

The Dedication  
of the  
Materials Testing  
Laboratory

The Quarter Centennial Celebration  
of the Founding of the Engi-  
neering Experiment Station

and a

Conference on Education in  
Engineering Materials

*Friday and Saturday, May 2 and 3, 1930*  
*University of Illinois*  
*Urbana*

## Program

*Friday, Ten o'clock*

Lecture Room, Electrical Engineering Laboratory  
WILLIAM LAMONT ABBOTT, LL.D., presiding

Address—Professor ARTHUR NEWELL TALBOT

Address—Professor JAMES McLAREN WHITE

Dedicatory Address—President DAVID KINLEY

*Friday, Two o'clock*

Lecture Room, Electrical Engineering Laboratory  
Assistant Dean H. H. JORDAN, presiding

“Research Investigations of the Engineering Experiment Station,” by members of staff.

*Friday, Six-thirty o'clock*

Bradley Hall—Wright Street  
Professor E. C. SCHMIDT, presiding

Informal Dinner in Celebration of the Quarter Centennial of the Founding of the Engineering Experiment Station

Address—Mr. E. J. MEHREN

Address—Professor S. W. PARR

Address—Dr. W. L. ABBOTT

*Saturday morning*

Materials Testing Laboratory

Inspection of Research and Student Work in the Materials Testing Laboratory and in the other Laboratories of the College of Engineering

*Saturday, Twelve o'clock*

Bradley Hall—Wright Street  
Professor M. L. ENGER, presiding

Luncheon Conference on the Teaching of Engineering Materials
