$8,870
English Brothers.....	\$19,987

The Supervising Architect recommends that the contract be given to the American Seating Company, based on price as related to the quality of the chairs. Samples of each were examined and that of A. H. Andrews Company eliminated as unsatisfactory. The others we consider of equal quality and either would be suitable.

I recommend approval.

On motion of Mrs. Busey, this contract was awarded as recommended.

LINOLEUM FOR NEW BUILDINGS

(10) A schedule of bids on the linoleum for the new buildings.

The Supervising Architect recommends that the contract be awarded to C. A. Kiler on the basis of his unit prices: on the McKinley Hospital approximately 1882 sq. yds. Grey Jaspe; on the West Residence Hall approximately 2,500 sq. yds. Grey Jaspe; on the Library approximately 2656 sq. yds. 3/16" Brown Battleship, and approximately 1550 sq. yds. Brown "A"; on the Men's Gymnasium approximately 240 sq. yds. Brown "A", and on the Commerce Building approximately 1200 sq. yds. Brown "A."

I concur.

On motion of Mrs. Busey, the contract for linoleum was awarded as recommended.

STAIR RAILING IN NEW LIBRARY

(11) The following recommendation from the Supervising Architect.

The stair railing in the main stair hall of the new Library building is of wrought iron and requires supervision during construction which can best be done by Mr. Platt. This work requires the highest type of craftsmanship and Mr. Platt has obtained bids in New York City, the low bidder being John Jacob, 432 East 75th St., whose bid is four thousand one hundred fifty dollars (\$4,150). I recommend that the contract be awarded to Mr. Jacob on that basis.

I concur in this recommendation.

On motion of Mr. Trees, this contract was awarded as recommended.

GLASS PANELS IN LIBRARY WINDOWS

(12) The following recommendation from the Supervising Architect:

There are painted glass panels in the center of each of the big reading room windows in the Library. These are all special design and must be made under Mr. Platt's supervision.

Mr. Platt secured bids in New York and the low bid is that of J. Scott Williams, 401 West Third Avenue, New York City, at Four Thousand Three Hundred Fifty Dollars (\$4,350). I recommend that the contract be awarded to him on that basis.

I concur in the recommendation of the Supervising Architect.

On motion of Mr. Trees, this contract was awarded as recommended.

The Executive Committee adjourned.

SECOND SESSION, JUNE 26, 1925

When the Board convened after the recess on June 26, 1925, the same members were present as before.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

HEARING OF PROFESSOR DIETRICHSON

(1) A request that the Board grant a hearing to Dr. J. G. Dietrichson, Assistant Professor of Chemistry, who protests against the decision of his department not to recommend him for reappointment.

This request was granted, and Dr. Dietrichson was heard on this matter. Dean K. C. Babcock also made a statement. The Board took no action.

MEDICAL AND HOSPITAL SITUATION

(2) A statement concerning the situation in the College of Medicine and in the hospitals erected under the cooperative agreement with the State Department of Public Welfare (Minutes, July 12, 1919, page 487).

Acting Dean Davis, Dr. Ochsner, Dr. Bacon, and Dr. Pierce, of the medical faculty, who were introduced, made statements concerning these matters.

On motion of Mr. Trees, the President of the University was directed to arrange as soon as possible for a special meeting of the Board, at the Governor's convenience, at which Governor Small and Director Jenkins could be present, to discuss the matter of the cooperative agreement with the Department of Public Welfare.

DEATH OF PRESIDENT JAMES

On motion of Mrs. Evans, the President of the University was requested to draw up resolutions concerning the death of President Emeritus Edmund Janes James, to be spread on the records of the Board and transmitted to the members of his family.

FURNISHINGS FOR RESIDENCE HALL

On motion of Mr. Armstrong, the President of the Board was instructed to appoint an advisory committee on the furnishings for the new Residence Hall, with full authority to act within the limits of the funds appropriated for the Hall.

President Noble appointed the following committee: Mrs. Busey, Mrs. Ickes, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

July 28, 1925

The July meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a. m. (Chicago time) on Tuesday, July 28, 1925.

The following members were present: President Noble, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Wham.

President Kinley was present; also Professor J. M. White, Supervising Architect.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of June 9 and June 26, 1925.

On motion of Mr. Trees, the minutes were approved as printed on pages 245 to 287 above.

COMMITTEE ON FURNITURE

Mrs. Evans, for the special committee on the purchase of furniture for the West Residence Hall, reported progress.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

RESOLUTION ON THE DEATH OF PRESIDENT JAMES

(1) In accordance with the direction of the Board at the meeting on June 26 I have drawn up a resolution on the death of President Emeritus Edmund James James, a copy of which has been sent to his family, and which I present herewith for record.

*RESOLUTION ON THE DEATH OF PRESIDENT
EDMUND JAMES JAMES*

After a long period of poor health President Emeritus Edmund James James has passed away. God in his wisdom has called him home. His death brings a sense of personal loss to thousands of students who passed through the University in his administration as well as to thousands of other fellow citizens and friends in the State and Country. His great work in the cause of higher education and particularly in the University of Illinois is a contribution to the educational life and history of the Country that will permanently endure. He will live not only in the memory, but in the affections, of all who are interested in the great cause of education.

We, his official colleagues, with grateful remembrance of him personally and high regard for his great work at the University, hereby place our appreciation on record by this resolution. We express our common sorrow at his loss and our deep sympathy with the members of his family, who mourn his passing away. Therefore be it

RESOLVED that the above expression of appreciation and sympathy be entered upon the records of the Board of Trustees as a testimony of their high appreciation of Dr. James personally and officially and that a copy of this resolution be sent to the family.

This report was received for record.

EXECUTIVE STAFF FOR THE MCKINLEY UNIVERSITY HOSPITAL

(2) In accordance with the policy adopted by the Board on April 8, 1925, I recommend that Drs. J. H. Beard, Maude L. Etheredge, and V. A. Ross be reappointed as an Executive Staff for the McKinley University Hospital to serve from July 1, 1925 to August 31, 1926.

On motion of Mrs. Evans, this recommendation was concurred in.

STERILIZATION APPARATUS

(3) A recommendation that a central sterilizing plant be established and operated under the direction of the Supervising Architect, that a charge be made to the departments for such use as they may make of this apparatus, and that \$3,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund for the purchase and installation of this apparatus at a place to be selected by the Supervising Architect.

On motion of Mr. Trees, these recommendations were approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Wham; no, Dr. Noble; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

PROPOSED FLORIDA AVENUE, URBANA, IMPROVEMENT

(4) The Mayor and City Council of Urbana request me to lay before you their proposal to improve by paving and lighting certain streets in Urbana including Florida Avenue and ask whether the University is willing to share in the expense of these improvements.

On motion of Mr. Trees, it was voted to notify the Urbana authorities that the Board regrets its inability to participate in these improvements at the present time.

CONTRACT FOR ENGRAVING

(5) The Comptroller states that he desires at this time to make a new contract to cover our engraving work for the coming year and recommends that the contract be given to the Jahn & Ollier Engraving Company.

I ask your approval of this recommendation.

On motion of Mrs. Evans, this contract was awarded as recommended.

THE CERTIFIED PUBLIC ACCOUNTANT ACT

(6) The General Assembly in the session just closed passed House Bill No. 617 which revises the Accountancy Act of 1903. This new law goes into effect October 1, 1925. After that date the University will have no authority in connection with the examinations in accountancy or the issue of certificates in accountancy.

I am taking the necessary action to wind up our connection with this whole matter.

The Comptroller informs me that we have on hand the sum of \$16,974 accumulated from fees in connection with this fund. Our Legal Counsel is of the opinion that we should retain this money until an act of the legislature is passed directing us to dispose of it. We have held it, of course, as a separate or trust fund. Unless the Board takes action to the contrary I will instruct the Comptroller to hold this money until legislative action is passed affecting it. Of course the amount will be diminished by expenditures incurred between now and October 1.

This report was received for record.

RENOVATION OF ARMY OVERCOATS

(7) I recommend that the sum of \$800 be appropriated from the Reserve and Contingent Fund for the cleaning and renovating of one thousand army overcoats which belong to the University.

On motion of Mr. Armstrong, this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

DEATH BENEFIT PROVISION

(8) A recommendation that the following resolution be adopted to interpret Section 2 of the regulations concerning death benefits and retiring allowances as adopted December 13, 1924 (page 128):

It is hereby resolved by the Board of Trustees that in case the death of a member of the staff occurs while he is on leave of absence on part salary or without salary his estate shall be entitled to a sum based on his full salary rate.

On motion of Mrs. Grigsby, this resolution was adopted.

LEAVE OF ABSENCE FOR PROFESSOR D. K. DODGE

(9) The matter of a leave of absence for Professor D. K. Dodge.

On motion of Mrs. Grigsby, Professor Dodge was granted leave of absence for one year on one-half salary.

REQUEST OF MISS MARTHA J. KYLE FOR LEAVE OF ABSENCE

(10) Miss Kyle asks a leave of absence on full pay on the ground that she needs leisure for physical rest and that her long term of service justifies it.

No action was taken on this request.

PROPOSED GREGORY MEMORIAL

At this point, Mr. V. W. Coddington, of the class of 1875, was introduced. Mr. Coddington presented the following resolution which was adopted by the Alumni Association at its June meeting.

RESOLUTION

1. *Whereas*, the University of Illinois, having grown to be an institution powerful and widespread in its influences and destined to be a great factor in the welfare of the Commonwealth,
2. *Whereas*, along with the material good it has brought and is bringing to the people of the State and Nation it stands also for high ideals in culture and in the relationships of men to one another and to industry and labor, and
3. *Whereas*, it is our belief that emphasis should be laid upon these ideals, that the youth entering the University should receive them as initial and as continuing impressions, and
4. *Whereas*, it is our belief that the presidents and leaders of University work in the past have each in his own way worked for certain worthy ends and ideals and that it should be the policy of the University trustees to recognize in permanent form the efforts of these workers from time to time, and
5. *Whereas*, it is the recollection of the early Alumni of the University that the first President of the University, Dr. J. M. Gregory, clearly formulated those ideals and endeavored to make them permanent for coming generations, and
6. *Whereas*, it seems to us of great importance that these early efforts of Dr. Gregory should be recognized and extended in the work of the University, and *whereas*, the contemplated improvements in the University building and equipment seem to make it an opportune time to revive and put forward such of these early measures as are worthy of perpetuation:

THEREFORE: *Be it resolved* that we hereby petition the Trustees of the University to adopt and make a policy of the University some such programme as outlined below, as a fitting and worthy memorial to Dr. Gregory and his early associates in the University Work.

Let a building of which the University has need, embody in its plan these features:

Art gallery and other rooms devoted to illustration and propagation of the cultural side of human industry. The idea being to coordinate at one central point those elements of University Activity that have ethical and cultural value.

Let the building be called the Gregory Memorial building, and let there be suitably posted therein such utterances of Dr. Gregory and other workers as clearly put forth those thoughts as worthy of perpetuation and likely to give high inspiration to and rightly direct the aims of those seeking an education.

Moved that a committee be appointed of which the moderator of this meeting shall be chairman to present this resolution to the Board of Trustees of the University.

This matter was referred to the Committee on Buildings and Grounds for consideration and report.

The Board resumed its consideration of matters presented by the President of the University.

LEAVE OF ABSENCE FOR DEAN EYCLESHYMER

(11) I recommend that Dean Eycleshymer be given a leave of absence on half pay for one year beginning September 1, 1925.

On motion of Mrs. Grigsby, this leave was granted.

ISSUE OF THE DIRECTORY OF FORMER STUDENTS

(12) In accordance with your action appointing him Keeper of the Alumni Records, Mr. C. J. Roseberry has typed the list of our former students on cards with a view to publication.

There have been several inquiries made as to the possibility of securing the list, either in whole or in part, before its publication. Although we have up to this time refused all such requests, on reflection it seems to me that it would not be improper for you to anticipate the printing by authorizing the Keeper of the Records to sell the list, either complete or in part, to such individuals as may wish to purchase it at the cost of transcription plus, say, twenty percent for overhead.

I recommend that he be given authority to do this, the list to be open to all on the same terms and publicity to be given to this action.

A motion by Mr. Wham to concur in this recommendation did not carry.

PRINTING OF DIRECTORY OF FORMER STUDENTS

(13) The advisability of printing the directory of former students is open to serious question. The total expense will be doubtless about \$20,000. I am not prepared to recommend such an appropriation for this purpose, but shall be glad to be instructed by the Board as to their wishes.

No action was taken on this matter.

DIRECTOR OF RESEARCH IN RESEARCH AND EDUCATIONAL HOSPITALS

(14) 1. After consideration and conference, I recommend that the action of the Board appointing Dr. D. J. Davis, Director of Research in Preventive Medicine (See Minutes, June 9, 1924, page 575) in the Research and Educational Hospitals and establishing a similar position in each of the hospital divisions be rescinded and that the office of Director of Research in the Research and Educational Hospitals be established by the Board.

2. I recommend that Dr. D. J. Davis be appointed to the position for one year beginning September 1, 1925. In general the duties of the Director will be to act as a consultant for all who are conducting research, to coordinate the work, to secure cooperation, and in general do everything necessary to procure efficiency and to promote the largest use of the facilities and staff of the College of Medicine in the performance of the work of research in the hospitals.

On motion of Mr. Armstrong, these recommendations were adopted.

THE COLLEGE OF MEDICINE

(15) The Acting Dean of the College of Medicine makes the following recommendations in which I concur and which I recommend, therefore, for your approval:

1. That in the various departments the clinical headship be combined with the position of director of research, thus unifying the department. The reasons given by Acting Dean Davis for this recommendation are that there are at present, and probably will be for some time to come, too few beds in the hospital to allow such an organization to be practicable, and, moreover, that when tried out this past winter the dual scheme of organization did not result in proper or agreeable cooperation. The Dean is of the opinion, moreover, that it is not wise to segregate the research work and the clinical work in the Research and Educational Hospitals as the dual scheme of organization tended to do.

2. That headships be established in the following departments:

(a) Professor and Head of the Department of Surgery on indefinite tenure, including in the department, General Surgery, Genito-Urinary Surgery, Orthopedic Surgery, and Operative Surgery.

(b) Professor and Head of the Department of Obstetrics and Gynecology on indefinite tenure.

(c) Professor and Head of the Department of Medicine on indefinite tenure; and (2) that Dr. Charles Spencer Williamson be appointed to this position on one-half time basis (four hours each day) beginning September 1, 1925, at a salary of \$5,000 a year.

(d) Professor and Head of the Department of Dermatology on indefinite tenure; and (2) that Dr. Francis E. Seneat be employed on one-half time basis (four hours each day) beginning September 1, 1925, at a salary of \$5,000 a year.

(e) Professor and Head of the Department of Oto-laryngology on indefinite tenure; and (2) that Dr. Norval Pierce be appointed to this position beginning September 1, 1925, without salary.

(f) Professor and Head of the Department of Ophthalmology on indefinite tenure; and (2) that Dr. E. V. L. Brown be appointed to this position beginning September 1, 1925, without salary.

(g) Professor and Head of the Division of Pediatrics on indefinite tenure; and (2) that Dr. Julius H. Hess be appointed to this position beginning September 1, 1925, without salary.

(h) Professor and Head of the Division of Neurology and Psychiatry on indefinite tenure.

(i) Professor and Head of the Department of Social Hygiene, Criminology, and Medical Jurisprudence; and (2) that Dr. Herman M. Adler be appointed to this position for one year beginning September 1, 1925, without salary.

Acting Dean Davis further recommends, and I concur, that professorships outside of the Research and Educational Hospitals be termed clinical professorships, the appointments to such professorships to be determined not only by the qualifications of the nominee, but also by the clinical facilities which he may have at his disposal to put at the service of the College of Medicine. Appointments to such professorships will be made and terminated on this basis, and in any event may be terminated by the University when he is unable longer to furnish such facilities.

I request that authority be given me to make appointments in accordance with this policy.

These recommendations concerning the College of Medicine were considered seriatim and were approved separately on motion of members of the Board.

RESIGNATION OF DEAN F. B. MOOREHEAD

(16) I submit the resignation of Dean F. B. Moorehead of the College of Dentistry and recommend that it be accepted. In making this recommendation, however, I ask the Board to put on record their appreciation as well as mine of the great service that Dr. Moorehead has rendered the University as Dean of the College of Dentistry. He has raised its educational standards and has secured for it the respect of dental authorities everywhere.

No action was taken on this resignation.

PAVING OF ARMORY AVENUE

(17) The Supervising Architect recommends that the University ask the City of Champaign to pave Armory Avenue from Wright Street to Fourth Street with a 32 foot concrete pavement. He estimates that the University's share of this improvement will be \$10,000, which may be distributed over ten annual payments.

I concur in the recommendation.

On motion of Mr. Armstrong, this recommendation was approved.

APPROPRIATIONS FOR NEW BUILDINGS

(18) I recommend that the funds appropriated by the 54th General Assembly for the new buildings for the biennium 1925-27 be appropriated as follows:

Second unit of Library Building and equipment.....	\$500,000
Addition to Armory and equipment.....	425,000
Building for Architecture and kindred subjects and equipment.....	500,000
Addition to the present School of Pharmacy Building and equipment.....	350,000
Additional wing to new Gymnasium and equipment.....	225,000

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

PLANS AND SPECIFICATIONS FOR NEW BUILDINGS

(19) The Supervising Architect recommends: 1. That he be authorized to prepare plans and specifications in conjunction with Mr. Platt, as associate architect, for the additions to the Library, Gymnasium, and Armory;

2. That Mr. Platt be given the commission for the building for Architecture and kindred subjects;

3. That a Chicago architect be given the commission for the addition to the Pharmacy Building;

4. That the Supervising Architect be authorized to receive bids at once on the additional wing to the Gymnasium and on the bookstack unit of the Library, including bids on the bookstacks.

I concur in these recommendations.

On motion of Mr. Trees, these recommendations were approved.

TABLES FOR THE LIBRARY

(20) The Superintendent of Business Operations recommends placing an order with C. A. Kiler and Company of Champaign for twenty-one 4' by 16' tables for the reserve reading-room of the Library at a price of \$142 each.

I concur in this recommendation.

On motion of Mrs. Evans, this recommendation was concurred in.

GENERAL CONTRACT AND SHEET METAL AND ROOFING CONTRACT FOR ADDITION TO OLD LIBRARY

(21) The Supervising Architect submits the following schedule of bids received on the general contract and the sheet metal and roofing contract for the addition to the Old Library Building:

<i>Bidder</i>	<i>Amount of Bid</i>
GENERAL CONTRACT:	
English Brothers.....	\$39,980
Otto Randolph.....	44,641
Clarke Const. Co.....	40,000
Widmer Const. Co.....	48,100
SHEET METAL AND ROOFING:	
J. Smith & Co.....	5,293
F. Starr & Sons.....	6,000
Twin City Roofing Co.....	5,345

He recommends that the contracts be awarded to English Brothers and J. Smith and Company, the low bidders in each case.

I concur in this recommendation.

On motion of Mr. Wham, these contracts were awarded as recommended.

APPOINTMENT OF J. E. SLATER PROFESSOR OF TRANSPORTATION

(22) On recommendation of Dean Thompson, concurred in by Professor Bogart and the Provost, I recommend the appointment of Mr. J. E. Slater as Professor of Trans-

portation in the College of Commerce at a salary of \$6,500 a year beginning September 1, 1925.

On motion of Mrs. Grigsby, this appointment was made.

RADIO STATION

(23) A statement concerning the Roger Sullivan Memorial Radio Broadcasting Station.

Mr. George Hull Porter, of the Western Electric Company, who was present, made a statement concerning this matter.

On motion of Mr. Trees, it was voted to instruct the Secretary to notify Mr. Porter that it was the opinion of the Board that a one-kilowatt radio broadcasting station, with endowment sufficient to operate the same, would be satisfactory. The details of the station are to be worked out by the Supervising Architect and Mr. Porter.

APPOINTMENT OF PROFESSOR THOMAS WHITFIELD BALDWIN

(24) Professor Frank W. Scott, Acting Head of the Department of English, and Dean Babcock recommended the appointment of Dr. Thomas Whitfield Baldwin to the position of Assistant Professor of English for one year from September 1, 1925, at a salary of \$2800.

I concur in this recommendation.

On motion of Mr. Wham, this appointment was made.

RESOLUTIONS CONCERNING CERTAIN LAND TRANSACTIONS

(25) To confirm formally the action of the President and Secretary of the Board in executing, under authority given by the Board (Minutes, June 12, 1925), deeds for properties to be conveyed by the University to C. S. Dale, A. W. Stoolman, V. A. Roland and others, I recommend that the Comptroller's request for the adoption of the following resolutions be approved.

RESOLUTION

WHEREAS The Board of Trustees on June 12, 1925, in regular meeting authorized an exchange with C. S. Dale of certain property in the Athletic Association Tract described as follows:

"A tract of land located in Lot 1 of a subdivision of the S. ½ of Sec. 13 Twp. 19 N. R. 8 E. of the 3rd P. M. described as follows:

"Beginning at a point on the South Side of Armory Avenue 150 feet West of line of First Street and extending West 240 feet more or less to the East side of Locust Street extended, thence South 160 feet South of the point of beginning thence North 160 feet to the place of beginning;" in part payment for the purchase of Lot 53 in College Place, Champaign;

AND WHEREAS in accordance with the above action W. L. Noble, President, and H. E. Cunningham, Secretary, of the Board of Trustees of the University of Illinois have executed, acknowledged, and delivered in its name a warranty deed for the premises above described to C. S. Dale and Sarah E. Dale, as joint tenants;

NOW, THEREFORE, be it resolved that the action of these officers in executing this deed be and is hereby approved, ratified, and confirmed.

Approved

O. A. HARKER
Legal Counsel

On motion of Mr. Armstrong, these resolutions were adopted.

RESOLUTION

WHEREAS The Board of Trustees on June 12, 1925, in regular meeting authorized the sale of certain land to A. W. Stoolman,

AND WHEREAS the property to be conveyed to A. W. Stoolman in accordance with this action is described as follows:

"Lot Ninety-four (94), a strip 16.1 feet wide along the North side of Lot Ninety-three (93) and a strip 16.2 feet wide along the North side of Lot Eighty (80), all in College Place, an addition to the City of Champaign, Illinois."

AND WHEREAS in accordance with the above action W. L. Noble, President, and H. E. Cunningham, Secretary, of the Board of Trustees of the University of Illinois have executed, acknowledged, and delivered in its name a warranty deed for the premises above described to A. W. Stoolman;

NOW, THEREFORE, be it resolved that the action of these officers in executing this deed be and is hereby approved, ratified, and confirmed.

Approved

O. A. HARKER

Legal Counsel

On motion of Mr. Armstrong, these resolutions were adopted.

RESOLUTION

WHEREAS The Board of Trustees on June 12, 1925, in regular meeting authorized the sale of certain land described as follows:

"A tract of land located in Lot 1 of a subdivision of the S. $\frac{1}{2}$ of Sec. 13 Twp. 19 N. Range 8, E. of the 3rd P. M., described as follows:

"Beginning at a point 60 feet South of the Southwest corner of Armory Avenue and First Street and extending South along the West side of First Street 343.4 feet, thence West 150 feet, thence North 403.4 feet to a point on the South side of Armory Avenue 150 feet west of the southwest corner of Armory Avenue and First Street, thence East along the South side of Armory Avenue 12.5 feet, thence South 60 feet, thence East 137 $\frac{1}{2}$ feet to the place of beginning."

AND WHEREAS in accordance with the above action W. L. Noble, President, and H. E. Cunningham, Secretary, of the Board of Trustees of the University of Illinois have executed, acknowledged, and delivered in its name a warranty deed for the premises above described to Vern A. Roland, Mae Roland, and Lela Collins, the sole heirs at law of Anton Roland, deceased;

NOW, THEREFORE, be it resolved that the action of these officers in executing this deed be and is hereby approved, ratified, and confirmed.

Approved

O. A. HARKER

Legal Counsel

On motion of Mr. Wham, these resolutions were adopted.

"LANDSCAPE GARDENING" CHANGED TO "LANDSCAPE ARCHITECTURE"

(26) The Council of Administration has approved a recommendation of the Faculty of the College of Agriculture that the term "Landscape Gardening," as used in the curriculum in Landscape Gardening, be changed to "Landscape Architecture."

I concur in this recommendation.

On motion of Mrs. Grigsby, this recommendation was adopted.

LEAVE OF ABSENCE FOR PROFESSOR GRIFFITH

(27) Dean Babcock recommends, and I concur, that Assistant Professor Coleman R. Griffith be given leave of absence without pay for one year from September 1, 1925, to enable him to take advantage of a Guggenheim Fellowship for study abroad which has been awarded to him.

On motion of Mrs. Grigsby, this leave was granted.

RESIGNATION OF PROFESSOR McKENZIE

(28) The resignation of Dr. Kenneth McKenzie, Professor of Romance Languages, effective September 1, 1925.

On motion of Mr. Trees, this resignation was accepted with regret.

FARMERS' COOPERATIVE DEMONSTRATION FUNDS

(29) The United States Department of Agriculture has agreed to assign the sum of \$7200 to the University of Illinois this year to supplement Smith-Lever funds. The entire allotment may be expended on the salaries of supervisory agents of the State Extension Service at the rate of \$900 per year per agent, or it may be expended on salaries of County Extension agents at the rate of \$300 per annum per agent.

This amount has been worked into the budget of the Agricultural Extension Service in accordance with the suggestions of the Department of Agriculture.

I recommend that these funds be accepted and that the distribution as recommended by the Director of the Extension Service in his budget be approved.

On motion of Mrs. Grigsby, these funds were accepted and their distribution approved as recommended.

SALE OF VIENNA EXPERIMENT FIELD

(30) The Comptroller reports that, in accordance with the action of the Board on June 9, 1925, he has concluded the sale of the Vienna Experiment Field to C. C. Simmons and has received the authorized purchase price of \$500. The total expenses of this transaction amounted to \$26, making a net return of \$474 from the sale of the land.

I recommend that this amount be merged with the General Funds of the University.

On motion of Mr. Armstrong, this recommendation was adopted.

REGULATIONS GOVERNING CARTER-PENNELLOAN FUND

(31) I recommend that the following regulations to govern the Carter-Pennell Fund be adopted:

The terms of the Carter-Pennell Trust Agreement provide that the net proceeds from the Trust Farms, as well as the net returns from any of the Trust Property, shall be used to aid worthy young people while students at the University of Illinois.

From funds accruing in this manner the Comptroller shall make loans in accordance with the recommendations of the Council of Administration, approved by the Chairman of the Finance Committee of the Board of Trustees. The recommendations of the Council of Administration shall be subject to the terms of the Carter-Pennell Trust and to whatever regulations may be adopted by the Board of Trustees.

Applications shall be made upon a form provided for the purpose and filed with the secretary of the Council of Administration. The minimum loan shall be \$25 and loans not to exceed \$500 per annum may be made to a student, but there shall not be loaned to any one student a sum in the aggregate exceeding \$2,000. For each loan a judgment note in form approved by the Board of Trustees and for the full amount shall be taken. These notes will bear interest payable semi-annually in advance at the rate of five percent per annum until maturity and seven percent thereafter until paid. Suitable security must be given on all notes but no member of the staff of the University of Illinois may sign as security.

The maximum time limit for which notes may be drawn shall be for two years from the first of July next following the student's regular time of graduation, or in case a student does not graduate the note shall be drawn not to exceed two years from time of leaving school. Each note must bear a definite maturity date.

Loans may be made to any matriculated student of Sophomore standing in the Colleges of Engineering and Agriculture, to any student in the College of Liberal Arts and Sciences who is specializing in Science or Home Economics, whose future seems promising and whose habits and character are above reproach.

All interest collected on these loans together with the principal of the notes shall be merged with the net proceeds of the Trust Farms to be used for student aid in accordance with these regulations. When the money accumulated in this fund exceeds the requirements to cover applications for loans it is to be invested in accordance with the regulations of the Board of Trustees concerning the investment of trust funds.

On motion of Mr. Trees, these regulations were adopted.

REQUEST OF DR. J. G. DIETRICHSON

At this point, President Noble read a letter from Dr. J. G. Dietrichson, containing certain requests (see page 287). The Secretary was instructed to inform Dr. Dietrichson that the Board would hear him, but Dr. Dietrichson could not be found.

This matter was fully discussed. On motion of Mr. Wham, the Secretary was instructed to notify Dr. Dietrichson that his requests could not be granted.

INVESTMENT OF FUNDS

Mr. Armstrong, for the Finance Committee, recommended that \$3,000 of the Gregory fund and \$2,000 of the Plym fellowship endowment be invested in Chicago Union Station First Mortgage five percent bonds, due in 1944, at the market price, and that \$500 of the English Poetry Prize fund be invested in First Mortgage five percent bonds of the Commonwealth Edison Company, due in 1944, at the market price.

On motion of Mr. Armstrong, these recommendations were adopted and the Comptroller was instructed to make the investments.

TREASURER'S BOND

Mr. Armstrong, for the Finance Committee, presented the bond of Mr. A. Burke as Treasurer, and recommended that the bond be accepted.

BOND

KNOW ALL MEN BY THESE PRESENTS, That we, ARTHUR M. BURKE, as Principal, and JOHN W. STIPES, DAVID B. WRIGHT, GEORGE J. BABB, ORIN L. PERCIVAL, EUGENE I. BURKE, ULYSSES G. SWEARINGEN, THOMAS E. LYONS, ALMOND W. STOOLMAN, and ARTHUR SHERIDAN, as sureties, are held and firmly bound unto the Board of Trustees of the University of Illinois, in the penal sum of One Million Dollars (\$1,000,000.00) lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our respective heirs, executors, administrators, and assigns, and each of them, by these presents.

WITNESS OUR HANDS AND SEALS THIS 30th day of June, A. D., 1925.

THE CONDITION of the above obligation is such that

WHEREAS, the above bounden, ARTHUR M. BURKE, was on the 10th day of March, A. D., 1925, duly elected to the office of treasurer of the University of Illinois, for a period ending on the 10th day of March, A.D., 1927, or until his successor shall be appointed and qualified and is about to assume the duties of said office:

NOW, THEREFORE, if the said ARTHUR M. BURKE shall well and truly perform and faithfully discharge the duties of Treasurer of said University of Illinois, during his term of office, and shall faithfully keep and truly account for all moneys, bonds, securities or other property coming into his hands as such Treasurer during his term of office, and shall pay when properly drawn and presented to him all warrants, authorized by the Board of Trustees of the University of Illinois, drawn against funds in his hands belonging to the said University of Illinois, and at the expiration of his term of office, on due request to him, shall pay over and deliver to his successor in office, or to any other person duly authorized by the Board of Trustees of said University of Illinois to receive the same, all moneys, bonds, securities or any other property received by him as such Treasurer and not otherwise lawfully paid out or disposed of, and shall deliver to his successor in office, or any other person appointed to receive the same, the property, papers and other things in his hands belonging to said office, and shall at the expiration of his term of office, or oftener if thereunto requested by the Board of Trustees of the said University of Illinois, render a just and true account of his doings as such Treasurer, then this obligation shall be null and void; otherwise to remain in full force and effect.

THE BUDGET FOR 1925-26

(40) The budget for the year beginning July 1, 1925, with a statement explaining the methods and principles followed in making up the budget;

I recommend that the budget be approved and that the President of the University be authorized to make such minor changes and adjustments as may be necessary, to make necessary additional appointments in accordance with the general salary scale, and to accept resignations which may be presented.

Explanatory Notes

Departmental appropriations are made under the captions "Salaries" and "Expense and Equipment." Unless otherwise indicated, no transfers may be made between these appropriation captions except with the approval of the President of the University.

Appropriations for Expense and Equipment are based on an estimated distribution of expenditures according to the various budget classifications of "Wages, Office Expense, etc." Expenditures must be made in approximate accord with that distribution, material departure from which must be approved in advance by the Dean of the College concerned, the Director of the general department concerned, or the corresponding general officer, and in all cases by the Comptroller.

Appropriations for special equipment are made in total to the college unless otherwise indicated and may be expended only on the order of the Dean of the College and for expenditures exceeding \$500, the approval of the President. All such requisitions, however, should be sent to the Comptroller.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

September 15, 1925

The September meeting of the Board of Trustees of the University of Illinois was held at 10 o'clock a. m. (Chicago time) on Tuesday, September 15, 1925, at the Blackstone Hotel in Chicago.

The following members were present: President Noble, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Trees, Mr. Wham.

Provost K. C. Babcock, acting for the President of the University, was present; also Professor J. M. White, Supervising Architect.

MINUTES APPROVED

The minutes of the meeting of July 28, 1925, were approved as printed on pages 289 to 379 above.

PROPOSED GREGORY MEMORIAL

Mrs. Ickes, for the Committee on Buildings and Grounds, presented the following report on the matter of a memorial for President J. M. Gregory (see page 292):

The Committee on Buildings and Grounds has carefully considered the resolution presented by the early Alumni of the University proposing that a building be named after Doctor J. M. Gregory, the first President of the University.

We are deeply sensible of the loyalty and interest of the Alumni in question and we recognize that it would be especially appropriate that some official recognition should be made of the devotion and service to the University of its first President. However, we are of the opinion that it would create an unwise precedent to name a building erected out of State funds after any individual, however notable his services may have been to the University, and we recommend that the Board of Trustees adopt the policy that no such building shall be named after an individual.

On motion of Mrs. Ickes, this report was adopted.

On motion of Mr. Armstrong, the President of the Board was directed to appoint a committee of three members to confer with the Gregorian Committee and to recommend to the Board of Trustees a suitable form for the recognition of Dr. J. M. Gregory, first president of the University.

President Noble appointed Mrs. Ickes, Mr. Armstrong, and Mr. Wham to act on this committee.

WEST RESIDENCE HALL

On motion of Mrs. Evans, the new residence hall for women was designated the West Residence Hall.

SIDEWALKS ON SOUTH CAMPUS

President Noble reported the following action of the Executive Committee.

The Executive Committee of the Board of Trustees report for record that on the basis of the following bids received on sidewalks the contract was awarded to English Brothers on their bid of \$14,800, with an extra 5c per square foot where reinforcing was to be used.

Sowers & Corkery.....	\$20,983
King & Petry	16,109
Brooks, Ellis.....	16,000
Hawley, Frank.....	15,979
Kent & Company.....	14,900
English Brothers.....	14,800

English Brothers were low on the basis of the main bid, but taking the reinforcing into consideration Kent & Company were low. They, however, requested permission to withdraw their bid, which was granted—a copy of their letter being attached.

This report was received for record.

MATTERS PRESENTED BY PROVOST BABCOCK

The Board considered the following matters presented by Provost K. C. Babcock, acting for the President of the University.

BIDS ON BOOKSTACKS FOR NEW LIBRARY

(1) In accordance with the accompanying bids on bookstacks for the second unit of the Library, the Supervising Architect recommends acceptance of the bid of Snead and Company, of Jersey City, New Jersey, subject to certain deductions within thirty days.

I recommend approval.

