MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

JULY 12, 1922

The July meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 10 a. m. on Wednesday, July 12, 1922.

When the Board convened, the following members were present: President Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Trimble. Mrs. Blake and Dr. Noble came later.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of May 26 and June 13, 1922.

On motion of Mrs. Evans, the minutes were approved as printed on pages 213 to 289 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

CEMENT PURCHASED FOR STADIUM

(1) A report that at the request of the Athletic Association, through Mr. George Huff, the President of the Board has authorized the Association to enter into a contract to purchase the cement for the Stadium, the terms of the contract having been approved by the Building Committee. The contract is with the Universal Portland Cement Company for approximately 30,000 barrels of cement, at a price of \$2.52 a barrel, F. O. B. car Champaign, with a reduction of 40c a barrel for the return of the sacks, and with 10c a barrel cash discount.

This request was considered at a meeting of the Executive Committee held in Champaign, on Wednesday, June 14, and was approved.

This report was received for record.

WORK IN JOURNALISM

(2) A request for authority to proceed as may seem best with the matter of establishing a department or a school of Journalism (see page 257, May 26, 1922).

On motion of Mr. Hoit, this authority was granted.

CHANGE IN CURRICULUM IN INDUSTRIAL EDUCATION

(3) A recommendation, approved for the Senate by the Council of Administration, that in the curriculum in industrial education the requirement in the teaching subject be made twenty-five semester hours instead of fifteen semester hours, as at present.

This recommendation was approved.

BACHELOR OF SCIENCE IN LAW

(4) The University Senate, on recommendation of the faculty of the College of Law and the Senate Committee on Educational policy, recommends the establishment of a four-year course leading to the B. S. degree in Law, the course to be a combination of our work in the College of Liberal Arts and Sciences or the College of Commerce and the College of Law, and the proposed curriculum of courses to be in accordance with established policy. I recommend the approval.

On motion of Mrs. Grigsby, this recommendation was concurred in.

At this point, Dr. Noble took his place with the Board.

CHANGES IN LABORATORY FEES

(5) The following changes in laboratory fees have been recommended and duly approved by all concerned and are submitted with the recommendation that they be approved.

These fees were approved.

RESIGNATION OF DEAN OF COLLEGE OF LAW

(6) Dean H. C. Jones, of the College of Law, on June 30 wrote me: "I hereby resign as Professor of Law and Dean of the College of Law, effective September 1, 1922." I accepted this resignation and report my action for record.

This report was received for record.

APPOINTMENT OF DEAN A. J. HARNO

(7) A recommendation that Professor A. J. Harno be appointed Dean of the College of Law, for one year, beginning September 1, 1922, at a salary of six thousand dollars.

On motion of Mrs. Evans, this appointment was made.

APPOINTMENT OF DEAN KETCHUM

(8) A report that, by authority of the Executive Committee, the President of the University had appointed Professor Milo S. Ketchum to succeed Dean Richards as Dean of the College of Engineering and Director of the Engineering Experiment Station, at a salary of \$8,000 a year, beginning September 1, 1922.

This report was received for record.

HALF-TIME APPOINTMENT ON LEAVE OF ABSENCE FOR PROFESSOR J. A. DETLEFSEN

(9) A recommendation that Dr. J. A. Detlefsen, Professor of Genetics in the Department of Animal Husbandry, whose present appointment expires August 31, 1922, be given an appointment for one year, beginning September 1, 1922, at one-half his present salary, on leave of absence, this to conclude his services with the University, in recognition of his ten years' service without a break.

On motion of Mr. Trimble, this recommendation was concurred in.

**APPROPRIATION FOR CONCRETE PAVEMENTS IN THE
ARTILLERY STABLES**

(10) On request of Major T. J. Camp, Acting Commandant, approved by Professor White, I recommend that an appropriation of \$4000 from the Reserve and Contingent Fund be made to build concrete passageways in the artillery stables.

On motion of Mrs. Evans, this appropriation was made. The vote was as follows: Aye, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

HONORARIUM FOR WARREN K. MOOREHEAD

(11) Dr. Warren K. Moorehead, of the Museum of Phillips Academy, Andover, Massachusetts, has given about four months of his time to the University in directing the explorations of the Cahokia Mounds. As a result, the University has received some very valuable additions to its Museum collections. Dr. Moorehead undertook the work because of his scientific interest in it. I recommend that he be paid an honorarium of five hundred dollars for his services, from the Reserve and Contingent Fund.

On motion of Mr. Noble, this recommendation was approved, by the following vote: Aye, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

APPROPRIATION FOR HOSPITAL EQUIPMENT

(12) On request of the committee in charge, I recommend that an appropriation of \$3500, or so much thereof as may be necessary, be made for the purchase of equipment needed for the student hospital, and recommended by the hospital committee, the amount to be taken from the surplus fund on hand from hospital operations of the University year just closed, and that the balance of the surplus be converted into general University funds.

On motion of Mrs. Evans, these recommendations were approved, by the following vote: Aye, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

EDITORSHIP "CHICAGO ALUMNI RECORD"

(13) A recommendation that Mr. Carl Stephens be paid one thousand dollars for his services as editor of the Chicago Alumni Record, and that an appropriation of that amount be made for that purpose from the Reserve and Contingent Fund.

On motion of Mrs. Busey, this recommendation was approved, by the following vote: Aye, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

COLLEGE PLACE LOTS

(14) The Comptroller reports that in accordance with the action of the Board he has carried out your instructions concerning the purchase of lots owned by Miss Sherfy in College Place. The owners were willing to allow us to anticipate an extra payment which we have the opportunity of making every two months, and in order to solidify our control, I agreed that this should be done and ask for an appropriation of \$14,500 from the Reserve and Contingent Fund to cover this extra payment.

On motion of Mr. Trimble, this appropriation was made. The vote was as follows: Aye, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

FURTHER PURCHASE OF LOTS IN COLLEGE PLACE

(15) In accordance with your instructions, I have negotiated for the purchase of other property in College Place, and now request an appropriation of \$9450 to pay for lots 31, 110, 116, 117, and 118, five in all.

On motion of Mr. Herbert, this action was approved and the appropriation was made. The vote was as follows: Aye, Mr. Abbott, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Trimble; no, Mrs. Busey, Mr. Noble; absent, Mr. Blair, Mrs. Blake, Mr. Small.

REPORT OF THE STADIUM EXECUTIVE COMMITTEE

(16) The following report from Mr. C. J. Rosebery, Stadium Manager:

For the Executive Committee of the University of Illinois Memorial Stadium, I wish to report that such Committee held a meeting on Thursday, June 29, 1922, 10 a.m., at the offices of Holabird & Roche, Architects, Chicago;

That the latest sketches showing the group and ground plans for the Stadium including a large charcoal perspective of one of the Stadium Stands, a model of the ramps, and various detail sketches were presented by Mr. John Holabird;

That the Committee approved the design providing for two stands, incorporating within the stands the double colonnade or promenade, such columns to be known as the memorial feature of the Stadium, as shown in the perspective; also that the Architects be instructed to call for an alternate bid placing approximately 96 columns in a colonnade detached from the Stadium to serve as an approach.

I further report that the Committee refused to accept the suggested resignation of Mr. H. S. Capron as a member of this Executive Committee.

The Committee approved contract entered into on June 14th with Stipes & Hecker of Champaign to furnish all the Portland cement required by the purchaser, estimated at 30,000 bbls. at \$2.52 per bbl. in cloth sacks or \$2.07 in bulk, to complete the construction of the Stadium, to be delivered in car lots f.o.b. Champaign or Urbana; shipments to be made between September 1, 1922, and January 1, 1924, not to exceed 3,000 bbls. in September, 3,000 bbls. in October, 1922, except at sellers option; the balance to be shipped on instructions from purchaser and as required by the progress of the work.

Terms of payment: Net cash 30 days or 10c per bbl. discount for cash in 10 days from date of invoice.

Contract provided that should the Company's market price in effect at delivery point named be reduced below the price named herein, a like reduction will be made on all cement shipped on this contract during the time such lower price is in effect.

The Architects expect to have plans and specifications ready for the contractors on July 19 and it is hoped that contract can be awarded three weeks later with the possibility of building operations commencing during the last week in August or early September.

This report was received for record.

CHANGES AND FURNISHINGS—DAVENPORT AND STEBBINS HOUSES

(17) The Supervising Architect requests the following appropriations for making the necessary changes in the Davenport and Stebbins houses and for equipping and

furnishing the same for the use of young women students. I recommend that these appropriations be made from the Reserve and Contingent Fund as follows:

1. *Davenport House*

General furnishing	\$3,500.00
Remodeling	1,800.00
Connecting steam heat	1,300.00
	\$6,600.00

2. *Stebbins House*

General furnishing	\$1,400.00
Remodeling	900.00
Connecting steam heat	700.00
	\$3,000.00

On motion of Mrs. Evans these appropriations were made. The vote was as follows: Aye, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

**APPROPRIATION TO MEET CHARGES ON
PROPERTY PURCHASED**

(18) The Comptroller requests an appropriation of \$5,442 to meet charges on properties acquired by the University. I recommend that this appropriation be made.

On motion of Mr. Trimble, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

FEEES IN MUSIC

(19) A recommendation that certain regulations governing fees in the School of Music, adopted April 12, 1922 (see page 183), be amended to read as follows:

1. That a special fee of \$25 a semester be charged for instruction in applied music of students *enrolled* in the School of Music or in the course in music education in the College of Education, beginning September 1, 1922.
2. That a special fee of \$25 a semester be charged for one half-hour lesson a week in applied music through the semester, of all students enrolled in other colleges of the University who are taking collegiate work in applied music; and that a special fee of \$10 a semester be charged all students enrolled in other colleges of the University who are taking introductory work in applied music, beginning September 1, 1922.

On motion of Mrs. Evans, these amendments were approved.

INCREASE IN TELEPHONES

(20) The Supervising Architect requests permission to increase the number of Bell telephones from 112, as previously authorized, to 122. I recommend approval.

This request was approved.

At this point Mrs. Blake took her place with the Board.

PROPOSED BUILDING PROGRAM

(21) I recommend for tentative approval the following list of buildings for submission in our next budget to the Legislature:

1. Library Building and Equipment.....\$750,000
2. Woman's Residence Hall and Equipment..... 250,000

3. Men's Gymnasium and Equipment.....	500,000
4. Commerce Building and Equipment.....	500,000
5. Agricultural Building and Equipment.....	400,000
Total.....	<u>\$2,400,000</u>

This schedule provides \$250,000 more for the proposed Library Building and Equipment than was asked for two years ago. The delay has made it imperative to put up a larger unit of the building than would have been necessary if we had secured the money asked for at the last session of the General Assembly. No building is more imperatively needed than a new Library. Every department of the University is suffering because of the crowded conditions of our Library. Educational progress is retarded. I feel that the importance of this matter can not be over-emphasized. Whatever else is done, it is imperative that this building be secured.

We need a second Woman's Residence Hall, similar to that existing hall on Nevada Street. This can be duplicated for the amount indicated.

I am suggesting a men's Gymnasium with equipment, for several reasons. In the first place, the College of Engineering needs more laboratory space. The building formerly used as an Armory, now known as the "Gym Annex" is admirably suited for the work of an Electrical Engineering Laboratory. Similarly, the so-called "Engine Room Annex," the brick addition made to the old Armory during the war and used as an engine room laboratory for students in aviation, is admirably suited for the work of the Engineers. One at least of these is needed by the Engineers. We have the choice of constructing a large new laboratory for the engineers or of freeing these two buildings and equipping them wholly or partly for their use. I think the latter method is preferable for several reasons. In the first place, the military work is now half a mile or more away from the Gymnasium. The proposed Stadium will be in the neighborhood of the Armory. The men's Gymnasium should be in the proximity of both these buildings. The work in physical education and athletics will therefore be served by erecting a new Gymnasium in the neighborhood of the Armory; and the work of the College of Engineering will be served by securing the use of the buildings referred to above, now used as gymnasiums. The proposed arrangement, I think, is the most economical that could be proposed, and would be as satisfactory from a service point of view as any other arrangement.

A Commerce Building with equipment is proposed, for several reasons. In the first place, the present building is wholly inadequate, on account of the increase in the number of students in the College of Commerce and Business Administration. They have multiplied more than four times since the present building was erected. In the second place, the students in the Arts and Sciences need the classrooms in the present Commerce Building. If they can not get these, it will be necessary to erect a new general classroom building somewhere on the campus. The purposes of both Colleges will be better served by erecting a new building for the College of Commerce, south of the Auditorium, vacating the present building for general classroom use, and taking care of any overflow in the new Commerce Building.

In accordance with the general policy which I have outlined at various times, we should make special provision each biennium for some one of the great divisions of the University, with a view to making its quarters and equipment as complete as possible. The last General Assembly gave us half a million dollars for an Agricultural classroom and office building. This needs to be supplemented with a group of buildings of a laboratory type, including cattle barns, in order to bring our equipment into a modern condition. After this is done, equivalent provision should be made for the College of Engineering. In the meantime, adequate facilities will be provided for it by the addition of one or two laboratories

in the buildings now used as gymnasiums, mentioned above. It is my present opinion that by another biennium it will be advisable to seek an appropriation for a building for architecture and kindred subjects, to be erected on the quadrangle south of the Auditorium. This will release considerable space for other departments of the College of Engineering, and will also enable us to remove such work as art and design and related subjects from their present quarters, thus easing the situation for the Arts and Sciences.

We are in sore need of a Service Building. It is possible that the program outlined above will release part of some building north of Green Street for this use. Otherwise, we shall be under the necessity of erecting such a building.

I ask tentative approval for this program, using the word "tentative" to mean that the matter will come up for final approval in the fall.

On motion of Mrs. Evans, this program was approved tentatively.

At this point, at 1 p. m., a recess was taken.

AFTERNOON SESSION, JULY 12, 1922

When the Board convened after the recess, the same persons were present as during the morning.

Mr. Schmidt and Mr. Bentley, of the firm of Schmidt and Garden, were present.

PLANS FOR MEDICAL LIBRARY AND LABORATORY

Mr. Schmidt presented the revised plans for the Medical Research Library and Laboratory building.

On motion of Mr. Noble, the action of the Board on April 12, 1922 (page 187), approving the plans for this building, was reconsidered.

On motion of Mrs. Blake, the action of April 12 was rescinded, and the revised plans, designated as "Scheme J, June 3," were approved and adopted, and the architects were instructed to get bids for the construction of the building.

The Board resumed its consideration of matters presented by the President of the University.

PLOTTING ATHLETIC ASSOCIATION AND UNIVERSITY LAND

(22) I have discussed with Mr. George Huff, President of the Athletic Association, the advisability of plotting and selling the twenty acres now held by the Athletic Association between First Street and the Illinois Central Railroad, and in addition the ten acres held by the University adjoining this property on the south. The removal of our north line, west of Wright Street, from Armory Avenue towards the south would make it possible for us to get on without this property. The Athletic Association is planning an independent storm-water sewer from the Stadium recreation field, and drainage into this from these lots could be easily secured.

I request authority to take this matter up and report to the Board at a later meeting on the advisability of plotting these tracts in city lots with a view to selling them off.

On motion of Mrs. Blake, this authority was granted.

BALANCES REAPPROPRIATED

(23) A request from Mr. Morey that the following balances from 1921-22 be reapportioned to the several departments concerned:

Agricultural Inquiry	\$ 1,858.24
Pageant of Progress	1,475.56
Patents and Inventions	1,140.02
Agricultural Revolving Funds:	
Animal Husbandry	3,932.89
Agronomy	5,105.73
Dairy	18,616.19
Home Economics	2,917.00
Smith-Lever	2,024.65
Botany	401.81
Sociology	45.74
Graduate School:	
Summer Research	225.00
Summer Session 1922	68,508.77
Education Building Equipment	7,574.30
Building Studies	3,513.11
Woman's Building Improvements	60,000.00
Library Salaries (for summer cataloging)	2,000.00
<i>Total</i>	\$179,339.01

On motion of Mr. Hoit, these balances were reappropriated, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

PARR PROCESS

President Kinley and President Abbott made informal reports on a conference with manufacturers in Pittsburgh who are interested in the Parr coking process.

CONTRACTS FOR AGRICULTURE BUILDING

On motion of Mr. Herbert, the Executive Committee was authorized to open the bids and to award contracts for the construction of the new Agriculture building.

CLINICAL FACULTY, COLLEGE OF MEDICINE

The Secretary presented for record the list of the clinical faculty of the College of Medicine, appointed July 3, 1922, by the President of the University.

SEPTEMBER 22, 1922

The September quarterly meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a. m. on Friday, September 22, 1922.

The following members were present: President Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert.
President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of July 12, 1922, and of the meeting of the Executive Committee of July 17-18, 1922.

The minutes were approved and received for record as printed on pages 1 to 21 above.

EXECUTIVE COMMITTEE MEETING, SEPTEMBER 1, 1922

The Secretary presented also for record the minutes of a meeting of the Executive Committee, held in Chicago on September 1, 1922.

A meeting of the Executive Committee was held in Chicago September 1, 1922. There were present O. W. Hoyt and W. L. Abbott. Supervising Architect James M. White was also present.

Business was transacted as follows:

(1) The Executive Committee of the University of Illinois Memorial Stadium appeared and presented a written request (see accompanying letter) that the Board of Trustees approve the action of that Committee in directing the Athletic Association to award certain contracts for the construction of the Stadium, and also requesting that the Committee be given permission to run a temporary construction spur track from the Illinois Central right-of-way, across University property, to the Stadium site.

The Executive Committee of the Board granted authority to the Athletic Association to enter into contracts as specified. The Executive Committee also gave the Stadium Committee permission to lay a spur track across University property, as requested, but subject to a contract to be drawn by the University Counsel, in which the University's rights would be safeguarded.

*Letter, above referred to from the Executive Committee
of the University of Illinois Memorial Stadium to the Board of Trustees:*

Chicago, September 1, 1922

*Hon. W. L. Abbott, President, Board of Trustees
University of Illinois*

DEAR MR. ABBOTT:

As Secretary of the Executive Committee of the University of Illinois Memorial Stadium, I wish to advise that at a meeting of such committee, held in Chicago on this date, the following action was taken:

(1) Accepted and approved the report of the Building Committee of such Stadium Executive Committee, a copy of which I hand you herewith.
(2) Recommended to the Athletic Association of the University of Illinois that, subject to the approval of the Board of Trustees of the University of Illinois, it enter into contracts for the building of the Stadium with the following contractors, who were the lowest bidders on their respective work:

General contract with English Bros.....	\$1,221,747
Plumbing—Walsh & Slattery.....	59,000
Electric wiring—A. H. Barth Electric Co.....	14,998
Heating and ventilating—Sodemann Heat & Power Co.....	9,387

(3) Requested that the Board of Trustees give permission to lay a spur track from the Illinois Central Railroad to the Stadium site for the period of construction work upon the Stadium.

C. J. ROSEBERY
Secretary

*Report of the Stadium Building Committee to
Robert F. Carr, Chairman, Stadium Executive Committee*

September 1, 1922

*Mr. Robert F. Carr, Chairman,
Executive Committee of the University of Illinois Memorial Stadium*

The Stadium Building Committee transmits, for your consideration and action, proposals for contracts necessary to complete the Stadium in accordance with plans and specifications prepared by Holabird & Roche, Architects, as follows:

Original bid of English Brothers of Aug. 24th.....	\$1,285,000.00
Deduct cost of bond.....	\$19,275.00
Deduct credit for changes and omissions in accordance with addenda.....	43,9778.00
	<u>63,253.00</u>
	\$1,221,747.00
Bid on Plumbing by Walsh and Slattery.....	59,000.00
Bid on Electric Wiring by A. H. Barth Electric Co.....	14,998.00
Bid on Heating and Ventilating by Sodeman Heat & Power Co.....	9,387.00
Bid on Structural Steel by Ft. Pitt Bridge Co. on tonnage basis plus cost of erection, approximately.....	180,950.00
Bid on Reinforcing Steel by Corrugated Bar Co. on tonnage basis approximately.....	20,400.00
Total estimated cost exclusive of architects' fees, surface grading of foot-ball field and seeding, running tracks, lockers, inspection of cement and steel and other minor items.....	1,506,482.00
Add for architects' fees.....	75,324.10

In accordance with the instructions of the Trustees, the net additional cost of a separate colonnade on the ground, not including architects' fees, etc., has been obtained as follows:.....\$165,000.00

The Building Committee recommends the execution of a contract with English Brothers in the form herewith attached, which is based on providing Memorial Columns within the Stadium structure.

Respectfully submitted,

E. L. SCHEIDENHELM

F. L. THOMPSON

Building Committee

(2) Mr. C. H. Meyer, representing Schmidt & Garden, Architects for the Medical Research Laboratory, appeared before the Executive Committee with two bids for excavating and pile driving for the Medical Research Library and Laboratory building. These bids were opened and found to be as follows:

Geo. W. Jackson & Fitzpatrick Co.:

Excavation, \$1.45 per yard.

Piles, .46 per lineal foot.

Central Dredging Co.:

Lump sum bid of \$10,192.00.

As it will not be possible to award contracts for the remainder of the work on the building for another month, and as the bids received were considered to be reasonable the Architect was directed to "award the contract to that firm whose bid, under the circumstances, is most advantageous to the progress of the building."¹

(3) A communication was received from Dr. A. H. Daniels, Dean of the Graduate School, recommending that the requirement that a candidate for the Doctorate deposit a bond as an alternative guarantee of the publication of his thesis be discontinued, and that a cash deposit of \$75 be made an absolute requirement. Dr. Daniels stated that this matter had been discussed with President Kinley and had received his approval, but, owing to the absence of the President and the Vice-President, he was presenting it for the President as a matter on which immediate action is desired.

The Committee approved the recommendation.

The meeting adjourned.

W. L. ABBOTT

Chairman, Executive Committee

These minutes were received for record.

¹This contract was awarded to the Central Dredging Company.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University:

SIGNATURES OF OFFICERS OF THE BOARD OF TRUSTEES

(1) The Comptroller requests the passage of the following resolution:

Resolved that the President of the Board of Trustees be authorized to delegate to C. H. Pratt, Auditor in the Business Office, and J. H. Andrews, Assistant Bursar in the Business Office, authority to sign his name to vouchers against the State Auditor, and to warrants on the University Treasurer issued in accordance with the regulations of the Board:

And that the Secretary of the Board of Trustees be authorized to delegate to H. B. Ingalls, Bursar in the Business Office, and to A. Lincicome, Assistant Auditor in the Business Office, authority to sign his name to vouchers of the State Auditor and to warrants on the University Treasurer issued in accordance with the regulations of the Board.

On motion of Mrs. Grigsby, this resolution was adopted.

LETTER FROM VICE-PRESIDENT DAVENPORT

(4) A letter from Vice-President Davenport:

August 31, 1922

President David Kinley, University of Illinois.

DEAR PRESIDENT KINLEY:

Kindly convey to the Board of Trustees upon this occasion of retirement from active service my profound gratitude for their constant support in the long and arduous activities they have entrusted to my care and for the generosity with which they have continued my relationship as Dean and Professor Emeritus. It is an honor such as comes to few and is deeply appreciated.

My love for the University of Illinois and my interest in its future and its welfare will abide while life shall last.

Very sincerely yours,

E. DAVENPORT

This letter was received for record and the President of the University was requested to send an acknowledgement to Vice-President Davenport on behalf of the Board.

LEAVE OF ABSENCE FOR PROFESSOR BOGART

(5) A request from Professor E. L. Bogart for leave of absence, without pay, for the coming year, to enable him to accept a position on the Persian Commission to study and advise the Persian Government on banking exchange and currency reform.

On motion of Mrs. Blake, this request was granted.

PROFESSOR GORDON S. WATKINS, ACTING HEAD OF DEPARTMENT OF ECONOMICS

(6) On the recommendation of Dean Charles M. Thompson of the College of Commerce, I recommend that Professor Gordon S. Watkins be made the Acting

¹\$500 from Home Ec.; total \$3300.

Head of the Department of Economics for the current academic year, beginning September 1, 1922, in the absence of Professor E. L. Bogart, at a salary of \$4,500.

On motion of Mrs. Evans, this recommendation was concurred in.

**ENGINEERING EXPERIMENT STATION RESEARCH
ASSISTANTSHIPS**

(7) A request for authority to appoint five additional research graduate assistants in the Engineering Experiment Station for the coming year, and that \$3000 be appropriated from the Reserve and Contingent Incidental Fund to the budget of the Engineering Experiment Station to pay their salaries.

On motion of Mrs. Grigsby, these recommendations were concurred in. The appropriation was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert; no, none; absent, Mr. Blair, Mr. Hoit, Mr. Noble, Mr. Small, Mr. Trimble.

**RESEARCH ASSISTANTSHIP PRESENTED BY ILLINOIS
AGRICULTURAL ASSOCIATION**

(8) A recommendation that the Board accept the sum of \$720 given by the Illinois Agricultural Association, through Director H. W. Moorhouse, of the Department of Research, as a stipendium to be paid to a Research Assistant in Dairy Husbandry.

On motion of Mr. Herbert, this gift was accepted and the President of the University was directed to express to the Association the thanks and appreciation of the Board.

APPROPRIATION TO DAIRY HUSBANDRY DEPARTMENT

(9) On request of Professor H. A. Ruehe, I recommend the appropriation of \$600 from the Reserve and Contingent fund to the salary budget of the Department of Dairy Husbandry for a half-time assistantship.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert; no, none; absent, Mr. Blair, Mr. Hoit, Mr. Noble, Mr. Small, Mr. Trimble.

APPROPRIATION FOR HORTICULTURAL COLD STORAGE

(10) A recommendation that \$1000 be appropriated from the Reserve and Contingent fund as an operating fund for the Cold Storage Plant of the new Horticultural Field Laboratory.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert; no, none; absent, Mr. Blair, Mr. Hoit, Mr. Noble, Mr. Small, Mr. Trimble.

**APPROPRIATION FOR PRINTING PEABODY AND GREGORY
BIOGRAPHIES**

(11) A recommendation that an appropriation of \$5000 be made from the Reserve and Contingent Fund for editing and publishing the manuscripts of the biographies of former Regents Gregory and Peabody.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs.

Evans, Mrs. Grigsby, Mr. Herbert; no, none; absent, Mr. Blair, Mr. Hoit, Mr. Noble, Mr. Small, Mr. Trimble.

APPOINTMENT OF PROFESSOR F. S. PHILBRICK IN LAW

(12) A report that Dean Harno and Vice-President Davenport had completed negotiations with Professor F. S. Philbrick, of Northwestern University, for appointment to a Law School Professorship, for which provision was made in the budget, at a salary of \$6000.

This report was received for record.

At this point, Mr. Hoit took his place with the Board.

SALARIES IN THE COLLEGE OF LAW

(13) A request for (a) authority to add not to exceed \$1000 to the salary budget in the College of Law to adjust the salaries of certain professors, not to exceed \$500 in any one case; and (b) that the tenure of Professor Pomeroy be changed from one year to the indefinite basis.

On motion of Mr. Herbert, both these requests were granted and the appropriation was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit; no, Mrs. Busey; absent, Mr. Blair, Mr. Noble, Mr. Small, Mr. Trimble.

PAYMENT OF ASSESSMENTS FOR IMPROVEMENTS

(14) A recommendation that an appropriation of \$2,352.48 be made from the Reserve and Contingent fund to pay in full the assessments on College Place properties, recently acquired.

On motion of Mrs. Blake, this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit; no, none; absent, Mr. Blair, Mr. Noble, Mr. Small, Mr. Trimble.

PAVEMENT ASSESSMENTS

(15) A recommendation that an appropriation of \$1632.90 be made from the Reserve and Contingent fund to pay in full the assessment for the North Mathews Avenue pavement, adjoining the Education Building, lots 4-9, inclusive, block 55, Seminary Addition to Urbana (\$1353.90), and also the assessment for opening and widening North Ashland Avenue between Irving Park Boulevard and West Lake Street in Chicago (\$279).

On motion of Mr. Herbert, this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit; no, none; absent, Mr. Blair, Mr. Noble, Mr. Small, Mr. Trimble.

PAYMENT ON LAND PURCHASES

(16) A recommendation that the following payments on our land purchases be made:

Mortgage on Lot No. 84 in College Place Addition, bearing 7% interest, which may be paid according to terms, on January 1, 1923, and possibly sooner.....	\$ 5,000
---	----------

Second mortgage against various College Place Lots maturing June 15, 1927, on which multiples of \$2,500 may be paid at any time on sixty days' written notice.....	5,000
Payment on contract with the Chamber of Commerce for the purchase of 7 lots at Fifth Street and Armory Avenue on interest paying date, October 1, 1922.....	10,000
<i>Total</i>	<u>\$20,000</u>

I recommend the appropriation of \$20,000 from the Reserve and Contingent fund to make these payments.

On motion of Mrs. Evans, this appropriation was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit; no, none; absent, Mr. Blair, Mr. Noble, Mr. Small, Mr. Trimble.

PAYMENT OF DIPLOMA FEES

(17) A recommendation that the name of a prospective graduate be not printed on the Commencement program or in the records of the Board unless his diploma fee be paid or arranged for with the Comptroller at least five days before the printing of the Commencement program or the record in which such names officially appear.

On motion of Mrs. Grigsby, this recommendation was concurred in.

At this point, at 11:30 a. m., a recess was taken.

AFTERNOON SESSION, SEPTEMBER 22, 1922

When the Board convened for the afternoon session on September 22, 1922, the same persons were present as during the morning session.

NEEDS OF DEPARTMENTS PRESENTED

By request of the President of the University, certain representatives of the colleges were present and presented the needs of their departments as follows:

Dean Ketchum, Professor Talbot, Professor Stoek, and Professor Carman, for the College of Engineering; Dean Babcock, Professor Greene, and Professor Quirke, for the College of Liberal Arts and Sciences; and Assistant Dean Rankin and Professor Rusk, for the College of Agriculture.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board resumed its consideration of matters presented by the President of the University.

RESIGNATION OF PROFESSOR J. G. MOSIER

(18) The following letter from former Vice-President Davenport:

MY DEAR PRESIDENT KINLEY:

During your absence, I have approved for you the resignation of Professor Mosier, which his continued ill health has forced him to present.

Professor Mosier has been for twenty years a teacher in the College of Agriculture, and an agreeable member of the faculty. His great service has been ren-

dered in the classification of the soil types discovered in the survey, as based upon physical and chemical differences. The discriminating care with which, as a geologist, he has made these distinctions has served as a basis from which I am sure the University will not much deviate in the completion of the work.

It seems to me that so significant a piece of work as this is well worthy of honorable mention to the Board of Trustees, in connection with the acceptance of his resignation. This is the most exhaustive soil survey ever undertaken in the world, and Professor Mosier's connection with it, with respect to identifying types, has been of the highest value to the State and the institution.

Sincerely yours,

E. DAVENPORT

Vice-President

I desire to put on record my hearty concurrence in the expression of appreciation in the above letter concerning Professor Mosier's work. He has been industrious, patient, thoro, and successful in his conduct of it, and has rendered a great service to the State, as well as to the University.

This report was received for record.

PROFESSOR W. F. HANDSCHIN

(19) During the summer, the University suffered a great loss in the death of Professor W. F. Handschin on August 2. The news of Professor Handschin's death was a great shock to me, especially as I had not been aware of his illness.

I wish to record my high opinion of him as a man, a teacher, and a scholar. He was with us seven years, and no one could have been more loyal, more industrious, or more interested in his work. Like many other men on the staff of the University of Illinois, he was for a long time overworked. His seven years' service was continuous. During that period he built up the great work of the Department of Farm Organization and Management which, in connection with the Departments of Economics and Accountancy, has made extensive inquiries into the subject matter of this field.

I trust that before long we shall be able to publish a real contribution to this phase of agricultural work and life, as a result of Professor Handschin's labors.

I ask that this appreciation of Professor Handschin, in which former Dean Davenport, his successor, and all other members of the faculty of the College of Agriculture concur, be made a matter of record in the minutes as the expression of opinion of the Trustees also, and that a copy be sent by the Secretary to Mrs. Handschin.

On motion of Mr. Hoit, this recommendation was adopted.

PAYMENT OF PROFESSOR HANDSCHIN'S SALARY

(20) A recommendation from Dean Davenport, in which I concur, that one-half of Professor Handschin's salary for next year be paid to his widow.

On motion of Mr. Hoit, this recommendation was approved.

At this point, Mr. Herbert withdrew.

PLANS FOR PROJECTED NEW BUILDINGS

(21) A request for an appropriation of \$2500 from the Reserve and Contingent fund to the Supervising Architect's office for use in making studies, plans, and specifications, in consultation with Architect C. A. Platt, with regard to designs for a new women's residence hall, the McKinley Hospital, and such other buildings as the Board may decide to ask for from the next legislature.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Noble, Mr. Small, Mr. Trimble.

CAMPUS PLAN DEVELOPMENT

(22) Suggestions by Architect C. A. Platt, concerning the development of the Campus Plan.

September 20, 1922

President David Kinley, 355 Administration Building

MY DEAR DR. KINLEY:

I have received from Mr. Charles A. Platt a copy of his letter of September 12th to Mr. Abbott with reference to his progress on our campus plan. I am enclosing Mr. Platt's letter and the accompanying drawing to which it refers.

In developing this plan, Mr. Platt has accepted the campus meridian as laid out by Mr. Olmstead in 1906 and the subdivision into general areas recommended by the 1912 Commission. The parade ground remains unchanged together with the avenues to the north and south of it, but the axis of the east and west mall has been moved south twenty feet, throwing it slightly off the axis of the parade ground. Mr. Platt's great contribution has been the working out of the area extending eastward from Sixth Street to Mathews Avenue and from the Auditorium southward to the Cemetery. The proposed buildings within this area cover about twenty-five per cent of the ground area, but are so distributed as to avoid monotony and to introduce the greatest possible variety into the avenues separating the buildings and to reduce the roadways to the minimum. You will note from the blue print that there are no roadways extending north and south between Goodwin Avenue and Sixth Street. In order to make the plan comprehensive, Mr. Platt has had to show a number of details which he has not sufficiently studied and upon which he is not yet ready to make recommendations, but he does request that the west walk be laid out and planted, and that Goodwin Avenue be extended through into the campus. I should also like to see the east walk opened up and planted as far as possible, tho the north end can not be laid out now because of interference with the Morrow Experimental Plots. I think for the present, we need only extend Goodwin Avenue to the avenue on the south border of the Agricultural plots rather than to the avenue in front of the greenhouses as he suggests. While there are advantages in closing Mathews Avenue, I hardly think we are ready to act upon that recommendation at this time.

I hope that Mr. Platt's specific recommendations may receive immediate consideration and that he will be instructed to make further studies and recommendations. If present action be limited to the specific recommendations made by Mr. Platt, the closing of Burrill Avenue need not be settled at this time, but I am heartily in favor of paving the way so that it can be accomplished in the future if necessary.

Very truly yours,

JAMES M. WHITE

Supervising Architect

September 12, 1922

MY DEAR MR. ABBOTT:

I expect to go abroad for a short trip, leaving here this week and returning about the 15th of November. As questions may arise during my absence on which you might wish my opinion, I have prepared a plan at a scale of 100 feet to the inch showing the main structure of the plan of the south campus which seems practically assured by decisions made by the Board to date. I send you under other cover a copy of this plan.

Roads, Walks and Trees:

As the buildings will come slowly in the development of the south campus I hope that the main streets and walks may be built and trees planted as soon as possible and that the tree planting especially be carried out wherever the grading can be adjusted to the new plan in order to place the trees where they should be in relation to the scheme. I would particularly like to see the trees on the walk which I have

designated as the west walk, put in at the earliest possible moment so that when the time comes for eliminating Burrill Avenue south of the Auditorium there will be an avenue to take its place. Goodwin Avenue and Sixth Street would form the boundary of the area within which the new building program will take place and I advise the building of Goodwin Avenue immediately as far as the drive running east and west in front of the greenhouses. As soon as Goodwin Avenue is constructed I should advise the closing up of Mathews Avenue and carrying through Gregory Avenue to Goodwin Avenue. With Sixth Street carried through to Gregory a great deal of traffic would be removed from the present campus which I believe in every way to be desirable.

Hospital Site:

I looked carefully with Professor White into the question of the hospital site and the best and most available one seemed to be in the present Forestry Reservation, facing on Lincoln Avenue. As this building will possibly eventually compose a group, my suggestion is that the center face Indiana Avenue with the idea of confining the whole structure between Michigan Avenue and Ohio Avenue.

Forestry:

I think it advisable that the University should in the very near future set apart ample acreage for a new Forestry Reservation in which full development of trees will be possible. The present plot of land has probably served its purpose and must in the near future be utilized for other purposes.

Naming of Streets:

I trust that the question of names of streets and walks will be taken up in the near future as this will be a great help to me in correspondence. I have assumed that Gregory Avenue would continue through, but the two new walks which will really be an extension of Burrill Avenue, I have named temporarily east and west walks. There is no name for the proposed street north of the stock building.

Mall Axis:

The position finally determined upon by the Board for the Agricultural Building has necessitated moving the Mall axis 20' 43", as shown on the plan, south of the line shown by markers. This has made it necessary to slightly reduce the width of the Mall itself and the buildings south of the Mall will not be as long as those north of it. I do not think however, this will affect the general effect of the scheme.

The Extension of Auditorium:

The plan shows approximately the basis upon which I think studies should be made for the extension of the Auditorium. I should like to see about 80' between that building and addition to the Music Hall and the future building at the west. This will give an opportunity for well proportioned loggias forming the termini of the two Burrill Avenues that now exist and the beginning of the new south campus scheme.

Stadium:

The position of the Stadium as authorized does not allow of Maple Avenue going through to First Street. I have indicated on the plan a scheme which I do not think is entirely satisfactory, but for the moment I see no other way of getting this connection.

Athletic Field:

The only suggestion that I have made in regard to this field is the planting of some trees which carry out the idea of the Mall. I would advise that no buildings be placed in the center of this field to interfere with the view down the Mall on the main axis. There are no objections to open fields, but the buildings should be grouped at the north and south of the axis.

Faithfully

CHARLES A. PLATT

On motion of Mrs. Blake, this letter was referred to the Supervising Architect for consideration and report at the next meeting.

At this point, President Abbott asked Mr. Hoit to take the chair for the rest of the meeting.

TEMPORARY BUILDING FOR ANATOMY

(23) A recommendation that an appropriation of \$1,700 be made from the Reserve and Contingent Fund to provide for a temporary building to house the laboratory work in anatomy given to the students in athletic coaching.

On motion of Mr. Abbott, this appropriation was made. The vote was as follows: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Noble, Mr. Small, Mr. Trimble.

MEDICAL RESEARCH BUILDING

(24) A recommendation that the Executive Committee be directed to open bids and to award contracts for the superstructure of the new Medical Research Library and Laboratory Building provided the total of the bids comes within the amount appropriated.

On motion of Mrs. Blake, this recommendation was concurred in.

OFFICIAL UNIVERSITY AUTOMOBILE

On motion of Mr. Abbott, the sum of \$5000 or so much thereof as may be necessary was appropriated from the Reserve and Contingent fund for the purchase of an official University automobile. The vote was as follows: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Noble, Mr. Small, Mr. Trimble.

PETITION TO RENAME UNIVERSITY HALL

Mr. Abbott stated that he had received a petition from some of the alumni asking that the name of University Hall be changed to Gregory Hall.

No action was taken in this matter.

DATE OF OCTOBER MEETING CHANGED

On motion of Mr. Abbott, the date of the October meeting was changed from the eleventh to the eighteenth day of the month.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

OCTOBER 20, 1922

The October meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a. m. on Friday, October 20, 1922.

The following members were present: President Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble.

President Kinley was present.

MINUTES APPROVED

The secretary presented the minutes of the meeting of September 22, 1922. On motion of Mr. Noble, the minutes were approved as printed on pages 23 to 49 above.

EXECUTIVE COMMITTEE MEETING, SEPTEMBER 30, 1922

The Secretary presented for record the minutes of a meeting of the Executive Committee held September 30, 1922.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the office of Schmidt and Garden, Architects, in Chicago, at 12 o'clock m. on Saturday, September 30, 1922.

Mr. W. L. Abbott, Chairman, and Mrs. Mary E. Busey, a member of the Committee, were present; also President David Kinley, Professor J. M. White, Supervising Architect, Mr. Schmidt, Architect for the Medical Research Library and Laboratory Building, and representatives of the contractors.

Mr. Abbott announced that the purpose of the meeting was the opening of bids for the construction of the superstructure of the new Medical Research Library and Laboratory Building, and asked whether there were any more bids to be presented. As there were no more bids, Mr. Abbott declared the bidding closed, and opened the bids.

As it appeared that the total amount of the lowest bids and estimates for the construction and furnishings of the building was in excess of the appropriation, the architects were directed to recommend some means for reducing the total cost; and to award the contract to the lowest bidder if, after conference with that bidder, he found it possible to suggest changes and omissions which would bring the bid down to approximately the amount of the appropriation; and it was left to the chairman of the committee to receive the report of the architect to that effect, and, if satisfied, to confirm the instructions of the committee by telling the architect to go ahead and let the bid on the basis of the changed estimates reported to him.

The Committee adjourned.

H. E. CUNNINGHAM

Clerk

W. L. ABBOTT

MARY E. BUSEY

The Chairman reported that the architect reported to him on Saturday, October 7, in substance, that by the omission of one bay and the reduction of approximately ten thousand dollars in other items it would be possible to bring the estimates on the construction of the buildings to approximately \$490,000. The chairman of the Committee then instructed the architect to let the bid on that basis, namely, the omission of one bay, and the reduction of other items which might be determined on after consultation with the Dean and faculty of the College of Medicine.

BEQUEST FROM THE LATE MRS. LOUISA C. GREGORY

(4) A letter was received from the American Security and Trust Company, under date of October 6, 1922, as follows:

Trustees of the University of Illinois, Urbana, Illinois

GENTLEMEN:

This company, as trustees of the estate of the late Louisa C. Gregory, is now in a position to make a payment of \$5,000.00 on account of the legacy bequeathed to the University of Illinois under Item Secondly of the last will and testament of the late Louisa C. Gregory.

We will appreciate your having a resolution passed accepting this payment on account of the legacy and also appointing some one person to receipt for the same. Won't you kindly forward us a certified copy of this resolution when passed? We would also like to have the name of a bank to whom we can send check covering this payment, together with receipt for the proper person to execute, as we desire

to have this signature guaranteed by the bank. We will be glad to forward the check immediately upon receipt of the information requested.

Thanking you for your attention in this matter, we are

Yours very truly

T. STANLEY HOLLAND
Assistant Trust Officer

I requested Judge Harker to prepare the necessary resolution, which he has done, as follows, and I recommend its adoption.

WHEREAS, Louisa Catherine Gregory, who died at Washington, D. C., on the first of May, 1920, left a Will (admitted to probate in the Supreme Court of the District of Columbia) whereby it was provided that the sum of Five Thousand Dollars (\$5000) (whenever that amount should be realized out of the rents and sale proceeds of certain real estate) should be paid to the Board of Trustees of the University of Illinois to be held in perpetuity by the Board to be invested and re-invested from time to time, and the income thereof to be used as a scholarship fund for the aid of worthy, indigent, and self-sustaining students attending the University of Illinois, to be known as "The John M. Gregory and Louisa Catherine Gregory Scholarships," and

WHEREAS, the American Security and Trust Company of Washington, D. C., executor and trustee appointed to carry out the provisions of said Will, has notified the Board of Trustees of the University of Illinois that it now holds in its hands, ready for payment, the sum of Five Thousand Dollars (\$5000) so bequeathed,

THEREFORE, BE IT RESOLVED, that said Board of Trustees does accept said bequest and agrees to use and manage said fund in accordance with the provisions of said Will.

AND, BE IT FURTHER RESOLVED, that Lloyd Morey, the Comptroller of the University, is hereby appointed to receive the aforesaid sum of five thousand dollars (\$5000) from the American Security and Trust Company and to receipt for the same.

On motion of Mrs. Evans, these resolutions were adopted.

REGULATIONS DEFINING RESIDENCE FOR ADJUSTMENT OF FEES

(5) A request that the following proposed regulations defining residence for purposes of fee collection, be approved.

FEE FOR NON-ILLINOIS STUDENTS

Note: In these regulations a boy under 21 years of age or a girl under 18 years of age is considered to be a minor.

1. Evidence showing the legal residence of every applicant for admission to the University must be submitted to the Registrar at the time of application for admission, and the non-resident fee shall be assessed on the basis of the evidence appearing on the Registrar's records.

2. In all cases where the records indicate that the student's home is outside the state of Illinois the non-resident fee shall be assessed. A student who takes exception to the ruling may file a claim for a refund, but this claim must be submitted to the Registrar within 30 days from the date on which the original charge was made. After this period the student loses his right to a refund for the current semester.

3. In the case of a student who is a minor the residence of the parent, or, if the student has no parent, the guardian of his person, shall govern. To be considered a resident of Illinois for purposes of registration in the University evidence must be presented showing that the parent (or guardian, as the case may be) has a permanent place of abode within the State.

4. A student who is not a minor to be considered a resident of Illinois for purposes of registration in the University must have been a bona fide resident of the State for a period of at least twelve months next preceding the beginning of any semester for which he (or she) registers at the University.

5. A student who is not a minor, but whose parents reside outside the State, desiring to be considered a resident of Illinois for the purpose of registration in the University, must present evidence that he (or she) is able to meet the resident requirement of section 4, is self-sustaining, and not under parental control.

6. An alien who has taken out first naturalization papers may qualify as a resident of the State for purposes of registration in the University if he (or she) has lived within the State for a period of at least twelve months next preceding the beginning of any semester for which he (or she) registers at the University, subject to the provisions of rule 5.

7. All cases of appeal shall be considered and acted upon by the Legal Counsel of the University.

On motion of Mr. Noble, these regulations were approved.

TRANSFER FROM THESIS FUND

(6) A recommendation that the sum of \$1575, which represents the total deposits of 21 persons for printing theses, be transferred from the thesis trust fund to the general Reserve and Contingent fund.

On motion of Mr. Hoit, this transfer was made.

REPORT ON BURGLARY AT COLLEGE OF MEDICINE

(7) A report from the Comptroller of a burglary in the office of the College of Medicine on October 3.

October 17, 1922

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I beg to report that on the night of October 3 the vault in the office of the Business Manager of the Chicago Departments in the Medical Building in Chicago was blown open by burglars and the safe and other property stolen. As nearly as can be determined the burglars entered the building by way of the Dental Building and connecting tunnel some time between 12:30 a. m. and 7 a. m., at which hours the office was visited by persons sleeping in the building. Altho explosives were used, the head janitor, who regularly occupies a room in the building, was not awakened.

The burglary happened on the evening of the second day of registration of the Chicago Departments and the men evidently expected there would be a large sum of money on hand. As a matter of fact, however, the excess receipts arising from the registration had been deposited, and the amount of money on hand was no more than at normal times. A statement of the actual and estimated losses is enclosed.

Burglary insurance covering all losses sustained in connection with this affair was being carried with the Fidelity and Casualty Company of New York. This Company has been notified and investigation has been made by their agents. When the exact amount of loss has been determined, a claim in proper form will be filed and reimbursement secured.

Altho the police officers were promptly notified and made a thoro examination of the premises, the burglars have not as yet been apprehended.

Very truly yours,

LLOYD MOREY
Comptroller

SAFES FOR COLLEGES OF MEDICINE AND DENTISTRY

(8) A recommendation that the Comptroller be directed to purchase suitable safes for the Colleges of Medicine and Dentistry at a cost not to exceed \$375 each, the money to be appropriated as follows: From insurance, \$125; from sale of old safe, \$75; from Reserve and Contingent fund, \$550.

On motion of Mr. Hoit, this recommendation was approved and the appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

LEAVE OF ABSENCE FOR PROFESSOR W. A. NOYES

(9) A recommendation that a request from Professor W. A. Noyes, approved by Dean Babcock, for sabbatical leave, under the University rules, for the academic year 1923-24, be granted.

On motion of Mr. Trimble, this recommendation was concurred in.

BILL OF PRUSSING & COMPANY

(10) A bill from Prussing & Company, real estate agents of Chicago, for \$700.73 for services rendered to the University from February 18, 1919, to September 27, 1922.

On motion of Mrs. Blake, this bill was approved. The appropriation from the Reserve and Contingent fund was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

SALARY OF DR. SCOTT

(12) A recommendation that the salary of Dr. Frank W. Scott, Associate Professor of English, and Secretary of the Department of English, be increased from \$3500 to \$4000 a year, effective September 1, 1922.

On motion of Mr. Trimble, this recommendation was approved, by the following vote: Aye: Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

SALARY OF PROFESSOR J. T. TYKOCINER

(13) A recommendation that the salary of Professor J. T. Tykociner be made \$3600 a year, instead of \$3000, effective November 1, 1922.

On motion of Mr. Trimble, this recommendation was approved, by the following vote: Aye: Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

SCHOLARSHIP FOR MR. S. T. GREENLEAF

(14) Mr. S. T. Greenleaf, Jr., a freshman in the College of Commerce, has applied for a scholarship under Section 9 of the Charter Act of the University. I suggest that the Board should direct the President to determine by such examination as he deems proper, Mr. Greenleaf's qualifications and if satisfied therewith to assign him a scholarship.

A motion of Mrs. Evans, that the President of the University be directed to determine Mr. Greenleaf's qualifications for such a scholarship, and if satisfied, to award the scholarship, was lost by the following tie vote: Aye, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble; no, Mr. Abbott, Mrs. Blake, Mr. Hoit, Mr. Trimble.

After discussion, however, on motion of Mr. Hoit, the matter was referred to the President of the University, with power to act.

REVISED CURRICULUM IN GENERAL AGRICULTURE

(15) The University Senate, acting on the advice of its Committee on Educational Policy and of the faculty of the College of Agriculture, recommends for your approval a revision in the curriculum in General Agriculture, to go into effect at the opening of the academic year 1923-24, provided funds necessary to care for additional members of the staff are available at that time.

On motion of Mr. Hoit, this recommendation was approved.

CONFERENCE OF PRESIDENTS OF THE COLLEGES OF ILLINOIS

(16) A recommendation that the sum of \$350 be transferred from the unused balance of the Graduate School fellowship appropriation and appropriated to meet the expenses of a conference of the Presidents of the colleges of Illinois to be held at the University.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

CHAMBER OF COMMERCE LOTS

(17) The following letter:

October 18, 1922

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I beg to report that, in accordance with the contract authorized October 4, 1919, by the Board of Trustees, I have concluded the purchase, from the Chamber of Commerce of Champaign, of Lots 3, 4, 5, 6, and Lots 8, 9, 10 in Orchard Place Addition to Champaign, located at the Northeast and Northwest corners of Fifth Street and Armory Avenue. The total purchase price as shown in the attached statement is \$19,460.16, which is in accordance with the terms of the contract above mentioned.

On this purchase price a sum of \$9,460.16 has been paid, appropriation for which was made at the last meeting of the Board. The balance of \$10,000 is represented by a mortgage outstanding against the property at the date of purchase for \$10,000, as described in the attached statement.

Very truly yours,

LLOYD MOREY
Comptroller

This report was received for record.

APPROPRIATIONS FOR EQUIPMENT, ETC.

(18) A recommendation that appropriations be made from the Reserve and Contingent fund as follows:

	\$145,918

On motion of Mrs. Evans, these appropriations were made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

PROVOST TO ACT FOR PRESIDENT

(19) A recommendation that section 7 of the Statutes on organization and administration which now reads, "The Vice-President shall exercise the functions of the President in his absence, and shall at all times be of such assistance to the President as he can by the exercise of such functions as the latter may delegate to him," be changed by inserting the title "Provost" in place of "Vice-President," and that the title "Vice-President" be dropped from the statutes wherever it appears.

On motion of Mr. Noble, this amendment was approved.

FINANCIAL REPORT ON STADIUM FUND

(20) The Comptroller's report on the Stadium Fund. Since the Board is custodian and trustee of the Stadium fund and the Comptroller keeps the accounts, he sends me regularly his reports of the condition of the funds. I am submitting the latest of these reports for record.

This report shows that the total of the fund to September 30 last was \$408,452.87, and that the disbursements were \$130,647.35, leaving an unexpended balance on that date of \$277,805.52.

This report was received for record.

At this point, at 12 m., a recess was taken.

AFTERNOON SESSION, OCTOBER 20, 1922

When the Board convened at 2 p. m. on October 20, 1922, the same persons were present as during the morning session.

The Board continued its discussion of matters presented by the President of the University.

PROPOSED UNIVERSITY BUDGET FOR BIENNIUM 1923-25

(22) The following statement.

When the University's Legislative Budget was made up two years ago, I advised the Board that it should be regarded as a prospectus of a financial plan, which, if granted by the Legislature and the Governor, could probably be adhered to as to the total amount of money required for a period of eight or ten years; that is to say, I expressed the opinion that it would not be necessary to ask that our total appropriation be increased for several biennial periods. On your behalf I explained to the public, to the Legislature, and to the Governor that our proposed budget was divided into two parts, an operating budget and a capital budget. I stated that the total amount asked for was the smallest which, in my judgment, was necessary to put the University back on its feet, to restore it to its old state of efficiency, and to put it in condition to meet the needs of the present time. I pointed out further that if we received the amount asked for, namely \$2,500,000 for the erection of buildings, in the current biennium, we would then, for the biennium 1923-25, transfer a certain amount from the building or capital budget, to the operating budget, to meet the increased expenses of operation, due to the prospective larger enrollment. The idea was to continue this gradual transfer from the capital budget to the operating budget through successive biennial periods without increasing the total asked for, so that in perhaps a decade we would find ourselves with fifteen or twenty thousand students and with buildings and equipment adequate to take care of them. The State might then safely take up anew the question of adequate support for the University at the end of the decade, which would be about 1930 or 1931.

We were not successful in securing the whole amount asked for in either our operating or our building budgets. In consequence, we have been very seriously handicapped, especially by the loss of the library appropriation; and if there had not been an increase in general income through increased fees we would have had considerable difficulty with our operating budget.

At two previous meetings in the present calendar year, once informally, and once formally, as shown by the minutes of July 12, last, I submitted to the Board my views as to adherence to this general policy, and requested tentative approval of a proposed building budget to be presented to the next General Assembly.

I now submit my final recommendations on the budget to be sent in to the State Department of Finance as required by law, on November 1, and to be presented to the Legislature in accordance with the provisions of the law, by the Board of Trustees at the coming session.

I think we should adhere to the policy that the total sum asked for last time should not be exceeded in the proposed budget for the next biennium. Our student body has increased by several hundred in the biennium, so that a larger teaching staff and more equipment and materials are required, and there is some additional expense for maintenance and physical operation. Therefore, it is necessary to increase somewhat the amount asked for various items in the operating budget. Accordingly, I recommend that the following budget be adopted as the one to be

submitted to the Department of Finance and to the Legislature, for the coming biennium; and that the President be directed to prepare and secure the introduction of a bill for appropriations to the University from the State in accordance therewith and to take charge of the matter from now on.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

NOVEMBER 9, 1922

The November meeting of the Board of Trustees of the University of Illinois was held at 12:30 p. m. at the Blackstone Hotel, in Chicago, on Thursday, November 9, 1922.

The following members were present: President Abbott, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit. President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of October 20, 1922. On motion of Mr. Hoit, the minutes were approved as printed on pages 51 to 83 above.

