MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

September 26, 1947

The September meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Friday, September 26, 1947, according to the following schedule:

12 m. — Open session.

2:30 p.m. — Executive session as in Committee of the Whole.

The following members were present: President Livingston, Mr. Fornof, Mrs. Holt, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; absent, Mr. Davis, Mr. Green, Dr. Meyer, and Mr. Nickell.

President Stoddard was present; also Dr. A. C. Ivy, Vice-President in Charge of the Chicago Professional Colleges, Professor C. R. Griffith, Provost, Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Professor Lloyd Morey, Comptroller, Professor W. E. Britton, Legal Counsel, and, during part of the day, Mr. V. L. Kretschmer, Manager of the Illini Union Building, and Mr. J. F. Wright, Director of Public Information.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

RESOLUTIONS FOR ILLINI UNION REFINANCING

(1) The Board of Trustees on August 5 approved the acceptance of bids for refinancing the Illini Union Building loan and authorized the employment of the firm of Chapman and Cutler for legal services in connection with the new bond issue. This firm has now prepared the following resolutions and submits them to the Board of Trustees for approval:

1. Resolution authorizing the issuance of Illini Union Building revenue bonds in the amount of \$425,000.

2. Resolution authorizing the President, Secretary, and Treasurer of the Board of Trustees to execute all instruments necessary for the termination of the trust.

3. Resolution designating two members of the Board of Trustees to act with the officers in executing the bonds as provided by statute.

I recommend the adoption of these resolutions.

1. **RESOLUTION AUTHORIZING THE ISSUANCE OF ILLINI UNION BUILDING REVENUE BONDS IN THE AMOUNT OF \$425,000**

RESOLUTION authorizing and providing for the termination of an existing trust between the University of Illinois Foundation, a corporation duly organized under the laws of the State of Illinois, and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Illini Union Building conveyed to said Foundation pursuant to said existing trust, and authorizing the issue of \$425,000 Illini Union Building Revenue Bonds for the purpose of defraying the cost of terminating said trust and reacquiring the interest in said property conveyed pursuant to said trust, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of said Illini Union Building for the purpose of paying the cost of maintenance and operation of said building, and payment of the principal of, premium if any and interest on said revenue bonds.

WHEREAS pursuant to "An Act to authorize the Board of Trustees of the University of Illinois to provide for the payment and termination of any trust created by and between the Board of Trustees and any person or corporation pursuant to any law involving any building used by said University for student social activities, or educational purposes, or for the acquiring or reacquiring of property or interest in property used by said University for student social activities or educational purposes and conveyed in connection with the creation of such trust by said Board of Trustees pursuant to any existing law, levy and collect service charges, rates or rentals for the use thereof, to complete the construction of or equip any such buildings, defining the duties of said Board with respect to the operation and maintenance and construction thereof, providing for and authorizing the issue of bonds to defray the cost thereof, payable solely from the revenues derived from the operation of any such building or buildings, and for the refunding of any such bonds," approved May 27, 1941, as amended, this Board of Trustees of the University of Illinois is authorized to issue revenue bonds for the purpose of procuring funds to terminate any existing trust involving any building now used by the University for student social activities or educational purposes, and to establish rates or charges for the use of said building, and pledge the revenue from such charges or rates for the payment of the revenue bonds so issued; and

WHEREAS this Board of Trustees has heretofore, pursuant to existing law, created a trust by and between said Board and the University of Illinois Foundation, a non-profit corporation duly organized under the laws of the State of Illinois, for the purpose of constructing the Illini Union Building, located on the campus at Urbana, Illinois, and said property has been conveyed in trust to said Foundation, which said trust now exists, and the Board of Trustees has leased said building

from said Foundation and it is now used by said University for student social activities and other educational purposes; and

WHEREAS it is deemed advisable and for the best interests of the University of Illinois that said trust be terminated and that the Board of Trustees of the University of Illinois reacquire the interest in said property so conveyed in trust; and

WHEREAS the University of Illinois Foundation has agreed with this Board of Trustees of the University of Illinois to terminate said trust upon payment to it as trustee the sum \$499,241.55, representing the principal amount on the outstanding note and mortgage of the University of Illinois Foundation plus interest due October 1, 1947 and the premium necessary to call and pay the same, which was executed for the purpose of constructing the said Illini Union Building in accordance with the terms of the trust hereinabove referred to, and which sum, together with funds now on hand for that purpose will be sufficient to pay all the obligations and liabilities of said Foundation for the purpose of terminating said trust; and

WHEREAS it will be necessary for the purpose of procuring part of said sum of \$499,241.55 that this Board of Trustees borrow money and issue revenue bonds in the principal amount of \$425,000, as authorized pursuant to the Act, hereinabove referred to;

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Trustees of the University of Illinois as follows:

SECTION 1. That it be and it is hereby determined by the Board of Trustees of the University of Illinois that it is necessary and for the best interests of the University of Illinois that the existing trust entered into by and between the Board of Trustees of the University of Illinois and the University of Illinois Foundation, a non-profit corporation duly organized under the laws of the State of Illinois, and dated as of the 27th day of September, 1940, be terminated and that the interest in property conveyed by said trust, consisting of the Illini Union Building located on the campus of said University at Urbana, Illinois, which was the subject matter of said trust, be reacquired, and that bonds be issued for the purpose of procuring funds necessary for the termination of said trust and the reacquiring of the interest in said property conveyed by said trust, all in accordance with the provisions of the Act passed by the Sixty-second General Assembly, referred to in the preambles of this resolution.

SECTION 2. That said bonds shall be designated "Illini Union Building Revenue Bonds," be numbered 1 to 425, inclusive, be of the denomination of \$1,000 each, be dated October 1, 1947, bonds numbered 1 to 395, inclusive, to bear interest at the rate of one and one-half per cent ($1\frac{1}{2}\%$) per annum, and bonds numbered 396 to 425, inclusive, to bear interest at the rate of one and three-fourths per cent ($1\frac{3}{4}\%$) per annum, interest payable April 1, 1948, and semi-annually thereafter on the first days of April and October in each year, and to become due as follows:

<i>Principal Amount</i>	<i>Bond Numbers</i>	<i>Maturity Dates</i>
\$50,000	1- 50 incl.	October 1, 1948
50,000	51-100	October 1, 1949
50,000	101-150	October 1, 1950
45,000	151-195	October 1, 1951
45,000	196-240	October 1, 1952
45,000	241-285	October 1, 1953
40,000	286-325	October 1, 1954
40,000	326-365	October 1, 1955
30,000	366-395	October 1, 1956
30,000	396-425	October 1, 1957

provided, however, bonds numbered 101 to 425, inclusive, maturing on October 1 of each year, beginning with October 1, 1950, up to and including October 1, 1957,

shall be redeemable as a whole prior to their maturity on any interest payment date at the option of said Board of Trustees of the University of Illinois on or after October 1, 1949, and up to and including April 1, 1953, at par and accrued interest and a premium of two per cent of the principal amount thereof.

Bonds numbered 286 to 425, inclusive, maturing on October 1 of each year, beginning with October 1, 1954, up to and including October 1, 1957, shall be redeemable prior to maturity on any interest payment date at the option of the Board of Trustees of the University of Illinois as a whole or in part through operation of the sinking fund on or after October 1, 1953 and until maturity at par and accrued interest and a premium of one per cent of the principal amount thereof; provided, however, that if bonds numbered 286 to 425, inclusive, are called in part through the operation of the sinking fund, they shall be called and redeemed in the inverse order of their maturities. That is to say, bonds maturing on October 1, 1957 shall be called and paid before any bonds maturing October 1, 1956 and so on. If sinking fund moneys are on hand sufficient to redeem some, but not all of said bonds of any maturity at any time when such bonds become redeemable pursuant to the terms of this ordinance, the said bonds to be redeemed shall be designated by lot in any usual manner by the depository hereinafter mentioned.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty days prior to the date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago, Illinois, and such notice of redemption shall, with substantial accuracy (a) designate the date and place of redemption, such place to be at the office of the Depository hereinafter mentioned in the City of Chicago and State of Illinois; and (b) designate the numbers and the aggregate principal amount of such bonds; and (c) state that on the designated date of redemption said bonds will be redeemed by payment of principal thereof and the accrued interest thereon to date of redemption, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of all bonds so called for redemption shall cease.

SECTION 3. Any of said bonds may be registered as to principal at any time prior to maturity in the name of the holder on the books of registration of said University to be kept in the office of the Depository hereinafter mentioned, such registration to be noted on the reverse side of the bonds by the said Depository as registrar. After such registration no transfer of such bonds shall be valid unless made on the said books by the registered owner in person or by his duly authorized attorney and similarly noted on such bonds. Upon presentation of any of such bonds registered as to principal, accompanied by a written instrument of transfer satisfactory to the Depository hereinafter mentioned, executed by the registered owner, or by a duly authorized attorney, such bond shall be transferred upon such books. The registered owner of any such bond registered as to principal shall also have the right to cause the same to be discharged from registration by transfer to bearer, in which case transferability by delivery shall be restored, and thereafter the principal of such bond when due shall be payable to the person presenting such bond. Any such bond registered as payable to bearer may be registered again in the name of the owner with the same effect as the first registration thereof. Successive registrations and transfers as aforesaid may be made from time to time as desired. Registration of any of such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely and payable to the bearer thereof.

Said bonds shall be signed by the President and two members of the Board of Trustees of the University of Illinois, sealed with the corporate seal of said University, attested by the Secretary of said Board, and the interest coupons attached to said bonds shall be authenticated by the facsimile signature of the Treasurer of the University of Illinois.

SECTION 4. That said bonds and coupons, and form for registration, shall be in substantially the following form:

(Form of Bond)
 UNITED STATES OF AMERICA
 STATE OF ILLINOIS
 UNIVERSITY OF ILLINOIS
 ILLINI UNION BUILDING REVENUE BOND

Number.....

\$1,000

KNOW ALL MEN BY THESE PRESENTS, that the University of Illinois, a body corporate and politic, for value received, hereby promises to pay to bearer, or if this bond be registered as hereinafter provided, then to the registered holder hereof, solely from the special fund of said University, as hereinafter mentioned, and not otherwise, the principal sum of One Thousand Dollars (\$1,000) on October 1, 19....., and to pay interest on said sum from the date hereof until paid at the rate of per cent (.....) per annum, payable April 1, 1948 and semi-annually thereafter on the first days of April and October in each year, until maturity hereof, in accordance with and upon presentation and surrender of the annexed interest coupons as they severally become due.

Both principal and interest of this bond are hereby made payable in lawful money of the United States of America at The Northern Trust Company, in the City of Chicago and State of Illinois.

This bond is one of an authorized issue of Four Hundred Twenty-five Thousand Dollars (\$425,000), all of like date, tenor and effect, except as to rate of interest, maturity and redemption privilege, and is issued under authority of an Act of the Legislature of the State of Illinois, entitled "An Act to authorize the Board of Trustees of the University of Illinois to provide for the payment and termination of any trust created by and between the Board of Trustees and any person or corporation pursuant to any law involving any building used by said University for student social activities or educational purposes, or for the acquiring or reacquiring of property or interest in property used by said University for student social activities or educational purposes and conveyed in connection with the creation of such trust by said Board of Trustees pursuant to any existing law, levy and collect service charges, rates or rentals for the use thereof, to complete the construction of or equip any such buildings, defining the duties of said Board with respect to operation and maintenance and construction thereof, and providing for and authorizing the issue of bonds to defray the cost thereof payable solely from the revenues derived from the operation of any such building or buildings and for the refunding of any such bonds," approved May 17, 1941, as amended, and a resolution duly adopted by the Board of Trustees of the University of Illinois, for the purpose of defraying the cost of terminating an existing trust and reacquiring the interest in the Illini Union Building located on the campus of the University of Illinois, in the City of Urbana, Illinois, conveyed pursuant to said existing trust entered into between the Board of Trustees of the University of Illinois and the University of Illinois Foundation, a non-profit corporation duly organized under the Laws of the State of Illinois, and is payable solely from the net revenue to be derived from the operation of said building, and not otherwise, and this bond and the series of which it forms a part do not constitute an indebtedness of said University or of the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University or the State of Illinois is pledged to the payment of this bond or the interest thereon.

Under said Act of the Legislature of the State of Illinois and the said resolution adopted pursuant thereto, the net revenue derived from the operation of said building shall be deposited with The Northern Trust Company, in the City of Chicago, Illinois, under a Deposit Agreement entered into between the Board of Trustees of the University of Illinois and the said Bank, and used only for the purpose of paying the fees and expenses of such Depository, principal of, premium if any and interest on the bonds of said University that are issued under authority of said Act of the Legislature of the State of Illinois and the resolution of the

Board of Trustees, hereinabove referred to, and which are payable by their terms only from the net revenue of said Illini Union Building located on the campus of said University, in the City of Urbana, Illinois.

It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this bond by the Constitution and Statutes of the State of Illinois, and the applicable resolutions of said Board of Trustees of the University of Illinois, have been done and have happened and have been performed in regular and due form and time as required by law and that provision has been made for depositing the net revenue derived from the operation of said building with the said The Northern Trust Company, to be applied in the manner as hereinabove set forth.

Bonds numbered 101 to 425, inclusive, of this authorized issue are redeemable as a whole prior to maturity at the option of the Board of Trustees of the University of Illinois on any interest payment date on or after October 1, 1949, and up to and including April 1, 1953, at par and accrued interest and a premium of two per cent of the principal amount thereof. Bonds numbered 286 to 425, inclusive, are redeemable as a whole at the option of the Board of Trustees of the University of Illinois or in part through operation of the sinking fund in the inverse order of their maturity, on and after October 1, 1953 and prior to maturity thereof, at par and accrued interest and a premium of one per cent of the principal amount thereof. If sinking fund moneys are on hand sufficient to redeem some but not all of any maturity of said bonds numbered 286 to 425, inclusive, at any time when such bonds become redeemable, the said bonds to be redeemed shall be designated by lot in any usual manner by the Depository hereinabove referred to.

Notice of redemption shall be published once not less than thirty days prior to the date of redemption; such publication to be made in one newspaper published and of general circulation in the City of Chicago, Illinois, and when this bond shall have been called for redemption, interest thereon shall cease from and after the specified redemption date.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the office of the Depository hereinabove mentioned, such registration to be noted on the back hereof. After such registration no transfer hereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer thereof.

This bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, howsoever such possession may have been acquired, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and the said University and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered and the bearer of any interest coupon appertaining hereto as the absolute owner thereof for all purposes.

Said University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the resolution adopted by the Board of Trustees of said University of Illinois, authorizing the issue of this bond and the series of which it forms a part and as provided in the Deposit Agreement hereinabove referred to, and hereby irrevocably obligates itself to deposit the net revenue derived from the operation of said building with the said Depository, to administer the said net revenue as provided for in and by said Deposit Agreement, and to establish from time to time charges and fees for the use of said building and to maintain and collect charges and fees sufficient to pay the cost of maintenance and operation of said building, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues until all of such bonds have been paid in full, both as to principal and interest.

IN WITNESS WHEREOF, said University of Illinois, by its Board of Trustees, has caused this bond to be signed by the President of the Board of Trustees and two members thereof, its corporate seal to be hereto affixed, attested by the Secretary of said Board, and the coupons hereto attached to be authenticated by the facsimile signature of the Treasurer of said University, and this bond to be dated the first day of October, 1947.

SECTION 5. That upon the issuance of any revenue bonds herein provided for there be and there is hereby established a fiscal year for the operation of said Illini Union Building and said fiscal year shall commence the first day of July of each year and end the last day of the next succeeding June and all revenues derived from the operation thereof shall be set aside as collected and kept separate and apart from any other funds of said University, and said University covenants that all the revenues, income, receipts, profits, rates, rents, charges, fees and returns derived from the said building and the operation thereof, after setting aside therefrom the reasonable cost of operating, maintaining, insuring and repair-

ing said building, shall be paid over to the Depository hereinafter mentioned semi-annually not later than fifteen days prior to October 1 and April 1 of each year, and said revenues so paid over to the Depository shall be used only in paying the fees and expenses of such Depository, principal of, premium if any and interest upon the revenue bonds of said University that are payable by their terms only from such revenues, and such funds shall be used only for the purposes and in accordance with the Deposit Agreement hereinafter set out.

SECTION 6. That for the purpose of further securing the income and revenue to be derived from the operation of the said building and the application of the net revenue to the payment of the principal of and interest upon the said bonds hereby authorized, the net revenue derived from the operation of the said building shall be deposited with The Northern Trust Company, hereby designated as the Depository for the said net revenue, and the President and Secretary of the Board of Trustees and Treasurer of said University be and are hereby authorized and directed to execute for and on behalf of the University a Deposit Agreement with said bank as Depository in substantially the following form, to wit:

THIS DEPOSIT AGREEMENT dated October 1, 1947, between the University of Illinois, a public corporate body duly organized and existing under the laws of and located in the State of Illinois (hereinafter sometimes referred to as the "University"), party of the first part, and The Northern Trust Company, a corporation duly organized and existing under the laws of the State of Illinois and having its office in the City of Chicago, in the State of Illinois (hereinafter sometimes referred to as the "Depository"), party of the second part,

WITNESSETH:

WHEREAS the University, pursuant to a resolution of its Board of Trustees, entitled

"RESOLUTION authorizing and providing for the termination of an existing trust between the University of Illinois Foundation, a corporation duly organized under the laws of the State of Illinois, and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Illini Union Building conveyed to said Foundation pursuant to said existing trust, and authorizing the issue of \$425,000 Illini Union Building Revenue Bonds for the purpose of defraying the cost of terminating said trust and reacquiring the interest in said property conveyed pursuant to said trust, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of said Illini Union Building for the purpose of paying the cost of maintenance and operation of said building, and payment of the principal of, premium if any and interest on said revenue bonds."

adopted by said Board of Trustees of the University of Illinois on the..... day of, 1947, has issued or is about to issue Four Hundred Twenty-five Thousand Dollars (\$425,000) principal amount of its Illini Union Building Revenue Bonds for the purpose of terminating an existing trust and reacquiring the interest in the Illini Union Building located on the campus of said University in the City of Urbana, Illinois, so conveyed in trust, now used by said University for student social activities and other educational purposes, said bonds being dated October 1, 1947, maturing as follows:

Bonds numbered 1 to 425, inclusive, of the denomination of One Thousand Dollars (\$1,000) each, bonds numbered 101 to 425, inclusive, maturing on October

I of each year, beginning with October 1, 1950, up to and including October 1, 1957, redeemable as a whole prior to maturity on any interest payment date at the option of the Board of Trustees of the University of Illinois on or after October 1, 1949, and up to and including April 1, 1953, at par and accrued interest and a premium of two per cent of the principal amount thereof. Bonds numbered 286 to 425, inclusive, maturing October 1 of each year beginning with October 1, 1954, up to and including October 1, 1957 redeemable as a whole prior to maturity on any interest payment date at the option of the Board of Trustees of the University of Illinois or in part through operation of the sinking fund on or after October 1, 1953 and until maturity at par and accrued interest and a premium of one per cent of the principal amount thereof. Bonds numbered 286 to 425, inclusive, called in part through the operation of the sinking fund shall be called and redeemed in the inverse order of their maturities. That is to say, bonds maturing on October 1, 1957 shall be called and paid before any bonds maturing October 1, 1956 and so on. If sinking fund moneys are on hand sufficient to redeem some but not all of any of said bonds numbered 286 to 425, inclusive, of any maturity at any time when such bonds become redeemable, the said bonds to be redeemed shall be designated by lot in any usual manner by the Depositary, said bonds being payable both as to principal and interest, and registered as to principal only, at the office of The Northern Trust Company, as paying agent and registrar, in the City of Chicago and State of Illinois; and

WHEREAS the said bonds are payable both as to principal and interest and premium if any solely from the net revenues to be derived from the operation of the said building, the term "net revenues" as used herein meaning the gross revenues of the said building, less the reasonable cost of operating, insuring, maintaining and repairing the said building; and

WHEREAS the University has, in and by the said resolution, covenanted and agreed, for the benefit of the holders from time to time of the said bonds and the interest coupons thereto appertaining, that the net revenues of the said building will be from time to time deposited with the Depositary and used only for the payment of the fees and expenses of the Depositary, principal of, premium if any and the interest on the said bonds; and

WHEREAS the University has, in and by the said resolution, further covenanted and agreed that it would execute and deliver a Deposit Agreement in the form and terms hereof:

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements hereinafter set forth and pursuant to the terms and provisions of the said resolution, the University and the Depositary have agreed and do hereby agree as follows for the equal and proportionate benefit and security of the holders of the said bonds of the University and the interest coupons thereto appertaining; that is to say:

SECTION 1. The University covenants that proper books of record and account will be kept, in which full, true and correct entries will be made of all income, expenses and financial transactions of and in relation to the said building, and that it will furnish to the Depositary, on or before September 1, 1948, for that period from October 1, 1947 to June 30, 1948 and on or before September 1 in each year thereafter so long as any bonds remain outstanding, a statement certified as correct by the Comptroller and Treasurer of the University, showing the gross operating revenues, the operating expenses and the net revenues of the building for the twelve months period ended on the next preceding June 30. The Depositary shall have no duty to request any such information nor any duty relative to the statements from time to time furnished by the University, except to preserve the same for the inspection of the holders of the bonds during usual business hours.

SECTION 2. The University has covenanted with the holders of the bonds hereinabove referred to that all of the revenues, income, receipts, profits, charges, fees, rents and returns derived from the said building and the operation thereof shall be collected by the University and, after setting aside therefrom the reasonable cost of operating, maintaining, insuring and repairing the said building, shall be paid over to the Depositary semi-annually not later than September 15th for the previous six months period ending June 30th each year and March 15th each year for the previous six months period ending December 31 of each year, provided,

however, there shall be deposited on March 15, 1948 the net revenues for the period from October 1, 1947 to December 31, 1947, which amount shall not be less than the interest requirements due on said bonds April 1, 1948, plus Depositary's fees, and the University hereby covenants and agrees so to do. All funds received by the Depositary under the terms of this agreement, after deducting fees and expenses of such Depositary, shall be held by the Depositary in a special trust account to be known as the sinking fund and shall be disbursed or applied by the Depositary as hereinafter provided.

At least five (5) days before each semi-annual interest payment date the Depositary shall, if the sinking fund moneys then on deposit are sufficient for that purpose, set aside an amount equal to the interest becoming due on the next ensuing interest payment date on all of the said bonds then outstanding, and such funds shall be and they are hereby appropriated irrevocably to the payment of such interest, and the Depositary, as paying agent, is hereby authorized and directed to apply the same to the payment of such interest on the next ensuing interest payment date upon surrender of the interest coupons becoming due on the said interest date and appertaining to the outstanding bonds.

At least five (5) days before the express date of maturity of any of the bonds, the Depositary shall set aside from the moneys in the sinking fund, if such moneys then on deposit are sufficient for that purpose after making provision for payment of the interest becoming due on all the outstanding bonds on such maturity date, an amount equal to the principal of the bonds then maturing, and such funds shall be and they are hereby appropriated irrevocably to the payment of the principal of the said maturing bonds, and the Depositary, as paying agent, is hereby authorized and directed to apply the same to the payment of the principal of the said bonds upon surrender of the said bonds.

If, upon the forty-fifth (45th) day before any interest payment date on or after October 1, 1953, the Depositary has cash in the sinking fund after setting aside an amount sufficient to pay interest becoming due on all outstanding bonds on the next two ensuing interest payment dates and to pay the principal of any bonds theretofore called for redemption and not yet redeemed and the principal of all bonds theretofore due and unpaid and payment not provided for and becoming due on the next succeeding principal payment date, such cash shall be applied by the Depositary to the redemption on the next ensuing interest payment date of outstanding bonds, which by their terms are redeemable, in an amount sufficient to exhaust as nearly as may be such cash, after deducting therefrom and paying all costs and expenses of such redemption.

The said bonds are each in the denomination of One Thousand Dollars (\$1,000) and are numbered from 1 to 425, inclusive. All paid bonds, including bonds redeemed through the operation of the sinking fund, together with the appertaining interest coupons, shall be canceled by the Depositary and delivered to the Treasurer of the University. The Depositary shall keep a record of the numbers of all bonds so redeemed.

Notice of redemption through the operation of the sinking fund shall be published by the Depositary, either in the name of the University or in the name of the Depositary, as the Depositary may determine, once not less than thirty (30) days prior to the date of redemption. Such publication to be made in one newspaper published and of general circulation in the City of Chicago, Illinois. Such notice shall with substantial accuracy:

(a) Designate the date and place of redemption, such place to be the office of the Depositary, in the City of Chicago and State of Illinois;

(b) If the bonds to be redeemed are less than all of those outstanding, designate the numbers and the aggregate principal amount of such bonds; and

(c) State that on the designated date of redemption said bonds will be redeemed by payment of the principal thereof and the accrued interest thereon, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of the bonds so called for redemption will cease.

Upon publication of notice of redemption of any bonds through the operation of the sinking fund, the Depositary shall set aside from the moneys in the sinking fund an amount sufficient to pay and redeem the said bonds as hereinabove pro-

vided, and the Depositary, as paying agent, is hereby irrevocably authorized and directed to apply such funds to the payment and redemption of the said bonds on or after the specified redemption date upon surrender of the said bonds, together with all unmatured interest coupons thereto appertaining.

SECTION 3. The University has covenanted with the holders of the bonds, hereinabove referred to, that it will, so long as any of the said bonds shall remain outstanding and unpaid, keep in the office of the Depositary, in the City of Chicago and State of Illinois, books for the registration and transfer as to principal of bonds of the said issue, and the said Depositary is hereby appointed the agent of the University, with the title of Registrar, for the purpose of registering and transferring the said bonds as to principal only.

As to each bond registered, as to principal only, the person or entity in whose name the same is for the time being registered shall be deemed and regarded as the absolute owner thereof for all purposes, except for the purpose of receiving payment of the outstanding coupons, if any, appertaining thereto, and so long as the same shall be so registered payment of or on account of the principal thereof shall be made by the Depositary, as paying agent, only to the registered owner thereof. The bearer of any of the said bonds which shall not be registered as to principal and the bearer of any coupon appertaining to any such bond, whether or not such bond shall be registered as to principal, shall for all purposes be deemed and regarded as the absolute owner of such bond or coupon as the case may be for the purpose of receiving payment thereof and for all other purposes, and the Depositary, as paying agent, shall be fully protected in making payment of any such bond or coupon to the bearer thereof.

SECTION 4. The Depositary has executed this agreement and agrees to carry out the terms and provisions hereof on its part, but only upon and subject to the following express terms and conditions:

(a) The Depositary shall not be responsible for any recitals herein or in the said bonds or for the validity of this agreement or of the said bonds, nor for the performance of any of the agreements herein contained on the part of the University.

(b) The Depositary shall not be accountable for any of the proceeds of the bonds or of the revenues of the said building nor for any other funds of the University, except such funds as may be deposited hereunder. The Depositary shall not be required to allow interest on any funds at any time deposited hereunder. The Depositary may become the owner of bonds of the said issue with the same rights which it would have if not Depositary.

(c) The Depositary shall not be liable for any action taken or omitted to be taken by it in good faith and in the exercise of reasonable care and believed by it to be within the discretion or power conferred upon it by this agreement, nor shall the Depositary be responsible for the consequences of any error of judgment, and the Depositary shall not be answerable except for its own acts, neglect and default, nor for any loss unless the same shall happen through the negligence or want of good faith of the Depositary.

(d) The Depositary shall be entitled to advice of counsel concerning all matters arising under this agreement and its duties hereunder, and may in all cases pay such reasonable compensation as it shall deem proper to such counsel and all such outlays and expenditures shall be repaid to the Depositary out of the sinking fund money.

(e) The Depositary shall not be required to give any bond or surety in respect of the exercise of the duties and powers conferred hereby or otherwise in respect of the premises.

(f) The Depositary shall have a first lien hereunder upon the sinking fund moneys for reasonable compensation, expenses, advances and counsel fees incurred in and about the exercise and performance of its powers and duties hereunder, and the cost and expense of defending against any liability in the premises of any character whatsoever. The compensation of the Depositary shall not be limited to or by any provision of law in regard to the compensation of a trustee of an express trust.

(g) The Depositary at the time acting hereunder may at any time resign by giving not less than sixty (60) days' written notice to the University specifying the date when such resignation takes effect.

SECTION 5. The University covenants that in case the Depository at the time acting hereunder shall resign or be dissolved or shall be in the course of dissolution or liquidation or otherwise become incapable of acting hereunder, the University will forthwith appoint a successor Depository which shall be a trust company or bank in good standing located in the State of Illinois and having a capital and surplus of not less than Five Million Dollars (\$5,000,000), if there be such a trust company or bank willing, qualified and able to accept the appointment upon reasonable or customary terms.

Every successor Depository appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the University an instrument in writing accepting such appointment hereunder, and thereupon such successor Depository, without any further act, deed or conveyance, shall become fully vested with all of the estates, rights, powers, duties and obligations of its predecessor, and every predecessor Depository shall deliver all moneys and securities, together with a record of the amount and the numbers of the outstanding bonds, to its successor; provided, however, that before such delivery is required or made, all fees, advances and expenses of the retiring Depository shall be paid in full.

Any corporation into which the Depository or any successor to it may be merged or converted or with which it or any successor to it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Depository or any successor to it shall be a party, shall be the successor Depository under this agreement without the execution or filing of any paper on the part of either of the parties hereto.

SECTION 6. If there remain any funds in the hands of the Depository after payment of all principal and all interest due on said bonds and the payment and discharge of said fees, charges and disbursements of the Depository, said Depository shall pay over any such surplus funds to the University of Illinois upon presentation to the Depository of all bonds and coupons secured hereby marked or stamped "Paid" or "Cancelled", or upon presentation to the Depository of other evidence satisfactory to the Depository showing that all of such bonds and coupons have been paid or otherwise discharged.

SECTION 7. Nothing in this agreement expressed or implied is intended or shall be construed to confer upon any person, form or corporation, other than the parties hereto and the holders of the said bonds and the coupons thereto appertaining, any right, remedy or claim, legal or equitable, under or by reason of this agreement or any covenant, condition or stipulation hereof.

IN WITNESS WHEREOF, said University of Illinois, acting by and through its Board of Trustees, has caused this agreement to be signed in its name by the President of the Board of Trustees and the Treasurer thereof and its corporate seal to be hereunto affixed and attested by the Secretary thereof, and said The Northern Trust Company has caused this agreement to be signed in its corporate name by one of its Vice Presidents and its corporate seal to be hereunto affixed and attested by one of its Assistant Secretaries, all as of the day and year first above written.

SECTION 7. Said University hereby covenants that proper books of record and account will be kept, in which full, true and correct entries will be made of all income, expenses and financial transactions of and in relation to the said Building, and that it will furnish to the Depositary and to the original purchaser of said bonds on or before September 1 in each year so long as any bonds remain outstanding a statement certified as correct by the Comptroller and Treasurer of the University, showing the gross operating revenues, the operating expenses, and the net revenues of said Building for the twelve months' period ending on the next preceding June 30.

SECTION 8. The University covenants that while any of the bonds authorized hereunder remain outstanding it will establish charges and fees for the use of said building, adjusted so as to provide revenues at all times sufficient to pay the reasonable cost of maintaining, operating, insuring and repairing the said building, to pay the interest from time to time becoming due on the said bonds from time to time outstanding, and to provide for the payment of the principal of such bonds at maturity.

SECTION 9. It is hereby covenanted and agreed that while any revenue bonds issued hereunder are outstanding no additional revenue bonds shall be issued which, by their terms, are payable from the revenues of said Illini Union Building, unless and until all revenue bonds issued pursuant to the terms of this resolution have been paid in full, both as to principal and interest, or until provision shall have been made for such payment in full.

SECTION 10. That the fees and charges heretofore established for the use of said Illini Union Building in accordance with the terms of the trust to be terminated with the proceeds derived from the sale of the bonds hereby authorized and the method of the collection thereof now in full force and effect, shall remain in full force and effect until revised or changed in accordance with the terms of the covenants of this resolution. Said fees and charges as collected are hereby pledged and shall be applied to the payment of the reasonable maintenance and operation costs of said Illini Union Building and to the payment of the principal and interest of the bonds hereby authorized, all in accordance with the terms and covenants of this resolution.

SECTION 11. Said University of Illinois hereby covenants and agrees with the holder or holders of the bonds herein proposed to be issued, or any of them, that it will punctually perform all duties with reference to said building required by the Constitution and Laws of the State of Illinois, including the making and collecting of sufficient charges and fees for the use of said building, and segregating the revenue of said building and the application of the income and revenue thereof, as provided by this resolution; and it hereby covenants and agrees not to sell, lease, loan, mortgage or in any manner dispose of said building, including any and all extensions and improvements that may be made thereto, until all of the bonds herein authorized to be issued shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment thereof in full, and the said University further covenants and agrees with the holders of said bonds to maintain in good condition and continuously operate said building as a Student Social Center and for other educational purposes and maintain and keep in full force and effect at all times adequate insurance for the protection of said building, including multi-risk insurance, covering loss or damage to said building and use and occupancy insurance covering loss of use of said building. The cost of maintaining all insurance shall be deemed to be an operating charge and shall be paid only from revenues.

Any proceeds derived by said University from any multi-risk insurance shall be applied to the payment of the said University's reasonable and necessary costs in reconstruction, repair or rehabilitation of the said building and any proceeds derived from any use and occupancy insurance shall be applied in the same manner and to the same effect as gross operating revenues.

SECTION 12. The provisions of this resolution shall constitute a contract between the University of Illinois and the holders of the bonds herein authorized to be issued, and after issuance of the bonds no changes, additions, alterations or amendments of any kind shall be made to this resolution in any manner, until such time as all of said bonds issued hereunder, and interest thereon, shall be paid in

full, or unless and until provision shall have been made for the payment of all bonds hereby authorized and interest thereon in full.

SECTION 13. Any holder of a bond or bonds, or any of the coupons of any bond or bonds issued under the provisions of this resolution, may either in law or in equity, by suit, action, mandamus or other proceeding, enforce or compel the performance of all duties required by this resolution or the Act under which the bonds hereby authorized are issued, including the fixing, maintaining and collecting of such charges and fees for the use of such building as will be sufficient for all the purposes provided by this resolution, and the application of income and revenue therefrom.

SECTION 14. If any section, paragraph, clause or provision of this resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this resolution.

SECTION 15. That said revenue bonds shall be executed as soon after this resolution becomes effective as may be, be deposited with the Treasurer of said University, and be by him delivered to Julien Collins and Company, and White, Weld & Co., the purchasers thereof, upon receipt of the purchase price, the contract for the sale thereof heretofore entered into be and the same is hereby in all respects ratified and approved. Any accrued interest or premium derived from the sale of said bonds shall be deposited in the sinking fund hereinabove provided and applied toward payment of interest or principal of said bonds as thereby required.

SECTION 16. This resolution shall be in full force and effect from and after its passage.

WILLIAMSON be and they are hereby designated and directed to execute the proposed Illini Union Building Revenue Bonds, together with the President and Secretary of the Board of Trustees of the University of Illinois, as required by the resolution heretofore adopted authorizing the issuance of said bonds.

The Comptroller presented this matter.

After discussion, and on motion of Mr. Fornof, seconded by Mrs. Holt, Resolution 3, above, was adopted as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Meyer, Mr. Nickell.

CLINICAL FACULTY OF THE COLLEGE OF MEDICINE, 1947-1948

(2) A recommendation that appointments be made (as printed in the Appendix, page 864) to the nonsalaried, or clinical, faculty of the College of Medicine for the academic year beginning September 1, 1947; and that the President of the University be authorized to make such additional appointments and other changes as are desirable and necessary.

All appointments are for one year from September 1, 1947, unless otherwise indicated.

A summary by departments of the number of appointments with the comparative figures for 1946-1947 is also submitted.

On motion of Dr. Luken, these appointments were made, and authority was granted, as recommended.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(3) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under the Accountancy Act of 1943 and who have presented evidence to the Committee that they are properly qualified:

1. The following persons are recommended for the Illinois C.P.A. certificate on the basis of having satisfactorily passed an examination given by the Special Five-Man Board of Examiners on May 24, 1947 (Section 4b):

BARTON F. BOYLE

ALBERT I. STERLING

JULIUS M. LYBARGER

2. Candidates holding unrevoked C.P.A. certificates issued by other states or territories of the United States or the District of Columbia (Section 5):

OSCAR BROWN (N.Y.)

LAURIE MALINDA MCKEAND (D.C.)

WILLIAM ARTHUR CRUME (Mo.)

GEORGE ALBERT NORDSTROM (D.C.)

EDWIN KALBFLEISH (Mo.)

CHARLES STANLEY ROSENBLUM (N.Y.)

The Committee also recommends that the C.P.A. certificate be awarded to ROBERT F. ZECH of Chicago, who was a candidate in the November, 1946, C.P.A. examination. At that time he was reported as having failed the Commercial Law section which he was writing as a condition candidate under Rule 33. At his request his papers were regraded by the Board of Examiners and he is now certified as having passed the Commercial Law section of the examination. Mr. Zech is therefore eligible for the C.P.A. certificate and it should be awarded as of March 27, 1947, the date on which the other certificates for the November, 1946, examination were approved by the Board of Trustees.

The following persons are recommended for the Illinois C.P.A. certificate on the basis of having fulfilled all the requirements and having passed the C.P.A. examination which was given in May, 1947:

MARQUAM OTTO WOLFE

I concur.

On motion of Mr. Williamson, these certificates were awarded as recommended.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(4) The faculty Committee on Accountancy recommends the appointment of Mr. Cyril Talbot, 1 North LaSalle Street, Chicago, as a member of the Board for three years from July 1, 1947, succeeding Mr. Henry C. Hawes. Mr. Talbot is a partner in the firm of Barrow, Wade, Guthrie, and Company and manager of the Chicago office.

I concur in this recommendation.

On motion of Mr. Fornof, this appointment was made as recommended.

ADDITIONAL APPROPRIATION AND AWARD OF CONTRACTS FOR SIX RESEARCH HOUSES

(5) On April 24, 1947 (Minutes, page 341), the Board approved a program for additional staff housing to be paid from the special State appropriation of \$250,000. The estimated distribution of this appropriation was:

25 additional prefabricated houses.....	\$154 300
6 research homes.....	27 950
FPHA housing units.....	67 750

The estimated cost of the six research homes was \$60,150, to be financed in part by the allocation of \$27,950, and the remaining funds were to be obtained through borrowing and through a grant for research work from the United States Department of Commerce. It is now estimated that the total cost of the research homes will exceed the original estimate by \$6,000.

The total amount of \$67,750 to be applied toward the cost of obtaining FPHA housing units will not be needed for that purpose. Therefore, it is recommended that the \$6,000 required for the completion of the six research homes be transferred from that portion of the State appropriation set aside for FPHA housing units to the appropriation for the six research homes.

On June 23, 1947 (Minutes, page 388), the Board approved the award of the contract for the general work on these six research houses. The Coordinator of the Small Homes Council recommends and the Comptroller concurs that contracts for the following work be awarded to the contractor indicated. In each case the contractor is the lowest bidder.

Plumbing.—Reliable Plumbing and Heating Company, Champaign, Illinois, on the basis of cost, plus a fee of $33\frac{1}{3}$ per cent. Estimated cost, including fee, \$7,110.

Heating.—F. R. Inskip & Company, Champaign, Illinois, on the basis of cost plus a 40 per cent fee on materials and a 60 per cent fee on labor. Total estimated cost, \$2,940.

Wiring.—R. A. Bland Electric Company, Champaign, Illinois, on the basis of cost plus a fee of 50 per cent. Estimated cost, \$2,655.

I concur in the recommendations and request approval of the reallocation of the funds as indicated and request authority for the Comptroller and the Secretary of the Board of Trustees to execute these contracts.

On motion of Mr. McLaughlin, these recommendations were approved and adopted, by the following vote: Aye, Mr. Fornof, Mrs.

Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Meyer, Mr. Nickell.

**ADDITION TO THE CONTRACT FOR ELECTRIC CABLE SERVICE IN
THE WOMEN'S RESIDENCE HALLS AND THE ELECTRICAL
ENGINEERING BUILDING**

(6) The Physical Plant Department has requested an increase of \$5,699 in the contract with the A. S. Schulman Electric Company for electric cable service to the Electrical Engineering Building and the Women's Residence Halls. The original contract (approved by the Board on January 25, 1947) did not provide for such service, since the requirements were not known at that time. They have now been determined and the requested increase provides for them. Funds are available for this increase.

The Comptroller recommends approval of this increase and I concur.

On motion of Mr. McKelvey, this recommendation was adopted.

**AWARD OF CONTRACT FOR PLUMBING AND HEATING IN
THE TEMPORARY CAFETERIA**

(7) The Reliable Plumbing and Heating Company has submitted an estimate of \$4,789.93 to cover the University's portion of the plumbing and heating work required in connection with the construction of the temporary cafeteria. It is not possible to obtain competitive bids on this project because the Reliable Plumbing and Heating Company was the lowest bidder for the Federal Works Agency and is now actively at work on the site. The Physical Plant Department has analyzed the proposal and reports that it is reasonable.

The Director of the Physical Plant Department and the Comptroller recommend that a contract be executed with the Reliable Plumbing and Heating Company for this work in an amount of \$4,789.93. I concur and request that the Comptroller and the Secretary of the Board of Trustees be authorized to execute this contract.

On motion of Mr. McLaughlin, these recommendations were approved.

REAPPROPRIATION OF UNEXPENDED BALANCES AT JUNE 30, 1947

(8) The Comptroller submits the following list of balances at June 30, 1947, on which expenditures could not be completed as of that date and for which reappropriation is requested for the year 1947-1948. All of these items are for special, nonrecurring purposes. The sum involved is represented by a balance in the University Income Fund in the State Treasury or in funds accumulated from government contracts in the University treasury. All appropriations from State tax funds for the biennium 1945-1947 were expended or fully encumbered on June 30 and will be fully expended by September 30, 1947.

I recommend the reappropriation of these balances for the fiscal year July 1, 1947, to June 30, 1948.

ENDOWMENT FUNDS INVESTMENTS

(9) The Finance Committee recommends the following transactions involving securities which are investments of endowment funds:

SALES

100 shares Burlington Mills Preferred Stock
67 shares Walgreen Common Stock

PURCHASES

100 shares Pacific Gas & Electric Common Stock
100 shares Cleveland Electric Illuminating Company Common Stock
200 shares Standard Oil of Indiana Common Stock

Authorization to proceed with these transactions and approval of the following resolution is requested:

RESOLUTION REGARDING SALE OF STOCK

Whereas the Board of Trustees of the University of Illinois is the owner of 100 shares of Burlington Mills Preferred Stock and 67 shares of Walgreen Common Stock, and

Whereas the Board of Trustees has approved the sale of such stock in its meeting of September 26, 1947,

Now, therefore, be it resolved by the Board of Trustees of the University of Illinois that Lloyd Morey, Comptroller, and H. E. Cunningham, Secretary, be authorized to execute any and all documents necessary to complete such sale.

On motion of Mr. Williamson, authority was granted and the resolution was adopted as recommended.

FINAL REPORT ON BEQUEST OF EDWARD C. EARL

(10) On May 26, 1945 (Minutes, page 485), the Board of Trustees authorized Comptroller Lloyd Morey to serve as Executor, and Mr. Arthur L. Barton, of New York City, to act as Counsel for the University in the matter of the Estate of Edward C. Earl. On February 27 and August 5, 1947, reports of partial distribution of the Estate were made to the Board. The Executor now submits a final report of his administration of the Estate:

Below appears a condensed report of receipts and disbursements of the Executor and a statement of assets of the fund as finally received by the University, which includes assets distributed in kind and real estate, title to which was vested immediately in the Board of Trustees on the Testator's death. All disbursements indicated have been made with the exception of the fee due Mr. Barton as the attorney for the Estate and Executor, amounting to \$3,000, and final cash distribution to the University of \$747.61. These payments will be made on acceptance and approval of this report by the Board. No assets of the Estate other than the cash balance are held by the Executor except 100 shares of Wabash Railway Company Class A Preferred Stock and 150 shares of Wabash Railway Company Common Stock. The First National Bank of Chicago, in letter of February 7, 1946, advised that the Wabash Railway Company was reorganized in 1941 and that as a result of such reorganization the stock became worthless. Accordingly this stock was not transferred to the First National Bank of Chicago with other securities as authorized February 27, 1947.

Total Disbursements.....\$10 904 71

The Estate will be settled on a "Receipt and Release Basis" as authorized by the laws of the State of New York, and the final accounting, in the form of an agreement between the Board of Trustees, signed by its President, and the Executor, will be filed for record with the Surrogate's Court of the County of New York. The laws in New York do not require approval of such agreement by the Surrogate's Court under this procedure.

The Legal Counsel recommends the use of this method to close the Estate, and has approved the agreement. He furthermore has approved the amount of the proposed attorney's fee as being reasonable.

The net estate is to establish an endowment fund, the income from which will be used for small prizes for superior architectural work in undergraduate classes of the Department of Architecture. Receipts of this fund are as follows:

Net proceeds of sale of securities received in kind, transferred to University and sold by action of Board of Trustees February 27, 1947.....	\$12 305 23
Partial distribution of cash (February 27, 1947).....	6 000 00
Net proceeds from sale of house and lot in Mt. Ranier, Maryland, reported to Board August 5, 1947.....	5 633 86
Proposed final distribution of cash, reported above.....	<u>747 61</u>
<i>Total Receipts</i>	\$24 686 70

The above funds have been invested in securities approved by the Finance Committee, as they became available.

The Executor requests the acceptance of this report and approval of the attorney's fee of \$3,000.

On motion of Mr. McLaughlin, this report was accepted and the attorney's fee was approved as requested.

CONTINUED USE OF SKATING RINK FOR MEN'S HOUSING

(11) At its meeting on April 18, 1946 (Minutes, page 1076), the Board approved the conversion of the Skating Rink into a barracks-type housing unit for men during the academic year 1946-1947. University officials agreed with representatives of the Athletic Association that this area would be used for housing during the year 1947-1948 only after all other spaces had been filled. Accordingly, this space was held as the last University operated unit to be assigned. As of September 5, 1947, all University housing space had been assigned and 850 unfilled applications from single men were on file. In view of the increasing pressure from applicants for housing facilities and the fact that the Skating Rink could be used as a housing unit without delay and without further cost to the University, the Director of the Physical Plant Department and the Dean of Students recommended that the Skating Rink be continued as a housing unit during the coming year, and the recommendation was approved by the President on September 5.

The President of the University and the Provost commented on this matter.

On motion of Mrs. Holt, the action of the President of the University in assigning the Skating Rink for men's housing was approved and confirmed.

PURCHASES

(12) There are submitted herewith (Appendix, page 876): A. Recommendations for purchases for approval by the Board; B. Purchases authorized by the Executive Committee of the Board; C. Purchases authorized by the President of the University.

On motion of Mr. Williamson, the purchases recommended were authorized, the report of the Executive Committee was received for record, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

**COMPTROLLER'S REPORT OF CONTRACTS
JULY 11 TO SEPTEMBER 10, 1947**

(13) The Comptroller's report of contracts executed, July 11 to September 10, 1947 (see Appendix, page 880).

On motion of Mr. McLaughlin, this report was received for record.

**AWARD OF CONTRACT FOR RESURFACING OF THE SERVICE DRIVE
BETWEEN THE PHYSICS BUILDING AND ENGINEERING HALL**

(14) Bids were taken on the resurfacing of the service drive which extends northward between the Physics Building and the Engineering Hall. Only one firm, the Champaign Asphalt Company, submitted a bid, in the amount of \$2,800. Funds are available for this project within the Physical Plant operation and maintenance appropriation.

The Director of the Physical Plant and the Comptroller recommend the award of this contract to the Champaign Asphalt Company.

I concur and request authority to the Comptroller and the Secretary of the Board to execute this contract.

On motion of Mr. Williamson, this recommendation was approved and authority was granted as recommended.

**ADDITIONS TO CONTRACTS FOR ELECTRICAL
ENGINEERING BUILDING**

(15) The Director of the Physical Plant Department recommends the following contract additions:

1. An addition of \$2,281.25 to the contract with the Leverenz Electric Company for electrical work on the Electrical Engineering Building. This addition will provide for a lightning protection system which was not included in the original contract approved by the Board of Trustees on January 25, 1947 (Minutes, page 229).

2. An addition of \$2,000 to the contract with the John Felmley Company for general work on the Electrical Engineering Building. The original contract was approved by the Board of Trustees on January 25, 1947 (Minutes, page 229). This addition will provide for the acceptance of an alternate bid providing for the installation of weather strips submitted at the time of the original contract, but which was not accepted at that time.

The Comptroller recommends approval of the above additions and I concur.

On motion of Mr. McKelvey, these additions to contracts were approved as recommended.

APPROPRIATION FOR LIGHT HORSE PROGRAM

(16) The Dean of the College of Agriculture requests an addition of \$5,250 to the budget of the Department of Animal Science to provide for a program of education and research in the breeding, feeding, and care of light horses. The Department has a well-established program of education and research in the breeding, feeding, and care of draft horses. In recent years there has developed public interest in work by the University in the breeding and use of riding and other light horses.

There is also submitted separately a recommendation for a nonrecurring appropriation for the purchase of brood mares and stallions for this program.

I concur in this recommendation.

On motion of Mr. Fornof, this appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Meyer, Mr. Nickell.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(17) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

Purchase of Edward H. Taylor Collection of Reptiles and Amphibians now located at the University of Kansas.....	\$ 14 000
Improvements to Home Research Center Site.....	7 100
Replacement of practice organs.....	18 000

Purchase of ornithology collection for Library.....	17 000
Appropriation for erection of additional temporary warehouse from Federal Works Agency.....	14 000
<i>Total</i>	<u>\$215 100</u>

I concur.

On motion of Mr. McKelvey, these appropriations were made as recommended, by the following vote: Aye, Mr. Forno, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Meyer, Mr. Nickell.

**REPORT OF THE LEASE FOR THE MAYO GENERAL
HOSPITAL AT GALESBURG**

(18) On September 24, 1946 (Minutes, page 38), the Board authorized the President and the Comptroller of the Board of Trustees to execute the documents necessary to complete the transfer to the University of the land, buildings, equipment, and supplies constituting the Mayo General Hospital at Galesburg.

The University took possession of the Mayo General Hospital on September 20, 1946, under an interim permit. A permanent lease has been drafted and is ready for execution. For the information of the Board, the following major provisions of this lease are reported:

1. For the consideration of one dollar, the University is entitled to exclusive possession of the property and agrees to operate and maintain it at its own cost and agrees on the termination of the lease to yield up and surrender the premises to the Government in as good order, condition, and repair as when received, ordinary wear and tear excepted. The University is liable to make repairs arising out of fire, windstorm, and such other hazards as may be covered by insurance. (See paragraph 2)

2. The University shall procure and maintain at its own cost for the entire term of the lease, insurance, such insurance to be payable to the Treasurer of the United States, on the leased premises for fire, windstorm, and extended coverage protection. This insurance coverage shall be secured in companies and in such amounts as shall be required by and be satisfactory to the Government. In the event of loss the proceeds of the insurance will be made available to the University. If it is determined that the cost of such repairs will exceed the amount of insurance proceeds, the Government will not require such repairs at a cost greater than the insurance proceeds.

3. The University will not allow the premises to be used for any other purposes than those specified in the lease, nor allow the premises to be occupied

in whole or in part by any other persons and will not sublet the same without the written consent of the Government.

4. The University unconditionally indemnifies the Government against any and all claims of whatever type or nature and all costs or expenses that the Government may be caused to suffer due to any injuries to persons or property resulting from the use and occupation of the premises by the University.

5. The lease runs for three years from September 20, 1946. The University has the right to renew the lease for an additional period of two years on the same terms and conditions as set forth in the original lease. The Government and the University shall each have the right to cancel the lease by giving written notice to the other party of its intention to cancel the lease six months prior to the effective date of cancellation or termination, and such effective date of cancellation shall either be June 30 or February 1 of any year after the date of the original lease.

This report was received for record.

CHANGES IN "POLICY AND RULES RELATING TO COMPENSATION AND WORKING CONDITIONS OF NONACADEMIC EMPLOYEES"

Mr. McLaughlin, for the Committee on Civil Service and Employees, presented the following report.

The Director of Nonacademic Personnel, with the support of the Nonacademic Personnel Advisory Committee, recommends two changes in the "Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees," to bring the wording and policy in line with the original intent:

Section IV, Paragraph 5 now reads: "All time in excess of the units of hours constituting the work day and the work week is overtime and will be compensated at time and one-half in cash unless the local prevailing practice for this group varies from this procedure, in which case the local prevailing practice will be followed. By mutual agreement between a department. . . ."

This paragraph should read: "All time in excess of the units of hours constituting the work day and the work week is overtime, and will be compensated at time and one-half in cash unless *under* local prevailing practice a *higher rate is paid* in which case the local prevailing practice will be followed. By mutual agreement between a department and an employee, an employee may work overtime with equivalent time off at straight time. . . ."

Section VIII, Paragraph 2-B now reads: "In addition to the leave provided in the preceding paragraph, each full time, permanent and continuous employee who has served for one full year is entitled to an extended disability leave of one work week for each year of service, cumulative to a total of ten work weeks, which shall be allowed to reaccumulate to this maximum through additional service after being used in part or in full. No reduction shall be made in accumulations for prior service earned before March 1, 1944."

This paragraph should read the same as present paragraph, with the following addition: "Each permanent and continuous employee employed regularly on a part-time basis is entitled to such fraction of one work week with pay as is represented by the relationship between this part-time employment and the full time schedules in his classification."

Director Dickason commented on these recommendations.

On motion of Mr. McLaughlin, these changes were approved and adopted.

EXECUTIVE SESSION

Following a recess for luncheon, the Board considered the following matters presented by and for the President of the University.

PURCHASE OF PROPERTY AT 1116 WEST ILLINOIS STREET, URBANA

(1) The property at 1116 West Illinois Street, Urbana, is available for purchase. It is in the area of anticipated future University expansion. It consists of a frame building containing two five-room apartments and a four-car garage building, on a lot 54 by 130.

The property can be used to advantage for staff housing, in which there continues to be an urgent need. It is offered for sale at the appraisal price of the

Champaign County Real Estate Board, namely, \$23,800, providing the purchase is made by September 30, 1947.

I recommend that authority be given for the purchase of this property and that a special appropriation be made from the General Reserve Fund of \$24,000, or so much thereof as may be required, for the purchase and completion of the transaction.

On motion of Mr. Fornof, this purchase was authorized and the appropriation made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

PURCHASE OF PRINTING EQUIPMENT

(2) On March 27, 1947 (Minutes, page 312), the Board authorized the purchase of a new press to be installed in Gregory Hall for joint use by the Illini Publishing Company, the University Press, and the School of Journalism to replace the press now owned and operated by the Illini Publishing Company in Illini Hall. An appropriation of \$25,000 was made to apply toward the cost of the press, the balance of cost of the press to be paid by the Illini Publishing Company.

Specifications were prepared by a committee representing the three interested parties, inviting bids on either a unit-type tubular or semi-cylindrical plate newspaper press of 12-page capacity. Bids were invited from all manufacturers able to furnish satisfactory equipment of either of these types. The only bid received was that of the Goss Printing Company of Chicago at a price of \$59,710 for the press and complete equipment as specified, with an escalator clause providing for an increase in price to cover any increase in costs of manufacture subsequent to this date and before delivery. The Company agrees that, if the readjusted price is not satisfactory, the contract may be cancelled by the buyer without penalty.

Date of delivery is estimated at 18 months. The bidder insists on an advance payment of 10 per cent to establish the order on its production schedule in accordance with standard practice. He also asks for payments approximately in accordance with the following schedule: 25 per cent on notification of completion of manufacture; 15 per cent on shipment; balance of 50 per cent on installation and acceptance. Responsibility for installation will be assumed by the Company, the University to prepare the space for the installation, for which a separate additional appropriation will be necessary when costs are determined.

These conditions are somewhat unusual in University contracts and purchases, but the Company will not accept an order under any other terms. Demand for such equipment is so great that it is necessary that the University comply with these terms in order to have assurance of the equipment within any reasonable time. To postpone the purchase until more favorable conditions and prices can be secured may mean a delay of several years.

The Director of Purchases, the Director of the School of Journalism, the Director of the University Press, the Chairman of the Illini Publishing Company, and the Comptroller make the following recommendations:

1. The preparation of a joint contract of purchase on the foregoing terms between the Board of Trustees of the University of Illinois and the Illini Publishing Company, and the Goss Printing Press Company for the purchase of a 12-page unit-type tubular plate press with motor and necessary accessories, the University to pay \$25,000 toward the cost of the equipment and the Illini Publishing Company to assume the balance of the cost.

2. The preparation of a declaration of trust between the Illini Publishing Company and the Board of Trustees placing the title of the property in trust in the University with the responsibility for operation and maintenance of the press in the Illini Publishing Company and making other necessary provisions incident to operation.

I concur in these recommendations and recommend approval and request authority for the Comptroller and the Secretary of the Board to execute the necessary contracts subject to approval by the Legal Counsel of the University.

On motion of Mr. Fornof, these recommendations were approved and authority granted as recommended.

**REVISION OF COMPENSATION PLAN AND CLASS SPECIFICATIONS
FOR NONACADEMIC EMPLOYEES**

(3) The Director of Nonacademic Personnel has submitted a complete revision of the "University of Illinois Civil Service Compensation Plan and Index to Class Specifications for Nonacademic Employees, September, 1947." Practically all of the changes have been approved by the Board of Trustees from time to time, but the complete schedule should be presented to the Board for formal approval as a whole. In addition to the changes already approved by the Board, the following additional changes are recommended:

<i>Classification</i>	<i>As Submitted in June</i>	<i>As Included in the Revised Book</i>
Mechanical Engineer	\$350-500	\$400-550
Structural Engineer	300-450	350-500
Supervisor Chicago Illini Center.....	140-200	175-250
Teacher Handicapped Children	175-250	Prevailing

With the exception of these changes, the list in the front of the new book is exactly as previously approved by the Board.

The following changes of title have been made:

<i>Old Title</i>	<i>New Title</i>
Assistant Purchasing Agent	Assistant Director of Purchases
Director of Outpatient Nurses	Supervisor of Clinic Nurses
Assistant Director of Outpatient Nurses	Assistant Supervisor of Clinic Nurses

The following new classifications have been added since any previous list of new classifications was submitted to the Board:

Assistant to the Business Manager — Chicago	\$300-450
Assistant to the Director of Housing.....	275-400
Assistant Business Manager — Chicago.....	350-500
Executive Clerk, President's Office	265-350

Supervisor of Sewing and Surgical Dressings.....	150-225
Supervisor of Linen Service.....	150-225
Supervisor of Urology Clinic.....	200-280

These new classifications are included in the list of salary ranges and in the printed class specifications.

The first edition of this compensation plan and class specifications was published in January, 1945. The new edition represents a complete revision and brings the class specifications situation up to date, placing it on a current useful basis. Future revisions will, of course, be necessary as conditions in the University and outside employment change.

I recommend that this be referred to the Committee on Civil Service and Employees.

Mr. Dickason commented on this matter.

Mr. McLaughlin, for the Committee on Civil Service and Employees, recommended that the revision of the Compensation Plan and Index be approved as presented.

On motion of Mr. McLaughlin, this recommendation was adopted.

WAGES OF OPERATING ENGINEERS IN CHICAGO

(4) A statement by Mr. D. E. Dickason, Director of Nonacademic Personnel, on the status of negotiations between the University and Local No. 399, International Union of Operating Engineers, in the Chicago departments.

This matter was presented by Director Dickason. After discussion, no action was taken.

The Comptroller presented the following items for the President of the University.

SALE OF HOUSES PURCHASED FOR STAFF

(5) On May 29, 1946 (Minutes, page 1115), the Board approved a resolution authorizing the Comptroller and the Secretary of the Board to execute all documents relating to the staff housing project for the purchase of 50 prefabricated houses. This resolution authorized the conveyance of the properties to the Foundation for the purpose of borrowing additional funds and requires the return of the properties to the University when all indebtedness has been paid. Under this program 44 houses, the maximum possible within the available funds, have been erected.