September 14, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

On the afternoon of September 12 with Mrs. Busey present were opened bids on the bookstacks necessary for the second unit of the New Library. Plans are now out for bids on the enclosing structure for these stacks. The bids received were as follows, the smaller figure being a credit providing the shelving is omitted from the two lower decks:

Snead & Co., Jersey City, N. J.....	\$167,209.00	\$12,750.00
General Fireproofing Co., Youngstown Ohio.	182,149.35	11,628.00
Art Metal Co., Jamestown, N. Y.....	185,153.00	
Library Bureau, Chicago.....	194,965.00	17,144.00

The cost of the enclosing building including heating, lighting, wiring, elevators, etc., will be about \$125,000, making the total cost of this addition if we accept the credit of \$12,750 about \$280,000 which will leave only \$220,000 for the balance of the building which will not build quite as much space as we had hoped, but as the bookstacks are the essential feature I recommend that we award the contract for the stacks to Snead and Company on the basis of their bid subject to the deduction and with the privilege of making further deduction within 30 days by omitting further shelving if it seems wise to do so.

Yours truly,

JAMES M. WHITE

Supervising Architect

On motion of Mr. Trees, this recommendation was approved, subject to the approval of the Legal Counsel.

BIDS ON ADDITION TO MEN'S GYMNASIUM

(2) The two bids received on the addition to the Men's Gymnasium run well beyond the figure fixed for the general contract as shown in the accompanying schedule submitted by the Supervising Architect. Instead of readvertising for bids, I recommend that the Supervising Architect be authorized to ask the two bidders to refigure the job, the new figures to be submitted to the Board.

On motion of Mr. Wham, this recommendation was approved.

BUILDING APPROPRIATIONS FOR THE BIENNIUM 1923-25

(3) A report of the Supervising Architect on the status of building appropriations for the biennium ending October 1, 1925.

This report was received for record.

At this point, Mr. Barr took his place with the Board.

COLLEGE PLACE PROPERTY

(4) The Superintendent of Business Operations reports that it is necessary for the University to purchase a strip of land 8.88 feet wide off of the south side of Lot 135 facing the Armory on Fourth Street.

The owner, Mr. J. W. Swain, offers to sell this land for \$650, providing the University will assume 15 percent of the unpaid paving and lighting assessments and of any general taxes against the whole lot.

I recommend that this offer be accepted, and that an appropriation of \$650 be made from the Reserve and Contingent Fund therefor. It should be noted that the net receipts from the sale of land and buildings in College Place authorized by the Board, May 16, 1925, amount to over \$11,000. These receipts have been accredited to the Reserve and Contingent Fund.

On motion of Mr. Trees this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Grigsby, Mr. Small.

PURCHASE OF COLLEGE PLACE PROPERTIES

(5) The Superintendent of Business Operations recommends the purchase of the following properties in College Place:

<i>Owner</i>	<i>Lot</i>	<i>Size</i>	<i>Price</i>
Maude C. Foster.....	55	50' x 114'	\$2,350
Mrs. Sarah L. Picknell.....	28	53½' x 114'	2,700
H. I. Carpenter.....	26-27	51½' x 114'	4,700

I recommend the purchase of these properties for the sums indicated, and recommend further that an appropriation of \$9,750 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Armstrong, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Grigsby, Mr. Small.

REPORT ON COLLEGE PLACE PROPERTIES

(6) The following report from the Superintendent of Business Operations on remaining properties to be acquired in College Place:

September 2, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

With the purchase of four lots which I am recommending today there are only three vacant properties left to acquire in College Place. I am making a tentative offer on Lot 29, which may be accepted, but it will be necessary for us to condemn Lots 33 and 62.

I recommend that we offer Mr. C. S. Dale, who holds title to Lot 33, 50' x 114' in size, the sum of \$2,250; and Mr. George B. Brown for Lot 62, which is 54' x 114', the sum of \$2,500; and that if we do not receive an acceptable offer from Mrs. Anna H. S. Bailey on Lot 29, which is a corner lot, 50' x 114'; (we offered her \$2,500); and that in the event these figures are not accepted the Legal Counsel of the University be instructed to proceed to condemn the properties.

There are two improved properties which we will have to acquire in order to vacate a street bordering the Parade Ground on the north. I do not think it will be necessary for us to condemn these two properties, but I haven't been able to obtain satisfactory offers.

Yours truly,

JAMES M. WHITE

Superintendent of Business Operations

On motion of Mr. Trees, the Supervising Architect was instructed to make definite offer of the sums noted for lots 29, 33, and 62, and to report the results at the next meeting of the Board.

SETTLEMENT WITH CONTRACTOR FOR WEST RESIDENCE HALL

(7) The following statement from the Supervising Architect concerning penalties for delay in completing the West Residence Hall is submitted without recommendation.

September 14, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

We shall probably be ready for final settlement with Mr. Randolph on account of his contract for the Residence Hall before another Board meeting. His contract called for completion September 1, with a bonus of \$100 a day for completion in advance of that date, and an equal penalty for non-completion with a maximum limit of \$3,000. He will complete his contract this week.

The work progressed rapidly and he expected to collect a considerable share of his bonus until he found that he could not obtain the millwork, and therefore the building is behind the contract schedule. Prior to the development of the delay on millwork I had admitted to him that our contractors for plumbing and heating had delayed him, but I gave him no definite extension of time in reply to his contentions that we delayed him. The delay in the millwork has been such that the delays above referred to did not in any way delay final completion of the building.

The question now is whether we shall hold him to the \$100 a day forfeit since September 1, or whether having earlier in the progress of the work promised to allow him extensions on certain delays for which we were responsible, we should still grant them. I shall be glad to receive instruction on this point.

Yours truly,

JAMES M. WHITE

Supervising Architect

This matter was referred to the Supervising Architect for recommendation when the building is completed.

REPAIRS ON PROPERTY AT WOOD AND POLK STREETS

(8) The Supervising Architect requests authority to make certain improvements in the flat building and store at the corner of Wood and Polk Streets, Chicago, owned by the University, in order to put the building in a rentable condition. Since May 1 there have been four flats vacant in this building. It is estimated that it will cost \$1,200 to put the building in such shape that these flats may be rented and the building be made to pay for its upkeep.

I recommend that these repairs be authorized, and that an appropriation of \$1,200 be made from the Reserve and Contingent fund for this purpose.

On motion of Mrs. Evans, this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Grigsby, Mr. Small.

CONTRACT FOR ADDITION TO PHARMACY BUILDING

(9) At the last meeting of the Board of Trustees, Schmidt, Garden, and Martin were selected as architects for the Pharmacy Building.

The Supervising Architect submits the following communication from them stating the terms upon which they would expect to do this work and recommends that a contract be entered into with them on this basis:

September 11, 1925

Board of Trustees, University of Illinois

GENTLEMEN: Re: "Pharmacy Building"

We wish to record herein the terms upon which you employ us as Architects for your proposed new Pharmacy Building, to be erected on Wood Street, near Harrison Street in the City of Chicago.

Our charge for complete professional services of the Architect for new work of this kind is six (6%) percent of the cost of the work complete, and ten (10%) percent for remodeling work in adjacent buildings installed or constructed subsequent to the construction of the new building.

For this fee we will furnish complete plans and specifications, supervise the erection of the building, take all bids, draw all contracts, issue all Architects' certificates, and perform every sort of Architects' services in accordance with the professional practice of Architects as published by the American Institute of Architects, Document #177, a copy of which is attached hereto; however, with the following modifications:

Re: Article #5: We will furnish the services of heating, ventilating, electrical and mechanical engineers and make no further charge for such services.

There will be no charge for transportation, or living expenses unless you request us to examine or inspect work for your benefit, in another city, other than Chicago.

Re: Article #6: We will make no additional charge if work is let under separate lump sum contracts.

It is understood and agreed between you and ourselves that if you see fit to discontinue our services after complete plans and specifications are prepared that our charges for plans and specifications shall be 4½ percent on the estimated cost of the new building. We understand that the total appropriation, including furnishing, is \$350,000.

Trusting that the terms as outlined are satisfactory to you, we are

Yours very truly,

RICHARD E. SCHMIDT, GARDEN & MARTIN, Architects,

By RICHARD E. SCHMIDT

I recommend approval.

On motion of Mr. Armstrong, this recommendation was approved.

SPECIAL APPROPRIATION FOR PROSTHETIC DENTISTRY

(10) I recommend that the sum of \$300 be appropriated from the Reserve and Contingent Fund to the Department of Prosthetic Dentistry as a special equipment item for the purchase of models as requested by Dean Moorehead.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Grigsby, Mr. Small.

LOAN TO J. E. CHUBBUCK

(11) The Legal Counsel, Dean of Men, and Comptroller recommend that the note of J. E. Chubbuck, deceased, covering a loan of \$75 from the McKinley Fund granted him in 1914, be written off against the accumulated income of the Fund. I concur in this recommendation.

On motion of Mr. Armstrong, this recommendation was approved.

ENGLISH POETRY PRIZE FUND

(12) The Board of Trustees of July 28, 1925 (page 311), directed the purchase of \$500 of 5% bonds of the Commonwealth Edison Company as an investment of a part of the English Poetry Prize Fund. It was found that these bonds could not be secured in denominations of less than \$1,000. On advice from the Chairman of the Finance Committee, the Comptroller purchased \$500 of West Penn Power Company 5% bonds, series "E", due 1963, at a price of 98½.

I recommend that his action be confirmed by the Board.

On motion of Mr. Armstrong, this action of the Comptroller was confirmed.

**QUARTERS FOR THE ENLISTED PERSONNEL OF THE
MILITARY DEPARTMENT**

(13) The War Department indicated that in accordance with the policy of retrenchment made necessary by the reduced appropriations for its work, it might be necessary to quarter at Chanute Field the enlisted personnel at the University on R.O.T.C. duty. To meet this emergency and to insure the continuance of good morale among these men while here, I offered the War Department the use of University buildings as temporary quarters for a maximum of twenty-five men. A committee consisting of Professor White, Chairman, Colonel Merry, and Dr. Beard recommended that the south wing of the hospital as it stands be used for barracks with the exception of the two west rooms, for the coming year.

I submit this report of my action in the emergency for approval and request authority to have the necessary changes made in the hospital to house the army men. The War Department will equip and operate the barracks and mess without expense to the University.

On motion of Mrs. Evans, the Provost's action in this matter was approved and the necessary changes in the building were authorized.

REGISTRATION IN MILITARY SCIENCE LIMITED

(14) A report of action by the Provost, after conference with the Military Department, the Health Officer, and the Dean of Men's Office, and the representatives of the War Department, limiting the registration in Military Science to 3,200 students.

This report was received for record.

X-RAY INSURANCE IN THE COLLEGE OF MEDICINE

(15) Pursuant to the action of the Board of Trustees on April 8 (page 222), referring to the President of the University for investigation and report the matter of insuring the operators of the X-ray apparatus in the research division against liability for accidents, this matter has been investigated for the President by the Comptroller, who recommends that this insurance be authorized.

The proposal is that the members of the staff of the Radiology Department who are concerned in the operation of X-ray equipment be provided with insurance at a cost of \$30 a year each. The protection would be \$5,000 in any one case and would provide for the defense of a suit, if any, and the payment of damages up to this amount in each case.

I recommend approval.

On motion of Mr. Barr, this recommendation was approved.

ASSOCIATION OF AMERICAN MEDICAL COLLEGES

(16) The Dean of the College of Medicine recommends that an appropriation of \$200 a year for five years be made to the Association of American Medical Colleges, of which the University is a member, for the purpose of making a survey of medical education.

I recommend approval, and recommend further that the funds be paid out of the appropriation for Educational Conferences.

This recommendation was approved.

REQUEST FROM ATTORNEYS FOR THE ILLINOIS OSTEOPATHIC ASSOCIATION

(17) A request from Mr. Louis G. Caldwell of the firm of McCormick, Kirkland, Patterson, and Fleming, Attorneys, asking permission to appear before the Board of Trustees in behalf of the Illinois Osteopathic Association.

This request was granted and Mr. Caldwell appeared and made a statement concerning the matter.

No action was taken.

APPOINTMENT OF DR. F. H. FALLS

(18) A recommendation by Dean D. J. Davis that Dr. F. H. Falls be appointed Professor and Head of the Department of Obstetrics and Gynecology, on three-fourths time, at a salary of \$7,500 a year, beginning October 1, 1925, or as soon thereafter as he may report for duty, and continuing until further notice.

I concur in this recommendation.

Dean D. J. Davis, who was present, made statements concerning this appointment and the other medical appointments following.

On motion of Mrs. Evans, this recommendation was approved.

CLINICAL FACULTY OF THE COLLEGE OF MEDICINE

(19) I recommend the approval of the following nominations submitted by the Dean of the College of Medicine for appointments to the clinical professorships and other clinical positions on the faculty of the College of Medicine; furthermore, that in general, the clinical staff of the College of Medicine (except the Department of Surgery) be reappointed on the same basis as last year, the President of the University being authorized to make the usual necessary modifications of the list.

On motion of Mr. Armstrong, these recommendations were approved.

APPOINTMENT OF DR. C. A. HEDBLOM

(20) A recommendation by Dean D. J. Davis that Dr. C. A. Hedblom be appointed Professor and Head of the Department of Surgery, on indefinite tenure, at a salary of \$7,500 a year, on a part time basis (approximately three-fourths time), beginning October 1, 1925, or as soon thereafter as he may report for duty. I concur.

On motion of Mr. Trees, this recommendation was approved.

APPOINTMENT OF PROFESSOR ROBERT M. OSLUND

(21) I recommend that Dr. Robert M. Oslund be appointed Assistant Professor of Physiology in the College of Medicine, for one year from September 1, 1925, at a salary of \$4,000.

On motion of Mrs. Ickes, this appointment was made.

APPOINTMENT OF PROFESSOR ANDREW IRVING ANDREWS

(22) On recommendation of Dean Ketchum, I have approved the appointment of Andrew Irving Andrews to the position of Assistant Professor of Ceramic Engineering for two years from September 1, 1925, at an annual salary of \$3,500, subject to confirmation by the Board.

On motion of Mrs. Evans, this appointment was confirmed.

APPOINTMENT OF PROFESSOR RAY STANLEY MARSH

(23) On recommendation of Dean Mumford, I have approved the appointment of Ray Stanley Marsh to the position of Assistant Professor of Horticultural Extension, for a period beginning September 8, 1925, and ending September 1, 1926, at a salary of \$3,000, subject to confirmation by the Board.

On motion of Mr. Wham, this appointment was confirmed.

APPOINTMENT OF PROFESSOR R. H. WILCOX

(24) I recommend the appointment of R. H. Wilcox to the position of Assistant Professor of Farm Organization and Management for ten months beginning October 1, 1925, and ending July 31, 1926, at a salary of \$300 a month.

On motion of Mr. Barr, this appointment was made.

CHANGE OF STATUS OF PROFESSOR H. C. M. CASE

(25) Dean Mumford recommends that the rank of Assistant Professor H. C. M. Case of the Department of Farm Organization and Management be increased to Associate Professor of Farm Management in the College, and Associate Chief in Farm Management in the Station, without any increase in salary. I concur in this recommendation.

On motion of Mr. Trees, this recommendation was approved.

WITHDRAWAL OF RESIGNATION OF DEAN F. B. MOOREHEAD

(26) At the meeting of the Board on July 28, President Kinley submitted the resignation of Dean F. B. Moorehead of the College of Dentistry. No action was taken on this matter.

Dean Moorehead has withdrawn his resignation and will remain as Dean of the College of Dentistry and Professor of Oral Surgery. His name and salary have been restored to the budget.

This report was received for record.

SALARY OF PROFESSOR H. B. DORNER

(27) Dean Mumford recommends, and I concur, that the salary of Professor H. B. Dorner be advanced from \$4,500 to \$5,000 a year (instead of \$4,750 as recommended in the budget), to be effective September 1, 1925.

On motion of Mrs. Evans, this recommendation was approved.

CHANGES IN FOUR HOME ECONOMICS EXTENSION TITLES

(28) Dean Mumford recommends the following changes in titles of four members of the Home Economics Extension Staff which were not indicated in the original budget:

ANNIE LOU MAXWELL

From Extension Specialist in Home Furnishings (E) to Associate in Home Furnishings Extension (E), 1 year from September 1, 1925

EDNA RUTH GRAY

From Extension Specialist in Clothing (E) to Associate in Clothing Extension (E), 1 year from September 1, 1925

GRACE BESSELENE ARMSTRONG

From Extension Specialist in Foods and Nutrition (E) to Assistant Professor in Foods and Nutrition Extension, 1 year from September 1, 1925

MARY ATTIE SOUDER

From Extension Specialist in Home Management (E) to Associate in Home Management Extension (E), 1 year from September 1, 1925

I concur in these recommendations.

On motion of Mr. Barr, these changes were approved.

REQUEST OF PROFESSOR H. S. GRINDLEY

(29) Professor H. S. Grindley has requested that he be relieved of the direction of the work of Chief in Animal Nutrition in the Department of Animal Husbandry in the Agricultural Experiment Station, and that his title be changed to Professor of Animal Nutrition and Associate Chief in Animal Nutrition, effective from September 1, 1925. Dean Mumford recommends approval of this request, and recommends further that Professor H. H. Mitchell be placed in charge of the work in Animal Nutrition, with the title of Professor of Animal Nutrition and Chief in Animal Nutrition.

President Kinley has approved this arrangement subject to approval by the Board.

On motion of Mr. Wham, this action was confirmed.

APPOINTMENT OF MISS MILDRED COVER

(30) As an emergency matter, I have appointed Miss Mildred Cover as secretary to the Dean of the College of Liberal Arts and Sciences from September 1, 1925, to March 1, 1926, at a total salary of \$1,050, or \$175 a month. This is a temporary appointment only. The salary is higher than we would ordinarily expect to pay for such a position on a more or less permanent basis; but in view of my absence it seemed to me best to have a person of Miss Cover's experience in the office.

I request approval of my action, with the understanding that this is a temporary measure and is not to be considered as establishing a precedent in other cases.

On motion of Mr. Barr, this appointment was approved.

RESIGNATION OF PROFESSOR FRANK W. SCOTT

(31) I report with regret the withdrawal from the faculty of Professor Frank W. Scott, Professor of English, Chairman of the Department of English, and Director of the courses in Journalism, to accept the position of editor-in-chief of an eastern publishing house.

This report was received for record.

APPOINTMENT OF PROFESSOR ERNEST BERNBAUM AS CHAIRMAN OF THE DEPARTMENT OF ENGLISH

(32) I recommend the change of status and salary of Professor Ernest Bernbaum of the Department of English from Professor of English, indefinite, at \$5,000, to Professor of English, indefinite, and Chairman of the Department, for one year beginning September 1, 1925, at a salary of \$6,000 a year.

On motion of Mrs. Evans, this appointment was made.

PRESIDENT'S CAR

(33) The Superintendent of Business Operations submits three propositions which he has received on the purchase of a new car for the President, in exchange for the present Lincoln car:

1. A Lincoln seven passenger Sedan, \$3,097, minus a possible additional credit on the present car.
2. A Cadillac custom built seven passenger Suburban, fully equipped, \$3,105.
3. A Packard Straight Eight, fully equipped, price \$5,350, and the agent proposes a credit of \$1,800, which makes the cost \$3,550.

He suggests that the purchase of a new car be authorized and referred to a committee with power.

I submit the matter without recommendation.

On motion of Mr. Armstrong, this matter was referred to the Executive Committee with power to act, and an appropriation of \$4,000, or so much thereof as may be necessary, was made from the Reserve and Contingent fund by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Grigsby, Mr. Small.

C.P.A. CERTIFICATE FOR MR. HENRY THOMAS CHAMBERLAIN

(34) The Committee on Accountancy has just received a statement from the Board of Examiners that an error was made in the original report of the examination of Mr. Henry Thomas Chamberlain. The Board now reports that Mr. Chamberlain passed the examination instead of having failed as originally reported.

The Committee recommends that Mr. Chamberlain be awarded a C.P.A. certificate as of May 22, 1925, the date of his examination. I concur in this recommendation.

On motion of Mr. Trees, this recommendation was approved.

REPORT OF ARTHUR YOUNG AND COMPANY, ACCOUNTANTS

(35) The following report of the audit of the receipts and disbursements of the University for the quarter ending June 30, 1925, by Arthur Young and Company, Accountants:

August 26, 1925

President, Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIR:

We have audited the Cash Receipts and Disbursements of the University of Illinois for the quarter ending June 30, 1925, and certify that the Receipts and Disbursements as embodied in the report of the Comptroller for that period, are in accordance with the books, and in our opinion, are correct.

Yours faithfully,

ARTHUR YOUNG & COMPANY.

This report was received for record.

REPORT OF CONTRACTS AND PURCHASE ORDERS

ATHLETIC ASSOCIATION RESEARCH PROJECT

(37) In accordance with the action of the Board of Trustees on May 16, 1925 (page 227), I recommend that the President be authorized to receive from the Athletic Association a sum sufficient to cover the salaries and expenses of the proposed research into the effects of physical training and athletics on the individuals who participate therein, and to proceed with the appointment of persons to be in charge of such work on its psychological side and of the clerical help needed.

On motion of Mr. Wham, this recommendation was approved.

LEAVE OF ABSENCE FOR DEAN K. C. BABCOCK

(38) The following recommendation from President Kinley:

I recommend that Dean K. C. Babcock be given a leave of absence on half salary from October 1, 1925, to April 15, 1926, not as a "sabbatical" leave in the ordinary sense, but in view of his long service without a break. During the twelve years that he has been here, Dean Babcock has had only three vacations of more than a few days, viz:—in 1915—five weeks; in 1920—three months and a few days, of sick leave on full pay; in 1922—five weeks; in 1924—five weeks; and has served as Director of the Summer Session for two summers without additional compensation.

On motion of Mrs. Evans, this leave was granted.

APPOINTMENT OF DEAN A. H. DANIELS AS ACTING DEAN OF THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(39) I recommend that Dean A. H. Daniels of the Graduate School be appointed also Acting Dean of the College of Liberal Arts and Sciences, to serve from October 1, 1925, to April 15, 1926, during the absence of Dean K. C. Babcock, at an additional salary of \$50 a month during the term of his service as Acting Dean.

On motion of Mrs. Ickes, this appointment was made.

COMMITTEE ON PORTRAIT OF PRESIDENT KINLEY

President Noble reported the appointment of the following committee to secure an artist to paint a portrait of President Kinley: Mrs. Evans, Mrs. Ickes, Mrs. Busey, Mr. Wham.

HOTEL RATES AT HOMECOMING

Mr. Trees presented the matter of unreasonable hotel rates during Homecoming and at similar times.

On motion of Mr. Armstrong, the President of the Board was requested to appoint a committee of three members to handle this matter.

President Noble appointed Mr. Barr, Mr. Armstrong, and Mr. Trees as members of this committee.

MEETING OF OCTOBER 13, 1925

The Executive Committee met in Chicago on Tuesday, October 13, 1925. Present, Dr. W. L. Noble, Mr. Merle J. Trees, and Professor J. M. White, Supervising Architect.

President Kinley reported his inability to be present but transmitted to the Committee the Supervising Architect's recommendations on the award of contracts for the setting of the two new boilers in the Boiler House and for a storm water sewer from Sixth and Armory Streets south and east a distance of about 1100 feet. The bids and recommendations were as follows:

For the setting of the two new boilers:

National Power Construction Co., Chicago.....	\$3,675.00
John Bennett, Urbana.....	3,870.00
Geo. Allen & Sons, Chicago.....	3,987.00
Nelson & Sons Co., Chicago.....	4,000.00
A. J. Bolan, St. Louis.....	4,250.00
English Brothers, Champaign.....	4,895.00

The Supervising Architect's recommendation was that the award be made to the low bidder, the National Power Construction Company, at their bid of \$3,675.

For the storm water sewer from Sixth and Armory Streets south and east a distance of about 1100 feet:

Christensen Brothers, Urbana.....	\$2,100.00
English Brothers, Champaign.....	4,868.00

The Supervising Architect recommended that the contract be awarded to the low bidder, Christensen Brothers Company, on the basis of their bid of \$2,100.

The Supervising Architect reported that the following bids had been received on the general contract for the enclosing of the bookstacks in the second unit of the Library buildings:

<i>Bidder</i>	<i>Bid</i>	<i>Alternate No. 1</i>	<i>Alternate No. 2</i>
A. W. Stoolman.....	\$ 78,487	— \$2,500	— \$2,100
English Brothers	94,456	— 4,800	— 3,913
Otto Randolph, Inc.....	133,195	— 3,815	— 2,010

The Supervising Architect recommended that the contract be awarded to A. W. Stoolman, the low bidder, on the basis of his bid of \$78,487, and also that Mr. Stoolman be allowed an extra of \$2,950 on his contract to cover an error in his bid due to an item of \$1,475 having been deducted instead of added.

Mr. White reported that these recommendations had all been presented to Mrs. Busey and that she had concurred in the recommendations.

The Executive Committee voted to award the three above contracts as recommended.

AGRICULTURAL MEMORIAL

Mr. Trees reported for the Committee on Agriculture a recommendation that the proposed plan for an Agricultural Memorial (Minutes, January 12, 1924, page 389) be not adopted, inasmuch as it is not in line with the general policy of the Board.

No action was taken on this matter.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

DEPARTMENT OF PUBLIC WELFARE

(1) A statement concerning the status of the relations of the University and the state Department of Public Welfare under the agreement of July, 1919.

Some developments in connection with the work of the Research and Educational Hospitals make it necessary in my opinion for the University to know just where it stands in the matter of its relationship to these hospitals. It is necessary particularly for us to know whether the original agreement, signed in 1919 by the Head of the Department of Public Welfare for the State, and myself for the Board of Trustees by their direction, is to be kept. If it is not to be kept it is necessary for us to know what is proposed in its place.

I bring up the matter now because I am informed that the heads of two of the divisions of the work of the Department of Public Welfare, namely the Institute of Juvenile Research and the Psychiatric Institute, have been instructed to move into the new hospitals. The agreement between the University and the Department of Public Welfare provides that the professional staff in charge of the work of the hospitals shall be drawn from the medical faculty of the University of Illinois. The heads of these two divisions of work are not appointed as such because of their connection with the faculty of the University of Illinois. It is necessary, then, for us to know whether the Director of Public Welfare can, under the agreement or in spite of it, put into this hospital lines of work in charge of people other than our professors of medicine. It seems to me that if he can do so conditions likely to lead to friction are at once established. Moreover, we do not know what our rights or privileges are.

I call your attention to the fact that the present Director of Public Welfare has informed me that he does not regard himself as bound by this agreement—the act of his predecessor. You will recall that soon after the present head of the Department came into office objection was made to the inclusion of the Illinois Charitable Eye and Ear Hospital in this group of Research and Educational Hospitals, although it was one of the group of hospitals specifically mentioned in the agreement and although appropriations had been made for the purpose of erecting a building for this hospital. As you know, the separate appropriations were finally pooled, including the University appropriation of \$300,000 for a clinical building and its later appropriation of \$500,000 for a research laboratory and library. We acquiesced in the oral proposal to omit the Eye and Ear Hospital (Minutes, April 12, 1922, page 187), but have never had in writing the acquiescence of the Head of the Department of Public Welfare.

It is evident that if two divisions of work whose staffs are independent of the University may be introduced into these hospitals, three may be so introduced, or four, or any number, and the agreement that the staff of these hospitals shall be drawn from the medical faculty of the University becomes of no effect. That will be a serious matter for the University College of Medicine. Therefore, I feel it my duty to lay the matter before you, to inform you that I have been unable to get a definite assurance of the exact relationship between the University and the Department of Public Welfare in connection with these hospitals and to ask, therefore, for instructions. In this connection I would call your attention to a letter recently received from Dean Davis in which he calls attention to the need for a larger number

of beds. He states that the University needs at least two hundred patients for proper instruction of medical students in the general hospital. He urges the need of a building to house the nurses and also a building for a training school for nurses. The University, he says, is now prepared to furnish at least a large part of the instruction necessary in such a school. A properly organized training school should materially diminish the expense of nursing. He points out that the building erected for the Children's Surgical Institute remains, up to the present, unequipped and unoccupied.

Dean D. J. Davis made a statement concerning this matter.

After discussion, on motion of Mr. Wham, this matter was referred to a special committee, consisting of Mr. Trees, Mr. Barr, and the President of the University, to confer with Governor Small and Director Jenkins and to report at the next meeting of the Board.

HESEL LAND

(2) The following recommendations:

1. I recommend that the Comptroller of the University be authorized and directed to offer Mr. J. F. Hessel of Champaign at once \$1,500 an acre for the forty-six and a fraction acres of land owned by him east of the Illinois Central track in the neighborhood of the Stadium.

On motion of Mr. Trees, this recommendation was concurred in.

2. I recommend that if Mr. Hessel refuses this offer condemnation proceedings be instituted by the University at once to secure this land. The land is needed in the work of the University. Our Experiment Station people need more land and this should be turned over to them for some of their purposes as soon as we get it. It will be needed also for purposes of physical education in so far as, and when, it is not in use for agricultural purposes and in the not distant future it will be needed for buildings. To permit it to be subdivided into city lots would block the necessary future development of the University since the value after subdivision and building would put it beyond the University's ability to purchase.

The Dean of the College of Agriculture and Director of the Experiment Station as well as his predecessor have both said that we need more land, the former estimating the amount necessary at a thousand acres and the latter five hundred acres. This land in connection with other recent purchases in that neighborhood would ease the situation somewhat.

On motion of Mr. Barr, the condemnation of this land was authorized.

On motion of Mrs. Grigsby, the President of the University was authorized to employ special legal counsel in this matter.

WAGES OF JANITORS

President Noble stated that representatives of the Building Service Employees International Union had requested a hearing concerning the wages of janitors employed by the University.

Mr. Carrothers, Mr. Nelson, and Mr. John Walker, who were introduced, made statements concerning this matter and retired.

On motion of Mr. Trees, this matter was referred to the President of the University for investigation and report.

The Board resumed its discussion of matters presented by the President of the University.

RESIGNATION OF DEAN EYCLESHYMER

- (3) The resignation of Dr. A. C. Eycleshymer of all his positions in the University.

On motion of Mrs. Evans, this resignation was accepted, to take effect January 1, 1926, and the President of the University was requested to express to Dr. Eycleshymer the regret and good wishes of the Board.

COLLEGE PLACE LOT 55

- (4) A letter from the Comptroller:

October 22, 1925

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

At the last meeting of the Board of Trustees on September 15th, authority was given for the purchase of Lot 55 in College Place from Maud C. Foster at a price of \$2,350. While not definitely stated in the minutes, the correspondence on the subject between Professor White's office and Mrs. Foster, and Professor White's letter of September 2nd to you, seems to indicate that the property would be sold at this price without any encumbrances for taxes and special assessments. On investigation, however, I found that special assessments amounting to \$37 and taxes amounting to \$10 were outstanding against this property. In taking the matter up with Mrs. Foster, I found that it was her understanding that the property would be conveyed at this price subject to unpaid taxes and assessments not yet due.

Lots 54 and 56 adjoining on the North and South were purchased for \$2,200 each, subject in both cases to current taxes and unpaid special assessments. It seems possible, however, that Mrs. Foster will not sell other than for a price of \$2,350, subject to the taxes and assessments referred to above. As the amount is small and the property essential for our purpose, I request authority to make the settlement on this basis if necessary.

Very truly yours,

LLOYD MOREY
Comptroller

I recommend approval.

On motion of Mr. Barr, the Comptroller was authorized to conclude this purchase for \$2,350, plus taxes and assessments.

RADIO STATION

At this point, Mr. Trees made a report of progress on the new radio station and withdrew.

McKINLEY HOSPITAL BUILDING EXPENDITURES

- (5) The Comptroller, Mr. Morey, reports to me in substance, under date of October 19, as follows:

The cash receipts of the McKinley Hospital fund to September 30, 1925 (i. e., excluding the Booth bonds), were \$200,346.31. The total obligations entered into on account of the building to that date were \$213,282.16.

The furnishing and operating equipment of the hospital were to be paid for from the so-called School of Aeronautics Fund, a balance left in the treasury from the operation of the School of Military Aeronautics. The amount of this fund is \$20,445, of which about \$18,000 has already been expended.

It is evident from these figures that the cost of the building with equipment and furnishings will exceed the present cash receipts from Mr. Kinley's donation and the Aeronautics Fund. It seems to me that it would be proper and desirable to credit this latter fund with the interest which it has earned to the date of its expenditure for hospital purposes.

It seems to me inadvisable to sell the Booth Fisheries bonds at present. It seems to me better that these be held, the income therefrom to be turned into the general fund of the University, until such time as the receipts therefrom will have recouped the University for a loan of \$15,000 with interest at 2 percent annually, as recommended in the following paragraph, to meet the cost of building and equipment in so far as it exceeds the cash receipts of the McKinley donation at the time of the completion of the hospital payments; and it seems to me advisable further that after that event the Booth Fisheries bonds, or such securities as the Board may substitute for them after maturity, be held as an endowment fund for the hospital, the annual income to be used when necessary, with the specific approval of the Board, to meet deficits in the necessary expenditures of the hospital, if such deficits should occur.

If this plan commends itself to you I recommend that you rescind your action of July 14, 1924 (see minutes of that date, page 6), whereby you authorized the sale of the McKinley securities, so far as that action concerns the Booth Fisheries bonds.

I recommend further that the sum of \$15,000 be appropriated from the Reserve and Contingent Fund to be added to the cash in the McKinley Hospital Building Fund in order to meet the necessary expenditure of completing and equipping the building;

(a) That the Booth Fisheries bonds, in face value \$25,000, be kept as security for this loan, the annual interest payments on it being paid into the University treasury to liquidate the principal debt of \$15,000 above recommended, together with the interest thereon at 2 percent per annum.

(b) That when the above debt has been thus liquidated, the Booth Fisheries bonds shall be held as an endowment fund for the operation of the McKinley Students' Hospital.

I further recommend that the so-called Military Aeronautics Fund be credited with interest at 2 percent from the time of its receipt and that an appropriation of \$2,569.63 be made from the Reserve and Contingent Fund to the credit of this Military Aeronautics Fund and used, like the principal, under your authority towards the equipment of the McKinley Hospital.

On motion of Mrs. Ickes, the action of July 14, 1924, authorizing the sale of the Booth Fisheries bonds, was rescinded.

On motion of Mrs. Ickes, an appropriation of \$15,000 was made from the Reserve and Contingent fund for the McKinley Hospital. The vote was as follows: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Small, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Trees.

On motion of Mrs. Evans, the recommendation concerning the treatment of the Booth bonds was adopted.

On motion of Mr. Wham, an appropriation of \$2,569.63 was made from the Reserve and Contingent fund as interest on the Military Aeronautics fund, to be used for equipment for the McKinley Hospital. The vote was as follows: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Small, Mr. Trees.

PROPOSED CONCRETE BASEBALL GRAND STAND ON ILLINOIS FIELD

(6) I submit the following letter from Mr. Roseberry and Judge Harker, respectively Clerk and Secretary of the Board of Directors of the Athletic Association:

October 19, 1925

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

At the regular monthly meeting of the Board of Directors of the Athletic Association of the University of Illinois, the following motion was favorably acted upon:

"Judge Harker moved that the Board of Directors of the Athletic Association of the University of Illinois request the Board of Trustees of the University of Illinois to grant to the Athletic Association the privilege of building a concrete baseball grand stand on Illinois Field.