PURCHASE OF OVERCOATS

President Abbott reported the following action of the Executive Committee:

On October 26, the President of the University requested authority to purchase 1600 overcoats from the War Department at the price of \$4.40 each, and asked an appropriation of \$7000 dollars from the Reserve and Contingent Fund for this purpose on the understanding that the receipts of \$1.00 each from the lending of the overcoats to the members of the Brigade should be covered back into the Reserve and Contingent Fund. Authority was given to the President of the University to make this purchase and the appropriation was made as requested.

On motion of Mr. Blair, this action was approved.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

BALANCE OF EQUITATION FUND

(1) A recommendation that \$1000 of the free balance of \$1937.11 received from the fees for instruction in riding be covered back into the Reserve and Contingent Fund, and that the balance be assigned to the Military Department for incidental expenses and for minor equipment.

On motion of Mr. Hoit, these recommendations were approved.

EXTRACT OF A LETTER FROM GENERAL GEORGE VAN HORN MOSELEY, COMMANDER OF THE SIXTH CORPS AREA, R. O. T. C.

(2) The following extracts from a letter recently received from General Moseley:
November 6, 1922

Dr. David Kinley, President, University of Illinois

MY DEAR DR. KINLEY:

Please permit me to thank you, in this official way, for the very pleasant and instructive day you gave me Saturday, when I had an opportunity of seeing something of the great University of Illinois. Everything about the military side of the University that I saw impressed me most forcibly and most favorably. The review of your brigade was all that could be desired, and I was greatly impressed by the fine military bearing of the personnel of the command, by the neatness and fit of the uniforms, and by the set-up of the young men wearing them.

In my opinion, you have organized what I believe must be the foundation for the approved solution of military training in this country, and that is, compulsory education coupled with some military training and proper physical training.

I was very glad to find such a fine spirit existing among the Regular officers on duty with you. Of course, these officers have been carefully selected, but I feel that we owe a great deal to the man who has been in charge of the military work under your direction. Major Dailey is so ideally equipped for the work and he seems to have scored success in every undertaking, but, again, he could have accomplished little without the support you have always accorded him. He is most loyal to you and to your policies regarding his military department. Major Dailey's work at Camp Custer this summer was also of a high order.

After seeing the man power of your University pass in review I was not surprised when I saw your football team win.

With kindest remembrances and best wishes to you all, believe me

Very sincerely yours,

GEO. VAN HORN MOSELEY

Brigadier General, U. S. A.

This letter was received for record.

PLYM FELLOWSHIP FUND

(3) A request for authority to sell the securities in which the unused funds given for the Plym Fellowship in Architecture from 1914 to 1918 were invested, in order to provide for the payment of stipendia to the holders of this fellowship. The par value of securities is \$4200; estimated market value, \$3885; and the accumulated income is \$1,209.98.

On motion of Mrs. Evans, the President of the University was authorized to direct the Comptroller to sell these securities.

WOMAN'S COTTAGE

(4) A recommendation that the residence of former Dean Davenport, now used as a residence for women, be designated Woman's Cottage No. 1.

This matter was referred for consideration and report to a special committee consisting of Mrs. Evans, Chairman, Mrs. Blake, Mrs. Busey, and Mrs. Grigsby.

PURCHASE OF LOT AT SOUTH END OF GOODWIN AVENUE

(5) A recommendation that \$4425.58 be appropriated from the Reserve and Contingent fund for the purchase of the lot on Nevada Street at the end of Goodwin Avenue, owned by Professor Frederick Green. The price is \$4350 provided the sale can be completed and the purchase price paid before December 1. The University is to assume the unpaid taxes and assessments now levied against the property. These include a lighting assessment of \$50.58, and the taxes for 1922, amounting to \$25, which will be due in March, 1923.

On motion of Mrs. Evans, this appropriation was made. The vote was as follows: Aye, Mr. Abbott, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoyt; no, none; absent, Mr. Herbert, Mr. Noble, Mr. Small, Mr. Trimble.

OFFER OF HON. W. B. MCKINLEY TO REDEEM SECURITIES GIVEN BY HIM FOR MCKINLEY HOSPITAL

(6) The following statement:

Senator W. B. McKinley, of Champaign, said to me the other day that he was interested in having the hospital, for the erection of which he gave the University, a few years ago, certain securities with the understanding that they would be duly sold and the building erected with the proceeds, pushed forward with as little delay as possible. The securities which the Senator gave us were at the time of the gift worth at market \$90,000 and of a par value of \$120,000. Among the securities were one hundred shares of Illinois Central Capital Stock. These were sold in 1919 for \$9,994.00. This sum, with the income thus far accrued on October 31, amounted to \$11,412. The market value of the remaining securities is reported by the Comptroller in his Annual Report of June 30, last, on Page 14, as \$69,275. A later estimate, October 31, by the Comptroller, is \$73,800. Senator McKinley offers to take these up and to give \$95,000 in cash in their stead when we are ready to begin the building, provided we do so this coming spring. This sum of \$95,000 dollars, added to the cash on hand, the accrued interest, and the value of the investments made from the sale of the Illinois Central Stock, will make, according to the Comptroller, about \$130,000.

I submit the Comptroller's statement of these securities and the present status of the McKinley Hospital Fund as of October 31, 1922, and recommend that Mr. McKinley's offer be accepted, the exchange to be made at the time when we begin to need the money for the erection of the building.

REPORT OF THE COMMITTEE ON ACCOUNTANCY

(7) The annual report of the Committee on Accountancy for the year ending June 30, 1922, submitted through the Secretary, Mr. G. P. Tuttle.

This report was received for record.

AMERICAN UNIVERSITY UNION

(8) A recommendation that \$500 be appropriated from the Reserve and Contingent fund for the annual membership fee in the American University Union.

On motion of Mr. Blair, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit; no, none; absent Mr. Herbert, Mr. Noble, Mr. Small, Mr. Trimble.

BROADCASTING BY THE UNIVERSITY

(9) A recommendation that the sum of \$350, from the Reserve and Contingent Fund, be added to the Incidental Fund of the Department of Electrical Engineering for the purpose of paying, at the rate of \$10 a week, the operator who does the work of broadcasting and any incidental expenses necessary.

On motion of Mr. Hoit, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Hoit; no, none; absent Mr. Herbert, Mr. Noble, Mr. Small, Mr. Trimble.

LEAVE OF ABSENCE FOR PROFESSOR JACOB ZEITLIN

(10) A recommendation that the request of Dr. Jacob Zeitlin, Associate Professor of English, for sabbatical leave of absence, with half salary, for the year 1923-24, be granted.

On motion of Mrs. Blake, this recommendation was approved.

LABORATORY FEES

(11) A recommendation that laboratory fees in certain new laboratory courses, as recommended by the Heads of the Departments concerned, with the endorsement of the Provost and the Comptroller, be approved as follows:

Mechanical Engineering 86 (2nd semester) 4
Mechanical Engineering 87 (1st semester) 4
Mechanical Engineering 88 (2nd semester) 4

On motion of Mrs. Grigsby, these fees were approved.

REPORT OF COMMITTEE ON PARR COKING PROCESS

(12) A report of the special committee, consisting of the President of the Board and the President of the University, on the Parr process.

Since rendering its informal report at the meeting of last July (Minutes, July 12, 1922, p. 9), Professor Parr and your committee have had additional conferences with representatives of the Koppers Company and particularly with Mr. Sperr, the representative of that company who recently was in Urbana. He submitted the following memorandum as the basis of an agreement between the Koppers Company and the University for the commercial exploitation of the Parr process.

Your committee has studied this agreement and recommends that it be made the basis of a contract. Your committee however recommends that paragraph 2 be amended by the addition of a statement like this: "Koppers" shall license on reasonable financial terms to any other company or individual the right to use this process under conditions that shall conserve the rights of the University under the contract of the Koppers Company.

Your committee further recommends that the second paragraph under number 4 be amended by adding the words "until the cost of the demonstration plant has been liquidated and no longer."

Your committee further recommends that, since the foreign rights of the patent to this process have been assigned to the University by Professors Parr and Layng, the

University reassign to Professors Parr and Layng all rights to the foreign patents for this process as part or all of their share of the remuneration from the use of the process under the patent, according as may be determined by agreement between these gentlemen and the University at a later date.

MEMORANDUM OF SUGGESTED AGREEMENT between The Koppers Company, hereinafter called "Koppers" and the University of Illinois, hereinafter called "University."

1. Pending United States Patent application, Serial No. 260,541, for certain inventions of S. W. Parr and T. E. Layng has been assigned by the inventors to the University of Illinois. It is understood that this application has been allowed by the United States Patent Office.

2. "University" is to grant "Koppers," its successors and assigns, the sole and exclusive license and right to employ, for the life thereof, the United States Patent corresponding to Application Serial No. 260,541, and like license and right to all present or future patents assigned to "University" relating to modifications or improvements of or pertaining to the inventions comprised in United States Patent Application, Serial No. 260,541.

3. "University" is to permit the inventors, S. W. Parr and T. E. Layng, under their own personal contract, to assist "Koppers" in the development, improvement, and exploitation of the inventions that are the subject matter of this agreement and any further inventions of said Parr or Layng relating to such subject matter; and agrees to render available to "Koppers" all the information in its possession that will be of assistance in relation to said inventions.

4. It is recognized that at present it is impossible to estimate the value of the inventions and that, in view of the complicated relations of these inventions to present developed processes, it is impossible to compute what increased earnings could be obtained by the application of said inventions. It is, therefore, agreed to use the following method as a basis for determining the payments to be made by "Koppers" to the "University" in consideration of the license and right to employ these inventions: "Koppers" shall be entitled, but not obligated, to construct and operate a demonstration plant, embodying the inventions covered by the above mentioned application, treating any amount of coal therein at the discretion of "Koppers" up to but not exceeding 1000 tons of coal per day. The construction and operation of such demonstration plant, whenever built, shall be free of payment of any royalty.

On the basis of results obtained during a year's operation of the demonstration plant, or during a shorter period of operation if mutually agreed, a royalty charge shall be calculated applicable to all other installations by "Koppers" making use of the inventions comprised in this agreement. The amount of said royalty charge and the manner of payment thereof shall be fixed by mutual agreement or by arbitration to be provided for.

The royalties collected from any such other installations shall first be applied in toto to reimburse "Koppers" for expenses necessarily incurred in the development of the inventions that are the subject matter of this agreement which shall include any expense incurred under terms of agreement on this same subject with Messrs. Parr and Layng and shall include the *net* cost of the demonstration plant or such part of said net cost as shall not then have been reimbursed from the earnings of said plant itself. After "Koppers" has been fully reimbursed for all such expenses, all additional royalties collected under this agreement shall, after deducting the necessary expenses of collection, be divided in the proportion of 80% to "Koppers" and 20% to "University."

5. "University" agrees to settle all claims against the inventions that are the subject matter of this agreement so that there will be no charges against The Koppers Company by the inventors or by other parties who may have assisted in the development of the inventions and so that "Koppers" shall have full, free, and unrestricted right to employ the said inventions under the license to be granted as herein provided, subject to no charge or expense whatever except as herein provided.

6. In the event of litigation affecting the validity of United States Patent corresponding to Serial No. 260,541 being decided adversely so as to invalidate the patent,

this contract may be terminated at the option of Koppers but without affecting rights accrued under it.

7. "Koppers" shall at all times during the continuance of this agreement use its best endeavors to exploit the inventions that are the subject matter of this agreement.

8. In the event that the demonstration plant referred to in paragraph 4 is not put into operation within *three* years from the date of this agreement, "University" shall have the right, upon giving ninety (90) days' notice, to terminate this agreement.

9. "University" understands and agrees that foreign rights to the inventions that are the subject matter of this agreement are the property of the inventors, S. W. Parr and T. E. Layng, and may be made the subject of a separate agreement between said inventors and "Koppers."

10. This memorandum is designed to cover the salient and principal points only of the agreement of the parties on the subject and it is understood that a further agreement or contract will be entered into covering the matter more fully.

On motion of Mrs. Evans, the special committee was authorized to formulate a contract on the basis of this memorandum.

SIMPLIFICATION OF ENTRANCE REQUIREMENTS

Mr. Abbott made a statement concerning the complex form of the present requirements for admission to the University.

The President of the University was directed to present a plan for the simplification of the requirements and of their statement printed in the Annual Register.

APPOINTMENTS TO FILL VACANCIES

The Secretary presented for record the following appointments made by President Kinley:

Andrews, M. W., University Editor in the President's Office, at a salary of three hundred thirty-three and one-third dollars (\$333.33) a month, for eleven months, beginning October 1, 1922, subject to the rules of the Civil Service Commission. (October 31, 1922).¹

Appelle, G. C., Associate in Physiology, for four and one-half months, beginning September 15, 1922, at a salary of eighty-eight dollars and eighty-eight cents (\$88.88) a month. This appointment supersedes his previous one. (November 1, 1922)

Barryte, W. B., Student Assistant in Chemistry, in the School of Pharmacy, for one semester, beginning October 17, 1922, at a compensation of fifty dollars (\$50) for the period. (October 18, 1922)

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

DECEMBER 15, 1922

The quarterly meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 11 a. m., on Friday, December 15, 1922.

The following members were present: President Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of November 9, 1922. On motion of Mr. Noble, the minutes were approved as printed on pages 85 to 92 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

BEQUEST FROM JOSEPH RALSTON MORRIS

(1) A recommendation that the following resolution be adopted:

WHEREAS, JOSEPH R. MORRIS, deceased, late of the County of Anne Arundel, Maryland, by his last will and testament, now duly probated in the county and state aforesaid, bequeathed to the Board of Trustees of the University of Illinois the sum of Ten Thousand Dollars (\$10,000), as appears by a copy of the last will and testament of said Joseph R. Morris hereto attached, and made a part hereof; and

WHEREAS, said last will and testament contains the following provision, among others:

"To the Board of Trustees of the University of Illinois, the sum of Ten Thousand Dollars (\$10,000) to be held by it as a permanent fund to be loaned to worthy students of the University of Illinois who shall be in need of funds to enable them to continue as students in such University. The funds shall be loaned in sums not exceeding Four Hundred Dollars (\$400) at any one time, and shall be loaned upon such security and at such rates of interest as may be determined by said Board of Trustees."

AND WHEREAS, J. M. Morehead, Executor of the said Estate of James R. Morris, deceased, has paid over and delivered to the Board of Trustees of the University, the sum of Ten Thousand Dollars (\$10,000) in full payment of the bequest aforesaid;

NOW, THEREFORE, the Board of Trustees of the University of Illinois, acting under and by virtue of a resolution of the said Board of Trustees, in consideration of the premises and of said bequest, hereby agrees to hold and use said sum of money as a permanent fund to be loaned to worthy students of the University of Illinois in accordance with all the terms and conditions of the said bequest, and of the terms and conditions of the last will and testament of the said James R. Morris, deceased.

On motion of Mrs. Evans, the foregoing resolution was adopted, the President of the Board was authorized to sign the release, and the Comptroller was authorized to sign and execute the necessary papers and to receive the money on behalf of the University.

FATIGUE PHENOMENA OF METALS, CONTRACT EXTENDED

(2) A statement that the General Electric Company recently offered the University \$7,500, in addition to the \$30,000 already contributed by the same Company, for a continuation of the investigation on the Fatigue Phenomena of Metals, to cover the following points: (1) The completion of the work now in progress on reversed bending stress superposed upon steady tension; and (2) tests on two non-ferrous metals, monel metal and aluminum-monel metal.

Since this offer involved merely an extension of the existing agreement between the University of Illinois and the General Electric Company under the same conditions as to publication, availability of data to the public, advisory committee, and the like, I authorized the Comptroller to inform the General Electric Company that we would accept the money in accordance with the terms of the present agreement. The Comptroller has done this, and has received acknowledgments from the General Electric Company, and also from the Engineering Foundation, as a result of which the \$7,500 will be available.

This report was received for record.

APPOINTMENT OF ASSISTANT PROFESSOR BAINS

(3) A recommendation that Mr. Thomas M. Bains be appointed Assistant Professor of Mining in the College of Engineering with salary at the rate of \$3,000 a year for the period from January 1, 1923, to September 1, 1924.

On motion of Mrs. Busey, this appointment was made.

RESOLUTIONS IN HONOR OF PROFESSOR MOSIER

(4) A recommendation that the following resolutions be adopted:

The Board of Trustees have learned with sorrow of the death on November 10 of Jeremiah George Mosier, for twenty years Professor of Soil Physics in the College of Agriculture, and Chief in Soil Physics in the Agricultural Experiment Station, and desire to record their sense of loss, and their appreciation of Professor Mosier's notable services to the University, the State, and the cause of agricultural science.

A leading pioneer in the science of soil physics, a distinguished collaborator in the great soil survey of the State of Illinois, a prolific contributor to the literature of his science, the co-author of a valuable and widely used text on soil physics and management, and a memorable teacher, he lives still in the enduring value of the additions he made to human knowledge, and in the characters and minds of the thousands of students he helped to train for happy and useful lives.

The Board of Trustees directs that this testimonial to his distinguished career be spread upon its records, and that a copy be sent to his widow.

On motion of Mr. Hoit, these resolutions were adopted.

RESOLUTIONS IN HONOR OF JAMES ROBERT MANN

(5) A recommendation that the following resolution be adopted:

The Board of Trustees pauses in its labors to join with hundreds of other groups and thousands of individuals in honoring the memory of a distinguished alumnus of the University, James Robert Mann, of the Class of 1876, for twenty-five years a member from the State of Illinois of the Congress of the United States, who died in Washington on November 30, 1922.

There is no need to set down in this place a record of the public offices he filled or the particular services he rendered to his country in the course of his long career: these are a part of the history of the Commonwealth and the Nation. Suffice it to pay tribute to the fearlessness of his leadership and the constructiveness of his statesmanship. The University has long claimed him with pride as one of its most eminent sons. It is with grief not for him alone, but also for the Commonwealth that we lament his untimely death.

The Trustees direct that this testimonial be entered in the minutes and a copy sent to his widow.

On motion of Mrs. Grigsby, these resolutions were adopted.

RESOLUTIONS IN HONOR OF WILLIAM EDWARD QUINE

(6) A recommendation that the following resolution be adopted:

On December 7, 1922, there passed away in Chicago William Edward Quine, for thirty-three years Professor of Materia Medica and Therapeutics, and for twenty-one years Dean of the College of Medicine of the University of Illinois, and its honorary alumnus. In addition to his distinguished service as a teacher of medicine and a director of medical education, Doctor Quine labored for more than half a century as a practising physician in the city of Chicago, eminent among his colleagues for his skill and success in alleviating human suffering and curing human disease, and likewise for his frequent and noteworthy contributions to the literature of medical science and medical education.

The Board of Trustees directs that this testimony of its appreciation and

sorrow shall be spread upon its minutes, and a copy sent to the surviving members of his family.

On motion of Mrs. Blake, these resolutions were adopted.

RESOLUTIONS IN REGARD TO RESEARCH IN PHARMACY

(7) A statement that at a meeting held in Cleveland on August 12, 1922, there was organized a National Conference on Pharmaceutical Research. This conference passed the following resolutions:

RESOLVED: It is the sense of this Research Conference that every College of Pharmacy should provide the necessary financial means so that at least one professor or, if that should not be possible, an assistant be appointed to devote his entire time to research.

RESOLVED: That these resolutions be sent to the Trustees of the various colleges of pharmacy.

This report was received for record.

APPOINTMENT TO ADVISORY BOARD, SCHOOL OF PHARMACY

(8) A recommendation that Mr. Joseph F. Shreve of Jacksonville be appointed a member of the Advisory Board of the School of Pharmacy for five years beginning July 1, 1923, to succeed Mr. P. D. Roark of Macomb, whose term expires June 30, 1923.

On motion of Mrs. Blake, this appointment was made.

PURCHASE OF GREEN LOT

(9) A report from the Comptroller that the purchase authorized by the Board on November 9 of the lot owned by Professor Frederick Green on West Nevada Street at the south end of Goodwin Avenue, known as Lot 19 of Forestry Heights Addition to the City of Urbana, has been completed, and a warranty deed and abstract of title filed with the Secretary of the Board.

This report was received for record.

RULES FOR CUSTODIANSHIP OF MOVABLE PROPERTY

(10) A recommendation that the following regulations be adopted:

1. Movable equipment purchased for or assigned to a department of the University will be considered as in the custody of the head of that department, who will be responsible for it. He will report annually to the Comptroller on all such equipment as long as it continues in service, and will make special report whenever such equipment becomes unserviceable, or when it becomes of no further service to that department.

2. The Comptroller will be expected to arrange for the transfer of any equipment which has become of no further service in one department, but which can be used in some other department, or for the sale or disposition of any equipment which can no longer be used by the University.

3. Movable equipment for general use, meaning equipment which is usable by all departments, or by various departments, or by the University in general, will be considered as in the custody of the Supervising Architect, who will make report to the Comptroller on such equipment, the same as the head of any department of the University.

4. The Supervising Architect shall also provide, on the request of the Comptroller, storage for any departmental equipment temporarily not in use.

On motion of Mr. Noble, these regulations were adopted.

DEGREES, COLLEGE OF MEDICINE

(11) Recommendations from the University Senate that degrees be conferred as follows:

THE COLLEGE OF MEDICINE**The Degree of Bachelor of Science**

HYMAN NATHANSON BROWN	BROOKE HORSKY
CLYDE KENNETH CONRAD	RUSSEL JOHNSON
HUGO O. DEUSS	NEAL McLEAN LEITCH
ABRAHAM ETTLESON	MORRIS S. JERKOWSKY
JACOB FISCHER	JESSE P. ROGERS
MILTON B. GEVIRTZ	DAVID SCHINBERG
LEO G. GLICKMAN	ELIZABETH SCHIRMER
RUSSEL GOEBEL	CARL J. UTHOFF
IVAN GILBERT	HYMAN ISRAEL VENER
	SAMUEL I. WEINER

The Degree of Doctor of Medicine

LEONARD LOUIS CHARPIER SOFRONIO COPON ZULAYBAR

On motion of Mrs. Blake, these degrees were conferred.

LEAVE OF ABSENCE FOR PROFESSOR HAYES

(12) A recommendation that Professor Edward C. Hayes of the department of sociology be given sabbatical leave of absence on one-half salary for the year beginning September 1, 1923.

On motion of Mrs. Blake, this recommendation was approved.

ADDITIONAL APPROPRIATION, HOME ECONOMICS

(13) A recommendation that the sum of \$2100 be appropriated from the Reserve and Contingent Fund for expense and equipment in the Department of Home Economics.

On motion of Mrs. Evans, this appropriation was made. The vote was as follows: Aye, Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

RECOMMENDATION FROM THE COUNCIL OF ADMINISTRATION IN REGARD TO CHAPTER HOUSES

(14) The following recommendation:

To the Board of Trustees:

During the last two years a tendency has appeared to erect fraternity houses about the campus at what seems to be an undue cost, making necessary a large membership, the payment of rents so heavy as to be a burden to the members of the organization, and sometimes additional contributions or dues, so that men of ordinary means are practically debarred from becoming members of these organizations. The erection of such houses endangers the success of the chapters as useful and democratic auxiliaries to the educational purposes of the University. Moreover, the interior arrangements of some of the houses are not well suited to purposes of study, the study rooms being too few, and the facilities for social life too extensive.

In view of this tendency the Council of Administration recommends to the Board of Trustees that in the future all fraternities or other University organizations which plan the building of chapter houses, or the occupying of chapter houses built for them, be notified that they are required to submit their house plans to

the Council of Administration for approval so far as concerns the arrangements for proper conditions for study, living cost within the reach of the student from the average home, and that size of chapter which will make for unity, solidarity, and wholesomeness of chapter house life.

THE COUNCIL OF ADMINISTRATION

By T. A. CLARK, *Secretary*

On motion of Mr. Noble, these recommendations were approved and declared to be the policy of the University.

At this point, Mr. Trimble took his place with the Board.

LETTER FROM STADIUM COMMITTEE

- (15) A letter from Mr. R. F. Carr, Chairman of the Stadium Executive Committee.
November 28, 1922

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

At the meeting of the Executive Committee of the University of Illinois Memorial Stadium held on Saturday, November 25th, I was instructed to request that the Board of Trustees arrange to have made a study of the landscape and planting requirements in connection with the Stadium site, in order that plans may be perfected and carried out as soon as possible consistent with the condition of the grounds.

I was also instructed to call to the attention of the Board the necessity for arranging for facilities to park a large number of automobiles on the streets leading to the Stadium Field and upon available areas in and around the Stadium itself. This will probably involve further improvement or possibly the pavement of First and Fourth Streets.

It was also suggested that Second and Third Streets should be paved either to the south city limits or at least to Armory Avenue. As the pavement of these two streets might involve the University in the matter of special assessments, it was thought that the Board of Trustees should first consider the question before any communication should be forwarded to the City Council of Champaign requesting that proceedings be instituted providing for the laying of such pavements.

Will you kindly bring these matters to the attention of the Board with such recommendations as you may see fit to make? It is the promise of the contractor to have the Stadium seats ready for use and occupancy on or about October 1, 1923, and we are, therefore, anxious to undertake all collateral matters in ample time.

Very sincerely yours

R. F. CARR

Chairman of the Executive Committee

This letter was referred to President Kinley for consideration and report.

BILL OF MR. CHARLES A. PLATT

- (16) The bill of Mr. Charles A. Platt for professional services in connection with the Campus Plan from May 1, 1922, to September 1, 1922, including charges for traveling expenses and drafting room time, amounting to \$4,739.01.

On motion of Mrs. Blake, this bill was approved for payment from the Reserve and Contingent fund. The vote was as follows: Aye: Mr. Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

LAND POLICY

(17) Letters from Dean Mumford and former Dean Davenport concerning the future policy of the University concerning the acquisition of land.

President David Kinley, University of Illinois

December 7, 1922

DEAR PRESIDENT KINLEY:

Replying to your request with reference to the matter of acquiring land for purposes of the College of Agriculture and the Agricultural Experiment Station, I will say that this matter has been rather fully discussed, and the question of the location of the land is covered to the entire satisfaction of the College and Experiment Station in Dean Davenport's letter of August 28, 1922. Two questions are then left for consideration, first, the immediate needs which should be provided for not later than the coming biennium and preferably sooner, and second, the ultimate need of the College and Experiment Station.

With reference to the first question, I shall, for sake of record, call attention to the fact that with the location of the Stadium, the Artillery Field, and in fact, the Drill Ground, the land equipment of the College of Agriculture has been considerably reduced. It is only proper to say that this land, because of its location, cannot be entirely replaced by land more distant from the University. I hope, that as the plans for athletic and recreation fields are developed, that all of those activities can be kept north of the road running south of the University Farm and west of First Street.

As a matter of wise policy for the University, and particularly its agricultural interests and contacts, it is not a good thing to have the front lawn of the University Farm occupied by a golf course and playground. I do not overlook the fact that the golf course on University land is entirely defensible, just as the drill field and baseball diamond or the football field are defensible, but it does seem a matter of good business policy to locate these fields where it is not continually necessary to defend them. I am saying this because I am hoping that there will be no movement toward absorbing the plant-breeding plots east of the present golf course on the University Farm. It is desirable that this area be left available for agricultural purposes.

It will be necessary to decide upon a location for the poultry interests, and they must be fairly convenient to the University campus, more convenient than the present location. The plant-breeding plot vacated by the Horticultural Department, with exception of a few scattered trees, would make a good location for the poultry plant, and the trees, which it will be necessary to leave for a few years, would be an asset rather than a liability to the poultry interests.

If the Rice farm can be purchased it would be desirable for agricultural purposes, and it would seem to me that it would be a good thing to look forward to trying to acquire it during the next biennium. Unquestionably the present is a very advantageous time to buy additional farming land. It is doubtful whether another as advantageous opportunity will come within the next twenty-five years. The farm referred to comprises something over two hundred acres.

Finally, as to the question of the ultimate requirements of the Agricultural College and Experiment Station for land, there can be nothing more than an opinion expressed. The best estimate that I could make at the present time would be that the College and Experiment Station might ultimately need five hundred acres in addition to the present holdings.

Very truly yours,

H. W. MUMFORD

President David Kinley, University of Illinois

August 28, 1922

MY DEAR PRESIDENT KINLEY:

Agreeable to your suggestion, as I near the end of my active service with the University of Illinois, I am writing to express a judgment upon some points which

suggest themselves as being of possible interest. These observations naturally group themselves about two central thoughts—agricultural and general.

AGRICULTURAL EQUIPMENT AND HOLDINGS

The agricultural equipment as compared with the needs of the College and Station can not be called entirely adequate, but it compares exceedingly well with that of other institutions in nearly every respect, and in many it leads. This does not mean that we have reached the end of the development, but that we are making good progress. Additions will naturally be made from time to time, particularly in the animal outfit.

In providing buildings for the shelter of the livestock and for such activities as naturally go with the fields, there will be a strong tendency on the part of architects to carry campus designs and constructions out onto the farm. This, it seems to me, should be resisted, because of the unnecessary expense, on the one hand, and, upon the other, the fact that here, where University interests and farming come together, the average citizen has a splendid opportunity of judging for himself as to the economy or the extravagance of his institution. If, for example, we should build barns as we build campus buildings, the farmer would accuse us of extravagance. On the other hand, they do not need to assume dilapidated conditions in order to demonstrate economy. Somewhere between the extremes lies a reasonable medium which the University should find. We need a special type of architecture, carefully chosen, in the construction of those buildings which would naturally be classified as farm structures.

One of the embarrassments coming to the Experiment Station is in the abandonment (when they have served their purpose) of the outlying experimental fields, established in the soil survey in order to test out prevailing types. As soon as these tests have been thoroly well made, the fields should be abandoned, because they are expensive to operate. Yet naturally the localities nearby are anxious that they should be retained as demonstration fields. The University may therefore expect to encounter considerable pressure, which must be overcome and the fields abandoned after they have served their purpose.

The University will need for experimental and demonstration purposes and more especially for accommodation of livestock, at the central location here, considerable further extension of land holdings. Just how much that extension will ultimately need to be, no man knows, and it would be folly to attempt at the present time to lay down anything like a complete geographical extension and limitation of University holdings. However, the need for more land for livestock is already upon us, and it raises questions of policy.

It is customary, not only in campus extension, but in enlargement of agricultural holdings, to follow what might be called a zoning system—that is, to buy always adjoining property. This puts the University continually at a disadvantage as to price, and it is an entirely unnecessary handicap in the extension of agricultural holdings. I believe that a far better policy for the University of Illinois would be to block out a region anywhere within which it would buy land at prices that it might consider reasonable.

For example, in this case, any land that lies between the Illinois Central Railroad on the west, and the road which runs south, past the horticultural holdings on the east, and as far south as the public highway a mile north of the Savoy road would be good land for the University to own. There are three highways running north and south, extending through or partly through this block, with no highway running east and west. That is to say, the University can reach any part of this land, without being obliged to cross a public highway. Such a plan as this would for the present disregard the immediately adjoining tracts, like the

Sullivan and Percival lands, held at exorbitant figures. The result would be the acquisition of territory at a considerably lower price than is possible if we adhere to the zoning system.

APPOINTMENTS TO FILL VACANCIES

The Secretary presented for record the following list of appointments made by President Kinley:

Batko, J. B., Rea Scholar in the College of Medicine, for the year, 1922-23, with a stipendium of sixty dollars (\$60). (November 15, 1922)¹

Bray, R. H., Assistant in Soil Survey Analysis, in the Department of Agronomy, in the Agricultural Experiment Station, for seven months, beginning February 1, 1923, at a salary of one hundred dollars (\$100) a month. (December 7, 1922)

Brennan, J. W., Assistant in Anatomy, in the College of Medicine, for four months, beginning October 3, 1922, at a salary of twenty-five dollars (\$25) a month. (November 22, 1922)²

Card, L. E., Professor of Poultry Husbandry, in the College of Agriculture, and Chief in Poultry Husbandry, in the Agricultural Experiment Station, in the department of Animal Husbandry, from September 1, 1922, to February 1, 1925, at a salary of three hundred dollars (\$300) a month. This appointment supersedes his previous one. (December 8, 1922)

Carman, G. G., Assistant in Animal Nutrition, in the Department of Animal Husbandry, in the College of Agriculture and in the Agricultural Experiment Station, for one year, beginning September 1, 1922, at a salary of twelve hundred dollars (\$1200). This appointment supersedes his previous one. (December 8, 1922)

Case, H. C. M., Assistant Professor of Farm Organization and Management in the College of Agriculture, and Assistant Chief in Farm Organization and Management in the Agricultural Experiment Station, for one year, beginning September 1, 1922, at a salary of thirty-six hundred dollars (\$3600). This appointment supersedes his previous one. (December 8, 1922)

Eden, Mrs. Morine P., Stenographer in the Business Office, at a salary of eighty dollars (\$80) a month, for nine months, beginning December 1, 1922, subject to the rules of the Civil Service Commission. (December 1, 1922)

Hamilton, T. S., First Assistant in Animal Nutrition in the College of Agriculture, and Instructor in Animal Nutrition in the Agricultural Experiment Station,

¹The date in parenthesis is the date on which the appointment was made by the President of the University.

²Appointment made by Dean Babcock, Provost of the University.

in the Department of Animal Husbandry, for one year, beginning September 1, 1922, at a salary of two thousand dollars (\$2000). This appointment supersedes his previous one. (December 8, 1922)

Hanson, F. P., Extension Specialist and Instructor in Farm Mechanics in the College of Agriculture, and Instructor and First Assistant in Farm Mechanics in the Agricultural Experiment Station, for eleven and one-half months, beginning September 15, 1922, at a salary of twenty-five hundred dollars (\$2500). This appointment supersedes his previous one. (December 8, 1922)

Kelleher, R. C., Assistant in Farm Mechanics, in the College of Agriculture and in the Agricultural Experiment Station, for one year, beginning September 1, 1922, at a salary of twelve hundred dollars (\$1200). This appointment supersedes his previous one. (November 22, 1922)¹

Novotny, G. W., Student Assistant in Pharmacy, for one semester, beginning November 23, 1922, at a compensation of thirty-five dollars (\$35). (November 27, 1922)

Pavlin, O. B., Rea Scholar in the College of Medicine, for the year 1922-23, with a stipendium of sixty dollars (\$60). (November 15, 1922)

Rosenblum, D. H., Rea Scholar in the College of Medicine, for the year 1922-23, with a stipendium of sixty dollars (\$60). (November 15, 1922)

Rost, T. A., Assistant in Anatomy, in the College of Medicine, for eight months, beginning October 1, 1922, at a salary of seventy-five dollars (\$75) a month. This appointment supersedes his previous one. (November 8, 1922)

UNIVERSITY OF ILLINOIS

JANUARY 17, 1923

The January meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 11 o'clock a. m. on Wednesday, January 17, 1923.

The following members were present: President Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, and Mr. Noble; also Mr. Armstrong, member elect.

President Kinley and Professor J. M. White were present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of December 15, 1922.

On motion of Mrs. Blake, the minutes were approved as printed on pages 93 to 102 above.

EXECUTIVE COMMITTEE MEETING, DECEMBER 22, 1922

The Secretary reported that the Executive Committee approved on December 22, 1922, a recommendation from the University Senate that the degree of Doctor of Medicine be conferred on January 1, 1923, on the following students who on that date completed all the requirements for the degree, including twelve months of service as internes in a hospital approved by the University:

PHILIP ARIES
 WILLIAM HARCOURT BROWNE
 NEAL DOW CRAWFORD
 WALTER J. R. HEINEKAMP
 ROGER EDMUND PINKERTON
 MAURICE JOSEPH ROSENBERG
 PAUL WHITE RUSH
 DORRIN FRED RUDNICK
 IRVING JOSEPH SHAPIRO
 ALFRED STANLEY TRAISMAN

This report was received for record.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

INSPECTION OF HIGH SCHOOLS

(1) A statement made in response to a request of the Board (see Minutes, April 15, 1921, p. 226) concerning the standards and conditions of the accrediting of high schools in Illinois as administered by the High School Visitor of the University. This statement has been delayed because the matter was under discussion with the State Superintendent of Public Instruction. The discussion is still continuing, with a fair prospect of an early agreement on all points at issue. The following statement of standards and methods was prepared by Professor Hollister.

I. Purposes:

In applying standards for accrediting as a basis for such certifying privilege the University seeks constantly to reduce the waste caused by failures in the freshman year of the colleges. For this reason our standards are set as high as general conditions in the State will permit, and these standards are maintained by thoro-going follow-up visits.

II. Standards:

When schools are inspected for purposes of accrediting, it is with the understanding that we are accrediting subjects of study one by one and not determining an average of excellence. When a school is once accredited, the University thereby agrees to take, on certificate, *any graduate* who has satisfactorily completed the course laid down by the high school authorities and who is able to present fifteen (15) acceptable units for admission. Given a school year of 36 or more weeks, the three principal factors which go to make a successful and therefore creditable high school are:

(1) A suitable physical plant, including a building, grounds, and equipment adequate for doing the things which the school undertakes.

(2) Efficient instruction and a normal scholarship rank of the pupils.

(3) A proper school spirit and attitude of the pupils and teachers towards each other and in relation to the work undertaken. These are the three general aspects of the school in operation which the Visitor undertakes to evaluate in order to determine whether or not the students graduating from the school are likely to qualify for University work.

In addition to the above general standards, the University makes certain specific requirements as to subjects and also as to their treatment in some cases. Of the fifteen units, six—three in English, two in mathematics, and one in laboratory science,—must

be presented by all. Of the remaining nine units, six must be from an elective list of academic subjects, while three may be from vocational lines, when taught under favorable conditions and in a satisfactory manner, as more or less definitely prescribed.

There are further specific requirements in order to register without condition in certain colleges of the University, as two units of the same foreign language for the College of Liberal Arts and Sciences; a third unit in mathematics for the College of Engineering, a second unit in laboratory science for the College of Agriculture, etc.

All these specific requirements, intended to save students from a handicap in their college courses, the Visitor must take into account in inspecting a high school. He must see to it that proper and adequate equipment is provided for instruction in each subject and that effective methods are in use for laboratory work, the use of the high school library, and the conduct of class-room and study-hall work.

In addition to the above an annual report is required from each accredited school showing changes in teachers, enrollment, curriculum, equipment, etc. This report, together with the last Visitor's report on a school, goes with the Visitor on his trip.

Schools are revisited every first, second, or third year after last accrediting, according to the conditions reported at the time of the last visit.

III. Methods:

First of all, for new schools, an *application* for accrediting must be filed. *In this the school takes the initiative.* This report indicates the scholastic preparation of the teachers, the salaries paid, and the teacher's load in daily class work; the amount invested in laboratory and library equipments, with departmental provisions in the library; the school enrollment, length of school year, and length of recitation and laboratory periods. If this application, which is in the form of a report, is found satisfactory, *the school is listed*, along with schools whose credit terms expire the following June, *for visitation and inspection.* For this work groups of schools in the same locality are selected in order to economize in time and cost. The Visitor goes unannounced and inquires carefully as to the three points mentioned under Standards. The adequacy of the school plant in general and its sanitary features are first considered. Laboratories, shops, and the library are appraised. In physics, for instance, suitable tables for experiments should be found, and duplicate pieces of apparatus for individual or small group experimentation provided, and of a character to include the problems to be studied in the year's course. Suitable lighting and ventilation are also to be insisted upon.

In the shops, care of the floors, tools, and materials are observed, as also the lighting and ventilation. The character and amount of equipment and materials provided as compared with the work undertaken is noted and attention called to any deficiencies. The provisions made for domestic science, agriculture, and the teaching of commercial subjects and music are similarly investigated.

The library provision is considered with reference to the needs of the different departments of instruction and the uses made of it by teachers and pupils.

Recitations are visited. Here the Visitor seeks to estimate the teacher's ability to instruct, as well as the reaction of the pupils to their work. Careful attention is given to the relative ranking of pupils in scholarship as on the basis of what a good high school should accomplish.

The conduct, attention, and general bearing of pupils is observed in order to determine the finer qualities in the character of the school as expressing the spirit of the school and its probable effect on the pupils and on the ranking of the school.

The Visitor summarizes these in a written report which is later considered by a committee of the Faculty which recommends to the Council of Administration the action to be taken in each given case.

In connection with the visitation, or in response to special requests, or by appointment at the Visitor's office, frequent meetings with superintendents, principals, or school board members are held for advisement as to ways and means of improving the high schools with reference to the conditions of accrediting given above.

The High School Conference, meeting once a year at the University, is also a means for mutual understanding between high schools and the University of the best methods of improving and developing the high schools. This meeting is directly related to the accrediting work maintained by the University.

For similar purposes certain bulletins are published by the accrediting department, such as the High School Manual, which gives detailed information as to entrance requirements and the conditions of accrediting; the Proceedings of the High School Conference; the Annual Report of the Visitor showing schools accredited and giving various studies, based on high school conditions, for the guidance and help of school authorities; a syllabus of Home Economics prepared by that section of the Conference in cooperation with the corresponding University department; a bulletin on Planning and Construction of High School Buildings; a bulletin, compiled in cooperation with the Conference committee, dealing with High School Libraries.

In all of this work there is no duplication of work done elsewhere by the state.

Actual inspection is made for accrediting.

No school is accredited on the basis of written reports by the school officers except schools of generally acknowledged standing when they apply for *re-accrediting* for another three year period and then only if they are still in charge of the same principal and superintendent.

This report was received for record.

REVISION OF SECOND YEAR OF MEDICAL CURRICULUM

On motion of Mr. Noble, these modifications were adopted.

BINDING BIENNIAL REPORT

(3) A recommendation that an appropriation of \$200 be made from the Reserve and Contingent Fund for binding 225 copies of the Biennial Report of the University.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye; Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoyt, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

RESIGNATION OF PROFESSOR E. B. GREENE

(4) Doctor E. B. Greene, who began his service at the University of Illinois as Assistant Professor of History in 1894, and has held the rank of professor in that department since 1897, has decided to accept a call to Columbia University. Professor Greene was for several years Dean of the College of Literature and Arts. His decision has been largely influenced, I understand, by the exceptional library facilities available in New

¹The subjects of Clinical Diagnosis and Hygiene are to be transferred to the third year.

York City, especially in his particular field of early American history. With great regret, I recommend that Professor Greene's resignation be accepted to take effect on June 30, 1923.

This resignation was accepted and the President of the University was requested to convey to Professor Greene an expression of the extreme sense of regret of the Board, and of its good wishes for Professor Greene's future.

STADIUM COMMITTEE

(5) A report from the Stadium Committee.

January 5, 1923

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

In order that you may be fully advised in regard to Stadium matters I wish to report that the Executive Committee of the University of Illinois Memorial Stadium at a meeting held on Saturday, November 25, 1922, in Champaign, gave formal approval to the following contracts which had previously been executed by George A. Huff, President of the University of Illinois Athletic Association, with the respective parties:

English Brothers, a copartnership of Champaign, Illinois, general contract—\$1,221,747.00;

Walsh and Slattry Company, a corporation of Peoria, Illinois, drainage, plumbing, and gas fitting—\$59,000.00;

A. H. Barth Electric Company of Springfield, Illinois, electric wiring—\$14,998.00;

Sodemann Heat and Power Company, a corporation located at St. Louis, Missouri, heating and ventilating—\$9,387.00.

The Committee also approved an order issued by Holabird & Roche, architects, to Robert W. Hunt and Company for the consideration of \$1,315.00 providing for the making of shop inspection of structural steel at the fabricating plant and providing for sampling and testing materials. The Committee also gave approval to an order issued under date of November 2 by Holabird & Roche in favor of English Brothers and approved by the University of Illinois Athletic Association, for the payment of \$14.00 per ton of 2000 lbs. to English Brothers for labor and material required in loading, hauling, erection, and field painting of the structural steel and iron other than reinforcing bars and spirals as per specifications already signed by English Brothers.

Chairman Robert F. Carr has heretofore communicated to the Board of Trustees the request of the Stadium Committee that the Board of Trustees arrange to have made a study of the landscape and planting requirements in connection with the Stadium site; also the parking needs and the matter of paving First and Fourth Streets.

Chairman Scheidenhelm of the Building Committee reported that the architects have had a representative in Pittsburgh and Washington for the purpose of pushing to completion the order for structural steel for use in the Stadium. Chairman Robert F. Carr has also interviewed the high officials of the steel corporation for the purpose of enlisting their interest in having this job completed by the steel mills as rapidly as possible.

English Brothers report that the concrete footings, foundation walls, and piers have been completed for both stands and that all except about 5,000 yards of excavation on the playing field has been finished. The general contractor is making plans to proceed with the erection of structural steel as soon as it arrives in sufficient quantities.

Respectfully submitted

C. J. ROSEBERY

Secretary

This report was received for record.

The matter of the planting and landscaping of the surroundings of the Stadium was referred to a special committee consisting of Mrs. Blake, Mrs. Busey, and Mr. Abbott, for consideration and report.

GREGORY SCHOLARSHIP FUND

(6) A recommendation that the following regulations be adopted for the administration of the John M. Gregory and Louisa C. Gregory scholarship fund which was accepted by the Board on October 20, 1922 (pages 56, 57);

(Provisions in Mrs. Gregory's Will)

1. The scholarships are to be known as "The John M. Gregory and Louisa C. Gregory Scholarships."

2. The fund is to be "for the aid of worthy, indigent and self-sustaining students, who must be free from the vices of smoking and chewing tobacco, and from the use of intoxicating liquors as a beverage."

3. "Each scholarship shall yield to its incumbent One Hundred Dollars (\$100) per annum."

4. "Whenever the number of applicants shall exceed the number of scholarships at the time vacant, then the scholarships shall be awarded to those who shall pass the best competitive examination in the preparatory studies, such examinations to be under the direction and supervision of the faculty."

(Additional Regulations)

5. Applicants for the scholarships shall have been in residence at the University for at least one semester.

6. The scholarships shall be awarded by a Committee of three appointed by the President of the University.

7. In awarding the scholarships, scholastic standing as well as character and financial need shall be considered.

8. The competitive examinations called for in paragraph 4 shall be in a selected group of high-school subjects and shall be under the direction of the committee provided for in paragraph 6.

9. The fund shall be invested by the Comptroller under the direction of the Finance Committee of the Board of Trustees.

On motion of Mr. Noble, these regulations were adopted.

KNIPP AND BROWN PATENTS

(7) A recommendation that the Committee on Patents be authorized to negotiate for the sale of the prospective patents covering the use of alkali vapor in vacuum tubes for which Dr. Knipp and Mr. Brown have applied.

Professor White, the chairman of our Committee on Patents, reports that the patent here involved is not a basic patent, that only companies licensed to manufacture vacuum tubes under the DeForrest patents could manufacture this tube, and that none of these companies would be interested in our patents unless they can buy them outright. Dr. Knipp and Mr. Brown have agreed to assign such patents as they may secure to the University.

On motion of Mrs. Blake, the President of the University was authorized to direct the committee to negotiate for the sale of these patents, and to report the terms to the Board.

JAMES R. MORRIS LOAN FUND

(8) A recommendation that the following regulations be adopted for the administration of the James R. Morris Loan Fund which was accepted by the Board on December 15, 1922 (page 94):

1. The funds shall be invested by the comptroller under the direction of the Finance Committee of the Board of Trustees.

2. Loans may be made to matriculated students who have been in residence at the University at least one semester, and who at the time they make application are students in residence at this University, and have declared their intention to graduate.

3. The maximum loan to any student at any time shall be \$400.

4. When recommending loans only students of promise and good scholastic standing will be considered, and other things being equal, preference will be given to

those students who are farthest along in their University work. A loan will not be recommended to any student who is believed to be financially or morally delinquent in any respect.

5. Applicants for loans are expected to give security other than their signatures, and no member of the faculty or other person directly connected with the University will be accepted as security for any student loan.

On motion of Mr. Hoit, these regulations were adopted.

GRADUATE SCHOOL FELLOWSHIPS

(9) A recommendation that the usual appropriation of \$25,000 be made from funds of 1923-24 for Graduate School fellowships and scholarships for the year 1923-24, the stipends to be determined and assigned on recommendation of the Executive Faculty and the Dean of the Graduate School, and the approval of the President.

This recommendation was approved.

THE CAHOKIA MOUNDS

(10) A recommendation that an appropriation of \$4,500 be made from the Reserve and Contingent fund for a continuation of the work of the University of Illinois survey of the Cahokia Mounds, under the direction of Doctor Warren K. Moorehead. This will provide for the publication of a valuable report now completed of the explorations already made, and for further explorations in March and April of this year.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

SANITARY DISTRICT SEWER ACROSS CAMPUS

(11) A letter from Judge W. G. Spurgin.

January 16, 1923

President David Kinley, University of Illinois

DEAR SIR:

The Urbana and Champaign Sanitary District desires a right of way across the University grounds somewhere south of the present interurban line across the grounds and as near along the right of way as it can possibly be constructed. I am at this time unable to give the exact location as to where the line is to be constructed. This right of way is for the purpose of constructing an intercepting sewer.

I understand that there is to be a meeting of the Board of Trustees of the University on Wednesday, January 23, and am simply reminding the Board that we wish to make an application for this right of way. If the University of Illinois or the Board of Trustees have any suggestion to offer relative to the location of this intercepting sewer, it would be greatly appreciated.

Very respectfully submitted,

W. G. SPURGIN,

Attorney for The Urbana & Champaign Sanitary District

This letter was received for record.

REPORT OF THEFT OF GROCERIES

(12) A report of a theft of groceries valued at \$50.95 from the northeast basement room of the Woman's Building on the afternoon of Saturday, November 25, 1922.

This report was received for record.

SALARY OF MR. C. A. PETRY

(13) A recommendation that the salary of Mr. C. A. Petry, Structural Engineer in the office of the Supervising Architect, be increased to \$400 a month, effective January 1, 1923.

This recommendation was approved, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

SAFE FOR THE COLLEGE OF DENTISTRY

(14) A recommendation that an appropriation of five hundred dollars (\$500) be made from the Reserve and Contingent Fund for the purchase and installation of a safe in the College of Dentistry for the greater security of the records of that college.

This appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

QUINE MEMORIAL BOOKLET

(15) A recommendation that the sum of \$400 be appropriated from the Reserve and Contingent Fund for the printing of 2000 copies more or less of a Quine memorial booklet to contain a record of the memorial service in honor of Doctor Quine held at the College of Medicine on January 3, with the addresses made at that time by Doctor Pusey, Doctor Herrick, and the President of the University, and also a historical sketch of the College of Medicine prepared by Doctor Pusey, which records the notable contributions of Doctor Quine to the development of the College.

On motion of Mr. Noble, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

TRANSFER OF FUNDS, ANNOUNCEMENT OF COURSES AND LOCAL DIRECTORY

(16) A recommendation on request of the Director of the University Press, that the sum of \$301.11 be transferred from the appropriation for printing the Announcement of Courses to the appropriation for the Local Directory.

On motion of Mr. Hoit, this transfer was made.

APPROPRIATION FOR THE SCHOOL OF MUSIC

(17) A recommendation that \$350 be appropriated from the Reserve and Contingent Fund to the School of Music for the purchase of music to be used by the University Choral Society and in the other work of the School of Music.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

PROPOSED SUNDAY OPENING OF DEPARTMENTAL LIBRARIES

(19) The Law Club has made a formal request that the Law Librarian be authorized to open the Law Library on Sunday afternoons. I have asked the advice of the Council of Administration on this matter, and the Council has expressed itself to the following effect: "(1) that it would be unwise to make an exception to the general University policy in the case of the Law School Library, (2) that it is not desirable to have departmental or seminar libraries open on Sunday."

The Board did not think it wise to make an exception to its rules in this case.

DEATH OF PROFESSOR N. A. WELLS

(20) Announcement of the death in Algiers on January 16, 1923, of Newton Alonzo Wells, Professor of Architectural Decoration, *Emeritus*.

This report was received with regret.

SALARY OF MR. J. H. ANDREWS

(21) A recommendation that the salary of Mr. J. H. Andrews, Assistant Bursar, be increased from \$183.33 a month to \$200 a month beginning January 1, 1923.

On motion of Mr. Hoyt, this recommendation was approved.

GIFTS, LOANS, AND MEMORIALS

(22) A recommendation that the President of the University be authorized to appoint a committee on Loans, Gifts, and Memorials which shall be responsible for the enforcement of the regulations already adopted by the Board of Trustees in regard to these matters (see minutes of March 9, 1920, page 753, December 14, 1920, page 156, and January 25, 1921, page 166), and in general for the handling of them in accordance with the following provisions:

1. Every offer of a gift or a loan shall be reported by its recipient to the President of the University through the regular channels.

2. Gifts, loans, or memorials which the University can not use to advantage, or of which it can not take proper care without undue expense, shall not be accepted.

3. No object of art shall be accepted until its artistic quality has been passed upon by competent judges appointed by the authorities of the University.

4. All accepted gifts, loans, and memorials shall be reported to the Board of Trustees, and a proper record shall be made in the minutes of the Board, in the University's inventory, and in annual and biennial reports; and a proper acknowledgment made to donors and lenders.

These regulations were adopted.

APPROPRIATION FOR THE LIBRARY OF THE COLLEGE OF MEDICINE

(23) A recommendation that \$6,000 be appropriated from the Reserve and Contingent Fund for the support of the Library of the College of Medicine.

On motion of Mrs. Blake, this appropriation was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoyt, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

MILITARY AERONAUTICS BALANCE RESTORED

(24) A recommendation that the sum of \$20,446.98 transferred from the School of Aeronautics earnings to the General University funds on July 1, 1920, be now transferred back to this fund.

On motion of Mrs. Evans, this appropriation was made by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoyt, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

MCKINLEY HOSPITAL

(25) I submit the following letter from the Supervising Architect and recommend approval of his proposals as to plans and location.

256 Administration Building
January 8, 1923

President David Kinley, 355 Administration Building

MY DEAR DR. KINLEY:

I recommend that the McKinley Hospital be built in accordance with the sketches submitted herewith, and that it be located in the forestry facing Indiana Avenue, and one hundred feet back from Lincoln Avenue. I have prepared the sketches under instructions from the Board of Trustees and have conferred with Mr. Platt about them. He approves the plan and considers the scheme for the exterior a good one. I have sent copies of these sketches to his office to have him study the exterior design of the build-

ing. The design of the first unit can not be very well balanced because the center section must be large enough to dominate the design when the wings are extended both north and south.

I recommend that I be instructed to prepare working drawings and specifications for the building in accordance with these sketches, and that Mr. Platt be employed as Associate Architect; his commission for his service to be such portion of the standard 6% commission on the whole building as he shall be entitled to for the service which he renders.

It is impossible to make any accurate estimate on the cost of this structure. There is a tendency to increase the wages of mechanics; the painters are asking for \$1.00 per hour instead of the .85 they are now receiving; the plasterers \$1.50 per hour instead of \$1.25; and carpenters changing from .90 to \$1.10. I do not know what the building laborers will do, but they are now receiving .55 per hour. There is evidence that building will be quite a little more expensive this year than last, and that it will be difficult to secure the necessary materials. One of the largest manufacturers of veneered doors in the country has its factory output sold up to the first of next September. In making my estimate of the cost of the Hospital, I have allowed .50 per cubic foot for the building, exclusive of the furniture, and on that basis it will cost \$125,000.00. In order to keep the cost within this limit, it may be necessary to use wood construction for the cornice and roof of the two story portions, but if we use 2" plank for sheeting covered with slate and plaster below on metal lath, I believe the building will be entirely safe. The center portion certainly should have a fireproof roof.