The University now has the opportunity to sell one of these houses at a price equal to the total cost of the house to a staff member who would otherwise be eligible to rent such a unit. By selling the house, funds will be released which will enable the University to purchase an additional unit. To complete this sale, it is necessary that the Board of Trustees approve the following revised resolution which will enable the University of Illinois Foundation to complete such sales and to hold the funds for direction by the Board of Trustees of the University of Illinois.

I recommend adoption of this resolution, the sale of the property, and reinvestment of the funds realized from the sale in an additional unit.

Whereas, the Board of Trustees of the University of Illinois, at its meeting on May 29, 1946 (Minutes, pages 1113-1115), adopted a Resolution pertaining to the Staff Housing Project which read as follows:

"Therefore, be it resolved, that the Comptroller of the University of Illinois and the Secretary of the Board of Trustees of the University of Illinois be and the same are hereby authorized to execute all agreements and documents necessary, to acquire sites for fifty (50) units to be constructed and used for faculty housing; to construct thereon such units within the limitation of \$176,000 expenditure; to convey such sites and units to the University of Illinois Foundation under an agreement that they will be reconveyed to the Board of Trustees when all indebtedness against them has been paid and to enter into a lease agreement with the University of Illinois Foundation whereby the Board of Trustees as Lessee is given the right to operate and manage such units."

and

Whereas, the sale of individual houses and lots which form a part of said project will be facilitated by a restatement of this Resolution;

Therefore, be it resolved that the Resolution above quoted be and the same is hereby amended to read as follows:

Therefore, be it resolved, that the Comptroller of the University of Illinois and the Secretary of the Board of Trustees of the University of Illinois be and the same are hereby authorized to execute all agreements and documents necessary, to acquire sites for fifty (50) units to be constructed and used for faculty housing; to construct thereon such units within the limitation of \$176,000 expenditure; to convey such sites and units to the University of Illinois Foundation under an agreement whereby the University of Illinois Foundation will lease all of said properties to the Board of Trustees of the University of Illinois with full right to operate and manage such sites and units; that the University of Illinois Foundation may sell and convey in fee simple, free and clear of encumbrance and lease, by appropriate instruments of conveyance any or all of said sites and units to purchasers at prices per site or unit not less than the amount required to liquidate a pro rata share of the total indebtedness outstanding at the date of the sale of said sites and units, the proceeds of such sale to be held or disposed of as the Board of Trustees of the University of Illinois shall direct; the purchasers of said sites or units shall be under no duty to see to the application of the purchase money; that any sites or units not so sold and conveyed shall be reconveyed by the University of Illinois Foundation to the Board of Trustees of the University of

Illinois or to its nominee when all indebtedness against the respective sites and units has been paid.

On motion of Mr. Williamson, the resolution was adopted and the sale of the property and reinvestment of funds realized was authorized as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

FINANCING SUPPLEMENTARY STAFF HOUSING

(6) On April 24, 1947 (Minutes, page 341), the Board of Trustees approved a supplementary staff housing program which provided for the construction of 25 prefabricated houses and six conventional type houses. Funds for this project were to be provided in part by borrowing. As in the original staff housing project, the best medium for borrowing the necessary funds is through the University of Illinois Foundation. The Board of Directors of the Foundation has indicated its willingness to cooperate in this project, and the adoption of the attached resolution is necessary to complete the transfer to the Foundation.

I recommend adoption of the following resolution.

Whereas, at a meeting on April 24, 1947, the Board of Trustees of the University of Illinois approved in principle the proposed program that the University of Illinois undertake a Staff Housing Program by constructing thirty-one (31) residence units, borrowing \$83,700.00 of the required amount and liquidating the loan from income over a ten (10) year period, and

Whereas, information since received indicates that a total expenditure of \$285,150.00 will be involved in constructing such units, \$83,700.00 of which may be borrowed from The First National Bank of Chicago, payable over a period of ten (10) years and bearing an interest rate of three per cent (3%), and

Whereas, The First National Bank of Chicago prefers that the Board of Trustees of the University of Illinois convey the sites for such units to the University of Illinois Foundation and that the loan be made by The First National Bank of Chicago to the University of Illinois Foundation and not directly to the Board of Trustees of the University of Illinois, such loan to be secured by a mortgage, and

Whereas, the University of Illinois has obtained thirty-one (31) sites for such units, and

Whereas, The Board of Directors of the University of Illinois Foundation has expressed a willingness to cooperate with the Board of Trustees of the University of Illinois by accepting title to the sites and the units to be constructed thereon at the expense of the University of Illinois, and to borrow the necessary funds to complete the proposed project from The First National Bank of Chicago by mortgaging the units and to lease the units to the Board of Trustees of the University of Illinois in order that they may be made available for members of the staff of the University of Illinois;

Therefore, be it resolved, that the Comptroller of the University of Illinois and the Secretary of the Board of Trustees of the University of Illinois be and the same are hereby authorized to execute all agreements and documents necessary to construct upon the sites already acquired within the limitation of \$201,450 expenditure, including the cost of such sites, to convey such sites and units to the University of Illinois Foundation under an agreement whereby the University of Illinois Foundation will lease all of said properties to the Board of Trustees of the University of Illinois with full right to operate and manage such sites and units; that the University of Illinois Foundation may sell and convey in fee simple, free and clear of encumbrance and lease, by appropriate instruments of conveyance any or all of said sites and units to purchasers at reasonable prices per site or unit, but not less, in any event, than the amount required to liquidate a pro rata share of the total indebtedness outstanding at the date of the sale of said sites and units, the proceeds of such sale to be held or disposed of as the Board of Trustees of the University of Illinois shall direct; the purchasers of said sites or units shall

be under no duty to see to the application of the purchase money; that any sites or units not so sold and conveyed shall be reconveyed by the University of Illinois Foundation to the Board of Trustees of the University of Illinois or to its nominee when all indebtedness against the respective sites and units has been paid.

On motion of Mr. Williamson, this resolution was adopted, by the following vote: Aye, Mr. Forno, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

ADDITIONAL CONSTRUCTION ON POWER PLANT ADDITION

(7) Sargent and Lundy, Chicago, engineers and designers for the addition to the Power Plant at Urbana-Champaign, have tried to obtain bids for gallery and miscellaneous steel required for the construction of this project. Bids were first requested for opening on June 30. No bids were received. Recently, however, a bid has been received from the Anderson Iron Works, 5836 South Loomis Boulevard, Chicago, in the amount of \$16,955, f.o.b. trucks at the building site, Urbana, Illinois.

Sargent and Lundy report that they have exhausted the possibilities of obtaining other bids. Accordingly, the Physical Plant Department recommends award of a contract to the Anderson Iron Works on the bid of \$16,955.

This bid includes furnishing of material only. It is proposed to ask the Kuhne-Simmons Company, contractor for construction of the building, for an estimate of all installation costs to handle this by a change order in their contract. The estimated total installed cost of this phase of the project is from \$20,000 to \$22,000. Funds are available for this.

Approval of these proposals is recommended.

On motion of Mr. McLaughlin, these proposals were approved as recommended.

REPORT OF THE FINANCE COMMITTEE ON PRINCIPLES GOVERNING RESEARCH CONTRACTS

(8) At the meeting of the Board on August 5, 1947 (Minutes, page 512), the President of the University presented recommendations for changes in the regulations and policy of the Board governing research contracts. These changes would affect only the provisions relating to direct and indirect costs and the distribution of funds resulting from indirect cost charges.

The Board referred these recommendations to the President of the University and the Finance Committee. The Committee has given careful consideration to these proposed changes. They have also been studied by the Directors of the Engineering and Agricultural Experiment Stations, the former and present deans of the Graduate School, the Vice-President in charge of the Chicago Professional Colleges, the Coordinator of the Small Homes Council, and the Bursar. These officers, who are representative of all University agencies concerned with research contracts, and the President of the University, have recommended approval of the changes.

The Finance Committee concurs and recommends that the proposals as submitted to the Board of Trustees on August 5 be approved.

On motion of Mr. Williamson, these proposals were approved as recommended.

APPOINTMENT OF MISS MIRIAM A. SHELDEN AS DEAN OF WOMEN

(9) The Executive Committee of the Board on August 29, 1947, appointed Miss Miriam A. Sheldon of Millbrook, New York, and Washington, D. C., as Dean of Women at an annual salary of \$6,500, effective September 15, 1947. Miss Sheldon began her duties on September 15 and will be on the campus for at least 30 days, after which time she will report to the Bureau of Naval Personnel for as much time as may be necessary to train a successor in her assignment in the Navy. She will return to the University not later than January 1, 1948.

This report was received for record.

LEASE OF JOHN KATSINAS IN ARCADE BUILDING

(10) A report of a meeting of the Committee on Buildings and Grounds.

MINUTES OF THE BUILDINGS AND GROUNDS COMMITTEE MEETING HELD

AUGUST 23, AT 1:30 P.M. IN THE ILLINI UNION BUILDING, URBANA

Those present were: Mrs. Doris S. Holt, Mr. John R. Fornof, and Mr. Frank H. McKelvey, Chairman. Also attending were Mr. Norval Hodges, Mr. C. C. De Long, Mr. S. E. Thompson, Mr. C. S. Havens, Mr. C. E. Tate, and Mr. John Katsinas.

This meeting was called as a result of Mr. Tate's letter to Mr. Britton, under date of July 29, in which he asked permission to appear personally before the Board of Trustees to present the request of Mr. Katsinas for an extension of his lease of space in the Illini Arcade.

Mr. Tate outlined the history of this case and the wishes of his client which were stated in his letter to Mr. Britton under date of June 19 and are as follows:

1. He is willing to assign his present lease to a prospective purchaser who has stated that he is willing to eliminate the clause in the present lease under which the Lessee agrees he will not, during the term of the lease, knowingly permit students of the University of Illinois or other persons to use intoxicating beverages, other than beer, on the premises and such purchaser has stated that he would not demand an extension of the present lease for more than six (6) years from its expiration, or in other words, ten (10) years from the present date. This purchaser has offered a purchase price in excess of those shown below, but because of other matters considered by Mr. Katsinas he would rather consider the University of Illinois as a purchaser.

2. He is willing to sell to the University of Illinois for the sum of \$35,000.00, all of his right, title and interest in said premises, surrender his lease, and turn over possession immediately of the place of business, furniture, fixtures, and equipment, including air conditioning equipment, ice cream freezer, the juke box and two scales (the juke box and scales being leased equipment), and stock of merchandise and monogrammed dishes, or

3. He is willing to sell to the University of Illinois all of his right, title and interest in and to said place of business for the sum of \$30,000.00, excepting the equipment, stock of merchandise and monogrammed dishes, which he agrees to remove from said premises within a reasonable time after the consummation of said sale for the sum of \$30,000.00.

Although the University has a real need for the leased space in order to provide facilities for general University functions, such as office space for academic staff members, it was agreed that the demand for food service was equally acute at the present time and that the University should therefore encourage Mr. Katsinas to continue with the food service operations during the balance of his contract. The Committee accordingly recommends the following:

1. That the University should proceed as rapidly as possible to remodel the building to comply with the minimum requirements of the State Department of Public Health assuming that the area will continue to be used for the service of food.

2. That the Lessee be notified that the University will proceed with the remodeling of the kitchen and toilet areas but will not extend the lease at the present time nor commit itself to the extension of the lease in the future.

3. That after completing the remodeling program in this building the University will expect the Lessee to operate food service facilities in accordance with the terms of the lease and the local health standards.

FRANK H. MCKELVEY

Chairman

The Legal Counsel discussed this matter.

On motion of Mr. McKelvey, the recommendations of the Committee on Buildings and Grounds were adopted.

AWARD OF CONTRACTS FOR REMODELING IN THE ARCADE BUILDING

(11) At its meeting on August 22, 1947, the Buildings and Grounds Committee of the Board recommended that the University proceed as rapidly as possible to remodel that part of the Arcade Building occupied by the Katsinas Confectionery,

in order to comply with the minimum requirements of the State Department of Public Health (assuming that the area will continue to be used for the service of food). This report has been sent to the Executive Committee of the Board for approval.

In order that the University may proceed with the alterations as soon as the Executive Committee has acted on the recommendations of the Buildings and Grounds Committee, the Director of the Physical Plant Department recommends that contracts for this work be let to the following firms, in accordance with their proposals received on September 4, 1947, for minor alterations on a cost-plus basis:

General work—Kuhne-Simmons Co., Champaign and Rantoul.

Electrical work—Square Deal Electrical Co., La Porte, Indiana.

Plumbing and heating work—Champaign Plumbing & Heating Co., Champaign.

Ventilating and sheet metal work—Schroeder's, Champaign.

Cost of this remodeling is estimated by the contractors as approximately \$30,000. Funds are available for this program of alterations in the reserves accumulated from the past operations of the Arcade Building.

The Provost, acting for the President, recommends that authority be granted to the Comptroller and Secretary of the Board to execute such contracts, payable from the funds as indicated, if the Board of Trustees approves the report of the Committee on Buildings and Grounds.

On motion of Mr. McKelvey, these recommendations were adopted, subject to the acceptance by Mr. Katsinas of the action on the lease (see item 10).

CONTRACTS FOR MINOR ALTERATIONS

(12) On March 27, 1947 (Minutes, page 317), the Board approved a procedure and contracts for minor alterations and remodeling in the Urbana-Champaign division. These contracts were effective until June 30, 1947, and were on a cost-plus-fee basis. The work under the contracts was initiated on individual order from the Physical Plant Department, approved by the Comptroller within Board appropriations for jobs which were so small or of such a character as to make competitive bidding impractical. This procedure has proved advantageous to all parties concerned. To continue the policy, bids were received on a similar basis for the year 1947-1948.

A general analysis of the bids indicates that, if the awards are made to the contractors noted below, the lowest total costs to the University will result:

General work—Kuhne-Simmons Co., Champaign and Rantoul.

Electrical work—Anderson Electric Co., Danville, and Square Deal Electrical Co., La Porte, Indiana.

Plumbing and heating work—Champaign Plumbing & Heating Co., Champaign.

Ventilating and sheet metal work—Schroeder's, Champaign.

In the case of the electrical work it would be difficult to anticipate the low bidder for all contracts in advance, and two contractors are recommended.

The Director of the Physical Plant Department and the Comptroller recommend the continuation of the procedure and the award of standing contracts until June 30, 1948, to the companies indicated above. I concur and recommend that authority be granted to the Comptroller and the Secretary of the Board to execute such contracts.

On motion of Mr. McKelvey, these recommendations were adopted.

ADDITION TO CONTRACT WITH E. H. MARHOEFER COMPANY FOR GENERAL CONSTRUCTION WORK ON PHYSICAL ENVIRONMENT ADDITION

(13) On June 23, 1947 (Minutes, page 406), the Board of Trustees approved the award of a contract for the general construction work on the Physical Environment Addition with the E. H. Marhoefer Company. In connection with the construction of this addition, temporary power service must be installed as the present electrical distribution system crosses the site of the new building. The exact cost of rerouting this service can not be accurately computed in advance, and it is proposed that this work be undertaken on a cost-plus contract with a guaranteed maximum.

The E. H. Marhoefer Company has agreed to accept this additional work on the basis of reimbursement for time and materials at cost plus 15% for overhead and 5% for profit. The Company further guarantees a maximum cost to the University not to exceed \$18,060. This proposal has been checked and approved by the Architects, Holabird and Root.

Funds are available for this work in the special state appropriation for this project.

The Director of the Physical Plant and the Comptroller recommend that the Board approve this addition to the original contract with E. H. Marhoefer Company.

On motion of Mr. Fornof, these recommendations were adopted.

ACTIONS OF THE EXECUTIVE COMMITTEE

The Secretary presented for record the following report of actions by the Executive Committee on recommendations submitted by the President of the University:

August 20, 1947

1. The retirement of Professor Edna E. Walls of the Department of Home Economics, effective September 1, 1947.
2. The award of a contract in the amount of \$129,000 to the Kuhne-Simmons Company, Incorporated, the lowest bidder, for the construction of the superstructure of the Power Plant Addition.
3. Award of a contract to the W. A. Pope Company, Chicago, in the amount of \$17,358, subject to a maximum of 18% escalation, for the installation of a high pressure steam line between the University Library Building and the Auditorium. This is in addition to the contract with the W. A. Pope Company for the Utilities Distribution project.
4. Award of a contract to the Otis Elevator Company in the amount of \$16,612 for the installation of an elevator and a dumb waiter in the Electrical Engineering Building.
5. Amendment of the contract with the A. S. Schulman Company for electrical work in the Utilities Distribution System to provide service connections to the Mechanical Engineering Building at a cost of \$2,274.
6. A special appropriation of \$2,500 for interior improvements in several engineering buildings to provide additional classroom space.
7. Purchases amounting to \$1,000 and over (see Appendix, page 877).
8. Award of contract to the John Felmley Company, the lowest bidder, to move the houses on the site of the Chemistry Building to new foundations and connect utilities at a cost of approximately \$26,500. It was estimated that an additional \$1,000 was necessary to cover expenses incurred by the Physical Plant Department on this job.

The Executive Committee therefore made a nonrecurring appropriation in the amount of \$27,500 for the necessary capital expenditures and a recurring appropriation of \$7,000 for annual operation and maintenance expense.

September 8, 1947

1. Additions to contracts awarded by the Board of Trustees on January 25, 1947, for the construction of the Utilities Distribution System at Urbana-Champaign:

Warner Construction Company (construction of tunnels and conduits).....	\$442 210
W. A. Pope Company (piping in steam distribution tunnels)	135 951
A. S. Schulman (electric distribution system).....	26 141
The Asbestos and Magnesia Materials Company (insulation for piping in tunnels).....	55 970

The original contracts were based on bids received for all construction to be done but were limited in amount to funds then available (i.e., the appropriation made for the biennium of 1945-1947). The State appropriation made by the 65th General Assembly of Illinois to the University for 1947-1949 includes additional funds for the Utilities Distribution System, which will permit the original contracts to provide for all work contemplated.

2. The appropriation of the following funds released by the Governor from the State Appropriation made for the biennium of 1947-1949:

“For Equipment:

For buildings constructed at Urbana-Champaign and Chicago as enumerated in this section.....\$438 000”
and the allocation of these funds as follows:

Chemistry Building.....	\$ 40 000
Electrical Engineering Building.....	60 000
Mechanical Engineering Building.....	30 000
Temporary Residence Halls.....	83 500
Permanent Residence Halls.....	140 000
Fire Protection Facilities.....	34 500
Physical Environment Addition.....	50 000
	<u>\$438 000</u>

3. Purchases amounting to \$1,000 and over (see Appendix, page 877).

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 838).
2. Resignations, declinations, and cancellations (page 852).
3. Cooperating teachers (page 854).
4. Degrees conferred at Urbana August 5 (page 855).

The Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

October 30, 1947

The October meeting of the Board of Trustees of the University of Illinois was held at the Undergraduate Division, in Galesburg, on Thursday, October 30, 1947, according to the following schedule:

10 a.m. — Executive session as in Committee of the Whole.

2:30 p.m. — Open session.

The following members were present: President Livingston, General Davis, Mr. Fornof, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, and Dr. Meyer.

President Stoddard was present; also Professor C. R. Griffith, Provost, Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Professor Lloyd Morey, Comptroller, Mr. I. L. Porter, Treasurer, Professor W. E. Britton, Legal Counsel, Mr. Wilbur Schramm, Director of the Institute of Communications Research and Assistant to the President, and, during part of the day, Mr. J. F. Wright, Director of Public Information.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of August 5, 1947.

On motion of Mr. Davis, the minutes were approved as printed on pages 485 to 804 above.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

**RESIDENCE FOR THE VICE-PRESIDENT OF THE UNIVERSITY
IN CHARGE OF THE CHICAGO PROFESSIONAL COLLEGES**

(1) Since there is no adequate housing available in the vicinity of the Chicago Professional Colleges of Medicine, Dentistry, and Pharmacy, most of the faculty, including administrative officers, must live a considerable distance from their laboratories and offices. The correction of this situation requires faculty housing on a large scale and is a long-time project.

Some progress can be made in the near future. The interests of the Chicago Professional Colleges will be served more effectively by providing a residence near them for the Vice-President in charge. It would save time which he could devote to administration and to the supervision of important research projects. It would be a convenience to the University.

I recommend that the Board of Trustees authorize the construction of such a residence. Later a recommendation will be submitted to the Board on the location, the size and type of house, and an estimate of the cost. In the meantime, I recommend that an appropriation of \$7,500 be made from the General Reserve Fund to cover the cost of preliminary studies, plans, and specifications.

On motion of Mr. Davis, this matter was referred to the Committee on Chicago Departments, in conference with the Committees on Buildings and Grounds and General Policy, for study and report at the next meeting of the Board.

**PURCHASE OF PROPERTY AT 1007 SOUTH WRIGHT
STREET, CHAMPAIGN**

(2) The property at 1007 South Wright Street, Champaign, owned by the Episcopal Canterbury Foundation, is believed to be available for purchase at a price of \$41,500. This is a valuation set by an appraisal committee of the Champaign County Real Estate Board.

The property is located immediately opposite Lincoln Hall and Gregory Hall on the west side of Wright Street. It includes a lot with 94 feet frontage and 174 feet depth on which two frame houses are located. The houses are in reasonably good condition and could relieve somewhat the present shortage of office space in the College of Liberal Arts and Sciences and the College of Education. The land would be suitable for construction of a housing unit at a future date.

The Director of the Physical Plant Department and the Provost recommend that the Board of Trustees authorize the purchase and offer to the Foundation \$41,500 for this property. It is believed that this offer will be accepted.

I concur in this recommendation and recommend a special appropriation of \$42,000 for this purchase and any expenses incident to concluding the transfer that may be found necessary.

On motion of Dr. Meyer, this purchase was authorized, and the appropriation made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell, Mr. Williamson.

SPECIAL COUNSEL FOR EVICTION PROCEEDINGS

(3) It is necessary to institute and carry through eviction proceedings against all occupants of nine buildings owned by the University located between 825 and 919 South Wood Street and one combination store and residence building at 1923 West Polk Street, Chicago.

These properties were acquired by the University between April, 1945, and December, 1946, for campus expansion. The buildings are in bad condition and should be demolished as soon as possible. Notices were served on September 24 on all occupants of the Wood Street properties to vacate by November 1 and

on the occupants of the Polk Street property to vacate by December 1. Court proceedings can be started at any time after those dates.

In the interest of efficiency and economy, it is desirable to employ special counsel in Chicago to assume primary responsibility for these proceedings. The real estate firm of Farr and Company, which has represented the University in the acquisition of these properties, has recommended Joseph Lowitz, 111 West Washington Street, Chicago. The law firm of Chapman and Cutler concurs. The Legal Counsel has been authorized to retain Mr. Lowitz as counsel for this purpose.

On motion of Mr. Davis, the action of the President of the University in authorizing the employment of special counsel was approved and confirmed.

OFFER OF GUERNSEY HERD

(4) Mrs. Chauncey McCormick, St. James Farm, Naperville, Illinois, who has one of the finest Guernsey herds in this part of the country, is planning to dispose of the herd and has offered to present it to the University of Illinois. The details of this have not been worked out, but the Dean of the College of Agriculture recommends that the Board of Trustees authorize acceptance of this gift if upon further investigation it is found acceptable.

I concur in this recommendation.

On motion of Dr. Meyer, the President of the University was authorized to accept this gift as recommended.

COLLEGE ADVISORY COMMITTEES IN AGRICULTURE AND EDUCATION

(5) For many years some of the colleges and other divisions of the University have had advisory committees appointed by the Board of Trustees. For example, the College of Agriculture and the Agricultural Experiment Station have an Advisory Committee for each department and a general committee for the College. The functions of these committees are of a specialized nature. The members are selected because they are experts in their respective fields and they are called on to advise the departments and the College on questions of public policy. The committees assist in keeping the educational and research programs "in tune" with economic developments and public needs.

At the meeting of the Board of Trustees on August 5 there were presented recommendations for appointments of Advisory Committees in the Colleges of Agriculture, Commerce, and Veterinary Medicine. The question was again raised about the status of these committees with the suggestion that the college and departmental committees should be subcommittees of the Citizens Committee and selected from its membership. In my judgment, this would not work satisfactorily. It would be difficult to select from the present membership of the Citizens Committee all of the committees desired by the various colleges and be sure of having the experts needed without greatly enlarging the Citizens Committee. The question is largely one of procedure. The same thing can be accomplished by adding the people whose services are desired on the college committees to the Citizens Committee and assigning them to specific departmental or college committees. I would not add anyone to the Citizens Committee for such an assignment unless he is recommended by the college. Accordingly, I submit herewith the following nominations for additional appointments to the Citizens Committee and recommend the assignment of these men to the college advisory committees as specified (new members are indicated by an asterisk):

On motion of Mr. Davis, these appointments were authorized.

At this point, at 11:30 a.m., the Board recessed in order to make a tour of inspection of the facilities of the Undergraduate Division and to attend a luncheon at the Hotel Custer tendered by a group of Galesburg citizens.

OPEN SESSION

When the Board convened in open session at 2:30 p.m., the same members and officials were present as during the morning session; also Dean Louttit, Mr. R. V. Nystrom, and other officers and heads of departments of the Galesburg Division.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

ILLINOIS AREA REDEVELOPMENT COMMISSION

(1) An Act (Senate Bill No. 618) of the 65th General Assembly approved by the Governor has created the "Illinois Area Redevelopment Commission" to make a thorough study and investigation of the industrial, agricultural, recreational, and

other economic resources in areas of the State in which such resources have not been fully developed or have suffered deterioration, and report its findings to the 65th General Assembly in 1949.

The Act provides that the Commission should consist of five members of the Senate appointed by its President, five members of the House of Representatives appointed by the Speaker, three persons appointed by the Governor, and the following ex-officio members: The Director of the Department of Public Works and Buildings, the Director of the Department of Agriculture, the Director of the Department of Conservation, the Public Aid Executive of the Illinois Public Aid Commission, and one Trustee or Officer of the University of Illinois to be selected by the Board of Trustees thereof.

On motion of Dr. Meyer, the President of the Board was selected to represent the University on this commission.

GRADUATE COLLEGE

(2) I recommend that the name of the Graduate School be changed to Graduate College and that any provisions in the University of Illinois Statutes in which the name Graduate School appears be amended accordingly.

On motion of Mr. Davis, the change was approved as recommended.

DEPARTMENT OF DAIRY PRODUCTION

(3) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station has recommended that the name of the Department of Dairy Husbandry be changed to the Department of Dairy Production.

I concur.

On motion of Mr. McLaughlin, this change was approved as recommended.

REVISION OF POLICY REGARDING ACCEPTANCE OF APPOINTMENTS TO THE UNIVERSITY STAFF

(4) The University of Illinois Statutes provide that appointments to the staff of the University must be accepted within thirty days after the date of the appointment unless the President of the University extends the period of acceptance. This length of time is not necessary in most appointments and causes unnecessary delay in processing payrolls and making salary payments to staff members.

The Provost, Comptroller, and Secretary of the Board of Trustees recommend that the period of acceptance be reduced to 10 days and that section 27F of the University of Illinois Statutes be amended by striking out "thirty days" and substituting in lieu thereof "ten days."

I concur and recommend approval.

On motion of Dr. Meyer, this change was approved as recommended.

REQUEST FROM THE PRESIDENT OF THE UNIVERSITY FOR A LEAVE OF ABSENCE

(5) Last year the Board of Trustees granted me a leave of absence without pay to serve as one of the United States delegates to the First Session of the General Conference of United Nations Educational, Scientific, and Cultural Organization which met in Paris in November and December, 1946. I was away from the University from November 15 to December 17, inclusive.

The Second Session of the General Conference of UNESCO will meet in Mexico City from November 6 to December 3, 1947. I have been appointed one of the United States delegates. I do not expect to attend throughout the entire session but request a leave of absence from the University, with adjusted salary, from November 10 to 21, inclusive.

On motion of Mr. Fornof, this leave was granted as requested.

REQUEST OF REPRESENTATIVE JOHN K. MORRIS

(6) Honorable John K. Morris of Chadwick, Illinois, Representative of the General Assembly from the Twelfth Senatorial District, has requested an opportunity to appear before the Board of Trustees when the Board is considering the

biennial budget for 1949-1951 and particularly appropriations to be requested for buildings. He wishes to speak in behalf of the building for the College of Veterinary Medicine. Mr. Morris has been informed that these matters will be up for consideration by the Board in September and October, 1948. The budget requests must be filed with the Department of Finance not later than November 1, 1948.

During the presentation of this item, President Livingston, being called from the room, requested Dr. Meyer to take the chair.

On motion of Mr. Davis, the request of Mr. Morris for a hearing was granted.

**REMODELING AND FURNISHING OF UNIVERSITY
CENTER IN CHICAGO**

(7) On April 24, 1947 (Minutes, page 348), the Board authorized lease of space in the LaSalle Hotel, Chicago, to be used as a University Center and as offices of University agencies. This approval was with the understanding that at a later time a request for funds for furnishings and other expense would be submitted.

Estimates have been made of the costs necessary for this work as follows:

General work.....	\$ 6 584
Electrical work and ventilation.....	2 725
Floor covering (asphalt tile), acoustical ceiling, and folding partitions.....	5 000
Painting and decorating.....	785
	(15 094)
Overhead expenditures (5% plus 10%).....	2 338
Maximum total remodeling.....	\$17 432
Public area furnishings and contingencies.....	2 568
<i>Grand Total, Estimated</i>	<u>\$20 000</u>

The hotel proposes to do the remodeling at cost, plus overhead with the guaranteed maximum above stated and will allow two months' rent to offset the cost of painting and decorating usually done by a landlord.

These estimates have been checked by the Physical Plant Department and the Architect and found satisfactory.

In view of delay in occupancy of the new quarters, not all of the appropriation for rent and other expenses will be required for the current year. This saving, together with the credit on remodeling allowed by the hotel, provides \$2,500 to apply toward the remodeling and furnishings.

The Comptroller recommends a special appropriation of \$17,500, or so much thereof as may be necessary to carry out this program, and authorization of the above specified provisions in the lease.

I concur.

On motion of Mr. McLaughlin, these recommendations were approved, and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell, Mr. Williamson.

**AWARD OF CONTRACTS FOR GENERAL WORK ON BUILDINGS
SECURED FROM FEDERAL WORKS AGENCY**

(8) The University has secured from the Federal Works Agency four temporary buildings — two warehouses, a cafeteria, and a recreation building. The buildings have been brought to the campus and some of the construction work has been done by contractors employed by FWA, but some of the work must be done by the University.

It is not feasible to have two general contractors on the same project. The Physical Plant Department and the Comptroller therefore recommend that contracts be entered into with the J. L. Simmons Company of Decatur and Illiopolis, the FWA contractor, for the following work:

Warehouse No. 2, general construction work, \$7,565. The Board awarded the general contract on Warehouse No. 1 to this company on May 27, 1947 (Minutes, page 376). It is recommended that the original contract be increased to provide for this additional work.

Recreational Building, \$3,355.05. This includes principally such construction as drives, sidewalks, fences, insulation, and shelving.

These contractor's estimates have been checked by Physical Plant Department engineers and are considered satisfactory. Funds are already available in University appropriations for these projects.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Holt, these recommendations were approved.

CONTRACT FOR CAMPUS WALK IMPROVEMENTS ON MATHEWS AVENUE

(9) On June 24, 1947, bids were received for the construction of a new sidewalk on the west side of Mathews Avenue from south of the Boneyard north to Springfield Avenue. Frank A. Somers Company, Urbana, is the lower of two bidders with a lump sum bid of \$6,135. These bids were taken with the expectation that there would be balances at the end of the 1946-1947 budget year that would permit this construction. Such funds were not available, and on July 18 the bid cheque of the Frank A. Somers Company was returned.

Funds have since become available in the appropriation for Minor Improvements in the Physical Plant budget, and the Director of the Physical Plant and the Comptroller recommend the award of this contract to the Frank A. Somers Company in the amount of \$6,135. The Frank A. Somers Company will still accept the contract on the basis of the original bid.

I concur and request authorization of the Comptroller and the Secretary of the Board to execute a contract with the Frank A. Somers Company in the amount of \$6,135.

On motion of Dr. Meyer, authority was granted as requested.

ADDITION TO CONTRACT FOR GENERAL WORK ON MECHANICAL ENGINEERING BUILDING

(10) On March 27, 1947 (Minutes, page 317), the Board of Trustees awarded the contract for general work on the Mechanical Engineering Building to James McHugh Sons, Inc. Certain changes are now recommended involving both increases and decreases in the contract which will result in a net addition of \$1,756.91.

Additions to the contract are due to an increase in the size of lockers and the inclusion of interior construction for a shop area. At the time the contract for this building was awarded, certain interior construction in the shop area was omitted due to a last minute decision of the Mechanical Engineering Department to change the use of the space from a machine and forge shop to an internal combustion engine shop, and it was not desirable to hold up the contract for the detailed design. This addition provides for the necessary construction. Some decreases in the contract are realized principally from simplification of the exterior elevation and the fact that it was not necessary to drive the piles for the shop foundations as deep as specified.

The Director of the Physical Plant and the Comptroller recommend that the contract with James McHugh Sons, Inc., be increased in the amount of \$1,756.91.

I concur.

On motion of Mr. Davis, this addition to contract was authorized.

ADDITION TO THE CONTRACT FOR PLUMBING WORK IN THE MECHANICAL ENGINEERING BUILDING

(11) On March 27, 1947 (Minutes, page 317), the Board of Trustees awarded the contract for plumbing work on the Mechanical Engineering Building to Frank S. Bellis. At the time the contract for this building was awarded, certain construction in the shop area was omitted due to a decision of the Mechanical Engineering Department to change the use of this area.

Plans for its use are now complete and the Director of the Physical Plant and the Comptroller recommend an addition of \$4,040.65 in the contract with Frank S. Bellis to provide for the necessary construction. A minor change is also included which provides for some shifting of process piping from the heating contract to the plumbing contract.

Funds for this change are available in the State appropriation for the building.

I concur in the above recommendation and request authorization of the Comptroller and the Secretary of the Board to execute an addition to this contract.

On motion of Mr. Davis, this authorization was approved.

ADDITION TO CONTRACT FOR MINOR CONSTRUCTION WORK IN MECHANICAL ENGINEERING LABORATORY

(12) On August 5, 1947, the Board of Trustees appropriated funds for the installation of a decompression chamber in the Mechanical Engineering Laboratory.

The Director of the Physical Plant and the Comptroller recommend that the general work on the installation of the decompression chamber be done by Kuhne-Simmons Company, Inc., in accordance with their standing contract for minor construction work which was approved by the Board of Trustees on September 26, 1947. The estimated cost of this work is \$11,877.18.

I concur and recommend authorization of an addition to the standing contract with Kuhne-Simmons Company, Inc., for the above work.

On motion of Mr. McKelvey, this authority was granted as recommended.

ADDITION TO CONTRACT FOR INSTALLATION OF GENERAL CAMPUS FIRE ALARM SYSTEM

(13) The Director of the Physical Plant and the Comptroller recommend an addition of \$3,772.50 to the contract with the Gamewell Company, Newton Upper Falls, Massachusetts (\$15,535.60 approved by the Board on June 23, 1947, Minutes, page 406), for the installation of a general campus fire alarm system at Urbana-Champaign. The additions are for installation of central office equipment, fire alarm call transmitter, and some additional facilities in the temporary housing area.

This work was not included in the original contract since it was not then known if sufficient funds would be included in the 1947-1949 appropriations. The amount of protection necessary in the temporary housing areas was not known, and the inclusion of the transmitter would have limited the number of bidders on the items included in the original specifications. Funds are now available.

This estimate has been checked and approved by Graham, Anderson, Probst, and White, Architects.

I concur in this recommendation and request authorization of the Comptroller and the Secretary of the Board to execute an addition to the contract with the Gamewell Company in the amount of \$3,772.50.

On motion of Mrs. Holt, this addition to contract was authorized.

ADDITION TO CONTRACT FOR STAFF HOUSING

(14) On March 27, 1947 (Minutes, page 313), the Board approved a contract with the Twin City Builders for the construction of 25 prefabricated houses on Hessel Boulevard. The Director of the Physical Plant and the Comptroller recommend an addition of \$1,150 to this contract for the furnishing and installation of venetian blinds, window shades, and curtain rods in these houses. This work was not included in the original contract, but it is desirable to furnish these items.

I concur in this recommendation for an addition of \$1,150 to the contract. The expenditure is covered by funds already provided for the project.

On motion of Mr. McLaughlin, this addition to contract was authorized.

RELOCATION OF ILLINI PUBLISHING COMPANY

(15) On March 27, 1947 (Minutes, page 312), the Board approved the relocation of the Illini Publishing Company in Gregory Hall, which involves the transfer of the Speech Clinic from Gregory Hall to Illini Hall where the Illini Publishing Company is now housed. On September 26, 1947, the Board approved a contract

for the purchase by the University and the Illini Publishing Company of a new newspaper press for this reorganization. The remodeling in Gregory Hall and Illini Hall necessary for these changes will require a large appropriation. An accurate estimate of the cost involved can not be made now. It is necessary to employ a mechanical engineer to prepare the drawings and specifications for the plumbing, heating, ventilating, air-conditioning, and electrical work that will be required in Gregory Hall.

The Director of the Physical Plant Department believes it advisable to employ the engineers who originally handled this work for the construction of this building, as they know the building and have complete data on its design. Accordingly, he recommends employing Samuel R. Lewis and Associates, Chicago, engineers who designed the mechanical installations for Gregory Hall.

The basis of payment will be ten per cent of the cost to the University of the work designed by the engineers, plus \$100 a day and travel and hotel expenses for each visit to Urbana as requested by the University, except that the preliminary inspection visit shall be included in the ten per cent compensation. Not more than one or two special trips are expected. Considering the size of the project, the fee appears to be satisfactory. Although we can not at this time estimate exactly the total of the fee that will be due them, it should not exceed \$2,000.

I concur and recommend an appropriation of \$2,000 for this purpose and that the Comptroller and the Secretary of the Board be authorized to execute a contract for these services.

The Comptroller commented on this matter.

On motion of Dr. Meyer, these recommendations were adopted, and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell, Mr. Williamson.

On motion of Mr. Fornof, the President of the University was requested to make a broader survey, to include the needs of the University Press for expanded quarters.

RATES OF PAY FOR PREPARATION AND GRADING OF EXAMINATIONS IN HIGH SCHOOL AND COLLEGE SUBJECTS

(16) The University through the Office of Admissions and Records offers examinations in high school and college subjects for the benefit of candidates who desire to qualify for admission to the C.P.A. examinations and the State Bar examinations. Fees are charged by authority of the Board of Trustees for such examinations to cover the expenses thereof, the receipts going into an Entrance Examination Fund. The Board has likewise authorized remuneration at the rate of \$1.00 an hour for grading papers. There has been no change in this scale of pay since it was established by the Board of Trustees on July 6, 1921 (Minutes, pages 6 and 7).

The Director of Admissions and Records recommends that this scale of remuneration be increased to \$1.50 an hour.

The present scale of remuneration for preparing questions was established by the Board of Trustees on March 10, 1942 (Minutes, page 811). The Director of Admissions and Records recommends that the rates of pay for this work be increased 50 per cent to the following rates:

For High School Subjects: \$3.00 a set for all subjects except English Composition and Appreciation of English Literature; \$6.75 a set for English Composition and Appreciation of English Literature.

For College Subjects: \$3.50 a set for all subjects except Accounting; \$4.50 for each examination in Accounting.

Income from the examinations is sufficient to meet the increases recommended. Members of the staff are engaged to perform these services outside the time required of them under their University contracts, and receive additional compensation for such services.

I concur in these recommendations.

On motion of Mr. Davis, these recommendations were adopted.

TOXICOLOGICAL SERVICE TO LOCAL AGENCIES

(17) The Vice-President in charge of the Chicago Professional Colleges, on recommendation of the Dean of the College of Medicine and the Head of the Department of Pharmacology, proposes the establishment of an analytical service for law-enforcing agencies in the State of Illinois. Toxicological analyses of the organs of persons dying of poison, or the analysis of the organs of any individual whose death was unexpected, will be made by the laboratory on request of the coroner or the State's attorney of any county in the State. The fees proposed for this service are:

Blood alcohol.....	\$10
Barbiturates.....	15
Heavy metals.....	10
Blood carbon monoxide.....	10
Alkaloids.....	10
Complete analysis (where cause of death is unknown).....	75

The service described was contemplated in the establishment of the new Department of Toxicology in the budget for 1947-1948. One of the specific duties of this department is the type of service above described.

It is proposed to credit the income from fees charged for this service to a "Toxicological Revolving Fund," the receipts to be deposited in the University Income Fund. The new fund will be used to pay the expenses of the work and any balance remaining at the close of each fiscal year, in excess of a moderate working balance, will lapse into general University funds.

I recommend approval of this program and the establishment of the proposed revolving fund.

On motion of Dr. Meyer, these recommendations were adopted.

ADDITIONAL FACILITIES FOR ANIMAL HOSPITAL IN CHICAGO

(18) Vice-President A. C. Ivy reports that additional facilities are essential for housing animals needed in research programs in the Chicago Professional Colleges. Unused space is available in the Rush Medical Building of Presbyterian Hospital to the University for an indefinite period, without rent, the University to pay all expenses of remodeling and to meet operation and maintenance expenses of the space occupied. The estimated remodeling cost is: animal cages and installation, \$7,900; other remodeling and improvement, \$10,100; total, \$18,000.

Provision would also have to be made for operation and maintenance expense, either by an addition to the budget of the Physical Plant Department or by inclusion of this expense in the lease with Presbyterian Hospital.

Bids on the remodeling have been secured and the Physical Plant Department recommends a contract with the Mutual Contracting Company on a cost-plus basis with a guaranteed maximum of \$18,000.

I recommend:

1. Authorization of the Comptroller, with the advice of other University officials concerned, to negotiate a lease with Presbyterian Hospital for the space needed and authorization of the Comptroller and Secretary of the Board to execute such a lease when terms have been agreed on by all parties concerned.

2. An appropriation of \$18,000 for remodeling and equipment of this area.

3. Authorization of the Comptroller and Secretary of the Board to conclude a contract with the Mutual Contracting Company for the animal cages and installation and other remodeling under the conditions above set forth.

4. Authority to adjust the internal budget to cover the operation and maintenance expenses of the space involved.

On motion of Mr. McLaughlin, these recommendations were adopted, and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell, Mr. Williamson.

UNIVERSITY OF ILLINOIS HOSPITALS

(19) The Vice-President in charge of the Chicago Professional Colleges recommends that the Research and Educational Hospitals be hereafter known as the "University of Illinois Hospitals."

These hospitals were established under an agreement between the Board of Trustees of the University and the State Department of Public Welfare dated July 5, 1919, at which time the title "University Clinical Institute" was used. The buildings were constructed by the State of Illinois for the Department of Public Welfare. Subsequently the name was changed to the "Research and Educational Hospitals." In 1931 the agreement with the Department of Public Welfare was incorporated into law by an Act of the General Assembly entitled "An Act in relation to the founding and operation of Research and Educational Hospitals of the State of Illinois." In subsequent legislation the term "Research and Educational Hospitals" was continued in use.

Previous to 1941 the hospitals were operated jointly by the University and the Department of Public Welfare, the University providing the professional staff and the Department providing all other operating personnel. The funds for the operation of the hospitals were appropriated to the Department. In 1941 it was agreed between the Department and the University, the General Assembly concurring, that the operation of the hospitals should be transferred fully to the University and since then the appropriations have been made to the University. The Illinois Neuropsychiatric Institute, the Illinois Eye and Ear Infirmary, and the Institute for Juvenile Research are still operated jointly under the revised agreement.

It would appear, therefore, that the name "Research and Educational Hospitals" is fixed by law and by the agreement between the Department of Public Welfare and the University, so that the change in name may involve legal and contractual considerations.

I recommend that the Board of Trustees authorize the change in name to "University of Illinois Hospitals" to take effect after clearance of any legal and contractual questions that may be involved. This may require a revision of the agreement between the Department of Public Welfare and the University and the amendment of the law authorizing the agreement.

On motion of Dr. Meyer, this change was authorized under the conditions recommended.

CENTRAL FOUNDRY COMPANY STOCK

(20) The Finance Committee of the Board recommends that one share of Preferred stock and one share of Common stock of the Central Foundry Company, New York, be sold. This stock was received by the University in October, 1936, in settlement of an account receivable for services rendered by the Theoretical and Applied Mechanics Department. During recent years industrial activity has enabled the company to operate profitably and at the present time the Preferred stock has a value of approximately 85 and the Common 83½.

Authorization for this sale and approval of the following resolution is requested:

RESOLUTION REGARDING SALE OF STOCK

Whereas, the Board of Trustees of the University of Illinois is the owner of one share of Preferred stock and one share of Common stock of the Central Foundry Company, New York, and

Whereas, the Board of Trustees has approved the sale of such stock in its meeting of October 30, 1947,

Now, therefore, be it resolved by the Board of Trustees of the University of Illinois that Lloyd Morey, Comptroller, and H. E. Cunningham, Secretary, be authorized to execute any and all documents necessary to complete such sale.

On motion of Mr. Davis, this sale was authorized and the resolution was adopted, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell, Mr. Williamson.

VALUATION OF THE ALLERTON GIFT

(24) A study has been made of the valuation of property received through the gift of Mr. Robert Allerton to determine the approximate value of the gift at the date it was received by the University, September, 1946.

LAND

The number of acres totals 5,517.66 as compared with 6,185 originally mentioned. The total is arrived at in accordance with the general policy of the University in estimating acreage on farm lands, excluding private roads.

The valuation of land is based on appraisals made by members of the staff of the College of Agriculture. It represents an average of approximately \$121 an acre and a total valuation of.....\$ 669 988 76

BUILDINGS

A detailed inspection of all buildings was made by representatives of the College of Agriculture and the Physical Plant Department to determine the long-time value and to estimate the remaining periods of usefulness. There is a total of 78 useful buildings on the 8 farms. The total value of all buildings, including those in the woodland area, has been estimated at..... 343 071 70

IMPROVEMENTS OTHER THAN BUILDINGS

These items consist of walls, steps, lake, statues and ornaments, walks, pavements, bridges, and all other items not included as a part of the valuation of buildings. The valuation was estimated by the Physical Plant Department at depreciated replacement cost of..... 216 891 50

EQUIPMENT

Machinery and tool equipment was estimated by the Physical Plant Department, also certain house furnishings not removed by Mr. Allerton. The total valuation is..... 5 680 00

GROWING CROPS

Mr. Allerton gave the University the corn crop for 1946 which had a market value of..... 51 194 25

Grand total valuation of gift as received by the University....\$1 286 826 21

The accounting for this gift will be as follows:

For cash realized from sale of crops, included in the original gift, and expendable for trust operations (current, restricted, expendable funds).....\$ 51 194 25

Valuation of farm lands to be used only for income-producing purposes, including buildings and facilities thereon (endowment funds) 610 116 76

Non-income-producing property (plant funds)..... 625 515 20

Total.....\$1 286 826 21

This report was received for record.

NAVY CITATION

AMERICAN UNIVERSITY AT CAIRO CITATION

(26) The University of Illinois has received from the Council of the American University at Cairo, Egypt, a formal citation for the services of Dr. Fred C. Hood, Assistant High School Visitor with rank of Professor. He was given a leave of absence to serve as Visiting Professor of Education at the American University during the year 1946-1947. The University accepted in exchange the services of Dr. Amir Boktor as Professor of Education during the year. The citation follows:

**FROM THE COUNCIL OF THE AMERICAN UNIVERSITY AT CAIRO
TO THE UNIVERSITY OF ILLINOIS, URBANA, ILLINOIS**

On behalf of the administration, faculty, and student body of The American University at Cairo, the University Council hereby records its gratitude for the services rendered to The American University by the High School Visitor's Office of the University of Illinois in the person of Dr. Fred C. Hood, who was visiting professor of Education during the school year 1946-1947. Dr. Hood contributed to the program of the Department of Education of The American University at Cairo through the classes he has conducted and through the suggestions

and advice he has offered. He has served Education in Egypt in general through consultation, lectures, and visits to schools.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(27) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under Section 5 of the Accountancy Act of 1943 and who have presented evidence that they are holders of unrevoked C.P.A. certificates issued by other states or territories of the United States or the District of Columbia on the basis of their having passed written examinations:

ROBERT STANLEY CARTEE, JR. (D.C.)

RICHARD ADAM KOCH (Wis.)

MORRIS GRABEL (D.C.)

PAUL FREDERICK SEIGER (Ky.)

JAMES SPENCELY HAYLES (Ohio)

PHILIP SIGMAN (Ohio)

EDWARD FRANCIS JENNIK (Wis.)

I concur.

On motion of Dr. Meyer, these certificates were granted as recommended.

ADDITIONS TO CONTRACTS FOR PLUMBING AND ELECTRICAL WORK IN WOMEN'S RESIDENCE HALL

(28) On February 27, 1947 (Minutes, page 270), the Board of Trustees awarded contracts to Frank S. Bellis for plumbing and to Ernest Freeman and Company for electrical work on the new Women's Residence Hall. Certain changes are now recommended which will result in a net addition of \$4,321.72 to the plumbing contract and \$2,032 to the electrical contract.

The additions to the electrical contract cover changes recommended by the Housing Division. Also, the additions to the plumbing contract cover certain changes recommended by the Housing Division, and other changes are for the purpose of reducing maintenance costs. The estimates have been checked by the consulting architects, Naess and Murphy, who have approved them.

Funds are available in the State appropriation for Residence Halls for these changes.

The Director of the Physical Plant and the Comptroller recommend that the contract with Frank S. Bellis be increased in the amount of \$4,321.72 and that the contract with Ernest Freeman and Company be increased in the amount of \$2,032.00.

I concur.

On motion of Mrs. Holt, these additions to contract were authorized as recommended.

INSPECTION OF BOARD MINUTES

(29) The Secretary reports that he has received requests for permission to inspect the minutes of the Board prior to their publication in the biennial reports required by law.

On motion of Mr. Davis, the President of the University was authorized to permit such inspection, on written request, with purpose disclosed in each case, when the motive seems proper and not contrary to the public interest. It is not the intent of the Board to permit such inspection before the minutes have been printed and approved by the Board. Doubtful cases should be referred to the Board for its decision.

RESOLUTION

On motion of Mr. Davis, the following resolution was adopted.

Whereas, the citizens of Galesburg have extended to the University of Illinois their full and continued cooperation in the establishment of the Undergraduate Division in their city, and

Whereas, they have demonstrated their generous hospitality and good will in providing a most excellent luncheon for the Board and the officers of the University on this occasion of the meeting of the Board in Galesburg, this thirtieth day of October, 1947,

Be it resolved by the Board of Trustees of the University of Illinois that the Secretary record in the minutes the thanks and appreciation of the Board for the fine spirit and hospitality of the citizens of Galesburg.

President Livingston expressed to Dean Louttit and his staff the appreciation of the Board for their fine presentation of the facilities of the Undergraduate Division.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 896).
2. Resignations and declinations (page 902).
3. Degrees conferred at Urbana October 5, 1947 (page 903).

The Board adjourned.

PURCHASES

A. Purchases Recommended

The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid, or because the item is noncompetitive, or to obtain earliest delivery.

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
320 reams 17x22, 16 lb. green caslon bond paper; 320 reams 17x22, 16 lb. white caslon bond paper	Office Supply Store	Crescent Paper Co., Champaign	\$1 838 00
206 Heinemann circuit breakers	Electrical Engineering	General Electric Supply Corp., Chicago	2 232 47
One Hereford bull, C. A. Blocky Prince 1st, 4698846	Animal Science	Fred W. Anderson, Circle A Farm, Morris	1 000 00
30,000 gallons of 80-octane and 20,000 gallons of 91-octane aviation gasoline	Institute of Aeronautics	The Texas Co., Champaign	8 038 50 f.o.b. Savoy
Four Westinghouse No. 1305465 enclosed LCB Loadbreak disconnecting switches, 5,000 volts, 400 ampere, and BA-200 condenser type fuses; 20 Westinghouse No. 1314006, 25E, and 10 Westinghouse No. 1314005, 20E, and 10 Westinghouse No. 1314012, 100E, standard refills for BA-200 for use in the electrical distribution system on the campus	Physical Plant	Westinghouse Electric Supply Co., Peoria	3 420 00 delivered
One Ford tractor with equipment, including Loadrac Hi-Lift, plow with two 14" bottoms, cultivator, and blade terracer	Horticulture	Dana Hudelson, Inc., Champaign	2 070 62
Eight Ritter CL laboratory type dental engines, black finish, AC 110-60	Dental Administration	L. D. Caulk Co., Chicago	2 068 56
One lot 13 types Standard Electric Time Company electrical connectors	Electrical Engineering	Standard Electric Time Co., Chicago	5 625 00 f.o.b. Springfield, Mass.
Two No. 42-AC polarizing microscopes; 2 objectives each of Nos. 1272, 1280, 1284, 1287, 1291; 2 No. 447 cross hair eyepieces; 2 No. 448 cross hair eyepieces, eyepiece 8X; 2 No. 449 cross hair eyepieces, eyepiece 10X; 2 No. 540, first order red plates	Chemistry	E. MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

November 29, 1947

The November meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Saturday, November 29, 1947, according to the following schedule:

10:30 a.m. — Executive session as in Committee of the Whole.

2:00 p.m. — Open session.

The following members were present: President Livingston, General Davis, Mr. Fornof, Mrs. Holt, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, and Mr. Williamson.

President Stoddard was present; also Dr. A. C. Ivy, Vice-President in charge of the Chicago Professional Colleges, Professor C. R. Griffith, Provost, Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Professor Lloyd Morey, Comptroller, Professor W. E. Britton, Legal Counsel, and, during part of the day, Mr. J. F. Wright, Director of Public Information.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of September 26, 1947.

On motion of Mr. Nickell, the minutes were approved as printed on pages 805 to 880 above.

REPORT OF EXECUTIVE COMMITTEE

The Secretary reported for record that action had been taken on November 13, 1947, approving the award of contract as recommended in the following matter.

Contract for Remodeling of Space for Telephone Equipment and Exchange in the Chicago Professional Colleges

The President's Office submitted to the Executive Committee the following bids received November 5 for the remodeling of space for relocation of the central telephone equipment and exchange in the Chicago Professional Colleges:

Mutual Contracting Company, Chicago.....	\$4 496
L. J. Graf Construction Company, Chicago.....	6 840
George C. Olufsen and Son, Chicago.....	5 300

The Director of the Physical Plant Department and the Comptroller recommended, the President's Office concurring, that a contract be awarded to the lowest bidder, the Mutual Contracting Company, in the amount of \$4,496. This is a lump sum bid with percentages to be added or deducted for any variations from the original specifications. Funds are available in the special appropriation made by the Board of Trustees on August 5, 1947 (Minutes, page 491), for the relocation of this telephone system.

The Executive Committee on November 13 authorized the award of the contract as recommended.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered in executive session the items on the agenda, and took action on the following matters presented by the President of the University.

PURCHASE OF EQUIPMENT FOR BETATRON

(1) Construction of the new 300-million-electric-volt betatron requires: (1) back-wound "A" coil; (2) core blocking; (3) transformer bank. These component parts of the betatron are being designed and specified by the Allis-Chalmers Manufacturing Company with whom the Board of Trustees on May 27, 1947 (Minutes, page 368), authorized a contract on a cost basis for engineering services in the design and preparation of working drawings for the betatron.

The items above listed are very special and must comply exactly with detailed specifications. In the opinion of University officials and Allis-Chalmers Manufacturing Company engineers, it is not possible for any manufacturer to determine in advance what the cost of production will be. Allis-Chalmers Manufacturing Company, while not willing to quote any definite price, is willing to undertake the manufacture on an open order with the understanding that billing will be at their cost, to be determined by their usual cost accounting methods, including manufacturer's profit. The cost to the University is estimated to be about \$40,000.

Professor D. W. Kerst, in charge of construction and of the betatron research program, Professor F. W. Loomis, Head of the Department of Physics, the Director of Purchases, and the Comptroller recommend that an open order be placed with the Allis-Chalmers Manufacturing Company to produce these items at prices to be determined when they are completed.

Funds are available in the State appropriation for "Completing construction of the Betatron and associated equipment."

On motion of Mr. Nickell, this matter was referred to the Executive Committee with power to act.

RECOMMENDATIONS FROM FACULTY COMMITTEE ON PATENTS

(2) The Faculty Committee on Patents submits the following report and recommendations relating to patentable discoveries made by members of the University staff:

1. "Supersonic detection of infra-red radiation" or the application of coupling effects between electromagnetic radiation and suitably chosen supersonic fields.

Discovery by Messrs. William J. Fry, Special Research Assistant Professor, and H. L. VanVelzer, Special Research Associate Professor of Electrical Engineering. Mr. Fry has submitted this statement about the discovery:

"It is possible to detect a modulated infra-red beam by irradiating a supersonic field and observing the resulting changes in sound pressure amplitude at a suitably placed detector.

"Two distinctly different types of coupling have been observed. The first is due to a heating of the gas under irradiation. The magnitude of this effect decreases rapidly as the modulating frequency is increased.

"The second type of coupling has been observed by irradiating a column of CO₂ gas which is excited at a supersonic frequency in the neighborhood of maximum absorption. When the gas is irradiated under these conditions there is no appreciable decrease in the magnitude of the coupling effect as the modulating frequency is increased. This is distinctly different from the other type of coupling and it indicates that this effect is not dependent on heating the gas."

The scope of this work is described as (1) supersonic fields generated in any fashion and incident electromagnetic radiation generated in any fashion, and (2) coupling effects utilizing heating due to absorption, and changes in acoustic absorption coefficient.

There are a number of applications for this discovery, the more prominent being (a) covering device utilizing the observed interaction such as detectors of radiation, detector amplifiers, power measuring devices, temperature measurement devices, and (b) image forming devices using these mechanisms.

Professor W. L. Everitt, Head of the Department of Electrical Engineering, has expressed doubt that this discovery will have any commercial possibilities and stated that its principal application would likely be in military operations.

This work was done under a contract between the University of Illinois and the Air Materiel Command of the Army Air Forces.

The Faculty Committee on Patents recommends that the University release to the discoverers the right to file an application for a patent on this discovery subject to the rights of the Air Materiel Command.

2. Procedure for concentration of anhydrous hydrazine.

Messrs. L. F. Audrieth, Professor of Chemistry, and R. A. Penneman, a graduate student in the Department of Chemistry last year, have reported that during the course of researches designed to make more readily available anhydrous hydrazine they have worked out a procedure for concentration of this material. Professor Roger Adams, Head of the Department, has expressed the opinion that this procedure is not patentable and that while it might have a technical value in industry it would not be for a long time.

The Committee recommends that this discovery be released to the discoverers so that they may be free to bring it to the attention of industries interested in this method of anhydrous hydrazine. The Committee also considered the possible interest of the University of Illinois Foundation but came to the conclusion that because the discovery is chiefly of interest to the Army neither the Foundation nor the University should apply for a patent.

3. "Continuously variable resonant frequency crystal systems, composed of a single material or any combination of materials."

Discovery by Mr. William J. Fry, Special Research Assistant Professor of Electrical Engineering. Mr. Fry has submitted the following statement concerning this discovery:

"The variable resonant frequency is obtained by coupling any mode of vibration of any type of cut of any crystalline or non-crystalline substance to a material of variable shape, size or volume. This coupling is obtained in any fashion. The driving force may be a voltage applied to various faces of the crystalline or non-crystalline material.

"Examples: (a) Crystal cut coupled to a liquid through a combination of intermediate materials such as a crystal, metal, mercury combination. The liquid volume may be varied. (b) Crystal cuts coupled to a system whose shape is continuously variable, but not necessarily the volume. The coupling at interfaces may take place through liquids.

"Application of such systems to filters, sound sources or receivers, vibration pickups, treatment of biological material or organisms. This would be of interest in

the medical and aeronautical fields, i.e., the blacking out of pilots during operation of high speed aircraft."

Professor W. L. Everitt, Head of the Department of Electrical Engineering, has stated that the chances of developing this discovery to any commercial extent are small.

The Committee recommends that the University's rights with respect to this discovery be released to the University of Illinois Foundation, with the recommendation that it work out a cooperative arrangement with the discoverer, or in the event that the Foundation is not interested in attempting exploitation of this discovery that the same be released to the discoverer.