Seconded by E. I. Burke and carried."

Will you kindly present this matter to the Board of Trustees of the University for action? It is understood of course that the Athletic Association will meet the expense of erecting this concrete stand.

Very sincerely yours,

C. J. ROSEBERRY

Clerk of the Board

O. A. HARKER

Secretary of the Board

On motion of Mrs. Grigsby, this matter was referred to the Committee on Buildings and Grounds for investigation and report as soon as possible.

BIDS ON MEN'S GYMNASIUM ADDITION

(7) In accordance with instructions given at the last meeting of the Board, the Supervising Architect asked for and has received bids on the Men's Gymnasium addition revised in accordance with certain changes in the specifications.

<i>Bidders</i>	<i>Former Bid</i>	<i>Amount Deducted</i>	<i>Net</i>
English Brothers	\$197,998	\$36,000	\$161,998
A. W. Stoolman.....	199,987	26,400	173,587

The Supervising Architect recommends that this contract be awarded to English Brothers on the basis of their bid of \$161,998 and I join in the recommendation.

Mr. Barr offered a motion that this recommendation be concurred in.

Mrs. Evans offered as a substitute a motion that all bids be rejected and new bids be advertised for. The substitute motion was lost, and the original motion to concur was adopted.

At this point President Noble, being called from the room, requested Mr. Wham to act as chairman, and Mr. Wham presided during the rest of the afternoon.

SPECIAL ASSESSMENT NOTICE—URBANA LIGHTING SYSTEM

(8) The Supervising Architect sends me a special assessment notice showing the University's assessment on account of the Urbana Southern Ornamental Lighting System, to be \$1,148.21, plus interest, and recommends that the University agree to the assessment.

I concur and so recommend.

On motion of Mrs. Busey, this assessment was accepted.

REPORT OF ACCOUNTANTS ON MEMORIAL STADIUM FUND

(15) The Comptroller transmits the audit of the accounts of the Memorial Stadium by Arthur Young & Company, accountants. This report properly comes to the Board because the Board has been acting as custodian and trustee of this fund.

October 2, 1925

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

I transmit to you herewith the audit report of Arthur Young and Company, accountants, covering the Memorial Stadium Fund for the year ending June 30, 1925.

The Comptroller's report referred to appears on page 376 of the minutes of July 28th.

Cordially yours,

LLOYD MOREY
Comptroller

September 15, 1925

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRs:

We have audited the accounts of the Memorial Stadium Fund of the University of Illinois for the year ending June 30, 1925, and certify that the statement of the Fund appearing in the Comptroller's report for the year ending June 30, 1925,¹ is correct.

BOND FOR MUSEUM ARTICLES IMPORTED

(16) A recommendation that the following resolution be adopted.

RESOLVED: That Lloyd Morey, Comptroller, and H. E. Cunningham, Secretary of the Board of Trustees of the University of Illinois, be and hereby are authorized to execute a bond in the name of the Board of Trustees of the University of Illinois to the United States of America in the sum of Five Hundred Dollars (\$500) covering articles being imported for exhibition in the Museum of European Culture at the University of Illinois, described in entry No. 6469 of the port of New York, as a guarantee that these articles will not be sold or offered for sale.

On motion of Dr. Noble, this resolution was adopted.

OSTEOPATHIC PRACTICE AND MCKINLEY HOSPITAL

(17) Each member of your Board received some time last month a copy of a letter from McCormick, Kirkland, Patterson & Fleming, Attorneys, through Mr. Louis Caldwell, presenting an agreement concerning the regulations adopted by the Board setting a standard for admission to practice in the McKinley Hospital. Our Legal Counsel informs me that the Board is within its rights in this matter and I recommend, therefore, that the Legal Counsel be authorized to inform Mr. Caldwell that the Board does not think it well to change the standard which it has set up in this matter.

On motion of Mrs. Ickes, this recommendation was adopted.

MURAL DECORATIONS IN THE LIBRARY

(18) The Supervising Architect informs me that Mr. Charles A. Platt and Mr. Barry Faulkner were at the University on Friday and Saturday, the 16th and 17th, for conference on the plans for the new Architectural building and the mural decorations in the Library. He reports some definite progress on the former.

Agreeing with Mr. Platt, Professor White recommends that Mr. Barry Faulkner be engaged to do the mural painting in the new Library and that Mr. Faulkner is willing to accept the commission for the remuneration provided in your appropriation—namely \$8,000—plus his necessary traveling expenses which according to Professor White, will probably mean two trips. Professor White quotes Mr. Faulkner to the effect that it will take at least eight months to complete our work.

On motion of Dr. Noble, this matter was referred to the Committee on Buildings and Grounds for investigation and report.

**INSPECTION OF STUDENT ROOMING HOUSES AND
CONDITIONS OF LIVING**

(19) I request an appropriation of \$500 from the Reserve and Contingent Fund in order to make an inquiry into the conditions of living, lodging, and other conditions among our students.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Small, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Trees.

**REQUEST OF Y. M. C. A. COMMITTEE TO PURCHASE
DAVENPORT HOUSE**

(20) A committee consisting of Mr. Roger Zombro, Mr. A. M. Burke, and Mr. Louis B. King, representing the Board of Directors of the Y. M. C. A. asked informally whether the Board would consider selling the Davenport property in order that they might build on that corner, their intention being to purchase the sorority house at the corner of Daniel and Wright streets.

On motion of Mrs. Busey, the President of the University was directed to inform the committee that the Davenport House is not for sale.

At this point, Mrs. Grigsby withdrew.

CAHOKIA MOUNDS

(21) Some weeks ago Professor Warren K. Moorehead, who directed for the University certain explorations of the Cahokia Mounds near East St. Louis, wrote me stating that the Baltimore and Ohio Railroad has bought land south of the main group of these mounds, including Mound 66. Professor Moorehead states that he and other authorities think this is an Indian burial mound and suggests that if the Railroad intends to level this mound the University should endeavor to secure any relics that it may contain.

Inasmuch as action may be taken suddenly and the University will lose this opportunity if it is not prepared, I request that the sum of \$1,000 be appropriated from the Reserve and Contingent Fund to be expended under authority and direction of the President of the University for expenses connected with securing from Cahokia mound No. 66 such relics, photographs or other educational exhibits as may be possible under the circumstances, if the Railroad cuts into it.

On motion of Mrs. Ickes, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Small, Mr. Wham; no, none; absent, Mr. Armstrong, Mr. Blair, Mrs. Grigsby, Mr. Trees.

COLLEGE PLACE LAND PURCHASED

(22) A report of land purchased.

October 14, 1925

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

In order to complete the records, I am writing to report the conclusions of the purchase of various tracts of land, the purchase of which was authorized by the Board at various times during the past year, or so, as follows:

Cordially yours,

LLOYD MOREY,
Comptroller

This report was received for record.

ALLOWANCE OF PRESIDENT JAMES

(23) The Comptroller asks directions as to the "disposition of the monthly allowance of President James for the month of June and for any subsequent time that it is to be paid." I recommend that the June installment be paid and that payments cease with that.

On motion of Mr. Barr, this recommendation was approved.

SALARY OF MR. C. E. JANVRIN

(24) A recommendation that the portion of the salary of Mr. C. E. Janvrin, Librarian of the Natural History library, assumed by the University be \$1,400 instead of \$1,200, effective September 1, 1925.

On motion of Mrs. Evans, this recommendation was concurred in.

**HEAD OF DEPARTMENT OF OBSTETRICS
AND GYNECOLOGY**

(25) Dean D. J. Davis of the College of Medicine recommends that Dr. Charles S. Bacon be appointed temporarily as head of the Department of Obstetrics and Gynecology on one-half time, with salary at the rate of \$5,000 a year, until Dr. Falls can join us, or some one else if he finally decides not to come.

I concur in this recommendation.

On motion of Mrs. Ickes, this recommendation was adopted.

APPOINTMENT OF DR. ROBERT W. KEETON

(26) Dean Davis, on the recommendation of Dr. Williamson, asks the appointment of Dr. Robert W. Keeton as Associate Professor of Medicine on half time at a salary of \$3,500 per year as of October 1, 1925—tenure indefinite.

I concur in the recommendation.

On motion of Mrs. Evans, this appointment was made.

APPOINTMENT OF C. W. REAGAN IN PRINT SHOP

(27) Mr. H. E. Cunningham, Director of the University Press, recommends that Mr. C. W. Reagan be appointed Superintendent of the Print Shop at a yearly salary of \$3,600, beginning September 1, 1925, and continuing until September 1, 1926.

I recommend approval.

On motion of Mr. Barr, this appointment was made.

SALARY OF DEAN CANTER

(28) Dean Babcock recommends some addition to the salary of Dean Canter, either as Professor or Assistant Dean. I recommend that \$250 be added to Dr. Canter's salary as Professor, making his total salary \$5,000.

On motion of Mr. Noble, this recommendation was adopted.

SALARY OF DEAN F. B. MOOREHEAD

(29) I recommend that the salary of Dr. F. B. Moorehead, Dean and Professor in the College of Dentistry, be made \$5,000 a year as of September 1, 1925, on a half time basis instead of \$4,200 as it is now.

On motion of Mrs. Evans, this recommendation was approved.

CANDIDATES FOR DEGREES

BURRILL AVENUE A ONE-WAY STREET

(31) The Supervising Architect recommends that Burrill Avenue, from Green Street to Springfield Avenue, be made a one-way street with traffic from south to north only.

I recommend approval.

On motion of Mr. Noble, this recommendation was approved.

OFFER OF A PRIZE TO THE COLLEGE OF MEDICINE

(32) Dr. Frank Smithies has written Dean Davis offering to give each year one hundred dollars to be awarded as a prize to a student or faculty member in our College of Medicine who has submitted during the year the most useful piece of original work dealing with diseases of the alimentary tract. His letter provides that a committee shall be appointed by the Dean to serve for one year. He states that he will support this prize, which he wishes to be known as the William F. Beaumont Memorial Award, during his lifetime and that endeavor will be made to devise a method whereby after his death the award may continue indefinitely.

After careful consideration of this proposal and its conditions and in view of the Board regulation concerning scholarship and prize funds, I ask authority of the

Board to decline the offer as not being in accord with our general policy. Dean Davis also thinks it would be unwise for us to accept this gift.

On motion of Mr. Barr, the President of the University was authorized to decline this gift, with thanks.

AUDITOR'S REPORT

Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIRs:

We have audited the accounts of the University of Illinois for the quarter ending September 30, 1925.

The Treasurer's Receipts and Disbursements embodied in the report of the Comptroller are in accordance with the books and are correctly stated.

We have verified all items of Cash, Investments, and Receivables as shown in the Balance Sheet.

We have also verified in total all disbursements made on account of the University by the State Auditor.

In our opinion the statements contained in the Comptroller's report reflect the true financial condition of the University at September 30, 1925.

Yours faithfully,

ARTHUR YOUNG & Co.

CONTRACT FOR KUNZ CELL

(35) A recommendation that the following contract be authorized.

AGREEMENT

THIS MEMORANDUM OF AGREEMENT made and entered into thisday of....., 1925, by and between the BOARD OF TRUSTEES of the UNIVERSITY OF ILLINOIS, of Urbana, Illinois, a corporation, hereinafter called the "Licensor," and De FOREST PHONOFILMS, INC., of the City of New York and State of New York, a corporation, hereinafter called the "Licensee," WITNESSETH:—

THAT WHEREAS, the Licensor is the Owner of United States Letters Patent to Jacob Kunz, dated June 14, 1921, and numbered 1,381,474;

AND, WHEREAS, the Licensee desires an exclusive license to manufacture, use and sell devices for the reproduction of photographic sound waves which come within the claims of said letters patent.

NOW, THEREFORE, For and in consideration of One Dollar (\$1.00) and other good and valuable considerations, by each to the other in hand paid, receipt of which is hereby acknowledged, and in further consideration of the mutual covenants and agreements hereinafter contained, the parties hereto mutually covenant and agree as follows:—

1. The Licensor hereby grants unto the Licensee the sole and exclusive right to manufacture, use and sell devices for use exclusively in transforming the photographic record of sound waves into current variations corresponding thereto, during the remainder of the life of said letters patent.

2. The rights of the Licensee are specifically limited to the particular devices when used for the particular use specified, and shall not, by inference or otherwise, be interpreted to embrace other devices or other uses of the same device than the one use above set forth, all other devices and all other uses of the same or other devices being reserved unto the Licensor, including the right to make and sell the same device when used for other purposes.

3. The Licensor reserves unto itself the right to make, or have made for it and to use for research work or to sell to others for research work only, any and all devices coming within the claims of said letters patent whether same be embraced within the terms of this license or not.

4. The Licensee agrees to pay unto the Licensor, as royalty, the sum of Two Dollars (\$2.00) for each and every device manufactured and used or manufactured and sold by it under the terms of this agreement.

5. The Licensee shall have the right, if it so desires, to have the devices manufactured by others for it.

6. The Licensee agrees to keep a careful and accurate account of the number of devices embraced within the terms of this agreement which are manufactured by or for it, of the number used by it and of the number sold by it, said account to be kept in permanent record form and to be open to inspection by the Licensor or its designee at any and all reasonable times.

7. For the purpose of accounting, the year shall be divided into quarterly periods beginning on the first days of January, April, July, and October of each year. The Licensee shall prepare and deliver to the Licensor, within fifteen (15) days after the close of each quarterly period, a complete report, sworn to if requested by the Licensor, setting forth the total number of devices manufactured by or for it under this license during the immediately preceding quarter and also the number of such devices used or sold by it during said period. Payment in full for all royalties due for such period shall accompany each such report.

8. In case the field of the Licensee hereunder is invaded by an infringer of said letters patent during the life of this agreement, the Licensor agrees that it will, upon the written request of the Licensee and at the Licensee's sole expense, bring such suit or suits against such infringer or infringers as the said Licensor may deem advisable. In case such suit or suits are started, the Licensee shall, if the Licensor requests, enter into good and sufficient bond approved by the Licensor to protect the Licensor against all costs and damages arising from said suit.

9. Every device made and sold hereunder shall bear such patent markings as are required by section 4900 of the Revised Statutes of the United States and shall also bear such restrictions as to use as shall fully comply with the terms of this agreement and as such shall be approved, from time to time, by the Licensor.

10. The Licensee agrees to use all reasonable efforts to promote the manufacture, use and sale of the devices licensed hereunder and agrees that, for failure to do so or for failure to supply any and all reasonable demands for said devices, the Licensor shall have the right to terminate this license.

11. The Licensor shall have the right to terminate this agreement if the Licensee shall fail or refuse to comply fully with the terms hereof. In case the Licensor desires to terminate this agreement because of any default of the Licensee, the Licensor shall serve notice in writing upon the Licensee stating the character of such default and its intention to terminate this agreement. The Licensee shall then have thirty (30) days within which to comply with the terms of this agreement and in case of its failure to do so, this agreement shall become *ipso facto* terminated.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their proper officers in their official capacities and their corporate seals hereunto attached at Urbana, Illinois, the day and year first above written.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

November 19, 1925

The November meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a. m. on Thursday, November 19, 1925.

The following members were present: President Noble, Mr. Armstrong, Mr. Barr, Mr. Blair, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees, Mr. Wham.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of October 23, 1925. The minutes were approved as printed on pages 409 to 455 above.

MURAL DECORATIONS FOR LIBRARY

Mrs. Ickes presented the following report of the Committee on Buildings and Grounds.

A meeting of the Buildings and Grounds Committee of the Board of Trustees was held in Urbana on Friday, November 6, 1925, at 2:30 p. m.

Present: Mrs. Ickes, Chairman, Mr. Armstrong, Mrs. Grigsby, and President Kinley.

The committee inspected a portfolio of photographs of Mr. Barry Faulkner's murals and also the drawing submitted by Mr. Platt showing the location of the murals in the stair hall of the New Library.

The Committee recommends that Mr. Faulkner be given the commission to paint these murals but that the studies for the panels are to be approved by the Board of Trustees, the whole work to be done within the appropriation already made therefor. (This may be increased by possibly \$250 to cover traveling expenses.)

ANNA W. ICKES, *Chairman*
HELEN M. GRIGSBY
J. W. ARMSTRONG
W. L. NOBLE
FRED L. WHAM

On motion of Mrs. Ickes, this report was adopted.

COMMITTEE ON HOTEL RATES

Mr. Trees suggested that it might be well to continue the special committee on hotel rates in Champaign and Urbana.

On motion of Mr. Blair, this committee was continued.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

WAGES OF JANITORS

(1) A statement showing the amount of wages paid to janitors in University buildings.

During the presentation of this item, Mr. Blair withdrew.

On motion of Mrs. Evans, this report was accepted and placed on file.

On motion of Mr. Barr, the President of the University was requested to inquire into the whole matter of the wages of the janitors, and to make recommendations at the next meeting of the Board if he finds any basis for readjustment in individual cases, or for the adoption of a new scale.

PHARMACY BUILDING

(2) A report of progress on the plans for the new Pharmacy building and a request that Dean W. B. Day and Mr. Richard E. Schmidt be heard concerning the plans.

Mr. Schmidt presented sketches and preliminary plans, and Dean Day made a statement concerning them.

On motion of Mr. Trees, the report of progress was received for record.

APPROPRIATION FOR SCHOOL OF PHARMACY

(3) Dean Day feels the need of an additional appropriation of \$1200 (\$600 for operation and \$600 for equipment) to the 1925-26 budget of the School of Pharmacy, due to the increased enrollment.

I recommend that an addition of \$1200 be made from the Reserve and Contingent Fund to the Pharmacy budget.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

DEATH BENEFIT FOR ESTATE OF RALPH PRITCHARD

(4) A report of the death in October of Mr. Ralph Pritchard, for more than fifteen years an employee of the department of Horticulture, and a recommendation that the Comptroller be authorized to pay to the legally constituted representatives or beneficiaries of Mr. Pritchard's estate, eight hundred ten dollars, being one-half of his annual salary.

On motion of Mr. Trees, this payment was authorized. The appropriation was made from the Reserve and Contingent fund by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

APPROPRIATION FOR WATER BILL AGAINST CHICAGO BUILDINGS

(5) The City of Chicago has rendered a bill against the University for water furnished the Medical Building, Dental Building, Pharmacy Building, and the Juvenile Research Building for three years from November, 1922, to the present date. It seems that in 1922 a revised ordinance eliminated the exemption of State Departments as well as Public Schools which had been effective in the old ordinance and as a result of which neither the College of Physicians and Surgeons nor the University ever paid anything for the water supplied them by the city. Neither the Comptroller's office nor the Business Manager's office of the Chicago Departments knew they were being assessed. The full amount, however, has been assessed as a current bill and provides for a discount of twenty-five percent (25%) if the bill is paid before November 21, 1925.

The Legal Counsel says that the University should, under the law, pay these assessments. I recommend that an appropriation of \$2,750 be made from the Reserve and Contingent Fund to pay the city of Chicago for water used in our Chicago departments for three years from November, 1922, when bills are approved by the President.

On motion of Mr. Wham, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

AGREEMENT WITH THE NATIONAL BRICK MANUFACTURERS' ASSOCIATION

(6) Dean M. S. Ketchum submits an agreement for a proposed investigation of drying clay wares by the Engineering Experiment Station in cooperation with the National Brick Manufacturers' Association.

I recommend that this agreement be entered into.

On motion of Mr. Barr, this agreement was authorized.

ADDITIONAL APPROPRIATION FOR BUSINESS OFFICE

(7) The Comptroller feels the need of an additional clerk in the Bursar's Division whose services will require an addition of \$600 to the Business Office budget.

I recommend that an appropriation of \$600 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Evans, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

OFFER OF BONDS OF THE COLLEGE OF PHYSICIANS AND SURGEONS

(8) The Comptroller reports that he has been offered \$600 of the bonds of the College of Physicians and Surgeons outstanding against the Dental Building, due in 1932, at par and accrued interest.

I recommend that this purchase be authorized at not more than par and that an appropriation of \$600 be made from the Reserve and Contingent Fund for this purchase.

On motion of Mr. Armstrong, this purchase was authorized, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

AGRICULTURAL ADVISORY COMMITTEES

I concur in these recommendations.

On motion of Mrs. Evans, these committees were approved.

HESSEL PROPERTY

- (10) A report of progress on negotiations about the Hessel property.

This report was received for record.

REPORT ON LOT 55, COLLEGE PLACE

- (11) The Comptroller reports under date of October 27 that he has concluded the purchase of Lot 55 in College Place from Mrs. Maude Foster at a price of \$2,350 subject to general property taxes for 1925 (estimate \$10) and to unpaid special assessments not yet due (estimate \$37)—in accordance with the action of the Board of Trustees on September 15 and as modified on October 23.

This report was received for record.

**THEFT OF MICROSCOPES IN THE DEPARTMENT
OF OPHTHALMOLOGY**

- (12) The Comptroller reports that six microscopes which were in use at the New Hospital in the Department of Ophthalmology were stolen some time between Saturday noon, October 17, when the microscopes were locked up, and Tuesday morning, October 20, when the storeroom was opened to get them out. It seems that every reasonable precaution was taken to protect these instruments against theft and every effort has been made since their loss to recover them. At this time no trace of them has been found.

This report was received for record.

REPORT OF CONTRACTS

- (13) The Comptroller's report of contracts and purchase orders since the last meeting from October 21 to November 16, 1925.

THEFT OF MINERAL SPECIMENS FROM NATURAL HISTORY BUILDING

(14) Curator Frank C. Baker of the Natural History Museum reports that some time between one p. m. Sunday, November 15, and early Monday morning, November 16, a case of gem minerals, situated in the southwest corridor of the Natural History Building on the lower floor, was broken into. As far as can be determined only three small specimens of synthetic ruby were taken.

This report was received for record.

REPORT ON OPERATION OF THE ACCOUNTANCY LAW OF 1903

(15) By act of the 54th General Assembly the administration of the law regulating the certification of public accountants was taken from under the charge of the University, where it had been for more than twenty years. I submit reports on this matter from Mr. G. P. Tuttle, Secretary of the Committee on Accountancy, and from Mr. Lloyd Morey, Comptroller. These reports review the work of the University in connection with the Accountancy Act and show the University's receipts and expenditures in connection therewith.

I request that these reports be printed in the Minutes of the Board.

THE UNIVERSITY AND THE ACCOUNTANCY ACT

By Act of the Legislature approved May 15, 1903, and in force July 1, 1903, the University assumed the responsibility of examining and certifying public accountants in this State. By Act of the Legislature effective October 1, 1925, the University's connection with this matter ceased.

The Board of Trustees of the University on June 8, 1903, placed the supervision of all matters under the law in the hands of a Committee under the immediate supervision of the President of the University, and adopted rules for the conduct of the examinations. From time to time minor changes have been made in these rules by the Board, but the supervision of the law has continued from the beginning in the hands of this Committee. The records of the Committee have been kept by the Registrar of the University and are now filed in his office. The records are complete from July, 1903, to October 1, 1925. The membership of the University Committee through the years has been as follows. The dates after each name indicate the term of service:

DAVID KINLEY.....	1903-1918
MAURICE H. ROBINSON.....	1903-1914, 1918-
WILLIAM L. PILLSBURY.....	1903-1910
CHARLES M. McCONN.....	1910-1920
EDWARD H. DECKER.....	1914-1919
HENRY WINTHROP BALLANTINE.....	1919-1920
GEORGE P. TUTTLE.....	1920-
JOHN N. POMEROY.....	1920-1924
WILLIAM EVERETT BRITTON.....	1924-

Under the law the University has been charged with the appointment of a board of three examiners, at least two of whom must have been "skilled in the practice of accounting and actively engaged therein in the State of Illinois, and the third either an accountant or an attorney skilled in commercial law." The original Board of Examiners appointed by the Board of Trustees June 8, 1903, on the recommendation of the President of the University, was composed as follows, the dates indicating the term of service:

ALDEN W. DUNNING, C.P.A.....	1903-1906
ERNEST RECKITT, C.P.A.....	1903-1907
CLARENCE W. KNISELY, C.P.A.....	1903-1908

Others who have been appointed by the Board of Trustees to serve on the Board of Examiners, with their terms of service indicated, are:

STEPHEN S. GREGORY.....	1906-1909
ROBERT S. BUCHANAN, C.P.A.....	1907-1910
WILLIAM A. CHASE, C.P.A.....	1908-1911
SILAS H. STRAWN.....	1909-1912
JOHN H. COOPER, C.P.A.....	1910-1913
WILLIAM E. SEATREE, C.P.A.....	1911-1914
MARQUIS EATON.....	1912-1915
PETER WHITE, C.P.A.....	1913-1914
CHARLES M. DELANEY, C.P.A.....	1914-1917
JAMES HALL, C.P.A.....	1914-1917
NATHAN WILLIAM MCCHESENEY.....	1915-1918
ALBERT T. BACON, C.P.A.....	1917-1919
ROBERT O. BERGER, C.P.A.....	1917-1920
BARRY GILBERT, LL.B.....	1918-1921
ALBERT T. BACON, C.P.A.....	1919-1922
EDWARD E. GORE, C.P.A.....	1920-1923
HARRY J. DUNBAUGH, A.B., LL.B.....	1921-1924
JAMES P. MCGREGOR, C.P.A.....	1922-
FREDERICK B. ANDREWS, C.P.A.....	1923-
WALTER F. DODD, Ph.D.....	1924-

From 1903 to date a total of 2,293 different candidates have taken the C.P.A. examination. Of this number 563 have been successful and have received certificates. In addition 103 certificates have been issued under the waiver clause. The total number of certificates issued is, therefore, 666. Two of these were issued to one person, so that the total number of certificate holders is 665.

G. P. TUTTLE

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I am sending per your request statements showing the operation of the Certified Public Accountancy Fund from the time the fund was established to date. The first statement shows the gross receipts and disbursements and the present balance. The second statement shows an analysis of expenditures for the past ten years which will give a good idea of the purposes for which the fund has been used.

In the last four years a definite effort has been made by the Registrar's office to charge to this fund all clerical service relating to the work. In former years,

however, it is not likely that the fund was charged with all of this service. The fund has not, of course, borne at any time any expense of University overhead. On the other hand, the University has had the use of this fund and the return on it at the rate of two percent per annum during the entire period.

Very truly yours,

LLOYD MOREY
Comptroller

REPORT OF ACCOUNTANCY COMMITTEE

(16) The report of the University Committee on Accountancy for the year ending June 30, 1925.

REPORT OF THE UNIVERSITY COMMITTEE ON ACCOUNTANCY

Dr. David Kinley, President

DEAR MR. PRESIDENT:

The University Committee on Accountancy respectfully submits, herewith, a report of its work for the year ended June 30, 1925.

Personnel

The membership of the University Committee has been as follows: Professor M. H. Robinson, Chairman; Professor W. E. Britton; Registrar G. P. Tuttle, Secretary, *ex-officio*. Mr. D. A. Grossman, Examiner in the Registrar's Office, has served again as Clerk of the Committee.

The University Committee recommended the appointment of Mr. Walter F. Dodd, Ph.D., of Chicago to the Board of Examiners to succeed Mr. Harry J. Dunbaugh, LL.B., whose term expired June 30, 1924. You presented his name to the Board of Trustees, the Board approved the appointment and Mr. Dodd accepted it. The organization of the Board has been as follows:

Mr. JAMES P. MCGREGOR, C.P.A., *Chairman*
Mr. FREDERICK B. ANDREWS, C.P.A., *Secretary*
Mr. WALTER F. DODD, Ph.D.

Examinations

Two examinations have been held during the year, one on November 13, 14, 1924, and another on May 21, 22, 1925. The November examination was given in the city of Chicago. The May examination was given at Urbana and at Chicago.

One hundred sixty-one candidates were examined in November and two hundred thirty-four in May, making a total of three hundred ninety-five for the year. Ninety-four of these candidates were successful and have been awarded the certificate as follows:

Use of Institute Questions Abandoned

For a number of years the Board of Examiners before each examination has considered and adopted as its own for use in its examinations questions prepared by the American Institute of Accountants. However, the plan was abandoned and the Illinois Board prepared its own questions for the May examination.

Amendment of C.P.A. Law

By Legislative Act effective October 1, 1925, the University's connection with the examining and certifying of public accountants in this state ceased.

Financial Statement

The balance on hand at the beginning of the present fiscal year was \$11,214.93. The receipts for the year were \$10,148.75. The total disbursements were \$4,389.95. These include a charge of \$44 for a typewriter appearing on the Business Office books, which should have been entered against another fund. This error has been corrected. The balance in the fund at the close of the fiscal year as appearing on the Business Office books was \$16,973.73.

The receipts and expenditures for the year are as follows:

PLYM FELLOWSHIP COMMITTEE

(17) On nomination of the Head of the Department of Architecture and the Dean of the College of Engineering, I requested the following gentlemen to serve on the Plym Fellowship Committee for the year 1925-26:

Mr. HARRY B. WHELOCK, *President*
Chicago Chapter, American Institute of Architects
 Mr. J. C. LLEWELLYN
 Mr. ALFRED H. GRAINGER
 Mr. HOWARD L. CHENEY

Professor L. H. PROVINCE is also a member of this committee *ex officio*. They have all accepted.

This report was received for record.

CARTER ESTATE

(18) A report concerning the Carter Estate and the Carter-Pennell Trust.

This report was received for record.

PARR PROCESS

Mr. Armstrong made a report on the progress of the negotiations for the sale of the University's interests in the Parr process.

No action was taken in this matter.

BASEBALL GRANDSTAND

Mrs. Ickes presented the following report of the Committee on Buildings and Grounds:

*The charge should have been made against the Entrance Examination Fund and the charge to that Fund has now been made. 10-28-25.

The Buildings and Grounds Committee met at the University November 6th to consider the matter of building concrete bleachers on Illinois Field, this matter having been referred to the Committee at the October meeting of the Board. Members present were Mrs. Ickes, Mrs. Grigsby and Mr. Armstrong. President Kinley, Professor White, Director Huff, Judge Harker, and Mr. Roseberry were present, also Assistant Dean Jordan who was representing the City of Urbana.

President Kinley read a letter from Mr. Scheidenhelm, President of the Alumni Association, pertaining to the opening of Main Street through Illinois Field and imploring the Board not to permit this street to be opened. This matter was carefully considered and this Committee wishes to go on record as not in favor of opening a street through Illinois Field.

It was stated that the approximate life of wood bleachers is seventeen years and that the first cost would be about one-third that of concrete. In consideration of this and our inability to foresee the development of the University so far in advance and also the possibility that before the expiration of that time it may be found desirable to locate all physical activities near the new Gymnasium and Stadium, we recommend that wood bleachers be constructed.

Respectfully,

ANNA W. ICKES, *Chairman*
HELEN M. GRIGSBY
FRED L. WHAM
J. W. ARMSTRONG
W. L. NOBLE

On motion of Mr. Trees, the statement concerning a street was adopted.

On motion of Mr. Trees, the construction of wood bleachers on Illinois Field was authorized.

MEETING OF THE EXECUTIVE COMMITTEE NOVEMBER 13, 1925

The Secretary presented for record the minutes of a meeting of the Executive Committee.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held on call of the President at the Research and Educational Hospitals, Chicago, Illinois, November 13, 1925.

The President of the University submitted a statement from Professor James M. White, Supervising Architect, that bids had been received on the tile draining of the Parade Ground on November 9 as follows:

Christensen Brothers.....	\$2,633.85
English Brothers.....	6,169.00

On recommendation of the Supervising Architect to him, the President recommended that the contract for this tile draining be awarded to the low bidder, Christensen Brothers, at the figure bid by them as indicated above.

On motion of Mrs. Busey, the Committee voted to award the contract as recommended; namely, to Christensen Brothers at the figure \$2,633.85.

REPORT OF FIRES

President Kinley reported concerning several small fires in the West Residence Hall.

This report was received for record.

Mr. Blair joined the Board during the presentation of this report.

ASSOCIATION OF GOVERNING BOARDS

Mrs. Evans made a statement concerning the Association of Governing Boards of Universities, and offered a motion that the University join this Association. After discussion, the motion was lost.

PROGRESS OF BUILDINGS

Mr. Armstrong raised the question of the rate of progress on buildings now under construction. This matter was discussed, but no action was taken.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record a list of appointments made by the President of the University.

Bean, F. J., Medical Adviser for Men and Assistant in Hygiene, for nine and one-half months beginning November 15, 1925, at a cash compensation of one thousand nine hundred dollars (\$1900).¹ (October 26, 1925)²

Blevins, Lusettie, Typist in Anatomy, in the College of Medicine, for ten months beginning November 1, 1925, subject to the rules of the Civil Service Commission, at a cash compensation of one thousand dollars (\$1000). (November 10, 1925)

Boyd, Mrs. Ella F., Director of Social Activities in the Woman's Residence Hall, for seven and one-half months beginning November 1, 1925, at a cash compensation of six hundred seventy-five dollars (\$675) with maintenance. (November 10, 1925)

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

December 8, 1925

The December quarterly meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a. m. on Tuesday, December 8, 1925.

When the Board convened, the following members were present: President Noble, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Wham.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 19, 1925.

On motion of Mr. Trees, the wording of the motion on page 469, line 26, was changed to read as follows: "On motion of Mr. Trees, the construction of wood bleachers on Illinois Field was authorized."

On motion of Mrs. Grigsby, the minutes were approved, with the change indicated above, as printed on pages 457 to 471 above.

PARR COKING PROCESS

Mr. Armstrong, for the Committee on the disposal of the Parr coking process, reported as follows:

To the Board of Trustees, University of Illinois

Your Committee appointed April 8, 1925, consisting of Messrs. Armstrong, Barr, and White, to handle the further negotiations with reference to the Parr Coking Process has made two informal reports and now presents the following proposal which is presented in the form of a letter, dated October 10, 1925, to the Chairman of the Committee and signed by Mr. A. B. Marvin, which is as follows:

NEW YORK CITY, NEW YORK
October 10, 1925

Mr. J. W. Armstrong, Chairman Special Committee

DEAR SIR:

This is in reply to your letter of September 28th, and is submitted on behalf of Professor Parr and his proposed associates as a modification of his proposal to you of June 24th, 1925, the modification in large part being based on my talk with you at Madison, August 3rd, 1925.

I understand that your Committee has power to act on this entire coke making project, but I am sure that you and all of us would feel more comfortable if the entire situation were laid before the Board of Trustees of the University of Illinois.

Our present offer is as follows:

FIRST: The Board of Trustees has paid or will pay all obligations arising out of the University's research work on coke to date, excepting the unpaid patent attorney charges which on October 1, 1925, amounted to \$7256.10 as per statement annexed, and excepting such further obligation or equity, if any, as may have arisen because of the contribution of \$16,000 which Mr. Hert made to the University in the early days on this coal research.

SECOND: The Board of Trustees will assign to a corporation yet to be organized all its right and title to such inventions as have been conceived by Messrs. Parr and Layng pertaining to the coking of coal (and also the Baille-Barrelle patent purchased through Professor Parr) in consideration of \$50,000 in preferred stock in the new corporation, this preferred stock to be non-assessable 6% non-cumulative stock and to constitute all of the preferred stock of the corporation. It is understood that this transfer will relieve the Board of Trustees of any obligation to the Firm of Pennie, Davis, Marvin & Edmonds for past or future services or disbursements in connection with the patent matters here under discussion.