I expect to extend a heat line from the Plant Breeding Greenhouses to the Hospital. This extension will probably cost \$8,000.00 to \$10,000 which is considerably more than the cost of an individual plant, but I am in hope that by making the interior of the building of the very simplest type, that we can include the heat extension in the cost of .50 per cubic foot. The furnishing will probably cost pretty close to \$25,000.00. The capacity of the Hospital will be about forty-two beds.

Very truly yours

JAMES M. WHITE
Supervising Architect

This recommendation was approved.

COMMERCE BUILDING

(26) A letter from the Supervising Architect:

January 9, 1923

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

I recommend, with Mr. Platt's approval, the locating of the Commerce building on the building site next south of the first unit of the Library building and facing the new Agricultural building; and that it be a building of practically the same general character as the Agricultural building.

Yours truly
JAMES M. WHITE
Supervising Architect

On motion of Mrs. Blake, these recommendations were approved.

BASEBALL FIELD

(27) A letter from the Supervising Architect.

January 9, 1923

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

The study which I sent you last month for the westward development of our south campus showed the new baseball field located west of First Street. It will probably be a good many years before the baseball field is moved, but the location suggested seems to be the best one available.

I have shown twenty-six (26) city lots platted north of the proposed baseball diamond and between Armory Avenue and the proposed location of Gregory Avenue. It seems to me that these lots may very well be sold as they are not essential as building

[January 17,

sites and I think we also may as well sell the site formerly purchased for the McKinley hospital. I think it would be advisable to trade that site in to fraternities for ground in the two blocks north of the Armory where Mr. Huff wants the Gymnasium. I think the first step in disposing of the land west of First Street would be for the Athletic Association to see if they can trade it for some land south of our present property line between First Street and the Illinois Central.

Yours very truly
 JAMES M. WHITE
Supervising Architect

Professor White made a statement concerning these plans, and the matter was discussed at length, but no action was taken.

EXCLUSION OF AUTOMOBILES FROM THE CAMPUS

- (28) A recommendation that automobiles be excluded from the University Campus. Action on this matter was deferred.

ARMORY ROOF

- (29) A letter concerning the Armory roof.

January 15, 1923

Mr. W. L. Abbott, 72 West Adams St., Chicago, Illinois

MY DEAR MR. ABBOTT:

We have secured some bids for the roofing of the Armory with zinc, and can now present definite figures to you for this work.

A zinc roof of the batten type, with ribs twelve inches high and three feet wide, accenting the truss centers, will cost \$32,400.00. This includes the estimated cost of tearing off the present composition roofing and repairing the sheathing boards. If a skylight is required, the additional cost would be \$3,700.00.

The cost of a copper roof of similar construction would be \$26,600.00 more than the zinc.

In our Physical Plant Extension budget we have an item of \$27,800.00 which could be used for this purpose.

Do you wish this matter to be acted on further by the Building and Grounds Committee, or may we proceed on the basis of the zinc roof as outlined above?

Very truly yours,
 JAMES M. WHITE
Supervising Architect

RESOLUTIONS OF SYMPATHY FOR MRS. BUSEY

On motion of Mrs. Evans, the following resolutions were adopted:

Whereas our fellow-member of the Board, Mrs. Mary E. Busey, has suffered a great bereavement in the loss of her daughter,

Be it resolved that the Board of Trustees hereby expresses its sympathy with our colleague in her sorrow and our good wishes for her comfort and health and that a copy of these resolutions be sent to Mrs. Busey.

APPOINTMENTS TO FILL VACANCIES

The Secretary presented for record the following list of appointments made by President Kinley:

Asher, Leon, Lecturer in Physiology, in the College of Medicine, for his special course of five or six lectures, beginning February or March, 1923, at a compensation of two hundred fifty dollars (\$250). (January 13, 1923)¹

¹The date in parenthesis is the date on which the appointment was made by the President of the University.

Brams, Julius, Instructor in Pathology and Bacteriology, in the College of Medicine, for six months, beginning January 1, 1923, at a salary of seventy-five dollars (\$75) a month. (January 2, 1923).

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

FEBRUARY 13, 1923

The February meeting of the Board of Trustees of the University of Illinois was held at 11 o'clock a. m. on Tuesday, February 13, at the Blackstone Hotel, in Chicago.

President Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, and Mr. Trimble were present; also Mr. Armstrong, member-elect.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 17, 1923.

On motion of Mr. Hoit, the minutes were approved as printed on pages 103 to 117 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

REPORT OF FEES

- (1) The Comptroller's report of fees collected at the beginning of the second semester.
February 9, 1923

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

The amounts of fees collected from students on registration days of the second semester, 1922-1923 were as follows:

Urbana Departments.....	\$180,843.50
Chicago Departments.....	27,868.72
Total.....	\$208,712.22

These amounts have been deposited in full with the University Treasurer.

It is interesting to note in the case of the registration at Urbana that the total amount of fees assessed, as given above, covering nearly 7,000 accounts and approximately 15,000 items, was collected, balanced to the cent, and deposited in full by 6 o'clock on the evening of the second day of registration.

I cannot refrain from commending Mr. H. B. Ingalls, Bursar, for his thoro and systematic handling of this work, the greater part of which must, of necessity, be done by student clerks, assembled for that particular purpose, working under the supervision of a comparatively small number of regular employees.

Very truly yours,

LLOYD MOREY

Comptroller

This report was received for record.

DEATH OF PROFESSOR N. A. WELLS

- (2) A recommendation that the retiring allowance of \$140 a month granted to Professor N. A. Wells be continued to Mrs. Wells until the close of the appointment year, August, 1923.

On motion of Mrs. Evans, this recommendation was concurred in.

REQUEST OF SENATE LIBRARY COMMISSION FOR AN APPROPRIATION FOR BINDING AND BOOKS

- (3) A recommendation that an appropriation of \$8500 be made from the Reserve and Contingent Fund for binding newspapers, periodicals, and books, and for the purchase of books, sets, etc., as requested by the Senate Library Committee.

On motion of Mr. Hoit, this appropriation was made, by the following vote: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small.

THE PROPOSED FACULTY MUTUAL BENEFIT ASSOCIATION

- (4) A letter from Professor White, Chairman of the committee to canvass for the establishment of the Faculty Mutual Benefit Association.

February 12, 1923

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

There will be a meeting tonight to form a temporary organization of those who have signified their desire to form a MUTUAL BENEFIT ASSOCIATION along the lines proposed by the joint Committee. There are about 890 members of our Faculty Group and 305 have signified their desire to join: in the Clerical and Stenographic

Group, there are about 150 and 62 have signed: in the Power Plant Group there has been a 100% response from 170 and almost 100% from the Farm Employees, 43 of whom have signed. In the Chicago Departments, there are 188 people eligible and 60 have signed. This makes a total of about 1400 eligibles and a total of about 650 applications or about 46%. It is probable that additional applications will be received tonight.

The response from the Colleges of L. A. & S. and Commerce has been small because the Faculty feel that they are now receiving practically as complete health benefits as they would under the proposed scheme, and they all feel that as long as the work can be divided among the others in the department, their salaries would be continued. If that policy could be definitely abolished, it would make a great difference in the response. There has been practically no personal canvass in the colleges of L. A. & S. and Commerce. Our experience shows that through personal canvass 50% at least of the Faculty Members could be enrolled.

At the meeting tonight, temporary directors will be elected, with instructions to report back with reference to the formation of a permanent organization. The Committee feels that it will not be possible to proceed without the Trustees at least assuming the responsibility of the general plan, so that there will be no possibility of individuals being legally liable for assessments beyond the dues stated. The Trustees should also assume the overhead costs of the organization. Without pledging themselves to further support at this time, I think it would be possible to put the plan into operation substantially as it has been outlined.

Very truly yours,
 JAMES M. WHITE
Supervising Architect

At this point, Dr. Noble was called to the chair.

Mr. Abbott, Chairman of the Committee on Insurance and Retiring Allowances, submitted the following report from his committee:

To the Board of Trustees of the University of Illinois:

Your Committee, authorized at the Board meeting of July 6, 1921, to consider the formation among the members of the University Staff of a MUTUAL BENEFIT ASSOCIATION and to formulate a plan for University cooperation with such an association, begs to report as follows:

There has been formed among the members of the staff, a tentative association which has appointed a committee to effect a permanent organization and which recommends the adoption of the Constitution and By-laws, a copy of which is hereto attached. Your Committee has carefully considered the provisions of this proposed constitution and by-laws and believes them to be admirably adapted to the purposes of the Organization.

Your Committee therefore recommends that the Board give its approval to this movement and announce that, in case such a permanent organization is effected for the purposes and in the form substantially as outlined in the proposed Constitution and By-laws, it will cooperate with said Association in a manner calculated to induce University employees to become Association members.

Respectfully submitted,
 W. L. ABBOTT
 C. A. TRIMBLE
 MARGARET D. BLAKE
 A. R. CRATHORNE
 M. H. ROBINSON
 G. A. GOODENOUGH

Committee

Mr. Abbott then offered the following resolution, which was adopted:

Whereas it has become recognized as a duty of employers to give practical recognition to long and faithful service and to encourage

their employees to make provision for support in sickness and old age, and relief for surviving dependents after death, and

Whereas there has been formed among the members of the University staff a Benefit Association for the purpose of mutual self-help in time of need, be it

Resolved that the Board of Trustees does hereby express its commendation of the purposes of said Association and, further, to induce its appointees and employees to become members, the Board does hereby adopt a plan of cooperation with the Association, which shall have the following provisions:

1. The University shall assume all of the Association's overhead expenses.
2. In cases of sickness and of death of members of the Association, who are on the University's active payroll, the University will make contributions to the individuals concerned, based in amount on salary and years of membership in the Association, which contributions shall be calculated approximately to equal in the aggregate the amounts derived from the Association for the same purposes.
3. There shall be provision for a liberal old age retiring allowance, based on salary and years of membership in the Association.
4. To any member of the staff who joins the Association before July 1, 1923, the University will concede a length of Association membership equal to the length of that member's service with the University.

The Committee was directed to prepare and submit a detailed plan for University cooperation with the Mutual Benefit Association.

COMMITTEE ON STADIUM PLANTING

Mrs. Blake presented the following report of the special committee on Stadium planting:

The Special Committee on planning and planting met at the University, January 30 with Prof. White, Mr. Abbott, and Mrs. Blake present. A letter from the Stadium Executive Committee printed in the minutes of December 15 (see page 98) in regard to the stadium site was discussed. The work to be accomplished seemed to fall within two divisions. The grading and draining of the stadium site seemed to belong to the building project and the seeding and planting to the general upkeep and consequently should be assumed by the University. As it is impossible for the University to carry out this work until the ground is prepared, the committee recommends that the work in connection with the stadium site be divided as follows:

1. The Stadium Executive Committee shall drain and grade the property within the roads which will surround the Stadium site and lay the necessary walks thereon.
2. The University shall seed and plant the stadium property and bring to the site suitable connections for water and electric light.
3. The University shall also grade and pave and lay walks on the surrounding thoroughfares to connect with existing pavements and walks.
4. The University shall provide sanitary and storm-water sewers from the point on First Street to which they are to be extended under the present Stadium contracts.

On motion of Mrs. Blake, this report was adopted.

LEAVE OF ABSENCE FOR PROFESSOR ERNEST BERNBAUM

(5) A recommendation that a request from Professor Ernest Bernbaum, of the Department of English, for sabbatical leave, under the regulations, beginning September 1 next, be granted.

On motion of Mr. Hoit, this request was granted.

INSURANCE OF RESEARCH LIBRARY AND LABORATORY DURING CONSTRUCTION

(6) The contract with the C. A. Moses Construction Company for general work on the Research Library and Laboratory Building in Chicago provides that we shall maintain insurance during construction against loss or damage by fire. The architects have written to Mr. Cunningham that at this time the Board of Trustees should carry a total of \$38,000 of fire insurance on work and material on this building. The Supervising Architect, Professor White, advises to the same effect.

Therefore I recommend that the Comptroller be directed to take out insurance to the amount of \$38,000, as advised by the architects and the Supervising Architect, and as is in accordance with our contract, against loss or damage by fire, the policies to cover the work incorporated in the building and material in or about the building, and made payable to the various parties interested, as their interests may appear; and that an appropriation of \$500 be made from the Reserve and Contingent Fund to pay the premium on the insurance now to be taken out, and on additional insurance on this construction as circumstances require.

On motion of Mr. Hoit, these recommendations were concurred in. The vote was as follows: Aye, Mr. Abbott, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Hoit, Mr. Noble, Mr. Trimble; no, none; absent; Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small.

CHANGE OF CONTRACT WITH UNITED STATES VETERANS' BUREAU

(7) A recommendation, made at the request of the United States Veterans' Bureau, on recommendation of Provost Babcock, that we cancel our present contract, as of January 31, 1923, and enter into a new contract, according to the terms given below, and as recommended by Provost Babcock in the accompanying letter. The essence of the change is that we stop instruction at the University and undertake to carry on project instruction with groups of veterans on the farm. The letter and contract follow.

February 12, 1923

President David Kinley, Administration Building

DEAR PRESIDENT KINLEY:

I recommend approval of the accompanying contract proposed by the United States Veterans Bureau, for the training of certain groups of persons to be sent here by the Bureau, or now here, for the period February 1, 1923 to June 30, 1923, as a substitute for that part of our present contract with the Bureau which relates to the training of non-collegiate students in agriculture, students whom we have classified as Vocational Specials. This recommendation is made after conference with Mr. Stoke and Mr. Tolman representing the Bureau and with Mr. W. G. Butler, our present instructor of this group of men, who is willing to undertake this new sort of instruction or supervision in place of his present work.

A later statement from the Chicago office of the Bureau makes clearer one matter to which I objected in our first conference. It is now understood that our instructor will deal only with *groups of students* and not with isolated individual students scattered around the State by the Bureau in carrying out its plans of placement or project assignment. Those men who have been hitherto in the Vocational Special group will be matriculated, transferred to the status of ordinary unclassified students, or transferred by the Bureau to other institutions or sent into placement or put on projects approved by the Bureau.

If the proposal works out as the Bureau expects, enough men will probably be put under our charge to bring us \$500 or \$550 per month, a sum sufficient to provide

the salary and field expenses of Mr. Butler and to permit an accumulation of money before June 30 to take care of the salary of Mr. Butler for July and August according to our contract with him as a University teacher, made in the usual fashion.

Very truly yours,
KENDRIC C. BABCOCK
(Counselor)

UNITED STATES VETERANS BUREAU
PROPOSAL FOR INSTRUCTION

Chicago, Illinois
February 1, 1923

To the Director,
United States Veterans Bureau,
Washington, D. C.

FIRST. The undersigned, THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS of URBANA, ILLINOIS, subject to the terms and conditions hereinafter prescribed, hereby offers to accept, up to the limit of its capacity, during the period February 1, 1923, to June 30, 1923, inclusive, for instruction in courses approved by the institution and the United States Veterans Bureau, persons entitled to training under the Vocational Rehabilitation Act designated by the United States Veterans Bureau, and to furnish instruction to such persons in the course or courses and at the charges set forth in paragraph 3 hereof, which charges are not in excess of those paid by other students in this institution taking the same instruction.

SECOND. That, for and in consideration of the faithful performance of the stipulations to be performed by the institution, the United States Veterans Bureau will pay, upon presentation of properly prepared and approved vouchers, the charges prescribed in paragraph 3 hereof.

THIRD. The instruction proposed to be given will be in the course or courses and at the charges prescribed below:

This institution will give *Special Field Instruction* in Agriculture to designated trainees of the Bureau who are taking either project or placement training in the State of Illinois.

It is understood that the institution will, when given notice in writing by the Bureau that trainees can be organized into a group for the purpose of instruction, at once investigate and notify the Bureau in writing whether or not the proposed group training is practical.

These groups are to be arranged according to accessibility for instruction and uniformity of job objectives. The total number of trainees for one instructor not to exceed twenty-four.

It is understood that the courses outlined and the frequency and length of lessons shall be such as are satisfactory to the District Manager. The instructors shall make such reports as are requested by the District Manager.

When the number of trainees enrolled in any such group on the fifteenth day of any calendar month is not less than eighteen nor more than twenty-four the rate will be \$25.00 per month per person. When a number of trainees enrolled in any group on the fifteenth day of any calendar month is not more than seventeen, the rate will be \$32.00 per month per person. It is further understood and agreed that in the event that the number of students enrolled in a given group shall fall below 11 the institution may discontinue such course at option by written notice to the Bureau or may continue instruction at the rate per student per month herein specified for an enrollment of from one to seventeen, i.e., \$32.00 per student per month.

It is understood that books, stationery, and supplies necessary for instruction of trainees may be furnished by the institution, and that subject to the limitations prescribed by Instructions No. 133 Rev. made a part hereof, the Bureau upon presentation of properly approved and authenticated vouchers, in addition to the charges for tuition above set forth, will pay for such books, stationery, and supplies so furnished not to exceed the usual amount charged therefor.

It is understood that necessary transportation to enable each instructor to carry out the provisions of this contract will be furnished by the institution and also includes

transportation for each instructor to and from not more than two district agricultural conferences during the fiscal year.

Tuition shall be payable monthly.

It is further understood and agreed that should the instructional equipment of this institution not meet the needs of the Bureau for instructing Bureau students the Bureau will furnish such equipment as is deemed necessary to give satisfactory training.

FOURTH. Regular reports covering the attendance, deportment, and progress of students placed in training by the United States Veterans Bureau, and such additional reports as may be deemed necessary, shall be furnished by the institution at such intervals as may be specified by the Bureau.

FIFTH. Any person duly authorized by the Bureau shall be permitted at any time to visit the institution and examine the same, as well as the work of the students placed in training by the Bureau.

SIXTH. The training of disabled persons under this contract, or the fact that the United States is utilizing the facilities of the institution for the training of disabled soldiers and sailors, shall be used in no way to advertise the institution, nor shall any reference be made thereto in its advertising literature or private correspondence or in any other manner for advertising purposes.

SEVENTH. In the event that the physical condition, conduct, or inaptitude of any person placed in training in the institution by the Bureau necessitates his withdrawal prior to the completion of his course, or training is discontinued for any reason, it is understood that the charge for tuition will cover the period of his actual attendance only.

EIGHTH. No Member of or Delegate to Congress, Resident Commissioner, or other person whose name is not at this time disclosed, shall be admitted to any share or interest in this contract, or to any benefit to arise therefrom; and it shall be subject in all respects to the provisions of sections 114, 115, and 116 of the Criminal Code of the United States (35 Stat., 1109) so far as the same may be applicable thereto.

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

MARCH 12, 1923

A special meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a. m., on Monday, March 12, 1923, pursuant to the following notice which was sent out by the Secretary on March 5, 1923.

On the call of the President, Mr. W. L. Abbott, a special meeting of the Board of Trustees of the University of Illinois will be held at the University, in Urbana, at 10 o'clock a. m. on Monday, March 12, 1923, to consider matters submitted by the President of the University and the committees of the Board, and such other matters as may be duly submitted.

When the Board convened the following members were present: President Abbott, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mr. Hoit, Mr. Noble, Mr. Trimble.

President Kinley was present.

REPORT OF EXECUTIVE COMMITTEE

The Secretary submitted for record a report of the action of the Executive Committee on February 24, 1923, authorizing the President of the University to appoint a commission to advise him on the organization and work of the College of Medicine and concerning the staff for the new State Hospitals, and appropriating \$500 for the expense of this commission and its report.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

ADVISORY COMMISSION ON COLLEGE OF MEDICINE AND HOSPITALS

- (1) A report of his action in requesting certain gentlemen to serve on the Advisory Commission on the College of Medicine.

This report was received for record.

DEATH OF PROFESSOR STOEK

- (2) It is with great sorrow that I have to report the death of Professor Harry Harkness Stoeck, Head of the Department of Mining Engineering, on March 1.

I recommend that his salary for the month of March be paid to his daughter, Leigh, who is his only heir.

On motion of Mr. Hoit, this recommendation was approved.

CARTER TRUST

- (3) A statement concerning the proposal of Mr. and Mrs. Joseph Carter to give the University 350 acres of land in Vermilion County to create a trust fund to provide for loans to worthy students and to make possible some experimental work in agriculture.

On motion of Mr. Trimble, this matter was referred to the Executive Committee with power to accept the deed when such modifications as they are able to get are incorporated in the deed (see also page 149 below).

SCHOLARSHIPS

- (4) A statement concerning the number of scholarships established by actions of the Board and of the General Assembly.

The President of the University was requested to present further information on this matter.

PETITION OF THE URBANA-CHAMPAIGN SANITARY DISTRICT

- (5) A recommendation that the following resolution be adopted:

WHEREAS, the Board of Trustees of the Urbana and Champaign Sanitary District of Champaign County, Illinois, has presented a petition asking permission to construct a sanitary sewer and connections thereto from Wright Street, in Champaign, across the grounds of the University, to connect with sanitary sewers in the city of Urbana, and

WHEREAS, the construction and operation of such sewer and sewers will facilitate the disposal of sewer waste from the University buildings,

THEREFORE, BE IT RESOLVED, that this petition be granted and that the legal counsel for the University be and he is hereby directed to draft a contract embodying the conditions under which said construction shall be made and protecting the interests of the University, to be executed by the President and Secretary of this Board of Trustees and the Chairman of the Board of Trustees of the Urbana and Champaign Sanitary District.

On motion of Mrs. Blake, this resolution was adopted.

**THOROFARE ON CAMPUS AXIS FROM FIRST STREET
TO THE ILLINOIS CENTRAL TRACKS**

(6) A recommendation from Professor White that the Trustees authorize the opening of a thorofare on our campus axis from First street to the Illinois Central tracks, provided a subway be constructed at that point.

On motion of Mr. Trimble, this recommendation was approved.

INCORPORATION OF STADIUM GROUNDS IN CITY OF CHAMPAIGN

(7) A recommendation that the following resolutions be adopted in accordance with a recommendation of the Superintendent of Business Operations.

WHEREAS, the ground on which the Stadium is being constructed is now outside the city limits of Champaign, and

WHEREAS, for purposes of policing, paving, and other municipal matters, it is desirable that this ground should be within the city limits; therefore

BE IT RESOLVED that the President of the University be authorized and directed to take such steps as are necessary to secure if possible the inclusion of the Stadium grounds within the city limits; and

BE IT FURTHER RESOLVED that, if this ground be included within the city limits, the Board of Trustees of the University of Illinois will accept the proper share of the assessments for paving the streets surrounding the Stadium site when such paving is projected by the Board of Local Improvements of the City of Champaign.

On motion of Mrs. Blake, these resolutions were adopted.

On motion of Mr. Trimble, the Board adjourned to meet at 9:30 a. m. on Tuesday, March 13, 1923.

SESSION OF TUESDAY, MARCH 13, 1923

When the Board convened on Tuesday, March 13, 1923, pursuant to the adjournment of the preceding day, all the members were present; also Mr. Armstrong and Mr. Trees, members elect.

President Kinley was present.

MUTUAL BENEFIT ASSOCIATION

President Abbott made a statement concerning the Mutual Benefit Association and requested Mr. Trimble to report on the details of the plan for the cooperation of the University with the Association.

Mr. Trimble presented the following report:

*PLAN OF COOPERATION
OF THE UNIVERSITY OF ILLINOIS
WITH THE UNIVERSITY OF ILLINOIS MUTUAL
BENEFIT ASSOCIATION*

WHEREAS there has been organized among the faculty and staff of the University of Illinois a Mutual Benefit Association for the purpose of providing certain disability and death benefits for its members;

WHEREAS in the judgment of the Board of Trustees of the University the successful organization and operation of this Mutual Benefit Association will contribute to the stability of the faculty and staff of the University and in other ways will be of much benefit to the University; and

WHEREAS the Board of Trustees recognizes the spirit of the times for cooperation between industrial and other organizations and their employees and those who are engaged in promoting the welfare of such organizations, and believes that for the purpose of insuring the success of the operation and maintenance of this Mutual

Benefit Association, the University of Illinois should grant certain death and disability benefits and retiring allowances to the members of the Mutual Benefit Association.

Now, therefore, for that purpose and to that end *be it RESOLVED* by the Board of Trustees of the University of Illinois that the University adopt as a plan of cooperation and the granting of said benefits and allowances the following, to-wit:

PLAN OF COOPERATION

Costs of Operation

The University shall assume the overhead costs of operating the Mutual Benefit Association of the University of Illinois and shall take care of and be responsible for its funds. The treasurer of the Association shall be appointed by the Board of Trustees of the University. He shall have charge of the funds of the Association and shall keep such records and accounts as will permit of an accurate presentation of the financial affairs of the Association from time to time. He shall be the disbursing officer counter-signing all checks issued in the name of the Association after the payments have been authorized by the Board of Directors of the Association.

Disability Benefits for Members of the Mutual Benefit Association

During disability the University shall pay to members of the Mutual Benefit Association the following benefits:

- Full salary during the first month;
- 50 percent of salary during the second and third months;
- 40 percent of salary during the fourth, fifth, and sixth months;
- 30 percent of salary during the seventh, eighth, and ninth months;
- 20 percent of salary during the tenth, eleventh, and twelfth months.

Death Benefits for Members of the Mutual Benefit Association

In the case of death of a member of the Mutual Benefit Association the University shall pay a death benefit to a dependent beneficiary or beneficiaries designated by the member. Death benefits vary with the length of membership in the Mutual Benefit Association according to the following schedule and are limited to a sum based upon a salary of \$5000 per annum as a maximum.

Schedule of Death Benefits

Death during 1st year of membership—10% of annual salary
 Death during 2nd year of membership—20% of annual salary
 Death during 3rd year of membership—30% of annual salary
 Death during 4th year of membership—40% of annual salary
 Death during 5th year of membership—50% of annual salary
 Death during 6th year of membership—57.5% of annual salary
 Death during 7th year of membership—65% of annual salary
 Death during 8th year of membership—72.5% of annual salary
 Death during 9th year of membership—77.5% of annual salary
 Death during 10th year of membership—82.5% of annual salary
 Death during 11th year of membership—87.5% of annual salary
 Death during 12th year of membership—92.5% of annual salary
 Death during 13th year of membership—95% of annual salary
 Death during 14th year of membership—97.5% of annual salary
 Death during 15th year of membership—100% of annual salary
 And one percent additional for each year thereafter.

In the case of a member of the University staff whose period of service began before the date of organization of the Mutual Benefit Association and who joins the Association within three months of its organization, the University will, in calculating benefits, assume that his year of membership in the Association is that of his year of service as a member of the staff.

In calculating the year of service of a member of the Association whose service to the University has been discontinuous the total number of years of active service shall be used. A leave of absence shall be counted as time of active service.

Retiring Allowances

A member of the staff who is a member of the Association shall retire at age sixty-five unless, on his request and on the recommendation of the President of the University, the Board of Trustees shall permit him to continue in active service. Such extension of the period of active service shall be for one year only, but may be renewed at the end of any extension. Retirement at age sixty-five shall in general mean retirement on the first day of the September following the sixty-fifth birthday. On retirement, the retiring allowance paid by the University shall be 25 percent of the average salary of the last five years with one percent of this average salary additional for each year of service at the University of Illinois, with a maximum allowance of one half the above average salary. In case of a leave of absence or a disability within the last five years of active service, the salary which would have been received if service had been continuous shall be used in calculating the average salary at retirement.

A member of the staff about to retire may choose instead of his retiring allowance a joint survivorship annuity for himself and wife of equivalent value.

Members of the Mutual Benefit Association who become permanently disabled may be retired by the Board of Trustees of the University after the year of disability benefits, with a retiring allowance under either of the following conditions:

- (a) If he has attained the age of 60.
- (b) If he has been in the service of the University 25 years or more.

In such cases the amount of the retiring allowance shall be fixed by the Board of Trustees of the University and shall be based in general on the allowance expected at age 65 with a reduction of 5 percent for each year the disabled member lacks of being 65 years of age.

Mr. Trimble moved that the details of this plan of cooperation be adopted.

Mr. Blair moved as a substitute that the proposed plan of cooperation be printed and sent to the members of the Board and that action be deferred until the April meeting, and the substitute motion prevailed.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

REAPPROPRIATION FOR MEDICAL LABORATORY

(1) A statement that I had been informed that our Medical Library and Research Laboratory Building under construction in Chicago would be finished by October 1, and on that assurance had stated to the Governor that no reappropriation would be necessary. Later information is to the effect that the building will not be finished possibly before December. Therefore I request instructions on the matter.

On motion of Mr. Blair, the President of the University was instructed to ask the General Assembly to reappropriate this balance.

REPORT OF THE COMMISSION ON THE DEPARTMENT OF DAIRY HUSBANDRY

(2) The report of the Commission on Dairy Husbandry.

February 1, 1923

TO THE BOARD OF TRUSTEES:

REPORT OF THE COMMISSION APPOINTED TO STUDY THE CONDITION OF THE DEPARTMENT OF DAIRY HUSBANDRY, WITH SPECIAL REFERENCE TO ITS NEEDS IN STOCK AND BUILDINGS.

PREFATORY NOTE

From time to time during the past four years criticisms and complaints have been made of the inadequacy of our dairy herd and of the physical equipment of the Dairy

Department. Accordingly, I recommended to the Board of Trustees on January 25, 1921, the appointment of a commission to study and report on the whole subject. By authority of the Board, I appointed on that commission the following:

Mr. GEORGE A. FOX, Sycamore
 Mr. W. A. BREWERTON, Libertyville
 Mr. F. K. BABSON, Hinsdale
 Hon. R. B. SWIFT, Libertyville
 Prof. W. W. YAPP, Urbana
 Dean H. W. MUMFORD, Urbana
 Dr. N. W. HEPBURN, *Chairman*

The commission held its first meeting at the University November 17, 1921. After organization, action was taken directing the secretary to secure information for the committee on:

- (1) The history of the development of the livestock interests of the Dairy and Animal Husbandry Departments;
- (2) The number of students in the various divisions of animal production; and
- (3) The importance and extent of the animal industry in the State.

The commission decided also to send out a questionnaire to the principal colleges of agriculture asking for information concerning their conditions and methods. Much valuable data was secured in this way.

The commission held several other meetings and finally agreed on and now submit the accompanying recommendations.

Among other things, as will be noted in the report, the commission insists upon the immediate necessity of establishing suitable housing equipment for a dairy herd of 150 head.

An item was included in the appropriation bill, prepared and submitted by the Board of Trustees, for the sum of \$380,000 for agricultural buildings, to include the following:

Dairy Cattle Barn.....	\$ 50,000
Dairy Building and Equipment.....	200,000
Beef Cattle Feeding Plant and Equipment.....	50,000
Poultry Building and Equipment.....	25,000
Swine Plant and Equipment.....	20,000
Work Horse and Implement Barn.....	20,000
Tractor Laboratory.....	15,000

The sum of \$250,000 in the above list is for the construction of the dairy building, dairy barn, and equipment. Unless this appropriation is granted, it will be impossible to do anything substantial in the immediate future for the better care of the dairy interests of the State at the University. Unless the appropriations for the above agricultural buildings are granted, it will be impossible to take care adequately for certain other animal industries in the University. We shall be at a standstill, and that means retrogression.

The list of agricultural buildings noted above, for which together an appropriation of \$380,000 has been asked, includes also provision for poultry. Unless this is granted, little more can be done than is being done by the University for the poultry interests of the State.

Yet the dairy and poultry interests of the State are of the greatest importance. They are not being adequately taken care of on the University side, and it is necessary that the University secure this appropriation if it is not to fail in its duty to these great educational, scientific, and practical public interests.

The report follows.

DAVID KINLEY, *President*

DAIRY COMMISSION REPORT

Your commission appointed to study the question, "What should be the equipment and the housing to represent adequately at the University the dairy interests of a state like Illinois, with special reference to dairy cattle," begs to submit the following report.

Throughout the course of the investigation, upon the results of which this report is based, your commission has been mindful of three factors:

I. The immediate needs of the Department of Dairy Husbandry with respect to the physical equipment necessary to properly house the dairy herds.

II. The future development of Dairy Husbandry that will best meet the needs for instructional purposes and at the same time serve in the most effective way the dairy interests in the State at large.

III. That dairy cattle constitute but a part of the total Animal Husbandry interests of the Agricultural College and that there must be maintained a proper relation between these several allied interests.

IMMEDIATE NEEDS

Physical Equipment

Your commission finds the present housing facilities entirely inadequate to accommodate the pure bred dairy herd. The principal barn is in a deplorable condition. The sills have given way, the side walls are bulging out, and the structure as a whole is unsafe and beyond the hope of any reasonable amount of repairs. The accompanying photographs give some idea of the condition of this barn.

Furthermore, altho the housing facilities for this herd may have been adequate to meet the needs of the department when the present barn was built, some 33 years ago, they have long since been outgrown. It has been only through the utilization of every available space, much of which is unsuitable and inconveniently located, that the department has been able, in any sense, to meet the demands placed upon it by increased enrollment.

In view of the condition of the present equipment and the need of room for expansion to meet the demands placed upon the department by students and State, your commission recommends the erection of a new and suitable barn at any early date. It is further recommended that this barn have facilities for housing a total of at least 150 head of dairy cattle, and that it be provided with equipment and laboratories such as will render possible the most efficient instruction and investigation in the field of dairy production.

FUTURE DEVELOPMENT

Based on the present need of animals for instructional purposes, together with the anticipated increased demand in this field, your commission recommends that the Pure Bred Dairy Herd be increased until it reaches a total of approximately 150 head of dairy animals.

It is further recommended that there be typical representatives of the following breeds of dairy cattle; namely, Holstein-Friesian, Jersey, Guernsey, Ayrshire, and Brown Swiss. That these, in so far as is consistent with the natural development of the herd, be maintained in essentially the following proportions:

<i>Breed</i>	<i>Proportion</i>
Holstein-Friesian.....	35
Jersey.....	25
Guernsey.....	15
Ayrshire.....	10
Brown Swiss.....	15
Total.....	100

That the quality of the several herds be maintained at such a standard that they may be an inspiration alike to student and breeder.

Respectfully submitted,

GEORGE A. FOX
 W. A. BREWERTON
 F. K. BABSON
 R. B. SWIFT
 W. W. YAPP
 H. W. MUMFORD
 N. W. HEPBURN, *Chairman*
Dairy Commission

I recommend that the report be made part of the records of the Board and that the Board extend its thanks to the gentlemen who have so kindly served us in this matter and assure them that their report is in accordance with the policy of the Board and that everything possible will be done to carry out their recommendations.

On motion of Mr. Trimble, this recommendation was approved.

At this point, the Board took a recess.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

MARCH 13, 1923

The annual meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 11 a. m. on Tuesday, March 13, 1923.

All the members of the Board were present: Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Trees, Mr. Noble, Mr. Small, Mr. Trimble.

The Secretary called the meeting to order.

On motion of Mr. Noble, Governor Small acted as chairman.

MR. W. L. NOBLE ELECTED PRESIDENT OF THE BOARD

The chairman called for nominations for the office of President of the Board for one year.

Mrs. Blake nominated Mr. Trimble.

Mr. Herbert nominated Mr. Noble.

The result of the first ballot was Mr. Noble, 5; Mr. Trimble, 4.

On motion of Mr. Trimble, the election of Mr. Noble was made unanimous, and President Noble took the chair.

RESOLUTIONS CONCERNING MR. ABBOTT AND MR. HOIT

On motion of Mr. Blair, the President of the Board was requested to appoint a committee of three members to prepare resolutions of appreciation of the services of Mr. Abbott and Mr. Hoit as members of the Board.

MR. H. E. CUNNINGHAM ELECTED SECRETARY

On motion of Mr. Blair, Mr. H. E. Cunningham was elected Secretary of the Board for one year.

MR. A. M. BURKE ELECTED TREASURER

On motion of Mrs. Evans, Mr. A. M. Burke was elected Treasurer for the term of two years, beginning when his bond should be approved by the Board.

It was the understanding of the Board that this election was subject to the usual conditions of furnishing a satisfactory bond and the payment of interest at the rate of two percent on daily balances, such interest to be credited monthly.

MR. LLOYD MOREY ELECTED COMPTROLLER

On motion of Mrs. Blake, Mr. Lloyd Morey was elected Comptroller for one year.

EXECUTIVE COMMITTEE ELECTED

Mrs. Busey nominated Mrs. Evans to serve as a member of the Executive Committee. Mr. Herbert nominated Mr. Trees.

On motion of Mr. Trimble, the nominations were closed and the Secretary cast the ballot of the meeting for Mrs. Evans and Mr. Trees, and they were declared elected members of the Executive Committee, to serve with the President of the Board (as Chairman) for one year.

PRESIDENT KINLEY REELECTED

Mrs. Evans nominated Dr. David Kinley for the office of President of the University for two years.

Mr. Trimble seconded the nomination.

On motion of Mr. Trimble, the nominations were closed and the Secretary cast the unanimous ballot of the meeting for Dr. Kinley, and he was declared elected. President Noble delegated Mr. Herbert and Mrs. Grigsby to notify President Kinley of his election and to escort him to the room.

TREASURER'S BOND

On motion of Mr. Blair, the amount of the Treasurer's bond was fixed at one million dollars.

On motion of Mr. Trimble, the Finance Committee was instructed to see that the Treasurer secure a satisfactory bond, and to report this bond to the Board for approval.

AUTHORITY TO RECEIVE MONEYS

On motion of Mr. Blair, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois is hereby to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois.

DELEGATION OF SIGNATURE OF PRESIDENT AND SECRETARY

On motion of Mr. Trimble, it was voted that Mr. W. L. Noble, President of the Board of Trustees, and Mr. H. E. Cunningham, Secretary of the Board of Trustees, be authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, in accordance with the following plan:

No disbursement shall be made from any University funds in the hands of either the University Treasurer or the State Treasurer except on a voucher certified by the proper officer or head of department, against an appropriation made by the Board of Trustees, and approved by the Comptroller, according to the Statutes of the University.

The President of the Board of Trustees is authorized to delegate to the Auditor and to the Assistant Bursar in the Business Office authority to sign his name, as President of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer for vouchers approved as above.

The Secretary of the Board of Trustees is authorized to delegate to the Bursar and to the Assistant Auditor in the Business Office authority to sign his name, as Secretary of the Board of Trustees, to vouchers against the State Auditor, and to warrants on the University Treasurer for vouchers approved as above.

The President and the Secretary of the Board of Trustees are authorized to delegate to the Comptroller authority to sign the name of the President or of the Secretary of the Board of Trustees to vouchers against the State Auditor, and to warrants on the University Treasurer in case of emergency; provided that under no circumstance shall the Comptroller sign the names of both the President and the Secretary to the same warrant or voucher.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

PLANS FOR PROPOSED BUILDINGS

(1) A recommendation that the Supervising Architect, with Mr. C. A. Platt as Associate Architect, be instructed to proceed with the preparation of plans for proposed buildings, including the Gymnasium, Commerce Building, Dairy group, and Woman's Residence Hall.

On motion of Mr. Trimble, this recommendation was approved.
At this point, Mr. Blair and Mr. Herbert withdrew.

MCKINLEY HOSPITAL BONDS

(2) A report from the Comptroller that the 5% bonds of the Danville, Urbana, and Champaign Railway Co., maturing March 1, 1923, held under the McKinley Hospital Fund have been paid in full, amounting to \$15,000, and that this amount has been deposited to the credit of the Fund.

This report was received for record.

SUMMER SESSION MUSIC FEES

(3) A recommendation that the following Summer Session Music Fees be approved:

For one lesson a week for the Session.....	\$ 6.00
For two lessons a week for the Session.....	10.00

Additional hours at the same rate.	
Organ for practise one hour a day for the Session.....	10.00

On motion of Mr. Trimble these fees were approved.

At this point, Mr. Small withdrew.

WEEK-END COMMENCEMENTS

(4) A request for authority to approve a recommendation from the Council of Administration that the University adopt the plan of week-end commencements beginning in June, 1923. For the coming Commencement this would mean that instead of beginning the exercises with the Baccalaureate Service on Sunday, June 10, and ending with the Commencement itself on Wednesday, June 13, we should begin with the Senior Ball the night of Friday, June 8, and end with Commencement on Monday, June 11.

On motion of Mrs. Evans, this authority was granted.

APPROPRIATION FOR JOURNALISM SHORT COURSE AND LECTURES

(5) A recommendation that \$800 be appropriated from the Reserve and Contingent Fund for a short course in journalism to be given at the University in May and for lectures in journalism.

On motion of Mrs. Grigsby, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

APPROPRIATION FOR GUN RACKS

(6) A recommendation that \$1800 be appropriated from the Reserve and Contingent fund for the purchase of steel gun racks for the Armory.

On motion of Mrs. Busey, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

REPLACEMENT OF ACCOUNTING EQUIPMENT

(7) A recommendation on request of the Comptroller that an appropriation of \$1500 be made from the Reserve and Contingent Fund for the replacement of accounting equipment in the Comptroller's office.

On motion of Mr. Trimble, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs.

Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

At this point, at 12:30 p. m., a recess was taken.

AFTERNOON SESSION, MARCH 13, 1923

When the Board convened after the recess, the following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present; also Judge O. A. Harker, Legal Counsel, and Mr. A. R. Hall, counsel for Mr. and Mrs. Joseph Carter.

The Board resumed its consideration of matters presented by the President of the University.

CARTER TRUST

(8) The trust deed for the Carter property, with the recommendation that the trust be accepted in its present modified form.

On motion of Mrs. Blake, the action taken on March 12, 1923, authorizing the Executive Committee to accept this gift (see page 138) was rescinded.

On motion of Mrs. Evans, the following resolutions were adopted:

WHEREAS Joseph Carter and Jane P. Carter of the village of Rankin, Illinois, have tendered to the Board of Trustees a deed creating a trust for educational purposes in language and figures as follows:

DEED CREATING A PUBLIC TRUST FOR EDUCATIONAL PURPOSES.

THE GRANTORS, JOSEPH CARTER and JANE P. CARTER, husband and wife, jointly and severally, and each as spouse of the other, of The Village of Rankin, in the County of Vermilion and State of Illinois, for and in consideration of One and 00/100 Dollars, in hand paid, and other good and valuable consideration, convey and warrant to THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, and to their successors in office, a public educational corporation, duly created, organized and existing under, and by virtue of, the laws of the State of Illinois, of the County of Champaign, in the State of Illinois, to be held by said GRANTEEES, in trust, in perpetuity, solely for the educational purposes hereinafter specified and declared by said GRANTORS, the following described premises, to-wit:

CARTER-PENNELL TRUST FARM NO. 1:

Being the following tracts.—Beginning at the Northeast corner of the Northeast Quarter of Section Eleven (11), in Township Twenty-three (23) North, Range Fourteen (14) West of the Second Principal Meridian, in Vermilion County, Illinois, and running thence West One Hundred Sixty (160) rods, thence South One Hundred Eight (108) rods to the Southwest corner of the land now owned by said Grantors thence East, parallel with the North line of the right-of-way of the Lake Erie & Western Railroad Company, Eighty (80) rods, to an alley or driveway, known as Carter's Alley, along the outside of Carter's First and Second West Additions to The Village of Rankin, Illinois, thence North, North-easterly and East, along the outside line of said Carter's Alley, to the West end of North Avenue, in said Village of Rankin, thence East along the North line of said North Avenue, to the Southwest Corner of Carter's Third Addition to said Village of Rankin, thence North One Hundred Sixteen (116) feet thence East to the East line of said Northeast Quarter of said Section Eleven

(11), and thence North along the Section line to the place of beginning, containing 101 acres, more or less; and also

Beginning at the Northwest corner of the Northwest Quarter of Section Twelve (12), in Township Twenty-three (23) North, Range Fourteen (14) West of the Second Principal Meridian, in Vermilion County, Illinois, and running thence East to the Northeast corner of said Northwest Quarter of said Section Twelve (12), thence South along the half section line 21.07 chains, thence West 26.82 chains, thence North 85 feet, thence West 670 feet, thence North 140 feet, thence West to the West line of said Northwest Quarter of said Section Twelve (12), and thence North to the Place of beginning, containing 85 acres, more or less, save and except all legal highways.

CARTER-PENNELL TRUST FARM NO. 2:

Being the Southwest Quarter ($\frac{1}{4}$) of Section Twenty-five (25), in Township Twenty-three (23) North, Range Fourteen (14) West of the Second Principal Meridian, in Vermilion County, Illinois, all situated in the County of Vermilion, in the State of Illinois, hereby releasing and waiving all rights under and by virtue of the Homestead Exemption Laws of this State.

INDUCEMENTS FOR TRUST.

The principal consideration and the leading motive for the creation of this Trust by the conveyance of the real estate, hereinabove described, said GRANTORS declare to be founded on the following facts, to-wit:

I. Said GRANTORS, having now lived happily together for more than half a century, and still hoping to be spared to enjoy the pleasure of each other's company for many more years, are moved, after much thought and mutual counsel, to make this disposition of a part of their joint property while they are both in good health and able, personally, to direct and watch over with heartfelt satisfaction, the creation and operation of this TRUST:

II. By Economy and Industry, said GRANTORS have gathered together this said TRUST PROPERTY and enough other property to provide for their own material needs during their declining years, all of which property is free and clear of any liens or incumbrances, and they may, therefore, without suffering financial hardship, dedicate to the use of others this TRUST PROPERTY, which both said GRANTORS have helped to accumulate and now own jointly:

III. Although there has been pleasure in getting this property, for the satisfaction and feeling that they were not likely to come to want, said GRANTORS, who have no child, and who have devoted their lives to other things than to mere money making and whose purest pleasures in life have come to them through their education, and to whom intellectual joys have been most satisfying, want to leave this TRUST PROPERTY so that it shall be of benefit to the young manhood and young womanhood who are to follow them in this great State of Illinois:

IV. As the UNIVERSITY OF ILLINOIS seems to them to be an ideal institution for the training of young men and young women for lives of future usefulness to themselves and to mankind, said GRANTORS wish to give the real estate, hereinabove described, to said UNIVERSITY OF ILLINOIS, and to put the net income of said TRUST PROPERTY forever under the control of said BOARD OF TRUSTEES of said UNIVERSITY OF ILLINOIS, and their successors in office, as Trustees, for the uses and purposes herein set forth:

DECLARATIONS OF TRUST.

The real estate hereinabove described is conveyed in fee simple by said GRANTORS to said GRANTEES, hereinabove named, to have and to hold, in trust, in perpetuity, for the following educational uses and purposes, as specified and declared by the aforesaid GRANTORS, to-wit:

I. Because WILLIAM A. PENNELL, the father of said Grantor, JANE P. CARTER, and a very warm and highly esteemed friend and companion of said GRANTOR, JOSEPH CARTER, was one of the first men in this State to advocate, and to work earnestly for, the founding by the State of an Educational Institution, upon lines which are now characteristic of the UNIVERSITY OF ILLINOIS, said GRANTORS declare that the name of the Trust, herein created, shall be "THE CARTER-PENNELL TRUST";

2. Said GRANTORS have mutually agreed to convey, and have hereby conveyed, said real estate to said GRANTEES, to constitute a TRUST FUND, for all time, for a two-fold educational purpose:

(a) FOR THE EDUCATION OF YOUNG MEN AND YOUNG WOMEN,
as hereinafter set forth; and

(b) FOR THE IMPROVEMENT OF THE AGRICULTURE OF ILLINOIS, BY
EXAMPLE AND BY EXPERIMENT, as hereinafter set forth:

3. Said real estate, which consists of the above described two separate farms, shall forever remain intact and be under the direction, control and management of said GRANTEES, the BOARD OF TRUSTEES of said UNIVERSITY OF ILLINOIS, and their successors in office; and said BOARD OF TRUSTEES shall delegate the power to, and make it the duty of, the following named persons, and their successors in office, acting in their official capacity, and constituting a TRUST COMMITTEE to represent, and to act for, said BOARD OF TRUSTEES, to cause the provisions of said CARTER-PENNELLS TRUST to be carried out in good faith, viz.:

THE PRESIDENT

of the University of Illinois;

THE DEAN OR HEAD OF THE COLLEGE OF AGRICULTURE

of the University of Illinois;

THE DEAN OR HEAD OF THE COLLEGE OF ENGINEERING

of the University of Illinois;

THE DEAN OR HEAD OF THE DEPARTMENT OF HOME ECONOMICS

of the University of Illinois;

4. No compensation to said four officials of said University of Illinois for such Committee service shall be paid from funds arising from said TRUST FARMS. Said Committee shall, however, have power to compensate, from the earnings of this TRUST ESTATE, the Dean of said College of Agriculture of said University of Illinois, or any other responsible and competent Member of said College of Agriculture who shall be recommended by said Dean of said College of Agriculture, for making any necessary trips to said Trust Farms for inspection or supervision, and for taking such other action as may be necessary in order to carry out the instructions of said Committee in administering said CARTER-PENNELLS TRUST. In the administering of such Trust, especially in the management of said TRUST FARMS, said GRANTORS desire that great weight be given to the advice and counsel of the Dean or Head of said College of Agriculture:

5. Said Committee shall manage said TRUST FARMS in the best way to make the largest permanent income during the centuries. Said Committee shall try all of the time, by the use of proper scientific methods, to preserve the greatest fertility to these TRUST FARMS and, if possible, to increase the fertility of said lands. Said Committee shall keep the buildings, fences, roadsides, ditches and all appurtenances of said TRUST FARMS in good repair and in slightly condition, and, when necessary, said Committee shall erect new buildings on, and add new improvements to, said TRUST FARMS:

6. Said Committee shall so manage said Trust Farms that they will be of the most benefit, educationally and financially, that is reasonably practical; and the whole of the proceeds from said TRUST FARMS shall go to said GRANTEES herein who shall, after the payment of the necessary expenses of administering said CARTER-PENNELLS TRUST, apply such proceeds for the purposes declared in such Trust:

7. All reports of every kind, nature or description which said Committee may deem necessary shall be made on forms prescribed by said Committee. If anything sufficiently useful is ascertained and determined from said management of said TRUST FARMS, as tenant farms, or otherwise, which will be generally beneficial in the management of other farms of Illinois, either as tenant farms, or otherwise, said Committee shall cause such information to be disseminated to the public:

8. So far as feasible, said TRUST FARMS shall be conducted in the most scientific manner and shall be kept in such condition as to be models, both for landlords, and for tenants, of tenant farms, and to be examples of good husbandry to their respective neighborhoods and to the farmers of Illinois:

9. The necessary cost of administering this CARTER-PENNELLS TRUST and the necessary cost of managing, conducting and maintaining said TRUST FARMS, in the

above manner, shall be paid out of the gross earnings of said TRUST FARMS, but the amount so paid shall not exceed for any ten year period an amount in the aggregate equal to approximately ten per centum of such gross earnings each year. Said GRANTORS realize that in some years, due to poor climatic or farming conditions, or to larger outlays for improvements of the soil or of the buildings, the net earnings of said TRUST FARMS may be very light, but that over such a period of years, said net earnings will aggregate a very substantial sum which would make a yearly average approximately a reasonable rental return on the value of said Trust Estate:

10. The net proceeds from said TRUST FARMS, as well as the net returns from any of said TRUST PROPERTY, shall be used to AID WORTHY YOUNG PEOPLE WHILE STUDENTS AT THE UNIVERSITY OF ILLINOIS, in the manner hereinafter provided:

11. To any student who has been at least one year a student in the UNIVERSITY OF ILLINOIS, not including any high school or preparatory Department thereof, and who is studying chiefly in any of the Mechanical, or Engineering, or Agricultural, or Natural History, or Chemical, or Home Economics, Courses of said UNIVERSITY OF ILLINOIS—these terms being used in this Trust in their broadest sense—and whose future seems promising and whose habits and character are above reproach, said GRANTEES are hereby authorized to loan, out of the net income from said Trust Estate, a sum of money, not exceeding Five Hundred Dollars (\$500.00) per annum, in such sums and for such times and in such manner, and upon such terms and security as said GRANTEES may prescribe, but there shall not be loaned to any one student a sum in the aggregate exceeding Two Thousand Dollars (\$2,000.00):

12. Said GRANTEES shall cause accruing interest on all such loans to such students, together with the principal of all such loans, to be collected, as near as may be, at maturity; and all moneys so collected, shall be merged with said net proceeds from said TRUST FARMS, and shall be controlled and used by said GRANTEES, in the same manner and for the same purpose that said net proceeds from said TRUST FARMS shall be controlled and used. Said GRANTORS desire said GRANTEES to keep in reasonably active use, for said Trust Purposes, all accrued and accruing net income from said Trust Estate:

13. The JUDGE OF THE CIRCUIT COURT of said County of Champaign, in the State of Illinois, shall be the Arbitrator of any disputes concerning this Trust. Said Circuit Court is hereby authorized and requested to see that this CARTER-PENNELL TRUST is faithfully administered. If, at any time, any member of said Trust Committee shall refuse to serve, or, if, for any reason, cannot serve as a Member of said Committee, then said Circuit Court shall appoint to serve in such capacity, some other member of the Faculty from the same College or Department of said University of Illinois, to which said member, not serving, belonged:

14. Said BOARD OF TRUSTEES of the UNIVERSITY OF ILLINOIS, and their successors in office, said GRANTEES herein, are herein intended to be, and shall be, the Corporate Body authorized by law to accept gifts, bequests and devises for and in behalf of said UNIVERSITY OF ILLINOIS: such Corporate Body shall be, at all times, the Corporate Body, by whatever name known, which the General Assembly of the State of Illinois, may designate for such purpose:

15. Until said CARTER-PENNELL TRUST is fully established and in practical working operation, said GRANTEES and the members of said Committee, if they should require legal advice or counsel in the carrying out of the declarations of said Trust, or in the execution of the powers created and granted herein, are requested by said GRANTORS to consult and advise with their Counsel, Arthur R. Hall, of Danville, Illinois, who is an alumnus and loyal friend of the University of Illinois, and who is in sympathy with, and has an intimate knowledge of, their views and wishes respecting said CARTER-PENNELL TRUST:

16. Should conditions ever arise, in the distant future, which would make the strict carrying out of the terms of this Trust contrary to, or incompatible with, the public policy or welfare of this State, then, if said Circuit Court or said County of Champaign should so find, said Circuit Court, after full hearing and upon the application of the GRANTEES herein, and upon the request of said Committee, may order such part, or parts, of said TRUST FARMS, as seems to be held in violation of such public policy, to be sold by said GRANTEES for the best prices obtainable, after proper and

extensive advertisement, and the proceeds from such sale to be re-invested by said GRANTEES in other good real estate, of equal value, to be owned and handled by said GRANTEES, in the same manner and for the same purpose, as hereinabove provided, or, if that cannot be done, then to be invested by, and in the name, of said GRANTEES in some safe and stable income producing securities. The net income from such new investments shall be controlled and used by said GRANTEES in the same manner and for the same purpose that said net income from said TRUST FARMS, hereinabove described, shall be controlled and used:

17. Should the net income from said CARTER-PENNELL TRUST become, at some time in the remote future, so unreasonably large as to make it impracticable to use all of such income for loans to students, as hereinabove provided, then, if said Circuit Court of said County of Champaign should so find, said Circuit Court of said County, after full hearing and upon the application of the GRANTEES herein, and upon the request of said Committee, may order such surplus income to be used by said GRANTEES for the purpose of carrying on, by and through said University of Illinois, such AGRICULTURAL RESEARCH WORK and HOME ECONOMICS RESEARCH WORK, as will be of real and lasting benefit and service to the people of Illinois:

18. If, for any unforeseen and extraordinary cause, such as another World War, the income from the property retained by said GRANTORS for their own use, should shrink until such income should prove to be insufficient for the personal needs of said GRANTORS, or either of them, then, in that case, said GRANTORS, or either of them, reserve the right to claim and receive from said GRANTEES such portions of said net income from said Trust Estate as may be sufficient for such personal needs, upon first giving said GRANTEES reasonable notice of their desire to make such reservation:

19. Subject to the foregoing provisions in paragraphs 16 and 17, this grant is made on the express condition that said Corporate Body, to whom said real estate is herein conveyed, shall never sell nor convey to other parties the real estate herein granted and conveyed to it, but that said Corporate Body shall hold said lands, as a public trust, forever, for the educational purposes hereinabove described.