4. A simple procedure for the preparation of the mono-fluophosphates.

Discovery by Messrs. L. F. Audrieth, Professor of Chemistry, and O. F. Hill, Research Fellow in Chemistry.

Professor Roger Adams, Head of the Department of Chemistry, reports that this material has no industrial use, that there is none in sight, and in view of these considerations and the cost, recommends that the discovery be released to the discoverers.

The Committee recommends that this discovery be released to the discoverers.

On motion of Mr. McLaughlin, these releases were referred to the Board Committee on Patents for investigation and recommendation to the Board. The Board also concurred in the President's proposal that all recommendations involving the application for or release of patent rights should have the approval of the University Research Board, as well as that of the Faculty Committee on Patents, before coming to the Board of Trustees.

UNIVERSITY WATER SUPPLY

(3) For several years the water level in the ground resources from which the University and the Illinois Water Service Company (the utility which supplies water to Champaign and Urbana) take their supply has been dropping at the rate of one foot per year. During the year 1945-1946 the water level dropped approximately five feet. The Illinois Water Service Company is developing a new source of supply and plans to discontinue pumping from its present areas, except in emergencies or until such time as the ground water supply has been replenished by natural infiltration.

Repeated efforts have failed to locate an additional supply on University property. Engineers have advised the Physical Plant Department, and the Director concurs in their conclusions, that it would be more economical for the University to purchase its entire water supply from the Illinois Water Service Company than to go off campus the distance that would be necessary to obtain an adequate water supply, in as much as the Illinois Water Service Company has already begun the development of new resources. The increased cost of purchasing water from the Illinois Water Service Company is estimated at about \$17,000 a year, but it is not as great as the comparable capital cost of increasing the facilities necessary to maintain the University's own water supply.

The Director of the Physical Plant Department therefore recommends that a contract be entered into with the Illinois Water Service Company for the entire University's water supply at Urbana-Champaign. I recommend that this proposal be referred to the Committee on Buildings and Grounds for consideration and report to the Board.

This matter was referred to the Committee on Buildings and Grounds as recommended.

The Board recessed for luncheon.

OPEN SESSION

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered in open session, after luncheon, the following matters presented by the President of the University.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under Section 5 of the Accountancy Act of 1943 and who have presented evidence that they are holders of valid and unrevoked C.P.A. certificates issued by other states and that they qualified for these certificates by passing the regular written examinations:

CHALMER ALVIN BALFANZ (Wis.)
 ALEXANDER GEORGES (Wis.)
 RAY ALVIN LARSEN (Tex.)
 WILLIAM HENRY MIDDLETON (Mo.)

LEWIS EDWARD ROSSITER (D. C.)
 CLARENCE WALTON WILBUR SMITH
 (Ohio)

I concur.

On motion of Mr. McKelvey, these certificates were awarded as recommended.

LEAVE OF ABSENCE FOR PROFESSOR EDGAR L. ERICKSON

(2) The Under Secretary of the Army has requested that Dr. Edgar L. Erickson, Associate Professor of History, be granted a leave of absence from the University for service to the Department of the Army in the writing of its war history. As an officer in the Army of the United States, and later as a civilian staff member of the Civil Affairs Division, Professor Erickson conducted research in the records of the World War II military government experiences. Since his return to the University, the research has been completed and Professor Erickson now is needed to write that portion of the history pertaining to Germany and Austria.

It is anticipated that this work can be completed during the second semester and summer of the current academic year. The Department of the Army will make satisfactory salary arrangements with Professor Erickson covering the full period of his services.

I recommend that Professor Erickson be given a leave of absence without pay from March 1 to September 1, 1948.

On motion of Mrs. Holt, this leave was granted as recommended.

RETIREMENT OF PROFESSOR O. F. WEBER

(3) Professor O. F. Weber of the College of Education has requested that he be retired from active service beginning May 1, 1948, under the provision in the law creating the University Retirement System of Illinois which permits retirement "on or after the attainment of age sixty-five (65) in exceptional cases and for substantial cause at the request of the Employee and upon certification of the Employer."

Professor Weber will be 66 years of age on March 6, 1948, and has requested retirement because of his health. At the end of the current semester Professor Weber will have been in the service of the University 25½ years. He has been granted sick leave from November 1, 1947, until May 1, 1948.

I recommend approval.

On motion of Mr. Nickell, this retirement was authorized as recommended.

APPOINTMENTS OF UNIVERSITY REPRESENTATIVES ON BOARD OF MEDICAL DIRECTORS OF INSTITUTION FOR TUBERCULOSIS RESEARCH

(4) An Act of the 65th General Assembly provides for the establishment of an Institution for Tuberculosis Research in Chicago for the production, distribution, and application of the bacillus Calmette-Guerin (BCG) and other methods and materials for the prevention of tuberculosis and for conducting research in tuberculosis.

Professional operation and all other management of the institution is vested jointly in the Municipal Sanitarium of Chicago and the University of Illinois, to be exercised through a board of five medical directors, two of whom shall be directors of the Sanitarium, two appointed by the University, and one elected by the medical directors representing the Sanitarium and the University. The elected member

shall serve for five years. The tenure of University members shall be designated by the Board of Trustees of the University. The Sanitarium members shall serve during their tenure as directors on the Board of Directors of the Sanitarium. The terms of the University members and elected member shall commence July 1 of the year of appointment. Vacancies of University members and the elected member shall be filled for the balance of the unexpired term. All members shall serve until their successors are appointed. Members shall serve without compensation but will be reimbursed for expenses incurred in the performance of their duties.

Funds have been appropriated for the purchase of land for the institution and for the construction of a building and equipment.

I recommend the appointment of Dr. Andrew C. Ivy, Vice-President of the University in charge of the Chicago Professional Colleges, and Dr. John B. Youmans, Dean of the College of Medicine, as the University of Illinois representatives. I recommend also that the terms of the University representatives be for two years.

On motion of Mr. McLaughlin, these appointments were approved as recommended.

REGISTRATION FEE FOR NURSERY SCHOOL FOR CHILDREN OF STUDENT WAR VETERANS

(5) It is recommended that the registration fee for children entering the Nursery School for Children of Student War Veterans be set at \$10 a semester for the first child accepted from a family and \$5 for each additional child from the same family.

The School started on November 17, 1947, and as an emergency the fee for the current semester was set at \$7.50 for the first child from a family and \$5 for each additional child, the reduction from the recommended fee being due to the decrease in the period of instruction.

The Provost and the Comptroller recommend approval of this fee schedule and of the reduction for the current semester.

I concur.

On motion of Mrs. Holt, these fees were approved and confirmed as recommended.

FISCAL OPERATIONS OF DIVISION OF SERVICES FOR CRIPPLED CHILDREN AND DELEGATION OF SIGNATURES

(6) The State appropriations for the operation of the Division of Services for Crippled Children are made to the University of Illinois. Because of the professional nature of its services, the Division is under the general supervision of the Vice-President in charge of the Chicago Professional Colleges. Consequently, the accounting and other financial services for the Division are being performed by the Chicago Business Office. Vouchers for disbursement of the Division's funds are prepared in its office in Springfield, sent to Chicago for processing and accounting, and then sent to the Auditor of Public Accounts in Springfield for payment.

The Comptroller has reviewed this financial procedure with the Director of the Division and others concerned and has worked out a system which will make possible the processing of vouchers in the office of the Division in Springfield, and transmittal directly to the State Auditor of Public Accounts for payment. The accounts will be centralized within the office of the Division. The Comptroller reports that adequate means of control and responsibility have been set up to protect the University, keep the operations of the Division in line with the business practices of the University, and provide a satisfactory independent check.

DELEGATION OF SIGNATURES

The Comptroller requests adoption of the following resolution as an addendum to the resolution for the delegation of signatures approved by the Board on March 27, 1947. The purpose is to provide for centralizing and expediting the preparation of vouchers against the State Auditor by the Division of Services for Crippled Children from its own funds.

Resolved, That the President and the Secretary of the Board of Trustees of

the University of Illinois are authorized to delegate the signing of their names as President and Secretary respectively to vouchers against funds of the Division of Services for Crippled Children to be presented to the State Auditor under the following conditions:

The President of the Board of Trustees is authorized to delegate to Herbert R. Kobes and Mabel F. Meek authority to sign his name as President of the Board of Trustees on vouchers against the State Auditor approved in accordance with regulations of the Board.

The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freida M. Hicks and to Lean C. Ryan authority to sign his name as Secretary of the Board of Trustees on vouchers against the State Auditor approved in accordance with the regulations of the Board.

And be it further resolved that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and the Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimen duly certified to or filed with the Auditor of Public Accounts by the Secretary.

On motion of Mr. McKelvey, this resolution was adopted as recommended.

COLLEGE OF AGRICULTURE AND AGRICULTURAL EXPERIMENT STATION RESEARCH AND MARKETING FUND BUDGET

(7) Federal funds have been allocated to the College of Agriculture and the Agricultural Experiment Station for further research into the basic laws and principles relating to agriculture and to improve and facilitate the marketing and distribution of agricultural products. The amount which has been made available is \$52,936 for the fiscal year 1947-1948, and the following budget is submitted:

Salaries (appointments to be approved by the President)	\$36 200
Wages	5 000
Expense and equipment	11 736
	<u>\$52 936</u>

The foregoing budget has been prepared by Dean and Director H. P. Rusk and has been reviewed by the Comptroller. I recommend its approval subject to adjustment within the total.

On motion of Mr. Fornof, this budget was approved as recommended; the funds were appropriated by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Meyer.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Remodeling of fourth floor in Mumford Hall. \$1 700
2. Remodeling in Architecture Library. 1 200

On motion of Mr. McLaughlin, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Meyer.

SPECIAL APPROPRIATION OF ATHLETIC ASSOCIATION FUNDS

(9) The Board of Directors of the Athletic Association requests approval by the Board of Trustees of an appropriation made by it of \$25,000, or so much thereof as may be necessary, to cover expenses of sending the University of Illinois Band

to the Illinois-Army game in New York. The contract with the Army provides for a refund to the association of approximately \$10,000 of this amount when all accounts are settled.

The Association has agreed in its contract to share the expenses of bringing the United States Military Academy Cadet Corps and Band to the game at the University in 1948 on a similar basis.

I recommend approval of this appropriation.

On motion of Mr. Davis, this appropriation was approved as recommended.

**ADDITION TO THE CONTRACT WITH W. A. POPE AND COMPANY
FOR PIPING IN UTILITIES DISTRIBUTION TUNNELS**

(10) W. A. Pope and Company, Chicago, are installing piping in the heat tunnel of the Utilities Distribution System under a contract awarded by the Board of Trustees January 25, 1947 (Minutes, page 228).

One division of the original bid provided for a line to the site of the new Veterinary building. Since funds are not available for the construction of this building, it is not necessary for the present to construct the line to that site, and this division of the bid was not included in the contract. It is necessary, however, to construct a short section to the Dairy Manufactures building to complete the loop of the heat tunnel.

The Director of the Physical Plant Department and the Comptroller recommend an addition of \$4,168 in the contract to provide for this additional piping installation. The estimate has been checked and approved by Sargent and Lundy, Engineers, for this project and funds are available in the State appropriation for the Utilities Distribution System.

I recommend approval.

On motion of Mrs. Holt, this addition to contract was approved as recommended.

**AWARD OF CONTRACT FOR TRAMRAIL EQUIPMENT IN THE
MECHANICAL ENGINEERING BUILDING**

(11) The following bids were received on October 9 for tramrail equipment for the new Mechanical Engineering Building:

Cleveland Tramrail Chicago Co., Chicago.....	\$8 943 00
Industrial Equipment Co., Chicago.....	8 044 00*
The Loudon Machinery Co., Chicago.....	7 996 62

Fugard, Burt, and Wilkinson, Architects for the building, recommend, and the Director of the Physical Plant and the Comptroller concur, that the proposal of the Loudon Machinery Company, the lowest bidder, be accepted, at their lump-sum price of \$7,996.62. Their bid contains an escalation clause only so far as prices of their part suppliers to them are concerned.

I concur and request authorization of the Comptroller and the Secretary of the Board to execute a contract in accordance with the above recommendation.

On motion of Mr. Nickell, this contract was authorized as recommended.

REASSIGNMENT OF FUNDS FOR STAFF HOUSING

(12) On September 26, 1947 (Minutes, page 821), the Board of Trustees approved a staff housing project to be paid from the State appropriation of \$250,000 for staff housing. The estimated distribution of this appropriation was:

25 additional prefabs.....	\$154 300	
6 research homes.....	33 950	
F.P.H.A. housing units.....	<u>61 750</u>	\$250 000

An adjustment in this distribution is requested to provide for the following changes:

1. One of the group of prefabricated staff houses erected under the original program approved by the Board of Trustees on May 29, 1946 (Minutes, page

* Plus an estimated cost of \$1,675 for installation.

1115), was sold to a staff member in accordance with the general policy of the program. Proceeds of the sale were used to erect another staff house. The staff member who purchased the house is now leaving the University and has offered to sell the house to the University for the original purchase price plus an allowance for the improvements which he has made.

There is still acute need for staff housing, and the Provost, the Director of the Physical Plant, and the Comptroller recommend that this house be reacquired. An additional allotment of \$8,500 will be necessary to complete the transaction.

2. It was estimated that the original program of 44 prefabricated houses and the supplementary program of 25 houses would cost \$577,000 in total. Actual costs will exceed this amount by \$4,500, and an additional allotment of this amount is necessary.

The total amount allocated for the F.P.H.A. housing units from the State appropriation will not be needed, and the Comptroller recommends that the distribution of the special State appropriation for staff housing be revised to provide for the above changes. The revised allocations would be as follows:

Prefabricated staff housing.....	\$167 300	
Six research houses.....	33 950	
F.P.H.A. housing units.....	<u>48 750</u>	\$250 000

I concur and recommend approval.

On motion of Mr. Fornof, this reallocation of funds was approved.

ADDITION TO CONTRACT FOR SUPPLEMENTAL STAFF HOUSING PROJECT

(13) On April 24, 1947 (Minutes, page 341), the Board of Trustees approved a supplemental staff-housing program consisting of 25 prefabricated houses and six research houses on Hessel Boulevard in Champaign. While Hessel Boulevard, prior to University construction activities, had some gravel surfacing, construction work has left it in a very bad condition. The City of Champaign has some responsibility for maintaining and restoring the surface, but it is unlikely that it will do anything.

It is proposed to grade and resurface the street with gravel, the cost to be borne by the various property owners. Twin City Real Estate Exchange, from whom the University purchased the land and prefabricated houses, owns most of the remaining property affected. The University's share of the cost of improving the road is estimated at \$3,035 and could be included as an addition to the original contract of purchase, in establishing the basis of resale.

Funds are available in the special State appropriation for staff housing.

The Director of the Physical Plant and the Comptroller recommend that this contract with the Twin City Real Estate Exchange be increased to provide for this work.

On motion of Mr. Fornof, this increase of contract was authorized as recommended.

RESOLUTION AUTHORIZING THE UNIVERSITY OF ILLINOIS FOUNDATION TO EXECUTE CONTRACTS FOR DEVELOPMENT OF 4-H CLUB CAMPS

(14) The Dean of the College of Agriculture, the Comptroller, the Legal Counsel, and the Manager of the University of Illinois Foundation request that the Board of Trustees adopt the following resolution to clarify certain financial and contractual problems which have arisen in the development of the 4-H Club Camp at Robert Allerton Park and the expenditure of funds raised for that purpose by 4-H Clubs.

I concur.

RESOLUTION

Whereas, at its meeting on April 24, 1947 (Minutes, page 334), The Board of Trustees of the University of Illinois requested The University of Illinois Foundation "to assume the responsibility of receiving, holding, and disbursing funds for 4-H Club Camps," and

Whereas, in the establishment, maintenance, and operation of the 4-H Club

Camp on the Allerton property, construction and other types of contracts must be entered into with various persons, and

Whereas, in his letter of October 28, 1946, to Dean A. J. Harno, as Chairman of the Committee then in charge of the administration of the Allerton Farm, President Stoddard placed the responsibility for the development of the Allerton 4-H Club Camp in the College of Agriculture of the University of Illinois, and

Whereas, it will be necessary either for The Board of Trustees of the University of Illinois or The University of Illinois Foundation to execute such contracts, and

Whereas, by virtue of its Resolution adopted at its meeting on June 14, 1947, The University of Illinois Foundation expressed its willingness to assume the responsibility of receiving, holding, and disbursing funds for such 4-H Club Camp, as requested by The Board of Trustees of the University of Illinois, and is now in possession of such funds, and by reason thereof, it seems that, if The University of Illinois Foundation would be willing to assume responsibility for the execution of such contracts, under circumstances where its separate funds and property will not be jeopardized thereby, such procedure would be desirable;

Therefore, be it resolved by The Board of Trustees of the University of Illinois that The University of Illinois Foundation be and it is hereby requested to consider the acceptance of such responsibility under conditions where its liability is limited to the funds held by The University of Illinois Foundation in trust for the Memorial 4-H Club Camp on the Allerton property.

On motion of Mr. McLaughlin, this resolution was adopted.

DEGREE OF BACHELOR OF FINE ARTS IN ADVERTISING DESIGN

(15) The College of Fine and Applied Arts offers a curriculum in art with options in painting, commercial design, and industrial design. Recently the option in commercial design was changed to advertising design but without a corresponding change in the degree offered for this option.

I recommend that the Board of Trustees authorize conferring of the degree of Bachelor of Fine Arts in Advertising Design, replacing the degree in commercial design.

On motion of Mr. Williamson, this degree was authorized as recommended.

PURCHASES

(16) There are submitted herewith (Appendix, page 943): A. Recommendations for purchases, and B. Purchases authorized by the President of the University.

On motion of Mr. Williamson, the purchases recommended were authorized and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

GIFTS AND GRANTS OF FUNDS FOR RESEARCH AND OTHER PURPOSES

(17) A report of the following gifts and grants of funds for research and other purposes received by the University since the last report (August 5, 1947):

Gifts

1. Vitreous Steel Products Company, Nappanee, Indiana, \$7,500 for the purchase of X-ray equipment in the Department of Ceramic Engineering.

2. Illinois Federation of Women's Clubs, \$2,000 for the continuation of scholarships in Occupational Therapy.

3. Combined Class Scholarship Fund, \$1,904.77. This money has accumulated from the Combined Class funds set up to finance the major class dances. It is to be used for undergraduate scholarships.

4. The Class of 1947, \$587.35 for undergraduate scholarships for needy students.

5. The Kroger Company, Cincinnati, Ohio, \$1,200 for undergraduate scholarships in agriculture and home economics.

6. Lau Blower Company, Dayton, Ohio, a set of orifices for use in measuring air flow in the Department of Mechanical Engineering. This gift is valued at \$505.

7. American Legion Auxiliary, \$500 for use in the cooperative play-groups for veterans' children at the University.
8. Rite-Way Products Company, Chicago, \$200 for a scholarship to be awarded to a student who has done outstanding work in 4-H Club or Future Farmers of America activities.
9. Illinois Congress of Parents and Teachers, District 25, \$87.68 which represents the balance of a fund raised for "Living Memorials," and will be used for the purchase of a wheel chair table. The money has been added to the Occupational Therapy Gift Fund.
10. An additional \$100 for the Tau Delta Tau Student Loan Fund previously accepted by the Board of Trustees.

Grants for Research

1. Herman Frasch Foundation for Chemical Research, New York City, \$6,400 for research by the Agricultural Experiment Station on "The increase of the humus content of soils and the functions of organic matter in producing super high yields of crops." This amount will be given annually for a period of five years if progress on the research project is considered satisfactory at the completion of each year.
2. Midwest Barley Improvement Association, \$100 in support of a barley variety-fertilizer test at Woodstock, Illinois.
3. Abbott Laboratories, Eli Lilly and Company, Parke, Davis and Company, and the Upjohn Company, an additional grant of \$9,600 in support of research on antibiotics in the Agricultural Experiment Station during the year beginning September 1, 1947.
4. E. I. du Pont de Nemours and Company, Wilmington, Delaware, \$4,500 in support of the du Pont Postdoctoral Fellowship in Chemistry during the academic year 1947-1948, \$3,000 to be used as stipend and \$1,500 for purchase of supplies and equipment.
5. American Cyanamid Company (Calco Chemical Division), Bound Brook, New Jersey, \$3,000 for a postdoctoral fellowship in chemistry for one year.
6. Allied Chemical and Dye Corporation, New York City, \$1,700 for two fellowships of \$1,200 each in chemistry during the year 1947-1948. This is a renewal of a previous grant. A balance of \$700 remaining from a grant for 1946-1947 makes the total of \$2,400 for this year.
7. Texas Gulf Sulphur Company, \$2,000 for the continuation of research in the Department of Chemistry on the mechanism of the combustion of sulfur during the year 1947-1948.
8. The Firestone Tire and Rubber Company, Akron, Ohio, \$1,500 in support of a fellowship in chemistry during the academic year 1947-1948.
9. Magnavox Foundation, Inc., Fort Wayne, Indiana, \$1,500 to continue a fellowship in chemistry during the academic year 1947-1948.
10. Eastman Kodak Company, Rochester, New York, \$1,200 to continue support of a fellowship in organic chemistry during the year 1947-1948.
11. Röhm and Haas Co., Philadelphia, Pennsylvania, \$1,200 to continue support of a fellowship in chemistry during the academic year 1947-1948.
12. Cincinnati Chemical Works, Inc., Norwood, Ohio, \$1,000 to continue support of a fellowship in chemistry during 1947-1948.
13. Corn Products Refining Company, Argo, Illinois, \$1,000 to continue support of research on phytates in the Department of Chemistry under the direction of Professor J. C. Bailar during the year beginning September 1, 1947.
14. Victor Chemical Works, Chicago, an additional grant of \$750 in support of a fellowship in chemistry up to February 1, 1948. A previous grant of \$1,750 was renewed last year.
15. Pan American Refining Corporation, New York City, \$1,265 in continued support of a graduate fellowship in chemical engineering during the academic year 1947-1948.
16. Shell Fellowship Committee, New York City, \$1,200, plus tuition fees up to \$300, in support of a fellowship in chemical engineering during the academic year 1947-1948.
17. United Engineering Trustees, Inc., \$4,800 for the completion of the research project "Fatigue tests of welded structural joints" in the Department of Civil Engineering.

18. Owens-Illinois Glass Company, Toledo, Ohio, \$1,800 in support of a graduate fellowship in Ceramic Engineering during the year 1947-1948, \$1,500 to be used for stipend and \$300 for expenses of research.

19. The International Nickel Company, Inc., New York City, \$1,500 plus tuition fees in support of a graduate fellowship in Mining and Metallurgical Engineering during the academic year 1947-1948.

20. Asthmatic Children's Aid Society, Chicago, \$10,125 to be used as follows: \$9,925 for expenses of the Allergy Unit during the year 1947-1948 not covered by the College of Medicine budget, and \$200 to cover a previous commitment for technical help made by the Asthmatic Children's Aid for the year 1946-1947.

21. National Foundation for Infantile Paralysis, Inc., New York City, \$4,800 additional for the study of poliomyelitis patients by means of the electrical stimulating machines which the Foundation is supplying. This supplements a previous grant of \$3,500 made last year.

22. American Medical Association, \$2,000 for the continuation of a study on resuscitation and carbon monoxide poisoning in the College of Medicine.

23. American Bottlers of Carbonated Beverages, Washington, D. C., \$2,500 for a study of the effect of water charged with carbon dioxide on the secretion of acid by the stomach, rate of emptying of the stomach, and rate of absorption of glucose, in the College of Medicine.

24. A. E. Staley Manufacturing Company, Decatur, Illinois, \$2,000 for a study of the effect of inositol in preventing experimental cancer of the liver and the development of a fatty liver under various conditions which predispose to its development, in the College of Medicine.

25. Armour Laboratories, Chicago, \$800 for research in the Department of Medicine during August, September, and October, 1947.

26. Abbott Research Laboratories, North Chicago, Illinois, \$1,500 in support of clinical evaluation of antispasmodic compounds, a study by the Department of Zoology and Physiology.

27. General Mills, Incorporated, Minneapolis, Minnesota, \$800 in support of research by the Department of Zoology and Physiology.

28. Committee on Research in Problems of Sex, National Research Council, Washington, D. C., \$250 in support of a study by the Department of Zoology and Physiology for the development of a new estrogen test and a pregnancy test.

This report was received for record.

COMPTROLLER'S REPORT OF CONTRACTS

(18) The Comptroller's report of contracts executed, October 11 to November 10, 1947 (see Appendix, page 945).

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(19) The Comptroller presents his quarterly report to the Board as of June 30, 1947.

This report was received for record.

PURCHASE OF FIDELITY AND BURGLARY INSURANCE

(20) Fidelity and burglary insurance now in force will expire January 1, 1948.

Quotations were requested from seventy agents representing both stock and mutual companies for comprehensive insurance described as "Dishonesty, Disappearance, and Destruction" coverages as follows:

1. Blanket position bond coverage in the amount of \$10,000 applicable to each full or part time University employee, including employees of the University of Illinois Alumni Association.

2. Excess position bond coverage on certain positions.

3. Blanket location coverage on the loss of money, securities, and property occurring within the premises, including damage to the premises, furnishings, equipment, and fixtures in the amount of \$40,000 at Urbana-Champaign, Chicago, Galesburg, and Dixon Springs.

4. Blanket location coverage in the amount of \$20,000, with \$3,000 additional on a second custodian at Urbana-Champaign, on the loss of money, securities,

and property occurring outside the premises, and covering Urbana-Champaign, Chicago, and Galesburg.

5. Loss caused by forgery or alteration of any check, draft, or promissory note or similar written direction or promise to pay of a certain sum of money. Coverage in the amount of \$10,000 is to attach to the University's own account in any bank in which the University of Illinois has an account.

Quotations were received from thirteen companies of annual premiums ranging from \$1,149.80 to \$3,026.67. The three-year premiums (2½ times the annual premium) range from \$2,873.53 to \$7,566.68.

On January 1, 1948, all companies in the State of Illinois will be required to file with the State a list of the rates applicable to each type of risk and the amount of discount credit applicable to each risk. It appears likely that the companies will file moderate or averaged discount rates and the University will not be able to obtain as large a discount, because of exceptionally good loss experience, as is possible now when companies are permitted to discount the rates as they see fit.

The Director of Purchases and the Comptroller recommend that the University take advantage of the low rates now in effect by placing this insurance in effect prior to January 1 and having the coverage written for three years. They further recommend that the policy be written by the American Motorists Insurance Company, Chicago, Illinois, the lowest bidder, at a premium of \$2,873.53 for a three-year period.

On motion of Mr. Williamson, this contract was awarded as recommended.

ADDITION TO CONTRACT FOR GENERAL WORK ON THE AGRONOMY GREENHOUSE ADDITIONS

(21) On April 24, 1947 (Minutes, page 344), the Board of Trustees approved a contract with E. N. DeAtley for the general work on the Agronomy Greenhouse.

The Director of the Physical Plant Department requests an addition to this contract in the amount of \$1,935 in connection with the extension of utilities for this project.

The Comptroller recommends that such an addition be made to the contract with E. N. DeAtley.

I concur and request that the Comptroller and the Secretary of the Board be given authority to make this addition.

On motion of Mr. McKelvey, this authority was granted as recommended.

AWARD OF CONTRACTS FOR THE AGRONOMY GREENHOUSE

(22) The following bids have been received for the provision of utility services to the Agronomy Greenhouse:

	<i>Heating</i>	<i>Plumbing</i>	<i>Electrical</i>
Robert Gordon, Inc.....	\$19 862 00
W. T. Mahoney and Sons.....	27 670 00	\$12 448 00
J. M. Bean Electric and Hardware Co.....	\$8 775 00
Bland Electric Co.....	8 453 50
Anderson Electric Co.....	8 127 00
Electric Contractor's, Inc.....	10 000 00
Leverenz Electric Co.....	9 923 00

The Director of the Physical Plant and the Comptroller recommend the award of contracts to the lowest bidders in each division, namely, to Robert Gordon, Inc., of Chicago in the amount of \$19,862 for the heating work; to W. T. Mahoney and Sons of Chicago in the amount of \$12,448 for the plumbing work; and to the Anderson Electric Company of Danville for the electrical work in the amount of \$8,127. Funds are available in the special appropriation for the addition to the Agronomy Greenhouse to provide for the above contracts.

I concur and request authority for the Comptroller and the Secretary of the Board to execute the contracts as proposed.

On motion of Mr. McKelvey, this authority was granted as recommended.

ADDITION TO THE CONTRACT FOR HEATING IN THE MECHANICAL ENGINEERING BUILDING

(23) On March 27, 1947 (Minutes, page 317), the Board of Trustees approved a contract with Robert Gordon, Inc., for heating and process piping, in connection with the construction of the new Mechanical Engineering Building. The Director of the Physical Plant Department requests an addition to this contract in the amount of \$13,102 to provide for changes in the construction work in the shop area, made necessary by the change in use by the Department from a foundry to an internal combustion engine shop. The addition has been checked and approved by the architects, Fugard, Burt, and Wilkinson.

Funds are available in the State appropriation for "Construction of a new Mechanical Engineering Building."

The Comptroller recommends that the requested addition be made.

I concur and request that the Comptroller and the Secretary of the Board be given authority to execute an addition to the contract with Robert Gordon, Inc.

On motion of Mr. Fornof, this authority was granted as recommended.

AWARD OF CONTRACT FOR ALTERATIONS IN THE BUSINESS OFFICE AT CHICAGO PROFESSIONAL COLLEGES

(24) Bids have been received for alterations to the Business Office at the Chicago Professional Colleges as follows:

	<i>Lump-sum bid</i>	<i>Guaranteed maximum sum, including fixed fee</i>
Mutual Contracting Co.	\$14 458	No bid
R. V. Monahan Construction Co.	18 647	\$20 650
E. H. Marhoefer, Jr., Co.	19 160	No bid
George C. Olufsen and Sons	13 400	13 400

The Director of the Physical Plant and the Comptroller recommend that the contract be awarded to the lowest bidder, George C. Olufsen and Sons, Chicago, Illinois, on the basis of their lump-sum bid of \$13,400. The guaranteed maximum plus fixed fee bid in the same amount is not recommended as such a contract would require considerable supervision and expense. Funds are available in the special appropriation made by the Board on August 5, 1947 (Minutes, page 491).

I concur and request authority for the Comptroller and the Secretary of the Board to execute the contract as proposed.

On motion of Mr. Williamson, this authority was granted as recommended.

AWARD OF CONTRACT FOR DRILL FIELD SIDEWALKS

(25) Bids were received on November 25 for the construction of concrete sidewalks on the south, west, and north sides of the Drill Field. Three bids were received as follows:

General Paving Company	\$12 700 00
Kuhne-Simmons Company	12 931 00
Wascher Concrete Company	9 336 60

The Director of the Physical Plant and the Comptroller recommend the award of the contract to the lowest bidder, the Wascher Concrete Company, on the basis of their lump-sum bid. Funds are available in the special State appropriation for temporary student housing.

I concur and request authority for the Comptroller and the Secretary of the Board to execute the contract as proposed.

On motion of Mr. Nickell, this authority was granted as recommended.

AMENDMENT OF POLICY AND RULES RELATING TO COMPENSATION AND WORKING CONDITIONS OF NONACADEMIC EMPLOYEES

Mr. McLaughlin, for the Committee on Civil Service and Employees, reported as follows.

The second sentence of Section III, paragraph 4-A, of the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees now reads as follows:

"In all those classifications where the maximum rate in April 1945 was \$235 per month or less, there shall be automatic increases at least once each year until the mid-point of the range of the classification is reached."

At the time the policy was written it was desirable to put in this rather specific and limited statement in order to meet the condition which existed, but now it is desirable that the statement be made more general and that the figure used conform to the schedule of ranges recently approved by the Board.

The Director of Nonacademic Personnel has recommended that this provision be amended to read as follows:

"In all those classifications where the maximum rate is \$250 per month or less there shall be automatic increases at least once a year until the mid-point of the range of the classification is reached."

The Committee recommends approval.

On motion of Mr. McKelvey, this amendment was adopted as recommended.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

January 8, 1948

The January meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Thursday, January 8, 1948, according to the following schedule:

10:30 a.m. — Executive session as in Committee of the Whole.

2:30 p.m. — Open session.

The following members were present: President Livingston, General Davis, Mr. Fornof, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, and Mr. Williamson.

President Stoddard was present; also Professor C. R. Griffith, Provost, Mr. A. J. Janata and Dr. Wilbur Schramm, Assistants to the President, Mr. H. E. Cunningham, Secretary, Mr. I. L. Porter, Treasurer, Professor Lloyd Morey, Comptroller, Professor W. E. Britton, Legal Counsel, and, during part of the day, Dean L. N. Ridenour, Professor N. M. Newmark, and Mr. J. F. Wright, Director of Public Information.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of October 30 and November 29, 1947.

On motion of Mr. Davis, the minutes were approved as printed on pages 881 to 946 above.

ACTIONS OF THE EXECUTIVE COMMITTEE

The Secretary reported for record that the Executive Committee, on December 16 and December 29, 1947, had taken action on recommendations of the President of the University as follows.

DECEMBER 16, 1947

**RESOLUTION TO ACCEPT OFFER OF CITY OF CHICAGO
OF PERMISSION TO INSTALL AND MAINTAIN
DUCT RUNS AND MANHOLES**

(1) On October 29, 1947, the City of Chicago passed a City Ordinance granting to the University of Illinois permission to install concrete duct runs under and across certain city streets. The Director of the Physical Plant Department asks adoption of resolution by the Board of Trustees accepting this offer.

This is necessary to enable the University to carry out its extensions of service lines at the Chicago Professional campus.

The attached resolution has been drawn by the Legal Counsel and its adoption is recommended by the Comptroller.

I concur in the recommendation.

On motion of Dr. Meyer, the following resolution was unanimously adopted as recommended.

RESOLUTION

Be it resolved by the Board of Trustees of the University of Illinois that:

The Ordinance of the City of Chicago, passed by the City Council at its regular meeting on October 29, 1947, which grants permission to the University of Illinois to install and maintain concrete duct runs and manholes under and across certain streets in the City of Chicago, a copy of which Ordinance is hereto attached, be and the same is hereby accepted according to the terms of the Ordinance.

UNIVERSITY OF ILLINOIS GRANTED PERMISSION TO INSTALL AND
MAINTAIN CONCRETE DUCT RUNS AND MANHOLES

Alderman Sain moved to concur in the recommendation of the Committee on Local Industries, Streets and Alleys that the City Council pass the proposed ordinance submitted with the committee's report for a grant to the University of Illinois.

The motion prevailed and said proposed ordinance was passed, by yeas and nays as follows:

Yeas — Aldermen Budinger, Harvey, Carey, Cohen, Merriam, Hogan, Bohling, Olin, DuBois, Pacini, Wall, Kucharski, Egan, Wagner, Sheridan, Murphy, O'Hallaren, Duffy, Pistilli, Ropa, Janousek, Tourek, London, Bowler, Biezzat, Sain, Kells, Gillespie, Hughes, Keane, Rostenkowski, Brandt, Geisler, Orlikoski, Ringa, Lancaster, Cullerton, Brody, Becker, Immel, Crowe, Bauler, Burmeister, Merryman, Young, Hoellen, Freeman, Keenan, Weber — 49.

Nays — None.

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. Permission and authority hereby are given and granted to The University of Illinois, a corporation, its successors and assigns, upon the terms and subject to the conditions of this ordinance, to excavate for, install and maintain concrete duct runs, seventy inches by twenty-four inches in size, under and across W. Taylor Street, east of S. Hermitage Avenue; a concrete duct run twenty-four inches by seventy inches in size west under and along the north side of W. Taylor Street, crossing S. Hermitage Avenue and S. Wood Street and under and along the north side of W. Taylor Street to the west line of S. Wood Street, thence north into private property, together with the necessary manholes.

Also a concrete duct run twenty-four inches by seventy inches in size under and along the west side of S. Wood Street connecting with the concrete duct run in W. Taylor Street and running north to W. Polk Street, together with the necessary manholes.

Also a concrete duct run twenty-four inches by seventy inches in size under and along the east side of S. Wolcott Avenue from a point north of the north line of W. Taylor Street to a point seventy-five (75) feet south of the south line of W. Polk Street, together with the necessary manholes, all of such privileges for a period of ten (10) years from and after the date of the passage of this ordinance.

The location of said concrete duct runs and manholes shall be as shown on print hereto attached which, by reference, is made a part of this ordinance. Said concrete duct runs shall be installed under the supervision and to the satisfaction of the Commissioner of Public Works and shall be maintained in accordance with the ordinances of the City of Chicago and the directions of the Commissioner of Public Works. The grantee shall keep that portion of the public way over said concrete duct runs and the openings to said concrete duct runs in good condition and repair, safe for public travel to the satisfaction of the Commissioner of Public Works.

SECTION 2. This ordinance is subject to amendment, modification or repeal and the permission and authority herein granted may be revoked by the Mayor in his discretion at any time without the consent of said grantee. Upon termination of the privileges herein granted, the grantee, without cost or expense to the City of Chicago, shall remove the structures and appliances herein authorized and restore the public way where disturbed by said structures or appliances, or by the removal thereof, to a proper condition under the supervision and to the satisfaction of the Commissioner of Public Works; and in the event of the failure, neglect or refusal of said grantee so to do, the City of Chicago may do said work and charge the cost thereof to said grantee.

SECTION 3. The grantee will hold and save the City of Chicago harmless from any and all liability for cost of removal, relocation, alteration, repair or maintenance of the structures or appliances herein authorized and from any and all damages thereto on account of the location, construction, reconstruction, alteration repair or maintenance of any public ways, bridges, subways, tunnels, vaults, sewers, water mains, conduits, pipes, poles and other utilities.

SECTION 4. This ordinance shall take effect and be in force from and after its passage; provided said grantee file a written acceptance of this ordinance with the City Clerk within sixty (60) days after the passage of this ordinance.

RETIREMENT OF KATHARINE PATTERSON, HOME ADVISER IN GRUNDY COUNTY

(2) Miss Katharine Patterson, Home Adviser in Grundy County, has requested that she be retired from active service beginning December 1, 1947, under the provision in the law creating the University Retirement System of Illinois which permits retirement "on or after the attainment of age sixty-five (65) in exceptional cases and for substantial cause at the request of the Employee and upon certification of the Employer."

Miss Patterson became 65 on July 9, 1947, and has requested retirement because she is not physically able to carry the strenuous load required of a Home Adviser. In fact, she wanted to retire beginning September 1, 1947, but continued in service because of the difficulty of securing a replacement. She has been in the service of the University as a member of the extension staff in the Department of Home Economics and as a Home Adviser since September 1, 1929.

On motion of Mr. Davis, this retirement was approved.

PURCHASES RECOMMENDED BY THE PRESIDENT

(3) The following purchases, amounting to \$1,000 or more, are proposed by the Director of Purchases and the Comptroller, and are recommended by the President to the Executive Committee for approval. Unless otherwise specified the purchase in each case is recommended on the basis of lowest bid.

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
Approximately 60,000 gallons of 80-octane and 20,000 gallons of 91-octane aviation gasoline for period Jan. 1-June 30, 1948	Institute of Aeronautics	The Texas Company, Champaign	\$1,184.25 for 80-octane and \$1,191.75 for 91-octane, or a total of approximately \$16,807.50

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
775 pressboard pamphlet binders of various sizes	Library	Wascher's Bindery, Mahomet	1 399 02
One Hammer Mill complete with motor and accessories	Animal Science	A. E. Jacobson Machine Works, Inc., Minneapolis, Minn.	2 600 00 f.o.b. Minneapolis
Approximately 2,000 tons of limestone for the Allerton Farms	Agricultural Economics	Piatt County Producers Supplies, Monticello	6 920 00 (approximately)

On motion of Dr. Meyer, these purchases were authorized and recommended.

DECEMBER 29, 1947

GIFT FROM MR. AND MRS. MERLE J. TREES

(1) Under the conditions outlined in their letter of November 29, 1937, offering to establish the "Emily Nichols Trees (Class of 1905) and Merle Jay Trees (Class of 1907) Collection" of paintings at the University of Illinois, and pursuant to the resolution of acceptance adopted by the Executive Committee of the Board of Trustees on December 18, 1937 (Minutes, page 587), Mr. and Mrs. Trees offer as their gift for 1947 the following paintings to be added to their collection:

Teniers, Landscape, "Steen Castle".....	\$10 300 00
Delacroix, "L'Amende Honorable".....	8 000 00
<i>Total Value</i>	<u>\$18 300 00</u>

Certificates of appraisal from the Art Institute of Chicago showing the value of these paintings will be deposited with the Secretary of the Board of Trustees for record.

I recommend acceptance of these paintings.

On motion of Mr. Davis, this gift was accepted, and the President of the University was requested to convey to Mr. and Mrs. Trees an expression of the appreciation of the University for their continued generosity.

AWARD OF CONTRACT FOR PIPING WORK AT ABBOTT POWER PLANT

(2) Bids were requested on piping work in the Abbott Power Plant addition from a number of contractors and by advertisement. Two bids were received: William A. Pope Company, \$131,770.00, and Phillips-Getschow Company, \$138,945.00. The bid of William A. Pope is subject to a maximum escalation of 18 per cent, and that of Phillips-Getschow Company to a maximum escalation of 15 per cent.

Sargent and Lundy recommend, and the Director of the Physical Plant and the Comptroller concur, that the contract be awarded to the lowest bidder, the William A. Pope Company, at \$131,770.00, subject to a maximum escalation of 18 per cent or a total maximum of \$155,488.60. Funds are available.

I concur and request authorization of the Comptroller and the Secretary of the Board to execute this contract.

On motion of Dr. Meyer, this contract was awarded and authorization given as recommended.

AWARD OF CONTRACT FOR INDOOR UNIT SUBSTATION FOR UTILITIES DISTRIBUTION SYSTEM IN CHICAGO

(3) Bids were requested on an indoor unit substation in the switchroom of the Utilities Distribution System in Chicago from a number of contractors and by advertisements. Three bids were received:

	<i>General Electric Company</i>	<i>I.T.E. Circuit Breaker Company</i>	<i>Westinghouse Electric Corporation</i>
Bid price.....	\$30,754.00	\$29,953.00	\$33,394.00
Delivery time.....	18 months	60 weeks	22 months

Sargent and Lundy, engineers for this project, recommend, and the Director of the Physical Plant and the Comptroller concur, that the purchase be made from

the lowest bidder, the I.T.E. Circuit Breaker Company at \$29,953 less an offered reduction of \$282 for a change in location of the main fuses, or a net price of \$29,671.

Funds are available in the appropriation for the construction of the Utilities Distribution System, Chicago.

I concur and request authorization of the Comptroller and the Secretary of the Board to execute the contract.

On motion of Mr. Davis, this contract was awarded and authorization given as recommended.

PURCHASES RECOMMENDED BY THE PRESIDENT

(4) The following purchases, amounting to \$1,000 or more, are proposed by the Director of Purchases and the Comptroller, and are recommended by the President to the Executive Committee for approval. Unless otherwise specified the purchase in each case is recommended on the basis of lowest bid.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

TERMS OF EMPLOYMENT OF ACADEMIC, ADMINISTRATIVE, RESEARCH, AND EXTENSION STAFF

(1) Under present University statutory provisions, salaries of the instructional staff are payable in ten or twelve equal installments for an academic year's service. The professional or instructional year for which members of the teaching staff are employed extends through two regular semesters beginning in September and ending in June. Supplementary salaries are paid for teaching services during the summer session on the basis of 16 per cent of the annual salary, with a present maximum of \$1200 for full-time service for an eight-week session.

During the World War II period the University operated on as many as three different, overlapping academic calendars, viz.: (1) the regular civilian program; (2) the Navy College Training Program; and (3) the Army Specialized

Training Program. Some members of the instructional staff were required to teach continuously, and at times carried more than normal teaching loads in order to service these programs. Administrative adjustments were made in the terms of employment, and the Board of Trustees has authorized at least three changes in the Statutes:

(a) Services to be performed by the teaching staff shall extend through two semesters of the regular academic year beginning in September and ending in June.

(b) The maximum summer session salary be increased from \$900 to \$1200 for eight weeks of service, with supplementary adjustments for 12 and 16 weeks of service.

(c) The deadline on the acceptance of appointments to the staff has been reduced from 30 days to 10 days.

Various practices developed during the war period, and certain new factors have created inconsistencies in terms of employment. The University has many contracts with industrial and government agencies for research projects which run continuously through the year. Competition for summer employment has increased, making it difficult to retain staff members for teaching during the summer session. To clarify the situation, the Provost has conferred with the deans, directors, department heads, and other University officials who are chiefly concerned. As a result of these discussions and study, he recommends adoption of the following principles governing employment of the academic, administrative, research, and extension staff effective at the beginning of the 1948 Summer Session:

1. The academic year shall consist of two regular semesters (in the Chicago Professional Colleges the academic year shall consist of three terms) beginning in September or October and ending in June, the exact dates to be determined in the University Calendar.

2. Unless otherwise specified, services of the instructional staff shall be required during the two semesters (in the case of the Chicago Professional Colleges, three terms) of the academic year, and they shall be free for other employment, either in the University or elsewhere, during the summer months.

3. An appointment for one semester shall call for four and one-half months of service and the rate of compensation shall be one-half of the rate for the full academic year. Temporary and intermittent employment, full time or part time, shall ordinarily be on a pro rata basis as to term of service and salary, but heads of departments may, with the approval of the Dean and the President, establish special rates for part-time assistants.

4. Members of the instructional staff for the academic year who are employed for teaching in the Summer Session or for research in the three summer months shall receive a monthly compensation at the rate of one-ninth of the salary rate paid them for instructional service during the preceding academic year.

5. Members of the instructional staff for the academic year who are employed on research at full time for the three summer months will be given the equivalent of a month's vacation with pay, to be accumulated in periods when classes are not in session, including the Thanksgiving, Christmas, and Easter recesses.

6. The terms of employment shall be stated explicitly by the nominating officer for all members of the academic staff, indicating that services are required for (a) the academic year; (b) twelve months except for allowable vacation; (c) the Summer Session.

7. Staff members of the rank of instructor and above shall receive their salaries in twelve monthly installments for each academic year of service, or on a pro rata basis for shorter periods. Unless otherwise specified, teaching assistants shall be paid their salaries for each academic year of service in ten installments, of which the first and last shall be one-half installments, and the other eight shall be full installments each equal to one-ninth of the salary for the academic year.

8. Appointments to administrative, research, and extension positions generally, and to teaching and other positions requiring service throughout the year except for allowable vacations, shall be on a yearly basis ("Y" appointments; see 9 and 10 below).

9. Services of staff on "Y" appointment will be required for twelve months, with stated vacations with pay, and salaries shall be paid in twelve monthly installments.

10. Staff members on yearly service ("Y" appointment) will not receive additional compensation for the Summer Session. For staff members, partly on "Y" and partly on "non-Y" appointment, this regulation applies to the "Y" portion. Vacations taken during holiday recesses, other than the actual holidays recognized by the University, shall be considered a part of the annual vacation allowance of one month.

11. Positions in the University are classified in the following categories and are designated in the budget by the symbols indicated:

- A — Indefinite tenure
- B — Two years from September
- D — One year from September
- E — Nine months from the beginning of the academic year
- G — Special tenure
- Y — Twelve months

I concur in these recommendations.

When the Statutes are revised, these changes should be incorporated.

On motion of Mr. McLaughlin, these changes were approved and the Statutes were amended accordingly.

LEAVE OF ABSENCE FOR PROFESSOR GEORGE H. ROCKWOOD

(2) Dean M. L. Enger of the College of Engineering recommends that Professor George H. Rockwood of the Department of Electrical Engineering, who is seriously ill, be given sick leave with full pay for the first semester, 1947-1948 (September 1, 1947, to March 1, 1948).

Professor Rockwood has been in the service of the University since February 1, 1947. Under the rules of the Board he is eligible for 25 days' sick leave with pay from the date his services were required. Since the present semester's instruction began October 9, 1947, this would give him leave on full pay to November 3. He has not accumulated extended disability leave with full pay allowance beyond the 25 days.

Professor Rockwood left an attractive position in the Bell Telephone Laboratories, New York, where he was in charge of a group doing research work on important developments in electrical engineering, to accept a professorship at the University of Illinois. He thereby gave up pension and disability benefits accumulated since he joined the Bell Telephone Laboratories in 1929. He is not eligible for disability benefits from the University Retirement System of Illinois.

In view of these circumstances, I recommend that the Board of Trustees consider this as a special case and that the leave on full pay be granted from September 1, 1947, through February 29, 1948, or one-half of the current academic year. The Department of Electrical Engineering is carrying Professor Rockwood's teaching load without additional expense to the University.

On motion of Dr. Meyer, this leave was granted as recommended.

DEVELOPMENT OF GOLF COURSE ON KIMMEL FARM

(3) On July 30, 1943 (Minutes, page 450), the Board approved the purchase from Mrs. Alice N. Kimmel of her farm of 171.82 acres in Tolono Township adjoining the village of Savoy as a site for the University of Illinois Airport. This farm was in the area originally selected by the Civil Aeronautics Administration as a site for the Airport. Subsequently, and to meet Army Air Forces requirements, the C.A.A. selected a site one-half mile south and one-half mile west of the area originally selected. In the meantime, a contract had been made with Mrs. Kimmel for the purchase of her farm and the purchase was consummated. An assignment of \$55,000 (Minutes, pages 489 and 739) for the purchase was made from the General Reserve Fund, and no part of the State appropriation of \$250,000 for the purchase of Airport land was used for this purpose. The farm is leased to a tenant who operates it under the general supervision of the College of Agriculture.

In the judgment of Director Leslie A. Bryan of the Institute of Aeronautics, the farm will not be needed for expansion of the Airport. If expansion is necessary, it would have to be to the south and west. The farm is not needed for Agricultural Experiment Station purposes.

The Board of Directors of the Athletic Association has proposed the development of an eighteen-hole golf course on this farm. The Association will

provide the funds required for the construction, estimated to cost not more than \$200,000. The Association's financial condition will permit such expenditures, and this would be in keeping with the policy of using surplus funds to provide recreational facilities for the students and faculty.

The Directors of the Athletic Association further propose that the present nine-hole golf course at Florida Avenue and Fourth Street be converted into a baseball park and playing fields. One-half of the area would be needed for baseball and the other half would be available for general recreational purposes. This would concentrate all of the recreational facilities for men in the vicinity of the George Huff Gymnasium and the Stadium.

The Athletic Association would release Illinois Field for general University purposes.

This proposal has been considered by the University faculty Building Program Committee, and it is in favor of doing this. I recommend that the Board of Trustees approve it.

I further recommend that consideration be given to the acquisition of additional land surrounding the Kimmel farm for possible development as a residential housing area of the suburban type. This might be undertaken jointly by the Board of Trustees and the Athletic Association. To implement this idea, if the Board agrees it is worth developing, I recommend that it be referred to the Committee on Buildings and Grounds for consideration and report to the Board.

On motion of Mr. Davis, the proposals involving the construction of a golf course on the Kimmel farm, the future use of the site of the present golf course, and the release of Illinois Field were approved.

On motion of Mr. Williamson, the matter of the acquisition of additional land was referred to the Committee on Buildings and Grounds for study and report to the Board.

PURCHASE OF ELECTRONIC DIGITAL COMPUTER (EDVAC)

(4) I recommend that the Board of Trustees authorize the purchase of an electronic digital computer (EDVAC) at an estimated maximum cost of \$150,000 from the Reeves Instrument Company, New York.

These machines are now being constructed by the Reeves Instrument Company on a limited basis, with orders thus far from the Ordnance Department and the Signal Corps of the United States Army, the University of Pennsylvania, and the Bureau of Standards. Prompt action by the University of Illinois in acquiring such equipment will give the University leadership in the whole Middle West in various areas of scientific development. In performance this machine is the equivalent of 1,000 electrically operated calculating machines. It performs difficult mathematical problems in periods of time ranging from a few seconds to a few hours. It will perform some problems in mathematics, electrical engineering, genetics, meteorology, and psychology that have been the despair of scientists until now.

In further explanation of what this machine will do and how it will be used in research programs, I have asked Dean Ridenour of the Graduate College and Chairman of the University Research Board and Professor Nathan M. Newmark of the Department of Civil Engineering to appear before the Board today and explain the case.

It is proposed to pay half the cost of the machine from research funds already budgeted for the Graduate College and the rest by special appropriation. I therefore recommend an appropriation of \$75,000, or so much thereof as may be necessary, from the General Reserve Fund for this purpose.

Dean Ridenour and Professor Newmark discussed this matter.

On motion of Dr. Meyer, the purchase was approved and the appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

**REVISION OF REGULATIONS RELATING TO
PATENTABLE DISCOVERIES**

(5) The Board of Trustees on October 18, 1945 (Minutes, page 866), established the following procedure for dealing with potentially patentable discoveries made by members of the staff, as they are reported:

(a) The Faculty Committee on Patents may consult with the University's patent attorneys immediately, without prior authorization by the Board of Trustees.

(b) If, in the judgment of counsel, the discovery should be patented, an application for patent shall be filed immediately and reported to the Board at the next opportunity.

(c) If in the judgment of the Faculty Committee, the University would not be justified in expending funds for a patent application, a recommendation shall be made to the Board for the release of the discovery to the discoverer.

I recommend that sections (a), (b), and (c) above be rescinded and replaced by the following:

(a) The University Research Board will review all potentially patentable discoveries and advise the President.

(b) No application for a patent shall be filed, nor shall a discovery be released to the discoverer, with right to file his own application, without prior authorization by the Board of Trustees or its Executive Committee. All patent applications so authorized will be initiated by the President's Office, through the Legal Counsel, acting on behalf of the Board.

On motion of Mr. Davis, the procedure with respect to patents was amended as recommended.

On motion of Mr. Fornof, a letter from Dean Ridenour proposing a plan for the distribution of royalties was referred to the Committee on Patents for consideration and report.

NEW STORAGE SYSTEM FOR HIGH-SPEED COMPUTERS

(6) Professor Arthur L. Samuel of the Department of Electrical Engineering has developed ideas for a new system which will permit the electrostatic storage of a large amount of information for use in connection with high-speed digital computers. The electrostatic storage field is developing so rapidly that in the judgment of the University Research Board steps should be taken promptly by the University to secure patents on Professor Samuel's work. I recommend that the Board authorize the filing of a patent application or applications if multiple applications are necessary.

On motion of Mr. Nickell, this recommendation was approved and adopted.

PURCHASE OF EQUIPMENT FOR BETATRON

(7) The Board of Trustees requested at its meeting on November 29, 1947, that further negotiations be conducted with the Allis-Chalmers Manufacturing Company, Milwaukee, Wisconsin, for the following equipment for the Betatron: (1) backwound "A" coil, (2) core blocking, and (3) transformer bank.

These negotiations have been completed, and the Allis-Chalmers Manufacturing Company has agreed to furnish the equipment under the following conditions:

1. The contract price shall be \$35,000, with the provision that if actual costs (as determined by their usual accounting methods) are less than this amount the cost to the University will be reduced.

2. Monthly statements of cost incurred will be submitted by the Company and the University will pay such costs.

3. The University will have the right, for its convenience, to terminate the contract at any date. Upon such termination, the University will pay all costs plus 10% of such costs for profit to the Company and will acquire title to the equipment.

Professor Kerst, who is in charge of construction and of the research program for which the Betatron is being built, Professor F. W. Loomis, the Director of Purchases, and the Comptroller recommend that a contract as described be executed with the Allis-Chalmers Manufacturing Company. Funds are available in the special State appropriation for Betatron development and equipment.

I concur and request authority for the Comptroller and the Secretary of the Board to execute the contract.

On motion of Mr. McKelvey, the execution of this contract was authorized as recommended.

POLICY AND RULES RELATING TO COMPENSATION AND WORKING CONDITIONS OF NONACADEMIC EMPLOYEES

Mr. McLaughlin presented a recommendation of the Committee on Civil Service and Employees on the definition of work week.

The Board of Trustees on May 24, 1943 (Minutes, page 366), voted to amend the wages policy to provide that "... in those University operations in which continuous seven-day work is essential because of the character of the services furnished, the work week will be set so that Sunday becomes a part of the regular work week; however, the work of the Groundsmen and the Janitors is not considered as work in which seven-day work is essential and in these groups the work week will start on Monday, and time and one-half will be paid for overtime and Sundays, and double time for holidays."

This is inconsistent with Section IV, Paragraph 3, of the "Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees," adopted by the Board in 1945, which provides that "in those positions in which continuous seven-day service is required Saturdays and Sundays (Section V) shall not be recognized as such but as though they were regular work days."

The Director of Nonacademic Personnel has recommended, the President of the University concurring, that the action of May 24, 1943, be rescinded.

The Committee recommends that the Board rescind its action of May 24, 1943.

On motion of Mr. McLaughlin, the action of May 24, 1943, quoted above, was rescinded as recommended.

EXPENSE OF OPERATING PRESIDENT'S HOUSE

At this point, Dr. Meyer requested that the Board consider an adjustment of the expense of operating the President's House.

President Livingston appointed the following special committee to consider this matter and report to the Board: Dr. Meyer, Mr. Davis, Mr. Fornof, and Mr. Williamson.

LUNCHEON IN HONOR OF MEMBERS OF THE GENERAL ASSEMBLY FROM THE TWENTY-FOURTH DISTRICT

At this point, the Board recessed. Senator Everett R. Peters, and Representatives Charles W. Clabaugh, Ora D. Dillavou, and Charles R. Simpson, of the Twenty-fourth District, were the guests of the Board at a testimonial luncheon given in recognition of their loyal and effective support of the University in the General Assembly.

OPEN SESSION

The Board considered in open session the following reports of committees.

REPORT OF THE COMMITTEE ON GENERAL POLICY ON VOLUNTARY PAYMENT OF TAXES

Mr. Davis presented the following report.

The Board of Trustees has directed its Committee on General Policy to consider the question whether the University of Illinois should or should not voluntarily pay taxes on certain properties belonging to the University which are not used for educational purposes.

In its study of this question, the Committee has also given careful consideration to requests from local governments that the University contribute to the costs of operating municipal services and of public improvements because of the increased demands upon these services.

The Committee is sympathetic with the needs of local governments for increased operating revenues and recognizes the effect of the tax exemption status of the University on their budgets. However, the ultimate decision which the Board of Trustees must make will involve the question of the University's legal right, regardless of what the Board may wish to do as a matter of public policy.

In view of previous court decisions in cases which have a direct bearing on this question, the Committee has grave doubts about the *legal* right of the University to pay from State appropriations, or other public funds, taxes assessed by local governments, or to make contributions from public funds to local governments for the operation of municipal services.

In a matter of such far reaching importance as that of the tax status of the University, this Committee recommends that the opinion and assistance of qualified counsel, independent of the University, be obtained on the various questions involved.

To this end the Committee recommends the employment of the firm of Chapman and Cutler to render such an opinion, to advise with respect to the trial of any lawsuits which involve any of such questions, and if found necessary, to participate therein until final decisions have been obtained.

JOHN R. FORNOF
KENNEY E. WILLIAMSON
FRANK H. MCKELVEY
CHESTER R. DAVIS, *Chairman*
Committee on General Policy

On motion of Mr. Davis, this report was adopted.

APPOINTMENT OF UNIVERSITY AUDITORS

Mr. Williamson presented the following report.

The Finance Committee recommends that the firm of George Rossetter and Co., Certified Public Accountants of Chicago, be engaged as auditors for the year ended June 30, 1948, in place of Arthur Young and Co., who handled the audit for the past five years, such services to be charged on the basis of per diem rates and expenses with the understanding that the aggregate charge will not exceed the following sums:

University of Illinois (including all divisions).....	\$8 000
University of Illinois Foundation.....	500
University of Illinois Athletic Association.....	700

These maximum costs are based on the assumption that, if the audit discloses extraordinary needs beyond the scope of the usual examination, further compensation for such additional work will be allowed after review and approval by the Finance Committee.

On motion of Mr. Williamson, the employment of George Rossetter and Co. was authorized as recommended.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under the Accountancy Act of 1943 and who have submitted evidence that they are holders of C.P.A. certificates issued by other states on the basis of successfully passing the regular written examinations:

PHILIP BARDES (N.Y.)	EDWIN PRESTON NOELL (N.Y.)
JACQUES BRAUNSTEIN (N.Y.)	ROY H. PTACEK (Wash.)
HARRY NORMAN CASE (N.Y.)	JOSEPH FRANK SEIANAS (Wis.)
WILLIAM THOMPSON DAVIS (Mo.)	WILLIAM JOHN SOMMER (Ohio)
LAWRENCE EDWARD MOCK (Ga.)	EDMUND ARTHUR STAUB (N.Y.)
ALFRED RANDOLPH NELSON (Minn.)	JAMES HARRY WILLIAMS (Tex.)