THIRD: The corporation will diligently endeavor to commercialize the process and will agree that if at the end of five years from the date of the transfer of the patent rights it has not spent as much as \$50,000 in research, development and patent expense, it will reassign to the Board of Trustees for a consideration of \$1.00 all rights that may have been assigned by the Board to the corporation under paragraph SECOND above, but the corporation does not agree under this clause to assign to the Board of Trustees any future patent rights acquired by the corporation through invention or purchase.

FOURTH: The corporation will give to the University of Illinois a license free from royalty under such patent rights as it may acquire from the University under paragraph SECOND above, including all subsequent improvements therein that may be made or acquired by the corporation so that the University may build and operate a plant at the University to supply the University with gas,

tar, and oil or coke. The license to include the right to sell all by-products such as coke, gas, tar, and oil. Such a license is not to be construed as broad enough to permit the University to go into coke or gas manufacture in a broad way, but only to the extent needed to satisfy the University requirements of one or the other of those commodities, and to permit the use of the plant for educational purposes.

FIFTH: From now until September 1st, 1926, the Board of Trustees will permit Professor Parr and his associates and assistants to carry on this coal and coke research at the University of Illinois in much the same way and on approximately the same scale as it has been carried on during the past year, the corporation paying all bills for labor and materials, for gas consumed and paying for breakage for materials all in accordance with the general custom when work is being carried on at the University on behalf of any private individual or corporation, the University, however, making no charge for housing, over-head or the like.

SIXTH: Exclusive of buildings, whatever equipment may have been listed in your "Statement of Expenditures, Experimental Fuel Plant 1918 to July 1, 1925" shall belong to the corporation, that is to say, if the corporation by that itemized statement has been charged with retorts, fire-bricks, ovens, pumps, pyrometers, or the like, it should be free to take those away at any time in so far as they have salvage value. In so far as the new buildings are concerned the corporation will have no rights even though there is a relatively large building item on your itemized statement.

SEVENTH: The corporation will settle with Kuehn & Fulks for such claims, if any, as they may have against the early research work, or if a settlement cannot be worked out, will defend itself as best it can against any claim made by these gentlemen. It is understood that no one else has any claim on the title to this work, and that no one else has any license or right of any sort under it.

EIGHTH: Provision will be made for retiring the preferred stock in the corporation if and when the profits of the corporation reasonably permit.

NINTH: Our plan of financing is as follows:

We will organize a Delaware Corporation, having \$50,000 preferred stock, all of which will go to the University under clause **SECOND** above, and 250 shares of common stock of no par value. Of this amount 50 shares will go to Parr and Layng as compensation for past and future services as inventors and developers of the process, that stock to be held by them or sold or distributed in part with associates or former associates as they may think best; 50 shares will be sold to Messrs. Kuehn and Fulks for \$5,000, they to release all claims which they may have, or might be considered to have arising from the assignment to them from Mr. Hert who put in \$16,000 in the early days; 75 shares to be sold to Pennie, Davis, Marvin, and Edmonds, the present attorneys of the Board of Trustees, for \$7,500; 75 shares to be sold to the C. F. Burgess Laboratories of Madison, Wisconsin for \$7,500. This will give the corporation funds with which to clear up the indebtedness to the attorneys of \$7,200 and will leave \$2,800 with which to carry through until next summer the present fight with Wisner on the question of priority. Also there will be \$10,000 available for use by Professor Parr between now and September 1, 1926, in the further prosecution of this research at the University along the general lines pursued by him in the past.

By next September we should know much more about the commercial feasibility of this project, and whether there is reasonable prospect of successful commercial exploitation.

We suggest that you lay this proposal before your Board of Trustees and if the Board approves, we will go ahead immediately with the organization of the corporation, and with the preparation of the necessary assignments and other documents needed to express in more exact language the general ideas outlined above.

Very truly yours,

ARBA B. MARVIN

Your Committee recommends that it be continued and be authorized and directed to conclude, in cooperation with the proper officers, a definite agreement in substantial accordance with the above proposal and that said University officers be directed to execute the agreement.

Briefly the history having a bearing on the Committee's conclusions may be summarized as follows:

Professor Parr began his research on this method of coking twenty-three years ago at the time of the hard coal strike in Pennsylvania. His research was instigated by a desire to so treat Illinois coal that it could be used in heating equipment designed for hard coal. As the research progressed Professor Parr's interest changed somewhat from the manufacturing of a coke to the studying of the by-products made available by the process and laboratory research work continued for a long period of years. It finally reached the stage where larger retorts became necessary in order to study some phases of the commercial development of the process. The University heartily supported Professor Parr in all this work.

About seven years ago the development of the process had reached the point where it became of interest to certain industries and some outside funds became available for its commercial development. Since then interferences in the patent office have arisen, the clearing up of which would involve expensive litigation; which was the status at the time this Committee was appointed.

In the Minutes of the Board of Trustees for January 11, 1921, there is a report which was signed by President Abbott of the Board and President Kinley authorizing negotiations for the sale of the process to companies sufficiently interested and financially able to promote it. Under that authorization the Committee tried to interest several possible prospects, including:

- L. D. Anderson, U. S. Smelting, Refining & Mining Co., Salt Lake City, Utah
- D. B. Shourds, Tribune Building, Terre Haute, Indiana
- F. J. Baker, V. P. Public Service Co. of Northern Illinois, 72 West Adams Street, Chicago
- W. H. Blauvelt, Mgr., Semet-Solvay Company, Syracuse, N. Y.
- H. M. Ferguson, Pres. Clinton Coal Company, Clinton, Indiana
- W. E. Brophy, c/o A. D. Little Co., Ltd., Charles River Road at Kendall Square, Cambridge, Massachusetts
- E. B. Fulks, Arkansas Preservative Co., Carleton Bldg., 6th & Olive Streets, St. Louis, Missouri

The negotiations with the above concerns were without results.

In 1922 correspondence was opened with the Koppers Company and on November 9 of that year the Board authorized a contract with them but no satisfactory agreement could be concluded. There seemed to be no other companies who at that time were in any way interested in entering into the kind of agreement the University could approve. Since then the clearing up of patent interferences has progressed and Professor Parr has continued his research work on a somewhat larger scale than before under the general supervision of the Engineering Experiment Station. The effort through all these years has been to dispose of these patents in such a way as to give the public the maximum benefit and also so as to conserve the public interest in every way. Rather unexpectedly the parties who are making this proposal have become interested in the enterprise and have made a proposition which seems to have met the condition which we have been seeking. The promoters of the proposed corporation are men trained in research, who have been financially successful in the general field of development of scientific processes involving the type of skill necessary for the industrial development of this process.

COMMITTEE ON PARR PROCESS

J. W. ARMSTRONG, *Chairman*
GEORGE A. BARR
J. M. WHITE

On motion of Mr. Trees this report was adopted, the Committee was continued and was authorized and directed to negotiate a contract in substance according to the terms outlined and the President and the Secretary of the Board were instructed to execute the contract.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CONTRACT FOR KUNZ CELL

(1) The Supervising Architect reports that the agreement with the DeForest Phonofilms, Inc., has been executed by both parties to the agreement. (Minutes, October 23, 1925, page 438).

This report was received for record.

PRINTING THE UNIVERSITY ANNUAL REGISTER

(2) A recommendation from the Comptroller to award a contract for printing the annual register for 1925-26 to O. M. Rogers, operating the Rogers Printing Company, Dixon, Illinois, the low bidder according to the following statement: Uniform specifications, copy attached, were submitted to the following firms and bids were received in the form of unit prices on the various items in the specifications. The approximate cost of the work on the basis of these unit prices would be as follows:

O. M. Rogers (Rogers Printing Company) Dixon, Illinois.....	\$6500
R. R. Donnelly and Sons Company, Chicago, Illinois..	7200
Pantagraph Printing and Stationery Company, Bloomington.....	No bid
Interstate Printing Company, Danville.....	No bid
Review Printing and Stationery Company, Decatur....	No bid
Flanigan-Pearson Company, Champaign.....	No bid

On motion of Mr. Wham, this recommendation was concurred in.

FLOOR AND PARTITION WORK IN NEW GYMNASIUM

(3) The Supervising Architect reports that bids have been received on some concrete floor and partition work in the New Gymnasium as follows:

King and Petry.....	\$5340
English Brothers.....	5995

and recommends that the contract be awarded to King and Petry on the basis of their bid of \$5,340. I concur.

On motion of Mr. Barr, this recommendation was approved.

PLANS FOR THE ADDITION TO THE PHARMACY BUILDING

(4) The plans for the Pharmacy building as submitted by Supervising Architect White. My understanding is that he and Dean Day fully approve these plans as submitted by the Architect.

December 2, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I am enclosing the plans and proposed west facade of the School of Pharmacy building as prepared by Schmidt, Garden & Martin. I think these plans are a very happy solution of the problem. The new building will fill in the entire space between the present south building and the Bakers' building and when either of these buildings is torn down, the same style of building can be continued, ultimately giving a continuous facade about ten feet back from the lot line. This design is in harmony with the design of the hospital group which is an advantage in identifying the building as a part of the University of Illinois group.

The laboratories are placed in a four-story wing extending to the west which will have a flat roof so that the chimneys from the vent flues will not have to be carried so high; and also for economy's sake.

The preliminary estimates on the building are based upon fully equipping the building with both fixed and portable equipment, including, of course, the fee for architectural services. Boilers for heating this building will be in the basement but a cross connection between the new and the present boiler rooms is provided so that one fireman can take care of all the boilers.

I have authorized the test borings necessary to determine the character of footings, which will cost less than \$200.

I recommend the approval of these plans.

Yours truly,

JAMES M. WHITE
Supervising Architect

On motion of Mrs. Grigsby, these plans were approved.

CONTRACTS EXECUTED BY THE COMPTROLLER

(5) The Comptroller's report of contracts executed from November 17 to December 3, 1925.

LOT 86 IN COLLEGE PLACE

(6) The following letter from the Comptroller.

December 4, 1925

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

On March 13, 1923, page 154, the Board of Trustees authorized the purchase of Lot Eighty-six (86) in College Place from Fannie B. Sherfy and made an appropriation for a part payment on this and other lots. A contract was made with Miss Sherfy for the purchase of this lot providing for a deferred balance of \$1800, as reported on April 11, 1923. This contract was, on October 25, 1924, extended for one year or such length of time as might be necessary for the owner to perfect the title. This has now been done and the title has been approved by Judge Harker. The deal is, therefore, in shape to be closed.

I therefore request and recommend that an appropriation of \$1800 be made from the Reserve and Contingent Fund to pay the balance due on this contract. This is the only amount outstanding and unpaid on College Place lots, the purchase of which has been authorized.

Cordially yours,

LLOYD MOREY
Comptroller

On motion of Mrs. Evans, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs.

Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

ACCIDENT AWARD TO MISS RUTH FRANKLIN

(7) Miss Ruth Franklin, who is employed as a part-time secretary by the Department of Psychology, was injured on September 11 by falling glass from the dome over the loan desk in the Library. The Supervising Architect reports that the glass fell as a result of an unsafe condition of the art glass dome. Miss Franklin was attended by one of the University physicians who found it necessary to refer her to Burnham Hospital for an X-ray, which was the only expense incurred in connection with the case.

I recommend that the University pay the bill for X-ray service amounting to \$7.50.

On motion of Mrs. Grigsby, this recommendation was approved.

REFUND TO MISS RUBY FRAZIER

(8) Miss Ruby Frazier had a room in the Residence Hall until October 3, when she left the University. I have requested the Comptroller to return the whole balance of her deposit—\$175—and ask approval.

On motion of Mrs. Evans, this action was approved.

COMPENSATION TO MILTON MICHAEL

(9) While Milton Michael was splitting wood at the Dairy Farm in performance of work for which he was employed, he was struck in the eye by a sliver of wood and lost the sight of his eye. A committee appointed by me to advise me in such cases, of which committee Judge O. A. Harker is chairman, recommends that the University pay all medical and hospital bills incurred on account of this injury prior to November 30, and also a cash payment representing the present value of his allowance of \$12 per week for 100 weeks on the basis of 5% interest. The medical and hospital bills amount to \$249.50, the cash payment \$1145.63, making a total of \$1395.13.

On motion of Mrs. Grigsby, this payment was authorized by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small.

REPORT OF FACTS ON JANITORS' WAGES

(10) In accordance with instruction of the Board, an inquiry has been made concerning the wages of janitors and the fairness of a request of an increase of thirty percent in their wages. The facts and opinions found are as follows:

This request first came up in July, 1924, and was referred by the President to Professor White who is in general charge of all employees in our operating plant and is also chairman of Committee on Wages appointed to consider all such requests, to equalize wages and conditions for the same class of work throughout the University, and in general to take care of the whole wage situation. The Committee at present consists of Professor White, Deans Mumford, Ketchum, and Thompson.

The Committee reported that we are paying janitors fifty cents an hour for an eight hour day, but have placed a few on a salary of \$120 per month and have held out opportunity for advancement to those who showed themselves efficient. There were then six* men out of 48 receiving this monthly rate. The Committee remarked that there were plenty of men who would like the work at the present wage.

*Two have been advanced out of this grade.

In a report made on October 19 by Professor White, Schedule A shows the number of University janitors as the list was a month ago, with the rate of pay and earnings of each one averaged for three months.

The regular day is eight hours, six days in the week, yielding an average wage of \$104 per month for regular work. A good deal of extra time is put in so that the actual average of all janitors on the fifty cents an hour rate, would be \$112.27.

SCHEDULE A
NUMBER OF UNIVERSITY JANITORS AND RATES OF PAY

- 4 at \$120 a month
- 46 at 50c an hour (average \$110-\$115 a month)
- 3 at \$75 a month (one on $\frac{3}{8}$ time)
- 1 at \$6.00 a week (student; part time)
- 1 at \$27.00 a week
- 1 at \$110.00 a month

(Here was submitted the names and pay of all janitors in the employ of the University at Urbana, on November 16, 1925, as carried on the University books.)

There are about fifty students employed at the rate of 35c per hour. These men average a little over three hours per day for six days per week.

N. B. Student rate 35c not 50c as Board was told last month and they do not work "an hour at a time."

WAGES OF JANITORS ELSEWHERE

Urbana and Champaign school janitor's wages are reported to me by the Comptroller or the Supervising Architect as shown in Schedule B.

SCHEDULE B
JANITORS' WAGES IN THE CHAMPAIGN SCHOOLS

- 11 men at \$125 a month—High school and 8-room buildings
- 2 men at \$120 a month—4-room buildings
- 2 men at \$130 a month—Head janitor at high school and janitor at central building

Average wage—\$125 per month

All janitors are on nine-months' appointment and are required to be on duty at such hours as are necessary to care for the building. This means that in case of all buildings except the Central building and the High School the janitors must be on duty at least by 5 a. m.

At the Central School, which has city heat, and at the High School where a fireman is provided to take care of the heating plant, the hours are 3:00 p. m. to 12:00 p. m.

SCHEDULE B 2
JANITORS' WAGES IN THE URBANA CITY SCHOOLS

All janitors are on twelve months' appointment, and work about nine hours—7:00 a. m. to 5:00 p. m. with some time off at noon, though not always a full hour. One \$90.00 man works from 5:00 to 4:00 a. m. as he is a sort of night watchman.

- 1 Janitor—\$135 a month—Increased from \$125 July 1, 1925
 - 5 Janitors—\$100 a month—Increased from \$90 July 1, 1925
 - 3 Janitors—\$90 a month—Increased from \$80 July 1, 1925
 - 2 Janitors—\$75 a month—No increase given July 1st
- The janitors receiving \$75 a month have 4-room buildings.
Average Wage—\$96.

SCHEDULE C

Certain other Urbana and Champaign janitors are paid as per Schedule C.

December 2, 1925

*Probably part-time

Schedule E is a communication from Professor White's office dated December 4 showing the total amount that would have to be added to our budget for payrolls if this request were granted. Other matters of fact connected with the matter are these:

The Wages Committee referred to before considered this matter in October, but did not see its way clear to acquiesce in the request. On September 29 Professor White wrote Mr. Claude F. Peters, Secretary-Treasurer, Building Service Employees International Union in Chicago as follows:

"This matter has been frequently and thoroly threshed out with the local federation and I did not know there was any request before us for an increase of fifteen cents an hour. . . . We have always contended that these men were not entitled to the common labor rate in the Twin Cities and I don't think our position on that point will be changed. These men are given permanent employment under the most favorable possible working conditions, with two weeks of vacation a year, with certain provisions for sick leave in addition, and beginning a year from now they will be eligible for a retiring allowance under the provisions which will go into effect at that time. I am sure you will agree with me that they are, under these circumstances, nearly twice as well off as the average wage earner whose employment is precarious and frequently under conditions which the janitors could not stand up under."

SCHEDULE E

This schedule shows the total increase which would result in case a general increase were made in the janitors' wages. An increase in the janitors' wages would mean an increase in the wages of the groundsman, and an increase in the wages of the groundsman would mean an increase in the wages of certain of the agricultural laborers.

The basis of the figures given is an assumed increase of five cents an hour in the rate of all janitors, groundsman, and agricultural laborers employed, all temporary and part time employees being omitted. Dean Mumford stated that an increase in the wages of the agricultural laborers on an hourly basis would probably mean a similar increase for the farm laborers on a monthly basis. As there have been a number of increases made recently in this latter class it is assumed that an average increase of \$5 a month would probably represent the total increase that would be necessary for the farm laborers on a monthly basis.

All computations are based upon the payrolls for November, 1925. The payrolls for the Agricultural College were secured from the Bursar, and those for the janitors and groundsman, from the office of the Superintendent of Buildings. The figures showing the additions to the total payroll which would be made necessary by granting the janitors' request are as follows:

Class of Employee	Number employed	Total Hours	Total Increase	
			Per Month	Per Year
Agricultural				
(Hourly basis)....	45	6,285	\$314 25	\$3 771 00
(Monthly basis)...	40	\$5 per month	200 00	2 400 00
Groundsman.....	17	4,728	236 40	2 836 80
Janitors.....	51	11,753	587 65	7 051 80

Total.....\$1 338 30 \$16 059 60

Increases for the janitors and groundsman who are on a monthly basis have not been taken into consideration.

These figures show that to comply with the janitors' request would add \$21,155 per year to our budget for them and \$48,177 for all who would have to be raised.

COST OF LIVING

With reference to the cost of living the National Industrial Conference Board gives 197.3 as the index number based on retail prices for 1920; 166.7 for 1921; 156.6 for 1922; 161.3 for 1923; 163.4 for 1924. The average for the current year,

of course, is not available. It would probably be somewhat higher than that of 1924. The cost of living rose previous to 1920 until it reached the high figure mentioned above. Following this increase in the cost of living, the wages of our janitors were raised in 1917, 1918, 1919, and 1920. The maximum paid in 1917 was \$2.80 a day. The minimum on the fifty cent rate now is \$4.00 per day.

SUMMARY

Following is a summary of the reasons "pro" and "con" the requested advance so far as they have been given me or I have been able to discover them. Reasons for the advance:

1. To meet the rising cost of living.
2. The University should pay at least as well and perhaps better than other employers. It should not let its standard be determined by that of others but should set the pace.
3. The present rate of pay is not sufficient to enable a man to live well, save something, and educate his family.

Reasons against the advance:

1. The pay is adequate for the work done. Moreover the way is open for a janitor to get into the \$120 a month class by showing greater efficiency in his work.
2. Aside from regular pay our janitors have the benefit of the retiring allowance.
3. Aside from regular pay our janitors have the benefit of the death benefit.
4. Our janitors are assured employment through the year with one to two weeks' vacation on pay.
5. They work under especially good working conditions.
6. Their work does not belong to the out-of-door hard labor class.
7. Consideration is shown them as they grow old when other work would not be open to them.
8. Pay for similar work elsewhere in State jobs and in this neighborhood is substantially the same and in many cases less.
9. There are few cases of janitorial jobs paying more and these practically all are places involving harder work, such as firing boilers, etc. (See Professor White's letter of October 20.)
10. The cost of living is lower as shown by the index number quoted than it was at the time of the last raise in pay.
11. Our janitors have opportunities to put in extra time largely in connection with University entertainments, games, and other functions. These assignments are well liked and sought after. They really furnish entertainment and relaxation while under pay.
12. This matter has been, according to Professor White, frequently and thoroughly discussed with the local Union and its representatives have been satisfied.
13. To agree to the request would necessitate raising wages of other groups where such increase is not justified, and would call for a total of more than \$20,000 for the janitors alone and \$50,000 or more to meet the janitor's demands and others which would immediately follow on its basis.
14. Those who are getting sixty-five cents per hour for hard out-of-door labor are not steadily employed.
15. No janitor of ours has abandoned his job to take this out-of-door labor.

I recommend that no change be made in the wages of janitors.

On motion of Mr. Wham, this report was received for record and the recommendation was adopted.

OFFER OF PRIZE BY DR. FRANK SMITHIES

(11) Dr. Frank Smithies, whose offer of a prize for research in the diseases of the alimentary tract was laid before the Board at its October meeting, has written me renewing the offer in a somewhat different form. He writes:

"I wish to inform you that my offer of an annual award in memory of Beaumont still holds and that I am ready and willing to deposit with the proper Uni-

versity authorities a lump sum or securities sufficient to insure an annual income of at least one hundred dollars for the award in perpetuity."

I recommend that the Board accept the gift offered by Dr. Frank Smithies for the purpose indicated in his letter to me—namely to establish a prize of \$100 to be awarded annually to any member of the College of Medicine who submits during the year, the most useful piece of research on diseases of the alimentary tract.

On motion of Mr. Barr, this gift was accepted under the rules of the Board.

OFFER OF FARM IN INDIANA

(12) Recently I received a letter from Dr. C. A. Hollett of Dupont, Indiana, asking whether the University would accept his farm of 400 acres located $2\frac{1}{2}$ miles north of Dupont, as a gift, with the proviso that he receive an annuity payable during the life of himself and wife, until the death of the last survivor.

Dean Mumford and I visited this farm. After inquiring into the circumstances as thoroughly as we could we both think that it would be inadvisable for the University to accept this gift. It seems to me, therefore, that the Board should thank Dr. Hollett for his kind offer but decline it with an appropriate expression of thanks.

Mrs. Ickes took her place with the Board during the presentation of this item.

On motion of Mr. Barr, this gift was declined, and the President of the University was requested to convey to Dr. Hollett the thanks of the Board.

ACCEPTANCE OF DR. CARL A. HEDBLOM

(13) I have received through the hands of Dean Davis, and transmitted to the Secretary of the Board, Dr. Carl A. Hedblom's acceptance of the appointment tendered him by you as Professor and Head of the Department of Surgery. Dr. Hedblom informs me that he will report for duty at the beginning of the second semester.

This report was received for record.

LEAVE OF ABSENCE FOR COLONEL W. T. MERRY

(14) Colonel Merry has requested the War Department to permit him to be absent from his duty here for about two months and a half, beginning about January 1, on account of Mrs. Merry's health. I have forwarded his request to the War Department with my approval and ask that you approve this request so far as the University is concerned.

On motion of Mrs. Busey, this request was approved.

HESEL LAND

(15) Mr. J. F. Hessel called on me recently and read certain papers which he brought with him containing, as he said, certain propositions which he asked me to consider and submit to the Board as a mode of meeting the University's desire to acquire his land, concerning which condemnation proceedings have been begun.

The Comptroller has summarized these propositions for me briefly as follows:

1. The University has been asked to approve a certain sub-division of this land, the sub-division containing about one-half of the tract which Mr. Hessel would expect to sell for approximately \$250,000. He then proposes to deed to the University the remaining 25 acres in return for an annuity equal to interest on an unstated valuation of this portion of the tract payable until his death.

2. That Hessel Block as laid out by him shall be kept intact; that the University will cooperate in securing a subway at the southwest corner of the Hessel tract; that under the above two conditions the University may purchase the entire tract on the following terms:

Cash: \$50,000; deferred payments over a period of five years at 6%, \$100,000; and a 7% annuity on \$100,000 to him during his life-time, he to provide in his will for a bequest to the University of a sum equal to all annuities paid him to the time of his death. This would make the tract cost probably \$290,000, not including interest. The Supervising Architect, the Comptroller and others whom I have consulted are of one opinion on the matter—namely, that these propositions should not be accepted. I so recommend.

On motion of Mr. Wham, this recommendation was concurred in.

OSTEOPATHIC PRACTITIONERS IN MCKINLEY HOSPITAL

(16) A report that there has been some correspondence between the Legal Counsel and the attorneys for the Osteopathic Association concerning the petition of the association that its members be permitted to practice in the McKinley Hospital, but that nothing definite had developed.

This report was received for record.

LOCATION OF RADIO BUILDING

(17) Professor White recommends as the location of the building for the new radio station a site just in the rear of the Gymnasium Annex on old Illinois Field. He states that Mr. Huff has laid out baseball diamonds on the south half of Illinois field and the location of the building on this plan interferes with the left field of one of them. He adds that possibly the location of the building can be moved so that it will not be seriously objectionable to Mr. Huff.

On motion of Mrs. Evans, the President of the University was authorized and instructed to determine the location of this building.

PROGRESS ON BUILDINGS

(18) A letter from Professor J. M. White.

December 2, 1925

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

You asked me on November 12 to give you at an early date a brief statement showing the progress we are making on our new building program. The contracts let to date are as follows:

On the Library

General Contract—A. W. Stoolman.....\$ 76 837 00

Bookstacks—Snead & Company..... 154 459 00

The appropriation of \$500,000 contemplates an addition to this stackroom unit in the building of a part of the north front along Armory Avenue. It seemed inadvisable to start another contractor on this building until the original contract was completed, and therefore the plans for the Armory Street front are not progressing very fast, but the drawings can be ready for early spring letting.

The general contract for the south wing of the New Gymnasium has been awarded to English Bros. at their bid of \$161,998. Heating, wiring, and plumbing contracts are still to be awarded.

The plans for the Armory addition are nearing completion.

The Pharmacy building plans can easily be ready by the first of February if we are working along the right lines.

The studies for the Architectural building are not yet ready for approval. The plans worked out by the department of Architecture were sent to Mr. Platt last week for his revision, and therefore the plans for this building can probably not be ready for three or four months.

Yours truly,

JAMES M. WHITE
Supervising Architect

This report was received for record.

DEATH OF FRANCIS MCKAY AND A. F. NIGHTINGALE

(19) A report of the death of Mr. Francis McKay and Mr. A. F. Nightingale, former trustees of the University.

On motion of Mrs. Evans, this report was received with expressions of regret, and the President of the University was instructed on behalf of the Board to convey an expression of sympathy to the families of Mr. McKay and Mr. Nightingale.

PROMOTION OF DEBATING

(20) A recommendation that \$1000 be appropriated from the Reserve and Contingent Fund to be used for the promotion of interest in debating.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

DATE OF JANUARY MEETING

On motion of Mr. Trees, the date of the January meeting was set for Saturday, January 9, 1926, at 9 a. m., subject to change by the President of the Board if other interests conflict.

APPOINTMENTS MADE BY PRESIDENT KINLEY

The Secretary presented for record a list of appointments made by the President of the University.

Kaplan, Bertha, Instructor in Medicine, in the College of Medicine, for eight months beginning January 1, 1926, at a cash compensation of one thousand three hundred thirty-three and one-third dollars (\$1333.33). (December 2, 1925)¹

Koch, Elizabeth, Instructor in Pharmacology and Therapeutics, in the College of Medicine, on one-half time, for ten months beginning November 1, 1925, at a cash compensation at the rate of one thousand two hundred fifty dollars (\$1250) a year. This supersedes her previous appointment. (November 27, 1925)

Kraines, Samuel, Technician in Physiological Chemistry, in the College of Medicine, beginning October 12, 1925, and continuing until September 1, 1926, at a cash compensation at the rate of one thousand eighty dollars (\$1080) a year. (November 25, 1925)

Lee, F. N., Medical Adviser for Men and Assistant in Hygiene, for nine months beginning December 1, 1925, at a cash compensation of one thousand eight hundred dollars (\$1800)². (November 25, 1925)

McCormack, Ted, Technician in Physiology, in the College of Medicine, on three-fourths time, for nine months beginning December 1, 1925, at a cash compensation of six hundred seventy-five dollars (\$675). (November 21, 1925)

Schmitt, H. I., Student Assistant in Military Science, for eight months beginning November 1, 1925, at a cash compensation of eighty dollars (\$80). (November 27, 1925)

Walsh, T. G., Associate in Medicine, in the College of Medicine, on three-fourths time, for eight months beginning January 1, 1926, at a cash compensation of one thousand two hundred dollars (\$1200). (November 27, 1925)

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

December 28, 1925

A special meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 o'clock a. m. on Monday, December 28, 1925, pursuant to the following notice which was sent out by the Secretary on December 23, 1925:

On the call of the President, Dr. W. L. Noble, a special meeting of the Board of Trustees of the University of Illinois will be held at the Blackstone Hotel, in Chicago, at 10 o'clock a. m. on Monday, December 28, 1925, to consider matters to be presented by the committees of the Board and the President of the University, and such other business as may be duly presented.

When the Board convened, the following members were present: President Noble, Mr. Armstrong, Mr. Barr, Mrs. Evans, Mrs. Ickes, Mr. Trees, Mr. Wham.

President Kinley was present; also Professor J. M. White, Supervising Architect, and Professor Lloyd Morey, Comptroller.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

THE HESSEL LAND

(1) In accordance with your action at the Meeting of October 23 last (Minutes, page 412) I proceeded as your agent to take the necessary steps towards securing the Hessel land. On your direction I offered Mr. Hessel through the Comptroller \$1500 per acre. This he refused. Following your further instructions I proceeded as your agent to take steps for the condemnation of this land and the employment of special legal counsel. Green and Palmer of Urbana were employed.

Several days before the date of the trial, which was set for Tuesday, December 22, I received a proposition from Mr. Hessel through the Treasurer of the University to sell the land in question for \$127,000. I called a meeting of several of our people to get opinions and advice on this matter on Monday afternoon, December 21. There were present our Counsel, Messrs. Green and Palmer; Professor White; Mr. George Huff; the Comptroller, Mr. Lloyd Morey; the Treasurer, Mr. Burke; the Chairman of the Finance Committee, Mr. J. W. Armstrong; and, towards the end of the meeting, Mrs. Busey, who kindly came at my request. At this meeting the matter was carefully discussed, information as to the opinions of the prospective witnesses was presented, the arrangements for the trial were gone over, and we made the best estimate we could as to the valuation which the jury would probably set upon the land. The meeting lasted four hours.

After the matter had been thoroughly considered it seemed to us that the University would probably fare better by accepting Mr. Hessel's offer than by letting the trial proceed. Accordingly I sent word to Mr. Hessel, through our Treasurer, Mr. Burke, that I would recommend his proposition for acceptance by you. The trial was set for the following morning (Tuesday) at nine-fifteen o'clock and the parties interested appeared, including Mr. Hessel and his attorneys, Mr. L. R. Herrick of Farmer City and Mr. C. D. Thomas of Champaign. It then developed that Mr. Hessel wanted the University to assume general taxes and unpaid special assessments on the land, which would aggregate, I was informed, about an additional \$1000. Consulting with Counsel, I requested them to refuse the additional payment. After a discussion which lasted until nearly noon Mr. Hessel finally reverted to his original proposition, made through our Treasurer, as stated above. Accordingly the Counsel for the parties drew up a form of contract for the University to purchase the land at the price, \$127,000, offered by Mr. Hessel and I signed the contract as your agent subject to your approval. I submit it herewith for keeping along with this report in the files of your Secretary.

I recommend that you approve and accept this contract. My reasons for this recommendation are as follows:

1. The imperative need of the University for this land is obvious. It is the one piece along the Illinois Central Railroad between St. Mary's Cemetery on the south and Armory Avenue on the north, about three-quarters of a mile, not now owned by the University. It projects eastward from the Illinois Central right-of-way to First Street in the heart of our property. It became evident long ago to you and your predecessors on the Board that if the physical growth of the University necessary to meet the growing enrollment were not to be checked, this piece of land must belong to the University. It has been the settled policy of the Board for years to secure this land as soon as it was able to do so. It also became evident a year or two ago that the owner of the land was planning to plot it and offer it for sale in city lots. Indeed, I am informed that a plot of part of it, including the dedication of a street to be known as Hessel Boulevard, had been presented to the City Council of Champaign, and the street dedication at least approved and accepted.

2. If we wait until this tract of land is put on sale as city lots and houses have been erected thereon, it is obvious that either the University never can

acquire it or will be able to do so only by paying a sum several times that now asked.

3. The price of \$1500 per acre which by your instructions I offered Mr. Hessel through our Comptroller, was based on what we understood to be the price which he paid for the land, part of it about ten years ago and the rest about six years ago, plus 5% interest compounded through the period with a small margin left for "un-earned value". Inquiry showed that opinion in the community set a far higher value on the land than the figure calculated in this way. After getting all the information I could I became convinced that we would have to pay much more. In my opinion the amount agreed on, subject to your approval, is as low a sum as we can get the land for and lower than we are very likely to have to pay if we insist on pursuing the condemnation proceedings to a finish as a contest.

4. That the price asked is not unreasonable and is as low as we could get appears to me probable for these reasons:

a. As well as I can make out Mr. Hessel's own valuations range all the way up to \$290,000 not including the area in the Hessel Boulevard (about three and one-half acres), nor a strip about fifty feet wide adjoining the Illinois Central right-of-way which he reserved for "industrial purposes."

b. The value on the basis of a residential subdivision, taking the lowest figures that are reasonable, justifies the proposed price. The accompanying plan, prepared by Professor White, as a suggested subdivision to form a basis for an estimate of value, shows eighteen lots fronting the Stadium and one hundred eighty other lots, thirty-nine of which front Hessel Boulevard, which is one hundred twenty feet wide. It is the unanimous opinion of my advisors that these lots would be quickly sold without putting any improvements on them for at least the following prices:

Eighteen lots on First street at \$2500.....	\$45,000
One hundred eighty lots at \$500.....	90,000
<i>Total</i>	<u>\$135,000</u>

This sum does not include the probable value of the "industrial tract" mentioned above in paragraph (a), estimated by Professor White at \$4000.

c. Our Attorneys informed me that of all our witnesses only two had been found who would testify to a valuation lower than \$2000 an acre, while most of them mentioned \$2500. Again, it became evident from conversations that the witnesses on the other side would testify to valuations ranging from a minimum of \$2500 to a maximum of \$6000. If a majority of our own witnesses testified to values of \$2000 and upwards, their average valuation would doubtless have run up to between \$120,000 and \$135,000. Moreover, according to Mr. George Huff, who got the opinion of a group of six or seven of the witnesses as to the probable fair basis of compromise, the average of their estimates was \$150,000.

d. According to information reaching me, the Board of Appraisal of the Real Estate Dealers Association of this community had made a valuation of \$205,000.

