#### APPOINTMENT OF DIRECTOR OF PUBLIC INFORMATION

(4) I recommend that the position of Director of Public Relations be changed to Director of Public Information. The latter title more accurately reflects the projected responsibilities of the office, since "Public Relations" as a term has come to have a broad application in institutional life and is the concern of many University officers.

I further recommend that Charles E. Flynn, presently University of Illinois Athletic Association Publicity Supervisor, be appointed Director of Public Information effective October 1, 1956, at an annual salary of \$13,000, on "Y" basis.

This appointment is to replace Mr. Josef F. Wright who has asked to be relieved of his duties at the beginning of the academic year 1956-57. However, he will be administratively responsible for the office until October 1, instead of September 1, 1956, as previously reported.

On motion of Mr. Swain, this appointment was approved.

#### ADMINISTRATIVE APPOINTMENTS

(5) In order to more clearly mark the responsibilities of the officers concerned and to expedite the business of the President's Office, I recommend the following changes in status, effective September 1, 1956:

- HENNING LARSEN, from Provost to Vice-President and Provost, at a salary of \$21,000, on "Y" basis. Mr. Larsen is also Professor of English.
- H. O. FARBER, from Comptroller to Vice-President and Comptroller, at a salary of \$16,000, on "Y" basis. Mr. Farber is also Comptroller of the Board of Trustees and Comptroller of the University Retirement System of Illinois.
- A. J. JANATA, from Assistant to the President on one-half time to Executive Assistant to the President on one-half time, in addition to his appointment as Secretary of the Board of Trustees on one-half time, at a salary of \$16,500, on "Y" basis.

On motion of Mr. Livingston, these appointments were approved.

#### ADVISORY COMMITTEES FOR COLLEGE OF AGRICULTURE

(6) The Dean of the College of Agriculture recommends the following appointments and reappointments to advisory committees for the College of Agriculture and the Agricultural Experiment Station effective September 1, 1956, for the terms indicated.

##### *Agricultural Economics*

EARL M. HUGHES, Rural Route, Woodstock (three years)  
 WILBERT STEVENSON, Rural Route 4, Streator (three years)

##### *Agronomy*

A. G. HARMS, Cisco (three years)  
 MELVIN E. SIMS, Rural Route 1, Adams (three years)

##### *Agricultural Engineering*

HOBART V. DEFFENBAUGH, Farm and Trust Manager, Citizens Bank, Paris (three years)  
 F. GUY WHITE, Bob White Farms, Girard (three years)

##### *Animal Science*

JOHN W. LEHMANN, Pleasant Plains (three years)  
 MYRON C. MUELLER, Taylor Ridge (three years)

*Dairy Science*

C. LESLIE JAMES, Maple Meade Farm,  
Mansfield (three years)

*Forestry*

A. C. HART, First National Bank  
Building, Arenzville (three years)

I concur.

On motion of Mrs. Holt, these appointments were approved.

*Horticulture (Vegetables, Fruits,  
Ornamentals)*

JOHN TURES, Matt Tures and Sons  
Nursery, 1500 Lee Street, Des Plaines  
(three years)

JOHN A. NEMANICH, Manhattan (Presi-  
dent, Illinois State Vegetable Growers'  
Association) (three years)

#### ADVISORY COMMITTEE FOR THE COLLEGE OF VETERINARY MEDICINE

(7) The Dean of the College of Veterinary Medicine recommends the following appointments to the Advisory Committee for the College of Veterinary Medicine for terms of three years beginning September 1, 1956: Dr. Clifford A. Lemen, Warrensburg; Dr. Warren Amling, Pana; and Dr. Frank Fox Adams, Mt. Carmel.

I concur.

On motion of Mrs. Watkins, these appointments were approved.

#### CENTER FOR HANDICAPPED CHILDREN

(8) On recommendation of the Executive Committee of the Research and Educational Hospitals, the Executive Committee of the College of Medicine, and the Vice-President in Charge of the Chicago Professional Colleges, I have authorized the establishment of a Center for Handicapped Children in the Research and Educational Hospitals. A report submitted jointly by the Dean of the College of Medicine and the Medical Director of the Research and Educational Hospitals presenting the full text of this proposal, the function of the Center, plan of organization, and budget is hereby filed with the Secretary of the Board for record.

Since this project is primarily a reorganization and consolidation of existing services, funds are available in the budgets of the College of Medicine and the Research and Educational Hospitals and in the Division of Services for Crippled Children. In addition, grants from the United States Public Health Service and the United States Children's Bureau may be available for future development of the program.

I have also approved the appointment of Dr. Edward F. Lis, presently Associate Professor of Pediatrics in the College of Medicine, as Director of the Center for Handicapped Children in the Department of Pediatrics of the Research and Educational Hospitals and in the Division of Services for Crippled Children, in addition to his appointment as Associate Professor of Pediatrics in the College.

Confirmation of these actions is requested.

On motion of Mrs. Holt, the President's actions were confirmed.

#### LAUNDRY FACILITIES FOR CHICAGO PROFESSIONAL COLLEGES CAMPUS

(9) The laundry operated by the University at the Chicago Professional Colleges campus was started in 1925 by the State Department of Public Welfare. It is in the basement of the Research and Educational Hospitals and was transferred to the University in 1941. Some of the original equipment is still in service. The University has expanded the laundry by assigning a section in the basement of the south wing of the Hospitals building which is some distance from the main laundry, but even this additional space and facilities are not now adequate to serve present laundry requirements of the Chicago Professional Colleges and approximately 20 per cent of the University's laundry work is done by commercial laundries.

The laundry service requirements will increase, and the University has been requested by the Department of Public Welfare to provide laundry service, if possible, for the new Psychiatric Institute State Hospital to be constructed in the near future. Such a service would allow consolidation of laundry facilities

for servicing both institutions, and if the University acquired a new laundry it could serve the Psychiatric Institute State Hospital, if found to be legally possible.

The estimated requirement for a new University Laundry is 2,740,000 pounds a year. The requirements of the Psychiatric Institute State Hospital will amount to approximately 650,000 pounds a year. The total requirements, if the University were to furnish laundry service to the Psychiatric Institute State Hospital, would be 3,390,000 pounds a year. A new laundry should be designed for a potential capacity sufficient to handle the laundry needs for approximately 1,200 hospital beds.

The capital cost of a new laundry is estimated at \$745,000, including equipment owned by the University and land in the Medical Center District valued at \$85,000. The remainder of the cost, \$660,000, would have to be borrowed or provided by a state appropriation.

The present annual operating cost of laundry service, including that done by commercial laundries, is \$183,000. If all of the laundry were done by a commercial laundry, it is estimated that the annual cost would be \$193,200. If a new laundry is constructed, the same volume of laundry could be processed at an estimated annual cost of \$143,200, or a saving of \$50,000.

The laundry operations must be discontinued in the present location, since this space is not only inadequate for this purpose but is needed for hospital use. In view of the savings possible through the operation of a University-owned laundry, possibilities of financing its construction, probably through the cooperation of the University of Illinois Foundation, should be explored.

In addition to savings in costs, there would be operating advantages in having such a facility: smaller inventory of linens, greater flexibility in methods of distributing linens to hospital floors, less storage space required, and an estimated longer life for linens.

The Medical Director of the Hospitals, the Vice-President in Charge of the Chicago Professional Colleges, the Director of the Physical Plant, and the Comptroller recommend approval in principle of the construction of a laundry at the Chicago Professional Colleges campus and that further studies be made of the possibility of financing such a facility.

I concur and recommend that the Comptroller be authorized to investigate the possibility of securing the necessary financing and to employ the law firm of Chapman and Cutler, Chicago, as special counsel.

On motion of Mrs. Watkins, this recommendation was approved.

#### INCREASE IN PETTY CASH FUND AT CHICAGO UNDERGRADUATE DIVISION

(10) The Comptroller recommends that the petty cash fund available for the use of the Business Manager at the Chicago Undergraduate Division be increased from the present maximum of \$12,000 to \$15,000, by assignment of an additional \$3,000 from the balances of indirect cost funds now held by the University Treasurer. The petty cash fund at the Chicago Undergraduate Division was authorized by the Board of Trustees on April 24, 1952, and \$12,000 is not now adequate to service the Undergraduate Division.

I concur.

On motion of Mr. Livingston, this recommendation was approved by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### APPROPRIATION FOR LEGAL SERVICES

(11) Mr. Albert E. Jenner, Jr., of the firm of Johnston, Thompson, Raymond, and Mayer, Chicago, was engaged as special counsel in the mandamus proceedings instituted against the University by Miss Patricia Bluett.

The Appellate Court for the First District recently affirmed the order dismissing Miss Bluett's mandamus suit against the University.

Mr. Jenner has presented a statement showing that there is due his firm a fee for its services to the University in this matter from May 13, 1955, to date in the sum of \$2,500 plus advancements made by it in behalf of the Univer-

sity during that period totaling \$123, or a total of \$2,623. This is in addition to the \$2,600 paid Mr. Jenner's firm by way of compensation for its services and reimbursement for its advances while the case was pending in the Circuit Court of Cook County.

The Legal Counsel and the Comptroller recommend an appropriation of \$2,623 from the General Reserve Fund and authorization of payment for these services and expenses incidental thereto.

I concur.

On motion of Mr. Swain, this appropriation was made and the payment was authorized by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### **SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(12) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve Fund as follows:

##### *Urbana-Champaign*

1. Department of Architecture, purchase of equipment.....\$ 5 722
2. Department of the Air Force, modification and repair of office space 2 865
3. College of Engineering, remodeling and purchase of furnishings for placement office and interviewing rooms in Civil Engineering Hall.. 20 000
4. College of Engineering, remodeling in Civil Engineering Hall to provide more adequate space for staff members..... 5 000
5. Department of English, purchase of equipment, remodeling, and moving of present equipment for the new English Building..... 11 000
6. Library, transfer of law books and newspapers to the Law Library in the new Law Building..... 3 000
7. Department of Military Science and Tactics, construction of a cage to protect one M-47 tank trainer..... 1 040
8. Physical Plant Department, removal of dead trees and replanting of trees..... 15 000
9. Physical Plant Department, remodeling of properties at 606½ South Mathews Avenue and 605 South Goodwin Avenue to make space therein usable by the School of Music and the College of Liberal Arts and Sciences ..... 14 000

##### *Chicago Colleges and Divisions*

10. Animal Hospital, Chicago Professional Colleges, replacement of an air-conditioning unit and purchase and installation of a ventilating fan 4 500
11. Library, Chicago Professional Colleges, moving and cleaning books and periodicals ..... 4 670
12. Chicago Undergraduate Division, remodeling and equipment for expansion of the offices of Liberal Arts and Sciences and Commerce.. 9 200
- Total*.....\$95 997

I concur.

On motion of Mr. Livingston, these appropriations were made by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### **REASSIGNMENT OF FUNDS FOR THE OPERATION OF THE RESEARCH AND EDUCATIONAL HOSPITALS**

(13) The University biennial operating budget for 1955-57 includes a provision of \$73,916 a year for the activation of the twelfth floor of the addition to the Research and Educational Hospitals. Prior to the activation of the twelfth floor, the National Foundation for Infantile Paralysis negotiated with the University for the installation and operation of a Respiratory Center on this floor and for which the Foundation provided the funds. The funds for the first year of the biennium were held in reserve and were used for nonrecurring expenditures within the Hospitals.

The Hospitals are in need of additional positions in ancillary services. These positions will be included in the biennial budget estimates for 1957-59, but in view of the availability of funds for the operation of the twelfth floor, it is proposed to use them to provide salaries for the new positions needed now. Such transfer is appropriate under the Act making the biennial appropriations to the University. This has been discussed with representatives of the State Department of Finance who concur in this proposed transfer.

The Vice-President in Charge of the Chicago Professional Colleges and the Comptroller recommend that funds be transferred from the reserve held for the activation of the twelfth floor of the Research and Educational Hospitals and be allocated as follows, and I concur.

*College of Medicine*

1. Pathology, salaries.....	\$ 2 900
2. Surgery, salaries.....	12 000
3. Radiology, salaries.....	12 000

*Research and Educational Hospitals*

1. Central Supply, salaries.....	2 580
2. Clinics, salaries.....	7 380
3. Clinical Laboratories, salaries.....	6 900
4. Medical Records	
Salaries.....	3 600
Wages.....	420
5. Medicine, salaries.....	3 330
6. Neurology	
Salaries.....	11 640
Wages.....	246
Expense and equipment.....	2 000
7. Pathology, salaries.....	3 300
8. Radiology, wages.....	5 620

On motion of Mr. Johnston, these reassignments of funds were approved by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

**ARCHITECTURAL SERVICES ON UNIVERSITY BUILDINGS**

(14) Professor A. M. Richardson of the Department of Architecture, who was Consulting Architect for the new Law Building and who has done extensive design work on student residence halls, has resigned from the University to go into private practice. His work for the University has been so satisfactory that it is desired that his services be continued.

The Director of the Physical Plant recommends employment of Professor Richardson and his new firm for (a) the design of a new residence hall for 1,000 undergraduate women students; (b) the completion of the design for a new residence hall for men; (c) the design of a new Fine and Applied Arts Building; (d) campus plan studies at Urbana-Champaign; (e) consultation as requested by the University on the designs of a new Plant Sciences Building, the addition to the Illini Union Building, a Central Food Storage Building, and family housing construction.

It is proposed that compensation for these services on items (a) and (c) be at the rate of one-half of one per cent of the estimated construction cost of these buildings; and that compensation for services on the other projects be on the basis of actual salaries and wages paid to personnel while employed on them plus 75 per cent thereof for indirect costs.

The estimated cost of these services under the arrangement proposed is approximately \$37,000. These expenditures will be charges against the funds which become available for construction, but an advance from general University funds is necessary.

The Comptroller and the Provost join with the Director of the Physical Plant in recommending a contract with Mr. Richardson and his associates as outlined above.

I concur and recommend that the Comptroller and the Secretary of the

Board be authorized to execute a contract with Mr. Richardson and his firm for services in accordance with the terms listed above, and that an appropriation of \$37,000 be made from the General Reserve Fund for this purpose, with the understanding that this fund will be reimbursed when construction funds for the projects included in this arrangement become available.

On motion of Mrs. Watkins, this recommendation and the assignment of funds required were approved by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

**CONTRACT FOR ALTERATIONS IN FIRST UNIT OF  
DENTISTRY-MEDICINE-PHARMACY BUILDING**

(15) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$20,876 to the Mutual Contracting Company, Chicago, the lowest bidder, for alterations of quarters for the Department of Pharmacology in the first unit of the Dentistry-Medicine-Pharmacy Building.

The work will consist of rearrangement of partitions, improvement of lighting and ventilation, and installation of new laboratory furniture. The work is part of the program which has been under way for the past two years to rehabilitate facilities and to provide additional space for the increase in enrollment.

Funds are available in the state appropriations for 1955-57 for buildings and other permanent improvements.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Swain, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

**CONTRACT FOR LANDSCAPING OF HOME  
ECONOMICS BUILDING AREA**

(16) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$11,497 to Irving L. Peterson, Champaign, Illinois, the lowest bidder, for landscaping of the Bevier Hall—Home Economics area.

The funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

**CONTRACT FOR LAWN SPRINKLING SYSTEMS AT STAFF APARTMENT  
BUILDING AND STUDENT RESIDENCE HALL AT THE  
CHICAGO PROFESSIONAL COLLEGES**

(17) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$3,928 to the Muellermist Irrigation Company, Maywood, Illinois, the lowest bidder, for installation of lawn sprinkling systems at the Staff Apartment Building and the Student Residence Hall at the Chicago Professional Colleges.

The work will consist of installing underground piping and sprinkling heads. This improvement will reduce the amount of labor required and will provide more uniform sprinkling.

Funds are available in the 1951 Revenue Bond Construction Account.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

**CONTRACT FOR FUEL FOR MEDICAL CENTER STEAM PLANT**

(18) The Director of the Physical Plant, the Business Manager of the Chicago Colleges, and the Comptroller recommend award of a contract to the Crerar

Clinch Coal Company, 28 East Jackson Boulevard, Chicago, the lowest bidder, for 17,000 tons of screenings coal to be delivered to the Medical Center Steam Plant, operated by the University, as required during the period August 1, 1956, to June 30, 1957, at a per ton cost of \$4.00, plus transportation of \$.30, plus \$.25 for handling, storage, and delivery, or a total estimated cost of \$111,350. This price is based on the present wage scale and is subject to increase or decrease in the event that wage contracts now in effect are changed, and any such change will affect the price to the extent that the production costs are increased or decreased by the new contracts. The University has the right of approval of any such increase in price.

The lowest bid is determined by the number of British Thermal Units per one cent of cost based on guaranteed analysis. A continuous check is provided at the Steam Plant to insure compliance with the specifications.

The above named officers also recommend the purchase of a minimum of 8,000 gallons of No. 6 fuel oil, with the option of purchasing as much more as may be required for emergency use but not to exceed 450,000 gallons, from the Michael Oil Company, 2446 South Western Avenue, Chicago, the lowest bidder, at a price of \$.081 per gallon subject to adjustment in accordance with the posted price variations published in the Wall Street Journal. On the basis of the quoted unit price, the total cost of 8,000 gallons would be \$648 and of 450,000 gallons, \$36,450.

The Medical Center Steam Company Plant is equipped to burn either coal, gas, or oil. Winter operation has been with coal and summer operation has been with gas. The purchase of fuel oil is recommended for standby service. If used for emergency operations instead of gas or coal, there will be a corresponding reduction in expenditures for these two fuels.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts for these purchases subject to approval by the Governor as required by the state constitution.

On motion of Mr. Swain, these contracts were awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### CONTRACTS FOR COAL PURCHASES

(19) The Director of Purchases, the Comptroller, and the Director of the Physical Plant recommend award of the following contracts for 50,300 tons of coal screenings to be delivered to the Abbott Power Plant between the period September 1, 1956, through June 30, 1957:

	<i>F.o.b. Mine</i>	<i>Freight</i>	<i>Total Cost</i>
United Electric Coal Co., Chicago			
5,000 tons at \$4.10.....	\$ 20 500	\$ 6 250	\$ 26 750
Bell & Zoller Coal Co., Terre Haute, Indiana			
10,000 tons at \$4.45.....	44 500	11 800	56 300
Republic Coal & Coke Co., Peoria			
35,300 tons at \$4.35.....	153 555	41 654	195 209

Sealed bids on uniform specifications were opened on July 13, 1956. Invitations were sent to twenty-four producers and sales agencies and advertisements were published in three daily papers.

It is advantageous to have contracts with three sources of supply to be assured of delivery of coal at all times. The prices quoted are based on present wage scales and are subject to increase or decrease in event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or decreased by the new contracts. The University may cancel the purchase contract if it believes that any price adjustment is not justified.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute contracts as recommended, subject to approval by the Governor as required by the state constitution.

On motion of Mr. Johnston, these contracts were awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

**REJECTION OF BIDS ON ALTERATIONS IN STUDENT RESIDENCE  
HALL AT CHICAGO PROFESSIONAL COLLEGES**

(20) Bids were taken on remodeling of the third floor of the Student Residence Hall at the Chicago Professional Colleges to convert that area from occupancy by men to occupancy by women students. The work would include installation of separate stairs for the use of women only.

It has been concluded that the cost of the additional stairs is not justified and can not be recommended. Since this would constitute the major portion of the work on which the bids were taken, the Vice-President in Charge of the Chicago Professional Colleges, the Director of the Physical Plant, and the Comptroller recommend that all bids be rejected. The University reserved the right to do so in the invitations issued to bidders.

I concur.

On motion of Mr. Swain, these bids were rejected.

**GRANT FROM W. K. KELLOGG FOUNDATION**

(21) The W. K. Kellogg Foundation of Battle Creek, Michigan, has approved a grant of \$141,000 for the National Association of Educational Broadcasters, payable to the University of Illinois in annual installments of \$47,000 for a period of three years. This grant is in essence an extension of a five-year grant made by the Kellogg Foundation to the University, on behalf of the NAEB, effective July 1, 1951, in support of educational broadcasting. University and NAEB officials are gratified that the record of accomplishment of the Kellogg Project has merited a renewal of the grant. The present grant, however, is a terminal one.

The National Association of Educational Broadcasters, whose headquarters are at the University of Illinois, is the professional association of educational broadcasters in the United States for both radio and television. Its functions include operation of a national central educational employment service and other consultant, professional, research, and publication services, some of which are or have been supported also by the Fund for Adult Education, the Ford Foundation, the Rockefeller Foundation, and other organizations. Active membership includes nearly all the educational radio and television stations in the United States; affiliated memberships are also held by educational representatives of the broadcasting systems of other nations.

I have accepted this grant and request confirmation of my action.

On motion of Mrs. Watkins, the President's action was confirmed.

**GRANTS FROM HASKINS AND SELLS FOUNDATION, INC.,  
OF NEW YORK CITY**

(22) The Haskins and Sells Foundation, Inc., of New York City has established two educational programs, one for students and one for teachers, at several colleges and universities throughout the United States, beginning with the academic year 1956-57.

The Foundation has offered the University of Illinois

1. A \$500 award to be made annually to outstanding students in accounting who have completed their junior year. The purpose of this award is to stimulate higher academic achievement on the part of students majoring in accounting and to encourage promising students to major in this field. The award is available to students whose primary interest is in accounting, but it is not required that the student plan to enter public accounting.
2. A grant of \$1,000 a year for five years to assist qualified instructors in accounting while they are pursuing higher academic degrees for careers in teaching accounting. This grant is designed to minimize the initial sacrifices incurred by a teacher in the early stages of his career. Payment of the faculty grants will be made directly to the recipients selected.

I have accepted these grants and request confirmation of my action.

On motion of Mr. Livingston, the President's action was approved.

**EXTENSION OF FLORIDA AND KIRBY AVENUES**

(25) Public officials of Champaign-Urbana have proposed to the State Department of Public Works and Buildings, Division of Highways, the improvement and extension of Florida Avenue and the construction of a subway under the Illinois Central Railroad to connect Florida Avenue with Kirby Avenue in Champaign. This improvement will require land owned by the University between the east line of the Illinois Central Railroad right-of-way and First Street in Champaign, plus additional land south of the present Florida Avenue right-of-way between First Street and Lincoln Avenue.

This extension would provide an additional major east-west traffic artery through the entire community and would greatly help the flow of traffic. As far as the University operations are concerned, it would add another route for employees to reach the campus, reduce traffic on existing streets crossing the campus, and improve the handling of automobile traffic during the football season. The only cost the University is asked to assume is the required right-of-way, which will involve relocating the Physical Plant Nursery. Both local and state officials have agreed that belt route truck traffic will be restricted from using this street.

This improvement was proposed in the community development plan approved by the Board of Trustees on April 19, 1951 (minutes, page 661). It has recently

<sup>1</sup> Deduct.

been considered by the Building Program Committee which recommends its approval.

The Director of the Physical Plant and the Comptroller recommend that this project and the University's participation in it, in such manner and to such extent as may be found legal and practicable, be approved in principle, and that said Director, the Comptroller, and the Legal Counsel be authorized to conduct negotiations with the representatives of the interested communities, the state, and the other interested public agencies and bodies for the purpose of reaching an agreement as to the extent and manner in which the University can and should participate in the project and to then present their recommendations and requests for further authority with respect to the same to the Board of Trustees.

I concur.

On motion of Mr. Swain, this recommendation was approved, and authority was given as requested.

**LEAVES OF ABSENCE**

ANDERSON, TRUMAN O., Instructor in Bacteriology (Medicine) — leave of absence without pay, July 17-August 19, 1956.

BUTLER, LILLIAN C., Associate Professor of Home Economics — extension of leave of absence without pay through August 31, 1956.

GOTTLIEB, DAVID, Professor of Plant Pathology — leave of absence without pay, academic year beginning September 1, 1956, in order that he might undertake an assignment in Chile as Plant Pathologist.

LAWSON, JOEL S., Research Assistant Professor in the Control Systems Laboratory — leave of absence without pay, July 16-September 15, 1956, for services to the Department of Defense.

REEVES, GEORGE, Assistant Professor of Music — leave of absence without pay, for one month during the academic year 1956-57, so that he may engage in outside professional services during that period.

STAFFORD, GEORGE T., Professor of Physical Education for Men and Coordinator of Health Education in the Division of University Extension — leave of absence without pay, September 1, 1956-August 31, 1957, so that he may render service to the state of Florida by conducting clinics.

**SEPTEMBER AND OCTOBER MEETINGS**

On motion of Mr. Swain, the Board voted to hold its next regular meeting in Chicago on Tuesday, September 18, 1956, beginning at 2:30 p.m., Central Daylight Saving Time, at a place to be selected by the President and Secretary of the Board.

On motion of Mrs. Holt, the Board voted to hold a regular meeting in October on Monday, October 22, 1956, in the Illini Union Building, Urbana-Champaign, Illinois, beginning at 11:00 a.m., Central Daylight Saving Time.

**COMMUNICATION FROM DR. LLOYD MOREY**

President Megran read a letter from Dr. Lloyd Morey expressing appreciation of a message he had received from Mr. Megran concerning his recent appointment as Auditor of Public Accounts of Illinois, and extending his greetings to the members of the Board of Trustees.

**COMMUNICATIONS RECEIVED CONCERNING MILLER MEADOW**

The Secretary presented a number of letters received at his office, addressed to the Board of Trustees of the University of Illinois, from citizens of Cook County protesting the selection of Miller Meadow as the site for Chicago Undergraduate Division on the ground that this would be taking over land needed for the future development of the Forest Preserve District and urging the Board to reconsider its decision. The Secretary has acknowledged these letters, stating that they would be brought to the attention of the Board, and he has sent the writers the report and recommendation made to the Board of Trustees by the President of the University on this matter so that they will understand the reasons for the Board's decision.

On motion of Mr. Johnston, the Board adjourned.

A. J. JANATA

Dr. Herbert E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, came to the meeting later.

**SALE OF WOMEN'S RESIDENCE HALLS REVENUE BONDS**

Mr. Livingston, for the Finance Committee, presented the following:

Pursuant to public notice issued by the Vice-President and Comptroller, bids were received at 11:00 a.m. today, September 18, 1956, in the Illini Center, LaSalle Hotel, Chicago, Illinois, for the sale of \$3,100,000 of Women's Residence Halls Revenue Bonds of 1956 by the Board of Trustees of the University of Illinois. Proceeds of said bonds are to be used for the construction of an addition to the Lincoln Avenue Residence.

The Finance Committee recommends that \$320,000 of "A" bonds be sold to White, Weld and Company, Chicago, Illinois, for \$286,240, with an interest coupon of  $2\frac{3}{4}$  per cent, representing an effective interest rate of 3.955 per cent, which bid will result in the lowest interest cost to the University.

Pursuant to authorization of the Board of Trustees on March 23, 1956, the Comptroller and the Secretary of the Board have executed a loan agreement with the Housing and Home Finance Agency of the federal government, whereupon the Housing and Home Finance Agency submitted a bid to purchase "B" bonds in the amount of \$2,780,000 at par and interest rate of 2.75 per cent. No other bids were received for the purchase of the "B" bonds. The loan agreement is submitted herewith for examination and will be filed with the Secretary of the Board for record. The Finance Committee recommends that the provisions of the loan agreement be approved and that the "B" bonds be sold to the United States government.

On motion of Mr. Livingston, the foregoing recommendations were approved by the following vote: Aye, Mr. Herrick, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Bissell, Mrs. Holt, Mr. Nickell, Mr. Stratton.

**RESOLUTION AUTHORIZING WOMEN'S RESIDENCE HALLS  
REVENUE BONDS**

Mr. Livingston presented the following resolution:

RESOLUTION authorizing the issue of Women's Residence Halls Revenue Bonds of 1956, of The Board of Trustees of the University of Illinois in the principal amount of \$3,100,000 for the purpose of providing funds necessary to construct, complete, and equip an addition to the Women's Residence Halls known as the Lincoln Avenue Residences in the City of Urbana, Illinois, fixing the date, maturities, form, and other details of said bonds, and making covenants and provisions for the payment of said bonds and the interest thereon.

WHEREAS, The Board of Trustees of the University of Illinois on due consideration and investigation does now find and determine that it is advisable, necessary, and in the interests of the University of Illinois to construct and equip an addition to the Women's Residence Halls known as the Lincoln Avenue Residences located at 1005 South Lincoln Avenue, Urbana, Illinois, to provide housing and food service for approximately 669 women students, resident manager and two supervisors including lounge and recreational facilities for the residents of said Unit (sometimes hereinafter called "the addition" or "project").

WHEREAS, The Board of Trustees of the University of Illinois has heretofore caused to be prepared plans and specifications for the construction, completion, and equipping of said above described addition, and plans have been approved by this Board of Trustees and are now on file in the office of the Physical Plant Department of said University at the Administration Building in the City of Urbana, Illinois; and

WHEREAS, The Board of Trustees of the University of Illinois does further find and estimate that the cost of the construction of said addition, hereinabove described, in accordance with bids heretofore received for that purpose, will be \$2,820,000 and that the cost of movable equipment for such addition will be \$320,000; and

WHEREAS, in order to produce the funds necessary to construct and equip the revenue producing addition to the building of said University, hereinabove referred to, it will be necessary that there be borrowed the sum of \$3,100,000 and in evidence thereof the revenue bonds of said University be issued; and

WHEREAS, pursuant to "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings, payable only from the revenues derived from the operation thereof, or, when authorized by the Board of Trustees, payable from such revenues as supplemented by University income authorized by law to be retained in the University treasury and applied to such purpose and for the refunding of any such bonds," approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947, L. 1947, p. 1738, and by Act approved June 30, 1955, L. 1955, p. 796, this Board of Trustees is authorized to issue revenue bonds for the purposes aforesaid, payable only from the revenues to be derived from the operation of said building and from student fees authorized by law to be retained in the University treasury;

NOW, THEREFORE, Be It and It Is Hereby Resolved by The Board of Trustees of the University of Illinois, as follows:

SECTION 1. That it be and it is hereby determined by The Board of Trustees of the University of Illinois that it is necessary and for the best interests of the University of Illinois that it borrow the sum of \$3,100,000 to construct, and fully equip the revenue producing addition as described in the preamble hereof, located in the City of Urbana, Illinois, and in evidence thereof issue its revenue bonds in the principal amount of \$3,100,000.

SECTION 2. That said bonds shall be designated "The Board of Trustees of the University of Illinois Women's Residence Halls Revenue Bonds of 1956." The said revenue bonds shall bear date of October 1, 1956, shall be numbered 1 through 3100, and shall be of the denomination of \$1,000 each. provided, however, that said bonds numbered 421 through 3100, inclusive, shall be redeemable as a whole or in part, prior to their maturity, in the inverse order in which they are numbered; that is to say, bond number 3100 shall be called and redeemed first before bond number 3099 is called and redeemed, and continuing such priority throughout said bond numbers. Bonds numbered 2496 through 3100 shall be redeemable in whole or in part, prior to maturity, on any interest payment date at the option of The Board of Trustees of the University of Illinois at par and accrued interest, and bonds numbered 421 through 2495 shall be redeemable, prior to maturity, in whole or in part on any interest payment date at the option of The Board of Trustees of the University of Illinois on October 1, 1967, or on any interest payment date thereafter at par and accrued interest and a premium of three per cent (3%) of the principal amount thereof if redeemed on October 1, 1967, or on any interest payment date thereafter up to and including October 1, 1971; as a whole or in part, at par and accrued interest, and a premium of two and one-half per cent (2½%) of the principal amount thereof if redeemed on April 1, 1972, or on any interest payment date thereafter up to and including October 1, 1976; as a whole or in part, at par and accrued interest, and a premium of two per cent (2%) of the principal amount thereof if redeemed on April 1, 1977, or on any interest payment date thereafter up to and including October 1, 1981; as a whole or in part, at par and accrued interest, and a premium of one and one-half per cent (1½%) of the principal amount thereof if redeemed on April 1, 1982, or on any interest payment date thereafter up to and including October 1, 1986; as a whole or in part, at par and accrued interest, and a premium of one per cent (1%) of the principal amount thereof if redeemed on April 1, 1987, or on any interest payment date thereafter prior to maturity.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty days prior to the date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago and also in a financial journal published in the English language in the City and State of New York, and such notice of redemption shall with substantial accuracy (a) designate the date and place of redemption, such place to be at the First National Bank of Chicago, in the City of Chicago, Illinois, or at the option of the holder thereof at the Chase Manhattan Bank, in the City of New York, New York, and (b) designate the numbers and the aggregate principal amount of said bonds, and (c) state that on the designated date of redemption said bonds will be redeemed by payment of principal thereof and accrued interest

thereon to date of redemption, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of all bonds so called for redemption shall cease.

That such bonds and coupons shall be payable to bearer; provided, however, that such bonds may be subject to registration as to principal at any time prior to maturity in the name of the holder thereof on the books of registration of said University to be kept in the Chicago office of the Comptroller of said University, such registration to be noted on the reverse side of the bonds by the said Comptroller and thereafter the principal of such bonds shall be payable only to the registered holder, his legal representative or assign. Such registered bonds shall be transferred to another registered holder or back to bearer only upon presentation to the Comptroller with a legal assignment duly acknowledged or approved. Registration of any such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

SECTION 3. That both principal of and interest on such revenue bonds shall be payable in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at the First National Bank of Chicago, in the City of Chicago, Illinois, or at the option of the holder, at the Chase Manhattan Bank, in the City of New York, New York.

SECTION 4. That said bonds shall be executed for and on behalf of The Board of Trustees of the University of Illinois by its President and by Park Livingston and Frances B. Watkins, who are members thereof, and attested by the Secretary thereof, under the seal of the University of Illinois, and the interest coupons attached to said bonds shall be executed by the facsimile signatures of said President and Secretary, who by the execution of said bonds shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and said bonds and coupons shall be in substantially the following form:

UNITED STATES OF AMERICA  
STATE OF ILLINOIS

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS  
WOMEN'S RESIDENCE HALLS REVENUE BOND OF 1956

(Series.....)

Number..... \$1,000

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, a body corporate, created and established under the laws of the State of Illinois, for value received promises to pay to bearer, but only out of the Women's Residence Halls Revenue Bond Fund of 1956, as hereinafter provided for, and not otherwise, the sum of ONE THOUSAND DOLLARS (\$1,000) in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, on October 1, 19....., and to pay interest on said sum from the date hereof until paid at the rate of ..... per cent (.....%) per annum, payable April 1, 1957, and semiannually thereafter on the first days of April and October in each year until the maturity date hereof upon presentation and surrender of the interest coupons hereto attached as they subsequently become due,

(To be inserted in Series "A" bonds)

but no interest shall accrue on this bond after the maturity hereof unless this bond be presented for payment at maturity and be not then paid.

(To be inserted in Series "B" bonds)

and to pay interest at the rate of five per cent (5%) per annum on overdue principal, but no interest shall accrue on this bond after the maturity hereof unless this bond be presented for payment at maturity and be not then paid.

Both principal hereof and interest hereon are hereby made payable in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at the First National Bank of Chicago, in the City of Chicago, Illinois, or at the

option of the holder, at the Chase Manhattan Bank, in the City of New York, New York.

This bond is one of an authorized issue of Three Million One Hundred Thousand Dollars (\$3,100,000), all of like date and of the denomination of \$1,000 each, numbered from 1 through 3100, and bonds numbered 2496 through 3100 are subject to redemption as a whole or in part, prior to their maturity, in inverse numerical order, on any interest payment date at par and accrued interest; bonds numbered 421 through 2495 are subject to redemption prior to maturity, in the inverse order in which they are numbered, on any interest payment date on or after October 1, 1967, as a whole or in part, at par and accrued interest, and a premium of three per cent (3%) of the principal amount thereof if redeemed on October 1, 1967, or on any interest payment date thereafter up to and including October 1, 1971; as a whole or in part, at par and accrued interest, and a premium of two and one-half per cent (2½%) of the principal amount thereof if redeemed on April 1, 1972, or on any interest payment date thereafter up to and including October 1, 1976; as a whole or in part, at par and accrued interest, and a premium of two per cent (2%) of the principal amount thereof if redeemed on April 1, 1977, or on any interest payment date thereafter up to and including October 1, 1981; as a whole or in part, at par and accrued interest, and a premium of one and one-half per cent (1½%) of the principal amount thereof if redeemed on April 1, 1982, or on any interest payment date thereafter up to and including October 1, 1986; as a whole or in part, at par and accrued interest, and a premium of one per cent (1%) of the principal amount thereof if redeemed on April 1, 1987, or on any interest payment date thereafter prior to maturity. Priority as to redemption shall extend to bonds numbered 2496 through 3100 inclusive.

Notice of redemption of any or all of said bonds shall be published once not less than thirty days prior to the date of redemption, such publication to be made in one newspaper published and of general circulation in the City of Chicago and also in a financial journal published in the English language in the City and State of New York, and when this bond or any of the bonds of such authorized issue shall have been called for redemption, interest thereon shall cease from and after the specified redemption date.

This bond and the series of which it forms a part is issued under the authority of an Act of the General Assembly of the State of Illinois, entitled "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings payable only from the revenues derived from the operation thereof, or, when authorized by the Board of Trustees, payable from such revenues as supplemented by University income authorized by law to be retained in the University treasury and applied to such purpose and for the refunding of any such bonds," Approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947, L. 1947, p. 1738, and by Act approved June 30, 1955, L. 1955, p. 796, and all other laws supplementary thereto, and a resolution duly adopted by The Board of Trustees of the University of Illinois for the purpose of defraying the cost of constructing and equipping an addition to the Women's Residence Halls known as Lincoln Avenue Residences located at 1005 South Lincoln Avenue in the City of Urbana, Illinois.

This bond is payable, both as to principal and interest, only from the revenues derived from the operation of said revenue producing addition constructed, completed, and equipped with the proceeds of this bond issue, and student fees and tuition authorized by law to be retained in the University treasury, but not in excess of \$68,750 annually, and this bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois, The Board of Trustees of the University of Illinois, or the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University, of said Board of Trustees, or of the State of Illinois is pledged to the payment of this bond or the interest thereon.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the

Chicago office of the Comptroller of said University, located at 1853 West Polk Street, Chicago, Illinois, such registration to be noted on the back hereof. After such registration no transfer thereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer hereof.

This bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, howsoever such possession may have been acquired, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons, as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and The Board of Trustees of the University of Illinois and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered, and the bearer of any interest coupons appertaining hereto as the absolute owner thereof for all purposes.

The Board of Trustees of the University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the resolution adopted by it, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said addition, as provided for in and by said resolution, and to establish from time to time parietal rules, rents, and charges for the use of said addition and to maintain and collect rents and charges and to withhold student fees and tuition sufficient to pay the reasonable cost of operating, maintaining, insuring, and repairing of said addition, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.

It is hereby certified and recited and declared that all acts, conditions, and things required to exist, to happen, and to be performed, precedent to and in the issuance of this bond, have existed, have happened, and have been performed in due form, time, and manner, as required by law and the applicable resolutions of The Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said building to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois has caused this bond to be signed by its President and two members thereof, the corporate seal of the University of Illinois to be hereto affixed, and attested by its Secretary, and has caused the interest coupons hereto attached to be executed by the facsimile signatures of said President and Secretary, which said officials by the execution of this bond do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the 1st day of October, 1956.

SECTION 5. That upon the issuance of the said revenue bonds herein provided for, there be and there is hereby established a fiscal year for the operation of said addition to the Women's Residence Halls known as Lincoln Avenue Residences, located at 1005 South Lincoln Avenue, Urbana, Illinois, and such fiscal year shall commence the first day of July of each year and end the last day of the next succeeding June, and all of the revenues derived from the operation of said addition shall be set aside as collected in a separate account and fund, which is hereby created and designated as "Women's Residence Halls Revenue Bond Fund of 1956," and The Board of Trustees of the University of Illinois covenants that all revenues, income, receipts, profits, rates, rents, charges, fees, and returns derived from the operation of said addition shall be deposited in such fund and shall be used only in paying the reasonable cost of operating and maintaining said addition, including, without thereby limiting the generality of the foregoing, salaries, wages, costs of materials, supplies, insurance, and the reasonable repair necessary to maintain said addition properly, for the creation and maintenance of a sinking fund, as hereinafter provided for the payment of the principal and interest of the revenue bonds herein provided for, which by their terms are payable only from the revenues derived from the operation of said addition, and from student fees and tuition, all as hereinafter provided in Section 6 of this Resolution. The word "repair" as used in this Resolution shall be construed to refer only to such repairs as are necessary to keep the addition in proper condition for use and occupancy, or are so certified to be necessary to remedy some physical condition which would otherwise impair or endanger the use and occupancy thereof and the security of the bonds hereby authorized, and all other bonds that may hereafter be authorized, which by their terms are payable from the revenues derived from the operation of said addition.

SECTION 6. That there be and there are hereby created the following special accounts in the "Women's Residence Halls Revenue Bond Fund of 1956," to wit:

"Operation and Maintenance Account" and "Bond and Interest Sinking Fund Account," to be maintained with a bank or banks which are members of the Federal Deposit Insurance Corporation, into which there shall be credited, in the manner and in the order hereinafter mentioned, all moneys held in the Women's Residence Halls Revenue Bond Fund of 1956, in accordance with the following provisions:

(a) There shall be credited to the Operation and Maintenance Account on the first business day of each month an amount sufficient to pay the reasonable expenses of operation and maintenance and repair of said addition to the Lincoln Avenue Residences for the next succeeding month, including, without limiting the generality of the foregoing, salaries, wages, cost of materials, supplies, insurance, light, heat, and power.

(b) After the project becomes revenue-producing, there shall be credited to the Bond and Interest Sinking Fund Account the sum of \$83,000 semiannually, within 60 days following June 30 and December 31 of each year, to be paid from the revenues derived from operation of the project and from student fees and tuition as provided in Section 7 hereof, until such time as such funds and investments, and the income and profits realized from any investments thereof are at least equal to the debt service requirements on the outstanding bonds for the then current fiscal year plus a debt service reserve in the amount of \$270,000, and thereafter such sums semiannually as may be necessary to meet the then current year's debt service and to maintain the debt service reserve of \$270,000, provided that the amount provided from student tuition and fees shall not exceed \$68,750 a year.

Funds of this account in excess of the principal and interest requirements for the next succeeding twelve months may be invested from time to time by the Comptroller in United States Government securities, maturing not more than five years from date of purchase.

(c) All funds remaining in said Women's Residence Halls Revenue Bond Fund of 1956 in any fiscal year after the full debt reserve prescribed in subsection (b) of this section has been provided for and after all amounts required to be credited to the accounts provided for in subsections (a) and (b) of this section, and all deficiencies have been made up, shall be used for the purpose of calling and redeeming the revenue bonds of this issue, which by their terms are redeemable prior to maturity; provided, whenever the said full debt reserve has been provided for there is sufficient money in said Women's Residence Halls Revenue Bond Fund of 1956, at any time after crediting all amounts required to be credited to accounts (a) and (b) of this section, and after setting aside an amount sufficient to pay interest due, principal of and premium on any bonds theretofore called for redemption and not yet redeemed, and the purchase price of any bonds theretofore purchased and not paid for, sufficient to purchase one or more bonds, the Comptroller shall as soon as reasonably practicable apply such available moneys to the purchase in the open market of bonds of this issue, with all unmatured interest coupons thereto attached (to the extent such bonds are available for purchase) at the lowest prices reasonably attainable, but not exceeding the amount at which such bonds at the time are redeemable; provided, however, that if on the sixtieth (60th) day before any interest payment date on which any of said bonds are redeemable there be moneys available in said Women's Residence Halls Revenue Bond Fund of 1956, after the said full debt reserve has been provided for and after crediting all amounts required to be credited to accounts (a) and (b) available to purchase ten or more bonds and not so expended, such moneys shall be applied to the redemption of bonds then redeemable. The funds in said Women's Residence Halls Revenue Bond Fund of 1956, until applied as herein provided, may be invested from time to time in United States Government securities. Any interest earned or profits realized from the moneys so invested shall be credited to the Bond and Interest Sinking Fund Account.

SECTION 7. That it is hereby determined by The Board of Trustees of the University of Illinois, and it is hereby covenanted that it is necessary to supplement revenues derived from the said addition to the Lincoln Avenue Residences, referred to in this resolution, by the use of funds obtained from student fees and tuition, but not, however, to exceed the sum of \$68,750 annually, and it is hereby further covenanted that in accordance with the pledge hereby made if at the close of any fiscal year after the project becomes revenue-producing there is a deficiency in the

Women's Residence Halls Revenue Bond Fund of 1956, to provide for crediting to the respective accounts provided for in Section 6 of this resolution with the required amounts, The Board of Trustees of the University of Illinois shall within sixty days credit to the said Women's Residence Halls Revenue Bond Fund of 1956 out of the pledged student fees and tuitions which said University is authorized to retain in its treasury, a sum sufficient to make up such deficiency in order to meet the annual debt service required on the bonds, the annual cost of maintenance and operation of the addition, and provide for all the accounts and covenants provided for by this bond resolution, but such amount shall not, however, exceed \$68,750 in any fiscal year.

SECTION 8. That The Board of Trustees of the University of Illinois hereby covenants as follows:

(a) That as long as the bonds herein authorized to be issued shall remain outstanding it will continuously operate and maintain said addition constructed and equipped with the proceeds derived from the issue of said bonds, that it will adopt such parietal rules and regulations and fix and maintain such rates, rents, fees, and charges for the use of said addition, when supplemented with student fees and tuition as hereinafter pledged, as will assure maximum occupancy of the addition that will provide revenue sufficient to pay the reasonable cost of operating and maintaining said addition, and to provide and maintain the aforesaid Bond and Interest Sinking Fund Account and the required reserves therefor, and that it will collect and account for and apply the aforesaid income and revenues in accordance with and as provided by this resolution.

(b) That it will set aside from student fees and tuition authorized by law to be retained in the University treasury an amount which when added to the revenues to be derived from the operation of said addition will be sufficient to meet the annual costs of maintenance and operation of the addition and to meet the semi-annual Bond and Interest Sinking Fund Account requirements as hereinbefore provided, but in no event shall the amount of student fees and tuition so retained for this bond issue exceed \$68,750 a year.

(c) That it will not voluntarily create or cause to be created any debt or lien, charge or encumbrance on any of the revenues to be derived from the operation of such addition having a priority to or parity with the pledge of the bonds issued under this resolution, and that it will not sell, mortgage, lease, or otherwise dispose of or encumber said addition or any part thereof during the time when the bonds issued hereunder shall remain outstanding and unpaid, except as provided for in Section to hereof.

(d) That as long as any of the bonds issued hereunder remain outstanding and unpaid, either as to principal or interest, or both, it will at all times exercise all of its lawful powers to preserve and protect the security of the bonds and the rights of the bondholders under this resolution.

(e) That it shall cause to be kept proper books of records and accounts separate and apart from all other records and accounts in which complete and correct entries shall be made of all transactions relating to the cost of constructing and equipping the aforesaid addition, the expenditures for maintaining, operating, and repairing said addition, and all revenues collected therefrom, which said record shall be kept and shall be available for the information of all bondholders; and that there shall be furnished to the original purchaser of said bonds and to any holder of any of said bonds, on the written request therefor, prior to October 1 of each year, complete operating and income statements of said addition, in reasonable detail, for said preceding fiscal year.

(f) That it will faithfully and punctually perform or cause to be performed all of the duties and obligations with reference to said addition as are required by the provisions of this resolution and the statutes under which the said bonds are issued, including the completion and equipping of the aforesaid addition and the operation and maintenance of said addition as herein provided, the making and collecting of sufficient rates, fees, and charges for the use thereof, the segregation of the income and revenues therefrom to the respective accounts created under the provisions of this resolution, and the proper application of said funds.

(g) That as long as any of said bonds authorized to be issued hereunder shall remain outstanding and unpaid, either as to principal or interest, or both, it will maintain insurance on said addition, including all equipment thereof, against loss

or damage by fire and windstorm and all other risks included in extended coverage insurance in an amount not less than the full insurable value of said addition. Such insurance policy or policies shall be payable to The Board of Trustees of the University of Illinois, and all moneys collected on account of loss or damage covered by any such policy or policies of insurance shall be held in trust and shall be used only for restoration of the property so damaged. In the event said funds with other available moneys are insufficient to restore said property to its former condition, then said funds shall be paid into the Bond and Interest Sinking Fund Account and held for the benefit of the bondholders as their interest may appear.

(h) That as long as the funds and investments of the Bond and Interest Sinking Fund Account are less than \$270,000 plus the debt service requirements on the outstanding bonds for the then current fiscal year, it shall procure and maintain use and occupancy insurance on said addition, the revenues of which are pledged to the payment of the bonds, in an amount sufficient to enable it to deposit in the Bond and Interest Sinking Fund Account, out of the proceeds of such insurance, an amount equal to the sum that would normally have been available for deposit in such account from the revenues of the damaged addition during the time the damaged addition is non-revenue producing as a result of loss of use caused by hazards covered by fire and extended coverage insurance.

SECTION 9. That the bonds authorized to be issued hereunder and from time to time outstanding shall not be entitled to priority one over the other in the application of the income and revenues derived from the collection of rents, rates, fees, and charges for the use of the aforesaid addition, or with respect to the pledge of the revenue to be derived from the operation of said addition or the pledged fees and tuition.

SECTION 10. That it is hereby further covenanted and agreed that after the issue and delivery of the bonds herein authorized and provided for to the purchaser thereof, additional bonds to share ratably and equally with the bonds hereby authorized shall only be issued in the event that funds are necessary to pay the cost of completing the project herein provided for in accordance with the plans and specifications now on file in the office of the Physical Plant Department, Administration Building, Urbana, Illinois, and in the event additional funds are necessary to pay the cost of completing the project herein provided for, said bonds shall not be issued until such time as the architects employed by the University for the construction of said addition have submitted a certificate to The Board of Trustees of the University of Illinois setting forth an itemized statement of the work completed to date, the cost thereof, and an itemized statement of the work yet to be completed and the estimated cost of the work to be completed, and such certificate and estimate shall be presented to and approved by said Board of Trustees preceding the adoption of any resolution authorizing the issuance of additional bonds to share ratably and equally in the revenues of said addition. Any additional bonds issued for the purpose of completing the project herein provided for, in accordance with this section, shall be payable serially with principal and interest amortized over a period not shorter than the remaining life of any of the then outstanding bonds, with principal payments beginning not more than three years from date of the additional bonds, in such manner as to make the total amount of principal of and interest on the additional bonds due in each year approximately the same in each year in which there is a maturity of principal.

In addition to the foregoing, if prior to the payment of the bonds hereby authorized it shall be found desirable to refund all or a part of the bonds hereby authorized, said bonds may be refunded notwithstanding the restrictions as to the issuance of additional bonds set forth in this section (with the consent of the holders thereof if any bonds are to be refunded prior to maturity or prior to date of call and redemption) and any refunding bonds so issued shall share ratably and equally with the portion of the bonds hereby authorized which are not refunded in the revenues of said addition and the pledge thereof under this resolution; provided, however, that if only a portion of said outstanding bonds are to be refunded at any time, such refunding obligations shall not mature at a date earlier than the final maturity of such bonds not refunded.

SECTION 11. That from the proceeds derived from the sale of said bonds all accrued interest and premium, if any, derived from the sale of the bonds shall be credited to the Bond and Interest Sinking Fund Account created by Section 6 of

this resolution, and the balance of the proceeds derived from the sale of said bonds shall be set aside in a separate account which is hereby created and designated as the "Construction Fund Account" and all of the funds of such Construction Fund Account shall be deposited in the First National Bank of Chicago, which bank be and is hereby designated as the Depositary therefor. The proceeds of said Construction Fund Account shall be withdrawn from such account by the Comptroller of said University from time to time as funds are needed for the construction of the addition herein provided for.

For the purpose of this resolution the cost of the construction of said project to be paid from said Construction Fund Account shall be deemed to include the following:

a. The purchase price and cost of acquisition of real estate, easements, rights of way and other property necessary for the construction of such building, including the cost of abstracts of title, title examination, and title insurance.

b. Fees and expenses of architects and engineers for services, preliminary investigation, preparation of plans and specifications, supervision of construction and performance of all duties of architects and engineers with respect to said building, including audits and field supervision by representatives of the federal government.

c. Payment for labor, material, equipment, services of contractors, builders, and materialmen.

d. Premiums payable by the University to the date of completion of said addition on policies of insurance against fires, floods, storms, lightning, and other casualties and for so-called all risk coverage.

e. All taxes, assessments, and other incidental charges levied against, or paid prior to the completion of said addition, and taxes, if any, for recording and filing fees payable in connection with deeds of conveyance.

f. Condemnation awards in connection with the acquisition of property and easements necessary for said addition, including court costs and legal fees therefor.

g. All expenses of preparing, issuing, and delivering bonds issued hereunder.

h. Fees and expenses of legal counsel.

i. Fees and expenses of fiscal agents, depositaries, or trustees of the Construction Fund Account.

j. Interest on all bonds of this issue becoming due on or before the first interest payment date after occupancy of the addition.

k. Actual incidental expense, including telephone, telegraph, office expense, and traveling expense.

l. Any and all other expenses necessary or incidental in the construction of said addition, certified to in writing by the architects employed by the University for the construction of said addition.

All orders executed by the Comptroller for the withdrawal of funds from said account shall state the purpose for which the orders have been issued. Funds for the payment of items covered in subdivisions (b) and (c) of this section shall be withdrawn only upon submission to the Comptroller of a certificate executed by the architects employed by the University for the construction of said addition, stating the nature of the work completed and the amount due and payable thereon. The approval of said architects shall not, however, be required with respect to payment of audits and field supervision by representatives of the federal government. All orders withdrawing funds and the certificates when required shall be held by said Comptroller and made available for inspection by any bondholder or any duly authorized agent of such bondholder.

Funds of this account may be invested by the Comptroller from time to time in short-term United States government securities. Any interest earned or profits realized from the moneys so invested shall be credited to the Construction Fund Account.

After completion of the project, the Comptroller of the University shall execute a certificate to the effect that said project has been fully completed according to plans and specifications and the same filed in the office of the Secretary of The Board of Trustees of the University of Illinois. If there be any funds remaining in said Construction Fund Account at the time of filing of such certificate with the Secretary, said funds shall be withdrawn by the Comptroller and shall be used promptly for the redemption of bonds; provided, however, that any of such funds

in an amount less than \$1,000 shall be credited to the Bond and Interest Sinking Fund Account.

SECTION 12. The provisions of this resolution shall constitute a contract between The Board of Trustees of the University of Illinois and the holders of the bonds herein authorized to be issued, and after the issuance of the bonds no changes, additions, alterations, or amendments of any kind shall be made to this resolution in any manner, except with the consent of the holders of sixty-five per cent (65%) of the outstanding bonds, until such time as all of said bonds issued hereunder, and interest thereon, shall be paid in full, or unless and until provision shall have been made for the payment of all bonds hereby authorized and interest thereon in full.

SECTION 13. Any holder of a bond or bonds, or of any of the coupons of any bond or bonds, issued under the provisions of this resolution, may either in law or in equity, by suit, action, mandamus, or other proceeding, enforce or compel the performance of all duties required by this resolution or the acts under which the bonds hereby authorized are issued, including the fixing, maintaining, and collecting of such rents, charges, and fees for the use of such properties and all facilities thereof, as well as establishing parietal rules and regulations thereto, as will be sufficient for all the purposes provided by this resolution, and the application of income and revenue therefrom.

SECTION 14. If any section, paragraph, clause, or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this resolution.

SECTION 15. That the President, Secretary, Comptroller, and Treasurer of The Board of Trustees of the University of Illinois, be and they are each of them hereby authorized and directed to execute all instruments, papers, documents, and agreements necessary or convenient to accomplish the issue and delivery of the said Revenue Bonds to the purchasers thereof.

SECTION 16. That said revenue bonds shall be executed as provided herein as soon after this resolution becomes effective as may be, and be deposited with the Treasurer of said University. Bonds designated as "A" bonds shall be by him delivered to White, Weld & Co., Chicago, Illinois, the purchasers thereof, upon receipt of the purchase price, and the contract for the sale thereof heretofore entered into be and the same is hereby in all respects ratified and approved. Bonds designated as "B" bonds shall be delivered by the Treasurer of said University to The Federal Reserve Bank of Chicago upon receipt of the purchase price in accordance with the provisions of the Loan Agreement between the Housing and Home Finance Agency and the University, dated August 1, 1956.

SECTION 17. That this resolution shall be in full force and effect from and after its passage.

#### HEADSHIP OF DEPARTMENT OF PHYSICS

(3) Professor F. W. Loomis, Head of the Department of Physics, will retire on September 1, 1957, after twenty-eight years of service on the faculty of the University of Illinois. To succeed him I recommend the appointment of Dr. Frederick Seitz, presently Professor of Physics and Technical Director of the Control Systems Laboratory, as Professor and Head of the Department of Physics on indefinite tenure beginning September 1, 1957, at an annual salary of \$17,000 on "A" basis.

A special search committee has unanimously recommended this appointment, and it is endorsed by the Vice-President and Provost and the Dean of the Graduate College.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

#### DELEGATION OF SIGNATURES

(4) On March 23, 1956, the Board of Trustees adopted a resolution whereby the President of the Board of Trustees delegated to Miss Mabel F. Meek, Springfield, authority to sign his name as President of the Board of Trustees to vouchers to be presented to the Auditor of Public Accounts from the Division of Services for Crippled Children.

Miss Meek retired as of June 30, 1956. The Director of the Division of Services for Crippled Children and the Vice-President and Comptroller recommended that the delegation be extended to Miss Helen Culbertson, Secretary to the Director.

I concur and recommend the adoption of the following resolution:

WHEREAS this Board of Trustees at its meeting held on March 23, 1956, adopted a resolution whereby the President of the Board of Trustees was authorized to delegate to Mabel F. Meek in Springfield authority to sign his name as President of the Board of Trustees to vouchers to be presented to the Auditor of Public Accounts and

WHEREAS said Mabel F. Meek has since retired from service at the University of Illinois and it therefore is now desired that Helen Culbertson be so designated in place of Mabel F. Meek

*Now, Therefore, Be It Resolved* by the Board of Trustees of the University of Illinois, a public corporation of the state of Illinois, that said resolution as previously adopted be amended, effective as of the date hereof, by deleting therefrom the name of Mabel F. Meek and substituting therefor the name of Helen Culbertson so that as so amended the President of the Board of Trustees be and hereby is authorized to delegate to Helen Culbertson in Springfield, Illinois, authority to sign his name as President of the Board of Trustees to vouchers against the Auditor of Public Accounts.

*Be It Further Resolved* that except as herein amended said resolution as adopted on March 23, 1956, be and hereby is in all other respects ratified and confirmed.

On motion of Mr. Williamson, the foregoing resolution was adopted.

**LIMITATIONS ON REGISTRATION OF GRADUATE STUDENTS  
WHO ARE UNIVERSITY EMPLOYEES**

(5) Present University regulations specify the amount of graduate work which teaching and research assistants are permitted to take. This schedule was adopted by the Board of Trustees many years ago and has, in general, been satisfactory. During and after World War II, research assistants were granted overloads in thesis credit where their thesis work and their research work as assistants were virtually identical. This practice resulted in some inequities between research and teaching assistants and the latter were then also permitted to register for overloads in research.

The need for more teaching assistants to service the increase in enrollments has produced a demand for continuing to allow some students to take more graduate work than the standard schedule. The Graduate College supports the present regulations, but favors having formal authorization of reasonable exceptions, to be approved by the Dean, in order to encourage qualified assistants to continue teaching and working as research assistants. They thus are able to reduce the total time required to complete their graduate studies while working.

The Executive Faculty of the Graduate College and the University Council have recommended that the following policy be authorized until September 1, 1959:

The Dean of the Graduate College is authorized to approve registration for graduate work by University employees according to the following schedule:

<i>Terms of Employment</i>	<i>Present Statutory Maximum</i>	<i>Proposed Discretionary Maximum</i>
Full time	1 unit	2 units
Three-quarters time	2 units	2¾ units
Half-time	3 units	3½ units
One-quarter time	4 units	4¾ units

Maximum registration during the summer session shall be one-half of the above.

The proposed discretionary maxima shall not supersede the present statutory restrictions, but shall be considered a privilege to be granted or withheld at the discretion of the Dean of the Graduate College. In granting permission for registration in excess of the statutory maxima, the Dean shall be guided by (a) the extent of the student's progress toward the completion of degree requirements; (b) the caliber of the graduate work completed; (c) the nature of the teaching, research, or other employment in which the student is engaged; and (d) such other considerations as seem pertinent to the Dean.

I have authorized the implementation of this policy as an administrative measure effective September, 1956, and request confirmation.

On motion of Mr. Williamson, the President's action was confirmed.

**REAPPROPRIATION OF UNEXPENDED BALANCES  
AS OF JUNE 30, 1956**

(6) The Vice-President and Comptroller recommend that the following balances in appropriations for special services and projects not completed on June 30, 1956, be reappropriated for the fiscal year beginning July 1, 1956, in accordance with usual policy.

In addition to the appropriations listed below, unexpended balances on June 30, 1956, in departmental appropriations, up to 5 per cent of the original appropriation, were carried forward and will be available in 1956-57 to the various departments concerned.

I concur.

**CONTRACTS FOR CONSTRUCTION OF THE BIOLOGY BUILDING**

(7) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for the construction of the Biology Building. The award in each case would be to the lowest bidder:

General—Mayfair Construction Company, Chicago

Base bid, plus chalk and bulletin boards, treadmills, and refrigerators.....\$1 593 900

Heating and refrigeration—George S. Walker Plumbing and Heating, Inc., Decatur

Base bid, plus air conditioning class and lecture rooms..... 906 320  
(This will be reduced by change orders to eliminate temperature controls estimated at \$10,000)

Ventilation—Robert H. Bishop, Champaign..... 231 856

Plumbing—Bellis and Miller, Inc., Champaign

Base bid, omitting subsoil drainage..... 284 063  
Underground sewers and water—Bellis and Miller, Inc., Champaign.. 16 842

Pipe covering and insulation—Standard Asbestos Manufacturing Company, Chicago

Base bid, plus air conditioning class and lecture rooms..... 99 701  
(Change orders will be issued to eliminate duct covering estimated at \$20,000)

Electrical work—Leverenz Electric Company, Inc., Danville

Base bid, plus air conditioning class and lecture rooms..... 313 491

Laboratory equipment—Hamilton Manufacturing Company, Two Rivers, Wisconsin .....

308 317

*Total.....*

*\$3 754 490*

Less estimated reductions by change orders.....

*—30 000*

*Net.....*

*\$3 724 490*

The Director of the Physical Plant and the Vice-President and Comptroller recommend that award of the contract for laboratory equipment be subject to the availability of funds after July 1, 1957, and that it include a provision that in the interim the contractor will prepare shop drawings needed by other contractors in providing service connections for laboratory equipment at cost

(approximately \$3,000), to be paid by the University only if funds are not available for the balance of the contract. The cost of the drawings is included in the bid so that if funds are available for the installation of the equipment, the contractor will recover the cost under the contract.

It is also recommended that action on the contracts for the following installations be deferred, pending negotiations with the lowest bidders to determine if they will execute contracts subject to the availability of additional funds:

Elevators—Hollister Whitney Company, Quincy.....\$58 725  
Dumb-waiter—Gallaher and Speck, Inc., Chicago..... 4 200

These phases of the work can be deferred until after July 1, 1957.

The total budget of the project on the basis of the lowest bids received is \$635,000 in excess of available funds. The appropriation for the Biology Building was reduced from the amount originally requested by the Board of Trustees, and it is not practicable to construct a building with less space than the first unit as now designed. Since the building can not be completed during the present biennium in any event, the State Department of Finance and some members of the Illinois Budgetary Commission have been consulted regarding the possibility of deferring the financing of approximately \$635,000 of the construction costs until the 1957-59 biennium. This procedure has been agreed to in principle. In the event that an appropriation would not be forthcoming to complete the building, it would be possible to omit some of the work through change orders and still have a usable building although obviously departments occupying it would be handicapped.

Only one bid on the general contract for the sewer work was received, and since this is one of the items which can be deferred until the next biennium, the Director of the Physical Plant and the Vice-President and Comptroller recommend that all bids on the sewer work be rejected, and that new bids be taken later.

In support of the above recommendations, I submit a report from the Director of the Physical Plant detailing the reasons why the cost of this project will exceed funds presently available and outlining the alternatives. Appended to the report are a schedule of all bids received and a comparison of original estimates of cost with the project budget based on the lowest bids. A copy of this report is filed with the Secretary for record.

I concur in these recommendations and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts, subject to release of funds by the Governor.

On motion of Mr. Livingston, the foregoing recommendations were approved, the contracts were awarded as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Herrick, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Bissell, Mrs. Holt, Mr. Nickell, Mr. Stratton.

#### CONTRACTS FOR REMODELING DAVENPORT HALL

(8) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for remodeling the Morrow Hall Wing of Davenport Hall:

General—E. N. DeAtley, Champaign.....\$102 688  
Base bid (\$103,500), less Alternate A for substituting reinforced concrete for structural steel in the framing \$812  
Plumbing and heating—Reliable Plumbing and Heating Company, Champaign..... 28 905  
Ventilating and air conditioning—Schroeder and Sons, Champaign.... 19 995  
Electrical work—Neal Morton doing business as Neal Morton Electric, Champaign..... 21 350

Funds are available in the state appropriations to the University for 1955-57 for buildings and other permanent improvements, subject to release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts, subject to release of funds.

On motion of Mr. Herrick, these contracts were awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Herrick, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Bissell, Mrs. Holt, Mr. Nickell, Mr. Stratton.

#### **CONTRACT FOR CONSTRUCTION OF ADDITION TO POWER PLANT**

(9) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$377,613 to Chism and Miller, Inc., Springfield, Illinois, the only bidder, for the superstructure work on the addition to the Abbott Power Plant.

Funds are available in the state appropriations to the University for 1955-57 for buildings and other permanent improvements, subject to release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds.

On motion of Mr. Swain, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Herrick, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Bissell, Mrs. Holt, Mr. Nickell, Mr. Stratton.

#### **CONTRACT FOR INTERIOR DECORATING SERVICES IN LINCOLN AVENUE RESIDENCE ADDITION**

(10) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of Ernst Von Ammon, Chicago, as interior decorator for the public areas in the addition to Lincoln Avenue Residence, at a fee of \$3,500. His services will include consultation with the architects, selection of colors, floor plans, selection of furniture, and supplying information needed to enable the University to secure bids on the equipment.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. Johnston, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **PIPE LINE EASEMENT ON WRIGHT FARMS**

(11) The Great Lakes Pipe Line Company has requested permission to lay a pipe line across Wright Farm No. 6 in DeKalb County and to reimburse the University in the amount of \$2.00 for each rod of pipe laid plus \$5.00 for the easement. In addition, the Company will pay for all damages. The Dean of the College of Agriculture and the Vice-President and Comptroller recommend adoption of the following resolution:

*Be It Resolved* by the Board of Trustees of the University of Illinois, a public corporation of the state of Illinois, that the Comptroller and the Secretary of the Board of Trustees be and hereby are authorized to execute, acknowledge, and deliver in the name of and in behalf of this corporation, an instrument of conveyance in such form, and other documents in connection therewith, as to them may seem necessary or desirable in order to effectuate a conveyance to the Great Lakes Pipe Line Company, its successors or assigns, hereinafter called Grantee, of a right of easement to construct, maintain, inspect, operate, protect, repair, replace, and remove a pipe line of not more than twelve inches in diameter and appurtenances for the transportation of oil or oil products, gas and water, and if necessary to construct, maintain, operate, repair, remove, and replace communication

facilities with the right of ingress and egress at convenient points to and from said facilities or any of them for the purposes aforesaid on, over and through the following described property, viz:

The Northwest quarter (NW $\frac{1}{4}$ ) in Section Twenty-nine (29), Township Thirty-nine North (T39N), Range Three East (R3E) of the Third Principal Meridian in the County of DeKalb and State of Illinois

and which pipe line shall extend in an eastwardly direction from a point on the west boundary of said property approximately fifteen feet north of the presently existing pipe line to a point on the east boundary of said property approximately one hundred seventy feet north of the presently existing pipe line; for and in consideration of the payment by said Grantee of the sum of \$5.00 and in addition thereto the sum of \$2.00 per rod for each lineal rod or fraction thereof of pipe laid on the above described premises to be paid upon the laying of the pipe and upon the agreement by said Grantee to pay for all damage to crops and timber and fences, buildings, drain title and other improvements on said premises which this corporation may sustain by reason of Grantee's exercise of aforesaid rights and which payment shall be made within a reasonable time after such damage is sustained.

I concur.

On motion of Mr. Livingston, this recommendation was rejected. The Comptroller was instructed to inform the Great Lakes Pipe Line Company that the Board does not consider the proposed compensation adequate and to ascertain if the Company wishes to submit a better offer.

#### **EASEMENT TO ILLINOIS POWER COMPANY ACROSS ILLINOIS FIELD**

(12) The Illinois Power Company has requested an easement across Illinois Field to complete routing of a high pressure gas line needed to boost gas pressures to give more dependable service including delivery to new residential areas in east and southeast Urbana. This will also improve service to the University if it develops future construction in this area. The Company will restore the land to its original condition and will agree to relocate the line if relocation becomes necessary because of University construction on Illinois Field.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that this easement be granted. I concur and recommend adoption of the following resolution:

*Be It Resolved* by the Board of Trustees of the University of Illinois, a public corporation of the state of Illinois, that the Comptroller and the Secretary of the Board of Trustees be, and they hereby are, authorized to execute, acknowledge, and deliver in the name of and in behalf of this corporation, such instrument of conveyance, contract, or other document or documents, as to them may seem necessary or desirable, in order to effectuate a conveyance to Illinois Power Company of a right of easement for so long as used for these purposes to install and maintain a ten inch gas distribution main across Illinois Field, to connect with a main along the south parkway of Main Street in Urbana, and with a main along the south parkway of White Street in Champaign, the exact alignment and depth of said main as it crosses Illinois Field to be within the discretion of the University's Superintendent of Buildings and Grounds and said public corporation reserving the right to require said Illinois Power Company to relocate said main if it ever interferes with University construction or development work on said premises.

On motion of Mr. Livingston, the foregoing resolution was amended to include the following:

"provided, however, that Illinois Power Company agrees to furnish the University with a connection to said gas distribution main, at Illinois Power Company's expense, at any time the University desires and requests said connection."

and the resolution, as thus amended, was adopted.

## NORVAL H. PIERCE TRUST

(13) On April 25, 1956, the Board authorized the Comptroller to accept the University's distributive share of the Norval H. Pierce Trust from the Northern Trust Company of Chicago, Trustee. This fund is to be invested and the income used for research in the College of Medicine.

The Vice-President and Comptroller reports that distribution has been completed and that the following securities have been delivered to the First National Bank of Chicago for safekeeping.

#### QUARTERLY REPORT OF THE COMPTROLLER

(16) The Comptroller presents his quarterly report to the Board of Trustees as of June 30, 1956.

This report was received for record and a copy has been filed with the Secretary of the Board.

#### EMPLOYMENT OF SPECIAL COUNSEL IN LITIGATION ARISING OUT OF CONSTRUCTION OF RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

(17) Although the construction of the Research and Educational Hospitals Addition was substantially completed some three years ago and the University has been occupying and using the building since that time, a final settlement has not been reached between the University and Patrick Warren Construction Company (hereinafter termed "Warren"), the general contractor, for a number of reasons, one of which has been the inability of Warren to furnish the Uni-

versity with a release of all claims and waiver of all liens from Crouch-Walker Company (a partnership hereinafter termed "Crouch-Walker"), one of Warren's subcontractors, as is required by the contract between Warren and the University and for the University's protection. Crouch-Walker claims that a balance of \$36,620.50 is due it from Warren under the contract between them, and also claims that it sustained damages, consisting principally in increased costs it alleges it incurred, in the sum of \$66,265.60 in consequence of delay in the completion of its work, for which Crouch-Walker asserts both Warren and the University are legally liable. Warren claims that the balance due Crouch-Walker from Warren under the contract between them is less than the amount claimed by Crouch-Walker and denies that it is under any liability to Crouch-Walker in connection with the latter's said claim for damages.

Completion of the building was delayed, for various reasons, until more than two years subsequent to the date originally contemplated by the contract. Warren and four of the other prime contractors also assert claims for damages in substantial sums against the University because of increased costs they claim they incurred because of the delay. The University has denied liability to any of these contractors upon these claims because it and the architects are of the opinion that the University was not responsible for the delay in the completion of the building, the major portion of the responsibility for which the University and the architects assert is properly attributable to Warren. Some of the prime contractors asserting said claims for damages have also indicated that they believe Warren to be largely responsible for the delay in the completion of the building, but assert that the University is legally liable to them for the same upon the theory that Warren was the University's agent in doing the work contemplated by the contract between Warren and the University. Warren and Crouch-Walker apparently assert that a portion of the delay in the completion of the building is attributable to said other prime contractors, but also assert that the University is liable to them therefor upon the same theory.

The University denies liability upon its part in connection with all of the foregoing claims, but, in the event it should be held liable with respect to any of them, it asserts that it has the legal right to recover for what it may thus be compelled to pay from the contractor or contractors found to be responsible for the delay.

Repeated efforts upon the part of University officers to negotiate a settlement disposing of Crouch-Walker's claims, which might enable the University to also dispose of the other claims, have proven unsuccessful to date with the result that on September 6, 1956, Crouch-Walker instituted a suit in the Circuit Court of Cook County against Warren, the University, and Seaboard Surety Company, one of the sureties upon the performance bond given the University by Warren, in which Crouch-Walker prays judgment against all of said defendants in the sum of \$135,000, the aggregate of Crouch-Walker's above mentioned claims plus interest at 5 per cent per annum from April 27, 1953, the date upon which Crouch-Walker claims it completed its work under its contract with Warren. Summons in that suit has been served upon the University, and the latter must file an appropriate pleading in the suit on or before October 14.

Even if the suit can be and is confined to the claims asserted by Crouch-Walker, the litigation it will entail will be rather extensive, protracted, and expensive. It appears unlikely, however, that the suit can or will be confined to those claims, since it is reasonably to be anticipated that, in addition to defending against Crouch-Walker's claims therein, Warren will probably assert its own claims against the University in the suit and thereby broaden the issues in it to the extent that the University may find it necessary or desirable to bring the other prime contractors into the suit so that all of the claims asserted against the University, and those asserted by it, arising out of the construction of the Research and Educational Hospitals Addition and the delay in its completion will then be litigated in this proceeding.

While the Legal Counsel will appear for and represent the University in this litigation he will be unable, because of his other duties, to devote to it much of the time and work which will be required. Moreover, past experience has demonstrated that it is necessary for him to have the assistance of special counsel practicing in Chicago, in cases in the Cook County courts to which the University is a party. This is true, even though the present suit, notwithstanding the

foregoing which renders it unlikely that it can and will be confined to the claims sued upon by Crouch-Walker, can be and is limited to the litigation of those claims. Upon several occasions during the past four years when the institution of suit by one or more of the above mentioned claimants against the University appeared imminent, or it appeared that it would be necessary for the University to take legal action because of some emergency with which it was then confronted, the Legal Counsel, with the approval of the then President of the University, discussed the situations then presented with Mr. Albert E. Jenner, Jr., of Chicago and ascertained that the latter would be available to assist him in representing the University in such litigation. Consequently, Mr. Jenner, in addition to being a very competent and experienced attorney, is familiar to some extent with the nature of the above mentioned claims and their history.

Accordingly, the Legal Counsel recommends that he be authorized to employ Mr. Jenner and Mr. Prentice Marshall, who is associated with the law firm of which Mr. Jenner is a member, as special counsel for the University in the suit instituted by Crouch-Walker and in all litigation to which that suit may give rise, upon the basis of the fees customarily charged by attorneys of their qualifications and experience in litigation of such nature in the Cook County courts.

I concur.

On motion of Mrs. Watkins, this authority was granted.

#### GIFT OF FUNDS FOR FACULTY CLUB

(18) Mr. Livingston and President Henry presented a letter from a donor, who wishes to remain anonymous for the time being, offering the University \$10,000 to start a fund for the construction of a faculty club. The donor's check for this amount was presented with the letter.

It is the present intention of the donor to give the same amount annually for a period of years and to endeavor to get a number of other donors to pledge a minimum of \$50,000 each, payments to be made over a period of five years, for this project. He also has in mind securing many smaller subscriptions.

Several years ago the University acquired the property of the University Club of Urbana (the men's faculty club). The clubhouse has now been razed to clear the land as part of the site for the new Biology Building. The University Club has merged with the University of Illinois Women's Club and the two are occupying the latter's quarters. These are inadequate, and for some time University officials have been studying ways and means of securing non-state funds to assist in financing the new building. On June 16, 1955 (minutes, page 379), the President of the University submitted to the Board of Trustees a proposal that the University participate with the two clubs in a program to enable them to acquire a new clubhouse with the recommendation that the Board give it favorable consideration. Both organizations have agreed to such a program. This proposal was referred to the Committee on General Policy for consideration and advice to the Board. Subsequently (May 22, 1956, minutes, pages 1061-62), the Board authorized the purchase of properties at 1003 South Sixth Street and 507 East Chalmers Street, Champaign, as part of the University's campus expansion program and a site for a new faculty clubhouse.

All members of the Committee on General Policy, and Presidents Henry and Megran, have participated in conferences with the donor of the initial grant and the Committee recommends its acceptance.

On motion of Mr. Johnston, this offer was accepted and the President of the University was requested to express to the donor the grateful appreciation of the Board of Trustees for his generous gift. Mr. Swain suggested that the record show that this gift is a recognition by the donor of the need of some facilities at the University for which it can not seek state appropriations.

The check was deposited with the Comptroller, and copies of the pertinent correspondence relating to the gift have been filed with the Secretary of the Board.

- MORGAN, DON H., Professor of Community Planning, leave of absence with pay, July 1-September 1, 1956, because of disability, and leave without pay beginning September 1, 1956.
- RACHER, ALICE B., Medical Adviser for Women in the Health Service, in the Chicago Professional Colleges—leave of absence without pay, four months from October 1, 1956.
- WALBRIDGE, MARGARET, Home Adviser in Adams County—leave of absence with pay, six months from September 1, 1956, on account of disability.
- WETZEL, HUBERT J., Instructor in Agricultural 4-H Club Work (E)—leave of absence without pay, October 15, 1956-August 31, 1957, so that he may accept a fellowship in the National Agricultural Extension Center for Advanced Study at the University of Wisconsin.

#### CANCELLATION OF SABBATICAL LEAVES

- BAILAR, JOHN C., JR., Professor of Inorganic Chemistry—sabbatical leave of absence for second semester of 1956-57 cancelled without prejudice, since the date of the meeting of the International Symposium on Coordination Compounds scheduled to be held in Rome in April, 1957, has been changed to September, 1957.
- KLEINER, GEORGE, Associate Professor of Economics—sabbatical leave of absence for the full year beginning September 1, 1956, at one-half pay, cancelled, without prejudice.

#### OCTOBER, NOVEMBER, AND DECEMBER MEETINGS

President Megran reminded the Board that its next meeting is scheduled for Monday, October 22, 1956, in Urbana-Champaign, Illinois, beginning at 11:00 a.m. In the event any of the Board committees desire to hold meetings that day, the business meeting of the Board may be scheduled for a later hour.

On motion of Mrs. Watkins, the Board voted to hold its November meeting on Wednesday, November 28, 1956, in Chicago, Illinois, at either the Chicago Professional Colleges or the Chicago Undergraduate Division, and authorized the President and Secretary to determine the hour and place.

On motion of Mr. Livingston, the Board voted to hold its December meeting in Chicago, Illinois, on Tuesday, December 18, 1956. The Board accepted an invitation from Mr. Weldon, Treasurer, to hold this meeting in the First National Bank of Chicago.

#### MEETINGS OF BOARD COMMITTEES

President Megran announced that immediately following adjournment there would be a joint meeting of the Committees on Buildings and Grounds and of the Chicago Departments.

On motion of Mrs. Watkins, the Board adjourned.

**MEETING OF THE BOARD OF TRUSTEES**  
**OF THE**  
**UNIVERSITY OF ILLINOIS**

---

**October 22, 1956**

The October meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Monday, October 22, 1956, beginning at 2:15 p.m., Central Daylight Saving Time.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, and Mr. Kenney E. Williamson. Mr. Vernon L. Nickell and Governor William G. Stratton were absent.

Also present were President David D. Henry, Vice-President and Provost Henning Larsen, Dr. Herbert E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Dean C. C. Caveny of the Chicago Undergraduate Division, Mr. C. S. Havens, Director of the Physical Plant Department, Professor Norman A. Parker, Chairman of the Building Program Committee, Director Miodrag Muntyan of the University Press, Mr. Charles E. Flynn, Director of Public Information; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary of the Board.

**BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY**

The Board considered the following reports and recommendations from the President of the University.

**BIENNIAL OPERATING BUDGET AND BUILDING PROGRAM 1957-59**

(1) The state law requires that the University file with the Department of Finance, on or before November 1 of each even-numbered year, a budget of requests for appropriations for the biennium beginning the following July 1. I submit herewith the recommendations of the University administration for (a) the operating budget and (b) the building program, including capital appropriations other than new buildings, for 1957-59.

The operating budget has been prepared after several months of careful study by a special budget committee under the chairmanship of the Vice-President and Provost. The capital budget is also the result of several months of study by the Building Program Committee. The operating budget and the building program have also been reviewed with the University Council. In each budget substantial reductions were made in the original requests submitted by the several departments and colleges. The budgets as submitted represent the minimum needed to carry on and develop the University's services adequately during the biennium 1957-59.

Both budgets were also studied in detail in a special work session by the Finance Committee and the Committee on Buildings and Grounds of the Board of Trustees. These committees are prepared to support the recommendations.

I request that the operating budget and building program be approved as a basis for filing with the Department of Finance and for presentation to the state administration and the Budgetary Commission.

**Operating Budget**

The complete report of the President of the University on the operating budget, giving detailed analyses and supporting textual material, was previously sent to all members of the Board of Trustees for their study in advance of the meeting. A copy of this report was filed with the Secretary of the Board as a part of the record of the meeting. The recommendations of the President of the University and of the Building Program Committee had previously been reviewed by the Board of Trustees Finance Committee and the Committee on Buildings and Grounds at two special work sessions devoted to this purpose.

In presenting the formal recommendations of the University administration, President Henry pointed out that the operating budget and building program, as submitted, reflect in some measure policies already approved and the decisions previously made by the Board of Trustees. He called particular attention to the following:

*Educational and Research Programs.* For three biennial periods, the University has received virtually no new funds for increasing the effectiveness of present educational and research programs and for new programs; whatever has been done in these areas was accomplished through adjustments in budgets at the expense of other needs.

*Farm and Home Advisers' Salaries.* The Illinois Agricultural Association and the Illinois Home Bureau Federation have informed the University that they will be obliged to make substantial reductions in their contributions to the Extension Service in Agriculture and Home Economics, and have asked that this be taken into consideration in the University's request for state appropriations.

*Salaries.* The amount requested for increases in salaries and wages represents one-half of the new money in the budget estimates. It is approximately 10 per cent of the total budget askings.

*Student Fees.* The estimate of University income is based upon increasing the total fees charged nonresidents of Illinois. A formal recommendation on this will be submitted to the Board at a subsequent meeting.