IN WITNESS WHEREOF, the Grantors herein have hereunto affixed their hands and seals on this 12th day of March, A. D. 1923.

THE UNIVERSITY OF ILLINOIS
URBANA-CHAMPAIGN
STATE OF ILLINOIS

By Resolution, legally adopted by vote of its Members present, at its regular meeting held at the UNIVERSITY OF ILLINOIS, in Urbana, Illinois, on the 13th day of March, A. D. 1923, the BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, formally received from the creators and donors, JOSEPH CARTER and JANE P. CARTER, the attached and foregoing Deed creating the CARTER-PENNELL TRUST for educational purposes, and accepted the Trust therein created, with all its benefits, powers, duties

and obligations, and in witness whereof, caused the name of said BOARD OF TRUSTEES to be affixed hereto by the President of said Board, and to be attested by the Secretary of said BOARD OF TRUSTEES, under its Corporate Seal.

BOARD OF TRUSTEES OF THE
UNIVERSITY OF ILLINOIS,

(SEAL)

By: W. L. NOBLE
President of the Board.

ATTEST:

H. E. CUNNINGHAM
Secretary of said Board of Trustees.

Therefore, Be it Resolved, that this deed is hereby accepted, and the Board, as grantee, agrees to carry out and fulfil the conditions of trust in this deed imposed in such manner as therein directed, consistent with the duties imposed upon the Board by law in discharge of its duties in the government and management of the University of Illinois, provided, that the University of Illinois shall not be obligated to expend any of its own funds in administering this trust as such.

On motion of Mrs. Blake, it was voted that, in view of the fact that leases have been made for the present year, the income for 1923 be paid to Mr. Carter.

On motion of Mrs. Blake, the President of the University was requested to express to Mr. and Mrs. Carter the thanks and appreciation of the Board for their generous gift.

On motion of Mrs. Evans, the President of the University was requested to express to Mr. Hall the Board's appreciation of his services in connection with the Carter trust.

LOTS IN COLLEGE PLACE

- (9) A recommendation that the following lots in College Place be purchased:
From Miss Fanny B. Sherfy: Lots 1, 86, 94, 96, and 144; Consideration: \$11,800; terms: \$5,000 down, with interest on the balance at not to exceed 6 percent.
From Mr. A. W. Stoolman: Lots 4, 5, 59, 60, 61, 108, 111, 112, 113, 115, 119, 120, 145, 148, 149, 150, 153, 154, 157, and 158; Consideration: \$29,900 and the six lots in the north half of College Place purchased as a site for the McKinley Hospital; terms: \$10,000 down, with interest on the balance at not to exceed 6 percent, the University to assume the unpaid special assessments and Mr. Stoolman to pay the taxes for 1922.

On motion of Mrs. Blake, the purchase of these lots was ordered and the necessary appropriation from the Reserve and Contingent Fund was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small, Mr. Trimble.

LIBRARY PLANS

- (10) Plans for the first unit of the new Library building.
Mr. Root, representing Holabird and Roche, explained these plans.
On motion of Mr. Trees, action on these plans was deferred to the meeting of April 11.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Trees, Mr. Trimble.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of March 12 and 13, 1923.

On motion of Mrs. Evans, the minutes were approved as printed on page 137 to 156 above.

TREASURER'S BOND

Mr. Trimble presented, for the Finance Committee, the bond of Mr. A. M. Burke as Treasurer.

BOND

KNOW ALL MEN BY THESE PRESENTS: That we, A. M. BURKE, as Principal, and T. E. LYONS, E. T. McMILLEN, O. L. PERCIVAL, GEO. J. BABB, T. M. LYMAN, J. W. STIPES, E. I. BURKE, ARTHUR SHERIDAN, and U. G. SWEARINGEN as sureties, are held and firmly bound unto the BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, in the penal sum of One Million Dollars (\$1,000,000) lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our respective heirs, executors, administrators and assigns, and each of them, by these presents.

WITNESS OUR HANDS AND SEALS this 10th day of April A. D. 1923.

THE CONDITION of the above obligation is such that

WHEREAS, the above bounden A. M. Burke, was on the 13th day of March, A. D. 1923, duly elected to the office of Treasurer of the University of Illinois for a period ending on the 13th day of March A. D. 1925, or until his successor shall be appointed and qualified and is about to assume the duties of said office;

NOW, THEREFORE, if the said A. M. Burke, his heirs or administrators, shall well and truly perform and faithfully discharge the duties of the Treasurer of said University of Illinois, during his term of office, and shall faithfully keep and truly account for all moneys, bonds, securities, or other property coming into his hands as such Treasurer during his term of office, and shall pay when properly drawn and presented to him all warrants, authorized by the Board of Trustees of the University of Illinois drawn against funds in his hands belonging to the said University of Illinois, and at the expiration of his term of office, on due request to him, shall pay over and deliver to his successor in office, or to any other person duly authorized by the Board of Trustees of said University of Illinois to receive the same, all moneys, bonds, securities, or any other property received by him as such Treasurer and not otherwise lawfully paid out or disposed of, and shall deliver to his successor in office, or any other person appointed to receive the same, the property, books, papers and other things in his hands belonging to said office, and shall at the expiration of his term of office, or oftener if thereunto requested by the Board of Trustees of the said University of Illinois, render a just and true account of his doings as such Treasurer, then this obligation shall be null and void; otherwise to remain in full force and effect.

BURKE, ARTHUR SHERIDAN and U. G. SWEARINGEN who are personally known to me to be the same persons whose names are subscribed to the foregoing instrument, appeared before me this day in person and acknowledged that they signed, sealed and delivered the said instrument as their free and voluntary act for the uses and purposes therein set forth.

Given under my hand and notarial seal this 10th day of April A. D. 1923.

PAUL LAVERNWAY
 Notary Public.

On motion of Mr. Trimble, this bond was approved.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPROPRIATIONS TO DEPARTMENT OF HORTICULTURE

(1) A recommendation that the balance of \$10,164.22, unencumbered April 3, 1923, of the appropriation of \$260,000 for a Horticultural laboratory and equipment be now appropriated for the purpose of equipment and furnishings for this laboratory.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

(2) A recommendation that \$11,917 be appropriated to the department of Horticulture as a deficiency appropriation for operation for the rest of the fiscal year, that is, April 1 to June 30, inclusive, as follows:

(a) By transfer of the unexpended unencumbered balance of the fund assigned to the Department of Horticulture for equipment at the meeting of October last.....	\$ 1,775
(b) By transfer from equipment fund of College of Agriculture.....	\$ 6,375
(c) By unused balance of appropriation for salaries, April 1.....	\$ 1,167
(d) By transfer from the sum of \$10,000.00 appropriated October 20, 1922 for drainage of agricultural land.....	\$ 2,600

Total.....\$11,917

The above appropriation is to be expended according to the following schedule of estimates submitted by Professor Blair and as approved by Dean Mumford and the President of the University.

(1) Extra labor for spring

Total Estimated Expenses.....		\$16,845
Less Estimated Receipts.....		5,000
Unassigned.....		72
		11,845
Net Total.....		\$11,917

On motion of Mrs. Busey, this recommendation was concurred in. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

(3) It is further recommended that any receipts from sales in excess of \$5,000 between April 1 and June 30 be covered into the Reserve and Contingent Fund.

(4) A further recommendation that the balance (\$7,400) of the \$10,000 appropriated October 20, 1922, for drainage of agricultural lands be covered back into the Reserve and Contingent Fund.

On motion of Mr. Herbert, these recommendations were concurred in.

CARTER-PENNELL TRUST: APPOINTMENT OF COMMITTEE

(5) A recommendation that the Board do now appoint the President of the University, the Dean of the College of Agriculture, the Dean of the College of Engineering, and the Head of the Department of Home Economics a committee to act for the Board in administering the Carter-Pennell trust, and that this committee be directed to make an annual report of its operations to the Board of Trustees on or before March 1.

On motion of Mrs. Blake, these recommendation were approved.

REPORT ON SCHOLARSHIPS

(6) A report on scholarships.

Scholarships in ceramics were established by the Board of Trustees to be assigned "on the nomination of the Illinois Clay Workers' Association." Scholarships in agriculture and household science were established by the Board to be assigned on recommendation of "the respective county domestic science associations organized in connection with farmers' institutes," or on recommendation of the State Farmers' Institute. Both in ceramics and in agricultural and household science scholarships the Trustees provide that, in case there be additional acceptable candidates recommended after the first from any county or district, such additional candidates, not exceeding five from any one county or district, may be assigned to other counties or districts for which there are no acceptable candidates. In the case of the county scholarships established by law, it is provided that "when no return is made from a county, the President of the University may assign to that county from some other county the student found to possess the next highest qualifications." Such assignments have come to be a matter of course.

The four music scholarships exist by virtue of a contract between the Board of Trustees and Captain Thomas J. Smith.

The scholarships in law are entirely the creation of the Board of Trustees.

From this statement, it is evident that the Board can not modify the number of these scholarships, except in law, without asking home economics' associations, county farmers' institutes, the State Farmers' Institute, the Illinois Clay Workers' Association, and possibly others, to agree to a change in our rules. This seems inadvisable. The University has tied its hands, and I do not see how we can well change the situation now.

The only way in which any saving can be effected is to reduce the extent of the practise of assigning scholarships to counties in which there are no candidates while more than one candidate presents himself from another county. Under the State law and the action of the Board, this is left to the President of the University, in all excepting the agriculture and the household science scholarships, in which cases the Registrar of the University may appoint suitable candidates to such scholarships in counties from which nominations have not been made. I have already instructed the Registrar not to make such appointments as a mere matter of routine or solely for the purpose of providing a full list of nominations for all the counties. I think that this part of the law and regulations should be administered in such a way from now on as to make assignments only in really needy cases.

Moreover, I think that it should not be left to the Registrar, on his own initiative, to fill any scholarships. This makes the appointment a matter of mere routine. I therefore recommend that the rule of the Board providing that the Registrar may appoint suitable candidates to scholarships in household science be amended so as to read that "the President of the University may appoint suitable candidates, etc."

On motion of Mr. Trimble, this recommendation was approved.

COLLEGE PLACE LOTS

(7) The Comptroller reports that, in accordance with the action of the Board on March 13, 1923, he has purchased the following lots from Miss Fanny B. Sherfy:

Lots 1, 86, 94, 96, and 144 in College Place Addition to Champaign.

The terms of purchase were:

Cash.....	\$ 5,000
Due March 15, 1926 with interest at 6%, and with option of payment of multiples of \$1,000 at any date on 60 days notice.....	5,000
Due on or before October 15, 1924, with interest at 6%.....	1,800
<i>Total</i>	\$11,800

This report was received for record.

STOOLMAN LOTS IN COLLEGE PLACE

(8) The Comptroller further reports that in accordance with the action of the Board on March 13, 1923, he has purchased the following lots in College Place, Champaign, from Mr. A. W. Stoolman: 4, 5, 59, 60, 61, 108, 111, 112, 113, 115, 119, 120, 145, 148, 149, 150, 153, 154, 157, 158.

The terms of the purchase were:

Cash.....	\$10,000
Due March 30, 1928, with interest at 6%, and with option of payment of multiples of \$1,000 on semi-annual interest dates.....	\$19,900
Lots 70 to 75 inclusive, in College Place Addition, deeded to Mr. Stoolman.	

I recommend the adoption of the following resolution, the form of which has been approved by the Legal Counsel of the University:

RESOLUTION

WHEREAS, The Board of Trustees, on March 13, 1923, voted to purchase from A. W. Stoolman certain lots in College Place, Champaign, and to convey to Mr. Stoolman in part payment six (6) lots owned by the Board of Trustees, more particularly described as Lots Seventy (70), Seventy-one (71), Seventy-two (72), Seventy-three (73), Seventy-four (74), and Seventy-five (75) in College Place Addition to Champaign, Illinois, AND WHEREAS, In accordance with this action, W. L. Noble, President and H. E. Cunningham, Secretary, of the Board of Trustees have executed a warranty deed to said A. W. Stoolman for the lots above described, *Therefore, Be It Resolved*, That the action of the President and the Secretary of the Board in conveying this property for the Board be, and is hereby, ratified and confirmed.

On motion of Mr. Armstrong, this resolution was adopted.

COLLEGE PLACE LOT 91

(9) A recommendation from the Comptroller, which I approve, that the sum of \$5000 be appropriated from the Reserve and Contingent Fund, which sum, together with the balance of an appropriation of \$10,000 made September 22 last in payment for the so-called Chamber of Commerce lots, shall be used to cancel the indebtedness remaining on Lot 91, amounting to about \$5,200 which, under our agreement, may be paid on sixty days notice.

On motion of Mr. Armstrong, this recommendation was adopted. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

APPOINTMENT OF PROFESSOR ROBERT HORACE BAKER

(10) A recommendation that Doctor Robert Horace Baker, now Professor of Astronomy in the University of Missouri, be appointed Professor of Astronomy in the University of Illinois to succeed Professor Joel Stebbins, at a salary of \$4,000 a year beginning September 1, 1923.

On motion of Mr. Trimble, this appointment was made.

LEAVE OF ABSENCE FOR MAJOR G. F. N. DAILEY

(11) A recommendation that Major G. F. N. Dailey be granted leave of absence beginning May 1, 1923.

On motion of Mrs. Blake, this leave was granted.

FURTHER CONTRIBUTIONS FOR INVESTIGATION OF FATIGUE PHENOMENA OF METALS

(13) A report that Dean Ketchum has been advised by Mr. Alfred D. Flinn, Director of the Engineering Foundation, that the Allis Chalmers Manufacturing Company has agreed to make a contribution of \$2000 for the investigation of the Fatigue Phenomena of Metals; that the Copper and Brass Research Association, through its Board of Directors, has decided to contribute \$4000; and that it is expected that the Western Electric Company will contribute \$10,000.

Since these contributions apply merely to the prosecution of an investigation already undertaken and involve nothing more than a further extension of the original contract between the Board of Trustees and the Engineering Foundation of October 4, 1919, as already extended under the agreement with the General Electric Company approved by the Board of Trustees on September 14, 1920, I have authorized the Comptroller to receive these contributions.

This report was received for record.

REPORT ON FIRE AT THE POULTRY FARM

(14) A report from Professor Rusk, transmitted by Dean Mumford, that the two story chicken house at the Poultry Plant burned to the ground about eleven p. m. Friday, March 23. The greatest loss was occasioned by the burning of a large number of hovers and several coal burning brooder stoves that were stored in the lower story. About one hundred hens were also lost in the fire. The leghorn house directly to the west of the building which burned was damaged to some extent, but none of the contents was lost. A feed house to the east was badly damaged, but will not require a great deal of repair.

This report was received for record.

STOCK AND BONDS FOR HOSPITAL

(15) A recommendation that the Comptroller be authorized and directed to exchange 400 shares of Traction common stock, \$15,000 in bonds of the Atchison Railway, Light, and Power Co. and \$15,000 in bonds of the Bloomington and Normal Railway Light Co. for \$80,000 cash when the donor's agent notifies the President of the University that he is ready to replace these securities with cash.

On motion of Mr. Trimble, this exchange was authorized.

APPROPRIATION FOR ADDRESSOGRAPH

(16) A request for an appropriation of \$395 for the purchase of an addressograph, the amount to be charged to the Reserve and Contingent Fund.

On motion of Mr. Armstrong, this request was granted. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Small.

LEAVE OF ABSENCE FOR PROFESSOR MOODIE

(17) A request from Doctor Roy L. Moodie, Associate Professor of Anatomy in the College of Medicine, endorsed by Dean Eycleshymer, for a sabbatical leave of absence for the year beginning September 1, 1923.

I recommend that this leave be granted, subject to the usual regulations.

On motion of Mrs. Evans, this request was granted.

IMMUNIZATION OF SUCKLING PIGS

(18) A recommendation for the approval of the following proposed agreement with the B. F. Harris estate for a cooperative investigation of the immunization of suckling pigs.

AGREEMENT

This agreement made and entered into this day of, between THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, a corporation of Illinois, having its principal office in the city of Urbana, Illinois, hereinafter called the University, and THE B. F. HARRIS ESTATE, by N. M. HARRIS, Executor, of the city of Champaign, Illinois, hereinafter called the Estate. WITNESSETH, the University and the Estate hereby mutually agree to carry on, during the spring and summer of 1923, a cooperative investigation of the immunization of suckling pigs for the purpose of determining the effectiveness of immunization against hog cholera, when pigs are treated before weaning.

The University agrees to furnish serum, virus, and professional veterinary service for the treatment of pigs selected, as hereinafter described, and reimburse the Estate for all losses of hogs tested with virus, in excess of two percent (2%) of the total number of such hogs.

The Estate agrees to furnish from grade pigs on its farms approximately eighty (80) litters of pigs, and to permit the University to carry on the tests above described on its farms near Seymour, Illinois, and the Estate further agrees to be responsible for all losses of hogs occurring before hogs are treated with virus for the final test, and for all losses, not exceeding two percent (2%), of hogs treated, occurring after treatment with virus for the final test, and for any and all losses of hogs which have not been treated with virus for the final test.

The parties to this agreement mutually agree that the persons responsible for the carrying out of its terms shall be the properly designated representatives of the respective parties.

It is mutually agreed that the experiments provided for by this agreement shall continue until all pigs selected, as hereinbefore stated, are marketed, and that they may be terminated at any time previous to that date, when, in the judgment of the University, it is impracticable to carry them further.

IN WITNESS WHEREOF, the parties to this agreement have caused it to be signed by their duly appointed representatives, and their respective seals to be affixed, this.....day of.....

Approved THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS

Dean Mumford makes the following statement in regard to this proposed investigation:

"This investigation seems worth while because of the diversity of opinion regarding the length of immunity secured when pigs are vaccinated at from two to eight weeks of age. Many of the farm advisers, as well as some veterinarians and investigators, are recommending the administration of serum and virus to young pigs as a means of reducing the cost of immunization; smaller quantities of both serum and virus being necessary for small pigs than for older and larger pigs. Some veterinarians and other observers believe that immunity so secured does not last until the pigs have reached the ordinary market age and weight. This project is planned to determine, if possible, whether or not vaccination at various ages, ranging from two to eight weeks, will establish an immunity which will last until the hogs reach market weight."

In regard to the probable expense Dean Mumford says: "This experiment will cost in the neighborhood of five hundred dollars if we lose no hogs. It is quite possible that we may lose an entire carload of hogs, which, on the basis of prevailing prices, would be an additional liability of \$1500. Of course, it is not at all likely that we shall lose an entire carload. If, after injecting for the final test, we find a large percentage of our first carload showing clinical symptoms of cholera, we shall assume that we have established the fact that treatment before weaning does not protect a hog until market weight is reached, and discontinue the experiment."

On motion of Mrs. Grigsby, this agreement was authorized.

COMPTROLLER'S REPORT

(20) The report of the Comptroller for the quarter ending March 31, 1923.

AUDIT REPORT

April 30, 1923

President, Board of Trustees, University of Illinois, Urbana, Illinois

DEAR SIR:

We have audited the Cash Receipts and Disbursements of the University of Illinois for the quarter ending March 31, 1923, and certify that the Receipts and Disbursements as embodied in the report of the Comptroller for that period, are in accordance with the books and in our opinion are correct.

Yours faithfully,

ARTHUR YOUNG & COMPANY

April 6, 1923

To the Board of Trustees of the University of Illinois:

I present herewith the Quarterly Report of the Comptroller as of March 31, 1923. The report includes the following exhibits:

Schedule A—Statement of the Reserve and Contingent Fund

The Reserve and Contingent Fund consists of the estimated budget incomes of the University for the fiscal year ending June 30, 1923, less appropriations made by the Board from this income. The unappropriated balance on March 31, as shown by the Schedule, was \$76,383.83.

Schedule B—Summary of Receipts and Disbursements

This statement exhibits the receipts and disbursements, for the nine months ending March 31, 1923, of funds in the hands of the University Treasurer, and the disbursements from State Appropriations, including building appropriations.

The total balance in the hands of the University Treasurer on March 31 was \$9,10,587.77, and in State appropriations \$1,796,016.96. These, however, were cash balances and not unencumbered balances.

An analysis of the receipts of the University Treasurer follows. (Schedule C)

Schedules D to M inclusive—Statements of appropriations

These statements show the condition of all appropriations made by the Board for all purposes for the current fiscal year. Balances, as shown, represent the *unencumbered* balances after allowing for all orders and contracts outstanding, and for regular salaries payable to June 30, as well as actual disbursements to date.

Schedule N—Statement of Stores and Revolving Accounts.

This statement shows the operations of the University storerooms, service departments, such as Photography, Printing Shop, etc., miscellaneous revolving accounts, and Woman's Residence Halls.

Attention is called to the fact that the balances of the Residence Halls are cash balances in which are included the receipts for room and board paid in advance for the entire current semester. A complete statement of the Residence Halls is shown in Schedule O following.

Schedule P—Statement of Trust Funds

Under the head of Trust funds are included

Student Loan Funds, total \$55,082.46

Scholarship, Fellowship and Prize Funds, receipts to date \$24,656.17

Research Donation Funds received to date \$19,943.29

Miscellaneous Deposits and University Organizations' Funds

Schedule Q—Balance Sheet

This is a summary statement of the balances of all funds, including also the valuation of University property and the amount of outstanding indebtedness against property acquired, consisting of:

Bonds on Dental Property, Chicago, due 1932.....\$60,000

Indebtedness on account of properties in College Place, Champaign, etc. 82,150

Total.....\$142,150

Appendix—Memorial Stadium Fund

There is appended to the report a statement of the Memorial Stadium Fund presented in accordance with the action of the Board requiring a Quarterly Report on the condition of this Fund.

Respectfully submitted,

LLOYD MOREY
Comptroller

TYPEWRITER FOR PRESIDENT NOBLE

On motion of Mr. Trimble, the Comptroller was instructed to purchase a typewriter for the use of the President of the Board.

At this point, at 1 p. m. a recess was taken.

AFTERNOON SESSION, APRIL 11, 1923

When the Board convened for the afternoon session of April 11, 1923, the same persons were present as during the morning session; also, during parts of the afternoon, Professor G. A. Goodenough, Professor J. M. White, Mr. John Holabird, and Mr. John W. Root.

MUTUAL BENEFIT ASSOCIATION

Mr. Trimble and Professor Goodenough made statements concerning the Mutual Benefit Association.

On motion of Mr. Armstrong, action was deferred until the next meeting.

LIBRARY PLANS

Mr. Holabird and Mr. Root presented sketches for the new Library building, and retired. After full discussion, on motion of Mr. Trees, the following resolution was adopted:

WHEREAS, The designs submitted by Holabird and Roche for the facade of the Library have not been satisfactory, and since it is the unanimous feeling of the members of the Board of Trustees that satisfactory progress has not been made in restudying the design, be it

Resolved, That the Board instruct the President of the Board to confer with Holabird and Roche, to explain the situation to them and obtain their reaction under the circumstances, and that, if Holabird and Roche volunteer to withdraw, the contract be terminated.

On motion of Mr. Armstrong, the Board adjourned to meet at the Blackstone Hotel, in Chicago, at 10:30 a. m. on Thursday, April 12, 1923.

ADJOURNED SESSION OF APRIL 12, 1923

When the Board convened at 10:30 a. m. on Thursday, April 12, 1923, pursuant to adjournment, the following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Trees.

President Kinley was present.

CONTRACT WITH HOLABIRD AND ROCHE

President Noble reported on his interview with Holabird and Roche, Architects, to the effect that the architects were not willing to terminate the contract on their own initiative, but that in case the University wished to avail itself of its right to terminate the contract, the architects would not interpose any objections.

On motion of Mr. Armstrong, it was voted to terminate the contract with Holabird and Roche.

On motion of Mr. Trees, the Comptroller was instructed to pay \$2500 to Holabird and Roche, this being the balance due them for making studies for the Library building. The appropriation was made from the Reserve and Contingent fund by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

MR. PLATT MADE ARCHITECT FOR LIBRARY

On motion of Mrs. Blake, Mr. C. A. Platt was commissioned as architect for the Library building, and the Executive Committee was instructed to arrange a satisfactory contract.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

MAY 18, 1923

The May meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9:30 a. m. on Friday, May 18, 1923.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present; also during part of the meeting, Professor J. M. White and Mr. Charles A. Platt, Architect.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of April 11-12, 1923.

On motion of Mrs. Blake, the minutes were approved as printed on pages 157 to 184 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

ILLINOIS UNION CONTRACT FOR KITCHEN EQUIPMENT

(1) By authority of the Board, a contract was signed with the managers of the Illinois Union for the current year for the rental of certain kitchen property owned by the University in the Union Building in connection with the cafeteria.

The Union has lost money on the cafeteria. The net rental due from the Union up to March 31, when the lease was terminated, amounted to \$490. The Comptroller informs me that it would be a very substantial aid to the Union in its present financial condition to have that sum remitted, and this would mean no charge against the Budget income of the University.

Inasmuch as the maintenance of this cafeteria by the Union has been of substantial benefit to the University, I recommend the adoption of the Comptroller's suggestion, namely, that the net receipts of the University, amounting to \$490, due from the Students' Union in rental payments for the use of this property be remitted.

On motion of Mrs. Evans, this recommendation was concurred in.

FURTHER PAYMENT UNDER GREGORY WILL

(2) A letter from the American Security and Trust Company under date of May 14, 1923, as follows:

Mr. O. A. Harker, Legal Counsel, University of Illinois

DEAR SIR:

This company, as trustee of the estate of the late Mrs. Louisa C. Gregory, is in a position to make a further payment on account of the legacy bequeathed under her will to the University of Illinois. As the previous resolution dated October 23, 1922, of the Board of Trustees of the University only covers the first payment of \$5,000 to it, we would appreciate your taking the necessary steps to have the Board furnish us with an additional resolution to cover the payment in the sum of \$1,000 which we are about to make. Upon the receipt of it we shall be glad to forward our draft in payment of the same.

In this connection we would appreciate your advising us if, as in the first instance, you wish the draft to be drawn to the order of Mr. Lloyd Morey as treasurer of the University and sent to the Citizens Bank of Champaign.

Yours very truly

T. STANLEY HOLLAND

Assistant Trust Officer

I have requested Judge Harker to prepare the necessary resolution, which he has done as follows, and I recommend its adoption:

WHEREAS, Louisa Catherine Gregory, who died at Washington, D. C., on the first of May, 1920, left a Will (admitted to probate in the Supreme Court of the District of Columbia) whereby it was provided that certain sums (whenever realized out of the rents and sale proceeds of certain real estate) should be paid to the Board of Trustees of the University of Illinois to be held in perpetuity by the Board to be invested and reinvested from time to time, and the income thereof to be used as a scholarship fund for aid of worthy, indigent, and self-sustaining students attending the University of Illinois, to be known as "The John M. Gregory and Louisa Catherine Gregory Scholarships;" and

WHEREAS, the said Board of Trustees, by resolution duly adopted on October 20, 1922, accepted the said bequest and agreed to use and manage the said fund in accordance with the provisions of said will; and

WHEREAS, the American Security and Trust Company of Washington, D. C., executor and trustee appointed to carry out the provisions of said Will, has notified

the Board of Trustees of the University of Illinois that it now holds in its hands ready for payment the sum of One Thousand Dollars (\$1000) so bequeathed, that Lloyd Morey, the Comptroller of the University, is hereby appointed to receive the aforesaid sum of One Thousand Dollars (\$1000) from the American Security and Trust Company and to receipt for the same.

On motion of Mr. Trees, this resolution was adopted.

RECOMMENDATION FOR A NEW WELL

(3) A recommendation that the Superintendent of Business Operations be authorized to proceed with the arrangements for a new well and that the proper officers be authorized to enter into a contract under the rules of the Board for such a purpose.

I further recommend that an appropriation of \$18,000 be made for this purpose to be charged against the budget of the Supervising Architect for Physical Plant Extension in the budget of the year beginning July 1, 1923.

These recommendations were approved.

EXPENSES OF TRIP OF PROFESSOR EDMONDS FOR THE PURCHASE OF STALLION

(4) At the meeting of the Board last October an appropriation of \$5000 was made for the purchase of a stallion for the College of Agriculture. This sum was intended to include the necessary expenses of someone to purchase the animal and bring it here. It is the opinion of Dean Mumford, Professor Edmonds, and others concerned, that we shall have to get the animal in France and that someone should go over and make the purchase there. I therefore recall the matter to your attention and ask that I be authorized to approve a bill for the travelling expenses of Professor Edmonds for this purpose, the same to come out of the original appropriation.

On motion of Mr. Armstrong, this expenditure was authorized.

CONTRACT WITH U. S. VETERANS' BUREAU

(5) A recommendation that a contract be made with the U. S. Veterans' Bureau for the year beginning July 1, 1923, on the same terms as those in the contract approved February 13, 1923 (page 123).

On motion of Mrs. Blake, this recommendation was concurred in.

REPORT ON THE DEATH OF GLENN M. CROSBY

(6) I regret to inform the Board that Mr. Glenn M. Crosby, Assistant Superintendent of the Foundry Laboratory, whose salary was \$1800, was injured in the foundry on the afternoon of February 23. He was hit by some part of a crane tackle while he and others were shaking out a casting from a mold form. This work was being done as a part of the regular classwork, and was not unusually hazardous.

May 12, 1923

President David Kinley, University of Illinois

DEAR SIR:

Following your request, the Committee on Accident Compensation assembled on May 1 to hear testimony concerning the accident resulting in the death of Glenn M. Crosby. The witnesses heard by the Committee were all sworn to testify, and I am enclosing to you their testimony, as transcribed by the stenographer at the hearing.

You will see from the testimony that Mr. Crosby met with his accident while in the line of duty at the Foundry Laboratory. The injury was not attributable to any neglect on his part, or that of any University employee assisting in the work. It was purely an accident.

After receiving the transcription of the testimony the Committee considered the matter fully yesterday, and reached the conclusion that the University should

pay the claims set forth in Exhibit A, hereto attached, whenever itemized statements are presented. The Committee is of the further opinion that any other expense attending the accident and the death of Mr. Crosby, funeral expenses, etc., should be paid by the University.

Respectfully submitted,

O. A. HARKER

Chairman, Committee on Accident Compensation

I recommend that the sum of \$1500, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund to pay the above bills and other proper expenses, and also that Mr. Crosby's salary for the rest of the year be paid to his widow.

On motion of Mrs. Blake, the payment of the hospital and medical bills and other necessary expenses in the case of Mr. Crosby was authorized. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small, Mr. Trimble.

On motion of Mrs. Busey, Mr. Crosby's salary for the rest of the year was ordered paid to his widow.

PURCHASE OF LOT 34 IN COLLEGE PLACE

(7) The Supervising Architect recommends that we purchase lot 34 in College Place from Mr. Shields Blaine for \$2000. I recommend that this be done and that an appropriation of \$2000 for the payment be made from the Reserve and Contingent Fund.

On motion of Mrs. Blake, this recommendation was approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small, Mr. Trimble.

NEW AGRICULTURAL BUILDING

(8) A statement concerning possible delays in the construction of the new Agricultural building.

This statement was received for record.

AUTHORITY TO CONFER DEGREES

(9) A request for authority to confer degrees at the coming Commencements in Chicago on June 9 and at Urbana on June 11 on the candidates duly recommended by the University Senate.

On motion of Mrs. Busey, this authority was granted.

LAND IN USE BY DEPARTMENT OF HORTICULTURE

(10) A report from Dean Mumford that he has given permission to the department of horticulture to use ten acres of land rented and paid for by the Illinois Cannery Association for sweet corn investigations. The expenses of cultivation of this tract are included in the budget recently approved for the department of horticulture for the remainder of the current fiscal year (page 159).

This report was received for record.

ABSENCE OF PROFESSOR LOHMANN

(11) A recommendation from Professor Blair, approved by Dean Mumford, that Mr. Karl B. Lohmann, Assistant Professor of Landscape Gardening, be granted permission to be absent from the University from June 5 to September 1, 1923, for the purpose of studying gardens, estates, and cities in Great Britain.

I recommend the approval of this recommendation.

On motion of Mrs. Grigsby, this recommendation was approved.

ADDITIONAL APPROPRIATION FOR ANNUAL REGISTER

(12) The appropriation made in the budget of May 26, 1922, for publishing the Annual Register was \$10,000. The cost of the volume for the current year has run to \$10,353.59. On the other hand, there is an unexpended balance of \$1,473 in the appropriation of \$4000 for publishing the Announcement of Courses. I recommend that \$353.59 be transferred from the balance in the appropriation for the Announcement of Courses to the appropriation for the Annual Register to cover the deficit.

On motion of Mrs. Evans, this transfer was authorized.

At this point, Mr. Blair took his place with the Board.

MCKINLEY HOSPITAL FUND

(13) A suggestion from the Comptroller that the Board adopt the following resolution supplementary to the action taken at the meeting of April 11, 1923 (page 167), to provide for a satisfactory transfer of the securities there referred to:

RESOLUTION

The Comptroller having been authorized and directed to dispose of four hundred (400) shares of Illinois Traction Company Common stock, Fifteen Thousand Dollars (\$15,000) principal amount Atchison Railway Light & Power Company, and Fifteen Thousand Dollars (\$15,000) principal Bloomington & Normal Railway & Light Company, bonds, pursuant to negotiation, and replacement of said securities with cash aggregating Eighty Thousand Dollars (\$80,000);

Now, THEREFORE, Lloyd Morey, Comptroller of the University of Illinois, and of this Board of Trustees, is hereby authorized to endorse the certificates for said four hundred (400) shares of Illinois Traction Company common stock for and on behalf of the Board of Trustees of the University of Illinois, and full faith and credit shall be given to such endorsement so made by said Lloyd Morey, Comptroller.

I recommend the adoption of the foregoing resolution.

On motion of Mr. Armstrong this resolution was adopted.

(14) A report from the Comptroller that he now has on hand over \$40,000 in the McKinley Hospital Fund, and that through the maturing of some of the original securities, as well as some of the later investments, he will shortly have an additional \$80,000.

I recommend that the Comptroller be directed to invest this money under the direction of the Finance Committee of the Board.

This recommendation was approved.

**SENATE JOINT RESOLUTION IN REGARD TO NAME OF
AGRICULTURAL BUILDING**

(15) A certified copy from the Secretary of State of Senate Joint Resolution No. 23, adopted by the Senate on May 2 and concurred in by the House of Representatives on May 3, requesting the Board of Trustees of the University of Illinois "to cause the Main Agricultural Building of the University of Illinois to be named 'Hopkins Memorial Hall.'"

I submit this resolution with the recommendation that the Board accept the intent of the resolution and lay the matter over for further consideration.

On motion of Mr. Blair, action on this matter was deferred until the next meeting of the Board.

HEATING CONTRACT, AGRICULTURAL BUILDING

(16) A report from Professor James M. White, Supervising Architect, that under the action of the Board at its meeting on July 12, 1922 (page 21), the heating contract for the agricultural building was awarded to the Mehring & Hanson Company, the second low bidder, for the sum of nineteen thousand seven hundred sixty-nine dollars (\$19,769). The low bidder, Messrs. Wolf & Bero, declined to sign a contract on the ground that their set of plans and specifications was not complete and that they had not figured on the entire work, and asked to be allowed to raise their bid \$2,500, advising us at the same time that if we could not accept that proposition we might reject their bid, provided we returned their check. We, therefore, rejected their bid, returned their check, and awarded the contract as stated above.

This report was received for record.

At this point, President Noble, being called from the room, asked Mr. Blair to preside.

THEFT OF PRESCRIPTION BALANCE

(17) A report that on the night of April 5, 1923, a Troemner Prescription Balance was stolen from the pharmacy laboratory of the School of Pharmacy. The usual measures were taken in an effort to apprehend the thief, but without success. The balance was two or three years old and was valued at about \$30.

This report was received for record.

HEALTH SERVICE EXPENSES

(18) A recommendation that the sum of \$275 be appropriated from the Reserve and Contingent Fund to the University Health Service to provide for expenses for the remainder of the current fiscal year.

On motion of Mrs. Blake, this recommendation was approved. The vote was as follows: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees; no, none; absent, Mr. Herbert, Mr. Noble, Mr. Small, Mr. Trimble.

At this point, President Noble returned and resumed the chair.

PROPOSED EXTENSION OF THE GOLF COURSE

(19) A request from the University Golf Club that the course be extended by the addition of the 40 acres to the east of the present course.

President David Kinley, University of Illinois Urbana, Illinois, May 14, 1923
MY DEAR PRESIDENT KINLEY:

The officers of the University of Illinois Golf Club understand there is a possibility of the re-assignment of the forty acres of land just east of the present golf course. In view of the crowded condition of the present course, we wish to ask that the above forty acres be assigned to the University of Illinois Golf Club.

The University of Illinois Golf Club was established by authority of the Board of Trustees in 1908. At that time the membership was quite small, but in recent years the growth has been rapid. The increase since 1917 has been approximately 700 per cent as shown by the following table:

Spring 1917	Membership	69
Spring 1920	Membership	130
Spring 1922	Membership	258
Spring 1923	Membership	459

This increase in players has produced a crowded condition on the course which is dangerous. The normal capacity of the links is less than 50 players. There are frequently as many as 125 on the course at one time, and a great many more do not attempt to play because of the dangerous condition. There has been vigorous complaint from students during the recent years because of the limited facilities and risk of bodily injury.

The additional space would allow us to give the requisite facilities for the present membership and the increased numbers which are likely to enroll each succeeding year as the game is undoubtedly growing in popularity and is a form of recreation not only indulged in by the average student, but gives men and women who do not or cannot participate in any other athletic activity, an indispensable form of exercise.

I trust that this proposition may meet with your favor.

Respectfully yours,

ARTHUR BERESFORD
President, University of Illinois Golf Club

Mr. Beresford, President of the Golf Club, Mr. H. B. Ingalls, Treasurer, Director G. A. Huff, Dean H. W. Mumford, and Professor J. M. White, who were present, discussed this matter from various points of view. No action was taken.

At this point, Mr. Blair withdrew.

LOCATION OF AGRICULTURAL BUILDINGS

(20) Letters from Dean Mumford and Professor White concerning the location of the new Agricultural buildings.

May 1, 1923

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

I wish to make the following tentative suggestions concerning the location of the Agricultural buildings provided for in the biennium budget:

The Beef Cattle Feeding Plant and Animal Husbandry Storage: The location of these buildings should be immediately west of the present purebred section, adjoining the silo group on the south. This location seems to be established fairly well by reason of the location of the silos, experimental scale house, and the section already erected.

Swine Plant: The location of this plant presents a rather difficult problem. It would appear that there might be some advantage in maintaining the present axis established by the round dairy barns, the horse barns, the beef cattle barns and the sheep barn. This would necessitate the building of a Swine Plant immediately west and a little to the south of the house occupied by Mr. Hampton. This location has the highest elevation on the Lindsay tract. However, the proximity of this site to St. Mary's Cemetery makes it open to objection from the public. In order to avoid criticism from this source, it is probable that the most feasible location would be in the southeast one-fourth of the north forty of the Lindsay plot. If this general location is selected, the main buildings probably should be about one-sixteenth of a mile north of the grove of walnut trees and about two hundred feet west of First Street. The elevation of the location is about four feet lower than the one directly to the west

of Hampton's house, but it has fairly good drainage both on the north and south and is ideal in that it presents a rather uniform slope to the south for several hundred feet east and west. There is also a knoll where the walnut trees are located, which would make an ideal site for a swine herdsman's cottage.

Poultry Plant: The Poultry Plant should be located on the Tooke forty. This plant will consist of two or three main buildings and several minor buildings. The main buildings should be located on a slight elevation near the north end of the forty, but minor buildings will be scattered pretty well over the entire tract, provided this location is approved.

Horse Barn and Implement Storage: This will be located at the present South Farm headquarters, immediately north of the old scale house and approximately midway east and west between the present stables and the small shingle shack. The Implement Storage provided for in the appropriation can be secured most economically by remodeling the present stables.

The Tractor Laboratory: This should be either south or west of the present Farm Mechanics building. It would probably be desirable to have it far enough away from the present laboratory so that it would not interfere with the lighting of the present building.

The Purebred Dairy Cattle Barn: On the site of the present Poultry Plant on the South Farm.

The Dairy Manufactures Laboratory: East of the Stock Pavilion on the south campus.

Very truly yours,

H. W. MUMFORD

May 11, 1923

President David Kinley, 355 Administration Building

MY DEAR PRESIDENT KINLEY:

I have Dean Mumford's recommendations with reference to the location of the proposed Agricultural Buildings, and I agree in all points except for the Poultry Buildings.

The location suggested by him would be a very desirable one, but before that is assigned for any Agricultural purpose the University should settle the question of whether or not they are going to continue to maintain a golf course. The present one is entirely inadequate,—even dangerous. If we are to maintain a golf course we should extend it east to Lincoln Avenue. It is a little difficult to justify our need for more agricultural lands, if the acquisition of such land is merely to release present agricultural lands, for golf purposes. The proposal to expand the golf course should not be argued on that basis but rather on the basis that the University campus is going to need the land south of the Cemetery at some time in the future, and that the best way to hold it for those uses is to put it into recreational area at the present time. I believe that the animal interests should all be located south of the east and west road one-quarter mile south of the Cemetery. Some day, the entire area between that area and that road will be the University's front campus; and I believe that the far-sighted thing to do, tho the need for it seems at present very indefinite, is to provide for that now. Twenty years from now transportation facilities will permit our student body going a considerable distance to play golf; and they will also permit our students living at considerable distances from the campus. I believe that all our plans for the future should be such as to avoid the possibility of congestion of either athletic or military areas or residential ones.

I understand that the Golf Association will present this matter directly to you within the next few days.

Very truly yours,

J. M. WHITE

Supervising Architect

This matter was discussed, and the Board took a recess from 12:15 to 3:45 p. m. During this time, the Board visited the South Campus and inspected the proposed sites.

AFTERNOON SESSION, MAY 18, 1923

When the Board convened after the recess, the following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present.

LIBRARY PLANS

The plans and a sketch of the design of the new Library building were presented and explained by Mr. Platt.

On motion of Mrs. Blake, the Board received Mr. Platt's report of progress, accepted the general plan and design of the building, and instructed the architect to proceed with the development of the plans.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board resumed its discussion of matters presented by the President of the University.

LOCATION OF AGRICULTURAL BUILDINGS

(20—continued) A recommendation that the new Agricultural buildings be located as recommended by Dean Mumford (page 191) with the exception of the Poultry plant, and that the matter of the location of the Poultry plant be deferred until a later meeting.

On motion of Mrs. Evans, these recommendations were concurred in.

At this point, at 5:30 p. m., a recess was taken until 7:30 p. m.

EVENING SESSION, MAY 18, 1923

When the Board convened for the evening session on May 18, 1923, the following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board continued its consideration of matters presented by the President of the University.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

June 9, 1923

The quarterly meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 4 o'clock p. m. on Saturday, June 9, 1923.

The following members were present: President Noble, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees. President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of May 18, 1923. On motion of Mrs. Evans, the minutes were approved as printed on pages 185 to 198 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

ENTRANCE REQUIREMENTS MODIFIED

(1) The following recommendations from the University Senate with reference to the University entrance requirements:

(a) That admission of students with deficiencies be discontinued.

On motion of Mr. Trees, this recommendation was adopted.

(b) That the statement of subjects required for entrance be restricted to those subjects which are definitely required for the particular curriculum and which appear as prerequisites to courses prescribed for the freshman year.

On motion of Mr. Armstrong, this recommendation was adopted.

(c) That Norwegian, Swedish, and Polish be omitted from list B, and that in list C there be inserted: *Foreign language, other than those of list B, 1 or 2 units.*

On motion of Mrs. Grigsby, this recommendation was adopted.

(d) That general science, astronomy, and geology be transferred from list B to list C.

On motion of Mrs. Evans, this recommendation was adopted.

(e) That the science requirement be omitted from list A, and that in any curriculum in which less than fifteen hours of laboratory science are required, a student who enters without at least one unit of laboratory science shall be required to substitute five hours of laboratory science for five hours of free electives in the requirements for graduation.

On motion of Mr. Trees, this recommendation was adopted.

(f) That the changes recommended go into effect September, 1924.

On motion of Mrs. Busey, this recommendation was adopted.

ENTRANCE REQUIREMENTS, COLLEGE OF DENTISTRY

(2) A recommendation from the University Senate, based on a recommendation from the faculty of the College of Dentistry, that the entrance requirements of the College of Dentistry be modified so as to require that in September, 1924, and thereafter, a student to be qualified for admission must have completed either one unit of high-school physics or six semester hours of college physics.

On motion of Mr. Armstrong, this recommendation was adopted.

MODIFICATION OF DENTAL CURRICULUM

(3) A recommendation from the University Senate, based on a recommendation from the faculty of the College of Dentistry, that the course in zoology be dropped from the curriculum in Dentistry.

On motion of Mr. Armstrong, this recommendation was adopted.

GENERAL CURRICULUM IN AGRICULTURE

(4) A recommendation from the University Senate, based on a recommendation from the faculty of the College of Agriculture, that the following changes be made in the general curriculum in Agriculture approved by the Board of Trustees on October 20, 1922:

1. That Zoology 1, 5 hours, be added to "Elective group B."

2. That Entomology 1, three hours, be prescribed instead of a three-hour course in Zoology as provided in the original curriculum.

On motion of Mrs. Grigsby, this recommendation was adopted.

TIMES OF CONFERRING THE DOCTORATE

(5) A recommendation from the University Senate, based on a recommendation from the Executive Faculty of the Graduate School, that the practise of conferring the degree of Doctor of Philosophy four times a year be discontinued and that hereafter this degree be conferred only in June and in February.

On motion of Mrs. Busey, this recommendation was adopted.

APPOINTMENT TO COMMITTEE ON ACCOUNTANCY

(6) A recommendation that Mr. F. B. Andrews, C. P. A., be appointed a member of the Board of Examiners in Accountancy for three years beginning July 1, 1923, to succeed Mr. E. E. Gore, whose term expires June 30, 1923.

On motion of Mr. Armstrong, this appointment was made.

MCKINLEY HOSPITAL FUND

(7) A report from the Comptroller that, in accordance with the action of the Board of Trustees at its meeting of April 11 (page 167), he has exchanged the securities listed below for the sum of \$80,000 in cash, which has been received and deposited with the Treasurer of the University, and placed to the credit of the McKinley Hospital Fund:

400 Shares Illinois Traction Company Common Stock
 \$15,000 Atchison Railway, Light and Power Co. Bonds
 \$15,000 Bloomington and Normal Railway Light Co. Bonds

This report was received for record.

PURCHASES OF PROPERTY IN COLLEGE PLACE

(8) A report from the Comptroller that in accordance with the actions of the Board at its meeting of May 18 (pages 188 and 197), he has concluded the following purchases of property in College Place, Champaign:

Lot 34 from S. A. Blaine
 Purchase price \$2,000, paid in cash
 Subject to general taxes for 1923, estimated \$12

Lot 52 from Clair W. Knapp

 on any interest paying date.....\$3,500
 Subject to general taxes for 1923, estimated \$90, and to unpaid in-
 stallments on assessment for ornamental lighting system.....\$52.16

This report was received for record.

PAYMENT OF SALARY OF PROFESSOR STOEK

(9) A recommendation from Dean Ketchum that half of the salary of Professor Stoek from the date of the last payment (April 1, 1923) until September 1, 1923, be paid to his daughter, Miss Leigh Stoek.

I recommend the approval of this recommendation.

On motion of Mrs. Busey, this recommendation was adopted.

STADIUM CONTRACTS

(10) The following report from Mr. C. J. Rosebery in regard to certain Stadium contracts:

June 5, 1923

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

I wish to report on the following matters in connection with the University of Illinois Memorial Stadium and to say that the Executive Committee of the

Stadium will hold a meeting on Saturday, June 9, at 2:30 p. m., in the Alumni-Stadium offices in the Administration Building.

The Building Committee of the Stadium has employed Mr. W. A. Slater, '06, of Washington, D. C., as Superintendent to represent the interests of the Committee, the Athletic Association and the University, at a monthly salary of \$650. Mr. Slater reported for duty on April 15 and has been busy making certain tests and investigations since that time.

One week after my last report to you, I received from the architects an order slip for certain changes in the contract with the Sodemann Heat and Power Co., calling for a net addition to the contract of \$834. This increase results from the decision of the Building Committee to change the kind of boilers used in the heating system.

A contract has been signed by the University of Illinois Athletic Association per George Huff, President, with P. and F. Corbin of Chicago, for furnishing the finishing hardware required for completing the Stadium at a price of \$7,541. In the general contract with English Brothers, provision was made for an allowance of \$6,000 for this hardware and therefore the contract now let calls for an increase of \$1,541 in the cost of the Stadium.

Early in May a contract was entered into by the Athletic Association with Freeman and Sweet of Chicago, for the electrical wiring and other electrical work in the Stadium at a contract price of \$20,256. The architects found, after they had awarded the original contract for the electrical work to A. H. Barth Electrical Co., of Springfield at a price of \$14,998 as per my report of January 5th, last, that this company was unable to give its bond or to undertake the performance of the contract which was therefore forfeited, I am advised. The letting of this contract therefore will result in an increase of \$5,258 in the cost of the Stadium.

Construction work has been greatly delayed during the spring months by frequent rains and unfavorable working conditions as a result thereof. I am told that all of the structural steel is on the ground and that practically all of the reinforcing bars have been delivered; that English Brothers have a large amount of cement stored ready for use at the Stadium; that two-thirds of the lumber for the construction of the seats has arrived; that the rough grading of the playing field is now almost complete and that it will soon be ready for the placing of the top soil and the placing of the drain tile under the playing field itself; that weather conditions permitting, the contractor will probably begin to pour by this week-end, the concrete for the first twenty-one rows of seats in the east stand.

Members of the Building Committee are still of the opinion that the greater part of the Stadium seats can be finished within time for use for the Homecoming game on November 3. To accomplish this means that all of the contractors will have to work at high speed, under favorable conditions, between now and that time.

Soon after the meeting of the Executive Committee mentioned above, I will make a report to you of its acts.

Very sincerely yours,

C. J. ROSEBERY

This report was received for record.

DAIRY JUDGING TEAM

(11) A request for authority to approve a request from the department of dairy husbandry for permission to enter a judging team at the National Dairy Show at Syracuse, N. Y.

On motion of Mrs. Evans, this matter was referred to the President of the University with power to act.

PURCHASE OF LOT IN COLLEGE PLACE

(12) A recommendation from the Superintendent of Business Operations that the University purchase Lot 64 in College Place with house thereon from Mrs. Blackburn

for \$7000; the University to assume the 1923 tax and unpaid lighting assessments. I recommend the approval of this recommendation.

On motion of Mr. Trees, this purchase was authorized. The appropriation was made from the Reserve and Contingent fund by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Herbert, Mr. Small, Mr. Trimble.

NAME FOR AGRICULTURAL BUILDING

On motion of Mrs. Busey, action on the matter of naming the Agriculture Building was deferred until the next meeting.

MUTUAL BENEFIT ASSOCIATION

On motion of Mr. Trees, action on the Mutual Benefit Association was deferred until the next meeting.

The Board adjourned until Monday, June 11, at 9 a. m.

SESSION OF MONDAY, JUNE 11, 1923

When the Board convened on Monday, June 11, 1923, the following members were present: President Noble, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby.

President Kinley was present.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

July 11, 1923

The July meeting of the Board of Trustees of the University of Illinois was held at the Drake Hotel, in Chicago, at 10 o'clock a. m. on Wednesday, July 11, 1923.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Trees, Mr. Trimble.

President Kinley was present; also, during part of the day, Professor J. M. White and Dean F. B. Moorehead.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of June 9, 1923.

On motion of Mr. Trimble, the minutes were approved as printed on pages 199 to 227 above.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

AGE OF ADMISSION

(1) A recommendation that the Council of Administration be given authority in the administration of the rule concerning age for admission to admit on petition a student over 15 who meets the requirements for admission and who is to reside when he enters the University with his parents or guardians, or with some one chosen by them.

On motion of Mr. Trimble, this recommendation was approved.

CURRICULUM IN CHEMICAL ENGINEERING

(2) A recommendation from the University Senate that the curriculum in chemical engineering be modified to provide certain courses in mechanical engineering as prescribed subjects in the third and fourth years.

These changes may be summarized as follows:

1. That M.E. 2 (steam engineering), three hours, and M.E. 61 (power measurement), two hours, be required in the third and fourth years respectively.

2. That no alternative be allowed for Chemistry 61 (industrial Chemistry laboratory), three hours.

3. That because of our crowding in Chemistry 69 (assaying), Chemistry 78 (Metallography) be accepted as a substitute, for a limited number of students.

4. That in order to clarify the matter of registrations in Chemistry 11 (thesis), the present statement, "subject to the approval of the departmental committee on undergraduate theses," be changed to read: "Ten hours of thesis credit are required for graduation in chemistry and nine hours for graduation in chemical engineering, subject to the provision that a partial substitution of chemical electives in special cases may be granted on recommendation of the department. In no case may the total thesis credit in either curriculum be reduced below a minimum of five hours."

On motion of Mrs. Evans, these changes were approved.

CURRICULA IN MUSIC

(3) A recommendation of the University Senate that the following changes in the curricula in Music be approved:

Changes in Instrumental Major

(Piano, Organ, or Violin)

1. That the first year foreign language requirement be deferred until the second year, and be restricted to French or German.

2. That the English requirement be made a four-hour course for one year in *English or American Literature*, instead of one year of *English Literature* as formerly.

3. That Educational Psychology (3 hrs.) and Technic of Teaching (3 hrs.) be dropped from the curriculum.

4. That the lessons in the minor practical subject in music be made twenty minutes in length, meeting twice each week, instead of thirty minutes once a week. Credit to be three hours, instead of two hours.

5. That an elective be substituted for the three-hour course in Shakespeare now required for the senior year.

6. That the present thesis requirement be made a senior elective with one hour of credit.

7. That a one-hour two-semester course in rudimentary theory be added to the first year.

Vocal Major

That the curriculum in vocal major be the same as the curriculum in instrumental major (piano, organ, or violin), except that one year each in French, German, and Italian be required.

Theory Major

1. That a new curriculum with theory as a major be added.

New Courses to be offered in 1923-24

2. That the following new courses be offered in 1923-24:

Music 11-12	Advanced Composition (for Theory major).....	4	hours
Music 17-18	Advanced Orchestration (for Theory major).....	4	hours
Music 19-20	Rudiments of Theory.....	1	hour
Music 27	Thesis (senior elective).....	1	hour
Music 28-29	Keyboard Harmony.....	2	hours
Music 30-31	Course in Accompanying.....	1	hour

On motion of Mr. Trees, these changes were approved.