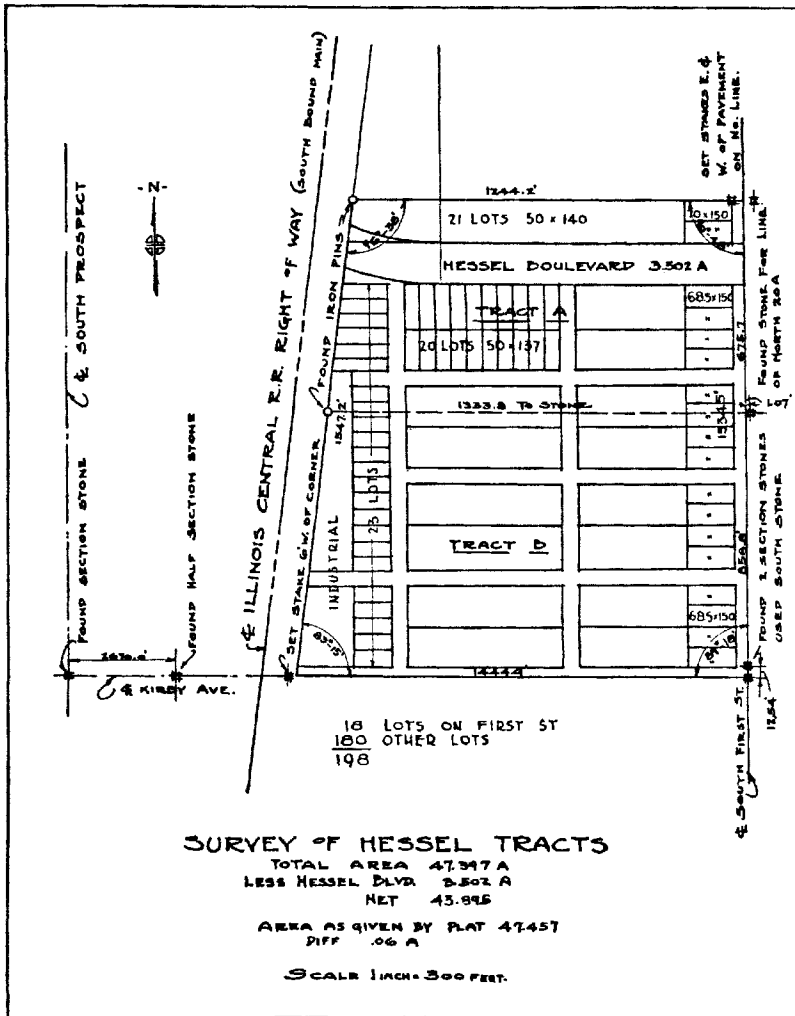

Mr. George Huff informs me that he had a conversation with the chairman of a committee of the Real Estate Board or Association of Champaign and Urbana from which he learned that a committee of that association had been asked by Mr. Hessel to make an appraisal of this property.

Mr. Huff was informed that three of this group made a valuation of \$4400 an acre, one of \$4300, and one of \$4000. The average was \$4300. The report of this committee would have been part of Mr. Hessel's evidence. On the basis of these figures the land would cost \$205,000.

e. Estimates made privately by different individuals ranged all the way from \$100,000 to \$250,000.

f. It is well known that juries in condemnation proceedings are usually if not quite invariably inclined to favor the defendant.

g. A title secured by condemnation proceedings alone will not secure us the title to Hessel Boulevard because it has been already dedicated to the city. The proposed contract conveys to the University all of Mr. Hessel's title, or reversionary interest in this Boulevard, opening the way for the University to arrange for its vacation by the city. I have no doubt that this can be done.

In view of the above facts and opinions I concluded on the advice of our Counsel that the interests of the University would be best served by agreeing to accept Mr. Hessel's price of \$127,000; I therefore informed our Counsel that I would so recommend to you. In accordance with this statement, they drew up the contract referred to above which I signed subject to your approval.

I, therefore, recommend:

1. That you approve my action in signing this contract in accordance with the provision that it is subject to the approval of the Board.
2. That the Board purchase this Hessel land at the price named, \$127,000, on the conditions stated as to time, title, et cetera, named in the contract.
3. That the sum of \$127,000 be appropriated from the Reserve and Contingent Fund for the purchase of this Hessel tract of land.

4. That the President of the Board and the Secretary of the Board be authorized and instructed to accept for the Board the conveyance of and title to the Hessel tract referred to as soon as they are advised by Green and Palmer, Counsel for the University in this case, that the title is good and merchantable; and that the Comptroller and Treasurer of the University be authorized and directed to pay over to Mr. J. F. Hessel, or his proper lawful attorneys, the purchase money appropriated for this purpose on receipt of merchantable deed and abstract conveying this land to the Board of Trustees of the University of Illinois in fee simple.

On motion of Mr. Trees, the action of the President of the University in signing the contract for the purchase of the Hessel land was approved, the purchase was ordered, and the officers of the Board were authorized to execute all necessary instruments for the consummation of the purchase, as recommended.

On motion of Mr. Armstrong, the appropriation from the Reserve and Contingent fund of \$127,000 for the purchase of the Hessel land was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Evans, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Busey, Mrs. Grigsby, Mr. Small.

At this point, Mrs. Grigsby took her place with the Board.

LEAVE OF ABSENCE FOR DIRECTOR HUFF

(2) A request for authority to grant leave of absence during the winter to Director George A. Huff, on terms to be arranged between him and the President of the University.

On motion of Mrs. Evans, this authority was granted.

LEAVE OF ABSENCE FOR PROFESSOR ROY L. MOODIE

(3) Dean Davis and Dr. Emmel recommend that Professor Roy L. Moodie, of the Department of Anatomy, be allowed a leave of absence of three weeks during January to enable him to continue his studies in Paleopathology in California.

On motion of Mr. Armstrong, this leave was granted.

APPROPRIATION FOR PAVING AND LIGHTING IMPROVEMENTS

(4) The Superintendent of Business Operations and the Comptroller recommend an additional appropriation of \$1400 to the Physical Plant Extension budget under the item Special Assessments to pay for paving and lighting improvements against various properties which have been assumed by us on purchases or exchanges of properties and which assessments exceed the amount estimated in the preparation of the budget; the appropriation from the Reserve and Contingent Fund to be distributed as follows:

Additional amount needed to pay assessments on the land known as the Athletic Association tract resulting from sale and exchange of property.....	\$875
Assessments assumed in purchase of various lots.....	400
Southwest Urbana lighting system accepted by the Board of Trustees October 23 (page 415).....	125

\$1400

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Small.

**INTEREST ON DEFERRED PROPERTY PAYMENTS
AND GENERAL TAXES**

(5) The Comptroller requests an appropriation of \$900 from the Reserve and Contingent Fund to pay the interest on small deferred installments of properties purchased and general taxes assumed in the purchase of various properties.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Small.

EMERITUS PROFESSORSHIP FOR DR. FREDERICK TICE

(6) On recommendation of Dr. Williamson, Head of the Department of Medicine, and Dean Davis, I recommend that Dr. Frederick Tice, who has been on the faculty of the College of Medicine since 1900, be appointed Professor of Medicine, *Emeritus*, effective February 1, 1926.

On motion of Mr. Wham, this recommendation was approved.

FEE IN HOME ECONOMICS 44

(7) The Department of Home Economics, the Dean of the College of Agriculture, and the Comptroller recommend a fee of \$4 in Home Economics 44, a new course to be offered for the first time the second semester of this year.

I concur in this recommendation.

On motion of Mrs. Evans, this fee was authorized.

DEGREES OF DOCTOR OF MEDICINE

(8) The Council of Administration, acting for the University Senate, has approved a recommendation of the Faculty of the College of Medicine that the degree of Doctor of Medicine be conferred on the following students on the completion by them of twelve months of service as internes in hospitals approved by the University. These students should be able to complete their interne year by January 1:

GEORGE SAMUEL GLASSOFF
WILLIAM LLOYD KENNY
MILTON HENRY KRONENBERG
ALOYSIUS FRANCIS LENZEN
RICHARD AXEL LIFVENDAHL
THOMAS SANDERSON ROBERTSON
DAVID SHAYNE
FRANK JOHN SMEJKAL
ALFRED P. SOLOMON

On motion of Mr. Barr, this recommendation was adopted.

STATUTES OF THE COLLEGE OF MEDICINE

(9) As far back as 1908 certain statutes were adopted for the regulation of the College of Medicine. It was provided that these statutes should be operative "during the continuance of any lease of the College of Physicians and Surgeons by the University of Illinois." Although these statutes have expired by limitation due to the cessation of the lease of the College of Physicians and Surgeons and the absorption of that college by the University, action sometimes is taken seemingly based on these old statutes.

In order to remove all possibility of misapprehension I recommend that all of Section 31 of the statutes of the University, Edition 1908, excepting the first thirteen words, and also all of Section 32 entitled "By-Laws Governing the Executive Faculty of the College of Medicine," be repealed. The first thirteen words referred to are "The general statutes of the University shall apply to the College of Medicine."

On motion of Mr. Wham, this recommendation was concurred in.

**ADDITIONAL ASSISTANTS IN POLITICAL SCIENCE
AND SOCIOLOGY**

(10) The Acting Dean of the College of Liberal Arts and Sciences found it necessary to authorize the employment of extra assistants in political science and sociology on a temporary basis, and requests authority to pay their salaries from the Contingent Fund of the College of Liberal Arts and Sciences to the amount of \$120.

On motion of Mr. Barr, these payments were authorized.

SALARIES OF INSTRUCTORS DURING ILLNESS

(11) A statement of the procedure in paying the salaries of members of the staff during illness, with a request for instructions in case the Board desired any change in the procedure.

No objection was made to the present procedure.

SALE OF PARR PROCESS

Mr. Armstrong, for the special committee on the sale of the University's rights in the Parr-Layng coking process, reported for record that the following contract had been executed on December 9, 1925.

THIS MEMORANDUM OF AGREEMENT made this 9th day of December, 1925, by and between THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, a corporation organized and existing under and by virtue of the laws of the State of Illinois, hereinafter called THE BOARD, and URBANA COKE CORPORATION, a corporation organized and existing under and by virtue of the laws of the State of Delaware, hereinafter called URBANA COKE,

WITNESSETH: That

WHEREAS, THE BOARD is the owner by assignment of Letters Patent of the United States, No. 1,458,964, issued June 19, 1923, in the name of A. H. Baille-Barrelle, and of all rights in, to and under the same, including all rights of recovery for past infringements, if any, and

WHEREAS, THE BOARD is the owner of applications for Letters Patent of the United States as follows, to wit:

Samuel W. Parr and Thomas E. Layng, Serial No. 260,541, filed October 31, 1918, (renewed September 21, 1923) entitled "COKING COAL"

Samuel W. Parr and Thomas E. Layng, Serial No. 5499, filed January 29, 1925, entitled "PROCESS AND APPARATUS FOR COKING COAL"

Samuel W. Parr and Thomas E. Layng, Serial No. 18743, filed March 27, 1925, entitled "PROCESS AND APPARATUS FOR COKING COAL"

Samuel W. Parr and Thomas E. Layng, Serial No. 46935, filed July 30, 1925, entitled "PROCESS AND APPARATUS FOR COKING COAL"

Samuel W. Parr and Thomas E. Layng, executed December 9th, 1925, entitled "PROCESS AND APPARATUS FOR COKING COAL"

WHEREAS, THE BOARD may now be entitled to, or subsequently may become entitled to United States patent rights to inventions constituting improvements in the inventions embraced in said patent and applications, and

WHEREAS, THE BOARD has paid or will pay all obligations to date arising out of research work on the coking of coal, carried out at the University of Illinois, excepting the unpaid patent attorney charges, which on the date hereof amount to \$8025.36, and excepting such further obligation or equity, if any, as may have arisen because of the contribution of \$16,000 which Mr. A. T. Hert, deceased, made to THE BOARD some years ago.

NOW, THEREFORE, in consideration of the premises and mutual covenants and agreements hereinafter recited, and the payment and delivery to THE BOARD of Fifty thousand (\$50,000.00) Dollars par value of the preferred stock of URBANA COKE, receipt of which is hereby acknowledged, it is covenanted and agreed between the parties hereto as follows:

FIRST: THE BOARD will, on request, assign to URBANA COKE, its successors and assigns, the entire right, title, and interest in, to, and under Letters Patent of the United States, No. 1,458,964, dated June 19, 1923, together with all rights of recovery for past infringements thereof, if any.

SECOND: THE BOARD will, on request, assign to URBANA COKE, its successors and assigns, the entire right, title and interest in and to each and all of the applications for Letters Patent of the United States listed above, and in and to all inventions embraced in said applications, together with all right, title, and interest in and to such improvements in the inventions embraced in said applications and in said Baille-Barrelle patent, No. 1,458,964, as may at any time prior to October 1st, 1926, be owned by THE BOARD.

THIRD: URBANA COKE hereby assumes the obligation of THE BOARD to pay the patent attorney charges above identified.

FOURTH: URBANA COKE covenants and agrees that it will diligently endeavor to commercialize the Parr and Layng process of coking coal, and covenants and agrees that if at the end of five years from the date of this agreement it has not spent as much as Fifty thousand (\$50,000.00) Dollars, in research, development and patent expense (inclusive of the patent-attorney charges now to be paid) it will re-assign to THE BOARD for a consideration of One (\$1.00) Dollar all rights that may have been assigned to it by THE BOARD under Paragraphs FIRST and SECOND above, but URBANA COKE does not agree under this clause to assign to THE BOARD any foreign patent rights, nor any other patent rights acquired by URBANA COKE THROUGH sources other than THE BOARD.

FIFTH: URBANA COKE covenants and agrees to, and does hereby grant to THE BOARD a non-exclusive, non-divisible and non-assignable license, free from royalty, under such patent rights as URBANA COKE may acquire from THE BOARD under Paragraphs FIRST and SECOND above, and also all subsequent patented improvements therein that may at any time be owned by URBANA COKE, to build and operate a plant or plants at the University of Illinois to supply the University with products of the process, said license including the right to sell all products. Said license is not to be construed as broad enough to permit THE BOARD to use the process beyond the extent needed to satisfy the University's requirements for products of the process, and the use of the plant for educational purposes.

SIXTH: THE BOARD covenants and agrees that from now until October 1, 1926, it will permit Samuel W. Parr, Thomas E. Layng and Floyd H. Hobarth and their assistants in this line of work, to carry on this coal and coke research at the University of Illinois in much the same way and on approximately the same scale as it has been carried on during the past year, URBANA COKE paying all bills for common labor and for material and equipment and for gas consumed and for breakage of materials, all in accordance with the general custom at the University of Illinois when work is being carried on there on behalf of any private individual or corporation, THE BOARD however making no charge for housing or overhead.

SEVENTH: URBANA COKE will endeavor to settle with Messrs. Kuehn and Fulks, for such claims, if any, as they, or either of them, may have against the early research work, and if a settlement cannot be effected, will defend itself as best it can against any claim by Messrs. Kuehn and Fulks, or either of them.

IN TESTIMONY WHEREOF, the parties hereto have caused this instrument to be executed and their corporate seals to be affixed, by their respective corporate officers thereunto duly authorized, as of the date and year first above written.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

PROXY FOR SOUTHERN PACIFIC STOCK

(1) A proxy for voting the shares of Southern Pacific stock owned by the University.

On motion of Mr. Barr, the officers of the Board were authorized to execute this proxy.

REPORTS ON HESSEL LAND

(2) The following letters from the University Attorneys and the Comptroller on the purchase of the Hessel land.

January 7, 1926

President David Kinley, University of Illinois, Urbana, Illinois

In re: J. F. Hessel Land

DEAR PRESIDENT KINLEY:

In the matter of the petition of the Board of Trustees of the University of Illinois for the condemnation of the J. F. Hessel tract of land, in the County Court of Champaign County, Illinois, we beg to report that following the execution and ratification of the written agreement entered into between J. F. Hessel and The Board of Trustees, on December 31, 1925, a hearing was had before the County Court. At that time a jury was impaneled under the provisions of the Eminent Domain Act and the testimony of several competent and reliable witnesses, as to the fair value of the property in question, was submitted to the jury. These witnesses testified that in their judgment the sum of One Hundred Twenty-five Thousand (\$125,000) Dollars was a fair price for the land involved in the condemnation proceeding. The jury then returned a verdict finding that the said amount of \$125,000 was fair compensation to be paid to Mr. Hessel, and the County Court entered a judgment upon the verdict of the jury to the same effect.

The land involved in the condemnation proceeding did not cover that portion of the Hessel tract which is included within the boundaries of the street dedicated across the tract, known as "Hessel Boulevard." The written agreement entered into between Mr. Hessel and The Board required Mr. Hessel, in addition to execute and deliver his Warranty Deed conveying to The Board the land involved in the condemnation proceeding, free and clear of all liens and encumbrances, and also to execute and deliver to The Board his special Warranty Deed conveying that part of the Hessel tract which is included within the boundaries of Hessel Boulevard, free and clear of all liens and encumbrances except his dedication of the same as a street, and warranting the same as to his own acts.

Pursuant to the terms of the written agreement providing for settlement of the contract, a meeting was had at the Citizens State Bank of Champaign, Illinois, on the morning of January 2, 1926. Mr. Hessel, however, was not ready at that time to complete the settlement and the meeting was thereupon adjourned until 1:30 o'clock p. m. of the same day, at which time there met at the Citizens State Bank Mr. C. D. Thomas, the attorney for Mr. Hessel, the Treasurer, Comptroller, and the Superintendent of Business Operations of the University, the Secretary of The Board, and the attorneys for The Board.

Prior to this time the attorneys for The Board had examined the abstract of title covering the Hessel tract and found the same to comply with Mr. Hessel's

contract, and to show merchantable title in Mr. Hessel except as to one strip of about one-fifth of an acre.

At this meeting on January 2, which was settlement date under the contract, Mr. Hessel through his attorney tendered his deeds called for under the contract, together with the receipt of the City Collector of Champaign County, Illinois, showing payment in full of all special assessments against the property. Settlement with Mr. Hessel was thereupon had as follows:

The deeds from Mr. Hessel, together with the receipt for the payment of special assessments, were delivered to the representatives of The Board of Trustees, and voucher was delivered to Mr. Hessel's attorney, payable to Mr. Hessel individually, in the sum of One Hundred Twenty-five Thousand Five Hundred (\$125,500) Dollars, leaving a balance unpaid of the purchase price under the agreement of Fifteen Hundred Dollars. This \$1500 to be paid to Mr. Hessel as soon as the defect in his title above herein referred to was corrected; Mr. Hessel's attorney being of the opinion that this defect could be corrected within the course of two or three weeks. Under the contract with Mr. Hessel the purchase price was to bear interest at the rate of five percent per annum from and after January 2, 1926, if not paid on that date. Therefore, under this settlement The Board is obligated to pay interest only on the \$1500 of the purchase price which is withheld until such time as Mr. Hessel makes the correction on the title above noted. Mr. Hessel at this time also delivered receipts acknowledging payment to him by The Board of the said sum of \$125,500.

The deeds executed by Mr. Hessel conveying the premises to The Board of Trustees were recorded immediately.

As soon as the correction on the title has been made and the transaction completely closed, we will be pleased to make a full and complete report of the entire transaction.

Very respectfully,

GREEN & PALMER

By WILLIAM G. PALMER

*COMPTROLLER'S REPORT ON RECEIPT OF DEED
FOR HESSEL LAND*

January 5, 1926

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I beg to advise you that on Saturday, January 2nd, a partial settlement was made on the contract for the purchase of land from J. F. Hessel at the Citizens State Bank, Champaign. The persons present were Mr. H. I. Green, Mr. W. G. Palmer, Mr. A. M. Burke, Mr. C. D. Thomas (representing Mr. Hessel), Professor J. M. White, Mr. H. E. Cunningham, and myself.

Mr. Thomas presented deeds for the land to be purchased which were approved by our attorneys. In accordance with their instructions, I delivered to Mr. Thomas, who presented authority from Mr. Hessel to accept payment for the latter, a University warrant for \$125,500 in exchange for the deeds. The balance of \$1,500 of the purchase price is being withheld pending the completion of the abstract to the satisfaction of our attorneys. Upon their advice, it is my intention to pay this balance to Mr. Hessel. The deeds received have been filed for record.

A receipt was presented by Mr. Thomas showing the payment of all special assessments against the property in full. The only remaining encumbrance consists of the general taxes for 1925, estimated at \$250, which are payable by Mr. Hessel and cannot be paid until March.

Very truly yours,

LLOYD MOREY

Comptroller

This report was received for record.

VACATION OF HESSEL BOULEVARD

(3) On suggestion of Professor White, I recommend that Green and Palmer be employed as attorneys for the University, to take the necessary steps to have Hessel Boulevard east of the Illinois Central tracks vacated.

On motion of Mrs. Busey, this recommendation was concurred in.

REPORT ON COLLEGE PLACE LOT

(4) The Comptroller reports that the purchase of Lot 86 in College Place from Fannie B. Sherfy (Minutes, March 1, 1923, page 154) has been concluded in accordance with the Minutes of December 8, 1925, page 478, and the papers have been deposited with the Secretary of the Board.

This report was received for record.

The Comptroller and the Treasurer were authorized and directed to sell the Third Liberty Bonds as recommended, and the matter of the investment of the combined fund of \$6500 was referred to the Finance Committee for a recommendation (see page 508).

GIFT FROM THE MELLON INSTITUTE OF INDUSTRIAL RESEARCH

(6) Under the authority given me by the Board I have accepted a gift of \$3000 from the Mellon Institute of Industrial Research of the University of Pittsburgh for research work in the College of Medicine.

This report was received for record.

GROSS PRIZE IN ARCHITECTURE

(7) Last spring I accepted the offer of a prize of \$100 from Mr. Christian Gross, Secretary of the American Embassy at Paris, to be awarded for a design problem in architecture. It was impossible to include the competition in the regular program last year but it was held this fall and completed in December.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR H. S. V. JONES

(8) With the approval of the Chairman of the Department of English, and the Acting Dean of the College, Professor H. S. V. Jones requests a leave of absence next year under our rules. I recommend that this be granted.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR C. E. BRADBURY

(9) With the approval of the Acting Head of the Department of Art and Design, and the Acting Dean of the College, Professor C. E. Bradbury requests a leave of absence next year under our rules. I recommend that this be granted.

On motion of Mr. Barr, this leave was granted.

**EMERITUS PROFESSORSHIPS FOR DR. BACON
AND DR. DAVISON**

(10) On recommendation of the Dean of the College of Medicine I request that the title of Professor *Emeritus* be given to Dr. Charles Davison and Dr. Charles Sumner Bacon. Dr. Davison left our service at the close of last year and Dr. Bacon leaves at the close of this semester. Dr. Davison has been on our faculty since 1899 and Dr. Bacon since 1903.

On motion of Mrs. Ickes, this recommendation was approved.

ADDITIONS TO FLORICULTURE ADVISORY COMMITTEE

(11) Dean Mumford requests the appointment of Mr. Otto H. Amling of Maywood, Illinois, and Mr. George J. Ball of Glen Ellyn, Illinois, as members of the Floriculture Advisory Committee in place of Messrs. A. T. Hey and W. N. Rudd who recently died.

On motion of Mrs. Evans, these appointments were made.

**APPROPRIATION FOR MEATS LABORATORY
AND SALESROOM**

(12) On request of Dean Mumford and Professor White, I recommend that the sum of \$2,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to complete the reconstruction of the refrigerating conduits and other accessory parts of the refrigerating plant in the old creamery laboratory, which has been transferred to the Department of Animal Husbandry for its use.

This appropriation was made by the following vote: Aye, President Noble, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Small, Mr. Wham.

The matter of slaughtering animals in the old Agricultural building was referred to the Committee on Agriculture for investigation and report.

APPROPRIATION FOR MEDICAL LIBRARY

(13) Dean Davis, at the request of the Library Committee of the College of Medicine, asks for an additional appropriation for the Medical Library. I recommend that \$1500 be appropriated from the Reserve and Contingent Fund for the purchase of additional book shelves at the College of Medicine, that the sum of \$3600 from the same fund be appropriated for the purchase of additional books, and \$400 from the same fund for additional help, making a total of \$5,500.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, President Noble, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Small, Mr. Wham.

APPROPRIATION FOR COOK COUNTY EXPERIMENT STATION

(14) Dean Mumford recommends that the receipts from the sale of produce from the Cook County Experiment Station, amounting on December 31 last to \$1176.21, be appropriated to the Cook County Experiment Station for labor in connection with the greenhouses. Accordingly I recommend that the sum of \$1200, or so much thereof as may come from the sale of produce from the Cook County Experiment Station, be appropriated for this purpose.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, President Noble, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Small, Mr. Wham.

DEATH OF PROFESSOR WALTER L. HARRIS

(15) Assistant Professor Walter L. Harris of the College of Education died on December 17, 1925. He was in his second year of service. Under the Retiring Allowances and Death Benefits System, Assistant Professor Harris' estate is entitled to 10% of the cash portion of his annual compensation, amounting to \$350.

I therefore recommend that an appropriation of \$350 be made from the Reserve and Contingent Fund for this purpose and that the Comptroller be authorized to pay this amount to the legal representatives of Professor Harris.

On motion of Mr. Trees, this recommendation was adopted. The appropriation was made by the following vote: Aye, President Noble, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mr. Small, Mr. Wham.

DEATH OF MRS. SNYDER

(16) I have a telegram from California stating that Mrs. Mary S. Snyder died on Thursday, January 7. I am making inquiry as to the expenses of the funeral arrangements and ask your authority to see that every proper expenditure connected with the burial of Mrs. Snyder is met out of the income of the Snyder fund, which she has been receiving for several years.

On motion of Mrs. Evans, this expenditure was authorized.

BEQUEST FROM GERTRUDE E. HAWEIS OF HOLLYWOOD, CALIFORNIA

(17) The following letter together with copy of the will mentioned were duly received by me:

December 10, 1925

Trustees of University of Illinois, Champaign, Illinois

DEAR SIRS:

Enclosed find copy of the Will, which I drafted June 4, 1925, for Gertrude E. Haweis, deceased, (formerly Gertrude E. Wallace of Havana, Illinois) in which you are mentioned and the original of which I filed in Court here and which is set for hearing January 5, 1926.

Assuming that you are interested in having a copy, I am mailing you one.

Yours faithfully,

LUCIEN GRAY

607 South Hill Street
Los Angeles, California

The paragraph of the will relating to the University is as follows:

"**SECOND:** I give, devise and bequeath to the Trustees of the University of Illinois in the City of Champaign, Illinois, the sum of Ten Thousand Dollars, (\$10,000.00), to be known as the "E. A. Wallace Memorial Scholarship", and I request that the Trustees of said University invest and re-invest said sum in safe and sound interest bearing notes secured by mortgages being a first lien—except current non-delinquent taxes and assessments—on the fee simple title of improved farm lands in the State of Illinois; said lands to be of the fair market value of at least twice the amount of the said notes secured thereon; I direct that said Trustees collect and use the net income from said notes in payment of the board and tuition of such young man student or students residing in the city of Havana, Illinois, and taking a regular course in said University, as shall be selected and directed each year by the Board of Education of said City of Havana; said Trustees shall on or before August 1st, in each year, report in writing to said Board of Education, the condition of said fund, the net annual income thereof, accrued and accruing, with a list and description of the notes and mortgages in said fund and from whom owing and how and by what lands secured."

On motion of Mr. Barr, this bequest was accepted.

REGISTRATION OF STUDENTS

(18) The Council of Administration transmits a recommendation that beginning with September, 1926, the registration of students in the University for the first semester be divided into three parts; first, registration for freshmen on Friday, preceding the beginning of class instruction; second, registration for graduate students on Friday and Saturday preceding the beginning of class instruction; and third, registration for all other students on the following Monday and Tuesday; class instruction to begin on Wednesday as heretofore.

I recommend approval.

On motion of Mrs. Ickes, this recommendation was approved.

THEFT OF MICROSCOPES

(19) The Comptroller reports the theft of two microscopes from Room 317 of the Physics Building in the latter part of November. These microscopes originally cost \$151.75 and had a replacement value of possibly \$250.

No trace of them has been found, but the investigation is still under way.

This report was received for record.

THEFT OF PLATINUM CRUCIBLES

(20) The Comptroller reports the loss of three platinum crucibles from the Division of Animal Nutrition of the Department of Animal Husbandry. The report indicates that these crucibles disappeared sometime between July 16 and November 13. They were last seen about July 16 when they were placed in a vault. When they were missed several weeks later no trace of them could be found.

This report was received for record.

REPORT ON CONTRACTS AND PURCHASE ORDERS

(21) The Comptroller's report of contracts executed and purchase orders in excess of \$1000 from December 3, 1925, to January 7, 1926.

RETIRING ALLOWANCES

(22) A statement concerning persons on the staff who have reached the age of retirement, but have not served the University the minimum of fifteen years required in the provisions for retiring allowances adopted by the Board; with a request for instructions in case the Board wishes to deviate from the time requirement.

No action was taken in this matter.

DEATH OF DEAN EYCLESHYMER

(23) Announcement of the death of Dr. Albert Chauncey Eycleshymer, formerly Dean of the College of Medicine, on December 29, 1925.

On motion of Mrs. Busey, the President of the University was requested to convey to Mrs. Eycleshymer an expression of the sympathy of the Board.

INVESTMENT OF TRUST FUNDS

The Finance Committee reported, recommending the investment of \$6500 trust funds (see page 504) as follows:

\$2000 Northern States Power Company 5½% bonds, series B, maturing in 1950.

\$2000 Commonwealth Edison Company 5% bonds, maturing in 1946.

\$2500 American Telegraph and Telephone Company 5% bonds, maturing in 1946.

On motion of Mrs. Evans, this recommendation was adopted, and the proper officers of the Board were instructed to make the investment.

GREGORY SCHOLARSHIP FUND

(2) The following letter from the Legal Counsel:

January 22, 1926

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

In re: Gregory Scholarship Fund

The assistant trust officer of the American Surety and Trust Company of Washington, D. C., executor and trustee of the will of Mrs. Louisa C. Gregory, has notified me that the company is now in position to make final payment on account of the legacy bequeathed, the amount being \$1531. The officer has requested that I draft resolution showing to whom the payment shall be made, and upon the receipt of the same the amount will be paid.

I have ascertained from Mr. Morey that the company has already paid \$6,000; \$5,000 on November 6, 1922, and \$1,000 on August 6, 1923. I am therefore sending you draft for resolution to be adopted by the Board of Trustees. I will ask you to please return the letter of Mr. Moran after you have had copy of same made. I am preserving all of the files in this matter.

I think I told you at one time that Mr. Harry C. Howard, Legal Counsel for Kalamazoo College, and I entered into a joint defense in certain proceedings involving the settlement of Mrs. Gregory's estate. The bequest to Kalamazoo College was exactly like the one to the Board of Trustees of the University of Illinois. The Gregory heirs and the trust company insisted that something like \$8000 or \$10,000, paid out by Mrs. Gregory to relieve the property of mortgage, should be charged against the bequests to the two institutions. The court took a contrary view and we are fortunate, I think, in getting the sum of \$7,531, more than double the amount that would have been received had the contentions of the Gregory heirs and the trust company prevailed.

Sincerely yours,

O. A. HARKER
Legal Counsel

In accordance with Judge Harker's suggestion I recommend that the following resolution be adopted:

WHEREAS, Louisa Catherine Gregory, who died at Washington, D. C., on the first of May, 1920, left a Will (admitted to probate in the Supreme Court of the District of Columbia) whereby it was provided that certain sums (when realized out of the rents and sale proceeds of certain real estate) should be paid to the Board of Trustees of the University of Illinois, to be held in perpetuity by the Board to be invested and reinvested from time to time, and the income thereof to be used as a scholarship fund for aid of worthy, indigent, and self-sustaining students attending the University of Illinois, to be known as "The John M. Gregory and Louisa Catherine Gregory Scholarships"; and

WHEREAS, the said Board of Trustees, by resolution duly adopted on October 20, 1922, accepted the said bequest and agreed to use and manage the said fund in accordance with the provisions of said Will; and

WHEREAS, The American Surety and Trust Company of Washington, D. C., executor and trustee appointed to carry out the provisions of said Will, has made payments as follows, to-wit: On November 6, 1922, \$5,000; on August 6, 1923, \$1,000; and has reported that it is in a position to make final payment on account of such bequest in the sum of \$1,531.

THEREFORE, be it resolved that Lloyd Morey, the Comptroller of the University, is appointed to receive the aforesaid sum of \$1,531 from the American Surety and Trust Company, and receipt the same in full payment of said bequest.

On motion of Mrs. Evans, the above resolution was adopted.

CHANGE OF TIME OF COMMENCEMENT

(3) The Council of Administration has voted to recommend to the Board of Trustees that beginning in June, 1927, the University revert to the former plan of holding Commencement on Wednesday with Class Day on Monday and Alumni Day on Tuesday.

On motion of Mrs. Grigsby, this recommendation was adopted.

BEQUEST OF MISS JESSIE ESTEP

(4) I have a letter from Mr. James Bothwell of the Class of 1881, who is Executor of the estate of the late Miss Jessie Estep of the Class of 1878, concerning the following provision in her will for a bequest to the University:

"13. I give and demise and bequeath unto the Trustees of the University of Illinois located at Urbana, Illinois, the sum of \$500, the income of which shall be applied to the upkeep and repair of a Memorial Clock given to the said University by the graduating class of 1878, of which I am a member."

Mr. Bothwell tells me that some of Miss Estep's smaller bequests, including the University's, will not be paid for some months due to certain problems in clearing up the estate.

GIFT FROM DR. FRANK SMITHIES

(5) Dr. Frank Smithies of the College of Medicine has sent me two bonds of Chicago By-Products Company in the amount of \$1,000 each, paying five percent interest per annum, for the purpose of creating the William Beaumont Memorial Fund, the income from which is to be used for the annual Beaumont award for the most useful piece of research dealing with diseases of the alimentary tract. The Board accepted this gift on December 8, 1925 (page 485).

Dr. Smithies suggests that the first award be made about Commencement time 1927, because setting the first award at that time would give the fund approximately \$150 in interest before the award is due. This will permit a surplus in the fund should such be necessary for incidental expenses in connection with the management of the fund.

I have turned these bonds over to the Comptroller for deposit with the Treasurer of the University.

This report was received for record.

REPORT ON HESSEL LAND

- (6) The following report from the Comptroller on this matter:

"At the direction of Mr. W. G. Palmer, I today paid to Mr. J. F. Hessel the balance due on the contract for the purchase of land between First Street and the Illinois Central Railroad of \$1500 together with the interest on this balance from January 2 to this date, as per the contract, \$2.91, total \$1,502.91. The amount due and paid as above the purchase price is covered by the appropriation made by the Board of Trustees for the purchase of this land. The item of interest may be charged to the general appropriation for Interest and Taxes on various land purchases made by the Board of Trustees, December 28, 1925.

This report was received for record.

MURAL DECORATIONS IN LIBRARY

- (7) A statement concerning the contract with Mr. Barry Faulkner for the mural decorations in the new Library.

On motion of Mr. Trees, the time for completing this contract was extended to January 1, 1927.