I concur.

On motion of Mrs. Holt, these certificates were awarded as recommended.

CANCELLATION OF SABBATICAL LEAVES OF ABSENCE FOR PROFESSORS F. W. TANNER AND OSWALD TIPPO

(2) Professor F. W. Tanner, Head of the Department of Bacteriology, and Associate Professor Oswald Tippo of the Department of Botany were given sabbatical leaves of absence for the second semester of 1947-1948.

Because the Department of Bacteriology has been unable to fill the position of Associate Professor on its staff, Professor Tanner has asked that his leave be postponed until 1948-1949.

Professor Tippo is serving as Acting Head of the Department of Botany and because of this service he has been asked to defer his leave.

I recommend that the leaves granted be cancelled without prejudice as to future leaves.

On motion of Mr. McLaughlin, these leaves were cancelled as recommended.

APPOINTMENTS TO THE CITIZENS COMMITTEE AND TO ADVISORY COMMITTEE OF THE COLLEGE OF VETERINARY MEDICINE

(3) I recommend the appointment of the following as members of the Citizens Committee of the University of Illinois and their assignment to the Advisory Committee of the College of Veterinary Medicine for the year 1947-1948:

C. R. COLLINS, Dixon	OSCAR LINN, Canton
C. E. DILLE, Cairo	R. V. MCKEE, Varna
WAYNE DINSMORE, Chicago	GEORGE B. MCKILLIP, Chicago
C. E. FIDLER, Lewistown	P. J. MEGINNIS, Cicero
C. C. HASTINGS, Williamsville	D. E. SISK, Mansfield
G. W. JENSEN, Antioch	H. P. WESSELS, Geneva

On motion of Mr. McKelvey, these appointments were made as recommended.

SERVICES OF PROFESSOR H. K. ALLEN AS RESEARCH DIRECTOR FOR THE STATE REVENUE LAWS COMMISSION

(4) The State Revenue Laws Commission, by its Chairman, Senator Merritt J. Little, has requested the services as Research Director for the Commission of Professor H. K. Allen of the Department of Economics and Director of the Bureau of Economic and Business Research. The plan proposed would require Professor Allen's services on a part-time basis from February 1 to September 1, 1948, and full time from September 1, 1948, to February 1, 1949. He would continue his services as Professor of Economics throughout the academic year 1947-1948.

I recommend approval of Professor Allen's services as Research Director for the State Revenue Laws Commission and that the President of the University be authorized to make such changes in Professor Allen's University status as are necessary to accomplish this.

On motion of Mr. McKelvey, this recommendation was adopted.

SERVICES OF DEAN H. P. RUSK TO COMMISSION ON ORGANIZATION OF THE EXECUTIVE BRANCH OF THE GOVERNMENT

(5) Dean H. P. Rusk of the College of Agriculture has been requested by Mr. Herbert Hoover, Chairman of the Commission on Organization of the Executive Branch of the Government recently created by an Act of Congress, to serve on

the Commission's Agriculture Committee. The farmers of Illinois, the College of Agriculture, the Agricultural Experiment Station, and the Extension Service in Agriculture and Home Economics staffs are vitally interested in the over-all policies to which the Dean's services would contribute.

After consultation with the President of the University, Dean Rusk was authorized to accept the appointment.

This report was received for record.

DISCONTINUANCE OF INTERNSHIP REQUIREMENT FOR THE DOCTOR OF MEDICINE DEGREE

(6) From 1921 to 1941 the University required a fifth year, or an internship, before granting the degree of Doctor of Medicine. In 1941 the Board of Trustees authorized waiving the internship requirement for the duration of the war, and the degree of Doctor of Medicine is now awarded instead of the Certificate in Medicine formerly given at the end of four years of study. The Executive Faculty of the College of Medicine has proposed that the requirement of the fifth year for the M.D. degree be permanently discontinued, that the degree be awarded at the end of the fourth year, and that the award of the Certificate in Medicine be discontinued. The Bachelor of Science degree will be awarded at the end of the second year as heretofore.

The chief reason for the change is that the control of students serving internships in hospitals not operated by the University is largely out of the hands of the College of Medicine. At least one year of internship is, of course, still required by medical examining boards for licensure and admission to licensing examinations.

The University Senate recommends approval of this change and I concur.

On motion of Mrs. Holt, this change was authorized.

DEGREE OF DOCTOR OF PHILOSOPHY IN PHYSICAL EDUCATION

(7) The graduate faculty in the School of Physical Education has proposed a graduate program leading to the degree of Doctor of Philosophy in Physical Education. This has been approved by the Executive Faculty of the Graduate College. The University Senate has recommended that the degree of Doctor of Philosophy in Physical Education be authorized.

I concur.

On motion of Mr. McKelvey, this degree was established as recommended.

UNIVERSITY CALENDAR, 1948-1949

(8) The University Senate has approved the calendar for the academic year 1948-1949 for the colleges and schools at Urbana-Champaign. The academic calendars for the Chicago and Galesburg Undergraduate Divisions have been approved by the University Committee on Calendar acting for the Senate. These are presented to the Board for information and record (Appendix, page 966).

This report was received for record.

CALLING OF MEN'S RESIDENCE HALL LOAN

(9) On June 23, 1947 (Minutes, page 403), the Board of Trustees authorized the calling of the men's residence hall loan as soon as practicable after the first call date, September 1, 1947.

A plan has now been concluded for calling this loan and replacing it by a new issue of revenue bonds as of March 1, 1948, in the amount of \$400,000.

In making such an offer, it is necessary that there be an approving opinion of independent counsel. The Legal Counsel and the Comptroller recommend that the firm of Chapman and Cutler, attorneys of Chicago, be engaged for all necessary services in connection with this bond issue.

On motion of Mr. McLaughlin, this recommendation was adopted.

In connection with this matter, a telegram from the Executive Council of the Men's Residence Halls Association was read to the Board. This telegram was referred to the President of the University for reply and report to the Board.

**PLANS FOR STUDENT AND STAFF APARTMENT
PROJECT AT URBANA**

(10) The State appropriations made to the University for the biennium of 1947-1949 include \$400,000 for student and staff apartments at Urbana-Champaign. This project is to provide housing for married students, including graduate students who are also staff members. The \$400,000 may be augmented by an assignment from a capital appropriation of \$618,845 for contingencies.

The architectural firm of Skidmore, Owings, and Merrill has completed plot plans, floor plans, and elevations for this project, to be erected at Green and Goodwin Streets. These plans have been approved by the Building Program Committee. Additional funds must be secured by borrowing, but whether the entire project can be carried out now will depend upon the cost.

The Committee has recommended:

1. That the architects be authorized to complete detailed plans and specifications for the entire project.
2. That the sum of \$250,000 from the contingent item in the biennial capital appropriation be tentatively earmarked for the project.
3. That when plans are completed, bids be taken in such form as to make possible the award of contracts for such part of the work as can be financed.

I recommend approval of these proposals.

On motion of Mr. McLaughlin, the proposals of the Building Program Committee were approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(11) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Remodeling of Armory for Naval Science facilities.....	\$ 36 000
2. Alterations and lockers in Men's Old Gymnasium.....	26 000
3. Alterations and improvements in Smith Music Hall.....	22 000
4. Residence and new water supply at Dixon Springs Experiment Station	13 000
5. New microscopes and accessories for Department of Geology.....	10 500
6. One five-passenger car, one panel truck, and laboratory equipment for College of Veterinary Medicine.....	9 500
7. Cabinets and reference books for Department of Botany.....	4 600
8. Additional toilet facilities for Division of Floriculture.....	4 000
9. Publication of 3,000 copies of "Ferment in Education" (Proceedings of the Installation of the President).....	4 000
10. Lockers, electrical outlets, and fluorescent lamps for Department of Bacteriology.....	3 768
11. Improvements in Medical Library (Chicago).....	2 750
12. Installation of constant temperature and humidity equipment in Noyes Laboratory for State Water Survey.....	2 500
13. Computing machines for Department of Psychology.....	2 250
14. Chemical hood for Department of Entomology.....	2 000
15. Cabinets, curtains, and utility connections in fourth floor of Mumford Hall for Department of Forestry.....	1 855
<i>Total</i>	<u>\$144 723</u>

These proposed improvements have been carefully studied by the Committee on Special Appropriations and Nonrecurring Expenditures. Its reports giving details of the reasons for these improvements are submitted herewith.

On motion of Mr. McKelvey, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

**ENGINEERING SERVICES FOR EMERGENCY LIGHTING SYSTEM
FOR MCKINLEY HOSPITAL**

(12) Electric power service to McKinley Hospital is supplied by the Abbott Power Plant through a load center which also serves the South Farm area. Part of the transmission from the load center is overhead and during storms a number of power failures have occurred at McKinley Hospital. Several years ago the

University installed transmission lines connecting with those of the Illinois Power Company, with an automatic cut-off, so that in the event of power failure from the University plant, power service will automatically come in from the Illinois Power Company. Unfortunately continuous service has not resulted. On at least three occasions power service from both sources has failed simultaneously.

The Physical Plant Department, the Dean of Students, and the University Health Officer have recommended the installation of a battery operated emergency lighting system in McKinley Hospital. The proposal has been approved in principle by the Committee on Special Appropriations and Nonrecurring Expenditures. It is necessary to prepare plans and specifications and secure bids before an appropriation can be recommended.

The Physical Plant Department requests authority to engage the firm of Graham, Anderson, Probst, and White to prepare plans and specifications at a cost of \$2,500. Funds are available in the Physical Plant budget for 1947-1948.

I recommend approval of this proposal.

This matter was referred to the Committee on Buildings and Grounds for consideration and report.

AWARD OF CONTRACT FOR THE SUPERVISION OF THE ASSEMBLY AND ERECTION OF THE BETATRON

(13) On May 27, 1947 (Minutes, page 368), the Board of Trustees approved a contract with the Allis-Chalmers Manufacturing Company of Milwaukee for the preparation of the design and working drawings for the Betatron.

It will be necessary to secure experienced engineering assistance in actual construction of the Betatron on the site. Since the Allis-Chalmers Company has prepared the drawings and specifications, it will be advantageous if the engineering assistance can be secured from this company.

Professor D. W. Kerst, in charge of construction and of the Betatron Research Program, Professor F. W. Loomis, Head of the Department of Physics, Dean M. L. Enger, Dean of the College of Engineering, and the Comptroller recommend that a contract be executed with the Allis-Chalmers Manufacturing Company to provide engineering assistance under the following terms: Services of supervisory erection engineers will be provided at the rate of \$75 a day and services of assistant erection engineers will be provided at the rate of \$28 a day. The University will have the option of terminating the contract at any time by written notice to the Company. It is also recommended that the Company be given authority to purchase necessary miscellaneous materials and tools, and to hire labor, during the assembling, with the provision that all purchases of material or equipment of \$25 or over shall be approved in advance by the University and that the total of such purchases shall not exceed \$25,000. All purchases of \$1,000 or more will be submitted to the Board for approval in accordance with the usual procedure.

I concur in the above recommendation and request authority for the Comptroller and the Secretary of the Board to execute a contract in accordance with these recommendations.

On motion of Mr. McKelvey, these recommendations were adopted.

REPORT OF AUDIT OF UNIVERSITY ACCOUNTS

(14) The Secretary of the Board reports that he has received from Arthur Young and Company, auditors, the report of their examination of the accounts of the University for the year ended June 30, 1947. Copies of the report have been sent to President Stoddard and all the members of the Board of Trustees. The report includes a certification of the balance sheet, a statement of current income and expenditures and current funds surplus, and summaries of transactions of all departments.

This report was received for record.

ADDITION TO CONTRACT FOR BUILDING LIGHTING IMPROVEMENTS

(15) The Director of the Physical Plant recommends an increase in the amount of \$2,500 in the contract with Graham, Anderson, Probst, and White for engineering services in designing lighting improvements. The present contract provides for such engineering service on the Architecture and the Physics Laboratory buildings (Minutes, October 30, 1947, page 922). The addition is for similar service on the Transportation Building.

The Comptroller concurs in this recommendation.

I recommend approval and authorization of the Comptroller and the Secretary of the Board to execute the addition to the contract.

On motion of Mr. McLaughlin, this addition was authorized and authority given as recommended.

ADDITION TO CONTRACT FOR ELECTRICAL WORK ON THE MECHANICAL ENGINEERING BUILDING

(16) The Director of the Physical Plant requests an addition of \$3,821.24 to the contract with the Square Deal Electric Company for electrical work on the Mechanical Engineering Building. The original contract was approved by the Board of Trustees on March 27, 1947 (Minutes, page 317). It has been found that the provision for corridor lighting as specified by the architects was below the present University standards. This addition covers revisions to bring lighting up to present standards.

Funds are available in the Special State Appropriation for this building.

The Comptroller recommends that the requested addition be made. I concur and request authorization of the Comptroller and the Secretary of the Board to execute this addition to the contract with the Square Deal Electric Company.

On motion of Mrs. Holt, this addition was approved and authority given as recommended.

PURCHASES

(17) There are submitted herewith (Appendix, page 968): A. Recommendations for purchases for approval by the Board, and B. Purchase authorized by the President of the University.

On motion of Mr. McLaughlin, the purchases recommended were authorized, and the action of the President of the University in authorizing an emergency purchase was approved and confirmed.

COMPTROLLER'S REPORT OF CONTRACTS

(18) The Comptroller's report of contracts executed, November 11 to December 10, 1947 (see Appendix, page 969).

This report was received for record.

SPECIAL APPROPRIATIONS OF ATHLETIC ASSOCIATION

(19) The Board of Directors of the Athletic Association request approval of the following special appropriations:

(1) *Olympic Fund Contribution.*—Colleges and universities in the United States have been called upon to make contributions to the United States Olympic fund, inasmuch as a large percentage of the Olympic contestants will come from American colleges and universities. The Board recommends a special appropriation of \$1,000 as the initial contribution to this fund.

(2) *Repair of Toilets in Memorial Stadium.*—During the war years, three of the toilets in Memorial Stadium were rendered inoperative because of failure in the lead sheathing used in these areas. Both labor and material are now available for the correction of these difficulties. Because of the prospect of large attendance for home games next year and the consequent need for adequate rest room facilities, a special appropriation from the reserve from plant maintenance in the amount of \$9,500 is requested.

Funds are available for these expenditures and I recommend approval.

On motion of Mrs. Holt, these appropriations were approved as recommended.

CONTRACT FOR DIES AND SERVICES FOR BETATRON PROJECT

(20) In the construction of the Betatron between 40,000 and 50,000 field magnet laminations are required. Steel required for this purpose has already been purchased. Specially constructed dies are necessary to complete the work.

The Director of Purchases and the Physics staff explored all possible sources for this work. Only one company could be located which would accept an order

for making the dies and processing the steel, the Verson Manufacturing Company, Dallas, Texas. This firm has made the following proposal:

1. Manufacture of two special dies in accordance with drawings prepared by Allis-Chalmers Manufacturing Company, \$10,200, payable in semi-monthly payments on certified statements of progress of work. Final payment upon satisfactory completion of dies.

2. Cutting and punching, with the above dies, field magnet laminations from Trancor 52 steel supplied by the University, at 50 cents a lamination, estimated total, \$25,000, payable as completed laminations are delivered.

3. Varnishing laminations as required by University, \$3.50 a labor hour, material at cost plus 10 per cent. Guaranteed maximum \$15,000 with right of University to examine cost records.

The Director of Purchases and persons in charge of the Betatron consider this arrangement satisfactory, and recommend the placing of an order with Verson Manufacturing Company, with the foregoing conditions. The Comptroller requests approval.

I concur in this recommendation.

On motion of Mr. McLaughlin, the placing of this order was authorized as recommended.

ADDITIONS TO CONTRACTS FOR MECHANICAL ENGINEERING BUILDING

(21) The Director of the Physical Plant and the Comptroller recommend that the following additions be made to the contracts indicated:

(1) An increase in the general contract with James McHugh Sons, Inc., in the amount of \$6,073. This increase will provide for the substitution of 3/16" asphalt tile in lieu of the 1/8" asphalt tile originally specified, and for the furnishing and installation of folding doors across Room 108. The change in the size of the tile is recommended in order to obtain a more satisfactory surface and reduce future maintenance and replacement costs, and the folding doors are requested in order to permit the subdivision of the room as needs arise. The original contract with James McHugh, Inc., was approved by the Board on March 27, 1947 (Minutes, page 317).

(2) An increase in the contract with the Square Deal Electric Company (original contract approved by the Board on March 27, 1947, Minutes, page 317) for electrical work in the amount of \$5,433.63, and an increase in the contract with Fugard, Burt & Wilkinson (original contract approved by the Board on November 23, 1945, Minutes, page 916) for architectural service in the amount of \$3,897.98. These increases provide for the costs of electrical changes and architectural services necessary due to the decision on the part of the Mechanical Engineering Department to change the foundry and forge shop to an internal combustion engine shop.

Funds are available for the above increases.

I concur and request authority for the Comptroller and the Secretary of the Board to execute the additions to these contracts.

On motion of Mrs. Holt, these additions were approved and authority was given as recommended.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 964).
2. Resignations (page 966).

The Board adjourned.

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

- ANDERSON, K. C., Assistant Professor, Architecture (Undergraduate Division in Chicago) ($\frac{1}{3}$), seven months beginning December 1, 1947, \$200 a month (12-20-47).
- BELLACK, A. A., Instructor, Education (University High School), five months beginning February 1, 1948, \$394 a month, supersedes (12-6-47).
- BERRY, I. M., Research Fellow, Clinical Science (Medicine), eleven months beginning October 1, 1947, without salary; in addition to his appointment as Scholar in the Graduate College; supersedes his appointment as Research Fellow in Clinical Science, with salary (12-17-47).
- BESSEY, O. A., Professor, Biological Chemistry, Head of the Department (Medicine), six months beginning March 1, 1948, \$10,000 a year, supersedes (12-20-47).
- BOGESS, W. R., Associate Professor, Forest Research (Forestry and Administration) (S), ten months beginning November 1, 1947, \$5000 a year, supersedes (12-6-47).
- CHALMERS, W. E., Research Associate Professor, Labor and Industrial Relations (Institute of Labor and Industrial Relations) (full time), two months beginning December 1, 1947; Associate Professor, Economics (Commerce) ($\frac{1}{2}$), (Institute of Labor and Industrial Relations) ($\frac{1}{2}$), February 1, 1948-August 31, 1949, \$6800 a year (12-4-47).
- CHAPMAN, R. A., Special Fellow, Plant Pathology, four months beginning February 1, 1948, \$450 (12-8-47).
- CIPOLLA, A. F., Assistant, Anatomy (Medicine), ten months beginning November 1, 1947, without salary (12-23-47).
- COLLIER, R. M., Associate Professor, Psychology ($\frac{5}{6}$), December 1, 1947-August 31, 1948, \$4167 a year, supersedes (12-13-47).
- CORDIS, W. R., Assistant, Supervision of High School Instruction (Education), academic year 1947-1948, \$100 (12-12-47).
- DRAWVER, PAULINE, Assistant, English, five months beginning February 1, 1948, \$1200, supersedes (12-13-47).
- FAIRBANKS, GRANT, Professor, Speech, indefinite tenure beginning February 1, 1948, \$8000 a year, payable in seven monthly installments of \$571.43 each, from February 1, 1948, through August 31, 1948, and thereafter at a regular monthly rate of \$666.67 (12-17-47).
- FLYNN, J. R., Third Year Resident, Radiology (Research and Educational Hospitals), seven months beginning December 1, 1947, \$96.66 a month, also to be provided full maintenance valued at \$384 a year, supersedes (12-3-47).
- GILMAN, S. F., Special Research Assistant, Mechanical Engineering (S), nine months beginning December 1, 1947, \$300 a month, supersedes (12-20-47).
- HANDLER, J. S., Research Assistant, Psychiatry (Medicine) (assigned to the University of Chicago), eight months beginning January 1, 1948, \$200 a month (12-30-47).
- HANSON, MARTIN, Research Fellow, Clinical Science (Medicine), eleven months beginning October 1, 1947, \$150 a month, supersedes (12-6-47).
- HARRIS, ZIGMORE, Assistant Professor, Anesthesia (Surgery) (Medicine), eight months beginning January 1, 1948, \$6160 a year, supersedes (12-6-47).
- HIRSCH, HERBERT, Scholar, Bacteriology, four months beginning February 1, 1948, \$250 (12-10-47).
- HOOD, MRS. ELLEN G., Instructor, Physical Sciences (Undergraduate Division in Chicago) ($\frac{2}{3}$), three months beginning November 1, 1947, \$200 a month, supersedes (12-3-47).
- KERR, D. W., Research Assistant Professor, Applied Materia Medica and Therapeutics (Dentistry), October 10, 1947-August 31, 1948, \$5000 a year (12-2-47).
- KLAUBER, W. A., JR., Clinical Assistant, Radiology (Medicine), eight months beginning January 1, 1948, without salary (11-26-47).
- KRASNO, L. R., Assistant Professor, Clinical Science (Medicine), nine months beginning December 1, 1947, without salary (12-3-47).

- KUBITSCHER, H. E., Fellow, Physics, four months beginning February 1, 1948, \$375, supersedes (12-31-47).
- LEARNER, AARON, Clinical Instructor, Pathology (Medicine), nine months beginning December 1, 1947, without salary (12-9-47).
- LOVE, RUTH H., Research Assistant, Biological Chemistry (Medicine), five months beginning April 1, 1948, \$2800 a year (12-29-47).
- LUECKING, EVELYN M., Assistant, Education, five months beginning February 1, 1948, \$240 a month (12-23-47).
- MACFATE, R. P., Assistant Director, Hospital Laboratory (Research and Educational Hospitals) (7/10), Assistant Professor, Pathology (Clinical Pathology) (Medicine) (2/10), one year beginning September 1, 1947, \$5584, supersedes (12-6-47).
- MANSFIELD, M. E., Assistant Professor, Veterinary Extension (Veterinary Pathology and Hygiene) (Veterinary Medicine and Extension Service in Agriculture and Home Economics), January 15, 1948-August 31, 1949, \$5000 a year (12-9-47).
- MCALLASTER, ELVA A., Special Fellow, English, four months beginning February 1, 1948, \$450 (12-18-47).
- MILLETT, J. H., Fellow, Political Science, four months beginning February 1, 1948, \$450 (12-17-47).
- MORGAN, W. R., Special Research Professor, Ceramic Engineering (S), ten months beginning September 16, 1947, \$600 a month, supersedes (12-9-47).
- MOWERY, GEORGE, Electroencephalographer, Psychiatry (Medicine), ten months beginning November 1, 1947, \$3500 a year, supersedes (12-6-47).
- NELSON, R. H., Research Assistant, Psychiatry (Medicine), November 15, 1947-August 31, 1948, \$3000 a year (12-6-47).
- NIXON, R. B., Visiting Professor, Journalism (School of Journalism and Institute of Communications Research), one year beginning September 1, 1948, \$7500 (12-12-47).
- OGNESS, A. M., Assistant Professor, Aeronautical Engineering (C), six months beginning February 1, 1948, and one year beginning September 1, 1948, \$4100 a year (12-9-47).
- PAULSON, KATHERINE E., Assistant, Dairy Manufactures Research (Food Technology) (C), eight months beginning January 1, 1948, \$225 a month (12-3-47).
- PENNINGTON, L. A., Associate Professor, Psychology ($\frac{5}{6}$), nine months beginning December 1, 1947, \$402.75 a month, supersedes (12-13-47).
- PETTINGA, P. S., Counselor, Student Personnel Bureau, November 15, 1947-August 31, 1948, \$50 a month, in addition to his appointment as Assistant Professor of Music (12-23-47).
- PFEIFER, R. P., Fellow, Agronomy, four months beginning February 1, 1948, \$450 (12-10-47).
- PIRANI, C. L., Clinical Instructor, Pathology (Medicine), one year beginning September 1, 1947, without salary, supersedes (12-3-47).
- PLATZ, M. B., Assistant, Supervision of High School Instruction (Education), academic year 1947-1948, \$200 (12-12-47).
- PREWITT, LENA, Assistant, Supervision of High School Instruction (Education), academic year 1947-1948, \$200 (12-22-47).
- RANZ, JAMES, Map Librarian, rank of Instructor (Library), seven months beginning February 1, 1948, \$250 a month (12-13-47).
- RHYMER, ESTHER I., Special Fellow, Bacteriology, seven months beginning December 1, 1947, \$2100 (12-10-47).
- ROBERTSON, CHARLOTTE, Research Fellow, Clinical Science (Medicine), eleven months beginning October 1, 1947, \$100 a month, supersedes (12-20-47).
- RODRIGUEZ, A. A., Instructor, Physical Medicine (Medicine), one year beginning September 1, 1947, \$3000 (12-17-47).
- RUSSELL, MARIAN E., Director, Social Service (Research and Educational Hospitals), nine months beginning December 1, 1947, \$500 a month (12-10-47).
- SACKHEIM, ALICE R., Instructor, Physical Sciences (Undergraduate Division in Chicago) ($\frac{2}{3}$), three months beginning November 1, 1947, \$200 a month (12-3-47).
- SANFORD, C. W., Coordinator of Teacher Education, Associate Professor, Education, at the University of Illinois ($\frac{1}{2}$), Office of the State Superintendent of

- Public Instruction ($\frac{1}{2}$), one year beginning September 1, 1947, \$8000, supersedes (12-16-47).
- SHEALY, Y. F., Fellow, Chemistry, four months beginning February 1, 1948, \$450 (12-29-47).
- SINGLETON, J. W., First Year Resident, Pediatrics (Research and Educational Hospitals), six months beginning December 1, 1947, \$55 a month, Clinical Assistant, Pediatrics (Medicine), six months beginning December 1, 1947, without salary (12-30-47).
- SMITH, MRS. JEAN F., Assistant, Home Economics (S), nine months beginning December 1, 1947, \$200 a month (12-23-47).
- SOLOMON, J. D., Research Fellow, Biological Chemistry (Medicine), eight months beginning January 1, 1948, \$200 a month (12-30-47).
- SONNENSCHEN, R. R., Research Fellow, Clinical Science (Medicine), eleven months beginning October 1, 1947, without salary; in addition to his appointment as Scholar in the Graduate College; supersedes his appointment as Research Fellow in Clinical Science, with salary (12-17-47).
- STEWART, W. N., Counselor, Student Personnel Bureau, December 15, 1947-June 30, 1948, \$60 a month, in addition to his appointment in Botany (12-17-47).
- TERRY, ELLEN, Assistant, Supervision of High School Instruction (Education), academic year 1947-1948, \$200 (12-12-47).
- TOOLEY, F. V., Professor, Glass Technology (Ceramic Engineering) (C), indefinite tenure beginning September 1, 1947, \$6500 a year, supersedes (12-3-47).
- TREZISE, F. W., Associate Professor, Engineering Sciences, Chairman, Engineering Sciences Division (Undergraduate Division in Galesburg), seven months beginning February 1, 1948, \$5500 a year, supersedes (12-27-47).
- UTLEY, JEAN L., Assistant Professor, Audiology (Otolaryngology) (Medicine), eleven months beginning October 1, 1947, \$5000 a year (12-4-47).
- VERMEULEN, C. W., Associate Professor, Surgery (Medicine) ($\frac{1}{2}$), eight months beginning January 1, 1948, \$350 a month, supersedes (12-26-47).
- WALKER, PAUL, Assistant, Supervision of High School Instruction (Education), academic year 1947-1948, \$200 (12-12-47).
- WIEN, N. A., Clinical Instructor, Medicine (Medicine), one year beginning September 1, 1947, without salary, supersedes (12-9-47).

RESIGNATIONS

- ALDRICH, MRS. ELIZABETH R., Clinical Counselor, Student Personnel Bureau—resignation effective 1-10-48.
- GRANT, MARY J., Registered Pharmacist, Hospital Pharmacy (Medicine)—resignation effective 12-1-47.
- HARRIS, ZIGMORE, Third Year Resident, Anesthesia (Research and Educational Hospitals)—resignation effective 1-1-48.
- HATTENHAUER, M. B., Assistant Professor, Prosthetic Dentistry (Full and Removable Partial Dentures) (Dentistry)—resignation effective 12-17-47.
- HOTTES, FLORA E., Architecture Library Assistant—resignation effective 2-1-48.
- MATHIEU, J. B., Research Assistant, Chemistry—resignation effective 2-15-48.
- MEYER, R. K., Scholar, Chemistry—resignation effective 10-1-47.
- MUNSEY, F. A., First Year Resident, Pediatrics (Research and Educational Hospitals)—resignation effective 12-1-47.
- STEINBACHER, F. R., Associate Professor, Aeronautical Engineering (C)—resignation effective 3-1-48.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

February 21, 1948

The February meeting of the Board of Trustees of the University of Illinois was held at 10 a.m. on Saturday, February 21, 1948, at the Blackstone Hotel, in Chicago, according to the following schedule:

10 a.m. — Executive session, as in committee of the whole.

2 p.m. — Open session.

When the Board convened, the following members were present: Mr. Davis, Mr. Fornof, Mrs. Holt, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson. During the early part of the session, before the arrival of President Livingston, Dr. Meyer acted as Chairman.

President Stoddard was present; also Mr. A. J. Janata, Assistant to the President, Professor C. R. Griffith, Provost, Mr. H. E. Cunningham, Secretary, Professor Lloyd Morey, Comptroller, Professor W. E. Britton, Legal Counsel, and during the open session, Mr. J. F. Wright, Director of Public Information.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of January 8, 1948.

On motion of Mr. Fornof, the minutes were approved as printed on pages 947 to 970 above.

ACTIONS OF THE EXECUTIVE COMMITTEE, JANUARY 21, 1948

The Secretary reported for record that the Executive Committee, on January 21, 1948, had taken action on recommendations of the President of the University as follows:

AWARD OF CONTRACT FOR RELOCATION OF HOUSE AT 607 EAST SPRINGFIELD AVENUE, CHAMPAIGN

(1) On November 25, 1947, the University opened bids for the moving of the house at 607 East Springfield Avenue, Champaign, but only one bid was received. This bid was submitted by Mr. V. Rhodes of Gibson City, in the amount of \$9,875. Since the Board on September 26, 1947 (Minutes, page 827), appropriated \$8,000 for this project, the bid was rejected. This project has been discussed with Mr. Rhodes and the scope of the project reduced by the elimination of certain interior lighting improvements, exterior walk replacements, and the use of the present heating system instead of extending the University's steam service to the building. All of the items eliminated are highly desirable but not absolutely necessary, although we may in the future connect this house with the existing utilities service if its use is continued over a period of time. The contractor is willing to undertake the revised project for \$7,875.

In view of the urgency to move the house from the site prior to starting construction for the State Water Survey Building, and also to provide temporary office space for the Electrical Engineering staff, the Director of the Physical Plant and the Comptroller recommend the acceptance of this proposal in the amount of \$7,875.

I concur in this recommendation.

On motion of General Davis, the Comptroller and the Secretary of the Board were authorized to execute this contract.

PURCHASES RECOMMENDED BY THE PRESIDENT

(2) The following purchases, amounting to \$1,000 or more, are proposed by the Director of Purchases and the Comptroller, and are recommended by the President for approval. The purchase in each case is recommended on the basis of lowest bid.

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
Construction of fluid mixing laboratory at Airport	Engineering Experiment Station, Chemical Engineering Research	F. R. Inskip Company, Champaign	\$4 767 50
17 gross assorted sizes of Luer hypo syringes for delivery April, 1948	Chicago General Stores	Debs Hospital Supply Co., Chicago	2 783 40
One 100-h.p. Deluxe Tudor Ford	Office of Non-Academic Personnel, Chicago	Rangecroft-Flotow Motors, Inc., Chicago	1 389 00
One No. 316 ball bearing direct motor driven 16" hand planer and jointer, direct drive 5-h.p. 3-phase 22-volt motor, one set of high speed steel knives, front	Chicago Undergraduate Division, Physical Plant	J. A. Fay and Egan Co., Cincinnati, O.	1 300 50 f.o.b. Cincinnati

On motion of Dr. Meyer, these purchases were authorized as recommended.

PARK LIVINGSTON, *Chairman*
CHESTER R. DAVIS
KARL A. MEYER

PURCHASE OF RESIDENCE PROPERTY FOR STAFF HOUSING

(1) The Board of Trustees has authorized the purchase of a number of residence properties in Urbana and Champaign for rental to administrative officers (Minutes, May 27 and June 23, 1947, pages 362, 388). Five houses have been purchased and the Executive Committee was authorized by the Board to purchase an additional house.

I recommend the purchase of the property at 302 West Vermont Street, Urbana (William Habberton, owner), at a price of \$18,000. This price was determined on the basis of negotiations with the owner and an appraisal made by the Champaign County Real Estate Board. An additional assignment of \$1,300 is recommended for needed improvements (\$1,200) and cost of acquisition (\$100). Funds have already been appropriated for this purchase.

In order to secure personnel for important major positions and to hold present staff members in such positions, it will be necessary for the University to acquire additional residence properties of this type. This is as crucial in some cases as having funds to pay salaries to attract and to hold men of first rank. I therefore recommend that the Board of Trustees authorize the purchase of six additional residence properties, and that an appropriation of \$100,000, or so much thereof as may be necessary, be made for this purpose.

On motion of Mr. Davis, these purchases were authorized, and the appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. Livingston, Mr. McLaughlin, Mr. Nickell.

PURCHASE OF PROPERTY ON WEST ILLINOIS STREET, URBANA

(2) The property at 1205-1207 West Illinois Street, Urbana, is offered to the University for immediate purchase at a price of \$5,950. It is located in the block immediately east of the campus and across from the Men's University Club and other properties owned by the University on the opposite side of the street in the same block.

The property consists of a frontage of 93.5 feet on Illinois Street and a depth of 130 feet. The Physical Plant Department proposes to make immediate use of it for an additional parking area urgently needed in this location. The price is reasonable as compared to amounts paid for other properties. This purchase has been recommended by the Building Program Committee. The additional sum of \$6,000 is required to prepare it for parking purposes.

I concur in this recommendation and request authorization for the purchase and an appropriation of \$12,000 to conclude the purchase and make the necessary improvements for parking.

On motion of Mr. Davis, this purchase was authorized (subject to an independent appraisal) and the appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. Livingston, Mr. McLaughlin, Mr. Nickell.

COLLUSION IN BIDS ON UNIVERSITY CONSTRUCTION WORK

(3) The Comptroller, Legal Counsel, and Director of the Physical Plant Department have submitted to the President of the University a report of investigations they have made following up information they received from reliable sources which indicated irregularities in bids on certain University construction projects. The conclusions drawn by these officers from the information obtained indicates the possibility of collusive bidding.

The Legal Counsel was directed to present all the information and evidence secured by University officers to the Attorney General of Illinois.

This report was received for record.

ADMISSION OF STUDENTS FROM THE CANAL ZONE

(4) Superintendent Vernon L. Nickell has received a letter from the Executive Secretary of The Panama Canal requesting that the University of Illinois admit students from the Canal Zone on the same basis as it admits residents of Illinois but charge the out-of-state tuition fee.

The policy of the University of Illinois governing the admission of new students permits the admission of non-residents of Illinois who rank in the upper twenty-five per cent of their high school graduating classes, or in the case of transfer students those who have an average of 4.0 in previous college work in terms of the grading system of the University.

Under this plan applicants from the Canal Zone have the same opportunity for admission to the University of Illinois as students from any state in the Union or from foreign countries. The proposal from the Executive Secretary that applicants from the Canal Zone be admitted on the same basis as residents of Illinois would put them in a preferred class and give them priority over students from other states and territories of the United States. Since Mr. Nickell is unable to be present today, he has asked that this matter be brought to the attention of the Board for appropriate consideration.

I do not recommend giving preferential consideration or priority for admission to the University to non-residents of Illinois of any one state or territory.

On motion of Mr. Davis, the Board concurred in the opinion of the President of the University.

ILLINI SCHOLARSHIPS, INC.

(5) Illini Scholarships, Inc., a non-profit educational aid corporation, organized by a group of University of Illinois alumni in Chicago, has established a fund to provide undergraduate scholarships at the University for young men and women from the Chicago area. The Scholarship Plan, including the procedure and conditions governing the awards, is as follows:

1. Illini Scholarships, Inc., Chicago, Illinois, has established a fund to provide undergraduate scholarships at the University of Illinois for young men and women from the Chicago area, to be awarded in the manner and under the conditions stated below. The Chicago area is defined as the territory within a fifty-mile radius of Chicago. Each scholarship shall be awarded for a period of eight semesters and shall have a value of \$125 a semester. Illini Scholarships, Inc., agrees to keep on deposit with the Comptroller of the University at all times sufficient funds to cover all scholarships awarded. The Bursar of the University will pay the holders of these scholarships \$125 a semester on completion of each semester's registration in the University. Scholarship holders will be certified to the Bursar by the Director of Admissions and Records.

2. These scholarships will be awarded to young men and women in the Chicago area. To be eligible for a scholarship the candidate (a) must meet in full the requirements for admission to the University of Illinois, (b) must have a superior record in scholarship and in some form of student activity in high school or preparatory school, and (c) must show need of financial aid in order to attend the University.

3. Whenever a holder of a scholarship leaves the University before completing four academic years of work, his scholarship is forfeited, unless the University Committee rules otherwise. Furthermore, if the holder of the scholarship fails to maintain a satisfactory scholastic record in the University, the University Committee on Undergraduate Scholarships may refuse to renew the scholarship for the next academic year. All withdrawals of scholarship holders from the University and any cancellations of scholarships because of poor records in the University will be promptly communicated to the Scholarship Committee of Illini Scholarships, Inc. Any scholarship money unused because of withdrawal from the University or scholarship deficiency will revert to the fund on deposit with the Comptroller.

4. The Scholarship Committee of Illini Scholarships, Inc., agrees to recommend to the University not fewer than three candidates for each scholarship to be awarded. The final selection is to be made by the University Committee on Undergraduate Scholarships. If at any time no candidate recommended by Illini Scholarships, Inc., is acceptable to the University Committee on Undergraduate Scholarships, the University Committee may recommend to the Scholarship Committee of Illini Scholarships, Inc., a candidate or candidates from the University Committee's list of scholarship applicants, and on mutual agreement of the two committees the scholarship may be awarded to the most ac-

ceptable candidate. In every case the award shall be made to a young man or young woman who is acceptable both to the Scholarship Committee of Illini Scholarships, Inc., and to the University Committee on Undergraduate Scholarships.

5. All parties agree that once a scholarship has been awarded it will be maintained without interruption as long as the recipient is a student in residence at the University and is maintaining a satisfactory scholastic record.

6. The recipient of the scholarship shall receive in writing from the University Committee on Undergraduate Scholarships a statement of the terms and conditions of the scholarship as outlined in this Scholarship Plan.

The Plan has been approved by all University officials concerned. I recommend that the offer of these scholarships be accepted and that the Bursar of the University be authorized to receive and disburse the funds given to the University by Illini Scholarships, Inc., for this purpose.

The number of these scholarships will vary from year to year so that the exact amount of funds to be turned over to the University can not be specified in advance. Two of these scholarships were awarded, in accordance with the Plan, by Illini Scholarships, Inc., before the beginning of the academic year 1947-1948 and the organization paid the first semester installments directly to the scholarship holders. The University has received \$1,750 to cover the payments due on these scholarships for the remaining seven semesters.

I recommend approval of this plan and acceptance of the funds for these scholarships.

On motion of Mr. Williamson, this plan was approved and the acceptance of funds was authorized as recommended.

NORVAL H. PIERCE TRUST

(6) On March 5, 1929, Dr. Norval H. Pierce, who was for many years Professor of Surgery and of Otolaryngology in the University of Illinois College of Medicine, and a distinguished member of the medical profession, set up a trust, naming the Northern Trust Company of Chicago as Trustee, for the benefit of Mrs. Drusilla W. Pierce, his former wife. The primary purpose of the trust is to provide a life income for Mrs. Pierce. The trust provides that in the event Mrs. Pierce predeceased Doctor Pierce the principal of the trust would be deliverable to him, and he also reserved the power to dispose of the principal of the trust estate by will or by deed. In default of such disposal, the trust instrument provides for a distribution of the trust estate, following the death of Mrs. Pierce, of four-ninths to the University of Illinois, three-ninths to St. Luke's Hospital in Chicago, one-ninth to the American Otological Society, Incorporated, and one-ninth to the Chicago League for the Hard of Hearing, Incorporated. The provision naming the University of Illinois as a beneficiary is as follows:

"(1) Four-ninths (4/9) thereof to University of Illinois, for the use of its College of Medicine, for research, in such branches of Medicine and generally in such manner as the settlor may in his lifetime, at any time and from time to time, designate in writing, and in default of such designation, for such research as the trustees or other proper officers of the University of Illinois may in their discretion deem best."

No such designation was made by Doctor Pierce. On June 20, 1931, he executed his will which named Johns Hopkins University as residuary legatee.

Doctor Pierce died in October, 1946. Mrs. Pierce is still living, in Chicago.

Counsel for Johns Hopkins University has contended that the residuary clause in the will constitutes an exercise of Doctor Pierce's power of disposal of the principal of the trust estate, and that therefore the University of Illinois and the other beneficiaries designated in the trust have no rights therein. The controversy involves such questions of law and fact as this contention of counsel for Johns Hopkins University, and whether Doctor Pierce was domiciled in the State of Illinois at the time he executed the trust agreement and consequently whether the law of California or the law of Illinois shall apply. California has a statute which declares that a general residuary clause not referring to such a power of disposal, nor to the property covered thereby, will constitute exercise

of power. The law of Illinois is the reverse, namely, that a general residuary clause does not of itself constitute an exercise of the power of disposal.

The University's Legal Counsel has participated in numerous conferences with counsel for the other parties at interest in the trust and under the will. In the early conferences, representatives of Johns Hopkins University took the position that their client was entitled to the entire trust estate. Counsel for the other parties took the contrary position. Litigation would be necessary to resolve the issues. In later conferences various degrees of compromise were considered. Representatives of the beneficiaries under the trust have asked representatives of Johns Hopkins University if the latter would be interested in a settlement whereby \$25,000 of the trust estate would be given to Johns Hopkins University in consideration of a commitment not to litigate the issues in the courts of California and Illinois. Counsel for Johns Hopkins University has indicated that if such offer were made it would be accepted.

Legal Counsel recommends that the University of Illinois join with the other four beneficiaries under the trust in making this offer. The present appraised value of the trust estate is \$210,000.

On motion of Mr. Davis, this offer was approved, and the officers of the Board were authorized to execute the necessary contract.

APPLICATION OF CITY ORDINANCES TO THE UNIVERSITY OF ILLINOIS

(7) On December 3, 1947, the City of Chicago instituted proceedings against the University of Illinois in the Municipal Court of Chicago, No. 237079. This case involves the question whether or not the City of Chicago may legally assess a license fee, fixed by City Ordinance, for the maintenance of a storage tank for fuel oil at the Chicago Undergraduate Division on Navy Pier. In other words, it raises the issue of the right of a municipality to license a State agency.

Conferences with city officials thus far have failed to resolve the issue, but other conferences are contemplated. The case is set for trial for March 11, 1948.

In the opinion of the Legal Counsel, the University of Illinois should not yield to local municipal licensing ordinances and he recommends that if the case can not be resolved in any other way the issue be litigated.

On motion of Mr. Davis, the Legal Counsel was instructed to try to secure an adjustment of this matter, and if this failed, to resort to litigation.

EMPLOYMENT OF SPECIAL COUNSEL IN ANTI-VIVISECTION LITIGATION

(8) The medical schools and other institutions in Chicago have had difficulty in securing animals, particularly dogs, for teaching and research because of the activities of anti-vivisection societies. To protect the interests of the educational institutions a local organization, the Chicago Scientific Association, and a national organization, the National Society for Medical Research, were formed. All of the medical schools in Chicago, the University of Illinois included, are members of this group.

Last summer, in the case of *Harz v. City of Chicago, et al.*, Superior Court of Cook County No. 47S8943, an injunction was sought to prevent the city pound from providing dogs for teaching and research. The University of Chicago and Northwestern University were named in this action, but the Chicago Scientific Association and its member schools and agencies entered the case, having been granted leave by the Court to intervene as parties defendant. The law firm of Tenney, Sherman, Rogers, and Guthrie was retained to represent the Association and other intervenors.

On the argument in the Superior Court, the suit was dismissed. The fee charged the intervenors was \$300, of which the share of the University of Illinois was \$142.56. The University of Chicago, represented by the same firm, was charged a fee of \$900.

The case is now on appeal in the Appellate Court, First District, No. 44349. Legal Counsel recommends that the firm of Tenney, Sherman, Rogers, and Guthrie be retained to represent the University of Illinois as one of the in-

tervenors in the Appellate Court and until this litigation has been concluded. I concur and recommend further that the Board authorize the payment of the fee of \$142.56 for legal services in the trial court.

On motion of Mr. Williamson, the retainer of counsel and the payment of this fee were authorized.

C. P. A. LITIGATION

(9) Legal proceedings have been instituted in the case of *Chatkin and Tondrow v. The University of Illinois and Frank G. Thompson, Director of the State Department of Registration and Education*, in the Circuit Court of Cook County, No. 48C327, attacking the constitutionality of the Illinois Accountancy Act of 1943. Messrs. Chatkin and Tondrow failed in the examinations for the C.P.A. certificate required by this law. A similar suit was started in 1945 but was subsequently dismissed on motion of the plaintiffs, without trial, after they had passed the examinations.

The Legal Counsel is defending the present suit. In his opinion it is almost certain to go to trial and probably will go to the Supreme Court.

This report was received for record.

GREAT LAKES AREA CASE

(10) The University of Illinois was an intervenor in a petition filed with the Civil Aeronautics Board for authorization of commercial air transportation service from the University of Illinois Airport to various points. A decision was handed down on September 3, 1947, giving Parks Air Transport, Incorporated, a conditional and temporary certificate to operate between St. Louis and Indianapolis via the University of Illinois Airport, and from Indianapolis to Moline, Bloomington, and Galesburg via the University of Illinois Airport. Application for certificate authorizing service between Chicago and St. Louis via the University of Illinois Airport was denied. On a petition for reconsideration, in which the University of Illinois joined, the Civil Aeronautics Board has given Parks Air Transport, Incorporated, authority to operate air transportation service between St. Louis and Chicago via the University of Illinois Airport and that the flights between Champaign-Urbana and Chicago shall be non-stop.

This report was received for record.

At this point, President Livingston took his place with the Board.

APPLICATION FOR ADDITIONAL PUBLIC TRANSPORTATION TO THE NAVY PIER

(11) An application was filed with the Illinois Commerce Commission to order the Chicago Surface Lines and Chicago Motor Coach Company to provide additional service to the Navy Pier. This case was later transferred to the Chicago Transit Authority, but retained by the Commission as far as the Chicago Motor Coach Company is concerned. Such additional service was promptly established by order of the Commission following an agreement with the Chicago Surface Lines. Several hearings have been held. The Dean of the Chicago Undergraduate Division reports that service has been substantially increased and is as good as can be expected.

This report was received for record.

APPLICATION FOR ADDITIONAL MOTOR COACH SERVICE FOR CHAMPAIGN-URBANA

(12) A temporary order was issued by the Illinois Commerce Commission on December 10, 1946, establishing the "Stadium Route" to provide bus service for the students and staff living in the area of the Stadium. A year later a third interlocutory order was continued to July 1, 1948. The next hearing is set for June 15, 1948.

This report was received for record.

EVICITION CASES

(13) The Legal Counsel reports that twenty eviction suits were filed against fifty-four (54) adults and thirty-three (33) children during November and

December, 1947, who are occupants of nine three-flat buildings acquired by the University in Chicago during the years 1943-1946 and located at 825, 827, 829, 831, 837, 839, 907, 917, and 919 South Wood Street and a stone building located at 1923 West Polk Street. Judgments of eviction have been obtained in these cases. Writs of Restitution have been stayed until April 21, 1948. In a few cases by stipulation a Writ of Restitution will be available prior to April 21, 1948.

By action of the Board of Trustees on October 30, 1947, Mr. Joseph Lowitz of Chicago was retained for the purpose of having charge of this litigation.

This report was received for record.

SALARY ADJUSTMENTS IN THE ATHLETIC ASSOCIATION

(14) The Board of Directors of the Athletic Association requests approval of the following salary adjustments approved at their meeting on December 29, 1947. These adjustments are to be effective March 1, 1948, for the year 1948-1949. Unless otherwise indicated, salaries are paid in part by the University. In all cases the total increases in salary will come entirely from Athletic Association funds.

	<i>Present salary</i>	<i>Proposed increase</i>	<i>Proposed salary</i>

A. B. Klingel, Assistant Swimming Coach, Instructor in Physical Education for Men	4 030	...	4 030

On motion of Mr. Davis, these adjustments were authorized.

¹ Paid in part by the University. Total amount of the increase to come from Athletic Association funds.

APPROPRIATION FOR MEDICAL BETATRON

(15) The Committee on Special Appropriations and Nonrecurring Expenditures has recommended an appropriation of \$110,000, or so much thereof as may be necessary, from the General Reserve Fund for the purchase of a medical betatron in the Chicago Professional Colleges. This betatron will be used for research in the medical sciences.

Applications for grants of funds for this purpose have been made to the United States Department of Public Health and to the Atomic Energy Commission but with no favorable results. Attempts have been made to secure a part of the funds from the Damon Runyon Memorial Fund. If any grants of funds for this purpose are forthcoming, the amount to be expended on this project from University funds would be reduced accordingly.

It is desirable to have assurance of funds for this project so that an order can be placed for a betatron immediately. The Allis-Chalmers Company has five betatrons in production scheduled for completion in the summer of 1948. One of these can be secured by the University of Illinois if the order is placed immediately. Otherwise there will be an indeterminate delay in securing this equipment.

On motion of Dr. Meyer, this purchase was authorized, and the funds were made available, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

CASE OF WALTER R. REEVE

At this point, President Livingston presented a letter from Mr. H. F. Simonson, attorney, in the case of Mr. Walter R. Reeve, Aircraft Maintenance Employee, provisionally employed at the Airport, who had been notified on January 31, 1948, at the end of his probationary period, that his services would not be required after that date.

The Legal Counsel commented on this matter and read from the file of correspondence pertaining to it. After discussion, the Legal Counsel was requested to draft a resolution reciting the circumstances and referring the matter to the Director of Nonacademic Personnel (see page 1003).

EXPENSE OF OPERATING PRESIDENT'S HOUSE

At this point, Dr. Meyer, for the special committee to consider an adjustment of the expense of operating the President's House, reported as follows:

The special committee on expenses of operating the President's House recommends an appropriation of \$5,000 a year additional to the Physical Plant Department for services and expenses at the President's House. This appropriation is to cover all necessary services at the House in addition to those covered by present appropriations, and all other expenses of official entertainment at the House and necessary house supplies for this purpose.

On motion of Dr. Meyer, this report was adopted and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

OPEN SESSION

The Board, in open session, considered the following matters presented by the President of the University.

**SERVICES OF PRESIDENT STODDARD TO COMMISSION ON
ORGANIZATION OF THE EXECUTIVE BRANCH
OF THE GOVERNMENT**

(1) The President of the University has been requested by Mr. Herbert Hoover, Chairman of the Commission on Organization of the Executive Branch of the Government, recently created by an Act of Congress, to serve on the Commission's Policy Committee.

This is being reported to the Board of Trustees as a matter of record.

This report was received for record.

LEAVE OF ABSENCE FOR PROFESSOR WARREN H. COLE

(2) The Provost, acting for the President, has approved a recommendation from the Dean of the College of Medicine that Dr. Warren H. Cole, Professor and Head of the Department of Surgery, be granted a leave of absence on full pay for approximately ninety days beginning February 7, 1948. This leave is for service as Senior Scientific Attaché under the auspices of the United States Department of State on a commission to Great Britain to establish working relations with scientific bodies in Great Britain for the exchange of essential scientific information, and to provide for media for the permanent exchange of information. Professor Cole's University work will be taken over by his colleagues without additional expense to the University.

Confirmation of this action is requested.

On motion of Mr. Williamson, the action of the Provost in granting this leave was approved and confirmed.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(3) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under Section 5 of the Accountancy Act of 1943 and who have presented evidence to the Committee that they hold unrevoked C.P.A. certificates issued by other states on the basis of having passed a written examination, and that they satisfy the other conditions set forth in Section 5 under the Act:

EDGAR FRESEN BOEKER (Mo.)	HENRY ECKFORD GREENE (N.Y.)
ALBERT CHASE CHRISTIAN (Tex.)	JAY EDWIN LENLEY (N.Y.)
ALFRED L. COWAN (N.Y.)	CHRIS NICHOLAS RETSON (Wis.)
IRVING FRIEDMAN (N.Y.)	JOSEPH LEONARD SHIELDS (Ohio)
ARNOLD JOHN HOFFMANN (Mo.)	

I concur.

On motion of Mrs. Holt, the award of these certificates was authorized as recommended.

**CURRICULUM PREPARATORY TO TEACHING DEAF AND
HARD OF HEARING CHILDREN**

(4) The University Senate recommends authorization of the following curriculum (see Appendix, page 1027) preparatory to teaching deaf and hard of hearing children leading to the degrees of Bachelor of Science and Master of Science in the Education of the Deaf. I concur.

On motion of Mr. Williamson, this curriculum was approved as recommended.

**CURRICULUM PREPARATORY TO TEACHING MENTALLY
HANDICAPPED CHILDREN**

(5) The University Senate recommends authorization of the following curriculum (see Appendix, page 1029) preparatory to teaching mentally handicapped children leading to the degrees of Bachelor of Science and Master of Science in the Education of Mentally Handicapped Children. I concur.

On motion of Mr. Fornof, this curriculum was approved as recommended.

**GRADUATION REQUIREMENTS FOR SENIORS CALLED INTO THE
SERVICE OF THE ARMED FORCES**

(6) On June 19, 1943 (Minutes, page 388), the Board of Trustees authorized special provisions, recommended by the University Senate, for the granting of credit and permitting the graduation of seniors in good standing who withdrew for military service before the completion of their University work.

This was a war-time measure and is still in operation, but the emergency under which these provisions were adopted no longer exists. The University Senate recommends that they be rescinded as of February 1, 1948.

I concur.

On motion of Mr. Williamson, these provisions were rescinded as recommended.

**POLICY AND PROCEDURE GOVERNING ADMISSION TO RESEARCH
AND EDUCATIONAL HOSPITALS IN CHICAGO**

(7) On May 27, 1947, the Board adopted the following general policy with respect to charges for services in the Research and Educational Hospitals:

"That patients admitted to the Research and Educational Hospitals may be required to pay an established per diem cost of hospital care and other services, excepting doctors' services, or such proportions thereof as may be properly charged according to a liberal interpretation of their ability to pay, such ability to include coverage of hospital prepayment insurance, similar plans, or other resources; provided, however, that no restriction be placed on the admission of patients without charge when such admission is otherwise indicated."

In line with that general statement studies have been carried out to determine an appropriate schedule of charges and suitable procedures for their administration. The Vice-President in charge of the Chicago Professional Colleges, on recommendation of the Hospital Administrator, the Executive Committee, and the Dean of the College of Medicine, has submitted with his endorsement a statement of policy and procedure governing admission of patients with a complete schedule of proposed charges (see Appendix, page 1031).

These proposals have been reviewed by the Provost and the Comptroller who also recommend their approval.

I recommend adoption of this statement and schedule of charges, effective March 1, 1948, and replacing all procedures and charges previously approved.

On motion of Mrs. Holt, these recommendations were approved and adopted.

MASTER OF ARTS DEGREE IN LABOR AND INDUSTRIAL RELATIONS

(8) The University Senate recommends authorization of a curriculum to be set up as follows leading to the degree of Master of Arts in Labor and Industrial Relations:

A. A candidate must meet the general requirements for admission to the Institute of Labor and Industrial Relations which include 21 hours in the social sciences including one semester course in statistics and 9 hours in Economics, of which at least one semester course is to be in labor problems.

B. Eight units of graduate work will be required for the master's degree and will include:

1. One (or two) units in a professional seminar.

2. Two units in a thesis.

3. Five (or four) units in the fields of Human Relations in Industry, Labor Economics, Labor Union Organization and Administration, Personnel Management.

I concur.

On motion of Mr. Davis, this curriculum was approved as recommended.

**FOREIGN PATENTS ON DISCOVERIES RESULTING FROM
RESEARCH WORK FOR UNITED STATES NAVY**

(9) The University of Illinois has a basic contract with the Office of Naval Research of the United States Navy covering research work on Navy problems

which is being done in several departments. Under this contract the University has prior rights to patents on all discoveries; if the University does not choose to apply for a patent then under the contract it must release the discovery to the Navy.

The University has been informed by the Office of Naval Research that in future contracts the Navy desires to include the following provisions relating to foreign patent rights and publication of invention disclosures (the Contractor referred to below is the University):

"SECTION G—The Contractor agrees, in addition to the terms and conditions set forth in the section of the contract entitled 'Patent Rights,' (i) to grant to the Government, upon request, title to the foreign rights in each Subject Invention, (ii) not to publish or cause to be published a disclosure of such invention until permission shall have first been obtained from the Contracting Officer or his designee, and (iii) to deliver to the Contracting Officer or his designee, duly executed, such instrument of assignment, application papers and rightful oaths, prepared by the Government, as the Contracting Officer or his designee deems necessary to vest in the Government the sole and exclusive ownership in patent applications and any patents that may issue thereon and the right to apply for and prosecute such patent applications, but limited to countries other than the United States of America, covering each Subject Invention."

Section 20 of Contract N6ori includes the following definition: "... The expression 'Subject Invention' means each invention, improvement and discovery (whether or not patentable) conceived or first actually reduced to practice in the performance of this contract. . . ."

It is the opinion of the University Research Board that the possibility of foreign patent rights being useful to the University is so remote that it should waive its claim to such rights. The Legal Counsel of the University concurs in this opinion. However, the Research Board takes exception to the stipulation (ii) on the basis that this provision controls the right of free publication which the University has always retained in such contracts. The Bursar explored this matter with the Office of Naval Research and found that they would be willing to delete Section G (ii) at our request.

The changes being proposed will not affect the University's rights to domestic patents.

I recommend that (1) the Board of Trustees authorize execution of research contracts with the United States Government Office of Naval Research containing provisions which vest in the United States Government rights to foreign patents resulting from contract work; (2) the Board of Trustees authorize the policy that the University reserves all control of scientific publication.

On motion of Mr. Davis, these recommendations were adopted.

GRADUATE SCHOLARSHIPS AND FELLOWSHIPS FOR 1948-1949

(10) On recommendation of the Dean of the Graduate College, I recommend that an appropriation of \$145,000 be made for graduate scholarships and fellowships for 1948-1949. Of this amount, \$125,000 is to be appropriated from operating funds for 1948-1949 and \$20,000 is recommended as a reappropriation from unexpended scholarship funds made available for 1947-1948.

I further recommend authorization of the following schedule of stipends:

First year.....	\$ 700
Second year.....	850
Third year.....	1 000
Special post-doctoral and non-resident fellowships..	2 400

The last category of special fellowships is to provide awards to exceptional students in the Graduate College to enable them to complete special programs of study recommended by the major departments concerned. These fellowships shall be of two types:

1. The resident post-doctoral fellowship now awarded to permit a graduate student who in the course of completing work for the Ph.D. degree has initiated a very significant research program which he could finish in another year of work if he were free to continue it.

2. The nonresident fellowship to be awarded to a graduate student for the purpose of enabling him to make direct observations or to do archival work away from the University in accordance with a plan recommended by his department. The maximum for one year is \$2,400. Some fellowships may be awarded with smaller stipends, the amount depending on the character of the project. No supplementary item for travel or other expense would be allowed under this plan.