*Enrollments.* It should be noted that not all of the increase in the operating budget requested can be related to anticipated increase in enrollments. Much

of the new money is for adjustments of salaries and wages for necessary extension of existing programs of education and research, and some of it reflects increased operating costs.

### Building Program

The complete report of the Building Program Committee was sent to all members of the Board of Trustees for their study in advance of the meeting. That part of the report which includes recommendations for the biennium for 1957-59 is included in the minutes below. A complete copy was filed with the Secretary of the Board for record.

President Henry opened the presentation of this part of the budget by referring to the excellent work of the Building Program Committee under the chairmanship of Professor Norman A. Parker, Head of the Department of Mechanical Engineering. The President announced that subsequent to the study of the building program by the two committees of the Board, he has decided to recommend addition of the following:

Plans and specifications for the Agronomy Unit of the Plant Sciences

Building.....	\$ 200 000
Matching funds for federal grants for science and research facilities	1 000 000
Acquisition of a site for the Chicago Undergraduate Division.....	1 250 000
Total.....	\$2 450 000

The addition of these items will make the building program total \$35,674,000.

*Self Liquidating Projects.* It is feasible to include in the Building Program for 1957-59 the following buildings which can be financed through bond issues and the assessment of a building service fee and which will require no direct state appropriation:

Addition to the Illini Union Building (this has already been authorized by the Board).....	\$ 5 000 000
Student Service Building (including the Health Service).....	2 000 000
Auditorium-Gymnasium Building.....	5 000 000
	<u>\$12 000 000</u>

The President recommended that these projects be included in the building program for 1957-59, although not in the askings for state funds.

It is estimated that the assessment of a student service fee of \$20 per semester (this will apply only to students enrolled on the Urbana-Champaign campus) will provide sufficient revenues for the amortization of bond issues. Since this will be a service charge, the fee will not be assessed until the buildings are ready for use.

Following this presentation, President Megran called for discussion by the Board of Trustees, in which all of the members present participated. Mr. Livingston discussed the studies made by the two committees of the Board in which seven of the Trustees participated. He called attention to the financing of the student housing program, funds for which come from a small amount of withholding from tuition fees, as authorized by law, and the balance from non-tax sources. He pointed out that this method of financing can be extended to the self-liquidating projects proposed by the President of the University.

At the conclusion of these discussions, Mr. Livingston moved that the following operating budget and building program be approved and that the President of the University and the President of the Board be authorized to present these recommendations to the Department of Finance, to the state administration and the Budgetary Commission. On motion of Mr. Herrick, Mr. Livingston's motion was amended to include the Chairman of the Finance Committee in the presentation of the budget and building program to the state administration. This motion, as amended, was adopted by the following vote: Aye, Mr. Bissell, Mr.

Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

Mr. Bissell asked that the record show that this budget, as approved, represents the minimum requirements and that University officials would have been justified in requesting much larger appropriations but reduced the askings to the bare essentials.

The University of Illinois Building Program for the Biennium 1957-59

Abridged Report of the Building Program Committee

[The items added by the President of the University have been included in the lists of projects in this report.—Secretary's Note]

The building needs of the University for 1957-59 and succeeding biennia are critical. They are the result of a combination of several factors, namely:

<sup>1</sup> Includes Division of Services for Crippled Children and Police Training Institute.

<sup>2</sup> Includes \$54,633,650 for 1957-58 and \$55,282,750 for 1958-59.

- A. A backlog of needs deferred during the depression and World War II when either funds or materials for new construction were not available.
- B. The increasing age of existing buildings which forces a program of improvements and rehabilitation to maintain the state's investment in the plant, increase utilization, and improve safety.
- C. A continuing increase in enrollment during, at least, the next eighteen years, within which period the enrollment of the University will probably double.

These needs make it imperative that long-range planning services be increased, that the public and the legislature be fully informed, that construction be materially accelerated, and that appropriations be enlarged accordingly if the University is to fulfill its responsibilities.

#### ASSUMPTIONS

The recommendations made in this report are based on the following assumptions:

- A. That the major responsibility of the Building Program Committee is to recommend the most urgent capital needs of the University.
- B. That building plans and specifications will be prepared during 1956-57 to permit construction of the major projects recommended for completion during the 1957-59 biennium.
- C. That the construction required at Urbana-Champaign has been estimated on the basis of demand for increased enrollment without regard to the possible desirability of limiting either overall size of the University at Urbana-Champaign or of specific curriculum enrollment.
- D. That the previously reported housing program will go forward at Urbana-Champaign.
- E. That, in general, power plant and utility capacity will be included only for those facilities in the "AA" list and the housing program.
- F. That the land for site expansion at the Chicago Professional Colleges will be acquired through the Chicago Medical Center Commission.
- G. That additional steam capacity will not be needed by the Chicago Professional Colleges in the 1957-59 biennium. It is further assumed that in the event of non-University projects requiring additional steam capacity, such capacity would be financed through the Medical Center Steam Company.
- H. That a laundry building will be constructed at the Chicago Professional Colleges from funds other than state appropriations.
- I. That the G. A. Miller Meadow will be made available as a site for the Chicago Undergraduate Division.

#### RECOMMENDATIONS

The University Building Program Committee submits herewith its recommendations for the 1957-59 biennium. The projects recommended, including preliminary estimates of costs, are as follows:

##### I. Land and Planning

A. Site for the Chicago Undergraduate Division.....	\$ 1 250 000
B. Building and site plans, Chicago Undergraduate Division....	750 000
C. Land:	
1. Urbana-Champaign:	
a. Housing.....	1 000 000
b. Academic expansion.....	500 000
2. Chicago Professional Colleges <sup>1</sup>	
D. Campus planning and building studies:	
1. Urbana-Champaign.....	375 000
2. Chicago Professional Colleges.....	150 000
3. Plans and specifications for Agronomy Unit of Plant Sciences Building, Urbana-Champaign.....	200 000
	(4 225 000)

<sup>1</sup> The land for the Chicago Professional Colleges will be acquired through the Chicago Medical Center Commission.

## II. Protection of Life and Property and Public Improvements — Urbana-Champaign

A. Green Street (Wright Street to Mathews Avenue) safety improvement.....	150 000
B. Armory roof replacement.....	296 000
C. Stock Pavilion repairs.....	275 000
D. Public improvements (the University's proportionate share):	
1. Urbana-Champaign Sanitary District.....	233 000
2. Green Street (east of Mathews Avenue).....	77 000
	(1 031 000)

## III. "AA" Building Projects Most Urgently Needed

A. Biology Building equipment and utilities, Urbana-Champaign	665 000
B. Library addition, Urbana-Champaign.....	2 175 000
C. Art and Architecture Building, Urbana-Champaign.....	2 640 000
D. Hospital and other remodeling and minor additions, Chicago Professional Colleges.....	3 840 000
E. Research Laboratory, Chicago Professional Colleges.....	1 925 000
F. Remodeling, rehabilitation, and minor additions, Urbana-Champaign.....	1 000 000
G. Physics Building, Urbana-Champaign.....	5 425 000
H. Commerce Building, Urbana-Champaign.....	2 610 000
I. Education Building, Urbana-Champaign.....	2 640 000
J. Physical Plant Service Building, Urbana-Champaign.....	1 275 000
K. Power Plant and Utility Distribution System for recommended buildings in Urbana-Champaign:	
1. Power Plant addition.....	1 985 000
2. Utility Distribution System.....	3 238 000
L. Matching funds for federal grants for science and research facilities, Urbana-Champaign and Chicago.....	1 000 000
	(30 418 000)
Total Program.....	\$35 674 000

The above recommendations are only the most urgently needed projects to meet the immediate requirements. Other needed projects are indicated under the following categories in the Appendix: "A" Projects Urgently Needed and Projects Considered Highly Desirable if Financed to a Substantial Degree without State Aid.

(The Building Program Committee's report includes a category of "Projects Considered Deferrable for 1957-59 Biennium" which, however, is not included in the Appendix. — Secretary's Note.)

### PLANNING POLICIES

The University Building Program Committee has considered both immediate and long-range problems in formulating the 1957-59 program, and has developed the following general policies:

- A. To Anticipate the Result of Enrollment Trends.
  1. Further enrollment studies by the Bureau of Institutional Research indicate that the 23,000 level for Urbana-Champaign by 1963 was much too conservative. Latest estimates place this figure at 26,500.
  2. While upward enrollment trends can be seen among the various departments, they are much more rapid in some departments of the University than in others. The most striking growth is in the College of Engineering where undergraduate enrollment increased 85 per cent between 1951 and 1955; during which period the undergraduate enrollment in the rest of the University increased 16 per cent.
- B. To Build for Enrollment.
  1. The main, but not the only objective in constructing space in the 1957-59 biennium is to permit the University to continue taking only its proportionate share of the increasing college enrollment.

2. Due consideration, however, must also be given to:
  - a. The need for the University to grow in its overall objectives of education, research, and extension, which requires the support of new and expanding programs.
  - b. Preserving the state's investment in buildings through a long-range safety and modernization program.
  - c. The need to balance auxiliary services with the University's capacity for instruction and housing. This means that with continued growth facilities such as administrative offices, physical plant functions, student services, etc. will also have to be increased.
- C. To Improve Use of Present Space.
  1. By studying the use made of present space on all campuses, the Committee is making every effort to obtain optimum efficiency in the use of existing facilities. This should include initiating a program of air conditioning certain facilities in order to:
    - a. Increase the efficiency of working personnel during the summer, and
    - b. Attract additional summer session enrollments, thereby increasing the overall usefulness of the University's capacity throughout the year.
  2. In determining the relative crowding in various areas, the Committee found the amount of building space devoted directly to instruction is frequently overestimated.
    - a. For example, at Urbana-Champaign, out of the total space (excluding housing), the classrooms, seminars, lecture rooms, and laboratories represent approximately 50 per cent of the total area. Thus, the space for accommodating increased enrollment is only 50 per cent of the total University area.
    - b. In general, the heaviest use of existing space is at the Chicago Undergraduate Division, where only freshman and sophomore work is offered, with Urbana-Champaign at a somewhat lower level because of its large enrollment in professional and graduate programs.
- D. To Postpone Replacement of the Temporary Academic Facilities in Urbana-Champaign During 1957-59.
  1. The use of space in temporary facilities, not only for housing, but for academic and general University purposes as well, has resulted from a continued land-acquisition program and subsequent remodeling of the houses thereon for University occupancy.
    - a. This space now being used is equivalent to that of three buildings approximately the size of Gregory or Mumford Halls.
    - b. The land this space occupies is reserved for future expansion.
  2. Replacement of these temporary facilities should be planned in order to eliminate substandard facilities, to reduce relatively high operating costs, and to free the land for future expansion. Such replacements, however, probably must be deferred beyond 1963 because of the urgent need to utilize all available facilities to accommodate the increases in enrollment.
- E. To Maintain Adequate Housing in Urbana-Champaign.
  1. There is greater flexibility in enrollment capacity than in housing; so the key to enrollment expansion at Urbana-Champaign is the construction of additional housing facilities.
  2. The University must assume the responsibility of providing adequate housing and food-service facilities for practically all future enrollment increases.
- F. To Recognize the Vital Need for Early Planning.
  1. In developing the program through 1963, more emphasis should be given in the future to land acquisition.
    - a. In general, land must be acquired in the biennium prior to that in which construction is to be started. (For example, land for a housing program should be acquired in the 1957-59 biennium for construction in the 1959-61 biennium.)
    - b. In addition, other land must be acquired for long-range expansion, which could be available in the interim either for temporary general use or for parking.

2. In developing the program through 1963, a higher priority should be assigned to building studies.
  - a. The University should recognize the value of allowing adequate time for a thorough study and analysis of departmental requests for space, and for a preparation of building studies and designs.
  - b. The University must also recognize the physical impossibility of preparing plans and specifications, taking bids, and completing construction within a biennium.
  - c. Therefore, funds should be obtained for building studies and, whenever possible, for plans and specifications in the biennium prior to that in which construction is to be started.
    - (1) This would eliminate the need for reappropriating funds, and
    - (2) This would allow more effective planning and designing of future University buildings.

#### APPROPRIATION REQUIREMENTS

- A. Preliminary estimates of the rate of building construction and of the appropriations required for the University to take its proportionate share of the increasing college enrollments through 1963—even if usage of classrooms and laboratories at Urbana-Champaign might be materially increased—show that the building requirements at Urbana-Champaign, the remodeling needed at the Chicago Professional Colleges, the acquisition of a site and initiating a permanent Chicago Undergraduate Division will necessitate appropriations more than three times as large as have been available during each of the last three biennia.
- B. The program for providing permanent facilities for the Chicago Undergraduate Division will require increasingly large appropriations during the the 1959-61 and 1961-63 biennia if occupancy is to be realized by 1963.
  1. During the interim, nearly all enrollment increases will have to be absorbed at Urbana-Champaign;
  2. During the 1957-59 biennium, therefore, the maximum amount of capital appropriations for building construction and improvements should be allocated to Urbana-Champaign.

#### APPENDIX

##### *"A" Projects Urgently Needed*

The list of projects which follows was developed as a result of reviewing the total requests and as an aid to future planning:

- A. Library, Urbana-Champaign, second addition
- B. Administration Building addition
- C. Additional remodeling and minor additions
- D. Plant Sciences Building, first unit for Agronomy
- E. Central Receiving Station, Urbana-Champaign
- F. Physical Plant Service Building, Chicago Professional Colleges
- G. Fire protection and building repairs
- H. Agricultural Library
- I. Additional public street improvements
- J. Electrical Engineering Building addition
- K. Plant Sciences Building—Plant Pathology
- L. East Dentistry-Medicine-Pharmacy Building completion

##### *Projects Considered Highly Desirable if Financed to a Substantial Degree without State Aid*

#### A Student Services Building

Besides being valuable as a center for the various student services (such as offices of the dean of students, student organizational offices, the coordinating placement office, student counseling facilities, and the like), such a building would release much badly needed space in many cramped areas on campus, particularly in the Administration Building. Some universities have financed

this project in part from funds other than state appropriations, and it may be feasible to do this at the University of Illinois.

#### Auditorium-Gymnasium

A large Field House-Auditorium, multipurpose building, capable of accommodating 15,000 to 20,000 persons for Commencement, Farm and Home Week, athletic and like events, and 5,000 to 8,500 for musical and other entertainment events, would be a practical way of satisfying a twofold University need. Moreover, the entire state could make very good use of a building this size, especially the down-state communities.

#### A Digital Computer Laboratory

The University has accepted a grant to be used on preliminary design studies for a new, very fast, and very versatile computing machine. The new machine would furnish service to the entire University and would be of great importance to research and education—particularly in engineering, applied mathematics, the social sciences, and commerce.

Support for the construction of such a machine is anticipated from governmental, industrial, or other agencies.

A new building of approximately 40,000 square feet of net floor area is needed to house the computing facilities and data processing machines.

#### A University Art Gallery

The University, which conducts one of the largest and most active art schools in the country, owns an important and comprehensive collection of works of art, but has no museum or gallery in which to display it. Many private and state universities have recognized the importance to the students and the community of furnishing space for displaying art works. Some schools have separate buildings which have been financed by alumni and special gifts.

#### Remodeling for the Physical Environment Unit—Urbana-Champaign

The Physical Environment Unit is of great importance in several fields of research and education. It supplements, but does not duplicate, the environmental facilities of the Animal Science Department and those planned for the Physiology Department in the new Biology Building. Staff members of the Unit are using the facilities for research and instruction; and the following University departments and divisions have used, or are now using, its services: Animal Science, Electrical Engineering, Geography, Home Economics, Institute of Aviation, Mechanical Engineering, Medicine, Physical Education for Men, Physiology, Psychology, Speech, and the State Natural History Survey.

If the space adjacent to the present laboratory can be remodeled, further funds to support experiments and research can be anticipated from governmental, industrial, or other agencies.

#### A Nuclear Engineering Building

For the past five years, plans have been in progress for a nuclear engineering program in the College of Engineering. This new and dynamic program will become formalized in the 1957-59 biennium, based on preliminary courses now being offered.

If the University would construct a building to house nuclear engineering and measurements laboratories and office facilities, the Atomic Energy Commission probably would provide the atomic fuel, laboratory equipment, and materials to a maximum value of \$350,000.

#### An Industrial Education Building

Since 1917, the University of Illinois has been the only institution approved by the Illinois State Board for Vocational Education for the preparation of vocational-industrial instructors. The College of Education's Division of Industrial Education is not a self-contained unit; it not only exploits the resources of the University, but it also makes extensive use of the facilities of industrial establishments of the state in the operation of a cooperative program for the preparation of industrial education personnel. There is a heavy demand for graduates of this Division. Moreover, a new undergraduate curriculum was inaugurated during the 1955-56 academic year to prepare personnel specifically for assignments in training departments in industry.

A private foundation interested in this development has been requested to grant funds to cover the cost of the proposed building.

#### SITE FOR CHICAGO UNDERGRADUATE DIVISION

(2) Mr. Johnston, Chairman of the Committee on General Policy which, with the President of the Board, has been operating as a special committee<sup>1</sup> on matters relating to the development of the Chicago Undergraduate Division, brought up for consideration the matter of a site. He reviewed the considerations which led his Committee to recommend the selection of the George A. Miller Meadow in the Forest Preserve District of Cook County as a permanent site for the Chicago Undergraduate Division. The Board of Trustees approved that recommendation on June 27, 1956. Subsequently the Secretary of the Board, on instructions from the Chairman of the Committee on General Policy, wrote to the President of the Forest Preserve Commissioners of Cook County notifying him that the Board of Trustees desires to acquire the George A. Miller Meadow as a permanent site for the University's Chicago Undergraduate Division. On September 19, 1956, the Secretary of the Board of Forest Preserve Commissioners wrote the Secretary of the Board of Trustees as follows:

"Please be advised that on the 5th day of September, 1956, at a regular meeting of the Board of Forest Preserve Commissioners of the County of Cook the Board voted to concur in the recommendation of its Advisory Committee that the proposal of the University of Illinois for the acquisition of three hundred acres of the George A. Miller Meadow be refused."

The Secretary of the Board of Trustees acknowledged this letter stating that it would be brought to the attention of the Board at its next meeting on October 22. Copies of this correspondence have been sent to all of the trustees.

Mr. Johnston recommended that the Board of Trustees request a conference with representatives of the Board of Forest Preserve Commissioners for further consideration of this matter and the alternatives. President Henry pointed out that the University desires to acquire this land through purchase so that the Forest Preserve District will have funds to acquire another area or areas of land suitable for inclusion in the Forest Preserve District and that the University's program in no way contemplates reducing the amount of land in the Forest Preserve.

Following discussion of Mr. Johnston's recommendation, Mrs. Watkins moved that the Committee be authorized to carry on further negotiations with the Board of Forest Preserve Commissioners.

Mr. Herrick moved as an amendment (an addition) to this motion that in case the Committee is unable to reach a site solution in its negotiations with the Commissioners, it be authorized to take such further steps as it deems necessary.

Mr. Bissell moved as a further amendment (an addition) to this motion that the Committee be authorized to purchase the George A. Miller Meadow.

These amendments were adopted and the motion as thus amended was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

The Secretary of the Board was instructed to request a conference between representatives of the Board of Forest Preserve Commissioners and the Special Committee of the Board.

<sup>1</sup> The original Committee appointed by the President of the Board on May 22, 1953, included Messrs. Wayne A. Johnston, Chairman, Cushman B. Bissell, Robert Z. Hickman, Park Livingston, Herbert B. Megran, and Vernon L. Nickell. Recently the functions of this Committee have been taken over by the Committee on General Policy (Messrs. Johnston, Chairman, Bissell, and Livingston), with President Megran of the Board added for this purpose. — Secretary's Note.

**INSTITUTION FOR TUBERCULOSIS RESEARCH BIENNIAL  
OPERATING BUDGET FOR 1957-59**

(3) The Institution for Tuberculosis Research was created by the General Assembly for the "production, distribution, and application of the bacillus Calmett-Guerin (BCG), and other methods and materials for the prevention of tuberculosis and for conducting research in tuberculosis." The responsibility for the professional operation and all other management and control of the Institution is vested in the University.

The Director of the Institution and the Vice-President in charge of the Chicago Professional Colleges recommend a budget for 1957-59 amounting to \$60,140 for each year, or \$120,280 for the biennium. This is an increase of \$17,800 for the biennium over the present appropriation.

The increase is requested for the following purposes:

Salary adjustments in accordance with the policy adopted by the

University .....	\$13 000
Reduction in Retirement System contributions.....	— 200
To increase effectiveness of existing programs (expansion of research activities).....	<u>5 000</u>

Biennial Increase Proposed.....\$17 800

I recommend that this budget be approved for filing with the Department of Finance and presentation to the Illinois Budgetary Commission.

On motion of Mr. Livingston, this recommendation was approved by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrn, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES**

(4) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State From Which They Obtained Certificates</i>
MARVIN M. BANDOLIK	Evanston, Illinois	District of Columbia
LEON IRWIN FOLB	Park Forest, Illinois	Nebraska
RICHARD GORDON GIBSON	Wausau, Wisconsin	Wisconsin
PETER JOSEPH GILLIGAN	Minneapolis, Minnesota	Minnesota
GENE FREDERICK KRATSCHEMER	East Alton, Illinois	Missouri
JAMES ROBERT MACNAUGHTON	Des Moines, Iowa	Wisconsin
ROBERT GRANT NICHOLS	Chicago, Illinois	Michigan
LOUIS ROBERT F. PREYSZ, JR.	Evanston, Illinois	West Virginia
RALPH BARNETT ROBERTS	South Pasadena, California	California
EDWARD JOHN RUDNICKI	Rockford, Illinois	Wisconsin
GERALD ELROY STANTON	Park Ridge, Illinois	District of Columbia

I concur.

On motion of Mr. Williamson, these certificates were awarded.

**APPOINTMENTS TO THE FACULTY**

(5) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. SJOERD L. BONTING, Assistant Professor of Biological Chemistry, in the College of Medicine, beginning September 1, 1956, without salary (DY).

These appointments replace Chief Justice Walter V. Schaeffer, Illinois Supreme Court, Springfield, and Mr. Otto Steffey, President, Illinois Agricultural Association, Chicago, whose terms have expired, and Mr. Harold G. Baker, deceased.

I concur.

On motion of Mr. Swain, these appointments were approved.

#### APPROPRIATIONS BY THE ATHLETIC ASSOCIATION

(7) The Board of Directors of the Athletic Association has made the following assignments from its surplus funds:

To the Alumni Association for services to the Athletic Association during the year 1955-56.....\$ 3 000  
 To the University Bands for travel expenses to Ann Arbor, Michigan, on November 9-10 for the Michigan-Illinois football game..... 9 700  
 These appropriations are submitted for approval.

On motion of Mr. Bissell, the action of the Board of Directors was confirmed.

#### SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve Fund as follows:

1. College of Agriculture, remodeling and equipment in Davenport Hall.....	\$ 4 000
2. Armed Forces, purchase of a mimeograph machine.....	1 117

17. Department of Veterinary Physiology and Pharmacology, construction of facilities needed for research under a contract with the United States Army.....	3 000
<b>Total.....</b>	<b>\$183 080 51</b>

I concur.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. John-

ston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**CHANGES IN CONTRACTS AND ADDITIONAL APPROPRIATION  
FOR ALTGELD HALL REMODELING**

(9) The Committee on Nonrecurring Appropriations recommends an additional appropriation of \$5,300 for further remodeling of space on the second floor of Altgeld Hall for use by the Mathematics Department.

I concur and recommend that the Comptroller be authorized to execute a change order increasing by \$2,681.02 the contract with Schroeder and Sons, for plumbing and heating work and minor changes in other existing contracts for the remodeling of Altgeld Hall.

On motion of Mr. Williamson, an appropriation of \$5,300 was made from the General Reserve Fund for this purpose, and the Comptroller was authorized to execute changes in the contracts for this remodeling, as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**CONTRACTS FOR CONSTRUCTION OF BIOLOGY BUILDING**

(10) When contracts for the construction of the Biology Building were awarded, action on the contracts for the elevator and dumb-waiter installations was deferred, pending negotiations with the lowest bidders to determine whether they would execute contracts subject to availability of funds.

The Hollister-Whitney Company, Quincy, Illinois, lowest bidder on the elevators (\$58,725), is not willing to execute a contract on this basis. The firm of Gallaher and Speck, Inc., Chicago, lowest bidder on the dumb-waiter installations, is willing to extend the time of the contract, but at an increase in price from \$4,200 to \$4,587. The Long Elevator and Machine Company of Springfield, Illinois, the second lowest bidder, submitted a bid of \$63,893 on both the elevator and dumb-waiter installations. This firm is willing to execute a contract, subject to availability of funds after July, 1957, and before August 1, 1957, provided that it will be reimbursed for the actual cost of preparing shop drawings needed by other contractors and for incidental expenses not to exceed \$1,960 in the event funds are not available to proceed with the elevator and dumb-waiter installations.

The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract to the Long Elevator and Machine Company on this basis. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such a contract.

On motion of Mr. Swain, the contract for the elevator and dumb-waiter installations in the Biology Building was awarded, as recommended; all other bids on these installations were rejected; and the Comptroller and Secretary of the Board were authorized to execute the contract so awarded. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**CONTRACT FOR REMODELING IN THE RESEARCH AND  
EDUCATIONAL HOSPITALS FOR THE DEPARTMENT  
OF OBSTETRICS AND GYNECOLOGY**

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$128,892 to Russell Mansfield, Chicago, Illinois, the lowest bidder, for remodeling in the Research and Educational Hospitals for the Department of Obstetrics and Gynecology.

The work will consist of remodeling an area on the first floor for use by the Department as a clinic, and will include construction of a floor in the waiting area now two stories high, rearrangement of partitions, lighting improvements, and

installation of pneumatic tube station, hospital equipment, and air conditioning. This is a part of the general remodeling program in the Research and Educational Hospitals approved by the Board.

Funds are available in the state appropriation for "Rehabilitation and Minor Additions to Existing Buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

#### **ADDITION TO CONTRACTS FOR REMODELING DAVENPORT HALL**

(12) On September 18, the Board of Trustees approved the award of contracts for remodeling Davenport Hall. Alternate bids provided for air conditioning the remodeled area, but the contracts were awarded without this alternate, pending a decision from the Department of Geography, which will use the space, as to whether the available funds could be more advantageously used for air conditioning or for additional equipment. Since the staff members will construct and use maps in this space, air conditioning is highly desirable for effective work during the summer.

Funds are available in the state appropriations to the University for 1955-57 for buildings and other permanent improvements, subject to release by the Governor.

The Director of the Physical Plant and the Vice-President and Comptroller recommend the following additions to the contracts to provide for air conditioning: General — E. N. DeAtley, Champaign.....\$1 000

Plumbing and heating — Reliable Plumbing and Heating Company,

Champaign..... 900

Ventilating and air conditioning — Schroeder and Sons, Champaign.....10 840

Electrical work — Neal Morton doing business as Neal Morton Electric,

Champaign..... 2 097

I concur and recommend that the Comptroller be authorized to execute the contract change orders.

On motion of Mr. Williamson, this recommendation was approved, and the Comptroller was authorized to execute the necessary changes in the contract.

#### **CONTINUATION OF CONTROL SYSTEMS LABORATORY**

(13) The Department of Defense has requested the University to continue the operation of the Control Systems Laboratory under a renewal of the present contract for two years, or through November 30, 1958. The Department proposes to provide \$3,100,000 for these operations to cover all operating costs, both direct and indirect, of the Laboratory.

The Dean of the College of Engineering, the Chairman of the Research Board, and the Vice-President and Comptroller recommend the renewal of this contract, and I concur.

On motion of Mr. Livingston, renewal of this contract was approved, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **SUPPLEMENTAL RESOLUTION REGARDING WOMEN'S RESIDENCE HALLS REVENUE BONDS OF 1956**

(14) The Vice-President and Comptroller recommends, and I concur, that the following resolution be adopted:

WHEREAS, The Board of Trustees of the University of Illinois, at a regular meeting held on September 18, 1956, adopted a Resolution authorizing the issue

of Women's Residence Halls Revenue Bonds of 1956, of The Board of Trustees of the University of Illinois in the principal amount of \$3,100,000 for the purpose of providing funds necessary to construct, complete, and equip an addition to the Women's Residence Halls known as the Lincoln Avenue Residences in the City of Urbana, Illinois, fixing the date, maturities, form, and other details of said bonds, and making covenants and provisions for the payment of said bonds and the interest thereon; and

WHEREAS, The Board of Trustees of the University of Illinois has determined that the project can be completed at a cost of \$2,890,000;

*Now, Therefore, Be It and It Is Hereby Resolved by The Board of Trustees of the University of Illinois:*

That Series B bonds numbered 2891 through 3100 inclusive in the principal amount of \$210,000, of which \$85,000 will mature October 1, 1995, and \$125,000 will mature October 1, 1996, be not issued.

On motion of Mrs. Holt, the foregoing resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

#### PIPE LINE EASEMENT ON WRIGHT FARMS

(15) At its meeting of September 18, 1956, the Board of Trustees disapproved a request of the Great Lakes Pipe Line Company for permission to lay a pipe line across Wright Farm No. 6 in DeKalb County on the ground that the proposed compensation (\$2.00 for each rod of pipe laid, plus \$5.00 for the easement, plus payment for all damages) was not adequate and the Comptroller was instructed to ascertain whether the Company could secure a better offer.

The Company has now offered to reimburse the University in the amount of \$2.00 for each rod of pipe laid, plus \$5.00 for the easement, plus an additional payment of \$8.00 per rod to be received for additional compensation for signing of the easement. The \$8.00 per rod will be paid to the University under a separate contract between the Great Lakes Pipe Line Company and the University of Illinois.

If the Board grants this contract, it should also adopt the following resolution:

*Now, Therefore, Be It Resolved by the Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of the Board of Trustees be and hereby are authorized to execute, acknowledge, and deliver in the name of and in behalf of this corporation, an instrument of conveyance in such form, and other documents in connection therewith, as to them may seem necessary or desirable in order to effectuate a conveyance to the Great Lakes Pipe Line Company, its successors or assigns, hereinafter called Grantee, of a right of easement to construct, maintain, inspect, operate, protect, repair, replace, and remove a pipe line of not more than twelve inches in diameter and appurtenances for the transportation of oil or oil products, gas, and water, and if necessary to construct, maintain, operate, repair, remove, and replace communication facilities with the right of ingress and egress at convenient points to and from said facilities or any of them for the purposes aforesaid on, over, and through the following described property viz:*

The Northwest quarter (NW  $\frac{1}{4}$ ) in Section twenty-nine (29), Township Thirty-nine North (T39N), Range Three East (R3E), of the Third Principal Meridian in the County of DeKalb and State of Illinois

and which pipe line shall extend in an eastwardly direction from a point on the west boundary of said property approximately fifteen feet north of the presently existing pipe line to a point on the east boundary of said property not more than four hundred feet north of the presently existing pipe line; for and in consideration of the payment by said Grantee of the sum of \$5.00, the sum of \$2.00 per rod for each lineal rod or fraction thereof of pipe laid on the above described premises to be paid upon the laying of the pipe and supplementary payment of \$8.00 per rod to be paid on the execution of the easement and upon the agreement by said

Grantee to pay for all damage to crops and timber and fences, buildings, drain tile, and other improvements on said premises which this corporation may sustain by reason of Grantee's exercise of aforesaid rights and which payment shall be made within a reasonable time after such damage is sustained.

On motion of Mr. Herrick, this resolution was adopted.

#### **DR. B. B. RAPPAPORT STUDENT DENTAL RESEARCH ASSISTANTSHIP**

(16) Mr. Arthur Keating, 1949 North Cicero Avenue, Chicago 39, Illinois, has offered to establish "The Dr. B. B. Rappaport Student Dental Research Assistantship" in the College of Dentistry according to the following plan:

1. Assistantships shall be known as "The Dr. B. B. Rappaport Student Dental Research Assistantship" in honor of Dr. B. B. Rappaport of Homewood, Illinois.
2. The candidates shall be selected by the College of Dentistry on the basis of personal qualifications and potential for further development in the field of dental research.
3. The stipend of each assistantship shall be \$400 a year and will be paid to the recipient during the period he is doing dental research under the supervision of the College of Dentistry. Dr. Rappaport shall be notified when an award is made and the field of research in which the recipient of the award is working.

Mr. Keating also offers the University fifty shares of Ekco Products Company common stock, with a current market value of \$2,000, which may be sold and the proceeds used over a period of five years for the assistantship stipends.

The Dean of the College of Dentistry and the Vice-President in charge of the Chicago Professional Colleges recommend acceptance of these offers.

I concur, and if the Board approves, the following resolution should be adopted to authorize sale of the stock:

WHEREAS, the Board of Trustees of the University of Illinois is the owner of fifty shares of Ekco Products Company common stock, and

WHEREAS, it is the decision of said Board of Trustees to sell and dispose of this stock,

*Now, Therefore, Be It Resolved* that this sale be completed and that A. J. Janata, Secretary, and H. O. Farber, Comptroller, be authorized to execute all documents necessary to accomplish this.

On motion of Mrs. Watkins, this offer was accepted, and the foregoing resolution was adopted.

**ARCHITECTURAL SERVICES FOR THE 1957-59 BUILDING PROGRAM**

(19) Architectural work on the 1957-59 building program should be started at the earliest possible date to allow time for efficient planning and insure completion of construction within the biennial period.

The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for architectural services as listed below on commissions of 6 per cent of the cost of the construction for which professional services are rendered. Such services shall include design and complete building studies, working drawings, plans and specifications, and the supervision of construction, except in the case of the Art and Architecture Building which Mr. Ambrose Richardson is designing and for which design work credit will be required of the firm employed to complete the planning, and with the exception of supervision of the remodeling in the Research and Educational Hospitals and in the Dentistry-Medicine-Pharmacy Building will be furnished by the University. If models are required, additional payments will be made on terms mutually agreed upon in advance.

The University will reserve the right to terminate contracts and any of the work covered at any time, provided that:

1. In the event of termination on or before completion of building studies, compensation will be computed on the basis of cost of work done plus 100 per cent for overhead and commission, and provided further that such costs shall not exceed the fixed amounts hereinafter specified. The "cost" shall include salaries paid to professional employees and/or partners actually working on the project. Records will be maintained by the architects on all "costs" and shall be subject to audit by the University.
2. In the event architectural work is terminated after working drawings have been authorized but before completion, the architects will be paid a fixed sum within the limits herein specified plus a further payment computed on salaries paid professional employees plus 100 per cent for the work done after completion of building studies accepted by the University.

The University will not be committed to making any payments prior to August 1, 1957, to the architects for work done under these contracts in excess of the fixed amounts stated as follows:

1. Library Addition (seventh addition), Urbana-Champaign — Graham, Anderson, Probst, and White, Chicago.....	\$ 10 000
2. Art and Architecture, Urbana-Champaign — Mittelbush and Tourtelot, Chicago (completion of building studies by Mr. Ambrose Richardson).....	20 000
3. Research and Educational Hospitals remodeling and other remodeling, including minor additions, Chicago:	
Dentistry-Medicine-Pharmacy Building — Pace Associates, Chicago....	6 000
Hospitals — Fugard, Burt, Wilkinson, and Orth, Chicago.....	25 000
4. Research Laboratory, Chicago Professional Colleges — Skidmore, Owings, and Merrill, Chicago.....	20 000
5. Physics Building, Urbana-Champaign — Shaw, Metz, and Dolio, Chicago.....	40 000
6. Laundry Building, Chicago Professional Colleges — Schmidt, Garden, and Erikson, Chicago.....	9 000
7. Family housing, Urbana-Champaign — Lundeen and Hilfinger, Bloomington.....	20 000
<i>Total</i> .....	<u>\$150 000</u>

Funds for the Laundry Building studies are available in the accumulated reserves from operations of the present laundry. In addition to the amounts required for the services specified above, \$10,000 is needed to cover miscellaneous costs, such as travel for inspection of similar projects elsewhere, and \$5,000 is needed to revise existing plans for the addition to the book storage wings of the Library, this being the sixth addition to the building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute contracts, subject to the conditions stated above, and that a nonrecurring appropriation of \$156,000 be made from the General Reserve for these services.

On motion of Mr. Bissell, these contracts were awarded as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same; and assignments of \$156,000 from the General Reserve Fund and \$9,000 from laundry operations reserves were made and allocated to the various contracts for purposes as specified. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Nickell, Mr. Stratton; not voting, Mr. Williamson.

#### ARCHITECTURAL SERVICES

Mr. Livingston suggested that in the future all recommendations for the employment of architects and engineers on University building projects be submitted to the appropriate committee of the Board of Trustees for its consideration before being presented to the Board.

Although not offered as a motion, this suggestion was accepted for record, and the Secretary of the Board was requested to notify all University officers concerned. President Megran designated the Committee on Buildings and Grounds for this purpose.

#### CONTRACT FOR ENGINEERING SERVICES ON ABBOTT POWER PLANT ADDITION AND UTILITY DISTRIBUTION SYSTEMS

(20) Sargent and Lundy, Engineers, Chicago, designed the Abbott Power Plant and the major portion of the utility distribution systems. Their services have been highly satisfactory, and it is desirable that they be employed as engineers to design the Abbott Power Plant addition and extensions of the utility distribution systems proposed for the 1957-59 biennium according to the following terms and instructions:

*Abbott Power Plant Addition.* Prepare specifications, take bids, analyze bids, and submit recommendations prior to July 1, 1957, for purchase of the major items of equipment, viz., turbine, condenser, and cooling tower which will determine ultimate design of the addition. Charges for services will be based on salaries and wages paid for engineering and drafting work, plus 100 per cent thereof for commission, plus cost of clerical and stenographic services and incidental expenses incurred by Sargent and Lundy. In the event of termination of contract before completion at the request of the University, Sargent and Lundy will bill the University for services on the above basis. If funds are available and the University approves proceeding with the project, Sargent and Lundy will enter into its usual engineering service agreement with the University at the same rates as under the present agreement and credit the University with one-half of the 100 per cent overhead charges referred to above.

*Utility Distribution Systems.* Furnish complete engineering services as requested for extensions of the utility distribution systems, including preparation of plans and specifications, taking of bids, analyzing bids, and submitting recommendations prior to July 1, 1957, for award of contracts for the two extensions of the systems which are required for the minimum program now proposed, viz.,

- a. Extension of steam tunnel and piping from the intersection of Gregory Drive and Oak Street, south on Oak Street to Peabody Drive extended, and east on Peabody Drive to intersection with existing tunnel at Euclid Street.
- b. Construction of a new 2,000 KVA load center at or in the vicinity of the intersection of Peabody Drive and First Street; underground duct to Stadium Drive; installation of a normal feeder cable and a reserve feeder cable from the load center to Abbott Power Plant; switchgear at Abbott Power Plant; and transfer of Law Building and Stadium cables to the new load center.

Engineering services furnished prior to July 1, 1957, for the foregoing work will be charged on the same basis as specified for the Abbott Power Plant addition.

If funds are available and the University approves proceeding with extension of the utility distribution systems, Sargent and Lundy will enter into its usual engineering service agreement with the University and will credit the University with one-half of the 100 per cent overhead charge referred to above.

The University will not be committed to making any payments in excess of \$40,000 prior to July 1, 1957, when funds appropriated for the 1957-59 biennium become available.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that a contract be entered into with Sargent and Lundy on the terms specified, provided that it may be terminated by the University or scope of services reduced.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract and that an appropriation of \$40,000 be made from the General Reserve for these services.

On motion of Mr. Livingston, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same; and an appropriation of \$40,000 was made from the General Reserve Fund to apply on this contract. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrn, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

#### **ADDRESS BY MIODRAG MUNTYAN**

At this point the President of the University presented Mr. Miodrag Muntyan, Director of the University Press, who addressed the Board discussing the work of the Press and some of its problems. An exhibit of Press publications was on display in the meeting room.

#### **SPECIAL COMMITTEE ON CLAIMS OF CONTRACTORS FOR CONSTRUCTION OF THE RESEARCH AND EDUCATIONAL HOSPITALS ADDITION**

At a meeting of the Board of Trustees on October 24, 1952, Messrs. Livingston, Hickman, Herrick, Johnston, and Megrn were appointed a special committee to consider the claims of the Patrick Warren Construction Company, and of other contractors, with respect to additional costs they alleged were incurred by them in the construction of the addition to the Research and Educational Hospitals. As reported to the Board on September 18, 1956, Crouch-Walker Company, one of the subcontractors, has instituted a suit in the Circuit Court of Cook County in which the University is one of the defendants, asking judgment to satisfy certain claims. The Board has authorized the employment of special counsel in this suit.

President Megrn announced that it is desirable to reactivate this special committee to advise the Board and the administration of the University regarding these claims and certain other issues which have been raised. He stated that he is reappointing this committee, with Mr. Livingston as Chairman, and is adding to it Messrs. Bissell and Williamson.

#### **MEETING WITH MEDICAL CENTER COMMISSION**

With the approval of the Board of Trustees, a formal request was submitted to the Medical Center Commission for the allocation of certain specified areas of land in the Medical Center District for the future development of the University's Chicago Professional Colleges. The Secretary reported that representatives of the University are invited to

meet with the Commission on Tuesday, November 13, 1956, to discuss this land allocation. The meeting will be held in the Chicago Illini Union Building at 12:30 p.m. It is desirable that as many of the Trustees as can do so participate in this meeting.

Mrs. Watkins, Chairman of the Committee on Chicago Departments, requested that members of her committee attend.

#### DEGREES CONFERRED

#### REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee submitted the following report.

#### MEETING OF THE EXECUTIVE COMMITTEE OCTOBER 3, 1956

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Sheraton-Blackstone Hotel, Chicago, Illinois, on Wednesday, October 3, 1956, beginning at 1:30 p.m.

The following members were present: Mr. Park Livingston, Mrs. Frances B. Watkins, and Mr. H. B. Megran, Chairman.

Also present were President David D. Henry, Mr. Henning Larsen, Vice-President and Provost, Mr. H. O. Farber, Vice-President and Comptroller, and Mr. A. J. Janata, Secretary of the Board.

The Executive Committee considered the following item of business presented by the President of the University.

#### Special Service Assignment for Dean L. B. Howard

The University of Illinois has a contract with the International Cooperation Administration under which Illinois and four other universities supply technical assistance to institutions of higher education in India.

Dean Louis B. Howard has been asked to participate with the Deans of Agriculture of Ohio State University and Kansas State College of Agriculture and Applied Science in a mission to India for approximately six weeks beginning October 7, 1956.

The objectives of the trip will include a review of the work being done by University of Illinois representatives at various locations in India, consultation with Indian officials concerning the progress which has been made thus far, and discussions with University representatives to ascertain the future effectiveness of this program.

I have authorized Dean Howard to go to India for these conferences and have also authorized Dr. T. S. Hamilton, Associate Director of the Agricultural Experiment Station, to serve as Acting Dean of the College of Agriculture during the absence of Dean Howard.

On motion of Mr. Livingston, the action of the President was confirmed.

The Committee adjourned.

A. J. JANATA  
*Clerk*

PARK LIVINGSTON  
FRANCES B. WATKINS  
H. B. MEGRAN, *Chairman*

#### PURCHASE OF AUTOMOBILES

The Secretary and the Comptroller reported that bids will be received subsequent to this meeting on the purchase of replacements for the University's motor vehicle fleet. It will be necessary to act on these bids before the next meeting of the Board of Trustees, and recommendations for the purchases will be submitted to the Executive Committee.

The Board adjourned.

I concur.

On motion of Mr. Johnston, these certificates were awarded.

**APPOINTMENTS TO THE FACULTY**

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. DAVID D. BROCKMAN, Clinical Assistant Professor of Psychiatry, beginning October 1, 1956, without salary (DY).
2. RUSSELL HESTON, Associate Professor of Agricultural Engineering, beginning January 1, 1957, at an annual salary of \$8,400 (AY).
3. GEORGE T. MARCOU, Assistant Professor of Community Planning, in the Department of City Planning and Landscape Architecture, beginning November 1, 1956, at an annual salary of \$6,000 (DY).
4. KEITH MEDLEY, Assistant Professor of Anesthesiology, in the Department of Surgery, College of Medicine, beginning October 1, 1956, at an annual salary of \$8,000 (DY90).
5. J. WARREN PERRY, Assistant Professor of Psychology and Counselor, Student Counseling Bureau, Chicago Undergraduate Division, beginning October 15, 1956, at an annual salary of \$6,800 (DY).
6. CHESTER A. PHILLIPS, Visiting Professor of Economics, for second semester of 1956-57, at a salary of \$4,500 (G).
7. ISAAC STEPHEN, Visiting Assistant Professor of Agronomy, beginning November 16, 1956, at an annual salary of \$5,400 (DY).
8. GEORGE B. SWEET, Assistant Professor of Poultry Extension, in the Department of Animal Science, beginning November 1, 1956, at an annual salary of \$7,200 (DY).

### Appointments to Nonacademic Staff

The Director of Nonacademic Personnel reports the following appointments to a supervisory position of upper level responsibility.

1. ROB R. BELDON, Chief Broadcasting Engineer, Broadcasting-Radio Station, beginning October 15, 1956, at an annual salary of \$7,200.
2. MARIA M. DRIVAS, Colonial Room Supervisor, Illini Union, beginning September 15, 1956, at an annual salary of \$5,200.
3. ROGER J. FISHER, Assistant Examiner, Admissions and Records, beginning October 15, 1956, at an annual salary of \$4,700.
4. CHARLES A. McLAUGHLIN, Museum Preparator, Museum of Natural History, beginning September 15, 1956, at an annual salary of \$4,500.
5. MAX N. PIKE, Supervisor of Accident Compensation, beginning October 1, 1956, at an annual salary of \$5,100.

On motion of Mr. Herrick, these appointments were confirmed.

### APPOINTMENT OF DIRECTOR OF NURSING

(3) The Vice-President in charge of the Chicago Professional Colleges and the Medical Director of the Research and Educational Hospitals recommend the appointment of Miss Helen W. Dunn, presently Director of Nursing at the Glenn Dale Hospital, Glenn Dale, Maryland, as Director of Nursing in the Research and Educational Hospitals at a salary of \$8,500 a year, on "Y" basis, including one meal a day furnished for the convenience of the University, and Assistant Professor of Nursing in the School of Nursing, without salary, both appointments to become effective January 21, 1957, and continuing through August 31, 1957.

All recommending officers concur in this appointment.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

### GRADUATE FELLOWSHIPS AND SCHOLARSHIPS

(4) The Dean of the Graduate College, the Vice-President and Provost, and the Vice-President and Comptroller recommend an increase in graduate fellowships and scholarships beginning with the academic year 1957-58 as follows:

1. The award of 175 fellowships a year carrying stipends of \$1,200 each, plus exemption from fees except the hospitalization and medical service fee, to be awarded to qualified graduate students at Urbana-Champaign. This is an increase of forty-three fellowships. The present program of fellowship awards also provides \$18,000 a year for approximately ten fellowships with stipends ranging from \$1,500 to \$2,000 in the Chicago Professional Colleges. No increase in this area is being proposed at this time.
2. The award of 200 graduate scholarships, without cash stipends, but providing the same exemptions from tuition and fees as the fellowships. These will be new scholarships.

There is being submitted separately a recommendation to increase tuition fees charged nonresident students to provide additional income. The expansion of the scholarship and fellowship program is proposed so that this change in the fee structure does not operate to discourage potential teachers among the graduate students who are nonresidents of Illinois. It should be noted, however, that not all of the additional fellowships and scholarships would be for non-resident graduate students as the awards are made on the basis of scholastic record of the applicants and supporting recommendations.

This will require an additional amount of \$78,000 a year over the present appropriation of \$132,000 for fellowships at Urbana-Champaign and \$18,000 for the Chicago Professional Colleges.

I concur in this recommendation.

On motion of Mr. Swain, this recommendation was approved.

**CHANGES IN TUITION FEES**

(5) The estimate of University income in the biennial budget for 1957-59, as approved by the Board of Trustees, is based upon increasing total fees paid by nonresidents of Illinois. I recommend the following changes in the tuition fees to be charged nonresident students effective September 1, 1957:

<i>Urbana-Champaign and Chicago Undergraduate Division</i>	<i>Per Semester</i>	
	<i>Present</i>	<i>Recommended</i>
Full-time schedules.....	\$175 00	\$250 00
Part-time schedules:		
Undergraduate: Eight credit (semester) hours or less, per credit hour.....	12 00	20 00
Graduate: Two units or less, per unit.....	48 00	80 00
Summer Session: Five credit (semester) hours of undergraduate work or more; one unit of gradu- ate work or more.....	87 50	125 00
Agriculture short course (six weeks).....	66 00	100 00

*Chicago Professional Colleges*

The academic year at the Chicago Professional Colleges consists of three terms (quarters) beginning in September and ending in June.

	<i>Per Quarter</i>	
	<i>Present</i>	<i>Recommended</i>
Full-time schedules.....	\$117 00	\$167 00
Part-time schedules:		
Twelve credit (quarter) hours or less, College of Pharmacy, School of Nursing, and Occupa- tional Therapy, per credit hour.....	11 00	15 00
200 clock hours or less, College of Dentistry.....	11 00 (per 25 clock hours or fraction thereof)	15 00
200 clock hours or less, College of Medicine.....	14 00 (per 25 clock hours or fraction thereof)	18 00
Graduate: Two units or less, per unit.....	48 00	80 00

On motion of Mr. Johnston, these changes in tuition fees were authorized.

**EMPLOYMENT OF FINANCIAL CONSULTANT**

(6) The Finance Committee recommends the employment of Paul D. Speer, Chicago, as a financial consultant to review the present legal authority of the University to issue revenue bonds. Existing legislation should be examined to determine if it is adequate for the contemplated programs of financing construction of buildings through bond issues and if any changes are indicated to secure the best possible legal basis for issuing bonds at the lowest possible interest cost. A fee not to exceed \$5,000 for all services rendered is proposed.

On motion of Mr. Livingston, this recommendation was approved.

**SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(7) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve Fund as follows:

*Champaign-Urbana Campus*

1. Department of Chemistry and Chemical Engineering,  
    installation of equipment and remodeling in laboratories..... \$ 6 950
2. College of Education, printing and mailing the bulletin  
    of the University Council on Teacher Education..... 2 900
3. Physical Plant Department, relocation of transformer bank..... 7 000
4. Department of Psychology, purchase and installation of equipment... 3 000

*Chicago Professional Colleges*

5. College of Pharmacy, purchase of equipment..... 4 150

6. Research and Education Hospitals, installation of shower baths in two rooms on the surgical floor of the Hospitals.....	2 850
7. College of Dentistry, purchase of equipment.....	3 174
8. Department of Biological Chemistry, construction of temporary partitions and installation of two fume hoods in a room in the Dentistry-Medicine-Pharmacy Building .....	3 900
9. Research and Educational Hospitals, replacement of medical records equipment .....	4 000
<i>Total</i> .....	<u>\$37 924</u>

I concur.

On motion of Mrs. Watkins, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

#### AUTHORIZATION OF APPLICATION FOR FEDERAL FUNDS FOR HEALTH RESEARCH FACILITIES

(8) Federal funds (Public Law 835, approved June 30, 1956) are available on a matching fund basis for health research facilities. Administration of grants is under the Surgeon General of the United States Public Health Service in the Department of Health, Education, and Welfare. A committee appointed by the Vice-President and Provost is studying needs for health research facilities at Champaign-Urbana and at the Chicago Professional Colleges. The Committee has approved the following applications for which funds are available on a matching basis:

1. Remodeling in the Research and Educational Hospitals to provide laboratories for metabolic research, hematology research, and research associated with the Blood Bank.....	\$100 000
2. Remodeling in the Dentistry-Medicine-Pharmacy Building to provide two dental research laboratories, one research photographic laboratory, and one research conference and seminar room.....	52 500
3. Remodeling of rooms for the Department of Anatomy.....	5 200
4. Remodeling of two rooms previously used for office space to provide laboratories and research facilities for the Department of Biological Chemistry.....	17 000
5. Remodeling of three rooms to provide research facilities in the Department of Medicine for the Allergy Research Unit.....	16 800
<i>Total</i> .....	<u>\$191 500</u>

Application may be made for federal funds in the above mentioned law in the amount of \$95,750. University matching funds are available in existing appropriations made by the Board of Trustees as follows:

From previous allocations to the Chicago Professional Colleges	
from the state appropriation for 1955-57 for remodeling.....	\$50 000
From the Revenue Bond Fund Account which must be used for modernization of the Dentistry-Medicine-Pharmacy Building.....	26 250
From unexpended balances in nonrecurring appropriations for remodeling in Chicago.....	19 500
<i>Total</i> .....	<u>\$95 750</u>

The Vice-President in charge of the Chicago Professional Colleges and the Vice-President and Comptroller recommend that an application be made for \$95,750 of federal funds for the above projects, and that University funds from the sources indicated be reallocated to match federal grants.

I concur and recommend that the Comptroller be authorized to execute such applications.

On motion of Mr. Livingston, these actions were taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

### ADDITION TO CONTRACT FOR ARCHITECTURAL SERVICES ON MEN'S RESIDENCE HALLS

(9) The Director of the Physical Plant and the Vice-President and Comptroller recommend a change in the contract with Berger-Kelley and Associates, Champaign, who have been employed by the University as architects for the next residence halls units constructed at Urbana-Champaign, to include architectural services for designing a snack bar and mail service unit to serve both the present halls in this area and the new units. The fee for this additional service will be 5.25 per cent of the construction contracts, which allows credit for work previously done by Mr. Ambrose M. Richardson. The estimated cost of the additional architectural services is \$8,800. The Housing Division has funds in its operating reserves which can be advanced for this purpose. Ultimately the Housing Division would be reimbursed from the proceeds of the bond issue to finance the construction of the new units.

I recommend (a) approval of this addition to the contract, (b) authorization of the assignment of funds, and (c) authorization of the Comptroller to execute the change.

On motion of Mr. Herrick, these recommendations were approved.

**QUARTERLY REPORT OF THE COMPTROLLER**

(12) The Comptroller presents his quarterly report to the Board as of September 30, 1956.

This report was received for record and a copy has been filed with the Secretary of the Board.

**BEQUEST OF EDWARD H. SCHLADER**

(13) The will of the late Edward H. Schlader, Class of 1916, of Beloit, Wisconsin, who died October 17, 1956, includes the following bequest to the University:

"3

"All of the rest, residue and remainder of my property and estate, either real or personal, that I may own at the time of my death, or that my estate may be entitled to by reason of my death, I give, devise and bequeath to the Board of Trustees of the University of Illinois at Urbana, Illinois, IN TRUST, and IN TRUST, ONLY, for the following uses and purposes—

"A. To invest said estate in those types of investments as are permitted by law for the investment of trust funds and to use the income therefrom and so much of the principal as in the judgment of the Trustees shall be deemed necessary or advisable, for the following uses and purposes—

"1. To establish a Scholarship Fund to be known as the Schlader Memorial Scholarships in Engineering, in memory of Theodore H. Schlader, Class of 1885.

"2. To use said fund for scholarships for Junior and Senior Engineering students in the University of Illinois.

"3. Said scholarship awards to be made annually in amounts of not less than \$200.00 by the Committee of Special Undergraduate Scholarships on proper recommendations of the College of Engineering.

"It is my wish that awards be made annually as follows (1) To a student in Architecture and/or Architectural Engineering. (2) To a student in Electrical Engineering. (3) To one or more students in any branch of Engineering.

"It is my wish that the amount of each award be in the discretion of the Board of Trustees, but each award shall not be less than \$200.00, and that at least 80% of the income from said trust estate be used annually.

"In creating this trust it is my desire that said annual awards be made to worthy students on the basis of their scholastic ability, their character and their financial need.

"4

"I hereby nominate and appoint The Second National Bank of Beloit, Wisconsin, as the executor of this my last will and testament, and I hereby give and grant to said executor full power and authority to sell and dispose of any and all real or personal property which I may own at the time of my death and to give deed or deeds of conveyance to said real estate with the same force and effect as I might do if living, all without leave or authority of any court or tribunal whatsoever.

"I hereby direct the executor of this my said last will and testament to inform the trustee herein named of the terms and conditions of the trust herein provided for, in writing within thirty days of its appointment as such executor, and I direct said trustee to inform said executor of its intention to accept or reject the gift, devise and bequest in writing within six months of the date the said trustee was so advised of the terms and conditions of the trust herein provided for, and in the event said trustee named shall fail, refuse or decline to act as said trustee, or so to advise the executor herein named that they will accept the gift, devise, and bequest, then and in that event I give, devise and bequeath all of the rest, residue and remainder of my property and estate, either real or personal that I may own at the time of my death, or that my estate may be entitled to by reason of my death to the University of Illinois Foundation at Urbana, Illinois."

I recommend that the Board accept the bequest upon the terms and conditions specified and that it authorize its Comptroller and Secretary to execute such documents as may be necessary as evidence of such acceptance.

On motion of Mrs. Watkins, this recommendation was approved. The Secretary was instructed to express to the appropriate representatives of Mr. Schlader's estate the appreciation of the Board of Trustees for this generous bequest.

#### ESTATE OF FRED S. BAILEY

(14) Representatives of the Fred S. Bailey estate have requested an appearance before the Board of Trustees to advise the Board of the estate and the nature of the trust created under Mr. Bailey's will, and to discuss plans for administration of those portions of the trust which affect the University of Illinois. Representatives of the University Y.M.C.A. have also requested an opportunity to be present on this occasion so that they may be informed of the provisions of the trust affecting the University Y.M.C.A., which is a beneficiary of Mr. Bailey's will in that it establishes scholarships for students at the University of Illinois, said scholarships to be awarded by the Y.M.C.A.

The bill to contest Mr. Bailey's will which was pending in the Circuit Court for Champaign County has now been dismissed and the will is confirmed. It is therefore an appropriate time to establish the mechanics of the trust.

Messrs. Wallace M. Mulliken, of the law firm of Thomas, Mulliken, and Mamer, Champaign, attorney for Mr. Bailey; William O. Heath and Merwyn Q. Lytle, Vice-Presidents of the Harris Trust and Savings Bank of Chicago, executors of the estate of Fred S. Bailey; H. B. Ingalls, General Secretary of the University Y.M.C.A., and Tom S. Hamilton, Chairman of the Awards Committee of the Y.M.C.A., appeared at the meeting and were introduced.

Mr. Heath related the historical background of Mr. Bailey's bequest, his life-long interest in the University and the community of Champaign-Urbana, and the considerations which led him to establish a trust for the benefit of the University and its students. He also reported on the attempt made to contest Mr. Bailey's will which was successfully defended by Messrs. John L. Franklin, Special Counsel for the Harris Trust and Savings Bank in this litigation, and Ralph F. Lesemann, University Legal Counsel. Mr. Heath then presented a financial statement of the present status of the Bailey Trust and estimates of future income. Copies of this statement were distributed to the Trustees, and a copy has been filed with the Secretary of the Board for record. Most of the trust assets are bonds and common stocks, but they include a farm of 230 acres in Champaign County, conservatively valued at \$138,000. Mr. Heath stated that the Harris Trust and Savings Bank will welcome suggestions from the Board of Directors of the University Y.M.C.A. and the Board of Trustees of the University of Illinois, beneficiaries of the trust, as to whether or not this farm should be sold and the proceeds invested in securities.

Mr. Lytle reported on the investment portfolio of the trust. As the senior officer in charge of personal trusts in the Trust Department of the Harris Trust and Savings Bank, he will have personal supervision of the Bailey Trust. Mr. Lytle asked that the Board of Trustees of the University of Illinois adopt a resolution accepting the income from the trust and designating the appropriate officer to receive the funds, and that the Board of Directors of the University Y.M.C.A. adopt a similar resolution. These resolutions may also specify how the beneficiaries desire to receive payments, i.e., annually, semiannually, or quarterly.

Messrs. Ingalls and Hamilton reported on how the University Y.M.C.A. will administer the awards of the Bailey scholarships. While the University Y.M.C.A. has complete freedom in the awarding of the scholarships, they stated that it will work with the University authorities through exchange of information to coordinate these awards with awards of other University scholarships.

The Secretary read a letter from Dean Paul M. Green of the College of Commerce and Business Administration concerning the plans for the utilization of the trust income which the University will receive to support a Bailey Memorial Chair of Money, Banking, and Finance. A copy of this letter is filed with the Secretary of the Board.

At the conclusion of these presentations, Mr. Livingston moved that the Board of Trustees accept the funds made available to it from the Bailey Trust for the purposes specified therein; that the Board of Trustees hereby record its tribute to Mr. Bailey's memory and deep appreciation of what he has done for future generations of students who will be the direct beneficiaries of his generosity and for the public which will benefit indirectly through the continuing contribution of the Bailey Trust to the higher education of young men and women; and that the Board also record its appreciation of the faithful stewardship of Mr. Bailey's attorneys and the executors of his estate.

This motion was unanimously adopted.

#### **GRANT FROM NATIONAL SCIENCE FOUNDATION**

(15) The National Science Foundation has made a grant of \$86,700 to the University of Illinois in support of a program for supplementary training of high school teachers of mathematics. I have accepted this grant under the terms and conditions as specified in two letters dated November 19, 1956, copies of which are hereby filed with the Secretary of the Board.

The grant is in a field in which the University already has established leadership, and we welcome the opportunity to extend the study and exploration of what can be done to improve and accelerate the training of teachers of science and mathematics. The grant is both a recognition to those who have done the groundwork which has made the award possible and an opportunity to make additional important contributions.

Confirmation of this action is requested.

On motion of Mr. Swain, the President's action was confirmed.

#### **GIFT OF PAINTINGS FROM MR. CUSHMAN B. BISSELL**

(16) Mr. Cushman B. Bissell has presented the University with the following oil paintings for the Chicago Professional Colleges, and they have been hung in the Chicago Illini Union Building: "Scene in Fontainebleau," by Narcisse Virgile De La Pena Diaz; "Market Street Scene," by G. LaCroix; "Tyroleon Mountain Scene," eighteenth century, artist unknown; "Figures in Landscape," by Charles de Latour; and "English Portrait," eighteenth century, artist unknown.

I have accepted these paintings, on behalf of the University, and report my acceptance for record, but I would take this occasion to express publicly for University students and staff our gratitude for Mr. Bissell's fine contribution to the University's art collections.

On motion of Mrs. Watkins, the President's action was confirmed, and the Board recorded its appreciation of Mr. Bissell's gift.

## EXECUTIVE SESSION

At this point, on request of Mr. Livingston, an executive session was ordered to consider the following items of business presented by the President of the University.

**ENGINEERING SERVICES FOR CONTROL SYSTEMS LABORATORY**

(17) A request for authority to employ the Aero Design and Engineering Company of Bethany, Oklahoma, for engineering services and modifications of an Aero Commander, Model 680, airplane, purchased for use in research work under the direction of the Control Systems Laboratory, at a cost of \$32,586.75. The funds for this will be provided under contracts with the United States Government.

On motion of Mr. Johnston, these services and expenditure were authorized.

**RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE**

(18) The University Patent Committee submits, with the concurrence of the Chairman of the University Research Board, the following recommendations relating to inventions by members of the staff:

1. Transistorized bistable multivibrator—J. M. Wier, former Research Associate, Digital Computer Laboratory, inventor. This device is used to provide information storage in digital control and data handling systems. On June 27, 1956, the Patent Committee reported to the Board of Trustees that the University of Illinois Foundation had been requested to investigate the possibilities of obtaining a patent on this device. In its investigations the Foundation learned that a clear equivalent of this type of transistor circuit had been reported from another institution several years ago. Accordingly, the Chief Engineer of the Digital Computer Laboratory and the Patent Committee recommend the release of this invention to the Office of Naval Research, the sponsoring agency.

2. The use of cell walls of group AB hemolytic streptococci and products therefrom as an immunizing vaccine—Dr. S. S. Barkulis, Assistant Professor of Biological Chemistry, College of Medicine, inventor. This substance is made by disintegrating cell walls of microorganisms and using the disintegrates as an immunizing vaccine. The Patent Committee has studied this development and recommends that the interest of the University be transferred to the University of Illinois Foundation for further investigation and the filing of an application for a patent if such action appears warranted.

3. (1) Trimethylammoniumalkylphosphonic acids; the iodides of their dialkyl esters; (2) reactions of organic phosphites with benzyltrialkylammonium derivatives; phosphonic acid analogs of nucleoside phosphates—Terrell C. Myers, Assistant Professor of Biological Chemistry, College of Medicine, inventor. These chemical compounds are potentially of therapeutic value. Upon receipt of the disclosures, the Patent Committee referred them to Dr. C. S. Marvel, Research Professor of Organic Chemistry, who reported that they may have some interesting pharmacological properties; however, before he could give any opinion as to their value, further evidence of physiological activity would be required. Resources are not presently available in the College of Medicine to conduct the rather extensive research that would be necessary. It is the opinion of the Patent Committee that the commercial value of these compounds is uncertain and does not justify the expenditure of funds for further tests and a patent application at this time. Accordingly, the Patent Committee recommends the release of these three compounds to the inventor.

4. Junction transistor (flipflop) using a GB-amplifier and an emitter-follower—W. J. Poppelbaum, Research Assistant Professor, Digital Computer Laboratory, inventor. This new circuit is used in making bi-stable transistor elements. There are many other circuits which accomplish the same purpose and it is very difficult to assess its commercial value or to gauge whether other circuits would be superior for commercial usage. Under the circumstances, the Chief Engineer of the Digital Computer Laboratory and the Patent Committee are of the opinion that the further expenditure of funds on the development of this inven-

tion is not warranted. The Committee recommends the release of the invention to the Office of Naval Research, the sponsoring agency.

5. Method of preparing polyalkylene disulfides and polyalkylene polysulfides — C. S. Marvel, Research Professor of Organic Chemistry, and Elmer Olson, a graduate student, inventors. This invention has interesting possibilities, although it is impossible to determine at present whether it has any commercial value. Accordingly, the Patent Committee has requested the University of Illinois Foundation to investigate the commercial possibilities and report its findings to the Committee.

I concur in these recommendations.

On motion of Mrs. Holt, these recommendations were approved.

#### REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee submitted the following report.

#### MEETING OF THE EXECUTIVE COMMITTEE NOVEMBER 2, 1956

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the offices of the American Bank Note Company,<sup>1</sup> 18 East Twentieth Street, Chicago, Illinois, on Friday, November 2, 1956, beginning at 11:00 a.m.

The following members were present: Mr. Park Livingston, Mrs. Frances B. Watkins, and Mr. H. B. Megran, Chairman.

Also present were Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary of the Board.

The Executive Committee considered the following matters of business presented by the Secretary on behalf of the President of the University.

#### Appointment of Dr. Edward J. Forrest as Assistant Dean of the College of Dentistry

The Dean of the College of Dentistry and the Vice-President in charge of the Chicago Professional Colleges recommend the appointment of Dr. Edward J. Forrest as Assistant Dean of the College of Dentistry and Associate Professor of Orthodontics in the Department of Orthodontics beginning January 1, 1957, at a salary of \$9,500 a year, on "Y" basis. This appointment is for the balance of the current academic year, but it is proposed that the appointment be put on a continuing basis beginning September 1, 1957.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

#### Purchase of Automobiles

The Director of the Physical Plant and the Comptroller recommend the purchase of twenty-five automobiles (twenty-four four-door sedans, one four-door station wagon) with automatic transmissions and eight-cylinder engines to replace vehicles presently in the University fleet. This is in accordance with the University practice of replacing passenger automobiles whenever they have been driven 45,000 miles or are more than three years old. Experience and records of maintenance costs over the years have proven this to be an economical replacement practice. In the past the University has been purchasing automobiles with standard transmissions and six-cylinder engines. It is proposed to change over to automobiles with eight-cylinder engines and automatic transmissions and to models in the middle rather than in the lowest priced classes of passenger cars. Studies have indicated that once the initial investment in cars of the middle price class has been made, operating and maintenance costs, as well as replacement costs, will be only slightly more than those of less expensive models; but the better cars will provide an extra measure of safety for the staff who use them, plus more comfort and ease of driving.

It is recommended that the new vehicles be purchased from the following dealers on the basis of lowest bids:

<sup>1</sup> The meeting was held in the offices of the American Bank Note Company because the members of the Executive Committee were there on November 2 to sign bonds being issued by the Board of Trustees to finance the construction of an addition to the Lincoln Avenue Residence.

	Quantity	Total Price	Total Allowance	Total Net Cost
Lawder Bros., Chicago (Ford) ..	14 sedans	\$25 536 00	\$12 600 00	\$12 936 00
Tom Purvis, Mattoon (Ford) ..	2 sedans	3 864 70	1 460 00	2 404 70
Hartigan Chevrolet Co., Chicago .....	4 sedans	7 355 60	2 380 00	4 975 60
Sullivan Chevrolet Co., Champaign .....	3 sedans	7 146 15	4 398 00	2 748 15
Bill Jacobs Chevrolet Co., Joliet	1 station wagon	3 885 25	1 700 00	2 185 25
		<u>\$47 787 70</u>	<u>\$22 538 00</u>	<u>\$25 249 70</u>

A schedule of all bids received is submitted herewith, and a copy is being filed with the Secretary of the Board as a part of the record of this meeting.

I concur in these recommendations.

On motion of Mr. Livingston, these purchases were authorized.

There being no further business, on motion of Mr. Livingston the Committee adjourned.

A. J. JANATA  
*Clerk*

PARK LIVINGSTON  
FRANCES B. WATKINS  
H. B. MEGAN, *Chairman*

### SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations, declinations, cancellations, and terminations; (4) leaves of absence.

#### APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

- ALBERT, WARREN, Assistant Binding Librarian (Catalog Department), with rank of Instructor, eleven months from October 1, 1956, \$4400 a year, supersedes (10-24-56).
- ARMSTRONG, CLARESA M., Clinical Instructor in Psychiatry (Medicine), eleven months from October 1, 1956, without salary (11-5-56).
- BARRON, DAVID, Clinical Instructor in Psychiatry (Medicine), eleven months from October 1, 1956, without salary (10-24-56).
- BESTETTI, ALBERTO, Research Assistant in Pathology (Medicine), eight months from November 1, 1956, \$333.33 a month (10-30-56).
- BORELIUS, CARL O. G., George A. Miller Visiting Lecturer in Physics and in Metallurgy (Mining and Metallurgical Engineering) (C), one month from January 16, 1957, \$3000 (11-5-56).
- BROCKMAN, DAVID D., Clinical Assistant Professor of Psychiatry (Medicine), eleven months from October 1, 1956 (10-24-56).
- BRODY, SEYMOUR S., Research Associate in Botany (Graduate College), one year from October 1, 1956, \$5500, supersedes (10-15-56).
- BURCHELL, SARA J., Assistant in Anesthesiology (Surgery) (Medicine), eleven months from October 1, 1956, without salary (11-2-56).
- CANAHUATL, S. M., Clinical Assistant in Medicine (Medicine), eleven months from October 1, 1956, without salary (11-2-56).
- CHAPPEL, MERWIN R., Associate Professor of Hygiene, on indefinite tenure; Assistant to the Director of Health Services and Medical Adviser in the Health Service, eleven months from October 1, 1956, \$10,000 a year, supersedes (10-13-56).
- CHONG, YONNHAE, Assistant in Anesthesiology (Surgery) (Medicine), nine months from December 1, 1956, without salary (10-17-56).
- CULLER, HELEN S., Instructor in English, six months from September 1, 1956, \$300 a month (10-16-56).
- DEAN, JEANNETTE B., Assistant Professor of Home Economics and Assistant State Leader (E), October 15, 1956-August 31, 1957, \$5750 a year (10-15-56).
- DOWNES, RICHARD E., Research Associate in Anthropology (Graduate College), seven months from February 1, 1957, \$375 a month (11-9-56).
- EIB, MARCIA R., Research Assistant in Chemistry (Graduate College), September 16, 1956-March 31, 1957, \$333.33 a month (11-16-56).

- ELLIOTT, CHARLES R., Assistant Professor of Clinical Speech Pathology (Otolaryngology), without salary, and Speech Pathologist to the Center for Handicapped Children, 45/100 time (Medicine); Speech Pathologist to the Cleft Palate Center, Division of Services for Crippled Children, 55/100 time, one year from September 1, 1956, \$7500, supersedes (10-15-56).
- ENGBRING, JANET, Assistant in Occupational Therapy (Medicine), ten months from November 1, 1956, \$4000 a year, supersedes nonsalaried appointment (11-2-56).
- FARAG, SHAFEEK, Instructor in Physical Sciences (Chicago Undergraduate Division), academic year beginning September 1, 1956, \$4200 (10-17-56).
- FARRAR, NORMA E., Head Resident of Busey Hall, October 12, 1956-June 30, 1957, \$300 a month; for the convenience of the University she will be furnished room and board valued at \$31 a month (10-15-56).
- FIocca, VINCENT L., Assistant in Operative Dentistry (Dentistry), eleven months from October 1, 1956, without salary, supersedes (10-17-56).
- FORREST, EDWARD J., Associate Professor of Orthodontics, 38/100 time, and Assistant Dean, 62/100 time (Dentistry), eight months from January 1, 1957, \$9500 a year (11-2-56).
- GAUR, HARISH C., Research Associate in Chemistry (Graduate College), one year from October 1, 1956, \$5500, supersedes (11-8-56).
- GELLMAN, DAVID D., Research Assistant in Medicine (Medicine), September 24, 1956-August 31, 1957, without salary (10-17-56).
- GILL, KATHARINE T., Instructor in English, academic year beginning September 1, 1956, \$4000, supersedes (10-15-56).
- GOODMAN, MRS. IONE, Research Assistant in Preventive Medicine (Medicine), one year from September 1, 1956, \$3900 (11-9-56).
- GOSS, MRS. MARY E., Instructor in Medical Social Work (Medicine), one year from September 1, 1956, \$5000, supersedes (10-24-56).
- GROSS, DAVID P., Clinical Instructor in Psychiatry (Medicine), eleven months from October 1, 1956, without salary (11-9-56).
- GROSSMAN, HERBERT J., Assistant Professor of Pediatrics, in the Department of Pediatrics and in the Department of Psychiatry (Medicine), and in the Division of Services for Crippled Children, one year from September 1, 1956, \$6360, supersedes (10-17-56).
- HELLER, SABINE A., Instructor in Physical Sciences (Chicago Undergraduate Division), 1/2 time, academic year beginning September 1, 1956, \$2000 (10-30-56).
- HENDRICKSON, FRANK R., Instructor in Radiology (Medicine), eleven months from October 1, 1956, without salary (10-30-56).
- HITTLE, CARL N., Assistant Professor of Agronomy (C, 2/10 time and S, 8/10 time), eleven months from October 1, 1956, \$7500 a year, supersedes (10-19-56).
- HNIL, JOSEPH M., Assistant in Anesthesiology (Surgery) (Medicine), October 15, 1956-August 31, 1957, without salary (10-17-56).
- HOUSER, LLOYD J., JR., Serials Assistant in the Library, seven months from February 1, 1957, \$333.33 a month, supersedes (10-22-56).
- HUNTINGTON, WHITNEY C., Consultant in the Physical Plant Department, 3/10 time, academic year beginning September 1, 1956, \$4750 (10-23-56).
- HYNEMAN, RICHARD F., Research Associate in Electrical Engineering (C), one year from September 1, 1956, \$6300, supersedes (10-15-56).
- JONES, FRANK, Instructor in the Institute of Aviation, one year from September 1, 1956, \$6000 (10-15-56).
- KAWAKITA, YUKIO, Research Associate in Psychiatry (Medicine), October 4, 1956-August 31, 1957, \$4500 a year (10-25-56).
- KELLER, ELIZABETH, Clinical Instructor in Pediatrics (Medicine), eleven months from October 1, 1956, without salary (10-15-56).
- LENNOX, EDWIN S., Research Associate in Chemistry (Graduate College), 1/2 time, \$2500, and Instructor in Biochemistry (Liberal Arts and Sciences), 1/2 time, \$1250, six months from September 1, 1956, to render service during the first semester of the academic year 1956-57, supersedes (11-2-56).
- LESTINA, GREGORY J., Instructor in Physical Sciences (Chicago Undergraduate Division), 1/2 time, academic year beginning September 1, 1956, \$2250 (10-30-56).

- LOESCH, JOHN, Research Assistant in Psychiatry (Medicine), one year from September 1, 1956, without salary (10-17-56).
- MALMBERG, BERTEL T., Instructor in Clinical Dentistry (assigned to the Respiratory Center) (Dentistry),  $\frac{1}{2}$  time, August 15, 1956-August 31, 1957, \$1200 a year (10-15-56).
- MARKELZ, ROBERT A., Clinical Assistant in Medicine (Medicine), eleven months from October 1, 1956, without salary (11-2-56).
- McLAUGHLIN, BONNIE G., Teaching Assistant in Chemistry,  $\frac{1}{2}$  time, September 16, 1956-January 31, 1957, \$750, and Research Assistant in Chemistry (Graduate College),  $\frac{1}{2}$  time, nine months from September 16, 1956, \$1575 (10-5-56).
- McTAGGART, MARY D., Assistant in Medical Social Work (Medicine), ten months from November 1, 1956, \$4130 a year (11-2-56).
- NEWMARK, NATHAN M., Professor of Civil Engineering and Head of the Department (C), indefinite tenure, and Chairman of the Digital Computer Laboratory, one year from September 1, 1956, to render service during each academic year, \$16,000 a year, supersedes (11-8-56).
- NYMAN, EDWIN E., Clinical Instructor in Obstetrics and Gynecology (Medicine), eleven months from October 1, 1956, without salary, supersedes (10-15-56).
- OLSON, CHARLES E., JR., Research Associate in Forestry (S), December 1, 1956-August 31, 1957, \$5500 a year (10-31-56).
- OSTERBERGER, GEORGE R., Instructor in Orthodontics (Dentistry),  $\frac{3}{10}$  time, eleven months from October 1, 1956, \$1500 a year (10-15-56).
- OTTO, RIGOBERT, Research Assistant in Chemistry (Graduate College), seven months from February 1, 1957, \$305 a month (11-9-56).
- PARSONS, MRS. SALLY R., Assistant in Home Economics (S), one year from September 1, 1956, \$3660 (10-22-56).
- POLLI, JOHN F., Instructor in Physical Sciences (Chicago Undergraduate Division),  $\frac{1}{2}$  time, first semester of the academic year 1956-57, five months from September 1, 1956, \$150 a month (10-30-56).
- PORTNOW, SY, Spectroscopist in the Department of Chemistry and Chemical Engineering,  $\frac{1}{2}$  time, five months from September 1, 1956, \$166.67 a month (11-6-56).
- RAMIREZ, RAIMUNDO J., Assistant in Anesthesiology (Surgery) (Medicine), January 15-August 31, 1957, without salary (11-2-56).
- REBER, ELWOOD F., Associate Professor of Veterinary Physiology and Pharmacology (Veterinary Medicine),  $\frac{29}{100}$  time, and of Veterinary Research (S),  $\frac{71}{100}$  time, indefinite tenure beginning November 1, 1956, \$9000 a year, supersedes (11-9-56).
- REINER, MRS. IRMA, Instructor in Mathematics,  $\frac{1}{2}$  time, six months from September 1, 1956, \$208.34 a month (10-17-56).
- RICE, WILLIAM H., Administrative Assistant (Legislative Relations) in the President's Office, one year from July 1, 1956; this is in addition to his position on the administrative staff of the Alumni Association; salary paid by Alumni Association (10-19-56).
- RICH, CATHERINE L., Research Assistant in Neurology and Neurological Surgery (Epilepsy Clinic) (Medicine), one year from September 1, 1956, \$4800 (11-2-56).
- ROBERTSON, MRS. JANE I., Instructor in Mathematics,  $\frac{1}{2}$  time, six months from September 1, 1956, \$183.33 a month (10-15-56).
- SANDBERG, GLEN, Assistant in Radiology (Medicine), ten months from November 1, 1956, \$4800 a year, supersedes (11-2-56).
- SCUDERI, CARLO, Clinical Associate Professor of Orthopaedic Surgery (Medicine), indefinite tenure beginning December 1, 1956, without salary, supersedes (11-9-56).
- SHAFFER, LESLIE L. D., Instructor in Management,  $\frac{1}{2}$  time, six months from March 1, 1957, to render service during the second semester of the academic year 1956-57, \$166.67 a month (11-5-56).
- SHEPARD, HARRY R., Instructor in Applied Materia Medica and Therapeutics (Dentistry),  $\frac{2}{3}$  time, eleven months from October 1, 1956, \$2000 (10-17-56).
- SRINIVASAN, V. R., Research Associate in Bacteriology (Graduate College), October 29, 1956-August 31, 1957, \$4500 a year (11-6-56).

- STABLEFORD, NANCY R., Instructor in Art (Chicago Undergraduate Division), academic year beginning September 1, 1956, \$4800 (11-1-56).
- STERNBURG, JAMES G., Assistant Professor of Entomology, academic year beginning September 1, 1956, \$5700 (11-8-56).
- SULLIVAN, CATHERINE M., Associate Professor of Home Management (Home Economics) (C, 12/100 time and E, 88/100 time), indefinite tenure beginning October 1, 1956, \$7150 a year, supersedes (11-5-56).
- TABER, BEN, Physician in the Health Service (Chicago Professional Colleges), 2/10 time, eleven months from October 1, 1956, \$1800 a year (10-30-56).
- THOMAS, SAMUEL, Clinical Assistant Professor of Pediatrics (Medicine), ¼ time, one year from September 1, 1956, \$2100 (10-17-56).
- THOMPSON, JAMES R., Clinical Assistant Professor of Pathology (Medicine), October 22, 1956-August 31, 1957, without salary, supersedes (11-5-56).
- TORCH, DAVID, Instructor in Pedodontics (Dentistry), ¾ time, eleven months from October 1, 1956, \$2000 a year, supersedes (10-15-56).
- TURMAN, GEORGE A., Research Assistant in Medicine (Medicine), October 17, 1956-August 31, 1957, \$3900 a year (11-9-56).
- VAN VALKENBURG, MAC E., Associate Professor of Electrical Engineering (C), ¾ time, indefinite tenure beginning September 1, 1956, to render service during each academic year, \$6000 a year; Research Associate Professor in the Control Systems Laboratory, ¼ time, academic year beginning September 1, 1956, \$2338, total salary of \$8338; Associate Professor of Electrical Engineering (C), indefinite tenure beginning September 1, 1957, to render service during each academic year, \$8000 a year, supersedes (10-15-56).
- VAUGHAN, HERBERT E., Associate Professor of Mathematics on indefinite tenure, and Associate Professor of Education for one year, beginning September 1, 1956, to render service during each academic year, \$6500 a year; Associate Professor of Mathematics on indefinite tenure beginning September 1, 1957, to render service during each academic year, \$6200 a year, supersedes (10-15-56).
- WALLER, MARVIN I., Instructor in Operative Dentistry (Dentistry), eleven months from October 1, 1956, without salary (11-9-56).
- WARFIELD, JOHN N., Associate Professor of Electrical Engineering (C), ½ time, indefinite tenure beginning September 1, 1956, to render service during each academic year, \$3400 a year; Research Associate Professor in the Control Systems Laboratory, ½ time, academic year beginning September 1, 1956, \$4075; total salary \$7475; Associate Professor of Electrical Engineering (C), indefinite tenure beginning September 1, 1957, to render service during each academic year, \$6800 a year, supersedes (10-15-56).
- WEISE, ERWIN K., Research Associate Professor of Electrical Engineering (S), ¾ time, academic year and full time during summer months; Associate Professor of Mining and Metallurgical Engineering (C), ½ time, academic year beginning September 1, 1956, \$8000, supersedes (10-4-56).
- WHITE, ROBERT B., Clinical Instructor in Surgery (Medicine), eleven months from October 1, 1956, without salary (10-15-56).
- WIGERT, ALBERT T., Instructor in General Engineering (Chicago Undergraduate Division), ¾ time, for the first semester of the academic year 1956-57, five months from September 1, 1956, \$340 a month (10-30-56).
- WYATT, ARTHUR R., Assistant Professor of Accountancy, to render service during the second semester of the academic year 1956-57, six months from March 1, 1957, \$6700 a year, supersedes (11-5-56).
- ZARATZIAN, VIRGINIA L., Research Associate in Pharmacology (Medicine), eleven months from October 1, 1956, \$6000 a year (11-9-56).