On motion of Mr. Trees, \$250 was appropriated from the Reserve and Contingent Fund for traveling expenses for Mr. Faulkner. The vote was as follows: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

PASTEUR TREATMENT FOR DR. ROBERT GRAHAM

- (8) Some time ago Dr. Robert Graham in examining a specimen suspected to be rabies sent by a veterinary at Atlanta, Illinois, cut his hand during the investigation. In order to be on the safe side he took Pasteur treatment at an expense of \$42. This work was done in connection with the serum laboratory which was transferred to the University in 1919. The circumstances are so unusual that without committing the University to the policy of paying expenses incurred for accidents or illness due to their work, I recommend that in this case Dr. Graham be reimbursed for this expenditure and that the sum of \$42 be appropriated for the purpose from the Reserve and Contingent Fund.

On motion of Mrs. Evans, this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

DEDICATION OF MCKINLEY HOSPITAL

At this point, a recess of one hour was taken to permit the members of the Board to attend the dedication of the McKinley Hospital.

When the Board convened after the recess, the same persons were present as before.

**APPROPRIATION FOR GRADUATE SCHOLARSHIPS
AND FELLOWSHIPS FOR 1926-27**

- (9) The Dean of the Graduate School recommends that \$25,000 be provided in the budget for 1926-27 for Graduate Scholarships and Fellowships.

I concur in this recommendation.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

ADDITIONAL APPROPRIATION FOR MILITARY BANDS

- (10) I recommend that an appropriation of \$150 be made from the Reserve and Contingent Fund to the Expense and Equipment Budget of the Military Band.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

DEATH OF WILLIAM FOGARTY

(11) I recommend that an appropriation of \$406.55 be made from the Reserve and Contingent Fund for death benefit to the family of William Fogarty and that the Comptroller be authorized to make the payment to Mr. Fogarty's legal representative.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

OUTSIDE CONNECTION WITH CARTHAGE EXPERIMENT FIELD DRAIN

(12) Last October Dean Mumford reported that a request had been received from Mr. T. M. Hartzell, of Carthage, who was building a house adjoining the University's Experiment Field at Carthage, for permission to connect his cellar drain to our main branch.

Shortly afterward, Mr. Hartzell died and the administrators of his estate proceeded to connect the Hartzell cellar drain with the main drain on the University's land before action on their request had been taken.

I ask authority to proceed in the matter in accordance with the advice of the Legal Counsel.

On motion of Mr. Wham, the President of the University was authorized to proceed as requested.

PROPOSED IMPROVEMENT OF WRIGHT STREET

(13) The Supervising Architect has a communication from the Mayor of Champaign stating that the City Council believes that Wright Street should be widened from Springfield Avenue to Armory Avenue.

No action was taken in this matter.

EXAMINATION BOOKS

(14) The Council of Administration recommends that the rule with reference to the use of examination books be modified to read as follows:

"For the regular examinations at the end of each semester, for final examinations in courses continuing less than a full semester, for special examinations, for examinations previous to mid-semester reports, and for entrance examinations, the Comptroller shall furnish examination books. He shall give out such books on the requisition of the head of each University department, which requisition shall state the size and the exact number of books needed for each course in his department. Examination books for entrance examinations shall be given out on the requisition of the Registrar."

On motion of Mr. Trees, this rule was amended as recommended.

PROXY FROM PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

(15) Proxy blanks for the annual meeting of the stockholders of the Public Service Company of Northern Illinois.

On motion of Mr. Armstrong, the officers of the Board were authorized to execute this proxy.

APPOINTMENT OF PROFESSOR A. F. DODGE

(16) On recommendation of Dean Chadsey, I have approved the appointment of Arthur Farwell Dodge as Assistant Professor of Industrial Education for four

months beginning March 1, 1926, at a salary of \$350 a month. Professor Dodge's appointment is to fill the position made vacant by the death of Professor Harris.

This report was received for record.

THE NUTRITION INVESTIGATION

(17) As the records of the Board will show, this investigation began about twenty years ago. It was a cooperative enterprise between the Institute of American Meat Packers and the University. A search of the records convinces me that the University agreed to publish the results of the investigation in five volumes together with a pamphlet summary. Volumes I, III, IV, and V have been published. The Institute of American Meat Packers is asking whether we will not publish Volume II and the summary. I feel that we are bound to do this under the terms of the original understanding. The completion and publication of the work may take as much as \$10,000. I therefore recommend at present an appropriation of \$2000 from the Reserve and Contingent Fund in order to carry the work to the point of publication.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mrs. Busey, Mr. Small.

COMPTROLLER'S REPORT ON CONTRACTS AND PURCHASE ORDERS

AMENDMENT OF RETIRING ALLOWANCES AND DEATH BENEFITS SYSTEM

(20) In paragraph 2, section E, and paragraph 4 of the resolution of the Board on the matter of death benefits and retiring allowances (p. 128, December 13, 1924), there are references to disability benefits. These references were not stricken out when the system was put into final form, doubtless through oversight.

I recommend that the resolution be amended by striking out the words "or disability" in paragraph 2, section E, and the words "and disability," in paragraph 4.

On motion of Mrs. Ickes, these amendments were adopted.

PLANS FOR ARCHITECTURE BUILDING

(21) The plans for the new Architecture Building.

February 6, 1926

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I sent you yesterday one set of small-scale drawings of the proposed building for Architecture and Kindred Subjects and a plot plan showing the location of the building as fixed by the Board of Trustees. I recommend the approval of these plans as presented.

In the west end of the building extending from the basement floor thru the first story is a hall of casts 47 by 75 feet and there is a corresponding room on the first floor in the east end to be used as an exhibition gallery. These two rooms together give almost half the floor area in the Gym Annex.

The second story plan is distinctive in that the reading room and the two big drafting rooms form a suite of rooms entered thru one door only and under the general control of the Librarian, which permits free use of books in the drafting

rooms. The reading room will be high enough to permit the double decking of book stacks which accounts for its being a little smaller than the present Architectural Library.

The fourth floor is also distinctive in that large studios are provided with continuous north light. By the use of movable screens these studios can be divided so as to be used by different classes at the same time.

We plan to leave the walls of the drafting rooms in common brick which will be painted. These walls will be pretty largely covered with drawings and it is advisable to be able to put up drawings anywhere without damage to walls. The cheapest solution is not to put on any finish that can be damaged. The exhibition rooms, offices, class rooms, and reading room will, of course, be plastered.

Yours truly,

JAMES M. WHITE
Supervising Architect

On motion of Mrs. Evans, these plans were approved.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

March 9, 1926

The annual meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a. m. on Tuesday, March 9, 1926.

The following members were present: Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of February 10, 1926, and of the adjourned session of February 13, 1926.

On motion of Mr. Wham, the minutes were approved as printed on pages 511 to 540 above.

ELECTION OF OFFICERS

On motion of Dr. Noble, Mr. Barr was elected temporary chairman.

MR. MERLE J. TREES ELECTED PRESIDENT

Mr. Armstrong nominated Mr. Merle J. Trees to serve as President of the Board for one year.

On motion of Dr. Noble, the nominations were closed and the ballot was taken, the Secretary acting as teller. Eight votes were cast, all for Mr. Trees, and he was declared elected. Mr. Trees took the chair and expressed his thanks to the Board.

VOTE OF THANKS TO DR. NOBLE

On motion of Mrs. Evans, a rising vote of thanks was extended to Dr. W. L. Noble for his fair and impartial conduct of the office of President of the Board.

MR. H. E. CUNNINGHAM ELECTED SECRETARY

Mrs. Busey nominated Mr. Harrison E. Cunningham for the office of Secretary of the Board for one year.

On motion of Dr. Noble, the nominations were closed and the President of the Board cast the unanimous vote of the Board for Mr. Cunningham, and he was declared elected Secretary.

PROFESSOR LLOYD MOREY ELECTED COMPTROLLER

Mrs. Evans nominated Professor Lloyd Morey for the office of Comptroller for one year.

On motion of Dr. Noble, the nominations were closed and the Secretary cast the unanimous vote of the Board for Mr. Morey, and he was declared elected Comptroller.

ELECTION OF EXECUTIVE COMMITTEE

Mr. Armstrong nominated Dr. W. L. Noble, and Mrs. Evans nominated Mrs. Mary E. Busey, to serve for one year as members of the Executive Committee, with the President of the Board as Chairman.

On motion of Mrs. Ickes, the nominations were closed and the Secretary cast the unanimous vote of the Board for Dr. Noble and Mrs. Busey, and they were declared elected members of the Executive Committee.

AUTHORITY TO RECEIVE FUNDS

On motion of Mr. Barr, the following resolution was adopted:

Resolved, That the Treasurer of the Board of Trustees of the University of Illinois is hereby authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or to the University of Illinois.

DELEGATION OF SIGNATURES

On motion of Mrs. Grigsby, the following resolution was adopted:

Resolved, That the President and the Secretary of the Board of Trustees are hereby authorized to delegate the signing of their names

as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions:

No disbursement shall be made from any University funds in the hands of either the University Treasurer or the State Treasurer except on a voucher certified by the proper officer or head of department, against an appropriation made by the Board of Trustees, and approved by the Comptroller, according to the Statutes of the University.

The President of the Board of Trustees is authorized to delegate to the Auditor and to the Assistant Bursar in the Business Office authority to sign his name, as President of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer for vouchers approved as above.

The Secretary of the Board of Trustees is authorized to delegate to the Bursar and to the Assistant Auditor in the Business Office authority to sign his name, as Secretary of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer for vouchers approved as above.

The President and the Secretary of the Board of Trustees are authorized to delegate to the Comptroller and to the Assistant to the Comptroller authority to sign the names of the President or of the Secretary of the Board of Trustees to vouchers against the State Auditor, and to warrants on the University Treasurer in case of emergency; provided that under no circumstances shall the Comptroller or the Assistant to the Comptroller sign the names of both the President and the Secretary to the same warrant or voucher.

STANDING COMMITTEES

On motion of Mr. Barr, the President of the Board was instructed to appoint a special committee of three members to consider and report on the matter of the standing committees of the Board. President Trees appointed Mr. Armstrong, Mr. Barr, and Mrs. Ickes.

President Trees announced that he would appoint standing committees as usual, with the understanding that such appointments may be changed later by action of the Board.

The following list of standing committees for the year 1926-27, appointed by President Trees on March 10, 1926, is printed here according to the By-Laws of the Board.

REFITTING BAKERS' BUILDING FOR PHARMACY

(2) Professor White estimates that it will cost \$3788.20 to make the necessary changes and supply seating for the use of the School of Pharmacy in the so-called Bakers' Building formerly used by the Institute of Juvenile Research. He asks an appropriation sufficient to make these improvements. I therefore recommend that the sum of \$4000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to the Supervising Architect's Office to refit and put seats and blackboards in this building.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

DISCOVERY OF NEW ELEMENT BY DR. B. S. HOPKINS

(3) Announcement of the discovery by Professor B. S. Hopkins of a new element, Ilinium.

On motion of Mrs. Ickes, the President of the University was requested to express to Dr. Hopkins the appreciation of the Board.

**BIDS ON THE PLUMBING, WIRING, AND HEATING FOR THE

On motion of Mrs. Grigsby, the contract for the plumbing was awarded to the Carson-Payson Company, the lowest bidders, for \$10,661.

On motion of Mrs. Busey, the contract for the wiring was awarded to the Hughes Krabbe Company, the lowest bidders, for \$2547.

On motion of Mr. Wham, the contract for the heating equipment was awarded to Johnson Brothers, the lowest bidders, for \$8500.

**INCLUSION OF CERTAIN UNIVERSITY GROUND WITHIN
THE CITY OF CHAMPAIGN**

(5) I submit with my approval the following letter from Professor James M. White, Superintendent of Business Operations:

February 27, 1926

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

I asked the City of Champaign to consider annexing the Stadium area to Champaign. This is advisable in order that public improvements may be made by the city and the cost distributed over a period of ten years. It is also advisable that the city shall have full jurisdiction of traffic control, peddling, etc., around the Stadium.

A committee of the Chamber of Commerce has had the matter in hand and has submitted a petition with a request that the University sign it. The land included is bounded on the east by Wright Street extended southward across the golf course; on the west by the Illinois Central railroad tracks; on the south by a line extended east and west along the north side of the public school property at the intersection of South First Street and the road north of St. Mary's Cemetery. From this area is excepted the block of cemetery property, including the residence properties across the street from our cavalry stables.

The object in stopping short of the east and west road from the Catholic Cemetery subway was so that if that quarter mile should ever be wanted as part of the state highway, the expense of paving it would be on the state and not on the city.

The only residents within the area are Mr. and Mrs. Ben Crackel in the Stadium. The only property concerned is that of the University of Illinois.

The petition has already been signed by Mr. and Mrs. Crackel, and if signed by the University will be promptly acted upon.

Yours truly,

JAMES M. WHITE
Superintendent of Business Operations

PETITION FOR ANNEXATION

To the Council of the City of Champaign, Illinois

GENTLEMEN:

We, the undersigned, being and constituting a majority of the legal voters and a majority of the property owners in the territory hereinafter described, which is contiguous to the aforesaid City of Champaign, Illinois, and not embraced within its limits, respectfully petition your honorable body that the question of the annexation of said territory hereinafter described to said City be submitted to a vote of the people of said City, and that said territory be annexed to the said City of Champaign, Illinois, in the manner provided by law. The said territory proposed to be annexed is described as follows:

Commencing at the Southeast corner of the North one-half of the Southwest one-quarter of Section 18, Township 19, North, Range 9 East of the Third Principal Meridian, thence South along the East line of the West one-half of said Section 18 to a line which is 52.69 rods North of the South line of said Section 18, or to the south side of the road extending along the north side of Mount Hope Cemetery, thence West along a line parallel to the South line of said Section 18 to the East line of a public road, the center line of which extends along the West line of the East one-half of the Southwest one-quarter of said Section 18, commonly known as Fourth Street, thence South along the East line of said public road to the North line of a public road, the center line of which extends along the South line of said Section 18, thence East along the North line of said public road to the East line of the West one-half of said Section 18, thence South along the East line of the West one-half of said Section 18 and along the East line of the West one-half of Section 19, Township 19, North, Range 9 East of the Third Principal Meridian, to a point 264 feet North of the South line of the North one-half of the North one-half of said Section 19; thence West parallel to the North line of said Section 19 to the East line of Section 24, Township 19 North, Range 8 East of the Third Principal Meridian, thence along the East line of said Section 24, to a point 264 feet North of the South line of the North one-half of the North one-half of said Section 24, thence West along a line parallel to the North line of said Section 24 to the East right-of-way line of the Illinois Central Railroad Company thence Northerly along the East line of the right-of-way of the Illinois Central Railroad Company to the North line of the South one-half of the South one-half of Section 13, Township 19 North, Range 8 East of the Third Principal Meridian, thence East along the said North line of the South one-half of the South one-half of said Section 13 and along the North line of the South one-half of the South one-half of Section 18, Township 19 North, Range 9 East of the Third Principal Meridian to the place of beginning:

On motion of Mr. Wham, this matter was referred to the Committee on Buildings and Grounds for consideration and report.

VACATION OF HESSEL BOULEVARD

(6) A letter from Green & Palmer concerning the vacation of the Hessel Boulevard.

March 1, 1926

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

We beg to advise you that this morning the Council of the City of Champaign passed an ordinance vacating that part of Hessel Boulevard which passes through the Hessel tract of land recently acquired by The Board of Trustees.

You remember it is also necessary to secure the passage of resolutions by the Board of Park Commissioners of the Town of Champaign, and also by the Board

of Park Commissioners of the Town of the City of Champaign in order to complete the vacation of all that part of Hessel Boulevard. We are working on this matter and expect that these Park Boards will pass the required resolutions within a short time.

Very respectfully,

GREEN & PALMER
By WILLIAM G. PALMER

This report was received for record.

PROPOSED STORM WATER SEWER SYSTEM IN CHAMPAIGN

(7) The following letters from the City Engineer and Mayor of Champaign:

February 26, 1926

President David Kinley, Administration Building

MY DEAR SIR:

Enclosed you will find a communication from the City Council of Champaign by Hon. Geo. J. Babb, Mayor, to the Board of Trustees of the University of Illinois, asking their co-operation in the construction of the proposed Storm Water Sewer System to be built by the City of Champaign.

I think this conforms with our conference as to how the Board of Trustees should be approached on their joining with the City on the proposed improvement.

Yours very truly,

FRED C. LOHMANN
City Engineer

February 27, 1926

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

On July 24, 1920, the Council of the City of Champaign petitioned the Board of Trustees for the right to deepen and straighten the Boneyard branch in its course through the University campus. This request was granted on the condition that detailed plans for the work on University property must be submitted to and approved by the Board of Trustees before the work was begun.

These plans are now ready for your approval and we would like to submit them to whomever you may appoint to investigate their adequacy.

This drainage project is going to be a very comprehensive one and will provide better drainage outlets for at least 200 acres of the University's properties. The cost of the improvements will be spread as a special assessment extending over a period of not less than ten years. The magnitude of the project makes it necessary that the University co-operate financially in order to make it a success. We, therefore, desire to know whether the Board of Trustees will recognize an assessment against it for this improvement and if so we would like your further advice as to how you think the University's share can be most fairly determined.

Respectfully submitted,

GEO. J. BABB
Mayor of Champaign

On motion of Mr. Barr, this matter was referred to the Committee on Buildings and Grounds for consideration and report, and the President of the University was requested to inform the Champaign authorities of the attitude of the Board toward the project.

GRADING OF FLORIDA AVENUE

(8) A letter from the City Engineer of Urbana addressed to Professor Blair and sent by him to Professor White explains that the City wishes to bring the grade line of Florida Avenue from Lincoln Avenue to Orchard Street to the level determined for future paving improvements. He states that the total cost will be \$418.40 and asks whether the University will pay for its half of the work.

Professor White recommends that this be done and I concur in his recommendation that an appropriation of \$209.20 be made from the Reserve and Contingent Fund, as the University's share in the expense of grading Florida Avenue within the limits indicated.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

LOUD SPEAKING APPARATUS IN THE STADIUM

(9) The Athletic Association desires loud speaking apparatus for the Stadium and asks permission to meet the expense of supplying this from Athletic Association funds. You have already made an appropriation for loud speaking apparatus in the New Gymnasium. The Association desires to add \$3500, or so much of it as may be necessary, to your appropriation in order to secure a larger apparatus which, while serving our purposes, will also serve theirs in the Stadium. I see no objection to this and Professor White recommends it. I ask that this permission be given.

On motion of Mrs. Evans, permission was given as requested.

PURCHASE OF LOT 29 IN COLLEGE PLACE

(10) The Superintendent of Business Operations reports that the owner of Lot 29 in College Place has offered to sell it to the University for \$2700. He is of the opinion that the University should accept this offer.

I recommend that the purchase of this lot be authorized provided that the owner agrees to deliver title to the University free of all encumbrances to January 1, 1926, excepting special assessments not yet due, for the sum of \$2700 and that this amount be appropriated from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Barr, this purchase was authorized. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

PARTITIONING A ROOM IN THE NEW GYMNASIUM BASEMENT

(11) Professor White requests that an appropriation of \$900 be made to lay concrete floor and construct partitions setting off a room in the basement of the new Gymnasium. This will be used as a store and supply room until the proposed new rooms are added to the Armory. The room will then be used for the work of the Department of Physical Education. I concur and recommend appropriation of \$900 from the Reserve and Contingent Fund.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

ADDITIONAL APPROPRIATION TO THE SCHOOL OF MUSIC

(12) I recommend that an appropriation of \$250 be made to the special equipment fund of the School of Music from the Reserve and Contingent Fund for the purchase of a piano to be used in the lecture room in the Music Building.

On motion of Mrs. Ickes, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

APPROPRIATION FOR COMPTROLLER'S OFFICE

(13) The Comptroller, Mr. Lloyd Morey, needs additional help and I recommend that the sum of \$2,000 be appropriated to his budget from the Reserve and Contingent Fund to enable him to secure additional assistance.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

LISTENERS OR VISITORS FEES FOR CHICAGO DEPARTMENTS

(14) I recommend that the following schedule of fees be established for listeners or visitors in the Chicago departments:

In the College of Medicine for each twenty-five clock hours or fraction thereof: \$10, State students; \$20, Non-state students.

In the College of Dentistry and in the School of Pharmacy for each semester hour: \$10, State students; \$20, Non-state students.

On motion of Dr. Noble, these fees were approved.

STOEK MEMORIAL TABLET

(15) Former students of the late Professor H. H. Stoek, alumni, members of the University faculty, and other friends have presented the University with a bronze tablet to Professor Stoek's memory. I recommend that the tablet be accepted, and placed in some appropriate place in one of the Engineering Buildings.

On motion of Mrs. Busey, this recommendation was approved.

DONATION OF F. K. BABSON

(16) Under the authority and rules of the Board I have authorized the Dean of the College of Agriculture to accept the sum of \$400 offered by Mr. F. K. Babson, of Hinsdale, Illinois, to investigate certain organisms in dairy cattle which may possibly have some relation to the matter of abortion in cattle.

This report was received for record.

COOPERATIVE INVESTIGATION OF STEAM AND HOT WATER HEATING

(17) Dean Ketchum requests approval of a proposed cooperative agreement between the University and the National Boiler and Radiator Manufacturers' Association and the Illinois Master Plumbers' Association for an investigation of steam and hot water heating by the Engineering Experiment Station. The National Boiler and Radiator Manufacturers' and the Illinois Master Plumbers' Associations agree to furnish \$3000 each for the first year beginning April 1, 1926, with the understanding that it may be extended for additional periods under the same terms or such other terms as may be agreed upon.

This agreement is in accordance with the policy of the Board in connection with cooperative research. I recommend that it be authorized.

On motion of Mr. Armstrong, this contract was authorized.

GIFT OF PYROMETER

(18) Under the rules I have authorized the Dean of the College of Engineering to accept a gift of a recording pyrometer, value \$400, offered by the Charles Engelhard Company of New York.

This report was received for record.

SLOAN COLLECTION OF PICTURES

(19) Mr. Percy H. Sloan of Chicago has offered the University a collection of pictures painted by his father. They number in the neighborhood of four hundred. The conditions of the donation are such that in my judgment the University can not well accede to them, and I recommend that the gift be declined with appropriate thanks.

On motion of Mr. Barr, this recommendation was concurred in.

APPOINTMENT OF O. L. McCASKILL AS PROFESSOR OF LAW

(20) On recommendation of Dean Harno of the College of Law, I recommend that O. L. McCaskill be appointed Professor of Law at a salary of \$7500 beginning September 1, 1926, under the regulations of the University.

On motion of Mrs. Evans, this appointment was made.

**APPOINTMENT OF ASSISTANT PROFESSOR
ROBERT CHILDERS ASHBY**

(21) Dean Mumford recommends the appointment of Mr. Robert Childers Ashby, now District Supervisor, Packers and Stockyards Administration, United States Department of Agriculture, Stockyards Station, Cincinnati, Ohio, to the position of Assistant Professor of Animal Husbandry in the College of Agriculture and Assistant Chief in Live Stock Marketing in the Agricultural Experiment Station at a yearly salary of \$3600 to begin April 1, 1926, and to continue to August 31, 1927.

On motion of Mrs. Ickes, this appointment was made.

RESIGNATION OF PROFESSOR CHARLES HENRY WOOLBERT

(22) I have accepted the resignation of Professor Charles Henry Woolbert, Professor of Speech, to take effect August 31, 1926.

This report was received for record.

RESIGNATION OF PROFESSOR ELLIOTT CHEATHAM

(23) Professor Elliott Cheatham of the College of Law has submitted his resignation to take effect September 1, 1926. I recommend that it be accepted.

This resignation was accepted.

LEAVE OF ABSENCE FOR MISS JOSIE B. HOUCHENS

(24) Librarian Windsor recommends that Miss Josie B. Houchens, Binding Librarian in the University Library, be given leave of absence from June 25 to October 4, 1926, with pay. This includes her regular vacation of one month. Miss Houchens wishes to spend the time in travelling abroad. She has been with us eighteen years.

I concur in this recommendation.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR C. A. BERDAHL

(25) I ask authority to permit Professor Berdahl to leave the University June 10 and extend his vacation to September 22 in order to take advantage of an invitation from the Carnegie Endowment for International Peace to join a group of professors of international law as the guests of the Endowment.

On motion of Mrs. Ickes, this authority was granted.

SALE OF OLD DAIRY BUILDINGS

(26) The Supervising Architect reports that on February 13 he opened bids for the purchase of the dairy barns on the South Campus which are to be removed. The highest bidder on all of the buildings except the silos was Mr. R. D. Grafmyer of Champaign. The only bidder on the silos was Mr. C. T. Henson of Champaign. The successful bidders were notified that they might start removing the buildings as soon as they can and the removal is now in progress. No bids were received on the brick building and so the Supervising Architect notified Mr. Grafmyer he might have what material he could salvage from it if he would remove that building.

This report was received for record.

REPORT ON SULLIVAN RADIO STATION

(27) Professor White informs me that all parties agreed on the location of the radio towers and the studio at the south end of our athletic field, and I approved that location accordingly. The distance between towers is to be 375 feet and they are to be 150 feet high. Work is now under way.

This report was received for record.

PURCHASE OF KAPPA KAPPA GAMMA PROPERTY

(28) In accordance with your instructions I have made the best inquiry I could into the advisability of the purchase by the University of the property owned by the Kappa Kappa Gamma sorority on the northwest corner of Wright and Daniel Streets, Champaign, and submit this as my report:

There are three points of view from which the matter may be considered. One is the desirability or necessity of purchasing this property in order to keep business houses from further encroachment on the University district, lying as it does just across the street from the Administration Building and adjacent to the Davenport Residence Hall. The second is the desirability of purchasing the property to add to our women's residence hall accommodations. The third is its desirability as an extension of the campus for future buildings.

The purchase of this property alone would not prevent the further erection of business buildings in this block of land. One has already been erected on the southwest corner. To prevent this contingency in the whole block it will be necessary for the University to acquire the Rolfe property, three other lots with houses on them, and the new business building on the southwest corner. There is no assurance that the University could get all of this land at a price that it should properly pay and it is certain that many years must elapse before it can get it at all. If the point be that it is desirable to keep a business house off the Wright Street frontage only, the answer is that the same point may be made with reference to the next block south lying directly across Wright Street from the Woman's Building and also of the second block south.

The land adjustments made south of Armory Avenue in the past few years are sufficient, or will be as soon as three or four more lots in College Place are purchased, to meet the University's necessary building program for many years to come. The policy of the Board, when the Board last formally expressed itself on the matter, was a repetition of the views expressed formally or informally at various times by your Board in the past fifteen or twenty years. That policy is that owing to the narrowness of the University campus from University Avenue south to the Auditorium, the University inevitably must in time move southward. The recent development of the new quadrangles south of the Auditorium is in accordance with this policy. To purchase the land under consideration would be a departure from this policy and would require a larger expenditure for a given area of land.

Again it is not clear what advantage would accrue to the University from owning this whole block of land unless it can also secure the block immediately to the south facing Wright Street. But the acquisition of these is out of the question.

In favor of the purchase of this property are these arguments:

1. It would widen the campus by just so much, north of Daniel Street. In the course of twenty years, possibly less, the University might get all the block at a price. I have reason to think that the University could secure, if your Board thought wise, an agreement that the University should have the first right of purchase of the Rolfe property when the family is through with the property at a price then to be agreed on or to be determined by competitive bids. This would give us the assurance of being owners for University purposes of more than one-half of the block at a price.

As to the suggestion that it would be advisable to purchase this property in order to add to our women's residence hall facilities, several points need to be considered:

In the first place, although the amount of money asked for by the owners is not in excess of the amount which they have invested in the property, it is larger, in my opinion, than the property, so far as the house is concerned, is worth for our purposes however justifiable the expenditure was for the owners' purposes. To put the matter in another way, if the University were to spend \$35,000 in securing a lot and erecting a house for girls to live in, it would not erect a house of this kind. The improvements of one owner are always to some extent a waste from the point of view of a succeeding owner.

In the second place, the Comptroller writes me that the average investment per student now accommodated in our Residence Halls is \$1857. It is \$1937 in the Residence Halls and \$1411 in the Davenport House. He further states that the investment per student for 30 students accommodated in the Kappa Kappa Gamma property would probably be not less than \$2000. This is to be compared with the \$1411 in the Davenport House. He adds: "It would seem that this would be a very large investment considering the type of house we would be getting. The same amount invested in a new building would very nearly provide a fire-proof and thoroughly-equipped building for the same number of girls." He adds: "I am inclined to believe that this amount of money could be used to better advantage in relation to the housing of our women students than by putting it into this property." It should be said that in making these per capita estimates of expenses Mr. Morey has included \$15,000 over and above the \$35,000 asked for the property for improvements and equipment.

Still further, the University already owns two lots on Nevada Street just east of the residence of Professor Noyes. This residence immediately adjoins our East Woman's Residence Hall. That location, it seems to me, is the logical one for the next Woman's Residence Hall, and very likely it would not take much, if any, more to purchase the necessary property than is asked for the property under consideration. We would then have a three lot area on which to build by and by.

I may say that Professor White and Mr. Morey are of the same opinion as myself as to the inadvisability of purchasing this land.

This report was received for record.

APPOINTMENT TO ADVISORY COMMITTEE FOR FLORICULTURE

(29) Dean Mumford recommends that Mr. Hans Jepsen of Maywood, Illinois, be appointed a member of the Advisory Committee for Floriculture in place of Mr. Otto H. Amling who has declined to serve.

On motion of Mr. Wham, this appointment was made.

RESOLUTION OF THE ILLINOIS GUERNSEY BREEDERS' ASSOCIATION

(30) The following resolution was adopted by the Illinois Guernsey Breeders' Association which held its annual meeting at the University on January 19:

ILLINOIS GUERNSEY BREEDERS' ASSOCIATION

Resolution brought in at their annual meeting January 19.

"Whereas, Abortion and Sterility in cattle are responsible each year for a tremendous economic loss to our dairy business, and

"Whereas, experience has shown that by precaution, proper sanitation, and isolation of aborting cows this disease can be checked and controlled,

"Be it resolved, that we petition the University of Illinois and the agricultural press to collect and disseminate information and recommendations throughout the state for the control of this infectious disease, and

"Be it further resolved, that we bring to the attention of the Board of Trustees of the University of Illinois the crying need for more funds to push further investigations in this field."

On motion of Mr. Armstrong, the President of the University was requested to acknowledge receipt of this communication and to express the regret of the Board that there were no funds available at present to care for this additional enterprise.

ASSIGNMENT OF ROOMS, WOMAN'S RESIDENCE HALLS

(31) A revision of the circular giving the procedure, rules, and fees for the assignment of rooms in the Woman's Residence Halls.

On motion of Mrs. Evans, these regulations were approved.

At this point, Mrs. Evans and Mrs. Grigsby withdrew.

TIME OF APRIL MEETING

On motion of Dr. Noble, it was voted to hold the April meeting at the Blackstone Hotel, in Chicago, at 9 o'clock a. m. on Wednesday, April 14, 1926.

In this connection, the matter of the dates of monthly and quarterly meetings was discussed, but no action was taken.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

April 14, 1926

The April meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9 o'clock a. m. on Wednesday, April 14, 1926.

When the Board convened, the following members were present: President Trees, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby.

President Kinley was present.

On motion of Mr. Barr, a recess was taken.

EXECUTIVE COMMITTEE MEETING, APRIL 14, 1926

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Wednesday, April 14, 1926, during the recess taken by the Board on the same day. The following persons were present: Mr. Merle J. Trees, chairman, and Mrs. Mary E. Busey, member of the committee, and Mr. George A. Barr, Mrs. Laura B. Evans, and Mrs. Helen L. Grigsby, members of the Board, and President Kinley.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Executive Committee considered the following matters presented by the President of the University.

GIFT FOR RESEARCH IN THE ECONOMICS OF PUBLIC UTILITIES

(1) I beg to report that following our practice and under the conditions regarding such gifts, I have accepted for the University \$1500 for research from a committee, representing certain public utilities companies, on cooperation with educational institutions.

This report was received for record.

GIFT FROM MR. MARCUS RUSSELL

(2) I submit the following deed of gift from Mr. Marcus Russell of Los Angeles, and recommend that it be accepted and signed by the proper officers of the Board.

AGREEMENT AND DECLARATION OF TRUST

This instrument executed the 31st day of March, 1926, between Marcus Russell, of Los Angeles, California, hereinafter called the "First Party," and the Board of Trustees of the University of Illinois, an Illinois Corporation, hereinafter called the "Second Party," WITNESSETH:

(1) That the First Party on this day has assigned and delivered to the Second Party as trustee, the following named bonds, and securities, to-wit:

5 bonds of \$1000 each of the Key System Transit Company, bearing 5% interest;

5 bonds of \$1000 each of the San Diego County Water Company, bearing 6% interest, due September 1, 1962;

3 bonds of \$1000 each of the 7th & Grand Avenue Building Company, bearing 6½% interest, due 1940;

3 bonds of \$1000 each of the Methodist Hospital of Southern California, bearing 7% interest, due in 1932;

5 bonds of \$1000 each of the Wilshire Oil Company, bearing 6½% interest, due in 1931;

4 bonds of the American Toll Bridge Company—\$1000 each—bearing 8% interest, due in 1945.

(2) That the Second Party receives the above-named bonds and securities in trust for the purposes herein named, to-wit:

(a) The interest coupons on the above-mentioned bonds and securities shall be detached from the bonds and mailed to the First Party not less than ten days before their maturity, during the natural life of the First Party;

(b) After the death of the First Party said bonds and securities, together with the interest thereon, shall be collected or sold, and the proceeds arising thereon set apart as a fund to be loaned to needy and worthy students attending the University of Illinois.

(3) The Second Party hereby declares that it holds the bonds and securities specified in Clause 1, and interest coupons upon the same, in trust for the benefit of the First Party during the term of his natural life, and for the benefit of needy and worthy students attending the University of Illinois thereafter.

(4) In the event that any of the bonds or securities named in Clause 1 are paid off during the lifetime of the First Party, the proceeds thereof shall be invested by the Second Party in some safe interest-bearing security approved by the First Party, and the income thereof paid to the First Party as the same shall be collected.

(5) Any of the bonds or securities named in Clause 1 may be sold and the proceeds invested in other bonds on approval of both parties; or they may be exchanged for other equivalent bonds or securities on approval of both parties.

(6) In the event of the retirement, payment, or sale of any of said bonds, or securities after the death of the First Party, the proceeds shall be used as a fund to be loaned to indigent and worthy students of the said University.

IN WITNESS WHEREOF the First Party has attached his signature and the seal and the authorized officers of the Second Party have hereto attached their signatures and the corporate seal of the Second Party, this 31st day of March, 1926.

MARCUS RUSSELL (SEAL) (First Party)

(Second Party)
*President, Board of Trustees
of the University of Illinois*

ATTEST: _____
Secretary

APPROVED: O. A. HARKER
*Legal Counsel for the
University of Illinois*

On motion of Mrs. Busey, this gift was accepted and the officers of the Board were authorized to sign the deed of gift.

REPORT ON ACCOUNTANCY ACT

(3) The Supreme Court of Illinois has declared unconstitutional the act passed by the Fifty-fourth General Assembly placing the certification of public accountants in the hands of the Department of Registration and Education, and repealing previous legislation on this matter.

