UNIVERSITY OF ILLINOIS

# A Word of Thanks

from H. F. GLAIR, '12

President, U of I Foundation

Once again your support has made possible a report of substantial Achievement Fund progress. The 1953 Fund recorded a gain of 22% over the income of the previous year, and the number of Illini contributing for the first time in 1953 was the largest since the initial year of the Achievement Fund.

Here, at a glance, is the record for the five-year period since the Fund was established by the University of Illinois Foundation:

Year	Fund Income
1949 . . . . .	\$ 52,131.47
1950 . . . . .	74,042.85
1951 . . . . .	77,123.80
1952 . . . . .	112,224.53
1953 . . . . .	137,163.03
TOTAL:	\$452,685.68

On behalf of the University of Illinois Foundation, I acknowledge with gratitude the support of all Illini and others who have helped to write this record of progress. Thousands of alumni and friends of the University have joined hands to make the Achievement Fund one of the leading annual-gift programs among state universities. In thanking those whose names appear in this report as 1953 contributors, I express the sincere hope that many others will join them in supporting the 1954 Fund.

As the Achievement Fund begins its sixth year, it has many opportunities to serve the University throughout 1954. Your

support will be welcomed and appreciated. Large or small, your contribution will be an investment in your Alma Mater. And you can be sure that your gift will be used to produce the greatest possible return on your investment.

Sincerely,

*H. F. Glair*

## Illini Achievement FUND PROJECTS FOR 1954

The following Achievement Fund projects for 1954 have been approved by the Board of Directors of the University of Illinois Foundation:

- 1. Illini War Memorial Scholarships**  
To enable worthy young men and women of unusual ability to attend the University and prepare for useful careers of leadership. The scholarship program is described further on page 5.
- 2. Research at U of I Medical Center, Chicago**  
To aid important research programs at the College of Medicine of the University of Illinois. Since 1949, Fund grants have helped to finance research in such fields as heart disease, hypertension, cancer, geriatrics, arthritis, mental disturbances, allergies, and gastrointestinal disease. A further review of this Achievement Fund project appears on pages 8 and 9.
- 3. Staff Research and Equipment**  
To finance promising research projects for which state funds are not available, and to provide necessary research equipment. All Achievement Fund grants for faculty research and equipment must be recommended by the University Research Board and approved by the U of I Foundation Board.
- 4. Illini Achievement Fund Endowment**  
To increase the Achievement Fund permanent endowment, which now stands at \$12,868. The endowment fund earnings are applied to various University objectives as directed by the Foundation Board.
- 5. Library Enrichment**  
For rare and valuable books, and special collections, that will add to the distinction of the University Library, ex-

pand its facilities for research, and increase its usefulness to students. A summary of this Achievement Fund project appears on page 12.

- 6. The President's Emergency Fund**  
To cover special demands on the University, not covered by appropriations or other funds, including aid to foreign students.
- 7. Hiram T. Scovill Scholarship Fund (in co-operation with an alumni committee of the College of Commerce and Business Administration)**  
To provide an endowment fund of at least \$25,000, the income from which will be used for undergraduate scholarships in the College of Commerce and Business Administration. This project is described further on page 10.
- 8. Memorial Chapel at U of I Hospitals, Chicago**  
To provide a suitable place of worship within the Research and Educational Hospitals of the University. The Memorial Chapel will be available for use by all religious groups. A further account of this Achievement Fund project appears on page 13.
- 9. Harvey H. Jordan Scholarship Fund (in co-operation with a faculty committee of the College of Engineering)**  
To establish an endowment fund for scholarship awards to outstanding seniors in the College of Engineering. This project is outlined more fully on page 15.
- 10. Chimes Restoration Fund**  
To repair and modernize the mechanism for operating the Altgeld Hall chimes, which were given to the University by the classes of '14, '15, '16, '17, '18, '19, '20, and '21.
- 11. U of I Symphony Orchestra Fund**  
To provide scholarships for music students of exceptional talent who are qualified to play in the U of I Symphony Orchestra, but who need financial aid in order to attend the University.

Undesignated gifts may be applied by the Foundation Board to any of the 1954 projects that need additional support, or to other worthy University projects. If you wish your contribution used for a specific purpose, please indicate on the flap of the enclosed envelope.

## Achievement Fund Scholarships Help 38 Students Attend University

Thirty-eight outstanding students hold Illini War Memorial Scholarships at the University of Illinois for the 1953-54 school year. The scholarships are provided by the Achievement Fund and administered by the University Scholarship Committee. Applicants are selected each year on the basis of scholastic standing and need for financial assistance.