On motion of Mr. Fornof, these recommendations were adopted, and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

MASTER PLAN FOR COMMUNITY AND UNIVERSITY DEVELOPMENT AT URBANA-CHAMPAIGN

(11) About a year ago there was organized in Champaign-Urbana a "Community Housing and Development Council," to give impetus to intelligent planning for the civic growth and development of Champaign-Urbana and of the University of Illinois. In fact, the University is largely responsible for the organization of this Council, which includes representatives of the University and of both cities. Its work has been significant in promoting the development of additional residential housing, but it has been chiefly concerned with a long-range plan for over-all development.

The Council has requested the University to share in the cost of preparing a master plan for the community. Satisfactory development of the University depends to a large degree on the sound development of the community of Champaign-Urbana. Among advantages to the University which would result from the development and application of a master plan are:

1. Better housing and civic improvement which would aid in securing staff and in providing living quarters for both students and staff.

2. A reduction in the amount of staff housing the University will need to provide.

3. Improvement of traffic conditions; additional utilities and other municipal services.

4. Proper coordination of University and community expansion.

The University has a crucial interest in the kind of development which takes place in the community as a whole. The University's expansion has been a major factor in community expansion. It would be necessary for the University to do a considerable part of the planning to be included in the proposed master plan, and the cost of this to the University would be at least as much as its contribution to the joint program.

It is estimated that the master plan will cost \$50,000. The Committee on Special Appropriations and Nonrecurring Expenditures has considered the University's participation and states that it would be appropriate for the University to share in the cost to the extent of \$20,000. Such a contribution should be contingent upon the community's raising the remainder necessary to carry out the plan. It is agreed that the experts selected to make the study would be acceptable to the University.

This matter has already been discussed with the Committee on Buildings and Grounds which met at the University on January 17.

I recommend an appropriation of \$20,000 for this purpose to be disbursed on authorization of the President of the University. It is anticipated that a joint administrative group on which the University will be represented will be set up to administer the expenditure of these funds.

On motion of Mrs. Holt, this appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(12) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Equipment for Department of Biological Chemistry.....	\$ 19 180
2. Foreign publications and book binding.....	19 000
3. Dental chairs and equipment.....	16 046
4. Building improvements at the Airport.....	8 125
5. Rehabilitation of Mining and Metallurgy Machine Shop....	7 500
6. Equipment in Physics Laboratory (Navy Pier).....	6 400
7. Equipment for Department of Speech.....	2 676
8. Equipment for College of Veterinary Medicine.....	29 000
9. Construction of parking lot north of Physics Building.....	2 800
10. Improvements at Galesburg Undergraduate Division	30 000
<i>Total</i>	<u>\$140 727</u>

On motion of Mr. Davis, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

AWARD OF CONTRACT FOR ERECTION OF STEEL FOR ABBOTT POWER PLANT ADDITION

(13) Bids have been received for the erection of steel for the Abbott Power Plant addition from the Kuhne-Simmons Company, Inc., in the amount of \$11,250 and from the American Boiler and Tank Company in the amount of \$11,388. Both firms have contracts for other phases of work on this project. As these are the only bids that Sargent and Lundy, engineers for the project, have been able to obtain, they recommend, the Director of the Physical Plant and the Comptroller concurring, that the contract for the erection of this miscellaneous steel work be awarded to the Kuhne-Simmons Company, Inc., on the basis of their proposal of \$11,250.

Funds are available in the State appropriation for enlargement of Power Plant by constructing an addition thereto.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute an addition of \$11,250 to the present contract with Kuhne-Simmons Company, Inc., to provide for the erection of steel.

On motion of Mr. McKelvey, this contract was awarded and authority was given as recommended.

ADDITION TO CONSTRUCTION CONTRACT FOR THE ELECTRICAL ENGINEERING BUILDING

(14) The Director of the Physical Plant and the Comptroller recommend an addition to the contract with the John Felmley Company in the amount of \$1,362.44 covering the cost of changing asphalt tile in the Machine Laboratory in the new Electrical Engineering Building to a grease-proof type. The original contract with the John Felmley Company was approved by the Board on January 25, 1947 (Minutes, page 229). This change is requested by the Electrical Engineering Department, as the oil to be used in the Machine Shop is detrimental to the ordinary type of asphalt tile. The extra cost of the grease-proof type of floor covering will soon be recovered through reduced maintenance costs.

Funds are available in the State appropriation for the construction of a new Electrical Engineering Building for this addition.

I concur and request authorization of the Comptroller and the Secretary of the Board to execute an addition of \$1,362.44 to the present contract with John Felmley Company to provide for changing the tile flooring.

On motion of Mr. Williamson, this addition to contract was approved and authority was given as recommended.

**ADDITION TO PLUMBING CONTRACT FOR ELECTRICAL
ENGINEERING BUILDING**

(15) The Director of the Physical Plant and the Comptroller recommend an increase of \$2,180.77 in the contract with W. T. Mahoney and Sons, contractors for the plumbing work on the new Electrical Engineering Building. The original contract was approved by the Board on January 25, 1947 (Minutes, page 229). This increase is to provide for additional gas, water, and compressed air outlets in certain ground floor rooms of the building, as requested by the Department of Electrical Engineering.

Funds are available in the State appropriation for the construction of a new Electrical Engineering Building for this addition.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute the addition to this contract.

On motion of Mr. Fornof, this addition to contract was approved and authority was given as recommended.

**ADDITION TO CONTRACT WITH G. L. TARLTON CONTRACTING
COMPANY FOR CONSTRUCTION OF WATER LINES**

(16) The Director of the Physical Plant and the Comptroller recommend an increase in the contract of G. L. Tarlton Contracting Company, St. Louis, Missouri.

The contract provides for construction of pipe lines for fire protection facilities and Water Station improvements, for construction of a concrete reservoir, to be financed by a State appropriation for these projects, and for construction of storm sewers. The water main extensions for the fire protection facilities and Water Station improvements included only the extensions to the main grid system that were considered most urgent to strengthen the water distribution system in accordance with the National Board of Fire Underwriters Report of 1940, and to furnish a main source of supply from which laterals could be extended for only those building projects to be completed from 1947-1949 funds. Funds were not available in the State appropriation to provide for all the improvements recommended by the N.B.F.U. and by our consulting engineers, Alvord, Burdick, and Howson.

Funds are now available in the Physical Plant renewals and replacements budget for the following additional improvements:

Install tee on existing 4" water main on the south side of St. Mary's road and extend 6" main west and another main south for a total distance of 1050', \$2,700.

Install 6" tee on an existing main on Lincoln Avenue and extend a 6" main from this point east approximately 1370', \$3,210.

It is recommended that this additional work be considered as an addition to the present contract, since the bid for the original work of G. L. Tarlton Contracting Company was substantially lower than other bids and they have demonstrated that they have the equipment and personnel and are able to complete the work in a satisfactory manner.

I concur and request that the Comptroller and Secretary of the Board be authorized to increase the contract with G. L. Tarlton Contracting Company in the amount of \$5,910.

On motion of Mr. McKelvey, this addition to contract was approved and authority was given as recommended.

MEN'S RESIDENCE HALLS REFUNDING BOND ISSUE

(17) As authorized by the Board of Trustees on June 23, 1947 (Minutes, page 403), bids were received on February 10, 1948, on \$400,000 revenue bonds of the Men's Residence Halls. The lowest bid is offered by the Milwaukee Company, Chicago; First of Michigan Corporation, Detroit; Martin, Burns, and Corbett, Inc., Chicago; and Farwell, Chapman, and Co., Chicago, as a joint bid at an effective interest rate of 2.626% for all bonds. Bonds maturing September 1, 1948, through March 1, 1953, will bear interest at 3% and bonds maturing from September 1, 1953, through March 1, 1960, will bear interest at 2½%. The entire issue is purchased at par plus a premium of \$100.

The bidders have proposed that the bonds, principal and interest, be payable at the First National Bank of Chicago.

The Comptroller reports that the lowest bidders have met all requirements and recommends that the award be made to them.

The new issue will result in a saving over the remaining life of the obligation estimated at \$30,907 on interest cost under that of the present loan.

In connection with this refinancing, the firm of Chapman and Cutler has prepared the following resolutions which should be adopted by the Board of Trustees:

1. Resolution authorizing the issuance of Men's Residence Halls revenue bonds in the amount of \$400,000.

2. Resolution authorizing the President, Secretary, and Treasurer of the Board of Trustees to execute all instruments necessary for the termination of the trust.

3. Resolution designating two members of the Board of Trustees to act with the officers in executing the bonds as provided by statute.

I recommend adoption of these resolutions.

The Finance Committee has been asked to review the bids and report to the Board.

Mr. Williamson reported that the Finance Committee had reviewed these bids and resolutions and recommended adoption.

RESOLUTION NO. 1

RESOLUTION AUTHORIZING THE ISSUANCE OF MEN'S RESIDENCE HALLS REVENUE BONDS IN THE AMOUNT OF \$400,000

Resolution authorizing and providing for the termination of an existing trust between the University of Illinois Foundation, a corporation duly organized under the laws of the State of Illinois, and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Men's Residence Halls, located at 1215 South Fourth Street in the City of Champaign, Illinois, conveyed to said Foundation pursuant to said existing trust, and authorizing the issue of \$400,000 Men's Residence Halls Revenue Bonds of 1948 for the purpose of defraying the cost of terminating said trust and reacquiring the interest in said property conveyed pursuant to said trust, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of said Residence Halls for the purpose of paying the cost of maintenance and operation of said buildings, and payment of the principal of and interest on said revenue bonds.

Whereas pursuant to "An Act to authorize the Board of Trustees of the University of Illinois to provide for the payment and termination of any trust created by and between the Board of Trustees and any person or corporation pursuant to any law involving any building used by said University for student social activities, or educational purposes, or for the acquiring or reacquiring of property or interest in property used by said University for student social activities or educational purposes and conveyed in connection with the creation of such trust by said Board of Trustees pursuant to any existing law, levy and collect service charges, rates or rentals for the use thereof, to complete the construction of or equip any such buildings, defining the duties of said Board with respect to the operation and maintenance and construction thereof, providing for and authorizing the issue of bonds to defray the cost thereof, payable solely from the revenues derived from the operation of any such building or buildings, and for the refunding of any such bonds," approved May 27, 1941, as amended, and other acts supplementary thereto, this Board of Trustees of the University of Illinois is authorized to issue revenue bonds for the purpose of procuring funds to terminate any existing trust involving any building now used by the University for student social activities or educational purposes, and to establish rates or charges for the use of said building, and pledge the revenue from such charges or rates for the payment of the revenue bonds so issued; and

Whereas this Board of Trustees has heretofore, pursuant to existing law, created a trust by and between said Board and the University of Illinois Founda-

tion, a non-profit corporation duly organized under the laws of the State of Illinois, for the purpose of constructing the Men's Residence Halls, located at 1215 South Fourth Street in the City of Champaign, Illinois, and said property has been conveyed in trust to said Foundation, which said trust now exists, and the Board of Trustees has leased said building from said Foundation and it is now used by said University; and

Whereas it is deemed advisable and for the best interests of the University of Illinois that said trust be terminated and that the Board of Trustees of the University of Illinois reacquire the interest in said property so conveyed in trust; and

Whereas the University of Illinois Foundation has agreed with this Board of Trustees of the University of Illinois to terminate said trust upon payment to it as trustee the sum \$526,931.78, representing the principal amount on the outstanding note and mortgage of the University of Illinois Foundation plus interest due March 1, 1948, and the premium necessary to call and pay the same, all of which were issued for the purpose of constructing the said Men's Residence Halls in accordance with the terms of the trust hereinabove referred to, and which sum, together with funds now on hand for that purpose will be sufficient to pay all the obligations and liabilities of said Foundation for the purpose of terminating said trust; and

Whereas it will be necessary for the purpose of procuring part of said sum of \$526,931.78 that this Board of Trustees borrow money and issue revenue bonds in the principal amount of \$400,000, as authorized pursuant to the Acts, hereinabove referred to;

Now, therefore, Be It and It Is Hereby Resolved by the Board of Trustees of the University of Illinois as follows:

SECTION 1. That it be and it is hereby determined by the Board of Trustees of the University of Illinois that it is necessary and for the best interests of the University of Illinois that the existing trust entered into by and between the Board of Trustees of the University of Illinois and the University of Illinois Foundation, a non-profit corporation duly organized under the laws of the State of Illinois, and dated as of the First day of September, 1941, be terminated and that the interest in property conveyed by said trust, consisting of the Men's Residence Halls located at 1215 South Fourth Street in the City of Champaign, Illinois, which was the subject matter of said trust, be reacquired, and that bonds be issued for the purpose of procuring funds necessary for the termination of said trust and the reacquiring of the interest in said property conveyed by said trust, all in accordance with the provisions of the Acts referred to in the preambles of this resolution.

SECTION 2. That said bonds shall be designated "Men's Residence Halls Revenue Bonds of 1948," be numbered 1 to 400, inclusive, be of the denomination of \$1,000 each, be dated March 1, 1948, bonds numbered 1 to 211, inclusive, to bear interest at the rate of Three per cent (3%) per annum, and bonds numbered 212 to 400, inclusive, to bear interest at the rate of Two and One-Half per cent (2½%) per annum, interest payable September 1, 1948, and semi-annually thereafter on the first days of March and September in each year, and to become due as follows:

provided, however, said bonds shall be redeemable as a whole or in part in the inverse order in which they are numbered, prior to their maturity on any interest payment date at the option of said Board of Trustees of the University of Illinois on or after March 1, 1951, and up to and including September 1, 1953, at par and accrued interest and a premium of two per cent of the principal amount thereof and a premium of one per cent of the principal amount thereof if redeemed on March 1, 1954 or on any interest payment date thereafter before maturity.

Notice of redemption of any or all of said bonds shall be given by publication at least once not less than thirty days prior to the date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago, Illinois, and such notice of redemption shall, with substantial accuracy (a) designate the date and place of redemption, such place to be at the office of the Depository hereinafter mentioned in the City of Chicago and State of Illinois; and (b) designate the numbers and the aggregate principal amount of such bonds; and (c) state that on the designated date of redemption said bonds will be redeemed by payment of principal thereof and the accrued interest thereon to date of redemption, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of all bonds so called for redemption shall cease.

SECTION 3. Any of said bonds may be registered as to principal at any time prior to maturity in the name of the holder on the books of registration of said University to be kept in the office of the Depository hereinafter mentioned, such registration to be noted on the reverse side of the bonds by the said Depository as registrar. After such registration no transfer of such bonds shall be valid unless made on the said books by the registered owner in person or by his duly authorized attorney and similarly noted on such bonds. Upon presentation of any of such bonds registered as to principal, accompanied by a written instrument of transfer satisfactory to the Depository hereinafter mentioned, executed by the registered owner, or by a duly authorized attorney, such bond shall be transferred upon such books. The registered owner of any such bond registered as to principal shall also have the right to cause the same to be discharged from registration by transfer to bearer, in which case transferability by delivery shall be restored, and thereafter the principal of such bond when due shall be payable to the person presenting such bond. Any such bond registered as payable to bearer may be registered again in the name of the owner with the same effect as the first registration thereof. Successive registrations and transfers as aforesaid may be made from time to time as desired. Registration of any of such bonds shall not affect the negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely and payable to the bearer thereof.

Said bonds shall be signed by the President and two members of the Board of Trustees of the University of Illinois, sealed with the corporate seal of said University, attested by the Secretary of said Board, and the interest coupons attached to said bonds shall be authenticated by the facsimile signature of the Treasurer of the University of Illinois.

SECTION 4. That said bonds and coupons, and form for registration, shall be in substantially the following form:

(Form of Bond)
 UNITED STATES OF AMERICA

STATE OF ILLINOIS
 UNIVERSITY OF ILLINOIS
 MEN'S RESIDENCE HALLS REVENUE BOND OF 1948

KNOW ALL MEN BY THESE PRESENTS, that the University of Illinois, a body corporate and politic, for value received, hereby promises to pay to bearer, or if this bond be registered as hereinafter provided, then to the registered holder hereof, solely from the special fund of said University, as hereinafter mentioned, and not otherwise, the principal sum of One Thousand Dollars (\$1,000) on....., 19....., and to pay interest on said sum from the date hereof until paid at the rate of per cent (.....%) per annum, payable September 1, 1948, and semi-annually thereafter on the first days of March and September in each year, until maturity hereof, in accordance with and upon presentation and surrender of the annexed interest coupons as they severally become due.

Both principal and interest of this bond are hereby made payable in lawful money of the United States of America at The First National Bank of Chicago, in the City of Chicago and State of Illinois.

This bond and the Series of which it forms a part is issued under authority of an Act of the Legislature of the State of Illinois, entitled "An Act to authorize the Board of Trustees of the University of Illinois to provide for the payment and termination of any trust created by and between the Board of Trustees and any person or corporation pursuant to any law involving any building used by said University for student social activities or educational purposes, or for the acquiring or reacquiring of property or interest in property used by said University for student social activities or educational purposes and conveyed in connection with the creation of such trust by said Board of Trustees pursuant to any existing law, levy and collect service charges, rates or rentals for the use thereof, to complete the construction of or equip any such buildings, defining the duties of said Board with respect to operation and maintenance and construction thereof, and providing for and authorizing the issue of bonds to defray the cost thereof payable solely from the revenues derived from the operation of any such building or buildings and for the refunding of any such bonds," approved May 17, 1941, as amended, and all other Laws supplementary thereto, and a resolution duly adopted by the Board of Trustees of the University of Illinois, for the purpose of defraying the cost of terminating an existing trust and reacquiring the interest in the Men's Residence Halls located at 1215 South Fourth Street, in the City of Champaign, Illinois, conveyed pursuant to said existing trust entered into between the Board of Trustees of the University of Illinois and the University of Illinois Foundation, a non-profit corporation duly organized under the Laws of the State of Illinois, and is payable solely from the net revenue to be derived from the operation of said building, and not otherwise, and this bond and the series of which it forms a part do not constitute an indebtedness of said University or of the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University or the State of Illinois is pledged to the payment of this bond or the interest thereon.

Under said Acts of the Legislature of the State of Illinois and other Laws supplementary thereto and the said resolution adopted pursuant thereto, the net revenue derived from the operation of said building shall be deposited with The First National Bank of Chicago, in the City of Chicago, Illinois, under a Deposit Agreement entered into between the Board of Trustees of the University of Illinois and the said Bank, and used only for the purpose of paying the fees and expenses of such Depository, principal of and interest on the bonds of said University that are issued under authority of said Acts of the Legislature of the State of Illinois and the resolution of the Board of Trustees, hereinabove referred to, and which are payable by their terms only from the net revenue of said Men's Residence Halls located at 1215 South Fourth Street, in the City of Champaign, Illinois.

It is hereby certified and recited that all acts, conditions and things required to be done precedent to and in the issuance of this bond by the Constitution and Statutes of the State of Illinois, and the applicable resolutions of said Board of Trustees of the University of Illinois, have been done and have happened and have been performed in regular and due form and time as required by law and that provision has been made for depositing the net revenue derived from the operation of said building with the said The First National Bank of Chicago, to be applied in the manner as hereinabove set forth.

This bond is one of an authorized issue of \$400,000, all of like date and of the denomination of \$1,000 each, numbered from 1 to 400, inclusive, and said bonds are redeemable as a whole or in part in the inverse order in which they are numbered, prior to maturity, on any interest payment date on or after March 1, 1951, and up to and including September 1, 1953, at par and accrued interest and a premium of two per cent (2%) of the principal amount thereof, and a premium of one per cent (1%) of the principal amount thereof if redeemed on March 1, 1954, or on any interest payment date thereafter before maturity.

Notice of redemption of any or all of said bonds shall be published once not less than thirty days prior to date of redemption; such publication to be made in one newspaper published and of general circulation in the City of Chicago, and when this bond or any of the bonds of such authorized issue shall have been called for redemption interest thereon shall cease from and after the specified redemption date.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the office of the Depository hereinabove mentioned, such registration to be noted on the back hereof. After such registration no transfer hereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer thereof.

This bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, howsoever such possession may have been acquired, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and the said University and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered and the bearer of any interest coupons appertaining hereto as the absolute owner thereof for all purposes.

Said University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the resolution adopted by the Board of Trustees of said University of Illinois, authorizing the issue of this bond and the series of which it forms a part and as provided in the Deposit Agreement hereinabove referred to, and hereby irrevocably obligates itself to deposit the net revenue derived from the operation of said Men's Residence Halls with the said Depository, to administer the said net revenue as provided for in and by said Deposit Agreement, and to establish from time to time charges and fees for the use of said buildings and to maintain and collect charges and fees sufficient to pay the reasonable cost of operating, maintaining, insuring and repairing of said buildings, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues until all of such bonds have been paid in full, both as to principal and interest.

IN WITNESS WHEREOF, said University of Illinois, by its Board of Trustees, has caused this bond to be signed by the President of the Board of Trustees and two members thereof, its corporate seal to be hereto affixed, attested

by the Secretary of said Board, and the coupons hereto attached to be authenticated by the facsimile signature of the Treasurer of said University, and this bond to be dated the first day of March, 1948.

SECTION 5. That upon the issuance of any revenue bonds herein provided for there be and there is hereby established a fiscal year for the operation of said Men's Residence Halls located at 1215 South Fourth Street, in the City of Champaign and said fiscal year shall commence the first day of July of each year and end the last day of the next succeeding June and all revenues derived from the operation thereof shall be set aside as collected and kept separate and apart from any other funds of said University, and said University covenants that all the revenues, income, receipts, profits, rates, rents, charges, fees and returns derived from the said Men's Residence Halls and the operation thereof, after setting aside therefrom the reasonable cost of operating, maintaining, insuring, and repairing said Men's Residence Halls, shall be paid over to the Depository hereinafter mentioned semi-annually not later than the dates as hereinafter specified in the said deposit agreement prior to March 1 and September 1 of each year, and said revenues so paid over to the Depository shall be used only in paying the fees and expenses of such Depository, principal of and interest upon the revenue bonds of said University that are payable by their terms only from such revenues, and such

funds shall be used only for the purposes and in accordance with the Deposit Agreement hereinafter set out.

SECTION 6. That for the purpose of further securing the income and revenue to be derived from the operation of the said Men's Residence Halls and the application of the net revenue to the payment of the principal of and interest upon the said bonds hereby authorized, the net revenue derived from the operation of the said Men's Residence Halls shall be deposited with The First National Bank of Chicago, hereby designated as the Depository for the said net revenue, and the President and Secretary of the Board of Trustees and Treasurer of said University be and are hereby authorized and directed to execute for and on behalf of the University a Deposit Agreement with said bank as Depository in substantially the following form, to wit:

THIS DEPOSIT AGREEMENT dated March 1, 1948, between the University of Illinois, a public corporate body duly organized and existing under the laws of and located in the State of Illinois (hereinafter sometimes referred to as the "University"), party of the first part, and The First National Bank of Chicago, a national banking association duly organized under the laws of the United States of America and having its office in the City of Chicago, in the State of Illinois (hereinafter sometimes referred to as the "Depository"), party of the second part,

WITNESSETH:

Whereas the University, pursuant to a resolution of its Board of Trustees, entitled

"Resolution authorizing and providing for the termination of an existing trust between the University of Illinois Foundation, a corporation duly organized under the laws of the State of Illinois, and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Men's Residence Halls located at 1215 South Fourth Street in the City of Champaign, Illinois, conveyed to said Foundation pursuant to said existing trust, and authorizing the issue of \$400,000 Men's Residence Halls Revenue Bonds of 1948 for the purpose of defraying the cost of terminating said trust and reacquiring the interest in said property conveyed pursuant to said trust, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenue of said residence halls for the purpose of paying the cost of maintenance and operation of said buildings, and payment of the principal of and interest on said revenue bonds."

adopted by said Board of Trustees of the University of Illinois on the 21st day of February, 1948, has issued or is about to issue Four Hundred Thousand Dollars (\$400,000) principal amount of its Men's Residence Halls Revenue Bonds of 1948 for the purpose of terminating an existing trust and reacquiring the interest in the Men's Residence Halls located at 1215 South Fourth Street in the City of Champaign, Illinois, so conveyed in trust, and now used by said University, said bonds being dated March 1, 1948, maturing as follows:

Bonds numbered 1 to 211, inclusive, bearing interest at the rate of Three per cent (3%) per annum, and bonds numbered 212 to 400, inclusive, bearing interest at the rate of Two and One-half per cent (2½%) per annum, interest payable September 1, 1948, and semi-annually thereafter on the first days of March and September in each year, said bonds being redeemable as a whole or in part in the inverse order in which they are numbered, prior to their maturity, on any interest payment date on or after March 1, 1951, and up to and including September 1, 1953, at par and accrued interest and a premium of two per cent (2%) of the principal amount thereof, and a premium of one per cent (1%) of the principal amount thereof if redeemed on March 1, 1954, or on any interest payment date thereafter before maturity.

Notice of redemption shall be given by publication at least once not less than thirty days prior to date of redemption, such publication to be made once in one newspaper published and of general circulation in the City of Chicago, Illinois; and

Whereas the said bonds are payable both as to principal and interest solely from the net revenues to be derived from the operation of the said men's residence halls, the term "net revenues" as used herein meaning the gross revenues of the said building, less the reasonable cost of operating, insuring, maintaining and repairing the said men's residence halls; and

Whereas the University has, in and by the said resolution, covenanted and agreed, for the benefit of the holders from time to time of the said bonds and the interest coupons thereto appertaining, that the net revenues of the said men's residence halls will be from time to time deposited with the Depositary and used only for the payment of the fees and expenses of the Depositary, principal of and the interest on the said bonds; and

Whereas the University has, in and by the said resolution, further covenanted and agreed that it would execute and deliver a Deposit Agreement in the form and terms hereof:

Now, therefore, in consideration of the premises and of the mutual covenants and agreements hereinafter set forth and pursuant to the terms and provisions of the said resolution, the University and the Depositary have agreed and do hereby agree as follows for the equal and proportionate benefit and security of the holders of the said bonds of the University and the interest coupons thereto appertaining; that is to say:

SECTION 1. The University covenants that proper books of record and account will be kept, in which full, true and correct entries will be made of all income, expenses and financial transactions of and in relation to the said men's residence halls, and that it will furnish to the Depositary, on or before September 1, 1948, for that period from March 1, 1948, to June 30, 1948, and on or before September 1 in each year thereafter so long as any bonds remain outstanding, a statement certified as correct by the Comptroller and Treasurer of the University, showing the gross operating revenues, the operating expenses and the net revenues of the said men's residence halls for the twelve months' period ended on the next preceding June 30th. The Depositary shall have no duty to request any such information nor any duty relative to the statements from time to time furnished by the University, except to preserve the same for the inspection of the holders of the bonds during usual business hours.

SECTION 2. The University has covenanted with the holders of the bonds hereinabove referred to that all of the revenues, income, receipts, profits, charges, fees, rents and returns derived from the said men's residence halls and the opera-

tion thereof shall be collected by the University and, after setting aside therefrom the reasonable cost of operating, maintaining, insuring and repairing the said men's residence halls, shall be paid over to the Depository semi-annually not later than July 15, for the previous six months' period ending June 30th each year, and January 15, for the previous six months' period ending December 31st of each year, provided, however, there shall be deposited on August 15, 1948 the net revenues for the period from March 1, 1948 to June 30, 1948, which amount shall not be less than principal and interest requirements due on said bonds September 1, 1948, plus Depository's fees, and the University hereby covenants and agrees so to do. All funds received by the Depository under the terms of this agreement, after deducting fees and expenses of such Depository, shall be held by the Depository in a special trust account to be known as the sinking fund and shall be disbursed or applied by the Depository as hereinafter provided.

At least five (5) days before each semi-annual interest payment date the Depository shall, if the sinking fund moneys then on deposit are sufficient for that purpose, set aside an amount equal to the interest becoming due on the next ensuing interest payment date on all of the said bonds then outstanding, and such funds shall be and they are hereby appropriated irrevocably to the payment of such interest, and the Depository, as paying agent, is hereby authorized and directed to apply the same to the payment of such interest on the next ensuing interest payment date upon surrender of the interest coupons becoming due on the said interest date and appertaining to the outstanding bonds.

At least five (5) days before the express date of maturity of the bonds, the Depository shall set aside from the moneys in the sinking fund, if such moneys then on deposit are sufficient for that purpose after making provision for payment of the interest becoming due on the outstanding bonds on such maturity date, an amount equal to the principal of the bonds then maturing, and such funds shall be and they are hereby appropriated irrevocably to the payment of the principal of the said maturing bonds, and the Depository, as paying agent, is hereby authorized and directed to apply the same to the payment of the principal of the said bonds upon surrender of the said bonds.

If, upon the fortieth (40th) day before any interest payment date, the Depository has cash in the sinking fund after setting aside an amount sufficient to pay interest becoming due on all outstanding bonds on the next two ensuing interest payment dates and to pay the principal and premium, if any, of any bonds theretofore called for redemption and not yet redeemed and the principal of all bonds becoming due on the next succeeding principal payment date, such cash shall be applied by the Depository to the redemption on the next ensuing interest payment date of outstanding bonds, which by their terms are redeemable, in an amount sufficient to exhaust as nearly as may be such cash, after deducting therefrom and paying all costs and expenses of such redemption.

The said bonds are each in the denomination of One Thousand Dollars (\$1,000) and are numbered from 1 to 400, inclusive. All bonds redeemed through the operation of the sinking fund, together with the appertaining interest coupons, shall be canceled by the Depository and delivered to the Treasurer of the University. The Depository shall keep a record of the numbers of all bonds so redeemed.

Notice of redemption through the operation of the sinking fund shall be published by the Depository, either in the name of the University or in the name of the Depository, as the Depository may determine, once not less than thirty (30) days prior to the date of redemption. Such publication to be made in one newspaper published and of general circulation in the City of Chicago, Illinois. Such notice shall with substantial accuracy:

(a) Designate the date and place of redemption, such place to be the office of the Depository, in the City of Chicago and State of Illinois;

(b) If the bonds to be redeemed are less than all of those outstanding, designate the numbers and the aggregate principal amount of such bonds; and

(c) State that on the designated date of redemption said bonds will be redeemed by payment of the principal thereof and the accrued interest thereon, plus the applicable redemption premium, and that from and after the designated redemption date interest in respect of the bonds so called for redemption will cease.

Upon publication of notice of redemption of any bonds through the operation of the sinking fund, the Depository shall set aside from the moneys in the sinking fund an amount sufficient to pay and redeem the said bonds, and the Depository,

as paying agent, is hereby authorized and directed to apply such funds to the payment and redemption of the said bonds on or after the specified redemption date upon surrender of the said bonds, together with all unmatured interest coupons thereto appertaining.

SECTION 3. The University has covenanted with the holders of the bonds, hereinabove referred to, that it will, so long as any of the said bonds shall remain outstanding and unpaid, keep in the office of the Depositary, in the City of Chicago and State of Illinois, books for the registration and transfer as to principal of bonds of the said issue, and the said Depositary is hereby appointed the agent of the University, with the title of Registrar, for the purpose of registering and transferring the said bonds as to principal only.

As to each bond registered, as to principal only, the person or entity in whose name the same is for the time being registered shall be deemed and regarded as the absolute owner thereof for all purposes, except for the purpose of receiving payment of the outstanding coupons, if any, appertaining thereto, and so long as the same shall be so registered payment of or on account of the principal thereof shall be made by the Depositary, as paying agent, only to the registered owner thereof. The bearer of any of the said bonds which shall not be registered as to principal and the bearer of any coupon appertaining to any such bond, whether or not such bond shall be registered as to principal, shall for all purposes be deemed and regarded as the absolute owner of such bond or coupon as the case may be for the purpose of receiving payment thereof and for all other purposes, and the Depositary, as paying agent, shall be fully protected in making payment of any such bond or coupon to the bearer thereof.

SECTION 4. The Depositary has executed this agreement and agrees to carry out the terms and provisions hereof on its part, but only upon and subject to the following express terms and conditions:

(a) The Depositary shall not be responsible for any recitals herein or in the said bonds or for the validity of this agreement or of the said bonds, nor for the performance of any of the agreements herein contained on the part of the University.

(b) The Depositary shall not be accountable for any of the proceeds of the bonds or of the revenues of the said men's residence halls nor for any other funds of the University, except such funds as may be deposited hereunder. The Depositary shall not be required to allow interest on any funds at any time deposited hereunder. The Depositary may become the owner of bonds of the said issue with the same rights which it would have if not Depositary.

(c) The Depositary shall not be liable for any action taken or omitted to be taken by it in good faith and in the exercise of reasonable care and believed by it to be within the discretion or power conferred upon it by this agreement, nor shall the Depositary be responsible for the consequences of any error of judgment, and the Depositary shall not be answerable except for its own acts, neglect and default, nor for any loss unless the same shall happen through the negligence or want of good faith of the Depositary.

(d) The Depositary shall be entitled to advice of counsel concerning all matters arising under this agreement and its duties hereunder, and may in all cases pay such reasonable compensation as it shall deem proper to such counsel and all such outlays and expenditures shall be repaid to the Depositary out of the sinking fund money.

(e) The Depositary shall not be required to give any bond or surety in respect of the exercise of the duties and powers conferred hereby or otherwise in respect of the premises.

(f) The Depositary shall have a first lien hereunder upon the sinking fund moneys for reasonable compensation, expenses, advances and counsel fees incurred in and about the exercise and performance of its powers and duties hereunder, and the cost and expense of defending against any liability in the premises of any character whatsoever. The compensation of the Depositary shall not be limited to or by any provision of law in regard to the compensation of a trustee of an express trust.

(g) The Depositary at the time acting hereunder may at any time resign by giving not less than sixty (60) days' written notice to the University specifying the date when such resignation takes effect.

SECTION 5. The University covenants that in case the Depositary at the time acting hereunder shall resign or be dissolved or shall be in the course of dissolution or liquidation or otherwise become incapable of acting hereunder, the University will forthwith appoint a successor Depositary which shall be a trust company or bank in good standing located in the State of Illinois and having a capital and surplus of not less than Five Million Dollars (\$5,000,000), if there be such a trust company or bank willing, qualified and able to accept the appointment upon reasonable or customary terms.

Every successor Depositary appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the University an instrument in writing accepting such appointment hereunder, and thereupon such successor Depositary, without any further act, deed or conveyance, shall become fully vested with all of the estates, rights, powers, duties and obligations of its predecessor, and every predecessor Depositary shall deliver all moneys and securities, together with a record of the amount and the numbers of the outstanding bonds, to its successor; provided, however, that before such delivery is required or made, all fees, advances and expenses of the retiring Depositary shall be paid in full.

Any corporation into which the Depositary or any successor to it may be merged or converted or with which it or any successor to it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Depositary or any successor to it shall be a party, shall be the successor Depositary under this agreement without the execution or filing of any paper on the part of either of the parties hereto.

SECTION 6. Nothing in this agreement expressed or implied is intended or shall be construed to confer upon any person, firm or corporation, other than the parties hereto and the holders of the said bonds and the coupons thereto appertaining, any right, remedy or claim, legal or equitable, under or by reason of this agreement or any covenant, condition or stipulation hereof.

IN WITNESS WHEREOF, said University of Illinois, acting by and through its Board of Trustees, has caused this agreement to be signed in its name by the President of the Board of Trustees and the Treasurer thereof and its corporate seal to be hereunto affixed and attested by the Secretary thereof, and said The First National Bank of Chicago has caused this agreement to be signed in its corporate name by one of its Vice Presidents and its corporate seal to be hereunto affixed and attested by one of its Assistant Secretaries, all as of the day and year first above written.

SECTION 7. Said University hereby covenants that proper books of record and account will be kept, in which full, true and correct entries will be made of all income, expenses and financial transactions of and in relation to the said men's residence halls, and that it will furnish to the Depositary and to the original purchasers of said bonds on or before September 1 in each year so long as any bonds remain outstanding a statement certified as correct by the Comptroller and Treasurer of the University, showing the gross operating revenues, the operating expenses, and the net revenues of said men's residence halls for the twelve months period ending on the next preceding June 30.

SECTION 8. The University covenants that while any of the bonds authorized hereunder remain outstanding it will establish charges and fees for the use of said men's residence halls and all of its facilities adjusted so as to provide revenues at

all times sufficient to pay the reasonable cost of maintaining, operating, insuring and repairing the said men's residence halls, to pay the interest from time to time becoming due on the said bonds from time to time outstanding, and to provide for the payment of the principal of such bonds at maturity.

SECTION 9. It is hereby covenanted and agreed that while any revenue bonds issued hereunder are outstanding no additional revenue bonds shall be issued which, by their terms, are payable from the revenues of said men's residence halls, unless and until all revenue bonds issued pursuant to the terms of this resolution have been paid in full, both as to principal and interest, or until provision shall have been made for such payment in full.

SECTION 10. That the fees and charges heretofore established for the use of said men's residence halls and all of its facilities in accordance with the terms of the trust to be terminated with the proceeds derived from the sale of the bonds hereby authorized and the method of the collection thereof now in full force and effect, shall remain in full force and effect until revised or changed in accordance with the terms of the covenants of this resolution. Said fees and charges as collected are hereby pledged and shall be applied to the payment of the reasonable maintenance and operation costs of said men's residence halls and to the payment of the principal and interest of the bonds hereby authorized, all in accordance with the terms and covenants of this resolution.

SECTION 11. Said University of Illinois hereby covenants and agrees with the holder or holders of the bonds herein proposed to be issued, or any of them, that it will punctually perform all duties with reference to said men's residence halls required by the Constitution and Laws of the State of Illinois, including the making and collecting of sufficient charges and fees for the use of said properties and all of the facilities thereof, and segregating the revenue thereof and the application of the income and revenue thereof, as provided by this resolution; and it hereby covenants and agrees not to sell, lease, loan, mortgage or in any manner dispose of said men's residence halls, including any and all extensions and improvements that may be made thereto, until all of the bonds herein authorized to be issued shall have been paid in full, both principal and interest, or unless and until provision shall have been made for the payment thereof in full, and the said University further covenants and agrees with the holders of said bonds to maintain in good condition and continuously operate said men's residence halls and maintain and keep in full force and effect at all times adequate insurance for the protection of said building, including multi-risk insurance, covering loss or damage to said properties and use and occupancy insurance covering loss of use of said properties. The cost of maintaining all insurance shall be deemed to be an operating charge and shall be paid only from revenues.

Any proceeds derived by said University from any multi-risk insurance shall be applied to the payment of the said University's reasonable and necessary costs in reconstruction, repair or rehabilitation of the said properties and any proceeds derived from any use and occupancy insurance shall be applied in the same manner and to the same effect as gross operating revenues.

SECTION 12. The provisions of this resolution shall constitute a contract between the University of Illinois and the holders of the bonds herein authorized to be issued, and after issuance of the bonds no changes, additions, alterations or amendments of any kind shall be made to this resolution in any manner, until such time as all of said bonds issued hereunder, and interest thereon, shall be paid in full, or unless and until provision shall have been made for the payment of all bonds hereby authorized and interest thereon in full.

SECTION 13. Any holder of a bond or bonds, or any of the coupons of any bond or bonds issued under the provisions of this resolution, may either in law or in equity, by suit, action, mandamus or other proceeding, enforce or compel the performance of all duties required by this resolution or the acts under which the bonds hereby authorized are issued, including the fixing, maintaining and collecting of such charges and fees for the use of such properties and all facilities thereof as will be sufficient for all the purposes provided by this resolution, and the application of income and revenue therefrom.

SECTION 14. If any section, paragraph, clause or provision of this resolution

shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this resolution.

SECTION 15. That said revenue bonds shall be executed as soon after this resolution becomes effective as may be, be deposited with the Treasurer of said University, and be by him delivered to The Milwaukee Company and Associates, the purchaser thereof, upon receipt of the purchase price, the contract for the sale thereof heretofore entered into be and the same is hereby in all respects ratified and approved. Any accrued interest or premium derived from the sale of said bonds shall be deposited in the sinking fund hereinabove provided and applied toward payment of interest or principal of said bonds as thereby required.

SECTION 16. This resolution shall be in full force and effect from and after its passage.

I, H. E. Cunningham, do hereby certify that I am the duly qualified and acting Secretary of the Board of Trustees of the University of Illinois, and as such official have charge and custody of the minutes of the meetings and records of the Board of Trustees of said University of Illinois, and as such official I further certify that the foregoing resolution attached hereto, entitled "Resolution authorizing and providing for the termination of an existing trust between the University of Illinois Foundation, a corporation duly organized under the laws of the State of Illinois, and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Men's Residence Halls, located at 1215 South Fourth Street, in the City of Champaign, Illinois, conveyed to said Foundation pursuant to said existing trust, and authorizing the issue of \$400,000 Men's Residence Halls Revenue Bonds of 1948 for the purpose of defraying the cost of terminating said trust and reacquiring the interest in said property conveyed pursuant to said trust, prescribing all the details of said bonds, and providing for the collection, segregation and distribution of the revenues of said men's residence halls for the purpose of paying the cost of maintenance and operation of said building, and payment of the principal of and interest on said revenue bonds," is a true, correct and exact copy of the original resolution adopted by the Board of Trustees of the University of Illinois at its regular meeting held on the day of, 1948.

IN WITNESS WHEREOF, I hereunto set my hand and the seal of said University of Illinois this day of, 1948.

.....
Secretary, Board of Trustees,
University of Illinois

After discussion, and on motion of Mr. Williamson, seconded by Mrs. Holt, Resolution No. 1 was adopted as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

RESOLUTION NO. 2

RESOLUTION AUTHORIZING THE PRESIDENT, SECRETARY, AND TREASURER OF THE BOARD OF TRUSTEES TO EXECUTE ALL INSTRUMENTS NECESSARY FOR THE REFINANCING OF THE MEN'S RESIDENCE HALLS INDEBTEDNESS

Resolved that the President, Secretary, and Treasurer of the Board of Trustees of the University of Illinois, be and they are each and all of them hereby authorized

and directed to execute all instruments, papers and documents necessary or convenient to accomplish the issuance of \$400,000 Men's Residence Halls Revenue Bonds of 1948, and the reacquiring and revesting of all of the trust property held by the University of Illinois Foundation, as Trustee under that certain Trust Agreement dated the 1st day of September, 1941, and known as the "Men's Residence Hall, University of Illinois Operating Trust Agreement," and that the Treasurer is authorized and directed to deposit the proceeds of the sale of said bonds, including funds now available in the Men's Residence Halls Fund Account, in such bank or banks as may be requested by the Connecticut Mutual Life Insurance Company or the University of Illinois Foundation.

After discussion, and on motion of Mr. Williamson, seconded by Mrs. Holt, Resolution No. 2 was adopted as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

RESOLUTION NO. 3

RESOLUTION DESIGNATING TWO MEMBERS OF THE BOARD OF TRUSTEES WITH THE OFFICERS TO EXECUTE THE \$400,000 MEN'S RESIDENCE HALLS REVENUE BONDS

Resolved that Trustees, Frank H. McKelvey and Kenney E. Williamson, be and they are hereby designated and directed to execute the proposed Men's Residence Halls Revenue Bonds of 1948, together with the President and Secretary of the Board of Trustees of the University of Illinois, as required by the resolution heretofore adopted authorizing the issuance of said bonds.

On motion of Mr. Davis, seconded by Mrs. Holt, Resolution No. 3 was adopted as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Dr. Meyer; not voting, Mr. McKelvey, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

ADJUSTMENTS IN THE 1947-1948 ATHLETIC ASSOCIATION BUDGET TO JANUARY 31, 1948

(18) In approving the Athletic Association Budget for the year 1947-1948 (Minutes, August 5, 1947, page 491), the Board of Trustees authorized the President to make changes and adjustments as recommended by the Athletic Association Board of Directors within the total estimated income.

Following is a statement of adjustments thus made to January 31, 1948, not previously reported:

July and August salaries of new football coaches.....	\$1 016 65
Salary of part-time assistant wrestling coach.....	300 00
Appropriation for football banquet for Junior Varsity and 150-pound squads.....	500 00
Salaries of part-time assistants for coaching Freshmen and 150-pound football squads.....	600 00
Appropriation for high school fencing clinic.....	500 00
Appropriation for a southern baseball training trip.....	2 500 00
Appropriation for complete study of Kimmel Farm area and preparation of alternate golf course layout.....	2 000 00

On motion of Mr. Davis, this report was received for record.

PURCHASES

(19) Submitted herewith are: A. Recommendations for purchases; B. Report of purchases authorized by the President of the University (see Appendix, page 1034).

On motion of Mr. Williamson, purchases were authorized as recommended, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

COMPTROLLER'S REPORT OF CONTRACTS EXECUTED

(20) The Comptroller's report of contracts executed from January 11 to February 10, 1948 (see Appendix, page 1036).

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(21) The Comptroller presents his quarterly report to the Board as of September 30, 1947. Copies of this report have been sent to all members of the Board in advance of this meeting.

This report was received for record.

PURCHASE OF COAL FOR URBANA-CHAMPAIGN POWER PLANT

(22) The Director of Purchases reports:

"On July 1, 1947, we placed a contract with Taylor-English Coal Company for 30,000 tons and with Bell & Zoller Coal Company for 8,000 tons (Minutes, June 23, 1947, page 399). It was contemplated that coal received on these contracts would meet our requirements but the severe weather this winter has resulted in greater consumption than had been estimated and the mines being unable to meet their schedules. The amount of storage has been reduced to 3,500 tons which is not sufficient reserve as it represents but one month's supply. The purchase of 3,000 tons of coal to replenish our reserve stock is recommended to enable us to increase our reserve to two months' supply by April 1."

Quotations were solicited from 22 companies; the following were received:

	<i>Approximate tonnage</i>	<i>Price f.o.b. mine</i>	<i>Freight rates</i>	<i>Delivered price</i>
C. V. Beck & Company, Inc., St. Louis . . .	3750	\$4.50	\$1.75	\$6.25
Bell & Zoller Coal Company, Chicago . . .	1350	4.50	2.10	6.60
Lafayette Coal Company, Chicago	1000	4.75	1.75	6.50

The Director of Purchases, the Director of the Physical Plant Department, and the Comptroller recommend that an order be placed with C. V. Beck & Company, Inc., the lowest bidder, for 3,000 tons at a cost of \$13,500, plus \$5,250 freight, or a total cost of \$18,750.

I concur.

On motion of Mrs. Holt, this purchase was authorized as recommended, subject to constitutional provisions.

AWARD OF CONTRACT FOR CONCRETE FLOOR IN TEMPORARY WAREHOUSE

(23) At the request of the University, the Federal Works Agency extended the foundation of the temporary warehouse to a greater depth than is their usual practice in temporary construction of this kind. This was done with the understanding that if the F.W.A. did not have the funds to complete the project the deeper foundation would be constructed in lieu of a finished concrete floor (which approximately equaled the cost of the additional foundation work) and that the University would complete the work. The deeper foundation was advantageous to the University since it would provide additional storage space.

It has been determined that the Federal Works Agency will not have the money to complete the floor. The Physical Plant Department has secured the following quotations on a finished reinforced concrete floor: E. N. DeAtley, \$5,000; Kuhne-Simmons Co., Inc., \$4,502; C. A. Petry and Sons, \$4,420.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to C. A. Petry and Sons, the lowest bidder, in the amount of \$4,420. Funds are available.

I concur and recommend that the Comptroller and Secretary of the Board of Trustees be authorized to execute this contract.

On motion of Mr. McKelvey, this contract was awarded and authorization was given as recommended.

**CHANGES IN OLD BOILER ROOM OF PHYSICAL PLANT SERVICE
BUILDING FOR BRICKLAYERS' TRAINING CLASS**

(24) A request has been received from the Director of Industrial and Vocational Education of the Champaign Public Schools for space for a training class for bricklayers.

The basement area in the old boiler room in the Service Building, the old power plant building, which is to be converted into a Naval Science Building, will be satisfactory for this purpose if the following changes are made:

1. Completion of tile partitions which must be installed eventually in accordance with the plans for converting the building into a Naval Science Building.
2. Installation of additional lighting and a few receptacle outlets.
3. Installation of a water supply outlet for the mixing of mortar.

The bricklayers' union has agreed to erect the partitions, provided the University furnishes the necessary materials, estimated to cost \$2,540.

In view of the need for additional bricklayers by the construction industry, the Director of the Physical Plant Department, the Provost, and the Comptroller recommend cooperation with the Champaign Public Schools in continuing this program through the winter, and therefore recommend a nonrecurring appropriation of \$2,540 for the purchase of the necessary materials.

I concur.

On motion of Mr. Williamson, this project was authorized, and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. McLaughlin, Mr. Nickell.

ADDITION TO GENERAL CONTRACT FOR CHEMISTRY BUILDING

(25) The Director of the Physical Plant Department and the Comptroller recommend an increase of \$5,556.47 in the contract with the John Felmley Company for the construction of the Chemistry Building for the installation of a finished concrete floor in the south half of the basement.

No provision was made in the original budget of funds for this building for a concrete floor in the south half of the basement; the plans and specifications provide for a dirt floor. Funds are now available in the State appropriation for the "Construction of a new Chemistry Building" to include this improvement, which can be made at less cost while the building is under construction than later.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. Davis, this addition to contract was approved, and authority was given as recommended.

**ADDITION TO GENERAL CONTRACT FOR CONSTRUCTION OF
ADDITION TO HOSPITAL BUILDING FOR RESEARCH
IN PHYSICAL ENVIRONMENT IN CHICAGO**

(26) The Director of the Physical Plant Department and the Comptroller recommend an increase of \$18,977 in the contract with E. H. Marhoefer, Jr., Company for the general work on the construction of an addition to the present Research and Educational Hospitals Building for research in physical environment to provide for all labor, material, and other expenses necessary for furnishing and installing electrical service feeders to the research in physical environment addition and omitting some service conduits.

This building was designed at the same time as the addition to the Research and Educational Hospitals and the installation of electrical service feeders was included as a part of the general hospital addition. When the latter project was postponed, it became necessary to include the installation of the electrical service feeders in the addition for research in physical environment.

Funds are available for this additional work in the State appropriation for

"Construction of addition to present Hospital Building for Research in Physical Environment."

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. Williamson, this addition to contract was approved, and authority was given as recommended.

ADDITION TO CONTRACT FOR GENERAL WORK ON THE MECHANICAL ENGINEERING BUILDING

(27) In the planning of the Mechanical Engineering Building it was anticipated that certain basement areas would not be immediately needed and it was indicated in the contract drawings that these areas would be finished and subdivided at a later date. The Department of Mechanical Engineering has now asked that these areas be completed. The work can be done at less cost while the building is under construction than later. Moreover, finishing these areas will provide much needed additional classroom space.

The Director of the Physical Plant Department and the Comptroller recommend an increase of \$1,970 in the contract with James McHugh Sons, Inc., the general contractor on this project, for the additional work. Funds are available in the State appropriation for the "Construction of a new Mechanical Engineering Building" for this work.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. McKelvey, this addition to contract was approved, and authority was given as recommended.

EMERGENCY LIGHTING SYSTEM IN MCKINLEY HOSPITAL

Mr. McKelvey presented the following report.

The Board of Trustees has referred to its Committee on Buildings and Grounds a recommendation from the President of the University for authorization of a contract with Graham, Anderson, Probst, and White for the preparation of plans and specifications for the installation of a battery operated emergency lighting system in McKinley Hospital.

On January 17 the Committee met at Urbana to consider this and other matters. The Physical Plant Department was requested to restudy the project to determine how extensive an installation is necessary to provide adequate safeguards in the event of power failure. The Department has consulted with the University Health Officer on this question and he has reported as follows:

"It is our opinion that the following areas should be protected by such service: (1) the first floor, including the X-ray room, laboratory, and emergency room; (2) the surgery unit on the third floor, which of course takes in the operating room, sterilizing room, etc. By having such protection on the first floor, you will have provided a room for the use of the so-called 'iron lung,' or mechanical respirator, power-driven apparatus in the laboratory, etc.

"As we understand it, power has been unavailable at no time for longer than an hour, and that you propose providing standby battery service for four hours or longer."

In view of this reduction in the amount of emergency lighting to be installed, the estimate of the total cost of the project has been reduced from \$12,000 to \$8,000, including engineering services.

The Committee recommends that the firm of Graham, Anderson, Probst, and White be engaged to prepare plans and specifications and complete working drawings for this installation on a cost-plus basis. No appropriation is required as funds are available in the Physical Plant Department budget for this purpose.

FRANK H. MCKELVEY, *Chairman*
KARL A. MEYER
DORIS S. HOLT
JOHN R. FORNOF

On motion of Mr. McKelvey, these recommendations were adopted.

RESOLUTION, CASE OF WALTER R. REEVE

At this point, the Legal Counsel presented the following resolution, as requested during the morning session (page 979).

Whereas, the President of the Board read a letter, dated February 20, from Mr. H. F. Simonson, attorney for Walter R. Reeve and for the University of Illinois Employees Union No. 698, asking the Board of Trustees to investigate the facts which led to the termination of the employment by the University of Walter R. Reeve as an Aircraft Maintenance and Line Mechanic within his probationary period; and

Whereas, the letter also questions the functions of the Board of Trustees and the Chief Administrative Officer of the Board under the Civil Service Law; and

Whereas, the President of the Board, through the office of the President of the University, requested the Legal Counsel to report on the case; and

Whereas, the Legal Counsel reported that, from the files and from his participation in conferences, he was fully familiar with the history and circumstances of the case and summarized the facts and issues, and read from the files of the case; and

Whereas, the Legal Counsel also reported that, in his opinion, the University officers concerned had proceeded in accordance with the Policy and Rules governing Nonacademic Employees approved by the Board and in accordance with the Civil Service Law and that no violations of the rights of the employee in question has occurred; and

Whereas, the matter was fully discussed by members of the Board; and

Whereas, the Board took occasion to reaffirm its faith in the collective bargaining and related procedures under the Civil Service Law; now be it

Resolved that the Board sees no reason for disapproving of any of the actions taken in this case by the Officers of the University and it therefore refers the issues back to the Director of Nonacademic Personnel for such further action as may be necessary under the Civil Service Law and the Rules of the Board of Trustees.

On motion of Mr. Williamson, this resolution was adopted.

BUDGETARY PROVISION FOR THE UNIVERSITY

President Livingston made a statement on the budgetary needs of the University for plant and operation and requested the President of the University to continue the discussion. President Stoddard reported briefly on the possible ways and means of meeting the increased demands and needs of the youth of the State. The Provost reported on the progress of a study of probable growth of the student body.

The members of the Board discussed this matter.

On motion of Mr. Davis, the President of the University was requested to complete the study and to present his plan and recommendations to the Board and to the State at large.

SECRETARY'S REPORTS

The Secretary presented the following lists for record as printed in the Appendix.

1. Appointments made by the President of the University (page 1004).
2. Resignations, declinations, and cancellations (page 1009).
3. Leaves of absence (page 1010).
4. Degrees conferred at Urbana February 15, 1948 (page 1010).

The Board adjourned.

**CURRICULUM PREPARATORY TO TEACHING DEAF AND
 HARD OF HEARING CHILDREN**

For the Degree of Bachelor of Science in the Education of the Deaf

Required for Admission: Fifteen units of secondary-school work, including English, 3 units, Algebra, 1 unit, Geometry, 1 unit. Recommended, Science, 2 units, Language, 2 units.

Additional Standards: (a) The student must rank in the upper 25 per cent of his high-school graduating class or, if a transfer student, must have a grade point average of at least 3.5.

(b) The student who is preparing to teach the deaf must possess normal hearing acuity and normal formation of the teeth and lips. This will necessitate a personal interview with, and tests administered by, a staff member of the College of Education.

Graduation: A minimum of 124 hours of credit, not counting the first two years of work in military science and physical education, is required for graduation.

RESEARCH AND EDUCATIONAL HOSPITALS

POLICY AND PROCEDURE GOVERNING ADMISSION OF PATIENTS EFFECTIVE MARCH 1, 1948

The Research and Educational Hospitals are operated and maintained by the University of Illinois for the advancement of medical education and research.

The limited bed capacity necessitates basing admission primarily on the teaching or investigative value of the case and the lack of family income to procure medical attention from private sources. Citizenship and residence in the State of Illinois of at least one year are required.

The Hospitals offer two types of service — Inpatient and Outpatient (Clinic). The University reserves the right to assign patients to either, depending on individual need and available facilities. The plan of admission limits the number of cases of any one particular type which may be accepted during a given period.

¹ Under special circumstances, other courses may be substituted with the approval of the adviser.

The period of hospitalization is necessarily limited; therefore patients are discharged at the discretion of the department to which they are assigned.

Application for admission of a patient should be addressed to the Medical Director and accompanied by a letter from the attending physician stating the name, age, sex of applicant, history of present complaints, clinical and laboratory findings, impression or diagnosis, and family income. The referring physician should also state whether the patient's condition will permit use of the Outpatient service, which normally requires several visits to the clinic before completion of diagnostic procedures and therapy. All admission requests are reviewed for medical interest by the service concerned, and the applicant or referring physician will be informed whether or not the case may be admitted.

POLICY GOVERNING CHARGES

Medical services are provided free of charge. However, certain other charges are made. All charges are computed at cost, and assessed in accordance with the patient's ability to pay, with particular consideration of benefits available under any hospitalization insurance plan carried by the patient. Charges apply to patients eligible for or receiving financial assistance from public or private welfare agencies, whose policies provide payment toward medical costs. They apply alike to Clinic and Hospital patients and cover registration, laboratory service, drugs, X-rays, special appliances, and other costs.

All patients applying for admission to the Clinic or Hospital are to be screened for eligibility and ability to pay. They shall be informed of the fees in effect and classified as follows: (a) no payment, (b) partial payment, (c) full payment.

Except as otherwise indicated, all receipts of the Hospital are to be treated as general income. All expenses of the Hospital are to be covered by budget appropriations.

SCHEDULE OF CHARGES

Admission:	<i>Fee</i>
(a) All new patients admitted to the Clinic shall be assessed a Registration Charge of \$3 to cover costs of registering, chest microfilm, and all laboratory examinations made during the year following the date of registration. Each subsequent year this charge shall be \$2. Patients previously registered shall pay an annual charge of \$2 to cover laboratory tests during any yearly period.	
(b) Laboratory charge of \$6 for new patients admitted directly to the Hospital. If admission has been made by transfer from the Clinics, this charge shall be \$4. Either charge will cover all laboratory work ordered during the first week of hospitalization.	
(c) An additional laboratory charge of \$2 a week for all subsequent weeks of hospitalization. (Four days or more to constitute an additional week.)	
Allergy Clinic:

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

March 9, 1948

The annual meeting of the Board of Trustees of the University of Illinois was held on Tuesday, March 9, 1948, at the Blackstone Hotel, in Chicago, according to the following schedule:

10 a.m. — Executive session as in Committee of the Whole.

2 p.m. — Open session.

The following members were present: President Livingston, General Davis, Mr. Fornof, Mrs. Holt, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson.

President Stoddard was present; also Provost C. R. Griffith, Assistants to the President A. J. Janata and Wilbur Schramm, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and, during part of the day, Mr. D. E. Dickason, Director of Nonacademic Personnel.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the agenda for the meeting and took action on the following matters presented by the President of the University.

**APPROPRIATIONS FOR PROPERTY PURCHASES
AND IMPROVEMENTS**

(1) The Committee on Special Appropriations and Nonrecurring Expenditures recommends that appropriations be made from the General Reserve Fund for the following purposes:

1. Purchase of the property at 404 South Mathews Avenue, Urbana—\$20,000. This is a lot, 59' x 100' with a 19-room frame house which has been used as a student rooming house. The property is in the block bounded by Green Street, Goodwin Avenue, Illinois Street, and Mathews Avenue, and is in an area which the University needs to acquire for future campus expansion. The University already owns two properties adjoining the one at 404 South Mathews.

2. Purchase of the property at 1106 West Green Street, Urbana—\$15,000. This is a vacant lot with a frontage of 76 feet and is 264 feet deep. It is contiguous to University owned land and is in an area which the University will need to acquire for future campus expansion. In the meantime, the property could be used as a parking lot for the occupants of the Student and Staff Apartments to be constructed on the other side of Green Street.

3. Alterations and furnishings for the houses at 402 and 404 South Mathews Avenue and at the rear of 606 South Mathews for office space—\$28,000.

The houses at 402 South Mathews and at the rear of 606 South Mathews, already owned by the University, have been assigned to the College of Liberal Arts and Sciences for staff offices. The house at 404 South Mathews will also be used as office quarters but has not yet been assigned.

On motion of Mr. Nickell, these purchases were authorized, and the appropriations were made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Meyer.