This report was received for record.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(4) Mr. Charles W. Jones, who was appointed to the Board of Examiners in Accountancy on June 9, 1925, for three years beginning July 1, 1925, has left the State and has resigned from the Board. I recommend that his resignation be accepted, and that Mr. Arthur Andersen of Chicago be appointed to serve out the term of Mr. Jones.

On motion of Mrs. Busey, these recommendations were adopted.

SUMMER COURSE FOR PHYSICIANS

(5) Dean Davis requests authority to offer a four weeks' course for physicians beginning June 1, the work to be in the clinical branches, a fee of \$100 to be charged for a full program with proportional charges for partial programs of study and all instructors to be paid at the rate of \$3 an hour. I concur in his recommendation that this work be offered and that the fee indicated and the remuneration suggested be approved.

I recommend further that an appropriation of \$400 be made from the Reserve and Contingent Fund to cover the general expenses of this course.

On motion of Mrs. Busey, these recommendations were approved.

CASE OF MONROE F. SOLLIDAY

At this point, President Trees stated that he had a request for a hearing by the Board of Mr. Monroe F. Solliday, a student who was dropped from the College of Medicine for poor scholarship. The hearing was granted and Mr. Solliday and his father, Dr. M. H. Solliday, of Taylorville, were introduced.

Dr. Solliday presented the case for his son, and said that he wanted his son to be reinstated so that he (the son) could enter another class A medical college.

President Trees requested Dr. Solliday and his son to make their request in writing.

During the hearing Dr. W. L. Noble, a member of the Committee, arrived.

The Executive Committee adjourned.

SECOND SESSION, APRIL 14, 1926

When the Board convened after the recess on April 14, 1926, the same persons were present as during the previous session, and also Dr. W. L. Noble.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of March 9, 1926.

On motion of Dr. Noble, the minutes were approved as printed on pages 541 to 555 above.

UNFINISHED BUSINESS

The Board considered the following matters which had previously been referred to special or standing committees of the Board.

BROWN-KNIPP PATENT

The negotiations for the sale or licensing of manufacture of the Brown-Knipp radio tubes, which were referred to Mr. Cairo A. Trimble as a special committee on March 10, 1925 (page 192).

The Secretary was directed to ask Mr. Trimble whether a report could be obtained for the May meeting.

GREGORY MEMORIAL

A special committee, consisting of Mrs. Ickes, Mr. Armstrong, and Mr. Wham, was requested on September 15, 1925 (page 382), to confer with the Gregorian Committee and to recommend to the Board of Trustees a suitable form for the recognition of Dr. J. M. Gregory.

The Secretary was directed to ask Mrs. Ickes whether a report could be made at the May meeting.

PRESIDENT'S CAR

Dr. Noble reported on the matter of the purchase of a new car for the President of the University, referred to the Executive Committee with power to act on September 15, 1925 (page 394), that the Executive Committee had inspected various makes and models and had concluded that it was better to repair and use the old car for the present.

PRESIDENT'S PORTRAIT

Mrs. Evans, chairman of the special committee to select an artist to paint a portrait of the President of the University, stated that the committee had not been able to meet, but that a report might be expected at the May meeting.

PUBLIC WELFARE

President Trees reported that the special committee (Mr. Trees, Mr. Barr, and President Kinley) appointed October 23, 1925 (page 412), to confer with Governor Small and Director Jenkins on the status of the agreement with the Department of Public Welfare, had met with the Governor and Director Jenkins, and that no action was necessary because satisfactory arrangements had been made.

On motion of Dr. Noble, this committee was discharged.

COMMERCIAL AGRICULTURAL ACTIVITIES

The Committee on Agriculture reported that it had not been able to hold a meeting to consider the matter of slaughtering animals in the Old Agriculture Building.

The committee was requested to enlarge the scope of its investigations to include the extent of the commercial activities and operations of the College of Agriculture.

ANNEXATION OF STADIUM TO CITY OF CHAMPAIGN

The Committee on Buildings and Grounds recommended that the recommendation of the President of the University concerning the proposed annexation to the City of Champaign of the territory including the Stadium (March 9, 1926, page 546), be adopted and that the President and the Secretary of the Board be authorized to sign the petition for annexation.

On motion of Dr. Noble, this report was adopted.

CHAMPAIGN DRAINAGE PROJECT

The Committee on Buildings and Grounds recommended that the plans for the Champaign storm-water sewer project, involving the deepening and covering of the Boneyard, be approved in general, the final plans to be approved by the special faculty engineering committee appointed by the President at the request of Mr. Barr and changes to be reported to the Board before construction is undertaken.

On motion of Mr. Barr, this report was concurred in.

Mr. Barr reported that the matter of the distribution of expense of the drainage project was under consideration by a special committee of engineers.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

LEASE OF LAND FOR EXPERIMENT FIELD

(1) Dean Mumford recommends that 13.78 acres adjoining the Odin Soil Experiment Field be leased from Mr. C. H. Morrison of Odin, Illinois, on the same terms as the 20 acres lease dated February 27, 1909, signed by Colonel N. B. Morrison, the father of Mr. C. H. Morrison, the present owner, at a rental of \$5 per acre per annum. The lease provides, like the former one, that it may be terminated at the end of any biennium after date of execution.

I recommend approval. Authority is requested for the President and Secretary of the Board to sign the above lease.

On motion of Mrs. Grigsby, this recommendation was adopted and the authority granted.

APPROPRIATION FOR HEALTH SERVICE

(2) The University Health Officer reports that because of the extra expense thrown on the Health Service as a result of the threatened smallpox epidemic and the work of vaccination incidental thereto, his office will require additional funds for operation for the remainder of the fiscal year.

I recommend that \$500 be appropriated to the Health Service from the Reserve and Contingent Fund.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Wham.

APPROPRIATION FOR DEPARTMENT OF DAIRY HUSBANDRY

(3) On request of Dean Mumford, I recommend that the sum of \$3,876.64 be appropriated from the balance carried forward from the funds of the Dairy Husbandry Department, June 30, 1925, subject to reappropriation, for additional facilities at the new dairy barn made necessary by the transfer of the dairy herd to the new dairy barns.

On motion of Mr. Barr, this appropriation was made, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Wham.

AGREEMENT FOR IMMUNIZATION EXPERIMENT ON PIGS

(4) Dean Mumford recommends that an agreement be entered into between the University and Mr. P. B. Scott of Alexis, Illinois, for a cooperative investigation of the immunization of suckling pigs for the purpose of determining the effectiveness of immunization against hog cholera.

I concur in this recommendation.

On motion of Mr. Barr, this recommendation was concurred in.

FEE FOR DIAGNOSIS OF RABIES SPECIMENS

(5) Our Animal Pathology Laboratory is frequently called on to make diagnoses of rabies suspect specimens. Dean Mumford and Professor Graham are of the opinion that we should continue making these diagnoses and that a flat charge of \$5 each be made.

I recommend approval.

On motion of Mrs. Evans, this recommendation was approved.

REPORT OF THE FINAL PAYMENT OF THE BEQUEST OF LOUISA C. GREGORY

(6) The Comptroller reports that in accordance with the action of the Board of Trustees on February 13, 1926, he has received the sum of \$1,531 from the American Surety and Trust Company as the final payment of the bequest of Louisa C. Gregory to the University of Illinois for the establishment of a scholarship fund.

This report was received for record.

PAYMENT OF STUDENT LOANS

(7) The Council of Administration recommends the following modification in our practice with reference to the payment of student loans:

In lieu of a single note due on a specified date after graduation or time of leaving the University, installment notes due at intervals after these dates, may be taken by the Comptroller.

On motion of Mrs. Grigsby, this recommendation was approved.

RESIGNATION OF ASSOCIATE PROFESSOR CASSIUS ROGERS

(8) Associate Professor Cassius Rogers of the College of Medicine has tendered his resignation effective at the close of this academic year.

I recommend that his resignation be accepted, with an expression of appreciation of his valuable service.

On motion of Dr. Noble, this recommendation was approved, and the President of the University was requested to convey to Dr. Rogers an expression of the appreciation of the Board for his valuable service.

EXTENSION OF LEAVE OF ABSENCE OF PROFESSOR WATKINS

(9) Dean Thompson recommends that the leave of absence of Professor Gordon Watkins be extended one year from September 1, 1926.

I concur in this recommendation.

On motion of Mrs. Busey, this leave was extended.

DIRECTORS OF ATHLETIC ASSOCIATION

(10) I recommend that the following men be appointed directors of the Athletic Association to serve until March, 1927: Mr. George Huff, Champaign; Professor G. A. Goodenough, Urbana; Mr. Eugene I. Burke, Champaign; Mr. Jack Powers, Decatur; Judge O. A. Harker, Champaign.

On motion of Mrs. Evans, these directors were appointed.

REPORT OF COMMITTEE ON CARTER-PENNELLS TRUST FARMS

(11) The Trust Committee of the Carter-Pennell Trust Farms presents its third annual report as follows:

THIRD ANNUAL REPORT ON CARTER-PENNELLS FARMS

March, 1926

The report from the Carter-Pennell Farms for the year ending February 28, 1926, on the whole is encouraging. The reports show a net income of \$1755.49. This, of course, includes deductions for all current expenses and a prorated share of permanent improvement expense. If we consider the two farms worth about \$60,000, this means practically a 3% return on the investment without allowance for taxes. Considering the very dry season which was especially severe through the section where these farms are located, the showing is good. Records from over thirty Ford County farms similarly situated show a return of about 3.4% on the investment. It is to be assumed that the men who will keep records are well above the average and many of them are operating farms which are well-improved. It can be readily seen that both of the Carter-Pennell Farms are not on a high productive state, but improvement in yields should be realized from now on.

The South Farm showed a net income of \$1248.27. This farm is operated on a straight grain lease, and on the whole, is the more productive farm at the present time. The expenses on this farm total \$158.88, leaving a net income of \$1,089.39. We were able last year to have a considerable acreage of corn planted on land that had already grown a crop of clover since the management of the farm was taken over. The yield on the improved land gave from ten to twenty-five bushels larger yield than land planted to corn but which had not yet been improved.

The North Farm which was operated under a Livestock Lease showed a total income of \$890.71. The total expenses were \$224.61, which were due in part to the change in type of farming, necessitating rather more than average current expenditure. Also the buildings were in bad repair for livestock production and more improvement work has been done on the farm. The net income is shown as \$666.10. Due to the farm being operated as a livestock farm, all property must be inventoried on March first of each year and the income computed on the basis of inventory increase or decrease, plus actual sales. This situation put the North Farm to a disadvantage last year, as compared with the South Farm on the accounting basis used. For example, the feed and grain on hand at the beginning of the year was inventoried at March 1, 1925 prices, while all grain on hand March, 1926, was inventoried at current prices. This meant that corn was inventoried at over 40c a bushel less than a year ago. Assuming the same amount of corn was held over this year, over 600 bushels, the difference in value at 40c a bushel even

would account for a difference of \$240.00 in the year's income. Also one cow valued at \$140.00 died during the year. This is greater than normal livestock losses. This loss and the decrease in price of feed carried over into the beginning of the new year would account for the greater part of the difference in the income of the two farms. Also livestock on hand was inventoried at no increase per animal over the price last year even though the market price is improved.

In the report of last year, improvement work contemplated was estimated at \$715.00 for the two farms. Actual improvement, including some building material still on hand, amounted to \$770.43 for the year. A poultry house was constructed on a larger scale than had been planned and it means the possibility of carrying a larger flock of poultry during the present year. A total of 185 hens are now in the flock and the income from poultry should be materially increased during the current year. Also more than the normal amount of fencing was done upon the farm which was made necessary through the introduction of livestock. Due to the fact that the farm has not previously carried sufficient improvements, it was necessary to pay the tenant for some of the improvement work until the farm was brought to a fair state of repair. From now on it may be expected that the tenant will do a large part of the maintenance work at his own expense.

It is of interest to note that for the three-year period the total income from the two farms amounts to \$7,395.89, of which \$750.00 has been turned over to student loans. The current expenses and charges for new improvement amount to \$861.53. This does not include all the money spent on improvement work as the accounting method used for improvements which extend over a period of years prorate this expense of the improvement according to the expected life of the improvement. Of a total of \$1701.59 for improvement work only \$105.66 has been charged into the current expenses; hence a total of \$2457.46 has been paid out for current expenses and permanent improvement work. This includes expenditures for two new poultry houses, new additions to the barns on both farms, connection with the city water supply at Rankin for the North Farm and considerable new fencing, which are improvements which will last for a period of ten to twenty years, or longer in some cases. While the actual expenditures exceed somewhat the 25% expenditure of the total income permitted under the terms of the trust deed, the prorated annual charge up to the present has amounted to less than 12% of the income which must be considered a good showing, considering the poor state of repair of many improvements on both farms. While the statements furnished by the Business Office are adequate, I was interested in preserving the record of receipts and expenses on the two farms separately. Attached you will find a revised financial statement which has been prepared, showing the expenses and receipts from the two farms for the three-year period, 1923-1925.

Looking forward to next year, I recommend that beginning March 1, 1926, the University operate the Carter-Pennell Trust Farms directly, making such terms with managers and other employees as will return to the University and the managers approximately the same proportions of income as received in the past when the farms were operated under farm leases.

A certain amount of repair work should be contemplated which should include one or two carloads of limestone at a maximum cost of \$160.00, new fencing materials to cost approximately \$165.00; repair of roofs \$50.00; labor for repair work using materials already available on the farms \$40.00; making a total of \$425.00. In addition it is apparent that we must look forward to some repair work on the house on the South Farm. A part of the house is very old, while a portion of it seems to be in fair repair. It is probable that two rooms of one story height are about seventy years old. Just what improvement should be made has not been determined, but at least a permanent foundation will have to be provided as the kitchen addition is now on wooden blocks which are giving away. It may prove best to rebuild that part or to build new. It is difficult to estimate the cost but it may approximate \$1,000.00.

In regard to yields, only a portion of the corn crop was on land, in 1925, that had in any way been improved. Fourteen acres of corn on the North

FIRE IN DENTAL BUILDING

(12) Mr. Browne, Business Manager of the Chicago Departments, reports that a fire occurred in the basement of the Dental Building on the night of April 1 about midnight.

The fire originated in a corridor immediately adjacent to the carpenter and print shops. Little or no damage was done to the contents of the carpenter shop but the equipment of the printing shop and the stock of paper was badly damaged by fire and water. The origin of the fire is not known.

The insurance adjuster has inspected the damage and an itemization of the loss is being made by the adjuster.

This report was received for record.

APPOINTMENT OF DR. HOMER LEROY SHANTZ

(15) I recommend that Dr. Homer LeRoy Shantz, now senior physiologist in the Bureau of Plant Industry, United States Department of Agriculture, be appointed professor of botany and head of the department beginning September 1, 1926, at a salary of \$6,500 per year, under the University regulations.

Dr. Shantz received the degree of bachelor of science from Colorado College in 1901 and in 1905 received his doctor's degree from the University of Nebraska. He was instructor in botany at the University of Missouri from 1904-7 and professor of botany and bacteriology at the University of Louisiana for one year. He has been connected with the Bureau of Plant Industry of the United States Department of Agriculture since 1908, first as an expert in alkali and drought resistant investigations, as plant physiologist from 1910 to 1918, as botanist from 1918 to 1920, as physiologist in charge of physiological and fermentation investigations from 1920 to 1922, as physiologist in charge of plant geography in its relation to plant industry from 1923 to date, and as senior physiologist in charge of plant physiological investigations from 1924 to date. He has been a special lecturer of the Graduate School of Geography, Clark University, and in the Graduate School, U. S. Department of Agriculture.

Dr. Shantz has been a member of various educational commissions and scientific expeditions, including the Smithsonian African expedition in 1919-20. He is a contributor of numerous articles to scientific journals, dealing chiefly with vegetation and its value as an indicator of the agricultural capabilities of the land.

On motion of Mrs. Busey, this appointment was made.

BIDS ON ARMORY ADDITION

(16) I have received from Professor James M. White, Supervising Architect, and submit herewith schedule of the bids received April 9, on the general contract for the additions to the Armory. Professor White recommends that the contract be awarded to the low bidder, Mr. A. W. Stoolman, on the basis of his bid of \$331,987. I concur in this recommendation. The bids are as follows:

<i>Bidder</i>	<i>Main Bid</i>	<i>Deduct for use of rail steel reinforcing</i>
A. W. Stoolman, Champaign, Illinois.....	\$331,987	\$250
Bartleson and Ness, Freeport, Illinois.....	344,400	500
English Brothers, Champaign, Illinois.....	349,800	700
Murch Brothers Construction Company, St. Louis Missouri.....	353,940	800
Humes Deal Company, St. Louis, Missouri.....	355,571	none
Henry Horst & Company, Rock Island, Illinois.....	389,000	300

On motion of Mrs. Evans, this recommendation was concurred in.

MEN'S GYMNASIUM ADDITION—SLATE ROOF

(17) A statement from the Supervising Architect giving bids on the Men's Gymnasium addition and recommending that the contract be awarded J. Smith & Company for \$14,415. I concur in the recommendation.

On motion of Mrs. Grigsby, this recommendation was approved.

DELIVERY DESK IN NEW LIBRARY

(18) The following statement from the Supervising Architect giving bids and recommending that the award for the delivery desk in the new Library be given to the Baumann-Poe Manufacturing Company. I concur in the recommendation.

We have received bids on the delivery desk in the New Library as follows:

Baumann-Poe Manufacturing Company.....	\$3,763
Library Bureau.....	4,223

As the Baumann-Poe Manufacturing Company is the low bidder and also has the contract for other millwork in the Library I recommend that the award be made to them.

On motion of Mrs. Evans, this recommendation was approved.

APPROPRIATION FOR WALK

(19) I recommend on request of the Supervising Architect that an appropriation of \$3,750 be made from the Reserve and Contingent Fund to carry a walk eight feet wide from the new Library on the south side through to Fourth Street, with a branch south on the east side of the New Gymnasium to connect with all three of the entrances.

On motion of Mr. Noble, this recommendation was approved, by the following vote: Aye, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Armstrong, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Wham.

ELEVATOR FOR STACK UNIT OF THE LIBRARY

(20) The following statement from the Supervising Architect giving schedule of bids and recommending award of contract for the elevator in the Stack Unit of the Library to the Montgomery Elevator Company. I concur in the recommendation.

On March 18, 1926, at 2:00 p. m. we received sealed bids for the elevator installation in the Stack Unit to the New Library as follows:

Montgomery Elevator Company.....	\$5,000
Otis Elevator Company.....	5,620
Warner Elevator Manufacturing Company.....	5,950
Kaestner & Hecht Company.....	6,068

Most of the elevators on our campus are either Otis Elevator Company or Kaestner & Hecht installations, but we have checked the specifications of the Montgomery Elevator company and their elevator seems to fulfill all of our requirements. I recommend, therefore, that the contract for the elevator in the Library Stack Unit be awarded to the Montgomery Elevator Company on the basis of the low bid.

On motion of Mr. Barr, this recommendation was approved.

LEAVE OF ABSENCE FOR MISS MARY BURWASH

(21) Miss Mary Burwash, in charge of our Agricultural library, desires to go to Europe this summer and to return three weeks late. I recommend that she be permitted to be absent those three weeks without pay.

On motion of Mrs. Evans, this recommendation was approved.

CHANGE IN SCHOLARSHIP RULE

(22) The present regulation for extension of scholarships which are subject to extension on the President's approval is as follows: "The term of any scholarship will be extended under the provision of section 175 of the statute, only if the holder has been in attendance at the University for at least the first half year after he was awarded the scholarship, and if his average grade during the period of his attendance has been at least "C", exclusive of grades in military science and physical education."

I recommend that this rule be amended so that it shall require attendance during one full year as a condition of extending the scholarship, instead of the first half year.

On motion of Mr. Barr, this recommendation was concurred in.

PHILADELPHIA SESQUICENTENNIAL

(23) A statement concerning the possibility of a University exhibit at the Philadelphia Sesquicentennial Exhibition.

No action was taken in this matter.

PROPOSED GASOLINE STATION

(24) A statement concerning a proposal to erect a gasoline filling station at the northeast corner of Green Street and Mathews Avenue.

On suggestion of Mrs. Evans, it was agreed to express the opinion that the construction of such a station in this place seems inadvisable from the standpoint of the University.

DESIGNATION OF BENEFICIARIES

(25) A request for authority to ask the members of the staff to designate the beneficiaries to whom their death benefits should be paid.

This authority was granted.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

May 15, 1926

The May meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a. m. on Saturday, May 15, 1926.

The following members were present: President Trees, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Wham.

President Kinley was present, and Professor J. M. White, Supervising Architect.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of April 14, 1926.

On motion of Dr. Noble, the minutes were approved as printed on pages 557 to 586 above.

GREGORY MEMORIAL

Mrs. Ickes, for the committee to suggest a suitable memorial for Regent J. M. Gregory, made a report of progress, and stated that the committee expected to make a recommendation at the June meeting.

BROWN-KNIPP PATENT

Mr. Armstrong read a letter from Mr. Cairo A. Trimble concerning the negotiations for the sale of the Brown-Knipp radio tube.

Professor White reported for the committee a recommendation that the offer of the General Electric Company of \$10,000 for a non-exclusive license to manufacture these tubes be accepted, and that Mr. J. A. Dienner be requested to act for the Board in negotiating with the General Electric Company.

On motion of Dr. Noble, these recommendations were adopted, and Mr. Dienner was requested to report the progress of his negotiations to the Finance Committee.

On motion of Dr. Noble, the special committee was discharged, and the President of the University was requested to convey the thanks of the Board to Mr. Trimble for his valued services in this matter.

STANDING COMMITTEES

Mr. Armstrong, for the special committee on standing committees, made a report of progress, and stated that the committee expected to make a report at the June meeting.

COMMERCIAL ACTIVITIES

Mrs. Busey presented the following report of a meeting of the Committee on Agriculture.

A meeting of the Committee on Agriculture was held in Dean Mumford's office at 10 o'clock a. m. on Friday, May 7, 1926.

Present, Mrs. Busey, chairman, Mr. Armstrong, President Kinley, Dean Mumford, and Professors Blair, Burlison, Ruehe, and Rusk.

The committee considered the commercial activities of the College of Agriculture.

President Kinley was granted permission to incorporate in the record a letter to Dean Ketchum as a statement of the University's policy in the matter of commercial activities of the University.

March 6, 1926

Dean M. S. Ketchum, Engineering Hall

DEAR MR. DEAN:

Please accept my thanks for yours of March 3 concerning the sale of foundry and other products which are by-products of the educational work of the College of Engineering.

The University is subjected to criticism from time to time for interfering with private business. It is our duty to avoid giving any proper ground for such criticism. On the other hand it is our duty to see to it that its utilization of such by-products prevents as far as possible loss to the tax payers of the State. The real question then is whether the injury done to private business, if any, by the sale of our products is a greater or less loss to the people at large than would be the breaking up of these materials into scrap metal. In other words, the mere fact that an article is a by-product of our educational work is not of itself sufficient ground for selling it, provided any other use can be made of it which, even though less profit-

able to us, brings a net advantage to the people at large by avoiding interference with private business. Therefore, before we can decide whether or not finished articles should be sold, at any rate in any large amount, we must determine whether an equally net advantageous use can be made of them from the viewpoint of the taxpayer.

Of course, if we are making articles not on the market and offering them to high schools, there can be no objection.

Another point that is raised in connection with the whole matter is whether the instruction involved could not be given with the result of producing articles that would not compete with the products of private business.

When the question has been decided on the above principle whether or not an article may properly be sold as a by-product of our educational work, then it is for the Comptroller to set the price as he has been doing, and to see to it that the business connected therewith is properly conducted.

Leaving the whole matter now to you to see that this policy is applied, I am
Very truly yours,

DAVID KINLEY
President

Dean Mumford presented the following statement of the policy of the College:

To conduct the courses offered in the College of Agriculture and the investigations of the Agricultural Experiment Station it is necessary to maintain flocks and herds, orchards, gardens, and laboratories for the handling of meat and meat products, fruits, vegetables, butter, cheese, milk, cream, and ice cream. When these products have served their purpose they must be disposed of. In connection with field experiments and live stock feeding investigations we have a considerable quantity of products. These products, too, must be disposed of.

The policy has been first to keep down such commercial activities to the lowest volume consistent with the needs of the students and the investigations in the Experiment Station; second, to dispose of the products in a way to avoid waste and to secure the largest returns possible and at the same time create a minimum of competition with local business interests handling similar products. In other words, we have felt that it is better policy to sacrifice something on the returns which the University receives from these products than to do anything which seemed to involve unfair competition.

Professor Ruehe made a statement concerning the purpose and extent of the activities in Dairy Husbandry.

The Committee took a recess from 12 m. to 2 p. m. After the recess, the same persons were present as in the morning, and, during part of the afternoon, Mr. Morey.

Professors Burlison, Blair, and Rusk made statements concerning the commercial activities of the departments of Agronomy, Horticulture, and Animal Husbandry, respectively.

The Committee is of the opinion that the commercial activities of the College of Agriculture are not greater than is advisable at the present time to meet the legitimate needs of instruction and experimentation, and that these activities are apparently conducted in a business-like manner.

The Committee heard statements from Dean Mumford and Professor Rusk concerning the proposal to have animals slaughtered in the old dairy creamery. The Committee recommends that this activity be conducted in some other place.

The Committee recommends that the report on the Carter-Pennell farms be accepted.

H. E. CUNNINGHAM
Clerk

MARY E. BUSEY
J. W. ARMSTRONG

On motion of Mrs. Evans, the recommendation concerning the slaughtering of animals was concurred in.

On motion of Dr. Noble, the report on the Carter-Pennell farms was accepted.

On motion of Mr. Wham, the report on commercial activities was accepted.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

OPTION ON PERCIVAL FARM

(1) A statement concerning the option on the Percival farm now leased by the University.

On motion of Mrs. Ickes, this matter was referred to the Committee on Agriculture for consideration and report.

RETIRING ALLOWANCE FOR PROFESSOR GOEBEL

(2) A request from Professor Julius Goebel to be heard concerning the amount of his retiring allowance.

Professor Goebel was heard by the Board, Dean Babcock and Dean Daniels being present. Dean Babcock made a statement concerning the matter. No action was taken.

RETIRING ALLOWANCE FOR PROFESSOR BARTON

(3) A request that Professor H. J. Barton be given a hearing concerning his retiring allowance.

Professor Barton stated that he had served the University for thirty-five years, and that in his opinion such extra long service should be considered when the amount of the retiring allowance was determined. No action was taken in this matter.

MURAL DECORATIONS IN NEW LIBRARY

(4) Sketches of the four mural decorations for the new Library, prepared by Mr. Barry Faulkner, the artist.

On motion of Mr. Wham, these designs were approved.

REPORT ON THE SOLLIDAY CASE

(5) In accordance with your instructions, given me at the last meeting of the Board, I have gathered and herewith submit to you the facts concerning the dropping of Mr. M. F. Solliday from the College of Medicine.¹

On motion of Mr. Armstrong, the Secretary was instructed to notify Dr. Solliday that the Board found nothing in the evidence submitted nor in the record of studies of Mr. M. F. Solliday that would justify the Board in reversing the decision of the Council of Administration in the matter.

APPOINTMENT OF DR. DONALD B. KEYES

(6) I recommend that Dr. D. B. Keyes, who is at present Head of the Research Laboratory of the United States Industrial Alcohol Company, be appointed Professor of Industrial Chemistry in the Department of Chemistry at an annual salary of \$6000 beginning September 1, 1926.

On motion of Mr. Armstrong, this appointment was made.

¹The original report is in the files of the Secretary of the Board.

LEAVE OF ABSENCE FOR PROFESSOR DODGE

(7) Deans Babcock and Daniels recommend that Professor D. K. Dodge be granted another year of sick leave on one-half pay. It is their judgment that the case is so distinctly unusual that such special treatment of it after thirty-four years of service would not involve us in embarrassing complications in the future.

I concur in their recommendation.

On motion of Mrs. Ickes, this leave was granted.

LEAVE OF ABSENCE FOR DR. C. R. GRIFFITH

(8) Dean Babcock recommends that Assistant Professor C. R. Griffith be given leave of absence without pay for one year from September 1, 1926, to enable him to accept a Fellowship from the Guggenheim Foundation for study and travel abroad.

I concur in this recommendation.

On motion of Mr. Wham, this leave was granted.

LEAVE OF ABSENCE FOR DR. P. T. YOUNG

(9) Dean Babcock and Professor Bentley recommend that Assistant Professor Paul Thomas Young of the Department of Psychology be given leave of absence without pay for one year from September 1, 1926, to enable him to study abroad under a National Research Fellowship in Biological Sciences to which he has been appointed.

I concur in this recommendation.

On motion of Mrs. Busey, this leave was granted.

LEAVE OF ABSENCE FOR PROFESSOR OSLUND

(10) Dean Davis recommends that Assistant Professor Robert M. Oslund of the Department of Physiology of the College of Medicine be granted leave of absence from June 15 to September 15 to enable him to attend the Twelfth International Physiological Congress at Stockholm, Sweden.

I concur in this recommendation.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR DR. WILLIAMSON

(11) Dr. Charles Spencer Williamson of the College of Medicine requests leave of absence from July 10 to September 20 in order to visit clinics abroad. Dean Davis recommends that his request be granted and I concur.

On motion of Mrs. Evans, this leave was granted.

LEAVE OF ABSENCE FOR DR. E. V. L. BROWN

(12) Dean Davis recommends that Dr. E. V. L. Brown be granted a leave of absence from May 1 to August 25 for the purpose of study and travel abroad.

I concur in this recommendation.

On motion of Mrs. Grigsby, this leave was granted.

LEAVE OF ABSENCE FOR MISS MIRIAM ROE

(13) Director Windsor recommends that Miss Miriam Roe, Cataloger in the Library, be granted leave of absence of one month, without pay, in addition to her regular vacation to allow her to make a trip to Europe.

I concur in this recommendation.

On motion of Mr. Wham, this leave was granted.

ADDITIONAL GIFT FROM MELLON INSTITUTE

(14) Under the authority given me by the Board I have accepted an additional gift of \$1500 from the Mellon Institute of Industrial Research of Pittsburgh to continue the research work in the College of Medicine which was begun under the original grant of \$3000 which was reported to the Board on January 11 (page 504).

This report was received for record.

GIFT FROM MR. GEHRMANN

(15) I have accepted from Mr. Felix Gehrmann, son of the late Professor Adolph Gehrmann, a gift of \$250 to the College of Medicine to be used for reprinting the Gehrmann lectures given recently at the College by Professor Aldo Castellani.

This report was received for record.

GIFT FROM BENDIX BRAKE COMPANY

(16) I report for record a gift of a standard brake from the Bendix Brake Company of South Bend, Indiana, for the use of the Department of Mechanical Engineering.

This report was received for record.

SCHEDULE OF FEES IN THE X-RAY LABORATORY

(17) Dean Davis and Dr. E. S. Moore, Superintendent of the Dispensary, recommend that the following schedule of maximum fees be established for services to be rendered by the X-ray laboratory for patients of the dispensary:

Gastro-intestinal.....	\$10.00
Chest.....	5.00
Head.....	3.00
Extremities.....	2.00
Illinois Charitable Eye and Ear Infirmary.....	3.00

I recommend that this schedule be approved.

On motion of Mrs. Ickes, these fees were authorized.

LEPROSY TREATMENT

(18) Professor Roger Adams reports that in his work in synthetic compounds he has discovered certain substances which have some promise of value in the treatment of leprosy.

I recommend that the University do not take out patents on these compounds but that Professor Adams be permitted to do so on his own account if he wishes.

On motion of Mr. Armstrong, this recommendation was adopted.

PAYMENT OF STUDENT LOANS

(19) The Council of Administration recommends that notes for student loans be allowed to run for three years from the first of July after the student leaves the University, instead of two years as now.

On motion of Mrs. Evans, this recommendation was adopted.

APPROPRIATION FOR EXHIBIT AT DENTAL CONGRESS

(20) Dean Moorehead recommends that the College of Dentistry be authorized to participate in the Seventh International Dental Congress to be held in the United States this year.

I recommend that this be authorized and that an appropriation of \$500, or so much thereof as shall be needed, be made from the Reserve and Contingent Fund to defray the expenses of this exhibit.

On motion of Mr. Armstrong, this recommendation was adopted by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mr. Small.

APPROPRIATION FOR CLEARANCE OF GROUND ON SOUTH CAMPUS

(21) The Supervising Architect recommends:

1. That the receipts from the sale of the old barns removed from the south campus (Minutes, March 9, 1926, page 550) amounting to \$577, be appropriated for the work of clearing up the site of the old buildings, and

2. That an additional appropriation of \$1000 be made from the Reserve and Contingent Fund for the same purpose.

On motion of Mr. Armstrong, these recommendations were adopted, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mr. Small.

SERVICES OF MR. PLATT

(22) The Supervising Architect has presented a statement received from Mr. Platt for services rendered which can not be paid for out of special buildings appropriation. Professor White says "The work is really an extension and probably the completion of this (his) work in connection with our campus plan. May we have a special appropriation to cover this expense?"

The total amount of the bill is \$1253.40 and covers a period of three years.

I submit the matter and recommend an appropriation from the Reserve and Contingent Fund to meet the bill.

On motion of Mrs. Evans, this bill was ordered paid, with the understanding that this completes Mr. Platt's architectural services in connection with the campus plan. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mr. Small.

CONTRACT FOR FLOORS IN NEW PHARMACY BUILDING

(23) The Supervising Architect and Schmidt, Garden, & Martin, the architects for the new Pharmacy Building, recommend that the Board rescind its action of April 14 and award the contract for the mastic floors in the new building to the Insulite Chemical Company on the basis of their bid of \$1171.91. I concur in this recommendation.

On motion of Mr. Armstrong, the action of April 14, 1926 (page 569, line 24), was rescinded. On motion of Mrs. Evans, the contract for mastic floors was awarded to the Insulite Chemical Company as recommended.

LIBRARY-GYMNASIUM WALK

(24) The Supervising Architect submits the following list of bids received on the proposed eight-foot walk south of the New Library and extending west to Fourth Street and recommends that the contract be awarded to English Brothers on the basis of the low bid of \$3543.

English Brothers.....	\$3,543.00
Sowers & Corkery.....	3,960.00
Walter Villard.....	4,024.00
Ellis Brooks.....	4,383.00
King & Petry.....	4,396.00

I concur in the recommendation.

On motion of Mrs. Grigsby, this recommendation was adopted.

CARTER PROPERTY

(25) I recommend the adoption of the following resolutions submitted by Mr. A. R. Hall approving his action in the distribution of certain personal property of Mr. Joseph Carter, and relieving the executor, Albert H. Barber, of responsibility concerning real estate, and giving the Comptroller, Mr. Lloyd Morey, authority to make the necessary improvements in said real estate, indicated in his letter of May 10 addressed to the President of the University, and to rent said real estate, and that an

appropriation of \$100, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to meet these expenses of papering, repair of screens, and similar minor matters, the amount to be credited back from rent received.