#### GRADUATE FELLOWS

(The following appointments were made by the Dean of the Graduate College on the dates indicated in parentheses.)

- ABRAMS, ISAAC N., Fellow in the Chicago Professional Colleges, eight months from November 1, 1956, \$166.67 a month (11-2-56).
- CALLAWAY, EVERETT F., United States Mental Health Fellow in Social Work, nine months from September 16, 1956, \$1800 (10-23-56).
- DEMOVSKY, RONALD, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).

- DUNN, MARILYN A., United States Department of Health, Education, and Welfare Fellow in Education, nine months from September 16, 1956, \$1600 (10-12-56).
- EPSTEIN, ROBERT, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).
- GOLDMAN, JACQUELIN R., United States Public Health Service Fellow in Psychology, nine months from September 16, 1956, \$1800, supersedes (10-23-56).
- GOVE, NORWOOD B., General Electric Company Fellow in Physics, nine months from September 16, 1956, \$2100, supersedes (10-29-56).
- LIVINGSTON, CHARLES, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).
- MARASSO, FREDERICK, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).
- MOSES, LYLE, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).
- PRETTO, JOHN, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).
- SHELOW, RONALD, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).
- SUMMERS, DONALD, United States Public Health Service Medical Student Part-Time Research Fellow (Chicago Professional Colleges), September 16, 1956-June 30, 1957, \$400 (11-9-56).
- TABORN, JOHN M., United States Department of Health, Education, and Welfare Fellow in Education, nine months from September 16, 1956, \$1600 (11-1-56).
- WOOD, WALTER, National Foundation for Infantile Paralysis Postdoctoral Fellow in Preventive Medicine (Medicine), one year from July 1, 1956, without salary (11-9-56).

#### RESIGNATIONS, DECLINATIONS, CANCELLATIONS, AND TERMINATIONS

- ADBEL-FATTAH, M. M. I., Research Assistant in Preventive Medicine (Medicine) — cancellation effective September 1, 1956.
- BIELAWA, FRANK R., Research Assistant in the Control Systems Laboratory (S) — resignation effective November 18, 1956.
- BILBRUCK, JAMES D., Research Assistant in Applied Botany and Plant Pathology, in the State Natural History Survey — termination effective December 1, 1956.
- BLANKFIELD, ALAN, Research Associate in the Control Systems Laboratory (S) — resignation effective November 3, 1956.
- BOUER, ROBERT, Clinical Assistant in Obstetrics and Gynecology (Medicine) — resignation effective September 15, 1956.
- CLINEBELL, PAUL W., Instructor in Civil Engineering — resignation effective March 1, 1957.
- COOGAN, VIRGINIA A., Rockefeller Foundation Fellow in Bacteriology — resignation effective October 12, 1956.
- DUHAMEL, RAYMOND H., Research Assistant Professor of Electrical Engineering (C) — resignation effective November 1, 1956.

#### BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

#### APPOINTMENTS TO THE FACULTY

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. AARON M. JOSEPHSON, Lecturer in Medicine, with rank of Assistant Professor, beginning November 1, 1956, without salary (DY).
2. WARREN R. SCHOONOVER, Professor of Soils in the Department of Agronomy, assigned to India North Central Region, for two years from January 25, 1957, at an annual salary of \$15,000 (FY).

#### Appointments to Nonacademic Staff

The Director of Nonacademic Personnel reports the following appointments to a supervisory position of upper level responsibility.

1. JOAN M. BROPHY, Dietitian at the Research and Educational Hospitals, beginning October 1, 1956, at an annual salary of \$3,900.
2. HAROLD B. LAWLER, Laboratory Manager, Electrical Engineering, beginning November 12, 1956, at an annual salary of \$6,300.
3. BETTY S. VRANJES, Dietitian in the Research and Educational Hospitals, beginning October 1, 1956, at an annual salary of \$3,900.
4. MARJORIE L. WAGNER, Catering Supervisor, Illini Union, beginning November 5, 1956, at an annual salary of \$4,800.

On motion of Mr. Johnston, these appointments were confirmed.

#### COLLEGE OF PHARMACY ADVISORY COMMITTEE

(2) The Dean of the College of Pharmacy and the Vice-President in charge of the Chicago Professional Colleges recommend the appointment of Fred B. Kienzle, Midwest District Vice-President of McKesson and Robbins, Inc., 540 West Randolph Street, Chicago, as a member of the College of Pharmacy Advisory Committee for a period of five years (July, 1956-June 30, 1961) to succeed Mr. Paul S. Sang, Chicago, whose term has expired.

I concur.

On motion of Mrs. Watkins, this appointment was approved.

#### AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(3) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State From Which They Obtained Certificates</i>
MANUEL AUERBACH	Skokie, Illinois	District of Columbia
JOHN ANGUS BECKETT	Winnetka, Illinois	Washington
LEONARD FRUMOVITZ	Chicago, Illinois	District of Columbia
JOSEPH FRANCIS GOLTZBACH	Chicago, Illinois	Indiana
JOHN FRANCIS KAHELSKI	Milwaukee, Wisconsin	Wisconsin
ROBERT LORIN LUTZ	Bronxville, New York	Ohio
DENNIS EDWARD MITCHEM	Hinsdale, Illinois	Nebraska
FRED PAUL SCHUEREN	Western Springs, Illinois	New York

I concur.

On motion of Mr. Swain, these certificates were awarded.

#### ADMISSION OF UNDERGRADUATE STUDENTS ENTERING DIRECTLY FROM HIGH SCHOOL

(4) The University Senate recommends that the present requirements for admission of undergraduate students entering the University directly from high school be amended in two respects: (a) in the admission of applicants who rank in the lowest quarter of their high school graduating classes and (b) in the admission of nonresidents of Illinois, as follows:

*Residents of Illinois.* A graduate of an accredited high school who is a resident of Illinois, whose rank in scholarship is in the lowest quarter of his graduating class as determined at the end of the first half of grade twelve and who meets the requirements as stated below, will be admitted by certificate to probationary status subject to the following procedure:

Such an applicant will be required by the University to take tests as prescribed by the Student Counseling Service and to receive in an interview an interpretation of the test scores and their educational and vocational significance. A reasonable effort will be made to inform the parents of the chances of the applicant's success at the University. If such an applicant then decides to enter the University, he shall make this decision in writing to the Office of Admissions and Records not later than thirty days prior to registration date. Such a student, immediately upon registration, will be placed under the special supervision of the dean of the college or the director of the school in which he is enrolled. He may be required to carry a reduced program of work or a program especially arranged to meet his needs.

The student's rank is to be based on work completed in grades nine, ten, and eleven, and the first half of twelve in the case of four-year high schools, and on work completed in grades ten, eleven, and the first half of twelve in the case of three-year senior high schools.

*Nonresidents of Illinois.* In addition to the requirements stated below, a nonresident of Illinois must rank in the upper half of his high school graduating class to be admitted to the University.

The Dean of Admissions is authorized to consider for admission high school seniors who have not yet graduated, on the basis of the following official documents from the high school principal:

Residents and nonresidents of Illinois who rank in the upper half of their classes: A statement of seven semesters of completed high school work, a statement of courses to be taken in the final semester, the date of probable graduation, and an estimate of the applicant's rank in his class.

Residents of Illinois regardless of rank in class and nonresidents who rank in the upper half: A statement of seven semesters of completed high school work and grades in each subject at the middle of the final semester, the date of probable graduation, and the applicant's rank in his class.

I recommend approval of these changes in admission requirements effective September 1, 1957.

On motion of Mr. Livingston, these changes in admission requirements were approved. Mrs. Holt asked to be recorded as seconding this motion.

### ADMISSION OF UNDERGRADUATE STUDENTS TRANSFERRING FROM OTHER COLLEGES AND UNIVERSITIES

(5) Following a study by its Committee on Admissions from Higher Institutions of the conservation of University facilities, in view of the inevitable increase in undergraduate enrollments, for those students who show best promise of useful utilization of these facilities, the University Senate recommends that the present admission requirements applicable to transfer students be amended to read:

A person who has attended another college or university of recognized standing is considered for admission to the University of Illinois on presenting (1) a transcript of his college record showing honorable dismissal from the institution from which he comes and (2) an official statement of his preparatory school work. A person seeking transfer to any undergraduate curriculum with more than forty semester hours of academic work from other colleges or universities must present a scholarship average of at least 3.0 ("C") in terms of the grading system of the University of Illinois, and must have a combined average of at least 3.0 ("C") for his last two semesters. Nevertheless, an applicant who is otherwise qualified but whose scholarship average for his last semester is less than 3.0 ("C") may, with the approval of the dean concerned, be admitted only on probationary status. A person with more than forty semester hours of academic work with less than a 3.0 ("C") average will not be admitted.

A resident of Illinois with forty semester hours or less of academic work whose scholarship average is less than 3.0 but above 2.5 may, with the approval of the dean of the college concerned, be admitted only on probationary status.

A nonresident of Illinois with forty semester hours or less of academic work whose scholarship average is less than 3.0 will not be admitted.

The above are general University requirements for admission. Certain colleges have established higher admission requirements. An applicant should refer to the section of the University's catalog which presents admission requirements of the college to which he is applying for admission.

A person on probation at or dropped from another institution for disciplinary reasons may enter the University only on the approval of the dean of the college concerned and with the approval of the University Senate Committee on Discipline.

I recommend approval of these changes in admission requirements, effective September 1, 1957.

On motion of Mr. Williamson, these changes in admission requirements were approved.

### APPROPRIATION BY THE ATHLETIC ASSOCIATION

(6) The Board of Directors of the Athletic Association has assigned \$4,000 from its surplus funds for the expenses of raising funds for the Student Activity Grants-in-Aid program to be undertaken by the University of Illinois Foundation.

Confirmation of this is requested.

On motion of Mr. Herrick, the action of the Board of Directors was confirmed.

### SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(7) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve Fund as follows:

1. Department of Animal Science, installation of distillation equipment..	\$2 000
2. Engineering Sciences, Chicago Undergraduate Division, to repair drawing tables .....	2 158
<i>Total</i> .....	<i>\$4 158</i>

I concur.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**AWARD OF CONTRACT AND APPROPRIATION FOR  
ADDITION TO THE OBSERVATORY**

(8) The Director of the Physical Plant and the Comptroller recommend the award of a contract for \$35,853 (base bid of \$34,703 plus alternates for air conditioner units in three rooms) to Dean Evans, Champaign, the lowest bidder, for the construction of a basement and a one-story addition to the Observatory at Urbana.

The Committee on Nonrecurring Appropriations recommends an appropriation of \$43,650 to cover the cost of this project. The difference between the contract price and the appropriation requested is for equipment, architectural and engineering services, landscaping, insurance during construction, and contingencies.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Williamson, this contract was awarded and the Comptroller and Secretary of the Board were authorized to execute the same, and the required assignment of funds was authorized. These actions were taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**APPROPRIATION FOR REPAIR OF UNIVERSITY CHIMES**

(9) The University chimes, presented as senior memorials by the Classes of 1914 to 1922, inclusive, and installed in the University Library, now Altgeld Hall, are in need of extensive repairs. In accepting the chimes the University obligated itself to maintain them. Part of the work that now needs to be done was deferred in previous years because replacement parts for the playing mechanism were not available.

The University of Illinois Foundation has included the restoration of the chimes in its fund-raising program. Gifts received specifically for this purpose plus unrestricted funds which the Foundation's Board of Directors has assigned, totaling \$4,845, are available to the University, but an additional \$1,155 is needed to cover the complete cost of the indicated repairs. The McShane Bell Foundry Company, Baltimore, Maryland, which installed the chimes, has offered to do the complete job of overhauling, repairing, plus electrification of the tower clock, for \$6,000.

In consideration of the gifts of individual donors and the assignment of funds offered by the Foundation, and in view of the University's obligation to the original donors (the Classes of 1914 to 1922, inclusive) of the chimes, I recommend (a) acceptance of the \$4,845 offered by the Foundation for this purpose; (b) an appropriation of \$1,155 from the General Reserve Fund to be expended on the repairs of the University chimes; and (c) that the Comptroller and the Secretary of the Board be authorized to execute a contract with the McShane Bell Foundry Company for \$6,000 for the complete overhaul and repairs of the chimes, including the electrification of the tower clock.

On motion of Mr. Bissell, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**CONTRACT FOR SERVICE OF CONSULTANT ON  
CENTRAL FOOD STORAGE BUILDING**

(10) The Board of Trustees has authorized a contract with A. Epstein and Sons, Inc., Engineers, Chicago, for complete architectural and engineering services for the construction of a central food storage building to service the dining facilities in the Men's Residence Halls, both present and future units. The Director of the Physical Plant and the Comptroller recommend the employment of Arthur W. Dana, Food Service Consultant, New York City, for planning the layout

of food service equipment and preparation of detailed specifications, these services to include: (a) preparation of detailed equipment specifications for the bakery, meat and produce processing rooms, test kitchen, and washing room; (b) analyzing bids; and (c) examining and approving shop drawings of equipment contractor. The fee for this work will be five per cent of the cost of equipment covered by Mr. Dana's service, plus travel expenses. This is a minimum percentage fee for professional services of this nature. The estimated cost of the equipment involved in the services will be a minimum of \$120,000 so that the fee will be a minimum of \$6,000, plus travel expenses.

I recommend approval and that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **ARCHITECTURAL SERVICES ON REMODELING OF DIGITAL COMPUTER LABORATORY**

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of A. Epstein and Sons, Inc., Chicago, for architectural and engineering services on the remodeling of the Digital Computer Laboratory at a fee of eight per cent of the cost of construction. This recommendation has been considered by the Committee on Buildings and Grounds, which concurs.

I recommend approval.

On motion of Mr. Swain, a contract with A. Epstein and Sons, Inc., Chicago, for these services was authorized, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR LANDSCAPING OF EAST DENTISTRY-MEDICINE- PHARMACY BUILDING ADDITION AND SOUTH PARKING LOT AREAS**

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$8,762 to Synnestvedt and Associates, Glenview, Illinois, the lowest bidder, for the landscaping of the East Dentistry-Medicine-Pharmacy Building Addition and south parking lot areas.

The work will include furnishing and planting trees and shrubs for the south portion of the block east of Wood Street and north of Taylor Street on the Chicago Professional Colleges campus. The landscaping is a part of the completion of the East Dentistry-Medicine-Pharmacy Building Addition area.

Funds are available in the state appropriation "For addition to East Dentistry-Medicine-Pharmacy Building, Chicago."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **RESOLUTION OF ACCEPTANCE OF FRED S. BAILEY TRUST INCOME**

(13) The Harris Trust and Savings Bank of Chicago, Trustee of the trust created by the will of the late Fred S. Bailey, has requested adoption of the following resolution to complete arrangements for the administration of this trust:

WHEREAS the Board of Trustees of the University of Illinois is a beneficiary under the trust created by the will of the late Fred S. Bailey and in accordance with the terms of this trust is to receive periodically from the Harris Trust and Savings Bank, Chicago, Illinois, Trustee under the will, a share of the net income from the trust for the purpose of establishing the "Bailey Memorial Chair of Money, Banking, and Finance" and to employ distinguished teachers in the field of money, banking, or finance at the University of Illinois, now therefore be it

*Resolved* that the Board of Trustees accept the income thus available as transmitted to it by the Trustee, and to use it for the purpose specified, and be it further

*Resolved* that the Comptroller of the University be designated as the officer authorized to receive and receipt for such income, and that it be the expressed desire of the Board that the income be made available to the University in quarterly installments, to be paid prior to or upon March 31, June 30, September 30, and December 31 of each year.

On motion of Mr. Livingston, this resolution was adopted. He called attention to the previous action taken by the Board with respect to this matter at its meeting on November 28, 1956, when representatives of the Fred S. Bailey estate reported to the Board on the nature of the trust created by Mr. Bailey's will as it affects the University.

#### GRANT FOR STUDY OF CORONARY HEART DISEASE

(14) The Departments of Medicine and Preventive Medicine have submitted an application to the United States Department of Health, Education, and Welfare for a grant to study coronary heart disease. A group of employees of the Western Electric Company who are believed to be free of coronary heart disease will be studied over a period of five years. The original grant of \$189,500 will be for one year, and annual renewals are anticipated. Particular emphasis will be given to the following factors which may have an effect on heart disease: body build, body fatness, diet, hypertension, blood lipids, physical activity, heredity (including geographic and national background), and emotional and psychological factors.

The Dean of the College of Medicine, the Vice-President in charge of the Chicago Professional Colleges, and the Vice-President and Comptroller recommend that if the application is approved, the funds be accepted for this research work.

I concur.

On motion of Mr. Swain, this recommendation was approved.

#### FEDERAL FUNDS FOR HEALTH RESEARCH FACILITIES

(15) At its meeting on November 28, 1956, the Board of Trustees authorized an application for federal funds for permanent improvements for health research facilities at the Chicago Professional Colleges and appropriated the necessary matching University funds. The University has been informed that the Medical Advisory Committee on Health Research Facilities has approved grants of federal funds for all of these projects.

This report was received for record.

#### PURCHASES

**CONTRACT FOR ARCHITECTURAL SERVICES FOR RESIDENCE HALL FOR GRADUATE STUDENTS**

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract to Hewitt and Bastian, Peoria, for the design of a residence hall for graduate students at the standard fee of six per cent of the construction contracts for complete architectural and engineering services, and including supervision of construction. Professor Ambrose Richardson will review the designs of this building in accordance with the current arrangement on new University buildings in general.

I recommend approval. The Committee on Buildings and Grounds has been consulted and is prepared to support this recommendation.

On motion of Mr. Livingston, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same.

**LAND ACQUISITION FOR THE CHICAGO PROFESSIONAL COLLEGES**

(19) Under date of April 28, 1956, the Medical Center Commission was formally requested to allocate to the University of Illinois for the development of the Chicago Professional Colleges the area bounded by Ashland Avenue on the east to Damen Avenue on the west, and from Polk Street on the north to Taylor Street on the south; also the area bounded by Paulina Street on the east and Wood Street on the west, and from Taylor Street on the north to Roosevelt Road on the south, except for land now occupied by the State Department of Public Welfare for the "William Healy Residential School." Under date of December 5, 1956, this request was modified to eliminate from the University's askings the area south of the William Healy Residential School in the section of the block bounded by Wood Street, Roosevelt Road, and Hermitage Avenue. Under date of December 13, 1956, Dr. Walter H. Theobald, President of the Medical Center Commission, wrote as follows:

*Dr. David D. Henry, President  
University of Illinois  
Urbana, Illinois*

December 13, 1956

DEAR DR. HENRY:

The Medical Center Commission met at its regular meeting on Tuesday, December 11th, 1956, and took action on your request dated December 5th, 1956. In reference to your original request of April 28, 1956, I am happy to report to you that with the modification which you explained, the Commission voted unanimously to allocate the area bounded by Damen Avenue, Polk Street, Taylor Street and Ashland Boulevard to the East. Of course, the Holy Trinity Church area is an exception, and the Board of Education Warehouses facing Damen Avenue is a matter for future consideration and negotiation. In round figures this area amounts to about eighteen or twenty acres.

I believe the above action by the Commission is of mutual satisfaction and will give reassurance to you and the University.

Sincerely yours,

WALTER H. THEOBALD, M.D.  
*President*

Dr. Longenecker reported that the Medical Center Commission owns most of the land in this area and that it will seek an appropriation from the General Assembly of Illinois for the purchase and acquisition of the remaining parcels of land.

This report was received for record.

**EXECUTIVE SESSION**

At this point an executive session was requested and ordered for the consideration of the following items of business.

**PURCHASES OF PROPERTIES**

Mr. Livingston, Chairman of the Committee on Buildings and Grounds, reported that at a meeting held earlier today his Committee voted to recommend the acquisition of the following properties, at the prices and on the terms indicated in each case:

Two adjoining properties at 514 East Chalmers Street and 909 South Sixth Street, Champaign (at the northwest corner of Sixth and Chalmers Streets), from the L. H. Hunter estate, at a price of \$55,000, a down payment of \$2,000 to be made immediately and the balance to be paid after July 1, 1957.

At 1010 West Green Street, Urbana, at a price of \$26,500, a down payment of \$1,000 to be made immediately and the balance to be paid after July 1, 1957.

At 1202 West California Avenue (northwest corner of California and Good-

win Avenues), at a price of \$20,000, a down payment of \$1,000 to be made immediately and the balance to be paid after July 1, 1957.

These properties are within the area of future campus expansion. Memoranda describing each of them and explaining the need for their acquisition at this time, and a copy of the minutes of the meeting of the Committee on Buildings and Grounds at which the Committee considered these land acquisitions have been filed with the Secretary of the Board for record.

President Henry stated that he concurs in these recommendations.

On motion of Mr. Livingston, (a) the purchases of these properties at the prices and on the terms indicated were authorized; (b) an appropriation of \$4,000 was made from the General Reserve Fund for the down payments; and (c) the Comptroller and Secretary of the Board were authorized to execute the necessary contracts and other documents relating to this land acquisition program. These actions were taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrn, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**MEETING OF THE BOARD OF TRUSTEES**  
**OF THE**  
**UNIVERSITY OF ILLINOIS**

---

**January 16, 1957**

The January meeting of the Board of Trustees of the University of Illinois was held in the Office of the Dean of the Chicago Undergraduate Division, at Navy Pier, Chicago, Illinois, on Wednesday, January 16, 1957, beginning at 11:00 a.m.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. H. B. Megrn, Mr. Vernon L. Nickell, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, and Mr. Kenney E. Williamson. Governor William G. Stratton was absent.

Also present were President David D. Henry, Vice-President and Provost Henning Larsen, Dr. Herbert E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Mr. J. C. Colvin and Mr. William H. Rice, Administrative Assistants in the President's Office, Dean C. C. Caveny of the Chicago Undergraduate Division, Director C. S. Havens of the Physical Plant Department, Mr. C. E. Flynn, Director of Public Information; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

**BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY**

The Board took up consideration of the following reports and recommendations from the President of the University.

**APPOINTMENTS TO THE FACULTY**

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. ERNEST CONNALLY, Associate Professor of Architecture, beginning February 1, 1957, at an annual salary of \$8,000 (A).
2. ZELLA LURIA, Lecturer with rank of Assistant Professor of Psychology, on one-fourth time, for six months from March 1, 1957, at an annual salary of \$1,400 (D25).
3. WALTER W. SAWYER, Visiting Associate Professor of Mathematics, for six months from March 1, 1957, at a salary of \$4,000 for the period.

**Appointments to Nonacademic Staff**

The Director of Nonacademic Personnel reports the following appointments to a supervisory position of upper level responsibility.

1. DOROTHY L. BARNHART, Assistant Chief Physical Therapist at the Research and Educational Hospitals—Physical Medicine and Rehabilitation, beginning November 1, 1956, at an annual salary of \$5,160.
2. NOREEN A. LOAN, Placement Officer in the Office of Nonacademic Personnel, Chicago Professional Colleges, beginning November 19, 1956, at an annual salary of \$3,900.

On motion of Mr. Williamson, these appointments were confirmed.

**APPOINTMENT OF RUSSELL N. SULLIVAN AS DEAN  
OF THE COLLEGE OF LAW**

(2) Dean A. J. Harno will retire from active service as Professor and Dean of the College of Law on September 1, 1957, after thirty-six years of continuous service, thirty-five of them as Dean. From 1931 to 1944 he also served as Provost of the University.

To fill this position, I recommend the appointment of Russell N. Sullivan as Professor of Law on indefinite tenure and as Dean of the College of Law for two years, beginning September 1, 1957, at a total salary of \$18,000 on Y basis.

This appointment is unanimously recommended by a Committee of the faculty, appointed in June, 1956, to make recommendations concerning the deanship. In its search the Committee solicited representative faculty and alumni opinion.

On motion of Mr. Herrick, this appointment was approved.

**GEORGE A. MILLER SCHOLARSHIPS  
AND FELLOWSHIPS**

(3) The Board of Trustees has authorized an assignment of \$6,000 a year from the income of the George A. Miller Endowment for undergraduate scholarships. The Committee on the George A. Miller Endowment recommends that for the academic year 1957-58 the sum of \$5,000 be assigned for undergraduate scholarships and thereafter a sum be assigned as specifically approved annually by the Board of Trustees.

Since the University is procuring additional funds for scholarships from other sources, it is proposed to reduce the amount assigned for this purpose from the George A. Miller Endowment so that the endowment funds may be used for other projects within the objectives of the endowment.

The Committee also recommends the award of a George A. Miller Fellowship in the Graduate College for 1957-58 with a stipend of \$2,000 plus tuition to be paid to the University from the Miller Endowment income.

I concur in these recommendations.

On motion of Mr. Johnston, these recommendations were approved.

**THE UNIVERSITY COMMITTEE ON ACCOUNTANCY**

(4) Since 1903 the University has been responsible for examining applicants for the certificate of Certified Public Accountant in Illinois and issuing such certifi-

cates. In the discharge of the University's responsibilities under the original Accountancy Act of 1903 and the present Illinois Accountancy Act of 1943, as amended, the Board of Trustees has adopted regulations for the administration of this law. The regulations provide for a Committee on Accountancy responsible to the President of the University and define its functions.

I recommend that the first two paragraphs of the current regulations be amended to read as follows; the language to be stricken is in parentheses and the new language is in italics.

The administrative functions of the University of Illinois under the Accountancy Act of 1943 as amended shall be performed by a Committee on Accountancy responsible to the President of the University. The Committee shall consist of the (Director of Admissions and Records and two other) *Dean of Admissions or his deputy and two other* members of the University staff, to be appointed by the President.

This Committee shall receive all applications for examinations under the Act, shall examine all evidence submitted by such applicants in support of their application, and shall issue to approved applicants cards of admission to the examinations; and no candidate shall be examined who does not present to the appropriate Board of Examiners, at the time and place of examination as advertised, such card of admission, signed by the (Director of Admissions and Records) *Secretary of the Committee*.

I also recommend that elsewhere in the regulations, wherever the title "Director of Admissions and Records" appears, it be changed to "Dean of Admissions." These changes are, of course, consistent with the change made in the title of Director of Admissions and Records to Dean of Admissions. Authorization of the Dean of Admissions to delegate his representation on the Committee is desirable for administrative reasons.

On motion of Mr. Bissell, these regulations were amended, as recommended.

#### MEN'S RESIDENCE HALLS BOND ISSUE

(5) The Board of Trustees has authorized certain steps preparatory to the issuance of bonds for the 1957 housing construction and financing program, including additional units for 1,332 undergraduate men. In preparing drawings for this project, the occupancy was increased to approximately 1,500.

An application was submitted to the Housing and Home Finance Agency for a loan of \$6,000,000, exclusive of equipment. The Housing and Home Finance Agency was not able to approve a loan of this size, but has given preliminary approval to and has reserved funds for \$3,000,000, with the understanding that the balance will be financed through a bond issue sold to private investors. The exact amount to be borrowed privately will depend on total construction costs which will be determined when bids are taken. The preliminary estimate of the amount is \$3,750,000, including equipment.

The bonds to be sold to the Federal Government will bear interest at the rate of 2½ per cent, which is considerably below the present market for municipal bonds. The Vice-President and Comptroller feels that with the government taking approximately half of the bonds, the average interest cost on the entire issue will be such that the project can be financed from the net income of the new halls plus the student fees authorized. He recommends that a loan agreement with the Federal Government be executed on this basis and that advertisements for bids on the bond issue be published, announcing that not more than \$3,000,000 of the bonds will be sold to the Federal Government at 2½ per cent, unless an equal or better bid is received (in which case the entire issue will be sold to such bidder), and that the remainder will be sold to the lowest bidder at the public sale.

I concur.

On motion of Mr. Swain, these recommendations were approved by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stratton.

**SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(6) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve Fund as follows:

1. College of Agriculture, for construction of a research laboratory for the Department of Dairy Science. This is to supplement an appropriation of \$40,000 previously made by the Board of Trustees for the construction of a dairy barns research laboratory to replace an obsolete building used by the Department of Dairy Science as a milk house, laboratory, office, locker room, and shop.....\$12 000
2. College of Fine and Applied Arts, for remodeling and redecorating of the building at 505 South Goodwin Avenue for use by the Department of Art..... 5 000
- Total*.....\$17 000

I concur.

On motion of Mrs. Holt, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stratton.

**CONTRACT FOR DAIRY BARNs RESEARCH LABORATORY**

(7) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$42,150 to Oran L. Shoemaker and Company, Champaign, the lowest bidder, for the construction of a research laboratory at the dairy barns (the Round Barns), to replace an obsolete frame building. The base bid is \$42,575, but the contractor will allow credit for \$425 if he is not required to submit a performance bond. In view of the size of this project and the standing of the contractor, it is recommended that no bond be required and that the credit be taken.

The Board of Trustees has made an assignment of \$40,000 for this project and the Committee on Nonrecurring Appropriations has recommended for consideration at this meeting a supplementary assignment of \$12,000. The difference between the total assignment of \$52,000 and the recommended contract is for fixed equipment, landscaping, architectural services, including supervision, moving, builders' risk insurance, and contingencies.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded, as recommended, and the Comptroller and Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stratton.

**CONTRACT WITH THE UNITED STATES NAVY FOR RESEARCH IN NUCLEAR PHYSICS**

(8) Since March 1, 1946, the Office of Naval Research has been supporting basic research in nuclear physics at the University of Illinois. At the end of the current calendar year, December 31, 1957, the Navy Department will have paid the University \$4,534,636 for the direct and indirect costs of this research program.

The Office of Naval Research desires to continue the program through December 31, 1958, and will provide an additional \$576,833. Part of the new funds will be used for expansion of the program during the current calendar year.

The Dean of the College of Engineering, the Chairman of the University Research Board, and the Vice-President and Comptroller recommend, and I concur, that the University accept this proposal of the Office of Naval Research.

On motion of Mr. Williamson, this recommendation was approved.

**REPORT ON TAXPAYER'S SUIT ON UNIVERSITY TELEVISION OPERATIONS**

(9) The Legal Counsel reports the following decision of the Circuit Court of Sangamon County in the case of Stephen Turkovich and others against the Board

**GRANT FROM FOREST PARK FOUNDATION OF PEORIA**

(10) The Forest Park Foundation of Peoria has made a grant of \$25,000 to the University for a three-year study by the Institute of Labor and Industrial Relations of economic problems of older workers in the Peoria area. Objectives of this study as agreed to by the Foundation and the University are (a) to identify the problems of older workers in Peoria and see to what extent they parallel or differ from the problems of older workers elsewhere; (b) to study solutions which have been or are being worked out in Peoria with a view toward disseminating information for possible application elsewhere; and (c) to develop new solutions which might be tested in Peoria and, if successful, used as a basis for action elsewhere.

The Peoria area was chosen for this research study because the Forest Park Foundation has already done extensive work on the problems of older people there.

I have authorized acceptance of this offer and request confirmation of my action.

On motion of Mr. Swain, the President's action was confirmed.

**GEHRMANN LECTURESHIP IN MEDICINE**

(11) In 1924 Mrs. Albertina Gehrmann bequeathed to the University \$10,000 to establish a lectureship in the College of Medicine in honor of the late Dr. Adolph Gehrmann who was Professor of Bacteriology and Hygiene in the College of Medicine from 1894 until his retirement in 1918. Mr. Felix Gehrmann, son of Dr. Gehrmann, has now offered the University \$30,000 par value State of Illinois Service Recognition bonds Series A, bearing an interest rate of  $1\frac{3}{4}$  per cent and maturing May 1, 1972. Attached to the bonds are unclipped coupons from May 1, 1951, to date, with a value of \$3,150. On the date of the gift, November 8, 1956, these securities had a market value of \$25,080. This gift is to be added to the original Gehrmann Lectureship Fund, and I have accepted it on behalf of the University.

The First National Bank of Chicago and officials of the Chicago Professional Colleges have recommended, in view of the present state of the bond market, to retain these securities for the present. The Vice-President and Comptroller concurs in this recommendation.

Approval of the retention of these securities and confirmation of the acceptance of the gift are requested.

On motion of Mrs. Watkins, the President's action was confirmed.

**DAVID J. DAVIS FELLOWSHIP IN PATHOLOGICAL SCIENCES**

(12) The University has been given \$25,000 to establish in the College of Medicine the David J. Davis Fellowship in Pathological Sciences. Provision for this fellowship was made by the late Myra Jones Davis (Mrs. David J. Davis) in her will under a trust agreement with the State Bank and Trust Company of Evanston, Illinois. Dr. Davis was Professor of Pathology in the College of Medicine from 1913 and Dean of the College from 1924 until his retirement in 1943. He died on December 19, 1954. His interest in the field of medical history led to the establishment of an endowment, through gifts from many friends, of a D. J. Davis Lectureship in Medical History.

The terms of Mrs. Davis' gift were chosen to permit wide latitude in the subject of study and choice of individuals, and reflect the broad interest of Dr. Davis in the pathogenesis of disease during his earlier years on the faculty and the continuous concern for the development of his students. The terms also permit the use of the principal as well as income to accomplish best its purpose.

I have authorized acceptance of this gift to be used as indicated above and request confirmation of my action.

On motion of Mr. Nickell, the President's action was confirmed, and the Secretary was requested to send to representatives of the family of Dr. Davis an expression of appreciation on behalf of the Board for this gift.

**GIFT FROM THE MAGNAVOX COMPANY**

(13) The Magnavox Company, Fort Wayne, Indiana, through its President, has presented the University seven television sets for the use of students and mem-

bers of the faculty at Urbana-Champaign. These sets will be placed in the McKinley Hospital, the Illini Union Building, and in the residence halls.

This report was received for record.

#### REPORT OF GIFTS AND GRANTS RECEIVED BY THE UNIVERSITY

(14) The following gifts and grants of funds received by the University have been accepted by the President and are now being reported for official record. These grants include payments received through June 30, 1956. The previous report of such gifts was made to the Board on December 20, 1955. (In many cases a period of several months may elapse between the time an offer is accepted and the final payments have been received. Hence, to avoid complications in audits of University accounts, monetary gifts are usually reported after the funds have been deposited with the University. In each case due acknowledgment of these gifts and grants has been made by appropriate University officials, including an expression of appreciation on behalf of the Board of Trustees.)

Union Electric Power Company of Missouri.....	86 00
100. Illinois Farm Supply Company, Chicago: to the Department of Agronomy for soil fertility field trials.....	1 000 00
101. Illinois Seed Producers Association, Inc.: to the Department of Agronomy for corn research.....	3 200 00
102. The International Nickel Company, Inc., New York, New York: to the Department of Mechanical Engineering for an investigation of basic factors affecting the machining behavior of low carbon chromium-nickel cast stainless steels.....	3 000 00
103. Kretschmer Wheat Germ Corporation, Carrolltown, Michigan: to the Department of Food Technology for research in fats and oil..	500 00
104. Lennen and Newell Advertising Agency, New York, New York: to the Department of Marketing for research.....	700 00
105. Eli Lilly and Company, Indianapolis, Indiana: to the Department of Chemistry and Chemical Engineering for research on natural products.....	2 000 00
106. Lipotropic Research Foundation, New York, New York: to the Department of Chemistry and Chemical Engineering for a study of intermediary metabolism of myo-inositol and its derivatives.....	2 500 00
107. Midwestern Universities Research Association: to the Department of Physics for the work of MURA on the cosmotron development	90 292 00
108. Mrs. C. Philip Miller, Chicago: to add to the Sinissippi Forest Trust Fund in support of forestry research.....	1 985 62
109. Monsanto Chemical Company, St. Louis, Missouri: to the Department of Agronomy for weed research.....	2 500 00
110. National Livestock and Meat Board.....	10 200 00
To the Department of Food Technology for a study of biological utilization of fatty acid isomers.....	\$6 400 00

To the Department of Physiology for a study of the effects of a sustained diet of meat for one year on nitrogen, calcium, phosphorus, sodium, and potassium metabolism .....		3 800 00
III. National Science Foundation, Washington, D.C., in support of the following research (the numbers in parentheses are code designations used by the Foundation to identify the grants).....		283 300 00
Alkaloids of haplophyton cnicoidum, under the direction of Professor Harold R. Snyder, Department of Chemistry and Chemical Engineering (G580).....		\$29 600 00
Classical and relativistic gas-dynamics by the method of Einstein's equations, under the direction of Professor George C. McVittie, Department of Astronomy (G807) .....		11 400 00
Metal complexes in the resolution of optically active organic substance, under the direction of Professor John C. Bailar, Jr., Department of Chemistry and Chemical Engineering (G985).....		13 000 00
Fatigue of concrete, under the direction of Associate Professor Clyde E. Kesler, Department of Theoretical and Applied Mechanics (G1003).....		20 000 00
Plastic deformation, under the direction of Professors James S. Koehler and Frederick Seitz, Department of Physics (G1018) .....		18 100 00
Low temperature research on polar crystals, under the direction of Professor Robert J. Maurer, Department of Physics (G1019) .....		14 300 00
Cultivation of parasitic nematodes, under the direction of Professor Norman D. Levine, College of Veterinary Medicine (G1150) .....		9 500 00
Mode of action of diphosphothiamine in carbohydrate metabolism, under the direction of Dr. Elliott Juni, Department of Bacteriology (G1269).....		9 400 00
Carbohydrate absorption; synthesis and degradation of polysaccharides, under the direction of Dr. Joseph Lerner, Department of Chemistry and Chemical Engineering (G1270) .....		11 700 00
Efficiency of photosynthesis, under the direction of Dr. Robert Emerson, Department of Botany (G1398).....		18 000 00
Dimensions of coiling type polymer molecules, under the direction of Professor Frederick T. Wall, Department of Chemistry and Chemical Engineering (G1446).....		17 600 00
Imperfection in crystalline materials, under the direction of Professor Frederick Seitz, Department of Physics (G1602).....		10 700 00
Biological oxidation of 3-hydroxyanthranilate, under the direction of Professor L. M. Henderson, Department of Chemistry and Chemical Engineering (G1810).....		7 900 00
Mechanisms of carbon dioxide fixation in chemoautotrophic bacteria, under the direction of Dr. Ralph S. Wolfe, Department of Bacteriology (G1818).....		7 400 00
Heterosis in corn in relation to the composition, quantity, and efficiency of enzymes, under the direction of Professor Richard H. Hageman, Department of Agronomy (G1855).....		6 200 00
High energy nuclear phenomena, under the direction of Professor Clark S. Robinson, Department of Physics (G1870).....		10 200 00
Effect of crystal imperfections on diffusion, under the direction of Professor Robert W. Balluffi, Department of Mining and Metallurgical Engineering (G1917).....		11 000 00

Oxidative, cleavage, and transfer reactions in aerobic bacteria, under the direction of Dr. Willis A. Wood, Department of Dairy Science (G1957).....	6 800 00
Conduction in non-striated muscle, under the direction of Dr. C. Ladd Prosser, Department of Physiology (G2063).....	6 200 00
Purification and study of the mechanism of action of the enzyme DDT-dehydrochlorinase, under the direction of Professor Clyde W. Kearns, Department of Entomology (G2139) .....	9 400 00
Properties of glacial till, under the direction of Dr. George W. White, Department of Geology (G2412)...	8 800 00
Absorption processes at electrode surfaces, under the direction of Dr. Herbert A. Laitinen, Department of Chemistry and Chemical Engineering (G2420).....	6 900 00
Methods for producing uniform high intensity ultrasonic fields, under the direction of Professor William J. Fry, Department of Electrical Engineering (G2427).....	15 000 00
Physiological and ecological studies of manitoba flora and fauna, under the direction of Professor S. Charles Kendeigh, Department of Zoology (G2479).....	4 200 00
112. National Vitamin Foundation, Inc., New York, New York: to the Department of Animal Science for research on radioactive vitamin A.....	4 607 00
113. Niagara Chemical Division of the Food Machinery and Chemical Corporation of Middleton, New York.....	1 700 00
To the Department of Horticulture for chemical thinning of fruit trees.....	\$1 200 00
To the Department of Plant Pathology for fungicide research.....	500 00
114. Northern Illinois Breeding Co-op, Hampshire, Illinois: to the Department of Dairy Science for research in artificial breeding.....	5 775 50
115. Olin Mathieson Chemical Corporation, New Haven, Connecticut: to the Department of Chemistry and Chemical Engineering for research in nitrogen chemistry, academic year 1956-57.....	3 000 00
116. Charles Pfizer and Company, Inc., Brooklyn, New York: to the Department of Food Technology for research on the use of antibiotics.....	6 000 00
117. Pure Milk Association, Chicago: to the Department of Food Technology for work on butterfat.....	1 500 00
118. Refrigeration Research Foundation, Colorado Springs, Colorado... To the Department of Mechanical Engineering for a study of frost formation on refrigeration coils.....	\$2 500 00
To the Department of Food Technology for a study of cold storage of irradiated foods.....	3 000 00
119. Research Corporation, New York, New York: to the Department of Chemistry and Chemical Engineering.....	9 963 33
For a study of Lewis acid-base behavior in some non aqueous solvents .....	\$2 400 00
For a study of the influence of angle strain on reactivity and reaction mechanism.....	3 080 00
For an investigation of the chemistry of ferrocene and derivatives.....	2 000 00
For a study of the effect of heating or cooling upon flow pattern at low Reynolds numbers.....	2 400 00
For research in biochemistry (this amount represents the University's share of the net income from an invention by Drs. I. C. Gunsalus and Lester J. Reed relating to lipoic acid) .....	83 33

120. Ringwood Chemical Corporation, Woodstock: to the Department of Animal Science for studies on the mechanism of action of antibiotics and related compounds..... I 500 00
121. Alfred P. Sloan Foundation, Inc., New York, New York..... 70 007 61  
 A research associateship in mathematics, academic years 1955-56 (\$3,754) and 1956-57 (\$5,453.61)..... \$9 207 61  
 A research associateship in physics, academic years 1955-56 and 1956-57 (\$20,000 each year)..... 40 000 00  
 A research associateship in chemistry, academic years 1955-56 (\$10,000) and 1956-57 (\$10,800)..... 20 800 00
122. Socony Mobil Oil Company, New York, New York: renewal of grant-in-aid in chemistry, academic year 1956-57..... 4 000 00
123. Southern Illinois Breeding Association, Breese, Illinois: to the Department of Dairy Science for research in artificial breeding.... I 898 25
124. Spencer Chemical Company, Kansas City, Missouri..... 2 700 00  
 To the Department of Agricultural Economics for research in farm management..... \$2 000 00  
 To the Department of Agronomy for nitrogen research 700 00
125. Swift and Company, Chicago: to the Department of Food Technology for work on the nutritional value of heated fats..... 3 000 00
126. Union Carbide and Carbon Corporation, New York, New York: to the Department of Horticulture for studies on fungicides..... 600 00
127. United Cerebral Palsy Association, Inc., New York, New York: to the Institute for Research on Exceptional Children for a study of the language process of preschool cerebral palsied children.... 6 542 64
128. United States Public Health Service, for support of the following research and educational programs.....265 715 26  
 A study of the synthesis and the biological utilization of the fatty acid derivatives of water soluble vitamins, under the direction of Dr. Fred A. Kummerow, Department of Food Technology, for the period June 1, 1955, to August 31, 1956 (A-257-C3R).....\$ 6 400 00  
 A study of the metabolism of amino acids labeled with radio-active carbon, under the direction of Dr. George Wolf, Department of Animal Science, for one year beginning January 1, 1955 (A-493-C)..... 2 879 59  
 A study of the metabolism of amino acids labeled with radio-active carbon, under the direction of Dr. George Wolf, Radiocarbon Laboratory, for one year beginning January 1, 1956 (A-493-C2)..... 5 650 00  
 A study of metabolic mechanisms, under the direction of Dr. I. C. Gunsalus, Department of Chemistry and Chemical Engineering, for one year beginning September 1, 1955 (A-562-C2) (A-562-C2S)..... 12 821 00  
 A study of applications of infrared spectroscopy to biochemical and organic chemical problems, under the direction of Dr. I. C. Gunsalus, Department of Chemistry and Chemical Engineering, for one year beginning January 1, 1956 (A-1038)..... 14 375 00  
 A study of the chemistry and metabolism of the sphingolipides, under the direction of Dr. Herbert E. Carter, Department of Chemistry and Chemical Engineering, for one year beginning September 1, 1955 (B-574-C2)..... 10 632 04  
 A study of the neurological research using focused ultrasound, under the direction of Dr. William J. Fry, Department of Electrical Engineering, for one year beginning June 1, 1956 (B-613-C)..... 10 864 00

A study to determine the synthesis and maintenance of intracellular enzymes, under the direction of Dr. Sol Spiegelman, Department of Bacteriology, for one year beginning January 1, 1955 (C-1094-C5) (C-1094-C5S)...	14	812	00
A study of the synthesis and maintenance of intracellular enzymes, under the direction of Dr. Sol Spiegelman, Department of Bacteriology, for one year beginning January 1, 1956 (C-1094-C6).....	15	772	00
A study of the isolation and characterization of liver enzymes from tumor-bearing rats, under the direction of Dr. Carl S. Vestling, Department of Chemistry and Chemical Engineering, for one year beginning June 1, 1955 (C-1856-C2) .....	8	120	78
A study of the isolation and characterization of liver enzymes from normal and tumor-bearing rats, under the direction of Dr. Carl S. Vestling, Department of Chemistry and Chemical Engineering, for one year beginning June 1, 1956 (C-1856-C3).....	5	306	00
A study on the possible carcinogenic activity of polymerized fats, under the direction of Dr. Fred A. Kummerow, Department of Food Technology, for one year beginning September 1, 1955 (C-1932-C2).....	6	381	30
A study of the bacterial degradation of pentose phosphates, under the direction of Dr. Willis A. Wood, Department of Dairy Science, for one year beginning November 30, 1955 (CF-4948-C).....		500	00
A study of the cytogenetics of maize, under the direction of Dr. Marcus Rhoades, Department of Botany, for one year beginning October 1, 1955 (CF-5812).....		500	00
A study of the nutrition of insects, under the direction of Dr. Gottfried S. Fraenkel, Department of Entomology, for the period March 1, 1956, to August 31, 1957 (E-533-C5).....	4	025	00
A study of the survival of protozoa at freezing temperatures, under the direction of Dr. Norman D. Levine, College of Veterinary Medicine, for one year beginning September 1, 1955 (E-790-C).....	7	143	22
A study of the conditions for the acquisition of language; a study of relationship, under the direction of Dr. I. C. Gunsalus, Department of Chemistry and Chemical Engineering, for one year beginning March 15, 1956 (EF-5647).....		500	00
A study of the relation of dietary fats to atherosclerosis, under the direction of Dr. Fred A. Kummerow, Department of Food Technology, for one year beginning September 1, 1955 (H-1819-C).....	5	750	00
Study of the influence of thiamine on the biosynthesis of fatty acids and cholesterol, under the direction of Dr. George Wolf, Radiocarbon Laboratory, for one year beginning January 1, 1956 (H-1945-C).....	3	485	55
Studies of the generality and behavioral correlates of social perception, under the direction of Dr. Nathaniel L. Gage, Bureau of Educational Research, for one year beginning September 1, 1955 (M-650-C2).....	17	636	00
A study of training in clinical psychology, under the direction of Dr. J. McVicker Hunt, Department of Psychology, for one year beginning July 1, 1955 (2M-5089-C8).....	18	413	98
A study of the communication of information on mental health; stage II experimental analysis of the process of information transmission, under the direction of Dr.			

Charles E. Osgood, Institute of Communications Research, for the period January 1, 1956, to August 31, 1957 (3M-9067-C) .....	29	896	00
A study of the effect of high temperatures on the inactivation of enzymes on the destruction of microorganisms and on some physical-chemical properties of cream and milk, under the direction of Dr. Paul H. Tracy, Department of Food Technology, for one year beginning September 1, 1955 (RG-1947-C5).....	8	518	00
A study of the nature, causes, and control of housefly resistance to insecticides, under the direction of Dr. George C. Decker, Department of Agricultural Administration, for one year beginning September 1, 1955 (RG-2623-C5) .....	11	500	00
A study to determine the characteristics of development sites of flood water mosquitoes in order to obtain information that will provide a rational basis for abatement procedures, under the direction of Dr. William R. Horsfall, Department of Entomology, for one year beginning February 1, 1955 (RG-3356-C3).....	6	255	00
A study of the effect of uterine distention on the endocrine function of the pituitary gland, under the direction of Dr. Andrew V. Nalbandov, Department of Animal Science, for one year beginning September 1, 1955 (RG-3557-C3).....	4	637	92
A study of the effect of water treatment methods on water main carrying capacity, under the direction of Dr. Thurston E. Larson, State Water Survey, for one year from December 1, 1955 (RG-4007-C).....	18	641	76
A study of the structure and biosynthesis of antibiotic substances, under the direction of Dr. David Gottlieb, Department of Horticulture, and Dr. Herbert E. Carter, Department of Chemistry and Chemical Engineering, for one year beginning September 1, 1955.....	14	299	12
129. Upjohn Company, Kalamazoo, Michigan: to the Department of Chemistry and Chemical Engineering for research for the period January 1, 1956, through December 31, 1956.....	5	000	00
130. Velsicol Corporation, Chicago: to the Department of Zoology for an investigation of the toxicity of chlorinated hydrocarbons.....	2	500	00
131. Welding Research Council, New York, New York: to the Department of Mining and Metallurgical Engineering for research.....	1	000	00
132. Western Cartridge Company, a Division of Olin Mathieson Chemical Corporation: to the State Natural History Survey for research on migratory waterfowl.....	6	600	00
<i>Total, Funds for Graduate Fellowships and Research .....</i>	<i>(1</i>	<i>018</i>	<i>775 33)</i>
<i>Gifts of Equipment, Library Material, and Works of Art</i>			
133. Essick Manufacturing Company, Los Angeles, California: to the College of Agriculture, two 50 FVK float valve kits and two 5PS switches for floriculture greenhouses.			
134. Ford Motor Company, Davenport, Iowa: One Fordomatic transmission complete with torque (estimated value \$300). One 1956 Ford six-cylinder engine (estimated value \$400). One 1956 Ford Mainliner chassis, complete except for engine and transmission (estimated value \$800).			
135. Mr. Jack S. Jacobs, Chicago: a painting, "Still Life with Fish," by Nicholas Vasilieff (estimated value \$2,000).			
136. Mr. and Mrs. E. K. Perry, Pelham, New York: a painting, "In the Seminary," by Amanda de Leon (estimated value \$700).			

137. Mrs. Cecilia Stroh, Kensington, Maryland: the translation of Sven Wikberg's biography of Abraham Lincoln by the late Adam Stroh, a distinguished alumnus of the University of Illinois Library School.
138. From various donors to the Department of Electrical Engineering:  
 G. H. Leland, Inc., Dayton, Ohio: one B-7135 Ledex relay, two Bd3E Ledex rotary solenoids (estimated value \$5.00).  
 Sangamo Electric Company, Springfield: three watt-hour meters (estimated value \$40).  
 Western Electric Company, Inc., Allentown, Pennsylvania: electrical equipment (estimated value \$25).  
 Western Electric Company, Inc., Chicago: electrical equipment (estimated value \$50).  
 Western Electric Company, Inc., Elizabeth, New Jersey: electrical equipment (estimated value \$50).  
 Western Electric Company, Inc., Winston-Salem, North Carolina: electrical equipment (estimated value \$15).  
 Western Union Telegraph Company, Chicago: two Deskfax facsimile transmitter receivers (estimated value \$800).
139. Wonder Building Corporation of America, Chicago: material for construction of a Wonder Building to be used for agricultural purposes (estimated value \$3,883).

140. Abbott Laboratories, North Chicago.....\$ 3 256 00  
 To the Department of Medicine for a study of the effect of plastic bags upon red cell survival, under the direction of Dr. Alexander P. Remenchik.....\$ 756 00  
 To the Department of Pharmacology to support seminars 500 00  
 To the Department of Pharmacology for pharmacology graduate education under the direction of Dr. Klaus R. W. Unna.....2 000 00
141. American Hospital Supply Corporation: to the Department of Physiology, two Krasno-Ivy photometers.
142. Armour and Company, Chicago: to the Department of Medicine for research in hematology, under the direction of Dr. L. R. Limarzi.....3 600 00
143. Associated Hospital Service of Illinois, Inc.: to the Miscellaneous Otolaryngology Fund, under the direction of Dr. Maurice F. Snitman.....50 00
144. Bauer and Black Company: to the Department of Clinical Science for a study of cholesterol synthesis in rats, under the direction of Dr. Andrew C. Ivy.....500 00
145. Ciba Pharmaceutical Products, Inc., Summit, New Jersey: to the Department of Medicine for experimental and clinical studies in hypertensive disease, under the direction of Dr. Ford K. Hick, for one year beginning July 1, 1955.....3 300 00
146. Dome Chemicals, Inc.: to the Department of Dermatology for research under the direction of Dr. Marcus R. Caro.....500 00
147. Eaton Laboratories: to the Department of Dermatology for a study of the sensitization properties of Furacin in the guinea pig, under the direction of Dr. Adolph Rostenberg, Jr.....1 552 00
148. E and J Manufacturing Company: to the Department of Clinical Science to cover expenses for an exhibit on cardiorespiratory dynamics of controlled respiration, under the direction of Dr. Archer S. Gordon.....500 00

149. Hoffman-LaRoche, Inc., Nutley, New Jersey..... 4 545 00  
 To the Department of Anatomy for a study of the pro-  
 gestational action of DPPD, under the direction of Dr.  
 Samuel R. M. Reynolds, for the period May 15, 1956,  
 through November 15, 1956.....\$ 945 00  
 To the Department of Physical Medicine and Rehabilita-  
 tion for a study of peripheral vascular effects of ilidar  
 and related substances, under the direction of Dr. David  
 I. Abramson, for one year beginning July 1, 1956..... 3 600 00
150. International Harvester Company: to the Department of Radi-  
 ology, College of Medicine, a motorized milling machine.
151. Lederle Laboratories, Pearl River, New York, a division of the  
 American Cyanamid Company: to the Department of Medicine for  
 research in infectious diseases and related fields, under the direction  
 of Dr. Harry F. Dowling, for one year beginning January 1, 1956.. 10 000 00
152. Mead Johnson Company: to the Department of Pedodontics for  
 research on the nutritional status of children suffering from  
 rampant dental caries, under the direction of Dr. Maury Massler,  
 for one year beginning July 1, 1955..... 4 000 00
153. National Drug Company: to the Department of Surgery for a  
 study of enzymes in the treatment of experimental cancer, under  
 the direction of Dr. Warren H. Cole..... 1 000 00
154. Oxxford Clothes Company, manufacturers: to the Department of  
 Pathology for a study of the effect of nephrotoxic injections on the  
 dog kidney, under the direction of Dr. Samuel A. Levinson, for  
 two years beginning April 1, 1956..... 1 000 00
155. Charles Pfizer and Company, Inc., Brooklyn, New York: to the  
 Department of Medicine for research in infectious diseases and  
 related fields, under the direction of Dr. Harry F. Dowling, for one  
 year beginning October 1, 1955..... 6 000 00
156. Sandoz Pharmaceuticals, Chicago: to the Department of Pharma-  
 cology for the Neuropharmacology Research Fund, under the direc-  
 tion of Dr. Klaus R. W. Unna, for one year beginning January 1,  
 1956 (this amount represents one-half payment of the grant)..... 1 500 00
157. G. D. Searle and Company: to the Department of Medicine for  
 phenothiazine studies under the direction of Dr. Max Samter..... 6 400 00
158. Toni Company: to the Department of Bacteriology for research on  
 seborrheic dermatitis under the direction of Dr. Edward E. Vicher. 5 000 00
159. Upjohn Company, Kalamazoo, Michigan..... 13 750 00  
 To the Department of Medicine for research in the field  
 of infectious diseases, under the direction of Dr. Harry

 therapy, under the direction of Dr. Max S. Sadove..... 1 000 00
162. Wyeth Laboratories: to the Department of Surgery (Anesthesi-  
 ology) to add to the Teaching Service Fund, under the direction  
 of Dr. Max S. Sadove..... 3 000 00
163. From the following donors to the Miscellaneous Otolaryngology  
 Fund..... 100 00  
 The Highway Agency.....\$ 50 00  
 Boll and Lewis Company..... 50 00

164. Anna Fuller Fund: to the Department of Pharmacology for a study of metabolism or radioactive plasma proteins in tumorous rats, under the direction of Dr. Harris Busch, for one year beginning October 1, 1955..... 4 500 00
165. Arthritis and Rheumatism Foundation, Chicago..... 16 777 00
- To the Department of Physiology for a study of the metabolism of muscle, under the direction of Professor Norman R. Alpert, for one year beginning September 1, 1955.....\$ 5 725 00
- To the Department of Medicine for a study of purine metabolism in gouty individuals, under the direction of Dr. Max M. Montgomery and Dr. Aaron B. Kendrick, for one year beginning July 1, 1956..... 3 733 00
- To the Department of Medicine for a study of renal lesions through serial kidney biopsies, under the direction of Dr. Irving E. Steck..... 1 000 00
- To the Department of Medicine for a study of serial kidney biopsies in rheumatic disorders and related conditions, under the direction of Dr. Robert M. Kark, for one year beginning September 1, 1955..... 6 219 00
- To the Department of Physical Medicine and Rehabilitation..... 100 00
166. Jane Coffin Childs Memorial Fund of Yale University..... 9 200 00
- To the Department of Biological Chemistry for studies on the nucleic acid metabolism of normal and virus infected chick chorioallantoic membranes in vitro, under the direction of Dr. Max E. Rafelson, Jr., for one year beginning October 1, 1954, and for the period January 1 to July 1, 1956.....\$ 4 200 00
- To the Department of Pharmacology for a study of interconversion of intermediates of carbohydrate metabolism and amino acids in tumors and other tissues, under the direction of Dr. Harris Busch, for one year beginning July 1, 1955..... 5 000 00
167. Colorado Dental Foundation: to the Division of Oral Pathology for research, under the direction of Dr. Peter J. Weinmann, for one year beginning June 1, 1956..... 1 000 00
168. Duke-Lab Foundation Incorporated: to the Dermatology Research Fund—Miscellaneous Gifts, under the direction of Dr. Marcus R. Caro..... 500 00
169. Geschickter Fund for Medical Research, Inc.: to the Department of Pharmacology for a study of pharmacology of aromatic amines, under the direction of Dr. Klaus R. W. Unna, for one year beginning April 1, 1955..... 16 216 00
170. Holtzman Cancer Fund: to the Department of Neurology and Neurological Surgery for studies in tumors and effects of radiation, under the direction of Dr. Arthur Arnold, for one year beginning January 1, 1956..... 1 050 00
171. W. K. Kellogg Foundation, Battle Creek, Michigan: to the College of Dentistry for support of an extramural closed-circuit television program in dentistry, under the direction of Dr. Saul Levy.. 20 960 00
172. Leukemia Foundation: to the Department of Biological Chemistry for a study of phosphonic acid analogs of nucleoside phosphates, under the direction of Dr. Terrell C. Myers, for one year beginning November 1, 1955..... 5 949 18
173. The National Foundation for Infantile Paralysis, Inc., New York: to the College of Medicine for a study of exchangeable potassium in acute anterior poliomyelitis, under the direction of Dr. Alexander P. Remenchik, for the period between January 1, 1956, and June 30, 1957..... 6 896 00

174. National Fund for Medical Education: to the College of Medicine for educational programs (\$5,044.50 of this having been contributed by individual physicians)..... 39 059 50
175. National Science Foundation..... 19 900 00
- To the Department of Biological Chemistry for a study of the use of immunochemical methods for the measurement and as an index of purity of streptococcal components and antigens, under the direction of Dr. Sam S. Barkulis, for one year beginning January 1, 1956.....\$ 6 400 00
- To the Department of Biological Chemistry for a study of phosphonic acid analogs of nucleoside phosphates, under the direction of Dr. Terrell C. Myers, for two years beginning March 1, 1956..... 8 400 00
- To the Department of Physics (Chicago Undergraduate Division) for a nuclear resonance study of the amino groups, under the direction of Dr. R. Kromhout and Dr. W. Moulton (G2404)..... 5 100 00
176. Population Council, Rockefeller Institute for Medical Research: to the Department of Anatomy for studies in ovulation, under the direction of Dr. Samuel R. M. Reynolds, for one year beginning July 1, 1956..... 7 323 00
177. Smart Family Foundation: to the Department of Pathology for a study of the effect of amino acids on experimental shock in dogs, under the direction of Dr. Samuel A. Levinson..... 1 000 00
178. Teagle Foundation: to the Department of Medical Psychiatry for paralysis agitans research, under the direction of Dr. Leo G. Abood, for one year beginning December 1, 1955..... 8 000 00
179. Howard L. Willett Arthritis Research Fund: to the Department of Medicine for research, for one year beginning January 1, 1956.. 500 00
180. American Cancer Society, New York, New York..... 28 315 62
- To the Department of Pathology for endocrine study of factors controlling the growth of various tissues in the cervix uteri .....\$ 7 776 00
- To the Department of Surgery for a study of spontaneous regression of cancer, under the direction of Dr. Warren H. Cole..... 3 000 00
- To the Department of Surgery for research on anti-cancer enzyme, under the direction of Dr. Warren H. Cole..... 4 066 20
- To the Department of Pharmacology for studies on metabolism of plasma proteins in tumor-bearing rats, under the direction of Dr. Harris Busch..... 10 900 00
- To the Department of Surgery for a study of cancer inhibitors, under the direction of Dr. Gerald O. McDonald..... 2 573 42
181. American Dental Association: to the College of Dentistry for a study of the clinical effects of various vasoconstrictors used in local anesthetic solutions, under the supervision of Dr. John M. Spence in the Department of Applied Materia Medica and Therapeutics.... 800 00
182. American Heart Association: to the Department of Physiology for the pathogenesis and treatment of experimental hypertension produced by constriction of the carotid sinus area, under the direction of Dr. George E. Wakerlin, for one year beginning July 1, 1955... 6 300 00
183. American Medical Association: to the Department of Medicine for a serial study of exchangeable potassium in man in the presence of central nervous system infections, under the direction of Dr. Alexander P. Remenchik, for one year beginning July 1, 1955..... 500 00

184.	Asthmatic Children's Aid: to the Department of Medicine for a grant "Allergy Antigens," under the direction of Dr. Max Samter.	5 500 00
185.	Beltone Institute for Hearing Research: to the Audiology Gift Fund, Department of Otolaryngology.....	63 62
186.	Carnegie Institution of Washington: to the Department of Anatomy, an X-ray cinematography apparatus.	
187.	Chicago Heart Association.....	5 000 00
	To the Departments of Preventive Medicine and Biological chemistry for studies on the serum glycoproteins in cardiovascular disease, under the direction of Dr. Mark H. Lepper and Dr. Richard J. Winzler, for one year beginning July 1, 1955.....	\$ 500 00
	To the Department of Physiology for a study of the pathogenesis and treatment of experimental renal hypertension in monkeys and dogs, under the direction of Dr. George E. Wakerlin, for one year beginning July 1, 1955	1 500 00
	To the Department of Surgery for a study of tensile strength of vascular grafts.....	3 000 00
188.	College of Medicine, Class of 1956: for the purchase of books...	51 50
189.	Educational Television and Radio Center: to the Department of Public Relations for a grant "Success in Arts".....	1 890 00
190.	Muscular Dystrophy Association, New York, New York.....	40 557 60
	To the Department of Psychiatry for a study of metabolism and membrane potential of skeletal muscle fibers and relation to function, under the direction of Dr. Gilbert N. Ling .....	\$33 570 00
	To the Department of Medicine for a study of carnitine metabolism in muscular dystrophy, under the direction of Dr. Robert M. Kark.....	6 987 60
191.	National Association for Mental Health: to the Department of Psychiatry for a study of intracellular metabolism in schizophrenia, under the direction of Dr. Ivan Boszormeyi-Nagy, for one year beginning November 1, 1955.....	2 625 00
192.	National Multiple Sclerosis Society: to the Department of Neurology and Neurological Surgery for the genetic study of multiple sclerosis, under the direction of Dr. Roland P. Mackay.....	7 736 13
193.	National Society for the Prevention of Blindness: to the Department of Ophthalmology for a study of cardiovascular effects upon the human tonogram, under the direction of Dr. Peter C. Kronfeld, for one year beginning January 1, 1956.....	2 000 00
194.	From the following donors to the Orthopaedic Surgery Gift Fund.	1 793 49
	Beverly Hills Junior Woman's Club.....	\$ 70 00
	Drama Club of Evanston.....	500 00
	Kappa Alpha Theta.....	548 49
	Women of the Rotary.....	675 00
195.	Research Corporation, New York: a study of the synthesis of optically active polypeptides using the Lossen rearrangement, under the direction of Dr. Ludwig Bauer.....	2 900 00
196.	Research Society for Cerebral Palsy: to the Department of Psychiatry for a study of the physiological means of identifying the position of stereotaxic needles, under the direction of Dr. Percival Bailey.....	3 000 00
197.	Squibb Institute for Medical Research, New Brunswick, New Jersey: to the Department of Preventive Medicine for an investigation for Nystatin, for one year beginning July 1, 1955.....	8 054 80
198.	Tobacco Industry Research Committee.....	18 187 60
	To the Department of Histology for a study of composite cigarette smoke condensate, under the direction of	

- Dr. Isaac Schour, for one year beginning September 1, 1955.....\$17 687 69  
 A fellowship under the direction of Dr. Milan V. Novak, Associate Dean of the Graduate College and Head of the Department of Bacteriology..... 500 00
199. Tuberculosis Institute of Chicago and Cook County: to the Department of Medicine to study the progression of chronic pulmonary fibrosis, emphysema, and bronchiectasis by means of pulmonary function tests, under the direction of Dr. Harry F. Dowling, for one year beginning July 1, 1956..... 5 513 83
200. United Cerebral Palsy Association, Chicago: to the Department of Pediatrics for a study of multidisciplinary approach to cerebral palsy with emphasis on documenting progress of specific therapies, under the direction of Dr. Edward F. Lis..... 2 000 00
201. United States Children's Bureau: for the Consultation Clinic for Epilepsy, Department of Neurology and Neurological Surgery, under the direction of Dr. Frederic A. Gibbs..... 14 466 92
202. Women's Auxiliary of the University of Illinois Chicago Professional Colleges: to the Occupational Therapy Gift Fund..... 147 00
203. Women's Auxiliary of the Illinois Pharmaceutical Association: coffee and tea service, teaspoons, forks, tablespoons, tablecloths, table lamps, serving trays, cups and salad plates, four-section screens, mantel draperies, mattress cover, contour sheets.

**BROCHURE ON THE BIENNIAL BUDGET FOR 1957-59**

(18) President Henry called attention to the brochure "The University of Illinois in 1957-1959," presenting the biennial budget of the University to the public. This brochure is a product of the University Press, and the President paid tribute to Mr. Miodrag Muntyan, Director of the University Press, and to his associates for their editorial and art work on this publication.

On motion of Mrs. Watkins, the Secretary was requested to convey to the Director of the University Press and his associates on behalf of the Trustees an expression of their appreciation of this excellent publication.

**UNIVERSITY OF ILLINOIS STATUTES**

Mrs. Watkins presented the following report.

The Special Committee on Revision of the University of Illinois Statutes recommends the adoption of the revised Statutes as contained in the press proof dated January, 1957, which is submitted with this recommendation. These Statutes were adopted by the University Senate on November 5, 1956. Your Committee made a number of changes, entirely of an editorial nature, in some of the sections and these have been reported to the University Senate Committee on Revision of the Statutes.

The President of the University concurs in the recommendation of the Senate and in the changes made by the Board Committee. The University Senate Committee has expressed the opinion that these changes do not alter the recommendations of the Senate.

It should be noted that these University Statutes are Part One of a code and will be supplemented by *The General Rules Concerning University Organization and Procedure*, which will be submitted to the Board of Trustees later, and that these General Rules will be implemented by *The Business Policy and Procedure Manual* which the President of the University is authorized to promulgate. The significance of these three parts is explained in the preamble of the basic University Statutes.

Your Committee further recommends that these University Statutes become effective September 1, 1957, and that all previous versions and editions of corresponding statutes be superseded on that date.

On motion of Mrs. Watkins, the recommendation of the Committee was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Stratton.

The University Statutes, as now approved, appear as an appendix to these minutes on pages 216 to 247.

<sup>1</sup> Deduct.

**AUDIT OF UNIVERSITY ACCOUNTS**

The Secretary has received and has distributed to all members of the Board of Trustees signed copies of the report of Haskins and Sells, Certified Public Accountants, Chicago, of their audit of the University of Illinois accounts for the fiscal year ended June 30, 1956. A copy has been retained in the records of the Secretary.

A signed copy of this report has also been sent by Haskins and Sells to the State Auditor of Public Accounts.

This report was received for record.

**DEGREES CONFERRED**

The Secretary presented for record the following list of degrees conferred at the Chicago Professional Colleges on December 22, 1956.

- STRACHAN, ISLES, Visiting Lecturer in Geology, to render service during the academic year, ten months from September 1, 1957, \$6500 (12-20-56).
- SULLIVAN, CATHERINE M., Associate Professor of Home Management (Home Economics) (E), indefinite tenure beginning October 1, 1956, \$7150 a year (1-2-57).
- SUZUKI, JIRO, Research Associate in Anthropology (Graduate College), one year from February 1, 1957, \$5000 (12-20-56).
- VERBIC, RICHARD L., Assistant in Clinical Dentistry in the Dental Clinics, and Clinical Assistant in the Department of Surgery (Hospital Dental Clinic) (Medicine), one year from September 1, 1956, without salary, supersedes (12-17-56).
- WALL, ORVALL J., Assistant (Interne) in the Student Counseling Bureau (Provost's Office), nine months from December 1, 1956, \$3000 a year, supersedes (12-18-56).

WILSON, GEORGE J., Instructor in the Institute of Aviation, seven months from February 1, 1957, \$516.66 a month (12-19-56).

#### GRADUATE FELLOWS

(The following appointments were made by the Dean of the Graduate College on the date indicated in parentheses.)

CELARIER, JAMES L., Fellow in Philosophy, February 1-June 15, 1957, \$600 (12-19-56).

LARSON, FRITZ W., United States Public Health Service Medical Student Part-Time Research Fellow in the Chicago Professional Colleges, September 16, 1956-June 30, 1957, \$400 (12-12-56).

MEHTA, RAMESH J., Fellow in Civil Engineering, February 1-June 15, 1957, \$600 (12-19-56).

TING, ROBERT CHIN-YAO, Rockefeller Foundation Fellow in Bacteriology, February 1-June 15, 1957, \$675 (12-12-56).

WACHTEL, DALE W., Wright Fellow in Agricultural Economics, February 1-June 15, 1957, \$600 (12-20-56).

WALKER, JOANNE G., Fellow in Physiology, February 1-June 15, 1957, \$600 (12-19-56).

#### RESIGNATIONS AND DECLINATIONS

BIRDSEY, BETTY J., Music Library Assistant—resignation effective February 1, 1957.

BOUWSMA, WILLIAM J., Associate Professor of History—resignation effective September 1, 1957.

CLARK, GEORGE L., Research Associate in Electrical Engineering (S)—resignation effective January 11, 1957.

HALEY, LOUIS E., Assistant in Pomology (S)—resignation effective January 16, 1957.

HARMESON, ROBERT H., Assistant Professor of Sanitary Engineering (C and S)—resignation effective March 1, 1957.

HARTLEY, HENRIETTA S., Clinical Instructor in Medicine—resignation effective January 1, 1957.

MILANI, JOSEPH, JR., Research Assistant in the Control Systems Laboratory (S)—resignation effective December 25, 1956.

PRIETO, A. P., Research Associate in Chemistry—declination effective December 16, 1956.

ROWLAND, WALTER F., Fellow in Civil Engineering—resignation effective February 1, 1957.

TAMBLINGSON, ROY E., Instructor in the Shop Laboratories (Chicago Undergraduate Division)—resignation effective March 1, 1957.

VER BRUGGHEN, ADRIEN, Clinical Professor of Neurological Surgery (Rush), in the Department of Neurology and Neurological Surgery (Medicine)—resignation effective December 1, 1956.

#### LEAVES OF ABSENCE

BHALERAO, VASANT R., Research Assistant in Food Technology (S)—leave of absence, without pay, for a period beginning December 7, 1956, to July 1, 1957, so that he may have the opportunity of working at the laboratories of the Food and Drug Directorate of Canada.

GOVE, SAMUEL K., Research Assistant Professor in the Institute of Government and Public Affairs—leave of absence, without pay, January 1-September 1, 1957, so that he may serve as Executive Assistant to the State Auditor of Public Accounts.

HARSHBARGER, KENNETH E., Assistant Professor of Dairy Production (Dairy Science) (C and S) leave of absence February 15-April 15, 1957, the first month as the normal vacation period and the second month without pay, in order that he may accept a special assignment for the United States Government to conduct a survey of the nutritional status of the people of the Philippines.

LEVINE, SOLOMON B., Associate Professor of Labor and Industrial Relations—leave of absence so that he may attend a Summer Research Training Institute on Organization Theory and Research to be held at Carnegie Institute of

Technology in Pittsburgh June 17-July 26, 1957, one month with pay and two weeks as part of his vacation.

LONHART, DONALD E., Registered Pharmacist in Hospital Pharmacy, in the Research and Educational Hospitals and in the College of Pharmacy—leave of absence for military service, without salary, December 1, 1956-August 31, 1957.

WINTER, EDWARD H., Assistant Professor of Anthropology—leave of absence, without pay, one year from September 1, 1957, so that he may do research work under the Ford Foundation grant for studies in Cross-Cultural Regularities of Change Among Native Populations, including East Africa.

#### CANCELLATION OF SABBATICAL LEAVE

FRAENKEL, GOTTFRIED S., Professor of Entomology—sabbatical leave of absence granted him for the second semester of 1956-57 cancelled, without prejudice.

#### MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees of October 22, 1956, press proof copies of which have previously been sent to the members of the Board in advance.

On motion of Mr. Swain, these minutes were approved as printed on pages 105 to 145, inclusive.

#### EXECUTIVE SESSION

At this point, an executive session was requested and ordered for consideration of the following item of business.

#### RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(19) The University Patent Committee submits, with the concurrence of the Chairman of the University Research Board, the following recommendations relating to inventions by members of the staff:

1. Linear bearing converter and bearing average computer—Donald L. Bitzer, Research Assistant, Control Systems Laboratory, inventor. This is a device which can be attached to existing radio direction finding systems to facilitate in accurately observing, averaging, and recording radio bearings.

2. Panoramic radio direction finder—Harold D. Webb, Associate Professor of Electrical Engineering, and Donald L. Bitzer, Research Assistant, Control Systems Laboratory, inventors. The purpose of this invention is to provide a panoramic display of radio frequency bearings versus frequency on the face of a cathode ray tube.

3. Equiangular spiral antenna—Victor H. Rumsey, Professor of Electrical Engineering, inventor. This was developed under an investigation that is classified by the U. S. Government for security reasons.

4. Radio direction finder system bearing computer—pulse delay analog by Albert D. Bailey, Associate Professor of Electrical Engineering, inventor. This invention is to accomplish the transformation of data of a radio direction finder for immediate integration and processing by a computer.

5. Radio direction finder bearing computer—Albert D. Bailey, inventor. This invention relates to a radio direction finder bearing indication and determination which is intended to replace the indicator and the human observer.

The Head of the Department of Electrical Engineering and the University Patent Committee recommend the release of the above inventions to the Office of Naval Research, the sponsoring agency.

I concur in this recommendation.

On motion of Mr. Williamson, this recommendation was approved.

On motion of Mr. Johnston, the Board adjourned.

## MEETING OF EXECUTIVE COMMITTEE

On call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Office of the Dean of the Chicago Undergraduate Division, Chicago, Illinois, on Wednesday, January 16, 1957, beginning at 12:00 noon.

The following, constituting all members of the Committee, were present: Mr. H. B. Megran, Chairman, Mr. Park Livingston, and Mrs. Frances B. Watkins. Mr. A. J. Janata, Secretary of the Board, was also present.

The Secretary presented the following item of business.

The Executive Committee of the Board of Trustees on April 25, 1956, made an initial appropriation of \$7,500 for the expenses of the Installation of the President. An additional appropriation of \$9,000 is needed to complete the balance of expenses.

An analysis of the expenditures prepared by the Chairman of the Committee on the Installation is submitted herewith, and a copy is being filed with the Secretary of the Board for record.

On motion of Mrs. Watkins, an appropriation of \$9,000 was made from the General Reserve Fund for this purpose by the following vote: Aye, Mr. Livingston, Mrs. Watkins, Mr. Megran; no, none; absent, none.

The Committee adjourned.

## MEETING OF COMMITTEE ON BUILDINGS AND GROUNDS

On call of the Chairman, a meeting of the Committee on Buildings and Grounds was held preceding and following the Board of Trustees meeting, at the Chicago Undergraduate Division, Chicago, Illinois, on Wednesday, January 16, 1957, to consider reports and recommendations from the President of the University relating to the following items of business:

Governor's Proposed Ten-Year Building Program and Bond Issue

Selection of Sites for New Buildings: Auditorium-Gymnasium, Physics Building, Residence Halls for Women, State Natural History and Geological Survey expansion

Digital Computer Laboratory: change in plans from remodeling to a new building; selection of site; and architectural services

Borrowing Funds for Land Acquisitions

Prospective grant of funds for a new building for Institute of Labor and Industrial Relations

Site for Chicago Undergraduate Division (the Committee on General Policy also participated in the discussion of this subject).

New Bidding Practice: change in the University practice of taking all-inclusive bids from general contractors on major construction projects instead of separate bids on the several divisions of work; communications from mechanical trades contractors objecting to this practice; and a report from the Director of the Physical Plant Department on a meeting he had with representatives of several contractors.

A copy of the minutes of this meeting have been filed with the Secretary of the Board for record.

## MEETING OF COMMITTEE ON THE CHICAGO DEPARTMENTS

On call of the Chairman, the Committee on the Chicago Departments met at the Chicago Undergraduate Division, Chicago, Illinois, on Wednesday, January 16, 1957, beginning at 2:00 p.m., to consider matters relating to the Chicago Professional Colleges, and particularly to the policies and practices governing admissions to the Research and Educational Hospitals.

A copy of the minutes of this meeting have been filed with the Secretary of the Board for record.

## APPENDIX

(Approved by the Board of Trustees January 16, 1957, page 210.)

### UNIVERSITY OF ILLINOIS STATUTES

(Text approved by the University Senate November 5, 1956, and by the Board of Trustees Committee on Revision of University Statutes, December 18, 1956)

#### PREAMBLE

The University of Illinois, being a State University, is subject to the control of the Illinois General Assembly. The General Assembly, subject to the limitations of the State Constitution and to such self-imposed restraints as are essential to the maintenance of a free and distinguished University, exercises control by virtue of its authority to change the laws pertaining to the University and by virtue of its power to appropriate funds for the maintenance and extension of the University.

Within the limits of authority fixed by the Illinois Constitution and laws, the Board of Trustees exercises final authority over the University. For the proper use of funds appropriated by the General Assembly and for the proper administration and government of the University, the Board is responsible to the people of Illinois, by whom its members are elected.

The Board of Trustees is the governing body of the University and exercises jurisdiction in all matters except those for which it has delegated authority to the President, other officers, or bodies of the University.

In approving these Statutes the Board is acting on the recommendation of the existing University Senate as transmitted to it by the President. When acting on matters having to do with educational policy and organization of the University, the Board relies upon the advice of the University Senates, as transmitted to it by the President of the University. In these matters each Senate has a legitimate concern which justifies its participation in the enactment and amendment of the primary statutes. The statutes dealing with educational policy and organization are incorporated in the *University Statutes*. The Board of Trustees reserves the power to initiate and make changes in the *University Statutes*; but before making changes it will seek the advice of the University Senates.

In acting on matters concerning the administrative organization and powers and responsibilities of the officers of the University, appearing in *The General Rules Concerning University Organization and Procedure*, the Board of Trustees acts on the advice of the President of the University. The Board reserves the power to make changes in these rules after consultation with the President.

The Board of Trustees delegates to the President of the University the authority to promulgate regulations and rules implementing *The General Rules Concerning University Organization and Procedure*. These are printed in *The Business Policy and Procedure Manual*.

#### I. UNIVERSITY ADMINISTRATION

##### FUNCTIONS OF THE BOARD OF TRUSTEES

Sec. 1. The Board of Trustees formulates University policies but leaves the execution of those policies to its administrative agents, acting under its general supervision. It is the responsibility of the Board to secure the needed revenues for the University and to determine the ways in which the University funds shall be applied.

##### THE PRESIDENT OF THE UNIVERSITY

Sec. 2. The President is the chief officer of the University and a member of the faculty of each college, school, division, and institute therein. He shall be elected by the Board of Trustees and his term of office shall be at the

pleasure of the Board. The President shall attend the meetings of the Board and participate in its deliberations. He may act with freedom within the lines of general policy approved by the Board. With the advice of the University Council, he shall prepare the annual and biennial budgets for presentation to the Board. He shall recommend to the Board suitable persons for positions in the University, including appointments to appropriate administrative positions, other than academic, which are not provided for in the *University Statutes*. In case of exigencies, acting within his proper jurisdiction, he may make appointments so that the work of the University shall not be interrupted, but such appointments shall be subject to confirmation by the Board. The President is responsible for the enforcement of the rules and regulations of the University. He shall make such recommendations to the Board and to the three University Senates as he may deem desirable for the proper conduct and development of the University. He shall be the presiding officer of each of the Senates as provided in Section 6. He shall issue diplomas conferring degrees, but only on the recommendation of the appropriate Senate and by authority of the Board of Trustees.

#### **VICE-PRESIDENT AND PROVOST**

Sec. 3. The Vice-President and Provost shall exercise the functions of the President in his absence and shall at all times assist the President by the exercise of such functions as the latter may delegate to him. He shall be the chief academic officer, under the President, and shall be a member of the faculty of each college, school, institute, and division.

#### **ABSENCE OF PRESIDENT AND VICE-PRESIDENT AND PROVOST**

Sec. 4. During the absence of the President and the Vice-President and Provost from duty the Senior college dean, or other college dean designated by the President, shall exercise the functions of the President in the interim or until the next meeting of the Board of Trustees.

#### **UNIVERSITY COUNCIL**

Sec. 5. (a) The University Council shall consist of the President, the Vice-President and Provost, the deans of the colleges — including the associate deans of the Chicago Undergraduate Division — the directors or deans of independently organized schools, divisions, and institutes; other University officers who report directly to the President; and five members chosen by ballot from and by the three Senates as follows: one from the Chicago Professional Colleges Senate, one from the Chicago Undergraduate Division Senate, and three from the Urbana-Champaign Senate.