PATENTABLE DISCOVERIES

(2) The University Research Board has submitted the following reports and recommendations relating to patentable discoveries by members of the staff:

1. *Solvent Extraction of Thorium*. In studying the problem of separation of the rare earths by solvents extraction, a means has been found which permits the preferential extraction of thorium. This is the result of research work in the Department of Chemistry under a task order on a contract the University has with the Office of Naval Research. The work was done under the supervision of Professor Ludwig F. Audrieth. Under the terms of the contract with the Navy the University must in any case give the Navy a royalty-free non-exclusive license under any patent that may issue. Aside from this consideration, the new process is almost exclusively of governmental interest. The Research Board therefore recommends full release of patent rights to the United States Government through the Office of Naval Research. Others who have participated in this research are Professor E. W. Comings and Mr. George F. Asselin, a graduate student.

2. *Development of a New Polymer*. Professor C. S. Marvel of the Department of Chemistry and Paul H. Aldrich, Assistant in Chemistry, have developed a new polymer, made by the addition of hexamethylene dimercaptan to diallyl. This polymer melts too easily to make a suitable synthetic fiber, but on oxidation it is converted to a polysulfone which does melt high enough to be of interest as a fiber. They have not yet been able to cold-draw the polysulfone, but believe this detail can be developed. From a scientific point of view, the discovery is very interesting and may have some patentable features, but there is a great deal of prior art in this field and two previous patents issued will undoubtedly dominate any claims which can be made by Messrs. Marvel and Aldrich. It is the judgment of the University Research Board that the University is not in a

position to benefit from a possible patent on this discovery and the Board recommends release to the discoverers.

I concur in the recommendations of the Research Board.

Dr. Luken reported that the Committee on Patents recommends approval.

On motion of Dr. Luken, these releases were authorized as recommended.

OPEN SESSION

When the Board convened in open session at 2 p.m. on March 9, 1948, the following members were present: General Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson.

President Stoddard was present; also Assistants to the President A. J. Janata and Wilbur Schramm; Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and Mr. J. F. Wright, Director of Public Information.

MR. JOHN R. FORNOF ELECTED PRESIDENT OF THE BOARD

Mr. Livingston acted as chairman of the meeting for the election of a president.

General Davis nominated Mr. John R. Fornof, of Streator, for the office of President of the Board for the ensuing year.

On motion of Mr. Nickell, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Fornof as President. The ballot was cast, and Mr. Fornof was declared elected President of the Board.

Mr. Fornof took the chair and expressed his appreciation of the honor.

APPRECIATION OF SERVICES OF PRESIDENT LIVINGSTON

On motion of Mrs. Holt, the Board made record of its appreciation of the untiring efforts and effective leadership of Mr. Park Livingston as President of the Board during the past five years. On request of President Stoddard, the President and the administrative staff of the University were permitted to join with the Board in this expression of good will to Mr. Livingston.

MR. HARRISON E. CUNNINGHAM ELECTED SECRETARY

On nomination of Mr. Livingston and on motion of Mr. Williamson, Mr. Harrison E. Cunningham, of Urbana, was elected Secretary of the Board for one year.

PROFESSOR LLOYD MOREY ELECTED COMPTROLLER

On nomination of Mr. McLaughlin and on motion of Mr. Nickell, Professor Lloyd Morey, of Urbana, was elected Comptroller for one year.

EXECUTIVE COMMITTEE ELECTED

Mr. McKelvey nominated Mr. Park Livingston, and Mr. Williamson nominated Mr. Chester R. Davis, to serve, with the President of the Board as Chairman, as members of the Executive Committee for the ensuing year.

On motion of Mr. McLaughlin, the nominations were closed, and the Secretary was instructed to cast the unanimous vote of the meeting for Mr. Livingston and Mr. Davis as members of the Executive Committee. The ballot was cast, and Mr. Livingston and Mr. Davis were declared elected.

AUTHORITY TO RECEIVE MONEY

On motion of Mrs. Holt, the following resolution was adopted:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois.

DELEGATION OF SIGNATURES

On motion of Mr. Nickell, the following resolution was adopted:

Resolved, that the President and the Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the State Auditor, and to warrants drawn on the Treasurer of the University, under the following conditions:

The President of the Board of Trustees is authorized to delegate to C. H. Pratt, to L. M. Dahlenburg, and to W. D. Green in Urbana, and to H. A. Hazleton, to J. F. Knight, and to E. M. Reeves in Chicago, and to H. R. Kobes and Mabel F. Meek, in Springfield, authority to sign his name as President of the Board of Trustees to vouchers against the State Auditor; and to C. C. DeLong and to H. F. Thornes in Urbana, and to H. A. Hazleton, J. F. Knight, and E. M. Reeves, in Chicago, and to W. J. English and B. W. Benedict in Galesburg, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon and to Helen L. Smith, in Urbana, and to G. R. Moon, to Ethel Engeljohn, to Helen Wyle, and to Velma M. Davis, in Chicago, and to L. O. Kerwood and Lois Herron, in Galesburg, authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is authorized to delegate to Mrs. Freida M. Hicks and to Lean C. Ryan, in Springfield, authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor approved in accordance with the regulations of the Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depository of Irvin L. Porter, Treasurer of this Corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: John R. Fornof, President, and H. E. Cunningham, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this corporation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile

signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

APPOINTMENTS TO THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(1) I submit the following nominations for reappointments and new appointments to the Board of Directors of the Athletic Association to be effective March 15. This date is specified because the Board of Directors has an important meeting scheduled for March 11 and it would be impracticable for the new Board to meet on such short notice. The organization of the new Board will take place at the April meeting.

Faculty

GEORGE B. WEISIGER, Professor of Law
FRANK H. BEACH, Associate Professor of Business Organization and Operation
CHARLES W. SANFORD, Associate Professor of Education and Coordinator of Teacher Education
PAUL N. LANDIS, Professor of English and Vice-Chairman of the Department of English (*new appointment*)

Alumni

C. E. LOVEJOY, JR., Class of 1920, Vice-President of *Sales Management*, 333 North Michigan Avenue, Chicago

 RAYMOND P. STEARNS, Associate Professor of History, second semester
 FRED W. TANNER, Professor of Bacteriology, first semester
 OSWALD TIPPO, Associate Professor of Botany, second semester
 HAROLD R. WANLESS, Professor of Geology, second semester
 FREDERICK F. WEINARD, Associate Professor of Floriculture, six months beginning March 1, 1949
 WILLIAM W. YAPP, Professor of Dairy Cattle Husbandry, six months beginning August 1, 1948

LEAVES OF ABSENCE FOR ONE-HALF YEAR ON ONE-HALF PAY

AURELIO E. FLORIO, Assistant Professor of Physical Education, second semester
 JOHN M. MATHEWS, Professor of Political Science, second semester

The programs of research, study, and travel for which these leaves are being requested have been examined by the University Research Board which advises the President in such matters. The Research Board's report to the President includes a supporting evaluation of the program in terms of benefits to the University and to the individual in each specific case recommended.

While the number of sabbatical leaves being recommended for 1948-1949 may seem large, it should be remembered that relatively few sabbatical leaves were requested and granted during World War II, so that there is an accumulation

of such requests. In the two years immediately preceding the war, twenty leaves were granted for 1938-1939 and twenty-three for 1939-1940, although some in the latter group were subsequently cancelled at the requests of the applicants after the war began.

On motion of Mr. McLaughlin, these leaves were granted as recommended.

CERTIFICATES FOR POSTGRADUATE COURSE IN DENTISTRY

(3) The Dean of the College of Dentistry and the Vice-President in charge of the Chicago Professional Colleges recommend the granting of certificates to postgraduate students in orthodontia who have completed a minimum of one year of work in full-time residence. The Board of Trustees on recommendation of the University Senate has previously authorized certificates for postgraduate programs in the College of Medicine.

The certificates will serve to give recognition to those practitioners who have completed training in a recognized specialty in the dental profession.

I concur.

On motion of Mr. Nickell, these certificates were authorized as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(4) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Equipment for the Department of Ceramic Engineering.....	\$29 000
2. Equipment for the Department of Dairy Production.....	10 000
3. Equipment and temporary lighting for the College of Fine and Applied Arts.....	9 876
4. Improvements in Room 155 Natural History for the Department of Botany.....	3 664
5. Equipment for Management courses and purchase of office equipment for College of Commerce.....	3 521
<i>Total</i>	<u>\$56 061</u>

On motion of Mr. McKelvey, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Dr. Meyer.

ADDITION TO THE GENERAL CONTRACT FOR THE ELECTRICAL ENGINEERING BUILDING

(5) The Physical Plant Department recommends a change in the construction of the Electrical Engineering Building by substituting four inches of brick for the Haydite block construction originally specified for the center of the exterior walls. Wall leakage has occurred in the Physics Research Laboratory recently constructed and it is the opinion of the University Architect that this is probably due to the use of concrete brick made with Haydite aggregate which forms a part of the exterior wall construction.

The John Felmley Company has submitted an estimate of \$2,567.62 for the additional cost of the change in the construction of the exterior walls of the Electrical Engineering Building.

The Director of the Physical Plant Department and the Comptroller recommend that the change be made.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute an addition to the contract.

On motion of Mrs. Holt, this addition to contract was approved and authority given as recommended.

**AWARD OF CONTRACT FOR ASPHALT TILE FLOORS IN THE
DENTISTRY, MEDICINE, AND PHARMACY BUILDING**

(6) Bids were received for the installation of asphalt tile flooring in Rooms 106, 221, and 423 Dentistry, Medicine, and Pharmacy Building as follows:

<i>Bidder</i>	<i>Amount</i>	<i>Remarks</i>
General Floor Corporation	\$3 256	Complete
C. E. Korsgaard Co.	4 180	Add \$275 for tile on stair risers
Thos. Moulding Floor Mfg. Co.	2 659	<i>Incomplete</i> ; does not include stair risers or handling of lecture room seats

The Director of the Physical Plant and the Comptroller recommend that the contract be awarded to the General Floor Corporation in the amount of \$3,256.

The bid from the Thos. Moulding Floor Mfg. Company was disqualified because it did not include all the work specified. The value of the work not included in their bid is considerably more than the difference between their bid and that of the General Floor Corporation.

Funds are available in the Physical Plant Department budget for this improvement.

I concur, and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this contract was awarded, and authority given as recommended.

**AWARD OF CONTRACT FOR FIRE PROTECTION
SYSTEM — CHICAGO**

(7) The following bids have been received for a new fire protection system in the Chicago Professional College buildings:

<i>Bidder</i>	<i>Amount</i>
M. J. Corboy Co., Chicago	\$18 600
O'Callaghan Bros., Chicago	24 750
H. P. Reger Co., Chicago	23 300
J. W. Holt Co., Chicago	39 370

This is an important project; the present fire protection system is without water due to underground leaks and failure of piping.

The Director of the Physical Plant Department and the Comptroller recommend award of the contract to the lowest bidder, M. J. Corboy Company, at \$18,600. Funds have been budgeted for this purpose.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded, and authority given as recommended.

**AWARD OF CONTRACT FOR INSTALLATION OF
NEW FIRE ALARM SYSTEM — CHICAGO**

(8) Bids have been received for the installation of a new fire alarm system in the buildings of the Chicago Professional Colleges as follows:

<i>Bidder</i>	<i>Amount</i>	<i>Installation</i>
E. P. Allison Co., Chicago	\$32 108	150 days
Edward Electric Co., Chicago	38 007	180 days
Hatfield Electric Company, Indianapolis	40 800	200 days
Meade Electric Co., Chicago	39 500	30 days
White City Electric Co., Chicago	43 502	200 days
Emerson Comstock Company, Inc., Chicago	34 000	6 mos.

The survey of mechanical facilities in the Chicago Professional Colleges by Holabird and Root, indicates that the present fire alarm systems, particularly in the buildings acquired from the Department of Public Welfare, are in a deplorable state, a serious situation in the operation of hospitals. This project has been

given top priority in the replacement and modernization projects scheduled for 1947-1948.

The Director of the Physical Plant Department and the Comptroller recommend award of the contract to the lowest bidder, the E. P. Allison Company, at \$32,108. Funds are available in the Physical Plant operation and maintenance budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Livingston, this contract was awarded, and authority given as recommended.

PURCHASES

(9) There are submitted herewith recommendations for purchases for approval by the Board, and purchases authorized by the President of the University (see Appendix, page 1052).

On motion of Mr. Williamson, purchases were authorized as recommended, and the action of the President of the University in authorizing emergency purchases was confirmed and approved.

GIFTS AND GRANTS OF FUNDS FOR RESEARCH AND OTHER PURPOSES

(10) A report of gifts and grants of funds for research and other purposes received by the University since the last report on November 29, 1947 (see Appendix, page 1053).

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(11) The Comptroller presents his quarterly report to the Board as of December 31, 1947. Copies of this report have been sent to all members of the Board in advance of this meeting.

This report was received for record.

ADDITION TO CONTRACT FOR UTILITIES DISTRIBUTION SYSTEM, URBANA-CHAMPAIGN

(12) The contract for the construction of the enlargement and extension of the utilities distribution system at Urbana-Champaign does not include lateral connections to the various buildings. The cost of such connections is properly chargeable to the appropriation for each building and in most cases the new building construction details had not been developed to include lateral connections at the time the contract for the utilities distribution system was let.

The Director of the Physical Plant Department and the Comptroller recommend an increase of \$4,328.85 in the contract with the Warner Construction Company for the construction of a conduit duct connecting the new Women's Residence Hall on Lincoln Avenue with the utilities distribution system. The Warner Construction Company has the contract for the construction of this building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mrs. Holt, this addition to contract was approved and authority given as recommended.

SUB-CONTRACT FOR BETATRON ERECTION

(13) On January 8, 1948 (Minutes, page 961), the Board of Trustees approved a contract with the Allis-Chalmers Manufacturing Company of Milwaukee for the supervision of the assembly and erection of the 300-mev Betatron. As a part of this contract, authority was given to the Allis-Chalmers Company to employ labor and purchase material if such purchases of over \$25 were approved in advance by the University and did not exceed in total the sum of \$25,000.

The Allis-Chalmers Company now requests authority to execute a contract with the Pennoyer Merchants Transfer Company for the actual rigging required for the 300-mev Betatron. This proposed contract provides for charges to be computed on the basis of fixed hourly rates varying by the class of labor used. The estimated total cost of this work is \$20,800.

The proposed hourly rates to be charged under this contract have been checked and have been found to be about the same as those quoted by other firms for this work.

Professors Donald W. Kerst, F. W. Loomis, and Dean M. L. Enger recommend that the Allis-Chalmers Company be authorized to sub-let this work for the following reasons:

1. The supervision of the erection is the responsibility of the Allis-Chalmers erection department.

2. There will be no question of divided responsibility as there would be if the University contracted directly with the rigging company.

3. Pennoyer Merchants Transfer Company has worked with Allis-Chalmers before on similar jobs and Allis-Chalmers' erection engineers are satisfied the Company can do this one satisfactorily.

The Director of Purchases and the Comptroller have reviewed the proposed contract and concur in the recommendation.

I concur.

On motion of Mr. Nickell, the sub-letting of this work was authorized as recommended.

PURCHASE AND INSTALLATION OF PUBLIC ADDRESS SYSTEMS FOR THE CHICAGO UNDERGRADUATE DIVISION

(14) The Dean of the Chicago Undergraduate Division at Navy Pier has requested the purchase of the following described public address equipment for the uses indicated:

1. Two public address systems for the Drill Hall. The Department of Physical Education has requested these systems to cover simultaneously a class at the north end of the Drill Hall for men and another in the south end for women.

2. A public address system for the Auditorium at the east end of the Pier to be used for lectures, meetings, and examinations.

3. Two portable units of 25 watts each to be used in lecture rooms and rented to University organizations requiring public address systems.

4. Two portable automatic record changers for use with the above equipment.

5. A program console to provide flexible control of program pickup. This will make it possible to add four microphones and to combine the two systems in the Drill Hall and the Auditorium for large meetings.

The following bids have been received on this equipment installed: Boom Electric Company, Chicago, \$6,930; Johnson Electric Company, Chicago, \$7,191.

The Director of the Physical Plant Department and the Comptroller recommend award of the contract for \$6,930 to the Boom Electric Company, the lowest bidder. Funds are available in the Physical Plant Department budget for this purchase.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract.

On motion of Mr. McKelvey, this contract was awarded, and authority given as recommended.

CASE OF WALTER R. REEVE

At this point, the Secretary read a telegram from Attorney H. F. Simonson to the President of the Board, requesting reconsideration of action in the case of Mr. Walter R. Reeve (Minutes, February 21, 1948, page 1003).

The Board requested the Director of Nonacademic Personnel to inform Mr. Simonson that its action of February 21, 1948, was final.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 1050).
2. Resignations, declinations, and cancellations (page 1051).

On motion of Mr. Livingston the Board adjourned, to meet on call.

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

- BESTOR, C. L., Scholar, Music, four months beginning February 1, 1948, \$250 (2-19-48).
- BOULET, J. L. L., Special Research Associate, Electrical Engineering (S) ($\frac{1}{4}$), six months beginning March 1, 1948, \$1300 a year, supersedes (2-27-48).
- CHEN, CHIA-YUNG, Magnavox Fellow, Chemistry, eight months beginning February 1, 1948, \$750 (2-26-48).
- COATES, C. L., JR., Instructor, Electrical Engineering (C), ten months beginning September 1, 1948, \$3200 a year (2-23-48).
- COLEMAN, MRS. SHIRLEY W., Personnel Technician, Student Personnel Bureau, six months beginning March 1, 1948, \$200 a month (3-5-48).
- COMEFORO, J. E., Illinois Clay Products Company Fellow, Ceramic Engineering, February 1, 1948-January 31, 1949, excluding July and August, \$2000 (3-2-48).
- CONE, L. W., JR., Instructor, Social Sciences (Undergraduate Division in Chicago) ($\frac{2}{7}$), five months beginning February 1, 1948, \$90 a month (2-27-48).
- DELORENZO, W. F., Assistant, Bacteriology, five months beginning February 1, 1948, \$1200, supersedes (3-5-48).
- DIXON, W. R., JR., Assistant Professor, Education, one year beginning September 1, 1948, \$4000 (2-24-48).
- ECKERT, ELEANOR C., Special Research Assistant, Home Economics (C), March 15-June 30, 1948, \$225 a month (3-6-48).
- FRY, F. J., Special Research Associate, Electrical Engineering (S) ($\frac{3}{4}$), seven months beginning February 1, 1948, \$325 a month, supersedes (2-19-48).
- FULLER, PATRICIA, Instructor, Humanities (Undergraduate Division in Chicago), five months beginning February 1, 1948, \$300 a month (2-27-48).
- FURST, VALENTIN, Visiting Research Associate, Medicine (Medicine), ten months beginning January 1, 1948, \$360 a month (2-24-48).
- GRISSOM, R. L., Clinical Assistant, Medicine (Medicine), eight months beginning January 1, 1948, without salary (2-23-48).
- GROSSMAN, A. A., Clinical Assistant, Otolaryngology (Medicine), without salary, Consultant, Division of Services for Crippled Children, \$200 a month, eleven months beginning October 1, 1947, supersedes (3-5-48).
- HECKERT, R. E., Minnesota Mining Fellow, Chemistry, four months beginning February 1, 1948, \$600 (2-26-48).
- HERMAN, HAROLD, Special Research Associate, Electrical Engineering (S) ($\frac{1}{2}$), seven months beginning February 1, 1948, \$2000 a year (2-19-48).
- HESSLER, V. P., Professor, Electrical Engineering (C), indefinite tenure beginning September 1, 1948, \$6000 a year (2-27-48).
- HICKMAN, JANET E., Assistant, Home Economics Research (S), February 1-June 30, 1948, \$200 a month (3-5-48).
- HOOD, MRS. ELLEN G., Instructor, Physical Sciences (Undergraduate Division in Chicago) ($\frac{1}{3}$), five months beginning February 1, 1948, \$100 a month (3-5-48).
- ILES, MRS. BESSIE P., Instructor, Music, five months beginning February 1, 1948, \$300 a month (3-5-48).
- INABNIT, D. J., Research Assistant, Bureau of Research and Service, February 15-June 30, 1948, \$2800 a year (2-24-48).
- JANOWITZ, HENRY, Research Fellow, Clinical Science (Medicine), February 2-August 31, 1948, without salary (2-27-48).
- KAISER, G. D., Clinical Instructor, Surgery ($\frac{1}{4}$), Anatomy ($\frac{1}{4}$), (Medicine), seven months beginning February 1, 1948, \$1500 a year, supersedes (2-26-48).
- KAULFERS, W. V., Professor, Education, one year beginning September 1, 1948, \$6000 (3-6-48).
- KOEHLER, K. E., Assistant, Architecture, five months beginning February 1, 1948, \$240 a month, supersedes (2-27-48).
- LANE, MRS. ALICE M., Assistant, Spanish, five months beginning February 1, 1948, \$1200, supersedes (2-24-48).

- LEHMANN, MRS. VIRGINIA, Lecturer, Social Welfare Administration, four months beginning February 1, 1948, \$500 (2-19-48).
- LENG, E. R., Assistant Professor, Plant Genetics and Plant Genetics Research (Agronomy) (C & S), June 1, 1948-August 31, 1949, \$4200 a year (2-26-48).
- LEPSON, MRS. INDA R., Instructor, Mathematics, five months beginning February 1, 1948, \$1700 (3-5-48).
- MARCHETTI, P. V., Instructor, Psychology, one year beginning September 1, 1948, \$3600 (2-27-48).
- MCCLANATHAN, DONALD, First Year Resident, Anesthesia (Research and Educational Hospitals), four months beginning February 1, 1948, \$55 a month, also to be provided full maintenance valued at \$384 a year (3-5-48).
- MOSSMAN, K. D., Assistant, Economics, five months beginning February 1, 1948, \$1200 (2-19-48).
- MURPHY, W. D., Assistant State Leader, Farm Advisers (E), January 31-August 31, 1948, \$6160 a year, supersedes (3-5-48).

GIFTS AND GRANTS OF FUNDS FOR RESEARCH AND OTHER PURPOSES

Gifts

1. Mrs. Margaret Anderson, Morris, Illinois, \$2,000 to be added to the scholarship fund for students in the School of Music known as the "William Anderson Scholarship in Music" in memory of her late husband. The amount received to date is \$6,500.

2. Laundry Workers' International Union, \$1,500 in support of a fellowship for graduate work in the Institute of Labor and Industrial Relations.

3. Eastman Kodak Company, \$750 in support of a graduate scholarship in Business Organization and Operation during the summer term of 1947 and the first semester, 1947-1948.

4. Illinois Federation of Women's Clubs, Third Congressional District, \$660 to finance one student through the course in Occupational Therapy. This is the fourth scholarship that has been given by this organization; these grants now total \$2,640.

5. The Women of Rotary, Chicago, \$600 to be added to the Orthopaedic Gift Fund for Children.
6. Illinois Crop Improvement Association, \$500 to the Department of Agronomy to help defray the cost of publishing the Corn Performance Bulletin.
7. Kappa Alpha Theta North Shore Junior Auxiliary, Chicago, \$320 for the purchase of carts for the Department of Orthopaedic Surgery.
8. Miss Dorothy J. Dailey, Rockford, Illinois, \$300 to help a deserving student. Miss Dailey while attending the University received this amount from the Wensel Morava Scholarship Fund, and while it was an outright grant, she is now returning this money to help another student.
9. Ladies' Auxiliary to the Illinois Rural Letter Carriers' Association, \$279.25 for services to cancer patients.
10. Sigma of Chi Phi Memorial, \$250 for the purchase of such books as may be needed by the Library.
11. Brook Hill Farms, Inc., Chicago, \$100 for the renewal of a scholarship formerly known as the "Robert G. Morey Scholarship," but now to be known as the "Brook Hill Farms Scholarship."
12. Mr. Andrew M. Fairlie, Atlanta, Georgia, a portrait of his brother, the late Professor John A. Fairlie, for the Department of Political Science.
13. Fischer and Porter Company, Hatboro, Pennsylvania, a stabl-vis flow-rator with six floats to the Department of Mechanical Engineering.
14. Sinai Temple of Champaign-Urbana, \$50 to be awarded as a prize to an outstanding student in the School of Music.
15. Alumni of the College of Dentistry, \$2,657 for the purchase of books and other literature in the special field of Oral Surgery for the Department of Oral and Maxillofacial Surgery.
16. Mr. Philip K. Wrigley, Chicago, a Republic Seabee airplane to the Institute of Aeronautics. This craft was purchased by Mr. Wrigley recently for his personal use and is in good condition.

Grants for Research

1. Prairie Farms Creamery, Champaign, \$250 in support of a study by the Agricultural Experiment Station of the economic facts concerning the dairy industry in the Champaign-Urbana community.
2. Vio Bin Corporation, Monticello, \$200 for research on antibiotics in the Department of Horticulture.
3. Socony-Vacuum Oil Company, New York City, \$2,000 in continued support of a fellowship in chemistry during the academic year, 1948-1949.
4. Western Cartridge Company, East Alton, Illinois, \$2,000 for the continuation of research in chemistry during the academic year, 1947-1948.
5. The Upjohn Company, Kalamazoo, Michigan, \$1,461.60 for the renewal of the Upjohn Fellowship in Chemistry under the direction of Professor C. S. Vestling during the academic year, 1948-1949.
6. Abbott Laboratories, North Chicago, \$1,200 in support of a postdoctoral fellowship in chemistry for a study of mariahuana-like compounds under the direction of Professor Roger Adams.
7. Monsanto Chemical Company, St. Louis, Missouri, \$1,200 for the renewal of the Monsanto fellowship in chemistry during the academic year, 1948-1949, under the direction of Professor C. S. Marvel.
8. Illinois Clay Products Company, \$2,200 in support of a fellowship in Ceramic Engineering during the period September 1, 1947, to June 1, 1948.
9. Titanium Alloy Manufacturing Company, New York City, \$2,000 in support of a fellowship in Ceramic Engineering during the year 1947-1948.
10. United States Public Health Service, National Institute of Health, \$5,508 for a study of the isolation of cholecystokinin by Dr. A. C. Ivy, Vice President in charge of the Chicago Professional Colleges.
11. Mr. Roy G. Daum, East Chicago, Indiana, \$250 for research in dementia praecox, to be added to the Psychiatry Fund in the College of Medicine.
12. A patient in the Research and Educational Hospitals, Chicago, \$100 for research in the field of Somatoprosthesi in the College of Dentistry.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

April 10, 1948

The April meeting of the Board of Trustees of the University of Illinois was held on Saturday, April 10, 1948, at the Illini Union Building, in Urbana, according to the following schedule:

10:30 a.m. — Executive session as in Committee of the Whole.

2:30 p.m. — Open session.

When the Board convened, the following members were present: President Fornof, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson. Mr. Livingston took his place with the Board during the forenoon.

President Stoddard was present; also Provost C. R. Griffith, Assistants to the President A. J. Janata and Wilbur Schramm, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and, during part of the day, Mr. D. E. Dickason, Director of Nonacademic Personnel, Professor W. L. Everitt, Head of the Department of Electrical Engineering, and Mr. E. L. Stouffer, Architect.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the agenda for the meeting and took action on the following matters presented by the President of the University.

CONTRACT FOR TABULATING EQUIPMENT

(1) For a number of years the University has maintained tabulating (punch-card) equipment, leased from the International Business Machines Corporation. This equipment is under the supervision of the Comptroller and is used about two-thirds time for payrolls, tax reports, and other business functions, and the remaining one-third for service to educational departments.

It is highly desirable that the student registration procedure in the Urbana-Champaign departments be mechanized through the punch-card system. The Director of Admissions and Records and the Comptroller compiled a schedule of the equipment which must be added. The plan of administration has not been worked out, but since approximately 16 months is required for delivery of the equipment after an order is placed, it is necessary to make a contract now to have the equipment available for the first semester of 1949-1950. An annual net rental, after allowing for educational discount, totaling \$14,602, is indicated at present price schedules. Additional services, estimated to cost \$7,800 a year, and a non-recurring appropriation for filing and other office equipment will also be required.

Some additional equipment is needed in the Business Office installation to make it possible to serve more completely the needs of educational departments. The total rental of the equipment needed is \$15,423 as compared with the present schedule of \$13,580. The cost of tabulating services rendered is charged to the departments receiving the service. The new installation will be used for further service to educational departments after the requirements of the registration system have been covered.

I recommend that general approval be given to this program, and that the Comptroller and Secretary of the Board be authorized to conclude contracts with the International Business Machines Corporation for equipment indicated herein, with authorization to make minor adjustments in the schedule as further studies progress, or the needs for various services indicate.

The Comptroller discussed this matter.

On motion of Dr. Meyer, this program was approved in principle, and authority was given as recommended.

FINANCING OF CHICAGO HOUSING PROJECTS

(2) On September 24, 1946 (Minutes, page 55), Vice-President A. C. Ivy presented to the Board of Trustees the housing needs of the Chicago Professional Colleges, including staff residential facilities, student residence halls, and a nurses' residence. On October 22, 1946 (Minutes, page 129), the Board approved the recommendation of a special committee for the construction of student and nurses' residence facilities in Chicago and authorized requests for State appropriations for these facilities. These appropriations were not secured.

Meanwhile, studies have been made and discussions carried on of the possibilities of securing loans for these projects. The Equitable Life Assurance Society of New York is willing to consider an application for a loan for the total construction costs of the projects, up to a tentative maximum of \$6,000,000, to be payable in 20 to 25 years, interest at 4% to 4½%. The loan would be made to the University of Illinois Foundation, to which the sites for the projects would be conveyed by the Board of Trustees. The Foundation would lease the projects to the University. Such leases would have to be on a biennial basis, with option of renewal.

Present estimates of the costs of the projects are as follows:

Student Residence Hall.....	\$2 153 180
Nurses' Residence.....	1 655 000
Staff Apartments.....	1 203 600
<i>Total</i>	<u>\$5 101 780</u>

These figures are subject to check after detailed plans and specifications have been completed. The loan would not cover any movable equipment, such as furniture, kitchen equipment, and other household furnishings.

On a \$6,000,000 loan at 4½%, straight line amortization in 20 years, the debt service for the first year would be \$570,000, which sum would decrease each year, the decrease the second year being \$13,500. The average annual debt service would be \$441,750.

Income from the projects is presently estimated at \$92,000 a year. This would result in a deficiency of \$478,000 during the first year, which would have to be made up from general funds of the University, thus necessitating an increase in the biennial budget of the University for 1949-1951 in an amount sufficient to cover this requirement. In addition, a special, nonrecurring appropriation would be required for movable equipment, estimated to cost \$323,100. If the construction cost is less than \$6,000,000, and more favorable loan conditions can be secured, the amount of debt service would be correspondingly decreased.

Information concerning the projects has been presented to six other parties representing life insurance companies. Two have indicated that they are definitely not interested, two have made no reply, and two others are studying the projects but have given no final answer.

To carry this forward the following steps are necessary:

(a) Sites for all the projects must be selected, and if additional land is necessary it must be acquired.

(b) Detailed plans and specifications must be completed and definite bids secured.

(c) Approval in principle by the Board of Trustees of the plan of meeting the difference between the debt service on these projects and the net income from the projects (after allowing for operating expenses) from its general funds, and authorization of the inclusion of the necessary sum in the biennial budgets.

(d) Approval by the Board of Trustees of the plan for financing and a request to the University of Illinois Foundation to file an application for the loan on these projects.

(e) The University of Illinois Foundation Board of Directors will then have to approve the filing of such an application.

(f) The whole matter is, of course, subject to the standard legal and financial requirements of the University, the Foundation, and of the two Boards.

I have a few reservations concerning these tentative proposals:

1. We should try again to get substantial appropriations for this type of construction on the Chicago campus. These halls do not yield a large income and are essentially State projects.

2. Following (1) we could then borrow a smaller sum than the total cost.

3. The proposed interest rate is high.

4. It may be harder to get the operating increase (nearly \$1,000,000 the first biennium) than the capital sum of \$6,000,000.

The matter is brought to the Board for discussion.

Mr. Livingston took his place with the Board during the discussion of this matter.

Action was deferred.

ADDITIONS TO ELECTRICAL CONTRACT FOR THE ELECTRICAL ENGINEERING BUILDING

(3) The Director of the Physical Plant Department and the Comptroller recommend two additions in the amount of \$5,557.30 and \$2,603.61 respectively to the contract with the Leverenz Electric Company, contractors for electrical work on the Electrical Engineering Building.

(a) The first addition will provide for the following changes requested by the Electrical Engineering Department:

1. The extension of wood block flooring now provided in Room 120 in the ground story to Rooms 126 and 127. This necessitates a change in conduit raceway

- from concrete trenches with angle edges and plate covers to a complete metal trough type of raceway now furnished by this contractor.....\$2 917 00
2. A change in control of fluorescent lighting in the Machine Laboratory which makes possible the use of higher voltages, requested in anticipation of future improvements in fluorescent lighting..... 2 640 30
- Total*.....\$5 557 30

I have asked a representative of the Department of Electrical Engineering to appear at the Board meeting and explain the need for these changes.

(b) The second addition will provide for the following changes:

1. A change from an under floor to an overhead electrical distribution installation.....\$1 485 75
(This requires additional outlets on the exterior walls. Extension of the under floor system to the exterior walls would interfere with the tunnel around the basement at the exterior walls containing heating and similar piping.)
2. Connections with utilities systems including fire alarm, class bell, and clock connections..... 1 117 86
(This is in keeping with the policy of charging to new buildings the cost of service connections for utilities.)
- Total*.....\$2 603 61

Funds are available in the State appropriation for the "Construction of a New Electrical Engineering Building."

Professor Everitt and Mr. Stouffer discussed this matter.

On motion of Dr. Meyer, these additions to contract were approved.

ESTATE OF WILLIAM T. ROGERS

(4) On June 30, 1945 (Minutes, page 500), there was reported to the Board the probate of the will of the late William T. Rogers of Buffalo, Sangamon County, Illinois. This will devised to the University as remainderman certain real estate, which on the death of the life tenant, was to be liquidated and the proceeds transferred to the University to be administered as a loan fund for deserving students. The life tenant, Sallie V. Rogers, predeceased the Testator.

The attorney for the estate, Mr. Clifford M. Blunk, of Springfield, advises that Mr. Robert J. Saner, Trust Officer of the Springfield Marine Bank, which is the Executor of the estate, has reduced all property to cash and is now ready to make final distribution.

The amount which will be paid to the University is in the neighborhood of \$107,000. Authorization is requested to receive these funds, which will be used to establish the "William T. Rogers Loan Fund," to be held and administered in accordance with the terms of the will.

The Comptroller and the Legal Counsel concur in this recommendation.

On motion of Mr. McLaughlin, the Comptroller was authorized to receive this fund for the purpose specified.

PURCHASE OF HOUSE AT 206 WEST VERMONT

(5) Pursuant to the residence properties acquisition program for staff housing authorized by the Board of Trustees, I am recommending the purchase of the property at 206 West Vermont Street, Urbana (Dr. G. L. Porter, Owner), at a price of \$21,000. The University has secured an option on this property. This is a seven-room brick house, approximately 22 years old, and is well constructed. It will be available for assignment to a University staff member on or before September 1, 1948. The price has been fixed by negotiations with the owner.

The Board of Directors of the Athletic Association has also authorized the purchase of a house for rental to a member of its staff. I recommend that the Board of Trustees approve the action of the Board of Directors of the Athletic

Association and the assignment of Athletic Association funds for this purpose; I further recommend that if it appears desirable to transfer the option on the property at 206 West Vermont Street to the Athletic Association, this be authorized by the Board of Trustees.

On motion of Mr. Livingston, this purchase was authorized as recommended, the action of the Board of Directors of the Athletic Association in authorizing the purchase of a house for rental to a member of its staff and assigning funds for the purpose was approved, and the transfer to the Athletic Association of the option on the property at 206 West Vermont Street was authorized if found desirable, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent Mr. Davis, Mr. Green, Dr. Luken.

**POLICY AND RULES RELATING TO COMPENSATION AND
WORKING CONDITIONS OF NONACADEMIC EMPLOYEES**

(6) At the March meeting, the Board discussed informally a proposed revision of the Policy and Rules Relating to Compensation and Working Conditions of Non-academic Employees. The point at issue is the clarification of the policy on prevailing rates. It may be helpful to consider these questions: (1) What is meant by "prevailing rates"? (2) How closely in time should changes in prevailing rates be followed by changes in wages paid—for example, immediately (as is now the case), at the beginning of a fiscal year, or at the beginning of a biennium? (3) Under any plan, what provision can be made in the budget to take care of extraordinary changes in wage rates?

As I follow the decisions and interpretations of the Board, I feel that we are committed to a two-fold policy: (1) to maintain a high wage standard equal, if not superior to, wages paid for similar work in the community and (2) to maintain the principle of conservation of State funds. We want to avoid both a short-changing of employee groups and a charge of wastefulness of University funds.

After discussion, and on motion of Mr. Williamson, the Board reaffirmed its support of the principle of paying the prevailing wages as defined in *The Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees* (effective July 1, 1945), and the appropriate University officers were directed to initiate such negotiations with employee groups as may be necessary to bring into conformity with that policy any elements of the University wage policies which now deviate from it; and further, the principle of active participation by the University in negotiations which affect the University's interest was approved.

**REQUEST FROM REPRESENTATIVE OF UNIVERSITY OF
ILLINOIS EMPLOYEES' UNION**

(7) At the meeting of the Board of Trustees on March 9, 1948, Mr. Park Livingston presented the following letter under date of March 2 which he had received from Mr. Sherdie C. Jones, representative of Local 698, American Federation of State, County, and Municipal Employees:

March 2, 1948

*Mr. Park Livingston, President
Board of Trustees, University of Illinois
Civic Opera Building,
Twenty North Wacker Drive,
Chicago, Illinois*

DEAR MR. LIVINGSTON:

Prolonged negotiation between Local No. 698 and the University of Illinois through the Office of Nonacademic Personnel over a period of eight months has failed to produce an agreement on wage rates for employees covered by the negotiations.

The negotiations have been hampered by the claim of the Director of Non-academic Personnel that the prior obligation of the University to meet wage adjustments for employees whose rates are determined by prevailing rates makes it impossible for him to agree upon adjustments for employees who negotiate directly with the University through their representative.

The Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees provides three methods of determining wage adjustments.

The Policy does not state, however, that employees whose wage rates are determined by one method shall be denied adjustments because employees whose wages are determined by another received adjustments.

We therefore ask the Board of Trustees to take steps to make it possible for employees who negotiate directly with the University through their collective bargaining representative to realize the fruits of collective bargaining.

We will welcome the opportunity to confer with any committee named by the Board to consider our request.

Sincerely,

SHERDIE C. JONES, *Representative*
403½ Stanage Avenue
Champaign, Illinois

After discussion, the President of the University was requested to draft a reply to Mr. Jones's letter in conference with Mr. Livingston and Mr. Dickason.

OPEN SESSION

When the Board convened in open session at 2:30 p.m., the following members were present: President Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson.

President Stoddard was present; also the officers present during the morning session, and Director J. F. Wright.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of February 21 and March 9, 1948.

On motion of Mr. Livingston, the minutes were approved as printed on pages 971 to 1054 above.

REPORT OF THE EXECUTIVE COMMITTEE, MARCH 25, 1948

The Secretary reported for record that the Executive Committee on March 25, 1948, approved a recommendation from the President of the University that the certificate of Certified Public Accountant be awarded to the candidates who have fulfilled all requirements and who have passed the C.P.A. examination given in November, 1947. (See Appendix, page 1083.)

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

APPROPRIATION FOR MEDICAL BETATRON

(1) On February 21, 1948 (Minutes, page 979), the Board of Trustees, on recommendation of the Committee on Special Appropriations and Nonrecurring Expenditures, approved an appropriation of \$110,000 for the purchase of a medical betatron for the Chicago Professional Colleges, provided a grant for this purpose could not be secured from a Federal agency, or a private source. Applications for a grant from such sources all have been declined, so that if the betatron is to be secured the cost must be met from University funds.

Subsequent to the February 21 meeting, it was found that the cost will exceed the original estimate. This is due to: (1) the Allis-Chalmers Company, the manufacturer, will require escalation protection of 20 per cent in the event of an increased cost over the present estimate; and (2) the cost of installation, which requires the building of a structure to house the equipment, will exceed the previous estimate.

Exact bids for construction have not yet been secured, so that it is still impossible to determine the ultimate cost. However, we may lose the betatron unless a contract is let soon. The matter has been reviewed by the Committee, which now recommends a further appropriation of \$65,000, making a maximum total of \$175,000, or so much thereof as may be necessary. Any excess over final costs will lapse.

The increase in electric current will cost about \$2,000 a year, which must be provided for in the budget of the Physical Plant Department beginning with 1948-1949.

I recommend the additional appropriation of \$65,000 and authorization of the purchase of one 100 Roentgen Unit Betatron X-Ray machine (as per specifications No. 42172) from the Allis-Chalmers Company, Milwaukee, Wisconsin, at a base price of \$85,000 plus allowance for any increase in cost of manufacture between the date ordered and the time of delivery, the maximum price not to exceed \$102,000, f.o.b. Milwaukee, Wisconsin.

On motion of Mr. Williamson, this purchase was authorized and the appropriation made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(2) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following on the basis of their having satisfactorily passed the written examination given by the Special Board of Examiners under the provisions of Section 4b of the Accountancy Act of 1943. They have also satisfied all of the condition requirements of that section of the Act:

EDWARD GIMBEL

HARRY HIESER

ALBERT KIMMEL

LUKE DANIEL MCCOY

LEO MEADE

JOSEPH ELMORE PEHLMAN

JACK WEINER

The Committee also recommends the award of the C.P.A. certificate to the following under Section 5 of the Accountancy Act of 1943. They have presented satisfactory evidence that they are holders of valid and unrevoked C.P.A. certificates in other states, which they obtained by passing the regular written examinations.

MYRON JOHN BOEDEKER (Mass.)

LAWRENCE CARDER (N.Y.)

HAROLD CONRAD CRAWFORD (N.Y.)

CARL EDWARD HELLMAN (Ind.)

HILTON JOHN MERZDORF (Ohio)

VICTOR HVID NELSON (Ohio)

ROYAL CHURCH THURSTON, JR. (N.Y.)

MARK CRAVEN WALKER (Mass.)

I concur.

On motion of Mr. Williamson, these certificates were awarded as recommended.

CURRICULA IN LIBRARY SCIENCE

(3) The University Senate recommends that effective September 1, 1948, the following new programs be offered:

I. A two-year curriculum leading to the degree of Bachelor of Science in Library Science.

Admission. Fifty-six hours of university work, not including military training and physical education, will be required for admission to the Library School. Students in the College of Liberal Arts and Sciences who plan to enter the Library School are advised to register either in the Division of General Studies

or the general curriculum. Students in the general curriculum are advised to distribute their work according to the College plan including foreign languages, humanities, social studies, and natural sciences. Students registered in other colleges are advised to follow a regular program in that college.

Scholarship. A minimum scholarship average of 3.5 will be required for admission and for graduation.

Requirements for Graduation. 120 hours exclusive of military training and physical education. In this 120 hours must be included eighteen hours of Library Science and a major and minor. The major will consist of twenty hours and the minor of sixteen hours, both chosen from the following list of subjects:

Agriculture	Geography and Geology
Art and Architecture	History
Biology	Journalism
Business Administration	Mathematics
Chemistry	Music
Classics	Philosophy
Economics	Physical Sciences
Education	Political Science
Engineering	Psychology
English	Sociology
Foreign Languages	

Part of this work may be completed prior to admission to the Library School. The remainder of the curriculum may be elected from courses offered by other colleges and schools as approved by the student's adviser.

Prescribed Subjects. Eighteen hours in Library Science, chosen from the following courses: Lib.Sci. 201, Library in the Social Order, 3 hours; Lib.Sci. 202, Use of Books and Libraries, 3 hours; Lib.Sci. 251, Organization and Operation of Libraries I, 3 hours; Lib.Sci. 252, Organization and Operation of Libraries II, 3 hours; Lib.Sci. 301, Humanistic and Social Science Literature, 3 hours; Lib.Sci. 302, Literature of Science and Technology, 3 hours; Lib.Sci. 303, Library Materials for Children, 3 hours; Lib.Sci. 304, Library Materials for Adolescents, 3 hours.

Electives. The remainder of the curriculum may be elected from courses offered by other colleges and schools in the University as approved by the Director or Assistant Director of the Library School.

II. A fifth year program leading to the degree of Master of Science in Library Science, replacing the present two-year program leading to the degree of Master of Science.

The degree will be taken without thesis but nine units of graduate work will be required. A reading knowledge of one modern foreign language will be required for admission to the curriculum.

A reading knowledge of at least two foreign languages will be required of students specializing in bibliographical work or college library administration.

III. A two-year graduate program beyond the master's degree leading to the degree of Doctor of Library Science (L.S.D.).

The Graduate College requirements as to major and minor subjects, residence, period of study, knowledge of languages, preliminary and final examinations, and research which apply to the degree of Doctor of Philosophy (Ph.D.) will apply to the degree of Doctor of Library Science.

I concur.

On motion of Mr. McLaughlin, these curricula and programs were approved as recommended.

THOMAS J. SMITH SCHOLARSHIPS IN MUSIC REGULATIONS

(4) Under an agreement with the late Captain Thomas J. Smith of Champaign, a former member and president of the Board of Trustees of the University of Illinois who gave the University certain farm lands which were sold and the proceeds used for the construction of the Smith Music Hall, the Board of Trustees established four scholarships to be awarded each year to women in the School of

Music who are unable to pay the accustomed tuition. These scholarships are awarded on the basis of comparative promise in music as judged by a special committee appointed for that purpose and under regulations of the Board of Trustees. The committee of the School of Music which nominates candidates for the Thomas J. Smith Scholarships in Music has recommended the following changes in the regulations:

1. Regulation No. 3 which reads as follows:

"Each applicant shall submit an essay of not fewer than 250 words on some subject in music, chosen by herself, to show that she had adequate training in English composition."

to be changed to read:

"The Committee in selecting the candidates for the scholarship shall consider in addition to evidence of promise in music and financial need, the student's previous scholarship record."

2. Regulation No. 5 which reads as follows:

"These scholarships shall be good for one year and shall exempt the holders during this period from matriculation, incidental, and music fees. They may be renewed for one, two, or three years provided the scholars maintain at least an average grade of B in all subjects."

to be changed to read:

"These scholarships shall be good for one year and shall exempt the holders during this period from the tuition fee. They may be renewed for one, two, or three years, providing the scholarship holder maintains a *superior scholarship average in her work in the University.*"

The matriculation and special music fees have been discontinued. The incidental fee is now called the tuition fee. The benefits to the scholarship holder are not diminished by this change.

I concur.

On motion of Mr. McKelvey, these changes were approved and adopted as recommended.

REQUEST FOR ASSIGNMENT OF LAND TO THE STATE NATURAL HISTORY AND GEOLOGICAL SURVEYS

(5) The following letter from the Chairman of the State Board of Natural Resources and Conservation and resolution adopted by that Board are submitted at his request:

March 10, 1948

*Members of the Board of Trustees,
University of Illinois.*

GENTLEMEN:

Herewith I hand you copy of Resolution adopted by the Board of Natural Resources and Conservation on February 24th, 1948, with reference to allocation of lands for future construction by this Board on the campus of the University of Illinois.

This matter has been thoroughly gone into and discussed among the members of the Board, including President George D. Stoddard. President Stoddard informs us of a proposed 25-year plan in conjunction with the cities of Urbana and Champaign. He does not sign the Resolution because in his capacity as President of the University, he feels that this matter should be left to the committee and then to the Board itself. He expressed the view that we should have more land allocated to us according to our needs and that it should be adjacent to our present building.

We are in complete sympathy with some 25-year plan and desire to work in complete harmony with the University.

It is highly important that land should be allocated to the Board which will be adjacent to the present Natural Resources Building, and we shall be glad to have our representative confer with the committee now in the process of planning, and also to appear before your Board when and if necessary.

I earnestly request that our suggestions be given your very serious consideration, and assure you that we desire to assist you in future plans as well as carry on our own particular functions.

Sincerely yours,
FRANK G. THOMPSON, *Director*
Chairman, Board of Natural
Resources and Conservation

“RESOLUTION

CONCERNING RESERVATION OF ADDITIONAL LAND BY THE UNIVERSITY OF ILLINOIS FOR USE OF THE GEOLOGICAL AND NATURAL HISTORY SURVEYS

Whereas space now available to the Geological Survey and the Natural History Survey on the campus of the University of Illinois at Urbana is inadequate both for present plans and normal future needs, and

Whereas the needs of these Surveys for expansion will be a continuing and increasingly important matter for which plans must be developed with foresight, and

Whereas there seems but one direction in which space expansion logically can be developed,

Therefore, the Board of Natural Resources and Conservation of the State of Illinois respectfully requests the University of Illinois to reserve the following area for the expansion of the Geological and Natural History Surveys on the University of Illinois campus, Champaign, Illinois:

That area adjacent to and west of the presently allotted Natural Resources Building area, bounded on the east by Sixth Street, the south by Pennsylvania Avenue, the west by Fourth Street and the north by Stadium Drive.

Approved in Quarterly Meeting
February 24, 1948.

FRANK G. THOMPSON, *Chairman*
LEWIS H. TIFFANY, *Secretary*”

The State Natural History Survey, the State Water Survey, and the State Geological Survey are divisions of the State Department of Registration and Education. A State Board of Natural Resources and Conservation administers the research, investigational, and other scientific programs of the surveys including the selection and appointment of the scientific staff. The President of the University, or his representative, is by law a member of the Board.

I did not sign the resolution because: (1) as President of the University and as the executive agent of its Board of Trustees, I shall doubtless be asked by the Board of Trustees for a recommendation and therefore I should not commit myself in advance by signing the resolution as a member of the Board of Natural Resources and Conservation; and (2) the proposed plan for the general development of the communities of Champaign and Urbana and the University may conceivably affect the University's campus planning and assignments of areas.

In the meantime, the resolution has been referred to the University's Building Program Committee for its consideration and advice to the President.

This report was received for record.

EASEMENT FOR CONSTRUCTION OF POWER LINE ON ALLERTON FARMS

(6) The Illinois Power Company has requested an easement to build a power line along the north edge of the University of Illinois property in Section 14, Monticello Township. The Dean of the College of Agriculture reports that the granting of this easement will not affect the operation of the farms. The Dean of the College of Agriculture and the Comptroller recommend that the easement be granted to the Illinois Power Company.

I concur and recommend the adoption of the attached resolution.

On motion of Mr. Williamson, the following resolution was adopted as recommended.

Whereas, The Board of Trustees of the University of Illinois is the owner of that part of the West One-half (W½) of the Southwest Quarter (SW¼)

(lying North of the Sangamon River), Section Fourteen (14), Township Eighteen North (18N), Range Five (5), East of the Third Principal Meridian in Piatt County, Illinois, and

Whereas, the Illinois Power Company proposes to construct an electrical distribution system through that land, and

Whereas, The Board of Trustees of the University of Illinois will benefit from the construction of such electrical distribution system in that electrical service will be available to certain properties owned by The Board of Trustees, and

Whereas, the Illinois Power Company has requested The Board of Trustees of the University of Illinois to grant to it an easement to permit the construction of such electrical distribution system,

Now therefore be it resolved, that the Comptroller and the Secretary of The Board of Trustees of the University of Illinois are hereby authorized in behalf and in the name of The Board of Trustees of the University of Illinois to execute an easement to the Illinois Power Company to permit such Company, its successors and assigns, to enter upon the land owned by The Board of Trustees of the University of Illinois and described as

"That part of the West One-half ($W\frac{1}{2}$) of the Southwest Quarter (SW $\frac{1}{4}$) (lying North of the Sangamon River), Section Fourteen (14), Township Eighteen North (18N), Range Five (5), East of the Third Principal Meridian in Piatt County, Illinois,"

and to construct, operate, repair, maintain, patrol, remove, relocate, and reconstruct thereon an electric transmission or distribution line or system, including the right to cut and trim trees and shrubbery and remove other obstacles to the extent necessary to keep them clear of said electric line.

EASEMENT FOR TELEPHONE CABLE ON WRIGHT FARMS

(7) The Illinois Bell Telephone Company has requested permission to install and maintain an underground cable along the south edge of Wright Farm No. 3 in DeKalb County for a distance of approximately 260 rods. It has offered to pay fifty cents a rod for this privilege, plus reimbursement for damages to fences and growing crops arising from the construction and maintenance of this system.

The Dean of the College of Agriculture and the Comptroller recommend that the Illinois Bell Telephone Company be granted an easement.

I concur and recommend the adoption of the attached resolution.

On motion of Mr. McLaughlin, the following resolution was adopted as recommended.

Whereas, The Board of Trustees of the University of Illinois is the owner of the South One-half ($S\frac{1}{2}$), of the South One-half ($S\frac{1}{2}$), of the South One-half ($S\frac{1}{2}$), of the South One-half ($S\frac{1}{2}$) of Section Nineteen (19), Township Forty North (40N), Range Three East (3E) of the Third Principal Meridian, located in the County of DeKalb and State of Illinois, and

Whereas, The Illinois Bell Telephone Company proposes to construct a communication system through that land, and

Whereas, Such construction, if permitted, will assist in the distribution of reasonable long distance telephone service in the State of Illinois, and

Whereas, The Illinois Bell Telephone Company has requested The Board of Trustees of the University of Illinois to grant it an easement to permit the construction of such communication system for the consideration of fifty cents (50¢) per rod,

Now therefore be it resolved, That the Comptroller and the Secretary of The Board of Trustees of the University of Illinois are hereby authorized in behalf and in the name of The Board of Trustees of the University of Illinois to execute an easement to the Illinois Bell Telephone Company to permit such Company, its successors and assigns, to enter upon the land owned by The Board of Trustees of the University of Illinois and described as

"The South One-half ($S\frac{1}{2}$), of the South One-half ($S\frac{1}{2}$), of the South One-half ($S\frac{1}{2}$), of the South One-half ($S\frac{1}{2}$) of Section Nineteen (19), Township Forty North (40N), Range Three East (3E) of the Third Principal Meridian, located in the County of DeKalb, State of Illinois,"

and to construct, operate, maintain, replace and remove a communication system consisting of such underground cables, wires, conduit, drains, and splicing boxes

and surface testing terminals, markers and other appurtenances as the Company may from time to time require upon, over, under and across such property for a consideration of fifty cents (50¢) per rod it being understood and agreed that such communication system shall be located within a strip of land two (2) rods wide.

**SALE OF ADDITIONAL CABLE TO THE ILLINOIS
BELL TELEPHONE COMPANY**

(8) The Board of Trustees on April 18, 1946 (Minutes, page 1065), authorized the Comptroller and the Secretary of the Board of Trustees to execute a contract with the Illinois Bell Telephone Company for (a) the installation of an Illinois Bell Telephone Company PBX exchange to centralize all University telephone service on the Urbana Campus, and (b) the sale of the present University owned intercommunicating exchange and cable plant for the sum of \$18,000.

Additional telephone cable over and above that originally contemplated is available to be sold to the Illinois Bell Telephone Company at an additional sum of \$16,002.70, or a total price including the original equipment of \$34,002.70.

The Director of the Physical Plant and the Comptroller recommend the sale of this equipment at a total price of \$34,002.70.

I concur and recommend the adoption of the attached resolution.

On motion of Mrs. Holt, the following resolution was adopted as recommended.

Whereas, The Board of Trustees of the University of Illinois, at its meeting on April 18, 1946, authorized the Comptroller and Secretary of the Board to execute a contract with the Illinois Bell Telephone Company for:

(a) The installation of an Illinois Bell Telephone Company PBX Exchange to centralize all University telephone service on the Urbana Campus, and

(b) The sale of the present University owned intercommunicating exchange and cable plant for the sum of eighteen thousand dollars (\$18,000.00).

And whereas, in accordance with their authority, the Comptroller and Secretary of the Board of Trustees did, on October 14, 1946, execute such a contract with the Illinois Bell Telephone Company,

And whereas, it is now advisable to sell to the Illinois Bell Telephone Company house cable for the sale price of thirteen thousand and twelve dollars and forty-nine cents (\$13,012.49) and buried cable for the sale price of two thousand nine hundred and ninety dollars and twenty-one cents (\$2,990.21) the sale of which was contemplated at the time of the execution of the contract, but no determination could be made at that time as to the amount of additional cable to be sold.

Be it therefore resolved, that the Comptroller and Secretary of the Board be and the same hereby are authorized to execute a contract with the Illinois Bell Telephone Company and to execute a bill of sale to such company for the sale of the University owned intercommunicating exchange and cable plant referred to in the minutes of the meeting of the Board on April 18, 1946, house cable for the sale price of thirteen thousand and twelve dollars and forty-nine cents (\$13,012.49) and buried cable for the sum of two thousand nine hundred and ninety dollars and twenty-one cents (\$2,990.21), making a total sale price of thirty-four thousand two dollars and seventy cents (\$34,002.70).

SALE OF DUPLICATE JOURNALS FROM HERTZLER LIBRARY

(9) In 1944 (Minutes, July 18, page 14), Dr. Arthur E. Hertzler gave the University a collection of medical books. It includes duplicate copies of a number of sets of journals which, although valuable, are not needed by the University. The Director of the Library recommends that such duplicates be sold and the proceeds used to purchase other works to be added to the Hertzler Library. A tentative estimate of the receipts from such sales of approximately 2,875 volumes is \$8,625. There are no restrictions in the gift which prevent such a sale.

I recommend that the sale of these publications be authorized and that the proceeds be appropriated for additional purchases for the Hertzler Library.

On motion of Mrs. Holt, this sale was authorized and the proceeds were made available for the purchase of books as recommended, by

the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

**AWARD OF CONTRACT FOR LIGHTING IMPROVEMENTS IN
GENERAL DENTAL CLINIC ROOM**

(10) The following bids have been received for lighting improvements in the General Dental Clinic Room No. 962 of the Dentistry, Medicine, and Pharmacy Building:

Construction Electric Company, Chicago.....	\$5 754 88
Rossett Electric Company, Chicago.....	5 961 00
Hyre Electric Company, Chicago.....	5 978 36
Kil-Bar Electric Company, Chicago.....	6 555 00

The Director of the Physical Plant Department and the Comptroller recommend the award of the contract to the lowest bidder, the Construction Electric Company, in the amount of \$5,754.88. Funds have been budgeted for this improvement.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this contract was awarded and authority given as recommended.

**AWARD OF CONTRACT FOR AIR-CONDITIONING INSTALLATION
IN ROOM 157 NATURAL HISTORY BUILDING**

(11) The following bids have been received for an air-conditioning installation in Room 157 Natural History Building. This space is used for photosynthesis research by Professor Robert Emerson. The humidity is so high in the summer months that it is impossible to make necessary electrical measurements. Air-conditioning will reduce humidity and make possible continuation of the research during the summer:

<i>Name of Bidder</i>	<i>Proposal 1 Base Bid</i>	<i>Proposal 2 V-Belt Drive</i>
Mid-State Engineering Company, Champaign.....	\$5 823	+\$212
F. R. Inskip & Company, Champaign.....	4 385	+ 185
Bloomer Heating & Ventilating Company, Chicago.....	6 070	+ 196

Professor Emerson, the Comptroller, and the Director of the Physical Plant Department recommend acceptance of the lowest bids on Proposals 1 and 2 of F. R. Inskip and Company in the total amount of \$4,570. Funds are available for this installation.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute a contract with F. R. Inskip and Company for \$4,570.

On motion of Mr. McKelvey, this contract was awarded and authority given as recommended.

AWARD OF CONTRACT FOR PRACTICE ORGANS

(12) On September 26, 1947 (Minutes, page 827), the Board appropriated \$18,000 for the purchase of practice organs in the School of Music to replace two practice organs. Tentative specifications were prepared and submitted to several builders, discussions were carried on with those interested, and inspections were made of organs of various builders. The Director of the School of Music recommends that a contract for the two organs be made with Aeolian-Skinner Organ Company of Boston, Massachusetts, through their Chicago representative, Mr. Walter D. Hardy.

The University has had experience with organs built by six makers, including Aeolian-Skinner Company which built the organ in Smith Music Hall. This organ has been the most satisfactory mechanically of any organ at the University. Less mechanical difficulty has been experienced and it has stood up well under the strain of constant playing to which University organs are subjected. From a

maintenance standpoint the Skinner organ is believed to be the best organ available. Its tonal quality is of the highest character.