RESOLUTION

WHEREAS, Joseph Carter and Jane P. Carter, husband and wife, on March 12th, A. D. 1923, by Warranty Deed, conveyed to the Board of Trustees of the University of Illinois, and to their successors in office, approximately Three Hundred Fifty acres of valuable land, to be held in trust for educational purposes under the name of "The Carter-Pennell Trust"; and

WHEREAS, Said Joseph Carter and said Jane Pennell Carter, both now deceased, by their Joint and Several Last Will, gave, bequeathed and devised, after the payment of their just debts and funeral expenses and one legacy of Five Thousand Dollars (\$5000), all the rest, residue, and the remainder of their property of every kind and character to said Board of Trustees of the University of Illinois, and to their successors in office, as Trustees, for the educational uses and purposes set forth in said above mentioned Deed, and provided that said property should be added to and be made a part of said "The Carter-Pennell Trust" and be impressed with the Trust therein created; and

WHEREAS, Said Decedents left some books, wearing apparel, and household goods which are of little actual cash value but which are technically a part of the aforesaid remaining property; and

WHEREAS, Said Joseph Carter, who became, at the death of his wife, the sole owner of said property, expressed the wish that these few personal effects should be distributed among certain near relatives of said Decedents, and indicated, informally, to whom the respective articles should go; therefore be it

RESOLVED, By the Board of Trustees of the University of Illinois, that this Board does hereby waive and renounce any and all claim and interest in or to the books, wearing apparel, and household goods which belonged to said Joseph Carter and said Jane Pennell Carter, and that Albert H. Barber, Executor of the Estate of Joseph Carter, deceased, be and such Executor is hereby, authorized and empowered to carry out said wish of said Joseph Carter, and, without accounting to this Board therefor, to distribute such personal effects among said near relatives of said Decedents, in accordance with said directions of said Joseph Carter.

On motion of Mrs. Ickes, this resolution was adopted.

RESOLUTION

WHEREAS, Under the terms of the Joint and Several Last Will of Joseph Carter and Jane Pennell Carter, husband and wife, both now deceased, the title to their former home at No. 609 S. Fell Avenue, in the City of Normal, in McLean County, Illinois, seems now to be vested in the Board of Trustees of the University of Illinois; and

WHEREAS, Albert H. Barber, Executor, by the terms of said Will, of the Estate of Joseph Carter, deceased, would like to be relieved from any responsibility, so far as their real estate is concerned, just as soon as he can pay the taxes thereon and make a distribution of the personal effects now in said home; therefore be it

RESOLVED, By the Board of Trustees of the University of Illinois, that Lloyd Morey be, and he is hereby, authorized, empowered, and directed to take charge of said premises and to rent said premises, during the period of the administration of said Estate, or to sell said premises, if an offer, satisfactory to this Board, should be made therefor.

On motion of Mr. Wham, this resolution was adopted. The appropriation of \$100 for repairs was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mr. Small.

PROBATE OF CARTER WILL

(26) A report that the Legal Counsel had entered an appearance for the Board in the Probate Court of McLean County in the matter of the will of the late Joseph Carter.

This report was received for record.

REPORT OF FIRE AT POULTRY PLANT

(27) Dean Mumford reports that a fire occurred in the Poultry Plant on the night of April 14 which destroyed one brooder house, with a soft coal stove brooder, and about 250 chicks. The chicks represent a loss of about \$50 and the stove about \$35.

This report was received for record.

LEASE TO ILLINOIS BELL TELEPHONE COMPANY

(32) At the last meeting of the Board the Comptroller reported among his leases and purchase orders a lease of the use of certain of our cables to the Illinois Bell Telephone Company, as follows: 71 pairs of University cable conductors, January 1, 1926, indefinite tenure, rental \$191.70 per annum, in advance. Further information was asked about this and I herewith submit it. The records show that this contract was made, at the request of the Supervising Architect, on March 25, and the terms of the lease were approved by the Supervising Architect. It is a renewal of a similar lease made July 1, 1921. The contract provides for a payment of \$191.70 annually to the University by the Illinois Bell Telephone Company for the use of the University cable conductors in carrying its service on our campus. It is terminable on thirty days notice.

FIRE DAMAGE IN DENTAL BUILDING

(33) The Comptroller recommends that the sum of \$2,740 received from the insurance adjusters on account of the fire in the Dental Building April 1, be appropriated for the purpose of repairing the damage resulting from the fire.

On motion of Mr. Wham, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mr. Small.

PLYM FELLOWSHIP AWARD

(34) The Plym Fellowship Committee recommends that Mr. A. R. Eastman of the class of 1923 be appointed the thirteenth Francis J. Plym Fellow in Architecture.

I concur in this recommendation.

On motion of Dr. Noble, this appointment was made.

PROXY FOR STOCK

(35) A proxy for the stock in the Illinois Power and Light Corporation which constitutes the endowment of the McKinley Professorship in the Economics of Public Utilities.

On motion of Dr. Noble, the President and the Secretary of the Board were authorized to execute this proxy.

APPOINTMENT OF PROFESSOR W. A. OLDFATHER

(36) On recommendation of the Acting Dean and the Dean of the College of Liberal Arts and Sciences, I recommend that Dr. W. A. Oldfather, Professor of the Classics, be made Head of the Department of Classics on indefinite tenure at a salary of \$6,500, beginning September 1, 1926.

On motion of Mr. Armstrong, this appointment was made.

APPOINTMENT OF PROFESSOR ROGER ADAMS

(37) The Dean of the College of Liberal Arts and Sciences and the Acting Dean for the winter recommend that Dr. Roger Adams, Professor of Organic Chemistry, be appointed Head of the Department of Chemistry from September 1, 1926, on indefinite tenure, and that his salary, beginning September 1, 1926, be \$7,500.

On motion of Mrs. Grigsby, this appointment was made.

DIRECTOR OF RADIO STATION

(38) I recommend that Josef F. Wright be made Director of the University Radio Station, and Mr. Hugh A. Brown, Engineer in charge of Operation from June 1, 1926, to August 30, 1927.

On motion of Mrs. Grigsby, these appointments were made.

APPROPRIATION FOR PANIC LOCKS ON THE AUDITORIUM

(39) On the basis of a recommendation from the State Fire Marshal, the Supervising Architect recommends that we put on the doors of the Auditorium and the four pairs of exit doors of the New Gymnasium, panic exit locks and that an appropriation of \$1,050 be made from the Reserve and Contingent Fund for this purpose. I concur in this recommendation.

On motion of Mrs. Ickes, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Barr, Mr. Blair, Mr. Small.

REPORT OF THE STRIKE ON THE LIBRARY

(40) I am informed by the Supervising Architect that on Friday, May 7, the International Structural Iron Workers called a strike on the erection of the book-stacks on our Library building to be effective on the morning of the 8th. He states

that the contractors for these bookstacks, Snead & Company, are now erecting with non-union labor, some bookstacks in the Library of Congress and as the International can not force Snead & Company to unionize the Washington job they are trying to harass them by calling a strike on work which they are doing with union men. All of the specialists in bookstack construction in this country work open shop, using union erectors where necessary.

In taking bids on our work we let the contractors know that it would have to be erected with union men and it was figured accordingly. Mr. John Walker, President of the State Federation of Labor, and representatives the local union have on their own initiative requested the officers of the Iron Workers Union to release our job.

This report was received for record.

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

June 12. 1926

The quarterly meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a. m. on Saturday, June 12, 1926.

The following members were present: President Trees, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Dr. Noble, Mr. Wham.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of May 15, 1926. On motion of Mrs. Evans, the minutes were approved as printed on pages 587 to 603 above.

COMMITTEE ON STANDING COMMITTEES

The special committee on standing committees of the Board, Mr. Armstrong, Mrs. Ickes, and Mr. Barr, reported a recommendation that no change be made in the list of standing committees at this time.

On motion of Mr. Armstrong, this recommendation was adopted and the committee was discharged.

GREGORY MEMORIAL

Mrs. Ickes, for the special committee on a memorial to Regent J. M. Gregory, made a report of progress and asked for further instructions from the Board.

This matter was discussed and the committee was requested to confer with the interested alumni and report later.

OPTION ON PERCIVAL FARM

Mrs. Busey, for the Committee on Agriculture, reported a recommendation that the University do not avail itself of the option to purchase the Percival farm at the present time.

On motion of Dr. Noble, this recommendation was adopted.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

DEATH OF CAPTAIN JOHN R. TREVETT

(1) Announcement of the death this day of Captain John R. Trevett, a member of the Board from 1913 to 1919.

On motion of Mr. Barr, the President of the Board was directed to appoint a committee to draft resolutions of regret. President Trees appointed Mrs. Busey, Mr. Wham, and Dr. Noble to act on this committee.

BAND OVERCOATS

(2) A letter from the Alumni Committee to secure overcoats for the band:

June 9, 1926

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

Having straightened up the final details of our work as members of the Band Overcoat committee, appointed by the Alumni Association to solicit funds to purchase overcoats for the band men, we now take pleasure, on behalf of alumni and other friends of the University, in presenting to the University of Illinois 204 band overcoats. These were purchased with funds contributed by alumni and other citizens. The total amount received was \$6,326.85. All of this money except \$9.26 was spent for band overcoats and for expenses connected with soliciting the money. The \$9.26 remaining has been turned over to the band fund.

Sincerely yours,

C. A. KILER, '92

Chairman

A. A. HARDING, '06

CARL STEPHENS, '12

On motion of Mrs. Grigsby, this report was received for record and the President of the University was directed to express to the committee the appreciation of the Board.

APPOINTMENT OF ASSISTANT PROFESSOR M. T. HERRICK

(4) I recommend that Marvin Theodore Herrick be appointed Assistant Professor of English, on two-thirds time for one year from September 1, 1926, at a salary of \$2000.

On motion of Mr. Wham, this appointment was made.

APPOINTMENT OF ASSISTANT PROFESSOR W. P. SANDFORD

(5) I recommend that William Phillips Sandford be appointed Assistant Professor of English, in charge of the courses in Public Speaking, for one year from September 1, 1926, at a salary of \$3500.

On motion of Mrs. Grigsby, this appointment was made.

APPOINTMENT OF ASSISTANT PROFESSOR C. L. FINNEY

(6) I recommend that Claude Lee Finney be appointed Assistant Professor of English for one year from September 1, 1926, at a salary of \$3000.

On motion of Dr. Noble, this appointment was made.

APPOINTMENT OF ASSISTANT PROFESSOR H. A. SINGER

(7) I recommend that Dr. Harry Albert Singer be appointed Assistant Professor of Medicine on three-fourths time at a salary of \$1800 a year for three months beginning June 1, 1926. Dr. Singer will also be included in the budget for appointment for one year beginning September 1, 1926, at the same salary.

On motion of Dr. Noble, this appointment was made.

PLYM FOREIGN SCHOLARSHIP IN ARCHITECTURAL ENGINEERING

(8) The Plym Foreign Scholarship Committee and the Dean of the College of Engineering recommend that Mr. Keith Graham Reeve be awarded the third Plym Foreign Scholarship in Architectural Engineering.

I concur in this recommendation.

On motion of Mr. Wham, this appointment was made.

PURCHASE OF LOT 29 IN COLLEGE PLACE

(9) The Comptroller reports that in accordance with the action of the Board on March 9, 1926, he has concluded the purchase of Lot 29 in College Place for the sum of \$2700 and has deposited the papers with the Secretary.

This report was received for record.

REPORT OF THEFTS IN RESEARCH AND EDUCATIONAL HOSPITALS

(10) Mr. William H. Browne, of the College of Medicine, reports the loss of certain equipment from the Research and Educational Hospitals by theft.

I have asked the Comptroller to inquire into the matter of taking out burglary insurance on certain equipment in this building and ask authority to take out insurance.

On motion of Dr. Noble, this matter was referred to the President of the University with power to act.

AMENDMENTS TO RETIRING ALLOWANCE SYSTEM

(11) The following communication:

1. Paragraph 3 provides "as to all members of the faculty, and educational, administrative, and mechanical staff who have been in the service of the University of Illinois for fifteen or more years"—and so forth. The question is raised whether the fifteen years' minimum period of service required to make a person of sixty-five eligible for retiring allowance must be continuous. My opinion is that the interests of the University, for which this system was established, will be best promoted by interpreting the phrase to mean "fifteen or more years, at least the last ten of which shall have been continuous," and I so recommend. I recommend that this interpretation apply to individuals going on retirement September 1 next.

2. The question is asked whether in computing the retiring allowance any regard shall be had for the fact that a person retiring on a professorship held for five years or more previous to retiring, may have held, for example, a deanship or other office with a higher salary than he has been receiving during the five years preceding retirement.

3. Paragraph 4 provides that all rights and claims of the staff under the retiring allowance system cease with the termination of service "whether such termination is voluntary or otherwise." Under this provision people on term appointment might lose such claims as they had to a retiring allowance by the mere expiration of their term without action on their part or the part of the Board. I suggest that there be added to paragraph 4 the following: "For purposes of this scheme of retiring allowances, members of the faculty or staff employed in successive academic years or other term appointment shall be held to be in continuous employment even though their cash compensation is paid in or for less than twelve months of any academic year."

4. Paragraph 3 (b) provides that "upon retirement there shall be paid to the member retiring, during his life, an amount equal to 25% of the average cash portion of compensation which has been paid to him during the last five years prior to retirement"—and so forth. I recommend that the following sentences be added to this paragraph at the end: "In case a member of the staff retired under these rules has been on leave of absence on half pay under the University regulations in any one of the five years preceding his retirement or part of any one of said five years the full salary rate for the year of absence shall be taken in computing the average of the cash compensation of the five years on the basis of which the allowance is determined. In the case of a member who has been absent in any one of the five years preceding retirement, or part of any one of said five years, without salary, absence having been with the approval of the Board of Trustees, the salary received for the year preceding the year of absence shall be the amount used for the cash compensation in the year of absence for the purpose of computing the average cash compensation for five years."

On motion of Dr. Noble, these matters were referred to the Finance Committee for consideration and report on Monday.

NEEDS OF THE COLLEGE OF MEDICINE

(12) A request that Dean Davis be heard on the budgetary needs of the College of Medicine for the next biennium.

This request was granted, and Dean Davis was heard.

AMENDMENT TO SCHOLARSHIP REGULATIONS

(13) I recommend that the President of the University be authorized to extend the period of any undergraduate scholarship established by the Board so that it may run for a maximum of six years when extension is requested on the ground either of absence to earn money to meet the expenses of schooling, as now; or of serious illness necessitating the absence of the scholarship holder—the term "serious illness" being interpreted to mean such illness as incapacitates the individual concerned for

a period long enough to make it impossible for him to finish the work of at least the semester in which he becomes ill, provided that the individual concerned shall return to his work at the University as soon as health permits.

On motion of Mrs. Ickes, this amendment was adopted.

REPORT OF PROGRESS ON THE NUTRITION INVESTIGATION

(14) Following action taken by the Board at the February meeting, two meetings of the Nutrition Commission have been held—March 13 and April 10—to consider the publication of Volume II and the Summary giving the conclusions of the Commission.

The Commission strongly recommends that Volume II of the Report be published in full as edited by Dr. MacNeal in order to complete satisfactorily the publication of the records of the investigation as originally planned. The Commission has not yet decided whether to recommend the publication of a Volume VI, a pamphlet giving the Conclusions of the Commission.

This report was received for record.

PETITION FOR A JUNIOR HIGH SCHOOL IN CONNECTION WITH THE UNIVERSITY HIGH SCHOOL

(15) A petition has been submitted to me, signed by thirty-eight citizens of Urbana who are parents of children eligible for enrollment in a junior high school in September, asking that the University open and maintain a junior high school in connection with the University High School. I recommend that the petitioners be informed that the Board does not see its way clear to comply with their request.

On motion of Dr. Noble, this recommendation was concurred in.

GIFT OF MANUSCRIPT RECORDS FROM COLONEL NODINE POST, G. A. R.

(16) Mr. Walter Price, Adjutant General of the Colonel Nodine Post, No. 140, G. A. R., Department of Illinois, has presented the University with six volumes of the manuscript records of the Post. I have accepted this gift under the rules of the Board.

This report was received for record.

RECOMMENDATION CONCERNING RETIREMENTS

(17) Under the rules of your Board concerning retiring allowances the following members of the staff are due for retirement beginning September 1 next:

HERBERT J. BARTON	Professor of Classics
C. S. CRANDALL	Professor of Horticulture
JULIUS GOEBEL	Professor of German
O. A. HARKER	Professor of Law and Legal Counsel
H. A. HOLLISTER	Professor of Education and High School Visitor
W. A. NOYES	Professor of Chemistry
S. W. PARR	Professor of Chemistry
FRANK SMITH	Professor of Zoology
A. N. TALBOT	Professor of Municipal and Sanitary Engineering, in charge of Theoretical and Applied Mechanics
WILLIAM TRELEASE	Professor of Botany
C. A. DUNSETH	Carpenter, Physical Plant
F. CRATHORNE	Carpenter, Physical Plant
Mrs. FRANCES MCCLUGEN	Domestic, Physical Plant
J. F. PURKINS	Laborer, Physical Plant
W. J. ENGLE	Herdsmen, Animal Husbandry
W. A. MCINTIRE	Clerk, Agronomy

Of the above, Professors Barton, Goebel, Noyes, Talbot, Hollister, Mr. W. A. McIntire and Mr. C. A. Dunseth have intimated a desire to continue at least another year in their present work. After the best consideration I can give the matter, I am of the opinion that the best interests of the University require the retirement of all in the list who have reached the age of sixty-eight whose principal work, or a large part of it, is teaching. Therefore, I am not able to acquiesce in the requests by those in such positions.

I recommend that Professor H. A. Hollister be continued one year more as High School Visitor. My reason for recommending his request to you is that I feel the need of his services for one year more to carry through to completion the experiment of cooperative high school inspection which we have been making for the past two or three years with the Superintendent of Public Instruction. I feel the need of at least one more year's trial of this experiment before concluding what to recommend to your Board as our policy in the matter. To turn the work over to a new man before the experiment is concluded would vitiate the experiment.

The continuance of Mr. C. A. Dunseth is recommended by Professor White. He states that Mr. Dunseth is in good physical health and rendering full and loyal service to the University in the Physical Plant division, Mr. Dunseth being a carpenter.

I concur in Professor White's recommendation.

Mr. W. A. McIntire is a clerk in Agronomy whose duty is to keep the records of the weather service. He is entirely competent to continue this work for another year and I recommend his continuance.

With reference to Professor Goebel and Professor Barton certain questions have been raised which go to the policy which your Board wishes to follow in the interpretation of the provisions of the retiring allowance scheme. In the case of Professor Goebel, moreover, the question is raised whether in the past few years he has been treated fairly in the matter of salary and whether his retiring allowance, therefore, is as large as it should be. I recommend that your Board appoint a committee to inquire into the whole matter, to determine whether there is any ground for thinking that a mistake has been made in this case, and if so, what means your Board will adopt to repair it. I would recommend also that this committee consider the question raised in Professor Barton's case.

I would call your attention especially also to the case of Andrew Tornquist. Mr. Tornquist has been in the service of the University a total of eighteen years, eight and two-thirds months. The longest period of continuous service, however, is from September 1, 1908, to October 1, 1917, a period of nine years, one month. Mr. Tornquist then left the University service for a period of seven months, re-entering it May 1, 1918, and continuing until now. It should be added that from May 1, 1918, to February 1, 1919, he was employed in the School of Military Aeronautics. I include this work as University service.

On motion of Mr. Armstrong, Professor Hollister was continued for one year from September 1, 1926, as High School Visitor.

On motion of Mrs. Ickes, Mr. C. A. Dunseth was continued for one year from September 1, 1926, as carpenter.

On motion of Mr. Wham, Mr. W. A. McIntire was continued for one year from September 1, 1926, as clerk in agronomy.

On motion of Dr. Noble, the President of the Board was directed to appoint a special committee to inquire into the amounts of the retiring allowances for Professor H. J. Barton, Professor Julius Goebel, and Professor O. A. Harker. President Trees appointed Mr. Wham, Dr. Noble, and Mrs. Evans to serve on this committee.

DEATH BENEFIT FOR ERIC FROBERG

(18) Mr. Eric Froberg, Head Janitor at the College of Medicine, died May 16. He had been in the service of the University for seventeen years, and had designated as his beneficiary under our rules Mrs. Ethel Englejohn. I recommend that an appropriation of \$750 be made from the Reserve and Contingent fund and that the Comptroller be authorized to pay this amount to Mrs. Englejohn.

This recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

IN MEMORY OF CAPTAIN JOHN R. TREVETT

Mrs. Busey presented the following resolutions, which were unanimously adopted.

WHEREAS, In the death today of Captain John R. Trevett, a member of the Board of Trustees from 1913 to 1919, the Board of Trustees of the University of Illinois has lost an honored former member and friend, and

WHEREAS, His sudden death has come as a shock to his former associates and has deprived them and the University of one of their friends, be it

Resolved, That the Board hereby expresses to his family its heartfelt sympathy in the loss of their husband and father, and that this testimony of its appreciation and sorrow be spread upon the minutes, and a copy sent to the surviving members of his family.

MARY E. BUSEY

W. L. NOBLE

CHANGE IN NAME OF FORMER COMMERCE BUILDING

(19) I recommend that the name of Administration Building be applied to the double building formerly known as Administration Building on the Wright Street side and Commerce Building on the campus side.

On motion of Mr. Barr, this recommendation was adopted.

COMPTROLLER'S REPORT OF CONTRACTS

(20) The Comptroller's report of contracts executed by him during the month of May, and of purchase orders in excess of \$1000.

CONTRACTS EXECUTED BY THE COMPTROLLER

This report was received for record.

CONTRACT FOR BUILDING RADIO STATION

(22) I submit the following letter from the Supervising Architect:
256 Administration
June 7, 1926

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

In accordance with the general authorization to proceed with the Radio Building which was given by the Board at its last meeting, the general contract has been awarded to Mr. Charles F. Asman of Champaign, for \$10,276; and the heating contract has been awarded to the Reliable Plumbing & Heating Company for the sum of \$942.70.

I have already sent you the list of bids on the general contract.

Owing to the fact that the plumbers and steamfitters were on a strike at the time we took the general bids, we received only two bids on the heating work, which were as follows:

Contractor Bidding	Bid	Deduction	Net Bid
Reliable Plumbing & Heating Company	\$1,560	\$617.30	\$ 942.70
Johnson Brothers	1,755	560.00	1,195.00

Yours truly,
JAMES M. WHITE
Supervising Architect

This report was received for record.

On motion of Mrs. Evans, these certificates were awarded.

**CHANGE IN REQUIREMENT IN THE CURRICULUM
IN THE SCHOOL OF MUSIC**

(24) On request of the faculty of the School of Music, the Senate recommends that the eight hours of English or American Literature required of third year students be changed to three hours of English or American Literature, the remaining five hours to be selected from any non-technical subjects including literature.

On motion of Mrs. Grigsby, this recommendation was approved.

**COOPERATIVE INVESTIGATIONS IN ENGINEERING
EXPERIMENT STATION**

(25) The following letter from Dean Ketchum:

304 Engineering Hall
June 8, 1926

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

The Utilities Research Committee (representing the Commonwealth Edison Company, the Peoples Gas Light and Coke Company, Public Service Company of Northern Illinois, Middle West Utilities Company, Chicago Rapid Transit Company, and Chicago North Shore and Milwaukee Railroad Company), has made the following appropriations for the two-year period covering June 1, 1926, to May 31, 1928:

Investigation of boiler feed water treatment.....	\$6,500
Investigation of refractories.....	7,500
Investigation of ageing of porcelain.....	7,500
Investigation of car axle failures.....	6,500
Investigation of impact in steel structures.....	9,000
Investigation of methods of testing high-voltage cables.....	3,000
	<hr/>
	\$40,000

These amounts are to cover a two-year period, although it is probable in some cases that the work will have been completed and the expenditures made in less time. It will be entirely agreeable to the Utilities Research Committee to have the agreement between the Board of Trustees of the University of Illinois and the Utilities Research Committee, dated May 22, 1924, extended by an interchange of letters in which the new subjects and appropriations are substituted for those mentioned in the original agreement.

I wish to recommend that the above appropriations be accepted and authority be given to complete the details of the agreement as above outlined.

Very truly yours,

M. S. KETCHUM

I recommend that these funds be accepted and that authority be granted to extend the agreement referred to.

On motion of Mr. Armstrong, these recommendations were approved.

ADDITIONAL GIFT FROM CHEMICAL FOUNDATION

(26) I report for record the receipt of an additional gift of \$1000 from the Chemical Foundation for sewage research. This gift is given under the same conditions as the original grant of \$1000 received in April and reported to the Board on May 16, 1925.

This report was received for record.

REQUEST FOR COMPENSATION FOR ACCIDENT TO STUDENT

(27) A young woman student in one of the athletic classes, Miss Rosemary Huntoon, was injured by having another student fall on her face. Her father asks the University to pay a doctor's bill of \$52.

On motion of Mr. Wham, the President of the University was directed to inform Mr. Huntoon that the University has no liability in such cases.

TUTORING OF STUDENTS

(28) I recommend that the following regulation be referred to the Committee on Instruction:

No member of the staff of the University may tutor for money any University students in any work they are carrying as students of the University.

On motion of Mr. Armstrong, this matter was referred to the Committee on Instruction for consideration and report.

At this point, Mrs. Busey withdrew.

ELECTRIC WIRING FOR ARMORY ADDITION

(29) A recommendation that Professor White's recommendation in the following letter be adopted.

256 Administration Building
June 12, 1926

President David Kinley, 355 Administration Building

DEAR PRESIDENT KINLEY:

Bids were opened at 2:00 p. m. today in this office on the electric wiring for the Armory Addition and the following bids were received:

Koeneman Electric Company (St. Louis).....	9,023
F. E. Newbery Electric Company (St. Louis).....	9,990
Hughes-Krabbe (Champaign)	11,829

I recommend that the contract be awarded to the Marrs-Tanner² Electric Company on the basis of the low bid.

Yours truly,

JAMES M. WHITE

Supervising Architect

On motion of Dr. Noble, the contract for electrical wiring in the addition to the Armory was awarded to the Marrs-Tanner Company, the low bidders.¹

PLUMBERS FOR ARMORY ADDITION

(30) A recommendation from Professor White that the contract for plumbing in the addition to the Armory be awarded to Walsh & Slattery, the low bidders.

On motion of Dr. Noble, this award was made.

BEQUEST FROM MISS JESSIE ESTEP

(34) A report on the proposed gift of \$450 from the estate of Miss Jessie Estep, the income to be used for the repair and upkeep of the memorial clock of the class of 1878.

This report was received for record.

INVESTMENT OF GREGORY FUND

(35) A statement concerning the investment of \$1545 of the Gregory Scholarship fund.

This matter was referred to the Finance Committee for consideration and report.

At this point, Mrs. Busey returned.

PROCEDURE IN OPENING BIDS

On motion of Mr. Barr, the manner of handling the opening of bids on work on University buildings was referred to the Finance Committee for consideration and report.

¹See page 644.

AUTOMOBILE FOR AGRICULTURAL EXTENSION

(36) Professor White recommends that

1. The University purchase a seven-passenger Nash sedan to take the place of the Nash touring car for use in Agricultural Extension, the new car to be used for extension and general University purposes.

2. Instead of turning in the old car, for which an allowance of \$350 would be made, it be transferred to the Physical Plant operating department.

I recommend that \$1400 be appropriated from agricultural funds and \$950 from the Reserve and Contingent fund for this purchase, and that the old car be turned over to the Physical Plant department.

On motion of Mrs. Ickes, these recommendations were approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Barr, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees, Mr. Wham; no, none; absent, Mr. Blair, Mr. Small.

BUDGETARY NEEDS OF THE COLLEGE OF AGRICULTURE

(37) A request that Dean Mumford be given a hearing on the budgetary needs of the College of Agriculture.

Dean Mumford addressed the Board concerning this matter.

MRS. BUSEY TO REPRESENT BOARD AT FUNERAL

Mrs. Busey was designated to act as the representative of the Board at the funeral of Captain J. R. Trevett on Monday afternoon.

PRESIDENT KINLEY'S PORTRAIT

Mrs. Evans, for the special committee to secure an artist to paint a portrait of President Kinley, reported a recommendation that Mr. Paul Trebilcock be commissioned to paint a portrait of President Kinley.

This recommendation was adopted.

The Board adjourned to meet at 3:30 p. m. on Monday, June 14, at the Urbana Country Club.

ADJOURNED SESSION, JUNE 14, 1926

When the Board convened at the Urbana Country Club on Monday afternoon, June 14, 1926, the same members were present as during the session of June 12.

President Kinley was present; also Mr. Lloyd Morey, Comptroller.

AMENDMENT OF RULES ON RETIRING ALLOWANCES

Mr. Armstrong, for the Finance Committee, recommended that the rules on retiring allowances and death benefits be amended to be effective at once, as recommended by the President of the University (see page 634) with the exception that the amendment to Paragraph 3 shall read "at least the last seven years of which shall have been continuous." The amended paragraphs read as follows:

3. As to all members of the faculty, and educational, administrative, and mechanical staff who have been in the service of the University of Illinois for fifteen or more years, at least the last seven years of which shall have been continuous, and

who shall be in the employment of, and active service for the University at the time for retirement as hereinafter provided, a part of the compensation for their services shall be paid in the value of retiring allowances to be provided or secured for, or paid to, them by the Board of Trustees, in the following amounts and under the following conditions, to-wit:

(b) Upon retirement there shall be paid to the member retiring, during his life, an amount equal to twenty-five per cent of the average cash portion of compensation which has been paid to him during the last five years prior to retirement, together with one per cent of such average amount additional for each year of his service at the University of Illinois; the maximum payment, however, not to exceed one-half of such average amount. Provided, however, that no retiring allowance shall be paid in excess of \$6,000 per year to a President of the University, \$4,000 to a dean, and \$3,000 to other members. In case a member of the staff retired under these rules has been on leave of absence on half pay under the University regulations in any one of the five years preceding his retirement, or for part of any one of the five years, the full salary rate for the year of absence shall be taken in computing the average of the cash compensation of the five years on the basis of which the allowance is determined. In the case of a member who has been absent in any one of the five years, or part of any one of said five years, without salary, absence having been with the approval of the Board of Trustees, the salary received for the year preceding the year of absence shall be the amount used for the cash compensation in the year of absence for the purpose of computing the average cash compensation for the five years.

4. As the additional compensation in death benefits and retiring allowances herein provided is to be paid to secure the stability and permanency of said faculty and staff; therefore, all rights and claims of any member of said faculty and staff in or to death and disability benefits and retiring allowances, are forfeited, and shall cease, with the termination of service of such member for the University, whether such termination is voluntary or otherwise. For the purposes of this scheme of retiring allowances, members of the faculty or staff employed in successive academic years or on other term appointment shall be held to be in continuous employment even though their cash compensation is paid in or for less than twelve months of any academic year.

On motion of Dr. Noble, these amendments were approved and adopted.

Mr. Wham, for the committee to consider the amount of allowance for Professors Barton, Goebel, and Harker, announced that a report would be made at the July meeting.

On motion of Mr. Barr, the recommendation of the President of the University that certain persons be retired on allowance as of September 1, 1926 (see page 635), was adopted.

REGULATION OF TUTORING

Mrs. Grigsby, for the Committee on Instruction, announced that the Committee expected to make a report on the proposed regulation on tutoring at the July meeting.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPOINTMENT OF MRS. ETHEL C. WATERBURY

(1) A recommendation that Mrs. Ethel C. Waterbury be appointed Social Director of the Woman's Residence Hall during the summer session of 1926 at a compensa-

tion of \$130 for the session, and Chaperone of the Woman's Residence Hall Annex, from September, 1926, to June, 1927, at a compensation of \$400 for the period.

On motion of Mrs. Evans, this recommendation was concurred in.

ELECTRIC WIRING FOR ARMORY

(2) A statement concerning the bids on the electric wiring for the Armory Addition and the Library Stack room (pages 640, 641):

On Saturday I submitted recommendations from the Supervising Architect concerning the award of contracts for the electrical work in the additions to the Armory and the Library. These contracts were awarded to the Marrs-Tanner Electric Company. The Supervising Architect has sent me a letter today in which he states that by some oversight one of the bids, that of the Hatfield Electric Company of Indianapolis, duly submitted in accordance with the specifications for the submission of bids on this work, was overlooked when the bids were opened in his office on the afternoon of the 12th. This bid is \$6718 for the Library wiring and \$7580 for the Armory, with deduction of 2½ percent if both bids are accepted. Professor White further states that the bid of the Hatfield Company was mailed, according to the post mark, at 8:00 p. m., June 9. He further states that the Hatfield bid was received and recorded in his office on June 10. The certified check for \$430 enclosed in the letter was certified by the Merchants' National Bank of Indianapolis on June 9. He then states, "The bid was mislaid in my office and not opened with the other bids at two o'clock on the afternoon of the 12th. The bids in both cases are over \$1000 lower than the low bid as listed when the other bids were opened." Professor White further says, "I called Mr. Tanner of the Marrs-Tanner Electric Company, on long distance on Saturday evening, as he was present when the bids were opened, and explained the situation to him."

Professor White recommends that the vote of the Board on Saturday awarding the contracts for the electrical work for the additions to the Armory and Library be reconsidered and rescinded and that the award be made to the Hatfield Electric Company as being the lowest bidder. Professor White says that he will inform all the bidders of this incident, so that all may understand it.

The error is regrettable, but the procedure recommended by Professor White seems to me proper and I concur in his recommendation with the proviso that the facts be set forth in the Minutes as I have given them above and that all interested be duly informed.

On motion of Mrs. Evans, the action of June 12 (page 640, paragraph 29) was rescinded.

On motion of Mrs. Ickes, and in view of the fact that the records in the Supervising Architect's office show the receipt of this bid regularly and in due time, the contract for the electrical wiring for the addition to the Armory was awarded to the Hatfield Electric Company, the low bidders.

ELECTRIC WIRING FOR LIBRARY

On motion of Mrs. Evans, the action of June 12 (page 641, paragraph 32) was rescinded.

On motion of Mr. Armstrong, and in view of the fact that the records in the Supervising Architect's office show that the bid from the Hatfield Electric Company was received regularly and in due time, the contract for the electrical wiring for the Library Stack Room was awarded to the Hatfield Company, the low bidders.

BUDGETARY NEEDS FOR NEXT BIENNIUM

(3) A request for a hearing of Director A. M. Shelton and the Directors of the State Scientific Surveys, and of the Deans of the colleges and the Directors of the schools of the University with respect to the budgetary needs for the next biennium.

Directors Shelton, Buswell, Forbes, and Leighton presented the need of a building to house the State Water Survey, the State Natural History Survey, and the State Geological Survey.

The needs of the respective colleges and schools were presented as follows: Engineering, Dean Ketchum; Commerce, Dean Thompson; Dentistry, Dean Moorehead; Pharmacy, Dean Day; Liberal Arts and Sciences, Dean Babcock; Education, Dean Chadsey; Law, Dean Harno; Graduate School, Dean Daniels; Library and Library School, Director Windsor; Music, Director Stiven; Physical Welfare, Professor Lundgren.

TIME OF JULY MEETING

The time of the July meeting was set as Wednesday, July 7, 1926, at 10 o'clock a. m., at the Blackstone Hotel, in Chicago.

GRADUATE SCHOLARSHIPS

The Secretary presented for record the following additional list of graduate scholars for 1926-27, appointed by the President of the University.