(b) At his discretion the President may invite other members of the University staff to attend meetings of the Council, who although they are nonmembers of the Council, may participate in its discussions.

(c) The University Council shall act as adviser to the President and shall meet at his call. It shall not exercise legislative functions. The President shall secure the general recommendations of the Council before preparing the annual and biennial budgets.

(d) The Council may elect an Executive Committee from its own membership to advise the President at such times and on such matters as he may determine.

## II. LEGISLATIVE ORGANIZATION

### UNIVERSITY SENATES

Sec. 6. (a) A Senate is constituted at each campus of the University to be known, respectively, as the Urbana-Champaign Senate, the Chicago Professional Colleges Senate, and the Chicago Undergraduate Division Senate.

(b) Each Senate shall consist of the full professors, the deans of colleges, the directors or deans of schools and institutes, and the heads and chairmen of departments (or persons acting in the foregoing positions) at the campus represented by that Senate; and, on the recommendation of the Committee on Educational Policy of that Senate, of persons of other academic rank or administrative status, as each Senate may determine by resolution. In no case, however, shall any person, irrespective of academic rank or administrative status, be a member of a Senate, or eligible for membership, unless he holds at least a half-time appointment and receives salary from the University for such services, as specified in his contract. At the Chicago Undergraduate Division the associate deans and directors shall be members of its Senate. Senate members of the teaching and research staffs shall, upon retirement, be entitled to the privileges of the floor at all meetings of their Senate. Membership on any standing committee of a Senate is open to the general faculty, and carries with it the privileges of the floor of the Senate, including that of voting, so long as such membership continues.

(c) The President, the Vice-President and Provost, the Vice-President and Comptroller, the Legal Counsel, the Dean of Admissions, the Vice-President in Charge of the Chicago Professional Colleges, and the Executive Dean of the Chicago Undergraduate Division are ex officio members of each of the Senates. The President shall be the presiding officer of each Senate, but, in his absence or inability to preside, this function shall be exercised in the Urbana-Champaign Senate by the Vice-President and Provost, in the Chicago Professional Colleges Senate by the Vice-President in Charge, and in the Chicago Undergraduate Division Senate by its Executive Dean. Each ex officio member may designate a representative to act in his behalf at any Senate meeting.

(d) Each Senate shall elect a secretary from among its members to serve during its pleasure.

(e) Each Senate may exercise legislative functions in matters of educational policy affecting the University as a whole or its own campus only; but no such Senate action shall take effect until submitted to the Senate Coordinating Council and approved by the Board of Trustees as provided in Section 7.

(f) Each Senate shall hold at least four regular meetings during the academic year on dates it shall determine. Special meetings of any Senate may be called at any time by the President. In addition, special meetings of the Chicago Professional Colleges Senate may also be called at any time by the Vice-President in Charge, and of the Chicago Undergraduate Division Senate by the Executive Dean. A special meeting of any Senate shall also be convened upon petition of twenty per cent of the membership of that Senate or twenty-five members, whichever is the smaller number, delivered to the Secretary of that Senate, such meeting to occur not later than ten calendar days after receipt of the petition by the Secretary, unless the petition designates a later date, which shall be the date of the special meeting.

Written notice of regular meetings shall be mailed to all members at least five days before the meeting. Written notice of a special meeting, with a list of the subjects to be considered, shall be mailed to all members at least five days before the meeting. Only subjects specifically listed in the notice of a special meeting may be considered at that meeting. A quorum for any regular or special meeting of any Senate shall consist of one-third of the total membership of that Senate or fifty members, whichever is the smaller number.

(g) Except as otherwise provided in these Statutes, each Senate shall determine for its campus: requirements for admission to the several colleges, schools, and other teaching divisions; general requirements for degrees and certificates; questions of educational policy; relations between colleges, schools, and other teaching divisions; changes in the amount, character, or quality of work required for admission to the colleges, schools, and other teaching divisions; and changes in the total number of hours required for degrees or certificates. Neither the powers conferred on the several Senates by this paragraph (g) nor the powers conferred by paragraph (e) of this Section shall extend to matters over which the college is given jurisdiction by Section 8 (c).

(h) Each Senate shall elect a Committee on Student Discipline which shall appoint one or more subcommittees on which, unless the Senate determines otherwise, there shall be voting student representatives. These subcommittees shall have original jurisdiction to hear and render decisions in all disciplinary cases, unless the Senate Committee determines to exercise original jurisdiction. The decision of a subcommittee not appealed to the Committee shall be final. The Committee on Student Discipline shall hear and take action for the Senate in cases in which it exercises original jurisdiction and in cases appealed to it from its subcommittees. The Committee shall formulate and adopt, after consultation with the Legal Counsel, disciplinary and hearing procedures, which shall be followed in all undergraduate student disciplinary proceedings. In hearing and deciding any appeal, the Committee may conduct a hearing de novo, or may act solely upon the record in the case before the subcommittee, as the Committee, in its discretion, may determine.

(i) The Senates at Urbana-Champaign and at the Chicago Professional Colleges shall recommend candidates for diplomas, degrees, and certificates to be conferred by the President under the authority of the Board of Trustees.

(j) No new line of work involving questions of general educational policy shall be established on any campus except upon approval of the Senate concerned and except as elsewhere provided in these Statutes.

(k) Each Senate may propose amendments to these Statutes through the Senate Coordinating Council to the President and the Board of Trustees as provided in Section 65.

(l) Each Senate shall elect annually by ballot from its membership a Committee on Committees consisting of not fewer than three persons. Not more than one member of this Committee of the Urbana-Champaign Senate shall be from any one college or school. Upon nomination made by this Committee after consultation with the President, in the case of the Urbana-Champaign Senate, and with the Vice-President in Charge of the Chicago Professional Colleges or with the Executive Dean of the Chicago Undergraduate Division, respectively, each Senate shall elect committees on educational

policy, academic freedom, University calendar, the library, student discipline, student affairs, and such other standing committees as it may from time to time authorize. The chairmen of the Senate Committees on Educational Policy, Academic Freedom, Library, and of such other committees as the three Senates may designate, shall be members of the corresponding committees of the other Senates.

(m) Any action of any Senate involving matters of University-wide policy, or proposals to amend the University Statutes, shall be submitted by the Senate Coordinating Council to the other Senates for consideration and recommendation.

#### **SENATE COORDINATING COUNCIL**

Sec. 7. (a) The Senate Coordinating Council is constituted of twelve members, six of whom shall be elected by the Urbana-Champaign Senate, three by the Chicago Professional Colleges Senate, and three by the Chicago Undergraduate Division Senate. Any member of the Senate at each campus shall be eligible for election to this Council. The term of office shall be three years, except that, of the members first elected by each Senate, one-third shall be elected for a one-year term, one-third for a two-year term, and one-third for a three-year term. No member may serve for more than two consecutive terms but may again be elected after the lapse of one or more years following such membership. The Council shall select a chairman and a secretary from among its members. A quorum shall consist of eight members, including two-thirds of the representatives of each of the Senates.

(b) The Senate Coordinating Council shall consider all matters acted on by any of the three Senates and determine whether any action affects general University policy, or is a policy of individual campus concern only. Should the Council find a matter to be of concern to more than one campus, it shall refer that matter to the other Senate or Senates for consideration and recommendation. Any proposed amendment to the Statutes of the University submitted by one Senate shall be transmitted by the Senate Coordinating Council to the other Senates. The Council shall endeavor to promote agreement of the three Senates; and where this is not possible, the Council shall transmit its recommendations to the President for submission to the Board of Trustees. The Council, in acting on issues on which the Senates disagree, shall notify the several Senates of its proposed recommendations so that any objection to or appeal from such recommendations by any Senate may accompany the recommendations of the Council to the President and the Board of Trustees.

(c) The Council shall hold meetings at such intervals as to permit expeditious consideration of matters acted upon by the several Senates.

(d) The Council shall appoint not more than three of its members to act as a liaison committee advisory to the Board of Trustees (through the President), the President, and the respective Senates, in matters of special and extraordinary concern to the University. The special function of this committee shall be to aid in maintaining harmonious relations among such officers and units of the University. The committee shall act only upon the express request of the Board of Trustees, the President, any one of the three Senates, or the Senate Coordinating Council.

### III. EDUCATIONAL ORGANIZATION

#### A. COLLEGES AND SCHOOLS

##### THE COLLEGE

Sec. 8. (a) The college is the largest educational and administrative group. It comprises those departments or interests which are best served by their inclusion within it.

(b) The college shall be governed in its internal administration by its faculty. The faculty consists of the President, the Vice-President and Provost, the dean, the associate deans and assistant deans of the college, and all professors, associate professors, assistant professors, and instructors within the groups it comprises, together with a representative of any other department or group as may be entitled to representation by virtue of participation in the program of instruction in the college, and such other officers of the University as the President may assign thereto. The dean of the college, on the advice of the College Executive Committee and in consultation with the President, shall determine faculty membership as implied by the phrase "participation in the program of instruction in the college." The Executive Committee of the college, in consultation with the dean, shall determine the voting rights of members of the faculty not on full-time appointment.

(c) Subject to the jurisdiction of the Senates as provided in Section 6, the college shall have jurisdiction in all educational matters falling within the scope of its programs, including the determination of its curricula, except that proposals which involve budgetary changes shall become effective only when the President, having received the advice of the University Council, has approved them. The college has the fullest measure of autonomy consistent with the maintenance of general University educational policy and correct academic and administrative relations with other divisions of the University. In questions of doubt concerning the proper limits of this autonomy between the college and the Senate, the college shall be entitled to appeal for a ruling to the President, who shall make his decision after consultation with the Senate Coordinating Council.

(d) The transfer of any line of work, or any part thereof, to or from a college, from or to some other administrative group, shall be made on the recommendation of a Senate, the Senate Coordinating Council, and the President, and on approval of the Board of Trustees.

(e) The faculty shall elect its secretary and committees.

(f) An Executive Committee of two or more members, composed of or selected from the professors, associate professors, and assistant professors in the college and elected annually by the faculty, shall advise the dean of the college and transact such business as may be delegated to it by the faculty. The dean is *ex officio* a member and chairman of the committee. When meeting to give advice on appointment of the dean, the senior faculty member on the Executive Committee shall be chairman, and the dean shall not be a member.

##### THE DEAN

Sec. 9. (a) The dean is the chief executive officer of the college, responsible to the President for its administration. He is the agent of the college faculty for the execution of college educational policy.

(b) He shall be elected biennially by the Board of Trustees, on nomination of the President. On the occasion of each election, the President shall have the advice of the Executive Committee of the faculty concerned.

(c) On the recommendation of the dean and on the nomination of the President, the Board of Trustees may appoint biennially associate or assistant deans as required.

(d) (1) The dean shall call meetings of the faculty at such times as he or the Executive Committee may deem necessary and shall preside over such meetings; (2) to the end that committee work may be reduced to a minimum, he shall formulate and present policies to the faculty for its consideration; however, the foregoing clause shall not be interpreted to abridge the right of any member of the faculty to present any matter to the faculty; (3) he shall make reports on the work of the college; (4) he shall oversee the registration and the progress of the students in the college; (5) he shall be responsible to the President for the educational use of the buildings and rooms assigned to the college, and for the general equipment of the college as distinct from that of the separate departments; (6) he shall serve as the medium of communication for all official business of the college with other University authorities, the students, and the public; (7) he shall represent the college in conferences, except that additional representatives may be designated by the dean for specific conferences; (8) he shall prepare the budget of the college in consultation with the Executive Committee of the college; (9) he shall recommend the appointment, reappointment, or promotion of the officers and members of the teaching staff. In case of appointments, reappointments, or promotions, he shall make his recommendation after consultation with the chairman and Executive Committee, or with the head of the department concerned; in case the college has no departments, the dean shall make such recommendations after consultation with the Executive Committee of the college; recommendations to positions on the teaching staff shall ordinarily originate with the department, or, in cases of groups not organized as departments, with the persons in charge of the work concerned, and shall be presented to the dean for transmission with his recommendation to the President; (10) in case recommendations from the colleges are not approved by the President, the dean, with the consent of the Board, may present the recommendations in person before the Board of Trustees in session.

#### THE SCHOOL

Sec. 10. (a) The school is an educational and administrative unit occupying a status between the department and the college.

(b) A school organized as an independent administrative unit shall be governed by the same regulations as govern a college.

(c) A school included within a college shall be under the general direction of the faculty of that college.

#### THE DEAN OR DIRECTOR OF A SCHOOL

Sec. 11. (a) The chief executive officer of the school organized as an independent unit shall be a dean or director, appointed biennially by the Board of Trustees, on the recommendation of the President. In the selection of a dean or director, the President shall have the advice of the Executive Committee of the faculty concerned. Within the school the duties of a director or a dean shall be the same as those of the dean of a college.

(b) The chief executive officer of a school included within a college shall be a director appointed biennially by the Board of Trustees, on the recommendation of the dean of the college and of the President.

## **B. DEPARTMENTS**

### **THE DEPARTMENT**

Sec. 12. (a) The department is the primary unit of education and administration within the University. It is established for the purpose of carrying on programs of instruction and research in a particular field of knowledge. The staff of a department includes persons of all ranks who, on the nomination of its head or chairman, are appointed or assigned to it.

(b) The department has the fullest measure of autonomy consistent with the maintenance of general college and University educational policy and correct academic and administrative relations with other divisions of the University. Should a dispute arise between the department and another unit of the University concerning the proper limits of this autonomy, the department may appeal for a ruling directly to the dean and the Executive Committee of the college and, where the President considers it proper, to the President, who shall make a decision after consultation with the Senate Coordinating Council.

(c) A department may be organized either with a chairman or with a head.

(d) A new department may be created by the Board of Trustees on the vote of the faculty of the college in which the department is to be located and on the recommendation of the college and with the approval of the appropriate Senate and the President.

### **DEPARTMENT ORGANIZED WITH A CHAIRMAN**

Sec. 13. (a) The chairman shall be appointed biennially by the Board of Trustees on nomination presented by the President after consultation with the dean of the college and with the Executive Committee of the department concerned.

(b) In each department organized with a chairman, the voting faculty consists of the instructors, assistant professors, associate professors, and professors. With the consent of the Executive Committee, the Chairman may invite other persons to attend departmental meetings but such persons shall have no vote.

(c) The voting faculty of the department shall have power to determine such matters as do not so affect relations with other departments or colleges that they properly come under the supervision of larger administrative units.

(d) In each department organized with a chairman, there shall be an Executive Committee elected annually by the voting members of the department from the ranks of assistant professor and above. Should the department determine, members of the Executive Committee may be elected for two-year terms. The chairman of the department is ex officio a member and the chairman of this committee. The chairman and the Executive Committee are responsible for the preparation of the budget and for such matters as may be delegated to them by the voting faculty of the department. In a department which has a voting faculty of not more than five members, the Executive Committee shall consist of all persons of the rank of assistant professor and above. In all other cases the size of the Executive Committee shall be determined by the voting members of the department.

(e) In each department organized with a chairman, that officer shall be responsible for the formulation and execution of departmental policies and the execution of University and college policies insofar as they affect the department. He shall have power to act independently in such matters as are delegated to him by the Executive Committee. He shall (1) report on the teaching and research of the department; (2) have general oversight of the work of students in the department; (3) collaborate with the Executive Committee in the preparation of the budget and be responsible for the expenditure of departmental funds for the purposes approved by the Executive Committee; and (4) call and preside over all meetings of the department and of the Executive Committee. The chairman, together with the Executive Committee, is responsible for the organization of the work of the department, and for the quality and efficient progress of that work.

(f) In the administration of his office the chairman shall recognize the individual responsibility of other members of the department for the discharge of the duties committed to them by their appointments and shall allow proper scope to the ability and initiative of all members of the department.

#### DEPARTMENT ORGANIZED WITH A HEAD

Sec. 14. (a) The head of a department shall be appointed without specified term by the Board of Trustees on nomination presented by the President after consultation with the dean of the college and all members of the department of the rank of assistant professor and above. He may, however, be relieved of his duties and title as head of the department by the Board of Trustees, on recommendation of the President in consultation with the dean of the college.

(b) The head of the department shall have the power to determine such matters as do not affect other departments or properly come under the supervision of larger administrative units.

(c) In each department organized with a head, that officer shall have general direction of the work of the department. In regard to departmental policies he shall consult with an advisory committee which may be constituted as follows: the faculty of the department may elect an advisory committee from the staff who are on indefinite tenure. If the faculty does not so act, the advisory committee shall consist of all members on indefinite tenure, unless the department is organized in divisions, in which case the advisory committee shall consist of the heads of the several divisions. The head of the department shall consult with each member of the department regarding the nature and scope of the work in charge of that member. He shall regularly call meetings of the departmental staff for explanation and discussion of policies, educational procedure, and research. The head shall be responsible for the organization of the work of the department, for the quality and efficient progress of that work, and for the formulation and execution of departmental policies, and for the execution of university and college policies insofar as they affect the department. He shall report on the teaching and research of the department, have general supervision of the work of students in the department, prepare departmental budgets, and be responsible for the distribution and expenditure of departmental funds and for the care of departmental property.

(d) In the administration of his office, the head shall recognize the indi-

vidual responsibility of other members of the department for the discharge of the duties committed to them by their appointments and shall allow proper scope to the ability and initiative of all members of the department.

#### CHANGE OF DEPARTMENTAL ORGANIZATION

Sec. 15. On the written request of at least one-fourth of the members of the department of the rank of assistant professor and above, and in no case fewer than two members, that the form of the organization of the department be changed, the dean shall call a meeting to poll by ballot the members of the department of the ranks of assistant professor and above; he shall transmit the result of the vote to these members of the department and to the President together with his recommendation; if a change of organization is voted, the President shall thereupon transmit this recommendation to the Board of Trustees.

#### C. GRADUATE COLLEGE

##### GRADUATE COLLEGE

Sec. 16. (a) The Graduate College shall have jurisdiction over all programs leading to the master's degree and all programs leading to the degrees of Doctor of Philosophy, Doctor of Education, Doctor of the Science of Law, Doctor of Musical Arts, and other graduate degrees as determined by Senate action and approved by the Board of Trustees. It is the responsibility of the Graduate College to safeguard and promote standards of graduate work on the Urbana-Champaign and Chicago Professional Colleges campuses and to promote and assist in the development of research in all fields.

(b) Except as otherwise provided in this section, the Graduate College shall be governed by the same regulations as govern other colleges.

(c) The faculty of the Graduate College consists of the President, the Vice-President and Provost, the Vice-President in Charge of the Chicago Professional Colleges, the Dean, the Associate and Assistant Deans of the Graduate College, and all those who on the recommendation of the departments or of other teaching or research divisions have been approved by the Executive Committee and the Dean of the Graduate College to be in independent charge of courses designed for graduate students or of theses to be submitted for higher degrees.

(d) The Executive Committee consists of sixteen members: (1) eight elected members, four of whom shall be elected annually for two-year terms by the faculty of the Graduate College; (2) six members, three of whom shall be appointed each year for two-year terms by the President on the nomination of the Dean of the Graduate College in consultation with the members elected that year; and (3) the Associate Dean of the Chicago Professional Colleges Division of the Graduate College; and (4) the Dean of the Graduate College, who is ex officio a member and chairman of the Committee. Members elected or appointed shall hold office for two-year terms except that, for initial appointments or elections hereunder, one-half of the members of each group shall be designated to serve for one year and one-half for two years. When meeting to give advice on the appointment of the Dean, the senior faculty member (in terms of service at the University) on the Executive Committee shall be chairman and the Dean shall not be a member of the committee.

(e) Graduate work at the Chicago Professional Colleges shall be con-

ducted by the Chicago Professional Colleges Division of the Graduate College. The Division consists of the members of the Graduate Faculty in residence on that campus. There shall be an Executive Committee of the Professional Colleges Division of the Graduate College composed of nine members, four of whom shall be elected each year for two-year terms by the Division Graduate Faculty; the Associate Dean of the Graduate College is ex officio a member and the chairman of the Committee.

(f) The principal administrative head of the Graduate College is the Dean, who shall be appointed in the same manner as are the deans of other colleges.

(g) On the recommendation of the Dean of the Graduate College and on the nomination of the President, the Board of Trustees shall appoint biennially an Associate Dean of the Graduate College, who shall represent the Dean and serve as his deputy directly responsible to, and under the supervision and control of, the Dean for the administration of the Chicago Professional Colleges Division of the Graduate College.

(h) On the recommendation of the Dean and the nomination of the President, the Board of Trustees shall appoint biennially associate or assistant deans of the Graduate College as required.

(i) The recommendation of the Dean of the Graduate College shall be secured for the appointment to the staff of any college, school, division, or institute, or for the promotion of a person who may be expected to offer courses open to graduate students or to supervise theses submitted for higher degrees.

(j) The supervision of graduate student affairs, excluding discipline, is the responsibility of the Graduate College. The Dean of the Graduate College, after consulting with the Executive Committee of the College, shall appoint Committees on Graduate College Student Affairs for the Urbana-Champaign and Chicago Professional Colleges campuses.

(k) Student discipline for graduate students shall be administered by the Committee on Discipline of the Urbana-Champaign Senate or of the Chicago Professional Colleges Senate, in accordance with the provisions of Section 6, paragraph (h). Each Senate Committee on Discipline shall, after consulting with the Dean of the Graduate College, appoint a subcommittee on discipline for graduate students. The appropriate Senate Committee on Discipline shall hear and decide cases appealed to it from its subcommittees. The provisions of Section 6, paragraph (h), relative to the formulation of procedures and original and appellate jurisdiction of the Senate Committee, shall apply to disciplinary cases hereunder.

#### UNIVERSITY RESEARCH BOARD

Sec. 17. (a) The University Research Board consists of eight members appointed by the President after consultation with the Dean and with the Executive Committee of the Graduate Faculty; the Associate Dean of the Chicago Professional Colleges Division of the Graduate College; and the Dean of the Graduate College, who shall serve as chairman unless the President, in consultation with the Dean, shall name another member of the Research Board to serve as chairman. The Research Board may establish appropriate committees, the members of which need not be members of the Research Board.

- (b) The functions of the University Research Board include:
- (1) Making assignments of research funds of the Graduate College to individual and group research projects.
  - (2) Reviewing applications from faculty members to outside agencies for financial aid in support of research projects.
  - (3) Advising the President on potentially patentable inventions by faculty members.
  - (4) Advising the President and the Dean of the Graduate College on any matters they desire to submit to the Research Board.

#### **SPECIAL UNITS OF THE GRADUATE COLLEGE**

Sec. 18. (a) On the recommendation of the University Research Board, and of the Executive Committee and the Dean of the Graduate College, with approval by the President, the Board of Trustees may create special units of the Graduate College for the purpose of carrying on or promoting research in areas which are broader than the responsibility of any one department. Any such unit may be abolished by similar action.

(b) Staff members of such units shall be appointed by the Board of Trustees on the recommendation of the Executive Committee and the Dean of the Graduate College and on the nomination of the President. Appointments which carry academic rank and title indicative of departmental association shall be made only after consultation with the department concerned.

(c) Subject to the foregoing stipulations, the special units of the Graduate College include: (1) Digital Computer Laboratory; (2) Electron Microscope Laboratory; (3) Radiocarbon Laboratory; (4) Physical Environment Unit; (5) Institute of Communications Research; (6) Illinois Historical Survey.

#### **D. ALL-UNIVERSITY UNITS**

##### **UNIVERSITY LIBRARIES**

Sec. 19. (a) The University Libraries include all books, pamphlets, periodicals, maps, music scores, photographs, prints, manuscripts, micro-reproductions, and other materials purchased or acquired in any manner by the University and preserved and used in libraries to aid students and investigators. Such materials may include sound recordings, motion picture films, lantern slides, film strips, and other appropriate audio-visual aids.

(b) The University Libraries shall be in charge of the Director of Libraries. The libraries at the Chicago Professional Colleges and the Chicago Undergraduate Division and all branch libraries shall be in charge of librarians who are under the supervision of and represent the Director.

(c) The Director shall be responsible for the arrangement and care of the University Libraries and for the organization of the University Library staff. In the purchase of books and similar materials he shall act in accordance with business methods approved by the Vice-President and Comptroller. He shall make an annual report to the President on the condition and needs of the University Libraries and on the work of the staff. With the approval of the President, and with the approval of the Vice-President in Charge of the Chicago Professional Colleges or the Executive Dean of the Chicago Undergraduate Division, as the case may require, the Director may establish libraries on any campus when in his opinion efficiency in reference work, circulation,

cataloging, ordering, and other matters of library administration, and the general welfare of a campus, college, school, or department will thereby be promoted; and when such action has been taken, the Director may delegate appropriate powers to the assistants in charge of such branches.

(d) The Director shall be appointed biennially by the Board of Trustees on the nomination of the President of the University. On the occasion of each such election, the President shall have the advice of the Library Committees of each of the Senates, to each of which for this purpose he shall appoint one member of the library staff from each campus.

(e) Members of the University Libraries staff shall be appointed by the Board of Trustees on the recommendation of the Director of Libraries and nomination of the President, and may be given appropriate academic rank. In recommending the appointment of the librarian who is his representative at the Chicago Professional Colleges and the Chicago Undergraduate Division, the Director of Libraries shall consult with the Vice-President in Charge of the Chicago Professional Colleges and with the Executive Dean of the Chicago Undergraduate Division.

(f) The standing Library Committees of the three University Senates shall advise the Director regarding the apportionment of book funds and other matters pertaining to the University Libraries.

#### UNIVERSITY PRESS

Sec. 20. (a) The University Press is the publishing division of the University. It is charged with the responsibility for editing, designing, printing, and distributing the publications of the University.

(b) The Director of the University Press shall be appointed biennially by the Board of Trustees on the recommendation of the President.

(c) There shall be a University Press Board composed of the Dean of the Graduate College, the Director of the Press, and five appointed members. Appointments to the Board shall be made by the President after consultation with the Director of the University Press and with the Dean of the Graduate College. The University Press Board shall advise the Director of the Press regarding policies and administration.

#### DIVISION OF UNIVERSITY EXTENSION

Sec. 21. (a) The Division of University Extension is the agency of the University responsible for the extension of the educational resources of the University, other than those provided by the Extension Service in Agriculture and Home Economics, to qualified persons who are not students in residence. In carrying out its mission, the Division may conduct extramural courses, short courses, correspondence courses, conferences, and other programs common to university extension divisions.

(b) The Dean of the Division of University Extension shall be appointed biennially by the Board of Trustees on the recommendation of the President. He shall be the principal administrative officer of the Division and shall be responsible to the President.

(c) An Advisory Committee of seven members, appointed biennially by the President in consultation with the Dean, shall advise the Dean with respect to programs and administration.

(d) The content and quality of instruction in extension courses is the responsibility of the departments concerned.

(e) Appointments to the academic staff of the Division or assignments from departmental faculties to extension teaching shall be made on the recommendation of the Dean in consultation with the heads (or chairmen) of the departments concerned.

#### SUMMER SESSION

Sec. 22. (a) All courses for which credit toward a degree is given in the Summer Session shall be maintained at the same grade and standards as other work in the University. The character of the courses offered therein shall be outlined by the respective departments and by the Dean of the Summer Session and shall be approved in the same manner as are other courses.

(b) The Dean of the Summer Session shall be appointed biennially by the Board of Trustees, on the recommendation of the President of the University. He shall be the executive officer of the Summer Session and have therein the same duties as the dean of a college.

(c) An Executive Committee, appointed by the President, shall advise the Dean in the administration of his office, including the formulation of plans and the preparation of the budget.

(d) Appointments to the academic staff of the Summer Session shall be made by the Board of Trustees on the recommendation of the President. Recommendations for appointment shall originate with the department and shall be approved by the dean, or by the director concerned, and by the Dean of the Summer Session.

#### DIVISION OF SPECIAL SERVICES FOR WAR VETERANS

Sec. 23. (a) The Division of Special Services for War Veterans is established to serve the needs of men and women in the undergraduate colleges who have been released from the armed services.

(b) The Division shall be administered by a Director appointed biennially by the Board of Trustees on the recommendation of the President.

(c) The Division shall have an Executive Council appointed by the President after consultation with the Director and the Committee on Committees of the Urbana-Champaign Senate. The Director is ex officio a member of the Council. The Council shares with the Director the responsibilities of planning and administering the program of the Division.

(d) The functions of the Division are: (1) to study the needs of the returning veteran; (2) to inform him of the services of the University and to advise him in matters of educational aim and adjustment; (3) to help him find among the curricula the one which will best satisfy his purpose, and to assist him in making such adjustments as he may desire and as are accepted by the college or department in question.

(e) All veterans, on entering the University, shall have the privilege of applying for admission to any college or curriculum. They shall at all times have free access to the counseling services of the Division of Special Services and may come under its direct supervision under these conditions: (1) if they so elect at the time of their first registration, and if they are accepted by the Division; (2) when, according to regular University procedure, they voluntarily transfer to the Division from any school or college.

(f) For all students enrolled under its administration the Division is empowered to arrange programs of study leading to undergraduate degrees, and

to certify those degrees to the Urbana-Champaign Senate. Such degrees, however, shall be so phrased that they cannot be confused with any other degrees offered by the University.

#### **COUNCIL ON TEACHER EDUCATION**

Sec. 24. (a) The Council on Teacher Education is composed of the deans and the directors of colleges and schools which offer curricula in the training of teachers for the elementary and secondary schools and for the community (junior) colleges. The chairman shall be named by the President.

(b) The duties of the Council are to formulate policies and programs in the fields of teacher selection, retention, guidance and training, and placement in the schools named in paragraph (a), in conformity with educational policies established by the Urbana-Champaign Senate.

(c) On the nomination of the Dean of the College of Education and with the approval of the Council on Teacher Education, there shall be appointed (1) a Coordinator of Teacher-Training Programs, and (2) a Director of Teacher Placement. These officers shall be responsible to the Dean of the College of Education, who shall act as the executive officer for the Council in directing them in the performance of their duties.

(d) The Council is authorized to appoint area-of-specialization committees in each of the major teaching fields, a Committee on Teacher Placement, and such other committees as may be needed. These committees shall be composed of representatives from the College of Education and from the major subject-matter fields represented in any given curriculum.

The area-of-specialization committees shall be responsible for the improvement of their respective teacher-education curricula, counseling procedures in their areas, and other activities related thereto. They shall recommend action to the Council on Teacher Education.

(e) Students shall not ordinarily be eligible for University approval of their status as prospective teachers unless they have elected a curriculum approved by the Council on Teacher Education. It is understood, however, that this rule will not prejudice the status of students in any teaching area for which a curriculum is in the process of preparation.

(f) All curricula shall be approved by the Council on Teacher Education, by the respective colleges, and by the Urbana-Champaign Senate. They shall be offered in appropriate colleges and schools.

#### **E. CHICAGO UNITS**

##### **CHICAGO PROFESSIONAL COLLEGES AND SCHOOLS**

Sec. 25. (a) The Chicago Professional Colleges and Schools\* are integral parts of the University. They shall be governed by the general provisions of these Statutes, except as otherwise specifically provided.

(b) They shall be organized according to the principles stated in Sections 8 to 16 inclusive.

(c) The legislative body for the Chicago Professional Colleges shall be the Senate of the Chicago Professional Colleges, as provided in Section 6.

(d) There shall be a Vice-President in Charge of the Chicago Professional Colleges, who, under the direction of the President, shall be the chief executive officer of these colleges and schools and of such other academic

research, public services, medical services, and hospital services identified with the Chicago Professional Colleges as are not an integral part of a college or school.

The Vice-President in Charge shall be appointed biennially by the Board of Trustees on the nomination of the President. When a new Vice-President in Charge is to be selected, the President shall have the advice of a committee drawn from the Senate of the Chicago Professional Colleges. The Vice-President is a member of the faculty of each college and school on that campus. In the absence of the President, he shall preside at meetings of the Senate of the Chicago Professional Colleges. Administratively, he shall act within the lines of general policy indicated in these Statutes and in conformity with specific policies adopted by the Board of Trustees or transmitted to him by the President. He may make recommendations to the Board, through the President, on matters of general policy pertaining to the Chicago Professional Colleges. He shall make such recommendations to the President and to the Senate of the Chicago Professional Colleges as he may deem desirable for the proper conduct and development of the work of these Colleges. He shall prepare the proposed annual and biennial budget of the Chicago Professional Colleges with the advice of the Advisory Council and shall present these budgets to the President and to the University Council for consideration and inclusion in the University budget. He shall recommend to the President suitable persons for appointment to positions in the Chicago Professional Colleges. He shall transmit to the President the names of candidates recommended by the Senate of the Chicago Professional Colleges for diplomas and degrees.

(e) Representatives of the Vice-President and Comptroller, the Dean of Admissions, the Director of Nonacademic Personnel, the Director of Public Information, the Director of the Physical Plant, the Director of University Libraries, the Director of Broadcasting and Manager of Radio and Television Stations, the Director of the School of Physical Education and the Graduate College, who are assigned to the Chicago Professional Colleges shall keep the Vice-President in Charge informed of their budgets and policies and any changes therein which may affect the services which the office they represent may render to the colleges, schools, and departments. Within the limits of the general policy of their respective offices, they shall look to the Vice-President for guidance as to ways in which their services may best be utilized in accomplishing the academic purposes of the Chicago Professional Colleges. Appointment of these representatives shall be made after consultation with the Vice-President.

(f) An Advisory Council for the Vice-President in Charge of the Chicago Professional Colleges shall be composed of the deans (or acting deans), the directors (or acting directors) of the colleges or schools, the Medical Director (or acting director) of the Research and Educational Hospitals, the Associate Dean of the Chicago Professional Colleges Division of the Graduate College, the chief representative of the Vice-President and Comptroller of the University, the chief representative of the Director of the Physical Plant, three members of the Senate of the Chicago Professional Colleges elected by that Senate, and such other members as the Advisory Council shall from time to time recommend to the Vice-President in Charge for inclusion. The Council shall have no legislative functions. It shall meet once in each

academic quarter and at such other times as the Vice-President shall deem necessary. The Vice-President shall be chairman at meetings of the Council.

(g) The colleges, schools, and other agencies identified with the Chicago Professional Colleges include:

The College of Dentistry, the College of Medicine, the College of Pharmacy, the School of Nursing, the Chicago Professional Colleges Division of the Graduate College, the Research and Educational Hospitals, the Division of Services for Crippled Children, the Institution for Tuberculosis Research, the Aeromedical and Physical Environment Laboratory, the Illustration Studios, the Animal Hospital, the Office of Student Affairs, and the Health Service of the Chicago Professional Colleges.

(h) The Board of Trustees, on nomination of the President, shall appoint biennially a Medical Director of the Research and Educational Hospitals, who shall be a physician highly qualified in the fields of medical education and administration. The Board may also appoint him Associate Dean of the College of Medicine.

The duties and responsibilities of this officer are:

As Medical Director, he is the chief administrative officer of the Research and Educational Hospitals and Chairman of the Hospital Executive Committee. He shall supervise and coordinate the activities of the offices of Administrator, of the Director of Clinics and Admissions (of patients to the hospitals), and of the professional services, including nursing. He has charge of the budget of the Research and Educational Hospitals. In all of these capacities he is responsible to the Vice-President.

As Associate Dean, he shall advise and assist the Dean of the College of Medicine in the preparation of the College budget — specifically on budgetary provisions relating to the Research and Educational Hospitals and the College of Medicine — and on professional appointments, teaching and research, and laboratory services. He shall advise and assist the Dean of the College of Medicine in all educational matters, especially in programing and implementing the educational and research activities in the Research and Educational Hospitals and the work of clinical clerks. He shall be a member of the faculty of the College of Medicine and of its Executive Committee and any other committee as may be appointed for executive or administrative purposes. He shall serve as liaison officer, representing the Dean, in educational matters, and in staffing the Illinois Eye and Ear Infirmary and of any other hospital agencies which are similarly affiliated with the University. In all of these capacities he shall be responsible to the Dean of the College of Medicine.

#### CHICAGO UNDERGRADUATE DIVISION

Sec. 26. (a) The Chicago Undergraduate Division is an integral part of the University. The Division is governed by the general provisions of these Statutes insofar as they are applicable and except as otherwise provided in this section.

Courses offered at the Chicago Undergraduate Division which correspond with those offered at Urbana-Champaign shall be of the same nature and scope as corresponding courses offered on the latter campus.

(b) The legislative body for the Chicago Undergraduate Division is the Chicago Undergraduate Division Senate, as provided in Section 6.

(c) The Chicago Undergraduate Division is administered by an Execu-

tive Dean, who shall be appointed biennially by the Board of Trustees on the nomination of the President. When a new Executive Dean is to be selected, the President shall have the advice of a committee drawn from the Senate of the Chicago Undergraduate Division. The Executive Dean shall be a member of the faculties of the Division. In the absence of the President, he shall preside at meetings of the Chicago Undergraduate Division Senate. Administratively, he shall act within the lines of general policy set forth in these Statutes and in conformity with specific policies adopted by the Board of Trustees or transmitted to him by the President. He may make recommendations to the Board of Trustees, through the President, on matters of general policy pertaining to the Division. He shall make such recommendations to the President and to the Chicago Undergraduate Division Senate as he may deem desirable for the proper conduct and development of the work of the Division. In consultation with the Advisory Council, he shall prepare the proposed annual and biennial budgets for the Chicago Undergraduate Division, and shall present these budgets to the President and the University Council for consideration and inclusion in the University budget. He shall recommend to the President suitable persons for appointment to positions in the Division.

(d) There shall be an Advisory Council for the Executive Dean in charge of the Chicago Undergraduate Division composed of the associate deans, the Director of Physical Education, the Assistant Dean of the Division, the chief representative of the Vice-President and Comptroller of the University, the chief representative of the Director of the Physical Plant of the University, three members of the Senate of the Chicago Undergraduate Division elected by that Senate, and such other members as the Advisory Council shall from time to time recommend to the Executive Dean for inclusion. The Council shall have no legislative functions. It shall meet once in each academic semester and at such other times as the Executive Dean shall deem necessary. The Executive Dean shall be chairman at meetings of the Council.

(e) The Division as organized is divided into Faculties as follows: the Faculty of Liberal Arts and Sciences (which includes course offerings in Education), the Faculty of Commerce and Business Administration, the Faculty of Engineering (including courses in Art and Architecture), and the Faculty of Physical Education.

(f) The Faculty shall have the powers and responsibilities outlined for colleges in Section 8. The addition of work in new fields and courses in areas currently included may be proposed by a Faculty of the Chicago Undergraduate Division after consultation with the appropriate committees of the Urbana-Champaign colleges offering the same work. Such additions are subject to approval by the Chicago Undergraduate Division Senate and the Senate Coordinating Council.

(g) Each Faculty shall have an Associate Dean or Director who shall have administrative charge of its affairs within the general framework of the Division. The Associate Dean or Director is the chief executive officer of his Faculty responsible to the Executive Dean and is the agent of his Faculty in the execution of educational policy. He shall be appointed in the manner prescribed in Section 9 of these Statutes, except that the recommendation shall be made to the President by the Executive Dean of the Division and after consultation with the Advisory Council and the Executive Committee of the Faculty concerned.

(h) The Faculties may be divided into appropriate departments or divi-

sions which shall be administered in the manner prescribed in Sections 13 or 14 of these Statutes.

(i) Representatives of the Vice-President and Comptroller, the Dean of Admissions, the Director of Nonacademic Personnel, the Director of Public Information, the Director of the Physical Plant, and the Director of University Libraries who are assigned to the Chicago Undergraduate Division shall keep the Executive Dean informed of their budgets and policies and any changes therein which may affect the services which the office they represent may render to the Chicago Undergraduate Division and its departments. Within the limits of the general policy of their respective offices, they shall look to the Executive Dean for guidance as to ways in which their services may best be utilized in accomplishing the academic purposes of the Chicago Undergraduate Division. Appointment of these representatives shall be made after consultation with the Executive Dean.

#### **F. SPECIALIZED UNITS**

##### **AGRICULTURAL EXPERIMENT STATION**

Sec. 27. The Agricultural Experiment Station shall be administered by a Director, who shall be appointed biennially by the Board of Trustees on the recommendation of the President.

The Agricultural Experiment Station of the University of Illinois was established in 1888, under the provisions of acts of Congress, "to aid in acquiring and diffusing among the people of the United States useful and practical information in subjects connected with agriculture, and to promote scientific investigation and experiment respecting the principles and applications of agricultural science."

##### **EXTENSION SERVICE IN AGRICULTURE AND HOME ECONOMICS**

Sec. 28. (a) The Extension Service in Agriculture and Home Economics shall be administered by a Director appointed biennially by the Board of Trustees on the recommendation of the President, concurred in by the Secretary of Agriculture.

(b) Under the provisions of the Smith-Lever Act, approved by the President of the United States on May 8, 1914, and of subsequent acts of Congress, and under the provisions of a concurring Joint Resolution of the Illinois General Assembly, the University is designated the agency in Illinois responsible for cooperative agricultural and home economics extension work.

This work shall consist of the giving of instruction and practical demonstrations in agriculture and home economics to persons not attending the University and of imparting to such persons information on these subjects through field demonstrations, publications, and otherwise. This work shall be carried on in such a manner as may be mutually agreed upon by the Secretary of Agriculture and the University.

##### **INSTITUTE OF AVIATION**

Sec. 29. (a) The Institute of Aviation is responsible for fostering and correlating educational and research activities related to aviation in all parts of the University.

(b) The Institute and the University Airport shall be administered by a Director, appointed biennially by the Board of Trustees on the nomination of the President.

(c) An Executive Committee of the Institute shall be appointed by the President on the recommendation of the Director. The Director shall be ex officio a member and chairman of the Committee. The Executive Committee shall advise the Director on the administration of his office, including the formulation of plans and the preparation of the budget. In making the nomination for a Director, the President shall consult with the Executive Committee. When meeting to recommend a Director, the senior member shall serve as chairman of the Committee and the Director shall not be a member.

#### **INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS**

Sec. 30. (a) The Institute of Labor and Industrial Relations is responsible for fostering and coordinating educational, extension, and research activities in labor and industrial relations, including advisory and information services. Extension activities are administered by the Division of University Extension. In developing and carrying on such programs, use shall be made of the Institute staff as well as of the staffs of other University departments and divisions. An Advisory Committee, appointed by the Board of Trustees on the recommendation of the President, shall serve in an advisory capacity to the Institute. The Director of the Institute is ex officio a member and chairman of the Committee.

(b) The Institute of Labor and Industrial Relations shall be administered by a Director, appointed biennially by the Board of Trustees on the recommendation of the President.

(c) An Executive Committee shall be elected by the staff of the Institute and shall advise the Director on the administration of his office, including the formulation of plans and the preparation of the budget. The Director shall be ex officio a member and chairman of the Committee. In making the nomination for a Director, the President shall consult with the Executive Committee. When meeting to recommend appointment of a Director, the senior member shall be chairman and the Director shall not be a member of the Committee.

#### **INSTITUTE OF GOVERNMENT AND PUBLIC AFFAIRS**

Sec. 31. (a) The Institute of Government and Public Affairs is responsible for developing campus and in-service programs in public service training; research programs in the field of government and public affairs; advisory services for public officials and agencies; and citizen conferences and courses of current interest in government. In developing and carrying on such programs, use should be made of University departments and divisions.

(b) The administrative head of the Institute shall be a Director appointed biennially by the Board of Trustees on the recommendation of the President.

(c) An Executive Committee shall be elected by the staff of the Institute and shall advise the Director on the administration of his office, including the formulation of plans and the preparation of the budget. The Director shall be ex officio a member and chairman of the Executive Committee. In making a nomination for a Director the President shall consult with the Executive Committee. When meeting to recommend appointment of a Director, the senior member shall be chairman and the Director shall not be a member of the Committee.

(d) There shall be an Advisory Committee appointed by the President and composed of representatives of departments, schools, and colleges working closely with the Institute.

**G. CREATION OF NEW UNITS****CREATION OF COLLEGES, SCHOOLS, DIVISIONS, AND INSTITUTES**

Sec. 32. (a) *Colleges*. When deemed necessary for the administration of new programs requiring a new grouping of departments and fields, new colleges may be created. A new college may be proposed by any one of the three Senates or by the President. After approval by a Senate and on the recommendation of the Senate Coordinating Council, the President shall submit the proposal for the creation of a new college, together with his recommendation, to the Board of Trustees for its action.

(b) *Schools*. Independently organized schools may be created in the same manner as colleges.

(c) *Institutes and General University Organizations*. For the development and operation of teaching, of research, of extension, and of service programs which are horizontal or intercollege in their scope and which cannot be developed under existing administrative agencies, there may be created such institutes, councils, divisions, or other agencies as are warranted. The creation of such horizontal agencies shall be by the same procedure as for colleges.

**IV. ACADEMIC AND ADMINISTRATIVE STAFFS****ALL UNIVERSITY POSITIONS ON MERIT BASIS**

Sec. 33. The Board of Trustees stamps with its strongest disapproval any disposition to make patronage out of University appointments. Political, social, fraternal, and church influences are to be altogether ignored, and every appointment shall be made on a merit basis. The President and other officers of the University are to feel fully assured that the Board of Trustees will heartily support them in acting on this principle.

**EMPLOYMENT OF RELATIVES**

Sec. 34. (a) It is the general policy of the University not to employ on its academic or administrative staff a person who is related within the third degree by blood or marriage to any other person employed on either of these staffs.

(b) The President is authorized to make exceptions when in his judgment the interests of the University may be prejudicially affected by the application of such a policy. Exception shall not be made in any case, however, where one of the persons involved has authority and responsibility in the appointment or promotion of a relative within the third degree.

(c) Employment in many positions in the University is subject to the provisions of the act creating the University Civil Service System of Illinois. In these positions relation to another person in the employment of the University will not be a cause for refusal to employ, for discharge, or for demotion. However, no person having authority to select a Civil Service employee shall employ any person who is related to him in the degree set out in (a) above.

(d) The President shall have power to promulgate rules to make effective the policies set forth in this section.

**APPOINTMENTS, RANKS, AND PROMOTION OF THE ACADEMIC STAFF**

Sec. 35. (a) All appointments, reappointments, and promotions of the academic staff, as defined in Section 36 (a), and administrative staff shall be made by the Board of Trustees, on the recommendation of the President.

(b) Appointments shall be made solely on the basis of the special fitness of the individual for the work demanded in the position.

(c) The following academic ranks are recognized: professor, associate professor, assistant professor, instructor or research associate, and assistant. Appropriate academic rank, with the rights and privileges pertaining thereto, may be accorded members of the administrative staff.

(d) Recommendation to positions on the academic staff shall ordinarily originate with the department, or, in groups not organized as departments, with the officers in charge of the work concerned, and shall be presented to the dean of the college for transmission with his recommendation to the President. Whenever the appointment or promotion of members of the academic staff is involved, the dean shall consult the chairman or the head of the department and the departmental executive committee, or, if the college has no departments, the executive committee of the college, before making his recommendation. If the appointment involves a person who may be expected to offer courses carrying graduate credit, the dean of the college shall consult the Dean of the Graduate College, who shall have the right to make an independent recommendation to the President.

(e) In determining appointments to, and salaries and promotion of the academic staff, special consideration shall be given to those of the following factors which are applicable: (1) teaching ability and performance, (2) research ability and achievement, and (3) general usefulness or promise thereof to the University.

#### **PRINCIPLES GOVERNING EMPLOYMENT OF ACADEMIC AND ADMINISTRATIVE STAFFS**

Sec. 36. The following principles shall govern the employment of the academic and administrative staffs of the University.

(a) The academic staff which conducts the educational program shall consist of the teaching, research, scientific, counseling, and extension staffs; deans and directors of colleges, schools, institutes, or divisions; editors, librarians, and such other members of the staff as are designated by the President.

(b) The members of the academic and administrative staffs shall be employed, and their salaries fixed, by the Board, except that members of the academic staff below the rank of assistant professor may be employed by the President of the University, who shall report such appointments to the Board.

(c) Minimum salaries for the various ranks shall be determined by the Board of Trustees. The minimum for eleven months' service shall be approximately two-ninths greater than the minimum for the academic year.

(d) The terms of the employment for all members of the academic and administrative staffs shall be stated explicitly in the contract of employment.

(e) The academic year shall consist of two semesters (at the Chicago Professional Colleges the academic year shall consist of three terms) beginning in September or October and ending in June, the exact dates to be determined in the University calendars.

#### **SERVICES RENDERED THE UNIVERSITY**

Sec. 37. (a) No person employed on a full-time basis on the instructional or administrative staffs of the University shall be assigned any other University work which does not naturally come within the scope of his duties, and for which additional compensation is to be paid, without the prior approval of the President.

(b) No person employed by the University shall have any interests incompatible with those of the University.

(c) Full-time employees shall not receive compensation for services within the University in excess of a normal schedule, except for a reasonable amount of instruction in the Division of University Extension or for the grading of special examinations (outside regular course work) stipulated by the University, all to be done during off-duty hours. Exceptions may be made to this rule in special cases which are approved by the dean of the college of which the employee is a member, provided that if such additional payments exceed a nominal amount, the advance approval of the President or of the Vice-President and Provost shall be secured. These exceptions shall be held to a minimum.

(d) The responsibilities to the University of full-time members of the academic staff are held to be fulfilled when a teaching load appropriate to the rank and program is carried, an appropriate amount of productive scholarly research, aid in a program of public service, and a reasonable share of committee assignments is performed. Such staff members may carry on some professional or business activities of an income-producing character, so long as such activities are compatible and not in conflict with University interests. The head of the department of which the employee is a member should know and approve of these activities outside the University.

#### TENURE OF ACADEMIC STAFF

Sec. 38. (a) Unless otherwise provided in these Statutes (and in the absence of some special written agreement approved by the President of the University with the consent of the appointee) the tenure for the various members of the academic staff shall be as stated herein, except that first appointments or temporary appointments may be made for shorter periods.

(1) An appointment as professor or associate professor shall be for an indefinite term.

(2) An appointment as assistant professor, or to the administrative staff, shall be for a period not longer than two years from September 1 of the first year of the legislative biennium.

(3) Appointments to lower ranks shall be for not more than one year.

(b) The appointment of any person for a definite term does not carry any guarantee or implication that the Board of Trustees will renew the appointment at its termination, even though the appointee may have discharged his duties satisfactorily. Any appointment, if accepted, must be accepted with this stipulation.

(c) Tenure may be terminated by (1) honorable retirement; (2) acceptance of resignation; (3) discharge for cause.

(d) Cause for discharge shall consist of conduct seriously prejudicial to the University through deliberate infraction of law or commonly accepted standards of morality, neglect of duty, inefficiency or incompetency. The enumeration of causes for discharge shall not be deemed exclusive, and the Board of Trustees reserves the power to discharge for other causes, but it is to be distinctly understood that this power will be exercised only under exceptional circumstances and then only for conduct which is clearly prejudicial to the best interests of the University.

(e) An appointee on definite tenure shall not be removed before the expiration of his term of service, nor shall an appointee on indefinite tenure be

removed, without in either instance first having been presented with a written statement of the charges against him, which shall be sufficiently specific reasonably to inform him of their nature and to enable him to present his defense thereto. Charges shall be preferred by the President, or on his authority, and shall be filed with the Secretary of the Board of Trustees. A copy of the charges shall be transmitted to the appointee either personally or shall be mailed to the appointee at his last known post-office address by registered mail within 15 days after they have been preferred. Within 15 days after such service of a copy of the charges, the appointee may file with the Secretary of the Board a written request for a hearing before the Board of Trustees. Notice of the time and place of the hearing, which shall be not less than 20 days after the date of the appointee's request, shall be served upon the appointee either personally or by registered mail. The date of the hearing shall be no less than 15 days from the date of the receipt of the notice of hearing by the appointee. The appointee shall have the right to appear at the hearing, with counsel, if he desires, to reply to the charges and to present evidence in his behalf. The Board shall not be bound by formal or technical rules of evidence in hearing and deciding the case. Prior to the preferment of charges, or while charges are pending, the appointee may be suspended by the President pending final decision of the Board upon the charges. In designating the effective date of dismissal or requested resignation, the Board shall give due consideration to the time reasonably required for the adjustment of the staff member's personal affairs.

(f) Any member of the faculty of the University, who claims that termination of his services would violate principles of academic freedom, shall have the right to a hearing before the Committee on Academic Freedom of the appropriate Senate prior to a hearing, if any, before the Board of Trustees. Such hearings shall be conducted in accordance with established rules of procedure. The Committee shall make findings of fact and recommendations to the President of the University. The several Committees may, from time to time, establish their own rules of procedure.

#### ACADEMIC FREEDOM

Sec. 39. (a) It is the policy of the University to maintain and encourage full freedom, within the law, of inquiry, discourse, teaching, research, and publication and to protect any member of the academic staff against influences, from within or without the University, which would restrict him in the exercise of these freedoms in his area of scholarly interest. The right to the protection of the University shall not, however, include any right to the services of the University's Legal Counsel or his assistants in any governmental or judicial proceedings in which the academic freedom of the staff member may be in issue.

(b) In his role as citizen, the faculty member has the same freedoms as other citizens, without institutional censorship or discipline, although he should be mindful that accuracy, forthrightness, and dignity befit his association with the University and his position as a man of learning.

(c) These freedoms do not include the right to advocate the overthrow of our constitutional form of government by force or violence.

(d) A staff member who believes that he does not enjoy the academic freedom which it is the policy of the University to maintain and encourage, shall be entitled to a hearing, on his written request, before the Committee on Academic Freedom of the appropriate University Senate.

**SABBATICAL LEAVES OF ABSENCE FOR MEMBERS OF THE FACULTY**

Sec. 40. (a) On the recommendation of the head or chairman of a department, and with the approval of the dean, the President, and the Board of Trustees, a member of the faculty who has the rank of professor, associate professor, or assistant professor and who has served the University for at least six years on full-time appointment as an instructor or in higher rank since his original appointment or since the termination of his last leave on salary, may be granted a leave of absence for the purpose of study, research, or other pursuit, the object of which is to enable him to increase his professional efficiency and usefulness to the University for

(1) one year with pay equal to one-half of his annual salary; or

(2) one-half year at full salary rate, provided that the department in which the applicant is teaching or working undertakes, so far as is practicable, to carry on during his absence without increase in the departmental budget, such part of his work as the interests of the department and of the University require to be continued without interruption during the period in which he is absent.

(b) In cases where the interest of the department and the University would clearly be served thereby, leave may be granted for a half year at half pay, at the end of three years of consecutive service, provided that the granting of the leave does not involve expense to the University in excess of the portion of salary which is released in consequence of taking such leave.

(c) Service credit for leave of absence with pay is not cumulative. Each person who has been on leave of absence shall, on the termination of his leave, make a report through the usual official channels of communication to the President concerning the nature of the studies, research, or other work undertaken by him during the period in which he was absent.

(d) A member of the faculty to whom any such leave of absence has been granted shall agree to return to the University on the expiration of his leave and to remain in its service for at least one year thereafter; and the University, on its part, shall agree to retain him in its service for the period of one year after his return.

(e) Leaves of absence granted in accordance with the foregoing rules, with the privileges pertaining thereto, are given to members of the faculty primarily for the purpose of enabling them to acquire additional knowledge and competency in their respective fields. No one to whom a leave of absence with pay has been granted shall be permitted while on such leave to accept remunerative employment or engage in professional practice or work for which he receives pecuniary compensation. This prohibition, however, shall not be construed to forbid a faculty member while on leave from giving a limited number of lectures or doing a limited amount of other work. But in such cases the approval of the President to the giving of the lectures or the doing of other work shall be required. Nor shall the prohibition be interpreted to forbid the acceptance by a faculty member, while on leave, of a scholarship or fellowship carrying a stipend for purpose of study, research, or scientific investigation, or the acceptance of a grant of money made for such purposes, provided the acceptance of the grant does not impose on the recipient duties and obligations the performance of which would be incompatible with the pursuit of the general purpose for which leaves of absence are granted.

(f) The President shall establish regulations and procedures necessary for the administration of these provisions.

#### **GRADUATE WORK OF PROFESSORIAL STAFF MEMBERS**

Sec. 41. No person shall be admitted to candidacy for an advanced degree who holds an appointment as professor, associate professor, or assistant professor in any department or division of the University. Any person engaged in graduate study who accepts an appointment with the rank of assistant professor or higher at the University will be dropped as a degree candidate at this University.

#### **PRIVILEGES OF RETIRED MEMBERS OF THE ACADEMIC STAFF**

Sec. 42. (a) If a retired staff member is provided with research assistance, he shall, at the end of each academic year, report to the President in at least general terms, on the work accomplished during the year. In no case may a research assistant be granted to a retired staff member for a longer period than one year at a time, and such assistant may be continued only if the annual report of work shows progress or promise.

(b) With the approval of the department head or chairman and of the Dean of the Graduate College and of the President, a retired faculty member may offer conferences with graduate students in his line of work, if he had offered graduate courses before his retirement.

(c) Retired faculty members who were members of a Senate prior to retirement continue as members of that Senate with full floor privileges.

(d) Retired faculty members may participate in meetings of their college or school faculties but shall have no vote.

#### **DISMISSAL OF ADMINISTRATIVE OFFICERS**

Sec. 43. (a) In the exercise of its authority to dismiss or request the resignation of University officers from their administrative positions, the Board of Trustees may take such action in respect to the Vice-President and Provost, or the Vice-President in Charge of the Chicago Professional Colleges, or a dean or a director, or any other administrative officer, prior to the expiration of the term for which he was appointed, only after presentation by the Board to the officer affected of a statement of the reasons, accompanied by the facts in support thereof, upon which the proposed action is based, together with notice, served by registered mail, of the time and place of the hearing thereon which shall be not less than 30 days after the date of notice. A copy of the statement and notice shall be sent by registered mail to each member of the Board of Trustees at least 20 days prior to the hearing.

(b) The officer shall have the right to appear at the hearing, with counsel if he desires, to comment on the reasons and to present evidence in his behalf. The Board shall not be bound by formal or technical rules of evidence and its decision shall be final.

(c) In designating the effective date of dismissal or requested resignation, the Board shall give due consideration to the time reasonably required for the adjustment of the officer's personal affairs.

## V. OTHER ADMINISTRATIVE OFFICERS AND SERVICES

### GENERAL FUNCTIONS

Sec. 44. The general functions of the administrative officers provided for in Sections 45-50 are those currently assigned to them. The duties and functions of these officers are further enumerated in *The General Rules Concerning University Organization and Procedure*. The titles of such officers and their functions may be altered by the Board of Trustees on recommendation of the President.

### VICE-PRESIDENT AND COMPTROLLER

Sec. 45. The Vice-President and Comptroller shall be appointed annually by the Board of Trustees on the recommendation of the President. He shall be the general fiscal officer of the Board and shall approve for the Board all expenditures for which an appropriation has been made. The Vice-President and Comptroller shall also be the general business officer of the University and shall have supervision over all units of the Business Office of the University. He shall report to the President and perform such other functions as may be assigned to him by the Board or by the President.

### LEGAL COUNSEL

Sec. 46. The Legal Counsel shall be appointed biennially by the Board of Trustees on the nomination of the President. He shall serve as legal adviser to the Board of Trustees, to the President, and to other administrative officers of the University. He shall represent the University and the Board of Trustees in all legal proceedings, unless otherwise provided.

### DEAN OF ADMISSIONS

Sec. 47. The Dean of Admissions shall be appointed biennially by the Board of Trustees on the nomination of the President. He shall conduct general correspondence with prospective students, pass upon credentials of students entering the colleges and schools, supervise their entrance examinations, have charge of matriculation and registration, and be the official custodian of all academic records.

(b) The Dean of Admissions shall assess tuition and fees and keep detailed records of all tuition and other fees of students and report them to the Vice-President and Comptroller for collection.

### DEAN OF STUDENTS — DEAN OF MEN — DEAN OF WOMEN

Sec. 48. (a) The Board of Trustees, on the recommendation of the President, shall appoint biennially a University Dean of Students, who shall have general supervision over all extracurricular affairs of undergraduate students on the Urbana-Champaign campus and such other duties as the President may assign to him. He shall advise the President on undergraduate student welfare and extracurricular activities in all parts of the University. The Board of Trustees shall also appoint biennially, on the recommendations of the Dean of Students and the nomination of the President, a Dean of Men and a Dean of Women for the Urbana-Champaign campus, each of whom shall be under the supervision of the Dean of Students.

(b) Upon recommendation of the Vice-President in Charge of the Chicago Professional Colleges or of the Executive Dean of the Chicago Undergraduate Division, and on the nomination of the President, the Board

of Trustees may appoint biennially deans with appropriate titles and jurisdiction who shall have general supervision over extracurricular activities of students at the campus of such unit.

(c) The responsibility and authority of these officers are set forth in *The General Rules Concerning University Organization and Procedure*.

(d) There shall be established a Council of Deans of Students, composed of those officials on the three campuses, for the exchange of information in the field of student affairs. The chairman of that Council shall be the University Dean of Students.

#### **DIRECTOR OF THE PHYSICAL PLANT**

Sec. 49. The Director of the Physical Plant shall be appointed biennially by the Board of Trustees on the nomination of the President. His responsibilities include the operation and maintenance of and capital additions to the physical plant at Urbana-Champaign (excluding the Airport, Robert Allerton Park, the experimental farms, and properties maintained by the Athletic Association), at the Chicago Professional Colleges, and at the Chicago Undergraduate Division.

#### **DIRECTOR OF PUBLIC INFORMATION**

Sec. 50. (a) The Director of Public Information shall be appointed biennially by the Board of Trustees on the nomination of the President and shall be under the direct supervision of the President.

(b) He shall advise with the President on all University matters in which the public is interested; assist in interpreting University policies and activities through publications, press, radio, television, and any other available channels; and perform such other duties as may be assigned to him by the President.

#### **DIRECTOR OF NONACADEMIC PERSONNEL**

Sec. 51. The Director of Nonacademic Personnel shall be appointed biennially by the Board of Trustees on the nomination of the President. He is responsible, under the executive authority of the President, for the administration of policy and rules relating to compensation and working conditions of nonacademic employees (as approved and adopted by the Board of Trustees) and for the performance of other duties assigned to him by the President.

#### **DIRECTOR OF HEALTH SERVICES**

Sec. 52. (a) The Board of Trustees, on the recommendation of the President, shall appoint biennially a Director of Health Services, who shall have general supervision at the Urbana-Champaign campus and at the Chicago Undergraduate Division of the health functions delegated to him, as set forth in *The General Rules Concerning University Organization and Procedure*.

(b) The Board of Trustees, on the recommendation of the Vice-President in Charge of the Chicago Professional Colleges and on the nomination of the President, shall also appoint biennially, a Director of the Health Service at the Chicago Professional Colleges.

(c) On the recommendation of the Director of Health Services appointed under Paragraph (a), in consultation with the Executive Dean of the Chi-

cago Undergraduate Division and on the nomination of the President, the Board of Trustees shall appoint biennially a Director of the Health Service, who shall, under the supervision of the Director of Health Services, administer the health service at the Chicago Undergraduate Division.

(d) The Director of the Health Service at the Chicago Undergraduate Division shall be responsible to the Executive Dean of the Division for the teaching of any courses offered by the staff of the Health Service.

#### **STUDENT COUNSELING SERVICE**

Sec. 53. (a) A Student Counseling Service is established at Urbana-Champaign and at the Chicago Undergraduate Division, respectively. A similar Service may be established at the Chicago Professional Colleges.

(b) The Student Counseling Service shall have general responsibility for providing general and psychological service to students, or in behalf of students, as set forth in *The General Rules Concerning University Organization and Procedure*.

(c) The Directors of the respective Student Counseling Services shall be appointed biennially by the Board of Trustees on the nomination of the President and on the recommendation, respectively, of the Vice-President and Provost, the Executive Dean, and the Vice-President in Charge.

### **VI. RESEARCH AND PUBLICATION**

#### **SPONSORED RESEARCH, GIFTS, AND GRANTS**

Sec. 54. (a) It is the policy of the University to encourage research on the part of all persons and groups within the several faculties. Such encouragement includes the endorsement and support of acceptable proposals for outside contracts or grants.

(b) Such outside support must be integrated with the regular educational and research functions of the University. The acceptance of contracts or grants involves substantial indirect costs, Physical Plant operating costs, and the use of departmental, college, and general University facilities. Funds to meet these indirect costs must be provided either by the sponsors or by tax funds. In the latter case, because such activities come into direct competition for funds with other interests within the University, careful consideration shall be given the acceptance of such contracts.

(c) Rules governing the acceptance of contracts for research, of gifts, and of grants, are contained in *The General Rules Concerning University Organization and Procedure*.

#### **PATENTS ON INVENTIONS**

Sec. 55. The principle is recognized that the results of experimental work carried on by or under the direction of the members of the staff of the University, and having the expense thereof paid from University funds or from funds under the control of the University, belong to the University and should be used and controlled in ways to produce the greatest benefit to the University and to the public.

Any member of the staff of the University who has made an invention as the direct result of his regular duties on University time and at University expense, may be required to patent his invention, and to assign the patent to

the University, the expenses connected therewith to be borne by the University.

The above shall not be construed to include questions of ownership in copyrights on books, or inventions made by members of the staff outside of their regular duties and at their own expense.

The rules and regulations regarding patents and the procedures to be followed are contained in *The General Rules Concerning University Organization and Procedure*.

#### SCIENTIFIC AND SCHOLARLY PUBLICATIONS

Sec. 56. It is the policy of the University to foster the publication of scientific and scholarly periodicals which are edited, published, and subsidized by the University. Rules governing the sponsoring of such periodicals are contained in *The General Rules Concerning University Organization and Procedure*.

### VII. GENERAL PROVISIONS

#### EXCHANGE PROFESSORS

Sec. 57. On the recommendation of the head or the chairman of a department and with the approval of the dean, the President, and the Board of Trustees, a professor, associate professor, or assistant professor may be permitted, for a period of one year or one semester, to exchange his position with a professor of approximately equal rank in another university, provided the arrangement does not involve substantial increase in the cost of instruction. The professor with whom the exchange is made shall, during his period of service in this University, be subject to the rules governing appointments and conditions of service applicable to regular members of the faculty.

#### UNIVERSITY LECTURERS

Sec. 58. Scholars of eminence from other universities and persons who have achieved distinction in their professions may be invited from time to time to give one or more public lectures at the University. The fund for this purpose shall be administered by a committee consisting of the Dean of the Graduate College, the Vice-President and Provost, and one member named by the President.

#### PRIVILEGES FOR SCHOLARS FROM OTHER UNIVERSITIES

Sec. 59. The President of the University may extend the privilege of working, without charge, in the various laboratories or libraries of the University to members of the faculties of other colleges or universities, provided that they are recognized as authorities in their respective fields and come to the University with written credentials from the faculties of their institutions, or from their governments, asking that they be received as guests.

#### ANNUAL REPORTS

Sec. 60. On or before the first day of September in each year, each dean and director, and each head of a general University department, shall make to the President an annual report in which he shall treat fully the work of his college, school, institute, division, or department. Any of these University

officers may make reports or advance suggestions at any time and shall report to the President whenever requested to do so.

#### **TRANSMISSION OF REPORTS AND COMMUNICATIONS**

Sec. 61. (a) Any member of the faculty shall report, on request, to his superior officers. All communications, whether made pursuant to request or voluntarily offered, shall be transmitted, unless otherwise specifically directed, through and by all intermediary officers, to the end that they may have knowledge thereof and an opportunity to comment thereon.

(b) All communications from members of the staff to be presented to the Board of Trustees for action shall first be presented in duplicate to the President, in accordance with paragraph (a) above, for his examination and recommendation, and for such suggestions as he may deem proper.

#### **RULES OF PROCEDURE**

Sec. 62. The usual rules of parliamentary procedure shall govern all deliberative bodies of the University.

#### **RECOMMENDATIONS OF COMMITTEES AND COUNCILS**

Sec. 63. Whenever these Statutes provide for the advice or recommendation of a committee or council as a basis for, or aid to, officer or agency decision, the advice or recommendation shall be secured only through a meeting of the committee or council duly convened in group session.

#### **RESERVATION OF POWERS**

Sec. 64. The Board of Trustees is charged by law with full responsibility for administering the University. Although the Board may properly delegate authority to its duly designated officers and agencies, as indeed it has done since the establishment of the University in practical recognition of its own limitations to determine and resolve, in the first instance, complex and continuing problems of internal organization and educational policy, it cannot divest itself of the ultimate responsibility, imposed upon it by law, of governance of the University. Accordingly, the Board expressly reserves to itself the power to act on its own initiative in all matters affecting the University, notwithstanding that such action may be in conflict or may not be in conformance with the provisions of these Statutes. However, the Board will not so act upon its own initiative in any case in which Senate participation and recommendation is provided for by these Statutes until it has first sought the advice and recommendation of the appropriate Senate, or Senates, and the President.

### **VIII. AMENDMENTS**

#### **AMENDMENTS**

Sec. 65. Each of the Senates, by vote of a majority of all members present and voting at any regular or special meeting, may propose amendments to these Statutes. Any proposal to amend the Statutes shall, after introduction in any Senate, be deferred until the next meeting of that Senate and the text of the proposed amendment shall be sent by the Secretary of the Senate to the officers of the other two Senates. Any proposed amendment shall be referred to the Senate Coordinating Council for its consideration and for

transmission to the other Senates for action. If the three Senates agree, the amendment shall be presented to the President for transmission to the Board of Trustees. If the Senates do not concur in the proposed amendment, the Coordinating Council shall endeavor to promote agreement of the three Senates; where agreement is not effected, the Council shall transmit its recommendations to the President for submission to the Board of Trustees. Any Senate objecting to a proposed amendment may record its objections by forwarding them to the Board of Trustees, through the President. An amendment shall become effective when approved by the Board or at such later time as the Board may specify.

Amendments to the Statutes may also be proposed by the Board of Trustees, but no such proposal shall be adopted by the Board without seeking the advice of the Senates.

### REPORT OF EXECUTIVE COMMITTEE ON ADDITION TO CONTRACT FOR BIOLOGY BUILDING

The Executive Committee reported that it has authorized an increase of \$57,127 in the contract with the Mayfair Construction Company, Chicago, for the construction of the Biology Building to cover the increased cost of foundation work necessary due to very unusual subsoil conditions encountered which were not revealed by test borings and which could not be anticipated when the building was designed. The Committee has also approved a request from the contractor for an extension of ninety days in the contract time due to time lost to date and for time which will be required for additional work.

This report was received for record.

### BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

#### APPOINTMENTS TO THE UNIVERSITY OF ILLINOIS CITIZENS COMMITTEE AND ITS EXECUTIVE COMMITTEE

(3) Appointments to the University of Illinois Citizens Committee are made by the Board of Trustees upon the recommendation of the President of the University. When the present Committee was reconstituted in 1953 all appointments were for a period of three years from January 1, 1954, and the terms of all have expired. I submit the following nominations for appointments and reappointments for the period indicated in each case. These recommendations have previously been cleared with the Executive Committee of the Board of Trustees, and the persons recommended for appointment have agreed to serve. All members of the Board of Trustees and former Trustees living in Illinois are ex officio members of the Citizens Committee and therefore are not listed here.

From the general membership of the Citizens Committee, an Executive Committee is appointed by the Board of Trustees on recommendation of the President. Heretofore this Committee has consisted of nine members, and I recommend that it be increased to twelve. I also submit nominations for appointments to the Executive Committee for a period of one year.

#### RULES RELATING TO STUDENT HOUSING

(4) The Housing and Home Finance Agency requires a statement of the University's rules relating to student housing in connection with the bond issues recently approved by the Agency. The Director of Housing, the Dean of Students,

and the Vice-President and Comptroller recommend that the Board of Trustees reaffirm the following existing rules for the Urbana-Champaign campus:

1. All single undergraduate students under twenty-three years of age must live in University residence halls, fraternities, sororities, or private homes which are certified by the University as to physical standards, or with relatives in or near Urbana-Champaign. This rule shall be waived as to junior and senior men as long as the number of certified facilities in the community is inadequate.

2. No single undergraduate student may live in an apartment, unsupervised house, or sleeping room in a house in which there are apartments, without special permission. No single undergraduate women may live in houses or homes accommodating graduate students, except in the summer.

3. Exceptions to the above rules may be made only on written permission from the Housing Division. The Dean of Students shall have the authority to establish policies for granting special permission and shall have final judgment in any case referred to him by the Housing Division or by a student. No student shall enter into an oral or written contractual agreement which constitutes an exception to the above regulation until written special permission has been granted.

4. The University reserves the right to assign students who apply for University housing to any residence hall in which there is a vacancy. Priority for reassignment in the same hall is given to present occupants if their applications are received before a deadline specified by the Housing Division.

5. The Dean of Students shall be responsible for assigning space in all residence halls.

6. If more space should be available in housing units operated by the University than the number of applications received, all residence halls or other housing units on which there is outstanding indebtedness or fixed rental agreements with outside parties shall be filled first. To the maximum extent feasible, assignments in such halls shall be made in such a manner that the debt service on each project shall be met.

7. No assignments will be made to University temporary housing facilities when it appears that permanent residence halls will not be filled to 95 per cent of capacity.

8. Students who apply only for space in University cooperative houses shall not be required to transfer to permanent residence halls if vacancies occur in the latter.

I concur.

On motion of Mr. Swain, this recommendation was approved; Mr. Herrick did not vote on the motion.

#### IMPLEMENTATION OF UNIVERSITY STATUTES

(5) The revised University Statutes, approved by the Board of Trustees on January 16, 1957, will become effective September 1, 1957, and will supersede all previous versions of corresponding statutes.

Division II, Legislative Organization, provides for a University Senate at each campus of the University: the Urbana-Champaign Senate, the Chicago Professional Colleges Senate, and the Chicago Undergraduate Division Senate. The present University Senate and its committees will function until September 1, 1957. It will be necessary for the three successor Senates to organize, appoint committees, and elect representatives on the University Council and on the Senate Coordinating Council in order to function, and unless this is accomplished prior to September 1, 1957, there could be an awkward period during which the University would be without any educational legislative organization.

Accordingly, I recommend that the Board authorize the President of the University to call special meetings of the separate Senates at Urbana, the Chicago Professional Colleges, and the Undergraduate Division in Chicago, before September 1, 1957, for the purpose of organizing these respective Senates, the appointment of committees, and the taking of other necessary actions preparatory to setting up these respective bodies for the doing of business on September 1, 1957.

On motion of Mrs. Watkins, authority was granted as requested.

**SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(6) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve as follows:

*Urbana-Champaign*

1. Department of Agronomy, replacement of a 1944 Ford truck.....\$ 1 900
2. Security Office, purchase of automobile to replace present vehicle..... 2 230
3. Student Counseling Bureau, to implement the program of preregistration testing ..... 3 200
- At the Chicago Undergraduate Division.....\$1 100
- At the Urbana campus..... 2 100

*Chicago Professional Colleges*

4. College of Pharmacy, equipment for Physiology and Pharmacology... 4 200
5. Department of Anatomy, remodeling in the Dentistry-Medicine-Pharmacy Building ..... 2 800
- Total* .....\$14 330

I concur.

On motion of Mr. Bissell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**SUPPLEMENTAL APPROPRIATIONS FOR OPERATING EXPENSES**

(7) I recommend that the following appropriations be made from the General Reserve Fund, on a nonrecurring basis, to provide additional operating funds needed for the balance of the fiscal year 1956-57:

- Office of Nonacademic Personnel.....\$5 000
  - Chicago Professional Colleges Office.....\$3 800
  - Chicago Undergraduate Division Office..... 1 200
- This is primarily for the expenses of advertising for employees in Chicago. It has become increasingly difficult to secure employees to fill vacancies, chiefly because the University has been unable to maintain salary and wage scales at the level of rates for similar employment elsewhere in the Chicago area. Many employers pay employment agencies fees for new employees referred to them. University officials believe that advertising would be more effective for University needs. Part of the additional appropriation requested is to cover other increased costs of the Nonacademic Personnel Office in the Chicago Professional Colleges.

- Citizens Committee ..... 2 500

The Executive Committee of the Citizens Committee has approved a plan to hold three regional meetings (in the southern, central, and northern regions of the State) each year in addition to an annual general meeting of the Committee. Accordingly, there will be three regional meetings and a general meeting this year and the additional funds requested are to cover the cost of these meetings.

On motion of Mrs. Holt, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**APPLICATIONS FOR FEDERAL FUNDS FOR HEALTH RESEARCH FACILITIES**

(8) On recommendation of a Committee appointed by the Vice-President and Provost to advise on the University's building needs in this category, the following applications have been made for federal matching funds under the provisions of Public Law 835:

1. A Medical Research Laboratory at Chicago Professional Colleges .....	\$4 150 000 00	
Less University's share.....	2 725 000 00	
Federal funds requested.....		\$1 425 000 00
2. Research Wing of Biology Building.....	2 198 000 00	
Less University's share.....	1 256 000 00	
Federal funds requested.....		942 000 00
3. Remodeling and expansion of research facilities in the Division of Biochemistry of the Department of Chemistry and Chemical Engineering.....	131 365 00	
Less University's share.....	65 682 50	
Federal funds requested.....		65 682 50
<i>Total Application</i> .....		\$2 432 682 50

The above projects are listed in priority order. University matching funds for the first two are included in the University's request for state appropriations for the 1957-59 biennium. Funds for the third item, if approved, will have to come either from the state appropriation for remodeling in 1957-59, or from nonrecurring funds in the next biennium. The University is not under obligation to accept any federal grants if matching funds do not become available.

The National Institute of Health reviews all applications for matching funds periodically. In order to meet the deadline of February 1, 1957, for the next review, I authorized the submission of these applications and request confirmation of this action.

The University has recently been informed that it will be in order to amend its applications by supplemental requests for federal matching funds to include 50 per cent of the cost of movable equipment for any project. The original applications were submitted on information that federal funds would be available only for building construction. The University's applications for funds for the above named projects will be amended accordingly.

On motion of Mr. Herrick, the President's actions were confirmed.

#### ARCHITECTURAL SERVICES FOR CONSTRUCTION OF NEW DIGITAL COMPUTER LABORATORY

(9) The present quarters of the Digital Computer Laboratory in the Engineering Research Laboratory are no longer adequate, and additional space is needed for a new, very high speed computer which the Laboratory is now designing so that it may perform effectively the services required of the computer in research and graduate instructional programs.

The Board of Trustees on December 18, 1956, authorized the employment of A. Epstein and Sons, Inc., Chicago, for architectural and engineering services on the remodeling of the Engineering Research Laboratory by the construction of additional floors over the former engine room of the old power plant now used by the Department of Mechanical Engineering. Preliminary studies by this firm indicate that because of the nature of the construction which this type of remodeling would require to carry the load, the cost would be in excess of funds available and that it would be better to build a new structure. The construction of a new building, at an estimated cost of \$250,000, can be financed from indirect costs accumulated on digital computer projects, and future indirect costs derived from funds to be received from the United States Government for the construction of a new computer, including the Graduate College and general University shares of indirect costs. An advance from general indirect costs will be made until funds are received for the new computer project.

Accordingly, the Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board authorize:

1. The construction of the first unit of a permanent building for the Digital Computer Laboratory, designed to accommodate ultimate expansion requirements, instead of remodeling the Engineering Research Laboratory.
2. The location of this new building on University-owned land at the southeast corner of Romine and Stoughton Streets, Urbana.
3. The employment of A. Epstein and Sons, Inc., Chicago, as architects at a fee of 6 per cent of the construction contracts.

4. Allocation of indirect cost funds to the project, as indicated above.

The Board of Trustees Committee on Buildings and Grounds has been consulted and is prepared to support these recommendations.

I concur.

On motion of Mr. Swain, these recommendations and allocations of funds were approved.

**ADDITIONAL AIR CONDITIONING IN THE ILLINI UNION BUILDING**

(10) When the Illini Union Building was constructed (1939-40), the installed air conditioning capacity was not adequate to service the entire building. The guest rooms, meeting rooms on the second floor, the offices of the Alumni Association and the University of Illinois Foundation, and the corridors do not have air conditioning. Ducts, fans, and coils were installed to serve the rest of the building but the cooling equipment is not adequate to serve all areas concurrently. The original plans contemplated that when food service areas are in use during meal times, cooling would not be required in lounge areas; conversely, at other times cooling would be supplied to all air-conditioned areas except the dining rooms. This plan has not worked successfully because of the greatly increased use of the Illini Union facilities at all times of the day. The equipment is not adequate to provide satisfactory air conditioning consistently in any area of the building if an attempt is made to serve all areas originally planned to be served.

The following systems have been considered to provide air conditioning for the entire building: high pressure steam-driven centrifugal compressor type, electrically-driven centrifugal compressor type, steam absorption type, and individual room air-conditioning units.

Studies have shown that there would be relatively little difference in the capital cost of the four systems, but the steam absorption type would require a lower annual operating cost which, over a period of years, would result in substantial savings. The estimated cost of the installation is \$115,000, including \$33,354 for a Carrier Corporation steam-actuated absorption refrigerating machine with a rated capacity of 236 tons. An attempt was made to secure competitive bids but Carrier Corporation is the only manufacturer of steam absorption equipment of the capacity required.

The Director of the Illini Union, the Director of the Physical Plant, and the Vice-President and Comptroller recommend authorization of this improvement program and the purchase of the Carrier Corporation refrigerating machine. Recommendations for awards of other contracts will be submitted later after the bids have been taken.

Funds are available in the Illini Union Reserves and Surplus for the estimated total cost of the air-conditioning improvements.

I concur.

On motion of Mr. Livingston, this recommendation and allocation of funds was approved, and the purchase of the Carrier Corporation equipment was authorized.

**CONTRACTS FOR CONSTRUCTION OF MEN'S RESIDENCE HALLS**

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for the construction of Men's Residence Halls for approximately 1,500 persons to be built on the northwest half of the present Parade Ground area, and to be financed through a revenue bond issue. Complete building construction, including mechanical work — Felmley-Dickerson Co., Urbana

Base bid .....	\$4 979 400
Alternates for summer exhaust system in dormitories and air conditioning in food service building .....	207 547
	<u>\$5 186 947</u>

The Board of Trustees authorized securing all-inclusive bids from general contractors instead of taking separate bids on the several divisions of the total construction.

Food service equipment — The Stearnes Company, Chicago.....	254 679
Extension of utility distribution system to provide electric power:	
Furnishing and installation of the electric distribution system cable and load center equipment — R. A. Bland Electric Company, Champaign.....	7 468
Construction of underground duct runs and manholes — R. A. Bland Electric Company, Champaign.....	57 832
<i>Total</i> .....	\$5 506 926

The award in each case is to the lowest bidder.

A report from the Director of the Physical Plant, including schedules of the bids received, is submitted herewith, and a copy is being filed with the Secretary of the Board for record.

It was necessary to act on the utility distribution proposals prior to February 9, 1957, especially for the construction of underground duct runs and manholes in order to hold the price. (An increase of \$5,143 is asked if the time is extended.) Accordingly, the Vice-President and Comptroller has been authorized to issue a letter of intent to the R. A. Bland Electric Company (subject to final action of the Board of Trustees on February 14) to award a contract for this work in the amount of its firm low bid of \$57,832. Until such time as financing for the project is secured, funds will be advanced from auxiliary enterprises reserves. The Company agreed to an extension of time for the award of the contract for furnishing and installation of electric distribution system cable and load center equipment beyond February 9, 1957, provided that it is given an extension of thirty days for completion of the work. This extension will not create a serious problem and will be granted.