THE CROSBY ACCIDENT COMPENSATION CASE

(5) A recommendation that \$112 be appropriated from the Reserve and Contingent fund to meet the balance of expenditure for the bills occasioned by the illness and death of Mr. G. M. Crosby.

On motion of Mrs. Evans, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mrs. Busey, Mr. Small, Mr. Trees.

BAKER PRIZES IN CIVIL ENGINEERING

(6) The following statement:

Professor I. O. Baker, Professor of Civil Engineering, *Emeritus*, offers the University the sum of \$2500 for establishing prizes in civil engineering, and perpetuating the names of the winners by a bronze tablet. This fund is intended to maintain two annual prizes—the first of \$75 and the other of \$25—to be given to the two senior Civil Engineering students attaining the highest standing in regular academic work and in certain other related activities.

I have called Professor Baker's attention to the rule of the Board that gifts of less than \$5000 for such purposes are accepted only on condition that the Board may, if circumstances make it desirable, consolidate such funds, preserving, however, the identity of the separate gifts in the title. Professor Baker assents to this condition in making the gift.

I recommend that the gift of Professor Baker be accepted, that the sum of \$2000 of the gift be kept invested for the purpose of furnishing income for a first prize of \$75 and a second prize of \$25, or two prizes whose total amount shall be the income of investment, if less than \$100, but in the ratio of three to one.

I further recommend that \$500 of this gift be invested, according to the wish of Professor Baker, in providing and maintaining a bronze tablet on which the names of the prize winners shall be placed each year, the Trustees of the University reserving the right to replace these names with the names of later prize winners in succeeding years, so as to keep the number within the limits of the tablet provided.

I recommend finally that, in accordance with the wishes of Professor Baker, the President of the University be directed to place the awarding of these prizes and care of the tablet in the hands of the Dean and heads of departments of the College of Engineering.

On motion of Mr. Armstrong, these recommendations were approved, and the President of the University was directed to express the thanks of the Board to Professor Baker.

GIFT FOR LOAN FUND

(7) The following statement:

I have received a letter from the attorney of a friend of the University stating that the University will receive through him the interest on a capital of \$30,000, at seven per cent per annum, from June 1, 1923, collectable on notice from him at a bank designated by him to me, for the purpose of making loans to students. He further states that after a time he will turn over the capital fund to the University. I am directed by the donor that he does not wish his identity disclosed.

On motion of Mrs. Evans, this gift was accepted with thanks.

APPOINTMENT OF MISS MARIA LEONARD AS DEAN OF WOMEN

(8) A recommendation that Miss Maria Leonard be appointed Dean of Women, for one year, beginning September 1, 1923, at a salary of \$5,000.

At this point, President Noble presented the resignation of Dean Mason.

On the recommendation of President Kinley, and on motion of Mr. Trimble, Miss Mason's resignation was accepted to take effect August 31, 1923.

On motion of Mr. Herbert, Miss Leonard's appointment was approved as recommended.

HONORARIA FOR MEMBERS OF COLLEGE OF MEDICINE ADVISORY COMMISSION

(9) A recommendation that each of the five members of the College of Medicine Advisory Commission be granted an honorarium of \$350, for services rendered, and that an appropriation of \$1750 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Blake, this recommendation was concurred in, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Small.

BUILDING PROGRAM

(10) A statement concerning the building program.

Professor White made a report of progress on the plans for the new buildings to be erected during the biennium

On motion of Mrs. Blake, the report of progress on the Gymnasium was accepted, subject to the submission of designs showing the elevation, etc.

On motion of Mr. Trees, the plans for the Dairy barn were approved and the Supervising Architect was authorized to proceed with the working drawings and to take bids on the basis of a complete building, with the option of omitting one wing; and to construct the silos.

On motion of Mr. Armstrong, the plans for the addition to the Farm Mechanics building were approved and the Supervising Architect was authorized to proceed with the plans and specifications.

On motion of Mr. Trees, the Supervising Architect was instructed to have the plans, specifications, and working drawings for all the new buildings ready by December 1, 1923.

POLICY IN COLLEGE OF DENTISTRY

(11) A statement concerning the policy of employing certain members of the clinical staff of the College of Dentistry on full time.

Dean Moorehead made a statement concerning this matter.

It was the opinion of the Board that certain members of the clinical staff, heads of divisions or departments, of the College of Dentistry should be employed on full time.

ASSIGNMENT OF LAND

(12) A recommendation that the forty acres of land just east of the golf course which the Horticulture Department has hitherto used and from which it has now withdrawn, be assigned to the College of Agriculture for the poultry work; and that the forty acres across the street west of the golf course be set apart for the present as a surveying tract for the Department of Civil Engineering and that it may be used for golf at times when it is not being used for class purposes, the Superintendent of Business Operations to make the necessary arrangements between the Department of Civil Engineering and the Golf Club.

On motion of Mrs. Evans, these recommendations were concurred in.

PURCHASE OF LAND AND HOUSE ON NEVADA STREET

(13) A recommendation that the house and lot of Mr. W. W. Mitchell at 1117 West Nevada Street, Urbana, be purchased for \$13,605.00, and that an appropriation of this amount be made for this purpose and that the further sum of \$395.00 be appropriated to meet the expenses of the transfer.

On motion of Mr. Armstrong, these recommendations were approved. The appropriation from the Reserve and Contingent fund was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Small.

PURCHASE OF LAND FROM ATHLETIC ASSOCIATION

(14) A recommendation that the Stoolman tract (18.51 acres) and the tract between First street and the Illinois Central right of way (20 acres) be purchased from the Athletic association for \$81,236.92 and that \$82,000, or so much thereof as may be needed, be appropriated from the Reserve and Contingent fund to meet the purchase price and the expense of the transfer.

On motion of Mr. Trimble, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Small.

AUDIT OF STADIUM FUND

(15) A recommendation, made at the suggestion of Mr. Clarence J. Rosebery, Secretary of the Stadium Committee, that the accounts of the Stadium Fund be audited by the firm employed to audit the University accounts, not later than September 1, at University expense.

On motion of Mrs. Evans, this recommendation was approved.

PAYMENTS ON LAND PURCHASES

(16) A recommendation that the sum of \$19,250 be appropriated from our free balance on June 30, 1923, to make further payments on land purchases, as per the following schedule.

UNIVERSITY HOSPITAL

(21) A recommendation that \$3107 be appropriated from the working surplus of the University Hospital for painting, repairs, and equipment.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans,

Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Small.

THE BUDGET FOR 1923-24

(22) The Budget for 1923-24, with a recommendation that the Budget be approved and that the President of the University be authorized to make such minor changes and adjustments as may be necessary, and to make necessary additional appointments in accordance with the general salary scale.

During the presentation of the Budget, President Noble, being called from the room, requested Mr. Trimble to preside.

On motion of Mr. Herbert, the Budget was approved and the President of the University was authorized to make such changes and adjustments as may be necessary. This motion was passed with the understanding that the President of the University should recast the budget of the College of Dentistry in accordance with the policy approved at this meeting.¹ The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Herbert, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Small.

Explanatory Note

Departmental appropriations are made under the captions "Salaries" and "Expense and Equipment" unless otherwise indicated. No transfers may be made between these appropriation captions except with the approval of the President of the University.

Appropriations for Expense and Equipment in departments of colleges are made as a tentative distribution subject to adjustment by the Dean of the College within the total for the college. The Dean will indicate at the opening of the year the preliminary assignments to departments, and make such further adjustments during the year as are necessary.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

September 25, 1923

The Quarterly meeting of the Board of Trustees of the University of Illinois was held at the Drake Hotel, in Chicago, at 10 o'clock a. m. on Tuesday, September 25, 1923.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Trimble.

President Kinley was present; also, during part of the day, Professor J. M. White, Supervising Architect, and Dean H. W. Mumford.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of July 11, 1923.

On motion of Mr. Trees, the minutes were approved as printed on pages 229 to 289 above.

EXECUTIVE COMMITTEE

President Noble, as chairman of the Executive Committee, reported the following actions of the Committee:

On September 15, 1923, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in Chicago.

FARM MECHANICS BUILDING

The following bids were received by the Supervising Architect for the General Work on the Addition to the Farm Mechanics Building:

G. A. Applegate.....	\$22,130
Sowers & Corkery.....	22,550
A. W. Stoolman.....	22,992
English Brothers.....	23,758
L. B. King & Co.....	23,766

Revised bids were requested on the General Work from the three low bidders on the basis of omitting most of the concrete floor, one coat of interior paint, and a work bench. The revised bids were as follows:

G. A. Applegate.....	\$19,291
Sowers & Corkery.....	19,484
A. W. Stoolman.....	20,454

The estimated cost to complete the building on items not included in the general work is as follows:

Skylight.....	\$ 800.00
Wiring and Fixtures.....	1,600.00
Drainage.....	900.00
Cost of Drawings.....	478.30
Heating.....	3,000.00
Miscellaneous & Extras.....	300.00

\$7,078.30

The general contract was awarded to G. A. Applegate for \$19,291, plus \$165 for additional work not included in the specifications.

The estimated total cost of the building on the basis of this award is \$26,534.30.

The sum of \$15,000 was appropriated toward the expense of this construction out of the \$380,000 appropriated by the last Legislature for Agricultural buildings.

MEDICAL RESEARCH BUILDING

The contract for the furnishings of the Medical Research Laboratory and Library Building was awarded to Benbrook, Monroe, & Co. of Chicago on the basis of the low bid, at \$22,694.

DAIRY SILOS

The contract for the silo walls for the Dairy Barns was let to the Kalamazoo Tank & Silo Company of Kalamazoo, Michigan, at a cost of \$3450 for which an appropriation was made from the sum of \$380,000 appropriated by the Legislature for Agricultural Buildings.

On motion of Mr. Trimble, this report was received for record, and the actions of the Executive Committee were approved.

INVESTIGATION OF BREEDING GOATS

President Noble made a statement concerning the breeding of goats and the use of goats' milk.

On motion of Mr. Trees, this matter was referred to the President of the University for investigation and report.

MUTUAL BENEFIT ASSOCIATION

President Noble made a statement concerning the opinion of the Legal Counsel on the powers of the Board with respect to the proposed plan for cooperation with the Mutual Benefit Association (Minutes, March 12, 1923, page 139).

Mr. Trimble withdrew his motion of March 13, 1923 (page 141), for the adoption of the plan of cooperation.

On motion of Mr. Armstrong, Mr. Trimble was appointed a special committee to draw up a new plan for a system of death and disability benefits and retiring allowances, to be presented to the Board as soon as it may be convenient.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

TILE WALLS FOR DAIRY BARN

(1) A recommendation that the contract for tile walls for the dairy barn be awarded to the Kalamazoo Tank and Silo Company, and that \$4500, or so much thereof as may be necessary, be appropriated for this purpose from the \$380,000 appropriated by the General Assembly for agricultural buildings.

On motion of Mrs. Evans, this recommendation was approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

TORNADO INSURANCE ON STADIUM

(2) A recommendation that the Memorial Stadium be insured for \$500,000 against damage by tornado, for a period of five years, and that \$4500, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent fund for the payment of the premium.

On motion of Mrs. Evans, this recommendation was concurred in. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

PURCHASE OF LOT 109 IN COLLEGE PLACE

(3) A recommendation that Lot 109 in College Place Addition, with house thereon, be purchased for \$7500, and that an appropriation of \$7500 be made from the Reserve and Contingent Fund for this purpose.

On motion of Mrs. Grigsby, this purchase was ordered. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

PURCHASE OF LOT 162 IN COLLEGE PLACE

(4) A recommendation that Lot 162 in College Place be purchased for \$2250, the University to assume the taxes and lighting assessments for 1923.

On motion of Mrs. Blake, this purchase was ordered. The appropriation was made from the Reserve and Contingent fund by

the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

ADDITIONAL INSTRUCTOR IN PSYCHOLOGY

(5) A report that by misunderstanding, a position requested by the Department of Psychology and approved by the Dean of the College was left out of the Budget. Inasmuch as there was to be no meeting of the Board until September, the President of the University authorized the Dean to fill the want with an instructorship at a salary of \$1800 for one year.

On motion of Mr. Armstrong, this action was approved.

BAKER PRIZE FUND

(6) The following letter with accompanying documents has been received from Professor Baker, in accordance with his promise presented to the Board at the meeting of July 11.

September 4, 1923

Dr. David Kinley, President of the University of Illinois

DEAR SIR:

In accordance with my promise of June 7 to make provision for two prizes for Civil Engineering Seniors, I herewith present to the University the following securities:

Bonds No. K207 and K208 of the Whalen Paper and Pulp Co., each for \$1,000, due in 1930, bearing 6% interest, payable May 1 and November 1, and having the November 1923 and subsequent coupons attached ¹	\$2,000.00
Bonds No. C159, C310, and C314 of the Vancouver Lumber Co., due on May 1, 1937, each for \$100, bearing 7½% interest, payable May 1 and November 1, and having the November 1923 and subsequent coupons attached ¹	300.00
I have from time to time given the Purchasing Agent checks for the following bills:	
Chicago Architectural Bronze Co., 4740 N. Clark St., Chicago, the bronze tablet.....	140.00
Rounds-Truman Co., 64 W. Randolph St., Chicago, engraving copper plate and printing 30 copies of the certificate on bond paper.....	65.75
B. A. Strauch, 629 S. Wright St., Champaign, framing a copy of the certificate.....	2.30
University Carpenter Shop, for labor and material in installing the tablet and the framed certificate.....	2.81
Expressage on tablet and certificate.....	1.28
Total.....	\$2,512.14

I desire that the income of the remainder of said bonds shall be used to pay: (1) a first prize of \$75 and a second prize of \$25 to the persons named by the Dean and Heads of Departments of the College of Engineering in accordance with my letter submitted herewith; (2) to purchase and place annually upon the tablet a bronze plate bearing the names of the successive winners of the prizes; and (3) to insert the name of the winner of the first prize on the certificate referred to above. Apparently the second item above will be about \$5.50 per annum and the third about \$1. Therefore the total annual charge against the fund will probably be \$106.50.

Respectfully submitted,

IRA O. BAKER
Professor Emeritus of Civil Engineering

¹Interest and principal are payable at the office of Peabody, Houghteling, and Co., 10 S. La-Salle St., Chicago.

September 7, 1923

Received from Professor Ira O. Baker the following items on account of the "Baker Prize Fund:"

Bonds No. K207 and K208 of the Whalen Paper and Pulp Co., each for \$1,000, due in 1930, bearing 6% interest, payable May 1 and November 1, and having the November 1923 and subsequent coupons attached.....	\$2,000.00

Checks to cover various bills for tablet, certificates, etc.....	212.14
Total.....	\$2,512.14

LLOYD MOREY
Comptroller

September 4, 1923

The Dean and the Heads of Departments, College of Engineering,

GENTLEMEN:

Shortly before the last Commencement I wrote to President Kinley saying that I would present to the University \$2,500, the income of which is to be used for two prizes having a total value of one hundred dollars to be awarded annually to Civil Engineering Seniors, and for the installation and maintenance of a bronze tablet upon which shall be announced the successive annual winners of the aforementioned prizes, and for the engraving of a certificate to be given to the winner of the first prize and the printing and lettering such a certificate annually. In that communication I said that I hoped the award of the prizes would be under the direction of the Dean and the Heads of the Departments of the College of Engineering. Later the Board of Trustees accepted the offer.

I have secured the tablet and had it placed upon the wall immediately east of the door to room 203 Engineering Building, at a cost of \$140 for the tablet and \$6.39 for placing upon the wall. Professor C. C. Williams has in his possession the copper-plate engraving of the certificate and thirty copies of the certificate printed on bond paper. Adjacent to the tablet is a framed copy of the certificate. The cost of the plate and thirty certificates was \$65.75. Therefore the entire expense of the tablet and the certificate is \$212.14. I have given to the University the cash with which to pay the bills for the above, and in addition I have given to the University \$2,000 of 6% bonds due in 1930 and \$300 in 7½% bonds due in 1937. It is estimated that the total cost of casting the two names for the tablet will be \$3.50 and the cost of inserting the slip on the tablet \$2.00 and the cost of engraving the certificate less than \$1.00. Therefore the total annual charge against the fund will probably be \$106.50.

In my communication to President Kinley I said that I desired to make my gift such that you gentlemen should have unrestricted powers over details in awarding the prizes, as I think it entirely unwise to attempt the rule of the dead hand for either the near or the remote future. However, as I have had this matter on my mind for several years past, I hope that a statement of my views on the subject may not be inappropriate.

1. It seems to me that the prizes will be useful in stimulating scholarship and interest in allied activities, and will in a measure help to neutralize the diverting influence of social and athletic activities.

2. My thought is that the tablet will be a means of calling the attention of students to the fact of such a prize and of publishing the names of the successive winners. I hope the certificate will be appreciated by the winner as tangible evidence of the honor, and that possibly he may frame it and hang it in his office or home.

3. I think the one hundred dollars prize money should be divided into a first prize of seventy-five dollars and a second prize of twenty-five dollars. I am aware that in somewhat similar matters the first prize is often made sixty per cent. and

the second prize forty per cent.; but it is my belief that a first prize of seventy-five dollars will do more to stimulate interest in the purpose of the prize than a lesser sum, and that a second prize of twenty-five dollars will serve as an additional stimulus to contestants.

The present rate of interest of the \$2,300 in securities which I have turned over will produce for several years to come an income of over \$141, which is considerably more than enough for the two prizes and to pay for inserting the names on the tablet and for engrossing the certificate; but I think it wise to allow this excess to accumulate against the time when, owing to the probable decrease in rate of interest, the annual income on the original \$2,300 may not be sufficient to meet the charges against the fund.

4. For somewhat obvious reasons it seems to be wise that the prize should be limited to Civil Engineering Seniors, and should also be limited to students who have been in attendance at the University for their junior year.

5. In making up an award it seems to me that the items in the following exhibit might properly have consideration and valuation somewhat as stated:

Basis of Award

(1) Scholarship of work of the senior year as determined from University records.....	70%
(2) Authorship of technical articles or editorial activity on a College technical journal, to be awarded on the judgment of the Dean and the Heads of the Departments.....	10%
(3) Activity in technical organizations of the Civil Engineering Students, as officer, committee-man, attendant, or contributor, to be awarded on the recommendation of the Head of the Civil Engineering Department.....	10%
(4) General characteristics, such as trustworthiness, pleasing personality, initiative, resourcefulness, judgment, executive ability, breadth of view, promise of leadership, etc., to be awarded upon the recommendation of the Head of the Civil Engineering Department.....	10%
Total.....	100%

6. I believe it would be wise to make the award shortly before Commencement, and that the award should be based upon the work of the senior year of the curriculum. I appreciate that there may be some difficulty in meeting these two somewhat conflicting conditions. In my opinion only students should be eligible who had been graduated in August, October, or February preceding, or who are to graduate at the approaching Commencement.

7. It is not improbable that in the administration of the above conditions it will be necessary to discriminate between a student who has a smaller number of hours and a higher grade, and another student who has a greater number of hours but a lower grade. Without attempting to fix any hard and fast rules, may I be permitted to say that I think that some credit should be given to the student who carries the greater number of hours, provided the extra hours are taken to broaden the range of his education; but I do not think that a student should have any such credit for extra hours which he carried because he was back in the work of earlier years.

8. I think that a technical article considered in this competition should not have received any other prize, and must have been produced by the author without collaboration with others. Previous presentation before a technical society or previous publication in a College or other technical journal should not make an article ineligible.

9. I have given some consideration as to whether or not a student should be required to announce his candidacy for one of the prizes; but on the whole I have concluded that, while such an announcement for some reasons is desirable, it is probably unwise to make it a necessary condition. If a student were known to be a candidate, his activities under items 3 and 4 of the above statement could be more carefully studied than if his candidacy was not known until the time of the award. If in your wisdom you can find some better solution of this phase of the matter than I have implied, I shall be greatly pleased.

10. To give such publicity to this matter as will stimulate the interest of the seniors of the next year in the contest, I hope that your body will authorize the Head of the Civil Engineering Department to call a convocation of the Civil Engineering Students early next fall at which meeting the fact of the establishment of the prizes will be stated and the attention of the students will be directed to the object to be attained in each of the four items of the award.

I think it might be helpful if at the close of each year a similar convocation were held at which the students should be notified of the winners, and also at which the prizes and the certificate should be presented.

Possibly after the new names are inserted in the tablet, it would be worth while to take a photograph of it and present each of the winners with a copy. I suggest this only as a means of possibly stimulating greater interest in the prizes and thereby increasing interest in scholarship and some of the important by-products of a college course.

11. A copy of this letter accompanies the deed of gift, and a copy of the deed of gift accompanies this letter; and a copy of both is given to the Head of the Civil Engineering Department.

Yours very truly,
IRA O. BAKER

SMITH FARMS SETTLEMENT

(7) A statement from Mr. Morey concerning the final settlement of all affairs connected with the sale of the Smith Farms, donated for the Music Building, concluded during the past year with the final payments on the St. Joseph farm.

September 10, 1923

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

Final settlement of all affairs connected with the matter of the Smith Farms, donated for the Music Building, was not concluded until during the past year, when the final payment on the St. Joseph farm fell due and was collected.

I have thought it well to prepare a final statement regarding these farms which I enclose herewith. My last statement on this matter was transmitted to you on May 28, 1919.

Very truly yours,
LLOYD MOREY
Comptroller

ADJUSTMENTS IN THE BUDGET

(8) A recommendation that the following adjustments in the Budget for 1923-24 be made.

Pathology and Bacteriology

1. On recommendation of Dr. D. J. Davis and Dean A. E. Eycleshymer, I request that the sum of \$580 be added to the budget of the Department of Pathology and Bacteriology of the College of Medicine, to be distributed as follows:

That the amount \$3500 allowed in the Budget for an assistant professorship be made \$3800, instead of \$3500.

That the salary of Joseph Lepak, chief technician be made \$1680 instead of \$1600.

That the salary of S. A. Levinson, one-half time instructor, be made \$1200 instead of \$1000.

2. I also recommend that the salary of Dr. D. J. Davis be made \$7500 instead of \$7,000.

Chemistry

3. On urgent recommendation of Professor S. W. Parr and Professor Roger Adams, Acting Head of the Department of Chemistry, concurred in by Dean Babcock, I recommend the following changes be made in the budget of that department:

That the salary of Miner M. Austin, Associate in Chemistry, be made \$2400, instead of \$2250.

That the rank of Manson J. Bradley, Instructor, be changed to Associate, at the same salary (\$2100).

School of Music.

That the salary of Director Stiven be made \$6000 instead of \$5500.

That the salary of Mr. MacNeill be made \$2000 instead of \$1700.

That the salary of Miss Florence E. Street be made \$1800 instead of \$1600.

On motion of Mrs. Grigsby, these recommendations were approved.

THE RESIGNATION OF MR. M. M. LEIGHTON

(9) On April 19 last Professor Leighton wrote Dean Babcock that he had accepted an appointment as Chief of the Illinois Geological Survey, and wished to tender his "resignation as Assistant Professor of Geology, to take effect not later than June 10th or at such a time before that date as the discharge of my University duties will permit." Later, his resignation was presented and accepted as of June 3, 1923.

In my judgment, there is a certain equity in Mr. Leighton's claim, but I do not believe that this equity includes payment for the months of July and August. It seems to me that he will be fairly treated under all the circumstances if he receives salary for the whole month of June, and I so recommend.

On motion of Mr. Armstrong, Professor Leighton's resignation was accepted as of June 30, 1923.

RESIGNATION OF DR. MOULTON

(10) A report of the resignation of Dr. Gertrude E. Moulton, Professor of Hygiene and Medical Adviser for Women, to take effect September 1, 1923.

This report was received for record.

PRINTING RULES AND REGULATIONS

(11) A request for an appropriation of \$1000 or so much thereof as may be necessary from the Reserve and Contingent Fund to republish an edition of 3000 copies of the regulations of the Board, including the Statutes of the University and all regulations of the Board concerning the University, the State laws regulating the University, and similar rules and regulations. Many of these are now scattered through the various proceedings and session laws, and it is necessary for orderly administration that they should be assembled.

On motion of Mr. Armstrong, this request was granted, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

PURCHASE OF COLLEGE PLACE LOT 64 CONCLUDED

(12) A report from the Comptroller regarding the conclusion of the purchase of Lot 64 in College Place Addition, and house thereon, from Florence and Luella M. Blackburn, at a purchase price of \$7000 cash, subject to tax for 1923 (estimated at \$100) and unpaid lighting assessments of \$146.97.

This report was received for record.

PAYMENT OF INTEREST AND TAXES ON LAND

(13) A recommendation that \$5000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent fund for the payment during the present fiscal year of interest on unpaid balances on land purchases, and on taxes and assessments assumed on properties purchased.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

STADIUM TREASURER'S BOND AND AUDIT OF STADIUM ACCOUNTS

(14) The Comptroller, Professor Lloyd Morey, asks an appropriation of \$375 from the Reserve and Contingent Fund for the following purposes:

1. Audit of Stadium accounts by public accountants, as authorized by the Board last July (see item 15, page 234, minutes of July 11, 1923). \$125.
2. Bond of Stadium Treasurer for one year from June 5, 1923. \$250.

I recommend that an appropriation of \$375 be made from the Reserve and Contingent Fund for these purposes.

This appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mr. Herbert, Mr. Small.

CLERK IN OFFICE OF DEAN OF WOMEN

(15) A request for authority to appoint an additional clerk in the office of the Dean of Women, at a salary not to exceed \$1200 a year.

On motion of Mrs. Grigsby, this authority was granted.

CREDIT IN LITHUANIAN REQUESTED

(16) Resolutions adopted by the Association of Lithuanian Students of America, asking that credit be granted for work in the Lithuanian language.

On motion of Mrs. Evans, this request was referred to the University Senate.

**REPORT OF TREASURER FOR THE YEAR ENDING
JUNE 30, 1923**

(17) A report of the Treasurer, Mr. A. M. Burke, for the fiscal year July 1, 1922 to June 30, 1923, transmitted to me through the hands of the Comptroller, with the following statement:

July Eighteenth, 1923

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I transmit herewith the report of the Treasurer of the University for the year ending June 30, 1923, prepared in accordance with the by-laws of the Board of Trustees.

I have examined this report and I hereby certify that it is correct and in agreement with the accounts of my office.

Very truly yours,
LLOYD MOREY
Comptroller

DAVENPORT HOUSE

At this point, Mrs. Evans reported that the special committee appointed November 9, 1922 (page 87), to consider the matter of naming the house purchased from Dean Davenport and used as a residence for women students, recommends that the house be designated "Davenport House."

This report was adopted.

TABLET FOR MEDICAL RESEARCH BUILDING

A design for a bronze tablet for the Medical Research Library and Laboratory building was submitted and approved, with the stipulation that the name of the contractor should be omitted.

LOCATION OF POWER PLANT

On recommendation of President Noble, and on motion of Mr. Trimble, it was voted to request the good offices of the Superintendent of Public Welfare to secure the location of the power and heating plant of the Chicago group of buildings (being erected by the Department and the University) on the state property south of the alley and fronting on Taylor street instead of locating the plant on the main lot.

The Board resumed the consideration of matters presented by the President of the University.

ASSIGNMENT OF LAND

(18) The Director of the Agricultural Experiment Station demurs to the assignment of the 40 acres of land across the street west of the golf course for golf purposes which was made at the July meeting of the Board.

I understood at the time of making the recommendation that the Director of the Experiment Station concurred with the Superintendent of Business Operations in the view that if the 40 acres just east of the golf course, formerly used by the department of horticulture, were assigned for poultry, the 40 acres across the street, west of the golf course, would be released. Since I was mistaken in this understanding, I recommend that the action of the Board recorded as recommendation number 12 on page 234 of the minutes of the Board, July 11, 1923, whereby the 40 acres east of the golf course was assigned to poultry, and the 40 acres west of the golf course, across the street, assigned for surveying and use for golf when not in use for class purposes, be reconsidered.

On motion of Mr. Trimble, this action was reconsidered.

Dean Mumford and Professor White made statements concerning the assignment of this land.

On motion of Mr. Trimble, the action of July 11 was rescinded.

STUDIES OF NEW BUILDINGS

Professor White presented studies of the new Gymnasium, the Dairy Manufactures, and the Library buildings.

At this point, Mrs. Blake withdrew.

MEDICAL RESEARCH BUILDING

On motion of Mr. Trimble, the amount appropriated by the General Assembly for the Medical Research Library and Laboratory Building (\$500,000) was appropriated for the purposes of the act. The vote was as follows: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent Mr. Blair, Mrs. Blake, Mr. Herbert, Mr. Small.

COMPTROLLER'S REPORT

President Kinley presented for record the report of the Comptroller for the quarter ending June 30, 1923, with the auditors' reports for the quarter and the year, and the auditors' report of the Stadium accounts.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

October 27, 1923

The October meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 9 o'clock a. m. on Saturday, October 27, 1923.

The following members were present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present; also Professor J. M. White, Supervising Architect.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of September 25, 1923. On motion of Mrs. Grigsby, the minutes were approved as printed on pages 291 to 329 above.

LOCATION OF CHICAGO POWER PLANT

The Secretary presented for record the following letter from Judge C. H. Jenkins, Director of the Department of Public Welfare, concerning the location of the power plant for the Chicago hospital and research group (see page 304).

October 17, 1923

Mr. H. E. Cunningham, Secretary, Urbana, Illinois

MY DEAR MR. CUNNINGHAM:

Referring again to your letter of September 27th, I have conferred with Dr. Noble and I will be pleased to use such influence as I may have in arranging to have the power plant placed on the state property south of the alley and facing on Taylor Street.

Very truly yours

C. H. JENKINS
Director

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

POULTRY PLANT

(1) A recommendation that the thirty-five acre tract east of the golf course be assigned for the work in poultry and that \$25,000 be appropriated from the State appropriation of \$380,000 for agricultural buildings, for the construction of a poultry plant.

On motion of Mrs. Evans, this recommendation was approved and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

ENROLLMENT BY COLLEGES AND SCHOOLS

OCTOBER 1, 1923

(2) The Registrar's report of registration on October 1, 1923, with comparative figures for the corresponding date in 1921 and 1922.

CHANGE IN CURRICULUM OF COLLEGE OF MEDICINE

(3) A recommendation that the following changes in the curriculum in medicine be approved as recommended by the University Senate:

To substitute elective work in the place of the following subjects at present prescribed in the junior year for all students:

	<i>1st Semester</i>
Medical Clinics.....	16 clock-hours
Didactic Medicine.....	16 clock-hours
Didactic Obstetrics.....	16 clock-hours
Orthopedic Dispensary.....	18 clock-hours
	<hr/> 66 clock-hours
	<i>2nd Semester</i>
Medical Clinics.....	16 clock-hours
Didactic Medicine.....	16 clock-hours
Genito-Urinary Dispensary.....	18 clock-hours
	<hr/> 50 clock-hours

The present curriculum of the College of Medicine provides in the junior year for only 16 clock-hours of electives. This, therefore, is a proposal to increase the number of elective clock-hours for that year to 82 the first semester and to 66 the second semester.

On motion of Mrs. Blake, these changes were approved.

PLANTING TREES AROUND THE STADIUM

(4) A recommendation that Professor White be authorized to proceed with planting trees around the Stadium, the expense to be charged to the appropriation already made for physical plant extension, and that the committee appointed by the Board on October 20, 1922 (See page 68) concerning planting around the new horticultural laboratory act as an advisory committee on this matter. The members of this committee are Mrs. Blake and Mrs. Busey.

On motion of Mrs. Grigsby, this recommendation was approved.

APPROPRIATION TO DEPARTMENT OF DAIRY HUSBANDRY

(5) A recommendation that an appropriation of \$4100 be made from the Reserve and Contingent Fund to the Department of Dairy Husbandry for expense and equipment.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

HEATING MEDICAL RESEARCH LABORATORY AND LIBRARY

(6) A recommendation that an appropriation of \$2500 be made from the Reserve and Contingent Fund, in order to pay the University's share of the expense of heating the Medical Research Library and Laboratory building during the coming winter.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

INSURANCE ON THE MEDICAL RESEARCH LABORATORY AND LIBRARY IN CHICAGO

(7) A recommendation that \$600 be appropriated from the Reserve and Contingent Fund for fire insurance on the Medical Research Laboratory and Library building, under construction.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

DEDICATION OF MEDICAL BUILDINGS

(8) A statement concerning the matter of dedicating the new Medical Research Library and Laboratory building and the group of Educational hospitals in connection with the meeting of the American Medical Association next spring.

On motion of Mrs. Evans, a special committee, consisting of the President of the Board, the President of the University, and the Dean of the College of Medicine, was appointed to take up with the Director of the State Department of Public Welfare the matter of the dedication of these buildings.

PARR COKING PROCESS

(9) A recommendation that the sum of \$15,000 be appropriated from the Reserve and Contingent Fund to meet in part the expenses of establishing and operating an experimental fuel plant for the purpose of determining whether the Parr Process is practicable on substantially a commercial scale, and of securing further information about the distillation of Illinois coals. While this amount will not meet all the expenses, the Director of the Engineering Experiment Station is prepared to add up to \$7000 so as to secure the whole amount necessary for the installation of the plant.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

BRONZE TABLET FOR WOMAN'S RESIDENCE HALL

(10) The form for the wording of the tablet in the Woman's Residence Hall, prepared by Professor White.

On motion of Mr. Trees, this form was approved.

DEATH OF MRS. C. G. HOPKINS

(11) A report of the death of Mrs. Cyril G. Hopkins on October 21, 1923. This report was received for record.

C. P. A. CERTIFICATES

(12) A recommendation that the Certificate of Certified Public Accountant be issued to the persons whose names follow, certified by the Committee on Accountancy to have passed successfully the necessary examinations and to have complied with all the requirements of the law relating to the issue of such certificates.

TORNADO INSURANCE ON STADIUM

(13) A recommendation that the action of September 25, 1923 (Page 293) be rescinded, and that an appropriation of \$2200, or so much thereof as may be necessary, be made from the Reserve and Contingent Fund to pay the premium on tornado insurance on the Stadium, amounting to \$750,000 and extending over a period of five years.

On motion of Mrs. Evans, the action of September 25, 1923, concerning tornado insurance on the Stadium, was rescinded.

On motion of Mr. Trees, the amount of tornado insurance on the Stadium was fixed at \$750,000, for a period of five years. The appropriation for the premium was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

COLLEGE PLACE LOTS

(14) A recommendation that an appropriation of \$6200 be made from the Reserve and Contingent Fund for the purchase of the following lots in College Place.

1. The south 41.4 feet of lot 121 from the Phi Kappa Tau Fraternity \$2,000
 2. Lot 32, 50 x 114 feet, from Ralph Cunningham 2,000
 3. Lot 54, 50 x 114 feet, through Del Enochs, agent 2,200
- These prices are subject to unpaid taxes and lighting assessments.

On motion of Mrs. Blake, this recommendation was approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

LEAVE OF ABSENCE FOR PROFESSORS SHERMAN, PEASE, AND ROBERTSON

(15) A recommendation that the requests of the following professors for sabbatical leave of absence for the year 1924-25 be granted under the rules.

- Professor S. P. Sherman, Department of English
 Professor A. S. Pease, Department of the Classics
 Professor W. S. Robertson, Department of History

On motion of Mrs. Blake, this recommendation was approved.

ASSISTANT AND STOREKEEPER IN ARCHITECTURE

(16) A recommendation that the teaching assistantship in the budget of the Department of Architecture, with a salary of \$1200, be changed to *assistant and storekeeper*, at the same salary.

On motion of Mrs. Blake, this recommendation was approved.

AMENDMENT OF STATUTES

(17) A recommendation that the paragraph of the University Statutes headed "College Faculties," describing their functions and authority, be amended (by adding the words in italics) to read as follows:

"The faculty of each college or school may exercise legislative functions touching any matter appertaining exclusively to the internal work of that college or the progress of students therein. It shall not, however, have authority to take away from any student any University privilege, nor shall it do anything trenching on the executive duties of the dean, *nor shall it take action rendering nugatory any action of the University Senate.* It must be understood that the college organization is only for convenience within university circles, and that no college shall take action not well supported by rule or usage for which the general officers of the University may be called on to answer. All matters of general policy, or matters involving the interests of outside parties, must be determined by general university authority.

On motion of Mrs. Grigsby, this amendment was adopted.

VIEWS OF PROFESSOR J. C. BLAIR ON THE FORESTRY

(18) The following statement:

I desire to call the attention of the Board again to the fact that Professor J. C. Blair, of the Department of Horticulture, thinks that the McKinley Student Hospital should not be located in the forestry.

I wish to say that I do not agree with the proposal that the plan for locating the Hospital in the forestry should be changed. I think this is the place for it.

I ask concurrence in this view.

On motion of Mrs. Blake, the Board voted to concur in the President's view.

BUILDING PLANS

(19) A statement concerning the plans for new buildings.

Professor White presented the following:

Working drawings and specifications for the Dairy Group.

Plot plan for development of 35 acres for Poultry and working drawings and specifications for the buildings.

Working drawings for the roofing of the silo group of the Cattle Feeding Plant.

Studies for the Men's Gymnasium.

Perspective of Library showing revised design of facade and also interior studies for the main rooms.

In connection with the last item, Professor White read the following letter from Mr. C. A. Platt.

October 29, 1923

MY DEAR PROFESSOR WHITE:

I am sending you today the revised design for the Library showing a front without the central feature as shown on the original perspective. I have come to this gradually and now feel that it is the only logical design for this facade. It gives an essentially regular spacing of windows in the main reading room, which is of course the architectural feature of the interior of the building.

Perhaps you will recall that the first design I sent was based on building of a cornice line about four feet higher than the one we now have adopted and I found that when trying to adapt the gable to this low cornice, the central figure became too squat. That is what started me on this scheme, the design of which I am sending you today.

I am sending also blue prints showing the window spacing and its effect on the interior. Also a study for the treatment of the stair-case. I shall have to ask you to return the latter drawing to me because I shall need it in working up the detail. I have no copy of it.

I shall be glad to have at your early convenience the necessary data for me to proceed with the working drawings of this building. I understand that your engineer has been at work on it for some time. You can probably give me the preliminary data on it which will start me off.

Faithfully

CHARLES A. PLATT

COMPTROLLER'S QUARTERLY REPORT

(21) The report of the Comptroller for the quarter year ending September 30, 1923.

October 12, 1923

To the Board of Trustees of the University of Illinois:

I present herewith the Quarterly Report of the Comptroller as of September 30, 1923. The Report includes the following exhibits:

Schedule A—Statement of the Reserve and Contingent Fund

The Reserve and Contingent Fund consists of the estimated budget incomes of the University for the fiscal year ending June 30, 1924, less appropriations made by the Board from this income to September 30, 1923. The unappropriated balance on that date, as shown by the Schedule, was \$283,497.53.

Schedule B—Summary of Receipts and Disbursements

This statement exhibits the receipts and disbursements, for the three months ending September 30, 1923, of funds in the hands of the University Treasurer, and the disbursements from State Appropriations, including building appropriations.

The total cash balance in the hands of the University Treasurer in all funds in his custody on September 30, 1923 was \$758,026.49.

An analysis of the receipts of the Treasurer appears in Schedule C, following:

State appropriations made for the biennium ending June 30, 1923 must have been fully expended by September 30, 1923, or would have lapsed. All operating appropriations were expended prior to June 30, 1923. Building appropriations not fully expended by that date were closed by September 30, 1923.

Schedules D to M inclusive—Statements of appropriations

These statements show the condition of all appropriations made by the Board of Trustees for all purposes for the current fiscal year, including also building appropriations for the current biennium (Schedule M).

Schedule N—Statement of Stores and Revolving Accounts

Schedule O—Statement of Trust Funds

Schedule P—Balance Sheet

This is a summary statement of the balances of all funds, including also the valuation of University property (at cost) and the amount of indebtedness and unpaid balances on property acquired, at September 30, 1923, consisting of:

Bonds on Dental Property, Chicago, due July 1, 1932..... \$60,000
 Unpaid balance on properties in College Place, Champaign, etc..... 66,650

Due 1923-24.....	250

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

November 3, 1923

The November meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 10 o'clock a. m., on Saturday, November 3, 1923.

The following members were present: President Noble, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

GIFT FROM SENATOR WILLIAM B. MCKINLEY

(1) Senator William B. McKinley, of Champaign, authorizes me to say that he will donate to the University one thousand shares of certain stock, yielding at present an annual income of \$7,000, for the endowment of a chair in the economics of transportation, in the field of administration. If the Board of Trustees accepts this gift, it will be asked to agree that the present annual income of this stock, namely \$7,000, shall be maintained by the Board of Trustees as the salary of the chair thus endowed.

On motion of Mrs. Blake, the President of the University was authorized to accept this gift under the conditions outlined.

On motion of Mrs. Evans, the President of the University was requested to express to Senator McKinley the thanks of the Board.

COMMITTEE ON PLANTING

Mrs. Blake, as Chairman of the special committee on horticultural planting, reported for record that the committee met on November 17, 1923, and considered the matter of transplanting trees from College Place and from other parts of the Campus. It was the opinion of the committee that the first plantings should be made on Fourth Street, to complete the avenue. General plans were discussed, and Professor White was asked to draw plans for the planting of the entire south Campus.

On motion of Mr. Blair, President Noble was appointed a member of this committee in place of former President W. L. Abbott.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

COLLEGE OF MEDICINE

(1) A statement concerning the necessity of providing hospital facilities for the College of Medicine.

Action on this matter was deferred (see page 368).

TAXATION OF CARTER LAND

(2) A report that Mr. A. R. Hall, Attorney for Mr. and Mrs. Joseph Carter, had secured the exemption from taxation of the land given to the University to found the Carter-Pennell Trust.

This report was received for record.

REPORT OF REGISTRATION

(3) A report of the Registrar of the enrollment on November 1, 1923, and comparisons with the enrollment on November 1, 1922:

REAPPROPRIATION OF UNEXPENDED BALANCE TO THE DEPARTMENT OF ANIMAL HUSBANDRY

(4) A recommendation that the unused balance of an item of \$5,000 for the purchase of a Percheron stallion (\$1,947.27) be reappropriated to the Department of Animal Husbandry for the purchase of three or four young Percheron mares to add to the horse equipment.

On motion of Mr. Armstrong, this transfer was made.

DIRECTORS OF THE ATHLETIC ASSOCIATION

(5) A recommendation that the following men be reappointed Directors of the University Athletic Association, to serve until the annual meeting in March, 1924: Director George A. Huff, Professor G. A. Goodenough, Professor O. A. Harker, Mr. Harvey J. Sconce, Mr. E. I. Burke.

On motion of Mrs. Evans, this recommendation was approved.

PLANS AND BIDS ON NEW BUILDINGS

(6) A recommendation of the Supervising Architect that plans and specifications for the new buildings (McKinley Hospital, Commerce, Men's Gymnasium, and Library) be issued to the contractors as they are ready, and that bids on single buildings and on the four collectively be asked for early in February, 1924.

Professor White made a statement concerning this matter.
On motion of Mr. Trees, this recommendation was approved.

APPROPRIATION FOR PRINTING PRESIDENT'S REPORT

(7) A request for an appropriation of \$2500 or so much thereof as may be necessary from the Reserve and Contingent Fund for printing the annual report of the President, in an edition of not to exceed 1500 copies.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Small, Mr. Trees; no, none; absent, Mr. Herbert, Mr. Trimble.

At this point, a recess was taken for luncheon which was served at the Executive Mansion. During the luncheon Judge C. H. Jenkins, Director of Public Welfare, was present and the matter of the possibility of finding money to insure the opening next October of the group of Chicago hospitals being constructed by the Department and the University was discussed. Judge Jenkins suggested in the discussion that a committee be appointed to confer as to the minimum needed to open the hospitals.

AFTERNOON SESSION, DECEMBER 3, 1923

The afternoon session of the meeting of December 3, 1923, was held at the Executive Mansion, in Springfield. The following members were present: President Noble, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present, also Professor J. M. White, Supervising Architect, and Dr. John Dill Robertson of Chicago.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board resumed its consideration of matters presented by the President of the University.

COMMITTEE TO ASCERTAIN COST OF OPERATING HOSPITAL

(8) A recommendation that President Noble, Dean Eycleshymer, and Professor H. B. Ward be appointed a committee, as requested by the Director of the Department of Public Welfare, to represent the University in conference with the Director of the Department of Public Welfare to ascertain the probable cost of operating the Chicago cooperative hospitals from October, 1924, until such time as the General Assembly may act in the matter.

On motion of Mr. Blair, this recommendation was approved.

JUILLIARD MUSICAL FOUNDATION SCHOLARSHIPS

(9) The following statement:

The Juilliard Musical Foundation through its Secretary, Doctor Eugene A. Noble, has notified me that the University of Illinois is one of the institutions which has been selected to receive scholarships and fellowships in music under the Foundation. The University has received the sum of \$800 which has been credited to the Juilliard Musical Foundation Scholarship Trust Fund for scholarship aid for the year 1923-24, and has been invited to nominate a recent graduate for the fellowship for graduate study in Music.

Under the authority granted the President of the University by the Board, I have accepted the gift of the Juilliard Foundation and report the same for record.

This report was received for record.
At this point, Mrs. Busey withdrew.

CHICAGO GENERAL ADMINISTRATION BUDGET

(10) A recommendation that \$315 be appropriated from the Reserve and Contingent Fund to the Chicago General Administration Expense and Equipment budget, to cover office and messenger robbery insurance.

On motion of Mr. Blair, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

CARETAKERS' COTTAGES

(12) A recommendation that the cost of construction of cottages for caretakers on the south farm be included in the plans for agricultural buildings and equipment.

On motion of Mrs. Evans, this recommendation was approved.

PURCHASE OF AGRICULTURAL LAND

(13) A recommendation that the matter of purchasing certain land for the College of Agriculture be referred to the Committee on Agriculture and the Finance Committee for investigation and report in conference with the President of the University, the Dean of the College of Agriculture, and the Superintendent of Business Operations.

On motion of Mr. Trees, this recommendation was approved.

MEMORIAL STADIUM FUND

(14) A report from Mr. C. J. Rosebery, Secretary and Collection Manager of the Memorial Stadium Fund:

November 28, 1923

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

I wish to report to date on certain matters and developments in connection with the University of Illinois Memorial Stadium Fund, since my last communication to you on this subject.

The total amount involved in construction and extras outstanding as of October 31st, stood at \$1,662,670.65, as shown by the monthly report of the Business Office on that date. At that time we had made payments in reduction to the amount of \$885,495.03, leaving a balance outstanding of \$777,175.65.

Under date of September 29th, last, the contract was entered into between the Athletic Association and the Luminous Fixture and Supply Company of Chicago, for furnishing and installing lighting fixtures in the Stadium for a consideration of \$8,637.25.

Since October 31st, we have made additional payments to the contractors as follows: English Brothers, \$82,160.91; Walsh and Slattery Company, plumbing, \$5,552.00; Freeman-Sweet Company, electric wiring, \$3,456.00. We have also paid some minor accounts. In order to meet these bills, we found it necessary to borrow about \$30,000.00.

On June 9th, last, the Executive Committee of the Memorial Stadium Fund held a meeting in Champaign and examined into the conditions of collections, contract payments and progress made by the various contractors upon the work at that time. Chairman Scheidenhelm, of the Building Committee, reported that the force of carpenters at work on the job had been largely increased through the efforts of Director Huff, who had sent out scouts and telegrams to various cities over the country in order to obtain the necessary workmen.

There was also a meeting of the Executive Committee of the Stadium Fund, held in Chicago on Thursday, September 13th, at the office of Chairman Robert F. Carr. Director Huff made a report outlining the progress in construction work. The members of the committee discussed matters of finance and ways and means of meeting the construction bills.

The Executive Committee authorized the Chairman and Treasurer to negotiate loans for the purpose of meeting construction bills over and above the amount collected from Stadium subscribers. The Treasurer was given authority to sell certain Stadium fund securities.

A third meeting of the Stadium Executive Committee was held in Champaign on Saturday, November 10th. The Secretary of the Committee reported as to the total collections and disbursements as of October 31st. He also stated that there would be a deficit of about \$30,000.00 in meeting the construction bills for the month of October. There was a discussion as to the methods of financing and speeding up collections. The Committee has placed some 440 accounts of delinquent subscribers who had made no payment whatever on account, in the hands of a Chicago attorney for collection and it was decided to follow this plan in other cities provided it proves to be reasonably successful.

I call to your attention the fact that subscriptions as of October 31st amounted to \$2,034,854.16, and that subscriptions from the Alumni amounted to \$1,027,577.55, and from those persons who subscribed when students amounted to \$1,007,276.61. Within the next sixty days a grand total of \$1,000,000.00, or more of this fund will, in all probability, have been collected. As of October 31st, \$253,973.14 was past due. This amount is large, but you will recall that the Committee has allowed twenty per cent for shrinkage.

On January 1, 1924, the fifth installment will mature. The total of this installment originally stood at more than \$263,000.00 but has been reduced by payments in advance until it now stands at \$213,000.00. With this maturity slightly more than seventy per cent of the total amount subscribed will have become due and payable. We are placing in the mails this week-end notices calling for the payment of the January 1st installment. We are doing this in order to give our subscribers an opportunity to pay in advance of the usual Christmas demands.

There will be another meeting of the Stadium Executive Committee some time in December, I hope.

There is little to be said concerning the construction work. It is cause for congratulations that the contractors, aided by Director Huff and the Building Committee, succeeded in having all of the seats ready for use at the Homecoming game on November 3rd. The contractors are proceeding with a reduced force.

Very sincerely yours,

C. J. ROSEBERY

This report was received for record.

COLOR REPRODUCTIONS OF PORTRAITS

(15) A recommendation that \$600 be appropriated from the Reserve and Contingent fund to provide for the making of color plates of the oil portraits of seven former members of the faculty.

On motion of Mr. Armstrong, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

HORTICULTURAL ARBORETUM

(16) A report of the receipt of a communication from Professor J. C. Blair concerning plans for a horticultural arboretum, which communication has been sent to the special committee on horticultural planting.

This report was received for record.

REIMBURSEMENT OF MCKINLEY HOSPITAL FUND

(17) A recommendation that the McKinley Hospital Fund be reimbursed for expenditures for preliminary architectural studies and that \$4,441.83 be transferred from the Reserve and Contingent Fund to cover this item.

On motion of Mrs. Blake, this recommendation was approved by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

MILITARY AERONAUTICS FUND

(18) A recommendation that the balance in the Fund of the School of Military Aeronautics be appropriated for use in furnishing the McKinley hospital.

On motion of Mrs. Evans, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

PURCHASE OF LOT 25 IN COLLEGE PLACE

(19) A recommendation from the Superintendent of Business Operations that Lot 25 in College Place be purchased from Professor R. S. Bauer, the University to assume the taxes and special lighting assessments, and that \$9,297.03 be appropriated from the Reserve and Contingent fund for this purpose; and that the house be rented to Professor Bauer for \$65 a month until such time as the University has need of the property for other purposes.

On motion of Mr. Armstrong, these recommendations were approved, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

PURCHASE OF LOT 30 IN COLLEGE PLACE

(20) A recommendation that Lot 30 in College Place be purchased from W. F. Woods for \$2,000, the University to assume the taxes now assessed and the unpaid lighting assessments.

This purchase was authorized and the appropriation from the Reserve and Contingent fund was made, by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

PURCHASE OF LOTS IN COLLEGE PLACE

(21) A report from the Comptroller of the conclusion of the purchase of Lots 32, 54, and the south 41.4 feet of Lot 12 in College Place, in accordance with action of the Board of Trustees on October 27, 1923 (page 335).

This report was received for record.

Under our authorized procedure it was the business of the Treasurer to collect these loans. Experience shows, however, that this plan is not practicable under our present organization. Consequently a year or so ago the Comptroller was requested by me to take the matter up, with consent of the Treasurer. Mr. Morey expresses the belief that the plan of having these loans collected by the Business Office is the better one under our present organization, and he has convinced me of the correctness of this view. Therefore, I join with him in recommending that the collection of these loans be hereafter under the authority of the Comptroller of the University.

On motion of Mr. Blair, this recommendation was approved.

ASSIGNMENT OF LAND TO DEPARTMENTS OF THE UNIVERSITY

(23) A recommendation that the following regulation be adopted:

A piece of land which has been assigned by the Board of Trustees to a college or department for a particular use or for a definite period may not be used for any other purpose nor beyond the period designated, without positive reassignment by the Board of Trustees.

On motion of Mr. Blair, this recommendation was adopted.

AUDITOR'S REPORT

The Secretary presented for record the report of the auditing company for the quarter ending September 30, 1923.

¹Greater part of increase over last year due to inclusion of accrued interest in principal of notes renewed.

November 14, 1923

Board of Trustees, University of Illinois

DEAR SIRS:

We have audited the Cash Receipts and Disbursements of the University of Illinois for the quarter ending September 30, 1923, and certify that the Receipts and Disbursements as embodied in the report of the Comptroller for that period are in accordance with the books, and, in our opinion, are correct.

Yours faithfully,

ARTHUR YOUNG & Co.

This report was received for record.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

January 12, 1924

The January meeting of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 9 o'clock a. m. on Saturday, January 12, 1924. The following members were present: President Noble, Mr. Armstrong, Mr. Blair, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of December 3, 1923. On motion of Mr. Trees, the minutes were approved as printed on pages 365 to 374 above.

EXECUTIVE COMMITTEE MEETING, DECEMBER 21, 1923

The Secretary presented for record the minutes of a meeting of the Executive Committee:

A meeting of the Executive Committee was held at one o'clock p. m. on Friday, December 21, 1923, at the Chicago Athletic Club. Dr. W. L. Noble, Chairman, and Mr. M. J. Trees were present.

In consideration of the fact that Senator W. B. McKinley, in donating \$100,000 of stock to endow a professorship of the economics of public utilities, desired the endowment to become effective as of January 1, 1924, the President and the Secretary of the Board were authorized to sign a release of the interest payment due December 31, 1923, in case the stock should have been transferred on the books of the company before that date.

An expense account of the President of the University for \$50.14, for October 14-16, 1923, was approved for payment.

H. E. CUNNINGHAM, *Clerk*

W. L. NOBLE, *Chairman*
M. J. TREES

These minutes were received for record.

Mr. Blair offered a motion that it is the opinion of the Board that in the future all actions of the Executive Committee should be referred to the Board for approval.

Mr. Blair's motion was lost by a tie vote.

On motion of Mr. Trees, the President of the University was directed to get the opinion of the Legal Counsel on this matter.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

THE HONORABLE WILLIAM B. MCKINLEY'S ENDOWMENT OF PROFESSORSHIP

(1) A report of the acceptance of the gift of Senator McKinley to endow a chair of the Economics of Public Utilities, this making the field of endowment somewhat broader than originally intimated, altho including the field at first suggested (see minutes November 3, 1923, page 356). Accordingly Mr. McKinley through his attorney has sent me the following Deed of Gift:

THIS INDENTURE, made this 11th day of December, A. D. 1923, between William B. McKinley of Champaign, Illinois, hereinafter called the "Donor," and the Board of Trustees of the University of Illinois, a corporation, hereinafter called the "Board."

WITNESSETH: The Donor is greatly interested in the "Economics of Public Utilities," and holds high regard for the University of Illinois as an educational institution, and desires to make provision for special instruction in that subject at the University of Illinois.

Pursuant to negotiations between the Donor and the Board, agreement has been reached between said parties for carrying into effect the desires of the Donor, upon and according to plans, terms, and conditions, in this agreement contained and set forth.