This company also has pioneered in a somewhat different type of pipe organ known as the Baroque type which has been installed in several music schools. These schools report satisfaction with this instrument for training purposes. It is a small instrument that produces tonal effects previously to be had only in the largest organs. It is proposed that the University have one of the new organs built according to this design and the other in accordance with the more conventional design. In both cases the number of pipes and consequent scope of the instruments is greater than that of the original specifications. The bid of the Skinner Company on the two organs under the new specifications is only \$100 greater than its bid on the original specifications.

The total quoted cost of the two new organs is \$19,000 which is in excess of the special appropriation made for this purpose. The two organs being replaced, which will be of no use to the University, can probably be sold for an amount at least equal to this excess and it is requested that such receipts be appropriated for this purpose. The Director of the School of Music has agreed that any difference may be taken out of his regular equipment appropriation.

The Director of Purchases and the Comptroller concur in this recommendation and request that the Comptroller and the Secretary of the Board be authorized to execute a contract with the Aeolian-Skinner Organ Company for two practice organs for the School of Music for the total sum of \$19,000, payment to be made as the work of construction and installation progresses up to 75% of the purchase price, and the remaining payment to be made after installation and acceptance which is presently expected by September 1, 1949.

I concur.

On motion of Mrs. Holt, this purchase was authorized and the appropriation of receipts made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

AWARD OF CONTRACT FOR REPLACEMENT OF ELEVATOR BRAKES IN RESEARCH AND EDUCATIONAL HOSPITALS

(13) The following bids were received on March 30 for the replacement of brakes in elevators in the Research and Educational Hospitals:

	<i>D. C. Brakes</i>	<i>A. C. Brakes</i>
Otis Elevator Company.....	\$3 133 00	No bid
Reliance Elevator Company.....	2 475 00	No bid
Haughton Elevator Company.....	2 365 00	\$2 165 00

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to the lowest bidder, the Haughton Elevator Company, accepting their proposal for use of alternating current type of brakes, at a total cost of \$2,165. Funds are available.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McLaughlin, this contract was awarded and authority given as recommended.

ADDITIONS TO CONTRACTS FOR CONSTRUCTION OF TEMPORARY WAREHOUSE NO. 1 AND VETERANS' TEMPORARY RECREATION BUILDING

(14) The Director of the Physical Plant Department and the Comptroller recommend:

1. An addition of \$2,075 to the contract with the Champaign Plumbing and Heating Company for the heating installation, not provided by the Federal Works Agency, in Temporary Warehouse No. 1.

2. An addition of \$2,895.31 to the contract with J. L. Simmons Company, Incorporated, for the construction of the Veterans' Temporary Recreation Building.

These contract additions are necessary to carry out the University's obligations on the projects. Under FWA regulations the Government contractors on the buildings could not undertake doing the University's part of the work until all of the FWA contracts had been completed. The contractors are now free to do the University's work.

In the case of the warehouse the FWA installed the heating equipment in the building but the University must assume the cost of constructing a steam conduit from the nearest source of supply to the building.

The Veterans' Temporary Recreation Building is being used for recreational activities and also as a Nursery School. Under Federal law, the FWA could not allocate this building to the University of Illinois as a Nursery School building, but could do so as a Veterans' Recreation Building. All construction and installations were therefore pointed toward such use. It is desirable to make certain installations in this building so that it can be used more effectively as a Nursery School. The contract addition recommended here is for improvements to make the building more usable for Nursery School purposes without detracting from its use as a recreation building.

Funds are budgeted for these improvements.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute these contract changes.

On motion of Mr. McKelvey, these changes were authorized and authority given as recommended.

ADDITION TO GENERAL CONTRACT FOR THE NEW CHEMISTRY BUILDING

(15) The Director of the Physical Plant Department and the Comptroller recommend an addition of \$1,120 to the contract with the John Felmley Company for general work on the Chemistry Building for diversion of a storm sewer encountered in the construction of the underground tunnel from the new building to the present tunnel connecting Noyes Laboratory and the Chemistry Annex. The sewer was not shown in any existing records.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute this addition to the contract. Funds are available.

On motion of Mr. Livingston, this addition to contract was approved and authority given as recommended.

ASSIGNMENTS OF ATHLETIC ASSOCIATION FUNDS

(16) The Board of Directors of the Athletic Association has made assignments of its funds for the following purposes and requests approval of the same by the Board of Trustees:

IMPROVEMENTS AT THE STADIUM

1. *Food Service in the Southwest Tower.*— By paving the floor and making other improvements in the southwest tower, space can be provided for a cafeteria accommodating 300 patrons and two private dining rooms each accommodating 50 people. The estimated cost of this improvement is \$10,000. The Illinois Sport Service, with which the Athletic Association has a contract for food service at the Stadium, has agreed to provide and install at its expense the necessary equipment for operating the dining rooms. The facilities would take care of the training table during the football season and would also provide a public food service on days of football games.

2. *Paving Under South Stand.*— It is desirable to complete the paving of the area west of the new truck entrance under the south stand to furnish storage space for bleachers and other equipment. The estimated cost of this improvement is \$3,000.

The following bids have been received on these two improvements:

Southwest Tower Improvements

General Paving Company, Champaign.....	\$8 667 00
John P. Riddell, Chicago.....	9 555 00
Lynne Meyer, Urbana.....	7 888 00

Paving Under South Stand

(5,000 square feet of reinforced concrete, including excavation, retaining wall, and expansion joints)

General Paving Company, Champaign.....	\$3 977 00
John P. Riddell, Chicago.....	3 750 00
Lynne Meyer, Urbana.....	2 745 00

The Directors recommend the award of the contracts for these improvements to Lynne Meyer, the lowest bidder in each case.

DEVELOPMENT OF GOLF COURSE

1. *Contract with Ralph A. Bachert.*—The Board of Trustees has authorized the use of Kimmel Farm in Tolono Township as a golf course to be constructed and operated by the Athletic Association. The farm is under lease to Ralph A. Bachert until March 15, 1949. He has agreed to surrender his lease and supply the Athletic Association with his labor, furnishing tractor, plow, disk, and harrow, from April 1, 1948, to January 1, 1949, for a total consideration of \$5,000. The Board of Directors has approved this arrangement and has made an assignment of \$5,000 from Athletic Association funds for this purpose.

2. *Topographical Survey and Test Borings.*—The Board of Directors has also made an appropriation of \$2,500 for a topographical survey and test borings which are necessary in connection with the development of the golf course.

I recommend that the Board of Trustees approve these recommendations and actions of the Athletic Association Board of Directors.

On motion of Mr. Livingston, these actions of the Board of Directors of the Athletic Association were approved and confirmed as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(17) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Small Homes Council for further improvements to Home Research Center and Mumford House, \$5,500.

2. School of Physical Education for additional improvements in Room 305 George Huff Gymnasium, \$1,650. This assignment of funds was authorized by the President as an emergency because it was desirable to have the work done as soon as possible. Confirmation is requested.

On motion of Mr. McLaughlin, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

APPROPRIATION FROM SURPLUS AGRICULTURAL INCOME

(18) The University Research Board with the approval of the President of the University has assigned \$15,000 for the operation of a Radiocarbon Laboratory at Urbana. In addition, an appropriation will be necessary for remodeling and equipment.

The Committee on Special Appropriations and Nonrecurring Expenditures has approved the improvements in principle. A definite recommendation of an appropriation for the remodeling is being deferred until an accurate estimate of the cost can be obtained.

It is estimated that the equipment for this laboratory will cost \$6,000. Funds are available in the accumulated receipts of the Department of Animal Science. The Dean of the College of Agriculture and the Comptroller recommend an appropriation of \$6,000 from surplus agricultural receipts for the equipment of the Radiocarbon Laboratory. Orders should be placed soon to expedite delivery.

I concur.

On motion of Mr. McKelvey, this appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

PURCHASE OF STOCK FOR LIGHT HORSE PROGRAM

(19) The Board of Trustees has approved (Minutes, September 26, 1947, page 826), a program of education and research in the breeding, feeding, and care of light horses. It has made an appropriation for operating expenses and a special appropriation for the purchase of the basic stock of animals needed for this project. The Department of Animal Science has been studying ways in which these purchases can best be carried out. Representatives have attended several auctions and sales to become acquainted with the kind of stock available and current prices. They have come to the conclusion that it would be unwise to attempt to purchase the needed stock at such sales. Preliminary contacts with various owners, both in Illinois and elsewhere, who might be interested and willing to make sales at reasonable prices, indicate that such purchases can be made below auction sale prices by direct negotiations with owners. Some additional inspections will be necessary to complete such purchases.

It is essential that the animals to be purchased be selected by competent representatives of the department. Prices can thus be set up through negotiation.

The Head of the Department and the Dean of the College of Agriculture recommend, and the Director of Purchases and the Comptroller concur, that the Department of Animal Science be authorized to make selections of animals for this program, and to reach agreements on prices; and that the Director of Purchases be authorized to issue purchase orders for such selections when so recommended, the total of all purchases and other necessary expenses to be within the appropriation of \$20,000 made for this purpose.

I concur.

On motion of Mr. McLaughlin, these purchases were authorized as recommended.

PURCHASES

(20) There are submitted herewith recommendations for purchases for approval by the Board, and purchases authorized by the President of the University (see Appendix, page 1084).

On motion of Mr. Williamson, the purchases recommended were authorized, and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

COMPTROLLER'S REPORT OF CONTRACTS EXECUTED

(21) The Comptroller's report of contracts executed from February 11 to March 10, 1948 (see Appendix, page 1086).

This report was received for record.

REPORT OF COMMITTEE ON PATENTS

Mr. Williamson, for the Committee on Patents, presented the following report of the Committee on matters referred to it on November 29, 1947 (page 926), and January 8, 1948 (page 955).

1. Recommendation that patentable discoveries showing promise of commercial importance be released to the discoverers as agents of the University of Illinois Foundation. The Committee recommends approval.

2. Recommendation that a discovery by William J. Fry and H. L. VanVelzer of "Supersonic detection of infra-red radiation" be released to the discoverers, subject to the Rights of the Air Materiel Command. The Committee recommends approval.

3. Recommendation that a discovery by L. F. Audrieth and R. A. Penneman

of procedure for concentration of anhydrous hydrazine be released to the discoverers, so that they may be free to bring it to the attention of industries interested in this method. The Committee recommends approval.

4. Recommendation that a discovery by William J. Fry of "Continuously variable resonant frequency crystal systems, composed of a single material or any combination of materials," be released to the University of Illinois Foundation, with the recommendation that it work out a cooperative arrangement with the discoverer; or in the event that the Foundation is not interested, that the discovery be released to the discoverer. The Committee recommends approval.

5. Recommendation that a discovery by L. F. Audrieth and O. F. Hill of "a simple procedure for the preparation of monofluophosphates" be released to the discoverers. The Committee recommends approval.

On motion of Mr. Williamson, these several recommendations were approved and adopted.

PURCHASE OF WATER FOR UNIVERSITY

Mr. McKelvey, for the Committee on Buildings and Grounds, presented a recommendation that the Board enter into a contract with the Illinois Water Service Company for the purchase of all water required by the University at Urbana and Champaign, under the following conditions, formulated in a report to President Stoddard by Mr. Lloyd Morey and Mr. C. S. Havens.

In accordance with a request of the Buildings and Grounds Committee, we have given further consideration to the possibility of the University purchasing its entire water supply from the Illinois Water Service Company.

As a result of negotiations with representatives from the water company, the Illinois Water Service Company will agree to the following in the event the University contracts to purchase its entire supply:

1. To provide a water supply and all auxiliary equipment including pumps, filtration plant, storage facilities, etc., to meet the recommendations of the National Board of Fire Underwriters. The Illinois Water Service Company further agrees to show evidence that steps have been taken to comply with the recommendations of the National Board of Fire Underwriters, within six months after receiving the report.

2. To submit annually to the University such data, as may be requested, indicating the changes in the local water consumption, characteristics of pumping, operation, etc.

3. That the division of responsibility for the maintenance of facilities will be at the property line of the University at which points all metering facilities will be located unless changed at the request of the University. The Illinois Water Service Company will provide and maintain all metering facilities including by-pass piping and valves on either side of the meter. Such meter or meters shall be of the recording type.

4. That in addition to meeting the specific recommendations of the National Board of Fire Underwriters, the Illinois Water Service Company further agrees to conduct such studies as may be necessary for the long-term future water supply of the University and the community.

The University will be asked to agree:

1. To discontinue pumping except: (a) To maintain, in a satisfactory operating condition, existing equipment for emergencies. (b) To provide raw water for special uses—such as biological research. Such water, if made available to the academic departments, will not be cross-connected with the other water service facilities. (c) If and when the Illinois Water Service Company has not taken steps within six months after receiving the National Board of Fire Underwriters' report to insure and provide an adequate supply for the University and the community including that necessary for fire protection.

2. To comply with all regulations applicable to other customers relative to the use and conservation of water with the understanding that: (a) The University will be given a period of three to five years within which to correct existing

violations of such regulations. (b) For industrial use, as defined by the Illinois Commerce Commission, water may be used for cooling purposes. In the event of a disagreement on the application of the regulations, further interpretations can and will be obtained from the Illinois Commerce Commission.

3. To pay in accordance with established rate schedules for water as metered for all isolated properties.

4. To assume the cost of constructing a pit for metering facilities, or if the University requests that the meters be installed in the Filtration Plant, the University will provide and maintain the piping from the University property line into the building.

The Illinois Water Service Company is proposing to submit the following rate schedule to the Illinois Commerce Commission increasing existing unit rates by approximately 50 per cent in the quantity brackets in which practically all of the University water will be purchased:

RATES PER 100 CUBIC FEET PER QUARTER

Consumption	Present ¹	
	(Iron Removed Only)	Proposed ² (Softened)
1st 9000 cu.ft.....	\$0.25	\$0.40
next 9000 cu.ft.....	0.18	0.30
next 12,000 cu.ft.....	0.10	0.20
next 270,000 cu.ft.....	0.06	0.10
all over 300,000 cu.ft.....	0.06	0.09

In recognition of the quantity of water to be purchased by the University, the company has offered to request the Illinois Commerce Commission to approve a rate of 9 cents per 100 cubic feet on all water supplied over 300,000 cubic feet per quarter. The lowest rate previously proposed was 10 cents per 100 cubic feet for all over 30,000 cubic feet per quarter. The above rates contemplate softened water.

The rate of 9 cents per 100 cubic feet, although not a major reduction, is materially below the estimated cost to the University of supplying its own water from a new source which would have to be developed in an area approximately six to nine miles from the community. In a report submitted to the Board of Trustees Buildings and Grounds Committee under date of January 5, 1948 estimates on operation and maintenance were included which indicated that the lowest cost of a new University water supply would be 11.22 cents per 100 cubic feet (2.22 cents per 100 cubic feet over the rate quoted by the Illinois Water Service Company) based on double the present consumption. On the basis of present consumption, the rate for softened water would be 13.2 cents per 100 cubic feet. As also indicated in this report, an immediate minimum capital investment of \$493,000 (plus an additional \$226,000 to provide softened water) would be necessary. This report was prepared by the University's engineers, Alvord, Burdick and Howson, who are also serving as engineers for the water company.

As a result of negotiations with the Illinois Water Service Company, it is our conclusion:

1. That the University's future water supply will be adequately protected through the above outlined measures.

2. That it will be more economical for the University to purchase its water supply from the Illinois Water Service Company than to develop a new supply if the rate of 9 cents per 100 cubic feet is approved by the Illinois Commerce Commission.

3. That the University is adequately protected as to: (a) scientific needs; (b) reasonable assurance of adequate supply; (c) right to resume its own pumping in emergency or failure of the company to meet its commitments.

¹ At the present time there are only four brackets. The fifth has been added here to permit comparison.

² Until such time as softening equipment can be installed there will be a downward adjustment of approximately 25% in the proposed rates.

³ One cu. ft. = 7.48 gallons; in general discussion a conversion factor of 7½ gallons is commonly used.

We, therefore, request that the Comptroller and the Secretary of the Board be authorized to execute a contract with the Illinois Water Service Company in accordance with the above conditions and subject to approval of the Illinois Commerce Commission.

On motion of Mr. McKelvey, this contract was authorized as recommended.

HOUSING DEVELOPMENT NEAR NEW GOLF COURSE

Mr. McKelvey, for the Committee on Buildings and Grounds, reported a recommendation that, in view of studies and reports made by Professor W. H. Scheick on the probable success of a small-cost housing development near the golf course to be constructed on the Kimmel Farm, and in view of the drainage problem and the cost of drainage improvements necessary to make the area suitable for housing, no attempt be made at this time to further such development.

On motion of Mr. McKelvey, this recommendation was adopted.

TREASURER'S REPORT

The Secretary presented for record the report of the Treasurer for the period from March 1, 1947, to February 29, 1948 (see Appendix, page 1088).

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 1075).
2. Graduate Scholars and Fellows (page 1077).
3. Resignations, declinations, and cancellations (page 1082).

The Board adjourned, to meet in Urbana on call of the President.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

May 21-22, 1948

The May meeting of the Board of Trustees of the University of Illinois was held on Friday, May 21, and Saturday, May 22, 1948, at the Illini Union Building, in Urbana, according to the following schedule:

May 21, 8 p.m. — Executive session as in Committee of the Whole.

May 22, 9:30 a.m. — Open session.

When the Board convened, the following members were present: President Fornof, General Davis, Mrs. Holt, Mr. McKelvey, Mr. Nickell, Mr. Williamson. Mr. McLaughlin took his place with the Board during the evening.

President Stoddard was present; also Provost C. R. Griffith, Assistants to the President A. J. Janata and Wilbur Schramm, Secretary H. E. Cunningham, Comptroller Lloyd Morey, Legal Counsel W. E. Britton, and, during part of the evening, Mr. D. E. Dickason, Director of Nonacademic Personnel, Mr. C. S. Havens, Director of the Physical Plant Department, and Mr. E. L. Stouffer, Architect.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the agenda for the meeting and took action on the following matters presented by the President of the University.

PROPERTY PURCHASES

(1) Purchase of the following properties is recommended as a part of the special program of acquisition of resident properties for faculty housing authorized by the Board of Trustees:

1. 407 West Washington Street, Urbana—\$16,000. Edwin Park, owner. Lot size 60' x 135'. House—frame, 7 rooms (plus enclosed sleeping porch); living room, study, dining room, and kitchen on first floor; three bedrooms, sleeping porch, and bath on second floor. Hand-fired warm air furnace, gas water heater, two-car garage. The house was constructed 26 years ago, has been well maintained, and is in excellent condition.

Appraised at \$16,500; purchase price, \$16,000. Option, \$500.

2. 207 West Washington Street, Urbana—\$12,000. Robert D. Carmichael, owner. Lot size 60' x 135'. House—frame, 8 rooms; living room, dining room, kitchen, study, bedroom, and part bath on first floor; three bedrooms and bath on second floor. Hand fired warm air furnace, gas water heater, one-car garage.

Appraised at \$14,000; purchase price negotiated with owner, \$12,000. Option, \$300.

The house will require a thorough internal overhauling as well as some exterior repairs to bring it up to the standard of other houses of this type which are being acquired by the University for rental to the faculty. This was considered in the negotiations with the owner and the price has been set to allow for the expenditure of up to \$3,000 for repairs. The appraisal of \$14,000 was on the house in its present condition.

I recommend that the Board of Trustees authorize the expenditure of \$15,000 for the acquisition and repair of this property.

3. 301 West Pennsylvania Avenue, Urbana—\$19,250. Robert Thompson, owner. Lot size 60' x 115'. House—frame, 7 rooms; living room, dining room, kitchen, and study on first floor; three bedrooms and bath on second floor. Oil-fired warm air heater (new installation), automatic gas water heater, water softener, new kitchen equipment, one-car garage. The house was purchased two years ago by present owner, who made extensive internal and external improvements, and it is in an excellent state of maintenance.

Appraised at \$18,500; purchase price, \$19,250. The owner has an appraisal of \$20,000; the University's appraisal is \$18,500. The owner agreed on a price half way between the two. Option, \$500.

4. 709 West Michigan Avenue, Urbana—\$22,500. Warren A. Ruth, owner. Lot size 100' x 193'; well landscaped. House—frame, shingle siding, 7 rooms; living room, dining room, kitchen, general room (which may be used as a study or library), master bedroom with complete bath on the first floor; two bedrooms and bath on the second floor; large storage space in attic which could be converted into another room. Large porch in front of house and a terrace in the rear. Stoker warm air heating recently overhauled. Automatic gas water heater. The house has been occupied by only one family, the present owner, who built it 34 years ago. It has been well maintained and is in good condition.

Original asking price, \$28,000; appraised at \$22,500; purchase price, \$22,500. Option, \$200. In negotiations with the owner it was agreed that the University would pay the 1948 real estate taxes payable in 1949. The 1947 taxes payable in 1948 amounted to \$268.15.

The University has secured from the Champaign County Real Estate Board an independent appraisal of each of these properties. Mr. Newton C. Farr of Farr and Company, Chicago, who has served as consultant to the University on real estate acquisitions, was also consulted. He has inspected the properties and concurs in the prices recommended.

The University has purchased options on these properties, as indicated in each case, to June 1, 1948.

As reported to the Board at a previous meeting, the Board of Directors of the Athletic Association has also decided to purchase a house for rental to a member of the Athletic Department staff. Authority is requested to transfer any

one of the options on the houses now being recommended for purchase in the event the Athletic Association officials decide to purchase it.¹

On motion of Mr. Davis, these purchases were authorized as recommended, and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. McKelvey, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Mr. Livingston, Dr. Luken, Mr. McLaughlin, Dr. Meyer.

On motion of Mr. Davis, authority to transfer any one of these houses to the Athletic Association was given as recommended.

EMPLOYMENT OF FOREIGN STUDENTS

(2) On June 28, 1940 (Minutes, page 978), the Board of Trustees adopted a policy that no individual shall be appointed to the faculty or employed in any other capacity who is not a citizen of the United States unless he has declared his intention of becoming naturalized, except for temporary appointments of visiting professors and lecturers. The Board subsequently amended the policy to permit appointments of foreign students to scholarships and fellowships and also authorized, for the duration of World War II, the employment of students who are citizens of countries with which the United States was allied.

Various department heads consider the work of their departments handicapped by these restrictions on employment of foreign graduate students. In many cases it is not possible to secure the services of citizens of the United States for a particular job, especially on short notice as, for example, when the enrollment in certain courses increases beyond what had been anticipated and it is necessary to secure additional staff immediately. A competent foreign student may be as useful as a competent American student. At a time when departments face serious shortages in staffs they are handicapped in not having an opportunity to use an available supply of foreign graduate students. Furthermore, a competent foreign student may render valuable services by virtue of the fact that he is a foreigner.

The restrictions in regard to the employment of foreign graduate students have been responsible in some cases for the deflection to other universities of foreign graduate students whom the departments concerned would like to have held.

This matter has recently been studied by Dean Louis N. Ridenour of the Graduate College, Dean M. L. Enger of the College of Engineering, and Arthur Hamilton, Assistant Dean of Men for Foreign Students, who recommend that the existing policy be amended to provide that:

"Foreign students may be given part-time employment (subject to the regulations of the United States Immigration Service) when equally well-qualified American students are not available."

I concur in this recommendation except that I would amend it to read as follows:

"Foreign graduate students may be given part-time teaching and research appointments, or may be given other part-time University employment, subject to the regulations of the United States Immigration Service, when equally well-qualified American students are not available."

Mr. Williamson offered a motion that this recommendation, as amended, be approved. On vote, the motion did not receive a majority vote, and the chair declared that it was lost.

WAGES OF JANITORS

(3) A suggested basis of agreement between the University and Local No. 119, Building Service Employees Union International, for the establishment of the principles of paying prevailing rate for janitor service on the Urbana campus is presented.

President Stoddard and Mr. Dickason commented on this matter. After full discussion, on motion of Mr. Nickell, the statement was

¹ Subsequently the President's Office reported that the Athletic Association will purchase the Robert Thompson house at 301 West Pennsylvania Avenue, Urbana.

approved as a basis of further negotiation, and the President was requested to send the statement to the Executive Committee for its consideration and action.

WAGES OF OPERATING ENGINEERS IN CHICAGO DIVISIONS

Mr. Dickason commented on the status of negotiations with the operating engineers in the Chicago divisions.

Mr. McLaughlin took his place with the Board during the discussion of this matter.

Action was deferred until the June meeting.

WOMEN'S RESIDENCE HALL GENERAL CONTRACT

(4) The general contract for the construction of the Residence Hall for Women was authorized by the Board of Trustees on December 28, 1946 (Minutes, page 194), and was awarded to the Warner Construction Company, Chicago, the lowest bidder, on two proposals:

No. 1. Excavating, foundation walls, and rearrangement of utilities.....	\$ 180 000
No. 2. Balance of general work to complete building...	1 820 000

Both bids were on the basis of a cost plus fixed fee contract with a contractor's fee of \$30,000 and a guaranteed limit of cost of \$180,000 on No. 1, and a contractor's fee of \$160,000 and a guaranteed limit of cost of \$1,820,000 on No. 2. Under this contract, savings below the guaranteed maximum are to be divided 75 per cent to the University and 25 per cent to the contractor.

Completion date of construction under proposal No. 1 was June 28, 1947; completion date of construction required by proposal No. 2 is 305 days "after the Contractor is authorized by the Owner to proceed and perform the work as described in Proposal No. 2." Notice by the University to the Contractor to proceed with No. 2 was given July 16, 1947, and the completion date therefore is July 16, 1948. This provision in the contract was necessary since at the time it was let the University did not have sufficient funds to complete the project.

An appropriation of \$1,500,000 was made for the biennium of 1945-1947 of which \$258,250 was expended during the biennium and the balance lapsed. An appropriation of \$2,000,000 was made for the biennium of 1947-1949 and became effective on the approval of the same by the Governor.

Construction work has not proceeded as rapidly as it should and default by the Contractor in the time of performance is virtually a certainty. Almost from the beginning of construction, controversies with the Contractor over performance have arisen and a large number remain unsettled. The Contractor admits probable default and, in the main, attributes the cause to his lack of freedom of operation under the present contract, particularly his ability to offer without limit such employment rates or other inducements as he may consider necessary to obtain sufficient tradesmen. The Contractor claims that he can not get a sufficient number of bricklayers, carpenters, and other tradesmen to enable him to accelerate construction and believes that he should be allowed by the University to pay premium rates to attract a sufficient number. The University, except for emergency purposes, can not approve the payment of such premium rates because (a) the University is committed by law and policy to the payment of prevailing rates, and (b) the granting of permission to the Contractor to pay rates above scale would deflect available labor from other construction work for the University, i.e., from the Mechanical Engineering Building and the Electrical Engineering Building, to the prejudice of their completion in accordance with the terms of the contracts. The Contractor proposes that, as a solution of the problem, the present cost plus fixed fee with a guaranteed maximum cost contract be modified by the elimination of the "cost plus" feature and the substitution of a "lump sum" provision. The Contractor has made no statement as to whether he wants the proposed lump sum to be the present guaranteed maximum or a greater or lesser sum.

Numerous conferences have taken place between representatives of the Physical Plant Department, the University's Architects, and other University

officers and the Contractor and his representatives with respect to various detailed matters of controversy such as the proper rentals for equipment, transfers of equipment from the Women's Residence Hall job to the tunnel job, time schedules, and other problems.

The Contractor now proposes:

1. That the present contract be changed from a cost plus guaranteed maximum basis to a fixed sum. The amount of the sum, however, was not discussed but, in view of statements by the Contractor "that there would not be a saving to the owner under the present contract," it is assumed that this amount would not be less than \$2,000,000.

2. That if the above change in the contract is approved, the Warner Construction Company will complete the project by September except for interior painting. Furthermore, a surety bond will be provided as a guarantee of completion if the proposal is acceptable.

3. That the company is unable to submit a progress schedule based on the present contract.

These proposals have been reviewed carefully by the Physical Plant Department, the Legal Counsel, and the Comptroller. Their conclusions are:

A. In our opinion, proposal (1) above if granted would represent a material change in the contract and we seriously question the right of the University to take such action.

B. The offer to complete the project by September 1 and to furnish a surety bond as a guarantee is no additional protection to the University over its present position. The present contract provides for completion by July 16, 1948, on which the Contractor has submitted a surety bond.

C. At this time, it is impossible to know definitely whether the University will either gain or lose by the acceptance of the offer. In view of the legal restrictions on the University in awarding and changing contracts together with the impossibility of determining whether the University will gain or lose by such a change, the proposals should not be accepted by the University.

This report is presented for consideration and action by the Board.

The President of the University stated that since the preparation of this report, a request has been forwarded through Mr. Livingston for a hearing before the Executive Committee for the discussion of this matter.

Professor Britton presented a memorandum in reply to the statement of the Warner Construction Company accompanying the letter of Mr. T. L. Warner to Mr. Livingston, dated May 12, 1948.

President Fornof stated that he had notified Mr. Warner that the Board would give him and his associates a hearing at noon on Saturday, May 22. (See page 1113).

Mr. C. S. Havens and Mr. E. L. Stouffer commented on this matter.

After full discussion, action on this matter was deferred until after the hearing. In this connection, Mr. Davis requested that the Secretary record him as voting against any change in the contract with the Warner Construction Company.

CONTRACT FOR CONSTRUCTION OF BETATRON AT THE CHICAGO PROFESSIONAL COLLEGES

(5) Bids have been received for construction work to house and service the new betatron which is being purchased for the Chicago Professional Colleges.

The Director of the Physical Plant Department and the Comptroller recommend the award of the following contracts to the lowest bidders:

General work to E. H. Marhoefer, Jr., Company, Chicago...	\$18 717 00
Electrical work to B-H Electric Company, Chicago.....	4 997 70
Heating, plumbing, and ventilating work to Cutler and Price, Chicago.....	14 350 00

Funds are available in appropriations made by the Board of Trustees for this project.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Williamson, these contracts were authorized as recommended.

SESSION OF MAY 22, 1948

When the Board convened in executive session at 9:30 a.m. on Saturday, May 22, 1948, the following members were present: President Fornof, General Davis, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson. Mr. Livingston took his place with the Board during the forenoon.

President Stoddard was present; also Dr. A. C. Ivy, Vice-President in charge of the Chicago Professional Colleges, Mr. C. R. Griffith, Provost, Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Mr. Lloyd Morey, Comptroller, and Mr. W. E. Britton, Legal Counsel; also, during the open session, Director J. F. Wright.

HOUSING AT MEDICAL CENTER

Dr. Ivy presented the following letter and discussed it.

May 10, 1948

*To the Board of Trustees of the
University of Illinois*

GENTLEMEN:

With the permission of President Stoddard I should like to call a critical situation to the attention of the Board of Trustees.

When I came to the University of Illinois in September, 1946, I found the staff in urgent need of housing.

I took steps to remedy that situation and would have had it remedied if it had not been found that the FHA will not insure loans on housing in the Medical Center District. On several occasions I have tried to obtain an exception from the FHA and have failed. The FHA refuses to insure loans because of a "reverter clause" in the Medical Center Act. The details relative to this matter and my efforts over the last fifteen months to remedy the situation need not be mentioned, since they are irrelevant to the point I desire to make, namely, that *no more time should be lost in providing staff housing as soon as it can be built.*

For this reason I am appealing through President Stoddard to the Board for assistance.

I have observed that a private real estate concern is constructing an apartment building which provides priorities for renting the apartments to the staff members of the University of Chicago. The rentals will range from \$65 for two-room dwellings to \$150 for five rooms. The building will contain 124 suites and will cost \$1,000,000. The building is covered with an FHA loan of \$749,000.

If such an arrangement can be negotiated by the University of Chicago, I see no reason why similar arrangements can not be negotiated by the University of Illinois. A similar building located just east or north of the Medical Center District (preferably east, since that is the first slum clearance project of the Chicago Housing Authority) would meet about half of our staff needs for housing as determined by a recent survey.

With the influence that the Board of Trustees of the University of Illinois may exert on private capital and builders of the Chicago area, and in view of the desirability of investing near the Medical Center, I believe the construction of an apartment building on the border of the Medical Center, with arrangements similar to those obtained by the University of Chicago, could be started before September 1st.

Yours sincerely,

A. C. Ivy, *Vice-President*

On motion of Dr. Meyer, the Committee on Chicago Departments was authorized to call on Mr. Newton C. Farr as consultant and the Executive Committee was authorized to arrange for such assistance to Mr. Farr as he may request.

SITE FOR NEW Y.M.C.A. BUILDING IN CHICAGO

On motion of Dr. Meyer, the Secretary was instructed to record the fact that the Board looks with favor on the location at Damen and Polk Streets, Chicago, for a proposed new Y.M.C.A. building in the Medical Center District.

OPINION ON TAXATION

Mr. Britton reported on the status of various attempts to tax property owned by the University.

On motion of Dr. Meyer, the Executive Committee was authorized to release the opinion of Chapman and Cutler when received.

OPEN SESSION

The Board convened in open session at 10 a.m.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of April 10, 1948.

On motion of Mr. Nickell, the minutes were approved as printed on pages 1055 to 1090 above.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

**DISSOLUTION OF AGREEMENT ENTERED INTO MARCH 26, 1923,
BETWEEN THE UNIVERSITY OF ILLINOIS AND THE OFFICE
OF THE SUPERINTENDENT OF PUBLIC INSTRUCTION
CONCERNING THE HIGH SCHOOL VISITOR'S OFFICE**

(1) This agreement provides for a sharing, by the two offices, of the authoritative inspection of public four-year high schools. In effect, the University of Illinois has maintained this office for accreditation purposes as an agency of the Superintendent of Public Instruction. In downstate areas the division has been geographical, the University and the Office of Public Instruction alternating; in Chicago the inspection has been carried on jointly. A final provision of the agreement states that it "may be dissolved without prejudice at any time upon the request of either of the agreeing parties."

While the agreement was made in 1923 between President David Kinley and Dr. F. G. Blair, Superintendent of Public Instruction, with subsequent confirmation by the Board of Trustees of the University, I feel that a matter of policy is involved and I am, therefore, bringing it to the attention of the Board for action. Following the agreement referred to above, the Board authorized the appointment of a Senate committee to implement it. Changes will be indicated in the functions of this committee, and, of course, staff adjustments will need to be made. The actual machinery of inspection and accreditation as carried on by the University follows the action of the Board of Trustees dated May 10, 1935:

"There shall be a *Committee on Admissions from Secondary Schools* which shall be a committee of the University Senate and which shall consist of not fewer than five nor more than seven members. No two members shall be from the same department and not more than two members shall be from any one college of the University. The High School Visitor and the Registrar shall be members of this committee. The High School Visitor shall be, *ex officio*, its secretary.

"The Committee on Admissions from Secondary Schools shall supervise the accrediting of high schools by the University of Illinois for admission to the University of Illinois. It shall be the duty of this committee to determine, with the approval of the University Senate, the conditions for the accrediting of high schools, to specify the criteria by which they shall be evaluated, to give advice and guidance to the secondary schools, and to encourage and promote the development of sound educational policies pertaining to secondary education in the State of Illinois. The High School Visitor, with the approval of the Committee on Admissions from Secondary Schools, shall publish information pertaining to the accrediting of high schools and such other material as may appear necessary to fulfill the functions of the Committee."

This matter of accreditation by University of Illinois staff members has been explored in the past few years, the studies having been carried on by the Senate Committee on Educational Policy, the office of the Provost, the College of Education, and the High School Visitor's Office. They indicate that the University of Illinois should discontinue formal inspections, devoting the talent and funds available to research and to field services and conferences. Along with other educational institutions in the State we are already engaged in an elaborate study of the secondary school curriculum and in programs of research and advice concerning the reorganization of the schools of Illinois. We plan to maintain such functions at a high professional level. We feel that it is valuable to all concerned to keep the high schools in close contact with the work and resources of the University. We do not feel, however, that accreditation is a necessary condition of such helpfulness; it may, in fact, operate to reduce effectiveness.

As far back as 1944, the Chairman of the Senate Committee on Admissions from Secondary Schools pointed out certain weaknesses in the present arrangement:

- A. Related functions are scattered and uncoordinated.
- B. The University controls unduly the high-school education of pupils who will not attend the University.
- C. Inspection of high schools by the University does not necessarily lead to better high schools and may lead to poorer ones.
- D. Inspection by the University overemphasizes secondary education and underemphasizes elementary and adult education.
- E. The present system does not send to the University the kind of students who most need a University education.
- F. The requirements of the University regarding the pattern of high-school subjects can not be defended.
- G. School inspection and service to the schools (i.e., by the University of Illinois) can not be successfully combined.
- H. Service to the schools should be a function of the College of Education and the University Extension Service, not of the High School Visitor's Office.
- I. No other state university follows a plan similar to ours in dealing with the secondary schools.
- J. Even if the present system were continued, the rules and controls governing the secondary schools should be simplified and made more relevant to the educational process.

Of course, these weaknesses are relative and they are balanced to some degree by special activities in the High School Visitor's Office. I should say that increasingly the Office has emphasized its responsibility in discussion and demonstration; it has set up some very effective conferences in various areas. Its chief value now is not in inspectional enterprises but in terms of professional leadership. In recommending a reversion of the full responsibility for inspection to the State Department of Public Instruction, we contemplate the retention and expansion of these professional services in the College of Education.

The University, of course, retains full control over its requirements for the admission of students.

I should point out that some of our educational friends are fearful that the withdrawal of the University from these inspection, policing, and accrediting services will have unhappy effects. However, joint conferences held recently between the officers of the Illinois Secondary School Principals' Association and the officers of the University did not yield any explicit argument against the proposed transfer, but only the general feeling that in some fashion the work would

be affected by "politics." All concerned have expressed confidence in the present Superintendent of Public Instruction, but they may not feel that his office can continue to be as objective and fair-minded as the visitors going out from the University. However, we have no evidence of differences in the approach of the professional workers as between Springfield and Urbana; visitors from either office sometimes temper their recommendations, not with politics, but with expediency. It is evident that the original agreement called for a meeting of minds between the two groups with respect to methods of inspection, standards, reports, and decisions.

On May 1st the history of this enterprise and the arguments for and against the present plan were reviewed in my office. Following this meeting Mr. Vernon L. Nickell, Superintendent of Public Instruction, concurred in the proposal to dissolve the agreement, returning the High School Visitor's Office entirely to the Office of the Superintendent of Public Instruction. With respect to the staff members involved who have academic tenure, we shall make arrangements to continue their services in the University, unless they are offered positions on the staff of the Superintendent of Public Instruction and desire to transfer. Appropriate changes can be made now in the internal budget of the University while a permanent adjustment can be made in the budget of the new biennium.

Accordingly, I recommend that the High School Visitor's Office in the University be abolished as of September 1, 1948, and that the agreement of March 26, 1923, be dissolved.

President Stoddard and Mr. Nickell commented on this matter.

On motion of Mr. Williamson, these recommendations were adopted. Mr. Nickell asked to be recorded as "present and not voting."

ACADEMIC CALENDAR, 1948-1949

(2) At the meeting of the Board of Trustees on January 8, 1948 (Minutes, pages 966-68), I presented the University's calendar for the departments at Urbana-Champaign, Chicago Undergraduate Division, and the Galesburg Undergraduate Division for the academic year 1948-1949.

The University Senate has approved the following changes to provide more time between the first and second semesters, this being applicable only to the departments at Urbana-Champaign:

<i>Present Date</i>	<i>Proposed Date</i>	<i>Item</i>
Feb. 1, Tues.	Feb. 6, Sun.	Baccalaureate and Commencement Exercises.
Feb. 2, Wed.--	Feb. 4, Fri.—	Registration of graduates and undergraduates.
Feb. 5, Sat.	Feb. 8, Tues.	Instruction begins.
Feb. 7, Mon.	Feb. 9, Wed.	Semester examinations.
May 25, Wed.—	May 26, Thurs.—	
June 3, Fri.	June 4, Sat.	

On motion of Mr. Davis, these changes were approved.

SERVICES OF PROFESSOR H. C. M. CASE TO UNITED STATES SENATE

(3) As a matter of official record, I wish to report that Professor H. C. M. Case, Head of the Department of Agricultural Economics, has been given leave of absence without pay from April 16, 1948, and continuing until further notice, so that he may serve as consultant to the United States Senate Subcommittee on Appropriations for Agriculture. He was given a leave of absence without pay for similar service from May 12 to July 12, 1947.

Professor L. J. Norton has been designated as Acting Head of the Department to serve during Professor Case's absence.

On motion of Mr. McLaughlin, this report was received for record.

SERVICES OF DEAN JOHN B. YOUNG TO THE DEPARTMENT OF THE ARMY

(4) The Department of the Army is sending a mission of experts to Europe to make a nutritional survey of the people in the Bizonal Areas and has requested the services of Dean John B. Young on this mission. This will require his

absence from the University for a period of two to three weeks from about the tenth of May.

I have authorized a leave of absence with pay for Dean Youmans so that he may render this service to the United States Army.

On motion of Mr. Nickell, this report was received for record.

**APPOINTMENT OF JOSEPH GERMANO TO ADVISORY COMMITTEE
OF INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS**

(5) I recommend the appointment of Mr. Joseph Germano, East Chicago, Indiana, President of the Illinois State Industrial Union Council and Director of District 31 of the United Steelworkers of America, CIO, as a member of the advisory committee of the Institute of Labor and Industrial Relations. Mr. Germano will replace Mr. James Matson who has resigned.

On motion of Mr. McLaughlin, this appointment was made as recommended.

**CHANGE IN STATUS OF DIRECTOR OF NURSES IN THE
RESEARCH AND EDUCATIONAL HOSPITALS**

(6) The Vice-President in charge of the Chicago Professional Colleges recommends that the position of Director of Nursing Service in the Research and Educational Hospitals, which is now a civil service classification, be removed from civil service and be designated as an academic-administrative position.

I concur.

Dr. Ivy commented on this matter.

On motion of Mr. Williamson, these recommendations were approved.

APPOINTMENTS TO THE 1948 SUMMER SESSION

(7) The Dean of the Summer Session has submitted a budget for the 1948 Summer Session (see Appendix, page 1124). The budget provides for an eight-week session at Urbana-Champaign, at the Chicago and Galesburg Undergraduate Divisions, and at the College of Pharmacy. Salaries of present members of the faculty who are being recommended for appointments to the Summer Session staff are computed on the basis of two-ninths of the salary of the academic year for two months of summer service. This is in accordance with the terms of employment of the academic, administrative, research, and extension staffs authorized by the Board of Trustees on January 8, 1948 (Minutes, page 952). The budget proposed totals \$617,861 for Urbana-Champaign, \$92,039 for the Chicago Undergraduate Division, \$17,503 for the Galesburg Undergraduate Division, and \$2,139 for the College of Pharmacy.

I recommend that:

1. The appointments to the Summer Session staff be approved as submitted.
2. All appointments or contracts for service during the Summer Session include a provision permitting reduction in time and salary or cancellation of the contract in the event that enrollment in certain courses or sections thereof does not warrant continuation of the appointment on the basis originally recommended.
3. The President of the University be authorized to make such changes and adjustments, including additional appointments and acceptance of resignations, as are necessary in accordance with the needs of the University.

On motion of Mr. Nickell, these recommendations were approved, and authority was given as requested.

HARRY G. AND HARRIETTE A. WRIGHT SCHOLARSHIPS

(8) Under the will of the late Senator Harry G. Wright of De Kalb, and pursuant to an agreement entered into by the Board of Trustees on October 29, 1943, with the executor of Mrs. Harriette A. Wright's estate for settlement of litigation

¹ The College of Law will also offer a supplementary four-week session open only to those students who expect to qualify for graduation before June, 1949.

tion and a division of the properties involved, the University of Illinois has acquired four farms, totaling 952 acres, in De Kalb County. Senator Wright's will includes the following provision relating to his bequest:

"Fourth: Subject to the foregoing I give, devise and bequeath all the rest, residue and remainder of my estate, of whatsoever kind or character, and where-soever situated, to the Board of Trustees of the University of Illinois at Urbana, Illinois, the same to become the absolute property of said University of Illinois, to be known as the Harry G. Wright and Harriette A. Wright Endowment, to be administered by the College of Agriculture of said University in so far as practicable in the judgment of the Board of Trustees of the University of Illinois.

"It is my desire that the devise and bequest to the Board of Trustees of the University of Illinois herein made shall be administered and used for the purpose of promoting agricultural education and for founding scholarships, but nevertheless the use made of the devise and bequest hereunder shall rest in the sole discretion and judgment of said Board of Trustees."

When Senator Wright conferred with University officials about his proposed bequest, he presented certain suggestions made by him and Mrs. Wright for using the income. While the University is the absolute owner of the farms without restriction, there is at least a moral obligation to consider the wishes and purposes of Senator and Mrs. Wright in setting up the endowment.

A special committee consisting of Mr. G. P. Tuttle, Director of Admissions and Records, Associate Dean R. R. Hudelson of the College of Agriculture, and Associate Dean H. M. Gray of the Graduate College was appointed to set up a plan including the policy, priorities, and conditions governing the scholarships under this endowment. The Committee has submitted its report. The following regulations to govern awards of scholarships under the Harry G. Wright and Harriette A. Wright Endowment are based largely on this report:

1. These scholarships shall be available to both graduate and undergraduate students.

2. In cases of students making their original applications for these scholarships, other qualifications being equal, preference shall be given to those expressing a desire and an intention to prepare for work in agriculture or in fields closely related thereto.

3. Graduate scholarships shall be assigned by the Graduate College. Undergraduate scholarships shall be assigned by the Committee on Awards of Undergraduate Scholarships.

4. The funds available each year will be allocated to graduate and undergraduate scholarships by consultation and agreement between the Graduate College and the Committee on Awards of Undergraduate Scholarships.

5. Qualifications of applicants for graduate scholarships being equal, preference will be given to residents of Illinois. The value of graduate scholarships will be at the prevailing rate for Graduate College scholarships and fellowships, plus an amount sufficient to cover University fees.

6. Undergraduate scholarships shall be awarded only to residents of Illinois. Qualifications of candidates being equal, preference will be given to residents of De Kalb, Randolph, Lee, and Whiteside counties. The value of undergraduate scholarships shall be \$400 a year, plus an amount sufficient to cover University fees.

I recommend approval of these regulations.

On motion of Mr. McLaughlin, these regulations were adopted as recommended.

DELEGATION OF SIGNATURES AT THE GALESBURG UNDERGRADUATE DIVISION

(9) During the first two years of operations at the Galesburg Undergraduate Division, it was advisable that the vouchers to be presented to the State Auditor of Public Accounts for payments of funds be routed through the Urbana Business Office. Now that the Galesburg office has been satisfactorily organized and adequate procedures installed to insure the handling of routine business according to University business practices, it is desirable that this procedure be changed to permit the Galesburg Business Office to certify vouchers directly to the State Auditor. To effect this change, the Comptroller requests adoption of the follow-

ing resolution as an addendum to the resolution for the delegation of signatures approved by the Board on March 9, 1948 (Minutes, page 1042):

"Resolved that the President and Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary respectively to vouchers to be presented to the State Auditor under the following conditions:

"The President of the Board of Trustees is authorized to delegate to W. J. English and to B. W. Benedict in the Galesburg Division authority to sign his name as President of the Board of Trustees to vouchers against the State Auditor. The Secretary of the Board of Trustees is authorized to delegate to L. O. Kerwood and to Lois S. Herron in the Galesburg Division authority to sign his name as Secretary of the Board of Trustees to vouchers against the State Auditor.

"And, be it further resolved that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers having facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts."

On motion of Mr. Williamson, this resolution was adopted as recommended.

APPROVAL OF ACTIONS OF THE BOARD OF DIRECTORS OF THE ATHLETIC ASSOCIATION

(10) The Board of Directors of the Athletic Association requests approval of the following actions:

1. An appropriation of \$9,000 for digging a well at the new golf course on the Kimmel Farm. The estimated distribution of this appropriation is as follows:

Test holes.....	\$ 600
Pump.....	2 100
Drilling of well.....	4 500
Extension of power lines from the University Airport....	1 800
	<u>\$9 000</u>

2. The award of a contract for the drilling of the well to Hayes-Sims, Champaign, at a cost of \$20 a foot. This company has drilled most of the University wells and those for the City of Champaign, is in a position to proceed immediately with the work, and can obtain the necessary strainers and casings.

3. The award of a contract to John D. Bolton Company, Evanston, for repairing the concrete treads in Memorial Stadium, an area of 15,000 square feet. The quoted price from this firm is one dollar and five cents a square foot on the lower deck and one dollar and twenty-five cents a square foot on the upper deck. Most of the work to be done is in the upper deck. The total estimated cost is \$18,500. This company has been recommended because its services are immediately available; similar work done by it in the past has withstood freezing and thawing; the company is recommended by Holabird and Root, architects for the Stadium; and because of the lack of other bids for this work. This firm is one of the few able to use the Gunnite process which is the only effective method of repair. Funds are available for this contract in the accumulated reserve for plant maintenance.

Early approving action on these matters was requested because the contractors have full programs of work and any delay in the award of the contracts might postpone the work for several months. In the case of the Stadium repairs, it was desirable to have at least a part of this work done before the Inter-scholastic Track and Field Meet on May 15-16. After consultation with the President of the Board of Trustees, I approved assignments of funds and authorized the award of the contracts. Confirmation of this is requested.

The Athletic Association has secured the following bids for the installation of three-inch cast iron pipe (previously purchased by the Association) as a part of an irrigation system for the practice gridiron east of Memorial Stadium:

Fabert Construction Co., Urbana.....	\$3 848
W. L. Hall, Atwood.....	1 300
G. L. Tarlton Contracting Co., St. Louis.....	5 740

and recommends the award of the contract to W. L. Hall, the lowest bidder.
I concur in this recommendation.

On motion of Mr. Davis, these actions of the Athletic Association were approved and confirmed as recommended.

AUTHORITY TO DEMOLISH AND REMOVE BUILDINGS ON THE KIMMEL FARM

(11) On January 8, 1948 (Minutes, page 954), the Board of Trustees authorized the use of the Kimmel Farm for the construction of a golf course by the Athletic Association. As a part of this project, the Athletic Association requests authority to demolish or remove all existing buildings and fences on the Kimmel Farm and the authority to use all or any part for construction of new buildings on the proposed golf course. In the event all of the lumber so obtained is not needed, authority is requested to trade any of the unused portion for equipment to be used in the operation of the golf course.

The Comptroller has reviewed this proposal and recommends that the authority requested be granted.

I concur.

On motion of Mr. Nickell, this authority was granted as recommended.

DEMOLITION OF OLD BUILDINGS AT THE CHICAGO PROFESSIONAL CAMPUS

(12) The Board was advised on October 30, 1947 (Minutes, page 882), of the need for demolition of old buildings on property acquired by the University for expansion of the Chicago Professional Colleges. The Board authorized the employment of special counsel to aid in actions necessary.

Bids have been secured for wrecking buildings on the following properties:

Group 1. Buildings at 825, 827, 829, 831, 837, 839, 907, 917-919 South Wood Street. All of these properties are ready for demolition.

Group 2. Buildings at 913 and 815 South Wood Street; 1923 and 1743 West Polk Street. These properties will become available for demolition in the near future.

The schedule of bids is as follows:

	<i>Harvey Wrecking Company, Chicago</i>	<i>Loeb Wrecking Company, Chicago</i>	<i>Speedway Wrecking Company, Chicago</i>	<i>Star Wrecking Company, Chicago</i>
Group 1 buildings.....	\$1 550	\$1 685	\$2 870	\$2 990
Group 2 buildings.....	<u>1 900</u>	<u>3 450</u>	<u>1 880</u>	<u>2 790</u>
<i>Total</i>	\$3 450	\$5 135	\$4 750	\$5 780

The Director of the Physical Plant Department and the Comptroller recommend acceptance of the bid of the Harvey Wrecking Company, the lowest bidder for the entire job, work in group two to proceed as the properties become available.

I concur in these recommendations and recommend a special appropriation of \$3,450 from the General Reserve Fund for this work.

On motion of Dr. Meyer, this contract was awarded and the appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Mr. Livingston, Dr. Luken.

AWARD OF CONTRACT FOR EMERGENCY LIGHTING SYSTEMS

(13) Bids were received for the installation of emergency lighting systems in the auditorium areas of the George Huff Gymnasium, the Auditorium, Lincoln Hall, and Smith Memorial Hall, in accordance with plans and specifications prepared by Graham, Anderson, Probst, and White, Architects, Chicago.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to the Fedco Electric Contractors, Inc., of Danville, Illinois, the lowest bidder, on the basis of the lump sum bid of \$14,529.63. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute a contract with the Fedco Electric Contractors, Inc.

On motion of Mrs. Holt, this contract was awarded as recommended.

**IMPROVEMENT OF PARKING AREA AT CORNER OF
TAYLOR AND WOLCOTT STREETS, CHICAGO**

(14) The northeast corner of Taylor and Wolcott Streets, Chicago, which is University property, is used as a parking lot. It has a cinder surface and, therefore, during the summer and spring the dust from this area is a nuisance to occupants in adjacent buildings. The Director of the Physical Plant Department recommends the resurfacing of this area with crushed stone and an asphalt topping which will eliminate the dust and also provide a better parking area for the use of University staff members. The following bids have been received on this resurfacing:

Robert Anderson and Company, Chicago.....	\$9 275
Black Top Roads Company, Chicago.....	7 950

The Director of the Physical Plant Department and the Comptroller recommend the award of the contract to the Black Top Roads Company, the lower bidder for this work. Funds for this are available in the budget.

I concur.

On motion of Dr. Meyer, this contract was awarded as recommended.

SANITARY SEWER SERVICE FOR TEMPORARY HOUSING AREA

(15) Since early spring the sanitary sewer on First Street, Champaign, serving the temporary housing area, has been overloaded to the extent that it is backing up in the temporary housing units and in private property along First Street.

It is the opinion of all concerned (including the City Engineer of Champaign, the City Commissioner, and the Urbana-Champaign Sanitary District Engineer) that the only practical solution is the construction of a relieving sewer from Gregory Drive and First Street to Third and Healey Streets, where a junction can be made with an existing 24-inch interceptor sewer of the Urbana-Champaign Sanitary District.

To expedite this needed improvement the University should construct the sewer, financing the entire cost, but with the approval of the City of Champaign and of the Urbana-Champaign Sanitary District.

The Physical Plant Department recommends that Wilson and Anderson, Champaign, engineers on the interceptor sewers for the Sanitary District (the University paid part of the cost of this improvement), be engaged to make a study of the project. Authority is requested to employ them at a cost of 7½ per cent on all work up to \$50,000 and 7 per cent above that amount. A preliminary estimate of the total cost is \$60,000. Four per cent of this fee will cover the design stage up to taking bids.

If, after receiving bids, it is concluded that the University should carry out this project, further consideration will be given to the relationship between the University and the Sanitary District.

Funds are available for the entire cost of this project, if undertaken, from the State capital appropriation for temporary student housing facilities. The Legal Counsel believes that the University has a legal basis for such an expenditure, and particularly in view of the emergency aspects of the problem.

The Comptroller concurs in this recommendation.

I recommend (a) approval of the program in principle, subject to further consideration when engineers' estimates and bids are received, and necessary

agreements with the Sanitary District are reached; and (b) authority to employ Wilson and Anderson as consulting engineers.

On motion of Mrs. Holt, this program was approved and authority granted under the conditions recommended.

**AWARD OF CONTRACT FOR ENGINEERING SERVICES FOR
ADDITIONS TO THE POWER PLANT AND THE
UTILITIES DISTRIBUTION SYSTEM**

(16) In cost studies of the 1949-1951 building program it is necessary to have estimates of the costs of additions to the Abbott Power Plant and the utilities distribution system.

The Director of the Physical Plant Department and the Comptroller recommend, and the Chairman of the Building Program Committee concurs, that Sargent and Lundy, Engineers, Chicago, be employed to make these estimates.

It is proposed to pay for the actual costs of such estimates plus 100 per cent of the salaries of engineers and draftsmen for indirect costs. In the event that this firm is employed to do the engineering work on the additions to the power plant and utilities distribution system, the University will receive a credit to reduce the indirect cost charge to 50 per cent. The estimated cost of this preliminary contract is \$250 for the power plant and \$1,250 for the distribution system. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such a contract with Sargent and Lundy.

On motion of Mr. Davis, the execution of this contract was authorized as recommended.

**AWARD OF CONTRACT FOR INSTALLATION OF AUTOMATIC FIRE
ALARM SYSTEM IN ADMINISTRATION BUILDING**

(17) Bids were taken on April 30 for the installation of an automatic fire alarm system in the Administration Building, a necessary protection for important records. Six firms were invited to bid but only the Gamewell Company, Newton Upper Falls, Massachusetts, did so, submitting a base bid of \$5,398.23.

The Director of the Physical Plant Department and the Comptroller recommend that a contract be made with the Gamewell Company in accordance with the base bid plus \$50 for extension of the system into three vaults and one storage room. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. McKelvey, the execution of this contract was authorized as recommended.

**CONTRACT FOR MOVING AND OVERHAULING AND INSTALLATION
OF ADDITIONAL EQUIPMENT IN COLLEGE OF
DENTISTRY LABORATORIES**

(18) The following bids have been received for moving and overhauling three dental laboratories and the installation of eighteen additional dental units in the Dentistry, Medicine, and Pharmacy Building:

Mutual Contracting Company, Chicago.....	\$10 463
Fettes-Love and Sieben, Inc., Chicago.....	9 200

The Director of the Physical Plant Department and the Comptroller recommend award of the contract to the lower bidder, Fettes-Love and Sieben, Inc., in the amount of \$9,200. Funds are available.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contract accordingly.

On motion of Mr. McLaughlin, the execution of this contract was authorized as recommended.

**CONTRACT FOR AND INSTALLATION OF NEW FIRE ALARM
SYSTEM—CHICAGO**

(19) Bids were received in November, 1947, on the installation of a new fire alarm system in the Chicago Professional Colleges. The E. P. Allison Company of Chicago was the lowest bidder on two counts—a firm bid of \$32,108 and a proposal for a cost plus fixed fee form of contract with a fixed fee of \$5,028 and a guaranteed maximum of \$33,713. It was necessary to clear up a number of details so that the recommendation for the award of a contract could not be presented to the Board of Trustees until March 9, 1948 (Minutes, page 1046). The Board approved the award of a contract to the E. P. Allison Company on the basis of the firm bid of \$32,108.

In the meantime, the E. P. Allison Company had informed the University that a new wage scale and increases in costs of materials which went into effect before the contract was awarded would affect their bid, increasing it by \$676.86. This was not reported by the Physical Plant Department at the time the recommendation for the award of the contract was presented on the theory that the increase could be accomplished through a change order. The E. P. Allison Company has stated that it will not accept the contract without an additional allowance of \$676.86 for increased costs, but will accept a contract on the basis of its alternate proposal, namely, a cost plus fixed fee form of contract with a guaranteed maximum of \$33,713.

The Legal Counsel has advised that the University can not revise the original award without rejecting all bids and taking new ones. He further advises that the alternate proposal for a cost plus fixed fee contract can be accepted because at the time of the original bidding it was also lower than any other bid received. Under this proposal 75 per cent of any saving below the guaranteed maximum cost would be retained by the University.

Because of the time required in securing new bids and the probability that they would be higher than the previous bids received, due to increase in labor and materials costs, the Physical Plant Department and the Comptroller recommend that the alternate bid of the E. P. Allison Company, Chicago, be accepted and a cost plus fixed fee contract under the terms specified be authorized.

On motion of Dr. Meyer, the execution of this contract was authorized as recommended.

**ADDITIONS TO GENERAL CONTRACT FOR ELECTRICAL
ENGINEERING BUILDING**

(20) The Department of Electrical Engineering has requested the following additions to the contract with the John Felmley Company for general work on the Electrical Engineering Building:

1. To provide for additional installations of chalkboards, \$8,418.72.
 - a. The enrollment in the department will exceed the capacity of the new building to provide adequately for instruction. The resulting overcrowding in the classrooms will require chalkboard space wherever it can be made available. Many small spaces will have chalkboards where not originally planned.
 - b. Chalkboards were originally omitted in the four laboratory conference rooms, due to a misunderstanding by the architects.
 - c. It is desirable to add chalkboard space to one research room so that it can be used as a classroom, at least until the peak enrollment has been passed.
 - d. To make the two lecture-demonstration rooms more flexible, as much chalkboard space as possible has been added.
 - e. Chalkboard space in the student shop is also being added along one wall to improve the value of the shop.
2. Installation of wood block flooring in the machine and wood shops, \$2,033.48. The preliminary planning of the building included wood block flooring in the shops but it was not included in the final specifications. This type of flooring is desirable for the welfare of workmen who must stand all day and also as protection to tools which may be dropped.