I concur in the recommendation for the awards of these contracts, and I recommend that the Comptroller and the Secretary of the Board be authorized to execute said contracts when the bids for the purchase of revenue bonds have been accepted, except that the contract for the underground duct runs and manholes be awarded now.

If the necessary approvals are received from the Housing and Home Finance Agency, it may be desirable to sell the bonds to finance construction of the project prior to the next Board meeting, and I recommend that the Executive Committee be authorized to act for the Board in approving the sale of bonds to the firm or firms submitting the bids most advantageous to the University.

On motion of Mr. Livingston, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrn, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

#### CONTRACT FOR INTERIOR DECORATING IN MEN'S RESIDENCE HALLS

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of Ernst C. Von Ammon, 920 North Michigan Avenue, Chicago, Illinois, for interior decorating services for the lounges, recreation rooms, head residents' apartments, and for the dining rooms of the food service building of the Men's Residence Halls to be constructed on the northwest half of the Parade Ground area. He has agreed to do this for a fee of \$3,800, or slightly over 3 per cent of the total estimated cost of the furnishings for which he will be responsible, which is a very reasonable fee.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with Mr. Von Ammon for these services.

On motion of Mr. Johnston, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### ADDITION TO CONTRACT FOR ALTGELD HALL ADDITION

(13) The Director of the Physical Plant and Vice-President and Comptroller recommend an increase of \$12,010 in the contract with C. A. Petry and Sons for general work on the addition to Altgeld Hall for interior painting and acoustical

tile for the ceilings. This work was omitted from the original contract because of the shortage of funds. The Department of Mathematics has requested that this work be done. Sufficient funds are now available and have been released by the Governor from the contingency item in the state capital appropriations for 1955-57.

I concur in this recommendation and recommend that the Comptroller be authorized to execute the contract change order.

On motion of Mr. Swain, the Comptroller was authorized to execute this change in the contract.

#### **RACHELLE S. YARROS SCHOLARSHIP FUND**

(14) In 1948 Mr. Victor S. Yarros of La Jolla, California, gave the University \$1,000 in support of a scholarship as a memorial to his wife, the late Dr. Rachelle S. Yarros, who was a member of the faculty of the College of Medicine for many years. In 1949 he established a trust, administered by the First National Bank of Chicago, from which the University has received annual contributions of \$300 for the Rachelle S. Yarros Scholarship Fund which now totals \$3,100.

Mr. Yarros died on October 30, 1956. The trust indenture provides for termination of the trust upon his death and distribution of the assets among various beneficiaries, including the University of Illinois which is to receive one-sixth of the residual balance after certain payments to beneficiaries named in the trust indenture. The funds received by the University are to be added to the Rachelle S. Yarros Scholarship Fund. The Bank is now proceeding with the dissolution of the trust and requests adoption by the Board of Trustees of a resolution accepting the University's share of the trust estate under the terms specified under the trust indenture and authorizing the Comptroller to execute and deliver to the Trustee a receipt for the University's share of the trust and the release and discharge of the Trustee from any further obligation to the University.

It is estimated that the amount the University will finally receive will be between \$30,000 and \$40,000.

The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend, and I concur that:

1. The funds now held by the University in the Rachelle S. Yarros Scholarship Fund and funds to be received from the trust estate be set up for the present as an endowment, the income to be used for scholarships to be awarded to deserving and needy students in the College of Medicine;
2. Scholarships be awarded on recommendation of the Committee on Awards and Scholarships of the College of Medicine; and that
3. Scholarships be awarded annually in varying amounts but that not more than \$500 be awarded to any one student in one year.

I also recommend adoption of the following resolution and that the Comptroller of the Board of Trustees be authorized to take such actions and to execute such documents as may be required by the First National Bank of Chicago in conveying to the University of Illinois the residual balance of the trust established by Mr. Yarros.

#### **Resolution**

WHEREAS, the First National Bank of Chicago, is Trustee under a trust agreement with Victor S. Yarros, dated October 7, 1949, as amended; and

WHEREAS, Victor S. Yarros, departed this life on October 30, 1956, and Article 1 Paragraph (D) of an amendment dated October 14, 1950, to said trust agreement reads in part as follows:

"Upon the death of the Donor, the Trustee shall pay and distribute the Trust Estate as follows:

- (5) The University of Illinois Medical School (now located at Chicago, Illinois) as an addition to the Rachelle S. Yarros Scholarship Fund, one-half ( $\frac{1}{2}$ ) the balance thereof, including any portion not distributable under (a) and (b)."

Now, therefore, be it resolved that the distribution made by the foregoing provisions be and the same hereby is accepted by the Board of Trustees of the University of Illinois for use in the College of Medicine of the University in accordance with the purpose therein set forth; and

*Be it further resolved* by this Board of Trustees that Comptroller H. O. Farber of the Board of Trustees of the University of Illinois, a public corporation, be and he hereby is authorized to accept payment on behalf of this public corporation of said distribution and to execute and deliver to The First National Bank of Chicago, as Trustee under agreement with Victor S. Yarros, dated October 7, 1949, as amended, the receipt of said corporation in satisfaction thereof.

On motion of Mr. Williamson, this resolution was adopted.

### QUARTERLY REPORT OF THE COMPTROLLER

(17) The Comptroller presents his quarterly report to the Board as of December 31, 1956.

This report was received for record and a copy has been filed with the Secretary of the Board.

### LEASE OF LAND FOR ELECTRICAL ENGINEERING RESEARCH

(18) The Electrical Engineering Department has been conducting research in radio direction finding for over ten years under a contract with the U. S. Navy. A small temporary RDF installation was set up in 1950 at the University Airport. This installation will not be available for future use because (a) it is no longer adequate for the general expansion and additional requirements of the program, a part of which involves classified research, and the installation is near the end of its physical usefulness, and (b) the Institute of Aviation plans to install radio-navigation equipment to enable planes to use the Airport during poor visibility and to expand the runway system. The plans of the Institute and the needs of the RDF research group are incompatible because of limited space available, the impairment of accuracy of the RDF measurements by the installation of navigation and landing facilities, and the hazard to flying of an enlarged RDF installation in its present location.

With the approval of the Navy Department, preliminary negotiations have been conducted with the Twin City Development Co., Champaign, Illinois, hereinafter referred to as the Company, for the leasing of land on which to place a new RDF installation. It will be necessary to have a third party buy the land and in turn lease it to the University with an option to purchase. A thorough search of areas geographically and topographically acceptable and negotiations with land owners has resulted in an offer to sell to the Company suitable tracts of land. A total of eighty and one-half acres is required.

The land will be used for a research program closely associated with the one for which another leasing of land was previously authorized by the Board on June 27, 1956. The two projects complement each other, and it is desirable that the installations be close together.

The Company is now able to purchase the desired sites, totaling eighty and one-half acres, for \$63,395, or an average of \$788 an acre. It will lease the land to the University for \$50 an acre per year. Liquidated damages of \$27,570 must be paid. All costs will be reimbursed by the Navy.

The Dean of the College of Engineering and the Vice-President and Comptroller recommend this land acquisition after formal approval of all details by the Navy.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute all necessary documents.

On motion of Mr. Johnston, this land acquisition program was authorized, subject to final approval by the Executive Committee.

### SCHOLARSHIPS FOR FOREIGN DISPLACED STUDENTS

(19) In April, 1949, the Board of Trustees established ten scholarships, covering tuition, laboratory, library, and supply fee, and the Illini Union Building service charge, for awards to displaced persons who desire to enroll as students at the University of Illinois and who meet the requirements for admission. This was in response to appeals from a number of organizations to the University for aid to foreign students and displaced persons. The Campus Chest, an undergraduate organization which raises funds for contributions to charitable, health, and other welfare causes, provided other financial assistance. These scholarships were for four years and have now expired.

The Committee on Special Undergraduate Scholarships has recommended that fifteen such tuition and fee scholarships be established for displaced persons or refugees who desire to enroll in the University and who meet admission requirements. Various community organizations and student organizations will sponsor such students by providing board, lodging, and funds for incidental expenses.

This request is, in effect, for renewal and extension of the number of the

scholarships authorized by the Board in 1949. There is a higher number of potential students among arriving refugees which justifies the provision of fifteen scholarships.

I recommend approval.

On motion of Mr. Swain, the Board authorized the award of fifteen four-year scholarships, as recommended above.

#### **DEFAULT ON CONTRACT BY B. AND E. PLUMBING AND HEATING**

(20) Edward M. Brumit, an individual doing business as the B. and E. Plumbing and Heating, Champaign, Illinois, has encountered financial difficulties. He was awarded contracts for Division III plumbing and heating work on the Band Building and for Division II plumbing work on Men's Residence Halls Addition No. 3 and No. 4, Champaign, Illinois. By Notice of Assignment under date of November 20, 1956, the Commercial Bank of Champaign, Champaign, Illinois, informed the University that it held assignments from Mr. Brumit of funds that might become due and owing to him on these contracts and which assignments were given as security for loans made to him by the Bank. By letter dated November 30, 1956, the surety on the bonds covering these contracts, the Aetna Casualty and Surety Company, informed the University that it held assignments of all remaining funds on these contracts, which assignments were given in connection with Mr. Brumit's applications for the bonds and requested that no further payments be made in connection with these contracts except to the bonding company or with its written consent. Notices were also received by the University from unpaid suppliers and materialmen and from the federal government for unpaid taxes.

The University, in reliance upon the contractual provision prohibiting assignment of any monies due or to become due under the contract without its previous consent, did not recognize either assignment but payments were withheld pursuant to the contractual provision which provides in part:

"The Architect may withhold or, on account of subsequently discovered evidence, nullify the whole or a part of any certificate to such extent as the Architect may deem to be necessary to protect the Owner from loss on account of:

- .....
2. Claims against Contractor and/or Owner filed by any person or persons, including Owner, or reasonable evidence indicating probable filing of such claims.
3. Failure of the Contractor to make payments properly to subcontractors or for material or labor.
4. A reasonable doubt that the Contract can be completed for the balance then unpaid."

The Surety, through an arrangement with the Commercial Bank of Champaign, continued to finance these projects until January 11, 1957, when it informed the Contractor and University that it was not going to continue to do so. Since Mr. Brumit appeared to be unable to secure financing, a request was made that the Aetna Casualty and Surety Company take such action as may be necessary in order to keep the work in progress and an offer made on behalf of the University whereby funds would be released for payments made directly to laborers and materialmen. Due to the nearness of completion of the Men's Residence Halls project, and the importance to the University that this work not be delayed, the Surety consented to funds being released for payments for material and labor used upon it. An agreement was made whereby the President of the Commercial Bank of Champaign makes direct payment to laborers and materialmen with the consent of Mr. Brumit and upon the approval of the University's superintendent on the job site and upon such payment being made the University then makes payment in reimbursement for such costs. It is hoped that Mr. Brumit will be able to complete the work on this project under this arrangement.

The Surety did not consent to such payments being made on the Band Building project but continued its financing arrangements with regard to it. On January 29, 1957, the Surety informed the Contractor, the Bank, and the University that it would not continue such financing after February 8, 1957. The

Director of the Physical Plant suggested to Mr. Brumit that Mr. Brumit explore every possibility of securing financing or working out an arrangement that would be satisfactory to the Surety so that the work could be kept in progress and that if he could not work out some method of keeping the work in progress the University would appreciate being informed of this as soon as possible.

On February 8, 1957, written notice was received from Edward M. Brumit, an individual doing business as the B. and E. Plumbing and Heating, Champaign, Illinois, that he was financially unable to continue performance on the contract of June 27, 1956, between the Board of Trustees of the University of Illinois and himself for Division III plumbing and heating work on the Band Building, University of Illinois, Urbana, Illinois, and whereby he voluntarily declared himself in default upon said contract and gave notice that as of February 11, 1957, he was ceasing performance of said contract.

Based upon the certificate of the Architect that sufficient cause existed for so doing and pursuant to the provisions of the contract, formal notice was given by the Comptroller and the Secretary of the Board of Trustees to Mr. Edward M. Brumit, February 12, 1957, of termination of his employment as Contractor and declaring him in default under the contract.

The Comptroller has given notice to the Surety, the Aetna Casualty and Surety Company, of Mr. Brumit's default pursuant to the provisions of the bond which provides:

"In event Principal is in default under the contract as defined therein, Surety will (a) within fifteen (15) days of determination of such default, take over and assume completion of said contract and become entitled to the payment of the balance of the contract price, or (b) pay the Owner in cash the reasonable cost of completion, less the balance of the contract price including retained percentage. The cost of completion shall be fixed by taking bids from at least three responsible contractors, one chosen by the Owner, one by the Architect and one by the Surety. The Surety will make such payment within fifteen (15) days after the cost of completion shall have been so determined."

The Surety has informed the University that it has made arrangements with George S. Walker Plumbing and Heating, Inc., a Delaware corporation authorized to do business in the state of Illinois, for completion of the contract. Under this arrangement, George S. Walker Plumbing and Heating, Inc., will enter into a contract with the University to complete the unfinished work under the original contract for the remaining contract funds now held by the University, and for which the University will make periodic payments to George S. Walker Plumbing and Heating, Inc., as the contract funds are earned, on the basis of monthly progress estimates; and on the basis of the original contract price of B. and E. Plumbing and Heating. The Surety agrees to protect the University against all adverse claims by all parties whatsoever to such contract payments so made by the University to George S. Walker Plumbing and Heating, Inc. The Director of the Physical Plant and the Comptroller recommend that the actions taken as outlined above be approved and ratified and that authorization be given to the Comptroller and the Secretary of the Board of Trustees to execute a contract on behalf of the Board of Trustees of the University of Illinois with George S. Walker Plumbing and Heating, Inc., providing for completion of the work in consideration of the sum of \$114,107.77, the unpaid balance of the original contract price and approved change orders to date.

I concur.

On motion of Mr. Bissell, the actions taken by University officials, as reported above, were ratified, and the Comptroller and Secretary of the Board were authorized to execute a contract with George S. Walker Plumbing and Heating, Inc., as recommended. These actions were taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Nickell, Mr. Stratton.

**ILLINOIS BUDGETARY COMMISSION HEARING ON BIENNIAL BUDGET  
AND BUILDING PROGRAM FOR 1957-59**

(21) Presidents Megran and Henry reported informally on a hearing by the Illinois Budgetary Commission in Springfield, on January 30, 1957, on the University's Operating Budget and Building Program for 1957-59 at which the following University representatives appeared:

*Members of the Board of Trustees*

H. B. MEGRAN, President  
 PARK LIVINGSTON, Chairman of the  
 Finance Committee  
 DORIS S. HOLT, who also represented  
 the Merit Board of the University  
 Civil Service System of Illinois  
 at a hearing on its budget held  
 the same day  
 A. J. JANATA, Secretary

*University of Illinois Officials*

DAVID D. HENRY, President  
 HENNING LARSEN, Vice-President and  
 Provost  
 H. O. FARBER, Vice-President and  
 Comptroller  
 MORRIS S. KESSLER, Assistant to the  
 Comptroller  
 WILLIAM H. RICE, Administrative  
 Assistant in the President's Office

This report was received for record.

**SITE FOR CHICAGO UNDERGRADUATE DIVISION**

(22) President Henry presented the following report:

In response to a question asked at the Illinois Budgetary Commission meeting on January 30, I stated that the University did not plan to request special legislation to acquire Miller Meadow over the objection of the Forest Preserve District. On that day, a statement was released explaining the University's position. Copies of the statement were subsequently sent to all of the Trustees and a copy is hereby filed with the Secretary of the Board for record.

In the light of subsequent discussion, it is well to summarize the matter as it stands now:

Miller Meadow is the choice of the Board of Trustees as the site for the Chicago Undergraduate Division. The University has no alternate site to propose. The University still hopes that Miller Meadow will be made available. However, the University has decided to rely on the cooperation of Chicago area authorities and others concerned for acquisition of the site, rather than to ask legislative action.

The Trustees have also agreed to consider alternate sites if these meet University specifications as to size, cost, setting, accessibility, and availability. Although the Trustees do not plan to initiate the study of an alternate location, they will welcome the cooperation of city, county, school district, and others, in making a unified approach to an early solution of the problem.

As a part of its capital budget, the University has requested the sum of \$2,000,000 for site acquisition and building plans for the Division. The University hopes the General Assembly will grant this request, even if at this time the specific site can not be designated.

On motion of Mr. Livingston, this statement was approved as the official position of the University.

**MR. BISSELL DESIGNATED ACTING CHAIRMAN**

At this point Mr. Johnston asked President Megran to yield the chair and designate an acting chairman for consideration of a special order of business. President Megran designated Mr. Bissell who took the chair. Thereupon Mr. Livingston offered the following resolution.

**To Herbert B. Megran**

The Board of Trustees of the University of Illinois today records its grateful appreciation of your distinguished public services as a member of this Board since March, 1951, and as its President during the past three years.

The tradition of ILLINOIS LOYALTY has been nobly exemplified by your generous, unselfish services to the University for many years, often at the

sacrifice of much time taken from your personal and business life. It should be recorded that your work as a Trustee has included such important assignments as:

Chairman of the Committee on Buildings and Grounds, 1951-54;  
 Chairman of the Finance Committee, 1953-54;  
 Chairman of the Executive Committee, 1954-57;  
 Member of the Committees on Agriculture, General Policy, 1951-54,  
 and the  
 Committee on the Chicago Departments, 1951-53;  
 Representative of the Board of Trustees on the Board of the  
 University Retirement System of Illinois, 1951-54;  
 Chairman of the Committee on the Selection of the President  
 of the University, 1953-54; and  
 President of the Board, 1954-57.

Your other services to the University are also noteworthy; and they have been no less distinguished than your work as Trustee:

Member of the University of Illinois Foundation from 1944  
 and a Director of the Foundation from 1947 to the present  
 time; and President of the Foundation, 1947-50. Your leader-  
 ship gave the Foundation Board and Members inspiration  
 which is reflected in the progress made by the Foundation dur-  
 ing your three years as its President, progress it has continued  
 to make in serving the University.

A note of appreciation should be accorded the Officers and Directors of Starline, Incorporated, for the contribution made by your Company in the time you have taken from its affairs to serve the University.

And, finally, this testimonial would be incomplete without a salute and special tribute to Mrs. Megran who has shared the personal sacrifices you have made to serve the University so well and beyond the call of duty.

For all of this the members of the Board of Trustees are deeply grateful. They take this occasion to express to you and Mrs. Megran best wishes for many years of happiness, good health, and reminiscences of the good deeds which have enriched your lives and the lives of those who have had the good fortune to be associated with you.

The President and other administrative officers of the University have requested the privilege of joining in this tribute.

This resolution will be incorporated in the minutes of today's meeting as a part of the official public record, and a suitable copy will be prepared for you as a permanent reminder of the esteem and affection of your colleagues.

Given at Chicago, Illinois

On the Fourteenth day of February, One Thousand Nine Hundred and Fifty-seven, and in the Ninetieth Year of the University of Illinois.

This resolution was adopted by unanimous vote.

President Megran responded to the resolution with a short address of appreciation and thanks to the members of the Board for their cooperation with him as President. He also expressed his appreciation to the members of the press who were present at the meeting.

**MINUTES APPROVED**

The Secretary presented the minutes of the meetings of the Board of Trustees of November 28 and December 18, 1956, press proof copies of which have been sent to all members of the Board in advance.

On motion of Mr. Swain, the minutes were approved as printed on pages 147 to 180, inclusive.

**APRIL MEETING**

By unanimous consent, the Board agreed to hold its April meeting on Thursday, April 18, 1957, in Chicago, at an hour and place to be designated by the President and Secretary of the Board.

**MEETINGS OF BOARD COMMITTEES**

The Committee on Buildings and Grounds met at 10:00 a.m. today to consider reports and recommendations from the President and other University officials relating to the University's building program. The Committee on the Chicago Departments will meet this afternoon, following the Board meeting, to continue its consideration of policies governing admissions to the Research and Educational Hospitals. The Secretary stated that he will file with the records of today's Board meeting minutes of these committee meetings.

On motion of Mr. Johnston, the Board adjourned.

**MEETING OF THE BOARD OF TRUSTEES**  
**OF THE**  
**UNIVERSITY OF ILLINOIS**

---

**March 12, 1957**

The annual meeting of the Board of Trustees of the University of Illinois was held in the Sheraton-Blackstone Hotel, Chicago, Illinois, on Tuesday, March 12, 1957, beginning at 4:00 p.m.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Vernon L. Nickell, Mr. Timothy W. Swain, and Mrs. Frances B. Watkins. Governor William G. Stratton and Mr. Kenney E. Williamson were absent.

Also present were President David D. Henry, Vice-President and Provost Henning Larsen, Dr. Herbert E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Mr. C. S. Havens, Director of the Physical Plant Department, Mr. C. E. Flynn, Director of Public Information; and the officers of the Board, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

#### ELECTION OF PRESIDENT PRO TEMPORE

The office of President of the Board being vacant, Mr. Nickell took the chair and called for nominations of a President, *Pro Tempore*.

Mr. Swain nominated Mr. Bissell. There being no other nominations, Mr. Bissell was elected President, *Pro Tempore* of the meeting and took the chair.

#### ELECTION OF OFFICERS

Mr. Bissell called for nominations of officers of the Board.

Mr. Johnston nominated the following: President, Mr. Park Livingston, Secretary, Mr. A. J. Janata, Comptroller, Mr. H. O. Farber, each for a term of one year; Treasurer, Mr. C. W. Weldon, for a term of two years.

On motion of Mr. Hughes, the nominations were closed.

On motion of Mr. Herrick, the Secretary was instructed to cast the unanimous ballot of the Board for the election of the above named officers: Mr. Livingston, Mr. Janata, and Mr. Farber to serve until the second Tuesday of March, 1958 (March 11, 1958), or until their successors have been elected and qualified, and Mr. Weldon to serve until the second Tuesday in March, 1959 (March 10, 1959), or until his successor has been elected and qualified, in accordance with the statutory provision of a biennial term for a Treasurer.

#### ELECTION OF EXECUTIVE COMMITTEE

Mr. Nickell nominated Mr. Johnston and Mrs. Watkins to serve, with the President of the Board as Chairman, as members of the Executive Committee for one year.

Mr. Swain seconded these nominations. There being no further nominations, Mr. Johnston and Mrs. Watkins were elected as members of the Executive Committee to serve until the next annual meeting of the Board of Trustees, or until their successors have been elected.

#### TREASURER'S BOND

On motion of Mr. Johnston, the amount of the Treasurer's bond was fixed at \$6,000,000.

On motion of Mr. Nickell, the Finance Committee was instructed to see that the Treasurer presents a satisfactory bond, in the amount specified above, and to report it to the Board.

#### AUTHORITY TO RECEIVE MONEYS

Mr. Herrick offered the following resolution and moved its adoption:

*Resolved*, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois.

This resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Governor Stratton, Mr. Williamson.

**DELEGATION OF SIGNATURES**

Mr. Johnston offered the following resolution and moved its adoption:

*Resolved*, that the President and the Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the Auditor of Public Accounts, and to warrants drawn on the Treasurer of the University, under the following conditions.

The President of the Board of Trustees is authorized to delegate to L. M. Dahlenburg and to W. D. Green in Urbana, and to H. A. Hazleton, to W. E. Cowart, and to H. O. Albers in Chicago, and to H. R. Kobes and to Helen Culbertson in Springfield, authority to sign his name as President of the Board of Trustees to vouchers against the Auditor of Public Accounts; and to C. C. DeLong, to R. W. Zimmer, and to R. F. Wood in Urbana, and to H. A. Hazleton, to W. E. Cowart, and to H. O. Albers in Chicago, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon, to Everett G. Smith, and to Helen Smith Sutherland in Urbana, and to G. R. Moon, to Helen Wyle, to Lucile Nedwick, and to Velma M. Davis in Chicago, authority to sign his name as Secretary of the Board of Trustees to vouchers against the Auditor of Public Accounts and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freda M. Hicks and to Lean C. Ryan in Springfield, authority to sign his name as Secretary of the Board of Trustees on vouchers against the Auditor of Public Accounts approved in accordance with the regulations of the Board. These authorizations are to continue in effect until the Auditor of Public Accounts has been supplied with specimen signatures of succeeding officers of this Board. And be it further

*Resolved*, that the First National Bank of Chicago as a designated depository of C. W. Weldon, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: Park Livingston, President, and A. J. Janata, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

*Resolved*, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

This resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Governor Stratton, Mr. Williamson.

**BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY**

The Board considered the following reports and recommendations from the President of the University.

**APPOINTMENTS TO THE FACULTY**

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. HARRY S. BROUDY, Professor of Education, beginning September 1, 1957, at an annual salary of \$9,500 (A).
2. IRWIN A. COCHRAN, Associate Professor in the Bureau of Business Management, beginning February 1, 1957, at an annual salary of \$9,000 (AY).
3. PATRICK B. HORSBRUGH, Visiting Professor of City Planning and Landscape Architecture, beginning February 1, 1957, at an annual salary of \$7,460 (E).
4. HOUSAM M. KARARA, Assistant Professor of Civil Engineering, beginning September 1, 1957, at an annual salary of \$5,500 (B).
5. CHARLES MASSONNET, Visiting Professor and Lecturer of Civil Engineering, for two weeks during the summer of 1957, at a salary of \$700 (G).

**Appointments to Nonacademic Staff**

The Director of Nonacademic Personnel reports the following appointments to supervisory positions of upper level responsibility.

1. RICHARD A. BINFIELD, Senior Architect, Physical Plant, effective February 11, 1957, at an annual salary of \$9,000.
2. HARRY G. HENRIKSEN, Museum Preparator, Natural History Museum, effective February 25, 1957, at an annual salary of \$4,500.
3. BEN W. MAXWELL, Associate Architect, Physical Plant, effective February 11, 1957, at an annual salary of \$9,000.

On motion of Mr. Nickell, these appointments were confirmed.

**HEADSHIP OF THE DEPARTMENT OF SPANISH AND ITALIAN**

(2) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor W. H. Shoemaker, presently Professor and Chairman of the Department of Romance Languages and Literature at the University of Kansas, as Professor of Spanish and Italian on indefinite tenure ("A"), and Head of the Department, beginning September 1, 1957, at an annual salary of \$12,000.

Professor John Van Horne, who has been Head of the Department of Spanish and Italian since 1939 and a member of the University of Illinois faculty since 1917, will retire from active service at the end of the current academic year. The appointment of Professor Shoemaker is recommended by a special search committee appointed by the Dean. It has the enthusiastic endorsement of all members of the committee and of all members of the Department of the rank of instructor and above. The recommendation is also endorsed by the Vice-President and Provost and the Dean of the Graduate College.

I concur.

On motion of Mr. Swain, this appointment was approved.

#### HEADSHIP OF THE DEPARTMENT OF AGRICULTURAL ECONOMICS

(3) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommends the appointment of Dr. Harold G. Halcrow, presently Professor of Agricultural Economics at the University of Connecticut, as Professor of Agricultural Economics on indefinite tenure ("AY") and Head of the Department of Agricultural Economics ("AY") in the College and the Station beginning September 1, 1957, at an annual salary of \$14,000.

This appointment is to fill the vacancy created by the death of Professor L. J. Norton in February, 1956. In the meantime, Professor G. L. Jordan has been serving as Acting Head of the Department. All members of the Department of professorial rank have been consulted as required by the University Statutes. The recommendation is supported by the Executive Committee of the College of Agriculture, the Vice-President and Provost, and the Dean of the Graduate College.

I concur.

On motion of Mr. Herrick, this appointment was approved.

#### HEADSHIP OF THE DEPARTMENT OF PLANT PATHOLOGY

(4) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommends the appointment of Dr. Wayne M. Bever as Professor of Plant Pathology on indefinite tenure ("AY") and Head of the Department of Plant Pathology ("AY") in the College and the Station beginning September 1, 1957, at an annual salary of \$13,000.

The Department of Plant Pathology in the College of Agriculture was established by authority of the Board of Trustees in 1955 and has had no permanent head. Professor M. B. Linn has been serving as Acting Head of the Department.

All members of the Department of professorial rank have been consulted as required by the University Statutes. The recommendation is supported by the Executive Committee of the College of Agriculture, the Vice-President and Provost, and the Dean of the Graduate College.

I concur.

On motion of Mr. Hughes, this appointment was approved.

#### SABBATICAL LEAVES OF ABSENCE, 1957-58

(5) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1957-58 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the period indicated.

The programs of research, study, and travel for which these leaves are requested have been examined by the University Research Board which advises the President in such matters.

**APPOINTMENTS TO THE BOARD OF DIRECTORS OF THE  
ATHLETIC ASSOCIATION**

(6) Following the established practice, and pursuant to the provisions in the articles of incorporation of the University of Illinois Athletic Association, I submit herewith nominations for appointments and reappointments, as indicated in each case, to its Board of Directors to become effective as of today and to continue until the next annual meeting of the Board of Trustees of the University of Illinois in 1958, or until the successors of these directors have been appointed:

*Faculty*

ALVIN L. LANG, Professor of Soil Fertility (reappointment; has served since 1954)

ROBERT B. BROWNE, Professor of Education, Dean of the Division of University Extension, and Dean of the Summer Session (reappointment; has served since 1955)

KENNETH J. TRIGGER, Professor of Mechanical Engineering (reappointment; has served since 1956)

H. KENNETH ALLEN, Professor and Chairman of the Department of Economics (new appointment)

*Alumni Association*

WILLIAM F. HAHNE, Class of 1922, Managing Director of Hotel Kaskaskia, LaSalle, Illinois (reappointment; has served since 1955)

JOHN A. HOBART, Class of 1938, Vice-President, C. J. Duffey Paper Company, Rock Island, Illinois; residence, 2320 Thirteenth Street, Moline, Illinois (reappointment; has served since 1956)

CHARLES V. HALL, Class of 1931, 102 North Street, Normal, Illinois (new appointment)

Professor Allen will replace Professor Cecil A. Moyer, Head of the Department of Accountancy, and Mr. Hall will replace Mr. Ralph Chapman, Class of 1915, Chicago, both of whom have served on the Board since March, 1953. The other nominations are for reappointments.

Professor Allen is a graduate of the University of Illinois, Class of 1920. In his senior year he was manager of intramural sports. He has been a member of the faculty since February 1, 1931, except for two years, 1935-37, when he was with the United States Department of Agriculture as Superintendent of Research. He has served on the Senate Committee on Athletics and on the Athletic Council. He has been a member of the "I" Men's Association for many years, taking an active interest in its affairs.

Mr. Hall is also a graduate of the University of Illinois, Class of 1931. He was on the football squad, 1928-30. He is a successful businessman, a loyal supporter of the University's athletic program, and is a life member of the Alumni Association.

On motion of Mr. Bissell, these appointments and reappointments were approved.

**AMENDMENT OF UNIVERSITY STATUTES**

(7) The University Senate recommends that the revised University of Illinois Statutes, as approved by the Board of Trustees on January 16, 1957, be amended by the addition to Division III, Educational Organization, a new Subdivision C-1, Section 18-1:

**C-1. Professional Colleges at Urbana-Champaign***Professional Colleges at Urbana-Champaign*

Sec. 18-1. (a) The College of Law of the Urbana-Champaign campus of the University is a professional college within the meaning of this Section.

(b) The supervision of student affairs of students enrolled in the College of Law, excluding discipline, is the responsibility of the College of Law. The Dean of the College of Law, after consulting with the Executive Committee of the College, shall appoint a Committee on Student Affairs.

(c) Student discipline for students enrolled in the College of Law shall be administered by the Committee on Discipline of the Urbana-Champaign Senate in accordance with the provisions of Section 6 (h). The Senate Committee on Student Discipline shall, after consulting with the Dean of the College of Law, appoint a subcommittee on discipline for the students enrolled in the College. The Senate Committee on Discipline shall hear and decide cases appealed to it from this subcommittee. The provisions of Section 6 (h), relating to the formulation of procedures and original and appellate jurisdiction of the Senate Committee, shall apply to disciplinary cases hereunder.

This amendment was proposed by the faculty of the College of Law and by a special committee appointed by the Vice-President and Provost to consider the change. There is submitted herewith a letter from the Dean of the College of Law explaining the background and reasons for this proposal, and a copy of said letter is being filed with the Secretary of the Board for record.

On motion of Mr. Swain, this amendment was approved.

**REVISION OF CURRICULUM IN GENERAL AGRICULTURE**

(8) The University Senate recommends a revision of the curriculum in general agriculture to provide a common program for the first two years and a series of recognized departmental majors for the junior and senior years. The objectives of the revision are:

(1) The establishment of a series of recognized departmental majors from which each student will make his choice not later than the beginning of the junior year. One of the principal merits of this program is that it will emphasize more departmental responsibility for the undergraduate teaching program and will allow the student to identify himself more closely with an area of subject matter. This does not preclude the election of the general agriculture major at the beginning of the junior year.

(2) Reduction of the number of required courses in the College of Agriculture that are primarily introductory in nature.

(3) All students, except those in technical curricula, i.e., agricultural science, dairy technology, floriculture, food technology, horticultural food crops, preforestry, and restaurant management, will pursue the same general core program for the first two years.

Upon completion of this curriculum, with an approved major, a student will be awarded the degree of Bachelor of Science in Agriculture. A total of 130 hours, including basic military training and physical education, is required. Existing grade requirements and limitations as to the maximum number of credit hours which may be counted in certain areas will remain in effect. Except for one course in veterinary physiology in the major in animal science, all course requirements consist of courses which are now being offered.

A copy of the complete details of this revised program, including specimen programs, is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Hughes, this recommendation was approved.

### DEPARTMENT OF MICROBIOLOGY

(9) The faculty and Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend that the name of the Department of Bacteriology in that College be changed to Department of Microbiology effective September 1, 1957.

I concur.

On motion of Mr. Swain, this change was approved.

### ADVISORY GRADING SERVICE FOR BOARD OF EXAMINERS IN ACCOUNTANCY

(10) Under the Illinois Accountancy Law, the University of Illinois has the responsibility of examining applicants for certificates of Certified Public Accountant in Illinois and of issuing certificates to successful candidates. The University determines the qualifications, as specified by law, of persons applying, makes rules for their examination, and for the conducting of examinations the Board of Trustees appoints a Board of Examiners (three in number, at least two of whom must be Certified Public Accountants in this state and the third may be an accountant of such grade or an attorney skilled in commercial law). Other administrative functions of the University in the discharge of its statutory responsibilities are performed by a Committee on Accountancy appointed from the faculty and responsible to the President of the University. The Board of Trustees has adopted regulations for administering the statute.

Over the years, it has been increasingly difficult for the Board of Examiners personally to examine candidates because of the large numbers of applicants who take the examinations, given twice a year, in May and November. In recent years the Board of Examiners found it necessary to obtain assistance in grading the papers by recruiting panels of competent Certified Public Accountants to do the initial grading under close supervision by the Board. The Illinois Society of Certified Public Accountants has helped the Board in securing panels by calling upon various accounting firms to supply the services of their senior partners and associates. Now the Examiners are finding it extremely difficult to assemble panels of competent persons to do the preliminary grading.

The officers of the Illinois Society of Certified Public Accountants feel a public, as well as a professional, responsibility in this matter. A special committee of the Society which studied the problem has recommended that the Board of Examiners be authorized to avail itself of the grading service of the American Institute of Accountants on an advisory basis as is being done in all other states with the exception, in addition to Illinois, of Maryland and New Jersey. Mr. James A. Velde, of the law firm of Gardner, Carton, Douglas, and Chilgren, Chicago, Legal Counsel for the Illinois Society of Certified Public Accountants and a former member of the Illinois Board of Examiners, after an exhaustive study of the law and applicable court decisions on questions of delegation of authority relating to this matter, has given a formal opinion that the Board of Examiners could validly use the Institute's grading service, the extent of such use being a matter of degree *as long as the Board retains power to change the Institute's recommendations.*

Mr. Ralph F. Lesemann, Legal Counsel for the University, has stated:

"While we are inclined to concur in Mr. Velde's opinion that the Illinois courts 'would be likely to hold' that the A.I.A.'s Advisory Grading Service may validly be used in Illinois under existing legislation if the University sees fit to authorize the Illinois Examining Board to use that service, we are not convinced that the Illinois courts would so rule and regard it quite possible, although we do not deem it probable, that they might declare the use by the Illinois Board of that service illegal, even though attempted to be authorized by the University, in the absence of an amendment to the existing Act expressly conferring power and authority upon the University to authorize the Illinois Board of Examiners to use the service."

He would recommend amendatory legislation of the existing statute specifically authorizing the use of an advisory grading service, or, if the University decides to authorize the Board of Examiners to use that grading service under existing legislation, that a test case be litigated in the courts and a decision obtained from the Supreme Court of Illinois on the validity of use of the service under existing legislation before it is actually used.

However, the Board of Directors of the Illinois Society, the members of the Board of Examiners in Accountancy, and the University Committee on Accountancy do not

believe that either such amendatory legislation or a test case is necessary. Based on the probability that the courts would declare the use of the service legal if tested, and the availability of the reserve remedy of legislation in the unlikely event that such use is declared illegal, and to avoid further delay in the utilization of such service, the Board of Examiners and the Illinois Society of Certified Public Accountants have requested the Board of Trustees to authorize use of the American Institute of Accountants' Advisory Grading Service as soon as practicable.

The University Committee on Accountancy concurs and recommends amendment of the University regulations for administering the accountancy statute by adoption of the following Rule 29:

"29 The Board of Examiners shall establish and maintain a uniform procedure for the preparation and grading of examinations to be given to candidates for certificates as Certified Public Accountants, and for this purpose may employ the services and assistance of any persons or organizations skilled in the subjects on which the examinations are given, such as the services and facilities of the American Institute of Accountants, upon such conditions and rules relative to the use of such services as may be prescribed from time to time by the University Committee on Accountancy, provided, however, that all examinations given by said Board shall be adopted and approved by the Board and that the grade or grades given to all persons taking said examinations shall be determined and approved by the Board."

The University is authorized to charge a fee of \$25, fixed by law in 1903, for the examination. The income from these fees goes into a special fund which is used to defray the expense of administering the accountancy law. Use of the American Institute of Accountants' Advisory Grading Service would involve an increase in costs estimated to be approximately \$3,000 a year. Officers of the Illinois Society of Certified Public Accountants will seek an amendment of the statute to authorize an increase in fee, to be fixed by the University but not to exceed \$50, in the event that the present fee will not yield sufficient revenue to cover the additional cost of the grading service.

I recommend approval of this proposed change.

On motion of Mr. Swain, Rule 29 was adopted, as recommended above.

On motion of Mr. Bissell, the Board directed that for a period of five years the Committee on Accountancy keep a permanent record of all grades reported by the American Institute of Accountants' Advisory Grading Service and require the Board of Examiners to make sample checks of examination papers from time to time to verify the accuracy of the grades reported, so that the University and holders of C.P.A. certificates issued in the future will be protected in the event of an attempted challenge of the use of the A.I.A. service.

The Secretary stated that the Committee would be so instructed.

#### PHYSICAL EXAMINATIONS OF STUDENTS

(11) The Board of Trustees approved a change in the requirement that all new students undergo a physical examination given by the University Health Services prior to registration in the University by authorizing the Director of Health Services to delegate the performance of the pre-entrance examinations, in whole or in part, to other Doctors of Medicine in Illinois or elsewhere, so that the examination may be performed either by the staff of the Health Services or elsewhere at the option of the student, in the latter case at the student's expense. This applies only to students enrolled at the Urbana-Champaign campus.

On recommendation of the Health Services Advisory Committee I have approved a modified form of this optional system as follows:

(1) Students who intend to register at the University of Illinois are to be urged strongly to obtain a physical examination by a physician (a Doctor of Medicine licensed in the United States) of their own choice.

(2) Students will also be able to obtain this physical examination, preferably by appointment, at the University Health Service in Urbana until two weeks prior to the first day of the registration period in each semester, including the summer ses-

sion. Thereafter, the Health Service will conduct no entrance examinations of entering students, except foreign students. Students arriving during this period without a prior examination will be sent to local practicing physicians of the students' choice for the entrance physical examination.

(3) The Health Service will resume student physical examinations for the following semester beginning as soon as possible after the beginning of each term.

(4) For certain specified groups, such as foreign students, exceptions will be made to the general rule.

(5) The University will review all physical examinations and will determine the status of all students with respect to physical education and military training.

(6) Chest X-rays will continue to be conducted by the University.

(7) This whole procedure will be tried for two years, after which a review shall be made based on pertinent data accumulated by the Health Service and other divisions of the University.

Confirmation of this action is requested.

At the request of Mrs. Watkins, action on this was deferred.

#### **SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(12) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

1. College of Engineering, improvements in the Mining Laboratory . . . . .	\$ 3 300
2. College of Agriculture, remodeling in the Animal Sciences Laboratory . . .	3 400
3. College of Fine and Applied Arts, acoustical treatment of West Addition to Smith Music Hall . . . . .	1 675
4. Library, binding and purchase of books . . . . .	8 500
5. Chicago Professional Colleges, College of Pharmacy equipment . . . . .	13 500
<i>Total</i> . . . . .	<i>\$30 375</i>

The appropriation for the College of Agriculture will be taken from Agriculture nonrecurring unassigned funds, and the remaining appropriations from the University General Reserve.

I concur.

On motion of Mr. Swain, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Stratton, Mr. Williamson.

#### **APPROPRIATION FOR DEDICATION OF NEW HOME ECONOMICS BUILDING**

(13) The Department of Home Economics and the Dean of the College of Agriculture request a special appropriation for the expenses of the dedication of the new Bevier Hall-Home Economics and Home Economics-Child Development Laboratory buildings.

I recommend that an assignment of \$7,000 be made from the General Reserve Fund for this purpose.

On motion of Mrs. Holt, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Stratton, Mr. Williamson.

#### **APPROPRIATION FOR ACCIDENT COMPENSATION**

(14) The Chairman of the Committee on Accident Compensation and the Vice-President and Comptroller request an appropriation of \$25,000 to permit the payment of claims already approved by the Committee and an estimated amount of claims to be presented to the Committee during the remainder of the fiscal year.

I concur and recommend that an appropriation of \$25,000 be made from the General Reserve of the University.

On motion of Mr. Bissell, this appropriation was made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes,

Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Stratton, Mr. Williamson.

#### ARCHITECTURAL SERVICES ACCOUNT

(15) The Vice-President and Comptroller recommends establishment of an "Architectural Services Account" in the present Stores and Services funds to pay the costs of preliminary studies on residence halls and other building projects to be financed through bond issues. To provide the additional working capital of the Stores and Services funds, he recommends an advance of \$100,000 from indirect costs derived from reimbursement payments received under research contracts. When funds for a project become available the costs of architectural services will be charged to construction funds and the Stores and Services funds will be reimbursed.

I concur.

On motion of Mr. Swain, this recommendation was approved.

#### ARCHITECTURAL AND ENGINEERING SERVICES ON NEW BUILDINGS

(16) The Committee on Buildings and Grounds at meetings held on February 14 and 28 considered recommendations for the employment of architects and engineers on several new buildings. The recommendations were supported by reports from the Physical Plant Department presenting (1) the scope and nature of the design and planning work to be done on each project, (2) the criteria set up for each, and (3) the architectural and engineering firms considered qualified in terms of these criteria. The following recommendations are submitted with the concurrence of the Committee on Buildings and Grounds:

Women's Residence Halls — Fugard, Burt, Wilkinson, and Orth, Chicago

The firm agrees to accept \$50,000 as payment for their services until financing of the project has been completed and funds have been received to permit the execution of construction contracts. Their contract fee will be 5.25 per cent of construction costs for the food service building, including services of a food service consultant for the first dormitory unit and site work; and 3.08 per cent for repetitive dormitory unit changes in orientation and arrangement of connecting passageways.

This is the next project in the schedule of the University's student housing program and includes the construction of residence halls, with dining rooms, for approximately 1,000 undergraduate women, and an ultimate capacity of approximately 1,500, in the area immediately west of Lincoln Avenue and between Pennsylvania and Florida Avenues. This site has previously been approved by the Committee on Buildings and Grounds.

University Club — Atkins-Barrow and Associates, Urbana

The terms of this employment are a fee of 6 per cent of the cost of construction, not including services of a food service consultant who will be employed by the University, plus a fee of 1.5 per cent of equipment costs for the supervision of installation of equipment. Atkins-Barrow and Associates have agreed to accept \$6,000 as payment for their services until financing of this project has been completed and funds have been received to permit the execution of the construction contract.

The University and the University Club are working cooperatively on a program to construct club facilities for the combined Men's and Women's University Clubs. The site approved by the Board of Trustees for this building is at the southwest corner of Chalmers and Sixth Streets, Champaign, and sufficient land has been acquired to assure the availability of this site. Building studies are needed now to assist in presenting this project to prospective donors and to eliminate delays when sufficient funds are available for construction.

University Press Building (First Unit) — Simon and Rettberg, Champaign

The terms of this employment are a fee of 6 per cent of construction contracts. They have agreed to accept \$1,500 as payment for services until financing of this project has been completed and funds have been received to permit the execution of the construction contract. An appropriation of \$1,500 from University funds will be required.

This is a small project, an initial unit of approximately 5,000 square feet to house the University Press editorial and art offices, now in the Administration Build-

ing, but so located and built that with suitable additions it will eventually house all of the Press. Future additions would permit relocating the remaining services, now housed in the basement of the Administration Building, and would provide adequate storage for paper and other supplies and for finished publications. A building of simple and economical construction will serve the purpose, and since it will be a utilitarian type of structure it should be so located that architectural design is not a major consideration.

#### **Illini Union Building Consultant**

The Board of Trustees has authorized employment of Eggers and Higgins, New York, New York, as architects for the addition to the Illini Union Building. Mr. Howard L. Cheney, Chicago, was the Consulting Architect for this building and his advice on the building design of the addition would be very helpful. The Director of the Physical Plant and the Vice-President and Comptroller recommend that he be employed as Consultant to the Director of the Illini Union and the Physical Plant Department to review preliminary building studies prior to the preparation of final drawings, at a fee of \$100 a day plus expenses including travel. It is estimated that the total cost of his services will not exceed \$2,000. Funds are available in Illini Union Building Reserves.

#### **Library Addition — Graham, Anderson, Probst, and White, Inc.**

They have been employed, pursuant to authorization by the Board of Trustees, to prepare the mechanical and electrical plans and specifications for the construction of the sixth and seventh additions to the University Library. The work on the general drawings is being executed by the Physical Plant Department. The plans and specifications for the sixth addition, which were prepared several years ago, must be revised to bring them up to date in terms of current policies and procedures and to provide for connections with other areas of the Library. The Physical Plant Department will continue to do the work on the general drawings in the revision of the plans for the sixth addition and the execution of plans for the seventh.

The Director of the Physical Plant Department and the Vice-President and Comptroller recommend employment of Graham, Anderson, Probst, and White, Inc., on the revisions of the mechanical and electrical plans and specifications for the sixth addition and to do such additional work on the seventh as may be required. The firm has agreed to execute this assignment on the basis of actual costs (salaries and wages of personnel employed and materials used) plus 12½ per cent for overhead and commission, plus reimbursement for costs of blueprints, reproductions, and travel. Funds are not available for all such work but the firm has agreed to do it with the understanding that the University's payments prior to July 1, 1957, will not be increased beyond its obligations under the present contract, and that amounts due for new work will be payable after July 1.

#### **Assembly Hall-Gymnasium — Harrison and Abramovitz, New York**

This combination of an assembly hall and gymnasium building to be constructed south of the Stadium and eventually connected with it, will have a contemplated seating capacity of 18,000 to 20,000 at basketball games, but will be so constructed and arranged that it will also serve as a large auditorium. It will have offices for the Athletic Association, locker and shower rooms, quarters for television and radio broadcasting, and will be so designed that other desirable facilities, such as smaller gymnasiums and natatoriums, may be added later. The project presents problems so unusual and of such magnitude that there is no professional firm that can be considered as especially experienced in designing structures of its kind. However, Harrison and Abramovitz have successfully designed a number of other unusual projects and the firm is one of the best known and largest in the United States from the standpoint of work done. It was employed for the construction of the United Nations group of buildings, costing \$60,000,000, and was the principal firm of architects for the Rockefeller Center, costing approximately \$150,000,000. The firm has currently a project for an addition to the Rockefeller Center group of buildings at a cost of \$70,000,000.

Harrison and Abramovitz agree to provide complete architectural services at 6 per cent of the total cost of construction costs for all work executed under their direction, plus reimbursement of travel expenses and local living costs of the resident superintendent or superintendents, and reimbursement of costs for the employment of any special consultants other than the standard structural,

acoustical engineering services. The firm agrees to complete preliminary studies, including presentation models, perspective, or other media required, within five months after award of a contract and to complete working drawings ready for checking and approval six months thereafter. In the event architectural and engineering work is stopped at any stage, Harrison and Abramovitz will be compensated for services on the basis of cost of personnel employed, including services of retained engineers, plus 150 per cent for overhead and commission.

#### Family Housing Project

This is for stages two, three, four, and five, each stage to provide 250 apartments, of facilities for married students in the University's over-all program for student housing. The Board of Trustees has authorized the employment of Lundeen and Hilfinger, Bloomington, for architectural services on this project. The University has usually handled engineering work under separate contracts but in this case it is advantageous to secure the engineering services as a subcontract under the contract for architectural services. Lundeen and Hilfinger have proposed employment of Farnsworth and Wiley, with whom they have previously worked, and whom they recommend for the engineering services required for the working drawings for utilities to be extended to the site. The fee will be the standard sliding scale of charges, based upon the construction costs, made by engineering firms for such work, and is estimated to cost \$22,200.

It is recommended that the Board authorize the employment of Farnsworth and Wiley as subcontractors under Lundeen and Hilfinger for the engineering services.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary contracts with these firms and individuals on the terms indicated, and that the Board also approve the assignments of University funds as indicated.

On motion of Mr. Johnston, the Comptroller and Secretary of the Board were authorized to execute the contracts for these architectural and engineering services, as recommended, and in accordance with the terms specified; and the assignments of funds recommended were authorized. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Stratton, Mr. Williamson.

#### CONTRACTS FOR AIR CONDITIONING IN NEW HOME ECONOMICS BUILDING

(17) The new Home Economics Building was so designed that if sufficient funds were not available to provide air conditioning during construction it could be installed later. There is enough remaining in the state appropriation for the construction of this building to provide air conditioning for a part of the building.

The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$14,920 to Schroeder and Sons, Champaign, the lowest bidder, to complete the cooling installation for one of the ventilating systems to provide air conditioning in the offices on the fourth floor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### CONTRACT FOR AIR CONDITIONING IN ILLINI UNION BUILDING

(18) The Board of Trustees on February 14 authorized a program of air conditioning improvements in the Illini Union Building including purchase of a refrigerating machine. The Director of the Physical Plant and the Vice-President and Comptroller now recommend award of a contract for \$49,924 to Schroeder and Sons, Champaign, the lowest bidder, for the balance of the air conditioning, other than the duct work, and including cooling tower units, basin for the expansion of the entire system, all

necessary piping to hook up the new system, installation of the absorption unit, remodeling of the present condensate water pump, a new chilled water pump, new condensate meter, receiver, and condensate return pump.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Johnston, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR REROOFING AGRICULTURAL ENGINEERING AND FILTRATION PLANT BUILDINGS**

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$4,430 to Industrial Roofing Company, Mattoon, the lowest bidder, for reroofing the Agricultural Engineering and Filtration Plant Buildings.

Funds are available in the budget of the Physical Plant Department.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Swain, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR EXTENSION OF PNEUMATIC TUBE SYSTEM IN THE RESEARCH AND EDUCATIONAL HOSPITALS**

(20) The Director of the Physical Plant and the Vice-President and Comptroller recommend the award of a contract for \$15,071 to the Lamson Corporation, Chicago, for extension of the present pneumatic tube system in the Research and Educational Hospitals to the Obstetrics and Gynecology Clinic area. This is a non-competitive item because the Lamson Corporation installed the present system and other firms can not furnish compatible component parts for this extension.

The work will consist of the installation of a substation in the Obstetrics and Gynecology Clinic on the first floor of the Research and Educational Hospitals to connect with the Medical Records Department in the basement. It will also include installation of a new power exhaustor unit and modification of present exhaust and intake manifolds.

This will be a part of the remodeling program in the Research and Educational Hospitals, for which funds are available in the state appropriation for "Rehabilitations and Minor Additions to Existing Buildings."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **ADDITIONS TO CONTRACTS FOR ADDITION TO LINCOLN AVENUE RESIDENCE**

(21) The Director of the Physical Plant and the Vice-President and Comptroller recommend the following increases in contracts for the construction of the addition to the Lincoln Avenue Residence to provide bedrooms and storage space in the area originally planned as a snack bar:

Electric — Aschinger Electric Company, Streator .....	\$3 797 75
Plumbing — Robert R. Murphy, Chicago .....	5 983 00

Funds are available in the construction fund for this project. Elimination of the snack bar will result in reductions in the general contract and the equipment contract which will more than offset these increases.

I concur and recommend that the Comptroller of the Board be authorized to execute the necessary contract changes.

On motion of Mr. Herrick, the Comptroller was authorized to execute this change in the contract.

### REPAIRS OF DRILL HALL AT NAVY PIER

(22) The Board of Trustees has appropriated \$20,000 for the University's share of the cost of repairing the Drill Hall at Navy Pier. The city of Chicago has entered into a contract with the Frank P. Noe Company of Chicago for the repairs at a cost of \$32,000, and the city has asked that the University pay \$18,667.67 as its portion of the cost. This is less than the two-thirds of the cost which the University had previously agreed to pay.

I recommend that the Comptroller and the Secretary of the Board be authorized to execute an agreement with the city of Chicago to conclude this transaction.

On motion of Mr. Herrick, the Comptroller and Secretary of the Board were authorized to execute this agreement.

### APPLICATIONS FOR FEDERAL FUNDS FOR HEALTH RESEARCH FACILITIES

(23) At its meeting on February 14, the Board confirmed the filing of applications for federal matching funds under the provisions of Public Law 835 for University health research facilities which qualify under this law. The Board was informed, pursuant to advice received from the Acting Chief of the Health Facilities Branch, Division of Research Grants, that it will be in order for the University to submit supplemental requests for funds for movable equipment, as well as for construction of buildings. Accordingly, I have authorized supplemental applications as follows:

1. A Medical Research Laboratory at Chicago Professional Colleges
 

Federal funds previously requested .....	\$1 425 000 00
Supplemental funds requested .....	250 000 00
  2. Remodeling and expansion of research facilities in the Division of Biochemistry of the Department of Chemistry and Chemical Engineering
 

Federal funds previously requested .....	65 682 50
Supplemental funds requested .....	4 805 00
  3. Research Wing of Biology Building
 

Federal funds previously requested .....	942 000 00
Supplemental funds requested .....	104 500 00
- Confirmation of this is requested.

On motion of Mrs. Watkins, the President's action was confirmed.

### ESTATE OF FRED S. BAILEY

(24) Thomas, Mulliken, and Mamer, Champaign, attorneys for the estate of Fred S. Bailey, have submitted to the University a proposed first and final account prepared by the Harris Trust and Savings Bank, Chicago, the executor, together with the proposed final report of the executor. The attorneys have requested the Board of Trustees to sign an entry of appearance and a waiver of notice to obviate the necessity of giving notice of hearing of this account and report.

The final account and report of the executor indicates that \$939,279.51 was received by the executor by converting certain assets of the estate into cash. Certain farm lands were not converted to cash but were transferred directly to the trustee. The major item of assets sold was 739 shares of stock of the Champaign National Bank.

After payment of funeral expense and expenses of administration, there was distributed to the Harris Trust and Savings Bank, trustee under the will, the principal sum of \$788,928.85.

Under the terms of Mr. Bailey's will one-third of the net income of the trust estate will be paid annually to the University of Illinois to be used in support of the Bailey Memorial Chair of Money, Banking, and Finance.

The Comptroller and the Secretary of the Board request authority to sign the necessary documents so that the final report and the first and final account of the executor may be approved.

On motion of Mr. Johnston, the Comptroller and Secretary of the Board were authorized to sign the necessary documents.

### REPORT OF GRANTS TO THE UNIVERSITY FROM THE FORD FOUNDATION AND THE ROCKEFELLER FOUNDATION

(25) The Ford Foundation has made a grant of \$5,600 to the University to be ex-

pended by the University of Illinois Press to stimulate scholarly publications in the humanities and social sciences.

The funds shall be used for the publication of new works of importance to scholarship in the humanities and the social sciences, broadly defined, under the discretion of the University Press Editorial Board.

This initial grant is being made by the Ford Foundation for the current fiscal year, 1956-57, with the expectation that grants in a like sum will be made, subject to the ability of the University Press to conform to the terms of the grant, in each of four subsequent fiscal years.

The Rockefeller Foundation has made a grant of \$34,000 to the University for a study of polyploidy in maize under the direction of Dr. D. E. Alexander of the Department of Agronomy. This fund is for use during the five-year period beginning June 1, 1957, and provides that up to \$7,000 may be used in any one year.

The University has accepted these offers from the Ford Foundation and the Rockefeller Foundation for the purposes indicated, and this action is reported for record.

This report was received for record.

#### GERALD S. COHEN STUDENT LOAN FUND

(26) The University has accepted a fund of \$1,025, contributed by friends and relatives of the late Gerald S. Cohen of the Class of 1957, to establish a student loan fund in his memory. The fund will be administered in accordance with the University's standard policy governing short-term loan funds and under conditions specified by the donors, namely, that worthy and needy students, regardless of race, color, or creed, shall be eligible for loans from this fund and that no interest shall be charged if the loan is repaid when due.

Mr. Cohen, a senior in the University, died in November, 1956. His parents are Mr. and Mrs. Ben Cohen, 910 West Ainslie Street, Chicago, Illinois. The fund was collected and presented to the University by Mrs. Estelle Haberman, 7327 South Chappel Avenue, Chicago 49, Illinois.

This report was received for record.

#### PURCHASES

##### Purchases Authorized

(27) The following purchase was authorized by the President's Office on the recommendation of the Director of Purchases and the Vice-President and Comptroller.

Item	Department	Vendor	Cost
One Varian model V-1200A regulated magnet power supply, modified to operate stably and with a.c. ripple equal to or less than 0.1 per cent of output d.c. voltage when driving a load of 510 ohms resistance with inductance of two henries	Physics	Varian Associates, Palo Alto, Calif.	\$4 095 00 f.o.b. Palo Alto, Calif.

The following purchases were approved by the Vice-President and Provost, acting for the President, pursuant to authorization by the Board of Trustees to act on recommendations for purchases under International Cooperation Administration contracts. All of these purchases will be from funds supplied by the I.C.A. under its contract with the University for educational services to institutions of higher education in India.

<i>With Whom</i>	<i>Purpose</i>	<i>Amount to be Paid by the University</i>	<i>Effective Date</i>

**EMPLOYMENT OF ARCHITECTS FOR MEN'S RESIDENCE HALLS**  
Mr. Johnston, for the Committee on Buildings and Grounds, submitted the following report.

<sup>1</sup> Deduct.

At a meeting of the Committee on Buildings and Grounds held on February 28, 1957, the Director of the Physical Plant Department, with the concurrence of the President of the University, presented a recommendation that Berger-Kelley and Associates, Champaign, Illinois, be employed as architects for the second group of four men's residence halls to house 1,500 undergraduate men, this being stage three of the proposed new facilities for undergraduate men in the University's program for housing students previously approved by the Board of Trustees.

The Board of Trustees on February 14, 1957, awarded contracts for the construction of a group of residence halls, this being stage two of the facilities for undergraduate men in the University's long-range housing program. The plans and specifications for this group of buildings may be used, with certain modifications, taking into account soil conditions, grade of land, orientation with other buildings, heating and cooling loads. No standard fee has been established by the architectural profession for an assignment of this kind. Accordingly, the Committee recommends that Berger-Kelley and Associates, architects for the first group of residence halls in stage two, be employed as architects for the next group of men's residence halls and paid for such services on the basis of actual costs of drafting work, superintendence and the time of principals in the firm, plus 100 per cent for overhead and commission; provided that the total fee does not exceed 3.49 per cent of the cost of construction contracts.

On motion of Mr. Johnston, the Committee's recommendation was approved and the employment of Berger-Kelley and Associates was authorized on the terms specified.

#### SALE OF MEN'S RESIDENCE HALLS REVENUE BONDS OF 1957

Mr. Livingston, for the Executive Committee, presented the following report.

Bids were received on March 5, 1957, for the sale of \$6,750,000 Men's Residence Halls Revenue Bonds of 1957 to finance the construction of residence halls in Urbana-Champaign.

No bids were received from private companies for the Series B bonds in the amount of \$3,000,000 for which the University has received assurances from the Housing and Home Finance Agency that the United States Government will purchase such bonds at an interest cost of 2.875 per cent.

Three bids were received for the Series A bonds, totalling \$3,750,000 as follows:

<i>Company</i>	<i>Price</i>	<i>Interest Rates</i>	<i>Effective Interest Rate</i>	<i>Total Interest Cost</i>
John Nuveen & Co. and Associates	\$3 700 012 50	5%; 4.5%; 4.25%; 4.4%; 3.5%	4.345%	\$4 297 397 50
F. S. Smithers & Co. and Associates	3 702 562 50	6%; 4.2%; 4.25%; 4.3%	4.374%	4 325 640 00
Blyth & Co., Inc., White, Weld and Co., and Associates	3 700 000 00	4.5%; 4.25%; 4.375%; 4.4%	4.482%	4 432 927 50

The effective interest rate, based on the bid of John Nuveen & Co. and Associates for the Series A bonds and of the Housing and Home Finance Agency for Series B bonds, will be 3.71 per cent.

Since the bid submitted by John Nuveen & Co. and Associates and the bid submitted by F. S. Smithers & Co. and Associates were at a discount and some of the coupons would be 5 per cent or more, the question was raised whether this exceeds the statutory maximum interest. Chapman and Cutler advised the Executive Committee that the best bid received, the one from John Nuveen & Co. and Associates, could legally be accepted and that Chapman and Cutler would approve the issue of bonds if thus awarded, provided that John Nuveen & Co. gives to the Board of Trustees a schedule of prices for various maturities which would show that no maturity would have an interest cost to maturity greater than 5 per cent. This has been done, and a copy of the schedule follows.

Yours very truly,  
JOHN NUVEEN & CO. AND ASSOCIATES  
By: J. DAVID EVERARD of John Nuveen & Co.

The Executive Committee approved the sale of the Series A bonds to John Nuveen & Co. and Associates on the basis of their bid which represents the lowest interest cost to the University.

The Vice-President and Comptroller recommends that funds in Housing Division reserves be advanced to finance construction costs until the bonds are delivered, which will be approximately May 1, 1957. The Executive Committee concurs.

On motion of Mrs. Watkins, the action of the Committee was confirmed and the advance of necessary funds from Housing Division reserves to finance construction costs until funds from the bond issue are available was authorized by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Stratton, Mr. Williamson.

**RESOLUTION AUTHORIZING MEN'S RESIDENCE HALLS  
REVENUE BONDS OF 1957**

Mr. Livingston presented the following:

RESOLUTION authorizing the issue of Men's Residence Hall Revenue Bonds of 1957, of the Board of Trustees of the University of Illinois in the principal

amount of \$6,750,000 for the purpose of providing funds necessary to construct, complete, and equip additional units of the Men's Residence Halls in the City of Champaign, Illinois, fixing the date, maturities, form, and other details of said bonds, and making covenants and provisions for the payment of said bonds and the interest thereon.

WHEREAS, The Board of Trustees of the University of Illinois on due consideration and investigation does now find and determine that it is advisable, necessary, and in the interests of the University of Illinois to construct and equip additional units of the Men's Residence Halls to be known as the Northwest Parade Grounds Units, located at the southeast corner of First Street and Gregory Drive, Champaign, Illinois, to provide housing and food service for approximately 1485 men students, and a resident manager, including lounge and recreational facilities for the residents of said Unit (sometimes hereinafter called "the buildings" or "project").

WHEREAS, The Board of Trustees of the University of Illinois has heretofore caused to be prepared plans and specifications for the construction, completion, and equipping of said above described project, and plans have been approved by this Board of Trustees and are now on file in the office of the Physical Plant Department of said University at the Administration Building in the City of Urbana, Illinois; and

WHEREAS, The Board of Trustees of the University of Illinois does further find and estimate that the cost of the construction of said project including movable equipment, hereinabove described, in accordance with bids heretofore received for that purpose, will be \$6,750,000; and

WHEREAS, in order to produce the funds necessary to construct and equip the revenue producing project of said University, hereinabove referred to, it will be necessary that there be borrowed the sum of \$6,750,000 and in evidence thereof the revenue bonds of said University be issued; and

WHEREAS, pursuant to "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings, payable only from the revenues derived from the operation thereof, or, when authorized by the Board of Trustees, payable from such revenues as supplemented by University income authorized by law to be retained in the University treasury and applied to such purpose and for the refunding of any such bonds," approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947, L. 1947, p. 1738, and by Act approved June 30, 1955, L. 1955, p. 796, this Board of Trustees is authorized to issue revenue bonds for the purposes aforesaid, payable only from the revenues to be derived from the operation of said project and from student fees authorized by law to be retained in the University treasury;

NOW, THEREFORE, Be It and It Is Hereby Resolved by The Board of Trustees of the University of Illinois, as follows:

SECTION 1. That it be and it is hereby determined by The Board of Trustees of the University of Illinois that it is necessary and for the best interests of the University of Illinois that it borrow the sum of \$6,750,000 to construct, and fully equip the revenue producing project as described in the preamble hereof, located in the City of Champaign, Illinois, and in evidence thereof issue its revenue bonds in the principal amount of \$6,750,000.

SECTION 2. That said bonds shall be designated "The Board of Trustees of the University of Illinois Men's Residence Halls Revenue Bonds of 1957" and shall be in two series, A and B, neither series of which shall have priority as to redemption or as to payments of interest or principal over the other, except as hereinafter provided. The said revenue bonds shall bear date of April 1, 1957, and shall be of the denomination of \$1,000 each. Series A bonds shall be numbered A1

through A3750, and bonds numbered A1 through A385, inclusive, shall bear interest at the rate of five per cent (5%), bonds numbered A386 through A695, inclusive, shall bear interest at the rate of four and one-half per cent (4½%), bonds numbered A696 through A2130, inclusive, shall bear interest at the rate of four and one-fourth per cent (4¼%), bonds numbered A2131 through A3550 shall bear interest at the rate of four and four-tenths per cent (4 4/10%), and bonds numbered A3551 through A3750, inclusive, shall bear interest at the rate of three and one-half per cent (3½%), and Series B bonds shall be numbered B1 through B3000, inclusive, shall bear interest at the rate of two and seven-eighths per cent (2¾%) per annum, payable October 1, 1957, and semiannually thereafter on the first days of April and October of each year until paid, which interest payments to date of maturity of principal shall be evidenced by proper interest coupons attached to each bond and maturing on the dates herein provided, and said bonds shall mature in each of the years and in amounts as follows:

provided, however, that said bonds maturing on April 1 of each of the years 1968 to 1997, inclusive, shall be redeemable prior to maturity, as a whole or in part, on April 1, 1967, or on any interest payment date thereafter in the inverse order in which they mature, at the option of The Board of Trustees of the University of Illinois at par and accrued interest, and a premium as follows: four per cent (4%) of the principal amount thereof if redeemed April 1, 1967, through October 1,

1971; three per cent (3%) of the principal amount thereof if redeemed April 1, 1972, through October 1, 1976; two per cent (2%) of the principal amount thereof if redeemed April 1, 1977, through October 1, 1981; one per cent (1%) of the principal amount thereof if redeemed on April 1, 1982, through October 1, 1986; no premium if redeemed on April 1, 1987, or on any interest payment date thereafter prior to maturity. If funds are available to call and redeem some but not all of the said bonds of any maturity, the bonds to be called for redemption shall be selected by lot in any commonly followed manner.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty days prior to the date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago and also in a financial journal published in the English language in the City and State of New York, and such notice of redemption shall with substantial accuracy (a) designate the date and place of redemption, such place to be at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, or at the option of the holder thereof at the Chemical Corn Exchange Bank, in the City of New York, New York, and (b) designate the numbers and the aggregate principal amount of said bonds, and (c) state that on the designated date of redemption said bonds will be redeemed by payment of principal thereof and accrued interest thereon to date of redemption, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of all bonds so called for redemption shall cease.

That such bonds and coupons shall be payable to bearer; provided, however, that such bonds may be subject to registration as to principal at any time prior to maturity in the name of the holder thereof on the books of registration of said University to be kept in the Chicago Business Office of said University, such registration to be noted on the reverse side of the bonds by the Vice President and Comptroller of said University and thereafter the principal of such bonds shall be payable only to the registered holder, his legal representative or assign. Such registered bonds shall be transferred to another registered holder or back to bearer only upon presentation to the Vice President and Comptroller with a legal assignment duly acknowledged or approved. Registration of any such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

SECTION 3. That both principal of and interest on such revenue bonds shall be payable in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, or at the option of the holder, at the Chemical Corn Exchange Bank, in the City of New York, New York.

SECTION 4. That said bonds shall be executed for and on behalf of The Board of Trustees of the University of Illinois by its President and by Timothy W. Swain and Frances B. Watkins, who are members thereof, and attested by the Secretary thereof, under the seal of the University of Illinois, and the interest coupons attached to said bonds shall be executed by the facsimile signatures of said President and Secretary, who by the execution of said bonds shall adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and said bonds and coupons shall be in substantially the following form:

(Form of Bond)

UNITED STATES OF AMERICA

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS  
MEN'S RESIDENCE HALLS REVENUE BOND OF 1957

(Series.....)

NUMBER..... \$1,000

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS,  
a body corporate, created and established under the laws of the State of Illinois,  
for value received promises to pay to bearer, but only out of the Men's Residence

Halls Revenue Bond Fund of 1957, as hereinafter provided for, and not otherwise, the sum of ONE THOUSAND DOLLARS (\$1,000) in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, on April 1, 19....., and to pay interest on said sum from the date hereof until paid at the rate of ..... per cent (.....%) per annum, payable October 1, 1957, and semiannually thereafter on the first days of April and October in each year until paid and until the maturity date hereof upon presentation and surrender of the interest coupons hereto attached as they subsequently become due.

Both principal hereof and interest hereon are hereby made payable in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, or at the option of the holder, at the Chemical Corn Exchange Bank, in the City of New York, New York.

This bond is one of an authorized issue of Six Million Seven Hundred Fifty Thousand Dollars (\$6,750,000), all of like date and of the denomination of \$1,000 each, numbered from A1 through A3750 and B1 through B3000, and bonds maturing on April 1 of each of the years 1968 to 1997, inclusive, shall be redeemable prior to maturity, as a whole or in part on April 1, 1967, or on any interest payment date thereafter in the inverse order in which they mature, at the option of The Board of Trustees of the University of Illinois at par and accrued interest, and a premium as follows: four per cent (4%) of the principal amount thereof if redeemed April 1, 1967, through October 1, 1971; three per cent (3%) of the principal amount thereof if redeemed April 1, 1972, through October 1, 1976; two per cent (2%) of the principal amount thereof if redeemed April 1, 1977, through October 1, 1981; one per cent (1%) of the principal amount thereof if redeemed April 1, 1982, through October 1, 1986; no premium if redeemed on April 1, 1987, or on any interest payment date thereafter prior to maturity. If funds are available to call and redeem some but not all of the said bonds of any maturity, the bonds to be called for redemption shall be selected by lot in any commonly followed manner.

Notice of redemption of any or all of said bonds shall be published once not less than thirty days prior to the date of redemption, such publication to be made in one newspaper published and of general circulation in the City of Chicago and also in a financial journal published in the English language in the City and State of New York, and when this bond or any of the bonds of such authorized issue shall have been called for redemption, interest thereon shall cease from and after the specified redemption date.

This bond and the series of which it forms a part is issued under the authority of an Act of the General Assembly of the State of Illinois, entitled "An Act to authorize the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control and manage student residence halls, staff housing facilities, dormitories, health and physical education buildings, or other revenue producing building or buildings, defining the duties of such Board with respect to operation and maintenance thereof, charge fees or rates for the use thereof, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition or equipment of any such building or buildings payable only from the revenues derived from the operation thereof, or, when authorized by the Board of Trustees, payable from such revenues as supplemented by University income authorized by law to be retained in the University treasury and applied to such purpose and for the refunding of any such bonds," Approved June 30, 1945, L. 1945, p. 1753; title as amended by Act approved July 21, 1947, L. 1947, p. 1738, and by Act approved June 30, 1955, L. 1955, p. 796, and all other laws supplementary thereto, and a resolution duly adopted by The Board of Trustees of the University of Illinois for the purpose of defraying the cost of constructing and equipping additional units of the Men's Residence Halls located at the southeast corner of First Street and Gregory Drive in the City of Champaign, Illinois.

This bond is payable, both as to principal and interest, only from the revenues

derived from the operation of said revenue producing buildings constructed, completed, and equipped with the proceeds of this bond issue, and student fees and tuition, but not in excess of \$297,000 annually, authorized by law to be retained in the University treasury, and this bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois, The Board of Trustees of the University of Illinois, or the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University, of said Board of Trustees, or of the State of Illinois is pledged to the payment of this bond or the interest thereon.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the Chicago Business Office of said University, located at 833 South Wood Street, Chicago, Illinois, such registration to be noted on the back hereof. After such registration no transfer thereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer hereof.

This bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, howsoever such possession may have been acquired, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons, as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and The Board of Trustees of the University of Illinois and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered, and the bearer of any interest coupons appertaining hereto as the absolute owner thereof for all purposes.

The Board of Trustees of the University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the resolution adopted by it, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said buildings, as provided for in and by said resolution, and to establish from time to time parietal rules, rents, and charges for the use of said buildings and to maintain and collect rents and charges and to withhold student fees and tuition sufficient to pay the reasonable cost of operating, maintaining, insuring, and repairing of said buildings, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.

It is hereby certified and recited and declared that all acts, conditions, and things required to exist, to happen, and to be performed, precedent to and in the issuance of this bond, have existed, have happened, and have been performed in due form, time, and manner, as required by law and the applicable resolutions of The Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said buildings to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois has caused this bond to be signed by its President and two members thereof, the corporate seal of the University of Illinois to be hereto affixed, and attested by its Secretary, and has caused the interest coupons hereto attached to be executed by the facsimile signatures of said President and Secretary, which said officials by the execution of this bond do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, and this bond to be dated as of the 1st day of April, 1957.

SECTION 5. That upon the issuance of the said revenue bonds herein provided for, there be and there is hereby established a fiscal year for the operation of said additional units of the Men's Residence Halls located at the southeast corner of First Street and Gregory Drive, Champaign, Illinois, and such fiscal year shall commence the first day of July of each year and end the last day of the next succeeding June, and all of the revenues derived from the operation of said build-

\* Words in parenthesis to appear on all coupons due after the optional date of the bond to which it is attached.

ings shall be credited as collected in a separate account, which is hereby created and designated as "Men's Residence Halls Revenue Bond Fund of 1957," and The Board of Trustees of the University of Illinois covenants that all revenues, income, receipts, profits, rates, rents, charges, fees, and returns derived from the operation of said buildings shall be deposited within three working days in the University of Illinois Treasurer's Account, and shall be used first in paying the reasonable cost of operating and maintaining said buildings, including, without thereby limiting the generality of the foregoing, salaries, wages, costs of materials, supplies, insurance, and the reasonable repair necessary to maintain said buildings properly, and for the creation and maintenance of a sinking fund, as hereinafter provided for the payment of the principal and interest of the revenue bonds herein provided for, which by their terms are payable only from the revenues derived from the operation of said buildings, and from student fees and tuition, all as hereinafter provided in Section 6 of this Resolution.

Any remaining funds which are declared surplus shall be used as provided in Section 6 hereof.

SECTION 6. That the funds in the "Men's Residence Halls Revenue Bond Fund of 1957," shall be used in the manner and in the order hereinafter mentioned:

(a) All reasonable expenses of operation and maintenance and repair of said buildings, including, without limiting the generality of the foregoing, salaries, wages, cost of materials, supplies, insurance, light, heat, and power shall be paid as they occur. Reasonable reserves may be established for repairs, replacement of equipment and other expenditures which do not occur regularly. The word "repair" as used in this subsection shall be construed to refer only to such repairs as are necessary to keep the buildings in proper condition for use and occupancy, or are so certified to be necessary to remedy some physical condition which would otherwise impair or endanger the use and occupancy thereof and the security of the bonds hereby authorized, and all other bonds that may hereafter be authorized, which by their terms are payable from the revenues derived from the operation of said buildings.

(b) A Bond and Interest Sinking Fund is hereby established and shall be held in trust for the benefit of the bondholders by the American National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, as depository. As soon as the project becomes revenue producing, there shall be deposited in said Bond and Interest Sinking Fund the sum of \$195,000 semiannually, within 60 days following June 30 and December 31 of each year, to be paid from the revenues derived from operation of the project and from student fees and tuition as provided in Section 7 hereof, until such time as such funds and investments, and the income and profits realized from any investments thereof are at least equal to the debt service requirements on the outstanding bonds for the then current fiscal year plus a debt service reserve in the amount of \$680,000, and thereafter such sums semiannually as may be necessary to meet the then current year's debt service and to maintain the debt service reserve of \$680,000, provided that the amount provided from student fees and tuition shall not exceed \$297,000 a year, and provided further that the amounts so deposited prior to September 1, 1958 shall not exceed, unless necessary, the net revenues of the project.

Funds of the Bond and Interest Sinking Fund Account in excess of the principal and interest requirements for the next succeeding twelve months may be invested by the depository from time to time by order of the Comptroller in United States Government securities, maturing not more than five years from date of purchase.

(c) All funds remaining in said Men's Residence Halls Revenue Bond Fund of 1957 in any fiscal year after the full debt reserve prescribed in subsection (b) of this section has been provided for and after all provisions in subsections (a) and (b) of this section have been met and all deficiencies have been made up, shall be deemed surplus moneys and shall be used for any of the following purposes: (1) for calling and redeeming the revenue bonds of this issue, which by their terms are redeemable prior to maturity; (2) for purchasing in the open market bonds of this issue, with all unmatured interest coupons thereto attached at the lowest prices reasonably attainable, but not exceeding the amount at which such bonds at the time are redeemable; (3) for investment by the Comptroller of The Board of

Trustees of the University of Illinois in United States Government securities until such time as funds are needed for other purposes; (4) for unusual or extraordinary repairs, replacements or improvements to the buildings, for which no funds can be properly provided in subsection (a) hereinabove; and (5) for any lawful purpose as The Board of Trustees of the University of Illinois may direct.

SECTION 7. That it is hereby determined by The Board of Trustees of the University of Illinois, and it is hereby covenanted that it is necessary to supplement revenues derived from the said additional units of the Men's Residence Halls, referred to in this resolution, by the use of funds obtained from student fees and tuition, but not, however, to exceed the sum of \$297,000 annually, and it is hereby further covenanted that in accordance with the pledge hereby made if at the close of any fiscal year after the project becomes revenue-producing there is a deficiency in the Men's Residence Halls Revenue Bond Fund of 1957 to provide for crediting to the respective accounts provided for in Section 6 of this resolution with the required amounts, The Board of Trustees of the University of Illinois shall within sixty days credit to the said Men's Residence Halls Revenue Bond Fund of 1957 out of the pledged student fees and tuition which said University is authorized to retain in its treasury, a sum sufficient to make up such deficiency in order to meet the annual debt service required on the bonds, the annual cost of maintenance and operation of the buildings, and provide for all the accounts and covenants provided for by this bond resolution, but such amount shall not, however, exceed \$297,000 in any fiscal year.

SECTION 8. That The Board of Trustees of the University of Illinois hereby covenants as follows:

(a) That as long as the bonds herein authorized to be issued shall remain outstanding it will continuously operate and maintain said buildings constructed and equipped with the proceeds derived from the issue of said bonds, that it will adopt such parietal rules and regulations and fix and maintain such rates, rents, fees, and charges for the use of said buildings, when supplemented with student fees and tuition as hereinafter pledged, as will assure maximum occupancy of the buildings that will provide revenue sufficient to pay the reasonable cost of operating and maintaining said buildings, and to provide and maintain the aforesaid Bond and Interest Sinking Fund Account and the required reserves therefor, and that it will collect and account for and apply the aforesaid income and revenues in accordance with and as provided by this resolution.

(b) That it will set aside from student fees and tuition authorized by law to be retained in the University treasury an amount which when added to the revenues to be derived from the operation of said buildings will be sufficient to meet the annual costs of maintenance and operation of the buildings and to meet the semiannual Bond and Interest Sinking Fund Account requirements as hereinbefore provided, but in no event shall the amount of student fees and tuition so retained for this bond issue exceed \$297,000 a year.

(c) That it will not voluntarily create or cause to be created any debt or lien, charge or encumbrance on any of the revenues to be derived from the operation of such buildings having a priority to or parity with the pledge of the bonds issued under this resolution, and that it will not sell, mortgage, lease, or otherwise dispose of or encumber said buildings or any part thereof during the time when the bonds issued hereunder shall remain outstanding and unpaid, except as provided for in Section 10 hereof.

(d) That as long as any of the bonds issued hereunder remain outstanding and unpaid, either as to principal or interest, or both, it will at all times exercise all of its lawful powers to preserve and protect the security of the bonds and the rights of the bondholders under this resolution.

(e) That it shall cause to be kept proper books of records and accounts separate and apart from all other records and accounts in which complete and correct entries shall be made of all transactions relating to the cost of constructing and equipping the aforesaid buildings, the expenditures for maintaining, operating, and repairing said buildings, and all revenues collected therefrom, which said record shall be kept and shall be available for the information of all bondholders; and that there shall be furnished to the original purchaser of said bonds and to any holder of any of said bonds, on the written request therefor, prior to October

1 of each year, complete operating and income statements of said project, in reasonable detail, for said preceding fiscal year.

(f) That it will faithfully and punctually perform or cause to be performed all of the duties and obligations with reference to said project as are required by the provisions of this resolution and the statutes under which the said bonds are issued, including the completion and equipping of the aforesaid buildings and the operation and maintenance of said buildings as herein provided, the making and collecting of sufficient rates, fees, and charges for the use thereof, the segregation of the income and revenues therefrom to the respective accounts created under the provisions of this resolution, and the proper application of said funds.

(g) That as long as any of said bonds authorized to be issued hereunder shall remain outstanding and unpaid, either as to principal or interest, or both, it will maintain insurance on said buildings, including all equipment thereof, against loss or damage by fire and windstorm and all other risks included in extended coverage insurance in an amount not less than the full insurable value of said buildings. Such insurance policy or policies shall be payable to The Board of Trustees of the University of Illinois, and all moneys collected on account of loss or damage covered by any such policy or policies of insurance shall be held in trust and shall be used only for restoration of the property so damaged. In the event said funds with other available moneys are insufficient to restore said property to its former condition, then said funds shall be paid into the Bond and Interest Sinking Fund Account and held for the benefit of the bondholders as their interest may appear.

(h) That as long as the funds and investments of the Bond and Interest Sinking Fund Account are less than \$680,000 plus the debt service requirements on the outstanding bonds for the then current fiscal year, it shall procure and maintain use and occupancy insurance on said buildings, the revenues of which are pledged to the payment of the bonds, in an amount sufficient to enable it to deposit in the Bond and Interest Sinking Fund Account, out of the proceeds of such insurance, an amount equal to the sum that would normally have been available for deposit in such account from the revenues of the damaged buildings during the time the damaged buildings are non-revenue producing as a result of loss of use caused by hazards covered by fire and extended coverage insurance.