Undergraduate students enrolling on the main campus at Urbana-Champaign or the Navy Pier Division in Chicago are eligible to apply for Illini War Memorial Scholarships. Winners of the 1953-54 awards represent twenty-two cities and towns in Illinois. Out-of-state scholarship students are residents of the following states:

Georgia, Indiana, Kansas, New Jersey, and New York.

Established by the University of Illinois Foundation in January, 1949, the Illini War Memorial Scholarship program has received total Achievement Fund grants amounting to \$50,000. Thus far 187 scholarships have been awarded by the University Scholarship Committee. The average stipend is \$250.

Twenty-four of the 1953-54 award winners are shown in the picture below. Because of laboratory and employment schedules, fourteen other scholarship holders were unable to be present for the group photograph. Their names are shown below those of students appearing in the picture.

## Achievement Fund Presents Turner Collection to Library

A major addition to the University Library in 1953 was the Tom Turner Collection, purchased by the Achievement Fund through the co-operation of Professor Gordon Ray, Head of the English Department. This extensive collection, which was shipped to Urbana from Baildon, England, comprises about 8,000 volumes of English poetry, fiction and other prose of the period from 1890 to 1949.

The strength of the collection lies in its many first editions and presentation copies. Some major authors, such as Beerbohm and Galsworthy, are nearly complete, and most others are substantially represented. Also included are the best works of less distinguished writers. Another notable feature of the collection is an excellent assemblage of the first English versions of famous foreign novels.

Shown at left is Professor Ray selecting a volume from the Turner Collection. The late Tom Turner, who assembled this remarkable library over a period of many years, was a British postoffice official, minor poet and short story writer.

# Famous Frans Hals Painting Given to U of I by Mr. and Mrs. Merle Trees

MERLE JAY TREES

EMILY NICHOLS TREES

"Portrait of Cornelis Guldewagen, Mayor of Haarlem," by Frans Hals, was presented to the University by Mr. and Mrs. Merle J. Trees in November, 1953. This important addition to the Merle J. and Emily N. Trees Collection of Old Master and Modern Paintings was received through the Achievement Fund of the U of I Foundation. The Frans Hals masterpiece is one of the most famous works in the Trees Collection, which now includes thirty-eight paintings.

Mr. and Mrs. Trees, both Illinois graduates, began their benefactions to the University in 1937, when the nucleus of their splendid collection was presented to their Alma Mater. Every year since that time, the donors have augmented the collection with further gifts. The total valuation of the collection, including the 1953 gift, stands at \$314,250. The present day value is substantially greater, however, as many of the paintings have increased in value since the original appraisals were made by art experts.

A maintenance fund, which will amount to \$30,000, has also been established by Mr. and Mrs. Trees. Income from this fund will be used to pay the cost of insurance and maintenance of the paintings.

The Trees Collection is of great cultural and educational significance, containing distinguished examples of the French Primitive, of 16th century Italy, 18th century England, and 19th century France. Each painting has been carefully selected to answer the specific needs of a university museum. The perceptive judgment of Mr. and Mrs. Trees, combined with advice of museum officials here and abroad, has produced a collection that represents the great cycles of Renaissance and Modern art.

# ILLINI ACHIEVEMENT FUND

## Report for 1949 and Honor Roll of Contributors

THE LIBRARY OF THE

APR 24 1950

UNIVERSITY OF ILLINOIS

*Hats Off to You.*

# ILLINI!

Your support of the Achievement Fund has set a new record among Big Ten schools . . . and among all colleges and universities from the Rocky Mountains to the Appalachians . . . for the number of donors to an annual-gift fund during its first year.

Of greater importance, the contributions of 5,071 Illini and other friends have made possible a year of real accomplishment for the Achievement Fund . . . a record of substantial service to the University.

Fund allocations to the various 1949 projects are shown on the next page. Some of the notable Achievement Fund activities of the past year are illustrated and described on pages 8-9.

If your name appears in the "Honor Roll of Contributors to 1949 Fund," beginning on page 5, you have our sincere thanks for a job well done. If your name is not included in this list, we invite you to join other Illini in supporting the 1950 Fund.

The twenty projects for 1950 are outlined on pages 15-16. They offer a real challenge . . . and a fine opportunity for Illini everywhere to help in building a greater University of Illinois.