NOW, THEREFORE,

1. In consideration of the premises above and herein recited, the said William B. McKinley (Donor), for the purpose of endowing a chair and professorship in the field of "The Economics of Public Utilities" in the University of Illinois, does hereby give, grant, and deliver to the Board of Trustees of the University of Illinois (Board), the following securities of the par amount of One Hundred Thousand (\$100,000) Dollars, now yielding an annual income of Seven Thousand (\$7000) Dollars, payable quarterly, namely:

One Thousand (1000) shares of seven percent (7%) cumulative dividend preferred capital stock of Illinois Power and Light Corporation, a corporation organized and existing under and by virtue of the laws of the State of Illinois, to be evidenced by certificates of stock issued by said corporation, which said certificates are to be issued pursuant to the assignment of present outstanding certificates for One Hundred Thousand (\$100,000) Dollars par amount of said preferred stock, which the Donor hereby agrees to cause to be assigned for reissuance to the said Board of Trustees.

It is agreed that when the said certificate, or certificates, for said One Hundred Thousand (\$100,000) Dollars par amount of said preferred capital stock are issued to and in the name of said Board of Trustees of the University of Illinois, the said certificates shall be forthwith deposited with the Trevett-Mattis Banking Company of Champaign, Illinois, and by said bank held in escrow as custodian thereof for the period of ten (10) years from this date, and at the end of said ten year period, the said certificates shall be by said Trevett-Mattis Banking Company delivered to the Board.

2. In consideration of the gift above described, the Board shall create and establish for the purpose of teaching the subject of "Economics of Public Utilities" in the University of Illinois, a chair to be occupied and held by a Professor (or Professor and assistant) employed by the Board, and the income from said gift shall be used for the purpose of paying the salary of the Professor (or Professor and assistant) who shall be appointed or employed by said Board to occupy said chair and professorship so created.

3. It is stipulated that the Board shall, if possible, keep the income from said gift at Seven Thousand Dollars (\$7,000) per annum, to be used in paying the salary (or salaries) aforesaid.

4. In the event any of said preferred stock shall be redeemed or retired, the Board shall reinvest all moneys realized therefrom in other good interest bearing securities. If such retirement or redemption shall occur within said ten year period the securities purchased with the moneys realized from such redemption or retirement shall be likewise deposited with the Trevett-Mattis Banking Company in escrow for the remainder of said ten year period.

5. No part of the principal of said gift or any reinvestment thereof, but only the income derived therefrom, shall be expended by the Board.

6. It is understood that the control of said gift and its income shall remain permanently with the Board of Trustees of the University of Illinois, or its successors (except only the physical possession of said securities while held in escrow with said Trevett-Mattis Banking Company), regardless of any legislative act concerning the deposit of any money or property of the University of Illinois either in the State Treasury or elsewhere.

7. If at any time the salary of the Professor and/or assistant shall be less than the annual income from said gift, the balance shall accumulate as a fund for the future support of said chair and professorship.

8. If at any time the said chair and/or professorship shall be discontinued or changed from its original purpose, the principal and any subsequently accruing income thereon, and the securities evidencing the same shall revert to the Donor, if living; or if such discontinuance or change shall occur after the Donor's death, then all right, title, and interest in said gift, principal, and income, shall immediately revert to the heirs or legatees of the Donor.

IN WITNESS WHEREOF, the Donor has hereunto affixed his signature and attached his seal, and the Board of Trustees of the University of Illinois, by its duly authorized President, has affixed its signature hereto, and caused its corporate seal to be hereon impressed, attested by its Secretary this 11th day of December, A. D. 1923.

BOARD OF TRUSTEES OF THE UNIVERSITY
OF ILLINOIS

Attest:

H. E. CUNNINGHAM

Secretary of said Board of Trustees

By W. L. NOBLE

Its President

According to one of the conditions of the gift the securities must remain for a time in escrow with the Trevett-Mattis Banking Company. I received from that Company through its President, Ross R. Mattis, the following receipt, the original of which is in the custody of the Secretary:

CHAMPAIGN, ILLINOIS
Dec. 22, A. D. 1923

Receipt of the following documents is hereby acknowledged:

A: Deed of Gift and Agreement between William B. McKinley and the Board of Trustees of the University of Illinois dated Dec. 11, 1923.

B: Certificate X CU 46 issued to the Board of Trustees of the University of Illinois for 1000 shares, 7% cumulative preferred stock of Illinois Power & Light Corporation.

The above to be held by the undersigned in escrow as custodian according to the terms of said deed of gift and agreement above mentioned.

TREVETT-MATTIS BANKING COMPANY
By ROSS R. MATTIS

President

In explanation of the action taken by the Executive Committee at my request as is reported above (page 376), I would say that the late date at which the transfer of these securities took place made it probable that the dividend check for the past three months would be made out to the University, whereas it was Mr. McKinley's intention to have the income from these securities accrue to the University beginning January 1, 1924, and not earlier. Accordingly, your Executive Committee made an assignment to Mr. McKinley's attorney of the last quarterly dividend to be paid to him when received by the University.

On motion of Mrs. Evans the Board voted to confirm President Kinley's action in accepting this gift under the conditions named, and adopted the following resolution of appreciation and thanks to be sent to Honorable William B. McKinley:

BE IT RESOLVED, by the Board of Trustees of the University of Illinois assembled in regular session, that the Board desires to express its thanks and deep appreciation of the generosity of Honorable William B. McKinley, of Champaign, in adding to his already numerous and important gifts to the University a donation of securities of the face value of \$100,000 for the endowment of a Professorship in the Economics of Public Utilities, as set forth in his Deed of Gift. The Board of Trustees takes the occasion to recall the warm support which Mr. McKinley has at all times given the University, before he was a member of the Board of Trustees, during his membership, and since; also recalls with appreciation the generous gifts with which he has enriched the University in the past. The McKinley Student Loan Fund, the McKinley Student Hospital, for which he recently increased his gift from the original amount of \$90,000 to \$150,000, and now, we are informed, promises to increase it to the sum of \$205,000, are, up to now, among his notable additions to the resources of the University. Besides these the student body owes to him in large measure the original Young Men's Christian Association building and the present Young Women's Christian Association building, which, while not gifts to the University, have added largely to the facilities of student life. Moreover, his memorial church, which is a student church, is also an important

factor in the life of the University students. Besides these Mr. McKinley has in many other ways made contributions which have added to the University's welfare indirectly. His generosity and his farsightedness in these matters have meant much to the University. We take great pleasure in calling the attention of the alumni, faculty, and students to Mr. McKinley's gifts, and again express our own warm appreciation and thanks for them. And

BE IT FURTHER RESOLVED that the President of the University be directed to send a copy of this Resolution to Mr. McKinley.

ADDITIONAL GIFT FOR THE MCKINLEY STUDENT HOSPITAL

(2) A report of the receipt of assurance from Senator William B. McKinley that he will add to his previous gift of \$150,000 for a student Hospital the sum of \$55,000 additional, making a total of \$205,000, provided the whole sum of \$205,000 be used by the University in construction of the Hospital and none of it used for architect's fees, drawings, and specifications.

I recommend that this additional generous offer of Mr. McKinley's be accepted under the conditions named, and that the University pay out of its general fund the expenses connected with preparation of plans, specifications, and architectural supervision of the McKinley Student Hospital.

On motion of Mr. Blair, these recommendations were adopted.

ENDOWMENT OF PLYM TRAVELING FELLOWSHIPS AND PRIZES IN ARCHITECTURE AND ARCHITECTURAL ENGINEERING

(3) A report of the donation by Mr. Francis J. Plym, of the Class of 1897, a resident of Niles, Michigan, of three hundred thirty-five shares of certain stock, for which two certificates of irrevocable stock power have been received, the income of which is to be disbursed in creating certain traveling fellowships and certain prizes in accordance with the terms of the Deed of Gift which follows:

NILES, MICHIGAN
December 20, 1923

Board of Trustees, University of Illinois, Urbana, Illinois

GENTLEMEN:

As further evidence of my loyalty and interest in the University of Illinois, I expect to tender three hundred and thirty-five shares of Southern Pacific Railway common stock to perpetuate the Francis J. Plym Fellowships and prizes. The irrevocable stock power for two hundred shares is herewith enclosed and this amount of stock is at present tendered. An additional tender for one hundred and thirty-five shares together with irrevocable stock power I hope to make shortly after the close of this year.

I desire that the equity hereby tendered shall be held in trust by the Board of Trustees, the earnings therefrom to be disbursed in the interest of the Architectural Department of the University as follows:

- (1) In creating an annual European Architectural Traveling Scholarship.
- (2) In creating an annual European Architectural Engineering Traveling Scholarship.
- (3) In creating annual prizes in the Department of Architecture, same to be available for both the Architectural Engineers and Architects.

The earnings from this fund yield at the present time \$2,010.00 a year. On this basis I desire that \$1,200.00 be allotted to the Architectural Scholarship for one year abroad and \$700.00 be allotted to the Architectural Engineers' Scholarship for six months abroad. The balance is to be used for local prize competitions in the Department of Architecture.

I am mindful that conditions may change in future years and in the opinion of the Board of Trustees it may seem desirable to change the form of this investment. If the Board of Trustees so agrees, they have my permission to sell the above Southern Pacific stock and reinvest the proceeds in other safe securities, which by their nature may seem more suitable for the purpose intended and hold the new securities for the objects as above set forth.

It is understood that the control of said gift and its income shall remain permanently with the Board of Trustees of the University of Illinois, or its successors, regardless of any legislative act concerning the deposit of any money or property of the University of Illinois either in the State Treasury or elsewhere.

The fellowships and prizes may be awarded through suitable boards or committees as your Board may deem wise and authorize.

I would also recommend that the fellows be given suitable diplomas or certificates showing that the work abroad was completed to the satisfaction of the Department of Architecture and approved by the committee of award.

My affection for the University prompts me to assist these students in such measure as I can to partially repay for the many advantages which I enjoyed as a student. That these fellows will in return reflect honor upon their Alma Mater I feel confident, in addition to the greater service which they will render by influencing the architecture of the country, by building more artistic and safer structures. Thereby in so doing they will also add much to the comforts and happiness of future generations.

Very truly yours,

FRANCIS J. PLYM

The original of this deed of gift has been given into the keeping of the Secretary of the Board.

A second letter from Mr. Plym follows:

NILES, MICHIGAN
January 7, 1924

DEAR PRESIDENT KINLEY:—

I am hereby tendering an additional one hundred and thirty-five (135) shares of Southern Pacific Railway common stock, together with Irrevocable Stock Power, making in all three hundred and thirty-five (335) shares, as per my Deed of Gift of December 20th, 1923.

I am also enclosing the original of a letter addressed to the Continental & Commercial National Bank, a carbon copy of which I am sending them regarding this tender.

Very truly yours,

F. J. PLYM

The transfer of two blocks of stock, of two hundred (200) shares and one hundred and thirty-five (135) shares respectively, is made by the following certificates of irrevocable stock power, the originals of which certificates have been given into the custody of the Secretary of the Board.

I recommend that the gift of Mr. Plym be accepted on the terms given in the Deed of Gift.

On motion of Mrs. Grigsby, the Board voted unanimously to accept this gift from Mr. Plym on the terms stated in the Deed of Gift, and also to adopt the following resolution:

RESOLUTION

In accepting the generous gift of Mr. Francis J. Plym of the Class of 1897, above referred to, the Board does hereby express its warm appreciation of the generosity of Mr. Plym and thanks him for his gift. The Board of Trustees takes the occasion to thank Mr. Plym for the contribution which he has made through a series of years from year to year for the maintenance of the Plym Traveling Fellowship in Architecture, which he has now endowed. Interest in the study of Architecture among our students has been greatly stimulated by this fellowship.

ENDOWMENT FOR PRIZE ESSAYS ON THRIFT

(4) In accordance with the action of the Board of Trustees on January 17, 1923, authorizing me to accept gifts, etc., subject to the Regulations of the Board, I report the gift of the sum of \$1281.16 from the Committee on War Saving Stamps Sales for Illinois, through Dr. Shailer Mathews, as per his letter below, the income of which it to be used as a prize for essays in the general field of thrift. The principal is the balance of a fund subscribed by a number of patriotic people during the late War to supplement the appropriations made by the Government for War Savings Stamps Sales Campaigns. It seemed to the Committee that this prize might be established at the University of Illinois because the money was given by different people over the State.

[January 12,

I recommend that this prize be administered by the Head of the Department of Economics subject to the general University policies and the direction of the President.

Dr. Mathews' letter and my reply are as follows:

President David Kinley, University of Illinois,

November 16, 1923

MY DEAR PRESIDENT KINLEY:

During the campaign for War-Saving Sales, a number of patriotic people subscribed considerable sums to supplement the appropriations made by the government. As it turned out, not all of the amount was necessary but it was relatively so small that it was quite impractical to divide it or redistribute it among its contributors.

In thinking what to do with this amount, which is now approximately thirteen hundred dollars, we have wondered whether its income might be used as a prize for essays in the general field of thrift.

This prize could be awarded either annually or less frequently. It seems further that this prize might be established at the University of Illinois, as the money was given by different persons over the state.

I am writing this in behalf of Mr. Martin A. Ryerson, former Director of War Savings for Illinois, to know if you would be ready to accept in behalf of the University this sum for the general purpose indicated, subject to such regulations as your Department of Economics might suggest.

Very truly yours

Dean Shailer Mathews, University of Chicago, Chicago

DEAR DEAN MATHEWS:

Please accept my apologies for the delay in answering your letter of the 16th. My absence with one of my family in a hospital in another city is the cause.

Please accept my thanks extended to you and Mr. Ryerson for the University for the generous offer which you make us of the War-Savings Stamps Sales Fund. I have consulted Professor Bogart, head of the department of economics, and Dean Thompson, Dean of the College of Commerce, on the matter, and they are both of the opinion that the income from the fund could be used to good advantage in stimulating student interest in the subject of thrift, and the department of economics is willing to administer the fund under the general regulations of the University.

I am authorized by the Board to accept such gift, subject to the rules; the only one of which is of particular interest in connection with the matter is that of which I enclose a copy, concerning a minimum limitation upon the value of gifts. This limitation was made necessary because of frequent offers of gifts so small that the cost of administering them would be greater than their income; the rule affecting this gift only if some gift for a similar purpose were made in later years, so that they could possibly be consolidated. In the case of consolidation the name of this gift would be conserved.

Again thanking you and Mr. Ryerson for your courtesy in the matter, I am

MY DEAR PRESIDENT KINLEY:

Enclosed please find check for \$1,281.16. Referring to your letter of November 26 I would say that the conditions emphasized will be satisfactory and this money

is given to the University subject to them. In general I am sure Mr. Ryerson would desire that the University should make its own regulations regarding the prize, making it either annual or less frequent, if a larger sum is desired. My experience in prizes would lead me to feel that a biennial prize of \$100 is worth more than two annual prizes of \$50.

Any topic within the general field of thrift would meet our desires.

Trusting that this prize may be of some real help in the development of the proper attitude toward the future, I am

DEAR DEAN MATHEWS:

This is to acknowledge the receipt of your letter of January 8 and the draft for the amount of \$1281.16, the income of which is to be used for prizes for essays on thrift. I shall present the matter to our Board of Trustees at the next meeting.

Meantime, I wish to thank you and through you your Committee very warmly for this fine public spirited action. I appreciate, also, your advice on the comparative worth of biennial and annual prizes which might be offered.

With best wishes, I am

PROPOSED GIFT OF THE CLASS OF 1918

(5) The following letter from the secretary of the Class of 1918:

URBANA, ILLINOIS, January 7, 1924

To the Board of Trustees of the University of Illinois

LADIES AND GENTLEMEN:

The class of 1918 at its Fifth Reunion last June voted to expend a certain sum of money from the class treasury for a two-fold purpose—(1) to further the project of a nursery for campus planting, and (2) to commemorate our affection for President James by planting and naming an avenue of elms in his honor.

This second purpose, we understand, must await the future development of the campus and the will of future Boards of Trustees. All we ask for the present is that the Board accept what small sums of money the class may contribute now and at future reunions, and that they turn this money over to the authorities in charge of the nursery, with instructions to expend it for young elm trees to be cared for in the nursery and transplanted to the campus at the discretion of said authorities or of the Board.

Please notify me of your action at the following address: 817 North Pine Street, Lansing, Michigan.

Yours very truly,
CATHERINE NEEDHAM SEVERANCE
Permanent Secretary, Class of 1918

I recommend that the gift be accepted for the purpose named.

On motion of Mr. Blair, this recommendation was approved.

LABORATORY FEE IN GEOLOGY 44

AMENDMENT TO LAYNE-BOWLER CONTRACT FOR WELL

(7) A recommendation of the Supervising Architect that the contract with the Layne-Bowler Chicago Company be amended as follows:

AMENDMENT

Amendment to Contract by and between LAYNE-BOWLER CHICAGO COMPANY and the BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, Urbana, Illinois, which was made and entered into on the 14th day of June, 1923.

First—that this Contract be so amended that in place of “a well” or “one well,” that same shall read, “two wells,” and in place of “the well” that same shall read, “these wells,” and in place of “a pump” or “one pump and motor,” shall read “two pumps and motor,” and further that the guarantee of Five Hundred (500) gallons per minute shall apply to the combined capacity of the two (2) wells. The Contractor hereby accepts the location for test hole for this second well selected by the Engineers of the University at the East end of the same block of land, being a little less than three hundred (300) feet from the first well finished under this Agreement.

Second—that Clause 4, wherein is specified the 24” casing shall be concreted outside its full height, be waived, and the Contractor shall not be required to cement around the 24” casing.

Third—it is further agreed by both parties that there shall be no deduction made on account of the water produced, for the One Thousand and no/100 Dollars (\$1,000.00) specified under “CLAUSE B—PURCHASER AGREES.”

CARETAKER'S COTTAGE FOR AGRONOMY

(8) A statement from Dean Mumford concerning the building of a caretaker's cottage for the Department of Agronomy.

No action was taken in this matter.

WALCOTT-MITCHELL PROPERTY

(9) Concerning the purchase of and payment for the property (Lot 20 of Forestry Heights Addition to the City of Urbana) for which your Board made an appropriation of \$13,605, July 11, 1923 (See Minutes, page 234), I recommend as follows:

1. That the following contract of purchase be approved and entered into by the Board.

THIS AGREEMENT, Made and entered into this 7th day of January, in the year 1924, by and between W. W. Mitchell, of the County of Montgomery and State of Illinois, first party, and the Board of Trustees of the University of Illinois, second party:

WITNESSETH, That the said first party hereby sells to the second party the following described real estate, to wit:

Lot 20 of Forestry Heights Addition to the City of Urbana, situated in the County of Champaign and State of Illinois, for the sum of Thirteen Thousand Six Hundred and Five Dollars (\$13,605.00).

The said first party hereby covenants and agrees to convey the said premises to the said second party by a good and sufficient warranty deed, executed by the first party, which shall be delivered to the second party upon payment being made as provided herein.

The first party agrees to furnish to the second party a complete merchantable abstract of title to said premises, brought down to the date of said deed, showing a merchantable title to the said premises, free and clear of any and all encumbrances, in the person making said deed. The taxes of said premises for the year 1923 are to be paid by the second party.

On its part, the second party agrees to pay the said sum of Thirteen Thousand, Six Hundred and Five Dollars (\$13,605.00) in the following manner, to wit: \$13,605.00 less \$3708.00 due on contract between C. W. Mitchell dated January 5, 1920.

It is mutually agreed by and between the parties hereto that the covenants and agreements herein contained shall extend to and be obligatory upon the heirs, executors, administrators, and assigns of the first party and the successor of the second party.

IN WITNESS WHEREOF, The first party has hereunto set his hand and seal, and the second party the signature of its authorized officer and its corporate seal. This agreement is in *DUPLICATE*, and entered into on the day and year first above written.

2. That the following agreement cancelling agreement entered into with W. W. Mitchell by the University through the Comptroller and Superintendent of Business Operations under date of November 3, 1923, set forth below in letter of that date from W. W. Mitchell be approved and entered into by the Board.

IT IS HEREBY MUTUALLY AGREED by and between W. W. Mitchell of the County of Montgomery and State of Illinois, and the Board of Trustees of the University of Illinois, Urbana, Illinois, hereinafter called the University, that upon payment by the University of the rent due under an agreement, the terms of which are stated in a letter dated November 3, 1923, from W. W. Mitchell to James M. White, copy of which is attached hereto, marked Exhibit "A" and forming a part of this agreement, to the date of the acceptance by the University of an assignment by W. W. Mitchell of the sale contract dated January 5, 1920, which the said W. W. Mitchell holds from C. W. Walcott for the purchase of Lot twenty (20) in Forestry Heights Addition to Urbana, Illinois, situated in the County of Champaign and State of Illinois, and also known as 1117 Nevada Street, Urbana, Illinois, that upon the said date of acceptance of the assignment of said sale contract, the lease agreement hereto attached and marked Exhibit "A" shall be terminated.

November 3, 1923

DEAR SIR:

This letter is to confirm our telephone conversation of November 3, 1923, in which I agreed to lease to the University of Illinois the following described premises:

Lot Twenty (20) in Forestry Heights Addition to Urbana, Illinois, situated in the County of Champaign and State of Illinois, and also known as 1117 Nevada Street, Urbana, Illinois,

for the sum of Seventy (\$70.00) Dollars per month.

It is further understood and agreed that I am to receive as rent any money which you are able to secure as monthly rent for the premises over and above the \$70.00 above mentioned.

It is further understood and agreed that I secured possession of said premises on the 5th day of February A. D. 1920 by virtue of a contract for a deed entered into between myself and C. W. Walcott on the 5th day of January A. D. 1920, which contract was filed for record the 26th day of August 1920, in Book 160 of the Deed Records of Champaign County, Illinois, on page 379, and which contract matures and terminates February 5, 1925.

It is further understood and agreed that this lease is to continue until the consummation of a contract between myself and the University of Illinois, and until the University of Illinois receives a warranty deed to the premises above mentioned from C. W. Walcott of Roseburg, Oregon, who now holds the legal title to the premises above described.

It is further understood and agreed that I am to continue the insurance upon the premises above described until the property herein mentioned is transferred by warranty deed from C. W. Walcott to the University of Illinois.

Very respectfully,

W. W. MITCHELL
Panama, Illinois

On motion of Mr. Blair, this recommendation was approved.

3. That the Comptroller and Secretary of the Board be authorized and directed to sign the above two agreements.

On motion of Mr. Blair, this recommendation was approved.

4. That the Comptroller, under advice of the Legal Counsel of the University, be directed to make from the appropriation already made the payments called for in and by these agreements, in view of these agreements and in view of the fact that the Contract of Sale from Charles W. Walcott to W. W. Mitchell for this property has been assigned to the Board of Trustees, and in view of the additional fact that W. W. Mitchell has submitted proof that he has duly made the payments to Charles W. Walcott as required by his Contract of Sale.

On motion of Mr. Blair this recommendation was approved.

DAIRY SHOW IN ENGLAND

(10) A letter from Dean H. W. Mumford concerning sending a member of the staff to England with the Illinois stock judging teams from Whiteside county, winners of the State and National contests last year.

On motion of Mr. Trees, it was voted that such action seemed inadvisable.

FUNDS FOR RADIO BROADCASTING

(11) A recommendation that \$400 be assigned from the Reserve and Contingent Fund for additional equipment and operation for the radio broadcasting station for the year ending June 30, 1924.

On motion of Mr. Trees, this recommendation was approved, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Blake, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

STATEMENT OF INTENTION OF JOSEPH CARTER AND JANE P. CARTER, CREATORS OF THE CARTER-PENNELL TRUST

(12) The following statement of intention of Honorable Joseph Carter and his wife, Jane P. Carter, relating to the interpretation of clause 9 of the Declaration of Trust made by them to the Board of Trustees of the University of Illinois and accepted by the Board of Trustees (see minutes, March 13, 1923, page 149) has been sent me by our Legal Counsel, Judge O. A. Harker.

STATEMENT OF INTENTION OF CREATORS OF A TRUST

1. *WHEREAS*, the undersigned Joseph Carter and Jane P. Carter, on March 12, A. D. 1923, by a good and sufficient Deed of Trust, created the Carter-Pennell Trust, a Public Trust for educational purposes, by conveying approximately 350 acres of Vermilion County, Illinois, real estate, described in said Deed, to the Board of Trustees of the University of Illinois, and to their successors in office, which said Trust was duly accepted by said Trustees on March 13th, 1923, all as shown by said Deed, duly recorded on March 14th, 1923, in Volume 324, on pages 101 to 106, of the Deed Records of Vermilion County, Illinois; and

2. *WHEREAS*, said Grantors of said Trust Estate made said conveyance of their said lands in their own lifetime so that they might personally direct and watch over the creation and operation of said Carter-Pennell Trust and cooperate with said Trustees in working out plans for the successful and practical operation of said Trust; and

3. *WHEREAS*, in Clause Nine (9) of the Declarations of Trust, in said Deed of Trust, the expenses to be paid out of the gross earnings of said Trust Estate were limited for any 10-year period to an amount in the aggregate equal to approximately 10 per centum of such gross earnings each year; and

4. *WHEREAS*, said Trustees, in planning and operation of said Trust, have suggested that said 10% limitation may possibly, for some such period, by reason of the expense incurred in the upkeep of buildings, fences, and soil fertility, or because of fire or flood or other unusual damages or unforeseen conditions, prove to be too small, therefore,

5. *WITNESSETH*: That said Joseph Carter and Jane P. Carter, Grantors and Creators of said Carter-Pennell Trust, do hereby expressly state that if it should ever become necessary, in order to replace or keep up buildings on said Trust Estate, or to preserve said Trust Estate, to expend a greater percentage of the gross earnings of said Trust Farms than said 10 per centum provided for in said Deed of Trust, it will meet with our full approval and be within the spirit of our original wishes in creating said Trust, to allow said Trustees, if such action becomes necessary, to increase the amount of such expenditures for such purposes from said 10 per centum even up to 25 per centum of such gross earnings, and that a liberal construction of said Deed of Trust would, in our judgment, justify said Trustees in making any reasonable and necessary expenditure, out of said gross earning, for the purpose of preserving and protecting said Trust Estate, even though the expense might for a short time exceed the limitations specified in said Deed of Trust.

6. We further state that it was not our intention, in fixing said 10% limitation, to handicap said Trustees in the handling of said Trust Estate nor unduly to restrict their judgment in carrying out the main purposes of this Trust, but we intended to provide adequate means for administering said Trust, and we believe that a liberal construction of said Trust Agreement will show that the Board of Trustees of the University of Illinois, and their successors in office, have been granted, either expressly or by necessary implications, whatever powers are now necessary to be exercised, or which may, by reason of unforeseen causes or casualty become necessary to be exercised hereafter, to preserve and protect said Trust Estate for the uses and purposes for which it was created; and that such powers would authorize and justify said Trustees, in case of fire or other casualty or un-

looked for causes, to expend such amounts out of the gross earnings of said Trust Estate, as might be required for the purpose of the preservation of said Trust Estate.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this 1st day of December, A. D. 1923.

JOSEPH CARTER [Seal]

Witness: HENRY W. CAPEN

JANE L. CARTER [Seal]

STATE OF ILLINOIS }
McLEAN COUNTY } SS.

I, Henry W. Capen, a Notary Public in and for said County, in the State of aforesaid, do hereby certify that Joseph Carter and Jane P. Carter, husband and wife, jointly and severally, and each as spouse of the other, personally known to me to be the same persons whose names are subscribed to the foregoing Instrument, appeared before me this day in person and acknowledged that they signed, sealed, and delivered the said Instrument as their free and voluntary act, for the uses and purposes herein set forth.

Given under my hand and official seal this 1st day of December, A. D. 1923.

HENRY W. CAPEN

Notary Public

Our Legal Counsel advises me that the following resolution should be adopted by your Board with reference to this matter. The resolution is prepared by him.

On motion of Mr. Armstrong, the following resolution was adopted:

The BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS hereby formally receives, accepts, and approves the attached and foregoing Statement of the Intention of Joseph Carter and Jane P. Carter, Creators and Donors of the Carter-Pennell Trust for educational purposes, a Trust heretofore accepted by said BOARD OF TRUSTEES, and in witness thereof, causes the name of said BOARD OF TRUSTEES to be affixed thereto by the President of said BOARD, and to be attested by the Secretary of said BOARD OF TRUSTEES, under its corporate Seal.

PARKING REGULATIONS ON GREEN STREET

(13) A statement concerning negotiations with the City of Urbana to regulate parking on Green street between Mathews avenue and Wright street.

On motion of Mrs. Evans, the President of the University was authorized to enter into an arrangement to cooperate with the City of Urbana to enforce parking regulations on this part of Green street, without prejudice to the interests of the University in that part of the campus which is now used as Green street.

MOVING MEDICAL EQUIPMENT AND LIBRARY

(14) A recommendation that an appropriation of \$2500, or as much thereof as may be necessary, be made from the Reserve and Contingent Fund to meet the expense of moving equipment, library, etc. into our new medical laboratory and library building.

On motion of Mrs. Grigsby, this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Blake, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

**APPROPRIATION FOR EXPENSES OF MOVING INTO
NEW AGRICULTURAL BUILDING**

(15) A recommendation that the sum of \$2500 or so much thereof as may be necessary be appropriated from the Reserve and Contingent Fund to meet the expense of installing telephones and buzzers, and for other expenses incidental to the moving of the several offices assigned to the new Agricultural Building.

On motion of Mr. Blair, this recommendation was approved, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Blake, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

SENDING "AGRICULTURIST" TO HIGH SCHOOLS

(16) A recommendation that Dean Mumford, of the College of Agriculture, be authorized to send a copy of *THE AGRICULTURIST*, the publication of the students of the College of Agriculture, to each high school of the State; the expense (estimated at \$600) to be charged to College Extension.

On motion of Mr. Blair, this recommendation was approved.

APPROPRIATION FOR DEDICATION OF BUILDINGS

(17) A recommendation that the sum of \$1200, or so much thereof as may be necessary, be appropriated, from the Reserve and Contingent Fund, for the expenses of dedication of the new agricultural and medical buildings.

On motion of Mrs. Evans, this recommendation was adopted, and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mr. Blair, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Blake, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

AGRICULTURAL MEMORIAL

(18) There has been some discussion among agricultural people including the officers of the Illinois Farmers' Institute concerning an Agricultural Memorial to take the place of the Farmers' Hall of Fame. The following outline of a plan for the Memorial has been suggested:

I. LOCATION

The Agricultural Memorial shall be located in one of the buildings occupied by the College of Agriculture in a room or hall suitable for displaying portraits, and in which they will receive proper care. This room or hall should be easily accessible to visitors.

II. OBJECTS

- a. To honor recognized agricultural leaders.
- b. To collect and preserve valuable historical material bearing on the development of agriculture.
- c. To preserve, by portraits, the faces of men who have by conspicuous achievement rendered valuable public service to agriculture.
- d. To inspire grateful veneration for those who have contributed most to agricultural advancement.
- e. To instill in students a desire to excel in some particular line of agriculture.

III. NOMINATIONS

- a. Nominations for the Agricultural Memorial shall be made by a commission of nine men. (See V.) Final approval of the recommendations of the commission for the induction of subjects into the Agricultural Memorial shall

rest with the Board of Trustees of the University of Illinois, and this approval must be obtained before an effort is made by the commission to secure portraits.

b. After the approval of the Board of Trustees has been granted it shall be the duty of the commission to secure the portraits for the University from the family or friends of the persons selected.

IV. INDUCTION INTO THE MEMORIAL

Induction into the Agricultural Memorial shall not be during the life of the person so honored.

V. PERSONNEL OF THE COMMISSION

a. Selection

The President of the University of Illinois, the Dean of the College of Agriculture, and the President of the Illinois Farmers' Institute shall be *ex-officio* members of the Commission. The remaining six members of the first commission shall be nominated by the *ex-officio* members of the commission. Final approval of the personnel of the commission shall rest with the Board of Trustees of the University of Illinois.

b. Term of Service

The term of service of the commission shall be indefinite.

c. Vacancies on the Commission

Nomination for vacancies on the commission shall be made by the remaining members of the commission and shall be subject to the approval of the Board of Trustees.

Mr. Ralph Allen, President of the Illinois Farmers' Institute, Dean H. W. Mumford, and I had a conference on this whole matter, and the plan here outlined meets the approval of us all. I recommend that the Board of Trustees adopt the above plan, and that the present portraits in the Farmers' Hall of Fame be transferred to the Agricultural Memorial when the latter has been established. I further recommend that the following gentlemen be requested to serve on the commission, whose duty it will be to make nominations for the Agricultural Memorial and to secure the portraits for the University:

Hon. HENRY M. DUNLAP, <i>Savoy</i>	Hon. A. H. SANDERS, <i>Chicago</i>
Hon. A. N. ABBOTT, <i>Morrison</i>	Hon. O. W. HOIT, <i>Geneseo</i>
Hon. J. R. FULKERSON, <i>Jerseyville</i>	Hon. C. C. PERVIER, <i>Sheffield</i>

On motion of Mr. Armstrong, this matter was referred to the Committee on Agriculture, for consideration and report at the next meeting of the Board.

PERMISSION FOR MISS ELIZABETH BRYAN TO BE ABSENT

(19) A recommendation that Miss Elizabeth Bryan, Loan Assistant in the University Library, be permitted to be absent without pay for three months from February 1, 1924, to permit her to take a trip abroad.

On motion of Mrs. Grigsby, this recommendation was adopted.

PERMISSION FOR MISS ANNA C. GLOVER TO BE ABSENT

(20) A recommendation that Miss Anna C. Glover, Secretary of the Agricultural Experiment Station, be permitted to be absent (with pay) from November 26 to December 31, 1923, because of illness.

On motion of Mrs. Grigsby, this recommendation was adopted.

PERMISSION FOR ASSOCIATE PROFESSOR A. W. NOLAN TO BE ABSENT

(21) A recommendation that Associate Professor A. W. Nolan be absent during the month of January, 1924, because of his own condition of health, and in order that he may spend the time with Mrs. Nolan who has been ordered by her physician to spend the winter in Florida.

On motion of Mrs. Evans, this recommendation was approved.

LEAVE OF ABSENCE FOR ASSISTANT PROFESOR W. F. SCHULZ

(22) A recommendation that Assistant Professor W. F. Schulz be granted a leave of absence on half pay for the academic year beginning September, 1924, under the University rule as to leave of absence.

On motion of Mrs. Evans, this recommendation was approved.

REPORT FROM THE COMPTROLLER ON THE PURCHASE OF LOTS

(23) Under date of December 27 the Comptroller reports that in accordance with the action of the Board of Trustees on December 3, 1923, he has completed the purchase of Lot 30 in College Place from W. F. Woods for \$2000, subject to regular taxes for the year and unpaid lighting assessments, and also that he has completed the purchase of Lot 25 in College Place with house thereon from Professor R. S. Bauer for \$9000 subject to taxes for the year and special lighting assessments.

This report was received for record.

APPOINTMENT TO THE SCHOOL OF PHARMACY ADVISORY BOARD

(24) A recommendation that Mr. Fred W. Rauth of Springfield be appointed a member of the Advisory Board of the School of Pharmacy for 5 years beginning January 1, 1924, in place of Mr. G. E. Baumann of Springfield, whose term has expired.

On motion of Mrs. Evans this appointment was made.

TIME FOR BIDS ON NEW BUILDINGS EXTENDED

(25) A statement concerning the plans and specifications for the new buildings.

On motion of Mr. Armstrong, it was voted that all bidders be notified that the time for submitting bids on the new buildings has been extended to February 11, 1924, at 2 p.m. and that this fact be advertised.

On motion of Mrs. Evans, it was voted that in case Mr. Trees should be unable to attend the meeting of the Executive Committee to open the bids for new buildings on February 11, 1924, Mr. Armstrong be requested to take his place on the Committee for that meeting.

DENTAL BUILDING INDEBTEDNESS

(27) When the property of the College of Physicians and Surgeons was turned over to the University some years ago and accepted by the Board of Trustees and became the University of Illinois College of Medicine there was an indebtedness represented by bonds of \$60,000 on the building occupied by the College of Dentistry. The amount of indebtedness now on the Dental Building is \$60,000. The Comptroller informs me that he has an offer of \$3000 of these six percent bonds due in 1932.

I recommend that the Comptroller be authorized to purchase these if he can get them for less than par and that an appropriation of three thousand dollars, or so much thereof as may be necessary be made from the Reserve and Contingent Fund for this purpose.

On motion of Mr. Armstrong, this recommendation was approved, and the appropriation was made, by the following vote; Aye, Mr. Armstrong, Mr. Blair, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mrs. Blake, Mrs. Busey, Mr. Herbert, Mr. Small, Mr. Trimble.

AUDITORS' REPORT

January 22, 1924

Board of Trustees, University of Illinois

DEAR SIRS:

We have audited the Cash Receipts and Disbursements of the University of Illinois for the quarter ending December 31, 1923, and certify that the Receipts and Disbursements as embodied in the report of the Comptroller for that period are in accordance with the books, and, in our opinion, are correct.

Yours faithfully,

ARTHUR YOUNG & COMPANY

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

February 14, 1924

The February meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, at 11 o'clock a. m. on Thursday, February 14, 1924.

The following members were present: President Noble, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trimble.

President Kinley was present; also Professor J. M. White, Supervising Architect.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 12, 1924. On motion of Mr. Armstrong, the minutes were approved as printed on pages 375 to 401 above.

**EXECUTIVE COMMITTEE MEETINGS, JANUARY 31 AND
FEBRUARY 11, 1924**

The Secretary presented for record the minutes of meetings of the Executive Committee held on January 31 and February 11, 1924.

MEETING OF JANUARY 31, 1924

We hereby approve the award of a contract under an agreement drawn up and signed by the T. W. Wilmarth Company, by T. W. Gilmore, dated January 14, 1924, for lighting fixtures required in the erection, construction, and completion of the Medical Research Laboratory and Library, according to specifications of the architects, the consideration being Two Thousand Five Hundred Fifty-seven Dollars and Sixty Cents (\$2,557.60), and award the contract for the same in accordance with to said agreement to the said Wilmarth Company and authorize and direct the Comptroller of the University and the Secretary of the Board to sign said contract.

We also approve the award of a contract under an agreement drawn up and signed by the Linden Company, by N. E. Johnson, dated January 11, 1924, for lighting fixtures required in the erection, construction, and completion of the Medical Research Laboratory and Library, according to specifications of the architects, the consideration being Three Thousand Dollars (\$3,000.00), and award the contract for the same in accordance with the said agreement to the said Linden Company, and authorize and direct the Comptroller of the University and the Secretary of the Board to sign said contract.

W. L. NOBLE, *Chairman*
LAURA B. EVANS

CHICAGO, January 31, 1924.

MEETING OF FEBRUARY 11, 1924

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at the University, in Urbana, at 2 o'clock p. m. on Monday, February 11, 1924.

Dr. W. L. Noble, Chairman, Mrs. Laura B. Evans, and Mr. J. W. Armstrong (acting for Mr. Trees) were present; also President Kinley, Professor J. M. White, and a number of contractors and their representatives.

Dr. Noble called the meeting to order and stated that the purpose of the meeting was to receive and open bids for the general contract for the construction of the McKinley Hospital, Library, Commerce, and Men's Gymnasium buildings, and asked whether all who wished to present bids had done so. There being no response, Dr. Noble declared the bidding closed, and proceeded to open the bids. (See next page.) Dr. Noble thanked the contractors for their interest and attendance, and announced that the certified checks of all but the three low bidders would be returned by the Supervising Architect after the meeting, and the contractors retired.

The Committee considered the bids. On motion of Mrs. Evans, the Supervising Architect was directed to ask the three low bidders on the McKinley Hospital to revise their bids making deductions for certain changes in the plans and to report at the next meeting of the Board. The Committee recommended that the bids of English Brothers for the Library (\$506,750) and for the Commerce Building (\$336,960) be accepted, subject to the deductions named in the specifications, and that all bids on the Gymnasium be rejected.

The Clerk was instructed to telegraph to Mr. Trees the names of the lowest bidders on each building and the amount of their bids.

CONTRACTS FOR NEW BUILDINGS

Professor White reported his estimates of the cost of completing and furnishing the new Commerce, Gymnasium, Library, and University McKinley Hospital buildings, showing that the total cost should not exceed the appropriations.

On motion of Mr. Trimble, the recommendation of the Executive Committee and of the Supervising Architect with reference to the general contract for the Commerce building was adopted: namely, the contract was awarded to English Brothers, the lowest bidders, on the basis of their bid of \$336,960, subject to certain deductions as specified in the contract, and the President and the Secretary of the Board were authorized to execute such contract.

On motion of Mr. Trimble, the recommendation of the Executive Committee and of the Supervising Architect with reference to the general contract for the Library building was adopted: namely, the contract was awarded to English Brothers, the lowest bidders, on the basis of their bid of \$507,750, subject to certain deductions as specified in the contract, and the President and the Secretary of the Board were authorized to execute such contract.

On motion of Mrs. Busey, the recommendation of the Executive Committee that all bids on the general contract for the New Gymnasium be rejected was not concurred in, but the Executive Committee was directed to follow the procedure used in the case of the bids on the Hospital: namely, to ask the three low bidders to revise their bids to conform to certain changes in the plans, and to award the contract to the lowest bidder. It was specified that such bids must be in the hands of the Supervising Architect not later than Monday, February 18, 1924, at 9 o'clock a. m.

On motion of Mr. Trimble, Mr. Armstrong was authorized to act as a member of the Executive Committee in place of Mr. Trees at the meeting of February 18, 1924.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

APPROPRIATIONS FOR NEW BUILDINGS

(1) A recommendation that the following appropriations be made.

1. The appropriation of the sum of \$750,000 appropriated by the last General Assembly for the erection of the first unit of a new library building for the purposes for which the Legislature made the appropriation.

2. The appropriation of the sum of \$500,000 appropriated by the last General Assembly for the erection of a new building for the College of Commerce and Business Administration for the purposes for which the Legislature made the appropriation.

3. The appropriation of the sum of \$500,000 appropriated by the last General Assembly for the erection of a new men's gymnasium for the purposes for which the Legislature made the appropriation.

4. The appropriation of the entire sum of \$205,000, more or less, donated by Honorable W. B. McKinley and including all interest earned on his donations for the erection of the University Students' Hospital for which purposes the donations were made, it being understood that the total sum mentioned above yet requires for its completion approximately \$50,000 promised orally by Mr. McKinley to be paid when the building is under way.

A further recommendation that the architects be instructed to receive bids on all sub-contracts for each of these buildings, and that the Supervising Architect be authorized to make all necessary expenditures from these funds for work which will be done on force account and for the purchase of furnishings and equipment which will be purchased out of stock.

On motion of Mrs. Evans, these recommendations were approved. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

REPORT ON ADVISABILITY OF PLATTING AND SELLING CERTAIN LAND

(2) On July 12, 1922, the Board authorized me to take under consideration and report later the advisability of plotting and selling the Athletic Association land (which was acquired by the University last July) between First Street and the Illinois Central Railroad.

I have made no report because conditions have not yet ripened sufficiently to justify a conclusion. I shall report when conditions change.

This report was received for record.

REPORT ON IMPROVEMENTS SUGGESTED BY THE STADIUM COMMITTEE

(3) At the meeting of December 15, 1922, I submitted to the Board a letter from the Honorable Robert F. Carr, Chairman of the Executive Committee of the Stadium, setting forth the prospective improvements needed in the neighborhood of the Stadium and which properly are matters of University concern. You referred the matter to me for consideration and report.

The matter has had my attention, and our Supervising Architect, Professor James M. White, has given, as usual, valuable advice. It has not been possible, however, to reach conclusions.

Professor White suggested the wisdom of taking no plans looking towards improvement, such as paving streets, until the matter of the inclusion of certain territory within the limits of the City of Champaign had been decided.

As to the landscape and planting requirements, I recommend that that whole matter be referred again to the committee on horticulture planting, of which Mrs. Blake is Chairman.

As to pavement of First, Second, Third, and Fourth Streets, either to or beyond the city limits, it is impossible to say anything at the present time.

As to providing facilities for parking, I think it was shown by our experience last fall that that problem is virtually solved.

This report was received for record and the matter of the planting requirements was referred again to the special committee.

COMMITTEE ON RESOLUTIONS

At this point, President Noble appointed the President of the University, Mr. Trimble, and Mrs. Busey a special committee to prepare resolutions commemorating the services of Mr. W. L. Abbott and Mr. O. W. Hoit as members of the Board.

COST OF OPERATING HOSPITALS

President Noble reported for the special committee on the cooperative hospitals that the State Department of Public Welfare expects to be able to equip and operate all of the main building facing north—a total of from 200 to 250 beds.

IN MEMORY OF JUDGE JOHN M. HERBERT

On motion of Mrs. Evans, the following resolutions were adopted:

WHEREAS, in the death of John M. Herbert on January 23, 1924, the Board of Trustees of the University of Illinois has lost an honored member, and

WHEREAS, his sudden death came as a great shock to his associates and has deprived them of an earnest, influential co-worker, and the University of one of its friends,

BE IT RESOLVED that the Board hereby expresses to his family its heartfelt sympathy in the loss of their husband and father, and that this testimony of its appreciation and sorrow be spread upon the minutes, and a copy sent to the surviving members of his family.

COOPERATIVE INVESTIGATION ON DRAINAGE

(4) A recommendation that a request of the Director of the Engineering Experiment Station that the Board approve an agreement with the Bureau of Public Roads of the United States Department of Agriculture to carry on certain drainage investigations in Illinois, be granted. This involves an expenditure from appropriations already made by your Board to the Engineering Experiment Station, not to exceed \$600 a year for assistants.

On motion of Mr. Armstrong, this recommendation was approved.

TRAVELING EXPENSES, OFFICE OF THE DEAN OF MEN

(5) A request for an appropriation of \$250 from the Reserve and Contingent Fund for travelling expenses for the Dean of Men in discharge of certain duties in the Chicago departments this year.

On motion of Mr. Armstrong, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

PURCHASE OF ATHLETIC ASSOCIATION LAND

(6) A report from the Comptroller that in accordance with the action of the Board on July 11, 1923, he has concluded the purchase of the Stoolman tract (18.51 acres) and the Athletic Association tract west of First Street (20 acres) for a total consideration of \$81,236.92.

This report was received for record.

PLYM SECURITIES RECEIVED

(7) A report from the Comptroller that the certificates of Southern Pacific Stock donated to the University by Mr. Plym have been received by our Treasurer, Mr. Burke, showing transfer to the Board of Trustees.

This report was received for record.

GRADUATE SCHOOL FELLOWSHIPS AND SCHOLARSHIPS

(8) A recommendation, on request of the Dean of the Graduate School, that the usual appropriation of \$25,000 be made from the funds of 1924-25 for stipends of Graduate School Fellowships and Scholarships for the year 1924-25.

On motion of Mrs. Grigsby, this recommendation was adopted.

PURCHASE OF NEVADA STREET PROPERTY

(9) The following report from the Comptroller:

February 4, 1924

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

I am sending you a summary of what has been done in the Mitchell-Walcott matter, relating to the purchase of the property at 1117 Nevada Street.

In accordance with the action of the Board at the last meeting the contracts with W. W. Mitchell were executed providing for

(a) the cancellation of the rental agreement for the property;

(b) the sale of the property by Mr. Mitchell to the University.

The abstract of the property was examined by Judge Harker and approved by him. The sums due Mr. Mitchell on both of these contracts have been paid in full and he has acknowledged receipt thereof.

I have also advised Mr. Walcott of the fact that Mr. Mitchell's interest in his contract with Mr. Walcott has been assigned to the Board of Trustees. I have remitted to Mr. Walcott for all sums due on the contract payable by the University as of February 5, 1924, and have received an acknowledgment by him that all amounts due on the contract to that date have been paid. There remains still payable on the contract the sum of \$1800 due February 5, 1925, with interest at 6% from February 5, 1924, payable semi-annually. When these payments have been made Mr. Walcott is under contract to make a warranty deed to the property. Should he insist on making that deed to Mr. Mitchell, then Mr. Mitchell is also under contract to make a deed to the Board of Trustees.

I have placed on record Mr. Mitchell's assignment of the Mitchell-Walcott contract, and the contract of sale from Mr. Mitchell to the Board of Trustees.

Very truly yours,

LLOYD MOREY

Comptroller

This report was received for record.

RESIGNATION OF MR. C. A. PETRY

(10) Mr. C. A. Petry, of the staff of the Supervising Architect, wrote Professor White under date of January 23, stating that after February 1 he will be associated as a partner in a local contracting firm and wishes his resignation to take effect February 1, or as soon thereafter as may be convenient for the University.

In connection with Mr. Petry's resignation, Professor White wrote me the following letter:

DEAR PRESIDENT KINLEY:

I am enclosing Mr. Petry's resignation to take effect February 1. It is with much regret that I recommend the acceptance of this resignation, but I should like to recommend that it be not effective until the first of May.

Mr. Petry has had only two weeks' vacation in the last two years and is entitled to an extension of this date on that score, but in addition he will be able to give us quite a large amount of time—probably equal to half time—up to the first of May, and we need his services very badly in getting all of this new work started.

Yours truly,

JAMES M. WHITE

Supervising Architect

I recommend that Professor White's suggestions be adopted and approved by the Board, namely, that Mr. Petry's resignation be accepted, effective May 1, and that he be permitted to take out all vacation allowances due him in the period before that date.

On motion of Mrs. Evans, these recommendations were approved.

INVESTMENT OF TRUST FUNDS

(11) A suggestion that the Board make it specifically the duty of its Finance Committee to consider and make recommendations on the investment of trust funds given to the University; that the committee be instructed to consider the matter of changing the form of securities whenever circumstances seem to make it advisable to do so, and report at the next meeting of the Board a recommendation for the change of the form of investment with their reason therefor.

In this connection, I beg leave to remind the Board that some time ago your Board directed the investment of the McKinley Hospital money in interest-bearing securities. The chairman of your Finance Committee, Judge Herbert, demurred to the proposition on the ground that might invalidate the bond of the Treasurer. I submitted the question on this point to the Legal Counsel of the University in the following letter and received his reply which is also attached.

Honorable O. A. Harker, Legal Counsel:

January 3, 1924

DEAR JUDGE HARKER:

Some months ago the Board of Trustees of the University approved a recommendation of mine that the Comptroller be directed to invest the McKinley Hospital money then on hand under the direction of the Finance Committee of the Board. Judge Herbert, Chairman of the Finance Committee, was not present at the meeting. When he was requested to take action, he demurred on the ground that such action on the part of the Finance Committee might invalidate the bond of the University Treasurer.

It seems to me that the Judge is mistaken in this view. So far as I can find, the bond of the Treasurer is given for the safe-keeping of the money and securities committed to his charge. It seems to me that the Board may at any time change the form of its investments in securities without any responsibility on the part of the Treasurer for the change, provided only he keeps the securities safe so long as they are in his custody. If this view is not correct, then the Board's hands are tied in the matter of changing investments or trust funds from one security to another. Will you kindly instruct me as to the correct view of the Treasurer's responsibility in such premises?

Will you also kindly give me your opinion on the following point?

Section 5 of the organic act establishing the University, passed March 8, 1867, provides that the Board of Trustees shall appoint a Treasurer at the first and each biennial meeting thereafter. The act further provides that said Treasurer "shall give bonds with such security as the Board of Trustees shall deem amply sufficient to guard the University from danger of loss or diminution of the funds entrusted to his care"; and also that "said Treasurer . . . to receive such compensation as the Trustees may fix, and be paid in the same manner as the teachers and other employees of the University are paid."

My question is this—does not the phraseology last quoted require the Board of Trustees to fix a salary for the Treasurer and to pay him in regular installments as the teachers and other employees of the University are paid? In other words, has not the Board been violating the law in this respect from the beginning in that it has appointed a Treasurer, who, instead of being paid a salary, is allowed to pay himself whatever interest he can earn on University funds over and above two percent?

It is important that your reply reach me not later than Thursday afternoon, January 10.

Very truly yours,

DAVID KINLEY

President

*In re: INVESTMENT OF MCKINLEY
HOSPITAL FUND*

President David Kinley, Administration Building

MY DEAR PRESIDENT KINLEY:

I have carefully examined the bond of A. M. Burke, treasurer of the University of Illinois, and can not understand how the investment of the McKinley hospital money by the Comptroller can effect the validity of the bond. You say that Mr. Herbert demurred to the proposition to so invest because it might invalidate the bond. Mr. Herbert evidently had in mind some decision with reference to the liability of county treasurers and other public officials whose duties were broader than merely preserving the funds which came into their hands officially. The first part of the condition of the bond is that the treasurer "shall well and truly perform and faithfully discharge the duties of the treasurer of said University during his term of office." Then follows the specific requirement of keeping and truly accounting for moneys, securities, etc.

The treasurer of the University is not required to make any collections or make investments. His duties are more limited than those of county treasurers who after a certain date are required to make collections. The decisions of our courts making a county treasurer liable for neglect of duty because of his failure to make collections have no application to a case of this kind. The liability of the surety on the bond would not be affected by the Board of Trustees directing an investment of funds in his hands.

I am clearly of the opinion, also, that the Board of Trustees has the legal right to carry into effect the recommendation made by you as to the investment of the McKinley hospital funds. Of course, the acts of the Comptroller in that regard should be subject to your approval, the approval of the Finance Committee, or the approval of the Executive Committee.

Respectfully submitted,

O. A. HARKER
Legal Counsel

*In re: INVESTMENT OF MCKINLEY
TRUST FUNDS*

President David Kinley, Administration Building

MY DEAR PRESIDENT KINLEY:

Complying with your request for my views concerning your statement on "Committee on Investments," I am pleased to say that in my opinion your proposition to have the investment and reinvestment of trust funds put in charge of the Finance Committee of the Board of Trustees, is sound. I do not think the Committee should be given full power to act in all cases, however. For instance, should the Committee think it advisable to change from one character of investment to another, it should report the fact to the Board with its recommendation and make the change only when specifically authorized.

The order or resolution authorizing the Committee to invest and reinvest should contain the limitations on its powers.

Respectfully submitted,

O. A. HARKER
Legal Counsel

On motion of Mr. Armstrong, the duties of the Finance Committee with respect to investment of trust funds were defined as suggested by the President of the University.

CONTRACT FOR MCKINLEY HOSPITAL

At this point, the bids for the general contract for the construction of the University McKinley Hospital were opened and announced as follows:

English Brothers.....	\$146,500
J. A. McDonald.....	146,937
J. Clyde Evans.....	148,980

On motion of Mr. Trimble, the general contract for the construction of the University McKinley Hospital was awarded to English Brothers, the lowest bidders, on the basis of their bid of \$146,500, subject to certain deductions as specified in the contract, and the President and the Secretary of the Board were authorized to execute such contract.

PAYMENT ON LOTS

(12) A recommendation that the payment of two items of indebtedness on our recently purchased College Place Lots be authorized as follows:

on the Orchard Place Lots, payable April 1, 1924.....	\$5,000
on Lot 52, College Place, payable May 28, 1924.....	\$3,500

and that an appropriation of \$8500 be made from the Reserve and Contingent fund for this purpose.

On motion of Mr. Armstrong this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

DEGREES, FEBRUARY, 1924

(13) A recommendation that degrees be conferred on the following list of students recommended by the University Senate and certified by the Clerk of the Senate for degrees indicated in connection with their names.