SECTION 9. That the bonds authorized to be issued hereunder and from time to time outstanding shall not be entitled to priority one over the other in the application of the income and revenues derived from the collection of rents, rates, fees, and charges for the use of the aforesaid buildings, or with respect to the pledge of the revenue to be derived from the operation of said buildings or the pledged fees and tuition.

SECTION 10. That it is hereby further covenanted and agreed that after the issue and delivery of the bonds herein authorized and provided for to the purchaser thereof, additional bonds to share ratably and equally with the bonds hereby authorized shall only be issued in the event that funds are necessary to pay the cost of completing the project herein provided for in accordance with the plans and specifications now on file in the office of the Physical Plant Department, Administration Building, Urbana, Illinois, and in the event additional funds are necessary to pay the cost of completing the project herein provided for, said bonds shall not be issued until such time as the architects employed by the University for the construction of said buildings have submitted a certificate to The Board of Trustees of the University of Illinois setting forth an itemized statement of the work completed to date, the cost thereof, and an itemized statement of the work yet to be completed and the estimated cost of the work to be completed, and such certificate and estimate shall be presented to and approved by said Board of Trustees preceding the adoption of any resolution authorizing the issuance of additional bonds to share ratably and equally in the revenues of said project. Any additional bonds issued for the purpose of completing the project herein provided for, in accordance with this section, shall be payable serially with principal and interest amortized over a period not shorter than the remaining life of any of the then outstanding bonds, with principal payments beginning not more than three years from date of the additional bonds, in such manner as to make the total amount of principal of and interest on the additional bonds due in each year approximately the same in each year in which there is a maturity of principal.

Should The Board of Trustees of the University of Illinois, at any time, determine that it would be in the public interest to establish a housing system or form of financing embracing all or a major portion of the residence halls and related revenue producing facilities of the University, the bonds of this issue may be included in such a system or systems so long as the rights of the bond holders of this issue are not impaired as to the covenants made herein, and so long as all revenues are deposited and all accounts maintained, as provided in Sections 5 and 6 herein.

In addition to the foregoing, if prior to the payment of the bonds hereby authorized it shall be found desirable to refund all or a part of the bonds hereby authorized, said bonds may be refunded notwithstanding the restrictions as to the issuance of additional bonds set forth in this section (with the consent of the holders thereof if any bonds are to be refunded prior to maturity or prior to date of call and redemption) and any refunding bonds so issued shall share ratably and equally with the portion of the bonds hereby authorized which are not refunded in the revenues of said project and the pledge thereof under this resolution; provided, however, that if only a portion of said outstanding bonds are to be refunded at any time, such refunding obligations shall not mature at a date earlier than the final maturity of such bonds not refunded.

SECTION 11. That from the proceeds derived from the sale of said bonds all accrued interest and premium, if any, derived from the sale of the bonds shall be credited to the Bond and Interest Sinking Fund Account created by Section 6 of this resolution, and the balance of the proceeds derived from the sale of said bonds shall be set aside in a separate account which is hereby created and designated as the "Construction Fund Account" and all of the funds of such Construction Fund Account shall be deposited in The First National Bank of Chicago, which bank be and is hereby designated as the Depositary therefor. The proceeds of said Construction Fund Account shall be withdrawn from such account from time to time as funds are needed for the construction of the buildings herein provided for.

For the purpose of this resolution the cost of the construction of said project to be paid from said Construction Fund Account shall be deemed to include the following:

- a. The purchase price and cost of acquisition of real estate, easements, rights of way and other property necessary for the construction of such buildings, including the cost of abstracts of title, title examination, and title insurance.
- b. Fees and expenses of architects and engineers for services, preliminary investigation, preparation of plans and specifications, supervision of construction and performance of all duties of architects and engineers with respect to said buildings.
- c. Audits and field supervision by representatives of the federal government.
- d. Payment for labor, material, equipment, services of contractors, builders, and materialmen.
- e. Premiums payable by the University to the date of completion of said buildings on policies of insurance against fires, floods, storms, lightning, and other casualties and for so-called all risk coverage.
- f. All taxes, assessments, and other incidental charges levied against, or paid prior to the completion of said buildings, and taxes, if any, for recording and filing fees payable in connection with deeds of conveyance.
- g. Condemnation awards in connection with the acquisition of property and easements necessary for said buildings, including court costs and legal fees therefor.
- h. All expenses of preparing, issuing, and delivering bonds issued hereunder.
- i. Fees and expenses of legal counsel.
- j. Fees and expenses of fiscal agents, depositaries, or trustees of the Construction Fund Account.
- k. Interest and fiscal fees on all bonds of this issue becoming due on or before April 1, 1959 to the extent that funds are not otherwise made available in accordance with Sections 6(b) and 11 hereof.
- l. Actual incidental expense, including telephone, telegraph, office expense, and traveling expense.

m. Any and all other expenses necessary or incidental in the construction of said buildings, certified to in writing by the architects employed by the University for the construction of said buildings.

All vouchers for the withdrawal of funds from said account shall state the purpose for which the vouchers have been issued. Funds for the payment of items covered in subdivisions (b) and (d) of this section shall be withdrawn only upon submission to the Vice President and Comptroller of a certificate executed by the architects employed by the University for the construction of said buildings, stating the nature of the work completed and the amount due and payable thereon. All vouchers and the certificates when required shall be held by said Vice President and Comptroller and made available for inspection by any bondholder or any duly authorized agent of such bondholder.

Funds of this account may be invested by the Vice President and Comptroller from time to time in short-term United States Government securities. Any interest earned or profits realized from the moneys so invested shall be credited to the Construction Fund Account.

After completion of the project, the Vice President and Comptroller of the University shall execute a certificate to the effect that said project has been fully completed according to plans and specifications and the same filed in the office of the Secretary of The Board of Trustees of the University of Illinois. If there be any funds remaining in said Construction Fund Account at the time of filing of such certificate with the Secretary, said funds shall be withdrawn by the Vice President and Comptroller and one-half of such funds, to the nearest \$1,000, shall be used promptly for the redemption of Series B bonds; and the remainder shall be credited to the Bond and Interest Sinking Fund Account.

SECTION 12. The provisions of this resolution shall constitute a contract between The Board of Trustees of the University of Illinois and the holders of the bonds herein authorized to be issued, and after the issuance of the bonds no changes, additions, alterations, or amendments of any kind shall be made to this resolution in any manner, except with the consent of the holders of sixty-five per cent (65%) of the outstanding bonds, until such time as all of said bonds issued hereunder, and interest thereon, shall be paid in full, or unless and until provision shall have been made for the payment of all bonds hereby authorized and interest thereon in full.

SECTION 13. Any holder of a bond or bonds, or of any of the coupons of any bond or bonds, issued under the provisions of this resolution, may either in law or in equity, by suit, action, mandamus, or other proceedings, enforce or compel the performance of all duties required by this resolution or the acts under which the bonds hereby authorized are issued, including the fixing, maintaining, and collecting of such rents, charges, and fees for the use of such properties and all facilities thereof, as well as establishing parietal rules and regulations thereto, as will be sufficient for all the purposes provided by this resolution, and the application of income and revenue therefrom.

SECTION 14. If any section, paragraph, clause, or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this resolution.

SECTION 15. That the President, Secretary, Comptroller, and Treasurer of The Board of Trustees of the University of Illinois, be and they are each of them hereby authorized and directed to execute all instruments, papers, documents, and agreements necessary or convenient to accomplish the issue and delivery of the said Revenue Bonds to the purchasers thereof.

SECTION 16. That said revenue bonds shall be executed as provided herein as soon after this resolution becomes effective as may be, and be deposited with the Treasurer of said University. The Series A bonds shall be by him delivered to John Nuveen & Co., Chicago, Illinois, and associates, the purchasers thereof, upon receipt of the purchase price, and the contract for the sale thereof heretofore entered into be and the same is hereby in all respects ratified and approved. The Series B bonds shall be delivered by the Treasurer of said University to The Federal Reserve Bank of Chicago upon receipt of the purchase price in accordance with the provisions of the Loan Agreement between the Housing and Home Finance Agency and the University, dated March 1, 1957.

SECTION 17. That this resolution shall be in full force and effect from and after its passage.

#### MEETING OF COMMITTEE ON BUILDINGS AND GROUNDS

The Committee on Buildings and Grounds met in Chicago on February 28 and considered a number of recommendations presented by the President and other University officials relating to the University's building program. Some of the items of business which were before the Committee were presented to the Board at today's meeting. The Secretary will file with the records of today's meeting the minutes of the meeting of the Committee on Buildings and Grounds.

President Henry stated that it would be desirable to have a meeting of the Committee on Buildings and Grounds prior to the next meeting of the Board. Until the Committee has been reconstructed. Mr. Livingston, Chairman of the 1956-57 Committee, will continue serving as Acting Chairman. He announced that a meeting would be called for March 28 in Chicago.

#### APRIL AND MAY MEETINGS OF THE BOARD

The Secretary called attention to the decision of the Board made at a previous meeting to hold its April meeting in Chicago, Illinois, on Thursday, April 18, 1957, at an hour and place to be fixed by the President and the Secretary.

On motion of Mr. Swain, the Board voted to hold its May meeting at Urbana on Tuesday, May 28, 1957.

On motion of Mr. Swain, the Board adjourned.

**MEETING OF THE BOARD OF TRUSTEES**  
**OF THE**  
**UNIVERSITY OF ILLINOIS**

---

**April 18, 1957**

The April meeting of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Thursday, April 18, 1957, beginning at 10:30 a.m.

The following members were present: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Earl M. Hughes, Mr. Park Livingston, Mr. Vernon L. Nickell, Mr. Timothy W. Swain, and Mrs. Frances B. Watkins. Mr. Wayne A. Johnston, Governor William G. Stratton, and Mr. Kenney E. Williamson were absent.

Also present were President David D. Henry, Vice-President and Provost Henning Larsen, Dr. Herbert E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Director C. S. Havens of the Physical Plant Department, Mr. C. E. Flynn, Director of Public Information; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

**MINUTES APPROVED**

The Secretary presented the minutes of the meeting of the Board of Trustees of January 16, 1957, press proof copies of which had been sent to all members of the Board in advance.

On motion of Mrs. Watkins, the minutes were approved as printed on pages 181 to 247, inclusive.

**EMPLOYMENT OF AUDITORS**

The Finance Committee recommends employment of Haskins and Sells, Certified Public Accountants, Chicago, to audit the University accounts for the year ending June 30, 1957. The fee for these services will be based on per diem rates and expenses, with the understanding that the aggregate charges will not exceed the following amounts:

University of Illinois (all divisions) .....	\$15 800
University of Illinois Foundation (including its Retirement System) .....	1 000
University of Illinois Athletic Association (including its Retirement System) .....	1 100

The report of Haskins and Sells will be issued to the Board of Trustees and to the State Auditor of Public Accounts. This is agreeable to the State Auditor. The working papers of Haskins and Sells will be made available for examination by the State Auditor's staff. If any work beyond the scope of the audit is requested by the Auditor of Public Accounts, it will be done at his expense.

It has been the University's practice to employ a firm of auditors for a period of five years and then to change to another firm. This will be the fifth year for Haskins and Sells. The firm has also agreed to make audits for the Alumni Association for a fee not to exceed \$400 and for the University Retirement System of Illinois for a fee not to exceed \$2,000.

On motion of Mr. Swain, the employment of Haskins and Sells, as recommended above, was approved.

**SALE OF SECURITIES**

The Finance Committee has received a recommendation from the First National Bank of Chicago for changes in investments of University funds which involve the sale of certain common stocks. The Committee concurs in these recommendations and requests the Board to adopt the following resolution authorizing the sale of these stocks:

WHEREAS, the Board of Trustees of the University of Illinois is the owner of the following described common stocks:

35 shares Goodyear Tire and Rubber  
70 shares Standard Oil of California

35 shares Square D Company  
35 shares Standard Oil of Ohio  
35 shares Union Pacific  
117 shares CIT Financial Corporation  
111 shares Pacific Gas and Electric  
12 shares Standard Oil of New Jersey

and, the Finance Committee of said Board has determined that it is advantageous to sell the above listed securities,

*Now therefore be it resolved* by the Board of Trustees of the University of Illinois that these securities be sold and that H. O. Farber, Comptroller, and A. J. Janata, Secretary, be authorized to execute all documents necessary to complete such sale.

On motion of Mr. Swain, this resolution was adopted.

#### **BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY**

The Board considered the following recommendations and reports from the President of the University.

#### **APPOINTMENTS TO THE FACULTY**

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. HARLOW W. ANES, Professor of Electrical Engineering on one-half time and Professor of Physiology on one-half time, beginning September 1, 1957, at an annual salary of \$12,500 (A).
2. ZELMAN COWEN, George A. Miller Visiting Professor of Law, for the first semester, 1957-58, at a salary of \$8,000 (G).
3. HAROLD A. DECKER, Professor of Music, beginning September 1, 1957, at an annual salary of \$9,200 (A).
4. VINCENT J. DE FEO, Assistant Professor of Anatomy, beginning August 1, 1957, at an annual salary of \$7,000 (BY).
5. ANDREW V. GRANATO, Research Assistant Professor of Physics, beginning September 1, 1957, at an annual salary of \$7,000 (DY).
6. CHARLES H. GRIFFIN, Associate Professor of Accountancy, beginning September 1, 1957, at an annual salary of \$7,500 (B).
7. ROBERT P. LINK, Associate Dean of the College of Fine and Applied Arts and Associate Professor of Architecture, beginning September 1, 1957, at an annual salary of \$11,000 (DY; A).
8. PAUL PROEHL, Assistant Professor of Law, beginning September 1, 1957, at an annual salary of \$8,400 (D).
9. ALAN M. ROBERTSON, Clinical Assistant Professor of Psychiatry, beginning April 1, 1957, without salary (DY).

12. WILLIAM G. SLATE, Assistant Professor of Obstetrics and Gynecology, beginning July 1, 1957, at an annual salary of \$10,000 (DY).

#### **Appointments to Nonacademic Staff**

The Director of Nonacademic Personnel reports the following appointments to supervisory positions of upper level responsibility.

1. LOUETTA IRWIN, Placement Officer in the Office of Nonacademic Personnel, Chicago Professional Colleges, beginning February 15, 1957, at an annual salary of \$4,500.
2. JANE A. MIKKELSEN, Dietitian, Research and Educational Hospitals, beginning January 29, 1957, at an annual salary of \$4,200.

On motion of Mr. Bissell, these appointments were confirmed.

**APPOINTMENTS TO THE 1957 SUMMER SESSION STAFF**

(2) I submit recommendations for appointments to the faculty for the 1957 Summer Session. Appointments in the Summer Session budget provide for an eight-week term at Urbana-Champaign, June 17 through August 10, and at the Chicago Undergraduate Division, June 21 through August 17; and two six-week terms, July 1 through August 10 and August 12 through September 21, in the College of Pharmacy.

The salaries of members of the University faculty recommended for appointments to the Summer Session staff are computed on the basis of the authorized formula of two-ninths of the salary of the academic year for the eight-week summer session and proportionate amounts for other periods or part-time service.

The budget totals \$589,187 plus a reserve of \$9,002 for Urbana-Champaign, \$9,811 for the Chicago Professional Colleges, and \$94,266 plus a reserve of \$1,734 for the Chicago Undergraduate Division. Funds in these amounts will be included in the 1957-58 internal budget.

I recommend that the appointments to the Summer Session staff be approved as submitted, and the President of the University be authorized to accept resignations and make such changes, adjustments, and additional appointments as are necessary in accordance with the needs of the University within the estimated income.

On motion of Mr. Nickell, these appointments and the Summer Session budget were approved, and authority was given the President, as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson. Mrs. Holt and Mr. Hughes were absent at the time this item of business was presented, but joined the meeting later.

**SABBATICAL LEAVE OF ABSENCE FOR PROFESSOR MAX FISCH**

(3) I recommend that Professor Max Fisch, of the Department of Philosophy be given sabbatical leave of absence on one-half pay for the second semester of 1957-58 and the first semester of 1958-59 (March 1, 1958-February 28, 1959) for travel and lecturing abroad. He has been invited to be Visiting Professor of Philosophy at Keio University, Tokyo, Japan, during that period when it will be celebrating its centennial. The Committee on International Exchange of Persons of the Conference Board of Associated Research Councils has applied for a Fulbright grant to enable him to accept this assignment. He is a well-known scholar and Keio University has requested his services because of his eminence in American philosophy. This leave will involve no expense to the University.

On motion of Mr. Herrick, this leave was granted.

**AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES**

(4) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law.

I concur.

On motion of Mrs. Watkins, these certificates were awarded.

#### APPOINTMENT OF PROFESSOR GORDON RAY AS VICE-PRESIDENT AND PROVOST OF THE UNIVERSITY

(5) I recommend the appointment of Dr. Gordon Ray, now Professor and Head of the Department of English, as Professor of English on indefinite tenure and Vice-President and Provost of the University for two years beginning September 1, 1957, at a total salary of \$21,000, on a twelve-months' basis, with the understanding that this salary will be subject to adjustment upward when adjustments of other academic and administrative salaries are in order. I also request authorization to appoint Professor Ray on special administrative assignment for two months during the summer of 1957 so that he may work with Vice-President and Provost Larsen prior to taking over the latter's duties. This administrative appointment will be at the standard summer session rate.

In considering potential candidates for this appointment, I consulted the deans of the colleges, directors of the schools and institutes, other administrative officers, and representative members of the faculty.

On motion of Mr. Swain, this appointment was approved.

#### AWARD OF HONORARY DEGREE

(6) The University Senate recommends that the honorary degree of Doctor of Science be awarded in June, 1957, to Professor Roger Adams of the Department of Chemistry and Chemical Engineering, who will retire on September 1, 1957, after forty-one years of active service. He served as Head of the Department of Chemistry from 1926 until 1954 when he asked to be relieved of the headship. Since then he has been Research Professor of Organic Chemistry.

I submit the report of the Senate Committee on Honorary Degrees in support of its recommendation to the Senate and a copy is filed with the Secretary of the Board for record.

On motion of Mr. Herrick, authority to confer this degree was granted the President of the University.

#### ABOLITION OF DEGREE OF BACHELOR OF SCIENCE IN MEDICINE

(7) The University Senate recommends that the degree of Bachelor of Science in Medicine be abolished, effective with the class entering in the fall quarter of 1958. This proposal originated with the faculty of the College of Medicine and has been approved by the Vice-President in charge of the Chicago Professional Colleges. It applies only to the present Bachelor of Science in Medicine degree which is awarded routinely on completion of the second year in the College of Medicine. Only one other institution in the country still awards this degree as

a routine matter. The Colleges of Medicine and Liberal Arts and Sciences have a combined program leading to the Bachelor of Science degree if the student takes certain prescribed courses and this degree is available to students who do not wish to earn a degree before entering the College of Medicine.

I concur.

On motion of Mrs. Watkins, this recommendation was approved.

#### STUDENT FEES

(8) In considering the University's operating budget for 1957-59, the Governor and the Illinois Budgetary Commission have anticipated revenue from tuition in an amount which would require an increase in rate. An increase in the nonresident fee was previously approved by the Board.

The original budget request of the University was based on an estimated increase in income of \$1,873,250. This amount will come chiefly from the increased charge to out-of-state students and the increased number of in-state students. The present recommendation to increase tuition will add approximately \$800,000 to this figure, for a total increase of about \$2,600,000. The total University income in the state budget will therefore be approximately \$12,000,000.

At this point it should also be noted that the program for the construction of buildings to be financed through revenue from student fees will require an increase in charges to students of \$40 a year, beginning in the fall of 1959. The total increase in charges to students now programmed is therefore \$60 a year.

The University Budget Committee and the Committee on Fees and Scholarships recommend that effective in September, 1957, the resident tuition for full-time schedules be increased \$10 each semester at Urbana-Champaign and the Chicago Undergraduate Division; \$6 each quarter at the Chicago Professional Colleges; and that the resident tuition fee charged for partial schedules be increased in proportion.

I concur in this recommendation.

The Committee on Fees and Scholarships has prepared a complete schedule of all fees reflecting the changes in the fee structure authorized by the Board in recent years and the increases now being recommended, together with some minor adjustments for the sake of consistency and uniformity. I recommend adoption of the following schedule.

On motion of Mr. Bissell, these recommendations were approved.

A charge for laboratory materials is to be added wherever indicated.

**DEPARTMENT OF FINANCE IN THE COLLEGE OF  
COMMERCE AND BUSINESS ADMINISTRATION**

(9) The Dean of the College of Commerce and Business Administration recommends the establishment of a new Department of Finance within the College by the transfer of faculty and courses from the Department of Economics on the following basis:

1. The Department of Finance will include the courses and programs in business finance, investments, money and banking, insurance, and urban land economics and real estate.
2. The Head of the Department of Finance will be approved by the President upon recommendation of the Dean after the latter's consultation with the members of the faculty of the Department of Finance.
3. Courses transferred to the Department of Finance will carry the same course numbers they now have but will be labeled finance rather than economics.
4. The Bailey Chair of Banking and Finance will be included in the Department of Finance.
5. The particular courses to be transferred will be determined by normal procedures beginning with the advice of the Courses and Curricula Committee of the College.

This recommendation has been made after due consultation with the Executive Committee and the Courses and Curricula Committee of the College, with the Executive Committee of the Department of Economics, and with the Vice-President and Provost. In support of his recommendation, the Dean states that:

1. The proposal is educationally sound and administratively good.
2. The establishment of a Department of Finance will strengthen the work in the areas included in the new department.
3. The establishment of the new department will to some extent simplify the structure of the Department of Economics and contribute to better administration and better programming in that Department.
4. The establishment of the new department will make for better administration in the College and will strengthen the College by adding to the stature of the finance area.
5. The new organizational structure is consistent with accepted organization of many leading schools of business.

I concur in this recommendation. The new department will be set up in the budget for 1957-58.

On motion of Mr. Swain, this recommendation was approved.

**SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(10) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve as follows:

1. College of Agriculture, Department of Dairy Science, razing two silos and building two new silos on University dairy farm.....	\$ 5 000
2. College of Agriculture, water supply equipment and its installation at the Dixon Springs Experiment Station.....	13 840
3. School of Journalism and Communications, equipment for the Office of Broadcasting.....	7 400
4. College of Liberal Arts and Sciences, remodeling and equipment in the English Building.....	3 270
5. College of Liberal Arts and Sciences, improvements in laboratories in Natural History Building.....	8 650
6. Research and Educational Hospitals, installation of intercommunication system.....	10 380
<i>Total</i> .....	<u>\$48 540</u>

I concur.

On motion of Mr. Nickell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

**PURCHASE OF LAND**

(11) The University has been offered the property at 1005 West Green Street, Urbana, at a price of \$35,000 on these terms: \$10,000 to be paid upon possession, not later than July 15, 1957; \$10,000 to be paid between January 1 and 31, 1958; \$15,000 to be paid between January 1 and 31, 1959; interest at 4 per cent per annum to be paid on the unpaid balance; taxes for 1957 to be prorated as of the date of possession.

The property consists of a lot with a frontage of 95 feet on Green Street and 268 feet deep; a frame house, converted into three four-room apartments, two on the first floor and one on the second floor; and a small (four rooms and bath) house on the rear of the lot. The aggregate rental of these houses is \$350 a month. The property is in the area of future campus expansion and will be needed for student residence halls.

No payment is required until after July 1, 1957. The University has received three independent appraisals, ranging from \$37,825 to \$41,644, which indicate that the price is reasonable in terms of present property values.

This has previously been reported to the Committee on Buildings and Grounds which recommends the purchase of the property at the offered price of \$35,000.

I concur and recommend that the Comptroller and the Secretary of the Board execute the necessary documents.

On motion of Mr. Nickell, the purchase of this property on the terms indicated was authorized, and an appropriation of \$35,000 was made from the General Reserve Fund to provide for the payments as specified above. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

**CONDEMNATION OF PROPERTIES AT URBANA, ILLINOIS  
204 South Goodwin Avenue**

(12) The University now owns all of the property on the east side of the 200 block of Goodwin Avenue, except the property located at 204 South Goodwin in the city of Urbana, Illinois. This property is owned by Mrs. Leola C. Graham. It is approximately 60 feet wide and 110 feet in depth. The University needs this property as part of the site for the contemplated Physics Building. Negotiations have been conducted by the Physical Plant Department with Mrs. Graham and it appears that the amount of compensation to be paid for the property can not be agreed upon. Mrs. Graham and her advisers are unwilling to sell the property to the University except at a price which University officers deem excessive.

It is, therefore, obvious that it will be necessary for the University to resort to its right of eminent domain in order to acquire this property at a reasonable price.

Accordingly, the Vice-President and Comptroller, the Director of the Physical Plant, and the Legal Counsel recommend the adoption of the following resolution, and I concur.

*Resolution*

*It is hereby resolved, found and declared* by The Board of Trustees of the University of Illinois that the following described real estate situated in the City of Urbana in Champaign County, Illinois, to wit:

The South Sixty (60) feet of the North One Hundred Thirty-four (134) feet of the West One Hundred Twenty (120) feet of Lot Five (5), in W. M. Goodwin's Addition to the City of Urbana, except the West Ten (10) feet thereof.

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, as part of the site of a building needed and to be constructed by said University of Illinois for educational purposes and for further expansion of educational facilities of the University of Illinois and to enable the University to discharge its duty to the people of said state and for

public use; that funds are now available for the purchase of said land; that this Board of Trustees has negotiated with Leola C. Graham, the owner of said land, and with her duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but she has refused to sell and convey the land to The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which The Board of Trustees deems excessive and is, therefore, unwilling and has refused to pay; and

*It is further hereby resolved, found and declared* by said The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the said Leola C. Graham and she and it are unable to agree upon the purchase price to be paid her for the sale and conveyance by her thereof to said The Board of Trustees of the University of Illinois, and

*Therefore, it is further hereby resolved, found and declared* by The Board of Trustees of the University of Illinois that, because of the said need of said University for said land for the purposes herein set forth and because the compensation to be paid said Leola C. Graham as the owner thereof for such land can not be agreed upon between her and this Board of Trustees it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the said Leola C. Graham and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain, and

*It is further hereby resolved* by this Board of Trustees that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mrs. Watkins, the foregoing resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

#### 1012 West Green Street

The University now owns property adjacent to the property located at 1012 West Green Street in the city of Urbana, Illinois. The property at 1012 West Green Street is owned by Miss Margaret Nelson. It is approximately 76 feet in width and approximately 264 feet in depth. The University needs this property as part of the site for the contemplated student housing unit for single graduate students. Negotiations have been conducted by the Physical Plant Department with Miss Nelson and her attorneys and agents and it appears that the amount of compensation to be paid for the property can not be agreed upon. Miss Nelson and her attorneys and agents are unwilling to sell the property to the University except at a price which University officers deem excessive.

It is, therefore, obvious that it will be necessary for the University to resort to its right of eminent domain in order to acquire this property at a reasonable price.

Accordingly, the Vice-President and Comptroller, the Director of the Physical Plant, and the Legal Counsel recommend the adoption of the following resolution, and I concur.

*Resolution*

*It is hereby resolved, found and declared* by The Board of Trustees of the University of Illinois that the following described real estate situated in the City of Urbana in Champaign County, Illinois, to wit:

The West Half (W½) of Lot Eight (8) of W. M. Goodwin's Addition to the City of Urbana.

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, as part of the site of a building needed and to be constructed by said University of Illinois for educational purposes and for further expansion of educational facilities of the University of Illinois and to enable the University to discharge its duty to the people of said state and for public use; that funds are now available for the purchase of said land; that this Board of Trustees has negotiated with Miss Margaret Nelson, the owner of said land, and with her duly authorized representatives for the purchase of said land, at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but she has refused to sell and convey the land to The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which The Board of Trustees deems excessive and is, therefore, unwilling and has refused to pay; and

*It is further hereby resolved, found and declared* by said The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land can not be agreed upon between this Board of Trustees and the said Miss Margaret Nelson and she and it are unable to agree upon the purchase price to be paid her for the sale and conveyance by her thereof to said The Board of Trustees of the University of Illinois, and

*Therefore, it is further hereby resolved, found and declared* by The Board of Trustees of the University of Illinois that, because of the said need of said University for said land for the purposes herein set forth and because the compensation to be paid to said Miss Margaret Nelson as the owner thereof for such land cannot be agreed upon between her and this Board of Trustees it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the said Margaret Nelson and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain, and

*It is further hereby resolved* by this Board of Trustees that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mrs. Watkins, the foregoing resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

**1102 West Green Street**

The University now owns property adjacent to the property located at 1102 West Green Street in the city of Urbana, Illinois. The property at 1102 West Green Street is owned by Miss Florence Asman and Mrs. Ruby Hardesty. It is approximately 76 feet in width and approximately 264 feet in depth. The University needs this property as part of the site for the contemplated student housing

unit for single graduate students. Negotiations have been conducted by the Physical Plant Department with Miss Asman, Mrs. Hardesty, and their agents and representatives, and it appears that the amount of compensation to be paid for the property can not be agreed upon. Miss Asman, Mrs. Hardesty, and their agents and representatives are unwilling to sell the property to the University except at a price which University officers deem excessive.

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, as part of the site of a building needed and to be constructed by said University of Illinois for educational purposes and for further expansion of educational facilities of the University of Illinois and to enable the University to discharge its duty to the people of said state and for public use; that funds are now available for the purchase of said land; that this Board of Trustees has negotiated with Miss Florence Asman and Mrs. Ruby Hardesty, the owners of said land, and with their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but they have refused to sell and convey the land to The Board of Trustees of the University of Illinois for such price and continue to refuse to sell and convey the same to it except for a consideration and price which The Board of Trustees deems excessive and is, therefore, unwilling and has refused to pay; and

*It is further hereby resolved, found and declared* by said The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the said Miss Florence Asman and Mrs. Ruby Hardesty and they and it are unable to agree upon the purchase price to be paid them for the sale and conveyance by them thereof to said The Board of Trustees of the University of Illinois, and

*Therefore, it is further hereby resolved, found and declared* by The Board of Trustees of the University of Illinois that, because of the said need of said University for said land for the purposes herein set forth and because the compensation to be paid to said Florence Asman and Ruby Hardesty as the owners thereof for such land can not be agreed upon between them and this Board of Trustees it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the said Florence Asman and Ruby Hardesty and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

*It is further hereby resolved* by this Board of Trustees that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mrs. Watkins, the foregoing resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

#### 1106 West Illinois Street

The University now owns property adjacent to that located at 1106 West Illinois Street in the city of Urbana, Illinois. The latter is owned by John B. Mizelle and Jeanne R. Mizelle. The University needs the property at 1106 West Illinois Street as part of the site for one of its contemplated housing units. Negotiations have been conducted by the Physical Plant Department with the owners and their agent with the result that it appears that the amount of compensation to be paid the owners by the University for the property can not be agreed upon. The Mizelles and their agent are unwilling to sell the property to the University except at a price which University officers deem excessive.

It is, therefore, obvious that it will be necessary for the University to resort to its right of eminent domain in order to acquire this property at a reasonable price.

Accordingly, the Vice-President and Comptroller, the Director of the Physical Plant and the Legal Counsel recommend the adoption of the following resolution, and I concur:

#### Resolution

*It is hereby resolved, found and declared* by The Board of Trustees of the University of Illinois that the following described real estate situated in the City of Urbana in Champaign County, Illinois, to wit:

The South One Hundred Sixty-eight (168) feet of the East One-half (E½) of Lot Ten (10) in W. M. Goodwin's Addition to the City of Urbana, Illinois.

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, as part of the site of a building needed and to be constructed by said University of Illinois for educational purposes and for further expansion of educational facilities of the University of Illinois and to enable the University to discharge its duty to the people of said state and for public use; that funds are now available for the purchase of said land; that this Board of Trustees has negotiated with John B. Mizelle and Jeanne R. Mizelle, the owners of said land and with their duly authorized representative for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but they have refused to sell and convey the land to The Board of Trustees of the University of Illinois for such price and continue to refuse to sell and convey the same to it except for a consideration and price which The Board of Trustees deems excessive and is, therefore, unwilling and has refused to pay; and

*It is further hereby resolved, found and declared* by said The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the said John B. Mizelle and Jeanne R. Mizelle and they and it are unable to agree upon the purchase price to be paid them for the sale and conveyance by them thereof to said The Board of Trustees of the University of Illinois; and

*Therefore, it is further hereby resolved, found and declared* by The Board of Trustees of the University of Illinois that, because of the said need of said University for said land for the purposes herein set forth and because the compensation to be paid to said John B. Mizelle and Jeanne R. Mizelle as the owners thereof for such land can not be agreed upon between them and this Board of Trustees it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the said John B. Mizelle and Jeanne R. Mizelle and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

*It is further hereby resolved* by this Board of Trustees that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mrs. Watkins, the foregoing resolution was adopted by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

#### **EMPLOYMENT OF SPECIAL COUNSEL FOR CONDEMNATION PROCEEDINGS**

(13) Due to the large volume of work in the Legal Counsel's office at this time, it will not be feasible for him and his staff to devote all of the time required to the condemnation proceedings to acquire the property at 204 South Goodwin Avenue, 1012 West Green Street, 1102 West Green Street, and 1106 West Illinois Street, Urbana, Illinois, as sites needed for further University buildings.

Accordingly, it is requested that the Board of Trustees authorize employment of the law firm of Thomas, Mulliken, and Mamer, Champaign, Illinois, to institute and prosecute the proceedings for the acquisition by the University of these properties, subject to the supervision of the Legal Counsel. It is also requested that the Director of the Physical Plant and the Legal Counsel be authorized to employ appraisers and other real estate experts who in their judgment may be needed in these proceedings.

On motion of Mrs. Holt, authority was granted as requested above.

#### **CONTRACT FOR AIR CONDITIONING IN EAST DENTISTRY-MEDICINE-PHARMACY BUILDING**

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$186,988 to Reliable Sheet Metal Works, Inc., Chicago, the lowest bidder, for air conditioning in the East Dentistry-Medicine-Pharmacy Building at the Chicago Professional Colleges.

The work will consist of installation of air-conditioning equipment to serve the entire first floor of the building (with the exception of the Manufacturing Pharmacy area), the south half of the second, third, fourth, and fifth floors, and the northwest quarter of the second and third floors.

Funds are available in the state appropriation for 1955-57 for the East Dentistry-Medicine-Pharmacy Building Addition.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR REPLACEMENT OF AIR-CONDITIONING UNIT IN THE ANIMAL HOSPITAL AT THE CHICAGO PROFESSIONAL COLLEGES**

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$3,985 to Reliable Sheet Metal Works, Inc., Chicago, the lowest bidder, for replacement of the air-conditioning unit in Room 540 of the Animal Hospital at the Chicago Professional Colleges.

The work will consist of removal of a small, obsolete air-conditioning unit and installation of a new, larger system to serve Rooms 538 and 538B in addition to Room 540. These rooms must be maintained at controlled temperatures

to keep experimental animals (rats) in proper condition for experimentation. Funds are available in an appropriation made by the Board of Trustees on July 25, 1956.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Swain, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR REMODELING IN RESEARCH AND EDUCATIONAL HOSPITALS**

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$289,749 to Russell Mansfield, 1229 West Glenlake Avenue, Chicago 40, Illinois, for remodeling in the Research and Educational Hospitals, subject to conditions outlined below. The work will consist of alterations of the second floor, converting the area into general and specialized laboratories for the Hospitals, to centralize facilities which are now in various parts of the building and adding utilities for the converted area. The contract also covers necessary alterations in the equipment penthouse. The contract includes:

Base bid, this is all remodeling necessary to bring the general laboratories into one area.....	\$ 99 870
Alternate 2, to include hematology laboratory, add.....	14 372
Alternate 3, to include electrocardiogram laboratory, add.....	15 239
Alternate 4, to include blood bank and remodeling of penthouse.....	160 268
<b>Total.....</b>	<b>\$289 749</b>

Funds are available in the state appropriations for 1955-57 for capital improvements and in matching federal funds to pay for the work included in the base bid and in alternates two and three. Bid specifications provide that work is to proceed only on written authorization from the University; this authorization will be given for those provisions in the contract for which funds are available, such notification to be given no later than September 1, 1957. Any part of the work which has not been authorized in writing shall be deemed to have been cancelled, and the contract will be reduced thereby.

The work covered by alternate four is contingent upon availability of funds for remodeling in the state appropriations for 1957-59.

The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the contract under these conditions, and that the Contractor be authorized to proceed immediately with work covered by the base bid and alternates two and three.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mrs. Holt, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR CONSTRUCTION OF BUILDING FOR ELECTRICAL ENGINEERING RESEARCH**

(17) The Vice-President and Comptroller recommends award of a contract for \$43,958.00 to Ernest H. Grothe, Tolono, Illinois, for the construction of a thirty-two foot by thirty-two foot frame laboratory building including all electrical, plumbing, digging of well, sewage disposal system, roadway and parking area in Tolono Township (south half of northwest one-quarter of Section 17, Range 8), for the Radio Direction Finding Section of the Electrical Engineering Research Laboratory. This building is needed for a research project under a contract with the Office of Naval Research which has been authorized by the Board, and will be constructed on land leased by the University with an option to purchase.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Swain, this contract was awarded, and the Comp-

troller and Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

#### **ADDITION TO CONTRACT FOR ENGINEERING SERVICES ON UTILITIES DISTRIBUTION SYSTEMS**

(18) On April 25, 1956, the Board of Trustees approved the employment of Sargent and Lundy, Consulting Engineers, Chicago, for engineering services in designing and preparing specifications for utilities to the new residence halls.

The Director of the Physical Plant and the Vice-President and Comptroller recommend an addition to this contract to include services on the extension of utilities to the Central Food Stores Building, to be located near the Illinois Central Railroad tracks.

The estimated cost of these services is \$5,500 and funds are available in advances from Housing Division reserves.

I concur and recommend that the Comptroller be authorized to execute this addition to the contract.

On motion of Mrs. Holt, the Comptroller was authorized to execute this change in the contract.

#### **CHANGE IN CONTRACT WITH VIERLING STEEL WORKS FOR STRUCTURAL STEEL FOR ABBOTT POWER PLANT ADDITION**

(19) On November 23, 1955, the Board of Trustees awarded a contract to the Vierling Steel Works, Chicago, for furnishing, fabricating, and delivering all structural steel needed for the steel coal bunker for an addition to the Abbott Power Plant. The contract was based on the unit cost of the steel to be provided at an estimated total cost of \$66,518.

When bids were received for the superstructure work in June, 1956, it was found that the funds available are not adequate for the original plans, necessitating the redesign of the addition. Redesign of the superstructure required the Vierling Steel Works to revise shop details beyond the work contemplated in the original contract and to purchase certain quantities of steel at warehouse instead of mill prices. Some savings will result because of a reduction in the amount of steel to be purchased, and the changes require a net increase of \$3,013.78 in the original contract. The engineers for this project and the Physical Plant Department have carefully checked this revision and advise that the additional charge is reasonable.

The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$3,013.78 in the contract with Vierling Steel Works. Funds are available in the state appropriation for the addition to the Abbott Power Plant.

I concur and recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mr. Swain, the Comptroller was authorized to execute this change in the contract.

#### **VISIT OF THE GENERAL ASSEMBLY**

(20) The General Assembly of Illinois will make its biennial visit to the University of Illinois at Urbana-Champaign for the purpose of inspection on May 9 and 10. It is expected that the delegation will arrive on the campus late Thursday afternoon, May 9, and will leave Friday afternoon, May 10. The usual organization has been set up for the reception, hospitality, and inspection. It is hoped that as many members of the Board of Trustees as can do so will participate in the events of inspection and visit.

#### **UNIVERSITY OF ILLINOIS LEGISLATION**

(21) It is recommended that the Board of Trustees authorize the President and other University officials to secure the introduction in the Seventieth General Assembly of Illinois of bills for the following legislation, in accord with Board action, and to support their enactment:

- I. Appropriation bills
  - A. Biennial operating budget
  - B. Separate state appropriation for salaries of farm and home advisers and for increased state support of the Extension Service in Agriculture and Home Economics
  - C. Appropriation for Institution for Tuberculosis Research
  - D. Appropriation for buildings and other permanent improvements
  - E. Reappropriations of unexpended balances in building appropriations for 1955-57
- II. Amendments of laws authorizing the University to borrow funds to finance construction of residence halls and other self-liquidating or partially self-liquidating facilities:
  - A. To permit pooling of income from operations of these facilities for debt services
  - B. To make the present law explicitly applicable to proposed student services buildings
  - C. To provide for other desirable clarifications, including a specific statement that the maximum 5 per cent interest rate limitation applies to a bond issue as a whole
- III. Amendment of General Assembly Scholarship Law

Legislative reapportionment and the addition of new members have created numerous problems in the assignments of vacant scholarships, and clarifying legislation is indicated. The University should lend its support to any bills seeking to resolve these problems.
- IV. Legislation designating the University of Illinois as the official state agency to operate the Division of Services for Crippled Children

This will be necessary to formalize making the appropriation for the Division of Services for Crippled Children a part of the University's regular operating budget in order to avoid any questions as to the University's authority to receive federal funds to supplement state appropriations for these services.
- V. Legislation to continue the Stores and Services account

This may be in the form of authority to transfer the account from the state treasury to the University treasury. It would reduce the amount of University income which must be reserved to provide working capital and would facilitate handling of such transactions.
- VI. Amendments of act creating University Retirement System of Illinois

It is the responsibility of the Board of Trustees of the University Retirement System of Illinois to secure the enactment of this legislation, but the University should support these measures.

  - A. Survivorship benefit plan

Provided to make more adequate provisions for survivors of participants of the System
  - B. Increase in retirement annuities

To eliminate the present total maximum of \$4,500 and to increase the percentage maximum from 60 per cent to 70 per cent of final rate of earnings
  - C. Minor proposals

To correct inequities, simplify administration, and clarify the intent of the present act
- VII. Amendment of State Finance Act to remove the requirement that appropriations for salaries of farm and home advisers must be distributed equally among the counties

The present provision is an unnecessary complication since it does not apply to the federal and contributed funds used to pay part of the salaries of farm and home advisers. The Illinois Agricultural Association will sponsor this legislation.
- VIII. Legislation conferring upon the University police the same police powers as regularly constituted police officers, with authority to make arrests, to carry arms, and to perform other functions of peace and police officers while on duty and on or near University property

On motion of Mr. Swain, these recommendations were approved.

**SECURITIES RECEIVED FROM ESTATE OF LA VERNE NOYES**

(22) For many years the University has been a beneficiary of the estate of LaVerne Noyes (LaVerne Noyes of Chicago died July 24, 1919), receiving funds for scholarships. Under the terms of the will of LaVerne Noyes these scholarships covering tuition, in whole or in part, are available to deserving and needy students who are citizens of the United States and who were in the military service of the United States in the World War (World War I), or who are blood descendants of such veterans. The awards are made by the University.

In 1937 the University of Illinois was allocated, and the Board of Trustees accepted, a share (6.58 per cent) in the estate of LaVerne Noyes, which consisted of 2,660 shares of Aermotor Company stock held by trustees appointed under the will of Mr. Noyes, together with certain other assets.

The principal business of Aermotor Company is the manufacture and sale of windmills but in recent years it has undertaken to develop new products. The Company is also in the nature of an investment trust; large portions of its earnings over the years have been invested in stocks and bonds. On December 3, 1956, and January 15, 1957, the Board of Directors of the Aermotor Company declared a dividend in kind, of certain of the securities in its portfolio. The trustees of the LaVerne Noyes estate directed that such shares be made out in favor of the educational institutions participating in the trust estate, and the University of Illinois has received as its prorata share of the distribution the common stocks listed below which have a present market value of \$29,229.36. This has reduced the value of the Aermotor Company stock owned by the University, the decrease being offset by the value of the securities received; hence this transaction does not represent a new gift to the University.

The First National Bank of Chicago has indicated it will probably recommend retention of certain of these stocks and the sale of others. Its recommendations will be submitted to the Finance Committee for approval when received.

<i>Securities Received</i>	<i>Shares</i>	<i>Approximate Market Value</i>

This requires no action by the Board and is being presented as a matter of record.

This report was received for record.

**LA VERNE NOYES ESTATE TRUST AGREEMENT**

(23) LaVerne Noyes of Chicago, Illinois, died July 24, 1919, leaving his last will and testament, with two codicils thereto (hereinafter referred to as the "will"), which was admitted to probate by the Probate Court of Cook County, Illinois. Pursuant to the provisions of the will, forty-eight colleges and universities, including the University of Illinois, were duly selected and designated as the universities and colleges entitled to receive the income and principal of the trust estate under the will, subject to the prior payment of certain annuities, for the establishment and administration, in each university and college, of a LaVerne Noyes Foundation for the granting of scholarships. The participation of each college in the trust estate was represented by a fractional interest, the interest of the University of Illinois being 175/2660. The scholarships, covering tuition, in whole or in part, are available to deserving and needy students who are citizens of the United States and who were in the military service of the

United States in the World War (World War I), or who are blood descendants of such veterans.

The universities and colleges, the individuals then entitled to receive annuities under the will, and Lewis C. Walker, Joseph J. Fraser, and Frederick E. Smith, as the then acting trustees under the will, entered into an agreement as of the 31st day of December, 1937 (hereinafter referred to as the "agency agreement"), pursuant to which the following measures were duly taken:

A. Two thousand six hundred sixty (2,660) shares of the capital stock of Aermotor Corporation, an Illinois corporation (hereinafter referred to as the "Aermotor shares"), were duly distributed to the colleges in accordance with their respective fractional interests in the trust estate. These shares represent about 85 per cent of the total stock of Aermotor Corporation;

B. All of the assets of the trust estate remaining after the distribution of the Aermotor shares were set aside as a separate trust estate, to be administered by the trustees under the will in accordance with the provisions thereof, for the purpose of providing and paying the annuities established by the will; and

C. The Aermotor shares were deposited with such trustees, as agents of the colleges, to be held by them pending a distribution of the separate trust estate and subject to a lien to assure the payment of the annuities under the will;

Iva Giffen Gill, Gertrude J. Smith, and Herbert W. Giffen (hereinafter collectively referred to as "annuitants"), are now over seventy years of age and are the only persons now entitled and who may at any time hereafter be entitled to receive annuities under the will.

In order to effectuate the purpose and intent of the will and the agency agreement, provision should be made for the development and consummation of a program with respect to the retention and distribution or liquidation of the Aermotor shares and with respect to the future operation or disposition through sale, merger or other means of the business and assets of the Aermotor Corporation pursuant to proper corporate action.

It is proposed that the universities and colleges enter into an agreement appointing as administrative trustees the following individuals designated by the respective college set opposite his name:

William S. Kerr	Northwestern University
B. H. Platt	Iowa State College
Elwin T. Jolliffe	State University of Iowa
Herbert Farber	University of Illinois
Raymond J. Spaeth	Illinois Institute of Technology
	(successor to Lewis Institute)

Under this agreement, the administrative trustees would be vested with authority for developing and carrying out such a program. The trustees under the will would be directed to deliver and pay over to the administrative trustees the entire separate trust estate remaining after payment of, or provision for, all expenses and obligations of the trustees under the will, subject to the obtaining from the annuitants of instruments of discharge. The administrative trustees would be authorized to purchase from an insurance carrier annuity contracts providing for the payment of annuities, in the respective amounts provided in the will, to each of the annuitants. It is possible to provide such annuity contracts through an insurance company at a cost of only \$93,000 and thereby release the separate trust estate which consists of assets having a current value in excess of \$800,000.

All money and property received by the administrative trustees from the trustees out of the separate trust estate and out of the income and other assets held under the agency agreement, other than the Aermotor shares, and remaining after payment of the cost of the annuity contracts, reimbursement of any amounts paid to the trustees, and provision for administrative expenses, would be distributed ratably among the colleges in accordance with their respective fractional interests in the trust estate.

Under this agreement, the administrative trustees would develop and carry out an appropriate program for the retention, distribution, or liquidation of the Aermotor shares. The administrative trustees would be vested with wide discretion in the formulation and consummation of the program and could employ such means as in their discretion may be necessary or appropriate, including specifically but not exclusively (a) the retention, distribution, or sale of the

Aermotor shares in whole or in part, (b) the continued operation of Aermotor Corporation or its merger with or into any other corporation or corporations, and (c) the sale or liquidation of all or part of the business and assets of Aermotor Corporation.

The administrative trustees would receive no compensation for their services but would be entitled to be reimbursed for all costs and expenses incurred in the administration of the administrative trust estate and would be relieved for mistakes of law or of fact, or for errors in judgment in exercising the powers conferred upon them except for individual malfeasance.

The agreement would terminate on February 28, 1962, unless prior to that date a sale of, or full liquidating distribution on all Aermotor shares should occur, in which latter event, the agreement would terminate 120 days after the payment of the purchase price or receipt of the final liquidating distribution. Within at least thirty days prior to the termination of the agreement, the administrative trustees would make distribution ratably to the colleges, in accordance with their respective fractional interests in the trust estate, of all money and property remaining in the administrative trust estate after payment of all costs and expenses of the administrative trustees or provision therefor.

I recommend (a) that the proposed agreement, a copy of which is presented at this meeting, be approved and the President and the Secretary of the Board of Trustees be authorized to execute the same; and (b) that H. O. Farber be authorized to act as an administrative trustee in accordance with the terms thereof.

On motion of Mr. Herrick, these recommendations were approved.

#### PETITIONS FROM STUDENTS AND STAFF REGARDING ASSEMBLY HALL

(24) The Secretary of the Board has received petitions signed by a number of members of the faculty and students relating to the general form of the Assembly Hall and the facilities to be provided for therein. The text of the resolution is submitted herewith and a copy will be filed with the Secretary for record. The resolution was circulated for signature prior to the Board of Trustees meeting on March 12, but was received too late for presentation to the Board at that meeting. While the petitions were in circulation, *The Daily Illini* published an excellent statement by Professor Norman A. Parker, Chairman of the Building Program Committee, concerning the Assembly Hall project which has clarified most, if not all, of the questions in the minds of the petitioners. Nevertheless, their petition is submitted herewith together with a statement by Professor Parker.

On motion of Mr. Swain, this petition was referred to the President of the University.

#### PURCHASES Purchases Authorized

This report was received for record.

**ANNUAL REPORT OF THE TREASURER**

(27) In accordance with the By-Laws of the Board of Trustees, the Treasurer of the University has submitted a report of receipts and disbursements of University funds in his custody for the period March 1, 1956, through February 28, 1957, certified by the Comptroller. A copy of this report was sent to each member of the Board of Trustees prior to today's meeting, and a copy is filed with the Secretary of the Board.

This report was received for record.

**EXECUTIVE DEVELOPMENT PROGRAM IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION**

(28) The Dean of the College of Commerce and Business Administration has recommended that there be established within the organizational framework of the College an Executive Development Center to provide advanced professional and cultural training for promising business leaders. He requests authorization of an executive development program to be offered during the summer of 1957, on a trial basis, according to the following plan:

1. Instruction. A four-week program will be offered. No academic credit will be given for the work taken.
2. Financing. The program will be self-supporting. Each participant will be charged \$1,000 payable in advance, and this income will be used for salaries, honoraria, and all other expenses.
3. Housing and Food Service. The Housing Division will provide quarters in the Arbor Suites and food service will be provided in the Flagg House of the Men's Residence Halls. Standard rates will be charged for housing, meals, and other services.

A recommendation for the establishment of an Executive Development Center on a permanent basis will be submitted to the Board of Trustees at a later meeting. In the meantime, I recommend that the Board authorize the executive development program for the summer of 1957.

On motion of Mr. Swain, this program was authorized.

**APPROPRIATIONS BY ATHLETIC ASSOCIATION**

(29) The Board of Directors of the Athletic Association has made appropriations of \$2,500 for the Spring Football Coaches' Clinic, and \$4,400 for the purchase of a new bookkeeping machine.

Confirmation of these appropriations is recommended.

On motion of Mr. Nickell, the actions of the Board of Directors were confirmed.

**REQUEST FROM BOARD OF DIRECTORS OF APARTMENT OWNERS OF CHAMPAIGN COUNTY**

(30) The Secretary of the Board has received a letter from Mr. L. O. Hartman, Speculative and Contract Builder of Apartment Buildings, Champaign, Illinois, representing the Board of Directors of Apartment Owners Association of Champaign County stating: "We respectfully ask that you not approve the construction of any multiple family units on the campus in Urbana-Champaign until a re-appraisal of the rental situation is completed."

A copy of this communication is submitted herewith and a copy has been filed with the Secretary of the Board for record.

On motion of Mr. Bissell, this request was referred to the President of the University.

#### PHYSICAL EXAMINATIONS OF STUDENTS

(31) At the meeting of the Board of Trustees on March 12, 1957, there was presented a recommendation from the Health Services Advisory Committee for a change in the regulations governing the physical examinations given by the University's Health Service to students prior to their admission to the University. The Board deferred action on this change.

It will be recalled that in January, 1956, the Board authorized the Director of Health Services to delegate the performance of the pre-entrance examinations to other physicians so that these examinations may be performed either by the staff of the University Health Service or elsewhere, at the option of the student. This was put into effect in September, 1956. The change recently recommended by the Health Services Advisory Committee is to introduce a "cut-off" period of two weeks prior to registration week during which time incoming students would be required to have their physical examinations elsewhere than at the Health Service. At all other times they could have the examination at the Health Service.

The purpose of this "cut-off" period is to eliminate the mass physical examinations set up during Freshman Week, thus freeing the incoming student to devote his time to other Freshman Week activities such as taking various entrance tests, securing counseling, finding housing, and otherwise establishing himself for the beginning of the semester. This would also relieve a portion of the Health Services staff for pre-employment examinations of new faculty and nonacademic personnel, and would result in a financial saving in the money previously expended on the employment of extra, outside physicians and clerical staff to process the mass physical examinations.

On motion of Mrs. Watkins, the Board reaffirmed its action of January, 1956, without the introduction of the "cut-off" period prior to registration week as recently recommended, and without any other change except to extend the trial period to two years from September 1, 1956.

#### LOAN AGREEMENT ON MEN'S RESIDENCE HALLS

The Comptroller presented a copy of the loan agreement with the Housing and Home Finance Agency, Project Ill. 11-CH-44 (D), Contract H(402)-91, in which the federal government will loan \$3,000,000 to finance the construction of men's residence halls in the northwest parade grounds area. This loan agreement has been executed by the Comptroller and the Secretary in accordance with the authorization by the Board on January 16, 1957.

On motion of Mr. Swain, this action was confirmed by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

#### FESTIVAL OF CONTEMPORARY ARTS

Mrs. Watkins requested that the Secretary of the Board of Trustees be instructed to send to the Dean of the College of Fine and Applied Arts a letter congratulating him and his staff on the success of the 1957 Festival of Contemporary Arts, and expressing the appreciation of the Board.

**LEGISLATION RELATING TO CHICAGO UNDERGRADUATE DIVISION**  
President Livingston called attention to the following bills for legislation and a resolution relating to the Chicago Undergraduate Division introduced in the Seventieth General Assembly of Illinois:

Senate Bill 175 to amend a present law which authorizes the establishment and operation of a branch of the University of Illinois in Chicago by providing that the branch of the University in Chicago shall offer undergraduate curricula and award appropriate degrees which shall correspond as closely as possible to the undergraduate curricula and degrees available at the University at Urbana.

House Joint Resolution 25 creating "a committee consisting of 3 members of the House of Representatives appointed by the Speaker, and 3 members of the Senate appointed by the Committee of Committees: provided, no more than 2 members from each house shall be of the same political party. The committee shall confer with the Board of Trustees of the University of Illinois and any person or persons employed by said board in conducting research regarding the establishment of a permanent site for the Chicago Undergraduate Division of the University of Illinois for the purpose of determining the extent and the results and findings of any study conducted by the board or persons employed by the board; the problems which the board has already encountered and the problems to be incurred in relocating the Chicago Undergraduate Division; the requirements which any proposed site must meet in order to merit the board's approval and the criteria by which the board determines the desirability of any site; the sites which the board has found to be satisfactory as a permanent location for the Chicago Undergraduate Division, including the board's order of preference for such sites and reasons therefor; and the sites which the board has found to be undesirable and the reasons therefor. The committee shall report its findings and recommendations to this General Assembly as soon as possible, but not later than April 30, 1957."

House Bill 611 to authorize the Board of Trustees to acquire property for a permanent site for the Chicago Undergraduate Division in the city of Chicago and making appropriations of \$3,750,000 for this acquisition, and \$250,000 for educational, architectural, and engineering plans. This Bill would specifically authorize the acquisition of a site "in the City of Chicago" which presumably would require that any land acquired for this purpose would have to be within the city limits.

After discussion of these proposals, Mr. Bissell presented the following statement as representing the consensus of the Board with respect to Senate Bill 175:

The Board of Trustees of the University of Illinois has considered Senate Bill No. 175 of the Seventieth General Assembly.

According to the bill, "the trustees of the University of Illinois are directed to establish and operate a branch of the University in the City of Chicago, which shall provide for undergraduate curricula and award appropriate degrees which shall correspond as closely as possible to the undergraduate curricula and degrees available at the university proper at Urbana, Illinois."

The Board of Trustees is sympathetic with the objective of establishing a full branch of the University, located effectively to serve commuting students from the Chicago area, when the need for extension of the present program is fully established and when resources are provided by the General Assembly.

The Trustees believe the first task, however, is the provision of a permanent facility for the present two-year program, located at a site and built in a way to permit expansion. A recommendation to this end has been submitted to the Governor and the General Assembly. The Trustees believe, therefore, that the directive proposed in Senate Bill 175 for the Board now to present a program for a full-scale branch is unnecessary. The replacement of the Navy Pier facilities will require five or six years in planning and building, a period sufficient in which to decide appropriate next steps.

Further, the Trustees believe the present language of the bill is unwise in that it is unnecessarily restrictive as to site and would require a duplication of programs without regard to necessity, or to relationships with other institutions in Chicago and to the programs available at Champaign-Urbana. Such unplanned and

uncoordinated offerings could have a harmful effect upon existing institutions and lead to inefficient and unnecessarily expensive duplication.

The adoption of this amending bill would be contrary to the recommendations of the Commission on Higher Education whose report is before the General Assembly and out of keeping with the spirit of state-wide planning in higher education underlying the proposal of the Governor for a permanent study commission.

The Trustees believe the original act of the General Assembly in 1951, to which Senate Bill No. 175 is an amendment, is adequate for the Trustees to proceed toward the general objectives of planning a full branch of the University in the Chicago area. That measure directs the Trustees "to give consideration to the question of the need of the constantly increasing population of the Chicago metropolitan area for additional local facilities for full undergraduate education; and, whenever in their judgment it is both desirable and feasible to do so, they are authorized to establish and operate a branch of the University in the City of Chicago, which shall provide for undergraduate curricula and award appropriate degrees."

On motion of Mr. Bissell, this statement was unanimously adopted as expressing the official position of the Board of Trustees, and the Secretary was instructed to send it to the sponsors of Senate Bill 175.

At this point a delegation, representing the Parents' Association of the Chicago Undergraduate Division, asked to be heard. Mr. William Vihon, President of the Association, spoke for the delegation. He stated the action just taken by the Board was deplorable and that the Association has information there is no possibility that the University can secure legislation or funds for a site acquisition unless it is restricted to within the city limits of Chicago. He urged the Board of Trustees to compromise with city officials of Chicago and the General Assembly in the interests of an early decision on a permanent site for the Chicago Undergraduate Division.

Mr. Bissell responded on behalf of the Board. He stated that the Board has responsibility for long-range planning and that commitments made now must be in the best interests of the future development of the Chicago Undergraduate Division in the years to come. The Board can not compromise in the interest of expediency on a site which fifty years hence may prove to have been a poor choice. There are many factors and considerations involved, among them cost and timing. No available site within the city limits of Chicago will meet the criteria which the Board considers are fundamental and which will meet long range objectives. The Board has considered fifty-nine separate sites, within and outside of the city. No other site meets the purpose as well as would Miller Meadow. A skyscraper university would be tremendously expensive to build and expensive to operate. It would take many years to acquire a site through slum clearance because of the legal problems involved in securing titles to the land, the relocation of families, and finally land clearance. All of this would be very costly and would take years to accomplish, whereas on an open area building could be started as soon as the site and funds for construction are available. He assured the Parents' Association that the Trustees are just as anxious as anyone else to get started.

President Livingston stated that the Trustees would welcome hearings on legislation so that they will have an opportunity to present the University's case to the General Assembly of Illinois.

#### RETIREMENT

BAER, REINHOLD, Professor of Mathematics — retirement effective September 1, 1957.

#### MEMORIAL TO EARL ROY SERLES

Mrs. Watkins offered the following resolution and moved its adoption:

The Board of Trustees records with profound sorrow the death on March 13, 1957, of Dr. Earl Roy Serles, Professor of Pharmacy and Dean of the College of Pharmacy since July 1, 1940.

Dean Serles was born in Salem, South Dakota, on November 18, 1890. He received his academic and professional training at the South Dakota State College, where he graduated with the degrees of graduate in Pharmacy in 1911, Bachelor of Science in 1915, and Master of Science in 1917; and at the University of Minnesota where he received the degree of Doctor of Philosophy in 1934. In 1953 South Dakota State College conferred upon him the honorary degree of Doctor of Science.

Following his graduation he was in commercial work as a pharmacist for a short time, but most of his professional career since 1913 was devoted to teaching at his Alma Mater and at the University of Illinois. From 1923 until 1940 he was Dean of the Division of Pharmacy at South Dakota State College. On July 1, 1940, he came to the University of Illinois as Professor of Pharmacy and Dean of the College of Pharmacy. During the academic year 1953-54 he also

served as Chairman of the Executive Committee administering the Chicago Professional Colleges. During World War I he served in the Chemical Warfare Service and in the Medical Corps of the United States Army.

In 1917 he married Daphne Chapman, who survives him.

The Board of Trustees directs that this memorial be included in the minutes of today's meeting as an official public record, and that a copy be sent to Mrs. Serles as an expression of sympathy in the loss she has suffered and of the Board's appreciation of the services of a devoted professor and administrator.

Chicago, Illinois

April 18, 1957

This resolution was unanimously adopted.

#### MEETING OF BOARD COMMITTEES

The Secretary stated that he will file with the records of today's meeting minutes of the following meetings of Board Committees: General Policy, March 12, 1957; Buildings and Grounds, March 28, 1957; Non-academic Personnel, March 28, 1957.

#### MAY AND JUNE MEETINGS OF THE BOARD

The Secretary called attention to the decision of the Board of Trustees, made at a previous meeting, that the May meeting of the Board will be held in Urbana-Champaign on Tuesday, May 28, 1957.

On motion of Mrs. Watkins, the June meeting of the Board was scheduled for Thursday, June 20, 1957, to be held in Chicago, at an hour and place to be determined by the President and Secretary of the Board.

#### EXECUTIVE SESSION

An executive session was requested and ordered for the consideration of the following matter of business presented by the President of the University relating to the acquisition of properties.

#### EXECUTIVE COMMITTEE AUTHORIZED TO PURCHASE CERTAIN PROPERTIES

It is possible that prior, or even subsequent to the institution of the suits to condemn the properties at 204 South Goodwin Avenue, 1012 West Green Street, 1102 West Green Street, and 1106 West Illinois Street in Urbana, Illinois, the institution of which has been authorized by the Board of Trustees today, University officers may receive an offer from the owner or owners of one or more of said properties to sell the same to the University at a price which University officers may not consider unreasonable and may believe the University should pay for said property or properties in order to avoid the expense, inconvenience, and uncertainty of the outcome of a suit or suits to condemn the same. In the event any such offer is received, it is desirable that means be provided whereby University officers will be in a position to obtain authority to accept the same without being required to defer action thereon until a meeting of the Board of Trustees.

It is recommended, therefore, that the Executive Committee of the Board of Trustees be granted authority to authorize the acceptance of any offer or offers for the sale of any one or more of said properties to the University which may be received prior to a meeting of the Board, the acceptance of which may be recommended by the President of the University, and which the members of the Executive Committee may deem reasonable and which they may find it to be in the best interests of the University to accept in order to avoid the expense, inconvenience, and uncertainty of the outcome of a suit to condemn the property or properties as to which such offer or offers may be received.

I concur.

On motion of Mr. Bissell, this recommendation was approved by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr.

Hughes, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Johnston, Mr. Stratton, Mr. Williamson.

On motion of Mr. Bissell, the Board adjourned.

A. J. JANATA  
*Secretary*

PARK LIVINGSTON  
*President*

#### MEETING OF THE EXECUTIVE COMMITTEE

On call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, on Wednesday, April 17, 1957, beginning at 9:30 p.m.

The following members of the Committee were present: Mr. Park Livingston, Chairman, Mrs. Frances B. Watkins; Mr. Wayne A. Johnston was absent.

Also present were: Mr. Cushman B. Bissell, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Earl M. Hughes, Mr. Vernon L. Nickell, Mr. Timothy W. Swain, of the Board of Trustees; President David D. Henry, Vice-President and Provost Henning Larsen, Vice-President and Comptroller Herbert O. Farber, and Mr. A. J. Janata, Secretary of the Board.

The Committee considered the following matters of business presented by the President of the University.

#### RECOMMENDATION AND REPORT OF THE UNIVERSITY PATENT COMMITTEE

The University Patent Committee submits, with the concurrence of the Chairman of the University Research Board, the following recommendation relating to an invention by a member of the staff:

A linear cathode ray tube—Robert D. Rawcliffe, Research Assistant Professor, Control Systems Laboratory, and Donald L. Bitzer, Research Assistant, Control Systems Laboratory, inventors. This invention was developed in classified research for the United States Army, and information thereon can not be disclosed. The Patent Committee recommends release of this invention to the Federal Government because its non-military uses appear to be commercially unimportant.

I concur in this recommendation.

On motion of Mrs. Watkins, this recommendation was approved.

The following actions of the University Patent Committee relating to inventions by members of the staff are reported, with the concurrence of the Chairman of the Research Board, for record:

Synthesis of 2, 4-dichloro-5-fluorophenoxacetic acid—Glenn C. Finger, Chemist, State Geological Survey, inventor. This compound was synthesized by chemists of the State Geological Survey under a cooperative research contract between the Chemical Corps, the University, and the Survey. It now appears that it may have definite herbicidal properties, and the Patent Committee has requested the University of Illinois Foundation to investigate the commercial possibilities and report back to the Committee.

Method for cleaning gases with electrostatically charged particles—H. F. Johnstone, Research Professor of Chemical Engineering, College of Liberal Arts and Sciences and Engineering Experiment Station, inventor. This invention was conceived by Dr. Johnstone at a time when his work was supported in part by funds furnished the University by the Atomic Energy Commission. It appears that it may have definite commercial possibilities, and accordingly, the University is negotiating with the A.E.C. to determine in what manner patent applications may be made to serve the interests of the public, the University, and the government.

These reports were received for record.

**ADJUSTMENTS IN 1956-57 BUDGET AND  
SPECIAL APPROPRIATIONS****Appropriations for the President's Office**

Due to increased costs of operation, a supplementary appropriation is needed for the expense and equipment budgets of the President's Office. I request a nonrecurring appropriation of \$10,000 from the General Reserve Fund for this purpose for the balance of the current fiscal year ending June 30, 1957.

Members of the General Assembly of Illinois will be invited to make an official visit to the Urbana-Champaign campus on May 9 and 10, 1957, for the purpose of inspection and conferences with University officials. I request that an assignment of \$4,000 be made to the Public Functions Fund of the President's Office to cover the expense of this visitation.

**Appropriation for the Board of Trustees Office**

The Secretary of the Board requests a supplementary appropriation of \$2,000 for the expense and equipment budget of the Board of Trustees office. The major part of this additional appropriation is for the expenses of the work on the University of Illinois Statutes and the cost of printing the new edition.

**Architectural Services on University Club**

The Board of Trustees has authorized the employment of Atkins-Barrow and Associates, Champaign, as architects for the University Club building at the standard fee of 6 per cent of construction costs, but the firm has agreed to accept \$6,000 as payment for services until financing of the project has been completed. However, no assignment of funds has been made for these services.

I recommend that an appropriation of \$6,000 be made from the General Reserve Fund.

On motion of Mrs. Watkins, appropriations were made by the following vote: Aye, Mr. Livingston, Mrs. Watkins; no, none; absent, Mr. Johnston.

These acts of the Committee will be reported to the Board of Trustees at its meeting on April 18, 1957, and the report will be incorporated in the minutes of that meeting.

The Executive Committee adjourned.

**MEETING OF THE BOARD OF TRUSTEES**  
**OF THE**  
**UNIVERSITY OF ILLINOIS**

---

**May 28, 1957**

The May meeting of the Board of Trustees of the University of Illinois was held in the State Office Building, Springfield, Illinois, on Tuesday, May 28, 1957, beginning at 1:15 p.m. By vote of the Board, the meeting was originally scheduled to be held on May 28 in Urbana, Illinois, but pursuant to the authority vested in him in the By-Laws of the Board of Trustees, the President of the Board ordered a change in the place of the meeting from Urbana to Springfield because a hearing on the University's appropriations bills for 1957-59 by the House of Representatives Committee on Appropriations, Seventieth General Assembly of Illinois, had been scheduled for the same afternoon and both the hearing and the Board meeting required participation of several of the same University officials, including some of the Trustees.

The following members of the Board were present: Mr. Wirt Herick, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Cushman B. Bissell, Mr. Earl M. Hughes, Mr. Vernon L. Nickell, Governor William G. Stratton, and Mr. Kenney E. Williamson were absent.

Also present were President David D. Henry, Vice-President and Provost Henning Larsen, Dr. H. E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Director C. S. Havens of the Physical Plant Department, Mr. Ralph F. Lesemann, Legal Counsel, Mr. C. E. Flynn, Director of Public Information; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

**MINUTES APPROVED**

The Secretary presented the minutes of the meetings of February 14 and March 12, 1957, press proof copies of which had been sent to all members of the Board in advance.

On motion of Mr. Johnston, the minutes were approved as printed on pages 247 to 338, inclusive.

**BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY**

The Board considered the following reports and recommendations from the President of the University.

**APPOINTMENTS TO THE FACULTY**

(1) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. C. GREGORY BASSETT, Associate Professor of City Planning, in the Department of City Planning and Landscape Architecture, beginning September 1, 1957, at an annual salary of \$7,000 (A).
2. PAUL H. COY, Associate Professor of Architecture, beginning September 1, 1957, at an annual salary of \$8,000 (D).
3. WALTER H. FRANKE, Assistant Professor in the Institute of Labor and Industrial Relations, beginning July 1, 1957, at an annual salary of \$7,000 (DY).
4. JACK ISAKOFF, Visiting Professor of Political Science, for the first semester of 1957-58, at a salary of \$5,000 (G).
5. DAVID M. JACKSON, Principal of University High School and Assistant Professor of Education, beginning August 15, 1957, at an annual salary of \$9,000 (BY).
6. HENRY F. KAISER, Assistant Professor of Education, in the Bureau of Educational Research, beginning September 1, 1957, at an annual salary of \$7,000 (BY).
7. DAVID A. SAUER, Assistant Professor of Architecture, beginning September 1, 1957, at an annual salary of \$6,500 (B).

On motion of Mrs. Watkins, these appointments were confirmed.

**HEADSHIP OF THE DEPARTMENT OF ENGLISH**

(2) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Robert W. Rogers, now Professor of English and Executive Secretary of the Department of English, as Professor of English on indefinite tenure and Head of the Department beginning September 1, 1957. The salary of this position will be determined later when the budget for 1957-58 is prepared and submitted to the Board for approval. The appointment is to replace Professor Gordon N. Ray, presently Head of the Department, who will become Vice-President and Provost on September 1.

All members of the Department of English of professorial rank have been consulted in accordance with the provision in the University of Illinois Statutes governing the appointment of a head of a department. The Vice-President and Provost, the Dean of the Graduate College, and the Executive Committee of the College concur.

I recommend approval.

On motion of Mr. Herrick, this appointment was approved.

**HEADSHIP OF DIGITAL COMPUTER LABORATORY**

(3) Professor N. M. Newmark, Head of the Department of Civil Engineering, has also been serving as Chairman of the Digital Computer Laboratory. He has asked to be relieved of this assignment, effective September 1, 1957. Administratively, the Laboratory is under the Graduate College. The Dean recommends that the Laboratory be given the status of a department and that it be governed in its organization and administration by the provision in the University Statutes relating to a department. He also recommends that Dr. Ralph E. Meagher, Research Professor of Physics and Chief Engineer of the Digital Computer, be appointed Head

of the Laboratory effective September 1, 1957. The salary of this position will be determined when the budget for 1957-58 is submitted to the Board of Trustees for approval.

I recommend approval of these changes.

On motion of Mr. Swain, these recommendations and the appointment were approved.

#### **CHAIRMANSHIP OF DEPARTMENT OF POLITICAL SCIENCE**

(4) The term of Professor Francis G. Wilson as Chairman of the Department of Political Science will expire at the end of the current academic year and he has expressed a desire to withdraw from the chairmanship in order to devote his whole energies to teaching and research. After consultation with all members of the Department of professorial rank, the Dean of the College of Liberal Arts and Sciences recommends the appointment of Clyde Frank Snider as Chairman for two years beginning September 1, 1957, in addition to his appointment as Professor of Political Science on indefinite tenure.

The salary of this position will be determined later when the budget for 1957-58 is prepared and submitted to the Board for approval.

The Vice-President and Provost, the Dean of the Graduate College, and the Executive Committee of the College concur.

I recommend approval.

On motion of Mr. Johnston, this appointment was approved.

#### **RESIGNATION OF FREDRICK S. SIEBERT**

(5) It is with great regret that I report the resignation of Fredrick S. Siebert, Director of the School of Journalism and Communications, who has accepted a position at Michigan State University. His resignation will become effective at the end of the current academic year, but he has agreed to continue in service at the University of Illinois through the month of September, 1957, if necessary, in order to facilitate the change in administration of the School.

I request that the President of the University be authorized to accept this resignation and to determine the effective date.

On motion of Mrs. Watkins, this request was granted.

#### **SABBATICAL LEAVE OF ABSENCE FOR GOTTFRIED S. FRAENKEL**

(6) I recommend that Professor Gottfried S. Fraenkel be given sabbatical leave of absence on one-half pay for the second semester of the academic year 1957-58 (March 1 through August 31, 1958).

He plans to spend that period in research on silk worms at the University of Tokyo under a fellowship grant he has received from the National Science Foundation.

Professor Fraenkel was granted a sabbatical leave of absence on one-half pay for the second semester of the current academic year but at his request this leave was cancelled without prejudice. Hence, the present proposal is reinstatement of leave previously authorized.

On motion of Mr. Swain, this leave was granted.

#### **APPOINTMENTS TO THE UNIVERSITY OF ILLINOIS CITIZENS COMMITTEE**

(7) At its meeting on February 14, 1957, the Board of Trustees approved appointments and reappointments to the University of Illinois Citizens Committee. I now submit the following supplemental nominations for appointment to that Committee for a period of three years. These recommendations have previously been cleared with the Executive Committee of the Board of Trustees, and the persons recommended for appointment have agreed to serve.

WESLEY PHILIP WYRICK	Tulsa, Oklahoma	Oklahoma

I concur.

On motion of Mr. Johnston, these certificates were awarded.

#### ILLINI ACHIEVEMENT AWARDS

(g) The University of Illinois Alumni Association has established a program of alumni awards according to the following plan:

- I. An Achievement Award for the alumnus "who has attained outstanding success and distinction in his field of endeavor."
  - A. No more than five awards shall be made each year for the first three years, and a maximum of three awards annually thereafter.
  - B. The award shall be made at the June commencement exercises at Urbana-Champaign.
  - C. The President of the University shall present the award and the President of the Alumni Association shall read the citation.
  - D. A Hall of Fame shall be designated in a prominent and appropriate place on campus where a framed picture of each alumnus receiving this award, with suitable caption describing his achievement, will be displayed.
- II. A Loyalty Award for the alumnus "who has continued his active interest in and loyalty to the University."
  - A. Not more than one award shall be made annually by each Alumni Club.
  - B. The award shall be made at an appropriate dinner meeting with suitable ceremony.
  - C. The award shall be presented by the President of the University, the President of the Alumni Association, the Executive Director or Field Representative of the Alumni Association, or some other official of the University, or by the local Alumni Club President.
- III. Merit Award for an alumnus out of the University fifteen years or less "who has served the University faithfully and well."
  - A. Not more than one award shall be made annually by each Alumni Club.
  - B. The award shall be made at an appropriate dinner meeting with suitable ceremony.
  - C. The award shall be presented by the President of the University, the President of the Alumni Association, the Executive Director or Field Representative of the Alumni Association, or some other official of the University, or by the local Alumni Club President.
- IV. Outstanding Leadership Award to the top senior man and woman student.
  - A. The award shall be made each academic year.
  - B. The award shall be made at the Illini Union "100" Banquet.
  - C. The award shall be presented by the President of the University and the citation read by the President or the Executive Director of the Alumni Association.

The first of the achievement awards to be known as the "Alumni Achievement Award" will be made at the commencement exercises on June 15, 1957, to Clifford F. Hood, Class of 1915, President of the United States Steel Corporation; William E. Levis, Class of 1913, Retired Chairman of the Owen-Illinois Glass Company; Charles B. Shuman, Class of 1928, President of the American Farm Bureau Federation.

On motion of Mrs. Holt, this program was approved.

#### **MEN'S RESIDENCE HALLS REVENUE BONDS OF 1957**

(10) The Vice-President and Comptroller recommends the adoption of the following resolution, and I concur.

*Resolved*, that the Board of Trustees of the University of Illinois hereby ratifies all acts, conditions, and things done at the meetings of the Board of Trustees held on January 16, 1957, February 14, 1957, March 12, 1957, and at all other meetings during the period from January 1, 1956, up to the present date, and also ratifies all acts done and performed by the officials of said Board all in connection with the issuance of \$6,750,000 Men's Residence Halls Revenue Bonds of 1957 of the Board of Trustees of the University of Illinois dated April 1, 1957.

On motion of Mr. Swain, the foregoing resolution was adopted.

The Committee further recommends that assignments for Items 1-6, inclusive, be made from the funds available in 1956-57, and that assignments for Items 7-14, inclusive, be made from funds in 1957-58 if funds are not available in the 1956-57 General Reserve.

I concur.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hughes, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### **SUPPLEMENTAL APPROPRIATIONS**

(12) The amounts appropriated for wages, expense, and equipment in several departments for the year 1956-57 have proved inadequate. The Vice-President and

Provost and the Vice-President and Comptroller recommend that the following assignments from the General Reserve be made:

Research and Educational Hospitals.....	\$100 000
Chemistry and Chemical Engineering.....	25 000
Admissions and Records—Urbana-Champaign.....	15 560
Library—Urbana-Champaign .....	8 400

Commerce and Business Administration.....	7 000
<i>Total</i> .....	<i>\$167 335</i>

The assignments to the College of Commerce and Business Administration and the Department of Chemistry and Chemical Engineering have already been made and confirmation is requested.

I concur.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hughes, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### PURCHASE OF PROPERTIES AT URBANA, ILLINOIS 204 South Goodwin Avenue

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 204 South Goodwin Avenue, Urbana, owned by Mrs. Leola Graham. The property consists of a lot approximately sixty feet wide and one hundred ten feet deep, and a three-story frame house used as a student rooming house.

The land is needed as a part of the site for a new Physics Building, and the Board of Trustees on April 18, 1957, authorized the acquisition of the property through condemnation proceedings since at that time the owner was unwilling to sell except at a price which University officials could not recommend. The owner has now agreed to enter into a contract on these terms: a selling price of \$31,500 of which \$20,000 shall be payable on or before July 21, 1957, and the balance on the date of possession by the University; the seller to retain possession, rent free, until February 15, 1958; taxes to be prorated as of date of possession; and all repairs and maintenance prior to that date to be made by the seller.

Funds will be available in the state appropriation for 1957-59 for land acquisitions.

I recommend that the property be purchased at the price and on the terms indicated, and that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hughes, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### 1012 West Green Street

The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of property at 1012 West Green Street, Urbana, owned by Miss Margaret Nelson. The property consists of a lot seventy-six feet wide and two hundred sixty-four feet deep and a two-story frame building with asphalt shingle roof and a two-stall garage in the rear. The rooms are set up to provide several apartments.

The land is needed as part of a site for a student residence hall, and the Board of Trustees on April 18, 1957, authorized the acquisition of the property through condemnation proceedings, since at that time the owner was unwilling to sell except at a price which University officials could not recommend. The owner has now agreed to enter into a contract on these terms: a selling price of \$33,360, of which \$10,000 shall be paid on July 2, 1957, and the balance of \$23,360 without interest on January 2, 1958; and taxes to be prorated as of the date of possession, which shall be not later than December 31, 1957.

Funds will be available in the state appropriation for 1957-59 for land acquisitions.

I recommend that the property be purchased at the price and on the terms indicated and that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mr. Herrick, this recommendation was approved by the following vote: Aye, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hughes, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### **1106 West Illinois Street**

The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of property at 1106 West Illinois Street, Urbana, owned by John B. and Jeanne R. Mizelle. The property consists of a lot approximately seventy-five feet wide and one hundred sixty-eight feet deep and a two and one-half-story frame building with brick veneer exterior on the first story and wood shingle siding above the brick and an asphalt roof. For several years it was used as a student rooming house but has now been converted into single apartments.

The land is needed as part of a site for student residence halls, and the Board of Trustees on April 18, 1957, authorized the acquisition of the property through condemnation proceedings since at that time the owners were unwilling to sell except at a price which University officials could not recommend. The owners have now agreed to enter into a contract on these terms: a selling price of \$31,500, payment to be made upon approval of merchantable title; the sellers to retain possession, rent free, until September 1, 1958; and the sellers to pay all taxes, prorated to September 1, 1958, and all costs of repairs, maintenance, insurance, and expense of removing any tenants on or before September 1, 1958.

Funds will be available in the state appropriation for 1957-59 for land acquisitions.

I recommend that the property be purchased at the price and on the terms indicated and that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mr. Swain, this recommendation was approved by the following vote: Aye, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hughes, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### **1102 West Green Street**

The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 1102 West Green Street, Urbana, owned by Miss Florence Asman and Mrs. Ruby Hardesty. The property consists of a lot seventy-six feet wide and two hundred sixty-four feet deep and a three-story frame building, recently remodeled, plus a barn in the rear. The house is presently used as a student rooming house.

The land is needed as part of a site for a residence hall for graduate students, and the Board of Trustees on April 18, 1957, authorized the acquisition of the property through condemnation proceedings since at that time the owners were not willing to sell except at a price which University officials could not recommend. The owners have now agreed to enter into a contract on these terms: a selling price of \$39,000 to be paid to the owners on or before July 20, 1957, upon delivery to the Board of Trustees of the University of Illinois of a general warranty deed of conveyance assuring the University of a fee simple title to the real estate; the 1956 general taxes due and payable in 1957 to be paid in full by the owners, and the 1957 taxes payable in 1958 to be prorated as of the date of delivery of deed; any special assessments against the property as of date of delivery to be paid by owners; the owners to have the right to remove from the premises certain stipulated contents of the house.

Funds will be available in the state appropriation for 1957-59 for land acquisitions.

