**SATELLITE RECREATION FACILITY  
GROUND BREAKING CEREMONIES**

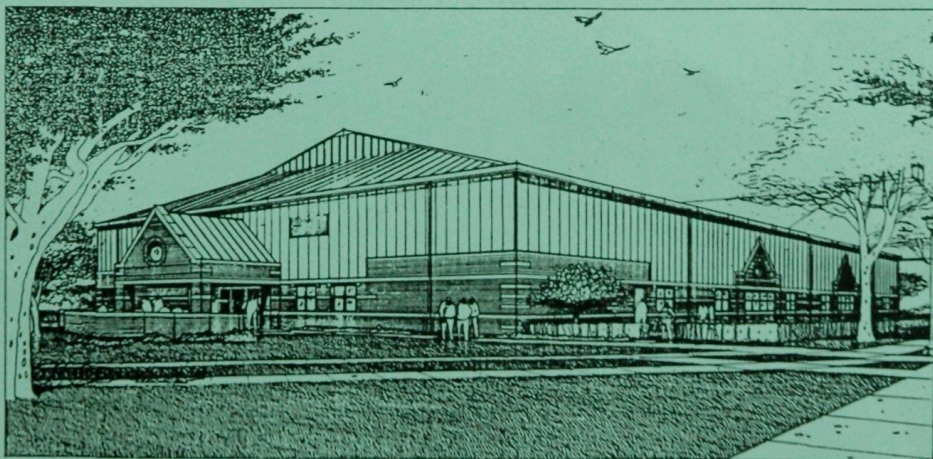

**Thursday, September 22, 1988**

9:30 AM: Formal Ceremonies\*

10:00-11:30 AM: Students may stop by to help "break" ground  
and are encouraged to sign a poster board that will be displayed  
when the facility opens

Field directly east of Freer Hall  
906 South Goodwin; Urbana, Illinois

\*In case of inclement weather, the ceremonies will be held in Room 120, Freer Hall

The initial construction phase of the Satellite Recreation Facility is a \$1.6 million project supported by student fees. The Division of Campus Recreation would like to offer an opportunity for all students to break ground on a facility designed to serve the recreational needs of the student body, both present and future. **Stop by and participate!**