INVESTMENT OF ENDOWMENT FOR PRIZES ON "THRIFT"

(14) A request that the Finance Committee be requested to report to the Board at its next meeting a recommendation concerning the investment of \$1281.16 given as an endowment for prizes for essays on thrift.

On motion of Mrs. Evans, the Finance Committee was requested to make a recommendation on this matter.

AUTHORITY OF THE EXECUTIVE COMMITTEE OF THE BOARD

(15) Complying with your instructions given me at your meeting of January 12, 1924, I submit herewith the opinion of the Legal Counsel on the scope of authority of the Executive Committee of the Board.

February 6, 1924

In re: EXECUTIVE COMMITTEE OF THE
BOARD OF TRUSTEES

President David Kinley, Administration Building

MY DEAR PRESIDENT KINLEY:

Complying with your request of recent date, I am pleased to submit the following opinion as to making acts of the Executive Committee subject to approval of the Board of Trustees.

The legislative will concerning the creation and powers of the Executive Committee was first expressed in section two of the organic act of 1867 in the following language:

"Said Board of Trustees may appoint an Executive Committee of their own number, who, when said Board is not in session, shall have the management and control of the same, and for that purpose have and exercise all the powers hereby conferred on said Board which are necessary and proper for such object."

That section has not been repealed, nor amended.

In the act to regulate the University, approved May 7, 1873, there appeared in section two a similar provision which was amended in 1887 to read as follows:

"Said Board of Trustees may appoint an Executive Committee of three chosen out of their own number, which committee, when said Board is not in session, shall have the management and control of the University, and of its affairs, and for that purpose shall have and exercise all the powers which are necessary and proper for such object, except in so far as the Board may reserve such powers to itself, and any powers granted at any time by said Board to such Executive Committee, the Board may at any time revoke."

The language used in the act of 1867 clearly shows a legislative intent to vest the Executive Committee, when the Board was not in session, with all the powers of management and control which the act conferred upon the Board. In other words, during the time intervening the sessions of the Board, there were to be no limitations on the powers of the Committee other than those imposed upon the Board. It will be observed that the language employed in the act of 1887 differs from that of the act of 1867 with reference to limitation of the committee's powers. The words "except in so far as the Board may reserve such powers to itself and any powers granted at any time by said Board to such Executive Committee the Board may at any time revoke," show the limitation which the legislature desired. Although section 2 of the act of 1867 has not been amended, the provision contained in the act of 1887 must control under the well recognized canon of construction that where two legislative acts upon the same subject differ, the one last adopted must prevail.

In my opinion, the powers which the Executive Committee may exercise in the management and control of the affairs of the University when the Board is not in session are unlimited except as to powers which the Board may reserve to itself. The expression "and any powers granted at any time, by said Board to such Executive Committee the Board may at any time revoke" justifies no such contention as that the acts of the Committee may be subject to the approval of the Board. Except as to powers reserved the Committee has full power to act for and bind the Board to the same extent as the Board while in session. To make its acts subject to approval by the Board would do violence to the spirit of legislation on the subject.

Since the law specifies that the Committee shall, when the Board is not in session, have all the powers of the Board excepting those reserved, the acts of the Committee within the sphere of its authorization are final and the approval or disapproval of the Board would not effect the validity of any act performed by it. If at any time the Board should be of the opinion that the Committee, while acting within the sphere of its authorization, is exercising some function which should be exercised by the Board, it may revoke or curtail, but its order in that respect would not be retroactive.

Respectfully submitted,
O. A. HARKER
Legal Counsel

PURCHASE OF LOT 56 IN COLLEGE PLACE

(16) A recommendation that a recommendation of the Superintendent of Business Operations that Lot 56 in College Place be purchased from Mr. L. J. Machin for \$2200, this price being subject to the 1923 taxes and this year's lighting assessment, be approved and that this purchase be authorized and the sum of \$2200 be appropriated from the Reserve and Contingent fund, for this purchase.

This purchase was authorized and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

ABSENCE FOR DEAN CLARK

(17) A recommendation that Dean Clark be permitted to be absent two weeks to enable him to accept an invitation from the Oregon Agricultural College to participate in its Education Exposition.

On motion of Mrs. Busey, this recommendation was approved.

CONTRACT WITH SANITARY DISTRICT

(18) In accordance with the action of the Board on March 12, 1923 (page 138), the Legal Counsel has drafted a contract embodying the conditions under which a sanitary sewer shall be constructed across the grounds of the University, and the contract, which has been signed by the President and Secretary of the Board of Trustees of the Urbana and Champaign Sanitary District, is hereby submitted for the approval of the Board.

CONTRACT

This contract and agreement made and entered into by and between the Board of Trustees of The Urbana and Champaign Sanitary District of Champaign County, Illinois, as parties of the first part, and the Board of Trustees of the University of Illinois as parties of the second part, witnesseth as follows:

WHEREAS, Said parties of the first part are making plans and preparing and contemplating the construction of a Sanitary Sewer on, along, and across the property of the parties of the second part, which said sewer is to be along the lines as herein designated:

Main Line

The main line of the proposed sewer passes through the property of the University of Illinois as follows: Beginning at the west end of Railroad Street in Urbana westerly on a line about six (6) feet south of and parallel to the south line of the right-of-way of the Champaign and Urbana Railway, Gas & Electric Co., to a point about four (4) feet east of the west line of Matthews Avenue; thence southerly at an angle of $90^{\circ}5'$ left for a distance of about Two Hundred Fifty-five (255) feet to a point Thirty (30) feet north of the north bank of the Boneyard; thence westerly at an angle of $85^{\circ}2'$ right for a distance of Two Hundred Fifty-two (252) feet, passing between the Highway Laboratory and the Boneyard; to a point about Ten (10) feet east of the east wall of the narrow section of the old Heating plant; thence westerly at an angle of $4^{\circ}53'$ right for a distance of One Hundred Seventeen and Five tenths (117.5) feet passing below the floor of the narrow section of the old Heating plant to a point between the Water Reservoir and the Boneyard; thence westerly at an angle $8^{\circ}5'$ right for a distance of One Hundred Thirteen and two-tenths (113.2) feet passing between the Electrical Engineering Laboratory and the Boneyard to a point about Forty (40) feet south of the Electrical Engineering Laboratory and about 55' east of the east curb of Burrill Avenue; thence westerly at an angle of $17^{\circ}3'$ left for a distance of Two Hundred Eighty-three and three-tenths (283.3) feet passing between the Green House and the Boneyard to a point about Ten (10) feet South and Three (3) feet east of the southwest corner of the Green House; thence northwesterly at an angle of $35^{\circ}12'$ right for a distance of One Hundred Thirty-two and seven-tenths (132.7) feet to a point two (2) feet east of the east curb of Wright St.

This line is to be Twenty-two (22) inches in inside diameter.

This line is proposed to be constructed at once.

Green Street Line

There is also proposed a line extending along the north side of Green St., which passes through University property from Matthews Avenue to Wright St., connecting with existing manholes at both points.

This line is to be Ten (10) inches in inside diameter and is to be laid about Twelve (12) feet north of the north curb of Green St.

This line is not to be constructed at the present time but it is to be constructed in the near future as increasing population of south-east Champaign demands and

WHEREAS, Said parties of the second part are desirous of granting said right-of-way to said parties of the first part to construct said sewer, on, along, and across the property of the said parties of the second part on said line as herein above set forth.

NOW, WHEREFORE, It is hereby agreed by and between said parties, that said parties of the first part shall have the right to construct, reconstruct, repair, maintain, and operate said sewer line on, along, and across the property of the second part on the following line:

Main Line

The main line of the proposed sewer passes through the property of the University of Illinois as follows: Beginning at the west end of Railroad Street in Urbana westerly on a line about Six (6) feet south of and parallel to the south line of the right-of-way of the Champaign and Urbana Railway, Gas & Electric Co., to a point about Four (4) feet east of the west line of Matthews Avenue; thence southerly at an angle of $90^{\circ} 5'$ left for a distance of about Two Hundred Fifty-five (255) feet to a point about Thirty (30) feet north of the north bank of the Boneyard; thence westerly at an angle of $85^{\circ} 2'$ right for a distance of Two Hundred Fifty-two (252) feet, passing between the Highway Laboratory and the Boneyard, to a point about Ten (10) feet east of the east wall of the narrow section of the old Heating plant; thence westerly at an angle of $4^{\circ} 53'$ right for a distance of One Hundred Seventeen and five-tenths (117.5) feet, passing below the floor of the narrow section of the old Heating plant to a point between the Water Reservoir and the Boneyard; thence westerly at an angle of $8^{\circ} 5'$ right for a distance of One Hundred Thirteen and two-tenths (113.2) feet passing between the Electrical Engineering Laboratory and the Boneyard to a point about Forty (40) feet south of the Electrical Engineering Laboratory and about $55'$ east of the east curb of Burrill Avenue; thence westerly at an angle of $17^{\circ} 3'$ left for a distance of Two Hundred Eighty-three and three-tenths (283.3) feet passing between the Green House and the Boneyard to a point about Ten (10) feet South and Three (3) feet east of the southwest corner of the Green House; thence northwesterly at an angle of $35^{\circ} 12'$ right for a distance of One Hundred Thirty-two and seven-tenths (132.7) feet to a point two (2) feet east of the east curb of Wright St. This line is to be Twenty-two (22) inches in inside diameter. This line is proposed to be constructed at once.

Green Street Line

There is also proposed a line extending along the north side of Green St. which passes through University property from Matthews Avenue to Wright St. connecting with existing manholes at both points.

This line is to be Ten (10) inches in inside diameter and is to be laid about Twelve (12) feet north of the north curb of Green St.

This line is not to be constructed at the present time but it is to be constructed in the near future as increasing population of southeast Champaign demands.

It is further mutually agreed by and between the parties herein that said parties of the first part shall construct said sewer on, along, and across the property of the parties of the second part in such manner that the same will not interfere with any of the buildings, the foundations thereof, or any trees, or other property of the parties of the second part and that the work during said period of construction and during the repair work on same, shall be subject to the inspection of the Supervising Architect of the University of Illinois for his determination as to whether or not said construction does in any way interfere with any of the buildings, foundations thereof, trees, or any other property of said parties of the second part.

Said parties of the first part shall do all backfilling in such a manner and in such a way that it will leave the premises over which the ditch or trenches were made for the sewer system, as nearly as possible, in the condition as they were before work was begun.

IN WITNESS WHEREOF the undersigned authorized officers of the parties hereto attach their signatures as official representatives and the corporate seals of the respective parties, this 2nd day of April, A. D., 1923.

On motion of Mr. Armstrong, the President and the Secretary of the Board were authorized to execute this contract.

SANITARY SEWER IN COLLEGE PLACE

(19) The following resolution, drawn by the Legal Counsel, granting permission to the City of Champaign to lay a tile sewer through the property of the University in College Place:

WHEREAS, the City of Champaign, Illinois, in the construction of a sanitary sewer desires to extend an eight inch tile over and through lots five (5), thirty-four (34), sixty-three (63), eighty-two (82), ninety-one (91), one hundred and ten (110), one hundred and nineteen (119), and one hundred and thirty-seven (137), of College Place, an addition to the City of Champaign, said lots being the property of the Board of Trustees of the University of Illinois; and,

WHEREAS, the extension of such sewer tile would benefit and enhance the value of said lots;

BE IT RESOLVED, that permission and right-of-way be granted to the City of Champaign, Illinois, to extend and lay an eight inch tile sewer through the above described lots and premises, the center line of which shall be as follows; extending across said lot five (5) along a line parallel to and seven and one-half (7½') feet south of the north line of said lot five (5); also extending across said lot thirty-four (34) along a line parallel to and two (2) feet north of the south line of said lot thirty-four (34); also extending across said lots sixty-three (63) and eighty-two (82) along a line designated as follows,—commencing at a point fourteen (14) feet east of the west line of Arbor Street and five hundred eighteen (518) feet south of the south line of Armory Avenue, thence northeasterly to a point fifteen (15) feet east of the west line of Third Street, and five hundred four (504) feet south of the south line of Armory Avenue; also extending across said lots ninety-one (91) and one hundred ten (110) along a line parallel to and six (6) feet south of the north line of said lots ninety-one (91) and one hundred ten (110); also extending across said lot one hundred nineteen (119) on a line parallel to and six (6) feet south of the north line of said lot and across said lot one hundred thirty-seven (137) on a line parallel to and thirty (30) feet south of the north line of said lot; subject to the condition that in the extension and laying out of said sewer tile, no buildings or the foundations thereof should be damaged or interfered with; and subject also to the inspection of the Supervising Architect of the University of Illinois, for his determination as to whether or not said construction does in any way interfere with or damage any of the buildings or other property located upon any of the above described lots.

On motion of Mr. Trimble, this resolution was adopted.

APPROPRIATION FOR MUSEUM CASES

(20) A recommendation that an appropriation of \$6000 be made from the Reserve and Contingent fund for the completion of the case equipment of the present Natural History Museum space.

On motion of Mrs. Grigsby, this appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

SUPPLEMENTARY APPROPRIATION FOR THE DEAN OF WOMEN

(21) A recommendation that the sum of \$2400 be appropriated from the Reserve and Contingent fund and added to the Expense and Equipment fund of the Office of the Dean of Women as follows:

Additional sum for wages of temporary employees.....	\$1800
Additional office expenses.....	250
Additional sum for printing and publications.....	200
Equipment and repairs.....	150

Further that for the present year adjustment may be made by transfer among these items on request of the Dean of Women and on approval of the President of the University.

On motion of Mrs. Grigsby, these recommendations were adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

LEAVE OF ABSENCE FOR PROFESSOR N. C. BROOKS

(22) Professor N. C. Brooks requests leave of absence for next year, presenting as alternative choices that he be permitted to be gone a year without pay, or that he be allowed absence on one-half pay without pledging himself to return. Dean Babcock recommends the former, namely, a leave of absence without pay, and I concur.

On motion of Mr. Trimble, this recommendation was adopted.

VACATION FOR PROFESSOR GRINDLEY

(23) A recommendation that a request of Professor H. S. Grindley, approved by Dean Mumford, for two weeks of his vacation now instead of next summer, be granted.

On motion of Mrs. Evans, this request was granted.

PURCHASE OF PHYSICIANS AND SURGEONS BONDS

(24) A report from the Comptroller of the purchase of bonds of the College of Physicians and Surgeons of the par value of \$3000 at 92½ and accrued interest; and a recommendation that an additional appropriation from the Reserve and Contingent fund of \$3000 be made to provide for the purchase of additional bonds of this issue in case they can be bought below par.

On motion of Mrs. Evans, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

RENEWAL OF LEASE OF DuBOIS EXPERIMENT FIELD

(25) A recommendation, on request of Dean Mumford, that a lease of an agricultural experiment field near DuBois, Illinois, be renewed. This is a continuation of a lease which stood for a number of years with the father of J. M. Kinkley, now deceased, and the proposed renewal is drawn to transfer the former lease to the present owner.

On motion of Mr. Trimble, this recommendation was approved.

ADDITIONAL SICK LEAVE FOR E. W. DAVIS

(26) A report that Mr. E. W. Davis was taken ill in December and is not yet fully recovered. Dean Mumford recommends that he be given an additional sick leave of two weeks in the month of January with pay.

On motion of Mrs. Evans, this recommendation was approved.

AGRONOMY COTTAGE

(27) The following recommendations:

1. That the sum of \$6000 be transferred from the special appropriation for equipment for the College of Agriculture and appropriated for the erection of this proposed cottage for the Department of Agronomy.

2. That the Board approve the plans for this cottage as submitted by the Supervising Architect.

3. That the President and Secretary of the Board be authorized and directed to enter into contracts for the erection of this cottage at a total cost for all purposes, including sheds and outbuildings, of not to exceed the \$6000 appropriated therefor, the contracts to be based, according to our practice, on bids, and duly drawn up and approved by the proper officers of the University according to the rules of the Board before they are signed.

4. That beginning with the next fiscal year, July 1, 1924, the monthly or yearly wages of the occupants of the houses now owned by the University on the farms shall be set forth in the agricultural budget in two items—the money wage proposed and the rental value of the house offered—and the two together shall represent the total monthly or yearly wages in each case. The rental value shall be determined by the valuation put on the house by the Supervising Architect, the Comptroller, and the Dean of the College of Agriculture.

On motion of Mr. Armstrong, these recommendations were adopted. The transfer and appropriations were made in the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small, Mr. Trees.

BUSINESS ACTIVITIES IN UNIVERSITY BUILDINGS

(28) A recommendation that solicitors, canvassers, and agents of every description be prohibited from canvassing in University buildings.

On motion of Mr. Trimble, this recommendation was adopted.

GIFT FROM THE CLASS OF 1918

(29) A report of the receipt from Mrs. Catherine Needham Severance, Secretary of the Class of 1918, of a check for \$60 to be used for elm trees (see page 383). The check has been sent to the Comptroller.

This report was received for record.

ASSIGNMENT OF LAND AND EQUIPMENT

(30) A recommendation that the following regulation be adopted:

The assignment of land, equipment, or any other property to a department or division does not give the department a title to the same, but only to use as long as necessary; and the use of land or equipment or other property shall not exclude its use for other purposes by other departments of the University, at the same time, on approval of the President, provided that any such second use shall not interfere with the efficient utilization of said land, equipment, or other property for the purposes for which it was first assigned.

On motion of Mrs. Evans, this regulation was adopted.

PARKING ON THE SOUTH SIDE OF GREEN STREET

(31) A report of the action of the President of the University in signing the following agreement:

WHEREAS, it is universally recognized by the corporate authorities of the City of Urbana, Illinois, and of the University of Illinois, that in order to properly safeguard the lives and limbs of the public and of the students attending the University of Illinois, the parking of automobiles on Green Street, where the same passes through the Campus of the University, should be restricted, and

WHEREAS, in order to provide such protection, the City Council of the City of Urbana, passed an ordinance prohibiting the parking of automobiles on the south side of said street, where the same crosses the Campus of the University, and

WHEREAS, the executive authorities of the University have denied the right of the city to pass said ordinance, and have contended that a part of said street, where the same crosses said campus is not a public thoroughfare, and in that respect are in dispute with the authorities of the City of Urbana, who contend that it is a public street, and highway, and

WHEREAS, both the City and the University desire to immediately provide for the restriction of such parking, without waiving any rights either may have with reference to said street,

It is therefore agreed by and between the City of Urbana and the University of Illinois, represented in the City Council and in the Board of Trustees, that, saving and reserving, each to itself, all and all manner of right it may have in said street, and without waiving any such rights, and without admitting any rights whatsoever in the corporate authorities of the other, the said City of Urbana, and Trustees of the University of Illinois, will immediately, and without awaiting any final determination of the matters in dispute between them, cooperate, each with the other, in the enforcement of the restrictions contained in said ordinance, hereinabove referred to.

It is further agreed that the consideration for this agreement is the immediate safety of the people crossing said street, and shall in no manner be taken as any admission or waiver or declaration affecting the rights of either, in, to, or toward said street, but shall expressly recognize that a dispute exists regarding the same, and that this agreement is in no respect a settlement of said dispute.

It is further agreed that this agreement shall be binding, and take effect, if, when and immediately after the same shall be approved by the City Council of the City of Urbana, Illinois, and the Board of Trustees of the University of Illinois.

In witness whereof, the City of Urbana, Illinois, has caused this agreement to be signed by its Mayor and attested by its Clerk, and said Board of Trustees of the University of Illinois, has caused this instrument to be signed by its president attested by its corporate seal, all as of this 7th day of January, A. D. 1924.

The Board considered the following matters presented by the President of the University.

LEASE OF A CARTER-PENNELL TRUST FARM

(1) A recommendation that the action of the Comptroller and the Secretary of the Board in executing a lease of one of the Carter-Pennell trust farms to Mr. Claude McDonald be approved. This farm is described as follows: About 104 acres of the north-east quarter of section 11 and about 89 acres of the north side of the northwest quarter of section 12 in township 23 north, range 14 west of the second principal meridian in the county of Vermilion and the State of Illinois.

On motion of Mr. Trees, the execution of this lease was approved.

EXECUTIVE COMMITTEE TO AWARD CERTAIN CONTRACTS

(2) A recommendation that the Executive Committee be authorized to award contracts on the wiring, heating, and plumbing for the McKinley Student Hospital, and on the wiring and plumbing for the Commerce Building, since these bids are to be in March 17, 1924; and also on the laying houses for the poultry plant.

On motion of Mrs. Blake, this recommendation was approved.

SUMMER SESSION BUDGET

(3) The budget for the summer session of 1924, as submitted by the Director, Dean C. E. Chadsey, in accordance with the appropriation made therefor at the meeting of July 11, 1923 (see minutes, p. 241).

DIRECTORS OF THE ATHLETIC ASSOCIATION

(6) A recommendation that the present members of the Board of Directors of the Athletic Association: Mr. George Huff, Professor G. A. Goodenough, Judge O. A. Harker, Mr. Harvey J. Sconce, and Mr. Eugene I. Burke, be reappointed to serve until March, 1925.

On motion of Mr. Trees, this recommendation was approved.

At this point, Mr. Blair took his place with the Board.

BEQUEST OF BOOKS BY DR. F. R. BUTTERFIELD

(7) A recommendation that the President and the Secretary of the Board be authorized to execute the following document:

WHEREAS, Forrest R. Butterfield, Deceased, late of Chicago, Illinois, by his Will dated March 23, 1923, gave and bequeathed unto the undersigned, The Board of Trustees of the University of Illinois for the Medical Department thereof, his library on medical, surgical, and allied subjects to be paid over to the undersigned in the course of the administration of his said estate; and appointed Chicago Trust Company, an Illinois corporation, executor of his said Will; and the said testator died on or about the 25th day of December, 1923; and shortly after his decease the said executor duly proved the said Will in the Probate Court of Cook County, Illinois; and

WHEREAS, the said executor has not yet ascertained the amount of the debts and credits of said testator, but as it believes that the assets of the said testator will be sufficient to pay his debts and the several specific bequests given by his said Will; and

WHEREAS, it has not yet been ascertained whether there may be a contest of said Will and the same set aside and the appointment of the said Chicago Trust Company as executor revoked, but as the executor believes that the same cannot be successfully contested, it, the said executor, has agreed to pay over to the undersigned, The Board of Trustees of the University of Illinois, the bequest of the deceased's library on medical, surgical, and allied subjects consisting of the items shown by the receipt attached to this bond, upon the undersigned entering into this bond with such condition as is hereinafter contained.

NOW, THE CONDITION OF THIS BOND IS SUCH, that if the personal estate of said testator should not prove sufficient to pay his debts, funeral and testamentary expenses and the necessary charges of the said executorship and all the pecuniary legacies given by said Will, or if the said Will should be successfully contested and the same set aside and the letters testamentary issued to the Chicago Trust Com-

pany should be revoked, then the undersigned, The Board of Trustees of the University of Illinois, its successors or assigns should, within five (5) days next after notice to it or them, repay or redeliver to the said executor, its successors or assigns the said library on medical, surgical, and allied subjects consisting of the items enumerated on the receipt attached to this bond so delivered to it as aforesaid and if the Board of Trustees of the University of Illinois, its successors or assigns, shall from time to time and at all times hereafter keep indemnified the said executor, its successors or assigns, and the estate of the said testator from all costs, charges, damages, and expenses which may happen or come to it, or them, or the estate of the said testator, for or by reason of the said executor having paid and delivered to the undersigned, The Board of Trustees of the University of Illinois, the said library on medical, surgical, and allied subjects consisting of the items shown on the receipt attached to this bond in full of said bequest as aforesaid or any matter or thing relating thereto, then the above written bond to be void, otherwise the same to remain in full force.

IN WITNESS WHEREOF, the undersigned, has caused these presents to be signed by its president and secretary and the seal of said corporation to be affixed this 11th day of March, A. D. 1924.

APPROPRIATION FOR ARCHITECTS' WORK ON McKINLEY HOSPITAL

(8) A recommendation that \$12,000 be appropriated from the Reserve and Contingent Fund to meet the cost of architectural services on the McKinley Hospital, as specified by the donor.

On motion of Mrs. Grigsby, this recommendation was adopted. The appropriation was made by the following vote: Aye: Mr. Armstrong, Mr. Blair, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Dr. Noble, Mr. Trees; no, none; absent, Mr. Small, Mr. Trimble.

AGRICULTURAL LAND

(9) A statement concerning the following proposed lease (with option to purchase) of the Percival land south of the experiment farms.

AN AGREEMENT FOR OPTION

This indenture made on this 6th day of March, 1924, between J. H. Percival, hereinafter called the owner, and the Board of Trustees of the University of Illinois, hereinafter called the University, witnesseth that:

Whereas the owner is the holder of the title in fee and in possession of the S. $\frac{1}{2}$ of the S. W. $\frac{1}{4}$ and the S. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ of Sec. 19 and the N. $\frac{1}{2}$ of the N. W. $\frac{1}{4}$ of Sec. 30, T. 19 N., R. 9 E., Champaign County, Illinois, and the University desires to purchase or lease said land.

1. It is agreed in the consideration of one dollar, receipt of which is hereby acknowledged, that the University shall have the option to buy at the price of four hundred and fifty dollars (\$450) per acre all of the above described premises or the S. $\frac{1}{2}$ of the S. W. $\frac{1}{4}$ and the S. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ of said Sec. 19 and shall have the right to close this option at any time within ten days from the date of this instrument.

2. In the event the University exercises the option to purchase, the owner agrees to execute and deliver to it a good warranty deed to the whole or that part of the real estate so purchased and to furnish thereof an abstract to title showing title to be perfect upon demand thereof.

3. Upon the execution of said deed and abstract the University agrees to pay to the owner the sum of four hundred and fifty dollars (\$450) per acre as full payment of the purchase price of the real estate to be so conveyed.

4. It is agreed that if the University shall not exercise the option to purchase, as given in paragraph 1, that it shall have the right to lease for a period not to exceed three years or less than two years all of said land, or the north one hundred and twenty acres, at the price of fifteen dollars (\$15) per acre.

5. In the event the University does not exercise its option to purchase, as specified in paragraph 1, but does exercise the option to lease, as specified in paragraph 4, then said owner shall execute and deliver to the University a written lease in which shall be contained and specified an option in the University to purchase the entire property above described or the said S. $\frac{1}{2}$ of the S. W. $\frac{1}{4}$ and the S. W. $\frac{1}{4}$ of the S. E. $\frac{1}{4}$ of said Sec. 19, at any time during the life of the lease, at four hundred and fifty dollars (\$450) per acre.

In witness whereof the said J. H. Percival, owner, has attached his signature and authorized officers of the University have attached their signatures and its corporate seal.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

¹Bid based on Vender Slate Roofing. Other bids based on Rising-Nelson Slate Roofing.

²Excluding composition roof.

³The contract was awarded for \$10,625.

BILL OF DR. C. G. APPELLE

(1) A request from Dr. C. G. Appelle for a hearing on his bill for services in the case of Mr. G. M. Crosby, deceased.

On motion of Mr. Trimble, this request was granted, and Dr. Appelle appeared and made a statement concerning his bill.

On motion of Mr. Trees, this matter was referred to the President of the University, with power to act.

X-RAY APPARATUS FOR THE MEDICAL RESEARCH LABORATORY

(2) In accordance with our practice under your regulations, some two or three months ago I requested the Dean of the College of Medicine to secure all the information he could concerning the X-ray apparatus which would be needed by our research laboratory for hospital purposes. I requested him to appoint a committee of his faculty to consider and report on the equipment which would best suit our needs, on the basis of the expert opinion of that committee. I asked him further to secure estimates of the probable cost of the equipment and submit all the information to me at as early a date as he could. This was, I think, as long ago as December.

Following my instructions, Dean Eycleshymer appointed a committee of the faculty, consisting of the following members: Dr. C. S. Williamson, Dr. C. Davison, Dr. C. W. Barrett, Dr. A. Hartung, Dr. D. J. Davis, Dr. W. F. Petersen, Dr. A. J. Ochsner, Dr. J. Litschgi, Dr. E. S. Blaine, Dr. R. A. Arens, Dr. B. F. Lounsbury, Dr. W. H. Welker.

The committee obtained a good many suggestions and ideas from the leading radiologists of the United States, and also from the manufacturing firms whose plants are located in Chicago as well as of several other firms which maintain offices in Chicago.

As the minutes of the meeting of the Executive Committee, held two weeks ago, show, the importance of this apparatus was also in the mind of the President of the Board, and he took action to facilitate the matter. However, in view of the large amount of work done in the pursuit of the inquiry by the faculty, in view of the fact that our faculty has on it men who are experienced in the matter, while the President of the Board himself is well informed in such matters, I am sure he will welcome the assistance which can be given as a result of the inquiry and the expert knowledge of our faculty people.

On this presentation, and on motion of Mr. Trimble, this matter was referred to the special committee of the faculty of the College of Medicine named above, for investigation and report to the Executive Committee, with the understanding that the Executive Committee will consider the recommendations of the special committee and transmit them to the Board with its own recommendations.

INVESTMENT OF TRUST FUNDS

(3) May I call the attention of the Board to the necessity for the adoption of some policy concerning the investment of our growing trust funds? There is no pressure at the moment, but there will be in time.

I would suggest as an excellent form of investment for these funds, loans to members of the staff who are building houses. This form of investment would be more under our control than any other. It would yield a larger rate of interest than ordinary bonds, and it would do away with the necessity of too frequent changes of investment. I recommend that the Finance Committee be requested to report on the whole matter in May.

On motion of Mrs. Evans, this matter was referred to the Finance Committee for investigation and report.

INVESTMENT OF THRIFT PRIZE FUND

(4) A statement concerning the investment of the principal of the fund (\$1281.16) to maintain prizes for essays on thrift (see page 416).

On motion of Mr. Trimble, the Treasurer was instructed to invest this fund in a bond of the First Joint Stock Land Bank of Chicago.

BIDS ON BUILDING CONSTRUCTION

(5) A request from the Supervising Architect for authority to advertise for and receive bids on the general work, heating, plumbing, and wiring of the Dairy Manufactures building; on the heating and ventilation of the Commerce building, on the heating, ventilation, wiring, and plumbing of the Library, and on the wiring and plumbing of the Men's Gymnasium.

On motion of Mrs. Evans, this request was granted and the Executive Committee was authorized to open the bids at 1 o'clock p. m. on Friday, May 16, 1924.

REQUEST TO COOPERATE IN TRIBUNE RADIO BROADCASTING

(6) A representative of the Chicago TRIBUNE has asked that the University furnish two lectures on Agriculture a week to be broadcast from the TRIBUNE's Radio Station, "WGN." These lectures would be given over a sealed wire from here to Chicago.

After due consideration, and after consulting with various members of the staff, it seems inadvisable to enter into such an agreement.

On motion of Mr. Armstrong, the President of the University was requested to notify the TRIBUNE that the Board regrets that such an arrangement seems inadvisable.

At this point, Dr. Noble, being called from the room, asked Mr. Trimble to take the chair, and Mr. Trimble presided during the rest of the day.

REPORT OF COMMITTEE ON CARTER-PENNELL TRUST FARMS

(7) The committee at a recent meeting designated the Dean of the College of Agriculture as the agent of the committee in management of all matters pertaining to these farms. This is in accordance with the wishes of the donor. Dean Mumford wrote the report given below, and submitted it to the committee, which adopted it as the committee report to the Board.

I recommend that the report be referred to the Board Committee on Agriculture for examination and report at the next meeting of the Board.

CARTER-PENNELL TRUST FARMS**FIRST ANNUAL REPORT**

March 1, 1924

In April, 1923, after the Board of Trustees accepted the farms deeded to the University of Illinois by the Honorable Joseph Carter and his wife, Jane Pennell Carter, then of Rankin, Illinois, the President of the University called the trust committee together and the following, in addition to the President, were present: Dean M. S. Kerchum of the College of Engineering, Miss Ruth A. Wardall, head of the Department of Home Economics, and Dean H. W. Mumford, of the College of Agriculture.

An informal discussion followed and it was agreed that the Dean of the College of Agriculture should be instructed to act for the committee in such matters as needed attention until the farms were to come into full possession of the University, March, 1924, it being understood that the University might wish to lease the farms to other than the tenants who then rented them.

Trust Farm No. 1, containing approximately 186 acres, was under yearly lease to Mr. John Pitzer, of Rankin; the other, designated as Trust Farm No. 2, was leased to Mr. Leslie Irvin. It seemed advisable to change the tenant on Trust Farm No. 1, and Mr. Pitzer was given written notice August 1, 1923, according to conditions in the lease, that the University did not care to renew the lease for another year. Mr. Claude McDonald of Rankin was secured as tenant in the place of Mr. Pitzer and is now on the farm. The lease with Mr. McDonald was approved as far as the legal phases were concerned by the Legal Counsel, Judge Harker, and as for the other provisions, by the Department of Farm Organization and Management of the College of Agriculture. The lease with Mr. Irvin on Trust Farm No. 2 was extended for one year.

According to the Trust Deed, Mr. and Mrs. Carter were to receive the receipts of the farms for 1923. During the summer, however, they decided that it would not be necessary for them to receive the income of the farms for that year, and during the year have turned the income into the University as shown in the following report from the Comptroller.

LLOYD MOREY
Comptroller

There have been deposited in the safe keeping of the Secretary of the Board of Trustees, the following records and documents concerning the Trust Farms:¹

- Correspondence about ditch on Section 12
- Blue prints of ditch (obsolete)
- Plan of part of tile laid on Section 12
- Warranty deed on Section 12 and Survey of farm
- Agreement with Village of Rankin, in relation to sewer on Section 12
- Statement showing amount paid for paving of street. Contract
- Receipt for paving
- Village assumes care and risks for paving
- Receipt for tax for water mains, etc.

In addition to these papers, the leases with Mr. Pitzer (former tenant on Trust Farm No. 1) and with Mr. Irvin, tenant on Trust Farm No. 2, are on file in Dean Mumford's office.

It will be necessary to make some repairs on the buildings and to replace and repair some of the fences on both farms. Some one should be authorized by the Trust Committee to take the responsibility of acting for the committee in such matters.

As soon as the Dean of the College of Agriculture knew that the Carter-Pennell farms had been accepted by the University under the provision that but ten percent of the gross receipts of the farm could be used for the upkeep and administration of the farms, a successful attempt was made to have that provision of the deed interpreted,

¹As listed in Mr. Carter's letter of transmittal, August 25, 1923, to Dean Mumford.

and Mr. and Mrs. Carter executed a document which now makes possible the expenditure of as much as twenty-five percent for such purposes. It is our judgment that that percentage should be spent each year during the succeeding years, or until such time as the fences, buildings, and fertility of the land are put in a shape that will make it possible for the University to carry out the wishes of Mr. and Mrs. Carter in operating the farms as an example of good husbandry.

Respectfully submitted by the Trust Committee,

D. KINLEY

President

M. S. KETCHUM

Dean of the College of Engineering

RUTH A. WARDALL

Head of the Department of Home Economics

H. W. MUMFORD

Dean of the College of Agriculture

Submitted in accordance with the action of the Board of Trustees University of Illinois, April 11, 1923.

On motion of Mrs. Busey, this report was referred to the Committee on Agriculture for examination and report.

DRAINAGE OF HORTICULTURAL TRACT AND SURROUNDING LAND

(8) A year ago a recommendation was made to proceed with tiling and draining the Horticultural tract and surrounding land. A study of the situation showed that no proper outlet could be obtained without considering the drainage of a much larger tract than that owned by the University. Accordingly I requested the Supervising Architect to have a survey made, and to report to me the result of the survey and any recommendations he had to make concerning the whole project.

He made such report on January 5, enclosing a report of a drainage outlet for the south farm land prepared by Mr. J. G. Melliush. The Supervising Architect states that the results of the investigation indicate the need of creating a drainage district and expresses the opinion that we, being the largest property owners, should take the initiative in forming such a district. Our share of the assessment would be about \$10,000. After the district was formed we should have an adequate outlet and then could proceed with the drainage of our own present areas.

I submit this report of Professor White, as given in his letter dated January 25, 1924, the report of the engineer, a letter from our Legal Counsel advising as to method of procedure, and a report from the engineer of interviews with land owners along the line of the Embarrass river, and recommend that this whole matter now be referred to the committee on Buildings and Grounds, or other such committee as the Board sees fit, for examination and recommendation if possible by the June meeting of the Board.

On motion of Mr. Blair, this matter was referred to the Committee on Buildings and Grounds for consideration and report by the June meeting if possible.

PAVING FIRST AND FOURTH STREETS, CHAMPAIGN

(9) A recommendation from the Supervising Architect that the City of Champaign be requested to pave First street and Fourth street south from Armory avenue to the present corporation line, with a pavement thirty-six feet wide similar to that now on South Sixth street. The University's share of the expense is estimated at about \$40,000.

On motion of Mr. Armstrong, this recommendation was approved.

STADIUM APPROACHES

On motion of Mr. Trees, it was voted to authorize the paving of South Fourth street from the Corporation line to Florida avenue,

as follows: an 18 foot concrete pavement with 9 foot macadam shoulders and curbing on each side, from the corporation line to the south limit of the proposed tennis courts at the north-east end of the Stadium; and an 18 foot concrete pavement from this point to Florida avenue (including the intersection); also to approve the necessary grading of Fourth street and the construction of the tennis courts mentioned above.

At this point, President Noble returned.

On motion of Mr. Trees, the construction of a board walk 40 feet wide from the corporation line at First street diagonally across the field to the north-west corner of the Stadium was authorized.

PLATTING AND SALE OF ATHLETIC ASSOCIATION TRACT

(10) A report on the proposal to plat and offer for sale a part of the tract near the Illinois Central tracks which was purchased from the Athletic Association.

On motion of Mrs. Evans, this matter was referred to the Committee on Buildings and Grounds for consideration in connection with the College Place projects and for report at the May meeting of the Board; and the Supervising Architect was instructed to obtain options and estimates of the cost of completing the purchase of the south half of College Place and the removal of the houses to the Athletic Association tract.

At this point, Mr. Blair withdrew.

USE OF THE GREEN ROOM IN THE WOMAN'S BUILDING

(11) Not infrequently we have requests for the use of the green parlor on the first floor of the Woman's Building for art exhibits. This use throws it open to the public for considerable periods of time. In my opinion the limitation of the use of the building to the purposes of the young women of the University ought to be the controlling factor.

I suggest that the Board Committee on Student Welfare consider and report to the Board on this matter at its next meeting.

On motion of Mr. Armstrong, this matter was referred to the Committee on Student Welfare for consideration and report.

HONORS DAY

(12) A problem which is being widely discussed in college and university circles is the promotion of interest in scholarship among undergraduates. We have been considering the matter for some time. At the meeting of the University Senate held April 7 a report was made by the Committee on Educational Policy, discussed, and, in substance, adopted by the Senate for recommendation to the Board. It proposes the establishment of an annual University Honors Day, of which the main features shall be as follows:

1. On Honors Day there shall be a University Convocation to be addressed by some speaker. The members of the Senate shall wear academic costume.

2. Announcements shall be made of undergraduate students who have distinguished themselves in scholarship during the previous University year, and also announcements of organized groups whose average of scholarship is above a certain grade.

3. Announcements shall be made of the winners of cups or other trophies for scholarship by the various fraternities, sororities, and other organizations, awarded by any individual or organization within the period between convocations, provided such individuals and organizations are willing thus to participate.

Details of this general arrangement are not yet perfected.

I request approval of the general proposition in accordance with the recommendation of the Senate, and request an appropriation of \$1000 from the Reserve and Contingent Fund to purchase the necessary equipment and to meet other expenses.

On motion of Mr. Trees, this plan was approved, the details to be worked out by the University Senate. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Noble, Mr. Small.

REGISTRAR'S REPORT OF FEES

(13) The following report from the Registrar:

March 21, 1924

President David Kinley, 355 Administration Building

DEAR MR. PRESIDENT:

I transmit herewith the Registrar's report of fees for the first semester, 1923-24. This is for presentation to the Board of Trustees in accordance with the usual procedure.

Very truly yours

G. P. TUTTLE

UNCOLLECTIBLE STUDENT LOANS

(14) The Comptroller recommends that the following notes of the McKinley Student Loan Fund be written off against the income of this fund:

Note of Rudolph A. Faust, Class of 1920, Dated December 5, 1919, and due July 1, 1922, for \$150—on account of decease of maker who left no estate and whose parents have been unwilling to assume the obligation.

Notes of R. D. McIntosh, Class of 1910, Dated in 1909 and 1910 and all maturing in 1912, total \$250. Loans were made by Mr. McKinley prior to turning over the funds to the University. We have never been able to locate Mr. McIntosh.

I recommend approval of this request and that the notes be written off against income of the Fund, as requested.

On motion of Mrs. Grigsby, this recommendation was adopted.

CREDIT IN STENOGRAPHY AND TYPEWRITING

(15) The Senate asks approval of a recommendation that one unit of credit in typewriting apart from shorthand be given for admission, according to conditions laid down by the Senate; and two units for shorthand and typewriting together, under specified conditions.

On motion of Mrs. Evans, this recommendation was approved.

FEES FOR COURSES IN LAW

(16) A recommendation that beginning September, 1924, the students of other colleges than the College of Law shall pay a fee of \$1.00 a semester hour for courses in Law in which they register in addition to the regular incidental fee.

On motion of Mrs. Grigsby, this recommendation was concurred in.

BEQUEST OF MRS. ALBERTINA GEHRMANN

(17) The following report from the Legal Counsel:

I have received copy of the will of Mrs. Albertina Gehrman, deceased. Paragraph three, relative to the bequest to the Board of Trustees, reads as follows:

"*THIRD*: I bequeath to the Board of Trustees of the University of Illinois the sum of Ten Thousand Dollars (\$10,000) for the establishment and support of a Lectureship in the College of Medicine of the University of Illinois in memory of my husband, the late Doctor Adolph Gehrman, to be known as the ADOLPH GEHRMANN LECTURESHIP. It is my will that the lectures shall be in the field of bacteriology and hygiene so long as the same shall be a part of the curriculum of said college. In the event it shall cease to be a part of said curriculum, then it is my will that the lectures shall be in some other line of medical science, or of public health, to be determined upon by said Board of Trustees upon the recommendation of the faculty of said College of Medicine."

The will was admitted to probate by the Probate Court of Cook County on the 18th day of March. The executor nominated by the testatrix and appointed by the court is Felix Gehrman, brother-in-law of the testatrix. The \$10,000 bequeathed to the Board of Trustees is not available at this time. The funeral expenses and debts must be paid first.

As soon as the administration of the estate shall have proceeded to the extent of paying funeral expenses and debts, there will be an order made by the court for the payment of the sums bequeathed. First, the household and personal effects of the deceased and the sum of \$5,000 to Felix Gehrman. Second, the \$10,000 to the Board of Trustees. The board will doubtless be required to make formal acceptance and obligate itself to carry out the provisions of paragraph 3 relating to the establishment of the lectureship, etc.

This report was received for record.

LEASE OF PERCIVAL LAND

(18) A report that the lease of the Percival land was executed on March 15, as follows:

THIS INDENTURE, Made and entered into this 15th day of March, A. D., 1924, Between J. H. Percival, of the first part, and the Board of Trustees of University of Illinois, of the second part,

WITNESSETH, That the party of the first part, for and in consideration of the covenants and agreements hereinafter mentioned, to be kept and performed by the party of the second part, has, by these presents demised and leased to the party of the

second part, the following described land, to-wit: The South $\frac{1}{2}$ of the Southwest $\frac{1}{4}$, and the Southwest $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of Section 19, Township 19 North, Range 9 East, in the County of Champaign and State of Illinois, containing about 120 acres.

TO HAVE AND TO HOLD THE SAME, to the party of the second part, from the 15th day of March, A. D. 1924, to the 1st day of March, A. D. 1927. And the party of the second part, in consideration of the leasing of the premises as above set forth, covenants and agrees with the party of the first part, to pay the party of the first part, at Champaign, Illinois, as rent for same, in the manner following, that is to say, fifteen dollars (\$15.00) per acre annually, to be paid July 10th of each year this lease remains in force and if the option hereinafter described is not exercised the party of the second part agrees to leave at the expiration of this lease as many acres of wheat seeded on the land leased as there are seeded to wheat at the present time, or in lieu thereof pay the first party two hundred dollars (\$200.00).

And the party of the second part covenants with the party of the first part that at the expiration of the term of this lease, he will yield up the possession to the party of the first part, without further demand or notice, in as good order and condition as when the same was entered upon by the party of the second part, loss by fire, or inevitable accident, and ordinary wear excepted.

And it is further expressly understood and agreed between the parties hereto, as follows:

The party of the first part hereby further agrees that the party of the second part shall have the right at any time during the life of this lease to purchase the entire above described property, or the entire above described property and the North $\frac{1}{2}$ of the Northwest $\frac{1}{4}$ of Section 30, Township 19 North, Range 9 East, Champaign County, Illinois, at four hundred and fifty (\$450.00) dollars per acre.

IN WITNESS WHEREOF, the said J. H. Percival has set his hand and seal and the authorized officers of the Board of Trustees of the University of Illinois have attached their signatures, and its corporate seal.

LEAVE OF ABSENCE FOR PROFESSOR F. L. STEVENS

(19) I recommend that Professor F. L. Stevens be granted leave of absence on one-half pay for the year 1924-25, under the rules of the University for such absences.

On motion of Mr. Armstrong, this leave was granted.

ABSENCE OF MR. A. K. MACKAY

(20) The Dean of the College of Agriculture recommends that Mr. A. K. Mackey, Assistant in Animal Husbandry, be permitted to be absent from May 17 to August 29 to make some inquiry into the conditions surrounding the western range sheep industry. I concur in this recommendation.

On motion of Mrs. Busey, this recommendation was concurred in.

ABSENCE WITHOUT PAY FOR MISS FANNIE DUNLAP

(21) Director P. L. Windsor of the Library recommends that Miss Fannie Dunlap, Reference Librarian in the Library for several years, be permitted to be absent without pay for two months from June 1, in order that she may spend the summer in Europe. I recommend approval.

On motion of Mrs. Busey, this leave was granted.

ABSENCE OF MR. VERNON VANIMAN

(22) Dean Mumford recommends that Mr. Vernon Vaniman, Assistant State Leader of Farm Advisers, be granted a three months' leave of absence without pay, beginning April 15, 1924, for service in the Illinois Agricultural Association to assist in interesting the farmers' elevators of the state in better systems of accounting and auditing.

I concur in the recommendation.

On motion of Mr. Armstrong, this leave was granted.

RESIGNATION OF PROFESSOR ARTHUR S. PEASE

(23) Professor Arthur S. Pease, who has been a member of our staff since 1909, has accepted a call to Amherst for service beginning with the academic year, 1924-25. I recommend that his resignation be accepted, effective August 31 next.

I cannot let the occasion pass without expressing the regret felt by all of us in the withdrawal of Professor Pease. His fine personality, his high scholarship, and his skill as a teacher have made him a very valuable member of our faculty and have endeared him to all who know him.

On motion of Mrs. Grigsby, this resignation was accepted with regret.

NEW PROFESSORSHIP IN LAW

(24) A request for authority to appoint Mr. Elliott Cheatham Professor of Law, at a salary of \$6000 a year, for two years beginning September 1, 1924.

This appointment was authorized.

APPOINTMENT OF WILLIAM ARTHUR FOSTER

(26) Dean Ketchum, on request of Professor Provine, of the Department of Architecture, recommends the appointment of Mr. William Arthur Foster to be Assistant Professor of Rural Architecture, in the Department of Architecture, at a salary of \$3500 a year effective September 1, 1924.

On motion of Mrs. Evans, the President of the University was authorized to make this appointment.

APPOINTMENT OF A. C. CALLEN

(26) A request for authority to appoint Mr. A. C. Callen Professor and Head of the Department of Mining Engineering, at a salary of \$6000 a year, beginning September 1, 1924.

On motion of Mr. Trees, this appointment was authorized.

PROFESSORSHIP IN SECONDARY EDUCATION

(27) A request for authority to appoint a professor of secondary education at a salary not to exceed \$4000 a year.

This appointment was authorized.

NEW POSITION IN CROP PATHOLOGY

(28) Professor Burlison has for some time urged, with the approval of Dean Mumford, the necessity of a new position in Crop Pathology, and asks that the position of associate be added to the positions already existing, and that Benjamin Koehler, now Assistant Pathologist, Bureau of Plant Industry, Washington, be appointed to the position at a salary of \$2750 a year, for a period of 1 year and 2½ months, beginning June 15, 1924.

I recommend that this addition to the staff positions in this department be authorized, and request authority to make the appointment as described.

On motion of Mr. Armstrong, the President of the University was authorized to make this appointment.

DEATH OF PROFESSOR N. C. RICKER

On motion of Dr. Noble, the following resolution was adopted:

The Board of Trustees has heard with great sorrow of the death on March 19 of Doctor Nathan Clifford Ricker, Professor of Architecture, *Emeritus*, and a member of the first class of the University.

Professor Ricker was one of the outstanding figures in the annals of the University. His influence on architecture and his contributions to it are great and many. His service to the University covered more than half a century.

THEREFORE BE IT RESOLVED that The Board of Trustees hereby expresses its great sorrow at the loss of a distinguished graduate and member of the faculty of the University and expresses to his daughter, Miss Ethel Ricker, the sincere sympathy of the Board; and,

BE IT FURTHER RESOLVED that this resolution be spread on the records of the Board and a copy transmitted to Miss Ethel Ricker by the President of the University.

SALARY OF THE LATE PROFESSOR RICKER

(29) A recommendation that Professor Ricker's salary as Professor of Architecture, *Emeritus*, for the remainder of the present academic year be paid to his daughter, Miss Ethel Ricker.

On motion of Mr. Armstrong, this recommendation was approved.

SALARY OF PROFESSOR MacGILLIVRAY

(30) A recommendation that Professor MacGillivray's salary be paid to his widow for the rest of the academic year (to September 1, 1924).

On motion of Mr. Trees, this recommendation was approved.

REPORT ON CROCKERLAND EXPEDITION

(31) Several years ago the University cooperated with the so-called McMillan Arctic Expedition, also known as the Crockerland Expedition. We sent two of our staff as members of the exploration party, and contributed money towards the expenses of the expedition, in return for which we received very valuable contributions to our museums.

For one reason and another, the scientific results of the expedition have not yet been written up. President Henry Fairfield Osborn, of the American Museum of Natural History, under whose auspices the Crockerland Expedition was undertaken, has written me asking whether the University will make a contribution towards the preparation and printing of reports of discoveries made by the expedition on geography, geology, botany, ornithology, and mammalogy. I recommend that the University share the expenses of the project to the extent of \$1500, payment to be made according to arrangements made between the President of the American Museum of Natural History and the President of the University, the amount to be appropriated from our Reserve and Contingent Fund.

On motion of Mrs. Evans, this recommendation was adopted. The appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no, none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

REQUEST FOR THE USE OF CERTAIN MILITARY EQUIPMENT

(32) The Commanding General of the Sixth Corps Area, Major General Harry C. Hale, informs me that the War Department desires to hold a camp of instruction for reserve officers and artillery R. O. T. C. basic students near Taylorville and requests the use of certain military property for the purpose.

I recommend that the University authorize the use of such horses and artillery material as may be indicated by General Hale for the purpose above mentioned.

On motion of Mrs. Evans, this recommendation was adopted.

INSURANCE ON CHICAGO BUILDINGS

(33) The Comptroller informs me that agencies which handle our fire insurance on Chicago buildings have called his attention to the desirability of increasing the amounts of insurance carried, in order that the amounts may conform to the requirements of the 80% clause on the basis of which the insurance is carried. The present insurance is carried by authorization of the Board, November 9, 1921.

On motion of Mrs. Evans, this matter was referred to Mr. Trees for investigation and for report to the Board.

INTERPRETATION OF THE RULE REGARDING CONTRACTS

(34) A rule of the Board regarding contracts provides that: "Minor contracts and those involving the purchase of ordinary supplies, advertising and publicity matters, and other routine matters in the ordinary operation of University affairs, shall be signed by the Secretary of the Board of Trustees and by the Comptroller of the University, to whom authority is hereby delegated by the Board for such purpose."

Some time ago a question was raised as to the meaning of the term "minor contracts." The term has never been defined by the Board. In exercising the authority granted him, the Comptroller has always interpreted this phrase "minor contracts" as meaning, in about the same sense, as "routine contract." That is to say, he never makes a contract, even for an inconsiderable amount of money, unless an appropriation for the purpose has already been made, and unless it is clearly within the established policy of the Board as based upon previous procedure, and does not involve any new point of practice.

Every contract for work in which competition is possible is, of course, let only after such competitive bidding. The Comptroller has prepared a list of contracts executed by him and in force on March 27, 1924. Most of the list which follows is, of course, for house and experimental farm leases and other matters long well settled.

On motion of Mr. Armstrong, this report was received for record, and the Comptroller was authorized to renew these leases whenever it may be necessary.

CAHOKIA MOUNDS EXPLORATION

(36) As you are aware, the University has conducted for the past two or three years certain explorations of the Cahokia Mounds. The owners of the principal mound, known as Monks Mound, are now unwilling to have further explorations made.

Dr. Moorehead, who has been our agent in this work, writes me that, under the circumstances, it is his opinion and advice that he be permitted to put in about a month more in this exploration, in order, as he says, "that he may round out our previous finds and observations."

I recommend that an appropriation be made from the Reserve and Contingent fund of \$1 100, or so much thereof as may be needed for the purpose of rounding out our present explorations of the Cahokia Mounds,—\$250 of this amount to be an honorarium for Dr. Moorehead.

On motion of Mr. Armstrong, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees, Mr. Trimble; no none; absent, Mr. Blair, Mrs. Blake, Mr. Small.

¹These leases will not be renewed, as it is expected that the houses will be sold during the summer. *

REPORT OF STADIUM COMMITTEE

(37) A report of a meeting of the Stadium Executive Committee.

April 11, 1924

President David Kinley, University of Illinois

DEAR PRESIDENT KINLEY:

The Executive Committee of the University of Illinois Memorial Stadium Fund held a meeting on Wednesday, April 9th, in the office of Chairman Robert F. Carr, in Chicago, for the purpose of determining the extent to which building operations should be carried during the present season. After careful thought and deliberation the conclusion was reached to press construction work to completion in order to have the building, including its memorial features, ready for dedication at the Homecoming game on October 18th next. To carry out this plan will call for the borrowing of a considerable sum of money in anticipation of collections from installments which do not mature for a period of time from three months to twenty-one months, and even longer, after the construction period. This decision was reached by the Committee because of its full confidence that we will collect not less than eighty percent of the total amount subscribed and possibly a larger percent eventually.

The Committee instructed Chairman Carr to address a communication to the Board of Trustees requesting the Board to pave First and Fourth Street and to remove the cottage and out-buildings which now stand at the northeast corner of the east stand of the Stadium. It was felt that if we should have a repetition of the unfavorable weather which prevailed at the Inaugural game last fall, the Stadium could not live down the reputation for many years to come and therefore the paving seems to us imperative.

Very sincerely yours

C. J. ROSEBERY

LEGALITY OF DELEGATING SIGNATURE OF WARRANTS

(39) In view of the discussion of the last Board Meeting of the legality of delegating the signature of the officers of the Board, I report that the Legal Counsel has already given an opinion on this matter, as shown by the minutes of the meeting of the Board of Trustees on June 9, 1914, page 768.

This report was received for record.