I recommend that the property be purchased at the price and on the terms indicated, and that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mrs. Holt, this recommendation was approved by the following vote: Aye, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hughes, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### EASEMENT TO ILLINOIS POWER COMPANY

(14) The Illinois Power Company is purchasing approximately sixteen acres of land immediately south of St. Mary's Cemetery between First Street extended and the Illinois Central Railroad south of Champaign for the relocation of its border station and installation of a propane blending plant and tank field. There is no access by roadway from this area to St. Mary's Road or to First Street except a cindered farm lane on the west side of the University property extending southward from St. Mary's Road for a quarter of a mile which is used for access to the Physical Plant nursery located adjacent thereto. The Illinois Power Company has requested an easement for the joint use of this lane, in consideration for which the Company will construct and maintain an all-weather roadway.

The Director of the Physical Plant, the Dean of the College of Agriculture, and the Vice-President and Comptroller recommend granting of an easement, and I concur. The following resolution is presented to authorize an instrument of conveyance.

*Be it, and it is hereby, resolved* by the Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of the Board of Trustees be, and they hereby are, upon the approval of the Legal Counsel, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation, such instrument of conveyance, contract, or other document or documents, as to them may seem necessary or desirable, in order to effectuate a conveyance to Illinois Power Company of a right of way easement over and upon, and with the right to construct and maintain a roadway thereon, traverse, travel upon, cross, and use for usual road purposes, a strip of land not more than 12 feet wide, with an overall width of 18 feet to provide for drainage, extending from St. Mary's road south approximately  $\frac{1}{4}$  mile along a line between the SW  $\frac{1}{4}$  of the NE  $\frac{1}{4}$  of Section 24 and the SE  $\frac{1}{4}$  of the NE  $\frac{1}{4}$  of Section 24, all in T 19 N, R 8 E of the 3rd P.M., Champaign County, Illinois, on the site of the existing cindered farm lane, the exact location to be set forth in the instrument of conveyance herein authorized to be entered into, said right of way easement to be non-exclusive, and said Illinois Power Company to agree to construct and maintain thereon, in a manner acceptable to duly authorized representatives of this public corporation, an all-weather roadway 12 feet wide, with an overall width of 18 feet to provide for drainage, at the sole expense of said Illinois Power Company, and to agree to indemnify this public corporation against any loss or damages arising out of liability for personal injury, including death, or property damage, to any persons whomsoever, caused by or attributable to the construction, maintenance and/or use of said roadway by said Illinois Power Company. The easement grant shall provide for a right of way easement for an original term of ten years and shall contain a provision authorizing renewal for an additional term of ten years providing that the University determines at the end of the first ten year term or within ninety calendar days prior thereto that such use for a second term of ten years will not interfere with University plans for development and use of University property.

I concur.

On motion of Mr. Herrick, the foregoing resolution was adopted by the following vote: Aye, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Hughes, Mr. Nickell, Mr. Stratton, Mr. Williamson.

#### ADDITION TO CONTRACT FOR ELECTRICAL WORK ON THE ABBOTT POWER PLANT ADDITION

(15) On April 25, 1956, the Board of Trustees awarded a contract for \$114,749 to the Northern States Company, Inc., for electrical equipment for the Abbott Power Plant Addition. The extension of conduit, fittings and cable for lighting control and for power purposes on the coal handling conveyor system was inaccurately shown on the bid drawings, and time did not permit a thorough check of them

prior to receipt of bids. The contractor has filed a claim for payment for additional work amounting to \$4,175.99. Sargent and Lundy, Consulting Engineers, and the Physical Plant have examined the claim and, on the basis of unit cost submitted, found that the contract should be increased \$3,517.34 for the additional work required. The Director of the Physical Plant and the Vice-President and Comptroller recommend an addition of \$3,517.34 to the contract.

I concur and recommend that the Comptroller be authorized to execute the contract change order.

On motion of Mrs. Watkins, the Comptroller was authorized to execute this addition to the contract.

#### ADDITIONS TO CONTRACTS FOR CONSTRUCTION OF NEW BUILDINGS

(16) The Executive Committee reports that upon recommendation of the Director of the Physical Plant Department, the Vice-President and Comptroller, and the President of the University, it has authorized the following changes in contracts for construction of new buildings:

Men's Residence Halls — General contract, Felmley-Dickerson Company, Urbana.

An increase of \$5,873.80 for changing from ordinary foundation footings to pile footings. This change is recommended by the architects after experience with the excavation work indicated the need for such foundation construction. The original soil test borings did not reveal the conditions encountered. The alternative would be to lower the footings at a greatly increased cost.

Biology Building — Plumbing contract, Bellis & Miller, Inc., Champaign. An increase of \$12,000 to provide for additional drainage required by ground water conditions.

Confirmation of this action is requested.

On motion of Mr. Swain, the action of the Executive Committee was confirmed.

#### HOUSING SURVEY

(17) Questions have been raised by apartment owners in Urbana-Champaign concerning the University's program for the construction of housing for married students and the need for same. The University has previously announced that it will reappraise its housing program from time to time, and that as the local situation changes the University will adjust its program for the construction of housing facilities accordingly. In view of these questions and their public discussion, it is desirable that a survey be made to determine whether the University's program for the construction of family housing for married students should be revised. The University's data and those of private apartment owners are not in agreement and hence it is desirable to have a survey made by an outside agency.

A recommendation for such a survey by the Real Estate Research Corporation of Chicago, at an estimated cost of between \$4,500 and \$5,200, was submitted to the Executive Committee of the Board of Trustees. Funds are available in the Housing Division reserves to pay the cost of this survey.

The Executive Committee authorized the survey and reports its action for record.

On motion of Mrs. Holt, the action of the Executive Committee was confirmed.

**QUARTERLY REPORT OF THE COMPTROLLER**

(20) The Comptroller presents his quarterly report to the Board as of March 31, 1957.

This report was received for record and a copy has been filed with the Secretary of the Board.

**CONTRACT FOR CONSTRUCTION OF BUILDING FOR ELECTRICAL ENGINEERING RESEARCH**

(21) The Vice-President and Comptroller recommends award of a contract for \$35,744 to Ernest H. Grothe, Tolono, Illinois, for the construction of a large aperture Radio Direction Finding Field Station consisting of a frame laboratory building thirty-two feet by thirty-two feet and including all electrical work, plumbing, heating, and air conditioning installations, and construction of road and parking area. This station is to be located on the SE  $\frac{1}{4}$  of the NW  $\frac{1}{4}$  of Section 2 and a strip of land sixteen and one-half feet wide along the south edge of N  $\frac{1}{2}$  of the NE  $\frac{1}{4}$  of Section 2 in Township 18, Champaign County, for the use of the radio direction finding section of the Department of Electrical Engineering in its research under a contract with the Bureau of Ships, United States Navy, authorized by the Board of Trustees, and will be constructed on land leased by the University with an option to purchase.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Johnston, this contract was awarded and the Comptroller and the Secretary of the Board were authorized to execute the same.

**CHANGES IN SABBATICAL LEAVES OF ABSENCE**

(22) The following requested changes in sabbatical leaves of absence for 1957-58 have been approved:

DAVID G. BOURGIN, Professor of Mathematics, first semester without pay and second semester with full pay instead of first semester with full pay and second semester without pay as previously approved by the Board.

<sup>1</sup> Deduct.

BRUCE HARKNESS, Assistant Professor of English, full year on one-half pay instead of one-half year on full pay, as previously authorized by the Board. Professor Harkness has been granted a Guggenheim fellowship which will enable him to devote a full year to the research program for which he requested leave.

On their request, the sabbatical leaves granted the following members of the staff have been cancelled, without prejudice:

DONALD M. HENDERSON, Assistant Professor of Geology

WILLIAM M. MERRILL, Associate Professor of Geology

LAWRENCE E. METCALF, Associate Professor of Education

Confirmation of these actions is requested.

On motion of Mr. Swain, these changes were approved.

#### **CONTRACT FOR ALTERATIONS IN THE DENTISTRY-MEDICINE-PHARMACY BUILDING**

(23) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$11,987 to the Mutual Contracting Company, Chicago, the lowest bidder, for alterations in the Dentistry-Medicine-Pharmacy Building for the Department of Medicine's Allergy Unit. The work will consist of remodeling three rooms, including changes in partitions, improvements in lighting, and installation of new laboratory furniture and the necessary utility services. This is part of the "matching funds" program for development of health research facilities for which federal funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **INSTALLATION OF NEW LABORATORY FURNITURE AT THE CHICAGO PROFESSIONAL COLLEGES**

(24) The Director of the Physical Plant, the Business Manager of the Chicago Professional Colleges, and the Vice-President and Comptroller recommend award of a contract for \$30,422.50 to the Metalab Equipment Corporation, Division of Norbute Corporation, Hicksville, New York, the lowest bidder, for the manufacture and installation of laboratory furniture at the Chicago Professional Colleges.

The work will consist of fabricating and installing forty-five pieces of laboratory furniture, including laboratory sinks, benches, drying racks, and other accessories for departments in the Colleges of Medicine and Dentistry.

Funds are available in the Revenue Bond Fund Construction Account, federal grants, and in funds previously made available by the Board of Trustees for remodeling at the Chicago Professional Colleges.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **REQUEST FROM APARTMENT OWNERS ASSOCIATION OF CHAMPAIGN COUNTY**

The President of the Board of Trustees has received a request from Mr. L. O. Hartman, 602 Haines Boulevard, Champaign, Illinois, President of the Apartment Owners Association of Champaign County, that the Board of Directors of this organization be given a hearing by the Board of Trustees on questions which have been raised concerning the University's program for the construction of housing facilities for married students.

On motion of Mr. Swain, this request was referred to the Committee on Buildings and Grounds.

### SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations and declinations; (4) leaves of absence.

#### APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

- VISOFSKY, HAROLD, Instructor in Psychiatry (Medicine), 9/10 time, four months from March 1, 1957, \$5040 a year, supersedes (5-3-57).
- VOORHEES, LILLIAN W., Visiting Lecturer in Speech and in University and Summer Youth Program, Summer Session of 1957, June 17-August 10, 1957, \$1500 for the period (5-10-57).

- WILHELM, MAX, Research Associate in Chemistry, four months from March 1, 1957, \$416.67 a month (4-30-57).  
 WOLOSIN, ARTHUR A., Assistant in Psychiatry (Medicine), three months from April 1, 1957, without salary (4-16-57).  
 WORRELL, F. T., Visiting Lecturer in Physics, Summer Session of 1957, June 17-August 10, 1957, \$1600 for the period (5-10-57).  
 YARBOROUGH, KEITH A., Instructor in Civil Engineering (C), academic year beginning September 1, 1957, \$5500 (4-16-57).  
 YUND, RICHARD A., Assistant in Geology, Summer Session of 1957, June 17-August 10, 1957, \$667 for the period (5-10-57).

#### GRADUATE FELLOWS

(The following appointments were made by the Dean of the Graduate College on the date indicated in parentheses.)

- ABOWITZ, GERALD, Union Carbide and Carbon Corporation Fellow in Mining and Metallurgical Engineering, nine months from September 16, 1957, \$2100 (4-5-57).  
 ALEXANDER, CHARLES S., Fellow in Geography, three months from June 16, 1957, \$900 (5-6-57).  
 ALBRIGHT, JAY D., Fellow in Chemistry, two months from June 16, 1957, \$300 (4-26-57).  
 AVERY, CLARENCE G., Fellow in Accountancy, two months from June 16, 1957, \$300 (4-26-57).  
 BABCOCK, LESLIE D., Fellow in Business Education, two months from June 16, 1957, \$300 (4-26-57).  
 BADER, KARL, JR., Fellow in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).  
 BADER, ROBERT S., Fellow in Zoology, three months from June 16, 1957, \$900 (5-6-57).  
 BAKKER, GERALD R., Fellow in Chemistry, two months from June 16, 1957, \$300 (4-26-57).  
 BARTLE, ROBERT G., Fellow in Mathematics, three months from June 16, 1957, \$900 (5-6-57).  
 BAUMAN, STEVEN, Fellow in Mathematics, two months from June 16, 1957, \$300 (4-26-57).  
 BELFORD, GENEVA, Fellow in Mathematics, two months from June 16, 1957, \$300 (4-26-57).  
 BENNEWITZ, WILLIAM C., Fellow in Mathematics, two months from June 16, 1957, \$300 (4-26-57).  
 BETTINGHAUS, ERWIN P., JR., Fellow in Speech, two months from June 16, 1957, \$300 (4-26-57).  
 BOWLIN, OSWALD D., Fellow in Economics, two months from June 16, 1957, \$300 (5-2-57).  
 BRADFORD, JOHN W., Fellow in Mathematics, nine months from September 16, 1957, \$3050 (5-2-57).  
 BRAFFORD, WILLIAM C., Fellow in Law, nine months from September 16, 1957, \$1800 (4-11-57).  
 BRATSCHUN, WILLIAM R., General Electric Company Fellow in Ceramic Engineering, nine months from September 16, 1957, \$2500 (4-12-57).  
 BRETT, JAMES H., Allegheny Ludlum Steel Corporation Fellow in Physics, nine months from September 16, 1957, \$2600 (4-16-57).  
 BRENNAN, NEIL F., Fellow in English, two months from June 16, 1957, \$300 (4-26-57).  
 BRIGGS, C. W., Fellow in Art, three months from June 16, 1957, \$900 (5-6-57).  
 BROSEMER, RONALD W., Fellow in Chemistry, two months from June 16, 1957, \$300 (4-26-57).  
 BROWN, THOMAS H., Fellow in French, two months from June 16, 1957, \$300 (4-26-57).  
 CHERNOV, HARVEY, Fellow in the Chicago Professional Colleges, one year from September 1, 1957, \$1500 (4-12-57).  
 CLOSE, RUSSELL I., Fellow in Physiology, two months from June 16, 1957, \$300 (4-26-57).

- COTTRELL, FERN, National Science Research Fellow (Trainee) in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).
- CROPP, FREDERICK W., Fellow in Geology, two months from June 16, 1957, \$300 (4-26-57).
- CRUSINBERRY, CHARLES, National Science Research Fellow (Trainee) in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).
- DAVIS, JOSEPH, Fellow in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-12-57).
- DEMARIS, E. J., Fellow in Accountancy, three months from June 16, 1957, \$900 (5-6-57).
- DEMOVSKY, RONALD, National Science Research Fellow (Trainee) in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).
- DE WIT, ROLAND, Gulf Research and Development Company Fellow in Physics, nine months from September 16, 1957, \$2000 (4-17-57).
- DILLMAN, L. THOMAS, General Electric Company Fellow in Physics, nine months from September 16, 1957, \$2500 (4-11-57).
- DU BOIS, MARGARET W., Fellow in the Chicago Professional Colleges, one year from September 1, 1957, \$1500 (4-12-57).
- DUKORE, BERNARD F., Fellow in Speech, two months from June 16, 1957, \$300 (4-26-57).
- DULANY, DON E., Fellow in Psychology, three months from June 16, 1957, \$900 (5-6-57).
- ELLISTON, STEPHEN, Fellow in English, two months from June 16, 1957, \$300 (4-26-57).
- ENKE, CHRISTIE G., Fellow in Chemistry, two months from June 16, 1957, \$300 (4-26-57).
- EPSTEIN, ROBERT, National Science Research Fellow (Trainee) in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).
- FOWLER, NOLAN, Katharine L. Sharp Fellow in Library Science, nine months from September 16, 1957, \$600 (5-7-57).
- FREDRICKSON, L. THOMAS, Fellow in Music, three months from June 16, 1957, \$900 (5-6-57).
- GABEL, NORMAN, Fellow in the Chicago Professional Colleges, one year from September 1, 1957, \$1800 (4-12-57).
- GALINSKY, ALVIN, Fellow in the Chicago Professional Colleges, one year from July 1, 1957, \$1800 (4-12-57).
- GIENAPP, NORMAN F., Fellow in the Classics, two months from June 16, 1957, \$300 (4-26-57).
- GLASSMAN, SIDNEY F., Fellow in Biological Sciences, three months from June 16, 1957, \$900 (5-6-57).
- GLENN, JOHN L., Fellow in French, two months from June 16, 1957, \$300 (4-26-57).
- GOUTOR, JACQUES R., Fellow in History, two months from June 16, 1957, \$300 (4-26-57).
- GRISSOM, LOREN V., Fellow in Education, two months from June 16, 1957, \$300 (4-26-57).
- GUSFIELD, JOSEPH R., Fellow in Sociology, three months from June 16, 1957, \$900 (5-6-57).
- HARRIS, HENRY S., Western Division of the American Philosophical Association Postdoctoral Fellow in Philosophy, one year from September 1, 1957, \$3666; this is in addition to his appointment as Assistant Professor of Philosophy (4-10-57).
- HEYWOOD, ROBERT W., Fellow in History, two months from June 16, 1957, \$300 (4-26-57).
- HICKMAN, RICHARD B., Fellow in Mathematics, two months from June 16, 1957, \$300 (4-26-57).
- JACKSON, B. M., Fellow in Art, three months from June 16, 1957, \$900 (5-6-57).
- JAHEL, EDWIN, Fellow in French, three months from June 16, 1957, \$900 (5-6-57).
- JEFFERSON, LOUISE M., Fellow in French, two months from June 16, 1957, \$300 (4-26-57).
- JOHNSON, ELWIN L., Owens-Corning Fiberglas Corporation Fellow in Ceramic Engineering, nine months from September 16, 1957, \$1440 (5-13-57).

- JOHNSON, GORDON L., Fellow in Chemistry, two months from June 16, 1957, \$300 (4-26-57).
- KARPLUS, MARTIN, Fellow in Chemistry, three months from June 16, 1957, \$900 (5-6-57).
- KAYNAR, OYA, Fellow in Speech, two months from June 16, 1957, \$300 (4-26-57).
- KERTESZ, DENIS J., Fellow in the Chicago Professional Colleges, one year from September 1, 1957, \$1500 (4-12-57).
- KESSEL, DAVID J., Lead Industries Association Fellow in Ceramic Engineering, nine months from September 16, 1957, \$2140 (5-13-57).
- KHARE, RADHIKA C., Postdoctoral Fellow in Astronomy, nine months from September 16, 1957, \$3,000 (4-10-57).
- KUO, BENJAMIN C. I., Fellow in Electrical Engineering, two months from June 16, 1957, \$300 (4-26-57); General Electric Company Fellow in Electrical Engineering, nine months from September 16, 1957, \$2100 (4-12-57).
- KURFMAN, DANA G., Fellow in Education, two months from June 16, 1957, \$300 (4-26-57).
- LAMBERT, ROY E., Fellow in English, two months from June 16, 1957, \$300 (4-26-57).
- LANE, RICHARD L., Edward Orton, Jr. Ceramic Foundation Fellow in Ceramic Engineering, nine months from September 16, 1957, \$1170 (5-13-57).
- LARSON, CARL S., Fellow in Mechanical Engineering, two months from June 16, 1957, \$300 (4-26-57).
- LAURANCE, NEAL L., Corning Glass Works Foundation Fellow in Physics, nine months from September 16, 1957, \$2000 (5-9-57).
- LEEDOM, JOHN, Fellow in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-12-57).
- LINDBLAD, WILLIAM E., Fellow in English, two months from June 16, 1957, \$300 (4-26-57).
- LORDI, ROBERT J., Fellow in English, two months from June 16, 1957, \$300 (4-26-57).
- LOWE, WILLIAM T., Fellow in Education, two months from June 16, 1957, \$300 (4-26-57).
- LUTHAR, INDAR S., Postdoctoral Fellow in Mathematics, nine months from September 16, 1957, \$3000 (4-10-57).
- LYNCH, DAVID W., Union Carbide and Carbon Corporation Fellow in Physics, nine months from September 16, 1957, \$2100 (4-17-57).
- MARASSO, FRED, National Science Research Fellow (Trainee) in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).
- MARTIN, BRUCE, Fellow in the Chicago Professional Colleges, one year from July 1, 1957, \$1500 (4-12-57).
- MIEHER, ROBERT L., Texas Instruments, Inc. Fellow in Physics, nine months from September 16, 1957, \$2000 (4-17-57).
- MILES, FREDERICK D., Fellow in Architecture, three months from June 16, 1957, \$900 (5-6-57).
- MILLS, JOHN, Fellow in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-12-57).
- MITTLER, THOMAS E., Postdoctoral Fellow in Entomology, nine months from September 16, 1957, \$3000 (4-10-57).
- MUSS, ROLF E., Fellow in Education, two months from June 16, 1957, \$300 (4-26-57).
- NEHLS, EDWARD, Fellow in English, three months from June 16, 1957, \$900 (5-6-57).
- NICKERSON, WARREN, National Science Research Fellow (Trainee) in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).
- NYKIEL, FLORIAN, National Science Research Fellow (Trainee) in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (4-24-57).
- OLSON, JAMES L., Fellow in Education, two months from June 16, 1957, \$300 (4-26-57).
- OTTER, FREDERICK A., JR., United States Steel Foundation, Inc. Fellow in Physics, nine months from September 16, 1957, \$2600 (4-17-57).
- PALISCA, CLAUDE V., Fellow in Music, three months from June 16, 1957, \$900 (5-6-57).

#### LEAVES OF ABSENCE

- LEVINE, SOLOMON B., Associate Professor of Labor and Industrial Relations — leave of absence changed from one month with pay and two weeks as part of his vacation to two weeks leave of absence with pay plus one month of vacation with pay.  
LINFORD, MAURICE B., Professor of Plant Pathology — leave of absence, without pay, April 20 through May 10, 1957, so that he may go to Central America on a scientific mission.  
LYON, RICHARD O., Assistant Professor of Agricultural 4-H Club Work — leave of absence, without pay, October 7, 1957, through August 31, 1958, so that he may accept a fellowship in the National Agricultural Extension Center for Advanced Study at the University of Wisconsin.  
MCFERON, DEAN E., Associate Professor of Mechanical Engineering — leave of absence, without pay, academic year 1957-58, so that he may work with the Reactor Engineering Division of the Argonne National Laboratory, Lemont, Illinois.  
PRICE, LEONARD H., Instructor in Art — leave of absence, without pay, academic year 1957-58, so that he may study abroad.  
SKADDEN, DONALD H., Assistant Professor of Accountancy — leave of absence, without pay, one year from September 1, 1957, for outside professional services.

#### JUNE MEETING

The Secretary requested instructions from the Board regarding the time and place of the June Board meeting, previously scheduled to be held in Chicago on June 20, 1957.

On motion of Mrs. Watkins, the Board voted to hold its next meeting in the LaSalle Hotel, Chicago, Illinois, on Thursday, June 20, 1957, beginning at 3:00 p.m. (Central Daylight Saving Time).

#### MEETINGS OF BOARD COMMITTEES

Mr. Livingston stated that it would be desirable to have meetings of the Committees on Buildings and Grounds, General Policy, and possibly other Board committees some time in June, and asked if a date could be agreed upon for these meetings. It was the consensus of the Board that to conserve the time of all concerned, these meetings should be held on Thursday, June 20, 1957, in Chicago, since the Board will be meeting there on the same day, and the Secretary was instructed to arrange for these meetings beginning at 12:30 p.m. on that day.

#### EXECUTIVE SESSION

At this point an executive session was requested and ordered for the consideration of the following item of business relating to claims of

contractors arising out of work done by them in the construction of an addition to the Research and Educational Hospitals in Chicago.

Mr. Park Livingston, as Chairman of a Special Committee of the Board appointed to consider claims of contractors arising out of work done by them in the construction of an addition to the Research and Educational Hospitals in Chicago, reported that the Committee met in the Illini Center of the LaSalle Hotel, Chicago, Illinois, on Saturday, May 25, 1957, to hear representatives of the Crouch-Walker Company, Chicago, Illinois, a subcontractor of the Patrick Warren Construction Company, the general contractor for this building. A court reporter's record of the proceedings of this hearing will be filed with the Secretary for record.

At Mr. Livingston's request, Mr. Ralph F. Lesemann, Legal Counsel, presented a review of the proceedings, during which it developed that a representative of the Crouch-Walker Company had made certain charges and accusations against University officials, including a member of the Board of Trustees.

Messrs. Livingston, Farber, Havens, and Rice also reported on conversations they had at various times with this representative.

At the conclusion of this presentation, Mr. Johnston stated that it is the obligation of the Board of Trustees to investigate these charges and accusations thoroughly, and to request the appearance of parties who have made these accusations, as well as others who can testify concerning them, for the purpose of interrogation. It was the consensus of the Board that the Special Committee of which Mr. Livingston has been serving as Chairman since its original appointment on October 24, 1952, be given the assignment of investigating the charges. The members of the original committee, appointed October 24, 1952, were: Messrs. Park Livingston, Chairman, Wirt Herrick, Robert Z. Hickman, Wayne A. Johnston, H. B. Megrn. On October 22, 1956, Mr. Megrn, then President of the Board, reconstituted the Committee and appointed the following: Messrs. Park Livingston, Chairman, Cushman B. Bissell, Wirt Herrick, Wayne A. Johnston, and Kenney E. Williamson.

Mr. Livingston requested that he be relieved of service on this Committee, since he will wish to appear before it to give testimony, and this request was granted. Mr. Swain was appointed to replace Mr. Livingston as a member of the Committee, and Mr. Johnston was designated as Chairman. He stated that he would call a meeting of the Committee at an early date to begin the investigation.

Mr. Lesemann was designated as Counsel for the Committee, and on his request he was authorized to employ Mr. Albert E. Jenner, Jr. of the firm of Thompson, Raymond, Mayer, Jenner, and Bloomstein, Chicago, as Special Counsel in this matter.

On motion of Mrs. Watkins, the Board adjourned.

### BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

#### AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law.

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
THOMAS FREDERICK BENNING	Park Forest, Illinois	District of Columbia
ERNEST ALBERT BETTIN	La Grange, Illinois	Indiana
SEYMOUR COHEN	Chicago, Illinois	District of Columbia
EDWARD JANG ENG	Los Angeles, California	California
DAVID WILLIAM GODFREY	Springfield, Illinois	Missouri
RUSSELL PACKARD KNEEN, JR.	Kalamazoo, Michigan	Michigan
GERALD BRUCE LE VINE	Tampa, Florida	District of Columbia
FRED GUINN PAGE	Nashville, Tennessee	Tennessee
JOHN CORNELIUS REAGAN	San Juan, Puerto Rico	Massachusetts
JOSEPH LEO ROTH	Morristown, New Jersey	New York
GILBERT SIEGEL	Chicago, Illinois	District of Columbia

I concur.

On motion of Mr. Nickell, these certificates were awarded.

#### APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(2) On nomination of the Committee on Accountancy, I recommend the appointment of Mr. George Ragland, Jr., A.B., LL.B., S.J.D., 11 South LaSalle Street, Chicago, Illinois, member of the law firm of Sidley, Austin, Burgess, and Smith, to the Board of Examiners in Accountancy for a period of three years beginning July 1, 1957, to replace Mr. Kenneth McCracken whose term will expire June 30, 1957.

On motion of Mr. Johnston, this appointment was approved.

#### APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. ORLA ELBERT ADAMS, Assistant Professor of Business Law, on one-half time, beginning September 1, 1957, at an annual salary of \$3,100 (D50).
2. ROBERT N. CORLEY, Assistant Professor of Business Law, beginning September 1, 1957, at an annual salary of \$6,200 (B).
3. JOHN EDWARD DUBERG, Professor of Civil Engineering, beginning July 1, 1957, at an annual salary of \$10,500 (A).
4. KOICHI KOBAYASHI, Research Assistant Professor of Physics, beginning September 1, 1957, at an annual salary of \$6,850 (DY).
5. RAJYESHWAR MITTRA, Visiting Assistant Professor of Electrical Engineering, for nine months from September 16, 1957, at a salary of \$6,000 (E).
6. ROBERT PRATT, Professor of English, beginning September 1, 1958, to render service during one semester of each academic year, at a salary of \$6,600 (G).
7. HELEN G. RABICHOW, Consultant, with rank of Associate Professor, in the School of Social Work, beginning September 1, 1957, at an annual salary of \$7,000 (D).
8. MARIE A. RAPP, Reference Librarian and Assistant Professor of Library Science, Chicago Undergraduate Division, beginning September 1, 1957, at an annual salary of \$6,850 (BY).
9. DAVID G. RAVENHALL, Assistant Professor of Physics, beginning September 1, 1957, at an annual salary of \$7,250 (B).

10. LEWIS E. WAGNER, Associate Professor of Economics, beginning September 1, 1957, at an annual salary of \$8,550 (DY).
11. HENRY W. WYLD, JR., Assistant Professor of Physics, beginning September 1, 1957, at an annual salary of \$7,000 (B).
12. JIRO YAMASHITA, Research Assistant Professor of Physics, for four months from September 16, 1957, at a salary of \$1,725 (G).

On motion of Mr. Herrick, these appointments were confirmed.

#### CHAIRMANSHIP OF DEPARTMENT OF ECONOMICS

(4) Professor H. K. Allen, Chairman of the Department of Economics, has asked to be relieved of the duties of chairmanship effective September 1, 1957. To replace him, the Dean of the College of Commerce and Business Administration recommends the appointment of Professor John F. Bell as Chairman of the Department of Economics for two years beginning September 1, 1957, in addition to his position as Professor of Economics on indefinite tenure. The salary of this position will be determined later when the budget for 1957-58 is prepared and submitted to the Board for approval.

Before submitting this nomination, the Dean consulted the Executive Committee of the Department of Economics in accordance with the provision in the University of Illinois Statutes governing the appointment of a chairman of a department, and the recommendation is supported by the Vice-President and Provost and the Dean of the Graduate College.

I concur.

On motion of Mr. Swain, this appointment was approved.

#### HEADSHIP OF DEPARTMENT OF FINANCE

(5) The Dean of the College of Commerce and Business Administration recommends the appointment of Dr. Paul M. Van Arsdell, presently Professor of Economics and Associate Dean of the College of Commerce and Business Administration, as Professor of Finance on indefinite tenure and Head of the new Department of Finance beginning September 1, 1957. The salary of this position will be determined later when the budget for 1957-58 is prepared and submitted to the Board for approval. Professor Van Arsdell will give up the position of Associate Dean.

All members of the new Department of professorial rank have been consulted in accordance with the provision in the University of Illinois Statutes governing the appointment of a head of a department, and the recommendation is supported by the Vice-President and Provost and the Dean of the Graduate College.

I concur.

On motion of Mr. Johnston, this appointment was approved.

#### CHANGE IN STATUS OF ROBBEN W. FLEMING

(6) Professor Robben W. Fleming, who has been serving as Director of the Institute of Labor and Industrial Relations since September 1, 1952, and the Dean of the College of Law have jointly requested his transfer to the faculty of the College of Law as Professor of Law beginning September 1, 1957.

It is understood that Professor Fleming will continue as Director of the Institute of Labor and Industrial Relations during the academic year 1957-58, or until his successor as Director of the Institute is appointed in case such an appointment is made before June, 1958, and will teach part time in the College of Law during 1957-58. Thereafter he will become a full-time member of the Law faculty and an associate member of the faculty of the Institute of Labor and Industrial Relations. He will teach courses in the field of labor law, an area to be expanded in the College of Law curriculum.

I have approved this transfer and request confirmation of my action.

On motion of Mr. Nickell, the President's action was confirmed.

#### CANCELLATIONS OF SABBATICAL LEAVES OF ABSENCE

(7) The sabbatical leaves of absence granted the following members of the faculty have been cancelled, on their request and without prejudice.

GIULIO ASCOLI, Assistant Professor of Physics

DALLAS W. SMYTHE, Professor of Economics and Research Professor in the  
Institute of Communications Research

CLARENCE W. STONE, Professor of Library Science

Confirmation of this action is requested.

On motion of Mr. Hughes, this action was confirmed.

#### **RANK OF CLINICAL ASSOCIATE IN THE COLLEGE OF MEDICINE**

(8) The University Senate recommends the establishment of the rank "clinical associate" for certain appointments to the nonsalaried faculty of the College of Medicine. This involves an amendment of the revised University of Illinois Statutes, approved by the Board of Trustees January 16, 1957, to become effective September 1, 1957, in Section 35, paragraph (c), the revised paragraph to read (new language is in *italics*):

The following academic ranks are recognized: professor, associate professor, assistant professor, instructor or research associate, and assistant. *For the College of Medicine the rank of clinical associate is also recognized.* Appropriate academic rank, with the rights and privileges pertaining thereto, may be accorded members of the administrative staff.

I concur in this amendment.

On motion of Mrs. Watkins, this amendment was adopted.

#### **AMENDMENT OF UNIVERSITY STATUTES**

(9) The University Senate recommends that the revised University of Illinois Statutes, approved by the Board of Trustees on January 16, 1957, be amended by the addition to Division III, Subdivision C-1, a new Section 18-2:

##### **Professional Colleges at Urbana-Champaign**

Section 18-2. (a) The College of Veterinary Medicine of the Urbana-Champaign campus of the University is a professional college within the meaning of this Section.

(b) The supervision of student affairs of students enrolled in the College of Veterinary Medicine, excluding discipline, is the responsibility of the College of Veterinary Medicine. A Committee on Student Affairs shall be elected by the Faculty of the College.

(c) Student discipline for students enrolled in the College of Veterinary Medicine shall be administered by the Committee on Discipline of the Urbana-Champaign Senate in accordance with the provisions of Section 6, paragraph (h). The Senate Committee on Student Discipline shall, after consulting the Dean of the College of Veterinary Medicine, appoint a subcommittee on discipline for the students enrolled in the College. The Senate Committee on Student Discipline shall hear and decide cases appealed to it from this subcommittee. The provisions of Section 6, paragraph (h), relating to the formulation of procedures and original and appellate jurisdiction of the Senate Committee, shall apply to disciplinary cases hereunder.

This amendment was proposed by the faculty of the College of Veterinary Medicine and recommended by a special committee appointed by the Vice-President and Provost to consider the change. It is consistent with a similar amendment approved by the Board of Trustees on March 12, 1957, with respect to administration of student discipline and student affairs in the College of Law.

I concur.

On motion of Mr. Herrick, this amendment was adopted.

#### **CHANGES IN ORGANIZATION OF SCHOOL OF PHYSICAL EDUCATION**

(10) The Director of the School of Physical Education recommends the following administrative changes in the organization of the School, effective September 1, 1957:

The name of the School shall be changed to College of Physical Education.

The chief executive officer shall be the Dean of the College.

There shall be established a new Department of Health and Safety Education. Instruction in this field is now being given jointly by the Department of Physical

Education for Men and the Department of Physical Education for Women. The program is administered and staffed by specialists and offers an undergraduate curriculum leading to the Bachelor of Science degree, graduate work leading to the Master of Science degree, and provides for teacher certification in the areas of health education and driver education.

There shall be established a new Department of Recreation. Instruction in this field is now being offered jointly by the Departments of Physical Education for Men and Physical Education for Women. The program is administered and staffed by specialists and offers a curriculum leading to the Bachelor of Science degree, and graduate work leading to the Master of Science degree.

The Vice-President and Provost concurs, and the University Senate has been informed of these proposals.

I recommend approval.

On motion of Mr. Nickell, these changes were approved.

#### **CHANGES IN ORGANIZATION OF SCHOOL OF JOURNALISM AND COMMUNICATIONS**

(11) The Director of the School of Journalism and Communications recommends the following administrative changes in the organization of the School, effective September 1, 1957:

The name of the School shall be changed to College of Journalism and Communications.

The chief executive officer shall be the Dean of the College.

The Institute of Communications Research, presently administered under the Graduate College, shall be transferred to the College of Journalism and Communications, with the Director of the Institute reporting to the Dean of the College.

The Office of Broadcasting shall become the Division of University Broadcasting. The instructional units of the College of Journalism and Communications shall be designated as Divisions, i.e., Division of Journalism, Division of Advertising, and Division of Radio and Television, and the administrative officer of each shall be designated as Head of the Division.

The Vice-President and Provost concurs, and the University Senate has been informed of these proposals.

I recommend approval.

On motion of Mr. Swain, these changes were approved.

#### **CHANGE IN REQUIREMENTS FOR MASTER'S DEGREE IN LIBRARY SCIENCE**

(12) The University Senate recommends that the requirements for the master's degree in Library Science be reduced from nine to eight units. This proposal was initiated by the faculty of the Library School and was approved by the Executive Faculty of the Graduate College.

The Director of the Library School presents the following reasons for this change: As the master's degree in the Library School is now organized, an undergraduate basic curriculum of twelve semester hours and nine units of graduate work are required. By starting in the summer session a student is expected to complete this program in a calendar year, but because of the five-unit schedule of graduate courses which falls in one semester, many students remain an additional summer to avoid overloading. Present heavy requirements are also out of line with other leading library schools.

I concur and recommend that this change become effective at the beginning of the academic year 1957-58.

On motion of Mr. Herrick, this recommendation was approved.

#### **CHANGE IN REQUIREMENTS FOR GRADUATION IN THE COLLEGE OF LAW**

(13) The University Senate recommends that effective September 1, 1958, the requirements for the degree of Bachelor of Laws (LL.B.) be changed by add-

ing the requirement of one course in legal theory or legal philosophy. The requirements would then read (the italics indicates the changes in the requirements):

All students who enroll in the College of Law as candidates for the degree of Bachelor of Laws (LL.B.) shall, as conditions to receiving that degree, have studied in residence for a minimum period equal to six semesters and shall have earned ninety semester hours of law credit with an average grade of at least C (3.0). During this period, as further conditions to receiving the degree, the candidates must have pursued the courses of the first year of the law curriculum and have *obtained credit* in one seminar course in advanced work *and in one course in legal theory or legal philosophy selected from a group of courses to be designated by the faculty of the College of Law.*

The College of Law faculty has selected the following courses, each to be offered for three hours of credit, as an indication of the type of courses involved: International Law, Comparative Law, Legal History, Jurisprudence, Law and Society. However, the faculty would prefer that this list of courses remain flexible, and not be stereotyped by formal action.

I concur.

On motion of Mr. Swain, this recommendation was approved.

#### CHANGES IN CURRICULUM IN CERAMIC ENGINEERING

(14) The University Senate recommends adoption of a revised curriculum in Ceramic Engineering which includes the following specific changes in graduation requirements:

In the second semester of the sophomore year:

Economics 108 (Elements of Economics) is a required course in place of the nontechnical elective.

In the first semester of the junior year:

Ceramic Engineering 205 (Ceramic Technology, three hours) and Ceramic Engineering 222 (Porcelain Enamels, three hours) are added to replace Ceramic Engineering 201 (Ceramic Technology, five hours).

Ceramic Engineering 205 is a reorganization of the material given in Ceramic Engineering 201 with the elimination of the laboratory work.

The total number of hours is increased from eighteen to nineteen with a corresponding reduction in the first semester of the senior year.

In the second semester of the junior year:

Ceramic Engineering 214 (Elementary Glass Technology) is a required course in place of the three hours of technical elective.

Ceramic Engineering 206 is essentially the same as the previous course Ceramic Engineering 202 (Ceramic Technology) with minor changes in the course content.

The required course Economics 108 is changed to the second semester of the sophomore year.

The course Ceramic Engineering 260 (Structural Engineering) is changed from the first semester of the senior year to the second semester of the junior year to obtain better balance in the over-all program.

In the first semester of the senior year:

A new course, Ceramic Engineering 209 (White Ware Bodies and Glazes, three hours), is required in place of Ceramic Engineering 211 (Ceramic Bodies and Glazes, five hours).

In place of the three hours made available by the transfer of Ceramic Engineering 260 to the junior year there are the three hours of nontechnical electives from the sophomore year.

Technical electives were increased from two to three hours this semester.

The total requirements are reduced from eighteen to seventeen hours in this semester.

There are no changes in the second semester of the senior year.

A copy of the complete outline of this revised curriculum is filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Bissell, this recommendation was approved.

**USE OF WRIGHT FARMS BY AGRICULTURAL EXPERIMENT STATION**

(15) The Board of Trustees has authorized the transfer of eighty acres of Wright Farm No. 7 in DeKalb County, which is part of the Harry G. Wright and Harriette A. Wright Endowment, from operation as an income-producing farm to the Agricultural Experiment Station for use as the Northern Illinois Experiment Station Field, replacing land formerly leased and no longer available for this purpose. Residents of DeKalb County have contributed funds, totaling \$31,070, for improvements on this field, such as construction of buildings, fences, and for purchase of equipment.

It is the desire of the Agricultural Experiment Station staff that the entire one hundred sixty acres of this farm be eventually transferred from farm operations to experiment field operations as the needs of the Department of Agronomy require it. In 1952, twenty acres were so transferred, making one hundred acres now being used as an experiment field.

On recommendation of the Dean of the College of Agriculture and the Director of the Experiment Station and the Vice-President and Comptroller, I request confirmation of this transfer, and I further recommend that (a) the Board authorize the transfer of the remaining sixty acres of Wright Farm No. 7 at such times and in such parcels as the experimental program requires; (b) whenever the land is no longer needed as an experimental field it be transferred to farm operations for the benefit of the Endowment. The land involved is the north half of the southwest quarter of Section 23, Township 39 North, Range 3 East of the 3rd Principal Meridian in DeKalb County.

The use of this land as an experimental field is consistent with the late Senator Wright's bequest of his estate to the University that it be used "for the purpose of promoting agricultural education and for founding scholarships, but nevertheless the use made of the devise and bequest hereunder shall rest in the sole discretion and judgment of said Board of Trustees."

On motion of Mrs. Holt, these recommendations were approved.

**LEASE OF QUARTERS IN LA SALLE HOTEL FOR ILLINI CENTER**

(16) The Vice-President and Comptroller recommends renewal of the lease of the present quarters in the LaSalle Hotel for the Illini Center for a period of two years from July 1, 1957, at an annual rental of \$7,800, which is the present rate. There are approximately 2,900 square feet of space in this area, so that the rental is \$2.66 per square foot. The management of the Hotel has indicated willingness to continue the lease for an additional two years at this rental.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

**CONTRACT WITH CONSULTING ENGINEERING SERVICE**

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend a contract with Consulting Engineering Service, Champaign, for engineering services on heating, ventilating, air conditioning, and electrical work for University improvement and maintenance jobs which, because of the small amount of work to be done, do not justify separate contracts for each. In the past this type of contract has been very useful to the Physical Plant Department to supplement the work of its engineers, and it is more economical than increasing the permanent staff.

The partners and most of the technical staff of the Consulting Engineering Service are graduates of the University, and the firm has indicated its interest in continuing doing University work on the following terms:

Services of principals in the firm to be paid for at the rate of \$6.50 per hour.

Services of other personnel to be paid at their regular hourly wage rates.

Services performed on overtime basis to be paid for at the regular hourly rates unless such overtime work is specifically requested by the University and the rates are agreed upon in advance.

Payments shall be on a monthly invoice basis; before any payment is made the University may audit or otherwise verify the invoice.

The fee for services on any specific project shall not exceed \$2,500.

The contract may be terminated by the University at any time on written notice.

The Committee on Buildings and Grounds has been consulted regarding this contract and is prepared to support the recommendation.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR LANDSCAPING OF RESIDENCE HALLS AND BAND BUILDING AREAS**

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$15,348.50 to Irving L. Peterson, Landscape Architect, Champaign, for landscaping (including fine grading, lawn seeding, planting of trees and shrubs) the Men's Residence Halls Additions three and four, and the Band Building areas.

For payments on this contract, \$6,437.25 will be assigned from the proceeds of the issue of Dormitory Revenue Bonds of 1956 and \$8,911.25 from the state appropriation for the construction of the Band Building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Swain, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **CONTRACT FOR PLASTERING AND ACOUSTICAL WORK**

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract to Edmond T. Drewitch, Urbana, the lowest bidder, for maintenance, plastering, patching repairs, and acoustical installations, work to be done as needed, for the fiscal year beginning July 1, 1957, on the basis of the following terms: \$2.25 an hour for trucking of equipment and materials for actual time used solely for transportation, provided that not over 10 per cent of one job will be charged to trucking costs unless the total costs are \$25.00 or less, and contractor's fee of 19 per cent of all job costs.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Nickell, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **CONTRACTS FOR REMODELING IN DENTISTRY- MEDICINE-PHARMACY BUILDING**

(20) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts to the Mutual Contracting Company, Chicago, the lowest bidder, for remodeling in the Dentistry-Medicine-Pharmacy Building as follows:

For alterations of quarters for the Department of Dental Histology.....\$35 274

The work will consist of remodeling rooms on the tenth floor of the second unit of the building and will include installation of new partitions to increase the number of rooms in the area, installation of new laboratory furniture and the necessary utility services, improvements in lighting, and general rehabilitation of the area.

For alterations of quarters of the Department of Biological Chemistry.... 10 256

The work will consist of remodeling rooms in the first unit of the building, including improvements in lighting, installation of new laboratory furniture and the necessary utility services, and general rehabilitation of the area.

Both projects are a part of the federal matching funds program for expansion of health research facilities. Funds are available in a federal grant (U.S. Public Health Service RC-88-College of Dentistry—Dental Research Laboratory) and in the Revenue Bonds of 1951—Construction Fund Account for the first project;

and in a federal grant (U.S. Public Health Service RC-90-Medicine — Biological Chemistry Remodeling) and in the state appropriation for 1955-57 "For rehabilitation and remodeling and minor additions to existing buildings at Urbana-Champaign and at the Chicago Professional Colleges" for the second.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Watkins, these contracts were awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### CONTRACT FOR INSTALLATION OF PNEUMATIC TUBE SYSTEM IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(21) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$3,200 to the Lamson Corporation, Chicago, for installation of a pneumatic tube system in the Hospital Laboratories of the Research and Educational Hospitals.

The work will consist of installation of a tube station in the Hospital Laboratories and connection of this station to the central dispatching system of the medical records room. It is a part of the remodeling of the Hospital Laboratories now being done under the federal matching funds program for improvement and expansion of health research facilities.

Funds are available in a federal grant (U.S. Public Health Service RC-87-Remodeling Research and Educational Hospitals Laboratories) and in the state appropriation for 1955-57 "for rehabilitation and remodeling and minor additions to existing buildings at Urbana-Champaign and at the Chicago Professional Colleges."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### CONTRACTS FOR COAL PURCHASES FOR ABBOTT POWER PLANT

(22) The Director of Purchases, the Vice-President and Comptroller, and the Director of the Physical Plant recommend award of the following contracts for 130,000 tons of coal screenings to be delivered to the Abbott Power Plant during the period July 1, 1957, through June 30, 1959:

	<i>F.O.B. Mine</i>	<i>Freight</i>	<i>Total Cost</i>
United Electric Coal Company, Chicago			
30,000 tons @ \$4.50.....	\$135 000	\$38 400	\$173 400
Bell and Zoller Coal Company, Terre Haute, Indiana			
22,000 tons @ \$4.85.....	106 700	28 160	134 860
Republic Coal and Coke Company, Peoria			
78,000 tons @ \$4.75.....	370 500	99 840	470 340

Sealed bids on uniform specifications were opened on May 24, 1957. Invitations were sent to twenty-four producers and sales agencies and advertisements were published in three daily papers.

The bids are evaluated in the terms of the number of British Thermal Units purchased for one cent based on guaranteed analysis. A continuous check is maintained to insure compliance with specifications. The United Electric Coal Company, Bell and Zoller Coal Company, and Republic Coal and Coke Company are the lowest bidders. It is advantageous to have contracts with three sources of supply to be assured of delivery of coal at all times.

A two-year contract is being recommended to enable the mines better to plan future operations, development, and expansion, and to assure the University of a continued reliable source of supply.

The prices quoted are based on present wage scales and are subject to increase or decrease in event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or

decreased by the new contracts. The University may cancel the balance of the purchase contract if it believes that any price adjustment is not justified.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute contracts as recommended, subject to the approval by the Governor as required by the state constitution.

On motion of Mr. Johnston, these contracts were awarded, as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **CONTRACTS FOR COAL AND FUEL OIL FOR MEDICAL CENTER STEAM PLANT**

(23) The Director of the Physical Plant, the Business Manager of the Chicago Colleges, and the Vice-President and Comptroller recommend award of a contract to the Crerar Clinch Coal Company, 3552 West Division Street, Chicago, the lowest bidder, for 18,000 tons of screenings coal to be delivered to the Medical Center Steam Company Plant, operated by the University, as required during the period August 1, 1957, to June 30, 1958, at a per ton cost of \$4.65, plus transportation of \$1.36, plus \$1.28 for handling, storage, and delivery, or a total estimated cost of \$131,220.00. This price is based on the present wage scale and is subject to increase or decrease in the event that wage contracts now in effect are changed, and any such change affects the price to the extent that production costs are increased or decreased by new freight rates or wage contracts. The University has the right of approval of any such increase in price.

The lowest bid is determined by the number of British Thermal Units per one cent of cost based on guaranteed analysis. A continuous check is provided at the Steam Plant to insure compliance with the specifications.

The above named officers also recommend the purchase of a minimum of 8,000 gallons of No. 6 fuel oil with the option of purchasing as much more as may be required for emergency use, but not to exceed 450,000 gallons, from the Jewett and Sowers Oil Company, 2480 South Archer Avenue, Chicago, the lowest bidder, at a price not to exceed \$0.0973 per gallon subject to adjustment in accordance with the posted price variations published in the Wall Street Journal. On the basis of the maximum price quoted, the total cost of 8,000 gallons would be \$778.40, and of 450,000 gallons, \$43,785.

The Medical Center Steam Company Plant is equipped to burn either coal, gas, or oil. Winter operation has been with coal, and summer operation has been with gas. The purchase of fuel oil is recommended for stand-by service. If used for emergency operation instead of gas or coal, there will be a corresponding reduction in expenditures for these two fuels.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts for these purchases, subject to approval by the Governor as required by the state constitution.

On motion of Mr. Bissell, these contracts were awarded, as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **PURCHASE OF QUONSET BUILDING FOR INSTITUTE OF AVIATION**

(24) The Institute of Aviation is in need of additional facilities to house its instructional program in aircraft maintenance. From a small group of eight students in the first class of this two-year terminal program in 1948, the enrollment grew to ninety-three last year, and it is estimated that there will be one hundred and twenty students in September, 1957. As the program has developed, the curriculum has shared space facilities of the main aircraft maintenance shop at the Airport. This is no longer feasible because of the increased size of the student body and shop needs for additional space.

A Quonset building, similar to the buildings currently used at the Airport, will fulfill the requirements. The total cost of the building is \$11,408.72; an additional \$7,000 is necessary for foundation, floor, and electrical installations. The Institute of Aviation can provide \$8,408.72 so that an appropriation of \$10,000 from general University funds is needed.

The Director of the Institute of Aviation and the Vice-President and Comp-

troller recommend the purchase of a building from Harshbarger Building and Supply Company, Urbana, at a price of \$11,408.72.

I concur and recommend that an appropriation of \$10,000 be made from the General Reserve Fund for this purpose.

On motion of Mr. Swain, this purchase was authorized, as recommended, and an appropriation of \$10,000 was made from the General Reserve Fund for this purpose. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Stratton, Mr. Williamson.

#### HOSPITAL-MEDICAL-SURGICAL INSURANCE FOR STUDENTS AND STAFF

(25) Bids have been received for the student and staff hospital and medical insurance programs for 1957-58 with the right reserved by the University to renew such insurance annually thereafter upon mutual agreement between the University and the insurance company.

The student program at the Urbana Campus provides essentially the same benefits as have been provided for the past two years with three minor changes as follows:

1. One day coverage extended to seven days for emergency outpatient treatment.
2. Hospital residence is waived for surgical benefits to apply.
3. Thirty-day waiting period eliminated for coverage of newly born children.

In addition to the changes above, the student program at the Undergraduate Division at Navy Pier has improved benefits to meet its unique problems as follows:

1. The \$225.00 surgical schedule is increased to \$300.00.
2. The per diem room and board allowance is increased from \$11.00 to \$15.00.
3. Physician's visits for home confinements are revised, to be effective with the first rather than third visit; and the first \$20.00 of drugs and medicines are covered, rather than having the first \$5.00 paid by the insured.

The staff benefits are expanded in the following areas:

1. The \$150.00 surgical schedule is increased to \$225.00 and the hospital residence requirement is waived.
2. Hospital charges for dental treatment or dental surgery are covered.
3. Thirty-day waiting period eliminated for coverage of newly born children.

Bids were also received as an alternative on the present benefits under both plans, but they are not recommended for consideration because increased benefits outlined above can be obtained at a lower premium cost.

It is recommended that a contract for both the student and staff coverage be awarded to Bankers Life and Casualty Company, represented by O. J. Wheeler, Chicago, lowest bidder for both programs at \$461,610, as per Board Policy C, 3 on insurance, and that charges to students and staff for this insurance be the following premiums, which are identical to those charges currently in effect.

<i>Students</i>	<i>Per Semester</i>		<i>Per Year</i>	
Student only.....	\$ 7 00		\$21 00	
Student and family.....	\$19 00		\$57 00	
<i>Faculty-Staff</i>	<i>Monthly</i>	<i>Quarterly</i>	<i>Semi-Annual</i>	<i>Annual</i>
Employee only.....	\$ 2 75	\$ 7 75	\$15 25	\$30 25
Employee and one dependent.....	5 00	14 50	28 75	57 25
Employee and two or more dependents..	5 75	16 75	33 25	66 25

On the basis of these rates, the plans will operate on a self-sustaining basis. The excess over the cost of the coverage would be used by the University to defray the administrative costs of the two programs.

I concur in the recommendation for the award of this contract.

On motion of Mr. Swain, this matter was referred to the Executive Committee with power to act.

**PURCHASES****Purchases Authorized**

(26) The following purchases were authorized by the President's Office on the recommendation of the Director of Purchases and the Vice-President and Comptroller.

**CONVEYANCE OF LAND TO THE MORTON ARBORETUM**

(28) A toll road between Chicago and Aurora will cross a University-owned road which now provides access from Ogden Avenue (U.S. Route 34) to the University's Drug and Horticultural Experiment Station adjoining the Morton Arboretum in Du Page County. This roadway, including the Experiment Station property, was purchased by the University from the Morton Arboretum. The new toll road will not provide the access from Ogden Avenue, as presently used by the University, unless an overpass or an underpass is constructed. Public access to the east end of the Morton Arboretum is also necessary to take care of the increasing automobile traffic. To resolve this problem and give the University and the Arboretum access to their properties, the Illinois State Toll Highway Commission plans to relocate the Lacey Road, which now runs north and south about one-half mile east of the University property, to parallel the toll road. The relocated Lacey Road would then run southwest, and after intersecting the present University road would turn south over the toll road to the Warrenville Road intersection with Ogden Avenue thus providing access from the south and from the north.

The deed of University land from the Trustees of the Morton Arboretum includes a reverter clause providing that whenever the property is no longer to be used for educational purposes it will revert to the Morton Arboretum. The Illinois State Toll Highway Commission is planning to acquire a part of the Morton Arboretum property immediately west of the present University access road. It is therefore recommended that the Board of Trustees of the University authorize the execution of a quitclaim deed to the Morton Arboretum for that part of the present University access road which will no longer be required by the University. The Trustees of the Morton Arboretum will then be able to convey the necessary rights-of-way for the new toll road and the relocation of the Lacey Road. The quitclaim deed will not be delivered until there is adequate legal assurance that the Lacey Road will be relocated and that the University access to its Drug and Horticultural Experiment Station during the period of construction of the toll road will be protected. The area of the roadway to be conveyed to the Morton Arboretum is 1.098 acres, and the Arboretum will pay the University \$274.50 (\$250.00 an acre) for this property.

If the Board approves this transaction, the following resolution should be adopted.

**Resolution**

*Be it, and it is hereby, resolved* by the Board of Trustees of the University of Illinois, a public corporation of the state of Illinois, that its Comptroller and Secretary be, and they are hereby, in consideration of the payment to said public corporation of two hundred seventy-four and 50/100 dollars, authorized to make, execute, and deliver a quitclaim deed conveying to the Trustees of the Morton Arboretum, a foundation created and defined by Deed in Trust dated December 14, 1922, and recorded in the Recorder's Office of Du Page County, Illinois, on December 19, 1922, as Document No. 161512, in Book 142 of Deeds, at Page 485, the following described property:

That part of Lot 2 of Assessment Plat Number 3, lands belonging to the Trustees under the Will of Joy Morton, Deceased, according to the plat thereof recorded March 30, 1935, in Book 20 of Plats on page 91 as Document

357009 in the Recorder's Office of Du Page County, Illinois, described by commencing at the Northeast corner of Section 1, Township 38 North, Range 10 East of the Third Principal Meridian and running thence South  $0^{\circ} 12'$  East along the East line of Section 1 1270.05 feet to a corner of said Lot 2; thence South  $84^{\circ} 13'$  West along a South line of said Lot 346.5 feet; thence South  $6^{\circ} 10'$  East along an Easterly line of said Lot 2 335.64 feet to a point for a place of beginning; thence Southwesterly along the arc of a curve to the left whose radius is 1091.74 feet and whose tangent to the last described point forms an angle of  $77^{\circ} 56' 32''$  in the Southwest quadrant with the preceding line extended, for a distance of 35.90 feet to a point; thence South  $6^{\circ} 10'$  East parallel with an Easterly line of said Lot 2 and with a prolongation thereof 1370.04 feet more or less to a point in the center line of Ogden Avenue; thence North  $77^{\circ} 40'$  East along said center line 35.20 feet to the Southeast corner of said Lot 2; thence North  $6^{\circ} 10'$  West 1373.26 feet more or less along an Easterly line of said Lot 2 to the place of beginning, all in the County of Du Page and State of Illinois; together with all and singular the hereditaments and appurtenances thereunto belonging or in anywise appertaining.

Provided, however, that such deed shall not be executed nor delivered unless and until said officers and the Legal Counsel of this public corporation have received positive assurances satisfactory to them that an alternate right and way of ingress to and egress from the remaining portion of this public corporation's property in that area will be provided.

On motion of Mr. Johnston, the foregoing resolution was adopted; provided, however, that the execution and delivery of the quitclaim deed is subject to the approval of the Executive Committee of the Board when the Committee is satisfied that the price to be received by the University for the land to be conveyed is a fair valuation, and that adequate provisions have been made for both a permanent roadway and temporary access during the period of construction of the highway to the Drug and Horticultural Experiment Field. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Herrick, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Stratton, Mr. Williamson.

#### **PURCHASE OF BUS FOR PHYSICALLY HANDICAPPED STUDENTS**

(29) The Director of Purchases and the Vice-President and Comptroller recommend the purchase of one General Motors Corporation TGH 3102 bus equipped for transportation of physically handicapped students for the Student Rehabilitation Center from the General Motors Corporation Coach Sales Department, Pontiac, Michigan, at a cost of \$9,579.83, f.o.b., Pontiac, Michigan.

It is also recommended that this authorization be extended to include the purchase of a second bus under the same terms if funds become available.

The General Motors Corporation bus is almost alone in this field, the only competition being manufacturers who only occasionally construct busses of this type and who do not maintain a readily available supply of replacement parts. Furthermore, investigation has revealed that no bus now on the market can equal the General Motors Corporation TGH 3102.

The University of Illinois Foundation has received a gift from the Lynde Bradley Foundation specifically for the purchase of a new bus specially equipped for transportation of physically handicapped students.

I concur.

On motion of Mrs. Watkins, this purchase was authorized, and authority was granted to purchase a second bus under the same terms when funds are available.

#### **AUTHORIZATION OF CHANGES IN CONTRACTS FOR CONSTRUCTION OF BUILDINGS**

(30) State appropriations are available until the expiration of the first fiscal quarter after the adjournment of the General Assembly held next after that at

which the appropriations were made. Appropriations to the University for the current biennium, 1955-57, will be available until September 30, 1957, but only for the payment of obligations for which commitments are made prior to July 1, 1957.

There will be some changes recommended in the contracts for the construction of the Band Building and the Home Economics Building which, however, could not be formulated for presentation to the Board of Trustees at today's meeting. It is therefore recommended that the Board of Trustees authorize the President of the University and the Vice-President and Comptroller to approve such changes in contracts for the construction of these two buildings which may be recommended by the Physical Plant Department, with the understanding that a report of any such changes authorized will be made to the Board at its next meeting.

On motion of Mrs. Holt, authority was given as requested.

**SALE OF SECURITIES**

Mr. Swain, for the Finance Committee, offered the following and moved its adoption:

WHEREAS the Board of Trustees of the University of Illinois is the owner of the following described common stock

500 shares of American Can Company

150 shares of Northern Illinois Gas Company; and

WHEREAS it is the decision of said Board that these securities should be sold and disposed of,

*Now, therefore be it resolved* that H. O. Farber, Vice-President and Comptroller, and A. J. Janata, Secretary, be authorized to sell such securities and to execute all documents necessary in order to complete such sale.

This resolution was adopted.

**TRIBUTE TO ALBERT JAMES HARNO**

At this point, Mr. Swain offered the following resolution and moved its adoption:

On September 1, 1957, Albert James Harno will bring to a close a period of service to the University of Illinois of thirty-six years as Professor of Law and thirty-five years as Dean of the College of Law, a service remarkable not only for its length but for its accomplishments. Under his stewardship the College of Law has grown into one of pre-eminence in the field of legal education. In this process he has himself become a national figure as a scholar, teacher, and law-school administrator. To his colleagues on the faculty of the College he has been the inspiration, through example, of the university teacher who, while being ever vigilant to keep a close contact with the non-university world, yet is able to see the problems of that world with the long-range vision and objectivity of the scholar, and is devoted to the task of imparting that vision to his students. To thousands of law-school alumni throughout the nation, he is already a living legend. To all of his colleagues in the University, his name is synonymous with tolerance, judiciousness, and fair dealing.

Dean Harno's service to the University has not been limited to the College of Law. He was Chairman of the committee, appointed by President Chase in 1930, to study all aspects of the University administration and procedure, and bring recommendations for changes in the administrative structure, including a definitive statement of the statutes of the University. He served as Provost of the University from 1931 to 1944, under two presidents and one acting president, and many of the present functions of that office were outlined during his term. He has been, at one time or another, a member of or chairman of almost every University committee. His interests have been as broad as the University itself, and he has brought to his many assignments the qualities of unswerving honesty, good judgment, loyalty, and warm sympathy which have won him the respect and confidence of all friends of the University.

In this period he has also become a leader of the legal profession, at both state and national levels. He has, for example, been President of the Illinois State Bar Association, of the American Judicature Society, of the National Conference of Commissioners on Uniform State Laws, and of the Association of American Law Schools. He has been a member of the Board of Governors of the Illinois State Bar Association, the American Bar Association, and the Council of the American Law Institute. He is a Fellow of the American Academy of Arts and Sciences and a Fellow of the American Bar Foundation. He has been a member of the House of Delegates of the American Bar Association and a member of the Hoover Commission Task Force. He is a member of Phi Beta Kappa and Past National President of Order of the Coif. He is the author of: *The Supreme Court in Felony cases* (Illinois Crime Survey), *Cases on Criminal Law and Procedures*, fourth edition 1957; *Legal Education in the United States*; and co-author of: *Parole and the Indeterminate Sentence*; and a contributor to many legal periodicals.

He has been widely and favorably known in the profession, and has done much to bridge the gap between the practicing profession and its academic branch.

The Board of Trustees of the University of Illinois takes cognizance of the approaching date on which Albert James Harno will retire from active service on the faculty of the University, and

It therefore resolves, that the Board record in its minutes its expression of appreciation for his services, its gratitude that he has given so long and so generously of his talents to the University and to the State, and its best wishes for his health and happiness for many years to come.

This resolution was unanimously adopted.

#### MEETING OF COMMITTEE ON GENERAL POLICY

At this point, the Board recessed for a meeting of the Committee on General Policy to consider a report from the President of the University on personnel matters related to the budget for 1957-58.

The following members of the Committee were present: Mr. Wayne A. Johnston, Chairman, Mr. Cushman B. Bissell, Mrs. Frances B. Watkins. Also present were Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Earl M. Hughes, Mr. Park Livingston, Mr. Vernon L. Nickell, and Mr. Timothy W. Swain of the Board of Trustees; President David D. Henry, Vice-President and Provost Henning Larsen, Dr. H. E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Mr. C. S. Havens, Director of the Physical Plant Department, Mr. Ralph F. Lesemann, Legal Counsel; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

President Henry reported on administrative changes under consideration in the organization of the Health Services.

Following discussion of this report, the Committee recommended to the President that there be included in the budget for 1957-58 a provision for a new position of administrator of the Health Services, apart from the medical directorship, the title and salary of the new position to be recommended by the President when he submits the budget.

The Committee rose, and the Board reconvened.

- YANKWICH, PETER E., Research Associate Professor of Chemistry, two months from June 16, 1957, \$1555.55; this is in addition to his present appointment (5-24-57).
- ZAHARKO, DANIEL S., Assistant in Physical Education for Men, nine months from September 16, 1957, \$4600 (6-3-57).

#### GRADUATE FELLOWS

(The following appointments were made by the Dean of the Graduate College on the date indicated in parentheses.)

- CASH, MRS. CATHERIN, International Nickel Company Fellow in Mathematics, nine months from September 16, 1957, \$3814 (6-3-57).
- CROSBY, JACK, Tobacco Industry Research Committee Fellow in the Chicago Professional Colleges, July 1-September 20, 1957, \$500 (5-31-57).
- GABURO, KENNETH L., Fellow in Music, two months from June 16, 1957, \$300 (5-24-57).
- HALLSE, ROBERT L., Hammond Lead Products, Inc. Fellow in Ceramic Engineering, nine months from September 16, 1957, \$1600 (5-20-57).
- HELLER, ALEX, Alfred P. Sloan Fellow in Mathematics, six months from March 1, 1957, \$4334, supersedes (5-8-57).
- KARMEIER, DELBERT F., Automotive Safety Foundation Fellow in Civil Engineering, nine months from September 16, 1957, \$1500 (5-17-57).
- KARNER, ERNEST F., Edward Orton Jr. Ceramic Foundation Fellow in Ceramic Engineering, nine months from September 16, 1957, \$1500 (5-20-57).
- KRAMER, JESSICA R., Fellow in Music, nine months from September 16, 1957, \$1200 (5-23-57).
- MCDONALD, DONALD, Esso Research and Engineering Company Fellow in Civil Engineering, nine months from September 16, 1957, \$1800 (5-24-57).
- WILLIS, RONALD P., Fellow in Geology, four months from October 1, 1957, \$536, supersedes (5-28-57).

#### RESIGNATIONS AND DECLINATIONS

- BAKER, CARROLL M., Acquisition Assistant in the Library—resignation effective July 1, 1957.
- BEAM, GEORGE R., Director of Statistical Service Unit—resignation effective July 9, 1957.
- BHASKAR, SWINDAR N., Associate Professor of Oral Pathology (Dentistry)—resignation effective September 1, 1957.
- BROKER, RAJUL S. (MRS. IYER), Research Assistant in Animal Science—resignation effective June 1, 1957.
- CHOW, YUAN S., Fellow in Mathematics—resignation effective September 16, 1957.

- COCHRAN, JOHN A., Assistant Professor of Economics—resignation effective September 1, 1957.
- DEMSKI, WILLIAM J., JR., Instructor in Biological Sciences, Chicago Undergraduate Division, Summer Session of 1957—declination effective June 21, 1957.
- DICK, EDNA C., Assistant in Home Economics, Agricultural Experiment Station—resignation effective July 1, 1957.
- DIETZ, JESS C., Professor of Sanitary Engineering, Summer Session of 1957—declination effective June 17, 1957.
- DULANY, DON E., JR., Assistant Professor of Psychology, Summer Session of 1957—declination effective June 17, 1957.
- EUSTICE, JAMES S., Instructor in Business Law—resignation effective September 1, 1957.
- FLYNN, DONALD C., Registered Pharmacist in Hospital Pharmacy—resignation effective May 25, 1957.
- FRANK, EVELYN, Associate Professor of Mathematics, Chicago Undergraduate Division, Summer Session of 1957—declination effective June 21, 1957.
- LANE, RICHARD L., Edward Orton Jr. Ceramic Foundation Fellow in Ceramic Engineering—declination effective September 16, 1957.
- LEE, FRED G. H., Research Assistant in Animal Science—resignation effective June 1, 1957.
- McMILLAN, MARTHA, Assistant in Home Economics—resignation effective September 1, 1957.
- MORRIS, JAMES R., Instructor in Economics, Chicago Undergraduate Division, Summer Session of 1957—declination effective June 21, 1957.
- NEHLS, EDWARD, Instructor in English, Summer Session of 1957—declination effective June 17, 1957.
- PADEN, DONALD W., Associate Professor of Economics, Summer Session of 1957—declination effective June 17, 1957.
- PEEPLES, WILLIAM A., Manager of Public Relations, Chicago Professional Colleges—resignation effective June 30, 1957.
- PRESS, JOSEPH H., Registered Pharmacist in Hospital Pharmacy—resignation effective May 15, 1957.
- RUSS, JOANNA R., Fellow in Speech—resignation effective September 16, 1957.
- SAXBERG, BORJE O., Instructor in Management—resignation effective September 1, 1957.
- SCHAEFER, RUTH L., Education, Philosophy, and Psychology Librarian, with rank of Assistant Professor—resignation effective September 1, 1957.
- SHANER, MRS. DEON U., Library Assistant in the Institute of Labor and Industrial Relations—resignation effective June 1, 1957.
- SMITHERS, PERRY L., Manager of Public Information, Chicago Undergraduate Division—resignation effective July 15, 1957.
- SREEBNY, LEO M., Associate Professor of Applied Materia Medica and Therapeutics (Dentistry)—resignation effective September 1, 1957.
- STAGNER, ROSS, Professor of Psychology—resignation effective September 1, 1957.
- STOLPER, GERTRUDE, Education, Philosophy, and Psychology Library Assistant, with rank of Instructor—resignation effective September 1, 1957.
- SULLIVAN, DAVID J., Instructor in Veterinary Pathology and Hygiene, College of Veterinary Medicine—resignation effective July 27, 1957.
- TITUS, MRS. MAY C., Assistant in Home Economics—resignation effective June 1, 1957.
- VOSTI, KENNETH L., Research Assistant in Preventive Medicine (Medicine)—resignation effective July 1, 1957.
- WARFIELD, JOHN N., Associate Professor of Electrical Engineering, and Research Associate Professor in the Control Systems Laboratory—resignation effective September 1, 1957.
- WHEELER, MRS. ELEANOR, Assistant in Home Economics—resignation effective September 1, 1957.
- WILSON, RALPH D., Assistant Professor of Management—resignation effective September 1, 1957.
- ZEHRER, EVANGELINE Y., Instructor in Physical Medicine and Rehabilitation (Medicine)—resignation effective June 26, 1957.

**LEAVES OF ABSENCE**

- BAILEY, LAFORCE, Professor of Art—leave of absence, with pay, April 24 to June 15, 1957, on account of illness.
- DIETZ, JESS C., JR., Professor of Sanitary Engineering (Civil Engineering)—leave of absence, with pay, for fifteen days of active military service during the month of May.
- FRANKEL, MARVIN, Research Assistant Professor in the Bureau of Economic and Business Research—leave of absence, without pay, one year from September 1, 1957, so that he may accept a position as Visiting Associate Professor at Stanford University.
- GAILITIS, RAIMONDS G., Clinical Assistant in Medicine (Medicine)—leave of absence, April 16 through August 31, 1957, for military service.
- GOLDWASSER, EDWIN L., Research Assistant Professor of Physics—leave of absence, without pay, July 13 through August 31, 1957, so that he may work in a special project at the Massachusetts Institute of Technology.
- HINTON, ROYCE A., Research Associate in Farm Management—leave of absence, without pay, July 1 through August 31, 1957, so that he may complete his Doctor's dissertation by September 1, 1957.
- PARRISH, JOHN B., Professor of Economics—leave of absence, without pay, one year from September 1, 1957, so that he may accept a faculty research fellowship from the Ford Foundation.

**MEETING OF THE BOARD OF TRUSTEES**  
**OF THE**  
**UNIVERSITY OF ILLINOIS**

---

**July 15, 16, 1957**

The July meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Tuesday, July 16, 1957, beginning at 10:30 a.m., Central Daylight Saving Time. Meetings of Committees of the Board were also held in the Illini Union Building on Monday, July 15, beginning at 8:00 p.m., and on Tuesday, July 16, beginning at 9:00 a.m.

The following members of the Board were present at all sessions: Mr. Cushman B. Bissell, Mrs. Doris S. Holt, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Mr. Wirt Herrick, Governor William G. Stratton, and Mr. Timothy W. Swain were absent.

Also present were President David D. Henry, Vice-President and Provost Henning Larsen, Dr. Gordon N. Ray, Vice-President and Provost-elect, Dr. H. E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Dean C. C. Caveny of the Chicago Undergraduate Division, Professor Norman A. Parker, Chairman of the Building Program Committee; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary. Mr. Donald E. Dickason, Director of Nonacademic Personnel, and Mr. C. E. Flynn, Director of Public Information, were present at the Board meeting on Tuesday.

### MEETING OF COMMITTEE OF THE WHOLE

A meeting of the Board of Trustees as a Committee of the Whole was held in the Illini Union Building, on Monday, July 15, 1957, beginning at 8:00 p.m., Central Daylight Saving Time. The members and officers of the Board and officers of the University, as recorded above, were present at this Committee meeting.

The Committee considered the following matters of business.

#### PARSONS LIBRARY COLLECTION

President Henry reported to the Committee that the private library of Edward Alexander Parsons of New Orleans, Louisiana, considered to be one of the finest private libraries in the United States, has been offered for sale. The collection consists of 40,000 books (many of them being rare books) and 8,000 manuscripts. Its acquisition by the University would add materially to the resources and greatly enhance the prestige of the Library. Vice-President and Provost Larsen and Vice-President and Provost-elect Ray also commented on this proposal.

At a meeting of the Board of Directors of the University of Illinois Foundation held on July 12, 1957, the Directors voted to authorize the acquisition of this collection as a Foundation project for which the Foundation will raise the funds with the assistance of the Director of the Library and other University officials. No action by the Board of Trustees is required or requested and this matter is being reported simply for information of the Board.

#### OPERATING BUDGET FOR 1957-58

President Henry, Vice-President and Provost Henning Larsen, and Vice-President and Comptroller H. O. Farber presented the University's internal operating budget for the fiscal year beginning July 1 and the academic year beginning September 1, 1957. Copies of the budget had previously been sent to each member of the Board. The presentations and recommendations of the President and the Vice-Presidents are set forth in a document, "Condensed Analysis and Summaries," copies of which had also been sent to the Trustees in advance. The President also supported his presentations with a memorandum on salary increases and a list of promotions recommended. Copies of all of these documents were filed with the Secretary of the Board for record.

Following these presentations, President Livingston, Chairman of the Committee of the Whole, called for a discussion in which all members of the Board present participated.

Mr. Johnston, Chairman of the Committee on General Policy, reported that his Committee had held a meeting earlier in the evening and recommends to the Board that the salary of the President of the University be increased by \$6,000.

On motion of Mr. Johnston, seconded by Mr. Bissell, the Committee of the Whole voted to amend the budget as presented by the President of the University in accordance with the recommendation of the Committee on General Policy.

The Committee of the Whole recessed until 9:00 a.m., July 16, 1957.

#### MEETING OF EXECUTIVE COMMITTEE

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Illini Union Building on Monday, July 15, 1957, beginning at 10:30 p.m. The following members of the Committee were present: Mr. Park Livingston, Chairman, Mr. Wayne A. Johnston, Mrs. Frances B. Watkins. Also present were other members of the Board of Trustees, officers of the Board, and officers of the University as recorded at the beginning of these minutes.

The Committee considered the following recommendations from the President of the University.

#### Recommendations of the University Patent Committee

The University Patent Committee submits, with the concurrence of the Chairman of the University Research Board, the following recommendations relating to inventions by members of the staff.

1. Semen diluent and processing method permitting storage and preservation of spermatozoan fertility at widely fluctuating temperatures above freezing by

saturation with carbon dioxide gas and use of ampules — N. L. VanDemark, Professor of Dairy Cattle Physiology, U. D. Sharma, former Assistant in Dairy Science, and G. W. Salisbury, Professor and Head of the Department of Dairy Science, inventors. This method permits the storage and preservation of spermatozoan fertility at widely fluctuating temperatures above freezing. This is accomplished by combining the semen with certain chemicals, antibiotics, and egg yolk to form a diluent which is then combined with carbon dioxide and immediately sealed in small ampules. The fertility of the semen can then be maintained at room temperatures for a considerable period of time. Since present methods for the preservation of semen are effective for only a short time, this discovery may be extremely important in the breeding of animals. Because of the commercial possibilities of this invention, it seemed wise to apply immediately for a patent, and accordingly the Patent Committee authorized the University of Illinois Foundation to make such an application, which has been filed with the United States Patent Office.

Due to the possibility of wide interest in animal husbandry circles no recommendation is being made at this time as to whether the holder of the patent, if issued, should be the University or the Foundation. Because of the support which the farmers' cooperatives in the state of Illinois have given to these programs, it is the recommendation of the Department of Dairy Science that free use of this idea be granted to any farmer or cooperative for use in the breeding of their own farm livestock. The Patent Committee concurs in this policy and therefore recommends that the following policy statement be approved by the Board of Trustees, in connection with any patent issued on this invention:

"That the holder of any patent issued on a semen diluent and processing method in which the University of Illinois has an interest grant a royalty-free nonexclusive license for the use of the semen preserving process to any organization or person who would combine the necessary ingredients and prepare the diluent process in the breeding of their own farm livestock and to charge a royalty to an organization or person who would sell the diluent to others for use in the breeding of any animal."

Confirmation of the action of the Patent Committee in requesting the Foundation to apply for a patent and approval of the above policy statement in the administration of such a patent, if issued, is recommended.

2. Automatic temperature compensated storm warning system — Erwin K. Weise, Research Associate Professor of Engineering, inventor. This device converts into electrical signals changes in atmospheric pressure in such a manner as to indicate approaching storms. This idea came to the inventor in his own home after reading reports on tornado damages. No financial support has been given to this invention by the University, and no University facilities were used in its development. For these reasons the Patent Committee recommends the outright release of this invention to the inventor. (The Secretary of the Committee has advised the inventor that if this invention is released to him by the Board of Trustees, he will be free to take it to the Foundation for further consideration as to development if he so wishes.)

3. Method of preparing pre-dried potato chips — Ogden C. Johnson, Research Associate in Food Technology, and Fred A. Kummerow, Associate Professor of Food Chemistry, inventors. This method embodies the dehydration of potato chips during the frying operation, with a resulting potato chip with lower fat content than normal potato chips. The Patent Committee has requested the University of Illinois Foundation to approach the sponsor of the research under which this was developed, the Continental Baking Company, with the possibility of further support for development work and possible patent application if this appears to be warranted.

4. Thermionic emitter — Robert J. Maurer, Professor of Physics, inventor. This device produces the thermionic emission of electrons from a solid at or near room temperature. The inventor conceived the idea of this device during a physics colloquium. No University funds or facilities have been used in its conception or development. The Patent Committee recommends its outright release to the inventor.

5. Elevated temperature resistant ceramic structural adhesives and methods for bonding metals with them—Dwight G. Bennett, Research Professor of Ceramic Engineering, Richard M. Spriggs and Henry G. Lefort, Research Assistants in Ceramic Engineering, inventors. This invention relates to certain ceramic materials and to methods of preparing and applying them for use as structural adhesives in the bonding of metal to metal to produce joints possessing high shear strength at temperatures up to 1000° F. or more. It is the opinion of the inventors and the Head of the Department of Ceramic Engineering that because of former art in forming ceramic to metal cells, an attempt to secure a patent would lead to extensive litigation, which would not be justified by any financial gain. Accordingly, the Committee recommends that this invention be released to the agency sponsoring the research program under which it was developed, the United States Air Force.

6. Instrument for measuring fluorescence decay of pigments with excitation life times of the order of millimicroseconds—Seymour S. Brody, Research Associate in Botany, inventor. The Committee seriously doubts that this invention is patentable, since it is a combination of well-known elements which have been improved by others so as to enable the experiment referred to, to be developed successfully. The Committee was also of the opinion that there was no significant commercial application of the invention and therefore recommends that it be released to the Office of Naval Research, the agency supporting the research under which it was developed.

7. Sense gate separate channel averaging radio direction finding system—Albert D. Bailey, Associate Professor of Electrical Engineering, and Albert J. Wavering, Research Assistant in Electrical Engineering, inventors. This is a radio direction finding system using a bearing shifter in the operation of a bearing computer. The inventors and the Head of the Electrical Engineering Department are of the opinion that this invention has little or no commercial value and have recommended its release to the sponsoring agencies of the research under which it was developed, the Bureau of Ships and the Office of Naval Research of the United States Navy. The Patent Committee concurs in this recommendation.

8. Perspiration inhibitor using malonate salts—A. Rostenberg, Jr., Professor of Dermatology in the College of Medicine, inventor. This idea consists of the inhibition of perspiration by the application of malonate salts. The malonate ion inhibits the enzyme, the activity of which is apparently necessary for the production of perspiration. It is the opinion of the Head of the Department of Dermatology that this idea may have definite commercial application. Accordingly, the Patent Committee recommends that this invention be released by the University to the University of Illinois Foundation, with the understanding that an application for a patent will be filed if conditions seem to justify such action. This recommendation is made with the condition that if the invention proves to be commercially desirable any distribution of income shall be approved by the Board of Trustees of the University upon recommendation of the Patent Committee.

9. A new high-melting plastic—Carl S. Marvel, Research Professor of Organic Chemistry, and R. D. Vest, Research Assistant in Chemistry, inventors. This is a plastic which can be melted at approximately 340° C. to give a clear melt which resolidifies to a glass-like material by the polymerization of a pure dialkyl  $\alpha, \alpha'$ -dimethylenepimelate. The Head of the Department of Chemistry and Chemical Engineering and the inventors state that while the invention appears to be patentable, it will not be a money-making invention because the material will be expensive and it will be limited to military use. Accordingly, the Patent Committee recommends that the rights of the University in such invention be released to the United States Air Force.

10. Method of cleaning gases with electrostatically charged particles—H. F. Johnstone, Research Professor of Chemical Engineering, inventor. This invention pertains to the use of electrostatically charged pellets of glass or plastic as a "dry scrubber" to remove pollution from streams of air. Such an invention may have very important commercial possibilities in view of air pollution over many urban areas.

Dr. Johnstone is an eminent authority in this field and has worked on these problems since he came to the University in 1928. During World War II, as a result of his work with defense agencies, he had the opportunity of studying these

problems from the standpoint of meteorological conditions, which was continued after the war, with the support of several industrial concerns. In 1948, the Atomic Energy Commission requested him to become a member of a committee to make recommendations on stack effluents from atomic energy plants, and he has continued this membership to date. At the same time, the Atomic Energy Commission requested him to direct work in the studies of the fundamental properties of aerosols, with a contract to the University from that agency, which, with renewals, has been in force since that date. These contracts, by federal law, must carry the following provision:

Whenever any invention or discovery is made or conceived by the University or its employees in the course of, in connection with, or under the terms of this contract, the University shall furnish the Commission with complete information thereof; and the Commission shall have the sole power to determine whether or not and where a patent application shall be filed, and to determine the disposition of the title to and rights under any application or patent that may result.

Authority to enter into contracts carrying this provision was granted by the Board of Trustees on July 21, 1948, minutes page 7.