The Director of the Physical Plant Department and the Comptroller recommend these additions. Funds are available in the State appropriation for the "Construction of a new Electrical Engineering Building."

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute these changes.

On motion of Mr. Davis, these additions to contract were authorized as recommended.

**ADDITION TO THE ELECTRICAL CONTRACT FOR THE
UTILITIES DISTRIBUTION SYSTEM**

(21) The Director of the Physical Plant Department and the Comptroller recommend an addition of \$1,500 to the contract with the A. S. Schulman Electric Company, Chicago, for the electrical work in the construction of the utilities distribution system. The original contract was approved by the Board of Trustees on January 25, 1947 (Minutes, page 228).

When plans and specifications were prepared for this work, it was the opinion of Sargent and Lundy, Engineers, Chicago, that the number and location of cable racks in existing manholes should be determined by inspection of the manholes and mutual agreement between representatives of the Physical Plant Department and the contractor awarded the work for installing new electrical cables. Hence, unit prices were requested in the original proposal for cable racks and supports to be installed in existing manholes. The addition to the contract now recommended is based on the unit price included in the original plan.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this contract change.

On motion of Mr. McKelvey, the execution of this contract change was authorized as recommended.

ADDITION TO THE CONTRACT FOR DRILL FIELD SIDEWALKS

(22) On November 29, 1947 (Minutes, page 938), the Board of Trustees awarded a contract for sidewalks along the north, south, and west sides of the drill field to the Wascher Concrete and Insulation Company. It was not considered necessary to complete a sidewalk along the east side of the field. Experience has shown that such a walk, which will complete the square and will be an extension of the present concrete walk on the west side of Fourth Street from the Men's Residence Halls to Peabody Drive, is desirable. This walk will be of immediate service to occupants of the temporary housing in Stadium Terrace and will also serve other students going to and from recreation areas in the vicinity of the Stadium. A permanent improvement, the walk will also serve future dormitories west of Fourth Street.

The Director of the Physical Plant Department and the Comptroller recommend an addition of \$2,500 to the contract with the Wascher Concrete and Insulation Company to complete this walk.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute the amendment of the contract.

The cost may be charged to the State appropriation for the "Construction of temporary student housing, including all necessary costs and charges incident to the completion thereof."

On motion of Mr. Davis, the execution of this amendment to contract was authorized as recommended.

**ADDITION TO THE CONTRACT WITH J. L. SIMMONS COMPANY, INC.,
FOR PARKING AREA CURBS AT TEMPORARY CAFETERIA BUILDING**

(23) The Director of the Physical Plant Department and the Comptroller recommend an increase of \$1,518.30 in the contract with J. L. Simmons Company, Inc., to provide all material, labor, and equipment necessary to install concrete curbs for parking areas around the Temporary Cafeteria on the south campus.

When this building was completed last fall it was not feasible to finish construction of the delivery and parking areas around it due to the season and weather conditions. To confine and control truck and passenger car movements within these areas it is necessary to enclose them with concrete curbing. I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute this amendment. Funds are available.

On motion of Mrs. Holt, the execution of this amendment to contract was authorized as recommended.

At this point, Mr. Livingston took his place with the Board.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(24) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Equipment for Mechanical Engineering.....	\$164 000
2. Equipment and improvements at Dixon Springs Experiment Station.....	47 100
3. Laboratory and Physical Education equipment for Chicago Undergraduate Division.....	32 923
4. Equipment and improvements at Research and Edu- cational Hospitals.....	12 175
5. Modernization of Home Economics Foods Laboratory	9 000
6. Equipment for General Engineering Drawing.....	6 000
7. Remodeling of Sanitary Engineering Laboratory...	4 550
8. Microfilm apparatus for University Library.....	3 900
9. Publication of bulletin on Climatic Conditions in Illinois by College of Agriculture.....	3 500
10. Study of flow of water through Boneyard Creek...	2 500
11. Architectural services in connection with general improvements in George Huff Gymnasium.....	1 150
<i>Total</i>	<u>\$286 798</u>

I concur and recommend that these appropriations be made available until June 30, 1949.

On motion of Dr. Meyer, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

PURCHASE OF WATER TREATMENT EQUIPMENT

(25) To provide additional water treatment equipment needed in the Abbott Power Plant, the Director of the Physical Plant Department and the Comptroller recommend the purchase of another Zeo-Karb unit from the Permutit Company, Chicago, at a price of \$19,573.

The purchase of this equipment is recommended by Professor Frederick G. Straub of the Department of Chemistry and by Sargent and Lundy, Engineers, Chicago.

The Permutit Company is the only manufacturer of this type of equipment. It is possible to use a hot process softener for silica removal and demineralization, but this would take too much room in the plant. The equipment on which the Permutit Company has quoted is compact and is largely for use in power plants. Tests have shown this equipment removes more silica than any other developed to date. The Permutit Company supplied the present units at the Abbott Power Plant and it is desirable that the additions be of the same type. Funds are available.

I concur and recommend that the Comptroller be authorized to purchase this equipment.

On motion of Mr. McLaughlin, this purchase was authorized as recommended.

INSURANCE ON GOVERNMENT PROPERTY AT GALESBURG UNDERGRADUATE DIVISION

(26) The lease with the United States War Assets Administration covering the Mayo General Hospital, used by the University for the Galesburg Undergraduate Division, requires fire, extended coverage (broad form), sprinkler leakage,

vandalism, and malicious mischief insurance in amounts and values the Administration has prescribed. From the appraisal made by the Administration, the total insurable value of the realty and personalty, is set at \$4,054,387. By special stipulation of its Regional Director, the Administration interposes no objection to 90 per cent coinsurance, provided the amount of coverage be no less than \$3,650,000, plus added coverage for sprinkler leakage at 10 per cent coinsurance of \$221,680.

The Business Office has secured proposals from all companies suggested by the W.A.A., and from other companies acceptable to it and locally represented. These proposals have been submitted to the Finance Committee.

The general policy of the Board of Trustees with regard to such insurance on University property is that not more than 25 per cent of any risk may be placed with mutual companies in non-assessable policies, and the remainder with stock companies, all having satisfactory financial ratings.

The Finance Committee recommends that insurance be purchased as follows: twenty-five per cent from the Northwestern Mutual Fire Insurance Company of Seattle, Washington, through the Leland Smith Agency, and the remainder equally from eleven other agencies, including the General Insurance Company, through the Huff Insurance Agency, a mutual company with dividend estimated at 15 per cent payable at policy termination.

The total cash premium is \$25,684.08. Allowing for estimated dividends, the estimated net cost is \$24,352.38. All premiums run for a period of three years from May 24, 1948, and are 2½ times the annual premium cost.

Temporary insurance has been carried, since possession of the property was turned over to the University, at a cost of \$8,567.61 which is provided for to the extent of \$7,000 in the current year's operating budget. To meet the total outlay required for the proposed insurance program will require an additional special appropriation of \$27,251.69.

On motion of Mr. Williamson, this insurance was awarded and the appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mr. Forno, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

PURCHASES

(27) The University of Illinois Statutes provide that purchases shall be made on the basis of competitive prices wherever practicable, quality, suitability, and service considered. Purchases amounting to \$1,000 or more made from general funds or unitemized appropriations shall be submitted to the Board of Trustees or to the Executive Committee, unless, in the opinion of the President of the University, urgent necessity exists that requires immediate action, in which case the President shall act and report promptly to the Board.

On motion of Mr. Nickell, purchases were authorized as recommended (see Appendix, page 1119), and the action of the President of the University in authorizing emergency purchases was approved and confirmed.

THE COMPTROLLER'S REPORT OF CONTRACTS EXECUTED

(28) The Comptroller's report of contracts executed, March 11 to April 30, 1948 (see Appendix, page 1123).

This report was received for record.

QUARTERLY REPORT OF THE COMPTROLLER

(29) The Comptroller presents his quarterly report to the Board as of March 31, 1948. Copies of this report have been sent to all members of the Board in advance of this meeting.

This report was received for record.

APPOINTMENT OF DR. BRYAN L. WADE AS PROFESSOR AND HEAD OF THE DEPARTMENT OF HORTICULTURE

(30) The Dean of the College of Agriculture recommends the appointment of Dr. Bryan L. Wade, now Director of the United States Regional Vegetable Breeding Laboratory, Charleston, South Carolina, as Professor and Head of the Department of Horticulture on indefinite tenure beginning September 1, 1948, at an annual salary of \$9,500.

I recommend approval of this appointment.

On motion of Dr. Meyer, this appointment was made as recommended.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(31) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under Section 5 of the Accountancy Act of 1943 and who have submitted evidence that they are holders of valid and unrevoked certificates of certified public accountants obtained in other states by passing the regular written examinations. They have also met the other requirements specified in Section 5 of the Act.

SUPPLEMENTARY FEDERAL FUNDS FOR AGRICULTURAL EXPERIMENT STATION

(32) Additional Federal funds have been allocated to the Agricultural Experiment Station for research to be carried on in cooperation with other agricultural experiment stations in this region. This is a continuation of the program of research in marketing, which was approved by the Board on November 29, 1947 (Minutes, page 931). The allocation to the University of Illinois for the fiscal year ending June 30, 1948, is \$22,400, and the following budget is submitted:

Salaries (appointments to be approved by the President) ..	\$ 9 300
Wages	4 000
Expense and equipment.....	<u>9 100</u>
<i>Total</i>	<i>\$22 400</i>

The foregoing budget has been prepared by Dean and Director H. P. Rusk and has been reviewed by the Comptroller.

I recommend its approval subject to adjustment within the total.

On motion of Mr. Davis, these funds were accepted and allocated for the purposes recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken.

**DECORATING SPRINGFIELD OFFICES OF DIVISION OF
SERVICES FOR CRIPPLED CHILDREN**

(33) The house in Springfield used as office quarters by the Division of Services for Crippled Children needs painting and redecorating.

The owner agrees to do extensive remodeling and also to redecorate areas of the property, but additional redecoration is needed in other areas.

The following bids on work to be done at University expense have been secured:

G. H. Schanbacher and Son, Springfield.....	\$1 535 00
Howard Fryhoff, Springfield.....	1 860 17
George J. Cappellin, Springfield.....	1 795 00
C. E. Senger, Springfield.....	2 000 00

The Director of the Division and the Comptroller recommend award of a contract to the lowest bidder, G. H. Schanbacher and Son, at \$1,535. Funds are available.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute the contract.

On motion of Mr. Nickell, this award was made and authority was given as recommended.

**CONTRACT FOR EMERGENCY AND EXIT LIGHTING SYSTEMS IN
CHICAGO PROFESSIONAL COLLEGES**

(34) Bids have been secured on the installation of new emergency and exit lighting systems in the Research and Educational Hospitals, including the dining room and kitchen unit, orthopedic unit, and in the Institute for Juvenile Research. This is one of the improvements recommended by Holabird and Root in their survey of mechanical facilities in the Chicago Professional Colleges. It is required to comply with the Chicago Fire Department's recommendation.

The Director of the Physical Plant Department and the Comptroller recommend award of the contract to the E. P. Allison Company, Chicago, the lowest bidder, on the basis of their proposal for the various parts of the complete installation, in the amount of \$21,055. Funds are available.

I concur and recommend that the Comptroller and Secretary of the Board be authorized to execute the contract.

On motion of Mr. McKelvey, this award was made and authority was granted as recommended.

**APPLICATION OF CITY ORDINANCES TO THE
UNIVERSITY OF ILLINOIS**

(35) As reported to the Board on February 21, 1948 (Minutes, page 976), the City of Chicago instituted court proceedings against the University of Illinois to enforce the collection of a license fee for the maintenance of a fuel oil storage tank on the Navy Pier under an ordinance providing for licensing of fuel oil storage tanks.

The Legal Counsel reports that on May 7, 1948, he filed a motion to dismiss the action, setting up the various reasons why the ordinance should not be applicable to the University. On May 11 the Corporation Counsel of Chicago moved to dismiss the complaint against the University.

This ends the case without prejudice to the right of the city to institute another suit if its officials see fit to do so.

This report was received for record.

APPOINTMENT OF ACTING DIRECTOR OF UNIVERSITY BANDS

(36) Professor A. A. Harding will retire as Director of the Military Bands on September 1, 1948, after forty-three years of distinguished service. Several months ago a special committee was appointed by the President of the University to study the qualifications of potential candidates for the directorship of the University Bands and to submit recommendations. The committee was also di-

rected to study the administrative relationship of the University Bands to other University agencies and to consider whether the Bands should be continued in an independent administrative status or should be placed under the administration of the School of Music or the College of Fine and Applied Arts.

The committee recommends that Mark H. Hindsley, Associate Professor of Music and Assistant Director of the Military Bands, be appointed Acting Director for a period of two years from September 1, 1948.

The committee has expressed judgment that it is not necessary to make major changes in the organization of the Bands but suggests that the title "Military Bands" be discontinued and that the Bands be called "The University of Illinois Bands." The Professor of Military Science and Tactics concurs in this change in title.

I recommend that:

1. Mr. Mark H. Hindsley be appointed Acting Director of the University of Illinois Bands and Associate Professor of Music for two years beginning September 1, 1948, at an annual salary of \$6,500.

2. The title of the Bands be changed to "The University of Illinois Bands" and that the Bands continue to be organized as a separate administrative unit.

On motion of Mr. Livingston, this appointment was made and the title of the Bands was changed as recommended.

APPRECIATION OF DIRECTOR HARDING

On motion of Mr. Livingston, the Secretary was instructed to prepare an expression of the Board's appreciation of Director Harding's services, for presentation to Director Harding.

The Secretary of the Board prepared the following tribute which was presented to Director Harding on June 6.

The Board of Trustees of the University of Illinois, to Albert Austin Harding, Director of the University Bands and Professor of Music, Greetings:

The Board of Trustees has observed with appreciation your eminent career over forty-three years as leader of the bands, which has won for you distinction at home and abroad. We are mindful of your contributions to the education of thousands of students who have played in the bands, many of whom have gone on to successful careers as leaders and all of whom have profited by your influence. There is not room here to recite your many accomplishments, not the least of which is the pleasure of great audiences in the performance of the Illinois bands.

As you retire, we know it will not be into inactivity, and we wish you all health, success, and happiness in your work and in your life.

In witness whereof we have inscribed our names hereto and have caused our Secretary to affix his name and the Seal of the University, this sixth day of June, in the year of our Lord the nineteen hundred and forty-eighth, and of the University of Illinois the eighty-first.

DAIRY CATTLE BARNs

At this point, Dr. Meyer called attention to the fact that the Dairy Cattle Barns, on which construction was begun in 1924, were still incomplete, and that the work of the department, and its relations with the public, were thereby hindered.

On motion of Mr. Nickell, this matter was referred to the President of the University for consideration and recommendation.

EXECUTIVE SESSION

At this point, the Board went into executive session.

WOMEN'S RESIDENCE HALLS

Mr. T. L. Warner, Mr. Albert, and Mr. L. A. Lawson, Attorney, representing the Warner Construction Company, were introduced. On request of Mr. Warner, Mr. Lawson made a statement concerning the contract for the Women's Residence Halls, and the progress of construction.

On motion of Dr. Meyer, this matter was referred to the Committee on Buildings and Grounds, to prepare, with the Legal Counsel, a stipulation of facts and to report to the Board.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 1114).
2. Graduate Fellows (page 1117).
3. Allerton Scholarships (page 1118).
4. Resignations, declinations, and cancellations (page 1118).

The Board adjourned.

CHAPMAN AND CUTLER'S OPINION ON TAXATION

The Legal Counsel presented the following opinion of Chapman and Cutler on the power of the University to pay taxes assessed on its property.

May 26, 1948

*William Britton, Counsel
University of Illinois
314 Altgeld Hall
Urbana, Illinois*

DEAR SIR:

We have been considering the brief submitted by you and the inquiries directed to us by President Stoddard regarding the question of whether or not the local taxing bodies of De Kalb, Piatt, and Champaign Counties may validly levy taxes upon properties owned by the University of Illinois and located in said respective counties.

This problem involves the construction of the constitutional and statutory provisions with respect to the exemption from taxation of property owned by the state and its political subdivisions or any public body corporate which has been created as an instrumentality of the state.

The power of the General Assembly to exempt property from taxation arises under Section 3 of Article IX of the Constitution of the State, which provides as follows:

"The property of the state, counties, and other municipal corporations, both real and personal, and such other property as may be used exclusively for agricultural and horticultural societies, for school, religious, cemetery and charitable purposes, may be exempted from taxation; but such exemption shall be only by general law. In the assessment of real estate incumbered by public easement, any depreciation occasioned by such easement may be deducted in the valuation of such property."

Pursuant to the power conferred upon the General Assembly by this constitutional provision it has in Section 19 of the Revenue Act of 1939, as amended, granted exemptions from taxation of certain property, such exemptions (so far as they may possibly be applicable to property owned by the University) being found in subdivisions 1 and 5 of Section 19 of the Revenue Act of 1939, as amended (Ill. Rev. Stat., Ch. 120, Para. 500), said exemptions reading as follows:

"(1) All lands donated by the United States for high school purposes not sold or leased; all property of schools, including real estate on which the schools are located, and any other real estate used by such schools exclusively for school purposes not leased by such schools or otherwise used with a view to profit; and all lands, moneys or other property heretofore or hereafter donated, granted, received or used for public schools, college, seminary, university or other educational purposes and the proceeds thereof whether held in trust or absolutely****."

"(5) All property of every kind belonging to the State of Illinois."

There cannot be any doubt about the provision as to exemption from taxation being applicable to all property owned by the University prior to the adoption of the Constitution in 1870, and there also can be no doubt as to the exemption of property title to which vests in the State of Illinois or title to which vests in the University and is used exclusively for school and educational purposes.

There have been numerous decisions of the Supreme Court involving the exemption of property from taxation and quite a few decisions involving the properties of the University of Illinois. One of the earliest decisions involving the University of Illinois is found in *Illinois Industrial vs. Board of Supervisors of Champaign County, Illinois*, 76 Ill. 184, wherein the Supreme Court held that the property held by the University belongs to and is under the entire control of the State, and being the property of the State, the Constitution authorizes its exemption from taxation and that the General Assembly had exempted it.

There seems to have been no deviation in this principle in any of the later

cases and as late as 1943, in the case of *People vs. Barrett*, 382 Ill. 321, involving the University, the Supreme Court reiterated this principle and stated that the University could only acquire and hold property as Trustee and agent for the State and that all the property of the University of Illinois though held by the Board of Trustees belongs to the State.

While there have been some exceptions to the principle above stated, particularly in the *Olmsted* case, 328 Ill. 377, involving certain property held in trust by the Board of Trustees in Vermilion County, the principle enunciated in the *Industrial University* case and the *Barrett* case above cited nevertheless seems to be the law and there seems to be no doubt that all property, title to which is in the Board of Trustees of the University and used by the University is exempt, and if the courts adhere to the principle established in the *Industrial* case and the *Barrett* case above referred to, to the effect that the property of the University of Illinois though held by the Board of Trustees belongs to the State, all property, title to which is in the University, would be exempt from taxation under the provisions of the Constitution and the existing revenue law of the State.

There may be some question as to the exemption feature of certain properties held by the University where they are leased with a view to profit, or where they have been conveyed to the University in trust for certain purposes, particularly in view of the fact that in the *Barrett* case the Supreme Court held that the University is not a part of the state government, but that it has been created as a state agency and the corporate entity created is a public corporation.

The same is true of the University of Illinois Foundation. The Foundation is a corporation not for profit organized under the laws of the State to assist in developing and increasing the educational facilities of the University, and in reality has been created as an agency of the Board of Trustees of the University of Illinois, and it could very well be that if the Supreme Court followed the principle involved in the *Barrett* case it might hold that any properties belonging to the Foundation were held in trust for the State, in which case obviously the constitutional exemption and the legislative exemption found in the Revenue Act could be invoked for the benefit of any properties held by the Foundation.

In addition, it is our understanding that the Legislature has made no specific appropriation for payment of taxes. Under the *Barrett* case above referred to there is considerable question as to the authority of the Trustees of the University to apply appropriations for the payment of taxes in the manner contemplated without first having had an appropriation made by the Legislature, unless the courts specifically determine that certain properties are taxable and that by operation of law they are payable from any one or more of the pertinent objects for which appropriations were made for the biennium.

Under the circumstances, we do not believe the decisions of the court are sufficiently clear for us to recommend to the Board of Trustees payment of taxes on any of the properties without an appropriate decision by the Supreme Court involving the facts surrounding the ownership and use of the particular properties.

Very truly yours,
CHAPMAN AND CUTLER

After general discussion, and on motion of Mr. Williamson, the Legal Counsel was authorized to take whatever steps may be necessary to clarify and maintain the rights of the University in this matter.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board in executive session discussed the agenda for the meeting and took action on the following matters presented by the President of the University.

APPOINTMENT OF TURPIN CHAMBERS BANNISTER AS PROFESSOR AND HEAD OF THE DEPARTMENT OF ARCHITECTURE

(1) I request authority to appoint Dr. Turpin Chambers Bannister, now Dean of the School of Architecture and the Arts, and Head Professor in the Department of Architecture, Alabama Polytechnic Institute, as Professor and Head of

the Department of Architecture on indefinite tenure beginning September 1, 1948, at a salary of \$10,000 a year.

On motion of Mr. Williamson, this appointment was authorized as recommended.

LEAVE OF ABSENCE FOR PRESIDENT STODDARD

(2) According to present plans, I shall fly to Paris from New York City July 6, remaining there ten days as the American representative on the Executive Board of the United Nations Educational, Scientific, and Cultural Organization (UNESCO). I shall then spend four days at Oxford University as a guest of the British Universities Congress, representing the American Council on Education. On August 4 I have been asked to give a talk at an international universities conference to be held at Utrecht University, Holland. I should return to the United States by air August 6. Accordingly, I request a half month's leave with salary adjusted as previously for UNESCO, the other half of this trip to be a part of my vacation.

On motion of Dr. Meyer, this request was granted.

PROPERTY PURCHASE

(3) Purchase of the property at 305 North Prospect Avenue, Champaign, owned by Mrs. Ruth H. Rockwood, at a price of \$20,000 (seller to pay brokerage fee), is recommended as part of the special program of residence properties acquisition for faculty housing previously authorized by the Board of Trustees. This is a lot 71½' x 122' with a brick and stucco house consisting of living room, dining room, kitchen, study, large hall, and lavatory on first floor; four bedrooms, sleeping porch, and bath on second floor; stoker-fired coal furnace; gas water heater; garage. This property was originally priced at \$21,000, with an independent appraisal of \$20,000. The owner will accept the University's appraisal.

At its meeting on May 22 the Board authorized the purchase of four residence properties with the provision that one of them may be transferred to the Athletic Association if the Association decides to purchase it for rental to a member of the Athletic Department staff. The Athletic Association has elected to purchase one of those houses at \$19,500, which releases funds for another property acquisition by the University.

This matter was presented by Mr. Janata.

On motion of Mr. Williamson, this purchase was authorized as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Mr. McLaughlin, Mr. Nickell.

At this point, Mr. McLaughlin took his place with the Board.

PARTICIPATION OF FARM AND HOME ADVISERS IN UNIVERSITY RETIREMENT SYSTEM

(4) County farm and home advisers have requested an arrangement by which the salaries paid to them by county farm bureaus may be included as a basis for benefits to which they are eligible in the University Retirement System by virtue of their being members of the extension staff of the University College of Agriculture. The salaries of these persons are paid in part from State appropriations to the University, in part from Federal funds received by the University, and in part by the county farm bureaus.

Retirement System benefits are based on the amount of salary paid by the University. At the present time, therefore, such benefits are limited to the sums paid from State and Federal funds. To extend these benefits to include the total salary would necessitate that the county farm and home bureau deposit its share of the salary of each farm and home adviser with the University, for disbursement by it to the adviser. Since the entire salary would then be paid by the University, the benefits would be computed thereon. The farm bureau would also be required to pay the University the employer's contribution to the System covering the estimated cost of the employer's share of the benefits (estimated

at 8 per cent of salaries). Deductions from employees' salaries (now $3\frac{1}{2}$ per cent) would make up the remainder. Both of these contributions would then be remitted by the University to the Retirement System.

The matter has been discussed at length over a considerable period of time by representatives of the Extension Service, farm advisers, University officials, and officials of the Retirement System. A trust agreement is necessary between each farm bureau and the University covering the proposed arrangement. The form of trust agreement has been worked out by the Legal Counsel of the University and the Legal Adviser of the Retirement System. It has been accepted by fifty-six of the farm bureaus involved. Others are expected to follow. The home bureaus will take action later if the program is approved by the University. The Director of Agricultural Extension and the Comptroller recommend approval. In view of the relation of the county farm and home advisers to the University and the fact that they are members of our educational staff, and the fact that the cost of the added benefits would be borne to a large degree by the farm bureaus and the advisers, I concur and recommend that this be referred to the Committee on Agriculture for consideration and report to the Board.

The Comptroller commented on this proposal.

The matter was referred to the Committee on Agriculture as recommended.

WAGES OF OPERATING ENGINEERS IN CHICAGO DIVISIONS

(5) I present reports from the Director of Nonacademic Personnel and the Legal Counsel on the status of negotiations on the wages of operating engineers in the Chicago divisions.

Director Dickason, Professor Britton, and Dr. Ivy commented on this matter.

It was the opinion of the Board that the prevailing rate principle should be adhered to, and that the hospitals should be kept open as long as possible (see page 1153).

At this point, General Davis took his place with the Board.

SALE OF BOOK RIGHTS ON PUBLICATION OF SMALL HOMES COUNCIL CIRCULAR

(6) The William H. Wise Company, 50 West 47th Street, New York City, has offered the University of Illinois \$15,000 for book rights on a publication which will consist of twenty-one Small Homes Council circulars.

The Coordinator of the Small Homes Council and the Director of the University Press recommend acceptance of the offer. I concur and recommend that the Board of Trustees authorize either the direct sale of the copyright to the William H. Wise Company by the University or the assignment of the copyright to the University of Illinois Foundation for sale, whichever method is the more feasible, and that the proceeds be made available for the research program of the Small Homes Council.

On motion of Dr. Meyer, these recommendations were adopted, subject to the approval by the University Press of the content of the manuscript of the book.

PATENTABLE DISCOVERIES

(7) The University Research Board submits the following reports and recommendations on potentially patentable discoveries by members of the faculty:

1. Process for production of chlorine by Dr. H. F. Johnstone, Professor of Chemical Engineering. During World War II, Professor Johnstone was requested by the National Research Council to make a survey of nonelectrolytic processes for the production of chlorine which would be important in case of a serious shortage of electric power. In making this survey, he found a plan mentioned in old German literature which had previously been overlooked. This is the catalytic decomposition of chlorosulfonic acid in the liquid state to give sulfuryl chloride and sulfuric acid. This process has the advantage of using

materials which are already in large production. After the report was submitted the War Production Board had the process investigated by several research laboratories. At the same time Professor Johnstone undertook studies, in which he was assisted by two of his students, Messrs. R. J. Kallal and R. C. Johnson, and as a result of their work an improvement in the method was developed which was more promising than any of those developed by War Production Board contractors. Professor Johnstone wishes to publish the results of his work. Because of the interest of large chemical companies the question of possible patent protection arises.

Professor Roger Adams, Head of the Department of Chemistry, has recommended that the University not apply for a patent because there is considerable doubt that a patent can be obtained since there is already established prior art in this field. Aside from this, the University Research Board is of the opinion that the possibilities of any financial returns from such a patent are too remote to justify the expense of securing one.

2. Control mechanism for fatigue testing machine by Associate Professor Howard C. Roberts of the Department of Civil Engineering. Professor Roberts has designed a control mechanism for machines which test fatigue of metals and other materials. The control mechanism was designed to work together with a device for adjusting the load applied by the machine during its testing operation.

Dr. N. M. Newmark, Research Professor of Structural Engineering in the Civil Engineering Department, has expressed the opinion that while this device and an improved one which has not yet been constructed may be worth patenting, the utility of these devices is so limited that the financial returns from the patent would not justify the expense of securing one. The University Research Board concurs in this judgment.

The University Research Board recommends that the above discoveries be released to the discoverer in each case.

I concur.

On motion of Dr. Luken, these releases were granted as recommended.

CONTRACT FOR EXTENSION OF STEAM SERVICE FROM MAIN DISTRIBUTION SYSTEM TO VARIOUS BUILDINGS AT URBANA

(8) Bids were opened at 11:00 a.m. (C.D.S.T.) June 1, 1948, in the office of Sargent and Lundy, Engineers, Chicago, for the extension of steam service from the main distribution system to each of the various buildings now under construction at Urbana.

The Director of the Physical Plant Department and the Comptroller recommend the award of the contract to the L. H. Prentice Company, Chicago, the lowest bidder, in the amount of \$131,814 less \$13,266 for omission of high pressure steam service to the Mechanical Engineering Building. This deduction is being recommended to bring the cost within available funds. High pressure steam will not be required in this building now but will be needed in the future when additions to the building are constructed.

I concur in these recommendations.

On motion of Mr. Williamson, this contract was authorized as recommended.

REPORT OF COMMITTEE ON BUILDINGS AND GROUNDS ON WOMEN'S RESIDENCE HALL GENERAL CONTRACT

(9) The Board on May 22, 1948 (Minutes, pages 1094, 1113), referred to the Committee on Buildings and Grounds, for consideration and recommendation to the Board, a request of the Warner Construction Company for an adjustment in its general contract on the Women's Residence Hall at Urbana. The Committee met in Chicago on May 27, 1948, at 6:30 p.m. to consider this item.

Present: Frank H. McKelvey, Chairman, Mrs. Doris S. Holt, Park Livingston, Walter W. McLaughlin (members of the Committee); C. F. Murphy and C. P. Severns of Naess and Murphy, architects on the building; W. E. Britton, C. S. Havens, A. S. Davis (of the University architectural staff), and Lloyd Morey.

The Committee received copies of statements by L. A. Lawson, attorney for

the Warner Construction Company, and M. Alperin, Vice-President of the Warner Construction Company; a complete outline of the history of wage rates on this construction, concurred in by both the contractor and University officers; a report of a survey by Director Donald E. Dickason of rates in various cities; and a complete summary of the history of the facts and issues involved. All of this information was reviewed and discussed in detail.

Legal Counsel Britton stated that in his opinion the contract can not legally be changed in the manner proposed by the Warner Construction Company. Subsequent to the meeting of the Committee, he prepared a written opinion on the subject which will be made a part of this report.

After full discussion, the Committee voted unanimously to recommend that the Warner Construction Company be advised that the Board can not assent to the proposed changes in the contract requested by the Company.

On motion of Mr. Williamson, this recommendation was adopted.

EMPLOYMENT OF FOREIGN STUDENTS

(10) At the meeting of the Board on May 21, 1948 (Minutes, page 1093), I presented a request for revision of the policy of the University in regard to the employment of foreign students so as to permit their employment, subject to the regulations of the United States Immigration Service, when equally well-qualified American students were not available. This proposal was not approved by the Board. I feel that I did not present it adequately.

Since I believe that the immediate effect of cutting off the proposed services will be detrimental to the work and the standing of the University in various departments, I should like to review the situation briefly and to make a further recommendation. Up to June 28, 1940, no restrictions were in effect and many departments were strengthened by the availability of excellent students from foreign countries on part-time appointments. Even during the war the Board's policy was to permit the employment of foreign students who were citizens of countries with which the United States was allied. During the war the problem was not acute since international travel was out of the question. It now appears to be highly desirable to return to the pre-1940 status. There is no question of the illegal entry of nationals from former enemies and it is practically impossible for a known Communist to receive travel authority. All persons coming to this country are investigated both by the United States Immigration Service and the Federal Bureau of Investigation. In addition, on entering the employ of the University of Illinois they sign an affidavit of loyalty. In fact, the departments concerned report that their foreign students come from the stable and conservative families, often with a previous history of wealth.

The foreign students employed during the past year have been of extreme importance to the University at a time when skilled workers have been hard to obtain. It is felt by all concerned that to keep up war-time limitations would have a crippling effect, particularly in the language departments. For example, the French Department has had the services of five French assistants, of whom three are not prospective American citizens. In the Department of Spanish and Italian an effective program of instruction has been built up on the basis of securing informants from Latin America. During the present year they have come from Mexico, Chile, Colombia, and Brazil. Generally, it is not possible for Americans to replace such persons, who are in this country only for a few years and are glad to work on this basis.

Similarly, in some departments in which we have substantial research contracts we are, to some extent, dependent upon foreign assistants. In the Department of Electrical Engineering we have seven in important assignments: two from India, two from China, two from Switzerland, and one from Canada. The Department of Chemistry employs two expert Chinese engaged in fundamental rubber research under a grant. The Department of Civil Engineering has for years attracted a large number of foreign students. They have returned to their countries as great supporters of Illinois and of the United States. I can testify to this in the case of Dr. Mikishi Abe, who worked under Professor Talbot and is now one of the most distinguished engineers in Japan. He is in charge of the

whole reconstruction program. Even during the war he remained friendly to the United States and suffered greatly for his devotion. Professor N. M. Newmark has a Chinese student especially needed on a Navy research project and Professor W. M. Wilson has a Chinese student on a project with the Copper and Brass Research Association. Another Chinese is engaged in hydraulic research.

However, the above cases are simply illustrations. The plain fact is that the University of Illinois increasingly is a leader in research, not only in the United States but over the world. We are building up slowly a reputation which Harvard, Yale, and the Massachusetts Institute of Technology have cultivated at great pains and at great cost. While doing so we have ourselves profited richly from the services of able students. These students no longer can help themselves because of the unprecedented value of the American dollar. A truckload of Chinese money would not be enough to support one of these highly selected workers.

On June 7 I was appointed by Governor Dwight H. Green as a member of a Commission on Displaced Persons to conduct a survey of employment opportunities for displaced persons in Illinois. The churches of Illinois have taken particular leadership in the formation of this Commission but business, industry, labor, and education are also represented. I mention this only to indicate that there is a general feeling that steps should be taken better to connect the United States with the nationals of friendly countries.

I recommend, therefore, that the Board of Trustees rescind its war-time rules concerning the employment of foreigners, reverting to the policy in effect prior to June 28, 1940.

If the Board will approve this recommendation, Dean Louis N. Ridenour of the Graduate College will take upon himself the personal responsibility for examining all such appointees with respect to both their research standing and their political acceptability. Joining me in the recommendation above, in addition to Dean Ridenour, are Professor J. F. Jackson, Head of the Department of French; Professor John Van Horne, Head of the Department of Spanish and Italian; Professor W. C. Huntington, Head of the Department of Civil Engineering; and Professor Roger Adams, Head of the Department of Chemistry.

On motion of Mr. Williamson, the war-time rules with respect to the employment of foreigners were rescinded, and the President of the University was authorized to revert to the policies and practices in effect prior to June 28, 1940, under the conditions stated above.

INTERNAL OPERATING BUDGET FOR 1948-1949

(11) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1948, and for academic and administrative appointments beginning September 1, 1948. This budget has been prepared by the Provost and the Comptroller in accordance with policies approved by the President and in conference with deans, directors, and other administrative officers.

I recommend that:

1. This budget, covering the allocation of the University's operating income from all sources for the year beginning July 1, 1948, be approved (see Appendix, page 1213).

2. The President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, to (a) make such changes and adjustments as are needed, (b) make such additional appointments as are necessary, subject to the provisions of the University Statutes, and (c) accept resignations as are offered. All such changes will be covered in the Comptroller's quarterly financial reports, or in reports of the Secretary of the Board on appointments.

The President, the Provost, and the Comptroller discussed the budget.

On motion of Mr. Davis, the internal operating budget for 1948-1949 was approved, authority was granted as requested, and the appropriations made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. Mc-

Kelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. Nickell.

**BUDGET FOR DIVISION OF SERVICES FOR CRIPPLED CHILDREN,
1948-1949**

(12) The budget of the Division of Services for Crippled Children for the fiscal year beginning July 1, 1948, has been prepared by the Director of the Division, Dr. Herbert R. Kobes, and is endorsed by Vice-President A. C. Ivy. It is summarized as follows:

	<i>Salaries and Wages</i>	<i>Expense and Equip- ment</i>	<i>Total</i>
State appropriations.....	\$126 671	\$554 540	\$681 211
United States funds.....	<u>183 708</u>	<u>53 500</u>	<u>237 208</u>
<i>Total</i>	<u>\$310 379</u>	<u>\$608 040</u>	<u>\$918 419</u>

I recommend that:

1. This budget, covering the allocation of the Division's income from State appropriations and Federal grants for the fiscal year beginning July 1, 1948, be approved.

2. The President of the University be authorized in accordance with the needs of the Division and within its total income to (a) make such changes and adjustments as are needed, (b) make such additional appointments as are necessary, and (c) accept resignations as are offered.

On motion of Mr. Williamson, this budget was approved, authority was granted to the President as requested, and appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Dr. Luken, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Mr. Nickell.

OPEN SESSION

When the Board convened in open session at 2 p.m. on June 15, 1948, the same members and officials were present as before; also Director J. F. Wright, and, for the consideration of the rates of wages of operating engineers in the Chicago divisions, Mr. Anthon J. Imhahn, Second Vice-President of the International Union of Operating Engineers, A.F.L., and Mr. Charles E. Reid, Assistant Chief Operating Engineer at the Chicago Professional Colleges, Mr. Harry W. Pearce, Superintendent of Buildings and Grounds of the Chicago divisions, Mr. H. N. Cooley, Assistant to the Dean of the Undergraduate Division, and Mr. C. L. Williston, Manager of the Office of Public Information in the Chicago divisions.

During the presentation and discussion of the wages of operating engineers, Mr. Robert Gordon, State Director of Labor, was present.

WAGES OF OPERATING ENGINEERS IN CHICAGO DIVISIONS

President Fornof announced that the Board had invited Mr. Anthon J. Imhahn, Second Vice-President of the International Union of Operating Engineers, A.F.L., and President of Local 399 of the same union, to appear before the Board for the purpose of making a statement of his reasons for requesting an increase in wages for operating engineers in the Chicago divisions. President Fornof then stated that the Board was glad to afford Mr. Imhahn this public hearing and that Mr. Imhahn was present. He then asked the Legal Counsel, Mr. Britton, to conduct the hearing.

Mr. Britton then introduced Mr. Imhahn who read a prepared statement in support of his position and he also spoke extemporaneously. Mr. Imhahn was shown a statistical summary, prepared by Director Dickason, of wage rates paid to operating engineers by a large number of employers in various lines of business and service, including a number of governmental agencies in the Cook County area. This summary showed a higher wage level for operating engineers employed by governmental agencies than it did of operating engineers employed by private employers. Mr. Imhahn's contention was that the wage rates paid by the University of Illinois to its operating engineers should be fixed with reference to wages paid by public agencies rather than by the wage rates paid by private employers.

Robert L. Gordon, Director of the Illinois Department of Labor, testified that it was the policy of the State in the fixing of wages for operating engineers to use as a basis therefor the rates paid by employers, both governmental and non-governmental, where the duties of such employees were most nearly alike.

Mr. Charles E. Reid who accompanied Mr. Imhahn also testified.

Director Dickason testified pointing out that the policy of the University under which he was directed to negotiate wage rates was that of the prevailing wage rate in the community, and he supported the statistics of wage rates prepared by him with testimony as to how they were obtained.

On the conclusion of the hearing, Mr. Livingston moved that the Board request President Stoddard and Mr. Imhahn to undertake the settlement of the issues by negotiations and that in the event that they were unable to agree, they agree upon an arbitrator to assist in the settlement of the issue subject to the acceptance of the proposed settlement by the Union and by the Board of Trustees. Mr. Imhahn stated that if this motion carried, this procedure was agreeable to him.

The motion was duly seconded and carried.

President Fornof expressed the appreciation of the Board to Mr. Imhahn, whereupon he, his associate, Mr. Reid, and Director Gordon withdrew.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

BUDGET OF ATHLETIC ASSOCIATION

(1) The Director of Intercollegiate Athletics submits on behalf of the Board of Directors of the Athletic Association the proposed budget of the Association for 1948-1949, which is summarized as follows, with comparative figures for the preceding year:

	1947-1948		1948-1949
	Original Estimate	Revised Estimate	Proposed
Income	\$554 505	\$713 873	\$636 740
Expenditures:			
Budget appropriations	552 406	563 629	636 144
Special appropriations		101 719	
Total	(552 406)	(665 348)	(636 144)
Excess of income over expenditures	\$ 2 099	\$ 48 525	\$ 596

On July 1, 1947, the Association had a net operating surplus of \$225,047, a reserve of \$50,955 for maintenance and replacement of plant, and a reserve of \$28,283 for equipment replacement. It is estimated that on June 30, 1948, the operating surplus will be \$312,004, the reserve for plant maintenance and replacement will be \$12,523, and the reserve for equipment replacement will be \$28,283.

The budget has been examined by the Comptroller, and all salaries have been reviewed by the President; those salaries paid jointly by the Athletic Association and the School of Physical Education are concurred in by the Director of the School of Physical Education.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total estimated income, such changes to be reported to the Board of Trustees.

On motion of Mr. Williamson, this budget was approved and authority was given as recommended.

APPOINTMENT OF JOHN GORDON PACE AS PERSONNEL MANAGER OF THE ATHLETIC ASSOCIATION

(2) The Board of Directors of the Athletic Association has appointed John Gordon Pace, now a member of the faculty of the Physical Education Department and baseball coach at Northern Illinois State Teachers College, De Kalb, as Personnel Manager of the Athletic Association beginning July 1, 1948, at an annual salary of \$5,000.

I recommend confirmation of this appointment.

On motion of Mr. McKelvey, this appointment was confirmed.

APPOINTMENT OF DR. STEWART S. CAIRNS AS HEAD OF THE DEPARTMENT OF MATHEMATICS

(3) I recommend the appointment of Dr. Stewart S. Cairns, now Professor and Head of the Department of Mathematics at Syracuse University, as Professor and Head of the Department of Mathematics on indefinite tenure beginning August 1, 1948, at a salary of \$11,000 a year.

On motion of Mr. Livingston, this appointment was made as recommended.

LABORATORY EQUIPMENT FOR NEW CHEMISTRY BUILDING

(4) Bids have been received by the Physical Plant Department for laboratory equipment to be specially constructed and installed in the new Chemistry Building at Urbana. The aggregate of low bids received for both manufacture and installation is approximately \$571,000. Three bids were received on the manufacture of the equipment. In five of the six bids for installation, however, only one bid was received for each type of service.

The maximum amount available for the purchase and installation of equipment in the State appropriation for this building is \$300,000. The lowest bid for the manufacture of the equipment is that of the Kewaunee Manufacturing Company, \$276,879.60. Hence, practically the entire amount now available is needed to cover the contract for the manufacture of the equipment, not including installation.

The Chemistry Department recommends that there be no change in specifications and that the contract for equipment be let to the lowest bidder in accordance with the bids received. If that procedure is followed, additional funds of about \$271,000 (based on bids received) would be necessary in future appropriations to provide for installation of the equipment. If the contract for equipment is made as recommended, this additional amount should be a high priority item in the 1940-1951 biennial capital funds.

The Physical Plant Department recommends that all bids for installation be rejected and that new bids be requested at a later date.

After a careful review of the problem, I recommend that the contract for the manufacture of the equipment be awarded to the lowest bidder, the Kewaunee

Manufacturing Company, in the amount of \$276,879.60 (excluding an alternate bid providing a reduction of \$19,568.50 which is considered undesirable); that all other bids received on this project be rejected; and that the funds needed to complete the installation of this equipment be included in the biennial capital budget for 1949-1951.

On motion of Mr. McLaughlin, these recommendations were approved and adopted.

REMODELING IN SMITH MUSIC HALL BASEMENT

(5) Bids have been received for the remodeling in the basement of Smith Music Hall to provide three additional studios and some remodeling in Lincoln Hall basement for storage space for material which must be removed from Smith Music Hall.

The Director of the Physical Plant Department and the Comptroller recommend the award of a contract to the lowest bidder, Kuhne-Simmons Co., Inc., in the amount of \$9,808.

The Board of Trustees has previously assigned funds for this project.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute a contract with Kuhne-Simmons Co., Inc.

On motion of Mrs. Holt, the execution of this contract was authorized as recommended.

REMODELING TEMPORARY BUILDINGS FOR STAFF HOUSING

(6) The need for additional housing for staff in the Urbana-Champaign departments is still acute. It is possible to release three temporary buildings on the Drill Field which can be remodeled to provide nine apartments. Two of these buildings are now being used as warehouses, so that only one building previously used for student housing would be transferred. The cost of remodeling is estimated at \$32,000.

Bids have been secured for work to be done by outside contractors. The Physical Plant Department and the Comptroller recommend the following awards to the lowest bidders:

E. N. DeAtley, Champaign, general contract.....	\$15 943
Square Deal Electric Company, LaPorte, Indiana, electrical work.....	1 350
Reliable Plumbing & Heating Company, Champaign, plumbing work.....	9 221

I recommend an appropriation of \$32,000 from the General Reserve Fund, and the award of the above contracts as recommended.

On motion of Mr. Williamson, contracts were awarded and the appropriation was made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

CONTRACT FOR BROAD WALK ON CARR AVENUE ON CENTRAL CAMPUS

(7) For many years campus plans have included the construction of a concrete broad walk on the east side of the central campus in front of the Noyes Laboratory of Chemistry and Davenport Hall, from Harker Hall at the north to the Auditorium at the south. The time has now come for this improvement. The old walks are narrow, in a bad state of repair, and are a hazard. With the construction of the Chemistry and other buildings, increase in pedestrian traffic will require a new and wider walk. It will match the walk on Burrill Avenue.

The site of the proposed new walk is already lined with trees planted and maintained from funds donated for them by the late Robert F. Carr, Class of 1893, a former member and President of the Board of Trustees. The avenue was named "Carr Avenue" by the Board of Trustees. Lighting is already installed.

Bids have been taken on the construction of this walk. The Director of the Physical Plant Department and the Comptroller recommend award of the contract to the Raymond Construction Company, Champaign, the lowest bidder in the amount of \$11,720. Funds are budgeted for this work.

I concur and recommend that the Secretary of the Board and the Comptroller be authorized to execute a contract with the Raymond Construction Company.

On motion of Mr. McLaughlin, this contract was authorized as recommended.

**AWARD OF CONTRACT FOR INSULATION ON
ABBOTT POWER PLANT ADDITION PIPING**

(8) Bids were received for insulation on the Abbott Power Plant addition piping. The Comptroller and the Director of the Physical Plant Department recommend the award of the contract to the lowest bidder, the Asbestos and Magnesia Materials Company of Chicago, on the basis of their firm bid of \$27,648.

Funds are available in the State appropriation for the Power Plant addition.
I concur.

On motion of Mr. Livingston, this contract was awarded as recommended.

**AWARD OF CONTRACTS AND PURCHASE OF PIPE FOR
GOLF COURSE CONSTRUCTION**

(9) The Board of Directors of the Athletic Association requests approval of the award of a contract in the amount of \$166,924.58 for the construction of a new golf course to C. D. Wagstaff and Company of Glenview, Illinois, the lowest bidder on the project. The Comptroller has examined all bids and recommends approval of the award of the contract to C. D. Wagstaff and Company.

Specifications for the new golf course at the Kimmel Farm to be developed by the Athletic Association provide that the Association shall furnish the pipe required, amounting to 25,050 feet of varying sizes. The Association has invited bids from all sources of supply and has found only one source that will accept an order and assure delivery by July 1, 1948. The contractor has stated that the pipe must be available by that time if the work is to be advanced sufficiently to open the course in the 1949 season.

The Board of Directors of the Athletic Association requests authority to purchase pipe from the Columbia Pipe Supply Company of Chicago at their quoted prices and approval of an appropriation of \$33,000 to cover the cost of pipe, transportation, and hauling to the course.

Approval of this recommendation is requested.

On motion of Mr. McKelvey, the award of contract was approved and the appropriation and the purchase of pipe were authorized as requested.

**ADDITIONS TO CONTRACT WITH JOHN FELMLEY COMPANY FOR
GENERAL WORK ON CHEMISTRY AND CHEMICAL
ENGINEERING BUILDING**

(10) The Department of Chemistry has recommended a number of changes in the new Chemistry Building not originally specified but now considered essential. These changes would involve an addition of \$5,590.88 to the contract with the John Felmley Company for the general construction work. The Director of the Physical Plant Department and the Comptroller recommend these additions to the contract. Funds are available in the State appropriation for the construction of this building.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute these changes.

On motion of Mr. McLaughlin, these changes in contract were authorized as recommended.

**ADDITIONS TO GENERAL CONTRACT FOR ELECTRICAL
ENGINEERING BUILDING**

(11) Additions of \$2,924.60 to the general contract with the John Felmley Company for the construction of the Electrical Engineering Building are recommended for (1) changing the interior of Room 219 from a research room to a room for classes in illuminating engineering, and (2) furnishing and installing exterior lighting fixtures and railings around the main entrance platform.

Funds are available in the State appropriation for the Electrical Engineering Building.

I recommend that the Secretary of the Board and the Comptroller be authorized to execute these changes.

On motion of Mr. Livingston, these changes in contract were authorized as recommended.

**ADDITION TO CONTRACT FOR ELECTRICAL EQUIPMENT
INSTALLATION AT ABBOTT POWER PLANT**

(12) The Director of the Physical Plant Department and the Comptroller recommend an addition of \$1,628.05 to the contract of the A. S. Schulman Electric Company for the electrical equipment installation at the Abbott Power Plant, to provide for the installation of additional pumps and rearrangement of controls.

Funds are available for this addition in the State appropriation for enlargement of the Power Plant.

I concur and request that the Comptroller and Secretary of the Board be authorized to execute this addition to the contract.

On motion of Mr. McKelvey, this addition to contract was authorized as recommended.

**ADDITION TO CONTRACT FOR SUBSTRUCTURE FOR
ABBOTT POWER PLANT ADDITION**

(13) The Director of the Physical Plant Department and the Comptroller recommend an increase of \$3,064.17 in the contract with Kuhne-Simmons Company, Inc., for the substructure work in the construction of the Power Plant addition to cover revisions of plans which were made after the bids were submitted.

Funds are available in the State appropriation for the Power Plant addition.

I concur and recommend that the Secretary of the Board and the Comptroller be authorized to execute this change.

On motion of Mr. Williamson, authority to execute contract for this change was given as recommended.

**APPROPRIATION AND AWARD OF AIR-CONDITIONING CONTRACT
FOR RADIOCARBON LABORATORY**

(14) On April 10, 1948 (Minutes, page 1070), the Board of Trustees appropriated \$6,000 for the purchase of equipment for the Radiocarbon Laboratory at Urbana, with the understanding that additional funds for remodeling of Room 125.2 Davenport Hall for this project would be requested when accurate estimates were available. The Physical Plant Department has secured an estimate of \$16,047 for all construction costs.

The Committee on Special Appropriations and Nonrecurring Expenditures recommends such an appropriation.

Bids have been received for the air-conditioning work. The Director of the Physical Plant Department and the Comptroller recommend the award of the contract to Schroeder's of Champaign, the lowest bidder, in the amount of \$8,990.

I concur and recommend (1) an appropriation of \$16,047 for remodeling, and (2) that the Comptroller and the Secretary of the Board be authorized to execute a contract with Schroeder's.

On motion of Mr. Livingston, the execution of this contract was

authorized and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(15) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

1. Generating equipment for Abbott Power Plant.....	\$ 49 220
(This is the partial cost of a new generator needed to increase the power production capacity of the Abbott Power Plant. The cost of a 7,500 KVA turbo-generator is estimated at \$1,215,280. Funds for this will be included in the 1949-1951 biennial capital budget but by making a contract now delivery will be expedited by more than one year. The estimated expenditure required on this project during 1948-1949 is \$49,220; the remainder will be included in the 1949-1951 budget.)	
2. Improvement of Springfield Avenue, Urbana, adjoining University property	40 000
(This represents the University's share of the cost of repaving and widening of Springfield Avenue, Urbana, from Western Avenue to Wright Street, a distance of approximately 11 blocks.)	
3. Remodeling and equipment in Illinois Eye and Ear Infirmary (to establish a branch of the Research and Educational Hospitals Pharmacy)	15 000
4. Equipment for Agricultural Engineering Department.....	13 500

These proposed improvements have been carefully studied by the Committee on Special Appropriations and Nonrecurring Expenditures. Its reports giving details of the reasons for these improvements are submitted herewith.

I concur and recommend that these appropriations be made from the 1947-1948 General Reserve Fund to the extent that funds are available therein and the remainder from the General Reserve Fund for 1948-1949, and that all of these appropriations be made available until June 30, 1949.

On motion of Mr. Livingston, these appropriations were made as recommended, subject to check by President Stoddard's office and the Committee on Buildings and Grounds of the item for improving Springfield Avenue. The vote was as follows: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer, Mr. Nickell.

AUTOMOBILE INSURANCE

(16) Motor Vehicle Liability Insurance is needed effective July 1, 1948, date of expiration of present insurance, for one year, providing limits of \$25/50,000 bodily injury and \$5,000 property damage on the fleet of automobiles, trucks, buses, and motor-propelled equipment owned and operated by the University at

all locations, including hired and non-owned motor vehicles used in the pursuit of University business.

Bids were prepared and submitted to sixty-eight mutual and stock insurance companies; also advertisements were inserted in various daily papers; four bids were received.

The Director of Purchases, the Director of the Physical Plant, and the Comptroller recommend that the award be made to Richard C. Knight of Chicago, representing the Travelers Indemnity Company, on the basis of the lowest bid of \$3,224.65.

On motion of Mrs. Holt, this award was made as recommended.

PURCHASES

(17) The University of Illinois Statutes provide that purchases shall be made on the basis of competitive prices wherever practicable, quality, suitability, and service considered. Purchases amounting to \$1,000 or more made from general funds or unitemized appropriations shall be submitted to the Board of Trustees or to the Executive Committee, unless, in the opinion of the President of the University, urgent necessity exists that requires immediate action, in which case the President shall act and report promptly to the Board.

On motion of Mr. Williamson, these purchases were authorized as recommended (see Appendix, page 1210).

SITE FOR NEW Y.M.C.A. BUILDING IN CHICAGO

(18) The President of the Board of Trustees received and referred to the President of the University a letter from the President of the Medical Center Commission requesting that the Board of Trustees concur in the construction of a new Y.M.C.A. Building at 1933-53 West Polk Street, Chicago, which is within the area tentatively allocated for the future expansion of the University of Illinois and other institutions. The present "Professional Colleges Y.M.C.A." Building will be demolished to make way for the Congress Expressway. In view of this, the Y.M.C.A. is studying the future needs of the Medical Center District and the Medical Center Commission has offered its cooperation.

This proposal was referred to the University Building Program Committee for study. The Committee recommends that the University concur in the selection of this site for the new Y.M.C.A. Building subject to the following conditions:

1. That the Y.M.C.A. continue making an allotment of space in this building to students from the University of Illinois Professional Colleges comparable with the allotment now being made in the present building.

2. That the Y.M.C.A. endeavor to include in its ultimate program the Chicago Board of Education Warehouse, which adjoins the proposed building site, to insure a *suitable future development* of this area.

3. That the University offer to release for a building site for the Y.M.C.A. the land required by it, either through sale to the Y.M.C.A. or by exchange with the Medical Commission for other property desired by the University, providing the proposed new Y.M.C.A. building project is carried out on the proposed site.
I concur in these recommendations.

On motion of Mrs. Holt, these recommendations were approved and adopted.

AWARD OF CONTRACT IN CONNECTION WITH ELECTRICAL DISTRIBUTION SYSTEM IN CHICAGO

(19) Bids were received for the construction of electrical duct runs and the extension of an existing switchroom in connection with the construction of the electrical distribution system for the Chicago Professional Campus.

Funds are available in the State appropriation for this program.

The Director of the Physical Plant and the Comptroller recommend the award of the contract to the lowest bidder, the R. V. Monahan Company, in the amount of \$54,619.

I concur.

On motion of Mr. Livingston, this award was made as recommended.

APPRECIATION OF PARK LIVINGSTON

Mrs. Holt presented the following:

The Board of Trustees and the Executive Staff of the University of Illinois hereby record their appreciation of the fairness with which Mr. Park Livingston has conducted the affairs of the office of President of the Board during the past five years, and of the enthusiasm and whole-hearted effort of his work, and the personality that has won for him the respect and friendship of his colleagues.

We feel fortunate in having his effective leadership over the years, and extend our hearty wishes that he may continue to enjoy the well-earned fruits of his successful career.

On motion of Mrs. Holt, this expression of appreciation was adopted, and the Secretary was instructed to send a certified copy to Mr. Livingston.

ATTORNEY FOR UNIVERSITY IN REGISTRY AND TRANSFER OF JERSEY CATTLE

The Secretary presented a request from the Department of Dairy Production that Assistant Professor E. E. Ormiston of the Department of Dairy Production be designated "attorney in fact" for the purpose (and this purpose only) of signing certain papers to be filed with the American Jersey Cattle Club in connection with the registry and transfer of purebred Jersey cattle owned by the University. The Board designated Professor W. W. Yapp to sign such papers in 1945 (Minutes, August 29, 1945, page 638). Professor Yapp will be on sabbatical leave of absence for six months beginning August 1, 1948. His power of attorney is to lapse when Professor Ormiston qualifies.

On motion of Mr. McLaughlin, the Secretary was authorized to execute for the Board a limited power of attorney to E. E. Ormiston in the form required.

SECRETARY'S REPORTS

The Secretary presented the following lists for record, as printed in the Appendix.

1. Appointments made by the President of the University (page 1163).
2. Graduate Scholars and Fellows (page 1165).
3. Resignations and declinations (page 1167).
4. Lists of degrees approved by the University Senate to be conferred at Commencement June 18, in Chicago, and June 19 and 20, in Urbana (page 1168).

The Board adjourned.

THE UNIVERSITY BUDGET FOR 1948-1949

(Approved by the Board of Trustees June 15, 1948, page 1152)

EXPLANATORY NOTES

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1948.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against by voucher to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges *may not exceed the amount of time provided* by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted to the Comptroller. Adjustments may be requested between "Salaries" and "Wages" and between "Wages" and "Expense and Equipment" upon notice to the Comptroller.

Appropriations for Expense and Equipment and for Wages are available for one year beginning July 1, 1948, and ending June 30, 1949. All unexpended balances lapse June 30, 1949. The reappropriation of funds will be considered only in special situations.

The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

(1) For those positions indicated entirely as "Y", or for that portion of time indicated as "Y", services are required for the full year of twelve months, with allowance of one month for vacation. No additional compensation is allowed for summer session services for any salary or portion of salary indicated as "Y".

(2) For those positions in the academic budget not indicated as "Y", or for that portion of time not indicated as "Y", services are required only during the regular academic year of two semesters (three terms in the Chicago Professional Colleges). If teaching is required during the Summer Session, it will be covered by an additional appointment with salary.

The services required for members of the nonacademic staff are for a full year of twelve months, with allowance for vacation, in accordance with civil service regulations. Salaries are paid in twelve equal monthly installments and positions are indicated as "H".

Symbols:

- A — Indefinite tenure, payable in twelve monthly installments.
- B — Two years from September 1, 1947, payable in twelve monthly installments.
- D — One year from September 1, 1948, payable in twelve monthly installments.
- E — The academic year 1948-1949, payable in ten installments of which the first and last shall be half installments and the other eight full installments equal to one-ninth of the annual salary.

- G — Special tenure as described.
- H — In accordance with civil service regulations, beginning July 1, 1948.
- I — Present salary sub-total includes 1947-1948 positions discontinued.
- Y — When following A, B, D, or G, indicates that services are required throughout the year, except for allowable vacation, without additional compensation.

Part-time:

When any of the above symbols is combined with a number, the number indicates the fraction of time in per cent covered by the position.