OPINION ON INSPECTION OF PLANS OF FRATERNITY HOUSES

(40) An opinion from the Legal Counsel on the legality of the rule requiring that plans for fraternity houses be submitted to the Council of Administration.

March 19, 1924

President David Kinley, Administration Building

MY DEAR PRESIDENT KINLEY:

In response to your request for an opinion upon the recommendation of the Council of Administration to the Board of Trustees that fraternities and other University organizations, planning to build chapter houses or occupy chapter houses built for them, be "required to submit their house plans to the Council of Administration for approval so far as concerns the arrangements for study, living cost within the reach of the student from the average home" etc., made December 15, 1923, I am pleased to submit to you the following:

If the University may exercise any such authority as that contemplated by the recommendation it can do so only as a disciplinary measure. Does it come within the realm of power which the Board of Trustees, directly or by delegation, may exercise with reference to student discipline? In matter of student control, our courts recognize a decided difference in the powers which the governing body of a denominational or privately endowed institution may exercise from those which may be exercised by the governing body of a state or tax supported institution. It was so announced by the Supreme Court of Illinois nearly sixty years ago in *People ex rel Pratt v. Wheaton College*, 40 Ill. 186. Wheaton College, an incorporated institution resting upon private endowment, and deriving no aid from the state or from taxation, adopted a rule forbidding students to become members of secret societies. Hartley Pratt, a student, joined a secret society known as the Good Templars and was suspended for violation of

the rule. In a suit by mandamus to compel the college to reinstate him, the Supreme Court, although it was shown that the society was established for the promotion of temperance and its objects were beneficent, held that the institution, resting as it does on private endowment, and receiving no aid from taxation, had the right to adopt and enforce any rule which did not actually violate good morals or the law of the land. Such a rule could not obtain in this or any other educational institution supported by taxation. A student who had fulfilled entrance requirements and was making good in his studies could not be dismissed for the simple reason that he had joined a society like the Good Templars.

It must not be understood, however, that, because this is a tax supported institution, the Board of Trustees has not under its general powers any right to regulate fraternities or sororities. In fulfilling its obligations to the state the Board is charged with adopting and enforcing the most efficient measures for the education (moral and intellectual) of the youth that come to us.

It has the power to require every sorority to employ and take into the house a chaperon approved by the Dean of Women or the Council of Administration. If a fraternity should persist in allowing the use of intoxicating liquor or gambling in its house or in conducting the house in such a way as to interfere with wholesome study, the Board directly or by delegation, could order the house closed as to all students.

What the Board may do in the way of establishing and enforcing rules for student conduct was very well outlined by Judge Wilkin in the somewhat noted case of *North v. The Board of Trustees of the University of Illinois*, 137 Ill. 296. The case recognizes the right of the governing body of a tax supported educational institution to prescribe rules regulating the conduct of students aside from class room work. The consensus of opinion in Illinois and elsewhere is that in establishing and enforcing rules for discipline, large discretion is vested in the governing body. The Courts will not interfere, by mandamus or otherwise, unless the rules are unreasonable or the discretion has been abused.

If the Board, in discharging its duty to the state and its youth, is vested with the discretion mentioned, then I can see no impropriety or excess of power in requiring all fraternities and other University organizations, which plan the building of chapter houses to submit their house plans to the Council of Administration for approval so far as concerns arrangements for study, sanitation, and wholesome living. If the plans should elaborate space for social life and pleasure to the detriment of space for study rooms, the Council of Administration would be justified in disapproving the plans. If, for instance, large space was given for dancing rooms, billiard rooms, and the like, and small space for study rooms, the Council of Administration should not only disapprove but advise the fraternity that if such a house were erected students would not be permitted to live in it.

Respectfully submitted,

O. A. HARKER
Legal Counsel

This report was received for record, and the President of the University was requested to present a revised statement of the rule concerning the plans for fraternity houses.

UNIVERSITY OF ILLINOIS

This report was received for record.

RULE GOVERNING SABBATICAL LEAVE OF ABSENCE

(42) A recommendation that the rule in the University Statutes (edition of 1908) be amended to read as follows, in conformity with the action of the Board on June 12, 1900.

A professor, associate professor, or assistant professor who has served seven consecutive years, and requests it, may be given a leave of absence for the purpose of foreign study for one year on half pay; *provided*, that these permits shall only be given on the advice of the President, and shall not be given so as to conflict with each other in any way, or to hamper the work of the University. A professor taking such leave of absence shall pledge himself to remain at the University for three years after his return, at the salary of his grade; and the University in return shall agree to retain him in its service during his leave of absence and for one year thereafter.

On motion of Dr. Noble, this recommendation was adopted.

INVESTIGATION OF MILCH GOATS

(43) At the meeting of the Board on March 12, 1924, I reported, in accordance with your action of September 25, 1923, on an inquiry as to the advisability and feasibility of establishing a herd of milch goats at the University with a view to the developing of the goat industry and the promotion of the use of goat's milk for children. I request now that this report in substance as made in my report at the March meeting be made a part of the records of the Board.

The report of the committee discusses the present distribution of milch goats, their importance in relation to other farm animals, their acquisition and maintenance, and the probable cost thereof. The conclusions of the committee on the whole matter are that milch goats are not of sufficient economic importance to justify the abandonment of any established work of the Experiment Station, or to establish and maintain a herd and conduct investigations of goats and goats' milk.

In view of the report of the committee, I cannot advise you that the University would be justified in undertaking this project as an addition to our present work, either from the point of view of its economic importance, or of its hygienic or public health importance. Nor would we be justified in substituting it for any established work.

This report was received for record.

TIME OF MAY MEETING

On motion of Mr. Trimble, it was voted to hold the May meeting at 8 a. m. on Saturday, May 17, 1924, at Urbana.

On recommendation of the Committee on Agriculture and on motion of Mr. Trees, the report of the Carter-Pennell Trust (page 447) was accepted.

INSURANCE ON CHICAGO BUILDINGS

Mr. Trees reported progress on the investigation of the matter of insurance on the Chicago buildings.

USE OF WOMAN'S BUILDING

Mrs. Evans, for the Committee on Student Welfare, reported progress on the investigation of the use of the Woman's building for public exhibitions.

REPORT OF COMMITTEE ON PLANTING

Mrs. Blake, for the Committee on Horticultural Planting, presented the following report:

The Committee on Horticultural Planting met on Friday, May 16, 1924. Present: Dr. Noble, Mrs. Busey, and Mrs. Blake; also Mrs. Evans, Professor Blair, and Professor White.

The Committee recommends that the forestry tract shall now be treated as a decorative grouping of trees, that some trees be thinned out, allowing the others to develop more fully, and that new specimens be planted on the west side, thus developing an attractive grouping for a background for the campus.

The Committee recommends that a service drive be constructed from Lincoln Avenue to the rear of the Hospital.

On motion of Mrs. Evans, these recommendations were adopted.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

LAW JOURNAL

- (1) A recommendation concerning the publication of a Law Journal.

Action on this matter was deferred until the next meeting.

PROFESSORSHIP IN SECONDARY EDUCATION

- (2) At the meeting in April I received authority to appoint a professor of Education to succeed Assistant Professor Paul E. Belting, at a salary not to exceed \$4000 a year. This should have been \$4500. On consulting with the President of the Board I have appointed Professor John A. Clement, of Northwestern University, to this position at a salary of \$4500 a year.

On motion of Mrs. Busey, this action was approved.

ASSIGNMENT OF PERCIVAL LAND

(3) The Director of the Agricultural Experiment Station requests that the Percival land be assigned to the College and Experiment Station for the use of their various departments, as determined by the Dean and Director, and approved by the President of the University.

On motion of Mrs. Grigsby, this recommendation was approved.

**COOPERATIVE INVESTIGATION IN ENGINEERING
EXPERIMENT STATION**

(4) The following letter from Dean Ketchum, with accompanying documents, is submitted.

May 15, 1924

President David Kinley, University of Illinois

MY DEAR PRESIDENT KINLEY:

Mr. W. L. Abbott, representing the Commonwealth Edison Company, The Peoples Gas Light and Coke Company, Public Service Company of Northern Illinois, Middle West Utilities Company, Chicago Rapid Transit Company, and Chicago North Shore and Milwaukee Railroad Company, has offered to give the University of Illinois \$25,000 per year for two years to assist the Engineering Experiment Station in carrying on cooperative investigations of certain problems.

The sum of \$25,000 is to be divided between the different investigations as follows:

Fatigue of Structural Parts.....	\$7,500
Aging of Porcelain.....	6,500
Refractories.....	6,000
Boiler Feed Water Treatment.....	5,000

I am enclosing herewith two copies of Articles of Agreement covering the proposed cooperative investigations. These Articles of Agreement have been prepared in conference with Mr. Abbott and Judge Harker.

I wish to recommend that Mr. Abbott's offer of \$25,000 a year for two years for cooperative engineering research be accepted.

Very truly yours,

M. S. KETCHUM

ARTICLES OF AGREEMENT, entered into this.....day of....., 1924, between the Board of Trustees of the University of Illinois, hereinafter called the Engineering Experiment Station, Party of the First Part, and W. L. Abbott (representing Commonwealth Edison Company, The Peoples Gas Light and Coke Company, Public Service Company of Northern Illinois, Middle West Utilities Company, Chicago Rapid Transit Company, and Chicago North Shore and Milwaukee Railroad Company), hereinafter called the Utilities Research Committee, Party of the Second Part, for cooperative investigations of (1) Fatigue of Structural Parts, (2) Aging of Porcelain, (3) Refractories, and (4) Boiler Feed Water Treatment, by the University, through its Engineering Experiment Station, a division of the University, under the following terms and conditions:

(1) This agreement is executed for a period of two years, beginning June 1, 1924, with the understanding that it may be extended for additional periods under the same terms, or such other terms as may be mutually agreed upon.

(2) The Engineering Experiment Station will have full control and direction of all experimental work and the computation and reduction of all results obtained, together with the placing of these data into form for presentation.

(3) The Engineering Experiment Station will furnish the necessary room for these investigations, together with heat, light, power, and water. In addition, it will permit the use of such laboratory apparatus as it may possess, which is not in use for other purposes.

(4) The salaries of special investigators employed in the conduct of the particular investigations, the cost of materials and special apparatus needed for the work and not already available in the Engineering Experiment Station laboratories, and the cost of engravings and printing in the publication of the results of the investigations shall be charged against the funds provided by the Utilities Research Committee for this purpose.

(5) For the purpose of keeping the Utilities Research Committee in touch with the work of the Engineering Experiment Station, the Utilities Research Committee shall appoint a subcommittee for each major subject of investigation, whose duty it shall be to advise with the officers of the Engineering Experiment Station regarding the prosecution of the work and the preparation of the report.

(6) (a) All records of the investigations are to be the property of the University of Illinois and they are to be kept on file by the Engineering Experiment Station. (b) The Engineering Experiment Station shall have the exclusive right to publish, and shall prepare and publish such of the results of the investigations as may appear desirable to both parties. No publicity shall be given to any of the results of the investigations prior to the publication of these results by the Engineering Experiment Station, except upon the recommendation of the Utilities Research Committee and by agreement with the Executive Staff of the Engineering Experiment Station. In every publication, proper credit shall be given the Utilities Research Committee and every one who has made a significant contribution to the results obtained.

(7) The Utilities Research Committee and its authorized representatives shall at all times have access to the data secured and to the computed results of the tests, subject, however, to the restrictions named in Article 6; and from time to time the Engineering Experiment Station will make such progress reports as the Utilities Research Committee may request.

(8) All research assistants, mechanics, clerks, and other help necessary for the effective prosecution of these investigations will be employed by the University through the Engineering Experiment Station and paid from the funds provided by the Utilities Research Committee. The members of the special staff for these investigations are to be regarded as members of the Research Corps of the Engineering Experiment Station during their connection therewith.

(9) The Utilities Research Committee agrees to pay to the Board of Trustees of the University of Illinois, during each year of the life of this agreement, the sum of \$25,000 divided between the different investigations as follows: (1) Fatigue of Structural Parts, \$7,500 per year; (2) Aging of Porcelain, \$6,500 per year; (3) Refractories, \$6,000 per year; (4) Boiler Feed Water Treatment, \$5,000 per year.

Within ten days after the execution of this agreement the Utilities Research Committee shall pay to the Board of Trustees of the University of Illinois an initial sum of \$2,500 and thereafter shall maintain in the special fund for each investigation, within the limit for each year in the preceding paragraph stated, a balance of not less than \$500 until such investigation is completed or terminated, in which event any remaining balance shall be returned to the Utilities Research Committee.

The money contributed for these investigations shall be held as special funds and shall be so carried on the books of the Comptroller of the University. Payments from these funds shall be made only on vouchers approved by the Director of the Engineering Experiment Station for this work. On July 1st and quarterly thereafter the Engineering Experiment Station shall render to the Utilities Research Committee a report of the expenditures made on each subject during the previous quarter, with an estimate of the amount of additional funds required for each subject for the succeeding quarter.

It is understood and agreed that the payment of the above sums as stipulated is conditioned upon the conduct of the investigations by the Engineering Experiment Station with due diligence so as to secure the greatest possible progress consistent with the nature of the work.

The Utilities Research Committee reserves the right to discontinue, after discharging all obligations incurred, the expenditure for any of the several lines of investigations, or with the approval of the Engineering Experiment Station to change the distribution of the funds to the several lines of investigation, or to substitute new lines of investigation.

GRADUATION WITH HONORS

(5) The University Senate recommends that the present system of college honors be replaced by a University system, that special honors be discontinued, and that graduation with honors be substituted and made available for all colleges of the University, in accordance with the following plan:

It is recommended that the plan here submitted for Honors Day and for graduation with honors shall be applicable to those undergraduate students at Urbana who are enrolled in the College of Education or in a four-year curriculum requiring only high-school preparation for matriculation.

Where the term *average* appears in this report, it is to be understood to imply the same method as that used by the University for determining the average grade of students for other purposes, for example in the selection of a Valedictorian, or in the determination of group averages.

I. *HONORS DAY*. The Committee recommends that there be established an annual University Honors Day in accordance with the following plan:

1. That on Honors Day there shall be a University Convocation to be addressed by some distinguished speaker. The members of the Senate shall wear academic costume.

2. That announcement be made at that time of the winners of cups or other trophies for scholarship, awarded within the period between convocations and in accordance with conditions approved by the Council of Administration.

3. That election of students to those honorary societies be announced where the basis of election meets a standard of scholarship approved by the Council of Administration.

4. That announcement be made of those organized groups whose average is *equivalent* to 0.20 above the average of all undergraduates on the basis of the methods now employed by the University authorities in determining group averages.

5. That announcement be made of the names of undergraduate students who have distinguished themselves in scholarship during the two semesters previous to that in which the announcement is made; with the exception that in the case of freshmen the basis of award shall be the grades for the first semester.

There shall be three grades of such honors:

(a) The upper 10% of each class shall be entitled to have their names printed on the convocation program.

(b) The upper 3% of the sophomore, junior, and senior classes shall be entitled to wear a badge or other suitable emblem to be selected by a committee of three faculty and six student members appointed by the President of the University.

(c) Those seniors who are in the upper 3% of their class in both junior and senior years shall be entitled to have their names inscribed on a suitable tablet to be placed in the University Auditorium. After the fourth convocation on Honors Day, the names of those placed on the tablet four years before shall be removed from the tablet and transferred to a book kept by the University for that purpose. This book shall be a permanent record of the University.

6. The basis of award shall be the attainments of the student, or group of students as shown by the scholastic records on file in the office of the Registrar. The students and organizations to be given honors shall be selected by the University Senate upon the recommendation of the Council of Administration.

7. A student whose name is among the upper ten percent of his class in accordance with the foregoing plan at the convocation held in his junior year shall be permitted so to adjust the studies of his senior year as to allow him freedom to put a considerable proportion of his time on some selected subject of study or investigation under the supervision of the department concerned, provided that such arrangement shall not cause omission of prescribed subjects in set curricula except by special permission of the dean of his college. In lieu of a final examination the department may require such reports or theses as it deems most suitable. The amount of approved work which may be thus taken during the senior year shall not exceed the equivalent of a total of ten semester hours if taken within one department or of sixteen semester hours if in two departments. A student availing himself of the opportunity which this plan offers shall not register for more than a total of eighteen hours either semester of his senior year.

II. *GRADUATION WITH HONORS.* The Committee calls the attention of the Senate to the large variety of honors that have come to be offered at the University. For example, on pages 78 and 79 of the current Register, you will see that we offer Preliminary Honors in all colleges, Final Honors and Special Honors for the candidates for certain degrees, Freshman Honors in the College of Liberal Arts and Sciences, Graduation with Honorable Mention and with High Honors for candidates for the degree of bachelor of arts. It is the judgment of your Committee that honors should be of the University type and not of different kinds for different colleges and for different degrees.

The plan outlined for an Honors Day in the first part of this report would take the place of Freshman Honors in the College of Liberal Arts and Sciences, Preliminary Honors now awarded at the close of the sophomore year, and Final Honors at the close of the senior year. We therefore recommend that these types of honors be discontinued.

We recommend that special honors also be discontinued and that graduation with honors be substituted and made available for all the Colleges of the University.

The plan recommended for these honors is a modification of that now available for candidates for the A. B. degree and is as follows:

The University Senate may recommend candidates for the bachelor's degree with honors in a particular field under the following conditions:

1. For the degree with *Honorable Mention* the student must have received the grade of A in at least one-half of the semester hours accepted in satisfaction of the requirements for a major, or in a minimum of twelve hours in *approved courses* in his field of specialization, exclusive of beginning courses open to freshmen, and no grade below C in any of the work offered in his major or field of specialization. He must have attained a grade of not lower than B in

at least three-fourths of all other work which he presents for graduation, exclusive of courses during his freshman year.

2. For the degree with *High Honors*, constituting a recognition of work of exceptional merit, the student must have received the grade of A in at least three-fourths of the work offered in courses accepted in satisfaction of the requirements for a major or in a minimum of fifteen hours in *approved courses in the field of specialization*, exclusive of beginning courses open only to freshmen, and no grade below B in the work offered in his major or field of specialization. He must also have attained a grade not lower than B in at least three-fourths of all the other work which he presents for graduation, exclusive of courses taken during his freshman year. In addition, he must have completed satisfactorily at least ten hours in courses open to advanced undergraduates and graduate students, or courses approved for this purpose by the department in his field of specialization. He must either present an acceptable thesis or pass a comprehensive examination based upon a course of study approved by that department.

3. The thesis or course of study in the field of specialization shall carry credit for at least four semester hours, irrespective of whether the student eventually receives High Honors or not; and the instructor in charge shall report to the Registrar a grade for each semester, based upon the student's progress.

4. These distinctions shall be noted upon the student's baccalaureate diploma and in the Commencement Program and the Annual Registrar, and the winners shall receive special consideration in departmental recommendations for graduate scholarships and for professional positions.

On motion of Mr. Trees, these recommendations were adopted, effective September 1, 1924.

GRADUATION IN AGRICULTURAL EDUCATION

(6) The Senate recommends that 56 hours of technical agriculture instead of 50 be required for the degree of Bachelor of Science in agricultural education, so as to include all courses in technical agriculture prescribed for the degree of Bachelor of Science.

On motion of Mr. Armstrong, this recommendation was adopted.

RESIGNATION OF PROFESSOR STUART PRATT SHERMAN

(7) As you have learned from the newspapers, our esteemed colleague, Professor Stuart Pratt Sherman, has accepted a position with a New York newspaper, in charge of its literary edition.

Every one here regrets the loss of Professor Sherman. He has attained a commanding position—indeed, in my opinion, the first position—among writers in his field, in America. His writings have conserved the best traditions of the American spirit, and have given character and tone to American ideals and life. In this respect, he has done what, in my opinion, no other University professor of English literature has done. That is, he has not only attained a high reputation as a scholar; he has not only done great things, as others have, for his students; but in addition he has put his stamp on American literary public opinion, on that complex of social, philosophical, economic, and moral activities that we commonly call "American culture." This is a unique thing for an academic man to have done. There is little likelihood that this University, or any other in the country, will succeed in finding another man who can do this sort of thing in addition to the work expected and usually done, even by a great scholar, within academic circles.

I recommend with great regret that his resignation be accepted, effective August 31, 1924.

On motion of Mrs. Evans, this recommendation was concurred in.

PLYM FELLOWSHIPS AND SCHOLARSHIPS

(8) The following revised regulations governing the Francis J. Plym Fellowship in Architecture are recommended by the Committee through Dean Ketchum for approval:

1. That the Fellowship be assigned annually, and that the stipend thereof be twelve hundred dollars to be provided from the income from funds provided by Mr. Plym.

2. That the Fellowship be assigned for the present to graduates of the Department of Architecture in the University of Illinois, provided suitable candidates can be found among such graduates who will accept such Fellowship.

3. That a committee consisting of five members, two of whom shall be *ex-officio*, shall be constituted, to be known as the Francis J. Plym Fellowship Committee. The *ex-officio* members shall be the Head of the Department of Architecture at the University of Illinois, and the President of the Chicago Chapter of the American Institute of Architects; the remaining three members shall be appointed by the President of the University, each appointee to serve one year. The duties of the committee shall be to make rules and to administer the Fellowship and to nominate candidates for said Fellowship to the Board of Trustees.

The following regulations governing the new Plym Foreign Scholarship in Architectural Engineering are recommended by the Committee (Alfred H. Granzer, Chicago; J. C. Llewellyn, Chicago; N. Max Dunning, Chicago; Wm. J. Smith, Chicago; L. H. Provine, Urbana) for approval by the Board.

**PLYM FOREIGN SCHOLARSHIP
IN ARCHITECTURAL ENGINEERING**

1. That the Scholarship be assigned annually, and that the stipend thereof be seven hundred dollars (\$700.00), said amount to be provided from the income from funds provided by Mr. Plym.

2. That the Scholarship be assigned for the present to graduates of the Department of Architecture in the University of Illinois, provided suitable candidates can be found among such graduates who will accept such Scholarship.

3. That a committee consisting of three members, one of whom shall be *ex-officio*, shall be constituted, to be known as the Plym Scholarship Committee. The *ex-officio* member shall be the Head of the Department of Architecture at the University of Illinois; the remaining two members shall be a member of the Staff of Architecture and one practicing engineer who will be appointed by the President of the University, each appointee to serve one year. The duties of the Committee shall be to make rules and administer the Scholarship and to nominate a candidate for said Scholarship to the Board of Trustees.

On motion of Mrs. Blake, these regulations were adopted.

APPOINTMENT OF JOHN DONALD TUTTLE AS PLYM FELLOW

(9) The Plym Fellowship Committee reports through Dean Ketchum that it has awarded first place to Mr. John Donald Tuttle, of the Class of 1923 (420 South Spring Street, Los Angeles, California) in the competition for the Francis J. Plym Fellowship in Architecture, and nominates him as the eleventh Plym Fellow.

I recommend the approval of this nomination.

On motion of Mrs. Evans, this recommendation was concurred in.

AGREEMENT WITH THE WEST SIDE HOSPITAL

(10) I submit an agreement similar in its provisions to agreements entered into with other hospitals, providing that the West Side Hospital will admit our students as internes, and that the University will furnish such internes by recommending students to go to this hospital.

I recommend that it be approved, and that the Comptroller and the Secretary be authorized to execute it.

AGREEMENT

THIS INDENTURE, Entered into this 1st day of April, 1924, between the Board of Trustees of the University of Illinois, a corporation, hereinafter called "The University" and the West Side Hospital of Chicago, Illinois, hereinafter called "The Hospital."

WITNESSETH: 1. CLINICAL CLERKS OR EXTERNES: The Hospital admits as they may require without fees, and the University agrees to furnish as far as it is consistent with its teaching activities, a limited number of advanced students, who shall act as Clinical Clerks or Externes and perform the duties devolving upon them as such. They shall be furnished by the Hospital, suitable uniforms or gowns and while on duty shall rank below internes. They shall take histories of cases, and make all necessary physical and laboratory examinations as required by and under the direction of members of the Hospital Staff. They may also observe and assist as far as possible in operating on surgical cases and in the treatment and care of other cases under the constant supervision of the internes or staff members.

2. INTERNES: The University will furnish to the Hospital as far as it is able to do so, Internes, in such numbers as the Hospital may desire.

3. RELATIONS OF MEMBERS OF THE HOSPITAL STAFF TO THE UNIVERSITY: The University agrees to appoint as members of its staff of affiliated hospitals all physicians who are members of the staff of the Hospital at the date of the beginning of this agreement. The University will select all teachers in the College of Medicine.

4. SUPERVISION OF INTERNES AND EXTERNES: The work of the Hospital Internes and the supervision of the clinical clerks or externes shall be supervised by the members of the Hospital staff. Both internes and externes shall conform to all rules of the Hospital. Records of efficiency of the internes and of the attendants and of the work of the externes shall be kept by such persons as shall be designated by members of the Hospital Staff in conference with the Dean of the Medical Department of the University or of an agent designated by him from the Medical Faculty.

5. HOSPITAL NURSES: The University agrees to furnish opportunity for instruction in Anatomy on the Cadaver in the Medical College Building to the Nurses of the West Side Hospital of Chicago Training School for Nurses to the extent required for Schools for Nurses by the Department of Registration and Education of the State. Nurses graduating from the West Side Hospital of Chicago Training School for Nurses shall be given their diplomas at the Commencement Exercises of the College of Medicine.

6. FINANCIAL RESPONSIBILITY OF THE UNIVERSITY: The University shall not be responsible for any hospital expenses.

7. This agreement shall be in force for one year commencing with the list of April, 1924, subject to continuance beyond that time by mutual agreement.

In Witness Whereof, the undersigned, authorized officers of the Parties, hereto attach their signatures as official representatives and the corporate seals of the representative parties.

X-RAY APPARATUS IN THE COLLEGE OF MEDICINE

(11) A recommendation that \$25,000, or so much thereof as may be necessary, be appropriated from the Reserve and Contingent Fund for the purchase of X-ray apparatus for the Research Laboratory in the College of Medicine under the direction of the Executive Committee of the Board.

On motion of Mrs. Grigsby, this recommendation was adopted, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

TRANSLATION OF "PALEOPATHOLOGY"

(12) Dr. R. L. Moodie, Assistant Professor of Anatomy, requests permission for translation into French, with all rights, of his work "Paleopathology, An Introduction of the Study of Ancient Evidence of Disease," published by the University of Illinois in 1923. The Dean of the Graduate School recommends, and I concur, that the request be granted.

On motion of Mrs. Blake, this recommendation was approved.

LEAVE OF ABSENCE FOR ASSISTANT PROFESSOR BLUMBERG

(13) Assistant Professor Henry Blumberg, of the department of mathematics, requests leave of absence for next year "for the purpose of reconstituting my health." Dean Babcock recommends approval of the request for leave of absence for one year without pay, and I concur in this recommendation.

On motion of Mrs. Grigsby, this request was granted.

ABSENCE OF PROFESSOR ROBERT GRAHAM

(14) Dean Mumford recommends that Dr. Robert Graham, Professor of Animal Pathology and Hygiene, be granted leave of absence, without pay, for 11 months, beginning July 1, 1924, to enable him to go to Haiti as Chief of the Division of Veterinary Science in the Service Technique du Department de L'Agriculture et de L'Enseignement Professionel of Haiti.

On motion of Mrs. Blake, this leave was granted.

C. P. A. CERTIFICATES

(15) The Committee on Accountancy reports the following list of candidates as having successfully passed the examination held November 15 and 16 last for C. P. A. certificates. I recommend that they be awarded C. P. A. certificates, and that their issue be authorized accordingly.

REPAIRS ON PRACTICE ORGAN

(16) A recommendation that an assignment of \$507 be made from the Reserve and Contingent fund to the School of Music for repairs and improvements on the practice organ in the Music Building, and that the Comptroller be authorized to make a contract with the Wicks Pipe Organ Company, the builders of the organ, for this work.

On motion of Mrs. Grigsby, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

MOVING OF OBSERVATORY

(17) The Dean of the College of Liberal Arts and Sciences, on request of the Head of the Department of Astronomy, requests the removal of the Reflector Building (the larger of the two small observatories) from its present location to a point 120 feet east of the West line fence, and 32 feet south of the North line fence, of the new Poultry Plant. The Dean of the College of Agriculture acquiesces in this.

Authority to re-equip the building is also requested.

I recommend approval of these requests, the entire expense to be charged to the special equipment fund of the College.

On motion of Mrs. Evans, these recommendations were approved.

BOOKKEEPING MACHINE FOR BUSINESS OFFICE

(18) On request of the Comptroller, I recommend that \$775 be assigned from the Reserve and Contingent Fund to the Business Office for the purchase of a new bookkeeping machine.

On motion of Mr. Trees, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

At this point, Mrs. Evans withdrew.

PAYMENT ON LOTS IN COLLEGE PLACE

(19) The Comptroller requests an appropriation of \$30,000, or so much thereof as may be necessary, to make payments on June 15 on the lots in College Place purchased from Fanny B. Sherfey in 1922.

I recommend that an appropriation from the Reserve and Contingent Fund be made in accordance with this request.

On motion of Mrs. Blake, this appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no none; absent, Mr. Blair, Mrs. Evans, Mr. Small, Mr. Trimble.

At this point, Mrs. Evans returned.

PURCHASE OF LOTS IN COLLEGE PLACE

(20) A recommendation that lot 146 (\$3000), lot 151 (improved, \$13,500) and lot 152 (improved, \$13,725) in College Place be purchased at the prices indicated, and that an appropriation of \$30,225 be made for this purchase from the Reserve and Contingent fund.

On motion of Mr. Trees, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mrs. Ickes, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mr. Small, Mr. Trimble.

FRATERNITY HOUSE PLANS

(22) The following resolution:

Whereas some misunderstanding has arisen concerning the recommendation of the Council of Administration, presented December 15, 1922, regarding the building of fraternity and sorority houses, the Council suggests that, in order to remove this misunderstanding, the following resolution be substituted:

"Inasmuch as all interested in the University—alumni, faculty, students, and other friends—desire to keep the University of Illinois an institution for the people in every sense of the term, and especially in the sense that the cost of living shall be kept, as far as is possible for the University to influence it, low enough to keep attendance at the University, with all opportunities and privileges of student life, open as far as possible to all, irrespective of wealth, the Council of Administration, with the approval of the Board of Trustees, urges the desirability of keeping this thought in mind in the erection of fraternity, sorority, and similar houses for the accommodation of students. The Council suggests, therefore, that plans for such houses be submitted for its approval so far as concerns the arrangements for proper living and study conditions."

On motion of Mr. Trees, this resolution was adopted and substituted for the action of December 15, 1922.

CONTRACTS ON NEW BUILDINGS

(25) A recommendation that contracts be awarded for work on new buildings according to the following recommendations of the Supervising Architect.

1. *Plumbing.* The Carson-Payson Company of Danville were the next to low bidders on the plumbing on the Gymnasium and the Library, and low bidders on the Dairy Manufacturers building, but their three percent deduction for all three contracts is the lowest possible combination.

I therefore recommend that the Carson-Payson Company of Danville be awarded the contract for the plumbing on the Library at \$9,360.50; on the Gymnasium at \$14,938; and on the Dairy Manufactures building at \$5,335.

2. *Heating and Ventilating.* Carstens Brothers of Ackley, Iowa, were the low bidders on the heating and ventilating of the Library, the low bidders on the heating and ventilating of the Commerce building, and the fourth from low on the

heating of the Dairy Manufactures building, but they make a deduction of three percent, on the basis of a combined bid on all these jobs, which makes their bid the lowest possible combination of bids submitted.

I therefore recommend that Carstens Brothers be awarded the following contracts:

Heating and Ventilating the Library.....	\$45,565.75
Heating and Ventilating the Commerce building.....	41,403.50
Heating the Dairy Manufactures building.....	9,190.75

3. *General work, Dairy Manufactures.* I recommend that the contract for the general work on the Dairy Manufactures building be awarded to Mr. A. W. Stoolman, the low bidder, whose bid was \$124,987, on the basis of a revised bid which may not exceed \$117,000.

4. *Wiring.* I recommend that the electrical contract on the Library be awarded to the Newbery Electric Company, who were the low bidders, at their bid of \$7,550. I recommend also that the Executive Committee be authorized to award the contract for wiring the Gymnasium and Dairy Manufactures buildings.

On motion of Mrs. Evans, the contract for general work on the Dairy Manufactures building was awarded to the low bidder, A. W. Stoolman, on the basis of a revised bid, at a price not to exceed \$117,000.

On motion of Mrs. Blake, the contract for the electric wiring of the Library was awarded to the low bidders, the Newbery Construction Company, for \$7,550.

On motion of Mrs. Blake, the contracts for the electric wiring of the Gymnasium and Dairy Manufactures building was referred to the Executive Committee, with power to act.

On motion of Mrs. Blake, the contract for plumbing for the Gymnasium, Library, and Dairy Manufactures building was awarded to the low bidders, the Carson-Payson Company, on the basis of their combined bid.

On motion of Mrs. Evans, the contract for heating and ventilating the Commerce and Library buildings and for heating the Dairy Manufactures building was awarded to the low bidders, Carstens Brothers, on the basis of their bid of \$96,160.

MERLE J. TREES

MEETING OF MAY 29, 1924

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held on Thursday, May 29, 1924, in the offices of Richard E. Schmidt & Hugh M. G. Garden, Architects, 104 South Michigan Avenue, Chicago, Illinois.

Present: Wm. L. Noble, Chairman, Laura B. Evans, Merle J. Trees. There were also present: Dr. Blain, J. Dutcher, and Richard E. Schmidt.

On further consideration of proposals submitted for X-Ray Equipment for the RESEARCH AND EDUCATIONAL HOSPITAL in the City of Chicago, Mr. Trees moved and Mrs. Evans seconded the motion that the contract be awarded to STANDARD X-RAY COMPANY, for the sum of \$18,522.48, including two air-cooled Coolidge tubes, and, if at any future day the University of Illinois desires to order a water-cooled system, the contractor shall deliver, set, and connect two water-cooled tubes and a completely connected Victor, or equal, water-cooling system as described in the specifications prepared by Richard E. Schmidt, Garden, & Martin, at a price not to exceed that quoted by any other manufacturer at that time, and, on the further condition that if, within six months from the date of delivery of the air-cooled tubes by the contractor, the University desires to return said air-cooled tubes, the contractor shall credit the owner's account with the sum of \$260 on delivery of said tubes.

The motion hereinabove was voted on and unanimously adopted.

W. L. NOBLE, *Chairman*
LAURA B. EVANS

MEETING OF JUNE 6, 1924

At a meeting of the Executive Committee of the Board held Friday afternoon June 6, on recommendation of the President of the University, it was voted to change the payment to each member of the Band who stayed over for the Commencement exercises for expenses attendant thereon from \$6 to \$10, and the President and Comptroller were authorized to pay the increased stipends from the appropriations already made.

W. L. NOBLE, *Chairman*
LAURA B. EVANS
MERLE J. TREES

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

PORTRAIT OF JUDGE HARKER

(1) The Law Club presents to the University a portrait of Judge Oliver A. Harker. A representative of the Club is waiting to present the portrait formally.

I recommend that it be accepted.

The representative of the Law Club appeared and presented the portrait to the Board, and President Noble accepted the portrait with thanks.

VACATION OF MR. J. P. MULLEN

(2) Dean Ketchum recommends and I concur that Mr. J. P. Mullen, Research Assistant in Refrigeration in the Engineering Experiment Station, be given a vacation on pay from July 1 to September 1. Mr. Mullen worked last year without a vacation.

On motion of Mrs. Evans, this recommendation was concurred in.

REPORT OF CONTRACTS

(3) The Comptroller's report of contracts executed since the last meeting.

<i>Contracts specifically approved by the Board of Trustees</i>				
<i>Name</i>	<i>Terms</i>	<i>Tenure</i>	<i>Item</i>

This report was received for record.

DEATH OF PROFESSOR POMEROY

(4) It is with great sorrow that I have to report the death of Professor John Norton Pomeroy, of the College of Law, who passed away Saturday night, May 31. I recommend that his salary for the balance of the year (until September 1, 1924) be paid to Mrs. Pomeroy.

On motion of Mr. Trees, this recommendation was adopted.

**EXTRA VACATIONS FOR MESSRS. LLOYD, RHODE,
AND PETERSON**

(5) A recommendation from Dean Mumford that extra vacation allowance be given to Professor J. W. Lloyd (one month), Professor C. S. Rhode (one and one-half months), and Mr. I. L. Peterson (two months), to enable them to travel and study conditions in their respective fields.

On motion of Mr. Armstrong, this recommendation was approved.

TRAVELING EXPENSES OF PROFESSOR RHODE

(6) A request from Dean Mumford for authority to approve a voucher for the traveling expenses of Assistant Professor C. S. Rhode, who goes to England with a team which will compete in the international stock-judging contest.

No action was taken on this matter.

GIFT FROM MRS. J. A. OCKERSON

(7) A recommendation that a gift from Mrs. J. A. Ockerson, widow of the late Colonel J. A. Ockerson, of the books in his office library, containing a collection of important engineering books and journals, be accepted.

On motion of Mrs. Evans, Mrs. Ockerson's offer was accepted, and the President of the University was instructed to express to her the thanks and appreciation of the Board of Trustees.

THE HARRY ROBERTS TEMPLE LOAN FUND

(8) A recommendation that a gift of \$1000 from Mrs. Frieda Block Temple for a loan fund to be known as the Harry Roberts Temple Loan Fund, be accepted. It is her wish that the fund be used preferably for students in Architecture, and preferably upper classmen.

On motion of Mrs. Blake this fund was accepted and the President of the University was directed to express to Mrs. Temple the thanks and appreciation of the Board of Trustees.

TRUCK GARDEN EXPERIMENT FIELD

(9) A recommendation that the Director of the Agricultural Experiment Station be authorized to enter into an arrangement with the Forest Preserve District of Cook County for the use of 12 acres of land for experimental work in truck farming until December 31, 1924.

On motion of Mrs. Evans, the Director of the Experiment Station was authorized to make such an arrangement.

NEW APPOINTMENTS

(10) A recommendation that the following new appointments be approved, effective September 1, 1924.

Eliot Jones, McKinley Professor of the Economics of Public Utilities, for one year, at a salary of six thousand dollars (\$6000).

F. E. Wolfe, Associate Professor of Economics, for three years, at a salary of forty-five hundred dollars (\$4500) a year.

Paul Converse, Associate Professor of Business Organization and Operation, for two years, at a salary of four thousand dollars (\$4000) a year.

C. H. Fernald, Assistant Professor of Business Organization and Operation, for one year, at a salary of three thousand two hundred fifty dollars (\$3250).

A. O. Craven, Assistant Professor of History, for one year, at a salary of three thousand dollars (\$3000).

R. O. Moen, Instructor in Business Organization and Operation, for ten months, at a salary of twenty-two hundred dollars (\$2200).

On motion of Mrs. Busey, these appointments were approved.

ADJOURNMENT TO JUNE 14, 1924

The Board adjourned to meet at the Blackstone Hotel, in Chicago, at 9 o'clock a. m. on Saturday, June 14, 1924.

ADJOURNED SESSION, JUNE 14, 1924

When the Board met at 9 o'clock a. m. on Saturday, June 14, 1924, at the Blackstone Hotel, in Chicago, the following members were

present: President Noble, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Trees.

President Kinley was present.

MATTERS PRESENTED BY PRESIDENT KINLEY

The Board considered the following matters presented by the President of the University.

THE BUDGET FOR 1924-25

(1) The budget for the fiscal year July 1, 1924, to June 30, 1925, with the request that the budget be approved and that the President of the University be authorized to make such minor changes and adjustments as may be necessary, and to make necessary additional appointments in accordance with the general salary scale.

On motion of Mrs. Busey, the budget was approved as printed below, and authority was granted to the President of the University to make adjustments and appointments as requested. The vote was as follows: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Trimble.

Explanatory Note

Departmental appropriations are made under the caption "Salaries" and "Expense and Equipment" unless otherwise indicated. No transfers may be made between these appropriation captions except with the approval of the President of the University.

Appropriations for Expense and Equipment in departments of colleges are made as a tentative distribution subject to adjustment by the Dean of the College within the total for the college. The Dean will indicate at the opening of the year the preliminary assignments to departments, and make such further adjustments during the year as are necessary.

DEPARTMENT OF PHYSICAL WELFARE

(2) (a) Certain recommendations of the University Senate concerning the organization of the work in physical welfare, health, and athletics.

After discussion and on the motion of Mrs. Evans, the recommendations of the Senate were adopted in the following amended form:

1. The general program of athletics and physical education shall be regarded as an integral part of the educational policy of the University.
2. The work in hygiene, health service, and athletics shall be organized in one department, to be known as the University department of physical welfare.
3. The head of this department shall be called the Director of Physical Welfare.

4. The department of Physical Welfare shall include three principal divisions, namely, a division of health, a division of physical education, and a division of athletics, each under the direction of a special supervisor.

5. The required work in hygiene and sanitation shall be reorganized and strengthened so as to form a more adequate basis for the work in physical education, with which it is to be correlated.

6. Additional elective courses shall be offered in hygiene to suit the needs of the professional groups of the University.

7. The University shall increase its facilities for corrective work and intramural athletics to the end that the required participation of students may be extended throughout the four years of the undergraduate curriculum.

8. Intramural sports shall be placed under the charge of the department of physical welfare, and suitable credit toward graduation be given for the required work in physical education.

9. Intercollegiate athletics may be retained as a proper stimulus and reward for success in intramural athletic sports, although further expansion at this time is not advised.

These recommendations were approved with the understanding that the University health officer, as such, while acting also as supervisor of health in this reorganization, shall maintain his direct relations with the President; and also with the understanding that after the Senate has reached conclusions on the modifications of the curriculum made necessary by this scheme the plan shall be put into operation as fully and rapidly as finances permit without detriment to the desirable progress of other departments of the University.

(b) A recommendation that Mr. George Huff be appointed Director of the Department of Physical Welfare, and that his total salary be made \$8,000 a year.

On motion of Mrs. Evans, this recommendation was adopted.

GENERAL EDUCATION DEPARTMENTS

(3) A recommendation that the following ruling be adopted.

The Health Department, the Physical Welfare Department, and the Military Department are general University education departments, not attached to any college. Requirements in them and similar departments, when imposed by the University Senate and duly approved by the Board of Trustees, are applicable to all students of the University, according to sex, without reference to the college or school in which students are taking their principal work.

On motion of Mrs. Blake, this recommendation was adopted.

THE MEDICAL DEVELOPMENT

(4) The additional organization which will be needed in the College of Medicine on moving into our new buildings includes three divisions—preventive medicine, surgery, and obstetrics and gynecology.

Dean Eycleshymer, after conference with his associates in the matter, requests that the sum of \$130,000 be now appropriated for this purpose, to be divided as follows:

Preventive Medicine.....	\$60,000
Surgery.....	50,000
Obstetrics and Gynecology.....	20,000

This suggestion, of course, is for the coming year. Moreover, of course the assignment must be, like all such assignments, subject to modifications as the situation develops.

At the head of preventive medicine, Dean Eycleshymer recommends, with my hearty approval, that we put Professor D. J. Davis, now of our staff. When the

work in the new hospitals and our research laboratories is fully established, it will be necessary to relieve Professor Davis of his present duties. In the meantime, the suggestion is that he will take charge of the division and begin to organize it. Dean Eycleshymer recommends various positions, including that of Professor Petersen, now on our staff, several associate and assistant professors, and people of other grades, whose salaries will aggregate approximately \$54,000.

I therefore recommend:

1. That appropriations for the three great divisions indicated above, namely, preventive medicine, surgery, and obstetrics and gynecology, be made respectively as follows: \$60,000, \$50,000, and \$20,000.

2. That Dr. D. J. Davis be made head of the division of preventive medicine, as Professor and Director of Research, so that he may go on to organize the divisions and final nominees for the necessary positions, he to continue for the present at the head of the Department of Pathology and Bacteriology in the College of Medicine until the organization is completed, and that his salary continue what it is now—\$7500.

3. That Professor W. F. Petersen be appointed Professor (General Medicine) in the division of Preventive Medicine at a salary of \$5500 a year.

On motion of Mrs. Evans, these recommendations were adopted.

APPOINTMENT OF PROFESSOR J. E. SCHAEFER

(5) A recommendation that Dr. J. E. Schaefer be appointed Associate Professor of Oral Surgery, in the College of Dentistry, for one year, beginning September 1, 1924, at a salary of five thousand dollars.

On motion of Mrs. Evans, this appointment was made.

REAPPROPRIATION OF BALANCES

(6) A recommendation that the following balances of various appropriations be reapportioned in accordance with the request of the Comptroller.

	\$96,975

¹Not including last item.

On motion of Mr. Trees, this recommendation was approved, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Trimble.

BUDGET OF THE ATHLETIC ASSOCIATION

(7) The Senate, in its consideration of the reorganization of our physical education and athletics, advised that the Director of the Athletic Association submit a budget each year for the approval of the Board. This was with the full concurrence of all concerned, and I submit the budget of Mr. Huff accordingly, but with the understanding that modifications may be made as circumstances may require.

On motion of Mrs. Evans, this budget was approved, subject to adjustment by the President of the University.

INCREASED CREDIT IN MILITARY SCIENCE AND TACTICS

(8) The University Senate on recommendation of the faculty of the College of Liberal Arts and Sciences has voted to increase the amount of credit in Military Science and Tactics accepted toward the degree from 8 to 10 hours, in accordance with the action of the Senate on December 6, 1920, increasing the total amount of credit to be allowed students in Military to 10 hours.

On motion of Mr. Trees, this additional credit in Military Science and Tactics was approved.

APPOINTMENT OF PROFESSOR W. E. BRITTON

(9) On recommendation of Dean Harno, I recommend the appointment of William Everett Britton, to be Professor of Law, at a salary of \$4500 a year, beginning September 1, 1924.

On motion of Mrs. Evans, this appointment was made.

COMMISSION ON PROPERTY PURCHASED

(10) The Supervising Architect requests an appropriation of \$440.30 to pay for services rendered by Mr. O. K. Burton, Champaign, in negotiating purchases of property bought from Messrs. Woods, Cunningham, Englis, Ensign, Lloyd, and Martin. The amount is one-half of the regular commission.

I recommend that \$440.30 be assigned from the Reserve and Contingent fund to the Supervising Architect to pay for these services.

On motion of Mr. Armstrong, this recommendation was approved and the appropriation was made by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble, Mr. Trees; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Trimble.

APPOINTMENT OF WALTER F. DODD TO BOARD OF EXAMINERS IN ACCOUNTANCY

(11) On the advice of the Committee on Accountancy, I recommend the appointment of Walter F. Dodd, of the firm of Dodd, Matheny, Wham, & Edmunds, of Chicago, as a member of the Board of Examiners in Accountancy, to succeed Mr. Harry Dunbaugh, whose term expires June 30, 1924.

On motion of Mrs. Grigsby, this appointment was made.

EXTENSION OF LEAVE OF ABSENCE FOR MR. VANIMAN

(12) On request of the Illinois Agricultural Association, Dean Mumford recommends, and I concur, that the three months' leave of absence which the Board of Trustees granted Mr. Vernon Vaniman, Assistant State Leader of Farm Advisers, be continued, without pay, until such time as he returns to take up his work with the Extension Service.

On motion of Mrs. Busey, this leave was granted.

AMENDMENT TO REGULATIONS FOR OVERSEAS SOLDIERS' LOAN FUND

(13) On March 15, 1919, the Board accepted a gift from an unknown donor through her attorney and bankers of \$1000 to establish the first fund for overseas soldiers (page 273, March, 1919).

The donor wishes to add to the original instructions dated February 12, 1919, the following amendment:

At this date, June 3rd, 1924, five years since the World War, very few, if any, of the soldiers, sailors, or marines for whom this fund was intended are now appearing at the University of Illinois, for which reason, and at the suggestion of others, the donor has decided to broaden the usefulness of said fund as indicated below.

That in case the soldiers, sailors, and marines who were in actual warfare in Europe and adjoining waters during the years 1917 and 1918 should not appear in sufficient numbers to borrow the amount of this fund, then may the descendants of World War soldiers, sailors, or marines referred to above, or the descendants of Union soldiers who were engaged in the Civil War during the years 1861 to 1865 or were confined in Southern prisons during said war, or the descendants of soldiers, sailors, or marines who left the shores of the United States to take part in the War with Spain in 1898, or the soldiers, sailors, or marines, or descendants of the soldiers, sailors, or marines, of the United States taking part in any future wars in which the United States may hereafter be engaged, apply for loans from such fund, and if such applicants shall make satisfactory proof to the Loan Fund Committee of the University of Illinois, they may borrow from said fund as follows: the minimum loan shall be Twenty Dollars (\$20) to each person, and the maximum loan to each person shall be One Hundred Dollars (\$100). The maximum time for which a loan shall be made hereunder shall be four years and the rate of interest on all loans shall be four per cent per annum.

After the expiration of the twentieth century this fund shall be available to any student, of good moral character, at said University, to help them in the years of their school work as already noted in the original directions heretofore filed, and dated February 12, 1919, upon the terms mentioned above, PROVIDED that soldiers, sailors, and marines who have been engaged or may hereafter be engaged in actual warfare in the army, navy, or marine corps of the United States, or their descendants, shall at all times have the preference.

I recommend that this amendment be approved.

On motion of Mr. Trees, this amendment was approved and accepted.

On motion of Mrs. Blake, these fees were adopted.

BIDS ON HEATING OF NEW MEN'S GYMNASIUM

(15) A recommendation that the Supervising Architect be authorized to call for bids on the heating of the men's Gymnasium, and that the Executive Committee be authorized to award the contract for said heating.

On motion of Mrs. Grigsby, this recommendation was approved.

PAVING OF FOURTH STREET BEYOND THE CITY LIMITS, TO THE SOUTH END OF THE STADIUM, AND APPROACHES TO THE STADIUM FROM THE EAST

(16) A recommendation that in accordance with the action at the meeting of April 12, the Supervising Architect be authorized to call for bids on the paving of the extension of Fourth Street from the city limits on that Street to the south end of the Stadium together with approaches thereto from the East.

I further recommend that the Executive Committee be authorized to award the contract or contracts for the above work.

On motion of Mr. Trees, this recommendation was adopted.

CONTRACT FOR THE PAVING OF FIRST STREET, FOURTH STREET, AND STADIUM DRIVE IN THE CITY OF CHAMPAIGN

(17) The following contract in order to validate the bonds to be issued against the extended payments for the paving of First Street, Fourth Street, and Stadium Drive. I recommend that the Board authorize the proper officers to sign a contract of the following form on the receipt of a certification from the Counsel of the University that the contract is in proper form, and that the amount of the assessment against the University is reasonable and proper, with the understanding that if the Legal Counsel is absent when action is necessary other counsel may be employed.

WHEREAS, On petition of various property owners, an ordinance has been duly passed by the City Council of Champaign, Illinois, and proceedings had in the County Court pursuant thereto, and special and general tax levied, all for the construction of the local improvement to First Street, Fourth Street, and Stadium Drive in said City of Champaign, by paving, grading, curbing, guttering, draining, etc.; and

WHEREAS, By the judgment of the County Court of Champaign County, Illinois, there has been specially taxed against the property of the University of Illinois the aggregate principal amount of..... divided into installments payable annually, the first installment to be for the principal sum ofand each of the nine succeeding installments for the principal sum of.....; and

WHEREAS, Upon notice to that end, bids were received and contract for the construction of said improvement has been awarded to..... contractor, by the Board of Local Improvements of said city, and said contractor is about to enter upon the execution of said contract and the construction of such improvement pursuant to said ordinance; and

WHEREAS, It is desirable to fully secure and validate the issue of bonds as provided by the ordinance for said improvement, the proceeds of which are to be used to defray the cost and expense of said improvement and the lawful expenses incident thereto;

Now, therefore, In consideration of the benefits to be received by the real estate and property of the University of Illinois from the construction of said improvement, the said University of Illinois, by its duly authorized officers and trustees, does hereby agree to pay to the city collector or other proper officer of the City of Champaign, Illinois, the sum shown on the assessment roll specially taxed against said University of Illinois, together with.....per cent interest on the deferred installments thereof, amounting in the aggregate to the principal sum of, the first installment of which is for the principal sum of, and each of the nine succeeding installments due and payable annually being for the principal sum of....., which said installments shall bear interest from the date of the first voucher issued on account of work done on said improvement, at.....per cent per annum, as provided by the Statute of the State of Illinois concerning local improvements in cities, villages, and towns.

Dated and sealed with the corporate seal of said University this..... day of....., 1924.

THE BOARD OF TRUSTEES OF THE
UNIVERSITY OF ILLINOIS

By.....
President
.....
Secretary

On motion of Mrs. Blake, this contract was authorized.

INSURANCE ON CHICAGO BUILDINGS

Mr. Trees reported on the matter of insurance on the Chicago buildings and the installation of a sprinkling system, and recommended that no action be taken.

No action was taken in this matter.

AGRICULTURAL MEMORIAL

Mr. Trees, for the committee on Agriculture, made a report of progress on the consideration of the plan for an agricultural memorial.

This report was received for record.

At this point, Mr. Trees withdrew.

INVESTIGATION OF MILCH GOATS

During the luncheon hour, the matter of the investigation of milch goats was discussed by Mrs. Patten, Dr. W. A. Evans, Mr. TeWalt, and Dean Mumford.

This matter was referred to the President of the University for further consideration and report.

COOPERATION IN PUBLICATION OF LAW JOURNAL

(18) At the last meeting of the Board I presented, at the request of the Dean and faculty of the College of Law, a proposed scheme of cooperation with the University of Chicago and Northwestern University in the publication of a law review. Action on this was deferred until this meeting.

I recommend approval of this plan.

On motion of Mrs. Grigsby, this recommendation was concurred in.

PURCHASE OF COLLEGE PLACE LOTS

(19) In further development of the policy adopted by the Board for the acquisition of College Place, on the advice of the Supervising Architect, I recommend the purchase of the following property:

Lot 87 (vacant) 56' frontage—from J. W. Lloyd.....	\$3,000
Lot 114 (vacant) 56' frontage—from J. W. Lloyd.....	3,000
Lot 81, with house, 54' frontage—from J. W. Lloyd.....	11,000
Lot 35, with house, 75' frontage—from I. K. Martin.....	12,000
Lot 2, with house, 51½' frontage—from Walkington.....	9,000

These properties and prices have been carefully investigated and considered by Professor White and the real estate man who has long acted as our agent in such negotiations. These men consider the prices reasonable, as I also do from what knowledge I have of similar sales.

I recommend that the sum of \$38,000, or so much thereof as may be necessary, be appropriated from the lapsed balances for 1923-24 to purchase the above properties, and that the Supervising Architect be authorized to complete the negotiations and prepare contracts to be executed by the President and the Secretary of the Board, according to the rules of the Board concerning contracts.

On motion of Mrs. Blake, this recommendation was approved and the appropriation was made, by the following vote: Aye, Mr. Armstrong, Mrs. Blake, Mrs. Busey, Mrs. Evans, Mrs. Grigsby, Mr. Noble; no, none; absent, Mr. Blair, Mrs. Ickes, Mr. Small, Mr. Trees, Mr. Trimble.

CLAIM OF MISS HARRIETT H. KERR

(20) A statement concerning a claim of Miss Harriett H. Kerr for compensation for injuries received from an electric fan during a dance at the gymnasium annex.

No action was taken on this matter.