It is the opinion of the Patent Committee and the Legal Counsel that the University is legally bound to release any patent issued on this invention to the Atomic Energy Commission if so instructed by that agency. Because of the lifetime of effort put into this field of study by Dr. Johnstone, which resulted in this invention, and because of the significant support by the University, the Patent Committee has negotiated with the Atomic Energy Commission in an attempt to secure some recognition of these contributions. As a result, the Atomic Energy Commission has offered to the Committee one of these alternatives, although it has insisted that title to any patent vest with that agency:

- (1) If the University agrees to underwrite the costs of obtaining a patent, which would perhaps entail substantial expenditures for development work, the Atomic Energy Commission will grant to the University a non-exclusive license to use any patent which might issue, with a further right to sublicense.
- (2) The Atomic Energy Commission will itself apply for a patent and assume all necessary costs. In that event, the University will be granted a non-exclusive license, without the right to sub-license, and would then be in the same position as any other applicant for such a license. (It is the policy of the Atomic Energy Commission to grant a nonexclusive, royalty-free license to any agency which applies for it.)

The only advantage to the University that could accrue from (1) would be that other inventions might result from the necessary developmental work, which would thus belong outright to the University and would give the University a preferred position in this field. The rights to sub-license might be an advantage, but this can not be evaluated at this time. The disadvantages to accepting (1) are that the cost of the necessary developmental work and application can not be determined at present but might amount to a substantial sum; and furthermore some work has been done in this area at another educational institution, and there is the possibility of an interference developing if an attempt is made to secure a patent. Dr. Johnstone has been consulted at all times in these negotiations, and it is his opinion that the University should not pursue alternate (1). Such opinion is important since he would have to direct this effort.

For these reasons the Patent Committee and the Engineering Experiment Station recommend that alternate (2) be approved by the Board of Trustees and that the University advise the Atomic Energy Commission that it is prepared to cooperate fully with that agency in applying for a patent, under the conditions that the Atomic Energy Commission will pay all costs in connection therewith, and that the University will receive no preferential treatment in any patent that may issue. I concur in these recommendations.

Mr. Bissell, as Chairman of the Board Committee on Patents, recommended approval.

On motion of Mrs. Watkins, the Executive Committee approved the recommendations of the University Patent Committee.

### **Employment of Special Counsel to Assist in Acquiring Property Situated in Urbana-Champaign**

It is necessary for the University to acquire a number of privately owned residence properties and other properties in the cities of Urbana and Champaign as parts of sites of a new Men's Residence Hall, a Residence Hall for Single Graduate Students, and for the Student Services Building.

In connection with the acquisition of these properties, legal services in examining the present titles thereto and ascertaining the present ownership thereof, in assisting University officers in conducting negotiations with the present owners for the purchase of the properties from them, and in preparing to institute condemnation suits to acquire such of the properties as can not be purchased at a reasonable and proper price will be needed. Because of the time element involved, and the volume of work pending in the Legal Counsel's Office, this work can not be done as promptly as is desirable and necessary by the Legal Counsel and his assistants. For this reason, the employment of special counsel to do this legal work, with the assistance and subject to the supervision of the Legal Counsel, is highly desirable. Funds for the employment of such special counsel can be made available from the present appropriation to the University for land acquisition.

The Director of the Physical Plant, the Vice-President and Comptroller, and the Legal Counsel request authorization to employ local attorneys in Urbana and Champaign as special counsel to assist in the legal work necessary in connection with property acquisitions.

I concur.

On motion of Mr. Johnston, authority was given as requested.

The Executive Committee adjourned.

### **ADJOURNED SESSION OF THE COMMITTEE OF THE WHOLE**

July 16, 1957

On Tuesday, July 16, 1957, Committees of the Board of Trustees resumed their meetings, beginning at 9:00 a.m., Central Daylight Saving Time.

#### **COMMITTEE ON GENERAL POLICY**

##### **Chicago Undergraduate Division**

Mr. Johnston, as Chairman of the Committee on General Policy which has been operating as a Special Committee on the Development of the Chicago Undergraduate Division, and President Henry reported on the outcome of the several bills introduced in the Seventieth General Assembly of Illinois relating to the future development of the Chicago Undergraduate Division, all of which failed, with the exception of the provisions in the University's building program. The appropriations made for 1957-59 include \$600,000 for the acquisition of land and \$400,000 for site studies and building plans. No legislation was enacted specifying the location of, or restricting the University in the selection of, a permanent site for the Chicago Undergraduate Division.

The Committee reviewed the various sites which have been considered, including Miller Meadow in the Forest Preserve District in Cook County. At this point Mr. Johnston presented a letter from Representative Paul Randolph. President Henry was authorized to reply to the letter along the lines of the discussions of today's meeting and to make public announcement of the reply. Copies of this correspondence were subsequently filed with the Secretary of the Board.

Mr. Johnston recommended that the Board adopt as a declaration of its policy regarding the site question: "Miller Meadow continues to be the first choice as a site but the Board, through its Committees and with the assistance of University officials, is proceeding to consider alternate sites and to determine their relative desirability." This declaration of policy was adopted.

Mr. Johnston then recommended that the Committee on General Policy be authorized to explore the possibility of acquiring the Gage Farm and to negotiate with the city of Chicago officials regarding its acquisition; and that the Committee also be authorized to explore the possibilities of acquiring the Riverside Country Club or Irving Park.

Mr. Williamson moved that the Board accept the report and recommendations of the Committee on General Policy, and that this Committee be authorized to explore sites, to conduct negotiations with owners, and to make further recommendations to the Board; and that in recognition of the undesirability of premature public announcement of specific sites under consideration, the members of the Board refrain from discussing such matters publicly and that all official announcements on this matter be made by the Chairman of the Committee on General Policy and/or President of the University.

This motion was unanimously adopted.

#### **COMMITTEE ON BUILDINGS AND GROUNDS**

The Committee on Buildings and Grounds met at 10:00 a.m. and at 1:30 p.m. for consideration of the following matters of business.

##### **Acquisition of Land in Will County, Illinois, for Agricultural Experiment Station Purposes**

The Department of Agronomy and the Agricultural Experiment Station request authorization of application to the United States Government for approximately 160 acres of land, which has been declared surplus, in Will County for experimental purposes. This land can be acquired without cost to the University. A complete report on this matter, with his recommendation, was presented by the President of the University and a copy is filed with the Secretary of the Board for record.

On motion of Mr. Johnston, the Committee on Buildings and Grounds approved the filing of an application with the appropriate government agency for the acquisition of this property.

##### **Request of Apartment Owners Association of Champaign County for a Hearing**

The President of the Board of Trustees received a request from Mr. L. O. Hartman, 602 Haines Boulevard, Champaign, Illinois, President of the Apartment Owners Association of Champaign County, that the Board of Directors of this organization be given a hearing by the Board of Trustees on questions which have been raised concerning the University's program for the construction of housing facilities for married students. This request was presented to the Board of Trustees on May 28 and was referred by the Board to the Committee on Buildings and Grounds.

The Chairman of the Committee authorized the Secretary to inform Mr. Hartman that the Committee will give his group a hearing at 1:30 p.m. on July 16, following the Board of Trustees meeting and after the luncheon recess. The Chairman invited all members of the Board to participate in this hearing.

##### **Naming of University Buildings**

The Chairman called attention to the following items on the Committee's agenda of unfinished business:

- A request from the Director of University Bands that the new Band Building be named "Harding Hall."
- A request from the Housing Division that the Men's Residence Halls Additions 3 and 4 be named for the late Mr. Carl Stephens and Mr. William L. Pillsbury.
- The Dean of Women has also suggested that the Lincoln Avenue Residence Addition be named Louise C. Allen Residence. Louise C. Allen (Gregory) was the wife of John Milton Gregory (the first Regent of the University of Illinois). She was Professor of Domestic Science and Preceptress at the University of Illinois from 1878 to 1880; and Instructor and Preceptress, 1874-78.
- A request from the faculty of the College of Law and from the officers of the College of Law Alumni Association that the new Law Building be named "Harno Hall."

The Chairman suggested that since two members of the Committee are not present at today's meeting, no action on these items be taken at this time.

The Committee adjourned.

The Secretary stated that he will file with the records of the Board meeting of July 16 complete reports of the meetings of the Committee of the Whole, the Committee on Buildings and Grounds, and the Committee on General Policy.

On motion of Mr. Johnston, the Committee of the Whole adjourned.

### MEETING OF THE BOARD OF TRUSTEES

July 16, 1957

The Board of Trustees convened at 10:30 a.m., Tuesday, July 16, 1957, for its regular July meeting. The members of the Board, officers of the Board, and University officials as recorded at the beginning of these minutes were present.

#### MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees of April 18 and May 28, 1957, press proof copies of which have been sent to all members of the Board in advance.

On motion of Mr. Johnston, these minutes were approved as printed on pages 339 to 429, inclusive.

#### HOSPITAL-MEDICAL-SURGICAL INSURANCE FOR STUDENTS AND STAFF

The Board of Trustees on June 20, 1957, referred to the Executive Committee, with power to act, a recommendation for the award of a contract to the Bankers Life and Casualty Company of Chicago for hospital-medical-surgical insurance for students and staff for 1957-58. The Executive Committee has inquired into the questions raised at the Board of Trustees meeting concerning the ability of the Bankers Life and Casualty Company to fulfill all requirements under the proposed contract on the basis of its low bid of \$461,610. The Committee finds that the Company is financially capable of handling the University's program, and its payment of claims record has been good. The Company has agreed in writing to permit the University to decide which claims will be paid and the amount of such claims and to permit the University to draw drafts on the Company in the settlement of the claims.

In view of these findings the Committee has approved the award of the contract to the Bankers Life and Casualty Company on its bid of \$461,610 and the terms previously reported to the Board of Trustees.

This report was received for record.

#### BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

#### INTERNAL OPERATING BUDGET FOR 1957-58

(1) The University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1957, for academic and administrative appointments beginning September 1, 1957, and for nonacademic personnel appointments beginning July 1, 1957, is submitted herewith. This budget has been prepared by the Vice-President and Provost and the Vice-President and Comptroller in accordance with policies recommended by the University Budget Committee and procedures approved by the President. The University Council has also been consulted regarding budget policies and distribution of funds.

In this budget new minimum academic salaries are proposed, effective September 1, 1957, for all assistants, and for all new appointments and promotions in other ranks as follows:

	<i>Nine Months' Service</i>	<i>Eleven Months' Service</i>
Professor.....	\$8 400	\$10 300
Associate Professor.....	7 000	8 550

Assistant Professor.....	5 600	6 850
Instructor; Research Associate.....	4 400	5 370
Assistant.....	3 600	4 400

In the case of present staff, other than assistants, a part of the adjustment to the new minima is being deferred until the 1958-59 budget.

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1957, be approved; and that the President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, (a) to accept resignations, (b) to make such additional appointments as are necessary, subject to the provisions of the University Statutes and the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees, and (c) to make such changes and adjustments in items included in the budget as are needed, all such changes to be covered in the Vice-President and Comptroller's quarterly financial report or in reports to the Board by its Secretary, provided that assignments for new projects or programs and for nonrecurring expenditures in excess of \$2,500 shall be presented to the Board of Trustees for prior approval.

President Livingston reported that members of the Board of Trustees, working as a Committee of the Whole at a meeting held on July 15, 1957, reviewed the budget in detail in consultation with the President, the Vice-President and Provost, and the Vice-President and Comptroller of the University, and that this Committee supports the budgetary recommendations with certain amendments which the Committee made on its initiative.

President Henry reviewed the presentations he had made to the Committee of the Whole based on the "Condensed Analysis and Summaries" submitted to the Board along with the detailed budget in advance of the meeting. Copies of all supporting documents are being filed with the Secretary of the Board for record.

Following full discussion in which all of the Trustees present participated, on motion of Mr. Johnston, the budget was adopted, the schedule of minimum academic salaries was approved, the President of the University was authorized to take the actions specified above, and the necessary appropriations were made as recommended.

This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### INTERNAL BUDGET OF THE ATHLETIC ASSOCIATION FOR 1957-58

(2) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1957-58 which is summarized as follows with comparative figures for the preceding year:

	1956-57	1957-58
Income.....	\$1 083 650	\$1 148 500
Appropriations.....	1 074 691	1 137 540
Excess of income over appropriations.....	\$ 8 959	\$ 10 960

The budget has been examined and approved by the Vice-President and Provost and the Vice-President and Comptroller.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptance of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total income realized.

On motion of Mr. Nickell, this budget was approved and authority was given as recommended.

### APPROPRIATIONS FOR BUILDINGS AND OTHER PERMANENT IMPROVEMENTS

(3) The Seventieth General Assembly of Illinois has appropriated funds for the biennium 1957-59 for the following buildings and permanent improvements:

For permanent improvements at Urbana-Champaign:

For completion of a Biology Building, with fixed equipment installed, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....	\$ 675 000
For construction of an Art and Architecture Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....	I 700 000
For construction of a Physics Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....	I 880 000
For an addition to the Library, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....	775 000
For an addition to the Power and Heating Plant, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....	I 855 000
For construction of extensions to the general University utilities distribution systems, including plans and specifications and all other necessary costs and charges incident to the completion of the work.....	2 020 000
For rehabilitation and remodeling of the Stock Pavilion, including plans and specifications and all other necessary costs and charges incident to the completion of the work.....	250 000
For plans and specifications for an Agronomy Unit of a Plant Sciences Building .....	180 000
For land at Urbana-Champaign.....	855 000

For permanent improvements at Chicago:

For construction of a Medical Research Laboratory, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....	I 235 000
--	-----------

For permanent improvements at Urbana-Champaign and Chicago:

For rehabilitation and remodeling of and minor additions to existing buildings at Urbana-Champaign and at the Chicago Professional Colleges, with fixed equipment installed, including plans and specifications, and all other necessary costs and charges incident to the completion of the work.....	I 160 000
For land—acquisition of land for the establishment of a permanent division of the University of Illinois in Cook County.....	575 000
For building and site studies, plans and specifications for a division of the University of Illinois in Cook County.....	375 000
For equipment at Urbana-Champaign and Chicago.....	30 000
For contingencies to cover expenditures for purposes for which the amount specified in any of the above items enumerated is, or becomes, insufficient .....	710 000

Any of the foregoing appropriations may be assigned as matching funds for any grants made by the federal government for such purposes and in addition to such grants.

The sum of \$3,700,000 or so much thereof as may be necessary and as remains unexpended at the close of business on June 30, 1957, from an appropriation made for such purposes by "An Act making certain appropriations and reappropriations to The Board of Trustees of the University of Illinois" approved June 15, 1955, is

reappropriated to the Board of Trustees of the University of Illinois from the General Revenue Fund, for the purposes and in the amounts set forth as follows:

For permanent improvements at Urbana-Champaign:

For construction of a Biology Building and related field laboratories, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work.....	\$3 335 000
For equipment at Urbana-Champaign and Chicago.....	200 000
For construction of addition to present hospital.....	165 000

The Appropriation Act (Senate Bill 526) provides that no contract shall be entered into or obligation incurred for any expenditure from any appropriation made in Section 1 until after the purpose and amount of such expenditure has been approved in writing by the Governor.

I recommend that these funds be appropriated for the projects and purposes indicated. Recommendations for awards of contracts and for other expenditures from these appropriations will be submitted to the Board of Trustees in accordance with the usual procedure.

On motion of Mr. Bissell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### ADMINISTRATION OF HEALTH SERVICES

(4) Dr. Lester M. Dyke, Professor of Hygiene and Director of Health Services, has requested that for personal reasons he not be reappointed as Director of Health Services at the expiration of his present administrative appointment on August 31, 1957, and that he be continued in his academic appointment as Professor of Hygiene on indefinite tenure. I have approved his request, and also that he be scheduled to take his earned vacation from July 1 to September 1, 1957.

I have requested Professor Charles H. Bowman of the College of Law to take the responsibility of the administration of the Health Services, as Acting Administrator, and have also asked Dr. Glen W. Doolen, Assistant Professor of Hygiene and Medical Adviser in the Health Services, to serve as Acting Medical Director, reporting to the Acting Administrator, for the months of July and August, each at a salary based on an annual rate of \$15,000 (the salary of the former Director). In Professor Bowman's case this salary would be in addition to that being paid him during the academic year 1956-57, including the 1957 Summer Session, as Associate Professor of Law. Both have accepted these assignments, and I request confirmation of this action.

As a continuing interim arrangement I recommend the following appointments:

CHARLES H. BOWMAN, Acting Administrator of the Health Services, from September 1 through December 31, 1957, in addition to his appointment as Professor of Law, at an additional salary of \$680 a month.

GLEN W. DOOLEN, Acting Medical Director of the Health Services, for one year from September 1, 1957, at a salary of \$15,000 on "Y" basis, and as Assistant Professor of Hygiene and Medical Adviser in the Health Service for two years, beginning September 1, 1957. The salary as Acting Medical Director will include service as Assistant Professor during 1957-58.

LESTER M. DYKE, Professor of Hygiene on indefinite tenure, beginning September 1, 1957, at a salary of \$12,300 on "A" basis.

In honoring Dr. Dyke's request that he be relieved of his administrative assignments, I wish to record that University officials recognize that he has worked very hard in the administration of the programs of the Health Services and that a number of important accomplishments will be identified with his administration during the past years.

On motion of Mrs. Watkins, the actions of the President were confirmed, and these appointments were approved.

### APPOINTMENTS TO THE FACULTY

(5) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

#### COMMITTEE ON ACCOUNTANCY

(9) The regulations adopted by the Board of Trustees for the administration of the Illinois Accountancy Law provide that the University's administrative functions shall be performed by a Committee on Accountancy appointed by and responsible to the President of the University. The Committee consists of the Dean of Admissions and Records or his deputy and two other members of the University faculty. In 1954 a plan was set up and reported to the Board of Trustees for periodical changes in the personnel of the Committee which provides for the appointment of the Dean of Admissions and Records as an *ex officio* member and the other two members for six-year terms. Subsequently this was amended by the Board to provide for the appointment of the Dean of Admissions and Records, or his deputy, *ex officio*, and two other members of the faculty.

The present personnel of the Committee is Professor H. M. Gray of the Department of Economics, Chairman, Associate Professor Charles H. Bowman of the College of Law, and Dean C. W. Sanford with Mr. D. A. Grossman, Examiner in the Office of Admissions and Records, serving as his deputy and as Secretary of the Committee. The term of Professor Gray will expire August 31, 1957. Professor Bowman, whose term expires August 31, 1960, has asked to be relieved of his duties as a member of this Committee. I have approved his request and have appointed Professor J. Nelson Young of the College of Law for a term of six years from July 1, 1957, and have reappointed Professor Gray for a term of three years which will fill the unexpired term of Professor Bowman.

Appointments to this Committee do not require approval of the Board of Trustees, but I am reporting my action for record.

This report was received for record.

**CHANGES IN REGULATIONS GOVERNING ADMINISTRATION  
OF ILLINOIS ACCOUNTANCY LAW**

(10) Under the Illinois Accountancy Law, the University of Illinois has the responsibility of examining candidates for certificates of Certified Public Accountant in this State. The Board of Trustees has adopted regulations for the administration of the University's responsibilities under the law. The Committee on Accountancy recommends that these regulations be amended to take into account recent changes in the law and actions of the Board of Trustees. The following regulations are recommended. (For the most part, they are merely additions or omissions to bring the rules in agreement with the changes in various sections of the Accountancy Act.)

The Committee is recommending that the fee for the Certified Public Accountant examination be increased from \$25 to \$50 as authorized in the Act. Also that the fees for partial examinations under the Condition Rule be increased in proportion, the \$20 fee be increased to \$40 and the \$15 fee to \$30. The Committee feels that this increase in fees is essential to assure sufficient income from the fees to cover the increased cost of operating the examination including cost of questions, supplies, grading services, and the University's part in the administering of the examination.

I recommend adoption of these revised regulations to supersede those currently in effect.

On motion of Mr. Johnston, the following revised recommendations were adopted, to become effective as of July 1, 1957.

**THE UNIVERSITY REGULATIONS ADOPTED BY THE BOARD OF TRUSTEES  
FOR ADMINISTERING THE ILLINOIS ACCOUNTANCY LAW****The University Committee on Accountancy**

1. The administrative functions of the University of Illinois under the Accountancy Act of 1943 as amended shall be performed by a Committee on Accountancy responsible to the President of the University. The Committee shall consist of the Dean of Admissions and Records or his deputy and two other members of the University staff, to be appointed by the President.
2. This Committee shall receive all applications for examinations under the Act, shall examine all evidence submitted by such applicants in support of their applications, and shall issue to approved applicants cards of admission to the examinations; and no candidate shall be examined who does not present to the Board of Examiners, at the time and place of examination as advertised, such card of admission, signed by the Secretary of the Committee.
3. This Committee shall designate the times and places of all examinations under the Act, shall advertise the same according to the provisions of the law, and shall supervise the conduct of such examinations.
4. This Committee shall receive from the Board of Examiners, hereinafter referred to, the questions to be used at all examinations and shall arrange for an adequate supply of these examination questions to be delivered to the examining Board in time for use at the examinations as advertised.
5. The Committee shall receive the reports of the grades of all candidates who have taken the examinations under this Act from the Board of Examiners and shall certify to the President the names of the candidates who attain passing grades and who satisfy the other qualifications prescribed by the Act.
6. This Committee shall receive all applications for the C.P.A. certificate filed under Section 5 of the Act, shall examine all evidence submitted by such applicants in support of their applications, and shall certify to the President those applicants who comply with the provisions of this Section.
7. This Committee shall receive and certify all statements of expenses and fees of the Board of Examiners.

**The Board of Examiners**

Established under Section 2 of the Act

8. The Board of Examiners for the examination of candidates for the certificate of Certified Public Accountant under Section 2 of the Act shall consist of three members.

9. The members of this Board of Examiners, having the qualifications as specified in Section 2 of the Act, shall be nominated by the President of the University and approved by the Board of Trustees and vacancies shall be filled in like manner.
10. The term of office of examiners under Section 2 of the Act shall be three years.
11. Each member of the Board of Examiners appointed under Section 2 of the Act, who conducts examinations, shall send to the University Committee a statement of the time so spent, with a statement of his necessary traveling expenses. Each member of the Board shall be entitled to compensation at the rate of \$25.00 a day for such services.

#### **Applications and Fees**

12. Applicants for the C.P.A. certificate under the Act shall file their applications with the Committee on Accountancy at Urbana, Illinois, together with the necessary proofs to establish their eligibility. The proper fee must accompany the application. A fee of \$50.00 is prescribed for each examination or re-examination except as indicated under Rule 25.
13. Forty dollars of the prescribed fee may be returned to applicants who have been admitted to the examination under Section 2 of the Act, and who notify the University Committee before the examination that they will not be present thereat, and are not present.
14. The fee shall not be returned to an applicant who has been admitted to and presents himself at the examination under Section 2 of the Act, and withdraws after the opening of the examination.
15. Forty dollars of the prescribed fee may be returned to applicants whose credentials have been presented and examined but who are found not qualified under the Act to take the examination.

#### **Preliminary Education Requirement**

16. Section 3 of the Act specifies the preliminary education required of candidates seeking the certificate under Section 2. The Committee will accept as evidence of such education:

##### *The High School Requirement*

- a. A certificate of graduation from a four-year accredited high school in Illinois, or a certificate of graduation from a four-year high school in another state whose graduates are admitted to the University of Illinois by certificate.
- b. Credentials from principals or superintendents of four-year accredited high schools or accredited secondary schools showing the completion of fifteen units of high school work.
- c. A certificate of admission without condition to any college that is accredited by the University or by one of the regional accrediting agencies.
- d. A certificate of graduation from any state normal school in the United States.
- e. A certificate showing that the applicant has passed examinations on the subject matter of a four-year high-school course under the supervision and direction of educational bodies whose certificate would be accepted for admission to the University of Illinois.
- f. The passing of examinations set for admission to the accountancy examination by the University.

##### *The Study of Accounting and Related Subjects*

- a. Official credentials indicating the successful completion of the required number of semester hours of residence or correspondence study in the specified subjects in institutions acceptable to the University. Credentials of schools which specialize in business training are acceptable provided satisfactory proof is presented that at least fifty per cent of their courses in accounting are taught by certified public accountants.
- b. Passing examinations in college subjects offered by the University.
17. The Dean of Admissions and Records of the University is authorized to conduct four sets of examinations in high-school and college subjects per year in

Chicago, in March, June, August, and December, to which applicants for the C.P.A. examination may be admitted upon the payment of a fee of \$5.00 for each examination giving one unit\* of high school credit and \$5.00 to \$6.00 for each college subject.

18. A candidate seeking to meet the preliminary education requirement in part or in whole by these examinations should first submit to the Secretary of the University Committee official credentials covering his formal education above the eighth grade. These will be evaluated and a program of examinations necessary to complete the preliminary education requirements will be outlined for him. The Committee can not accept as satisfactory evidence of educational attainments statements from private tutors or certificates of examinations conducted by private individuals or by school officials acting in a private capacity. Neither is the Committee authorized to accept business experience or life experience of any kind in lieu of the educational requirements specified in the Act.

#### Examinations

19. Examinations as prescribed in the Act shall be held by the respective Boards of Examiners at the times and places determined by the University Committee. The time and place of holding examinations shall be advertised, for not less than three consecutive days in one daily paper published in each of the places where the examinations are to be held, not less than thirty days prior to the date of each examination.
20. Examinations shall take place as often as may be deemed necessary by the University Committee, but not less frequently than once each year.
21. The examination shall be in the subjects prescribed in the Act.
22. The time allotted to the examination in each subject shall be determined by the University Committee, on the advice of the appropriate Board of Examiners, and shall be printed on the examination questions.
23. The Board of Examiners shall establish and maintain a uniform procedure for the preparation and grading of examinations to be given to candidates for certificates as Certified Public Accountants, and for this purpose may employ the services and assistance of any persons or organizations skilled in the subjects on which the examinations are given, such as the services and facilities of the American Institute of Accountants, upon such conditions and rules relative to the use of such services as may be prescribed from time to time by the University Committee on Accountancy, provided, however, that all examinations given by said Board shall be adopted and approved by the Board and that the grade or grades given to all persons taking said examinations shall be determined and approved by the Board.
24. The examination papers shall be graded on the scale of 100. The passing grade in each subject is 75. Grades shall be certified by the respective Boards of Examiners to the University Committee. The list of successful candidates shall be certified to the President of the University by the University Committee.
25. A candidate under Section 2 of the Act who passes in Theory of Accounts and Practical Accounting† and fails in one or both of the other examination subjects, Auditing and Law, with a grade not lower than 60 in the subject or subjects failed, or a candidate who passes in Auditing and Law and fails in Theory of Accounts and Practical Accounting,‡ with a grade not lower than 60, shall be credited with the subject or subjects in which he has received passing grades and may upon application and payment of the required examination fees (see note below) present himself for re-examination in the subject or subjects in which he failed at any three of the six semi-annual examinations next succeeding the examination at which he qualified for such partial re-examination. Whenever a candidate presents himself for re-examination he must write on all subjects in which he then has failing grades.  
If on re-examination, the candidate passes in the subjects in which he has failed, he shall be eligible for the C.P.A. certificate; if he fails to do so, he

\* By the word "unit" is meant the amount of ground ordinarily covered in any single subject in one year of work in a standard high school.

† The examination in Theory of Accounts and the two sessions of the examination in Practical Accounting are considered as one subject in administering this rule.

shall revert to the status of a new applicant who is required to write the entire examination.

The time limitation within which a candidate is required to pass subjects under this rule shall not include any period during which the applicant serves in the armed forces of the United States.

Fees for each examination written under Rule 25 are as follows:

For candidates writing Theory of Accounts and Practical Accounting.....	\$40 00
For candidates writing Auditing or Commercial Law or a combination of Auditing and Commercial Law.....	30 00

26. A candidate under Section 2 of the Act whose grades are such that he is required to write in all subjects may not present himself for re-examination until at least one examination shall have intervened following his last examination or re-examination, and then only upon presentation of satisfactory evidence that he has made further preparation in the interim. A fee of \$50.00 shall be paid for such re-examination.

#### **Awarding of C.P.A. Certificates**

27. Each candidate who satisfies all the requirements and is duly certified as above required, shall receive a certificate designating him as a Certified Public Accountant (C.P.A.). This certificate shall be issued in the name of the University, and shall be signed by the President of the University, the Secretary of the Board of Trustees, and members of the Board of Examiners when required.

#### **Records**

28. The Dean of Admissions and Records shall keep the records of all successful candidates for the certificate. These records shall set forth the time and place of the examination at which each candidate met the requirements for the certificate, the grades obtained on the examination, the number of the certificate issued, and the date of its issue.
29. The fees from applicants shall be deposited with the Comptroller of the University, who shall keep a separate account of all receipts and expenditures under the law.
30. The University Committee shall keep examination papers of candidates on file for a period of three years.

#### **Revocation and Restoration of the Certificate of Certified Public Accountant**

31. The University, on receipt of notice from the Department of Registration and Education of the cancellation of the Public Accountant registration of a person, shall revoke, without further proceedings, the C.P.A. certificate of said person as prescribed in Section 22 of the Act.
32. On receipt of notice from the Department of Registration and Education that the registration of a Public Accountant has been restored the University may, without examination, restore the certificate of Certified Public Accountant of any person whose certificate had been revoked.

#### **AMENDMENT OF NONACADEMIC POLICY AND RULES**

(11) The Merit Board of the University Civil Service System of Illinois has considered certain recommendations submitted to it by the Civil Service Employees Advisory Committee, representing employees of all institutions in the System, and by collateral recommendations from the Faculty Administrative Advisory Committee of the University Civil Service System, representing the administrations of the several institutions in the System, for changes in the employees' benefit program. These proposals have also been considered by the Board of Trustees Committee on Nonacademic Personnel. The Merit Board has approved, with certain minor variations, the recommendations of these two advisory committees and recommends to the Board of Trustees of the University of Illinois that they be adopted effective July 1, 1957. These changes would involve the following amendments, in the sections and paragraphs indicated, of the "Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees" adopted by the Board of Trustees of the University of Illinois as the code for its employees.

*Present Policy*

## IV. HOURS

6. C. By mutual agreement between a department and an employee, with the approval of the Director, the employee may work overtime with equivalent time off at straight time (in lieu of cash payment), such time off to be taken at some mutually agreeable time:

1. Provided that this does not conflict with local prevailing practice.
2. Any time thus allowed must be used in the vacation year as defined in Section VII-1-B.

## VII. VACATIONS

2. The University recognizes vacation plans, as follows:

- B. 1.
  - b. For those employees with 10 or more years of service: Vacation shall be three work weeks in each year of service, except that in the prevailing rate groups vacations shall be two work weeks in each year of service unless under prevailing practice in their respective employee classifications a longer period of vacation is provided, in which case prevailing practice shall be followed as to that classification.

## VIII. DISABILITY BENEFITS

2. Each employee shall accumulate disability leave with full pay at the rate of one working day for each month of service until total accumulation is 45 working days. Amount of leave accumulated at the time when any disability begins shall be available in full and additional leave shall continue to be earned while an employee is using that already accumulated. After an employee has accumulated a total of 45 working days his rate of accumulation shall be reduced to one work day for each two months of service. There shall be no limit in the amount which may be accumulated at this rate thereafter. If use of available leave thereafter reduces the total to less than 45 days, the accumulation will again be at the rate of one day per month until a new total of 45 days is reached.
2. B. Disability leave may be used when it is necessary for an em-

6. C. By mutual agreement between a department and an employee, the employee may work overtime with time off at time and one half in lieu of cash payment, such time off to be taken at some mutually agreeable time.

## VII. VACATIONS

2. The University recognizes vacation plans, as follows:

- B. 1.
  - b. For those employees with 10 or more years of service, vacation shall be three work weeks in each year of service.  
(This proposed change became effective on July 1, 1957, in the State Civil Service. The Merit Board had previously recommended that the change be adopted as of July 1, 1957, subject to the acceptance of this policy by the State for its service.)

## VIII. DISABILITY BENEFITS

2. Each employee shall accumulate disability leave with full pay at the rate of one working day for each month of service. Amount of leave accumulated at the time when any disability begins shall be available in full and additional leave shall continue to be earned while an employee is using that already accumulated. There shall be no limit in the amount which may be accumulated.
2. B. Disability leave may be used when it is necessary for an employee to be absent from work because of an emergency illness in his immediate household or family.

ployee to be absent from work because of illness in his immediate household or family.

The Director of Nonacademic Personnel recommends adoption of the above amendments, and in addition he also recommends a change in:

### III. METHODS OF DETERMINING RATES OF COMPENSATION

#### *Present Policy*

4. A. The starting salary in every classification where the compensation lies between stated minimum and maximum rates instead of being a single fixed rate shall be determined by the Director of Nonacademic Personnel. In all those classifications where the maximum rate is \$300 per month or less, there shall be automatic increases at least once a year until the midpoint of the range of the classification is reached.

#### *Proposed Policy*

4. A. The starting salary in every classification where the compensation lies between stated minimum and maximum rates instead of being a single fixed rate shall be determined by the Director of Nonacademic Personnel. In all those classifications where the maximum rate is \$350 per month or less, there shall be automatic increases at least once a year until the midpoint of the range of the classification is reached.

The Board of Trustees Committee on Nonacademic Personnel has considered and is prepared to support these changes, and I concur.

On motion of Mrs. Holt, these amendments were adopted.

### HOUSING POLICY FOR SINGLE UNDERGRADUATE WOMEN AT THE CHICAGO PROFESSIONAL COLLEGES

(12) The Director of Housing and the Dean of Student Affairs at the Chicago Professional Colleges recommend adoption of the following policy governing housing of women students enrolled in the Chicago Professional Colleges:

1. All single undergraduate women students who during their enrollment are not living in their parents', relatives', or guardian's homes shall be required to live in approved housing unless special permission to live elsewhere has been granted in writing by the Director of Housing.
2. Subject to the approval of the Vice-President in charge of the Chicago Professional Colleges, the Dean of Student Affairs at the Chicago Professional Colleges shall establish written policies and procedures regulating issuance of special permission to live elsewhere, and shall judge cases referred to him by the Housing Division or by an individual student.
3. Undergraduate women students who presently live in housing which would not fulfill the requirements for special permission to be granted shall be required to give adequate notice to the landlord and transfer to the University Residence Hall or to other approved housing.
4. The Director of Housing shall be responsible for assigning space in the University Residence Hall and in any other University-owned and operated housing facilities.

For the purposes of implementing the above policy it is further recommended that single undergraduate women students be defined as those who have completed less than four years of college-level work. All such students shall be informed that after September, 1957, they should not enter into any contractual agreement, oral or written, which constitutes an exception to the above policy unless special permission in writing has been granted. It is the intent of the Housing Division to give priority in room assignments to present occupants and to undergraduate women students who occupied the Residence Hall during 1956-57 if their applications are received before a deadline specified by the Housing Division.

The Director of the Physical Plant, the Vice-President and Comptroller, and the Vice-President in charge of the Chicago Professional Colleges join in this recommendation.

With the advice of the University Dean of Students, I concur.

On motion of Mr. Bissell, these regulations were approved.

### **ADMISSION OF PATIENTS AND HOSPITAL CHARGES IN THE RESEARCH AND EDUCATIONAL HOSPITALS**

(13) Admissions and charges at the Research and Educational Hospitals are administered in accordance with policies and standards approved by the Board of Trustees. The present policies and schedule of charges were adopted by the Board of Trustees on May 27, 1947, and February 29, 1948. To follow changes in costs and to achieve improvements in procedure, it is recommended that new rates be established and certain procedures clarified.

The Medical Director of the Research and Educational Hospitals, the Dean of the College of Medicine, and the Executive Committees of the Hospitals and the College of Medicine have accordingly recommended adoption of a revised statement governing admission and charges to patients in the Research and Educational Hospitals as shown in Sections I and II of the Policy and Procedure Governing Admission of Patients, Policy Governing Hospital Charges, and Suggested Revision of Schedule of Charges.

The Vice-President in charge of the Chicago Professional Colleges endorses these proposals and recommends that they be made effective August 1, 1957, with the exception of the charge for each outpatient clinic visit. It is recommended that this latter charge be instituted at such time as facilities and procedures for handling billing and collections have been developed as determined by the Vice-President in consultation with the Medical Director.

It is further recommended that authorization be given for minor revisions to be made in the schedule of charges, as needed, on the recommendation of the Medical Director, the Vice-President in charge of the Chicago Professional Colleges, and with the approval of the Vice-President and Comptroller.

I concur. The Trustees Committee on the Chicago Departments has also considered these recommendations and is prepared to support them.

On motion of Mrs. Watkins, the following revised statement of policy and procedure and schedule of charges were approved.

#### **UNIVERSITY OF ILLINOIS RESEARCH AND EDUCATIONAL HOSPITALS**

##### **Policy and Procedure Governing Admission of Patients**

The Research and Educational Hospitals are operated and maintained by the University of Illinois for the advancement of medical education and research.

Primary consideration in selecting patients for admission is given to the teaching or research value of the clinical findings. Residence in the state of Illinois for at least one year prior to admission is required. Although admissions are not necessarily confined to those in the lower income bracket, if the medical factors of the case meet the primary consideration for selection, this group is given preference.

The Hospitals offer two types of service—inpatient and outpatient (clinic). The Hospitals reserve the right to assign patients to either, depending upon the characteristics of the case and facilities available at the time. The plan for teaching within the various departments limits the number of cases of any one particular type which may be accepted during a given period. The length of time that the patient is in the hospitals or clinic is necessarily limited. Patients are discharged at the discretion of the department to which they are assigned.

Application forms for the admission of a patient to the Research and Educational Hospitals and Clinics may be obtained from the Office of the Director of Admissions and Clinics. Information which is required includes name, address, age, sex, brief history, physical findings, pertinent laboratory values, and tentative diagnosis. Information regarding the financial status and resources of the patient are most helpful.

A statement from the physician is necessary if, in his opinion, the patient is physically unable to be cared for in the clinics on an ambulatory basis.

All applications for admission are reviewed by the Director of Admissions and referred to the appropriate department. Disposition of the applications will be made on the basis of teaching and/or research value. The referring physician will be informed as to the decision of the department.

Emergency cases, requiring immediate attention or admission to the Hospitals, should be handled by telephone. The referring physician should call the service within the Hospitals which, in his opinion, is most appropriately involved. The service will be able to give an immediate answer as to whether facilities are available for the case in question and, if not, what alternative arrangements might be made.

#### Policy Governing Hospital Charges

Charges, which are related to costs, are assessed for rooms (including meals, general nursing care, and some commonly used medications) and ancillary services. The latter are applied both to hospital patients and patients in the clinics. In every instance the charges are made in accordance with the resources of the patient and his ability to pay. In evaluating the patient's ability to pay, benefits from hospital prepayment plans are regarded as assets and patients will be required to assign these benefits to the Hospitals.

Three general categories of financial eligibility are recognized:

1. Indigent (unable to pay for own care and no agency responsibility apparent).
2. Part pay (medically indigent). The amount of payment toward hospital care or outpatient services is adjusted in accordance with ability to pay.
3. Full pay.

No distinction in the type of facilities or the character of the patient care will be made in relation to the financial coding of the patient.

No charges are made for any medical services. Essential services, which are supported by revolving funds, such as the Blood Bank, will receive priority in crediting payments from patients. Payments made by individual patients in excess of the amount needed to cover services furnished through revolving accounts will be regarded as general University income.

**AGREEMENT WITH THE WOMAN'S AUXILIARY OF THE CHICAGO  
PROFESSIONAL COLLEGES FOR SERVICES IN THE  
RESEARCH AND EDUCATIONAL HOSPITALS**

(14) Discussions have been carried on between representatives of the University at the Chicago Professional Colleges and the Woman's Auxiliary of the Chicago Colleges related to a proposed agreement with the Auxiliary under which it would furnish certain needed services in the Research and Educational Hospitals.

The Woman's Auxiliary of the Chicago Colleges is organized to be of service to the Chicago Colleges of the University. It has been especially helpful in assisting the Research and Educational Hospitals. The Auxiliary has supplied materials which were not otherwise available. Its activities have promoted the welfare of patients in the Hospitals.

It has become a well recognized practice in hospitals where an auxiliary exists for the auxiliary to operate a canteen or gift shop to supply certain things not ordinarily available to patients in the hospital and to patients' visitors. The materials supplied through such a canteen consist primarily of items which contribute to the comfort of the patient and to his well being but are not available within the hospital. In the Research and Educational Hospitals a burden has been carried by the nursing and orderly staff when they have acceded to requests to secure such items for patients.

Funds derived by the Auxiliary from the operation of a gift shop as proposed will ultimately find their way back to the University in the form of items purchased by the Auxiliary and given to the Hospitals for use in various wards and other areas in the Hospitals. In the past the Woman's Auxiliary has also supplied funds for research work and nursing scholarships.

The Vice-President in charge of the Chicago Professional Colleges and the Vice-President and Comptroller endorse the recommendation of an *ad hoc* Gift Shop Committee, headed by the Medical Director of the Hospital, that the University enter into an agreement with the Woman's Auxiliary whereby the Auxiliary will furnish certain services needed by the Hospitals, the agreement to embody the following principles:

1. The University will make space available in the Research and Educational Hospitals to the extent of three hundred square feet at this time for the activity.
2. No structural alterations will be made within the space without the written approval of the University.
3. The cost and installation of any equipment needed by the Auxiliary will be at Auxiliary expense. Any such equipment will not be installed without prior written approval of the University and will be removed by the Auxiliary at its expense at the termination of the agreement. The Auxiliary will stand the cost of maintenance and repair of such equipment and any repairs or restoration necessary to the building because of the removal of such equipment.
4. The services furnished by the Auxiliary will be supplied during such times and at hours satisfactory to the University. The services furnished will not be services deemed by the University to be contrary to its best interests.
5. Any personnel employed by the Auxiliary will be in accordance with personnel policies of the University so far as compensation and working conditions are concerned.
6. The Auxiliary will be responsible for its own operations in furnishing such services and shall carry on such functions as accounting, purchasing, maintenance of inventory, and similar matters separate and distinct from any University records.
7. The Auxiliary will supply at its own cost all insurance deemed necessary by the administration of the University.
8. Any necessary licenses or permits needed by the Auxiliary to carry out its obligations will be secured by the Auxiliary at its own expense.
9. The Auxiliary shall pay to the University rent in an amount to cover heat, electricity, janitorial service, and similar items which the University will supply.
10. The agreement entered into shall specify that it will remain in effect until terminated, with either the University or the Woman's Auxiliary having the right to terminate any agreement entered into upon ninety days' notice.

I concur and recommend that the Vice-President and Comptroller be authorized to enter into an agreement embodying the above principles, such agreement to be approved by the Legal Counsel.

On motion of Mr. Williamson, authority was given as recommended.

**PAYMENT OF CLAIMS OF DOROTHY MAE BRYANT  
AND WILLARD E. TRINKLE**

(15) On March 12, 1957, I presented to the Committee on General Policy a report from the University Committee on Accident Compensation, which hears claims presented by University employees under the Workmen's Compensation Act, of two claims filed after the one-year period provided by the statute of limitations but which the Committee advised should nevertheless be acknowledged as valid and paid due to mitigating circumstances. These are the cases of Willard E. Trinkle who is employed as a driver for the Physical Plant warehouse, Urbana, and Mrs. Dorothy Mae Bryant (nee Dorothy Mae Hicks) who was employed as a janitress in the Physical Plant Department, Chicago Professional Colleges. Both of these employees sustained injuries while engaged in their University work. I have authorized payment of these claims as follows: Willard E. Trinkle, \$4,100, and Dorothy Mae Bryant, \$918; and request confirmation of my action.

As a matter of further information on these cases, I submit a report prepared by the Legal Counsel, a copy of which is filed with the Secretary of the Board for record. The receipts and releases of the two claimants have also been filed with the Secretary.

This report was received for record.

**CHANGES IN SCHEDULES OF SPECIAL FEES**

(16) The Committee on Fees and Scholarships recommends the following changes in special fees:

*Child Development Laboratory School.* An increase in the tuition fees from the present fees of \$12.50 per semester and \$8.00 for the summer session to \$25.00 per semester and \$15.00 for the summer session, effective September 1, 1957. The present fee is not adequate to cover the cost of materials used by the children, e.g. paint, clay, paste, drawing papers. The proposed fee is reasonable in the light of services to parents and children (there being no other charge) and is consistent with the recent increases in tuition fees charged University students.

*Fees for Use of University Recreational Facilities.* The University of Illinois Statutes authorize the President of the University to permit use of its recreational facilities by individuals not students or members of the faculty under such conditions and terms as he may prescribe. Each year a number of persons (such as Chanute Air Force Base personnel, local business and professional men, wives of members of the faculty, and husbands of nonacademic personnel) are permitted the use of recreational facilities under this authorization and are charged fees. The present schedule of such fees was adopted in 1940. The Dean of the College of Physical Education has recommended, and the Committee on Fees and Schedules concurs, that the following revised schedule of fees be authorized:

Recreational sports fee for visitors, per semester.....	\$12 00
Recreational sports fee for visitors, for the summer term.....	6 00
Recreational sports fee for wives (or husbands) of members of the faculty, graduate students, and undergraduate students, per semester..	6 00
Recreational sports fee for wives (or husbands) of members of the faculty, graduate students, and undergraduate students, for the summer term.....	3 00
Present separate charges of \$1.00 for locker, \$.50 for towels, and \$1.00 deposit for padlock to be discontinued as the charges for these services have been included in the new basic fee.	

I recommend approval of these revisions.

On motion of Mr. Johnston, these changes in fees were approved.

**INSTITUTE FOR SUPPLEMENTARY TRAINING OF SECONDARY  
SCHOOL MATHEMATICS TEACHERS FOR THE  
ACADEMIC YEAR 1958-59**

(17) The Department of Mathematics has prepared a proposal to the National Science Foundation requesting \$269,158 to continue an institute for the supplementary training of fifty secondary school mathematics teachers during the academic year 1958-59. The receipt of \$86,700 for this purpose for 1957-58 was reported to and its acceptance was confirmed by the Board of Trustees on November 28, 1956. Subsequently, two additional grants of \$4,100 and of \$64,800 were made for this program for a period of approximately ten months beginning on or about August 15, 1957, which I now report for record.

The participants will receive stipends of \$3,000 each plus dependency, travel, and book allowances. Tuition and fees, direct costs to the University in conducting the institute, and indirect costs computed in accordance with the National Science Foundation policy, are also included in the amount requested.

This proposal has been approved by the Dean of the College of Liberal Arts and Sciences, the Dean of the Graduate College, the Vice-President and Provost, and the Vice-President and Comptroller.

I recommend that the Board authorize continuation of this program and an application to the National Science Foundation for additional funds as indicated above.

On motion of Mr. Hughes, authority was given as recommended.

**LEGAL SERVICES IN CHICAGO**

(18) The Legal Counsel was authorized to employ Mr. Prentice H. Marshall, an Associate of the law firm of Thompson, Raymond, Mayer, Jenner, and Bloomstein, Chicago, on a retainer basis for a trial period from July 1, 1956, to render such legal services as might be required of him, including representing the University in minor litigation, and advising University officials in Chicago. This arrangement has not eliminated entirely the necessity of employing other counsel in matters requiring the services of legal specialists, such as bond counsel and others, but has proved very satisfactory and helpful to the Legal Counsel.

On his request I recommend that the Board authorize continuation of the existing arrangement.

On motion of Mr. Williamson, this recommendation was approved.

**APPROPRIATION FOR LEGAL SERVICES OF SPECIAL COUNSEL**

(19) Because of the illness of the University Legal Counsel at that time, and pursuant to authority granted by the Board of Trustees at its January, 1957 meeting (minutes, page 185), Mr. Albert E. Jenner, Jr. and Mr. Prentice H. Marshall of the firm of Thompson, Raymond, Mayer, Jenner, and Bloomstein of Chicago, were engaged as special counsel for the University in connection with the appeal taken by Stephen and Betty Turkovich and Dahlen's Drug Stores, Inc. to the Supreme Court of Illinois from the decree of the Circuit Court of Sangamon County dismissing their suit to enjoin the University, the State Auditor of Public Accounts, and the State Treasurer from expending for the operation and maintenance of the University's educational television station any of the funds appropriated to the University by the Sixty-ninth General Assembly.

Holding that the University possesses legal authority and power to maintain and operate its educational television station for the purposes for which it was established, that the appropriations made to the University by the Sixty-ninth General Assembly to meet the University's ordinary and contingent expenses during the biennium which began June 1, 1955, included an appropriation of funds available for the operation of the station, and that the act appropriating said funds to the University was sufficiently itemized and in such form as to meet all constitutional requirements, the Supreme Court recently affirmed the decree of the Circuit Court of Sangamon County and its decision has become final. This litigation has resulted, therefore, in a complete victory from the standpoint of the University.

Mr. Jenner has presented a statement to the Legal Counsel showing that there is due his firm as its fee for its services to the University in this matter the sum of

\$6,875. Those services included, among others, a careful examination of the entire record in the case, the briefs filed in the trial court, the appeal papers, and the abstract of record and briefs filed in the Supreme Court by the plaintiffs; conferences with the University Legal Counsel and with Professors Russell N. Sullivan and Rubin G. Cohn who had assisted the Legal Counsel in the trial court; the preparation and filing of additional appeal papers, of an additional abstract of record, and of the University's brief in the Supreme Court; and the oral argument of the case in the Supreme Court.

The case presented several issues of great importance to the University; the decision of the Supreme Court in it is very gratifying and will prove very helpful and beneficial to the University in numerous respects; and the charge made by Mr. Jenner's firm for his and Mr. Marshall's services in the case is proper and reasonable having due regard to the importance of the case, the results obtained, and the time and work they were required to devote to it. It, in fact, constitutes appreciably less than is usually charged by their firm for services which consume as much time and are of comparable difficulty and importance.

Accordingly, the Legal Counsel and the Vice-President and Comptroller recommend that an appropriation of \$6,875 be made to the Legal Counsel's office from the General Reserve Fund and that they be authorized to pay for the services of Mr. Jenner and Mr. Marshall in this case with and from the same.

I concur.

On motion of Mrs. Holt, payment for these services was authorized, as recommended, and the appropriation requested was made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### **SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES**

(20) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve for the following purposes:

1. Department of City Planning and Architecture, equipment.....\$ 4 500 00
2. College of Liberal Arts and Sciences, improvements and redecorating in Lincoln Hall Theatre..... 7 575 00
3. College of Education, expenses of the Allerton House Conference on Education ..... 4 800 00
4. Department of Civil Engineering, alterations in Talbot Laboratory and Civil Engineering Hall to provide additional office space and purchase of equipment..... 30 000 00
5. Department of Mechanical Engineering, re-equipment of rooms in Mechanical Engineering Building for use as classrooms and drafting rooms ..... 3 095 20
6. Department of Theoretical and Applied Mechanics, alterations in Talbot Laboratory ..... 5 145 00
7. College of Physical Education, purchase of bus for physically handicapped students ..... 12 378 00
8. Department of Psychology, partitioning of rooms on the fourth floor of Gregory Hall..... 9 660 00
9. Establishment of a new Safety Division; office equipment and library..... 5 000 00
10. Remodeling and minor additions at Champaign-Urbana..... 200 000 00
  - Relocation of Stenographic Bureau
  - Relocation of University Press
  - Remodeling in the Administration Building
  - Relocation of offices for the College of Commerce and Business Administration
  - Relocation of art studios in the Law Building basement
  - Relocation of Visual Aids from Illini Hall-Arcade Building to the Bevier Hall basement
  - Relocation of Elementary Laboratory School, now in the Parade Ground Units

II. Chicago Undergraduate Division, equipment for office of Liberal Arts and Sciences.....	4 524 00
<i>Total</i> .....	<u>\$286 677 20</u>

I concur.

On motion of Mr. Bissell, these appropriations were made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### **APPROPRIATION FOR OFFICE OF NONACADEMIC PERSONNEL**

(21) An appropriation of \$5,000 was approved by the Board of Trustees (February 14, 1957) for advertising cost for nonacademic personnel for the two Chicago Campuses.

The recruitment of staff continues to be difficult. The situation may be eased somewhat because of the higher salary rates possible in the 1957-58 budget, but there is a total shortage of qualified applicants as compared to the total needs of the Chicago area. Hence, it will be necessary to continue the advertising program if the University is to obtain the help it needs.

The Director of Nonacademic Personnel requests an appropriation of \$5,000 for advertising costs on the two Chicago Campuses. The Vice-President and Provost and the Vice-President and Comptroller concur in this recommendation, as well as the executive officers at those campuses.

I recommend approval.

On motion of Mrs. Holt, this appropriation was made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### **APPROPRIATION FOR REMODELING FOR SCHOOL OF SOCIAL WORK**

(22) The academic and administrative staff of the School of Social Work requires office space in Chicago. The clinical aspects and field work of their program are mainly there. Heretofore, space has been provided at the Chicago Undergraduate Division but it is not adequate for the School of Social Work and is needed for other purposes.

Space has been assigned the School by the Vice-President in charge of the Chicago Professional Colleges in the East Dentistry-Medicine-Pharmacy Building, which location will permit closer coordination of the program of the School of Social Work with that in medical social work. An acoustical ceiling and some movable partitions are required to make the space usable. The estimated cost is \$6,000.

The Vice-President and Provost and the Vice-President and Comptroller recommend an appropriation of \$6,000 for this purpose.

I concur.

On motion of Mr. Johnston, this appropriation was made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### **REASSIGNMENT OF FUNDS FOR ARCHITECTURAL AND ENGINEERING SERVICES**

(23) The Board of Trustees on October 22, 1956, made assignments of \$156,000 for architectural services on buildings in the 1957-59 building program and of \$40,000 for the engineering services on the Abbott Power Plant addition and Utilities Distribution System, both from the General Reserve Fund, so that building studies and design work on these projects could be started as soon as feasible.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the unexpended balance of approximately \$164,000 in these assignments of funds be reappropriated and made available for architectural and engi-

neering services on projects and campus plan studies in the 1959-61 building program as well as for projects in the 1957-59 program. They also recommend that the estimated expenditure of \$13,000 for campus plan studies and consulting services by Ambrose M. Richardson and Associates, on which there is a separate recommendation to the Board of Trustees, be paid from this reassignment of funds. I concur.

On motion of Mr. Bissell, these funds were reappropriated and re-assigned, as recommended, by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### APPROPRIATIONS BY ATHLETIC ASSOCIATION

(24) The Board of Directors of the Athletic Association has approved deficiency appropriations, totaling \$12,000, for the 1956-57 fiscal year as follows: basketball, \$3,000; gymnastics, \$1,000; personnel, \$2,000; publicity, \$4,000; wrestling, \$1,200; and concessions, \$800.

The deficit in publicity and concessions resulted primarily from a greater volume of sales of programs and concessions than anticipated, thus requiring further purchases, but this of course, resulted in increased income from those sources. Most of the other deficiencies are in traveling expenses.

These adjustments in the Athletic Association budget are reported for confirmation.

On motion of Mr. Bissell, these adjustments were confirmed.

#### ADDITION TO CONTRACT WITH AMBROSE M. RICHARDSON AND ASSOCIATES FOR ARCHITECTURAL SERVICES

(25) On July 25, 1956, the Board of Trustees authorized award of a contract to Ambrose M. Richardson and Associates for design work on the Women's Residence Hall, Men's Residence Hall, Fine Arts Center, campus plan studies, and for consulting services on other buildings, on a cost-plus basis, with a maximum of \$37,000. The amount of work requested of Mr. Richardson's firm has been greater than anticipated and the Director of the Physical Plant and the Vice-President and Comptroller recommend increasing the contract to a maximum of \$42,300.

Funds are available in appropriations for the projects on which services will be performed.

I concur and recommend that the Comptroller be authorized to execute the requested increase in the contract.

On motion of Mrs. Watkins, the Comptroller was authorized to execute this change in the contract.

#### ARCHITECTURAL SERVICES ON NEW BUILDINGS

(26) The Committee on Buildings and Grounds at a meeting held on June 20, 1957, considered recommendations for the employment of architects on new building projects as shown below. The recommendations were supported by reports from the Director of the Physical Plant presenting the scope and nature of each project, the criteria set up for each, and the architectural firms considered qualified in terms of these criteria. The following recommendations for employment of architects are submitted with the concurrence of the Committee on Buildings and Grounds:

Student Services Building — Perkins and Will, Chicago

This firm proposes to provide complete architectural and engineering services for a fee of 6 per cent of contracts with the understanding that:

They are not to be paid more than \$22,500 if the project does not proceed beyond the study stage.

If the project is stopped prior to completion of studies, they are to be paid drafting room salaries plus 100 per cent, or

If the project is stopped after studies are completed, they are to be paid the

\$22,500 for studies, plus drafting room salaries, plus 100 per cent for the work done thereafter, also

No payments above the \$22,500 are to be made prior to August 1, 1957.

**Housing Building at Robert Allerton Park—Smith, Kratz, and Associates, Urbana**

This will be a low cost twelve-unit motel type of one-story lodging building adjacent to Allerton House, and so located that an additional unit may be added at a later date.

The firm of Smith, Kratz, and Associates has designed many projects in collegiate Gothic, Classical, and Georgian styles. They propose to employ engineering consultants for such incidental mechanical services as may be necessary. This firm has proposed a standard fee of 6 per cent of construction costs for complete services, with the understanding that the firm will be reimbursed for all travel expenses and will not provide a clerk-of-the-works type of superintendence, only periodic visits to the project as may be necessary. The estimated cost of this project is \$40,000.

**Architectural Consultant and Designer—Ambrose M. Richardson of Ambrose M. Richardson and Associates**

The University had a contract with this firm during the year 1956-57 for the following services:

- a. Building studies on a women's residence hall with a capacity of approximately 1,000.
- b. Building studies on the first unit of a new Fine Arts Center.
- c. Campus plan studies at Urbana-Champaign.
- d. Completion of services on the men's residence halls project to be constructed on the Parade Ground area.
- e. Consultative services on the building design of the Plant Sciences Building, family housing project, Central Food Stores Building, Illini Union Addition.

In addition, Mr. Richardson has contributed substantially to the design of the Physics Building, the Residence Hall for Unmarried Graduate Men, and the Digital Computer Laboratory.

The services of his firm have been highly satisfactory, and it is proposed that the firm be employed for another year beginning August 1, 1957, for the following services:

- a. Building studies for men's residence halls with a capacity approximately 1,000 (Residence Halls for Single Undergraduate Men, Stage 4, scheduled for completion in 1960-62).
- b. Building studies on a women's residence hall with a capacity approximating 750 (Residence Halls for Single Undergraduate Women, Stage 3, scheduled for completion in 1961).
- c. Continuing services on projects on which Mr. Richardson has already presented building designs (Fine Arts Center, Men's Residence Halls, Stages 2 and 3, and Women's Residence Halls, Stage 2).
- d. Continuation of campus plan studies at Urbana-Champaign.
- e. Consultative services on the design of projects on which plans and specifications will be prepared by other architects.

Compensation for these services will be as follows:

- a. Men's Residence Halls—\$21,000—to be advanced from funds available to the Housing Division and ultimately reimbursed from borrowed funds on construction.
- b. Women's Residence Hall—\$13,000—to be advanced from funds available to the Housing Division and ultimately reimbursed from borrowed funds on construction.
- c. Continuing services on housing projects and Fine Arts Center—\$1,500—to be charged against the funds available for construction.
- d. Campus plan studies and consultative services—\$13,000—to be financed from a nonrecurring appropriation.

I concur.

On motion of Mr. Johnston, the foregoing recommendations were approved, and the Comptroller and the Secretary of the Board were authorized to execute the necessary contracts.

**ENGINEERING SERVICES FOR UTILITIES DISTRIBUTION SYSTEM**

(27) On October 22, 1956, the Board of Trustees authorized an agreement with Sargent and Lundy, Consulting Engineers, Chicago, for complete engineering services on two phases of the utilities distribution system program at Urbana-Champaign (an extension of the tunnel and piping plus the construction of a new kva load center).

The proposed capital appropriations for 1957-59 include funds for extensions of the utilities distribution system on which the design and engineering services of Sargent and Lundy are needed. The construction and installations, estimated to cost approximately \$2,118,000, will include:

Extension of steam conduit from Mathews Avenue tunnel to Davenport Hall and Chemistry Annex.

Construction of steam tunnel from present tunnel on the north side of the Library east to tunnel along the east side of Smith Music Hall.

Extension of Goodwin Avenue steam tunnel from the south side of the Student-Staff Apartments to north side of Green Street and east of the Physics Building.

Installation of a six-inch return main in present tunnel on Mathews Avenue from Illinois Street to Smith Music Hall.

Construction of a new 13.8 kva substation in the Biology Building with 5,000-volt transformer and with switchgear in Abbott Power Plant, with normal and reserve feeder cable, supervisory controls, and batteries.

Construction of a new 4.16 kva load center in or adjacent to the Natural History Building to be powered from the new substation in the Biology Building to supply power for the new Physics Building.

The Director of the Physical Plant and the Vice-President and Comptroller recommend an addition to the present contract with Sargent and Lundy to provide for engineering services for the construction and installation listed above, subject to the availability of funds in the state appropriations for 1957-59. Charges for these services will be:

Current Expense Charges — Engineering and drafting at actual salary and wages plus 50 per cent; stenographic and clerical expense, travel expense, and miscellaneous expense at actual cost to Sargent and Lundy.

Fixed Fee Charge — One and one-half per cent of the mutually agreed upon estimate of the cost of the project to completion (exclusive of Sargent and Lundy's current expense charges, and the University's engineering, supervisory, and overhead costs).

Resident Field Engineer — Services of a resident field engineer to be on the basis of actual salary, plus 15 per cent, plus travel and field expense.

These terms are the same in the present contract approved by the Board of Trustees October 22, 1956.

The estimated cost of these additional engineering services is \$62,500.

I concur and recommend that the Comptroller be authorized to execute this addition to the Sargent and Lundy contract.

On motion of Mr. Hughes, the Comptroller was authorized to execute this change in the contract.

**CONTRACT FOR NEW COOLING TOWER FOR  
ABBOTT POWER PLANT ADDITION**

(28) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$76,245 to the Fluor Products Company, Oak Park, for the purchase and erection of a new cooling tower at the Abbott Power Plant addition (unit 6).

Funds are available in the state appropriations to the University for 1957-59 for buildings and other permanent improvements, subject to release by the Governor.

After careful review of three proposals received for this work, Sargent and Lundy, consulting engineers for this project, reported that the proposal from the Fluor Products Company is the only one that fully complies with the bid documents, and that all factors considered it will provide the lowest over-all cost to the University.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to release of funds.

On motion of Mr. Johnston, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same, subject to release of funds. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### CONTRACTS FOR EQUIPMENT FOR ABBOTT POWER PLANT ADDITION

(29) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for items of equipment and structural steel for the Abbott Power Plant addition (unit 6) as follows, the award in each case being to the lowest bidder:

##### Turbine Generator Unit and Electrical Equipment (Division "7-B")

	<i>Base Bid</i>	<i>Maximum Cost</i>
General Electric Company 840 South Canal Street Chicago 80, Illinois	\$631 000 Subject to 10 per cent escalation	\$694 100

##### Condensing Equipment (Division "7-C")

Worthington Corporation 400 West Madison Street Chicago 6, Illinois	80 700 Subject to 10 per cent escalation	88 770
---	---	--------

All bids on the turbine generator unit and electrical equipment, and on the condensing equipment are subject to adjustment upward or downward for changes in labor and material costs at the time shipments are due (balance due after the date of shipment is adjusted as of the date of shipment), a provision generally adopted by the industry. Bid prices are f.o.b. Abbott Power Plant.

##### Structural Steel (Division "7-D")

##### *Unit Prices per Pound for*

	<i>Structural Steel Members</i>	<i>Bracing Members</i>	<i>Column Anchor Bolts</i>
Hansell-Elcock Company 485 West 23rd Place Chicago 16, Illinois	35 tons \$.165	4 tons \$.2065	0.2 tons \$.30

All of these prices are firm for the structural steel furnished and are f.o.b. Abbott Power Plant.

Based on the bid prices per pound and the estimated quantities of structural steel required, the total cost will be approximately:

Structural Members, 35 tons.....	\$11 550
Trusses and Bracing Members, 4 tons.....	1 652
Column Anchor Bolts, 0.2 tons.....	120
<i>Total</i> .....	<i>\$13 322</i>

The quantities of the various classifications of structural steel are based on preliminary estimates of requirements and the total tonnage to be purchased may vary from those established by 10 per cent or more when detailed drawings are developed.

Sargent and Lundy, Chicago, consulting engineers for this project, have reviewed all bids received and report that the proposal of the lowest bidder in each case is in line with estimates of costs and complies with bidding requirements in all respects.

Funds for this equipment and installations are available in the state appropriation "For an addition to the Power and Heating Plant, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work," subject to release by the Governor.

I recommend that the contracts be awarded, as recommended, subject to release of funds. A schedule of the bids received and a memorandum explaining the operation of the escalation provision are attached.

On motion of Mr. Nickell, these contracts were awarded, as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Hughes, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Stratton, Mr. Swain.

#### **CONTRACT FOR LAUNDRY SERVICE AT THE CHICAGO PROFESSIONAL COLLEGES**

(30) The Business Manager of the Chicago Professional Colleges and the Vice-President and Comptroller recommend award of a contract for \$51,761.76 to the Great Western Laundry Company, 2125-47 West Madison Street, Chicago, the lowest bidder, for laundry service at the Chicago Professional Colleges.

This service will include pickup and delivery at approximately sixty-five departments of the Chicago Professional Colleges requiring laundry service. The contract is for one year from July 1, 1957, with a provision that it may be renewed for one additional year at the rates quoted if mutually satisfactory to the University and the Great Western Laundry Company. The contract may also be cancelled by either party upon thirty days' written notice.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Williamson, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **CONTRACT WITH OZARK AIR LINES FOR USE OF UNIVERSITY OF ILLINOIS AIRPORT**

(31) The Ozark Air Lines has had a contract with the University Airport which has provided for the two-year period ended June 30, 1957, and the Ozark Air Lines paid to the University the following charges:

1. Landing fees \$360 per month or two per cent of the "on line" revenue, whichever is greater, for up to fifteen flights daily.
2. Rental of office space at \$75 per month.
3. Payment of the salary of a lineman at \$335 per month.
4. Gasoline sales at cost plus a handling charge of four cents per gallon.

This contract expired as of June 30, 1957. In view of the possibility that a new Administration Building may be constructed at the University Airport, the Director of the Institute of Aviation recommends that the present contract terms with one change be continued on a month-to-month basis until the University is in a position to negotiate a contract which will be based upon the new facilities. The change is an increase to \$390 for the salary of the lineman. Ozark Air Lines has indicated their agreement to this procedure with the understanding that they may wish to discontinue the services of the lineman later in the year.

Accordingly, the Director of the Institute of Aviation and the Vice-President and Comptroller recommend that the present contract arrangements be continued on a month-to-month basis until the plans for the new Administration Building are more definitely known, but not to be continued for more than a year on this basis.

On motion of Mr. Bissell, this contract was awarded, and the Comptroller and the Secretary of the Board were authorized to execute the same.

#### **ADDITION TO CONTRACT FOR ELECTRICAL WORK ON BAND BUILDING**

(32) Pursuant to authorization of the Board of Trustees, and on recommendation of the Vice-President and Comptroller, I have approved an increase of

\$8,864 in the contract with Fedco Electrical Contractors, Inc., for the electrical work on the construction of the new Band Building to provide for wiring installations for sound recording equipment. The built-in conduit required was included in the building, but the installation of the wiring was not included in the plans and specifications since they could not be drawn until after the sound recording equipment had been selected and purchased. This was deferred until provisions were made for other necessary construction and installations, and it was known that sufficient funds would be available in the appropriation for the building. When it was determined how much money could be used for recording equipment, it was selected and Consulting Engineering Service of Urbana was employed to design the wiring for the equipment. Specifications were then submitted to the Fedco Electrical Contractors, Inc., and a proposal received for the completion of the additional wiring. Consulting Engineering Service and the University Architect's office have checked this proposal and find the estimate of the cost reasonable.

On motion of Mrs. Holt, the action of the President was confirmed.

#### CANCELLATION OF BOILER INSURANCE

(33) On January 13, 1949, the Board of Trustees approved a recommendation of the Finance Committee for the adoption of broad principles governing the University's insurance practices. Section II, Subsection (3) states: "Casualty insurance coverage is not recommended on University risks except where it is expedient to have competent inspection service for the prevention of accidents." Under this provision, boiler and machinery insurance has been purchased to obtain the inspection services offered by insurance companies under this type of policy.

In the budget for 1957-58, an appropriation for a Safety and Fire Protection Board is proposed. The new staff can provide the inspection service desired. The Director of the Physical Plant and the Vice-President and Comptroller recommend that boiler and machinery insurance be terminated as soon as the necessary staff can be employed. They also recommend that Section II, Subsection (3) of the University insurance practices be rescinded, and that the University set up its own safety inspection program for boiler and machinery equipment.

I concur.

On motion of Mr. Johnston, this amendment of the University's policy governing insurance practices was approved.

#### GRANTS FOR INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS BUILDING

(36) The Trustees of the William Green Memorial Fund (the Green Fund was established in memory of the late President of the American Federation of Labor) approved a grant of \$50,000 to the University to finance in part the construction of a building for the Institute of Labor and Industrial Relations. This grant, which was secured with the assistance of President Reuben Soderstrom of the Illinois State Federation of Labor, has been made contingent upon the raising of additional funds by July 1, 1959.

The International Executive Board of the United Steel Workers of America at a recent meeting made a grant of \$50,000 to the University for this same project. In fact, President David J. McDonald of the United Steel Workers of America has sent the University, through Director R. W. Fleming of the Institute of Labor and Industrial Relations, a check for this amount. The money has been deposited in the Business Office in a special trust account for this project.

This report was received for record.

#### STATE LEGISLATION AFFECTING THE UNIVERSITY OF ILLINOIS

(37) There is presented for the information of the Board a list of the Acts of the Seventieth General Assembly of Illinois in its regular session of 1957 directly affecting the University, including the appropriations to the University, and a copy is hereby given to the Secretary of the Board for record.

This report was received for record.

#### RESOLUTIONS

At this point President Livingston announced that three members of the Board had resolutions they desired to present.

Mrs. Watkins offered the following resolution and moved its adoption:

#### To Josef F. Wright

The Board of Trustees of the University of Illinois expresses its grateful appreciation of your services in the public information work of the University in the thirty-eight years from 1919 to 1957.

After serving for one year as assistant to President David Kinley you were appointed as the first person to devote full time to keeping the University before the people. Pioneering in this field, you made a significant contribution by improving relations between the University and the people of Illinois. Your loyal service in bringing to the attention of the State and the Nation the teaching resources of the University and its research accomplishments has brought recognition and distinction to this institution.

The President and other administrative officers of the University join the members of the Board of Trustees in extending best wishes to you and Mrs. Wright for the years to come.

The Board directs that this resolution be incorporated in the minutes of today's meeting to become a part of the official record and that a suitable copy be given you as a permanent reminder of the esteem and affection in which you are held.

This resolution was unanimously adopted.

Mr. Johnston offered the following resolution and moved its adoption:

#### **Henning Larsen**

When Professor Henning Larsen joined the faculty of the University of Illinois in 1939 he brought to the Department of English the mature distinction of his scholarship in philology, and contributed significantly and constructively to the administration of that Department as its Head from 1945 to 1947.

He served faithfully, wisely, and well the College of Liberal Arts and Sciences as its Dean during the trying and dramatic period of expansion following World War II, from 1947 to 1953.

As Vice-President and Provost of the University, he has been called upon almost daily to render decisions, many of them difficult and vexing, and he has discharged these responsibilities with exemplary fairness and firmness.

In his eighteen years of service to the University of Illinois, he has contributed not only scholarship and teaching of the highest quality but administrative expertness, always with complete dedication to the best interests of the University.

Now, therefore, be it and it is hereby resolved by the Board of Trustees of the University of Illinois, that, as his retirement nears, the Board of Trustees in this wholly inadequate but most sincere measure expresses its gratitude to Doctor Henning Larsen for his faithfulness, his steadfastness, and for his complete devotion to the University which for these past eighteen years has been privileged to serve as the instrument for his distinguished contributions to higher education.

This resolution was unanimously adopted.

Mr. Bissell offered this resolution and moved its adoption:

#### **To Governor William G. Stratton**

During the past year members of the Board of Trustees and the President of the University of Illinois have again had the privilege of consulting with you regarding the University's problems and its future development in serving the people of Illinois. On all of these occasions you have received them graciously and have given their presentations statesman-like consideration. The principal appropriation measures, along with other items of legislation important to the welfare of the University, which have been passed by the General Assembly and approved by you will enable the University to eliminate many of the present deficiencies and approach its new tasks with optimism.

Important as are all of these material measures for faculty and student morale, your understanding, your vision, and your good will are a source of strength for the Trustees and the University in working for the solution of problems that still lie ahead.

The Board of Trustees is deeply grateful for your leadership in all the issues affecting the University of Illinois, and herewith records its appreciation in the belief that the people of Illinois, too, will feel a sense of gratitude for the progress in the State's meeting its responsibilities for higher education. The program which you have sponsored and which the General Assembly has adopted indicates that Illinois is not only aware of the problems confronting all colleges and universities within its borders but is prepared to deal effectively with them.

This resolution was unanimously adopted.

Mrs. Watkins moved that the Secretary be instructed to have suitable copies of all three resolutions prepared, and to send them to Messrs. Wright, Larsen, and Stratton.

This motion was adopted.

**SECRETARY'S REPORTS**

The Secretary presented for record the following lists: (1) appointments made by the President; (2) graduate fellows; (3) resignations, cancellations, and declinations; (4) leaves of absence.

**APPOINTMENTS MADE BY THE PRESIDENT**

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

- AINSWORTH, STANLEY, Research Associate in Botany, eleven months from October 1, 1957, \$5500 a year (6-12-57).
- ALDRICH, SAMUEL R., Professor of Soil Extension (Agronomy) (E), indefinite tenure beginning September 1, 1957, \$10,300 a year (7-8-57).
- ALLHANDS, TYLER, Instructor in Mathematics, Summer Session of 1957, June 17-August 10, 1957, \$1067 for the period (6-28-57).
- ANDERSON, JOHN D., Assistant Professor of Physiology,  $\frac{3}{4}$  time, two months from June 16, 1957, \$950 for the period (6-13-57).

#### RESIGNATIONS, CANCELLATIONS, AND DECLINATIONS

- ABARCAR, GUEDELIA M., Fellow in Education—resignation effective September 16, 1957.
- ABDULIAN, DANIEL H., Research Assistant in Pharmacology, College of Medicine—declination effective July 1, 1957.
- AMADOR, LOUIS V., Clinical Assistant Professor of Neurological Surgery (Medicine)—resignation effective July 1, 1957.
- BAKOS, HELEN M., Fellow in Zoology—resignation effective September 16, 1957.
- BOWERS, ROSEMARY E., Head Resident of Lincoln Avenue Residence—resignation effective July 1, 1957.
- BRUNN, KENNETH R., Research Associate in Electrical Engineering—resignation effective July 1, 1957.
- CHEN, TIEN Y., Assistant Professor of Civil Engineering—cancellation effective June 30, 1957.
- CHEW, GEOFFREY F., Professor of Physics—resignation effective September 1, 1957.
- COOPER, LEON N., Research Associate in Physics—resignation effective July 19, 1957.
- DANIEL, THELMA N., House Director of Gamma House—resignation effective July 1, 1957.
- DARON, HARLOW H., Charles Pfizer and Company, Inc. Fellow in Chemistry—declination effective June 16, 1957.
- DI GIOVANNI, MRS. JOAN F., Assistant Head Resident of Lincoln Avenue Residence—resignation effective July 1, 1957.
- DUETTI, MRS. MARGARET, Rare Book Room Assistant in the Library—resignation effective September 1, 1957.
- GATTIS, MRS. ELIZABETH S., Cataloger, with rank of Instructor, in the Library—resignation effective July 1, 1957.
- GEILER, RONALD S., Research Associate in the Control Systems Laboratory—resignation effective August 6, 1957.
- HALTIWANGER, MRS. MARGARET, Instructor in Home Economics—resignation effective September 1, 1957.
- HARRIS, PAUL E., Research Associate in the Control Systems Laboratory—resignation effective August 8, 1957.
- JOHNSON, OGDEN C., Research Associate in Food Technology—resignation effective July 1, 1957.
- JONES, NORMAN D., Instructor in Veterinary Anatomy and Histology—resignation effective July 19, 1957.

- KLEIN, RICHARD E., Assistant in Physical Education for Men — declination effective September 16, 1957.
- LAWLESS, MRS. NANCY M., Research Assistant in Medicine — resignation effective July 1, 1957.
- LEVY, SAUL, Assistant Professor of Dentistry and Coordinator of the Postgraduate Programs (Dentistry) — resignation effective September 1, 1957.
- LONG, MRS. L. LENORE, House Director of T Dormitory "B" — resignation effective July 1, 1957.
- LONGACRE, ANDREW, Research Professor in the Control Systems Laboratory, resignation effective August 1, 1957; Professor of Physics — resignation effective September 1, 1957.
- LOW, FRANCIS E., Associate Professor of Physics — resignation effective September 1, 1957.
- MADER, GEORGE E., Research Assistant in the Control Systems Laboratory — resignation effective August 9, 1957.
- MCCALL, HOWARD E., Research Associate in Architecture, Small Homes Council — resignation effective August 1, 1957.
- MELGRAVE, ANTHONY P., Instructor in Anesthesiology (Medicine) — resignation effective July 1, 1957.
- MURTHY, MRS. LALITHA R., Assistant in Food Technology — resignation effective July 1, 1957.
- OSE, EARL E., Instructor in Veterinary Pathology and Hygiene — resignation effective July 14, 1957.
- RODEMS, JAMES D., Research Associate in the Control Systems Laboratory — resignation effective August 16, 1957.
- RUMBLE, MRS. LUCY, Serials Librarian, with rank of Assistant Professor — resignation effective September 1, 1957.
- SCHOEN, MRS. ELIZABETH E., Assistant in Animal Science — resignation effective July 1, 1957.
- SHANNON, MARGARET L., Assistant in Home Economics — resignation effective June 15, 1957.
- SMITH, JAMES O., Professor of Theoretical and Applied Mechanics — resignation effective June 16, 1957.
- STONE, MRS. NELLE O., Resident Assistant, Arbor Suites — resignation effective July 1, 1957.
- TETON, JOSEPH B., Gynecological Consultant in the Health Service (Chicago Professional Colleges) — resignation effective July 1, 1957.
- TOTARO, JOSEPH V., Assistant Professor of Education and Acting Head of Teacher Placement on the University Council on Teacher Education — resignation effective September 1, 1957.
- WACHI, FRANCIS M., Fellow in Chemistry — resignation effective September 16, 1957.
- WIREN, HAROLD N., Engineering Library Assistant — resignation effective September 1, 1957.

#### LEAVES OF ABSENCE

- BATEMAN, HARRY P., Assistant Professor of Agricultural Engineering — leave of absence, without pay, one year from September 1, 1957, so that he may pursue work toward the Doctor of Philosophy degree.
- BEAVERS, ALVIN H., Assistant Professor of Soil Physics (Agronomy) — leave of absence, without pay, six months from March 1, 1958, so that he may continue work at the Kearney Foundation of Soil Science following his sabbatical leave of absence for the first semester.
- BERNARDINI, GILBERTO, Research Professor of Physics — leave of absence, without pay, academic year beginning September 1, 1957, so that he may spend the year working as a Director of a Research Program at CERN, the International Nuclear Physics Laboratory in Geneva, Switzerland.
- BROWN, DONALD E., Associate Professor of Journalism and Communications and News Supervisor in the Radio Station — leave of absence as News Supervisor in the Radio Station, without pay, June 10-August 9, 1957.
- CRONBACH, LEE J., Professor of Education in the Bureau of Educational Research — leave of absence, without pay, one month from July 1, 1957.
- CROSS, PATRICIA, Assistant Dean of Women — leave of absence, without pay, four months from February 15, 1958, so that she may use the time for research and the writing of her doctoral dissertation.

## APPENDIX

## THE UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1957-58

(Approved by the Board of Trustees July 16, 1957, page 510)

## EXPLANATORY NOTES

This budget consists of three volumes:

- I. Summaries of all divisions; Urbana-Champaign divisions and general University administration—academic and administrative salaries, wages, expense, and equipment.
- II. Chicago Professional Colleges (including Division of Services for Crippled Children) and Chicago Undergraduate Division—academic and administrative salaries, wages, expense, and equipment.
- III. Nonacademic salaries, all divisions.

Appropriations for salaries are available for the term indicated in each case but not for more than one year from September 1, 1957.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may be used to hire employees temporarily engaged to do the work contemplated by the position upon proper authorization of the Bursar or Office of Nonacademic Personnel, so long as such temporary charges do not exceed the amount of time provided by the position. Student employees may not be charged directly against salaries.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries" and "Wages, Expense, and Equipment." Transfers may be made between "Salaries" and "Wages, Expense, and Equipment" upon approval of the Vice-President and Provost, except that transfers between salaries and wages may be made by the Vice-President and Comptroller to the extent of the full-time equivalence of the salary positions. All requests for transfers should be submitted through the Vice-President and Comptroller, with the reason for the transfer. Nonrecurring unassigned items may be assigned to departments for equipment or minor remodeling projects, merely upon notice to the Accounting Division, except that any assignment of more than \$1,000 must first be approved by the Vice-President and Provost.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1957. All balances and overdrafts in regular appropriations will be carried forward to 1958-59 unless otherwise notified by the Business Office.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds, and restricted budgets are on an estimated basis. Appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be cancelled if the funds for cooperative investigations are withdrawn.

1. The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

a. For positions or portion of positions indicated as "Y," services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y."

b. For positions or portion of positions not indicated as "Y," services are required only during the academic year of two semesters (three terms in Chicago Professional Colleges). Summer session teaching, if required, will be covered by an additional appointment with salary.

2. Services of the nonacademic staff are in accordance with Civil Service regulations.

*Tenure Symbols* (a number following indicates percentage of time)

A — Indefinite tenure, payable in twelve monthly installments.

B — Two years from September, 1957, payable in twelve installments.

D — One year, payable in twelve installments from September 1, 1957.

E — The academic year 1957-58, payable during nine months from September 16.

- F — One year from effective date indicated (other than September 1).  
 G — For the period indicated (less than one year and not on "Y" status).  
 N — In accordance with Civil Service regulations, effective July 1, 1957, with payments on a monthly basis.  
 NS — Same as N, except work week is five and one-half days.  
 H — In accordance with Civil Service regulations on an hourly basis.  
 P — At prevailing rates. Amount indicated is estimated annual salary based on normal number of hours.  
 Y — Indicates that services are required throughout the year, except for allowable vacation, without additional compensation.  
 Z — Indicates person's name appears in two or more budgets.  
 R — On retirement annuity from University Retirement System.  
 RA — Receiving retiring allowance from the University (old system).  
 In the College of Agriculture, additional symbols are used to designate fund, as explained in the Agriculture Summary. In Engineering, "C" and "S" indicate College and Station.

#### *Perquisite Designation*

Perquisites University — Perquisites for the convenience of the University.

Perquisites Employee — Perquisites for the convenience of the employee.

In Chicago Nonacademic budgets, "M's" are used to designate meals and "R" room for convenience of the employee; "X" is used for meals for convenience of the University. Dollar amounts do not include any perquisites for the convenience of the University.
